INTRODUCTION.

By Barry Short.

The newspaper clippings recorded herein are the result of eight years of work by Dr Tim Barrett, OAM, during the period 1998 to 2006. His purpose was to research the various newspaper records from about 1897 to find as much information as possible to assist him in the writing the history of the Queensland Amateur Swimming Association, which commenced in 1898. He was also able to record a considerable amount of information about swimming activities, from the time of the first swimming club in 1885 in Brisbane. His history, "The Queensland Swimming Association, 1898 to 1998" was published in 2006.

Over the period shown, he travelled from Toowoomba on many occasions to the State Library of Queensland, at South Brisbane, in order to carry out his research. He would spend the day viewing the newspaper images recorded on microfilm in one of the many machines available for this purpose, at the library. He would record the data as required on a small dictation machine and then return to his home in Toowoomba.

His next step was to record all of the information on his voice recorder onto his computer and print all of it onto hard copy. At the end of this extraordinary amount of work, he had completed over 1,570 closely typed pages containing information about swimming in Queensland, from the beginning of competition swimming in 1898 to 1973. He has also recorded details of the period before 1898, with the first swimming club being created in 1885. The hard copy all of this information is available at Swimming Queensland at Chandler.

He has stated that the reason he recorded only the newspaper articles up to 1973, was that after that time, he had available the very detailed Annual Reports and Newsletters created by Mr Greg Lalor, the QSA Chairman up to 1998, the end of the Queensland Swimming's first century, for use as research material.

Tim generously supplied to me, when I was researching for the purpose of writing the history of the Commercial Swimming Club, information about the Club as he found it in the newspaper records. He also allowed my access to all of the rest of his research material for additional information. (My major problem was that the first 26 years of the Ladies' Commercial Club records had been lost. Because virtually all of the swimming activities of clubs and associations were recorded in newspapers of the time, the information supplied by Tim was of tremendous assistance to me.)

Unfortunately, when I later approached Tim on the subject of creating a complete digital copy of all this information, (for easier research purposes,) Tim advised that because of the vagaries of computers, he had lost the digital record of his work up until 1926. After giving consideration to this matter, I put it to Tim that I would scan the hardcopies of the missing digital records using OCR, in order to have, ultimately, a complete 'pdf' record of all the research material. Tim wholeheartedly agreed to this.

Eventually, all of the 'hard copy' pages up until May of 1918 and the unsearchable 'pdf' pages up until 1926 that Tim had Office Works in Toowoomba create, were converted to 'Word', using OCR and subsequently to 'pdf.'. I have edited these documents and the rest of Tim's research available on floppy disks, to 'tidy it up and to remove typo's etc. as far as possible.' It and other history information has been placed in a folder, burned to a CD and labeled in a suitable manner.

It should be remembered that the material collected by Tim was not really for publication but was in effect, his notes from the newspaper articles to be used for the purpose of writing his history.

This digital record of Tim's research of the first seventy three years of swimming in Queensland is now available to future researchers of the sport of swimming. It has to be said that the material is a really wonderful true story about swimming, from the viewpoint of Queensland and Australian newspaper reporters. It really makes tremendously interesting reading for it contains information over the life span of many swimmers and officials and of many who are still alive, who competed in and worked for the sport of swimming over this long period of time. It also records a multitude of curious and strange activities, (in the modern view), that occurred particularly in the very early period.

It must also be said that many of the newspaper reporters were very involved with the various activities in swimming, both competition wise and in regard to the decisions of the officials and the associations of the time and that they were not backwards in expressing their opinions about these matters. These opinions sometimes created additional 'spice' in the content of their articles.

It should be pointed out that this information is still only a small part of the absolutely huge amount of swimming data in newspapers, available at the State Library of Queensland. At this time, (Feb. 2009,) the complete digitalization of these newspaper records is being investigated by the library.

As seen in the Contents, in addition to Tim's News Clippings material there is also other history research collected by him, being Items 1, 2 and 3 of Part C. Item 4 is information collected by Mr Peter Rigby, about Maroochydore life-saving club members, Item 5 is samples of the Queensland Library microfiche newspaper material searched by Tim Barrett, Item 6 is a scanned copy of a swimming programme for a Commercial carnival in 1914 and Item 7 is the history memories of Mr Jim Dunning, a wonderful informative document about swimming's early days.

SWIMMING

The City Amateur Swimming Club held a very successful General Meeting at the Longreach Hotel on Friday night when good work was got through on the rules etc. Mr Baldwin took the Chair and carried on the business with a good swing from start to finish. A committee of five was elected consisting of Messrs E.Hobson, A Cecil, W.Hodges. A.E. Lavers and H Mellor, and Messrs R.S. Ross, A.E.Lavers and E. Hodgson were elected to confer with three from other clubs with power to form an Association. A few subscriptions were collected and the meeting terminated

QUEENSLAND AMATEUR SWIMMING ASSOCIATION

A meeting of delegates from the various swimming Clubs was held at the "Sportsman" office last night, and it was decided to form a Queensland Amateur Swimming Association. Delegates from four of the principal Swimming Clubs were present, as follows:- City, Messrs A.E. Lavers, E. Hobson, and E.A. Morris; Valley, Messrs G. Butterfield and A Down; St Mary's Gordon, Messrs Brooks Brothers and B. Bennett; Toowoomba Gordon, Messrs R.S. Ross and J.C. Hogan.

Mr R.S. Ross was voted to the Chair and the meeting considered rules etc. The Secretary, pro tem, Mr A.E. Morris, was instructed to write to the Associations of the other colonies advising them of the Queensland Association formation, and the meeting was adjourned to the 24th March.

SUCCESSFUL SWIMMING CARNIVAL
VALLEY AMATEUR SWIMMING CLUB

A very successful swimming carnival was held at the Booroodabin Baths last evening by the Valley Amateur Swimming Club. The baths were most, tastefully decorated by flats and bunting, and the large number of lights round the baths added considerably to the effectiveness of the display. The attendance was very satisfactory and great interest was taken in the proceedings, the spectators at times becoming quite excited.

The way in which the programme was carried out reflects great credit on the officials. The various events were very evenly contested, some of the competitors showing themselves to be very expert swimmers.

One of the most interesting features was the diving contest, in which event the judges were unable to pick the best man, the event resulting in a dead heat.

Mr C.H.Briggs acted as Starter, and Messrs Butterfield and Smith as Judges.
(A list of results followed)

SWIMMING

A series of swimming contests took place in the Laidley State School on Thursday afternoon last. The lads taking part in the various events showed definite skill in the water, and as a result of these competitions we are informed there are now 10 boys attending the school who can swim.

The Bronze Medal of the Royal Humane Society was given to successful people. Mr Holdaway was the Handicapper, and Mr Jarrott was Starter and Timekeeper.

BRISBANE GRAMMAR SCHOOL ANNUAL SWIMMING SPORTS

The Annual Swimming Sports of the Brisbane Grammar School for the encouragement of the art. natatorial amongst the scholars were held yesterday afternoon in the Booroodabin Baths under the direction of a committee of the scholars composed of Masters H.O.Lethbridge, A.G.Oxley, D.J.Mortimer, J.M.Rodger, and J.D.Stirrat, assisted by the following gentlemen, Mr T.E.Jones as Starter, Mr A.E.Mason, Timekeeper, and Messrs R.H.Row, G.Goss, F.Bousefield, and M.E.Porter as Judges.

There was a good attendance of scholars, together with their parents and friends, all of whom evinced a lively interest in the 14 events.

Events were:- Maiden Race; 2 lengths of the baths. Champion Race; 60 yards (2 lengths). Long Dive. Under 16 years; 60 yards. Swim on the Back; 1 length. Dash across the baths; 10 yards. High Dive. Hurdle Race. Under 16 years; 4 lengths. Old Boys Handicap. 4th Form and Under &. Modern Boys; 2 lengths. Lower School Under 14 years (These all finished on top of one another and the Judges were unable to separate the first two).

QUEENSLAND AMATEUR SWIMMING ASSOCIATION

A meeting of the above Association was held in the "Sportsman" office last night, the following Clubs being represented - City, Valley, St Mary's Gordon and Toowoomba Gordon.

Very interesting correspondence was read, including a very encouraging letter from the New South Wales Swimming Association, and the consideration of the rules was proceeded with. The question of baths was then discussed, and after a vote of thanks to the Chair (Mr R. S. Ross), the Council adjourned to the 20th April

SWIMMING IN BRISBANE
WHAT A VISITOR SAYS

The "Australian Star" of the 9th inst published the following from the pen of a gentleman prominent in amateur athletic circles, and his long connection with amateur swimming makes his remarks worthy of attention.

"Our representative, while in Brisbane recently, had an interesting chat with Mr Morris, the Hon Secretary of the Queensland Amateur Swimming Association. There are at, present four Clubs in the northern capital, with a total membership of about 127 swimmers. Swimming is, however, not going ahead as fast as it should, but with the assistance of the prominent men of the kindred Rowing, Athletic and Cycling Associations, as in this colony and Victoria, there is no reason why, in the near future, Queensland swimmers should not be as well known as those of the other colonies.

Bathing facilities are not as good as they might be. With a river running through the centre of the city, and a climate so conducive to bathing, there ought to be no lack of opportunity for swimmers. There are three baths, the Booroodabin Baths in the Valley, the Metropolitan at Kangaroo Point, and the North Brisbane. The first named is the best with a basin 90ft by 30ft, and water ranging in depth from 6ft 8ins to 3 ft. It will seat about 300 spectators and has a gallery all round like the Sydney Natatorium .

Brisbane is unfortunately subject to floods which happen in summer and naturally interferes with the work of the swimmers as the river is not in a fit condition for bathing. During the last flood, one of the baths was washed clean

away, and another in South Brisbane was taken up so as to allow of railway improvement.

The coming season prospects:- Mr Morris said the Annual Meeting would be held this month and a great effort made to push the pastime ahead, and it was intended to try to enlist the sympathy of the schools. A carnival would be held shortly, and if a few Sydney swimmers would visit the city, they would not alone have an enjoyable time, but also do much to further public interest in natatorial sport.

The best swimmers in Brisbane were the brothers Hogan, and they would most likely visit "Our Harbour" during the coming season. As the prospects of the next Australasian Championship Meeting, although not definitely fixed, is understood to be Brisbane, the sport has hardly made sufficient progress to justify these important events being held there.

He understands the Brisbane authorities are quite agreeable to the holding of them in Sydney where the opportunity is so much greater, and the public enthusiasm is much more easily aroused. If the Championships were held in Sydney, strong efforts would be made to send a representative team from Brisbane. Mr Hogan competed in the 1895 Championships in Sydney, and judges were impressed with his speed and style. A few more champions like him, and several of the much coveted honours would go back to Queensland.

If there is any sport that ought to "go ahead" in Brisbane, it is undoubtedly swimming the best. of them all, and we trust that this summer it will show great progress. The Queensland Association was practically only formed this year, and we remember the time it has taken in this colony to place swimming on a proper footing in comparison with other sports. The Association cannot be expected to achieve everything at once

If only the Harrier Clubs would take up swimming, so essential for training for every branch of sport, forming, if necessary, swimming branches as the Darlinghurst Harriers did (this old Club under its new name, East Sydney, is one of the strongest and most favoured Clubs in New South Wales numbering over 100 swimmers, mainly recruited from the running and cycling circles), and schools held carnivals like the Public Schools Athletic Association of New South Wales, we have no doubt that in a very short time natatation would more than hold its own in competition with other sports in Bananaland."

CITY AMATEUR SWIMMING CLUB

The Annual General Meeting of the City Amateur Swimming Club was held at the Longreach Hotel on Wednesday evening last, and was well attended by members of the Club and representatives of other bodies. In the absence of the President, Mr R.G.Gross, Mr R. S. Ross took the Chair, and conducted the business in a highly satisfactory manner.

The Secretary read a letter from Mr Gross expressing regret that a prior engagement prevented his being present and wishing the Club every success. The Secretary also read the Annual Report and Balance Sheet, which showed the Club was formed on the 17th December 1897, and had held a second meeting on 4th February 1898, but owing to continued bad weather and dirty water, it had done no swimming last season.

Finances were shown to be in a fairly sound position, for after paying for printing, stationery etc, a sum of one guinea was still in hand. The Report and Balance Sheet was unanimously adopted, and the election of Office Bearers was proceeded with. This resulted as follows:- Patron - Dr E.S.Jackson (re-elected): President. - E.R.Gross Esq (re-elected): Vice Presidents - Messrs T.Macdonald-Paterson M.M.L.A., T.Welsby, M.Baldwin, P.Frankel, D.Hazelton, S.Davis and Geo Merchant.: Hon Secretary - Mr E.A.Morris: Hon Treasurer - Mr A.Cecil: Delegates to the Q.A.S.A. - Messrs A.E.Lavers, R.S.Ross and J.Carey.

It. was decided to wait, until all Clubs had met., and then open the season with a big carnival, Wednesday 5 October being fixed for the next meeting.

B.C. Monday 3 October 1898

VALLEY SWIMMING CLUB

The First Annual Meeting of the Valley Amateur Swimming Club was held in the Booroodabin Board Hall on Thursday last, 29th September. Mr George Down occupied the Chair and a fair number of members were present. The Report and Balance Sheet were both unanimously adopted.

The Report showed that about seventy members were on the roll, and two carnivals were held during the past season, which had been very successful and between 18 and 19 Pounds worth of trophies had been distributed. The Receipts for the year amounted to Thirty Pounds Seventeen Shillings and Six Pence, while the disbursement amounted to Twenty Nine Pounds Nineteen Shillings and Six Pence, leaving a Credit Balance of Eighteen Shillings to carry forward.

The following Office Bearers were elected:- Patron - Thomas Welsby: President. - D.O'Connor: Vice Presidents - George Down, V.R.Bale and William Thompson: Hon Treasurer - A. E. Down (Re-elected): Hon Secretary - George Butterfield (re-elected): Committee - G.A.Harris Jnr, A.Littleboy, George Holmes, E.Dearnley and W.Boyd: Captain - William Alexander: Vice Captain - A.Sievera.

After some discussion it was decided to join the Queensland Amateur Swimming Association, and Messrs Down, Holmes and Butterfield were elected to the same.

Thanks to Treasurer and Secretary for past services terminated the proceedings.

B.C. Friday 7 October 1898

CITY AMATEUR SWIMMING CLUB.

An enthusiastic meeting of the above Club was held in the Longreach Hotel on Wednesday evening, Mr A. E.Lavers presiding. Encouraging correspondence from the President (Mr E.R.Gross) and several Vice Presidents was read.

A Committee of five to control the affairs of the Club was chosen as follows:- Messrs A. E.Lavers, R. S. Ross, H.Hodges, W.Carby and W.May, and a Racing Committee to control handicaps, Messrs J.Hogan, W.May and H.Hodges. Vice Presidents appointed - W.Stephens M.L.A., H.F. Axon, A. E. Stacey and J.W.Grant. Mr A. E. Stacey was appointed its Judge in all carnivals.

After some discussion, Tuesday was chosen as the most suitable night for weekly meets. The Secretary was instructed to write to the various Harrier Clubs in and around Brisbane with a view to increasing the membership roll from that source.

B. C. Thursday 3 November 1898

QUEENSLAND AMATEUR SWIMMING ASSOCIATION

A public meeting of persons interested in swimming was held last night in the Carlton Club Hotel in order to establish on a firmer form the Queensland Amateur Swimming Association. There was only a moderate attendance. Apologies for absence were received from Messrs E.J.Stevens, T.Finney, T.Macdonald-Paterson M.M.L.A., Mr Maurice Baldwin and several others, each of whom expressed in writing their sympathy with the objects of the Association. Congratulatory letters were received from the New South Wales and New Zealand Associations.

Mr R.H.Roe, who occupied the Chair, said he believed swimming was not neglected in this colony; a far larger proportion of this community could swim, compared with the Old Land. No man should take part in rowing or sailing if he is not able to swim, for in doing so, he not only risks his own life, but the lives of others. Swimming deserved every encouragement from other branches of water sports, and as much organisation was required with it as with other sports. He thought the Association should take steps to make the art attractive by introducing plenty of fun, and suggested regular Club matches and water polo and instruction in Life Saving drill. Competition could be held between Clubs who should take steps to have their members taught. By these means, together with Carnivals, social interest might be deepened in swimming. He had had it said to him that Brisbane was badly off for baths, hence the apathy in swimming sports - he did not believe this altogether. At any rate there were good facilities for establishing them, and if Clubs took sufficient interest in the matter, baths enough would be erected and fitted out in style worthy of the object.

R. S. Ross said he thought more swimming baths were necessary. They should be more up-to-date. The time had come for an effort to be made in Queensland to secure swimming tuition in State Schools. Plenty of Life Saving Societies would then be formed. Swimming is not only a sport, but a very useful and necessary accomplishment. He said the Association should endeavour to obtain the support of other branches of sport.

Dr Brockway said he was in the habit of looking at swimming from a medical standpoint. In other sports a great deal of harm sometimes ensued. He had never known harm to come from swimming. He advised all delicate young men to go in for it. He said it was a noticeable point that swimming does not create thirst which was engendered by most other forms of sport, often quenched by liquids which started a habit which often ended in drunkenness. He said he was of the opinion that a man who could swim a mile or two was of more service to the community than a fast short distance swimmer, and water polo was an excellent and extremely valuable exercise.

Mr A. E. Stacey also spoke, and favoured the teaching of swimming in State Schools. He said also that he would be willing to devote an hour an afternoon a week to imparting instruction to State School children at the baths.

The election of Officers was proceeded with and resulted as follows: Patron, His Excellency the Governor; President, Mr R.H.Roe; Vice Presidents, Messrs E.J.Stevens, G.Finney, Macdonald-Paterson M.M.L.A., Dr Jackson, and Messrs T.Welsby, E.R.Gross, P.Frankel, A.E.Stacey and the Mayors of North and South Brisbane; Secretary, Mr A.E.Morris; Treasurer, Mr G.Butterfield.

The meeting then terminated.

B.C. Friday 25 November 1898

SWIMMING QUEENSLAND AMATEUR SWIMMING ASSOCIATION

The Council meeting of the above Association was held in the comfortable Canton Club Hotel Rooms last evening to discuss the programme drawn up by the sub-committee at the last meeting. Dr Brockway took the Chair, the following Delegates being present:- Valley Club, Messrs G.Butterfield, A.E.Harris Jnr and George Holmes; St Mary's Gordon Club, Messrs A.& E.Hobson; City Club, Mr E.A.Morris; Sandgate Gordon, Messrs A.McNiven J.Petrie and C.Hale; North Brisbane, Messrs D. Burton and H.Caine; Mr R.H.Roe, President of the Association, was also present.

The programme for the Grand Carnival presented by the sub-committee elected at the last meeting (Messrs Hogan, Butterfield, Hobson and Morris) was passed with little discussion. This programme which includes an exhibition of Life Saving and a Water Polo match will be advertised in due course in these columns. Officials for the Carnival were appointed as follows:- Starter, Mr

C.Brigg; Judges, Messrs R.H.Roe, T.Welsby, A.E.Stacey; Referee, Dr A.B.Brockway; Timekeeper, Mr C.Musgrave; Handicapper, Mr A. E. Stacey. It was decided that. each Club should send a delegate to confer with Mr Stacey on one evening to be appointed before the handicaps were made. Questions of entrance fees, printing, advertising and circulars were discussed, and the arrangements for the three last named were left in the hands of the Secretary.

The next meeting was fixed for Thursday 8th December in the Victoria Bridge Board Rooms, Town Hall, and the meeting adjourned after' a vote of thanks to the chairman.

B.C. Saturday 26 November 1898

AMATEUR SWIMMING CARNIVAL

The Queensland Amateur Swimming Association which but lately has got into full working trim, intends holding a Grand Inaugural Carnival in the Booroodabin Baths on the. 20th December.

There can be no question as to the beneficial nature of such an Association in Queensland, and the movement deserves all the support and encouragement it can get. An interesting and exciting exhibition of aquatics is promised including a Water Polo match and Life Saving Drill. Should this meeting turn out well, the Association proposes holding another at an early date at which Championships will be contested. Particulars are advertised in another column.

AMATEUR SWIMMING ASSOCIATION MEETING OF COUNCIL

The meeting of the Amateur Swimming Association Council was held in the Victoria Bridge Board Room last night. There were present, Dr Brockway (in the chair), the Secretary and eleven Delegates.

Amongst the correspondence were the following: - From His Excellency the Governor accepting the position of Patron and enclosing a cheque: From the New South Wales Swimming Association congratulating the Association on its formation: From Maryborough State School stating that a Club had been formed in connection with the school, and recording a membership of over 150: From Philip Frankel accepting the position as a Vice President.: From Sandgate Gordon Club notifying Affiliation: From C.H.Briggs notifying the acceptance of the position Starter: From J.E.A.Stacey accepting the position as Handicapper and Assistant Judge: From the Toowoomba Gordon Club notifying Affiliation: From Sandgate New Year's Day Sports Committee asking that their swimming races be held under the auspices of the Queensland Amateur Swimming Association.

In regard to the last letter it was decided that the Association would accede to the request, the races to be held strictly under Q. A.S.A. rules.

A discussion took place on the forthcoming Carnival, and it was decided that the Secretaries of the various Affiliated Clubs should be notified that their subscriptions must be paid before the Carnival. It was further resolved that university costumes must be worn by competitors, the colour to be dark, and that a distinctive number should be worn on the back of each competitor. It was also resolved that the Carnival be further advertised in the daily papers.

The next meeting was fixed for the 13th inst.

Letter to the Editor - B.C. Friday 9 December 1899

BATHS AND BATHING

Sir: At the first. General Meeting of the Queensland Amateur Swimming Association one of the speakers ably advocated the inclusion of swimming as one of the subjects to be taught in our State Schools. I wonder that no one has thought to urge this further. Anyone, who on a blazing day, has watched the State School children at their drilling, often enough in a breeze-sheltered hollow, must have felt how much better the youngsters would have been exercising themselves in the water. Doing the swimming exercises increases the chest. measurement and develops the whole muscular system, produces, in fact, the greatest amount of physical good with the smallest risk of harm. The absence of, certainly in Sub-tropical Brisbane, large centrally situated hygienically arranged baths is, to my mind, one of the most glaring deficiencies in our prospering city. There should be such baths and, say on Saturdays and certain hours on Sundays, be free. There might even be, as in the Old Country, first and second class, and there should be a separate ladies bath so that the girls might not be hampered by restrictions as to the hours of the week in which they can bathe - an arrangement necessitated by a common bath used by the two sexes.

Hoping that this matter may be taken up by others more influential than myself, I enclose my card and beg to remain, "Old Swimmer."

B.C. Thursday 15 December 1898

QUEENSLAND AMATEUR SWIMMING ASSOCIATION

The Council of the Queensland Amateur Swimming Association met in the Victoria Bridge Board Room, Town Hall, on Tuesday evening, Dr Brockway taking the Chair. Nine Delegates attended and matters relevant to the forthcoming Carnival were discussed.

(Then followed a list of handicaps declared by the Handicapper)

The events to be decided were:-

30 yards Boys Race Under 16 years

60 yards Handicap

180 yards Handicap

90 yards Handicap

240 yards Handicap

It. was decided that each competitor should wear a number on his back, to be obtained from Club Secretaries.

On the suggestion of Dr Brockway it was decided to allot Certificates for long distance swimming at competitions to be conducted by the Association.

It may be stated that a member of the Association who is an expert swimmer is in attendance at the Metropolitan Baths every morning at seven o'clock and would gladly teach any boy to swim who may be present for that purpose.

Letter to the Editor- B.C. Thursday 15 December 1898

BATHS AND BATHING

Sir: It, was with feelings of pleasure I read the letter from "Old Swimmer" in your issue of Friday last, and needless to say, I agree with his remarks in toto, especially as regards to swimming in State Schools. It would seem that Country towns are going to beat us, for I received a letter a few days ago notifying me of the formation of a Club in relation to the Albert School, Maryborough, which already possesses a membership roll of over 150,

and has received Departmental recognition in so much as the lads bathe in the river from three to four every Friday under the supervision of their Masters. Now this is a great step in the right direction, and the sooner swimming forms part of the State School curriculum here, the better.

Here again arises the question of baths which like the poor is always with us. It is a sad fact that most, or at least a good many schools are situated far enough from any baths, and the suggestion of "Old Swimmer" that large centrally situated baths should be erected, comes in here very appropriately.

My Association was formed for the purpose of promoting and encouraging the art of swimming, and as we are seriously hampered in this regard by the lack of baths, we intend to follow the advice of the New South Wales Swimming Association and peg away until we are better provided.

Hoping that this letter and that of "Old Swimmer," will produce discussion and so lead to the accomplishment of the desired object.

I am etc

E.A.Morris

Hon Secretary Q.A.S.A.

SWIMMING CARNIVAL

The Inaugural Swimming Carnival of the Queensland Amateur Swimming Association was held last evening in the Booroodabin Baths. The attendance of the public numbered about 500, and great interest was taken in all contests both by spectators and competitors.

The programme consisted of fourteen events, two of which had to be allowed to lapse. None of the competitors would start in the Cigar and Saucer Race, and the Water Polo Match fell through mainly because the members of the two teams had not provided themselves with distinguishing colours, and partly due to the fact that the rules of the game were only improperly understood. It was also found necessary, owing to the length of the programme, to run straight through with it, consequently the exhibition of Life Saving by the Hobson brothers, which had been promised for an interval in the contests, had to be cut out. There were very few scratchings, all competitors starting in their several races. In short, the result of the Meeting showed, as Mr Roe pointed in his concluding remarks that swimming as a sport in Brisbane, was extremely likely to take the fancy of the public, and it is to be hoped that last night is only the first of many similar Meetings.

Officials for the Meeting were:- Judges, Messrs R.H.Roe, T.Welsby and A. E.Stacey: Referee, Dr A.B.Brockway: Starter-, Mr C.Briggs: Timekeeper, Mr C Musgrave: Master of Ceremonies, Mr A.Smith: Dress Steward, Mr G. Butterfield.

Among the audience were the Mayor of Brisbane and Mrs Thorne, Dr Robert Thompson, Mr E.J.Stevens, Mr G.Down, Mr W.H.Beattie and many other prominent supporters of athletics in Brisbane.

During the evening a protest was entered by A.Boyd, one of the competitors in the Boys Race, who swam third in the final, against T.McSharry, who had been placed second, the grounds of the protest being that McSharry was overage. The protest was referred to the Committee for adjudication.

The Results:

30 yds Handicap Boys Under 16 - Hinch 1, McSharry 2, Boyd 3.

Time 23 4/5 sees

60 yds Handicap - B.Cecil 1, G.Koch 2, R.Finney 3

Time 48 sees

Diving Contest - Each competitor allowed three dives, one from the staging above the baths, and two from the springboard. The event was easily won by W.Alexander with three beautifully executed dives. Three competitors had to dive again for second place, the honour falling to A.Hobson.

180 yds Handicap - F.Gailey 1, G.J.Bond 2, E.G.Hobson 3. Time 2min 27 secs

SWIMMING
QUEENSLAND AMATEUR SWIMMING ASSOCIATION

Endurance Tests and Presentation of Medals

The Queensland Amateur Swimming Association brought off its first swimming tests of endurance at the Booroodabin Baths last evening. There were a fair number of spectators present, including the President of the Association, Mr R.H.Roe.

The distances allotted by the Association were 1/4, 1/2 and 1 mile. With the quarter mile there were three competitors, I.E.Harris, B.Cecil and G.Koch. In the half mile there were two competitors, T.P.Hinch and F.Salisbury. Only one entry had heart received for the mile in the person of S.Kingsbury. Dr A.B.Brockway acted as Referee, Mr C.H.Briggs as Starter, and Messrs E.A.Morris, H.G.Cain, Masterson, E.A.Lavers, D.Breen and R.S.Ross as lap scorers.

The men were started in a bunch shortly after five o'clock. A.E.Harris was the first, to finish the quarter mile in 7 minutes 54 seconds. He was followed by G.Koch and B.Cecil in that order. The first to reach the post in the half mile event was F.Salisbury whose time was 18 minutes 37 seconds. T.P.Hinch followed shortly after, his time being 18 minutes 37 seconds. Meanwhile Kingsbury was plugging away and he eventually covered the mile in 39 minutes 13 3/4 seconds. Each of the swimmers received hearty applause as he successfully completed the distance he had entered for.

On the conclusion of the tests, for which special Certificates are to be awarded, the various medals won at the Association's Inaugural Carnival were presented by Mr R.H.Roe.

Mr Roe said he regretted the small attendance gathered to do honour to the swimmers who had so ably and manfully won the Carnival medals. He was sure the recipients would value the handsome trophies. He felt the Association should be congratulated on the work it had done since its inception. Swimming could not be surpassed as a manhood-developing sport, and he hoped it would grow in popularity throughout the colony. At the request of the Association's Council, he had been seeking a Motto for the Association, and he had concluded that "Voluptus, Salas, Virtus" best expressed the noble aim of the swimming body. That notation made for "Pleasure, Safety and Manhood would not be disputed.

Mr Roe then presented the medals, addressing a few kindly words to each in turn. Trophy recipients all met with an encouraging reception, and the proceedings terminated at 9.30 o'clock.

GRAMMAR SCHOOL SWIMMING SPORTS

The Annual Swimming Sports of the Brisbane Grammar School were held in the Booroodabin Baths yesterday afternoon. There was a large attendance of parents and friends of the competitors and also some of the Old Boys Association. The following members of the Council of the Amateur Swimming Association were present:- Dr A. B.Brockway (Chairman), and Messrs E.A.Harris Jnr, G.Butterfield and C.Dahl. It may be mentioned that Mr R.H.Roe, the Head Master of the Grammar School, occupies the position of President of the Queensland Amateur Swimming Association.

Though there were a number of ladies present, the competitors did not wear university costume, except in the Old Boys Race, being clad simply in trunks, many of which were hardly suitable for the occasion.

The various events passed off without hitch, though in several instances the waiting between races was somewhat prolonged. The Officials performed their duties well, and as good afternoon's sport was successfully carried out under their supervision.

The following results of the various races which were all swum from scratch, with the exception of the Hurdle Race, the 120 yards for Boys Under 16, and the Old Boys Race.

Races swum (Results were given in the paper) - Maiden Race 60 yds, Champion Race 60 yds, Long Dive, Under 16 years 60 yds, Swimming on the Back 30 yds, Swimming Feet Foremost, 1 width of the baths(10 yds), Hurdle Race 30 yds, Under 16 years 120 yds, Dive from the Springboard, Old Boys Race 120 yds, 6th & 5th Form Race 60 yds, 4th & Upper Modern 60 yds, Lower School & Under 14 years 30 yds.

In all races there were to be sip entries or no second prize. The Sports terminated shortly after 5.30 o'clock.

VALLEY AMATEUR SWIMMING CLUB
CARNIVAL AT BOOROODABIN BATHS

The Valley Amateur Swimming Club held its third Carnival at the Booroodabin Baths on Tuesday. The building was tastefully decorated with bunting, and the Carnival passed off very successfully. The attendance of the public was not gratifying, but those who were present had a good evening's enjoyment.. No particularly good times were recorded, though some of the finishes were fast and exciting. The various events were run off quickly, and there were no monotonous breaks between races.

The Carnival was under the auspices of the Queensland Amateur Swimming Association, and most of the members of the Council of that Association were present. The Officials present were:- Judges, Messrs R.H.Roe and S.Davis; Referee, Dr A.B.Brockway; Starter and Timekeeper, Mr' J.Masterson; Master of Ceremonies, Mr A.Smith; Dress Steward, Mr E.A.Morris. Handicaps were framed by the Hon Handicapper of the Queensland Amateur Swimming Association, Mr A.E.Stacey. A Water Polo competition took place later between two scratch teams obtained from the competitors present; and a fast and exciting game was concluded by one team scoring two goals and the others, one. Mr R.H.Rope and Mr A.Smith directed the game.

(Results were also included in that report)

SWIMMING
By H2O

As I mentioned last week, the season is practically over. The only racing that is being or likely to be conducted is by the Valley Club, as I understand there are about three more Handicaps to be swum off. The Club will then go into recess. When its formation takes place next season, I trust there will be a very substantial increase on the roll, and may the same happen to all our Clubs now in existence.

I have an idea swimming will boom here next season. It will surprise me if it does not. There are two essentials, however. One is that the Association of Queensland will keep very much alive through the winter, and the other is that the individual swimmer will advertise the sport extensively towards the commencement of next season. I would suggest that the Council of the Association send a circular to all football, rowing, cycling and tennis clubs about September, or perhaps a little earlier, asking that the members combine to organise Swimming Clubs. This action would prominently open up the subject as the season was commencing, and if a response was slow, it would be a good idea for the Association to call public meetings in Kangaroo Point, Woolloongabba, South Brisbane, West End, the Valley, North Brisbane and other Districts, for the purpose of organising District Swimming Clubs. Let the watchword of the he Association be "Organise" until the sport is popular enough

to allow the association to have a rest in the matter of forming Clubs.

From a recent southern Journal I have learnt that an entertainment on a large scale is to be held in Sydney for the purpose of defraying C.F.B.Lane's expenses in connection with a trip to the Old Land. Lane is leaving for the purpose of competing in various English Championships, and Queensland swimmers will wish him good luck and a good time. I hope he will not follow Cavill's example and leave the ranks of amateurism when he reaches the land of our Queen. It is a big temptation though, when he finds he cannot meet his equal, and I believe Lane will be hard to beat.

I understand that a movement is being set on foot in Sydney by the Amateur Swimming Association there, to endeavour to form an Australian Amateur Swimming Association. This would be desirable from many points of view, though I do not think objections will be offered by any of the Swimming Associations in the different colonies.

AMATEUR SWIMMING ASSOCIATION

A special meeting; of the Council of the Amateur Swimming Association was held in the Victoria Bridge Board Room last night. 'There were present, Dr A.B.Brockway (Chairman), Messrs A.E.Harris Jnr, G.Butterfield, A.G.Littleboy, E.Darnley (Valley), A.G.Petrie, C.A.Hale (Sandgate Gordon), W.F.Carby, R.Ross, C.Dahl, A.E.Morris (City), and A.P.Hobson (Toowoomba Gordon).

The first matter dealt with was the application of J.C.Hogan to be reinstated as an amateur. Considerable discussion took place and it was finally unanimously decided Mr Hogan be reinstated. Mr Hogan intended to proceed to Sydney to compete in events there during Easter time and will probably leave town today.

The desirableness of holding Long Distance swimming competition tomorrow night due to the paucity of' entries was next dealt with. Most of the Council present contended that it would be derogatory to the sport not to hold a competition, and it was unanimously decided the fixture should come off.

It was decided that the date of the Deputation to wait on the Mayor of South Brisbane reference to the erection of swimming baths be the 12th of April.

A letter from Ben Burton asking the Council to set up a sub-committee to confer with the other sporting bodies of Brisbane in regard to the formation of a Sports Club was received by special Motion. It was decided that Dr Brockway and Messrs Masterson, Butterfield, Dahl and Morris be appointed a sub-committee for that purpose.

This was all the business and the meeting then terminated.

SWIMMING BATHS FOR SOUTH BRISBANE DEPUTATION TO THE MAYOR

An influential Deputation waited on the Mayor of South Brisbane (Ald P.Nott) yesterday for the purpose of urging the necessity of establishing swimming baths in the Municipality, and to ask that the Council might take some steps in the matter. The Deputation consisted of Aldermen Dibley and Stephens M.M.L.A., Alderman J.Davies, Dr Brockway, Messrs H.Turley, J.H.Forrest., J.Bond, E.A.Morris (Hon Secretary Q.A.S.A.), R.S Ross and G.H.Blockridge, (Vice President of Q.A.S.A.).

The Hon E.J.Stevens, M.L.C, introduced the Deputation and briefly stated the objects with which he was entirely in sympathy. He need hardly point out, he said, the regrettable absence of bathing accommodation in South Brisbane, and the necessity that existed for it in a climate such as ours. He hoped to see something done to fill the requirement.

Dr Brockway read a letter he had received from Mr R.H.Roe (President of the Swimming Association), who was to have accompanied the Deputation, which strongly advocated a scheme of the Deputation.

Dr Brockway then placed his own views on the matter before his Worship. He said he appeared as an advocate on behalf of the health of the young people. It seemed hardly necessary for him to say what must be conceded by all who cared to interest themselves in the matter, namely that swimming was the best of all the physical exercises especially for the young, since more gain in physical development was gained by swimming than by any other form of exercise. There was less risk of injury, as it was practically impossible to overdo swimming. Another point which came out on the subject of health was that swimming tended towards temperance, as no amount of swimming engendered thirst, and this was a very important consideration in regard to our young men. Also swimming baths lessened the number of street loafers and idlers. He quoted from "Vital Statistics of Queensland for 1897". These showed that drowning was responsible for 101 deaths in the year, of which ten were children under five years, twenty four were in the ages five to fifteen years (more than one third of the whole). In most cases these deaths were due to ignorance of the art of swimming, and as few children would fail to acquire the knowledge if only reasonable facilities were afforded free, it was a matter of regret that few Local Authorities provided these facilities. Ald W.Stephen M.L.A., regretted there no baths in South Brisbane, and promised to support any measure which was introduced into the Council which had for its object the supply of this want. Mr Roe's letter was a good one and deserved earnest consideration.

Ald Davies felt certain the Council would readily endeavour to give effect to the opinion expressed by the deputation. The position would not be allowed to continue. A good site for the baths would be at the Musgrave Park. Booroodabin Baths were erected for the cost of two thousand pounds, and paid their way, and they could erect them at a much smaller cost.

Ald Dibley M.L.A., supported what had been said, but thought, that a more central and suitable site would be the old quarry adjoining the Sports Ground, Wooloongabba. Swimming sports would then be held in conjunction with other sports, and the cost of walling the site would be small.

Mr H.Turley dwelt on the necessity of bathing accommodation in a district where there many small houses not possessing such facilities. People naturally looked to the Local Authority to provide this.

The people would be glad to avail themselves of the accommodation. He thought the Council had power under the Local Government Act to divert a portion of the rates for such an object as this. In the assets of the Council there appeared a Bath Reserve valued at nine hundred pounds, and this should be put to the purpose for which it was intended. He referred to such moral. and physical benefits which resulted from such cleanliness. He did not favour the idea of depending on public subscription in these matters. All should contribute where all would benefit. The dangers of promiscuous swimming as indulged in by the children in the river reaches would be avoided if the proper accommodation were provided.

Messrs Blockridge, Bond and Ross urged the objects of the Deputation, strongly advancing arguments in favour of the Council taking action, and Mr Ross pointed out that if proper accommodation were provided, the Swimming Association would guarantee a certain number of Carnivals each year, including an Inter-Colonial Championship Carnival at stated periods.

The Mayor, in reply said that it was not necessary for him to say that all Council members believed in the Principle of encouraging swimming, but they were oft times placed in the position of being asked to make bricks without

straw. He did not think the Council in their present circumstances would be at all likely to find the whole sum necessary for erecting baths. They would expect some assistance outside the rates which, as Aldermen knew, were often allotted before they came in. He would lay the matter before the Council and do what he could to assist the movement. At the same time he would like to know how far the Booroodabin Baths were availed of by schools.

The reply was that only one school, as a school attended for lessons.

Continuing, the Mayor said he had for some time an idea of utilising the storage tank as a bath, and something might be done in this direction. It would be for the Council to decide.

The Hon E.J.Stevens, in thanking the Mayor for the courteous reception of the Deputation, pointed out that the present revenue of the Booroodabin Baths was very good, and would be better if the seating accommodation was better. The popularity of the sport would increase with facilities, and this would result in larger attendances and consequently of larger revenue. He said it was unlikely the Swimming Association would provide anything towards the cost of erection of baths, and he thought the Council might be well satisfied in obtaining interest on the outlay required, as a gain on the general health of the community would be so great.

The Deputation then withdrew.

VALLEY AMATEUR SWIMMING CLUB

Notwithstanding the very inclement state of the weather, some 15-20 members of the Valley Amateur Swimming Club and others, assembled at the Booroodabin Baths on Thursday evening when the medals won at the late Carnival as well as those at the weekly competitions held during the season were presented to successful competitors by Dr A.B.Brockway, Chairman of the Queensland Amateur Swimming Association.

The Doctor, in an appropriate speech, said to all present to take a keen interest in the sport, and in making presentations, gave individual recipients words of encouragement. The medals, eleven in number, six gold and five silver, as well as other trophies, were manufactured on the premises of Mr G.Coomber, Petrie Bight, and were of very neat design.

The Club, although having lost seven Pounds at its last Carnival, has a substantial sum of three Pounds nine Shillings and Sixpence to carry forward to next season.

SWIMMING
TO BE ENCOURAGED BY HARRIERS

At a meeting of the Queensland Amateur Athletic Association last evening, a communication was received from the Queensland Amateur Swimming Association inviting the assistance of the Q.A.A.A., in forwarding swimming during the coming season, and suggesting Swimming Clubs be formed in connection with the various Harrier Clubs. This, it was pointed out, would have the additional effect of keeping the Harriers together in the off season.

It was decided that the whole of the delegates present should do all in their power to further the suggestion of the Swimming Association, and further, that the Hon Secretary (Mr W Pritchard) should communicate with the Secretaries of the various Harrier Clubs and place the matter before them in an official form.

SWIMMING

By H2O

Referendum Day has come and gone

The excitement of Federation has somewhat subsided. At any rate the period of high tension has passed away and sportsmen are once again turning their thoughts to the engagements which tend towards the enjoyment of leisure hours, when the pick and shovel and pen are laid aside and fickle fortune tantalises us with the wreath of laurels. The warmer weather in this part of the great Australian continent is heralding its approach by advance guards of mosquitoes, and very soon we shall be refreshing ourselves by swimming in the cool water, and the same time building up our muscles and keeping our healthy way.

Swimmers must now bestir themselves. The Annual Meeting of the Association will soon take place and swimming programmes of local Clubs will also be announced. Rally up old members, and bring your friends and acquaintances with you. Do not forget the development of the sport is in your hands. Secretaries may advertise, and Treasurers and Committees work with them, but it is the individual members who get the increase. Just let us hope our sisters - and, well those who are more than sisters - will combine to form Girls' Clubs. Many a fair maiden bemoans the fate which bans many sports to her, but, in swimming there is nothing to prevent the girls, and their mothers, aunts too, from coming together and forming Clubs. Information on the subject of Rules etc would doubtless be supplied by the genial Secretary of the Association (Mr E.A.Morris), or letters of enquiry would gladly be answered by H O, "Observer" office. The fair sex in the Queensland colonies have made triumphant successes in this line and let the Queensland girls Show them that their southern sisters are not the only ones in Australia who care about the pleasures of swimming.

Heigh Ho! Where are the new baths? Are we going to have them in time for this summer or not? Someone will have to wake up.

The matter is being "considered" by the South Brisbane Council and there is a multitude of ideas concerning the construction and location. "Cleanliness is next to Godliness", and in the matter of public baths, Brisbane is sadly deficient. The only decent sized baths in the city are those at Booroodabin, and even they are too small. The North Brisbane City Fathers have under consideration the matter of the purchase of one of our floating baths, but even if that comes about it will simply be a change of ownership. One thing is certain, if South Brisbane do not get their baths soon there will be a move made. A public meeting is already mooted because it is realised the population on that side of the river is very badly off. What is the matter with the quarry site at the Fiveways, Woolloongabba, next to the Sports Ground? It seems to be a very suitable place and right in the midst of dense population. Baths there would pay well, and that would be a great consideration for aldermen.

How does this suggestion read? A concrete basin with a long row of dressing sheds round it, the baths to be uncovered, a high iron frame round the grassy reserve with an entrance at the Fiveways and suitable turnstiles erected. Trams already run past the proposed site and the Kangaroo Point residents are not far off, and what swimmer, or even he who likes a dip but cannot swim, would not prefer baths under the sky than under a roof? It would mean that the water would be warmer and the bath more enjoyable. No better central site can be obtained.

NOTES AND GLEANINGS
By H2O

The Annual Meeting of the Queensland Amateur Swimming Association will probably take place in a week's time, and it is to be hoped that it will be in every way successful. Following the meeting of the Association, the various city and suburban Clubs will be formed for the season and elect their Delegates to the Association. It remains to be seen whether the Clubs have appreciated the services of their Delegates to the first council, and if so, re-election is possible.

There has been some talk of forming "electoral" Swimming Clubs and there is a good deal to be said both for and against the proposition. The greatest obstacle in the way is the fact that the sport is scarcely strong and popular enough here, but it is to be hoped - and in many quarters predicted - it will not be long before the natatorial sport is as popular and as well organised here as in southern colonies.

"Organisation" must be the watchword for the ensuing season. We have the swimmers but not the Clubs. A visit to any of the swimming baths - especially on Saturdays or Sundays - amply demonstrates the fact that many of our boys can swim. If the members of the existing Clubs only took it into their heads to recruit energetically, more Clubs would be formed and the existing ones strengthened.

The Valley Club has fixed its Annual Meeting for the end of next week. The business is to receive the annual Report and Balance Sheet and elect the Officers for the incoming season. Mr G Butterfield, the Hon Secretary, will be pleased to take the name of any person who may desire to identify himself with the Swimming Club during the season. Letters may be addressed c/- Booroodabin Baths Caretaker. It is understood the Club has a credit balance in hand.

Swimmers will follow the following paragraph with interest.

"London Daily Mail" 7 August; "It was a source of great disappointment to find that at the last moment J.H.Derbyshire of the Manchester Osbourne was unable to defend his title of Amateur Champion over 220 yards, and after the grand swimming of R.V.C.Lane, the Australian, it is doubtful if Derbyshire would have been first home, for in the race which took place at Brighton, the Australian beat the record. When Derbyshire was away last year his time was 12 minutes 42 2/5 seconds, considerably behind the record of 2 minutes 38 4/5 seconds made by J.H.Tyers at Nottingham in 1897, but this latter time Lane, on Saturday, beat by 3/5 second. Lane came here with a big reputation and in the half mile Championship showed such a turn of speed that when it became known that Derbyshire would be absent, it was voted a gift for him. So it turned out., for after 100 yards had been traversed, he was well ahead of W.H.Lester of the Manchester Osbourne and Johnstone Edwards of Dundee, the Scottish champion, the only other competitor, and eventually won by fifteen yards in a time of 2 minutes 38 4/5 seconds. Between Edwards and Lester there was a great race for second place, the latter managed to get home in 2 minutes 50 seconds, just two seconds ahead of the Scotsman."

NOTES AND GLEANINGS
By H2O

The Amateur Swimming Association will meet next Thursday evening to discuss preliminaries in connection with the Annual Meeting which it is understood will take place on the following Monday, the time and place to be advertised.

The Annual Meeting of the City Club is yet to be fixed. There is quite enough work to do in the coming months and the sooner swimmers start about it the better.

The Valley Club is up to date and the Annual Meeting was held last night. Secretary Butterfield knows what he is about and he is evidently possessed of plenty of energy.

The attendance at the meeting was unfortunately not very large. Mr.A.K.Harris Jnr took the Chair. The Annual Report was read by the Hon Secretary (Mr G.Butterfield) and showed the Club to be in a promising position both financially and in regard to general progress during last year. The membership had steadily increased, and the success of the Club at the Carnival held by the Association was touched on. The Balance Sheet showed that three Pounds nine Shillings and sixpence was in hand to start the new season with.

Election of Officers resulted in:- Patron, Mr W.M.Thompson; President, Mr Dennis O'Connell; Vice Presidents, Messrs M.Fitzgerald, T.Welsby and A.E.Harris; Hon Treasurer Mr A.G.Littleboy; Hon Secretary, Mr A.E.Harris Jnr; Committee, Mr G Butterfield, E.S.Dearnley, W.Boyd, R.Cecil and M.Fitzgerald; Delegates to the association, Messrs Dearnley, Littleboy and Harris (re-elected); Captain, Mr W.Boyd; Hon Handicapper, Mr G. Butterfield. Several new members were enrolled, and a handsome showcase was presented to the Club by Mr A.G.Boyd, an enthusiastic young member. The retiring Secretary was given a hearty vote of thanks for his services during the past two years.

The Registrar-General's annual report includes the following paragraph:- "In a country like Queensland where much of life is lived out of doors, and the climate renders bathing an irresistible attraction to the young, it is surprising what few opportunities are afforded in the large towns for safely and decently acquiring the art of swimming. Opportunity being offered, willing instructors would be found from all who could already swim, and pupils would attend to learn without any compulsion. Last year 127 lives were lost through drowning. Admittedly, no skill as a swimmer could have saved the victims in some instances, yet by far the greater number of these lives were lost for the want of the knowledge. The art of swimming is taught by some of the teachers in State Schools to their scholars, and it would too a great advantage if the practice could be made general throughout the colony, and more particularly in the larger towns."

The Swimming association will doubtless be satisfied that the Registrar-General has drawn attention to the matter in which the Association has worked so hard.

The Annual General Meeting of the Queensland Amateur Swimming association will take place next Monday evening at the Carlton Club Hotel. Several prominent gentlemen are expected to be present, and the meeting will be presided over by Mr R.H.Roe, the President of the Association.

Dr Brockway, whose interest in matters natatorial has greatly stimulated swimming generally, and has helped the Council of the association in particular, will enjoy a prominent position at the meeting.

It is hoped all swimmers will attend the meeting and make it a huge success. Above all things, individuals should put aside their careless feeling which is sometimes prevalent. - a feeling which sometimes expresses itself in the words "Oh, I am not going to the meeting tonight., there will probably be plenty there without me." In all things, whether sporting or not, a good commencement is generally followed by success. Swimmers should strain every effort to make the meeting a success, and let those who cannot yet swim, but want to learn, also attend, and may rely on a hearty welcome and assistance

later on.

On .5 October the New South Wales Association wired to the Queensland Association thusly:- "Natation Day: Congratulations to kindred Association.." Natation Day is a big day in the capital of the Mother Colony - amongst swimmers anyway - and every year the southern Association spends a few shillings wiring greetings to the other associations in the various colonies.

The Swimming Association is in receipt of the following communication from the south Brisbane Municipal Council, dated 20 September:- "In reply to your letter of the 12th inst suggesting the quarry reserve at Wooloongabba as a most suitable site for public baths, "I have the honour to inform you the Council has the question of swimming baths under consideration and that your suggestion is duly noted."

The "consideration" is getting rather tedious - with all respects to the Aldermen - and the warm weather is already here. It will be very pleasing to note that at the next Council meeting a definite decision is come to.

A cheering communication was read at the last Council meeting from Mr W.Pritchard (Hon Secretary Queensland Amateur Athletic Association) which states it had been decided that a recommendation has been made to the Secretaries of all affiliated Harrier Clubs to form Swimming Clubs from their members at an early date, and that the Athletic Council had every reason that this will be brought to a very successful issue.

It has been decided that the patronage and support of the Swimming Association be granted to the Great Australian Athletic Carnival which takes place 9-11 November next. No swimming fixtures will be made for those dates.

The Now South Wales Association has fixed dates in January next. for the Australasian Championships, and it, is to be hoped Queensland will be represented, and that one or more of the Championships may be scored by Queensland swimmers.

AMATEUR SWIMMING ASSOCIATION
ANNUAL MEETING

The Annual General Meeting of the Queensland Amateur Swimming Association was held at the Carlton Club Hotel last night, among those present being Dr A.B.Brockway (in the Chair), Alderman J. Davies, Mr J.F.Stacey, the Hon Secretary (Mr. F.A.Morris), and the lion Treasurer (Mr G. Butterfield). Apologies for absence were received from the Hon E.J.Stevens M.L.C., Mr R.H.Roe (President), Mr F.C.Lea and Mr W.H.Beattie.

The Secretary's Report and the Treasurer's Balance Sheet were read and adopted, the former indicating that a successful season had been experienced, and the latter showing the Association had a credit balance of one Pound four Shillings and three pence.

The election of Office Bearers resulted as follows:- Patron, Sir S.W.Griffith KCMG (Administrator of the Government); President, Mr R.H.Roe (re-elected), Vice Presidents, a number of influential and prominent citizens including the Hops E. J. Stevens M.L.C. and E. V. Forrest M.L.A., and Messrs W.Stephens and T.Dibley M.M.L.A; Chairman of Council, Dr A.B.Brockway (re-elected); Hon Secretary, Mr E.A.Morris (re-elected); Hon Treasurer, Mr G.Butterfield (re-elected); Hon Handicapper, Mr A.E.Stacey (re-elected).

Alderman J.Davies, one of the newly elected Vice Presidents, returning thanks, said he intended to do all he could to push forward swimming matters both inside and outside the South Brisbane Municipal Council. He was desirous of seeing swimming baths established in South Brisbane, something on the lines of the Booroodabin Baths, only with a larger water space and more seating (applause). He was convinced that such baths would be a profitable investment, though however, by reason of financial affairs, as it was deemed inexpedient at present to erect baths of such a class, he would advocate the building of

temporary baths - a portion of water enclosed by tiles and fencing, or baths on the siphon system, the latter of which he believed to be quite feasible. It had been stated that a person in South Brisbane had been prepared to erect private baths, but personally he objected to baths managed privately for several reasons. Swimming was one of the best exercises, and apart from that it was absolutely necessary that the baths should be erected, and he trusted the South Brisbane Council would shortly arrive at a decision.

Mr Stacey, in also returning thanks for election to Office, said he intended this year to devote more time to swimming, and he believed that this season he and those to whom he had spoken would endeavour to push forward matters natatorial (applause).

Dr Brockway, who briefly acknowledged his re-election, stated he had decided to give up some of the sport he was at present engaged in. He would give up his connection with the Amateur Athletic Council and intended to devote all his energies to swimming (applause). South Brisbane was badly needing baths, and he trusted the Swimming Council would be able to induce the South Brisbane Municipal Council to give them the desired baths. If however the Council did not decide shortly on erecting the baths, he considered swimmers should wait on the Government and ask them to carry put the recommendation of their own Registrar- General (applause) and attach swimming baths to the State Schools (applause). From a medical point of view and from a general point of view, it would be advisable to have swimming baths attached to State Schools even if they were very small. I've often passed groups of school children engaged in physical drill, in a hot hollow where cool breezes were shut off and the sun blazed fiercely hot. Surely the children would be better employed in swimming (applause). He thought at an early opportunity the Government should be waited on, and have pointed out to them, not only the desirableness but the necessity of having baths in connection with our State Schools (applause).The following resolution was carried out unanimously:- "That this public meeting of swimmers desires to impress on the South Brisbane Municipal Council the urgency and desirableness of immediate action in the direction of erecting the proposed South Brisbane swimming baths."

Some discussion ensued on the question of Queensland being represented at the Australasian Championship Meeting in Sydney in January next. It was decided that the Club representatives present advise their best swimmers immediately to go into training with a view to competing in a test race for the selection of one or more representatives.

The next meeting of Council having been fixed for the 24th inst, the meeting concluded by according Dr Brockway a hearty vote of thanks for his services during the year.

NOTES AND GLEANINGS
By H20

The Annual Meeting of the Swimming Association was held on Monday when an excellent speech was made by the popular Chairman of the Council, Dr Brockway, who advocated the Government be approached to carry out the suggestion of their own Registrar-General by erecting small, or large, swimming baths in connection with the State Schools, in order that swimming might become part of the education of Queensland youth. Needless to say, the swimmers present heartily endorsed the Doctor's suggestion.

It seemed but fitting that Queensland be represented at the Australasian Swimming Championship Meet in Sydney in January next.

It would give a great fillip to the sport here. Of course the question of expense has to be studied by a young Association, but "where there's a will there's a way." Jack Hogan, one of our best performers, and several others, are stated to be in training for a proposed test race. Certainly there is none too

much time as a good deal of work has to be gone through in connection with an event of this kind.

It is improbable that Queensland will be represented in more than one of the Championships, and it would be a wise proceeding if a series of test races were held over the championship distances in order to get the fastest man over any one of the distances to compete in Sydney Council might. well take the matter earnestly in hand at, the next meeting, and while they are at it, a list of the fastest times in Sydney over the championship distances should be obtained, so that if our men cannot, in the test races, go within a reasonable distance of the Sydney clockings, the mistake may not be made of going to the expense of sending a Bananalander south to suffer defeat.

SWIMMING NOTES AND GLEANINGS
By H20

A weekly fixture in these notes - Where are the South Brisbane baths?

Clubs are getting into shipshape form. Last week the City Club planned Annual Meeting and without doubt will go ahead during the season. The Harriers, it is gratifying to learn, are evidently preparing to take up swimming, and if they devote their energies during the warm weather to the natatorial sport in a hearty and earnest way which has so characterised their own sport, swimming must boom this season.

The North Brisbane Harriers have set a good example. Their Swimming Club is already formed, and as they have elected delegates to the Association, it is evident they intend to affiliate. May all the other Cubs follow their example Indooroopilly Harriers Club has called a meeting for Thursday next in order to form a Swimming Club.

The decision of the North Brisbane Harriers Club to form a Life Saving Club is commendable in every way. In this matter they have set an example to the older established Clubs and it is to be hoped during the coming season many such Clubs may be formed.

If the cyclists form Swimming Clubs during the summer, as has been suggested, swimming will doubtless become one of the most popular sports in Brisbane. In Sydney it has grown to huge dimensions and there is no reason why it should not do so in Brisbane. With the Clubs already established, formation of others composed of members who are not connected with other branches of sport, and the establishment of Swimming Clubs whose members are also harriers and cyclists, the number of affiliated and organised swimmers should become very large and the Association prosperous. This would mean Queensland taking its proper place in the swimming world and probably the turning out of champions who would rival Lane and Hillings. Big Carnivals could be held and interesting racing take place.

CITY AMATEUR SWIMMING CLUB

A General Meeting of the City Amateur Swimming Club was held last evening in the Carlton Club Hotel, Mr A.E.Lavers presiding.

The following gentlemen were selected as Committee Men - Messrs W.Carby, E.Olsen, J.Carey, W.Cranny and F.Hogan. The Delegates to the Association were Messrs A.E.Lavers, W.H.Beattie and C.Dahl. Several new members were then enrolled and it was decided to swim on Tuesdays and Fridays, next Tuesday being set apart as the opening night.

It was decided to hold another meeting of the Club on Thursday next, after which the meeting broke up.

MUNICIPAL BATHS

The application by Mr James McCoy for his renewal of his lease of the Arthur Street Baths for two years from the first of November on the terms of his present lease was received for approval by the Works Committee of the Municipal Council yesterday, with the further stipulation that the Lessee shall forthwith repair and renew the boxes used as shower baths. Alderman Hicks, however, moved as an amendment the lease be not renewed, but the baths be thrown open free to the public, and Mr McCoy be given preference as Caretaker. After discussion it was decided to refer the matter to the Finance Committee for consideration and report. It was not advisable, his Worship contended, that the question be settled there and then. As it involved expenditure beyond mere rent the Council should have more information before they committed themselves in the manner of the proposal of Alderman Hicks.

NOTES AND GLEANINGS

Valley Club held their first handicaps last week and very fair times were recorded over the sixty yards distance.

The Council of the Association is holding a meeting next Monday evening at the Town Hall in the Victoria Bridge Board Room, and it is hoped the Delegates from the various Clubs will turn up in full force. It is just my view that the matter of sending a Queensland representative to compete in the forthcoming Championships in Sydney may be discussed, and if it can be successfully arranged, the Council will be doing much towards pushing on the sport here.

The Spring Hill Baths have come before the Municipal Council in a marked way at the last meeting. Alderman Hicks is to be congratulated on his up-to-date attitude on the question of free public baths, and if his brother Aldermen could see the matter in the same light, there would surely be very few ratepayers who would seriously object to seeing the baths thrown open for their own use.

Relevant to this discussion - To pay three pence for a single bath and three pence more for the use of a towel is all very well for the comfortably off man who lives in the next house with a bath room, but what about the poor individuals who, to have a refreshing daily bath, must pay one shilling and nine pence per week without the use of a towel? That is a pretty big jump out of thirty shillings a week work wages and idle days to be subtracted.

The weekly fixture - Where are the South Brisbane Baths? It seems likely to be appearing for some time yet judging by appearances. Several Southside Aldermen are in favour of the baths and it is a mystery why they don't move. South Brisbane is getting tired and dirty!

E.O. Saturday 3 November 1899 - Letter to the Editor

A PLEA FOR SWIMMING

Sir: Would you please allow me small space in your valuable paper re the above? It is a noble and useful sport which should be more encouraged in Brisbane than it is at the present time.

What is more appalling is to take up the morning paper and see an account of a terrible disaster, the death roll being very large simply because the occupants were unable to swim.

Whose fault is it that such a sport is not more encouraged? Why the Government, the Councils. Swimming should be taught in every school, should be enforced. Could not the Head Masters allow the boys off a few hours earlier in the day, say one day a week, and send them down to the baths with a couple of teachers as they do in the south, and encourage them to swim?

As regards clerks etc cooped up in an office from nine to five, in some cases to six o'clock, how can they expect to enjoy good health if they do not indulge in an exercise? They ought to see the advantages and avail themselves of it. To my mind, a young fellow who is unable to swim is nothing less than a helpless baby unable to protect himself when accidentally immersed in the stream. Many will not learn because they do not like being laughed at when learning. This difficulty can be avoided learning at night time when any of the City Club swimmers will encourage them in the noble art.

Is it not a fact that many policemen are unable to swim and in the case of a drowning man unable to render assistance? The police ought to organise a Club and learn the noble art like their neighbours in Sydney. There is an excellent Police Club in Sydney.

Brisbane, which in many respects is equal to the south, is very much behind in this sport, so rally up boys and show them this deficiency is only temporary. Long distance endurance races ought to be encouraged also, not to mention Life Saving which requires no comment.

In conclusion, I trust abler pens than mine will continue this subject until some good is obtained.

I am, Yours etc, H.W.L. (City Club) (Littleboy? Ed)

QUEENSLAND SWIMMING ASSOCIATION

At a meeting of the Council of the Queensland Swimming Association last evening, it was resolved to hold a Swimming Carnival on the evening of 13 December at the Booroodabin Baths. Messrs Masterton (North Brisbane Club), Morris (City Club), Littleboy (Valley Club), W.Oxlade (Mayfield Club), Lisle (Sandgate Gordon) and Dickburn (St Mary's Gordon) were appointed a Committee to draw up a programme. Various details were arranged and it was resolved the next meeting be on the 20th inst.

QUEENSLAND SWIMMING ASSOCIATION
MEETING OF COUNCIL

The Council of the Queensland Swimming Association met last night in the Victoria Bridge Board Office. Dr Brockway occupied the Chair and there was a fair attendance of delegates.

Amongst the correspondence was a letter from the Lt Governor, Sir Samuel Griffith, accepting the position of Patron, another from the Hon E.J.Stevens M.L.C. accepting the position of Vice President and enclosing one guinea. A similar cheque from Dr Brockway and also one from Mr R.H.Roe accepting the position of President and thanking members for their continued confidence, and stating he would be glad to contribute towards the expense of sending a representative to compete in the Championships when the right time arrived.

The Hon Secretary was instructed to obtain tenders for the printing of the Rules and obtain proofs to be submitted to the next meeting of Council. The question of the monthly meeting night was referred to, and it was decided to have the matter open for discussion on the adoption of the Rules. An informal discussion took place on the best method of bringing off a Grand Swimming Carnival, and it was at length decided that such a Carnival should be held on

the night of Wednesday 13 December next, at the Booroodabin Baths. Messrs Masterson (North Brisbane), Morris (City Club), Littleboy (Valley Club), W.Oxlade (Mayfield Club), Hale (Sandgate Gordon), and Pickburn (St Mary's Gordon) were appointed a committee to draw up a programme. A sub-committee was appointed to arrange proper lighting of the baths and an invitation is to be extended. to Sir Samuel Griffith to be present. It was decided that, the prices of admission be two shillings and sixpence for reserved seats, and one shilling and sixpence and one shilling for other parts of the building.

NOTES & GLEANINGS
By H20

The President of the Queensland Amateur Swimming Association is to be congratulated on taking the initiative to send a swimmer south to compete in the Championships. Mr Roe stated he would be happy to contribute towards the cost. of sending a representative, and if the "cash" difficulty stands in the way, surely the Association might open a subscription list which would not take long to fill. Small subscriptions from swimming enthusiasts would raise the necessary sum.

Most of the Clubs are getting along nicely at present and their members should exert themselves individually towards obtaining recruits. It is no use leaving the matter to chance or the Secretary - the first will not work, and the latter has too much work usually to attend satisfactorily to recruiting. The Clubs might find it is to their advantage to stimulate their members in this direction by giving a diploma of energy.

The Association has decided to bring off a carnival on December 13. Swimmers will be happy to be catered for, and if the public will attend well, the affair should be hugely successful. Many of the best swimmers are in hard training.

Why should not a test, race be held at the carnival to select people to represent to journey south?

QUEENSLAND AMATEUR SWIMMING ASSOCIATION

A special meeting of the Q.A.S.A. was held last night in the office of the Victoria Bridge Board to consider a programme of events for the forthcoming carnival to be held at the Booroodabin Baths on Wednesday 13th December, Dr Brockway being in the Chair.

The following list of events was decided:- Boys Race 60 yards Handicap, 100 yards Championship of Queensland, 120 yards Handicap, Obstacle Race, Diving contests, 240 yards Handicap and a Relay Race. Further attraction will be an exhibition of Life Saving by Mr Collings, late of Sydney.

His Excellency, the Lt Governor of Queensland, will be asked to extend his Patronage to the Carnival and to start the 100 yards Championship of Queensland.

Every effort is being made to make the Carnival a success. Special attention is being given to the seating of visitors and the lighting of the baths. The various officers were elected, and it was decided that nominations would close on December 6 at the offices of the various Club Secretaries.

Valley Club was granted a permit to hold a Club Carnival on January 10, and permission was given to the City Club to run races for open orders during the season.

NOTES & GLEANINGS
By H20

The Harriers have nobly responded to the invitation to form Swimming Clubs, and it would be well if cycling followed this example. There is nothing better calculated to keep members together in the off season when pedestrianism and hiking are questionable joys with the thermometer somewhere near or over 100. Without continued organisation a sport soon falls to pieces, and after a few months lapse of time it is hard to get together members of past season's clubs who are out of touch with the Secretary or organiser. It seems strange that the police of Brisbane have not attempted to form a Swimming Club, and yet perhaps not so strange when one begins to analyse matters. First and foremost, the want of swimming accommodation - a want that will only be remedied by an organised effort - stands in the way of an expansion of the sport, then again, in the past year or two no systematic attempt was made to encourage swimming. Anyhow, it might be taken up with advantage and a police Swimming Club formed here, which would be a credit to the colony, and an excellent prototype is the Sydney institution.

The City Club is to be congratulated on the rapid progress made. The Club is going ahead in leaps and bounds and contains some promising swimmers.

A new Club has been formed called the Darling Downs Swimming Club, and information as to affiliation etc has been forwarded to the Hon Secretary of the Association, Mr E.A.Morris.

It is understood that one of the newly formed Clubs has decided not to affiliate with the Association. The wisdom of this move is not apparent. At present there is no professional element here, all the Clubs in existence being amateur. Most of those engaged in the natatorial sport are fond of racing - once in a while at any rate. As no swimmer who is not affiliated with the Association can take part in any Association carnival or swim against any member of an affiliated Club without causing the affiliated member to be disqualified, it is hard to see what the object of the Club is in standing aloof from the Association. Even allowing that the particular Club's members are not intending to do any racing, the fact they are content to isolate themselves is not exactly true sportsmanship. If such a state of affairs became general, the sport would probably die for want of organisation.

The weekly swim of the North Brisbane Harriers Club was held at the Spring Hill Baths last Wednesday despite a considerable risk of getting a ducking from the threatening storm. Captain N.J.Hinch has every reason to be proud of his team. Mr M.J.McCoy, faithful to his promise, had a high diving board erected, which added considerably to the evening's enjoyment.

From a Charters Towers Exchange, the following is taken:-

"It is to be sincerely hoped that the efforts of Mr W.F.R.Boyce and others, in the endeavour to promote swimming in Charters Towers, will meet with popular support and encouragement. Other healthy exercises are being pushed ahead with all the energy and enthusiasm possible, and already the efforts of those at the head of affairs are meeting with the reward they deserve. Swimming is not only a healthy exercise, it is an accomplishment which all our girls and boys should be taught. The day may come when the ability to swim may be the means of saving life, one's own, or some unfortunate man or woman who has neglected the opportunity of learning the art. Nearly all of us in our lifetime have to travel overseas, and no one is exempt from the dangers of shipwreck.

AMATEUR SWIMMING ASSOCIATION SUMMER CARNIVAL

The Queensland Amateur Swimming Association brought off their first Swimming Carnival of the season at the Booroodabin Baths last evening under the most favourable auspices, and in the presence of a large, and at the same time, select, audience. Amongst those present were His Excellency Sir Samuel Griffith accompanied by his A.D.C., Sir Stewart Richardson, the Hon E.J.Stevens M.L.C., Messrs R.H.Roe, D.S.Pratten, D. McConnell, Dr Brockway and numerous other prominent gentlemen, together with a large number of ladies.

The baths looked their best, the lighting arrangements having been supplemented by several clusters of electric lights, which, together with some bunting, plants, etc, gave everything a most cool and inviting appearance.

The Officers in charge of the events were Messrs C.H.Briggs (Starter), P.J.Masterson and P.H.Briggs (Timekeepers), R.H.Roe, H.Beattie, A.E.Stacey and D.Sutton (judges), Dr Brockway (Referee), S.Davis (Clerk of Course) A.E.Lavers (Press Steward), F.J.Dickburn (Costume Steward).

Events were as follows:-

- Boys Handicap, 1 length (30 yards) F. Finney (Valley Club)
- 100 yards Championship of Queensland (This race started by Sir Samuel Griffith) F.Gailey (Valley Club) Time 1 min 5 3/5 secs
- 60 yards Open Handicap (5 Heats) P.Bryce (Valley Club)
- Diving Contest (Each contestant to dive once from a platform and twice from the springboard. Results to be decided by general style, neatness, and cleanness of entry and quickness of recovery) F.Dutton
- 120 yards Open Handicap P. Bryce (Valley Club)
- Obstacle Race (The starters in this had to carry an airtight canister or kerosene tin from start to finish of the 60 yards course, taking it beneath a plank, through the hoops and over a rope)
Successful competitor turned up in H. Fitzgerald of Valley Club.
- Long Dive - Won by W.H.Lennon (Valley Club)
- 240 yards Handicap - This created a great deal of interest, the distance providing rather much more than most competitors could manage. It was won by W.Cranny
- Relay. Race - Team of four men from each Club entered - Won by City.

The quality of the sport throughout was excellent and well deserving of the patronage received. The management on the whole may be described as good, but faults which could be remedied here and there were observable.

A protest was entered by the second man in the 100 yards Championship against the winner, on the grounds of some defect in his costume. This will be considered by the Association at a later date.

On this page is featured the likeness of a young swimmer who succeeded in winning the 100 yards Championship of Queensland. Frank Gailey is a son of the well-known architect, Richard Galley. He is only 17 years of age, and his performances up to the present indicate that he is a sterling swimmer. He first took an interest in matters natatorial in 1987 when he joined the Valley Amateur Swimming Club, annexing that year the 120 and 240 yards Handicaps. In 1989 he won that Club's 120 yards Scratch Race for the season and came second in the 240 yards races. Last Tuesday week he gained the title of 100 yards Champion of the Valley Club, making the distance in the excellent time of 1 minute 4 4/5 seconds. (Picture by "Queenslander" appended)

The Association's Carnival is now numbered among events of the past. It was a brilliant gathering, far ahead of anything yet attempted in Brisbane.

In the "Observer's" report it omitted to mention the exhibition of methods of Life Saving given by Mr L.Collings, assisted by Mr W.Cranney. The exhibition was given during an interval in the programme and it proved most interesting and instructive, Mr Collings showing four different methods by which a rescuer might free himself from the hold of the drowning person and then conduct the latter safely to the shore. The best method of rescuing a swimmer attacked by cramps was also shown, the whole display earning considerable applause.

There were one or two matters which might be remedied at future carnivals. The Association should see that the official who is in charge of tickets and numbers should turn up early. Some arrangement should be made for the posting up of results. The Press Steward, Mr Davis, deserves a word of commendation for the kind and efficient way he carried out his duties. There was a tendency at the Carnival towards objectionable barracking. On one or two occasions expressions were used by some of the smaller and impulsive onlookers which did not sound very nice.

A protest entered by F.Hogan (City Club) against F.Gailey, the 100 yards Champion, will be considered at the next meeting of the Association. Hogan protested against Galley on the grounds that the latter had no trunks over his university- costume and neglected to wear his number. As a matter of fact, Galley wore his trunks according to rule, but as they were the same colour as his costume, they were not noticeable. He did not, however, wear his number. This was partly due to the late arrival of the official, for Gailey was not given a. number and the Costume Steward allowed him to start without it, and all things being taken into consideration it is a pity the protest was lodged.

The lack of swimming accommodation is being felt now more than ever before. On Sunday the baths were packed to suffocation, and a swim was not a luxury as it was accompanied by kicks that were neither few nor far between. By the way, what is the South Brisbane Council doing? Are they doing anything at all?

The Valley Club has fixed the date of their Carnival for 10th January next and the Secretary is working hard to make it a success. The following programme has been decided on:- 60 yards Inter-Club Handicap Boys Under 15, 60 yards Inter-Club Handicap Heats, Diving contest from the Springboard and Platform Open, 220 yards Championship of Queensland, 60 yards Obstacle Race Open, 90 yards Club Handicap Heats, 30 yards Full Dress Race (coat, trousers, shirt and boots), 180 yards Inter-Club Handicap, 30 yards Lifebuoy Race Open, 240 yards Teams Race. Entries close Saturday 30 December with the Manager of the Booroodabin Baths, and with Mr A.E.Harris Jnr at the QN Bank, Brisbane.

The Life Saving Exhibition given by Mr Collings on Wednesday night was extremely instructive and interesting, and it is hoped that all Clubs will foster the movement. On the basis of the information gleaned by Mr Ben Hart on a recent trip to Sydney, the North Brisbane Harriers are going ahead with the idea. The accomplishment is exceedingly useful to swimmers who may be enabled by its teaching one day to be the means of saving valuable human lives.

The following letter has been forwarded by a swimmer who desires to express himself:-

As swimming seems to be becoming more and more popular each year in Brisbane, the following suggestions would have the effect of making it even more popular:-

(1) That Premiership Matches be held throughout the summer months, the Club winning most to be styled "Premier".

(2) That more attention be paid to costume and Club badges. It should be a rule that these trunks should be worn over the university costume.

(3) That an Association Official attends all Club meetings.

(4) Greater efforts should be made to promote Inter-Colonial contests, and also matches with Clubs in other parts of the colony, as it is an axiom that nothing excites more interest in sport than matches with other colonies.

A general meeting of the Valley Amateur Swimming Club was held in the Metropolitan Baths Office, Edward Street, last Monday evening. A Code of Rules of 21 items was submitted and approved, and 100 copies were to be printed. A motion was passed that all competitors representing the Club in any carnival must wear Club colours, navy blue and maroon. Mr Collings was appointed instructor in Life Saving, and four swimming instructors were elected - H.Lennon, J.C.Hogan, W.Cranny and W.May.

At a meeting of the North Brisbane Harriers it was decided to plan to hold a carnival at their headquarters (the Arthur Street Baths, Spring Hill). It was decided to write to the Council drawing their attention to the necessity of ventilation, and also insufficient accommodation. At present the seating is nil.

The Mayor of Brisbane has by his kindly interest in sporting matters earned the goodwill of sporting bodies, and it is understood there is a movement to have a large photograph of the various Clubs Officials with the Mayor in the centre presented to him in appreciation of his efforts to forward sport. The Swimming Association has nominated Dr Brockway, Mr R.H.Roe, and Messrs Morris (Secretary) and Butterfield (Treasurer) to be representatives of the Association as far as the photo is concerned.

It is satisfactory to note that at the last meeting of the South Brisbane Municipal Council the matter of the baths was brought up by Alderman Blocksidge. Some considerable time ago - before the hot weather set in - a Committee was instructed to "consider" this, which apparently they have been doing ever since. Now the Works Committee has been requested "to submit a sketch plan and the estimated cost of erecting a swimming bath at the corner of Walter and Main Streets as early as possible".

Further instructions were given to the effect that the Committee should also deal with a plan for the erection of other baths on the bank at Stanley Street, West. It is hoped that some energy will be shown in this matter of supplying a long felt want, and that Aldermen will sink any differences which may exist as to the locality of the baths in a desire to meet a real want.

It has been reported that Hogan of the City Club has gone south to take part .in some of the racing in New South Wales, and at the same time enjoy a holiday. He should give a good account of himself.

Nothing definite appears to have been done yet in regard to sending a Queensland representative to compete in the Australasian Championship events, and if anything is to be done, it must be done quickly. It is a pity the Q.A.S.A. has not seen its way clear to take the matter ,up before, as it is almost a certainty if an earlier move had been made, the pecuniary difficulties about which there has been a lot of talk, would have been overcome. Swimming would have been greatly helped by a movement of this sort, and before it is too late a effort should be made, even if it is at the eleventh hour.

It is satisfactory to know that Queensland is to be represented at the forthcoming Carnival in Sydney, though not officially.

The fastest swimmers of the City Club have left for the south on a holiday and have expressed their intention of competing in events while in the capital of the Mother Colony. Mr Hobson, the City Club's popular Secretary, left by the Arawatta, and the Captain of the same Club, Jack Hogan, and brother F.Hogan and H.Lennon have also departed for the scene of the forthcoming struggle for supremacy in matters natatorial. Hobson and F.Hogan will enter for some of the handicap events, while Jack Hogan and H. Lennon have announced their intention - all things being well - to endeavour to annex one or more of the Championships. The Clubs of Queensland will wish them every success and any number of laurels. If any of the honours are brought to Queensland, the highest praise will be due to the plucky Brisbane swimmers who, when the Association was doing nothing in the way of having Queensland represented at the Carnival, took upon themselves while on their holidays to spend time and money in seeing this colony was shoulder to shoulder with the rest.

Mr P.Moore, President of the Nautilus Club, with his usual generosity, has offered to entertain the Inter-colonial visitors and Association Officials at the Moorfield Hotel on 16th January. Visitors are sure to have an enjoyable evening, for in addition to billiards they will be able to amuse themselves in various ways and have the opportunity to enjoy a musical treat, which will be provided.

Picture of Officials of the North Brisbane Harriers Swimming Club and article associated:-

North Brisbane Harriers Swimming Club was established in September 1899 when Messrs Sep Davis, F.J.Masterson and several others met and decided to form a Swimming Club as a means of keeping the harriers members together during the summer months. There are now about 35 active swimmers on the roll and the attendance at the weekly swims averages 20.

The group of Officers presented are well known active amateur athletes, and as a body or individually are splendid workers. It is owing to their efforts that the carnival which is proposed for 7 February at the Arthur Street Baths is being eagerly pushed forward by the members.

The Captain of the Club, Mr M.J.Hinch, is a very promising swimmer and also a good man for the position he has held since the formation of the Club. It shows he has the confidence of his Club mates. The Secretary and Treasurer, Mr B.Burton, is well known as an active worker in amateur athletics. Mr P.J.Coffey, the Club

Handicapper, is very popular with the members and is also one of the most regular attenders at Club nights. Mr M.J.Masterson, who acts as Starter, is one of the best men in Brisbane for the position. Mr Dan Coffey is a very popular member and holds the position of Assistant Secretary. He is also a very promising swimmer. The other members, Mesrs J.Burton, W.H.Hinch, W.D.Evans and L.Burton are all well known workers. The latter is a new arrival in Queensland, but has taken an active part in amateur athletics both in Victoria and in Western Australia,

Jack Hogan and his brother arrived back in Brisbane by mail train on Thursday night, speaking well of the hospitality in Bathurst and Sydney. A severe cold prevented his entering for the Sydney Meet, and entries had closed before his arrival in Bathurst. Messrs E.S.Hobson and H.Lennon were still in Sydney.

A telegram was received from that City last night to say that the Inter-Colonial visitors from New Zealand, Victoria and Queensland were welcomed yesterday by the Minister for Works. Mr E.S.Hobson responded on behalf of Queensland.

Advice on Bathing

People who are thin in their flesh should not take a cold bath every morning, once or twice a week is quite enough, and should always be preceded by enough light exercise to put the system in a glow. Too frequent cold baths extinguish the heat of the body and exhausts the vitality. A brisk rub with a coarse dry towel is better!

NOTES AND GLEANINGS

By H20

The Valley Club Carnival last Wednesday night was a distinct success and the Secretary and his helpers are to be congratulated on the evening's entertainment. Racing throughout was interesting, particularly the 60 yards Handicap and the Relay Race, and the spectators were able to see things distinctly for the brilliant illuminations of the electric light. The results were continuously posted and everything was well arranged.

The Life Saving exhibition did not eventuate owing to Mr L.H.Collings being unwell. The 220 yards Championship of Queensland fell through owing to lack of entries. It was stated on the programme that only one entry had been received, that of Mr F.Gailey, the 100 yards Champion of Queensland. It is understood, however, that three entries were received, those who nominated being Jack Hogan, D.Gailey and F.Gailey. The programme might have indicated this or otherwise it might appear that all the Brisbane swimmers were afraid to meet the champion.

THE BIENNIAL AUSTRALASIAN CHAMPIONSHIPS

The following is clipped and abbreviated from this week's file of the Sydney "Daily Telegraph":-

The Sprint and Plunge

The distance of Hammer's San Souci Baths from town, heavy showers in the morning and the threatening nature of the weather in the afternoon, and the fact, from a local point of view, that Moorfield Races took place that day, all militated against a big attendance at Nautilus Club's Annual Swimming Carnival on Saturday.

The programme included the Plunging and the 100 yards Championships of Australasia. By many, the Plunge was looked on as a foregone conclusion for Coates who a week or two ago secured the supremacy of New South Wales in that department. Reports of good trials had been done by Keers, Bethel, Mason, Sharpe, Andrews and Kemp, and the appearance of ex-champion, Harry Mulcahy named among the list of competitors gave the event a more open appearance.

100 yards Championship

The contest for the 100 yards Championship proved worthy of the event. It was run in five heats, and the quality right through has rarely been excelled. In the final Bishop held the lead for the first half of the course, then Craig came at him so determinedly he was seen to be reducing the gap inch by inch. Steadily Craig wiped out foot by foot his opponent's advantage until they were abreast of each other a yard or two from the goal, each putting forth every atom of power that was within him to reach it first, when suddenly a great roar from the spectators indicated that the tensions were released when they crossed the line together, as near a dead heat as possible, but the Judges decided otherwise, they gave the verdict to Bishop by a touch. There was no "touch" however, the rope was too high to be touched, a fact the third man took advantage of and protested.

Dick Cavill was particularly unfortunate in the contest, his heat was a second better than the final, and yet because it was not specified in the conditions, as is usually the case, "the second man in the fastest heat to start in the final" he was forced to stand out, and judging by the falling off in the pace shown by the ultimate winner, Dick might - in all probability would - now have been the proud possessor of the coveted title.

The Mile Championship of Australasia was contested at Farmer's Domain Baths in the presence of a good attendance, all things being considered. The winner turned up in Dick Cavill, the youngest member, he is not yet 16 years old, of that family of swimming champions who have won world wide fame. Dick swims brilliantly the whole distance, never flagging for a moment in the event, giving the impression he could have swum another half mile at the same rate of speed. He touched for the last time at least 50 yards ahead of the second man, Bond, who was probably 80 yards in front. of Smith. The time was recorded as 20 minutes 52 $\frac{2}{5}$ seconds, the exact time of Percy Cavill's Australian record, and within 6 seconds of the world's amateur best, which stands to the credit of J.H.Tyers, an ex-champion of the world.

The Quarter Mile - Professor Pannell's St George's Baths, Cleveland Street, Redfern, were the scene of the Fourth Annual Carnival of the Government Printing Office Swimming Club. Considerable éclat was lent to the occasion by the fact the Quarter Mile Championship of Australasia was the principal item on the programme. The weather proved anything but inviting, but 600 people filled the building. A perfect pandemonium of yells accompanied the final of the big event from start to finish. No better race has been witnessed in Sydney for many a year as that provided by Craig and Cavill. They swam in the gamest possible manner and were within inches of each other over the final 100 yards. The scene in the building as the swimmers breasted the rope was one to be remembered. Catch cries and cheers were to be heard for fully five minutes afterwards. Nothing but real right-down pluck triumphed. The time of 6 minutes 1 $\frac{1}{5}$ seconds, though excellent, was some seconds slower than Lane's Australasian record.

Half Mile Championship - The Half Mile Championship of Australasia was decided at Farmer's Domain Baths last night. It was won by Cavill followed by H.Bond. H.Lennon of the City Club was the only Queenslander who started and he was evidently outclassed. Time by Cavill was 12 minutes 53 $\frac{1}{5}$ seconds. The Australasian record for the distance stands to the credit of his brother Percy.

NOTES AND GLEANINGS
By H2O

The first meeting of delegates to the Australasian Swimming Conference was recently held in Sydney. Exchange says that Mr James Taylor (New South Wales) presided. Messrs E.S.Hobson (Queensland), E.S.Marks (Victoria), and A.H.Phillips (New Zealand) were the others present.

An agreement was discussed embodying no less than 21 clauses and providing for four Australasian Championships. The first one to take place under the new compact would be in Victoria in the season 1900-1901, the second in New Zealand 1901-1902, the third in Queensland 1902-1903, and the fourth in New Zealand 1903-1904. The events and standards are to be as at present. The whole of the Championships to be got rid of within eight days with no postponement under any consideration whatever to be allowed. It was also agreed that no Association should start more than three representatives in any one event. Mr. H. C. Holden was unanimously elected Hon Secretary of the Conference.

The meeting was adjourned to early next week when the following subjects will be considered - uniform rules regarding reinstatement, definition of an amateur, universal entry forms, racing laws and rules governing records.

At the last meeting of the Council of the Association it was decided to hold Long Distance competition on eh 29th instant over 1/4, 1/2 and 1 mile. The Association is to be congratulated on their energetic efforts in the face of many setbacks to encourage "endurance swimming". While short distance sprints are all very well in their way, they are hardly likely to prove serviceable in times of emergency. If a Club have a half or mile event on a. Club night, it will always prove where the pluck, muscle and ability is.

A South Brisbane Alderman was present at the last meeting of the Queensland Amateur Swimming Association for the purpose of discussing baths. He is to be commended for his zeal. The South Brisbane Council has been too long somnolent on the matter. Months ago it was stated by one of the Aldermen that public enterprise was ready to step in to erect baths if the Council did not intend to do so, then for ages the matter of the proposed baths was considered by the Works Committee, and probably is still being "considered". South Brisbane residents are anxious the "consideration" should end and something definite be done. If the Council cannot afford to erect baths why not say so and let private enterprise have a "show". If the secret of the inactivity lies in the fact that each Alderman has his own theory where the baths ought to be, why not make the public understand all about it? This much is absolutely certain, there will be no baths this summer, for the next seven or eight weeks will see the commencement of our short-lived autumn. It is to be hoped that the baths will be erected by the Council in time for next summer, or else the Aldermen over the river should call on private enterprise to fill a long felt want.

According to a southern exchange, "At one of the recent Championship events in Sydney, Doris Farmer, daughter of the lessee of the Domain Baths, a mite of three years old, earned rounds of applause for a clever display of swimming over the course of 45 yards." Some of the Brisbane girls of 33 years cannot swim 5 yards. It is a pity the girls of sunny Queensland do not form Clubs and go in for swimming in full style, Of course there plenty of our country girls who could leave our boys behind in a 50 yards sprint. Here in Brisbane however, the girls are somewhat at a disadvantage. The few baths we have give them a couple of hours once or twice a week, and then most are afraid to enter the building because there are always horrid boys passing the entrance just as we are walking up to the door

and we don't like going in". Just as if it mattered! There is surely nothing to be ashamed of in learning or practicing swimming.

This reminds me of an experience I had some time ago. I was rowing up one of our creeks, admiring the beautiful scenery, smelling the odiferous muddy banks, and round a corner came suddenly in view of 3 or 4 festive maidens in New York bathing costumes enjoying a swim in the middle of the creek, and were churning up the water in a way that would have shamed a paddle boat. They saw my boat coming, and then for a couple of minutes I pulled for dear life with four mermaids in hot chase, all dying for a chance to turn me out in the lovely creek and my Sunday clothes would have been utterly ruined. I got away with quarts of perspiration trickling down my front and back. When homeward bound I tied my boat to a tree, waded through the mud and walked half a mile to be sure they were not still in the creek before venturing along in my boat - they were gone. I am not quite sure if I was pleased or sorry. I don't remember. The creeks are rather narrow if you have to do a sudden spurt to dodge three or four swimmers.

Messrs C.J.Hogan, W.Cranny, R.Theim and G.Stack intend journeying to Toowoomba to take part in the Carnival of the Darling Downs Club which is to take place there on the 22nd instant. This Carnival is to be held under the auspices of the Q.A-S.A., and the programme includes the 100 yards Championship of the Darling Downs and a Water Polo match. Entries close on Monday 19th at the Municipal Baths, Margaret Street, Toowoomba.

The City Club brought off their first boys race in conjunction with the newly formed Boys Club last Tuesday night in the Metropolitan Baths, the distance being 30 yards.

At the last Council meeting of the Q.A.S.A., one of the members said he would donate five shillings to the Patriotic Fund if Dr Brockway, the Chairman of Council, and Mr Davis would start in the Obstacle race. Both gentlemen named immediately took up the challenge and announced their intention of starting. This is a patriotic action on their part and should make the event very interesting. H20, while congratulating them on their action in thus helping to swell the Patriotic Fund, earnestly hopes that Dr Brockway will have no trouble in getting his kerosene tin under the plank and the other gentleman will have no difficulty in crawling through the hoops.

SWIMMING CONTEST

An interesting programme of swimming events was carried out at the Booroodabin Baths last night by the Swimming Association in aid of the Patriotic Fund. The attendance of the general public was not so large as the occasion warranted, but as the competitors had to pay for admission, it is expected the proceeds will augment the general fund to the extent of about five pounds. Among those in the gallery were Dr A.B. Brockway and Mr R.Roe and several other prominent enthusiasts of swimming.

The first event was the final of the 25 yards Inter-club Handicap, and a particularly good race resulted in a win for young Eric Prince. In the quarter

mile F. Gaily made the fastest, time of 6 minutes 31 seconds. A high diving exhibition was given. In the half mile much enthusiasm was evoked and was won by H.Lennon. The Obstacle Race was productive of a little mirth, and was won by W. May. The most instructive event was perhaps the demonstration of Life Saving and the resuscitation of the apparently drowned, by members of the Ambulance Brigade. By way of variety an exhibition of diving for objects was given, coins being thrown into the water and donated to the Patriotic Fund and secured in a mariner reminiscent of Aden or Suez. The programme concluded with the Mile Race won by W.Ockleford.

During a break in proceedings, Mr Roe presented medals and certificates won at the recent Association Carnival.

SWIMMING - NOTES AND GLEANINGS

By H2O

The matter of Queensland's representation at the recent championship meeting in Sydney has been fully explained. It appears that just prior to the meeting the Association wired the Sydney Association asking when entries for the Championships closed, and meanwhile approached Gailey, the 100 yards Champion of Queensland, with a view to getting him to officially represent this colony. Unfortunately Mr Gailey was unable to go. Later, Sydney wired Queensland asking if Messrs Hobson and Lennon who were in Sydney might represent Queensland at the Conference, and this was agreed.

The Association decided at its last meeting that Club trunks might not be worn at carnivals. In the name of all that is wonderful, what has come over the governing body? When Rules and Regulations were being framed, nearly every member of the Council was awfully particular in regard to costume, and rightly so if the sport is to become popular. Now by some extraordinary freak of imagination it has been suddenly discovered that a swimmer will look more decent with less clothes, than more! It is hoped that Club secretaries will see to it that at their carnivals Club trunks are to be worn over the university costume. It is certainly well within their rights to insist on this, for no swimmer could possibly be disqualified for wearing more clothing than the "minimum quantity" provided for by the Regulations. Indeed if carnivals are to be kept within decent bounds, it is absolutely essential that Club trunks be worn. Of course, glaring colours might be advantageously prohibited.

At the last meeting of the Q.A.S.A. it was decided to hold another Long Distance competition on the 26th instant at the Booroodabin Baths. Several novelty events would be included in the programme and admission was fixed for one shilling, all the proceeds to go to the Patriotic Fund. This is a movement that should ensure the support of all swimmers, and those who have not yet made an effort to secure one of the certificates for the 1/4, 1/2, or 1 mile should immediately enter and make the affair a thorough success.

The matter of public baths came up for discussion, and the Council wrote to several Local Authorities, also to the Cricket Association and the Rugby Union asking their co-operation in having baths erected at the quarry reserve near the Fiveways, Woolloongabba. The suggestion that the Hamilton Board should take steps to erect baths behind the breakwater, is an excellent one, and should prove immensely popular.

SWIMMING CARNIVAL
CITY AMATEUR SWIMMING CLUB

The Championship Carnival of the City Amateur Swimming Club which came off at the Booroodabin Baths last night was an interesting function. Not only was there plenty of competition, but many of the finals were keen and there was a large and appreciative audience. Indeed, enthusiasts referred to the meeting as a record one. Certainly the meeting proclaimed two facts - there was a good deal of public interest taken in the natorial events, and the City is a very strong Club. The bill submitted was a long and varied one and was got through with a promptness which did the officials infinite credit.

The Officials were - Starter D.J.Masterson, Check Starter P.Briggs, Judges W.H.Beattie, E.R.Gross, and R. Roe, Referee Dr Brockway, Dress Stewards B.Burton and A.Littleboy, Timekeepers Le Brocq and G.Butterfield, Press Steward H.Lavers, Clerk of the Course Sep Davis, Hon Treasurer O.Whittick, and Hon Secretary Edgar Hobson.

Phil. Doyle, who ably represented the Toowoomba Club in the 220 yards Handicap, is to be complimented on his performance. Most of the swimmers expressed themselves pleased at his win because it will tend to spur the members of the Toowoomba Clubs to take part in future Carnivals in Brisbane.

Members of the City Club wish to express their thanks to the members of the North Brisbane Harriers Club, the St Mary's Gordon Club and the Toowoomba Club for the splendid manner in which they responded in the matter of entries.

The Proposed Club Rooms

There has been considerable discussion among some of the Brisbane swimmers during the past week in connection with a proposal to establish a Club Room for the benefit of Brisbane swimmers, especially during the winter months. Some of the City Club members originated the proposal and since have been doing their best to forward the idea, Messrs Cranny and Lennon being particularly prominent. City members do not wish this to be a City Club room only, but for swimmers generally to take the idea up and firmly establish what is felt to be a long needed institution. If possible a central room in town will be secured and fitted out according to the means at the disposal of the Clubs and the generosity of patrons

of the natatorial sport. Names of interested people are invited, and when sufficient, a meeting will be called to draw up rules. It is suggested each member of the Club should pay, say, three pence a week towards expenses. The Club could be governed by representatives of each Swimming Club. A suggested name is "Swimmers Recreation Club".

Of course the main objective of a central Room is so swimmers may drop in for a quiet chat and a smoke, and where sports journals could be kept for perusal and reference, and where a quiet hour or two could be whiled away with a game of cards or chess or draughts. Boxing gloves or foils would be a decided acquisition.

Any unannounced visitor to Brisbane would know where to meet up with other sportsmen. The cycling devotees have their Club Rooms, why not also the swimmers?

SWIMMING - NOTES AND GLEANINGS

By H2O

After a slow start, the proposed recreation Club is finding favour among members of the City Club and also to a lesser extent among outsiders, and already some 40 members have signified their intention of joining, and as soon as City's smoke concert eventuates, a start will be made to find suitable rooms.

The baths which the South Brisbane Council propose to erect at the corner of Main and Vulture Streets will be a fine structure, and when they are constructed, should prove an immediate boon to southsiders. The baths will be the finest in Brisbane, and the sheet of water will be 60 yards by 15 yards and should accommodate a large number of swimmers. It is probable the Carnivals of the Brisbane Clubs will be held in the new baths next season if they are constructed during the winter. That they will be a financial success is a certainty provided they are properly managed, and that the Council is not sparing in the matter of "furniture" - rings, springboard, high diving platform, and a slide.

STANDARD TIMES

The Q.A.S.A. Council met on Monday night with the purpose of fixing the Queensland Plunging and Swimming standards.

The standards decided on were - 100 yards, 1 minute 8 seconds; 220 yards, 2 minutes 32 seconds; 440 yards, 6 minutes 25 seconds; 880 yards, 14 minutes 13 seconds; Plunging 50 feet.

A letter was received from the Hamilton Divisional Board saying that in their opinion the time was not ready for reserving a portion of the water behind the retaining wall as a swimming bath.

Five members of the City Club have thrown in their lot with the North Brisbane Harriers for the forthcoming harrier's season.

Mr E.S.Hobson, Secretary of the City Club returned from the north yesterday. While in Charters Towers he hunted up Alick Carron, the Secretary of the Charters Towers Amateur Swimming Club, and found that Club is doing well. The Towers people always were - and probably always will be - a sporting community. At Townsville, Edgar failed to find a swimming club but raked up Mr Cook of the Townsville Post

branch of the old Boomerang Football Club that was so well known in Brisbane, and he is going-to endeavour to raise a Club in Townsville next season.

It is a strange thing that Townsville has not yet got a swimming club seeing that Charters Towers has one. These towns watch each other with eagle eyes" and are always endeavouring to out rival each other. Townsville Club may affiliate with the Q.A.S.A next season with the Towers Club.

Mr Hobson also held a palaver with the Mayor of Bundaberg, and the latter hinted at a swimming bath for the sugar town at an early date.

QUEENSLAND AMATEUR SWIMMING ASSOCIATION
ANNUAL GENERAL MEETING

The Third Annual General Meeting of the Queensland Amateur Swimming Association was held in the Carlton Hotel last evening. Dr Brockway occupied the Chair, and there were present about fifty members.

The Secretary, Mr E.A.Morris, read the Annual Report which referred to the operations of the past year as having been highly successful. Five Carnivals had been held by the Association, and City, Valley, North Brisbane and Toowoomba. Gordon Clubs which showed vast progress on the previous work. Two Championship events had been decided under the auspices of the Association, namely- the 100 yards Championship of Queensland, won by Mr F.Gailey of the Valley Club in the fast time of 1 minute 5 $\frac{3}{5}$ seconds, and the Plunging Championship won by Mr W.H.Beattie of the City Club with 47 feet 11 $\frac{1}{2}$ inches. Regret is expressed that the Association was not officially represented at the Australasian Championships held in Sydney last season, and hope was expressed that it would be represented at all future Championships. Two Long Distance Championship Meetings had been held in the past season with a gratifying increase in the number of entries. One of these competitions took the form of a Patriotic Carnival and enabled the Association to hand over four pounds and five pence to the Patriotic Fund. Many efforts had been made by the Council to obtain more bathing accommodation in Brisbane. The Boards of Ithaca and Hamilton and the South Brisbane Municipal Council had been approached, but as yet nothing definite had been done. The Report concluded that since the Association is in a highly solvent position, a team would be sent to represent the Association at the Championship Meeting in Melbourne.

Mr S.Davis seconded the adoption of the Report, which was moved by the Chairman, regretting that the year's progress, gratifying as it had been, could have been greater. There was room in Brisbane and suburbs, he thought, for more Clubs, and he directed attention to a Boys Club that had been formed at Indooroopilly which could be a Swimming Club during the season. He hoped the Association would be represented at the Championship Meeting in February. While favouring long distance swimming, he called to attention the need for more discipline in the Clubs. He instanced a recent visit to Toowoomba where the swimming was all one could expect, but where discipline was almost wholly unrecognised. The need for rural centres was very obvious and should be recognised by the Association.

Alderman Blocksidge also spoke to the motion.

The Report was then adopted.

The Secretary then read the Financial Statement showing a balance of six pounds one shilling and three pence brought forward. The Report was adopted.

The Secretary explained that the Rules referred to by Mr Davis had been delayed for omissions, and were now in the hands of the printer.

The election of Officers for the coming year resulted as follows:- Patron, Lord Lamington; President, Mr R.H.Roe; Vice Presidents, Drs Brockway and Sutton, Hon E.J.Stevens M.L.C., W.Stephens M.L.A., T. Macdonald-Paterson M.L.A., Captain Almond, Alderman Blocksidge, Messrs E.R-Gross, R.Edwards, J.Bond, T.Bond, W.H.Beattie, G.Stack (Maryborough), J.Kenna (Rockhampton), and Rev St. John Pugh (Toowoomba), with power to add to their number; Handicapper, Mr George Butterfield; Hon Secretary, Mr Ben Burton; Treasurer, Mr George Butterfield jnr; Chairman of Council, Mr S.Davis.

Regret was expressed by the Chairman at losing the services of Mr Morris who had proved himself as an enthusiastic supporter of the Association as well as

Secretary-. A motion expressing the thanks of the Association to the retiring Officers and to Alderman Blocksidge for his labours on behalf of the Association was carried unanimously.

Further discussion followed relative to the best course to be taken to push forward the baths at South Brisbane, after which the meeting terminated.

On Saturday 22 September, H20 commented that Dr Brockway, who had to give up his position as Chairman of Council for want of time, would be much missed. During his long tenure of office he won a very warm place in the hearts of swimmers, and a more kindly and level headed Chairman would be impossible to find. Swimmers do not need to be told how earnestly and consistently- the Doctor worked for the sport. They will all join with H20 in tendering their best to him.

The new Chairman is an enthusiastic worker, and if he shows such energy this year, the Clubs will be well looked after and swimming boom. Boys, back up Mr Davis, and make swimming the leading summer sport here.

There is regret at the lack of action in providing baths in South Brisbane, but this may be because of indecision as to site.

A Council meeting of the Queensland Amateur Swimming Association was held in the Carlton Club on Monday evening, with Mr Davis in the Chair, and the Delegates of the affiliated Clubs present.

Correspondence included a letter from Lord Lamington accepting the position of Patron and including a cheque. The Hon E. J. Stevens MLC, Messrs S.Davis and A.Bond accepted as Vice Presidents and enclosed cheques. A letter from Mr H.Turley MLA, relative to the proposed baths in South Brisbane hoped they- would be soon an established fact. He also enclosed a donation. He was later elected a Vice President. A telegram from Mr R.Burke, Secretary of the New South Wales Amateur Swimming Association was read, wishing the Queensland Association every success during the coming season.

A letter from the Indooroopilly Juniors seeking affiliation was received, and it was decided that in order to encourage the formation of Junior Clubs, a special fee of seven shillings and sixpence be fixed, and that each Club be represented on Council by one delegate. Judging from the opinions of many of those present, it is likely many Junior Clubs will be formed this season.

A draft copy of the Australasian Championship Agreement was received from the New South Wales Association and was handed over to a Committee consisting of Messrs W.Crariny, J.Colclough, D.J.Donovan, A.E.Harris and the Secretary for consideration.

It was decided that the opening of the season be marked by a combined swim of all Clubs at the Booroodabin Baths on Wednesday evening the 17th instant, the arrangements for the programme being left in the hands of the Club Secretaries. A Carnival under the auspices of the Association was arranged to take place on 14th November, and a Committee consisting of Messrs P.J.Coffey, E.A.Harris, G.F.Stack and the Secretary was appointed to make all the arrangements. Mr P.J.Coffey was elected Press Correspondent.

The want of a Club Room in Brisbane was freely discussed, and eventually the Secretary was instructed to convene a meeting of the Secretaries of the various athletic bodies to consider the advisability of establishing a Sports Club in Brisbane. A Club of similar nature exists in Sydney, and many of the Queensland sports can bear testimony to the advantage of such an institution.

SWIMMING - NOTES AND GLEANINGS
By H20

Some time ago the matter of a Sports Club was mooted but fell through owing partly to a deadlock about a bar. It is to be hoped that the Club will be successfully established without a bar, for the presence of spirituous liquors would put temptation in many young fellows way. Sport is sport, not drinking.

City Club since their Annual Meeting last week enrolled 13 new members, making 51 new names on the roll. A large number of young men who have not yet learned to swim are joining Clubs. This is a healthy sign that the sport is attracting "outsiders".

The Australasian Swimming Championships will be conducted in Melbourne early next year, and Council contended that there would be no difficulty in sending at least four representatives from Queensland. They are to be congratulated in tackling the subject in this healthy way. In Gailey, Hogan and Doyle we have men who would probably outclass any that Victoria could put up, and who, with hard training, would most likely hold their own with New South Wales men.

The Association Certificates for Long Distance Swimming gained last season are being completed and having the signature of Hon E.J.Stevens M.L.C. fixed on them, and will be presented to the winners at the Booroodabin Baths on the 14th instant.

Mr R.Broadfoot, Hon Secretary of the recently formed Central Queensland Swimming Club of Rockhampton, in a letter to Mr Ben Burton, the Hon Secretary of Q.A.S.A., said the formation of Swimming Club in the City of the three S's was taken up most enthusiastically, and already some 50 members have been enrolled, and at the Opening which was to be held today (Saturday), a gala day was anticipated. It is considered the Club will most probably affiliate with the Association.

Mr J. Henna, a Vice President of the Association, has been elected President of the Rockhampton Club.

The Annual Meeting of the North Brisbane Harriers Club was held at the Carlton Club Hotel last night with about 20 members and several visitors being present. Mr L.Bolton occupied the Chair in the absence of Mr S.Davis, Chairman of the Association who sent a letter of apology, and promised a medal as he did last year for the swimmer who improved the most. The Annual Report and Balance Sheet showed the Club was in a healthy position financially, there being a credit balance of two pounds four shillings and a penny. Mr J.Hinch was successful in securing the Club's Captaincy, Clive Cecil getting the Club's medal for aggregate points, with T.Hinch second.

The election of Officers resulted as follows:- Mr G.Starbell, President (re-elected); Vice Presidents, Messrs S.Davis, R.B.Stark, R.Edwards, Dr Brockway, the Mayor of North Brisbane W.G Higgs, and J.Macdonald-Paterson M.M.L.A. (all re-elected), Messrs W.Hugall, W.Chisholm, J.Graft.on P.Fox and Alderman Blocksidge; Captain, M.J.Hinch; Vice Captain, M.Bolton; Secretary/Treasurer, D.A.Coffey; Delegates to Q.A.S.A., W.A.Hinch, P.Masterson and L.W.Appleby; Committee, J.Burton, W.D.Evans, W.Colclough, W.Hugall and R.Hume; Handicapper, P.J.Masterson; Instructors to the Club, L.Bolton, J.Hinch, B.Burton and P.J.Masterson.

It was decided to place on record appreciation for the services of Mr G. Doyle and B.Burton, and congratulations were offered on their elevation to the Council of the Association. Hearty thanks were extended to the "Sports Observer" for special assistance.

Indooroopilly Juniors Athletic Club

The opening of the season was a most successful function with 27 of the lads travelling from Sherwood, Chelmer, Indoorpilly and Taringa by train to Brunswick Street, where they were met by their instructor, Mr Pat Coffey and walked to the Booroodabin Baths. After some useful instruction the lads stripped and donned their university costumes and plunged into the water, and "go as you please" was the order of the first night. At 8.45 the whistle sounded and all withdrew to Brunswick Street en route to their homes after giving Mr Coffey three hearty cheers.

Mr Ogg has offered to assist Mr Coffey. The lads will make the Booroodabin Baths their headquarters and practice there every Tuesday night. It is a creditable fact that without exception these lads have all paid for their costumes and fees in advance.

SWIMMING - NOTES AND CLIPPINGS

By H20

The North Brisbane Harriers intend to go in for Life Saving in real earnest and with a view to pushing this all important branch of swimming ahead, Mr A.B.Evans has generously donated a medal for the member who most improves in this art during the season. Last year a start was made but too late in the season to accomplish much. This year, with last season's small knowledge, and having all the necessities in the way of books, charts etc, it was decided a start should be made. Nor are they content with Life saving alone. Juveniles are to be recognised this season, and already a Club has been initiated with a good deal of success. (H20 sees this as a way to get juveniles off the streets.)

The Club's headquarters are at the Arthur Street Baths, Spring Hill, and it has been suggested to have a "John Hop" disengage himself from patrol to stand at the Alliance Hotel, Boundary Street, and direct all clients to the Baths which are about a stone's throw from the hotel.

The Annual Meeting of the Y.M.C.A. Swimming Club takes place on Wednesday evening at the Y.M.C.A. rooms in Queen Street. This Club promises to be much stronger this season, and an effort will be made to affiliate with the Queensland Association.

The Australasian Amateur Association's Championship Agreement at present under consideration was drawn up in Sydney on 6th January when representatives from New Zealand and the colonies (with the exception of South Australia) were present. The principles are given herewith:-

A series of Annual Swimming Meetings to be known as the Australasian Swimming Championship Meetings are to be held between the months of October And April, and no postponement will be allowed. The Meetings were allocated in the following order - Victoria 1900-01, New Zealand 1901-02, Queensland 1902-03, and New South Wales 1903-04. The following should be the events and standards - 100 yards 1 min 7 secs, 220 yards 2 mins 30 secs, 440 yards 6 mins 50 secs, 880 yards 14 mins, 1760 yards 20 mins 8 secs, Plunge 60 feet. All events will be conducted within a period of eight days. The dates of the Championships shall be furnished one month before the particular date of the opening of the Meeting. Winners of the events shall receive a specially designed gold medal 15 carat, weighing not less than 10 dwt, the second a silver medal of similar design weighing not less than 10 dwt, and a Standard Certificate shall be given to any of the competitors who reaches any of the above standards.

RIVER BATHING
River Police - Look to it

Sir, I would imagine with public baths at nearly every end of the city, men who desire a dip would adjourn to one or other. On Saturday, and again yesterday, a crowd of men took their plunge from Sir Samuel Griffith grounds, New Farm, with not even a stand-up collar to hide their nakedness. Apart from people who wish to use the river from the end of Sydney Street, there are always a number of young people passing up and down the river in boats, and such disgraceful exhibition as I have mentioned ought not to be tolerated. I would suggest the Police take a turn around that, way next Saturday and Sunday.

I am, Sir, "Disgusted".

THE SWIMMING SEASON
OPENED LAST NIGHT AT THE BOOROODABIN BATHS

The opening of the swimming season which took place last night at the Booroodabin Baths, Valley, was a distinct success, exceeding the expectations of even the most sanguine. The Association is to be congratulated on keeping abreast of the times in initiating this movement that, now that the ice is broken, might very well become an annual affair.

The arrangements were good and the officials worked energetically, with the result the programme was carried through without a hitch. The prevailing cold weather did not tend to make things too comfortable for the swimmers; nevertheless the enthusiasm displayed augurs well for the success of the coming season. Some fine ability was evinced by some of the swimmers in the Handicap event, and the Association should be able to send representatives who will uphold the honour of this colony in the Championship Meeting which takes place in Melbourne next year.

Long before eight o'clock the gallery of the baths was packed with about 500 spectators, among whom were Messrs W.Appleby, E.R.Gross, B.Burton, A.E.Harris, W. H. Crawford, Dr Brockway and a large percentage of ladies who took the keenest interest in the proceedings throughout the evening. About 150 members of the different Clubs took part and presented a gay appearance, particularly the Indooroopilly Juniors who were very conspicuous in their university costumes.

The Officials were - Starter, P.J.Masterson; Clerk of Course, S.Davis; Referee, A.Butterfield; Judges, E.Dearnsley, P.J.Coffey and A.E.Littleboy; Dress Steward, P.J.Coffey; Press Steward, W. Cranny. The Club Captains acted as Marshals.

The programme opened with a procession of Clubs, and the scene as the various evolutions were performed was very animated. Club Handicaps were well contested and some of the finishes caused great excitement. During the evening, Mr Sep Davis, Chairman of the Association, presented the Long Distance Certificates gained last season. Exhibition diving and fancy swimming ended a very interesting programme.

ANNUAL MEETING OF THE CITY AMATEUR SWIMMING CLUB

The election of Officers for the ensuing season resulted as follows:- Patron, Hon E.J.Stevens M.L.A.; President, Mr E.R.Gross, Vice Presidents, Dr Jackson, Dr Sutton, Dr Holcombe, Messrs E.Winter, L.A.Hart, F.A.Jones, F.W.Nissen, A.Christie and M.Baldwin.

SWIMMING - NOTES AND CLIPPINGS
By H2O

Some big things in the way of sporting events are to take place in Sydney in conjunction with festivities marking the inauguration of the Commonwealth. The Government has decided to allot one thousand pounds for celebrations here, but so far no details have been made known. It would be appropriate to form a deputation to wait on the Premier to see that some of the money provided goes to sports gatherings for which there is no charge to the public. For the swimming portion of the sports gathering, it would be a good idea to try to obtain the South Brisbane Dry Dock.

The Council of the Q.A.S.A. will shortly have to make preliminary arrangements to conduct test races to select representatives to send to the Championships. An active canvas should be taken next, or other means of securing funds, to send the successful men south.

Mr H.Craig has been elected Hon Secretary of the Rockhampton Club, advises Mr Broadfoot found it impossible to bestow the necessary time in the duties. "Paddy" Bryce is Captain, and L.Collins Instructor.

1,000 YARDS CHALLENGE

Swimming generally will be pleased to hear Mr Ockleford has accepted the friendly challenge thrown out by Mr Lennon to swim 1,000 yards, and the match is to take place at the Booroodabin Baths on Monday 3 December. Mr Ockleford called at this office last night, and with commendable sporting instinct it was agreed that each of the swimmers named should contribute half the cost of the trophy so the contest be purely for the honour of supremacy. The trophy should prove a pleasing memento of the occasion for the winner. City Club has cordially agreed that the arrangements be under the auspices of the Valley Club. They will probably add a novelty race and an inter-club handicap to the evening's entertainment.

SWIMMING - 1000 YARDS CHALLENGE RACE
WIN FOR. LENNON

The event which has created a great deal of interest in the past month took place in the Booroodabin Baths last night. It was the 1,000 yards Challenge Race between Messrs E.W.Ockleford (Valley A.S.C.) and H.W.Lennon (City A.S.C.). The evening was well managed and the baths illuminated by electricity, and the attendance was large.

Of the competitors, Lennon was short and nuggety and Ockleford tall and well built, and both appeared in good condition. On the word "Go" Ockleford dived first but Lennon, though a yard behind, soon picked it up. Both men forced the pace from the start, Ockleford swimming with a quicker stroke and in a prettier style. Both swam on the side, Lennon using his right arm in the overhead stroke, Ockleford his left. Ockleford gained feet at the springboard end, but Lennon regained lost water in the first few yards after turning. Ockleford was at all times steering a grand course, while Lennon's way was anything but true and slanted in a way which caused him to swim an extra yard or two in each lap. In the 18th lap Ockleford had a lead of two yards with his supporters cheering, which spurred Lennon. In the 24th lap Lennon spurted and drew away gaining half a dozen yards. The excitement was intense.

After turning at the 25th lap, with Lennon 12 yards ahead, Ockleford gave up, and Lennon went on to complete the distance in 16 mins 28 1/2 secs, sprinting the final 30 yards.

The monthly meeting of the Queensland Amateur Swimming Association was held in the Carlton Club Hotel last Monday night, Mr Davis being in the Chair. Mr L.W.Appleby, popular football referee took his seat on the Council as a delegate for the North Brisbane Harriers and received a hearty welcome.

The draft Agreement for Australasian Championships was again brought before the Council, but on account of the reply re interpretation to Clause 13 not being received, the matter was deferred until next meeting.

The Report of the Committee elected to plan the forthcoming Carnival was read, and the following officials were elected:- Starter, P.J.Masterson; Check Starter, C.H.Briggs; Judges, P.J.Coffey, L.W.Appleby and G.Crawford; Referee, Dr Brockway; Clerk of Course, S.Davis; Timekeepers, R.Overland, G.Butterfield and C.Le Brocq; Press Correspondent, P.J.Coffey; Costume Steward, A.Littleboy.

A great deal of discussion took place on the matter of wearing trunks at carnivals, however it was finally decided that use of trunks by competitors be optional.

Election of a Handicapper to fill the vacancy left by the resignation of A.Butterfield brought a motion by Mr Cranny "That three be appointed". After discussion this was passed and Messrs P.J.Masterson, G.Butterfield and W.Cranny were elected. Mr P.J.Coffey was elected Handicapper for the boys.

In order to select swimmers to represent the colony in the forthcoming Australasian Championships, Mr A.E.Harris moved that the Secretaries of the various Clubs be instructed to swim off races for their members, the best three of whom could swim in tests conducted by the Association. W.Cranny moved an amendment that the Association should call nominations from the swimmers. From the point of gathering the necessary funds to defray the expenses of the proposed team, it was decided to have a number of subscription cards printed and distributed throughout the city. Fund raising entertainments were mooted.

A night to swim off the 100 yards Championship of Queensland was, on the application of the Secretary, granted to the City Club whose Carnival takes place early in March next.

The Secretary advised that the offer made by Mr W.H.Beattie to have the Association Rules printed free of charge is still in status quo.

The Young Men's Christian Association has refused to grant the use of a few of their rooms, which would be in every way suitable for a Sports Club at very low cost.

At a meeting on Monday night last it was decided to form a Swimming Club at New Farm, under the name of the New Farm Amateur Swimming Club. The Booroodabin Baths have been chosen as its headquarters

The vexed question as to whether trunks should be worn over the university costume is to be optional. This is rather a weak way of dealing with the question- A swimmer does not care about hampering himself with more clothes than

he must. Many swimmers are not presentable in university costumes only. Reasonable measures must be taken to please those who patronise natatorial entertainment if the sport is to become popular with the public.

Extra seating has been provided for the Carnival and Mr Badger, the energetic manager of the tramways company, has provided extra electric lights. Great rivalry exists between the clubs, and some exciting contests are bound to result.

SWIMMING CARNIVAL AT BOOROODABIN BATHS

The Queensland Amateur Swimming Association held a Grand Carnival at the Booroodabin Baths last night in the presence of a good attendance of swimming enthusiasts and friends of the sport generally. Among those present were Dr Brockway, Alderman Blocksidge, Messrs W. C. Pritchard, M. Baldwin, Starbell, F. Chambers, D. S. Carter and Sep Davis,

The article records the results for the races, the 30 yards Handicap, 60 yards Inter-Club Handicap, Diving Contest, Inter-Club Diving Contest, 180 yards Inter-Club Handicap, 300 yards Flying Squadron Relay Race.

A 30 yards All Clothes Race was shown on the programme and seven had entered, but only A. Holmes of the City Club made his appearance when the race was called, and consequently the race was abandoned.

Swimming displayed during the evening was very encouraging to the promoters, and the proceedings were brought off in good time, arrangements being well catered for by the following officers:- Starter, P. J. Masterson; Check Starter, C. Briggs; Judges, Messrs A. Ham, P. J. Coffey, A. Butterfield; Referee, Dr Brockway; Clerk of Course, Mr S. Davis; Timekeepers, Messrs R. Overland, C. Le Brocq, G. Butterfield; Dress Stewards, Messrs F. S. Pickburn, A. Littleboy; Press Steward P. J. Coffey; Judges of Diving, Messrs P. J. Coffey, W. H. Beattie, W. Appleby; Hon Secretary, Mr B. Burton.

Comments on the recent carnival noting that the Flying Squadrons Race between North Brisbane Harriers and the City Club was only won by a touch as Colclough finished for City.

Two of the members of the Council of the Q.A.S.A., are forsaking the ranks of the bachelors next Wednesday. Swimmers generally will wish Jim Masterson and George Butterfield, two genial sports, long life and prosperity and every happiness both for themselves and their brides.

A copy of the card of the Rules issued by the Valley Club has been received. It is neatly printed in tabling form, and should prove handy for members.

Obstacles are being erected at the Spring Hill Baths in connection with Valley Club's Meeting on 2 December, and should be ready for Sunday morning next. Any members intending to nominate should take advantage of this opportunity to try the course.

Mr L.W.Appleby has resigned his position as a. Delegate for the North Brisbane Harriers Club to the Association and as a member on account of his moving to Sydney. Norths are at all times sorry to lose one of their flock, especially of such a stamp as their Delegate. Members wish Mr Appleby success in his new sphere.

A letter has been received from the Rockhampton Swimming Club notifying intention to affiliate.

Matters in connection with the Sports Club have not altered. Two replies were received to our letters, from the Rugby Union and the Athletics Association, and both were in favour of its formation.

The opening of the New Farm Swimming Club took place on Monday night.

The Darling Downs Amateur Swimming Club have elected their office bearers: Patron, the Mayor of Toowoomba; President, Mr J.Tolmie; Vice Presidents, Messrs F.Groom, H.C.Paynter, j.G.Palethorpe and F.Crawley; Captain, P.Doyle; Vice Captain, J.Ingram; Secretary, W.P.Kelly; Treasurer, J.Mcintyre; Committee, Messrs P.Doyle, G.Cole, L.Pigott, J. Ingram, W.P.Kelly and J.Mcintyre. A Carnival is to be held on 14 December which will include open events.

The Toowoomba. Gordon Club reformed last month with about 30 members and shows every prospect of a successful year. Election of office bearers resulted: Captain, P.Symes; Vice Captain, R.Renwick; Hon. Secretary, J.Jones; Committee, Messrs S.Symes, P. Blunt., H.Beeston, R.Renwick and M.Crail.

Mr Ben Burton, Secretary of Q.A.S.A., acknowledged the receipt of affiliation of the St. Mary's Gordon Club.

ASSOCIATION MEETING

Fifteen delegates were present at the monthly meeting of the Queensland Amateur Swimming Association Council on Monday evening last, with Mr S.Davis in the Chair.

A letter was received from Alderman Blocksidge enclosing a donation. Mr Richard Burke, Secretary of the New South Wales Swimming Association, wrote relative to the interpretation of Clauses 6 and 13 of the Championship Agreement. Clause 6 reads, "That entries shall be received from duly qualified swimmers." Mr Burke stated that the word "amateur" should have been inserted before the word "swimmers". As regards to Clause 13, only three entries for any event will be accepted from each colony. It was decided to sign the Agreement, and in the absence of the President, Mr R.H.Roe, the Chairman of the Association, Mr S.Davis, was empowered to fix his name on behalf of the Association.

Mr D.A.Coffey, Hon Secretary of the North Brisbane Club, requested permission to swim a 75 yards Open Handicap with the purpose of augmenting the Championship Fund. Permission was granted and thanks given, and it is expected that five pounds will be handed over to the fund. The Treasurer's Statement showed a balance of ten pounds, and on the motion of Mr Crawford it was decided to donate five pounds of that to the fund.

According to the Championship Agreement, only persons who have been residents of the colony for not less than six months will be allowed to compete in the test

aces for inter-colonial representation on 4th and 6th January. On the first night the 100 yards, 220 yards and mile will be swum, and on the second, 440 yards 880 yards and Plunge. Admission to the baths will be six pence, with ladies admitted free. It was suggested that a letter be sent to Clubs in other parts or Queensland, giving them a chance to nominate swimmers for the tests.

The question of trunks was again raised, and it was stated that the "option" of not wearing them was for the recent Association Carnival only.

As no real interest is being shown in the proposed Sports Club, the idea has been abandoned for the present.

SWIMMING - NOTES AND CLIPPINGS

By H2.0

The programme to take place at Fitzroy Dock, Cockatoo Island, New South Wales, on 2 January 1901 in connection with the Commonwealth celebrations has been received. Altogether there are 26 items set down, the prizes for which will be gold, silver and bronze medals. Colonial competitors are required to pay an entrance fee. The principal events are the 100 and 200 yards Amateur Commonwealth Championships, and the 100 yards and 1 mile Professional Championships. A 100 yards Handicap is open to competition by members of the forces of the federating colonies, and there is a 100 yards Championship for members of military forces outside the federating colonies. There are several championship events for schoolboys from federating colonies.

Messrs H.W.Lennon, E.Wetzel and W.Hetherington from the City Club are making a trip to Sydney for the Commonwealth celebrations Championships. W.H.Lennon intends starting in the 100 yards Championship, Hetherington will probably go for the 100 yards Schoolboy Championship. Hetherington had a trial over the distance today and put it behind him in 1 min 11 secs, a capital performance for a schoolboy.

The promised 100 yards Christmas Handicap of the City Club took place last Wednesday night at their headquarters, the Metropolitan Baths. Trophies were given by the Overland brothers and Mr E.R.Gross. The baths were tastefully decorated with bunting and fernery, the Federal Flag being conspicuous. A large crowd of sports witnessed the racing, amongst those present being Dr Hutchins, Messrs Maurice Baldwin, George Butterfield Snr, Ben Burton, Pat Coffey, George Crawford, Dan Coffey, W.Hinch and Frank Saunders. No fewer than 64 entries were received and 43 competed, which speaks well for the handicappers. The final was a tremendous race with a win for K. MacKenzie by a touch from K.Honeyman.

Officials were:- Starter and Timekeeper, W.Cranny; Check Starter, Ted Wetzel; Judges, Maurice Baldwin, Frank Chambers and George Butterfield Snr; Referee, Pat Coffey; Clerk of Course, Ben Burton.

This edition also carried a picture of the City Club Executive - J.Colclough, G.Holmes, E.Wetzel, O.Whittick, H.Lennon, G.Stack (Secretary), E.R. Gross (President), J.C.Hogan (Captain), W.Cranny, W.Pickering and T.Craig.

It is satisfactory to note that W.Hetherington, the boy champion of the City Club, procured third place in the 100 yards Championship open to all schools in the federating colonies at the Sydney Commonwealth Swimming Carnival. The winner was C.Cervett of Cleveland Street School and O.Garling of the Sydney Grammar School second.

New Farm Swimming Club

At a meeting of the above Club held on 14 November, the following officers were elected:- Captain, A.Wallace; Vice Captain, A. Bloomer; Hon Secretary and Treasurer, McAvoy; Handicapper, W. Bolton; Committee, Messrs A.Bloomer, F.Comport, W.Tuckett, with Captain and Secretary ex officio.

TEST RACES FOR CHAMPIONSHIP REPRESENTATION

Test races for representatives to take part in the Championships to be held in Melbourne in February next were held in the Spring Hill Baths last evening. The 100 yards distance was well contested and was won by J.Hogan in a time of 1 min 9 1/5 secs. Standard time for the distance is 1 min 7 secs. On measuring the distance it was found that 8 feet over the 100 yards had been covered. The 200 yards was won by K.Honeyman in 3 mins 3 secs. The standard time is 3 mins 2 secs. The 880 yards resulted in a win for K.Hetherington (City) in 14 mins 30 secs - standard time 14 mins. In the plunge the only entrant was W. Burke, and he covered 54 feet - standard is 55 feet.

SWIMMING - NOTES AND CLIPPINGS

On Monday night it will be finally decided who will represent Queensland at the Inter-State Carnival in Melbourne. Unfortunately the Club test races were fixed at a time when some members were away on holidays, but the Council has the right to select on reputation, and last week's Association tests should avoid cavilling. Probably there will be only two representatives sent. Hogan is the best man available over 100 yards, and it is essential that there be a representative for the sprint event. The other representative will either be Hetherington or Honeyman. Burke's plunge was good, but it is doubtful if he can do the standard.

The Valley Club has sent in a donation of one guinea to the Championship Fund. All swimmers who can afford it are asked to contribute. Every little bit helps. The North Brisbane 25 yards Handicap last week raised about two pounds ten shillings for the fund.

Mr D.A.Coffey has been elected Secretary of this Club when Mr B.Burton took on the Secretary's job of the Q.A.S.A.

The Rules of the Queensland Amateur Swimming Association have been printed at last and will be supplied to Secretaries of Swimming Clubs on application to Mr Ben Burton, Secretary of Q.A.S.A. Competitors can no longer plead ignorance of the Association Rules which in future will be strictly enforced. The Rules which are neatly printed in book form are the gift of Mr "Billy" Beattie. Every swimmer should carry one in his pocket.

MONTHLY MEETING OF SWIMMING

At the monthly meeting of the Q.A.S.A. a letter was read from Mr S.Barclay, Secretary of the Victorian Amateur Swimming Association, notifying dates for the Championships. The 100 yards and Plunge will be at Ballarat on 1 February, the 220 yards and 1 mile at South Melbourne at a Meeting promoted by Middle Park and South Melbourne Swimming Clubs on 2 February, the half mile at Williamstown on 6 February, the 440 yards at St Kilda on 9 February.

The Secretary announced that twenty pounds was available to defray expenses of representatives. The Adelaide Steamship Company offered a 20% reduction of fares to competitors. Further test races were to be swum this week because of some dissatisfaction with the previous tests.

The flag is certainly a beautiful piece of work and is emblematic of the colonies, the black swan representing Western Australia, the Queen conversing with an aboriginal representing Queensland, in the centre is a lion rampant, and in the top corner of course the Union Jack, then there are the five stars of the cross.

INTER-STATE SWIMMING
THE HALF MILE CHAMPIONSHIP
QUEENSLAND WINS THE COMMONWEALTH HANDICAP

The Australasian Swimming Championships will be continued today at Williamstown. Five started in the half mile event which resolved itself into a match between G.Reid (NSW) and R.Cavill (Balmain Club NSW), the others finding the pace too hot. In the last 200 yards Cavill, swimming magnificently, drew away, but Reid stuck to him, Cavill only winning by a short half a length in 12 mins 59 2/5 secs. This is outside the present Australasian record for the distance which is held by Cavill's brother, Percy, swum in Sydney in 1898.

Another event which was eagerly looked forward to was the Grand Commonwealth Handicap over 100 yards in which representatives of the various States took part. After a good race, the Queensland representative, Jack Hogan, got home first amid applause. The Victorian representative was second and the New Zealand representative third.

SWIMMING CHAMPIONSHIPS - 100 YARDS RACE
QUEENSLAND REPRESENTATIVE FOURTH

The Australasian Swimming Championships continued at Ballarat where the 100 yards Championship was contested. This was a magnificent race, Cavill winning by about four lengths from R.Craig. Result R.Cavill (NSW) first, R.Craig (NSW) second, J.Quinn (NZ) third and J.Hogan (Qld) fourth. The official Timekeepers gave the time as 1 min 2 secs. For some reason this was not accepted, and later Cavill swam the distance in 1 min 3 1/5 secs and established a new Australasian record, the previous being by F.C.V.Lane on 11 March 1899, who covered the distance in 1 min 3 2/5 secs.

In the Plunge Championship, Dunn of Ballarat was placed first.

SWIMMING BATH PROPOSED AT HAMILTON
GOVERNMENT AID REQUESTED

A deputation waited on the Colonial Treasurer today to ask the Government to enclose an area inside the retaining wall at Hamilton as an enclosure for public swimming baths. There were present Messrs A.Petrie, M.L.A., who introduced the Deputation, P. Thompson, J.G.Appel, George Percy, F.R.Gailey Jnr, Dr Brockway, B.Burton, S.Davis (Chairman of the Swimming Association), E.R.Gross, W.H.Beattie, W.Hackelman, J.S.Badger, C.A.Clarke, V. Cohen, A.Harletop, P.Frankel, C.j.Harris, J.S.Collings, R.Irving, T.A.Bond, A.Stacey, j.Carmichael and J.R.Dixon.

Mr Petrie apologised for the absence of the Chairman of the Hamilton Divisional Board, the Hon F.J.Stevens M.L.C., the Mayor of Brisbane, and the Hon E.B.Forrest. He presented the petition bearing over 1000 signatures asking the Government assistance in the matter and a plan showing the ideas of the Deputation. He strongly urged the necessity of swimming baths in the locality, and instanced the danger to young boys swimming in the open water.

Mr T.A.Bond said the scheme had been mooted ever since it had been decided to have the training wall at Hamilton. The locality was very suitable for public baths, and the construction of the necessary wall would add to the improvement of the river. In place, there would be 7 feet of water at low tide, and 13 feet at high water, with a clear swim of 100 yards. The baths would be used by 9 or 10 outside persons for every one from Hamilton. The costs to the Government for the work would not be more than seven hundred and fifty pounds. Members of the Hamilton Board had told him, if the Government made the wall and gave them supervision over the baths, they would put up shelter sheds and provide fresh water showers.

Mr Appel said he thought there was a necessity for outdoor sports such as swimming for young people, and now with so many half holidays, the proposed scheme would be a great boon. The Board, he could say, would do as Mr Bond indicated. Even if the proposal, being granted, was taken as a precedent, the matter would not be serious if the matter was attended to in other places on a population basis. It was desired the place would be a free public bath.

Mr Grimes, Mr Davis and Dr Brockway also spoke, the latter pointing out there was no adequate swimming accommodation in Brisbane. Dr Brockway said Brisbane was worse off for swimming baths than any other place he knew. Dr Brockway said swimming was, in his opinion, was the only exercise that did not make people thirsty. (laughter)

Mr Crib, in reply, said they had to face a very strong deficit. Before he could say anything definite, he had to say the Port Master was not quite sure if the area asked for would not be required in connection with the harbour improvements. He would further consult with the Port Master and see if anything could be done for the Deputation, and he would be very glad to assist them. If he could meet them in any way, he would be glad to do so.

The Deputation then withdrew.

The Annual Smoke Concert of the Valley Amateur Swimming Club to mark the closing of the season was held at Mr D.O'Connor's Oriental Hotel, Valley, on Monday evening. The Chair was occupied by Mr G.Crawford, President of the Club, and there was a large attendance with Mr D.S.Carter, Mr B.Burton (Secretary of Q.A.S.A.) and representatives of all the affiliated Clubs of the Association. Apologies for non-attendance were received from Mr S. Davis and Dr Brockway.

During the evening the following toasts were honoured - The King, The Queensland Amateur Swimming Association, - responded to by Mr B.Burton, the Clubs, responded to by Mr E. Morris representing Toowoomba, Mr.D. A. Coffey representing North Brisbane, Mr W.Cranny for City, Mr F.G.Pickburn for the Gordon Club - the Valley Club, - responded to by Mr G.Crawford.

During the evening the trophies won at the Club's recent Carnival were presented, and vocal items were given.

The North Brisbane Club has made arrangements for Fred Lane, the World Champion, to compete at their Carnival on Wednesday 3 April. Fred Lane has not confined his work to Australia, but is well known abroad. Only recently in a trial swim Lane covered the 100 yards in 1 min 2 4/5 secs, which would in itself win a Championship. The 220 yards Championship of Queensland will be the principal event in which J.Hogan and other local swimmers will be matched against Lane. It is the first time this distance has been contested here in a Championship, and the meeting of Galley and Hogan again is waited with no little interest. Fred Lane is also anxious to make a new record for himself. Lane is expected to arrive in Brisbane in a few days and he will be officially welcomed by the Q.A.S. Association.

A.S.A.MONTHLY MEETING

The monthly meeting of the Queensland Amateur Swimming Association took place at the Carlton Club Hotel, last evening, Mr Davis being in the Chair.

The Secretary reported that he had written to the various Councils and Boards anent to the want of more bathing accommodation in the city, and he had received favourable replies. Deputations to the Colonial Treasurer and the South Brisbane

Municipal Council had been made and promises of support received in providing swimming baths.

Sanction was granted to North Brisbane Club to hold a Carnival on Easter Monday, as well as Wednesday night, at the Booroodabin baths when Mr Lane has promised to give an exhibition of fancy swimming.

A vote of thanks was accorded to the Chairman and to Office Bearers for the able manner in which the business of the Association had been conducted. Mr Davis suitably replied, and trusted that during the recess, members of the Council would use their best endeavours in the advancement of this great and most necessary accomplishment.

Picture of F.C.V. Lane, winner of Sydney, winner of the 220 yards Championship of Queensland.

SWIMMING - NOTES AND CLIPPINGS
By H20

The season is now almost closed and already two of the Clubs have had their final swims.

The principal event of the week was the North Brisbane's Club Carnival at which F.C.V.Lane of Sydney competed. The chief event was the 220 yards Championship of Queensland in which four competed, F.C.V.Lane (East Sydney Swimming Club), F.Gailey (Valley), J.C.Hogan (City) and K.Honeyman (North Brisbane). Lane received an ovation from the crowd on being presented to them and bowed his acknowledgment. A couple of false starts marked the opening of the proceedings, and eventually the pistol was discarded and the men sent off on the word "Go".

From start to finish of the race there was no doubt about the winner, though Gailey pluckily stuck to his opponent for more than three parts of the distance. Lane was not passed, and judging the race to a nicety, he got some 18 yards to the good. It was apparent that Gailey got tired after about 150 yards, and from then on Lane increased his lead every stroke and finished the distance in 2 mins 40 2/5 secs.

A great fight took place for third place between Honeyman and Hogan, the latter winning by a touch. Lane's time is 2 1/5 seconds outside the Australasian record put up by himself in 1899, and considerably outside the World Record put up in Birmingham last year, when he and Derbyshire dead heated in 2 mins 31 /5 secs. Gailey's time was 2 mins 54 secs. The Standard Time for 220 yards is 2 mins 50 secs.

The Carnival was well managed throughout, and the finishes of most of the races very exciting, particularly the 60 yards and the 120 yards Inter-Club Handicaps, reflecting credit on the Handicapper. The various Officials worked well, and the Secretary and Committee of North Brisbane Club have reason to be proud of their Carnival.

The following were the Officials for the evening:- Starter, Mr P.J.Masterson; Check Starter, Mr W.Cranny; Clerk of Course, Mr S.Davis; Judges, Messrs R.Caphie, E.A.Stacey and G.Butterfield Snr; Referee R.H.Roe Esq; Judges of Diving, Messrs Roe and Stacey; Timekeepers, Messrs F.McSweeney, G.Butterfield Jnr and R.Overland;

Costume Steward, Mr W.Littleboy; Press Steward, Mr P.J.Coffey; Standard Timekeeper Mr E.McSweeney.

Mr Lane won the Neatest Header competition, and he subsequently gave an exhibition of diving and was loudly applauded.

Lane's visit here will do a lot of good, and in the coming winter nights it will be pleasant to picture his quiet gentlemanly ways, his genial disposition, and above all, his wonderful swimming abilities. Swimmers who had the privilege of watching him last night must have learnt a lot worth knowing, and must have been forcibly impressed with the idea there is such a thing as combining arm and leg work in a manner which must produce the greatest, results with the least expenditure of energy.

During the winter months it is hoped members of the various Swimming Clubs will keep up their training and organisation. The best way to do this is collectively to join some other sporting body until the summer months come round again. Swimmers have received a lot of assistance this year from Harriers, and now is the time to reciprocate. The Swimming Clubs either form Harrier Clubs or join some of the Harrier Clubs already formed. It is advisable that members of the Swimming Clubs should keep together in this manner, and this obviates the necessity for fresh organisation at the commencement or next season.

SWIMMING - NOTES AND CLIPPINGS
By H20

H20 again resumes his weekly column in the Saturday evening "Sports Observer" and records in detail the week by week activities of the Swimming Clubs and the Association.

In this issue he exhorts members to be busy with organisation and in recruitment of new members. He notes with regret that Mr Sep Davis, Chairman of Council of the Queensland Swimming Association, is not going to offer for that position this season.

It is to be hoped that a Ladies Club will be formed this year. The Y.M.C.A. may be able to form a strong Club and affiliate with the Association.

The Fourth Annual General Meeting of the Valley Amateur Swimming Club was held at the Oriental Hotel last Wednesday evening, Mr D.S.Carter, a Vice President, occupied the Chair, and there was a large attendance. The Hon Secretary submitted the Annual Report which showed the last season was the most successful one the Club had since its formation. It recommended the formation of a Juniors Club, and expressed satisfaction at the decision of the South Brisbane Council to establish a swimming bath in South Brisbane. The Treasurer's Balance Sheet showed the receipts for the season amounted to twenty nine pounds fourteen shillings and sixpence, and the expenditure to twenty four pounds eighteen shillings and three pence.

The elected Office Bearers were - Patron, Mr T.Welsby (re-elected); President, Mr W.M.Thompson (re-elected); Presidents, Messrs J.McMaster, F. McDonnell MMLA, D.S.Carter, A.Butterfield, Dr Brockway, (all re-elected), and Messrs B.R.Bale, J.West and F.W.Forster; Captain, Mr M.Fitzgerald Jnr; Vice Captain, Mr W.J.Boyd (re-elected); Committee, Messrs T.J.Donovan, P.J.Coffey, D.S.Carter and R.Tuck; Hon Secretary, Mr Geo Crawford (re-elected); Assistant Secretary, Mr W.J.Boyd (re-elected); Hon Treasurer, Mr A.Littleboy; Handicapper, Mr A. Butterfield; Delegates to Q.A.S.A., Messrs Crawford, Carter and Littleboy for seniors, and T.J.Donovan for Juniors; Auditors Haslet and Bulgin.

Trophies gained during the season were presented to swimmers.

The Metropolitan Baths, the City's headquarters are to be opened on Saturday week.

SWIMMING -- NOTES AND CLIPPINGS
By H20

There is much talk about "creek" swimmers. These are the lads who practice the natatorial art in the suburban creeks, and they are the regular champions who are going to win all before them during the season. Last season some of them created surprises, notably J.McKenzie, in City's invitation event, and he won a great race.

"Paddy" Bryce, late of the City Club, in a letter to Ben Burton, Secretary of the Q.A.S.A., states every effort will be made to form a strong Club in Rockhampton this season. A meeting for that purpose was set for Thursday evening last.

A meeting in connection with the proposed Sports Club will be held at the Carlton Club Hotel on Thursday evening, and members are urged to attend in full strength and help to bring to accomplishment such a desirable institution.

The City Amateur Swimming Club held their Annual Meeting in the Carlton Club Hotel last evening, Mr Baldwin, a Vice President, occupied the Chair. The attendance of members and visitors numbered 106.

The Balance Sheet showed the receipts for the season amounted to sixty seven pounds and sixpence, and the expenditure to fifty three pounds nineteen shillings and seven pence. The Secretary submitted the Report which showed the past season had been a very successful one, both from the point of view of swimming, and from a financial point of view.

Officers elected for the coming season were - Patron, Hon E.J.Stevens MLA (re-elected); President Mr E.R.Gross (re-elected); Vice Presidents, Messrs M.Baldwin, A.Corrie and E.W.Nlssen (all re-elected); Captain - the members, in recognition of the good work done by Herb Lennon, unanimously re-elected him to the position; General Committee, Messrs O.Whittick, T.S.Craig, E.G.Coilins, E.Wetzel, J.Carr, A.Holmes and J,Williams; Hon Secretary, G.F.Stack; Hon Treasurer, J.Colclough; Handicapper, E.Wetzel; Delegates to QASA, Messrs E.Wetzel, J.Colclough and G.F.Stack; Auditors, T.S.Craig and A.E.Morris.

A Meeting of the North Brisbane Harriers Club was held at the Carlton Club Hotel on Thursday night with about 40 members in attendance. Mr A.E.Staebell, President of the Club occupied the Chair.

The Secretary, Mr D.A.Coffey, read the Report which showed that the membership had doubled in the past season, and the successes of members equalled those of other affiliated Clubs. The financial position showed a small credit balance.

Election of Office bearers resulted as follows:- President, Ald A.E.Staebell (re-elected); Vice Presidents, as for last year with the addition of Messrs C.W.Phillips and J.Chapple and Hon J.Cowlishaw; Captain, J.Hinch; Vice Captain Ken Honeyman; Secretary/Treasurer, Mr D.A.Coffey; Committee, Messrs McSharry, Home, Cathie, B. Burton, R.Hugall, D.A.Coffey, W.R.Hinch and P.J.Masterson; Handicapper, Mr D.A.Coffey. Mr R.Davis was elected as an Honorary Life Member, and the Secretary was instructed to send a letter to Mr Davis expressing regret at his retirement, and acknowledging appreciation of his services to the Club.

FOURTH ANNUAL MEETING

The Fourth Annual Meeting of the Queensland Amateur Swimming Association was held at the Carlton Club Hotel last evening with a large attendance, the President, Mr R.H.Roe, presiding.

Reports were submitted reviewing the work of the past year with satisfaction. A number of votes of thanks to those whom had helped swimming interests were passed, including a special vote to the "Sports Observer". The Treasurer reported a credit balance of one pound seventeen shillings and three pence. The expenditure amounted to forty five pounds ten shillings and two pence. Mr Roe said there was every reason for the Association to congratulate itself on the year's activity. There had been many events carried out under the auspices of the Association,

which, though it had been unfortunate in losing the State Championship, could not be reproached on the performance of swimming, after the standard gained by F.Gailey, J.Hogan and several others. On the contrary, swimming had considerably advanced, and they had every reason to feel satisfied with their experts in the natatorial art.

The Association had been active in endeavouring to obtain better accommodation with baths at Hamilton, but their efforts had not succeeded. He hoped to keep the matter before the public and gain their cause in the near future. He moved the adoption of the Report. Mr W.Hinch seconded the motion, which was carried.

The following Office Bearers were elected:- Patron, His Excellency the Lt Governor, Sir S.W.Griffith; President, Dr Brockway: Vice Presidents, Dr Sutton, Hon E.J.Stevens M.L.C., Hon E.B.Forrest, M.L.A., Messrs T.A.Bond, J.Keenna, D.A.White, H Turley M.L.A., R.H.Roe, W.Stephens M.L.A. H.Beattie, J.Bond, G.H.Blocksidge, E.R.Gross, John Cameron M.L.A., Rev St John Pugh and Captain Almond; Handicappers Messrs E.Wetzel (City Club), P.J.Masterson (North Brisbane), and D.S.Carter (Valley); Press Correspondent, H.W.Lennon; Hon Secretary, Mr G.Stack; Hon Treasurer, Mr W.H.Hinch; Official Timekeeper, Mr E McSweeney. Mr M. Baldwin was elected Chairman of Council at the first meeting of the Council, as required by the rules of the Association.

A number of Long Distance Certificates were then presented, the Chairman remarking that such recognition was a most useful form of the Association's work.

Mr G.Crawford, of the Valley Club, gave notice of a motion to alter Rule 147 dealing with Queensland Championship events. He wished a six months residential qualification in the State, before a competitor entered a championship. He held that Victoria had moved in that direction, a statement which was contradicted by Mr G. Stack. The matter will come before the Delegates Meeting which is fixed for next Monday week.

The usual complimentary votes of thanks to retiring officers were passed, and the meeting terminated.

Letter from "Paddy" Bryce from Rockhampton - The Rockhampton Club has successfully got going this season of which he has been elected Captain. An effort is being made to encourage the Central Club to affiliate with the Q.A.S.A., and Brisbane swimmers would be very pleased to extend a hand of fellowship to their Central comrades.

At the Annual General Meeting of the Central Queensland Amateur Athletic and Swimming Club held at the Cleveland Depot, Rockhampton, some eighteen members were present. The election of Officers resulted as follows:- Patron, Mr F.W.De Little; President, Mr J.Kenna; Vice Presidents, Dr Brown, Messrs H.E.Bellamy, J.Turnbull, Leo Coleman, W.Breckels, J.Nunn, D.McLouglin, A.H.Headrick, W.McGrath and W.D. Rose; Hon Secretary, Mr T.Bancroft; Hon Treasurer, Mr W.Finmore; Captain, Mr P.Bryce; Vice Captain, Mr P.Dollon; Committee, Messrs Dollon, Burton, Buckley, Collins and Gillies. It was agreed that subscriptions be two shillings and sixpence, and two shillings and sixpence a quarter, which allows the member exclusive of the Municipal Baths on Mondays and Thursdays.

Sir Samuel Griffith GCMG has written to the Q.A.S.A., signifying his acceptance of the position of Patron of the Association.

At the Council meeting Mr M. Baldwin was elected Chairman.

It was decided the Association hold a Carnival about the end of November with a view to raising funds to send representatives to New Zealand. A strong and representative committee was appointed to arrange matters in connection with the Carnival, which, judging by the committee should be a great success.

Mr John Colclough has given notice that at the next meeting of Council he will move that a committee be appointed to revise the Rules of the Association.

It was satisfactory to note that at the first Council meeting of the season, the Secretary was able to place on the table the affiliation forms for the Metropolitan Clubs and the Downs Club.

Valley Club members expressed regret that their Secretary's amendment to Rule 147, the purpose of which was to confine Queensland Championships to residents of this State, was defeated. The following memo has also been received, "The Valley Club members would also like to know if they are eligible to start in Championships of other Clubs affiliated with the Q.A.S.A.?" In reply to this, it is pointed out that a Club Championship, as indicated by the title, applies to members of the Club promoting that event. The winner of such a race could only be the champion of his own Club. However, if the event is styled 100 yards (or whatever distance) Championship of Queensland, then any affiliated swimmer of any recognised Amateur Swimming Association is eligible to compete, provided he complies with the regulations governing such swims.

The Army Medical Corps have commenced work with their Life Saving class, members being put through their rudimentary drill by Master Sergeant Walker and Sergeant Major Rodd. The rudimentary portion having been done on dry land, they will go the baths and go through the exercise in the water.

The Q.A.S.A. committee for the Carnival has set, the date for 4th December, and entries will close on 23rd November. The programme comprises a 30 yards Handicap for Boys tender 16, 60 yards inter-Club Handicap, 90 yards Novelty Race, 240 yards Inter-Club Handicap, 60 yards Obstacle Race and a Water Polo Match.

A letter was read at the Council meeting from Mr West, lessee of the Booroodabin Baths, offering a trophy for competition between members of the various Clubs. It was decided that four races be held for the trophy. Entrance fee for each race was set at one shilling, the money to go towards the expense of sending a representative to New Zealand. The winner of each event would receive four points, second three points, third two points; and each starter one point. The swimmer who has the greatest number of points to his credit at the conclusion of the four races will receive a suitable trophy. Mr West's generosity is much appreciated.

MEETING OF COUNCIL

At a Council meeting of the Q.A.S.A. last evening, Mr Carter acted as Chairman. There was a good attendance of members.

Amongst the correspondence dealt with were a number of letters containing cheques as donations to the Association's funds, including one from Mr Kenna of Rockhampton.

Indooroopilly Juniors forwarded affiliation forms. Applications were receded from North Brisbane for permission to hold an Inter-Club 50 yards race on 7 November, proceeds to go towards the cost of sending a representative to the Australasian Championships in New Zealand next February. Permission was granted.

A Committee was appointed arising from Mr Colclough's motion to revise the Rules. Chairman and Secretary ex officio, Messrs P.J.Masterson, T.J.Donovan, A.Littleboy, D.A.Coffey, J.Colclough and H.W.Lennon.

The following Officials were appointed in connection with the Association's Carnival: - Referee, Mr R.B.Roe; Judges, Messrs D.S.Carter and M.Baldwin; Timekeepers, Messrs E.McSweeney and G.Butterfield; Starter, Mr P.J.Masterson; Check Starter, Mr E.Wetzel; Clerks of Course, Messrs S.Davis and B.Burton; Costume Stewards, Messrs F.Pickburn and A.Littleboy; Press Steward, Mr H.W.Lennon.

The Spring Hill Baths are under the care of a new caretaker, and as a result of the gentleman's labour, and with the expenditure of a little money by the Municipal Council, a gallery could be erected which would be a great advantage.

A ladies swimming class has at last been successfully formed with its headquarters at the Booroodabin Baths. This is a matter for congratulations. It has attracted the attention of the education authorities, and the Committee of the Normal School are to be warmly congratulated on taking the first step in connection with this matter. On Thursday last 10 boys from the sixth class were taken to the Booroodabin Baths for an hour, and it is the intention to hold swimming classes three times a week. The Headmaster, Mr Kerr, is warmly supporting the movement. It is possible the matter will be taken up by the Girls Normal School.

In the Evening Observer of 23 November there was a brief mention of a Swimming Carnival having been held in Charters Towers.

QUEENSLAND SWIMMING

The Fourth Annual Swimming carnival of the Queensland Amateur Swimming Association was held in the Booroodabin Baths last evening. The attendance was estimated at about 250, amongst who was a fair sprinkling of ladies. The juvenile element was conspicuous by its presence, and many of them seemed amphibious. They proved very tractable to the orders of the stewards, though in high spirits. The officials are to be congratulated on carrying through the lengthy programme without a hitch.

Mr P.J.Masterson performed the onerous duties of Starter to everyone's satisfaction and with a large amount of patience and lung power, which did him credit. Mr K.H.Roe was the Referee, Dr Brockway, Messrs M.Baldwin and D.Carter the Judges, and Mr E.McSweeney made a most efficient Timekeeper.

The following are the results:- 30 yards Boys race won by M.Dixon; 60 yards inter-Club Handicap won by M.Hinch (North Brisbane); 240 yards Inter-Club Handicap won by A.Mitchell (City); Novelty Race won by J.Alexander (Valley); Water Polo Match, City versus North Brisbane and Valley combined, won by City 1-0, the goal being scored in the second half.

At a Committee meeting of the City Club on Thursday last, Mr H.W.Lennon resigned his position as Captain of the Club owing to his leaving to take up a position in Townsville. Regret was expressed at losing Mr Lennon's services, as he had been a tower of strength to the Club. After many flattering remarks, Mr Lennon's health was drunk with musical honours and three ringing cheers. Swimmers will wish him every success in his new position. Mr Joe Colclough was unanimously elected to fill the vacant position.

The further race in the West Trophy series was held at the Booroodabin Baths on Thursday last over a course of 120 yards. It resulted in a win for J.Colclough, with W.Hetherington second and S.Haslett third. Frank Galley also started.

It was a slashing race, J.Colclough turning into the time lap with a slight lead over the field. The lad Hetherington fought every inch of the way over the last 30 yards and was only beaten by a touch with Haslett only a few feet away third, and Gailey on top of him. For those who had the good luck to witness the "go" all over, it was the finest race they had ever seen. If Gailey's time as taken in the heats was correct, and there is no reason to doubt it, he must be in great fettle, for his time was only two seconds outside F.C.V.Lane's World Record. This time is quite in keeping with those times reported by people who have clocked him unawares.

SWIMMING - NOTES AND CLIPPINGS
By H20

The test races during the week have proved the best swimmer in Brisbane, if not in Queensland, is Frank Gailey, and his selection to compete in New Zealand as one of the Queensland representatives is assured. Gailey has performed excellently, and in this connection his trainer, Wetzell, comes in for well merited praise. Ted will accompany the Queensland representative to New Zealand, and that the State will be worthily represented goes without saying. Whether a second will be selected, and if so who, it is a question that has yet to be settled. New South Wales will probably send only one, and Read's name has been prominently mentioned. If this is so, it seems certain that Gailey will come back with the proud knowledge he has grandly upheld the name of Queensland. On the particulars available at present, it seems a foregone conclusion that Gailey will get home first in the sprint events. He is especially strong over 100 yards, and outside Fred Lane, it is doubtful if anyone in Australia could give him points.

Lane holds the record at present in 1 min 0 4/5 secs, and the next best time is that put up by Dick Cavill at the Booroodabin baths on 6 March 1901 when he was clocked at 1 min 2 1/5 secs. Gailey has been clocked privately at 1 min 2 1/5 secs, this without being really pushed, so if he maintains his present fitness he should be able to receive the 100 yards Championship of Australasia, provided, of course, he is not opposed by Lane, which is from all accounts a remote possibility.

Picture of Frank Gailey

Frank Gailey, of whom a picture is presented in our gallery of the week, has just been selected as our representative for the forthcoming Australasian Swimming Championships which are to be held this year in Wanganui, New Zealand. He is the son of Alderman Gailey, and a fine well built young fellow of gentlemanly demeanour. He is undoubtedly the best swimmer of the day as far as Brisbane is concerned, and probably no better can be found in Queensland. The fast times he put up over the various distances in test races prove he will have a great chance in the sprint events and even in the longer distances. He should be able to do more than hold his own. Swimmers generally agree that Queensland will be well represented, and he will take with him the best wishes of all true sportsmen for his success in the forthcoming swimming contests against Australasia's best.

The Darling Downs Amateur Swimming Club held a Carnival at the Municipal Baths last evening with a large attendance, and the most successful yet held by the Club. It is to the credit of the Committee and the Secretary, Mr James Rosbrook, for the way the affair was carried out. A number of Brisbane swimmers competed and were successful. The following gentlemen officiated:- Judges, Messrs Sweeney and Mayes; Starter, Mr J.N.Walker; Timekeeper, Mr H.Fox; Check Starter, Mr O.Booth.

The main event was the 100 yards Championship of the Darling Downs with a prize of a gold medal. A.J.Marks and J.Pearce were the only two competitors, Marks eventually winning in 1 min 7 sees, a record time for the baths.

In the succeeding Sports Edition the account continues - City's had a real good time in Toowoomba, winning all the Open events, and Hetherington accounting for the 50 yards Handicap after an exciting tussle with Joe Colclough. Joe won the 200 yards Handicap from M.McIntyre. The relay race over 100 yards was looked on as a certainty for the Toowoomba team, some of their cracks saving themselves for this event. City was represented by John and Joe Colclough, Bill and Jack Hetherington, and was opposed by A.J.Marks, J.Pearce, W.Leroux and P.Gaffney. City eventually won. Ted Wetzell had pride of place with his German ditties, and duets assisted by Simon Nuss. Then came Bill Betts and with John and Joe Colclough amused the Toowoomba'ites with their song and dance "When you smoke your first cigar". Some of the ladies signified their intention of coming to Brisbane to attend the City's Carnival, and the ladies presented the City boys with rosettes of the City's colours. Miss Krimmer in a neat speech acted as spokesman, while W.Betts and Joe Colclough suitably responded.

The last race for the West Trophy under the Q.A.S.A. auspices to decide the ultimate winner eventuated at the Booroodabin Baths last Thursday. The distance was over 240 yards. Only two started, John Colclough from scratch and Joe Colclough from 3 seconds. After a good race John managed to beat his brother.

The Trophy goes to Joe Colclough who secured thirteen points, John Colclough was second with ten points, and W.Hetherington, who had a painful accident during the week and was unable to start in the final race, was third with nine points. Joe Colclough deserves the Trophy for his confident swimming. He finished first, in the 120 yards, and second in the 60, 90 and 230 yards, while John was placed first in the 90 and 240 yards and third in the 60 yards. Hetherington won the 60 yards, was second in the 120 yards and third in the 90 yards, and if he had been able to start in the final race he would have made things very interesting.

Swimmers will be pleased to know of Frank Gailey's very creditable performance at the Australasian Championship Meeting in New Zealand.

He secured first in the 75 yards Handicap (Prize valued at four guineas), third in the 100 yards Handicap (Prize valued at three guineas), fourth in the 100 yards Championship, second in the 220 yards Championship, and third in the 440 yards Championship. Frank did not start in the half or one mile events, it being deemed better to save himself for the shorter events.

F.C.V.Lane won the 220 yards in 2 mins 8 sees, which is a really good time and only 2 1/5 seconds outside the World Record which he established with Derbyshire in Birmingham, England, in 1900.

Dick Cavill won the 440 yards Championship in 5 mins 27 2/5 secs which is a World Record, and a long way inside the previous best which stood at 5 mins 42 secs put up by G.Read on 31 December 1901. Cavill also won the 880 yards Championship.

Mr. Dempsey, Headmaster of the Junction Park State School has a swimming class under his control. There is a lagoon near the school, and in the dinner hour some 50-60 boys are learning to swim under his tuition. It is a commendable move and in great contrast to the headmaster of another school who has caned several boys who had been away for a "boggy" during the lunch hour. Where ever there is a decent sized waterhole or lagoon within a reasonable distance of the school it would be a step in the right direction if the boys were taught swimming, and if the masters realised what a great opportunity they have for saving life, every effort would be made to encourage swimming. The formation of classes to learn Life Saving drill would be of incalculable benefit in this State.

In the E.O. of March 8th, there is report of the Brisbane Grammar. School's swim, and recognition of Major Selhelm, one of the officials, who "swam the Modder River in South Africa."

SWIMMING CARNIVAL IN DRY DOCK TODAY

The Swimming Carnival held under the auspices of the City Amateur Club took place in the Dry Dock, Stanley Street, South Brisbane this afternoon. It is not often that the Brisbane public, has a chance to witness such an event, and the fact of holding it in the dock was a novelty in itself, and besides, there was a great deal of interest around in consequence of the appearance of such noted champions as R Cavill and J.H.Hellings.

Enthusiasts could speak for hours on the performances put up by Hellings who is an ex-champion of Australia, New South Wales, London and South England, while the achievements Cavill are well known. Cavill stands today as Australian champion in this particular branch of athletic sports. The announcement too, that little Reggie Hellings, aged seven years, the youngest natatorial performer in the world, would make his appearance, gave additional interest to the function. When these circumstances are considered, it is not to be wondered that the public rolled up in large numbers to view these sports.

Cavill was in Brisbane last year when he won the 100 yards Amateur Championship of Queensland, and he appeared today, to defend this title.

At a quarter to three o'clock there were hundreds of people present, and by half past three there must have been fully two thousand onlookers. The Band of the Queensland Rifles was present and played suitable music.

His Excellency the Lt Governor arrived during the progress of the sports and started one of the races. He was received by the Mayor of Brisbane, Ald L.G. Corrie, Dr Brockway, President of the Queensland Amateur Swimming Association, and the Hon Secretary of the City Club, Mr G.S. Stack.

The Committee of the City Amateur Swimming club take this opportunity of thanking sincerely Port Office and Dry Dock officials, particularly Captain Summers, for the kindly assistance they rendered to make this Carnival a success. Official thanks of the Committee are also due to the gentlemen who generously donated prizes and the gentlemen who acted as officials for the Carnival. Officials were: President, E.R. Gross; Referee, R.H. Roe; Judges, W. Beattie, M. Baldwin and T.A. Bond; Starter, J. Masterson, Check Starter, T.S. Craig, Timekeepers, J. Colclough, A. Butterfield, G. Pritchard and G. Butterfield, Dress Stewards, F.G. Pickburn and Geo Holmes; Clerk of Course, G. Bunting; Result Steward, G.W. Bates; Press Stewards, E. Wetzel, J. Colclough and W. Brett.

The following is the result of the 100 yards Championship of Queensland - First Prize a Gold Medal presented by E.R. Gross, Second Prize a Medal presented by J.W. Hetherington - Starters were R. Cavill, holder (Otto Club of Sydney), and F. Gailey, ex-holder (Valley Club, Brisbane). His Excellency the Lt Governor started the race. Gailey was the first to enter the water after the firing of the pistol. The competitors kept well together for half the distance when Cavill started to get a slight advantage and won by half a second amid tremendous cheering. The time was 1 minute 1 second. (Other results were given)

Cavill gave an exhibition of trick swimming in company with J. Hellings, his imitation of a porpoise being particularly good. He was loudly applauded for each new feat and received quiet an ovation when he left the water.

The Evening Observer Sports a week later had a photo of the Committee of the City Amateur Swimming Club. W. Brett, G. Bunting, T. Craig, G.F. Stack (Secretary), E.R. Gross (President), E. Wetzel and O. Whittick.

In a couple of weeks time the swimming season will have started in earnest, and Clubs should be getting organised. The Australasian Swimming Championships will take place in Brisbane this season, and this means a lot of work ahead and mutual good feeling and help amongst swimmers.

Another swimming bath is to be added to the small list this season, those at the foot of Stanley Street, which are approaching completion. It is understood that. Mr Ted Wetzel has been asked to assist in forming a Club there, and there are plenty of good sports on the Southside.

The Spring Hill Baths have been greatly improved, and the gallery now in course of construction will be a valuable acquisition, especially in the matter of providing more accommodation for spectators when carnivals are held.

The Valley Amateur Swimming Club held its Annual General Meeting at the Oriental Hotel last evening. The President occupied the Chair, and fully 100 members were present including Messrs A. Butterfield and J. West (Vice Presidents), W. Hinch and B. Burton, E. Wetzel and H. Lennon of the City Club. The Hon Secretary, George Crawford, submitted an excellent Report which fully covered the operations of the Club in the past season, and showed the past season was the most successful since the Club's inception.

Election of Officers resulted:- Patron, Mr T. Welsby (re-elected); President, Mr W.M. Thompsen (re-elected); Vice Presidents, Messrs F. McDonnell, J. McMaster, A. Butterfield, A.L. Cossart, J. West, D.S. Carter, W. Moylan, M. Fitzgerald and B.R. Bale (re-elected), and Alderman Carrie; Captain W.J. Boyd; Hon Secretary, Mr C. Crawford; Assist Hon secretary, Mr J. Rulgin; Hon Treasurer, A. Littleboy; Committee, Messrs T.J. Donovan, S. Haslett, D.S. Carter, C. Marsh and W.P. Sparkes; Delegates to Council, Messrs C. Crawford, D.S. Carter and T.J. Donovan.

It was decided to open the season on the first Wednesday in October.

SWIMMING - NOTES AND CLIPPINGS
By H20

The application for affiliation for the Charters Towers Club has been handed to the Secretary of the Association.

The Annual General Meeting of the City Club was held at the Carlton Club Hotel. Apologies for non-attendance were received from Hon E.J. Stevens MLC, Messrs E.R. Gross, M. Baldwin, W.H. Beattie, D.S. Carter and F.G. Pickburn. The Annual Report was presented and unanimously adopted, and showed the Club had a most successful season, the roll now totalling 112. The Club held two very successful Carnivals, and had the honour of a visit from J.H. Hellings, ex-champion of New South Wales and South England, and little Richie Hellings. The Patron, Hon E.J. Stevens, was tended a very hearty vote of thanks for the Patronage extended to the Club. The Balance Sheet was presented and showed income of one hundred and eighty pounds, and expenses of one hundred and fifty two pounds one shilling and four pence. Some new members were proposed, including the Queensland Champion, Frank Galley, on transfer.

Officers elected for the coming season were:- Patron, Hon E.J. Stevens MLC (re-

elected); President, Mr .R.Gross (re-elected); Vice Presidents, Dr R.Crooke, Ald A.Corrie and Mr F.W.Nissen (re-elected), J.H.Forrest, E. arid M.W.Turnbull; Captain, H.Lennon; Vice Captain, Joe Colclough; Hon Treasurer, D.Whittick; Hon Secretary, G.F.Stack (re-elected); Hon

Handicapper, Geo Bunting; Hon Starter and Timekeeper, T.S.Craig; Delegates to Q.A.S.A., Messrs M.Baldwin, G.W.Batstone jnr, J.Colciough, and E. Hobson; Committee, Messrs F.Hambridge, A. Cain, T.H.Green, F.G.Pickburn, T.J.Doyle, A.Corrie and E.Wetzel.

THE Q.A.S.A. ANNUAL MEETING

The Annual Meeting of the Queensland Amateur Swimming Association was held in the Carlton Club Hotel last night. There was a splendid attendance, including members of all Clubs. Dr Brockway presided. Among the apologies for absence was one from Mr M.Baldwin who was attending the Annual Dinner of the Valley Football Club. The vistoris included Messrs "Wally" Pritchard, Frank Chambers, J.West, G.Butterfield Snr and F.Hambridge.

The Report and Balance Sheet were adopted, the credit balance being one pound seventeen shillings and five pence. A long, and at times heated, discussion took place on the Balance Sheet, Mr Wetzel contending he had lent five pounds to the Association in connection with the sending of Mr F.Gailey to New Zealand as Queensland representative, of which amount he had received only two pounds, leaving a balance of three pounds. The Secretary, Mr Stack, admitted having paid two pounds, and said the Council of the Association had taken exception to certain expenditures in New Zealand and instructed him not to pay the balance. Subsequently Mr Stack denied that Mr Wetzel had lent five pounds. In his Report it also stated "The Balance Sheet, as presented, shows the cash in hand to be one pound seventeen shillings and five pence. Against this there is an amount of three pounds as a credit to Mr Wetzel under dispute on account of the New Zealand trip." It appears that Mr Wetzel received fifteen pounds on leaving Brisbane, but under the impression he was authorised to spend twenty pounds, he spent that amount, three pounds of which is now being taken exception to, as not being proper expenditure.

SOUTH BRISBANE BATHS

Some discussion took place on the long promised South Brisbane Baths, Mr Crawford stating that promise after promise had been made but never fulfilled. Efforts were being made to kill rats and cleanse the city, but the first efforts of the Civic Authorities should be towards keeping the people clean.

MISCELLANEOUS

Mr Carter referred to the coming Australasian Championships, and hoped all members would work harmoniously together without the element of "Clubism" which had somewhat retarded swimming in the past.

Dr Brockway, in the course of his remarks, congratulated the various Clubs on the good work done during the year. He particularly advocated more encouragement towards the holding of more long distance tests. It was no use a man being able to swim. 100 yards in 58 seconds if he was overturned from a boat 3 miles from shore and could not save his life. He suggested the electoral system being applied into swimming, and he said some advantage was the chances of getting baths in the various electorates. Referring to the coming Australasian Championships, he said he hoped they would be able to secure the Dry Dock at South Brisbane.

ELECTION OF OFFICERS

Patron, His Excellency Sir Herbert Chermside; President, Dr A.B. Brockway; Vice Presidents, Hon E.J. Stevens MLC, Mr J. Cameron MLA, The Mayor of Brisbane Ald Corrie, Ald Blocksidge, Dr Sutton, Messrs W.H. Beattie, R.H. Roe, T.A. Bond, J. Kenna and W. Flynn; Treasurer, Mr W.H. Hinch (re-elected); Secretary, Mr G.F. Stack (re-elected); Press Correspondent, H. Lennon; Auditors, T.S. Craig and R. Phypers.

AUSTRALASIAN CHAMPIONSHIP FUND

Mr Wetzel announced that he had received from Mr Turnbull of New Zealand the sum of 5 pounds towards the Championships and he handed the cheque to the Chairman. The announcement was received with applause.

SWIMMING - NOTES AND CLIPPINGS

By H20

The Annual Meeting of the Queensland Amateur Swimming Association on Monday night was not altogether a happy gathering. There was a note of discord introduced early in the proceedings which was all the more to be regretted in view of the large attendance including prominent athletic visitors.

