All Australian swimmers have recorded times that put them close to Olympic records, with the final polishing-up phase of training before July 29.

The final team will be announced on March 7.

C.M. Friday 20 February 1948

SWIMMING STARS NOT UPSET

Joe Emerson denied last night that the training of Denise Spencer and Nancy Lyons had been upset by activities in support of the Olympic Fund. He said Denise did not enter the water for a week before her 440 yards race, but she broke the Australian record by 3.9 seconds. Nancy Lyons was away from the baths for four days before her 220 yards breaststroke. The rests were ordered by Professor Cotton who supervised their training. He also said that the swimming times were 11 seconds better than his expectation.

Mr Emerson said Denise and Nancy would rest all day today before competing at the State Championships tonight.

DODSON FASTEST IN SWIM TITLE HEATS

Peter Dodson got fastest time in the heats of the 100 metres State Freestyle Championship at the Valley Baths last night. He celebrated his nineteenth birthday by winning last night's heat Peter is making his fifth trip at the moment in quest of a State title. He has recorded numerous placings in Under Age events. Peter's time last night was 65.8 seconds. Clarence Hoey won the other heat in 67 seconds.

Rockhampton sprinter Dave Ferricks who has recorded 62.8 seconds did not arrive in Brisbane until late last night. He was put into the final by special provision of the QASA Executive.

Alan Bowden who also arrived on a late plane from Rockhampton was put in the Intermediate freestyle 200 metres final on similar conditions.

Both finals will be swum tonight

C.M. Saturday 21 February 1948

SWIM TITLE WON IN LAST TWO INCHES

Dave Ferricks, Rockhampton swimmer, won the State 100 metres Freestyle Championship in the last two inches at the Valley Baths last night.

Ferricks made a determined effort in the last few yards to overhaul the leader, Peter Dodson, of Roma, who was still in front with a yard to go. Dodson, however, missed his touch by about two inches and Ferricks shot out his left hand to get the decision.

Ferricks flew from Rockhampton on Thursday night to fulfil a dying wish of his Mother, who died on Tuesday, that he should swim in the State title race.

Ferricks time was 65.1 seconds and Dodson 65.2. They turned together at the half way, but Dodson had nearly a foot advantage with 10 metres to go.

GIRL COLLAPSES

Thelma Wehl, after breaking a record in the Under 15 Freestyle 50 metres title, collapsed when running third in the Women's Junior 200 metres Freestyle. The girl was held up in the water by Pam Coughlin in the next lane until officials pulled her out. The winner was Joyce Speed who was pressed by Thelma over the first 50 metres.

Thelma broke the Under 15 50 metres freestyle record by clocking 32.6 secs in the final. She had equalled the record of 32.7 secs in her heat.

NEW RECORD SET

Clarence Hoey, swimming butterfly, broke the men's Open breaststroke record held by Peter Lyons, by 4.9 seconds. Hoey's time was 69.3 seconds.

The Junior 50 metres Freestyle time of 28.8 secs was equalled by George Newton in his heat.

Don Michael, in swimming 65.1 secs in winning the men's 100 metres backstroke, was only 1/10 sec outside the best backstroke time by a Queenslander.

Judy Young was beaten by only a yard by Denise Spencer in the women's Open freestyle 100, and made her best time of 62.1 secs.

Nancy Lyon won the 200 metres Breaststroke comfortably, but clocked 3m 17.6 secs. This time is well outside her best time.

C.M. Tuesday 24 February 1948

DENISE SETS NEW RECORD FOR 50 METRES

Denise Spencer, Queensland's Olympic candidate, broke her own State record for 50 metres freestyle at the State Swimming Championships at the valley Baths Last night. Denise, who has been suffering from a cold in the head and had one finger in plaster, overcame both disabilities to win well. Her time of 31.1 seconds cut 0.3 sec off her official record although she has been cocked at 30.7 in interschool races. Denise swam hard all the way and was never headed. She beat Judy Young by 1 1/4 yards with Thelma Wehl another foot away. Denise was unofficially clocked at 31.1 in the opening lap of the women's relay 150 metres.

Six individual records were smashed last night and one time equalled.

BROKE THREE RECORDS

Lesley Campbell, twelve year old Valley girl was responsible for three records. She lowered the Under 12 50 metres freestyle time of 36 seconds swimming 34.4 in the heat and 33.8 in the final. Swimming butterfly, Lesley clocked 42.5 in the breaststroke 50 metres junior heat. This was under her own record last year.

Dave Ferricks, Rockhampton boy, completed the freestyle sprint double by winning the 200 metres freestyle last night. Ferricks had previously won the 100.

George Newton, national junior winner over 100 yards freestyle, cleared out with the Under 15 freestyle 100. He clocked 65.7, and cut 2.9 secs off the Under 15 record.

Junior backstroke girl, Jeanette Holle, lowered her own State time by half a second in the backstroke junior 100 to break the sixth record.
(Picture of Lesley Campbell winning the breaststroke)

C.M. Thursday 26 February 1948

REFEREE RULES ON SWIMMER FOR STATE TITLE

Officials conferred before Jack Boast was awarded the intermediate breaststroke 100 metres at the Valley Baths last night.

Referee, Joe Emerson, said that steward Ray Franzen had called his attention to the fact that Boast was turning his head sideways. Mr Emerson ruled, however, that Boast had swum a correct stroke and had not infringed any rules. Boast tired badly in the last 15 metres and his stroking was irregular. Mr Emerson said that turning his head had not caused Boast to dip his shoulders. Unlevel shoulders would have meant disqualification. Boast is son of former Olympic backstroker, Tom Boast, and a State junior breaststroke representative last season. Last night in the heats he swam orthodox stroke for 90.4 secs and was beaten by Joe Doran in 89.2 secs. Boast swam butterfly in the final and just won from John Baldwin in 85.3 secs.

Olympic candidates Denise Spencer and Nancy Lyons won their events. Denise took a comfortable 200 metres freestyle victory, and Nancy's superior condition got her through in the backstroke 100.

Denise swam a slashing 50 metres in the women's 200 metres relay for Roma. Some unofficial watches clocked her to break 30seconds.

Individual record breakers were - Joyce Speed with 33.4 in the Under 14 freestyle 50, and Des Mason in 37.8 secs in the boys sub-junior backstroke 50.

Thelma Wehl won the women's junior 50 freestyle in a photo finish from Lesley Campbell, Joyce Speed and Pam Coughlin. Thelma's nose bled and she dazed herself when she hit her head on the end of the pool in beating Lesley by 1/10 sec.

MOVE TO GET LARGER SWIM POOL

Queensland Amateur Swimming Association will ask City Council to begin immediately the task of enlarging the Ithaca Baths. Ithaca pool is 25 yards long. The Association wants it increased to 55 yards, the standard Australian championship dimension.

The Association asked for the decision to be made to enable them to conduct the Australian diving championships at Ithaca next year. Queensland has been allotted next year's National Titles, but has no pool in which to conduct the diving events. The Valley Baths, nearest to approach to Australian standards, has no high tower, and in any case is not deep enough for high diving requirements.

FACILITIES LACKING

Association Chairman (Mr J.S.Emerson) said last night that space was available at Ithaca for the alterations sought. "This is only the first step in a campaign for better swimming facilities for Brisbane," he said. "We know the public is not getting fair use of the Valley pool, but we make no apologies for tying it up for our State carnivals. Similarly, school and Club carnivals must go on if we are to develop swimming. The plain fact is, there are not enough swimming pools in Brisbane. Facilities here are shockingly inadequate. We feel so strongly on this issue that we have urged that swimming be a compulsory subject in schools."

C.M. Thursday 27 February 1948

DENISE IN NEW RECORD

Denise Spencer was dazed by knocking her head on the turn but broke her own country record at the State Country Swimming Titles last night. She finished strongly to finish in 32.5 secs for the 50 metres freestyle. The previous record was 32.6 secs.

Denise won by a yard from Joyce Speed (Ipswich) and Thelma Wehl (Roma). Denise was assisted from the water but soon recovered from the knock.

Dave Ferricks of Rockhampton won the men's 10 metres title by 2 yards from Col Bannerman (Ipswich) and Peter Maxwell (Ipswich). The time was 64.8 secs.

A.Caufield won the junior men's 50 metres in 30.5 secs. J.O'Neill (Toowoomba) was second and K.Witt (Maryborough) third.

C.M. Saturday 28 February 1948

GIRL SWIMMER IN GRITTY WIN

Roma girl, Thelma Wehl, gave a gritty performance to win the State Junior Women's Freestyle 100 metres title at the Valley Baths last night.

Thelma had started eight times in St Margaret's school title in the afternoon, and although tired before the race, she came from behind to beat Joyce Speed of Ipswich by about half a yard. Joyce holds the State junior record for 100 and led by half a yard at the turn, but she could not stall off Thelma over the last 25 metres.

Judy Young, who held the junior title, won her first State Open race when she took the 400 metres. Judy's time was 5m 57.7s, but she lost almost 5 seconds when she turned back to help Denise Spencer who collapsed at the 300 metres mark.

FOUR AGE RECORDS

Four Under Age records were broken. Des Mason completed a treble in the sub-junior strokes when he took the backstroke 50 in 37.4secs, 2 seconds under the previous record.

George Newton swam the fastest 100 by a junior in Queensland when he won the men's junior title by 5 yards in 65.3 seconds.

Other records went to Henry Weld who beat Don Trenerry by a touch in 31.3 seconds in the Under 13 freestyle 50, and E.Eacott who won the women's sub-junior backstroke comfortably in 41.2 seconds.

Front page article - DENISE SPENCER IN SWIM COLLAPSE

Denise Spencer, an Olympic candidate, collapsed during the women's freestyle 400 metres race at the Valley Baths last night. She received medical attention and was taken to her hotel by her mother and coach Reg Booker.

A Roma Doctor who was at the Championships said that Denise had a heavy cold and an obstruction in the nose. Denise hit her nose hard at the Country Titles in Ipswich on Thursday night, and a medical examination yesterday morning revealed that the cartilage had been moved and the membrane bruised.

ORDERED REST

The Doctor said Denise should not be allowed to swim for several days.

Denise and Judy approached the turn at 300 metres together when Denise began to weaken. She clung to the end of the pool and officials quickly helped her out. Judy stopped and was about to turn back to help Denise, but the officials assisted her. Judy lost about six seconds but went on to win comfortably.

Shirley Richards, a City pastime girl, swimming in an earlier race, blacked out in the pool and had to be pulled out by Life Savers, Irving Springfield and Roy Holland. City Pastime officials said that Shirley had collapsed previously at Club swims because the chin strap on her cap tightened in the water.

C.M. Monday 8 March 1948

QUEENSLANDERS VICTIMS OF SPORT POLITICS
OLYMPIC TEAM SELECTION SHOCKS
By Jim Vine (Sports Editor)

Denise Spencer and Nancy Lyons, and to a lesser extent cyclist Ken Caves, seem to have been innocent victims of sports politics at the Olympic team selections.

Swimming, one of Australia's major sports, with only four representatives in the team of 34, has been made the Cinderella sport.

Denise and Nancy rated fifth and sixth in the swimming gradings seemed Olympic "certainties". Caves was always in doubt. He was number five on the cycling panel. Australia has never sent more than four cyclists to the Games. Even so, Caves received a higher position in the final gradings than either of the girls. He is first reserve, Denise second, and Nancy fifth. Some of these selections seem inexplicable.

Queensland girls have done everything asked of them this season. Denise has been specially set for the Games 400 metres, and at the present Australian Championships set a new Australian record of 5m 31.5s for the 440 yards. Nancy, after nine weeks training in the new "butterfly" stroke, swam 3m 9.6s for the 220 yards breaststroke, only four seconds outside Claire Dennis' record.

But the merit of these performances is that both have been set a long way ahead in their training schedule designed to bring them to their top at the Games. They were expected to make vast improvement between now and July.

The team of 34 comprises 12 athletes, 7 rowers, 4 cyclists, 4 boxers, 4 swimmers, 2 wrestlers, and a weight lifter.

C.M. Wednesday 10 March 1948

FUND FILLED IN TWO DAYS
QUEENSLAND'S REPLY TO GAMES REBUFF
By Jim Vines

In two days the Queensland Amateur Swimming Association's £650 appeal to send Nancy Lyons to the Olympic Games has been oversubscribed. This means that Queensland will now have five games representatives, Cass Higham and Lawrie Birks boxers, swimmers Denise Spencer and Nancy Lyons, and cyclist Ken Caves.

C.M. Monday 15 March 1948

DENISE FIT AGAIN TO GO SOUTH

Queensland's Olympic swimmer, Denise Spencer, has fully recovered from her collapse at the State Titles last month and will leave by air today for further intensive training in Sydney. She and the other Olympic swimmer, Nancy Lyons, leave by plane at 9.45 this morning.

Interviewed at her hotel last night, Denise looked a picture of health. During the past fortnight she has been home in Roma where country friends have been giving her farewell parties. Denise' swimming collapse was due to a blocked nasal passage which has since been treated by her Doctor in Roma. The injury has not given her any further trouble.

She and Nancy will train in Sydney under coaches Cotton and Carlisle until the end of April when they will return home for two weeks.

Denise and Nancy are expected back in Brisbane for the Queensland Ladies Amateur Swimming Association's Ball at the City Hall on April 28.

C.M. Wednesday 17 March 1948

SWIM RUMPUS OVER GAMES TEAM SELECTION

Sydney Tuesday

President of the Australian Swimming Union, Mr Bennett, and the Union's Secretary, Mr Phillips, have asked the State Associations to discipline Victorian Swimming Association's Chairman, Mr W.Uren,

The request follows the action of Mr Uren in accepting the nomination as the Australian Swimming Union's representative at the special Grading Panel at the recent meeting of the Australian Olympic Federation. Despite a request by Mr Bennett that he should refuse nomination, and so allow Mr Phillips to sit on the Panel, Mr Uren allowed his name to go to a ballot. Mr Uren was appointed by a full vote of the Federation.

Mr Uren has countered the charges made against him by urging the States to "curb" Mr Phillips.

Charges have been made since the meeting of the Federation that Mr Uren joined the Panel without sufficient information from the Australian Swimming Union on the performances of the swimmers nominated and without the latest information on world performances.

It had been stated he was unable to overcome objections by representatives of other sporting bodies, and succeeded gaining a place for only four swimmers.

STATES CIRCULARISED

Special reports of the meeting of the Federation and the actions of Mr Uren have been circulated to all the State Associations by Messrs Bennett and Phillips.

In a lengthy letter Mr Bennett says it has come to his knowledge that a prearranged plan was agreed to by certain persons representing other Unions at the Olympic Federation's conference. They approached Mr J.J.Meagher of the Queensland Cyclists Union who nominated Mr Uren in opposition to my nomination, said Mr Phillips.

Mr Phillips being an ASU selector was the obvious choice for the Panel, but despite my protest, Mr Uren persisted in accepting the nomination and was subsequently elected. I am informed Mr Uren was approached by the opposition before the meeting of the Federation started. His failure to secure a larger representation of swimmers is not surprising because he is not in possession of the facts relating to our swimmers.

Phillips has spent many months in scanning current figures which were impossible for other Unions to contradict.

MR UREN'S REPLY

In a vigorous reply in a letter Mr Uren informed State Association Secretaries that he had not contravened the regulations of the Union, and no authority existed to take action as requested. Mr Uren made charges against Mr Phillips and said that antagonism towards the ASU had been fostered by his irrational provocative public utterances.

Mr Uren concluded by saying that although he had paid tribute to the Secretarial work of Mr Phillips, he considered at there were limits to his duties. His incursion outside what he contends are the limits of his legitimate duties should be curbed. They call for directions from State Associations if Unions are to be spared the indignity of ostracism of the rest of the amateur sporting community of Australia, he said.

C.M. Wednesday 24 March 1948

SENDING EMERSON TO EMPIRE GAMES

QASA Chairman, Mr J.S.Emerson, has been appointed an Australian Swimming Union delegate in the position on the Empire Games Association. The other Australian delegate is Mr Berge Phillips, Secretary of the Australian Swimming Union.

The Games were scheduled to be held in Canada in 1950, but New Zealand is now angling for the carnival. The last Games were held in Sydney in 1938.

C.M. Wednesday 14 April 1948

ALL SWIMMERS IN GAMES TEAM

Finance has been found for all nominated swimmers and a water polo team of ten for the Olympic Games.

The Secretary/Treasurer of the Australian Swimming Union, Mr W Berge Phillips informed the QASA Chairman (Mr J.S.Emerson) to this effect last night. This means that the eleven swimmers and the water polo team will now go to the Games instead of the four named when the original team of 34 athletes was chosen.

The swimmers in order of rating are - John Marshall (Vic) freestyle, John Davies (NSW) breaststroke, Judy Davies (Vic) backstroke, Garrick Agnew (WA) freestyle, Denise Spencer (Qld) freestyle, Nancy Lyons (Qld) breaststroke, Bruce Bourke (NSW) freestyle and backstroke, Marjorie McQuade (Vic) freestyle, Warren Boyd (NSW) freestyle, David Norris (Vic) diving, and Kevin Hallet (NSW) breaststroke.

Six members of the water polo team are from New South Wales, four from Victoria.

The Secretary of the New South Wales Association, Mr S.Grange, said in Sydney last night that the Executive had decided to ask the Australian Swimming Union to agree by a telegraphic mail vote for £50 to be allocated to the training of each swimmer before the team leaves.

It is believed the team will be at least five weeks in Melbourne.

Denise Spencer and Nancy Lyons will leave Queensland this week, having been asked to return to Melbourne early in May.

The Executive also requests that the ASU coach, Mr Forbes Carlisle, be placed in charge of the team.

Courier Mail Tuesday 12 October 1948

DISCLOSES LACK OF SWIM BATHS

Lack of sufficient baths in Queensland for training and diving practice was deplored by delegates to the Annual Meeting of the Queensland Amateur Swimming Association last night.

"From 1942 to 1947, 96 new Queensland records were established, and in 1948 a further 10 were added, but Queenslanders seldom won an Australian title," said the Chairman of the Q.A.S.A, Mr J.S.Emerson.

A telegram from the President of the Australian Swimming Union, Mr H.A.Bennett, congratulated the Association and Nancy Lyons on her Olympic appointment, which was read to the meeting. "The Association will not forget the action of the now infamous Grading Committee who placed Nancy in thirtieth place" said the telegram. "Only splendid efforts of Brisbane people made it possible for Nancy to represent Australia." (Nancy swam second in the Olympic Women's 200 metres breaststroke.

Mr Justice Mansfield was elected President of the Q.A.S.A, Sir John Lavavack (Queensland Governor) Patron, and Mr J.B.Chandler (Lord Mayor of Brisbane) Vice Patron.

C.M. Friday 22 October 1948

MOVE TO STOP HIGH DIVE HERE
Sydney, Thursday

The N.S.W Swimming Association moved last night to prevent Queensland holding the Australian High Board Diving Championships in a Brisbane quarry next February.

Arthur O'Connor, Australian champion, challenged the ability of the Queensland Swimming Association to provide high board diving facilities. O'Connor, speaking to a motion, at a meeting of the Association, asking Queensland to give assurance that regulations would comply with international regulations.

The motion also asked that if the assurance was not given, N.S.W should apply to conduct the championship.

The motion was carried, and Mr Bert Dutton, a member of the State Executive who will visit Brisbane shortly, will make inquiries about the facilities available in Brisbane.

"If Queensland cannot provide correct facilities, it should not get the championships," said O'Connor. "If it rivalled the farce of the previous high board championships in Queensland, it would be a retrograde step. We must not permit makeshift apparatus."

C.M. Wednesday 27 October 1948

PLANES DUMPED IN DIVE QUARRY

The U.S dumped old war planes, machinery and other junk into the Morningside quarry where it is planned to hold the Australian Diving Titles in February. Alderman Holmes (Labour, Bulimba) disclosed this at the Brisbane City Council meeting yesterday. "This junk is still in the quarry, and it will have to be dragged before diving can be held safely," he said. "A safety fence around the top of the quarry is also essential."

The Lord Mayor (Ald J.B.Chandler) said that the Council would do everything possible to bring the quarry to the required standard. An inspection would be made by Council officers and a report submitted.

Q.A.S.A Chairman (Mr J.Emerson) said last night that the Council's decision would remove any doubt that the high three piece dives would be held here. "Minimum depth required for the dives is fourteen feet six inches. There is forty feet of water in the quarry," he added.

NEW SOUTH WALES CHALLENGE?

Queensland will now inform the Australian Swimming Union that it will have the facilities to conduct the diving events. It is still possible, however, that this will be challenged by New South Wales.

The New South Wales Swimming Association last week was critical of Queensland's ability to hold the events in the quarry, and may still move to have the events transferred to Sydney.

Queensland lost the 1947 Championships because the Valley Pool is laid out in metres, not in yards.

C.M. Thursday 28 October 1948

SWIMMERS WILL CLEAR QUARRY

"A Q.A.S.A working bee would clear the Morningside quarry of underwater obstructions," Chairman (Joe Emerson) said last night. "The quarry pool would be used for the Australian Diving Championships next February."

In the City Council meeting last Tuesday, Ald Holmes said the authorities had dumped old war planes and other junk into the pool.

Mr Emerson said swimmers had tested the water where it was proposed to erect the diving tower, and found it free from obstructions. A working bee using grappling irons would ensure no underwater snags.

C.M. Saturday 30 October 1948

COUNCIL GRANT LIKELY
DIVING NEEDS AT QUARRY

A proposal that the Brisbane City Council would grant the Queensland Swimming Association £175 towards providing facilities at the former quarry at Morningside if the Australian High Diving Championships were held there, has been made by a sub-committee.

The recommendation by the Services and Committee will come before the full Council for decision on Thursday.

The committee reported that the total cost of providing the bare necessities in a high diving stand, platform, springboards, access stairs, and temporary seating for spectators, was estimated at £500.

The Council has, however, laid down certain conditions for the use of the quarry :- The decision on suitability and safety of the quarry rests entirely with the Q.A.S.A: The Association accepts full responsibility and will indemnify the Council for any injury to any competitor or any person or for any damage: The Association to remove, on completion of the Championships, all structures erected by it so as to minimise any risk of injury to persons who might visit the quarry after the events had been completed.

C.M. Thursday 11 November 1948

NANCY LYONS NOT FOR RECORDS

Nancy Lyons, runner-up in the Olympic Breaststroke title, will swim in the 100 metres Women's Breaststroke Handicap in the Mercantile Relay in the Valley Pool on November 24. This will be her first open carnival appearance since returning from the Olympics.

