

2021 speedo® National Preparation Meet & Jess Schipper Challenge

20-21 MARCH 2021 - BRISBANE AQUATIC CENTRE

FINAL INFORMATION

This meet will run under our COVID-19 Industry Plan as per the Queensland Government and Public Health Directives. In nominating or purchasing a ticket, you have agreed to the COVID-19 Terms and Conditions. Spectators are strongly encouraged to wear masks when physical distancing is not possible, particularly in enclosed spaces and upon entry and exit to facilities. **Please do not attend if you're unwell or experiencing any symptoms on the day.**

Please note, as part of our COVID-19 Industry Plan it is a requirement that attendees enter EITHER the Eastern OR Western grandstand, NOT BOTH, on the same day (regardless of tickets held).

TICKETS

All attendees **must have a ticket** to gain entry. Tickets can be scanned from a device, or printed. For contact tracing compliance, **all attendees are required to scan out when leaving the venue for the day**, so please retain any printed copies for this purpose. Saving a screen shot of your ticket is a great way to make it easy to find on the day.

Spectators purchased their ticket(s) via Ticketbooth, including choosing a specific section, row and seat. Ticketbooth issues the receipt via email which includes a link to download the ticket to provide for scanning at the entry point. Spectators will only be permitted access to the Western grandstand, and will not be granted access to the Active Participant areas including the Eastern grandstand or pool deck. If you've purchased a program, it will be available at the entry point by scanning your program booklet ticket.

Coaches, swimmers, event staff and technical officials have been automatically issued Ticketbooth tickets for the meet (tickets for swimmers, who are dependants in Swim Central, were issued to their parent/guardian email address). This same ticket must be scanned in each day and scanned out when leaving for the day. Coach programs can be collected at the entry point by scanning a coach program booklet ticket.

Due to the significantly lower numbers as compared with other meets this season, we were able to allocate attending clubs 1 ticket per competing swimmer for each day. These tickets were in lieu of the usual 'Club Manager' allocation and members utilising these tickets will be doing so as an Active Participant, fulfilling a supportive role for their swimmer. These tickets were purchased by the supporting person via Ticketbooth per day of the meet, using the unique code provided to their Club. Program booklet tickets are required to be scanned to collect a program at the entry point.

Tickets are emailed from Ticketbooth, like the example below. For help downloading your ticket, please [click here](#).

Open the email and follow the prompt to view and/or print the ticket

This is the ticket to bring on the day for scanning in and out.

ACTIVE PARTICIPANT WRISTBANDS

Coaches and support persons will be provided an active participant wristband once their ticket has been scanned and will need to self-apply before entering the venue. The active participant wristband will allow for ease of movement around the venue, i.e. accessing the café, Eastern grandstand and amenities (access to the Western grandstand is not permitted for an active participant).

POOL DECK ACCESS AND FLOW

Active Participants are asked to please ensure they're familiar with the pool deck flow map and follow directions for all movement around the competition pool (see below).

MARSHALLING PROCEDURES

Self-Marshalling will be in place for this meet. Swimmers will enter the pool deck to self marshal as indicated in the pool deck flow map. Being mindful to respect thoroughfares, so pool deck traffic isn't impeded.

The self-marshalling entry list is available on the event page:

<https://qld.swimming.org.au/events/2021-speedo-national-preparation-meet-jess-schipper-challenge>

Swimmers will only be permitted on pool deck to self-marshall a certain number of races prior to theirs, as follows:

50m, 100m, 200m events	Three (3) heats prior to the heat in the water
400m events	Two (2) heats prior to the heat in the water
800m and 1500m events	One (1) heat prior to the heat in the water

To self marshal, swimmers follow the below steps:

1. Move to the self-marshalling over flow area
2. Proceed to the lane allocated, when asked to by a Check Starter

Swimmers can approach the Help Desk (see pool deck flow map) for assistance or ask their club manager or coach.

To assist in this process, we recommend swimmers arrive on the day prepared with the following information they will need for self-marshalling:

- Event number/s
- Heat number/s
- Lane number/s

It is also a good idea for swimmers to write all event/heat/lane numbers on their arm, in that order, for example:

WARM UP & WARM DOWN PROCEDURES

Warm up will commence at 7:00am each day. The competition pool may be used for warm up, up to 15 minutes prior to racing commencing. The outdoor 50m pool will be in use for the duration of the meet for warm up and warm down. The dive pool may not be used for warm up or warm down.