The principal matter which caused heated utterance was a matter connected with the sending of a Queensland representative to New Zealand last season. Mr Wetzel took exception to the Balance Sheet on the ground that no reference was made to a sum of five pounds which he said he had lent to the Secretary to make up the necessary amount to send the team to New Zealand. The Secretary flatly denied that Mr Wetzel had lent five pounds. He stated that the position is this - When the time came to send Mr Gailey to New Zealand, it was found the Association only had twelve pounds in hand. He (Mr Stack) advanced three pounds and a total of fifteen pounds in cash and tickets was handed to Mr Wetzel when he left Brisbane. Mr Wetzel was under the impression he was entitled to spend twenty pounds, and on his return he furnished a balance sheet showing this amount had been expended, and debited the Association for five pounds. Mr Wetzel had also made a full explanation which differed from that furnished by the Secretary, and this will come up at the Monday night's Council Meeting, and it is probably just as well to say as little as possible at this juncture. Mr Wetzel, however, positively declares that he handed the Secretary five sovereigns as a loan to the Association prior to leaving, and the Secretary immediately gave the sovereigns back to him, this amount with twelve pounds cash and tickets valued at three pounds making twenty pounds. He further states that before he had furnished a balance sheet, he was given immediately on his return two pounds in part payment for the five pounds owing to him, and he asks why this should have been done if he had not advanced the money, seeing that at that time no-one knew what the expenditure had been? From what can be gathered it appears that subsequently the Council took exception to the three pounds and refused to pay this amount without further explanation. A series of hitches occurred and the matter was left over indefinitely. This was a great mistake on the part of the past Council which should have promptly settled the matter, and if necessary called a special general meeting instead of allowing such a contentious question to have been discussed at the Annual Meeting. The new Council, in the interests of the sport, should immediately settle the matter, and sift the matter to the bottom in a calm business-like way.

Mr West has written to the Secretary of the Association offering trophies for Inter-Club races. He desires to meet representatives of the three metropolitan Clubs to arrange the competition.

At the Annual Meeting the following motion moved by Mr Crawford was carried:-
"That the general management of the affairs of the Association shall be vested in

the Executive Committee consisting of the Chairman of the Council, one representative of each Metropolitan Club, and the Secretary and Treasurer of the Association ex officio, provided that all important matters shall, when practicable (as to which the members of the Executive Committee shall be sole judges), be referred to an ordinary or special meeting of the Association."

By Mr Stack:- "That Rule 7 be amended to provide that no member of the Association shall be a member of more than one Swimming Club during the currency of any one season."

AUSTRALASIAN SWIMMING CHAMPIONSHIPS
SOUTH BRISBANE BATHS

The first meeting of the Executive Committee of the Queensland Amateur Swimming Association was held on Monday evening at the Carlton Club Hotel. Mr Baldwin occupied the Chair. There were present Messrs J.Colclough, T.J.Donovan, P.J.Masterson, W.H.Hinch and the Secretary.

An application for sanction to hold a carnival on 15 November was received from the Indooroopilly Juniors Swimming Club, also asking permission for a 60 yards Championship for Boys (16 years and Under). The request was granted.

Dates for holding the Australasian Championships were fixed for 14th and 21st March. It was decided to hold the 220 yards, 1 mile and Plunge Championships on the first Saturday and the 100 yards and half mile championships on the second day. The Secretary was instructed to write to the Secretaries of the other States asking their approval of the dates. The Committee deferred the consideration of raising funds to carry out these championships until the end of this week.

It was decided to hold an impromptu carnival at the Official Opening of the South Brisbane Baths which is to take place at 3 o'clock on Saturday afternoon next, when it is hoped all swimmers will put in an appearance and thus show their appreciation of the South Brisbane Council's efforts in providing these bathing facilities.

SOUTH BRISBANE BATHS
OFFICIAL OPENING BY THE MAYOR

The Baths at the corner of Montague and Stanley Streets was opened in front of a goodly gathering. Mr Fysh, a representative of Number 4 Ward of the South Brisbane Council in which Division the baths are located, took a leading part in the ceremony. There were also present the following Aldermen of South Brisbane - Ald Currie (The Mayor), Davies, Gamden, Blocksidge, Jones and Schofield. Ald Corrie, Mayor of North Brisbane, also attended as did Messrs A.J.Lamont, and G.C.Jackson MMLA. A number of representatives of Swimming Clubs put in an appearance, prominent amongst whom were Messrs M.Baldwin (Chairman of the Council of the QASA), T.S.Stack (Secretary), J.Masterson, G.Crawford, G.Butterfield and J.Colclough.

Ald Fysh said the baths were designed by J.S.Lonttit, the South Brisbane Municipal Engineer, and were the first of their kind in Brisbane. Roofing had been dispensed with, and he thought roofing was not suited to the climate such as the one Brisbane enjoyed. This was the first of a series of similar baths ultimately to be erected in South Brisbane. It was in the minds of Aldermen to construct more baths on the river. There would be a larger and more expensive one at Woolloongabba. It seemed extraordinary that in a large municipality like South Brisbane they

had gone so long without baths of this character. They had a noble river on which to erect them. Brisbane was also making steps in the same direction, and next season would have big baths somewhere in the Botanic Gardens, more extensive than the South Brisbane one. Mr Lonttit had carried out his work remarkably well on this occasion, and he had also to thank the Mayor of South Brisbane for his attitude in the matter. These baths were of an ultra-local character, funds for them coming out of the ward in which they were built, and in this the Mayor had assisted them as if it had been a responsibility of the District. He called on the Mayor to open the baths.

(The Mayor then made a long speech)

Mr Maurice Baldwin, representing the QASA, congratulated the Municipality on the new baths. The example they had set was a good one for local bodies on the north side to follow. Unfortunately they had too few baths in the past and swimmers had consequently been hampered. Brisbane would have the champion swimmers of Australasia here next year, and unfortunately there is only the Dry Dock to use which is subject to all sorts of calls which made the Association uncertain.

He was glad to hear the Woolloongabba baths would be gone ahead with. He apologised for Dr Brockway, the President, who had been anxious to attend, but was prevented. A number of swimmers representing the various Clubs round the city then disported themselves in the water and gave a general exhibition of swimming.

THE BATHS

The baths measured 100 feet long and 30 feet wide, and at spring tide the water depth will be 6 feet 6 inches at the deep, or river, side and 3 feet on the shallow side. There is a 12 inch pipe with a valve in the wall at the end towards the course of the river, and as the tide rises, the water flows in in accordance with the level of the river. The valve then automatically shunts the water back as it recedes. There is an outlet pipe which allows the baths to be emptied at low tide. The idea is Mr Lonttit's and seems an excellent one. The baths cost five hundred pounds.

BATHS AT WYNNUM TENDER ACCEPTED

At the Wynnum Board meeting last night the following tender was accepted for a new bathing enclosure on Wynnum jetty.

The capacity of the baths will be understood when it is stated the dimensions will be 110 feet by 110 feet, compared with the present swimming enclosure. The new structure will be built of hardwood batons closely placed, and should be more lasting and effective.

SWIMMING INDOOROOPILLY AMATEUR ATHLETIC CLUB CARNIVAL

The Indooroopilly Junior Amateur Athletic Club held a very successful swimming carnival in the Booroodabin Baths, Wickham Street, the Valley last evening, there being a fair attendance of spectators.

The chief item of attraction was the first contested Championship of Queensland for Boys Under 16 years over 60 yards. The event was won by D. Corrie of the City Club after a fine race, with J.H. Dalrymple of the Valley Club second, and the winner was loudly cheered.

The Officials were - Referee and Judge of Diving, Mr R.H. Roe MA;

Judges, Messrs M.Baldwin, and S.Boland; Timekeepers, Messrs E.McSweeney and G.Butterfield; Dress Steward, Mr J.Burton; Starter, Mr J.Masterson; Check Starter, Mr T.S.Craig; Result Steward, Mr A.Butterfield; Clerk of Course, Mr B.Burton; Polo Referee, Mr J.K.Carron; Press Steward, Mr H.W.Lennon; Hon secretary, Mr H.Strickland.

SWIMMING - NOTES AND
CLIPPINGS By H20

Praise to the members of the Indooroopilly Juniors Swimming Club for the way they worked to bring their carnival to a successful issue, and it to be hoped the financial result will be satisfactory. One thing is obvious at all club carnivals, that there is too much racing and little of novelty events. If to outside public is to be attracted to swimming carnivals, interesting items must be provided, and while a little racing is likely to excite interest, a lot of it is dull and uninteresting to any save swimmers who are familiar with the competition. Suggest that heats and semi-finals be contested before the carnival, and plenty of amusing events are more likely to draw the public than the present form of programme, and it is to the outsiders that the Clubs look for the "shekels".

Valley Club's carnival is to be held in the Booroodabin Baths on Wednesday evening, and efforts are being made to have the interior of the baths suitably decorated with bunting etc, and a great musical programme by a first class band is being arranged for (thus supplying a long-felt want at most swimming carnivals in recent years). Displays of trick and fancy swimming and diving by members and others, and an aquatic exhibition by Professor Pannell will form part of the entertainment. There are a number of Junior and Senior Handicaps for which good prizes are being offered, and last but not least, the risibilities of the audience are to be catered for with "All Clothes" races, and Obstacle races, Water Polo matches between teams from the various Clubs will also form part of the programme.

In connection with the carnival, an innovation in regard to handicapping for the obstacle race will be introduced, which will doubtless cause a large number of swimmers to enter for it. It is also intimated that a member of any other affiliated Club may enter for all of the races for which he may be eligible, on payment of the sum of three shillings.

VALLEY AMATEUR SWIMMING CLUB CARNIVAL

The seventh annual Swimming Carnival of the Valley Amateur Swimming Club which was held in the Booroodabin Baths last evening was a success in every sense of the word. The spectators numbered over 300 persons, among those present being the Mayor, Ald L.G.Corrie, and a large number of ladies who occupied seats in the gallery. There was not an idle moment from the start of the first race until the end. The swimming was of high calibre and in some instances the finishes were very close and exciting. During the evening the Valley Brass Band, under the baton of Mr Hargreaves, played selections of music. An exhibition of fancy swimming and diving was given by Mr J.G.Pannell who also gave capital

demonstrations of swimming backwards, feet first plunge, and various styles of swimming adopted by Messrs Cavill Senior, and Captain Webb and Holbein in their attempts to swim the English Channel. With the assistance of Mr T.Holmes, Mr Pannell gave an exhibition somersault throwing, which drew forth loud applause.

The Officials were - Mr A.Butterfield, Referee; Messrs F.Hambridge, B.Burton and D.S.Carter, Judges; P.J.Masterson, Starter; P.J.Coffee, Check Starter; P.J.Coffee and A.Littleboy, Clerks of Course; E.McSweeney and W.G.Pritchard, Timekeepers; George Bunting, Dress Steward; G.Butterfield, Result Steward; W.P.Sparkes, Press steward.

SWIMMING - NOTES AND CLIPPINGS By H20

The Valley's Club carnival last Wednesday night was a decided success and Valley swimmers did good work. It is pleasing to note the interest taken in the carnival by members of other Clubs, and utmost good feeling was exhibited throughout the evening. Valleys are to be congratulated on having secured a band, because a little music enlivens things considerably. The meeting was a success both socially and financially and reflects much credit on those who worked hard for the end obtained. Amongst those to whom praise is due are Messrs A.Littleboy, W.P.Sparkes, J.C.Bulgin, S.Hamlet, G.Crawford and C.Marshall. His Worship the Mayor, (Ald L.C.Corrie) who was present, took a keen interest in proceedings and promised to see that better lighting should be obtainable in the future in the shape of electric light.

At the Council meeting of the Association held last Monday night the North Brisbane Club was given sanction to hold a carnival at the Spring Hill Baths on Thursday 18th inst. Review of the Rules is not yet complete.

At the Sandgate carnival to be held on New Year's Day, a 100 yards Handicap and Neatest Header competition (the events under the management of the Swimming Association) will be held. As the Association has gone to some trouble to secure these events on the programme for their members, every affiliated swimmer should make a point of entering for one or both events, and thus show their appreciation of the Association's efforts. The prizes are on a liberal scale and the entrance fees for each event particularly small. Entries close with the Secretary of the Association on the 12th inst.

IPSWICH RAILWAYS SWIMMING CLUB

The above Club is making great progress in attempts to boom swimming in the Ipswich District before the season is out. The Committee has drawn up a capital syllabus for the season and this is being ably carried out. They have arranged handicaps for seniors and juniors every week and have arranged with the local Council to hold a. carnival in the river. They intend issuing a most attractive programme which will no doubt entice some of the metropolitan swimmers to compete. Club handicaps are causing keen interest, some of the finishes being very close.

P.McDonald has been in good form having won three out of four handicaps, two from scratch, the other handicap being won by A.Schaffer off scratch.

Now the Sports Club is firmly established, swimmers should do their utmost to support it and make it the success it deserves to be. The Club has secured a splendid room in the Courier Building, well set up, and containing billiard and ping pong tables, chess and cards etc, and should prove a splendid rendezvous for sports. The annual subscription is only half a guinea, and those who would find it preferable to pay an amount quarterly can make arrangements with the Secretary.

Ben Burton has received a letter from the Hon Secretary of the Rockhampton Swimming Club. He states his Club is holding a carnival on 24th January, and has applied for a Championship event. It will be open to all QSA members.

The City Club is looking forward to a carnival to be held in the Dry Dock, South Brisbane, on 27th inst. The Club is to be congratulated on having secured the services of Miss Cavill - Dick Cavill's sister - who is said to be one of the cleverest, if not the cleverest, fancy lady swimmers in the world. Mr Pannel will also give an exhibition of swimming, and those who have already seen him will be anxious to have another opportunity of witnessing his skill in the water. The programme includes a wooden horse race, a wooden horse polo match, touch ball, clothes and umbrella race, egg and spoon race, and a few attractive racing items interspersed. The programme is far and away the best, from a spectators point of view, ever presented in Brisbane.

Some of the prominent rowing enthusiasts are now taking a lively interest in swimming. Some of the Queensland Yacht Club members are lending a helping hand to the City Club in connection with next Saturday's carnival. This assistance is much appreciated.

North Brisbane held a carnival in the Spring Hill Baths last Thursday, and the occasion was attended by a large gathering of spectators, and the following officials worked energetically to make the evening a success - Starter, Mr P.J.Masterson; Check Starter, Mr T.S.Craig; Referee and Judge of Diving, Dr A.B.Brockway; Judges, Messrs Geo Staebell, John Colclough and D.S.Carter; Clerks of Course, Messrs S.Boland and -G.Crawford; Result Steward, Mr P.J.Coffey; Dress Stewards, Messrs A.McPhie and G.Bunting; Timekeepers, Messrs A.Butterfield and E.McSweeney; Press Steward Mr W.P.Sparkes; Polo Referee, Mr E.Wetzel; Hon Secretary, Mr D.A.Coffey.

SWIMMING CARNIVAL - ATTRACTIVE DISPLAYE
EXHIBITION BY MISS CAVILL

At the Dry Dock, South Brisbane, on Saturday afternoon, the City Amateur Swimming Club held a swimming carnival where a large attendance was comfortably accommodated and a splendid programme was presented.

Among those who watched the events was Lt Newton ADC to His Excellency, the Mayors of North and South Brisbane and many prominent citizens and society people.

Financially the Club must have made a success of the day, certainly they pleased their patrons, the weather was warm, and a more reasonable way of spending an afternoon would have been difficult to imagine. The swimmers seemed to derive enjoyment from their contests - a rare element in sport on a Queensland December

day. It could be wished that swimming races and exhibitions had a greater hold on the amusement seeking community.

When a writer in the early nineties, Israel Zangwill, was contributing to "Pall Mall" magazine he wrote an article on "The Philosophy of Topsy-turvydom" which was divided into several heads. It was a literary period when phrase inversion was much in vogue and writers sought a truth at the bottom of a paradox. It was not surprising therefore, that Mr Zangwill should, in this particular article, hold forth on the danger of learning to swim. In this he strenuously and humorously held that a knowledge of swimming was of little safeguard in saving from drowning. The most that a knowledge of swimming could do, he persisted, was to enable one to save oneself in circumstances where one could be saved by someone else. Other dangers of learning to swim were that one swam in perilous places, went too far and could not get back, exposed himself to cramp, and by trying to save other people's lives, lost his own. But Mr Zangwill grudgingly conceded that swimming was a delightful and invigorating exercise, as it seems has been discovered at a very early age by Brisbane boys, judging by the many diminutive swimmers at the Dry Dock on Saturday.

A very amusing story is told of a Brisbane father who decided to teach his children to swim, and he chose Christmas Day for his instruction. He feared they would go to the water holes and be drowned if he did not teach them how to keep afloat. At last he arranged them on the steps of the baths and prepared to take them in for lessons one at a time. He dived and rose spluttering to the surface, and it was to find his young brood disporting themselves all around him. They had already been to the water holes. Boys in Brisbane take to the water much after the manner of ducks. It is to be expected that after Saturday's carnival many more will forsake the vigorous processes of swift locomotion to indulge in acrobatic feats in the water.

Examples of what can be done in this direction were given by Miss Cavill, a member of the well-known Sydney aquatic family, and Mr J.G.Pannell, ex-champion of the Mersey (a river, by the way, that provoked Mark Twain to apostrophise the stream with the opening line of Portia's great speech).

Miss Cavill wore one of those bathing costumes which covered the chorus in "The Belle of New York" and lead with "You'll be glad it's summer, you'll be glad your alive." This dainty blue costume was graceful to a curve and lent itself to diving as to swimming. Miss Cavill is an easy swimmer, and taking first the centre of the baths she swam a straight line as steady as a swan. This she did with the breaststroke, a stroke which seems to be going out of use unfortunately as it is perhaps the most perfect for exercise there is. Then she used the overarm followed by an exhibition of floating, and then a number of tricks were executed. Carrying a hoop Miss Cavill, while swimming, passed her body several times through it with the greatest of ease.

She then "propelled" herself through the water holding a Japanese umbrella over her and fanning herself with a fan which she held in the other hand. Miss Cavill concluded a most interesting performance with a series of dives. Her performance was heartily applauded.

Mr Pannell also showed his cleverness in the water, especially trick maneuvers with a pupil, and in a man those difficult feats do not seem so wonderful as simpler ones done by a woman. Mr Pannell is undeniably deserving of the name he has, and his services as an instructor should be in demand, as there is a good deal of nondescript swimming to be corrected.

The Club was particularly fortunate to be able to add variety to the ordinary programme by the increased number of novelty events. The fact that seventy local

swimmers had entered for the various events should have sufficed to provide for a first class afternoon's entertainment. The presence of a band tended to enliven proceedings, and afternoon tea was dispensed by Rowes Cafe. A number of events were closely contested and much excitement was manifested by the spectators.

The following were the Officials who carried out their duties in a most satisfactory manner Starter, T.S.Craig; Check Starter, J.Masterson; Judges, G.C.O'Beirne, M.Baldwin and W.J.Wetherall; Timekeepers, A.Butterfield, J.Colclough and E.McSweeney; Costume Steward, F.C.Pickburn; Press Steward G.W.Batstone; Clerk of Course, J.Colclough; Referee, Dr A.B.Brockway; President, Mr E.R.Gross; Joint Secretaries, F.Hambridge and G.F.Stack; Call Steward Mr G.H.Green; Result Steward, D.A.Coffey.

The City Club has decided to swim two more Cavill carnivals at the Booroodabin Baths and have selected Wednesday and Thursday evenings the 7th and 8th January respectively.

SWIMMING CARNIVAL

There cannot be a single individual in the community who does not wish much success to the City ASC. The display of last Saturday deserves to be recorded amongst the most delightful and useful sporting functions of holiday time. In a climate such as ours, and with water facilities - always excepting the domestic supply - such as we have at our doors, there is no reason, except the apathy of the public, why our river should not be decorated with chains of floating baths wherein our people may find relief from the heat of summer. In the Old Country the percentage of boys and girls who are able to swim is low compared with that of Australia. Were it not for sharks, our river, except in time of fresh or flood, would be transformed into a kind of Boulogne-du-Mer, for like that happy watering place we should have the pleasing spectacle of men and women in all kinds of decorated costumes sporting themselves in the friendly element. The City Amateur Swimming Club have given us a foretaste what might be if only we could persuade the North Brisbane Municipal Council to take up the matter con amore and make a handsome provision for the water spirits. The performance of the graceful young lady who charmed the beholders by her exhibition in the water ought to be an incentive to our maidens to go and emulate Miss Cavill. And all this without touching on the humane side of the noble pastime. Miss Cavill gives us an ample illustration of the great value of the power to control oneself in deep water in the community in the direction of saving life.

SWIMMING

The carnival inaugurated on Saturday by the City Club was continued last evening at the Booroodabin Baths in the presence of a large gathering which quite overtaxed the seating accommodation of the place. The gallery was occupied by some of the most prominent citizens and many of the leading patrons of sport in Brisbane, the majority being accompanied by their lady friends and relatives. They in fact formed a considerable proportion of the assemblage. This was no doubt due to the fact the clever natatorial artiste, Miss Cavill, was making her second bow to the Brisbane public. A considerable improvement on the previous carnival there was the installation of electric lights, and a tasteful programme was on sale for a small price, and everything was carried out in a most admirable and orderly fashion, and swimming races were notable for some exciting finishes, several dead heats having to be recorded. The regrettable absence of some means of displaying the results of the races was again noticeable, but the judges did their best to

remedy this by calling out the names of the successful swimmers. A result board placed in position under a strong light on which the numbers of the successful competitors could be hoisted should certainly be provided.

The entries for all events were very satisfactory. It had been arranged that during the exhibition of fancy swimming limelight effects should be secured, but the light was not by any means strong enough, and a much better view was obtained when the electric light was again turned on. One or two competitors were called back from the starting point and directed to put on full costume, including trunks.

Professor J.G.Pannell, an ex-champion of the Mersey, England, gave an exhibition of fancy swimming during the evening. He was assisted by three pupils, Miss Ethel Woolstein, Mr H.W.Lennon and Master Pyrah, all of whom exhibited considerable agility in the water. A little better encouragement should be given to young lady-performers by the provision of suitable dressing accommodation. A deal of sympathy is expressed to Miss Woolstein for defects in this particular.

Miss Cavill delighted with performances as on Saturday.

CITY SWIMMING CLUB CARNIVAL

The City Amateur Swimming Club brought their summer swimming carnival to a close last evening when the Booroodabin Baths was again packed in all parts, proving the genuine enthusiasm which exists for this class of sport among the Brisbane public.

The feature of the programme was the 100 yards Championship of Queensland, which was won after a splendid race by D.Gailey. Mr Joe Colclough proved himself a capable all-round swimmer by capturing the programme of novelty events. The Officials for the carnival were the same as for the two previous carnivals.

Miss Cavill and Professor Pannell again gave exhibitions.

SWIMMING - NOTES AND CLIPPINGS By H2O

The monthly meeting of the QASA was held in the Sports Club on Monday evening with a full complement of delegates. Mr M.Baldwin occupied the Chair.

Among the correspondence were letters from Victoria and New South Wales agreeing to the Inter-State Championship times to be conducted in Brisbane in March.

The Dress Steward at the recent North Brisbane carnival reported two swimmers whose costumes were not in accordance with the rules. Both swimmers in question were officially cautioned.

It was decided that in future, trainers who accompanied their men at carnivals must leave them at the dressing boxes and not hamper officials.

A Smoke Concert is to be held at the Sports Club on Monday evening the 19th inst with a view to raise funds for the Australasian Championship Carnival. A splendid programme has been arranged refreshments will be provided.

SWIMMING
I.R.A.C.S. CARNIVAL

Ipswich Railway Amateur Swimming Club held a most successful carnival in the Bremer River this afternoon. It is surprising how this young Club has boomed swimming in Ipswich, due no doubt to the painstaking and zealous officials who have spared no effort in promoting the interests of the Club.

The Club was formed last November, the first handicaps held under its auspices being for trophies presented by Mr Tom Miller, a genuine supporter of all true sport in the town. Since that day, Club Handicaps for Juniors and Seniors and also Club competition for trophies have been held weekly in the Ipswich Municipal Corporation Baths, and generally keen contests have resulted.

For the carnival this afternoon the Club had trophies to the value of forty pounds, and the Committee's thanks are due to the business people and the general public for the satisfactory state of the prize list. The Club has ninety members on the roll and the following gentlemen are the officials - President, Mr D.Neild; Vice Presidents, Mr J.W.Blair MLA, Messrs T.A.F.Darker, J.W.Parlane, H.A.Hall, J.McGrath Jnr and A.H.Roberts; Committee Messrs R.Wilkinson, T.Millar, A.Schaffer, J.Dalahunty and A.S.Nesbitt; Treasurer, Mr R.McGregor; Joint Secretaries, Messrs P.D.MacDonald and T.Moody.

The Inter-Club handicap of 60 yards was won by W.Summers, and the Inter-Club Championship of 100 yards by P.D.McShaffer. The Relay Team for the Railways beat the Athenian Team.

QUEENSLAND AMATEUR SWIMMING ASSOCIATION

The monthly meeting of the Queensland Amateur Swimming Association was held on Saturday evening at the Amateur Sports Club Rooms, Courier Building. The Secretary reported that the recent excursion held to raise funds for the Australasian Championships resulted in a loss of about eight pounds.

A strong Committee consisting of Messrs F.Hambridge, G.Bunting, D.Carter, T.J.Donovan and W.H.Hinch was formed to raise funds for the proper carrying out of the Championship carnivals. This Committee was appointed to have full control over the finances of the Australasian meeting. A Committee consisting of the Secretaries of the Metropolitan Clubs was to act in conjunction with Mr W.H.Lennon as a programme committee.

It was decided to hold test races in the Booroodabin Baths this month for the purpose of selecting swimmers to represent Queensland in the Australasian Championships. The following dates and distances were fixed - Thursday evening, February 19th, 100 yards, 1 Mile and Plunge; Monday evening, February 23rd, 1/4 and 1/2 Mile. The first three men placed in each event to represent the State in that event. The first three men placed in the 220 yards Championship of Queensland, to be swum at the North Brisbane carnival on 25th February, will be selected to represent the State in that event. The following officials were elected for the test races - Referee, Dr A.B.Brockway; Starter, P.J.Masterson; Judges, D.Carter, J.Colclough and A.Littleboy; Timekeepers, E.McSweeney, A.Butterfield and E.Colclough.

It was decided to appeal to the supporters of swimming in Queensland towards augmenting the Championships fund.

FORTHCOMING AUSTRALASIAN SWIMMING CHAMPIONSHIPS

At the last meeting of the New South Wales Swimming Association a letter was received from the Secretary of the Queensland Association, G.S.Stack, stating that it had been decided to extend the dates of the Australasian Championships to be held in Brisbane to the 14th, 15th and 21st March, and suggesting that a Conference of delegates be held in Brisbane during the meeting for the purpose of rearranging the Championships, securing uniformity of rules etc. The suggestion was approved and Messrs J.Taylor, E.S.Marks and E.Howes were appointed to attend the conference.

It was decided that R.Cavill should be one representative of New South Wales at the Championships Carnivals to be held in Brisbane, and that test races be held over 100 yards, 400 yards and 1 Mile for selections of the second representative.

AMATEUR SPORTS CLUB

The Amateur Sports Club in the Courier Building is proving a veritable boon to our young men and the rooms are continually well attended. All sporting clubs should see to it that they have their meetings in the Club Rooms which are central and especially adapted for the purpose. In fact it was the object of taking our club meetings out of the back parts of hotels that the club was, for the large extent, formed. Now is the time of the year when clubs of all kinds are holding their Annual Meetings and they will save money and purify their surroundings by having them at the Sports Club Rooms.

There were a good many swimmers of Brisbane questioning the action of the North Brisbane Club in bringing up Dick Cavill to their carnival which takes place just before the Australasian Championship Carnivals, as they contend he is really the star attraction of Australia as far as swimming is concerned. It certainly is a pity that the Norths carnival comes so close to the Championships, but probably any of the Clubs would bring Dick up to their carnivals if he was available. If Dick succeeds in doing fast times at Norths Carnival however, it will probably be a good advertisement for the Championship Meetings, as he is likely to do his very best at the latter.

Bill Hetherington seems to be coming on very grandly, and his win against Gailey at the City's last swim was a tip top performance. The time was 1 min 4 3/5 secs which is very good for a Club handicap. Bill and Dan could do very well over the forthcoming Championships, particularly over 100 yards, when they will have a chance to show their speed against Dick Cavill, who will probably act as pacemaker. He is steadily training for the Championships and his chances over 220 yards are not to be despised.

What is to be hoped is that swimmers will remember an appeal has been made for funds for the Australasian Championships. If all contributed a three pence or a sixpence the total would be considerable. Secretaries might take the hint and start lists.

SWIMMING - NOTES AND CLIPPINGS
By H2O

The formation of a Ladies Swimming Club is now an established fact, and the enthusiasm shown by the Committee should be a great factor in making the Club a success, by attracting all who are seeking healthy exercise through swimming contests as well as through the weekly practices. The Club is to be known as the Brisbane Ladies Swimming Club. Lady Chermiside has been elected Patroness, the Mayoress, Mrs Corrie is President, Miss E.Woolstein who distinguished herself as a swimmer at the carnival was elected Captain, and Miss G.Freudenberg Treasurer. It is to be hoped the Club will meet with the support it deserves, marking as it does an epoch in many sports and pastimes indulged in by ladies. The Secretary would be happy to furnish information to ladies desirous of joining, address C/- Spring Hill Baths.

The valuable silver cup presented to the City Club by the Challenge Tobacco Company for competition in Inter-Club events is well worth winning. It consists of 14 ounces- of pure silver.

TEST SWIMMING RACES

A series of test swimming races was decided at the Booroodabin Baths under the auspices of the Queensland Amateur Swimming Association for the purpose of deciding on representatives from this State to compete in the Australasian Swimming Championships on 17th March next. Officials in charge of the tests were A.Buterfield and E.McSweeney, Timekeepers; D.Carter, J.Colclough and A.Littleboy , Judges; P.J.Masterson, Starter; Dr A.B.Brockway, referee. Conditions were that the first three in each event were entitled to compete in the Champonships.

The first event decided was the 100 yards race with four starters. The finish saw W.Hetherington 1, D.Gailey 2, F.Gailey 3, and K.Honeyman 4. The first three are members of the City Club and the last of North Brisbane. The Time was 1 min 3 3/4 secs. It was a very exciting finish with not more than one yard separating the competitors.

The second event was a Plunging Contest with a time limit of 60 seconds. John Colclough succeeded in plunging a distance of 57 feet 3 inches, W.Brett 53 feet three inches, and H.W.Lennon 48 feet. J.B.Arthur was 6 feet behind Lennon, and the other starters were D.Gailey, W.Hetherington, D.Stack and Joe Colclough. The standard is 55 feet.

The One Mile contest was then decided - a severe test. The starters were F and D.Gailey, J and W.Hetherington, R.Hassall, K.Honeyman and R.Carr. The first quarter time was not taken, but at the half mile Frank Galley had established a good lead in 14 mins 56 secs with J.Hetherington lying second in 15 mins 12 secs, and Honeyman lying some little distance back, third. A couple of competitors then dropped out. Honeyman displaced Hetherington for second place, and Hassall was fourth about a lap behind. Before three quarters had been reached, J.Hetherington was seized with cramp and had to discontinue. Galley held a good lead which at one time was nearly a lap in extent. Honeyman closed this considerably towards the close of the event. The finish showed F.Gailey 1 in 28 mins 47 secs, Honeyman 2 in 28 mins 56 secs, and Hassall 3 in 30 mins 15 3/4 secs.

NOTES AND CLIPPINGS
By H20

It is unlikely to encourage girls to go in for swimming while a man is at the door of the local baths. It is to be trusted that whoever owns the baths will see to it that such a breach of the common rules of decency does not occur again. A baths manager should be forced to engage a lady attendant if he has not got the sense enough to do it on his own initiative.

Since the Ipswich Railways Swimming Club held its carnival in the Bremer River last month, the Club has forged steadily ahead, and next season there is no reason to doubt a number of other Clubs will form. The need for a pontoon is badly felt, and it is for this reason the Railways Club has decided not to hold another carnival this season, but open with a Grand Carnival next season. It is the intention of the Club to affiliate with the Brisbane Amateur Swimming Association. During the winter months the members plan to have a big pontoon constructed, and hope to welcome the Brisbane swimmers when their arrangements are complete.

Last evening at the Corporaton Baths, McCubbin introduced the old English style of swimming the Breaststroke.

SWIMMING - QSA TEST RACES

At the Booroodabin Baths last evening, test races under the auspices of the Queensland Amateur Swimming Association were held over the distances of a quarter mile and half mile for the purpose of selecting swimmers to represent Queensland in the forthcoming Australasian Championships Carnival.

The first event decided was the Half Mile for which five competitors started. The race resulted in an easy victory for F.Gailey who led the second man, J.Hetherington, by about 90 yards, R.Hassall being a bad third. Only three finished, the time for the winner being 13 mins 14 1/2 secs. The Standard Time for the half mile is 14 minutes.

In the Quarter Mile F.Gailey led all the way from his brother D.Gailey . K.Hetherington was third. The Time was 6 mins 21 secs, the Standard Time for the distance is 6 mins 20 secs.

SWIMMING - NORTH BRISBANE CARNIVAL

The North Brisbane Harriers Swimming Club brought off a carnival at the Booroodabin Baths last evening that was in every way successful. The attendance was up to the capacity of the baths despite the rain that commenced to fall early in the evening.

The feature of the evening was the appearance of the Australian champion, Dick Cavill, in the 220 yards Championship of Queensland which he won easily from three other competitors.

Another attractive feature was the young ladies race over 30 yards in which six members of the recently formed Brisbane Ladies Club took part. It was admirably conducted in every way, and victory fell to Miss Irene Freudenberg.

The Officials for the carnival were - Referee, Dr A.B.Brockway; Judges, Messrs G.Staebell and D.S.Carter; Starter, P.J.Masterson; Check starter, P.J.Coffey;

Clerks of Course, S.B.Boland, J.Burton and W.H.Hinch; Timekeepers, A.Butterfield and E.McSweeney; Press Steward, W.P.Sparkes; Dress Stewards, A.Littleboy and G.Bunting; Hon Secretary, D.A.Coffey.

Queensland Amateur Championship 220 yards - R.Cavill (Pymont Club) 1, K.Honeyman (North Brisbane) 2, R.Hassall (North Brisbane) 3, and P.Doyle (Toowoomba) 4. Time 2 mins 30 seconds. Mr G.Staebell introduced the Champion prior to the race and announced that satisfaction was felt at the appearance of the Toowoomba representative also in the race.

SWIMMING - NOTES AND CLIPPINGS
By H20

About forty five members of the City Club are travelling to Ipswich to hold a carnival in the Basin Pocket this afternoon. This will no doubt give swimming the impetus necessary in the local centre. The Club members are certainly to be commended for this move in the interests of the sport.

A number of sportsmen were dubious about the ladies event held at the Norths carnival last Wednesday, but it proved to be one of the best managed and certainly the most interesting on the programme. If future ladies races are to be conducted in the same way, the most fastidious could find nothing to object to.

SWIMMING CHAMPIONSHIPS OF AUSTRALASIA

The programme for the Australasian Championships Carnival has been issued.

On Saturday 14th March the following events will be contested - The 220 yards Championship of Australasia, the 80 yards Championship of Australasia, 30 yards Inter-Club handicap, 110 yards Inter-Club Handicap, All Clothes Race, Egg and Spoon Race, and Duck Hunt. There will also be an exhibition by Mr Lennon.

On Wednesday 18th March at the Booroodabin Baths - 440 yards Championship of Australasia, the Plunging Championship of Australasia, 30 yards Junior Inter-Club Handicap, 60 yards Inter-Club Handicap, 60 yards Obstacle race, All Cloths race, and Neat Diving Competition.

On Saturday 21 March at the Dry Dock, South Brisbane - 100 yards Championship of Australasia, 1 Mile Championship of Australasia, 50 yards Boys Handicap, 60 yards Inter-Club Handicap, and Walking the Greasy Pole competition. Professor Pannell and lady pupils will give an exhibition.

Entries close with the joint Secretaries Messrs Stack and Crawford at the Amateur Sports Club on Saturday 7th March.

At the meeting of the Council of the QASA held at the Sports Club, the Ipswich Club applied for affiliation.

47 members of the City Club journeyed to Ipswich last Saturday to take part in the Club's carnival at the Basin Pocket. Though the water was not quite equal to their headquarters, they enjoyed themselves immensely. City members thoroughly appreciated the efforts of the Ipswich Railways Club, particularly Messrs Macdonald and Schaffer, to make the carnival a success. Mr Richard and Miss Cavill were the guests of the City Club for the afternoon.

A copy of "The History of Swimming in Queensland" by Herbert W Lennon has been received. It briefly outlines the history of the sport so far as this State is concerned, and it contains illustrations and letterpress relating to prominent Queenslanders.

SWIMMING CHAMPIONSHIPS
STANDARD TIMES AND RECORD HOLDERS

In view of the fact that the Australasian Swimming Championships are to be conducted in Brisbane today and during the coming week, it will be interesting to many to learn what the current World Records are and the holders of them and the Standard Times for the various distances.

The following is an interesting list that should be cut out and kept for comparison with the times that are accomplished at the Brisbane Carnivals.

| Standard Time | World Record | Record Holder |

SWIMMING - NOTES AND CLIPPINGS
By H20

The advent of the Australasian Championships which commenced this afternoon at the Booroodabin Baths has been eagerly looked forward to. It is a pity the deck had not been scoured for the day, but it was unavoidable. The representatives from Victoria, New South Wales and New Zealand have been warmly welcomed to Queensland and there is a general desire to make their stay with us enjoyable. Their visit should do much to forward swimming in Queensland, and as it will be at least four years, and possibly more, before the Australasian Championships are again held in Brisbane, the public should avail themselves of the opportunity on Monday and Wednesday nights at the Booroodabin baths, and on Saturday at the Dry Dock, to witness some of Australia's finest cracks competing against each other.

The application of the Ipswich Railway Club to affiliate with the QASA has been approved, and the Council of the Association say this is a welcome addition to the ranks of affiliated swimmers.

A communication has been received from Mr E.Parsons whose Swimming Club, named the Balmoral Amateur Swimming Club, with a membership of thirty has been formed at Bulimba. Several gold and silver medals have been donated, and the Club holds its first swim next week. Mr Parsons has been appointed Secretary.

The swimming sports meeting of the Brisbane High School for Girls, Miss E.Fewings, was held at the Spring Hill Baths yesterday afternoon. A number of parents of the girls watched the various events with great interest. Mr T.A.Bond acted as Judge and Dr A.B.Brockway as Handicapper and Starter.

THE WYNNUM BATHS - OPENED YESTERDAY

It was rumoured in Wynnum on Saturday evening, writes a correspondent, that the difficulty in connection with the opening of the new bathing enclosure had been settled, and the contractor's cheque had been handed over, so a good number of residents, therefore, turned up yesterday at the jetty hoping for a swim in the new baths and found the door locked. There was a disposition on part of some of the residents to force the door, but fortunately a messenger arrived with the key at about 10 o'clock and admittance was obtained in a legitimate manner. The bathers throughout the day were numerous, and there were many expressions of satisfaction about the baths and delight at such an additional welcome attraction to Wynnum.

SWIMMING
QUEENSLAND AMATEUR SWIMMING ASSOCIATION CARNIVAL
R.CAVILL WINS 220 YARDS CHAMPIONSHIP

The Swimming Carnival under the control of the Queensland Amateur Swimming Association was commenced on Saturday afternoon at the Booroodabin Baths in the presence of a good gathering of visitors. A fine programme of eleven events, some of which provided as many as eight heats, had been provided. The chief interest centred, of course, on the 220 yards Championship of Australasia in which there was competitors from New Zealand, New South Wales, Victoria and Queensland. The presence of R.Cavill, the famous Sydney swimmer, lent additional interest to the Carnival.

The Officials were as follows: Referee, Dr A.B.Brockway; Starter, Mr P.J.Masterson; Judges, Messrs J.Taylor (NSW), R.Grey and Maurice Baldwin; Timekeepers, Messrs E.Colclough, D.Carter, A.Butterfield and W.Pritchard; Clerks of Course, Messrs F.Hambridge, J.B.Arthur, J.Colclough, B.Burton and W.B.Sparkes; Check Starters, Messrs T.S.Craig and P.Coffey; Call Stewards, Messrs F.O.Pickburn, A.Littleboy and M.J.Hinch; Dress Steward, Mr D.Coffey; Result Steward, Mr C.Marshall; Hon Handicappers, Messrs P.J.Masterson, G.Bunting, W.P.Sparkes and P.J.Coffey; Hon Treasurer, Mr W.H.Hinch; Joint Secretaries, Messrs Geo Crawford and Geo Stack.

Events contested were the Challenge Stakes 120 yards (eight heats), Egg and Spoon Race 60 yards (two heats) won by Joe Colclough with G.Holmes second, The All Clothes Race 60 yards (Two heats) won by Joe Colclough with W.Hennington second, 50 yards Junior Handicap won by Wheatat (Valley), and the 220 yards Championship of Australasia (two heats and final).

220 yards Championship - First heat - After a false start, of the three men R.Craig (NSW), F.Gailey (Qld), and J.Blackler (Vic), Blackler was the last to take the water. After the first lap Craig was a touch ahead and Blackler last. The same order was maintained for the second lap, and at the end of the third lap Blackler retired explaining he was out of condition. Though both the other contestants

would qualify for the final, there was a great race for first place, R.Craig being successful.

The starters for the second heat were R.Cavill (NSW), J.Hamilton (NZ), K.Honeyman and D.Gailey (Qld). The four men started together then Hamilton and Honeyman forged ahead, and Hamilton had about a foot lead at the end of the second lap, and Hamilton increased his lead in the third lap. The fifth lap saw Cavill alongside Hamilton, and Galley and Honeyman lost ground, and the seventh lap saw Cavill a few inches ahead of Hamilton. Cavill finished with a lead of half a yard from Hamilton who was a yard ahead of Honeyman, and Galley a foot or two away fourth. The Time was 2 mins 40 secs.

In the final, after a splendid start, Craig led for the first 30 yards, and the other three kept together. Craig touched first at the end of the third lap, with Cavill and Hamilton together a few-inches behind. Craig and Cavill touched together at the end of the fifth lap, the other two men being left behind. Cavill forged ahead as the seventh lap was completed, but it was a fine race between the two New South Wales men for first place, Cavill winning by less than a yard. Hamilton and Galley were eleven yards behind and made a fine race for third, the Judges giving it a dead heat. The Time was 2 mins 36 seconds.

Mr W.H.Lennon of the City Amateur Swimming Club gave an exhibition of fancy swimming which brought the day's programme to a close.

SWIMMING - AUSTRALASIAN CHAMPIONSHIPS

The Australasian Swimming Championships which were commenced on Saturday afternoon, were continued last night at the Booroodabin Baths. In addition to several other events, the Half Mile Championship was swum. As was generally expected, R.Cavill won the event, though the Queenslander, Gailey, made excellent showing. There was a very fair attendance and some good sport was witnessed.

The Officials for the carnival were as previously appointed.

The Final of the Challenge Stakes was held, resulting in a win for J.Hamilton of New Zealand. A novelty event, the Nightshirt and Candle Race was held.

The Half Mile Championship of Australasia attracted seven starters, J.Blacker (Vic), J.Hamilton (NZ), R.Cavill (NSW), R.B.Craig (NSW), J.Hetherington, K.Honeyman and F.Gailey (Qld).

The men got off to a splendid start, Blacker being the last to take the water, the others being all in a line, and two lengths were swum in a bunch. At the end of the fourth lap, Cavill Craig and Gailey had assumed a small lead on the others. When eight lengths were completed, Cavill, Craig, Gailey and Hamilton were close together, a little behind came Honeyman and Blacker 25 yards off. After five more lengths there was not much to choose between three men, Hamilton dropping back to fourth position, and at fourteenth lap, Blacker, who was out of the hunt, gave in, and Craig also retired. At the end of the fifteenth lap Cavill was five yards ahead of Gailey, ten yards behind whom was Hamilton with Honeyman in close attendance half a length away. At the stage Gailey made an effort and drew up, but in the twenty second lap, the New South Wales man had a ten yard lead, with Honeyman and Hamilton taking third and fourth places, and Hetherington a long way astern. Cavill continued to draw away and finally beat Gailey by twenty yards, fifteen yards behind the latter being Honeyman with Hamilton ten yards further away, and Hetherington, who stuck to his work doggedly, thirty yards behind. The time was 13 minutes.

SWIMMING - THE AMATEUR CHAMPIONSHIPS
ANOTHER WIN FOR CAVILL

The Australasian Swimming Championships were continued last night at the Booroodabin Baths in the presence of a fair attendance. The principal event was the 440 yards Championship of Australasia which was won by R.Cavill after a great race from Craig. The Officials were as for the previous carnivals.

Events - 30 yards Junior Handicap (Heats), 60 yards Handicap, won by N.Trenerry, Obstacle Race won by Joe Colclough, 60 yards Junior Handicap won by K.Merritt (Indooroopilly), with W.Carr (City) second and E.J.Springfield (Valley) third, and the 440 yards Championship of Australasia with R.Cavill (NSW) 1, R.R.Craig (NSW) 2, J.M.Hamilton (NZ) 3, and K.Honeyman (Qld) 4.

In the 440 yards race there was nothing to choose between the men in the first five laps, but Cavill and Craig then had a great bout, leaving the others. Cavill got to the front, and he and Craig gradually increased their advantage. At the end of ten laps there was a space of ten yards between Craig and Cavill and the Queensland men. When twelve laps were clocked, Hamilton and Honeyman were half a lap behind. At the finish Cavill put in a great sprint and won comfortably by about ten yards from Craig, the others being a lap behind. The Time was 5 mins 47 1/5 secs.

The Plunge Championship of Australasia resulted in J.Hamilton (NZ) 1, distance 58 feet 11 1/2 inches, John Colclough (Qld) 2, distance 56 feet 10 1/2 inches, and W.Brett (Qld) 3, distance 56 feet 3 inches.

AUSTRALASIAN SWIMMING CONFERENCE

An Australasian Swimming Conference convened to deal with general and special matters concerned with swimming throughout Australia commenced in the Rugby Room, A.M.P. Building, yesterday. This is the first time such a Conference has met in Queensland. The Delegates present were - Victoria, W.W.Hill and J.Blacker; New South Wales, J.Taylor; New Zealand, J.Hamilton; West Australia, E.Howes; South Australia, F.Hambridge; Queensland, J.R.Arthur, M.Baldwin (Chairman QASA) and George Stack (Secretary QASA).

In opening the proceedings it was stated that it was originally intended to hold a Conference in Sydney in 1903-04, but South Australia and New Zealand had both written saying they would have some difficulty in getting men away next season, and hoped Queensland would do something towards getting the Championships contested every two or three years instead of annually as at present. Other Associations in the Commonwealth had been written to, and they were willing to send delegates, so it was decided to hold the Conference in Brisbane. Mr M.Baldwin was unanimously elected Chairman and Mr Stack Hon Secretary. On the roll being called, it was stated that Mr Hill, Secretary of the Enterprise Club in Sydney, had been elected delegate for Victoria in place of Mr E.S.Marks. For Victoria two delegates were present, W.W.Hill and J.Blacker, and it was decided that both should be allowed to act. Mr Howes, Secretary of the New South Wales Amateur Swimming Association, was stated to be representing West Australia. It was decided that the voting powers of each State should be taken as one.

THE AMATEUR QUESTION

The first item dealt with was the Amateur Question about which a long discussion took place. Mr Taylor outlined what had been done in New South Wales. Mr Taylor said he thought the matter might be left to the local Associations to deal with. Mr Taylor moved, "That the laws obtaining in the present handbooks of the Queensland and New South Wales in whatever phraseology they may take, be accepted in regard to baths proprietors, lessees, and managers, and that baths proprietors, lessees, and managers be outside the pale of amateurism." Subsequently the motion was withdrawn, and Mr Taylor moved instead, "That the rule bearing on the Amateur Question in the New South Wales Code of Laws, be accepted by the Conference." Mr Howes seconded this, and added that though there were three New South Wales men at the Conference, they were not all voting for New South Wales, he himself was a West Australian for the time being. Mr Hill moved as an amendment "That the Constitutional Rule bearing on the Amateur Question as embodied in the New South Wales Handbook be adopted, with the words "competing with" after the words "or pace making for or having the pace made by a professional or person under sentence of suspension in public for a prize or an open public gala" Mr Hamilton seconded the amendment which was lost. The original motion was then carried.

STATE AND INTER-COLONIAL CHAMPIONSHIPS

Considerable discussion took place as to who should be allowed to compete in the Championships. The Queensland delegate spoke in favour of the present system being continued, but the delegates of New South Wales, Victoria and West Australia expressed themselves as opposed, the latter delegate, Mr Howes, declaring that to win the Championship of his State, it was the birthright of any swimmer in the State. Eventually it was decided on the motion of Mr Arthur, and decided on the casting vote of the Chairman "That the matter of eligibility of a swimmer to compete in any State Championship outside of his own Colony, rest with the Home Association, but that all swimmers competing from outside States and Colonies must receive the sanction of their Associations."

EXPENSES ALLOWED INTER-STATE SWIMMERS

Opinion on this point was unanimous, Mr Taylor's motion "That no expenses be allowed Inter-State swimmers unless dispensed by Clubs through the Association, and fees and expenses only include train fare and actual cost of living, for which all receipts must be produced," being carried without opposition.

AUSTRALASIAN CHAMPIONSHIPS

It was decided that the championships to be competed for at Australasian Meetings would be the 100, 220 and 440 yards, half mile, mile, and plunge, with polo optional. The standard times fixed for the various distances were - 100 yards, 1 min 5 secs; 220 yards, 2 mins 45 secs; 440 yards, 6 mins 10 secs; half mile, 14 mins; mile, 28 mins 30 secs; plunge 55 feet; Flying Squadron (5 men 500 yards), 5 mins 30 secs.

The Conference adjourned until 2 pm today (i.e. Thursday 19 March 1903)

E.O. Friday 20 March 1903

THE CONFERENCE
RULES BEARING ON RECORDS

In connection with the rules bearing on records, Mr Taylor stated that four of the Conference had met that morning and had gone carefully through the Rules in the New South Wales Handbook relating to the matter, and as an outcome of the meeting he moved "That the Laws in the New South Wales Handbook relating to competitions be adopted, with two small alterations, one of which was a printer's error." This was seconded by Mr Hamilton and carried unanimously.

Mr Arthur moved "That the Laws relating to records as published in the New South Wales Handbook be adopted." Mr Howes seconded this, and it was carried without opposition.

GRANTING OF CERTIFICATES

On this matter some discussion took place, and Mr Taylor moved "That Certificates only be given when the time limit has been beaten in a final or straight-out races." Mr Howes seconded this. Mr Hill moved as an amendment "That Certificates be granted in all heats and finals of Championships, provided the time is under standard time." Mr Blacker seconded this and Mr Hambridge supported it. Mr Arthur opposed the amendment on the ground that the heat was not really a race. Mr Blacker supported the amendment, and on its being put, was carried.

AUSTRALASIAN CHAMPIONSHIPS AGREEMENT

It was stated that this Agreement would expire by the effluxion of time in another year, and the Agreement the Conference would decide on would come into force at its expiration. Mr Taylor moved "That the existing Agreement be allowed to run its course, and the Draft Rules of the new Agreement come into force on 1 October 1904." Seconded by Mr Hill and carried.

AMATEUR SWIMMING UNION

Considerable discussion took place on the advisability of forming an Amateur Swimming Union. To bring matters to a head, Mr Howes moved "It is the opinion of this meeting that it is advisable in the interests of the sport that an Amateur Swimming Union should be formed." Mr Taylor seconded the motion. Mr Hambridge asked what advantages would accrue from forming the union? Mr Howes stated that one of the advantages would be that they would be able to divide the expenses of sending men to World Championships, or undertakings of similar nature among the various Associations. Mr Taylor said they would be better able to approach the State Governments with a view to erection of Government Baths in the different States. He compared the present position in Australia in regard to bathing accommodation with America and England, the result being very unfavourable to Australia. Mr Hamilton supported the motion. Mr Hambridge said that although he was in sympathy with all that had been said, he could not see how the Union would help them along. He was in favour of forming a Union provided that none of the powers the Associations already had, would be taken away. Mr Arthur expressed himself in sympathy with the motion.

After some more discussion, the motion was put and carried, Mr Hambridge being the only one to oppose it.

RULES OF THE PROPOSED SWIMMING UNION

Mr Taylor moved "That the Agreement which existed between the Amateur Swimming Bodies of Australasia be taken as a basis for an Agreement for the formation of an "Australasian Swimming Union." This was seconded by Mr Hambridge and carried.

Mr Taylor moved "That the Rule in regard to suspension and disqualification in the New South Wales Handbook be adopted." Mr Howes seconded this and it was carried unanimously.

LIFE SAVING

Mr Taylor asked what part would the Life Saving Bodies of Australia play in this Union? He held it was the duty of the Union as amateurs to encourage the art of Life Saving. All the delegates present joined in the discussion, and it was generally agreed that the art of Life Saving be encouraged. Eventually Mr Taylor moved "It is the recommendation of this Conference, that all Associations recommend, as far as possible, the formation of Life Saving classes in districts under their jurisdiction." Mr Hambridge seconded the motion and it was carried unanimously.

BIENNIAL CHAMPIONSHIPS

Mr Hamilton said he had been instructed by his Association to move "That the Australasian Championships be held biennially after next year." He said it was not so much a matter of the finances of his Association, but the time the representatives had to be away from the colony. Mr Taylor seconded the motion, but stated he would not vote for it. Sympathy was expressed towards New Zealand by the other delegates, but none of them found sufficient justification for not holding the Championships annually. On the motion being put, it was defeated, only Mr Hamilton voting for it.

Mr Hamilton then moved "That New Zealand, taking into account its geographical position, be allowed the privilege of competing in the Australasian Championships every other year, and that no forfeit be demanded of New Zealand, provided she competed every second year." Mr Howes seconded this and it was carried unanimously.

On the motion of Mr Taylor it was decided to obtain six copies of the Minutes of the Conference and distribute them to the Associations, the cost to be borne by the Associations, and this concluded the business.

Mr Taylor, on behalf of the New South Wales Association, thanked the Queensland Association for the kindness in giving them the opportunity of discussing such matters of vital importance.

SWIMMING -NOTES AND CLIPPINGS

By H20

Today was the last day the Australasian Championship was conducted and a week that will long be remembered by swimmers has closed. Local swimmers wished the visitors bon voyage and hope that pleasant memories will be carried home with them, and at some future time - the sooner the better - the acquaintanceships may be renewed. The inter-State visitors have shown us how to swim well, and if Queenslanders have not succeeded in wresting the palm of victory from the New South Wales best, it is because we have had in our midst one at least who can claim to be the Champion of the World. Still, all the competitors have done their

best and done well; Championships have been won and lost; the winners have taken their victories well and the losers shown they can appreciate the better swimmers and be honoured with their .friendship. True amateur rivalry has been a feature of the carnivals - may it long continue. So far the Championships have not been fully reported, and a description of the events will be read with pleasure by many.

(Then H O goes on to describe in detail events at Booroodabin Baths on 14th March, the highlight of which was the 220 yards, the half mile swim on 16th March, the 440 yards and Plunge on 18th March.)

SWIMMING - CHAMPIONSHIPS CARNIVAL
CAVILL PUTS UP A WORLD RECORD

The Australasian Amateur Swimming Championships were concluded at the Dry Dock on Saturday afternoon in unfavourable circumstances. Admirable as this spot is for a swimming carnival in fair weather, the lack of covering made it a very uncomfortable place as shower after shower went over during the programme. Still, there was a very large attendance including many ladies, and though the water was cold, some splendid and interesting contests were witnessed. The 100 yards saw a World Record for a straight course set up by R.Cavill. Officials were the same as those who directed the previous contests.

Results

Schoolboy Championship -K.Merritt 1, A.Murray 2, W.Carr 3.

60 yds Challenge Stakes - D.Nevin 1, N.Trenerry 2, P.Nicholson 3.

Exhibition Event - A display was given by Professor G.Pannell with an assistant, all kinds of aquatic feats being undertaken, the most interesting of these being a dive from the side of the Dock by the professor with both hands and feet tied.

100 yds Championship of Australasia - R.Cavill (NSW) 1, R.Craig (NSW) 2, W.Hetherington (Qld) 3, D.Gailey (Qld) 4, K.Honeyman (Qld) 5, F.Gailey (Qld) 6. This event proved sensational and was contested amidst a scene of great excitement. After about 30 yards Hetherington started to draw out, and many of the spectators had great hopes the Championship was coming to Queensland. At about half the distance, Cavill, who had been swimming mostly under water, began exerting himself and quickly overhauled Hetherington, and won comfortably with Craig hanging on to him. A feature of the contest was the defeat of F.Gailey by Honeyman and D.Gailey. The time was 59 7/8 seconds which is a World Record for a straight course, the previous record for such a race being 1 min 3 3/5 secs by Bishop.

Neat Diving - J.M.Hamilton (N.Z) 1, J.Harrower (Qld) 2. Among the competitors were some of the inter-Colonial visitors, and the second position occupied by Harrower who is only a lad, was a meritorious performance.

1 Mile Championship - R.Cavill (NSW) 1, J.M.Hamilton (NZ) 2. Time 28 mins 45 secs. Record 24 mins 46 1/5 secs held by George Read set at the Balmain Baths, Sydney in 1900. (A detailed description of the race followed.)

Relay Race - Queensland v Australasia - Queensland 1, Australasia 2. The race over 400 yards was a contest between representatives of Australasia and representatives of Queensland. In the first lap, Craig of NSW was opposed by W.Hetherington of Qld. They touched fairly evenly and the swimming was taken up by R,Cavill of NSW and D.Gailey of Qld. Gailey made a great show and touched only

about 1 second behind the champion. Blacker of Victoria and Honeyman of Qld were in the next relay and Honeyman touched first, and in the final lap J.Hamilton of NZ and Frank Gailey of Qld were the contestants. The race was a most exciting one, but Gailey had too much in hand, and won by about three yards.

During the afternoon, Mr W.W.Hill, of the Enterprise Club, Sydney, gave an amusing burlesque of Sandau, "The Strong Man".

Some seventeen pounds was taken at the Gate, and this amount would have been very much greater had the weather been fine.

SWIMMING - NOTES AND CLIPPINGS

The QASA has decided to tender a Benefit Carnival to Professor Pannell for his services for exhibitions during this season. The Carnival is to be held under the joint auspices of the Association and the various Clubs. A preliminary meeting will be held at the Sports Club on Monday night at 8 o'clock and it is hoped there will be a good muster of swimmers to arrange an attractive programme and to ensure the financial success of the Carnival. It has been decided to hold the Carnival at the Booroodabin Baths on Wednesday night, 8th April.

A meeting of the QASA was held last night to consider an appeal by John Colclough in the matter of the Australasian Plunge Championship in which Colclough protested against J.M.Hamilton of New Zealand for being over his time limit. Colclough, however, withdrew his appeal, stating that Hamilton, who was most interested in the matter and whom he recognised as a true sport, was now out of the State, and it would be unfair to proceed further in the matter. The sportsman-like action on the part of Colclough is to be commended, though it is exceedingly unfortunate that the circumstances rendered the protest necessary, and the Council did not see fit to settle the matter a week ago.

QASA COUNCIL MEETING

A Council meeting of the QASA was held last night in the Queensland Amateur Sports Club Rooms with a good attendance of delegates, the only Club not being represented being the City Club. In the absence of the Secretary, Mr B.Burton was chosen to fill the position for the evening, and Mr D.S.Carter occupied the Chair.

A donation of one guinea was received from Dr Brockway for the Australasian Championships Fund. It was -announced the receipts in cash and tickets for the recent Australasian Championships amounted to forty three pounds and ninepence, but the figures relating to expenditure were not yet available.

Owing to the distance for the Massey-Harris Trophy Relay Race having been altered by the City Club, it was decided not to grant permission for that Club to hold the race the evening of their Carnival, but permission was granted to Valley and North Brisbane to compete in Open events at the City's Carnival this evening, although no official communication was received by the meeting regarding the Carnival.

The North Brisbane Club was granted permission to hold Distance Events for Juniors on the 8th instant, and the Valley Club granted permission to hold similar competition on the 16th instant.

The Carnival to mark the close of the season was held last Tuesday evening by the City Club at the Metropolitan Baths. There was a fine gathering of spectators amongst whom was a sprinkling of lady supporters of the Club. The Officials for the evening were - Messrs A.V. and R.Dodwell, Judges; J.P.Masterson, Starter; John Colclough, Master of Ceremonies.

The members of the North Brisbane Club concluded a very successful season at the Spring Hill Baths on Wednesday night.

SWIMMING - NOTES AND CLIPPINGS
By H20

The sixth Annual Meeting of the North Brisbane Swimming Club was held in the Sports Club Meeting Room last Wednesday night and was largely attended. The President, Ald George Staebell, was prevented by illness from attending, and Mr M.Baldwin, a Vice President, presided. Amongst those present were Dr A.B.Brockway, Mr S.Davis, and Messrs D.S.Carter, G.Crawford and W.Sparkes.

The Report and Balance Sheet presented by the Secretary reviewed the success of the Club during the past season. Trophy for Club Attendance was awarded to Mr B.Burton and that for the most points to Mr Ken Honeyman. Receipts amounted to sixty six pounds seventeen shillings, and expenses to fifty six pounds eleven shillings, leaving a Credit Balance of ten pounds six shillings, which included a probable refund from the Association of three pounds.

Mr Baldwin, in moving the adoption of the Report, congratulated the Club. He knew that with so many energetic workers as on the North's Committee, success was always assured. Dr Brockway seconded the motion and said he favoured the system of electoral swimming Clubs. He thought the chances of getting more baths would be greater than at present. He also favoured the formation of Ladies Swimming Clubs. Mr S.Davis congratulated the Club and agreed with Dr Brockway in regard to Ladies Clubs. He said he would be pleased to do all in his power to forward such a movement. The reason he thought so few girls could swim, was on account of the inconveniences, and means should be provided for them to learn. He took the opportunity to thank members for their kind words to him in connection with the Club.

Mr D.S.Carter (Valley Club) also congratulated the Club, and said the success of the Club was the way the members pulled together. There was such unanimity that there was never any quarrel.

The Report and Balance Sheet was adopted.

The election of Office Bearers resulted as follows - President, Ald G.Staebell; Vice Presidents, Ald L.G.Kyte, Mr J.Cameron MLA, Ald L.G.Corrie (Mayor North Brisbane), H.Edwards MHR, Messrs R.B.Stark, N.Mandelson, M.Baldwin, J.H.Forrest, W.H.Duffy and F.W.Nissen; Captain, Mr J.Hinch; Vice Captain, Mr K.Honeyman; Secretary, Treasurer and Handicapper, Mr D.A.Coffey (re-elected for the fifth time); Committee, Messrs B.Burton, E.Wetzel, A.Snell, A.R.McPhie, J.Burton, and W.Kander; Delegates to QASA, Messrs E.Wetzel, A.Stack, and M.J.Hinch.

It is stated that St Johns Gordons have formed a Swimming Club. It is also stated that a Toowong Club is probable with Charlie Campbell prominent. St Marys Gordons it is understood are also endeavouring to form a Club, and there are prospects of the Balmorals getting into full swing. The YMCA might also take the hint, and wish has been expressed that the Ipswich swimmers might also affiliate with the Association.

ROCKHAMPTON SWIMMING CLUB

A copy of the Third Annual report of the Rockhampton Swimming Club has been received. The Club now holds one of the first positions in Rockhampton among sporting bodies, and a successful season is anticipated. The Club's Patron, Mr De Little, is eulogistically referred to, and it is gratifying to note he has promised to extend his Patronage to the Club during the present season.

Note was made of the success of D.Nevin at the Australasian Championship Carnivals. The Committee was disappointed by the way our representative was treated by the QAS Association. The prizes he won were not received by him until fully five months after the Carnivals, and it was then only after repeated application.

The Committee extended its sincere thanks to Mr B.Burton, our Delegate in Brisbane, for his valuable services at the Association meetings. We would be pleased to hear of his willingness again to take up these duties.

BRISBANE LADIES SWIMMING CLUB

The First Annual Meeting of the Brisbane Ladies Amateur Swimming Club was held at the Club Rooms, Spring Hill, last Monday night, Miss E.Freudenberg in the Chair. There was a good attendance and several new members were enrolled.

The Officers elected were - Patroness, Lady Chermside; President, The Mayoress, Mrs L.G.Corrie; Vice Presidents, Mrs Buchanan, Dr Lilian Cooper, Mrs (Dr) Brockway, Mrs (Dr) Love, and Mrs Effey; Secretary, Miss E.McLaughlin; Treasurer, Miss C.G.Freudenberg; Auditors, Mrs E.Woolcox and I.McLaughlin.

The question of affiliation with the Queensland Amateur Swimming Association was discussed and the Secretary was instructed to look into the matter. It was decided to hold the first Club Handicap on Tuesday 13 October, and all intending members are requested to attend.

NORTH BRISBANE CLUB

The official opening for Norths is fixed for Wednesday 7 October. In the Annual Report of the Club mention was made of the President, the Vice Presidents and several other gentlemen as well as the "Sports Observer" for assistance received during the season. Mr Harrower, the licensee of the baths at Spring Hill, has affected some alterations and the baths look all the better for his exertions. Mr R.B.Stark has again accepted the position of Vice President of the Club and has forwarded a handsome donation. - Mr P.Hasset, an ex-member of Norths, has been elected Secretary of the Toowong Swimming Club.

ST JOHNS GORDONS

A Swimming Club has been formed in connection with St Johns Gordon Club. The following are the Office Bearers - President, Rev F.C.Harris; Vice Presidents, Hon E.J.Stevens MLC, Rev Maitland-Woods, Ald G.Fysh, Messrs E.Baynes, A.Baldwin, A.Stewart, J.McConkey, G.C.Benson and P.H.Morry; Treasurer, P.Leslie; Handicapper, E.Hodgson; Starter and Timekeeper, E.Wetzel; Captain, P.H.Morry; Vice Captain, P.Brewer.

Committee, Rev F.C.Harris, P.H.Morry, P.Brewer, P.Leslie and T.Trenfield; Delegates P.H.Morry, P.Leslie and R.P.Knowles.

It has been decided to affiliate with the QASA and commence the season next Tuesday in the South Brisbane Baths when a 66 yards Handicap will be contested.

TOOWONG SWIMMING CLUB

A large meeting was held last Tuesday in the Royal Mail Hotel, Toowong, when it was decided to form a Swimming Club in the district. Mr H.Diddams who presided briefly pointed out the good to be derived from swimming, and the necessity of swimming baths in Toowong. He hoped the Council would see its way clear to erect baths as early as possible.

The following were elected Officers for the ensuing season - Patron, E.H.Macartney MLA; President, Mr H.Diddams; Vice Presidents, Dr Jackson and Messrs J.M.Horton, G.Hison, F.Bethel and T.O'Sullivan; Captain, R.Carr; Vice Captain, C.Joice; Secretary, P.Hassett; Assistant Secretary, C.Joice; Treasurer J.McCaffrey; Handicapper, W.Bliss; Delegates, C.Campbell, C.J.Heron and P.Hassett; General Committee, P.Hay, L.Dixon, C.Hiron, H.Bunting, G.Delmodes and R.A.Conn; Auditors W.F.Watts and M.E.Dunne.

A white seal in a white outlined heart will be woven on the Club costume. Club swims will take place every Thursday from 9 October in the Metropolitan Baths.

CITY CLUB

The City Club had a very successful Annual Meeting at which the genial Mr G.H.Forrest presided. The Report reviewed the work of the past season and the success of the various Carnivals held by the Club. The roll last season showed 116 senior and junior members, and the average attendance at Club swims was 45.

The recent departure of Mr G.F.Hambridge was mentioned with regret. The thanks of the Club were extended to the Patron, the Hon E.J.Stevens MLC, the President, Mr E.R.Gross, Vice Presidents Messrs M.Turnbull, A.Corrie, A.Dodwell, F.Nissen, E.H.Forrest, M.Baldwin, E.Collins, Captain Summers, "Sports Observer", and all who assisted the Club. The Financial Statement was satisfactory, and showed the gross turnover for the year had amounted to one hundred and ninety nine pounds one shilling and eleven pence.

The Office Bearers elected were - Patron, Hon E.J.Stevens MLC; President, Mr E.R.Gross; Vice Presidents, Messrs J.H.Forrest, M.Baldwin, A.Corrie, W.H.Beattie, F.W.Nissen, M.W.Turnbull, A.V.Dodwell, and A.Barrington; Captain, J.Colclough; Handicapper, Mr G.Bunting; Starter and Timekeeper, Mr T.S.Craig; Delegates to QASA, Messrs G.Gailey, J.Colclough, J.B.Arthur and T.S.Craig; Hon Secretary, Mr J.Colclough; Treasurer, Mr J.B.Arthur; Committee, Messrs F.Gailey, F.W.Nissen, T.H.Green, G.Whittick, H.Hennington, F.G.Pickburn and W.Hetherington; Hon Auditors T.S.Craig and G.A.Morris.

The Secretary submitted a new draft of Rules which were adopted. The question of colours for the Club was left in the hands of the Committee for attention.

The Chairman then handed over the trophies won during the year, the recipients being W.Hennington and A.Murray. The Challenge Tobacco, Massey-Harris and Hicks Cups were exhibited for inspection of members, and were the subject of very favourable comment.

A vote of thanks having been accorded to the Secretary and Treasurer, the Chairman and the Press, the meeting terminated.

ASSOCIATION MEETING

A meeting of the Queensland Amateur Swimming Association-will be held next Monday when the matters for the Annual Meeting will be straightened up. The Annual Meeting of the Association will be held in the Carlton Club next Wednesday evening, and the various Club members should endeavour to be present.

SWIMMING AND SWIMMERS - SOME STRONG STATEMENTS MAYOR BLOCKSIDE ON RATEPAYERS APATHY

At the Annual Meeting of the Queensland Swimming Association held last night at the Carlton Club Rooms, there were present Dr A.B.Brockway (Chairman), Mayor Blockside (South Brisbane), Rev S.C.Harris, Messrs W.H.Hinch (Treasurer), G.Stack (Secretary), D.A.Coffey, G.Crawford, D.S.Carter, B.Burton (Rockhampton), G.Gailey, D.Gailey, J.Duffey, E.Wetzel, A.Oxlade, J.Holdsworth, J.Colclough, J.B.Arthur, Professor Pannell and many others. Apologies were received from Mayor Corrie (North Brisbane) and Mr T.A.Bond.

The Hon Treasurer (Mr W.H.Hinch) read his Report showing the receipts for the year had been one hundred and thirty one pounds eleven shillings and a penny, and the expenditure one hundred and eighteen pounds eighteen shillings and ten pence, leaving a credit balance of twelve pounds fifteen shillings and three pence. Last years balance had been one pound seven shillings and five pence. Dealing with the Statement of Assets and Liabilities, he showed that the assets amounted to nineteen pounds eighteen shillings and three pence, and the liabilities to forty seven pounds four shillings and ten pence, leaving an excess of liabilities over assets of twenty seven pounds six shillings and seven pence. Included in the liabilities were two items of Club loans of thirty pounds, and Championship medals of fourteen pounds eight shillings outstanding accounts. Mr Carter asked what were the outstanding amounts owed by the Clubs. In reply, Mr Stack said that the City Club owed one pound thirteen shillings, the North Brisbane twelve shillings and sixpence, and the Valley five shillings. During the discussion which followed, the opinion was expressed that the money received in connection with the carnivals ought to have been handed in by the Clubs. It was decided the City Club be allowed another two weeks in the light of certain explanations given.

The Secretary's Report

The Secretary's (Mr G.Stack) Report suggested the Clubs affected by the thirty pounds loans to the Association should consider the desirability of forgoing as much as possible of their claims for a refund. During the past year the following Clubs were affiliated with the Association -City, Valley, North Brisbane, Indooroopilly Juniors, Ipswich Athletic, Charters Towers, Rockhampton, Ipswich Railways and the Brisbane Girls High School. The affiliation of the latter Club, which was the first ladies association to join, was due to the President, Dr A.B.Brockway.

Swimming during the year had been well catered for, carnivals being held as follows -City 2, North Brisbane 2, Valley 1, Indooroopilly Juniors 1 - all of which were very successful. Rockhampton Club also had a successful carnival at which the Championships of Central Queensland were competed for. Reference was made to the State Championships and the Australasian Championships. Competitions for long 'Distance Certificates had been held by the various Clubs, and no less than sixty nine swimmers gained certificates. Four gained mile certificates, namely Alan Corrie (City Club), Masters F.W., G.L. and E.Springfield (Valley Club), Master H.W.Markwell (Valley Club) swam two miles in 1 Hour 11 minutes and 55 seconds. Seven quarter mile and two half mile certificates were gained by

various members of the Girls High School Club.

The thanks of the Association were accorded to Dr A.B.Brockway, Messrs R.H.Roe, M.Baldwin, the Mayors of North and South Brisbane, Moreton Printing Company, the Queensland Turf Club, the Committee of the St Patrick's Day celebrations, the Irish Association, Mr R.Gailey and others. In mentioning the opening of the South Brisbane Baths, the efforts of Mr G.H.Blocksidge, Mayor of South Brisbane, were eulogised.

Speaking to the motion for the adoption of the Secretary's Report, Mr Crawford differed from the suggestion that the Clubs should forgo some of the money lent to the Association. It had been looked on as a loan, and as a loan, it should be repaid. He referred to the Conference held at the time of the Australasian Championships, and, in continuing, expressed pleasure in the formation of new Clubs as their affiliation would check Club jealousies and bickerings, and make it less likely that one or two Clubs would again rule the roost.

Officers Elected

The election of Office Bearers for the ensuing year resulted as follows - Patron, His Excellency the Governor Sir Herbert Chermiside; President, Dr A.B.Brockway; Vice Presidents, Hon E.J.Stevens, Messrs J.Cameron MLA, R.H.Roe MA, Maurice Baldwin, J.Duffy, J.Kenna, T.A.Bond, Dr Sutton, E.S.Corrie and G.Blocksidge; Hon Treasurer, Mr W.H.Hinch; Hon Secretary, Mr E.Wetzel; Assistant Secretary, Mr A.McPhie; Auditors Messrs S.Craig and D.A.Coffey.

Speech by the President

Dr D.A.Brockway, who was received with applause, said that he had sometimes felt last year that he had not done his duty altogether to the Swimming Association. He had done a good deal for swimming in a quiet way and had endeavoured to encourage would-be swimmers (applause). The longer he lived in Brisbane, the more surprised he was that the older citizens did not attach greater importance to swimming. Take the Education Department, whose heads were frequently changed and who had permanent secretaries of somewhat antique type (The Department had not yet realised it was useless to drill boys and girls during the summer months). It always made him hot with anger - and hot physically - to watch the children being drilled in the Normal School and the Leichhardt School, the Normal School being situated in a valley absolutely protected from any breeze, and there they were drilled in the sweltering heat hoping it might do them some good! It would be infinitely better if they were allowed to play tig in the ground above the school (laughter). Apparently the objective of these USELESS MANEUVERS was that the boys might become soldiers when they grew up. A little while back there had been a great outcry for soldiers to go to South Africa. I am yet to learn if they were asked if they learned drill as boys. The chief requisites were a strong physique, bush experience, and good shooting. The authorities should stop this idiotic drill and try to do something to improve the physique of the boys, and there was nothing better during the summer months than swimming. He praised the efforts of Mayor Blocksidge, and promoted the idea of electoral swimming Clubs as the surest way to get the various Local Authorities to establish baths.

Alderman Blocksidge (Mayor of South Brisbane) regretted the fact that the schedule which had planned for two baths was defeated by the apathy of the ratepayers. Years ago, he had gone back to the Council with the object of getting baths established in South Brisbane, and had been fighting for it ever since, at times practically single handed after getting the baths through and the Council approval, but it had been a hard road, and when the loan proposal had been put before the ratepayers,

THEIR APATHY KILLED IT.

He had been more disgusted and disappointed in that, than at his defeat at the polls. However he had got the baths established at a later date. In connection with the baths in South Brisbane, complaints had been made that they were not deep enough or properly managed. On Monday, he believed, the Works Committee would bring forward a proposal to establish an electric plant and motor to keep the baths full and the bath lighted up at night.

After a vote of thanks was carried to the retiring Officers, the Chairman and the Press, the meeting closed.

SWIMMING - NOTES AND CLIPPINGS
By H20
ASSOCIATION MEETING

At the Annual General Meeting, A silver sugar basin which had been presented was shown to the President, Dr A.B.Brockway, was certainly not in good order. This trophy had been handed over to the Association as a donation in that form. It was eventually decided that it should be repaired at the expense of the Association. The suggestion was made that all trophies should be engraved before being handed over, and a subcommittee should be appointed to see they were of the right value. The Challenge Cup competed for at the last Association Carnival came in for some criticism, and Mr George Crawford asked why the City Club were allowed to act as custodians of the trophy, seeing it had been competed for at an Association carnival. Mr Colclough, Secretary of the City Club, explained that the Cup had been given to the City Club by Mr J.H.Forrest on the condition it should be won twice. At the last carnival the Association had been stuck for trophies, and when the Club had offered to put this item on the programme, the offer had been gratefully accepted. As the Cup had been given to the City Club, they were entitled to act as its custodian. Other speakers contributed their quota, but Mr George Crawford created a small sensation when he moved that a deputation wait on Mr Forrest to get the true facts of the case. However something like peace was restored.

Mr B.Burton brought up the question of the Cup again, he referring to the disgust felt by Mr Niven of Rockhampton who had won the trophy, and according to the advertisement should have obtained possession of it, but had been informed the trophy must be won twice. This was a serious matter. He had read in the Sports Observer a letter from Rockhampton that showed that swimmers there resented the Association's action. A short debate followed, the majority of members present seemed in favour of contributing towards Mr Nevin's expenses if he decided to make another try for the Cup next year.

The official opening of the North Brisbane Club will take place next Wednesday, and the Valley Club will also open their Club season. St John's Gordon are also due to hold their first swim.

Y.M.C.A. SWIMMING CLUB

A meeting was convened by Mr Woodcroft last Thursday night to reorganise the Swimming Club in connection with the above organisation. There was a good attendance of members and it was decided to start a Club this season, the colours to be blue and white. It was decided to ask Dr Brockway to be Patron of the Club. Election of Officers resulted - President, Mr C.F.Wood; Vice President, Mr

M.McKenzie; Secretary, Mr J.E.England; Treasurer, Mr G.Bennett; Captain, Mr Lowther. It was decided that the Committee should consist of the President and Messrs Turner and Sneyd. It was further decided to hold the first swim at the City Baths on Monday night 19 October.

SWIMMING AT IPSWICH

A good deal of interest has been taken in swimming in Ipswich. The Railways Club which had such a successful season last year will continue with the prospect of even greater success. In addition there is every prospect that a Swimming Club will be formed in connection with the St Paul's Institute, the C.Y.M. Society and the Wanderers P.C. In as much as each of these combinations has in its ranks well-known local swimmers and enthusiastic followers of the sport, the summer months promise much for all lovers of their favourite pastime.

SWIMMING - NOTES AND CLIPPINGS By H20 ASSOCIATION MEETING

The first meeting of the new Council was held last Monday night at the Carlton Club Hotel, the Affiliated Clubs being represented by Delegates. Mr Maurice Baldwin was elected Chairman (unopposed) and accepted the position. Mr D.S.Carter was elected Press Correspondent, and W.P.Sparkes Handicapper. Previously the Rules provided for three Handicappers representing the Metropolitan Clubs, but due to the increase of Clubs within the Association, it was considered more convenient to have only one Handicapper.

His Excellency, the Governor, accepted the position of Patron, Dr Brockway as President, and Messrs M.Baldwin and W.H.Duffey as Vice Presidents. The Hon E.J.Stevens in accepting the position of a Vice President kindly donated a trophy for competition. An Executive Committee comprising representatives of the Metropolitan Clubs was elected as follows - J.B.Arthur (City), M.J.Hinch (North Brisbane), G.Crawford (Valley), P.Hassett (Toowong), K.Knowles (St John's), with the Chairman and Secretary ex-officio members.

Miss J.G.Banwell requested permission to hold a Carnival under the Association auspices during the season. Mr J.Kenna was appointed Consul for the Rockhampton Centre. Other appointments were left to the Executive. The Secretary of the Rockhampton Association wrote re the successor of D.Nevin at the Australasian Championships, and on the motion of B.Burton, it was decided to award a trophy to Mr Nevin.

In connection with the communication received from Sydney in reference to the medals won by New South Wales representatives at the Australasian Championships Carnival, the Secretary was instructed to inform the New South Wales Association the matter was receiving attention.

It was decided to hold an Association Carnival early in December.

Mr Crawford gave notice of motion "That at the Conference to be held in Sydney next year, the Delegates representing the Queensland body be asked to move a motion that a residential qualification of three months be necessary in order to make members eligible to compete in the State Championships." Messrs Carter, Burton and the Secretary were appointed as a sub-committee to revise the Rules. It was decided, when possible, to hold the Delegates meetings in the Sports Club Rooms.

A good deal of general business was transacted, and judging from the tone of the meeting, the Council is determined to place the Association on a sound footing before long. It is hoped many swimmers will attend the meeting to be held on Monday night in the South Brisbane Hall to form a Swimming Club in South Brisbane.

LETTER TO H20

Dear H20, The last issue of the Evening Observer said Miss Gailey had accepted the position of Handicapper to the Brisbane Ladies Swimming Club. I need to contradict the statement as Miss Gailey has no intention of being the Hon Handicapper.

I am, etc. E.J.Gailey.

ASSOCIATION NOTES

It is regretted that Miss Kellerman will be unable to take part in the Association's Carnival in the Dry Dock on December 5. His Excellency the Governor has signified his intention to be present at the Carnival, and will start the 100 yards Championship. This in itself should ensure the success of the Carnival. Several Ministers of State have also accepted the invitation to be present, and taken all together the Carnival should be the greatest social function yet held under QASA auspices.

Club Secretaries are reminded that all entries for the Carnival must reach the Association Secretary not later than next Thursday. All our "top notchers" are in active training, and a great tussle is expected for the blue riband and the Championship which this season is confined to local competitors only.

A "tilting match" should prove a great draw at the coming Carnival. A man armed with a long pole at the end of which is a flat disc stands on a board placed across the bow of a small boat pulled by another man, while two other men act similarly in another boat. At a given signal the boats approach each other as hard as they can go and the "Knights of the Lance" charge on their watery steeds. An occasional well aimed prod sends both over.

At the Executive meeting of the Queensland Amateur Swimming Association held last night, the following Brisbane swimmers were selected from those who had applied in connection with the Carnival to be held in Rockhampton, by the Rockhampton Swimming Club to be held on the 13th and 15th December - K.Honeyman (North Brisbane), R.Berry (North Brisbane), R.Carr (Toowong). Mr E.Wetzel, Secretary of the Association will accompany the team as Manager.

ASSOCIATION CARNIVAL

The following Officials have been appointed in connection with the Carnival to be held in the Dry Dock next Saturday afternoon. They are requested to be present at 2.30 o'clock sharp. Starter, Mr A.Littleboy; Check Starter, Mr P.D.Macdonald; Judges, Messrs M. Baldwin, R.H.Roe, D.S.Carter; Referee, Dr Brockway; Timekeepers, Messrs E.Colclough, A.Butterfield, C.H.Briggs; Call Stewards, Messrs J.A.McIntyre and M.J.Hinch; Costume Stewards, Messrs T.J.Donovan and P.Hassett; Clerks of Course, Messrs W.P.Sparkes and B. Burton; Result Steward, Mr P.J.Coffey.

Novelty events will include an "all clothes" race and a 60 yards race where competitors will partake of a meal. Both these events should prove interesting and amusing. Competitors are reminded that trunks must be worn outside of costume and that they must proceed with their tickets from their respective Club Secretaries, otherwise they will be unable to receive admittance to the Carnival.

The State Championship, by all accounts, will undoubtedly prove one of the most interesting races ever held in Queensland. It is planned to add to that programme a Ladies Race which should be a considerable attraction, which at the same time serve to show the progress made by some of the Brisbane Ladies in swimming.

A new Club has affiliated with the Association, namely St. Paul's Young Men's Institute Ipswich, and some good results should be heard from that centre. Mr Albert Schafer has been appointed local Consul.

HETHERINGTON WINS 100 YARDS CHAMPIONSHIP

Swimming certainly should become a national summer pastime in Australia, and it is fair to assume that it is in that position too, judging by the interest displayed this afternoon in a Carnival carried out at the South Brisbane Dock under the auspices of the Queensland Amateur Swimming Association. Sweltering as we have been in the heat of December days, the Carnival proved a most seasonable function and the programme put forward was varied and thoroughly enjoyable. The accommodation of the Dock was well availed of, including a considerable number of ladies, and many people prominent in our social, business and sporting world.

Amongst other notabilities were noted His Excellency the Governor, Sir Herbert Chermide, the Hon W.H.Browne (Minister for Works), the Hon D.Denham (Home Secretary), the Hon A.H.Barlow (Minister for Education), the Hon T.J.O'Sullivan MLC, Ald L.G.Corrie and Mrs Corrie (Mayor and Mayoress of North Brisbane), Ald G.H.Blocksidge and Mrs Blocksidge (Mayor and Mayoress of South Brisbane), and the Hon T. Macdonald-Paterson MHR. The Governor was attended by his ADC, Lt Newton, and was received by the Mayors of North and South Brisbane and members of the Committee and was given three hearty cheers as the band struck up "God Save the King".

A programme of music was capably rendered by the Queensland Rifles Band, and

afternoon tea for the ladies proved a happy feature of the Carnival.

The Dock was gay with hung bunting, and canvas awnings were spread to shade the ladies from the sun, and all arrangements appeared to be as perfect as circumstances permitted.

Results:-

Junior Handicap 30 yds J.A.Boyd (Valley) 1, W.Lewis (Valley) 2, C.Jamieson. (N Brisbane) 3. Time 20 1/5 sec

Old Championship 100 yds- W.Hetherington (City)1, D.Gailey(City)2.
K.Honeyman (N Bris)3. Time 1 min 5 secs

The Governor started the race

Clothes Race 60 yds- R.Carr(Toowong) 1, J.Hollingsworth(St J) 2

Inter-Club H/cap 220 yds -F.W.Springfield (Valley) 1,
D.Corrie(City)2, G.Smith (Valley) 3.

Inter-Club H/cap 60 yds A.G.Hennington (City) 1,F.W.Springfield
(Valley) 2, W.Bliss (St Johns) 3.

The Novelty Event V.Nichol (City) 1, F.Cutcliffe (City) 2.

Conditions of this event were that the competitors had to swim across the baths, eat two pieces of currant cake, swim across the baths again, drink a bottle of lemonade, and again swim across the baths. The contest proved a "cakewalk" for Nichol.

Ladies H/cap 50 yards - Miss Evelyn Turnbull 1, Miss Rae McLaughlin 2, with Miss Ethel Woolcox and Miss Ethel Woolstein close up.

The race proved most interesting, and the ladies were given a hearty cheer. Several different styles of swimming were adopted by the competitors.

ASSOCIATION CARNIVAL

The Association's Carnival was very successful. The Association's Secretary, Mr E.Wetzel, the Hon Treasurer, Mr M.Hinch and the other members of the Executive are to be congratulated on the results of their efforts. It is anticipated that after payment of expenses there will be about eleven pounds in hand - a very welcome addition to the Association's funds. The President and Vice Presidents of the Association forwarded subscriptions to the funds after their election, and taken altogether it is anticipated the governing body of swimming is now on a sound financial footing. At any rate, the liabilities incurred last season will probably be wiped out, and the present condition of affairs reflects high credit on the Council.

It was shown that the presence of His Excellency at Saturday's Carnival was well appreciated by swimmers, and Sir Herbert's popularity was evidenced by the warmth with which he was greeted on arrival at the Dock.

NEW LADIES CLUB

(COMMERCIAL LADIES CLUB)

A new Ladies Swimming Club which has been formed recently promises to be a great success. It is called the Ladies Commercial Swimming Club. The Officers of the Club are - President, Madam Thiodon; Vice President, Miss A. Bryant; Secretary, Miss Kate Farmer; Treasurer, Miss L. Bryant; Captain, Miss M.Prentice.

The Club holds a meeting every Saturday night at the Spring Hill Baths, and so far there has been a good roll-up. A trophy is to be given for the best attendance during the season. A race will be held every month for which a trophy will be given. The costumes are blue and white and look very pretty. There are a good

number of ladies on the roll, and any ladies wishing to join should apply to Mrs Harrower at the baths, or any of the Committee. "Bill" Farmer of North Brisbane Harriers and G.Mossop are acting as Handicappers.

From 1 January 1904 there was a separate film made of the Saturday Observer Sports editions in which H20 continued to write at length, and recorded in detail the weekly swim results of the various clubs as well as Association Notes, general comment, meetings and carnivals)

ASSOCIATION NOTES

The usual monthly meeting of the Association was held in the Sports Club Rooms in the Courier Building on Monday evening last, with Mr M. Baldwin in the Chair. A great amount of business was dealt with, including the resignation of Mr D.P.Coffey as Press Correspondent and Auditor, which was accepted with regret. Mi Geo Crawford as appointed in his stead as Auditor. A sub-committee consisting of the Chairman, Secretary and Treasurer was appointed to inquire into the Charters Towers Cavill refund. Sanction was granted to the Valley Club to hold a carnival at the Booroodabin Baths on 27 January. Affiliation of the Brisbane Girls High School was granted. It was decided to hold competitions for on Distance Certificates on dates to suit the different Clubs. General permission was granted to members of the Association to compete in the 60 yards Junior Handicap and Diving competition at Sandgate on New Year's Day (yesterday).

During the week, Mr James Markrow one of the Vice Presidents of the Rockhampton Ladies Club, gave Brisbane a flying visit, but owing to the pressure of business was unable to stay and witness any of the different Club events. He is one of the best and enthusiastic supporters in that City and a solid worker. Swimmers who visited Rockhampton wish to tender their sincere thanks to the members of that Club and to Mr A.Nevin of the baths for their hospitality and kindness during their short stay there, and trust to be able to return the same if any of them should be able to pay Brisbane a visit.

The affiliation of the Brisbane Girls High School is another good move. What about the Y.M.C.A.? They have not come along yet.

THE SOUTH BRISBANE CLUB

Members have got back into harness again after a short spell for Christmas holidays. The Club is to be congratulated in gaining their first win in open competition. This was secured by Mr P.Carmichael who won the 100 yards race at Sandgate on New Year's Day. Carmichael is a neat and strong swimmer, and being an athletic type should make a name for himself and the Club in the future.

ASSOCIATION NOTES

Club Secretaries and members of the Association who still have tickets in hand from the late Association Carnival, are requested to return the same and communicate with the Secretary of the Association. Club Secretaries should let the Secretary of the Association know when they intend holding the competitions for the Long Distance Certificates. It is a matter which requires encouragement, for outside of R.Cavill, none of the Australasian States have anyone whom they can depend on for a decent performance. It is to be hoped different Clubs will each apply for a Distance Championship and thereby assist the sport in the right direction.

A novel move has been made by the Brisbane Ladies Swimming Club who intend to hold their first Annual Carnival shortly, and they have applied for a State Championship, This is a credit to such a young Club, and great praise is due to their energetic Secretary, who is ever untiring in the interests of the Club and the sport generally.

Mr F de Little, President of the Rockhampton Club, paid a short visit during the holidays. It will be remembered that Mr de Little kindly donated the valuable prize for the 100 yards Scratch Race, which really developed into a Championship Race, while our visitors were in Rockhampton, and which was annexed in fine style by Dick Carr of the Toowong Club from K.Honeyman with P.K.Bryce third.

Quite a number of carnivals are now on the board. The next one to eventuate is at the opening of the Manly Baths on the 23rd inst. A train leaves Melbourne Street Station at 1,30pm, but if sufficient inducement is offered, a drag will be provided. The Valley Club Carnival is on the 27th, and the St John's Gordon, the North Brisbane and the Brisbane Ladies clubs carnivals are next month.

As the Australasian Championships are to be competed for in Sydney on 12, 15 and 19 March this year, our swimmers who intend to compete in test races for selection of representatives this season, will soon have to get into ship-shape, and some fine swimming should be witnessed in these events.

ASSOCIATION NOTES

The Executive meeting held last Monday night had a great deal of business to deal with. Permission was granted to hold a carnival at Manly on 23rd inst to celebrate the opening of the baths. There were four open events for members of the Association, namely, 37 yards Junior Handicap, 75 yards Inter-Club Handicap, Ladies Race and Diving competition. Permission was granted to St John's Gordon Club to hold a carnival on 8 February, and Brisbane Ladies on 17 February. The ladies have also been successful in securing the holding of the 440 yards Championship or Queensland, this being the first year the event has been competed for.

Other dates granted were - 20 February Professor Pannell's Benefit, 29 February, North Brisbane Carnival with permission to swim the 880 yards Championship of Queensland. Each Club was allotted a test race to select representatives for the Australasian Championships to be contested at the respective headquarters as follows; 1 February, South

Brisbane Club 220 yards; 2 February, City Club 1 mile; 3 February, Valley Club Plunge; 6 February, St Johns Gordon Club 100 yards; 10 February, North Brisbane Club 880 yards; 11 February Toowong Club 440 yards. Entries should be in the hands of the Association Secretary not later than 27th inst.

Professor Pannell intends to introduce a number of novelty events not previously seen, at his carnival. It is stated that Mr Pannell intends to retire after this season and this carnival will take the form somewhat of a farewell benefit.

VALLEY CLUB

Valley Club Carnival passed off successfully and some good swimming was witnessed, the only fault to find being the lack of dressing accommodation. Officials of the Club are to be congratulated on their work which, with the exception of the matter mentioned, reflected credit on all concerned.

ASSOCIATION NOTES

Great praise is due to the Manly Committee for the hospitality extended to the Association officials last Saturday on the occasion of the Carnival to mark the opening of the new baths. It was pleasing to learn that the carnival was a financial success.

Competitors for test races are reminded of the times and places of these races previously given. It has been decided to make the 880 yards Championship at the North Brisbane Carnival a test race. The Toowong Club has kindly consented to forego their claim to the 440 yards test race, as the quarter mile Championship to be decided at the Brisbane Ladies Carnival will probably also be made the test race.

POINTS FOR DIVERS

A well known gentleman who is an authority on swimming writes as follows:- "I consider it would be worth while to call the attention of divers to one or two points to be considered in judging these events-

1. Distance from the take-off to the point at which the water is struck.
2. Clear entry - body straight, legs together, feet touching, head well between the arms.
3. Shallowness of dive - the tips of the fingers should emerge as the feet disappear.
4. Recovery quick and facing the direction of the dive and not towards the take-off.
5. There should be no "fancy" display not asked for.

A running dive - from the side of the baths not the board - would be a good addition to diving numbers.

ASSOCIATION NOTES

Several of the test races have been conducted, and as predicted, some good swimming was witnessed. No one anticipated such a keen struggle as occurred in the furlong, and the judges were unable to separate Honeymen and D.Gailey and the referee's services were called for the final decision which went' to the latter by a touch. The time recorded was 2 mins 20 secs, this being outside the standard, but the rough and choppy state of the water was accountable in a good measure for this.

The mile race proved the surprise packet of the lot, the winner turning up in F.W.Springfield, one of the Valley Club's juniors, who beat Dan Gailey by fully 35 yards in the splendid time of 27 mins 9 1/5 secs, which is 1 min 20 1/2 secs

inside the standard time. This is the best time ever put up over the distance in Queensland. The previous best was by F.Gailey in 27 mins 38 secs, then comes Dick Cavill (in the Australasian Championships in the Dry Dock) in 28 mins 45 secs, and this season's best stands to Dick Cavill in the New South Wales Championships in 25 mins 33 2/5 secs. Craig was second and Jackson third. This ranks young Springfield as the next best swimmer to Cavill, and this alone, irrespective of his showing in the quarter and half mile tests which are to be competed for on the 17th and 29th inst, should entitle him to represent the State over the distance. He is not yet 16 years of age, and should, with tuition, prove to be an Australian Champion.

The team will leave Rockhampton on the 24th inst.

The result of the test races so far - D.Gailey, first in the 100 and 220 yards and second in the mile; F.W.Springfield, first in the mile; K.Honeyman and W.Hetherington second in the 220 and 100 yards respectively. The results of the 440 and 880 yards are awaited with interest.

TOOWOOMBA CARNIVAL

A large and well attended carnival was held in the Toowoomba Municipal Baths on Wednesday night under splendid weather conditions. The swimming was very good and the races very close. Much credit is due to their Handicapper, Mr Phil Doyle. The following gentlemen officiated - Judges, Messrs Deazley and Coren; Starter, Mr Ted Fox; Timekeeper, Mr E.Meagher.

LADIES CHAMPIONSHIP

A swimming competition for "Ladies Only" will take place in the Booroodabin Baths on the 25th inst for the Championship of Queensland. The President of the Queensland Association (Dr A.B.Brockway) has presented a Challenge Cup for the teams race for the Secondary Schools, and also a Medal for the Secondary Schools Race. The Cup will be held by the school to which the winning team belongs. In addition to the above races, other events will be included on the programme. There will also be races for pupils from Primary Schools. Tickets, for ladies only, will be on sale in the City. A few tickets for gentlemen - gallery only - may be obtained from members of the Committee.

It is pleasing to know that the Association has made a start in the matter of raising funds to send representatives to the Australasian Championships to be held in Sydney. The Secretary has issued to the various members of Council, shilling fund cards. Every member is requested to assist in the movement so this State may be adequately represented. Perhaps we may be able to send more than one representative. Several swimmers have already notified their intention of making the trip, and they should have a most enjoyable time, as the programme of entertainment is very attractive, and leisure moments will be at a premium.

The Committee is requested to meet in the Sports Club Rooms in the Courier Building next Monday evening.

Swimmers are reminded that according to the Rules of the Association, they cannot become members of two different Clubs.

It has been decided to send a team by the mail train leaving Brisbane on the morning of Wednesday 9 March so they will be in time for the official Reception on 11 March. The team will be accompanied by the Secretary of the Association.

The Rockhampton team of swimmers who arrived on Thursday were officially welcomed by the Mayor yesterday, and should acquit themselves well in the various events.

LADIES AQUATIC CARNIVAL

For some unexplained reason, the "Observer" representative in the company of other press men was refused admission last night to the Ladies Aquatic Carnival held under the auspices of the City Amateur Swimming Club. This extraordinary step requires some explanation. The affair seems to have been bungled from the start. In the first place, the City Club, without consulting the Association, fixed the date of the carnival for 26 February, three nights ahead of the North Brisbane Club's carnival, which had been announced for weeks previously, then openly avowed to H20 through their Secretary their intention to withdraw from the Association if the date was not allowed.

This was an unsportsmanlike act and the carnival was apparently brought off in a high handed manner that will react very unfavourably with the Club. It seems a great pity that a number of young ladies should be induced to enter for a carnival and then denied the right and honour - for it is generally admitted to be an honour - to see their names published as winners of hard fought races. However, the loss is the Club's.

ROCKHAMPTON TEAM

Mr Finnemore, manager of the Rockhampton swimming team, expressed his gratitude yesterday for the treatment accorded his men by the members of the North Brisbane Club, the Secretary of the Association (Mr E.Wetzel), the Secretary of the Brisbane Ladies Club (Miss McLoughlin) and others.

Th team was very fairly treated in races. He attributed their defeat partly to the fact they had not altogether kept up their standard of training to which they attained prior to leaving Rockhampton, and partly to the different method of swimming in Brisbane. They had learnt a lot this time, especially in the matter of footwork.

Mr Finnemore added that an invitation to visit Rockhampton had been extended to a team of Brisbane lady swimmers. The Rockhampton boys left today on the "Arrawatta".

AUSTRALASIAN CHAMPIONSHIPS

Several interesting letters have been received from Mr Wetzel, and it is evident Queenslanders are having a good time down south. Of the half mile, Ted wrote, "Another day is over and also the half mile Championship and a new Australasian Champion has been unearthed in the person of a lad who is not yet 17 years of age, namely Keran, of the Sebraon, who defeated the redoubtable Dick Cavill and put up a new record. The day was full of surprises. Springfield did not get third place, being defeated by Smith of New South Wales by a yard, but he defeated Dan Galley by 30 yards and also all the other States that were represented. As he completed the time inside the Australasian Standard Time he is entitled to an Australasian Standard Certificate. R.Harrower, of the North Brisbane Club, swam the best race of his life in the 100 yards Inter-Club Handicap winning his heat in 1 min 11 secs, off 14 secs, and he swam third in the final which was won in 1 min 10 $\frac{2}{5}$ secs by Garvin to whom he had to concede 12 seconds. So you can see how he had no chance of winning.

The meeting was a great success and everything went off splendidly. We have had a most enjoyable time so far and we had a right royal time at the Tivoli theatre on Saturday night. We have just returned from a most enjoyable day's outing given by the Bondi Club, a trip round the harbour in the Government launch "Premier". Messrs R.G.Meagher and D.W.Oakes M.L.A., both Vice Presidents of the Club, accompanied us, and a fine tuck-out was provided.

H.Creaghe, the New Zealand rep, will be journeying back with us, and he intends returning to Rockhampton where he was born. He will be an acquisition to Queensland swimming as he can do 1 min 3 secs for the 100.

AUSTRALASIAN CHAMPIONSHIPS

(This description taken from the "S.D.Telegraph")

"The first big thing of the day was the 100 yards Championship of Australasia. In the absence of Dick Cavill, Cecil Healy was tipped as a certainty - he had swum "59" and under in public, and last week (report said) he had thrown the big sprint behind in "57".

The first heat was contested by C.Healy (NSW), D.Gailey (Qld) and W.Hetherington (Qld), and Healy swimming well within himself won by three yards in a time of 1 min 2 $\frac{2}{5}$ secs, with Galley second. In the second heat, owing to the absence of Cavill (NSW), W.S.Harris -(Vic) and W.Springfield (Qld) saw the coloured lad, Wickham, swim over them. Galley and Wickham started in the final and the Starter, Mr Griffiths, got the trio away beautifully. They kept together for a few yards then Healy forged ahead and turned at the end of the lap (50 yards) two yards ahead. Wickham was evidently husbanding his powers (for 50 yards is his favourite distance). Coming down the home stretch the black overhauled Healy, and if he had kept on straight he would have won perhaps by a yard or two, but instead he crossed from the shore side to get close to the leader, and twenty yards from the finish the two were neck and neck, but Wickham travelled faster, and landed the honours with Healy's head under his left armpit. Galley was three or four yards away third. The time recorded was sixty seconds, slower than his previous performances, and a couple of seconds slower than Dick Cavill's (the world's best).

As with the hundred, the mile was shorn of a great deal of interest with the absence of Dick Cavill. Keran (NSW), the half mile champion, F.W.Springfield (Qld), and C.M.Smith, a Fort Street schoolboy, were the only three of the seven entered. The line up of the mile was looked on as a foregone conclusion for Keran,

and the chief interest centered on the fact of his undertaking to make an attack on George Read's World Record of 24 minutes 46 1/5 seconds, accomplished, at the Woolloomooloo Bay Baths on 13 April nearly three years ago. In the mile, from the start Keran went away to the front and he added yards to his advantage at every lap. Smith and Springfield remained close together from the jump and continued neck and neck all the way until at the three quarter mile Smith left the water. Springfield went on. Keran finished 125 yards to the good in 24 minutes 36 1/5 seconds, some ten seconds better than the figures he set out to obliterate. The great throng of spectators cheered and cheered again the performance and the performer, and cheered Springfield as he swam strongly over the last two laps, treating him to an extraordinary burst of applause when he touched for the last time in a time of 26 minutes 21 3/5 seconds. It was a fitting wind up to one of the greatest swimming gatherings Australasia has known. Both boys used the double overarm stroke all the way."

ASSOCIATION NOTES

Springfield was the youngest swimmer that went to Sydney and the most successful, as he gained more prizes than any other that made the trip. His performance was to swim in the heat, semifinal and final of the 100 yards Handicap which he won, and after a short spell, started in the Mile Championship in which he gained second place.

ASSOCIATION NOTES

Members of the various Clubs who visited Sydney for the recent Australasian Championship Meeting speak in the highest terms of the New South Wales Amateur Swimming Association, the National Sporting Club, the Amateur Sports Club, Mr Claude Corbett, and various Clubs who showed great kindnesses and entertained the visitors so splendidly.

Special praise is due to F.W.Springfield who, during the history of the Australasian Championships, was the first Junior to represent a State, and his performance stamps him as an undoubted coming Australasian Champion. In the first carnival of the meeting he was unsuccessful in the 100 yards Handicap, but later in the day he acquitted himself well in the Half Mile Championship finishing fourth, defeating Gailey by forty yards, and under standard time. He also defeated all other State representatives. In the second carnival at Newcastle he was unsuccessful in the 220 yards Championship. In the third carnival he was successful in winning his heat of the 50 yards handicap, but was unsuccessful in the final and also in the 400 yards Championship. On the last and final day he was successful in winning his heat of the 10 yards Handicap in 1 min 12 3/5 secs, and the semifinal in 1 min 13 secs, and the final in 1 min 13 2/5 secs. A quarter of an hour later he swam the mile in 26 mins 21 3/5 secs, beating his previous Queensland record by 38 seconds after a great battle over 1000 yards with C.M.Smith who is a much taller and stronger lad than young Frank Springfield, and has done a better time for the mile than any of the early performances of the Cavills, who are looked on as the world record breakers.

Springfield has the honour of having placed Queensland in the proud position of second place in the swimming world at the Australasian Championships and before the other States of Victoria and New Zealand who were represented by much older, stronger and experienced men.

Another matter worthy of mention is the presentation made to him at the banquet after his performance in the mile by the Honorary Timekeepers, Messrs C.W.Oakes M.L.A., and W.T.Kerr, for his performance and pluck in the swim. Another presentation, it is understood, is under way in the southern Capital. Special

praise is also due to the National Sporting Club and the Amateur Sports Club, and last and not least to Claude Corbett and "The Town and Country Journal" for their exceeding kindnesses during our visit.

BRISBANE LADIES CLUB

Owing to the departure of the "Beerwah" with the team to take part in the Rockhampton swimming carnival, the Club did not hold a weekly swim. Fully one hundred assembled at the Howard Smith wharf to see the girls off and wish them success. This is the first time a representative body of girls acting on their own initiative have left Brisbane to compete in public sport at a considerable distance from the metropolis. Interest shown by the President and the Vice President, even to the extent of accompanying the team, is an indication of the popularity of the useful and gentle art of swimming. Progress made in one season both in membership and proficiency warrants the hope the Ladies Swimming Club may send its members to take part in the Australasian Championships next season. Members of the team swimming in Rockhampton are Misses Elvie Turnbull, Mabel Mahony, Ray McLoughlin, and May Clarke, all holders of long distance certificates for the mile. Management is in the hands of Miss Mary McLoughlin, Hon Secretary and emergency, who holds honours certificate for the quarter mile. Entertainment is planned, and a trip to Mt Morgan is on the programme.

BRISBANE LADIES CLUB

A number of members and interested friends put in an appearance at the Arthur Street Baths last Tuesday night to hear the result of the team's visit to Rockhampton. The Rockhampton Swimming Club made a specialty of the ladies events, and the Club Committee can be congratulated on the result due to their management and enterprise.

The first night, Saturday, the public interest ran high when the 54 yards Ladies Handicap was announced. The ladies wore cloaks and were greeted with cheers both on making their appearance and on leaving the water. The race was a fine one, all the girls being bunched together at the finish. Miss Mahony (5 secs) won by a touch from Miss May Clarke (9 secs) with Miss Elvie Turnbull (scratch) third. Only one local lady, Miss Maggie McGrath, competed.

"A relay race was a very plucky performance," says the "Rockhampton Bulletin", "against two other teams composed of the best swimmers in Central Queensland, Messrs Whitman, Bryce, Davies, Bracker and others. The distance was 216 yards. It was announced previous to the race that this was the first time in Queensland, if not in Australia, that ladies and gentlemen had ever taken part in a public swimming contest." The result was a defeat for our girls, Whitman's team winning.

On Monday night the Breaststroke was won by Miss May Clarke with Miss Mabel Mahony second, and Elvie Turnbull third. There was a long distance dive which was won by Miss Mahony and the neatest header was won by Miss Turnbull. The girls then gave an exhibition of fancy diving with the Secretary assisting in this item.

The girl's dressing room was decorated with the club's colours - light and dark blue - and the baths were beautifully arrayed with flags and greenery. All was done to make the visit a memorable one, and picnics parties, excursions and recreations followed one another in a most bewildering manner. In fact it would necessitate staying another week to comply with all the kind invitations from the different clubs. It is generally felt the visit of our girls will lead to the formation of a Ladies Club in Rockhampton next season.

ASSOCIATION NOTES

At the next meeting the Association will discuss the Australasian Agreement. The Report of the Australasian Championship Meeting held in Sydney shows a profit of eighty three pounds eight shillings and nine pence, which reflects great credit on the joint Secretaries, Messrs C.G.R.Wilsori and Geo Stanley, as well as the other two members of the Carnival Committee, Messrs W.W.Hill and A.W.Griffiths (the Official Starter). Cavill's lumbago seems to have left him since his trip to New Zealand, and he has been credited with breaking the 220 yards World record at Auckland. Arrangements are being made to have the trophies won by Frank Springfield on view in the City during this week.

The carnivals in Sydney were attended by over 4000 people, which shows the public interest in the natatorial art is improving, as is also the racing which has in the last few years to the standard now obtained. At almost every competition some World Records are broken. It is more than probable, according to the news received by mail, that England will be represented by "Boy" Billington at the next Australasian Championships to be held in Melbourne. Some fine exhibition of swimming should be witnessed between Cavill, Billington, and Springfield who is foreshadowed as a coming champion.

SWIMMING By H2O ASSOCIATION NOTES

A move has been made in the right direction on the initiative by Queensland that Standards Certificates should be in future given to competitors accomplishing Standard Times at Australasian Championships.

As the season is now practically closed, swimmers might with some advantage devote themselves to some Harrier Club or some other sport during the winter months so as to keep in form for the next season. The time of the Secretary will be kept fully occupied during the winter months compiling a report of the work done during the season which has undoubtedly been the most successful since the inception of the Association. Great praise is due to Mr A.D.McPhee, Assistant Secretary, who has been untiring in his efforts in assisting the Secretary, and in doing justice to the Ladies Clubs in the capacity of Handicapper, which in the best of times is not happy work. The Association Handicapper, Mr W.P.Sparkes has had no easy task during the season, but has carried out his duties well and successfully.

SWIMMING By H2O LADIES COMMERCIAL CLUB CARNIVAL

The Ladies Commercial Swimming Club held a very successful carnival in the Spring Hill Baths last Saturday night to close their season.

There was good attendance considering the state of the weather. Each winner was loudly cheered and close finishes were witnessed. Special praise is due to A.W.Farmer and T.G.Mossop for their splendid handiCapping. The Officials were - Referee, Dr Eleanor Greenham; Judges, Messrs Harrower and Cogan; Starter, Mr A.W.Farmer; Timekeeper, Mr T.G.Mossop.

During the evening the President, Madame Thiodon, read the Annual Report which showed the season had been a great success financially and otherwise. Madame Thiodon stated the Club would be reformed next season, in September if the weather permitted, if not, in October. On the motion of the President a vote of thanks was accorded to Dr Greenham for presenting the medals. A vote of thanks was accorded

the Secretary, Miss C. Farmer, for her splendid work during the season. Miss Farmer suitably responded. A vote of thanks was also accorded to Messrs A.W. Farmer and T.G. Mossop for their assistance and splendid handicapping. Madame Thiodon was also thanked for her earnest work on behalf of the Club.

COUNCIL MEETING

The usual monthly Council meeting of the QASA was held at the Sports Club last Monday evening, Mr D.S. Carter occupying the Chair in the unavoidable absence of Mr M. Baldwin. There was a fair attendance of delegates. A great amount of correspondence was dealt with. A. Beattie, of the Valley Club, was disqualified until a satisfactory explanation was forthcoming in connection with a certain matter. E. Wetzel's protest against J. Colclough's conduct in connection with a recent carnival was held over to the next Council meeting. It was decided to ask Dr Brockway to reconsider his resignation as President of the Association. A Report in connection with the representative's expenses at the Australasian Championships in Sydney was accepted. The Australasian Agreement was referred to the Executive Committee for consideration, and each Club Secretary will be furnished with a copy.

J. Colclough, who had made certain accusations against the Secretary of the Association was instructed to do so in writing. It was decided to hold a special Council Meeting to inquire into the matter. Accounts amounting to fifteen pounds thirteen shillings were passed for payment.

The "Challenge Tobacco Trophy" which has been won twice in succession on points by D. Neven of Rockhampton, now becomes his property. He should feel proud of his success. On both occasions when he competed he came down at his own expense. The Central District is to be congratulated on possessing a swimmer who has won such a handsome trophy against the Brisbane boys.

It is pleasing to know that now all the Clubs have held their Long Distance Competition, and the work of the Association has been successful in carrying out these competitions.

REVIEWING THE SEASON

It is to be noted that Queensland was a good second to New South Wales in the Australasian Championships, and there seems no reason why our swimmers should not be capable of giving New South Wales a good go for the first position.

Noted the poor response by the Authorities to the repeated requests by members of the QASA to stir up the need for more and better bathing facilities.

Noted with regret the degree of rivalry leading to enmity between some swimmers.

Noted the advent of Ladies Events in most Metropolitan carnivals.

Congratulated the capable Officers, Mr E. Wetzel, Secretary, and Mr W.H. Hinch for special praise, and Messrs A.D. McPhee, Assistant Secretary, and Mr W.P. Sparkes, Hon Handicapper, who have done good work.

In the Championships this season Messrs D. Gailey, F.W. Springfield and W. Hetherington have been the most successful. W. Hetherington won the 100 yards Championship at the Association Carnival held in the Dry Dock, D. Gailey being second. Mr D. Gailey won the 440 and 880 yards Championships, with F.W. Springfield second in both. Previous to this, it will be remembered, F.W. Springfield won the mile test event in beating Galley easily and setting a Queensland record.

LADIES AMATEUR SWIMMING ASSOCIATION

A well attended meeting was held in the School of Arts hall last night to form a Queensland Ladies Amateur Swimming Association. Mrs L.G. Corrie presided. It was decided to form an Association.

The following officers were elected: Patron, Lady Chermiside; President, Mrs L.G. Corrie; Vice Presidents, Mesdames Brockway, Thiodon, W.H. Beattie, Eden, Misses Wilkinson, Burdorff, Fewings and Craig; Hon Secretary (pro tem), Mrs May McLoughlin; Sub-committee, representatives from each Club; Advisory Committee, Messrs R.H. Roe, W.H. Beattie, T.A. Bond, M. McLoughlin, A.D. McPhee and Dr Brockway. It was decided to hold a meeting of the sub-committee and advisory committee next Wednesday night.

Ladies Clubs will probably join the Association when the swimming season commences.

SWIMMING

At the last meeting of the Queensland Amateur Swimming Association at which eleven delegates out of twenty six were present, it was decided, on the casting vote of the Chairman, to disqualify the Secretary of the Association (Mr E. Wetzel) as an amateur, and his resignation was accepted. It appears that the Secretary was formally charged with having, at a carnival, approached a swimmer to "swim dead" in the interests of another swimmer. Mr Wetzel stated that the words had been spoken jocularly, and on the appointment of a special committee of inquiry he tendered his resignation and refused to defend himself. The committee took evidence and reported to the Council with the result as above stated. Mr McPhee was appointed Secretary pro tem.

General regret has been expressed in swimming circles at Mr Wetzel's retirement, as it is recognised he carried out the duties of Secretary in a very able and energetic manner.

MANLY SWIMMING CLUB CARNIVAL

The Manly Swimming Club Carnival yesterday was a conspicuous success as the enclosure was packed with about 500 persons. The programme was run off without a hitch, and the Club has to be congratulated on the way all arrangements were carried out. Praise is due to the Hon Secretary, R. Russell, who proved himself the mainspring of the carnival. The place was decorated with bunting supplied by Messrs Martin & Co and the Post Office. Officials of the day were - Starter, Mr E. Wetzel; Check Starter, Mr A.D. McPhee; Referee, Mr T.J. Donovan; Judges, Messrs Geo Crawford and A.C. Jeffrey; Timekeepers, Messrs W.H. Hinch and A. Butterfield. Costume Stewards, Messrs W. SWIMMING LADIES ASSOCIATION

A meeting of the provisional Council of the Queensland Ladies Amateur Swimming Association consisting of two delegates from each Club and school was held on Thursday night. Miss Fewings presided.

It was decided to fix the affiliation fee at one pound one shilling for Ladies Clubs and ten shillings and sixpence for School Clubs.

The question of bathing accommodation was raised, and the Secretary was instructed to write to the Mayor asking him to receive a deputation on the matter during the coming month. Consideration of the Rules has been deferred to a special meeting.

Mrs May McLoughlin, the Hon Secretary, was elected Treasurer of the Association.

Letter to the Editor

Sir,

Your remarks on swimming are always read with interest by those, like myself, who think it should become a universal accomplishment. In the Sports Edition you say there is an absence of increased facilities in regard to swimming.

Surely you have inadvertently overlooked what Sandgate is doing in this respect. On one side of the pier is being made a bathing enclosure for ladies and children, about 140 feet long by 35 feet wide, cleared of all stones. On the other side of the pier is a place for men 180 feet long and 40-50 feet wide, and having at low water a depth of about three feet. Both these baths are enclosed in by 3 inch by 1 1/2 inch sawn battens placed 1 inch apart, so it is impossible for fish or jellyfish to get in. The men's bathing enclosure provides practically the finest enclosure in Queensland for swimming races, and also it is a pleasure to swim in clean sea water, and much better than the river or Enoggera water.

It is a matter well worth the consideration by the Queensland Amateur Swimming Association, and what could be more pleasant for the people of Brisbane on a hot summer night than a dip in the sea, which can be got here in perfect safety. The charge is to be only a half penny. Night bathing is quite popular in Sydney and costs three pence.

VALLEY SWIMMING CLUB
SEVENTH ANNUAL MEETING

The record season experienced by the Valley Swimming Club in the past year was evidenced by the splendid attendance at the Seventh Annual Meeting held in the Webster Valley Cafe last night. Mr V.R.Bale, President, occupied the Chair, and amongst those present were Messrs J.C.Bulgin (Secretary), P.W.Hill (Assistant Secretary), A.McPhee (Secretary QASA), W.P.Sparkes (Handicapper), W.Hinch (Assistant Treasurer), D.S.Carter, A.Butterfield, K.Holdsworth, W.J.Collins, J.Cossart (Vice Presidents), F.Springfield Snr, W.Hetherington, E.Prince, D.Gailey, T.J.Donovan and C.Marshal.

The Annual report of the Secretary showed the past season had been the most successful yet experienced. There were now 115 names on the roll compared with 86 the previous season, comprising 46 seniors and 51 juniors and 16 Honorary members. The junior members had been divided into grades according to proficiency. Twenty three weekly club swims were held on Wednesday evenings during the season. Some 300 entries were received for the annual carnival in January, constituting a record for the State. Funds benefited to the extent of ten pounds seventeen shillings and threepence net. A second carnival held at the close of the season was a success notwithstanding adverse weather conditions.

Monthly competition for trophies resulted as follows: G.Bretherton Senior,

H.Rhodes A Junior, S.White B Junior. In Inter-Club carnivals the total number of Valley entries was 460, and in Open events the Club representatives gained sixteen firsts, twenty two seconds and twelve third places. A Valley swimmer, Master F.W.Springfield, was chosen as a Queensland representative at the Australasian Championship Meeting. He was the first junior to represent a State or Colony in these meetings.

The winners of the Club Senior Trophies for Open Events were J.H. Dalrymple, Club Swims, J.H.Dalrymple, but having won one trophy the prize was awarded to T.Haslet, Attendance A.G.Boyd who took part in every swim, and Monthly Trophy Competition G.Bretherton. The Junior Trophies - for Open events F.W.Springfield, Club Swims A.J.Byrnes and A.Manson tie, and B.Grade E.J. and S.H.Springfield tie, Attendance W.Lewis A and S.Bulgin B, though G.McMahon and W.Martin were present at every swim and the prizes had to be allotted on Club points. In the Monthly Trophy competition, A Grade H.Rhodes, B.Grade S.White. Sixty nine Long Distance Certificates were won by Valley members during the season.

The death of Master A.McKinnon was mentioned with regret.

Thanks were given to Messrs D.S.Carter, Murrells & Becker, C.A.Brown, F.W.Nissen, Nesbit & Black, Fegan & Huddle, A.G.Littleboy, D.Mackay, Swift & Grace. For trophies presented thanks to Messrs T.Welsby, R.Bale, G.Down, A.Butterfield, R.W.Thurlow, J.Coulter, W.J.Collins, R.Milroy Jnr and Colonel T.Price. Thanks to Messrs W.Holdsworth and A.McKinnon for donations, to Messrs A.Butterfield, A.G.Littleboy, W.P.Sparkes, P.W.Hill, G.Crawford, C.Birkbeck and J.C.Bulgin, and also to the "Sports Observer" for the amount of space devoted to the Club's doings.

The Treasurer's Balance Sheet showed that the Receipts totalled £53/1/3 and Expenditure to £39/16/6.

The Chairman, moving the adoption of the Report and Balance Sheet, expressed regret at the illness of the Treasurer, Mr A.G.Littleboy, and congratulated the Club on the very healthy condition disclosed by the Report, and thought it was a matter for congratulation that they had a Balance of £13/4/9 as against £3/14/- last year. Mr A.G.Boyd seconded the motion for adoption which was carried unanimously.

Mr D.S.Carter thought that swimming was undoubtedly the sport which was best suited to Queensland. He had much pleasure in expressing the public's appreciation of the services of the Secretary, Mr J.C.Bulgin, the Assistant Secretary, Mr P.W.Hill, the Handicapper, Mr W.P.Sparkes, Mr A.Butterfield one of the founders of the Club, and the Treasurer (Applause).

The distribution of prizes then took place.

The election of Office Bearers for the year resulted: Patron Mr T.Welsby; President Mr B.R.Bale; Vice Presidents Messrs A.Butterfield, G.Down, A.L.Cossart, D.S.Carter, W.J.Collins, F.W.Springfield, J.O.Muse, R.Milroy, J.Holdsworth, Hon T.Macdonald-Paterson, Ald L.G.Corrie, and Colonel T.Price; Captains, Senior Mr H.J.Bale and Vice Captain J.Smith, and Junior, Master G.Aspley and Vice Captain Master T.Shields; Handicapper and Secretary (Mr J.C.Bulgin resigned) Mr W.J.Sparkes; Press Correspondent Mr P.W.Hill; Treasurer Mr A.G.Littleboy; Committee Messrs C.J.Bulgin, A.Butterfield, E.Prince, D.S.Carter and A.L.Cossart; Auditors Messrs G.Crawford and C.Marshall; Delegates to QASA Messrs D.S.Carter, P.W.Hill, A.Butterfield and G.Crawford.

A letter was received from the Association tendering £5 in full settlement of the debt incurred through a loan in connection with the Australasian Championships. The Chairman moved that the amount be received in full settlement. An amendment by Mr Sparkes accepting it conditionally on other Clubs following suit in regard to their loans, was carried by a large majority.

Mr Sparkes, the new Secretary, stated it was intended to form a Ladies Branch of the Club. On Mr Carter's motion it was agreed the fee for Club membership be two shillings and sixpence for seniors and one shilling for juniors. The Secretary proposed that in future blue ribbons be awarded for Club Senior and Junior Championships, and his suggestion was approved. A number of new members were proposed.

VALLEY LADIES CLUB

Messrs A.Butterfield, D.S.Carter and W.P.Sparkes (Secretary of the Valley Amateur Swimming Club) have convened a meeting for Thursday evening next to form a Valley Ladies Swimming Club, to be held in Webster's Cafe in Brunswick Street. If formed, the Club will then affiliate with the newly formed Queensland Ladies Association.

BRISBANE LADIES SWIMMING CLUB
SECOND ANNUAL MEETING

The Second Annual Meeting of the above Club was held in the dining room of the Diggers Arms Hotel which was kindly lent by Mrs George Staebell for the purpose. There was a very good attendance of members and supporters of the Club.

The Secretary's Report showed a membership of 58, against 15 the previous season. During the season the Club held 27 weekly swims. The trophies for the Club Points were won by Mrs Mabel Mahony and Mrs May McLoughlin, who tied for first place, with May Clarke second. The Long Distance competition for Honours Certificates was a revelation to all who witnessed it, and proved the girls could hold their own against the men in long distance swimming, Mabel Mahony, Evie Turnbull, May McLoughlin and May Clarke completing one mile.

During the off-season the Club decided to hold a Ball as a means of bringing the swimmers together, and it was a financial success, and one of the most enjoyable events in the history of the Club. The members had, on this occasion, presented the Secretary with a beautiful gold pendant in acknowledgment of her services. General regret was expressed at the departure of their beloved Vice Captain, Miss Evie Turnbull, who is now in Tasmania.

The following Officers were elected for the coming season: Patron, Lady Griffiths; President, Mrs W.Effey; Vice Presidents, Mrs (Dr) Carvosso, Mrs Buchanan, Dr L Cooper, Mrs A.B.Brockway, Dr Edith Ure, Mr G.R.Ryder; Hon Secretary and Handicapper, Miss May McLoughlin; Treasurer and Captain, Miss Mabel Mahony; Vice Captain, Miss May Clarke; Auditor, Miss Jose Noonan; Committee, Misses Ethel Wilcox, T.Paterson, Irene McLoughlin, Annie Cox and Kate Evans.

The Treasurer moved that the gaining of club points be presented in the same way as last year.

DEPUTATION TO THE MAYOR

A deputation, representing about 400 lady swimmers, including Misses Frewings, Beale, Copas, McLoughlin, Mahony, Clarke, Farmer and Heyden, waited on the Mayor of Brisbane last Monday and asked for the erection of Municipal Baths for ladies. The Mayor and Aldermen Morse, Tully and Thorne who were also present, expressed sympathy with the deputation, but stated they could not see their way clear to grant the request. The deputation then asked if certain hours could be set apart for ladies in the present municipal baths, and it was decided to write to the lessees. The Mayor subsequently provided afternoon tea for the members of the deputation, a courtesy which was much appreciated.

FITZROY LADIES SWIMMING CLUB

The Fitzroy Ladies Swimming Club, which already numbers 30 members, held their first swim of the season last Wednesday night, and started the season by extending an invitation to a number of their lady friends.

SANDGATE BATHS

It is hoped the Commissioner for Railways could see his way clear to grant Brisbane swimmers reduced fares on Saturdays and Sundays, or a quarterly season ticket covering those two days only. Brisbane swimmers would then no doubt take the opportunity for a dip in the sea.

LADY SWIMMERS - CITY CLUB'S TROUBLES

A Hot Time on Saturday - Dr Brockway as Paternal Advisor
Resignations of Secretary and Treasurer

The Annual Meeting of the City Ladies Swimming Club was held in the Cafe Schenhagen on Saturday evening, there being present Mrs A.Down, Misses E.Gailey, C.Gailey (Treasurer), L.K.Craig (Secretary), McKee, Nicholson, Walsh, Magonnis, Thelan, Cooper, Nicol and Dr Brockway.

The Secretary said she had asked Dr Brockway to come to the meeting to take the Chair.

BROCKWAY APOLOGENT

Miss E.Gailey, "I do not think that Dr Brockway should take the Chair." She was understood to add, "because he does not want the City Club."

The Secretary, "I think a gentleman should take the Chair."

Miss Magonnis, "Not in a women's meeting."

The Secretary pointed out that Dr Brockway's experience would be useful in conducting the meeting, for which reply was made that they could still refer to him. Dr Brockway thought that Miss Gailey's attitude was the correct one, as he did not think he had any right to take the Chair at their meeting, rather, if they though necessary, give them any help that might be needed. He believed the ladies should run their own affairs.

Miss Walsh was then voted to the Chair.

Miss E.Gailey wanted to know if this was the A.G.M. or just a General Meeting. The Secretary, "This is an Annual Meeting."

Miss Magonnis, on the proposal by a member to call it the Second Annual Meeting, remarked, "You cannot have two Annual Meetings in the one year." The Secretary, "The meeting before was only a meeting of Committee."

THE CLUB POSITION

Mrs L.G.Craig then presented the Annual Report for 1904 which read - "In presenting to you the First Annual Report and Balance Sheet of the Club, your Committee feel very much gratified at the success that has attended their efforts since the formation of the Club. Membership has steadily increased until at the present time we have a full total of 36. The finances, as you will presently see from the Balance Sheet, are in a very healthy state, there being an actual cash balance in hand of four pounds one shilling and nine pence, together with further amount of five pounds on loan to the men's branch of the City Swimming Club. During the season, the Club's carnival for lady competitors was the first of the kind ever held in the State, and was an undoubted success both socially and financially, favourable comment being passed on the Club on not countenancing mixed swimming carnivals. Your Committee must place on record the great assistance rendered the Club at, and previous to, the carnival, by Dr Brockway, the success of the function being due to a great extent to his efforts. It should also be noted with pleasurable pride that the Club numbers among its members the Lady Champions of Queensland, Miss Flo Carr, who on her showing in the Championship events, would hold her own with any lady swimmer in Australia. In conclusion, the Committee wish to thank the members for their adherence to the Club, and to the Press for furthering this first national pastime.

Miss Magonnis, "This is the Report for last year?"

The Secretary replied it was the Report for this year.

Miss Magonnis, "Oh yes, of last year's swimming." She then proposed the adoption of the Report, and the motion was seconded and carried.

TROUBLE OVER FINANCES

The next business was the reading of the Balance Sheet which was signed by L.K.Craig (A/Treasurer) and stated that the receipts amounted to £30/1/3 and the expenditure to £25/19/6. The assets consisted of £5 due from the Valley Club, photographs valued at 19/6 and credit £1/1/9.

The Secretary "We have no Auditors and you cannot accept a Balance Sheet until you have an Auditor."

Dr Brockway replied, when asked, it could be "provisionally" adopted. Miss Magonnis thought that a certain item in the Balance Sheet should not have appeared until the next Balance Sheet. She contended that the Report should have been read by the Treasurer (Miss C.Gailey). The Secretary. "The Treasurer has resigned."

Miss Magonnis, "This was not accepted by the Committee. It was to be referred to this meeting. That has nothing to do with it, she was Treasurer last year and it should be read by her. She was the one to give an account of the funds."

The Secretary pointed out that they usually had no funds, as the City Boys Club managed for them.

Miss Magonnis thought that if any money passed through the Club it should have been dealt with by the Treasurer. The Secretary said it was only a matter of six shillings. Miss Magonnis retorted, "If it was only one penny, it was the same thing. The Treasurer should handle the money."

The Secretary, "The Treasurer had resigned." Miss Magonnis, "Not last year, only last Friday week, and it was not accepted." Continuing, she referred to the expenditure on photographs. "Did the Committee authorise the buying of these photographs?" The Secretary, "Yes." Miss Magonnis, "It was a useless expenditure on photographs."

Silence followed, and the Chairman looked to Dr Brockway for guidance as to the next proceedings. Dr Brockway did not think the objection to the Secretary handling the money was a valid one because in clubs in which he was involved the Secretary had as much power in handling money as the Treasurer. For instance, he happened to be the Secretary of the Medical Society of Queensland, and during the whole of the year the Treasurer had not handled a penny. Every subscription was sent to him, Dr Brockway, and banked by him. The Treasurer signed the cheques

which he made out, and at the end of the year signed the Balance Sheet. It was only a small matter, and it would be very inconvenient indeed unless the Treasurer and Secretary lived very close together. If any other arrangement was made, he did not think it was a matter of any great importance.

Miss Magonnis thought that as a Treasurer was appointed, and they were not a Medical Society, and as there was no arrangement with the Secretary to pay, that the Treasurer should act.

(This wordy debate into the handling of money by the Boys Club and the Treasurer and the resignation of the Treasurer was recorded in the paper in detail as going on for some time and with some acerbity.)

At the close of the discussion Miss Nicholson proposed that Miss Craig be again elected Secretary. She asked for time to consider the matter. Miss Magonnis proposed that Miss C Gailey be elected Treasurer, and this was carried eight votes to six.

The other Office Bearers for the ensuing year were: President, E.R.Gross; Vice Presidents, Mrs J.J.Buchanan, Mrs W.S.Byrne, Miss Eaton; Secretary, Handicapper and Starter Miss L.K.Craig; Committee. Misses Magonnis, Gailey, Nicholson, Nicol, Pickburn and Walsh.

The Secretary stated that Mrs Gross had offered a trophy for the Club, and she had received offers of three other trophies.

At the request of some members of the Club, Dr Brockway read out a definition of the duties of the Secretary and Treasurer.

The meeting then ended amicably.

AMATEUR SWIMMING ASSOCIATION
Mr Wetzel Reinstated and re-elected Secretary

The Annual Meeting of the Queensland Amateur Swimming Association was held last evening in the Carlton Club Hotel. There was a splendid attendance of members, and the President, Dr A.B.Brockway, occupied the Chair.

Petitions signed by members of the Rockhampton and Manly Clubs were presented in favour of the reinstatement of the late Secretary (Mr E.Wetzel) who had been disqualified by the Council. The Chairman ruled the matter out of order, but the meeting carried a motion disagreeing with the ruling, and it was decided to reopen the question. Mr G.Crawford moved that the disqualification of Mr Wetzel be removed, and characterised the whole matter as a personal affair. He traced the history of the case which he said arose through an accusation against Mr Wetzel to the effect that he had endeavoured to induce a member of the Valley Swimming Club to allow Mr Neven of Rockhampton to win a certain event. The disqualification was made by a minority of the Council, and Mr Wetzel was condemned on hearsay evidence only. Further, the late Secretary was not present to defend himself when the disqualification was imposed. Mr Donovan seconded the motion.

Mr C.Campbell opposed the motion and defended the action of the Council. He pointed out Mr Wetzel was training Mr Neven at the time and was therefore interested in the latter.

Mr W.H.Beattie moved and Mr W.F.Pickburn seconded an amendment that the matter be postponed and referred to a select committee for investigation. Mr Duffy pointed out that the body which condemned Mr Wetzel met ex parte and did not invite him to be present until the night of the meeting.

The motion was finally carried by a small majority.

The Acting Secretary, Mr A.D.McPhee, presented the Sixth Annual Report which stated the Council desired to congratulate the Association for an exceptionally successful season. There were fifteen clubs affiliated and a total membership of over 500. During the year fifteen pounds had been refunded to the Clubs which had advanced loans for the Australasian Championships. The Championships carried out were in 1903. New baths had been erected at manly and at Wynnum and others were being erected in Rockhampton, and as a result a Ladies Club had been initiated

there. The Association Carnival held in the Dry Dock in December had been a great success. Queensland was represented in the Australasian Championships in Sydney by Master F.W.Springfield, the first junior to represent this State. He achieved second place in the Mile Championship in 26 minutes 27 ²/₅ seconds, breaking the Queensland record of 27 minutes 17 seconds. He also received fourth place in the Half Mile Championship and was presented with a special trophy. Messrs D.Gailey, W.Hetherington, R.Harrower and C.Farbendhen also competed with fair success. Over 400 Long Distance Certificates were presented, including 63 ladies. Two ladies, Misses Rosenstengel and Mahony, had won certificates for two and a half miles. Regret was expressed at the illness of the official Starter, Mr A.G.Littleboy. Thanks were expressed to all who had assisted the Association, and it was stated that praise was due to the late Secretary, Mr E.Wetzel.

Mr D.S.Carter moved the adoption of the Report and said the last season was the most successful ever experienced, and he hoped the coming season would be a record one. He referred to the want of swimming accommodation in such a warm climate as Queensland. Swimming should be the foremost sport, and in this the authorities did not use their best efforts to support it. The motion was seconded by Mr A.Butterfield and carried unanimously.

The Treasurer's Report, which was adopted, showed that while last year ended in a debit of £27/6/7, the year resulted in a gain of £27/7/-, leaving the Association in credit. The season's receipts included £8/8/- donations, £12/1/- affiliation fees, £35/15/5 Dock carnival receipts, and £12/6/- from the Championships representatives fund.

The election of Office Bearers resulted as follows: Patron, His Excellency Sir Herbert Chermside; President, Dr A.B.Brockway; Vice Presidents, Hon E.J.Stevens, Messrs W.H.Duffy, R.H.Roe, T.Bond, J.Kenna, W.H.Beattie, M.Baldwin and D.Han; Hon Secretary, Mr E.Wetzel; Hon Treasurer and Assistant Secretary, Mr W.Kuder; Auditors, Messrs Geo Crawford and D.A.Coffey.

The President, in returning thanks, said the sport did more for the physique of Queenslanders than any other. He was gratified to note that long distance swimming was at last becoming popular. He congratulated the Ladies Swimming Association on their wonderful organisation, and mentioned with pride that his daughter held the mile record.

Other minor matters were referred to, and the meeting adjourned.

ANNUAL MEETING OF THE MANLY SWIMMING CLUB

The Annual meeting of the Manly Swimming Club was held last Wednesday evening. There was a very satisfactory Report showing a membership of sixty one, of whom there were twenty six seniors, twenty four juniors and eleven ladies.

Special thanks were given to the Patron of the Club, Mr W.H.Barnes M.L.A., the President, Mr A.C.Jeffrey, and the Vice Presidents.

VALLEY LADIES SWIMMING CLUB

A well-attended meeting of ladies interested in forming a Valley Ladies Swimming Club was held in Webster's Cafe in Brunswick Street last evening. Dr Eleanor Greenham was unanimously voted to the Chair. Apologies were received for the absence of Mesdames L.G.Corrie and Bulgin, and Misses E.P.Large and J.Bell. Among those present were Messrs D.S.Carter (Vice President of Valley Club), A.Butterfield, J.P.Collins, P.W.Hill, W.P.Sparkes and Miss M.McLoughlin (Secretary of QLASA).

Dr Greenham formally moved that the Club be formed and Mrs Proe seconded the motion which was unanimously carried. The meeting decided that the name of the Club should be the Valley Ladies Amateur Swimming Club.

Officers were elected as follows; Patron, Dr Eleanor Greenham; President, Mrs

J.Best; Vice Presidents, Mesdames Culpin, Stone, Dath, L.G.Corrie, Stewart, Willcocks, Fortescue, and Messrs A.Butterfield, D.S.Carter, W.P.Sparkes and P.W.Hill; Secretary, Miss V.Littleboy; Treasurer, Miss Amy Bott; Handicapper, Miss Evelyn Robertson; Committee, Misses Paill, Barber and L.Sparkes; Press Correspondent, Miss E.Taylor; Auditors, Misses Butterfield and Haslett; Delegates to QLASA, Misses Littleboy and Robertson.

Subscription fee for the Club was fixed at two shillings for the season for seniors and one shilling for juniors.

Mr Sparkes announced that the lessee of the Booroodabin Baths extended the privileges now allowed to the Valley Amateur Swimming Club.

ANNUAL GENERAL MEETING OF CITY CLUB

The Annual General Meeting of the City Amateur Swimming Club was held at the Cafe Eschenhagen last Tuesday. Mr E.Eschenhagen occupied the Chair. There was a splendid roll up of members and supporters.

The following Officers were elected: Patron, Hon E.J.Stevens M.L.C.; President, Mr E.R.Gross; Vice Presidents, Messrs E.Eschenhagen, A.V.Dodwell, J.H.Forrest, Dr Brockway, Dr Rygate, Dr Wield, A.Reis, F.W.Nissen, A.Corrie M.Baldwin, W.H.Beattie, Dr Lockhart-Gibson; Captain, Mr Dan Gailey; Secretary, Mr Fred G.Pickburn; Treasurer, Mr R.Gailey; a Committee of 25 new members was also selected.

The Chairman, Mr Eschenhagen, in a spirited speech, impressed on members the necessity of forming a Life Saving squad in connection with the Club. A resolution to that effect was carried with enthusiasm.

TOOWONG CLUB

The First Annual General Meeting was held on Monday night in the Royal Exchange Hotel, Toowong. The Chair was occupied by E.H.Macartney M.L.A. The Hon T.O'Sullivan M.L.C., Messrs H.J.Diddams, J.Hyland, and C.Campbell and fully sixty Club members were also present.

The Annual Report showed from the first year of the Club it had grown splendidly. Average attendance at Club swims was forty four, which indicated the great necessity for the erection of baths in the district, as those members who wish for a dip have to travel over four miles. Mention was made of Carr's success in Rockhampton in winning the 100 yards Championship of Central Queensland, and the assistance rendered by the "Sports Observer" in inserting the weekly doings of the Club.

The Balance Sheet showed a small balance on the right side.

Officers for the year were elected as follows: Patron, Mr E.H.Macartney M.L.A.; President, Mr J.H.Diddams; Vice Presidents, Hon T.O'Sullivan M.L.C., Messrs Geo Home, R.J.Cottell, G.N.Burrows, G.Laud, F.W.Simmonds and G.McDonnell; Captain, Mr R.Carr; Vice captain, Mr A.Gaul; Handicappers, Messrs R.Carr and J.Hyland; Delegates, Messrs C.Campbell, J.Hyland, P.Hassett and R.Carr; General Committee, Messrs C.Campbell, J.Hyland, W.M.Blue, W.P.Watts and C.Joice; Auditors, Messrs W.P.Watts and M.E.Dunne; Secretary and Treasurer, Mr P.Hassett; Assistant Secretary, Mr Walter Swain.

LADIES COMMERCIAL CLUB

The First Annual Meeting of the above Club was held at the Arthur Street Baths, Spring Hill, last Saturday evening in the presence of a large number of old and new members. Mr Harrower was elected to the Chair in the absence of Dr Eleanor Greenham.

The following Officers were elected: Patron, Dr Eleanor Greenham; President,

Madame Thiodon; Vice Presidents, Mesdames Harrower and Stanheli and Miss Heydon; Secretary Kate Farmer; Captain, Mrs Blair; Vice Captain, Miss Gill; Treasurer, Miss H.Fell; Auditors, Misses L.Bryant and L.Dark; Press Correspondent, Bill Farmer.

There was a vote of thanks accorded to Mrs Farmer (Secretary) and L.Bryant, the late Treasurer, for the excellent way they had carried out their duties. A vote of thanks was also accorded to Bill Farmer, Handicapper and Press Correspondent.

The President, Madame Thiodon, spoke on the subject of affiliating with the Queensland Ladies Amateur Swimming Association, and various members of the Committee also spoke, all being against the Club joining this Association, and it was decided by a large majority not to affiliate under the present conditions.

Q.A.S.A. COUNCIL MEETING

The first Council meeting of the QASA was held in the York Hotel, Queen Street, last Monday evening. Mr W.H.Duffy was voted to the Chair.

Letters were received from Hon E.J.Stevens, B.Burnett and W.H.Duffy accepting the position of a Vice President and forwarding a donation.

Mr A.H.Williams was reinstated as an amateur. Permission was granted to the City Club to hold a 100 yards Inter-Club Handicap at the Metropolitan baths on 1 November.

Mr Maurice Baldwin was unanimously elected Chairman for the ensuing season. Other Officers elected were; Official Starter and Handicapper, Mr A.G.Littleboy; Trophy Inspection Committee, Messrs Baldwin, D.S.Carter and E.Wetzel; Press Correspondent, Mr E.Wetzel; Local Consul at Rockhampton, Mr J.Kenna, and at Ipswich, Mr P.Macdonald; Executive Committee, Messrs G.Crawford (Manly), F.G.Pickburn (City), D.S.Carter (Valley), J.Hyland (Toowong), W.Briggs (St John's) and W.H.Hinch (North Brisbane), with the Secretary, Treasurer and Chairman ex officio.

LADIES ASSOCIATION

A meeting of the Council of the Queensland Ladies Swimming Association was held on Thursday night with Miss Copas presiding.

A letter was read from the Mayor, asking that the Association state definitely their requirements regarding bathing accommodation. The Secretary was instructed to reply, stating that the erection of women's baths was necessary in a more central position, failing which, the Spring Hill Baths be reserved entirely for women.

Miss Eden was elected Chairman and Dr Eleanor Greenham Vice Chairman, Misses Copas, McLoughlin and Littleboy joint Handicappers.

The Rules of the Queensland Amateur Swimming Association were unanimously adopted.

The question arose whether the Association would affiliate in any way with the QASA, and it was decided not to do so, but if it was a wish of the QASA, the Association would co-operate with them in any carnival of mutual benefit to the Associations. The meeting was of the opinion that if the Ladies Association was to exist at all, it must be altogether independent of the QASA, otherwise it would be better for each Club to affiliate straight out with the QASA.

ASSOCIATION NOTES

Dick Cavil is still a member of the Pymont Club and has not joined the professional ranks and hopes he may regain lost laurels captured by that promising swimmer, Barney Kieran. Congratulations to old friend Bill Hill who has been

appointed Secretary of the New South Wales Association. Bernie Howes, the late Secretary, is now Treasurer, and A.J.Taylor has been appointed Chairman. Claude Corbett, the late schoolboy champion, is recovering from a broken ankle caused through playing football. Cecil Healey is reportedly swimming wonderfully, and with the return of the speedy Solomon Islands boy, Alick Wickham, who is expected to return to Sydney shortly, some fine swimming should be witnessed.

There is every likelihood of a Club being formed in Mount Morgan.

LADIES ASSOCIATION

The Ladies Association which formed recently has apparently died a natural death. The reason for this is not hard to seek. The Association decided not to affiliate with the QASA, and as there is only one governing body - the QASA recognised by the southern Associations - it meant debarring members of the ladies clubs from taking part in the State or Australasian Championships, or competing in minor events against swimmers affiliated with the QASA. It is a pity the Ladies Association did not decide from the start to affiliate with the parent body, as it would have done a great deal towards furthering the sport among the fair sex. Up to the present no Clubs have affiliated with the new Association or at least no fees have been paid, and most of the Ladies Clubs have decided on second thoughts, to affiliate with the QASA. There is room, however, for a Ladies Association affiliated with the parent body, and it is to be hoped that next season this may be accomplished.

LADIES SWIMMING ASSOCIATION

A well attended meeting of the Ladies Swimming Association was held last Tuesday night. Miss M.McLoughlin's resignation as Secretary was accepted and Miss Magonnis was appointed to the vacant position. It was decided to carry on the Association and a meeting of delegates was convened for next Thursday in Miss Frewing's School Hall. Rules will be formed and a programme for the season probably drawn up.

A Ladies Association, if properly organised, will doubtless do a great deal towards fostering swimming amongst girls. At present the only momentous question is to decide whether the Ladies Association will affiliate with the QASA. It previously decided not to do so, and as a result the Valley and the Brisbane Ladies Clubs affiliated directly with the QASA, as they would have otherwise deprived their members, who wished, from taking part in any carnivals sanctioned

by the QASA.

It is probable the question will be reconsidered, and the Association should not stand in the way of those who wish to take part in mixed carnivals. The policy of isolation would only result in a partial amalgamation of lady swimmers, and it is felt by a large number of those who take a keen interest in the sport, the Association would become a more powerful organisation by affiliating with the QASA, thus obtaining the adherence of all Ladies Clubs. Then the affiliated Ladies Clubs would be free to swim at any carnival under QASA sanction, and the Ladies Association would cater for those girls who do not want to take part in mixed carnivals. There is a well-founded rumour to the effect that the QASA Rules Committee has framed a rule especially designed to prevent other Associations from affiliating. In the best interests of the sport it is hoped that such a rule will never even be brought forward, much less adopted.

ASSOCIATION NOTES

At a Council meeting of the QASA held in the Australian Natives Rooms last Monday evening, the 220 yards State Championship was allotted to the Rockhampton Swimming Club, provided they give the QASA at least three weeks notice of the date of holding it. Various Clubs were given permission to hold carnivals. The Australasian Agreement as amended was adopted with the exception of the 220 yards Breaststroke Championship. It was also decided that the Secretary should get the dates for the Australasian Championships which will be held this year in Melbourne.

Several lady delegates were present for the first time, and their presence was welcomed.

A meeting of Council received the Rules which are expected to be adopted at the next Council meeting. Duties of officials have been more minutely defined, and anyone who has been appointed as an official for carnivals should fully study his duties.

The Australasian Championships are to be held in Victoria rather earlier this season than usual. Events to be held are - 28 January at St Kilda, 100 yards and 880 yards; 30 January at Ballarat, 1 Mile; 1 February at night at the new Melbourne Baths, 220 yards; 11 February at Brighton, 440 yards and 220 yards Breaststroke.

The QASA Executive has fixed dates for the test races for selection. Clubs should be careful not to announce dates and programmes of carnivals before obtaining the sanction of the governing body.

CITY CLUB'S CARNIVAL
Ladies Record for 100 yards Established

The Annual Carnival of the City Amateur Swimming Club was held in the Dry Dock, South Brisbane, on Saturday afternoon, and proved very enjoyable. There was a good attendance and the receipts were sufficient to make the carnival a financial success. The Dock officials lent every assistance to the promoters. Officials were - Referee, Mr D.S.Carter; Judges, Messrs E.Colclough, W.H.Beattie and R.H.Roe; Timekeepers, A.Butterfield, T.E.Jones and C.Campbell; Starter, Mr E.Wetzel; Check Starter, Mr P.Hassett; Call Steward, Mr R.Wheeler; Results Stewards, Messrs C.Sudgrave and F.G.Pickburn; Costume Steward, Mr T.H.Green; Clerks of Course, Mr J.Colclough and T.S.Craig; Hon Secretary, Mr A.H.Williams.

SUCCESSFUL ATTEMPT TO BREAK RECORD

One of the features of the afternoon's racing was an attempt by Miss Florrie Carr of the City Ladies Amateur Swimming Club on the 100 yards Australian ladies record of 1 min 22 secs held by Miss A.Kellerman of Melbourne. Great interest was evinced in the trial, and it was confidently expected that Miss Carr would establish new figures. She started with great speed, for a lady swimmer, and displayed a powerful stroke. After progressing two thirds of the distance she got off her course a little, and the last thirty yards she tired perceptibly, but her supporters heard with pleasure the announcement she had completed the distance in 1 min 19 $\frac{2}{5}$ secs, thereby clipping the record by 2 $\frac{3}{5}$ seconds. As evidence of the merit of the performance, it may be mentioned that the English ladies record for 100 yards is 1 min 27 $\frac{3}{5}$ secs, or 8 $\frac{1}{5}$ seconds more than Miss Carr's time. Miss Carr swam the double overarm stroke all the way, and lost a second or two in mistaking the shadow of the flag for the pontoon. She received a well merited round of applause at the conclusion of her swim. Her figures are said to constitute a World Record for the distance.

ASSOCIATION NOTES

A Council meeting of the Association was held last Monday with Mr Baldwin in the Chair. Permission was granted to Ipswich to form a Local Centre, and it is pointed out that it will be more beneficial to the sport in general.

Valley's Secretary's protest re the Association's Secretary refusing an entry of a defaulting member of that Club was over-ruled, and the action of the

Secretary of the Association was endorsed.

The question of Queensland Ladies Association giving permission to members of Ladies Clubs affiliated with the QASA to swim at their carnivals was left in abeyance until after a conference between the two bodies on the following Thursday.

A number of professional runners applied for reinstatement but were referred to the Q.A.A.A.

Messrs R.Gailey, J.Hyland and E.Wetzel were appointed as the Selection Committee for the season. The new Rules were adopted.

The following officials were appointed to supervise the carrying out of the test races: Referee, W.H.Beattie; Judges, J.Hyland, R.Gailey and W.Kuder; Timekeepers, A.Butterfield, C.Briggs, A.D.McPhee and A.G.Littleboy; Starter, E.Wetzel.

It was decided to issue shilling subscription cards to send representatives to the Australasian Championships in Melbourne, and also for an entry fee of sixpence for all test races.

It was decided that in future delegates would not be supplied with notices of meetings, but due notice would be given in the official organ of the Association, the "Sports Observer".

CONFERENCE OF ASSOCIATIONS

A conference between the QASA and the QLASA was held on Thursday night when it was decided by the Ladies Association that they would affiliate provided the QASA granted them the right of holding all Ladies Championships at carnivals at which ladies only would compete. The matter will be considered at a Council meeting.

For the benefit of the sport generally, the matter of securing the affiliation of lady swimmers will weigh considerably with the Council, especially in view of the fact that all affiliated lady swimmers will then be able to compete in ladies championships and will then individually be on the same footing.

SWIMMING LADIES CARNIVAL

The much talked of Queensland Ladies Amateur Swimming Association Carnival was held last night in the Booroodabin Baths. It was a great success in every way. The programme was a lengthy one, but the officials proved able to cope with it, starting the first race at the advertised time of 8pm and the last at 9.25pm. Swimmers mostly showed remarkably good style, and some of the finishes were fought out with keenness to the last stroke. The attendance was excellent, no vacant seats being left in the gallery from which a splendid view of all events was obtainable.

It was a foregone conclusion that the 60 yards QLASA Senior Championship would be won by Miss Carr, a breaker of records, who annexed the event in 48 3/5 seconds, but for three parts of the distance the Hon Secretary of the Association, Miss Magonnis, contested the race very stoutly.

The most noteworthy performance of the night was by Miss Dorothy Brockway who in irreproachable style won four events outright, and was second in another, and was first home in the relay race.

Events contested were - 30 yards Junior Breaststroke Handicap, 30 yards Senior Breaststroke Handicap, Neatest Header Senior and Junior, 30 Yards Junior Championship of QLASA, 60 yards Senior Championship of QLASA, Candle Race, Inter-Club Team Race, 40 yards Breaststroke and Backstroke Race, 60 yards Senior Inter-Club Handicap, 30 yards Junior Inter-Club Handicap, and Egg and Spoon race. ASSOCIATION NOTES

Mr L.Cossart has been appointed delegate for the Rockhampton Club.

The Fitzroy Ladies Club in Rockhampton has affiliated with the QASA and intend holding a carnival shortly. This Club has made great headway. This is their initial season, and they have a membership of about 60, with some very promising swimmers.

The sport has made great strides in Rockhampton, and both junior and senior ranks have doubled. Great praise is due to the energetic Secretary, Bob Burton, who is the right man in the right place, and has a good working committee behind him. The team that has just returned from "Rocky" speak well of the hospitality extended to them, and though the invitation was extended to four only, and the total number that made the trip was eight, the committee decided to treat them all the same way, and paid for the accommodation of all of the swimmer while they were in Rockhampton. Ted Wetzal, who acted as manager, said he had never travelled with a better team, which speaks volumes for the conduct of the boys.

The following programme of entertainments speaks for itself as to the royal time the team had: Arrive Saturday 6pm, mayoral reception 8pm: Sunday morning Church, afternoon drive: Monday drive to Gracemere races, evening carnival: Tuesday drive to Lakes Creek, evening carnival: Wednesday drive with evening smoke concert: Thursday visit to Mt Morgan, evening social with Fitzroy ladies Club. When the boys from the north pay us a visit, it is hoped they will be as well

entertained.

During the week, Lt Colonel Roth DSO, President of the New South Wales Association and the Life Saving Society, who is on a visit to Brisbane, examined members of the City Life Saving Club, S.Russell, P.Nicholson, A.H.Williams, Dan Gailey and J.Davis, who all passed necessary examination for Proficiency Certificates.

A movement is on foot to start a Club in Mt Morgan where a splendid dam is available for swimming. A public meeting is to be held next week, supported by the Mayor, Mr J.Morrison, and Dr Mackenzie for the purpose of considering the question of erecting baths.

Swimmers will be sad to hear of the death of George L Springfield, a prominent member of the Valleys. Deep sympathy is expressed for his family in their bereavement.

The relay race resulted in an easy win for the Girls High School Team of Misses E.Ruhno, F.Brockway, F.Taylor and D.Brockway. Officials were: Judges, Misses P.Sweeney and Robinson; Timekeeper, D.Doyle; Referee, Dr Brockway; Starter, P.Atkinson; Steward, F.Jefferies; Hon Secretary, Miss E.Rosenstengel.

AUSTRALASIAN CHAMPIONSHIPS
(By Telegraph, Brighton, Victoria, Saturday night)

The Australasian Swimming Championships were concluded this afternoon in the middle Brighton Baths (salt water) under pleasant conditions in a carnival under the auspices of the Brighton Swimming Club.

The 220 yards Breaststroke Championship of Australasia was a splendid race and was won by three lengths by Matson of Western Australia in 3 mins 42 ⁴/₅ secs. H.Law of Victoria was second and Wickham (NSW) third. Darkshire, who represented England, started, but was "done" after the first lap. Law swam well up the centre and defeated Wickham for a place in the last few yards.

For the 440 yards Breaststroke Championship the water was rough. Keran (NSW) was first and Matson (WA) second, and Robb (Vic) third. There was a splendid race for second and third place. The race was won by nearly a lap. The time was 6 mins 7 ³/₅ secs.

ASSOCIATION NOTES

The success of the Queensland representatives in the south has caused great satisfaction in Brisbane. It was not expected they would gain first places, for to beat the speedy boys of Sydney, our swimmers would have to be prepared to break world records. That Queensland has been placed above the other States with the exception of New South Wales, this however, is honour enough for the present. There are many who confidently hope the day is not too far distant when this State will equal, if not excel, the Mother State. This is worth striving for. Perhaps the most remarkable feat in the series of Championships was the performance of Dan Gailey in dead-heating with speedy Wickham for second place in the 100 yards event, to finish only a yard behind Healey who cut out the time in 58 seconds, equal to the world record. This shows that Dan must have been in wonderful form. It was a feat that came as a surprise, and Dan deserves all the honours that can be showered on him. Springfield has amply justified his selection, and made a splendid showing in the distance events.

In H O's Notes in the "Observer" 11th February he writes, "Manager E.Wetzel walked into the "Observer" office on Friday night looking very brown and jolly and brimming over with interesting chit chat about our representatives and their doings. The team has been away for close on three weeks and have visited Melbourne, Ballarat and Sydney. The recent Australasian Championships placed New South Wales first, Western Australia second, Queensland third and Victoria fourth. After listening to "Edward's" explanation of how Queensland got third place, the average man would be convinced that nothing but the interposition of providence pulled Western Australia through. In fact if Springfield had not touched the rope at the wrong place, if he hadn't swum out of his course, and if he hadn't been

recalled, and if the waves weren't six feet high, and if he hadn't been beaten, he would have undoubtedly won the race! "They were absolutely the finest lot of fellows I have ever been away with," he remarked."

From the "Observer" 18 February 1905

A CHAMPIONSHIP SIDELIGHT

A matter in connection with the recent Australasian Championships Meeting held in Ballarat, which deserve more comment, is the action of a certain baths proprietor who came especially from Adelaide to make arrangements with a certain champion to leave the amateur ranks and join the professional ranks in South Australia. His inducements, however, did not prove successful with the champion who referred the inducer to his manager. Later he offered the said champion ten pounds to sign an agreement, and was again refused. George Reid, a one-time champion, has found out which is the better, amateur or professional, and apparently so has the champion referred to.

ROCKHAMPTON SWIMMING

On Wednesday night 25th January Rockhampton Fitzroy Ladies Swimming Club held the first series of races for Mrs Parnell's trophy. These races will be decided on points, and will be extended over the months of January February and March taking place on the last Wednesday Club nights of each month. The third Club night in March will decide the winner of the trophy. As it stands, Mrs J.Herricks is one point ahead of Miss M.Keelaway with Misses Graham and Slatter equal for third place.

LADIES ASSOCIATION

A letter was received from Miss Greene intimating that the Moreton Bay Girls High School Swimming Club intended to affiliate. The City Ladies Club obtained permission to hold a carnival in the Booroodabin Baths on Saturday afternoon 11th March at which the Secondary Schools Championships and the Secondary Schools Team Race will be contested.

BRISBANE LADIES CLUB

Matters in connection with the March carnival are progressing satisfactorily. Messrs Swift & Grice have donated a handsome gold medal for the 440 yards State Championship, and Mr Thomas Webster, a wedding cake valued at thirty shillings, as a trophy for the novelty event. A trophy for the 60 yards Ladies State Championship is a handsome gold bracelet which will be suitably inscribed.

The arrangements are now complete for the Five Mile Swim in the Bremer River. Mr W.Baker, Hon secretary of the Ipswich Centre, and Mr P.McDonald have things well in hand, and it is proposed the events will take place on 11th February. The girls will swim up the river with the tide, finishing at the Ipswich Bridge.

The 11 February edition of the "Evening Observer" had a picture captioned "Three Queensland Kellermen", and showed M.Mahony, M.Clarke and R.McLoughlin, "who attempted to swim the five mile distance in the Bremer River today".

In 18 February edition - LADIES LONG DISTANCE SWIM

Miss Mabel Mahony and Miss Mary Clarke are two ladies whom every affiliated swimmer should take an example by, for their performance in the Bremer River last Saturday in swimming 5 1/4 miles cannot be spoken of too

highly. Mrs R.McLoughlin, though unsuccessful, did well in swimming 4 miles and deserves every credit, as this was the ladies first attempt at the distance, and never having been over the course previously, stamp them the equal to Miss Kellerman who had the advantage of swimming over her course several times previously. Special thanks are due to the Ipswich centre for the splendid arrangements made, also to the owner of the launch "Celia" who kindly placed the launch at the disposal of the Centre. Messrs P.J.McDonald (Local Consul) and W.Baker (Secretary) also deserve special mention. Miss A.Kellerman has sent her hearty congratulations to Misses Mahony and Clarke.

VALLEY CLUB

The Valley Club's annual carnival which was held on Wednesday night turned out a decided success both financially and socially. A feature of the evening was the flashlight photograph of the baths and also of the 100 yards Championship and also the ladies race.

Q.A.S.A. NOTES

The monthly meeting of the QASA Council was held in the Australian Natives Association Rooms with Mr D.S.Carter in the Chair, due to the unavoidable absence of Mr M.Baldwin.

Valley Ladies Club applied for affiliation, which was granted. The Brisbane Ladies Club carnival for 1st March received sanction. The Manager's Reports for the Rockhampton and Victoria Tours and Financial Statement were accepted, and the thanks of the Association tendered to him. Thanks were also extended to the Victorian Association and Clubs which entertained our representatives.

The Association carnival is set for Saturday 25 March in the Dry Dock.

THE 100 YARDS STATE CHAMPIONSHIP

The "Blue Ribbon" of Queensland swimming was won last Wednesday night at the Valley Club's carnival. As expected, Dan Gailey proved himself the best sprinter in Brisbane at the present time. The time of 1 min 2 3/5 secs, though within the standard time, is by no means sensational, and Dan would undoubtedly have improved on it if he had been pressed. W.Hetherington, last year's champion, could get no nearer than fourth, second and third places being filled by P.Nicholson and F.Cutcliffe respectively.

ASSOCIATION NOTES

Altogether ten visitors from Rockhampton will compete in the Brisbane Ladies carnival, and some ladies from the Fitzroy Ladies Club are also on a visit to the metropolis and will witness the carnival.

The Association would do well to try to secure the attendance of both Barney Keran - who is lately knocking all records sideways from 200 yards upwards - as well as Alick Wickham, and the success of the carnival would be assured. There is also the possibility of some southern lady swimmers being in Brisbane for the Association carnival and they may be induced to compete. The Secretaries should assist in making the Association carnival a great success as it must be borne in mind that

next season the Australasian Championships are to be held in New Zealand, and the expenses of sending even one representative will be considerable. Swimmers will join in congratulating Mr Ted Wetzell, Secretary of the Association, on his approaching marriage to Miss Alice Francis of Rockhampton which has been fixed for 8th March.

ASSOCIATION NOTES

The Association has been granted the use of the Dry Dock for their carnival on 25th inst. A meeting between Dan Gailey and Alick Wickham would be looked forward to with no small amount of interest after the various "dead heat" tussles in the southern State at the Australasian Championships. The New South Wales Association did the right thing in not allowing Barney Keran permission to take part in the carnival in Adelaide, after certain suggestions and offers had been made to him at the last Australasian Meeting at Ballarat. Let us have fine amateurism.

Queensland Ladies Association has applied for affiliation with the QASA, and with their total number of swimmers together with those already affiliated, this State can boast of having the greatest number of affiliated swimmers of any State. Bravo Queensland!

The Rockhampton contingent of swimmers who took part in the Brisbane Ladies Club carnival speak well of the way in which they were entertained, and seem to thoroughly enjoy themselves though unsuccessful in the various contests. Some fine racing was witnessed at the carnival.

W.Hetherington's and D.Gailey's performances in breaking V.C.Lane's World Record for 60 yards by 1 4/5 seconds was worth going a long way to see. Hetherington should know by this time how to turn. At present he loses nearly a second.

A new champion has emerged in New Zealand in the person of Sovon, a South Sea Island lad, who surprised everyone by his splendid performances in the 50 and 100 yards Handicaps at the Wellington Club's carnivals. D.Neven, an old member of the Rockhampton Club, gained second position in both events, and is now holding the leading position for a valuable cup for competition on points. Two more races are still to be held.

It is the intention of the Association Handicappers in future after handicapping any team for an Inter-Club relay, on no account to allow any alteration to be made in the personnel of the team. If any member fails to present, the team will be unable to start in the event.

ASSOCIATION NOTES

The monthly meeting of the QASA Council was held in the Australian Natives Association Rooms last Monday evening with Mr D.S.Carter in the Chair in the absence of Mr M.Baldwin. Mr B.Burton, Secretary of the Rockhampton Association, was welcomed. The Queensland Ladies Association applied for recognition, but as the communication was not clear on the matter of affiliation, Mr D.S.Carter was deputed to interview the Association and act in accordance with the Rules. Sanction was granted to the Manly Club to hold their Long Distance competitions on 11th March and A.Butterfield, A.D.McPhee and R.Russell were appointed officials.

The action of the Brisbane Ladies Club in giving a gold bracelet instead of a medal for the Ladies Championship was endorsed.

The local Consul for Rockhampton was instructed to supervise the holding of Long Distance competitions on 10th, 16th and 23rd instant.

A request from the Fitzroy Ladies Club in Rockhampton for the appearance of Mr B.B.Keran at their carnivals on 9th and 10th April was granted.

The Association carnival was postponed to Saturday 1st April to permit the presence of Mr B.B.Keran who will attempt to establish new records. (The S.O. of 25/3/05 listed Keran's performances. He started in sixteen Championships securing twelve first places and four second, and holds the World Records for 200, 220, 300, 440, 500, 800, 1000 yards and 1 mile.)

A tender for the printing of 1000 copies of the new Rule Books was accepted, and Mr J.Hiron's offer for advertising in these books.

Mr W.Kuder's resignation as Assistant Secretary and Treasurer was accepted, and the thanks of the Association were tendered to him for his services. Messrs A.D.McPhee and W.Hinch were appointed to fill the vacant positions.

The Treasurer's Report showed a Credit balance of nineteen pounds two shillings and eight pence.

S.O. Saturday 25 March 1905 had a picture of the Toowoomba Ladies Swimming Club. Mrs P.Rosenstengel (Secretary), Miss E.Rosenstengel, Mrs Petermann (President), Mrs J.J.Baker, Misses L.Steele, M.Steele, P.King and J.McKee.

ASSOCIATION NOTES

The abandonment of the Association carnival will be greatly regretted by all swimmers, but it was unavoidable. The Association would do well in future to hold their annual carnival earlier in the season. An entertainment committee had been appointed, the various baths were to have been placed at the disposal of Barney Keran, and it was also the intention of the Association to hold a Grand Farewell Carnival when Keran returned from Rockhampton, after performing in the Fitzroy Ladies carnival. Once again, however, dengue stepped in, and the fear of it led to Keran's mother refusing her permission for him to undertake the trip.

Miss F.Carr of the Valley Club and Miss Josephine Liddle of the Manly Club have accepted an invitation from the Fitzroy Ladies Club to take part in their carnivals on 8th and 10th instant.

The Ipswich Centre are holding their first Annual Carnival in the Bremer River on the 8th inst, and it is hoped the metropolitan swimmers will respond, the same as their Ipswich brethren did at the various carnivals held here this season. Intending competitors will kindly communicate with the Association Secretary who is endeavouring to secure reduced fares.

S.O. Saturday 8 April 1905

SWIMMING - By H20

It was noted that local Clubs provided very paltry entries to the Ipswich Centre carnival which was held this afternoon. No doubt the dengue was mostly to blame, but the assistance given to Brisbane Clubs by the Ipswich centre during the season should have elicited more entries, even if the entrants did not compete.

The Victorian Association is well up to date, and have forwarded the various Standard Certificates won at the last Australasian Championships Meeting by Messrs Gailey, Springfield and Hetherington. The Certificates are on the Victorian Association forms until the new design selected at the last Australasian Conference is approved of.

Alick Wickham is certainly not afraid of the dengue fever. He accepted the invitation of the Fitzroy Ladies Swimming Club in Rockhampton at four o'clock on Monday afternoon last, and left by the same evening's train at five. Alick says, "If you are going to get the fever, you might as well have it in Rockhampton or Brisbane or in Sydney." The Association should try to arrange a carnival on Wickham's return to Brisbane to help them out of the mire they have fallen into through Kieran's non-appearance.

The Fitzroy Ladies carnival should undoubtedly prove a great success with such star attractions as Wickham, world record holder of 50 yards and an expert diver,

also Miss Mabel Mahony and Miss May Clarke who recently swam 5 1/4 miles in the Bremer River. The visitors are expected to return to Brisbane early next Thursday morning.

The old trouble of residential qualification has occurred in Rockhampton, with no provision for dealing with the matter being included in the Club Rules. Harry Creaghe has taken exception to Alick Wickham taking part in the 100 yards Championship of Central Queensland (which is open to all bona fide amateurs recognised by the QASA). It will be remembered, that about twelve months ago, Mr Creghe himself, after competing in the Australasian Championships in Sydney as a New Zealand representative, went to Rockhampton and straightway competed in the Championship without any residential qualification. Yet on the occasion of the visit of the last Brisbane team to Rockhampton, Mr Creaghe announced his retirement from the sport. In reports of his recent training performances, he is credited with covering the distance in 1 minute 4 seconds and 1 min 2 secs, and if he endorses these performances at the carnival, he will have nothing to be afraid of in Alick Wickham.

The Wynnum Club are out with a very attractive programme for their final carnival to be held on Easter Monday, 22 April. Metropolitan swimmers should avail themselves of the opportunity for a day out at the seaside and assist the Club.

There is a possibility of a team of English swimmers coming to Australia next season, and an invitation has already been sent to the Old Country for a long distance and a sprint champion.

(There were subsequent reports for the wind up of the season for Ladies Commercial, City, Valley Ladies, Valley and North Brisbane Clubs.

Letter to the Editor, Sir,

The letter which appeared in your issue of 1 April under the signature of "Keeneye" should have been signed "Quibble". There is not one word to prove that the Club's handicapping is not what I stated in my first letter.

Now Sir, to bring this correspondence to a close, ask the Secretary or President of the L.C.S.C. to publish in the "Sports Observer" the handicap results and distances of their senior members races from 18 February to 18 March, both dates inclusive, of this year, and so allow the public to judge whether the handicapping is good or otherwise. If they will do this, I will donate ten shillings to the testimonial fund the President is asking members of their Club to subscribe to. I only ask for a correct record of the events, and if they are not afraid of their handicapping, now is the opportunity. If the officials of the L.C.S.C. do not accede to my request, I shall consider, and I think most fair minded people will be with me, that their action will not bear the light of day.