Her father, Bren Lyons who is Valley Club Treasurer, said that no special arrangements would be made for Nancy to break a record. However, it is likely that she will go close to her own State women's record of 88.4 seconds. That time was set in 1945, and Nancy has had few opportunities to swim over the distance since the Olympic, Australian, and State titles are 200 metres.

The Australian 100 metres record is 84.6 seconds, held by Claire Dennis. Nancy unofficially bettered that when she swam butterfly over 110 yards to clock 83.9

earlier in the year.

Entries for the carnival will close on Saturday, Handicaps for Nancy's and other events will be announced on Monday. A record entry of 95 teams in the Mercantile Relay events is likely to be shattered.

C.M. Monday 15 November 1948

WILL DRAG DIVE POOL

The Queensland Amateur Swimming Association has made arrangements with a Brisbane engineering firm to drag the Morningside quarry, site for the Australian high diving titles, to remove any hidden obstacle.

The move has been prompted by the suggestion that during the war aeroplanes were dumped in the quarry by American services.

Plans had also been completed for the erection of a high diving tower, springboard, access stairs, and seating facilities. The QASA has taken out a comprehensive policy to indemnify the Brisbane City Council for injury to any competitor or person or for any damage. These were the conditions laid down by the Council before it would agree to provide £150 towards these facilities.

Has been stated officially that the Morningside quarry contains forty feet of clear spring water. The best feature of the site is that despite months of drought conditions the depth of water has not varied.

C.M. Friday 19 November 1948

MAIL VOTE TO SHIFT DIVE POOL

The Australian Swimming Union will be asked to take a mail vote of all State Associations on the Queensland proposal to hold the national title high dives in a Brisbane quarry lake next February.

This was decided at last night's meeting of the NSW Amateur Swimming Association. The States will be asked to decide that if the championships are not conducted in a recognised pool, they be transferred to another State. It was suggested that a pool in Sydney should be secured.

QASA Chairman, Mr J.Emerson, said last night, "Queensland will fight this move. Queensland was fortunate to get the first Australian titles after the Olympians came back, and we will not tamely see another State take our privileges."

The NSW Association Executive on Wednesday night decided to back a protest by Sydney divers, and to refuse to accept an assurance from the QASA that the Quarry pool would conform to required standards.

ASSURANCE GIVEN

Mr Emerson said that the QASA had certified to the Australian Swimming Union that the quarry would be suitable for the dives. "That is the whole procedure required by the rules to ensure we keep the titles," he said. "I do not see what right of appeal NSW has against that." He added that the QASA had already received a letter from the ASU confirming the titles being held in Brisbane. "If NSW do not send divers up, the championships will go on just the same," Mr Emerson said.

Accommodation in Brisbane has already been booked by the QASA for more than 80 competitors from NSW, Victoria, and Tasmania. Entrants from South Australia and West Australia are yet to arrive.

C.M. Monday 22 November 1948

"WILL CLOSE SWIMMING CAREER THIS SEASON," SAYS DENISE
By Neville Davidson

Denise Spencer, nineteen year old Olympic swimmer, plans to retire from competitive swimming at the end of this season.

After the Queensland and National titles next year she will go to Blackall as receptionist and assistant to her brother who plans to set up dental practice there.

As a schoolgirl, Denise stated she wanted to become a nurse. She said last night, "I don't think I want to be a full-time nurse. I do not know if I will be able to do any swimming at Blackall, but it is certain I will not train for any more championships after this year," she added.

TIRED OF SWIMMING

Nancy Lyons who went to the London Olympics with Denise, said last night, "Denise talked of retiring completely when we were on the way home, and I thought of it too, but we were both very tired of swimming, and we both had another think on it," she added.

Denise first won a State junior title in 1944, and won Australian Open titles in 1946. She will come to Brisbane on December 1 to swim in a carnival at the Valley Baths on December 3. She has been training twice a day at her home in Roma.

C.M. Wednesday 24 November 1948

SWIM CHAMPION TO COMPETE

Jack Bell, State swimming champion who will appear at tonight's mercantile swim carnival at the Valley Pool, had sixteen stitches removed from his foot at the weekend. The stitches were inserted in Bell's right foot following a motorcycle-car accident last week. The injury kept him away from training for a week, but tonight he will race in the men's 100 metres scratch race. He was third in the last State 100 behind men who will not be swimming tonight. Opposition will now include Ron Miller, Leander Club champion, and Brian Christensen, improving Sandgate swimmer.

Feature race of the night will be the women's 100 metres breaststroke handicap, when Olympic girl Nancy Lyons will give away big starts to a field which includes inter-schools champions, Lorraine McMurray, Gay Howard, Robin Stevens, and her own sister Helen Lyons. Eighty-eight teams will compete in the mercantile houses relays which will be run in ten heats, three semi-finals, and a final.

C.M. Thursday 25 November 1948

(picture of Nancy Lyons on the block - a good photo)
NANCY LYONS NEAR RECORD

Nancy Lyons, Olympic breaststroke swimmer, went close to her own State 100 metres record

In a handicap breaststroke 100 metres at the mercantile carnival at the Valley Baths last night. Her time was given as 88.9 seconds - just 0.3 seconds outside the record.

It was her first State carnival appearance since returning from the London Olympics in August, and she was nowhere near her peak form. She finished third behind Margaret Lucas and Robin Stevens.

Several reliable clockers who timed Nancy direct got her better than the record in 88.3 or 88.4 secs. It was claimed that the Starter's call of 21, Nancy's handicap, was a fraction slow, and official time is calculated by extracting 21 from Nancy's handicap time which was started from the "go" call.

LOOKED WINNER

Robin Stevens, off handicap 4, looked a winner at all stages except the last 15 metres.

She passed Margaret Lucas before the turn but Margaret finished determinedly to win by 0.6 sec.

Jack Boast, All Schools champion, son of Tom Boast former Olympic backstroker, surprised by clocking 65.9 secs for 100 metres freestyle so early in the season. He cleared out with the men's 100 after being beaten in his heat in 69.4 secs.

27 disqualifications were necessary in the ten heats, three semifinals and the final of the mercantile relay event. Mactaggart P.P. Co-op Association won the final. They broke their time by 5 seconds which is the maximum allowed, to touch behind E.G.Eagers II team, but won on the disqualification of Eagers who broke by 5.1 secs, 0.1 sec over the maximum.

C.M. Thursday 2 December 1948

(Picture of Denise Spencer in starting position. "DENISE BACK IN SWIM Denise Spencer, Olympic swimmer, made her first public appearance at the Valley Baths last night since her return from the Olympic Games. The picture shows her waiting to take the water in the medley relay.")

RECORD TRY BY NANCY

Olympic swimmer, Nancy Lyons, is expected to set another State record when she swims in a carnival at the Warwick Baths on Saturday. She is to swim breaststroke over 100 yards and will have to beat 88 seconds.

Denise Spencer, Olympic freestyle swimmer, will also appear. Her task for a record will be harder as she will have to beat 2 min 40 secs for the 200 yards.

Mr Bill Holland, QASA Secretary, said yesterday these times would be acceptable as State records if three official watches timed the girls and proper application was made to the QASA.

Nancy already holds the Australian record for 100 yards as she swam butterfly to clock 71.8 secs in Sydney early this year. The Queensland record is 85 secs held by Ettie Robertson, former Australian champion.

DENISE WINS

Denise Spencer had her first competitive swim this season last night. In a freestyle leg of a medley relay she swam 50 metres in 31.7 secs, only 0.6 secs outside her own State record, but she may be hard pressed at this stage of the season to better 2m 40s which was set in the Warwick pool 23 years ago by American Olympic swimmer, Marischen Wehselau. Nancy and Denise will make their first open carnival at the QASA meeting in the Valley Pool tomorrow night. They will give exhibition swims in their recovery.

C.M. Saturday 4 December 1948

DOUBTS ON QUARRY FOR DIVE

Doubts on the ability of the Queensland Amateur Swimming Association to prepare the Morningside quarry in time for the Australian Diving Championships early in February were expressed by Mt J.E.Dutton yesterday.

Mr Dutton is a member of the NSW Swimming Association who was sent to Brisbane to inspect the quarry. He said he was agreeably impressed with the possibilities of the pool, in fact it was all the QASA had claimed, but he considered the expense which would be involved in erecting spectator accommodation, dressing facilities for competitors, and the actual diving tower, were unwarranted.

Mr Dutton also considered that the pool was too deep, because high divers require a solid bottom from which to push themselves to the surface

FAVOURS SYDNEY

Asked which State would be granted the diving championships if Queensland were to lose them, Mr Dutton said it depended on the result of the postal vote at present being taken, but he thought NSW was the most likely State, and in that case they would be held at the Glanville pool.

Mr Dutton also said that one of the prime movers in an attempt to prevent the dives being held in the Morningside quarry was Arthur O'Connell, a leading Australian diver who was seriously injured when competing in a diving contest in a quarry at Surrey Dive in Victoria. O'Connell struck a submerged rock ledge.

C.M. Wednesday 15 December 1948

BREAKAWAY IN SWIM DISPUTE
WOMEN TO HOLD OWN CARNIVAL

The Queensland Ladies Amateur Swimming Association has decided to break away from the QASA and to hold its own State Championship Titles early next year.

This was announced by the QLASA Secretary, Mrs E.Gough, yesterday. The Association intends to hold its titles a few days before the scheduled State Championships on February 4, 7, 9, 11.

The decision comes at a long period of dissatisfaction felt by the Ladies Association with the QASA. The Ladies Association has resented the QASA selecting the women's swimming team and chaperone for Australian titles each year, and also the sharing of the carnival receipts.

Queensland's outstanding lady swimmers, Nancy Lyons and Denise Spencer, are almost certain to compete at the QLASA carnival. Nancy, who will leave for Roma this morning, said last night she would swim in any QLASA carnival if in Brisbane. Both girls will swim in a carnival in Roma tomorrow night.

"NO STANDING"

QASA officials said last night that the breakaway championships would not be sanctioned and had no standing with the Association. The QASA Chairman, Mr J.Emerson, said his Association was the only body that could hold State Titles. "If the swimmers do not compete in the QASA titles, they will not be eligible to swim in the Australian titles, as we are the only body affiliated with the Australian Swimming Union," he said.

QASA Secretary, Mr Bill Holland, said any championships conducted by the QLASA would have no standing, as their Association is merely an affiliated body of the parent QASA. The women's state Titles will be held during the QASA State Championships carnival on February 4, 7, 9, 11.

C.M. Thursday 16 December 1948

WILL TEST DIVE POOL

A diver will inspect the underwater cliff face of the proposed diving site at the Morningside quarry this weekend. This is a preliminary step in the preparations for The Australian High Diving Championships there in February.

Queensland Swimming Association Secretary, Mr Bill Holland, said that the State high diving champion, George Johnston, would make the survey.

The pool contains 35-40 feet of water at the selected spot, and a diver does not descend normally more than 14-15 feet at the completion of his dive, said Mr Holland.

The QASA Chairman, Mr J.Emerson, said last night that plans had been made to have the pool dragged by a local engineering firm. As the championships would not be held until February, there was no immediate hurry in the preparations, he said.

C.M. Tuesday 21 December 1948

QUARRY SAFE FOR DIVING

The cliff face of the Morningside quarry where the Australian diving titles are to be held in February has been proved to be vertical with no projections.

State diving champion, George Johnston, who carried out a thorough examination under water, said yesterday the quarry was safe for the championships. The Queensland Amateur Swimming Association Secretary, Mr Bill Holland, said Mr Johnston had examined the cliff and found no outcrops in the area where the diving will be held. Depth of the water in this area was checked and later marked with buoys from 17 feet just off the cliff edge, increasing to 25 feet in the actual diving spot.

C.M. Thursday 2 December 1948

GIRL SWIMMERS FOR TITLE BIDS

Toowoomba and Manly girl swimmers are likely to figure prominently in the State Championships which begin on February 4. Succeeding newcomers may be Robin Wedgwood (Toowoomba) and Mavis Rogers (Manly). Both will challenge Olympian Denise Spencer and State champion Judy Young in the women's Open freestyle events.

Mavis is only 17 and is undergoing her first season of scientific coaching. Robin is training with former Australian champion, Bill Fleming, at the Valley Pool, and Mavis is being supervised at Manly by Sydneysider George Moss, a pupil of former Olympian Harry Hay.

Robin swam only her second 100 metres this week and clocked 76 seconds. Her time would have easily put her third in last year's State title. Denise beat Judy in 71.2 seconds. Robin is likely to improve a lot yet. She is the neatest stylist seen among the older girl freestylers this year.

In her pet distance of 200 metres, Mavis registered just under 3 minutes. Allowing her also considerable improvement before February, she may get close to 2m 39.8secs which was Denise's State winning time last season.

Moss also claims that 15 year old Bill Heath will worry champion George Newton in the junior freestyle titles. Heath clocked close to 60 seconds for 100 yards by Moss. Newton has had a hard exam period and will start hard training only next Monday.

C.M. Monday 27 December 1948

SWIM FIND TO MEET OLYMPIAN

Robin Wedgwood, new women's sprint "find" has her first taste of Olympian Denise Spencer at Roma next Monday. Robin, who began serious training only this season, is a member of the QASA team which will compete in scratch races at Roma on Monday.

The team will be - Jack Bell, Peter Maxwell, Col Bannerman, George Newton, des Mason, Ron Lehane, Don Trenerry, Robin Wedgwood, Joyce Speed, and E.Eacott.

Bell, Maxwell, Newton, Bannerman and Mason will clash with Roma swimmer Peter Dodson who was second in the State 100 metres freestyle last season. Bell and Maxwell who have been placed in the State 100 title, and Bannerman (intermediate), Newton (junior), and Mason (sub-junior) are present State sprint champions.

The team will leave Brisbane on Friday. QASA Chairman, Mr J.Emerson, will be Manager.

C.M. Tuesday 4 January 1949

SWIM FIND TESTS DENISE
Roma, Monday

Robin Wedgwood, swimming newcomer, swam blind over the last lap to be beaten narrowly by Olympian Denise Spencer in the freestyle 100 metres event at tonight's carnival in the Roma Baths. Robin had to be assisted from the water. She said afterwards that she had swallowed a mouthful of water and had been attacked by a severe cramp almost at the same time.

Denise clocked 71 seconds which is only 0.2 seconds outside her own State record. Robin was officially timed at 72.2 seconds. QASA Chairman, Mr Joe Emerson, who timed the events, said he considered Robin the best prospect he had seen for some years.

WOMEN TO HOLD OWN TITLE SWIMS

The Queensland Ladies Amateur Swimming Association will hold its own championships next month. The QASA Executive last night gave approval for the titles to be held at the Davies Park Baths on February 2. The State men's and women's championships will be held at the Valley Baths on February 4, 7, 9, 11.

The QLASA events will be Association championships but not State women's titles which will be conducted by the QASA.

Queensland Olympic breaststroke swimmer, Nancy Lyons, has already signified her intention of competing in the Ladies Association titles, and Denise Spencer is also a likely entrant.

Approval has been given for the complete programme drawn up by the QLASA. This will include country championships which are open to Clubs affiliated with the Association.

C.M. Friday 7 January 1949

COUNTRY SWIM FIND HERE

Robin Wedgwood, who ran Olympian Denise Spencer to a photo finish over 100 metres this week, is the leader of the Longreach contingent which will try to take titles at next month's State Championships. Robin, who swims with a Toowoomba Club, has her home in Longreach and first learned to swim there in the Thompson River.

Other Longreach newcomers will be Doug Field, and Bob Hamilton from Ilfracombe which is 18 miles from Longreach. Field is 19 and Hamilton 35. Both will compete in the marathon 1500 metres event.

Denise's coach said that this year's "Longreach invasion" is likely to be only the forerunner to more strong bids by Central West swimmers to take titles, as Denise Spencer who will settle in Blackall next month has stated her intention of coaching. Blackall is about 100 miles from Longreach. Longreach, Blackall, Barcaldine, and Ilfracombe all have proper swimming baths.

Noel Kenny, former Nudgee College representative, will be another strong country contender for the championships. In the Bowen Club 100 metres freestyle title this week he was clocked at 65 seconds, and was not pushed. This time has been equalled only once by Brisbane swimmers this year.

C.M. Tuesday 11 January 1949

DIVERS TO TEST POOL BOTTOM

The Queensland Amateur Swimming Association asked the Harbours and Marine Board to supply a diver with copper helmet, lead boots, and a full suit, to inspect the pool at the Morningside Lake dive site. The lake is to be used for the Australian Diving Championships next month.

QASA officials and surveyors charted the depth of the water last week and found 14 feet clearance in the shallowest part of the 60x40 feet area to be used for diving. Officials said that construction of the diving towers had already started.

DATES SET FOR SWIMMING TITLES HERE

The Australian swimming championships will be held in Brisbane February 19-26. The provisional programme committee, Joe Emerson, Greg Beer, and Bill Holland, last night evolved plans to hold the four nights of the championships on Saturday February 19, Tuesday, Thursday, and Saturday following. The committee has not yet finished its plans for the carnival schedule which will have to be approved by the Australian Swimming Union. Dates for the two days of the diving titles are indefinite, but likely to be Thursday and the second Saturday.

Mr Emerson, as interstate personnel officer, announced that accommodation had been secured for 86 competitors from NSW, Victoria, South Australia, Western Australia, and Tasmania.

The Commercial Club has added an Open 100 metres for men to its carnival programme for January 24. The event will carry the B.B.Kieran Shield. The D.S.Carter Shield will replace the De Little Trophy for the women's 200 metres relay at the state Championships.

C.M. Friday 14 January 1949

"BABY" IN SHOCK SWIM WIN

15 year old Daphne Franzen overshadowed a few of the champions in the mixed 200 metres handicap at the Valley Baths last night.

She beat Col Bannerman and Robin Wedgwood but shocked the crowd by the way she finished from her older rivals in the last half lap. Her actual time of 2m 50.8s was only 4.8 secs outside the state junior record. Robin Wedgwood, contender for Denise Spencer's open titles, failed over the last 50 metres. She was less than a length behind Daphne at the last turn but was 5 yards behind her at the finish. Her actual time of 2m 50.1s was 10.4 secs slower than Denise Spencer's time in the State title last year.

LEFT STANDING

On adjusted handicaps Bannerman would have been the early leader. He was the only one of the back markers to catch the leaders. He turned with Robin Wedgwood with 50 metres to go, and though he swam into second place, the winner left him standing over the last 25.

Peter Maxwell returned fastest time with 2m 34.4s. He just beat Ron Miller for fourth. Others were George Newton, Pat Vickers, and Norm Smith.

C.M Monday 31 January 1949

SWIM DOUBLE TO ROBIN WEDGWOOD
Tmba, Sunday

17 year old State title contender, Robin Wedgwood, won the senior 66 yards backstroke in 51.4 secs and the 100 yards freestyle championship in 69.5 secs on Saturday night. Never at any time was she extended and the events proved little more than exhibition swims.

Men's 100 yards Freestyle Championship - M.Trenerry 1, J.Rivett 2 61.8s
Women's senior 66 yards backstroke - R.Wedgwood 1, G.Grainger 2 51.4s
Men's junior 66 yards breaststroke - H.Colbert 1, R.Law 2 57s
Women's junior 66 yards freestyle - M.Mudge 1, G.Grainger 2 54.6s
Men's senior 100 yards backstroke - M.Trenerry 1, R.Wise 2 76.2s
Women's senior 100 yards freestyle - R.Wedgwood 1, M.Mudge 2 69.5s.

C.M. Friday 4 February 1949

ROMA SWIMMER MAKES FAST TIME
DODSON BEST IN FAST TIME

Peter Dodson, University student, clocked fastest time in the two heats of the State 100metres freestyle title at the Valley Pool last night.

His 64.7 secs, Tom Halpin's 65, and Rob Hamilton's 65.2 all beat 65.4 by Dave Ferricks, last year's winner.

Dodson, who comes from Roma, swam with a stiff right arm. He had an injection in the morning and his arm was still sore. He was beaten by Ferricks in a disputed final last year in 65.1 secs. His fast time last night was helped by Ilfracombe speedster, Bob Hamilton, who was second to him. Hamilton burnt up the first lap at a terrific rate, he lost two yards at the turn but was still in front when he straightened up. Dodson's finish, however, was too strong.

GREAT FINISH

The best finish of the night was put up by Coolangatta boy Tom Halpin in winning the first heat. It was a Bernborough effort. He came from third at the turn and was easing up at the end.

Ferricks was last into the water in his heat after the start had been delayed by a break. He was first to turn, however, and he won well.

Peter Maxwell was unlucky in Ferricks heat. He was second to turn but got right underneath the ropes for five strokes with about 30 metres to go. He eased up and was a poor fourth.

Halpin took a double when he won his heat of the intermediate freestyle 200 from Joe Webster and Brian Gehan, again with a devastating finish. Gehan led until the last lap.

Paul Goener, from Maryborough, completed a clean sweep of heat wins for country swimmers when he beat Jack Boast and Ron Hagan in the other intermediate race.

C.M. Saturday 5 February 1949

FERRICKS GREAT FINISH IN 100 METRES
SIX SWIM RECORDS BROKEN
By Neville Davidson

Dave Ferricks retained his State 100 metres freestyle title in a titanic struggle at the Valley Baths last night. He beat Bob Hamilton, Peter Dodson, and Tom Halpin in 64.2 secs, nearly a second faster than his win last year.

Hamilton again set a terrific pace, carving out the first lap in 28.4 secs. Half way down the return lap he still held a commanding lead with Dodson closest to him. Then all eyes turned to a desperate finish by Halpin on the far side of Dodson, but Halpin hit the rope and cannoned off it on to the rope on the other side of the lane. That toppled him. Meanwhile Ferricks, between Hamilton and Dodson, had clawed his way up to the lead. He went to the front with 10 metres to go and won by a yard.

Olympians Nancy Lyons (breaststroke) and Denise Spencer (freestyle) both won their respective events.

DENISE IMPROVES

Denise Spencer, also improved last year's time by winning the women's 100 metres in 71 secs. She looked a winner all the way. Newcomer, Robin Wedgwood, finished gamely a length behind Denise and cut Judy Young out of second place.

Six records were broken and one equalled during the night. George Newton cut the junior freestyle 50 metres time to 28secs in his heat, and would have reduced it further in the final but for hitting the ropes.

Men's Results

Open Freestyle 100 metres - D.Ferricks (Rock) 1, R.Hamilton (Ilf) 2, P.Dodson (Uni) 3

FERRICKS COMPLETES FREESTYLE DOUBLE
By Neville Davidson

David Ferricks, Rockhampton swimmer, won the State 200 metres freestyle title at the Valley Baths last night, thus completing the sprint double. Last Friday Ferricks won the 100 metres title.

