

**2020
Medal
Shots**

Long Course Preparation Meet

FRIDAY 13 NOVEMBER - FINAL INFORMATION

Welcome to the 2020 Medal Shots LC preparation Meet! This information is specific to Session 1 on Friday, 13 November due it being a short session involving a small number of athletes.

In nominating or attending, you have agreed to the COVID-19 Terms and Conditions. **Please do not attend if you are unwell or experiencing any symptoms on the day.**

The **Eastern grandstand** (outdoor pool side of the venue) will be the **only grandstand** in use during this session and all Attendees will be Active Participants. Further, due to the small number of events and swimmers involved, there won't be specific sections of the Eastern grandstand allocated to the attending clubs.

Therefore, parents, carers and family members who wish to attend to support their swimmer(s) can do so. **Tickets will not be required** for Friday evening and there will be **no entry cost**.

Upon arrival at the Eastern entry point, all Attendees will be required to use **EVA Check-in** (for contact tracing purposes) and a manual form will be available for those unable to use their device. Note, this is a requirement for all swimmers, coaches and any other person attending. Programs will be available for collection for those who have purchased one prior to the event upon scanning their Program ticket.

Seating in the Eastern grandstand will be in any section using rows A, C, E, G of the lower stand and J, L, N, P of the upper stand. Family groups can sit side-by-side and will need to leave one seat spare between themselves and the next family group. Ushers will be available to help during this session.

We would like to ask for **assistance with timekeeping duties** from those parents, carers and family members who do choose to attend. As all attendees will be Active Participants in the Eastern grandstand, any attendee may fill this role. To do so, they simply make their way to pool deck (via the outdoor stairs) and report to the Chief Timekeeper to be assigned a lane. McDonald's vouchers will be available as a thank you to those able to lend a hand.

Please note, this information pertains to the **Friday evening session only**.

The remaining sessions on **Saturday and Sunday**, will be operating with the Eastern and Western grandstand in use as per previous communication and events.