ASSOCIATION NOTES

The postponed meeting of the Council (probably the last for the season) will be held in the Australian Natives Rooms next Wednesday evening.

Alick Wickham has returned from Rockhampton and speaks well of the hospitality extended to him by the Fitzroy Ladies Club and the Rockhampton Club, with special mention of Bob Burton, the energetic Secretary. Alick was successful in winning the 81 yards and the 108 yards Handicaps as well as winning the 100 yards championship of Central Queensland. He established himself a firm favourite with all he came in contact with, no doubt caused by his unassuming and gentlemanly manner. The Rockhamptonites do not regret their action in getting such a "star" attraction, as on both evenings the baths were taxed to their utmost capacity

fully half an hour before commencement of proceedings.

The lady competitors, Misses May Clarke and Mabel Mahony found a great improvement in the swimming capacity of the Rockhampton ladies, and received quite a shock by their performances, Miss May Kellaway and Mrs J.Herricks being able to hold their own with the best in the State.

Miss Annette Kellerman will not be outdone in distance swimming, for she covered 10 1/2 miles in the Yarra in splendid time though assisted by the tide. She swam the trudgeon stroke for the whole distance and finished quite fresh. Here is another task for the Queensland ladies to tackle.

A subscription list for the purpose of sending Barney Kieran, the "Australian Swimming Marvel" to England have been received by the Secretary of the Association, who will be pleased to accept contributions from anyone so inclined.

Alick Wickham has been kept busy since his return from the north on Thursday morning, as on Thursday evening he was entertained by Mr J.W.Hetherington, Kangaroo Point, at a musical evening, last night a theatre party was arranged at the Theatre Royal, and today he is to journey to Ipswich to witness a carnival there.

Letter to the Editor -Sir,

I cannot allow your remarks in your column of 8 April to pass without notice. Your informant has credited me with taking exception to Alick Wickham taking part in the 100 yards Championship of Central Queensland. This I strongly deny, as I took no part in the discussion on the matter. I have never been afraid, nor shall ever be afraid to face any swimmer off the mark. In regard to this foolish accusation against me, the times put up by me in the local baths, to which a number of the local sports can certify, gave me the option that I would go very near to beating Wickham. I have had the advantage of training in fresh water, - the championships having to be swum in fresh water. In conclusion, may I again state that I have never been afraid to meet my superiors, as I consider I am always open to learn and not to live on my reputation.

I am, Sir,

Harry Creaghe

ASSOCIATION NOTES

The monthly Council meeting lapsed for lack of a quorum. This does not speak well of the various delegates sent by their Clubs to represent them, and it does not do justice to that body. Of the 32 delegates there were not even 10, the number necessary to form a quorum.

It has been definitely decided to send Barney Keran "home" to invade England, and all Australians will wish him success and bon voyage.

George Reid, another New South Wales swimmer and latterly the proprietor of the Broken Hill Baths, has also left for England and will attempt to swim the English Channel from Dover to Calais. It will be remembered that Reid held the mile record until Keran broke it.

The Fitzroy Ladies Club of Rockhampton deserves great credit for the manner in which they managed their first annual carnival. Great praise is due to the energetic Secretary, Miss Nellie McGrath, who is at present on a visit to Brisbane, and her committee, for the able manner in which they carried out all arrangements, and the successful result in clearing fifteen pounds profit.

The New Zealand Association is already making preparations for holding the Australasian Championships next season. This State should also follow suit in the matter of raising the necessary funds for the proper representation of Queensland. The carnival which took place in the Bremer River last Saturday proved an unqualified success as far as the ladies competition and local entries were

concerned, but the absence of the champions who have all been suffering from dengue fever was noticeable, as well as poorness of other metropolitan entries.

Also in this edition were reviews of the season by the Valley and Valley Ladies Clubs.

CITY LADIES CLUB CARNIVAL

The breaking-up carnival of the City Ladies Club on Thursday night (a report of which has already appeared in the "Observer") was successful from a swimmer's point of view, and some of the ladies swam very well. The feature of the evening was the success of Miss Vivienne Nicol who was much too good for her club mates, and swam the double overarm stroke with ability. The "crawl" stroke is far from pretty, but if Miss Nicol adopted it for use in competition, it is safe to predict she would become a very formidable rival. Little Miss Rogers dived exceedingly well, her recovery being very smart, and she was closely followed for honours by Mrs Magonnis. Mrs Jeannie Nicol has secured the attendance medal for the season.

CENTRAL QUEENSLAND 100 YARDS CHAMPIONSHIP

To the Editor, Sir,

In connection with your account of Mr Harry Creaghe's remarks in your issue of Saturday last I should like to enlighten swimmers and the public generally of some of the tactics used in connection with the 100 yards Championship of Central Queensland which was held under the auspices of the Queensland Amateur Swimming Association by the Fitzroy Ladies Swimming Club in Rockhampton on Monday evening April 10, and in connection with which Mr Creaghe stated he was not afraid to meet Mr Alick Wickham and did not trade on his reputation. Well Sir, I should like an explanation why, if Mr Creaghe was not afraid to meet Wickham, a telegram was sent to Brisbane inquiring if Mr Wickham was starting in the championship (this before Wickham's arrival in Rockhampton), and further why were several competitors asked to stand out of the championship after entering (when it was stated on the programme "three competitors or no race")? This seems strange when two were successfully induced to do so. Credit is due to the third party when asked to stand out, refused.

Wickham undoubtedly established a record for Central Queensland in this race which he won in 60 1/5 seconds, and it will no doubt be recognised by the QASA. The competition was carried out by that body's rules, and any attempt which may be made thereafter must be accomplished accordingly.

Trusting, for the benefit of all concerned, you will give these facts publicity.

I am, Sir, Yours etc E.Wetzel

BILLINGTON BEATS KIERAN

Great interest was taken in the Long Distance Swimming Championships on Saturday (says "Lloyds Weekly" of 23 July) the course being from Kew to Putney, 5 miles and 60 yards. A fine race was expected between Charlie Billington (who had won the race seven years in succession), Barvi Jarvis and Barney Kieran. The race started from Kew Bridge at twenty minutes past four. Billington at once took the lead on the Middlesex side followed by Kieran and Jarvis and held it to Hammersmith where he was going on as strong as ever with a powerful overarm stroke. Kieran made a great effort but Billington held his advantage and won by a few yards, the first three men to finish being Billington, Kieran and Jarvis, Billington from Bacup Swimming Club, Kieran from North Sydney, and J.A.Jarvis from Leicester Swimming Club. The official times were, Billington 68.35, Kieran 69.2, Jarvis 69.25.

SWIMMING- NOTES
By H20

The Annual General Meeting of the Association will be held in the Australian Natives Association Rooms, Queen Street (over Currie, Buchanan & Co's offices) next Monday evening at 8 o'clock sharp.

There is a probability of a visit from the English champions, and it is anticipated that in this case there would be a great struggle between them and Barney Kieran and other champions at the Australasian Championship Meeting which is to be held in Brisbane during the coming season. It behoves the various club members and secretaries to make these meetings an unqualified success and a record in the annals of the history of natation in this State.

The Rockhampton Club held their Annual Meeting last Saturday evening, and the Report showed the season was the most successful ever experienced by the Club. The services of the Secretary, Mr Bob Burton, were recognised by the presentation of a gold chain, and he was reelected to the position, a testimony to his popularity and ability.

The Fitzroy ladies Club held their Annual meeting this evening, and by reports are anticipating greater success than last season (which was their first) which showed a substantial Credit Balance.

North Rockhampton have also formed a Club, and it is to be hoped that friendly rivalry will further the interests of the sport. Mount Morgan is also forming a Club.

There is a great amount of talk regarding the formation of several new metropolitan Clubs, and it is hoped these will be brought to a successful issue, as the Association requires all available assistance in carrying out the Australasian Championships.

A carnival is suggested in relation to the opening of the Booroodabin Baths (which are under the new management of Mr J.T.Sawyer, late of the South Brisbane Baths) next Saturday afternoon. Mr Sawyer has had the baths renovated and the electric light installed, which will be a great advantage both to carnivals and to club swims.

Test races to decide the State representatives for the Australasian Championships will have to be held early this season, and intending competitors will be wise to commence training early.

The Annual General Meeting of the Ipswich Swimming Centre was held tonight, Mr A.J.Schaffer presiding. Correspondence included the following letters - From A.J.Stephenson accepting the position as President, and enclosing a donation to the funds; from the Secretary of the QASA notifying the Centre that the Annual Meeting would be held on the 4th instant, also regarding the appointment of a delegate - Mr W.Baker was appointed delegate. The Secretary's report for the year 1904-05, which was adopted, shows that the year financially had been fairly good. The Income had been eighteen pounds nine shillings a twopence halfpenny, and Expenditure thirteen pounds four shillings and twopence. Mr T.McMurdy's (Treasurer) statement which was adopted also showed a Credit Balance of one pound thirteen shillings resulting from the carnival held during the year. It was recommended that an early revision of the Rules be made, and that inter-Club racing should take place on Club nights. The election of officers was left over to the next meeting.

The Executive of the QASA met last night and accepted the Report and Balance Sheet which is to be presented to the Annual Meeting on Monday night.

ASSOCIATION NOTES

The Annual General Meeting of the Association was held last Wednesday evening with Dr A.B.Brockway, the President, in the Chair. After the Report and Balance Sheet, which were very satisfactory, were adopted, the election of office bearers took place with the following results - Patron, Hon E.J.Stevens M.L.C; President, Dr A.B.Brockway (re-elected); Vice Presidents, Hon J.W.Blair M.L.A., the Mayor of Brisbane (Ald T.Proe C.M.G.), Mayor of South Brisbane (Ald J.Davies), Messrs Maurice Baldwin, W.H.Duffy, R.H.Roe, J.Kenna, D.S.Carter, F.W.Nissen, T.A.Bond, J.Cameron and Dr B.Burnett Ham; Secretary, Mr E.Wetzel (re-elected); Treasurer, Mr W.H.Hinch (re-elected); Assistant Secretary, Mr W.Kuder.

At the first Council meeting the following will be elected - Chairman for the season, Executive Committee (five only), Press Correspondent and Starter.

Various other matters, viz. Australasian Championships, selection of representatives to visit Mount Morgan for the opening of the new baths for which an invitation has been extended to two lady and two gentlemen swimmers, and other important business will also be dealt with.

It was urged that the various Clubs should elect delegates and Secretaries who are not dilatory in their duties. The Rules define a Junior as one under the age of sixteen years. Club Secretaries should make it their duty to furnish full particulars when enrolling members and when called on for information, as prompt attention to this matter in the beginning saves endless trouble in the future. Club Secretaries are reminded that their Club's affiliation fee must be paid by the date of the first Council meeting, otherwise their delegates will be unable to record their votes.

Mr L.Cossart has again been appointed delegate for the Rockhampton Club, and W.Hetherington for the Ipswich Centre.

The Secretary of the Association has received congratulatory telegrams from New South Wales, Victoria, Rockhampton and Ipswich on his re-election, which speaks well for his popularity.

NORTH BRISBANE CLUB

The Annual Meeting of the North Brisbane Swimming Club held on Wednesday night last was the most successful for some years. Real earnestness and enthusiasm prevailed throughout. The Secretary's Report reviewed the past season. The trophy for Most Points was gained by J.Turton. A special trophy presented by Swift & Grice resulted in a draw between R.Harrower and R.Berry, each securing thirteen

points. The annual carnival held in March put the finances in a backward state, a considerable loss being sustained by holding the carnival when the majority of swimmers were laid up with dengue fever. In a very short time the Club hopes to retrieve this position.

Mr D.A.Coffey, for seven years secretary of the Club, retired this season, but was elected Hon Treasurer. Mr W.Kuder takes up the duties of Secretary. A very active committee was elected, and the delegates to the Association have promised to attend regularly to look after the Club's interests. About a dozen new members were proposed, and altogether the Club's future looks bright. Mr Geo Staebell, the first President of the Club, is again head of affairs, and in a good speech he asked members to loyally support the Club and make it the best in the Association.

EAST BRISBANE CLUB

At a meeting of swimming enthusiasts held at Boddan's Woolloongabba Hotel, it was decided to form a swimming club to be known as the East Brisbane Amateur Swimming Club and to affiliate with the QASA. Mr D.S.Carter presided and made an excellent speech regarding the benefits to be made from swimming. The election of officers resulted as follows; Patron, Mr Thos Dibley M.L.A.; President, Mr W.H.Duffy; Vice Presidents, Dr Macnamara, Messrs G.H.Blocksidge, W.H.Barnes M.L.A., Major Halstead, H.Black, J.Evans, D.S.Carter, R.Burton, J.Nicol and F.J.Souter; Secretary and Treasurer, Mr D.C.McIntyre; Committee, Messrs W.Duffy (Junior), T.S.Wotton, Leo Vizer and G.Gobett; Handicapper, Mr T.H.Green. It was decided to adjourn the meeting to September 18 to elect a Captain and Vice Captain, establish Rules, fix fees etc. There are over forty names on the roll and it is expected to double the number before the opening night.

MANLY CLUB

The second Annual Meeting of the Manly Amateur Swimming Club was held in the Manly Assembly Hall with the President, Councillor A.C.Jeffery, occupying the Chair, and there was a good attendance. The Financial Statement showed a Credit Balance of four pounds. The Report showed the progress during the season had been greatly retarded through the dengue epidemic. It was decided to inaugurate the opening of the Club by holding a carnival on Saturday September 23 at 3pm, when competition will take place for cups donated by Mr W.H.Barnes M.L.A. (the Cedric Barnes Cup), The President's Cup (donated by Councillor A.C.Jeffery) and a trophy presented by Mr Munro for the juniors. A musical evening will follow commencing at 8 o'clock, when the trophies and Honour Certificates will be distributed. The following officers have been elected - Patron, Mr W.H.Barnes M.L.A.; President, Councillor A.C.Jeffery; Vice Presidents, Messrs Brockbank, Custadson, T.W.Thomason, W.Lupton, T.Goodman, Threlfell, Beattie and E.Palmer; Chairman of Committee, E.Palmer; Committee, Messrs Curtis, Palmer, Foot, Reah, Cromwell and Muller; Hon Secretary, Mr Rothwell; Hon Treasurer Mr D.Port.

CITY CLUB

At the Annual General Meeting of the City Club held on Thursday night, Mr Maurice Baldwin presided, and there was a good attendance. The Report showed the year had been successful both financially and socially. The gross turnover amounted to fifty six pounds five shillings and ten pence. The Balance Sheet showed a Credit Balance of one pound ten shillings. The membership was satisfactory, there being one hundred and thirteen on the roll. This season a B Grade class has been started for juniors, and the enthusiasm shown by the members augurs well for the future. A Life Saving class started by Sergeant Major Walker (Army Medical Corps) had a

membership of twenty, six of whom qualified for proficiency certificates which were presented by Lt Colonel Roth D.S.O. of Sydney.

At the annual carnival held in the Dry Dock on December 3 1904, Miss Florrie Carr (City ladies Club) broke the 100 yards Ladies World Record by 2 3/5 seconds. Miss Carr has since been presented with a gold chain and bracelet by Mrs C.E.Mayes. From a racing standpoint the Club has excelled all previous records. The prizes for attendance during the season were won by J.Pike, Seniors, and J.Davies and F.Boddington, Juniors. The Senior Points Trophy, presented by Mr Maurice Baldwin, was won by Douglas Corrie, this being the third time he has won the trophy.

Through their worthy Patron, Hon E.J.Stevens M.L.C., the Club was able to put up a splendid silver cup for competition, which must be won three times in all. Last year's winner was E.Steedman. The Committee thanked the Hon E.J.Stevens M.L.C. for the "Courier" Cup, and Mr Maurice Baldwin for the points trophy, also Messrs A.Corrie, T.S.Craig, R.Wheeler, E.R.Gross, Dr Gibson, J.Rees, R.S.Howe, F.W.Nissen, H.Green, C.E.Mayes, J.Cavill and E.Eschenhagen for trophies and donations. The "Sports Observer" was specially thanked for publishing the reports of Club swims.

The following officers were elected for the ensuing year - Patron, Hon E.J.Stevens M.L.C.; President, Mr E.R.Gross; Vice Presidents, Messrs A.Barrington, A.Corrie, Dr Lockhart Gibson, A.V.Dodwell, W.H.Beattie, Maurice Baldwin, E.Eschenhagen, J.Rees and F.W.Nissen; Captain, D.Gailey; Vice captain, A.Corrie; Captain Junior members, A.Wilcox; Hon Starter and Timekeeper, F.J.Pickburn; Committee, Messrs J.Colclough, J.B.Arthur, G.Hill, F.Massey and T.S.Craig; Hon Treasurer, R.Gailey Jnr (re-elected); Hon secretary, A.H.Williams (re-elected); Hon handicapper, J.Colclough; Hon Auditors, G.Gilmore and A.E.Morris; Delegates to QASA, Messrs G.Hill, T.S.Craig, R.Gailey Jnr and J.Colclough.

A discussion took place about the sum of ten shillings and sixpence alleged to be owing to the Association. Members stated that they had never received a notice that the Club was indebted for that amount. It was decided that the Secretary should write to the Association seeking information. Mr Baldwin said he would again present a Points trophy.

SOUTH BRISBANE LADIES CLUB

The adjourned meeting was held in the Municipal Chambers, South Brisbane, last Tuesday evening with numerous members in attendance, and the future of the Club seems assured. Officers were elected as follows - Patron, Mrs Davies (the Mayoress); President, Mrs T.W.Bouchard; Vice Presidents, Mesdames E.Jackson, Webb and H.Baynes; Treasurer, Mrs Sellars; Committee, Mesdames Rubble, Huxham, Austin, Philp and Miss Carson; Hon secretary, Mrs George Fysh. Rules were adopted as proposed. A carnival to be held in connection with the opening of the Club was discussed, and the date and the arrangements were left in the hands of the committee.

ASSOCIATION NOTES

The newly formed North Rockhampton Club has already affiliated with the Association and the East Brisbane Club has also decided to follow this course. The new Rules will be available next week and may be obtained at a minimal price on application to the Association Secretary.

The new baths at Mount Morgan, which are to be opened about the middle of next month, are 100 feet by 40 feet and slant to the centre. The depth at each end is 7 feet and the centre 3 feet. A strong Club is to be formed there this season. They have fixed the rate of bathing at two shillings and sixpence for the year, a move that should materially assist and benefit the sport.

The Fitzroy Ladies Club Annual Report and Balance Sheet shows a remarkably good season and a healthy state of affairs. Over sixty pounds passed through the Secretary's hands.

The Rockhampton Club has made arrangements to have the baths set apart one night a

week especially for members and their friends.

The Hon E.J.Stevens M.L.C., the new Patron of the Association, has accepted the position conferred on him, and has promised a valuable trophy for competition during the season. He congratulates the Association on the great progress made during the last season, and refers to the benefit that will accrue to the community through its efforts to encourage and foster the sport. Dr A.B.Brockway has accepted the position of President and forwarded a donation. Mr W.H.Duffy has accepted the position of Vice President and promised assistance.

Mr J.D.Sawyer, the new lessee of the Booroodabin Baths, has the place in splendid order, and has issued complimentary tickets to the Secretaries of the various Clubs through the Association Secretary for the season, entitling them to admission to all carnivals, and other privileges at the baths, a privilege that will be appreciated.

The Ipswich Centre has again elected Mr Baker as Secretary and Delegate to the Association. Last season it had no delegate.

SWIMMING -NOTES By H20
TOOWONG CLUB

The third Annual Meeting of the Toowong Amateur Swimming Club was held in the Masonic Hall, Toowong, on Monday night. Mr S.Davis presided. There were about forty members present.

The Annual Report showed that the Club had done very well during the past season, and the Balance Sheet showed a Credit Balance of two pounds seven shillings and five pence. Points Trophy for seniors was won by G.Bott, and for juniors by Mal Carr. The Club Championships Trophies were received by R.Carr (Senior) and Mal Carr (Junior). The Club thanked the Hon T.O'Sullivan M.L.C. and Messrs E.H.Macartney M.L.A., W.Land, R.J.Cottell Jnr, G.Burrowes, J.Hiron and R.Carr for donation of trophies, the "Sports Observer" for insertion of reports of Club swims, and Mr Phil Hassett the Secretary Treasurer.

The following officers were elected for the ensuing year - Patron, Mr E.H.Macartney M.L.A.; President, J.Hiron; Vice Presidents, Hon T.O'Sullivan M.L.C., R.J.Cottell Jnr, G.Hiron, W.Land, G.M.Burrowes, S.Davis and F.W.Simmons; Captain, R.Carr; Vice captain, Master Claude Swain; General Committee, W.P.Watts, C.Campbell, W.M.Bliss, C.Woodhead and C.Swain; Hon Auditors, S.Davis and C.Campbell; Hon Handicappers, R.Carr and J.Hiron; Delegates to QASA, W.P.Watts, R.Carr, J.Hiron and A.E.Morris; Hon Secretary and Treasurer, A.E.Morris assisted by Mr E.Dunne.

EAST BRISBANE CLUB

The Annual Meeting of the above Club was held in the Woolloongabba Hotel on Monday night. There was a record attendance, only standing room being available, which was very encouraging to the Club. Amongst those present were Messrs D.S.Carter, W.Duffy (President), E.Wetzel (Hon Secretary QASA), G.Guyett, A.Miles, J.O'Brien, J.A.McIntyre and about fifty others. Mr D.S.Carter was voted to the Chair, and in a neat speech complimented the promoters on the attendance, and spoke very highly of the enthusiasm shown by those present, and he hoped the Club would prosper.

Mr Duffy (President) in a happy and encouraging speech gave a brief outline of his swimming exploits, and impressed on members to stick to the Club and try to encourage others to join. Mr Wetzel also made a neat speech.

Mr J.O'Brien was elected Captain by a small majority, and Mr W.Ewart Vice Captain. It was decided to hold Club swims in the Metropolitan Baths on Monday nights. Rules as presented by the Committee were read and adopted. F.J.Souter, S.Wootton and the Secretary were appointed delegates to the QASA.

VALLEY CLUB

The eighth Annual Meeting of the Valley Club was held in Webster's Cafe, Brunswick Street, on Tuesday evening, and was well attended by members and visitors from kindred Clubs. Mr D.S.Carter was elected to the Chair.

The Annual Report and Balance Sheet were adopted. The Chairman spoke in high terms of the excellent way in which the committee and officials had worked in the past season. The Club carries forward a Balance of five pounds four shillings and nine pence, which is considered satisfactory. Messrs Wetzel and W.P.Sparkes also addressed the meeting. Trophies won during the season were presented to the various winners.

The election of officers resulted - Patron, Mr T.Welsby; President, Mr W.M.Thompson; Vice Presidents, Dr Culpin, Messrs W.J.Collins, L.G.Corrie, A.Butterfield G.Down, D.Sawyer, D.Bowman, M.Leahy, Win Fowles, F.Springfield, W.T.Wilson and W.D.Nichol; Joint Secretaries, W.Hetherington and P.H.Carvosso; Treasurer, A.G.Littleboy; Committee, P.W.Hill, E.Birkbeck, J.Watson, A.C.Bulgin, G.Crammond, C.Marshall and W.McNally; Captain (Senior) C.W.Haslett; Vice Captain (Senior), J.H.Dalrymple; Captain (Junior), E.I.Springfield and Vice Captain, T.Dunne; Handicapper, W.P.Sparkes; Delegates to QASA, D.S.Carter, A.Littleboy, P.W.Hill and W.Hetherington; Auditors, J.Fitzgerald and F.Haslett; press Correspondent, P.W.Hill.

A vote of thanks was tendered to the Chairman and W.P.Sparkes, Alec Littleboy and the past Committee.

The Chairman mentioned the retirement of Mr A.Butterfield from the sport, and spoke in high terms of the good work he had done to further the interests of swimming.

SWIMMING IN ROCKHAMPTON

Swimming may be said to have fairly got going in the city of the three S's. Both the Rockhampton and the North Rockhampton Clubs have held their "openings". The Rockhampton Club had a very successful official opening at the baths on Thursday evening the 11th instant, and a very large attendance witnessed the programme drawn up by the committee consisting of 54 yards senior race, which was won by a new swimmer, G.Boldeman, off 11 seconds, a 27 yards junior handicap, and neatest header which was annexed by the Club's captain, Charlie Hunt. On invitations from the committee, some eighty members and friends from the Fitzroy Ladies Club were present, and they were served with refreshment during the evening. Mr De Little, the Club's Patron, brought an enjoyable evening to a close by distribution of the Long Distance Certificates won last season. The committee is to be complimented on their undertaking which was very enjoyable from every point of view.

Fitzroy Ladies Club will open their season next month and will affiliate with the Association. Mrs De Little has accepted the position of Patroness, and apart from her donation, has promised a further trophy. Mr A.H.Parnell has accepted the position of President, and Mr L.Brown that of Vice President. The former has donated a trophy and the latter has sent a donation. Miss Rose Canavan is again Skipper, and she has a staunch committee in the following ladies - Misses Frances and Alice Hyland, Mandy and Flo Davis, Mary Mitchell, Kay Kroning, C.Walters and Kate Buckler. Miss Nellie McGrath, the late Secretary, declined reelection, and her place has been taken by McAdam who gives promise of being a hard worker for the sport.

Mr De Little, apart from his donation, has once more given a trophy for a series of handicap races similar to those carried out last season. The Clubs are very fortunate to have the support of such a gentleman.

It is learnt with regret that Mr J.Kenna of Rockhampton will be unable to accept the position of Vice President of QASA and local Consul during the ensuing season. He has been a great supporter and a keen enthusiast in the sport for some considerable time.

NORTH ROCKHAMPTON CLUB

Little can be said of this Club which is still in its infancy, but has some members from the Rockhampton Club including Ted Brown, Joe O'Dwyer, Bert Caffin, Charlie and Pat Balton (the former is Secretary and the latter Skipper). A. Lawson, Bert Hookam and Frank Beston are new swimmers, and there is no reason why the Club should not make a name for itself in the near future. The Club has affiliated and is assisting in the aquatic sports to be held in connection with the rowing regatta.

ASSOCIATION NOTES

The invitation from Mount Morganites to swimmers to attend the opening of their baths is on a most liberal scale, and those who are fortunate enough to be selected are assured of a right royal time.

The New Zealand Association has already notified its intention of being represented at the Australasian Championships Meeting in Brisbane. The return of Barney Kieran and the probability of D. Billington and others from England with the other States representatives, there should be a record attendance.

The Attorney General (Hon J.W. Blair) and Mr F.W. Nissen have both accepted the position of Vice President and have forwarded donations.

SWIMMING - NOTES By H₂O BRISBANE LADIES CLUB

The Brisbane Ladies Club held their third Annual Meeting on Tuesday night at the Arthur Street Baths, Spring Hill, the use of the room being kindly given by Mrs Harrower. The President of the Club, Mrs L.T. Corrie, presided. Mrs Brockway, Vice President, was also present.

The Secretary's Report showed a membership of 44 compared with 48 the last season, and though showing a deficit in actual membership, the number of active swimmers was greatly increased. The Balance Sheet showed the finances to be in a healthy condition. Receipts for the season were fifty pounds seventeen shillings and sixpence, and the Expenditure forty seven pounds sixteen shillings and sixpence. The Club's carnival was referred to as the most successful of any held during the season both from a swimming and financial point of view. At this carnival the Club had been granted the 440 yards Championship of Queensland which was won by F.W. Springfield of the Valley Club, and the 60 yards Ladies Championship of Queensland won by Mrs Carr of the Valley Ladies Club. Messrs D. Gailey and W. Hetherington established a new record for 60 yards, breaking F.C.V. Lane's world record. On this occasion also the Club invited a team of Rockhampton swimmers to be present. The team members being Messrs C. Hunt, P. Bryce, J. Shackleton and F. Kellaway, and were accompanied by Mr R. Burton, Hon Secretary of the Rockhampton Swimming Club, as Manager, also by other members of the Club.

Thanks were expressed to Lady Griffiths and Mesdames Corrie, Ryder, Brockway, P. Webster, Hon E.J. Stevens M.L.C., Messrs J. Hiron, G. Petty, G. Johnston, M. Baldwin, R.A. Ruddle and Messrs Swift & Grice for enthusiastic support during the season. Special mention was made of the members who accomplished the long distance swim in the Bremer River. The QASA has been approached in the hope they will give the successful ladies a better certificate than that generally given for long distance.

An illustrated article has been published in an English magazine holding Queensland girls up as an example to English lady swimmers.

Two of the members, Misses Mahony and Clarke, represented Brisbane at the Fitzroy Ladies carnival in Rockhampton during the season, but were not successful in any of the events. The ex Vice Captain, Miss Evie Turnbull, had won the 72

yards Championship of Tasmania.

Club Points Trophy for the season was won by Miss Mahony with Miss Clarke second in Division A, Miss B.Gaul was first and Miss F.Blackwell second in the B Division.

Election of officers for the ensuing season resulted as follows - Lady Nelson, Patron; Mrs L.G.Corrie, President; Mesdames Effie, Ryder, Brockway, Eden, Webster and Dr Eleanor Greenham, Vice Presidents; Miss M.McLoughlin, Hon Secretary and Handicapper; Miss M.Mahony, Treasurer and Captain; Miss B.Gaul, Vice captain; Misses B.Gaul, I.McLoughlin, K.Evans, C.Murray and F.Blackwell, Committee.

The question of affiliation was discussed. On the motion of Miss McLoughlin, seconded by Miss Mahony, it was decided in favour of the QASA, but the Club considered itself open to be shown any benefit it would gain by joining the Ladies Association. It was agreed to suggest a conference between the Club members and those of the Association. The delegates appointed to represent the Club on the QASA Council were Misses Mahony, Gaul and McLoughlin.

ASSOCIATION NOTES

Affiliation fees are now due and are payable to the Secretary of the Association - Senior Clubs one pound one shilling, Junior Clubs ten shillings and sixpence, Ladies Clubs one pound one shilling.

A great many swimmers will hail with pleasure the introduction of open orders as prizes for the coming season.

The opening of the Mount Morgan baths is to be celebrated by a gala day, twenty five pounds in prizes having been allotted, in addition to novelty events.

The Association would do well to immediately establish a Schools Union to be in proper working order for the Australasian Meeting.

Messrs A.L.Cusack and T.J.Donovan have been appointed delegates for the North Rockhampton and Fitzroy Ladies Clubs respectively, and Messrs R.Russell, G.Crawford and T.Hinch for the Manly Club. Mr R.H.Roe has accepted the position as Vice President and has forwarded a donation.

VALLEY LADIES CLUB

The second Annual Meeting of the Valley Amateur Ladies Swimming Club was held at Webster's Tearooms, Valley, last Monday night and was well attended, some sixty members being present. Mr A.Butterfield was voted to the Chair. Miss Littleboy read the Annual report which showed the Club had made rapid strides during the past season. The Report and Balance Sheet were adopted.

The election of officers resulted as follows - Patroness, the Mayoress, Mrs Proe; President, Mrs T.H.Wilson; Vice Presidents, Mesdames Best, Stone, Trail, Fitzgerald, Carvosso, Springfield, Collings, Annear, McWhirter, Coomber, A.Sparkes, T.S.Brown and Overell; Secretary and Treasurer, Miss V.Littleboy; Captain, Miss Tilly Haslet; Vice Captain, Miss Nettie Fitzgerald; Handicapper, Miss Sparkes; Committee, Misses Butterfield, D.Anderson, Proe, Jones, I.Anderson, Butt and Barker; Press Correspondent, Miss M.Haslet; Auditors, Misses A.Trail and A.Jamieson.

The matter of affiliation was left over until the news of the Ladies Association meeting was received.

S.O. Saturday 7 October 1905

ASSOCIATION NOTES

The first Council meeting of the Association for the season was held last Monday night, and the attendance of delegates and officials was a record, over forty being present. Messrs D.S.Carter, W.H.Duffy, M.Baldwin and Dr Burnett Ham accepted the position of Vice President and forwarded donations.

The principal business was the election of Chairman, and Committees for selection of State representatives and also for trophy inspection etc. The choice of Chairman fell on Dave Carter without opposition. Mr Carter has been a liberal supporter of this branch of sport and also of Amateur Athletics. As is generally known, he occupies the position of Chairman of the Q.A.A.A. An Executive Committee of five members (no two members of the same Club being eligible) resulted in the return of B.Burton (North Brisbane), Miss McLoughlin (Brisbane Ladies), Geo Crawford (Manly), T.J.Donovan (Fitzroy Ladies), and Sep Davis (Mt Morgan). The Selection Committee are Messrs J.Hiron, E.Wetzel and J.Colclough. Local Consuls were chosen as follows - Messrs F.W.De Little (Rockhampton), D'Arcy Wentworth (Mt Morgan), and J.Schaffer (Ipswich Centre). North Rockhampton, West End Institute, Mt Morgan and East. Brisbane were granted affiliation. There are now over fifteen Clubs affiliated. One Centre, Ipswich, comprises five Clubs, four gentlemen's and one ladies.

Dr Brockway, President of the Association, said at the meeting that steps should be taken to have better bathing accommodation, and it is hoped that an organised movement in this direction will be made early in the season. The Association received a favourable report from the Municipal Council as regards holding carnivals in the various baths.

The Hon E.J.Stevens M.L.C. has presented the Association with a valuable trophy for competition, and Mr F.W.Nissen has also donated a trophy.

Miss McLoughlin, Secretary of the Brisbane Ladies Club, applied for special certificates for members of her Club who swam long distances in the Bremer River. The application was granted.

Mr D.S.Carter and Mr G.Crawford were appointed a sub-committee to interview members of the Queensland Ladies Association with a view to affiliation.

The Handicappers of the Association are to be admitted free to all Club functions.

Permission was granted to the City Club to hold two inter-club events at the Metropolitan Baths on October 17. The events were 56 yards for juniors and 56 yards for seniors.

Included in the programme for the Mt Morgan Swimming Club's carnival in connection with the opening of that Club are 50 yards open handicap, 50 yards ladies handicap, relay handicap, 100 yards Championship of Mt Morgan (open to all swimmers), and the Club has invited all members of the Association to take part. The Selection Committee of the Association met last Tuesday evening and selected Mrs F.Carr (Valley Club) and Miss Josephine Liddle (Manly) to go to Mt Morgan to represent the ladies. Dan Gailey and P.Nicholson (City), R.Harrower and K.Honeyman (North Brisbane), and W.Hetherington and F.W.Springfield (Valley) will take part in a test race at the Metropolitan Baths on Tuesday evening to decide the two other representatives.

It has been definitely decided that the Australasian Championships will be held in Brisbane on 2, 6 and 9 December next. The two Saturday carnivals will be held in the Dry Dock, and the Wednesday carnival in the Booroodabin Baths. The Executive meeting held on Wednesday evening arranged the programme of events and entertainments for the Meeting.

ST JOHN'S CLUB

The second Annual Meeting of the St John's Gordons Amateur Swimming Club was held in the Church Institute Rooms, Ann Street, last Thursday evening. The Chair was occupied by Mr E.Wetzel, Secretary of the QASA, and also present were Mr W.Hinch, Treasurer of QASA, and Mr D.S.Carter, Chairman of QASA.

The Secretary's Report showed the Club had a very successful season. Membership totalled forty financial members compared with twenty five for the previous season. The Treasurer's Report showed a most satisfactory state of affairs, the Club having closed the season with a Credit Balance of three pounds, which speaks well for the workers of the Club. The Report and Balance Sheet were

unanimously adopted.

The following officers were elected for the ensuing season; Patron, His Lordship Bishop Donaldson; President, Archdeacon Le Fanu; Vice Presidents, Rev B.Simmonds, Messrs E.W.Walker, D.S.Carter, H.Richmond, W.Sewell and A.Parhl; Committee Messrs T.Trenfield, W.Sewell, T.Brewer, R.H.Bunting and G.Hollingsworth; Delegates to QASA, R.H.Bunting, S.Izatt, Phil Carmichael and G.Hollingsworth; Captain, Phil Carmichael, Vice Captain, T.Trenfield; Handicapper S.Izatt; Hon Treasurer, S.Izatt; Hon Secretary, Reg Bunting.

It was resolved that in future the Club be known as the St John's Amateur Swimming Club, and not the St John's Gordon Amateur Swimming Club. The subscription for the year will be two shillings and sixpence for seniors and one shilling for juniors. Weekly swims will commence next Thursday evening at the South Brisbane Baths.

A special vote of thanks was carried to the "Sports Observer" for support during the season

S.O. Saturday 14 October 1905

SWIMMING - NOTES By H20 LADIES ASSOCIATION AND AFFILIATION

The question of the Ladies Association affiliating with the QASA has again cropped up, and it is anticipated that an amicable understanding will be arrived at this season. There seems to be no valid reason why the ladies should not manage their own affairs, though sporting ethics, it is claimed by one side, require at least a nominal affiliation with the parent Association to secure standing in the eyes of the southern bodies and prevent clashing of fixtures. It might be a good idea if both Councils met and discussed the matter. QASA should do all in its power to make nominal affiliation easy, for it is in the best interests of the sport that all the swimmers should work harmoniously together.

LADIES COMMERCIAL CLUB

The second Annual Meeting of the above Club was held in the School of Arts, Ann Street, last Wednesday evening. About thirty members were present, amongst whom were Mesdames Thiodon, G.Farmer, R.Fell, A.Hayes, L.G.Murray, A.Jamieson, M.McDonald, H.Fell, E.Lane, E.Hansen, L.Evans, Coles and others.

Madame Thiodon occupied the Chair and congratulated the Club on its success during the last season. The Secretary's Report showed that the Club had a very successful season. Membership totalled 80 financial members compared with 44 for the previous season. The Club started with thirteen members, so this number has not been unlucky for the Club. Several members of the Club had competed in carnivals with a fair amount of success and were congratulated on their pluck. The Treasurer's report showed a satisfactory Credit Balance of over three pounds.

The Report and Balance Sheet were unanimously adopted.

The following officers were elected for the ensuing year; Patron, Dr Eleanor Greenham; President, Madame Thiodon; Vice Presidents, Mesdames Harrower, Staebell, Brockway and Gibbons; Secretary, Miss C.Farmer; Treasurer, R.Fell; Senior Captain, A.Jamieson; Vice Captain, M.McDonald; Junior Captain, H.Fell; Vice Captain, E.Lang; Auditors, L.G.Murray and H.Cousins; Handicapper and Press Correspondent A.W.Farmer; Committee, Misses A.Hayes, F.Hansen, M.Staebell, M.Evans and Coles.

The subscription will be the same as last year, one shilling and sixpence.

ASSOCIATION NOTES

After the test races held on Tuesday last, the selectors decided to send Dan Gailey and F.W.Springfield to Mt Morgan and also Miss Josephine Liddle to represent the Association. Mrs M.Carr would also have been selected, but the Club of which she is a member not being affiliated with the QASA, she was consequently

debarred from selection. This difficulty should be easily overcome by Mrs Carr joining an affiliated Club. The Mt Morgan carnival will take place on 4 November at 2.30 in the afternoon and will be continued again at 7.30 pm. Any person outside the selected quartet desirous of making the trip is requested to notify the Secretary of the Association as early as possible. The members chosen are very fortunate, as a good time is in store for them. Mt Morgan people are noted for their hospitality. Entries for all events close on 21 October.

The East Brisbane Club is a big factor in the Association numbers this season, and at the opening night of their season had a record attendance for a Club meeting.

The programme for the Australasian Championships is already published, and besides the numerous championships there are handicap and novelty events. It is about the best programme the Association has submitted and with good weather conditions the carnivals should be a great success.

Mr G.Tartakover, a member of the speedy South Sydney Flying Squadron is on a visit to this city, and says there is the probability of a visit by the Squadron for the Championship Meeting. This team broke the world record for 500 yards. A visit from the Seagull Club is also expected. This Club holds the championship for neat and fancy diving.

Members of the QASA will be pleased to learn that Mr W.W.Hill is again secretary of the New South Wales Amateur Swimming Association, Mr E.Howes is again the Treasurer, and Mr James Taylor occupies the position of Vice President. According to their Annual report, the total number of Clubs in New South Wales is 28, and members number 1200. Queensland, last season, had 17 Clubs and 1150 members - not a bad comparison.

STANLEY GORDONS

A meeting of the Stanley Gordon Swimming Club was held in the Club Rooms, Stanley Street, South Brisbane last night. The following officers were elected - Secretary, R.Brandt; Treasurer, J.Webster; Delegates, G.Peut and J.Smith; Handicapper, J.Wise; Starter, W.Owens; Captain, G.Peut; Vice Captain, Kim Laidlaw; Committee, D.Taylor, J.Smith, A.Brown and Kim Laidlaw. It was arranged to hold the first swim on Tuesday evening. It has been decided to affiliate with the QASA. Mr J.Wise has kindly donated a trophy for Club Points. The Rooms will be open to members Monday, Tuesday and Thursday evenings. Fine training quarters have been secured in which an up-to-date gymnasium is in the course of erection.

S.O. Saturday 21 October 1905

ASSOCIATION NOTES

Club Secretaries are reminded that they are at liberty to secure entries for the Championship Meeting from now up to November 18, and they will assist the Association by giving the matter immediate attention. In connection with the carnivals to be held in December, the ladies have not been overlooked, for, besides the handicap events, the Australasian Championship of 100 yards will be decided, and representatives from New South Wales and West Australia will be competitors. It is hoped a Queensland girl will be successful in this event. A full programme of entertainments has already been booked for the visitors, and includes theatre parties, picnics, train excursions, drive to One Tree Hill, sailing to Green Island etc. Most of these items are provided by the individual Clubs. Members should make the carnivals memorable in the annals of Australasian Meetings by nominating freely in the various events. The State Treasurer, the Hon W.Kidston, has granted the Association the use of the Dock for 2nd and 9th December. This will materially assist the Association carrying out its fixture, and the Treasurer's action is greatly appreciated. Miss Mabel Mahony of the Brisbane Ladies Club has been asked to accompany the team to Mt Morgan. Competitors leave by train on November 1. Mr E.Wetzel has been

appointed Starter for the carnival and will accompany members. Mt Morgan reports a good number of entries from both sexes, and it is to be hoped this carnival will be a great success.

In future carnivals competitors must wear dark trunks, otherwise they will be disqualified.

It is to be regretted that Mr F.W.DeLittle will be unable to accept the position of local Consul for Rockhampton, not having the necessary time at his disposal. Mr Schaffer has accepted the position of local Consul for Ipswich, and Mr D'Arcy Wentworth for Mt Morgan.

With a view to establishing a branch of the Life Saving Society of Great Britain, Dr Burnett Ham has invited a few interested members to meet him on Monday evening next. Dr Brockway, President, and Mr Wetzell, Secretary of the QASA are among those invited.

Weekly swim notes in detail recorded for Manly, City Ladies, East Brisbane, West End Institute, City, St John's, North Brisbane, Wynnum Gordon, Toowong, Rockhampton, Fitzroy Ladies, North Rockhampton, Valley ladies, Brisbane Ladies, Ladies Commercial and Valley (a very comprehensive coverage as in each week).

S.O. Saturday 28 October 1905

LADIES ASSOCIATION

A Council meeting of the Queensland Ladies Amateur Swimming Association was held last Thursday, seven affiliated Clubs being represented. It was unanimously and finally decided that the Association would not affiliate with the Queensland Amateur Swimming Association. Delegates from the Hamilton and Valley Ladies Swimming Clubs were welcomed. A letter was received from the Fitzroy Ladies Swimming Club asking for information with reference to the Constitution of the Association. Miss Walsh was appointed Acting Secretary. Consideration of the Rules occupied the rest of the evening, and the Council hoped that these Rules may be ready for the printer in about a fortnight's time.

ASSOCIATION NOTES

Miss Florrie Carr will now go to Mt Morgan under her own auspices.

The sport is making great progress throughout Australia, and in West Australia no fewer than six new Clubs have been formed including several in the schools, and in Wellington, New Zealand, several new Clubs have also been formed. Water polo seems a favourite pastime in the three cornered island.

A new Club is spoken of in Mackay, and the Association Secretary has the matter in hand regarding affiliation.

LIFE SAVING SOCIETY

The first meeting of the Committee of the newly formed Queensland Branch of the Life Saving Society was held on Monday night at the Public Health Commissioner's Rooms. Dr Ham, the Society's President, accepted the Chair. The following members of the committee were present - Dr A.B.Brockway, Messrs F.Springfield, A.H.Williams, P.W.Hill and the Secretary Mr R.Gailey Junior.

S.O. Saturday 11 November 1905

ASSOCIATION NOTES

The team which has just returned from the opening of the Mt Morgan Baths speak very warmly of the hospitality extended to them by the Committee, and especially by Mr and Mrs Richardson, Mr and Mrs Weedman, and Captain Richards.

The laurels were achieved by D.Gailey in the 100 yards Championship and Breast

and Back races, J.Williams in the Novelty event, Miss J.Liddle first in the 33 yards Ladies handicap and second in the 66 yards Handicap, and Miss M Mahony second in the 33 yards Ladies Handicap. Two fresh water records were created by F.W.Springfield for the quarter and half mile, and his performances were appreciated to the extent of a presentation from Captain Richards, B.Berry and T.Collins. Miss F.Carr was too heavily handicapped to meet with success.

The Baths are undoubtedly the best in the State, and are capable of accommodating 800 spectators. At the evening carnival it was estimated 2000 people attended, and hundreds had to be turned away. The baths have been built almost gratis, various enthusiasts having given their spare time on Saturday afternoons and Sundays to the extent of completing the foundation and concrete basins etc. It is now intended to add additional accommodation and other necessities. The baths are lit by electric light, gratis, by the Mt Morgan Gold Mining Company through the efforts of Captain Richards whose services have been invaluable in connection with the baths. Others deserving of special praise are the energetic Secretary, Charlie Richman, and Messrs H.P.Searle, G.Weedman, N.F.White, C.H.Humphries, L.McLennan and others. The Mayor, Mr J.Lundager, was untiring in his efforts to make the visitors stay pleasant.

The monthly meeting of the Council was held on Monday evening last, with Mr D.S.Carter in the Chair.

Dates of carnivals were granted as follows: Wynnum Gordon 20 December, Valley 7 February 1906. Permission was granted to the Manly Club to hold an invitation handicap and neatest diving competition for the Inter-State visitors only, on 8 December.

It was decided that the Valley Club must entertain Mr J.Colclough's claim for a trophy won two years ago.

It was decided that the affiliation of country Junior Clubs should be half the amount charged the metropolitan Clubs.

ASSOCIATION NOTES

Barney Kieran and Cecil Healy are the likely representatives for New South Wales in the Australasian Championships, and Baker is showing such fine form that his chances of selection may be considered good. New Zealand will be represented by C.D.Campbell of Wanganui who is a member of the champion water polo team and also a fair performer over all distances, and W.Freyburg of Wellington, who is only sixteen years of age, and swam very creditably in the various New Zealand championships. Victoria will be represented by F.Fitts who is only sixteen years of age, and who received a Standard Certificate in the last 100 yards Australasian Championship. Victoria will also be represented by a long distance competitor. Western Australia will most likely be represented by Phil Matson who won the Australasian Breaststroke championship last year. The Chairman of the New South Wales Amateur Swimming Association regrets he will be unable to visit Brisbane for the Championships, but sends best wishes for success. Mr W.Hill, Secretary of the Association, will probably attend. Fred Lane also wishes the Meeting success.

Entries in the various events close at 9 o'clock this evening with the Hon Secretary at the A.N.A.Rooms, Queen Street, over Carrie Buchanan & Co. The Secretary will be in attendance from 7.30 pm to 9 pm and entry forms and any information may be had on application. No entry will be accepted unless accompanied by the necessary fee. Every member of the Association should do his, or her, utmost to assist in ensuring the success of the Meeting.

The Meeting will be thoroughly representative, and given the weather, a record attendance of the public is anticipated. A splendid programme of entertainments has been arranged, and the Clubs have responded liberally to the appeal made for the enjoyment of the visitors.

Test races will take place during the week - Monday 20th, 220 and 440 yards; Tuesday 21st, 880 and 220 Breaststroke. These competitions will be held at the

Metropolitan Baths at 7.30 each evening, and competitors are requested to be in attendance punctually. The 100 yards ladies test race will be swum at the Spring Hill Baths next Tuesday evening.

Mr G.Crawford was invited to attend a meeting of the New South Wales Association on Thursday night. On Wednesday night of last week, Mr W.Hill, Secretary of the Association, arranged for an exhibition of swimming and fancy diving for the benefit of the visiting athletes. Mr Hill's thoughtfulness was greatly appreciated.

During a visit to Melbourne, Mr D.A.Coffey, Press Correspondent for the Association, was given an opportunity of seeing the City Baths. The Superintendent, Captain R.A.Stenett, was extremely courteous, and besides explanations he furnished photographs of the baths. Any person visiting Melbourne should not fail to visit the baths, and Captain Stenett will be only too pleased to show them through. They are credited with being the finest baths outside London. Nineteen months ago the baths were completed, and from that date to the present time 208,468 persons of both sexes have paid for admission for bathing. Not a single accident has been reported. Mr Stenett attributes this to the good conduct of the patrons, but a good deal must also depend on the management. The building is of two stories, brick, and contains separate baths for ladies. The interior of the baths is lined with marble and illuminated with electric light. It contains a fine gallery of ample proportions and fitted with necessary conveniences. Besides the plunge baths there are Turkish and Vapour baths and numerous shower and spring baths. A feature of the baths is a cleaning shower which all must use before entering the plunge baths. On the premises is a laundry for washing the towels and costumes. Displayed in the vestibule are certificates gained by Mr Stenett's daughter for actions of bravery in saving human lives. The Superintendent was also in his day a great swimmer.

How far distant is the day when Brisbane will possess baths worthy of the importance of the City?

LADIES ASSOCIATION

An application for affiliation was received from the Darling Downs Ladies Club. The Rules were completed and will shortly be published. It was decided to hold a carnival on December 14.

A new Club has been formed, the Eagle Junction State School Girls Amateur Swimming Club. Miss Grayson occupied the Chair at a meeting at which the following officers were elected - Patroness, Mrs Andrew Petrie; President, Mrs D.T.Lyons; Vice Presidents, Misses Grayson, Lyons, Walsh, Cottell, Lawson, McDermott, Lade, Dowling, Meadows, Hudson, Maxwell, Craig, Hawkins, Oxley, D.J.Leahy and Gibbon; Secretary, Miss Ethel Blacklock; Treasurer, Miss Ruby Cottell; Committee, Misses Hausmann, Ivy Snead, Ida Rogers, Chrissie Young, Estella Bailey and Dorothy Attwell.

FITZROY LADIES CLUB

A general meeting of the Club has been called to discuss the question of affiliating with the Ladies Association in the metropolis. As the Club has letters from the Secretary of the Ladies Association and also from the Club's delegate on the Queensland Amateur Swimming Association, both writes fully discussing the pros and cons of the situation, the matter should be definitely settled at the meeting.

At the next swim of the Club, Mr Parnell's Trophy will be competed for. The Brisbane ladies attended the swim of the Club when they were in Rockhampton, and after giving an exhibition of their abilities, which was highly appreciated, an adjournment was made to Mrs Ferguson's where light refreshment was partaken of. The ladies were also driven round the town at the invitation of the committee on the following day.

ROCKHAMPTON CLUB

The Club still continues to increase in popularity and membership.

Mr De Little was present for the second race for his trophy last week, and good racing was the order of the night. Owing to the committee allowing nine competitors to start in the final, the race was robbed of a certain amount of interest as the back men were completely hemmed in and some of them had to retire. The winner was L.Robertson, M.Rossiter second, and C.Hunt third. H.Taylor won the 50 yards Junior, with F.Davis second.

The Club secured two wins at the Mt Morgan carnival by Ike Shackleton and R.Thomasson.

While the Brisbane swimmers were on their return home advantage was taken by the committee of their short stay to arrange a drive to the Meat Works. The party was shown over the Works, and return was made about six o'clock. Mr J.Nunn accompanied them on their trip.

S.O. Saturday 25 November 1905

ROCKHAMPTON CLUB

The idea of forming a joint committee of the three Clubs came from the committee of the Rockhampton Club, and one special feature of the business to be put before that committee was the fixing up of the seating accommodation at the baths. After several efforts to choose a night for the meeting however, the North Rockhampton Club have decided to withdraw. Members of this Club regret they decided to take this step as the meeting would have gone a long way towards bringing about a more amiable feeling with all concerned.

The Club will start a gymnastics class at the next swim under the tuition of Frank McVeigh, therefore racing will be suspended on that night.

ASSOCIATION NOTES

Entries for the Championship and Handicap events in connection with the Australasian carnival closed last Saturday, and the Secretary has received 400 nominations. This number of entries is a record for the State. The novelty events in the programme are sure to provide interest and entertainment. The test races held last week to select State representatives were responsible for record performances. In the 220 yards and the Mile Frank Springfield lowered the existing Queensland records, and the meeting of the Queensland crack with Barney Kieran and other Inter-State champions should result in some fine records being established.

The Selection Committee has picked the following representatives in the championship events - 100 yards, Dan Gailey, P.Nicholson, and F.W.Springfield; 220 yards, F.W.Springfield, D.Gailey and D.Corrie; 220 yards Breaststroke, A.Morrison, D.Corrie and F.W.Springfield; 440 yards, F.W.Springfield, P.Loewe and V.Bunting; 880 yards and 1 Mile, F.W.Springfield and V.Bunting; 100 yards Ladies Championship, Misses F.Carr, J.Liddle and E.Liddle. Miss E.Liddle's defeat of Miss Mahony was the surprise of the season, but good judges anticipate that the young lady is a coming champion.

The New Zealand team will leave Wellington this evening and is expected to arrive in Brisbane next Thursday evening with the other States representatives. Swimming enthusiasts would do well to attend in full force at Central Station on Thursday next and give the visitors a great welcome. During their stay in Brisbane the visitors will be quartered in the Longreach Hotel. The Association will extend them a welcome on Thursday evening, and a Mayoral welcome will no doubt be tendered to them. The Proprietors of the Metropolitan, Spring Hill and Booroodabin Baths will allow the visitors free admission during their stay in Brisbane.

Queensland representatives are requested to train assiduously and endeavour to carry off some of the championships. Tickets for admission to the race meetings may be obtained at F.W.Nissen, Win Fowles, and Ebenston & Marr's.

LADIES ASSOCIATION

A meeting of the Queensland Ladies Amateur Swimming Association was held last night. Correspondence included a letter from the QASA rendering recognition without affiliation. The Rules were finally adopted. Arrangements were made for a public meeting at Sandgate regarding the formation of a Ladies Club there. The programme for the carnival on December 14 was arranged. The Wynnum Ladies Club and the Eagle Junction State School Girls Club wrote affiliating for the season.

S.O. Saturday 2 December 1905

SWIMMING CHAMPIONSHIPS RECEPTION AT SOUTH BRISBANE

An interesting function took place at the South Brisbane Town Hall this morning when the Mayor of South Brisbane, Ald J.Davies, formally welcomed the swimmers from the other States and New Zealand who have come here to take part in the championship contests this afternoon. There were present Messrs C.Healy and R.Healy (New South Wales), B.B.Kieran (North Sydney), B.C.Freyburg and C.D.Campbell (New Zealand), and F.Fits (Victoria), Dr A.B.Brockway (President QASA), D.S.Carter and W.H.Duffy (Vice Presidents), E.Wetzel (Hon Secretary), B.Burton and W.Kuder (members of Executive), Aldermen Garsden, McCullough, Gillespie and R.E.Burton, and Mr Henry Leney (Town Clerk).

The toast of "The King" having been honoured, the Mayor proposed the health of the visitors. On behalf of the citizens of South Brisbane he said he had very much pleasure in extending a hearty welcome to the visitors. He said he was sure they were all pleased to see such a fine lot of young athletes, several of whom had distinguished themselves in various parts of the world, more especially Mr Kieran, of whom they were all proud. He felt sure that the visit of such noted swimmers would act as an incentive to the lads here to endeavour to emulate their prowess in this important and healthful department of sport (applause). He trusted that Queensland could produce a swimmer who could rival Kieran's achievements (applause).

Dr Brockway said he had very much pleasure in supporting the toast. No doubt all the swimmers who were present had no idea of the importance of the thing they were doing when they took up swimming first. They took to it simply because they liked it; as one got older one began to think of these things more seriously and to see the importance of swimming as an exercise calculated to increase the strength of the nation. The medical profession was in charge of the health of the people, and he thought they were sometimes inclined to disregard the people while they were healthy. They were ready to attend them when they were unhealthy, but sometimes they neglected the duty in regard to the healthy part of the community, and it was on such an occasion as this that one had the chance of impressing on swimmers the value of the lesson they were giving by showing the fine physiques which could be produced by the exercise of swimming (applause). He congratulated the South Brisbane Municipality on their pretty and good baths at the end of Stanley Street and he would like to urge upon them the necessity of keeping at the public to try to persuade them, and eventually succeeding in persuading them, that South Brisbane would not be perfect unless the baths which had been designed to be constructed at the Brisbane Cricket Ground were completed. Then they would have a place worthy of their competitors who had come to show us what swimming ought to be. He hoped they would not meet many snags, but he hoped they would meet some (laughter, applause).

The visiting swimmers Messrs C.Healy, Campbell, Kieran, Freyburg and Fitts briefly returned thanks for the Reception which had been given to them and the hospitality they had experienced during their stay.

On the motion of Dr Brockway a hearty vote of thanks was accorded to the Mayor for his hospitality and courtesy.

AMATEUR SWIMMING
CHAMPIONSHIP CARNIVAL

The first of the Australasian Amateur Swimming Championship Carnivals was conducted at the Dry Dock, South Brisbane, under delightful conditions this afternoon. Additional interest was given to the proceedings by the appearance of B.B.Kieran of Sydney after a tour in England, and prominent representatives of the States. The attendance numbered over 1500 and the events were followed with great interest. The gate receipts, exclusive of tickets sold, totalled sixty pounds. Among those present were Hon E.J.Stevens M.L.C., Mr J.Cameron, Mr K.Grant MM.L.A., Dr Brockway, Ald J.Davies (Mayor of South Brisbane), Ald Fish, Messrs K.M.Lilley, E.F.Hughes, K.Baynes, T.W.Connah, E.L.Hannan, A.Feez, D.Mactaggart, G.S.Thomson, W.M.Watts, Lieut Barnett and others.

The officials for the carnival were - Referee, Mr S.Davis; Judges, Messrs D.S.Carter, F.Soutter and E.Morris; Starter, Mr E.Wetzel; Check Starter, Mr A.D.McPhee; Timekeepers, Messrs J.Hiron, F.W.Nissen and C.Briggs; Standard Timekeeper, Mr D.Munro; Costume Stewards, Messrs R.Russell and R.H.Bunting; Press Steward, Mr D.A.Coffey; Call Stewards, Messrs C.Campbell and M.J.Hinch; Clerks of Course, Messrs B.Burton and J.Colclough; Survey and Record Stewards Messrs E.Wetzel and W.Kuder; Ladies Steward, Miss M McLaughlin; Entertainment Committee, Messrs D.S.Carter, S.Davis, E.Wetzel and W.Kuder; Hon Secretary, Mr E.Wetzel.

The Races resulted as follows -

60 yards Junior Handicap (7 heats) - B.McAlister 1, R.Briggs 2, A.McAlister 3

100 yards Handicap - P.Loewe (10s) 1, C.Healy (Scr) 2, W.Hetherington (5s) 3.

There was a dead heat between Loewe and Healy. Healy's time of 57 seconds created a World Record, the former record of 58 seconds being held by Cavill and C.Healy. Loewe and Healy swam off, when Loewe won in 58 $\frac{3}{5}$ seconds.

440 yards Australasian Championship - An enormous amount of interest was taken in this Championship. The non-starters were C.Healy (NSW) and P.Loewe (Q). The starters were V.Bunting (Q), R.Healy (NSW), B.B.Kieran (N Syd), B.C.Freyburg (NZ), F.W.Springfield (Q) and C.D.Campbell (NZ).

The start was affected by Dr Brockway, President of the Association. All touched the water together with the exception of Campbell who was a little slow in getting away. When 40 yards had been covered Kieran drew out from Springfield, the Queensland crack, but in a few yards further on Springfield sprinted and caught him and the two commenced to battle out a splendid race, Kieran swimming with an easy and powerful stroke. At the conclusion of the first 100 yards Kieran turned ahead of Springfield and a further 60 yards on drew out to a lead of four yards. At the second turn Kieran was leading by five yards with Healy third and Freyburg fourth, twenty yards separating each of the last two named. At the end of the third lap (300 yards) Kieran had increased his lead to 12 yards but Springfield was continuing gamely. Healy in the meantime had sprinted and had decreased the gap between himself and Springfield to five yards. In this order the leading men proceeded up the last lap, and Kieran swimming easily and well won by 20 yards from Springfield, and Healy 10 yards away third, and Freyburg 50 yards behind, fourth. Fitts, Campbell and Bunting had a little sprint all to themselves to avoid being the last man, and finished in that order, separated by a yard.

Kieran's Time was 5.37 $\frac{1}{5}$ and Springfield 5.54. The first three received Certificates as they finished within the Standard Time of 6.10. The World Record 5.19 is held by Kieran who also holds the Australasian Record of 5.27.

60 yards Ladies Inter-Club Handicap - Josephine Liddle (3s) 1, E.Liddle (6s) 2, Jean Liddle (10s) 3. (Miss Carr, champion lady swimmer of Queensland, did not start).

60 yards Egg & Spoon Race - R.Harrower 1, V.Bunting 2, Carr 3

200 yards Australasian Breaststroke Championship -

Conditions - Competitors to swim on the surface of the water on their breasts, hands to be pushed forward from the centre of the chests and brought round to the starting point, the shoulders to be kept square to the body and the kick of the legs to be the frog style. No swimming with face turned sideways allowed.

There were only two competitors out of the ten entered. At the pistol B.Kieran (NSW) jumped in ahead of A.Morrison (Q) and at the 40 yards the two competitors were almost equal, Kieran being slightly ahead swimming low in the water, his head at times being practically covered. The Queenslander, on the other hand, was swimming fairly "up". Kieran maintained a lead of about a yard to 100 yards and turned well to increase his lead, and soon after the start of the following lap he was two yards ahead of the Queenslander. At 120 yards Morrison made a plucky attempt to decrease the lead, but Kieran swimming strongly held his advantage. Kieran won by a dozen yards amidst loud applause. The Time, 3.32 3/5 was an Australasian Record. The previous holder of the title was P.Matson (WA) whose time was 3.45 which happened to be the same time as taken by Morrison in this race.

Diving Championships - A.Morrison 24 points 1, B.Kieran 23 points 2

Four others tried. Kieran was the only visiting swimmer to compete. Points were awarded for poise, entry, and recovery. Morrison and Kieran after the first attempts were declared to be equal and were asked to dive off, when the award was given to the Queenslander.

400 yards Inter-Club Relay Handicap - Toowong (R.Carr, C.Woodhead, W.P.Watts, N.Trenerry) 1, East Brisbane A team (B.Carmichael, B.McGhee, W.Bliss, A.Barrie) 2. The finish of the race was exciting. Carr had a great deal to make up, only overhauling McGhee in the last yard.

Dan Gailey had a wrist injury which prevented him taking part in events.

The second of the Australasian Championships will take place in the Booroodabin Baths next Wednesday night. All the champions will make their appearance and the 220 and 880 yards Championships will be decided, together with the 100 yards Ladies Championship. For the second carnival a great many seats have been reserved and the attendance should be a record for the baths.

The third carnival will take place at the Dry Dock next Saturday, the great attraction being the 100 yards Championship, the Australian swimming Derby. C.Healy, who holds the honour of holding the world record with R.Cavill, will defend his title as Australasian Champion. At the last meeting at the Dock a new record was established by R.Cavill, and it would not be surprising to see a new record established. The Mile Championship will also be decided. Queensland will be well represented in this event by F.W.Springfield who has eclipsed previous records held by Queenslanders.

Hon E.J.Stevens M.L.C., F.W.Nissen, and Swift & Grice have assisted the Association by donating trophies. The Mayor of South Brisbane also deserves thanks for receiving the visitors.

ASSOCIATION NOTES

The monthly meeting of the Council was held in the A.N.A Rooms last Monday night. Correspondence included a letter from the Attorney General (Hon J.W.Blair) stating he would be pleased to attend the Carnival Meetings. The dies for the production of medals in connection with the Championships were received from the Victorian Association. The Town Clerk replied to the Association's request for the Mayor to accord the visitors an official Reception, stating that His Worship's

engagements prevented him from complying with the request.

Permission was given to the Wynnum Club to hold a carnival on 26th December, and also to the Ipswich Centre to hold long distance events in the Bremer River on December 13. Applications from Clubs to hold State Championships was held over, and will be balloted for. A movement is afoot for the holding of a carnival at Sandgate on New Year's Day and a valuable silver cup has been donated for competition.

The Entertainment Committee reported that everything was complete and the visitors should be well catered for during their stay in Brisbane. The following is the programme of entertainment - 2 December, Carnival; 3 December, River Excursion; 4 December North Brisbane Club Tram Ride; 5 December, Theatre Party; 6 December, Carnival; 7 December, Manly Club Sailing Excursion; 8 December, Toowong Club Excursion to One Tree Hill and evening City Club; 9 December, carnival; 10 December, Valley Club entertainment.

FITZROY LADIES CLUB

After the Club swim a special meeting was held to decide the question of which Association the Club should adhere to. There was a good attendance of members and the matter was fully discussed from both sides. It was unanimously decided to remain affiliated with the Queensland Amateur Swimming Association.

LADIES ASSOCIATION

A meeting of Council was held last night. Delegates were present from City, Commercial, Valley, Wynnum and Hamilton Clubs, and the Hon Handicappers were also in attendance.

A letter was received from the Fitzroy Ladies Club stating they would remain affiliated with the QASA. Arrangements were made for a meeting at Sandgate tonight. Carnival arrangements for 14 December in Booroodabin Baths were further considered and included Senior and Junior Handicaps, Championships, Breaststroke Handicaps for Seniors and Juniors, neatest Header for Seniors and Juniors, Breast & Back Race, Inter-Club Teams Handicap and one or two Novelty races. It was resolved to ask members of the Advisory Board to help at the Carnival, as members of the Council were not yet sufficiently experienced to act solely on their own responsibility.

AUSTRALASIAN SWIMMING CHAMPIONSHIPS NEW WORLD RECORD

The second of the Australasian Swimming Championship Carnivals took place in the Booroodabin Baths last evening before a crowded audience. The cash takings at the door amounted to over thirty five pounds. The swimming in all races was of a high standard, and B.B.Kieran, of the North Sydney Swimming Club, put up a new World Record for the 220 yards. He won the Championship for the distance in 2 mins

28 2/5 secs, beating the previous 2 mins 28 3/5 secs held by F.C.V.Lane and J.H.Derbyshire. C.Healy, of New South Wales, after finishing in the 220 yards race, swam in the 60 yards Inter-Club Handicap and covered the distance in 33 2/5 seconds, which was considered a very fine performance.

The 100 yards Ladies Australasian Championship was won by Miss Josephine Liddle, with Miss F.Carr a close second.

The 880 yards Championship was won by B.B.Kieran in 11 mins 39 secs. In this race, the Queensland swimmer, F.W.Springfield, swam splendidly and finished in 11 mins 54 secs. The heats for the 220 yards and the 880 yards championships were swum off yesterday morning.

The various events resulted as follows:-

60 yards Junior Inter-Club Handicap, G.Adam 1, A.McAlister 2, P.Jones 3.

220 yards Australasian Championship - A grand race - The three competitors got away well together. Kieran took the lead early, and when the fifth length of the baths was commenced was about two yards in front of Healy. He increased the lead as the race progressed and won by about eleven yards in 2.28 2/5, a new world record. All the competitors finished within the Standard Time of 2.50.

100 yards Ladies Australasian Championship - Miss Josephine Liddle 1, Miss Flo Carr 2, Miss E.Liddle 3. Time 1 min 27 2/5 secs. Miss Carr led at the beginning of the race, but Miss Liddle put in a vigorous claim, and moving with a neat stroke won by a little more than a yard. The winner was loudly cheered for her performance.

60 yards Senior Inter-Club Handicap

880 yards Australasian Championship - This event was keenly watched. R.Healy, V.Fitts, F.W.Springfield and B.B.Kieran were the competitors. A splendid start was affected. Kieran and Springfield immediately went to the front. Kieran swam keenly and easily, and the young Queenslander kept level until 23 lengths of the baths had been completed. The distance to be covered was a little more than 27 lengths. Healy was overlapped when 24 lengths had been completed but was swimming boldly. The audience cheered Springfield's game bid for the race, but Kieran, with three lengths to go, showed some of his wonderful powers of sprinting, and with a beautifully neat stroke shot away in the lead. He steadily increased the gap that separated him from Springfield and won amidst much cheering by about twenty yards in 11 mins 39 secs. Springfield, whose performance was also loudly applauded, finished in 11 mins 54 secs, and Healy in 13 mins 23 secs. All three will receive Standard Certificates. Fitts, who was four laps behind, pluckily finished the distance.

There was an "apple snapping" competition - the apples, suspended over the water, to be taken in the mouth by the competitors to the starting board. This caused much amusement and was ultimately won by B.Freyburg (NZ). The 50 yards Submarine Race was won by A.Morrison with B.Muller second. Neatest Diving competition, R.Harrower (NB) 1, A.Morrison (C) 2. Points awarded, Harrower, Poise 6, Entry 8, Recovery 6; Morrison, Poise 5, Entry 8, Recovery 6.

The concluding carnival will take place in the Dry Dock, South Brisbane, next Saturday afternoon, and in the evening the visitors will be entertained at a Smoke Concert at the Carlton Club Hotel.

S.O. Saturday 9 December 1905

AUSTRALASIAN SWIMMING CHAMPIONSHIPS
CONCLUSION OF CARNIVAL
SPRINGFIELD MILE CHAMPION

The Australasian Swimming Championships were concluded this afternoon at the Dry Dock in the presence of a satisfactory attendance. An interesting programme of ten events from 2.45pm to 5pm, and including the 1 Mile and 100 yards Australasian Championships, a Ladies Handicap, a Diving Competition, Handicaps and Novelty Events. The Brisbane Concert Band provided an enjoyable programme of music. Amongst the visitors present were the Hon J.W.Blair (Attorney General), Hon

E.J.Stevens M.L.C., Ald J.Davies (Mayor of South Brisbane), Messrs J.Cameron, Barton and Bowman MM.L.A., Dr Brockway, T.Frankel and a number of the other well-known supporters of amateur sport.

It was a matter of considerable regret that B.B.Kieran, the world champion and star attraction of the Meeting, was unable to compete, as the champion was under medical care suffering from colic. Dan Gailey (Q) and D.Campbell (NZ) were also on the sick list. Frank Gailey, an erstwhile wearer of Queensland Championship Honours who has recently returned from America, was present as a spectator,

The following are the results -

60 yards Junior Inter-Club Championship (5 Heats) - S.Hollingsworth (St J Gordon) 1, W.Ryan (City) 2, R.McAlister (St J Gordon) 3. 44 4/5

Mile Australasian Championship - F.W.Springfield (Q) 1, R.Healy (NSW) 2, B.C.Freyburg (NZ) 3.

An even start was effected, Springfield being the first to get going, and at the end of the first lap the men had separated slightly, Springfield touching first, Healy next and Freyburg third. At 200 yards Springfield had a lead of about ten yards. The New Zealander was swimming with a long steady stroke, rolling porpoise-like through the water and relying doubtless on his men coming back to him, but this was not to be however, Springfield keeping the pace on as though with the set intention to secure record figures. Evidence of his excellent condition was shown by the pace he maintained, gradually increasing the distance between himself and his rivals, so that at the half mile the Queenslander was a good 75 yards ahead of the New Zealander with New South Wales swimming well about mid way. The result was then practically beyond dispute: Eagles had already settled on the shoulders of Springfield who continued to swim strongly. After the half mile Springfield had a clear 100 yards lead over Freyburg, and this he had increased to 175 yards when 200 yards remained. Swimming down to the finishing line Springfield was encouraged to a splendid finishing effort and had almost caught Freyburg at the line, winning by a trifle under 200 yards from him, and by 50 yards from Healy. The winner's time was 25m 12 2/5s, Healy's time was 26m 23s, and Freyburg 28m 30s, just inside the Standard Time, and the three competitors received Standard Badges.

It might be mentioned that the World Record is 23m 16 4/5s held by Kieran. The laps in the race under notice were 100 yards in length.

Novelty race - R.Harrower (N.B) 1. In this event the competitors had to smoke a cigar and carry a balloon. Harrower was the only competitor to reach the post with his cigar in working order.

60 yards Ladies Race - Miss L.Wollstein (20) 1, Miss E.Russell (20) 2, Miss Josephine Liddle 3. This as a disturbing race, there being an evident discrepancy between the ability and the handicaps.

Fancy Costume Race - H.Hollingsworth 1, A.Moore 2. W.H.Parnell dressed in glorious attire scored the prize for the best costume. An amusing event in which aboriginals, old women, and various other characters were represented.

100 yards Australasian Championship - C.Healy (NSW) 1, W.Hetherington (Q) 2, F.Fitts (Vic) 3. Time 1m 3 1/5s. An even start was secured, and Healy, swimming with a double breast stroke now generally adopted for sprint events, went rapidly to the front, and at the finish he was leading by about five yards, about a yard separating second and third. The Standard Time for the distance is 1m 5s, and first and second were each awarded a Standard Certificate. Other starters were B.C.Freyburg and F.W.Springfield, the latter finishing close up fourth. The world record for the distance, 57 3/5s, it will be remembered, was put up at the Dry Dock on Saturday last.

300 yards Inter-Club Handicap. R.Harrower 1. R.Healy 2, F.Springfield 3

Diving Competition - R.Harrower 1. There was a big entry for this event which resulted in some very neat headers by several competitors.

H2O COMMENTS

The Australasian Championships have come and gone and the Brisbane swimmers should be all the better for the visit of the southern cracks. Kieran has come up to expectations, and his swimming, it is pleasing to note, is not the ugly "crawl" stroke that made Cavill famous. Freyburg looks like a coming champion. He swims powerfully and well, and with a few more years added to his total, should develop sufficient muscle to help to make him prominent in natation. The Healys swam well, and the 100 yards World Record set last Saturday was a performance any swimmer would be proud of. All the swimmers did their best to uphold the honour of their States, and Brisbane swimmers will wish them au revoir and a pleasant journey when they bid goodbye to Queensland for a season.

Frank Springfield has again secured honours for Queensland, and his plucky swimming was worthy of the highest praise.

Queensland and New South Wales are a dead heat for Champion State with nine points each. These did not include Hetherington's place in the 100 yards Championship as that swimmer was representing his Club only and not the State. The sports were in every respect well conducted and interesting, reflecting every credit on the Management and Committee. The whole carnival may be said to have advanced the popularity of swimming in this State. The attendance for the afternoon was between 700 to 800. Cash takings were about twenty five pounds exclusive of sale of tickets. After all expenses and liabilities are wiped off, it is expected the Association will have a credit balance of between sixty to seventy pounds.

The Association Secretary, Mr E. Wetzel has, it is understood, accepted a Government appointment in New Zealand, and will shortly leave for Christchurch. During his term of office he has displayed great enthusiasm for the work he was called upon to carry out, and his departure will mean a big loss to Queensland swimming. He will carry with him the best wishes of all Brisbane swimmers for his future welfare and prosperity.

Q.L.A.S.A.

The second Annual Carnival of the QLASA was held in the Booroodabin Baths last Thursday night and proved very successful, excellently arranged, and well carried out, and great enthusiasm was displayed by the lookers-on and the contestants alike. A number of girls showed improvement in style and speed, and Queensland girls should be able to more than hold their own in the future so far as lady swimmers are concerned.

ASSOCIATION NOTES

Mount Morgan Club was very pleased with the performance of F.W.Springfield during his visit to that town, and have forwarded £6 to the Association to secure a trophy for him.

The Ipswich Centre are holding a carnival this evening and have extended an invitation to F.W.Springfield and W.Hetherington to take part. Some of the officials of the Association have also been invited to be present.

B.B. ("Barney") KIERAN

The illness of Barney Kieran was the only regrettable incident at the Australasian Championships, and it was one over which there was no control. Barney has the sincere sympathy of all Brisbane swimmers and their earnest wish is that he may soon again be breaking records. It will be learned with satisfaction that he is recovering from his illness.

DEATH OF KIERAN - FAMOUS SWIMMER VICTIM OF APPENDICITIS

Mr B.B.Kieran who recently under went an operation for appendicitis died last night. He came to Brisbane a little over three weeks ago to take part in the Australasian Swimming Championships in Brisbane and competed in two out of the three carnivals. He became seriously ill on returning to his hotel at the conclusion of the second carnival held on the evening of Wednesday 6th instant, and his condition grew worse on the following Thursday, Friday and Saturday. On Saturday night he was pronounced by his medical attendant to be suffering from appendicitis. He was removed to a Private Hospital and an operation was performed the next morning. For several days his condition was critical, but he rallied and was pronounced out of danger. On Thursday night he took a turn for the worse and died at 10.20 o'clock last night.

"Barney" Kieran, as he was familiarly known to swimmers (Picture), came into prominence in 1904. New South Wales has produced many natatorial champions but none who came so suddenly into notice as B.B.Kieran. In March of the year mentioned he startled the swimming world by beating the redoubtable Dick Cavill in the Half Mile Australasian Championship, covering the distance in the World Record time of 11m 29 4/5s. Kieran also won the Mile Championship (in which Cavill did not start owing to illness), but was defeated by Cavill in the 220 yards and 440 yards events after a keen struggle. As a result of the competition between these two swimmers in the Championships, no fewer than four records were lowered.

In the 1904-05 season, Kieran won ten Championships and lowered all the World Records from 200 yards to one mile, excepting the 220 yards which he equalled, dividing the honours with F.C.V.Lane. Kieran followed up his Australasian triumphs by a visit to England during the current year, and lowered his own record for 500 yards.

On his return to Australia he visited Sydney and Melbourne but did not swim in the latter City in consequence of a promise made to his Club, North Sydney, that he would make his first appearance in public at a carnival they were arranging. As he did not take part in the test races on account of that promise, the New South Wales Association could not select him as an official representative. He came to Brisbane as a representative of his Club. His great ambition was to lower the existing world record for 220 yards, a feat which up to that time he had not accomplished, and it was at his last swim on the 6th instant that he accomplished his desire.

The deceased was quiet and unassuming in manner and was very popular both here and in the south. During his illness many personal inquiries and telegrams were

received daily, and the news of his death will be received with profound regret by Queensland swimmers and by his many friends in other parts of Australasia. Cordial sympathy will also be felt for his Mother who on hearing of his illness came to Brisbane to be near him, and only arrived in the early part of the week.

The body was removed last night to K.M.Smith's mortuary and embalmed, and will be sent by train to Sydney tomorrow morning. The funeral will take place on Christmas afternoon.

As a mark of respect at the untoward incident, the "Sports Observer" is flying its flag at half mast from the building, and a wreath has been sent to be placed on the coffin in Sydney.

NEW MANLY CLUB

A meeting as held at Mr Palmer's residence at Manly on Thursday to form a new Swimming and Athletic Club. There was a very large attendance and messages were received from Messrs Jeffery, Cunningham, Holtzberger, Horsfall and Wendt, recording their willingness to assist in the movement.

Mr E.Palmer was elected Chairman for the meeting and Mr Howard Secretary pro tem. There was a good deal of business discussed and there is every indication of the formation of a very strong Club. It was decided to hold a public meeting on Thursday 4th January in the Assembly Hall which Mr Paton will lend free of charge.

THE LATE B.B.KIERAN

6 January 1906

In connection with the Kieran Memorial, the Secretary has received donations of one guinea from Mr and Mrs W.J.Hetherington, and Mr R.Vickers (Longreach Hotel), and five shillings from W.Baker (Ipswich). Subscription cards will be issued to Club Secretaries, and every member of the Association should perpetuate the memory of the world famed swimmer by giving something, even if it is a small amount. The form the memorial will take will be left to the swimmers and subscribers.

13 January 1906

Mrs Mitchell, Secretary of the Kieran Memorial Fund in Sydney, wrote asking for expenses incurred during Mr Kieran's illness. A Memorial Fund has been opened in Brisbane, and amounts collected will be sent to Sydney for the purpose of securing a Shield to be competed for at the Australasian Championship Meetings.

22 December 1906

A Kieran Memorial Handicap race over 60 yards will be held in the Metropolitan Baths on 10 January 1907 under the auspices of the QASA. Prizes will be - First, "Courier" Trophy presented by Hon E.J.Stevens M.L.C., Second, Trophy presented by F.W.Nissen. The entrance fee has been fixed at one shilling.

12 January 1907

The conditions governing the Kieran Memorial Shield were received from the New South Wales Amateur Swimming Association and are as follows "The Shield is to be competed for annually by the accredited representatives of the various States at the Australasian Championship Carnival, the State winning most Championships to hold the Shield for twelve months. In the event of an equal number of wins, the greatest number of seconds decides, unless the same state of affairs exists, when the greatest number of thirds will decide the holder thereof."

An endeavour is to be made to have the first competition at the forthcoming carnival in Christchurch.

(This was done, Queensland being the first winner of the Shield, mainly through the swimming of F.W.Springfield who won the 440 and 880 yards events and the mile.)

3 February 1906

The following poem by W.Munro Anderson, London, appeared in the "London Sportsman."

Barney is swimming straight and strong
Struggling in a fading light,
Time is flying and Barney knows
Death is holding the watch tonight.
We who raced with him side by side
Found the race was a bit too fast,
We who wondered at Barney's speed
Wondered now if the lad can last.
One more lap and the seconds fly,
Twenty yards, the lad is game,
Death who watches the course alone
Adds a record to Barney's name.

LADIES ASSOCIATION

The Rules etc of the Queensland Ladies Amateur Swimming Association have been issued in neat booklet form. The book comprises forty five pages and the price has been fixed at a nominal price of one penny. One of the Objects of the Association is set out as follows - "To promote and encourage the knowledge and the art of swimming among girls and women".

ASSOCIATION NOTES

In connection with the Kieran Memorial, the Secretary has received donations of one guinea from Mr and Mrs W.J.Hetherington and Mr R.Vickers (Longreach Hotel), and five shillings from W.Baker (Ipswich). Subscription cards will be issued to Club Secretaries and every member of the Association should perpetuate the memory of the world famed swimmer by giving something, even if it is a small amount. The form the memorial will take will be left to the swimmers and subscribers.

The drawings for the allotment of the State Championships has resulted as follows - 100 yards, City; 220 yards, Toowong; 440 yards, Rockhampton; half mile, Valley; 1 mile, Ipswich. Rockhampton have notified they do not want the 440 yards, and other Clubs may now apply for it.

ASSOCIATION NOTES

The monthly Council meeting of the Association was held last Monday night in the A.N.A. Rooms. Toowong, East Brisbane, Chelmsford and Manly Clubs were granted permission to hold carnivals. The Ipswich Centre was granted permission to hold

Long Distance events for Certificates during January or February.

Mrs Mitchell, Secretary of the Kieran Memorial Fund in Sydney, wrote asking for expenses incurred during Mr Kieran's illness. A Memorial Fund has been opened in Brisbane, and amounts collected will be sent to Sydney for the purpose of securing a Shield to be competed for at the Australasian Championship Meetings.

The Secretary of the New South Wales Association wrote claiming the position of State Champion in connection with the recent carnivals. The Secretary of the Queensland Association was instructed to inform New South Wales that Queensland had won that honour on points. It will be remembered that the late B.B.Kieran was not selected by his Association to represent New South Wales, and the points won by him did not count for that State.

It was decided to ask the various States and New Zealand to draw up a Championship Standard Certificate.

Mr E.Wetzel handed in his resignation as Secretary of the Association, but was asked to reconsider the matter.

Mr Wetzel has received a programme from the Nelson (New Zealand) carnival committee and an invitation to be present on 2 and 3 February. The New Zealand Championships will be held during these carnivals, including sprint and distance events, and also the water polo championships. Mr Wetzel was expected to take up his new duties in New Zealand at that time, but finds it impossible at present to make arrangements for leaving this State in time to be in New Zealand on the date mentioned.

The Toowoomba Clubs have decided to form a local Centre and four Clubs have affiliated. An application for recognition of the Centre has been received by the Association.

Jack Hellings, a popular member of the Bondi Club, has taken over the Bondi baths. Queensland swimmers will wish Jack success. Mr Hellings was always to the fore in giving Queenslanders a good time when visiting Sydney.

Open orders, for successful competitors at the recent carnivals, may be obtained on application from Mr W.H.Hinch, Treasurer. R.Harrower was the most successful competitor and secured the trophies donated by the Hon E.J.Stevens M.L.C. and Mr F.W.Nissen.

SWIMMING RECORD

Mr G.Butterfield, late Secretary of the Valley Swimming Club, has received a copy of the "Pretoria News" dated 15 December which tells of the success of Charlie Harris, an old Valley boy, in the 440 yards Pretoria Swimming Championships, which he won in 6 mins 50 4/5 secs, a record for the Transvaal. Harris received a handsome gold medal to commemorate the event. (Description of the race against Nott and O'Neill was given)

A Council meeting of the QLASA was held last Thursday evening. Applications from the Darling Downs Ladies Club and the Valley ladies Club to hold carnivals on 2 and 20 February respectively were granted. It was decided to hold a QLASA Championship carnival on 10 March.

SWIMMING -CARNIVAL AT MANLY

The Manly Amateur Swimming Club held a successful carnival at the Manly Baths this afternoon. Officials were - Judges, Messrs D.Munro, D.Curran and A.Moore; Referee, Mr A.Pixley; Starter, Mr E.Wetzel; Timekeeper, Mr W.Hinch; Call Steward, Mr W.Kuder; Costume Stewards, H.Cathie and R.Russell; Clerk of Course, Mr J.Curtis; Hon Secretary, Mr R.Russell; Hon Treasurer, Mr H.Bingham.

IPSWICH SPORTING
SWIMMING

This afternoon a Long Distance Swim was held in the Bremer River under the auspices of the Ipswich Amateur Club, enabling lads in the Ipswich Swimming Club to obtain the Honour Certificates for the mile issued by the Queensland Amateur Swimming Association. The successful candidates were - C.Johns, F.Johns, R.Grim (St Pauls), V.Welsby, Roberts, W.Southers, E.Schaffer, F.Patrick (Railway), A.Ivett, Ferguson (Cycling), M.Frunder, C.Smith, A.Cain, C.Williams, A.Surrah, R.Surrah, W.Mackenzie, T.Olden, G.A.Oldham, O.Munro, J.Ham (Wesley).

ASSOCIATION NOTES

The Manly Swimming Club's carnival was held on Saturday and was a great success despite the fact that not a single entry was received from any of the affiliated Clubs. Good prizes were offered and were presented afterwards by Mr W.H.Barnes M.L.A.

A NOVEL IDEA

The recently formed Chelmsford Swimming Club at Manly has hit on a new idea for their next Club swim. Boats have been secured to carry members and visitors to Wellington Point where there, in the open, there is a deep net on the outside of the swimmers to guard against unwelcome visitors, the events will be decided.

SWIMMING DISQUALIFICATION

To the Editor, Sir,

Will you permit the space through your column of the "Sports Observer" to enlighten the swimmers of Brisbane as to the cause of the temporary disqualification of the Valley Amateur Swimming Club which took place last Monday night?

In 1902 a trophy was promised by the lessee of the baths for competition amongst the senior members of the Club, and it was won by Mr J.Colclough. He advised the Secretary, when the annual distribution of prizes was taking place, that he was making arrangements with the lessee for his trophy, and took the whole matter out of the Club's hands. After a lapse of time he wrote to the Club asking them for his trophy. The Club (at once) would not acknowledge his claim because they were not morally bound to pay it. If the Club had been consulted directly after the opening of the season of that year, they would probably have recognised his claim. But the Association, in taking the action they did, did one of the most drastic things, and contrary to Rules, in the annals of swimming history, considering the Club was holding their annual carnival in two night's time. The whole matter was undoubtedly unfortunate and had a tendency to make the carnival a failure, because members of the Club were advised to join other Clubs, which they did so.

I should like to draw the attention of the Association that there is only one Rule by which a Club can be expelled, and that is Rule 64, not Rule 78 (defaulters) under which the Club was disqualified. The Council cannot make rules as they like, and if they refer to Rule 43, they will find that a Special Meeting has to be convened for the purpose of disqualifying a Club, not an Ordinary Meeting such as that which took place last week. If Clubs are to be disqualified in this way, it is high time a different body should govern swimming and give the Clubs justice!

I am, Sir, Valley Member.

SWIMMING NOTES - By H20

Q.L.A.S.A.

A meeting of the Council of the QLASA was held on Thursday evening. Preparations were completed for the carnival to be held on 10 March. The Darling Downs Ladies Club was congratulated on the success of their carnival on the second instant, and it was decided to invite a team from that Club to be present at the QLASA carnival.

THE VALLEY CLUB TROUBLE

Temporary suspension of the Valley Club pending the payment of a trophy to J.Colclough came as a surprise to most swimmers. Without entering into a discussion on the merits or demerits of the case, the action of the Council in suspending the club on the eve of its carnival was anything but sportsmanlike. It is stated further that all Clubs which had members competing at the carnival were immediately informed of the decision of the Council, but no official notification was made to the Valley Club. If this is correct, the matter requires immediate explanation. For the good of the sport in general there must be an end to the curse of clubism which it was hoped had died out, but has apparently revived in an acute form. If the matter had been urgent, the action of the Council would have been justified, but it was an old question and it would have just as well been dealt with after, as before, the carnival. As a matter of fact, it resounds very little credit on the Association or the Valley Club that the question was not settled long ago. The value of the trophy was, of course, paid out at once. The Valley Club had no alternative unless it had been prepared to abandon the carnival, and the matter is now settled. It is one of those things, however, that leave a nasty taste in the mouth, and it is to be sincerely hoped that good feeling will take the place of acrimonious discussion and that the sport in Queensland will never again be marred by such an occurrence.

ASSOCIATION NOTES

The monthly Council meeting was held on Monday night with an attendance of 35 delegates representing all the affiliated Clubs.

St John's Club was granted permission to hold two inter-club contests on 15 February, City Club to hold a carnival on 24th instant, Ipswich Centre on 10 March at which the mile State Championship will be contested. The Manly Club is to hold a carnival on Easter Monday, 16 April. Applications from the Chelmsford Club for 14 and 16 April were refused. Valley Club was disqualified on the grounds of not complying with the Association's request regarding Mr J.Colclough's trophy won in the season 1902-3, until they fulfill their obligation.

The Railway Commissioner wrote refunding nine pounds, portion of the charge for conveying the remains of the late B.B.Kieran to Sydney.

Dave Mortenson, a member of the Rockhampton Club's energetic committee, is on a visit to Brisbane in quest of attractions for the northern Club's carnivals, and has extended an invitation to W.Hetherington and F.W.Springfield, in addition to Len Murray of New South Wales. A very attractive programme has been published.

"Matai" Campbell and "Tiny" Freyburg, two New Zealand representatives who took part in the Australasian Championships, have written to the Association Secretary and asked to be remembered to Dave Carter, Geo Crawford and all they came in contact with and who helped to make their stay so pleasant.

S.O. Saturday 17 February 1906

ASSOCIATION NOTES

The information that the other Clubs had been advised of the Valley Club's disqualification was gravely in error. The Association Secretary immediately contradicted this statement in the interests of the governing body, that this was not the case.

Hon E.J.Stevens M.L.C. has forwarded a donation of a guinea towards the Kieran Memorial Fund, Mr and Mrs J.W.Hetherington, K.Pond and Mr Vickers of the Longreach Hotel have also forwarded a guinea.

Q.L.A.S.A.

A Council meeting was held on Tuesday with Mr Eden in the Chair. It was decided to add a Consolation race to the carnival programme, and the Secretary reported receiving a number of trophies. It was resolved the presentation of trophies should take place on Monday March 12 at 8 pm, Mrs Brockway having kindly lent her plaza for the occasion. It was unanimously agreed to ask the Mayoress, Mrs Crase, to present the prizes and Mrs L.G.Corrie to preside.

SWIMMING - NOTES By H20
ASSOCIATION NOTES

Visitors to the Rockhampton carnival did not meet with much success as the handicapping was so severe. A most enjoyable time was, however, spent. This is the first team that has ever left the metropolis without the Association Secretary in charge. Len Murray, of the Manly Club Sydney, is a most unassuming champion. He will return by the steamer "Buninyong" due on Monday.

Mr Gerald paling, a prominent member of the Bondi Swimming Club, Sydney, passed through Brisbane this week en route to Cunnamulla. He reports the sport is making great headway in the southern capital, and since the popular Jack Hellings has taken over the management of the Bondi baths, mixed bathing is indulged in four evenings a week.

CITY AMATEUR SWIMMING CLUB - CHAMPIONSHIP CARNIVAL

The annual Championship Carnival of the City Amateur Swimming Club was held before a large crowd of spectators in to Dry Dock, South Brisbane, this afternoon. The programme was an excellent one, and an enjoyable afternoon's sport was provided. The following are the details of the races -

60 yards Junior Inter-Club Handicap, "Courier" Cup - F.Boddington 1
A.E.Moore 2
100 yards Championship of Queensland - Present holder, D.Gailey -
D.Corrie 1
P.Loewe 2
W.hetherington 3

A splendid start was affected, the swimmers striking the water almost simultaneously. Corrie at once asserted his claim and began to draw away, but Loewe challenged and the race became a cracker. At about 60 yards to go Corrie settled down but Loewe clung to him with the tenacity of a bulldog. His efforts were of no avail and Corrie won a meritorious race by almost one yard, with Loewe just defeating Hetherington for the second place. The others finished in a bunch. Time 60 seconds.

60 yards Senior Inter-Club Handicap

Egg & Spoon Race - Won by A.Morrison who manipulated his rather awkward burden with great dexterity.

100 yards Junior Club Championship - Won by R.Wilcox

Neatest Header - Robert Briggs

Novelty race - in which competitors were required to propel a barrel before them, which called for a great deal of exertion.

100 yards Senior Club Championship - Holder of the Title, P.Nicholson -

D.Corrie 1

P.Loewe 2

J.Hetherington 3

This race caused no little excitement after the close race between Corrie and Loewe in the Championship of Queensland. Only three started, and the first and second placed men were so evenly matched, that the slight advantage Corrie gained at the take-off, practically administered the knock-out blow to his doughty little rival who made the champion put out his best stroke to beat him by scarcely a yard. Carrie is to be congratulated on winning the double. Hetherington had scarcely pace for his two opponents, but was by no means disgraced.

Relay Race - won by St John's Club. The carnival, which was highly successful, concluded with a laughable aquatic farce entitled "A Gallant Rescue" in which the following, who were appareled in rather comical attire took part - A..Williams as Miss Jones, A.Murray as Mr Brown, D.Corrie as Waterman, D.Gailey as Policeman XXX, P.Nicholson as Wun Hi.

The following were the officials for the carnival - Referee, Mrs H.J.Hill; Judges, E.Colclough, W.H.Beattie and E.Mayes; Timekeepers, A.Littleboy C.Campbell and J.Hiron; Starter, E.Wetzel; Check Starter, F.Pickburn; Call Steward, A.H.Williams; Result Stewards, C.Studgrove and E.Morris; Costume Stewards, D.McIntyre and T.Holmes; Clerks of Course, J.Colclough and S.Soutar; Hon Secretary, Albert H.Williams.

ASSOCIATION NOTES

Mr Len Murray, who has been competing at the Rockhampton Club's carnival and was successful in the Breast Back stroke race and the "apple snapping" contest, passed through Brisbane this week. He reports having had a most enjoyable time and speaks well of the hospitality extended to him during his stay in the city of the three S's.

ROCKHAMPTON CLUB

The Club's carnivals took place on Wednesday and Thursday evenings last week, and each evening a crowded house greeted the committee's efforts in placing such a well selected programme before the public. Both from a swimming and a financial point of view the affair turned out an unqualified success.

The following were the officials - Referee, J.Jones; Judges, F.W.De Little, A.L.Sutherland and A.H.Parnell; Starter, R.Hallett; Check Starter and Call Steward, M.Marcussen; Result Steward, D.Morthensen; Clerk of Course, J.Nunn; Timekeepers, A.C.Anderson, A.W.Moodie and A.K.Black (Vice President of Manly Club).

The race of the carnival was the 440 yards Handicap in which L.Murray, F.W.Springfield and P.Bryce competed, and the latter, swimming well throughout, won by a yard from Springfield who beat Murray by three yards. The Novice Handicap was won by C.Robinson of the North Rockhampton Club, and F.Alley of the same Club

won the 81 yards Handicap. H.Bartham won the "Bridegroom's Handicap" (this swimmer also won the Bracelet last season), and C.Johnson won the "Sports Observer" trophy.

The Junior 54 and 81 yards races were won by the same competitor, J.Milliner, who also won the double last season. Len Murray, who won the Breast & Back stroke also won the "apple snapping" contest, and received trophies to the value of one guinea. F.Springfield took back a trophy for securing second place in the 440 yards. The Relay Team Race which always attracts a great amount of interest was competed for by eleven teams, and after a splendid struggle, the Fitzroy team, comprised of Devine, McLeod, F.Baines, P.McGuinness and J.Henderson, won.

The visitors were given a very hearty reception on their arrival on Tuesday evening. On Wednesday they were driven round the city, on Thursday they were shown over the meat works, on Friday, at the invitation of the Club, they were taken to Mt Morgan and shown over the mine and in the evening attended the swim of the North Rockhampton Club, and at the invitation of the Club's Patron, Mr F.W.De Little, were taken for a row on the river.

Mr Black, who accompanied Mr Murray, spoke highly of the Club's doings and the position in general, and an effort will be made during the winter months to raise funds to attend the Manly regatta next season.

SWIMMING NOTES - By H2O
ASSOCIATION NOTES

The monthly meeting of the Council was held in the A.N.A.Rooms last Monday evening. Mr D.S.Carter occupied the Chair.

Permission was granted to Miss Josephine Liddle to attempt to lower the world record for one mile at the Ipswich Centre Carnival to be held this afternoon in the Bremer River, also to the Chelmsford Club to hold a carnival at Wynnum South on St Patrick's Day, March 17, and a list of officials was appointed. Brisbane ladies, Toowong and Manly Clubs were granted permission to hold Distance Competitions for Honour Certificates during the month. Permission was granted to the Wynnum Gordon Club to hold a carnival on 24 March.

Maryborough wrote regarding the formation of a Club, and it was decided to ask Mr F.Hambridge of Aldershot, an old member of the Association to assist with the matter.

A Special Committee consisting of Messrs S.Davis, T.J.Donovan, J.Hiron, D.S.Carter and the Secretary were appointed to investigate particulars in connection with a trophy, which, it was stated, had been promised by Mr E.Palmer to the Manly Club, but had since been withdrawn.

LADIES SWIMMING CARNIVAL IN THE BOOROODABIN BATHS

There was a large and interested assemblage at the Booroodabin Baths this afternoon when the carnival of the Ladies Amateur Swimming Association was held. The swimming was of high order, and the eleven schools worthily represented.

Officials were - Referee, Mrs A.B.Brockway; Judges, Mrs Eden and Misses Craig and Farmer; Timekeepers, The Misses Butterfield and Littleboy and Mr J.Walker; Press Steward and Judge, Mr W.H.Beattie; Starter, Dr Brockway; Check Starter, Miss Walsh; Clerk of Course, Madame Thiodon; Hon Secretary, Miss Walsh; Stewards, The Misses McGregor, Lade, Stewart and Hempstead.

The results were as follows -

Secondary Schools Teams Championships - Brisbane High School 1, Girton College (Toowoomba) 2, Moreton Bay High School 3.

The Brisbane girls first representative, Florrie Taylor, took the water well and quickly gained a substantial lead. The other girl swimmers struggled excellently but the advantage gained was well held, and the last of Miss Frewing's girls, Miss D.Brockway, displayed a nice clean stroke and came in strongly.

Inter-Club Handicap 60 yards - E.Bell (B.H.S.) 1, M.Rogers 2

Long Dive - M.Clarke 1, Roughead 2

Breaststroke Championship 120 yards - M.Clarke (S.Bris) 1, Espie 2, D.Brockway (BHS) 3. Time 2 mins 25 secs.

Senior Neatest Header - C.Gailey (City) 1, V.Neid (City) 2

Junior Neatest Header - D.Brockway (BHS) 1, G.Newham (BHS) 2

60 yards Novelty race - D.Brockway 1, G.Newham 2

Fancy Diving - C.Gailey (City) 1, V.Nicol (City) 2

Championship Teams Race 180 yards - B.H.S 1, City 2, Valley 3

Prisoner's Race - M.Clarke (S.Bris) 1, D.Brockway (BHS) 2

In this race the competitors had to swim with their arms folded behind the back, and yet made the pace fairly hot.

Senior Back & Breast handicap 40 yards - H.Fitzgerald (Valley) 1, A.Jones (Valley) 2

Junior Breast & Back - E.Ruhno (BHS) 1, J.Barstow (Wynnum) 2

Obstacle race 60 yards - D.Brockway (BHS) 1, N.Wheeler 2

In this, the feat of piloting an obstreperous kerosene tin over two lengths of the baths and under wooden barriers provided great amusement.

Fancy Dress Parade - Won by Dorothy Brockway as "Water Hyacinth" with J.McKee "Black Gin" second. Other entrants were, O'Sullivan "Chinaman", Corder "Mother Hubbard", Kitchen "Sea Foam", Roughead "Tramp", E.Drew "Powder and Patches", R.Wilson "Gypsy", Bilows "All Black" (a New Zealand Footballer), C.Gailey "Mermaid", J.Nicol "Brisbane Fop" (Miss Nicol made a splendid boy, and carried out the assumed "Foppiness" to perfection, Kerr "Folly", B.Brockway "Sandwich Board", and Spottiswood "Placard Man".

Remarks - The programme was lengthy and interesting and events were despatched properly, and properly reported by Mr Beattie. A little extra quickness could have been obtained if the heats had been arranged while a race was in progress. The position of the press table was certainly not commendable as half the end of the baths was hidden by an emerging "box", and the news had to be brought up.

The improvement in the girls since last season has been very marked, and if there is a corresponding improvement next season, the fair sex of Brisbane should be able to hold their own with competitors from any part of Australia. The handicapping, always a difficulty, was not too good, and in a number of cases the back markers had absolutely no chance, indeed in one heat, over one length of the baths, the limit girl had finished before the scratch girl had started. It is, however, a very difficult matter to handicap successfully when there are competitors from so many places, and particularly when most of the girls clubs do not keep any records of the times put up by their swimmers in weekly competition. Until this is done it would be unfair to expect anything like correct handicapping. In the Fancy Diving the Judges were apparently a little bit in the dark as to what constituted "Fancy", and consequently from that standpoint, the awards seemed astray. Miss Clarke, for instance, gave three different fancy dives neatly, and most of the other competitors mostly limited their fancy dives to one, yet she was not even placed.

IPSWICH CARNIVAL

The second annual carnival of the Ipswich Amateur Swimming Club this afternoon with a Schoolboys Championship, Junior Championship, 100 yards Senior Championship (First Prize the "Sports Observer" Gold Medal donated by Hon E.J.Stevens M.L.C.) won by A.Ivett (Ipswich Cycle Club), the 1 Mile Ladies Invitation Handicap won by Miss Josephine Liddle in 37 min 34 4/5 secs, Long Dive, Junior Inter-Club Handicap, Senior Inter-Club Handicap, 60 yards Ladies Handicap, 60 yards Inter-Club Handicap, 1 Mile State Championship won by F.W.Springfield in 25 mins 54 secs, with P.Loewe second and E.J.Springfield third, a Novelty race, Neatest Header and a Relay race.

The time set by Miss Liddle established a new Queensland Record. The World Record is held by Miss A.Kellaman in 33 mins 49 secs. Under more favourable conditions with turning boards etc, Miss Liddle would probably break the World Record.

Letter to the Editor

SWIMMING AT MANLY

In reference to a paragraph which appeared in a recent issue of "Sports", in which mention was made of friction between the two Swimming Clubs at Manly, will you be good enough to grant me space to explain what I think will be quite clear to your readers, the reason for the existing friction?

In the first week of this year, in response to a request from fully twenty young men, I called a public meeting, the handbill advertising it setting forth that it was "For the purpose of forming a new Swimming and Athletic Club". At the meeting were several committee men, with their wives, of the Manly Swimming Club, and three of these men, two of them being representatives of the District in the Wynnum Shire Council, notwithstanding the objects of the meeting, showed their hostility by speech etc. However, it was decided by a large majority that a Club should be formed, and it was called the Chelmsford Amateur Swimming and Athletic Club with a membership of over sixty fully paid up. It was then that our troubles began.

In common with kindred Clubs we agreed to hold weekly swims, and this we have been able to do only with the greatest difficulty, as in addition to obstacles placed in our way by those who ought to be willing to help, for some reason quite inexplicable to me, the Wynnum Shire Council have given the use of the Baths at high water to the Manly Club every Saturday but one up to last Saturday, for the past eight weeks. Once we had the use of the Baths and paid the Council one pound six shillings for the afternoon. Acting on the recommendation of the then Chairman of the Council, Mr A.C.Jeffrey, we applied for the use of the baths every Saturday. We knew that the Manly Club had made a similar application, and we thought the Council would favourably consider both applications and grant the baths alternately to each Club. But they did not. The consequence was we either had to wait until the Manly Club had finished their programme (which would not sit on a falling tide), or proceed at the same time on the other side of the baths. This, the Manly Club called interference, and wrote to the Shire Council to that effect. Also, the Chelmsford Club wrote to the Council for the baths on St Patrick's Day to hold a carnival. The Council, however, on the verbal motion of one of the Manly Club's committee men, preferred the Manly Club, who wanted to hold a Club swim; but we had permission from the Swimming Association to hold a carnival on that date. However, our members were not to be daunted and a deputation was appointed to wait on all the members of the Wynnum Shire Council asking for the Wynnum Baths. This we secured, all the Councilors giving their sanction but one, and he, a committeeman of the Manly Club, ordered the members of the deputation off his premises. I might mention that our determination to try for the Wynnum Baths was only decided on after negotiations with the Manly Club to stand aside with their Club swim (which they could hold at night, the Club having charge of the lamps) had failed.

Now, Mr Editor, I think you will agree that the trouble is not of the Chelmsford Club's making, and also that we have not had that consideration and encouragement which a young Club of fine young people is entitled to. If we were criminals or larrikins there would be some excuse.

Apologising for trespassing on your valuable space,

I am, Sir, E.Palmer - Chairman, Chelmsford Swimming Club

In reply, in S.O. 17 March 1906

Letter to the Editor, Sir,

I notice in your issue of last Saturday, a letter in reference to bad treatment meted out to the Chelmsford Swimming Club. If you will kindly refer to a meeting of the Wynnum Shire Council on 10 January, you will find it was moved by Councillor J.Curtis and seconded by Councillor J.Gustayson (who are members of the Manly Swimming Club) that permission be granted to the Chelmsford Swimming Club for control of the Manly enclosure to hold a carnival on 13 January under the usual conditions. Whereupon the two Councillors were commended for their sportsmanlike action, and it was unanimously granted to the Chelmsford Club. Surely this does not look like antagonism, and tickets were freely purchased by members of the Manly Club for the Chelmsford carnival.

I am, Sir, R.Russell - Hon Secretary M.A.S.Club

In Association Notes of 7 April 1906

A Special Committee appointed by the Association to inquire into the dispute between the Manly and Chelmsford Clubs with regard to the trophy alleged to have been promised by Mr E.Palmer, and afterwards withdrawn, reported as follows:

The Committee met on three occasions and after going thoroughly into the matter, came to the following findings -

"That Mr E.Palmer promised to the Manly Club on 17 October, a trophy for the Most Points Scored by Senior members in Club events during the season 1905-6. That he withdrew the trophy on the 28 December by writing - a copy of the letter has been seen in E.Palmer's letter book."

They were satisfied the letter was duly posted, though receipt of it was denied by the Secretary of the Manly Club. They carefully examined the points, minute books, official news, paper reports of official swims, and Handicapper's and Starter's lists of the Manly Club and found a want of agreement between them which made it impossible for them to assess the true position of the competitors in question. On the evidence elicited they concluded the withdrawal of the trophy was in a very great measure due to personal differences between Mr Palmer and Mr Russell.

Taking into account the whole of the circumstances surrounding the trouble which necessitated the inquiry, they recommend that the Manly Club protest about the action of Mr Palmer be dismissed, and further, that Mr Palmer's offer be accepted conditionally if Mr Palmer allowed the Association's Handicapper to be appointed Referee/Handicapper in the matter. This offer provided that the trophy be contested for on Easter Saturday over a distance of 100 yards between the Chelmsford Club, and members of the Manly Club who were competing for the trophy when offered. In the event of Mr Palmer's son being placed first, the trophy would be given to the competitor securing second place.

The dispute of Mr Harrower with the Ipswich Club with reference to a trophy was referred to the Executive Committee.

Mr Hambridge wrote that he would be glad to assist in the formation of a Club in Maryborough, and added that if the Association continued to progress as at present, then there was every reason for hoping that Queensland would ere long rival New South Wales for swimming prestige.

Mr A.D.McPhee resigned his position as joint Handicapper, and Mr J.Hiron was asked to carry out the duties until the end of the season. A vote of thanks was accorded to Mr McPhee for his services.

Toowong and East Brisbane Gordon Clubs reported that their long distance swims had taken place. The furthest distance event in each case was one mile.

The North Brisbane Club was granted permission to hold a carnival on 11th instant.

Mr D'Arcy Wentworth, local Consul for Mt Morgan, in a letter to the Association stated that at the recent carnival the amateurs were kept from the professionals

when the different events were held.

As it was the last meeting of Council for this season, Mr S.Davis moved a vote of thanks to the Chairman for his services, and also for his courtesy to the members. The vote was carried with acclamation.

The Treasurer reported that the assets of the Association were about fourteen pounds in excess of liabilities. This is very gratifying at the end of the season, especially when it is remembered that the season was commenced with a debit balance.

ASSOCIATION NOTES

A team of swimmers comprising of Miss Josie Evelyn Liddle, Mabel Springfield, W.S.H and E.J.Springfield and R.West left on Wednesday evening last to take part in the Mt Morgan carnival to be held this evening and next Tuesday and were accorded a hearty welcome on arrival. They carry with them the best wishes of the Brisbane swimmers for their success.

Q.L.A.S.A.

The fortnightly meeting of the Association was held last Thursday when the accounts in connection with the recent carnival were passed for payment. It was decided to adopt the suggestion of H.Roe and challenge a Ladies Team from New South Wales next season. The New South Wales ladies were congratulated on having formed an Association.

NEW LADIES RECORD

In the competition for Long Distance Certificates held by the Brisbane Ladies Club, Miss Mabel Mahony established a new Queensland ladies record for 440 yards in 9 mins 5 secs. The previous best time for the distance accomplished by Miss Dorothy Brockway, a member of the QLASA, on 23 March was 9 mins 8 1/5 secs.

ASSOCIATION NOTES

At the monthly meeting of Council held in the A.N.A. Rooms last Monday night Mr D.S.Carter presided. Mr W.W.Finnemore was reinstated as an amateur. Some of the delegates were of the opinion that the rule disqualifying any member on becoming lessee of a bath should be deleted. It was on this rule that Mr.Finnemore forfeited his amateur status.

NEW RECORD

The World's Still Water Record for three Miles was lowered by Paddy Bryce in the Rockhampton Baths on 18th instant. Previous holder was P.Neuman, of America, who covered the distance in 1 hour 45 minutes 40 seconds on 28 April 1897. The salt water record is held by W.Hobbs who cut out the 3 miles in 1 hour 25 mins 17 secs at Rushcutters Bay Baths in Sydney on 28 February 1903.

P.Bryce swam before the Committee of the Rockhampton Club and a fair number of natatorial enthusiasts with three watches to time him held by A.A.Walker, R.Hallett and M.Marcussen. Paddy swam splendidly using the trugeon stroke throughout. He succeeded in clipping 15 mins 12 1/5 secs off the record, accomplishing the distance in 1 hour 30 mins 27 4/5 secs, and only 5 mins 10 4/5 secs outside the salt water record a fine performance indeed, and one which puts him in the front rank of long distance swimmers.

Mr Birtle, always a prominent and liberal supporter of swimming, has promised to give two guineas towards a trophy for Bryce.

It is intended to apply to the QASA to have the record recognised as a World Record as the swim was carried out under regulation conditions and in the presence of the Association local Consul, Mr J.Nunn.

At the Council meeting recorded in the S.O. of 7 April, a letter from Rockhampton was read asking for recognition of the record, but Council decided it could not recognise the record as the Rules provided that the event must be in competition, and Mr Bryce's swim did not comply with this. It was decided to grant him a Long Distance Certificate.

In the Edition of 14 April 1906

MR BRYCE 3 MILE RECORD

Mr Bryce wrote from Rockhampton under date 10 April. "Allow me to pen a few lines regarding the decision of the QASA in not allowing my three mile record. I understand the record is not recognised on account of it not being put up in a bona fide competition or race as stated in the Rule Book. In the first place, when has a race ever been held over such a course? We have not a member who could race half that distance with me. They have found it quite far and hard enough to cover a mile, yet alone three miles. The rules also state that on no account will pace making be allowed. If I had asked a couple of members to start with me, they would have only acted as pace makers. A record might be recognised under these circumstances, but I should consider it a very unfair way of securing it. These rules practically contradict each other.

I consider my swim was far more worthy of being recognised seeing it was my own effort, than if it had been done in competition. It was carried out before a full Committee and local Consul for the QASA. Doubtless when the rule was adopted by the QASA, the members of the Council did not foresee that an attempt would be made to lower a record over three miles, or indeed, any long distance.

Under the circumstances I hope the QASA will reconsider the Matter, rescind or alter the rule, and recognise the record which I am sure swimmers generally will

admit was put up under the best conditions available. If the present conditions are adhered to, Queenslanders will be debarred from attempting to bring honour to the State except in distances up to one mile.

SANDGATE CLUB

A new Swimming Club was formed at Sandgate on Saturday night and promises to be very successful. The subscription has been fixed at five shillings for the season and a fair number of members are already enrolled. Sandgate possesses splendid baths, and it is a wonder a strong club has not formed there long ago. Carnivals at the seaside are a boon to metropolitan swimmers.

SWIMMING NOTES - By H20

The Australasian Championships are to be held in Christchurch, New Zealand, this season in conjunction with the International Exhibition, and the new Council of the Association will no doubt at once take steps to secure funds for the sending of representatives. Swimmers should get into condition early if they wish to seek inclusion as representatives.

VALLEY LADIES CLUB

The Second Annual Meeting of the Valley Ladies Club took place at Webster's Cafe, Brunswick Street, Valley, last Thursday night in the presence of about fifty members and supporters. The Club's President, Mrs T.Wilson, occupied the Chair, and there were also present Mesdames E.Coomber, Flay, Springfield, J.Stone, Harrower, and the Misses A.Butterfield, V.Littleboy, Haslet, Brown, Anderson, Peters, Jamieson, Gow, Fitzgerald, Jones, Summers and Messrs P.W.Hill and A.Butterfield and others.

The Annual Report and the very creditable Balance Sheet were adopted. The following officials were elected - Patroness, The Mayoress (Mrs Crase); President, Mrs T.Wilson; Vice Presidents, Mesdames Proe, Flay, Harrower, Millar, T.C.Beirne, Byrne, Springfield, Best, Stone, Coomber, Thompson, A.Trail, Fitzgerald, Carvosso, Hadd and Miss Head and Messrs A.Butterfield, D.S.Carter, P.W.Hill, A.G.Littleboy, W.J.Collins, and W.P.Sparkes; Handicapper, Miss A.Butterfield; Hon Secretary and Treasurer, Miss V.Littleboy; Press Correspondent, Miss F.Peters; Captain, Miss H.Fitzgerald; Vice Captain, Mrs I.Gow; Committee, Misses F.Haslet, Proe, Brown, Anderson, and G.Coomber; Auditors, Misses Jamieson and Barker; Delegates to the Association, Misses Littleboy and Butterfield. It was decided to affiliate with the Q.L.A.S.A. Misses Littleboy and Butterfield who passed their examination in connection with the Life Saving Society, gave a brief description of the work done during the year, and urged members to try and form a class.

The first swim of the season would take place on October 9.

A hearty vote of thanks was accorded to Mrs Wilson for presiding and to Messrs P.W.Hill and A.Butterfield for assisting.

CITY LADIES CLUB

The Annual Meeting of the City Ladies Club was held last evening in the Cafe Eschenhagen. Mrs Brockway (Vice President) occupied the Chair in the unavoidable absence of Mrs A.Corrie. There was an excellent attendance including Mesdames A.Deson, Blood-Smythe, Anderson, Misses Kelleher, Herbertson, Simpson, Nicholson, J.Nicol, Phillips, Lade, Cottell, McKee, Anderson, Gailey, Walsh and Lehane.

The Annual Report dealt with the progress that had been made in swimming during the year and the largely increased membership, taking into consideration the question of limiting the numbers, the proved skill of the members, and other

matters. Thanks were tendered to the press, especially the "Sports Observer", for assistance. A small Credit Balance was shown.

The election of officers for the ensuing year resulted - President, Mrs A. Corrie; Vice Presidents, Mesdames A.B. Brockway, W.H. Beattie, Thompson, Petermann, Deson, and Blood-Smythe; Captain, Miss C. Gailey; Vice Captain, Miss Vivienne Nicol; Hon Secretary, Miss Lade; Hon Treasurer, Miss J. Nicol; Committee, Mesdames Burrell, Anderson, Misses Lehane, Walsh, Nicholson, Cottell and Phillips; Auditors, Misses Lehane and M. Walsh; Delegates, Misses Lade and Lehane.

A vote of thanks to Mrs Brockway for presiding and to the retiring officers for their services closed the meeting.

VALLEY CLUB

The Annual Meeting of the Valley Club was held on Tuesday night and proved very successful.

The Report and Balance Sheet stated inter alia the Club could still be considered one of the strongest in the Association, the members numbering 29 Seniors and 50 Juniors. The annual carnival was a success notwithstanding adverse conditions. The average attendance at Club handicaps was over 60. The various successes of the past season were reviewed and thanks were tendered to Messrs T. Wilson, D.S. Carter, T. Welsby, W.M. Thompson, W. Fowles, R. Harrower, A.G. Littleboy, W.J. Collins, A. Butterfield, W. Hetherington, W. Sawyer, C. Marshall and F. Springfield Snr for liberal donations to the funds of the Club, also to the press, especially the "Sports Observer" for support. Ken appreciation was expressed for the work of Messrs Butterfield (who kindly put his room at the disposal of the Club), Littleboy (Treasurer), Hill (Press Correspondent), and Sawyer. Total Receipts amounted to forty four pounds twelve shillings, including a Credit Balance of five pounds fourteen shillings and nine pence brought forward from last season, while the expenditure amounted to forty pounds eighteen shillings and sixpence. The Credit balance was considered satisfactory when it was observed that the sum of twenty seven pounds seven shillings and sixpence was spent on trophies alone.

The following officers were elected for the ensuing season - Patron, Mr T. Welsby; President, Ald T. Wilson; Vice Presidents, Drs Culpin and Brockway, Messrs D.S. Carter, J. Coulter, W.M. Thompson, F. Springfield, Win Fowles, W.J. Collins, A. Butterfield, W. Ruddle, H.C. White, A. Littleboy, H.B. Honey and R. Harrower; Hon Joint Secretaries and Treasurers, Messrs J. Fitzgerald and W.T. Watson; Hon Auditors Messrs G. Crammond and P. Carvosso; Hon Handicappers, Messrs Crammond and Trail; Captain Senior, F.W. Springfield; Vice Captain, M. Carvosso; Delegates to QASA, Messrs D.S. Carter, Watson, Crammond, P.W. Hill, T.W. Haslett, J. Smith and T.J. Loewe.

During the meeting a number of new members were enrolled.

ASSOCIATION NOTES

The Annual General Meeting of the Association was held in the Trades Hall on Wednesday evening last. Apologies for absence were received from Hon E.J. Stevens (Patron), Dr A.B. Brockway (President), Hon J.W. Blair, and Mr J. Cameron M.L.A. (Vice Presidents). The Chair was taken by Mr D.S. Carter (Vice President) who moved the adoption of the Report and Balance Sheet. The motion was seconded by Mr W.H. Duffy, both making eulogistic remarks about the work done during the past season.

This is the first occasion the Association has been in a good financial position for a considerable number of years and speaks volumes for the work done. The Australasian Championship Meetings were to a great extent responsible for the result, and the able manner in which they were carried out speaks volumes for those who had charge of the arrangements.

The election of office bearers resulted in keen competition especially for the positions of Secretary and Treasurer. No fewer than three candidates were standing for the position of Secretary. Mr E.Wetzel was eventually elected by a large majority. The list of officers is as follows - Patron, Hon E.J.Stevens M.L.C. (unanimously re-elected); President, Dr A.B.Brockway (unanimously re-elected); Vice Presidents, Hon J.W.Blair, Mr J.Cameron M.L.A., the Mayors of North and South Brisbane Dr B.B.Ham, Messrs M.Baldwin, D..Carter, W.A.Duffy, R.H.Roe MA F.W.Nissen and T.A.Bond; Hon Secretary Mr E.Wetzel; Hon Treasurer, Mr W.Kuder; Hon Handicapper, Mr A.H.Williams; Hon Auditors, Messrs G.Crawford and T.J.Donovan; Press Correspondent, Mr F.Massey.

Mr W.H.Duffy moved, and Mr S.Davis seconded, "That the Association take the necessary steps by securing a mail vote of the various Australian Associations to recognise the Queensland Ladies Amateur Swimming Association as a distinct and separate body." The motion was carried unanimously.

A vote of thanks was tendered to the Hon Secretary, Treasurer, Chairman and Executive Committee for their services during the past season.

Several new Clubs have applied for affiliation viz. Maryborough, Hamilton Gordon, and Sandgate. Others are holding meetings during the coming weeks and prospects point to an even more successful season than the last.

Q.L.A.S.A.

The Annual Meeting of the Queensland Ladies Amateur Swimming Association was held on Thursday night.

The President, Mrs L.G.Corrie, spoke earnestly of the necessity for a women's swimming bath, emphasising the risks that were incurred in the ordinary bath. She urged the Association to agitate in the matter.

Dr Brockway congratulated the Association on the appointment of officers, and paid a hearty tribute to the Secretary, Miss Walsh. He referred to the resolution of the QASA which, he said, practically recognised the Ladies Association, though the resolution had to be agreed to by the other Associations. The credit for the decision was largely due to Mr W.H.Duffy, and in this connection praised the work of Mr W.H.Beattie. He hoped there would be more competition this season for Long Distance Certificates. In regard to the question of masculine spectators at ladies carnivals, he suggested the right of admission be only extended to the Advisory Board, the Press, and the parents of the competitors. Referring to the proposed competition with the New South Wales Ladies Association, he mentioned the good results which could be caused by such competition and hoped they would reduce cliqueness in Clubs.

Mr W.H.Beattie also spoke referring to the accommodation for the press. Dr Brockway suggested the press table should be moved to the western side of the baths, and regretted that the construction of the baths did not permit of more satisfactory arrangements.

The Report and Balance Sheet was of a satisfactory nature, the latter showing a Credit Balance of fourteen pounds six shillings.

The election of office bearers resulted as follows - Patroness, Lady Chelmsford; President, Mrs L.G.Corrie; Vice Presidents, Mrs A.B.Brockway, Drs Greenham and Bourne, Miss Frewings, Mrs D.R.Eden, The Mayoress of Brisbane and of South Brisbane, Mrs De Little, Mrs Rosenstengel and Mrs Petermann; Executive Committee, Presidents of Affiliated Clubs; Chief delegate, Mrs D.R.Eden; Hon Handicappers, Miss Craig and Miss V.Littleboy; Hon Treasurer, Miss Ruth Lade; Hon Secretary, Miss Walsh; Hon Auditors, Mrs Sellars and Mrs J.Nicol; Advisory Board, Hon E.J.Stevens M.L.C., Messrs W.H.Beattie, J.J.Walsh, W.H.Duffy, Dr A.B.Brockway, Ald W.J.Hetherington and Mr J.Walker (Toowoomba).

MOUNT MORGAN

The Mt Morgan Baths Committee held a meeting recently and decided to start the season with a demonstration on October 6. The Committee decided to sever connections with the QASA.

The wisdom of this step is doubtful, as Mt Morgan will of necessity be avoided by swimmers from other centres who will be unable to take part in a carnival there under pale of disqualification. It seems a poor return for many concessions.

HAMILTON GORDON CLUB

A special meeting of the Hamilton Gordon Club was held in the Club Rooms, Ascot, last Monday night to consider the advisableness of forming a swimming club. There was a fair attendance including Messrs E.Wetzel (Hon Secretary QASA), F.Springfield and F.Brown. The Chair was occupied by Dr J.H.Little who in his opening remarks referred to the beneficial effects of swimming. Mr E.Wetzel said he was glad to see that a new Club was being formed and he hoped the members would put all their energies into the sport, and if they did so they would have a very good Club.

Mr F.Gilmore, Hon Secretary of the Gordon Club, said he was sorry a swimming Club had not been formed long ago. He was of the opinion that as far as trophies go, the Club would be one of the best in Brisbane.

The following officers were elected - Captain, T.Macfarlane; Vice Captain, H.Ashby; Hon Secretary and Treasurer, H.H.Rhoades; Press Correspondent, F.Gilmore; Starter and Timekeeper, W.Male; Delegates to QASA, H.Ashby, H.Headland and H.H.Rhoades; Handicapper, H.H.Rhoades pro tem.

Subscriptions were fixed at one shilling and sixpence per annum for general members and two shillings and sixpence for associate members.

It was decided to affiliate with the QASA, and hold the first Club swim next Monday night at 8 o'clock.

The Chairman announced the membership totalled about forty, including a few who had been enrolled at the meeting.

SOUTH BRISBANE LADIES CLUB

The above Club held their second Annual Meeting at the Municipal Baths, Stanley Street, with Miss Nicholson in the Chair.

The Annual Report was read and adopted.

Officers elected were - Patroness, Mrs Burton (Mayoress); President, Mrs J.Fysh; Vice Presidents, Mesdames Bouchard and Austin; Treasurer, Mrs Sellars; Captain, Miss M.Clarke; Vice Captain, Miss M.Nicholson; Auditors, Misses Smith and Gillies; Secretary, Mrs Fysh; Delegates to the Association, Miss M.Clarke and the Secretary.

ST JOHN'S LADIES CLUB

At the first Annual Meeting held in St Luke's Hall, Charlotte Street, Archdeacon Le Fanu occupied the Chair. The Report and Balance Sheet were adopted.

Officers elected were - Patroness, Mrs Le Fanu; President, Mrs H.Simmons; Vice Presidents, Mesdames E.Walker, D.Graham, Benjamin, Cumbrae-Stewart and Misses I.Hart and Bedford; Treasurer, Miss Hemsted; Secretary, Miss E.Stewart; Captain, Miss J.Annan; Committee, Misses Dell, Petrie, Stephenson, Hughes, Sillett and Butler.

ASSOCIATION NOTES

The first Council meeting will be held on Monday October 8, and one matter to be dealt with is the proposed visit of the World Champion and record Holder, C.M.Daniells of America.

Club Secretaries and delegates holding Kieran Memorial cards are requested to hand them in at once as the Fund is now closed.

Competitors intending to take part in the Maryborough Club's carnival on October 12 are requested to communicate immediately with the Association Secretary so that arrangements can be made for the trip.

Hon E.J.Stevens M.L.C., in accepting the position of Patron, has promised a "Courier" trophy to the value of two guineas for competition during the season, and has congratulated the Association on the headway made during the past season. The Mayor of Brisbane has also accepted the position of Vice President and has promised assistance during the season.

NORTH BRISBANE CLUB

The ninth Annual Meeting of the above Club was held in the Diggers Arms Hotel last Wednesday. Mr George Staebell occupied the Chair and there was a fair attendance of members. Apologies were received from Messrs J.Cameron, R.B.Stark, S.Davis and D.A.Coffey.

The Report and Balance Sheet showed a credit of over two pounds. The President moved the adoption of the Report and Balance Sheet and Mr D.Carter seconded the motion. Mr Geo Crawford also spoke pointing out the advantages of having a strong Junior Club. The motion was carried.

The election of officers resulted - President, Mr Geo Staebell (reelected); Vice Presidents, Messrs J.Cameron, R.B.Stark, M.Baldwin, J.H.Grice (re-elected), C.W.Phillips, D.S.Carter and E.C.Moxley; Secretary, Mr W.Kuder (re-elected); Treasurer, D.A.Coffey (re-elected); Captain seniors, R.Harrower; Vice Captain Seniors, Ken Honeyman; Committee, Messrs B.Burton, G.Crawford, D.Harrower, D.Doyle and C.Phillips; Handicapper, Mr M.J.Hinch; Captain Juniors, J.Seymour; Vice Captain Juniors, T.McLennon.

The President presented the trophies won during the last season as follows - Points Seniors, D.Harrower; Juniors J.Seymour; Attendance Seniors, D.Harrower; Juniors, C.Kelly.

ROCKHAMPTON CLUB

The Rockhampton Club has held their Annual Meeting with Mr F.W.De Little in the Chair. There were about fifty members present, and the Report and Balance Sheet were adopted.

The election of office bearers resulted - Patron, Mr F.W.De Little; President, Mr A.H.Parnell; Vice Presidents, Dr H.E.Brown, Messrs J.Fox, W.McGrath, W.H.B.May, A.W.Kirby, A.H.Hendrick and H.Williams; Captain, Mr C.Hunt; Vice Captain, Mr P.Bryce; Secretary, Mr M.Marcussen; Treasurer, Mr D.Mortensen; Handicapper, Mr R.Hallett; Committee Messrs A.C.Anderson, G.Taunton, F.Bracker, J.W.Thompson and J.Jones; Representative on the Queensland Amateur Swimming Association, Mr B.Burton; Local Consul, Mr J.W.Nunn (the right man in the right place - he is undoubtedly one of the staunchest amateurs the State possesses, and worthily upholds the State's interest). The committee is practically the same as last year with the exception of that popular sport, Bob Burton, who has given up the Secretaryship, which is to be regretted. Mr Ben Burton, of the North Brisbane Club, replaces Mr A.L.Cossart as delegate to QASA.

The baths have not opened yet, but when they are opened there will be a number of swims. There are plenty of trophies to be won including one from the Patron of the Club, Mr F.W.De Little, who is noted for his generosity to the sport. This

trophy is for a series of monthly competitions on the same conditions as last year. There is every probability that a team of Rockhampton swimmers will travel to Maryborough for their carnival, and the boys are already training in the river. Fifteen seniors and three juniors were enrolled at the meeting. The subscription was fixed at two shillings and sixpence for seniors and one shilling for juniors. In to course of the evening the Long Distance Certificates were presented.

A vote of thanks was passed to the retiring Secretary, Mr Bob Burton.

Mount Morgan has decided to form an Amateur Swimming Club, thus taking over from the Mt Morgan Baths Committee which was disassociating from the QASA.

SWIMMING NOTES - By H2O
LADIES COMMERCIAL CLUB

The third Annual Meeting of the above Club was held in the Temperance Hall last Saturday. There was a good attendance of members including Madame Thiodon, Misses M.McDonald, H.Fell, Cousins, Bell, Parsons, Roughead, Harrower, Robinson, Taylor, Drew, Nevitt, Wilcox, Spottiswood, Farmer and others.

Madame Thiodon, who occupied the Chair, congratulated the Club on its successes during the past season. The membership totalled sixty (financial). The Secretary's report showed the Club had a very successful season, and the Treasurer's Statement showed a satisfactory Balance of five pounds eleven shillings and eight pence. The Report and Balance Sheet were unanimously adopted.

The following officers were elected for the ensuing season - Patron, Dr Eleanor Greenham; President, Madame Thiodon; Vice Presidents, Mesdames Harrower, Brockway, Staebell, Fitzgerald and Gibbons (NSW); Secretary, Miss Farmer; Treasurer, Miss R.Fell; Captain, Miss M.Roughead; Vice Captain, Miss B.Cousins; Auditors, Misses Taylor and Drew; Press Correspondent, Miss M.McDonald; Handicapper, Mr A.W.Farmer; Comittee, the Misses Bell, Robinson, Harrower and H.Fell.

The subscription will be the same as last year. Weekly swims will commence on Saturday night October 12 in the Spring Hill Baths, and points for attendance will date from that night.

The President, Madame Thiodon, reported that the Secretary, owing to ill health, would be unable to teach members this season, but other arrangements would be made to bring the backward members on.

It was decided not to affiliate with the Q.L.A.S.A. this season. A vote of thanks was passed to the "Sports Observer".

CHRISTIAN BROTHERS OLD BOYS SWIMMING CLUB

A very successful meeting was held in the school gymnasium on Tuesday night in connection with forming a swimming club. Mr D.S.Carter occupied the Chair.

The following gentlemen were elected office bearers for the ensuing year - Patron, Rev W.Reidy; President, Mr F.McDonnell M.L.A.; Vice Presidents, Rev P.Furlong, Hon P.Murphy M.L.C., Messrs T.J.Lehane, P.Swift, D.S.Carter, J.Connor, C.Cain, J.Russell, D.J.Buchanan and M.B.Fogarty; Committee, Messrs T.Gaffney, P.Carmichael, P.Flanagan, V.Reahan, F.K.Ahern, J.Healion and A.Foster; Secretary and Treasurer, B.Gallagher; Joint Handicappers, M.J.Hinch and D.O'Connell; Delegates to the Queensland Swimming Association, Messrs W.Hinch, H.McCready and B.Gallagher.

It was decided that the weekly swim would take place in the Spring Hill Baths. Matters in connection with this were left in the hands of the Secretary.

Brother Reidy donated a gold medal for the seniors, and D.S.Carter a silver medal for the juniors, the awarding to be left in the hands of the Committee.

ASSOCIATION NOTES

Mr W.Hetherington has been appointed Assistant Secretary.

Maryborough will hold their first carnival on October 12 and a team of Rockhampton swimmers will take part. An invitation has been extended to F.W.Springfield and D.Corrie or W.Hetherington, on terms that the Club will pay the hotel expenses if the competitors named are willing to make the trip on the terms mentioned. They are requested to communicate with the Association Secretary.

Hope is expressed that the Association will at once endeavour to form a Schools Union, as the future representatives of the State must come from the ranks of the schools and the juniors.

EAST BRISBANE CLUB

The first Annual Meeting of the East Brisbane Club was held in the Bodan Hotel, Woolloongabba, last Wednesday night. The Annual Report and Balance Sheet were adopted, and the election of office bearers for the ensuing season followed.

Patron, M.P.Dibley M.L.A.(re-elected); President, Mr W.H.Duffy (reelected); Vice Presidents, Messrs H.Black, J.Watt, Win Fowles, F.J.Soutar (re-elected) and F.J.Keenan; Captain, R.Harris; Vice Captain, W.Duffy; Hon Secretary and Treasurer, T.C.McIntyre (re-elected); Committee, Messrs F.Roberts, S.Wotton, H.Stevens, H.Hedger and P.Carmichael; Delegates to QASA, Messrs F.K.Keenan, F.J.Soutar and W.Duffy Snr; Handicapper, T.H.Green (re-elected); Starter, F.J.Soutar; Auditors, G.Govett and L.Vizer (re-elected).

SWIMMING NOTES - By H20 BIG BLOCK CLUB

A very successful meeting was held last Tuesday evening by the employees of Messrs Finney Isles & Co Ltd in connection with the formation of a swimming club. Mr E.Frederick occupied the Chair and there was a large number of employees present.

It was decided to affiliate with the Queensland Swimming Association. Mr C.Heal (Sydney) wrote to the Secretary expressing the hope that a swimming club would be formed and enclosing a cheque for two guineas.

The election of officers for the ensuing season resulted as follows - Patron, Mr W.J.Coakes; President, Mr J.Kilroe; Vice Presidents, Mr E.H.Macartney M.L.A., H.M.Hicks, T.Davis, T.H.Hay, T.Gilmore, J.Richards, R.O'Shanasy, J.H.Granger, P.J.Stephens, W.R.Balding, E.Ryan, A.Street, W.F.Callanan, J.W.Dorsett, H.B.Horsey, E.Frederick, E.Summerson and J.

McCarthy; Captain, James O'Brien; Vice Captain M.Ferguson; Auditors, F.Kennett and F.Chalk; Handicappers, W.Balding and E.Frederick; Delegates to QASA, L.Morris, J.Harrower and H.Moxley; Committee, W.Balding, W.S.Lewis, M.Ferguson, James O'Brien, L.G.Morris, E.Moran and H.Moxley; Hon Assistant Secretary and Treasurer, E.Moran.

It was decided that the colours would be navy blue and old gold.

The Club has a membership of over forty, and the subscription fee has been fixed at one shilling. Several trophies have been donated for competition during the season.

It was decided that the headquarters of the Club would be at the Spring Hill Baths, Arthur Street, and the opening swim to be on October 18.

ASSOCIATION NOTES

Mr D.S.Carter was elected Chairman for the ensuing season.

Applications for affiliation were received from, and granted to, Maryborough, Toowoomba Centre, Christian Brothers Old Boys, Hamilton Gordon, and St George Clubs.

Permission for carnivals and events were granted to City Club to hold two 56 yards handicaps, one to be swum for seniors and one for juniors to take place on October 30, to Chelmsford Club for carnival at Manly Baths on November 9, Sandgate Club 60 yards Inter-Club Handicap November 24, Toowoomba Club carnival November 30, Valley Club carnival December 5, Wynnum Gordon Club carnival December 26.

A letter was received from Hon E.J.Stevens accepting the position of Patron and offering a "Courier" trophy valued at two guineas for competition. Dr A.B.Brockway wrote accepting the position of President and donated two guineas to the Association funds. Messrs T.A.Bond, D.S.Carter and W.H.Duffy accepted the position of Vice President and each donated one guinea to the funds. Mr R.H.Roe wrote regretting his inability to accept office this season, but the members requested him to comply with their desire on account of the great assistance he had accorded the Association in the past.

The following were elected - Executive Committee, F.J.Soutar (East Brisbane), T.J.Donovan (North Brisbane), W.H.Hinch (Christian Brothers), T.Watson (Valley), J.Hiron (Toowong). Local Consuls, Mount Morgan, Mr D. Wentworth; Rockhampton, Mr J.W.Nunn; Ipswich Centre, Mr A.J.Schaffer; Maryborough, Mr J.Christie. Starter, Mr E.Wetzel. It was decided that the Executive Committee should act as the Selection Committee. Mr J.Murray has been appointed delegate for the Maryborough Club.

It was resolved to allow each new Club affiliating with the Association six Rule Books free of charge.

The Treasurer reported a Credit Balance of seventeen pounds. Accounts totalling four pounds seventeen shillings were passed for payment.

Clubs wishing to apply for State Championships are requested to do so at once and forward the necessary fee, as the Championships are to be balloted for at an early date.

The matter of a Junior Branch of a Club being entitled to a separate representative on the Executive was decided at the Council meeting and the claim failed. The Chairman's ruling was disagreed with, but the Council upheld his decision that a Junior Club is part and parcel of the parent body.

Mt Morgan has at last formed an Amateur Club and application has been made for affiliation.

The following team of swimmers under the Manager, Marcus Marcussen, left Rockhampton to compete with the Maryborough Club in a carnival held last night, C.Hunt, P.Bryce, J.Thompson, and B.Alley.

BATHING PLACE AT INDOOROOPILLY

An agitation has been going on for some time regarding the erection of a safe, clean, and well-conducted bathing place at Indooroopilly. The matter originated with the members of the Indooroopilly State School Committee who are desirous of giving the children connected with the school every facility for learning to swim, and it naturally drifted into the formation of public baths.

The site selected is abutting on the western abutment of the Albert Bridge, and it is proposed to enclose a space running 50 feet into the river from low water mark, by 100-150 feet wide. The site is an ideal one, a considerable part having a sandy bottom and sloping gradually to 30 feet or so to deep water.

Dr Brockway and other swimming enthusiasts have seen it, give it unqualified approval.

Adjacent to the baths it is proposed to erect a number of dressing rooms, and

the whole will be under strict supervision. The proposed position is such that the baths cannot interfere with any houses in the neighbourhood. The Sherwood Shire Council has control of the foreshores in the District, and the approval of the Board to the erection of the baths is now being sought.

ALLOTMENT OF CHAMPIONSHIPS

At a meeting of the Council of the QASA held last Monday night, the matter of allotting the Championships was dealt with. Only three applications were in order, and as there are six Championships, it was decided to give each Club which had applied and whose application was in order, two draws, with the right of refusing one. The result was - Valley, 220 and 880 yards; Toowong, 1 mile and 440 yards; Big Block, 100 and 100 yards (100 yards chosen).

Q.L.A.S.A.

A meeting of Council was held last Thursday.

Correspondence included - A letter from the New South Wales Association acknowledging receipt of the QLASA Rules; from the Mayor stating that current consideration was being given to the question of providing women's baths and the supply of water; from the Royal Life Saving Association stating that the members of the Association who were successful in the recent examination conducted by Dr Sutton, had been appointed honorary instructors; from the Fitzroy Ladies Club enclosing affiliation fee; from Mrs De Little accepting the position of Vice President and enclosing a donation; from the Darling Downs Ladies Club announcing they were affiliating and applying for permission to hold a carnival on 6th February to include the 60 yards Championship of Queensland; from Mrs Wilson, Secretary of the Maryborough Ladies Club announcing that the Club was being formed; from the New South Wales Ladies Association forwarding their Annual Report in which it was mentioned it was hoped to send a team to Brisbane next March. The Secretary was instructed to forward replies to most of these letters.

BIG BLOCK CLUB

The Big Block Club, composed of Finney Isles and Co Ltd employees are holding a Championship carnival in the Booroodabin Baths on Wednesday November 4 at 8 pm. The programme arranged is very attractive and there is to be the 100 yards Championship of Queensland, so there should be a large attendance of onlookers. Popular prices for admission will be charged for all parts of the building. The feature of the programme will be the presentation of all the prizes won during the evening. Special arrangements have been made to have the baths lit by electric light, and Stewart's band will render music during the evening.

Arrangements are being made to swim the heats of the 100 yards at the Booroodabin Baths on Tuesday evening. The following are likely to compete - D.Corrie, P.Loewe, F.Cutcliffe, P.Nicholson, W.Hetherington, R.Harrower, R.Carr, F.W.Springfield, T.Carmichael, A.Barry, E.Palmer, V.Carmichael, K.Honeyman, J.Fernandez, A.Scott (Ipswich), P.Doyle (Toowoomba) and perhaps representatives from other affiliated Clubs.

The prizes are very handsome and will be on show in one of Finney Isles and Co Ltd windows on Tuesday morning. Messrs W.J.Coakes and J.Kilroe have donated two splendid gold medals and a sash for the 100 yards Championship of Queensland, the Hon E.J.Stevens M.L.C., has donated two "Courier" trophies, and there other very good prizes including a set of carvers, a gladstone bag, a brief case, a silver watch, silver medals, gold facings, silver mounted oak biscuit barrel, ladies leather writing case, a set of military brushes in leather case, a handsome solid silver cup, gentleman's umbrella, gentleman's crocodile dressing case, a silver plated combination shaving mug and mirror, silver ink stand (two bottles), gold

brooch, gold cuff links and other trophies.

Mr H.Moxley, Secretary, is setting out a souvenir programme of the events which will e distributed free of charge at the carnival. Special arrangements are being made with the lessee of the baths to have the water fresh in for the carnival.

The programme will include the 100 yards Championship of Queensland, 440 yards Ladies Handicap (in which Miss Josephine Liddle will attempt to establish a new Queensland record), 60 yards Inter-Club Handicap, 60 yards Junior Inter-Club Handicap, 240 yards Inter-Club Relay Handicap, 30 yards Fancy Costume Inter-Club race, 30 yards Inter-Club Egg and Spoon race, 60 yards Firms Handicap (Amateurs only), Long Diving Competition (Club members only), 60 yards Handicap (Club members only), 30 yards Ladies Nomination Handicap (open only to employees of the firm). Entries close on November 8 with H.Moxley, Secretary.

BRISBANE NEWSBOYS CLUB

There was a very large gathering of newsboys at the meeting of the Brisbane Newsboys Swimming Club. Mr Marsh occupied the Chair.

The following officers were elected - Patron Hon E.J.Stevens M.L.C.; President, Dr A.Brockway; Vice Presidents, Archdeacon Le Fanu, A.Howman, Cowlshaw, J.S.W.Tomlin, Chas Welsby, Holmes and Buzacott; Captain, W.Hasley; Vice Captain, F.W.Power; Starter, Thomas Robinson; Handicapper, John Pike; Committee, N.Trenerry, Reid, E.Lowther, Lock and E.Bevan; Secretary, Chas Robinson; Treasurer, E.Bevan; Assistant Treasurer, John Pike; Call Steward, Charlie Olsen; Judges, N.Trenerry, E.Bevan and E.Lowther.

ROCKHAMPTON CLUB

In the course of an interesting letter, Paddy Kelly (Bryce) advises - The Rockhampton team had a splendid passage to Maryborough and were met by several members of the Maryborough Club, including the Assistant Secretary, Jack Christie (the right man in the right place who has a grand co-worker in the Chairman of the Committee R.Kenna, brother of Joe Kenna of Rockhampton). Our thanks are due to the untiring pair.

Maryborough has some fine enthusiasts in the sport in Mr Barriskill, Manager for Finney Isles & Co, a Vice President, and Mr G.Stupart, President, who went so far as to let Bob Kenna off duty for the whole day to show us around and make our stay enjoyable.

The carnival was a big success. Our team was fairly successful. Our one legged champion, J.W.Thompson, being the most successful, winning the 100 yards Inter-City handicap and the Neatest Header. George Humbly was second in the dive. Hunt was second in the 100 yards Handicap, and we also won the relay race. I came second in the Long Dive which was won by Johnston from Ipswich, who is an old Brisbane boy. I also did the Monte Cristo feat, which seemed to puzzle them.

We were tendered a smoke concert on Saturday night after the carnival and left for home on Sunday night after an enjoyable picnic during the day.

ASSOCIATION NOTES

At the monthly Council meeting Mr D.S.Carter presided. Information was given that the American champion, Daniells, would not now be coming to Australia.

The Association Press Correspondent, Mr Massey, tendered his resignation and it was accepted. Mr D.J.O'Connell was elected to fill the vacancy.

The position of several lady members of the Association in regard to the QLASA and their right to take part in the State Championship for ladies was debated at considerable length, but nothing very definite was arrived at.

Big Block Club decided to host the 100 yards State Championship, Toowong the

440 yards, Valley the 220 yards, to be competed for at their respective carnivals. The Championships remaining, the 60 yards Junior, the 1 mile, the 880 yards, are still to be applied for by the remaining Clubs.

Messrs D.S.Carter, W.Kuder and Geo Crawford were appointed Inspection of Trophies Committee. Mr Malcolm Munro was appointed Standard Timekeeper. The Ipswich centre was granted affiliation.

The three Misses Liddle were granted permission to appear at the Big Block and Sandgate carnivals. Permission was granted to the East Brisbane Juniors to compete in the ensuing carnival competition on that Club's delegate guaranteeing the affiliation fee. The Chairman ruled that a second class member of any Club could represent that Club on the Council, also that an active office bearer of the Association need not necessarily be a member of any affiliated Club.

The Australasian Championships have been set down for decision in February in Christchurch, New Zealand.

Affiliated swimmers are requested to comply with the Association Rules and wear trunks over their costumes in accordance with the rules otherwise they are liable for disqualification.

Q.L.A.S.A.

The fortnightly meeting of the QLASA was held on Thursday evening with Mrs Brockway in the Chair. The following Clubs were represented - City, St John's, South Brisbane, Darling Downs, Valley, Eagle Junction and Sandgate. An apology was received from Brisbane High School.

It was resolved that the Championship carnival that was to be held on December 8 should be abandoned owing to the Municipal Council so far having done nothing definite towards improving the condition of the water supplied to the Municipal Baths. It was also decided to again write to the Council pointing out why this carnival had to be abandoned. It was hoped that by March satisfactory arrangements will have been made, and the championship meeting be held then.

The Secretary was instructed to write to the Darling Downs Ladies Club suggesting that they should place a 50 yards Darling Downs Championship on their programme for February 6.

S.O. Saturday 17 November 1906

BIG BLOCK CARNIVAL

The employees of Finney Isles & Co Ltd held their first carnival last Wednesday evening in the Booroodabin Baths and it proved a brilliant success financially and otherwise. The prizes were particularly handsome and included two "Courier" trophies and others previously described.

The Starter, Mr E.Wetzel, is to be complimented on the excellent way he got through such a large programme. The Secretary wishes to express his heartfelt thanks to all those who assisted in making the carnival such a success. The Egg and Spoon race will be decided at a future date, and all Clubs Secretaries will be duly notified of the date and time.

Mr A.Baldwin (Sydney), a brother of the Club Handicapper, wrote and expressed best wishes to the Club and has donated a handsome gold medal to the member who gains the most number of points.

Miss Josephine Liddle established a World Record for 440 yards, covering the distance in 8 minutes 11 seconds.

mind these lines written up in the City of Westminster Baths, London (Baths well known to the great swimmers Lane, Cavill, Hellings and others from Australia),

"To win, although we lose the prize,
We strive to conquer if we can,
But if we fail or if we rise,
God keep us each a Gentleman."

ROCKHAMPTON CLUB

This Club has protested about the attitude of the Association regarding the allotting of the different Championships, as they think each separate Club should be notified through the Association. Further, they consider the different Championships should go round periodically to different outside Clubs such as Ipswich, Toowoomba, Rockhampton Maryborough etc., and the holder would have to defend his title, and surely if it is worth winning, it is worth going for.

Accommodation at the baths is nearly finished, and th gallery at one end will seat four hundred easily, and there will also be a balcony all round, like the Booroodabin Baths.

GENERAL NOTES

F.W.Springfield, the Australian Mile Champion, has accepted the invitation of the North Sydney Club to compete in the 880 yards Handicap in their carnival on December 8. As the 100 yards Championship of New South Wales will be decided at this carnival, it will be more than probable that our sturdy little champion will also include that in his programme. Mr Springfield will leave by the mail train on Thursday 6th instant. All swimmers wish him Bon Voyage and Good Luck.

SWIMMING NOTES - By H,0 Q.L.A.S.A.

At a meeting of the Council of the QLASA, a letter was received from the Mayor of Brisbane regarding the water supply of the baths, also a letter from the New Zealand Association recognising the QLASA, from Miss Reeks, Secretary of the New South Wales Ladies Association, enclosing their Annual report and stating that most favourable opinions were expressed at the last meeting of the Association regarding the sending of a team to Queensland for the March carnival.

Dates for carnivals were fixed as - Saturday March 2 1907 at 3 pm; Wednesday March 6 at 8 pm; Saturday March 9 at 3 pm.

An interesting programme was drawn up including the 60 yards Swimming Championship of Queensland, a Breaststroke Championship, 120 yards Queensland Championship for March 2, 30 yards Junior Championship and 60 yards Australasian Championship for March 6, and a Consolation Race and Inter-State Teams Championship and a Secondary Schools Championship for March 9.

ASSOCIATION NOTES

At the monthly Council meeting there were delegates from Rockhampton, Mt Morgan, Toowoomba, City, Wynnum Gordon, Christian Brothers, East Brisbane, North Brisbane, Valley, Hamilton Gordon, Toowong, St George Gordon Clubs.

Letters were received from the New Zealand, Victorian and New South Wales Associations recognising the Queensland Ladies Association as a separate body. As a result of the replies, the Council passed a resolution recognising the QLASA as a distinct body.

It was decided that in future a date should be fixed for holding a ballot for the various State Championships, and notification of the date be sent to the affiliated Clubs and Centres.

Mr Nunn's action in reinstating Mr R.Pemmel (Mt Morgan) was endorsed.

A motion from the City Club regarding a Flying Squadron Championship was referred to the Executive, as was a proposal to hold a Kieran Memorial Race at a Grand Carnival.

A letter was received from the Ipswich Centre reporting a swimmer for having received appearance money at a recent cycling sports, and as the member in question was stated to have broken his amateur status as a cyclist, the matter was given to the Queensland Cyclist Association to deal with.

Affiliation was granted to South Brisbane, Newsboys Club and Christian Brothers Old Boys Club. North Brisbane was granted the 60 yards Junior Championship to be decided at their carnival in February.

A breeze was raised during the reading of the correspondence, several delegates complaining it was a great waste of time, and inquiring why Executive meetings were not called to transact business instead of allowing it to pile up for the Council meeting.

The late Secretary of the North Rockhampton Club wrote stating that the Club had decided to disband for this season at least, owing to the distance some members had to go, some three or four miles, to hold their swims. But as there was the likelihood of the Municipal Council here erecting baths in the near future, the Club would be in full swing again on completion of the baths.

A new Club is being formed at Maryborough.

Owing to the similarity of the names of some Mt Morganites, a misunderstanding was created whereby a number of members of the Mt Morgan Club were thought to be ineligible to compete in any events, as it was thought they were professionals. This brought quite a budget of letters denying the charge of professionalism, and inquiring where information was obtained, where their forfeiture took place, and date.

As it was reported that some of the prizes won at carnivals and distributed to the swimmers had not been inspected officially, it was resolved to write to the various Clubs advising that all prizes must be passed by the official inspectors.

VALLEY CLUB

The annual carnival of the Valley Club which was held last Wednesday night turned out to be a decided success both financially and socially.

The carnival which started on time was carried through without a hitch. The principal item on the programme was the 220 yards Championship of Queensland, which resulted in a win for R.Harrower after one of the finest races witnessed for a long time. Harrower's win was very popular, and he deserved it after his assiduous training. R.Homann's Monte Cristo act was watched by an eager crowd of spectators who loudly applauded him. The Novelty race (first introduced in Brisbane) was one of the most laughable events hitherto witnessed. The Valley Club members had a real good night out, and were successful in the following races; First and Second in the Championship, Third in the 60 yards Inter-Club Handicap, First in the Dive, First in the Novelty Race, and First in the Relay Race.

In a letter to the Editor 8/12/06

Sir,

I had intended writing to you earlier on the subject of "neat headers" anent the article in the "Sports Observer" recently. As I was primarily responsible for the points accorded by the Association for these competitions, it was only right you should know the principles on which they were allotted.

"Neat Header" originated in one of the Great Public Schools in England, the bathing place being a well known stream, but so shallow was the spot assigned for bathing (in fact about three feet in depth), that to attempt to dive in from the bank, or the bollards growing along the banks, in ordinary fashion, would have met with serious results. But as the boys became experts in shallow water, the diving stages were raised until they were finally erected on these same bollards 15, 20 and 25 feet above the water.

It can be readily understood that to enter shallow water from that height means a very rapid "recovery", and from that local circumstance originated "neat header" competitions.

When the competitions were finally instituted here, I was repeatedly called on as a diving expert to adjudicate, and soon found the various competitors knew nothing, or very little, about "neat headers". I thereupon, at the request of the Association, laid down a standard of points, and as a temporary measure to encourage the main feature of the header, mainly quick recovery, decided to allot six points for that particular feature of the competition, the whole being, Poise 3, Entry 5, and Recovery 6. It has been understood all along that the assigning of points at a baths was, as I said, a temporary measure, and was intended to develop the main feature of the header.

At the most recent exhibition of headers, namely, at the Valley carnival last evening, it was still evident that the main body of the competitors have little idea yet of recovering although there is a wonderful improvement in those who, so to speak, dive with their heads (for "heads" substitute "brains"), and while this state of things lasts I think it would still be an advantage to retain the points as at present.

I am, Sir, W.H.Beattie

SWIMMING NOTES - By H₂O
KIERAN MEMORIAL RACE

A Kieran Memorial Handicap Race 60 yards will be held in the Metropolitan Baths on 10 January 1907 under the auspices of the QASA. Prizes will be - First, "Courier" Trophy presented by Hon E.J.Stevens M.L.C., Second, Trophy presented by F.W.Nissen. The entrance fee has been fixed at one shilling. A Neatest Header competition for a trophy, entrance fee sixpence, will be held on the same evening.

ASSOCIATION NOTES

The various Club swims proved very interesting during the week, the competition being for trophies, "Christmas Gifts", and some fine contests resulted.

F.W.Springfield's swimming in the Half Mile Handicap in the North Sydney Club's carnival is described as "marvellous, with the build of a champion", and the various southern critics refer to the contests between Reg Healy and our champion for 600 yards as the most exiting witnessed in the southern capital for a

number of years. Condition and stamina eventually told, and Springfield won the Samson Cup for the fastest time, 12 mins 15 secs, which is the best so far put up by Springfield. The contest, as it was mentioned in the "Observer" at the time, was all the more meritorious from the fact it took place in rough water which greatly retarded the speed of the competition.

(The Samson Cup, pictured in the "S.O." of 15/12/06 was put on display at the local Cycle Works, South Brisbane, where Springfield was employed.)

Commercial Club and Maryborough have been granted affiliation, and the Carlton Ladies Club at Mt Morgan adds to the already record list of affiliated Clubs.

TOOWOOMBA GORDONS

The Toowoomba Gordons held their first carnival in the City Baths on Tuesday 18 December. There were ten events set down the programme which included 100 yards Club Championship, 100 yards First Class Handicap (limit 5 seconds), Senior and Junior Relay races and various other events.

Chief interest centred on the Championship which was won by C.Mogg, an old St John's Club swimmer, in 1 min 10 secs, and he later won the 100 yards Handicap off scratch. It would not be surprising to see Mogg win the Championship of the Darling Downs. Second in the Championship was G.Baxter.

After the Championship the Rev Canon Pughe, Patron of the Club, with a few well chosen remarks presented Mogg with the Championship Sash. The weather was all that could be desired, and there is no doubt the carnival was one of the most successful held in Toowoomba for some time. Both the Junior and Senior Relay races were won by the Darling Downs Teams, and the Toowoomba Centre should send a Toowoomba representative team to compete in one of the Brisbane carnivals.

The following were the officials for the evening - Judges, C.W.Callaghan and R.Jarrott; Referee, F.W.Groom; Timekeeper, W.R.Wilson; Starter, S.Schwilk; Stewards, W.Lindgren and A.Walker.

Results:

Boys Race 25 yards - McGee 1, McKinney 2, S.Grover 3
Youths Race 50 yards - H.Sunderland 1, D.Sunderland 2
100 yards Championship - C.Mogg 1, G.Baxter 2 Time 1.10
(Mogg led all the way and won easily)
50 yards Inter-Club Handicap - Sunderland 1, Weber 2 Time 53s
50 yards Club Handicap - S.Smith 1, L.Leannon 2 Time 37s
100 yards Handicap - C.Mogg (Scratch) 1, H.dark (1 sec) 2
Neatest Header Junior - R.R.Rosenstengel 1, E.Cavanagh 2
Neatest Header Senior - W.Ryan 1, W.Snell 2
Relay Race Juniors 200 yards - Darling Downs 1, Gordons 2 (won by about half a yard)
Relay race Seniors 200 yards - Darling Downs 1, Gordons 2 (won by a foot after a very exciting contest)

SWIMMING NOTES - By H2O RETURN OF CECIL HEALY

"Cecil Healy, the New South Wales swimmer who returned to Sydney by the R.M.S. "China" recently, had a successful trip. Healy represented New South Wales in the Olympic Games in Athens, and from there he went to England and on to the Continent where he struck good form and met with much better success than he did in Athens where he could not get into his proper condition," says the "Sydney Mail".

On the Continent he lowered the colours of Dehalmay, the Austrian Champion. Speaking of Daniels, the American champion, Healy says he is six feet in height and is extraordinarily quick in his turns, therefore a remarkable baths performer. Healy is slow in turning. He would like to have met the American in a straight course.

The "crawl" stroke created a great deal of interest in England and on the Continent, and swimmers are not slow to practice the Australian method of propulsion which enables the expert to cover a given distance in so much less time than any other method.

Healy lowered the French record over 200m, and at the German National Swimming Festival for which there were over 450 entrants he won the two 100m events, and in a race for the Kaiser's Prize he reduced Dehalmay's Continental record for 100m by 6 seconds. Mr Healy spoke of the rapid progress being made in swimming on the Continent, and mentioned the names of middle distance swimmers such as Scheff of Austria, Veruckned and Dehalmay and others.

Reference was made to the kindly offices of Mr W.Henry, Secretary of the Royal Life Saving Society, and the good work he is doing in the cause of swimming.

ASSOCIATION NOTES

A Council meeting will be held next Monday and is to be preceded by an Executive meeting to select representatives to take part in the Australasian Championships Meeting to take place at Lancaster Park Baths, Christchurch, New Zealand on February 2, 5 and 9. An attractive programme has been arranged by the Canterbury Centre who will have full control of the Championship Meeting, and the energetic Secretary, "Wally" Johnston, promises all a real good time. He has extended an invitation to the Secretary of the QASA to be his guest during the Meeting, should he make the trip. Western Australia will be represented by Cyril Matson (winner of the 220 yards Breaststroke Championship in Melbourne), W.Bennett and A.Doran, three who should worthily represent that State. W.Beaurepaire, of the Albert Park Club, Melbourne, will represent Victoria, and Reg Healy and "Son" Baker will represent New South Wales.

F.W.Springfield will take part in a special 600 yards Handicap at the Randwick & Coogee Club's carnival in Sydney on 19th instant, and on present form should again prove victorious.

Jack Hellings, who will be remembered by all swimmers who have visited the sister State as a genial host, distinguished himself in the role of Life Saving at Bondi by rescuing two persons who had been carried out by the undertow while surf bathing. Congratulations! Queensland congratulates you Jack!

The Liddle sisters who have been on a protracted visit to Maryborough owing to the unsettled state of the weather since December 20, arrived home during the week, and speak in glowing terms of the hospitality extended to them, especially by the ladies of the Ladies Club, Mrs Cristoe and Stupart. The carnival which was held last week was a success notwithstanding the wretched state of the weather.

SYDNEY VISITOR

Robert Tuck, Hon Secretary of the South Sydney District Swimming Club, and formerly a member of the Valley Club, Brisbane, has been in Brisbane on holiday. In the course of an interesting conversation, Mr Tuck said he thought the sport in Brisbane was much better organised and carried out more advantageously than in Sydney where the membership fees, charges for entry forms, and the practice of charging competitors at carnivals the same as the public admission to the baths, prevented many youths from following up the sport on the ground of expense. He found the Club of which he is Secretary are following practically the same rules as are in force in Brisbane, and so are have met with success.

C COMPANY SENIOR CADETS

A Swimming Club and Life Saving class has been formed in connection with C Company Senior Cadets, and the boys had their first swim in the South Brisbane Baths on Friday evening. The swims will be held weekly, and the Officer Commanding the Company intends training a squad to qualify for a London Life Saving Society Certificate.

SWIMMING NOTES - By H2O
ASSOCIATION NOTES

At the monthly meeting of the Council in the A.N.A. Rooms Mr D.S. Carter presided. The correspondence included - From New Zealand Amateur Swimming Association forwarding Annual Report and attractive programme for the Australasian Championships; From East Christchurch Club of New Zealand forwarding a programme of a carnival to be held under their auspices and trusting that our Secretary, Ted Wetzell, would be their guest during carnival week; from the Christchurch Centre tendering the "Compliments of the Season"; from the Carlton Ladies Club applying for affiliation and requesting Rule Books; from the Chelmsford Club notifying the Association of Mr Schleussner's appointment as Secretary in the place of Mr B. Port who resigned; from the local Consul, Ipswich, asking for Rule Books for two new Clubs, West Moreton and Starlight; (It was decided that Clubs affiliated with Centres were not entitled to receive books gratis, but they would be supplied at the usual price) from the Chelmsford Club forwarding a list of events for their carnival on February 28 and applying for permission for Miss Josephine Liddle to attempt a record; (As the distance to be attempted was not clearly stated, it was decided to refer the matter to the Club for further particulars) From B.L. Wallace of M Morgan applying for reinstatement and enclosing a declaration (this was tabled pending further verification by the local Consul).

Permission was granted to F. Cutcliffe to attempt to establish a fresh Australian record for 60 yards at the City Club's carnival.

A Notice of Motion tabled by the City Club, "That a Flying Squadron Championship be established", was dealt with, the following recommendation from the Executive being carried - "That a 300 yards Flying Squadron Championship be added to the list of existing Championships, teams to comprise five men, each man to swim 60 yards, the prize winning team to receive five gold medals valued at one guinea each, and the entrance fee to be five shillings a team." Considerable discussion took place over the matter and a good deal of time was wasted.

It was decided to hold the Kieran Memorial Race and other events in the Metropolitan Baths on the 10th instant. Prizes for the Memorial race are - First, Trophy valued at two guineas, Second, Trophy valued at one guinea. Entrance fee one shilling.

A.R. Harrower who swam second to A.D. Hill acquitted himself worthily. He was beaten by the barest of touches and swam a splendid race. He and Wickham were locked together at 85 yards when Harrower with a final spurt beat the speedy Rubiana boy by half a yard after a most exciting finish. Harrower was loudly applauded by the large concourse of people present, and his performances in New Zealand will be anxiously awaited, as will those of Springfield. With a fair amount of luck, the Kieran Shield should find a resting place in Queensland.

Queensland and New South Wales representatives left today (Saturday) by the "Moereki" for Littleton and were accorded a hearty send-off. The Western Australia and Victorian representatives left Melbourne on Wednesday last.

SOUTH BRISBANE LADIES CLUB

An Inter-Club evening promoted by the South Brisbane Ladies Club took place on January 30 in the South Brisbane Baths. The gathering was large and representatives of the various Ladies Clubs were present combined with competitors and spectators and the carnival proved successful from every point of view. The handicapping was excellent, there being no fewer than three dead-heats during the evening and many close finishes, the results reflecting considerable credit on the Handicappers, Misses Craig and Littleboy. The baths were beautifully decorated

with bunting, palms and Chinese lanterns.

Officials were - Starter, Miss Walsh; Judges, Mrs Springfield and Miss Butterfield; Judge of Diving, Mrs Springfield.

ASSOCIATION NOTES

The first of the Australasian Championships took place this afternoon and the 100 yards and the mile event were decided. Next Thursday the half mile and the 220 yards Breaststroke will take place, and at the concluding meeting next Saturday the 200 yards and quarter mile championships will be contested in addition to the various handicaps. It is to be regretted that F.W.Springfield is very much indisposed and may not acquit himself to the best advantage.

Mr P.K.Bryce has taken over the Caretakership of the Mount Morgan Baths, and the Rockhampton Club will thereby lose one of its prominent members. Bryce will now be classed as a professional, and should be an acquisition to the Mount.

Q.L.A.S.A.

A special meeting of the Council was held last Thursday evening. The object of the meeting was to decide what should be done regarding the holding of the Association carnivals. Eventually it was decided to hold carnivals in the Booroodabin Baths on March 2 at 3pm, March 7 at 8pm, and March 9 at 3pm.

The following were approved to represent Brisbane at the Toowoomba carnival on February 6 - Miss F.Carr, M.Clarke, V.Nicol, D.Brockway, J.Brockway, N.Nicholson, M.Grant, M.Springfield, Mahoney and D.Chapman.

S.O. Saturday 9 February 1907

ASSOCIATION NOTES

At the monthly meeting of Council Mr D.S.Carter presided. Dr Brockway was also present.

Mr D.L.Wallace of Mt Morgan applied for reinstatement as an amateur - the application was granted.

Interest centred on to Executive Committee's reports which were accepted with the exception of allowing F.W.Springfield's application for pocket, money during his absence from Brisbane. The Kieran Memorial Handicap Balance Sheet showed a profit of one pound and ninepence which should have been more if the various Clubs had entered up to expectations. The Treasurer's Balance Sheet showed a Credit of six pounds ten shillings which speaks well for the work being done in the advancement of the sport. It was decided that a Deputation should wait on the newly elected Mayor in an endeavour to obtain more suitable bathing accommodation.

The Chelmsford Club has decided to postpone their carnival from the 23rd instant until the arrival of the Standard Certificates as the 440 yards Championship is to be competed for.

The success of Mr F.W.Springfield in the Mile Australasian Championship which was held last Saturday was received with great pleasure, as the Queensland champion still retained the title which he so readily won last year at the Dry Dock. All doubts should now be laid to rest about the superiority of Springfield over all other Australasian champions in long distance swimming. A clear cut victory by seventy yards in artesian water in real good time should place him in a class of his own.

R.Harrower secured third place in the 100 yards Championship. It was hoped he would have defeated A.D.Hill on his Sydney form. At the second day's carnival Rob Harrower was successful in winning the 100 yards Handicap, and is fast improving. He was included in the Champion Relay team Australia v New Zealand in which the formed proved victorious.

This afternoon will decide the winner of the furlong and the quarter mile. Harrower should acquit himself worthily, but it is anticipated that he will not

beat H.Baker. The quarter mile should prove a great tussle between Harold Baker and F.W.Springfield, and should decide which State will hold the Kieran Memorial Shield for the ensuing twelve months.

Competitors should be dealt with severely by the Association when they make use of abusive remarks to officials at carnivals. Officials hold purely honorary positions.

Q.L.A.S.A.

At a meeting of the Council of the QLASA held last Thursday evening Dr Eleanor Greenham presided.

Correspondence included the following letters - From the Hon Secretary of the QASA stating that the QASA officially recognised the QLASA; from the Fitzroy Ladies Club, the Darling Downs Ladies Club, and the New South Wales Ladies Association reference to the coming Inter- State carnivals; from Miss Frewings reference the failure on the part of the Brisbane City Council to carry out any plan for purification of the water supply to the Corporation Baths.