In the 200 last night Ferricks was last after the field had gone half a lap, but he was with the leaders, Peter Maxwell and Col Bannerman after two laps. He was just in front at the last turn and finished strongly to beat Maxwell by three yards.

Best junior performance was by Des Ramsay's runaway win in the junior

freestyle 400 metres. He had 20 metres to spare and cut 11.8 secs off the State record.

JUNIOR COLLAPSES

Junior sprinter, George Newton, collapsed at the end of the third lap and was assisted from the water. He had stomach cramps and could hardly breathe.

Denise Spencer came away at the end of the women's freestyle 50 beat Judy Young in 31.2 secs, only 0.1 secs outside her own State record. Judy easily held her junior 200 metres freestyle title, beating Robin Wedgwood by 5 yards.

Lesley Campbell, swimming butterfly, broke her own women's State junior breaststroke record twice. She clocked 41.1 secs in her heat and cut the time to 40 secs in the final.

Surprise of the night was Ken Harper's clear defeat of Des Mason in the Under 15 freestyle 100.

Results

(Picture - Janette Holle and Nancy Lyons)

DENISE BETTERS HER OWN STATE TIMES

By Neville Davidson

Again Denise Spencer showed her best Queensland form ever by cutting 2.7 secs off her own State freestyle 200 metres record at the Valley Baths last night, but Nancy Lyons, the other Queensland Olympian, was beaten into second place by Jeanette Holle in the women's 100 metres backstroke. Jeanette in her first season as a senior clipped 0.2 secs off Nancy's record for a Queensland of 83.5 secs. She beat Nancy by three yards with third place going to Pat Coughlin who finished ahead of Nancy in the QLASA titles last week.

Denise ran away in the third lap in her event to win in 2m 36.1s. Robin Wedgwood was again second with Judy Young third. Robin's 2m 42.6s beat the time in the intermediate 200 on Monday in which Judy defeated her easily.

MORE RECORDS GO

John Horniman from Coolangatta completed a medley double and 0.4 secs of the State record time for 150 metres with 2m 2.8s.

George Newton was too fast all the way for Des Ramsay and Ken Harper in the junior freestyle 200 in which he swam 2m 29.9s, just half a second under the old record.

Bush swimmer and surfer, Steve Wilkes, also completed a double by clearing away with the open freestyle 800. He confidently went to the front after 200, and streaked away to win by nearly 20 yards.

Tom Halpin retained his intermediate freestyle 400 title, again winning with a sprinting finish, but Brian Grehan who was second, lost about two yards at each of the seven turns.

Lesley Campbell (Under 14 freestyle 50) and Joyce Speed (junior freestyle 50) added more titles to their big list.

Results

Men's Events

Open Freestyle 800 metres - S.Wilkes (Paynter's Creek) 1, J.Bell (Val) 2, I.Springfield (Val) 3

FERRICKS BEATEN IN COUNTRY SWIM TITLES

Ipswich, Thursday

Ilfracombe speedster Bob Hamilton beat State champion Dave Ferricks in the State Country freestyle 100 metres tonight.

Hamilton swam 63.1 secs to cut 1.7 secs off the record Ferricks set in winning the previous year. Hamilton, who was beaten by Ferricks in the last few yards in the State title, came from behind tonight. He mowed down the champion to win by about one and a half yards. Ipswich swimmers Peter Maxwell and Col Bannerman finished third and fourth respectively.

Toowoomba girl, Robin Wedgwood who is in her first year of competition, won the country women's 50 metres freestyle title. She beat Ipswich junior, Joyce Speed, by a yard in 33.5 secs. Robin and Joyce touched together at the last turn but Joyce struck the rope and Robin surged away in the dash to the finishing board. Rockhampton girl, Pat Coughlin, was third.

Men's junior country freestyle placings were - N.Kenny (Rock) 1, A.Driscoll (Rock) 2, V.Parslow (Ips) 3. Time 31.3 secs.

C.M. Monday 14 February 1949

STATE TEAM FOR SWIM TITLES
By Neville Davidson

The State Selectors yesterday chose 39 swimmers, 25 men and 14 women, to represent Queensland in the Australian Swimming Titles beginning next Saturday in Brisbane.

Denise Spencer has been chosen for 5 events and a relay, and Nancy Lyons for 2 events and a relay. Denise will compete in the women's freestyle 100, 200, 400, 800, and medley 150, and Nancy in the breaststroke 200, backstroke 100, and medley relay.

The swimmers selected are: Men - D.Ferricks (Rock), R.Hamilton (Ilfracombe), P.Dodson, C.Hoey, W.Dowd, G.Johnston (Uni), J.Bell, I.Springfield, K.Matthews (Valley), P.Maxwell, C.Bannerman (Ips), S.Wilkes (Paynter's Creek), J.Horniman (C'gatta), D.Gibson (Leander), I.Mitchell (Commercial). Junior men - G.Newton, D.Mason, W.Dunn (Valley), D.Ramsay, K.Harper (M'boro), J.Bartlett, R.Lehane (Leander), J.Schwennsen (Roma), F.Guildford, K.Boyd (Sandgate).

Women - Denise Spencer (Roma), Nancy Lyons, J.Young, J.Holle (Valley), R.Wedgwood (Toowoomba), B.Bryant (M'boro), P.Hamilton (Commercial), B.Haymer (Leander). Junior women - J.Speed (Is), R.Framzen (Leander), N.Liddell, J.Carey (Valley), E.Eacott (Sandgate), R.Grier (Toowoomba).

HAS SHIELD CHANCE

The Queensland women must be given a great chance of regaining the Corbett Shield for women's events. Queensland won the Shield three years ago in Melbourne, but Victoria now holds it. Five wins by Denise and one by Nancy with another victory by the medley team, and a junior breaststroke win by Norma Liddell, who has an outside chance, would give Queensland an unbeatable lead in the fifteen women's events.

Denise is swimming better than ever this year and with ordinary luck should claim the four freestyle titles. Her effortless win over Nancy in the women's medley last week indicates she will put up a terrific fight in the national medley against title holder Judy Davies (Vic).

If Queensland misses the junior breaststroke and one of Denise's races, the Shield could hinge on the winner of the medley relay.

SURPRISE OMISSIONS

The only surprise omissions from the team were {Pat Coughlin (women's backstroke), and Lesley Campbell (junior women's breaststroke)}. Pat was a fair third in the State title behind Jeanette Holle and Nancy Lyons, and Lesley won the sub-junior breaststroke in record time, swimming butterfly. Lesley did not start in the junior 100.

Olympic junior, Marjorie McQuade, has a good hold on the junior freestyle and backstroke titles. Queenslander, Joyce Speed, is likely to extend her in the freestyle.

The only likely winners in the men's team appear to be the junior freestyler George Newton who was second to B.Walker (NSW) in the 100 last year, and has already beaten the winner's time this season.

COACH RESIGNS

Forbes Carlisle today tendered to the New South Wales Amateur Swimming Association his resignation as handicapper and chief coach. Carlisle has been handicapper for two years and chief coach of the Association for three years. Last year he was appointed coach of the Olympic Games team.

In a letter read at the meeting of the Executive today, Carlisle stated that he desired to spend more time on private coaching and attending to his business affairs.

C.M. Tuesday 15 February 1949

EASY WATER POLO WINS

The Victorian water polo team maintained its unbeaten record with an easy 9-0 win over Queensland at the second night of the Australian carnival at the Valley Baths last night.

They had defeated Queensland and New South Wales on Saturday night.

C.M. Saturday 19 February 1949

STAR SWIMMER BEATEN IN HEATS
FERRICKS NOT IN AUSTRALIAN FINAL

Dave Ferricks, State sprint swim champion, will not start in the final of the Australian freestyle 200 title at the Valley Baths. He finished only fifth in the heat last night and failed to qualify for the final. Ferricks was beaten by the Olympian Garrick Agnew (WA), Ken Knox (Vic), Gary Taylor (NSW) and Jim beard (Vic).

Slow to get moving, Ferricks was fifth at the first turn and was almost five yards behind Beard, the fourth man, at the finish.

Peter Maxwell and Col Bannerman, the other Queenslanders, qualified in the second heat won by John Marshall. Marshall only coasted for the last two laps to win in 2m 0.7s.

DENISE IN EASY WIN

Queensland girls, Denise Spencer, Judy Young, and Robin Wedgwood, all qualified for the women's 400 freestyle final. Denise the Australian title holder, was not extended to win her heat from Victorian Judy Davies and Robin Wedgwood. She led all the way to beat Judy Davies by nearly three yards in 5m 50.7s with Robin Wedgwood about two yards away third. Denise holds the Australian record at 5m 31.5s.

Judy Young in the easy heat was beaten by two yards by South Australian Denise Norton after making the early pace. The winner's time was 5m 44.8s. Tom Donnett, who trains Denise Norton, said she would not swim in the junior women's freestyle 200 tonight.

C.M. Tuesday 22 February 1949

DENISE BREAKS RECORD

Queensland freestyle champion, Denise Spencer, broke her own State record for 100 metres in winning the second elimination heat in the national titles at the Valley Baths yesterday. Her time of 1m 10.4s clipped 1.4 sec off her previous time. Marjorie McQuade swam 1m 11s in winning the other heat.

C.M. Wednesday 23 February 1949

McQUADE BEAT SPENCER IN AUSTRALIAN 100 METRES TITLE
By Neville Davidson

Marjorie McQuade beat Denise Spencer by half a yard in the Australian women's freestyle 100 metres championship at the Valley Baths last night. Marjorie clocked 69.9secs to beat the Queensland record set by Denise in the heats on Monday.

Denise was the holder of the title having won it in Sydney last year when Judy Davies was second and Marjorie third.

Marjorie and Denise swam stroke for stroke over the last 30 metres, but Denise had Marjorie on her blind side over the return lap and she failed narrowly. Judy Young (Qld) led the field up to the turn in 30.4 secs which is a faster time than

Denise's heat 50 of 30.7 secs. Denise, Marjorie, and Robin Wedgwood, were close behind her, and Denise led on straightening up. The two leaders singled out and made it a two girl race for the whole of the last lap. Robin Wedgwood finished strongly into third place with Judy Young fourth.

Denise and Marjorie met again later in the teams medley relay which Queensland won. Denise took off with a four yards lead and held it to the finish. She was unofficially times at 70.7 secs.

NANCY'S GOOD MEDLEY EFFORT

Breaststroker, Nancy Lyons, virtually won the relay for Queensland by making up ten yards on Victorian June Cabena, after Judy Davies had set up a six yard lead for Victoria in the backstroke. Nancy unofficially clocked 82.6 secs which is 1.2 secs better than her own State record.

Judy Davies earlier in the night retained her backstroke title in Queensland record figures. Queensland challenger, Jeanette Holle, finished last in the field of four. She and Margaret Pascal (WA) led Judy near the turn but Jeanette nearly paralysed her right hand, hitting it on the end. She finished the last lap weakly.

MARSHALL WON BY HALF A LAP

John Marshall won the men's freestyle 400 metres by half a lap. He was 2.4 secs outside his own Australian record of 4m 50.5s, but once again could not increase his pace over the final stage. He broke the Queensland record by 0.7 secs. Fellow Olympian, Garrick Agnew, was second but clocked 5m 14.2s following an exhausting win in the medley 300 title. Agnew in the medley was surprisingly only a touch behind Olympic breaststroker Kevin Hallett after the breaststroke leg of the race. Title holder, Ron Boyd, passed both in the backstroke section but Hallett and Agnew fought out the last freestyle stage, and Agnew won narrowly. There was rarely more than a yard margin between Agnew and Hallett over the whole course.

One Australian and four Queensland records were shattered in the night.

40 TO SWIM AT GAMES

Australian swim electors will choose at the end of the present swim title carnivals a tentative team for the Empire Games in Auckland next February.

Basis of selection will not be on performances at the championships but on comparison with the officially recorded mean times of British Empire Games swimmers at the last two Olympic Games. Mean time is derived by comparing the time for the first six placegetters in Olympic Games events. For instance, mean time in the men's freestyle 100 metres final was 57.9 secs.

The ASU intends to send a team of more than forty representatives, and will need to find nearly £5,000 to cover expenses.

Syd Grange, NSW Secretary, successfully moved that the final selection of the team for the Empire Games be picked after the 1950 Australian titles in Sydney. These probably will be held from January 7 to 14 if the New Zealand authorities agree to a request by Australia to defer the closing date for entries until January 14.

SELECTORS NAMED

The Conference also agreed to another NSW motion that the final selections for the 1952 Olympic Games be made not later than January 1951.

Selectors will be W Berge Phillips (NSW), W. Holland (Qld), and Horrie Bennett (Vic).

The Conference also adopted the suggestion that at least one official be appointed for each six competitors chosen for the Olympic Games.

C.M. Friday 25 February 1949

(Picture - Denise Spencer being congratulated by Denise Norton (SA) and Judy Young (Qld) after her win in the Australian freestyle 800 metres at the Valley Pool last night. She had previously won the freestyle 400 and the medley 150.)

MARSHALL BREAKS OWN RECORD

John Marshall shattered the Australian freestyle 1500 metres record by 11.1 secs in winning the national title at the Valley Baths last night.

Marshall's effort was the second best distance swim of his career, as he was only 4 secs outside his Olympic time. His 10m 35.8s for the 800 was 15 secs better than Jack Medica's Queensland record. He won by 2½ lengths of the pool from Frank Jordan (NSW) with NSW junior Barry Kellaway third. Queenslander Irving Springfield was last, another two laps behind Jordan. Marshall passed Springfield for the first time at the 700 metres mark and he lapped Jordan at the 1,200 turn. After swimming the first two 100's in 1m 5s each, Marshall then settled down to clock regularly within a fraction of 1m 20s for every 100 after that.

But Denise Spencer received the greatest ovation of her career when she gave away an almost impossible start and got up to win the women's 800 metres by a long touch. She beat South Australian junior, Denise Norton, in 11m 46.9s after being 4 yards behind at the beginning of the last 50 metres.

DENISE'S FINISH

Denise's near failure was only a lapse of judgment on the second last lap, but the finishing burst she had to raise to make up the leeway was the most thrilling thing seen in the Valley Pool for years. She allowed Denise Norton to slip away to a five yard lead coming up to the last turn as the South Australian girl was on her blind side. Once she turned and saw the leader's margin Spencer unleashed a terrific sprint which did not get her to the front until a yard from the line. Denise Norton, who is only fifteen, was second to Spencer in the open freestyle 400 last Saturday. She holds seven titles in South Australia.

The winner's time broke the Queensland record by 40.5 secs, but was 1.3 secs outside her own Australian record.

Queenslander, Judy Young, again was third. She led in the first 100 before Norton and Spencer went to the front. Robin Wedgwood, the other Queenslander, was a moderate fifth after being in that position all the way.

Courier Mail Thursday 1 September 1949

SWIMMER'S JOB SWITCH

George Newton, State junior freestyle swimming champion, has given up the idea of joining the Police Force. Switch of plans probably will mean that Newton will win the State Open sprint title this season.

Towards the end of last year Newton intended to become a policeman. Broken hours of police life probably would have jeopardised Newton's swimming career.

The Valley Club, of which he is a member, will hold its annual meeting at the Engineers Hall, Empire Chambers, at 8 o'clock tonight.

C.M. Tuesday 6 September 1949

SWIM OFFICIALS

The following swimming officials were elected at last night's meeting of the Q.A.S.A - Patron, The Governor (Sir John Lavarack); Vice Patron, The Lord Mayor (Ald J.B.Chandler); President, Mr Justice Mansfield; Vice Presidents, Messrs W.S.Johnston, H.A.Whitehouse, H.Weld, E.P.Walker, M.Barrett; Hon Handicapper, Mr J.Montgomery.

Mr W.S.Johnston was elected a Life Member.

The first Council meeting will be held next Monday night.

C.M. Thursday 15 September 1949

SWIM TESTS AS TITLE PRE-VIEW

The Queensland Amateur Swimming Association will hold test races over the Australian Championship distances at the Valley Baths on November 23 and 25.

The test will be in preparation for the Australian Championships to be held in Sydney from December 9 to 17 after which the Australian team to compete in the Empire Games at Auckland in February next year will be selected.

The Q.A.S.A officials elected for the coming year are - Chairman, J.S.Emerson; Hon Secretary, W.Holland; Hon Treasurer, R.Beer; Hon Registrar, J.Montgomery; Hon Assistant Secretary, P.King; Executive, F.Connell, G.Nankavill, W.Lister, J.Stewart, C.Walton; Starter, G.McKellar; Timekeeper, W.Pols; Selectors, W.Holland, G.Nankavill, W.Lister.

The Leander Club will hold a carnival at the Valley Baths tonight.

C.M. Friday 23 September 1949

WESTERN TOUR

The Western Districts Association will take a party of swimmers on a tour of central west Queensland between December 26 and January 6. Champion, Peter Maxwell, Col Bannerman, Joyce Speed, and others, will be in the team which will swim at Blackall, Longreach, Ilfracombe and other centres.

Bookmaker, Harry Weld, who is a Q.A.S.A Vice President, is a member of the re-formed Q.A.S.A Baths Committee.

New Sub-committees are -

Coaching and Education - J.Emerson, C.Walton

Diving - G.Johnston, W.Nolan

Baths - H.Weld, L.Wilkinson.

C.M. Friday 30 September 1949

NEW TIME FOR WOMEN'S SWIM
By Neville Davidson

Empire Games contender, Robyn Wedgwood, unofficially broke the State women's 50 metres freestyle record at the Leander Club swim at the Valley Baths last night.

Robyn had three watches on her to clock 31 seconds in the final of a mixed handicap which she won. The time was 0.1 second better than Denise Spencer's official State figures. Robyn had previously swum 32.6 seconds in her heat. It was her first serious swim for the season, although she has been training hard for more than a month.

The Leander Club President (Joe Emerson) said the time would not be applied for as a State record, as the three timekeepers were not appointed by the Q.A.S.A.

Robyn, who is now eighteen, broke into big swimming only last season and came third in the Australian freestyle 100.

STATE TRIALS

The programme set for the State trials or representation at the Australian Championships is -

First night - Men - Freestyle 400, Junior 100, Breaststroke 100, Medley 300, Junior Breaststroke 100.

Women - Freestyle 100, Junior 200, Breaststroke 200, Junior Backstroke 100.

Second night - Men - Freestyle 100, Freestyle 800, Junior 400, Breaststroke 200, Junior Backstroke 100

Women - Freestyle 400, Junior 100, Backstroke 100, Medley 150, Junior Breaststroke 100

C.M. Thursday 6 October 1949

SWIM LOSS TO IPSWICH
Ipswich, Wednesday

The Country State Swimming Championships will not be held in Ipswich in future.

This was announced tonight by the Queensland Amateur Swimming Association Chairman (Mr J.Emerson) at the Ipswich and District Amateur Swimming Association meeting.

The Championships have been held in Ipswich for the past three or four years.

The Ipswich Association Secretary (Mr G.Nankavill) said that some delegates in the State body had declared they were not prepared to hold the carnival in Ipswich because the baths werenot up to standard.

Commenting on this, Ald G.Adam of the Ipswich Council, said his Council would try to get an Olympic type pool for Ipswich.

The Country Championships will be conducted this time in Brisbane at some time during the State Titles.

C.M. Wednesday 12 October 1949

SWIM RULE AMENDED

Queensland Swimming Union Secretary (Bill Holland) said yesterday that the regulations covering breaststroke had been amended for the State Championships to be held in February and March next year.

Sub-junior events would be restricted to the orthodox style, he added. Junior events would cater for the orthodox and the restricted butterfly stroke. Either style could be used in Open events.

At present a dispute exists between international bodies over breaststroke styles.

Meanwhile, test races, to be conducted by the Q.A.S.U in November, will be

open to both styles in Junior and Open events.

Q.A.S.U has added a 50 metres freestyle event to the State Championships this season. This has always been included in other States Championships.

C.M. Tuesday 25 October 1949

CLUB TO HONOUR SWIMMING CLUB FOUNDERS

Three people, who founded the City Pastime Swimming Club (West End), some years ago today, will receive presentations tonight.

They are, Rev W.P.B.Miles and Mr and Mrs J.Montgomery.

Rev Miles has been Patron, Mr Montgomery Secretary, and Mrs Montgomery Ladies Committee President, since the Club has been founded.

C.M. Friday 28 October 1949

FAST TIMES BY SWIM HOPES

Thirteen year old Daphne Franzen clipped 1.3 seconds off the Queensland 200 metres junior freestyle record at the Leander Club swim at the Valley pool last night. She covered the distance in 2.45, comfortably beating Empire Games hope, Robyn Wedgwood.

Barbara Rylance knocked half a second off her own sub-junior backstroke record, clocking 40.2 seconds.

Both girls are members of the "Polar Bears", a squad organised by Q.A.S.A Chairman, Joe Emerson, and were having their first Club swim of the season.

C.M. Monday 31 October 1949

SWIMMERS FAST TRIAL 100

State junior backstroke champion, Des Mason, clocked the excellent times of 75.1 seconds in a trial swim over 100 metres at the Valley Baths yesterday. Mason's time is only 1/10 second outside the Australian junior record of 75 seconds, and Tom Boast's Queensland Open record of the same time.

Mason's trainer, Joe Emerson, said conditions could have been better, because the water was rough from other bathers, and the filters were running. Mason was clocked by three watches.

Jeanette Holle swam with Mason and clocked 83.3 seconds for the same distance. Her time is only 2.3 seconds outside Judy Joy Davies time in the last Australian Championships.

Mason and Holle belong to the "Polar Bears" Club whose members swam right through the winter.

Mason and Miss Holle's training will be sharpened up in the next month and they are expected to improve on yesterday's times.

C.M. Tuesday 8 November 1949

COACHING TO START By Neville Davidson

The Coaching and Education Committee will make its first moves for the season when Bill Fleming will lecture with demonstrations on freestyle and backstroke at the Ithaca Baths at 11 o'clock on Saturday morning.

Daphne Franzen will demonstrate the freestyle and Des Mason the backstroke. Instruction will be free to members of all affiliated Clubs.

C.M. Wednesday 9 November 1949

TO SWIM BREASTSTROKE IN FREESTYLE RACE
By Neville Davidson

Olympian Nancy Lyons is expected to swim breaststroke in the freestyle handicap over 100 metres tonight at the Valley Club's swim at the Valley pool. Nancy will swim breaststroke because she needs the training as the State's trial races are only a fortnight off. The only women's breaststroke race tonight will be the 50 metres handicap. That will be unsuitable as the trial distance is 200 metres.

