

Announcer Notes for COVID-Safe Events

An important part of hosting COVID-Safe events is communication. So that all Attendees are aware of the measures in place, clear communication in the lead up to, and during the event, will be essential. Below are a few examples to use as announcements during your event to help communicate the COVID specific measures in place and act as reminders at pre-determined frequencies. Please adjust accordingly for your event.

- Please ensure you are keeping a 1.5m distance from other attendees during the event to the extent possible and use the hand sanitising stations located throughout.
- All attendees are reminded to check-in and check-out of the event to comply with contact tracing requirements. Parents can do this on their swimmer's behalf.
- Managers and coaches are responsible for ensuring their Club members are seated in their designated areas and practice physical distancing accordingly.
- Event hosts reserve the right to remove anyone not doing the right thing in following the COVID related measures in place.
- Please refer to the Event Site Map to understand and follow the flow in and around the venue.
- It is important for all attendees to check-out using the QR Code to comply with contact tracing requirements. This is our way of keeping the community safe and our sport running in this COVID environment.
- Self-marshalling not only allows swimmers to warm up more effectively but assists host clubs to comply with the restrictions. Keep your eyes on the progress of the meet and make your way to the blocks as your heat approaches.
- If you need to confirm what event, heat and lane you are in, please see the Help Desk located near the Self-Marshalling Area.
- Please be aware that routine inspections of events may be conducted by Queensland Health and the Queensland Police Service, and on-the-spot infringements can be issued by them to individuals and organisations for non-compliance with Public Health Directions. We have a shared responsibility to ensure the safe running of events, we appreciate your support in making this happen.
- Hosting a COVID safe event is a team effort and we need your help. All attendees are responsible for:
 - Keeping 1.5 metre distance between yourself and others
 - Adhere to all designated venue flow, entry and exit points as per event maps
 - Do not attend the event and seek testing if you have symptoms
 - Wash your hands often and cover coughs and sneezes
 - Do not share food, drink, or sporting equipment with others
 - When eating or drinking, do so in your designated seating area
- For those new to EVA Check-in, it is really easy!
 - Download the 'EVA CHECK-IN' app on your phone (Apple and Android both available)
 - You can create your profile(s) in the app
 - To check-in, open the app and scan the QR (Quick Response) code
 - Remember to check-out when you leave the event
- Your information will be stored and encrypted SECURELY to help all swimmers, coaches, parents and spectators to slow the spread of COVID-19.