A long discussion took place on inviting lady swimmers from New South Wales to swim in the Booroodabin Baths due to the condemnation of the river water by the Commissioner for Public Health, and it was unanimously decided to abandon the proposed carnivals, and a deputation to the Council should wait on the Mayor in reference to the question of water supply and bathing facilities. It was stated at the meeting that swimming had lost ground among lady swimmers on account of the failure of the Council to carry out reform in this matter, and that prompt action was anxiously awaited

ASSOCIATION NOTES

It is many years since the Australasian Championships were initiated to decide which State held the best swimmers. Queensland last year won the proud title of "Champion State" and has more than held her own at the Australasian Championship Meeting just concluded at Christchurch, mainly through the splendid performances of F. W. Springfield who was successful in winning the 440 and 880 yards in addition to the Mile Championship. By registering these wins in Queensland's favour, this State holds the "Kieran Memorial Shield" for twelve months. This is the first season that this Shield has been competed for, and Queensland should be proud to be the first State to have its name engraved thereon. Several southern critics prophesied a certain win for New South Wales evidently misjudged the ability of Queenslanders, and any doubt about F.W.Springfield being better than Reg Healy should now be laid at rest, as the Queensland champion has defeated the southern crack on every occasion on which he has met him.

James Harrower, of the Big Block Club, won the 75 yards Inter-Club Handicap on the closing day of the Meeting and was also a member of the Water Polo team which represented Australia and defeated New Zealand.

Rob Harrower also won the 100 yards Handicap on the first day.

Tom Landsbury looked after the interests of our boys as also did "Wally" Johnson, the energetic Secretary of the Canterbury Club, who had charge of the Championship Meeting.

The surprise of all the teams was A.D.Hill of New South Wales who secured second place in the 100 yards and 220 yards Championships, which places all Queenslanders anticipated would have been filled by A.R.Harrower. W.McMillan, of New Zealand, shows promise of becoming a first ranker as he made his debut at the Championships and recorded several third places. Harold Baker of New South Wales was successful in winning the 100 yards and the 220 yards Championships.

An effort should be made by the Association to accord F.W.Springfield a fitting "Welcome Home" in appreciation of his splendid performances, and it should

be well supported by every affiliated swimmer. It has been suggested that an effort should be made to send F.W.Springfield to England to represent Australia at the Olympic Games to be held in London next year, and an energetic committee would no doubt be able to do much in this direction.

IPSWICH CARNIVAL

"In connection with the swimming carnival which it has been decided to hold in the new reservoir in Ipswich on March 2," writes our Ipswich correspondent, "the following letter has been received by the Town Clerk, Ipswich, from J.A.Bourne, Solicitor.

"I have been consulted by Mr W.T.Deacon of the City, a Ratepayer thereof, in reference to a resolution passed by your Council on the 25th ultimo, namely "that a swimming carnival be held in the reservoir." I am now instructed to give your Council formal notice that such resolution is contrary to provisions, and in contravention of, your By Laws No 20 Clause 4, and of Section 93 sub-section 1 of the Water Authority Acts of 1891. I am also instructed to give your Council notice that if the said resolution is not rescinded forthwith, or that if you persist in carrying into effect the same, my client will have no alternative but to move in the Supreme Court in to matter."

In Reply, from Mr P.L.Cardew, Solicitor,

"I am instructed by His Worship the Mayor of Ipswich to acknowledge receipt of your letter, and to state in reply that the By Law and Section of the Act you quote have nothing to do with the Council's resolution you refer to, and if Alderman Deacon decides to indulge in the luxury of Supreme Court proceedings, I will accept service of proceedings on behalf of the Council or any of its officers."

A Petition has also been sent to the Mayor under 32 signatures asking for a Public Meeting. This meeting will be held on Tuesday.

SWIMMING ASSOCIATION

Mr Harold Baker, who won the 100 yards and furlong races at the recent Australasian Championships, passed through the city last night on his way to Rockhampton to take part in that Club's carnival to be held this evening and Monday.

All swimmers and enthusiasts are requested to be present at the Central Station on Monday evening on arrival of the mail train and accord our representatives a fitting welcome home which they justly deserve. The southern head critics do not seem to appreciate the success of Queensland and are very silent in comment and otherwise on this State's success. The Kieran Memorial Shield will be on view in the latter part of next week in the city.

The Association has in Jack Cristoe of Maryborough, and Jim Nunn of Rockhampton, two live Consuls who worthily guard the interests of the sport in those cities.

S.O. Saturday 9 March 1907

SOUTH BRISBANE LADIES CLUB

River water at the present time is not, in appearance at any rate, all that one could desire for bathing purposes. Still, in the face of disadvantages, the South Brisbane Club had a very fair attendance on Wednesday evening for their weekly swim.

Q.A.S.A.

The attendance at the Council meeting last Monday evening was very sparse, every indication of the closing of the season. Delegates with the interests of the sport at heart, however, should still attend. Delegates were present from the following Centres and Clubs - Toowoomba, Valley, Maryborough, Rockhampton, Christian Brothers, Toowong, South Brisbane, East Brisbane and North Brisbane.

Correspondence - from the New South Wales A.S.A., regarding Baker's visit to Rockhampton, and stating that they had forwarded the Kieran Memorial Shield by rail, debiting all charges thereon to the Queensland Association. From the City Club, lodging a protest against Toowong in the recent relay race. As the protest was not lodged in accordance with the Rules, it was ruled out of order. From the South Brisbane Club applying to hold Long Distance races for Certificates - Granted. From Maryborough Club asking permission for F.W.Springfield to take part in their carnival, allowing all expenses - Granted. F.W.Springfield's statement of all expenses to the Championship carnival, twenty pounds ten shillings and threepence, was passed. Permission was granted to the Maryborough, Chelmsford, Newsboys and Ipswich Clubs to hold carnivals. Statement from the Canterbury Centre, New Zealand, for Springfield and Harrower's entrance fees for the Open events at the recent carnival was handed in to the meeting by Mr Springfield. It was decided to write the above body stating that their representatives (New Zealand) were entered in all events gratis when in Brisbane last year.

The Association would do well to check unbecoming conduct by the members of any Club, especially at carnivals.

The southern critics, although they are silent on the success of the Queensland representative at the Australasian Championship Meeting, are doing their utmost to secure his services for their State in the coming season. Should the effort be successful, it will be interesting to watch with patience.

The Kieran Memorial Shield is on view at present, at Mr D.S.Carter's establishment, Queen Street, after which the City will receive a turn, and then it will rest for the balance of the year in the Art Gallery. The Valley Club has requested to have the Shield on exhibition at their "Welcome Home" to Springfield and Harrower on Tuesday, and guarantee the safety of the same. The request was granted.

A Deputation has been arranged to wait on the Mayor on Wednesday next at noon, with the object of obtaining more bathing facilities. Every affiliated swimmer is requested to attend.

Miss Josephine Liddle's attack on the Half Mile Record proved very successful, and she recorded fresh World's Record for the distance. Little doubt exists that we have also in our midst the champion lady amateur swimmer as well as the male champion.

Q.L.A.S.A.

A meeting of the Council of the QLASA was held last Thursday evening with Mrs A. B. Brockway in the Chair. There were present Misses Stewart, Dell (St Johns), Butterfield, Littleboy ('alley), Dr Bourne (Fitzroy), Misses M.Walsh (Girton College), Lade (City), Clark, Craig (South Brisbane), Walsh (Hon Sec), and Dr Brockway (Advisory Board).

It was reported that arrangements had been made for an Association carnival to be held in Toowoomba on Easter Monday, and that a team of Brisbane swimmers would take part. The Association decided to pay the expenses of the. Rockhampton team from Brisbane to Toowoomba and back, and also the expenses of a contingent of Brisbane swimmers - probably about thirty - to be selected from nominations to be sent in by the various ladies Clubs, An effective programme was drawn up including a 60 yards Senior and a 25 yards Junior Championship, Handicap Inter-Club team race (four in each team), 60 yards and 25 yards Inter-Club Handicaps, Breast & Back Handicap, Novelty races, Neatest Header, and exhibition of Fancy Diving. Letters had been received from the Toowoomba. Club, the Mayor of Toowoomba and other prominent citizens of the Capital of the Downs, promising support, and a successful carnival is anticipated. The QLASA has decided to hold the carnival in Toowoomba owing to the Brisbane City Council having failed to supply suitable water to the Municipal Baths.

GRAMMAR SCHOOL CHAMPIONSHIPS

Owing to the unclean state of the baths at, present, the Annual Swimming Sports of the Grammar School were not held, and the contest for the Championship of the School took place in the Sandgate Baths yesterday afternoon. Swimmers were assisted slightly by the swell, thus helping to make phenomenal times for the races.

In the final, a close race between C. Willcocks and L. G. Brown was witnessed. Willcocks assumed the lead at the first, but towards the end of the race Brown caught up and would have probably won by a touch had not Willcocks been carried in front of him by the swell.

NOTES FROM AN "OLD BOY"

"Paddy" Bryce, who is at present in Mt Morgan, has forwarded an interesting par. about the doings of a team of Mt Morgan boys - 16 of them - who visited Rockhampton, Paddy acting as Manager. "They performed very well, the 100 yards Championship falling to Harry Giles, 54 yards Novice Handicap to L.White, 54 yards Nomination race and 81 yards handicap to D.Wallace, and first and second places in the Junior 220 yards were also filled by Mt Morgan lads. The total value of the prizes was fourteen pounds." Paddy, who has done a great deal for swimming, felt like a fish out of water acting the role of looker-on, but he may be heard of again in active work in a year or two. From all accounts, young Giles, 17 1/2 years, is pretty slick, and has been timed at 1 min 5 sees for the 100 yards without being pushed.

S.O. Saturday 2 March 1907

QUEENSLAND'S LITTLE WONDER

A chat with F.W.Springfield
Champion Long Distance Swimmer of Australasia.

Springfield did not want to talk. "I do not know what to say," was his reply to the "Sports" man who looked him up at Messrs Skov & Campbell Cycle Works, but after a little coaxing he opened out.

"I started swimming in a freshwater creek near the Mooloolah River, and each member of our family could swim when he was six years old. We used to strip off and have a swim on the way to school, have another at lunch time, and pop in again on the way home. We were always in the water, and almost used to live in the Mooloolah. I used to get into brazzo for it, and many were the hidings I got for "going swimming". I lived there until I was about ten years old and then we came to Brisbane. I soon found a swimming ground at Kedron Brook where we used to have a rare old time. When I was thirteen I joined the Valley Club."

"What was your first impression of the baths?"

"Well, to tell the truth, I got a bit of a shock. I did not think it was possible to have such big baths within a city building. Booroodabin was the first baths I swam in, but somehow the swimming seemed different from being in the old creek. However, I soon made myself at home and became acclimatised. I'll never forget the first race in which I started. I received a start of eight seconds in sixty yards and I won fairly easily. I remember how excited I was when I won. I didn't know how to hold myself, but that soon wore off. I competed in other events, and then I was made Vice Captain, then Captain of the Juniors and felt very proud. All this time I was swimming short distances. You know we have very few long distance races and a chap doesn't quite know where he is. The first time I started in a long distance race was the 220 yards Association Handicap in the Dock. I received 27 seconds from Dan Gailey and won fairly easily. A few weeks later I started in the mile test to decide who should represent Queensland in Sydney. I was a bit of a surprise packet, and got a bit of a shock myself when I found I was the first to touch and that I had won the test. It was only a fluke that I competed at all, as I did not know until the night before, that the race was being contested. All the chaps laughed when they heard that. I was competing. Dan Galley came second in that race, and I lowered the Queensland record. That was in 1904 when I was only sixteen years old."

"Then you are nineteen now?"

"Correct. The next race in which I competed was the quarter mile in the Queensland Championship. Dan Galley just beat me by a touch. It was very close, but he used to beat me on the turn. Then came the half mile Championship in which Galley beat me by about three or four yards. In March 1904, Dan and I represented Queensland in the Australasian Championships in Sydney, and for the first time I saw poor Barney Kieran. He beat me by about 120 yards in the mile. Barney also won the half mile in which I was fourth and Galley fifth. The quarter mile was decided in heats, and Galley and I were beaten in our heats. Cavill won my heat and Kieran won the other. New South Wales came first and Queensland second in the States Championship that year. I remember they looked after us very well in Sydney. That was all that season."

"And what about 1905?"

"Well, in that year I won the quarter mile, half mile and one mile in the tests for the Australasian Championships which were to be held in Victoria. I was to have started in the 220 yards test but my brother, George, died on the night previous. Dan Gailey and I represented the State in Melbourne. I secured second place to Kieran in both the mile and the half mile. The half mile was decided at Hegarty's Baths, St Kilda, and the mile at Ballarat. Jove! It was cold at Ballarat. The quarter mile was contested at Brighton, and I lost a lot of ground by departing from the course and came fourth. Matson came second, and of course Barney Kieran won. I had previously conceded fifteen seconds to Matson in a quarter mile at Ballarat and had beaten him. I can't remember anything else of note that year."

"And last year?"

"Well, you remember that the Championships were decided in Brisbane. I had the luck to win the 220 yards, quarter mile, half mile and mile tests. In the Championships I swam second to Kieran in the quarter mile and half mile. I won the mile. Kieran was sick so did not compete, so I won the mile. The Championship Meeting was a sad one for we lost poor Barney Kieran. Fancy, only last year he won the quarter mile and half mile, and this year we are competing for the Kieran Memorial Shield."

After a silence Springy continued, and volunteered that in 1906 he won the 220 yards and mile Championships of Queensland.

"That brings us up to the present season?"

"Yes. This year there were not any test races. I went to Sydney in December and competed in the North Sydney Club's carnival and won the five guinea cup for the fastest time for the half mile. Reg Healy also competed. As you know, I was selected to represent Queensland in the Australasian Championships - Harrower and I. At Sydney we picked up Reg Healy, Baker and Hill, and we were also accompanied by Messrs J. Harrower and Lansbury of Brisbane. We left Sydney by the "Moeraki" and going across we were all sick except Hill. We were met at Wellington by a fair crowd of enthusiastic swimmers and were accorded a Mayoral Reception, and in the afternoon we went down to the baths where a 100 yards Invitation handicap was won by Baker. In the night we went to the Town Hall and heard the great orchestra.

Next night we left for Lyttelton which we reached at 8 o'clock on the following morning. We arrived at Christchurch the same morning. There was another Mayoral Reception at Christchurch. Next day we went to "Rakzin" (mind you spell it correctly) and Harrower won the Obstacle Race, and I came second to Hill in the 10 yards Invitation race. The Championships were on Thursday, the half mile and the 220 yards Breast Stroke being decided. Matson of West Australia won the Breast Stroke fairly easily, and I won the half mile fairly comfortably from Healy. Bob Harrower won the 100 yards Handicap, and I was also in the Australian Tam which won the Team Championship. On Friday we went to Yaldhurst and Islington where we were taken through Mr Stead's stables and saw all his racehorses. We also visited the meat works at Islington. We had great fun at the meat works and had a good snow fight. Coming home we visited Taylor's orchards and vineyards. The grapes there are grown in hot houses - but. I forgot, that has nothing to do with swimming, has it?"

"When did you next race?"

"Next day, Saturday, when the half mile and the 220 yards Champion-ships were held. Baker won the 220 yards from Hill. By the way, it was very close between Harrower and Hill for second place. I won the quarter mile again from Healy, and Jim Harrower won the 75 yards Handicap. Both Bob Harrower and myself were included in the Australian Polo Team which defeated New Zealand. On Sunday we visited Summer, a seaside resort outside Christchurch. Later we visited Timaru but were not accompanied by the New South Wales representatives. We had a good day there and pretty well scooped the pool. Bob Harrower came second in the 50 yards Handicap and won the Diving. I won the 50 yards Handicap and lowered the New Zealand half mile record. Bob and Jim and myself won the Teams Race, so you see we did fairly well. Mr Lansbury left us here and went to visit relatives at Paikakariri - at least I think that is the name of the place. On Friday we left on our journey home."

"Did you see the Exhibition in Christchurch?"

"Yes, we visited it several times. There was a splendid display of fireworks one night, one of the best. I have seen. At Wellington we were again met by a big crowd and were taken for a drive. In the afternoon there was a carnival, and where do you think it was held? Give it up? Well, it was held in the open water between the wharves. They are not frightened of sharks. No one yet has been taken by them from the water. Bob Harrower won the Fancy Dive and came second in the Header and I won the Quarter Mile Handicap.

"Did Reg Healy compete?"

"I conceded some seven seconds and beat him by ten yards. I wasn't sick coming across in the boat the night before the race, but Healy was not sick. The water was fairly warm as it was raining, and the rain warmed the water a little. We were used to the water by then."

"Did you give Healy a start and beat him?"

"I suppose so, since you put it so directly."

"You have beaten him every time this year you have met, have you not?"

"Yes, eight or nine times, but Healy and I are good friends, and he was the first to congratulate me in New Zealand and everywhere else. It is the Sydney critics that have tried to belittle me and make excuses, but we will let that rest. We were given a great send-off at Wellington, and about fifty of our friends stood in the rain waving to us and shouting Maori war cries etc until we were out of sight. Mr Lansbury joined us again before we left. We had a pretty rough passage across to Sydney which we reached nine and a half hours late. There were only two friends to meet us in Sydney, "Bull" Hellings (Caretaker of the Pyrmont Baths), and Leo Brown, the Secretary of the North Sydney Club. I was present at the Eastern Club's carnival when Reg Healy won the 50 yards Championship."

"You were not allowed to compete?"

"No. I suppose we had better let that rest also. I will say that I was very disappointed. On the Sunday we went to the Freshwater, outside Manly, and had good fun until the time arrived for us to catch our train. As you know we arrived in Brisbane by the mail train on Monday night. There was a fair crowd at Ipswich, and we were given a hearty cheer. Of course there were plenty to welcome us at the Central, and you know the rest."

"Now, come and be photographed."

"You'll have to ask the boss to let one off."

The boss kindly consented, and the outcome appears in our picture gallery.

In this edition of the Saturday Observer of 2 March 1907 there was a picture of Springfield headed "F.W.SPRINGFIELD" and below, "who won the Kieran Memorial Shield for Queensland at the recent Australasian Swimming Championships in New Zealand."

There was also a picture of the Shield captioned "THE KIERAN MEMORIAL SHIELD" and below, "which F.W.Springfield, State Representative Swimmer, has brought to Queensland, the State having become the holder, in the first year, through Springfield's efforts."

Q.L.A.S.A.

At a meeting of the Council of the QLASA on Monday night a letter was read from Captain Brooke A.D.C., stating that His Excellency the Governor and Lady Chelmsford would be pleased to attend the carnival in Toowoomba. Mrs Mitchell wrote announcing that the team from Rockhampton would arrive in Brisbane on Thursday morning March 28. Mr J. F. Moloney (Toowoomba) notified that he had arranged for an orchestra. It was reported that tickets were selling well in Toowoomba. Dr Eleanor Bourne with Misses Walsh and Littleboy were appointed a Trophy Committee. It was announced that a trophy had been received from Mr Coomber, and that Dr Brockway had promised to defray the costs of printing 1000 copies of the programme. Mr W.H.Beattie was appointed Judge of Diving.

About sixteen members of the Association left Brisbane yesterday for Toowoomba, and the others who are making the trip - upwards of forty - will leave Brisbane on Monday morning.

Q.L.A.S.A CARNIVAL

The QLASA are to be congratulated on the success of the Toowoomba Carnival. Everything passed off very successfully. Eulogistic reference was made to the hospitality of the Toowoomba people.

A further donation to the carnival funds has been received from Mrs L.G.Corrie (President). Accounts in connection with the carnival were passed for payment, and after meeting all expenses from the receipts from the carnival and donations, there will be a Credit Balance, The Credit Balance which the Association had prior to the carnival is still in the bank as it was not found necessary to draw on it. Permission has been granted to South Brisbane Ladies Club to hold an Inter-Club carnival on April 13.

At the conclusion of the Council meeting (above) the Rockhampton Team of lady swimmers was given a hearty send-off at the Central Station.

Diving Exhibition - No prizes awarded.

During the afternoon Mrs Fish (President) on behalf of the Club presented Miss Craig, the energetic secretary of the Club, with a pretty gold brooch with heart set with pearls and rubies, as recognition from members of the South Brisbane Club for her valuable work during the past year.

The prizes for the various events were distributed to the various winners by the Mayoress of South Brisbane, Mrs Gillespie.

The baths had been prettily decorated with palms, flags, and ferns, by the Caretaker, Mr W.R.Blake.

S.O. Saturday 20 April 1907

A meeting of the Council of the Queensland Ladies Amateur Swimming Association was held on Thursday night with Mrs A. B. Brockway presiding.

A letter was read from the Town Clerk stating that no definite decision had yet been arrived at as to the applicability of the experiments in the purification of the water for the Municipal Baths, and there was no likelihood of installation of purifying appliances before next swimming season.

Mr Geo Allom, Licensed Surveyor, wrote certifying to the distances of the Championship swims in Toowoomba.

Permission was granted to the City, Valley and St Johns Clubs to hold long distance swims at Sandgate on May 7.

The Hon Secretary reported that all monies from the Toowoomba Carnival were not yet in hand, but at present the Balance Sheet showed Expenditure of forty six pounds eleven shillings and one penny, and the Receipts to date fifty one pounds and sixpence. A donation of five pounds was received from Dr Brockway to defray the costs of printing programmes.

Miss Craig conveyed, from Mr Hinton, an invitation to the Council to visit the Central Fire Brigade Station. The invitation was thankfully accepted.

The Hon Secretary was instructed to write to the Commissioner for Health regarding water supply to the Municipal baths and to point out the necessity of going to Toowoomba to hold the Championships Carnival, and now to Sandgate for the Long Distance swims.

CHRISTIAN BROTHERS OLD BOYS CLUB

For an infant Club, the above Club has had a very successful season. It was formed with the idea of keeping the members of the football teams in touch with each other during the summer months. A great number of Old Boys put in an appearance during the nights set apart for swimming. Old Boys from Christian Brothers Schools all over Australia were as much at home as the members from Gregory Terrace and Nudgee, and a few attending southern Universities were also present during their holidays. The swimming of members was of very high order, although the presence of crack Phil Carmichael and his brother Joe, and Lindsay Flanagan and Oxenham would have seemed to deter the Junior members from gaining many points. Still, they would have benefited greatly by watching the style of the Seniors. Phil Carmichael was an admirable Captain, and Peter Flanagan as Vice Captain revealed himself as a real "sport".

Both these men occupy the same offices in the senior rugby team.

The Club desires to place on record their appreciation for the services rendered by Rev William Reidy (Principal of St Joseph's College, Gregory Terrace) and the Rev Bro. Furlong, also the various Old Boys who have helped financially and otherwise during the initial efforts, and the "Sports Observer" for keeping the doings of the Club before the public.

LADIES COMMERCIAL CLUB

The Ladies Commercial Amateur Swimming Club held their annual "Cinderella" in the Trades Hall which was prettily decorated with flags and bunting. At the rear of the raised dais were the Club's initials, L.C.S.C., in navy blue and white, the Club's colours, and decorated with ferns and chrysanthemums. Dr Eleanor Greenham (Patron) and Miss C. Farmer (Secretary) were presented with bouquets of roses with navy blue and white streamers by Misses I.Wilcox and I.Spottiswood, the two smallest members of the Club. There were about two hundred present.

After several dances were gone through, the trophies which were won during the season were presented by Dr Eleanor Greenham as follows -

Club Championship - First Prize a Gold Medal presented by Mrs Fitzgerald, Miss E.Lang. Second, Special Prize given by the Club, Miss E.Wollstein (a silver shoe horn and button hook)

Club Points A Grade - Miss L.Wollstein first, a gold brooch presented by the Club. Miss M.Roughead second, a silver mounted purse presented by the Club. Miss L.Spottiswod third, butter knife presented by the Club.

Club Points B Grade - Miss R.Hand first, pair of cake dishes presented by Mr A.W.Farmer. Miss E.Drewe second, gold brooch presented by the Club. Miss M.King third, silver photo frame presented by the Club.

Club Points Beginners - Miss Hinch first, gold brooch presented by Madame Thiodon. Miss S.Taylor second, gold brooch presented by Madame Thiodon.

Relay races - Misses L.Wollstein, M.Rbughead, L.Spottiswood and R.Hand, silver

mounted butter dishes presented by Dr Greenham.

25 yards inter-Club Junior - Miss G.Dartnell (Wynnum) first, gold brooch presented by the Club. Miss E.Cuthbertson second, silver medal presented by Mrs Harrower.

50 yards Inter-Club Senior - Miss A. Parsons first, gold brooch presented by Wynnum Club. Miss A.Harrower second, gold brooch presented by Mrs Harrower.

Candle, Egg and Spoon Race - Miss M.Roughead, gold medal presented by the Club.

Obstacle race - Miss H. Fell first, gold band ring presented by the Club. Miss I.Wilson second, gold neck chain presented by Mrs Staebell.

Neatest Header - Miss E.Lang, jam dish presented by the Club.

Attendance - Misses A.Hayes, gold cross; L.Spottiswood, jam spoon; H.Fell, serviette ring; N.Robinson, gold brooch. All trophies presented by the Club.

After the prizes were distributed, Miss H. Fell, the oldest member of the Club, on behalf of the Club in a neat speech, presented Madame Thiodon, the President of the Club, with a silver handkerchief box, and Mr A.W.Farmer, Handicapper and Press Correspondent, with a set of carvers for valuable service rendered to the Club. Both suitably responded.

ST JOHNS LADIES CLUB

The annual Social and Presentation of Prizes was held in the Protestant Hall last Wednesday evening when there were over two hundred present. The Hall was prettily decorated with flags and greenery.

Archdeacon Le Fanu, in a short speech, congratulated the Club on its success and announced the Club would disband during the winter months, but would meet every Monday evening in St Lukes Hall, Charlotte Street, for physical culture. On behalf of the members, Archdeacon Le Fanu presented the Secretary, Miss Stewart, with a silver clock and silver memorandum book.

Mrs Le Fanu distributed the prizes to the successful competitors.

The prize winners at the recent carnival were Misses M.Annan - Championship of the Club also Senior Championship - S. Lynch - B Grade Championship.

SWIMMING NOTES By H20

(H20 continued to head the columns of Swimming notes regularly in the "Sports Observer" again throughout the 1907-08 season)

OPENING OF THE SEASON

Great preparations are now being made for the opening of the swimming season. Several Clubs have already announced the date of their Annual Meetings.

Q.A.S.A.

A meeting of the Executive of the Queensland Amateur Swimming Association was held last night. Mr D.S.Carter presided. The draft Report and Balance Sheet which showed last season was a record financially and otherwise was adopted for presentation at the Annual Meeting which will be held in the Trades Hall on September 18.

S.O. Saturday 14 September 1907

Q.A.S.A.

As the Australasian Championships are to be held in West Australia this season, it is anticipated that steps will be taken early by the Association to raise funds. Carnivals should be held early in the season in aid of this object.

The most notable feature of the Annual Report for the past season is the continued meritorious performances of F.W.Springfield, who early in the season, at the invitation of the North Sydney Club, decisively defeated R.Healy in the Half Mile First Class Handicap for the "Sampson" Cup, securing fastest time. The finances also showed a marked improvement on all previous seasons.

The baths accommodation and pure water are questions that would do with a great deal more attention from the civic authorities who have done nothing during the winter months.

A new World Record for the half mile swim on the back has been established by W.Thompson of Rockhampton. Miss Josephine Liddle has also established a new Queensland record for the 440 yards.

Thanks are extended to Mr D.S.Carter for the use of his rooms for the purpose of holding Executive meetings. With the advent of the Olympic Games in London, it is hoped that Queensland will be represented thereat by F.W.Springfield.

VALLEY CLUB

The Annual Meeting of the Valley Club was held on Wednesday. There was a good attendance. The Annual report was of a very satisfactory nature. It reviewed the last season which had been very successful, and referred to the annual carnival, the Club handicaps which had been held during the season, the monthly trophy races, the Christmas gift races, the Club Championship carnival and other matters. The Financial Statement showed a Credit Balance of three pounds five shillings and threepence.

Members of the Club are asked to meet next Tuesday night at Webster's Cafe, Brunswick Street, Valley, to elect officers.

S.O. Saturday 21 September 1907

VALLEY CLUB

Members of the Valley Club met at Webster's refreshment Rooms on Tuesday evening to elect officers for the coming season. Mr D.S.carter presided over a fair attendance and the following were elected to the various positions: Patron, Ald T.Wilson; President, Mr D.S.Carter; Vice Presidents, A. Butterfield, F.

Springfield Snr, J. Coulter, Win Fowles, H.C.Whyte, J.Harrower. Snr, A.Littleboy, R.M.Ferguson, D.Bowman M.L.A., A.B.Pace and Hon F:McDonnell M.L.C.; Hon Secretary, Mr E.Manning; Hon Treasurer, Mr T.W.Haslet.; Hon Auditors, P.R.Carvosso and G.R.Crammond; Captain Seniors, F.W.Springfield; Vice Captain Mr A.R.Harrower; Delegates to QASA, Messrs D.S.Carter, E.Manning, G.R.Crammond and T.B.Watson; Press Correspondent, Mr C.W.Hill; Committee, Messrs J.G.Smith, R.Homann, B.Asprey, F.Herbert, G.R.Crammond, J.T.Fitzgerald; Handicapper, Mr G.R.Crammond.

Several new members were enrolled and it was decided to open the season on the first Wednesday in October.

Mr T.B.Watson has been elected also as one of the Association's Handicappers.

Q.L.A.S.A.

The Annual General Meeting of the Queensland Ladies Amateur Swimming Association will be held next Thursday evening. Draft Report and Balance Sheet are of a very satisfactory nature. It was decided to present Long Distance Certificates at the Annual Meeting at which Mrs Lesley Corrie will preside.
Q.A.S.A.

The Annual General Meeting of the Association took place last Wednesday night at the Trades Hall. Dr A.B.Brockway presided. Messrs W.H.Duffy and D.S.carter (Vice Presidents) were also present. Apologies were received from Hon J.W.Blair M.L.A., Mr Maurice Baldwin, the Mayor of South Brisbane and Mr T.A.Bond, the latter enclosing a donation of one guinea towards the funds.

Owing to Dr A. B. Brockway severing his connection with the Association as President, - a position he has held for many years - the Hon J.W.Blair was elected in his stead. The new Vice Presidents elected were Messrs G.A.Power, J.W.Parlane (President of the Ipswich Centre), F.Springfield and D.Munro, Messrs W.H.Duffy, R.H.Roe and Dr Burnett Ham retiring from the position. The Hon Treasurer and Secretary were unanimously re-elected, a token of the esteem with which these officers were held by the members. It was decided that three Handicappers should be appointed instead of one as previously, and Messrs T.B.watson (Valley), W.R.Watts (Toowong) and R.H.Bunting (St. John's) were elected. A recommendation to Council that a Life Membership List should be established was carried unanimously. Deep regret was expressed at the forced retirement of the President, Dr Brockway.

Nothing so far has been heard of the meetings of the Country Clubs and Centres. The hint applies to Toowoomba, Maryborough, Rockhampton and Mt Morgan. The Ipswich Centre has had its meeting and appointed officers and it is anticipated that the sport will go ahead by leaps and bounds. Albert Schaffer has been appointed Handicapper and is the right man in the right, place.

It is rumoured that the City Club will not reform this season, but it is hoped that some energetic member can be found to reform the Club. The St John's Club is holding a meeting at the South Brisbane Baths next Thursday, and promise to hold their own against the older Clubs.

BIG BLOCK CLUB

The Big Block Swimming Club (employees of Finney Isles & Co Ltd) held a general meeting in the Club's Rooms in Ann Street. Mr W.Balding was voted to the Chair, and there were a large number of members present.

The Report showed the Club to be in a flourishing position, the last season having been very successful. The Club trophies, it was stated, were won during the season as follows - Best Attendance, R.Long and A.Watts; Most Points, A.Dollar (this trophy was kindly provided by Mr A. Balding of Sydney, and took the form of a very unique gold medal).

The Club held a very successful carnival during the season in which the 100 yards State Championship was won by that sterling young swimmer, Dug Corrie. The Club also held a Christmas Handicap in which N. Ferguson was successful. The Balance Sheet showed a very healthy state of affairs, there being a Credit Balance of twenty two pounds six shillings and threepence.

It is proposed to hold a carnival at an early date, and the prizes to be offered will eclipse those competed for at the last season's carnival. Headquarters of the Club will be the Metropolitan Baths this season, and the swim night has been fixed for Tuesday, and the season will commence on October 8.

The election of officers resulted as follows - Patron, President, and Vice Presidents the same as for the Sports Club; Captain, H.Dollar; Vice Captain, J.McMillan; Starter, E.Wetzel; delegates to QASA, W.Balding, H.Dollar, H.Moxley, K.L.Moran; Hon Secretary, K.L.Moran; Hon Treasurer, H.Moxley; Handicappers, W.Balding and H.Moxley. The Club has appointed a special Committee of three to canvass the firm's employees and report to the General Committee if it is possible to form a Ladies Club.

TOOWONG CLUB

The Fourth Annual meeting of the Toowong Amateur Swimming Club was held last night with about fifty members present. Mr J.Hiron occupied the Chair.

The Report and Balance Sheet were unanimously adopted. During the year numerous trophies had been competed for and help to foster the sport and make it more popular. Colin Graham won the Senior Weekly Swim with A.M.Taylor a close second. T.Scanlan won the Junior Weekly Trophy and W. Graham was runner-up. The Balance Sheet showed the Club to be in a sound position financially. The Receipts totalled fifty six pounds sixteen shilling and ten pence with a munificent donation from Mr P.Hasset, the Club's late Secretary. The Expenditure was thirty four pounds ten shillings and seven pence, leaving a Credit Balance of twenty two pounds six shillings and threepence.

The following officers were elected - Patron, Mr Macartney M.L.A. (re-elected); President, Mr J.Hiron (re-elected); Vice Presidents, Messrs O'Sullivan M.L.A., G.Hiron, Cottell Jnr, W.Land, G.Burrowes, F.Simmonds, J.Ryan and S.Davies; Captain, R.Carr (re-elected); Vice Captain, J.Pike (re-elected); Junior Captain, W.Graham; Committee, Messrs W.Watts, W.Hodge, E.Taylor, M.Dunne and F.Duncalfe (re-elected); Handicapper, W.Watts (re-elected); Treasurer, E.Morris (re-elected); Auditors, S.Davis and C.Campbell (re-elected); Delegates to QASA, Messrs Hiron, Watts, Morris and Duncalfe; Secretary, Mr E.Morris (re-elected); Assistant Secretary, H.Sunderland.

During the evening, Mr J.Hiron, who has held the position of President of the Club since its formation, was presented with a handsomely framed photo of the Club's officials. Mr Hiron appropriately responded.

S.O. Saturday 28 September 1907

VALLEY LADIES CLUB

The Annual Meeting of the Valley Ladies Club, a report, of which has already appeared, was held on Wednesday evening with Mr D.S.Carter presiding, and there was an excellent attendance.

The Report which reviewed the success of the past season was of a very satisfactory nature. Reference was made to Club swims, Christmas Gift races, Club carnivals, welcome home to F.W.Springfield and J.Harrower, the Q.L.A.S.A. carnival in which Miss M.Grant won the Junior Championship of Queensland with Miss M.Field second, Inter-Club visits, socials, long distance events (in which Miss Mabel Springfield put up a record for the quarter mile) and other matters. Thanks were extended to those who donated trophies during the past season, to Mr A.Butterfield for the use of his rooms for Club committee meetings, to the lessee of the baths, and to the press, especially the "Sports Observer".

The Financial Statement showed a Credit Balance of two pounds six shillings and sixpence.

The following officers were elected for the ensuing season - Patronesses and Patrons, Mesdames Murray, Thompson (Mayoress), Coomber, Stone, Best, Reid, and Messrs A.Butterfield, J.Robinson, Harrower, Hugill, W.Stuart, Grant, Sparkes, W.R.Black, D.W.Hill and A.S.Littleboy; President, Mrs T.Williams; Vice Presidents, Mesdames Proe, Fitzgerald, Richards and J.Collings; Secretary, Miss D.Littleboy

(re-elected); Treasurer, Miss F.Peters; Captain, Miss R.Fitzgerald; Vice Captain, Miss Comber; Handicapper, Miss A.Butterfield; Press Correspondent, Miss T.Haslett; Committee, Misses New, Gow, Anderson, Jamieson, Brown, Haslett and Gleeson.

On a motion by Mrs Springfield, it was decided to affiliate with the Queensland Ladies Amateur Swimming Association, Miss D.Littleboy and A.Butterfield being appointed delegates to that body.

It was decided to hold the first swim of the season on the second Tuesday in October.

The Committee wished to point out to the members that it was the intention of the Council to supply Enoggera water to the baths this season.

Subscriptions to the Club will be the same as last year, namely two shillings for seniors and one shilling for juniors.

CITY LADIES CLUB

The second Annual Meeting of the City Ladies Swimming Club was held at the Cafe Eschenhagen last night. Miss K.Walsh (Secretary of the Q.L.A.S.A.) presided, and there was an excellent attendance. The Annual Report and Balance Sheet were adopted.

The following officers were elected - Patroness, Lady Rutledge; President, Mrs A.Corrie (re-elected); Vice Presidents, Mesdames Beattie, Hetherington, Petermann, B.J.Crowe, A.Down, P.Merton, J.Leahy, A.Sutton, Irvine and Denham; Secretary, Miss Lade; Treasurer, Mrs Burrell; Committee, Mesdames Burrell and Anderson, Misses K and M Walsh, V.Nicol, R.Cottell, Phillips, Nicholson, M.Mahony and A.Miller; Captain, Miss F.Carr; Vice Captain, Miss V.Nicol; Delegates to QLASA, Mrs Andrews and Miss Mahony.

It was decided to affiliate with the QLASA and hold the first swim Friday October 10 in the Metropolitan Baths.

Q.A.S.A.

The Certificates gained at the Australasian Championships held in New Zealand have been received by the Association Secretary. They are a real work of art.

Mr T.A.Bond has accepted the position of Vice President and has forwarded a donation of one guinea. Mr W.Dowd has been appointed local Consul for Ipswich.

BRISBANE LADIES CLUB

The Annual Meeting has been held with Mrs G.Fish presiding. The following officers were elected - Patroness, Mrs Gillespie (Mayoress of South Brisbane); President, Mrs W.H.Austin; Vice Presidents, Mesdames G.Fish, Cottrell, T.W.Bouchard, H.Edwards and J.Davies; Secretary, Miss M.Clarke, Treasurer, Mrs Sellars.

SOUTH BRISBANE CLUB

A well-attended meeting was held at the South Brisbane Baths on Thursday night to reform the South Brisbane Club. Mr E.Wetzel (Secretary of the QASA) presided. It was decided to form the Club into two grades A and B. Fee is to be two shillings and sixpence and one shilling respectively. The meeting decided to affiliate with the QASA.

The following officers were elected - Patron, Mr W.Stephen M.L.A.; President, Aid Gillespie, Mayor of South Brisbane; Vice Presidents, Ald Fish and Ald Field, Misses I.P.Duncannon, Nicol, A.R.Spencer, W.Sewell, W.R.Blake, A.Prahl, A.H.Clarke, J.Moore and Bayard; Secretary, H.E.Watkins; Treasurer, W.H.Sewell; Handicapper, A.Sparkes; Committee, T.Trenfield, R.Bunting, A.H.Clarke, R.Hassell and P.Nicholson; Captain, P.Nicholson; Vice Captain, R.Bunting.

Q.L.A.S.A.

The Third Annual Meeting of the QLASA was held on Thursday evening with Mrs L.G. Corrie presiding, and there was a representative attendance. The Report expressed satisfaction at the success which, in spite of very great difficulties and apparent lack of sympathy on the part of the municipal authorities, had been achieved last season by the Association. The want of a proper supply of water had resulted in the abandonment of the Inter-State carnival, and the holding of the Association carnival in Toowoomba. At the latter carnival, the 60 yards Senior Championship of Queensland was won by Miss Florence Carr in 47 seconds, and the 30 yards Junior Championship by Miss Maggie Grant in 20 4/5 seconds. A pleasing feature was the presence of a team of swimmers from the Fitzroy Club of Rockhampton. Pleasure was expressed that the efforts of the Council to gain recognition from the QASA had been successful, and this removed an obstacle to obtaining recognition from similar Associations throughout the world. Thanks were accorded to all who had assisted through the year, including Dr and Mrs Brockway, members of the Advisory Board (Hon E.J. Stevens M.L.C., Messrs J. Walsh, W.H. Beattie, W.R. Duffy, J. Walker and W. Hetherington), the Handicappers (Misses Littleboy and Craig), and the press of Toowoomba and Brisbane, especially the "Sports Observer".

The Financial Statement showed a Credit Balance of thirteen pounds fifteen shillings and seven pence. In the address the President referred to the necessity for a proper supply of water for swimming purposes, and mentioned the fact that last season the Championships had to be decided in Toowoomba. Alderman Hetherington described the steps that had been taken to supply the Booroodabin Baths with fresh water. Dr Eleanor Bourne proposed that the Secretary write to the Mayor, Aid. W.M. Thompson, thanking him for the sympathy he had extended to the Association. This was agreed to.

A vote of thanks was extended to the President and to Misses K. Walsh (Secretary), Lade (treasurer), and Littleboy (Handicapper). The following officials were elected - Patroness, Lady Chelmsford; President, Mrs Leslie Corrie; Chief Delegate, Mrs A.B. Brockway; Vice Presidents, Dr Eleanor Bourne, Mrs Dr R. Eden, Miss Fewings, Mrs F.W. De Little, Mrs R.E. Burton, Mrs J. Cruise, Mrs Rosenstengel, Mrs W. Petermann, the Mayoresses of North and South Brisbane, Miss Large and the Presidents of affiliated Clubs; Handicappers, Misses Littleboy and Craig; Treasurer, Miss Lade; Secretary Miss Walsh; Advisory Board, Dr Brockway, Hon E.J. Stevens M.L.C., Messrs J. Walsh, W.H. Beattie, W. Duffy, J. Walker, Aldermen W. Hetherington and Wilson; Auditors Mrs Sellars and Miss Copas.

S.O. Saturday 5 October 1907

BIG BLOCK LADIES CLUB

A general meeting of the female employees of the Big Block was held last Wednesday evening. Miss J. Barry was elected to the Chair. There was a very large attendance of ladies, and a good number of gentlemen supporters present. The meeting decided to form a Ladies Swimming Club for its employees only, to be called the Big Block Ladies Amateur Swimming Club, and it is intended to affiliate with the Queensland Ladies Amateur Swimming Association. The Booroodabin Baths will be the headquarters, and the nights for swimming will be Tuesdays. Subscriptions were fixed at one shilling and sixpence per employee.

The following officers were elected for the ensuing season - Patroness, Mrs W.J. Coakes; President, Mrs J. Kilroe, Vice Presidents, Misses, J. Barry, J. Handy, J. Patterson, A. Grafton, A. Evans, E. Clegg, J. Bell, S. Windley, F. Reidy, A. Crokam and Mrs Phillips; Secretary Miss E. Clegg; Treasurer, Miss R. Bailey; Committee, Misses E. Clegg, R. Felsman, R. Bailey, M. Smith, I. Sparkes, A. Geary, A. Wilson, L. Greig, K. Bothamly and M. Pearce; Captain, Miss R. Felsman; Vice Captain, Miss M. Smith; Press Correspondent, Mr Hector Moxley; Advisory Board, Messrs W. Baldwin,

L.Morris, E.L.Moran, H.Dollar, J.Harrower, C.Mann, H.Shirlow, H.Moxley, F.Chalk, J.Sheppard and J.McMillan; Handicapper, Miss L.Sparkes.

Date of first swim, election of delegates etc was deferred to a meeting to be held early next week.

LADIES COMMERCIAL CLUB

The Fourth Annual Meeting of the Ladies Commercial Swimming Club took place last Saturday evening in the Trades Hall. There was a good attendance and Mesdames Barton and Madame Thiodon occupied the Chair.

The Report showed that during the past season 24 swims had been held. The roll showed a membership of 39. Success attended the Club at the Wynnum carnival, Misses N.Harrower, Woolstein and M.Roughead winning events. Donations were received from Dr Greenham, Madame Thiodon, Mesdames Staebell, Fitzgerald and Harrower, Mr A.W.Farmer, and the Wynnum Club. Informal visits had been exchanged between Wynnum and the Commercial Clubs resulting in much pleasure for both sides. The season closed with an enjoyable "Cinderella" at the Trades Hall, when the trophies were presented by the Patron, Dr Eleanor Greenham. The Club Championship of 50 yards was won by Miss Edna Lang.

The Treasurer's Statement showed Income of twenty three pounds and a Credit Balance of four pounds twelve shillings and threepence.

Formal resignations of the President and Secretary were received. Mrs Henley was elected President. The nominations for Secretary included Miss Farmer, who declined, and Miss Fell who was elected. Miss Drew was elected Treasurer, Mesdames Harrower, Hinch, Fitzgerald, Staebell and Miss Jamieson, Vice Presidents; Miss Roughead, Captain; Miss H.Fell, Vice Captain; Misses Morrison and Taylor, Auditors; Mr A.W.Farmer, Handicapper; Misses Parsons and Wilcox, members of the Committee with power to add to their number.

The first swim will take place tonight, the first Committee meeting on the last Wednesday in October at the Spring Hill Baths.

A resolution to affiliate with the QLASA was defeated by a large majority. A vote of thank to the Chair and the press was passed, special mention being made of the "Sports Observer".

Accounts amounting to seven shillings and ten pence were passed for payment.

Q.A.S.A.

Members have expressed satisfaction at the decision of the Municipal Authorities to provide fresh water for the baths. More commodious bathing accommodation is needed, however. Council should not lose sight of the proposed carnival, and should give the proposition their urgent attention.

NORTH BRISBANE

The Annual Meeting of the North Brisbane Swimming Club was held in McCann's Rooms last Tuesday evening. Mr W.H.Hinch presided, and there was a good attendance of members. Points Trophy for the season was won by J.Pike, and that for attendance by D.Harrower, Junior Points Trophy by P.McLennan, Attendance W.Cuthbertson. Several new members were elected and it was decided the opening swim would take place on October 9

Election of office bearers for the ensuing year resulted as follows - President, Mr Geo Marshall; Vice Presidents Messrs J.Cameron M.L.A., R.B.Stark, M.Baldwin, F.W.Nissen, W.H.Hinch, J.H.Grice, C.W.Phillips, T.C.Moxley and D. S. Carter; Treasurer, Mr D. A. Coffey; Secretary, Mr W.Kuder; Assistant Secretary, Mr W.Chambers; Committee, Messrs D.Harrower, G.Crawford, B.Burton, W.H.Hinch and E.Honeyman; Handicappers, Senior. Mr R.Burton, Junior Mr W.Kuder and D. Harrower; Captain Senior D.Harrower; Vice Captain, J.Pike; Captain Junior, G.Fairley; Vice Captain, T.McLennan.

ST MARK'S CLUB

The members of the St Marks Gordon Club, Woolloowin, decided to form a Club in this branch of summer pastimes, and a large number will indulge in the art in the next few months. There was a good attendance in the Booroodabin Baths last Monday night, and to test the ability of each boy an initial scratch race of sixty yards were put through with result Harold Gibson crossed the line in advance of Harry Clark, with Littlejohn and Wilson in close proximity. Mr J.Harrower officiated as Starter. The Club will be called the St Marks Amateur Gordon Swimming Club, and has decided to affiliate with the Association. The Club swims at the Booroodabin Baths on Monday nights.

Mr W.Hetherington, one time champion, has kindly offered his services for the Club. Members are highly delighted with this, and elected him unanimously. Subscription was fixed at one shilling, and a call not to exceed one shilling.

The following officers were elected for the ensuing season - Captain, H.Clark; Vice Captain, G.Walls; Secretary, W.E.Brook; Treasurer, T.Jack; Handicapper and Starter, W.Hetherington; Committee, H.Clark, T.Jack and W.Brook; Press Correspondent, McCahon. Delegates to be elected later on.

LADIES COMMERCIAL CLUB

A special Committee meeting has been held and arrangements have been made for all intending members who are not able to swim to be taught from 7 O'clock to 8 o'clock on swim nights.

Last Saturday night the Club held its first swim, and many old and new members were enrolled, and many of them practiced diving and long distance swimming. After the swim a pleasant hour was spent in singing and music, and the committee all helped to make the evening enjoyable. Intending new members should write to the Secretary, Miss Robinson, 7 Claxton Street, Petrie Terrace.

Q.A.S.A.

The first Council meeting of the season took place in the Carlton Club Hotel on Monday evening. Mr D.S.Carter was unanimously re-elected Chairman. A considerable amount of outward and inward correspondence was dealt with.

The local Consul for Ipswich reported two members of the West Moreton Club as being professionals. It was decided that in view of the explanation tendered by the Secretary of the Club interested, that an inquiry should be held by the Executive Committee and a report forwarded to Council. The West Australian Swimming Association stated that the Australasian Championships would be held in Perth in February next. The local Consul in Rockhampton returned thanks to the Association for the confidence placed in him. S. Taylor and R.Grice applied for reinstatement. The applications were deferred. The Ipswich Centre's report of the progress made last season was received. The Hon E.J.Stevens M.L.C., wrote accepting the position of Patron and donating a "Courier" trophy valued at two guineas for competition. Hon J.W.Blair wrote accepting the position of President, and donating two guineas towards the Association funds. Mr T.A.Bond, D.S.Carter, J.Cameron M.L.A., F.Springfield and J.W.Parlane accepted the positions of Vice Presidents and materially augmented the funds. The Commercial Club Maryborough, the Maryborough Club, St George, Big Block, Christian Brothers, Newsboys, Wynnum Gordon and Valley Clubs again affiliated.

An application from the newly formed St Marks Club, Woolloowin, was granted. Toowong and Big Block Clubs applications to hold carnivals were deferred until after the Association carnival which will take place in the Dry Dock on November 30, and at which the 100 yards Championship will be decided. Mr George Crawford was appointed Hon secretary for the carnival owing to the Association Secretary being unable to secure the necessary time to attend to the duties satisfactorily.

He offered, however, to assist towards the success of the carnival.

The following dates for carnivals were granted - October 24, Commercial Club Maryborough; November 11 and St Patrick's Day, Maryborough Club.

E.Ekhardt of the Commercial Club Maryborough was disqualified on the grounds for having taken part in a race for a cash prize.

It was decided that all applications for State Championships should be accompanied by a deposit, and must be in the hands of the Secretary by November 4, and they will be balloted for. Messrs F.J.Souter, E.Manning, R.H.Bunting, W.H.Hinch and G.Crawford were elected the Executive Committee.

A Life Membership was established, Dr A.B.Brockway, late President, Mr R.H.Roe M.A., Vice President, being the first names enlisted. These gentlemen were members of the first Council formed by the Association.

It was decided to hold a Special Council Meeting at 7pm on November 4 at which consideration will be given to a notice of motion by Mr George Crawford to alter the Constitution and amend Rules 64 and 101.

Messrs D.S.Carter, G.Crawford and W.Kuder were appointed a Committee to inspect trophies during the season. Mr E.Wetzel was elected Starter.

BIG BLOCK LADIES CLUB

At a general meeting, Mr J.Barry, who is taking a great interest in the Club, occupied the Chair and there was a splendid attendance of members. Miss Nellie Bothamley was elected Secretary, and Miss Palmer Captain in place of Miss Felsman (resigned). Headquarters were changed from Booroodabin Baths to South Brisbane Baths, and the nights of swimming will be Tuesday. The Club's Committee now consists of Misses R.Bailey, N.Smith, Palmer, L.Sparkes, N.Bothamley, A.Geary, A.Wilson, L.Greig and M. Pearce. The Secretary would be pleased to see any ladies from kindred Clubs at the first swim next Tuesday evening.

SWIMMING NOTES - By H20 MARYBOROUGH LADIES CLUB

The Maryborough Ladies Swimming Club held their first meeting at the Rooms at the Maryborough Baths last week, the Chair being occupied by Mr R. Kenna. Nearly twenty ladies were present.

The following officers were elected - President, Mrs Williamson; Vice Presidents, Mesdames Walter, Sin, P.J.Dineen, Corcoran, Kulrik and Phillips; Captain Mrs Widdup; Vice Captain, Mrs Corcoran; Secretary, Miss A.Reid; Assistant Secretary, Miss M.Wynne; Treasurer, Miss Mitchell.

GIRLS NORMAL SCHOOL CLUB

On Tuesday a meeting was held in the Girls Normal School, and no fewer than seventy girls and teachers attended. It was decided to form a Club and affiliate with the Queensland Ladies Amateur Swimming Association. The colours chosen were a navy blue costume with pale blue and white facings, the colours of the Club.

The following officers were elected - President, Mrs Large (Head Teacher); Vice Presidents, The Mayoress of Brisbane, Mrs Prentice, Mrs Proe, Misses Austin, Flynn, Beattie, Black, Simpson, Geddes, Singer and Walsh; Hon Secretary, Miss Josephine Lewis; Joint Hon Treasurers, Misses Singer and Black.

It was decided to restrict the membership to girls over twelve years of age, but such keen disappointment was manifest by some of the younger, it is possible a junior branch may be formed during the season.

Wednesday was fixed as swimming day

The Eagle Junction Girls School Swimming Club has been reformed.

SOCIAL INSTITUTE

The members of the Girls Club at the Institute of Social Service have desired to establish swimming for the gymnasium class during the summer months. A hope was expressed they would affiliate with the Ladies Association.

SANDGATE STATE SCHOOL GIRLS CLUB

A Girls Club has been formed in connection with the Sandgate State School, and it is understood they have been voted the property of the now defunct Sandgate Ladies Club. The new Club has not yet, however, joined the QLASA, though it is hoped this will be done shortly.

EAST BRISBANE CLUB

The Annual Meeting of the East Brisbane Club was held on Tuesday evening, when Mr W.H.Duffy Snr, President of the Club, occupied the Chair. The Annual report showed the natatorial art was going ahead in the East Brisbane District.

Reference was made to the number of members who had gained the much coveted QASA Certificate for Long Distance Swimming, chief among whom was Alec Barries (Captain) who secured a Certificate for two miles. Regret was expressed that the District still lacked facilities for bathing, and it was recommended that moves should be made to those in authority to supply the long felt want.

The following officers were elected - Patron, Mr Thomas Dibley; President, Mr W.H.Duffy Snr; Vice Presidents, Messrs R.K.Burton, D.S.Carter, W.Shead, J.Watt, L.Vizer, G.H.Blocksidge M.L.A., and T.Langford; Captain, A. Barrie; Vice Captain, W.H.Duffy Jnr; Hon Secretary and Treasurer, Mr F.J.Souter; Committee, Messrs M.McLean, O.Priestly, S.J.Hinch, J.Belloc and H.Hedges; Handicapper, Mr T.H.Green, Starter, Mr T.C.Mcintyre; Delegates to QASA, Messrs W.H.Duffy Snr and F.J.Souter.

ST JOHNS CLUB

The Annual Meeting of the St Johns Ladies Club took place in St Lukes School Room. In the absence of Mrs Le Fanu, who is in Melbourne, Miss Hempsted took the Chair. There was a good attendance of members.

Reports of the Secretary and Treasurer were adopted. The Treasurer's Report showed a Balance of two pounds fifteen shillings.

The election of officers resulted - Patronesses Mesdames Le Fanu and Stonewigg; President, Mrs Simmons; Vice Presidents, Mesdames Walker, Cowen, Petrie, O'Reilly, Newey, and Misses Richmond and Stephenson; Secretary, Miss Stewart (re-elected); Treasurer, Miss Petrie; Captain, Miss J.Annan (re-elected); Vice Captain, Miss V.Grose; Handicappers, Misses Petrie and M.Smith; Starter, Miss Kenyon; Judges, Misses Hughes and Sexton; Delegates to QLASA, Misses Stewart and Hughes; Committee, Misses Bell, Dobson, Cowen, Kenyon, J.Annan, Lucy Smith and Hughes.

The first swim of the season will take place next Monday at the South Brisbane baths.

CHRISTIAN BROTHERS OLD BOYS CLUB

The first meeting of the above Club was held in the school gymnasium last Tuesday evening, Mr D.S.Carter presiding. It is proposed to hold a footballers evening once a month when the members of the premier team will contest races of various distances for trophies presented by the Club. Owing to minor attractions there was not a large attendance. The business of reading the Annual Report and Balance Sheet was held over to the next meeting.

Q.A.S.A

The date of the QASA carnival has been fixed for Saturday November 23 at the Dry Dock.

Rockhampton Club has affiliated and Mr B.Burton has been appointed delegate to the Association.

CHRISTIAN BROTHERS OLD BOYS CLUB

The First Annual Meeting of the above Swimming Club was held in the school gymnasium on Monday evening. There was a good attendance of members and Mr A.M.Oxenham occupied the Chair.

The Annual Report showed the Club occupied a very creditable position in swimming circles last season, and members are asked to do their utmost in furthering the status of the Club during the present season.

The officers elected were - Patron, Rev Brother Reidy; President, Hon F. McDonnell M.L.C.; Vice Presidents, Rev Father P.Hayes, Rev Brothers Furlong and Moloney (Nudgee College), Dr Page, Messrs J.Grice, P.Swift, W.C.Horstman, M.Feenaghty and D.S.Carter; Committee, Messrs V.Oxenham, W.H.Hinch, P.Flanagan, W.Healion, P. Carmichael and A.j.Scanlan; Hon Handicappers, Messrs P.J.O'Connell and M.J.Hinch; Hon Secretary, Mr B.Gallagher; Delegates to QASA, Messrs P.J.O'Connell, M.j.Hinch and B. Gallagher.

ST GEORGE GORDONS

The St George Gordon Swimming Club recently elected the following officers - President, Mr G.H.Byrne; Vice Presidents, Dr Brockway, Messrs D.S.Carte, R.H.Roe, W.H.Bush, G.A.Morris, W.Halston, G.A.Underwood, C.Jones and R.Lane; Captain, S.Pyke; Vice Captain, T.Sumpton; Handicapper and Starter F.Kerr; Judges, H. Anderson and T.Jinks.

HAMILTON GORDONS

The Hamilton Gordons Club have taken over the Hamilton Baths for three years. Appeal has been made for funds to enable the Club to affect the necessary repairs and improvements. Members and others are warned against swimming in the baths in their present state as sharks have been frequenting the vicinity recently.

Q.A.S.A.

The following constitutes the programme for the Association carnival - 50 yards Schoolboys Handicap (Under 15) - 50 yards Junior Handicap - 50 yards Senior Handicap - 100 yards Championship of Queensland - 400 yards Flying Squadron Handicap (four men in each team) - 3/4 mile Handicap (in which F.W.Springfield, World Champion, will endeavour to break his own World Record) - Neatest Header - Diving Competition - Two Novelty Events.

Entries will close with G.Crawford, Hon Secretary, November 15, and all entries must be accompanied by an entrance fee.

The Mount Morgan Club has affiliated with the QASA. The local champion, W.Giles, will in all probability be a competitor in the 100 yards Championship. A carnival will be held in conjunction with the Humpybong Regatta, Woody Point, on November 11, King's Birthday.

Q.L.A.S.A.

A meeting of the Council of the QLASA was held on Thursday night.

A letter was received from the Hon E. J. Stevens M.L.C., accepting a position on the Advisory Board and offering a trophy for competition

at the annual carnival. Mr J.J.Walsh wrote, also accepting a position on the Advisory Board and offering a trophy. Mrs Large wrote accepting the position of Vice President. A letter was received from the City Council stating that the matter of extending the hours for women at the Booroodabin Baths, and the supplying of pure water to the Arthur Street Baths was under consideration.

Big Block and Normal School Girls Clubs have forwarded affiliation fees. Mr T.J.West, of West's pictures, announced that in response to a request from some members of the Association the Annette Kellerman pictures would be reproduced, and a party was arranged for next Monday evening. Special rates have been arranged, and swimmers intending to join the party are requested to meet at the Centennial Hall vestibule at 7 o'clock that evening.

It was decided to write again to the Mayor regarding providing better swimming facilities for women. It was also decided to write to the New South Wales Ladies Association inviting them to send a team to Brisbane this season.

CHRIST CHURCH CLUB

At a meeting called last week by the Rector of the Parish, Rev G.W.Morrison M.A., Christ Church, Milton, it was decided to form a Swimming Club for lads and young men of the Parish, to be known as the Christ Church Swimming Club, Milton.

The following officers were elected - President, Rev G.W.Morrison M.A.; Captain P.Hopkinson; Vice Captain, F.Vowles; Secretary, T. Thompson; Committee, T.Hopkinson, F.Vowles, and T. Thompson.

Swimming will take place at the Spring Hill Baths every Thursday.

DARLING DOWNS LADIES CLUB

The Darling Downs Ladies Club held their first swim for the season in the City Baths, Toowoomba, on Tuesday evening last. The following acted as officers - Referee, Mrs .A. West (President); Starter and Handicapper, Miss P.King; Judge, Miss Ida Baker (Secretary). The Club this season has a very large membership numbering about fifty, and the prospects are very encouraging.

CITY CLUB

It has been decided by the Committee of the above Club that owing to the late start made to reform the Club, it will go into recess and reform next season. The Club is in a good financial position.

It was decided to make a presentation to the popular Secretary, Mr A.H. (Jimmy) Williams, as a slight token of the esteem in which he is held and the good work he has done, not only for the City Club, but for swimming generally. Swimmers will join in wishing Jimmy "Good Luck" and hope to see him back in the swimmers ranks next season.

The "Courier" Cup presented to the Club by the Hon E.J.Stevens M.L.C., and the Taylor Cup presented by Mr Taylor, were left in the custody of the Secretary until next season.

The majority of members have decided to swim with the Toowong Club this season.

P.BRYCE AT MOUNT MORGAN

"Paddy" Bryce, formerly well known in Brisbane swimming circles is now in Mt

Morgan. When reinstated he intends to have a go at the Three Miles Record, provided matters are satisfactorily arranged. It will be remembered his previous record had not been allowed as it was not swum in competition. This Rule should be amended, as it is highly unlikely any swimmer will be able to find others willing or able, except in isolated instances, of completing a three mile course.

S.O. Saturday 2 November 1907

Q.A.S.A.

A Special Meeting to discuss a Notice of Motion by George Crawford for amendment of Constitution to read as follows - "accepting remuneration for swimming in public", the present Rule reads "accepting remuneration for swimming in public or having been employed for money or wages in a swimming bath or elsewhere as an attendant on swimmers or being a bath proprietor lessee or manager". Also the last sentence of Rule 65 be deleted. This Rule does not debar members from joining other Clubs nor from joining in races for members at such Clubs.

Mr M.J.Hinch has been appointed delegate for the Mt Morgan Club which has again decided to affiliate, and it is stated that D.Giles will be a competitor in the 100 yards State Championship.

S.O. Saturday 9 November 1907

Q.A.S.A.

A Special Meeting of the delegates of the QASA was held in the Carlton Club Hotel on Monday night. Mr Dave Carter, Chairman of Council, presided.

Rule B Section 1 was amended to read as follows - "An amateur forfeits his status and becomes professional for accepting remuneration for swimming in public, receiving payment for training a swimmer or swimmers, or for teaching swimming as a means of livelihood." Voting on the Question was 28 to 2.

Rule 68 was amended by 28 to 1 to read as follows "Every affiliated swimmer must declare in writing on the Association form which Club he desires to represent in order that he may be registered accordingly in the book of the Association. No member may represent more than one Club."

The Hon Secretary of the Valley Club wrote asking the Association to include in the programme a water polo match between the Club and Toowong. This was agreed to.

The Hon Secretary of the Maryborough Club wrote seeking permission to open negotiations with New South Wales Association for Mr Wickham to participate in their carnival in March.

The Secretary Commercial Club Maryborough wrote asking permission to change the name of their Club to Granville Commercial Club without having to pay an extra affiliation fee. Both above requests were acceded to.

On a Report from Mr Nunn, local Consul, it was decided to request an explanation from Rockhampton regarding an allegation they had invited professionals to be in attendance at their meetings.

Mr Crawford mentioned that the presence of a Centre in Ipswich was in contravention of the QASA Rules. Ipswich was less than 50 miles distance from Brisbane. The meeting decided that the Rule should be enforced, and Mr Phillips gave Notice of Motion that the Rule should be amended to allow the present condition of affairs.

Mr D.Wentworth was appointed local Consul for Mt Morgan, Mr Nunn for Rockhampton, and Mr Christoe for Maryborough. Mr Dan O'Connell was appointed Hon Handicapper in the place of Mr T. D. Watson (resigned).

In the ballot for State Championships, Valley drew the Mile event, Maryborough the 880 yards and the Big Block the 60 yards Junior event. It was decided to hold

test races in January next in connection with the selection of representatives for the forthcoming Australasian Championship Meeting in Western Australia. The final selection was referred to the Executive.

The Treasurer's Statement showed a Credit Balance of sixteen pounds ten shillings and one penny.

Mt Morgan was granted permission to hold a carnival on December 2. Valley, Newsboys and South Brisbane forwarded affiliation fees, and carnivals were granted to North Brisbane December 18, Maryborough January 1 (also permission for A.Wickham to take part), Toowong January 30, and Wynnum Gordon Boxing Day. St Marks and South Brisbane Clubs applied for carnivals but were requested to fix dates.

Mr F.Springfield and Mr D.Munro have accepted the position of Vice President and forwarded donations. Mr G. Power of the Opera House Hotel has accepted the position of Vice President and promised valuable assistance.

The Rockhampton Swimming Club was requested to alter the name of their Club to the Rockhampton Amateur Swimming Club.

Mr Crawford, Secretary of the carnival to be held on the 27th instant reported great progress. The officials for the Big Block carnival were approved.

Through the courtesy of the President, Hon J.W.Blair, the "Lucinda" has been placed at the disposal of members for an excursion on Saturday afternoon November 30. Tickets may be obtained on application to the Association Secretary or Club Secretaries.

S.O. Saturday 16 November 1907

Q.A.S.A.

Entries for the Championships comprise competitors from Ipswich, Maryborough, Mt. Morgan and several local competitors of fame. This is the most representative field ever to start in the coveted "Derby". In addition to the prizes advertised, the Big Block Club is donating a Championship Sash.

The races held in conjunction with the Humpybong Regatta proved a great success. T.Trenfield of South Brisbane Club won the 60 yards, F.W.Springfield (Valley) the 440 yards, R.Harrower (Valley) two Duck Hunts and the Barrel Race, R. Briggs (South Brisbane) the Diving Competition.

S.O. Saturday 23 November 1907

Q.A.S.A.

It is regretted the various Clubs have not responded as anticipated to the QASA request for entering in greater numbers for events in the Association's carnival. The total number of entries is smaller than in any previous season in which the Association has held a carnival, notwithstanding there is a record number of Clubs affiliated. The absence of D.Giles (Mt. Morgan) and W.Langdon from the 100 yards Championship owing to their form not being up to standard is a matter for regret, as both are accredited as being speedy performers, and likely to have had a good chance in the coveted title. The welcome reappearance was that of Ken Honeyman of North Brisbane Club, who a few seasons ago greatly acquitted himself, but who could do better in the long distance events.

The application of P Kelly Bryce of Mount Morgan for reinstatement is to be considered at the next Council meeting. This swimmer desires to establish a fresh Three Mile World. Record. The opportunity may afford itself at the conclusion of some Club's carnival in the Metropolis, and perhaps F.W.Springfield may be induced to also compete for a suitable trophy as well as for the honour of putting up a World Record.

A special Council meeting will be held prior to the ordinary monthly meeting to consider Notice of Motion by Mr C.R.Phillips of Ipswich to amend Rule 36 to read as follows - "No Local Centre shall be formed within a radius of 24 miles of

Brisbane, or within a radius of 24 miles of any Local Centre when in existence. Present Rule is 50 miles limit.

A COMMENT ON THE MORALITY OF THE TIMES

BATHING AT SOUTH PASSAGE

Two middle aged excursionists, Patrick Swift and Allen Jordan, who went bathing in the breakers at South Passage a few days ago without costumes, were defendants in a case in the City Police Court today.

Sub Inspector Broderick said there were ten or twelve men bathing, but all but two of them, the defendants, wore costumes. A number of ladies were in the vicinity and the conduct of the bathers was very unpleasant. Numerous complaints in relation to the matter had been received by the Commissioner of Police, and this action was taken as a warning to others.

Mr G.W.Power, who appeared for the defendants, explained that the defendants had no intention of bathing until they saw others enjoying themselves in the water.

Mr Rankin, P.M., said the men were old enough to know better, and each was fined ten shillings with eight shillings and sixpence costs.

SWIMMING CARNIVAL 100 YARDS STATE CHAMPIONSHIP

A highly enjoyable programme of natatorial events was decided at the South Brisbane Dry Dock this afternoon. The carnival was under the control of the Queensland Amateur Swimming Association, the principal feature being the 100 yards Championship of the State. Interest in this race was particularly keen, each Club apparently fancying the chance of their respective champions. Another feature was the appearance of the competitors from Ipswich. Other attractions were the attempt by F.W.Springfield to break the World Record for the three quarter mile and a waterpolo match. The various valuable trophies included presentation by Hon F.J.Stevens M.L.C., and by several of the leading business firms.

The officials for the day were - Referee, Dr A.B.Brockway; Judges, Messrs D. S. Carter, B. Burton, T. A. Bond and F.J.Souter; Starter, Mr E. Wetzel; Check Starter, Mr E.Manning; Clerks of Course, Messrs .J.Hinch, T.Watson, W.Shead and W. P. Watts; Judge of Diving, Mr D.S.Carter; Time-keepers, Messrs F.W.Nissen, J.H.Grince, E.J.Beard and D. Munro; Call Stewards, Messrs M.J.Hinch and R-Bunting; Press Stewards, Messrs T.Day and W.Kuder; Result. Board Stewards, Messrs D.A.Coffey and D.J.O'Connell; Costume Steward, Mr W.H.Hinch; Referee, Water Polo, Mr Knox Carson; Hon Secretary, Mr George Crawford.

Results -

Junior Inter-Club Handicap - V.Larsen (NB) 1, P.Luke (V) 2, W.Hands (NB) 3

Schoolboy Handicap 50 yards - G.Clayton, W.Richardson dead heat (both from Woolloongabba State School)

Senior Inter-Club Handicap - W.Hatley (Newsboy) 1, H.Gibbon (St. Marks Gordon) 2

100 yards Queensland Championship - D.Corrie (T) 1, P.Loewe (T) , R.Harrower (V) 3 Time 1 min 1 4/5secs

The draw for positions for the start were A.Ivett (Ips), J.Saunders (Ips), D.Corrie (T), C.M.Mogg (West. Moreton), P.Loewe (T), K.Honeyman (NB), T.Cutcliffe (T), R.Harrower (V), C.Graham (T). A splendid start was affected, Harrower being the first to show out. His lead was short for in the first 20 yards Carrie had him and began to forge ahead. At 50 yards Cutcliffe was pursuing the champion, and at 75 yards Corrie had the race won. He finished about four yards ahead of his Club

mate, Loewe. It was a fine race between second and third with the others close up. This made the third occasion in succession in which Corrie has won the 100 yards Championship.

3/4 Mile Handicap - V.Bunting 1, A.M.Taylor 2, F.W.Springfield3.(Springfield was off scratch). In this event Springfield attempted to lower his own World Record of 18 mins 7 2/5 secs, but failed, his time for the race being 19 mins 4 2/5 secs.

CHAMPION CORRIE HONOURED

D.Corrie, winner of the 100 yards State Championship, was at this stage decorated with his Championship Ribbon by Dr Brockway in the unavoidable absence of the Hon E.J.Stevens M.L.C., Patron of the Association. The Championship Ribbon was presented to the Association by the Big Block Club. Dr Brockway apologised for the absence of Hon J.W.Blair, President of the Association.

Neatest Header - A.Morrison. (SB) 1, D.Sunderland (PD) 2, R.Harrower 3

Egg & Spoon Race 50 yards - A.Morrison (SB)

Relay Race 400 yards - Toowong B I, East Brisbane 2, Toowong A 3

BOWEN BRIDGE BOYS CLUB

At a meeting held last Friday afternoon at the Bowen Bridge Road State School, it was decided to form a Boys swimming Club in connection with the school. About sixty lads handed in their names as members and on Tuesday afternoon the first swims took place in the Booroodabin baths.

Q.A.S.A

The programme and venues for the next Australasian Championships has been fixed by the West Australian Association in Perth for February 8-12-16 and 19, 1908, and great preparations are being made to ensure a successful gathering. As test races are to be held in the first week in January, the State's representatives should be selected early to give them full time to recover from the long sea journey to the western City.

The East Sydney Club has extended an invitation to F.W.Springfield to compete at their Club carnival during Christmas week and also at Bathurst on New Year day. This Club was one of the chief dissenters to Springfield starting in the Half Mile Championship of New South Wales on his return from New Zealand last year. Previous to the Australasian Meeting, Springfield was invited to measure strokes with Reg Healy in the Half Mile. This year the suggestion is a 300 yards race, prospective opponent evidently being Harold Baker. Springfield will probably be unable to accept the invitation as the Half Mile State Championship, which was allotted to Maryborough Club, will probably be contested at that Club's carnival on New Year's day

Q.A.S.A.

The monthly meeting of the Council of the QASA was held at the Carlton Club Hotel on Monday evening with Mr D.S.Carter presiding.

Mount Morgan Club was granted permission to hold the 220 yards State Championship at their carnival and also to enter into correspondence with New South Wales Association for C.Healy or A.Wickham to take part, in the carnival on the usual conditions, and all disbursements to be through the Association.

Queensland Cyclists Union wrote stating that S.Taylor of Rockhampton had not violated that body's rules.

Mr P.K.Bryce of Mt Morgan was reinstated. Mr A.R.Harrower was granted permission to swim in the Granville Commercial (Maryborough) Club's carnival on December 12. Sandgate Gordon and St Marks Gordon Clubs were granted affiliation. Toowong, Valley and Rockhampton Clubs were granted permission to hold carnivals.

The Secretary was requested to ascertain the cost of sending representatives to Perth. The expected heavy expense will necessitate the assistance of the Clubs. Donations will be received by the Association Secretary. The Clubs who will act in sending entries for the Association carnivals would do well to consider this matter. The Association carnival conducted in the Dock resulted in a success financially, and the thanks of the Association are due to the Secretary of the carnival for his efforts.

The river excursion on the "Lucinda" was greatly enjoyed by those who attended. The thanks of the Association for the use of the boat are due to the President, Mr J.W.Blair M.L.A.

Prior to the Council meeting on Monday a. special meeting was held to amend Rule 15 to allow the local Centre to exist in Ipswich.

Strength of Clubs - In total 609 males and 500 females - this does not represent all the swimmers in Brisbane as some of the Clubs have so far failed to forward returns.

Q.L.A.S.A.

At a meeting of the Council of the QLASA Mrs .B.Brockway presided. Correspondence included a letter from Mr J.Walker, Toowoomba, an Advisory Board member, donating one guinea, and from Mrs Rosenstengel promising a trophy for the March carnival.

It was decided to have new entry forms printed, the Hon Handicapper submitting one for consideration by the Executive. The Secretary reported that the baths had been reserved on 7 and 1-1 March for the Inter-State carnivals. The Secretary was instructed to write to the New South Wales Association giving all particulars regarding the carnivals. A Committee was formed consisting of Dr Eleanor Bourne, Misses Littleboy, Stewart, Clarke, Mrs Anderson, the Chief Delegate Mrs Brockway, the Treasurer Miss Lade, and the Secretary Miss Walsh.

BIG BLOCK CLUB

The Club's carnival was a phenomenal success and reflects great credit on the Secretary, Mr M. Baldwin, and the Committee. Distribution of prizes will take place early in January and will be announced through the "Sports Observer".

R.Harrower is to be congratulated on his splendid win in the 220 yards Scratch Race, also G.Pugh who won the 60 yards Junior Championship of Queensland. All the races were well contested and reflect, credit on the QASA Handicappers R.Bunting, W.P.Watts and J.O'Connell. A further word of praise is due to E.Wetzel, popular QASA Secretary, for the excellent manner he started the races, 49 races being got through in the short time of two and a half hours. There were some thirty entries in the 220 yards, with five heats and a final.

The Committee wish to thank officials and others who assisted.

Q.A.S.A.

F. W. Springfield was selected as the sole representative for the Australasian Championships, and all the arrangements in connection with his departure are to be left in the hands of the Secretary and Chairman. It was decided in the first instance to send him by the Orient Line of steamers, but on second consideration it was decided he should leave Brisbane on the "Yongala" on Tuesday next, transshipping in Melbourne to the "Riverina" for Fremantle. He will proceed by train to Perth thus giving him eight clear days to recover from the sea voyage and maintain his condition. A farewell send-off will be tendered to him at the Carlton Club Hotel on Monday evening next at 8 o'clock. A popular charge will be made for admission. All members who can attend should assemble at the "Yongala" at 3pm to give our champion a hearty send-off.

Springfield's performance in the Mile Championship at the Valley Club's carnival last Wednesday evening shows that he is in the best of fettle. It was decided to send Springfield to England to take part in the Olympic Games and English Championships after his appearance at the Australasian Championships in Perth. Lists to provide funds are being issued, and all Clubs and supporters of the Association are requested to do their utmost to make the effort successful.

S.O. Saturday 18 January 1908

VALLEY CLUB

A large number of members attended the farewell to F.W.Springfield by the QASA on Monday evening last and also a good attendance at the wharf on Tuesday afternoon. The champion carries with him the best wishes of his Club mates, both in Perth and in London. News of his doings will be eagerly awaited. Although Springfield left unaccompanied for West Australia, he will not be so on his journey to London, as his trainer (Fred Herbert) has decided to make the trip at his own expense. The sportsmanlike action on Mr Herbert's part is highly spoken of by Club members. Duties of Captain now devolve on the Vice Captain Rob Harrower. At the conclusion of the Australasian Meeting, on February 28 Springfield will embark on the German liner "Grosser Kurfurst" with his trainer for England.

Springfield will have to represent Australia in the Olympic Games, as only Nations are recognised and not States. Contests in the programme include 100, 440, and 1000 metre races. In English races he will represent the State, and will give a good account of himself over the various distances. Further invitations have extended to Springfield to take a trip to South Africa and appear in five carnivals, one each week in different towns, previous to his visit to England. The invitations came through Mr F.J.Bruce of the South African Association. No finality in this matter has been arrived at, and further information is awaited. The Valley Club carnival held last week was successful both financially and otherwise, and the Club wishes to thank all those who contributed to the success.

J.Smith has been appointed Handicapper in succession to Tom Watson who left on Saturday for Sydney to take up a position there. Mr Watson was Joint Secretary to the Club last season and was always a zealous worker in swimming so his departure is considerably felt by the Club.

Q.L.A.S.A.

At a Council meeting last Thursday evening permission was granted to Valley Ladies Club to hold a carnival on February 18, and to Darling Downs to hold one on February 7 to which a team of Brisbane swimmers will be sent.

Donations of one guinea have been received from Mr J.J.Walker (Advisory Board) and Mrs de Little (Patron of the Fitzroy Ladies Club).and a trophy from Mrs Rosenstengel (President of the Darling Downs Ladies Club).

Q.A.S.A.

F. W. Springfield has received endorsement as an Australian representative to take part, in the Olympic Games in London in July. Further arrangements are being left in the capable hands of the Australian Consul, the Hon Secretary of the Royal Life Saving Society, and the English A.S.A., who have previously guided several Australians through English and foreign fixtures.

In a letter to the Secretary of the Association, Springfield states that notwithstanding reports of a fine trip to Sydney by the "Yongala", he was very ill on the journey. However he hoped to recoup during a stay in Sydney before further squalls on the way to Melbourne and Fremantle. The Olympic Games representative, Mr R.Coombes, has assisted Springfield and has given him useful information in regard to his trip Home, and several letters have also been promised by R.Kruts (Hon Sec N.S.W.A.S.A), A.G.Hendry (Hon. Sec Royal Life Saving Society), Fred Lane, and E.S.Marks, to whom the Association are deeply indebted.

An attempt is being made by one of the State Teams to have the Australasian Championship programme altered and arranged to suit them. However, the West Australian Association who is governing the Meeting must remember that there is an Australasian Agreement binding the States and New Zealand, who must all be consulted in the matter. The Kieran Shield is evidently the cause of the trouble. Should the programme be carried out according to the copies which have been forwarded to the State, Queensland should have a good chance of again being the holder of the Shield.

S.O. Saturday 1 February 1908

Q.A.S.A

In a letter to he Hon Secretary Springfield states that he had a. splendid trip from Sydney to Melbourne, he had recovered from his sea, sickness, and he speaks well of the ability of Beaurepaire of Victoria, with whom he had a half mile swim, as a possible winner of one of the Australasian Championships. Springfield arrived in Perth on Wednesday and said he had a most severe and rough passage.

The success of the Toowoomba Centre's members at the Toowong Club's carnival, which took place last Thursday night, should encourage visitors from the country to travel to the Metropolis to take part in the various carnivals. The Darling Downs men acquitted themselves worthily by securing first and second places in the Kieran Memorial Handicap and first place in the Relay Handicap. The Novelty Event proved too severe for the competitors who were unable to comply with the conditions.

The Association would do well to deal with competitors who use bad language to carnival officials who act gratuitously at the various carnivals.
Strength of Clubs - Total, 1405 males, 731 females

S.O. Saturday 8 February 1908

Q.A.S.A.

A further letter of introduction was promised by Cecil Healy to Springfield. Permission was granted to the N.S.W. Association to enter Springfield, in conjunction with E.J.Baker and T.Tartakover, on behalf of Australia in the Relay Teams Race in the Olympic Games.

A member of the St George Gordon Club was reported for using bad language to an official at the Toowong carnival and was asked to forward an explanation for his conduct.

An amended programme for the Australasian Championships reads - February 8, 220 and 880 yards at Fremantle; February 12, 100 yards and 1 Mile in Perth; February 15, 500 yards Inter-State Scratch Race at Guildford; February 19, 220 yards Breast Stroke and 440 yards at Clermont. At Fremantle the events will be contested in open sea baths, therefore no fast times are anticipated.

Permission was granted to the Rockhampton Club to take part in the Life Saving Society's carnival.

Total in the Springfield Overseas Fund now totals twenty seven pounds six shillings and sixpence.

S.O. Saturday 15 February 1908

Q.A.S.A.

At the monthly meeting the Secretary reported having taken fourteen swimmers to Toowoomba to the Darling Downs carnival.

Correspondence included the following letters - From the Olympic Games Association regretting there is no competition for ladies in the programme for 1908. From Valley Ladies Club asking permission to postpone their carnival to February 25, and that Mabel Springfield might be allowed to establish a Record for a quarter mile (fresh water) on that date. Permission granted. From Mrs Petermann forwarding a handsome trophy for the March carnivals. From East Brisbane Girls State School forwarding affiliation fee. From N.S.W.Association notifying a team of six with one emergency with Miss Reeks charge would be sent to the Inter-State Ladies Carnival in March. The South Brisbane Club was given permission to hold a carnival in March.

The Inter-State programme was arranged, and it was decided to hold test competitions on the 25th instant in the Booroodabin Baths to select swimmers to represent Queensland.

The resignation of Mrs Anderson as a member of the Executive owing to her departure from Queensland was accepted with regret. Miss Mahony of the City Club was elected to fill the vacancy.

The following attractive programme for the two Inter-State Ladies Carnivals to be held in the Booroodabin Baths have been approved -

March 7 - 50 yards Championship of Australia; Championship Teams Race of Queensland; 30 yards Junior Championship; 100 yards Scratch Invitation Race; 50 yards Open Handicap; 30 yards Junior Handicap; 40 yards Breast & Back Handicap; Novelty Event; Senior Diving; 30 yards Public Schools Scratch Race.

March 14 - Championship Teams Race of Australia; 60 yards Championship of Queensland; 120 yards Breast. Stroke Championship of Queensland; Fancy Diving; 60 yards Seniors Open Handicap; 30 yards Juniors Handicap; 40 yards Breast & Back Handicap; Novelty Event; Senior Diving; 30 yards Public Schools Handicap.

AUSTRALASIAN SWIMMING- CHAMPIONSHIPS

It is obvious now that Queensland will not be able to retain the Kieran Memorial Shield. Springfield has met his Waterloo in the western state and it is apparent he is not in his best form. No one will begrudge the wins that Beaurepaire has secured for Victoria, and it is safe to say he is the coming star of Australia. One would have wished Springfield could have repeated his victories of last year and gone "Home" to the Olympic Games wearing the laurel wreath on his brow, but such was not to be. Fate has willed it otherwise. The sturdy young Queenslander can take defeat in good spirit, and will no doubt spur him on to even greater efforts in the home land than would have been the case if he had swept all before him in the golden west.

If Springfield is superior or inferior to Beaurepaire over long distances remains to be seen. The present contests cannot be held to have absolutely proved the matter. That the Queensland champion is swimming below his usual form is obvious, and many swimmers are of the opinion he has gone "stale". This is borne out by the letter received by Ted Wetzel in which Springfield says, "Gone clear off." Springfield is not the sort to make excuses for being defeated, and when he says he has "gone off it may be taken for granted that this is the case.

In the course of a letter, Springfield says they arrived in Fremantle safe and sound and there was a good crowd to meet them. Phil Matson was swimming well and Springfield thought he should win the Breast stroke. No definite arrangements were made about boarding the visitors who were told they could please themselves where they stayed. As the first carnival was to be held in Fremantle, Springfield decided to stay there in order to get used to the baths which are 105 yards in length.

Springfield adds - and it characteristic of his earnestness when the honour of the State is at stake - "It is a nice quiet place here, and I can get in some solid training. I might miss a bit of enjoyment, but that is not what I am here for. I hope the Kieran Memorial Shield will come to Queensland again, and it will not be for want of trying if it does not."

The defeat of Springfield at the first Australasian Championship Meeting, the first carnival of which was contested at the Fremantle Baths on Saturday last, in the Half Mile, came as a surprise to all enthusiasts, more so when it was made known that our representative could not get any closer than 85 yards to the winner and filled fourth place, the winner being F.Beaurepaire of Victoria, who is not yet sixteen years of age, Dickman and Garland filling the other positions.

The Furlong Championship fell to Cecil Healy with Beaurepaire second and Springfield third. A heavy swell prevailed while the carnival was being held, which greatly retarded swimmers and made fast times impossible. The second carnival took place at Perth on Wednesday last when the 100 yards Championship resulted in C.Healy again proving successful with Beaurepaire second. The One Mile Championship resulted in F.Beaurepaire once more proving his ability by winning from Dickman, Garland and Springfield in that order. This places Victoria and New South. Wales on an equal footing with two wins each in the Kieran Memorial Shield, with the 220 yards Breast Stroke and the quarter mile championships yet to swim.

Mr Fred Herbert leaves Brisbane for England, joining F.W.Springfield at Fremantle en route to London. Springfield will have a couple of months solid training in England previous to the Olympic Games, and it is anticipated he will be properly "acclimatized" and in good condition by then to uphold the honour of Australia. It is expected he will be successful in the English Championships in which he will represent the State.

S.O. Saturday 22 February 1908

Q.L.A.S.A. TEST RACES

The QLASA are to be congratulated on the result of the test swim to select representatives for Queensland v New South Wales in the Teams Race at the forthcoming inter -State Carnivals. A strong team will do battle for the State. Test race over 30 yards took place in the Booroodabin Baths on Thursday night. No fewer than sixteen girls competed, including Miss Josie Biddle who has lately joined the City Ladies Club to which she should be a decided acquisition. Although not at present swimming up to her best form, she will no doubt recover it after some hard training.

The following six were selected to represent the State as their times were the best - Misses M.Grant, E.L.Wollstein, M.Springfield, I Thompson (all of Valley), D.Brockway (High School), F.Carr (City), emergencies Misses L.Steele (Darling Downs) and Josephine Liddle (City).

New South Wales representatives will arrive on March 5 and be accorded a Mayoral Reception on March 7. The Government, have granted the use of the "Lucinda" to afford the visitors a river trip on March 11.

AUSTRALASIAN CHAMPIONSHIPS

The final Meeting of the Australasian Championships took place at Clermont on Wednesday evening and resulted in Beaurepaire winning the 440 yards Championship from C.Healy and F.W.Springfield who got second and third places respectively. The 220 yards Breast Stroke resulted in P.Matson (W.A.) proving victorious, with A.Richardson (Vic) and W.Finlay (W.A.) filling the other positions.

The Points for the Kieran Memorial Shield now stand as follows -
Victoria - 880 yards F.Beaurepaire First; 220 yards F.Beaurepaire Second; 1 Mile - F.Beaurepaire First; 100 yards F.Beaurepaire Second; 440 yards F.Beaurepaire First; 220 yards Breast stroke A. Richardson second.
New South Wales - 880 yards).Dickman Second, A.R.Garland Third; 220 yards C.Healy First; 1 Mile 0-Dickman Second, A.R.Garland Third; 100 yards C.Healy First.; 440 yards C.Healy Second.
Queensland - 220 yards F.W.Springfield Third; 100 yards F.W.Springfield Third; 440 yards F.W.Springfield Third.
West Australia - 220 yards Breast Stroke P.Matson First, W.Finlay Third.

It will be seen that Victoria holds the proud title of winner of the Kieran Memorial Shield, for the first time, as well as Champion State, which will be undoubtedly good for the sport in that State - the fillip it deserves. F.Beaurepaire's points in winning the 1/4, 1/2, and 1 Mile Australasian Championships in real good time, credit him with being undoubtedly the "star" of the Australasian swimming world, and Queensland heartily congratulates Victoria on its splendid achievements and a promising young champion who should bid fair in the near future to establish fresh records. An endeavour is being made in Victoria to send Beaurepaire "Home" to compete in the Olympic Games.

New South Wales was undoubtedly anxious to secure the Kieran Memorial Shield when it is taken into consideration that Healy was to have returned to Sydney to resume his duties by the 18th instant, but stayed on.

Although the Queensland representative, F.W.Springfield, was unsuccessful in his mission owing to not being in the best of condition, his improvement was noticeable in the 500 yards Scratch Race on Saturday at Guildford, and in the 440 yards Championship. It is to be regretted that, he did not strike form earlier. However, better luck is anticipated when Springfield arrives on the other side of the globe.

ST GEORGE'S CLUB

The Club's Third Annual Meeting was held on Monday night. Those present included Messrs A.L.Petrie, T.Donovan, Jinks, Rev Canon Osborn and thirty members.

The Balance Sheet showed a. Credit of four pounds one shilling and sixpence of which four pounds belonged to the Building Fund.

H.Kelly was elected Secretary, C.Brooke as Treasurer, and W.Lacy Captain. F. Kerr retains the position of Handicapper.

Members are reminded there are only six remaining swimming nights, and with the points close for the leading swimmers, these few races should be keenly contested.

Q.L.A.S.A.

A meeting of the Council of the QLASA was held last night with Mrs Brockway (Chief Delegate) in the Chair.

Correspondence included a letter from the New South Wales Association notifying that the team from that State to compete in the forthcoming carnivals in March would consist of Misses Dorothy Hill, Gladys Tate, and Fanny Durack (East Sydney Club), Mina Wylie and Mabel Hill (Wentworth), Doris Davis (Balmain), with Misses Flora Foster (Wentworth) and Nellie Meades (East. Sydney) as emergencies. Miss Rhoda Reeks will accompany the team as manager.

Miss Hill is the holder of the New South Wales 100 yards ladies Championship swum in 1m 19 1/2s, and others in the team have performed as follows - Miss Tate, winner of the 50 yards Championship in 52 1/5s, Miss Wylie winner of the 100 yards Breaststroke Championship in 1m 18 1/5, Miss Durack winner 150 yards Championship in 2m 8 2/5s, Miss Davis winner 55 yards Public School Girls Championship. Miss Hill is Captain and Champion of the Wentworth Club.

It was decided to add a 50 yards B Grade Handicap to the programme for the first day of the carnival. The Novelty events were arranged as follows - 30 yards, 10 yards in Cap & Gown, 10 yards with Balloon, 10 yards with lighted Candle. Event on second programme, "Finding the North Pole". A Trophy and Reception Committee were appointed and a carnival arranged for the N.S.W. visitors.

The Darling Downs Ladies Club have selected the following team to compete at the forthcoming carnivals - Misses L.Steele, F.Robinson, M.Dixon, T.Wall, D.West and F.Taylor. Emergencies are Miss I.Robinson and Miss I.Baker. The team will leave for Brisbane on March 5 and will be accompanied by Miss Polly King, Captain of the Club.

A letter was received from Mr R.J.Cottell Jnr M.L.A., enclosing a donation to the Prize Fund.

Permission was granted to the High School to hold a carnival on March 18.

PROFESSIONAL SWIMMING

At a meeting of the QASA held last night, an application by the Mount Morgan Club to place certain races on the programme for the following carnival was unanimously refused.

Picture Australian Champion Swimmer

F.Beaurepaire of Victoria.

In the course of a letter to the Secretary of the QASA F.W.Springfield expresses his disappointment that he did not do better in the Championships, and makes it clear that he was not in good fettle. Referring to the mile he says, " I

went crook, and only swam fourth. I swam pretty well to half way, then I got a stitch in the side and I simply staggered over the last 600 yards. Beaurepaire went away from me soon after se started, but Dickman and Garland were not much ahead of me when I went crook. I can't make out what is the matter with me. I generally feel so well and swim so much better when I am away. I never tried harder in my life than at present. Beaurepaire cut the mile out in 24 minutes 29 seconds. He double lapped Garland and myself. Dickman swam well but was a lot behind. Healy won the 100 yards by about 15 yards from Beaurepaire in 57 1/5. Several watches took him at 56 1/5. He simply flew from the pistol shot. I hope to have a little better luck in London than I have had here."

VISITING SWIMMERS ENTERTAINED

The visiting lady swimmers were shown over Parliament House yesterday by Messrs Turner M.L.C. and May M.L.A. and expressed themselves delighted with the view to be obtained from the building.

Members of the Valley Ladies Swimming Club entertained the visiting lady swimmers with a very pleasant tram drive yesterday afternoon. The party was arranged by Miss Littleboy (Hon Sec) and the following Committee Misses Peters, Schofield, Haslet, and K.Gleeson. A large Federal car conveyed the visitors from the North Quay to the Gladstone Road Terminus thence out to Ascot and thence to Paddington, returning to town by Red hill. The following members of the Council were present: Mrs Brockway (Chief Delegate), Mrs Burrell, Misses Walsh (Hon Sec),

Singer, Clark, Stewart, and Hughes. The many pretty sights in the suburbs were admired by the visitors and the cool breeze most refreshing after the heat of the day.

Last evening, Superintendent Hinton entertained the visiting swimmers and many representatives of many swimming clubs at a highly interesting Display given by the Fire Brigade at the Fire Station. The grounds adjoining the station were filled with visitors, over 100 people being present. The programme commenced at 8 o'clock with a display of "hooking in" taking place, the time being about ten seconds for each "hook in". Then followed a night turn out, the men coming down the pole from their dormitory to the engine room where they found the intelligent horses already waiting along side the pole ready to be "hooked in". The time taken for this exceedingly smart display was about 14 seconds. The men then fell in and marched to the yard, which was illuminated, and went through several physical exercises in their usual efficient manner. The ladder drill brought the display to a conclusion. The visitors showed their appreciation with frequent applause and later expressed themselves delighted with the display given in their honour.

Mrs Hinton subsequently entertained a number of the visitors and the Hon Sec of the QLASA (Miss Walsh) to supper. The kind hospitality of Superintendent & Mrs Hinton was greatly appreciated,

VISITING SWIMMERS ENTERTAINED

The City Ladies Amateur Swimming Club entertained the New South Wales and Toowoomba swimmers last evening at a drag picnic to One Tree Hill. Some of the Members of the Council of the QLASA were also guests of the Club, The party left town in three drags at 5 o'clock, tea was served on arrival at their destination and the party returned to town at around 9:30 o'clock,

No report was found if the second carnival held in this Meet.

Comment: For the next week the papers were full of reports of considerable flooding in South East Queensland and Northern New South Wales.

VISIT OF NEW SOUTH WALES LADY SWIMMERS

A visit by swimmers from New South Wales and the Darling Downs to take part in the Inter-state Carnivals promoted by the Queensland Ladies Amateur Swimming Association has done a great deal to strengthen enthusiasm already prevailing among lady swimmers. The Arrangements have been excellently carried out and effort has been made to provide as much enjoyment as possible for the visitors. The swimming has been of high standard and illustrates the wonderful progress in swimming made by the girls of Australia during the past few years.

Q.L.A.S.A.

A Council meeting was held last Thursday with Mrs Burrell in the Chair. Correspondence included letters from Dr Brockway enclosing a donation towards expenses of the carnivals, also donations from Mr E.C.Railton M.L.A., Dr.Bourne and Mr J.J.Walsh.

South Brisbane wrote asking permission to postpone their carnival from March

23 to April 1, and enclosing a programme and a list of officials. Permission granted. The Fitzroy Club asked that a team be sent from Brisbane to their carnival on April 4, and enclosed a programme. It was decided to send four girls and a manager. Test races are to be held at the Booroodabin baths next Tuesday evening. Miss Hunt (Girton College) wrote regarding entries for the carnival.

ROCKHAMPTON CLUB

Owing to a counter-attraction on February 28, it was deemed wise by the committee to hold their carnival on Thursday March 26. The events were keenly contested by entrants from Brisbane, Maryborough, Mount Morgan, and local swimmers, and it is pleasing to note that the principal events were won by the visitors, namely, the 220 yards First Class handicap by Harrower (Brisbane), with H.Taylor (Rockhampton) second, the Teams Race by Mt Morgan B Team, the 100 yards Championship of Central Queensland by Jim Thompson (Rockhampton) in 1 min 7 secs with P. Bryce (Mt. Morgan) second - three others competed - N.Forghar (Rockhampton) won the 60 yards Handicap, and V.Dowson (Rockhampton) the Diving.

The Rockhampton Club was very successful at the Mt Morgan carnival, about fifteen competitors showing their enthusiasm by going up on both Saturday and Monday nights. The successful competitors were H.Taylor first, in 100 yards Handicap with J.Thompson third, F.Alley second 40 yards Handicap, and Dowser and Geo Alley each in a Novelty event. Brown won the Junior Diving contest, and J.Gillinder the 60 yards Junior Handicap.

Q.L.A.S.ASSOCIATION - LONG DISTANCE CERTIFICATES

Trials for Long Distance Certificates in Connection with the Queensland Ladies Amateur Swimming Association were held at the Booroodabin Baths this afternoon. The officials were - Misses Lade, Butterfield, Peters, A.Walsh and K.Walsh. The Secretary of the Darling Downs Swimming Club, Miss Ida Baker, Miss Springfield and Mrs Gordon were also present.

Trials resulted -

1 Mile - Pauline Brunnich (City) 57.22 4/5.
Half Mile - M.Welsby 20.42 3/5, F.Holmes 30.33 (both High School) (and numerous others over shorter distances)

The Certificates will be presented at the Annual Meeting.

FORTHCOMING OLYMPIC GAMES

Mr Ted Wetzel, Secretary of the QASA, has received an interesting letter from Mr George W.Hearn, Secretary of the English Amateur Swimming Association, which comprises 1094 Clubs. Mr Hearn is about to relinquish the Secretaryship after five years excellent work. He says he finds the duties too great for a business man to attend to, and in view of the great number of Clubs - nearly 1,100 - this is not a matter for surprise. Mr Hearn forwards a list of the Championships, and it is probable that F.W.Springfield will compete in most of them.

The list is as follows - 440 yards (salt water) at Weston-super-mare August 10, 500 yards at Manchester (in Baths) July 20, Half Mile and Mile (Open water)

dates to be fixed, Long Distance in the Thames, London, July 4.

Mr Wetzel has also received the following letter dated March 6 from William Hendry, Hon Secretary of the Royal Life Saving Society, London.

I am receipt, of your kind favour of January 21 and note your wishes which shall be observed. I shall make entry for Mr Springfield and see all is in order for the events he is to take part in, in the Olympic Games, and as the entries close on June 12, we have plenty of time to see that all is in due form and order. I have ascertained he will be in Naples on May 28 when I shall write to him with instructions about meeting him on his arrival. I will also see to all the details for his lodging and training. I am writing to various friends on the Continent with a view to his having a chance of competing in the European Championships, and at the same time take care his expenses are kept to a minimum. I can promise you and your friends I will try to do the best for your representative and help to make his visit an enjoyable one.

A programme of swimming, diving and water polo competitions to be contested at the Olympic Games has also been received by Mr Wetzel. The events are as follows -

100m - any stroke as free swimming

400m - ditto

1500m - ditto

Teams Race - Four competitors in each team, each competitor to swim 200m free swimming

200m - Breast Stroke

100m - Back Stroke

Variety High Diving from firm diving base and take-off. Variety Diving from Springboard

Water Polo - Teams of seven

Competition will be decided in the open air bath situated in the stadium. The bath will measure 100m long and not less than 15m wide with a depth of 3m, and will be filled with fresh water.

BOYS SCHOOL WEST END

It has always been a matter of regret to the Head Master of the West End Boys School that so few of the scholars could swim. Early this summer it was decided to do something about increasing the number. The South Brisbane Council granted the school the use of the baths on Monday afternoons 3.30 to 5.00, and also issued tickets at the rate of sixpence a dozen. On Monday, November 24, 34 boys from the upper classes were taken to the baths by two of the staff who were good swimmers, and of the 34 only 11 could swim, whereas now there is not one of them who cannot do so.

The good nature and enthusiastic assistance and all round geniality of the Manager of the baths, Mr Blake, have been highly appreciated. South Brisbane Council, particularly Alderman J. Davies, have also the children's best thanks for their willingness to do all they can to help the Club.

A successful carnival in connection with the West End Boys School swimming class was held in the South Brisbane Baths last Monday afternoon.

QUEENSLAND SWIMMER
SUCCESS ON THE CONTINENT

"F.W.Springfield, the brilliant Australian swimmer, who came to England recently with such excellent credentials, gave a taste of his quality at the Hamburg Swimming Association's Gala the other day," says the London "Sporting Life" for June 16.

According to a telegram received from Mr W.Henny, of the Life Saving Society, and the hard working Director of the stadium, the Australian won the 100 metres in 1 min 16 1/3 secs, the 200m in 2 mins 45 3/5 secs, and 660m in 9 mins 20 secs. In considering these times it must be borne in mind the course was 100 metres long, and the conditions were that the start be made in the water, no dive being allowed and no push off permitted at the turn. The push off naturally means a great deal to the swimmer, and where it is not allowed the times are, of course, bound to be affected.

Springfield, who is a guest of the Hamburg Swimming Association, has done better than any other Australian swimmer on the Continent, and certainly his performance at the Hamburg Swimming Association Gala was a grand one indeed, telling of capital condition and considerable powers of endurance.

MARVELLOUS DISPLAY
WORLD'S ATHLETES IN RIVALRY

The Royal Party was greatly interested in the swimming and diving. The speed of the swimmers, amongst Hungarians and English took pre-eminence, astounded many.

The 400 metres (437 yards) swimming event, in the absence of C.M.Daniels (America) left the United Kingdom with two representatives in the final, T.S.Battersby, who, swimming in grand style accomplished 5 mins 48 secs for the distance, and W.Foster, who did 5 mins 54 4/5 secs. Australasia had T.B.Tartakover to defend his honour, while Hungary was represented by B.Lestorres as the fastest loser. The Hungarian gave Battersby a magnificent race and was gaining rapidly at the finish.

SWIMMING
CITY CLUB

The City Amateur Swimming Club will hold their Annual General Meeting at the Cafe Eschenhagen next Thursday night. The Club did not form last season, but has decided to reform this season and a good roll up of members is anticipated. Subscriptions are, Seniors one shilling and sixpence, Juniors one shilling. The Club has two handsome cups known as the "Courier" Cups, donated by the Hon E.J.Stevens MLC for Seniors, and the Taylor Cup presented by Mr

Grant Taylor. These cups will be competed for during the coming season and are to be won twice in succession or three times in all. The City Club has amongst its members such swimmers as Douglas Corrie and Hetherington (the latter the joint holder with Dan Gailey for the 60 yards record of Queensland in 33 1/5 seconds) and the members are looking forward to a successful season.

NEW LADIES SWIMMING CLUB

An effort is being made to form a new Ladies Swimming Club at a meeting being convened by Mrs Farquhar Black for next Monday night at Rowe's Cafe at 8 o'clock. Mrs Black is throwing enthusiasm into the work, and it is probable that her efforts will meet with success as she has already received good promise of support.

ASSOCIATION NOTES

A meeting of the Executive of the QASA was held in Mr D.S.Carter's establishment last Friday evening, when the Annual Report and audited Balance Sheet and Handicapper's Report were approved. The detailed Reports reflect credit on the Hon Secretary, as practically all the doings of the Association have been recorded.

The Annual General Meeting of the Association will be held in the Trades Hall on Wednesday evening 10th inst at 8 o'clock. All members are requested to attend, for in addition to the consideration of the Annual Report and election of officers for the coming season, two important additions to the Rules are to be considered, namely - "That all members of the QASA who compete in events under the auspices of the Association contribute an extra threepence in each entry, the maximum for one carnival being one shilling, the revenue thus derived be devoted to sending representatives to the Australasian Championships," and "That Australasian Championships be held biennially."

The Australasian Championships will take place early this season in Sydney, therefore all intending entrants for representative honours should endeavour to be in the best of condition as soon as possible.

The Association anticipates forming a Schools Union during the coming season. This should greatly assist the sport and result in strengthening the junior ranks which have of late been making good headway.

SWIMMING (By H20) EXCELSIOR LADIES CLUB

Mrs Farquhar Black's efforts to form a new Ladies Swimming Club met with very gratifying success. The meeting was held at a city cafe during the week and was largely attended. The Mayoress of South Brisbane was elected patroness, and Mrs Farquhar Black as President, Mesdames Effey, T.R.Eden, J.Davies, J.G.Brown, Frisby, Annan, C.J.Davis, Spiro and Grose as Vice Presidents, Mrs Lonergan as Secretary, Miss D.Grose Assistant Secretary, Miss C.Sexton Treasurer, Miss Annan Captain, Miss Farquhar Vice Captain, Miss M.Smith Handicapper, Miss F.Black and Miss Lonergan Delegates, and Miss D.Grose Press Correspondent. The following Committee were elected - Misses de Groen, L.Smith, Mahoney, L.Grose, J.Black, M.Annan and McGhee. Miss Smith was appointed Starter and Miss de Groen Auditor. It was decided to name the Club Excelsior, and the colours chosen were emerald green and white.

LETTER FROM SPRINGFIELD

Writing to the Secretary of the QASA, Mr Ted Wetzel, from London on July 27, Frank Springfield says, " I have had rather bad luck since the Five Miles. I got a bit of cold on going to Bradford and have not been able to get going properly since. It is a funny climate here and it is a job to keep in good form. We had a very hard course to swim the half mile over at Bradford. We had to swim diagonally across a lake with nothing to guide us. Taylor was leading coming down the last lap, but he swam outside of his course by about fifteen

yards, and Beaurepaire just got in by about two yards. I only finished fifth, but we were all pretty close up. The Australian team, Beaurepaire, Tartakover, Baker and myself, won our heat of the teams race, and were fourth in the final. Our time is pretty well taken up at the Exhibition. I get off from work to go swimming but do not get paid for the time I am away. There will probably be a lot of swimming in the next month or two."

CITY CLUB

The City Club are making an early start and are to be congratulated on having such a good band of workers. Mr M.L.Cowell, who is a Sydney enthusiast, arrived last week and has thrown in his lot with the City's. He has been appointed a delegate to the Association. The opening swim will take place on the first Tuesday in October at the Metropolitan baths. Members and intending members may leave their names and subscriptions at the baths for the Hon Secretary, Hector Moxley. A Junior Club is being formed and any juniors desirous of joining may leave their names at the baths. The subscription is one shilling. The Club intends going in for a proper costume with club colours.

At a Committee meeting at the Cafe Eschenhagen a programme of races will be drawn up and handicaps arranged for trophies etc.

The Hon E.J.Stevens MLC has written expressing pleasure in accepting the position of Patron of the Club and enclosing a cheque towards the funds. Mr J.Hendry Grice has accepted the position of a Vice President and is donating a trophy. Mr E.R.Gross is accepting the position of President and is donating a handsome trophy for competition.

QASA NOTES

The Annual General Meeting will be held in the Trades Hall, Turbot Street, next Wednesday evening at 8 o'clock, when in addition to the consideration of the Annual Report and Balance Sheet, two proposed new rules will be considered. Clubs are requested to hold their Annual Meetings before the first Monday in October which is the date set for the first Council meeting when Executive and other important officers will be appointed. As an extra amount of work will fall on the Secretary for the ensuing season, it is anticipated the Association will see its way clear to allow that officer an assistant.

Formation of a Schools Union would be a step in the right direction and an effort should be made in this direction early in the season.

TOOWONG CLUB

Members are reminded of the Annual General Meeting. The Annual report and Balance Sheet will be available for discussion, and also a Report of the Trustees of the Share Fund. The Carnival and Sale of Work at the Sidney House was a great success and has resulted in the Club holding 200 fully paid shares in the proposed baths.

LADIES CLUB

The General Meeting of the City Ladies Club was held last evening in the Eschenhagen Cafe. Miss Hall presided in the unavoidable absence of the President, Mrs A.Corrie, and there was a good attendance.

The following officers were elected - President, Mrs A.Corrie (reelected); Vice Presidents, Mesdames Petermann, Sutton, Pat Murphy, J.Lahey, G.Gardiner, A.Johnson, J.T.Bell, Dr Lilian Cooper, Dr Barnet, Miss Bedford; Secretary, Mrs Walsh; Treasurer, Mrs Burrell; Captain, Miss Mabel Mahony; Committee, Misses Cuttell, Nicol, Nicholson, Phillips, A.Walsh, Dowling G.Palmer, B.Chapman, O.Hall and R.G.Lade; Auditors, Misses O.Hall and R.G.Lade; Delegates to QLASA, Mrs Walsh and Mrs Burrell.

It was decided that juniors over the age of twelve years be admitted as members. The first swim was fixed for October 9. Regret was expressed at the resignation of the Secretary sent by Miss Lade, who for the past two seasons had taken a great interest in the progress of the Club.

VALLEY AMATEUR LADIES SWIMMING CLUB

The Fifth Annual Meeting of the Valley Amateur Ladies Swimming Club was held on Wednesday evening at Webster's Cafe, Valley. There was an excellent attendance, some forty members being present, including Mesdames F.Springfield, G.Thompson, Davis and Kellar, Misses M.Clarke, D.Littleboy, F.Peters, A.Butterfield, H.Fitzgerald, A.Jamieson, J.Gow, Haslet, J.Coomber, E.Rowe, M.Singer (Normal School), J.Smith, Thompson, E.Chapman, G.Davis, M.Springfield, M.Grant, K.Fitzgerald, D.Coomber, V.Walden, Tyler, G.Stephens and C.Roberts. A wire was received from the President, Mrs T.Wilson, apologising for not being able to preside at the meeting. The Chair was taken by Mrs G.Thompson.

The Annual Report and Balance Sheet were unanimously adopted. Receipts for the past season were thirty five pounds thirteen shillings and threepence, and the Expenditure twenty nine pounds nine shillings and eight pence.

The following office bearers were elected - Patroness, Mrs W.M.Thompson; President, Mrs T.Wilson; Vice Presidents, Mesdames Hutt, M.Fitzgerald, J.Best, J.Harrower, F.Springfield, E.Coomber, Davis, A.E.Richards, H.Hugall (Jnr), G.Thompson, W.S.Anderson, and S.Hack, and Misses Lane, Hill, D.Richards, J.Robinson, E.Dunlop, A.G.Littleboy, J.Perkins, W.P.Sparkes and A.Butterfield; Hon Secretary, Miss V.Littleboy; Hon Treasurer, Miss F.Peters; Hon Handicapper, Miss A.Butterfield; Captain, Miss M.Springfield; Vice captain Mrs O.Thompson; Press Correspondent, Miss M.Clarke; Auditors, Misses A.Jamieson and I.Gow; Committee, Misses S.Haslet, G.Haslet, H.Fitzgerald, G.Coomber, M.Quinn, E.Rowe, F.Brown, K.Gleeson and Mrs Kellar; Delegates to QLASA, Miss F.Peters and A.Butterfield.

Fourteen new members were enrolled. It was decided to hold the first weekly swim of the season on the second Tuesday in October.

LADIES SWIMMING ASSOCIATION - ANNUAL MEETING

The Fourth Annual Meeting of the Queensland Ladies Amateur Swimming Association was held at the School of Arts last night. Mrs L.Corrie, President, occupied the Chair. Eighty members were present.

The Report and Balance Sheet for the last year were presented by the Council, the former containing some very gratifying features. Amongst other things it recorded thirteen Clubs representing about five hundred swimmers who are now affiliated with the Association, which was a considerable advance on the previous year's position, and intimation was made that the Council was determined not to relax its efforts to secure, in the near future, baths exclusively for women. The Report recorded its congratulations on Miss Brockway having gained a medal and established a college record at the English Swimming Competitions, and urged the necessity of introducing a contest to decide the Champion State of Australia in regard to lady swimmers. The close attention of members to Life Saving methods was strongly recommended.

The Financial Statement disclosed a small Credit Balance of fourteen shillings and five pence, owing to the heavy expenses incurred in the recent carnival. Receipts from this source were thirty two pounds three shillings and expenses reached seventy seven pounds seven shillings. Donations received during the year amounted to eighteen pounds fifteen shillings.

The Report and Balance Sheet were adopted.

The election of office bearers for the ensuing year resulted as follows - President, Mrs L.Corrie; Chief Delegate, Dr Eleanor Bourne; Vice Presidents, Mesdames Eden, Buchanan, de Little, McCullough, Mann, Rosenstengel, Peters and Gardiner, and Misses Large and Harker and Presidents of affiliated Clubs; Handicappers, Misses Littleboy and Stewart and Mrs Burrell; Treasurer, Miss Lade; Auditors Misses Copas and Walsh; Secretary, Mrs Wiley; Advisory Board, Hon E.J.Stevens MLC, Drs Brockway and Sutton, Messrs Walsh, Beattie, Duffy, Walker and Hetherington.

It was resolved to amend Rule 80 by adding the words, "Unless the member desirous of so taking part shall have belonged to such Club for the same

period." This Rule is not to apply to members of teams visiting Queensland, under the auspices of the Amateur Swimming Association of any State of the Commonwealth or New Zealand recognised by this Association.

The President announced that Miss Mabel Springfield had acquired a quarter mile record by swimming the distance in 7 mins 31 secs.

A presentation by members of the Association to Mrs K.T.Gardiner, the retiring Secretary, was made by the President who, in presenting her with a pretty flower stand and brass flower pot and palm, said that the little gift conveyed with it the hearty good wishes of the members to the recipient for a long and happy career in the matrimonial life she had just entered on. Mrs Gardiner suitably responded.

SWIMMING NOTES - By H2O
TOOWONG CLUB

The fifth Annual Meeting of the Toowong Amateur Swimming Club was held in the Masonic Hall, Toowong, last Tuesday evening. The popular President of the Club was present in the Chair in addition to a representative gathering of the active members. Messrs R.J.Cottell M.L.A., S.Davis, W.Hodge, P.Leahy, E.Morris, R.Carr, G.Landsbury, F.E.Duncliffe, W.P.Watts and W.Swain were also present.

The Annual Report and Balance Sheet were unanimously adopted on the motion of Mr J.Hiron, seconded by Mr S.Davis. Mr Hiron complimented the Club on its present financial position, and instanced the effort towards the success of the carnival and garden fete by which over two hundred pounds was netted for the purpose of building baths in Toowong. He mentioned that the Credit Balance was not as good as the previous year on account of the larger sums spent in the purchase of Swimming Baths shares, entertainment, outward donations, extra trophies, and the sending of a Club representative to Mount Morgan to compete in the 220 yards State Championship. Mr Hiron stated that the baths Trustees had already purchased the baths property, and he hoped to be one of the Club's heads on the occasion of their opening, when the Toowong Amateur Swimming Club would be in the proud position of being the only Club in Australasia, if not the world, owning baths of their own (applause).

Mr Davis supported the motion and referred to the Club's success, and prospects as to the building of the baths. Mr Cottell paid a very complimentary tribute to the Club's working officers.

The election of officers resulted - Patron, Mr R.J.Cottell M.L.A.; President, Mr J.Hiron; Vice Presidents, Messrs G.Hiron, W.Land, J.Ryan, C.S.Siemon, W.F.Simmons, S.Davis, P.Leahy and W.Hodge; Hon Secretary and Treasurer, H.Sunderland; Hon Handicapper, Mr Ern Morris; General Committee, Messrs W.P.Watts, B.Gaul, C.Graham, E.Morris and F.E.Duncliffe; Hon Auditors, Messrs L.E.Oxenham and C.Campbell; Delegates to QASA, Messrs W.P.Watts, F.E.Duncliffe, R.Carr and H.Sunderland.

The selection of a Captain and Vice Captain was left over to the first weekly swim, which will be held on October 8. The election of Hon Assistant Secretary was deferred to the first committee meeting. It was proposed by Mr Hiron and seconded by Mr W.P.Watts that the Secretary and Handicapper compile the second half season's swim card.

Mr J.Hiron presented the trophies to the various winners as follows - D.Corrie, Championship Sash for 100 yards Club Championship. C.Graham was second in the 100 yards and first in the Senior Club Points. W.Graham, winner of the Junior Club Points and Junior Club Championship. H.Sunderland, winner of Open Events Points. F.Mahoney, second in the Junior Club Points and Trophy Races. G.Howman, third in Junior Club Points and Trophy Races.

It was decided to place on record a vote of thanks to the retiring Secretary, Mr W.P.Watts, and Mr J.Hiron, for their valuable services to the Club.

CHURCH INSTITUTE CLUB

On Wednesday night the members of the Church Institute Gymnasium met to form a Swimming Club in connection with the Institute, so as to keep the members together during the summer months. Mr G.Newey occupied the Chair, and it was unanimously agreed to form a swimming club.

The following officers were elected - Hon Secretary, Mr P.Leslie; Hon Treasurer, Mr H.J.Mendoza; Captain, Mr G.Hollingsworth; Vice Captain, Mr W.Lake; Committee, Messrs Leslie, Mendoza, Hollingsworth, Lake and E.Stewart. The election of Handicapper and Starter was left over for the committee to decide, their decision to be subsequently confirmed by the Club at a General meeting. Patron, Venerable Archdeacon Le Fanu; Vice Presidents, Messrs Pocock, W.B.Pike, E.W.Walker and H.S.Breese.

The Club has decided to affiliate with the QASA, and they have been fortunate enough to secure the Metropolitan Baths for Wednesday evenings.

Q.L.A.S.A.

The Report of the Annual Meeting of the QLASA has already been published. The meeting was most successful and a happy augury for a prosperous season. The fact that there was even a small Credit Balance is a credit to the officers of the Association, for much was done last season to further the sport, and the Inter-State carnival was undertaken with the almost certain knowledge that it would result in a loss financially. A little presentation to Mrs Gardiner (B.Walsh) was more than deserved, for the retiring Secretary has done a great deal to advance swimming, and her work has always been marked by a quiet enthusiasm which invariably led to success.

LADIES COMMERCIAL CLUB

The Annual Meeting of the Ladies Commercial Club was held last Monday. There were about thirty members present including Mesdames

Henley and Heike, Misses Fell, Robinson, Drew, Henley, Harrower, White, Roughead, Toyne, Wilcox and Cranley.

The Secretary's Report showed the last season had been very successful financially and otherwise. The Club had fifty swimming financial members. A vote of thanks was passed for the following trophies presented to the Club - Mesdames Henley, Staebell, Harrower, and Mr J.Hendry Grice. A vote of thanks was also tendered to the "Sports Observer", and to Mesdames Henley, Harrower, Ikey, and Misses Robinson, Fell, Drew, Roughead, Taylor, White, Jamieson and Toyne, and to Miss Harrower, Peake, Murphy and Strachan for assistance.

The Treasurer reported that the receipts for the past season had been twenty two pounds eighteen shillings and threepence, and the disbursements seventeen pounds five shillings and eleven pence.

Officers elected (on 26/9/08) were - President, Mrs Staebell; Vice Presidents, Mesdames Harrower, Henley and Wilcox; Secretary, Miss Fell (re-elected); Treasurer, Miss E.Drew (re-elected); Assistant Secretary Miss E.Robinson (re-elected); Committee, Misses White, Henley and Harrower, with power to add to their number; Handicappers, Mrs Heike and Mrs Harrower; Delegates to the QLASA, Misses Drew and Robinson.

It was decided to affiliate with the QLASA.

Q.A.S.A.

The Annual General Meeting of the Association took place in the Trades Hall last Wednesday evening and was poorly attended. As anticipated, the personnel of the office bearers was not changed, which is a distinct compliment to them. The Hon Secretary, Mr E.Wetzel, was re-elected for the seventh year, which constitutes an Australasian record for an officer in that position.

Clubs are requested to hold their Annual Meetings prior to October 5, which is the date for the first Council meeting. Delegates should be elected to be eligible to take part in the proceedings of the election of the Executive and other important matters.

Steps are to be taken immediately to form a Schools Union, also for an

Association carnival at which no doubt arrangements will be made for some special attractions.

Frank Beaurepaire, who achieved such great success at the last Australasian Championship Meeting and more latterly in England and on the Continent, will return to Australia next month, and will be followed by the Queensland representative, F.W.Springfield, who is due here in December.

The Australasian Championships will take place in Sydney in February next year. Some great swimming should be witnessed when the selection of representatives takes place, and the result of the meeting of D.M. Corrie, R. Harrower and C. Graham will be awaited with interest. It is regretted that there is no promise of a distance swimmer other than F.W. Springfield, and this branch of swimming, in addition to schools competition, should be specially catered for this season.

The initiation of an Australasian Championship Fund as provided for in the new Rules passed at the A.G.M., should materially assist the Association in proper representation at future Championship Meetings. The motion to hold the Australasian Championships bi-annually was rightly referred to the Council meeting where a full representation of delegates is anticipated to make a recommendation to the delegate to the Australasian Conference to be held shortly in Sydney.

ST GEORGE'S GORDON CLUB

The third Annual Meeting was held at the Club Rooms last Monday night. The attendance was not very large, but the membership promises to be as good as last season. Monday nights, if the baths are available, will be given over to swimming. S. Pike was elected Captain and C. Brooks, Vice Captain, and W. Lacy and Anderson delegates to the QASA.

Thanks were tendered to Mr H. Bell for his work throughout the season - he hadn't missed a meeting - and Mr F. Kerr for his splendid handicapping which the Club will have the benefit of again this season.

BIG BLOCK CLUB

The Annual Meeting of the Big Block Club was held in the Grand Central on Wednesday evening last with a good attendance. Mr W. Coakes was re-elected Patron, Mr J. Kilroe was re-elected President, McMillan Captain, H. Dullar Vice Captain, L. Morris Handicapper.

SOUTH BRISBANE LADIES CLUB

The Annual Meeting of the South Brisbane Ladies Club was held in the Municipal Baths last Wednesday night, and there was a good attendance, with Mrs Austin in the Chair.

The following office bearers were elected - Patroness, Mrs McCullough; President, Mrs W.H. Austin; Secretary, Miss A.E. Kitchen; Captain, Miss V. Grahl; Vice Captain, Miss J. Robertson; Handicapper, Miss M. Clarke; Delegates, Misses Kitchen and Clarke.

It was decided to affiliate with the QLASA and hold the first swim in the second week in October.

LIFE SAVING TROPHY

Mr Christopher Hual offered a trophy for Inter-Club Competition, but such competition never took place. The Big Block enthusiasts made several efforts to bring the matter to a head, but they do not seem to have received support from the other Clubs in the Association. The Big Block Club will co-operate with any other Club so that very excellent competition may take place. Too few of our swimmers are trained in Life Saving.

Letter to the Editor,

Five, not seven, years.

Reading last week's QASA notes, the second paragraph said the Secretary, Mr E.Wetzel, had been elected for the seventh year. This is a mistake. Mr Wetzel was first elected in September 1903 as the records of the Association will show, just five years ago, on the resignation of Mr G.S.Stack.

(The letter, by W.M.Hinch, continues with review of some early history which I have already recorded)

S.O. Saturday 3 October 1908

HOW MANY YEARS?

To the Editor, Sir,

I trust you will allow me small space in your valuable column in reply to Mr W.H.Hinch's statements in your notes of Saturday last, relative to my term of office as Hon Secretary of the Queensland Amateur Swimming Association.

To enlighten your readers and members of the Association, I must confess I do not know the date or year of my first election. The fact does not trouble me as it evidently has Mr Hinch. If taken as stated by him to be 1903, and inclusive of the term for which I was re-elected at the last Annual Meeting which does not expire until September 1909, both years included, the total will be seven. But by seasons, the present one included, it will be six, which proves him to be somewhat in error.

I do not intend to dwell on the matter of my ability as he has sought fit to do with previous officials, but leave that entirely to members of the Association who have shown their confidence by re-electing me as often as they have done. The position I simply occupy and fulfill to the best of my ability in the interests of the members of the Association and for love of the sport.

I am, Sir, E.Wetzel

ST JOHN'S LADIES CLUB

At the St John's Ladies Club Annual Meeting Archdeacon Le Fanu presided. There was a large attendance, and the Reports of the Secretary and Treasurer were adopted.

Officers elected - Patroness, Mrs Le Fanu; President, Mrs Simmons; Vice Presidents, Mesdames G.Newey, Benjamin, M.McMullen, E.Stewart and Dr Lulu Ure. Captain, Miss M.Stewart; Vice Captain, Mrs H.Bowen; Handicappers Misses Stewart and Cowen; Delegates to QLASA, Misses Hughes and Kenyon.

The physical culture club under the tuition of Miss Barltrop will finish next Monday, and the first swim of the season will take place in the South Brisbane Baths on Monday October 12.

ROCKHAMPTON CLUB

At the Annual General Meeting of the Rockhampton Club several changes were made in the management as George Alley takes over the position of Hon Secretary. The Club has been fortunate in having added several fresh swimmers of considerable ability to its membership, one of whom promises to be a distance swimmer considerably superior to the average. The Club is holding an official opening on October 8. Invitations have been sent to the Fitzroy Ladies Swimming Club, the Royal Life Saving Society, and friends.

Mr F.W.De Little, the Patron, has again donated a handsome cup for a series of 100 yards Championships, and several other valuable trophies have been promised. Active steps have been taken to bring all schools into competition.

SANDGATE GORDONS

The Sandgate Gordons Swimming Club held their Annual Meeting last Wednesday and the following officers were elected - Hon Secretary, A.E.Walton; Handicapper and Starter, Mr S.E.Davis; Check Starter, Mr W.P.Stanley; Judges, Messrs H.Harden, W.Mohocent, N.Ebenston, Fred Carver and T.Rawson; Sub-

Committee Messrs W.Phillips, W.Holmes, L.B.Shaw and W.H.Lister; It was decided to affiliate with the Queensland Amateur Swimming Association and Messrs L.B.Shaw and A.E.Walton were appointed as delegates.

Four prizes have been provided for competition. First swim takes place in the Pier Baths on Saturday afternoon 17 October.

BIG BLOCK LADIES CLUB

The Big Block Ladies Club held their Annual Meeting on Thursday evening. Reports of the Secretary and Treasurer showed the Club to be in a good position. Miss M.Bothamley (Secretary) on behalf of the Club presented a handsome silver fountain pen to Mr Hector Moxley, and a similar token to Mr E.L.Moran in recognition of services rendered.

Election of officers - Patroness, Mrs Coakes; President, Mrs Kilroe; Vice Presidents, Mrs Mitchell, Misses Lynch, Clerg, Liddle and Hendy; Committee, Misses McKew, Welch, Wilson, Cameron, Noble, Finn, Hardy, Bythway, Sexton, Messrs E.Moran and H.Moxley; Hon Secretary, Miss N.Bothamley; Hon Treasurer, Miss Pierce; Hon Handicapper, Miss Pierce; Press Correspondent, Mr Moxley.

A vote of thanks was accorded Messrs Moxley, Mons and Grate for assistance accorded last season.

Observer and Evening Brisbane Courier Tuesday 6 October 1908

AMATEUR SWIMMING ASSOCIATION

The monthly meeting of the Queensland Amateur Swimming Association was held last night with Mr D.S.Carter presiding.

Correspondence included communications from St George Gordons, City, Kelvin Grove, Ipswich, Rockhampton Senior and Junior Swimming Clubs, affiliating with the Association. The Hon E.J.Stevens M.L.C., wrote expressing his pleasure in accepting the position of Patron, and enclosing a subscription of two guineas and wishing the Association greater prosperity in the future than in the past, and stating he would provide a "Courier" trophy for competition. The Hon J.W.Blair wrote accepting the position of Vice President and enclosed a donation of one guinea. The Mayor of South Brisbane, Messrs T.A.Bond, D.S.Carter and F.Springfield also accepted official positions. The East Brisbane A.S.C. wrote intimating the Club would not be reforming this season. A letter was received from the Victorian Ladies Amateur Swimming Association, stating that an Association under that title had been formed of the various Ladies Swimming Clubs with Lady Gibson-Carmichael as President, and intimating a desire to enter into a reciprocal agreement with Inter-State Associations. It was decided to forward the letter to the QLASA.

New South Wales Amateur Swimming Association wrote intimating that the next Australasian Swimming Championships would take place in Sydney January 16-23 in 1909. Consideration of a notice of motion by Mr G.Crawford "That the Australasian Championship Meetings should be held biennially" was deferred until the next meeting.

The following officers were elected for the ensuing twelve months - Chairman, Mr D.S.Carter (re-elected); Executive Committee, Messrs G.Crawford (North Brisbane), R.Burton (Rockhampton), W.H.Hinch (St George Gordon), W.P.Watts (Toowong) and R.H.Bunting (Spouth Brisbane); Starter, Mr E.Wetzel; Press Correspondent, Mr E.Wetzel; Local Consuls, Messrs J.Nunn (Rockhampton), D'Arcy Wentworth (Mt Morgan), A.J.Schaffer (Ipswich), W.Mitchell (Maryborough), and W.H.Wilson (Toowoomba). Mr V.C.Redwood M.L.A. was appointed a Vice President of the Association. A vote of thanks was accorded to Mr J.Cameron for his past services, and regret expressed at his inability to accept office.

It was decided to hold the annual carnival on November 21 and 25 and invite Beaurepaire, the Victorian champion, to compete. The Dry Dock would be used on the first day and the Booroodabin Baths on the second.

The Credit Balance as stated to be eleven pounds and threepence.

On the motion of Mr Wetzel, it was decided to communicate with the various Primary and Secondary Schools with a view to forming a Schools Swimming Association.

Clubs were reminded that affiliation fees were now due, and applications to hold State Championships should now be made.

NORTH BRISBANE CLUB

The Annual Meeting of the North Brisbane Club was held in McCann's Rooms on Wednesday evening. Mr D.A.Coffey was voted to the Chair.

The Annual Report and Balance Sheet were adopted and the following office bearers elected - President, Geo Staebell; Vice Presidents, Messrs H.R.Stack, C.W.Phillips, W.H.Hinch, J.H.Grice, D.S.Carter, W.Hugall, G.Woods and E.A.Wilcox; Captains - Senior, J.Pike, Junior, A.Dutton; Secretary, J.Carmody; Treasurer, W.Kuder; Committee, D.A.Coffey, P.McComby, W.H.Reardon, W.Cuthbertson and H.Henley; Handicappers, Messrs V.Harrower and W.Kuder.

It was decided to start the season next Wednesday.

S.O. Saturday 17 October 1908

ROCKHAMPTON CLUB

The first weekly swim of the Rockhampton Club took place on Thursday October 8, with a large attendance of ladies, officials of the Club, and other spectators. The Club has decided to put on a number of Backstroke races, and Mr J.Nunn has very generously donated a handsome trophy for the event. It is also the intention of the Club to foster long distance swimming, and Mr J.W.Nunn has again generously come forward with a prize of three pounds for a series of long distance races. It is our good fortune to have such a supporter as Mr Nunn on our committee, and it is mainly through his efforts that the Club is such a success this season.

VALLEY CLUB

The Annual General Meeting of the Valley Club took place last Wednesday at Webster's Cafe, Brunswick Street, with a splendid attendance of members and Ald T.Wilson presided.

The Annual report and Balance Sheet were read by the Secretary, E.Manning, and on the motion of Ald Wilson were unanimously adopted.

The prizes for last season were presented by Ald Wilson.

Election of office bearers resulted - Patron, Ald T.Wilson; President, D.S.Carter; Vice Presidents, Messrs R.Butterfield, E.F.Springfield, D.O'Connor, Hon T.C.Beirne, A.M.Hertzberg, A.Fraser, P.Frankel, Wyn Fowles, H.Whyte, J.Harrower, D.Bowman M.L.A., W.Sparks, P.McLachlan M.L.A., Hon F.McDonnell M.L.C., F.Watson and A.H.Pace; Hon Secretary, W.King; Hon Treasurer, E.Sparks; Press Correspondents, L.Collings, P.H.Carvosso and T.H.Crammond; Captain Seniors, F.W.Springfield; Vice Captain, R.Harrower; (The selection of Junior Captain was left over to the first swim) Delegates to QASA, D.S.Carter, W.S.King, W.Wilson and Joe Smith; Committee, T.Scott, T.Wilson, T.W.Haslett, T.Shields, D.Mellor, A.Howman and L.Collings; Handicappers R.Le Bas and J.Bulgin.

A considerable number of new members were enrolled.

At the conclusion of the meeting the Health of the Club was proposed by Ald Wilson and drunk with musical honours. It was regretted that the services of Mr Butterfield were not to be available this season. Mr Howman gave a brief account of his visit to the Olympic Games and of the five Mile Championship which was won by F.W.Springfield in England.

Members were reminded that the first swim will be held at the Booroodabin Baths next Wednesday.

S.O. Saturday 24 October 1908

Q.L.A.S.A.

A meeting of the Council of the QLASA was held last Thursday night in the Rugby Union Rooms which had been kindly placed at the disposal of the Association. Mrs Singer (Normal School) presided. A Euchre Party was to be arranged to raise funds, and the Secretary (Mrs Wiley) was to make

arrangements. Several handsome prizes had been donated, including trophies from Hardy Brothers and Mr Kruger, and donation from Mr W.L'Estrange.

Q.A.S.A.

A meeting of the representatives from the various schools has been convened for Monday next at the Carlton Club Hotel to form a Schools Union. Members of the Executive of the QASA are requested to attend.

The Victorian Association has granted Mr Beaurepaire permission to appear at both carnivals of the Association, on November 21 in the Dry Dock and on November 25 in the Booroodabin Baths. This should lend additional interest to an attractive programme.

S.O. Saturday 31 October 1908

Q.A.S.A.

Already ten schools have signified their intention of assisting the movement to form a Schools Union, and a further meeting has been convened to take place in the YMCA Rooms on Thursday evening November 12. Mr A.Griffiths of the Norman Park state School has been entrusted with the position of Hon Secretary pro tem, and should, with the assistance of the QASA Executive, decide on the launching of the Schools Union with success.

Mr Pearce, who represented Maryborough Granville Club last season, and who has been transferred to Barcaldine, reports the formation of a Club in that town with an enthusiastic membership. He has been appointed Secretary, and he anticipates the Club affiliating with the Association. Barcaldine boasts up-to-date baths.

Q.A.S.A.

The monthly meeting of the Association was held at the Carlton Club Hotel last Monday evening, when the following Clubs were represented - Toowong, City, Kelvin Grove, North Brisbane, St George, Valley, South Brisbane, YMCA, Rockhampton and Ipswich Centre.

In the unavoidable absence of the Chairman, Mr D.S.Carter, Mr F.Springfield (Vice President) occupied the Chair.

The following Clubs forwarded affiliation fees - YMCA, St George Gordon, Kelvin Grove, Valley, South Brisbane and Ipswich Centre.

Toowong and Valley Clubs applied for permission to hold State Championships, and the ballot resulted in the former being allotted the half and the latter the quarter mile.

Church Institute was granted affiliation.

Mr W.R.Wilson wrote declining the position of Consul for Toowoomba, and Mr C.Schwilk was elected in his stead. Mr W.H.Hinch accepted the position of Vice President.

The Humpybong Regatta Committee requested the Association to arrange Handicaps in connection with the regatta and voted three guineas for prizes. The distances were fixed at 60 and 100 yards and prize, first one guinea and second ten shillings and sixpence. Entrance fee one shilling. Entries close with the Secretary tonight, Saturday. Messrs W.P.Watts, D.J.O'Connell, D.S.Carter, A.H.Bunting, W.Kuder and E.Wetzel were elected to supervise the races.

It was decided not to proceed with the negotiations for the appearance of F.Beaurepaire at the Association's carnivals under the conditions demanded, as the expense would be too great. An endeavour to secure the services of Cecil Healy or Alick Wickham has also proved unsuccessful. However the programme is very attractive, and an additional interest will be created by the 100 and 880 yards test races to decide the State's representatives for the forthcoming Australasian Championships to be decided in Sydney in January next. A novelty event new to Brisbane will be included in the programme. Entries close with the Secretary at the Metropolitan Baths on November 14, and must be accompanied by the necessary fee in addition to the threepence levy for the Australasian

Championship Fund.

The South Australian Amateur Swimming Association which had hitherto been a professional body, has been granted "temporary provisional recognition" until the holding of the Australasian Conference.

QUEENSLAND SCHOOLS ASSOCIATION

The Queensland Schools Association was successfully launched at the YMCA Rooms on Thursday evening when the following schools were represented - Petrie Terrace, Boys Grammar, Ithaca, Nundah, Central, Kelvin Grove, South Brisbane, Leichhardt Street, Woolloongabba, Milton and Junction Park. Apologies were received from West End and Mt Gravatt who signified their intention of supporting what ever plans were decided on

Mr D.S.Carter occupied the Chair, and Mr E.Wetzel (Secretary QASA) was also present. It was unanimously decided to form the Association and eventually affiliate with the QASA. The following office bearers were elected - Patron, Hon A.H.Barlow M.L.C.; President, J.D.Storey (Under Secretary for Education); Vice Presidents, Mayors of North and South Brisbane, and the Head Teachers of the various schools represented; Hon Secretary, A.Griffiths; Hon Treasurer, G.E.Hocking; Hon Handicappers, E.Dunlop, J.Garsden and J.Collings.

It was decided to request the Head Teachers of the various schools to apply to the Department of Education to obtain the necessary time off for the teachers to instruct the scholars in the art of swimming. Several schools were anxious to participate in the QASA carnival in the Dock next Saturday. It was decided, at the suggestion of several representatives, to hold a scratch relay race, distance 100 yards, four competitors in each team, the competition to be open to all schools, competitors to be under the age of fifteen years, entrance free.

Mr D.S.Carter kindly consented to provide the prizes of four silver medals for the successful team.

The various baths proprietors are to be approached with a view to obtaining a special concession for the children who attend the baths. The meeting closed with a vote of thanks to the Chairman for his assistance in forming this new Association.

The officials appointed for the Association carnival are - Referee, Dr A.B.Brockway; Judges, D.S.Carter, T.A.Bond, B.Burton and M.Baldwin; Timekeepers, F.Nissen, J.H.Grice, F.J.Souter and A.Butterfield; Clerks of Course, R.H.Bunting and D.J.O'Connell; Press Steward, M.J.Hinch; Result Steward, W.Kuder; Costume Stewards, T.J.Donovan and W.H.Hinch; Starter, E.Wetzel; Check Starter, G.Crawford.

AMATEUR SWIMMING CARNIVAL FLYING SQUADRON CHAMPIONSHIPS AUSTRALIAN TEST EVENTS FOR "COURIER" TROPHIES

The Eleventh Annual Championships of the Queensland Amateur Swimming Association were conducted this afternoon at the Dry Dock, South Brisbane. A great number of enthusiasts were present but the threatening aspect of the weather prevented a larger attendance. The programme was of an interesting character including handicaps, team events, novelty races and 880 and 100 yards test races for Queensland selection. These events also carried "Courier" trophies presented by the Hon E.J.Stevens M.L.C.

In the absence of Dr Brockway, Mr J.Wilkins (Sydney) acted as Referee.

Those present included Messrs R.H.Roe and T.W.Commah. Apologies for absence were received from Hon W.Kidston (Premier), Ald Buchanan (Mayor of Brisbane), and Dr A.B.Brockway.

Scratch Race 100 yards - F.Cutcliffe (City) 1, C.Graham (Toowong) 2, A.R.Harrower (Toowong) 3. Time 62 1/5 secs. A spirited contest was won by a yard with a little more between second and third.

Test Race 880 yards - T.Wilson (Valley) 1, C.Graham (Toowong) 2, A.Paxton

(Valley) 3. Time 13 mins 28 secs. Paxton secured a slight lead in the first lap which he did in 1.18, Springfield, Graham, Harrower touching in this order with Pike last. On the third turn Paxton had increased his lead to about four lengths, his time on the turn being 4.10, with Graham, Wilson, Seymour, and Springfield in that order, Pike dropping out. Paxton covered five laps in 7.35 with Wilson, Graham, and Harrower following less than a length between each. Seventh lap saw a change, Wilson overhauling Paxton with Graham behind, and the finish saw them so placed with about three yards between first and second, and four yards between second and third.

Balloon Race - Competitors had to blow a toy balloon along the surface of the water to the finish line.

Schools Flying Squadron Championship 100 yards - Brisbane Grammar School 1, Normal School 2, Woolloongabba State School 3. There were twelve teams in the race each with four lads, so each had to swim 25 yards. Competitors had to be under the age of seventeen years (the bulk under the age of fifteen years). Protest was entered against the Grammar School team on the grounds that they were not all under that age. The matter has been satisfactorily settled and the protest withdrawn.

There was also a Diving competition and Handicap races.

KIERAN MEMORIAL HANDICAP

To commemorate the memory of the late B.B.Kieran, the QASA has decided to hold a 50 yards Inter-Club Handicap on December 22 in the Metropolitan Baths, and it is hoped that a record entry will be received. Every affiliated swimmer, both Senior and Junior, should enter for this event to show a tribute of respect for one of the most popular champions the world has ever known. The entrance fee has been fixed at one shilling. Two valuable trophies have been provided for the successful competitors.

The successful competitors in the QASA carnival can obtain their Open Orders at Mr D.S.Carter's Queen Street establishment.

F.W.Springfield is still in the Old Country and intends spending Christmas with his relatives in London, and has decided to leave there shortly after the New Year.

Delegate to the Australasian Conference

Mr R.M.Coins, Hon Secretary of the Victorian Amateur Swimming Association, has been selected to represent that State at the forthcoming Australasian Conference. The South and Western Australian Associations have also appointed their Secretaries as Delegates, and it would be a good move if Queensland also appointed its Secretary (as this State should also be well represented at this important gathering with one who is thoroughly in touch with swimming matters in this State), and in this respect Mr Wetzel naturally possesses the requisite knowledge.

CITY SWIMMING CLUB
AMATEUR CHAMPIONSHIP CARNIVAL

The City Amateur Swimming Club, the oldest organisation of its kind in Brisbane, conducted a championship carnival at the Dry Dock this afternoon. The fixture proved one of the most successful and enjoyable this year. The attendance was large including a considerable proportion of ladies. The weather was sufficiently warm to make proximity to the river a most desirable location.

The officials were - Dr A.B. Brockway, Referee; E. Wetzel, Starter; W. Kuder, Press Steward; F.G. Pickburn, Director; Hector Moxley, Hon Secretary.

The events included the 100 yards Championship for the "Courier" trophy presented by the Hon E.J. Stevens M.L.C., a Mark Moore Memorial Scratch Race of 60 yards, and a number of Inter-Club events. A capitally arranged programme illustrated with photographs of Club Champions and containing particulars of records was pleasing to see.

The visitors included Ald D.B. McCullough (Mayor of South Brisbane), Mr J. Ryall (Hon Secretary of the Firth of Forth, Scotland A.S.C.), Hon E.J. Stevens M.L.C., Mr E. Baynes and Miss Baynes, Mr T.A. Bond and Miss Bond, Miss M. Walsh (Hon Secretary) and members of the City Ladies Club and others.

A Bavarian Band rendered an enjoyable selection.

A sharp shower of rain fell at 4pm causing some discomfort, and at 5pm a further heavy fall took place, a most unfortunate circumstance for the large number of ladies present.

During the afternoon an aquatic farce was performed, the characters being taken by Messrs Matt Carroll, M. Ridgeway and D.M. Corrie.

The Club Championship went to D.M. Corrie, with F. Cutcliffe 2, and P. Loewe 3. Time 1 min 3 ²/₅ secs. A splendid race, the competitors swimming neck and neck to within a few yards of the finish, when Corrie forged slightly ahead and touched about half a yard ahead of Cutcliffe. He was only a few inches ahead of Loewe. The winner holds the title of 100 yards Champion of Queensland. Cutcliffe recently won the test race over the same distance for selection for representation for the next Australasian Championships.

SWIMMING NOTES - By H20
Q.A.S.A.

The City Club's carnival which took place in the Dock last Saturday was an unqualified success from every standpoint. The Toowong Club as usual won the majority of the Open events including the 60 yards Inter-Club Handicap, 60 yards Scratch races, Novelty and Diving events. The Valley Club won the Junior Inter-Club Handicap and South Brisbane the 200 yards Handicap. D.M. Corrie was successful in regaining the 100 yards Club Championship and C. Graham won the 60 yards memorial Scratch race. This promising young swimmer should develop into a champion with careful tuition and attention, and in all probability should secure the honour of being selected as a State representative at the forthcoming Australasian Championship Meeting.

The Toowoomba Grammar School has affiliated with the Association and should prove a great acquisition.

The final test races will be decided at the Metropolitan Baths next Tuesday and Wednesday evenings.

L. Dowzer, of Rockhampton, has decided to accompany the team to Sydney. F.W. Springfield, who represented Australasia in the Olympic Games and who won the Long Distance Championship of England on behalf of this State, left London by the "Orient" on Friday last. It is regretted that he will not arrive in Sydney in time to take part in the Australasian Championships on behalf of Queensland. A hearty reception will no doubt be accorded this popular young swimmer on his return to Brisbane. The swimming of D.M. Corrie, of the City Club, at that Club's Christmas Gift swim in the Metropolitan baths was excellent. He covered the 100 yards in his heat in 1.2 ¹/₅ and later in the

final put up 1.1 1/5 in full costume. With further experience which can be gained by meeting the Australian cracks, Corrie will rank among the best.

SCHOOLS ASSOCIATION

The Schools Association which was successfully launched through the energy of the Hon Secretary of the QASA has developed into a live institution. The Hon Secretary, Mr A.Griffiths, has reported receiving great assistance in ensuring the success of this body. Various schools have been holding weekly swims, and keen competitions are the result.

It is anticipated that the various Clubs affiliated with the QASA will cater for the schools when holding carnivals. The schools of other State have been productive of Australasian and State champions such as F.C.V.Lane, L.Murray, H.Hardwick, C.N.Smith and others, and the performances of some of the lads in recent carnivals in Brisbane were most encouraging. The newly formed Association will be pleased to receive the hearty co-operation and assistance of the various Clubs of the QASA.

A Message from Springfield

The Hon Secretary of the QASA has received the following postcard from F.W. Springfield -

"We have booked our passage by "Orient" leaving here on December 11. According to the papers we will have to miss the Australasian Championships. I hope Queensland will find good representatives this year who will keep our end up. I defeated Graham, Champion of Northumberland, at Newcastle on October 31 in a 440 yards scratch race. I wish our representatives every success in the Championships."

KIERAN MEMORIAL HANDICAP

This event to commemorate the memory of the late B.B.Kieran, World Champion who died three years ago, was decided at the Metropolitan Baths last Tuesday evening in the presence of a fair attendance of spectators. Some fine performances were registered as a result of the hon Handicapper's efforts. It is regretted that a large number of entries was not received for so important an event especially after the efforts of the Association Secretary to obtain a record entry. Of the 46 entries received, several Clubs were not represented. Nine heats were decided, and after the semi-finals, there remained in the final W.V.Mosley (Valley), O.Pugh (Toowong), B.Borgesson (City), and E.R.Sewell (Church Institute), who finished in the order named. It was a splendid race, a yard would have covered the whole of the competitors at the finish.

Q.A.S.A. NOTES

It was unanimously decided to select C.Graham of the Toowong Club as the sole representative. His performances rank him as a coming champion and he is still a comparatively inexperienced swimmer, but with a little tuition before the Championships take place he should worthily uphold the honour of the State. His performances in the test races were - second to Cutcliffe in the 100 yards, second to T.Wilson in the 880 yards, first in the 220 yards, and second in the 440 yards to A.R.Harrower.

The following members will accompany the team - J.A.Lamont, T.Trenfield,

F.E.Duncalf (Toowong), J.Pike, W.Kuder, D.Harrower (North Brisbane), A.M.Taylor (Darling Downs), G.Alley, L.Dowzer (Rockhampton), and G.Hollingsworth will represent the State in the 220 yards Breaststroke. The team will leave by train on January 12, and any other members of the Association who intend making the trip are requested to inform the Secretary at once so as the necessary arrangements can be made. The Association wishes to thank the Railway for the special concession.

EXCELSIOR LADIES CLUB CARNIVAL

A Gift Carnival presented by the Excelsior Ladies Club was held in the South Brisbane Baths on Tuesday evening before a large and enthusiastic audience in which the fair sex predominated. The baths had been nicely decorated with Chinese lanterns, flags etc, by the Caretaker (Mr Blake), the decorations having been kindly lent by the South Brisbane Municipal Council. The arrangements, which were conducted by a committee, were admirably carried out. A string band enlivened the evening's proceedings, and the Secretary, Miss Loneragan, is to be congratulated on the work done by her.
Q.L.A.S.A.

A meeting of the Council of the QLASA was held on Thursday evening at the Rugby Union Rooms with Mrs D.S.Reid presiding. It was announced that the Association's carnival would be held on February 20 in the Booroodabin Baths when a team from Rockhampton and Toowoomba would compete. The Secretary stated that New South Wales had invited Brisbane representatives to visit that State on February 25 and remain until March 8 to compete in a carnival. All the Clubs are busy raising funds to send the swimmers south.

The Toowoomba carnival was a great success, the Brisbane girls carrying off most of the prizes.

Sydney Morning Herald 18 January 1909

SWIMMING CARNIVAL - AUSTRALASIAN CHAMPIONSHIPS
EXTRAORDINARY ENTHUSIASM
HEALY WINS THE 100 YARDS - BEAUREPAIRE THE HALF MILE

Possibly public interest in a swimming carnival in Sydney was never more strikingly demonstrated on Saturday when the first of a series of carnivals to decide who are the champions of Australasia was held at the City Baths in Woolloomooloo Bay. Huge and commodious as these baths are, thousands had to view the racing and displays standing or holding on to any vantage point that was offered, even to sitting on the boundary fence with a fifteen foot drop into deep water on one side. It was a good humoured crowd however, and was willing to put up with the discomfort as long as it had the opportunity of seeing what Australian swimmers of the first rank would do.

It would have been difficult indeed to have collected a more representative group of champions than those who waited for the pistol in events second to none in importance in the amateur swimming world. As a competitive sport, their watery battles, the cheers and exhortations which emanated from the seven thousand spectators, swept away the fast growing illusion that swimming was a decadent sport.

Officials well versed in the conduct of swimming carnivals carried out their duties in a highly efficient manner, and so far as racing and displays were concerned, the programme was put through smoothly and satisfactorily. The only matter at which the public had reason to be dissatisfied was with regard to the arrangements for admission. Through the single entrance surged a dense mass of both sexes struggling to enter, as at intervals two policemen, who were perspiring with their strenuous efforts to keep the public back, raised a shutter sufficiently high to allow the foremost of the crowd to dive through. This operation lasted for a considerable time and was a cause of many people turning away. There is need of a much better method of admitting the public.

A feature of the carnival was the excellent exhibition of diving. This is an art to which swimmers have at last applied themselves with great success. The question of superiority claimed for divers in any other part of the world is a debatable one. From a tower, the highest platform of which was at least sixty feet, A.G.Humphries led the display. Every variety of dive, including some which required great courage and judgement, was performed with pleasant poise and grace. The public clearly appreciated the entertainment. Life Saving methods illustrated by a squad from the training ship "Sobraon", and several items of a humorous character gave relief to racing and displays.

THE RACING

New South Wales was well represented in the 100 yards Australasian Championship with Cecil Healy, H.Hardwick and A.Wickham, while for Queensland and Victoria, C.Graham and T.W.Mason respectively.

Very few had any doubts about the State's chances in the 100 yards event in regard to the local sprinters capabilities. Beaurepaire's nonappearance was subject to some remarks expressive of disappointment, the fact being quickly forgotten at the sound of the pistol. As the shot rang out, Mason was seen to have lost in the start, so the race for him was practically over at an early stage. A terrific sprint saw the four others travel level at thirty yards, the H.Hardwick drew out of the bunch amidst a perfect tumult of cheers, but a cry of "Healy" was shortly after substituted for "Hardwick" as that speedy champion was seen not only to diminish the gap, but to obtain a lead. He led to the half distance when Hardwick again drew up a bit. Healy gradually gained and won by two and a half yards. Wickham had, in the meantime, given Hardwick a great go, and they touched almost level. The Queensland representative was one and a half yards behind Wickham. Healy's time was 58 1/2 seconds. He won the Australasian Championship in 1907 in 57 seconds.

The excitement was very intense for the Half Mile Championship. The contestants were F.Beaurepaire, J.Gunn, and T.W.Mason for Victoria, R.Garland, H.Hardwick and A.D.Hill for New South Wales, C.Graham for Queensland, and H.Eaton for South Australia. Graham retired at 330 yards feeling unwell. When

the 660 yards had been completed the Victorian champion was fully thirty yards in the lead with Hardwick and Mason locked together second and third, Garland twenty yards back fourth, with Hill fifth. Beaurepaire went on to win in 11 minutes 36 3/5 seconds.

The officials were - Starter Mr A.W.Griffiths; Referee, Mr C.D.Jones; Judges Swimming Events, Messrs J.Chambers, R.M.Collins and W.H.Mitchell; Judges Diving Events, Messrs A.W.Griffiths, C.D.Jones and J.Chambers; Timekeepers, Messrs W.Kerr, L.Flegeltaub, T.C.Roberts and H.A.Westhoff; Standard Timekeeper, Mr G.H.Alderton; Press and Record Standard, Mr R.Cohen; Handicapper, Mr H.Smith; Carnival Committee, Messrs W.W.Hill, C.D.Jones, Cecil Healy and A.W.Griffiths; Hon Secretary, Mr A.C.W.Hill; Clerk of Course, Mr W.W.Hill.

SWIMMING CHAMPIONSHIPS - MILE EVENT BEAUREPAIRE'S EASY WIN

The Mile Australasian Championship was decided last night at the City Baths, and Beaurepaire, the Victorian champion, secured his second success by rather an easy win. Only six competitors lined up for the race. They were R.Garland New South Wales, C.Graham Queensland, J.Gunn, T.W.Mason and F.Beaurepaire Victoria, and H.Eaton South Australia. F.W.Springfield, the Queensland crack, was unfortunately absent, not having arrived back in Australia.

Beaurepaire was loudly cheered for his win, and the other competitors who each had made a plucky attempt came in for much applause. The Australasian champion covered the distance in 24 minutes 8 seconds. In 1905 the late B.B.Kieran put up the Australian record in 22 minutes 16 4/5 seconds. All competitors finished well within the standard time.

Results - F.Beaurepaire 1, R.Garland 2, T.W.Mason 3, C.Graham 4, H.Eaton 5.

Tonight the official representatives of the visiting Clubs will be the guests of the Rose Bay Club at the Tivoli Theatre.

SWIMMING CHAMPIONSHIPS

VICTORIA LEADING FOR THE KIERAN SHIELD BEAUREPAIRE WINS THE 220 YARDS

The second carnival in connection with the Australasian Championships was held last night at the City baths where, notwithstanding disagreeable weather conditions, there was an attendance of about seven hundred.

Beaurepaire, the Victorian, added to his laurels by winning the 220 yards event, and thus gained a big leg in for his State for the Kieran Memorial Shield, which is now held by Victoria. This Shield is awarded to the State whose representatives gain most wins in the Australasian Championships. Victoria now has three wins viz. the mile, half mile, and 220 yards, while New South Wales has secured only one, the 100 yards. There are two more events, the 440 yards and the 220 yards Breaststroke. In the event of New South Wales winning these, the tie will be decided on a count out on second placings.

The 220 yards was productive of one of the best races seen so far. New South Wales hopes were on Cecil Healy, while a section, scarcely less strong, pinned theirs on H.Hardwick, but the Victorian was too good for his opponents. The competitors were Cecil Healy (late holder), H Hardwicke and A.D.Hill, New South Wales, F.Beaurepaire, T.W.Mason and J.Gunn, Victoria, C Graham and R Harrower, Queensland and H Eaton South Australia.

The finish of the race moved the spectators to great enthusiasm, the last fifty yards being finished amidst a sustained burst of cheering. Placings were - Beaurepaire 1 (2 min 30 3/5 secs), C.Healy 2 (2 min 31 4/5 secs), Hardwick 3, and A.D.Hill 4.

There was a water polo match, New South Wales v. Rest of Australia which was won by New South Wales 4-0.

SWIMMING CHAMPIONSHIP CARNIVAL

The Swimming Championships were concluded on Saturday afternoon at the City Baths. There were again a large number of spectators. A previous report said 5000. The carnival had a peculiar interest attached to it in so far as it was the last chance of gaining the Kieran Memorial Shield for New South Wales. It was certainly a slim one, as in the four championships already decided, New South Wales swimmers have won in only one instance, while Victoria had appropriated the others. If the two more which had to be contested had fallen to New South Wales, this would have made Victoria and New South Wales equal. Had such a contingency as a count out on second places arisen, New South Wales had reasonable grounds for hope.

Thus considerable anxiety was felt as to the result of the first championship on Saturday, and it came somewhat as a relief when the Starter's pistol announced that the contest, 220 yards Breaststroke, had begun. When, however, Finlay of Western Australia proved the winner, local hopes were dashed. This did not prevent an outburst of applause, as a win by Western Australia was thoroughly popular.

The quarter mile event was decided subsequently. Beaurepaire was judged to be the likely winner, but there was the possibility that Healy, Hill or Hardwick might add another single leaf to the laurel won by the local contestants. Beaurepaire did win however, and confirmed the opinion that although he was not the equal of Kieran, he was in a class by himself in distances over the 100 yards sprint. Hardwick showed best for the home team, and there is an increasing groundswell of opinion that in him will be found the upholder of local prestige. All admired Cecil Healy's plucky attempt at the race. He swam magnificently from pistol crack to home touch. The same could also be said for Hill. It is a pity that Springfield who has recently arrived was not in sufficient form to be able to do battle for the northern State.

Unfortunately, neither Queensland nor South Australia were represented among the winners. Victoria retained the Shield, being successful in four out of the six championships viz. 220, 440, 880 and one mile, all of which fell to Beaurepaire. Cecil Healy won the 100 yards, and Finlay of Western Australia won the 220 yards Breaststroke.

The Sydney Mail of Wednesday 20 January 1909 had a two page photographic coverage of the early championships, showing photos of individual swimmers, three divers from the high tower, a general view of the baths showing the large Saturday crowd, the start of the 100 yards championship, (T.W.Mason, A.Wickham, H.Hardwick, C.Graham, C.Healy), start of the 880 yards (T.W.Mason, H.Hardwick, A.Eaton, J.Gunn, C.Graham, J.Garland, A.D.Hill and F.Beaurepaire), outing at National Park (people in boats - "The intercolonial representatives and many prominent Sydney swimmers took part in an enjoyable picnic"), Queensland representatives (E.Memgel, A.R.Harrower, W.Kuder, A.Taylor, L.Dowzer, A.Duncliffe, L.Lamont, T.Trenfield, C.Graham, E.Wetzel (Manager), G.Hollingsworth, D.Riding, J.Pike, H.Sunderland, and H.Pike), Life Saving Drill, Divers - "Flight from the Roman Rings" and "Monte Cristo Act" (tied in a bag from a height of 60 feet), and musical life buoys competition.

AUSTRALASIAN CONFERENCE

At a Conference of delegates from the various Australasian Swimming Associations held at the Sports Club, Mr James Taylor (Chairman of the New South Wales Swimming Association) and Mr A.C.W.Hill (Hon Secretary of the New South Wales Swimming Association) were elected Chairman and Secretary respectively. Delegates were present from New South Wales, Queensland, Victoria, West Australia and South Australia.

The Secretary reported he had received a cablegram from New Zealand, stating that the Dominion would not be represented, and it was decided to omit

New Zealand from the Agreement to be formed, and in the event of that Association applying later to join, it be treated as a new party to the Agreement. The recognition of the South Australian Association was confirmed, and it was resolved to draw up a fresh Agreement between the parties at the Conference, to extend over three years.

The location of the Championships was decided as follows - During the season 1909-10 a series of six championships would be held in Victoria, in season 1910-11 and season 1911-12 two more championships will be added to the list. During the season 1910-11 New South Wales and Queensland will each hold four championships, and during the season 1911-12 West Australia and South Australia will each hold four championships. In the case of New South Wales and Queensland, a period of twenty one days must cover two carnivals, and in the case of West Australia and South Australia, a period of twenty eight days.

The championships to be added were fixed at 1230 yards and 100 yards Breaststroke.

The penalty for non-representation a carnivals was fixed at ten pounds, to be paid to each of the Associations holding carnivals at which such non-representation occurs, but the West Australia Association is to be allowed the option of being not represented at the Meeting in Victoria.

The Standard Times for the various Australian Championships were altered, and now are as follows - 100 yards, 63 seconds; 22 yards, 2 minutes 40 seconds; 440 yards, 6 minutes; 880 yards, 13 minutes; 1320 yards, 20 minutes; 1760 yards, 27 minutes; 220 yards breaststroke, 3 minutes 25 seconds; 100 yards breaststroke, 1 minute 20 seconds.

The Championships are to be decided between December 1 and March 14 in each year.

The delegates then discussed, at the suggestion of the New South Wales delegates, the formation of an Australian Amateur Swimming Union, to govern records representation outside the Commonwealth, visits of representatives here, and to act as a Court of Appeal and control of matters of an Australasian nature, and it was agreed to recommend the formation of such an Association to the various State Associations, and the Hon Secretary and Chairman were appointed to draft a Constitution to submit to a future meeting.

LADIES CARNIVAL

At the Ladies Carnival on Saturday, the chief event was the Ladies 100 yards Breaststroke Championship of New South Wales which fell to Miss Fanny Durack who wrested the honours from Miss Mina Wylie, the holder of the Championship for the past two years.

The 100 yards Club Championship was won by Miss Mina Wylie who defeated the former champion, Miss Ella Roberts, in 1 minute 29 ³/₅ seconds.

The 220 yards Inter-Club Relay race fell to East Sydney which won from the Sydney team after an exciting contest.

SWIMMING CHAMPIONSHIPS - QUEENSLAND TEAM IN SYDNEY

Mr E.Wetzel, who is acting as manager of the Queensland team says, "The team arrived safely after a tedious journey and were met by several members of the New South Wales Association. We are quartered at the Cliff House Hotel, Bondi, which is an ideal spot handy to the Bondi Baths which are under the able supervision of Mr Jack Hellings who has been giving the boys some useful hints. The Queenslanders have been training assiduously, and they have improved as has been shown by their performances in the carnival on Saturday. Harry Sunderland won the 100 yards Handicap off 21 seconds. He won his heat in 1.17, the Semi-final in 1.16, and the final in 1.14 ²/₅. J.Pike also won his heat and semi-final, and was second in the final off 17 seconds. The prizes were respectively

two pounds and one pound. R.Harrower and A.M.Taylor were successful in their heats. C.Graham swam excellently well in the 100 yards Championship, and after having a bad course between Hardwick and Healy, he gained fourth place in 1.0 1/5 which is better than any of his previous performances.

A fair programme of entertainment has been provided, but the representatives are the only invited guests. The Sports Club has been put at our disposal for use during our stay.

C.Graham and R.Harrower are eligible to start in the Half Mile Handicap to be decided on Wednesday evening next having gained places in their respective heats, but I do not fancy either of their chances. We should win the Brace Handicap with Trenfield and Pike on Wednesday night.

Comment in H2O's column of Sports Observer of 6 February 09 also -

In the second carnival Pike was re-handicapped and brought back eight seconds for swimming second, while the other Queensland competitors were re-handicapped for winning their heats only, and being defeated in the semi-finals. At the last carnival, H.Sunderland, for winning by a touch, was brought back thirteen seconds, and Pike nine seconds. Dowzer, Riding, Alley and Hollingsworth who were not placed in heats, were all left on the same marks, thus showing the inconsistency of the handicapping.

Entertainments were offered to State selected representatives, but Bondi Club were the exception, as on 24th a picnic was arranged by that body for all the visitors, and a most enjoyable day was spent. The thanks of the visitors are due to Mr Jack Hellings, and Mr Smith of the Skating Rink for their efforts to entertain. Taking into consideration that a profit of two hundred and fifty pounds was the result of the Meeting, it was fully expected that the programme of entertainments would have been more attractive and extended to all the visitors.

The team had a most enjoyable time and spoke highly of the treatment by individual members of the Association, mainly by those of the Bondi Club.

CHAMPION SWIMMER RETURN OF F.W.SPRINGFIELD

Mr F.W.Springfield, Queensland Champion swimmer, who represented Queensland in a number of important swimming contests in England and Germany, returned to Brisbane today by the Orient liner "Orient".

The unassuming young man, Springfield, is very popular in Brisbane and it is recorded that in England he was one of the most popular of the Australian athletes who went Home last year to uphold the credit of the Commonwealth. Springfield is also a young man of grit and determination as was shown by the many difficulties he overcame in starting off from Australia, and he was welcomed at Pinkenba by his father and a number of friends.

In the course of an interview with an "Observer" representative, Springfield said his tour had been a most interesting one and not devoid of hard work. In company with a number of others he was engaged in the Queensland section of the Franco-British Exhibition, and while the show was in full swing the working beats were from 8am to 3.30pm each day, but afterwards the work eased off considerably. Springfield went Home as an amateur and in all his races competed only for trophies. His engagement at the Exhibition brought him in sufficient to defray his personal expenses. His two Uncles, Mr Lincoln Springfield of the staff of the "London Opinion" and Mr George Springfield of the "Financial Times" looked after him very well. He said that if it had not been for his two Uncles, he would not have had much of a time in England.

Springfield said he started off well in Germany where he won the 100m, 200m and 600m swimming contests. The races took place at the Hamburg Club's annual regatta and visiting swimmers were well received. The 200m race was a Championship race in which he beat M.Holmny, the Hungarian Champion. The next race he entered was in England on the Thames at Surbiton on June 27 which he won easily, after which came the Five Mile Championship of England which he won easily beating Radnolovic the holder of the Championship and a Welsh man by about 300 yards.

In the swimming events in the Olympic Games, Springfield was unsuccessful, and he said his non-success was attributable to a cold he caught at Brighton. He was not himself the whole of the time the Games were in progress, and could not strike form.

In company with Beaurepaire, the Victorian champion, he toured Scotland, the arrangements being for Beaurepaire to start in all the races up to the quarter mile, and Springfield in races over the quarter mile. They started in ten races each, Springfield winning eight and Beaurepaire nine. In Scotland the water was rather too chilly for the young Queenslander, though he explained that most of the races were held in baths and the water heated. At Saltcoates and Helensborough the water was down to 54 and 56 degrees respectively.

On return from Scotland in August, Springfield and Beaurepaire broke their journey at Morcoombe where the Queenslander entered a long distance competition against time. He remained in for an hour and a half when he was forced to give up owing to the coldness of the water. When he gave up he was ten or fifteen minutes ahead of the other competitors, and the officials were so pleased with his exhibition they gave him a special prize.

On his return to London Springfield started in a couple of small races. There were not many good swimmers in London. He again crossed over to Germany, and in October won the 400m Championship in Berlin, accounting for Roush, the champion long distance swimmer of Germany. A week later he won the 400m race in Hamburg, beating Scheille, the sprint champion of the Fatherland. On October 30 the young champion appeared again in England and competed in Newcastle-on-Tyne where he defeated Graham for the Quarter Mile Championship. He said the officials of the German Clubs treated him very well and paid his expenses from England.

On arrival in Sydney last Wednesday, Springfield was accorded a splendid reception. He did not enter any swimming events in the southern capital as he was out of form, not having had a swim since last November. Another athlete who arrived on the "Orient" was Swain, the amateur mile champion of Queensland who was unsuccessful in the Olympic Games.

WELCOME HOME F.W.SPRINGFIELD

Members of the Valley Ladies Amateur Swimming Club and the Valley Amateur Swimming Club combined in a social gathering and dance in the Trinity School Hall last evening, arranged as a welcome home to Mr Frank Springfield, Queensland's champion swimmer, and his trainer, F.Herbert, who have just returned from Great Britain and the Continent.

The Edition of 15/2/09 recorded a "welcome home" also by the Association held at the Carlton Club Hotel, with the Mayor of Brisbane, Alderman Wilson, in the Chair.

SWIMMING NOTES - by H20

At the conclusion of the Australasian Championships, the Queensland team, under the managership of E.Wetzel, returned on Thursday last after competing in the City Club's carnival on Wednesday last at Toowoomba. The successes were as follows - First in Relay Team race (which consisted of C.Graham, A.R.Harrower, J.Pike and H.Sunderland), C.Graham second in the 440 yards Handicap, A.R.Harrower second in the 75 yards Handicap.

SCHOOLS ASSOCIATION

A meeting of the Schools Association was held in the YMCA Rooms on Thursday night. Mr J.H.Garsden occupied the Chair, and the following also attended - Messrs Black, Callaghan, Farmer, Carroll, Lendrum, Morris and M.Johnston (Head Teacher of Kangaroo Point Boys). Mr D.S.Carter and Mr E.Wetzel of the QASA were also present and rendered valuable assistance.

It was decided to apply to the Department of Public Instruction to have one hour of the school week set aside where Swimming Clubs are conducted, for the purpose of instructing children in the art of swimming. A sub-committee consisting of Messrs Hocking, Callaghan and the Secretary was appointed to draw up the Rules of the Association, Mr E.Wetzel kindly assisting.

SWIMMING - Q.L.A.S.A. CARNIVAL

The Queensland Ladies Amateur Swimming Association held a very successful carnival this afternoon in the Booroodabin Baths. There was a very large attendance and great interest was manifest in the various events by the enthusiasts. A number of competitors from Rockhampton and Toowoomba were present. The officials were as follows - Referee, Mrs D.E.Reid; Clerk of Course, Miss Lade; Judges, Mrs Hall and Misses Copas, Ryan and Fell; Judges of Diving, Mrs J.S.Wiley and Miss McCallum; Starter, Miss Littleboy; Check Starter, Miss Thompson; Timekeepers, Misses Butterfield, Stewart and Fell; Dressing Room Stewards, Mrs Kitchen and Grose; Press Steward, Miss Petermann; Results Official, Miss Singer; Costume Stewards Mrs Cottell and Shackel; Secretaries, Miss J.S.Wiley and Elderslie.