In the 50 metre race, only Lorraine McMurray will line up against Nancy. Lorraine will get 5 seconds start if Lorraine also swims breaststroke in the freestyle race, she will get 12 seconds start.

Handicapper, Coral Springfield, said she had handicapped Jeanette Holle on the assumption that she would swim backstroke, also in preparation for the State trials.

C.M. Thursday 15 November 1949

SWIM TRY-OUT FOR STATE TESTS

Leading distance swimmers will appear in three invitation races to be held at the Leander Club swim at the Valley Baths tonight. Invitation races are - 100 meters backstroke, 200 metres breaststroke, and 400 metres freestyle.

Four champions will appear in the 100 metres backstroke, Des Mason (Junior boys), Don Gibson (Intermediate), Jeanette Holle (Open), and Eve Eacott (Junior Girls). Mason will start at 15, Gibson at 11, Jeanette Holle at 8, Simpson Crump at 5, and Eve Eacott at Go.

Empire Games prospect, Robyn Wedgwood of Toowoomba, and 14 year old Daphne Franzen will swim off the same mark in the 400 freestyle.

Junior breaststroke champion, Ron Lehane, will start at 12 in the 200 metres breaststroke, John Jones will start at 9, Don Gibson at 4, and Lorraine McMurray at Go.

C.M. Wednesday 16 November 1949

CLOSE TO SWIM RECORD
By Nev Davidson

Seventeen year old secondary schoolboy, John Cooley, clocked under 3 min 5 secs in a 200 metre trial at the Valley pool yesterday. His time was only three seconds slower than the Queensland record set by Bill Dowd at last year's titles.

A feature of Cooley's swim was the sudden improvement and the likelihood that he will improve further.

Cooley, a Brisbane Grammar school boy, was a discard at the beginning of this season. He came second in the All Schools 100 to Ron Lehane last season, but a coach this year told him he would never make a really fast swimmer. Cooley decided to take a year's tuition with his old coach, Mabel Springfield. She gave him his first swimming lesson at the Wilston State School six years ago and trained him for a fortnight before the All Schools race.

CUT TIMES THIRTY SECONDS

Cooley's instruction began early last month. Since then he has cut more than 30 seconds off his time for 200 metres. A fortnight ago at the Valley Club swim he clocked 3 min 19 secs, and last night swam 3 min 11 secs. On yesterday's time he should improve still further.

Junior girl, Lesley Campbell, swimming butterfly, paced Cooley over the first 10 yesterday. He caught her at the first 50 and led her to the 100 mark by 10 yards in 1.27.

Mabel Springfield timed him at 3.5 for the 200, and an independent watch timed

him at 3 min 4.6 secs. Miss Springfield said yesterday, "I am very thrilled about it. John is still very raw and he does not even know how to dive in properly yet."

C.M. Friday 18 November 1949

MASON LOWERS AUSTRALIAN RECORD

By Neville Davidson

Schoolboy, Des Mason, beat the Australian Junior Backstroke record by 0.4 seconds at an invitation 100 metres at the Leander Club swim at the Valley Baths last night, but the time will not be recognised as a record as Mason had only two watches on him, and he swam in a handicap race.

Mason sat for his Junior Examination paper all day, while Jeanette and Don Gibson (other starters) sat for Senior Examination. The race was won by sub-junior boy, Simpson Crump, his time of 85.1 seconds for the distance being outstanding for his age.

BUTTERFLIER WON

Ron Lehane clocked 3 min 11.1 secs in a 200 metre race, but he had a cold. He was paced over the first 100 by Frank Guildford and junior John Jones. Guildford, swimming butterfly, beat Jones and Lehane narrowly in 88.4 seconds. Jones clocked 89.4 seconds. His time was one of the best junior 100's ever timed in Queensland. He looks a prospect.

Robyn Wedgwood, last season's discovery, won a mixed handicap freestyle 100. She clocked 73.5 seconds and was coming away at the finish.

(Note - The "butterfly" being introduced recently, after being practised in America pre-war) was apparently an over-water arm movement similar to the present "fly", with a breaststroke type kick. Nancy Lyons went to Sydney to have some instruction in this type of "breaststroke" but found she set better time with her more accustomed "orthodox" style. Ed)

C.M. Monday 21 November 1949

MASON IN ANOTHER RECORD

By Neville Davidson

Des Mason unofficially broke another backstroke record in a trial at the Valley Baths yesterday afternoon. Mason, who is still a junior, clocked 2 min 50.8 secs for 200 metres, which is 2.4 seconds better than Olympian Tom Boast's State Open record. The swim makes Mason look a national title certainty, as he also unofficially broke the Australian Junior 100 metre record last Thursday night.

Mason's trial yesterday was almost a race, as he went on to beat the senior swimmers Peter Maxwell, Jeanette Holle, and Barbara Rylance who were given starts. Holle registered 3 min 7 secs, which is a smart time for a girl.

C.M. Tuesday 22 November 1949

HOEY WILL SWIM 200 BUTTERFLY

By Neville Davidson

Clarence Hoey, State breaststroke sprint champion, intends to swim butterfly for the State's breaststroke 200 metres test this week. If Hoey can swim the distance properly, he will be the first Queenslander who has done it in actual race conditions.

He has been training solidly in a waterhole near Gatton where he is doing an agriculture course. Hoey is confident he will make the distance now. He took the State 100 metre breaststroke title last year in record time, but he considered the 200 too far and did not swim it.

Paul Goener, a Maryborough youth, swam butterfly and tried to lead all the way

in the last State 200. He will swim butterfly again. He broke down in the last lap last season.

DOWD NOT AT TOP

Ron Lehane and John Cooley, who have clocked the best orthodox breaststroke times in training, will make it hot for the butterflyers. Bill Dowd, State 200 title and record holder, has not done a proper preparation.

INTEREST IN GIRLS

Closest finish of the test series is likely to come in the girls breaststroke trials. Valley butterflyer, Lesley Campbell, featured in a series of camera finishes last season.

C.M. Thursday 24 November 1949

DES MASON'S 100 METRE DASH JUNIOR LOWERS SWIM RECORDS By Neville Davidson

Des Mason lowered the Australian Junior record and the Queensland Open record in a 100 metre backstroke swim at the State tests at the Valley pool last night. 15 year old Mason won the Men's Open Backstroke trial in 74.1 seconds. It is 0.9 seconds off both records. It was also a half second improvement on Mason's time last Thursday when he unofficially clocked 74.6 in a club swim.

The National Junior time was held by Victorian Barry Withers

The Queensland Open time has stood since Olympian Tom Boast clocked 75 seconds twelve years ago.

ANOTHER RECORD

One other State record was broken. Miss Daphne Franzen outclassed her rivals to win the Junior Women's 200 metres Freestyle test in 2.41.2. This was 5.1 seconds better than the record set two years ago by Joyce Speed. Joyce, who is still a Junior, broke down with still about 60 metres to go in last night's race.

Olympian Nancy Lyons gave a pleasing return to form by winning the Women's Breaststroke 200 metres in 3 mins 10,5 secs. This was only 2.8 seconds outside her best Australian time. She had been clocking poor times in recent club swims, but she finished University examinations yesterday, and with relaxation of the mental strain, apparently is now as good as ever. Lorraine McMurray was second to Nancy, with younger sister, Helen Lyons, providing the surprise of the race when she rattled home in third place. Helen is only thirteen, and her time of 3 mins 25 secs was more than 10 seconds better than her previous best.

Judy Young cut out too strong an early pace for Robyn Wedgwood in the Women's Freestyle 200, and staved a late challenge by Robyn. Judy won by a yard in 72.6 seconds.

State title holder, Eve Eacott, was comfortably beaten by Barbara Rylance in the Women's Backstroke 100. Eve has been out of training until last week because of the flu.

DOWNED WELD

Best performance in the men came from the Maryborough boy, Ken Harper, who downed Henry Weld in a duel in the Junior Freestyle 100.

The upcoming Lucas, competing in his first race of the season, was unlucky to lose the Junior Breaststroke 100. He beat Frank Guildford and John Jones narrowly, but was disqualified for dipping his shoulder.

Guildford, who was awarded the race after the disqualification, swam butterfly, but Lucas and Jones went orthodox.

C.M. Saturday 26 November 1949

DENISE BEATS AUSTRALIAN RECORD

Olympian, Denise Spencer, went right into top gear in a private trial at Roma yesterday. She clocked 5 min 31.2 secs for 400 metres, which is better than the Australian record. Denise cut her own national time by 0.2 seconds, and the Queensland record by 8 seconds. State Secretary, Bill Holland, said that it was an official State trial and three watches had been on Denise.

FINE SWIM BY NEWTON IN TEST

By Neville Davidson

George Newton swam the fastest 100 metres by a Queenslander since the war when he clocked 62.3 seconds in State tests in the Valley pool last night. Newton's swim was half a second better than his previous best and 0.9 seconds better than the State title time last year. The time also silenced critics that Newton, who is in his first year as a senior, had not improved since last season. He won by two and a half yards from Des Ramsay of Maryborough. The time was 1.3 seconds outside Bill Fleming's Queensland freestyle record.

Backstroker, Des Mason, won the Junior Backstroke test, but he was not pushed to clock 74.8 seconds, which is 0.4 seconds slower than the National Junior record which he set on Wednesday.

COOLEY SURPRISES

John Cooley surprised by the easy way in which he won the Open Breaststroke 200 test. Cooley, who has never swum in a Q.A.S.A event, raced home five yards ahead of John Doran from the North Coast, with Ron Lehane only third.

Clarence Hoey, who swam butterfly, was beaten by the distance.

Lesley Campbell "butterflied" to win the Girls Breaststroke 100 from Helen Lyons and Peggy Gunn. Lesley clocked 93.8 seconds, which is only 0.8 seconds slower than the national title time last year.

Judy Yates also showed smart time to win the Junior Freestyle 100. She took 72.4 seconds and beat Joyce Speed.

Robyn Wedgwood and Daphne Franzen turned on the most thrilling race for many seasons. They dead-heated in the Women's Freestyle 400.

Robyn, Daphne, and Judy Young, swam together to the 250 metres before Judy was lapped. Then the other two went stroke for stroke for the two last laps. Veteran coach, Len Stanton, said it was the best race ever in his memory.

DIVING CANCELLED

The dive tests carnival booked for this afternoon has been cancelled because of lack of divers.

The Queensland team for the National Titles will be announced tomorrow.

C.M. Monday 28 November 1949

SISTERS IN STATE SWIMMING TEAM

TWO LYONS CHOSEN IN STATE TEAM FOR AUSTRALIAN TITLES

By Neville Davidson

Sisters Nancy and Helen Lyons were yesterday selected in the State swimming team which will compete in the National Titles in Sydney next month.

Nancy who is nineteen is an Olympian, while thirteen year old Helen will be representing the State for the first time. Helen was runner-up in the State Junior Breaststroke test, and was third to Nancy and Lorraine McMurray in the Open trial. She will probably swim in both races at the National Titles. Nancy is rated No 1 in the selection of the State team and Helen No 8.

The team will be the largest that has been sent from Queensland to National Championships, Secretary, Bill Holland, claimed last night.

Thirteen members will be financed by the Q.A.S.A, while the remaining five

will have to pay their own expenses to make the trip. Three of the five had notified Holland last night that they are willing to pay their own way. The other two will be contacted today.

THE SELECTION

The members of the team and the order of selection and probable events in which they will compete are - (1) Nancy Lyons (Valley) Women's Breaststroke and Medley; (2) Des Mason (V) Backstroke and Junior Backstroke; (3) Denise Spencer (Roma) Women's Freestyle and Medley; (4) Lesley Campbell (V) Women's Junior Breaststroke; (5) Ken Harper (Maryborough) Junior Freestyle; (6) Daphne Franzen (Leander) Women's Free-style distance and Junior; (7) Jocelyn Yates (V) Women's Junior Free-style Sprint; (8) Helen Lyons (V) Women's Breaststroke and Junior Breaststroke; (9) George Newton (V) Freestyle Sprints; (10) Jeanette Holle (V) Women's Backstroke; (11) Robyn Wedgwood (Toowoomba) Women's Freestyle; (12) Steve Wilkes (Sandgate) Freestyle distance; (13) Barbara Rylance (Leander) Women's Junior Backstroke. The remaining five who may go at their own expense are - (14) Henry Weld (V) Junior Freestyle Sprint; (15) Judy Young (V) Women's Freestyle; (16) John Cooley (V) Breaststroke; Clarence Hoey (University) Breaststroke and leg of Relay; (18) Lorraine McMurray (V) Women's Breaststroke.

THREE FROM COUNTRY

Denise Spencer, Ken Harper, and Steve Wilkes, are the only country representatives. Wilkes had been entered from Sandgate but comes from Paynter's Creek on the North Coast. Robyn Wedgwood, a Toowoomba entrant, is now a Brisbane girl.

Bill Holland is Manager/Coach, and Mrs Merle Duffy Chaperone. Joe Emerson will go as Queensland delegate to the Australian Swimming Union. The selection includes starters for all national title events except the men's medley and junior breaststroke races.

Clarence Hoey, who will pay his own way, will start in the medley relay and a special breaststroke 110 yards test which will be a selection guide for the Australian relay team for the Empire Games.

The national breaststroke title is a 220 yards race. The leg of the medley relay is only 110 yards. The 110 yards test will probably be contested by butterflyers only, who would not last the 220 yards distance as well as the sprint.

The Championships in Sydney will begin with heats on the night of Friday December 9, and will continue to December 17. The Queensland team will fly by Convair on December 7.

C.M. Saturday 3 December 1949

REJECTS OFFER ON SWIMMER

The Q.L.A.S.A eleventh hour attempt failed to have Sandgate junior, Eve Eacott, included in the Queensland swimming squad for the Australian Championships. The 15 year old Eve, who holds the State Junior Back-stroke title, was beaten in the State trials by Barbara Rylance. Barbara swam 1 min 28.8 secs, Eve, 1 min 33.5 secs.

Eve won last year in 1 min 28.7 secs and in the Australian Titles later clocked 1 min 28.3 secs. For nine days prior to the last week's State trials she was kept out of the water by an attack of influenza. Because of this she was unable to do herself justice.

After consultations with Eve's Coach, Len Stanton, the Q.L.A.S.A decided unanimously to meet in full the expense of her Sydney trip if the Selectors agreed to her inclusion.

After considering the proposal, the Selectors turned down the offer, stating that State representation had to be decided on performances at State Trials.

SWIM SQUAD ON JOB EARLY

The Queensland swimming team for the national titles which begin in Sydney on Saturday night will train at the North Sydney Olympic pool before lunch time today. The squad will leave Brisbane by the earliest plane today. They are anxious to fit in as many training swims as possible and to accustom to strange conditions in Sydney before the Championships begin.

The titles will be swum in salt water, and most of their training has been in the fresh water of the Valley pool.

Last minute inclusion in the Queensland team is Stewart Johnson, three metre board diver. Though over forty and a family man, Johnson is one of the best divers in Australia. He is a former National Title holder

C.M. Saturday 10 December 1949

DENISE'S EASY WIN IN 440 YARDS Sydney Friday

Denise Spencer won her heat of the Women's 440 yards at the Australian Swimming Championships with the greatest of ease at the North Sydney Olympic Pool tonight.

Coach Bill Fleming hugged her when she climbed from the water after "loitering" to the finish in 5 min 42.2 secs, 0.7 seconds outside her Australian record.

Another Queenslander, Robyn Wedgwood, was only half a second behind her and also qualified for a place in tonight's field for the final.

The Queensland swimming squad got off to a good start by winning places in the finals from all heats conducted.

Young backstroker, Des Mason, was hailed as a future Australian champion, and he set a new Australian Junior record, even though he finished only third in his heat of the Senior 110 yards title. His time was 1 min 14.5 secs, two seconds behind national title holder, Bruce Bourke, who won the heat.

Other Queenslanders performances were:- Steve Wilkes, third in his heat of the 220 yards championship, and George Newton qualified for the final of the 220 yards by recording fourth fastest time in his heat.

The only Queenslander unplaced was Judy Young who started off at a terrific pace to lead Victorian Judy Joy Davies and South Australian champion Denise Norton in her heat of the 440 yards. She could not maintain the effort and finished last in a field of four.

Sydney Morning Herald Saturday 10 December 1949

HUNGARIAN STYLE USED IN WINNING SWIM HEAT

Australia's most versatile swimmer, Victorian Judy Joy Davies, has adopted the Hungarian style of swimming - stiff arm recovery and dipping of the left shoulder. The result is to make her swimming spectacular, but still none the less effective.

Last night during the heats of the Australian Championships at the North Sydney Pool, many people were surprise when she literally flailed the water with her arm stiff and rolled slightly over. She easily won her heat of the 440 yards event. The style is not so exaggerated as the Hungarians demonstrated at the Olympic Games, but it created discussion among the leading Australian coaches who saw Miss Davies last night. Her coach, Gus Froelich, "has always favoured the Hungarian method, and decided to use it after seeing the Hungarians at the Olympic Games" Miss Davies said.

Last night Miss Davies swam her heat of the 440 yards in 5m 19.4s, one second outside the Empire Games record and 8.3 seconds over Denise Spencer's Australian record. She eased a bit over the last 55 yards and thereby enhanced the effort of

the 16 year old South Australian Denise Norton who finished second.

Miss Norton swims with perfect relaxation and finished with the same ease as did Miss Davies.

Janet Johnson, 15 year old Newcastle student, was third in 5m 40.9s, her fastest swim over the distance.

Frank O'Neill stroked his way to an easy win in the first heat of the Men's 220 yards Championship, winning by 12 yards in 2m 18.8s. Garrick Agnew won the second heat by a yard from Cameron Copeland in 2m 24.4s.

O'Neill seems certain to win the final.

Sydney Sunday Herald 11 December 1949

RECORDS TOPPLED BY GIRL SWIMMERS

By Tierney

Victorian Olympic swimmer, Judy Joy Davies, smashed the Australian 440 yards Freestyle record by eight seconds at the North Sydney Pool last night. She won the race by ten yards in 5m 23.5s, a time which makes her the second fastest in the world on Olympic Games performances.

Marjorie McQuade began the night's records at the opening Australian Championship Carnival by setting a new Junior 220 yards figure.

Bruce Bourke became the third Australian swimmer to win an Australian 110 yards Backstroke title four times. Others have been Dr Keith Kirkland (NSW) and Percy Oliver (WA).

Miss McQuade, still a schoolgirl, won the 20 yards Freestyle Championship in 2m 25.4s, six seconds better than her Australian record set last year. Miss McQuade, who was the

11/12/1949 Continued

youngest member of the 1948 Olympic Team, won the race by six yards.

Queensland Juniors, Jocelyn Yates and Daphne Franzen were placed second and third.

West Australian Junior, Barbara Hicks, was exhausted at the end of the race and had to be assisted from the water.

LATE SPRINT

Bourke almost lost the 110 yards Backstroke Championship. A slow starter, he was fourth at the turn, and a s late in the race as twenty yards from the finish he was in third position. At that stage, Frank Stevens (NSW) and Ron Boyd (Vic) were disputing the lead, but Bourke came with the dash that characterises his swimming. In lifting his stroke Bourke caught Boyd five yards from the end and just touched ahead of Stevens who was being hailed as the winner.

Bourke believes that the early speed of the young Queenslander, Des Mason, was responsible for his own desperate position for most of the race. Mason, a junior, turned first, but tired and finished fourth in his first senior championship, but he had the satisfaction of creating a new junior record for the race. His time of 1m 13.8s took 1.2 seconds off the record made last year by the Victorian Barry Withers.

"IS A LIMIT"

After her 440 yards record swim Judy Joy Davies said she had no idea that she would break the 5m 30s. "There is a limit, but now it is a matter of just how fast I can swim the distance," she added. "My best time for the distance last year was 5m 40s." Three weeks ago in the Victorian trials she swam the 440 yards in 5m 33.8s.

Judy Joy Davies and Denise Norton singled out at the 220 yards mark swum in 2m 40.5s. At 330 yards Miss Davies led by half a head. Miss Davies actually started to sprint at the turn for the last 55 yards. She kept going away.

Barry Darke, who won the Junior 440 yards Championship, is generally accepted as the most promising swimmer in Australia. His time, 5m 21.9s, broke Hart's unofficial record, for a thirteen year old, made in 1932. Darke is no doubt is Australia's best over 1650 yards. His time in recent NSW trials in the North

Sydney Pool was 21m 44s.

One of the best races of the night was the clash between Frank O'Neill and Garrick Agnew in the 220 yards Freestyle Championship. O'Neill won by five feet in 2m 14.6s, less than half a second outside John Marshall's Australian record of 2m 14.2s made last season. O'Neill led throughout, and as Agnew challenged in the last 55 yards the crowd rose to urge O'Neill on.

Agnew's time was three seconds better than he has previously recorded. He satisfied his coach, Harry Hay, who has "set" Agnew up to win the 440 yards Championship.

Denise Spencer (Qld) and Beryl Hosking (NSW) were the only starters in the Women's 165 yards Medley. Australian Swimming Union Executive member, Sid Grange, said probably this was the first time on record that only two competitors started in a National Championship in Australia. Denise Spencer won by a touch in 2m 8.2s.

Results:

Junior Women's 220 yards Freestyle - M.McQuade (Vic) 2:25.4 Record (1), J.Yates (Qld) 2: 41.1 (2), D.Fanzen (Qld) 2:42.3 (3)

NO FRENCH SWIM SUITS FOR NSW MAKER
Los Angeles Dec 10

Swim suit manufacturers from Australia, New Zealand, and South Africa suggest the French swim suits would not be popular in their countries.

The men who make American designed swim suits are Messrs John Swan (Bathurst NSW), Bernard Leser (Auckland), and Otto Stahl (Johannesburg). They were appraising 1950 beachwear styles on American models when a girl appeared in an eye-opening white French swim suit.

These were their reactions -

Swan - "Ridiculous! A girl would be arrested if she appeared that way on one of our beaches. Australian girls deplore the trend to flat bosoms as much as anybody and don't like to hide curves, but bathing suits have to be practical. A girl couldn't swim or romp in one like that."

Leser - "New Zealand girls are shy and reserved. They would consider it immodest to be seen in such garb."

Stahl - "A costume that leaves nothing to the imagination is not nearly so attractive as one that does. Our girls wouldn't wear a swim suit like that even in their back yards."

C.M. Wednesday 14 December 1949

MCQUADE CREATES RECORD IN WOMEN'S 110 FINAL
Sydney, Tuesday

Fifteen year old Victorian champion, Marjorie McQuade, swam a record-breaking final in the Women's 110 yards Championship at the Sydney Olympic Pool last night. Miss McQuade equalled her best time for the Olympic Games, and swam the fastest Australian time of 68.5 seconds.

