## Multi Class Events and Medals

All Multi Class events will be conducted as Open events. Swimmers amassing the highest points from the heats session (using the Multi Class Points Score) across all age groups will qualify to compete in the evening finals sessions. Age group medals will be determined from the heats session. Open medals will be determined in the evening finals session for each event, except the 400m Freestyle, which will be conducted as a timed final for Open competitors in the heats session.

Swimmers with an SM3 or SM4 classification may contest the 200m Individual Medley as a 150m Individual Medley.

Multi Class swimmers who are swimming in events that are not designated as Multi Class must produce their exemption cards to the session Referees.

Medals will be awarded in Multi Class Events as follows:

- 50m Freestyle: 12yrs, 13/14yrs, 15/16yrs, 17/18yrs and Open
- 100m Events: 12yrs, 13/14yrs, 15/16yrs, 17/18yrs and Open

## Special Notes

The Referee and Technical Manager have authority to control heats at their discretion and may combine heats to be swum as a straight final.

Finals may not necessarily follow heat order. This may change at the discretion of the Technical Manager.

In age group finals, eight (8) lanes will be reserved for Queensland competitors. Six (6) lanes will be reserved for Queensland competitors in open A finals, with no restriction on B finals.

The following events will also have six (6) lanes reserved for Queensland competitors:

- 17 & Over 800m Freestyle,
- 17 & Over 1500m Freestyle,
- 17 & Over 400m Ind. Medley, and
- 19 & Over 50m events.

All open events will have B Finals, provided that in each instance at least 24 swimmers compete in the associated heats. B finals will be swum immediately prior to the respective A final.

The fastest 10 qualifiers for all 800m and 1500m events will swim in the evening session, with placings to be based on the fastest times in the heats and finals sessions.

The 16 Years & Over 400m Individual Medley will be run as combined ages for the heats. The finals will be run as two separated events: a 16 Years final and a 17 Years & Over final. Medals will be awarded in the following age groups: 16 Years, 17 Years, 18 Years, and Open.

## 50m Events are now Championship Events

At the 2020 Queensland Championships, 50m events will be conducted for every stroke and will be recognised as Championship Events. This means placegetters in each age group (12yrs, 13yrs, 14yrs, 15yrs, 16yrs, 17yrs, 18yrs and 19&Over) will be awarded a Championship Medal and that these events will be included in the Points Score.

The Gold Medallists will be crowned as the Queensland Long Course Champion, while winners at the Queensland Sprint Championships will be named Queensland Sprint Champion.

This decision will fully align the Queensland Long Course Championships to the program of events at the World Championships, Commonwealth Games and Pan Pac Championships. It also reflects the high participation in the 50m events conducted at Swimming Queensland meets.

Please note that the qualifying times for 50m events at the 2020 Queensland Championships