Events - Fancy Dress Parade, 30 yards Public School Handicap, 30 yards Junior Championship of Queensland (won by Miss G. Sta te, Rockhampton, with M.Dixon, Toowoomba second. Time 22 seconds), 60 yards Senior Championship of Queensland (Miss M.Grant, Valley 1, M.Springfield, Valley 2, I.Thompson, Valley 3. Time 43 2/5 seconds.), 30 yards B Grade Junior, 60 yards B Grade Senior, Championship Team of Queensland (the Valley Team, Misses M.Grant, M.Springfield, J.Thompson, M.Clarke, D.Coomber and S.Haslet), 30 yards Junior Handicap, Fancy Diving, 60 yards A Grade for Seniors, and 40 yards Back and Breast.

Q.A.S.A

A Special Meeting of the Council of the QASA will be held in the Carlton Club Hotel on Monday night to consider the new Australian Agreement and the Rules of the newly formed Australian Swimming Union.

A number of carnivals will take place this month. Toowong will commence the list on March 4 and will include the 440 yards State Championship; Rockhampton March 13 and 15, to include the 220 yards State Championship; City Club March 23 to include several Club Championships and a Matt Carroll Memorial Handicap; a Schools Association on March 27 to include a 66 yards QASA Handicap. All affiliated swimmers should enter for this latter event and thus assist the newly formed Association.

The Ipswich Centre report great progress in that City and keen competition are the result of the weekly relay handicaps in which local Handicapper and Consul (Mr A.J.Schaffer) has the ability of the various competitors nicely summed up.

The Rockhampton Club have excelled themselves this season reflecting credit on the energetic committee. A special attraction for their carnival next month will be the popular furlong champion of New South Wales, Harold Hardwick, who performed so well at the late Australasian Championships.

The Toowoomba Clubs have done yeoman service this season eclipsing all previous records.

TOOWONG SWIMMING GALA

The Toowong Swimming Gala, to be held in the Booroodabin Baths next Thursday at 8pm, promises to be one of the most successful on record. The highlight of the programme is undoubtedly the 440 yards Championship of Queensland in which A.R.Harrower (the new half mile champion), F.W.Springfield (Recently returned from a tour of England, Scotland, Germany and France), C.Graham (Queensland representative in Sydney in the Kieran Shield competitions), and others, will meet. It is expected that this will be one of the most interesting races on record

Miss Jo Liddle will make her appearance in the 150 yards Ladies Handicap.

The 100 yards Toowong Championship should result in a good race over the "derby" distance between A.R.Harrower, C.Graham, O.Pugh, Carr and others.

Other events such as the Schoolboys Race, Junior and Senior Inter- Club Handicaps, Junior Championship, Novelty and Diving events make up an interesting and entertaining programme.

A MEETING OF THE SCHOOLS ASSOCIATION

In regard to the Association's application to the Department of Public Instruction for the necessary time off from school duty to allow the teachers to instruct the children in the art of swimming, the following reply has been received - " The Minister would prefer that each school should make application for the leave that may be necessary each week to enable the pupils to get instruction in the art of swimming."

From this reply the fact the Department is entirely in sympathy with the movement can readily be seen. All that now remains is for each sympathetic Head Teacher to make the required application. No doubt the request will be granted.

RECENT LADIES CARNIVALS IN SYDNEY

Mrs Wiley, Misses M.Grant, M.Springfield, L.Spottiswood, V.Littleboy, L.Annan, M.Dickson, E.Robinson, I.Thompson, L.Woolstein and E.Lang who visited Sydney in connection with the recent Championship Carnivals of the New South Wales Ladies Amateur Swimming Association returned to Brisbane during the week and speak highly of the hospitality extended to them during their visit, but disappointed with what they considered the unsportsmanlike treatment accorded to them in connection with the Championship carnivals.

It has been said on more than one occasion that Sydney amateur sportsmen never take a defeat kindly, and always have a stock of excuses ready in case the roles of victory do not come their way. In this instance, however, there was no necessity for excuses as the Queensland girls, it was alleged, were not given a chance. It is publicly stated in Sydney that the performances of the Queensland girls was disappointing, but apparently the reverse was the case. The girls complain that notwithstanding it was pointed out their best times for certain distances, which were sent for the guidance of the handicappers by the Queensland Ladies Association, represented freshwater swimming, the Queensland competitors, although winning their heats in a number of events, were in most cases disqualified because their Sydney performances were faster than the times they sent, for the only allowance they got, outside the limits provided by the

New South Wales Ladies Association Rules (3 secs in 50 yards, 5 secs in 100 yards) was 1/5 second. This, it is contended is ridiculous if it is intended to represent the difference between fresh and salt water swimming.

While the visitors were in Sydney a meeting of representatives of New South Wales, Queensland and Victorian Ladies Associations with Mrs Wylie and Miss Littleboy representing Queensland. It was decided to hold the Australasian Championships next year in Melbourne and the following year in Brisbane, the events to include 100 yards, 220 yards, and 150 yards teams championships, the last mentioned to be taken part in by teams of three from each State instead of six as at present.

Q.A.S.A.

VISIT TO ROCKHAMPTON

The Club's carnival was fairly successful, C.Graham winning the State's furlong Championship, while H.Hardwick annexed the 440 yards Handicap.

Mr George Alley, Rockhampton Secretary, later commented, "Our carnival has now passed, and owing to the rain it was only just a success financially. The swimming was of high order, and it is to be regretted that R.Harrower was unable to swim the 220 yards Championship owing to an accident to his head at the picnic at the river. It was pleasing to see the success of the visitors from Mt Morgan and Brisbane, and the expressions of praise from the southern visitors show that the friendly feeling already existing between Brisbane and Rockhampton Clubs is further cemented.

My Club regrets very much being unable to send a team to the City Carnival, as it was only the excellence of our show that made us come out on the right side after our bad luck in striking adverse weather."

The visitors have decided to appear at the newly formed Carlton Amateur Swimming Club's carnival at Mount Morgan, and it is hoped the officials at that city's Club carnival will adhere to their positions during the whole of the evening and restrict non-competitors from swimming in the baths between the various events. The Starter's duties are tedious enough without being hampered by such happenings.

The Check Starter will no doubt be stringent with competitors who attempt to leave the board before the starting time, as has of late been the case. Strictness will be necessary on this occasion as several attempts on records will be made.

SOUTH BRISBANE LADIES

The annual Inter-Club carnival was held last Wednesday and was successful. The races were evenly contested and the entries were large. The All Clothes race was very humorous, Miss D.Simmonds won easily. One of the girls had trouble with her hat, and some found their boots very heavy. The Club wishes to thank the Caretaker for his trouble with the decorations, and the officials and the ladies and gentlemen who gave trophies and donations towards the carnival funds.

PROSPECTS FOR THE SEASON

Several Clubs have already held their Annual Meetings and other will no doubt follow shortly. There is talk of three new Clubs, and one, it is understood, has been formed, the Vulture Street Baptist Ladies Club, which will probably appoint a press correspondent at once.

A meeting has been called for Wednesday evening next at the Sovereign Hotel, Elizabeth Street, in order to try to form a new Swimming Club in Brisbane. The Hon Secretary, pro tem, is Mr E.Watkins who was the late Secretary of the South Brisbane Amateur Swimming Club, and which was very successful during last season.

HOW TO DIVE

A book entitled "How to Dive Track and Fancy" by Eugene Schmidt, illustrated with numerous diagrams, has been received from Health & Strength Ltd, Burleigh Street, London. It has an excellent selection of exercises in diving, and in the preliminary chapter the author has given a number of pithy hints. His descriptions are clear and concise, rendering the book a valuable guide to all who wish to acquire this branch of natation.

Through this season also, the "Evening Observer" Saturday Sports edition continued to report the doings of the Clubs week by week in detail, usually under the banner of "Swimming" by H₇0, and occupied several columns, and at times with pictures of swimmers. Some reports were separate from this, and some appeared during the week in the "Observer and Evening Brisbane Courier".

CITY LADIES SWIMMING CLUB

The Annual Meeting of the City Ladies Swimming Club was held last night at the Cafe Eschenhagen. Mrs T.Gardiner, Mayoress of Windsor presided in the unavoidable absence of the President, Mrs A.Corrie. Others present included Mesdames Campbell and Burrell, Misses Hale, Brunnich, Nicholson, Fowler, Nicol, Walsh, Goode, E.Parish, Perry, Chalk, Kelly, Phillips, Shale and Lade.

The Annual Report and Balance Sheet which were very satisfactory were adopted. The following officers were elected for the ensuing year:- Patroness, Mrs E.H.Macartney; President, Mrs A.Corrie; Vice Presidents, Mesdames J.Leahy, A.Down, Patrick, Murphy, Petermann, T.Gardiner, M.Harris, H.Moxley, J.N.Davey, E.K.Tully and the wives of the City Aldermen; Secretary, Miss Walsh; Treasurer, Mrs Bennett; Committee, Mrs Burrell, Misses Cottell, Nicholson, Nicol, G.S.Hall, Lade, O.Perry and F.Brunnich; Captain, Miss V.Nicol; Vice Captain, Miss P.Brunnich; Handicapper, Mrs Burrell; Auditors, Misses Paul and Lade; Delegates to QLASA, Mrs Burrell and Miss Walsh.

The first swim was set for October 8 at the Metropolitan Baths.

VALLEY LADIES AMATEUR SWIMMING CLUB

The Annual Meeting of the Valley Ladies Amateur Swimming Club was held in Webster's Cafe last evening. The Mayoress, Mrs T. Wilson presided, and others present included Mesdames J.S.Wylie (Secretary of QLASA), G.Thompson, F.Springfield, R.Venning, J.Stone, and Searle, Misses V.Littleboy, T.Haslett, Thompson, R.Haslett, A.Butterfield, Thompson, Coomber, S.Brown, S.Springfield, P.White, M.Grant, D.Chapman, R.Gow, K.Davis, Scott, Tyler, E.O'Connor, A.Jamieson, F.Peters, N.Clarke, M.Walsh (City Club), Proe and E.Rowe.

It was decided that the fee would be two shillings and sixpence for Seniors and one shilling for Juniors. Swims will be on Monday nights at the Metropolitan Baths, Edward Street.

CITY CLUB

The City Club held their Annual Meeting last Monday in the Cafe Eschenhagen. There was a large attendance of members and Mr W.P.Watts was voted to the Chair.

The Annual Report and Balance Sheet, which were adopted, showed the Club had experienced a most successful season, there being seventy members. The Club contributed four pounds ten shillings and sixpence to the Special Fund of the QASA. The value of prizes presented by the Club during the season was forty two pounds and sixpence, and the prizes won by members at other Clubs' carnivals totalled seven pounds fifteen shillings and sixpence. During the season the Club lost an ardent supporter, the late Mat Carroll. Thanks were tendered to the Hon E.J.Stevens M.L.C., for his liberal support, office bearers, the Hon Secretary (Hector Moxley), and the press, especially the "Sports Observer".

It was decided to commence the season on Tuesday October 5 at 8pm in the Metropolitan baths when a 50 yards Handicap will be contested for trophies - entrance free. The Captain, Vice Captain of Seniors and Juniors will be elected on that evening. The membership fee was fixed at two shillings and sixpence for Seniors and one shilling for Juniors. VALLEY CLUB

The Twelfth Annual Meeting of the Valley Club was held last Wednesday night in Webster's Cafe, Valley. There was a large attendance of enthusiastic members and many junior members. The President of the Club, Mr D.S.Carter, occupied the Chair.

The Annual Report and Balance Sheet were adopted. Mr D.S.Carter, A.Butterfield, A.Sparkes and F.Springfield spoke about the progress of the Club which was stated to be the oldest in Queensland. A trophy was offered to the Club by Mr Butterfield for members who secured most Juniors for the Club, such Juniors, however, to be financial before Christmas. Mr F.W.Springfield presented the Club with the Certificate he had won for the Long Distance Championship of England - five miles and sixty yards. Mr Springfield was presented with a Certificate from Western Australia.

Long Distance Certificates were presented to the following members - S.Springfield and J.Jackson, 1 mile; F.W.Springfield, E.Springfield, B.Luke, T.Drewe Jnr, C.Holdsworth, T.Milligan and P.Scott, half mile; F.Wilson, J.Quinn, G.Owens, S.Coomber and L.Collings, 220 yards.

Ten new members were proposed, and intending members should communicate with the Secretary at the Booroodabin Baths. Mr O.Venning, late of the Neptune Diving Club, London, who has been appointed caretaker of the baths, would do all in his power to teach the members diving and swimming, and assist in sports. He suggested that a polo team should be formed.

The election of officers resulted as follows - Patron. The Mayor of Brisbane, Alderman T.Wilson; President, Mr D.S.Carter; Vice Presidents, Hon T.C.Beirne M.L.C., Messrs D.Bowman, A.Butterfield, F.Springfield, Wyn Fowles, H.C.Whyte, A.G.Littleboy, A.H.Pace, D.Frankel, T.O'Connor, W.P.Sparkes, D.A.McLachlan, M.Downes, F.Welsby, A.Sparkes and J.Scott; Captain, F.W.Springfield; Vice Captain, C.Holdsworth; General Committee, F.O.Venning, P.Scott, F.Herbert, L.Collings, and E.Springfield; Hon Secretary, Robert Le Bas; Treasurer, P.Sparkes; Handicapper, F.O.Venning; Auditor, Culham; Starter, A.Butterfield; Delegates to QASA, R.Le Bas, F.O.Venning, D.S.Carter and T.Wilson; Press Correspondent, Percy W.Hill.

The first swim will take place in the Booroodabin Baths on Wednesday October 6.

Q.A.S.A.

The first Council meeting of the Association will be held in the Carlton Club Hotel on Tuesday October 5.

The Hon Secretary of the Association is in receipt of a communication from Mr Sidney Ribbands of Hastings, Hawkes Bay, New Zealand. Mr Ribbands wishes to draw the Association's attention to the necessity for advantage of furthering the swimming community's interest in the fascinating art of graceful and fancy diving. Mr Ribband has forwarded a copy of the Diving Competition Rules which have been specially compiled at the request of the New South Wales Amateur Swimming Association and adopted by that body and also by Victoria. The communication will be placed before the Council at the next meeting.

ROCKHAMPTON CLUB

The Annual Meeting of the Rockhampton Club was held on the 16th instant. The Report and Balance Sheet, which were adopted, showed the Club had been very successful and had 133 financial members. The events of last season were reviewed and satisfaction expressed at the marked all-round improvement of the Juniors.

Thanks were extended to Mr F.W.De Little (Patron), Hon A.H.Parnell M.L.C. (President), J.W.Nunn (Local Consul), T.E.O'Reilly, P.Dallon, D.Wentworth (Vice Presidents), J.Ferguson, F.D.Thomson, Flavell's, Wolfe & Co, A.Sumner, H.W.Withers, Headrick & Co, McLaughlin & Co, J.W.Jones, A.C.Anderson, L.Pfitzenmaier, The "Courier", F.Roberts and R.Burton (Delegate to the Association) for assistance.

EXCELLSIOR LADIES CLUB

The Excelsior Ladies Club is making active preparations for the opening of the swimming season. At a Committee meeting at which there was a full attendance, it was decided to start operations on Tuesday evening, October 12, in the South Brisbane Baths. A syllabus of interesting events has been drawn up, and the Committee intends to arrange items that will sustain the interest of members throughout the season. A competent instructress will be appointed and special attention will be given to learners and novices.

Miss M. Smith has again been unanimously re-elected as Handicapper, Mrs M. Baldwin is Starter, and Miss L. Smith is Timekeeper. Miss M. Smith's re-election has given great satisfaction to the members.

A picnic the Nudgee Beach has been arranged for Saturday' afternoon November 20.

STATE SCHOOLS SWIMMING ASSOCIATION

The Annual meeting of the State Schools Swimming Association was held in the Y.M.C.A Building last night. There was a large attendance including Messrs Cunningham New Farm), Johnston (Kangaroo Point), Dempsey (Junction Park), Warren (Leichhardt Street) and Briggs (South Brisbane). Mr J.D. Story, President, occupied the Chair.

The Annual Report showed the Association had a very satisfactory year and a large number of children had been taught to swim.

It was determined to change the name of the Association to the State Schools Swimming Association, and confine the Association to children attending the State Schools only. It was found in the past when all the schools were admitted, the championships and prizes were carried off by boys attending the higher schools, and this was discouraging to the children attending the State Schools.

It was decided that an effort should be made to secure special concessions for school children in the way of prices for admission to the baths. Special concession was given at South Brisbane but it was stated that this did not exist at any other baths.

It was reported that more schools were joining the Association and there was every prospect of a very successful year. It was decided to work in conjunction with the Life Saving Association. It was resolved to draw up rules for the Association. Previously there were no rules, but in view of the fact matters were working well, it was considered necessary to have Rules.

The election of officers resulted - Patron, the Minister for Education; President, Mr J.D. Story; Vice Presidents, The Inspector General of Schools, the Mayors of North and South Brisbane, to Metropolitan Inspectors of Schools, and the Metropolitan Head Teachers; Chairman of Committee, Mr James Garsden; Secretary, Mr A. Griffiths,

ST GEORGE'S GORDON CLUB

S.O. Saturday 9 October 1909

KELVIN GROVE AMATEUR ATHLETIC CLUB

With a view of keeping in trim during the summer months, the members of the K.G.A.A.A.C. decided at a well-attended and enthusiastic meeting held in the Newmarket Hall (the Club's Headquarters) last Monday evening, to combine natation with the other branches of amateur athletics, and to affiliate with the QASA. Mr W.Kuder (Hon Sec of QASA), who occupied the Chair, briefly outlined the aims and objects of the Association and the benefits to be derived from the sport.

At the outset a good deal of discussion ensued about the choice of a name. Some members were in any way loath to alter the nomenclature; while others were of the opinion the name was unwieldy and might also cause confusion seeing there was already a Club in the district using the name "Kelvin Grove". The majority vote favoured the retention of the original name.

With one or two minor exceptions the officers governing the athletic body were deputed to act in a similar capacity for the Branch. Wednesday night was chosen for the weekly Club swim in the Arthur Street baths. Framing the Rules was left in the hands of the General Committee.

Q.A.S.A.

At a Council meeting held in the Carlton Club Hotel on Tuesday evening, Mr D.S.Carter was re-elected Chairman, Mr W.P.Watts Starter. Mr H.Moxley Assistant Starter, and Messrs B.Burton, H.Sunderland, W.H.Hinch, W.P.Watts and R.Bunting the Executive Committee.

Applications for affiliation were received from Oxley, Indooroopilly, Federal and Kelvin Grove Clubs, and were granted. Permission was granted to the City Club to hold a Mat. Carroll Memorial Race on November 30, and Valley Club to hold their annual carnival on December 6.

Information was received that two Clubs were already formed in Charters Towers, and every effort will be made to establish a Centre there shortly. With reference to the Australasian Agreement, it was decided that full consideration should be deferred to the next Council meeting, the Executive, in the meantime, to consider the proposed Rules of the Australasian Swimming Union and report at the next meeting.

A Motion proposed by Mr Moxley for the Association to hold carnivals every two months, at which the State Championships would be decided, was referred to each Club with a view to securing their opinion through their delegates at the next Council meeting. The following have accepted positions in the Association and have forwarded donations - Messrs J.W.Blair (President), D.S.Carter and F.Springfield (Vice Presidents).

TOOWONG CLUB

The Sixth Annual Meeting of the Toowong Club was held in the Masonic Hall, Toowong, on Thursday evening. About sixty were present. Mr R.J.Cottell, who opened the meeting, expressed his regret at not being able to stay. Mr J.Hiron, President, was appointed to the Chair.

The Secretary read the Annual report and Balance Sheet. The former showed that the Club had had a most prosperous season, and that members had won every Queensland Championship decided last year. C.Graham had been selected as the sole Queensland representative at the Australasian Championships in Sydney.

The Club races had resulted as follows - Senior Points, C.Graham 63 First, W.Graham 62 Second, Lamont 53 Third; Junior Points, Vic Macartney 62 First, G.Honan 57 Second, E.R.Lahey 44 Third; Monthly Trophy (Senior), W.Graham, W.Carr, H.Wuiske, A.Carr and H.Sunderland; Monthly Trophy (Junior), W.Jones, S.Palmer, V.Macartney and H.E.Taylor; Open Events, C.Graham; Attendance, W.Graham, V.Macartney and V.Maceroth attended every swim; Senior 100 yards Club Championship, C.Graham 1, W.Graham 2, and O.Pugh 3; Junior 100 yards Club Championship, N.A.Lahey 1, G.Honan 2.

The thanks of the Club were tendered to the following for donating trophies etc - Hon E.J.Stevens M.L.C., Hon T.O'Sullivan, Messrs J.Hiron, R.J.Cottell, S.Davis, G.Hiron, P.Lahey, J.H.Grice, Tilger Brothers, F.W.Simmonds, W.J.Coakes, J.Boyle, W.Hedge, Duncalfe & Co, F.W.Nissen, H.F.Axon, J.T.Mee, Maurice Baldwin, Meadows & Becker, J.Ryan and the Press, especially the "Sports".

The Balance Sheet showed a profit of nine pounds eighteen shillings and ten pence. Fifteen pounds thirteen shillings was realised from the Club carnival on March 4, and a total of thirty pounds two shillings had been spent on prizes.

Election of officers resulted - Patron, Mr R.J.Cottell; President, Mr J.Hiron; Vice Presidents, Hon T.O'Sullivan, W.J.Coakes, S.Davis, J.Ryan, F.W.Simmonds, G.Hiron and W.Land; Hon secretary and Treasurer, Ern Morris; General Committee, F.E.Duncalfe, O.Gaul, W.Hodge, H.Sunderland, T.Bailes; Delegates to QASA, R.Carr, F.E.Duncalfe, H.Sunderland and T.Bailes; Auditors, J.Hiron and F.Davis; Hon Handicapper, Ian Morris; Captain, C.Graham, Vice Captain, H.Wuiske. The election of Junior Captain was deferred until the first swim which will be held at the Toowong Baths on October 28.

Already the Club has a good membership, and anyone wishing to join should communicate with the Hon Secretary, Mr Ern Morris, Fernberg Road, near the Paddington tram terminus. Subscription for Seniors two shillings and sixpence, for Juniors one shilling.

SOUTH BRISBANE CLUB

The Annual meeting was held in the South Brisbane Baths on Thursday evening with a good attendance of members. The Hon Secretary's report showing the Club had experienced a successful season, was adopted.

The Hon Secretary, Mr R.H.Bunting, has retired from the position, and a motion was carried thanking him for his past services.

Several members of the South Brisbane Football Club intend joining the Club, consequently it is expected the Club will have a large membership.

The following office bearers were elected for the ensuing season - Patron, Alderman D.B.McCullough; President, Mr W.Berry; Vice Presidents, Messrs J.Allen, T.W.Bouchard, J.D.O'Connor, J.Forbes, and W.H.Schofield, Captain T.Cloherly, Messrs H.Jordan, A.R.Spencer, J.Moore, W.R.Blake,

S.O. Saturday 23 October 1909

Q.A.S.A.

At the Executive meeting held last Friday evening it was decided to hold the Association carnival at the Booroodabin Baths on Wednesday November 24. It is expected that two State Championships will be decided at the carnival. The programme suggested will be placed before the next Council meeting on November 1.

The Executive have also decided to recommend to Council that the Australasian Agreement should be signed by the Association, and recommend for the present to stand out of the Australasian Swimming Union.

Several Clubs desire to inaugurate a water polo competition. All Clubs desirous of entering a team to compete for premiership honours are requested to inform the Association Secretary by next Council meeting.

TOOWONG SWIMMING BATHS

The Toowong Swimming Baths will be opened next Wednesday night, the 20th instant. They will be the headquarters of the Toowong, Oxley and Indooroopilly Swimming Clubs. A meeting of ladies will be held in the Masonic Hall on Monday night, 25th instant, at 8 o'clock, for the purpose of forming a Ladies Club in connection with the Baths.

Q.L.A.S.A.

A Council meeting of the Association was held in the Rugby Union Rooms last Thursday evening with Mrs Singer presiding.

The Secretary read correspondence from the Rockhampton Club forwarding affiliation fee. Miss May Clarke was appointed delegate for the Girton College Club. The Secretary has received ten shillings and sixpence from G.S.Hutton, ten shillings from Mr A.Burton, and a guinea each from J.J.Walker and D.B.McCullough.

The Council decided to hold a Euchre Party at the Cafe Eschenhagen on Thursday November 18. The Hon Secretary would like everyone to work to make this a success in order that a team may be sent south.

The reports of the weekly activities of the Clubs continued to be published in some detail. In this edition the following Clubs were noted

Federal, Vulture Street Baptist Ladies, Kelvin Grove AAC (Swimming Branch), Ladies Commercial, Excelsior Ladies, Kelvin Grove, Valley Ladies, South Brisbane Ladies, East Brisbane, City Ladies, Valley, Albert Street Methodist, City, St John's Ladies, Indooroopilly, Indooroopilly Ladies and Oxley Electorate Clubs.

Q.A.S.A.

The Humpybong Regatta is including three events for Association members on Monday November 15, to take place at Woody Point. The events are - 60 yards and 100 yards with prizes of thirty shillings, twelve shillings and sixpence and five shillings for each event, and a Novelty event with prize of ten shillings. Entries close with the Hon Secretary, c/- D.S.Carter, on Monday November 8.

The Gordon Club, Mt Morgan, have affiliated and elected Mr E.H.Pearson (Brisbane) as their delegate.

The Hon E.J.Stevens M.L.C. is donating a "Courier" trophy valued at three guineas for competition at the Association carnival next month. The first prize for the Inter-Club Handicap, a valuable gold medal valued at three guineas, has been presented by Mr F.W.Nissen. Donations of trophies have also been received from Messrs J Hendry Grice, T.A.Bond and M.J.Barry. The programme for the carnival will be drawn up by the Council next Monday evening.

Q.L.A.S.A.

A Council meeting was held in the Rugby Union Rooms last Thursday evening with Mrs D.S.Reid presiding.

City, Social Institute, Excelsior and Normal School Clubs forwarded affiliation fees. An Executive Committee was formed.

Mrs Reid promised the first ladies prize for the Euchre Party, and a well-wisher of the Association a first prize for gentlemen.

The Secretary read a letter from Victoria saying how anxious the Victorian Association was getting, and they intended to give the Queenslanders a real good time. A programme will be forwarded shortly.

Q.A.S.A.

A Council meeting was held in the Grand Central Hotel on Monday evening. The allotting of State Championships resulted: 100 yards Open and 60 yards Junior, Association carnival 24th instant: 1 Mile, Valley Club; 880 yards, Rockhampton Club: 440 yards, Toowong Club: 220 yards, Oxley Club.

Messrs O'Dwyer and A.J.Schaffer were appointed local Consuls for Rockhampton and Ipswich respectively. The Darling Downs Club (Toowoomba) ha affiliated with the Association.

It was decided to sign the Australasian Agreement and await further information before giving consent to the Australasian Swimming Union.

A motion that the Association should hold three carnivals during the season was defeated. Clubs will therefore have the opportunity to hold carnivals.

It was decided to institute a Water Polo League, and a meeting of one delegate from each Club will be held in the Booroodabin Baths on Wednesday 10th instant at 8pm.

Q.L.A.S.A.

A Council meeting was held in the Rugby Union Rooms last Thursday evening, Mrs D.S.Reid presiding. There were present, Mesdames, Campbell, Patterson, Baldwin, Wiley (Hon Sec), Misses Lade (Treas), Cottell, Welsh, Grose, Singer, Ryan, Copas, Robinson, Butterfield, Drewe, Clarke, Littleboy and Peters.

The Hon Secretary reported that she had collected a further thirty one shillings and sixpence, and ten shillings and sixpence had been received from Captain .J.Collin. Many more promises had come to hand.

It was decided it was not advisable to hold a carnival before Christmas.

The Euchre Party next Thursday evening promises to be a great success. Tickets have been selling well. There will also be a guessing competition for those who do not play euchre, and a prize will be given.

STATE SCHOOLS ASSOCIATION

A meeting of the State Schools Association was held in the Y.M.C.A. last Thursday evening. Mr J.Briggs occupied the Chair in the unavoidable absence of Mr J.D.Story (Under-Secretary). There were also present Messrs W.Thompson, C.H.Rich, W.H.Morrow, J.L.Callaghan, C.J.Carroll, Geo Martin, H.A.Robinson, J.S.Cunningham, J.Thomson, E.J.Dunlop, A.P.Blair and the Hon Secretary, Mr A.Griffiths. Messrs F.Bepi and J.H.Gordon sent apologies for non-attendance.

The question of affiliation with the QASA was fully discussed and it was decided not to affiliate at present. The Rules were amended and completed, and an affiliation fee of two shillings and sixpence was levied on all Clubs joining the Association. Through the efforts of Mr J.Johnston (Kangaroo Point), Mr J.Hendry Grice has kindly promised to donate a gold centred medal to each Club joining the Association. It is left to the Head Teachers discretion to dispose of the medal in the most suitable manner. Hope is expressed that this commendable action will be followed in a similar direction by other business men.

Hon H.W.Barnes (Minister for Public Instruction), Mr J.D.Story (Under-Secretary), A.S.Kennedy, J.H.Maynard, J.Johnston, G.Harrap, F.C.Bepi, J.Cunningham, Jas Weld, J.S.Shirley, D.S.Warren and J.S.Briggs have accepted office and have also donated, or promised to donate, toward the funds of the Association. Messrs J.Curd, G.Martin, J.Exley, J.Freeman, W.H.Halstead have also kindly accepted office.

POLO COMPETITION

At a meeting of Club representatives at the Booroodabin Baths last Wednesday evening it was decided to arrange a premiership competition for Water Polo Teams. Affiliation fees were fixed at five shillings per team, and entries for competition close next Wednesday evening when the committee appointed (Messrs F.O.Venning, H.Sunderland, W.Trevethan, H.Moxley and W.Watkins) will be held and fixtures for the season arranged.

Q.L.A.S.A.

The Euchre Party given by the Queensland Ladies Amateur Swimming Association was a great success. About 120 persons were present, and if it had not been for the wet evening, a great many more would have attended. Handsome prizes were donated, and the Association wishes to thank all who assisted, especially Mrs D.S.Reid (President) who donated two prizes.

Q.A.S.A.

The Association carnival will be held in the Booroodabin Baths next Wednesday evening. The officials have been appointed as follows - Referee, Mr T.A.Bond; Judges, G.Crawford, J.Hiron, D.S.Carter and F.W. Taylor; Timekeepers, F.W.Nissen, J.H.Grice, A.Butterfield and F.Springfield; Clerks of Course, R.H.Bnting and W.R.Balding; Costume Steward, H.E.Watkins; Press Steward, H.Sunderland; Cal Steward, E.Morris; Starter, W.P.Watts; Check Starter, H.Moxley.

Swimmers from Toowoomba and Ipswich will compete. The Water Polo match will be between South Brisbane and Valley B teams. Mr F.O.Venning and others will give an exhibition of Fancy Diving.

S.O. Saturday 27 November 1909

Q.L.A.S.A.

At the Council meeting (Mrs D.S.Reid presiding) the Secretary read a letter from Mt Morgan requesting affiliation. The Secretary stated she had written to other Clubs pointing out the necessity of affiliating with the QLASA, but no replies had come to hand so far.

Permission was granted to the Excelsior Club to hold their Christmas Carnival, and also to the Girls High School and Girton College (secondary schools) to hold a swim in the Metropolitan Baths.

The Secretary (Mrs J.S.Wiley) has received ten shillings and sixpence from Mr W.J.Collins, one guinea from E.Eschenhagen and T.A.Bond, and five shillings from W.Sepplet and Mr Fraser, and seven shillings from "a swimmer". It was decided to hold a Coin and Musical Evening on December 9 to raise more funds. Mrs Reid kindly placed the Women's Progressive Club's Rooms at the disposal of the Association for the evening.

Particulars of the Australasian Championship Meeting to be held in Melbourne in January next are now to hand. The 1 Mile Championship will be held in Ballarat, the other five championships in Melbourne. In addition there Water Polo contests and several Handicaps for which good trophies are offered. The selection of Queensland representatives has been left in the hands of the Executive. The Hon Secretary was appointed Manager of the team.

Arrangements are in progress to hold swimming events in connection with the next Henley-on-the-Brisbane in aid of the funds of the Brisbane Hospital.

At last Monday's Council meeting the City Club was granted permission to hold the B.B.Kieran Memorial Handicap, also two carnivals on February 14 and 16.

The Hon Treasurer's Report showed a Credit Balance of forty three pounds eight shillings and sixpence.

WORLD CHAMPION LADY SWIMMER

Miss Etta Mackay tells how she succeeded

"To what do I attribute my success as a swimmer?" repeated Miss Etta Mackay, the lady Champion Swimmer of the World in an interview in England the other day. "Well that is not a difficult question to answer, and, to put it briefly is just this - a strong constitution and untiring perseverance."

"My favourite style in swimming is a double screw trudgeon which I swim with greater ease than any other. This style I used exclusively on my recent long swim from Rothesay to Cowal. This is a distance of 4,050 yards which took 1 hour and 17 minutes."

(This is a small part of a lengthy article)

Q.L.A.S.A.

A special Executive meeting was held on Tuesday evening at the residence of the Secretary, Mrs J.S.Wiley, as some important matters had to be attended to without delay.

The principal business was to decide whether the Association should hold a carnival now or wait until after the return of the lady representatives from the south. It was decided to let the carnival stand over. The test races will take place in the Booroodabin Baths on Saturday January 22 and Tuesday January 25. The Rockhampton lady swimmers have been asked to send down three of their best girls. The contests should prove very exciting, as the three best swimmers will be sent to Melbourne.

The programme for the Inter-State carnival drawn up by the Victorian Ladies Association is a very fine one, and some good swimming ought to be seen. On February 12, 3pm, at Stubb's Baths, South Melbourne, 25 yards Handicap Girls Under 12 years, 50 yards handicap, 100 yards Championship of Australia, Breast and Back Race 25 yards each way, 150 yards Teams Championship of Australia (limited to one team of three from each State), Diving for Objects and a Life Saving Competition. On February 16 at 8pm at the City Baths, 66 yards Handicap. 100 yards Handicap, 220 yards Championship of Australia, Diving Competition, Life Saving Competition and Novelty race. Entries for all events close with the Hon Secretary, 117 Swanson Street, Melbourne, on Tuesday January 25. Only ladies will be admitted to the carnivals. Inter-State competitors may enter for all events free of charge.

SWIMMING CHAMPIONSHIPS

Owing to the large number of entries received for the 220 yards Championship of Queensland which will take place next Wednesday in the Booroodabin Baths, heats will be swum off next Monday evening at 8 o'clock in the Booroodabin Baths.

QUEENSLAND SWIMMING TEAM

The Hon Secretary of the Queensland Amateur Swimming Association, Mr W.Kuder, has received a notification from F.W.Springfield stating he will be unable to make the trip south as one of the Queensland representatives. C.Graham will therefore be the sole representative in the Australasian Championships. A number of swimmers intend making the trip and taking part in the Handicap events, and the following will leave Brisbane by the mail train tomorrow morning - C.Graham, W.Kuder, B.Cottrell, John and James Pike, B.Asprey, J.Carmichael, C.Clune, R.B.Le Bas, F.and J.Bulgin, F.Sewell, J.Ramsay and F.Lamont.

Q.L.A.S.A.

A meeting of the Council of the QLASA was held at Wiley's Studio on Monday evening with Mrs T.Gardiner presiding.

The Hon Secretary, Mrs J.S.Wiley, read a letter from Melbourne stating that the Victorian Association did not intend to accommodate the Queensland swimmers. It was therefore decided that the QLASA would provide for boarding the team. Officials were appointed for the test races at which only the Timekeepers and competitors will be allowed downstairs. Mrs J.S.Wiley was elected Manageress to take the team south.

The Secretary would welcome any further contribution to the fund to meet expenses for sending the team to Melbourne.

Long Distance Competitions were arranged for March.

OXLEY ELECTORATE CLUB

The Club held its first carnival in the Booroodabin Baths on Wednesday evening, and despite the unfavourable weather, it was a good financial success. The events proved very interesting, especially the 220 yards Championship of Queensland which was won by C.Graham by almost nine yards. The only Oxley team in the relay race put up a very creditable performance and had rather bad luck in not winning. A.S.Gaul was bumped twice, and on each occasion was retarded considerably.

SWIMMING CHAMPIONSHIPS - QUEENSLANDERS IN MELBOURNE

THE 100 YARDS and THE HALF MILE

(Melbourne January 29)

The first of the Australasian Swimming Championships were held today in the new St Kilda Baths in the presence of a very large and enthusiastic gathering. The 100 yards was a fine race, Healy's time being 58 seconds. The Queensland representative, C.Graham, swam splendidly and beat Hardwick for second place. The First prize was a gold medal and the Second a silver medal. Similar prizes were awarded for the Half Mile Championship of Australasia which was won by F.Beaurepaire from Mason and Wright.

Q.L.A.S.A.

As already noted in the "Observer" Misses M. Grant, M. Springfield and L. Thompson have been selected as the Queensland representatives to take part in the Australian Championships in Melbourne.

The Association limited entries in test races to girls who could swim the three distances 50, 100 and 220 yards. This was a very unwise thing to do, for maybe the girl who is particularly fast in the sprint races could thus be debarred from taking part. The Council of the Association also made a departure in averaging the girl's times over the three distances in order to make a selection. As matters turned out, only six girls competed, and the three chosen by this new method of selecting championships representatives were, as luck had it, the fastest over the three distances. The aim of the Association apparently has been to have a team, all the members of which could swim in all championships, but it is a principle which could prove disastrous if followed in the future. Who ever heard of a 100 yards sprint champion being forced to run over a mile and being given to understand that his times in 100, 220, 440 yards and a mile would be added together and divided by four? And if someone else had a better average, the fastest man in the State over 100 yards would be rejected?

It is possible the Association did not consult its Advisory Board, and if such is the case it is to be regretted, for it was presumably not elected for ornament, and would surely have set the Association straight if it had been consulted. To put it mildly, the QLASA was exceedingly unwise to deal with matters with which, apparently, it does not understand anything.

There has been some talk of asking the team to travel second class to Melbourne, but it is to be hoped that nothing more will be heard of this. The team should certainly travel first class, particularly as the Association has enough money already in hand.

CITY CLUB CHAMPIONSHIPS AND WATER SPORTS

The City Club will hold their Annual Championships and Water Sports in the South Brisbane Baths, Stanley Street, on Monday February 14 and Wednesday February 16. A first class orchestra will render music and the Baths will be brilliantly illuminated. Toowoomba, Ipswich and Rockhampton are sending down representatives. An effort is being made to get Cecil Healy of Sydney to take part.

STATE SCHOOLS ASSOCIATION

A meeting of the State Schools Association was held in the Y.M.C.A. Rooms on Thursday. The schools represented were Fortitude Valley (J. Callaghan, Chairman), Woolloongabba, New Farm, South Brisbane, Donellan, Toowong, Newmarket, and Leichhardt Street. The Hon Secretary, Mr A. Griffiths, was also present.

It was decided that the second annual carnival should be held in the South Brisbane Baths on March 19. The following programme was arranged - 60 yards Inter-Club Handicap, Beginners race 20 yards (confined to boys taught to swim after October 1, 1909), Life Saving Display, 100 yards Queensland State Schoolboys Championship, Neatest Header, 33 yards Championship for boys under 11 years, 33 yards Egg & Spoon Race, 133 yards Relay Championship, 33 yards Handicap Under 13 years, 133 yards Relay Race Under 13 years, All Clothes Race 33 yards (coat, shirt and trousers to be worn over swimming costume). Entry fee for the Championships was fixed at sixpence, for all other races threepence each. On payment of one shilling a boy may enter every event on the programme, provided conditions are carried out. It is to be hoped teachers

will explain each race to the children and get record entries. All competitors will be admitted free to the baths. A ticket will be given free to each child selling six.

SWIMMING CHAMPIONSHIPS
WEDNESDAY NIGHT'S CARNIVAL - FURTHER DETAILS
(Melbourne February 3)

2000 people packed into the Melbourne Baths last night when the Inter-State Swimming Carnivals were continued.

In the principal event, the 220 yards Championship of Australia, the competitors had been reduced to four, decided by two heats earlier in the day, in the first of which Beaurepaire (Vic) won from Mason (Vic), Moon (S.Aust), Graham (Qld) and Wright (NSW) in 2 min 36 $\frac{3}{5}$ secs. The second heat was taken up by Healy (NSW) from Hardwick (NSW), Green (Vic) Eaton (S.Aust) and Barry (NSW) in 2 min 38 $\frac{2}{5}$ secs.

When the time for the Championship arrived, everyone was on tip toe with expectation to see Healy and Beaurepaire fight out what was to be the crucial test in these championship races, but it was not to be, for it was announced that Healy's medical adviser had strongly advised him not to do any more racing before Saturday.

The actual race for the 220 yards Championship is easily described. In the first two laps Beaurepaire was content to look on and see just how much Hardwick had in hand from Graham. After 66 yards was done with, Hardwick was clear of Beaurepaire by about a length and Graham about the same distance off. It was in the third lap that the Victorian began to settle down to it in earnest with only the least perceptible quickening of his delightfully smooth trudgeon action, but at the next turn he was level with Hardwick. Both men disappeared for the next lap together, but when they came to the surface, Beaurepaire had gained quite a length and a half in turning, and try as Hardwick might, from that point out, he could make no impression on Beaurepaire, who, creeping away bit by bit, finished six lengths ahead of Hardwick who swam throughout with the greatest determination. Graham was four lengths behind Hardwick.

When it was announced that Kieran's World Record, 2 min 28 $\frac{2}{5}$ secs had been equalled for the distance, there was frantic cheering. The points for the Kieran Memorial Shield are now as follows
Victoria, 3 Firsts, 1 Second and 1 Third
New South Wales, 1 First, 2 Seconds, and 2 Thirds
Queensland, 1 Second, and 1 Third
South Australia, Nil

W.W.Duffy (NSW) won the President's Handicap of 66 yards with J.Pike (Qld) second.

AUSTRALIAN AMATEUR SWIMMING CHAMPIONSHIPS
PERFORMANCES OF THE QUEENSLANDERS

(From the "Sports" Special Representative, Melbourne February 5)

The final carnival of the Inter-State Amateur Swimming Championships took place in the Fitzroy Municipal Baths this afternoon.

The 400 yards Australian Championship resulted in a win for Frank Beaurepiare (Vic), with H.Hardwick (NSW) second and T.W.Mason (Vic) third. C.Graham (Qld) was fifth. The time was 5 minutes 36 $\frac{1}{5}$ seconds.

The 220 yards Australian Breast Stroke Championship was won by Richardson with Finney second and Ruston third. The time was 3 minutes 16 seconds. Sewell swam second but was disqualified.

Pike and Graham (Qld) won the Inter-State Relay Handicap.

OPENING OF A SCHOOL POOL

The first swimming pool opened in conjunction with a Queensland State School was opened under the happiest auspices by the Minister for Public Instruction, Hon W.H.Barnes, at Junction Park this afternoon. The Minister was accompanied by Mrs Barnes, Mr J.D.Story (Under-Secretary), R.H.Roe (Inspector General), and Inspector and Mrs Bierley. Seated also on the dais were Mr J.J.Dempsey (Head Master of the School) and Mrs Dempsey and members of the Committee.

After a dainty afternoon tea was served an inspection of the pool was made by the Minister and Party and a number of speeches were delivered. The pool is 43 feet long and 16 feet wide with depth varying from 30 inches to 50 inches when full. It is a concrete structure which has been faithfully built by Messrs Wells & Bennett of Woolloongabba. The cost was one hundred and seventy five pounds. There are shower baths, convenient dressing rooms and sanitary conveniences. Waste water will be used to irrigate the extensive garden plots which are to be laid down in the girls' playground, and for thoroughly flushing the school drains.

The S.O. carried two pictures of the pool in edition of 12/2/10

Q.A.S.A.

The representative team of swimmers returned from Melbourne last Saturday. They all speak in glowing terms of the treatment received at the hands of the Victorian officials. The champion, Frank Beaurepaire, was in splendid form accounting for four of the Championships and winning the Kieran Memorial Shield for his State. C.Graham's success in securing second place in the 100 yards Championship was very popular. All the members were impressed with the excellent bathing facilities in Melbourne, and look forward to Brisbane following in this direction in the near future.

Ballarat was also visited. The Bath there is an excellent one and the carnival a great success. C.Graham was successful in gaining second place in the Golden City Handicap.

An invitation was issued from the lately formed Warwick Amateur Swimming Club to compete at their initial carnival, and in this the visitors were successful in winning all the Open events on the programme, C.Graham accounting for the two handicaps, J.Pike for the Balloon Race, and B.Asprey the Greasy Pole event. With such enthusiasts as Chas Campbell, Matt Colclough and S.Morris (Hon Sec), all formerly of Brisbane, the success of the new Club is assured.

Before returning to Brisbane the representative team participated in a carnival in Toowoomba with moderate success. C.Graham secured second place in the 100 yards Handicap, and T.Lamont secured the Neat Dive. The team is loud in their praise for the hospitable treatment received at the hands of the Downs boys, and wish their Club continued success.

During the week an application for affiliation was received from the Allora Amateur Swimming Club. They propose holding a carnival on the 23rd instant. All QASA members will wish them every success.

Members are reminded that the Hospital water Fete Committee have included events on their programme for QASA members. Entries close on March 2. The Toowong Club will hold their carnival in the Toowong Baths on Thursday March 10. The 440 yards Championship of Queensland will be one of the attractions.

WARWICK SWIMMING CLUB

The first carnival held under the auspices of the Warwick Amateur Swimming Club took place in the Corporation Baths on the 9th instant. The programme included Senior and Junior Races and Novelty events, and local interest was increased by some of the Queensland cracks competing. The Representative Team which was on its way back from Melbourne arrived in Warwick on the Sydney Mail train and were met at the station by the Mayor, Alderman Connolly, Messrs Chas Campbell, S.Morris (Secretary), M.Colclough and J.Colclough and driven to Allman's Hotel where the Mayor proposed the health of the visitors and welcomed them to the town. Mr Kuder, Manager of the team, responded.

The feature of the carnival was the swimming of the champion, Graham, who won the 100 yards and the 440 yards Senior Handicaps.

S.O. Saturday 26 February 1910

RETURN OF LADY SWIMMERS

Representatives of the Queensland Ladies Amateur Swimming Association, Misses M.Grant, M.Springfield and L.Thompson, who took part in the recent Inter-State Championship Carnival of the Victorian Ladies Amateur Swimming Association in Melbourne, returned to Brisbane by last night's mail train, accompanied by Mrs J.S.Wiley who event with the team as Manageress.

Mrs Wiley stated that the team had spent an enjoyable fortnight in Melbourne though their pleasure was marred to some extent by a regrettable incident which occurred just after their arrival. Before leaving Brisbane, Mrs Wiley said, she wrote to the Secretary of the Victorian Association asking her to engage rooms for the team, but on arrival it was considered the rooms engaged were unsuitable, and found they were not to be the sole occupants of them. They accordingly went elsewhere, and two days later, to her surprise, Mrs Wiley received a letter demanding payment of fourteen pounds for the rooms which had been engaged for them. This was followed two days later by a peremptory demand through a solicitor for payment of the money on the day the letter was received, and the visitors found themselves in a very awkward predicament. The matter was placed before the Victorian Association, but that Association said it had no funds and could do nothing. Fortunately before the matter went any further, the position of affairs came to the knowledge of a number of well-known Melbourne gentlemen, and between them they subscribed sufficient to satisfy the occupier of the house at which the team was to have stayed.

Referring to the carnival, Mrs Wiley stated that the 150 yards Team Championship Race and the 100 yards Championship were decided at Albert Park in the open sea which greatly handicapped the Queenslanders, though in the former they secured second place, and in the 100 yards Championship Miss Grant came fourth. In the 220 yards Championship in the City baths Miss Springfield came third.

Mrs Wiley stated that the New South Wales representatives were exceptionally fine swimmers, and she considers the Queenslanders acquitted themselves well to secure the positions they did.

They also attended another carnival at Brighton at which Miss Springfield won the 80 yards Open Handicap and the 50 yards Nomination Prize and a Novelty Event, while Miss Grant secured second place in the 50 yards Handicap.

Mrs Wiley said the programme of entertainment arranged by the Victorian Association for the visitors was very poor, and they were for the most part left to make their own enjoyment.

INTERESTING COMMENT ON A QUEENSLANDER

Mr J.Hamilton Dalrymple, son of Mr D.H.Dalrymple, who has been studying for some time at Pennsylvania University where he has recently completed a three year course in Dentistry with Honours, and later had other success both in Pennsylvania and Chicago, and is an old Valley boy, put up a most gratifying record in athletics. He won a number of prizes for swimming and diving, and in 1909 was champion diver and captain of the champion Inter-Collegiate swimming team, an unusual honour this - for an Australian and a

Valley Club boy - to achieve such a prestigious position in a country whose population exceeds eighty five million, and the Valley swimmers may well be proud of this distinction attained by their Club mate.

Q.L.A.S.A.

A Council meeting of the QLASA was held last Thursday evening at Wiley's Studio with Mrs D.S.Reid presiding.

A letter was read from Lady MacGregor accepting to position of Patroness to the Association.

The Townsville Club asked for particulars regarding affiliation. The South Brisbane Club applied for permission to hold a carnival on March 16, and the City Club made a similar application. Permission was granted to both. The Secretary, Mrs Wiley, gave a brief description of her trip to Melbourne, and the President decided to write a letter to the Victorian Association protesting the annoyance the Queensland team was subjected to. The Association expresses its thanks to all the gentlemen who gave so generously towards the expense of sending representatives to Victoria.

The Association will hold its carnival on Saturday evening March 19. Entries close with the Secretary on March 12.

Q.A.S.A.

The 440 yards State Championship will be decided in the Toowong Baths next Thursday evening. The 880 yards will take place in Rockhampton next Saturday evening. F.W.Springfield will be a competitor.

The Allora Club held a very successful carnival last Thursday and intends holding another in four weeks time.

S.O. Saturday 12 March 1910

Q.A.S.A.

By last night's mail train the following left for Rockhampton to take part in that Club's carnival tonight and on Monday evening, B.Asprey, F.W.Springfield, T.Higginson (Valley), V.Riding and A.R.Harrower (City), and J.Lamont (Toowong). It is probable that some of the party will visit Mt Morgan for a carnival which is being held next Saturday and Monday.

The 440 yards Championship was decided at the Toowong carnival last Thursday evening, and after a fine race the holder, C.Graham, was defeated by F.W.Springfield. The time was 5 min 45 $\frac{2}{5}$ secs. Frank Beaurepaire won the last Australian Championship in 5 min 36 $\frac{1}{5}$ secs.

STATE SCHOOLS ASSOCIATION

A meeting of the Committee was held in the Y.M.C.A. Building on Thursday. A prize list for the carnival was drawn up as follows - 100 yards Championship, First the "Courier" trophy valued at one guinea and Championship Sash, Second fifteen shillings and Third seven and six; 33 yards Championship, First the Nissen Cup value one guinea, Second ten shillings, Third five shillings; 133 yards Team Championship, First four trophies ten shillings each, Second four trophies of five shillings each; 133 yards Team Championship Under 13, First four trophies valued at seven and six each; 20 yards Beginners Race, First seven and six, Second a Book, Third a Book; 33 yards Egg & Spoon race, First seven and six, Second a Book, Third a Knife; 33 yards All Clothes Race, First a "Courier" trophy valued at ten and six, Second five shillings, and Third a Book.

In the All Clothes Race the boys must be dressed in their university costumes, and when ready for their respective heats must have their ordinary clothes near them. On the word "Go" the coat and trousers must be donned, then swim one length of the baths finishing fully dressed.

Mr Macmurray has been appointed a Timekeeper in place of Mr J.H.Garsden who has his Ipswich boys to attend to on the carnival day.

Any boy swimming in the water between events will be removed from the Baths. Children must be n readiness for their respective races or they will be prevented from starting.

Q.L.A.S.A.

A meeting of Council was held on Thursday evening at Wiley's Studio with Mrs Burrell presiding.

The Secretary read a letter from Lady MacGregor saying she would be very pleased to attend the Association carnival on the 19th. A team from Rockhampton will compete in •the carnival. The Secretary, Mrs Wiley, said she had collected twenty trophies for the carnival as a result of hard work.

STATE SCHOOL SWIMMERS - SECOND ANNUAL CARNIVAL

The Second Annual Carnival of the State Schools Amateur Swimming Association took place this afternoon in the South Brisbane Municipal Baths. The weather, so disastrous to the general run of sport, made no difference to this carnival of amphibious youngsters who had a jolly afternoon, and thoroughly enjoyed themselves contesting the fine programme of events submitted. There was not quite so much fun, perhaps, for the spectators who, for the greater part of the time had to take shelter under a small forrest of umbrellas. There was nevertheless a fair number present.

(Results were given in detail)

Q.L.A.S.A.

At a meeting of Council at Wiley's Studio (Mrs D.S.Reid presiding) the Treasurer's report showed the Association still had a good balance after all expenses (of the carnival) had been paid. All trophies were donated, which was a great saving. Discussion took place as to when the prizes should be presented but the matter was deferred to the next meeting.

All secretaries are reminded that the Long Distance Swims for Certificates will be held on Thursday evening April 7, and the following Tuesday April 12 in the South Brisbane Baths.

VALLEY CLUB

The Valley Club did not hold their weekly swim last Thursday because of the Association's water polo fixture in the Booroodabin Baths. The Club members are very jubilant about the success of the Valley B Team in winning the first Premiership of Queensland after a very hard struggle.

Master F.Venning gave a good exhibition of diving which was greatly admired by the spectators. This little lad of five summers carries out fancy and high dives in a fearless style. He will give a similar performance at the Club's breaking-up carnival.

COMMERCIAL CLUB

The following is a review of Commercial Club's doings during the season 1909-10.

The season started on November 1 in the Arthur Street baths. 22 weekly swims were held and all were well attended. The membership totalled 60 (financial), and members competed in all the Inter-Club carnivals and were very successful. At the QLASA carnival Miss V.Wollstein won the Neatest Header and Miss J.King (a junior member of the Club and a very promising swimmer) secured second place in the Junior Championship. The Club Championship of 50 yards was won by Miss M.King. The Club held its carnival on March 5 and it was a great success financially and otherwise. In the Long Distance swims the competitors were Misses V.Wollstein quarter and half mile and 220 yards Breast Stroke, M.Roughead.

The Committee wish to thank the following for trophies and donations during the season, Mesdames D.S.Reid, M.Wilcox, M.Henley, J.Toyne, Messrs R.Pugh, Black, W.Ede, J.Taylor, J.Bell, J.Mahon, J.Pike, F.O'Connor and a "Friend". A vote of thanks has been accorded to the "Sports Observer".

Q.L.A.S.A.

Mrs Gardiner presided at a Council meeting last Thursday at which it was decided to hold a river trip on Saturday afternoon April 30 when the prizes will be presented.

VALLEY LADIES

A very successful season just passed. The Club has handled about thirty pounds during the season and still has a good Credit Balance. 21 swims were held and there was an average attendance of 60 throughout the season. Two Club carnivals and one Inter-Club carnival were held and were all very successful. Members took part in all Inter-Club events held by other Clubs and were generally successful in securing trophies.

All the Junior members were successful in gaining a trophy during the season, and the little Junior, Elsie Venning, who is only eight years of age, was very successful and won eight or nine trophies. She could not swim at the beginning of the season but has made great progress and deserves great credit for her perseverance.

16 Long Distance Certificates were gained by members, 9 for the quarter mile, 1 for the half mile and 6 for the 220 yards Breast Stroke.

The Club wishes to thank all Vice Presidents, Patroness, President, and all the ladies who have taken such an enthusiastic interest in the Club during the season, also all who have donated trophies, and hope they will continue to take an interest next season.

VALLEY CLUB

The following is a review of the Valley Amateur Swimming Club for the past season 1909-1910, compiled by Percy W.Hill.

The Club started on its thirteenth season on October 6 1909 at the Booroodabin Baths with a membership of 60, and mainly through a new idea adopted by the Committee - teaching anyone who desired to learn natation - the Club's membership was greatly augmented, and at the close of the season there were 130 financial members on the roll. The season showed a marked improvement on the previous one both from a swimming and a social standpoint. The rivalry displayed at all times was very keen. This was most gratifying to the officials as they worked most assiduously to always further the members' interests.

27 weekly swims were held with an average attendance of 60. The Club's Monthly Trophy Race was competed for as in former seasons with every possible

success. Some of the members were instrumental in helping to revive Water Polo which has been dormant for many years. The Club placed two teams in the field and the B Team was successful in annexing the Premiership after several hard and closely contested games.

Four members journeyed to Melbourne to take part in the Australasian Championships, but unfortunately were only successful in winning Novelty Events. Other members competed in Adelaide in the Y.M.C.A. events with very good success. At the Rockhampton carnival, F.W.Springfield won the Half Mile Championship and was second in the Handicap event, and Bert Asprey won an event.

Long Distance Certificate races were held as usual, but on account of the lateness of the season there were only a few competitors. The, Senior Championship was won by T.Wilson.

The Committee tender their sincere thanks to the following who have worked very hard all the season to try and further the interests of the Club - Messrs A.Butterfield (who placed his rooms at the disposal of the Committee for meetings), F.Venning (lessee of the Baths), J.Bulgin and R.Le Bas (Hon Handicappers) P.W.Hill (Press Correspondent), and those who donated trophies and medals. Special thanks are due to the "Sports Observer".

SWIMMING NOTES
By H20
PROSPECTS FOR THE SEASON

Several Clubs have already held their Annual Meetings and other will no doubt follow shortly. There is talk of three new Clubs, and one, it is understood, has been formed, the Vulture Street Baptist Ladies Club, which will probably appoint a press correspondent at once.

A meeting has been called for Wednesday evening next at the Sovereign Hotel, Elizabeth Street, in order to try to form a new Swimming Club in Brisbane. The Hon Secretary, pro tem, is Mr E.Watkins who was the late Secretary of the South Brisbane Amateur Swimming Club, and which was very successful during last season.

HOW TO DIVE

A book entitled "How to Dive Track and Fancy" by Eugene Schmidt, illustrated with numerous diagrams, has been received from Health & Strength Ltd, Burleigh Street, London. It has an excellent selection of exercises in diving, and in the preliminary chapter the author has given a number of pithy hints. His descriptions are clear and concise, rendering the book a valuable guide to all who wish to acquire this branch of natation.

Through this season also, the "Evening Observer" Saturday Sports edition continued to report the doings of the Clubs week by week in detail, usually under the banner of "Swimming" by H₇0, and occupied several columns, and at times with pictures of swimmers. Some reports were separate from this, and some appeared during the week in the "Observer and Evening Brisbane Courier".

CITY LADIES SWIMMING CLUB

The Annual Meeting of the City Ladies Swimming Club was held last night at the Cafe Eschenhagen. Mrs T.Gardiner, Mayoress of Windsor presided in the unavoidable absence of the President, Mrs A.Corrie. Others present included Mesdames Campbell and Burrell, Misses Hale, Brunnich, Nicholson, Fowler, Nicol, Walsh, Goode, E.Parish, Perry, Chalk, Kelly, Phillips, Shale and Lade.

The Annual Report and Balance Sheet which were very satisfactory were adopted. The following officers were elected for the ensuing year:- Patroness, Mrs E.H.Macartney; President, Mrs A.Corrie; Vice Presidents, Mesdames J.Leahy, A.Down, Patrick, Murphy, Petermann, T.Gardiner, M.Harris, H.Moxley, J.N.Davey, E.K.Tully and the wives of the City Aldermen; Secretary, Miss Walsh; Treasurer, Mrs Bennett; Committee, Mrs Burrell, Misses Cottell, Nicholson, Nicol, G.S.Hall, Lade, O.Perry and F.Brunnich; Captain, Miss V.Nicol; Vice Captain, Miss P.Brunnich; Handicapper, Mrs Burrell; Auditors, Misses Paul and Lade; Delegates to QLASA, Mrs Burrell and Miss Walsh.

The first swim was set for October 8 at the Metropolitan Baths.

VALLEY LADIES AMATEUR SWIMMING CLUB

The Annual Meeting of the Valley Ladies Amateur Swimming Club was held in Webster's Cafe last evening. The Mayoress, Mrs T. VULTURE STREET BAPTIST LADIES CLUB

At a meeting of the ladies of the Vulture Street Baptist Church held in the Institute Room on Tuesday evening, it was unanimously decided to form a Club to be called the Vulture Street Baptist Ladies Swimming Club, and the names of thirty members were handed in.

Officers elected were - Patroness, Mrs W.Stephens; President, Mrs H.Baynes; Vice Presidents, Mesdames G.Hall, H.A.Jones, J.Phipps, Wilson, D.Webster, J.R.Costello, A.Oliver and Miss E.Stephens; Captain, Miss Bryan; Vice Captain, Miss R.G.Wilson, Treasurer, Miss Gladys Sneyd; Secretary Miss E.G.Hall; Committee, Secretary, Treasurer, Captain, Vice Captain and Miss Doris Noble.

SOUTH BRISBANE LADIES CLUB

The Annual Meeting was held at the South Brisbane Baths on Wednesday night. There was a good attendance including Mrs Austin (in the Chair), Mesdames Campbell, Hale, Patterson, Misses Jane Clark, Kitchen, S.Shackel, Campbell, Hedger, Hanson, S.Clark and Seaberg.

Election of officers resulted - President, Mrs Austin; Secretary, Miss Campbell; Treasurer, Miss I.Shackel; Auditor, Mr W.H.Austin; Press Correspondent, Miss N.Shackel; Handicapper, Miss A.Kitchen; Captain, Miss E.Kitchen. A large and influential Committee was also elected.

The Financial report for last season showed a Balance of three pounds twelve shillings and eleven pence, an increase most gratifying to the committee and evidence of the interest taken in the Club. For trophies twelve pounds eighteen shillings and threepence was expended, and in addition to which several prizes were donated by friends.

It is somewhat difficult to say what the membership is at present owing to the rolls being incomplete, many fresh members having stated their intention of joining. At the close of last season there were thirty eight financial members.

Committee meetings will be held on the last Wednesday of each month. The first swim will be held on Wednesday October 13.

THE FEDERAL CLUB

The adjourned meeting of the newly formed Federal Amateur Swimming Club will be held in the Sovereign Hotel, Elizabeth Street, next Monday. The Chair will be taken by Mr W.Kuder. The following officers were elected for the season - Patron, Hon D.B.Forrest; President, D.H.Macartney; Vice Presidents, Messrs F.W.Miller, J.C.Kenyon, Wyn Fowles, Parkinson, F.W.Nissen, J.H.Grice, H.Jordan, W.Briggs, D.Holland, W.Ede, E.Allan, Hansen, F.W.Bouchart, J.Badger and H.Axon; Hon Secretary and Treasurer, H.E.Watkins; Handicapper, M.Sparkes; Committee, Messrs H.Watkins, G.Manson, W.Sewell, Cummins (representing telegraph messengers) and H.Barton (representing Juniors); Delegates to QASA, Messrs G.Russell, H.Watkins, S.A.Rankin (representing Seniors) and W.Briggs (representing Juniors); Starter, H.E.Watkins.

It was decided that the fee would be two shillings and sixpence for Seniors and one shilling for Juniors. Swims will be on Monday nights at the Metropolitan Baths, Edward Street.

CITY CLUB

The City Club held their Annual Meeting last Monday in the Cafe Eschenhagen. There was a large attendance of members and Mr W.P.Watts was voted to the Chair.

The Annual Report and Balance Sheet, which were adopted, showed the Club had experienced a most successful season, there being seventy members. The Club contributed four pounds ten shillings and sixpence to the Special Fund of the QASA. The value of prizes presented by the Club during the season was forty two pounds and sixpence, and the prizes won by members at other Clubs' carnivals totalled seven pounds fifteen shillings and sixpence. During the season the Club lost an ardent supporter, the late Mat Carroll. Thanks were tendered to the Hon E.J.Stevens M.L.C., for his liberal support, office bearers, the Hon Secretary (Hector Moxley), and the press, especially the "Sports Observer".

It was decided to commence the season on Tuesday October 5 at 8pm in the Metropolitan baths when a 50 yards Handicap will be contested for trophies - entrance free. The Captain, Vice Captain of Seniors and Juniors will be elected on that evening. The membership fee was fixed at two shillings and sixpence for Seniors and one shilling for Juniors. Members may leave their subscriptions addressed to the Hon secretary with the manager of the baths.

A Committee meeting will be held next Tuesday in Webster's Cafe, next to the Australian Hotel, to draw up a programme for the season.

VALLEY CLUB

The Twelfth Annual Meeting of the Valley Club was held last Wednesday night in Webster's Cafe, Valley. There was a large attendance of enthusiastic members and many junior members. The President of the Club, Mr D.S.Carter, occupied the Chair,

The Annual Report and Balance Sheet were adopted. Mr D.S.Carter, A.Butterfield, A.Sparkes and F.Springfield spoke about the progress of the Club which was stated to be the oldest in Queensland. A trophy was offered to the Club by Mr Butterfield for members who secured most Juniors for the Club, such Juniors, however, to be financial before Christmas. Mr F.W.Springfield presented the Club with the Certificate he had won for the Long Distance Championship of England - five miles and sixty yards. Mr Springfield was presented with a Certificate from Western Australia.

Long Distance Certificates were presented to the following members - S.Springfield and J.Jackson, 1 mile; F.W.Springfield, E.Springfield, B.Luke, T.Drewe Jnr, C.Holdsworth, T.Milligan and P.Scott, half mile; F.Wilson, J.Quinn, G.Owens, S.Coomber and L.Collings, 220 yards.

Ten new members were proposed, and intending members should communicate with the Secretary at the Booroodabin Baths. Mr O.Venning, late of the Neptune Diving Club, London, who has been appointed caretaker of the baths, would do all in his power to teach the members diving and swimming, and assist in sports. He suggested that a polo team should be formed.

The election of officers resulted as follows - Patron. The Mayor of Brisbane, Alderman T.Wilson; President, Mr D.S.Carter; Vice Presidents, Hon T.C.Beirne M.L.C., Messrs D.Bowman, A.Butterfield, F.Springfield, Wyn Fowles, H.C.Whyte, A.G.Littleboy, A.H.Pace, D.Frankel, T.O'Connor, W.P.Sparkes, D.A.McLachlan, M.Downs, F.Welsby, A.Sparkes and J.Scott; Captain, F.W.Springfield; Vice Captain, C.Holdsworth; General Committee, F.O.Venning, P.Scott, F.Herbert, L.Collings, and E.Springfield; Hon Secretary, Robert Le Bas; Treasurer, P.Sparkes; Handicapper, F.O.Venning; Auditor, Culham; Starter, A.Butterfield; Delegates to QASA, R.Le Bas, F.O.Venning, D.S.Carter and T.Wilson; Press Correspondent, Percy W.Hill.

The first swim will take place in the Booroodabin Baths on Wednesday October 6.

Q.A.S.A.

The first Council meeting of the Association will be held in the Carlton Club Hotel on Tuesday October 5.

The Hon Secretary of the Association is in receipt of a communication from Mr Sidney Ribbands of Hastings, Hawkes Bay, New Zealand. Mr Ribbands wishes to draw the Association's attention to the necessity for advantage of furthering the swimming community's interest in the fascinating art of graceful and fancy diving. Mr Ribband has forwarded a copy of the Diving Competition Rules which have been specially compiled at the request of the New South Wales Amateur Swimming Association and adopted by that body and also by Victoria. The communication will be placed before the Council at the next meeting.

ROCKHAMPTON CLUB

The Annual Meeting of the Rockhampton Club was held on the 16th instant. The Report and Balance Sheet, which were adopted, showed the Club had been very successful and had 133 financial members. The events of last season were reviewed and satisfaction expressed at the marked all-round improvement of the Juniors.

EXCELLSIOR LADIES CLUB

The Excelsior Ladies Club is making active preparations for the opening of the swimming season. At a Committee meeting at which there was a full attendance, it was decided to start operations on Tuesday evening, October 12, in the South Brisbane Baths. A syllabus of interesting events has been drawn up, and the Committee intends to arrange items that will sustain the interest of members throughout the season. A competent instructress will be appointed and special attention will be given to learners and novices.

Miss M.Smith has again been unanimously re-elected as Handicapper, Mrs M.Baldwin is Starter, and Miss L.Smith is Timekeeper. Miss M.Smith's re-election has given great satisfaction to the members.

A picnic the Nudgee Beach has been arranged for Saturday' afternoon November 20.

STATE SCHOOLS SWIMMING ASSOCIATION

The Annual meeting of the State Schools Swimming Association was held in the Y.M.C.A Building last night. There was a large attendance including Messrs Cunningham New Farm), Johnston (Kangaroo Point), Dempsey (Junction Park), Warren (Leichhardt Street) and Briggs (South Brisbane). Mr J.D.Story, President, occupied the Chair.

The Annual Report showed the Association had a very satisfactory year and a large number of children had been taught to swim.

It was determined to change the name of the Association to the State Schools Swimming Association, and confine the Association to children attending the State Schools only. It was found in the past when all the schools were admitted, the championships and prizes were carried off by boys attending the higher schools, and this was discouraging to the children attending the State Schools.

It was decided that an effort should be made to secure special concessions for school children in the way of prices for admission to the baths. Special concession was given at South Brisbane but it was stated that this did not exist at any other baths.

It was reported that more schools were joining the Association and there was every prospect of a very successful year. It was decided to work in conjunction with the Life Saving Association. It was resolved to draw up rules for the Association. Previously there were no rules, but in view of the fact matters were working well, it was considered necessary to have Rules.

The election of officers resulted - Patron, the Minister for Education; President, Mr J.D.Story; Vice Presidents, The Inspector General of Schools, the Mayors of North and South Brisbane, to Metropolitan Inspectors of Schools, and the Metropolitan Head Teachers; Chairman of Committee, Mr James Garsden; Secretary, Mr A.Griffiths,

ST GEORGE'S GORDON CLUB

KELVIN GROVE AMATEUR ATHLETIC CLUB

With a view of keeping in trim during the summer months, the members of the K.G.A.A.A.C. decided at a well-attended and enthusiastic meeting held in the Newmarket Hall (the Club's Headquarters) last Monday evening, to combine natation with the other branches of amateur athletics, and to affiliate with the QASA. Mr W.Kuder (Hon Sec of QASA), who occupied the Chair, briefly outlined the aims and objects of the Association and the benefits to be derived from the sport.

At the outset a good deal of discussion ensued about the choice of a name. Some members were in any way loath to alter the nomenclature; while others were of the opinion the name was unwieldy and might also cause confusion seeing there was already a Club in the district using the name "Kelvin Grove". The majority vote favoured the retention of the original name.

With one or two minor exceptions the officers governing the athletic body were deputed to act in a similar capacity for the Branch. Wednesday night was chosen for the weekly Club swim in the Arthur Street baths. Framing the Rules was left in the hands of the General Committee.

Q.A.S.A.

At a Council meeting held in the Carlton Club Hotel on Tuesday evening, Mr D.S.Carter was re-elected Chairman, Mr W.P.Watts Starter. Mr H.Moxley Assistant Starter, and Messrs B.Burton, H.Sunderland, W.H.Hinch, W.P.Watts and R.Bunting the Executive Committee.

Applications for affiliation were received from Oxley, Indooroopilly, Federal and Kelvin Grove Clubs, and were granted. Permission was granted to the City Club to hold a Mat. Carroll Memorial Race on November 30, and Valley Club to hold their annual carnival on December 6.

Information was received that two Clubs were already formed in Charters Towers, and every effort will be made to establish a Centre there shortly. With reference to the Australasian Agreement, it was decided that full consideration should be deferred to the next Council meeting, the Executive, in the meantime, to consider the proposed Rules of the Australasian Swimming Union and report at the next meeting.

A Motion proposed by Mr Moxley for the Association to hold carnivals every two months, at which the State Championships would be decided, was referred to each Club with a view to securing their opinion through their delegates at the next Council meeting. The following have accepted positions in the Association and have forwarded donations - Messrs J.W.Blair (President), D.S.Carter and F.Springfield (Vice Presidents).

TOOWONG CLUB

The Sixth Annual Meeting of the Toowong Club was held in the Masonic Hall, Toowong, on Thursday evening. About sixty were present. Mr R.J.Cottell, who opened the meeting, expressed his regret at not being able to stay. Mr J.Hiron, President, was appointed to the Chair.

The Secretary read the Annual report and Balance Sheet. The former showed

that the Club had had a most prosperous season, and that members had won every Queensland Championship decided last year. C.Graham had been selected as the sole Queensland representative at the Australasian Championships in Sydney. The Club races had resulted as follows - Senior Points, C.Graham 63 First, W.Graham 62 Second, Lamont 53 Third; Junior Points, Vic Macartney 62 First, G.Honan 57 Second, E.R.Lahey 44 Third; Monthly Trophy (Senior), W.Graham, W.Carr, H.Wuiske, A.Carr and H.Sunderland; Monthly Trophy (Junior), W.Jones, S.Palmer, V.Macartney and H.E.Taylor; Open Events, C.Graham; Attendance, W.Graham, V.Macartney and V.Macenroth attended every swim; Senior 100 yards Club Championship, C.Graham 1, W.Graham 2, and O.Pugh 3; Junior 100 yards Club Championship, N.A.Lahey 1, G.Honan 2.

The thanks of the Club were tendered to the following for donating trophies etc - Hon E.J.Stevens M.L.C., Hon T.O'Sullivan, Messrs J.Hiron, R.J.Cottell, S.Davis, G.Hiron, P.Lahey, J.H.Grice, Tilger Brothers, F.W.Simmonds, W.J.Coakes, J.Boyle, W.Hedge, Duncalfe & Co, F.W.Nissen, H.F.Axon, J.T.Mee, Maurice Baldwin, Meadows & Becker, J.Ryan and the Press, especially the "Sports".

The Balance Sheet showed a profit of nine pounds eighteen shillings and ten pence. Fifteen pounds thirteen shillings was realised from the Club carnival on March 4, and a total of thirty pounds two shillings had been spent on prizes.

Election of officers resulted - Patron, Mr R.J.Cottell; President, Mr J.Hiron; Vice Presidents, Hon T.O'Sullivan, W.J.Coakes, S.Davis, J.Ryan, F.W.Simmonds, G.Hiron and W.Land; Hon secretary and Treasurer, Ern Morris; General Committee, F.E.Duncalfe, O.Gaul, W.Hodge, H.Sunderland, T.Bailes; Delegates to QASA, R.Carr, F.E.Duncalfe, H.Sunderland and T.Bailes; Auditors, J.Hiron and F.Davis; Hon Handicapper, Ian Morris; Captain, C.Graham, Vice Captain, H.Wuiske. The election of Junior Captain was deferred until the first swim which will be held at the Toowong Baths on October 28.

Already the Club has a good membership, and anyone wishing to join should communicate with the Hon Secretary, Mr Ern Morris, Fernberg Road, near the Paddington tram terminus. Subscription for Seniors two shillings and sixpence, for Juniors one shilling.

SOUTH BRISBANE CLUB

The Annual meeting was held in the South Brisbane Baths on Thursday evening with a good attendance of members. The Hon Secretary's report showing the Club had experienced a successful season, was adopted.

The Hon Secretary, Mr R.H.Bunting, has retired from the position, and a motion was carried thanking him for his past services.

Several members of the South Brisbane Football Club intend joining the Club, consequently it is expected the Club will have a large membership.

The following office bearers were elected for the ensuing season - Patron, Alderman D.B.McCullough; President, Mr W.Berry; Vice Presidents, Messrs J.Allen, T.W.Bouchard, J.D.O'Connor, J.Forbes, and W.H.Schofield, Captain T.Cloherly, Messrs H.Jordan, A.R.Spencer, J.Moore, W.R.Blake,

Q.A.S.A.

At the Executive meeting held last Friday evening it was decided to hold the Association carnival at the Booroodabin Baths on Wednesday November 24. It is expected that two State Championships will be decided at the carnival. The programme suggested will be placed before the next Council meeting on November 1.

The Executive have also decided to recommend to Council that the Australasian Agreement should be signed by the Association, and recommend for the present to stand out of the Australasian Swimming Union.

Several Clubs desire to inaugurate a water polo competition. All Clubs desirous of entering a team to compete for premiership honours are requested to inform the Association Secretary by next Council meeting.

TOOWONG SWIMMING BATHS

The Toowong Swimming Baths will be opened next Wednesday night, the 20th instant. They will be the headquarters of the Toowong, Oxley and Indooroopilly Swimming Clubs. A meeting of ladies will be held in the Masonic Hall on Monday night, 25th instant, at 8 o'clock, for the purpose of forming a Ladies Club in connection with the Baths.

Q.L.A.S.A.

A Council meeting of the Association was held in the Rugby Union Rooms last Thursday evening with Mrs Singer presiding.

The Secretary read correspondence from the Rockhampton Club forwarding affiliation fee. Miss May Clarke was appointed delegate for the Girton College Club. The Secretary has received ten shillings and sixpence from G.S.Hutton, ten shillings from Mr A.Burton, and a guinea each from J.J.Walker and D.B.McCullough.

The Council decided to hold a Euchre Party at the Cafe Eschenhagen on Thursday November 18. The Hon Secretary would like everyone to work to make this a success in order that a team may be sent south. The reports of the weekly activities of the Clubs continued to be published in some detail. In this edition the following Clubs were noted

Federal, Vulture Street Baptist Ladies, Kelvin Grove AAC (Swimming Branch), Ladies Commercial, Excelsior Ladies, Kelvin Grove, Valley Ladies, South Brisbane Ladies, East Brisbane, City Ladies, Valley, Albert Street Methodist, City, St John's Ladies, Indooroopilly, Indooroopilly Ladies and Oxley Electorate Clubs.

Q.A.S.A.

The Humpybong Regatta is including three events for Association members on Monday November 15, to take place at Woody Point. The events are - 60 yards and 100 yards with prizes of thirty shillings, twelve shillings and sixpence and five shillings for each event, and a Novelty event with prize of ten shillings. Entries close with the Hon Secretary, c/- D.S.Carter, on Monday November 8.

The Gordon Club, Mt Morgan, have affiliated and elected Mr E.H.Pearson (Brisbane) as their delegate.

The Hon E.J.Stevens M.L.C. is donating a "Courier" trophy valued at three guineas for competition at the Association carnival next month. The first prize for the Inter-Club Handicap, a valuable gold medal valued at three guineas, has been presented by Mr F.W.Nissen. Donations of trophies have also been received from Messrs J Hendry Grice, T.A.Bond and M.J.Barry. The programme for the carnival will be drawn up by the Council next Monday evening.

Q.L.A.S.A.

A Council meeting was held in the Rugby Union Rooms last Thursday evening with Mrs D.S.Reid presiding.

City, Social Institute, Excelsior and Normal School Clubs forwarded affiliation fees. An Executive Committee was formed.

Mrs Reid promised the first ladies prize for the Euchre Party, and a well-wisher of the Association a first prize for gentlemen.

The Secretary read a letter from Victoria saying how anxious the Victorian Association was getting, and they intended to give the Queenslanders a real good time. A programme will be forwarded shortly.

S.O. Saturday 6 November 1909

Q.A.S.A.

A Council meeting was held in the Grand Central Hotel on Monday evening. The allotting of State Championships resulted: 100 yards Open and 60 yards Junior, Association carnival 24th instant: 1 Mile, Valley Club; 880 yards, Rockhampton Club: 440 yards, Toowong Club: 220 yards, Oxley Club.

Messrs O'Dwyer and A.J.Schaffer were appointed local Consuls for Rockhampton and Ipswich respectively. The Darling Downs Club (Toowoomba) ha affiliated with the Association.

It was decided to sign the Australasian Agreement and await further information before giving consent to the Australasian Swimming Union.

A motion that the Association should hold three carnivals during the season was defeated. Clubs will therefore have the opportunity to hold carnivals.

It was decided to institute a Water Polo League, and a meeting of one delegate from each Club will be held in the Booroodabin Baths on Wednesday 10th instant at 8pm.

S.O. Saturday 13 November 1909

Q.L.A.S.A.

A Council meeting was held in the Rugby Union Rooms last Thursday evening, Mrs D.S.Reid presiding. There were present, Mesdames, Campbell, Patterson, Baldwin, Wiley (Hon Sec), Misses Lade (Treas), Cottell, Welsh, Grose, Singer, Ryan, Copas, Robinson, Butterfield, Drewe, Clarke, Littleboy and Peters.

The Hon Secretary reported that she had collected a further thirty one shillings and sixpence, and ten shillings and sixpence had been received from Captain .J.Collin. Many more promises had come to hand.

It was decided it was not advisable to hold a carnival before Christmas.

The Euchre Party next Thursday evening promises to be a great success. Tickets have been selling well. There will also be a guessing competition for those who do not play euchre, and a prize will be given.

STATE SCHOOLS ASSOCIATION

A meeting of the State Schools Association was held in the Y.M.C.A. last Thursday evening. Mr J.Briggs occupied the Chair in the unavoidable absence of Mr J.D.Story (Under-Secretary). There were also present Messrs W.Thompson, C.H.Rich, W.H.Morrow, J.L.Callaghan, C.J.Carroll, Geo Martin, H.A.Robinson, J.S.Cunningham, J.Thomson, E.J.Dunlop, A.P.Blair and the Hon Secretary, Mr A.Griffiths. Messrs F.Bepi and J.H.Gordon sent apologies for non-attendance.

The question of affiliation with the QASA was fully discussed and it was decided not to affiliate at present. The Rules were amended and completed, and an affiliation fee of two shillings and sixpence was levied on all Clubs joining the Association. Through the efforts of Mr J.Johnston (Kangaroo Point), Mr J.Hendry Grice has kindly promised to donate a gold centred medal to each Club joining the Association. It is left to the Head Teachers discretion to dispose of the medal in the most suitable manner. Hope is expressed that this commendable action will be followed in a similar direction by other business men.

Hon H.W.Barnes (Minister for Public Instruction), Mr J.D.Story (Under-Secretary), A.S.Kennedy, J.H.Maynard, J.Johnston, G.Harrap, F.C.Bepi, J.Cunningham, Jas Weld, J.S.Shirley, D.S.Warren and J.S.Briggs have accepted office and have also donated, or promised to donate, toward the funds of the Association. Messrs J.Curd, G.Martin, J.Exley, J.Freeman, W.H.Halstead have also kindly accepted office.

POLO COMPETITION

At a meeting of Club representatives at the Booroodabin Baths last Wednesday evening it was decided to arrange a premiership competition for Water Polo Teams. Affiliation fees were fixed at five shillings per team, and entries for competition close next Wednesday evening when the committee appointed (Messrs F.O.Venning, H.Sunderland, W.Trevethan, H.Moxley and W.Watkins) will be held and fixtures for the season arranged.

Q.L.A.S.A.

The Euchre Party given by the Queensland Ladies Amateur Swimming Association was a great success. About 120 persons were present, and if it had not been for the wet evening, a great many more would have attended. Handsome prizes were donated, and the Association wishes to thank all who assisted, especially Mrs D.S.Reid (President) who donated two prizes.

Q.A.S.A.

The Association carnival will be held in the Booroodabin Baths next Wednesday evening. The officials have been appointed as follows - Referee, Mr T.A.Bond; Judges, G.Crawford, J.Hiron, D.S.Carter and F.W. WORLD CHAMPION LADY SWIMMER

Miss Etta Mackay tells how she succeeded

"To what do I attribute my success as a swimmer?" repeated Miss Etta Mackay, the lady Champion Swimmer of the World in an interview in England the other day. "Well that is not a difficult question to answer, and, to put it briefly is just this - a strong constitution and untiring perseverance."

"My favourite style in swimming is a double screw trudgeon which I swim with greater ease than any other. This style I used exclusively on my recent long swim from Rothesay to Cowal. This is a distance of 4,050 yards which took 1 hour and 17 minutes."

(This is a small part of a lengthy article)

S.O. Saturday 8 January 1910

Q.L.A.S.A.

A special Executive meeting was held on Tuesday evening at the residence of the Secretary, Mrs J.S.Wiley, as some important matters had to be attended to without delay.

The principal business was to decide whether the Association should hold a carnival now or wait until after the return of the lady representatives from the south. It was decided to let the carnival stand over. The test races will take place in the Booroodabin Baths on Saturday January 22 and Tuesday January 25. The Rockhampton lady swimmers have been asked to send down three of their best girls. The contests should prove very exciting, as the three best swimmers will be sent to Melbourne.

The programme for the Inter-State carnival drawn up by the Victorian Ladies Association is a very fine one, and some good swimming ought to be seen. On February 12, 3pm, at Stubb's Baths, South Melbourne, 25 yards Handicap Girls Under 12 years, 50 yards handicap, 100 yards Championship of Australia, Breast and Back Race 25 yards each way, 150 yards Teams Championship of Australia (limited to one team of three from each State), Diving for Objects and a Life Saving Competition. On February 16 at 8pm at the City Baths, 66 yards Handicap. 100 yards Handicap, 220 yards Championship of Australia, Diving Competition, Life Saving Competition and Novelty race. Entries for all events close with the Hon Secretary, 117 Swanson Street, Melbourne, on Tuesday January 25. Only ladies will be admitted to the carnivals. Inter-State competitors may enter for all events free of charge.

QUEENSLAND SWIMMING TEAM

The Hon Secretary of the Queensland Amateur Swimming Association, Mr W.Kuder, has received a notification from F.W.Springfield stating he will be unable to make the trip south as one of the Queensland representatives. C.Graham will therefore be the sole representative in the Australasian Championships. A number of swimmers intend making the trip and taking part in the Handicap events, and the following will leave Brisbane by the mail train tomorrow morning - C.Graham, W.Kuder, B.Cottrell, John and James Pike, B.Asprey, J.Carmichael, C.Clune, R.B.Le Bas, F.and J.Bulgin, F.Sewell, J.Ramsay and F.Lamont.

Q.L.A.S.A.

A meeting of the Council of the QLASA was held at Wiley's Studio on Monday evening with Mrs T.Gardiner presiding.

The Hon Secretary, Mrs J.S.Wiley, read a letter from Melbourne stating that the Victorian Association did not intend to accommodate the Queensland swimmers. It was therefore decided that the QLASA would provide for boarding the team. Officials were appointed for the test races at which only the Timekeepers and competitors will be allowed downstairs. Mrs J.S.Wiley was elected Manageress to take the team south.

The Secretary would welcome any further contribution to the fund to meet expenses for sending the team to Melbourne.

Long Distance Competitions were arranged for March.

OXLEY ELECTORATE CLUB

The Club held its first carnival in the Booroodabin Baths on Wednesday evening, and despite the unfavourable weather, it was a good financial success. The events proved very interesting, especially the 220 yards Championship of Queensland which was won by C.Graham by almost nine yards. The only Oxley team in the relay race put up a very creditable performance and had rather bad luck in not winning. A.S.Gaul was bumped twice, and on each occasion was retarded considerably.

SWIMMING CHAMPIONSHIPS - QUEENSLANDERS IN MELBOURNE

THE 100 YARDS and THE HALF MILE

(Melbourne January 29)

The first of the Australasian Swimming Championships were held today in the new St Kilda Baths in the presence of a very large and enthusiastic gathering. The 100 yards was a fine race, Healy's time being 58 seconds. The Queensland representative, C.Graham, swam splendidly and beat Hardwick for second place. The First prize was a gold medal and the Second a silver medal. Similar prizes were awarded for the Half Mile Championship of Australasia which was won by F.Beaurepaire from Mason and Wright.

Q.L.A.S.A.

As already noted in the "Observer" Misses M. Grant, M. Springfield and L. Thompson have been selected as the Queensland representatives to take part in the Australian Championships in Melbourne.

The Association limited entries in test races to girls who could swim the three distances 50, 100 and 220 yards. This was a very unwise thing to do, for maybe the girl who is particularly fast in the sprint races could thus be debarred from taking part. The Council of the Association also made a departure in averaging the girl's times over the three distances in order to make a selection. As matters turned out, only six girls competed, and the three chosen by this new method of selecting championships representatives were, as luck had it, the fastest over the three distances. The aim of the Association apparently has been to have a team, all the members of which could swim in all championships, but it is a principle which could prove disastrous if followed in the future. Who ever heard of a 100 yards sprint champion being forced to run over a mile and being given to understand that his times in 100, 220, 440 yards and a mile would be added together and divided by four? And if someone else had a better average, the fastest man in the State over 100 yards would be rejected?

It is possible the Association did not consult its Advisory Board, and if such is the case it is to be regretted, for it was presumably not elected for ornament, and would surely have set the Association straight if it had been consulted. To put it mildly, the QLASA was exceedingly unwise to deal with matters with which, apparently, it does not understand anything.

There has been some talk of asking the team to travel second class to Melbourne, but it is to be hoped that nothing more will be heard of this. The team should certainly travel first class, particularly as the Association has enough money already in hand.

CITY CLUB CHAMPIONSHIPS AND WATER SPORTS

The City Club will hold their Annual Championships and Water Sports in the South Brisbane Baths, Stanley Street, on Monday February 14 and Wednesday February 16. A first class orchestra will render music and the Baths will be brilliantly illuminated. Toowoomba, Ipswich and Rockhampton are sending down representatives. An effort is being made to get Cecil Healy of Sydney to take part.

STATE SCHOOLS ASSOCIATION

A meeting of the State Schools Association was held in the Y.M.C.A. Rooms on Thursday. The schools represented were Fortitude Valley (J. Callaghan, Chairman), Woolloongabba, New Farm, South Brisbane, Donellan, Toowong, Newmarket, and Leichhardt Street. The Hon Secretary, Mr A. Griffiths, was also present.

It was decided that the second annual carnival should be held in the South Brisbane Baths on March 19. The following programme was arranged - 60 yards Inter-Club Handicap, Beginners race 20 yards (confined to boys taught to swim after October 1, 1909), Life Saving Display, 100 yards Queensland State Schoolboys Championship, Neatest Header, 33 yards Championship for boys under 11 years, 33 yards Egg & Spoon Race, 133 yards Relay Championship, 33 yards Handicap Under 13 years, 133 yards Relay Race Under 13 years, All Clothes Race 33 yards (coat, shirt and trousers to be worn over swimming costume). Entry fee for the Championships was fixed at sixpence, for all other races threepence each. On payment of one shilling a boy may enter every event on the programme, provided conditions are carried out. It is to be hoped teachers

will explain each race to the children and get record entries. All competitors will be admitted free to the baths. A ticket will be given free to each child selling six.

SWIMMING CHAMPIONSHIPS
WEDNESDAY NIGHT'S CARNIVAL - FURTHER DETAILS
(Melbourne February 3)

2000 people packed into the Melbourne Baths last night when the Inter-State Swimming Carnivals were continued.

In the principal event, the 220 yards Championship of Australia, the competitors had been reduced to four, decided by two heats earlier in the day, in the first of which Beaurepaire (Vic) won from Mason (Vic), Moon (S.Aust), Graham (Qld) and Wright (NSW) in 2 min 36 $\frac{3}{5}$ secs. The second heat was taken up by Healy (NSW) from Hardwick (NSW), Green (Vic) Eaton (S.Aust) and Barry (NSW) in 2 min 38 $\frac{2}{5}$ secs.

When the time for the Championship arrived, everyone was on tip toe with expectation to see Healy and Beaurepaire fight out what was to be the crucial test in these championship races, but it was not to be, for it was announced that Healy's medical adviser had strongly advised him not to do any more racing before Saturday.

The actual race for the 220 yards Championship is easily described. In the first two laps Beaurepaire was content to look on and see just how much Hardwick had in hand from Graham. After 66 yards was done with, Hardwick was clear of Beaurepaire by about a length and Graham about the same distance off. It was in the third lap that the Victorian began to settle down to it in earnest with only the least perceptible quickening of his delightfully smooth trudgeon action, but at the next turn he was level with Hardwick. Both men disappeared for the next lap together, but when they came to the surface, Beaurepaire had gained quite a length and a half in turning, and try as Hardwick might, from that point out, he could make no impression on Beaurepaire, who, creeping away bit by bit, finished six lengths ahead of Hardwick who swam throughout with the greatest determination. Graham was four lengths behind Hardwick.

When it was announced that Kieran's World Record, 2 min 28 $\frac{2}{5}$ secs had been equalled for the distance, there was frantic cheering. The points for the Kieran Memorial Shield are now as follows
Victoria, 3 Firsts, 1 Second and 1 Third
New South Wales, 1 First, 2 Seconds, and 2 Thirds
Queensland, 1 Second, and 1 Third
South Australia, Nil

W.W.Duffy (NSW) won the President's Handicap of 66 yards with J.Pike (Qld) second.

AUSTRALIAN AMATEUR SWIMMING CHAMPIONSHIPS
PERFORMANCES OF THE QUEENSLANDERS

(From the "Sports" Special Representative, Melbourne February 5)

The final carnival of the Inter-State Amateur Swimming Championships took place in the Fitzroy Municipal Baths this afternoon.

The 400 yards Australian Championship resulted in a win for Frank Beaurepiare (Vic), with H.Hardwick (NSW) second and T.W.Mason (Vic) third. C.Graham (Qld) was fifth. The time was 5 minutes 36 $\frac{1}{5}$ seconds.

The 220 yards Australian Breast Stroke Championship was won by Richardson with Finney second and Ruston third. The time was 3 minutes 16 seconds. Sewell swam second but was disqualified.

Pike and Graham (Qld) won the Inter-State Relay Handicap.

OPENING OF A SCHOOL POOL

The first swimming pool opened in conjunction with a Queensland State School was opened under the happiest auspices by the Minister for Public Instruction, Hon W.H.Barnes, at Junction Park this afternoon. The Minister was accompanied by Mrs Barnes, Mr J.D.Story (Under-Secretary), R.H.Roe (Inspector General), and Inspector and Mrs Bierley. Seated also on the dais were Mr J.J.Dempsey (Head Master of the School) and Mrs Dempsey and members of the Committee.

After a dainty afternoon tea was served an inspection of the pool was made by the Minister and Party and a number of speeches were delivered.

The pool is 43 feet long and 16 feet wide with depth varying from 30 inches to 50 inches when full. It is a concrete structure which has been faithfully built by Messrs Wells & Bennett of Woolloongabba. The cost was one hundred and seventy five pounds. There are shower baths, convenient dressing rooms and sanitary conveniences. Waste water will be used to irrigate the extensive garden plots which are to be laid down in the girls' playground, and for thoroughly flushing the school drains.

The S.O. carried two pictures of the pool in edition of 12/2/10

Q.A.S.A.

The representative team of swimmers returned from Melbourne last Saturday. They all speak in glowing terms of the treatment received at the hands of the Victorian officials. The champion, Frank Beaurepaire, was in splendid form accounting for four of the Championships and winning the Kieran Memorial Shield for his State. C.Graham's success in securing second place in the 100 yards Championship was very popular. All the members were impressed with the excellent bathing facilities in Melbourne, and look forward to Brisbane following in this direction in the near future.

Ballarat was also visited. The Bath there is an excellent one and the carnival a great success. C.Graham was successful in gaining second place in the Golden City Handicap.

An invitation was issued from the lately formed Warwick Amateur Swimming Club to compete at their initial carnival, and in this the visitors were successful in winning all the Open events on the programme, C.Graham accounting for the two handicaps, J.Pike for the Balloon Race, and B.Asprey the Greasy Pole event. With such enthusiasts as Chas Campbell, Matt Colclough and S.Morris (Hon Sec), all formerly of Brisbane, the success of the new Club is assured.

Before returning to Brisbane the representative team participated in a carnival in Toowoomba with moderate success. C.Graham secured second place in the 100 yards Handicap, and T.Lamont secured the Neat Dive. The team is loud in their praise for the hospitable treatment received at the hands of the Downs boys, and wish their Club continued success.

During the week an application for affiliation was received from the Allora Amateur Swimming Club. They propose holding a carnival on the 23rd instant. All QASA members will wish them every success.

Members are reminded that the Hospital water Fete Committee have included events on their programme for QASA members. Entries close on March 2. The Toowong Club will hold their carnival in the Toowong Baths on Thursday March 10. The 440 yards Championship of Queensland will be one of the attractions.

WARWICK SWIMMING CLUB

The first carnival held under the auspices of the Warwick Amateur Swimming Club took place in the Corporation Baths on the 9th instant. The programme included Senior and Junior Races and Novelty events, and local interest was increased by some of the Queensland cracks competing. The Representative Team which was on its way back from Melbourne arrived in Warwick on the Sydney Mail train and were met at the station by the Mayor, Alderman Connolly, Messrs Chas Campbell, S.Morris (Secretary), M.Colclough and J.Colclough and driven to Allman's Hotel where the Mayor proposed the health of the visitors and welcomed them to the town. Mr Kuder, Manager of the team, responded.

The feature of the carnival was the swimming of the champion, Graham, who won the 100 yards and the 440 yards Senior Handicaps.

RETURN OF LADY SWIMMERS

Representatives of the Queensland Ladies Amateur Swimming Association, Misses M.Grant, M.Springfield and L.Thompson, who took part in the recent Inter-State Championship Carnival of the Victorian Ladies Amateur Swimming Association in Melbourne, returned to Brisbane by last night's mail train, accompanied by Mrs J.S.Wiley who event with the team as Manageress.

Mrs Wiley stated that the team had spent an enjoyable fortnight in Melbourne though their pleasure was marred to some extent by a regrettable incident which occurred just after their arrival. Before leaving Brisbane, Mrs Wiley said, she wrote to the Secretary of the Victorian Association asking her to engage rooms for the team, but on arrival it was considered the rooms engaged were unsuitable, and found they were not to be the sole occupants of them. They accordingly went elsewhere, and two days later, to her surprise, Mrs Wiley received a letter demanding payment of fourteen pounds for the rooms which had been engaged for them. This was followed two days later by a peremptory demand through a solicitor for payment of the money on the day the letter was received, and the visitors found themselves in a very awkward predicament. The matter was placed before the Victorian Association, but that Association said it had no funds and could do nothing. Fortunately before the matter went any further, the position of affairs came to the knowledge of a number of well-known Melbourne gentlemen, and between them they subscribed sufficient to satisfy the occupier of the house at which the team was to have stayed.

Referring to the carnival, Mrs Wiley stated that the 150 yards Team Championship Race and the 100 yards Championship were decided at Albert Park in the open sea which greatly handicapped the Queenslanders, though in the former they secured second place, and in the 100 yards Championship Miss Grant came fourth. In the 220 yards Championship in the City baths Miss Springfield came third.

Mrs Wiley stated that the New South Wales representatives were exceptionally fine swimmers, and she considers the Queenslanders acquitted themselves well to secure the positions they did.

They also attended another carnival at Brighton at which Miss Springfield won the 80 yards Open Handicap and the 50 yards Nomination Prize and a Novelty Event, while Miss Grant secured second place in the 50 yards Handicap.

Mrs Wiley said the programme of entertainment arranged by the Victorian Association for the visitors was very poor, and they were for the most part left to make their own enjoyment.

INTERESTING COMMENT ON A QUEENSLANDER

Mr J.Hamilton Dalrymple, son of Mr D.H.Dalrymple, who has been studying for some time at Pennsylvania University where he has recently completed a three year course in Dentistry with Honours, and later had other success both in Pennsylvania and Chicago, and is an old Valley boy, put up a most gratifying record in athletics. He won a number of prizes for swimming and diving, and in 1909 was champion diver and captain of the champion Inter-

Collegiate swimming team, an unusual honour this - for an Australian and a Valley Club boy - to achieve such a prestigious position in a country whose population exceeds eighty five million, and the Valley swimmers may well be proud of this distinction attained by their Club mate.

Q.L.A.S.A.

A Council meeting of the QLASA was held last Thursday evening at Wiley's Studio with Mrs D.S.Reid presiding.

A letter was read from Lady MacGregor accepting to position of Patroness to the Association.

The Townsville Club asked for particulars regarding affiliation. The South Brisbane Club applied for permission to hold a carnival on March 16, and the City Club made a similar application. Permission was granted to both. The Secretary, Mrs Wiley, gave a brief description of her trip to Melbourne, and the President decided to write a letter to the Victorian Association protesting the annoyance the Queensland team was subjected to. The Association expresses its thanks to all the gentlemen who gave so generously towards the expense of sending representatives to Victoria.

The Association will hold its carnival on Saturday evening March 19. Entries close with the Secretary on March 12.

Q.A.S.A.

The 440 yards State Championship will be decided in the Toowong Baths next Thursday evening. The 880 yards will take place in Rockhampton next Saturday evening. F.W.Springfield will be a competitor.

The Allora Club held a very successful carnival last Thursday and intends holding another in four weeks time.

S.O. Saturday 12 March 1910

Q.A.S.A.

By last night's mail train the following left for Rockhampton to take part in that Club's carnival tonight and on Monday evening, B.Asprey, F.W.Springfield, T.Higginson (Valley), V.Riding and A.R.Harrower (City), and J.Lamont (Toowong). It is probable that some of the party will visit Mt Morgan for a carnival which is being held next Saturday and Monday.

The 440 yards Championship was decided at the Toowong carnival last Thursday evening, and after a fine race the holder, C.Graham, was defeated by F.W.Springfield. The time was 5 min 45 $\frac{2}{5}$ secs. Frank Beaurepaire won. the last Australian Championship in 5 min 36 $\frac{1}{5}$ secs.

STATE SCHOOLS ASSOCIATION

A meeting of the Committee was held in the Y.M.C.A. Building on Thursday. A prize list for the carnival was drawn up as follows - 100 yards Championship, First the "Courier" trophy valued at one guinea and Championship Sash, Second fifteen shillings and Third seven and six; 33 yards Championship, First the Nissen Cup value one guinea, Second ten shillings, Third five shillings; 133 yards Team Championship, First four trophies ten shillings each, Second four trophies of five shillings each; 133 yards Team Championship Under 13, First four trophies valued at seven and six each; 20 yards Beginners Race, First seven and six, Second a Book, Third a Book; 33 yards Egg & Spoon race, First seven and six, Second a Book, Third a Knife; 33 yards All Clothes Race, First a "Courier" trophy valued at ten and six, Second five shillings, and Third a Book.

In the All Clothes Race the boys must be dressed in their university costumes, and when ready for their respective heats must have their ordinary clothes near them. On the word "Go" the coat and trousers must be donned, then swim one length of the baths finishing fully dressed.

Mr Macmurray has been appointed a Timekeeper in place of Mr J.H.Garsden who has his Ipswich boys to attend to on the carnival day. Any boy swimming in the water between events will be removed from the Baths. Children must be n readiness for their respective races or they will be prevented from starting.

Q.L.A.S.A.

A meeting of Council was held on Thursday evening at Wiley's Studio with Mrs Burrell presiding.

The Secretary read a letter from Lady MacGregor saying she would be very pleased to attend the Association carnival on the 19th. A team from Rockhampton will compete in •the carnival. The Secretary, Mrs Wiley, said she had collected twenty trophies for the carnival as a result of hard work.

STATE SCHOOL SWIMMERS - SECOND ANNUAL CARNIVAL

The Second Annual Carnival of the State Schools Amateur Swimming Association took place this afternoon in the South Brisbane Municipal Baths. The weather, so disastrous to the general run of sport, made no difference to this carnival of amphibious youngsters who had a jolly afternoon, and thoroughly enjoyed themselves contesting the fine programme of events submitted. There was not quite so much fun, perhaps, for the spectators who, for the greater part of the time had to take shelter under a small Forrest of umbrellas. There was nevertheless a fair number present.

Q.L.A.S.A.

At a meeting of Council at Wiley's Studio (Mrs D.S.Reid presiding) the Treasurer's report showed the Association still had a good balance after all expenses (of the carnival) had been paid. All trophies were donated, which was a great saving. Discussion took place as to when the prizes should be presented but the matter was deferred to the next meeting.

All secretaries are reminded that the Long Distance Swims for Certificates will be held on Thursday evening April 7, and the following Tuesday April 12 in the South Brisbane Baths.

VALLEY CLUB

The Valley Club did not hold their weekly swim last Thursday because of the Association's water polo fixture in the Booroodabin Baths. The Club members are very jubilant about the success of the Valley B Team in winning the first Premiership of Queensland after a very hard struggle.

Master F.Venning gave a good exhibition of diving which was greatly admired by the spectators. This little lad of five summers carries out fancy and high dives in a fearless style. He will give a similar performance at the Club's breaking-up carnival.

880 yards Misses I.Dowling, J.Burrell
1 Mile Miss P.Brunnich

COMMERCIAL CLUB

The following is a review of Commercial Club's doings during the season 1909-10.

The season started on November 1 in the Arthur Street baths. 22 weekly swims were held and all were well attended. The membership totalled 60 (financial), and members competed in all the Inter-Club carnivals and were very successful. At the QLASA carnival Miss V.Wollstein won the Neatest Header and Miss J.King (a junior member of the Club and a very promising swimmer) secured second place in the Junior Championship. The Club Championship of 50 yards was won by Miss M.King. The Club held its carnival on March 5 and it was a great success financially and otherwise. In the Long Distance swims the competitors were Misses V.Wollstein quarter and half mile and 220 yards Breast Stroke, M.Roughead.

The Committee wish to thank the following for trophies and donations during the season, Mesdames D.S.Reid, M.Wilcox, M.Henley, J.Toyne, Messrs R.Pugh, Black, W.Ede, J.Taylor, J.Bell, J.Mahon, J.Pike, F.O'Connor and a "Friend". A vote of thanks has been accorded to the "Sports Observer".

S.O. Saturday 23 April 1910

Q.L.A.S.A.

Mrs Gardiner presided at a Council meeting last Thursday at which it was decided to hold a river trip on Saturday afternoon April 30 when the prizes will be presented.

VALLEY LADIES

A very successful season just passed. The Club has handled about thirty pounds during the season and still has a good Credit Balance. 21 swims were held and there was an average attendance of 60 throughout the season. Two Club carnivals and one Inter-Club carnival were held and were all very successful. Members took part in all Inter-Club events held by other Clubs and were generally successful in securing trophies.

All the Junior members were successful in gaining a trophy during the season, and the little Junior, Elsie Venning, who is only eight years of age, was very successful and won eight or nine trophies. She could not swim at the beginning of the season but has made great progress and deserves great credit for her perseverance.

16 Long Distance Certificates were gained by members, 9 for the quarter mile, 1 for the half mile and 6 for the 220 yards Breast Stroke.

The Club wishes to thank all Vice Presidents, Patroness, President, and all the ladies who have taken such an enthusiastic interest in the Club during the season, also all who have donated trophies, and hope they will continue to take an interest next season.

VALLEY CLUB

The following is a review of the Valley Amateur Swimming Club for the past season 1909-1910, compiled by Percy W.Hill.

The Club started on its thirteenth season on October 6 1909 at the Booroodabin Baths with a membership of 60, and mainly through a new idea adopted by the Committee - teaching anyone who desired to learn natation - the Club's membership was greatly augmented, and at the close of the season there were 130 financial members on the roll. The season showed a marked improvement on the previous one both from a swimming and a social standpoint. The rivalry displayed at all times was very keen. This was most gratifying to the officials as they worked most assiduously to always further the members'

interests.

27 weekly swims were held with an average attendance of 60. The Club's Monthly Trophy Race was competed for as in former seasons with every possible success. Some of the members were instrumental in helping to revive Water Polo which has been dormant for many years. The Club placed two teams in the field and the B Team was successful in annexing the Premiership after several hard and closely contested games.

Four members journeyed to Melbourne to take part in the Australasian Championships, but unfortunately were only successful in winning Novelty Events. Other members competed in Adelaide in the Y.M.C.A. events with very good success. At the Rockhampton carnival, F.W.Springfield won the Half Mile Championship and was second in the Handicap event, and Bert Asprey won an event.

Long Distance Certificate races were held as usual, but on account of the lateness of the season there were only a few competitors. The, Senior Championship was won by T.Wilson.

The Committee tender their sincere thanks to the following who have worked very hard all the season to try and further the interests of the Club - Messrs A.Butterfield (who placed his rooms at the disposal of the Committee for meetings), F.Venning (lessee of the Baths), J.Bulgin and R.Le Bas (Hon Handicappers) P.W.Hill (Press Correspondent), and those who donated trophies and medals. Special thanks are due to the "Sports Observer".

QUEENSLAND LADIES AMATEUR SWIMMING ASSOCIATION

The Sixth Annual Meeting of the Queensland Ladies Amateur Swimming Association was held last night in the National Association's Rooms, Courier Building.

The President, Mrs D.S.Reid, occupied the Chair and others present included Mesdames, Gardiner, Burrell, Springfield, Baldwin, Borwick, King, Hale, J.S.Wiley (Hon Sec), Misses Lade (Hon Treas), Grose, Peters, Singer, Springfield, Harrower, Robinson, Brunnich, Grant, White, Smith and Lonergan.

The Annual Report showed that distinct progress was being made in swimming amongst the women of Queensland. Twelve Clubs were affiliated with the Association. The outstanding feature of the past year was the first visit of the Queensland swimmers to Melbourne. The team included Misses M.Grant, M.Springfield and I.Thomson with Mrs Wiley as Manageress. Mrs M.Baldwin (President of Excelsior Club), Miss Lonergan (Hon Sec Excelsior Club), and several others accompanied the team. The Council is pleased to state the Queensland girls did remarkably well.

Seventeen well-attended meeting had been held during the year, and also a very successful carnival in the Booroodabin Baths at which Lady MacGregor was present, and at which the Excelsior Club won the Championship. Thanks were accorded all who had assisted during the year, including the Excelsior Club which gave ten pounds thirteen shillings and nine pence towards expenses, and the Hon Secretary, Mrs J.S.Wiley, who collected twenty seven pounds eight shillings and sixpence and nearly all the trophies for the Association's carnival.

The Financial Statement showed a Credit Balance of three pounds one shilling and four pence.

Mrs Gardiner proposed that men should be excluded from all carnivals. The matter was held over for discussion. Mrs Smith suggested the Association's Handicapper should be given the times a fortnight before Inter-Club events, and the times should be in the Club Secretaries hands about a week before the carnival.

A vote of thanks was accorded the National Association for lending the room for the meeting.

The election of officers resulted as follows: Patroness, Lady MacGregor; President, Mrs D.S.Reid; Vice Presidents, Dr E.Bourne, Mesdames D.R.Eden, T.R.McCullough, Rosenstengel, W.Petermann, T.Gardiner, M.Baldwin, W.S.Anderson, the Mayoresses of North and South Brisbane and Presidents of all affiliated Club; Hon Handicappers, Mrs Burrell, Misses Singer, Butterfield and Littleboy; Hon Treasurer, Miss R.Lade; Auditors, Misses Walsh and Singer; Hon Secretary Mrs J.S.Wiley; Advisory Board, Hon E.J.Stevens M.L.C., Dr A.B.Brockway, Messrs W.H.Duffy, J.J.Walker, M.Baldwin, E.C.Barton, L.A.Bond, W.L'Estrange and Dr Clatworthy; Delegates, Misses Thompson and Springfield (Valley), Mesdames Campbell and Patterson (South Brisbane), Misses Brunnich and Phillips (City), Littleboy (Fitzroy), Clarke (Girton College), Copas (Girls High School), Singer (Normal School), Lonergan and Grose (Excelsior), Mrs Hale (Kangaroo Point), Mrs Aitken and Miss Ryan (Wynnum), Miss Green (Moreton Bay High School), Mesdames D.S.Reid and Campbell (Social Institute), Misses Robinson and Drew (Commercial), Bevan and Bowman (Kelvin Grove).

At the close of the meeting Mrs Reid spoke in eulogistic terms of the work done by Mrs J.S.Wiley, and on behalf of the members of the Association presented her with a beautiful silver and cut glass rose bowl. She also presented Miss Lade (Treasurer) with a silver and glass scent spray. Both recipients suitably responded.

EXCELSIOR LADIES CLUB

The Second Annual Meeting of the Excelsior Ladies Amateur Swimming Club was held in the South Brisbane Municipal Baths on Tuesday evening. Mrs M.Baldwin occupied the Chair, and there was a fair attendance of members present including Misses Annan, Butler, Grose, Smith, Harrower, Spottiswood, M.Grant and L.Smith.

The Annual Report, which was adopted, showed that the past year had been most successful in every way. The officers had been most encouraged by the enthusiasm shown by the members. At the close of the year the number of financial members shown on the roll was 110. During the year, a Euchre Party, a Dance, and two swimming carnivals and 21 Club swims had been held, which proved successful. Receipts totalled one hundred and ten pounds sixteen shillings and two pence, and there was a Credit Balance in the bank of seventeen pounds eighteen shillings and nine pence, with cash in hand of one pound six shillings and ten pence It was considered the figures compared very favourably with the Credit Balance of fifteen pounds three shillings with the Club had started the season.

On the occasion of the Association's carnival on March 17 last, Miss Grant was successful in winning the 60 yards Championship of Queensland, and a team consisting of M.Grant (Captain) N.Harrower, M.Annan and E.Grose gained the Team Championship of Queensland.

The Club heartily thanked the following who had presented trophies or given donations to the Club during the past year - Hon E.J.Stevens M.L.C., Mr E.B.Forrest M.L.A., Messrs R.J.Cottell and E.H.Macartney M.M.L.A., Dr L'Estrange, Mesdames J.Hetherington, G.A.Savage and M.Baldwin, Messrs T.A.Bond, R.Willis Taylor, H.Schofield, W.Maker, A.Barrington, J.Nesbit, R.W.Ede, J.S.Wiley, D.O'Connell. R.F.Grimes, J.Pike, P.Swift, L.James, W.Ables, O.J.Moore, F.W.Nissen, Owen Hayes, A.Bell, F.Fell, A.Hart, J.O'Connor, J.Higgins and J.Sharpe.

Officers for the ensuing season were elected as follows - Patroness, Mrs Savage (Mayoress of South Brisbane); President, Mrs Maurice Baldwin; Vice Presidents, Mesdames H.Brookes, H.Baynes, Bouchard, J.Allan, McCullough, Schofield, Annand, Frisby, Spiro, W.Ables, Lugg, T.Free, Messrs W.Smythe, H.Whyte, C.Gallway, D.Coffey, H.Schofield, Owen Hayes, R.W.H.Long and Dr Luddy; Captain, Miss M.Grant; Vice Captain, Miss F.H.Spottiswood; Starter, Mrs M.Baldwin; Press Correspondent, Miss L.Smith; Hon Treasurer, Miss J.Annan; Hon secretary, Miss N.Lonergan; Assistant Hon Secretary, Miss V.Grose; Clerk of Course, Miss P.Rosenberger; Delegates to QLASA, Misses Grose and Lonergan; Hon Handicapper, Miss M.Smith; Committee, Misses M.Grant, N.Harrower, R.Butler, L.Grose and E.Frisby.

The Handicapper's Report said the Club was looking forward to a very successful season with great enthusiasm, and hoped of course to be successful in obtaining victories.

STATE SCHOOLS ASSOCIATION

The Annual General Meeting of the State Schools Amateur Swimming Association will take place on Wednesday evening.

The Annual Report is a very interesting document and has been deemed a very satisfactory and gratifying Report by the Under-Secretary for Education, Mr J.D.Story. Last year the Association consisted of eighteen Clubs of which two, West Ipswich and Bundaberg South, were outside the metropolis. The total membership of these Clubs was 1571, of whom 532 were taught to swim during the season under review. During the season 1908-09 the membership was 1000 and the number taught to swim was 326.

Two Country Clubs were formed during the season, one at Bundaberg South and one at West Ipswich. Three general meetings were held during the season and were well attended, and in addition four committee meetings were held. Mr J.H.Garsden was not present at any of the committee meetings. This was explained by the fact that Mr Garsden was transferred, and Mr Callaghan was appointed in his stead.

The Report makes reference to the fact that the South Brisbane Council granted a concession of sixpence per dozen to all children. The Brisbane Municipal Council granted a concession of threepence per dozen to members of school Clubs when accompanied by a teacher. The annual carnival was a financial success.

Thanks were accorded to the gentlemen who made donations to the Association, the "Sports" for regularly recording the doings of the Association, the Y.M.C.A. for the use of the Rooms for meetings, and the South Brisbane Municipal Council for free use of the baths for the carnival.

A recommendation is made by the committee to the effect it is desirable that to Association should consider the question of Life Saving.

QUEENSLAND SWIMMING ASSOCIATION

The Annual Meeting of the Queensland Amateur Swimming Association was held at the Trades Hall last night when there was a fair attendance of members.

The Annual report, which was adopted, stated that the total number of Clubs affiliated was now twenty, comprising eleven Metropolitan and nine Country. In addition to these it is known that Charters Towers intend to affiliate this year. The Finances of the Association were in a satisfactory condition, the

Balance Sheet showing a Credit Balance of thirty four pounds six shillings and eight pence, notwithstanding the fact that twenty eight pounds had been spent in sending the representatives to the Australasian Championships in Melbourne. The Report also expressed pleasure in the fact that the South Brisbane Council had decided to erect baths in the near future in the vicinity of Woolloongabba, and stated that the requisition to be signed by the residents of Sherwood and Taringa asking for the erection of baths on the river bank somewhere near Indooroopilly was in the course of preparation. The Report also noted with pleasure, that the Royal Humane Society of Australasia had awarded Mr F.Pickburn, a prominent member of the Association, a Bronze Medal for his exertions in saving the lives of three persons on the occasion of a collision between the "Emerald" and a sailing boat in the river early in the year.

The following officers were elected - Patron, Hon E.J.Stevens M.L.C.; President, Hon J.W.Blair M.L.A.; Vice Presidents, Mayors of Brisbane (Ald W.Hetherington) and South Brisbane (Ald G.A.Savage), Messrs M.Baldwin, T.A.Bond, A.Butterfield, M.J.Barry, J.H.Grice, D.S.Carter, F.Springfield, F.W.Nissen, W.H.Hinch and Geo Crawford; Hon Handicappers, Messrs E.Morris, J.Kemp and H.Moxley; Hon Auditors, Messrs R.R.Bunting and T.J.Donovan; Press Correspondent, W.Kuder; Hon Treasurer, Mr D.J.O'Connell; Hon Secretary, Mr W.Kuder.

The Annual Meeting of the Kelvin Grove Ladies Swimming Club was held at the Newmarket Hall on Wednesday evening. The Secretary, Miss Bevan, read the minutes of the first meeting held in 1909. These were confirmed. The Secretary then read the Annual Report, and the Treasurer, Miss Scott, presented the Annual Financial Statement. It was proposed by Miss Scott, and seconded by Miss Smith, that the Secretary write to the K.G.A.A.C., and thank them for their unfailing kindness and courtesy, also to Mr Daniells for his attention and kindness. The Annual Report and Balance Sheet were adopted.

After a lengthy discussion it was unanimously decided to race at the Metropolitan Baths this year.

The following office bearers were elected for the season - Patroness, Mrs Hawthorn; President, Mrs T.Gardiner; Vice Presidents, Mr Bowman, Mesdames Briscoe, Hill, Bevan, Salter, W.L'Estrange, E.Lilley, Daniells, Thurlow and Anderson; Secretary, Miss Bevan; Treasurer, Miss Scott; Captain, Miss Dawes; Assistant Secretary, Miss Watson; Assistant Treasurer, Miss Mair; Committee, Misses Bevan, A.Scott, Bowman, Dawes, Watson, Rudd and Anderson; Delegates to QLASA, Misses Bevan and Scott; Handicappers, Misses Bevan and Scott; Auditors, F.Bowman and Smith.

ROCKHAMPTON CLUB

At the Ninth Annual Meeting of the Rockhampton Swimming Club held during the week, the presentation of a Medal was made to the Secretary Mr Dowzer, for his admirable services during the season.

The Annual Report and Balance Sheet, which were adopted, showed that the season had been a very successful one, the Balance at Credit being fourteen pounds twelve shillings and ten pence.

The election of office bearers for the coming season was as follows - Patron, Mr F.W.De Little; President, Mr P.E.O'Reilly; Vice Presidents, Messrs P.Dalton, T.Lanigan, D.Wentworth, J.Ferguson, R.Hallett, H.W.Withers, A.H.Headrick and A.C.Anderson; Secretary, Mr B.C.Dowzer; Assistant Secretary and Treasurer, Mr White; Captain, Mr J.W.Thompson; Vice Captain, Mr J.P.O'Dwyer; Committee, Messrs R.Pattison, B.Porter, L.Daniells, E.Barnett and R.Neill; Delegate to QASA, Mr B.Caffyn; Auditors Messrs F.Thompson and J.Wood; Press Correspondent, Mr J.Wood. The office of Handicapper was held over as no one present would consent to take on the duties.

A lengthy discussion took place on the question of new baths. Subsequently a Committee consisting of Messrs De Little, Hallett and O'Reilly were appointed to go into and report on the project.

TOOWONG LADIES

The First Annual Meeting of the Toowong Ladies Amateur Swimming Club was held on Thursday in the Masonic Hall, Toowong. Miss Barton occupied the Chair.

The Report and Balance Sheet showed a membership of 94 which showed the past season was a prosperous one. The Misses E. and M.Gaul and Miss Keefer won the Attendance Medals, Miss Bertha Gaul the Medal for First in Points, with Miss Carr second. Championship of the Club fell to Miss Esme Lahey.

The following officers were elected - Patroness, Mrs Diddams; President, Mrs Hiron; Joint Secretaries, Misses Barton and A.Keegan; Captain, Miss Carr; Vice Captain, Miss K.Gaul; Handicapper, Miss A.Keegan; Committee, Misses K.Keegan, M.Cottell, S.Stanton, E.Ellis, M.Gaul, B.Gaul, Jordan, Shield, Ryan and Connell.

STATE SCHOOLS ASSOCIATION

It is anticipated that more Clubs will form in Sandgate, Wynnum, and Manly Schools. Arrangements are to be made for a notice authorised by the Association to appear in the next edition of the Education Office Gazette to the effect that Life Saving Charts could be obtained on application to the Department. The Department is quite ready to comply with all applications for these charts, and it is hoped all schools will avail themselves of this opportunity.

The following gentlemen were elected as officials for the season 1910-1911 ; Patron, Hon W.h.Barnes M.L.A. (Minister for Public Instruction); President, Mr J.D.Story; Vice Presidents, Messrs R.H.Roe M.A., A.S.Kennedy (Metropolitan Inspectors), Metropolitan Head Teachers, Mayors of North and South Brisbane, and Hon E.J.Stevens M.L.C.; Committee, Messrs J.L.Callaghan, L.Cantrell, J.Thomson, A.Black, C.Rumbold, W.Geraghty and C.Rich; Chairman of Committee, Mr J.L. Callaghan; Auditors, Messrs W.F.Stanley, J.McMurray; Hon. Treasurer Mr W.Morrow; Hon. Secretary Mr A.Griffiths.

The Committee will meet in the Y.M.C.A. rooms later.

Q.A.S.A.

Advice has been received from the southern Association that Mr Beaurepaire, now in England, would not reach Melbourne before December 14, and so that every opportunity can be given to the champion to defend his titles, the Australasian Meeting will not eventuate until the end of January next. This will afford local swimmers every opportunity to prepare for these contests. The first Council Meeting is fixed for October 10. Club Secretaries are requested to send along delegates. At the meeting the Chairman, Executive of five, Local Consuls, and Starter will be elected. Control of the Water Polo competition is also a matter for consideration. The Secretary will be pleased to receive the names of gentlemen willing to act as Referees during the season.

MIZPAH LADIES

The first Annual Meeting of the Mizpah Ladies Club was held at the South Brisbane Baths on Tuesday evening last, when officers for the season were elected.

BOWEN BRIDGE ROAD BOYS STATE SCHOOL

A meeting of the boys of the Bowen Bridge Road State School was held for the purpose of forming a Swimming Club. It was resolved that the Club should be formed, and arrangements made for weekly swims at the Booroodabin Baths.

Q.A.S.A

The following metropolitan Club have notified their intention of affiliating: T.C.Beirne & Co, South Brisbane Footballers, Big Block, Toowong, Indooroopilly, Kelvin Grove, Oxley, Federal, St George Gordon, St Barnabas and Sandgate. Mount Morgan Club has again affiliated and is applying to hold a State Championship. Other Clubs wishing to affiliate should notify the Association Secretary as soon as possible.

From the Annual Report received, the Ipswich Centre experienced a very successful season last season.

Mr E.M.Tooth has been appointed Assistant Hon Secretary of the Association. Mr F.W.Nissen (Vice President) has donated a trophy for competition during the season.

Clubs wishing to enter teams in the Water Polo competition should do so at Monday night's meeting of Council.

SOME SUGGESTIONS

Mr W.H.Hinch writes, "On perusing your column in last Saturday night's "Sports", I noticed under the heading of QASA a par. to the effect that the newly elected Handicappers intend to report to the Council meeting on Monday night as to the best method of handicapping Inter-Club events, also a recommendation of securing a permanent record of members' handicaps. This is a matter that should have been attended to years ago. In my opinion the adoption of an official Handicap Register would get over the difficulty. In the event

of the Handicappers retiring from office they would hand over the official Register to their successors, who, if they knew their business, would have very little trouble in striking a good handicap.

There is another matter I would like to bring under the notice of the Council the Official Registration of the holders of State Championships and Records. In other kindred Associations an officer is appointed to perform this duty. I am of the opinion that the time has now arrived when the QASA should follow suit. When the history of Queensland Swimming comes to be written up, the names of holders of Championships and Records in the early days of amateur swimming should appear on the Honours Lists."

Q.A.S.A.

A request has been received from the South Australian Association to allow two Broken Hill swimmers to compete for South Australia in the Australasian Championships next year.

The Australasian Agreement provides that competitors must be residents of the State they wish to represent for six months prior to the contests. The New South Wales Association consider that Broken Hill swimmers, although residents of their State, can be better catered for by the South Australian Association.

The matter was considered by the Executive on Wednesday evening last and it was decided to offer no objection to the request. Inquiries have been received from Barcaldine relative to the formation of a Club in that town.

RACING IN CLOTHES

A unique swimming competition in the River Thames aroused great excitement at Hammersmith. As an incentive to persons to acquire the knowledge of swimming when fully attired, also to be ready to render assistance in cases of emergency without divesting themselves of clothing, the Hon Secretary (Mr H.S.Webb) of the Star Athletic Club hit up on the novel idea of promoting a clothes race for ladies in the river over a distance of a quarter mile, and a similar competition (but double the distance) being arranged for men. The ladies contest is probably the first of its kind that has ever taken place.

Q.A.S.A.

A Council meeting was held at the Grand Central Hotel last Monday. There was a splendid attendance of delegates. Messrs D'Arcy Wentworth (Mt Morgan) and A.J.Schaffer (Ipswich), accepted the positions of Local Consuls at those Centres. The Treasurer's Statement showed a Credit Balance of thirty four pounds twelve shillings and sixpence. The drafting of the programme for the Australasian Championships was left in the hands of the Executive. Permission was granted to the Rockhampton Club to hold carnivals on February 4 and 6 next. The Water Polo Rules were revised and will be sent to Clubs on application.

KELVIN GROVE LADIES CLUB

The Newmarket Hall, Kelvin Grove, was the scene of a very enjoyable social gathering and dance on Saturday evening under the auspices of the Kelvin Grove Ladies Club. The occasion was taken to present trophies

Champion-ship of Australia, 60 yards Junior Inter-Club Handicap (Prizes 21/- and 10/6), 60 yards Senior Inter-Club Handicap (Prizes 50/-, 25/- & 10/6), Novelty Event (Prize 15/-), Neat Dive (Prize 15/-), 120 yards Brace Handicap (Prize 2 guineas), and Water Polo Match.

Entries close with Association Secretary at 1pm Saturday January 14 next at Mr D.S.Carter's establishment, Queen Street.

The Rockhampton Club is sending a team of four to compete in the Championships. Mr E.G.Finlay will represent Western Australia in events in Sydney and Brisbane. He is a fine exponent in the art of Breast Stroke swimming. With Trevor Richardson (Vic), Anney (S Aust), Snell (NSW), Venning (Qld) and Finlay (W Aust), the 100 yards Breast Stroke Championship in Brisbane should be keenly contested.

Q.L.A.S.A.

A Council meeting of the QLASA was held at Wiley's Studio on Wednesday evening when a large number of delegates were present. The minutes of the last meeting were read and confirmed. Correspondence stated that the South Brisbane Club had affiliated with the Association. The recent Euchre Party was a success financially.

It was decided to postpone the Inter-State Championships to February 18 and 22 to give more time to work up the carnivals. The Association is badly in need of funds, and would be glad of all the help possible.

AUSTRALASIAN CHAMPIONSHIPS

The following programme has been drawn up in connection with the New South. Wales share of the Australasian Championships to be held in the Municipal Baths, Domain, Sydney -

Saturday January 14 2pm : 100 yards Inter-Club Handicap, 30 yards Junior Inter-Club Handicap (for Boys Under 16 years), 100 yards Australian Championship, 1320 yards Australian Championship, Diving Display, Novelty Events, 100 yards Country Championship (open to Country Swimmers affiliated with the New South Wales A.S.A.), and a Water Polo Match.

Monday January 16 : 110 yards Inter-Club Handicap, 440 yards Inter-Club Handicap, 220 yards Breast Stroke Championship of Australia, 440 yards Championship of Australia, Diving, Novelty Events, and Water Polo. Inter-State competitors will not be charged an entry fee.

Q.A.S.A.

The Council meeting held last Monday was only fairly attended. A report from the Executive showed that eighteen pounds fifteen shillings worth of trophies, including cash donations, had been received to date towards financing the Australasian Meeting to be held in January next.

The Standard Time to entitle competitors for State Championship Honour Certificates was fixed by the Council for the 1 Mile at 30 minutes, the 100 yards Breast Stroke at 1 minute 25 seconds.

The Treasurer's report showed a Credit Balance of over forty pounds, including the Australasian Championship Fund.

Several prominent members of the Association have accepted positions on the Committee of the Royal Life Saving Society - Messrs H.Moxley, H.Sunderland, W.Kuder, D.S.Carter and F.O.Venning - who all hold responsible positions on the Executive of the QASA. To give prominence to this branch of the sport (Life Saving) should give a much needed fillip, and one of the features of the Australasian Championships should be the Life Saving Displays and illustrations of that Society's methods of resuscitation.

Frank Beaurepaire returned to Melbourne after a most successful trip abroad. He is the holder of all the English Championships except the

"Classic 100". He will be in action in the carnivals in Brisbane on January 21 and 25. Members in Rockhampton and Toowoomba would like a visit from Beaurepaire, and negotiations are pending regarding the matter.

VALLEY CLUB

The Fourteenth Annual Championship Carnival of the Valley Club was held in the Booroodabin Baths on Wednesday evening in the presence of a good attendance of spectators and was very successful.

The 220 yards State Championship was included in the programme and was a keenly contested struggle, R.Harrower just winning from F.W.Springfield. A squad from the Valley Club gave an interesting exhibition of the methods of Life Saving and the resuscitation of the apparently drowned.

The officials who excellently carried out their duties were - Judges, W.Kuder and W.P.Sparkes; Timekeepers, A.Butterfield (Standard) and F.Springfield; Starter, J.Kerr; Clerks of Course, H.Racey and P.W.Hill; Costume and Call Stewards, J.Bulgin and H.Smith; Press Correspondent, R.W.Langtry; Result Steward, R.Le Bas; Handicappers, E.Morris, J.S.Kerr and H.Moxley.

Q.A.S.A.

The 100 yards, and 220 yards Breast Stroke test races to aid the selectors to choose representatives for the Australasian Championships to be held in Sydney on January 14 and 16 were held in the South Brisbane Baths on Thursday. C.Graham was successful in winning the 100 yards in 61 seconds from his brother W.Graham. F.O.Venning, Mendoza and A.Morrison competed in the 220 yards Breast Stroke, the first named swimming the distance in 3 min 43 4/5 secs, and Mendoza in 3 min 55 secs. Morrison did not finish.

The three quarter Mile Test Race will take place in the Booroodabin Baths next Wednesday evening, and a meeting of the Executive will be held immediately after the race to select representatives.

The Allora Club held a carnival on Boxing Day, and it was a great success.

Q.A.S.A.

By next Wednesday's mail train the following team will leave for Sydney to compete in the Australian Carnivals to be held in that City on the 14th and 16th instant - D.S.Carter (Manager), F.W.Springfield (Distance), C.Graham (Sprints), John Pike, C.Clune, C.Olsen and H.Hagen.

In the 100 yards Championship Queensland will be represented by C.Graham, New South Wales by C.Healy and H.Hardwick, Victoria by F.Beaurepaire, South Australia by H.Eaton, and Western Australia by E.G.Finlay. In view of Graham's performance in securing second place in Melbourne last year, and Beaurepaire's excellent performances in England, Cecil Healy, the present holder, will be fully extended.

In the 440 yards and 3/4 Mile, Queensland will rely on F.W.Springfield whose excellent swims in the Queensland Championships this year proved that he has returned to his old form of a few years ago. He is to make a bold bid against the Victorian wonder, Beaurepaire. All swimmers wish the team every success.

The 220 yards, 1 mile, and 100 yards Breast Stroke, Australian Championships will be decided in Brisbane on 21st and 25th instant. Besides these events, a very liberal programme has been arranged.

S.O. Saturday 14 January 1911

AUSTRALIAN CHAMPIONSHIPS

The following entries have been received from the other States: West Australia, EG.Finlay; South Australia, F.H.Quinn and Harry Eaton; Victoria, F.Beaurepaire, Trevor Richardson and J.F.Hogan; New South Wales, 220 yards H.H.Hardwick, C.Healy and A.Wickham, 880 yards and 1 mile H.H.Hardwick and Cecil Healy, 100 yards Breast Stroke A.Wickham, for Open events J.Gamble, J.Duff and W.Longworth of Sydney. Rockhampton is sending some of its best swimmers, and Toowoomba will be represented by the champion Cecil Stephenson.

AUSTRALIAN SWIMMING CHAMPIONSHIPS
THE SYDNEY EVENTS - A NEW CHAMPION
WORLD'S THREE QUARTER MILE RECORD
Sydney January 15

The Australian Swimming Championships were commenced at the Municipal Baths in the Domain yesterday afternoon and created great interest. Between 5000 and 7000 spectators crowded into the enclosure and many others were unable to gain admission.

Two Championships were contested.

The competitors in the 100 yards event were L.Solomons, Cecil Healy and H.Hardwick (NSW), C.Graham (Qld). The race was very keen throughout, very little separating the men at the finish. Solomons won from Healy by a touch with Hardwick close behind and Graham fourth. The time was 58 1/5 seconds, which is 1 1/5 seconds outside the record.

The 1320 yards Championship was contested by W.Longworth and C.Healy (NSW), F.Beaurepaire (Vic), and F.W.Springfield (Qld). The time was 17 minutes 42 seconds. Longworth established a long lead from Healy and Beaurepaire who kept together watching each other closely. At the half mile the leader had an advantage of about 33 yards from Beaurepaire with Healy half a yard further back and a yard ahead of Hardwick, with Springfield hopelessly out of it. Longworth, who belongs to the Rose Bay Club, kept his lead amid the greatest excitement and won by nearly 70 yards from Healy who beat the Victorian by two yards. Hardwick was fourth 50 yards behind, while Springfield was a long way in the rear. That Longworth's win was no fluke was proved by the fact that his time of 17 mins 42 secs is a World Record. Beaurepaire's previous best was 18 mins 4 secs, and Healy covered the distance on the 11th instant in 17 mins 48 secs.

In the 100 yards Inter-Club Handicap, P.Cook (Mosman) won from W.G.Douglas (Sydney) and W.G.Paton (Rose Bay). In this contest J.Pike (Qld), C.Olsen (Qld), and H.Hagen (Qld) took part in the heats. Pike was third, Olsen Second and Hagen second.

The Country 100 yards Championship was won by E.Sloan (Wollongong) with T.Smith (Merewether) second and Gil.Murray (Cheltenham) third. The time was 1 min 4 3/5 secs.

AUSTRALIAN CHAMPIONSHIPS
WORLD'S CHAMPION BREAKS UP
SENSATIONAL RACING
440 YARDS SUPREMACY

"The events of last Saturday's Australian Championships brought along another record attendance at the Municipal Baths, Domain, last night, for the second series of Championships," says the Sydney Sun.

The crowd numbering 7000 filled the great enclosure, fully equalling the first day's attendance. Public interest has undoubtedly received a fillip in natatorial sports of late, and the presence of several of the world's foremost swimmers has given rise to much enthusiastic discussion of swimming matters

generally. The threatening rain held off allowing the evening's sport to be conducted in comfort.

The 440 yards Championship of Australia was of course the big event of the evening, and though not looking altogether a "good thing" for the event, very few Sydney swimmers thought Cecil Healy would be defeated.

The starters were C.Healy, . W.Longworth, H.H.Hardwick (NSW), F.Beaurepaire (Vic), and F.W.Springfield (Qld).

When the contestants took their place on the board it was manifest that one and all were fully strung up to the occasion. On entering the water, Longworth, the hero of Saturday, showing great confidence, struck out with powerful swing, giving evidence of his intention to force matters from the jump. At the conclusion of the first lap, Longworth was slightly in the lead closely followed by Healy, Hardwick and Beaurepaire, all swimming strongly. The Victorian swam an erratic course and soon found himself in the rope boundary. Coming back for the second lap, Longworth forged ahead but Healy soon caught him before 50 yards had been covered. The watches on the race clearly showed the scorching pace by recording 2.33 $\frac{2}{5}$ for the first 220 yards, an exceptionally fast time, and the nerve racking strain showed up first in Beaurepaire. Healy and Longworth came down the course with a crawl stroke, Hardwick relying on the trudgeon. Healy touched first at the end of this lap, Longworth lying second, Beaurepaire and Hardwick third. Just after the Victorian idol shoved off for the third lap he stopped, throwing his hands about him in a thoroughly exhausted condition. His manager instantly took in the situation and called on his charge to withdraw, but the exhausted man refused to be assisted out and attempted to continue the struggle. On seeing this, his manager insisted on a withdrawal and threatened to dive in and bring him out. Beaurepaire realised his hopeless task and came out. Healy, Hardwick, Longworth and Springfield meanwhile plugged along in the third lap. In the final lap, Longworth steered a bad course and got over into Healy's water. In the last 50 yards Longworth put in great strokes and soon got away from Healy and looked a winner, when Hardwick, swimming a powerful stroke, came to the front and won a great race by two yards from Longworth. Healy was five yards further behind and filled third position and Springfield fourth, being 30 yards behind Healy. The winner's time was 5 mins 35 secs, Healy's time 5.42. When Beaurepaire gave up, a small section of the crowd gave vent to their feelings in an unsportsmanlike outburst of hooting. An outburst like this is very discreditable and must be condemned on all sides by those keenly interested in the sport.

The 220 yards Breast Stroke brought out Alick Wickham and H.Snell (NSW), T.Richardson (Vic), G.Graham (Qld) and E.G.Finlay (West Aust). From an excellent start the competitors raced together for the first 110 yards, and on the return journey Finlay had a slight advantage at the kick-off. All the other men turned together except Graham who retired. For the last 50 yards all four men were locked together, and nearer the finish Finlay got a slight lead, and with a long strong stroke won by his fingertips from the South Sea Islander, Wickham. Richardson was third and Snell fourth. The time was 3 mins 15 $\frac{1}{5}$ secs which is 2 $\frac{1}{2}$ secs outside P.Matson's Australian record.

SWIMMING CARNIVAL
AUSTRALIAN AMATEUR. CHAMPIONSHIPS
NEW SOUTH WALES WINS THE TITLES
THE SUCCESS OF HARDWICK AND LONGWORTH

The growing interest of the public in the sport of swimming was well exemplified this afternoon when there were probably 3000 present at the Dry Dock, South Brisbane, for the contests in the Australian Amateur Championships. The afternoon was warm with a pleasant breeze, and the bright summer frocks of the innumerable ladies added variety to the scene. The interest of the fair sex in the races was indeed most keen. Amongst prominent citizens who were present were noticed His Worship the Mayor, Alderman Hetherington and Mrs Hetherington, the Hon E.J.Stevens M.L.C., W.H.Campbell M.M.L.C., Senator Turley, Messrs Ken Grant and G.Barber M.M.L.A., Dr A.B.Brockway and many others.

The competitors entered in the Championship events represented five States

and comprised the largest aggregation of swimmers that had visited Brisbane. The Brisbane Municipal Band was in attendance, and if such capital support can be depended on from the public, there should be no hesitation in the establishment of baths with proper accommodation for the public, as the conditions at the Dock always preclude many people from getting a satisfactory view of the races.

Results:-

Junior Inter-Club Handicap - A.W.McDonald (City) 1, W.Nevin (City) 2, F.Graham (Toowong) 3. Time 42 secs
Inter-State Handicap 100 yards - D.Sunderland (Toowoomba) 1, J.Hedger (Brisbane) 2, B.Patterson (Rockhampton) 3, Time 1 min 10 $\frac{3}{5}$ secs
220 yards Championship of Australia - H.H.Hardwick (NSW) 1, E.G.Finlay (W Aust) 2, C.Graham (Qld) 3. Time 2 min 38 $\frac{3}{5}$ secs. Other starters were A.Wickham (NSW) and M.Shields (Qld).

Finlay and Graham had the advantage of a good start, the New South Wales representative getting away badly. At 50 yards Shields had a slight lead from Hardwick who was swimming strongly, and shortly after overhauled Shields. The first 110 yards was dominated by Hardwick who was first to touch followed by Graham, Wickham, Finlay and Shields. Another 50 yards saw Hardwick forging ahead and his fellow representative from New South Wales stopped swimming. Hardwick won by ten yards from Finlay who was eight yards ahead of Graham, with Shields a good distance back.

High Diving - A fine display of High Diving was given by A.Wickham of New South Wales and J.Murray of Queensland. From the top of a steam crane 50 feet above the water Wickham did a "swallow" back dive and jump, while Murray twice did the "swallow". The graceful feats were loudly applauded.

Novelty Event - M.Watts (S Bris) 1, J.Duffy (NSW) 2.

This was similar to a "musical chairs" competition, life buoys being substituted for chairs.

Inter-State Handicap 440 yards - F.Mahony (City) 1, S.Springfield (Valley) 2, V.Bunting (S Bris) 3. There were 19 starters in all.

1 Mile Championship of Australia - W.Longworth (NSW) 1, H.Hardwick (NSW) 2, F.W.Springfield (Qld) 3. Time 25 mins $\frac{37}{5}$ secs. Hardwick's time was 25.43 $\frac{2}{5}$ and Springfield 26.30.

Springfield got away first but Hardwick was ahead at the first turn with breaks of 2 seconds between Longworth and Springfield. On the second turn Springfield dropped back a little further. The quarter was done in 5.52 $\frac{2}{5}$. At 550 yards Longworth took the lead from Hardwick with Springfield about 40 yards back. At the half mile Longworth was leading by about 15 yards from Hardwick, his time being 12.15 $\frac{3}{5}$. At the three quarter mile, Springfield who had dropped back about 60 yards began to improve his position. On the turn for home Hardwick challenged the leader, but Longworth responded gallantly and won by about ten yards with Springfield about 60 yards back from the winner.

Neat Diving Competition - W.Martin (Valley) 1, F.Lennon (City) 2, R.Willcox (City) 3.

220 yards Brace Relay Handicap - W.Carr & W.Graham (Toowong) 1, E.G.Finlay (W Aust) & J.Duffy (NSW) 2.

Water Polo - An impromptu Water Polo closed the proceedings.

Q.L.A.S.A.

A meeting of the Council of the QLASA was held on Thursday evening in Wiley's Studio. Those present included Mesdames Reid, King, Ruutz, and Wiley (Hon Sec), Misses Springfield, Geke, Singer and White. Mrs Reid presided.

A letter was read from Rockhampton asking for the QLASA to give assistance for the forthcoming Inter-State Championships. It was regretfully decided that the request could not be acceded to owing to want of funds. The New South Wales Association wrote signifying their intention to compete.

Mrs Wiley is having small cards printed, each card having ten shillings worth of squares, every square representing one penny. It is anticipated every delegate will take a card and do her best.

SWIMMING CHAMPIONSHIPS
100 YARDS BREAST STROKE AND 880 YARDS WORLD'S RECORD
BY WICKHAM - 60 YARDS IN 31 SECONDS

The second and last of the Australian Amateur Swimming Championships under the auspices of the Queensland Amateur Swimming Association was held last evening in the Booroodabin Baths. The place was uncomfortably crowded, being altogether inadequate for a carnival of such importance. An effort was made by the officials to provide some additional accommodation for the public by placing a dressing tent for swimmers at the rear of the building. Objection was taken to this, on the grounds, we understand to be, that it would prevent the swimmers from witnessing the events. In the end the objectors carried their point and the tent was not used.

A difficulty arose over the 100 yards Breast Stroke Championship of Australia. This event was won by A.Wickham (NSW) whose time being officially given at 1 min 13 $\frac{4}{5}$ secs, thus knocking four seconds off the World Record of 1 min 17 $\frac{4}{5}$ secs which stands to the credit of the same swimmer. The second man was T.Richardson (Vic) in a time of 1 min 19 $\frac{2}{5}$ secs, and E.G.Finlay (W Aust) was third. The other starters were L.G.Langtry, L.Mendoza and G.Graham, all of Queensland. The race was swum with three turns. The Referee, Mr T.A.Bond, disqualified all competitors on the grounds that they had not swum square all the way or touched with both hands. He accordingly ordered the race to be again contested. Richardson and Graham refused to take part in the swim-off, those contesting being Wickham, Finlay, Longworth and Mendoza. The result was a win for Wickham who attained a lead after the first length and finished in 1 min 19 $\frac{3}{5}$. The time of Finlay who was second was 1 min 23 $\frac{4}{5}$ secs and the third man was Mendoza.

In the 88 yards Championship of Australia there were four starters out of eleven contestants - H.Hardwick and W.Longworth (NSW), E.G.Finlay (W Aust) and F.W.Springfield (Qld). At commencement Longworth took the lead from Hardwick, with Finlay and Springfield remaining practically together some yards behind. After the fourth length Longworth and Hardwick were swimming almost together, but it was noticeable that Hardwick had a slight advantage on the turn. Finlay retired at the fifteenth lap, while with twelve to go, Hardwick was leading by about six yards. In the same lap Springfield sprinted and with five to go was level with the second man, Longworth. From then on Springfield and Longworth were practically together, Hardwick being about six yards ahead. The race was, of course, a certainty for Hardwick, and the struggle between Springfield and Longworth aroused great enthusiasm, the latter succeeding in beating Springfield just on the last turn. Hardwick's time was 12 mins 17 $\frac{1}{2}$ against the great Barney Kieran's time of 11 mins 11 $\frac{3}{5}$. Longworth's time was 12 mins 22 secs and Springfield's 12 mins 24 secs.

A successful attempt was later made by A.Wickham to lower the World's record for 60 yards, the distance being accomplished in 31 seconds, the previous record being 31 $\frac{2}{5}$ seconds.

Other events resulted as follows -

Junior Inter-Club Handicap - G.Pearce (Valley) 1, J.Brett (Valley) 2, F.Graham (Toowong) 3. •

Inter-State Handicap 60 yards - L.White (City) 1, T.Nivett 2, J.Hedger (Federal) 3.

Brace Relay Handicap 120 yards - B.C.Dowzer & H.Dowzer (Rockhampton)

Novelty Event - A.M.Taylor

Neat Diving - R.Wilcox 1, R.Harrower 2.

SWIMMING NOTES - By H20

The Queensland swimmers have done their best but the victory is with the southern swimmers. As it has been in the past, so it is now. The swimmer of fine physique and staying power is of more value to his State than one who can sprint 100 yards. Long distance swimming must be encouraged by every means in

our power if we hope to gain prestige in the natatorial art. Too much attention is paid in Queensland to short distance racing.

Last Saturday's carnival in the Dry Dock was memorable for the finest such race ever witnessed in Brisbane. It was also memorable that the public were precluded from taking an intelligent interest in the events by the lack of distinguishing numbers or badges on the competitors. Caps with numbers should have been worn, or the contestants should have had numbers on the backs of their costumes as high up as possible. A Result Board, intended for use not for ornament, is also a necessity, and a megaphone with a fairly good speaker behind it would be very welcome. Promptitude should also be observed. All these matters require rigorous attention, and unless there is some change in swimming carnivals which have always suffered more or less in the direction indicated, public support cannot be justly looked for. From the public point of view too, there is not enough variety in the carnivals, too much racing, not enough of the "novelty" business.

Q.L.A.S.A.

A meeting of the Council of the QLASA was held in Wiley's Studio on Thursday evening. There was a good attendance including Mesdames Campbell, King, Wiley, Misses Bell, White, Grose, Lonergan, Littleboy, Springfield and Lade. Apologies were received from Mesdames Gardiner and Ruutz.

The Secretary read correspondence from the City Council saying it would reserve the baths for the Association on February 18 and 22 for three pounds. A programme was drawn up and it was decided to hold the Junior Championship of Queensland at the second carnival.

The first day's events will include the 1-00 yards Championship of Australia, Championship Teams Race, 30 yards Junior, 60 yards Senior, Dive, Novelty Handicap, Teams Race (4). On the second evening the 220 yards Championship of Australia, Brace Handicap, Long Dive, 30 yards Junior Championship of Queensland, Junior Back & Breast (scratch Under 14 years), Obstacle Race, and a 30 yards B Grade will be contested.

All persons who are desirous of helping the Association are requested to advise the Hon Secretary (Mrs J.S.Wiley) as friends are needed. Entries close with the Hon Secretary on February 9.

Picture - B.C.Dowzer

One of the visitors to Brisbane for the recent swimming carnival was Mr B.C.Dowzer, Secretary of the Rockhampton Swimming Club, who took part in some of the events. Mr Dowzer has won some good trophies in the Central City carrying off the De Little Cup in 1906-07 and 1908-09. Last year he was out of swimming, having to take care of a weak back. Just lately he has resumed his position in the lists and hopes to give a good account of himself in future carnivals.

Rockhampton sent eleven swimmers to the carnival, and it is to be hoped the experience they gained will give an additional impetus to swimming on the Fitzroy where climate and everything else for this hot weather sport.

S.O. Saturday 4 February 1911

Q.A.S.A.

By Thursday night's mail train the following swimmers left for Rockhampton and Mount Morgan to take part in the carnivals in those cities to take place on February 4th and 6th, and February 11 and 13: F.O.Venning, H.J.Langtry, H.W.Hedger, A.R.Harrower, W.R.Trenfield, W.Graham, J.W.Hedger and M.Macartney. In Rockhampton the 100 yards State Championship will be decided and at Mount Morgan the 100 yards State Breast Stroke Championship will be contested.

Several criticisms have been leveled at the want of arrangement at the late carnivals. The Dock at South Brisbane was occupied by two dredges until the evening before the carnival. The only time remaining for the officials to have matters attended to, was a few hours on the morning of the carnival. Arrangements had been made for a larger supply of chairs, but unfortunately,

at 1pm a notification was received that only a certain number was available - too late to make other arrangements.

Q.L.A.S.A.

A meeting of the Council of the QLASA was held on Thursday evening when there was a large attendance. The southern visitors will arrive here next Wednesday night and will be met at the Central Station at 9.25pm by the Queensland Delegates and their friends.

Miss Fanny Durack, Melia Wylie, and Fanny Simpson are the girls chosen for the championship team from Sydney. Great interest prevails amongst the Brisbane girls.

The first carnival will take place on Saturday afternoon February 18 at 3pm, and the other on Wednesday evening February 22 in the Booroodabin Baths. All Clubs will entertain the visitors and a large attendance is expected. Particulars will be advertised. Test races will be held in the Booroodabin Baths next Tuesday evening.

S.O. Saturday 18 February 1911

Q.A.S.A.

The meeting of the Council of the QASA was held at the Grand Central Hotel on Monday evening with Mr D.S.Carter presiding.

The Balance Sheet of the Australasian Carnivals showed a profit of seventy five pounds three shillings and nine pence. In response for an appeal for assistance, it was decided to donate five guineas towards the funds of the Queensland Ladies Amateur Swimming Association.

The City Club was granted permission to hold the Mat Carroll Memorial Handicap and Neat Dive on March 14 in the Metropolitan Baths.

The only polo match to be decided next week will be the postponed Federal v Toowong match. This will take place in the Toowong Baths on Wednesday evening with P.W.Hill as referee. The Executive will met next week to decide what Clubs will take part in the second round of fixtures.

Several of the metropolitan swimmers who visited Rockhampton and Mt Morgan for carnivals have returned and reported a very wet time. The carnival at Mt Morgan was held in pouring rain. As the baths are not roofed, the gate takings were very small. The results of the State Championships allotted to these centres has resulted in the advent of two new champions, W.Graham of the Toowong Club for the 100 yards, and F.O.Venning of the Valley Club for the 100 yards Breast Stroke. A.R.Harrower, who competed in both Championships, was unable to secure better than second place in the 100 yards. In this race he was beaten by Graham by 1 1/2 yards. The winner's time was 1 min 3 1/5 secs. F.O.Venning's time for the Breast Stroke was 1 min 21 secs. Four swimmers are still in Mt Morgan to assist with the carnival there this evening. The boys report hospitable treatment at both centres.

LADY SWIMMERS
AUSTRALIAN CHAMPIONSHIP CARNIVAL
SUCCESS OF NEW SOUTH WALES

The first of the Australian Ladies Championship Carnivals was held in the Booroodabin Baths this afternoon under the auspices of the Queensland Ladies Amateur Swimming Association. There was a good attendance and the various events were keenly contested.

The officials were; Starter, Mrs T.Gardiner; Check Starter, Mrs Springfield; Referee, Mrs D.S.Reid; Timekeepers, Mrs Burrell, Misses Fell, Littleboy, and Durack (NSW); Result Steward, Miss A.White; Clerk of Course, Miss D.Lade; Press Correspondent, Miss I.White; Judges, Mrs King, Misses

Kitchen and Durack; Judges of Diving, Mrs Gardiner, Misses Littleboy and Durack; Reserve Chairs, Mesdames Venning , Grath and G.H.Thompson; Door, Mrs J.S.Wiley (Hon Sec).

Results were -

Public Schools Race Handicap 30 yards - Misses L.Smith 1, L.West 2.

100 yards Championship of Australia - Misses F.Durack (NSW) 1, M.Wylie (NSW) 2. Others who competed were: Marion Simpson (NSW), I.Thompson, L.Spottiswood, M.Grant, M.Springfield, L.Annan, N.Harrower (Qld).

This was watched with the keenest excitement and was swum in a very fair time.

60 yards Inter-Club Handicap - Misses M.King 1, I.Dowling 2, S.Lynch 3

130 yards Championship Team of Australia (present holders N.S.W.) - for medals presented by the QLASA - New South Wales (Misses F.Durack, M.Wylie, M.Simpson). Won by a few yards.

Dive - Misses F.Durack (NSW) 1, M.Grant (Excelsior) 2, M.Fegan (Val) 3

The winner's graceful performance was greatly admired.

Handicap Teams Race - Commercial B Team (Misses V.Wollstein, S.Lynch, B.Cuthbertson, I.Spottiswood) 1, Commercial A Team (Misses M.Roughead, A.Spottiswood, L.Wollstein, K.King) 2.

30 yards Novelty Event (in which a swimmer pushed the ball along in front of them while swimming) - Misses M.Springfield (Val) 1, M.Spottiswood (Excelsior) 2.

A rather unpleasant incident took place in connection with this race. Miss F.Durack, Captain of the New South Wales Team, was disqualified by the Referee on account of hitting the ball out of the water instead of pushing it in front of her, and in consequence of the Referee's action, the New South Wales girls were withdrawn from the event by the Captain.

SWIMMING NOTES By H20
THE AUSTRALIAN LADIES CHAMPIONSHIPS

The Australian Championship Carnivals under the auspices of the QLASA have now been concluded. They have been remarkable for two things - the establishment of a World record for Ladies by Miss F.Durack of New South Wales who swam the 220 yards in 3 mins 6 4/5 secs (fresh water), and the unsportsmanlike - or rather the unsportswomanlike - attitude of the visitors on several occasions. For instance, at the first carnival last Saturday afternoon one of the visitors was disqualified in a novelty event for throwing the ball instead of pushing it in front of her. She immediately called on the other New South Wales girls to retire from the event, which they did.

At the second carnival, several of the visiting girls, it is stated, objected to their handicaps and would not start, and passed uncomplimentary remarks about the outing which it was proposed to give them on the following day on the steamer "Lucinda".

It is the old story over again - New South Wales can never take a beating. When the Queensland girls visited New South Wales some time ago they were handicapped out of every race, but they did their best although they were very sore at the obvious efforts that were made by the questionable disqualifications that were made, and otherwise, to prevent the Queenslanders from winning anything.

If this sort of thing is to continue, it would be better for the QLASA to throw in their lot with the QASA and let New South Wales "go on its own".

So far as the carnival events were concerned there was room for considerable improvement, particularly on last Wednesday night when much confusion prevailed at times with one or two vexatious delays. As one official remarked, "We women cannot help talking, and at times are all talking at once. We are perhaps not firm enough, and many of the girls were late in coming to the starting point."

Taking all things into consideration, however, the President and members of the Council and the Hon Secretary deserve credit for the amount of whole hearted work accomplished and they certainly did their best - as did several of the Clubs - to entertain the visitors and make them feel at home. If the New South Wales girls are ungrateful, it is their misfortune. The Queensland girls may rest content that the visitors had very little to complain about.

FEDERAL CLUB

Owing to the absence of the Secretary and several other members, no Club swim has been held over the past three weeks. Messrs A.W.Hedger, J.W.Hedger, A.R.Harrower and W.R.Trenfield were amongst the group of swimmers who visited Rockhampton and Mount Morgan for the carnivals there. A.R.Harrower was fortunate to score two doubles - the 220 yards First Class Handicap and the Novelty Event, and was second to W.Graham in the 100 yards Championship of Queensland, and won the 100 yards Open Handicap at Mt Morgan. J.W.Hedger secured a tie for second place in the 100 yards Handicap at Rockhampton, but had to return to Brisbane before the Mt Morgan carnival took place.

A splendid Cup presented by Mr F.W.De Little for the 220 yards First Class Handicap in Rockhampton is now being exhibited in the window of Mr R.W.Eve's premises, Queen Street. Other trophies won by A.R.Harrower will be exhibited in the same window when they arrive in Brisbane.

Members of the party who made the trip speak in high terms of praise of

Rockhampton and Mount Morgan Club members, particularly "Bernie" Dowzer and W.P.Sparkes the respective Secretaries, for the manner in which they arranged for the visitors' comfort and enjoyment.

STATE SCHOOLS CARNIVAL
CHAMPIONSHIP AND OTHER EVENTS

The utmost enthusiasm marked the Third Annual Carnival under the auspices of the State Schools Amateur Swimming Association held this afternoon in the South Brisbane Municipal Baths which had been tastefully decorated for the occasion by the Caretaker, Mr Blake.

No fewer than 538 entries - including those from 11 boys from Ipswich, and a similar number from Bundaberg, were received for the twelve events. Of this number, the competition for the Neatest Header claimed no fewer than 72 and the Life Saving competition 52. The interest shown in the latter, being one of the most pleasing features of the carnival.

EXCELSIOR CLUB

The Club held a most successful carnival last Tuesday evening witnessed by several hundred spectators amongst whom were Mesdames Baldwin (Vice President), Simmons, Pond, D.S.Reid (President QLASA), J.S.Wiley (Hon Sec QLASA), Spottiswood, Springfield, King, Sparkes, Spiro, Diamond, Grose, Rosenberg and Bennett, Misses Hall, Dent, Hunt, Simmons, Spicer, Wright, Wollstein, Spottiswood, Thompson and others.

Q.L.A.S.A.

The Council of the QLASA met in Wiley's Studio on Thursday evening. The Secretary read a letter from Rockhampton inviting a team of girls to visit the City and compete in the carnival there. Various Secretaries of Clubs expressed their opinions that their girls would not make the trip.

It was reported the Australian Championship Carnivals had been successful financially, and after all accounts had been paid there would be a substantial credit balance.

The Valley Ladies Club was granted permission to hold two State Championships at its carnival on April 4, the Club to pay the Association one pound ten shillings, and the Association to find the medals.

The Association tendered its thanks to all who had assisted at the carnivals, including Mr Littleboy.

CLOSE OF SEASON

The season just closed has been the most successful yet experienced in Queensland. The number of swimmers has largely increased, and the most gratifying feature has been the remarkable advance the sport has made in the State Schools. To the schools we must largely look for our future swimmers and it is pleasing to record great progress has been made by both girls and boys, particularly the girls. The schoolboys already have a well-managed Association of their own, but so far the girls have not yet formed one. It is hoped, however, that next season such an Association will be brought into existence, thus encouraging the girls to take an even keener interest in the sport.

To the Press Correspondents the Clubs owe a debt of gratitude, for without their work the progress of the natatorial art would be largely retarded. It is mainly owing to keeping the doings of the Clubs prominently before the public that has led to the record success of the season just ended.

VALLEY CLUB

The following head the list in the Club's Points for the year: Seniors, S.A.Springfield 45, B.Asprey 36, R.Marsh 30, F.W.Springfield 29 Juniors, W.Peakes 39, E.Pierce 37, H.Burnett 36, L.Marsh 30.

Attendance Seniors, R.Marsh 22 nights (the season consisted of 25 nights, and on two nights carnivals were held for which points were not awarded, and one swim was cancelled), S.A.Springfield and B.Asprey a tie with 20 nights.

Attendance Juniors, H.Burnett 22 nights, E.Pierce 21 nights, J.Lynch and W.Peaks each 19 nights.

ST JOHN'S LADIES CLUB held their Annual Dance and award of trophies on Thursday evening. Mrs Le Fanu, the Club's Patroness presented the trophies, and presented the Secretary, Miss C Stewart, with a beautiful gold bangle in recognition of her valuable services during the past year.

TIARO GORDON CLUB

There was a record attendance at the Tiaro Gordon Club's opening sports, which took place in the form of a swimming carnival in the Mary River on Saturday last.

SWIMMING - OPENING OF THE SEASON
By H20

Preliminary preparations for the season have already been made by a number of Clubs, and most of them will hold their Annual Meetings within the next few weeks. It certainly promises a record season for the Q.A.S.A and the Q.L.A.S.A. and State Schools Association. It is probable some action will be taken to organise the State Schools Girls Clubs into an Association, and the sooner this is done the better.

CITY LADIES CLUB

The Annual Meeting of the City Ladies Amateur Swimming Club was held in the Cafe Eshenhagen last evening. Those present included Mrs E.H.Macartney (who presided), Mrs Gordon, Misses Schoeck, Fall, Lade, Archer, Brunnich, A.Parish, Gordon, Walsh, Gardiner and White.

The Hon secretary, Miss Brunich, read the Report which was of a comprehensive nature and reviewed the work of the past year. The Treasurer's Report showed a Credit Balance of three pounds six shillings and ten pence.

The following officers were elected for the year:- Patroness, Mrs E.H.Macartney; Presidents, Mesdames Burrell and Chapman; Vice Presidents, Mesdames Leutenegger, J.N.Devoy, H.Moxley, Diddams, N.Peterman, W.L'Estange, Brockway, and Misses Cecil, Roberts, I.Forrest; Hon Secretary, Miss Brunnich (re-elected); Hon Treasurer, Miss C.Walsh; Captain, Miss I.Dowling; Vice Captain, Miss C.Walsh; Handicapper, Miss O.S.Hall; Committee, Mrs Gordon, Misses M.Walsh, R.Cottell, A.Walsh, O.Hall, Chapman, Phillips, White, I.Dowling and A.Parish; Delegates to Q.L.A.S.A. Mrs Gordon and Miss Brunnich; Press Correspondent, Miss Dolly Gordon.

At the conclusion of the meeting refreshments were served.

ROYAL LIFE SAVING SOCIETY

The first Executive Committee meeting of the present season was held last Thursday evening in the Y.M.C.A. Rooms. Mr A.V.Parker of Sydney was voted to the Chair, and Messrs F.G.Pickburn, S.Dennis, W.Finnimore, F.Springfield, P.W.Hill, J.J.Callaghan, E.J.Jacob, F.Parish, H.C.Rasey, H.Moxley and The Hon Secretary (Mr F.O.Venning) were also present.

The Hon E.J.Stevens wrote accepting the position of President and enclosed a cheque for two guineas. The following accepted the office of Vice President, Hon T.C.Beirne M.L.C., Mr J.Allan M.L.A., and Miss A.Green. All enclosed cheques.

Mt Morgan wrote congratulating the Society and affiliating.

BURGESS FEAT

Since Captain Webb swam the English Channel in 1875, there have been many attempts to perform the same feat, but until a day or two ago they resulted in failure.

During the week, however, word was received by cable that the well known English swimmer, T.W.Burgess, had successfully completed the remarkable self-imposed task. He had made fourteen attempts previously, but had on each occasion met with a setback, generally adverse currents.

The distance covered by the swimmers varies, of course, according to the course they keep. Captain Webb covered about 35 miles on his successful attempt.

LADIES COMMERCIAL CLUB

The Annual Meeting of the Ladies Commercial swimming Club was held at the residence of Mrs King, Leichhardt Street, last Monday night.

The Report and Balance Sheet, which were adopted, showed the receipts

amounted to forty two pounds seven shillings and threepence, and Expenses to thirty nine pounds thirteen and nine pence, leaving a credit balance of two pounds thirteen and sixpence.

It was decided that in future the Club Colours should be scarlet and chocolate.

Mrs King kindly donated a trophy valued at one guinea for the member of the Club who could persuade the greatest number of girls to join the Club during the season.

A motion was passed that the City Council should be approached regarding baths for women.

The following officers were elected for the ensuing year -

Patroness, Mrs A.E.Wilcox; President, Mrs King; Vice Presidents, Mesdames Dulley, Groth, Ryder, Spottiswood, Brett, Henley, Foy, Abbott, D.S.Reid, Messrs Powell, E.C.Chambers, W.S.Johnson, J.Pike, Hawkins, Tyler and Cripps; Captain, Miss Masie Roughead; Vice Captain, Miss Bella Wollstein; Secretary, Miss E.I.White; Treasurer, Miss Minnie King; Auditors, Misses J.King and M.White; Committee, Misses G.Murphy, I.Spottiswood, E.Smith and J.Cuthbertson.

It was decided to hold the first Club swim on Monday September 25 for points, and marks for attendance to commence on the first Monday in October.

All correspondence should be addressed to the Secretary, Miss E.I.White, of Boomerang Street, North Quay.

STATE SCHOOLS AMATEUR SWIMMING ASSOCIATION

The following is the Third Annual report of the State Schools Amateur Swimming Association to be read at the Annual meeting on Thursday 21 September.

The Association consists of 22 Clubs, an increase of 4 Clubs over the 1909-10 season, with a total of 1902 members. (Clubs named).

During the season 1908-09 membership was 1030 and the number taught to swim 326. In the season 1909-10 the membership totalled 1571 and the number taught to swim 522, while during the season just concluded the numbers were 1902 and 479 respectively. The numbers taught to swim show a decrease of 53, but the decrease in the latter was due to the introduction of Life Saving which took up a great amount of the time at the teacher's disposal. The committee hopes to see the number taught steadily increase. There are still only two Clubs outside the metropolis affiliated with the Association, Bundaberg South, and Ipswich West.

The Annual carnival of the Association held in the South Brisbane Baths on March 11, 1911, was a success in every way. The entries totalled 562 compared with 372 in 1909-10. Attendance of the public at the carnival was a record for the Association. Championships were won by the following boys - 100 yards, L.Reid, Bundaberg South; 33 Yards Junior, H.Horsley, West Ipswich; 133 yards Teams Junior, West Ipswich; 33 yards Breast Stroke Senior, B.Maguire; 33 yards Breast Stroke Junior, L.Pierce. Four out of the six Championships were won by the two Country Clubs.

Q.L.A.S.A.

A report of the Annual Meeting of the Q.L.A.S.A. appeared in yesterday's Courier and Observer.

The Seventh Annual Report to which brief reference was made was as follows:-

The Council of the Queensland Ladies Amateur Swimming Association has much pleasure in presenting to you the Seventh Annual Report. In doing so, the members desire to congratulate you on the distinct progress that has been made during the year amongst the women of Queensland, an advance which it is confidently hoped will be marked with each year's work.

There are nine Clubs affiliate with the Association, namely, Fitzroy, Excelsior, City, Valley, South Brisbane, Commercial, Normal School, Girls High School, and Wynnum Gordon. Of these, eight are metropolitan and one a Country Club. There are approximately 1600 swimmers on the list of members of these

Clubs, which is considerably in advance of the number registered in 1909-10.

The outstanding feature of the year just closed was the visit of New South Wales swimmers to Queensland to compete in the Inter-State Championship events. Victoria did not send any representatives and therefore had to pay the penalty of five pounds. The New South Wales Team numbered three with Durack as Manageress. The names of the competitors were Misses F.Durack, M.Wylie, and M.Simpson. Several swimmers and visitors accompanied the team to Brisbane. Two successful carnivals were held, one on February 18 and one on February 22 in the Booroodabin Baths. The New South Wales team carried off the Championship of Australia. In the 220 yards Championship of Australia, Miss F.Durack (NSW) secured first place beating the holder, Miss M.Wylie (NSW), while Miss M.Springfield (Qld) secured second place. Some representatives from Rockhampton were also present and competed during the carnival.

The Mayoress of Brisbane, Mrs Diddams, very kindly gave a Reception in the Town Hall Chambers to the visiting swimmers in the morning after their arrival here, which was greatly appreciated. The visitors were also entertained during their stay by some of the metropolitan Clubs viz. South Brisbane, Excelsior, Valley, Ladies Commercial and City. The Association entertained the visitors on the Q.G.S."Lucinda" kindly lent for the occasion by the Premier, Hon D.F.Denham, when the President, Mrs D.S.Reid, presented the prizes.

During the year the Council held nine monthly meetings, all of which were well attended by delegates from the various Clubs affiliated with the Association.

During the year, collecting cards were issued to members, which brought in a very substantial sum towards the funds of the Association, and a Euchre Party was held which proved a financial success.

The State Championships were competed for during a carnival held by the Valley Club, the result being in 60 yards, Miss M.Springfield and in the Teams Championship the Valley A team secured first place.