Queensland's three top women swimmers set a new Australian record. The three girls, Jeanette Holle, Nancy Lyons, and Denise Spencer, won the 330 yards Medley Relay in 4 mins 0.2 secs, which was three seconds faster than the record set by the Queensland women's team in the last titles.

Earlier, Miss Spencer had failed by two yards to catch Marjorie McQuade in the record-breaking final of the Women's 110 yards Championship. Miss McQuade's 68.5 secs was half a second faster than the fourteen year old record set by New South Wales swimmer Miss K.Mackay, and the West Australian Evelyn de Lacey.

Miss McQuade was so excited when the record-breaking time was announced that she began to jump off the women's rostrum to run to her coach, but Denise Spencer, standing on the second place dais, restrained her.

YOUNGEST YET

Miss McQuade is the youngest swimmer ever to win the women's title. Her time was better than the British Empire Games record.

Another Victorian, Judy Joy Davies, had another record-breaking swim in the Women's 110 yards Backstroke. Miss Davies beat another Victorian swimmer, Kate Seymour, with Jeanette Holle of Queensland in third place. Miss Davies broke the British Empire Games record of 1 min 19.5 secs.

Another record swim was when Frank O'Neill recorded 4 min 0.2 secs in the 330 yards Medley Championship. O'Neill easily broke the previous record of 4 min 6.4 secs set by American Ralph Wright in 1947. When it was realised that O'Neill might break the record, the crowd stood and excitedly cheered him over the last 55 yards. O'Neill's time was also 19 seconds better than the previous best time by an Australian.

IMPROVED OVERSEAS

Holder of this time was Victorian Ron Boyd who was second to O'Neill tonight. O'Neill went to England and the Continent at his own expense to gain experience when he was not selected for the Australian Olympic Games team. The strenuous overseas competition has toughened him and made him one of the most improved swimmers in Australia. His win tonight clinched his place in the Australian Games team.

Garrick Agnew knocked 1.3 seconds off the Empire Games record when he won the 440 yards Freestyle Championship. Agnew won by seventeen yards from Barry Kelleway and Queenslander Steve Wilkes in 4:53.3. Canadian Bob Gillies Empire games time of 4:54.6 was the previous record.

C.M. Thursday 15 December 1949

JAPS NOT TO SWIM HERE YET
Sydney, Wednesday

No Japanese swimmer will be invited to swim in Australia until the Australian Government signs a Peace Treaty. This was decided at a meeting of the Australian Swimming Union today.

The Secretary of the New South Wales Association, Mr Sid Grange, said that the word would be given from the Federal Government before any invitation was even thought of. He was speaking to a motion that overseas swimmers be asked to visit Australia this season, together with an international diver.

The committee agreed to invite swimmers, but when the Conference had finished, several delegates said they hoped that leading women swimmers would be included in the team.

IN WORLD CLASS

One of the delegates said that the Australian women swimmers were at present in world class. He said that Judy Joy Davies, on her present championship form, was the best middle distance swimmer in the world. He added that Marjorie McQuade was only a fraction outside being the world's best ever over a sprint, and it was only a matter of time before she was "Queen" of women swimmers.

Another item discussed at the Conference was the ways and means of raising funds to assure the future Empire Games and Olympic swimming teams were adequately provided for. One suggestion made was that each affiliated club be asked to contribute £4 each annually, which would mean £1,000 a year. It was also suggested that the entire profits of the Annual Championships should go to the A.S.U instead of the present levy of 25% only.

The Conference decided, on a motion by Mr J.Emerson (Qld), that in all future Australian carnivals, breaststroke titles should be divided into orthodox breaststroke and the new butterfly method.

This would mean the introduction of four new events, Men's and Women's 220 yards orthodox titles, and Men's and Women's Junior 110 yards titles.

TEAM OF TWENTYSEVEN

It was expected that strong team of 27, at least, would probably be sent to New Zealand. Mr Forbes Carlsile won in the selection of Coach from two other nominations, but before the selection took place, the New South Wales Secretary, Mr Syd Grange, made it clear that the only paid officials of the team would be the Manager and the Chaperone.

Victorian Secretary, 50 year old Roy Thompson, with fourteen years behind him as an executive officer of the A.S.A, was appointed manager of the team out of a ballot of three. Two Assistant Managers, who will pay their own fares, Mr Emerson (Q) and Mr J.Morrison (NSW), were also appointed.

Mr Horrie Bennett was elected President of the Association, and Mr Bill Berge Phillips was elected unopposed as Secretary and Treasurer.

C.M. Friday 16 December 1949

NEW RECORD TO QUEENSLAND GIRL
NANCY'S DASH OVER 100
Sydney, Thursday

Queensland Olympian, Nancy Lyons, added another record to her long list when she created new Australian figures in Women's 110 yards Breaststroke in a special Empire Games test staged at the North Sydney pool today. She took the lead from the gun and finished 8 yards ahead of Beryl Hosking (NSW) to take 2.4 seconds off her own Australian record of 1 min 29.2 secs.

Both Lyons and Hosking swam orthodox breaststroke, and butterfly opponents fell back early, Betty O'Neill (NSW) the first to finish, in third place.

Olympian, Judy Joy Davies, met her first defeat at the Australian

Championships when 18 year old Denise Norton (S.Aust) defeated her by 10 yards in the Women's 880 yards Championship. The race was a thriller from start to finish, and the young South Australian girl, who has done all her training in Victoria under coach Tom Donnett, bettered Denise Spencer's Australian record by 15.8 seconds. It was obvious from the start that Davies and Norton would fight out the title. At the 220 yards mark Davies had the lead by half a yard, with the holder, Spencer, being hard pressed to retain third place.

SPENCER TIRES

At the 330 yards mark Judy still had half a yard lead with Spencer trailing badly and Joan Johnson (NSW) swimming strongly 10 yards behind the leaders. Practically swimming stroke for stroke from then on, Judy still had a slight lead at the half mile mark doing the distance min 45 secs.

At 550 both turned together, with the remainder of the field "also rans". At 660 the younger girl had the upper hand by a foot, and from then on it was obvious the champion was beaten. However, she never gave up and clung grimly on Norton's heels to go down fighting.

Norton was the class swimmer in the field and her tactics were perfect. During the race she changed her breathing from left to right to constantly watch Miss Davies, and at the end of 660 yards started her sprint which continued until she had won. This was Miss Norton's first Australian Championship win after a succession of seven second placings.

Johnson (NSW) was third, with Robyn Wedgwood (Qld) fourth and Denise Spencer a lap behind the winner, last.

Results - Women's

880 yards Championship - D.Norton (SA) 11:29.8 (1), J.J.Davies (Vic) 11:34.9 (2), J.Johnson (NSW) 11:52.8 (3), R.Wedgwood (Qld) 11:54.2 (4)

110 yards Breaststroke Scratch Race - N.Lyons (Qld) 1:26.8 (1), B.Hosking (NSW) 1:32.5 (2), B.O'Neil (NSW) 1.33 (3)

Springboard Diving - P.Barnett (Vic) (1), M.Maclean (NSW) (2), B.McAuley (3).
Men's

1650 yards Freestyle - P.Kelleway (NSW) 20:42.1 (1), N.Ryan (NSW) 20:53.3 (2), J.Johnston (NSW) 21:21.9 (3), S.Wilkes (Qld) (4)

High Board Diving - J.McCann (NSW) (1), J.Bourke (NSW) (2), F.Murphy (NSW) (3)

Junior Men's Springboard - W.McKenzie (Vic) (1), C.Dyson (Vic) (2), V.Blue (NSW) (3).

Sydney Sunday Herald 18 December 1949

RECORD SWIM BY O'NEILL

By Tierney

Frank O'Neill last night equalled the Australian record when he won the 110 yards Freestyle Championship at the North Sydney Olympic Pool. O'Neill's time was 59.6 seconds, equalling the record made at the British Empire Games in 1938 by Canadian Bob Pirie.

O'Neill won the title, his third in the championship, by almost six feet from Bruce Bourke with Jim Beard of Victoria third. The times of Bourke and Beard were 61.5s and 61.7s respectively. His performance will probably clinch him a place in the Empire Games team.

After the race O'Neill said that in equalling Bob Pirie's Empire Games record he had achieved an ambition. "I knew that after my performances in England and the Continent that the Empire Games record was not beyond me," said O'Neill. "I also knew that when I got back to Australia I was swimming better than I did overseas." O'Neill said he was bitterly disappointed in missing selection for the 1948 Olympic Games. Since then another ambition was to show swimming officials in Australia that he was good enough to represent Australia.

West Australian Margaret Pascall, a protégé of Percy Oliver, took 16 seconds off the Australian Junior Backstroke record in winning the title of the event. The record was set by Pam Kinsella last year.

Judy Joy Davies of Victoria finished with an amazing burst of speed to win the Women's 220 yards Freestyle Championship. Four yards behind the leader was Denise

Norton. After the 165 yards turn Miss Davies swam so fast for the next 30 yards that she headed title holder Marjorie McQuade. The other competitors tiring, Misses Davies and McQuade singled themselves out and staged a thrilling race. With less than a foot between them they fought it out, Miss Davies touching inches ahead of Miss McQuade with Miss Norton a touch away third.

This was Miss Davies first 220 yards Championship. She has now won every event in Australia except the breaststroke. These events are - 110 yards, 220 yards, 440 yards 880 yards Freestyle, and the 110 yards Backstroke Championships.

Australian Selector, Horrie Bennett, awarded her his trophy for being "Nearest to World Class". The male swimmer was Frank O'Neill.

Nancy Lyons won the Women's 220 yards Breaststroke Championship for the fourth time in succession. Although tired when she finished, she was ten yards ahead of Beryl Hosking and Betty O'Neill (NSW). Miss Lyons time of 3m 8.5s was four seconds faster than when she won a race in Australia's Olympic Games team. Miss Lyons has had less than five weeks training for the national title. "I am satisfied, but know I can improve," she said after the race. Kevin Hallett, Australian Olympian, returned to winning form in the Men's 220 yards Breaststroke Championship. The finish was so close the Timekeepers would not separate Hallett and Stemstrom 2m 58.1s. Hallett, leading all the way, touched ahead of Dave Hawkins who finished very strongly. Hallett lost his title last year to a New Zealander, John Shanahan.

Results -

110 yards Junior Backstroke - D.Mason (Qld) (1), Cowley (NSW) (2), O'Keefe (NSW) (3)

Women's 220 yards Freestyle Championship - J.J.Davies (Vic) (1), M.McQuade (Vic) (2), D.Norton (SA) (3)

Men's 110 yards Freestyle Championship - F.O'Neill (NSW) rec (1), B.Bourke (Vic) (2), J.Beard (Vic) (3)

Women's 220 yards Breaststroke - N.Lyons (Qld) 1, B.Hosking (NSW) (2), B.O'Neill (NSW) (3)

Women's 110 yards Junior Backstroke - P.Mascall (WA) (1), Mitchen (NSW) (2), Hall (NSW) (3)

Men's 220 yards Breaststroke Championship - K.Hallett (NSW) (1), D.Hawkins (NSW) (2), L.Stemstrom (NSW) (3)

Women's Junior 100 yards Freestyle Championship - M.McQuade (Vic) (1), J.Yeates (Qld) (2), B.Hicks (WA) (3)

Men's 880 yards Freestyle Championship - G.Agnew (WA) (1), B.Kelleway (NSW) (2), N.Ryan (NSW) (3).

C.M. Monday 19 December 1949

THREE QUEENSLAND SWIMMERS AND FOUR CYCLISTS IN GAMES TEAM

Four Queensland cyclists and three women swimmers were chosen yesterday for the Australian team for the Empire Games in Auckland in February.

The four cyclists selected after the Australian Championships in Bundaberg are - W.Heseltine, K.Caves, R.Carmichael, and L.Munro. Another, I.Pye, is an emergency.

No male swimmers from Queensland made the Australian team, the only selections being - Nancy Lyons, Denise Spencer, and Jeanette Holle.

Champions, Judy Joy Davies, Nancy Lyons, and Marjorie McQuade, the second fastest women's team in the world, will swim for Australia in the 330 yards medley championship. In an unofficial world's medley teams championship conducted by the International Federation after the Olympic Games, Misses Davies, Lyons and McQuade, put up a great effort against a Continental team. The Continental team won in 3:53.4 with the Australians a second away, slightly ahead of the American team which comprised world champions Ann Curtis, Sue Zimmerman, and Judy Fowler. The time of the Australians marginally broke the Empire Games record of 3:57.7 made by England in 1938.

In choosing the Australian swimming team for the Games, the Australian selectors, Messrs H.A.Bennett, W.B.Phillips, and W.Holland, recognised that the three should be given a chance of winning the Empire title, which further emphasised the quality of their swimming.

The regard in which their ability is held by the selectors is emphasised,

because the Australian Championships last week, Misses Holle, Lyons, and Spencer, won the 3x110 yards medley championship for Queensland in Australian record time.

THREE SET RECORDS

Since returning to Australia Misses Lyons, McQuade and Davies have broken records in their respective styles. In winning the championship Miss McQuade swam 68.5 seconds for 110 yards freestyle, Miss Lyons swam 1:25 for 110 yards breaststroke, and Miss Davies 1:16.6 for 110 yards backstroke. These times were Australian records.

The trio shared in the record-breaking Australian carnival in which seven Australian and four British Empire Games records were broken, and three Empire Games and one Australian record were equalled.

BRIGHT FUTURE

Sixteen year old Jeanette Holle, of Brisbane, gained third position in the team as a backstroke swimmer at the expense of Miss Pascall. Miss Holle was third in the final in the Women's 110 yards Backstroke in 1:21.4. While Miss Pascal and Des Mason will probably be disappointed, the selectors have issued a reassuring note "They are both very young and look certain for Helsinki" it was stated.

Ron Sharp, fourteen years of age, is the youngest male to represent Australia in the international swimming sphere, while Miss Denise Norton is the first South Australian woman to be chosen in an Australian swimming team.

The only record breakers who failed to be selected were a Queenslander, Des Mason, and Margaret Pascall of Western Australia. Both are junior backstroke champions and both broke Australian junior records.

It is understood the selectors would have chosen Mason had he broken 1:13 in the junior 110 yards backstroke. His time of 1:13.8 was nevertheless an Australian Junior record.

C.M. Saturday 21 January 1950

HOLLAND LIKELY AS COACH OF EMPIRE GAMES SWIMMERS

Q.A.S.A Secretary, Mr Bill Holland, seems certain to be coach of the Australian swimming squad at the Empire Games in New Zealand next month. Holland was chosen as assistant coach to Forbes Carlisle, but Sydney reports that Carlisle will resign his position on Monday.

The change will not jeopardise Australian Empire Games prospects. Holland has been coach of the Queensland swimming team for the past five seasons. He is one of the keenest students of swimming in Australia.

Holland is expected to co-opt as assistant coach, Joe Emerson, the assistant manager of the Games swimming team. Mr Emerson, who is Q.A.S.A Chairman, has had outstanding success as a coach with his "Polar Bears" squad.

Hopes that Queensland junior, Des Mason, might be included in the Empire Games squad following the withdrawal of Australian backstroke swimmer, Bruce Bourke, were dashed yesterday. If Bourke had withdrawn last week, Mason would have been included, but nominations for the Games have now closed.

C.M. Monday 21 January 1950

JEANETTE HOLLE'S FAST 220 YARDS SWIM

Queensland Empire Games representative, Jeanette Holle, swam the excellent time of 2:48.2 for 200 yards at Stanthorpe yesterday. The event was a backstroke handicap in which seven other Brisbane swimmers competed. Jeanette's time was five seconds faster than Tom Boast's State record for 200 metres.

The swimming carnival was held at the Stanthorpe Garden Pool, and the Q.A.S.A Empire Games Appeal will benefit by £50 from the proceeds.

C.M. Saturday 28 January 1950

MASON'S RECORD 200 SWIM

Australian junior backstroke champion, Des Mason, broke Olympian, Tom Boast's, Open 200 metres State backstroke record of 2:53.2 by 5.8 seconds last night. He won by eight yards from former Hungarian Olympian, 19 year old Atta Csanady in 2:47.9. The race was swum without lanes in choppy water with heavy rain falling.

Later Mason beat the State junior freestyle representative, Henry Weld, by 2 yards over 50 metres freestyle in 28.7 seconds.

Mason now holds every State Open and Junior backstroke record as well as the Australian junior 100 metres backstroke record of 1:13.9.

This season Mason has broken Boast's 110 yards, 100 metres and 200 metres backstroke records.

A crowd of about 200 gave the Water Ballet a good reception for its final display.

C.M. Saturday 25 February 1950

RECORD FOR NANCY IN HER LAST SWIM

Nancy Lyons bowed out of swimming by breaking the Australian Women's metres record in 3:04.8 at the Valley Baths last night. The record was the only one that had eluded her in her twelve years swimming career. Nancy's time was 1.5 seconds under the previous record by the English woman, Dorothy Storey, and 2.2 seconds better than her Australian best.

Nancy had beaten the Australian 200 time previously at the London Olympics and in the Auckland Empiad, but she never had anyone to extend her in Australia. She had to make all her own pace again last night, but the record was in sight when she covered the first hundred in 86.6 seconds. Young sister, Helen, provided a further Lyons thrill by racing into second place in the last half lap to be timed at 3 min 21 secs.

Nancy now holds the National records for all distances swum regularly - 110 yards at 82.7 secs, 200 metres at 3:04.8, the Junior 110 yards at 89.2 secs, in addition to the 100 yards at 71.8 secs. Her best 200 metres was 2:57.7 at the 1948 Olympiad.

In addition to Nancy's Australian records, two best times by Queenslanders were swum in three State relay times broken at last night's carnival.

DENISE GOES DOWN

Denise Spencer, Queensland Olympian, was beaten in the Women's Freestyle 100 metres by Robyn Wedgwood. Denise had an uncomfortable journey down from Roma by train, and would have had excuses for going down, but Robyn swam a time that almost certainly would have beaten her anyway.

Robyn clocked 70.3 seconds to Denise' 72 seconds. Denise' Queensland best is 70.8 seconds. Eighteen year old Robyn has been swimming competitively for only sixteen months. Robyn took Denise on for pace in the first lap and touched just ahead of her, and gained a little break when Denise appeared to sag momentarily just after the turn. The margin was nearly two yards.

THRILLING FINISH

The other women's freestyle race was a thriller, Daphne Franzen beating Jocelyn Yates in the last ten yards for the Junior 200 Title. Jocelyn lost the race in the two "up" laps where she looked away from Daphne and lost about two yards each time.

Peter Dobson won the men's Blue Ribbon 100 metres title in his third try. He downed champion Dave Herricks (from Rockhampton) who had won for the past two years.

Dobson, who had a week's break in his training recently, looked more solid in the last 20 metres than Herricks who had been out of training with a broken toe

until six weeks ago.

National backstroke champion, Des Mason, made a one man race of the Junior Medley and broke his own State time with 2 mins 0.4 secs, but failed to reach the pen time of 1 min 57.8 secs set by the Hungarian, Atta Csanady.

Men's Titles

Freestyle 100 metres - P.Dobson (Uni) 65.21 (1), D.Herricks (Rock) 67.2 (2), D.Johns (Com) 70.4

Breaststroke 100 metres - C.Harry (Uni) 80.8 (1), J.Key (Val) 83.2 (2), P.Dobson (Uni) 84.2 (3)

Intermediate 200 metres - D.Ramsay (M'boro) 2:30.6 (1), J.Webster (West Distr) 2:26.4 (2), N.Smith (Leand) 2:26.6 (3)

Junior Freestyle 50 metres - K.Harper (M'boro) 28.9 (1), H.Weld (Val) 29.3 (2), K.Haupt (Roma) 30.7 (3)

Junior Medley - D.Mason (Val) 2:00.4 (State Record) (1), W.Murray (Val) 2:13 (2), F.Guildford (S'gate) 2:15 (3)

Under 14 Freestyle 50 metres - C.Weld (Val) 31.4 (1), D.Chalk (Leand) 31.5 (2), R.Cooke (Val) 32.5 (3)

Sub-junior Squadron 200 metres - Valley (C.Weld, J.Barrett, C.Finglass, R.Cooke) 2:14 (State Record) (1), Leander (2), Nudgee College (3)

Country Squadron 200 metres - Toowoomba (D.Rivett, R.Wise, M.Trenerry, D.Trenerry) 1:57.47 (State Record) (1), Maryborough (2), Southport (3).

Women's Titles

Freestyle 100 metres - R.Wedgwood (Tmba) 70.3 (Best by Q'lander) (1), D.Spencer (Roma) 72 (2), A.Young (Val) 72.3 (3)

Breaststroke 200 metres - N.Lyons (Val) 3:04.8 (Aust Record) (1), H.Lyons (Val) 3:21 (2), L.McMurray (Val) 3:23.4 (3)

Junior Freestyle 200 metres - D.Franzen (Leand) 2:32.3 (Best by Q'lander) (1), J.Yates (Val) 2:43.7 (2), R.Allen (Val) 2:50.8 (3)

Junior Breaststroke 100 metres - L.Campbell (Val) 93.1 (1), J.Fehr (Ips) 95.7 (2), H.Lyons (Val) 98.3 (3)

Under 15 Freestyle - G.Grainger (Tmba) 34.8 (1), A.Robb (M'boro) 35.4 (2), M.Mudge (Tmba) 36 (3)

Junior Squadrons 200 metres - Valley (J.Yates, Jen yates, L.Campbell, M.Campbell) 2:18.8 (State Record) (1), Rockhampton 2:20.2 (2), Toowoomba 2:25.4 (3).

C.M. Tuesday 28 February 1950

MASON BREAKS OWN NATIONAL RECORD SWIM DOUBLE TO ROBYN WEDGWOOD By Neville Davidson

Champion, Des Mason, lowered his own Junior National Backstroke record in a practically unpaced swim at the State titles in the Valley Pool last night. Mason cut the time to 73.8 seconds, which was 0.1 second better than the Australian time, and 0.4 seconds faster than his previous Queensland best. Mason took 35 seconds to cover the first lap and finished like a train to clock this time. Later he unofficially covered his leg of the Junior Medley Relay for Valleys in 32.8 seconds.

Toowoomba girl, Robyn Wedgwood, Newmarket boy, John Cooley, won their races undr difficulties.

GOT CRAMP - WON

Robyn won the Open 200 Freestyle early in the night by a comfortable margin, but got a cramp in her heat of the State Country 50 metres. She gamely stuck out the distance to win the heat and officials rushed across in dismay to try to stop her slithering out of the water before the referee gave the signal for competitors to leave.

Robyn quickly showed why she had climbed out, as she lay on the cement massaging her foot. A quarter of an hour later she lined up for the final and swam a very subdued race to win narrowly in 32.4 seconds from M.Coughlin of Rockhampton.

Robyn had the rest of the field covered all the way in the 200 metres title. She touched six yards ahead of Judy Young and swam her best race for a long time, with juniors Jocelyn Yates and Daphne Franzen staging their Junior Title duel all over again further back. Jocelyn got the call.

STOPPED - RECOVERED

Hoey pulled up dead in the Men's 100 metres Breaststroke title and lost about three yards, losing his balance. He recovered to lead the field again and held off a strong challenge from John Doran. He said later he thought he heard the crowd shouting "Stop" and he pulled up for a false start. He had been the last to enter the water at the beginning.

Peter Maxwell (Ipswich) won both the Open 200 Freestyle and the Open Medley, and Ken Harper, the Maryborough champion, won the third double, the Junior 400 metres and the Country Junior 50 metres. Harper beat Toowoomba flash, Don Trenerry, in the Country 50, equalling George Newton's State junior record of 28 seconds.

Fourteen year old Trenerry tired after winning the heat and then the final in the Under 15 Freestyle in which he held off the Valley crack, Henry Weld.

Jennifer Yates also swam a record time in the Junior Women's Backstroke 100 in which she took 1.8 seconds off Jeanette Holle's state record, clocking 85.6 seconds.

IPSWICH "FIND"

Joan Fehr, Ipswich breaststroke "find" was too fast for Helen Lyons in the sub-junior 50 metres course and won narrowly in 43.6 seconds.

Besides Mason's Australian time, four State records were broken and one equalled.

The crack Valley Junior Medley Relay team of Mason, Graham Lucas, and Henry Weld, took 4.6 seconds off the division time.

Results -

Freestyle 200 metres - P.Maxwell (Ips) 2:31.2 (1), S.Jacobs (V) 2:32.6 (2), P.Dodson (Uni) 2:33.3 (3)

Medley 300 metres - P.Maxwell (Ips) 4:34.3 (1), G.Marr (West Dist) 4:53.5 (2), F.Goener (M'boro) 5:20.3 (3)

Restricted Breaststroke 100 metres - J.Cooley (V) (1), J.Doran (Lea) (2), R.Lehane (Lea) (3)

Junior Freestyle 400 metres - K.Harper (M'boro) 5:34 (1), C.Fullwood (Roma) 5:44.4 (2), K.Bray (M'boro) 5:55.2 (3)

Under 15 Freestyle 100 metres - D.Trenerry (Tmba) 65.6 (1), H.Weld (V) 66.1 (2), T.Quinn (WD) 68.9 (3)

Under 17 Freestyle 100 metres - G.Newton (V) 64.9 rec (1), D.Ramsay (M'boro) 65.4 (2), N.Smith (Lea) 69.1 (3)

Junior Backstroke 100 metres - D.Mason (V) 73.8 Aust & Qld rec (1), B.Witt (M'boro) 83.4 (2), V.Parslow (Ips) 85.2 (3)

Subjunior Freestyle 100 metres - C.Weld (V) 69.5 (1), C.Morrish (M'boro) 74.5 (2), R.Chalk (Lea) 74.7 (3)

Country Junior 50 metres - K.Harper (M'boro) 26 rec (1), D.Trenerry (Tmba) 29.5 (2),

V.Parslow (Ips) 30 (3)

Junior Medley Relay - Valley (D.Mason, G.Luke, H.Weld) (1), Leander (2), Nudgee College (3)

Subjunior Medley Relay - (Valley (C.Weld, W.Arnold, J.Barrett) (1), Leander (2), Sandgate (3)

Women's Titles -

Freestyle 200 metres - R.Weedwood (Tmba) 2:38.2 (1), J.Young (V) 2:43.6 (2), Joc Yeates (V) 2:44.9 (3)

Junior backstroke 100 metres - Jen Yeates (V) 85.6 rec (1), B.Rylance (Lea) 86.9 (2), J.Malouf (Lea) 90.9 (3)

Subjunior Breaststroke 50 metres - J.Fehr (Ips) 43.6 (1), H.Lyons (V) 44.3 (2), K.Stewart (Lea) 48.2 (3)

Under 13 Freestyle 50 metres - R.Allen (V) 35 (1), M.Campbell (V) 36.4 (2), V.Jones (Rockh) 36.8 (3)

Country Freestyle 50 metres - R.Wedgwood (Tmba) 32.4 (1), P.Coughlin (Rockh) 33.2 (2), J.Speed (Ips) 33.4 (3)

C.M. Thursday 2 March 1950

WEDGWOOD AGAIN OUTSWIMS SPENCEER
FOURTH STATE TITLE WIN
By Neville Davidson

Robyn Wedgwood recorded her fourth State Title win when she finished ahead of Jocelyn Yates, Denise Spencer and Judy Young in the Women's 50 metres State Freestyle title at the Valley Baths last night. It was the closest finish for many years. Robyn won by a touch, and then there wasn't a touch among the other three. The Judges called Robyn 1, Yates 2, and Spencer 3, in 31.7 seconds. The win enhances Robyn's chances for a future Olympic status, as it was a second victory over Denise in the carnival.

The time was, however, a second outside Denise's best, and the junior girl, Jocelyn Yates, fought out as good a race as the winner, in some respects. Jocelyn had already swum two 50's to win a heat and final of the State Junior 50 metres Freestyle in 32.1 seconds. Nevertheless,

Robyn was in front all the way. Judy Young paced her for the first 20 metres, but then gradually lagged after that. Denise and Judy in the centre inched their way closer to the leaders in the second part of the lap but Robyn kept just enough in front. Judges say she stayed there by about nine inches at the board.

HOLLE IMPROVED

Jeanette Holle also put herself forward in the picture by swimming 80.4 seconds in the Women's Backstroke 100 metres. It was Jeanette's best time ever - four seconds better than her Empire Games swim - and only 2.2 seconds outside Judy Joy Davies Queensland record.

Des Mason again lowered the National Junior Backstroke record in winning the Open 100.

An "unknown" Western Districts swimmer, Jack Purtell, nearly caused an upset, sticking to Mason until the last ten metres, which is better than his Australian Junior record of 73.8 seconds, and Purtell was only 3.4 seconds away. Purtell could have been much closer but for a poor turn and for swivelling his neck to look at Mason in the last 30 metres.

Jen Yates, who beat Jeanette Holle's Junior Backstroke record on Monday, turned freestyler to break the Women's Under 14 record for 50 metres by winning in 32.4 seconds. Helen Lyons was second.

Men's 50 metres Freestyle, like the Women's, was a thriller - George Newton just stuck it out ahead of Peter Dobson who put in an amazing finish for a 50 metre dash. Clarence Hoey, third, and Geoff Goodall and Peter Lambert were only inches behind Dobson.

JACOBS FIRST TITLE

The most popular winner of the night was 21 year old Stan Jacobs with a last lap victory over Ray Wilkes in the Freestyle 800. The contestants swam stroke for stroke for practically all the sixteen laps before Jacobs pulled away with a two foot win. Probably no top line Queensland swimmer has swum so far without a win. It was Jacobs first State Title in six years.

Ten year old Peter Anderson also boosted his Olympic hopes by a determined second place behind record breaker, Ken Gudenswager, in the Under 12 50 metres.

Nine State records were broken on the night.

PICTURE - Start of Women's 50 Freestyle State Championship (Jen Yates, Judy Young, Denise Spencer, Jocelyn Yates, Robyn Wedgwood)

Results -

Men's Events -

Freestyle 50 metres - G.Newton (V) 26.3 (1), P.Dodson (Uni) 28.3 (2), C.Hoey (V) 28.5 (3)

Freestyle 800 metres - S.Jacobs (V) 11:25.8 (1), R.Wilkes (S'gate) 11:29.1 (2), I.Springfield (V) 11:58.3 (3)

Backstroke 100 metres - D.Mason (V) 73.6 rec (1), J.Purtell (WD) 74.9 (2), P.Maxwell (Ips) 77.3 (3)

Intermediate Freestyle 400 metres - D.Ramsay (M'boro) 5:32.3 (1), N.Smith (Lea)

5:47.2 (2), M.Johnson (Twng) 5.54.5 (3)
 Junior Breaststroke 100 metres - G.Lucas (V) 85.5 (1), Guildford (S'gate) 88.5 (2), J.Jones (Lea) 91.4 (3)
 Intermediate Breaststroke 100 metres - J.Cooley (V) 83.2 (1), R.Lehane (Lea) 83.3 (2), J.Webster (WD) 87.2 (3)

C.M. Saturday 4 March 1950

DENISE STAGES LAST RACE WIN
 By Neville Davidson

Denise Spencer beat Nancy Lyons when the two Olympians raced for the last time in the State Medley 150 metres Title in the Valley Baths last night. Denise withdrew from her 400 metres freestyle earlier in the night so that she and Nancy would race together in the medley as a joint farewell.

Nancy led for the breast and back stroke sections, but Denise pulled right away in the freestyle to win by eight yards. Her time of 2 mins 5 secs took two seconds off her own State record and was only a second outside Judy Davies Australian record.

The crowd of 1500 clapped for five minutes as Denise stepped on to the victory block. The clapping started again when Denise' time was announced and they went at it again for Nancy when she stepped up on to the runner-up stand. Nancy was second in 2:12.5, and Lesley Campbell, National Junior Breaststroke Champion, was third.

Robyn Wedgwood went on to her fifth title win in five starts at the carnival, when Denise pulled out of the 400. She led all the way to come home 20 yards ahead of Judy Young and Daphne Franzen. Her time, 5:43.1 was eleven seconds outside Denise's Queensland record.

Ken Harper, Maryborough champion, also rang up his fifth win from five starts when he outpaced the Junior Freestyle 100 metres field. His time of 64 seconds was the fastest swim at the carnival - 1.2 seconds faster than the Open time. This was also faster than the intermediate 100 time by Des Ramsay who beat George Newton in a touch finish.

The Squadron Championship of 500 metres was won by University (P.Lambert, C.Hoey, T.Craig, R.Rogers, P.Dodson), with Valley second and Maryborough third.

In the Women's Squadron Title of 200 metres, Valley (Jen Yates, Jocelyn Yates, L.Campbell, J.Young) were first, and Leander second. (Full results given).

C.M. Thursday 22 September 1950

OLYMPIC AMBITION

Coaching will start on Saturday morning at the Manly Baths for six swimmers who will be specially set for the 1956 Olympic Games in Melbourne. George Lemass, former pupil of Sydney coach Harry Hay and an intense student of the Japanese style of swimming will take the class.

Lemass will institute a Wynnum and Manly "Learn to Swim" campaign, and from his pupils he will select half a dozen aged ten or eleven. The chosen half dozen will be set for the 1956 Games when they will be about seventeen, and will swim the Japanese style for the next six years.

C.M. Thursday 6 October 1950

ALEX JANY TO SWIM HERE?

"European and French swimming champion Alex Jany may swim in Brisbane in a special carnival next January," the Queensland Amateur Swimming Association's Chairman (Mr J.Emerson) said last night. "The Australian Association was trying to arrange a visit during this season," he said.

Jany, the swimming sensation of 1946-47, broke several world records in sprint distances. He flopped badly in the Olympic Games. His young sister had hysterics when he was beaten out of a place in the Olympic 100 metres final.

Lately Jany has made a come-back at the age of twenty.

"The A.S.A had already unsuccessfully tried to bring out Ford Komo the recent conqueror of John Marshal in Japan and Bill Smith (Hawaii)," Emerson said.

C.M. Tuesday 10 October 1950

MASON'S SWIM RECORD

Des Mason broke Tom Boast's former State backstroke 200 metres record in an unpaced training swim yesterday. Mason did the distance in 2 mins 50 secs. He holds the present State record of 2 mins 40.8 secs which was set at Ipswich last season.

Mason, Henry and Cyrus Weld, Jeanette Holle, Lyn and Jen Yates, Laura Farlow, and Jill Malouf, are at the Valley Baths each morning doing the best part of a mile in training.

The Queensland Amateur Swimming Association's Chairman (Mr J.Emerson) said that Mason and Jeanette Holle may be set flat out against the clock next week.

EXAMS STRAIN

Emerson kept Mason and Holle away from speed swims because he is not satisfied with their styles. He also thinks the strain of exams is too great for the pair at present.

Emerson said the Weld brothers, Cyrus and Henry, would probably dominate the Australian junior freestyle this season. Henry, who is fifteen, recently raced home in 29 seconds for the 50 metres. Bill Fleming has been concentrating on developing his brother Cyrus into a 400 metres swimmer.

C.M. Thursday 24 October 1950

SWIMMERS IN TEST FOR NEW ZEALAND

Swimming tests will soon be held throughout Australia to choose competitors for the Canterbury Games in New Zealand in January. The Australian Swimming Union has decided to send five swimmers, three women and two men.

"Speed tests of Queensland swimming stars will soon be held at the Valley

Baths," the Queensland Amateur Swimming Association's Secretary, Mr Bill Holland, said yesterday. "The A.S.U is sending a male sprinter, a male long distance swimmer, two women backstrokers, and a woman freestyler.

Queensland's Jeanette Holle will probably go as one of the backstroke representatives. The other places may be filled by Judy Joy Davies and Marjorie McQuade (Vic), Harry Kelloway (NSW), and Jim Beard (Vic).

C.M . Friday 17 November 1950

TEST SWIMS FOR DECEMBER 11
By Nancy Lyons
(Olympic and Empire Games swimmer)

Test swims for the Canterbury Games from December 26 to 29 will probably be held at the Valley Baths in Brisbane on December 11.

A water ballet of the New South Wales Women's Swimming Association, the "Water Nymphs", including eight women and two men will appear in Brisbane on that date.

It is pleasing to note that the experience gained at the Empire Games has been heeded, and the earlier arrival of the team in New Zealand allows time to recover from the long trip and adjustment to the conditions. The team will leave Sydney by air on December 21.

FASTER TIMES

Jeanette Holle, Queensland's hope, has relaxed training for two weeks because of exams, but she hopes to be back in the pool in time for the tests. Jeanette recently swam 1min 23 .5 secs for 100 backstroke and 36.8 seconds (her best ever) for 50 metres backstroke.

Judy Young, State representative, is in training and will swim for University in a carnival against Ipswich next Wednesday night, and Judy is as yet undecided whether she will try for State honours this season.

Amongst the promising juniors is Marshall Cook who recently swam 334 seconds for 50 metres freestyle.

Cyrus Weld won the junior 200 metres freestyle championship at the Valley Club swim this week in the excellent time of 2 min 34.8 secs. Cyrus is a strong swimmer and will improve.

Jocelyn Yates has been concentrating on the medley since the retirement of Denise Spencer has left an open field with little competition.

George Newton, although he has not done a lot of training yet this season, won the open 200 metres freestyle at the Valley swim in 2 min 35.2 secs.

JUNIOR BAN

It is hoped the move by the N.S.W.A.S.A to ban Australian Junior Championships is not carried out. This would cut the present enthusiasm of juniors who would not have serious raining before senior ranks. If it is a matter of finance, selectors should restrict their team to champions for each event, providing their times were up to a certain standard.

In the past all States have taken swimmers for experience, also a large number of officials. Experience gained at national titles is little different from that gained at State titles and does not justify the extra expense.

Mediocre swimmers and superfluous officials should be dropped before good juniors.

Neville Brough, ex-State sprint champion and State representative in surf and still water, is coaching the Southport Club and should produce some promising swimmers this season.

Entries for the Valley Club mercantile carnival will close at the weekend. This carnival, one of the most exciting of the year, creates very great interest for over 600 competitors and their fellow workers. The majority only participate in one swimming carnival each season.

C.M. Friday 24 November 1950

MAXWELL'S BID IN BACKSTROKE
By Nancy Lyons

Peter Maxwell, State swimming representative in 1947 in freestyle, is now concentrating on backstroke and may prove an even more dangerous rival for Des Mason than he was last year. Peter is a fine swimmer and his keenness is a fine example for oncoming contestants. Peter trains twice a day in Ipswich and once a week in Brisbane. He is not yet in form but swam well against University representatives in the interclub competition to win the Open backstroke 66 yards, 400 yards freestyle, 100 yards freestyle.

Two other men who were close contestants in the 66 yards and the 33 yards sprints were McNamara and Parslow, both swimming close to Ipswich record times.

Competition sport is what is needed to produce good swimmers. Ipswich Club is doing a good job in promoting interclub competitions.

Among women is Judy Speed who represented Queensland in 1948 and is still a strong freestyler. Though not in senior ranks, she still has a great chance of representing Queensland again.

Joan Fehr, last year's breaststroke "find", has recently been laid up with mumps, but is now training seriously to make up for lost time. Joan is thirteen and sits for her Scholarship Exam in three weeks and this season will prove a formidable rival for Helen Lyons and other swimmers in the 100 metres junior breaststroke title. Joan is being coached by Bill Fleming, and having been coached by Fleming throughout the winter, has a good lead on other swimmers. In spite of this Joan is not satisfied with her form and hopes to produce her excellent time of 1:31.4 for the 100 metres breaststroke which she swam last week. So far Joan has not been concentrating on the 200 metres but hopes to enter for this also. Also a good freestyler, she swam the 50 metres in 33.3 seconds and swam exceedingly well to come second to Judy Young in the 66 yards freestyle.

The result of the competition was Ipswich 7 points, University 7 points.

HOEY IMPRESSIVE

Most of the Varsity swimmers have done little training owing to exam pressure. Clarence Hoey, a State representative, swam an excellent 100 yards freestyle in coming second to Maxwell, and won the 66 yards breaststroke easily, swimming butterfly. Hoey is a powerful swimmer, and with training could reach Australian times in butterfly and freestyle.

Entries for the Valley mercantile carnival next Wednesday night show 70 teams competing for the Elphinstone Shield. Pike Brothers, holders of the Shield, will defend their title, and hope to establish a record by taking the Shield twice in succession.

At the Valley Club 000m on Wednesday night Helen Lyons won the open 200 metres breaststroke comfortably from Margaret Lucas and Lesley Campbell, the latter swimming butterfly.

Graham Lucas swam well in the 200 metres breaststroke in 3:18.2.

Rona Allen, a promising junior, swam 50 metres freestyle in 33 seconds. This girl has very real prospects.

C.M. Thursday 30 November 1950

MERCANTILE RELAY SWIM TO A.M.P.

The A.M.P team took out the Elphinstone Shield in the mercantile relay at the Valley Club's carnival at the Valley Baths last night. Holders of the Shield, Pike Brothers, were disqualified for breaking their time by nine seconds in a heat. The Courier Mail team won the final but were disqualified for breaking their time by 8 seconds.

Any team breaking its time by more than 5 1/2 seconds was disqualified.

Henry Berry No 1 team finished second to A.M.P, with Buckhurst No 1 team third.

In the men's junior freestyle championship over 100 metres, Henry and Cyrus Weld staged a keen battle. Cyrus, only 14 years old, won in the excellent time of 1:9.00, 1/10 second ahead of his older brother Henry.

Lesley Campbell, Australian junior breaststroke champion, won the 50 metres ladies open championship from Helen Lyons in 40.4 seconds. Helen Lyons, 5 seconds behind Lesley, swam orthodox, and with more practice should improve.

BALLET'S DISPLAY

Sandgate junior water ballet showed marked improvement on last year's performance. It provided a very spectacular display, and with a little more training will prove a formidable rival to the NSW ballet which appears next month in Brisbane.

C.M. Saturday 2 December 1950

GIRL SWIMMERS FOR LIMELIGHT

By Nancy Lyons

Clash of the juniors, Munro, Jill Boast, Lomah Allen, in the 50 metres sub-junior championship should be one of the highlights of the Queensland ladies carnival at the Valley Baths tonight.

Another promising junior from Sandgate is A.Stanton, daughter of Les Stanton, Sandgate's coach.

Prominent Sandgate swimmer in the junior ranks and one who shows promise is A.Clausen who comes up against Jennifer Yates and S.Early in the junior freestyle championships.

Lesley Campbell (butterfly) and Helen Lyons (orthodox) are the only two entrants for the 50 metres breaststroke.

Most swimmers are from the Valley Club. It is a pity the other Clubs do not foster breaststrokers and so make the race more exciting from a spectator's point of view.

GAMES TEST RACE

The 100 metres test race for the Canterbury Games will be held. Robyn Wedgwood is favourite and should have no trouble in winning from Daphne Franzen who is still a junior and swimming remarkably well, and Judy Young. The time will, however, be an important factor, as it is this, in comparison with southern times, which will influence the selectors.

C.M. Saturday 2 December 1950

ROBYN HAS SECOND SWIM SIDE CHANCE

By Ruby Robinson

Robyn Wedgwood will tonight fire the second barrel in an attempt to force a place in the Australian swim team for the Canterbury Centenary Games next week.

She is expected to lead home a strong field in the freestyle 100 metres selection test which is part of the Burleigh Surf Club's carnival at the Valley baths. Robyn will be opposed by Joc Yates and Daphne Franzen (both Leander), Jen Yates (Valley), Joy Speed (Ipswich), and Judy Young (University).

Robyn on Saturday night won the Queensland section of the 400 metres test, but her time probably was not good enough for the team. She holds the Queensland resident record of 70.2 seconds for tonight's 100 metres distance. That time was swum last year when she beat Denise Spencer for the State title. Robyn has improved since.

The race will not, however, be a walk-over. Jocelyn Yates is a speedster who will not give in. Like Robyn, Jocelyn has trained throughout the winter with the "Polar Bears". Daphne Franzen and Jennifer Yates are capable but still only juniors. Joyce Speed and Judy Young have swum very fast 100 times in their careers, but Judy has not trained too solidly recently.

ROBYN WINS SWIM TEST
By Nancy Lyons

Robyn Wedgwood easily won the women's test race over 100 metres at the Valley baths last night, clocking 1:12.9. The time, however, is not likely to gain her selection for the Canterbury Games. It was 2.5 seconds slower than registered by West Australian Barbara Hicks in Sydney.

Daphne Franzen, still a junior, with 1:15.3 was second to Robyn, while Jennifer Yates swimming 1:16.00 was third. Jennifer Yates surprised by beating her sister, Jocelyn, last year's State representative. Recent Junior Examination caused Jocelyn to relax her training.