Meetings of the Council during the year were held in Wiley's Studio and the Council wishes to place on record its grateful thanks to Mr J.S.Wiley for the kindness in allowing it the use of his Room. The Council also wishes to thank the following ladies and gentlemen who contributed to their funds during the year - Hon E.J.Stevens M.L.C., Messrs T.A.Bond, W.L'Estrange, Q.R.Paull, R.S.Exton, J.S.Wiley,

D.S.Carter, W.J.Collin, J.H.Grice, M.Barry, Hon E.H.Macartney, Dr A.B.Brockway, A.Littleboy, D.R.McCullough and Rhoades, and Mesdames Ruddle, Congeau, Marchant, D.S.Reid, W.S.Anderson, T.Gardiner, King, G.D.Thompson, Lesley Corrie, W.Peterman and the Mayoress of Brisbane, and also Baker & Rouse, Excelsior, City, and Ladies Commercial Clubs.

Special thanks are due to the Q.A.S.A. for generously donating five guineas to the Association.

The Council also thanks the Press, especially the "Sports Observer", also the Handicappers Mrs Burrell and Miss Singer.

Mrs Wiley, whose resignation as Secretary was received with great regret, and to whom a presentation was forwarded, has done excellent work. When she commenced, the account in the bank was seven shillings. She leaves the Association with a Credit Balance of seventeen pounds, and its present position is mainly due to her unselfish work and enthusiasm.

VALLEY LADIES CLUB

The Annual Meeting of the Valley Ladies Club was held in Webster's Cafe, Brunswick Street, last Tuesday night.

The Report of the Joint Secretaries, Misses S.Haslet and M.Clarke, showed that the past season had been quite as successful as the previous ones. The membership at the end of the season was 65. The total Receipts were twenty three pounds ten shillings and ninepence, and Expenditure twenty two pounds eight shillings and two pence. The work of the year was reviewed in a very comprehensive manner and thanks tendered to all who had assisted the Club.

The following officers were elected: Patroness, Mrs M.Thompson; President, Mrs T.Wilson; Vice Presidents, Hugall, Hudd, Brown, Swift, Thompson, Walker, Parish, Rode, Coomber, Springfield, Matthews, Davis, Vaughan, Hon T.C.Berne, Ald E.C.Ganly, Mesdames, Goldsmith, Allan, W.S.Anderson, Alexander and Mr

Barry; Secretary, Miss Brown; Treasurer, Miss Springfield; Captain, Miss Thompson; Vice Captain, Miss E.Vaughan; Handicapper, Miss Haslet; Press Correspondent, Miss M.Clarke; Auditors, Misses Roberts and Clarke; Committee, Mrs Venning, Misses E.Vaughan, S.Haslet, Butterfield, Parish, H.Fitzgerald; Delegates, Misses Butterfield and Clarke.

The first swim was fixed for the first Tuesday in October.

A NEW CLUB

At a meeting of the North Brisbane Branch of the Australian Natives Association it was decided to form a Swimming Club and affiliate with the Q.A.S.A. Although the Club will not be confined to members of the Branch it is hoped the effort on their part to provide amusement for the summer months will also be a means of increasing the membership of the A.N.A. The Club is almost identified with the old North Brisbane Club, and many of its members are assisting with the establishment of the new Club, notably W.Kuder, W.H and M.J.Hinch, and D.A.Corrie.

SWIMMING QUEENSLAND AMATEUR ASSOCIATION ANNUAL MEETING

The Annual Meeting of the Queensland Amateur Swimming Association was held last evening in the Trades Hall. Dr A.B.Brockway (a Life Member) presided over a good attendance which included Messrs A.Butterfield, D.S.Carter, G.Crawford, F.Springfield (Vice Presidents), D.J.O'Connell (Treasurer), W.Kuder (Secretary and Press Correspondent), and H.Moxley (Handicapper). Letters of apology were received from Hon E.J.Stevens M.L.C., and Hon J.W.Blair M.L.A., the former wishing the Association every success.

The Thirteenth Annual Report was presented by Mr D.S.Carter, Chairman of the Council. The Report stated that the last season was the most successful experienced by the Association. The total number of Clubs affiliated was 23, comprising 13 metropolitan and 10 country Clubs. Regarding the finances, a cash Credit Balance of eighty four pounds seven shillings and threepence was shown, which was the largest balance possessed by the Association since its inception. Reference was made to the Eleventh series of Australasian Championship Meetings held in Brisbane and Sydney in January last, and also to the local carnivals. During the season the Water Polo Rules were revised and a premiership competition for a Cup presented by Mr J.H.Grice was carried out, the Valley B Team winning the Premiership. The Committee recommended that in place of weekly fixtures, in future, the right to challenge the present holders be given to Clubs and the matches to take place at carnivals. The visit of Mr W.M.Henry, the Founder and Chief Secretary of the Royal Life Saving Society, was referred to, and thanks of the Executive was tendered to those who had rendered assistance during the year, including the press, especially the "Sports Observer". The Report was adopted.

The Report of the Handicappers, which was adopted, stated that the entries had steadily increased during the year, and hoped that the Association would arrange long distance swimming during the coming season.

The election of officers resulted as follows:- Patron, Hon E.J.Stevens M.L.C; President, Hon J.W.Blair M.L.A; Vice Presidents, The Mayors of North and South Brisbane, Messrs F.Springfield, J.W.Nissen, Maurice Baldwin, T.A.Bond, N.J.Barry, A.Butterfield, Geo Crawford, J.H.Grice, D.S.Carter J.P, W.H.Hinch, T.Welsby and W.Effie; Life Members, Dr A.B.Brockway and R.H.Roe M.A; Handicappers, Messrs J.S.Kerr, E.Morris and H.Moxley; Local Consuls, Ipswich Mr A.J.Schaffer, Allora Mr W.J.Lilley, Rockhampton Mr J.O'Dwyer, Toowoomba Mr C.Fortescue, Mount Morgan Mr D'Arcy Wentworth; Hon Auditors, Messrs T.J.Donovan and R.H.Bunting; Hon Secretary and Press Correspondent, Mr W.Kuder; Hon Treasurer, Mr D.J.O'Connell; Hon Assistant Secretary, Mr E.M.Tooth.

On the motion of Mr Crawford, it was decided to recommend to Council that the two Life Members be presented with badges in recognition of their services. In returning thanks, Dr Brockway said it was necessary that the

Association should agitate until they could compel the authorities to see the necessity of giving them better baths.

After the usual vote of thanks, the meeting closed.

SWIMMING
STATE SCHOOLS ASSOCIATION

The Annual Meeting of the State Schools Amateur Association was held last evening in the Y.M.C.A. Rooms. Mr R.H.Roe M.A. (Inspector General of Schools) occupied the Chair, and others present included Major Darvall D.D.A.G. (representing Colonel Parnell, Military Commandant), and Lieut Durrant (representing Major Pinnock, Brigade Major in command of 2nd Brigade of Cadets, Queensland). Apologies were received from Hon K.M.Grant (Minister for Public Instruction), the Under Secretary (Mr J.D.Story), and the Hon E.J.Stevens M.L.C.

Mr A.Griffith, Hon Secretary, moved the adoption of the Annual Report. Mr Roe, in seconding the Report, urged the Association to use its efforts to secure improved bathing accommodation which would be open to the sunshine and free air, where clean water would be always obtainable. The Association deserved the warmest support of the Education Department and the Public. Major Darvall said the Cadet Curriculum included swimming, and he pointed out its importance from a military point of view. The Report was adopted after further discussion.

The election of officers resulted:- Patron, Hon K.M.Grant (Minister for Public Instruction); President, Mr J.D.Story; Vice Presidents, Hons D.F.Denham (Premier of Queensland), E.H.Macartney, W.H.Barnes M.M.L.A., E.J.Stevens M.L.C., Mr R.H.Roe M.A, Colonel Parnell (Military Commandant), the Mayors of Brisbane and South Brisbane, the Metropolitan Schools Inspectors and the Head Teachers of the Metropolitan Schools; Hon Secretary, Mr A.Griffith; Assistant Secretary and Treasurer, Mr W.H.Morrow; Committee, Messrs L.J.Callaghan, L.Cantwell, J.P.McMurray, H.Shea, C.Harvey, P.Bonham, T.G.Weymouth; Chairman of Committee, Mr R.J.Callaghan; Auditors, Messrs W.F.Stanley and W.M.Maundrell.

Certain suggested amendments in the Rules were considered. It was agreed that - One shilling should be posted with every protest the amount to be refunded if the protest was successful; The matter of giving greater prominence to Life Saving at Carnivals be left to the new Committee; A recommendation be made that the practice of charging one shilling for all events at a carnival should be discontinued; A printed entry form should be obtained.

Q.A.S.A.

The Annual Meeting of the Q.A.S.A. was held on Wednesday night.

The Financial Statement disclosed a Credit Balance of eighty four pounds seven shillings and seven pence, which reflects great credit on the Hon secretary and other officials of the Association. The Report referred to the numerous applications received for Long Distance Certificates, and offered the valuable suggestion that the incoming Council might consider the advisability of inducing the Clubs to encourage long distance swimming to a greater extent by placing long distance events on their carnival programmes.

The election of officers resulted as follows - Patron, Hon E.J.Stevens M.L.C.; President, Hon J.W.Blair M.L.A.; Vice Presidents, Mayors of North and South Brisbane, Messrs Maurice Baldwin, T.A.Bond, N.J.Barry, A.Butterfield, J.H.Grice, D.S.Carter, F.Springfield, F.W.Nissen, W.H.Hinch, Geo Crawford, T.Welsby and W.Effie; Life Members, R.H.Roe M.A., Dr A.B.Brockway; Hon Handicappers, Messrs E.Morris, J.S.Kerr and H.Moxley; Local Consuls, A.J.Schaffer (Ipswich), W.J.Reilly (Allora), Josh O'Dwyer (Rockhampton),

C.Fortescue (Toowoomba), D'Arcy Wentworth (Mt Morgan); Hon Auditors, Messrs T.J.Donovan and R.H.Bunting; Hon Secretary and Press Correspondent, Mr W.Kuder; Hon Treasurer, Mr D.J.O'Connell; Hon Assistant Secretary, Mr E.M.Tooth.

STATE SCHOOLS ASSOCIATION

At the Annual Meeting of the State Schools Association, Mr H.Roe M.A., Director of Education, in seconding the adoption of the Report and Balance Sheet, said it gave him pleasure to do so, not only as a lover of the sport, but on behalf of the Department which realised that swimming was not only healthy and cleanly - a valuable accomplishment and recreation - but a form of school sport which was good in all respects and helped to bring teachers into touch with the boys as nothing else could. To the teachers he said, "If you want to make your teaching successful, make a companion of the boys out of school hours." He referred in terms of appreciation to the work of the Association. That there were less number taught might be accounted for by the fact that so many had previously been taught. There was no reason why every boy and girl should not swim, in a climate like that of Queensland. The importance and advantage of learning Life Saving Methods was instanced by personal experience of the speaker, and the Association was urged to use efforts to secure improved bathing accommodation for Brisbane.

By H20
CITY CLUB

The Annual Meeting of the City Amateur Swimming Club was held last Tuesday evening in Barry's Grand Central Hotel. Mr F.O.Venning was voted to the Chair, and there were about 30 others present.

The Annual Report and Balance Sheet which were adopted showed the Club to be in a very healthy condition. Last season was a record one, and the enthusiasm shown at the Annual Meeting augurs well for the coming season. A hearty vote of thanks was passed to the Hon E.J.Stevens M.L.C., office bearers and the Press, especially the "Sports Observer".

It was decided to commence the coming season on Tuesday October 10 in the Metropolitan Baths, when the Hon Secretary will be pleased to enrol members. Fees for the season are, Seniors 2/6 and Juniors 1/-.

It was decided to hold the first Committee meeting next Wednesday evening at Barry's Grand Central Hotel. A hearty vote of thanks was passed to Mr Hector Moxley, the retiring Secretary.

The election of Office Bearers resulted: Patron, Hon E.J.Stevens M.L.C.; President, Mr E.R.Gross; Hon Secretary and Treasurer, T.F.Raine; Captain, L.White; Vice Captain, Vic Meise; Starter and Timekeeper, H.Moxley; Handicapper, W.Duffy; Hon Auditors, W.Trevethen and M.G.Aitken; Press Correspondents, T.F.Raine and W.Duffy; Delegates to Q.A.S.A., E.Dunderson, T.F.Raine, W.Trevethen, H.Moxley and W.Duffy; Committee, M.G.Aitken, A.White, W.Trevethen, E.Dunderson, J.Pike, F.G.Pickburn, J.Deane, J.C.Davies, L.White, Vic Meise, Hector Moxley, W.Duffy and T.F.Raine.

Mr E.Dunderson donated a handsome gold medal for competition during the coming season.

SPRING HILL BATHS

Mr E.Wetzel has secured the position of Caretaker of the Spring Hill Baths, Arthur Street. It will be remembered he was Hon Secretary of the Q.A.S.A. from 1902 to 1909 and initiated the first meeting of the Royal Life Saving Society in Brisbane on the occasion of the visit of Lt Colonel R.E.Roth from Sydney. He also took an active part in founding the Schools Amateur Swimming Association, and on several occasions was Manager of the Queensland team which competed in the south.

VALLEY CLUB

The Annual Meeting of the Valley Club was very successful. The Report and Balance Sheet which were adopted showed membership at the close of last season, exclusive of officers, was 62, including 22 Juniors, and members were urged to secure new members, especially non-swimmers who would be instructed free of charge. The events of the year were comprehensively reviewed, and thanks extended to all who had assisted, particularly the "Sports Observer".

It was decided the first Club swim would be on Wednesday October 11. The conditions of the Heat Cup Life Saving Competition were explained, and it was decided to endeavour to win the cup.

The following officers were elected: Patron, Ald T.Wilson; President, Mr F.Springfield Snr; Vice Presidents, Hon T.C.Beirne M.L.C., Hon E.J.Stevens M.L.C., Messrs Wyn Fowles, Goldsmith, R.Homann, P.Scott, F.O.Venning, R.Le Bas, G.Baxter, M.Barry, A.G.Littleboy, E.Ruddle, R.A.Ruddle, P.W.Hill, H.T.Parish, J.Bulgin, H.O.Ashby, A.Sparkes, E.Sparkes, J.Scott, H.C.Whyte, W.P.Sparkes, J.H.Grice, P.Swift, J.Reid, Cook, G.Rhoades, F.Humfress, P.Jinkson, G.C.Hemon, A.Sparkes Jnr, and A.Butterfield; Captain, F.W.Springfield; Vice Captain, D.Ashbury; Junior Captain, O.Thompson; Junior Vice Captain, E.Pierce; Senior Handicapper, H.C.Rasey; Junior Handicapper, R.Marsh; Press Correspondent, E.Jacob; Delegates, W.Finnimore, W.McAnally, F.O.Venning and F.W.Springfield; Auditors, J.Winterflood and T.Scott; Committee, F.Springfield, G.Adams, J.Byrnes, J.Quinn, S.Dennis, A.B.Parker, P.W.Hill; Hon Treasurer, F.O.Venning; Hon Secretary, W.McAnally.

West End Boys State School

The boys of the West End State School held their first swim in the South Brisbane Baths on Monday evening. There were over 100 present. Mr Charles Hardy was the teacher in charge assisted by Mr Bradford (Scout Master), Mr Chaplain (Life saving Squad teacher), and Masters Smith and Priddle (Junior teachers). A number of boys swam 100 yards breast and back stroke, and members of the Life Saving Squad and other lads received tuition. They all apparently enjoyed their first swim of the season. The Trustees and Committee of the school provided each lad with a free ticket of entry to the baths.

Royal Life Saving Society

A Special Meeting of the Executive was held last Monday to draw up the conditions for the season's Heat Cup competition.

The affiliation fee for Swimming Clubs is only ten shillings and sixpence per annum. Copies of information as to the formation of classes of instruction, constitution, and the various conditions for the conduct of competitions, will be forwarded on application to F.O.Venning, the Hon Secretary, c/- Booroodabin Baths, Valley.

TOOWONG CLUB

The Annual Meeting of the above Club was held in Toowong last Tuesday. Mr J.Hiron occupied the Chair and there was a fair attendance of members.

The Annual Report and Balance Sheet were read and confirmed. The Balance Sheet showed a small debit owing to inclement weather during the season.

The election of office bearers resulted: Patron, Hon E.H.Macartney; President, Mr J.Hiron; Vice Presidents, Hons T.O'Sullivan and E.J.Stevens M.L.C., W.Land, S.Davis, F.W.Nissen, J.Ryan, G.Hiron, F.W.Simmonds, D.McNamara, R.T.Rathlan, Dr Mayne; Captain, C.Graham; Vice Captain, W.Carr; Joint Hon Secretaries, G.K.Petrie and G.Parkinson; Hon Treasurer, W.B.Swain; General Committee, F.E.Duncalfe, R.H.Bunting, T.Knight, C.Knott, E.Morris; Handicapper, F.E.Duncalfe; Delegates to Q.A.S.A., F.E.Duncalfe, W.B.Swain, G.Parkinson, G.K.Petrie.

The first swim of the season will be held next Tuesday night when a good attendance of members is requested both Seniors and Juniors. Applications for full membership may be made to the Joint Secretaries c/- F.E.Duncalfe, 337-339 George Street, City.

ST JOHN'S LADIES CLUB

The Annual meeting was held last Saturday evening in the St John's Day School with Mrs Pattinson in the Chair. The Rev Canon Pattinson was also in attendance. The Secretary's Report showed the last season to have been very successful.

The election of office bearers resulted as follows: Patronesses, Mesdames Le Fanu, Pattinson and Stuart-Leishman; President, Mrs H.Simmons; Vice Presidents, Mesdames, Corfe, Hardy, Denham, Stewart, Benson, Diamond, J.O'Bourne, Buzzacott, Newey and Misses Richmond, Midgley, Wassell, Barker, L.Hammond and J.Stevens; Secretary, Miss E.Stewart; Treasurer, Miss M.Bowen; Captain, Miss H.Brown; Vice Captain, Miss M.Rasmussen; Judges, Misses E.Midgley and A.Hutchinson; Handicappers, Misses L.Hughes and D.Cowen; Committee, Misses P.Dobson, L.Kenyon, F.Blumson, M.Stewart, P.Palmer, and V.Casewell; Press Correspondent, Miss L.Kenyon.

The first swim of the season will take place in the South Brisbane Baths next Wednesday.

Note: Blind deaf and Dumb Institute weekly swims being recorded in these notes in the Sports Observer.

POLICE CLUB

The inaugural swim of the Police Amateur Swimming Club was held in the Municipal Baths, Edward Street, last Thursday night, and a representative gathering of the members of the Force in Brisbane assembled to witness the Club take its first header into the healthy waters of organised amateurism.

Considering the low degree of temperature prevailing, the attendance was very satisfactory, and the enthusiasm displayed augurs well for the future of the Club. Several promising performers came to light as a result of the swim, the most notable being Constables Price, Phelps and Rose (late mile Breast Stroke champion Glasgow City Police) who should, with perseverance, develop into a worthy representative of the Club.

Excelsior Ladies Club

The Third Annual Meeting was held in the South Brisbane Baths on Tuesday evening. Mrs M.Baldwin occupied the Chair, and there was a splendid attendance of members.

The Annual Report, which was adopted, stated that the past season had been very successful. The Receipts totalled sixty eight pounds nine shillings and sixpence, and there was a Credit Balance of nine pounds eleven shillings and sixpence. The Club heartily thanked those who had presented trophies or given assistance or donations during the past year.

Officers for the ensuing year were elected as follows - Patroness, Mrs Savage; President, Mrs M.Baldwin; Vice Presidents, Mesdames R.W.Ede, W.Ahles, Spiro, T.Proe, Allan, Frisby, Stafford, Messrs H.Whyte, Owen Hayes, P.J.Coffey, R.W.H.Long, Gailwey, W.Smythe, J.Allan, J.Ross, Mesdames Pond, Diamond, Simmons and Rosenberg; Secretary, Miss Lily Grose; Treasurer, Miss Jessie Annan; Captain, Miss L.Spottiswood; Vice Captain, Miss L.Roberts; Handicappers, Misses N.Smith and M.Robinson; Starter, Miss Grose, Clerk of Course, Miss P.Rosenberg; Instructor, Mr Blake; Press Correspondent, Miss L.Smith; Delegates to Q.L.A.S.A. Misses Grose and Annan; Committee, Misses Grose, Annan, Smith, Rosenberg and Simmons.

A vote of thanks was recorded to the "Sports Observer".

Allan & Stark Ladies Club

At a meeting of lady assistants at Messrs Allan & Stark's establishment, it was decided unanimously to form a Ladies Amateur Swimming Club. Mr W.P.Sparkes occupied the Chair, and a Committee consisting of Misses M.Hayes, H.Merrix, A.Smith, K.Williams, K.Farrell and E.Durston was appointed to make arrangements.

The following officials were elected - Patroness, Mrs J.Allan; President, Mrs R.B.Stark; Vice Presidents, Mrs A.B.Stark, W.Stephenson, J.Sinclair, Attwater, N.Robinson, E.J.Gillingwater, Misses Graham, N.Davey, N.Hair; Hon Secretary, Miss H.V.Sherwin; Hon Treasurer, Miss M.Hardy; Hon Handicapper, Miss M.Bothamly; Captain, Miss A.Smith; Vice Captain, Miss H.Merrix.

It was decided to affiliate with the Queensland Ladies Amateur Swimming Association. The first swim is to be held in the Metropolitan Baths on Wednesday next.

The men's Branch of the Allan & Stark Amateur Swimming Club held their first swim in the South Brisbane Baths on Tuesday evening last.
Queensland Swimming Association

Q.A.S.A.

The first Q.A.S.A Council meeting of the season was held last Monday evening when the following officers were elected - Chairman of Council, Mr D.S.Carter; Hon Starter, Mr J.S.Kerr; an Executive of five. Cheques were received from the Hon E.J.Stevens M.L.C., Messrs W.Effey and F.Springfield.

Another Swimming Club has been formed in Rockhampton, and affiliation has been granted them by the Association.

Advice has been received from Adelaide that their share of the Australasian Championships will be held as follows in 1912 - Half Mile, Wednesday January 17; One Mile, Saturday January 20; 100 yards Breast Stroke, Monday January 22; 220 yards, Wednesday January 24.

There was also a long article "How I swam the English Channel" Burgess own story - Queenslanders will be intensely interested that success has at last attended the efforts of T.W.Burgess to swim the Channel, and his story of the feat makes good reading. He said, " I had the most extraordinary experience with tides, and it took all my determination to keep going when I got a setback some miles after I had got into mid channel---"

In the Sports Observer of 28 October there was another long article headed "Burgess in London - Cinematograph pictures, 4000 feet of film" Swimmer says

"more exhausting than the original journey." "Burgess on Monday practically repeated his great swim of September 5/6," says a London paper of September 17. For the benefit of a moving pictures firm he covered the greater part of the channel again....

And in the Sports Observer of 21 October the front page carried a picture of eight people who have attempted to swim the English Channel - 1. Montagu Holbein, who on his third attempt from France swam to within a mile. 2. James Wollfe, who has made 17 attempts and once was within 800 yards of success. 3. Horace Mew, the Shanklin amateur who swam 11 miles and drifted 18 miles in August 1905. 4. W.Stearne of Manchester, who failed when within 4 miles of the French coast. 5. Miss Kellerman of Australia, who swam for more than six hours in a cross-channel attempt in 1905. 6. William Burgess. 7. Captain Matthew Webb. 8. Madam Walburgs from Isacescu of Vienna, who was beaten by the temperature of the water after swimming for twenty miles in 1900.

The story of Captain Webb's swim was detailed in the Sports Observer of 28 October 1911.

Ladies Amateur Swimming Association

The second meeting of the season of the Queensland Ladies Amateur Swimming Association was held on Wednesday in the Cafe Majestic. Those present included Mrs D.S.Reid (in the Chair), E.H.Macartney, Scougall, King, Gordon, Dulley, Misses Roberts (Secretary), White, L.Grose, Fell, E.Clarke, Butterfield, Roughead, Brunnich, Sherwin and Merrixx.

It was reported that the prizes for the carnival on December 5 had all been donated, and the Committee would be pleased to receive monetary donations towards expenses. A programme of fourteen races was drawn up for the carnival.

It was decided to take a room in Kent's Building for the use of members of Clubs affiliated with the Association.

Money to the amount of nine pounds one shilling was paid to the Treasurer.

It was announced that a number of affiliated Clubs might obtain collecting cards, and a prize of one guinea would be awarded to the girl collecting the largest amount.

The idea of the Association obtaining a room in Kent's Building for the use of members is a good one, for the girls will have free access to the room both in the day time and in the evening. There will be a piano, and concerts and socials will be arranged by the Committee. All members of affiliated Clubs may in a fortnight's time go to the rooms in their lunch hour to have their lunch and to make tea on the gas ring, besides having the use of magazines etc. It is hoped sympathisers of the movement to bring the girls together and giving them some place to spend their spare time, will send small subscriptions to the furnishing fund, to the Organising Secretary, Miss Roberts.

Q.A.S.A.

The Hon Secretary, Mr W.Kuder, who was engaged in Government work at Beenleigh, has returned to the City.

Mr T.A.Bond has donated one guinea to the work of the Association.

Word has been received from the West Australian Association to the effect that the Australian Championships allotted to that State will be held on February 2 and 10 next. The South Australian Association states that Championships will take place on January 17-24. In view of the near approach of these championships, swimmers who wish to have their claims brought before the Selectors, are requested to train assiduously to admit of the State being worthily represented.

Council at its next meeting will discuss the question of inaugurating a series of long distance events, also the control of Water Polo.

The notice of motion from the Valley Club delegate viz. "That the State Championships be held by the Association in a series of carnivals," will be discussed.

The City Club has been granted permission to hold its carnival on December 6, and a Championship event has been applied for.

A Report received from the other State Associations shows the Queensland Association in a favourable light financially. A Credit balance of eighty six pounds is shown by Queensland, two hundred and six pounds by New South Wales, and Victorian, South Australian and West Australian Associations have very small Credit Balances ranging from two pounds to five pounds.

Letter to the Editor

Sir,

I am disturbed to learn that your paper has been advocating an increase in the distance of swimming races for girls. I am sure that would be a mistake.

A 100 yards swimming race would be as strenuous a physical effort as a quarter mile run, and no one would think of advocating the latter for girls. It was my advice that was taken when the distance for the Senior Championships was fixed at 60 yards, and I have often thought since that 50 yards would have been a wiser distance. No one, I believe, would be a stronger advocate for distance swimming than I. I have always regarded sprint races as a means to that end. I would even suggest now that no girl be allowed to enter for a 30 yards (Junior) race who could not produce a 220 yards certificate, and no girl be allowed to enter for a 60 yards (Senior) race unless she have a certificate for 440 yards.

In this way I believe the object of your paper would be obtained without doing any harm. The introduction of longer sprint races that 30 yards for Juniors and 60 yards for Seniors would do harm.

I am, Yours etc

Q.A.S.A

A Council meeting was held last Monday evening with a good attendance of delegates. State Championships were allocated to Clubs as follows - 100 yards, Indooroopilly; 100 yards Breast Stroke, T.C.Beirne; 220 yards Breast Stroke, Rockhampton; 440 yards, Toowong; 880 yards, City; 1320 yards, Valley. If no further applications are received from Clubs, the Association will decide the remaining championships viz. 60 yards Junior, 220 yards, and 1 mile. Applications will be received from metropolitan Clubs wishing to place one of these events on their carnival programme. The Association has decided to donate half the prize money for each event, and a special trophy to the swimmer securing highest number of points during the series. A swimmer must finish the distance to secure a point, and placed men will be awarded 4 points for first, 3 for second and 2 for third.

Mr J.P.O'Dwyer has been re-elected Local Consul for Rockhampton. Mr B.C.Dowzer (Hon Sec Rockhampton Club) is retiring and his successor will be Mr J.B.Wood. Messrs W.Kuder, D.J.O'Connell and R.H.Bunting have been appointed Selectors to see the State is worthily represented at Adelaide and Perth this season.

Mr Geo Crawford (Vice President) has donated a trophy for competition.

Q.L.A.S.A. Carnival

The Q.L.A.S.A. Carnival, a report of which has already appeared, was carried to a successful issue on Tuesday night at the Booroodabin Baths. There was a large attendance of lady supporters of the Association, and an enjoyable time was spent.

The events were interesting and keenly contested, but the programme was far too long. It is a mistake to crowd too much racing into one evening. A shorter programme of racing, neat and fancy diving, and amusing novelties judiciously interspersed, is better from the standpoint of the public, and it is on the support of the public that the sport relies.

Q.A.S.A.

The monthly meeting of the Q.A.S.A. was held in the Grand Central Hotel on Monday evening last. Mr D.S.Carter was in the Chair. There were fifteen delegates present.

Affiliation was granted to Toowoomba Grammar School, this being the fourth Club in Toowoomba. Affiliation was also granted to the Sandgate Club. Mr E.Wetzel, Hon Secretary of the North Brisbane Reform Amateur Swimming Club, wrote asking for affiliation for the Senior and Junior Club. It was decided to grant affiliation to the Junior Club, but affiliation of the Senior Club be deferred pending receipt of Rules and a list of members, as in the case of the Junior Club.

The matter of arranging a date for the Association carnival was left to the Executive.

Mr F.W.Springfield was appointed to represent the Association at the Australasian Championship Meetings at Adelaide during January, and in Perth in February 3, 7, 10.

The Toowong carnival was sanctioned for the middle of January.

The Hon Treasurer (Mr D.J.O'Connell) reported the expenditure of ten pounds, leaving a Credit Balance of one hundred and three pounds two shillings and threepence.

Mr N.V.Oxlade having resigned his position on the Committee, nominations were invited to fill the vacancy. Messrs H.Sunderland and H.Finnimore were nominated, and on a ballot being taken, the former was elected.

BEENLEIGH SWIMMING BATHS

Another meeting of those interested in the erection of swimming baths in the Albert River near Beenleigh was held on Thursday night, Mr M.Bloomer presiding. The Hon Secretary, Mr W.Trest, stated that he had written to the Marine Board and they replied that they could not consider the matter unless they had a plan of the baths and their position in the river. The Shire Clerk of Southport wrote forwarding valuable information. The sub-committee elected to prepare estimates and choose a site presented its report.

After discussion the committee was thanked for their labours, but it was decided to refer the matter back to them and to request them to bring back in a plan of the baths and the depths of different parts at low water, so as to ensure safety to children bathing.

Mr Mark Plumb was added to the committee.

PROFESSIONAL SWIMMING - CARNIVAL IN SYDNEY

Some of the most interesting events in the professional swimming meeting at the Domain Baths on Saturday afternoon was a match over 440 yards between Miss Gladys Tate (NSW) and Miss Josephine Liddle (Qld). Miss Tate won by 25 yards in a time of 7.54. This now ranks as a women's professional record. In April last, Miss Fanny Durack (amateur) covered the quarter mile in 6.52 at Rose Bay Baths.

The remaining events in the All Comers Championships were decided between O.Dickman and G.Read (Glebe) and R.Harrower (Qld). The Championship went to Dickman who won all three events 110, 220 and 440 yards. He gained the possible points 9. Read got 5 and Harrower 4.

Q.A.S.A.

The monthly meeting of the Q.A.S.A was held in the Grand Central Hotel on Monday last with Mr D.S.Carter in the Chair.

Affiliation was granted to Toowoomba Grammar School, this being the fourth Club in Toowoomba. Affiliation was also granted to the Sandgate Club. Mr E.Wetzel, Hon Secretary of the North Brisbane Reform Amateur Swimming Club wrote asking for affiliation for the Junior and Senior Club. It was decided to grant affiliation to the Junior Club, but affiliation of the Senior Club be deferred pending receipt of Rules and a list of members, as in the case of the Junior Club.

The matter of arranging a date for the Association carnival was left to the Executive.

Mr F.W.Springfield was appointed to represent the Association at the Australasian Championship Meetings at Adelaide during January and in Perth on February 3, 7, and 10.

The Toowong carnival was sanctioned for the middle of January.

Mr N.V.Oxlade having resigned his position on the Committee, nominations were invited. Messrs H.Sunderland and R.Finnimore were nominated, and on a ballot being taken, the former was elected.

It was agreed to allot the Queensland 440 yards Championship to the Valley Club, and the 880 yards to the Indooroopilly Club, and the 220 yards to Toowoomba.

The Ladies Amateur Association invited the Q.A.S.A to rent a room at Kent's Building, but it was decided on the casting vote of the Chairman not to change the present meeting place.

The West Australian Swimming Association intimated that Phil Matson had been reinstated as an amateur. It was recorded that the Association had written to the Warwick Club instructing them to prevent W.Matthias from swimming in amateur contests until he was reinstated by the Body controlling amateur foot racing.

A question was raised by Mr Finnimore as to representation of Clubs. The Chairman ruled, that the fact that a representative of a Country Club was elected from a Metropolitan Club, did not add to the representation of the latter. The Executive could take no notice of the Club to which the representative belonged, other than the one he was representing as a delegate.

The Kieran Memorial race will be held by the Toowong Club this season.

F.W.Springfield, who has been selected to represent the State at the Australasian Championships, will be accompanied by J.Pike, J.W.Brook (President of the Ipswich Centre), and others. Those members of the Association who intend to make the trip should notify the Secretary of the Q.A.S.A at once.

A large contingent of Brisbane and Ipswich swimmers will visit Toowoomba for the carnival on Boxing Day. To secure concession fares, the names should be forwarded to the Secretary, c/- D.S.Carter, early next week.

Allan & Stark's Carnival

A successful carnival was held on Thursday night in the South Brisbane Baths. There was a very good attendance. Entries for the various events were restricted to employees of the firm only.

Darling Downs Carnival

The annual carnival of the Darling Downs Club, held in Toowoomba on Boxing night was successful, though the attendance was not what it should have been. C.Graham of Toowong, who won the 220 yards Championship swam excellently. With the exception of the Championship and the 100 yards Open Handicap, the latter being won by McGregor, the events were annexed by Ipswich visitors or local lads.

Q.A.S.A

A large contingent of Brisbane swimmers visited Toowoomba for the Darling Downs carnival. C.Graham won the State 220 yards Championship with Sid Springfield second, and the local fancy, D.Sunderland third. A feature of the carnival was the performance of the brothers Horsley of Ipswich. Though both young and of small build, they succeeded in winning events from older and bigger competitors.

The Indooroopilly Club will hold a carnival on January 10 in the Booroodabin Baths when the State 100 yards Championship will be swum.

The Warwick Club will hold a carnival on Saturday January 13. The programme will include 100 yards Southern Downs Championship open to all registered swimmers, a 50 and 100 yards Inter-Club Handicaps, 50 yards Junior Inter-Club Handicap, 75 yards Consolation Handicap, Neatest Header, and Novelty Race (riding an oil drum). Entries close January 10 with Hon Secretary, Joe Cantor, at Warwick.

Q.A.S.A.

A meeting of Council will be held in the Grand Central Hotel next Monday evening. The suggested Australian Championship Agreement by the New South Wales Association will be considered. Some minor alterations are proposed. It is suggested that a State not affiliated with the Australasian Union should be debarred from holding a Championship Meeting: also that no Championships should be held in New Zealand.

During the 1912-13 season it is proposed to divide the eight championships between Victoria and Tasmania if the latter State becomes a party to the Agreement: during the 1913-14 season, to divide them between New South Wales and Queensland: for the 1914-15 season to divide them between South Australia and West Australia. In the case of Tasmania not joining into the Agreement, it is proposed that Victoria hold the eight Championships for the 1912-13 season. It is also proposed to limit each Association to two carnivals, and no privilege of non-representation should be allowed for any Association.

It is expected that F.W.Springfield will leave Brisbane next Saturday or Sunday to compete in the Championships in Adelaide and Perth. Swimmers who intend to make the trip to Adelaide by train should notify the Secretary of Q.A.S.A at once.

The 100 yards State Championship will be decided at the Indooroopilly carnival on Wednesday next.

The Warwick Club will hold its carnival next Saturday afternoon, and will be pleased to welcome any Brisbane swimmers.

QUEENSLAND SWIMMING ASSOCIATION - CHAMPIONSHIPS PROBLEMS

The important questions which will come before the annual Inter-State Conference in Adelaide were discussed by the Council of the Queensland Amateur Swimming Association at the monthly meeting last night. Mr D.S.Carter was in

the Chair and others present were Messrs D.J.O'Connell (Hon Treasurer), W.Kuder (Hon Secretary) E.M.Tooth (Assistant Hon Secretary), and fourteen delegates.

Special attention was directed to a number of suggestions put forward by New South Wales in regard to the Championships. It was decided to oppose the proposal that all Associations that are parties to the Championship Agreement should be affiliated to the Amateur Swimming Union of Australia and remain affiliated for the currency of the Agreement.

It was agreed to support the admission of New Zealand to the Agreement if permission was sought, and to ask Tasmania to come in. With regard to the 1912-1913 Championships, the Council agreed to suggest that they should be equally divided between Victoria and New South Wales provided Tasmania did not become a party for the 1913-14 season, Queensland will ask for the whole of the eight championships, while for 1914-15 the division between South Australia and West Australia will be advocated. The Council also decided to recommend that the events should be reversed in order in each season.

A suggestion from New South Wales that the Championships allotted to a State should not be distributed over more than two carnivals was opposed, the Council arguing that this was a matter that should be left to the discretion of each State concerned. It was, however, agreed that not more than one week should elapse between the close of one State's carnival and the commencement of these in another State.

The idea of one State being allowed the privilege of non-representation at carnivals was opposed, the retention of the five pounds penalty being approved.

For the Championships to be held in Adelaide and Perth commencing on January 24, the following were chosen to represent Queensland, F.W.Springfield for Championship events, J.W.Brook, T.Molloy, and M.A.Molloy (Ipswich), J.Pike and C.Olsen (City Club). Messrs Springfield and Brook were chosen to represent Queensland at the Inter-State Conference.

The complaint by A.J.Fitzgerald of Warwick that the Allora carnival committee had withheld the Boys handicap Trophy on the ground he was over age was considered. It was decided to ask the Allora Club to hand over the Trophy on Fitzgerald furnishing satisfactory evidence of his age.

Affiliation was granted to the Toowoomba Past Grammar Club. The list of events and prizes for the Warwick carnival was approved. The Association carnival was fixed for March 7 in the Booroodabin Baths. Officials for the Indooroopilly carnival were approved. Permission was given to the Toowong Club to hold a Championship carnival at, the Booroodabin Baths on either February 21 or 22.

AUSTRALIAN SWIMMING CHAMPIONSHIPS
SPRINGFIELD SECOND IN THE MILE
Adelaide Jan 21

For the first time in its history, the South Australian Amateur Swimming Association conducted the Australian Swimming Championships on Saturday at Walkerville in Torrens Lake, a site admirably suited for the purpose, although those used to competing in salt water found the altered conditions strange. There was a large attendance which included His Excellency, the Governor, and many other representative distinguished citizens. On Saturday's form, it looks reasonably certain that New South Wales will retain possession of the Kieran Memorial Shield.

The chief race was the Mile Championship which was generally rated a gift. for W.Longworth (NSW) who had as opponents Frank Springfield (Qld), H.Moon (SA) and E.J.Finlay (WA). The latter retired in the fourth lap. Longworth made all the pace. He was never hustled, and it was only in the final lap that he gave any real indication of his prowess winning in comfortable fashion by fifty yards in a time of 25.39 2/5. This time, though better than the 25.58 established by Hardwick, is much below the record- Longworth attributed the slowness to the altered conditions of the water. Springfield put up a plucky fight, and his time was 26.15 1/2, while the local representative, Moon, was outclassed, his time being 26.30 1/2.

A great struggle was provided in the final of the 220 yards Inter- State Handicap between Hardwick (NSW) and Kingsbury (WA). There was a big difference in the handicaps and Kingsbury looked like winning within a couple of yards of the finish, and Hardwick with his characteristic style almost flung himself out of the water and secured the victory by a touch. It was a fine finish.

The first heat of the 110 yards Breast Stroke Handicap, L.G.Blunt (Vic) beat E.Luxmore (SA) by a bare touch in 1.50 1/2, but in the final, Luxmore reversed the positions and won brilliantly.

The 50 yards Ladies Championship was won by the present holder, Miss K.Farrelly, who defeated Miss A.Kellett in 40 4/5.

SWIMMING CHAMPIONSHIPS
SUCCESS OF LONGWORTH
Adelaide Jan 22

The Inter-State Swimming Championships were continued at the City Baths this evening. The chief event was the Half Mile Championship of Australia for which the competitors were Springfield (Qld), Longworth and Hardwick (NSW), Moon (SA) and Kingsbury (WA). Hardwick made most of th pace, but Longworth soon asserted himself, and at the 24th lap he was well clear of Hardwick with Springfield and Moon badly left. Kingsbury retired early. Longworth put up a great dash in the last lap and defeated Hardwick by almost 40 feet. His time was 12.13 1/5 which is much better than the South Australian Record of 13.15 2/5. The world's record is 11.25 2/5 in salt water, though Kieran is credited with having swum the distance in 11.11 3/5. Springfield, who was third, took 12.53, and Moon 12.55.

The 10 yards Championship was captured by E.C.Johnson (Glenelg) who defeated H.Eaton (Semaphore) by a long touch in 1.7 1/2.

The 200 yards Inter-State Breast Stroke Handicap proved a great race and was won in brilliant fashion by E.G.Finlay (WA) from scratch with A.A.Rawson (22 secs) second and L.G.Blunt (Vic) (2 secs) third. The time was 3.17 4/5.

Q.L.A.S.A.

A meeting of the Council of the Queensland Ladies Amateur Swimming Association was held in the Association's Rooms in Kent's Building on Wednesday night, when Mrs D.S.Reid presided.

It was decided to hold a Championship Carnival on February 13 in the Booroodabin Baths. After considerable discussion, Council decided that both ladies and gentlemen should be admitted to the gallery.

Misses Mabel Springfield, Ida Thompson and Lily Spottiswood were selected to represent Queensland at the Australian Championships in Sydney next month. The question of appointing a Manageress for the team, will be decided at the next meeting of the Council.

Valley Club

F.W.Springfield, who is representing Queensland in the Australasian Championships, writes they had a tiring journey to Adelaide. On arrival in Melbourne the representatives were treated right royally during their short time there. They were entertained at a Test Cricket Match by the officials of the V.A.S.A. In Adelaide, a splendid entertainment list has been drawn up, and a good time is anticipated.

Up to date, Springfield has secured second place in the Mile Championship, third in the Half Mile, and first in the 500 yards Inter-State Handicap.

Special Meeting of Q.L.A.S.A Delegates

A Special meeting of the delegates of the Queensland Ladies Amateur Swimming Association will be held next Monday evening to consider several matters in relation to the carnival to be held on February 13, particularly the question of admitting gentlemen as spectators.

A motion to this effect was unanimously carried at a meeting of Council on Wednesday night, at which delegates from Valley, City, and Excelsior Clubs in the metropolis and one from the country, were present. As one of the Clubs not present at the meeting has protested against the resolution, it has been thought advisable by the President of the Q.L.A.S.A (Mrs D.S.Reid) to give all Clubs the opportunity of voting on this matter, and delegates are accordingly especially requested to attend. It has been pointed out by some of the delegates that funds are needed to send the representatives to Sydney, and the support accorded by women at swimming carnivals is not sufficient to ensure of their being a financial success. It is further pointed out that some of the Clubs affiliated with the Association have at some time admitted gentlemen to their carnivals, and that these carnivals have been held with the consent of the Q.L.A.S.A, and further, that the majority of the members of the Ladies Swimming Clubs, not only have no objection to bathing in front of gentlemen at seaside resorts, but also do not object to mixed bathing when properly carried out.

SWIMMING CHAMPIONSHIP - A WORLD RECORD (Perth Feb 5)

The Australian Championship Swimming Carnival was opened on Saturday at the Perth Baths. I.Finlay (WA) won the 220 yards Breast Stroke Championship and established a World Record of 3.12 for the distance. Schryder (WA) was a poor second and Blunt (Vic) third.

The 100 yards Open Handicap was won by J.Pike (Qld) in 1.11, Stehn and McKinley filling the minor places.

Longworth (NSW) won the 100 yards Championship, winning comfortably from

Stenberg (WA) and Springfield (Qld) in 58 4/5. The 880 yards Handicap went to Springfield (Qld), with Pike (Qld) second. Time 13.21 2/5.

JUNIOR SWIMMERS ON STRIKE

An amusing incident occurred at one of the municipal baths during a Club swim. Three or four of the junior section were indulging in some rough horseplay, and the Caretaker asked that they desist. However, they persisted in continuing, and he ordered them to leave the baths and not to return until they had learned how to conduct themselves, which would take about two weeks.

This meant that they would lose points for their races, so immediately a meeting of the junior section was called and a resolution was passed that unless the lads who had misconducted themselves were reinstated, the whole of the juniors would come out on strike and not enter the baths.

Much to their disgust, the Caretaker told them he was pleased to hear it, and they could please themselves!

Another meeting was held to which the President and Secretary were invited, and a deputation was appointed to call on the Caretaker. The President explained that the lads who had misconducted themselves wished to humbly apologise, and would in future conduct themselves in a rational way. He asked for them to be readmitted on this assurance.

This was agreed to by the Caretaker, and one of the lads was heard to say, "Another win for the capitalists."

LIFE SAVING

The Ladies Commercial Swimming Club Life Saving Squad has the honour to be the first in this State, if not the Commonwealth, to possess six members who have passed the examination for the Proficiency Certificate, and they should be doubly proud after the complimentary remarks passed by the examiners, Messrs S.Dennis and F.O.Venning. Praise is due to the Instructor, Mr W.O.Martin, who has been untiring in his efforts.

One of the members of the squad, Miss Roughead, is undertaking the task of securing the Bronze and the Silver Medallions in the near future when the examinations take place. The Bronze Medallion requires the thorough knowledge of the theory in addition to the swimming portion of the examination, whilst the Silver Medallion requires competitors to swim 200 yards each Breast, Back and Trudgeon strokes fully clothed, in addition to floating, diving and fancy swimming.

The successful competitors for the Proficiency Certificates were the sisters King, Misses Roughead, Spottiswood and Wollstein. Only two of the members are seniors, making the performance more creditable.

This team has undergone its preparation at the Spring Hill Baths, Arthur Street. The team is training assiduously for the Barry Cup, presented by Mr J.M.Barry who is an ardent supporter of Life Saving.

There was a PICTURE in S.O of 2/3/12 headed "Commercial Amateur Swimming Club" and described "the First Squad of Ladies in Queensland who have passed the examination for Proficiency Certificates in the Royal Life Saving Society." J.King, V.Wollstein, E.White (Secretary), M.Roughead, M.King, G.Spottiswood, W.T.Martin (Instructor), L.King.

The Annual Carnival will be conducted at the Arthur Street Baths, Spring Hill, next Monday evening when a varied programme will be decided. A special feature of the carnival will be an exhibition of Life Saving by the Club's Squad which was recently successful in securing a Royal Life Saving Society's Proficiency Certificate. Capable officials have been appointed and keen competitions are anticipated for the various events.

It is regretted that the affiliated Clubs did not respond as well as was anticipated in the matter of entries, as the Ladies Commercial Club always provides a good number of entries for the various carnivals.

The Club members Misses M & J King and Ida White, who accompanied the representatives to Sydney, are having a most enjoyable time. They have forwarded several souvenirs to Club members. They express thanks to Misses Fanny Durack and Mina Wylie for their efforts to make their stay enjoyable. They intend to return tomorrow night to take part in the Club's carnival.

Q.A.S.A

The Q.A.S.A Council meeting was held on Monday night. In view of the number of State Championships to be decided, it was agreed that the State Association in conjunction with the Valley and Toowong Clubs should hold two carnivals on Wednesday and Monday March 20 and 25. Five Championships 50 yards Junior, 100 yards Breast Stroke, 440 yards, 3/4 Mile and 1 Mile will be held. It is expected that a team from Rockhampton will visit Brisbane for the carnival.

Mr J.S.Kerr, owing to pressure of business, has tendered his resignation as

Starter and Handicapper. Mr H.Moxley and Mr F.E.Duncalfe were elected to the vacancies. A motion was carried unanimously that Mr Kerr's services be put on record.

Consideration was given to the new Australasian Agreement and it was decided to await more definite information before joining the Union. The principal alterations are that each State must join the Union before it becomes eligible to compete. Baths lessees, managers and attendants are classed as professionals under the Union's Rules, and amateurs under the Association's Rules. The Association will most probably be forced to join the Union and concede this point. It is also proposed to give a third prize in Championship events.

Mr C.Graham will visit Rockhampton at the invitation of the local Clubs for the carnivals on March 9 and 11, and it is expected that others of the Toowong Club will accompany him.

The Council of the Q.L.A.S.A met on Wednesday evening in the Cafe Majestic. Those present were Mesdames King (in the Chair), Gordon, Hale, Misses Violet Grose, M.Smith, Butterfield, Rowe, Roughead, Brunnich, Fell, White and Roberts.

It was decided the carnival should be held in the Booroodabin Baths on Wednesday night April 3 - Entries to close on March 20. The following programme was arranged - 60 yards Senior Championship of Queensland; 30 yards Junior Championship of Queensland; Teams Championship; 60 yards Senior Handicap; 30 yards B Grade Senior Handicap; 20 yards Junior Handicap; 10 yards Beginners Race; Diving.

It was also agreed that a ladies race should be put on each evening at the men's Association carnivals, the first of which takes place on March 20, and the second on March 25. Long Distance events will be held on Saturday 16th inst. and Wednesday 20th in the South Brisbane Baths.

By last Thursday night's mail train the following swimmers left for Rockhampton to compete in the carnival tonight and Monday evening: C.Graham, L.Lamont, G.W.Bouchard, V.Macartney (Toowong), J.Thompson, J.Lynch (Valley), C.McGregor (City). The 220 yards Breast Stroke Championship of the State will be decided at these carnivals.

It is expected that swimmers from Rockhampton, Ipswich, Toowoomba, and Warwick will compete in the Association carnival. There are some promising Juniors in Ipswich, and it is not unlikely that the 60 yards Junior Championship will go to that City.

Advice has been received from the south that both South Australia and West Australia report success financially and otherwise in the recent Inter-State Championship carnivals.

Excelsior Amateur Ladies Carnival

A very successful carnival under the auspices of the Excelsior Amateur Ladies Swimming Club was held at the South Brisbane Baths last evening. There was a splendid attendance of both competitors and spectators. The races were well contested and great interest was taken in the results.

The officials included Mr Kerr (Starter), Mr J.Pike (Check Starter), Messrs D.S.Carter, M.Barry, H.Moxley (Judges), Messrs F.W.Nissen, F.Long, E.McSweeney (Timekeepers), Mrs D.S.Reid (Referee), Miss Pauline Rosenberg (Clerk of Course), Mr W.Grose, Miss L.Smith, Mrs Mabel Edmunds (Costume Stewards), Mr Blake (Instructor), Miss Mabel Smith Handicapper), Miss Jessie Annan (Hon Treasurer), Miss Lilian Grose (Hon Secretary).

The officials carried out their duties excellently, but the arrangements left a lot to be desired. The enclosure was rushed by other than swimmers where they shouted and talked around starters and judges and press reporters. The press table was in darkness for portion of the evening, and spectators had to be implored for matches to light a lamp which was constantly being splashed out.

Results were given.

Officials appointed for the forthcoming carnival are - Referee, Mr T.A.Bond; Judges, Messrs D.S.Carter, J.Hiron, W.P.Sprkes; Timekeepers, Messrs F.Springfield Snr, A.Butterfield, R.H.Bunting; Starter, H.Moxley; Check Starter, Mr F.E.Duncalfe; Clerk of Course, Mr R.B.Le Bas; Press Steward, Mr G.K.Petrie; Costume Steward, Mr E.M.Tooth.

In the 220 yards State Breast Stroke Championship decided in Rockhampton on Monday last, Mr C.Graham (Toowong Club) was successful in winning the event. Mr B.Macartney, G.Bouchard and J.Lamont were successful in securing Handicap events. The team returned to Brisbane on Friday morning well pleased with the hospitality tendered by the Rockhampton people during their short visit.

Mr D.Sunderland, the present Darling Downs 100 yards champion, has now taken up his residence in the city, and will no doubt be seen competing in the forthcoming carnivals.

AMATEUR SWIMMERS - CHAMPIONSHIP CARNIVAL

The first joint Championship Swimming Carnival held by the Queensland Amateur Swimming Association, the Valley and Toowong Clubs, was opened last night at the Booroodabin Baths, and will be continued on Monday night next.

Three State Championships were decided last night, and generally some capital racing was witnessed by the fair attendance of ladies and gentlemen present. The officers carried out their duties well.

Results

1 Mile Championship of Queensland - F.W.Springfield (Val) 1; S.Springfield (Val) 2. There were only two entries, the champion, F.W.Springfield and his younger brother Sidney. The elder brother quickly established a lead, and at the quarter distance was a good lap ahead. This distance he had increased to 2 1/2 laps at the half mile. Swimming strongly to the end, the champion, who had knocked off the half mile in 12.35, as against his brother's 13.35, finished 5 1/2 laps ahead in 25.50. Sid's time was 29.32. The World Record for the distance, held by the late Barney Kieran, is 23.16 4/5.

60 yards Junior Inter-Club Handicap - Brett 1, Warnecke 2, Brown 3.

60 yards Junior Championship of Queensland - C.Dowzer (Rockhampton) 1, W.Paten (Ipswich) 2, E.Pierce (Valley) 3. Time 36 secs.

Neat Diving - H.Hagen (Valley) 1, P.Ferguson (Rockhampton) 2.

100 yards Breast Stroke Championship of Queensland - F.O.Venning (Valley) 1,

C.Graham (Toowong) 2, F.Robinson (Valley) 3. There was a splendid race between the first and second men. Graham led up to the last turn, when Venning (the holder) got ahead and won by a touch. Time 1.25 4/5. The World Record held by A.Wickham (NSW) is 1.13 2/5.

60 yards Barney Kieran Memorial Handicap, F.Graham 1, G.W.Parkinson 2, D.Sunderland 3. Time 41 1/5. A splendid race with a close finish.

SWIMMING CHAMPIONSHIPS CARNIVAL

The Amateur Swimming Championships started last Wednesday was concluded last night in the Booroodabin Baths.

Results -

440 yards Championship of Queensland (First prize two guineas, second one guinea, presented by Hon E.J.Stevens M.L.C.) - S.Springfield (Val) 1, F.W.Springfield (Val) 2, O.H.Dixon (Toowong) 3. The race had seven starters and proved a classic event. In addition to the three placed men, C.Graham (Toowong - somewhat indisposed), P.Loewe and T.F.Raine (City), and A.Saunders (Ipswich) also swam. A.R.Harrower, the holder, did not compete. At the pistol fire S.Springfield got away extremely well hitting up a great pace. For a few laps the swimmers kept well together with Graham hanging on pluckily despite his indisposition. With twelve laps gone, S.Springfield, full of vim and dash, had established a good lead from his brother, the race apparently having resolved itself into a struggle between these two sturdy swimmers. Sid Springfield kept in the lead and in spite of a strong sprint by his brother, won a notable race by five yards, Dixon being third, five yards further back beating the Ipswich lad by a touch. The time, 5.36, was fast. Kieran's World Record was 5.19.

1320 yards Championship of Queensland (First prize two guineas, second one guinea, donated by Mr J.Hiron) - F.W.Springfield (Valley, the holder) 1, S.Springfield (Valley) 2, E.Pierce (Valley) 3. There were seven contestants, F.Mahoney (Indooroopilly), W.Cawdell, D.Harrower, E.Meise (City) and the place getters. The race was looked on as a certainty for F.W.Springfield, who at the quarter mile was half a lap ahead, and at half way had increased the distance to a full lap. Sid Springfield and Pierce were at this stage swimming stroke for stroke for second place. The champion continued to swim well within himself and finished 40 yards ahead of his brother who beat Pierce by 20 yards. The winner's time was 22.4 against the second man's time of 27.17. The World Record for the distance is 17.42 held by W.Longworth of New South Wales.

60 yards Senior Inter-Club Handicap - Thompson 1, Andrews 2, W.Graham 3. Thompson won by a touch, two feet covering the three placed men. Graham, who won the heat, was crossed in the final and lost his chance of winning.

Neat Diving - D.Harrower

The carnival held on Tuesday was in every way a success, much interest being shown in the Barry and Heat Cups contests.

In the Barry Cup contest, the winners, Valley A, scored a victory by the narrow margin of one point from the Commercial Ladies A.S.C. The Fitzroy Ladies (Rockhampton) who were guests of the Society proved a considerable attraction and deserve credit for having travelled so far and made such a creditable display. Though they did not win, they learned a lot and will no doubt do better next time. SWIMMING - By H2O
END OF SEASON

Practically all of the Clubs have now gone into recess for the winter months. The season just completed has been very successful, and was marked by far friendlier co-operation between the Q.A.S.A and the Q.L.A.S.A. With these two Associations working together for the benefit of the sport, the next season should prove the most successful on record.

Three or four years ago, swimmers agitated for more baths, for Brisbane is sadly deficient in this respect, but up to the present time nothing has developed except promises, and the affair seems to have developed into the brittle attributes of the proverbial "pie crust".

The useful accomplishment of Life Saving has received more attention during the season just over than any previous time. This is very gratifying, and will no doubt be the means of saving valuable lives in days to come. Much of the credit for the success obtained belongs to the Queensland Branch of the Royal Life Saving Society, but without the assistance of the Clubs, its efforts would be greatly hampered. That such assistance has been freely given is a matter for congratulations.

OLYMPIC GAMES
RETURN OF ATHLETES
Fremantle Sept 17

On board the RMS Omran which arrived this morning were a number of athletes who represented Australia in the recent Olympic Games in Stockholm. These included Miss Fanny Durack and her sister, Messrs Longworth, Hardwick, Murray (the marathon runner), Paynter (champion walker), and Parker, Haunstein and Amos (members of the 8 oar crew). Accompanying them were Messrs A.R.Hull (manager of swimmers) and W.Middleton (Coach).

They were disappointed at not winning more swimming events and the final rowing event. Longworth's illness was a great blow. He underwent a dangerous operation, which had it not been taken in time, might have ended seriously. He has now completely recovered. Longworth has a high opinion of Duke Kahanamoku whom he regards as absolutely the best swimmer in the world up to 100 yards. Even if he had been fit and well, Longworth does not think he would have had a chance with this wonderful swimmer. He is also of the opinion that Hodgson is the best long distance swimmer in the world.

QUEENSLAND LADIES AMATEUR SWIMMING ASSOCIATION

The Annual Meeting of the Queensland Ladies Amateur Swimming Association was held last evening in the Cafe Majestic. Mrs D.S.Reid presided, and others present included Mesdames Burrell, Gordon, King, Springfield, Wiley, Maurice Baldwin, Hale, Misses Brunnich, Gordon, Fell, M.Smith, Butterfield, M.White, V.Grose, King, A.White, M.Springfield, M.Grant, N.Harrower and Mabel Roberts (Hon Secretary).

The Annual Report was read by the Hon Secretary and showed that the season had been the most successful for years. During the year great progress had been made in swimming circles as large numbers had joined the various Clubs, while Life Saving had played an important part. There were now eleven Clubs affiliated. During the year to large carnivals had been held and proved eminently successful. There were over 200 girls on the books of the Clubs affiliated with the Association. The Financial Statement showed a Credit Balance.

Mrs Reid's resignation as President was received with great regret, and reference was made to the enthusiastic interest Mrs Reid had always taken in the Association. Mrs Reid was presented, by the Association, with a silver and cut glass scent spray, and she appropriately replied.

Miss Isabel Roberts resignation as Secretary was also received with regret, and Mrs Reid spoke of the excellent work carried out by her. Miss Roberts was the recipient of a beautiful silver jewel case from the members of the Association, and the recipient suitably replied.

The election of Officers resulted as follows:- President, deferred; Vice Presidents, Mesdames William Collins, Anaes McDonnell, Murray Thompson, A.E.Howling, Burke, Raymond (Mayoress of Brisbane), Ryder, Spottiswood, T.Gardiner, A.C.Burrell, E.H.Macartney, J.Johnson, Congo, J.S.Wiley, F.H.Wareham, Morgan and T.Wilson, with power to add; Hon Secretary, Miss N.Harrower; Hon Treasurer, Miss H.White; Handicappers, Misses Smith, Fell, Brunnich; Auditors, Misses Butterfield and Fell; Advisory Board, Hon E.J.Stevens M.L.C., Messrs Maurice Baldwin, T.Welsby M.L.A., H.Duffy, J.Kerr and W.Kuder, with power to add.

Prior to the commencement of the meeting Mrs Reid made a sympathetic reference to the death of Miss O.Spottiswood who had been Junior Captain and Junior Champion of the Commercial Swimming Club.

SWIMMING
STATE SCHOOLS ASSOCIATION

The Annual General Meeting of the State Schools Swimming Association was held in the Y.M.C.A. Rooms last evening. Apologies for absence were received from Hon E.J. Stevens M.L.C., Hon J.W. Blair (Minister for Public Instruction), Messrs J.D. Story (Secretary for Public Instruction), R.H. Roe (Inspector General of Education), W. Telford and J. Daly (Department of Public Instruction). The following were present - Messrs A.S. Kennedy (Chairman), A. Griffiths (Normal School), W.H. Morrow (Leichhardt Street School), W.K. Clouston (Toowong), T.G. Weymouth (Dutton Park), R.S. Orr (East Brisbane), E.M. Chambers (Ipswich Central), G. Cook (Ithaca), W.G. Pilkington (Valley), L. Cailaghan (Committee), S.H. Bonhan (Petrie Terrace) and R.V. O'Carroll (South Brisbane).

The Annual Report and Balance Sheet, which were adopted, showed that during the season 1911-12 there were 19 Clubs in the Association against 22 in the previous season. Four Brisbane Clubs and one Country Club failed to affiliate, while one Brisbane Club and a Club from the Ipswich Central School affiliated for the first time. There had been a marked increase in both the membership and the number taught to swim, which were respectively 2067 and 653. The season had been the most successful since the Association had been established.

The Financial Statement revealed a Credit Balance of two pounds eighteen shillings and sixpence in the General Account, and two pounds one shilling and sixpence in the Carnival Account.

Mr Callaghan and the Chairman eulogised the Association for the work it was doing, the latter expressing the view that as swimming was one of the qualifications required by the Defence Authorities, it was quite legitimate for all schools to pay all swimming and life saving affiliation fees out of capitation allowances granted for efficient junior cadets.

The following officers were elected - Patron, Hon J.W. Blair; President, Mr J.D. Story; Vice Presidents, Hons .F. Denham, W.H. Barnes, E.H. Macartney, E.J. Stevens, and Messrs R.H. Roe, A.S. Kennedy, the Mayors of North and South Brisbane, the Military Commandant, Metropolitan Inspectors and Head Teachers; Hon Secretary, Mr. A. Griffiths; Hon Treasurer, Mr W.H. Morrow; Committee, Messrs R.S. Orr, F.R. Bonham, H.C. Shea, W. Pilkington, T.G. Weymouth, W. Clouston; Chairman, Mr J.L. Callaghan; Auditors, F.J. Stanley and A.W. Maundrell.

ANNUAL MEETING

The Fifteenth Annual Meeting of the Queensland Amateur Swimming Association was held last night when Mr D.S. Carter was voted to preside, and there was a fair attendance of members. Apologies for absence and good wishes for the future were received from the Hon E.J. Stevens M.L.C. Hon J.W. Blair M.L.A. (Minister for Education), the Mayor of Brisbane (Ald J. Raymond), Dr Brockway and Mr R.H. Roe.

The Annual Report for the season ended June 30, 1912, showed that the number of Clubs affiliated was twenty one, comprising ten metropolitan and eleven country Clubs. The events of the season were comprehensively reviewed and the hope expressed that the present season would be marked by enthusiasm by the swimmers and the public. The Financial Statement showed a Credit Balance of seventy one pounds nineteen shillings and two pence. A sum of fifty pounds was spent on sending the Queensland representative, F.W. Springfield, to Adelaide and Perth to compete at the Australasian Championships, and various Inter-Club carnivals were held during the year. Although the Executive invited Clubs to establish a water polo competition, the response made did not encourage the Executive to continue the competition. The Executive thanked all who had donated to the funds of the Association, and also the press, especially the "Sports Observer" for assistance.

In inviting the adoption of the Report and Balance Sheet, the Chairman made special reference to the lack of swimming facilities in the metropolis. The population was rapidly increasing but no improvement was taking place by the local authorities in the matter of providing baths. South Brisbane, with a large population, had only one bath, and Woolloongabba had none. It seemed a shame that something was not done to follow the example of the southern cities which were so progressive in the matter of providing bathing accommodation, and he thought another effort should be made to stir the local authorities into action.

Mr F.Springfield Snr seconded the motion, and Mr G.Crawford, in supporting it, endorsed the Chairman's remarks, and pointed out that owing to the Defence Authorities having made swimming compulsory for cadets, the present very limited bathing accommodation in the metropolis would be taxed even more than ever. He suggested therefore that another deputation should wait upon the City Council in an endeavour to induce it to take some action (Hear, Hear). The motion was carried.

The election of Officers resulted in the re-election of the whole of the old body with the exception of one of the handicappers. The Hon E.J.Stevens M.L.C., was re-elected Patron, the Chairman observing that he could honestly say that that gentleman was the best supporter of amateur sport in Australia. The other Officers were elected as follows:- President, Hon J.W.Blair M.L.A.; Vice Presidents, The Mayors of North and South Brisbane, Messrs, M.Baldwin, T.A.Bond, M.J.Barry, J.H.Grice, A.Butterfield, W.Effey, D.S.Carter, F.Springfield Snr, F.W.Nissen, W.H.Hinch, G.Crawford, T.Welsby M.L.A., P.Frankel, and on E.H.Macartney M.L.A; Life Members, Dr A.B.Brockway and Mr R.H.Roe; Handicappers, S.J.McAnally, F.E.Duncalfe, H.Moxley; Local Consuls, Ipswich, Mr A.J.Schaffer; Allora, Mr W.J.Lilley; Rockhampton, Mr I.Dwyer; Toowoomba, Mr C.Fortescue; Mt Morgan, Mr D'Arcy Wentworth; Auditors, Messrs T.J.Donovan and R.H.Bunting; Press Correspondent, Mr W.Kuder, Hon Treasurer, Mr D.J.O'Connell; Hon Secretary, Mr W.Kuder.

The Annual Meeting of the City Ladies Amateur Swimming Club was held last evening in the Cafe Eschenhagen. Mrs E.H.Macartney (Patroness) presided, and others present included Misses Walsh, Brunnich, Parish, Gordon, Brown, Hall, Schoch, and Challinor. Apologies were received from Mrs T.Gardiner and Miss P.Archer.

The Annual Report, which was adopted, was of a comprehensive nature, and reviewed the year's work which had been very successful.

The election of officers resulted as follows:- Patroness, Mrs E.H.Macartney; President, Mrs J.S.Wiley; Vice Presidents, Mesdames A.E.Burrell, Blacklock, Brown, Peterman, L'Estrange, Knox Carson, Devoy, Rendle, Chapman, J.Butler, Gallagher, Coghlan, Mackay, Wilton Love, Raymond, Whitehill, Taylor, Walsh, Finnigan, Wareham and Cameron; Hon Secretary, Miss P.Brunnich; Hon Treasurer, Miss D.Gordon; Captain, Miss C.Walsh; Vice Captain, Miss A.Parish; Handicapper, Mrs Gordon; Committee, Misses Hall, Brown, Dowling, Chapman, Challinor and Kelso; Auditors, Mrs Burrell and Miss Hall; Press Correspondent, Mrs D.Gordon; Delegates, Miss P.Brunnich and Mrs J.Dowling.

The first swim was arranged to take place tomorrow evening.

STATE SCHOOLS ASSOCIATION

The Annual Meeting of the Queensland State Schools Girls Amateur Swimming Association was held in the Technical College last night. There were present Misses Large (President), D.Fleming (Vice President), Representatives of various schools, Mrs Pickburn and Mrs Venning. Apologies were received from Lady MacGregor, Mesdames Gardiner, Kennedy, Roe, the Hons E.J.Stevens M.L.C., J.W.Blair M.L.A., Misses K.M.Grant, J.D.Story, Gardiner, Pickburn and Venning.

The Annual Report and Balance Sheet, which were of an interesting and comprehensive nature, were adopted. During the past season 135 girls had been

taught to swim and 21 girls were proficient in Life Saving.

The following officers were elected:- Patroness Lady MacGregor; President, Mrs Blair; Vice Presidents, Mesdames R.H.Roe, A.S.Kennedy, J.D.L.Story, J.Frewtell, Pickburn, Venning, Dr E.Bourne, Misses Large, Fleming and A.Fortescue; Advisory Board, Hons E.J.Stevens M.L.C., J.W.Blair M.L.A., Messrs R.H.Roe, J.D.Story, A.Griffiths, F.G.Pickburn, J.Wedd, J.F.Beer, J.L.Callaghan, O.Venning, V.Papi, W.Finnimore and Dr A.B.Brockway; Hon Treasurer, Miss E.W.Adam; Hon Secretary, Miss M.Singer; Council, Member from each affiliated school and office bearers ex officio.

GIRLS GRAMMAR SCHOOL - SWIMMING COMPETITIONS TODAY

Mr F.O.Venning, local representative of the Royal Life Saving Society, this morning was the judge of the natatorial attainments of the pupils attending the Girls Grammar School. The competition took place at the Arthur Street Baths, and the test was for land and water drills, a bronze medal being

awarded the successful competitors. A second squad of girls competed for Elementary Certificates.

The required curriculum included rescue drill, release drill, Chaeffer's method of resuscitation, swimming (breast, back, and optic diving).

The movements were given with precision which spoke of excellent instruction given. The three seniors, Misses Olga Hertzberg, May Lilley, and Lottie Bond, were most graceful in all their work, and at the conclusion of the very severe swimming test (four times the length of the baths breast stroke and two lengths back stroke) they showed no sign of strain. At the conclusion of the theory test in which they all excelled, the examiner reported they had each gained 80%.

The second contingent included Misses Ena Eden, Irene Manning, Helena Hamilton, Doris Mary Park, and Jean Quinlan. Their work for an Elementary Certificate was most creditable, and all the girls passed with an average of 70%, Miss Manning's Certificate being deferred for optic diving, her nervousness mitigating against her success in this direction.

The whole of the pupils and their teachers and Miss Wilkinson (Head Mistress) were present and heartily applauded their comrades on their success. Mr Venning complimented the girls and also their instructress, Miss Hunt, who received 85% for her work. Mr Wetzal assisted in the arrangements for the carnival.

BARRY CUP COMPETITION

The preliminary examinations in connection with the Barry Cup competition were held in the Booroodabin Baths last night. These Clubs were represented - Brisbane Girls Grammar School, Commercial and Valley.

The test consisted of land drill, diving for objects, and resuscitation. The final tests will be decided tomorrow at the Life Saving Society Carnival in the Dock, and the result of the competition will be announced. An attractive programme has been prepared, including a display of swimming by Miss Fanny Durack, lady champion.

SWIMMING CARNIVAL - ROYAL LIFE SAVING SOCIETY MISS FANNY DURACK'S DISPLAY

The second carnival of the Royal Life Saving Society Queensland Head Centre was held on Saturday at the Dry Dock, South Brisbane. The heavy rain of the morning gave place to a bright afternoon with a cool wind, the bright conditions being altogether delightful. There was a good attendance including many ladies. The Toowong Band rendered a capital programme of music. The programme was of an interesting character and included an exhibition of swimming by Miss Fanny Durack, the celebrated young Australian swimmer and world record holder.

Land Drills officials were - Judges Messrs J.M.Barry, S.Davis and T.G.Weymouth; Referee, Dr Lockhart Gibson; Swimming Officials - Referee, Ald D.McCullough; Starter and Timekeeper, Mr E.Wetzal; Judges, Messrs F.C.Pickburn, T.S.Jones and W.Finnimore; Call Stewards, Miss R.Fell and Mr P.W.Hill; Clerks of Course, Misses G.Paul and J.S.Bates; Diving Judges, Messrs W.A.Kellan and S.Dennis.

Results - Water Drill - Valley A

"Courier" Shield - Valley State School A Team

Breast & Back Stroke - J.Thompson 1, E.G.Jacob 2, W.E.T.Martin 3

Rescue Race - H.Hagen & J.Brett 1, W.E.T.Martin & G.Paull 2

Diving competition - E.J.Jacob 1, F.Venning Jnr 2

Miss Durack's Display

Miss Fanny Durack was accorded a most enthusiastic reception, and her graceful and attractive display included the crawl, trudgeon, breast, back,

submarine, revolving, sculling, propeller and other strokes.

J.Thompson, the one legged swimmer, world champion back stroke swimmer, holder of the world back stroke record, gave an exhibition of back stroke swimming, covering 100 yards in 1 min 21 secs.

A display of speed and fancy swimming was given by Messrs E.J.Jacob and F.O.Venning.

Ald Burke, Mayor of South Brisbane, presented the Valley Ladies Club with the Barry Cup, and complimented them on their performance.

Q.A.S.A - MEETING OF COUNCIL

The monthly meeting of the Q.A.S.A Council was held in the Grand Central Hotel last night. Mr D.S.Carter, President, occupied the Chair, and there was a good attendance including Mr W.Kuder (Hon Secretary) and Mr J.Roche (Assistant Hon Secretary).

Affiliation to the Association was granted to the Warwick, Wynnum, Railway Audit Office and the City Juniors Clubs. Permission was granted to the Allora Amateur Swimming Club to hold a carnival on Boxing Day, and to the Manly Amateur Swimming Club to hold a carnival on New Year's Day. Permission was also granted to the Queensland Government Railways Club and the Ipswich Amateur Swimming Club to hold a series of Inter- Club contests on December 17, and to the Queensland Government Railways Club to hold a carnival in the South Brisbane Baths on January 15.

It was decided no objection would be taken to the application by West Australia for inclusion in the Amateur Swimming Union of Australia.

The Australian Amateur Swimming Union forwarded the following proposals in regard to the Rules regarding mail votes - "Any proposal submitted to mail vote - to add - to rescind or amend any clause in the Constitution shall be declared defeated if two or more affiliated Associations vote against the proposal." On the motion of Mr O'Connell, it was decided that the Association should vote against the proposal.

A letter was received from the Victorian Amateur Swimming Association notifying that the Victorian portion of the Australasian Championships would be held on January 25 and 27.

A letter was received from Mr D.J.O'Connell tendering his resignation as Hon Treasurer of the Association. The resignation was accepted, and it was decided to send a letter to Mr O'Connell thanking him for his services and expressing deep regret that he could not continue in that position. Messrs G.F.Parkinson and W.H.Duffy were nominated for the position, and after a ballot, Mr Parkinson was elected.

Mr Kuder was appointed Manager of the team to be sent to Melbourne and Hobart to compete in the Australian Championships to be held in January. It was decided to grant Mr Kuder ten pounds to assist in defraying his expenses.

On the motion of Mr Springfield, the Association decided to send two representatives to the Championship Carnivals. It was also decided that the Chairman, Hon Secretary and Hon Treasurer should be appointed a special committee to select the representatives.

January 13 was fixed for the date of the next meeting of Council.

SWIMMING

A meeting of the Queensland Amateur Swimming Association was held last night, Mr D.S.Carter (Chairman) presiding over a large attendance of delegates. Affiliation to the Association was granted to the St George (Western Queensland) Club and the Toowoomba centre. Approval was given to the Warwick carnival on January 25 and the City Club carnival on February 15. Officials for the Railway Club carnival, to be held tomorrow night, were approved.

In connection with the Australian Swimming Championships to be held in Hobart on February 8, 12 and 15, it was decided that Queensland should be represented by C.Graham, and a second swimmer, provided he covered the Half Mile at the Railway carnival in 12.35. The Queensland Team will leave for Hobart on February 2.

It was decided to hold an Association carnival in the South Brisbane Baths on Saturday March 15, the programme to be as follows - 66 yards Junior Inter-Club Handicap, 100 yards Breast Stroke Championship, 66 yards Inter-Club Handicap, 33 yards Brace Relay handicap, 1 Mile Championship of Queensland, Novelty Event, Neat Dive, 440 yards Championship of Queensland, and 100 yards Championship of the Country (for swimmers outside Brisbane).

It was decided to open up negotiations with the Ipswich Centre with a view to holding a 3 Mile Handicap in the Bremer River at an early date.

It was resolved to alter the rules of Water Polo to provide "a goal cannot be scored from a "free kick" unless the ball be handled by another player of the same side" and to provide that "the goal keeper may not throw the ball more than half way".

The Hon Treasurer, Mr G.W.Parkinson, submitted a Financial Statement showing the receipts for the past month were seventy three pounds nine shillings and ten pence, and the expenditure seven pounds twelve shillings, leaving a Credit Balance of sixty three pounds eleven shillings and ten pence.

Q.G.R. CLUB CARNIVAL 880 YARDS QUEENSLAND CHAMPIONSHIP

The Queensland Government Railway Amateur Swimming Club brought off its annual swimming carnival in the South Brisbane Baths last night, and though the rain mitigated against the fixture from a spectacular point of view, the sporting spirit was not damped, and all the events brought good entries, and the occasion was made additionally important by the inclusion in the programme of the 880 yards Championship of Queensland which carried with it the possible honour of representing Queensland in the Australasian Championships, this being dependent on the distance being covered in 12.35.

F.W.Springfield again secured the Championship, covering the distance in 12.37, or two seconds outside the specified time, and thirteen seconds outside his time last year. His brother, Sidney, was only a touch behind. Meise was the only other competitor to finish.

The Club and Inter-Club events were keenly contested, and the Club Championship retained b H.H.Berry.

The length of the programme was smartly carried through by the following officials - Referee, T.A.Bond; Judges, D.S.Carter, W.Kuder, J.Roche; Timekeepers, F.Springfield Snr, Geo Crawford, C.Botten, A.Butterfield

(standard); Starter, F.E.Duncalfe; Check Starter, W.Trevethan; Costume and Call Steward, W.H.Duffy; Press Steward, F.J.McAnally; Clerks of Course, R.H.Bunting, W.Dowd; Hon Secretary, R.L.Higgins.

TOOWONG CLUB'S CARNIVAL

The annual carnival of the Toowong Swimming Club was held in the Toowong Baths last night with a fair number of spectators including Ald and Mrs J.Hiron (Mayor and Mayoress of Toowong), Ald W.Land and Miss W.J.McGrath.

The officials were - Judges, Messrs J.Hiron (Patron), A.Bruce, D.S.Carter; Starter and Handicapper, Mr F.E.Duncalfe; Check Starter, Mr G.R.Petrie.

The "Courier" Trophy, valued at two guineas and presented by the Hon E.J.Stevens M.L.C., for the 100 yards Senior Brace Relay Race, was won by Carr and Knight. The Senior Handicap of 60 yards which resulted in a dead heat between J.Pacey and G.W.Parkinson at the recent Railway carnival at the South Brisbane baths, was held before the other events, and was won by Parkinson by a very narrow margin after a close race.

AUSTRALASIAN CHAMPIONSHIPS - QUESTION OF REPRESENTATION

The question of sending representatives from Queensland to compete in the Australasian Championships in Hobart and Melbourne again engaged the attention of the Council of the Queensland Amateur Swimming Association last night. The meeting was a Special one summoned on the petition of eleven delegates representing the Valley, Seagull, South Brisbane, City Clubs and the Toowoomba Centre, for the purpose of considering the resolution recently passed regarding the sending of representatives to the Australasian Championships. The interest excited by this important business is indicated by the fact that 38 delegates and officers attended. Mr D.S.Carter was in the Chair, supported by Mr W.Kuder (Hon Secretary) and Mr G.W.Parkinson (Hon Treasurer).

The Chairman explained the position. Some time ago the Association decided that two representatives should be sent from Queensland, and the Selection Committee appointed Messrs C.Graham and F.W.Springfield. The former accepted but the latter declined the offer. The Selection Committee did not think that there was another man capable of representing the State in the distance swimming. Then the Association decided that if S.Springfield could swim the Half Mile Queensland Championship at the Railway carnival in 12.35, he should be sent in place of his brother. S.Springfield failed the test.

In reply to Mr Hinch, the Chairman stated that the time stipulated by the Association was under standard time.

Mr Shield said it would amount to a vote of no confidence in the Selection Committee to send another representative. It was no good throwing away money for nothing at all. He moved that one representative be sent. Mr Hagen seconded.

Mr Finnimore, "You can't decide that unless you rescind the other resolutions."

Mr H.Sunderland, to test the feelings of the delegates, moved that both resolutions in the minutes concerning the representation at the Australasian Championships be rescinded. He argued that S.Springfield's performance was not a bad one considering he had only two days for preparation for the test, and his time was 6 4/5 seconds faster than that in which the Victorian swimmer won his Half Mile Championship last Saturday. He was only two seconds outside the test time, and that was only eight seconds slower than the second man in the New South Wales Championship. He thought S.Springfield should be sent.

Mr Hinch. "He would stand no chance against Longworth."

Mr F.Springfield Snr, "He could get second."

Mr Duncalfe, "Do you consider the Selection Committee has done its duty in merely asking two men to go?"

Chairman, "Certainly. Two men were selected, one accepted and the other refused. Then the Council set a test for the long distance and it was not

complied with. It is still open to send a second swimmer."

Mr Finnimore, "The Association has put itself into a hole."

The Chairman pointed out that no resolution could be rescinded in the same season, unless by unanimous vote.

The motion was then put. Eighteen voted for it and several hands were held up against it. The Chairman ruled it could not be carried, and no other business could be taken that night.

Mr McAnally announced that the Valley Club would send S.Springfield and asked if the Council would allow any expenses.

The Chairman, "I sympathise with you, but the question cannot be discussed now. It can be brought up at the next Council meeting. The Council has the power to send a second representative but not S.Springfield.

Mr Sunderland started a subscription towards S.Springfield's expenses, and several other delegates followed suit.

Valley Ladies Club Carnival

Members of the Valley Ladies Amateur swimming Club held their Championship Carnival in the Booroodabin Baths last evening in the presence of a large attendance. During the evening, Mr Venning presented the Life Saving Medals and the Barry Cup to the Valley Team. The races were watched with great interest, and the 10 yards Beginners Race in which little Miss Venning aged 3 1/2 years took part evoked much applause.

The officials were - Referee, Mrs Hale; Judges, Mrs Walker, Miss I.White and Mr E.G.Jacob; Timekeepers, Misses M.Smith, A.Butterfield and Mr Martin; Starter, Mr A.Butterfield; Check Starter, Miss M.Clarke; Clerk of Course, Miss T.Haslet; Costume Stewards, Mesdames W.M.Thompson and Gordon; Result Steward, Mr G.Paull; Press Steward, Miss E.Vaughan; Handicappers, QLASA Misses M.Smith, R.Fell and P.Brunnich, Club Miss A.Butterfield.

Results -

60 yards Senior Club Championship - Misses M.Springfield 1, M.Badger 2, A.Greenhill 3 Time 45 seconds.

30 yards Junior Club Championship - Misses A.Alexander 1, E.Connell 2, C.Greenhill 3. Time 22 seconds.

Letter to the Editor

ENCOURAGING SWIMMERS

What is the most enthusiastic sport of the present period? Swimming. It is a perfect art in itself, a sport in which both sexes at any stage of life can indulge, and more interest should be given in giving it encouragement. We have a worthy institution in the Royal Life Saving Society which is doing all in its power to encourage Life Saving. Queensland can also boast several very strong Clubs - ladies and gentlemen's - but what I want to mention is the action taken at a recent carnival. Rule 5 in the programme read as follows, "Any competitor breaking his time by more than 3 seconds in 60 yards and by 2 seconds in 30 yards will be disqualified." Well, according to the record, the majority of the competitors were disqualified and the race offered to the second placed competitor. The winner of the race was disqualified!

Can you imagine any swimmer, or any other competitor in any other sport, always keeping his or her time to the same standard, always being of the same style and never being able to do better than before? No. I think, as many more who take a great interest in any sport, swimmers, or followers of any other sort, should always have the chance to better themselves. When they take to the sport in earnest they will take all the practice they can, and do this practice with great zeal, so that when the final time comes they will find they are in perfect condition. Competitors never know what they are capable of doing until they have been in a competition e.g. in a swimming race there are, say, five starters, and among them the only ambition should be to get to the finishing post first, for then they show what they are capable of doing. But there is no incentive to do this if, when the race is finished, the winners find they have been disqualified for breaking their time.

I believe who ever wins the competition should win the prize, not the

second placed competitor. What if they have broken their time? It is when they feel they have done justice to themselves. If this action is followed at every race meeting, I am afraid there will be very little encouragement for swimmers.

I am, Sir

"A Swimmer"

MEETING OF Q.S.A. COUNCIL CONTEST IN THE BREMER RIVER

The monthly meeting of the Council of the Queensland Amateur Swimming Association was held in the Grand Central Hotel last night. Mr D.Carter occupied the Chair and there was a fairly good attendance.

The following officials were appointed for the 3 Mile Swim to be held in the Bremer River next Saturday - Referee, Mr D.S.Carter; Judges, Messrs S.J.McAnally, T.Kelleway, G.Brooker and H.Madden; Timekeepers, F.Springfield, C.Botten, W.G.Trevethan, A.J.Schaffer and R.Dick; Call Stewards, Messrs J.Roche and F.Ivett; Result and Press Steward, Mr W.Kuder; Starter, Mr F.E.Duncalfe; Check Starter, Mr W.A.Watson.

The Ipswich Swimming Centre wrote stating that owing to the low state of the Centre's funds, the only assistance the Centre could offer to Association in the 3 Mile swim in the Bremer was to give one guinea for the third prize.

A letter was received from Mr J.Hendry Grice offering a three guinea trophy for the swim.

A communication was received from the Hon E.J.Stevens M.L.C. intimating that he had consented to the trophy he had donated being the prize for the 100 yards Breast Stroke Championship of Queensland.

A letter was received from the Allora Amateur Swimming Club asking the Hon Secretary of the Association to forward the Club's compliments to the Association's Patron, the Hon E.J.Stevens M.L.C., in his recent bereavement. Permission was given to the Allora Club to hold a carnival, on March 24, and to the Railway Swimming Club (Brisbane) and the Ipswich Railway Amateur Swimming Club to hold a series of contests on February 12.

A letter was received from the New South Wales Amateur Swimming Association saying that in the event of any of its swimmers being invited to Queensland,

the invitation should be sent directly to the Association and not to the swimmer himself, as it was considered that no swimmer ought to get the pick of the trips to other States in preference to other deserving swimmers.

The Treasurer, Mr G.W.Parkinson, reported that the Association had at present a Credit balance of forty six pounds eleven shillings and ten pence.

Ladies Commercial Club Carnival

The Inter-Club carnival of the Ladies Commercial Amateur Swimming Club was held last night in the Arthur Street Baths. There was a good attendance of spectators.

The officials were - Referee, Mrs D.S.Reid; Starter, Mr E.Wetzel; Check Starter, Miss R.Fell; Judges, Messrs W.E.T.Martin, P.Holmes and W.Mooney; Timekeepers, Messrs E.McSweeney, W.Duffy and Miss M.Smith; Result Steward, S.Davidson; Clerk of Course, Mr H.Dodd; Costume Stewards, Mesdames Gordon and Hale; Judges of Diving, Messrs R.B.Lane, W.E.T.Martin and Mrs Reid; Hon Handicapper, Miss R.Fell; Association Handicappers, Misses M.Smith, R.Fell and P.Brunnich; Hon Treasurer, Miss M.King; Hon Secretary, Miss E.G.White; Press Correspondent, Mr F.White.

The programme comprised twenty two events and some excellent racing and close finishes were witnessed, while in diving events some very neat displays were given. In a number of events some of the swimmers were disqualified for starting before their handicap times.

The Club Championship of 75 yards was won by Miss J.King with Miss M.King second and Miss L.Woolstein third. Time 1min 5 secs.

Junior Club Championship 25 yards - Misses I.Cuthbertson 1, J.Edgar 2, J.Lloyd 3. Time 22 seconds.

Novelty Race - Misses J.Nicol 1, M.Grant 2

Standing and Running Dive - Misses M.Grant 1, D.Fish 2

Obstacle Race - Misses M.King 1, J.King 2

Inter-Club Brace Handicap - Misses L.Spottiswood & M.Grant (Val) Breast and Back Handicap 4 yards - Misses I.Edgar 1, M.Roughead 2, M.King 3.

TOOWONG AMATEUR LADIES CLUB

The third Annual Meeting of the Toowong Ladies Amateur Swimming Club was held on Tuesday evening in the Masonic Hall, Toowong. There was a good attendance of members including Mesdames Diddams and Land. Mr S.Davis was invited to take the Chair. Mrs Diddams urged the ladies of Toowong to do all in their power to promote swimming, and promised to take an active interest in the Club.

The Annual report showed considerable progress.

The following officers were elected - Patroness, Mrs Macartney; President, Mrs Diddams; Secretary & Treasurer, Miss J.Petrie; Captain, Miss M.Petrie; Vice Captain, Miss Carr; Handicapper, Miss D.Gaul; Committee, Misses L.Ellis, K.Petrie, M.Cottell, C.Brownsden, F.Perritt and Cusack.

At the close of the meeting the committee met to consider the Trust deed in connection with the 108 shares held by the Club in the Toowong Baths Company Limited, and eventually signed the necessary documents appointing Messrs J.Burge, J.Hiron and S.Davis to be the Trustees.

ST GEORGE SWIMMERS FOR BRISBANE

St George Feb 13

At a meeting of the Amateur Swimming Club last evening, it was decided to send two representatives to the carnival to be held in Brisbane on March 15, and a sum of forty pounds was promised in the room towards expenses of the representatives. Two test races will be held on March 1, and the winners will be sent as the Club's representatives.

AUSTRALASIAN CHAMPIONSHIPS
MILE WIN BY LONGWORTH - S.SPRINGFIELD FOURTH
Hobart Feb 15

The Tasmanian section of the Australasian Swimming Championships was concluded yesterday at the Sandy Bay Baths, Hobart, in fine but cool weather. The attendance was disappointing, falling short of the previous days of the carnival.

Six competitors turned out for the 1 Mile Championship. W.Longworth (NSW) led throughout and did the distance in 24.25 2/5. S.Smith (NSW) was second in 25.5, and C.Powell (Vic) third, and S.Springfield fourth, while the other two competitors, Moon and Page, also completed the distance.

Of the four Championships decided in Tasmania, Longworth has won the 220 yards, Half Mile and One Mile for New South Wales. Finney won the 100 yards Breast Stroke for Victoria, while New South Wales placed a man second in all four events.

In the 50 yards Open Handicap, E.Wickham (Sydney) won his heat in 24 1/5. He also won his semifinal, but was beaten by a foot in the final by G.Miller (Tas) to whom he was giving eight seconds. Wickham's time in the final was 25 seconds. J.Stedman (Vic) won the final of the 100 yards Handicap off three seconds in 60 seconds. The North versus South Tasmania Teams Race, five a side, each to swim 50 yards, resulted in a dead heat, the time being 2.37 2/5.

(No other reports of the events in Tasmania were found in the B.C.)

THREE MILE RACE - WON BY McGRATH.
SPRINGFIELD MAKES AN AUSTRALASIAN RECORD

Ipswich Feb 15

The Three Mile swim under the auspices of the Q.A.S.A took place this afternoon in the Bremer River from a point immediately below the Booval Station Road. A large crowd assembled on the bank to see the start, some half a dozen boats having brought some of the officials from Ipswich whilst the remainder and the competitors walked from the Booval Station.

When the limit man was sent off, the tide had just turned, competitors thus having the advantage of it all the way.

Sharp at three o'clock, amid shouts of encouragement from the spectators, the limit man took to the water, to be followed by each successive batch until the last three, Meise, Pierce and Bunting entered the water at 3.40. At 3.55 Springfield was sent off amid cheers. By this time the 15 minutes men were three quarters of a mile away.

(Then followed a description of various stages of the race at length)

McGrath, who was swimming very powerfully, eventually passed the post an easy winner, having scored the distance in 1 hour 28 minutes and 34 seconds. The finish was greeted by enthusiastic applause by the very large crowd assembled on the bank.

By this time Springfield was going strong and well having gained considerably on McGrath who had gained 20 minutes at the start on the champion. Springfield eventually passed the post at 5 minutes past 5, having taken 1 hour 10 minutes 40 seconds to do the three miles. He gained 18 minutes on the winner. Springfield thus established an Australasian Record, the holder's (Longworth) time being 1 hour 17 minutes 23 2/5 seconds. He was the recipient of many congratulations for his brilliant swim which he did under trying conditions, the number of motor boats passing causing him great trouble with the wash.

LADIES SWIMMING CARNIVAL

Sydney Feb 23

The New South Wales Ladies Amateur Swimming Association swimming carnival on Saturday was the first occasion on which men were allowed to be present at such a function, and that this departure brought popularity in its train was evidenced by the large section of male spectators present. The principal attraction was the 220 yards Championship of New South Wales. In

this event Miss Fanny Durack was a competitor, and it was common knowledge that the famous Eastern Suburbs representative and Olympic champion was to make an attempt to lower the world's record held by Miss Daisy Curwon of England with 3.25 2/5 to her credit, nor did she disappoint the spectators, for not only did she succeed in lowering the record by 13 2/5 seconds, but she treated the crowd to such a brilliant exhibition of the crawl stroke, that cheer after cheer greeted her as she emerged from the water.

INTER-STATE SWIMMING
100 YARDS CHAMPIONSHIP - WIN FOR WICKHAM
LONGWORTH WINS THE 3/4 MILE
LADIES RECORD - MISS FANNY DURACK'S FEAT
Melbourne Feb 23

There was a splendid attendance at the Fitzroy Baths yesterday when the Victorian section of the Australasian Swimming Championships was held under the auspices of the Victorian Amateur Swimming Association. The weather conditions were perfect.

The race for the 100 yards Championship of Australia, the Blue Riband of Australian swimming, was one of the finest ever witnessed in Victorian waters. The starters were: Longworth (holder), E.Wickham and A.W.Barry (NSW), W.B.Bennett and Ivan Stedman (Vic), C.Graham (Qld), and C.M.Mills (Tas). An excellent start was affected, save in the case of Barry who entered the water late. Barry, however, rapidly made up the deficiency. The champion made the pace tremendous, and Graham led the race at one stage. He, however, rapidly faded away, and Wickham, turning sharply, secured a lead. Barry and Longworth increased their pace and came on level terms with Wickham. A great race ensued, and Wickham, leaping from the water, won the championship on the post amid the greatest excitement. Barry was second and Longworth third. The finish was magnificent, and it was so close the swimmers all seemed to touch the rope together. Graham was fourth. Time was 59 seconds, or 2 2/5 outside Barry's Australian record.

The starters for the 3/4 Mile Championship of Australia were W.Longworth (holder), G.Page and H.Smith (NSW), C.Powell (Vic), and S.Springfield (Qld). The competitors got away to an excellent start. Longworth rapidly secured a lead. Though at one stage it appeared he would be beaten, he always had the race in hand, and spurting over the last 25 yards he won easily in 18.34 4/5. Smith was second in 18.51 1/5 and S.Springfield third in 19.5 2/5. Longworth's record for this distance stands at 17.42.

In the 332 yards Squadrons Teams Handicap in which ten teams, including NSW Scratch, Qld Scratch, competed, Middle Park won after a desperate finish in 2.27. Abbotsford was a close second, NSW third and Qld fourth.

AUSTRALASIAN CHAMPIONSHIPS
LONGWORTH AND FINNEY SUCCESSFUL
Melbourne Feb 26

The Victorian section of the Australasian Swimming Championships was concluded at the City baths tonight before a large attendance.

The 220 yards Breast Stroke Championship was won easily by W.H.Finney (Vic) who beat L.Blunt (Vic) by 5 yards. F.Schryner (WA) was third. The time was 3.13, which beat the Australian Record by 2 seconds.

There were six starters for the 440 yards Championship. The competitors kept well together until the fourth turn when Longworth took the lead and eventually won by about 25 yards from S.Smith (NSW) in 5.30 3/5. G.Page (NSW) was 10 yards further back third and S.Springfield (Qld) fourth.

LADIES CHAMPIONSHIP
MISS DURACK WINS HER 100 YARDS
NEW SOUTH WALES FIRST IN TEAMS RACE

The Queensland Ladies Amateur Swimming Association's Inter-State Championship Carnival took place on Saturday in the Booroodabin Baths in the presence of a very large attendance, the gallery being crowded to overflowing. This event had been looked forward to with some interest in swimming circles for some time past, and the fact that Miss Fanny Durack, the lady champion, and Miss M.Wylie (NSW) were taking part, added much interest to the occasion. This is the first time in many years that the Q.L.A.S.A has admitted men to its carnivals, and the concession was evidently appreciated, judging by the large number of male onlookers.

Miss F.Durack's first appearance was loudly applauded and her excellent style and grace brought forth many appreciative remarks. Miss M.Wylie's swimming was also greatly admired.

The officials for the afternoon were as follows - Referee, Mrs Robinson; Starter, Mr J.Kerr; Check Starter, Miss Kitchen; Judges, Messrs J.Pike, Knox Carson, Mesdames Reid and Hale; Timekeepers, Messrs D.S.Carter, D.Harrower, S.McAnally, Misses Fell, Smith Butterfield and Brunnich; Clerk of Course, Miss Butler; Call Steward, Mr F.W.Springfield; Costume Stewards, Mesdames Gordon, Ryder and Miss Grose; Result Steward, Mr Hale; Judges of Diving, Messrs W.Duffy, D.Harrower, and J.Hiron; Press Correspondent, Miss E.Vaughan; Hon Secretary, Miss Nellie Harrower.

Events resulted as follows -

10 yards Beginners Race - Miss L.Venning

100 yards Championship of Australia - Misses F.Durack (NSW) 1, M.Wylie (NSW) 2, Time 1.10 2/5. Miss I.Amor (NSW) and Miss M.Springfield (Qld) also took part in the event.

30 yards Junior Championship of Queensland - Misses I.Connell (Val) 1, A.Alexander (Val) 2. Time 22 seconds.

150 yards Teams Championship of Australia - NSW (Misses F.Durack, M.Wylie, I.Amor) 1, Qld (L.Spottiswood (Capt), M.Springfield, J.King) 2. Time 1.42 2/5.

60 yards Handicap - Misses M.Badger 1, K.Irving 2, M.Grant 3.

Novelty Musical Life Buoys - Miss J.King. This competition, in which the swimmers were blindfolded, caused great amusement.

Junior Dive - Misses C.Greenhill (Val) 1, I.Connell (Val) 2, E.Venning (Val) 3.

The arrangements for the carnival were excellently carried out, the races following one another without unnecessary delay.

CARNIVAL IN ROCKHAMPTON - CHAMPIONSHIP EVENTS

A joint carnival under the auspices of the Rockhampton and Fitzroy Swimming Clubs was successfully inaugurated in the Municipal Baths last night. There was a splendid attendance, the takings amounting to forty pounds.

Results -

100 yards Senior Handicap - Petersen 1, Ferguson 2.

100 yards Senior Championship of Central Queensland - V.Dowzer (Rock) 1, M.Shiels (Rock) 2. There were eight competitors. Dowzer, who is just from the junior ranks and holds the 100 yards Junior Championship of Queensland and the 60 yards Rockhampton Championship, swam splendidly and won by 1 1/2 yards in 1.0 1/5, a record for Central Queensland.

Novelty Event - W.Graham (Brisbane)

54 yards Breast Stroke Handicap - F.Laylee 1, A.V.Hinds 2

The carnival will be continued tomorrow night when the 100 yards State Championship will be competed for.

ROCKHAMPTON CARNIVAL

GRAHAM WINS THE 100 YARDS STATE CHAMPIONSHIP

Rockhampton Mar 10

The swimming carnival was concluded tonight in front of a large attendance. The principal attraction was the 100 yards Championship of Queensland. W.Graham's entitlement to the championship was disputed by T.D.Dowzer, M.Shiels, C.McGregor, B.Pattison, and A.H.Bowden.

After the first lap, Graham and Dowzer were racing on level terms with Shiels close up. Graham and Dowzer fought out a neck and neck race over the remainder of the distance, the two battling out one of the finest races seen in the baths. To the accompaniment of cheers, Graham gained the verdict by the merest of touches with Shiels a couple of yards away. The Time was 1.4 3/5. Dowzer is not yet 17 years of age, and the youngest swimmer to compete for the 100 yards State Championship.

(This statement was challenged next day in the paper with the information that in 1905 Douglas Carrie, who was then 16 years and 4 months of age competed in that event in Brisbane, and a year later won the same championship creating a Queensland record.)

The 100 yards Junior Championship of Central Queensland was won by G.Milner in 1.11 2/5.

Meeting of the Council

A meeting of the Council of the Queensland Amateur Swimming Association was held in the Grand Central Hotel last night. Mr F.Springfield presided and 27 delegates were present.

Permission was granted to the City Club to hold long distance swims for certificates tonight and Toowong on 14th instant.

A letter was received from the Southern Tasmanian A.S.A, expressing their appreciation of the Queensland method of forwarding entries, and a wish that such system was common in all the States, also complimenting the Queensland Association on its worthy representatives and their excellent behaviour.

The Council decided that at the Association's carnival next Saturday, an innovation in the shape of a pillow fight should be introduced, and that in all events members should start under numbers represented in the programme, such numbers to be suspended from the wire overhead, and that the results should be plainly posted. This course was decided on, so that those of the public who are not acquainted with the swimmers would be able to intelligently follow the struggles for supremacy in the handicaps and championships.

A letter was received from Mr F..Springfield claiming he had not received the trophy for second place in the Half Mile State Championship held last year under the auspices of the City Club. It was decided to ask the Club for an

explanation.

The Easter carnival programme of the Allora Club was approved. The Club mentioned that Brisbane visitors would be warmly welcomed.

A protest was received from H.T.Sherry who claimed third place in the recent 3 Mile swim in the Bremer. It was decided that the Executive should collect all the evidence possible and submit it to the next Council meeting.

The following entries were received for the 100 yards Championship of the Country to be decided next saturday at the Association carnival - A.Fitzgerald, O.Mackenzie, D.Parker (Warwick), A.Rogers (Toowoomba), A.Ivett, F.Ivett, C.Hogan (Ipswich), W.Digger, H.Wynn, A.Nolan (St George). Entries are also expected from Allora and Rockhampton.

Q.L.A.S.A INTER-STATE CARNIVAL
TWO WORLD'S RECORDS

The second of the Inter-State carnivals under the auspices of the Queensland Ladies Amateur Swimming Association took place in the Booroodabin Baths last night. There was a very large attendance, including a good percentage of male onlookers.

The appearance of Misses Durack and Wylie was the signal for loud cheering and their swimming was watched with much interest. The announcement that Miss Durack had broken the World Ladies Record for 220 yards in fresh water, swimming the distance in 3.2 1/5, and also that Miss Wylie had established a World's Record for 100 yards Ladies Breast Stroke in 1.28 4/5, or 1/5 of a second better than Miss Durack's World Record, was received with marked enthusiasm.

The officials were those who had been appointed for the previous carnival.
Results -

50 yards Junior Handicap - Misses I.Amor 1, E.Mason 2, L.Cuthbertson 3

150 yards Teams Championship of Queensland - Excelsior (Misses M.Grant, L.Spottiswood, L.Annan, I.Roberts, C.Francis, E.Grant) 1, Valley (Misses M.Springfield, A.Alexander, I.Connell, C.Greenhill, M.Badger, E.Venning) 2. Time 2.14 3/5

30 yards B Grade Senior - Misses L.Wheatley 1, B.Grose 2.

220 yards Championship of Australia - Misses F.Durack (NSW) 1, M.Wylie (NSW) 2, M.Springfield (Qld) 3. Time 3.2 1/5.

Miss Alexander also competed. The ladies world's record for salt water, 2.59. is also held by Miss Durack.

Brace Handicap - Excelsior (Misses Foubester and Grose) 1, Commercial (Misses M.King and J.King) 2.

100 yards Breast Stroke Championship of Australia - Misses M.Wylie (NSW) 1, E.Venning (Qld) 2, A.Alexander (Qld) 3. Time 1.28 4/5. Owing to indisposition Miss Durack did not compete.

Novelty Event - Candle Race - Misses M.King 1, L.Wheatley 2. Senior Dive - Misses M.King 1, J.Nicol 2, M.Springfield 3.

During the evening, little baby Venning, 3 1/2 years of age, gave an exhibition of swimming and was loudly applauded.

QUEENSLAND CHAMPIONSHIP CARNIVAL
SUCCESS OF C.GRAHAM AND F.W.SPRINGFIELD

The Queensland Amateur Swimming Association brought off its annual swimming carnival in the South Brisbane Baths on Saturday in glorious weather. The meeting attracted a fair attendance of spectators who had the satisfaction of seeing a representative number of the finest swimmers in the State competing for the Mile, 440 yards, and 100 yards Breast Stroke Championships and the 100 yards Championship of the Country. The programme was filled out with miscellaneous races a diving display and a pillow fight.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs M.J.Hinch, R.H.Bunting, W.Finnimore, T.Kellaway; Timekeepers, Messrs F.Springfield Snr, C.Botten, A.J.Schaffer, A.Butterfield; Starter, Mr F.E.Duncalfe; Check Starter, Mr W.G.Trevethan; Press Steward, Mr W.Kuder; Costume Steward, Mr G.Paull; Call Steward, Mr S.J.McAnally; Joint Secretaries, Mr W.Kuder and Mr J.Roche.

F.W.Springfield failed to hold to 440 yards Championship being decidedly beaten by Graham, with S.Springfield second. Graham scored again in the Breast Stroke, his kangaroo spring giving him an advantage from the start. The Mile proved a safe thing for Springfield, who thus retained the honour, doing the distance in 18 seconds less time than last year.

Results -

440 yards Championship of Queensland - First prize a Gold medal valued at two guineas, second prize a Medal valued at one guinea - holder F.W.Springfield - C.Graham (T) 1, F.W.Springfield (V) 2, Sid Springfield 3. Time 5.47 1/5. F.W.Springfield 5.50 and Sid 5.52. The World Record is 5.10 and the standard time 6.10. J.MacGregor (City) was the only other starter and he gave up before half the distance was covered. Graham led from the end of the first lap and was never seriously challenged by his rivals. Sid Springfield was in close company until the last two laps when his brother put on a big spurt and gained a lot of ground. He could not catch Graham who won with a yard to spare. The winner was heartily applauded. Last year's time was 5.58.

66 yards Junior Inter-Club Handicap - Nolan 1, Mackenzie 2, Pierce 3

100 yards Championship of the Country - First prize valued at two guineas, presented by Mr W.Kuder, second prize valued at one guinea, presented by Mr D.S.Carter - T.Dowzer (Rockhampton) 1, D.Parkes (Warwick) 2, J.Saunders (Ipswich) 3. Also swam - H.Wynn (St George), A.L.Ivett (Ipswich), A.Rogers (Toowoomba). A good race which Dowzer won in 65 seconds.

66 yards Inter-Club Handicap - Arnold 1, Paton 2, McAnally 3

100 yards Breast Stroke Championship of Queensland - First prize a Gold Medal valued at two guineas, presented by the Hon E.J.Stevens M.L.C., second prize a Medal value at one guinea presented by F.W.Nissen - Holder F.O.Venning - C.Graham (T) 1, H.Mendoza (V) 2, F.Robinson (Seagulls) 3. Only this three started, and Graham won very comfortably after two false starts in 1.26. This was 4/5 quicker than Venning's time last year. Standard time 1.25.

Pillow Fighting - J.E.Pacey (T)

132 yards Maurice Barry Brace Relay Inter-Club Handicap - W & F.Graham 1, Bouchard & Knight 2, Pacey & Macartney 3

Neat Dive - Trophy valued at 15/- R.Briggs (SB) 1, D.Harrower (City) 2

1 Mile Championship of Queensland - First prize Gold Medal valued at two guineas, second prize a Medal valued at one guinea, presented by Mr G.Crawford - Holder Mr F.W.Springfield - F.W.Springfield (V) 1, S.Springfield (V) 2, J.Saunders (Ips) 3, E.Pierce (V) 4. Time 25.50.

Also started, H.A.Davis (Rlwy), F.Mahoney (T), H.Stebbing (City). Frank Springfield led from start to finish. He soon had his competition strung out, and first Davis then Stebbing then Mahoney gave up. Frank's only serious

rival was his brother Sid, but his victory was never in doubt. Plugging away with his familiar trudgeon stroke throughout the 52 laps and a few yards, he finished quite fresh 15 yards or so ahead of his brother. Saunders was overlapped. There was some misunderstanding about the position of the finish, and though it made no difference to the result, it had the effect of confusing the timekeepers, and so no official time was recorded. It was commonly accepted, however, that Springfield covered the distance in 25.32 1/5, S.Springfield 's time being 25.56, and the third man's time 26.18, and the fourth 27.42. Thus all finished within the standard time of 28.30.

3 MILE LADIES SWIM - CONTEST FOR THE CHAMPIONSHIP
FINE PERFORMANCE IN THE BREMER
MISS M.KING WINS IN 2 HOURS 5 MINUTES 17 SECONDS

A remarkable performance was achieved in the Bremer River on Saturday when six young ladies competed in the 3 Mile race for the Championship of the Ladies Commercial Swimming Club. It was decided that this was the first event of its kind held in the Commonwealth, the only previous long distance race on record, and that was not a championship, was the 5 1/4 mile race decided in Queensland on 14 February 1905. The novelty of the race and the arduous character of the test drew upon it an unusual amount of attention in sporting circles, but unfortunately the wet weather interfered with the success of the fixture from a public point of view.

The race was indeed contested under trying conditions, the rain falling in heavy showers throughout the afternoon, and competitors having to swim against a strong tide for two thirds of the way. This was owing to a misunderstanding. Mr E.Wetzel, who had undertaken the management of the event, having planned the starting of the event to secure the favourable run of the tide throughout, but his information was awry. Another regrettable factor was the presence in the river of a considerable quantity of hyacinth which was a constant source of anxiety to the officials and the plucky swimmers.

The competitors were Misses L.Wollstein, M.Roughead, E.Mason, L.King, M.King and J.King. They travelled to Ipswich from Brisbane on the 10.5 train with a large party of friends which included Mesdames V.King (acting President of the Queensland Ladies Amateur Swimming Association and President of the Club), D.S.Reid (Ex President of the Q.L.A.S.A.), Hale (President of the South Brisbane Ladies Club) and E.Wetzel. They were welcomed at Ipswich by a Committee consisting of Mesdames J.W.Blair, H.Real, Streiff, G.W.Rylatt, R.Wilson, A.Wysham and Miss Cribb.

A move was at once made to the old town wharf where Mr Porter's motor launch conveyed the party to the starting point at Booval. The Hon J.W.Blair, Minister for Education, who had kindly consented to act as Starter, accompanied Mrs Blair on the boat, and the party further included Mr C.F.Ivett, Hon Secretary of the Ipswich A.S. Centre, who was responsible for the local arrangements, and the other officials, namely, Referee, Mr W.F.Johnstone; Judges, Messrs E.Wickham (100 yards Champion of Australia), E.Booker and H.Madden; Timekeepers, Messrs A.J.Schaffer, A.Gall and F.C.Ivett; Clerks of Course, Messrs L.Keenan and W.E.T.Martin (Instructor to the Royal Life Saving Society); Attendants on competitors, Messrs E.Wickham, E.Wetzel and J.Runcorn; Press Correspondent, Mr Pirunder.

Competitors prepared for the race en route, and before reaching the starting point Mr Blair offered a welcome to the visitors, and particularly to the competitors, who he was sure would establish a worthy record. It was a matter for regret that there was so much hyacinth in the water. He had been in communication with the Harbours and Rivers Department and he was promised steps would be taken to deal with the pest. The race to be decided was a unique event in the Commonwealth, and all honour should be given to the Ladies Commercial Swimming Club for having set such an example. It was one that might well be followed by other Clubs in other States. He was proud of being associated with the first competition of this kind, and hoped the result of the race would rebound to the credit of the Club.

The start was affected at 1.1 pm.

(Then there was a long, almost yard by yard, description of the race)

The motor launch cleared the way through the hyacinth where it lay thickest, and the two first swimmers, at any rate, benefited by this help.

Miss M.King went on gamely to the end and finished quite undistressed, an easy winner in 2 hours 5 minutes and 17 seconds. She was loudly cheered as she returned to the motor launch. Her sister, Jenny, finished second in 2.9.50, then there was a long interval before Miss Roughead arrived who was third in 2.33.17 and had pulled through in spite of considerable fatigue which had troubled her for the greater part of the distance. Miss Wollstein came fourth in 2.44.47, and came in laughing and joking as though from a bathe. The other two girls, both juniors, pluckily pulled through to the finish.

Rowing boats followed each competitor in case assistance should be required, and with the rain pouring down on the occupants, their lot was anything but a happy one, and it was agreed that no race should have been carried out under more unpleasant conditions.

The prizes were distributed on the motor launch by Mrs Blair amid a scene of enthusiasm. They consisted of a Silver Rose Bowl presented by Mr F.W.De Little, a Gold medal presented by Mr J.M.Barry, a Basket of Flowers from the Parisienne Florists, and a certificate for the winner, an Open Order valued at thirty shillings presented by Mr J.Hendry Grice, a Gold Medal presented by Mr J.M.Barry, a Certificate for second, a Open Order "Courier" Trophy presented by the Hon E.J.Stevens M.L.C, and a certificate for third. A Certificate was also provided for each of the other competitors.

STATE SCHOOLS CARNIVAL
100 YARDS CHAMPIONSHIP

The good work being done in the direction of making swimmers of the boys was made strikingly manifest when the Fifth Annual Carnival of the State Schools Amateur Swimming Association was carried out at the South Brisbane Baths, when enough competitors were found to provide for fourteen events, exactly half of which involved championship honours. No fewer than 195 boys competed, the entries totalling 494. The enthusiasm of the youngsters and the spirit of determination with which they contested the events and the capital discipline observed through the carnival were features which served to emphasise the value of this side of school life in the building up of character, apart from the obvious enjoyment it afforded to those taking part and to the crowd of spectators. The Association has distinguished recognition from the Minister of Public Instruction downwards, and has plenty of other friends who came forward to assist in the matter of prizes.

The official duties on Saturday were carried out by the following - Referee, Mr J.Daly; Starter, Mr J.L.Callaghan; Check Starter, Mr W.Morrow; Timekeeper, Mr W. Wilson; Clerks of Course, Messrs J.McCaffrey, C.L.Kemp, R.O.Carroll; Result Steward, Mr W.Clouston; Costume Stewards, Messrs W.Blake and W. H. Leonard; Ticket Supervisors, Messrs W.Pilkington and D.Chaplain; Judges, Messrs T.G.Weymouth, D.H.Bonham, R.S.Orr and J.Maddock; Handicappers, Messrs L.Callaghan, W.Morrow and A.Griffiths; Hon Press Steward and Secretary, Mr A.Griffiths.

The 100 yards State Schools Championship of Queensland, carrying with it the "Courier" trophy presented by the Hon E.J.Stevens M.L.C., was won by R.Horsley of West Ipswich.

As many as 15 boys came from Gayndah for the carnival, and Ipswich, Manly and Wynnum also sent representatives to compete with the metropolitan boys. West Ipswich sent its Fife and Drum Band which played during the afternoon. This school also supplied a very promising little swimmer in Horsley who won the 100 yards Championship in fine style.

CARNIVAL AT SOUTH BRISBANE
3/4 MILE CHAMPIONSHIP

The laudable object of liquidating the debt on the Toowong baths was the idea which prompted the holding of a swimming carnival in the South Brisbane Baths last night. The attendance was moderate but some interesting racing was witnessed. A Queensland Championship was included in the programme and a large number of events were also decided including a 500 yards Flying Squadron Race. The prizes for the races were donated by the various Clubs taking part, and with a small expense for the carnival, the Toowong Club should benefit substantially.

The officials were - Referee, Mr S.Davis; Judges, Messrs R.H.Bunting, R.Finnimore, T.Kelleway and D.S.Carter; Timekeepers, Messrs C.Botten, F.Springfield Snr, J.Hinch and A.Butterfield (standard); Starter, Mr F.E.Duncalfe; Check Starter, Mr G.K.Petrie; Costume Steward, Mr G.Paul; Press Steward, Mr P.J.Coffey; Call Steward, Mr S.J.McAnally; Hon Secretaries, Messrs W.Kuder and W.G.Trevethan.

Results -

33 yards South Brisbane Club Handicap - Schrey 1, Denford 2
33 yards Railway Audit Race - Oxenham 1, Merritt 2
3/4 Mile Championship of Queensland - There were three competitors in this event, F.W.Springfield (Holder), S.Springfield, and E.Pearce. The three swimmers got off the mark together, but early in the race F.W.Springfield went ahead. With ten laps gone, F.W.Springfield was 15 yards ahead of his brother and Pearce who were swimming neck and neck. When a couple more laps had been swum, the distance had increased to 20 yards and the other two were still together. With 24 laps to go, S.Springfield went away from Pearce. With 8 laps to go F.W.Springfield was 1 3/4 laps ahead of his brother and about 2 1/4 laps ahead of Pearce who continued to swim pluckily. F.W.Springfield won by 2 laps and ten yards from S. Springfield who was 1 lap and ten yards ahead of Pearce. F.W.Springfield's time was given as 19.8 - his best time for the distance is 18.7. The Australian record is 17.42 put up by Longworth in Sydney on 14 January 1911. The winner was heartily applauded on finishing.
33 yards Railway Handicap - Begley 1, Viertell 2
66 yards Valley Handicap - Haziitt 1, Anderson 2
33 yards Toowong Junior Handicap - Hobbs 1, Manton. 2, Symons 3
66 yards Toowong Senior Handicap - Final to be decided next week
300 yards Inter-Club Relay Race - Ipswich Railway 1, Brisbane Railway 2
500 yards "Flying Squadron" Relay Race -In this race teams were each required to swim 500 yards, each competitor covering 100 yards before being relieved. Three teams entered the race - City, Valley and Toowong and it was won by the Toowong Team (W. Graham, C.Graham, W. Carr, L. Dixon and G.Bouchard) with Valley (F.W.Springfield, S.Springfield, E.C.Pearce, A.Andrews, J.Brett) second. City's were third.
Neat Dive - Denford (South Brisbane).

KANGAROO POINT GIRLS CLUB
PRESENTATION OF PRIZES BY MR R.H.ROE M.A.

During the proceedings Miss Carraway (Head Mistress) read the Report which showed the Club opened on 1 October 1912 and closed on 1 April 1913. During that time 69 girls entered the water of whom 25 were beginners. At the close of the season, 60 were able to swim, thus leaving only three who had not acquired the art. At the Girls Association carnival the Club competed and were successful in carrying off second prize for diving and also second prize for the 25 yards Championship. As the girls were very young, this was very creditable. The success achieved was due to the enthusiasm supplied by Misses Kennedy and Norris and Mesdames Borwick, Cox and Diamond who had most unselfishly devoted their time week by week to interest the girls in swimming. Thanks were tendered to these ladies for their unceasing kindness.

This year's champion was Miss Ivy Castles, the girls who had obtained most Club points was Miss Miriam Nordon.

Noteworthy features were the great interest shown by the girls in this work, and the generosity of parents and friends in providing prizes. Great stress was laid on the importance of learning to swim, and it was hoped that next year the season would open with not only the old girls but also many new ones.

The Balance Sheet showed the Club was in a secure position.

AMATEUR SWIMMING - NEW CLUB FORMED

A meeting was called last evening by a number of gentlemen interested in swimming, with the idea of forming a new Club. Though over 100 had notified their intention to support the project, not more than eight were present at the meeting which was held in Eschenhagen's Cafe. Those present were Messrs R.Harrington, W.Journeaux, Eric Jacob, Chas Eschenhagen, W.H.Duncombe, Douglas Corrie, Colin Clark and Frank Berry.

Mr Douglas Corrie, who had been mainly interested in arranging matters in connection with the foundation of the Club, explained that on July 8 last, a small meeting had been held at which it was decided to call a general meeting. They were at that meeting now and were there with the intention of forming a new Bath Club or a Swimming Club to have chiefly for its members Grammar School Old Boys, University students and "kindred sportsmen". After Mr Corrie had unanimously been elected Chairman, Mr Berry laughingly remarked that he did not approve of the "bath" proposal. It was rather a reflection he thought. He wished to know if it was the intention of the proposed Club to confine itself solely to swimming. The Chairman intimated that when sufficient numbers had been obtained and they had gained a good footing, they would probably launch out and include other sports. Mr Berry suggested that it would be better to form an Amateur Athletic Club.

Eventually, on the motion of Mr Jacob, it was decided to call the body the Brisbane Amateur Sports Club, and Mr Eschenhagen proposed that they should affiliate with the Queensland Amateur Swimming Association. This motion was seconded by Mr Duncombe and after a little discussion was carried unanimously,

Regarding the election of officers, Mr Duncombe thought the question of appointing a Patron was a most important matter. He suggested that the Governor, Sir William MacGregor, should be asked to fill the office and moved to that effect. Mr Berry said he had great pleasure in seconding to motion, which was then put and carried unanimously.

Referring to the election of President, Mr Berry said he understood that it was the Chairman's idea to have a working President if possible.

Mr Journeaux, "What do you mean by a "working President"?"

The Chairman, "An officer who will attend the Club meetings as far as possible and take a generally lively interest in its affairs."

Mr Jacob proposed that Mr R.H.Roe M.A. should be requested to accept the office, and this was agreed to.

Regarding Vice Presidents, the Chairman stated that he was personally of the opinion that the number should be as small as possible for working purposes, and suggested three as a suitable number.

Mr Duncombe, "I think five would be better."

The Chairman, "I am in favour of the number being reduced to three." Mr Duncombe, "One out of five is more likely to turn up to meetings than one out of three."

It was decided on the motion of the Chairman to have three.

Mr Berry, "I understand it is your intention, Mr Chairman, to fill the office of Vice President with men who will work," He thought that in that case they could do nothing better than elect the Chairman himself as one of the members. It was decided, however, after a discussion, that Mr Corrie would assist the Club more by accepting the position of Hon Secretary which was the most important office and necessitated the securing of an earnest and vigorous worker.

Mr Corrie was unanimously elected Hon Secretary.

Messrs Eschenhagen, Clark and R.Gailey were appointed Vice Presidents, Mr Journeaux Assistant Hon Secretary and Treasurer, Messrs Jacob, Berry and Duncombe, Harrington and Allan Corrie the Committee, and Mr Malcolm Corrie Hon Auditor.

It was decided that no action should be taken in regard to Rules, but that they should be compiled and revised by the Committee and submitted to a general meeting to be called at an early date.

ALLAN & STARK LIMITED

The second Annual Meeting of the Allan & Stark Swimming Club was held last night. There was a good attendance of members. The Report and Balance Sheet showed a satisfactory position.

The following office bearers were elected for the ensuing season - Patrons, Messrs James Allan M.L.A, and R.B.Stark; President, Mr A.B.Stark; Vice Presidents, Messrs Sinclair, Stephenson, Gillingwater, Hill, Morgan, Stewart, Thomas, Bell, Sparkes, Dix, Templeton, Ashton, H.Stark, Watt and Jenkinson; Secretary, Mr E.S.Knox; Treasurer, Mr W.Beeston; Handicapper, Mr S.Harrap.

It was decided to affiliate with the Q.A.S.A. The South Brisbane Baths will be used for the season.

LADIES COMMERCIAL AMATEUR SWIMMING CLUB

The Three Mile Championship event which was introduced last season and proved such a success, notwithstanding it had been decided under most adverse circumstances, is already well advanced for the ensuing season. Quite a number of businesses and sporting folk have signified their intention of donating suitable trophies and open orders for this event which is the only one in its class decided in the Commonwealth, and not only reflects credit on the State but also on the enterprise of the governing Club.

The Hon E. J. Stevens M.L.C., who has always displayed a keen interest in the sport, more so in long distance competitions, has kindly donated a "Courier" Trophy valued at three guineas towards the event.

It will be remembered that last season the whole of the six competitors, including two juniors, most creditably completed the distance against the tide (for the greatest portion of the distance) and continuous rain, and a large amount of water hyacinth to plough through. It is anticipated that the proper authorities will see that the pest is removed in ample time this season. A much larger number of swimmers is anticipated. Members intend to start training immediately the baths are available as it has been decided to hold the event much earlier this year. The exact date will be decided at the Club's Annual General Meeting on September 8. As this event has to be decided over the championship course in the Bremer River where no revenue can be derived from the spectators and considerable expense is entailed in the decision, it is anticipated all interested will donate towards the event. Arrangements are to be made for a special train and for launches to follow the race, particulars of which are obtainable from the Hon Secretary.

THREE MILE LADIES CHAMPIONSHIP

The decision of this event in the coming season is creating a considerable amount of interest in natatorial circles, and several new applicants have applied for membership to enable them to attempt this most important event. The whole of the competitors who successfully completed the task last year have signified their intention of again facing the starter.

The interest evident is widespread throughout the Commonwealth, for in addition to donations already received from this State, including of course the "Courier" Trophy valued at three guineas donated by Hon E.J.Stevens M.L.C., Messrs W.Regnell & Sons, South Australia, have donated a valuable trophy valued at four guineas, to be known as the "Reynelle Trophy, in addition to a two guinea open order from a Sydney admirer.

Mr F.W.De Little has again offered a three guinea trophy, in addition to further donations from leading business people in the City who have responded liberally.

Should the conditions prove favourable, it is the intention of the holder of the title, Miss M.King, to attempt to establish a fresh record for the distance. A specially designed certificate will again be presented to those completing the distance. The date of the event is to be fixed at the Annual

Meeting to be held at the Arthur Street Baths on Monday night, when all preliminary arrangements will be made for training. All interested are requested to attend as an early start is to be made. The Ipswich Centre has promised to assist in the Bremer River and the course is again to be specially surveyed so that championship conditions can be faithfully carried out. Mr F.W.Finlayson M.L.A. has forwarded a donation of one guinea towards the event.

A New Club - (Commercial Swimming Club).

A meeting was held in the Grand Central Hotel last Wednesday night, Mr. J. Runcorn, sen., in the chair, to form a new amateur swimming club in the metropolis. The object of the club is to promote a good feeling socially among its members, to teach diving, swimming, and life saving free of charge, and to improve swimmers generally. It was decided that the name of the club should be The Commercial Amateur Swimming Club, and to affiliate with the Queensland Amateur Swimming Association. The Arthur-street Baths will be the club's headquarters, and the swim night every Tuesday, at 8 o'clock. The colours of the club will be chocolate and red and the costume navy blue with a badge in the club's colours and the design Com. over S.C. The following officers were elected:-Patron, Hon. E. J. Stevens. M.L.C.; President, Mr. F. W. De Little ; vice-presidents, Messrs. M. J. Barry, J. Runcorn, E. Wetzel, J. H. Grice, F. W. Nissen, Hon. W.H. Barnes, M.L.A., W. J. Coakes, F. White, sen., W. Healion, W.J. Attwater, Win Fowles, Pat. Scanlan, J. W. Brook, W. Solman, J. Martin, D. Clemens, J. Kilroe; hon. Secretary and Press correspondent, J. Dunning ; hon. treasurer, A. Johnson; hon. handicapper, J. Runcorn, sen.; delegates to Q.A.S.A., J. Dunning, S. Flatman, and W. Martin. The election of captain and vice-captain will be decided at the first swim. The following members were nominated for the committee, but their election was left in abeyance till the captain and vice-captain were elected:-W. Stowe, S. S. Flatman, W. E. T. Martin, H. Gilder: J. Hale, J. Stenhouse, F. White, J. McPherson, W. Moroney, and G. Johnson. It was decided to draw up a set of rules, which will be submitted to a general meeting. It was left to the committee to decide when the first swim shall take place, also to draw up a swim card for the season. The meeting resolved that the "Sports Observer" be the official medium. The club is fortunate in having in its ranks that capable instructor of life saving, Mr W. E. T. Martin. The first meeting of the committee will be held next Wednesday, at 8 o'clock.

THREE MILE LADIES CHAMPIONSHIP

Interest in the above event organised by the Ladies Commercial Swimming Club (the only one in the Commonwealth to decide such an important event) is still creating keen rivalry amongst intending competitors, and spirited support from supporters. At the Annual meeting last evening a large number of new members were enrolled in anticipation of becoming competitors. They will be balloted for at the Committee meeting. The business was so lengthy that no definite date was set for the event. Should the tide prove satisfactory, it is anticipated the event will take place early in November. Should the required information be available by Monday, a definite date will then be fixed by the Committee. The Committee intends to inspect the course and arrange for a

social function to be held after the race.

In addition to donations and trophies already acknowledged in these columns, Mr M.J.Barry has given a two guinea medal specially emblematic of the event, Mr D.B.McCullough three guineas, Rows Ltd two guineas, Mr J.Hendry Grice a trophy, while the Hon W.H.Barnes M.L.A., Minister for Works, and Hon J.W.Blair M.L.A., Minister for Education, have also forwarded donations. Mr Bert Hart (Messrs Walker & Hall, Sheffield) has also donated a valuable trophy, so that the race, in addition to its importance, will furnish suitable trophies for those taking part in the same.

COMMERCIAL CLUB

The first committee meeting of the season of the above new club was held in the Arthur Street Baths on Wednesday evening, the vice-president (Mr. E. Wetzel) in the chair. A letter was received from the club's patron, Hon. J. Stevens, M.L.C., wishing the club a successful career, and forwarding £2/2/-. A vote of thanks was passed by the committee to the patron for his generous donation. A letter wishing the club success was also received from the Ladies Commercial Club. A set of rules was drafted by the committee, and will be presented for approval to a general meeting to be held shortly. J. Stenhouse and W. Moroney were elected auditors for the season. Mr. E. Wetzel signified intention of donating a trophy for the most regular attender at the club swims each member to compete in the events for decision on such nights as he attends. A trophy will also be given for most points in swimming races held during the season, also for points in diving. It was decided that the committee meeting should be held on the last Wednesday in every month. A list of fixtures was drawn up for October, as follows:- First swim, October 7, 50 Yards Handicap and Long Dive; 14th, 25 Yards and Neat Dive; 21st, 10 Yards and Novelty event: 28th, 50 Yards (one lap each breast and back stroke) and Fancy Dive. It is the intention of the club to purchase a polo ball as soon as possible. Several new members were admitted to the club. The next committee meeting was fixed for 24th instant at 8 p.m.

B.C. Friday 19 September 1913

ANNUAL MEETING OF STATE SCHOOLS ASSOCIATION

The Annual General Meeting of the State Schools Amateur Swimming Association was held last night in the Y.M.C.A. Rooms. Mr A. S. Kennedy of the Education Department took the Chair. Apologies for absence were received from Hons E.J.Stevens M.L.C. J.W. Blair and W.H.Barnes, and Messrs T.Welsby, J.Allan, M.Kirwan M.M.L.A., Messrs R.H.Roe M.A., and J.D.Story and Colonel G.L.Lee.

The Annual Report, which was adopted, showed the season had a marked increase in membership and in the number taught to swim. The numbers constituted a record since the inauguration of the Association. After much trouble the Committee had partly succeeded in its efforts to induce some of the seaside schools to affiliate, and it was hoped the other seaside schools would do so during the ensuing year. In many schools Life Saving was taught and 308 boys understood and were able to carry out the various methods of rescue, release and resuscitation of the apparently drowned. Twenty boys from the Fortitude Valley school, five from Gayndah and one from South Brisbane boys school gained certificates from the Royal Life Saving Society. The annual carnival on March 30 was the most successful yet held and the attendance was a record. The want of baths accommodation was the cause of much inconvenience and a loss of time to some clubs at some distance from the present baths, and also prevented many schools from taking part in swimming instruction. If baths were established in more central positions, the children in the schools would be able to enjoy a swim at much less expense.

The Treasurer's Statement showed the Receipts amounted to ten pounds fifteen shillings and nine pence, and Expenditure to seven pounds eight shillings. Some discussion took place about the expense incurred by the

recipients of the Certificates of the R. L. S. S. and the suggestion was offered for the formation of a Society in Queensland.

The Chairman said they should not lose sight of the fact that a certain amount of value was attached to the Certificate of the R-L.S.S., and though the charges might be high, something might be done to alter them even if matters be referred to the headquarters in England. If it was decided to form a State Schools Life Saving Society in Australia, that could only be done if the schools in every State helped. If Queensland decided to give certificates of a lower standard and the other States adhered to the standard of the R.L.S.Society, this State would suffer. The matter, he thought, should receive the careful attention of the incoming Committee.

The election of officers resulted as follows - Patron, Hon J.W.Blair; President, Mr J.D.Story; Vice Presidents, Hons E.J.Stevens, D. F. Denham and W.H.Barnes, Messrs T.Welsby, J.Allan, and E.H.Macartney M.M.L.A., Messrs R.H.Roe M.A., and A.S.Kennedy, the Mayors of North and South Brisbane, and the Metropolitan Inspectors and Head Teachers; Committee, Messrs J.L.Callaghan, P.H.Bonham, T.G.Weymouth, W.Pilkington, R.S.Orr, C. Kemp, J.Maddock; Hon Secretary, Mr A.Griffiths; Hon Treasurer, Mr W.Morrow; Handicappers, Messrs J.L.Callaghan, A.Griffiths, W.Morrow; Auditors, Messrs W.F.Stanley and S.H.Scougall.

OLYMPIC CHAMPION TO VISIT BRISBANE

It is practically assured that the Olympic Champion swimmer, Duke Kahanamoku of Hawaii, will visit Australia in the coming swimming season and compete in the Australian Championship events in Sydney and Brisbane and would most likely swim at other large centres in the Commonwealth. Duke Kahanamoku is expected to reach Sydney about the middle of December.

CITY LADIES CLUB

The Annual Meeting of the City Ladies Swimming Club took place in the Cafe Eschenhagen last evening when Mrs Coghlan (President) occupied the Chair. The Annual Report showed an increase in attendance on last year. The attendance points prize was won by Miss Veda Coghlan who had attended every Club night and who had entered every race during the season. Keen regret was expressed that Miss Brunnich found it necessary to resign her position as Secretary of the Club, a position she had held for three years, and also her position as Handicapper to the Q.L.A.S.A., owing to lack of time to devote to the work.

The election of officers resulted as follows - Patroness, Mrs Doggett; President, Mrs Coghlan (re-elected); Vice Presidents, Mesdames Brown, Burrell, Petermann, Carson, Greenfield, Raymond, Cameron, Ahles, Aird, Key and Reid; Hon Secretaries, Misses Parish and Perry; Hon Treasurer, Miss Gordon; Captain, Miss C.Walsh; Vice Captain, Miss V.Coghlan; Committee, Mrs Burrell and Misses Brunnich, Mack, Gibson, Hanlon, Raven, Burgess, Lowther, Archer and Rech; Handicapper, Miss Brunnich; Auditors, Mrs Burrell and Miss Hall; Delegates, Misses Perry, Brunnich and Parish.

THREE MILE LADIES CHAMPIONSHIP

The above event inaugurated by the Ladies Commercial Club continues to provoke interest from admirers of this important event which is to be decided in the Bremer River, Ipswich, on November 1. All arrangements are well advanced, and given fine weather and the liberal support bestowed on the Club, all previous records should be eclipsed.

The latest donations forwarded are from Mr M.J.Kirwan M.L.A., and Mr W.Effey (Rowel Ltd) two guineas. The much coveted South Australian "Reynella" is due to arrive on Monday.

Training operations will commence in earnest on Monday evening at the Club headquarters, the Arthur Street Baths, new members being exceptionally keen on providing the winner this season.

Intending visitors who wish to follow the race on motor boats are requested to make early application to the Hon Secretary as limited space is available,

and applications will be dealt with and seats reserved as they are received.

An additional prize has been donated for the winner should a fresh record be established, which adds additional encouragement to the already long list of prizes.

COMMERCIAL CLUB

The second committee meeting, which was to have been held on Wednesday night next, has been postponed till the following Wednesday, on account of the general meeting of the Q.A.S.A. The members are very grateful to their president (Mr. F. W. de Little) for a generous donation to the club's funds, also a handsome silver cup, the competitions for which will be decided at the next committee meeting. The club's vice-presidents (Messrs. M. J. Barry and W. J. Attwater) have also given very generously to the club funds. The club's first swim will be held on Tuesday night, October 7 in the Arthur-street Baths. The distance will be 50yds. A long dive competition will also be held. Points will count for trophies (for attendance, swimming, and diving).

Q.A.S.A. ANNUAL MEETING THE BATHS QUESTION

With a progressive and successful year behind them, the members of the Queensland Amateur Swimming Association held their Annual Meeting in the Grand Central Hotel last night. There was a very good attendance. In the absence of the President (Hon J.W.Blair M.L.A.) who wrote apologising for non-attendance due to pressure of parliamentary duties Mr D.S.Carter (Vice President) was unanimously voted to the Chair. Apologies were received from Hon E.J.Stevens M.L.O (Patron), Dr A.B.Brockway and Mr R.L.Higgins (Hon Secretary Railways Club).

The Fifteenth Annual Report stated that the number of Clubs affiliated with the Association was 26, including 11 Metropolitan and 15 Country. This constituted a record membership being an increase of five Clubs on the previous season. The Committee expressed pleasure at the progress of the sport in the country districts. Notwithstanding the cost of sending a representative to Tasmania and Victoria to compete in the Australian Championships, an Honorarium of ten pounds to the Hon Secretary, and heavy expenses in replenishing the supply of Long Distance and State Standard Certificates, there was a Credit Balance of thirty six pounds sixteen shillings and a penny. Financially therefore, the Association was in a fairly healthy position, and the forthcoming Australian Championship Carnivals to be held in Brisbane this season would not, want for lack of funds in initiating a successful meeting. The Handicappers Report congratulated the Association on its increased membership and the increased number of carnivals held. The entries had been very good and the form showed by the competitors showed that, the quality of swimming was improving.

On moving the adoption of the report and Balance Sheet, Mr Carter congratulated the members on their excellent attendance and on the programmes which showed there was a keen interest taken in swimming, and the members had the welfare of the Association at heart. He referred to the progress which had been made in country districts, and the efforts which had been made to get the centres that had not affiliated to join the Association. It would be observed that they had had the luck to have the first portion of the Australian Championships to be held in Brisbane. A matter which they might consider with advantage was a lack of interest in water polo. They would never get the public to attend water polo matches unless they could provide a first class display. A matter which was of a pressing necessity was the lack of adequate bathing facilities. In this respect Brisbane was the worst catered for in the Commonwealth. The Municipal Authorities seemed to think that baths were not a necessity. The schools that were taking up swimming were finding great difficulty in finding accommodation. He considered that it was an absolute

disgrace to the city. Efforts had been made in the past to bring about a better state of affairs but without success. However, he felt sure that if the Education and Military Authorities took the matter up, some improvement could be obtained. Mr W.H.Hinch seconded the motion.

Mr. Mair, in supporting the motion, drew attention to the miserable bathing accommodation in Ipswich. Mr Ivett. (Secretary of the Ipswich Centre) also pointed out that this poor accommodation in Ipswich was a serious drawback to the advancement of the sport in that town.

Mr W.Kuder (Hon Secretary) said he had already been approached by three Clubs which wished to affiliate with the Association. He could see that this season the Association would be stronger than ever.

Mr W.H.Finnemore urged the formation of a deputation to wait upon the City Council with a request for better bathing accommodation.

Mr Geo Crawford and others supported the motion which was carried unanimously.

On the motion of Mr W.H.Finnemore, seconded by Mr Geo Crawford, it was decided that the number of Vice Presidents should be limited to ten.

The following officers were elected for the ensuing year - Patron, Hon.j.Stevens M.L.C; President., Mr D.S.Carter; Vice Presidents, Hon J.W.Blair M.L.A, Messrs Geo Crawford, W.H.Hinch, F.Springfield Snr, M.J.Barry, T.J.Donovan, J.H.Grice, J.Hiron, J.Baldwin, T.A.Bond; Handicappers, Messrs S.J.McAnatly, F.E.Duncalfe and W.G.Trevethan; Auditors, Messrs T.J.Donovan and R.H.Bunting; Hon Treasurer, Mr Geo Parkinson; Hon Secretary, Mr W.Kuder. Messrs M.Barry and W.Kuder were elected to represent. the Association on the Olympic Council.

On the motion of Mr Crawford it was decided a deputation should be formed to wait on the City and South Brisbane Councils and urge the necessity for better and larger baths accommodation.

STATE SCHOOLS GIRLS ASSOCIATION

The Annual Meeting of the State Schools Girls Amateur Swimming Association was held last evening in the Technical College, Ann Street. Miss Large presided. Apologies for absence were received from Hon E.J.Stevens M.L.C, and J.W.Blair M.L.A, and Mr J.D.Story.

The Annual Report showed the Association consisted of eleven Clubs against seven the previous season. The numbers in the Clubs totalled 586. 226 had been taught to swim during the season, 463 could swim and 28 had been taught life saving. The thanks of the Association were tendered to the following who had generously donated to the funds or assisted in other ways - Mesdames Roe, Kennedy, Huxham, Dr E.Bourne, Misses Large, Agnew, Fleming, Hon E.J.Stevens M.L.C, Messrs R.H.Roe M.A, Venning and Blake, Kangaroo Point School, Brisbane Central Girls Club, the Mayor of South Brisbane, Messrs Callaghan and Griffiths of the Boys Association. The Financial Statement showed a Credit Balance of eight pounds two shillings and one penny.

The following officers were elected for the ensuing season - Patroness, Lady MacGregor; President Miss Fleming; Vice Presidents, Mesdames Roe, Story, Kennedy, Fewtrell, J.W.Blair, Watkins, Dr E.Bourne, Misses Large, Agnew, Carraway and Donaldson; Advisory Board, Hon J.W.Blair M.L.A, Hon E.J.Stevens M.L.C, Messrs R.H.Roe M.A, J.D.Story, Dodd, Heit, Papi, Halstead, R.Mahony (Gayndah), Callaghan, Griffiths, Watkins (Manly), F.G.Pickburn, F.Venning, W.Finnemore and Dr Brockway; Hon Treasurer, Miss Stewart,; Hon Secretary, Mrs Mowbray; Council, Misses Jones, Forster, Kennedy, Keogh, Tyrell, O'Sullivan, White and Byrne.

The matter of appointing an instructor or instructress was left to the consideration of the incoming committee.

QUEENSLAND LADIES AMATEUR SWIMMING ASSOCIATION

The Annual Meeting of the Queensland Ladies Amateur Swimming Association was held in the National Association Rooms, Courier Building, last evening. Mrs Robinson (President) accepted the Chair, and others present included Misses N.Harrower (Hon Secretary), Ida White (Hon Treasurer), Mesdames King,

Gordon, Hale (Vice Presidents), Misses Fell, Smith and Brunnich (Handicappers), and about twenty others.

The Annual Report and Balance Sheet which were adopted showed that good progress had been made in swimming amongst the women of Queensland. There were six Clubs now affiliated - City, Excelsior, South Brisbane, Valley, Commercial and Manly. The outstanding feature of the year had been the visit of the New South Wales swimmers to Queensland to compete in the Inter-State Championship events, and two very successful carnivals had been held. Distance Certificates had been earned by 30 members of the Association, and in the State Teams Championship Excelsior was first and Valley second. The 60 yards Senior Championship was competed for in the carnival held by the Excelsior Club, Miss M.Springfield being first and Miss M.Grant second. In the 30 yards Junior Championship Miss L. Connell was first and Miss A.Alexander second. The Valley Club carried off the Barry Cup for the Life Saving competition, Grammar School being second. Thanks were tendered to the Hon E.J.Stevens M.L.C, Messrs D.S.Carter, J.H.Grice, Dilger Bros,

Goldsmith Bros, A.Littleboy, C. Brown, J. Pike, F.W.Nissen, M.Muir, Diamond Bros, W.J.Coakes, Mesdames D.S.Reid, Congeau, W.Collins, Spottiswood, Ryder, Gordon, King, Raymond and Peterman, the Press, especially the "Sports Observer", the Hon handicappers (Misses P.Brunnich, M.Smith and R.Fell), and all who had assisted the Association. The Treasurer's Statement, showed a Credit. Balance of three pounds sixteen shillings and ten pence.

It was decided that a deputation consisting of Mesdames Maurice Baldwin, Robinson, King, Hale, Cogan, Springfield, D.S.Reid and Gardiner should wait on the Mayors of North and South Brisbane to urge the Councils to provide swimming baths exclusively for ladies.

Mrs Maurice Baldwin and Miss White were delegates to represent the Association on the Olympic Congress Council.

Officers for the ensuing season were elected as follows - Patroness, Lady MacGregor; President, Mrs Maurice Baldwin; Vice Presidents, Mesdames A. McDonnell, G.E.Howling, J.S.Wiley, M.Thompson, W.Collins, Congeau, T.Wilson, Rendle, Gordon, D.S.Reid, Hawthorn, E.H.Macartney, the Mayoresses of North and South Brisbane, Presidents of affiliated Clubs; Hon Handicappers, Miss M.Smith and Mrs Hale; Hon Auditors, Misses R.Fell and Brunnich; Hon Treasurer, Mrs King; Hon Secretary, Miss N.Harrower; Advisory Board., Hon E.J.Stevens M.L.C, Messrs M. Baldwin, H.Duffy, J.Kerr, T.Weisby and W.Kuder.

THREE MILE LADIES CHAMPIONSHIP

The Ladies Commercial Swimming Club which is organising the above event is receiving most satisfactory support. Further donations have been received from Mr W.J.Coakes and Mrs Thomas White, whilst Mr F.W. De Little who provided the winner's trophy last year has again come forward and donated a three guinea trophy.

The various of last season's competitors, including Misses M.King, J.King, L.King and L.Woolstein have already started training operations, while intending and new starters include Misses V.Hale, D. Fish and P.O'Brien. It is anticipated that in all, 12 competitors will face the starter, which is double the number of last season.

Numerous applications for seating accommodation on the launch to follow the race have been received and allotted. Further applications will be held over until the advisability of engaging further launches is considered.

SWIMMING

The Annual Meeting of the Valley Ladies Swimming Club was held on Thursday evening in the Booroodabin Baths. Those present included Mesdames Walker (President) in the Chair, Springfield, G.Thompson, Venning, Misses D.Smith, M.Springfield, E.Vaughan, R.Badger, D.Doolan, A.Greenhill, C.Greenhill, A.Alexander, M.Alexander, E.Venning, H.Doolan, A.Butterfield, T.Haslet and M.Clark.

The Annual Report, and Balance Sheet which showed a credit of six pounds

odd, were adopted.

Owing to the lateness of the hour, no officers for the ensuing season were elected. A special meeting for that purpose will be held on second October.

Commercial Club.

Next Wednesday night at 8 o'clock, the committee will meet in the Arthur-street Baths. A very generous donation to the club funds has been received from Vice-president D.Clement, and a handsome trophy from Vice-president J. H. Grice. Members are reminded that the first swim will be held on Tuesday night, October 7, when a 50yds handicap and long dive will be contested. Points for trophies for attendance, swimming, and diving will count from the first night. Several applications have been received from intending members, and will be considered at the committee meeting.

SWIMMING - 500 YARDS RECORD
London Wednesday

Hatfield swam 500 yards in 6.2 4/5 breaking the late Barney Kieran's record of 6.10 3/5 established on 18 February 1905.

And on 6 October the Brisbane Courier reported -

TRIBUTE TO KIERAN
London Saturday

The "Sportsman" in regretfully commenting on the disappearance of Kieran's last English swimming record pays a notable tribute to his modesty and sportsmanship, and his absolute ignorance of sharp practice.

Commercial Club.

The committee met in the Arthur-street Baths on Wednesday night last, Vice-president J. Runcorn in the chair. Correspondence was received from Messrs. J. W. Brook and "Win" Fowles, accepting positions of vice-president, and offering to support the club; also from the Ladies' Commercial Club.

requesting the pleasure of the members' company at a coin evening at the residence of Mr. J. R. Miller, Tynemouth. Hockings Street, Eagle Junction, on Saturday evening, 11th instant. It was decided that the competitions for the silver cup donated by the president -(Mr. F. W. de Little) should be over distances of 100yds., 200yds., 300yds., and 440yds, to be held one in each month from December next to March. The first swim of the season (50 yds.), which was to have been held on Tuesday night next, has been postponed till the following night (Wednesday) on account of the annual meeting of the Royal Life-saving Society. Several new members were admitted to the club.

B.C. Tuesday 7 October 1913

MEETING OF Q.A.S.A COUNCIL

The first monthly meeting of the Council of the Queensland Amateur Swimming Association was held last night in the Grand Central Hotel. Mr D.S.Carter, Chairman of the Council, presided, and there were also present Messrs George Crawford, W.H.Hinch, F.Springfield (Vice Presidents), the Hon Secretary (Mr W.Kuder), the Hon Treasurer (Mr G.W.Parkinson), and a. large number of delegates.

A letter was read from the Amateur Swimming Union of Australia notifying that it had been practically arranged for Duke Kahanamoku (Olympic Champion) to visit Australia. The passage money for his party from Honolulu to Sydney and return would be about £135, and it was asked whether the Association desired a visit from the Duke and what contribution would be made towards the expenses? The general feeling of the meeting was that the proposed visit would add to the success of the Australian Championship carnivals which it was decided would be held from January 17 to 24.

Affiliation was granted to the Brisbane Amateur Sports Club and the Commercial Amateur Swimming Club. Permission was granted to Toowong and Railways Swimming Clubs to hold carnivals on November 10 and December 2 respectively. The former Club also applied for permission to hold the Barney Kieran Memorial Race at its carnival. It was resolved to hold this matter over to the Executive meeting in a fortnight's time. The same Clubs applied for permission to hold State Championship events at the carnivals. This matter was deferred to the next, meeting of the Executive.

Mr A.R.Harrower wrote applying for reinstatement. It was resolved to forward the application to the Australian Swimming Union recommending its favourable consideration.

The Council decided to approach the various training areas with regard to the affiliation of Cadets swimming clubs within the Association.

Arrangements were made for the 3 Mile Swim to be left in the hands of the Executive.

The following officers were elected Chairman, Mr D.S.Carter; Starter, Mr F.E.Duncalfe; Executive, Messrs W.H.Duffy, W.G.Trevethan, S.J.McAnally, and R.H.Bunting; Local Consuls, Messrs W.J.Lilley (Allora), J.P.O'Dwyer (Rockhampton), and C.Fortescue (Toowoomba).

It was decided to convene a meeting of delegates from each Club on 17 October to make arrangements for better control of water polo.

IPSWICH CENTRE

The Annual Meeting of the Ipswich Amateur Swimming Centre was held last night in St Paul's Hall. There was a very fair attendance and Mr W.Kuder (Secretary Q.A.S.A) presided.

The Secretary, Mr S.C.Ivett, read the Annual Report which was regarded as satisfactory. Three Cubs had affiliated and the Millard Cup for Inter-Club Relay Races and the Pratt Cup had been won by the Railways Club. The 100 yards Club Championship was won by J. Saunders and the Secretary's Championship by E.H.Mair. The finances were reported. to be in a healthy condition.

The election of officers resulted - Patron, Colonel G.T.Deacon CB (re-

elected); President, Mr W.T.Pratt (re-elected); Vice Presidents, Hon J.W.Blair, Messrs G.Millard, F.Oelkers, F.Kipping, J.Tritton, H.Green, A.E.Preddy, and J. Lindsay Snr, Handicapper and Starter, Mr W.Boothman; Check Starter, Mr L.C.Broad (re-elected); Timekeepers, A.Gall, R.Dick and H.Pfrunder; Judges, Messrs G.Skippington, H.Madden, j.Lindsay Jnr, F. Booker and J.Wilson; Referee, Mr W.S.Johnson (re-elected); Hon Secretary, Mr Hal Francis; Hon Treasurer, Mr E.H.Mair(re-elected); Delegate to Q.A.S.A, Mr Hal Francis.

STATE SCHOOLS ASSOCIATION

A meeting of the Queensland State Schools Girls Amateur Swimming Association was held in the Central School yesterday afternoon. Miss Carraway (President) occupied the Chair, and there were present Mrs Mowbray (Hon Secretary) and a number of teachers including Misses Broe, Tyrrell, Orour and Messrs Exley and Griffiths.

The principal business of the meeting was the consideration for an instructor in swimming and life saving. Miss Exley and Messrs A.Fxley and F.O.Venning were appointed a committee to draw up a scheme by means of which a male instructor could be provided.

COMMERCIAL CLUB

The inaugural swim was held in the Arthur Street Baths on Wednesday night. The large number of starters and the enthusiasm displayed augurs well for the future of the club. Prior to the swim a special general meeting was held, when W. E. Martin was elected captain, and S. Flatman vice-captain. The rules drafted by the committee were adopted. The events for decision were a 50yds handicap and long dive. The finish in the final showed that the handicapper has thus early got his hand in, as a towel would have covered the placed men. Results :

50yds.-First heat : A. Casey (3) 1, A. Byrne (5) 2.

Second heat : H. Morris (go) 1, W. Moroney (go) 2,

Third heat : S. Nicholson (1) 1, G. Johnson(1) 2.

Fourth heat : J. Hilton (3), 1, S. Flatman (3) 2.

Final : A. Casey A. Byrne 2, J. Hilton 3.

Long Dive.-W. Martin 1, W. McPherson A. Johnson 3.

After the swim the members spent half an hour getting their hands in with the polo ball. The events for decision next Tuesday night are lap dash and neat dive. The membership is steadily increasing. Vice-presidents Pat Scanlan and F. White, sen., have made generous donations to the club's funds.

STATE CHAMPIONSHIPS ALLOTTED

A meeting of the Queensland Amateur Swimming Association Executive was held last evening in the Grand Central Hotel, Mr D.S.Carter presiding.

A ballot was held which resulted in State Championship events being allotted as follows - Toowong, 1 Mile; Railways, 880 yards; Ipswich, 60 yards Junior; Warwick, 100 yards; Rockhampton, 3/4 Mile; Valley, 220 yards; Swimming Association, 440 yards. The Commercial, Toowong, Railways and Valley Clubs balloted for the Kieran Memorial Race, the Commercial Club being successful. The Breast Stroke Championships were not balloted for.

It was resolved that members of the Executive should wait on the Mayor and urge the urgent need for increased bathing facilities for the city.

Correspondence was submitted with the Amateur Swimming Union on the matter of a proposed visit to Brisbane by Duke Kahanamoku. It was resolved to write further to the Union asking what amount would be necessary to secure such a visit in January next, and what was proposed to be done with any profits that might ensue.

At a meeting held at the residence of Mr S.Davis, who has for many years taken a keen interest in swimming, a Nundah Ladies Club was formed. The following officers were elected - Patroness, Mrs Power; President, Mrs Henzel; Vice Presidents, Mesdames Southerden, Nicol, Robinson, Paterson, Lock, Price, Hyde, Hanbury, Canon Micklem, Messrs S.Davis and O. A committee meeting was held on Wednesday night at the Arthur-street Baths, Mr. S.Flatman presiding. Accounts amounting to £2/2/3 were passed for payment. Several new members were elected. It decided that the first competition for the De Little Cup should be held in November. A list of fixtures was drawn up for November as follows:-4th, 100yds Brace Belay Handicap and Plunge; 11th, 100yds Handicap for the De Little Cup and Object Dive; 18th. 75yds Handicap for Trophy; 25th, 200yds Sealed Handicap.

J. Youlton and J. White were elected to the committee, vice W. Stowe and H. Gilder, resigned.

All members interested in water polo are asked to be present at the Baths tomorrow morning, when a final selection will be made of the team to play in the first fixture next week. The benefit night for the club at Cook's Pictures, Valley, has been definitely fixed for Thursday, November 20. Tickets may be obtained from members at the Spring Hill Baths. The committee thanks the Ladies' Commercial Club for the costume badges given by them to the club, also for the invitation to witness the 3 miles championship at Ipswich, this afternoon and to attend the coin evening on November 8. It was decided to apply to the Q.A.S.A. for a night to hold an inter-club carnival

LADIES COMMERCIAL CLUB - THREE MILE CHAMPIONSHIP
A SPLENDID PERFORMANCE BY MISS M.KING

Ipswich Nov 2

The Three Mile Championship of the Commercial Ladies Swimming Club was decided in the Bremer River yesterday afternoon under most favourable conditions. The weather which had been very hot, changed, and instead of blazing sun the sky was overcast with every indication of rain, which fortunately for swimmers and spectators did not fall until after the race was over. The visiting swimmers were accompanied by a few friends from Brisbane, and on arrival in Ipswich were escorted by officials of the Ipswich Swimming Centre to motor boats and taken to the starting point just below the Booval Butter Factory pumps. Here no time was lost, and the Hon W.H.Barnes started the eight competitors a few minutes after one o'clock.

The ladies were aided by a strong flood tide, and Miss Minnie King soon forged ahead using a strong overarm stroke. She kept to the left bank and at the first mile, which was done in 25.10 was leading her sister Jenny by a couple of hundred yards, Miss Louie King being a similar distance behind Miss Jenny King. Following her came Misses P.O'Brien, V.Hale, Ivy Edgar and E.Mason, with Miss C.Bailes a long way back but swimming well.

Entering Tivoli reach Miss Minnie King increased her lead and it was evident that she would win easily and in very good time. Miss Vera Hale had improved her position and was close to Miss P.O'Brien. The swimmers, who were attended by friends in the water and pulling boats, stuck pluckily to their task and appeared to be enjoying it.

The second mile was done by Miss Minnie King in 47 minutes 2 seconds, Miss J.King in 52.35, Miss L.King in 54.9, with Misses Hale and O'Brien two or three minutes behind.

After passing the two mile post, Miss Minnie King showed she had a big reserve, spurting in fine style to the encouraging shouts of the spectators on the bank. Miss Jenny King also responded, but her sister, Louie was beginning to feel the strain, although she was swimming well.

A couple of motor boats coming down the river caused the swimmers some little inconvenience, and it was regrettable they did not go dead slow so as to give the plucky competitors every chance.

Approaching the basin, Miss Minnie had increased her lead to fully half a mile from her sister, Jenny, and Miss Louie King had lessened the distance slightly between her and her sister. Miss Vera Hale had passed Miss P.O'Brien who was well ahead of Miss I.Edgar with Miss E.Mason close behind, and Miss C.Bailes further back swimming bravely.

Miss M. King continued to swim well, and her appearance round the Woollen Co's corner was a surprise to the spectators who did not expect her so early. Keeping to the left bank she continued swimming a strong overarm stroke and passed the finishing post in the splendid time of 1 hour 28 minutes 28 seconds, which is a new record and compares favourably to that which stands to the credit of W.Longworth, 1.18.22 2/5 put up at the Municipal Baths, Domain, Sydney, in 1911, although, of course, it must be borne in mind the competitors on Saturday were assisted by a strong tide. As Miss King was assisted on board the official launch she was congratulated on every side by the crowd assembled on both banks of the river. She seemed none the worse for her strenuous swim.

Shortly after, Miss J.King appeared in the same stretch and was soon on board congratulating her sister. Following close behind was Miss L.King, then after an interval Miss V.Hale, with Miss P.O'Brien not far away. Soon after, Miss I.Edgar entered the straight closely followed by Miss E.Mason with Miss C.Bailes still swimming gamely.

Official times were as follows - Miss M.King, 1.28.28; Miss J.King, 1.32.24; Miss L.King. 1.36.55; Miss V.Hale, 1.34.44; Miss P.O'Brien, 1.47.55; Miss I.Edgar, 1.37.5; Miss E.Mason, 1.57.35; Miss C.Badies, 2.2.37.

The officials for the afternoon were - Starter, Hon W.H.Barnes; Judges, Messrs M.J.Barry and M.J.Kirwan M.L. • Timekeeper Mr H.Sunderland; Advisers were previously recorded.

SWIMMING

At the monthly meeting of the Queensland Amateur Swimming Association held last evening the Queensland Government Railway Club presented a programme in connection with its Championship Carnival in the South Brisbane Baths on 2 December. It included the 880 yards Championship of Queensland, and the date of closing of entries was given as 27 November. This programme was adopted by the Council. The Commercial Club was granted permission to hold an Inter-Club carnival on 14 February 1914. A request from the Brisbane Amateur Sports Club to hold its carnival on 7 January 1914 was also granted.

The Rockhampton Club wrote expressing its desire to have a visit from Duke Kahanamoku for its annual carnival in the event of his coming to Queensland under the Association's control. It was eventually decided to refer this request to the Australian Swimming Union.

Replying to the notification from the Council that Mr E.Wetzel was a professional swimmer, and therefore precluded from acting as a judge at its Club swims, the Commercial Club stated that it was under the impression that he, as a Vice President, could so act. The letter also contended that a communication from the Olympic Games Committee at Stockholm had declared him to be an amateur. It was decided by the Council to inform the Club that the Rules of the Association prohibited any professional swimmer from acting in any capacity whatever in connection with amateur swimming.

For the 3 Mile Swim, the Executive suggested that the trophies be as for last year and honour caps for the team providing the fastest swimmer

LADIES THREE MILE CHAMPIONSHIP

Arrangements are almost complete for the ladies 3 Mile Championship of Queensland and also the Team Championship over the same distance to be held in the Bremer River starting from the Booval on Saturday 20 November at 1pm. These will be the most important events for ladies that have been held in Queensland for many years and offer an opportunity to prove who is the best lady swimmer in the State over the distance mentioned, as the races will be held under the official Association auspices, and records established will be recognised by other Associations which of course is not the case in competitions held by individual Clubs.

While waiting for swimmers to arrive at Ipswich the Royal Life Saving Society will give an interesting display. Entries close today, and it is anticipated that the members of the Ladies Commercial Club who recently swam so well over the distance will be amongst the competitors anxious to test their speed and endurance under State Championship conditions.

LADIES THREE MILE CHAMPIONSHIP WIN FOR MISS M. SPRINGFIELD TEAMS CHAMPIONSHIP WON BY VALLEY LADIES CLUB Ipswich Nov 30

The Ladies 3 Mile individual, and Teams 3 Mile, Championships of Queensland were decided in the Bremer River yesterday afternoon under to auspices of the Q.L.A.S.A, The arrangements being made by the Valley Ladies Club.

The ladies travelled to Ipswich by the 11.30am train and were taken to t starting point just below the Booval Butter Factory pumps where a rope had been stretched across the river to give all a level start. A slight delay was occasioned by some of the boats arriving late, but a good start was affected at 1.28, 18 competitors being sent off by the starter, Mr H. Francis.

Miss Mabel Springfield immediately assumed the lead swimming a strong overarm stroke and was closely followed by Misses Alexander and M. King. At the half mile distance Miss Springfield was leading Miss Alexander by 20 yards with Miss Minnie King a similar distance behind Miss Alexander, with others a short distance away.

At the mile post Miss Springfield, who kept to the left bank, had increased her lead to 50-60 yards and Miss Alexander was about the same distance ahead of Miss Minnie King. Misses Venning and Connell were some 100 yards away closely followed by Miss J. King with the others strung out. The tide which had nearly reached the full was not assisting the swimmers very much, but they were doing well.

The first mile was covered as follows - Miss Springfield 13.59, Miss Alexander 14.40, Miss King 15.14.

Approaching Tivoli, Miss Springfield had increased her lead and had moved towards mid-stream, while Miss Alexander kept to the left bank.

Approaching North Ipswich, the crowd who had lined the bank warmly

encouraged the leading competitors. Miss Springfield continued to increase her lead and passed the two mile post swimming strongly and well, her time at that stage being 45.16. Miss Alexander passed at 46.57 and Miss M.King at 48.5. A great race for fourth position was taking place between Misses Venning and Connell while Miss J.King was close behind. Several competitors had by this time retired from the race.

Entering the "basin" Miss Springfield was leading Miss Alexander by some 300 yards, but Miss Minnie King had greatly reduced the distance between her and Miss Alexander.

It was here that the tide was felt to have taken a turn and the swimmers were of necessity handicapped from this onwards. Nevertheless they continued to swim well, and as Miss Springfield approached the finishing post she was loudly cheered by the big crowd waiting on the bank. She passed the winning post after swimming for 1 hour 28 minutes 48 seconds. Miss Alexander was next nearly six minutes behind, while Miss M.King who had again fallen back was three minutes later. As each competitor finished she was warmly applauded.

The times in covering the distance were as follows - Misses M.Springfield (V) 1.25.48; A.Alexander (V) 1.36.53; M.King (Com) 1.39.15; E.Venning (V) 1.50.54; E.Connell (V) 2.20.45; J.King (Com) 2.47.48; L.King (Com) 2.49.56; P.White (V) 3.00.39; A.Greenhill (V) 3.3.7; V.McGilrick (V) 3.3.19; S.Clarke (SB) 3.17.14.

The Valley team won the Ladies Team Championship securing first, second, fourth and fifth places with its first four swimmers.

First prize for the individual championship included the "Courier" trophy donated by Hon E.J.Stevens M.L.C, a medal given by Mr J.M.Barry, and the Association's Championship Sash.

SWIMMING

The Council of the Queensland Amateur Swimming Association met last night in the Grand Central Hotel with an attendance of about 20 delegates. Mr D.S.Carter occupied the Chair and those present included Messrs F.Springfield (Vice President), W.Kuder (Hon Secretary) and G.W. Parkinson (Hon Treasurer).

The programme submitted by the Boomerang Club (Toowoomba) for its carnival on Christmas night was approved. A letter was received from the Rockhampton Club forwarding 2/10/- towards the E.J.Stevens Testimonial Fund. The Warwick Club notified its intention of adhering to an early date in January for the purpose of holding its annual carnival. Permission was given to the Commercial Club to engage in competition with the Ipswich Railway Club on December 13 at the Spring Hill Baths.

The Victorian Association wrote expressing its appreciation of the protest by the Queensland Association against the action of the Australian Swimming Union in proposing to hold the Inter-State Conference at Sydney instead of in Brisbane.

Regarding the proposed visit of the Honolulu swimmer Paoa Rahanamoku, it was decided that failing his appearance in Brisbane, the dates of the Australian carnival should be altered to January 24 and 26 instead of January 17, 21 and 24. The matter of fixing the events for the carnivals was left in the hands of the Executive.

It was resolved to arrange for a deputation to wait on the South Brisbane Council early in January and lay before it the advisableness of providing more bathing accommodation within the area under its jurisdiction. The Treasurer's Report showed a Credit Balance of f42/3/8.

Council agreed that where metropolitan competitors took part in carnivals in the country, the Association's Handicappers should be given the first right of reviewing the handicaps of those swimmers.

The question of selecting representatives to take part in the Australian Championships on behalf of the State was left in the hands of the Handicappers.

AUSTRALIAN SWIMMING CHAMPIONSHIPS
TEST RACES

A test race to decide on a second and third Queensland representative for the coming 100 yards Australian Championships in Brisbane will be held in the Toowong baths tomorrow night at 8 o'clock. Competitors will include P. Loewe, G.Bouchard, F. and W.Graham, and any other competitors who notify Mr F.Dun-calfe of their intention to take part, but not later than 8 o'clock at the latest.

The first representative chosen by the Selectors, Messrs Dun-calfe, McAnally and Trevethan, last evening was F.C.Graham of the Toowong Club, but he will swim in the test race. The claim of T.Dowzer of Rockhampton to be included was considered, and it was decided to ask the Local Consul to arrange a test for him in Rockhampton next week under the usual strict supervision, and if his time is better than that of the competitors in Brisbane, other than the two selected, he will secure third placing.

Tomorrow evening in the South Brisbane Baths at 8 o'clock, a test race will be held over 3/4 mile to select three representatives for that distance at the Australian Championships.

Next Monday at 7.30 sharp a test race will be held over 440 yards in the Metropolitan Baths for the same purpose, and this will be immediately followed by the 220 yards Breast Stroke test. For the latter event, C.Graham has been selected as one of the representatives.

THE COMING CHAMPIONSHIPS
QUEENSLAND REPRESENTATIVES SELECTED

A meeting of the Council of the Queensland Amateur Swimming Association was held last night in the Grand Central Hotel. There was a good attendance of delegates. Mr D.S.Carter presided.

The Commercial Club submitted its programme for a carnival on February 17 and this was approved. The request, for a 50 yards unaffiliated Club race was refused. The Rockhampton Club sought permission to hold carnivals on March 14 and 16, and asked for permission to invite A.A.Wickham, A. W. Barry or W.Longworth to compete. Granted. Permission was granted to the City Amateur Swimming Club to hold a carnival a fortnight later than the Commercial on February 17, and also to hold the 60 yards Junior Championship of Queensland. The West Australian Association notified that it had suggested Brisbane as the next place for the A.S.U. Conference, and also that E.J.Finlay would represent the State in the Championships in Brisbane where he would probably arrive on January 21.

The New South Wales Association asked for the names of the Queensland swimmers who intended to compete in the championships in Sydney, together with their performances. The Association notified that W.Longworth was certain to be one of the New South Wales representatives in Brisbane, but A.W.Barry would be unable to make the trip. Disappointment was expressed by the delegates on hearing that Barry was not able to come.

The Toowong Club notified that the following members of their Club had signified their intention of making the trip to Sydney with the members of the Association - G.Kelleway, M. Broderick, F.E.Duncalfe, J.W.McKinnon and G.W.Parkinson.

Affiliation was granted to the Mount Morgan Club.

On the recommendation of the Ipswich Centre, the 3 Mile swim in the Bremer River was postponed. It was stated that trophies amounting to t'34/11/- had been received in connection with this carnival.

It was agreed to allow T.Dowzer (Rockhampton) thirty five shillings for expenses to travel to Brisbane for the Australian Championships.

It was reported to the meeting that the 440 yards and the 220 yards Breast Stroke test races had held in the Metropolitan Baths that night and resulted as follows - 440 yards, S.Springfield 4.45, C.Graham 4.47, E.Pearce 4.49. 220 yards Breast Stroke, F.Springfield 1, C.Richardson 2, Griffiths 3. Time 3.40. The test race over 100 yards had been held in Rockhampton and was won by T.Dowzer in 1.2, M.Shields 1.4 4/5 second.

The Selectors had therefore chosen the following to represent on January 24 and 26 100 yards, C.Graham (T), T.Dowzer (R), W.Graham (T): 3/4 Mile, S.Springfield (V), E.Pearce (V), J.W.Saunders (Ips): 4-10 yards, S.Springfield (V), C.Graham (I), E.Pearce (V): 220 yards Breast Stroke, C.Graham (T), F. Springfield (V), C.Richardson (V). C. Graham and S.Springfield were chosen to represent in Sydney, and Mr F.E.Duncalfe was appointed Manager and Delegate to the Australian Swimming Union Conference.