George Newton won his heat of the Junior Surf Championship in 65.6 seconds, the fastest in the junior and senior divisions for the night. He took the final in 68.7 seconds. Jack Boast won the senior 100 metres in 1:7.3, but he cut his time down to 1:6.8 in the heat. Webber was second in the final and I.Springfield third. The McLean Memorial Shield 500 metres inter-surf club relay was won by Burleigh Heads.

A.S.U.AGREES TO STATE PROPOSAL

The Queensland Amateur Swimming Association's request that orthodox breaststroke events be included in the national titles has been granted by the Australian Swimming Union.

QASA Secretary, Bill Holland, said the events requested were senior 220 yards, junior 110 yards orthodox breaststroke for men and women.

The Australian titles will be contested in Melbourne next February.

QUEENSLANDERS MISS SWIM TRIP
By Nancy Lyons

No Queenslanders have been selected in the Australian swim team for the Canterbury (NZ) Games in January. This is the first time since the war that Queensland has not been represented in an Australian swim team.

The team chosen yesterday - Women: Judy Joy Davies, backstroke (Vic), Denise Norton, freestyle (SA), Margaret Pascall, backstroke (WA). Men: Barry Kelloway, freestyle (NSW), David Hawkins, breaststroke (NSW), Barry Duke, freestyle (NSW).

C.M. Thursday 7 December 1950

SWIM STARS IN BORDER SHIELD
By Nancy Lyons

Australian junior breaststroke champion Lesley Campbell, and Far North Coast and New South Wales State and Country champion June Legge, will clash in the Border Shield in Murwillumbah on Saturday night. Six Cubs will take part, three from Queensland - Valley, Leander, Sandgate - and three from New South Wales - Ballina, Kyogle, Murwillumbah. Lesley and June are fine swimmers and should provide a very keen race.

June is now a senior and is a very strong all-round swimmer and could possibly go a long way.

Another promising Murwillumbah swimmer is Anne Kendall, also new South Wales State and Country freestyle champion who did remarkably well as a junior.

The Border Shield is at present held by the Valley Club.

Barbara Hicks (WA) is the third girl swimmer selected for the Canterbury Games. Denise Norton (SA) was previously announced as the freestyle swimmer.

C.M. Tuesday 12 December 1950

MASON'S STATE RECORD
By Nancy Lyons

Des Mason, Queensland's open 100 metres backstroke champion, set a new record at the Valley Baths last night. He covered 100 metres in 1:12.00, the best time by a Queenslander. It is 0.7 seconds better than the time established by Mason as a junior in the championships last year. Mason's time, though in Australian class, was five seconds outside Percy Oliver's open Australian record.

Jack Purtell of Western Districts finished two yards behind Mason in last night's race.

APPOINTMENT TO SWIM BODY

The Chairman of the Queensland Amateur Swimming Association, Mr J.S.Emerson, has been appointed to the Commonwealth Celebrations Sporting Subcommittee.

C.M. Thursday 21 December 1950

BIGGER PLAN NEEDED
By Nancy Lyons

Queensland has plenty of swim talent, but a more solid training plan must be undertaken if it is to be developed to a proper level.

State and Australian Championships are just over a month away, and a trip to new Zealand is not beyond Queenslanders in March.

An innovation which would assist materially in training would be a "seconds" clock at the Valley Baths. This clock, a large edition of a stop-watch, would enable swimmers to clock themselves over every distance they swim, without being dependant on someone else. They could watch their own progress throughout a distance swim and judge their pace accordingly. They would see themselves improve, which would be a great morale builder.

His clock was used in Sydney and Melbourne by the Olympic team in 1948, when it proved very helpful.

STANDARD HIGHER

To reach national championship class, and even State championship class, it needs to train at least two hours a day. Few, if any, of our swimmers do this. Standards are higher than ever, and this means more work is required to reach the top.

A suggestion to those who are keen but regard training as a bore, is that they should try to gather together a group of swimmers and all train together. This creates a friendly rivalry, and competition of this nature improves swimming. Clubs that arrange interclub competition are progressing in the right direction. Inter-school carnivals also provide some of the best and most enthusiastic swimming of the year. School swimmers, however, should also join the local Club which go to a great deal of trouble arranging programmes.

City Pastime and Toowong Clubs have many promising and keen juniors, but could do with more senior members.

C.M. Wednesday 3 January 1951

SWIMMERS IN SALT WATER TRAINING

By Nancy Lyons

Brisbane swimmers who are specially training at the coast should not deceive themselves, with the State and Australian Championships just over a month away, serious training in a 50 metre pool is essential if swimmers are to produce their best.

Salt water upsets the balance of fresh water swimmers and valuable time has to be spent in re-adjusting flotation, after which comes the polishing up and then tapering off - keeping in top form for the big event.

Work in the surf can be successfully used for conditioning and part time training, but formal stages of training must be done in a correct length pool over the correct distance and the right turning boards.

"WORTHWHILE BOOST"

Southport swimming received a worthwhile boost over the Christmas carnival when backstroke State champion, Des Mason, Jack Boast, and other Valley Club members gave exhibitions and competed in invitation races. Southport also has an experienced coach - former swimmer Nev Brough - and should produce some good swimmers.

One of the main drawbacks Southport has, is the lack of good pools, those in operation being too crowded for good training. River and surf swimming are not recommended in great quantities.

C.M. Wednesday 10 January 1951

WORLD SWIM STARS FOR CARNIVAL HERE

By Nancy Lyons

Brisbane will see the best two freestyle swimmers in the world next week - French champion Alex Jany who will swim at the Valley baths on Monday night, and Dutch "flyer" Miss Irma Schumacher is expected to swim the following Friday night. Alex Jany and Miss Schumacher are rated No 1 in the world for 100 metres freestyle. Miss Schumacher's best time for the 100 metres is 65.4 seconds in a 50 metres pool, and Jany is credited with 57.5 seconds.

Dutch backstroke champion, Geertje Galliard will come with Schumacher. Both girls won their events in brilliant style at the recent Canterbury Centenary games in Christchurch, New Zealand.

Queensland Amateur Swimming Association Secretary, Bill Holland, said last night that a carnival would be arranged to feature the Dutch pair.

Jany will make an attempt on the Queensland 100 metres record of 60.2 seconds on Monday night, the record being held by Japanese swimmer K.Takaishi, and has stood since 1926. On his past performances Jany should set new figures for the distance. Jany will swim against leading Queensland freestyle exponents in the 100 and also the 400. . His wife, Jeanette, will swim against Robyn Wedgwood , Daphne Franzen, and Jennifer Yates over 100 metres.

C.M. Tuesday 16 January 1951

NEW AUSTRALIAN RECORD SET BY FRENCHMAN

JANY WINS 100 METRES IN 59 SECONDS

French freestyle champion, Alex Jany, broke the Australian record for 100 metres at the Valley Baths last night, recording 59 seconds in an open invitation race. Jany was surprised by his excellent time as he said before the event he thought he was not really in top gear. The Australian record for 100 metres is held by Frank O'Neill (NSW) and Bob Pirie (Canada) in 59.6 seconds.

The twenty three year old French star led all the way to win easily by twelve yards from Jack Boast and Peter Dobson. His powerful arm action which literally lifts his body out of the water at every stroke, carried him further

from his rivals the longer the race went. Jany slowed his pace slightly before touching, but still recorded his record time. His time bettered the Queensland record held since 1925 by the Japanese swimmer K.Takaishi at 60.2 seconds by 1.2 seconds.

Jany had only one race but later gave a demonstration over 200 metres partly using a kicking board. He then darted over 50 metres in 26.2 seconds, 0.6 seconds better than the Queensland record of 28.8 seconds held by Alex Suosaari since 1925.

Madam Jany could not compete in the 100 metres women's freestyle as she was feeling the effects of the injections she had received in Sydney for an ear infection.

Australian surf champion, Steve Wilkes, who won two North Coast surf races on Sunday, gave an excellent display over 400 metres. Racing his brother, Ray, he recorded 5:15, the best ever by a Queenslander and 6.2seconds better than his previous best time.

MT ISA "FIND"

Eleven year old Tommy Brandon of Mt Isa was the "find" of the night, swimming 50 metres in 34 seconds, one second better than the State record.

Results -

Men's events:

50 metres Freestyle Under 12 - T.Brandon (Mt Isa) 1, E.Anderson (S'gate) 2, C.Clark (Lea) 3

50 metres Freestyle Under 14 - A.Jones (Tmba) 1, A.Grundswager (Lea) 2, B.Hawkins (Lea) 3

100 metres Freestyle Open - A.Jany (Fr) 1, J.Boast (Val) 2, P.Dodson (Uni) 3

200 metres Junior Freestyle - C.Weld (Val) 1, M.Stolznow (Lea) 2, D.Quinn (W.D)

100 metres Backstroke Handicap - D.Trenerry (Tmba) 1, D.Mason (Val) 2, R.Burns (Lea) 3

200 metres Breaststroke - J.Doran (Maroochy) 1, W.Lintveld (Val) 2, J.Cooley (Val)

400 metres Freestyle - S.Wilkes (Maroochy) 1, R.Wilkes (Maroochy) 2.

Women's events:

50 metres Freestyle Under 12 - J.Marshall (Lea) 1, T.Smith (WD) 2, A.Stanton (S'gate) 3

50 metres Freestyle Under 14 - R.Allen (Val) 1, J.Boast (Val) 2, J.Munro (Val) 3

50 metres Junior Freestyle - Jennifer Yates (Val) 1, G.Grainger (Tmba) 2, J.Whybird (Ips) 3

100 metres Breaststroke - J.Fehr (Ips) 1, R.Grier (Tmba) 2, L.Anderson (Val) 3

100 metres Freestyle - R.Wedgwood (Lea) 1, D.Franzen (Lea) 2, G.Grainger (Tmba)

AUSTRALIAN RECORDS BY DUTCH GIRLS

Ipswich, Thursday

Dutch girl champions Irma Schumacher and Geertje Galliard were not extended to win their respective events at a carnival at the City Baths tonight in record time. Miss Schumacher won the 100 yards Invitation Freestyle in 63 seconds, breaking the previous record of 67.4 held by Joyce Speed.

Miss Galliard won the 66 yards Backstroke easing up in the fast time of 46.3 seconds. This will be recognised as a record for the distance.

C.M. Tuesday 23 January 1951

QUEENSLAND RECORD SET BY DUTCH GIRL
CUTS AUSTRALIAN TIME

Dutch freestyle champion Irma Schumacher gave a superb display of swimming at the Valley Baths last night to cut 2.2 seconds off the Australian record for 100 metres. Skimming through the water like the champion she is, the Dutch girls recorded 66.3 seconds to break McQuade's time of 68.5seconds. This time also broke the Queensland girls 100 metres record of 1 min 9.9 secs by 3.6 seconds.

Miss Schumacher revealed the magnificent swimming style that has made her No 1 ranked swimmer in the world over short courses. From the gun she was away like a flash and led clearly before 25 metres had been covered. The Dutch girl's lightening tumble turn after the first 50 metres made her further away from her rivals and she cleared out to win easily from Daphne Franzen and Jocelyn Yates. Queensland champion, Robyn Wedgwood, who was expected to give the Dutch champion a good race, did not compete.

JUDY'S TIME GOES

Dutch backstroke champion Geertje Galliard gave a fine display to win the 100 metres event in 1 min 17.4 secs. Her time took 2.8 seconds off the Queensland record held by Australian champion Judy Joy Davies. The Dutch girl won comfortably from Queensland champion Jeanette Holle, and Jennifer Yates. Both Dutch girls gave a demonstration of swimming and turning. Dutchman Walter Lintveldt, who has only been in Australia eight months, won another race for Holland when he won the 100 metres Breaststroke in the good time of 81.2 seconds.

Twelve year old Toowong swimmer, Lyn Chamberlain, proved herself one of the State's outstanding prospects by dashing over 50metres in 33 seconds, the best time recorded in a race for her age. Lyn later won the Junior 50 metres in 33.3 seconds.

Results - Men's events -

50 metres Freestyle Under 13 - A.Gudenswager (Dalby) 1, N.Cooke (Val) 2, I.Carlton-Smith (Val) 3
100 metres Junior Freestyle - G.Quinn (WD) 1, C.Weld (Val) 2, A.James (Tng) 3
100 metres Open Breaststroke - W.Lintveldt (Val) 1, J.Doran (Maroochy) 2, J.Cooley (Val) 3
100 metres Backstroke Handicap - J.Purtell (WD) 1, M.Mason (Val) 2, D.Mason V
200 metres Open Freestyle - P.Maxwell (Ips) 1, G.Newton (Val) 2, J.Boast (Val) 3
100 metres Junior Breaststroke - W.Arnold (Val) 1, J.Ridgway (Lea) 2, S.Norris (S'gate) 3
50 metres Junior Freestyle - D.Mason (Val) 1, G.Newton (Val) 2, J.Boast (Val) 3
150 metres Medley Relay - Valley (D.Mason, R.Treffene, H.Weld) 1, Western Districts (D.Daly, D.Quinn, G.Marr) 2, Sandgate (E.Anderson, D.Michael, S.Norris) 3

Women's events -

50 metres Freestyle Under 13 - L.Chamberlain (Tng) 1, J.Boast (Val) 2, J.Munro V
50 metres Junior Freestyle - L.Chamberlain (Tng) 1, R.Allen (Val) 2, D.Paulsen (WD) 3
100 metres Open Freestyle - I.Schumacher (Hol) 1, D.Franzen (Lea) 2, Joc Yates (Val) 3
100 metres Open Backstroke - G.Galliard (Hol) 1, J.Holle (Lea) 2, Jan Yates (Val) 3
150 metres Medley Relay - Leander 9J.Holle, D.Franzen, K.Stewart) 1, Valley (R/Allen, Jen Yates, J.Springfield) 2, Western Districts (L.Campbell, K.Gilligan, G.Pratt) 3

C.M. Wednesday 24 January 1951

SWIM HOPE FROM THE NORTH
BOWEN GIRL A REAL "FIND"
By Keith Brown

The fifteen year old Bowen girl who has equalled the record for 50 metres junior freestyle arrived by air in Brisbane last night to compete in the State Titles starting on Friday night. She is a good looking well-built youngster, Merle McCane. Merle won the 50 metres Open event at the Bowen carnival recently in 32 seconds which equals Diana Stanfield's junior record.

The time has been submitted to the Queensland Amateur Swimming Association Secretary (Mr Bill Holland) as a record.

Merle also won the 50 metres junior at the same carnival in 32.4 seconds. Merle's time was made in salt water in a 50 metre pool in Bowen. She is not worried by the change to fresh water at the Valley pool and expects to at least equal her times.

C.M. Friday 2 February 1951

RAMSAY'S FAST 100 METRES TIME
By Nancy Lyons

Freestyle swimmer, Des Ramsay, recorded the fastest time of 64.2 seconds in winning the second heat of the 100 metres title at the Valley Pool last night. Finishing strongly with a little in hand, Ramsay won by a good yard from P.Eady of Murwillumbah with Henry Weld of Valley three yards behind.

The three heat winners, Ramsay, George Newton, and Ken Harper (Maryborough), were all within 3/5 second of each other. They all recorded 30 seconds for the first lap.

Newton won only on the last 25 yards followed by Peter Maxwell by a yard, with Dave Ferricks of Rockhampton a yard behind.

Harper won his heat by a yard in 64.3 seconds with Jack Boast (Valley) second and G.Ross (Murwillumbah) only a touch away third.

C.M. Saturday 3 February 1951

RECORDS GO IN QUEENSLAND TITLES SWIM
By Nancy Lyons

Four State records and one Australian record were broken in the first stage of the Queensland Swimming Championships held last night.

Irma Schumacher (Holland) led all the way in the women's 100 metres freestyle and won by five yards from Robyn Wedgwood (Leander) and F.Mounteney. As Schumacher is not eligible for the title, it goes to Robyn Wedgwood. Miss Schumacher clocked 67.3 seconds, breaking Marjorie McQuade's Australian record by 1.2 seconds.

The main record breakers were - T.Brandon (Mt Isa) 50 metres Under 12 freestyle championship, J.Doran (Maroochy) 200 metres men's breaststroke championship, Valley men's 30 metres medley relay championship.

George Newton swam two seconds faster than in his heat to win the final of the men's 100 metres freestyle championship last night. Jack Boast (Valley) was second and Ken Harper (Maryborough) third.

Joan Fehr (Ipswich) won the 200 metres open breaststroke championship in te excellent time of 3 min 14.1 secs, a very good time for a fourteen year old girl.

Results - Men's events -

100 metres Freestyle Championship - G.Newton (V) 1, J.Boast (V) 2, K.Harper (M'boro) 3 Time 64.6 secs

100 metres Breaststroke Championship - J.Doran (Maroochy) 1, W.Lintveldt (V) 2, J.Cooley (V) 3 Time 2 min 58 secs - Queensland record

100 metres Intermediate Backstroke Championship - D.Mason (V) 1, D.Win (M'boro) 2, Time 1 min 13.4 secs

150 metres Junior Medley Championship - W.Arnold (V) 1, H.Wilson (Kyogle) 2, R.Cooke (V) 3 Time 2 mins 8.5 secs
 50 metres Under 12 Freestyle Championship - T.Brandon (Mt Isa) 1, A.McKenzie (Cairns) 2, P.Anderson(Lea) 3 Time 33.9 secs
 100 metres 13 & Under 14 Freestyle Championship - J.Barrett (V) 1, C.Weld (V) 2, S.Norris (S'gate) 3 Time 1 min 5.9 secs.
 50 metres Sub-junior Breaststroke Championship - W.Beck (M'boro) 1, T.Barrett (Cairns) 2, B./Daley (WD) 3 Time 41.8 secs
 50 metres Country Junior Championship - D.Trenerry (Tmba) 1, N.McFarlane (Rockh) 2, B.Wilson (Kyogle) 3 Time 28.9 secs
 150 metres medley Relay Championship - Valley 1, Western Districts 2, Time 1 min 47.2 secs - Qld record
 50 metres Sub-junior Backstroke - R.Burns (Lea) 1, W.Beck (M'boro) 2, M.Mason (V) 3 Time 39.1 secs
 200 metres Intermediate Freestyle Championship - D.Ramsay (M'boro) 1, C.Fullwood (Roma) 2, G.Perry (Cairns) 3 Time 2 min 45.2 secs
 Women's events -
 50 metres Junior Freestyle Championship - Jen Yeates (V) 1, D.Grier (Tmba) 2, A.McCane (Bowen) 3 Time 33 secs
 100 metres Freestyle Championship - R.Wedgwood (Lea) 1, F.Mounteney (B'berg) 2, Joc Yeates (Lea) 3 Time 1min 13.2 secs. Irma Schumacher also swam her time 67.3 secs.
 200 metres Breaststroke Championship - J.Fehr (Ips) 1, H.Lyons (V) 2, K.stewart (Lea) 3 Time 3mins 14.1 secs
 50metres Under 12 Freestyle Championship - A.Constable (Ayr) 1, P.G.Marshall (Lea) 2, D.Pratt (WD) 3 Time 36 secs - equals record
 200 metres Sub-junior Squadron Championship - Valley (R.Allen, J.Munro, J.BoastC.Walmsley) 1, Western Districts 2, Leander 3
 150 metres Medley Relay Championship - Valley (Jen Yeates, H.Lyons, Lampbell) 1, Leander (B.Rylance, A.McMurray, G.Freman) 2, Western Districts (P.Paulsen, K.Gilligan, D.Watson) 3 Time 1 min 53.1 secs.

 C.M. Tuesday 6 February 1951

SWIM RECORDS SET BY JUNIOR
 By Nancy Lyons

Fourteen year old Ipswich girl Joan Fehr stole the show when she broke both the Queensland and Australia records at the State Swimming Championships at the Valley Baths last night in the Women's Junior 100 metres Breaststroke.

I held both previous records in 1 min 29.2 secs Australian and 1 min 22.4 Queensland. The Queensland record was not recognised as an Australian record as the record was not applied for in the prescribed time.

Joan swam 1 min 28.2 secs. About half a yard behind Joan was Australian junior champion freestyle swimmer, Lesley Campbell, who also broke the Australian record, and Helen Lyons was two yards away third. These three girls are definitely in Australian class, and it looks as if Joan Fehr will gain some Australian titles in Melbourne.

W.Lintveldt (Valley) narrowly won the orthodox breaststroke from Tuesday night's winner J.Doran (Maroochy) in the brilliant time of 2 min 57.5 secs. This time is the best ever swum by a Queenslander, and places both boys in Australian championship class. Doran was 1.5 seconds behind Lintveldt with Cooley (Valley) a yard behind third.

Peter Maxwell (Ipswich) won two titles, the 300 metres medley setting a new record, and the 200 metres freestyle only 1 second off the best time by a Queenslander.

Des Ramsay (Maryborough) set a new race record in winning the 100 metres inter- mediate freestyle by a touch from George Newton (Valley) and Ken Harper (M'boro).

Both girls broke the record in the 50 metres match race between the visiting Dutch backstroker Geertje Galliard and Jeanette Holle. Geertje's time was 35.1 seconds and Jeanette's 36.5 seconds.

The 100 metres junior men's freestyle was won by D.Quinn (WD) from J.Barrett

(Leander) in 1 min 14.6 secs. C.Weld (Valley) and D.Byrne (Lismore) tied for second place..

Another record went to Lyn Chamberlain (Toowong) in 50 metres 12 & Under 13 freestyle. She swam 34.4 to win from Toowong swimmer J.McGaskill and J.Masters (Bundaberg). This is a remarkable time for a 12 year old girl.

Des Mason broke his own race record in the 100 metres backstroke by 0.6 seconds. Des swam 1 min 13 secs, a time good enough for a third in the Australian championships. Second to Mason, and only a yard behind, was Jack Purtell (WD).