MORE BATHS WANTED
DEPUTATION TO SOUTH BRISBANE COUNCIL
WHERE IS THE MONEY?

At the South Brisbane Town Hall yesterday the Mayor of South Brisbane, Aid H.Neylon, and Aldermen A.Gillespie, J.E.Burke, J.Gaffney, R.W.H.Long and L.Stephens representing the South Brisbane Council, received a deputation from the Queensland Amateur Swimming Association and various Swimming Clubs with a request for more bathing accommodation for South Brisbane. The deputation comprised Messrs W.Bertran M.L.A, D.S.Carter (President Q.A.S.A), W.Kuder (Secretary Q.A.S.A), W.Trevethan, Mesdames Burke, D.S.Reid (Q.L.A.S.A), Hale (C.L.A.S.C), Gardiner, Robertson, Misses S.Clark (S.B.A.S.C), and N. Harrower (Secretary Q.L.A.S.A).

Mr Carter said the object of the deputation was to look for better bathing accommodation for South Brisbane. They had for many years tried to impress on the Councils of North and South Brisbane the necessity for better bathing facilities, and an influential deputation had waited on the Council with the result, he understood, that Ald Blocksidge had plans created for new baths. In South Brisbane there was really only one bathing place, and the conditions here, as compared with Melbourne, Sydney and Adelaide were distinctly unfavourable for Brisbane. The population of South Brisbane was 30,000 to 40,000 and it was to be regretted there were not sufficient baths for people to indulge in bathing or swimming. School children, too, were to be considered, as well as the ladies whom he though might have separate bathing places.

They had a few suggestions to make. He believed the Council had recently acquired a piece of land not far from the site of the present baths in Stanley Street, and he suggested the Council should erect baths there of sufficient size to accommodate people and spectators. To impress upon them the necessity for bathing facilities, he would point out that on January 24 and 26 they would hold a carnival and had to apply for the use of the Dry Dock.

The Mayor, "A good place too."

Mr Carter said that this was so, but they did not want to be always bothering the Government for the Dock which was frequently occupied with steamers. Another place to establish baths would be in the vicinity of the Brisbane Cricket Ground which would be a fine place to build central baths. Another place was in the vicinity of Davies Park where a great number of school children could be accommodated. He noticed that ladies were the

strongest portion of the deputation and he thought ladies baths should also be considered. Speaking as a ratepayer of South Brisbane, he thought ratepayers would pay a small taxation for the purpose of getting baths.

Mr Bertram said he realised the question was one of finance, and the Council could not build all the baths Mr Carter had enumerated, but he thought first of all something might be done in the way of establishing baths at Woolloongabba Park.

Mrs Reid said she thought it was rather a blot that South Brisbane did not have better bathing facilities. She always thought the South Brisbane Council was a "go ahead" body - laughter from Aldermen. She also thought ladies should have baths to themselves - "Hear, Hear". How could boys and girls learn Life Saving if there was an insufficiency of bathing accommodation?

The Mayor exhibited a plan which had been prepared in 1910 for the construction of baths in Woolloongabba Park. The cost then had been £2800 for baths 150 feet by 40 feet.

Alderman Burke said the Council attitude since he had been on it was that it would not go in for any work, except health, which was not reproductive. Voice, "They ought to be." They did not pay even when they were crowded. In 1907 and 1910 attempts had been made to get baths for South Brisbane but the ratepayers had turned down the loan proposal for baths. When the sewerage system came into force and the sewerage was taken from the river, they would then be able to put up baths cheaper.

At present in South Brisbane they were heavily rated, and it was the duty of the Council to keep down the rates if possible. Regarding the ladies, he thought they had the present baths three quarters of the time. Mrs Reid, "Not half enough."

Ald Burke said he could not see how they could put up baths with the present rate, and he could not see where they would get the money.

Ald Stephens said they could only get the baths when the ratepayers sanctioned it, and twice had turned down the scheme for baths. The work of the deputation could consist of educating the ratepayers up to the fact that baths were necessary and so get the Council permission to use the money for constructing them. The proposals had the sympathy of the Council. In certain localities the water had been tested and found unsuitable for putting baths down. Last year the baths had yielded £111/17/8 and expenses were £180/18/-, or a loss of nearly £70 in twelve months.

Ald Gillespie said it was all a matter of finance and he did not think ratepayers would pass a loan for baths.

Ald Long thought the Association should take the matter up themselves and come forward with some scheme. The Council would no doubt then give them some assistance.

Ald Gaffney agreed that Woolloongabba was a good place for baths but it was all a question of finance, and where was the money to come from?

The Mayor regretted that he could not give them a definite promise straight off. As they had heard, the Aldermen were in entire sympathy with the proposals, and if the ratepayers had turned down the proposal for baths, what could be done? A scheme was now before Council for building baths in Dutton Park. Another he hoped would be built in Davies Park and a third in East Brisbane. The financial aspect, however, did not look too cheering, but if the Association took up the matter and came forward, he had no doubt the Council would render assistance.

Mr Carter regretted they had not more sympathy, but thanked the Mayor and Aldermen.

The Mayor, "Pardon me, but you have got our sympathy."

Mr Carter, "Yes, but sympathy will not fill pockets nor build baths."

WANTED - SWIMMING BATHS

To the Editor,
Sir,

At such a time when school children are enjoying their holidays after a year when swimming has been taught in the upper classes, when shark encounters are becoming all too prevalent, and when trying weather as we have been experiencing during the past, three or four weeks lead us to look about. for some suitable place where we can have a cool swim in safety, is it not the time that the City Fathers were awake to the fact of the importance of providing adequate swimming accommodation for the community?

We citizens of Brisbane are provided with a climate suitable for bathing and a river second to none throughout the whole of the States, and yet we are far behind our southern citizens in the way of bathing facilities. A few weeks ago it was my privilege to pay a holiday visit to Melbourne and Sydney, and while there was struck by the bathing facilities provided in both of these capitals. At St Kilda - Melbourne's principal watering place - they have a comparatively new men's bath 300 feet long and 200 feet wide with a depth of from 1 foot to 20 feet. There is also a bath adjoining - at, one time a ladies, but now used for mixed bathing - about half the size of the one referred to. At Sydney, notwithstanding the enormous provision made for surf bathing, there are also numbers of swimming baths, some separately for males and females, and others for mixed bathing. Contrast this with our city. With all the facilities at hand we have a few small baths which are quite inadequate for the demand, and when it comes to a swimming carnival we have to fall back on the Dry Dock.

I think it is an opportune time for the various local authorities concerned to take the matter in hand and endeavour to provide adequate swimming accommodation, not only for the numbers of boys and girls, but also for the adults of both sexes who are indulging in this splendid physical exercise viz. swimming. Surely if the cost of erecting large swimming baths is a stumbling

block, it would not be a very costly matter to erect baths at convenient places along our river bank of strong wire netting or batten enclosures proof against sharks and jelly fish, with separate dressing sheds for males and females attached. These might be erected at Hamilton, Bulimba (southside), Dutton Park, Mowbray Park, Hill End etc.

I am Sir, "A Lover of Swimming".

SWIMMING

To the Editor,
Sir,

I noted "Swimmer's" letter in today's issue. He evidently did not read my letter which appeared in your issue of 15th inst. I quite agree with him about the Hamilton site. I think the place is in every way suitable for a large swimming enclosure, and the Hamilton Shire Council should, at an early date, take the matter in hand. At the same time I am of the opinion that swimming enclosures should be erected in closer proximity to the various metropolitan schools. I believe all Brisbane schools have established swimming classes, and there is not nearly adequate swimming accommodation for the children who are eligible, willing and anxious to avail themselves of these classes. The only bath in the whole of South Brisbane is the one in Stanley Street. I am aware of a move being made to erect a bath in Woolloongabba, but I am not in favour of this. In the first place, the proposal will be far too costly, and when in working condition being so far from the river will be most expensive to keep in repair, and no doubt will spend half its time out of water. Again, it will only benefit the ratepayers in the immediate vicinity, while the stagnant water will not be conducive to the good health of the bathers; numbers of people will refrain from having a dip rather than a bathe in such a place especially when a fine enticing river is so close at hand. As a South Brisbane taxpayer, I strongly oppose such a scheme. I suggested in my last, swimming enclosures at various places along the river; there are different spots that are ideal for them, one at Mowbray Park between the pontoons and the small jetty. There, an enclosure 200 feet by 80 feet might be erected. This enclosure would be handy for the children of Kangaroo Point, East Brisbane, and Morningside schools. At Dutton Park there is a suitable place just near the bamboos, and an enclosure 120 feet by 60 feet could be erected there. This could accommodate the children of the Dutton Park and Junction Park schools. Again, at Hill End there is a fine sandy beach just opposite the residence of Dr Jackson where an enclosure of the same dimensions of Dutton Park might be built and would be able to accommodate the West End children, while those of the South Brisbane Central School could continue to attend the present baths in Stanley Street. At each of these enclosures suitable dressing sheds, separate for both sexes, could be built and a caretaker who would be a good swimming coach and an instructor for the children could be engaged.

I contend that these three enclosures could be erected in an up-to-date manner at less cost than the proposed baths for Woolloongabba, and would not be such a costly upkeep, and would, with the existing Stanley Street baths, benefit the whole of the residents of the South Brisbane municipal area. Trusting the matter will receive due consideration especially by the South Brisbane ratepayers,

SWIMMING BATHS FOR BRISBANE

To the Editor,
Sir,

I have read with interest the various suggestions for bathing facilities for the residents of South Brisbane, and though admitting the necessity for more baths, I question if any of the writers have considered the matter from a financial point of view. First of all, the season last only six months of what is called a long Queensland summer as the opening and closing months of

September and April would not pay the caretaker's salary. I note Mr Black puts the salary down as £2/10/- a week. Well, the writer is a recognised coach and teacher of swimming who would not give his services as caretaker for that. Then if you add gas or other lights, sanitary services, pumping gear, fresh water showers, renovations, repairs for six months, caretaker's salary for the other idle six months (as a valuable property cannot be left to look after itself), and since painting and repairs must go on, it would take big receipts for the six months to cover all - certainly more than tuppence a member and halfpenny tickets for children. Children are benefiting (to the number of 600-700 weekly) in health alone through the generosity of the South Brisbane Council. If the residents are so very keen let them form a party together and get up a Monster Art Union with houses, land, boats etc as prizes, and hand the balance to the Council who would probably subsidise pound for pound. The Council would erect the baths and keep the same going for the residents. In erecting the baths, the Council should so build that a floor could be built of sections, thus during the winter months the same could be utilised for meetings, boxing tournaments, concerts etc to help with the interest and upkeep.

SWIMMING

By mail train last night, the Victorian and South Australian contingents of swimmers to compete in the Australian Championships in the Dry Dock next Saturday arrived. The party comprised five, and included Messrs J.H.Jones, P.C.Johnson (South Australia), H.A.Bennett, J.Phillips and W.H.Finney (Victoria). The visitors were met on arrival by Messrs W.Ruder (Secretary Q.A.S.A) and G.W.Parkinson (Treasurer Q.A.S.A) representing the Queensland Swimming Association, and Messrs H.H.Hart and J.Pike. After a few words of welcome by Mr Ruder, the swimmers were driven to their respective hotels.

INTER-STATE VISITORS WELCOMED

The swimmers who have arrived in Brisbane for the Australian Championship Carnival today were welcomed yesterday by the Queensland Amateur Swimming Association. The gathering was held in the Grand Central Hotel. Mr D.S.Carter (President) occupied the Chair and other officials present included Messrs F.W. De Little, M.J.Barry (Vice Presidents), W.Kuder (Secretary) and J.Roche (Assistant Secretary).

Mr Carter voiced the sentiments of the Association in proffering a warm welcome to the visitors whom he considered comprised some of the finest swimming talent in the world (hear, hear). Nobody has done more to uphold the

honour of the State and Country than Mr Cecil Healy whose reputation as a swimmer was world wide. Mr Longworth may claim to be the most versatile swimmer they had seen for many years, or he had won a 100 yards race and a distance event the same day. Mr Carter referred individually to the achievements of the rest of the visitors. The Association had done everything possible to ensure the success of the carnivals but had been handicapped in not possessing suitable swimming accommodation, in Brisbane. Eight or ten years ago the accommodation was the same as at the present day.

Mr Barry and Mr De Little echoed the President's welcome and the health of the visitors was toasted with musical honours.

Mr Cecil Healy, on behalf of the New South Wales men returned thanks for the reception. Although he disliked indulging in predictions, his team entertained fond expectations that the coveted "Kieran" Shield would remain in the possession of New South Wales. In Sydney they enjoyed facilities for swimming that Brisbane did not possess. The City Fathers of Sydney were wise in their generation and provided a swimming enclosure that was foremost among those he had seen elsewhere.

Messrs H.A.Bennett (Vic), E.G.Finlay (W.A), E.C.Johnson (S.A), C.Rodway (Tas), and J.D.Wood (Rockhampton) also responded to the toast. Mr Healy proposed "The Queensland Swimming Association." to which Mr W.Kuder suitably replied.

AUSTRALIAN SWIMMING CHAMPIONSHIPS
A.W.BARRY WINS THE 100 YARDS
LONGWORTH 1320 YARDS CHAMPION

The first of the two Australian Championship Swimming Carnivals conducted under the auspices of the Queensland Amateur Swimming Association was held on Saturday afternoon in the Dock, South Brisbane.

The features of the afternoon were the 100 yards Championship of Australia and the 1320 yards Championship of Australia, events that had brought together the finest aggregation of famous swimmers that had so far been seen in this State at the one gathering. These included W.Longworth, A.W.Barry, and C.Healy (N.S.W), P.W.Mason and J.Stedman (Vic), E.Johnson (S.A), E.G.Finlay (W.A) and C.Rodway (Tas), besides the flower of Queensland's natatorial talent. A capital programme of Handicap Events to which was added the 500 yards Flying Squadron Teams Championship of Queensland, the 100 yards Breast Stroke Championship and the Diving Championship had also served to attract some of the best swimmers from such centres as Ipswich, Rockhampton and Warwick to measure their pace and skill against the metropolitan clubs swimmers. The Brisbane Caledonian Band provided music.

The principal officials were - Referee, Mr. F.W.De Little; Judges, Messrs M.J.Barry, D.S.Carter, J.Hiron, H.J.Hale; Starter, Mr F.E.Duncliffe; Timekeepers, Messrs A.Butterfield, F.Springfield, B.Hart, C.Botten; Hon Secretary, Mr W.Kuder.

The attendance totalled upwards of 3000 and the takings amounted to over £130, the best receipts yet obtained from a swimming carnival in Brisbane, the previous best being £113 on the occasion when the last Australian Championships took place in Brisbane.

The Events resulted-

Blair Handicap 30 yards - P.Hammond (Comm)1, E.Schunter (Toowong) 2, L.Pierce (Val) 3. Time 20 2/5 secs

Inter-State Handicap 60 yards - A.Bennett (Vic) 1, D.Harrower (S.Bris) 2, W.Hand (Comm) 3. Time 42 secs

100 yards Championship of Australia - A.W.Barry (NSW) 1, W.Longworth (NSW) 2, E.G. Finlay (WA) 3, C.Healy (NSW) 4. The other starters were C.Graham and

T.Dowzer (Qld) and E.Johnson (SA). There was a straggling start, Barry and Longworth being first into the water, Finlay being first to show out and obtained a lead of 2 yards which he maintained until a quarter of the distance had been covered when Longworth decreased the gap to a yard. At this stage the remainder were almost in a line about a yard behind. At 50 yards Longworth spurted and drew close to Finlay who, however, swimming powerfully, maintained a lead to the 75 yards mark when Barry moved up with a great burst of speed and Longworth also spurted with Finlay responding gamely and Healy ahead of the rest. Barry and Longworth fought out the finish in fine style and Barry won by a touch. The finish was so close indeed that one of the judges declared that Longworth won. Healy, who did not seem to be in his best form, was unable to overtake Finlay who secured third position by a narrow margin. Healy as fourth and Graham close up fifth, Dowzer sixth and Johnson last. Two Timekeepers timed the race at 59 secs and two at 59 2/5 secs, and the latter was adopted on the official registration.

Diving Championship - W.Martin (T.C.B Club)

An exhibition of high diving from the crane was given by F.G.Jacobs and some others.

100 yards Breast Stroke Championship of Queensland - First prize Courier" trophy medal value £2/2/- C.Graham (Toowong) 1, F.W.Springfield (Val) 2, Richardson (Val) 3, J.Brett (Val) 4. Time 1 minute 20 seconds. Springfield was first away and Brett last. Graham quickly drew out swimming powerfully with Springfield in close pursuit and the other two level a couple of yards back. At 75 yards the order was still the same, Graham having a lead of some 3 yards from Springfield who was 4 yards ahead of the other two. Save that the other two had dropped a trifle further behind, the positions at the finish remained unchanged.

Flying Squadron Championship of Queensland 500 yards - Toowong Team (C.Graham, W.Graham, W.Carr, S.W.Boucharde, W.Simmonds) 1, Rockhampton Team (T.W.Dowzer, J.A.Codd, H.C.W.Robinson, R.J.Simonson, M.Shields) 2, Sports Club Team (T.M.Corrie, R.Willcocks, F.Humphries, N. Robertson, Y.Maise) 3. Conditions called for each member of the team to swim 100 yards. The Rockhampton team led for the first lap and touched first with Sports Club second and Toowong third and South Brisbane a long way back. In the second lap Rockhampton kept the lead, Toowong touching second and Sports Club third, while South Brisbane were hopelessly out of it. In the third lap the order changed. Toowong touched first, Sports Club second and Rockhampton third, and in the fourth lap Toowong touched first, Rockhampton second and Sports Club third. In the fifth and last lap the order remained the same, but Dowzer (Rockhampton), though unable to catch C.Graham (Toowong), made up a lot of ground.

1320 yards Championship of Australia - W.Longworth (NSW) 1, S.Springfield (Qld) 2, J.W.Saunders (Qld) 3. The winner's time was 18.34 1/5 compared with 18.37 in which last year he won the race. Springfield's time was 18.46, and Saunders 20.7. Other starters were E.Pierce (Qld), and F.G.Finlay (WA). All swimmers kept well together for the first lap (100 yards). Longworth negotiated the turn excellently and commenced the second lap with a slight lead, Finlay being second and Springfield third. Pierce and Saunders fell back a little. Nearing the end of the second lap Longworth began to forge ahead, and entering the third lap had the turn to the good from Finlay who was leading Springfield by a yard. In the third lap Longworth, Finlay and Springfield drew further away from Pierce and Saunders and turned in the order named for the fourth lap. At the end of the fifth lap Finlay and Pierce gave up. Longworth swimming a long steady stroke maintained the lead in the sixth lap and turned 2 yards ahead of Springfield who was swimming splendidly, while Saunders was half a lap behind. Turning for the ninth lap Springfield spurted in fine fashion and made up some of the leeway and half a yard separated them at the end of the lap. Springfield's dash raised the crowd to a high pitch of enthusiasm. Longworth got his turn in first at the 1000 yards and then the crowd was roused to enthusiasm by an exciting struggle over the next 100 yards between Longworth and Springfield, the Queensland leader for the first time

in the race to the accompaniment of great cheering. Longworth then challenged Springfield and a great contest took place. With 200 yards to go the New South Wales champion began to slowly draw away from Springfield and at the turn for the last 100 yards stretch had a lead of 4 yards. The Queenslander hung on pluckily but Longworth's powerful physique stood him in good stead and he turned for the dash of 20 yards required to complete the distance about 15 yards ahead. Over the last 20 yards Longworth sprinted using the crawl stroke and touched the line just as Springfield was turning at the pontoon. Saunders was a lap away third. Longworth was loudly applauded for his fine swim and Springfield received an ovation for his plucky effort. Saunders was also warmly applauded for his gameness as he must have realised early he had no chance of winning.

AUSTRALIAN SWIMMING CHAMPIONSHIPS
BREAST STROKE RECORD
LONGWORTH 440 YARDS CHAMPION

The Australian Amateur Swimming Championships Carnival conducted by the Queensland Amateur Swimming Association was concluded last evening at the Government Dock, South Brisbane. The enterprise of the Association in arranging a night carnival for the first time in the Dock was rewarded by an excellent attendance. The lighting was certainly not all that might have been desired, but the best possible was done with the means available. The programme included the 440 yards Championship of Australia, the 220 yards Breast Stroke Championship of Australia, the 100 yards Country Championship of Queensland, and a capital series of handicap events. The officials were the same as on Saturday afternoon. The Caledonian Band was again in attendance and provided selections of music. During the evening a new Breast Stroke record for 220 yards was established by E.G. Finlay (W.A.), the 440 yards Championship was won by W. Longworth (N.S.W.) with S. Springfield (Qld) defeating C. Healy (N.S.W.) for the second place.

Results -

Junior Inter-Club Handicap - D. Betzell (Val) 1, H. Lynch (Val) 2, H. Lyndon (S Bris) 3.

Country Championship of Queensland 100 yards - T.D. Dowzer (Rockhampton) 1, M. Shields (Rockhampton) 2, J.W. Saunders (Ipswich) 3. Time 1.4 The title had previously been held by Dowzer who on this occasion won by about two yards from Shields with Saunders a further three yards back. The other starters were F. Kimmins (Toowoomba), D. Parkes (Warwick), C. Stephenson (Warwick), and W. Paten (Ipswich).

Senior Inter-Club Handicap - D. Harrower (S Bris) 1, T.D. Downer (Rockhampton) 2, M. Shields (Rockhampton) 3

220 yards Breast Stroke Championship of Australia - E.G. Finlay (WA) 1, W. Finney (Vic) 2, E. Fox (NSW) 3, C. Rodway (Tas) 4. Time 3.10. The winner's time constituted an Australian record. There was not much more than a fraction of a second between the winner and the second man, Finney of Victoria, the previous holder of the title and the holder of the previous Australian record of 3.13.

Neat Diving Competition - A. Charlton (S Bris) was declared the winner after a dive off with G. Blanchard.

Novelty Event - W. Martin (TCB Club) I, R. Lyndon (S Bris)

Barry Brace Relay Handicap 200 yards - T. Dowzer and M. Shields (Rockhampton) 1, J. Pike and F.W. Springfield (Val) 2, H.C.W. Robinson and R.J. Simonson (Rockhampton) 3. Time 2.53

440 yards Championship of Australia - W. Longworth (NSW) 1, S. Springfield (Qld) 2, C. Healy (NSW) 3, C. Graham (Qld) 4, J.W. Saunders (Qld) 5 Time 5.32. A good start was affected. Longworth was first at the turn and the order on the second lap was Longworth, Springfield, Healy, Graham and Saunders, the leader's time at the 200 yards being 2.42. Longworth led to the finish winning by about five yards. A splendid race was witnessed for second place, the Judges declaring in Springfield's favour by a fraction of a second. The title had previously been held by Longworth.

AUSTRALIAN SWIMMING UNION ANNUAL CONFERENCE
Sydney Jan 30

At the Annual Conference of the Australian Swimming Union held today it was resolved that New Zealanders would not be admitted as competitors to the Australian Championships. The question of joining the international Amateur Federation was held over pending the report of the gentlemen who had attended the Federation meeting. It was agreed to take steps to induce the municipal authorities in other States to follow the New South Wales example and make the municipal baths available for big championship events. The Hon Secretary, Mr Hill, who was re-elected, was asked to draw up a scheme in connection with the visit of Duke Kahanamoku or Hawaii next season. It was also decided to ask Hatfield, the English champion, to visit Australia next year. The Union decided to refer to the International Swimming Federation for a ruling in the case of F. Beurepaire of Victoria (who has not been able to compete in championships because he holds a position as a teacher of swimming), and the general question of swimmers who may be appointed by State Education Departments as teachers of swimming to school children. In the case the Federation Rules do not apply, a request for exemption will be made in such cases.

DISPLAY AT MARYBOROUGH
Maryborough Jan 31

A.M. Tickler of the Toowong Swimming Club gave a very interesting display of Life Saving and exhibition of diving and swimming at the City Baths this afternoon. There was a large audience and the Military Swimming Club ran a 66 yards Handicap in two heats. The final results were - H. Simpson 1, H. Anderson 2, L. Montgomery 3. The 33 yards Relay Teams Race resulted in a dead heat between B. Curtis's and H. Simpson's teams. In the 66 yards race for older swimmers the result was Bartholomew 1, A. Miller 2. The demonstration is expected to give swimming a big impetus this year

AUSTRALIAN SWIMMING CHAMPIONSHIPS
Sydney Feb 1

The current series of Australian Swimming Championship contests was continued on Saturday at the Domain Baths in favourable weather and in the presence of a fair gathering of spectators.

There were seven starters for the 220 yards Australian Championship, W. Longworth, C. Healy, and D. G. Page (NSW), T. Mason, I. Stedman (Vic), E. C. Johnson (SA), and C. Graham (Qld). From a good start Healy, Longworth and Stedman were soon in front, then Longworth drew ahead and at the half way, was a couple of yards ahead of Healy who was just in front of Stedman. Thereafter the result was a foregone conclusion although Healy made a great concluding effort. Longworth won by seven yards from Healy who was half a dozen yards ahead of Page while Stedman was fourth. The Time was 2.29 $\frac{4}{5}$. The Australian record is 2.28 $\frac{2}{5}$.

There was a great race for the 100 yards Breast Stroke Championship of Australia

The competitors were H. H. Pitt, H. Voss, E. C. Fox (NSW), W. Finney (Vic), C. Rodway (Tas), E. G. Finlay (WA), C. Graham (Qld). The first, to show out was Rodway, but the contest was soon to reduce itself into one between Finlay and Finney. The Victorian won by about two and a half feet with Rodway a couple of lengths further off. Time 1.15 $\frac{3}{5}$ The Australian record is 1.13 $\frac{2}{5}$.

SANDGATE BATHS

"Paterfamilias" writes,
Sir,

I noticed in your paper that the railway department is advertising a "bathers" train for Sandgate for Sunday next. While I would very much like to go, my experience in the jetty baths on Sunday last has satisfied me for some considerable time. The baths were simply full of jellyfish, and the hundreds

of men who attended the baths were disgusted. It was owing to some break in the fencing that the jellyfish were able to get in. Almost every bather was stung, as I was, and I am perfectly sure that very few of these visitors will try Sandgate Baths again for a swim until the Council wakes up and puts the baths in proper condition.

MEETING OF Q.A.S.A COUNCIL

The first of the test races to select representatives for the coming Ladies Championships in Sydney was held last evening in the Spring Hill Baths and resulted as follows - 100 yards, Misses M.Springfield 1.20 1/5, H. Grant 1.28, J.King 1.28, H. King 1.29, A.Alexander 1.32, L.Spottiswood 1.33 4/5, E.Venning 1.36 1/5, J.Smith 1.47 1/5; 50 yards, Misses M. Springfield 36 3/5, J.King 37 1/5, L.Spottiswood 37 4/5, H. Grant. 38 4/5, E. Venning 40, A.Alexander 40 1/5, M. King 41, E.Connell 41 1/5.

A meeting of the Council of the Queensland Amateur Swimming Association was held last night in the Grand Central Hotel. Mr D. S. Carter presided and there was an attendance of about 24 officers and delegates.

A letter was received from Mr G.M.Smoothy of Maryborough advising that a local Club was in the process of formation.

It was decided that a Mile Swim be held in the Bremer River on February 28, the start to take place at Booval at 2.30pm. The arranging of details was left in the hands of the Hon Secretary and Hon Treasurer who will visit Ipswich next Sunday to confer with the local Executive.

Mr F.E.Duncalfe (the Manager of the contingent of local swimmers who visited Sydney) denied the accuracy of certain remarks attributed to him by a Sydney paper regarding the Championships in Brisbane having been held in a 33 foot basin. Advice was received from New South Sales that the Australian Championship Carnival would not disclose any profit.

No objection was taken to the Mount Morgan Club including the Breast Stroke Championship of Central Queensland in their carnival programme. The prize list of the Commercial Club's carnival was passed, and the list of events for the City Club's carnival in March was approved.

Mr W.G.Trevethan wrote resigning his position as Hon Handicapper and as a member of the Executive. Messrs W. Duffy and W.Schrey were appointed to the

positions. The Balance Sheet of the recent carnival was presented and a hearty vote of thanks was accorded the Secretary and Treasurer for the work they had done to make it such a success.

It was decided to write to the Sandgate Town Council asking to have notices placed on the baths pointing out the dangers of diving at low water.

The matter of arranging a deputation to the Ithaca Town Council was left to the Executive.

A copy of the minutes of the meeting of the Australian Swimming Union in Sydney last month was received and it was decided the members should consider the matter contained therein and report at the next meeting. The Treasurer's Report showed a Balance of £170.

KIERAN MEMORIAL CARNIVAL

Next Tuesday evening at 7.30 in the Spring Hill Baths the Commercial Amateur Swimming Club will decide its first annual carnival at which the memory of the late B.B.Kieran will be revived by the provision of a 50 yards Handicap for which the number of entries (124) and the value of the prizes constitute a record for the race.

In all, 231 entries have been received for the open events, including 31 from the Ipswich Railway Club out of a total membership of 33.

Messrs Robert Black, F.J.Cavill and F.N.S.Bousfield have forwarded donations towards the success of the meeting.

Trophies are on view at Palings, Queen Street.

The Acting Premier (Hon W.H.Barnes) has consented to start the Championship, and the carnival is under the Patronage of His Excellency the Governor.

LADIES SWIMMING CHAMPIONSHIPS A SUCCESSFUL CARNIVAL

The annual carnival of the Queensland Ladies Amateur Swimming Association was held on Saturday evening in the Booroodabin Baths. There was an excellent attendance of spectators and the swimming at times proved exciting. The carnival demonstrated the advances made by girls in the natatorial art and several of them used the crawl stroke while accomplishing some fine sprints. This stroke though decidedly ungraceful, is very effective. The Costume stewards could with advantage have debarred some of the costumes worn; this matter has been the subject of comment at several carnivals this year. The practice of re-handicapping and allowing Clubs to substitute one girl for another is not in the best interests of the sport, especially at championship carnivals.

The officials were - Referee, Mrs M.Baldwin (President of the Association); Starter, Mr F.E.Duncalfe; Judges, Messrs Hale, Ruder, and D.Harrower; Check Starter, Mr E.Morris; Timekeepers, Messrs Springfield, Butterfield and Bunting; Clerk of Course, Mrs Gordon; Call Steward, Mr D.Harrower; Costume Stewards Mrs Springfield and Miss E.I.White; Judges of Diving, Messrs iii ion, Ruder and Duncalfe; Press Correspondent, Miss F. Vaughan; Hon Secretary, Miss N.Harrower; Mr E.H.Mair also rendered assistance.

A sum of nine pounds in cash and eighty four tickets were taken at the door ensuring the financial success of the carnival.

Results -

Junior Beginners 20 yards - K.Morris 1, L.Harper 2, L.Greenhill

30 yards Junior Championship of Queensland - A.Alexander (Val) 1, E.Venning (Val) 2, V.Hale (Comm) 3. Miss V. Ryder (Comm) also started. A good race, won by a yard, with the same distance separating second and third. Time 20 3/5 secs

60 yards Senior Championship of Queensland - M. Springfield (Val) 1, J.King (Comm) 2, M.Grant (Excelsior) 3. Misses L.Spottiswood (Excel) and M.King (Comm) also started. Miss Springfield early took the lead ahead of Miss Grant at the turn (30 yards), with Miss J.King close up heading the others. Over the

last 15 yards Miss Springfield increased her lead, winning by two yards, while Miss King beat Miss Grant by a foot for second place. Winner's time 44 sees.

In the second and third laps the teams were almost together, but thereafter the Valley girls secured the lead and maintained it to the finish winning by 12 yards. A great race ensued for second honour, the Commercial girls beating the Excelsior team by 3 inches. Time 2.12 1/5.

Junior Handicap 30 yards - G.Mayes 1, V.Hale 2, M.Hagan 3

Diving - McIlwrick (Val) 1, M.Springfield (Val) 2 - Grant (Excel) and P.White (Val) were selected to dive off for third.

Senior Handicap 60 yards - P.White 1, N.Badger 2, L.Jeffries 3

Brace Handicap - Francis & Foubister 1, Connell & E.Venning 2, D.Smith & Alexander 3. Won by 2 yards. The feature of this handicap was the fine exhibition of breast stroke given by baby L.Venning, the tiny tot being warmly applauded.

Novelty Event (placing ping pong balls in a tin dish) - M.Springfield 1, J.King 2.

Back and Breast Handicap 40 yards - G.Mayes 1 G.McIlwrick 2, M.Springfield 3.

CITY CLUB'S CARNIVAL

The annual championship carnival of the City Amateur Swimming Club was held 11 the Booroodabin Baths last evening. There was a fair attendance of spectators. The carnival started half an hour after the announced time. A number of carnival officials, including the Referee, did not put in an appearance.

The following of were present - Judges Messrs H.Hale and T.Rellaway; Starter, Mr F.E.Duncliffe; Check Starter, Mr W.Schrey; Timekeepers, Messrs F.Springfield Snr, A.Butterfield; Result Steward. Mr G.Paul; Call Stewards, Messrs H.New, W.Schrey; Clerks of Course, Messrs H.Luke, S.McAnally; Diving Judge, Mr G.Paul; Handicapper, Mr J. Fraser; Secretary, Mr J.R.Woods.

An excellent race was witnessed for the Junior Championship of Queensland over 60 yards, particularly in the first heat when the competitors finished in a bunch. In the final, L.Pierce took the lead and held it throughout winning by three yards in 37 seconds. The young winner is a very promising swimmer and previously proved his powers in the recent 3 Mile Race in the Bremer River when he came in fourth out of 68 competitors. The distance between second, G.McGrath, and third, J.K.Petrie, was barely six inches. Miss M.Payne presented the winner with the Club's Medal and Championship Sash.

The Junior Inter-club Handicap provided the best race of the evening, less than a yard separating seven of the competitors.

Results -

SWIMMING

The Council of the Queensland Amateur Swimming Association met last night in the Grand Central Hotel, Mr D.S.Carter (President) occupying the Chair.

It was agreed that Clubs which had not paid their affiliation fee should be asked to qualify at once. The Council was informed that since last month, applications for carnivals had been received from the Valley for March 28, Maryborough for March 25 and 26, Y.M.C.A. and Tramway Club for first week in April. These dates had been granted. Owing to some misunderstanding, the Tramway Club had altered its date to March 26.

Council recommended an early consideration in respect of a minute, "That a fortnight must elapse between carnivals."

Affiliation had been granted to Maryborough, Maryborough Military, Y.M.C.A., and Logan Road Tramway. Y.M.C.A. had been granted permission to hold a 150 yards Championship.

Considerable correspondence had taken place between the Queensland and New South Wales Associations relative to the visit of Solomon to Rockhampton. Regret was expressed, however, that no New South Wales swimmers could make the trip, and an invitation to both Sid Springfield and C.Graham had been received. Springfield had accepted but Graham was unable to secure leave.

It was decided to recommend action in the matter contained in the report of the State Conference. The recommendations were adopted.

The Treasurer reported a Credit Balance of £182. The meeting decided enthusiastically to grant the Hon. Secretary of the Q.A.S.A. an Honorarium of £10/10/-, and the Hon Treasurer £3/3/-.

Complaint was made that late entries rendered the work of the Handicappers difficult, and it was agreed that prompt action should be taken in the future.

The Ipswich delegate reported that the construction of new baths was contemplated there.

It was decided to forward a letter of condolence to the widow of the late Mr F.G.Pickburn.

The President, on behalf of the Council, presented a silver fruit dish to Mr R.H.Bunting as a memento in connection with his forthcoming marriage.

COMBINED CARNIVAL

There was a good attendance at the Metropolitan Baths last night to witness the combined carnival of the All Saints and Kelvin Grove Ladies Swimming Clubs.

Officials were - Judges, Messrs C. Rudd and J.W.Hill; Starter, Mr W.G.Littleboy; Handicappers, Mrs Pidsworth and Mr C.Rudd; Costume Stewards, Mrs Pidsworth and Miss Kemp.

Some good swimming was witnessed but the diving was weak in recovery. During the programme, Mr A. Harrison, Instructor of the Royal Life Saving Society, and Messrs J.Brett, G.H.Griffiths, G.Blanchard, and members of the R. L. S. S. gave an exhibition of Life Saving.

Kelvin Grove Club Championship 60 yards - C. Shanahan 1, D. Bowden 2, R.Rowswill 3. (Other handicap events were recorded)

B.C. Friday 13 March, 1914

The following swimmers left Brisbane last night for Rockhampton by the mail train - Messrs S. Springfield, E.Pierce, L.Pierce, J.W.Saunders, V.Macartney, J.Brett, and F and P.Thurlow. Mr W Kuder, Hon Secretary of the Q.A.S.A. accompanied the team which is to take part in the Rockhampton, Mount Morgan and Maryborough carnivals.

STATE SCHOOLS GIRLS CARNIVAL
ROCKHAMPTON CARNIVAL

The third annual carnival of the Queensland State Schools Girls Amateur Swimming Association was held in the South Brisbane Baths on Saturday afternoon, and was graced by the presence of a Vice Regal party comprising His Excellency the Governor, Lady and Miss McGregor and little Miss Honor Paget. Lady McGregor distributed a number of the prizes, the successful competitors being presented to her by Mrs J.J.Daly. The baths were gaily decorated with flags and presented a clean and well-kept appearance as a result of the work of the Manager, Mr W.R.Blake,

The starting was splendidly carried out by Mr Callaghan and a long programme was got through in good time. Fifteen schools were represented including Gayndah and Canungra, the former sending a team which only failed by a very narrow margin to beat the pick of the metropolitan schools in the team Championship. The disparity between many of the competitors suggests the advisableness of eliminating one or two of the championships and submitting handicaps in their place. A noteworthy feature of the carnival was the remarkably improved swimming compared with that of the previous carnivals.

66 yards Championship - Elsie Venning (V) 1, Vera Hale (C) 2, A.Costello (Gayn) 3

20 yards Championship Under 12 - D.Silow (C) 1, R.Silow (C) 2

33 yards Championship - D.Silow (C) 1, R.Silow (C) 2, F.Horsley (M) 3

Team Championship - Central 1, Gayndah 2.

33 yards Breast Stroke Championship Under 13 - D.Silow (C) 1, E. Venning (V) 2

33 yards Championship Under 14 - E.Venning (V) 1, M.Alexander (V) 2

Team Championship 133 yards -Central 1, Kangaroo Point 2.

Rockhampton March 15

The joint swimming carnival of the Rockhampton and Fitzroy Clubs was commenced at the Corporation Baths on Saturday, There was a large attendance and the contests created a great deal of interest, more especially as representatives from Brisbane, Ipswich and Mount Morgan were present.

The 100 yards Senior Championship of Central Queensland fell to T.V.Dowzer (Rock), M. Shields (Rock) second and R.Giles (Mt M) third. Four competed. All started well together but Dowzer early assumed the lead, and though hotly challenged by Shields, maintained it to the end, winning by a couple of lengths. Shields finished four lengths in front of Giles. Dowzer completed the course in 1.2 or 1 1/5 better time than on the last occasion. This is the third consecutive time that Dowzer has won the coveted honour.

Junior Handicap - E. Butterfield 1, G.Tutton 2, D.Shickan 3

Senior Handicap - E.Humble 1, M. Jones 2, C. Brown 3

SWIMMING CARNIVAL AT MARYBOROUGH

"A party of Brisbane swimmers who had just completed a tour as far as Rockhampton arrived here last night and were accorded a Civic Reception at the Town Hall at noon today," our Maryborough correspondent wrote yesterday. The Mayor Ald A.Dunn, presided, and his remarks of welcome were supported by the Hon A.Fisher and Senator McGregor who were invited to be present. Mr W.Kuder, Secretary of the Queensland Amateur Swimming Association, in reply gave an interesting resume of the swimming season as it affected Queensland, and emphasised the Association's desire to afford country swimmers every assistance.

In the evening the first annual swimming carnival of the Maryborough and Military Swimming Clubs was held in the City Baths. About 350 people were present.

The Championship of the Wide Bay and Burnett District 100 yards - N.Bartholomew (Maryb) 1, F.Lowes (Childers) 2. Reid (Bund) did not finish. Time 1.8 1/5.

Other events recorded were - Beginners Handicap 33 yards, Senior Handicap 33 yards, Novelty Event (apple catching), Junior Handicap, First Class Handicap and Diving.

MARYBOROUGH CARNIVAL

The swimming carnival under the auspices of the Maryborough and Military Swimming Clubs was concluded last night.

Military Club Championship - H.Simpson 1, N.Montgomery 2. Time 45 3/5

Neatest Header - H.Simpson (from 14 competitors)

High Dive - H.Bowden

440 yards Championship of Queensland - J.W.Saunders (Ipswich) 1, S.Springfield (Valley) 2, E.Pierce (Valley) 3. The other starter was N.Starozvich (Maryb). All men got away splendidly. At the end of the second lap Springfield led slightly from Saunders, and Starozvich dropped out in the third lap. Pierce was displaying an excellent stroke. Three hands touched practically together at the end of the sixth lap. It was then apparent, however, that the duel lay between Springfield and Saunders. With two laps to go the Ipswich man led Springfield by about two yards and he gradually drew away, winning amidst cheers by about five yards, Springfield being second with Pierce seen yards away third. The time was 6.1 4/5.

220 yards Handicap - Springfield 1, Saunders 2. In this event Springfield and Saunders provided the best finish of the carnival, the former winning by a bare touch.

STATE SCHOOLS SWIMMING CARNIVAL

ENTHUSIASM AND RAIN

The sixth annual carnival of the State Schools Swimming Association was held on Saturday. Notwithstanding the rain, there was an excellent attendance of competitors and a fair sprinkling of spectators, and the enthusiasm of the boys was a pleasing feature of the gathering. No fewer than 470 entries had been received, and the competitors included boys from the metropolis, Wynnum, Manly, Gayndah, Ipswich and Canungra, and three from Upper Trebonne in the Ingham District in the charge of Mr R.G.Johnson of Ingham.

During the afternoon three boys, fully dressed, fell into the baths but were quickly pulled out, and the pleasing feature was the promptitude of a number of the boys who had attended Life Saving classes, fully a dozen jumping in almost as soon as the boy spectators had fallen into the water.

The starting of the races throughout by Mr J.L.Callaghan was splendid.

100 yards Queensland State Schools Boys Championship - First prize a "Courier" trophy valued at 1/1/- presented by the Hon E.J.Stevens M.L.C. and Championship Sash presented by Mr J Hendry Grice - R.Horsley (M) 1, J.McNamara (IW) 2, V.Howard (Canung) 3. A good race won by 4 yards - Time 1.16. The winner (who won last year) was decorated with the Championship Sash by Mrs Mowbray, Hon Secretary of the State Schools Girls Association. Cheers were given for the winner and also for Mrs Mowbray.

QUEENSLAND AMATEUR SWIMMING ASSOCIATION
ANNUAL MEETING

The Annual Meeting of the Queensland Amateur Swimming Association was held last night in the Caledonian Rooms. Mr D.S.Carter (President) occupied the Chair and there was a good attendance.

The Annual report showed the affiliated Clubs numbered 26, including two from Maryborough and one from Mount Morgan. An effort will be made to encourage the formation of Country Clubs and induce them to join the Q.A.S.A. With regard to bathing accommodation, the Association, with the aid of ratepayers and the Queensland Ladies Association, was working hard to secure the erection of new pools, and a league had been formed with the object of promoting the building of baths at Woolloongabba.

The Balance Sheet, which with the Report was adopted, showed a Credit Balance of £185/3/4, which included £135/7/8 profit from the Australian Championships Carnival.

The Chairman presented Certificates to those who swam within Standard Times at the Championships, and Medals to Messrs Springfield and Saunders who secured places in the Australian Championship races.

The election of officers resulted as follows - Patron, Hon E.J.Stevens M.L.C; President, Mr D.S.Carter; Vice Presidents, Hon J.W.Blair, Messrs M.Baldwin, G.Crawford, T.Welsby, F.Springfield Snr, W.H.Hinch, M.J.Barry, J.Hiron, A.Butterfield, F.W.De Little; Handicappers Messrs S.J.McAnally, F.E.Duncalfe, W.H.Duffy; Auditors Messrs T.J.Donovan, R.H.Bunting; Hon Treasurer, Mr G.W.Parkinson; Hon Secretary Mr W.Kuder.

LADIES AMATEUR SWIMMING ASSOCIATION

The Annual Meeting of the Queensland Ladies Amateur Swimming Association was held last evening in the Rooms of the National Association, Courier Building.

Mrs A.Gordon presided, and there was a large attendance.

The Report expressed pleasure at the progress made in swimming by the women of Queensland. There were now five Clubs affiliated - Excelsior, Commercial, Valley, South Brisbane and Manly. The City Club affiliated at the beginning of the year but later on resigned. The outstanding features of the past year were reviewed, and thanks expressed to those who had helped and contributed towards the funds. Regret was expressed at the lack of bathing facilities for lady swimmers in Brisbane and surrounding districts.

The Treasurer's report showed a Credit Balance of £14/16/1.

The following officers were elected for the ensuing year - Patroness, Lady Morgan; President, Mrs Hale; Vice Presidents, Mesdames A.Macdonnell, A.E.Howling, D.S.Reid, A.Gordon, Robinson, Patterson, M.Thompson, W.Collins, F.W.Springfield, Macartney, Hawthorn, Congeah, J.S.Wiley, W.J.Coakes, T.Wilson, M.Baldwin, De Little, W.Ahles, Peterman, The Mayoresses of North and South Brisbane, and Presidents of Affiliated Clubs; Hon Handicappers, Misses Butterfield, N, Harrower, White; Hon Auditors, Misses R.Fell and Springfield; Hon Treasurer, Mrs King; Hon Secretary, Miss S.Clark;

Advisory Board, Hon E.J.Stevens M.L.C, Messrs D.S.Carter, H,J.Hale, W.Duffy, W.Schrey, W.Kuder and F. Springfield.

The question of re-handicapping was discussed at length. Miss White proposed, "That a girl be re-handicapped after she breaks the limit time or is disqualified." She explained that the limit time allowed last year was three seconds in 50 yards and five seconds in 100 yards. Miss Springfield proposed as an amendment, "That a girl be handicapped on performances," and explained that by this system, in the event of a girl winning a handicap race, she would be put back when re-handicapped. In her opinion, this was the fairest way to handicap. Eventually it was decided, "That a girl be re-handicapped after breaking the limit time." Provision for disqualification was deleted.

It was decided that the following Championships should be held this season -. 50 yards, 100 yards, 220 yards, 100 yards Breast Stroke, 60 yards Country, 30 yards Junior (Under 16 years), Teams Race 150 yards (three girls to a team), 3 miles (four girls in a team).

It was decided that every girl should wear the University costume when swimming, and the Canadian overdress when in a diving competition. A number of new Rules were adopted and amendments made to existing Rules

Mrs Gordon expressed regret that Mrs M.Baldwin, who was President last year, was not present, as it had been intended to present her with a pair of glasses as a token of appreciation for her assistance to the Association. The glasses were given by the Council of the Association and would be presented to Mrs Baldwin in due course.

SPRING HILL BATHS

The Municipal Baths in Arthur Street which had been recently much improved were reopened last evening by the Mayor of Brisbane in the presence of a number of citizens.

The Manager, Mr E.Wetzel, announced that the galleries, now entirely renovated, would seat 1000 persons, a commodious. Club Room had been provided, and the roof of the baths had been opened up to provide greater coolness, while hanging ferns and a fountain spray give a pleasant effect.

Those present last evening included the Mayor of Brisbane and Mrs Jenkinson, Aid and Mrs Best and Miss Best, Hon and Mrs J.G.Drake, Messrs W.F.Finlayson M.H.R, J.Hifelly and Kirwan M.M.L.A, A.E.Exley, Misses Walker (Girls Grammar School) and Lyons. Apologies were received from Hon W.H.Barnes (State Treasurer), Hon E.J.Stevens M.L.C, and Mr F.W.de Little.

The Mayor, in the course of his address, declared it gave him great pleasure to declare the improved baths open again for public use. Brisbane had not only needed, but deserved, better bathing accommodation and when he had been approached on the subject he had at once given a promise, the fulfillment of which was now before them.(applause) He referred in complimentary terms to the Manager. Little Valda Wetzel handed to the Mayoress a basket of flowers on behalf of the Commercial Swimming Club, and also a bouquet from herself and her sister Ada.

Messrs Hifelly, Finlayson and Kirwan expressed their pleasure at the much needed improvements in the baths.

An enjoyable programme of sports was submitted including an exhibition of floating and swimming by Valda Wetzel. A display of Life Saving exercises by a squad of the Central State School boys under the direction of Mr W.E.T.Martin, and diving, including .jumping through a fiery hoop in which W.E.T.Martin, A.Casey, H.Gilder, A.Byrne and Jas Drake took part. A number of youths engaged in a sparring competition seated on a spar suspended over the water, and A. Johnson won the final. A 25 yards Handicap, was won by R.Ridge with H.Harris second.

SWIMMING ASSOCIATION - MEETING OF COUNCIL

A meeting of the Council of the Queensland Amateur Swimming Association was held last night in the Grand Central Hotel. There was a good attendance of delegates, Mr D.S.Carter was unanimously elected Chairman of the Council for the ensuing twelve months, and in returning thanks, appealed to the members to sink Club feelings and work for the whole good of the Association when they came to meetings.

Correspondence included a letter from Hon E.J.Stevens M.L.C, accepting the position of Patron and offering a "Courier" Trophy for competition.

A letter was received from the Secretary of the Commercial Club asking for an explanation "as to the rumours which have been declared to have originated from your Executive with regard to the value of the medal presented by the Commercial Club as first prize for the Kieran Memorial Race." The Chairman explained that no accusation had been made against the Commercial Club. The winner of the medal was not satisfied it was of the value set out, and the manufacturers, when questioned, said it was of the value set out, and there the matter ended for the Association. After a little further discussion the matter was allowed to drop

A number of Clubs wrote seeking affiliation which was granted.

The Toowong Swimming Club wrote stating that a debt of £140 remained on the baths, and in order to clear this, an effort had been made with the result that Mr Macartney had promised £10 provided thirteen others would give a similar donation. Mr Marchant had also promised £10. The letter asked the Association to take up ten shares of £1 each, and this was agreed to on the motion of Mr Finnimore. Mr G.Crawford was appointed Trustee of the shares.

Regarding the visit of the champion, Duke Kahanamoku, a number of letters were received from Sydney regarding the itinerary. It was suggested by the A.S.U. that the Queensland dates should be January 12 and 25, and on the

motion of Mr Hiron it was decided to hold carnivals in Brisbane on Saturday afternoons January 16 and 23. It was decided to acquaint country centres that these were the only dates on which the Duke would be wanted in Brisbane, Rockhampton and Mount Morgan having requested Duke Kahanamoku's services.

Application was received from the Commercial Club to hold the Kieran Memorial Race at its carnival. It was decided to leave the drawing for the championship, as for all other Queensland championships to the next meeting of the Executive, the applications from Clubs to close next Monday week.

Mr G.W.Parkinson wrote resigning his position as Hon Treasurer as he was leaving Queensland. The resignation was accepted with regret, Mr Carter paying tribute to the work of Mr Parkinson who had joined the Expeditionary Force. (He was later killed while on Service -Ed)

The following officials were appointed Executive, Messrs F.E.Duncalfe, W.Schrey, W.Duffy, R.Bunting, S.J.McAnally; Starter, Mr F.E.Duncalfe; Hon Treasurer, Mr R.J.Wilkins; Rules Committee, Messrs J.Hiron, W.Finnimore, R.Bunting.

Some discussion took place regarding the betterment of Water Polo, and it was suggested the teams should be divided into A and B Grades. It was finally agreed to hold a meeting of delegates, one from each Club, next Monday week at 7.30pm to discuss the matter.

The suggestion by Mr Duncalfe that the matter of entry forms should be re-introduced, was defeated. It was agreed to alter the Rules so that a week, instead of a fortnight, be the minimum time to elapse between the holding of carnivals.

SWIMMING

At the Council meeting of the Queensland State Schools Girls Swimming Association the following motions were carried:-

- "1. That the baths proprietors and individual school clubs carry on instruction as here-to-fore, thus enabling the newly appointed teacher of swimming to spend her time more with the new clubs and schools where there are as yet no trained teachers.
- 2 That clubs in the Association follow the rule enforced by Miss Fraser, swimming teacher of Dutton Park, that expert swimmers aid non-swimmers across the baths and back, once.
3. That breast stroke swimming be taught systematically to beginners this

season.

4. That Miss Burge and Miss Weymouth be appointed on the Advisory Board.

5. That Miss Burge, representing the Department of Public Instruction, and Miss Weymouth, of the School Boys Association, take the place of Mr Callaghan whose resignation from the Board has been accepted with keen regret and gratitude for his untiring energy in the past."

The Secretary was instructed to invite Mr Callaghan to be again the Starter at this year's carnival. The President presented Mr Callaghan, on behalf of the Association, with a handsome entree dish as a gift in connection with his approaching marriage.

SWIMMING A QUESTION OF AMATEUR STATUS

A meeting of the Council of the Queensland Amateur Swimming Association was held last evening in the Grand Central Hotel. Mr D.S.Carter presided over an excellent attendance of delegates.

The correspondence included a letter from Warwick in which the hope was expressed the town would have an up-to-date baths by next season.

Another complained that a professional cyclist had been allowed to take part in amateur swimming, and that amateur swimmers had taken part in billiards for cash prizes, and that an official at amateur swimming events had been a professional promoter. The Council decided to ask the Warwick Club for a report.

The Australian Swimming Union wrote notifying that the next meeting would be held in Western Australia. The Secretary, Mr W.Kuder, said that as yet no date had been indicated.

In response to a letter from C.R.Denford, it was agreed to communicate with the Secretary of the City Club in regard to trophies won last season.

The Commercial Club was granted sanction for a carnival on December 17, and the Valley and South Brisbane Clubs were granted subsidised races for forthcoming carnivals.

The Hon Secretary was appointed as a delegate to a meeting to be held next day to arrange a carnival in aid of the Patriotic Fund.

In response to a letter on the subject, the Chairman ruled that a photograph was a trophy in accordance with the rules, provided that it was properly inscribed. It was resolved that the ruling be conveyed to the writer of the letter.

Application for reinstatement was received from Mr A.R.Harrower. The Secretary said he had seen the name among the entrants for a Billiard Markers tournament. He had decided to ask the Chairman if a man who took part in a billiard tournament for a cash prize could be regarded as an amateur swimmer. The Chairman held that as in Billiards there was an Amateur Billiards Association, with rules prohibiting its members from competing for cash, any man who had competed in billiards for cash must be regarded as a professional. During discussion it was pointed out that Harrower had broken his status as an amateur swimmer in New South Wales. It was eventually decided that the application for reinstatement be forwarded to the New South Wales Association, with the recommendation that it be granted at the termination of three years from the date of infringement, which would be December 2. It was further resolved that the New South Wales Association be informed of the circumstances relating to the billiards.

The appointment of Local Consuls resulted in the election of Messrs O'Dwyer (Rockhampton), Gibson (Mt Morgan), Hatton (Maryborough), Lilley

(Allora). The appointments for Warwick, Toowoomba and Ipswich were deferred.

It was announced that entries would close on Monday next for the Water Polo competition.

In regard to the proposed visit of Duke Kahanamoku, the Council decided to inform the A.S.U. that the Queensland Council would be able to guarantee £45 towards the fares from Honolulu to Sydney, and suggested that carnivals in Melbourne and Adelaide should be arranged to cover the loss caused by New Zealand dropping out of the arrangements. A Credit Balance of £152/16/- was shown.

SOUTH BRISBANE COUNCIL
SWIMMING BATHS PROPOSAL
SITE AT DUTTON PARK

Aldermen J.Allen (Mayor), J.E.Burke, J.Davey, John Gaffney, R.Long, L.Stephens, P.Forrest, E.F.Thorn, A.Gillespie, H.Neylon, and the Town Clerk (A.Leney) were present at a meeting of the South Brisbane Council yesterday afternoon.

The Committee stated "The City Engineer has submitted plans for an open swimming bath proposed to be erected on the river bank at Dutton Park. The proposed swimming pool, which will be a tidal one and only available when the tide is in, will be 150 feet in length and 45 feet in width, and will be enclosed by swamp mahogany piles with wallings and battens. The estimated cost of the bath, and including the levelling of the adjoining bank and the erection of a small dressing shed, is £250.

The Works Committee recommended approval of the plans, and recommended the matter be referred to the Finance Committee to decide whether there were funds available for the work.

Speaking on the proposed baths, the Mayor said they would be cheap and it appeared to him they would be nasty. The site was a mud bank. After discussion in which marked differences of opinion were expressed as to the suitability of the site, the paragraph relating to swimming baths was referred back to the Works Committee for further consideration.

LADIES THREE MILE CHAMPIONSHIP
WON BY MISS M.SPRINGFIELD IN RECORD TIME
Ipswich Nov 21

The race for the Ladies Three Mile Championship of Queensland was swum in the Bremer River this afternoon and was very successful in every way. Miss M.Springfield of the Valley Club won in the remarkably good time of 1 hour 17 minutes 46 $\frac{2}{5}$ 'seconds, thus beating the record put up by her at the last swim by nearly five minutes.

Owing to some mishap there was a slight delay at the start but eventually 20 swimmers got away, together. Miss Springfield immediately took the lead being closely followed by Misses Venning and King. At the half mile the swimmers had extended in order somewhat, while at the mile post Miss Springfield had increased her lead and was swimming very strongly, while Misses Venning and King were fighting it out for second place. At this point, Miss Alexander (Valley), who was expected to put up a very good performance, had to retire, she having only just recovered from a severe attack of gastritis.

At the two mile post Miss Springfield's time was 44.29 with an increased lead. Misses Venning and King were next only yards apart and Miss E.Connell about 100 yards further back with 200 yards separating her from Miss J.King, while the others were spread out over half a mile.

Still swimming a splendid overarm stroke, Miss Springfield appeared in the City Reach before the expected time, and it was then seen she would easily beat her previous time. Encouraged by the cheers of a large number of spectators assembled on both banks of the river, Miss Springfield passed the winning post in 1.17.46 $\frac{2}{5}$. The swimmers were assisted by a strong tide and a good breeze.

The finishing times were - (Miss) M.Springfield 1.17.46 $\frac{2}{5}$; M.King 1.20.37; E.Venning 1.22.7 $\frac{2}{5}$; E.Connell 1.24.4; J.King 1.25.24; M.Grant 1.29.39; V.Hale 1.33.47; S.Betts 1.35.2; D.Sylow 1.35.53; L.King 1.38.32; G.Shelly 1.40.3; D.Smith 1.42.39; G.Port 1.45.43; A.Koplick 1.46.16; D.Hair 1.50.39; C.Bailes 1.52.54; P.O'Brien 1.53.34; G.Mayes 2.00.43; M.Webb 2.03.50.

Valley not only secured first place, but also won the Teams Championship.

The visitors will be entertained by the local Club at a Social Evening tonight.

ROYAL LIFESAVING SOCIETY
ANNUAL MEETING

The Annual Meeting of the Queensland Head Centre of the Royal Life Saving Society was held last night in the Y.M.C.A Building. Mr Maurice J Barry occupied the Chair. The Secretary (Mr Venning) read apologies for unavoidable absence from Hon E.J.Stevens M.L.C, Hon J.W.Blair, Rev Bro McGree, Mr W.F.Finlayson M.H.R, and others.

The Annual Report recorded the departure of Sir William MacGregor with expressions of deep regret, and mentioned the sympathy His Excellency had always shown in the welfare of the Society. The Secretary stated that the year's work had almost doubled, 697 awards having been given, against 338 in 1913. The "Courier" Shield presented by Hon E.J.Stevens M.L.C for competition among the State School boys was won by the Valley Boys State School. Mr J.M.Barry had again donated a handsome Cup for competition among the men's clubs. Through the efforts of the Hon Instructor, Rev Bro McGree, a large class of boys from Nudgee College had been formed and 279 awards had been won. The Balance Sheet showed a Credit Balance of £40/9/-.

On the motion of the Chairman, seconded by Mr W.Kuder (Sec Q.A.S.A), the

Report and Balance Sheet were adopted.

The election of officers resulted as follows - Patron, the State Governor; President, Hon E.J.Stevens M.L.C; Vice Presidents, Hon J.W.Blair, Hon T.C.Beirne M.L.C, Mr Jas Allan M.L.A, Archbishops Donaldson and Duhig, .Doctors Lockhart Gibson and J.Hopkins, the Mayors of Brisbane and South Brisbane, Miss A.J.A.Green, Rev Bro McGree, Messrs F.W.De Little, W.F.Finlayson M.H.R; Life Governors, Messrs M.J.Barry and D.B.McCullough; Hon Associates, Mr F.O.Venning, Lieut Murray, Rev Bro McGree; Hon Treasurer, Mr D.Rowley; Auditors, Messrs Springfield and Blanchard.; Hon Secretary, Mr F.O.Venning; Hon Chief Instructor, Mr W.E.T.Martin.

THE APPEARANCE OF DUKE KAHANAMOKU
A WORLD'S RECORD
Sydney Jan 5

The first public appearance of the famous Hawaiian champion swimmer, Duke Kahanamoku was responsible for a crowded attendance at the New South Wales Amateur Swimming Club's Championships at the Domain Baths on Saturday afternoon. Duke Kahanamoku and his companion from Hawaii, George Cunha, took part in the race for the 100 yards Championship of New South Wales. The Duke's bettered his previous World record time by $\frac{4}{5}$ second and the time was $2 \frac{4}{5}$ better than A.W.Barry's Australian Record.

Besides Kahanamoku and Cunha were three Sydney cracks, A.W.Barry, W.Longworth and R.Page and I.Stedman of Melbourne. At the start Stedman and Longworth had slightly the better of it, but at quarter way the five competitors were practically on even terms, and Kahanamoku seemed to be moving in almost leisurely fashion. At half distance Kahanamoku started to shoot ahead with Barry and Cunha taking off after him. Kahanamoku finished a couple of lengths ahead of Cunha with Barry a yard further back. The others were almost in a line a length behind Barry. Barry was the previous holder of the championship.

The Half Mile Championship of the State was won by the previous holder, W.Longworth in a time of 11.30.

DUKE KAHANAMOKU - AN OFFICIAL RECEPTION

In the Town Hall yesterday, an Official Reception was tendered by the Mayor, Ald C.M.Jenkinson, to Duke Kahanamoku, the famous swimmer, and his swimming companion George Cunha, and the Manager, Mr Evans. The President of the Q.A.S.A, Mr D.S.Carter, sat on the left of the Mayor and Duke Kahanamoku on the right. Amongst those present were Captain Austin, Messrs J.A.Kirwan M.L.A, T.Welsby M.L.A W.Bertram M.L.A, W.Kuder (Secretary Q.A.S.A), W.Finnimore (Sec Q.C.U), M.Baldwin, J.Hiron, W.Effey, F.W.De Little, and a number of members of the swimming clubs.

The Mayor, in a brief welcome to the great swimmer, expressed the opinion that Duke Kahanamoku stood without a peer in his particular pastime. He congratulated the Q.A.S.A for having secured such a champion swimmer for a tour in Queensland. Mr M.J.Kirwan M.L.A hoped that the tour would induce the authorities to provide greater swimming facilities in the State. Mr

D.S.Carter, on behalf of the Q.A.S.A, extended a welcome to the swimmers. He said that since Duke Kahanamoku had, at the Olympic Games in Stockholm, surprised the swimming followers of the world, the Q.A.S.A had been desirous of having him visit Queensland. The expenses of the tour in Queensland would be about £200. He hoped the public would support the Association. He said Duke Kahanamoku and his companion were touring in a thoroughly amateur status, receiving nothing beyond their actual out-of-pocket expenses.

Mr T.Welsby and Mr F.W.De Little also joined in extending a welcome to the swimmers.

Duke Kahanamoku briefly thanked the Mayor and the Swimming Association for the Reception. Messrs Cunha and Evans also returned thanks, and Mr Evans proposed the toast to "The Queensland Amateur Swimming Association", to which Mr W.Kuder responded.

The gathering terminated with the usual toast to the Mayor.

KAHANAMOKU CARNIVALS - FIRST STAGE
FINE ATTENDANCE

Saturday was a gala day for swimming and supporters of swimming. The occasion was the first of three carnivals to be held in the Dry Dock, South Brisbane, under the auspices of the Queensland Amateur Swimming Association in connection with the visit of Duke Kahanamoku, the celebrated swimmer from the Hawaiian Islands, and his swimming companion George Cunha.

Early after lunch on Saturday spectators commenced to arrive at the Dock which was in fine order. The attendance was about 2500 and the gate takings approximately 1120. Among the spectators was the Lieut Governor, Sir Arthur Morgan, who was accompanied by Lady Morgan and Miss Morgan and attended by Mr R.Morgan, A.D.C. Many ladies were present.

Originally the seating plan had taken in the gate of the Dock, but as the Naval Authorities would not permit any use of this, the seats had to be transferred to the side. The people, however, took the change in good humour, recognising the change was unavoidable and having no desire to hamper the Naval Authorities in the slightest. Anticipation of some fine swimming was quite realised, the form of the visitors being excellent. There were good entries and the local men performed well. There was a little delay at the start, and this was due to the usual room used for dressing purposes not being available, and a few tents had to be hastily procured. The Railway Band enlivened the proceedings with pleasant music. The want of a megaphone to announce the results was a drawback. The proceedings were brightly varied by a clever exhibition of fancy diving.

The officials were as appointed on 5 Jan, together with Heat Steward, Mr W.A.B.Swain; Call Steward, Mr H.Gibbons; Result Board Officials, Messrs Macpherson and J.Williams; Costume Steward, Mr A.W.Halford; Assistant Hon Secretary, Mr F.W.Springfield; Post Entry Stewards, Messrs H.Dick and E.Knoblanch. About 20 ladies from the Queensland Ladies Amateur Swimming Association kindly undertook the supervision of refreshments.

Results -

30 yards Junior Handicap - Ryan 1, Tickel 2

500 yards Flying Squadron Championship of Queensland - The following were the teams - Toowong; C.Graham, W.Carr, W.Graham, W.Simmonds, F.Graham: South Brisbane; J.A.McGregor, D.Harrower, D.Loewe, S.Wood, W.J.Schrey: Commercial; D.Sunderland, J.Saunders, A.Casey, A.Dutton, J.Thompson: Valley; S.Springfield, C. Pierce, F.W.Springfield, J.Haslet, and J.McGree. Competitors were required to swim 100 yards. Valley led from the start to finish, closely followed by Toowong right through. The finish was fought out by S.Springfield (V) and C.Graham (T), the former winning by five yards, with 40 yards between second and third. The laces were filled by Valley 1, Toowong 2, South Brisbane 3, and respective times for first and second teams were 5.34 2/5 and 5.40 3/5.

100 yards Country Championship of Queensland - T.V.Dowzer (Rockhampton) 1, G.Bouchard (Warwick) 2, D.Parkes (Toowoomba) 3. Time 1.7 4/5. A good start was affected and in the first 20 yards Dowzer was leading with Bouchard about a

yard behind. At the 50 yard mark Bouchard had dropped back a couple of yards with the third man three yards further back. Dowzer continued to swim well and increased his lead to the finish, winning by 6 yards, with 4 yards between second and third.

60 yards Inter-Club Handicap - Hand 1, Thurlow 2, Brett 3

100 yards First Class Handicap - S.Pierce (V) 1, Duke Kahanamoku (Hawaii) 2, S.Springfield (V) 3, G.Cunha (Hawaii) 4. The visitors were warmly applauded as they took their place on the pontoon at the starting post. There were eight starters. Beginning swimming with a powerful stroke, Duke Kahanamoku drew level with Cunha after 30 yards had been covered. He was then apparently taking things fairly easily but gradually overhauled the rest of the field and at 50 yards was 2 yards behind the rest. The "Duke" came with a great rush at the finish but could not catch Pierce who won with 2 yards to spare. Kahanamoku and Springfield appeared to dead heat, but the officials decided in favour of the visitor. Cunha was a yard away fourth.

220 yards Brace Relay Handicap - Duke Kahanamoku & George Cunha 1, J.Pike & W.Jenkins (V) 2, C.Lyle & W.McAnally 3. Ten pairs started. Thirty six seconds behind the limit man Cunha dived in swimming a long powerful stroke but taking rather an erratic course he rapidly overhauled the gap between him and the leaders. At the first 100 yards he was only 20 yards in the rear. Then "Duke" took up the running with his long powerful stroke and his remarkable method of using his feet, somewhat like a fish tail, and commenced to overhaul the field. He had not gone more than 30 yards when there were only two swimmers ahead of him, and putting on a magnificent spurt at 50 yards he overtook the leaders and won easily by 4 yards amid great cheering. A similar distance separated the second and third men. The time was 1.57 $\frac{4}{5}$, the Duke covering his 100 yards in 57 $\frac{4}{5}$ and Cunha in 60 seconds. It was a splendid exhibition of swimming and a fitting finale to a very successful gathering.

KAHANAMOKU CARNIVALS - SECOND STAGE INTERESTING SPORT

Interest in the visit to Brisbane of Duke Kahanamoku, the wonderful swimmer from the Hawaiian Islands, and his swimming companion George Cunha, was fully sustained last night when the second stage of the Kahanamoku carnivals of the Queensland Amateur Swimming Association took place in the Dock, South Brisbane. The spectators numbered well over 1000 and included many ladies.

Considerable disappointment was created by the non-swimming of the Duke and his companion in the 220 yards Brace relay Handicap, and the former in the 50 yards Invitation Handicap. The reason for that was that Kahanamoku was not well.

The same officials acted as on Saturday, and all the arrangements worked admirably. Agreeable music was again dispensed by the Railway Band.

Results -

30 yards Junior Inter-Club Handicap - Tickle 1, Hopper 2, Todd 3

220 yards Breast Stroke Championship of Queensland - "Courier" Trophy - previous holder C.Graham (Toowong) - F.W.Springfield (V) 1, C.Graham (T) 2, S.Maddox (Comm) 3. A very interesting race. Springfield struck the water first, but by the time three fourths of the lap had gone, Graham had the lead. Graham turned first followed by Maddox and Springfield. In the second lap Springfield again took the lead and started the third lap with 4 yards to the good. He continued to increase his lead and headed for home in the last lap with a lead of about 8 yards which he had increased to 20 yards at the finish. Times of the placed swimmers were 3.38 $\frac{1}{5}$, 3.59, and 4.15 $\frac{2}{5}$ respectively.

60 yards Inter-Club Handicap - A.McAnally 1, R.Olsen 2

110 yards Invitation Handicap - S.Springfield (V) 1, Duke Kahanamoku (on Scratch - Hawaii) 2, J.A.McGregor (SB) 3. There were five starters. Cunha (Hawaii) did not compete. This event provided a magnificent race. The Duke made the pace a "Cracker" from the start to finish. At the end of the first lap, with his long powerful stroke and the effective use of his feet, the Duke had made up much of the

leeway. The last lap provided a great tussle, the world's champion being apparently "all out" and many thought he would succeed in beating Springfield, but the latter, swimming determinedly, won with five feet to spare. The Duke's time was 1.3 1/5.

Neat Diving - V.Tynan (T.C.Beirne Club). There was a large entry for this contest, which was keenly fought. Tynan and G.Blanchard (V) were called on to dive off, the former winning nicely.

880 yards Inter-Club Handicap - No final was swum in this event, the results being decided on times - Pedley 1, Byrne 2, Lyle 3

50 yards Invitation Handicap -W.Graham (T) 1, T.Dowzer (Rockh) 2, P.Loewe (SB) 3. The Hawaiian, Cunha, swam well but could not reduce the gap. Graham got home just in front of Dowzer with a couple of others close up at the finish, and the Judges had difficulty in deciding the third man. Cunha finished behind most of the field.

220 yards Brace Relay Handicap - J.Pike & S.Springfield (V) 1, A.Casey & J.Saunders (Comm) 2.

WARWICK VISIT ABANDONED

Warwick Jan 20

The Warwick Amateur Swimming Club which had invited Duke Kahanamoku, the famous Hawaiian swimmer, and George Cunha to give an exhibition in Warwick on their return from Brisbane, have been advised that they will proceed to Sydney by steamer. Duke Kahanamoku states that he expects to make another tour of Australia next year, and that he will then visit Warwick.

KAHANAMOKU CARNIVAL - SOUTH BRISBANE BATHS

Owing to the Dock not being available, the third and last of the Kahanamoku carnivals will be held in the South Brisbane Baths tomorrow afternoon at 2.30.

An attractive programme will again be presented. The Manager of Duke Kahanamoku and his companion George Cunha announced last night that these noted swimmers will compete in two of the events, the 66 yards Invitation Handicap - the distance was reduced owing to the change of place - and a 220 yards Brace relay Handicap. They will not take part in the 300 yards Inter-Club Handicap.

SUCCESS OF KAHANAMOKU

Sydney Jan 10

The annual carnival of the New South Wales Amateur Swimming Association was concluded yesterday. The 220 yards Championship of New South Wales was won by Duke Kahanamoku, but his time was seconds slower than the time put up by the late B.B.Kieran in December 1905. The State Champion, W.Longworth, was unable to compete owing to illness.

Other starters in the 220 yards Championship were E.G.Finlay (East Sydney), E.C.Thomas (Sydney), L.Boardman (Sydney). P.Page (Randwick) and G.Cuhna (Hawaii).

Page had the best of the start and at 25 yards was in front from Kahanamoku, Cunha, Boardman, Thomas and Finlay swimming together. At 50 yards Kahanamoku had the lead and led to the distance where he had an advantage of a yard over Boardman who touched second, and after the turn Kahanamoku surged ahead and was not troubled in winning by three yards. Page and Cunha had a magnificent race, and the Randwick representative just succeeded in beating his speedy opponent. The winner's time was 2.32 2/5 and Page's time 2.34. The Australian record stands in the name of the late B.B.Kieran who covered the distance on 6 December 1905 in 2.28 2/5. The world's record is 2.25 2/5 put up by C.M.Daniels on 26 March 1909.

Kahanamoku Carnival Handicaps

The following handicaps have been declared for the first Duke Kahanamoku Carnival to be held in the Dock, South Brisbane on Saturday next - 30 yards Junior, 60 yards Senior, 100 yards Invitation, 440 yards, and 220 yards Relay. Entries for the 100 yards Country Championship are D.B.Dowzer (Rockhampton), D.Parkes (Warwick), G.Bouchard (Warwick), J.Headland (Ipswich). Entries for the 500 yards Flying Squadron Teams race are Valley, Toowong, Commercial and South Brisbane.

RIVER TRIP FOR KAHANAMOKU

The members of the Hawaiian swimming team were entertained to a delightful trip up the river yesterday afternoon by the Commercial Amateur Swimming Club in the motor launch "Beryl". About seventy participated in the outing. Amongst the invited guests were Messrs Duke Kahanamoku, Francis Evan (visiting swimmer), D.S.Carter (President of Q.A.S.A.), A.J.Wilkins (Treasurer Q.A.S.A.), and the following Vice Presidents of the Club, Messrs E.Wetzel, J.Casey, F.Hepburn, Dr Shaw, C.W.R.Just, M.J.Kirwan M.L.A., B.H.Hart and S.Davidson (Handicapper). Amongst others were Messrs Parkes and Fitzgerald (Warwick), several members of the Commercial Club, and members of the Valley, Toowong and South Brisbane Clubs.

On reaching their destination a large number enjoyed a delightful swim which was enlivened with the use of a polo ball, while the remainder enjoyed themselves with a football on the flat. The "Duke" preferred the latter pastime at which he is no mean adept. A shower of rain caused a return to the boat when refreshments were served by E.Eschenhagen, after which photographs were taken.

Before leaving a few toasts were proposed. "The Visitors" was given by Mr M.J.Kirwan M.L.A., and responded to by F.Evans and Duke Kahanamoku. "The Q.A.S.A" was proposed by Dr Shaw and appropriately responded to by Mr D.S.Carter. Mr Carter then proposed a toast to "The Commercial Swimming Club" which was responded to by Messrs J.Dunning (Hon Secretary) and E.Wetzel. A start was made for town shortly after six.

The trip was enlivened by Mr A.Briggs musical abilities, and vocal items from several members.

LADIES INTER-STATE CARNIVAL

The Council of the Queensland Ladies Amateur Swimming Association met in the Cafe Majestic last night. Mrs Hale presided and Mesdames Newman, Thompson, Pibworth, Green, Paterson, Springfield, King (Hon Secretary), Misses Thurlow, Mair, Butterfield, Harrower, Petrie, White, Clark and Fell were also present.

The chief business was the consideration of matters relating to Inter-State carnivals, the dates of which were fixed for the afternoon February 20 in the Dock, South Brisbane, and the evening of February 23 in the Booroodabin Baths. The following officials were appointed - Referees, Mrs H.J.Hale and Mr D.S.Carter; Starter, Mr F.E.Duncliffe; Check Starter, Mr E.Morris; Judges, Messrs F.W.De Little, M.J.Barry, W.Finnimore, A.Wilkins and H.J.Hale; Timekeepers, Messrs Springfield Snr, A.Butterfield, H.Sunderland, C.Ainsley and H.Bunting; Clerks of Course, Messrs W.Duffy, F.W.Springfield and C.Dahl; Costume Stewards, Mesdames Gordon, Thompson and Green; Judges of Diving, Messrs Wilkins, Carter and Knox Carson; Result Steward, Mr W.Kuder; Press Steward, Mr E.H.Mair; Call Stewards, Mrs Newman and Miss Harrower.

The test races for the selection of the Queensland representative team will be held in the Spring Hill Baths next Monday evening

Letter to the Editor,
Swimming Carnival

A body of friends and myself travelled seventeen miles to get to see the great swimmer Duke Kahanamoku, but it was a very disappointed and disgusted party that left the Dock, for, with the exception of one race, the great swimmer was conspicuous by his absence, the programme being full of local turns.

Now, while I always appreciate local athletics, and strive in many ways to encourage them, I believe I am expressing the opinion of all present when I say that on such an occasion as this, we pay to see the visitors, and it was nothing short of an imposition on the Queensland public to boom a man in the way the Duke was boomed, and then, after paying the money, to foist upon them local talent.

It is time the promoters of these events awoke to the fact that the Brisbane public will not always be led like sheep to the slaughter, and compel visiting athletes to fulfill their schedule arrangements or return their money.

I am, Sir, Jim Cavill. Jan 21

KAHANAMOKU CARNIVALS - THE FINAL STAGE NEW QUEENSLAND RECORD

Fortune was doubly unkind to the Queensland Amateur Swimming Association in respect of the third and final stage of the Kahanamoku carnivals which was held on Saturday afternoon. Firstly, as it was ascertained during the week, the Dock, where the first two carnivals were held with success, would not be available, so recourse had to be made to the South Brisbane Baths with its shorter course and its lesser accommodation for spectators. The second misfortune was the uncertain weather, though it brightened somewhat during the afternoon. Notwithstanding these disadvantages, the Association and its officers worked indefatigably for and achieved a thoroughly successful carnival. The various events were keenly contested, and the performances of Duke Kahanamoku, the famous Hawaiian, were interesting and appreciated. His swimming partner, George Cunha, was regrettably unable to appear as he was

suffering from an attack of dysentery. He is in the hands of Dr Hopkins.

As at the other stages of the carnivals there were many ladies present, and there were altogether about 800 spectators. The receipts amounted to £28/13/-. The Railway Band gave pleasure with its bright musical selections.

As an offset to George Cunha's non-appearance, the Duke gave a fine exhibition of the various strokes, comparing the American with the Australian style, and was loudly applauded. In the 100 yards Invitation Handicap, the Duke swam splendidly, his time being only one second outside the world's record put up by him in Sydney on January 2.

The arrangements of the baths for the occasion were well carried out by the baths Manager, Mr W.R.Blake.

The officials were as for the previous carnivals.

Results -

60 yards Senior Inter-Club Handicap - Schrey 1, Dowzer 2, Sunderland 3

100 yards Breast Stroke Championship of Queensland - C.Graham (T) 1, F.W.Springfield (V) 2, A.Charlton (SB) 3. A good race. At the end of the first lap Maddox touched first, but at the end of the second Graham had two yards to the good and fully holding his own won in fine style. The winner's time was 1.25 and that of Springfield 1.27 2/5.

30 yards Inter-Club Junior Handicap - Todd 1, Simmons 2, Spode 3

Neat Dive - C.Denford The contest which was open -to all swimmers who had not won a diving prize at an Inter-Club carnival proved most interesting and was well contested. C.Denford (SB) and M.A.Lahey were called on to dive off and the former won.

100 yards First Class Handicap - Duke Kahanamoku (Hawaii - Scratch) 1, P.Loewe (SB) 2, C.Graham (T) 3. There were five starters. The Duke, swimming with his easy powerful stroke and using his remarkable feet movement, at the end of the first lap was about six yards behind the field. Towards the end of the second lap he put on a spurt and was then only about three yards in the rear. In the final lap, swimming splendidly, he finally overhauled the field and won by a touch from Loewe. Only a touch separated second and third. The winner's time was 54 4/5, a new Queensland record and only a second outside his own world record made recently in Sydney.

300 yards Inter-Club Handicap - Hammond 1, Green 2, Dunning 3

Junior Diving Championship - V.Tynan (T.C.Beirne Club)

132 yards Brace Relay Handicap - W.McAnally & C.Lyle 1, V.Vaughan J.McGree 2.

LADIES INTERSTATE CHAMPIONSHIP TEAM TEST RACE

The test race over 25 yards to select a Queensland representative team for the coming Ladies Australian Interstate Swimming Championships as held in the Spring Hill Baths last evening. The placed girls were - Misses Mabel Springfield, Maggie Grant, and Jean King. Others who competed were Misses Elsie Venning and Minnie King.

MARYBOROUGH CARNIVAL

The Maryborough Amateur Swimming Club's carnival held in the City baths tonight was the most successful in the history of the sport here. The accommodation was not adequate to meet the demand made upon it, many persons being turned away. A splendid programme was submitted, though regret was expressed at the absence of several Brisbane swimmers who had signified their intention of participating.

Duke Kahanamoku and his partner George Cunha proved a big attraction though the indisposition of the latter prevented him from appearing in more than one event. The visitors, who also included Pierce and Nevell from Brisbane and Dowzer of Rockhampton, were accorded a Civic Reception by the Deputy Mayor at noon, and were subsequently shown various places of interest.

Tonight's arrangements were splendidly carried out, and the success of the carnival will give a big impetus to the sport here.

Results -

100 yards Wide Bay and Burnett District Championship - G.Pinney (Maryb) 1, J.Chalmers (Gaynd) 2, N.Bartholomew (Maryb) 3. Time 1.10

Long Dive - H.Darr

66 yards "Courier" Trophy valued at £1/1/-, donated by Hon E.J.Stevens M.L.C - W.Martin 1, D.Campbell 2, K.Miller 3. Time 46 secs.

Fancy Diving - H.Bawden and A.Blackley dead heat.

100 yards Steindl Cup - T.V.Dowzer 1, Duke Kahanamoku 2, J.Chalmers 3. There was a great interest in this event in view of the appearance of Duke Kahanamoku. He took part in the final only and had six opponents, the others in addition to those mentioned being K.Lowes (Childers), A.Miller (Maryb), H.Bawden (Maryb), and E.Pierce (Valley). Kahanamoku put up a good performance and his race home in to bunch was full of excitement. Many claimed a dead heat between Dowzer and Kahanamoku, but the former was a clear touch to the good and the Judges decided accordingly amid much cheering. The winner's time was 1.5 and Kahanamoku's time 55 seconds.

Umbrella and Cigar Race - D.Campbell

Neatest Header - D.Campbell

66 yards. Brace Relay Handicap - A.Blackley & C.Campbell 1, D.Miller & D.Campbell 2, Duke Kahanamoku & George Cunha 3. The champion swam splendidly, but the handicap was too severe, and the local pair won by a fair margin.

WEEDS IN THE BREMER RIVER
Ipswich Feb 5

Tomorrow the Commercial Swimming Club proposes to hold a 3 Mile swim in the Bremer River. Owing to the very large quantity of black weed in that particular part of the river the swimmers will have a bad time and it is doubtful if many will complete the distance. Most of the motor boats will find it difficult to get through the weeds, while millions of young hyacinth plants are making their appearance. A strong fresh is needed to rectify to clear the river of both pests.

THREE MILE RACE
BACKSTROKE RECORD ESTABLISHED BY J.THOMPSON
Ipswich Feb 6

The 3 Mile Swim in the Bremer River under the auspices of the Commercial Swimming Club was held on Saturday. There were 20 entries. Owing to the great masses of weed the swimmers had a hard time, many of them being compelled to retire. J.Thompson, holder of the world's record for Backstroke, was among the competitors and established a record for the distance. Notwithstanding the difficulties he had to contend with, he put up the remarkably good time of 1 hour 21 minutes 45 seconds. He also finished third in the race.

At 3.20pm the Mayor of Brisbane started the five minute men and all took headers into a dense mass of floating weed rising to the surface with garlands of it round their necks. Making immediately for the left bank where the weed was a trifle less thick they set off with overarm strokes on their long journey. Owing to the trouble the motor boats had with the river weed, no official times were taken at the one or two mile points.

At the end of the first mile four swimmers had left the water being compelled to give up owing to the weed. At the end of an hour, Thompson, with a 25 minute handicap, had done 1 3/4 miles and was still swimming powerfully. Schrubert, one of the five minute men, was 300 yards ahead of him while Mason and McPherson had about 5 yards separating them at the 2 mile post. Approaching the Tivoli bend Mason had increased his lead from McPherson with Schrubert another 200 yards behind. All were feeling the effect of the weed which at this point completely covered the river. Rounding the bend at the Tivoli Mason was leading McPherson while Thompson was rapidly gaining on the two of them.

At the finish point boats endeavoured to keep a space clear of weeds, and Mason passed the Judges post in 1.37.1, McPherson in 1.38.2 The finishing times of the others were: Thompson 1.39.45, Harry Byrnes 1.41.34, J.Welsh 1.42.33, J.Schrubert 1.45.6, A.Bennett 1.47.15, E.Green 1.47.53, J.Dunning 1.47.58, D.Sunderland 1.49.5, F.Stevning 1.49.12, H.Gilder 1.51.4, A.Casey 1.52.50, J.Johnson 1.53.5, J.Saunders 1.54.34, R.Ridge 1.58.10.

LADIES SWIMMING CARNIVAL
USE OF THE DRY DOCK GRANTED

Mr D.S.Carter, President of the Queensland Amateur Swimming Association and Mrs Hale, President, and Mrs King, Secretary, of the Queensland Ladies Amateur Swimming Association yesterday waited on the Treasurer, Hon W.H.Barnes, regarding a carnival to be held by the Ladies Association on Saturday February 20. An application had been made for the use of the Dry Dock for the carnival and the reply received was that the Dock would be occupied. The deputation desired if possible to secure the use of the Dock for an Interstate carnival. Mr Carter explained the lack of suitable baths for carnivals.

Mr Barnes pointed out that accidents might happen to a vessel and make it obligatory for the Department to cancel the permission to the swimming authorities, otherwise they might deprive men of work. Neither he nor any of his staff were opposed to swimming; indeed, he would like to encourage the sport in any way. In this case he would arrange for them to have the use of the Dock, but it must be understood that this was subject to its not being required in an emergency such as an accident to a vessel. Swimming authorities would not, in the future, look for the absolute fulfillment of permission to use the Dock as its use dislocated the work. "In future you will clearly understand if the Dock is required for swimming, it can only be granted on the distinct understanding its use is not going to interfere with the interests of the shipping people," said Mr Barnes.

Mr Carter, "Thank you, Mr Barnes," and referring to the lack of swimming accommodation, he hoped the local authorities would be as generous as the Treasurer.

ARRIVAL OF INTERSTATE VISITORS

The New South Wales team of lady swimmers, Misses Wylie and Fevyer, together with Mrs Chambers (Secretary of the NSW Ladies Amateur Swimming Association) who is Manageress, arrived in Brisbane by the "Canberra" this morning for the purpose of taking part in the Australasian Carnival to take place under the auspices of the Q.L.A.S.A., in to Dry Dock, South Brisbane, on Saturday afternoon, and in the Booroodabin Baths on Tuesday night next. A number of visitors accompanied the team from the south, including Mesdames Hugh McIntosh (President of the N.S.W.L.A.S.A) Lovelace, Cohen, Henebry, McCarthy, Misses Lovelace, Cutler, Beaumont, Webb and Hansen. The third member of the team, Miss Fanny Durack, is to arrive by mail train on Wednesday night.

A hearty welcome was given the southerners on arrival at the wharf after a pleasant trip. Amongst others present were Mesdames Hale (President Q.L.A.S.A.), V.King (Hon Secretary), and Thompson, Misses A.Butterfield, I and M.White, M.Smith, M and J.King, Venning, Harrower, Turner and Spottiswood. The visitors will be formally welcomed at a Reception at the Cafe Majestic at 3pm tomorrow, and a number of outings have been arranged for their entertainment.

LADY SWIMMERS
RECEPTION TO VISITORS

A Reception was tendered at the Cafe Majestic this afternoon by the members of the Queensland Ladies Amateur Swimming Association to the New South Wales lady visitors who are to take part in the Australian carnival on Saturday next. The guests included Misses Wylie and Fevyer (NSW representatives), Mrs Chambers (Manageress), and Mrs Hugh McIntosh (President of New South Wales Ladies Amateur Swimming Association). Mrs Hale (President Q.L.A.S.A.) occupied the Chair. Others present included Mesdames King (Hon Secretary), J.S.Wiley, M.Baldwin, H.Trout, W.Kuder, W.Patterson, R.Ryder, G.Thompson and a large number of representatives of the affiliated Clubs.

Mrs Hale extended a hearty welcome to the visitors and trusted they would have a share of the honours, leaving something for the Queenslanders (applause). Mrs Hugh McIntosh returned thanks on behalf of the NSW Association and expressed the pleasure which the members of the NSW team and friends had felt in visiting Queensland. Mrs Chambers, in responding, said the Queensland Association members were "good sports" to hold a carnival when they knew they had world champions to compete against, and she hoped that the NSW representatives would win the honour "by only just the smallest margin".

Short addresses of welcome were also delivered by Mrs King, Mrs Patterson (representing the South Brisbane Club), Mrs Thompson (Valley Club), and Mrs Trout (Kelvin Grove Club). Mrs Trout made fleeting reference to the loss sustained by the Club in the death of the late President, Mrs Gardiner.

Afternoon tea was then served, after which pleasing musical items were rendered by several of the ladies present.

TOOWONG CLUB'S CARNIVAL
MILE CHAMPIONSHIP WON BY SAUNDERS

The Toowong Amateur Swimming Club held its annual carnival last night in the Toowong Baths, and the gathering was a marked success. The programme included the 1 Mile Championship of Queensland which was interesting in every particular, and considerable enthusiasm was manifested when the honours fell to J.Saunders (Commercial Club). He swam the distance in the excellent time of 24.35, and was followed by S.Springfield (Valley) in 25.19, and F.W.Springfield (Valley) in 26.25.

F.Springfield and Saunders swam stroke for stroke for the first half mile, then Saunders began to draw away steadily and finished two laps ahead. F.Mahoney, who also started, gave up the struggle after swimming fourteen laps. The other events were keenly contested.

The officials were - Referee, Mr A.J.Wilkins; Judges, Messrs J.Hiron, J.Bunting, H.Hale; Timekeepers, Messrs A.Butterfield, F.Springfield, C.Ainsley, W.Kuder; Clerk of Course, Mr W.H.Duffy; Call Stewards Messrs J.Hyland, T.Knight; Costume Steward, Mr T.Kelleway; Heat Steward, Mr W.Swain; Starter, Mr F.E.Duncalfe; Check starter, Mr E.Morris; Hon Secretary, Mr V.McCartney.

Letter to the Editor

Sir,

The season is drawing towards its end but unfortunately the was is apparently only beginning. In the first named, carnivals mean prizes, mostly gold and silver. Many swimmers have many prizes. Could they, or would they, if they were successful, deprive themselves of wearing that medal and donate the same to the Patriotic Funds, or even part of it? Or would some of the supporting swimming clubs donate as a farewell gift of the season a small percentage of the gate money - if successful? It is too late now, but an Art Union might have eventuated at the two big carnivals held at the Dry Dock lately. Many buy a ticket but do not use the admission part. All sports of either sex must realise our grand country's existence is at stake, and every mickle makes a muckle.

I am, Sir,

"Sympathiser" Feb 17

AMATEUR LADY SWIMMERS - AUSTRALIAN CHAMPIONSHIP CARNIVAL
APPEARANCE OF MISS DURACK, WINNER OF THE 100 YARDS CHAMPIONSHIP
TEAMS EVENT TO NEW SOUTH WALES

In the absence of a municipal baths of sufficient size, the Ladies Inter-State Swimming Carnival was held this afternoon in the Dry Dock, South Brisbane, in the presence of between 600 and 700 persons.

The carnival had attracted much attention from the fact so many prominent lady swimmers were taking part, and for the additional reason that Australian Swimming Championships were decided. A large contingent of swimmers had come from New South Wales, including Miss Fanny Durack, world's lady champion, and winner of many notable natatorial events in different parts of the Continent. The weather was warm enough to make the spectators envy the competitors their dip in the water. The Dock was divided to make a course of 50 yards, and a martial air was lent to the proceedings by the number of naval men guarding the bridge of the dock.

The carnival officials - Referees Mrs H.J.Hale and Mr D.S.Carter; Judges, Messrs F.W.De Little, W.Finnimore, M.J.Barry, H.J.Hale and T.Hutchison (Victorian A.S.A.); Clerks of Course, Messrs T.O'Cavanagh and C.Dahl; Starter, Mr E.Morris; Check Starter Miss R.E.White; Call Stewards, Misses N.Harrower and I.Newman; Press Steward, Mr E.H.Mair; Result Steward, Mr W.E.T.Martin;

Timekeepers, Messrs R.H.Bunting, C.Ainsley, F.Springfield Snr, A.Butterfield, C.W.R.Just; Costume Stewards, Mesdames Gordon, Thompson and Green; Judges of Diving, Messrs Knox Carson, D.S.Carter and A.J.Wilkins. Mr W.Kuder (Secretary Q.A.S.A.) also lent valuable assistance.

The principal events of the afternoon were the 100 yards Championship of Australia and the Teams Championships of Australia and Queensland. The last named event was won by the Valley A Team with a great contest for second place. Miss Durack proved her title as champion by winning the 100 yards Championship, but almost collapsed on completing the course. She must have recovered by the time the Teams Championship came on, however, as she put up a good performance. Little Miss Fevyer also performed well.

Results were -

20 yards Beginners Race - D.Cook (V) 1, O.Jones (V) 2, L.Venning (V) 3

150 yards Teams Championship of Queensland - Teams of three, each girl to swim 50 yards - Valley A (E.Venning, M.Grant, M.Springfield) 1, Commercial (M.King, M.Hale, J.King) 2, Valley B (A.Alexander, E.Connell, D.Sylov) 3. Won by a few yards with a great contest for second place. Time 1.48 2/5

100 yards Championship of Australia - F.Durack (NSW) 1, M.Wylie (NSW) 2, L.Fevyer (NSW) 3, M.Grant (Qld) 4. Time for first 1.11, for second 1.16, and third 1.20. Won by a couple of yards. Miss Durack was distressed on finishing and had to be helped from the water.

30 yards B Grade Senior Handicap - D.Francis (SB) 1, C.Ashley (V) 2, V.Bowden (KG) 3

30 yards First Class Junior Handicap - R.Sylov (V) 1, V.Ryder (C) 2, D.Sylov (V) 3.

150 yards Teams Championship of Australia - NSW 1, Qld 2. Time 1.40

In this event Miss Jean King (Q) and Miss M.Wylie (NSW) swam the first lap and touched almost together with the advantage to the Queenslander. Miss L.Fevyer (NSW) and Miss M.Springfield (Qld) contested the second lap, but the Queenslander lost a yard to the promising young swimmer from the south. The last lap was between Miss M.Grant (Qld) and Miss F.Durack (NSW). The visitor, of course, had the slight advantage at the start, and swimming strongly came in an easy winner by 12 yards. The time of the Queensland team was 8 seconds slower than that of the New South Wales Team.

Novelty event - Musical Buoys - In the final much amusement was created by Miss Connell and Miss Springfield twice getting their heads into the floating buoys together, and it was given as a dead heat. Mr Just added half a guinea to provide an equal prize for each.

100 yards Inter-State Handicap - Won by a touch - M.King (C) 1, J.King (C) 2, M.Hennebury (NSW) 3.

Neatest Dive - L.Fevyer (NSW)

Collecting Corks - M.Springfield 1, N.Hennebury 2, D.Sylov 3

Miss M.Wylie of New South Wales gave an interesting exhibition of various forms of swimming and life saving. In the latter she was assisted by Miss N.Hennebury.

LADIES INTER-STATE CARNIVAL
MISS MINA WYLIE'S SUCCESS - NEW WORLD'S RECORD

The second of the two Ladies Australian Championship Swimming Carnivals under the auspices of the Queensland Ladies Amateur Swimming Association was held in the Booroodabin baths last evening. Interest in the doings of the popular team of swimmers from New South Wales and the local swimmers was maintained, and the attendance, including competitors, was close to 500. The gate takings amounted to a little over fifteen pounds. The handicapping was excellent, practically every event being closely contested. The principal events were captured by the visitors.

The 100 yards Breast Stroke Championship of Australia went to Miss Mina Wylie, who created a new World's Record for the distance, reducing her previous record of 1.28 4/5 by 2/5 of a second. Miss D.Sylov finished second, and covered the distance in 1.34 1/5. Miss Durack (NSW) accounted for the 220 yards Championship in 3.3 1/5, winning comfortably. Another interesting

feature was the exhibition of various forms of diving by Miss L.Fevyer, B.Lovelace and N.Hennebury of New South Wales, while the novelty event was a mirth-provoking item.

The carnival officials carried out their duties ably, and the Hon Secretary, Mrs V.King, was well supported by other Association officers.

Results -

Beginners Race 20 yards - M.Venning (V) 1, V.White (C) 2, O.Jones (V) 3

100 yards Breast Stroke Championship of Australia - M.Wylie (NSW) 1, D.Sylow (V) 2, E.Venning (V) 3. This was a splendid race. All entered the water together and immediately Miss Sylow took the lead and maintained it to the end of the first lap turning with a yard to the good. The second lap was closely fought out, and to its close Miss Wylie overtook the leader and turned a good yard ahead. Swimming strongly, in to last lap she increased her lead, and touched with six yards to spare. The winner created a new world's record of 1.28 2/5.

B Grade Handicap - L.Newman 1, Edgar 2, O.Clarke 3

30 yards Junior Championship of Queensland - V.Hale (C) 1, E.Venning (V) 2, V.Ryder (C) 3. Time 20 4/5. This was a magnificent race and the five competitors were well together throughout. A good start was affected and Miss Hale quickly gained a slight lead closely followed by Miss Venning. These young ladies raced neck and neck and roused great excitement. Nearing the finish Miss Venning put on a spurt, but Miss Hale maintained her lead and won by about a yard.

Bracelet Relay handicap - Lovelace and Hennebury 1, M.King and Bowman 2

220 yards Championship of Australia - Miss F.Durack (NSW) 1, M.Wylie (NSW) 2, M.Springfield (Qld) 3. Time 3.3 1/5. Miss Springfield was the last to strike the water. Miss Durack took the lead at once followed closely by Miss Wylie and Miss Springfield in that order. The positions remained the same throughout excepting the two New South Wales increased their advantage. Miss Durack won easily by ten yards from Miss Wylie. Miss Springfield was about the same distance away third. The time, 3.3 1/5 was 6 1/5 slower than the winner's own world record of 2.57. Miss L.Fevyer gave up after swimming half the distance.

Senior Handicap - J.King 1, J.Hennebury 2, I.King 3

30 yards Junior Handicap - R.Sylow 1, V,.Ryder 2, I.Robinson 3

Neat Dive - Miss L.Fevyer

Novelty Event - M.Springfield

NEW SOUTH WALES LADY VISITORS
PRESENTATION TO QUEENSLAND SECRETARY

The President of the New South Wales Ladies Amateur Swimming Association (Mrs Hugh D McIntosh) and Misses Cutler, Epsom, and Kerr of the visiting team which took part in the Australian Championship carnivals, left for the south yesterday in the steamer "Canberra". Miss Fanny Durack also left for Sydney yesterday, travelling by the mail train. The remainder of the visitors will leave for the south on Saturday by the steamer "Kanowna".

The visiting team yesterday entertained at lunch the President, Mrs Hale, and the Secretary, Mrs King, of the Queensland Association, and presented Mrs King with a dainty cream jug and sugar basin on a silver stand, with a card which read "To dear Mrs King, as a small token of esteem, from the New South Wales visitors".

T.C.BEIRNE CLUB
SUCCESSFUL CARNIVAL

The annual Championship Carnival of the T.C.Beirne Amateur Swimming Club was held in the Booroodabin Baths last night. There was a large attendance of members and friends. The baths were attractively decorated with hanging ferns and Chinese lanterns. A feature of the entertainment was an exhibition of swimming, fancy diving, and life saving, by Miss Mina Wylie, Lottie Ferguson,

Norah Hennebury and Bessie Lovelace, members of the New South Wales team of lady swimmers who generously gave their services to add to the attractiveness of the carnival.

During the evening, Mr E.H.McGinley, Vice President, presented each of the New South Wales swimmers who took part in the display with a silver mounted inkwell bearing the Coat of Arms of Queensland as a token of the Club's appreciation. In making the presentation he cordially thanked the ladies for their valuable contribution to the programme. Mrs Chambers, Secretary of the N.S.W.L.A.S.A, in reply said the visitors were pleased to assist, and whatever they had done had been for the love of the sport alone (applause).

The arrangements were supervised by Mr Harold A Gibbins, Hon Secretary. During the evening a programme of musical selections was rendered by Mrs F.Don (piano) and Mr F.Phillipson (violin). The carnival concluded with an amusing sketch entitled "Laughing Gas".

THE BROCKWAY CUP

The annual competition for the Brockway Cup took place yesterday afternoon in the Booroodabin Baths in the presence of a large number of teachers and girls from the two competing schools.

At the word "Go" a united shout was raised by the supporters of the teams and continued until the finish of the race.

Miss Joan Burrell (Grammar) established a good lead from Miss Etta Thomson (High School) in the first lap, which Miss Madge Blackman (High School) succeeded in reducing considerably from Miss Hedwig Eschenhagen in the second length. Miss Essie Wilson increased this from Miss Aileen Thompson (High School) in the third length, and Miss Joan Lilley easily made headway from Miss Mavis Lahey winning the race for the Grammar School by about five yards. The time was 1.33.

The Cup has won eight times by the Brisbane High School for Girls, twice by the Brisbane Girls Grammar School, and once by the Moreton Bay High School for Girls.

Q.A.S.A THREE MILE SWIM ABANDONED

The Q.A.S.A Three Mile Handicap which was fixed to take place in the Bremer River at Ipswich next Saturday has been abandoned. This action has been taken following a report from the Ipswich Centre. There was no certainty that the river would not be thickly infested with weeds and hyacinth, and the motor boats necessary for such a large number of competitors and officials would not be procurable. The race will most likely be held early next season.

TOOWONG LADIES CLUB CARNIVAL

SWIMMING
By H2O
Q.A.S.A.

The Annual General Meeting will be held in the Caledonian Rooms, Queen Street, on Wednesday evening 22 September at 8 o'clock. The Annual Report and Balance Sheet will be submitted showing that the Association has experienced a fairly successful year.

During last year a Rules Revision Committee was appointed, and as a result of its close scrutiny of the existing rules, several recommendations were made to the Council. Members are particularly asked to note that Rule 5 now provides "That nominations for the following offices close ten days before the Annual Meeting - Patron, President, Ten Vice Presidents, Handicapper/s and two Auditors." Nominations will therefore be received by the Hon Secretary of the Q.A.S.A for the positions mentioned, up to Saturday next, the 11th inst at 1pm. In all cases nominations must be made in writing signed by the Proposer and Secunder who must be bona fide members of the Association.

The first Council meeting will be held on Monday October 4 in the Grand Central Hotel, and nominations for the positions of Hon Secretary and Hon Treasurer close with the Hon Secretary Q.A.S.A. on Friday September 24 up to 9pm.

Roll of Honour

Q.A.S.A, in common with other sporting bodies, has contributed a number of its members to the service of the Empire. Clubs are requested to furnish the Association with a list of members who have joined the expeditionary forces, so that a Roll of Honour may be compiled.

It is regretted that apart from the Dry Dock, there does not exist any baths in the metropolis from which a respectable sum could be raised if a carnival was held in aid of the Patriotic Fund. With the co-operation of the Q.L.A.S.A. and the State Schools (Boys and Girls) Associations it would be possible to hold a monster Gala in the Dock with an official opening. The suggestion has already been mooted and received with enthusiasm in several quarters. The idea is a good one and there is abundant material in the ranks of the Associations named to place before the public a programme of some merit.

Q.L.A.S.A.

A meeting of the Council of the Q.L.A.S.A was held in the Cafe Majestic last Thursday evening. There were present Mesdames H.J.Hale (President, in the Chair), Gordon, Patterson (Vice Presidents), V.King (Hon Secretary), Misses A.Butterfield (Hon Treasurer), Mair, Harrower, Petrie, Fell and Thurlow.

The draft Report was presented and adopted. The amount outstanding to the credit of the Association is £29/3/1, which is one of the largest balances, if not the largest, yet presented. It was unanimously decided to hold the Annual Meeting in the National Association Rooms, Courier Building, on Thursday evening 23 September at 8 pm. It was decided that the nominations for the positions of President, Vice Presidents, Hon Secretary, Hon Treasurer, two Handicappers and two Auditors, should close with the Hon Secretary, Mrs King, on Monday 20 September. Nominations must be made in writing and signed by the Proposer and Secunder. It is expected there will be a large attendance at the meeting.

COMMERCIAL CLUB

The Third Annual Meeting of the Commercial Club was held in the Y.M.C.A. Building last Wednesday evening. About twenty five members were present, including Messrs F.W.De Little (President) and W.Kuder (Hon secretary Q.A.S.A). The President occupied the Chair.

In moving the adoption of the Annual Report and Balance Sheet he congratulated the Club on the brilliant Report of the past season which showed

that the membership had increased and the members had been very successful in Open events. The principal successes were the 3/4 Mile and 1 Mile Championships of Queensland won by Joe Saunders, and P.Hammond was undoubtedly the most successful handicap swimmer who won a trophy at every carnival held during the season. The Club had improved at Water Polo having been runners-up in both A and B Grades. The Club donated the receipts for one event at the annual carnival, one pound, to the Patriotic Fund, and had a dance, in aid of the Wounded Soldiers Fund in conjunction with the Ladies Commercial Club, which raised twenty pounds eleven shillings. The Financial Statement showed that one hundred and twenty one pounds fourteen shillings and eleven pence had been received, forty nine pounds nine shillings distributed in trophies, and sixty seven pounds two shillings and two pence on other items, leaving a Credit Balance of five pounds nine shillings and nine pence. The President congratulated the following members of the Club who had enlisted, and wished them a safe return - J.Stenhouse (ex Hon Handicapper), W.Martin (ex Captain), J.Saunders (3/4 and 1 Mile Champion of Queensland), T.Pyrah and J.Dunning (Hon Secretary).

Mr W.Kuder congratulated the Club on a very successful season, and also congratulated the members who were going to the front.

The following officers were elected - Patron, Hon E.J.Stevens M.L.C; President, Mr F.W.De Little; Vice Presidents, Messrs W.Kuder, M.J.Barry, D.H.Hart, M.J.Kirwan M.L.A., E.White Snr, R.B.Stark, J.Allan, J.Casey, C.W.R.Just, J.Stodart M.L.A., E.C.Eschenhagen, C.Cheros, D.B.McCullough, A.Barrington, J.Kilroe, F.Humfress, F.S.Bousfield, W.J.Coakes D.C.Costello-Shaw, W.Effey, J.S.Wiley, F.J.T.Hepburn, W.H.Barnes and Ald C.M.Jenkinson; Hon Secretary, W.Macpherson; Assistant Hon Secretary, T.O'Cavanagh; Press Correspondent, J.Nicholson, Hon Treasurer, J.Nicholson; Handicapper, J.W.Thompson; Captain, A.V.Fogg; Vice Captain, S.Maddox; Committee, G.Johnson, A.Byrne, H.Morris, J.Schubert, R.Ridge, D.Sunderland and J.Smart; Delegates to Q.A.S.A, T.O'Cavanagh, A.V.Fogg and R.Ridge; Delegates to Water Polo Association, J.W.Thompson and S.Maddox; Auditors, R.Ridge and A.Johnson; Life Saving Instructors, J.W.Thompson and those who are holders of the Bronze Medallion.

It was again unanimously decided to affiliate with the Q.A.S.A and the R.L.S.S., and the W.P.A. Tuesday was retained as the swim night and the Spring Hill Baths as the headquarters.

Rule 3 was altered to make the swimming season from the first Tuesday in October to the second Tuesday in April of the following year.

A vote of thanks was passed to the "Sports" for publishing the Club notes etc.

"Sports" says

"that last season there was a little friction here and there in the swimming ranks. This year there promises to be none as the old troubles have been got over."

"that it looks as though the natatorial sport is going to have an excellent run from the next month, with Clubs carrying out preliminary work leading to the annual meetings."

"that it would be good if all Associations could appoint a permanent Judge of Diving, for the reason this branch of the sport does not receive in all quarters the consideration to which it is entitled."

"That very frequently it is that the best diver does not win, and that will always go on until Judges who have a thorough knowledge of diving are appointed."

SWIMMING - By H20
Toowong Club

At a committee meeting a list of members who had joined up was given - G.W.Parkinson, Killed in Action (recently Q.A.S.A Treasurer). J.Pacey, Ross Kellaway, Colin Graham, Fred Graham, Chas Graham, W.Pacey, A.Patterson, K.Dempsey, M.Tickler, W.Hodgson, W.Lindsay, H.Darlington and G.Brownjohn.

Valley Club

The Eighteenth Annual Meeting was held in Bragg's Cafe last Wednesday evening. Mr F.Springfield occupied the Chair and there was a fair attendance of members. The past season was undoubtedly one of the best in the annals of the Club both financially and socially, and the Credit Balance amounted to twenty pounds five shillings and nine pence. This speaks well for the untiring efforts of the Hon Secretary and the Hon Treasurer and the splendid enthusiasm displayed by members.

The Annual Report and Balance Sheet, which were adopted, expresses regret that the great international struggle was still raging, but the Committee held that, while this was the first concern of all, the present was not the time for gloom, but fortitude. Believing that sport was a necessary factor in the life of the Nation, it recommended the incoming Committee to do all in its power to foster swimming which should eventually become Queensland's main summer sport. The Club still holds its position as premier in long distances, and had added to its laurels the 500 yards Flying Squadron Championship of Queensland. The A.Grade Polo Premiership again fell to its honour without a defeat, while the B Grade team won the premiership of its Grade. The Club still had the honour of holding the Life Saving Championship which was first won in 1912. In the individual championships the 220 yards Free Stroke and Breast Stroke Championships were added to the Club's lists, but the one Mile was lost to J.Saunders of the Commercial Club, to whom the Club offered its heartiest congratulations. The positions won by the Club in the various Championships were as follows - 1, 2, 3 in the 440 yards, 1, 2 in the 880 yards, 1 in the 220 yards, 1 in 220 yards Breast Stroke, 2,3 in the mile, 2 in the 3/4 mile, 2 in the 100 yards, 2 in 100 yards Breast Stroke.

Not the least interesting item in the Balance Sheet was the expenditure of thirty five pounds ten shillings for trophies independent of those donated by the Hons E.J.Stevens M.L.C, and T.C.Beirne, and Messrs W.Kuder, M.J.Barry, J.H.Grice, J.Pike, D.S.Carter, M.Thompson, Walker & Hall, A.G.Littleboy, Goldsmith Brothers, G.Thompson and J.W.Case.

Socially the season had left little to be desired and the greatest harmony existed with the Valley Ladies Club. Eulogistic reference was made to the work of the President, Mr F.Springfield Snr, who had been an active member for the past twelve years. Regret was expressed at the death of the late Mr A.Butterfield, one of the Club's founders, and also one of the Q.A.S.A's founders. Many members are on active service in Gallipoli, the Report concluded, "Two have been wounded, and one, the late J.W.Quinn, has finished the great race of which swimming is but a part, and now lies in a soldier's grave in foreign soil."

The Club decided to affiliate with the Q.A.S.A., the Water Polo Association, and the R.L.S.S. It was decided to limit the number of Vice Presidents to ten. Alderman F.Wilson was unanimously elected a Life Member of the Club, to which list the name of Mr F.Springfield Snr, one of the best workers the Club has ever had, has been added.

The following officials were elected - Patron, Hon D.Bowman M.L.A; Vice Patrons, Hon T.C.Beirne M.L.A and Ald G.Down (Mayor of Brisbane); President, Mr F.Springfield; Vice Presidents, Messrs J.Fitzgerald, G.W.Pierce, J.W.Case, J.B.Overell, D.S.Carter, W.Kuder, J.Pike, P.Scott, and W.B.Le Bas; Hon Secretary, Mr E.Pierce; Hon Treasurer, Mr F.W.Springfield; Senior Handicapper, J.Pike; Junior Handicapper, Mr R.Marsh; Starter, Mr H.New; Committee, Messrs J.Brett, J.Williams, L.Smith, L.Pierce, C.Howard, Sid Springfield and A.Hasler; Delegates to Q.A.S.A, Messrs E.Pierce, F.Springfield, R.Marsh and T.Sewell; Hon Auditors, Messrs P.Scott and W.Winterflood; Delegates to Water Polo Association, A Grade F.W.Springfield, B Grade left over to first Club swim; Delegates to R.L.S.S., F.W.Springfield and J.Fitzgerald.

A hearty vote of thanks was tendered to the retiring on Secretary, Mr R.Marsh, and the Hon Treasurer, Mr F.W.Springfield, for the splendid work done by them last season. The Club congratulated Mr Marsh on his recent marriage, and wished him every success in the future. A hearty vote of thanks was tendered to Mr F.W.Springfield for his past services to the Club.

A motion was carried asking the Q.A.S.A to suspend indefinitely the levy on Inter-Club races.

Mr W.Kuder (Hon Secretary of Q.A.S.A) congratulated the Club on its splendid position, and wished it every success in the coming season. He presented Standard Certificates won by members of the Club.

The Club has a number of members on active service and intends establishing a Roll of Honour.

Members and intending members are reminded that the first swim if the season will be held in the Booroodabin Baths on Wednesday evening October 6. The first Committee meeting will be held at Mr J.Williams residence on Tuesday evening September 21 at 8 o'clock.

South Brisbane Club

The Annual meeting took place last Thursday night in the Grosvenor Hotel. George Street. The meeting was well attended, those present including Messrs W.Kuder (Hon Secretary Q.A.S.A) in the Chair, C.W.R.Just (President), W.Finnimore (Vice President) and O.Macartney (Hon Secretary Toowong Club).

The Annual Report, which was adopted, showed the Souths had a good season. The Balance Sheet showed the financial position was sound. It was decided to again affiliate with the Q.A.S.A. and the W.P.A.

The election of officers resulted - Patron, Hon E.J.Stevens M.L.C; President, Mr C.W.R.Just; Vice Presidents, Messrs W.Kuder, W.Finnimore, C.Bolton, E.McGregor, T.T.Long, E.A.Free M.L.A, D.B.McCullough, M.J.Murphy, T.A.Kenan and J.Moore; Committee, C.Ansley, J.A.McGregor, C.Olsen, G.Schrey and T.Lewis; Handicapper, E.Butler; Starter, W.H.Crease; Press Correspondent, C.Denford; Hon Treasurer, W.H.Crease; Hon Secretary, W.J.Schrey; Delegates to Q.A.S.A, C.W.R.Just, W.Finnimore, W.Schrey and C.Ansley; Auditors, A.Burke and E.Butler.

It was agreed that the Club should hold its swims in the Metropolitan Baths, and Thursday was fixed for the Club night, and the first swim to be held on the first Thursday in October.

Six of the South Brisbane Club's members enlisted for active service namely, D.Robinson, T.Spode, E.Spode, J.Figgis, C.Williams and R.Linden. The Chairman made special mention of them, and expressed the feeling of the meeting in wishing them God Speed and a safe return.

At the conclusion of the meeting, Mr Kuder, on behalf of the members of the Club, presented Mr Schrey, Hon Secretary of the Club, with a handsome shaver's companion suitably engraved. He congratulated Mr Schrey and members on the position of the Club.

A number of members will visit Redcliffe tomorrow. Members wishing to make the trip should meet at the boat at 9 o'clock tomorrow morning.

QUEENSLAND STATE SCHOOLS ASSOCIATION

A Committee meeting was held in the Y.M.C.A. Rooms last Thursday. Mr T.G.Weymouth occupied the Chair, and Messrs W.H.Morrow, P.H.Bonham, R.S.Orr and A.Griffiths (Hon Secretary) were also present.

The Annual Report was drawn up. From the statistics, the number of affiliated schools is a record, as is also the number in the Clubs, and the number taught to swim. Entries for the carnival were sent in from a record number of schools, although the number of entries received showed a marked falling off.

The Committee recommended that no boy 15 years or over should be allowed to enter for carnival events. The Annual meeting, to be held in the Y.M.C.A. Rooms, was fixed for Thursday 23rd inst. at 8 pm, and it was hoped that sufficient nominations would be received for positions on the Executive.
Q.A.S.A

During the course of the week a letter was received from Sgt T.H.Trenfield of the Toowong Club. Tom is at present with the A Section of the 3rd Field Ambulance in Egypt, and related the experience of two swimming carnivals held in Alexandria. The champions of the meeting turned out to be Phil Boardman of Sydney and his brother Les Boardman who represented Australia at the last Olympic Games. Though quite young, he is able to travel the 100 yards in less than a minute. Tom Trenfield swam second to Boardman in both the 50 yards and the 100 yards races. An International teams race between teams representing

England, New Zealand and Australia was brought off and resulted in the Australian team being successful. It was composed of the following - P.Boardman and Sewell (Sydney), Brown, Newmarsh, Keroid (Melbourne), T.Trenfield (Brisbane). Ted wishes to be remembered to all his old mates at the Q.A.S.A.

The nominations for the Annual General Meeting to be held on 22 September are - Patron Hon E.J.Stevens M.L.C.; President, Mr D.S.Carter; Vice Presidents (10 required), Messrs M.J.Barry, M.Baldwin, C.W.R.Just, F.W.De Little, J.Hiron, F.Springfield Snr, T.C.Beirne, J.W.Blair, M.J.Kirwan, J.H.Grice, G.Crawford, B.Hart, A.G.Littleboy, W.H.Hinch and T.Welsby; Auditors, Messrs R.H.Bunting and T.J.Donovan; Handicappers (3 required), Messrs S.J.McAnally, F.E.Duncalfe, W.Duffy and J.Pike.

The Association Balance Sheet discloses some interesting information and indicates that the best efforts are being made to help the sport along, as for instance, the fifteen pounds invested in the Toowong Baths shares, the expenditure on water polo medals, and the subsidy on long distance events.

Big Block Club

A meeting of the members of the Big Block Ladies Swimming Club was held on Wednesday night to make arrangements for the coming season. It was decided that the swims would be held at the Arthur Street, Spring Hill, Baths, every Tuesday night, commencing on October 5. Miss L. Spottiswood was elected Captain, Miss Webb Handicapper, Miss Hall Secretary and Miss Trivett Treasurer.

"Sports" says...

"That the Q.A.S.A and the Q.L.A.S.A , whose Annual Meetings will be held shortly, will present Reports and Balance Sheets showing the most successful year yet experienced."

"That this is a fine tribute to the officials of both Associations, and incidentally to the Press Correspondents of the various Clubs without whose effective aid the sport would not have been so successful."

"That the Commercial Club has led the way in the matter of Annual Meetings."

"That this is the first time for a number of years that the Ladies Clubs have lost the honour of setting the ball rolling."

S.R. Saturday 18 September 1915

Commercial Club

The first Committee meeting was held at the Grand Central Hotel on Wednesday last. Mr A.V.Fogg occupied the Chair.

Accounts amounting to ten shillings were passed for payment. Donations were received from the following gentlemen - Hon E.J.Stevens M.L.C., Messrs F.W.De Little, M.J.Kirwan M.L.A., W.Kuder, T.O'Cavanagh, H.Morris, D.B.McCullough, C.Cheros and F.J.Pickburn. On the motion of Mr R.Ridge a letter of thanks was authorised to be sent to the donors for so generously assisting the Club.

Five new members were nominated. J.W.Thompson was appointed Starter in addition to Handicapper, H.Morris as Timekeeper and Assistant Starter, and W.E.T.Martin as Judge of Diving pro tem.

On the motion of J.W.Thompson, seconded A.Byrne, it was decided to apply to the Q.A.S.A for a State Championship. Members are very enthusiastic about the Royal Life Saving Society's "Barry Cup" competition to be held this season, and a special day will be held under the direction of J.W.Thompson, Hon Instructor to the Society. To further stimulate the noble cause, T.O'Cavanagh donated a trophy for the first member to obtain the Society's Silver Medallion in the season.

It was decided to form two polo teams, one in the A Grade and one in the B Grade. The fixtures were drawn up for the opening night on October 5.

Owing to the pressure of business, the Hon Secretary tendered his resignation which was received with regret. Mr T.O'Cavanagh was elected Hon Secretary with S.Maddox as Assistant, and S.Schubert was elected to the

vacancy on the Committee.

The Club cordially invited the co-operation of the Ladies Club in connection of the entertainment of members who have enlisted, when presentations will be made to Messrs W.E.T.Martin (late Captain), J.Dunning (late Hon Secretary), J.Stenhouse (late Hon Handicapper) and T.Pyrah.

Kyarra City Ladies Club

An inaugural meeting was held in the Metropolitan Baths on Wednesday evening to form a Club to be known as the Kyarra City Ladies Club. Miss Hansford presided over a numerous gathering. It was decided to hold weekly swims in the Metropolitan Baths on Wednesday nights.

The following officers were elected - Secretary, Miss E.Kent; Treasurer, Miss B.Brown; Committee, Misses Black, Bidgood, Johnson, Wilkinson and Chapman; Captain, Miss B.Johnson; Vice Captain, Miss O.Hansford; Handicappers, Misses N.Harrower and Kemp; Press Correspondent, Miss Brown; Instructor, Mr Harrower.

It was decided to affiliate with the Swimming Association.

South Brisbane Ladies Club

At the Annual meeting the following were present - Mesdames Paterson, Hale Newman, Gordon, Jones Jefferies, Misses Hair, Bailey, Jefferies, Shelley, Love, Francis and Clark (Hon Secretary).

The Club's Annual Report, which was adopted, showed that during the season 1914-15 56 members were on the roll with a good average at each Club swim. No members attended every night, but two succeeded in attending all except one, thus gaining attendance prizes. The Club thanked the President, Mrs Paterson, who was ever willing to help during the year, and also the Handicapper, Mrs H.J.Hale, on her untiring work. During the season members entered for the various Inter-Club carnivals, and Miss Francis was successful in gaining first place in the 33 yards A Grade Senior twice, while Mrs Newman and Miss Paterson won the Inter- Club Brace Relay event at the Club's Carnival. The Treasurer had done excellent work during the year and the Credit Balance amounted to four shillings and nine pence.

The following officers were elected - Patroness, Mrs Davey; President, Mrs Paterson (re-elected); Vice Presidents, Mesdames Allen, Newman, Jefferies, Bayard, Jones, Gordon, Long, Miss Higgins, Messrs C.R.Just, O.Hayes, Murphy, Huxham, Hislom, Birchley, Briggs and Hon E.J.Stevens M.L.C; Hon Secretary, Miss S.E.Clark; Hon Assistant Secretary, Miss M.Hair; Hon Treasurer, Mrs Newman (re-elected); Hon Handicapper, Miss L.Jefferies; Hon Auditor, Mr W.J.Austin; Committee, Mesdames Hale, Gordon, Misses Bailey, Hair and Love.

Federal Club

A large and enthusiastic meeting took place at the Empire Hotel on Monday evening for the purpose of forming a new swimming Club. Mr J.M.McGree occupied the Chair. Pleasure was expressed with the attendance of so many juniors. The Club will have the services of many experienced officials, and included in the competition will be found some first class handicap swimmers. It was decided to hold weekly swims in the Booroodabin Baths on Monday evenings, the first to take place on Monday October 4.

The election of officers resulted as follows - Patron, Hon E.J.Stevens M.L.C; President, Mr P.A.McLachlan M.L.A; Vice Presidents, Hons T.Bowman and T.C.Beirne, Messrs J.Payne M.L.A, W.Judge, R.Dunlea, Abe Barrington, H.Sunderland, George Linton, W.Thorne, A.McAnally, R.Thiele, N.Thomson, J.H.Grice, W.Kuder, D.S.Carter, P.Asbrey, G.Adams, C.Clune, W.McIntyre, G.Crawford and J.Green; Hon Secretary, W.O'Mara (Railway Audit Office, Roma Street); Hon Treasurer, Mr S.J.McAnally; Committee, Messrs A.Burnett, G.Lynch, R.Jarry, J.Byrne, W.Katterns, W.Jarry and J.McGre Jnr; Delegates to Q.A.S.A, J.McGree, D.Luke, S.J.McAnally and W.O'Mara; Senior Handicapper, W.Watson; Junior Handicapper, H.Burnett.

McDonnell & East Ladies Club

The first meeting of the season of the McDonnell & East Ladies Club was held in the store showroom on Monday afternoon. The meeting was well attended. Mr Waters who occupied the Chair briefly outlined the satisfactory condition of the finances of the past year, and hoped for a repetition, or even an improvement, on those splendid results. He eulogised the services of the Secretary, Miss A. Williams, for her excellent and untiring efforts, and also the Committee. It was decided to utilise, as hitherto, the South Brisbane Baths.

The following officers were elected - Patrons, Hon F. McDonnell M.L.C and Mr H. East; President, Hon P. J. Murphy M.L.C; Vice Presidents, Messrs Waters, James, Donaldson, Brew, R. Murphy, Howes, Thurlby, O'Shaughnessy, McKerihan, J. McDonnell and F. East; Secretary, Miss A. Williams (re-elected); Assistant secretary, Miss G. Whittick; Treasurer, Miss Brown (re-elected); Captain, Miss Milne; Vice Captain, Mrs Gall, Press Correspondent, Miss Beaton; Committee, Misses Milne, Windley, Dempsey, O'Neill, Tomlinson, Gall, Walker, Hazeldine, Young and Macpherson.

Royal Life Saving Society

Owing to the war, the Queensland Head of the Royal Life Saving Society decided to abandon the Annual Meeting, but the Annual Report was read at the last meeting of the Executive at which the Chair was occupied by Mr F. Springfield. The work of the Hon Secretary, Mr F. O. Venning, was mentioned.

The following officers were elected - Patron, His Excellency the Governor; President, Hon E. J. Stevens M.L.C; Vice Presidents, Hon H. F. Hardacre M.L.A, Messrs M. J. Kirwan M.L.A, W. S. Finlayson, J. Allen, Dr J. Lockhart Gibson, Archbishop Duhig, Rev Bro B. F. McGee, Hon J. W. Blair, the Mayor of Brisbane, Ald G. Down, the Mayor of South Brisbane, Lieut A. G. Murray and Miss A. J. Greene; Hon Chief Instructor, Lieut A. J. Murray; Hon Auditors, Messrs S. Springfield and G. Blanchard; Hon Treasurer, Mr D. S. Rowley; Hon Secretary and Press Correspondent, Mr F. O. Venning (City Baths, Wickham Street).

B.C. Thursday 23 September 1915

SWIMMING ANNUAL MEETING OF THE ASSOCIATION

The Annual Meeting of the Queensland Amateur Swimming Association was held in the Caledonian Society Rooms last evening. The President, Mr D. S. Carter, was in the Chair, and there was a large attendance.

The Report and Balance Sheet which, with the amended Rules, were adopted showed the finances were, in a satisfactory state, the balance of assets over liabilities being £137/15/3. There were now 23 affiliated clubs, 11 Metropolitan and 12 Country. Carnivals had been held during the year by Toowong, Valley, Rockhampton, Commercial, T. C. Beirne, South Brisbane and Jubilee Clubs, in addition to three carnivals held by the Association in January, the value of the trophies offered at the carnivals amounting to £162/16/6. The sport had been carried out with enthusiasm in the country districts and carnivals had been held at all centres, the value of trophies offered totalling £165/17/6. The Three Mile Handicap was not held owing to the presence of weed in the Bremer River, and the Committee decided that the event should be held as early as possible in the new season.

Mr G. W. Parkinson, late Treasurer, had joined the Expeditionary Forces early in the season, and advice had come to hand he had given his life for the Empire - news that had been received with the deepest regret. The Executive placed on record appreciation of the great services he had rendered. Regret was also expressed at the death of Mr A. Butterfield, a Vice President of the Association, and its Standard timekeeper.

The Council, with the assistance of the Q.L.A.S.A, the State Schools Association, and the Royal Life Saving Society, had arranged a deputation to the City Council for more bathing facilities, and earnest consideration had been promised by the Civic Authorities.

The Report concluded with thanks to all who had assisted in the work of the Association and its component Clubs.

The President commented on the poor bathing facilities, saying that it was no doubt due to the want of support from the City Fathers and the ratepayers. He thought the prospects for the coming season were bright. They did not intend to close down as was being done with other forms of sport, because no harm could come from a clean healthy sport.

The following officers were elected - Patron, Hon E.J.Stevens M.L.C; President, Mr D.S.Carter; Vice Presidents, Hons T.C.Beirne M.L.C, and J.W.Blair, Messrs F.Springfield Snr, M.Baldwin, G.Crawford, F.W.De Little, M.J.Barry, J.H.Grice, W.H.Hinch, J.Hiron; Handicapper, Mr W.H.Duffy; Auditors, Messrs T.J.Donovan and R.H.Bunting.

During the evening eulogistic reference was made to the work of the officials of the Association, particularly the Secretary, Mr W.Kuder, and the Treasurer, Mr A.J.Wilkins. A vote of thanks was accorded them. The first Council meeting was fixed for October 4.

B.C. Friday 24 September 1915

QUEENSLAND LADIES ASSOCIATION

The Annual Meeting of the Queensland Ladies Amateur Swimming Association was held in the National Association Rooms last evening and was largely attended. The President, Mrs H.J.Hale, occupied the Chair and others present included Mesdames King, Gordon, Newman, Springfield, Jones, Venning, Misses Bailes, King (2), Denham, Norris, Loewe, Grant, Harrower, Venning, E.I.White, A.White, Hair, Smith, Springfield, Petrie, Fell, Snelling, Mair, Wilkinson, Johnson, Bowden, Rowsell, Land, Ryan, Hansford, Lynch, Chapman, Kopic. The Clubs represented were Valley, Commercial, South Brisbane, Kelvin Grove and Toowong.

The Hon Secretary read the eleventh Annual Report and Balance Sheet which showed a healthy state of affairs existed. The Credit Balance was £29/3/2, the largest since the inception of the Association. There were nine Clubs affiliated against five in the previous season, and it was confidently anticipated that in addition to the Clubs already attached, there would be applications for affiliation in the coming season from the following country centres, Rockhampton, Maryborough, Bundaberg and Dalby. The Secondary Schools Association was also considering affiliation, and should these anticipations be realised, the Association would indeed be "Queensland" in more than name. During the season carnivals had been held by Commercial, Valley, South Brisbane, Toowoomba, Nundah, Ipswich and Mount Morgan Clubs. During March last, a team consisting of Mrs H.J.Hale (Manageress), Misses M.Springfield, M.Grant, M and J King, and J.Shelley visited Maryborough and Mount Morgan and competed with success in the carnivals held by the men's Clubs. As a result of this visit it was expected there would be a revival in ladies swimming in these centres, and that an annual visit would be carried out. The Report also reviewed the State Championships and the Australian Championship carnivals and referred to the lack of bathing accommodation. Thanks were expressed to all who had assisted in any way during the year.

The election of officers resulted as follows - Patroness, Mrs F.W. De Little; President, Mrs H.J.Hale (re-elected); Vice Presidents, Mesdames M.Baldwin, A.Gordon, W.Paterson, M.Thompson, F.Springfield, Mayoresses of North and South Brisbane, Presidents of affiliated Clubs; Hon Handicappers, Misses E.I.White, M.Smith (re-elected); Hon Auditors, Misses R.Fell, M.Springfield; Hon Treasurer, Miss N.Harrower; Hon Secretary, Mrs V.King (re-elected); Advisory Board, Hon E.J.Stevens M.L.C, Messrs D.S.Carter, H.J.Hale, W.H.Duffy, W.J.Schrey, W.Kuder, F.Springfield.

Some discussion took place in regard to the new Rule, "that at the Annual Meeting the voting for election of officers should be restricted to delegates of the Clubs and members of Council." The members contended that the suggestion should have been sent to the various Clubs before the Annual Meeting. Eventually the new Rule was adopted.

Mrs King, Hon Secretary, was presented with a handsome silver cake basket by the President on behalf of the members as a token of appreciation for the excellent work carried out by her. Mrs King appropriately responded.

During the evening, Certificates for the Three Mile Swim at Ipswich last

season were presented.

STATE SCHOOLS ASSOCIATION

The Annual Meeting of the Queensland State Schools Swimming Association was held in the Y.M.C.A last night. Mr R.H.Roe occupied the Chair.

The Report showed the Association consisted of 33 Clubs, this number embracing almost all the schools in the metropolitan area. The number of boys in these Clubs was 3415 of whom 1164 had been taught during the season. Life Saving methods had been taught in 16 schools and 526 boys were capable of carrying out the various methods of rescue etc. The seventh annual carnival had been very successful, 339 entries having been received from 26 schools. Reference was made to the need for more bathing accommodation. The receipts totalled £24/5/5 and the Expenditure to £16/13/2, leaving a Credit balance of £7/12/3. The Report and Balance Sheet which were adopted were favourably commented on by the Chairman.

The following officers were elected for the coming year - Patron, Hon H.F.Hardacre M.L.A; President, Mr J.D.Story; Vice Presidents, Hon T.J.Ryan M.L.A, Hon E.J.Stevens M.L.C, Mayors of Brisbane and South Brisbane (Aldermen Downs and Davey), Messrs J.Allen, M.J.Kirwan M.L.A, R.H.Roe M.A, A.S.Kennedy, Metropolitan Inspectors and Head Teachers, Captain Martin; Instructors, Messrs E.Murray, J.Callaghan; Committee Messrs T.G.Weymouth, P.H.Bonham, P.W.Redcliff, W.Pilkngton, G.Harvey, J.Campbell; Handicappers, Messrs J.Callaghan, M.Cameron; Treasurer, Mr W.H.Morrow; Secretary, Mr A.Griffiths, Assistant Secretary, Mr R.S.Orr.

Considerable discussion took place concerning the motion to debar boys over 15 years from competing in carnivals, it being finally decided that the Committee should use its discretion on placing maximum and minimum age limits on events.

S.R. Saturday 25 September 1915

Valley Ladies Club

The Tenth Annual meeting of the Valley Ladies Club was held in Bragg's Cafe last Tuesday night. There was a good attendance and Mrs Thompson presided.

The Tenth Annual Report and Balance Sheet which were read by Miss Thurlow and adopted, showed that the membership totalled 39 seniors and 19 juniors. The total receipts for the season were forty eight pounds nine shillings and ninepence halfpenny, and expenditure thirty six pounds fifteen shillings and sixpence, leaving a Credit Balance of eleven pounds fourteen shillings and threepence halfpenny, which was considered very satisfactory. During the season 22 Club swims were held, and various handicaps were held, and the average attendance at each swim was 40. (Details of successes during the season were recorded).

The election of officers resulted - Patron, Mr James McIntyre; President, Mrs Thompson; Vice Presidents, Hons T.C.Beirne and E.J.Stevens, Messrs Silow, Sawyer, Barrington, Herbert, Mesdames Davis, H.O.Ashby, Baldwin, Vaughan, Springfield, Anderson, Venning, Alexander, Bragg, Baldwin, Swift, Thurlow, Hudd and Neilson; Secretary, Miss L.Thurlow; Treasurer, Miss M.Springfield; Handicapper, Miss A.White; Captain, Miss A.Alexander; Vice Captain, Miss D.Smith; Junior Captain, Miss E.Venning; Auditors, Misses Pierce and Butterfield; Delegates to Q.L.A.S.A, Misses E.Thurlow and White; Press Correspondent, Miss E.Connell.

It was decided to hold the first swim of the season on October 5 in the Booroodabin Baths.

Nundah Ladies Swimming Club

The Second Annual Meeting of the Nundah Ladies Swimming Club was held at the residence of the President, Mrs Banbury, on Monday last.

The Secretary's Report showed a steady increase in membership and a general improvement all round.

Election of officers was carried out, and it was decided to retain the Booroodabin Baths as headquarters, and Mr Venning as Instructor.

Q.A.S.A.

The Annual General Meeting was held last Wednesday evening. There was an attendance of about 50 including Messrs D.S.Carter (President), Geo Crawford and F.Springfield (Vice Presidents), A.J.Wilkins (Treasurer), W.Kuder (Hon Secretary) and F.W.Springfield (Assistant Hon Secretary). Even allowing for numbers who had enlisted, the attendance was disappointing, but was interpreted as a healthy sign that the members generally are satisfied with the present administration.

The Report and Balance Sheet were favourably commented on by those speaking to its adoption. The lack of bathing facilities and the hard work performed by various officials were the principal topics.

The Hon E.J.Stevens M.L.C, who was referred to as "the best Patron of amateur sport in the State, if not in Australia," was elected Patron unopposed. Mr D.S.Carter, President, received re-election unanimously, and in addition to Messrs F.Springfield Snr, M.J.Barry, F.W.De Little, J.Hiron, M.Baldwin, J.W.Blair and Geo Crawford, last year;s Vice Presidents, Messrs J.H.Grice, and Hon T.C.Beirne were elected. Messrs R.H.Bunting and T.J.Donovan were re-elected Auditors. In connection with the election of Handicapper, the motion to elect one only, instead of three as formerly, secured support of those present, Mr W.H.Duffy being elected after an even contest.

The new Rules adopted by Council were confirmed. The motion to appoint an official referee at the first Council meeting in addition to the official Starter and Standard Timekeeper was not supported by the meeting, which ended shortly after 9 o'clock. It was the quietest held for some years. Nominations for Hon Secretary and Treasurer closed last evening, the only names received being those of Messrs W.Kuder and A.J.Wilkins respectively, and they will be declared duly elected.

Q.L.A.S.A.

There was a splendid attendance at the Annual Meeting which was held in the National Association's Rooms, Courier Building, on Thursday evening. Mrs H.J.Hale occupied the Chair.

The Annual Report and Balance Sheet were adopted after discussion. Objection was taken by some present to the inclusion of the new Rule providing for the election of officers by the Council, but it was eventually carried by a large majority.

Mesdames H.J.Hale, President, and V.King (Hon Secretary) were reelected unopposed. Miss N.Harrower was elected Treasurer and Misses M.Springfield and J.Mair Auditors. The election of other officers resulted as follows - Patroness, Mrs F.W.De Little; Vice Presidents, Mesdames M.Baldwin, A.Gordon, W.Paterson, M.Thompson, F.Springfield, and the Mayoresses of North and South Brisbane; Hon Handicappers, Misses E.J.White and L.Smith.

It was decided that in Championship events, no second prize should be given unless there were three or more starters.

Ipswich Notes

The General Meeting of the West End Club met at Mr F.Larter's residence last Monday evening when there was a good attendance. All resolved themselves to form a body to look after swimming interests at that end of the City.

Three of the officers were appointed for the coming season: Chairman, A.E.Chatwood; Secretary, W.Tilley; Treasurer, F.Larter.

It was decided that a visit should be made this weekend to the Pond to see if conditions could be bettered.

Ladies Commercial Club

The Annual Meeting was held in the Cafe Majestic last Tuesday when there was a fair attendance.

The Annual Report and Balance Sheet, which were adopted, showed that sixty two pounds nineteen shillings and sixpence had passed through the bank, and

the expenditure had been sixty two pounds and eleven pence.

The following officers were elected - Patroness, Mrs Groth (Maryborough); President, Mrs F.W.De Little; Vice Presidents, Mesdames Ryder, Patterson, T.White, Williams, Hon .J.Stevens M.L.C, Messrs M.J.Barry, W.Kuder, L.Keating, A.Barrington, E.C.Chambers and C.Cottrell; Secretary, Miss E.Ida White (re-elected); Press Correspondent, Miss A.Denham; Treasurer, Miss A.Koplick; Handicapper, Miss M.Lynch; Senior Captain, Miss M.White (re-elected); Senior Vice Captain, Miss Minnie King (re-elected); Junior captain, Miss Vera Ryder; Junior Vice Captain, Miss Ivy Robinson; Committee, Mrs King, Misses Bailes and J.King (re-elected), Harrington and G.Hand; Delegates to Q.L.A.S.A., Misses Koplick and Lynch; Auditors, Mrs W.Kuder and Miss M.White.

It was with regret that the resignation of Miss Ruby Fell was accepted. Miss Fell had been an active member since the foundation of the Club, and has held a different times the positions of Secretary and Treasurer, and for the past seven years had the position of Handicapper. Owing to business matters, Miss Fell finds she can't give any of her time to swimming matters this season.

On the motion of Mrs King it was decided that the ladies should co-operate with the members of the Commercial Club in arranging an evening in honour of the following members who have enlisted - Messrs J.Dunning, J.Stenhouse, W.E.T.Martin and T.Pyrah. The function will take place nest Tuesday evening in the Caledonian Hall.

B.C. Thursday 30 September 1915

STATE SCHOOLS GIRLS ASSOCIATION

The Annual Meeting of the Queensland State Schools Girls Amateur Swimming Association was held in the Council Chambers, Town Hall, tonight, and was well attended. Those present included Messrs R.H.Roe M.A (Inspector General of Schools), A.Kennedy, J.J.Daly, J.J.Callaghan, W.H.Morrow, Misses Moore (Bulimba), De Jersey (Kelvin Grove), Fleming (Head Teacher Kelvin Grove), Halstead (East Brisbane), Frazer (Dutton Park), Burge (Swimming Instructress for State Schools), Warren (Head Teacher West End), Broe (Head Teacher Petrie Treeace), O'Sullivan (Toowong), McComb (Nundah), Martin (Central), Cooper (Milton), Cunningham (Bowen Bridge), White (Newmarket), Mesdames Callaghan and Mowbray (Hon Secretary). Mr Roe was voted to the Chair.

Mrs Mowbray stated that Lady Goold-Adams had consented to become Patroness of the Association.

The Annual Report, which was adopted, showed that there were 28 affiliated Clubs and a membership of 1621. The number taught to swim last season was 608, and the total number of girls who could swim at the close of the season was 1002, and of these, 141 were proficient in Life Saving. The carnivals had been exceedingly popular with both parents and children. The Financial Statement showed a Credit Balance of £33/2/6.

The Report dealt in detail with the efforts of the swimming Instructors and the necessity of the appointment of an efficient main Instructor in addition to Miss Burge to carry on the important functions of Life saving and Diving, the want of increase in bathing facilities, the annual carnival, and thanks to donors and others who had contributed to the success of the Association. The thanks of the Association was also accorded to the Hon E.J.Stevens M.L.O who had given a "Courier" Trophy each year since the foundation of the Association, to members of the Advisory Board, and to the Press.

The Chairman said the progress made was most satisfactory and gratifying to the Department and all concerned. A change was coming over the scene as far as swimming or women were concerned, and he thought it was a matter for much congratulation. He was glad to find that the development of the Breast Stroke was being encouraged as he considered it the most useful of all. He hoped the Association would unite with other Associations in pressing for more bathing accommodation and improvement in the quality of the water to be used.

The officers elected were - Patronesses, Lady Goold-Adams and Lady Morgan; President, Mrs Warren (Head Teacher West End State School); Vice Presidents, Mayoresses of Brisbane and South Brisbane, Mesdames Barnes, Appel, Fihelly, Blair, Story, Hirschfeld, Kennedy, Daly, Smith, Badger, Hardacre, Huxham,

Bowman, Roe, Free, Dr E.Bourne, Principals of affiliated Schools, and Misses Lang, Henry and Burge; Advisory Board, Mayors of Brisbane and South Brisbane, Hon E.J.Stevens M.L.C, Hon H.F.Hardacre, Dr E.Hirschfeld, Hons W.H.Barnes, J.W.Blair, D.Bowman, J.Fihelly, Messrs J.G.Appel, Kirwan, E.M.Free M.M.L.A, A.S.Kennedy, J.D.Story, R.H.Roe, J.J.Daly, A.Exley, J.L.Callaghan, A.Griffiths, J.S.Badger, T.G.Weymouth, W.H.Morrow and the Council representing affiliated schools; Hon Treasurer, Miss Stewart; Press Correspondent, Miss Hooper (Milton State School); Hon Auditors, Messrs J.L.Callaghan and W.H.Morrow; Hon Secretary, Miss Johnston (West End Girls School).

Mr Callaghan suggested that more than one carnival might be held during the year, and it might be desirable to reduce the' numbers on the Committee of Management. The Chairman said the suggestion might be considered by the executive.

A vote of thanks was accorded the Executive Officers and the Chairman.

SWIMMING

The Council of the Queensland Amateur Swimming Association met last night in the Grand Central Hotel. Mr D.S.Carter presided and there was a large attendance of delegates.

Applications for affiliation were received from Toowong, T.C.Beirne, Federal, and South Brisbane Clubs and were granted. Hon E.J.Stevens M.L.O wrote accepting the position of Patron, and Hon J.W.Blair and Mr J.H.Grice accepted the positions of Vice President. The Dalby Club intimated that most of its senior members had volunteered for Active Service, but it was hoped a strong Junior Club would be formed. The Valley Club and the Federal Club each applied for permission to hold a carnival on December 8. It was resolved to decide the matter by ballot, and the Valley Club was selected. It was announced that Mr W.Kuder had been re-elected unopposed as Secretary, and Mr A.J.Wilkins had been re-elected unopposed as Treasurer. Mr D.S.Carter was unanimously re-elected Chairman of Council, Mr F.E.Duncalfe as Starter, Mr F.Springfield as Standard Timekeeper, and Messrs R.H.Bunting, W.H.Duffy, F.E.Duncalfe, W.J.Schrey, A.W.Alford were elected on the Executive Committee.

A letter was received from the Queensland Cyclists Union notifying the suspension of several members for failing to abide by the decisions of the Union. The Rules of the Swimming Association provided that the Association shall uphold the suspensions of other recognised Associations governing amateur sport provided such Associations have a similar Rule recognising suspensions made by the Queensland Amateur Swimming Association. Some discussion took place on the matter and some "hot air" was discharged between several delegates until the President ruled that the meeting could not discuss the business of the Cyclists Union.

The question of holding a Three Mile Swim in the Bremer River was considered, and it was decided the race should be held on November 13. The arrangements were left in the hands of the Executive.

The following were appointed Local Consuls - Ipswich, Mr T.Molloy; Toowoomba, Mr H.Moxley Allora, Mr W.J.Lilley; Maryborough, Mr T.J.Hatton; Bundaberg, Mr F.W.Nissen; Rockhampton, Mr J.P.O'Dwyer; Mount Morgan, Mr A.A.Gibson; Townsville, Mr M.J.Hinch.

The question of perpetuating the memory of the late Mr G.W.Parkinson was referred to the Executive. The matter of the Association holding an annual carnival was also referred to the same body.

Mr G.Crawford, Trustee for the Association for the shares held by the Association in the Toowong Baths, complained of receiving no notification of the holding of meetings by that body, and the President moved, "That an explanation be demanded of the Trustees," and this was agreed.

QUEENSLAND LADIES ASSOCIATION

A meeting of the Council of the Q.L.A.S.A was held in the Cafe Majestic last evening. Mrs Hale (President) presided and there were also present Mesdames Hansford, Newman, Gordon, Springfield, Patterson, Pidworth, King (Hon Secretary), Misses Smith Jones, Robinson, Thurlow, Hair, Lynch, Koplick, E.I.White, A.White, Connell, Johnson, Kemp, Mair.

The ballot for the State Championships resulted : 100 yards Senior, Kyarra Club; 220 yards, Commercial Club; 30 yards Junior, Valley Club; 100 yards Breast Stroke, Bundaberg; 50 yards Senior, T.C.Beirne.

It was decided to assist the Q.A.S.A in the coming Patriotic Carnival. Officials were appointed for the Association's 3 Mile Swim on December 11. Application for affiliation from the Secondary Schools Girls Association was granted.

SWIMMING FOR GIRLS
MINISTER IS SYMPATHETIC

A deputation representing the Girls State Schools Amateur Swimming Association, consisting of Misses Warren, Carraway, Large, Broe, Fleming, Agnew, and Cross, introduced by Mr M.Kirwan M.L.A, waited yesterday on the Minister for Public Instruction to urge the necessity for additional bathing accommodation, and to suggest that baths be constructed specially for women and girls. The deputation also urged the appointment of an Instructor or the payment of the expenses at present incurred in paying baths attendants for instruction.

Miss Warren explained the Association had carried on its work without help from the Department. The subject of swimming had become very popular with the students. At a time of year when other physical exercises were exhausting for the pupils, the children threw themselves with enthusiasm into the swimming exercises which exercised all the muscles of the body. It was suggested that a swimming pool might be provided in the Domain in conjunction with a children's playground.

Miss Large said it was necessary to restrict the swimming exercises to certain classes as it was very difficult to find accommodation in the existing baths. She dwelt on the urgent need for Instructors, the teachers being unable to take the whole of this duty.

Misses Carraway, Broe, and Fleming also spoke, attention being drawn to the time lost owing to the distance of the baths from the schools. An Instructor as needed to teach the girls the correct swimming exercises. Pending such an appointment, the Department was requested to take over the liability to pay the Instructors.

Mr Hardacre was sympathetic with the objects of the deputation and spoke with appreciation of the work of the teachers in organising and conducting swimming classes. He was struck with the suggestion that while physical drill in the hot weather was trying, the children threw themselves with enthusiasm into the swimming exercises. The question of providing swimming facilities was one of the difficulties and complications. He had already initiated assistance towards providing swimming pools at schools at the rate of five shillings for every pound. The offer had been given to Rosalie and Wooloowin and now Bowen Bridge proposed a pool. Several other schools were asking for similar assistance and it would be given. He had discussed the subject with the Under Secretary and it appeared there were certain disadvantages. The pools were not large and there was a possibility of the water not being changed very often. If disease was spread the Department would be blamed. He had discussed the question of inducing the various local authorities to provide swimming baths under a system of Departmental assistance.

Mr Kirwan, "I hope you will have better luck than we have had. We have

bombarded them often enough."

Mr Hardacre said there was such a thing as inducing a horse to drink, if one could not actually make it drink. It might be possible to assist the Councils in the initial outlay or in subsequent upkeep on the principle of the baths being made available to the children at certain times. Pools in school grounds might be continued for the younger children. Mr Hardacre saw difficulties in the proposal to construct baths entirely for girls. One such bath in the Domain would not solve the problem. As regards to Instructors, it might be possible for the Department, acting for all schools, to make a better arrangement with the Managers of baths by a uniform scale of fees, which now varied from a half penny to two pence, than could be made by the respective Clubs.

Personally he was inclined to give assistance towards the expenses of securing Instructors. The Department had received requests for Instructors for the boy's classes, but nothing had been decided. In the meantime some assistance in the way of part payment might be given. He would go into the matter and give a definite reply to the various propositions.

MARYBOROUGH LADIES CLUB
Maryborough Dec 1

At a meeting of ladies for consideration of the question of forming a ladies swimming club for Maryborough, there was a splendid attendance. Mr E.J.Hatton, (President of the Maryborough Swimming Club) was voted to the Chair, and others present included Messrs R.Blackley (Secretary) and Mr F.Ivett (Committeeman).

After discussion it was unanimously decided on the motion of Miss Kinne, seconded by Michelson, "That a Club to be known as the Maryborough Ladies Amateur Swimming Club be formed."

Officers were elected as follows - President, Mrs H.Armitage; Vice Presidents, Mesdames Walter Sim, W.H.Anderson, R.Blackley, L.Stump, Groth, Tasker; Hon Secretary, Miss A.Kinne; Hon Treasurer, Miss M.Martin; Hon Auditors, Misses Anderson and Cook; Committee, Misses P.Kulick, A.Blackley, E.Kinne, Coleman, D.McDowell; Hon Instructor, Mr F.Ivett.

It was resolve to affiliate with the Queensland Ladies Amateur Swimming Association, and Miss M.Springfield was appointed the Club's Delegate.

LADIES THREE MILE CHAMPIONSHIP
28 ENTRIES

Arrangements in connection with the 3 Mile Ladies Championship of Queensland to be conducted in the Bremer River at Ipswich next Saturday afternoon have been completed.

The following Ipswich officials have been appointed in addition to those from Brisbane - Referee, Mr W.Pratt; Timekeepers, Messrs R.Dick, A.Stirling, A.J.Schaffer; Judges, W.Johnson, J.Gordon; Clerks of Course, Messrs Walton & Roots; Check 1 Mile, F.Latham Jnr; 2 Mile, P.D.McDonald.

Mr Thomas Darum (Booval) has generously placed his residence at the disposal of the competitors to enable them to prepare for the race.

Probably all competitors will proceed to Booval by the 12.20 train, as any travelling on the 1.20 train will have little time to prepare for the race which is timed to start at 2.45. A number of officials and visitors will, however, travel by this train. The Ipswich Centre is securing punts in case the competitors get into difficulties. Two large motor boats will carry officials, and a third, spectators. The tide will be favourable and a fine race is anticipated.

In addition to the four Gold Medals for the best team, prizes will be given for the first six girls finishing. Twenty eight entries have been received (names given).

LADIES THREE MILE CHAMPIONSHIP
WON BY MISS E.VENNING
KYARRA SECURES THE TEAMS CHAMPIONSHIP
Ipswich Dec 12

The annual 3 Mile Championship of the Queensland Ladies Amateur Swimming Association took place in the Bremer River yesterday afternoon under ideal

weather conditions, while a rising tide favoured the competitors. This is the third year the Championship Race has been decided. There were 34 entries, which constituted a record. 30 started and 27 finished. There was a little delay at the start which was affected from the river owing to the boat rolling as the girls dived in.

At 3.10 the girls were sent away to a fair start. Miss E.Venning, 14 years of age, immediately took the lead using a strong overarm stroke. She was closely followed by the Misses T.Cavill, M.King and E.Connell. Taking the centre of the stream, Miss Venning continued to forge ahead and at the first mile was leading by about 100 yards. The positions at the first mile were Miss Venning, and Miss Cavill leading Miss M.King by a yard followed by Misses E.Connell, J.King, S.Beth, and F.O'Brien with the others spread out a quarter mile back.

Nearing Tivoli Rocks, Miss Venning had increased her lead to 130 yards, while Misses Cavill and M.King were fighting it out for second place. At the second mile mark Miss Venning led by 200 yards from the Misses King and Cavill who were level. Then came Misses Connell, Beth, J.King and V.Hale. At this stage, Miss M.Grant, the present ladies sprint champion of Queensland, collapsed and had to be taken on board the flagship where after attention she soon recovered.

Nearing Hancock's Sawmill Miss Venning was still swimming strongly and had the race won. Miss M.King displaced Miss Cavill for second position by about 6 yards.

At 4.20pm a shout from the large crowd assembled at the winning post announced that the first swimmer had entered the City Reach. This proved to be Miss E.Venning who was now some 230 yards ahead of Miss M.King who had also increased her lead on Miss Cavill, while Miss E.Connell was about 30 yards further back. At 4.29.13 Miss Venning passed the winning post, receiving an ovation, and when assisted on to the refreshment boat looked fit to do another mile. Her time for the distance was 1 hour 19 minutes 13 seconds, which is over three minutes faster than her time last year. Miss M.King was second, doing the distance in 1.26.13, with Miss Cavill third in 1.27.8. This girl, who is not 10 years of age, was also loudly applauded for her brilliant performance.

The Teams Championship was secured by the Kyarra Club, Brisbane, which had the first four members to pass the post. The names of the members of the winning team are Misses M, J and L King and V.Hale.

Most of the swimmers and their friends returned to Brisbane the same night.

TOOWOOMBA SWIMMING CARNIVAL
Toowoomba Dec 26

On Christmas night the Darling Downs Swimming Club held a Championship carnival in the City Baths. There was a good attendance and among the competitors there were a number of swimmers from other centres. One of the attractions was a 100 yards Challenge Race between Frank Kimmins (D.D.Champion and holder of the 100 yards record for Toowoomba) and Dan Sunderland, an ex-Toowoomba resident but now of Brisbane and holder of the Championship of the Commercial Swimming Club. Sunderland just won by a touch in 1.7 3/5.

Results - 25 yards Boys Race, L.Cardell 1, D.Cardell 2. 75 yards D.D. Club Championship, S.Ryan 1, M.Broadfoot 2, 45 secs. 50 yards Youths Race (U/18), Carrig 1, Cardell 2. 50 yards Ladies Bracelet Handicap, Keogh 1, Campbell 2. Miss Dennehey won the Bracelet. Neatest Header, S.Ryan 1, S.Coglan 2.

LADIES AMATEUR ASSOCIATION
DATES OF TEST RACES FIXED

A meeting of the Council of the Queensland Ladies Amateur Swimming Association was held in the Cafe Majestic last night. There were present Mesdames Hale (President), V.King (Secretary), Springfield, Pidworth, Hanford, Brade, Misses M.White, N.Harrower, J.Mair, E.Carr, E.Thurlow, M.Springfield, M.Lynch, I.White, F.W.Banbury, M.Hair and M.King.

After considerable discussion it was decided to hold two test races, 50 yards and 100 yards, in order to select Queensland representatives to take part in the Australian Championships in Sydney on February 12 and 16. It was decided that the three girls who secured the fastest times should be selected. The test races will be held as follows - 100 yards, January 19, South Brisbane Baths; 50 yards, January 24, Spring Hill Baths. Post entries.

The question of the amateur status of Miss Thea Cavill was raised. The Secretary of the Association read the following communication from Mrs Chambers (Hon Secretary New South Wales Ladies Association), "Re your letter received this morning, January 3, inquiring about Miss Cavill, our Association always treated her as a professional. With her father and others she was showing at the White City for some time, and perhaps Mrs Hale will remember the school carnival I took your visiting team to, the day they arrived in Sydney last time. Miss Cavill competed in the diving. The D.S.A.A. were approached and told she was a professional, when they refused to give her the trophy. Other than that occasion, Miss Cavill has never ventured to enter any of our carnivals. I am not having a Council meeting until Thursday, when your letter will go before my Council, and I will let you know their opinion on the matter."

Q.L.A.S.A. TEST RACES
Q.A.S.A OFFICIALS REFUSED ADMISSION

The second of the two test races to select a team for the coming Australian Championships was held last evening in the Spring Hill Baths under the auspices of the Q.L.A.S.A. The distance was 50 yards, and the competitors and their times were - Misses E.Venning 35 1/5, M.Grant 36, J.King 37, M.King 37 4/5, M.Springfield 38 1/5, V.Hale 38 3/5, The team will comprise Misses Venning, Grant and J.King.

In view of the fact that some of the officials for the event had daughters swimming in the test races, request had been made for assistance from the Q.A.S.A., and the Chairman, Mr D.S.Carter and Mr Duncalfe (Starter), were appointed to act as Judges. On arrival at the baths, however, the Caretaker refused these officials admission, on the ground it was a ladies night. It was suggested by the Secretary of the Ladies Association that the test races, which would occupy only a few minutes, including preliminaries, could be swum after the usual closing hour in order to overcome the difficulty. The Caretaker declined to allow this to be done or to allow the Q.A.S.A officials under any circumstances to enter. Considerable indignation was expressed by members of the Ladies Association present, as it was held the Brisbane City Council had always consistently met any requirements of the controlling bodies in the past.

COMMERCIAL CLUB'S CARNIVAL
S.SPRINGFIELD WINS THE 220 YARDS CHAMPIONSHIP

The Commercial Amateur Swimming Club's annual Championship carnival was held in the Spring Hill Baths last evening before a large attendance which

included Mr M.Kirwan M.L.A.

Chief interest was focused on the 200 yards State Championship in which there were five competitors, E.Pierce (Valley - last year's winner), S.Springfield (Valley), J.Saunders (Commercial), P.Loewe (South Brisbane) and W.Warry. Springfield first took the lead with his Club mate in close attendance and the others three or four lengths astern. Then Pierce drew ahead, but subsequently Springfield passed him and won by about a yard, Saunders and Loewe being close together about three yards further back, while Warry had given up before reaching the last lap. The time was 2.41 1/5 against last year's time of 2.41.

The excellent arrangements enhanced the enjoyment of the programme.

The officials were - Referee, Mr A.J.Wilkins; Judges, Messrs H.J.Hale, D.S.Carter, F.W.De Little; Timekeepers, Messrs F.Springfield Snr (Standard), C.W.R.Just, A.W.Halford; Costume Steward, Mr R.H.Bunting; Starter, Mr F.E.Duncalfe; Check Starter, Mr E.Morris; Call Steward, Mr A.V.Fogg; Clerks of Course, Messrs H.New, J.Hyland; Press Stewards, Messrs J.Fitzgerald, F.W.Springfield; Result Steward, Mr H.Morris; Heat Stewards, Messrs W.H.Duffy, S.J.McAnally; Handicapper, Mr W.H.Duffy.

Results -

Q.A.S.A.

The monthly meeting of the Q.A.S.A was held last evening. There was a good attendance of delegates including Messrs D.S.Carter (Chairman), W.Kuder (Hon Secretary), and A.J.Wilkins (Hon Treasurer).

A ruling was received from the Amateur Swimming Union that members of the Association could act as Beach Patrols under the auspices of the Royal Life Saving Society and receive payment for same without infringing their amateur status.

Permission was given to the South Brisbane Club to hold swims for Long Distance Certificates on February 17, and Messrs W.Kuder and C.W.R.Just were appointed to act as Timekeepers. Permission was given for the holding of an Inter-Club event at the water Polo finals, the distance to be 66 yards and the prizes 15/- and 7/6.

The Toowoomba Club asked if a swimmer could be re-handicapped in an open event after the handicaps had been published. It was decided to reply in the affirmative. It was agreed to appeal to the Swimming Union relative to the action of the New South Wales Association in refusing A.R.Harrower reinstatement. The Queensland Cyclists Union notified that the suspension had been lifted from F.W.Springfield and W.Jenkins. An application for reinstatement was received from Mr F.O.Venning and it was agreed to grant the same.

Affiliation was granted to the newly formed Dalby Club.

The T.C.Beirne Club asked for a ruling relative to a competitor in the "Non-active" member's race. It was ruled it was a matter for the Club's Committee to decide.

In view of the information being received from Mount Morgan of the inability of that Club to hold the 440 yards State Championship, it was agreed to call for fresh applications, the same to close in a fortnight's time.

A Notice of Motion by Mr J.W.Hyland was carried by 20 votes to 6 "That every competitor in the Junior Championship must produce his Birth Certificate before the start of the race." A Motion was moved by Mr P.Sykes "That the Hon Handicapper be not allowed to re-handicap competitors after the semi-final has been swum."

The Treasurer's Credit Balance was reported as £145/10/6. A rough Statement of the Patriotic Carnival was presented showing a profit of £18/5/10 to date.

The draw for the guessing competition in connection with the Kieran Memorial Race resulted in Miss F.Coupland securing the prize.

CARNIVAL AT MARYBOROUGH
Maryborough Feb 7

The Maryborough Swimming Club held a very successful carnival in aid of the Patriotic Fund at the baths last night. LADY SWIMMERS - CHAMPIONSHIP EVENTS
MISS DURACK SUCCESSFUL
Sydney Feb 13

The Manly swimming baths were chosen this year for the rendezvous for the lady champion swimmers on the occasion of the annual carnival. The star attraction was the meeting of Miss Fanny Durack and Miss Mina Wylie together with the other first class swimmers in the 100 yards Championship of Australia.

While it was generally believed Miss Durack would retain the honour, it was not anticipated such an exciting race would take place. Miss Wylie was first to gain the advantage after the start, and she had the competition for nearly half the distance. Miss Durack gradually bore down on the leader and remained in command till the finish. It was a wonderful test of strength and endurance on the part of the principal competitors, and Miss Durack again demonstrating that her swimming powers have in no way deteriorated since her last contest. Miss Wylie created surprise by her fine performance against her more experienced and clever opponent, and the two competitors received round after round of applause on the termination of the struggle. The Queensland representative, Miss Venning, received third place, and her swimming performance was of a very high standard. Only three yards separated the leaders, and Miss Venning was a little in the rear. Miss J.King, also of Queensland, was a couple of yards away fourth, and the others practically swam in a bunch.

Miss Durack and the other crack performers were again seen to advantage in the 150 yards Teams Championship of Australia. This race was a foregone conclusion, judging by the splendid effort of Miss Durack previously. The New South Wales Team had no trouble in carrying off the coveted prize.

Details of the Racing were:

50 yards Inter-Club Handicap - N.Noaling 1, M.Springfield 2, J.Amor and M.Limn (dead heat) 3. A good finish, the Queensland representative being just beaten.

100 yards Championship of Australia - (Holder of the title Miss Durack World Record 1.6) - Misses F.Durack (NSW) 1, M.Wylie (NSW) 2, E.Venning (Qld) 3, J.King (Qld) 4. Time 1.9 1/5

150 yards Teams Championship of Australia - N.S.W. (F.Durack, M.Wylie, L.Fevyer) 1, Qld (E.Venning, M.Grant, J.King) 2. Time 1.37. The previous record was lowered by 2 4/5 seconds.

200 yards Relay Handicap - Qld Team (M.Grant, E.Venning, J.King) 1, Metropolitan No 2 Team 2, Metropolitan No 1 Team 3, Manly Team 4. Time 2.47

WATER POLO - THE FINALS

The finals of the Water Polo matches under the auspices of the Q.A.S.A were contested last evening in the Boroodabin Baths. The Referees were - A Grade,

Mr B Crease; B.Grade, Mr F.W.Springfield; Timekeepers, Messrs F.Springfield, W.Kuder; Goal Scorers, Messrs W.J.Schrey, F.E.Duncalfe.

The B Grade Match was won by Commercial against Federal, one goal to nil. At the conclusion of ordinary time there was no score, and an extra three minutes each way was ordered, G.Johnson scoring the only goal. Some good play was witnessed.

The A Grade Match between Valley and Commercial resulted in a win for Valley four goals to two.

During the proceedings, a 66 yards Inter-Club Handicap was decided. There were six heats, and the finals resulted - E.Pierce (Valley) 1, D.Warry (Toowong) 2, W.McAnally (Federal) 3.

The officials for the latter event were- Starter, Mr F.E.Duncalfe; Judges, Messrs J.Pike, W.J.Schrey.

100 YARDS LADIES CHAMPIONSHIP

The contest for individual supremacy in the Senior 100 yards Ladies Championship of Queensland is to be held at the Kyarra Ladies Club carnival this evening, and promises to be the most interesting yet held. The contestants, Misses M.Grant (holder), M.Springfield, J.King, M.King, and V.Hale, are well matched.

In the races held in Sydney recently close finishes were recorded among the Queensland representatives in competition. Miss Grant can be expected to do her utmost to retain the title, and of the others Misses Springfield and J.King are greatly fancied. Miss M.King who is at present swimming well, and Miss Hale, are vastly improved swimmers, and the contest should be keenly fought out.

Q.A.S.A Council met in the Grand Central Hotel last evening and there was a good attendance. Mr D.S.Carter presided.

Permission was granted to the Q.L.A.S.A for a team of lady swimmers to compete at the Rockhampton and Maryborough carnivals. Permission was granted to the Valley Club to hold swims for Long Distance Certificates on March 15, and Messrs F.Springfield, A.W.Halford and W.Kuder were appointed Timekeepers. The events for the Ipswich carnival on March 18 were approved. The Council granted the Dalby Club permission to hold a Darling Downs Championship at Easter, the distance suggested was 100 yards.

It was agreed to ask the New South Wales Association the reason why A.R.Harrower's reinstatement had been refused.

It was reported that the Patriotic Carnival resulted in a profit of over 20 to date, and the Council agreed to send a first installment of twenty guineas to the Red Cross Fund. The Treasurer's statement showed a Credit balance of £140.

Mr F.W.Springfield moved that "The points for the diving events be awarded as follows - Approach 2, Poise 4, Entry 4, Recovery 2." This was carried.

A Motion by Mr F.E.Duncalfe giving the Hon Handicapper power to re-handicap a member up to and including the semi-final of a race was carried.

The Executive was granted power to deal with all business until the Annual Meeting.

A further article dealt with the carnival of the All Saints Girls Club at the Spring Hill Baths, the A Grade Club Championship of 60 yards being won by Miss N.Shackleford with R.Bloomfield second.

KYARRA LADIES CLUB CARNIVAL 100 YARDS CHAMPIONSHIP

Twice postponed on account of wet weather, it looked as though the Championship carnival of the Kyarra Ladies Swimming Club would meet a similar fate last night as light rain fell at the hour appointed for the start of the programme. However the clouds soon lifted and the carnival suffered little as a consequence of the unfavourable climatic conditions. There was a representative attendance of enthusiasts and supporters and some very interesting sport was witnessed. The chief event was the 100 yards Championship of Queensland which was previously held by Miss M Grant.

The officials were - Referees, Mrs H.J.Hale, Mr D.S.Carter; Judges, Messrs W.H.Duffy, C.Rudd, H.J.Hale; Starter, Mr F.E.Duncalfe; Check Starter, Mr E.Morris; Timekeepers, Messrs W.Kuder, R.H.Bunting, C.W.R.Just; Costume Stewards, Mesdames S.Hansford, V.King; Clerks of Course, Misses V.Brown, E.Hansford; Judges of Diving, Messrs D.S.Carter, J.Hiron; Handicapper Miss N.Harrower; Association Handicappers, Misses J.Petrie, A.White; Treasurer, Miss V.Brown; Secretary, Miss E.Kemp.

STATE SCHOOLS GIRLS ASSOCIATION

The fifth annual carnival of the Queensland State Schools Girls Amateur Swimming Association took place in the South Brisbane Municipal Baths, Stanley Street, on Saturday afternoon, the proceeds being devoted to Patriotic purposes. Delightful climatic conditions pervaded. The Baths presented a festival appearance having been gaily decorated with bunting by the Caretaker, Mr W.Blake. A large gathering of swimming enthusiasts and interested parents were present, and during the afternoon the carnival was visited by His Excellency the Governor, attended by Captain Cosens ADC, the Minister for Public Instruction (Hon H.F.Hardacre) and Mrs Hardacre, Mr E.N.Free M.L.A and Mrs Free, Mr M.J.Kirwan M.L.A, The Mayor and Mayoress of Brisbane (Ald and Mrs W.J.Hetherington) and Miss Hetherington, the Mayor and Mayoress of South Brisbane (Ald and Mrs Hilton), Major Lyons, Lieuts Steer and Hein, Mrs J.D.Story, Miss Warren (President of the Association), Mr A.S.Kennedy (Chief Inspector of Schools), Mr Daly (Chief Clerk, Department of Public Instruction, representing the Under Secretary, Mr J.D.Story), Mrs P.J.McDermott, and a number of officers of the Department of Public Instruction.

During the afternoon Mrs J.D.Story presented to Sir Hamilton Goold Adams a handsome silver cup, suitably engraved, which had been subscribed to by the school children of the Association, for His Excellency's son, and to Mrs Hardacre, a pretty bouquet.

The programme showed an anomaly, which will no doubt be rectified on future occasions. Only two prizes were allotted to the three important championships, whereas for the unimportant novelty event four prizes were given, and for the handicaps three prizes were given.

CARNIVAL AT MARYBOROUGH
SAUNDERS HALF MILE CHAMPION

The third annual carnival of the Maryborough Amateur Swimming Club was held
in the City Baths last night. A large contingent of Brisbane swimmers arrived
by the mail train this afternoon, and the visitors were subsequently welcomed
at King's Cafe. The President of the Club, Mr E.J.Hatton, occupied the Chair,
and his words of welcome were supported by Major A.J.Austin (Patron) and
Messrs G.M.Smoothy and F.C.Ivett. Mrs Gordon and Mr Kuder responded for the
visitors. A team of Bundaberg swimmers arrived just prior to the carnival at
which there was a very large attendance.

The Results -

100 yards Championship of the Wide Bay and Burnett - S.Wearin (Mb) 1,
E.Meredith (Bb) 2. A.Tost (Bb) also started. Time 1.10 1/5. Wearin led
throughout and won by a couple of yards. Tost retired at the end of the second
lap.

field (Bris) 2, Hammond (Bris) 3. Time 12.33. W.Berndt and S.Wearin of
Maryborough also started. The distance comprised 26 laps and 40 feet. A false
start was made and the swimmers recalled. At the end of the second lap
Springfield was in the lead with Saunders next. The same order obtained until
the end of the eighth lap when Wearin retired. Berndt and Hammond were nearly
a lap behind the leaders, and the former subsequently dropped out. At the end
of the fourteenth lap Springfield was only a little to the good of Saunders,
and the latter assumed to lead by a touch two laps later. The two men kept
together with wonderful consistency until the twenty second lap when Saunders
led by a yard. Saunders here set up a great sprint and led by the end of the
twenty fourth lap by three yards. He continued to forge away from Springfield
and finally won by six yards. Hammond covered the distance and when he climbed
out was loudly applauded.

BRISBANE SWIMMERS ENTERTAINED
Yandina April 4

A pleasant afternoon was spent here on Saturday when a Reception was accorded to the Brisbane swimmers who were returning from northern carnivals. The gathering was held under the auspices of the Yandina Progress Association.

On arrival of the train the party was conveyed to the Maroochy River in vehicles kindly supplied by the residents. There was a large gathering of onlookers who were treated to an instructive display of swimming, Life Saving, fancy diving etc by the visitors. Exhibition races over short distances were also swum.

Subsequently the company was driven to Miss Law's Boarding House where they were entertained at luncheon. Mr Ensby, President of the Progress Association, Councillor Best, Misses Lane, McNabb, and Venning thanked the party for the visit and the instructive display they had given. Mr W.Kuder (Secretary Q.A.S.A) and Mesdames Gordon and King responded.

In to evening the swimmers were entertained on a motor boat trip down the Maroochy River. The Maroochy School of Arts was the first stop where dancing was enjoyed and the company was provided with supper, the arrangements being capably carried out by Mr Slattery, after which the trip was continued to Maroochydore.

In the morning the swimmers gave an exhibition of Life Saving with a reel in the surf, resuscitation of the apparently drowned, and a display similar to that at Yandina.

The party subsequently returned to Yandina en route to Brisbane.

440 YARDS CHAMPIONSHIP
WON BY F.W.SPRINGFIELD

The 440 yards Championship of Queensland was decided in the Metropolitan Swimming Baths last evening and in addition the South Brisbane Club held two Handicaps, and an Inter-Club Neat Dive was contested.

The officials were - Referee, Mr W.Kuder; Judges, Messrs H.J.Hale, W.Shrey, W.H.Duffy; Starter, Mr F.E.Duncalfe; Timekeepers, Messrs F.Springfield Snr (standard), R.H.Bunting, J.Fitzgerald.

Results -

440 yards Championship of Queensland - F.W.Springfield (V) 1, J.Saunders (C) 2. Other starters were E.Pierce and R.Mullins, the latter from the Ipswich Railways Club. The competitors got away to a good start. Pierce took command until about the end of the fifth lap when he began to tire and Springfield then assumed the lead, and Mullins, at the end of the sixth round, retired. The race was then fought out between Springfield and Saunders, Pierce, who was suffering from a heavy cold, retiring at the end of the seventh lap. Springfield was never caught and finished about eight or nine yards ahead of Saunders. The winner's time was 5.55, and that of Saunders 6.2, both securing Standard Certificates.

MARYBOROUGH LADIES CLUB

The Annual Meeting of the Maryborough Ladies Amateur Swimming Club was held in the Maryborough Council Chambers. Mr E.J.Hatton was voted to the Chair and there were about 25 members present.'

The Annual Report and Balance Sheet, presented by the Secretary Miss E.Kinne, showed that the Club had made rapid advancement and at the conclusion of the season had a membership of 16 Juniors and 74 Seniors. The Credit Balance stood at £10/19/10.

The election of officers resulted - Patroness, Mrs J.Blackley; President Mrs D.Keogh; Vice Presidents, Mesdames R.Blackley, A.T.Murray, W.H.Anderson, H.Armytage, G.Anderson, A.Ebeneter, Miss Cary; Committee, Misses K.Keogh, A.Blackley, M.Anderson, Emma Kinne, C.Coleman, P.Kublick; Hon Auditors, C.Cook, L.Anderson; Hon Instructor, Mr F.Ivett; Hon Treasurer, Miss H.Warnick; Hon Secretary, Miss Emilie Kinne; Delegate to Q.L.A.S.A, Miss M.Springfield.

It was decided to ask the Q.L.A.S.A for one of the State Championships to be decided in Maryborough. It was resolved to make an effort to raise funds to send a ladies team to Brisbane.

The Chairman, on behalf of the Club, presented Mr F.Ivett with a wristlet stop watch as a token of members' appreciation for his great help. Mr Ivett suitably responded. A further presentation of a silver epergne was made by the Chairman on behalf of the members to Miss Kinne (Hon Secretary) who suitably acknowledged the gift.

Messrs R.Blackley and F.C.Ivett expressed regret at the expected departure of the Chairman owing to his enlistment, and on behalf of the ladies wished him "God Speed" and an early return. Mr Hatton, in returning thanks, said that if he had the good fortune to return, he hoped to continue his interest in the affairs of the Club.

STATE SCHOOLS ASSOCIATION

The Report that was adopted at the Annual Meeting of the Queensland State Schools Amateur Swimming Association last night stated that during the season 3166 boys had belonged to the various Clubs and 902 had been taught to swim. In 14 schools Life Saving had been taught. 8 boys from Fortitude Valley and 1 from South Brisbane had obtained Life Saving Certificates. Master J.Gillan of the Boys Central School had put up a splendid lot of performances during the season. The standard of swimming had much improved. Most of the Clubs had held carnivals of their own. Long distance tests without regard to time and speed tended to improve the physique of the boys, but the Committee was of the opinion that long distance competitions considerably overtaxed the strength of young boys who should be advised not to take part in such events. School pools were considered unsuitable for carrying out Junior Cadets instruction, and pleasure was expressed in the fact that the Department was endeavouring to have district baths erected.

The Treasurer's Statement showed that the Receipts had amounted to £22/3/- and Expenditure to £9/8/6. The carnival fund had a credit of £5/8/3.

It was decided to approach the Education Department and suggest the granting of railway tickets to Brisbane to country schools to attend carnivals, and ask if cups and other trophies could be given for swimming. A paragraph in the Report, deploring that one of the largest Metropolitan schools had only sent four boys to compete in the Association carnival, was deleted after discussion.

The following officers were elected - Patron, The Minister for Public Instruction Mr H.F.Hardacre; President, Mr J.D.Story (Under Secretary for Education); Vice Presidents, Hon E.J.Stevens M.L.C, Messrs M.J.Kirwan M.L.A, R.H.Roe M.A, A.S.Kennedy, J.L.Callaghan, J.Allan, J.Daly, J.J.Dempsey, the Mayors of Brisbane and South Brisbane, Captain J.Martin, Lieut A.Murray, and metropolitan Inspectors and Head Teachers; Committee, Messrs R.Gripp,

C.Brooks, J.L.Callaghan, C.Harvey, J.Maddock, A.Griffiths, C.Flint; Secretary and Treasurer, Mr A.Griffiths; Assistant Secretary, Mr W.Pilkington; Auditors, Messrs J.L.Callaghan, H.Shea; Handicappers, Messrs C.Harvey, J.L.Callaghan, H.Maddock.

Q.L.A.S.A ANNUAL MEETING

The Annual Meeting of the Queensland Ladies Amateur Swimming Association was held in the National Association Rooms last evening when Mrs H.J.Hale presided over a large gathering of members.

The Annual Report recorded a year of progress especially in the country districts, this being considered particularly satisfactory in view of the exceptional circumstances, the dry weather experienced during the greater part of the season had tended to hamper the formation of Clubs on the Downs and central north. The fact that the Balance Sheet showed a Credit of £5/16/9 was regarded as satisfactory in view of the expenses involved in sending a team to Sydney for the Australian Championships, and also because the Association had held no carnivals to raise revenue during the year. It was hoped that with the holding of the Australian Championships in Brisbane this season, a substantial profit would be made which would enable the Association to be worthily represented in Melbourne in the following season.

There were now fourteen Clubs affiliated as against nine in the previous season. Included in these were Clubs in Ipswich, Maryborough, Bundaberg, Rockhampton and Mount Morgan, and during the coming season efforts would be made to establish Clubs at Toowoomba, Dalby and Warwick.

The advent of new baths at Dutton Park and Paddington was noted with pleasure, and thanks were expressed to the South Brisbane and Ithaca Councils for their assistance in providing baths. It was pointed out that the Dutton Park Baths would be made into a very useful swimming pool if silt was removed and a concrete basin established.

The Report and Balance Sheet was adopted on the motion of the President and seconded by Mrs Gordon.

The election of officers for the ensuing season resulted as follows - Patroness, Mrs F.W.De Little; President, Mrs H.J.Hale; Vice Presidents, Mesdames M.Baldwin, A.Gordon, W.Patterson, M.Thompson, Hansford, Ryder, E.Springfield, Newman, Misses Singer and A.Butterfield, the Presidents of affiliated Clubs, the Mayoresses of North and South Brisbane; Hon Auditors, Messrs W.Kuder, W.H.Duffy Jnr; Hon Treasurer, Mrs Stenhouse; Hon Secretary, Mrs V.King; Hon Assistant Secretary, Miss N.Harrower; Advisory Board, Hon E.J.Stevens M.L.C, Messrs D.S.Carter, W.H.Duffy Jnr, F.W.Springfield, W.Kuder, H.J.Hale, W.J.Schrey.

An amendment to the Rules was adopted to provide that no metropolitan Club should have no more than one of its members representing a country Club as a delegate on the Council.

It was proposed as an amendment to the Rules that the official Handicapper be given power to grade competitors in Club carnivals according to merit. After discussion an amendment was carried to the effect that the matter be left to the discretion of the Club that was promoting the carnival.

The meeting decided that in the event of there not being sufficient Championships for all the Clubs desiring them, a 440 yards Championship be added to those already arranged.

Votes of thanks were accorded to retiring officers and to Messrs Carter and Kuder for their services during the year.

SWIMMING

The nineteenth Annual Meeting of the Valley Amateur Swimming Club was held last evening, Mr W.Kuder presiding.

The Annual Report stated that during the year Messrs E.Springfield, A.Haslet, V.Vaughan, A.Smith, O.H.Jones, T.D.Barr and W.E.Pierce had enlisted.

The membership was 77, 41 seniors, 21 juniors and 15 novices. Sixteen pounds had been spent on trophies. The Financial Statement showed a Credit Balance of £20/6/8. The Report and Balance Sheet were adopted.

The following officers were elected - Patron, Alderman T.Wilson M.L.A; Vice Patrons, Hon T.C.Beirne M.L.O and the Mayor of Brisbane, Ald J.W.Hetherington; President, Mr F.Springfield Snr; Vice Presidents, Messrs W.G.Pierce, J.Fitzgerald, H.O.Ashby, D.S.Carter, G.Cartwright, R.B.Le Bas, J.W.Case, W.Kuder, J.Pike, P.Scott, W.Vaughan, T.Welsby; Secretary, Mr P.R.Sykes; Treasurer, Mr J.C.Eaves; General Handicapper, Mr J.Pike; Starter, Mr H.New; Committee, Messrs, C.Howard, F.Thurlow, J.Brett, F.W.Springfield, R.Marsh, A.Eaves, D.Warry; Delegates to Q.A.S.A, Messrs P.R.Sykes, .New, F.Thurlow, J.C.Eaves; Press Correspondent, Mr C.Howard; Hon Auditors, Messrs P.Scott, W.Winterflood; Delegate to Water Polo Association, Mr F.Springfield; Delegate to Life Saving Society, F.Springfield, F.Thurlow, E.Springfield.

Q.A.S.A ANNUAL MEETING

The eighteenth Annual Meeting of the Queensland Amateur Swimming Association was held last night in the National Association Rooms with Mr D.S.Carter in the Chair.

The Annual Report stated that 18 Clubs (9 Metropolitan and 9 Country) were affiliated, a decrease of 2 Metropolitan and 3 Country Clubs. Three new Clubs had affiliated, Federal, Catholic and Wattle. The number of enlistments in the Expeditionary Forces was 284, Clubs quotas being Sherwood 14, Railway Audit 8, Queensland Government Railway 28, Jubilee 15, Commercial 18, South Brisbane 12, Wattle 1, Toowong 35, T.C.Beirne 2, Valley 20, Catholic 2, Darling Downs 15, Warwick 52, Mt Morgan 10, Dalby 8, Maryborough 9, Rockhampton 6, Bundaberg 20, Southern Suburbs Toowoomba 2, Allora 7.

The Financial Statement showed a credit Balance of £132/3/5, and the balance of Assets over Liabilities £4/12/11. It was recommended that £100 of the Credit Balance be invested in the Commonwealth War Loan.

In moving the adoption of the Report, the Chairman mentioned that that day the Mayor of Brisbane had shown him the plans of the new City Baths for whose erection, the Mayor was sure he would get the necessary loan. The dimensions of one bath were 80 feet by 30 feet and there would be hot and cold showers. The seating accommodation would be 400 and there was a platform that could possibly hold 200-300 more. The other bath was in the old quarry at the Exhibition and was a very large one, the dimensions being 150 feet by 145 feet. The possible cost of each bath was from £10,000 to £12,000.

Mr J.Hiron said, in seconding, he would like to see swimming form a part of the school curriculum, and he thought it was time the Education Department made the teaching of swimming compulsory in the schools. He advocated up-to-date baths. Mr W.Kuder said the baths at the corner of Charlotte and Eagle Streets could be bigger than the Arthur Street Baths, while those in the old quarry which would hold 3000 spectators would be of great use for Inter-State carnivals.

The Report and Balance Sheet were adopted.

The following officers were elected - Patron, Hon E.J.Stevens M.L.C; President, Mr D.S.Carter; Vice Presidents, Hons T.C.Beirne M.L.C, and J.W.Blair, Messrs M.Baldwin, M.J.Barry, F.W.De Little, F.E.Duncliffe, J.H.Grice, W.H.Hinch, J.Hiron, F.Springfield Snr; Handicapper, Mr W.H.Duffy; Hon Auditors, Messrs T.J.Donovan, R.H.Bunting.

STATE SCHOOLS GIRLS SWIMMING ASSOCIATION

Mr J.D.Story (Under Secretary, Department of Public Instruction) presided at the Annual Meeting of the State Schools Girls Amateur Swimming Association last night.

The Report, which was adopted, stated that there were 1,687 members including 1,228 swimmers. Baths swimming had notably improved. 84 children had

been taught Life Saving. The year finished with a Credit of £21/19/3. The opinion was expressed that it was advisable that this season's carnival committee would exempt previous prize winners from all but senior events so as to give new swimmers a chance. The Mayor hoped to have new baths open next season, and the Minister had promised, if funds were available, to subsidise baths attended by the children. Mr Story, in reply to mention in the Report that it was thought advisable that the Department take over the management of the Association, said that it could not be done for some time, but he thought some assistance should be given. The department gave £100 a year to the Royal Life Saving Society.

The following officers were elected - Patronesses, Lady Goold-Adams and Lady Morgan; President, Miss Crosser; Vice Presidents, Mayoresses of Brisbane and South Brisbane, Mesdames Hardacre, Story, Huxham, Kennedy, Free, Fihelly, Hirschfeld, Barnes, Roe, Down, Daly, Appel, Callaghan, Mowbray, Principals of affiliated schools, Teachers of Physical Culture; Advisory Board, Mayors of Brisbane and South Brisbane, Hon E.J.Stevens M.L.C, Messrs W.H.Barnes, J.G.Appel, H.F.Hardacre (Minister for Public Instruction), J.Huxham, J.Fihelly, Kirwan, Free M.M.L.A, J.D.Story, Roe, Kennedy, Daly, Exley, Callaghan, Dr Cameron Hemsley, Ald Down; Press Correspondent, Mrs Eglinton; Hon Treasurer, Miss Stewart (re-elected); Hon Secretary, Mrs Mowbray (re-elected).

Q.A.S.A COUNCIL

The Q.A.S.A Council met in the Grand Central Hotel this evening. There was an attendance of 28 delegates. Mr D.S.Carter was unanimously elected Chairman for the ensuing year. Mr J.Roche was appointed Hon Treasurer (unopposed), and Mr W.Kuder Hon Secretary (unopposed).

Election of Executive resulted - Messrs R.H.Bunting (Rockhampton), W.J.Schrey (South Brisbane), W.H.Duffy (Maryborough), F.E.Duncalfe (Toowong), A.W.Halford (Federal). Mr F.E.Duncalfe was appointed Official Starter, and Mr F.Springfield Standard Timekeeper.

Affiliation was granted to the St Barnabas Gordons, and Gregory Terrace College.

It was decided to advise the City Council that the extension of closing hours at the two city baths to 9.30 on swimming nights would meet the wishes of the Clubs, and to thank the Mayor and Ald Jenkinson for their assistance in this matter.

The Council resolved to grant the request of the Q.L.A.S.A to appoint the officials for its several Inter-Club carnivals. The Foundation Day Celebrations Committee asked the Association to suggest a programme for its carnival on January 27 next, and the request was acceded to, the matter being left in the hands of the President and Secretary. It was decided to hold the 3 Mile Swim in the Bremer River this season, and the arrangements were left to the Executive. The Council agreed to hold the State Championships, and applications to hold them will close Nov 6. It was also agreed that the Secretary would communicate with each Club and ascertain if it would enter a Water Polo Team in the competition.

Messrs D.S.Carter (President) and W.Kuder (Secretary) were unanimously Life Members of the Association in return for special services rendered to the Association. Each returned thanks for the Honour conferred. Mr Carter has held the position of Chairman of the Council from 1902 and President since 1913, Mr Kuder was elected Treasurer in 1905, holding that position until 1909 when he was elected Secretary, a position he still retains.

LADIES CHAMPIONSHIPS ALLOTTED

The drawing for the Queensland Ladies Swimming Championships took place last evening at a meeting of the Executive of the Q.L.A.S.A, Mrs Hale presiding.

There were seven championships to be allotted, but only three Clubs applied, and the drawing resulted - 50 yards Senior, Maryborough; 100 yards Senior, Valley; 30 yards Junior, Gymnasium. The A.N.A applied to conduct five events for ladies on January 27. Permission was granted, and it was decided to offer the A.N.A the right to include the Teams Championships of Queensland, which is always an attraction.

ITHACA SWIMMING BATHS
PALM GARDEN SWIMMING POOL OPENED

"Now, ladies and gentlemen, I have very much pleasure in officially declaring the baths open," and at these words some 20 or 30 lads clad in blue swimming clothes plunged into the cool clear water, and the Ithaca Municipal Swimming Baths were officially open to the public. Alderman J.B.Lugg, Mayor of Ithaca, spoke the words at the opening function on Saturday in the presence of a large gathering which included the Lieut Governor, Sir Arthur Morgan, Messrs J.T.Gilday and W.F.Lloyd M.M.L.A, and the town Aldermen.

A distinct acquisition to the district and to swimming generally, the new baths are 75 feet long with a width of 30 feet, and have cost approximately £850. The capacity of the baths, which are built of concrete, is about 72,000 gallons. The water is pumped through the City from the river at Petrie Bight. Comfortable and commodious dressing rooms surround the baths, and under the tiers of seats erected at the top end of the baths, a Club Room 40 feet by 12 feet has been provided. On the slope from the street the place is being transformed into a place of beauty, a variety of palms etc having been planted amongst the rocky surface. Altogether the baths are a distinct credit to Mr Black, the engineer of the Ithaca Town Council, who designed them, and to the workmen of the Council who worked under Mr Black's capable supervision.

Speakers included the Mayor, Sir Arthur Morgan, Messrs J.D.Story (Under Secretary, Department of Public Instruction), Gilday, Lloyd and Cavill. The advantages arising from such a healthful and invigorating sport such as swimming was touched on by speakers, and the hope was expressed that the citizens would do their best in seeing the baths were a success, not only from a swimming point of view, but also financially.

The Mayor stated that the baths had been leased to Mr "Dick" Cavill, the champion swimmer, for a period of twelve months.

At the conclusion of the opening ceremonies a programme of aquatic events for schoolboys was decided.

Q.A.S.A

The monthly meeting of the Q.A.S.A was held last evening in the Grand Central Hotel under the presidency of Mr D.S.Carter.

Toowong was granted permission to hold its annual carnival on November 28 in the local baths. The Gordon Parkinson Memorial Handicap will be the principal event. Permission was granted to the Valley Club to hold its annual carnival in the Booroodabin Baths on December 6 and the programme will include the Bob Thurlow and the Butterfield Memorial Races. Affiliation was granted to St Mary's Old Boys Club, Kangaroo Point, and the newly formed Maroochydore Club. Letters were received from Messrs J.Hendry Grice and J.W.Blair accepting the positions of Vice Presidents.

The ballot for the State Championships resulted - 60 yards Junior, Maroochydore; 100 yards, Foundation Day Committee; 220 yards, South Brisbane; 440 yards Valley. It was decided to hold the 3 Mile Swim in the Bremer River on Saturday December 2, starting at 3pm.

The following Local Consuls were appointed - Dalby, Mr W.Palmer; Toowoomba, Mr W.Lindgren; Rockhampton, Mr J.P.O'Dwyer; Mt Morgan Mr A.A.Gibson; Allora, Mr W.J.Lilley; Maryborough, Mr C.Blackley.

The Treasurer's Report showed a Credit Balance of £138/3/2.

Mr F.W.Springfield gave Notice of Motion for the next meeting, "That all

competitors in Association races must turn without touching the bottom of the pool."

Q.A.S.A COUNCIL

A number of important matters were brought up for consideration at a meeting of the Council of the Queensland Amateur Swimming Association last night in the Grand Central Hotel. Mr D.S.Carter presided over a representative gathering of delegates.

An application was received from the Commercial Club to hold an Inter-Club carnival on Tuesday January 16, and was granted. The application from the newly formed Ithaca Club for affiliation was granted. Messrs W.J.Lilley (Allora), C.W.Lindgren (Toowoomba) and W.Palmer (Dalby) wrote accepting the positions of Local Consuls in their respective centres. The Secretary of the Dalby Club intimated that it would not be possible to hold a carnival at Christmas time as had been suggested, but stated they would be pleased to have a team visit that town during Easter. In forwarding the affiliation fee, the Secretary of the Ipswich Centre, intimated that four Clubs were now affiliated with that Centre.

Pursuant to Notice, Mr F.W.Springfield moved, "That the following words be added to Rule 19 - and no competitor must stand on the bottom of the bath during a race or when turning." The motion was seconded by Mr E.H.Mair, and after some discussion, carried.

The Treasurer reported that the Credit Balance in the General Account was £133/15/8. The Report of the Executive recommended that the postponed 3 Mile Swim in the Bremer River be held on December 16, and that entries should be extended to Friday next. The Executive reported that both the Valley and the Maroochydhore Clubs were willing to exchange the State Championships allotted to them. It had been agreed to allow the Valley Club to hold the 60 yards Junior Championship and the Maroochydhore Club the 440 yards Championship.

In connection with the Water Polo competition, Mr W.Kuder reported that the Valley, Federal, Commercial, and South Brisbane Clubs had entered teams. It was stated that the Secretary of the Western Suburbs Football Club desired the Q.A.S.A Executive and other members of Council should attend a meeting on Tuesday evening in the Picture Palace, Paddington, to form a swimming Club.

The allegation, said to have been made by Mr Saunders against Mr Kuder, relating to the professional element in Ipswich, were mentioned by Mr E.H.Mair. Mr Kuder explained details of the matter, expressing surprise at the remarks attributed to Mr Saunders. He stated that he had assured the Ipswich Centre that he had not seen Mr Saunders this season, and urged then to consolidate their forces. His assurances had been accepted, and the two Clubs which had not previously joined, immediately affiliated. He urged the Council to let the matter drop. In reply to Mr Carter, Mr Mair stated that an endeavour would be made to get Mr Saunders to attend a meeting in Ipswich and explain the matter.

100 YARDS LADIES STATE CHAMPIONSHIP WON BY MISS M.GRANT

A feature of the carnival conducted by the Valley Ladies Amateur Swimming Club in the Booroodabin Baths last evening was the 100 yards Championship of Queensland. The event created considerable interest and was won by Miss M.Grant (Brisbane Gymnasium Club) who defeated Miss M.Springfield (Valley Club) the holder. A good display of diving was given by Messrs K.Petrie, C.Olsen, H.Sainsbury, J.Brett and B.Bragg. For the first time in the history of swimming in Queensland the ladies gave an exhibition of Water Polo. Two teams were selected from members of the Valley Club, captained by Misses M.Springfield and A.Alexander respectively and the play of the girls was warmly applauded. Mr W.Crease acted as Referee.

The carnival officials were - Judges, Messrs J.Hiron, W.Kuder, A.Roche, H.J.Hale; Timekeepers, Messrs C.Ansley, C.W.R.Just, R.Bunting, F.Springfield; Starter, Mr F.E.Duncalfe; Check Starter, Mr E.Morris; Heat Stewards, Messrs A.Halford, S.McAnally; Call Steward, Mr F.W.Springfield, Mrs Stenhouse; Result Steward, Mr A.Byrne; Costume Steward, Mrs Springfield; Press Steward, Mr J.Fitzgerald; Clerks of Course, Mrs King, Miss E.Thurlow; Cloak Stewards, Misses F.Woodward, E.Pierce, L.Smith, M.Hair, J.Mair, B.Robinson; Hon Secretary, Miss E.Connell.

The other contestants were L.Spottiswood (Com), M.King (BG), J.King (BG). The six contestants entered the water well together, but before swimming half a lap Miss M.Grant and Miss M.Springfield had a slight advantage from Miss L.Spottiswood, A.Alexander and M.King. Miss Grant turned first a fraction in advance of Miss Springfield with Misses Spottiswood and Alexander only a few inches behind. Miss Springfield soon got up on even terms with Miss Grant and the pair fought out the second lap, Miss Springfield gaining slightly on Miss Grant with Miss Spottiswood in close attendance followed by Miss Alexander with the other competitors out of it. Miss Grant and Miss Springfield turned simultaneously, but in the third lap Miss Grant drew ahead and at the turn was a couple of yards in advance of Miss Springfield with Miss Spottiswood about a yard further back closely followed by Miss Alexander. Miss Grant maintained the advantage and won by a yard from Miss Springfield. Miss Spottiswood was beaten for third place by Miss Alexander who finished a yard behind Miss

Springfield. The times were M.Grant 1.21, Miss Springfield 1.23 1/5 Miss Alexander 1.27 2/5.

ANNUAL 3 MILE SWIM - WON BY J.KNIGHT

Ipswich Dec 17

The annual Three Mile Swim under the auspices of the Q.A.S.A which had been postponed was held in the Bremer River, Ipswich, on Saturday afternoon. The conditions were comparatively favourable, the weather was ideal whilst the water, though turbid and inclined to be heavy on account of the recent rains, was free from the troublesome weed experienced on previous occasions. A goodly number of spectators lined the course, especially at the starting and terminal points. The river's motor craft were all out, and greatly assisted the event by transferring officials and competitors in addition to accommodating spectators. The entrants numbered over 70, of whom 43 completed the course. The limit men left the starting point at Booval at 3.15, and progress had been made by the majority by the time the two "scratch" swimmers, F.W.Springfield and J.Saunders were released.

(Then followed the usual lengthy details of the race)

The competitors finished at the Ipswich wharf as under - J.W.Knight 25 mins (Comm) 1hr 32m 50s 1, M.Childs 21m (SB) 1.35.43 2, G.Fry 21m (Com) 1.41.10 3.

The competition for the Club possessing the 5 fastest swimmers in the race (Prize 5 Honour Caps valued at 10/6 each presented by the Q.A.S.A) Valley 1, CYMS 2, West End Ipswich 3. The matter of second prize is in dispute on account of a swimmer being misrepresented as a CYMS member.

For fastest times, Prize a Gold Medal valued at £1/1/-, J.Mullins (WE Ips) 1hr 13m 7s, 1, F.W.Springfield (V) 1hr 13m 42 s, 2, J.Saunders (CYMS) 1hr 14m 48 s, 3.

Refreshments for the competitors were very thoughtfully provided by the members of the Council of the Queensland Ladies Amateur Swimming Association at the conclusion of the race.

Officials for the event were - Referees, Messrs D.S.Carter and W.T.Pratt; Judges, Messrs F.W.De Little, M.J.Barry, W.S.Johnstone, H.J.Hale, E.Booker; Timekeepers, Messrs R.H.Bunting, F.Springfield Snr, C.W.R.Just, E.Skippington, W.Tilley, H.Madden; Starter, Mr F.E.Duncalfe; Check Starters, Messrs W.B.Swain, T.Leigh; Press Stewards, Mr W.Kuder, Mr E.H.Mair; 1 Mile Check, Messrs A.W.Halford, W.B.Crease, A.Middleton; 2 Mile Check, W.Kuder, J.Roche, L.Higgs; Clothes Steward, Mr J.Roche; Costume Stewards, Messrs W.J.Schrey, J.A.Gordon; Hon Secretary, W.Kuder.

AUSTRALIAN LADIES CHAMPIONSHIPS

A meeting of the Council of the Q.L.A.S.A was held last evening, Mrs Hale in the Chair.

The Hon Secretary, Mrs King, announced the list of donations received for the coming Australian Championship Carnivals to be held on February 10 and 14, and further arrangements were made regarding the programme.

A 50 yards test race to choose three girls to represent the State in the

Teams Championship was fixed to take place in the Spring Hill Baths on January 21 at 8 o'clock. Names of the intending competitors must be in the hands of the Secretary not later than January 18 at a meeting of the Council to be held that evening.

Q.A.S.A COUNCIL

At the monthly meeting of the Council of the Queensland Amateur Swimming Association held last night under the Presidency of Mr D.S.Carter, the Maryborough Club intimated it was funding a team of six swimmers to compete at the Commercial Club's carnival on January 18. The programme for that carnival was approved by the Council.

Mr Carter was appointed to represent the Council on the Recruiting Committee. Applications for affiliations were received from Western Suburbs Brisbane, Dalby, St John's Gordon Cairns Clubs and were granted.

A satisfactory decision was arrived at regarding the trophy won by Smith of the Commercial Club at the last Federal carnival. The Ipswich Centre advised that T.Lewis, a competitor in the recent 3 Mile Swim had been adjudged a member of the Railway Club, and the Club placings for that event would now be, Valley 1, West End Ipswich 2, Commercial 3, CYMS Ipswich 4. Permission was granted to the Ithaca Club to hold a carnival on February 3, and the programme submitted, which will include the 1 Mile Championship of the State, was approved.

The Executive submitted a report, which was approved, with reference to the holding of long distance competitions, with the idea of encouraging members to participate in this class of swimming. Four events will be held each year, 440 yards, 880 yards, 3/4 mile and 1 mile, and prizes will be awarded for each distance with a Cup valued at 5 for the swimmer securing most points in the series of events.

The Financial Statement showed a Credit of 135/10/5 in the General Fund, and 3 in the Trust Fund.

Mr Eaves (Valley) reported the formation of a Club at Southport, and suggested the Association should approach the Secretary regarding affiliation, with a view to having a carnival at that place on St Patrick's Day.

It was decided on a Motion by Mr Byrne (Commercial) that no competitor in future 3 Mile Swims should have the assistance of a rowing boat. Mr E.H.Mair (Ipswich) gave Notice of Motion, "That the Association should have special Diving Judges." On the Motion of Mr Roche it was decided that only the starters in each heat should be at the starting point at one time. Mr Duffy gave Notice of Motion, "That in future, a third prize valued at 10/6 be given for third place at all State Championships."

100 YARDS CHAMPIONSHIP HEATS

The heats of the 100 yards State Championship provided interesting contests at the South Brisbane Baths last night.

In the first heat the competitors were P.Loewe, F.Springfield, J.McGree, P.Hammond. Loewe took the lead from the start and maintained it throughout, finishing a touch ahead of Springfield who was swimming strongly in the last lap. Loewe's time was 1.6 $\frac{3}{5}$, and Springfield's 1.6 $\frac{4}{5}$. McGree was third in 1.7 $\frac{1}{5}$.

O.Pierce, D.Sunderland, D.Warry, A.Linton, K.Petrie took part in the second heat which was well contested. Pierce got in front early and touched first in 1.6, just $\frac{4}{5}$ of a second in front of Sunderland who was pushing him strongly. Warry was third in 1.9 $\frac{1}{5}$.

It was announced that McGree, being faster third, would have the right to swim in the final which will take place in the South Brisbane Baths tomorrow afternoon.

The arrangements last evening were capably supervised by Mr W.Kuder, Messrs H.J.Hale, R.H.Bunting, H.New acted as Judges, W.H.Duffy as Starter, F.Springfield Snr, C..R.Just, R.W.Bunting as Timekeepers.

A.N.A CARNIVAL 100 YARDS CHAMPIONSHIP WON BY F.W.SPRINGFIELD

The Australian Natives Association Foundation Day Sports this year took the form of a swimming carnival which was held on Saturday in the South Brisbane Baths.

The usual complete arrangements had been made by the baths Manager, Mr W.R.Blake, but a little inconvenience resulted owing to the king tides and the fresh in the river causing the water to rise above the walls of the baths. This was of course unavoidable. Some of the officials, until the water receded, had to carry out their duties standing in water at the baths edge, and the water also invaded the dressing sheds to a depth of two or three inches.

There was a good attendance, and the numerous keenly fought events were followed with much interest.

The Q.A.S.A. Executive met prior to the carnival and decided that A.Linton (SB) and K.Petrie (T) should be allowed to compete against each other in a heat, and if either succeeded in beating McGree's time in one of the recent heats of the 100 yards State Championship, in which an unintentional foul occurred, he should be allowed to take part in the final of that event. Petrie did this, winning in 1.6, and therefore started in the final which was splendidly won by F.Springfield.

The carnival officials were - Referees, Mrs H.J.Hale, Mr D.S.Carter; Judges, Messrs H.J.Hale, W.J.Schrey, C.Dahl; Timekeepers, Messrs F.Springfield (standard), M.J.Kirwan, R.H.Bunting; Costume Stewards, Mr D.Byrne, Mrs

J.Stenhouse; Press Steward, Mr J.Fitzgerald; Starter, Mr F..Duncalfe; Check Starter, Mr W.H.Duffy; Call Stewards, Mr R.J.Fallon, Miss A.White; Result Steward, Mr J.Roche; Clerks of Course, Messrs H.New A.W.Halford; Secretary, Mr W.Kuder; Treasurer, Mr C.A.Powell.

Results -

Schoolboys Handicap Under 14 years 33 yards - P.Smith 1, E.New 2, W.Ebensten 3

A.N.A Championship of Queensland 66 yards - D.Harrower (Woolloongabba Branch ANA) 1, P.O'Sullivan (North Brisbane Branch) 2, S.J.Brown (Valley Branch) 3. Harrower won comfortably. Time 43 seconds.

Secondary Schools Handicap Under 18 years 66 yards - K.Stack 1, N.Isles 2, T.Flynn 3

Ladies B Grade Interclub Handicap - G.Shelley 1, D.Smith 2, R.Hamilton
Championship of Queensland 100 yards - Third Heat - K.Petrie 1, A.Linton 2. Time 1.6. This was a neck and neck race for two lengths of the baths when Linton was first to turn, but the winner, however, swam a better course than his opponent in the last lap and just won.

Final - F.W.Springfield (V) 1, L.Pierce (V) 2, P.Loewe (SB) 3, K.Petrie (T) 4. Time 1.4 2/5. This was a magnificent race. The six competitors, F.W.Springfield, D.Sunderland (Com), L.Pierce, K.Petrie, P.Loewe, J.McGree (Fed), took the water simultaneously and swept up the baths in a line. At the end of the first lap Petrie touched just ahead of Pierce. The second lap was largely a replica of the first, the men swimming well together. Pierce and Loewe touched just ahead of Springfield. In the final lap, Springfield and Pierce, who were swimming on opposite sides of the baths, put in a great effort and both slowly drew away from the others. Springfield, however, swam best, and spurting, finished two yards ahead of Pierce who was about one yard ahead of Loewe, while Petrie was a bare touch away fourth. Pierce's time was 1.7 1/5. The Queensland record is 54 22/5, held by Duke Kahanamoku. Last year's time was 1.3 1/5 made by S.H.Springfield.

ITHACA CLUB'S ANNUAL CARNIVAL
MILE QUEENSLAND CHAMPIONSHIP WON BY SAUNDERS

The Ithaca Amateur Swimming Club's first annual carnival took place on Saturday amid dull showery weather, and in the presence of a large assemblage in the Municipal Baths.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs H.J.Hale, J.Hiron, W.J.Schrey; Timekeepers, Messrs F.Springfield, R.H.Bunting,

C.W.R. Just, T.J. Carroll; Judges of Diving, Messrs D.S. Carter, J. Hiron, W. Kuder; Starter, Mr F.E. Duncalfe; Clerks of Course, Messrs W. Fahey, H. New; Costume Steward, D. Byrne; Press Steward, J. Fitzgerald; Heat Steward, Mr W.H. Duffy; Call Stewards, R.J. Halford, W.A. Crease; Result Steward, Mr J. Roche; Secretary, Mr R.J. Fallon; Treasurer, Mr M.J. Kirwan.

A programme of over 20 items was submitted, the chief attraction being the Mile Championship of Queensland. There were four competitors, F.W. Springfield (V), J. Saunders (Ips), M. Mullins (Ips), A. Byrne (Com).

Springfield drew ahead at the start and turned into the second lap just in advance of Saunders. The same order prevailed in the next lap. In the fourth lap Byrne sprinted and drew level with Springfield, but the latter responded and maintained his lead, with Byrne falling behind. At the end of the sixth lap Springfield was two yards ahead of Mullins and Saunders, and in the next three laps increased his lead to six yards. In the thirteenth lap Saunders spurted, and Springfield replied, and positions were maintained for the next six laps. At the end of the twenty sixth lap, Mullins, who had been double lapped, retired. Saunders drew level with Springfield in the thirty first lap, and increased his lead to the finish (approx 70 laps) in spite of several sprints by Springfield temporarily reducing the distance, to win by 23 yards, Byrne, who was 100 yards behind, being third. The winner's time was 25.41 $\frac{3}{5}$, Springfield's 26.9 $\frac{1}{5}$.

Other results were -

100 yards Junior Club Championship - R.A. Cavill E. McGovern 2, H. Cannon. Won by two yards. Time 11.20 $\frac{1}{5}$

100 yards Senior Club Championship - W. Bell 1, W.F. Kitchener 2, R.H. Bunting 3, Won by half a yard. Time 1.18 $\frac{1}{5}$

Q.A.S.A COUNCIL

A lengthy agenda was disposed of at the monthly meeting of the Council of the Queensland Amateur Swimming Association which was held in the Grand Central Hotel, Mr Kirwan in the Chair.

Approval was given for the South Brisbane Club's carnival on March 28 and the Western Suburbs Club's carnival on March 18, the latter Club being allowed to include in its list the 100 yards Breast Stroke Championship of the State. In connection with the National Appeal of the Y.M.C.A, the Association decided to open a subscription list among the Clubs, and started it with $\frac{1}{2}$ /- . Sanction was given to a number of Association members to give a fancy dress display at the Queensland Ladies Amateur Swimming Association's carnival next Saturday, and the latter Association was granted permission to send a team and Manageress to take part in the Dalby Club's carnival at Easter. The Q.A.S.A also accepted the Dalby Club's invitation to send a team of six swimmers and a Manager to the Easter carnival there. The Dalby Club was given permission to hold the 100 yards Championship of the Downs at the Easter carnival with the stipulation it should be open to members of all affiliated Downs Clubs who

have been resident on the Downs for three months. Permission was given to the Ipswich Club to visit Southport next Saturday. An application by the Southport Club for affiliation was granted.

Mr W.Kuder outlined the proposed northern tour to last about three weeks, the itinerary to include Maryborough, Rockhampton, Mackay, Townsville, and Cairns. He suggested that the Association should hold a carnival in Brisbane on Saturday March 31 to which Country Clubs would be invited, and the 100 yards Country Championship be included in the programme. The tour might start on Sunday night so that Rockhampton and Maryborough might be visited on the return trip. Some of the members were prepared to go at their own expense, but others might not be in a position to do so. He wanted three of the Association's best swimmers sent, and to defray their expenses he suggested that part of the proceeds of the proposed carnival be devoted to that purpose. He thought 130 would cover their fares. There would be no expenses for board etc at the places visited as the swimmers would be the guests of the local Clubs. After some discussion it was agreed to hold the carnival on 31 March, the Association to guarantee £15, and in the event of the carnival realising more than this guarantee, it be devoted towards the expenses of the trip. It was decided to vote £12 towards the expenses of Mr Kuder as Manager. It was left to the Executive to arrange the carnival programme and northern itinerary and report to the next meeting. The Council decided to ask the co-operation of the Life Saving Society in the matter of monetary assistance for the northern tour.

Messrs Kuder, Duffy and Carter were appointed a Selection Committee in connection with the choosing of the teams for Dalby and the north.

The Treasurer reported a Credit Balance of £36/17/3 in the Trust Account, and he also said £100 had been invested in the Commonwealth war Loan in £10 Bonds. The Report was adopted.

AUSTRALIAN LADIES CHAMPIONSHIPS
100 YARDS WON BY MISS DURACK

The presence of a number of Inter-State swimmers, including Miss F.Durack the champion lady natator of the world, proved a particularly strong drawing card for followers of the sport on Saturday when the first carnival to decide the Australian Championships was held in the South Brisbane Baths. Every seat within the enclosure was occupied, and the keenest interest was maintained in the proceedings. The day was an admirable one for the function, a pleasantly cool breeze tempering the rays of the summer sun. Under the care of Mr Blake, the baths were in excellent order, and here and there national streamers added colour to the animated scene. The Gate Takings amounted to £53/6/-.

The carnival officials were as follows - Referees, Mrs H.J.Hale, Mr D.S.Carter; Judges, Messrs H.J.Hale, W.J.Schrey, W.Kuder, M.J.Kirwan M.L.A; Clerks of Course, Messrs A.Halford, P.Sykes; Check Starter Mr W.Swain; Starter, Mr F.E.Duncalfe; Call Stewards, Mrs J.Stenhouse, Miss N.Harrower; Press Stewards, Messrs J.Fitzgerald, F.W.Springfield; Result Steward, Mr J.Roche; Heat Steward, Mr W.H.Duffy; Timekeepers, Messrs F.Springfield Snr, C.W.R.Just, T.J.Carroll, R.H.Bunting; Costume Steward Mesdames Pibworth and Springfield; Judge of Diving, Mr D.S.Carter; Cloak Stewards, Misses R.Fell, M.Hair, A.White, M.Lynch, J.Mair.

Results were -

33 yards B Grade Junior Handicap - K.Collie 1, I.Cribb 2, M.Youngman 3

33 yards B Grade Senior Handicap - J.Ridgley 1, E.Maddocks 2, R.Currie

100 yards Championship of Australia -Previous holder Miss Fanny Durack (NSW) - F.Durack (NSW) 1, M.Wylie (NSW) 2, E.Venning (Qid) 3, L de Beaurepaire (Vic) 4. Time 1.13 1/5. Miss M.Grant also started. An excellent start was affected, the competitors striking the water well together at the pistol shot. Misses Wylie and Durack immediately drew out about a foot, and 13 yards from the start were level a yard ahead of Miss Venning who was swimming excellently. Miss Beaurepaire was next and Miss Grant last. The order was maintained to the end of the lap (33 1/3 yards) which was done by Miss Durack in 20 seconds. Miss Wylie turned better than the world champion gaining a lead of about. 2

feet, but Miss Durack at once sprinted and drew level. Miss Venning made a game effort but it was obvious she was unable to hold the leaders although she was swimming well. Miss Durack completed this lap in 26 seconds. Turning into the final lap Miss Durack was slightly ahead of Miss Wylie who was swimming one of the best races of her life and pushing the world champion hard. Miss Durack, however, forged ahead slowly but surely and finished 2 yards ahead of Miss Wylie, with Miss Venning 6 yards away third. Miss Beaurepaire was fourth, 10 yards behind Miss Venning. The placed girls were warmly applauded. Miss Durack's time was 1.13 $\frac{2}{5}$, Miss Wylie's 1.14 and Miss Venning 1.19. Considering the water was almost wholly fresh - indeed salt could not be tasted in it - the performance of the placed girls was excellent. It might be mentioned that there were seven entrants for the championship including Miss Win (NSW) and Miss Alexander (Qld). The New South Wales competitors considered this was too many for the width of the baths and Miss Alexander withdrew. The New South Wales girls considered that six was also too many, and eventually withdrew Miss Winn. It is regretted that the representatives of the three States did not confer before the carnival so that any difficulty of this nature would have been avoided.

150 yards Teams Championship of Australia - N.S.W (F.Durack, M.Wylie, M.Winn) 1, Qld (E.Venning, A.Alexander, M.Grant) 2. Time 1.40 $\frac{1}{5}$. Won easily by about 7 yards.

Neat Dive Junior - T.Cavill

Novelty Event - Musical Life Buoys - M.Springfield

66 yards First Class Junior Interclub Handicap - R.Sylow 1, V.Ryder 2

100 yards Junior Inter-State Handicap - Terry 1, King 2, Alexander 3

Neat Dive Senior - L de Beaurepaire

33 yards Country Handicap - E.Drager (Maryborough).

A refreshing diversion to the programme was an amusing fancy dress display by the following members of the Q.A.S.A, C.Olsen, H.Sainsbury, K.Petrie, R.Briggs, G.Noble, D.Sunderland, C.Smith, J.Brett, J.Lamont.

At the conclusion of the programme Misses Durack and Wylie gave an interesting exhibition of the various swimming strokes.

440 YARDS CHAMPIONSHIP

The 440 yards Australian Ladies Championship will be contested at 6.15 this evening at the South Brisbane Baths and a keen race is expected. Representatives of New South Wales, Victoria and Queensland will take part, including Miss Fanny Durack and Miss Mina Wylie. This will be the first time this championship has been held in Brisbane.

This is the only race for the evening, and since a number of the public had expressed a desire to witness it, arrangements have been made to admit gentlemen and ladies at a nominal charge.

B.C. Tuesday 13 February 1917

440 YARDS AUSTRALIAN LADIES CHAMPIONSHIP

At the 440 yards Australian Ladies Championship decided at the South Brisbane Baths last night there were four starters, Miss F.Durack (NSW), M.Wylie (NSW), L.de Beaurepaire (Vic), and E.Venning (Qld), and after an interesting race the swimmers finished in the above order. The officials were the same as on Saturday. The distance necessitated the swimming of 13 laps and 20 feet.

From an even start Miss Durack quickly moved ahead with Miss Wylie close and the other two competitors together. With 33 yards completed, the two NSW competitors still held sway, Miss Durack having moved to the front by about 6 yards and Miss Venning, who was apparently tiring, dropping to the rear. With 7 laps to go, Miss Durack had increased her lead to almost 10 yards from Miss Wylie, and the Victorian was about a similar distance away, third. On the completion of two more laps Miss Wylie moved up close to Miss Durack, Miss Venning being 20 yards behind Miss Beaurepaire. With 100 yards to go, Miss Wylie made a game effort to overhaul Miss Durack, but the latter was swimming very strongly. The Victorian representative dropped back a little at this

stage, but was still well ahead of the Queenslander. With one lap to go, Miss Wylie made another effort but was unable to overtake Miss Durack who won by about 20 feet. Miss Beaurepaire was 15 yards away third, and Miss Venning held fourth position nearly a lap behind Miss Beaurepaire. The times were given as follows - Miss Durack 6.43 4/5, Miss Wylie, 6.52, Miss de Beaurepaire 7.7, Miss Venning 7.33 3/5.

AUSTRALIAN LADIES CHAMPIONSHIPS
MISS WYLIE EQUALS THE RECORD

The Booroodabin Baths was crowded last night when the concluding Australian Ladies Swimming Championship Carnival was held. In the 100 yards Breast Stroke Championship of Australia, the holder of the title, Miss M.Wylie of New South Wales, put up a very meritorious performance by equalling her own World Record of 1.28 3/5. The attendance was estimated at about 800, the Takings as £36/2/-.

Results

B Grade Senior Handicap - (Misses R Patterson 1, L King, R.Ridgley

100 yards Breast Stroke Championship of Australia - M Wylie (NSW) 1, N.Winn (NSW) 2, D.Sylow (Qld) 3. Miss A.Alexander (Qld) also started. An excellent start was affected. Miss Winn led by a touch at the end of the first lap. About 10 yards further on, Miss Wylie went to the front, and when about 20 yards of the second lap had been covered Miss Sylow drew level with Miss Winn, the pair being about half a yard behind Miss Wylie who turned first, Miss Sylow and Miss Winn turning together. Miss Winn, however, got the better of the turn and gradually forged ahead. Miss Wylie increased her lead and turned for the final 10 yards about 3 yards ahead of Miss Winn who was the same distance in front of Miss Sylow. Miss Wylie finished about 4 yards ahead of Miss Winn, the same distance separating the second and third girls. Miss Alexander was about 11 yards in the rear. The winner equalled her World Record of 1.28 3/5, Miss Winn's time was 1.32 3/5 and Miss Sylow's 1.39 2/5.

B Grade Junior Handicap - V.Hamilton 1, V.Deane 2, O.Maddocks 3

220 yards Championship of Australia - previous holder Miss F.Durack - F.Durack (NSW) 1, M.Wylie (NSW) 2, E.Venning (Qld) 3, L de Beaurepaire (Vic) 4. The quartet of swimmers got away nicely from an even start. Miss Durack led by a small margin at the turn into the second lap, the first having been swum in 20 seconds. The four turned about level, but the champion was slightly in the lead. At the second turn the positions were practically unchanged. At the 100 yards mark Miss Durack led by about 2 yards from Misses Wylie and Beaurepaire who were about 3 yards ahead of Miss Venning. The first 10 yards had been swum in 1.17. At the turn into the sixth lap the champion was 6 yards ahead of Miss Wylie who was leading the other pair. Coming down the next lap Miss Durack made a great sprint and increased her lead to 7 yards. She was swimming a good race. Miss Durack finished with a handsome advantage of 12 yards. Misses Beaurepaire and Venning were about 12 yards behind Miss Wylie at the last turn, and the Queenslander, amidst cheers, sprinted gamely, and amid great excitement finished a touch ahead of the Victorian. The times were: Miss Durack 3.5, Miss Wylie 3.11 1/5, Miss Venning 3.25. Miss Durack's World Record is 2.53.

NORTHERN AND DALBY TEAMS SELECTED

The Q.A.S.A Selection Committee - Messrs Carter, Kuder and Duffy - met yesterday afternoon to choose the following to constitute the team to visit northern centres at the beginning of April - F.W.Springfield (V), J.Saunders (Ips), K.Petrie (Toowong); and for the visit to Dalby at Easter the following were chosen - P.Hammond, D.Sunderland (Comm), E.Pierce (V), W.Carr (Tng), A.Linton (S Bris), J.McGree (Federal).

Any member who is unable to make the trip is requested to immediately notify the Hon Secretary of the Q.A.S.A, Mr Kuder, c/- Mr Carter, Queen Street.

The teams selected are representative, and that for the north is particularly well chosen in as much as the best sprint, middle and long distance swimmers are included. Springfield is 100 yards and 440 yards champion and Saunders is the mile champion, while Petrie is good over sprint distances and probably the best fancy display diver in Brisbane, and in addition, Springfield is a good exponent of Life Saving methods.

SOUTH BRISBANE CLUB'S CARNIVAL F.W.SPRINGFIELD WINS THE 220 YARDS CHAMPIONSHIP

The annual carnival of the South Brisbane Amateur Swimming Club was held in the Booroodabin Baths last night in the presence of a large attendance.

The chief event on the programme was the 220 yards Championship of Queensland which was won with room to spare by F.W.Springfield. There were five competitors - J.Saunders (Ips), F.W.Springfield (V), E.Pierce (V), K.Petrie (T), A.Linton (SB). Linton and Pierce first took the lead and at the first turn were two yards ahead of the others who were bunched together, the order being maintained in the second lap. In the third lap Linton and Pierce were almost abreast, with the former touching first. Shortly after turning, Springfield sprinted, and at the end of the baths was about 4 yards ahead of the others. On the fifth lap he increased his lead by 2 yards, Saunders taking second place a yard in front of the others. In the sixth lap Springfield further increased the distance between him and Saunders, Petrie, Linton and Pierce following with shorter distances separating them. In the seventh and last lap the order was maintained, Springfield finishing 10 yards in the van, and Saunders being 2 yards in advance of Petrie, with smaller space between Linton and Pierce. The winner's time was 2.42 2/5, Saunders 2.50 1/5, Petrie 2.56 4/5. It was a slower race than last year when Sid Springfield won in 2.41 1/5, Pierce being second in 2.42.

LADIES TEAM FOR DALBY AND THE NORTH

At a meeting of the Council of the Q.L.A.S.A last evening it was decided to send a team, in conjunction with the Q.A.S.A team, to visit Mackay, Townsville, Rockhampton, Maryborough and possibly Maroochydore. Misses M.Grant, 100 yards Champion, M. Springfield and V.Ryder were selected as the team with Mrs King (Hon Secretary Q.L.A.S.A) as Manageress.

It was also decided to send a team of six to Dalby in conjunction with the Q.A.S.A team and the following were selected: Misses L.King, A.Alexander, L.Spottiswood, R.Hamilton, V.Hale, M.Roughead, and emergencies, Misses M.Petrie, P.O'Brien, and T.Cavill. Mrs Hale was appointed Manageress.

The matter of Mrs W.Terry having declined to accept the first prize in the 100 yards First Class Handicap at the recent Australian Championship carnival in the South Brisbane Baths, and suggesting that she should be allowed to change with another girl, was discussed. The Council decided that the prize won must either be accepted or rejected, and that no substitution could be made.

The Ithaca Ladies Club was granted permission to hold a carnival on March 25.

A discussion took place on the system of handicapping, but no decision was arrived at.

It was decided to hold a Social shortly to raise funds in connection with the northern tour expenses.

Q.A.S.A COUNCIL

The monthly meeting of the Council of the Queensland Amateur Swimming Association was held last night in the Grand Central Hotel. Mr Carter occupied the Chair and there were 23 delegates present.

The Clerks of Course at the South Brisbane carnival held on February 28 reported that three juniors were swimming during the holding of events, and it was decided to caution them through Club Secretaries, that repetition of the offence would probably lead to disqualification.

Permission was given to Q.A.S.A members to take part in events at the Royal Life Society's carnival on March 26. The Society intimated that it would require the assistance of some members of the Association as officials. The programme submitted by the St Barnabas and Kelvin Grove Clubs for their joint carnival on March 22 was approved. A number of events were sanctioned to be held in a carnival by the Southport Club on March 17 in the Southport Baths, including the 220 yards Breast Stroke Championship of Queensland. In reply to inquiries, the Secretary stated that special railway accommodation was being provided for competitors at the Southport carnival. The programme for the Dalby Club carnival which will be held on Easter Saturday, at which six members of the Association will compete, was approved, and Mr W.J.Schrey, of the South Brisbane Club, was unanimously appointed Manager of the team.

The Hon Secretary presented an itinerary for the northern trip which showed that the team would probably leave Brisbane on April 1, and would swim in turn in Rockhampton, Mackay, Townsville and Maryborough, returning about April 17. Regret was expressed that owing to lack of bathing facilities, the Cairns Club was unable to receive the party. It hoped to do so next year when better arrangements would be made. It was decided that the swimmers selected for the Northern and Dalby trips should be communicated with and advised that the Association required a definite decision as to whether they intended making the trip or not, on or before March 17.

The list of events for the Association programme to be decided on March 31 was approved, and the Hon Secretary reported that he had to date received donations of trophies to the value of £12/15/-.

Complaint was received from a member of the South Brisbane Club that he had not received a trophy won at the Toowong carnival in 1914. Surprise was expressed that the competitor had allowed so long a time to elapse before complaining and it was decided to refer the matter to the Executive to investigate and report.

The Water Polo Committee asked leave to hire the Valley Baths on March 21 to enable water polo finals to be held, and the request was granted. A small charge will be made for admission.

The Financial Statement submitted by the Treasurer showed the General Fund to be in Credit to the extent of 143/11/2, of which '100 is invested in the Commonwealth War Loan, and the Trust Account is in Credit to the amount of #19/2/6.

A Notice of Motion standing in the name of Mr E.H.Mair referring to Diving Judges was held over to a Special Meeting to be held in May next, when the question of alteration of Rules will be considered.

LADIES LONG DISTANCE CERTIFICATES

At a meeting of the Executive of the Q.L.A.S.A last evening, a notification was received from the Maryborough Ladies Club that its carnival would be held on March 31 in the afternoon. It was decided to reply that, while there was no objection to the carnival being held on that day, it was unlikely that any Brisbane ladies would be able to take part, except possibly those interested in the 50 yards Championship of Queensland.

The Council decided to hold swims for Long Distance Certificates in the Booroodabin Baths on Thursday evening, March 29, at 8 o'clock. Girls wishing to take part must be at the Baths no later than 7.45. The distances are, 220 yards Breast Stroke, 220, 440 and 1 mile or over, freestyle.

Final arrangements were made for the Association Social in the Normal Hall, Adelaide Street, next Saturday evening, and the hope was expressed that swimmers and supporters would attend.

ROYAL LIFE SAVING SOCIETY

The Award fees charged by the Royal Life Saving Society, Queensland Head Centre, which at various times have been criticised as being too high, were last night altered as follows at a meeting of the Centre - Elementary Certificate threepence, Proficiency Certificate 11-, (half rate for State School Teachers and scholars), Burns Medallion (including engraving) 3/-, Teachers and Instructors Certificate 1/-.

It was reported that in the past week 40 Elementary and 30 Proficiency Certificates had been awarded in Brisbane, and three Bronze Medallions in Townsville.

A letter was received from Cooktown asking for the establishment of a Centre there. It was decided to reply that Mr Weymouth, Instructor and Examiner, would be in Cooktown at Easter, and would be asked to consider the matter on behalf of the Society.

The following officials were appointed for the coming carnival - Life Saving - Referee, Mr J.M.Barry; Judges, Messrs Weymouth and Betts and Captain

Martin (water drill), and Messrs Daniels and Weymouth and Captain Martin (land drill). Swimming - Referee, Mr D.S.Carter; Judges, Messrs W.Kuder, P.Sykes, H.Leonard; Timekeeper, Messrs F.Springfield Snr; Starter, Mr F.E.Duncalfe; Press Steward, Mr J.Fitzgerald; Costume Steward, Mr D.Byrne; Call Steward, Mr H.New; Clerks of Course, Messrs A.J.Sapsford and W.Finnimore.

Q.A.S.A CHAMPIONSHIP CARNIVAL

The swimming season in Brisbane was practically concluded on Saturday afternoon by the Championship Carnival conducted under the auspices of the Q.A.S.A in the South Brisbane Baths. The success of the gathering was largely due to the work of the Hon Secretary, Mr W.Kuder.

The chief items on the programme were the 500 yards Flying Squadron Clubs Championship of Queensland for the Crawford Cup, which had been won in the previous season by the Rockhampton Club, and the Three Quarter Mile Championship of the State, held by F.W.Springfield. The memory of the late B.B.Kieran was perpetuated by the annual race - a 66 yards Memorial Handicap - and this event also attracted a good deal of interest.

The officials were - Referee and Judge of Diving, Mr D.S.Carter; Judges, R.H.Bunting, J.Hiron, A.W.Halford, P.Sykes; Timekeepers, Messrs C.W.R.Just, F.Springfield Snr (standard), W.H.Crease, W.J.Schrey; Check Starter, Mr W.B.Swain; Starter, Mr F.E.Duncalfe; Result Steward, Mr H.New; Press Steward, Mr J.Fitzgerald; Call Steward, Mr D.Byrne; Clerks of Course, Messrs R.J.Fallon, Nicholson; Heat Steward, Mr W.H.Duffy; Hon Secretary, Mr W.Kuder; Hon Treasurer, Mr J.Roche.

Results -

3/4 Mile Championship of Queensland - Prizes, special Medals - First value £2/2/-, second value £1/1/-, presented by Hons E.J.Stevens and T.C.Beirne M.M.L.O and Mr F.W.De Little - F.W.Springfield (V) 1, J.Saunders (Ips) 2. R.Mullins (Ips) and H.Baker (Rockhampton) also started, but Mullins retired in the ninth lap and Baker in the eleventh. Saunders and Springfield kept well together until about 200 yards from the finish when Springfield drew away from his opponent, and turning into the final was fully half the length of the baths in the lead, finally finishing some 20 yards ahead of Saunders. Springfield's time was 19.23 and Saunders 19.39 4/5. The winner's time was the same time as he established last year when he annexed this championship. Standard time is 20 minutes.

150 yards Junior Flying Squadron Scratch Race - Valley (L.Cartwright, C.Smith, H.Lacey, L.Lacey, H.Wrench) 1, South Brisbane (J.Gillen, C.Wiggins, A.Henke, W.Cairns, P.Smith) 2, Toowong (W.Cairns, R.Humber, J.E.Landsbury, H.Pickering, R.McAvoy) 3. Time 2.45. A very interesting and exciting race won by about 2 yards.

66 yards Secondary Schoolboys Handicap - Gillen 1, Kuhn 2, Cartwright 3. A splendid race, only inches separating the placed men.

500 yards Flying Squadron Championship of Queensland - Rockhampton (H.Robinson, J.A.Codd, S.Sharp, H.Baker, G.Milner) 1, South Brisbane (P.Loewe, A.Linton, T.Harrower, T.Parks, J.A.McGregor) 2, Valley (F.W.Springfield, Les Pierce, F.ThurLOW, E.I.Springfield, J.Neade) 3.

Winner's time 5.38 2/5, South Brisbane 5.41 4/5. Standard time 5.35. Toowong, West End and Commercial also started. Rockhampton, last year's winner of the event, maintained its laurels after an exciting race, winning by about 7 yards. Two of the South Brisbane swimmers were unfortunate enough to collide.

Neat Dive, Junior - P.Smith 1, J.Harries 2

100 yards Country Championship of Queensland - G.Milner (Rockh) 1, E.H.Mair (Ips) 2, J.A.Codd and H.Baker (both of Rockh) tied for third place. Winner's time 1.6. This was an excellent race in which last year's holder succeeded in winning by a yard. Mair made a bold effort to secure the lead from the holder

of the title, but failed by the narrowest of margins. Mair's time was 1.6 3/5. The standard time is 65 seconds.

66 yards B.B.Kieran Memorial Handicap - Blake 1, Knight 2, Linton 3. An interesting race won by a touch by Blake, half a yard separating second and third.

Fancy Dress Display - W.Reese (Nurse and Family)

Neat Dive, Senior - G.Carr (T)

132 yards Brace Relay Handicap - Petrie & Humber 1, Lynch & McGree 2.

STATE SCHOOLS SWIMMING ASSOCIATION

The ninth Annual Meeting of the Queensland State Schools Amateur Swimming Association was held last evening in the Y.M.C.A Rooms, Mr A.S.Kennedy in the Chair.

The Annual Report, which was adopted, stated that the number of affiliated Clubs was 38, 30 metropolitan and 8 country. The membership was 3848 of whom 1041 had been taught to swim, against 903 in the previous season. Life Saving had been taught in 26 schools, 496 boys having received instruction. Entries for the carnival had exceeded those for 1915-16 by 143. The Committee expressed the opinion that it would be a move in the right direction if the carnival was held in country centres occasionally. Messrs Callaghan and Lather spoke against the last mentioned proposal, and Messrs Maddock, Flint, and Barkell in favour of it.

Mr Barkell, formerly of Canberra, spoke appreciatively of the way in which the Association had treated country competitors.

The Treasurer's Statement showed the Receipts had been £32/10/9 and the Expenditure £29/6/4, leaving a Credit Balance of £3/4/5.

The election of officers for the ensuing year resulted - Patron, Mr H.F.Hardacre MLA; President, Mr J.D.Story; Vice Presidents, Hon E.J.Stevens MLC; Mr J.Kirwan MLA; The Mayors of Brisbane and South Brisbane; Messrs

A.S.Kennedy, J Daly, J.Allen, J.Weymouth, and State School Headteachers; Hon Secretary and Treasurer, Mr A.Griffiths; Assistant Secretary, Mr Pilkington; Committee, Messrs J.L.Callaghan, C.Brooks, G.Harvey, W.H.Morrow, W.F.Stanley, J.Maddock, P.H.Bonham;

Auditors, Messrs J.L.Callaghan, W.H.Morrow; Handicappers, Messrs J.L.Callaghan, A.Griffiths, G.Harvey.

An Honorarium of £10 was voted to the Secretary, Mr Griffiths, as a mark of appreciation for his services, and 10/- was voted to the Y.M.C.A which had kindly lent its rooms for meetings.

Q.A.S.A ANNUAL MEETING

The President, Mr D.S.Carter, occupied the Chair at the Annual Meeting of the Queensland Amateur Swimming Association which was held in the National Association's Rooms last evening, and the membership was splendidly represented.

The Annual report, which was adopted on the motion of the Chairman seconded by Alderman J.Hiron, was reviewed by the Chairman who paid a glowing tribute to the Hon Secretary, Mr W.Kuder, for his invaluable work, and commented on the increased membership. The Association, he said, was one of the few bodies who could claim in that respect during the year. The Report showed that the affiliated Clubs numbered 34, 9 metropolitan and 15 country senior Clubs, and 9 metropolitan and 1 country junior, giving an increase of 8 Clubs on the previous year. There was a Credit Balance of £146/13/1. The Council had decided to promote, during the coming season, a series of long distance handicaps for a Cup to be called "The Association Cup", a decision which should serve to popularise long distance swimming. Two new Clubs, Ithaca and West Suburbs, had been added to the Association's list. New baths at Ithaca had been used for the first time last season and they were a credit to the District. He expressed the wish that other suburbs would take up the question of baths more energetically.

Alderman Hiron expressed regret about the absence of up-to-date baths in the City, and thought for the sake of public health, pressure should be continued to be put on Municipal Council to supply the need, quite apart from the pecuniary return.

Mr F.W.De Little, Vice President, said he thought the Association would do well to support the Royal Life Saving Society and hold life saving competitions during the coming season. He also suggested the perpetuation of members who had fallen during the war.

The election of officers resulted - Patron, Hon E.J.Stevens M.L.O (re-elected); President, Mr D.S.Carter (re-elected); Vice Presidents, Messrs F.W.De Little, M.J.Barry, M.Baldwin, F.Springfield Snr, J.Hiron, F.E.Duncalfe, W.H.Hinch, J.H.Grice, J.W.Blair, Hon T.C.Beirne; Auditors, Messrs T.J.Donovan, R.H.Bunting (re-elected). It was decided to elect one Handicapper only, and Mr W.H.Duffy was re-elected.

Mr F.W.De Little announced that he would donate a Cup for Distance Events to be conducted by the Association, to perpetuate the memory of Pte T.V.Dowzer who was Rockhampton's best swimmer. The generous offer was accepted with thanks, and the Council will make the necessary arrangements.

STATE SCHOOLS GIRLS ASSOCIATION

The Annual meeting of the Queensland State Schools Girls Amateur Swimming Association was held in the Town Hall last evening, and was presided over by the Mayor of Brisbane, Ald J.W.Hetherington.

The seventh Annual Report recorded another year of progress. The number of girls in school clubs for the year had been 1986, and of these, 793 had been taught swimming by teachers from the various schools, and 193 had been instructed in Life Saving. Last season 1357 school girls were swimmers. The Balance Sheet showed the finances to be in a healthy position, having a Credit

Balance of £22/12/10.

The mover of the adoption of the Report and Balance Sheet had admitted the Brisbane baths were out of date. They should blame the Kaiser, he said, riot the Council, that the promise he made their Secretary to get a swimming bath from the Council this year, had not been kept. The baths would have been built but for the war, and he renewed his promise to do his utmost to get the better accommodation desired (applause).

Messrs J.Daly (Department of Public Instruction) and J.Dempsey added their testimony to the value of the work being done by the Association, and Miss Carraway and other speakers urged the great importance of influencing the Department of Public Instruction to assist schools in gaining the service of a swimming instructor. The meeting was unanimous that something should be done in that respect.

The Report and Balance Sheet were adopted.

The election of officers resulted - Patroness, Lady Gould-Adams; President, Miss Crosser; Vice Presidents, the Mayoresses of Brisbane and South Brisbane, Mesdames Hardacre, Hirschfeld, Barnes, Story, Callaghan, Daly, Huxham, Mowbray, Roe, Kennedy, Headmistresses of Affiliated Schools, and Messrs Alex Mutch and T.J.Ryan; Hon Secretary, Miss de Jersey (in succession to Mrs J.Mowbray, resigned). Miss Stewart resigned as Treasurer, and there was no appointment in her place, but an Assistant Secretary is to be nominated. The present Advisory Board was re-elected, with the addition of Messrs Alex Mutch and T.J.Ryan.

On the motion of Miss Fleming, it was decided to amend the Rules so as to allow children from schools to compete at carnivals provided that the school affiliation fee of 2/6 was paid by the date of entry.

LADIES SWIMMING ASSOCIATION
THIRTEENTH ANNUAL MEETING

The 13th Annual Report of the Queensland Ladies Swimming Association, which was submitted at the Annual Meeting, last night, drew attention to the fact there was a Credit Balance of £56/9/11, which is the largest in the history of that body. The Chair was occupied by Mrs H.J.Hale, President, and the meeting was well attended. The Hon Secretary Mrs V.King, the Assistant Hon Secretary, Miss N.Harrower, and the Hon Treasurer, Mrs E.I.Stenhouse, were also in attendance.

The past season, the Report stated, had been the finest yet experienced by the Association. It was expected that strong ladies Clubs would shortly be in existence in Townsville and Mackay, and efforts would be made to establish Clubs in Toowoomba and Dalby. The Committee had no fear in regard to financing a team to Melbourne this season, as a substantial profit had been made from the Australian Championship Carnivals. 12 Clubs were affiliated. Reference was made to the various interclub carnivals, the visits to the various districts (including the north) and the State and Australian Championships. A profit of approximately '60 was derived from the championship carnivals which 'secured more public support than any previously held. Thanks were expressed to the Valley, Commercial, Gymnasium and Metropolitan Clubs, the Empire Theatre, Mrs Wylie, and the "Courier" who assisted in making the stay of the visitors enjoyable.

On the question of bathing accommodation the Report stated it was insufficient, and that it was necessary that the City Council be again urged to provide up-to-date baths for ladies only. Thanks were expressed to the Q.A.S.A officials and others, and to the Press, especially the "Sports Referee".

On the motion of Mrs Hale, seconded by Mrs Thompson, the Report and Balance Sheet were adopted.

The President congratulated Mrs King on the splendidly capable way in the way she had carried out her duties in the past strenuous year. Mrs Thompson echoed the President's remarks. Appreciative reference was also made by Mrs Hale to the good work of other officers.

Election of Officers resulted - Patroness, Mrs F.W.de Little; President,

Mrs H.J.Hale; Vice Presidents, Mesdames M.Baldwin, L.Gordon, W.Patterson, C.R.J.Dahl, A.Costin, M.Thompson. A.Springfield, I.Newman, the Mayoresses of Brisbane and South Brisbane, and the Presidents of Affiliated Clubs; Hon Handicappers, Misses M.Singer, Pibworth, E.Connor; Hon Auditors, Messrs W.Kuder and W.H.Duffy Jnr; Advisory Board, Hon E.J.Stevens M.L.C, Messrs D.S.Carter. W.Kuder, H.J.Hale, W.H.Duffy Jnr, F.W.Springfield and W.J.Schrey; Hon Secretary, Mrs V.King; Assistant Hon Secretary, Miss N.Harrower; Hon Treasurer Mrs E.I.Stenhouse.

Mrs King moved that the State Championship team be increased from 3 to 6, and thus reverting to the old system. She thought the change would be beneficial. Mrs Springfield then moved an amendment that the team be of 3 members, and there be a race for Flying Squadrons of 6 members as well. The amendment was carried-

A special vote of thanks was accorded Messrs D.S.Carter, W.Kuder, and J.Roche for their helpful services.

SWIMMING

The first meeting for the season of the Council of the Queensland Amateur Swimming Association was held last evening, Mr D.S.Carter presiding over a good attendance.

Affiliation was granted to the Coorparoo Club and the delegates were welcomed. The matter of instituting the Dowzer Memorial was left in the hands of the President and Secretary who were instructed to interview Mr De Little regarding the holding of an event open to country members only. It was agreed to ask the Executive to draw up the conditions for the Association Cup and a series of long distance events, to be submitted to the next meeting of Council, together with the arranging of the 3 Mile Swim and selection of a suitable date.

Applications from Clubs hoping to hold a State Championship at their carnivals will close at the next Council meeting on November 5.

The Secretary was instructed to call together representatives from Clubs wishing to enter teams in the Water Polo competition.

The following officials were elected - Chairman, Mr D.S.Carter; Hon Secretary, Mr W.Kuder; Hon Treasurer, Mr J.Roche; Executive, Messrs

F.E.Duncalfe (Toowong), W.H.Duffy (Maryborough), W.J.Schrey (South Brisbane), A.W.Halford (Federal), R.H.Bunting (Rockhampton); Standard Timekeeper, Mr F.Springfield Snr; Official Starter, Mr F.E.Duncalfe.

SWIMMING

The heats of the 100 yards Championship of Queensland were contested in the Booroodabin Baths last evening. The water was nearly fresh and very heavy, militating against good times.

In the first heat F.W.Springfield (Valley), D.Sunderland (Commercial) and G.W.Bouchard (Toowong) were the starters and finished in the order mentioned. The finish was close, and the time 1.6 3/5.

The second heat was won by A.Linton (South Brisbane), W.I.Price (Valley) was second, and W.Carr (Toowong) third. The race was won by about one foot in a time of 1.5.

The first and second in each heat and H.Baker of Rockhampton will contest the final tomorrow evening.

VALLEY CLUB'S CARNIVAL PIERCE 100 YARDS CHAMPION

An excellent programme was provided at the Valley Amateur Swimming Club's carnival in the Booroodabin Baths last evening. The 100 yards Championship resulted in a narrow win for Les Pierce of the Valley Club who was loudly applauded by the large attendance.

Pierce is of good physique, and his early wins include the 100 yards Breast Stroke Championship of State Schools in the year 1912, and two years later he annexed the 60 yards Junior Championship of Queensland in 37 seconds. Last year he won the 100 yards Valley Club Championship, his time being 1.3. It is interesting to note he has only been in training for seven days before the race. He was performing military duties at Lytton when representations were made to the authorities and he was allowed a week's leave to train for the Championship.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs H.J.Hale, A.W.Halford, J.Fitzgerald, H.Hiley; Judges of Diving, Messrs D.S.Carter, W.Kuder, W.J.Schrey; Call Stewards, Messrs H.New, G.Budd; Timekeepers, Messrs F.Springfield (standard), P.Sykes, C.W.R.Just, R.H.Bunting; Starter Mr F.E.Duncalfe; Check Starter, Mr W.B.Swain; Costume Stewards, Messrs D.Byrne, J.Nicholson; Clerks of Course, Messrs J.Hiland, J.Lloyd; Result Steward, Mr J.McCarn; Press Steward, Mr W.J.Schrey; Post Entries Steward, Mr W.H.Crease; Hon Secretary, Mr H.New.

Results -

Novice Handicap 30 yards (Club) - R.O'Neill 1, J.Campbell 2, F.Parsons 3

Bob Thurlow Memorial 60 yards (Club) - J.Brett 1, B.Spiro 2, J.Springfield 3

100 yards Championship of Queensland - L.Pierce (V) 1, H.Baker (Rock) 2, A.Linton (SB) 3. F.W.Springfield (V) and D.Sunderland (Com) also started. This was a splendid race. Springfield got the best of the start, but at the end of the first lap Pierce and Baker were in the lead closely pressed by the others. In the second lap Linton closed on Pierce and Baker who were together in the lead. Pierce and Baker turned together for the third lap, the excitement running very high. A splendid race ensued, Pierce being in the lead a few inches in advance of Baker who was closely attended by Linton. Amid great excitement Pierce won by about a yard from Baker with Linton a very close third. Time 1.5 1/5.

Junior Interclub Handicap - G.McGovern (Rock) 1, R.McFarlane (Com) 2, K.McMurray (Fed) 3.

LADIES SWIMMING CARNIVAL VALLEY WINS TEAMS CHAMPIONSHIP 30 YARDS JUNIOR CHAMPIONSHIP WON BY T.CAVILL

An excellent programme of events was provided by the Queensland Ladies Amateur Swimming Association for its carnival in aid of patriotic Funds which was held in the South Brisbane Baths on Saturday. There were good entries and keen contests, but the attendance was by no means commensurate with the attractiveness of the proceedings. As usual, the baths Manager, Mr W.R.Blake, had made excellent arrangements for the comfort and convenience of both the competitors and spectators.

The officials were - Referees, Mrs H.J.Hale, Mr D.S.Carter; Judges, Messrs H.J.Hale, A.W.Halford, H.Hiley; Judges of Diving, Messrs D.S.Carter, W.Kuder; Timekeepers, Messrs F.Springfield Snr, R.H.Bunting, H.Sunderland, J.Pike; Starter and Result Steward, Mr F.E.Duncalfe; Check Starter Mr W.Kuder; Press Steward, Mr A.Byrne; Call Stewards, Misses M.White, M.Hair; Clerks of Course, Misses Fell, Thurlow; Costume Stewards, Mesdames Springfield, Thompson; Hon

Secretary, Mrs V.King; Hon Treasurer Mrs E.I.Stenhouse.

Results -

B Grade Junior Interclub Handicap - (Misses) P.Kuder 1, K.Collie 2, D.Heslehurst 3

Flying Squadron Teams Championship of Queensland (6 in a team, each to swim one lap) - Valley Team (M.Springfield (Capt), A.Alexander, R.Sylow, T.Cavill, E.Venning, E.Connell) 1, Brisbane Gymnasium Team (M.Grant (Capt), M.King, J.King, V.Hale, L.King, C.Francis) 2, Commercial Team (I.Spottiswood (Capt), J.Robinson, V.Ryder, M.Roughead, G.Shelley, V.McWilliams) 3. Time 2.12 3/5. This was an interesting race but Valley held the ascendancy throughout. The slight advantage secured by the end of the first lap was more than maintained in the next two, Gymnasium being next and Commercial well behind. When the fifth lap was completed, Valley led by half the length of the baths, and that team won by more than that distance from Gymnasium who were in their turn half a lap ahead of Commercial.

B Grade Senior Interclub Handicap - L.Robertson 1, M.Smith 2, T.Ackworth 3. A close finish.

30 yards Junior Championship of Queensland - T.Cavill (V) 1, R.Sylow (V) 2, H.L'Estrange 3. Time 18 4/5. Miss Cavill led from the word "Go" but to half way was closely followed by Miss Sylow. From there to the finish the leader forged ahead and won by about a yard.

A Grade Senior Interclub Handicap 66 yards - M.Roughead 1, M.Grant 2, E.Venning 3. Won by about three yards.

A Grade Junior Interclub Handicap 66 yards - R.Sylow 1, I.Eaves 2. H.L'Estrange finished second but was disqualified for starting before time.

Neat Diving, Junior - T.Eaves

Brave Relay Interclub Handicap - T.Cavill & M.Springfield 1, Francis & Ackworth 2. A splendid race. Notwithstanding the big start they were giving, the winners swam magnificently, and Miss Cavill, who was swimming the last part of the course, won by a bare touch. There was difficulty in separating the winners.

Neat Dive, Senior - M.Springfield 1, M.Grant 2.

Back & Breast Stroke 40 yards - Sylow 1, Rowsell 2, Smith 3.

A clever and diverting display of swimming was given by Misses Springfield and Alexander (V), M.King and M.Grant (BG), and I Spottiswood and V.Ryder (Com).

NEW PROFESSIONAL BACK STROKE MILE RECORD

At the Booroodabin Baths last evening, in the presence of a number of enthusiasts, Jas W Thompson succeeded in lowering the back stroke world record for a mile, held by T.Morris (Sydney), by over three minutes.

The officials were - Starter, Mr W.Kuder; Judges, Messrs H.J.Hale, F.W.De Little, W.Halford, P.Sykes; Timekeepers, Messrs F and F.W.Springfield, C.W.R.Just, R.H.Bunting; Lap Scorers, Messrs A.Byrne, H.New.

Mr Thompson swam with an easy regular stroke throughout, and finished the mile in 29.4 1/5. The times at various stages were - 100 yards, 1.25; 220 yards 3.19 2/5; 440 yards 6.56; 880 yards, 14.13 2/5; 3/4 mile 21.41. The times recorded by Mr Morris on the occasion he set up his record were - 440 yards, 7.55; 880 yards 15.56; 3/4 mile 24.23; 1 mile, 32.23 3/5.

As Mr Thompson has only one leg, his performance is remarkably good, and he well deserved to applause which greeted his successful effort.

THREE MILE HANDICAP - WIN FOR BURNUP

The annual three mile handicap swim, the premier long distance swim in Queensland, under the auspices of the Queensland Amateur Swimming Association, took place in the Bremer River on Saturday afternoon. The weather was warm and sunny and a strong tide was with the swimmers throughout the journey, while a good wind blew throughout. Though colours were supplied to be worn by all competitors, this was not done. There was a large gathering at the starting point and along the banks along the course. Altogether there were 74 entries, 52 from Brisbane and 22 from Ipswich, but 20 failed to appear on the mark, so 54 actually started. The prizes were valued at p2/10/-, /1/10/-, and 1/1/- for first, second, and third, respectively, with a gold medal valued at 41/1/- for the swimmer covering the distance in the fastest time, and 5 honour caps or badges for the Club possessing the 5 fastest swimmers.

The officials were - Referees, Messrs D.S.Carter, W.Johnston; Judges, Messrs H.J.Hale, F.W.De Little, J.Fitzgerald, P.McDonald, S.J.Morgan, D.Gardiner; Timekeepers, Messrs K.Skippington, F.Larter, F.Springfield, P.Sykes, R.H.Bunting, P.W.Pratt; Starter, Mr W.Kuder; Check Starters,

Messrs W.B.Swain, T.Kent; Press Stewards, W.H.Tilley, W.J.Schrey; 1 mile Checks, Messrs A.J.Schaffer, L.Higgs, J.McKenna, H.Hiley; 2 mile Checks, Messrs W.Tilley, A.Stirling, W.Spell, A.Halford; Clothes Stewards, Messrs W.Lane, W.H.Crease; Costume Stewards Messrs Doyle, R.J.Fallon, J.A.Lloyd; Call Stewards, Messrs H.New, G.Budd; Hon Secretaries, Messrs W.Kuder, E.H.Tilley.

The course was from the Booval pump below the Butter Factory to Collins Wharf below Bell Street in the Ipswich reach. The race was timed to start at 3pm but it was half an hour later when the limit men were sent on their long journey.

At the Tivoli Bridge S.Green (V) had to retire suffering from cramps, and 200 yards further on W.Boody (Ips) got out. At this point the leaders were A.Johnston, C.Arkell, W.Burnup and H.Davis (T). Conditions at the 2 mile peg were the same, Davis following about 20 yards from Burnup. Johnston reached the 2 mile peg in 55.26, Arkell in 56.30, and Burnup in 57. Around the bend, Burnup, who was swimming a nice long stroke, overtook Arkell and set out after Johnston who was leading by about 130 yards. He was gaining every yard for the next quarter mile, and when nearing Hancock's Sawmill had made up 70 yards of the deficit. The distance between Arkell and Burnup was at that point about 100 yards, Davis being a similar distance away fourth. Opposite the sawmill Burnup closed on Johnston and an exciting struggle ensued for first honours. Burnup took the lead at the Basin but his pace was much slower, and Johnson also slowed up.

Approaching the bend for the last part of the race Johnson was seized with

cramp but hung on. Burnup kept his lead and touched the rope first, Johnson (Wattles) was second, and a good distance behind, R.Day (Commercial) was third, and H.Davis (Toowong) fourth. Times were 1.34.38, 1.39.16, 1.39.52, 1.41.10 respectively. The last man home, G.Phillips (Ips) time was 2.12.48.

Mullins, last year's winner of the fastest time, retired after the first mile. F.W.Springfield secured fastest time.

BIG BLOCK LADIES CLUB

Manly Jan 20

The Big Block Ladies Swimming Club paid a visit to Manly yesterday afternoon to contest a number of handicap events in the Manly Baths. The weather was boisterous and the races took place in a heavy swell.

(Results were given)

Nearly fifty members sat down to be served tea in the Kiosk, after which, singing and dancing were enjoyed on the jetty head.

METROPOLITAN GIRLS CARNIVAL SUCCESSFUL EFFORT

Both as a sporting fixture and a highly diverting entertainment, the first Interclub carnival of the Metropolitan Girls Amateur Swimming Club held at the South Brisbane Baths on Saturday was an unqualified success. The attendance was very satisfactory, the many and varied items elicited keen contests, while such events as the Umbrella & Flag, the Blindfold race, were delightful entertainment. The pleasant novelty was the challenge water polo match, Metropolitan Club v Kelvin Grove Club, this being the first ladies water polo match played in Queensland. Another admirable feature was the Fancy Dress Parade. Mr W.R.Blake, the Superintendent of the Baths had made peak arrangements for the comfort and convenience of spectators and competitors alike. Prizes were presented by the Senior Vice President of the Club, Mrs John Macgregor. By thus presenting the various prizes on the day they were won, the Club set a precedent which might well be followed by the other Swimming Clubs.

The officials were - Referee, Mrs H.J.Hale; Referee of water Polo, Mr W.H.Crease; Judges, Messrs H.J.Hale, H.Hiley, A.W.Halford; Starter, Mr F.E.Duncalfe; Check Starter, Mr G.Budd; Timekeepers, Messrs F.Springfield, W.Kuder; Result Steward, Mr R.J.Fallon; Press Steward, Mr W.J.Schrey; Call Stewards, Mesdames Stenhouse, Thompson; Clerks of Course, Messrs J.A.Lloyd, W.J.Schrey; Costume Stewards, Mesdames King, Springfield; Hon secretary, Miss Girlie Gavin; Hon Treasurer, Miss E.Thohe; Club Handicapper, Miss P.Brunnich.

Results -

Club Championship 50 yards - (Miss) I.Maynard 1, A.Bale 2, V.Huggon 3. These were the only three starters. Miss Maynard took the lead from the word

"Go" and finished the first lap slightly ahead of Miss Bale. The leader continued to forge ahead and won comfortably by about 4 yards in a time of 55 seconds.

A Grade Senior Interclub Handicap 66 yards - D.Maddocks 1, K.Collie 2, P.O'Brien 3. Miss Maddocks went off 10 and swam after the other three starters in fine style. She caught them when three parts of the final lap was swum, and won splendidly.

Interclub Umbrella & Flag race - M.Grant 1, A.Alexander 2, M.King 3

A Grade Senior Interclub Handicap - M.Springfield 1, V.Ryder 2, E.Venning 3. This was a particularly fine race, only a touch separating the three swimmers.

Fancy Dress parade - This was a genuinely laughable event. The variety of wondrous costumes, comic gestures and humorous by-play taking the fancy of the crowd. The climax came when the competitors were dispatched on a swim which they effected more quaintly even than they did the parade. The prize was won by Miss P.Huggon who was cleverly disguised as a Rooster. A special prize was awarded to Miss M.Grant.

B Grade Club Handicap - B.Rhodes 1, V.Atwell 2, E.Millard 3

Blindfold Swim - M.King

A Grade Club Handicap - E.Thone 1, S.Hodge 2, I.Maynard 3

Water Polo - Metropolitan v Kelvin Grove - A draw resulted, 2 goals all

AUSTRALIAN LADIES CHAMPIONSHIPS 220 YARDS WON BY MISS DURACK

The Australian Ladies Championship Carnivals commenced on Saturday afternoon at the Brunswick Baths when representatives of New South Wales, Queensland and Victoria competed in the 220 yards, 150 yards Squadron Teams, and Diving Championships of Australia, and other events.

The 150 yards Squadron Teams Championship provided one of the finest races seen in Victoria. Each swimmer had to swim 50 yards. Miss Durack (N.S.W), Miss Richardson (Vic) and Miss Alexandra (Qld) (Note: the mis-spelling of Alexander. Ed) were the last to leave the board for their respective States, and Miss Durack touched the rope slightly ahead of Miss Alexandra and Miss Richardson. The time was 1 min 39 sec.

There were four starters for the 220 yards Championship of Australia. An excellent start was affected though Miss Durack (N.S.W) was somewhat late in reaching the water. After the first 100 yards had been covered Miss Durack took the lead and won easily in 3 min 3 3/5 sec. Miss Wylie (N.S.W), who swam a great race throughout, was second, and Miss Beaurepaire (Vic) a good yard away, third.

The Diving Championship of Australia was won by Miss L.Beaurepaire with 29 points, Miss L.Fevyer (N.S.W) was second with 28 points, and Miss D.Shippen (N.S.W) third with 26 points.

In the Interstate events, Miss Mabel Springfield, the Queensland champion, won the 100 yards Interstate Handicap off 6 sec from Miss Beaurepaire (Vic) 7 sec, and Miss M.Richardson (Vic) 9 sec in 1 min 22 1/5 sec. The race was splendidly contested and resulted in almost a dead heat.

Miss Springfield (Qld) 7 sec gained second place to Miss Alexandra (Qld) scratch in the 50 yards Back Stroke Handicap, Miss J.Dennis (Vic) was third. The time was 53 sec. Under a new system of handicapping, however, Miss M.Springfield (Qld) and Miss P.O'Brien (Qld) were disqualified for exceeding their time limit. Miss Springfield who broke her time limit of 60 sec in the 50 yards Back Stroke Handicap by 5 sec strongly protested against the decision of the Judges and she was permitted to start in the final which was won by Miss E.Angus (Albert park) 5 sec in 58 3/5 sec. Miss I.Crossley (Albert Park) 2 sec was second and Miss N.Sloan (Albert Park) was third.

The carnival will be continued at the Glenferrie Baths this evening when the 440 yards Championship of Australia will be decided.

Other events on Saturday resulted -

50 yards pen Handicap - Miss L.King (Qld) 17 sec 1, Miss M.Horne (Half Moon Bay) 15 sec 2, Miss N.Sloan (Albert Park) 14 sec 3. Time 51 sec. Miss P.O'Brien (Qld) won the first heat from Miss B.Lovelace (N.S.W) 11 sec but she was disqualified.

Miss Lovelace (N.S.W) 6 sec secured second place in the first heat of the 50 yards Breast Stroke Handicap to Miss Dennis (Half Moon Bay).

Flag Race 50 yards - A.Steele (Vic) 1, D.Booth (Vic) 2, B.Collis (Vic) 3.

LADIES CHAMPIONSHIP CARNIVAL

At the Q.L.A.S.A Championship Carnival to be held in the South Brisbane Baths next Saturday afternoon, Misses A.Alexander and E.Venning will be seen at their best in the 10 yards Breast Stroke and the 220 yards State Championships. Miss Alexander, who won the Valley Club's 60 yards Championship in the excellent time of 40 1/5 seconds, is stated to be improving with every swim. Miss Venning, who is also doing well, gave a very creditable account of herself in the last Australian Championships, swimming second to Miss Mina Wylie, the world's breast stroke lady champion. The afternoon programme includes a Fancy Dress Parade, Flying Squadron Handicap (six girls in a team), Diving, and races for various grades of Junior and Senior girl swimmers.

LADIES CHAMPIONSHIP CARNIVAL MISS E.VENNING'S SUCCESS

The closing Championship Carnival of the Queensland Ladies Amateur Swimming Association was held in the South Brisbane Baths last Saturday and was very well attended. Miss E.Venning won both the 100 yards Breast Stroke and the 220 yards Championships.

For the 220 yards Championship there were originally four entries, namely, Misses M.Springfield (V), A.Alexander, (V) E.Venning (V) and Ivy Maynard (Met). Miss Springfield is absent in the Central Districts touring with the Association's team, while, by a remarkable coincidence, a third A Grade swimmer fell ill and was unable to participate in the race. There were therefore only two starters, Misses Venning and Maynard, the last named a B Grade swimmer, and this is the first time in the history of swimming in Queensland that a B Grade girl has had the pluck to enter for a Championship. Her enterprise was rewarded by winning the second gold medal.

The carnival officials were - Referee, Mrs H.J.Hale; Judges, Messrs D.S.Carter H.J.Hale, J.Fitzgerald, A.W.Halford; Judges of Diving, Messrs D.S.Carter, A.W.Halford; Timekeepers, Messrs F.Springfield, R.H.Bunting; Starter, Mr F.E.Duncalfe; Check Starter, Mr W.B.Swain; Press Steward, Mr C.E.J.Dahl; Call Stewards, Miss M.White, Messrs G.Budd, J.Lloyd; Costume Stewards, Mesdames Springfield, Gordon; Cloak Stewards, Miss P.Deller, Mrs Costin; Referee Stewards, Misses Thurlow, I.Newman, A.White, Mrs Ryder; Association Handicappers, Misses S.Lynch, M.Singer, Mrs Pibworth; Hon Treasurer, Mrs J.Stenhouse; Hon Secretary, Mrs R.King.

Results -

Fancy Dress Costume - (Misses) H.Thompson (as a butterfly) 1, Gwen Mendoza (as a dancing girl) 2, M.Roughead ("bridge") 3. Mrs De Little judged the costumes.

100 yards Breast Stroke Championship of Queensland - E.Venning (V) 1, M.Grant (Gym) 2. Miss Venning took the lead from the start and swimming well drew away and won easily in 1.35 1/5. Miss Grant's time was 1.40.

Schoolgirls Handicap 33 yards - V.Weeks 1, R.Sylow 2, D.Hamilton 3

Flying Squadron Handicap 220 yards - Commercial (I.Robinson, V.Ryder, J.McWilliams, G.Shelley, R.Britton, L.Burgess) 1, Valley (E.Connolly, E.Smith,

I.Cribb, M.Mayes, I.Watkins, L.Glover) 2, Brisbane Gymnasium (M.Grant, V.Hale, G.Francis, D.Hamilton, V.Shead, M.Thompson) 3. A fine race well won by the Commercial team.

B Grade Senior Sydney Riley Handicap 33 yards - Maddocks 1, R.Britton 2, L.King 3. A close race.

Junior Handicap - I.Woolstein 1, D.Hamilton 2, T.Glover 3. Won by a touch, with a touch between the next two.

220 yards Championship of Queensland - E.Venning (V) 1, Ivy Maynard (Met) 2. The winner swam strongly and held the ascendancy throughout winning easily in 3.18 4/5. Miss Maynard's time was 4.10 3/5, and when she finished she was warmly applauded for her plucky effort.

A Grade Senior Nissen Handicap 66 yards - M.Roughead 1, E.Connell 2, V.Hale 3, a touch separating the three placed girls.

Neat Dive - E.Connell

Gathering Corks - I.Maynard 1, L.King 2.

ASSOCIATION'S TEAM AT BARCALDINE

Barcaldine April 13

Considerable interest has been taken locally in the exhibitions of the team of lady and gentlemen swimmers from Brisbane. These included F.Springfield and his sister, the Misses King (2), Les Pierce (100 yards Sprint Champion), E.S.Collin (Champion in Breast Stroke), George Carr (Diving Champion), and J.Gillan (ex Schoolboy Champion). Members of the team have given exhibitions of their capabilities in the local baths of which all speak in the highest terms. Mr W.Kuder, Manager of the team, says the baths are a credit to the town and the district. The proceeds of the exhibition will go to the Red Cross Funds. The visit of the team will conclude tomorrow afternoon with a carnival.

The presence of the swimmers has proved of much educational advantage to local swimming enthusiasts.

NEW WORLD'S RECORD

The annual breaking-up carnival of the Valley Amateur Swimming Club was held in the Booroodabin Baths last night, there being a fair attendance of spectators. The principal attraction of the evening was the successful attempt on the World's Back Stroke Quarter Mile Record by Mr J.W.Thompson, who in January last at the same baths swam 440 yards in 6.56. On November 10 in 1917 T.Morris covered the same distance at the Domain Baths, Sydney, in 7.55, but neither of their times stands as a World's Record because on each occasion the time taken was for part, the first quarter, of the mile swim. Thompson, who was in fine form, improved on his previous performance with ease, for he swam the quarter mile in 6.34, this being faster than Morris' time in Sydney, Official times for the distances were - 100 yards 1.21, 220 yards 3.8 4/5, 440 yards 6.34.

Officials were - Timekeepers, Messrs F.Springfield, C.W.R.Just, R.H.Bunting; Judges Messrs F.W.De Little, H.J.Hale, W.Kuder; Starter, Mr F.E.Duncalfe; Lap Scorers, Messrs F.W.Springfield, P.Sykes.

During the evening the Robert Thurlow Memorial Cup was presented to J.Brett, the winner on points during the season over various distances. Results -

Novice Handicap - T.Donovan 1, J.Campbell 2, H.Edwards 3

60 yards Junior Championship - C.Atwell 1, W.Cleary 2, C.Cormack 3

100 yards Senior Club Championship - F.W.Springfield and L.Pierce a dead heat. Time 1.4 2/5. To be swum off at a later date.

Junior Handicap - S.Green 1, W.Cleary 2, H.Wrench 3

Senior Handicap - E.S.Collin 1, J.Brett 2, F.W.Springfield and W.Burnup dead heat 3

Dive, Novice - W.Houghton: Junior - C.Arkell: Senior - E.S.Collin
Consolation Handicap - H.Wrench 1, G.Neave and C.Smith dead heat. Polo
Match - Valley B beat Valley A by 5 goals to 3.

QUEENSLAND AMATEUR SWIMMING ASSOCIATION
A FLOURISHING BODY

The Twentieth Birthday of the Queensland Amateur Swimming Association was marked last night when the Annual Meeting was held in the National Association's Rooms, Courier Building.

Mr D.S.Carter, who presided over the large attendance, congratulated the Association which, he said, looked back with pride on its growth and to the fact that some of the original Clubs were still to be found in the Association. He referred to the value of carnivals in promoting a spirit of good natured rivalry and to maintaining a high standard in the sport. During the past season a number of carnivals had been conducted with marked success. The Association had adopted a fitting and practical method of keeping green the memory of members, who had laid down their lives for King and Country, by founding Memorial Races.

The striking lack of bathing accommodation in Brisbane was emphasised by Mr Carter who declared it was the duty of every parent, the Education Department, and the Municipal Authorities, to encourage the art and pastime of swimming.

The prospects for the coming season were particularly bright. Several new Clubs were forming in the metropolis and competition promised to be keen.

He congratulated the Association in having a Credit Balance of £148/6/- in assets over liabilities. A sum of 1-100 had been invested in the sixth War Loan.

The President also congratulated F.W.Springfield on continuing to maintain an active interest in the sport and setting a fine example to the general body of swimmers. He paid a tribute to the splendid services rendered by Mr Kuder in the capacity of Hon Secretary.

The Annual Report of the Hon Secretary, Mr W.Kuder, showed that the Affiliated Clubs numbered 34. Longreach and Barcaldine Districts were now included in the Association. Visits were paid during the season to several country Centres in which great public interest was manifested. The Executive noted with satisfaction that its recommendation that each Club should erect an Honour Board at its headquarters was being generally carried out. Mr Kuder, in speaking to the Report, said that the Association could congratulate itself on its splendid financial position. He foreshadowed the holding of a big Patriotic Carnival in the Dock during November and emphasised the desirability of each Club having its own Honour Board.

The Report and Balance Sheet were adopted.

The following officers were elected for the coming season - Patron, Hon E.J.Stevens M.L.C; President, Mr D.S.Carter; Vice Presidents, Messrs F.Springfield Snr, F.W,De Little, M.J.Barry, M.Baldwin, F.E.Duncliffe, J.H.Grice, W.H.Hinch, J.Hiron, J.W.Blair, Hon T.C.Beirne M.L.C; Sprint Handicapper, Mr W.H.Duffy; Long Distance Handicapper, Mr J.Pike.

STATE SCHOOLS ASSOCIATION

"A noticeable improvement in the physique and general health of the children as a result of the arrangements and assistance given to them by the teachers to become proficient in swimming," was a striking sentence in the Report at the Annual Meeting of the State Schools Amateur Swimming Association last evening, by the Hon Secretary, Mr A.Griffiths. Mr J.Daly occupied the Chair. The Report further stated that the Association consisted of 35 Clubs composed of 22 metropolitan and 13 country Clubs, an increase of 7 Clubs. The total membership of the different Clubs was 4379 boys of whom 1327 had been taught to swim. Special attention had been given to Life Saving.

The Report was adopted.

The Financial Statement showed a Credit Balance of £2/17/3.

Mr C.Robertson moved and Mr J.J.Dempsey seconded, "That the Department of Public Instruction be approached by a deputation regarding the appointment of a State organiser, who should be specially instructed to attend to the teaching

of swimming to boys and girls in the State Schools." The motion was carried.

Election of officers resulted - Patron, the Minister for Public Instruction; President, Mr J.D.Story; Vice Presidents, Hon E.J.Stevens M.L.C, Mr M.J.Kirwan M.L.A, the Mayor of Brisbane, the Mayor of South Brisbane, Messrs A.R.Kennedy, J.Daly, J.L.Callaghan, Lieut G.G.Weymouth, and Metropolitan Inspectors and Head Teachers; Committee, Messrs M.Bell, A.Griffiths, G.Daughtrey, H.R.Buchan, W.H.Morrow, C.Brooks, E.Chambers; Hon Secretary, Mr W.F.Stanley; Assistant Hon Secretary, Mr W.Pilkington; Hon Treasurer, Mr W.F.Stanley; Auditors, Messrs A.Griffiths, W.H.Morrow.

Q.L.A.S.A ANNUAL MEETING

The Fourteenth Annual Meeting of the Queensland Ladies Amateur Swimming Association attracted a large attendance to the National Association's Rooms, Courier Building, last evening.

The Report stated that the past season had been very busy and successful. The Association was increasing in popularity and there had been an increase of Clubs in the country. 11 Clubs were affiliated. The Balance Sheet showed a Credit of £5/12/3, and this was regarded as very satisfactory in view of the expenditure of £39/2/- entailed by sending a team of representatives to compete in the Australian Championships in Melbourne. The Association would have to finance a team to Sydney in the coming season, and it would be necessary for the incoming Council to hold a carnival to raise the necessary funds. The Executive had again to record the lack of bathing accommodation, but the hope was expressed the City Council would shortly provide baths for ladies only.

The election of officers resulted - Patroness, Mrs F.W.De Little; President, Mrs E.L.Stenhouse; Vice Presidents, Mesdames W.Patterson, A.Springfield, M.Baldwin, L.Gordon, M.Thompson, L.Newman, A.E.Costin, C.R.J.Dahl, M.E.Ryder, J.H.Grice, W.Kuder, H.J.Hale, Mayoresses of North and South Brisbane, Presidents of Affiliated Clubs; Hon Handicappers, Misses M.Singer, N.Lynch, Mrs Pibworth; Hon Auditors, Messrs W.Kuder, W.H.Duffy Jnr; Advisory Board, Hon E.J.Stevens M.L.C, Messrs D.S.Carter, W.Kuder, H.J.Hale, W.H.Duffy Jnr, E.W.Springfield, W.J.Schrey; Hon Secretary, Mrs V.King; Assistant Hon Secretary, Mrs H.Newman; Hon Treasurer, Miss M.Springfield.

PROPOSED NEW BATHS FOR IPSWICH

A conference took place yesterday in the Mayor's Rooms, Ipswich, between the Ipswich City Council Aldermen and representatives of the Ipswich Swimming Centre to discuss matters relating to the proposed new baths. The Mayor (Ald Barker) presided and there were only two absentees out of the 12 Aldermen - Ald Nimmo through bereavement, and Ald Green through a prior engagement. Messrs W.Pratt (President) and E.H.Mair (Secretary) represented the swimmers.

The Town Clerk, with the permission of the Mayor, made the following statement at the conclusion of the discussion which lasted nearly 2 hours "The matter was fully discussed and the need and urgency which exists for new baths was admitted by all the Aldermen. All were unanimous in their desire to assist in every way possible, and certain steps were decided on which in all probability will bring the erection of the baths nearer to fruition than had ever been the case before. The representatives of the sporting bodies present expressed their thanks to the Aldermen for listening to the arguments which they had put before them, and also to the unanimous desire shown, proving that what they had laboured for, for many years, was now about to be realised. They promised to assist the Council in every way in the matter of finances, and every other way they could."

Mr Bayne added that the Mayor was in receipt of a letter from Mr F.A.Cooper M.L.A stating that the Minister for Education (Mr Hardacre) would be passing through Ipswich on Saturday afternoon and would be pleased to meet the Aldermen at the old Girls Central School grounds at 2.45. It had been arranged that as many members of the Council as possible should attend, and that Messrs Pratt and Mair would represent the swimming fraternity. It is desired to urge the Minister to allow a portion of the site at the corner of Bremer and East Streets to be utilised for the erection of up-to-date baths for Ipswich.

AMATEUR SWIMMING

Mr D.S.Carter presided over a meeting of the Council of the Queensland Amateur Swimming Association last evening. A number of letters were received from Clubs enclosing affiliation fees and submitting names of delegates. The Ipswich Amateur Swimming Centre wrote in reference to the 3 Mile Swim, and also to the effect that the Aldermen of the Ipswich Council were in favour of erecting new swimming baths in that city. Mr W.Pratt, who represented the Ipswich Swimming Centre, said that Ipswich would do all that was necessary in the making of arrangements for the 3 Mile Swim. The drawing of Championships resulted - A.N.A Australia Day, 100 yards; Coorparoo, 100 yards Breast Stroke; Maryborough, 60 yards Junior; Toowong, 880 yards; Wattles, 1 Mile; Maroochydore, 1320 yards; South Brisbane, 440 yards; Valley, 220 yards Breast Stroke.

The Foundation Day Celebration Committee wrote offering £15 for a carnival to be held on Australia Day. The Chairman announced that the Ladies Association had decided to join in with the Q.A.S.A and run a combined carnival. The Executive Committee was empowered to arrange a programme.

It was agreed that the Secretary should convene a meeting for Friday next to form a Water Polo Association.

INSTRUCTION IN DIVING GIRLS GRAMMAR SCHOOL SWIMMING CLUB A CITY COUNCIL DISCUSSION

The Ferries and Baths Committee in its report read at the meeting of the Brisbane City Council yesterday recommended that permission be given for the attendance of a male instructor at the weekly swimming practice for the Brisbane Girls Grammar School Swimming Club at the City Baths, Arthur Street, on Tuesday afternoons from 3 to 4 o'clock in compliance with a special request

from the school's swimming mistress.

Ald G.Down moved as an amendment that the following words be added to the report, "providing that no objection is raised by other ladies." Ald J.Crase seconded the amendment.

Ald Hetherington said he though there should not be any demur at the appointment of a male instructor. He enjoyed mixed bathing, and he was not ashamed to say so. If ladies in the baths objected to a man being there, those ladies could get out.

The Mayor he said he intended to remain silent on the question. He held it was not the right thing to have mixed bathing in small baths. He had taken a firm stand on the matter and had received letters of congratulation for doing so. Could they not get a good female teacher? He thought so. He still held it to be immoral to have mixed bathing in such small baths. Aid Down said he quite agreed with the Mayor's view. A competent girl teacher could be found, he thought.

On putting the motion to the vote the amendment was lost and the recommendation was adopted, the minority comprising the Mayor and Aldermen, Crease, Down and Buchanan.

The application discussed referred to a decision by the Ipswich Girls Grammar School Swimming Club to obtain the honorary services of Mr G.Carr, the well known high and fancy diver. Instructors in diving are very difficult to obtain, particularly in an honorary capacity.

Maryborough Nov 4

At the Annual Meeting of the Maryborough Ladies Amateur Swimming Club, Mr Geo Smoothy presiding, the Secretary, Miss E.S.Kinne, presented the Annual Report which showed that the membership at the opening of the season was 80 senior and 8 junior girls. The Balance Sheet showed that the Credit Balance at the beginning of the year totalled £11/18/1, Receipts amounted to £7/16/6 and Expenses to £9/0/1 leaving a Credit Balance of £10/4/6. Mrs Ebeneter was elected Patroness, Mr A.H.Reed President, and Miss M.Pryce Secretary. Mr George Smoothy was appointed Handicapper and Instructor. It was decided to affiliate with the Queensland Ladies Amateur Swimming Association, and Miss Mabel Springfield was appointed the Club's Delegate.

"JACKS DAY"

Just as sure as our soldiers have done their share in bringing about peace, our sailors, who day by day and night by night in the cold and bitter North Sea, the British Channel, the Atlantic Ocean, everywhere they were needed at any time, were doing their duty, and their duty is not yet ended. So, in the midst of our rejoicing let us remember "Jack".

Mr Fipper, Chairman of the Appeal Committee, stated the appeal was already meeting with encouraging responses, and when the public of Queensland became fully seized with the importance of the effort, the results should assume far greater proportions than at present.

The Mayor of Ithaca is in charge of the operation of "Jacks Day" in his district, and on November 27 a swimming carnival will be held in the Ithaca Baths.)

Q.L.A.S.A. MEETING

At last night's meeting of the Queensland Ladies Amateur Swimming Association, the President, Mrs J.W.Stenhouse in the Chair, the drawing for the State Championship events resulted - 50 yards, Valley Ladies Club; 30 yards (Junior), Commercial Ladies Club; 100 yards, Coorparoo Ladies Club; 150 yards Teams Race, Brisbane Gymnasium Club; 440 yards, Foundation Day Committee.

Owing to Henley Day Regatta falling on December 14, it was decided to change the annual carnival from December 14 to December 19, to be held in the Booroodabin Baths.

The resignation of Miss Singer as Handicapper was accepted with regret and Miss Janice Petrie was elected in her stead.

The arrangements for the Association's trip to the Tweed were completed, and T shirts may be obtained from the Secretary, Mrs King, at the Cafe Majestic tomorrow evening. The arrangements for "Jacks Day" on November 19 were discussed, and a cake stall will be conducted in front of Finney Isles & Co's establishment.

The Queensland State Schools Girls Swimming Association reported the affiliation of Valley, Junction Park, Petrie Terrace, Breakfast Creek, Bulimba, West End, Brisbane Central and Kelvin Grove.

THREE MILE HANDICAP - A WIN FOR HERRICKS

Ipswich Nov 23

The annual 3 mile swim from Booval to Ipswich took place in the Bremer River today. The weather conditions were ideal. 59 competitors faced the Starter, Mr W.Kuder, the first swimmers diving in at 2.5 o'clock. At the 1 mile post H.Spring and R.Donovan (Valley) passed first in 21.36, E.Cormack in 29.30, then came J.G.Johnson, F.Graham, C.J.Smith, W.Stone, G.Mathewson, E.S.Collin and R.Noonan. Approaching the bend, Spring and Donovan were still together, but their efforts were showing effect. Cormack was 20 yards away third. Johnson was

leading Graham by 6 yards.

At the Tivoli Bridge the positions of the first six were the same. Donovan and Spring passed the 2 mile peg in 1hr 1 min, Cormack was third 50 yards away, then came Herricks, Keenan, Collin, Johnson, Smith and Ferguson.

Approaching Hancock's sawmill, Donovan took the lead from Spring and Cormack, Herricks was fourth, Keenan fifth, and both were rapidly overhauling the leader.

At the Woollen Company bend Herricks took the lead and Keenan displaced the others for second. Up the last stretch both swimmers kept their positions with the St Barnabas Club representative finishing 100 yards ahead of Keenan, the Ipswich representative, with Smith (Valley) third.

The positions of the swimmers and their times were (not including handicaps) - R.Herricks 1.36.37; M.Keenan 1.38.20; C.J.Smith 1.39.29; J.Gillen 1.40.26; R.Mullins 1.40.53; E.Springfield 1.41.6 and the last swimmer J.Creion 2.15.41.

The Teams Race resulted as follows - Valley (F.W.Springfield 1.9.5, E.Springfield 1.9.6, W.Burnup 1.14.21, C.J.Smith 1.16.29, A.Rainey 1.16.45) 1, South Brisbane (J.Gillen 1.18.28, J.A.McGregor 1.16.20, M.Childs 1.22.12, K.Stack 1.28.26, C.Olsen 1.31.11) 2, Toowong (P.Hammond 1.17.32, H.Davis 1.30.05, R.Grimes 1.31.15, C.McDonald 1.41.51, L.Laing 2.06.50) 3.

Results

Interclub Handicap 60 yards - V.Jaeger 1, G.Hunter 2, F.Venning 3

Q.A.S.A Scratch Race 60 yards - 12 swimmers took the water when the pistol

fired - J.Gillen (SB) 1, D.Sunderland (Com) 2, W.Carr (T) 3. Won by three yards - Time 32 2/5 seconds. This was a very fine race. The winner's time was the fastest put up in Queensland since Wickham's record.

220 yards ladies Championship of Queensland - Misses E.Venning (V) 1, M.Springfield (V) 2. L.Sherwell (M'dore) had entered but did not start. Almost from the start Miss Venning, who has a very effective kick, took the lead and at the end of the first lap (110 yards) was 8 yards to the good. 20 yards further on she began to tire, the physique of the older girl telling in her favour, but although Miss Springfield from this point steadily gained on her rival, she was unable to win and finished five yards behind Miss Venning. Miss Venning's Time was 3.16. 4/5 and Miss Springfield 3.21 4/5.

Junior Handicap Q.L.A.S.A 30 yards - Misses L.Woolstein 1, L.Venning 2, M.Charlston 3

LADIES BATHS AT SANDGATE

To the Editor, Sir,

I have read with much sorrow the letters which have appeared in the newspapers recently about the ladies baths at Sandgate. I agree with every one of them. The baths are a shocking disgrace and are in much need of repair. A blind man could not fail to notice those huge gaps through which any middle sized shark could enter with the greatest of ease. It would do the Council good to be sued by some poor people mourning the loss of their dear one who was nipped in two by a shark. I am afraid to venture out to the end - the only place suitable for a dive - for fear a hungry shark may be moving around. Another disgrace is the dressing boxes. Besides being dirty and curtainless, there are not enough of them, and one is obliged to dress out on the platform. One goes to the trouble of taking a house at Sandgate, expecting at least to be able to swim in safety, but finds instead a rickety ramshackle of a bird cage posing as a baths.

Hoping that this letter, together with the others, will help stir those "energetic and progressive" councillors.

I am, Sir,

"Yarooka".

STATE SCHOOLS SWIMMING
RESIGNATION OF COMMITTEE
MORE MINISTERIAL INTERFERENCE

A meeting of members of the Queensland State Schools Amateur Swimming Association was held in the Y.M.C.A last night to receive the resignation of the Committee tendered in consequence of the action of the Minister in connection with the appointment of a Sports Organiser. Mr J.O'Callaghan, Vice President, occupied the Chair. The attendance was very small, there being no more than a dozen persons present including the Chairman, and the Secretary, Mr Stanley. In fact, there were only two members present, outside the Committee, interested.

The Hon Secretary, Mr Stanley, stated that the whole trouble had arisen because of the manner in which the Association had been treated in connection with the appointment of a Sports Organiser. Mr Hardacre had stated plainly that he would appoint an Organiser from the beginning of the year, and asked the Committee to send him the name of the person whom they considered would be suitable to fill the position. The Committee sent in the name of Mr Arthur Griffiths. It seems though, a recommendation was sent in by someone outside the Committee and the Minister had made up his mind to accept that recommendation, and in that way the matter had been taken completely outside the hands of the Committee. The matter was fully thrashed out at a meeting held on Friday night of last week, with the result that a resolution was carried to the effect that the Committee would tender its resignation and present it at a special general meeting. He moved that the resignation of the Committee be accepted. Mr A.Griffiths seconded the motion.

Mr Geo Crawford said he was an applicant for the position but he had been turned down, but he did not quarrel over that, as he considered the Minister had the right to appoint whom he pleased.

Mr W.H.Morrow, Chairman of the Committee, said that what the Committee complained of, was the Minister not carrying out his promise.

Mr Stanley said the Association had the right to make the recommendation, and that had brought the matter to a head. The Association had written a letter in November and had received no reply to it up to January 24, and presumably would have received no reply up till now if it had not written again. If the Association had received a reply in to first instance stating that its recommendation had been turned down, probably there would have been none of the present trouble.

The motion was carried unanimously.

On the motion of Mr Griffiths, seconded by Mr Stanley, it was decided that the President should be notified of the Committee's resignation and the books should be audited and handed to him.

Mr Stanley said he felt in honour bound to continue as Secretary and Treasurer until the president decided whether a new Committee was to be appointed or what course was to be adopted.

The meeting closed with a vote of thanks to the Committee for their past services.

STATE SCHOOLS CARNIVAL
RECORD ENTRIES

The kindly way in which young Queenslanders take to swimming was well illustrated at the 11th annual carnival of the Queensland State Schools Amateur Swimming Association held in the South Brisbane Baths on Saturday. The entries in the various events totalled 736, representing 410 boys from 40 schools, including 32 teams. 57 boys came from the country, representing schools at Nambour, Ipswich, Gatton, Rangeville, East Toowoomba, Southport, Maroochy River, and Logan Village. It will be seen from this that the carnival was a record and that Queensland has a rising generation of enthusiastic swimmers.

An exciting incident occurred during the afternoon during the progress of a race when an 11 year old boy, W.Davis of Junction Park, swallowed some water and was in danger of drowning. Perceiving his peril, Mr A.Ovenden of Yeronga, dived into the water fully dressed and dragged the boy to safety. He was enthusiastically applauded for his timely rescue.

PROPOSED NEW CLUB AT WEST END

Swimmers interested in the formation of a proposed new Club at West End are invited to attend a meeting to be held in the West End School of Arts on Tuesday evening September 23. Several prominent swimmers, including the Graham brothers Pat, Bill, and Fred, all of whom have recently returned from the front, have signified their intention of swimming with the Club in the event of its being formed, and with the other available talent in the district, there is every reason to believe that the Club can be successfully formed.

COMMERCIAL CLUB

The Seventh Annual Meeting was held in the Y.M.C.A Building on Wednesday evening. There was a fair attendance. Mr J.Nicholson occupied the Chair in the unavoidable absence of the President.

The Report submitted by the Hon Secretary revealed the Club had had a very successful season and was in a sound financial position, '13/13/3 being available for the following season. The Club's team had been successful in securing the Life Saving Cup by its success last season. A.Byrne had been successful in securing second place in the 880 yards, 3/4 Mile and 1 Mile State Championships and was fast improving. H.Blake, E.Strange, and W.Hind had won Memorial Races during the season. The President's Trophy and Stenhouse Memorial had been won by A.Byrne. Club Points had been won by W.Hind and A.Johnson (Seniors), and F.Bromley, W.Colclough and H.Hayden (Juniors). W.Hind had secured the Attendance marks. The Championships of the Club had been won by A.Byrne (Senior) and A.Alexander (Junior).

LADIES COMMERCIAL CLUB

The Fifteenth Annual Meeting was held in the Cafe Majestic on Thursday and there was a good attendance.

The Report showed that the Club had passed through a very successful season. Though not up to championship form, the members had been successful in securing numerous handicap events. The Balance Sheet showed a Credit of £3/9/9, an increase on the previous season. In the winter months, in conjunction with the Commercial Swimming Club, four successful dances had been held which went a long way in keeping the members together.

The following officers were elected: President, Mrs M.Colclough; Vice Presidents, Hon E.J.Stevens M.L.C, Messrs F.W.De Little, F.White Jnr, W.Kuder, J.McKinnon, C.G.Irish, C.W.R.Just, J.Spottiswood, A.Ryder, J.Devoy, Mesdames A.Ryder, T.White, W.Kuder, M.Henley; Treasurer, Mrs V.Hampret; Handicapper, Mrs G.W.Stenhouse; Senior Captain, Miss M.Roughead; Senior Vice Captain, Miss I.Robinson; Junior Captain, Miss P.Kuder; Junior Vice Captain, Miss L.Weakley; Committee, Misses N.Lynch, M.Petrie, V.McWilliams, I.Spottiswood, G.Holmes; Delegates to Q.L.A.S.A, Misses M.Roughead, E.M.White; Auditor, Mr W.Kuder; Hon Secretary Miss E.M.White.

The first swim of the season will take place in the Arthur Street Baths on Monday evening, October 6.

At the conclusion of the meeting a framed photograph of the Club was presented to Mrs A.Ryder who is retiring from swimming circles. All members were extremely sorry to hear that Mrs Ryder had resigned from taking an active part in the Club.

Arrangements are complete for a combined dance to be held in the Gymnasium Hall on Saturday evening next. Members of kindred Clubs are invited to attend and help make the evening a success. It has been decided to hold a combined dance at Samford on Saturday October 4. Particulars will be announced at a later date.

METROPOLITAN GIRLS CLUB

The Third Annual Meeting of the Metropolitan Girls Club was held on Monday in the Q.W.F.L Rooms kindly lent for the purpose.

The Report, and Financial Statement which showed a Credit Balance of £6/11/2, were adopted.

The election of officers: Patroness, Mrs E.G.Blume; President Mr A.Benjamin; Vice Presidents, The Mayoress of Brisbane (Mrs Buchanan), Mesdames J.H.Maynard, J.Stoddart, A.Wishart, G.H.Thorne, M.J.McCarthy, J.W.Bale, James Rhoder, Mr F.H.Macartney M.L.A, Hon A.H.Wittingham M.L.C, Mr H.F.Smith; Hon Secretary, Miss V.Huggon; Hon Treasurer, Mrs E.W.Sheffield; Hon Instructor, Mr C.R.J.Dahl; Captain, Miss I.Maynard; Vice Captain, Miss A.Bale; Handicapper, Miss P.Brunnich; Starter, Miss J.Petrie; Press Correspondent, Miss G.Gavin; Auditor, Mr M.J.McCarthy; Delegates to Q.L.A.S.A, Misses Huggon, Maynard. The election of the Committee was deferred.

The delegates to the Q.L.A.S.A were requested to refer to the handicapping question at the annual meeting of the Association and urge the reaffirmation of the decision that handicapping should be on performance and not on times. It was decided to re-affiliate with the Q.L.A.S.A.

The Club swims were fixed to take place on Mondays at 2pm in the Metropolitan Baths, the first to be held on October 13. Ladies desirous of learning to swim, free of charge, are invited to communicate with Miss V.Huggon, Manning Street, Milton.

VALLEY LADIES CLUB

The Annual Meeting of the Valley Ladies Club was held in the Booroodabin Baths on Tuesday last.

The Report and Balance Sheet showed a very satisfactory year's work. The Committee tenders sincere thanks to all supporters and donors during the past season, and especially the "Sports" which so liberally recorded the Club's doings.

The following officers were elected for the season: Patroness, Mrs Thompson; President, Mrs Springfield; Hon Treasurer, Miss Thurlow; Handicapper, Miss F.Connell; Hon Secretary, Miss Venning.

The members wish Federal Ladies good luck and hope to meet them at some friendly swims during the season. The first Club swim will be held on October 7.

VALLEY CLUB

The Valley Club held its Annual Meeting in the Masonic Hall, Valley Corner, last Wednesday evening. The rooms were decorated with flags and a large number of members were in attendance.

The Hon Secretary, Mr E.S.Collin, read the Report and Balance Sheet which were adopted. Mr Rainey said he considered them equal to any Club in Australia. Mr W.Kuder (Hon Secretary Q.A.S.A) congratulated the Club on its fine position, as also did Messrs P.Sykes, J.Stott, A.Haslet, F.W.Springfield and E.S.Collin.

The election of officers resulted: Patron, Hon T.C.Beirne M.L.C; Vice Patrons, Captain W.J.Collin, J.Fitzgerald; President, Mr F.Springfield Snr; Vice Presidents, Messrs T.Love, J.Knox, J.Stott, W.Kuder, G.Rainey, D.S.Carter, Win Fowles, W.Vaughan, F.Thurlow, J.Pike; A.Dingwall,

Mr W.Kuder presented the Championship Medals and Water Polo Cup and Certificates, and congratulated the Club on the number of certificates secured for Long Distance swimming.

The first Club swim will be held in the Booroodabin Baths, which are now brightly illuminated by electricity, on the first Wednesday in October. Members are requested to have their entries in the Handicappers hands not later than 7.45 and be prepared to start at 8.00 sharp. The first Committee meeting of the new season will be held next Tuesday evening at Mr F.Springfield's residence, Austin Street, Newstead.

TOOWONG CLUB

The Sixteenth Annual Meeting was held in the Masonic Hall, Toowong, on Tuesday evening. The President, Mr J.Hiron, occupied the Chair and there was a very large attendance including Messrs W.Kuder (Secretary Q.A.S.A) R.Cocks, W.B.Swain, F.W.Simmonds, F.E.Duncalfe (Vice Presidents), and Fred and Bill Graham who have recently returned from abroad and are again going to join the Club with their brother, Colin, the Club's old Champion. Congratulations included a letter from Mr F.Lamont, late Captain of the Club, tendering his resignation owing to a Club being formed in his district. The resignation was accepted with regret, and the Secretary was instructed to write to Mr Lamont and thank him for his support during the time he was connected with the Club.

The Report and Balance Sheet showed the Club had had a successful season financially and athletically. The membership had again increased during the past season by eight, making the total number of active members seventy two.

The Chairman, in moving the adoption of the Report and Balance Sheet, congratulated the Club on its success and also on being the undefeated Water Polo Premiers for the season 1918-1919. Mr W.Kuder, in seconding, also offered his congratulations and wished every member success during the coming season.

Election of officers resulted: Patron, Mr E.H.Macartney M.L.A; President, Mr J.Hiron; Vice Presidents, Hon E.J.Stevens M.L.C, Messrs W.Kuder, C.Symons, G.Budd, F.Knight, R.Cocks, F.W.Simmonds, J.H.Grice, C.W.R.Just, P.J.O'Shea, A.Bruce, W.J.Hamilton, P.Cornwell, J.Morahan, W.Strickland, R.Cairns, C.J.Davis, D.F.Leahy, L.Dixon, G.A.Allen, W.B.Swain, W.Land, K.Paterson; Hon

Secretary and Treasurer, Mr A.Symons; Committee, Messrs R.Humber, L.Lansbury, G.Carr, R.Grimes, W.Graham; Auditor, Mr J.Hiron; Captain, Mr C.Graham, Vice Captain, Mr K.Petrie; Press Correspondent, Mr S.Woods; Handicapper, Mr F.E.Duncliffe; Delegates to Q.A.S.A, Messrs F.E.Duncliffe, W.B.Swain, S.A.Cairns, A.Symons.

Mr Hiron presented the Open Orders, Trophies, and Championship Sashes won by the respective members during the season, also Medals for the Water Polo Premiership. The members decided that the Secretary should hold the "Just" Water Polo Cup for the season.

ROYAL LIFE SAVING SOCIETY

The Annual Report of the Royal Life Saving Society which was considered at the Annual Meeting held last evening, Mr M.J.Kirwan presiding, stated that the funds of the Society would not again permit it to send patrols to the different watering places, and the Executive was of the opinion that the different local authorities should bear their own expenses, as it was for their benefit as well as for that of the public, and that the bathing places should be made safe. The Society resolved to approach the Home Secretary regarding the matter. It was decided to approach the Minister for Public Instruction with a view to having the Government's grant increased to 1200.

The total number of awards gained this season was 762, being 230 more than last year. Mention was made of the "Courier" Shield and Medals, the Walker & Hall Shield and Medals, and the Barry Rose Bowl.

Mr Kirwan expressed the hope that there would be no friction during the coming year, and the outside Clubs would form one solid body to push along the work of the Society.

Mr W.Bertram M.L.A moved the adoption of the Report and Balance Sheet and recommended that the Society should have a paid Secretary. Mr A.J.Sapsford, in seconding the adoption of the Report, supported this proposal and urged further financial support from the Government. Mr Williams recommended that the Government should increase its grant from £100 to £200. Mr Denning also spoke, after which the presentation of prizes and awards took place.

The election of officers resulted as follows - Patron, His Excellency the Governor; Vice Patron, Mr R.F.Hardacre M.L.A; President, Hon E.J.Stevens M.L.C; Vice Presidents, Dr J.Lockhart Gibson (also Hon Medical Officer), Rev Bro B.F.McGee, Hon T.C.Beirne M.L.C, Messrs W.Bertram, M.J.Kirwan, and W.Lloyd Ms.L.A, Messrs D.B.McCullough, M.J.Barry; Hon Associates, Rev Bro B.F.McGee, Lieut A.G.Murray, Messrs F.O.Venning, T.G.Weymouth, J.J.Betts, P.Moriarty; Hon Treasurer, Mr J.Fitzgerald; Hon Secretary, Mr J.J.Betts N.S.P.E; Hon Instructors, Lieut A.G.Murray, Messrs W.G.Daniells, A.E.Harrison, T.G.Weymouth, W.N.Reid, F.O.Venning, J.J.Betts, S.Nicholson, H.Horstman, P.Moriarty, K.Ward, P.South, A.Byrne, E.Wetzel; Committee, Messrs J.daly (Chairman), A.J.Sapsford (Vice Chairman), T.G.Weymouth, A.Palfrey, A.Byrne, F.J.Beck J.Langtry, J.Thompson, F.O.Venning, A.J.Wilkins, J.Nicholson, E.Wetzel, Schofield, Mrs T.Galbraith, Misses V de Jersey, Doris Robinson; Examiners, Messrs A.Palfrey, J.J.Betts, T.G.Weymouth, A.Byrne, W.N.Reid, H.Daniells, J.Thompson, N.Langtry, F.O.Venning.

STATE SCHOOLS ASSOCIATION

The Queensland State Schools Amateur Swimming Association which has been doing good work among Queensland State Schools children, and is every year obtaining more encouraging results, held its Annual Meeting in the Y.M.C.A Rooms last evening, the Vice President, Mr J.Daly, in the Chair. There was a moderate attendance.

The Annual Report, which was adopted, showed that the number of affiliated Clubs was now 45 (31 metropolitan and 14 country). The Committee was of the opinion that all other branches of school sport should be placed on a similar footing to the Association, as far greater advantages and results would be

gained. The appointment of a competent Organiser by the Government was urged in order to bring about such a result, and the Report went on, "We therefore recommend that the Minister be urged to make either a temporary or permanent appointment at a very early date." A motion to this effect was subsequently passed by the meeting. The Report also stated that during the year 4479 boys were members of the various Clubs, an increase of 100 on the previous year, while 1263 boys had been taught to swim.

The Treasurer's Statement, which was adopted, showed that the Receipts of the Association, other than those arising from the carnival, were £23/13/4, £4/16/1 of which had been expended, leaving a Credit balance of £18/17/5. The Receipts for the carnival were £43/11/- and the Expenses £32, leaving a Credit balance of £11/11/-.

All the retiring office bearers were re-elected.

Mr Daly referred to the need for more up-to-date public baths. The present baths in Brisbane, he said, were inadequate for the demand upon them, and it was regretted that more consideration had not been given to the requests made from time to time by their Association and kindred Associations for better baths accommodation. He said that a good site for erecting river baths was in front of the Domain, it being very convenient to the Technical College scholars and the heart of the City. He understood the City Council had plans prepared in 1914 for the erection of river baths at Petrie Bight, but it was "knocked on the head" because no funds were available. For a City like Brisbane, considering its climatic conditions, especially in summer, the baths accommodation was extremely limited, and he hoped that the public bodies concerned would realise that fact in the very near future.

STATE SCHOOLS GIRLS ASSOCIATION

The Ninth Annual Meeting of the Queensland State Schools Girls Amateur Swimming Association was held in the Town Hall last night, Mr A.S.Kennedy, Chief Inspector of the Department of Education, in the Chair. There was a large attendance of representatives of the various girls' schools.

A motion was carried expressing sympathy with Miss V de Jersey, Hon Secretary, in her illness.

Miss J.Carroway and Miss E.P.Large were elected as a deputation to wait upon the Minister or Public Instruction to request that the Department would approach baths proprietors and ask them if they would become instructors to the girls attending the baths, and what rate of pay they would accept, and that the Department be asked to defray the expense.

The meeting decided to ask the State Schools Employees (Civic Association) to join in a deputation to the Mayor of Brisbane with a view to providing more adequate bathing accommodation.

The Annual Report, which was adopted, showed that the number of girls in the school Clubs last year was 2456, and of these 740 had been taught to swim by teachers from the various schools, and 94 had been taught Life Saving. Thanks were extended to all who had assisted during the year. Mention was made of the fine work done by the Chief Clerk of the Education Department, Mr J.Daly. The Financial Statement showed a Credit Balance of £18/5/9.

The election of officers resulted - Patron and Patroness, His Excellency the Governor and Lady Gould-Adams; Vice Patrons, Mr H.F.Hardacre and the Minister for Public Instruction, Mr J.Huxham: President, Miss E.P.Large (Central State School) Vice Presidents, The Mayoresses of Brisbane and South Brisbane, Mesdames Barnes, Hardacre, Story, Daly, Huxham, Callaghan, Mowbray, R.M.Collins, Lumley-Hill, J.Bouchard, and the Headmistresses of affiliated schools; Advisory Board, the Mayors of Brisbane and South Brisbane, Hons E.J.Stevens and A.H.Wittingham Ms.L.C, Messrs E.H.Macartney, W.H.Barnes, J.Huxham, J.Kirwan, Bertram and Lloyd Ms.L.A, Messrs H.F.Hardacre, J.D.Story, R.H.Roe, A.S.Kennedy, J.Daly, Exley, J.Dempsey, J.Callaghan, C.R.J Dahl F.W.De Little, Dr J.C.Hemsley, Misses Lane and Henry; Hon Secretary and Treasurer, Miss Violet de Jersey.

It was decided to co-operate with the Boys Association with a view to getting the Department to appoint a Sports Organiser.

Q.A.S.A. ANNUAL MEETING

"Without exception, last year was the best in the history of the Association," said Mr D.S.Carter, President of the Queensland Amateur Swimming Association, at the Annual Meeting of that body last night, "and prospects for the coming year are very bright in view of the Interstate Carnivals to be held in Adelaide and Perth during the coming season."

The Report, presented by the Hon Secretary, Mr W.Kuder, congratulated the officers and members on another successful year, and with the termination of the European War the sport was bound to make great progress in the future. With the return of a number of members from abroad, the competitions would be liberally patronised and the standard considerably raised thereby. Among the 300 members who had participated in the great struggle there were a number of the State's best exponents, the majority of whom had returned and could be expected to take part in this popular form of sport. He said the affiliated Clubs numbered 40, an increase of 6 over the previous season, comprising 10 metropolitan seniors, 3 metropolitan juniors, 20 country, and 7 secondary schools.

The Balance Sheet, presented by the Hon Treasurer Mr H.S.Hiley, showed a Credit of Assets over Liabilities of £153/12/9. The position was very satisfactory.

The thanks of the Association were extended to "Jacks Day" and Foundation Day Committees for providing prizes for competition at their carnivals held in connection with their celebrations.

The annual carnival of the Association had been successfully held on March 27, and the various Clubs, including the country Clubs, had also held carnivals on various dates. A party of members, including Mr W.Kuder (Manager), F.W.Springfield (Val), J.Gillen (SB), J.Carr (T), P.Hammond (T), J.Massai (Fed), made a tour, in conjunction with a party of Q.L.A.S.A members, of the far central and northern centres of the State, swimming in turn in carnivals arranged at Longreach, Charters Towers, Townsville and Barcaldine by the local amateur swimming enthusiasts. At each of these centres success was gained.

The Senior Polo Grade was won by the Toowong Club after a great contest with the Valley Team (last year's premiers). In the Junior Grade the Valley boys had been successful.

Requests of the various Districts had been well attended to by the various local Consuls, although no Club had existed for the past two seasons at Allora or Dalby. This was on account of the number of their members enlisting, and a renewal of these Clubs could be looked forward to. The Warwick enthusiasts had also been busy with new baths and their erection seems a certainty this season.

Advice had been received from all the States, with the exception of Western Australian Association, by the Australian Swimming Union, that the renewal of the Interstate competition was the wish of all the State Associations, so it behoved all members to do their utmost to forward the standard of Queensland swimming in order to make a fine impression when the carnivals eventuated at Adelaide and Perth.

Thanks were extended to all who had assisted during the season.

In moving the adoption of the Report, the Chairman congratulated the members on the successful year, and urged them to try to take some share in the coming Australian Championships. Representations should be made to the Councils to provide better swimming accommodation in Brisbane.

Alderman J.Hiron, who seconded the motion, paid a tribute to the officers of the Association, especially the Secretary, Mr Kuder.

The Report was adopted.

The election of officers resulted as follows - Patron, Hon E.J.Stevens M.L.C; President Mr D.S.Carter; Vice Presidents, Hon T.C.Beirne M.L.C, Aldermen M.J.Barry and J.Hiron, Messrs F.Springfield, W.H.Hinch, F.E.Duncalfe, J.H.Grice, F.W De Little, C.W.R.Just, J.Massai. It was decided there should be only one Handicapper for the Association and Mr. W.H.Duffy was elected to the position. Other officers will be elected at the first meeting of the Council of the Association.

Q.A.S.A.

The Annual Meeting took place on Wednesday evening last. There was an attendance of 80 including Messrs D.S.Carter (President), W.Kuder (Hon Secretary), J.Hiron, F.Springfield, W.H.Hinch, F.E.Duncalfe (Vice Presidents), H.Hiley (Hon Treasurer), F.W.Springfield (Assistant Hon Secretary).

During the discussion on the Annual Report M D.S.Carter dealt fully with the doings of the past season and congratulated the Executive on the advances made, especially in the country districts. Strong Clubs exist at Maroochydore, Ipswich, Rockhampton, Longreach, Charters Towers, Roma, Toowoomba, and Southport, and it was due entirely to the efforts of the Hon Secretary and the Executive and the decision to send the best swimmers available to the centres mentioned every season to stimulate interest in the sport. The matter of further bathing accommodation within the metropolitan area to meet the demands of the every increasing number of Clubs was dealt with at length by the President and his remarks were in agreement with the meeting. Financially the Association remained strong, the Balance of £153 of assets over liabilities being very creditable. All present were urged to see longer distances were entered for so the State may make a creditable showing in the next Australian Championships which will be decided in Adelaide and Perth during the coming season. The affiliation of the Secondary Schools Association was received with satisfaction, and the President said he saw no reason why races for members of that Association should not be placed on each carnival programme. Congratulations were extended to the three Queensland Champions, F.W.Springfield, Jack Gillen, and E.S.Collin on their performances last season, and also to the winners of the various Memorial and Interclub Handicaps detailed in the Report.

Alderman J.Hiron, in an excellent speech, supported the President's remarks and moved a special Vote of Thanks to the Executive and the Hon Secretary for their valuable services during the season. Messrs F.Springfield and W.H.Hinch (Vice Presidents) both spoke in a congratulatory manner on the Report which was adopted.

The election of officers was then proceeded with: The Patron Hon E.J.Stevens M.L.C, and Auditors Messrs R.H.Bunting and T.J.Donovan received a "walk-over". The services of the first mentioned to all Clubs was referred to. The opening for President resulted in the return of Mr D.S.Carter by a handsome majority over Mr N.J.Langtry. After the meeting had decided by 36 votes to 33 that a sole Handicapper should be appointed, Messrs W.H.Duffy and J.Pike's names were put in the ballot, the former being successful. The ballot for the ten Vice Presidents required resulted in the following being elected - Messrs F.W.De Little, F.E.Duncalfe, W.H.Hinch, J.Massai, F.Springfield Snr, J.H.Grice, Hon T.C.Beirne M.L.C, Aldermen J.Hiron and M.J.Barry, and C.W.R.Just.

One of the most successful meetings in the history of the Association was brought to a close at 9.30.

The first Council Meeting will be held in the Grand Central Hotel next Friday evening at 8 o'clock. There s very important business to transact including the election of Chairman, Hon Secretary, etc.

Q.L.A.S.A ANNUAL MEETING

The Report of the Hon Secretary, Mrs V.King, presented at the Fifteenth Annual Meeting of the Queensland Ladies Amateur Swimming Association held in the National Association's Rooms last night, stated that the past season had been particularly busy and prosperous, and that there were strong indications that in the coming year all records would be eclipsed.

The meeting, which was very largely attended, was presided over by Mrs J.W.Stenhouse.

The Report stated that twelve Clubs were affiliated during the 1918 season, an increase of one. The Australian Carnivals which had been abandoned as a result of the influenza epidemic would probably be held in Sydney during the

coming season.

The Financial Statement showed a satisfactory Credit Balance of £28/7/4.

In moving the adoption of the Report, the President congratulated the Association on a successful season, a feature of which was largely due to the work of the active members on the Executive. Referring to the coming Championship carnivals, the President said the position at present was indecisive. It was not definitely known whether Queensland would have to visit the south or the southern teams come to Queensland.

The election of officers resulted as follows - Patroness, Mrs F.W De Little; President, Mrs J.W.Stenhouse; Vice Presidents, Mesdames W.Kuder, M,Thompson, H.J.Hale, L.I.Newman, M.E.Ryder, J.H.Grice; Hon Handicappers Misses J.Petrie, M.Lynch; Hon Auditors, Messrs W.Kuder, W.H.Duffy Jnr; Hon Secretary, Mrs V.King; Hon Treasurer, Miss M.Springfield; Advisory Board, Hon E.J.Stevens M.L,C, Messrs D.S.Carter, W.Kuder, H.J.Hale, W.H.Duffy Jnr, F.W.Springfield, W.J.Schrey.

It was decided to increase the value of the second prize in the Junior Championship to 12/6.

A motion to amend the Rules to permit of members of the Association to participate in Life Saving Carnivals promoted under the auspices of the Royal Life Saving Society was carried unanimously.

Referring to a reported affiliation of the new South Wales Ladies Amateur Swimming Association with the Men's Association in that State, it was reported that the matter had apparently reached no finality. The meeting decided that until definite information was available, no action should be taken.

WEST END CLUB

Over 40 swimming enthusiasts attended a meeting at the West End School of Arts last Tuesday evening to form a Club in the West End District, Mr Kuder, representing the Q.A.S.S, presided and keen enthusiasm prevailed throughout, which augurs well for the coming season.

The following officers were elected - Patron, Mr Ralph Alton; President, Mr W.Brown; Vice Presidents, Messrs W.Kuder, E.M.Stewart, F.Webb, C.A.Hurley, C.W.R.Just, J.J.Murphy, W.Robinson, J.P.Fry M.L.A, Alderman Pringle, Messrs Gavin Wilson, J.Monteath, G.Fisher, A.Allison, G.Cuffe, H.C.Jones M.L.C, R.Butler, W.Eunis, H.Sunderland, J.H.Sharpe, F.Richards, H.Gentle, J.P.Davis, D.S.Carter, K.Ryan, J.Douglas, T.Bird, A.Forbes, T.Rutter, Dr McKillop; Secretary, Mr Gilbert R O'Brien; Hon Treasurer, H.Davies; Committee, Messrs C.Kelly, G.Ogilvie, F.Lamont, G.Budd, T.Atkins; Auditors, Messrs Gavin Wilson, E.M.Stewart; Delegates to QASA, F.Webb, R.Alton, V.McCartney G.R.O'Brien; Handicapper, Vic McCartney.

Messrs F.Lamont and G.Budd donated Silver Cups valued. at £4/4/- for the Juniors, the former donating a further special trophy, a Cup valued at £2/2/- for the Most Improved Junior. Two trophies, one valued at £3/2/- the other £2/2/- were donated by anonymous enthusiasts, and Messrs W.Kuder and Frank Webb also offered trophies for competition.

It was decided to hold the first Club swim on October 14.

ST BARNABAS GORDON CLUB

A well attended meeting was held in the Parish Hall last night to again form a swimming branch. It was decided that swimming should again be commenced in the second week in October - the night to be arranged. A vote was taken with the majority deciding to patronise the local baths at Paddington.

The following officers were elected: Hon Secretary K.Farmer; Hon Handicapper, V.Cardell; Assistant Handicapper, W.Griffin; Captain, A.Smith; Vice Captain, J.Sawyer; Judges, H.Northover, W.Griffin. The foregoing officials will constitute the Committee.

It was also decided that the Club should again affiliate with the Q.A.S.A to which the Captain and Vice Captain were appointed delegates.

FEDERAL CLUB

The Fifth Annual Meeting of the Federal Club was held in Mr Massai's Rooms on Monday evening, with a very large attendance. Mr W.Kuder, representing the Q.A.S.A, congratulated the Club on the splendid progress during the past season.

The Secretary's Report and Balance Sheet, which were adopted, showed the Club to be in a very good financial position.

Mr W.Kuder, on behalf of the Club, presented an enlarged photograph of the Committee to the President, Mr J.Massai, in token of the high esteem in which he is held by all members and committeemen.

The election of officers resulted - Patron, Hon E.J.Stevens M.L.C; President, Mr J.Massai; Vice Presidents, Hon T.C.Beirne M.L.C, Alderman M.J.Barry, Messrs C.A.Brown, E.Coomber, M.V.Corbett, E.Goldsmith, B.Luke W.Kuder, A.W.Halford, C.G.Irish, S.J.& A.McAnally, T.A.McLachlan M.L.A, J.R.Sowden, H.R.Theile, W.A.Watson, R.Riding, J.McKinnon, H & A.Burnett, H. Young, R.A.Conn; Hon Treasurer, Mr J.Massai; Hon Secretary, Mr H.P. Warner, Assistant Secretary Mr A.Burnett; Auditor, Mr W.O'Mara; Handicappers, Messrs H.Burnett (Junior), W.A.Watson (Senior); Starter, Mr A.W.Halford; Check Starter, Mr S.J.McAnally; Press Correspondent, Mr K.McMurray; Timekeeper, Mr S.Foskitt; Captain, H.Burnett; Vice Captain, Mr K.McMurray; Delegates to Q.A.S.A, Messrs A.W.Halford, H.P.Warner, S.Brown, S.Foskitt; Judges, Messrs J.Massai, J.Foskitt.

It was decided that all senior members should be elected to the Committee. The first swim will be held on October 6. The first Committee meeting will be held next Monday.

GYMNASIUM LADIES CLUB

The Annual meeting of the Gymnasium Ladies Amateur Swimming Club was held on Tuesday evening in the Cafe Majestic, Mr J.Hendry Grice presiding.

TOOWONG CLUB'S CARNIVAL

The chief attraction at the Toowong Amateur Swimming Club's annual carnival at the Toowong Baths last night was the 220 yards Championship of Queensland, and a large crowd, including a number of the fair sex, heartily cheered the competitors.

C.Graham (West End) started off at a great pace in this event, being closely followed by J.Gillen (South Brisbane) and S.H.Springfield (Valley), and K.Petrie (Toowong) seemed to be lagging behind during the first part of the race. At the half distance it was noticeable that Graham had "blown himself out" and then S.H.Springfield gradually drew away from Gillen. Springfield won in 2.42 2/5, this being one fifth of a second longer than Gillen took when he won the event last year. Frank Springfield began to overhaul the leaders towards the close and finished second. Petrie, who had stayed close to Springfield throughout, filled third position.

Keen interest was taken in the Gordon Parkinson Interclub Memorial Handicap contested in 12 heats, 5 semifinals and a final. The final was won by A.Alexander from R.Grimes and H.Rees, the finish being very close.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs J.Hiron, J.Fitzgerald, V.Macartney; Judges of Diving, Messrs D.S.Carter, J.Hiron, J.Fitzgerald; Timekeepers, Messrs R.H.Bunting, F.Springfield Snr, W.H.Duffy; Starter, Mr F.E.Duncalfe; Check Starter, Mr G.Budd; Costume Steward, Mr H.J.Hale; Clerks of Course, Messrs A.W.Halford, J.Nicholson; Call Stewards, Messrs J.Massai, E.Eaves; Result Steward, Mr W.Kuder; Handicapper, Mr W.H.Duffy; Post Entry Steward, H.Hiley; Press Steward, Mr W.H.Crease; Hon Secretary & Treasurer, Mr A.Symons.

NORMAN ROSS IN SYDNEY Sydney Jan 7

An enormous crowd witnessed the continuance of the swimming championships at the Domain Baths tonight. The chief attraction was the contest for the 440 yards championship, interest being added to the event by the entry of the world champion, Norman Ross, of the U.S.A.

The start was a brilliant one, the feature of which was the remarkable and spectacular plunge of Norman Ross ahead of other contestants. Ross did not force the race in the first lap but allowed Longworth to do so and at 110 yards Longworth as slightly in the lead, but returning to the other end, Ross, without apparent effort, overtook Longworth and thereafter the issue was never in doubt. Ross eventually won by 20 yards. The placings were - N.Ross 1, W.Longworth 2, R.E.Brown 3. The time of 5.22 was three seconds outside the Australian record.

TEST SWIMMING RACES

The 50 yards test race to select swimming representatives to proceed to Sydney to represent Queensland in the Australian Ladies Championships was held in the Spring Hill Baths last evening and resulted - Misses M.Springfield 1 (Time 32 4/5 ses), Elsie Venning 2 (Time 33 secs), Maggie Grant 3 (Time 34 secs). The Executive met subsequently and selected these three with Miss Minnie King as emergency. The team will leave on 31 January.

The world's champion swimmer, Norman Ross, will arrive by the Sydney Mail Train this evening, and a large number of swimming enthusiasts will be present to welcome him. He will swim in the 300 metres, and 100 yards scratch race at Saturday's carnival against the best Queenslanders. Sale of tickets yesterday exceeded expectations, and it is anticipated a large audience will greet the young American soldier athlete on Saturday at the Ithaca Baths.

SWIMMING

Norman Ross, the world's champion amateur swimmer, arrived by the Sydney Mail Train last evening and received a hearty welcome. A Mayoral Reception will be tendered to him at 11 o'clock tomorrow morning. Arrangements have been made for Paddington trams to stop at the Ithaca Baths tomorrow evening when the American swimmer will make his first Queensland appearance.

Q.A.S.A CARNIVAL NORMAN ROSS CREATES RECORDS

Norman Ross came to notice as a swimmer while serving in the Allied Forces in France. In the Ithaca Baths on Saturday night he swam 300 metres against the two Springfields, covering the 300 yards in 3.25, thus beating the world's record of 3.26 $\frac{2}{5}$ held by J.P.Hatfield of England, and swimming the full distance in 3.45 $\frac{2}{5}$, thus clipping 4 $\frac{4}{5}$ seconds off the time Frank Beaurepaire of Victoria made in England in 1910 and standing as a world's record. The short lap of 25 yards assisted to make the time fast. Ross is used to a 20 yards bath and he is so adept at turning. The carnival was held by the Q.A.S.A, and about 1000 persons witnessed the racing, the takings amounting to £101.

As a gigantic figure appeared in a bath robe, the crowd cheered heartily and eyed with interest the young stranger who walked down the side of the baths smiling contentedly but shyly and looking all the world like an overgrown boy. Removing his robe he stood revealed as a magnificent picture of young manhood, a fit model for a sculptor, tapering from the feet up to powerful thighs, a big body, broad chest, huge shoulders and arms. 6 feet 3 inches in his bare feet, and 22 years of age, surely a fine product of Oregon and Scottish ancestors.

His first race was 300 metres and his opponents were the brothers Frank and Syd Springfield, short and nuggety men who emphasised the towering stature of the American. Each mounted a foot-board about 2 feet high and at the signal the two Springfields shot out together, Norman Ross following a fraction of a second later with a great spring that sent him straight as an arrow in a graceful shallow dive through the water the impetus of which brought him out feet ahead of his rivals. Then he commenced to cleave the water like some great amphibian with slow overarm stroke of immense power, rolling from side to side his feet moving rapidly beneath the surface - a combination of the trudgeon and crawl. His whole frame was working in perfect unison. He was a study of harmonic movement as he swam apparently lazily along, neither was there no hurry or flurry in his movements at the turn, for he swam deliberately up to the end of the bath, turned very deeply, and with rigid footwork drove himself forward, gaining yards by the push-off. At the end of the second lap Ross was 10 yards ahead of Sydney Springfield who was leading his brother by two yards. So the giant like some massive polar bear rolled through the water forging ahead all the while, till be the end of the ninth lap he had "lapped" Sydney Springfield who was 10 yards ahead of his brother. Swimming in perfect style and delightfully rhythmic motion, the American finished a lap and 10 yards ahead of his nearest competitor. The Times were, Norman Ross 3.45 $\frac{2}{5}$, Sydney Springfield 4.8, Frank Springfield 4.22 $\frac{1}{5}$. There was much cheering when it was found new world records had been created.

In the 100 yards race J.Gillen, C.Graham, K.Petrie, L.Pierce turned out to meet Ross. Gillen is the present Champion of Queensland. He gave the world swimmer a great race and incidentally lowered the Queensland record of 61 seconds held by Graham to 60 seconds. All five got away to a splendid start and at the end of the first lap Graham had a slight lead from Ross and Gillen who were together. Gillen got into the lead in the second lap followed closely by Ross and Graham and maintained the lead till the end of the third lap where he touched first, but as they turned for home Ross, with a powerful effort, spurted and won.

B.C. Tuesday 20 January 1920

The claim that Gillen in his race with Ross "gave the world swimmer a great race and incidentally broke the Queensland record" is not quite correct. On February 24 1906, D. Corrie in the 100 yards Championship of Queensland in the Dry Dock covered the distance also in 60 seconds and won the "Courier" Trophy for the event. On the same afternoon Corrie won the Junior Championship in 62 seconds. Corrie was then only 17 years.

NEW AUSTRALIAN RECORDS

Maryborough Jan 21

The carnival held by the Maryborough Swimming Club tonight was responsible for the establishment of two new Australian records by Norman Ross, the American swimmer, who in the 100 metres event covered the distance in 63 seconds, against Kunha's Australian record of 63 $\frac{3}{5}$. The world's record of 61 $\frac{3}{5}$ is held by Duke Kahanamoku. In the Breast Stroke event over 100 yards, Ross's time was 1.15 $\frac{2}{5}$ compared with Beck's record in Sydney of 1.16 $\frac{1}{5}$.

Although the weather was very threatening, there was a good attendance.

SWIMMING

Melbourne Jan 23

Norman Ross of America recently established a world's swimming record for 440 yards by covering the distance in 5.23. Frank Beaurepaire at the City Baths, Melbourne, in a trial swim today, covered the distance in 5.21 $\frac{3}{5}$. The record will not be recognised owing to Beaurepaire not being in costume, and no authorised Swimming Association officials being present.

NORMAN ROSS LOWERS RECORDS

The Championship Carnival arranged as part of the Australia Day celebration took place in the Ithaca Swimming Baths on Saturday evening when all the available seating accommodation was occupied by interested spectators. Norman Ross, the American swimmer, was the chief attraction, and his attempts to lower the Australian records for 150 yards, 200 yards and 220 yards were followed with eager expectancy. The visiting athlete appeared in a 220 yards scratch race in which the only other competitors were the two Springfields of the Valley Club.

The Springfields got the rather better start, but Ross with a few powerful strokes drew level with them and soon took the lead. He finished the first length about a yard in front and thereafter steadily increased the distance separating him from S.H. Springfield, with F.W. Springfield in third place. At the last turn for home the American was almost the length of the baths in front of the second man and he finished going as strongly as ever in 2.25 $\frac{4}{5}$. In doing so he beat the previous records for 100 yards put up by the great B.B. Kieran and F de Beaurepaire by 2 $\frac{3}{5}$ seconds, and he also covered the 200 yards in $\frac{1}{5}$ second less than the late Cecil Healy of Sydney, whose time was 2.11 $\frac{1}{5}$. The announcement of the times was greeted with enthusiastic applause. Over 150 yards Ross' time was 1.34 $\frac{4}{5}$, or $\frac{4}{5}$ more than the late Cecil Healy.

Subsequently Ross gave an exhibition of swimming, first covering one length

of the baths by means of the Breast Stroke, then one length with the Side Stroke, and finally with two lengths with the Back Stroke.

The other events on the programme were of an interesting character, nearly 150 competitors taking part.

MOWBRAY PARK BATHS OPENED

The official opening of the Mowbray park Swimming Baths took place on Saturday afternoon, the ceremony being performed by the Mayor of South Brisbane, Alderman J.Gaffney, in the presence of a large number of spectators. The baths have been used by the public since the Christmas holidays, and at the time of the ceremonial opening the swimming pool made quite an animated scene.

The Mayor said it was a policy of the South Brisbane Council to erect swimming baths where ever possible. Within the past two years the Dutton Park Baths had been built at a cost of £600. The bath he was about to declare open had a cost of a little over £1100, and in addition £300 had been spent during the current municipal year on the Stanley Street Baths. It was hoped a similar bath would be erected in Davies Park, West End. Such undertakings necessarily meant increased rates, but he felt sure the ratepayers generally realised that swimming baths were essential to the health of the community.

Aldermen Burton, Long, Pringle and Woodland also spoke. Alderman Pringle expressed regret that the late Alderman Forrest, who had done so much for the welfare of the ratepayers in general, had not lived to be present.

LADIES CHAMPIONSHIPS
Sydney Feb 7

The annual Ladies Swimming Championships were commenced in the Domain Baths this afternoon under the auspices of the New South Wales Ladies Amateur Swimming Association. The conditions were ideal and there was a large attendance.

Miss Mina Wylie (NSW) regained the 100 yards Championship beating the previous holder, the world champion Miss Fanny Durack, by two yards in a hard race. Miss Durack fought hard but could not affect the winner after 30 yards had been passed. Miss E.Venning (Qld) was third about one yard away, The time of 1.7 4/5 was behind the world record of 1.6 established by Miss Durack, and had been bettered by Miss Wylie in a trial swim in San Francisco. This is the first time Miss Wylie has beaten Miss Durack since 1911 when the latter wrested the championship from her.

New South Wales beat Queensland (the only other entrant) in the 150 yards Teams Championship of Australia

Results --

100 yards Championship of Australia - Misses M.Wylie (NSW) 12, F.Durack (NSW) 2, E.Venning Qld) 3, M.Springfield (Qld) 4. Time 1.7 4/5

ROSS AGAIN SUCCESSFUL
Melbourne Feb 8

Norman Ross, the American swimmer, was again successful yesterday when he won the 220 yards Championship of Victoria at the Brunswick Baths which were crowded, winning in 2.28 1/5. He broke the Australian record held jointly by F.Beaurepaire and the late B.B.Kieran, and the Victorian record of F.Beaurepaire, both of which stood at 2.28 2/5. Beaurepaire finished second and Ivan Steadman was third.

THE ADELAIDE CONTEST

SWIMMING - LADIES CHAMPIONSHIPS
MISS DURACK DEFEATED

The Ladies Australian Championship Carnival held in the Domain Baths on Saturday afternoon under the auspices of the NSW Ladies Amateur Swimming Association attracted a large gathering whose enthusiasm at times reached a high pitch.

The occasion was notable for the defeat of Miss Fanny Durack, not only in the 10 yards Championship of Australia - up to then she was the holder of the title - but also in the final of the 100 yards First Class Handicap in which she failed to gain a place. The 100 yards Championship fell to another noted NSW representative, Miss M Wylie, who beat Miss Durack after a fine race. The world's record time, however, of 1 minute 6 seconds, has yet to be eclipsed. The time for Saturday's event was 1 min 11 $\frac{4}{5}$. Although Miss Wylie has 1 min 8 $\frac{4}{5}$ to her credit for the distance in trials in San Francisco, Miss Wylie's fine performance, the more brilliant because of the swimmers she had to meet, was warmly applauded. She did not find it a hard race, so she explained after the race. She held the world record for 100 yards when she was about 15, when she did the distance here in 1.15 $\frac{4}{5}$. Saturday's win was a twofold pleasure to her, for she not only beat a good field, but marked the first occasion on which she has beaten Miss Durack here since about 1911. Miss Elsie Venning, holder of the 100 yards Championship of Queensland was third. The only other starters were Miss M. Springfield, another holder of Queensland swimming honours, and Miss L. V. de Beaurepaire of Victoria. Miss Springfield was fourth and Miss Beaurepaire last. The Victorian's bad start must have handicapped her.

For about 30 yards Miss Durack held command, but Miss Wylie, swimming the Australian crawl, was always handy, and when she shot in the front about half way, the result was not in doubt. She won easily by about two yards, Miss Venning being close up third.

The 50 yards Junior Championship for girls 15 Years and Under was won by Miss M. Mealing of the Metropolitan Club with Miss E. Booth (Spit Club) second and Miss V. Barnes (Met) third. Here again, the time of 37 $\frac{2}{5}$ was much slower than the record viz 31 $\frac{4}{5}$ secs to the credit of Miss L. Fevyer. The holder of the title prior to Saturday was Miss L. Robertson whose time of 35 $\frac{3}{5}$ was also better than Saturday's figure.

The 150 yards Team Championship of Australia, in common with the 100 yards Championship, went to New South Wales represented by Misses M. Wylie, F. Durack and L. Fevyer. The Queensland team was the only other one starting. The Victorian team - there were only two entered - did not compete.

Miss Beaurepaire made amends for her poor display in the 100 yards Championship by winning in good style both the heat and final of the 100 yards First Class Handicap in which she had to beat a strong field.

The following are the results -

50 yards Championship Final- E. Jarman (5) 1, B. Lovelace (S) 2, (.Robertson (M) 3

33 yards Handicap Final - L. Mealing (M) 1, M. Holford (U.C) 2, L. Cashman 100 yards Championship of Australia - M. Wylie (NSW) 1, F. Durack (NSW) 2, E. Venning (Qld) 3. Time 1.11 $\frac{4}{5}$.

50 yards Junior Championship 15 years and under - M. Mealing (Metrop) 1, E. Booth (Spit) 2, V. Barnes (Metrop) 3. Time 37 $\frac{2}{5}$. Overcrowding towards the finish interfered with some of the competitors.

Diving Competition - L. Fevyer 144 points 1, C. Head 143 points 2, E. Robertson 134 points 3

50 yards Breast Stroke - W. Tyler (M) 1, M. Lovelace (S) 2, R. Mitchell (M) 3

150 yards Team Championship of Australia - NSW (Misses M. Wylie, F. Durack, L. Fevyer) 1, Qld (Misses E. Venning, M. Springfield, M. Grant) 2

100 yards First Class Handicap Final - L de Beaurepaire 1, G. Smith 2, F. Fraser 3.

LADIES CHAMPIONSHIP CARNIVAL

The Australian Championship Carnival was continued at the Drummoyne Baths last night under ideal conditions. The 220 yards Freestyle and the 100 yards Breast Stroke Championships constituted the chief events on the programme.

Miss M.Wylie, holder of the 100 yards Breast Stroke Championship, had four other competitors in this year's race including two Queensland women, Miss Elsie Venning and M.Grant. Miss Venning gained the advantage from the start and turned a yard ahead of Miss Wylie. The latter made a desperate effort to catch her rival but Miss Venning swam resolutely and touched the finishing board two yards to the good with Miss Grant in third place. Her time, 1.31, was two seconds outside the standing record.

Four competitors, Misses Fanny Durack (NSW - holder of the title), L de Beaurepaire (Vic), E.Venning and M.Springfield (Qld), faced the starter in the 220 yards Championship. All four competitors rose from the plunge together, but Miss Durack soon assumed the lead and made the first turn with 5 yards advantage. This lead she increased to 10 yards on the second lap with Misses Venning and Beaurepaire having a battle royal for second place. The third turn found Miss Durack 15 yards to the good, and maintaining her advantage won from Miss Beaurepaire who was 5 yards ahead of Miss Venning. Miss Durack's performance was more like her old form, though the time 3.3 2/5 was 11 2/5 slower than her own world's figures for the distance.

The programme included handicap races which resulted in some close finishes.

Results -

LADIES AUSTRALIAN CHAMPIONSHIP CARNIVAL

At the Coogee Aquarium Swimming Baths last night the Australian Ladies Championship Carnivals held under the auspices of the New South Wales Ladies Amateur Swimming Association were concluded. The Aquarium was packed to its fullest capacity.

The principal event was the 440 yards Championship of Australia in which the competitors were Misses M.Springfield and E.Venning (Qld), L de Beaurepaire (Vic) and Fanny Durack (NSW). Miss M.Wylie did not appear and the public was greatly disappointed. Miss Durack led from the dive off and lapped the other contestants and won comfortably by 35 yards in 6.29 2/5, which is 26 seconds slower than her world's record of 6.3 2/5.

Miss Durack and Miss Wylie swam in the 100 yards First Class Handicap. Miss Durack was placed third in her heat. Miss Wylie qualified for the final in which she was beaten by Miss M.Mealing and Miss Springfield. Mina Wylie was third and covered the distance in 1.14, the winner's time being 1.27. Most of the finals resulted in close and exciting finishes.

A diving display by Len McCarthy, J.Stokes, C.Bell (clown), and C.Olson (one legged champion athlete of Queensland) was clever and entertaining.

Miss Fevyer won the diving competition with 174 points from Miss C.Head 154 points and D.Shopee 148 points.

AMATEUR AQUATIC CARNIVAL

A sloping attractive looking lawn at the rear of the Rosemount Military Hospital is bordered by a fine clear stretch of Breakfast Creek where convalescent returned soldiers can indulge in boating and swimming exercises which are exceedingly helpful in restoring their health.

An aquatic carnival arranged for the enjoyment of patients and Sisters was

held on Saturday, and proved most successful. Prizes for the various events were given by a number of Brisbane Firms, and the Red Cross Society provided refreshments for the patients and their friends in the boating shed on the bank of the creek. A concert and dance was held in the evening when refreshments were supplied by the Red Cross kitchen.

SWIMMING

Keen interest as manifested by a large gathering in the championship events at the second annual carnival of the Queensland Ladies House Clubs Amateur Swimming Association held in the Booroodabin Baths last night. The points gained in these contests decided which Club should hold the Association Shield for the ensuing year. The Clubs represented were Allan & Starks, Finneys, McWhirters, and T.C.Beirnes. Many of the contests were exceedingly close, but Finney's secured the Shield with a good lead in points, scoring 19 against Beirne's 11 1/2, and McWhirter's 11. Beirnes were the holders of the Shield last year.

OLYMPIC GAMES
AUSTRALIAN SWIMMING TEAM SELECTED

The Australian Swimming Team to compete in the Olympic Games in Antwerp next August has been chosen. The Selectors, Messrs W.Hall (NSW), L.Snape (Vic), and D.S.Carter (Qld), after watching the tests and consulting with the States Selectors, selected the following - F.Beaurepaire (Vic), I.Steadman (Vic), W.Harrold (NSW), H.M.Hay (NSW), E.Kirkland (NSW).

On form the team is regarded as better than that which won the last title at the Games in 1913, and should retain the championship.

QUEENSLAND OLYMPIC COUNCIL

Delegates representing the Queensland Amateur Athletic Association, the Queensland Amateur Swimming Association, the Queensland Ladies Amateur Swimming Association, the Queensland Amateur Rowing Association, and the Queensland Amateur Cyclists Union, attended a meeting of the Queensland Olympic Council at the Grand Central Hotel last evening.

Mr. D.S.Carter was elected President of the Queensland Council, Mr W.Kuder, Treasurer, and Mr J.E.Varden, Secretary.

A general discussion took place on the proper representation of Australia at the Olympic Games to be held in Antwerp, and the opinion was expressed that the best amateur representatives from the Commonwealth should be sent to Antwerp. It was said, that though Queensland could not be expected to be represented in some of the Games, in cycling at least it should have some representatives.

Mr H.O.Ashby, representing the Cyclists Union, said he thought arrangements should be made whereby a test could take place between Queensland and New South Wales cyclists in order that the best men could be selected for the Olympic Sports.

It was decided, on a motion by Mr Kuder, seconded by Mr Ashby, that the Executive of the Council should interview the Mayor of Brisbane and request him to convene a meeting of citizens in order to devise ways and means whereby this State could contribute its share of the expenses of sending its representatives to the Olympic Games. It was also decided, on the suggestion of Mr J.I.Brown, that a Sportsmen's Appeal should be arranged if possible through the "Sports Observer" - by which a contribution of £1 each could be secured from 3000 sportsmen, and Mr Brown intimated that he would give the first £3 towards such a fund. It was stated that it was thought Queensland's quota towards the expenses would be about 1000.

Mr Ruder was elected Publicity Agent for the Olympic Council.