Results - Women's events -

100 metres Junior Breaststroke (unrestricted) Championship - J.Fehr (Ips) 1, L.Campbell (V) 2, H.Lyons (V) 3 Time 1:28.3 Australian and Queensland record

400 metres Freestyle Championship - I.Schumacher (Hol) 1, R.Wedgwood (Lea) 2, A.McCane (Bowen) 3 Time 5:35.6 Race record

50 metres Country Freestyle Championship - A.McCane (Bowen) 1, L.P.Coughlin (Rock) 2, F.Mounteney (B'berg) 3 Time 32.2

50 metres 12 & Under 13 Freestyle Championship - L.Chamberlain (Tng) 1, J.McGaskill (Tng) 2, J.Masers (B'erg) 3 Time 34.4

50 metres 13 & Under 14 Freestyle Championship - J.Grier (Tmba) 1, J.Yeates (V) 2, F.Paulsen (WD) 3 Time 32.6

150 metres Sub-junior Medley Relay Championship - Valley (J.Yeates, J.Munro, R.Allen) 1, Leander A (A.Addison, K.Stewart, J.Wilson) 2, Ipswich (M.Benson, J.Fehr, D.Linde) 3 Time 2:03.1

150 metres Medley relay Championship - Valley (L.Campbell, R.Allen, H.Lyons) 1, Leander (J.Holle, Joc Yeates, R.Wedgwood) 2, Time 1:05.2

Men's events -

200 metres Freestyle Championship - P.Maxwell (Ips) 1, S.Wilkes (Maroochy) 2, T.Eady (Murwillumbah) 3 Time 2:22.3

100 metres Backstroke Championship - D.Mason (V) 1, J.Purtell (WD) 2, P.Mason (V) 3 Time 1:13 race record

200 metres Breaststroke (orthodox) Championship - W.Lintveldt (Val) J.Doran (Maroochy) 2, J.Cooley (V) 3 Time 2:57.6

100 metres Intermediate Freestyle Championship - D.Ramsay (M'boro) 1, G.Newton (V) 2, K.Harper (M'boro) 3 Time 1:03.6 race record

100 metres Junior Freestyle Championship - D.Quinn (WD) 1, J.Barrett (Lea) 2, C.Weld (V) & D.Byrne (Lismore) 2 Time 1:04.6

300 metres Medley Championship - P.Maxwell (Ips) 1, N.James (Cairns) 2, G.Marr (WD) 3 Time 4:24.5 Race record

100 metres Intermediate breaststroke (unrestricted) Championship - R.Lehane (Lea) 1, Time 1:25.6

100 metres Junior breaststroke (unrestricted) Championship - W.Arnold (V) 1, R.Cooke (V) 2, B.Chancellor (Lea) 3 Time 1:28.4

50 metres 12 & Under 13 Freestyle Championship - K.Gudenswager (Dalby) 1, L.Cooke (V) 2, N.Hawkins (Lea) 3 Time 33

150 metres Sub-junior Medley Relay Championship - Toowong (A.Jones, B.Kirkdale, D.Palm) 1, Leander (R.Burn, D.Stephens, B.Knowles) 2, Valley 3. 1:57.6

200 metres Junior Squadron Championship - Valley 1, Leander 2, Toowong 3 2:41.2

C.M. Thursday 8 February 1951

SIX NEW RECORDS AT SWIM TITLES

IRMA'S NEW TIME

By Nancy Lyons

Five race records and one Australian record were broken, and one race record equalled at the Queensland Swimming Championships at the Valley Baths last night Irma Schumacher (Holland) broke Denise Spencer's State 100 metres freestyle record, and also bettered the time of Green's Australian record by 1.4 seconds. Robyn Wedgwood, running second, was 12 yards behind Miss Schumacher, and six seconds slower than last year. Her times to date are not likely to assure her State selection.

Surprise of the night was the brilliant swim by junior John Barrett in the

100 metres junior backstroke. With a slight lead all the way, Barrett (Valley) won comfortably from the favourite, Peter Mason. Barrett's time was four seconds slower than the record, but a second faster than the NSW winning time, and assures him State representation.

Steve Wilkes again put up an amazing swim in the men's 800 metres freestyle, winning by 30 yards from his brother, Ray. Steve broke the race record and swam the fastest time ever by a Queenslander with 10:52.1

Jeanette swam very strongly to be narrowly defeated by Dutch girl Geertje Galliard. Galliard's time of 1:19.3 for 100 metres backstroke broke the Queensland record by one second. Jeanette clocked 1:21, a slower time than was expected from her.

Joan Fehr won her third breaststroke title in the 100 metres junior orthodox championship in 1:30.3

The result of the men's 50 metres freestyle was doubtful. Up to five yards from the finish the field was level. The title was given to George Newton (Valley) with a time of 28.3, equaling the original race record.

Dorothy Grier (Toowoomba) smashed Denise Spencer's race record by one second in the junior 100 metres freestyle, winning in 1:12.7.

Results - Women's events -

200res Freestyle Championship - I.Schumacher (Holland) 1, R.Wedgwod (Lea) 2, F.Mounteney (B'berg) 3 Time 2:30.8 Australian record

100 metres Breaststroke Championship - J.Fehr (Ips) 1, H.Lyons (V) 2, K.Stewart (Lea) 3 Time 1:30.3

100 metres Backstroke Championship - G.Galliard (Hol) 1, J.Holle (Lea) 2, J.Malouf (Lea) 3 Time 1:19.3 Queensland record

100 metres Junior Freestyle Championship - D.Grier (Tmba) 1, D.Franzen (Lea) 2,

A.McCane (Bowen) 3 Time 1:12.7

50 metres Sub-junior (unrestricted) Breaststroke Championship - J.Fehr (Ips) 1, K.Stewart (Lea) 2, S.Brown (Kyogle) 3 Time 41.9

50 metres 13 & Under 14 Freestyle Championship - R.Allen (V) 1, D.Ashford (Rock) 2, F.Watson (Kyogle) 3 Time 34.5

200 metres Junior Squadron Championship - Valley (L.Campbell, R.Allen, Jen Yeates, H.Lyons) 1, Rockhampton (J.McLeod, P.Jahnke, S.Barnes, M.McLeod) 2, Leander (D.Franzen, J.Malouf, J.Farlow, L.McMurray) 3 Time 2:17.1 Race record

Men's events

800 metres Freestyle Championship - S.Wilkes (Maroochy) 1, R.Wilkes (Maroochy) 2, A.Webster (WD) 3 Time 10:52.1 RACERECORD

50 Metres Freestyle Championship - G.Newton (V) 1, J.Boast (V) 2, D.Mason (V) 3 Time 28.3 Race record

100 metres (unrestricted) Breaststroke Championship - W.Lintveldt (V) 1, J.Cooley (V) 2, J.Doran (Maroochy) 3 Time 1:20.4

100 jmetres Junior Backstroke Championship - J.Barrett (V) 1, P.Mason (V) 2, D.Trenerry (Tmba) 3 Time 1:17.6

200 metres Junior Freestyle Championship - C.Weld (V) 1, M.Stalznow (Lea) 2, D.Quinn (WD) 3 Time 2.21

100 metres 16 & Under 17 Freestyle Championship - K.Harper (M'boro) 1, V.Parslow (Ips) 2, C.Fullwood (Roma) 3 Time 1:5.2

50 metres 13 & Under 14 Freestyle Championship - A.Jones (Tng) 1, J.Cherry (Roma) 2, T.Barrett (Cairns) 3 Time 31.3

100 metres Junior Breaststroke Championship - W.Arnold (V) 1, C.Whitehouse (Lea) 2, K.Waller (Lea) 3 Time 1:28.8

200 metres Country Squadron Championship - Cairns (A.Weatherburn, M.James, N.Crittenden, A.Boundy) 1, Ipswich (P.Maxwell, C.Bannerman, J.McNamara, V.Parslow) 2, Toowoomba (J.Rivett, D.Trenerry, R.Wise, K.Childs) 3 Time 1:57.2

200 metres Sub-junior Squadron Championship - Leander 1, Toowong 2, Dalby 3 Time 2:20.2.

C.M. Saturday 10 February 1951

DUTCH GIRL AT TOP IN RECORD 50 METRES SWIM

By Nancy Lyons (former Olympic swimmer)

Dutch swimmer Irma Schumacher swam the fastest 50 metres of her career in the Queensland Women's Freestyle Championship at the Valley Baths last night. She covered the distance in 29.2 seconds, breaking Denise Spencer's State record by 1.5 seconds, Irma's time being equal to that registered by our best men swimmers.

F.Mounteney (Bundaberg) finished four yards behind Schumacher, defeating the title holder Robyn Wedgwood by two seconds. As the Dutch swimmer is not eligible to hold the title, it will go to the Bundaberg girl.

Ken Harper (Maryborough) scored a double when he took the 200 metres intermediate freestyle in two seconds outside the record, and the 100 metres Country freestyle in 63.2 seconds, also just outside N.Wedlock's record of 62.8 seconds.

The 50 metres junior freestyle went to Henry Weld (Valley) after a close tussle all the way. Second was Don Trenerry (Toowoomba) 0.8 seconds behind, and Des Quinn (Western Districts) a close third.

Walter Lintveldt (Valley) again defeated John Doran (Maroochy) and John Cooley in the men's 100 metres orthodox breaststroke in 1:24.2. This time created a race record.

Steve Wilkes won the men's 400 metres easily from his brother, Ray. Steve swam 5:08.1, the fastest time ever swum by a Queenslander for the event.. He took the lead after the first 100 metres.

Daphne Franzen won the 200 metres junior women's freestyle by ten yards in 2:43.6 without being pushed right out.

Jennifer Yeates won a magnificent race to take the 100 metres junior backstroke in the record time of 1:25.5. Joan Maloney and Gwen Grainger filled the places.

Another record went in the junior 400 metres title which went to Cyrus Weld in 5:31.8. It was a fight all the way with Max Stallznov who finished a yard behind swimming strongly.

The women's 150 metres medley was won by Joc Yeates from Helen Lyons. The time was slow.

A.Addison (Leander), L.Chamberlain (Toowong), and R.Allen (Valley), staged a fight in the 50 metres sub-junior backstroke championship, all finishing within one second of each other. Addison won in 40.6 seconds.

Alan Jones (Toowong) created another record in the sub-junior 100 metres freestyle. His time of 1:07.8 was remarkable for so young a lad, and is beyond the scope of many seniors.

Results - Women's events

50 metres Freestyle Championship - I.Schumacher (Hol) 1, F.Mounteney (B'berg) 2, R.Wedgwood (Lea) 3 Time 31.2 Queensland record

150m Medley Championship - Joc Yeates (Lea) 1, H.Lyons (V) 2 Time 2:31

200m Junior Freestyle - D.Franzen (Lea) 1, A.McCane (Bowen) 2, G.Grainger (Tmba) 3 Time 2:43.6

100m Junior Backstroke Championship - Jen Yeates (V) 1, M.Malouf (Lea) 2, G.Grainger (Tmba) 3 Time 1:25.5 Race record

50m Sub-junior Breaststroke Championship - J.Fehr (Ips) 1, K.Stewart (Lea) 2, L.Chisholm (Spt) 3

50m Sub-junior Backstroke Championship - A.Addison (Lea) 1, L.Chamberlain (Tng) 2, R.Allen (V) 3 Time 40.6

200m Squadron Championship - Valley (Jen Yeates, R.Allen, H.Lyons, L.Campbell) 1, Leander (R.Wedgwood, Joc Yeates, D.Franzen, J.Malouf) 2, Time 2:17.2

Men's events

400m Freestyle Championship - S.Wilkes (Maroochy) 1, R.Wilkes (Maroochy) 2, K.Bray (M'boro) 3 Time 5:08.4 Queensland and Race record.

100m Breaststroke Championship - W.Lintveldt (V) 1, J.Doran (Maroochy) 2, J.Cooley (V) 3 Time 1:27.4 race record

400m Junior Freestyle Championship - C.Weld (V) 1, M.Stallznov (Lea) 2, R.Wilson (Kyogle) 3 Time 5:31.8 Race record

50m Sub-junior Breaststroke Championship - W.Beck (M'boro) 1, K.Walters (Lea)

2, T.Barrett (Cairns) 3 Time 42.0 Race record
50m Junior Freestyle Championship - H.Weld (V) 1, D.Trenerry (Tmba) 2, D.Quinn (WD) 3 Time 28.2
200m Intermediate Freestyle Championship - K.Harper (M'boro) 1, D.Ramsay (M'boro) 2, J.Perry (Cairns) 3 Time 2:29.2
100m Country Freestyle Championship - K.Harper (M'boro) 1, D.Ramsay (M'boro) 2, M.Crittenden (Cairns) 3 Time 1:03.2
200m Sub-junior Freestyle Championship - A.Jones (Tng) 1, T.Barrett (Cairns) 2, J.Cherry (Roma) 3 Time 1:07.8
500m Squadron Championship - Valley 1, Cairns 2, Western Districts 3 Time 5:32.2
150m Junior Medley Relay Championship - Valley 1, Leander 2, Western Districts 3 Time 1:46.

C.M. Saturday 17 February 1951

TRIALS OFF TO A GOOD START
Melbourne, Saturday

Queensland girls made a good start at the Australian Swimming Championships tonight. D.Franzen had a good win in the first heat of the junior women's freestyle 220 yards, clocking 2:25.1. This was 13 seconds less than the Victorian Pam Fairbairn in the second heat.

Joan Fehr was fastest in the 100 yards junior breaststroke event and was closely followed by Helen Lyons. North Queensland girl L.Campbell, made the next best time.

O'NEILL BEATEN

Scottish migrant, Bob Miller, who is the top-ranking Victorian freestyle exponent, scored a narrow win over the New South Wales star, Frank O'Neill, in the second heat of the national 220 yards test. O'Neill had the advantage over Miller throughout, but 20 yards from the finish he glanced sideways at Miller and gave Miller a chance to reach the board first. O'Neill was not flat out. He qualified for the final against French star Jany tomorrow night. His time was 2:22.

John Gibson (Vic) won his heat of the Open 110 yards breaststroke in 1:15.

Barry Dark streaked away from the fielding the junior 440 yards trial, and finished 40 yards ahead of D.Stableford (SA).

ALL SCHOOLS SWIM OFF

The GPS all schools annual swimming carnival set down for March 10 has been cancelled because of the polio epidemic.

C.M. Monday 19 February 1951

(Picture - "All had a hand in the title" - Three Queenslanders who came first, second, and third in the Junior Breaststroke of Australia in Melbourne on Saturday night are Helen Lyons (3rd), Joan Fehr (1st), and Lesley Campbell (2nd).)

QUEENSLAND COULD WIN THREE MORE TITLES

Breaststroke swimmers appear to be Queensland's best hope in the National Swimming Titles to be continued in Melbourne on Tuesday night.

Young Wilfred Arnold will contest the junior 110 yards breaststroke, and we are hopeful he will win Queensland's third title of the series. Joan Fehr won the Women's 110 yards Breaststroke Championship and Daphne Franzen won the 220 yards Junior Freestyle on Saturday night.

Joan Fehr and Helen Lyons will contest the 220 yards orthodox breaststroke championship. Chief opposition will come from Beryl Hosking (NSW), but I do not think the girls will be troubled.

Alter Lintveldt seems a certainty for the men's 220 yards orthodox breaststroke, his Queensland times being much better than the southern orthodox swimmers.

Queensland may gain third placing in the 440 yards freestyle in which the State representative, Steve Wilkes, will meet Barry Darke, Alex Jany, and Barry Kellaway.

DOT GRIER'S DEBUT

Judy Davies looks like taking the 110 yards Women's backstroke title with Margaret Pascal (WA) the runner-up. Queensland's Jeanette Holle will have to improve on her Brisbane times to hope for a placing.

Dorothy Grier will be making her debut in the Women's 110 yards freestyle, and although she is unlikely to gain a place against Marjorie McQuade, Denise Norton, Judy Davies and Kay Hayman, it will be good preparation for her junior event on Saturday night.

Perusing the result of the 110 yards backstroke race on Saturday night, it is regrettable that Queensland's Des Mason was not a competitor. The winning time of L.O'Keffe was 1m 14.3s which is 1.3 seconds slower than Mason's State time. However, it must be noted that all winning times were slower compared with those recorded by swimmers earlier in the season.

C.M. Tuesday 20 February 1951

KIERAN MEMORIAL AT BATHS TONIGHT

The main event at the Commercial Swimming Club's carnival at the Valley Pool tonight will be the Men's 100 metres Barry Kieran Memorial Handicap.

Also on the programme will be the Interclub Handicap Relay for the J.C.Carroll Shield, Interclub scratch races, handicap races, two men's medley races, and a 50 metres open scratch race for Life Savers.

An attraction will be the March Past by Life Saving Clubs in full costume.

C.M. Wednesday 21 February 1951

TACTICS UPSET "BOY WONDER" DARKE BEATEN BY KELLAWAY IN 440 SWIM

Melbourne, Tuesday

Barry Kellaway, 16 year old Sydney bank clerk, caused the swimming upset of the season by beating "Wonder Boy" Barry Darke and French star Alex Jany in the 440 yards freestyle tonight. Kellaway finished two yards ahead of Darke who finished one yard ahead of Jany. Kellaway was not included in the original New South Wales team for the Championship and had to pay his own way to Melbourne. Kellaway's time was 4m 54.3s. The Australian record held by D.G.Agnew is 4m 45.5s, and the world record held by the Australian John Marshall is 4m 31.2s.

Jany won the race for Kellaway. As soon as the swimmers left the boards he sped away and Darke followed, and Darke foolishly tried to stay with him. These two covered the first 110 yards in the remarkable time of 68.4 secs. Jany was then a foot ahead of Darke and Kellaway five yards behind. As Jany and Darke fought for the lead, Kellaway was plugging along at an even pace behind them. He caught them at 330 yards when they were burnt out and finished strongly.

JOAN FEHR BEST

The most outstanding Queensland performer was Ipswich girl Joan Fehr who gained ten yards for her team when swimming breaststroke in the 330 yards medley in which Queensland finished second. Joan also finished second in the 220 yards breaststroke.

Judy Davies took her second title when she won the 110 yards backstroke, beating Margaret Pascall (WA) and the Dutch champion Geertje Galliard.

A faulty turn spoilt the chance of Dutch freestyle champion Irma Schumacher beating Marjorie McQuade's 110 yards record of 1m 0.5s. She turned badly and

just beat McQuade in the race tonight.

Results -

Men's 100 yards Freestyle - R.Aubrey (NSW) 60s 1, B.Small (Vic) 65s 2, J.Hendricks (NSW) 66.9s 3

Women's 330 yards Medley Teams - Victoria (J.J.Davies, J.Uren, M.McQuade) 1, Queensland 2, Western Australia 3 Time 4m 26s

Men's 110 yards Junior Breaststroke - R.Sharpe (NSW) 1, B.Seymour (Vic) 2, W.Arnold (Qld) 3 Time 1m 14.4s Victorian record

Women's 110 yards Backstroke - J.J.Davies (Vic) 1, M.Pascall (WA) 2, G.Galliard (Hol) 3, J.Holle (Qld) 4 Time 1m 17.9 Victorian record

Women's 220 yards Orthodox Breaststroke - J.Wren (Vic) 1, J.Fehr (Qld) 2, B.Hosking (NSW) 3 Time 3m 10.7s Victorian record

Men's 330 yards Medley - F.O'Neill (NSW) 1, R.Bray (NSW) 2, D.Openshaw (SA) 3, Time 4m 1.4s Victorian record

Men's 220 yards Orthodox Breaststroke - D.Hawkins (NSW) 1, J.Doran (Qld) 2, J.Cooley (Qld) 3, Time 2m 58.8s

Women's 110 yards Freestyle - I.Schumacher (Hol) 1, M.McQuade (Vic) 2, B.Hicks (WA) 3, K.Hayman (NSW) 4 Time 1m8.9s Victorian record

Men's 440 yards Freestyle - B.Kellaway (NSW) 1, B.Darke (NSW) 2, A.Jany (France) 3 Time 4m 5

COMMERCIAL CARNIVAL

The Life Savers March Past was won by the Burleigh Club at the Valley Pool last night. George Newton won the 50 metres Freestyle from Jack Boast and T.Lambert in 28.6 seconds. The race for the Police Boys' Club was won by R.Singleton in 40.2 seconds. State diving champion, Ivan Mitchell, and June Springfield gave exhibitions.

The 100 metres B.B.Kieran Memorial Men's Interclub Freestyle Handicap went to R.Johns of Commercial with K.Crompton (Commercial) second, and K.Patmore (Commercial) third.

C.M. Friday 23 February 1951

DARKE WINS, BUT FORM HIS WORST

Melbourne, Thursday

The Australian Junior 440 yards champion, Barry Darke, swam his worst race in Victoria in winning the National 1650 yards Freestyle Title in 21m 5.7s, 1m 40.6s outside his own Australian record. His time was 48.3 secs outside John Marshall's 1949 State record. Darke won by seven yards from Queensland Steve Wilkes who put in a great finish. After the race Darke said that the water was slow and thick with chlorine. Darke looked tired and his stroking was more clipped than usual. He averaged 47 strokes to the lap. At 220 yards Drake led by 2.1 secs from Victorian Jim Beard and Wilkes, but Beard and Wilkes paced him to 440 yards.

NORTON HOLDS TITLE

South Australian Denise Norton, who has been training under Olympic coach Forbes Carlisle (Sydney) for the past ix weeks, retained the half mile freestyle title by a lap from Jeanette Johnson (NSW) and two and a half laps from the third placegetter, Merle Jones (SA).

She smashed the 1934 Australian 550 yards record of 7m 31.4s held by Joan Davies (NSW) by 21.4 secs during her swim, and her time of 11m 31.5s for the 880 yards bettered Judy Joy Davies ten year old State record by 21.7 secs, but she was 6.7 seconds outside the national 880 yards record made in 1949.

She said after the race that the difference was probably due to her concentrating on 440 yards for Olympic selection.

Results -

Springboard Diving - J.McKenna (NSW) 1, R.Faulds (Vic) 2, C.Murton (Vic) 3

1650 yards Championship - B.Darke (NSW) 1, S.Wilkes (Qld) 2, J.Beard (Vic) 3
Time 21m 5.3s

Women's Junior Springboard Diving - P.Hopkins (NSW) 1, A.Price (Vic) 2,
W.Byrne (Vic) 3

High Board Diving - G.Fawcett (Vic) 1, N.MacLean (NSW) 2, P.Treby (WA) 3
880 yards Women's Freestyle Championship - D.Norton (SA) 1, J.Johnson (NSW) 2,
J.Jones (SA) 3 Time 11m 36.5s State record.

(No further reports of swimming seen in the C.M. in March and April
editions)

Courier Mail Tuesday 5 October 1951

NO RUSH FOR SWIM POST

The Queensland Amateur Swimming Association is still without a prospective Secretary. Assistant Secretary, Fred King announced at the Annual Meeting last night that no nominations had been received for the post.

The Secretaryship of the QASA became vacant when Bill Holland announced last night that he would be unable to continue this year because of health reasons.

G.Stedman of Bundaberg was last night elected a Life Member of the Association.

C.M. Tuesday 19 October 1951

SWIM SECRETARY RETURNS TO POST

Shock entry nomination and election at meeting of the Queensland Amateur Swimming Association last night was that of Bill Holland as Secretary. He had resigned as Secretary because of ill health, and had now informed officials that he had improved and would stand.

Acting Secretary, Fred King, then withdrew his nomination in favour of Holland.

The retiring Selection Committee, W.Holland, G.Nankaville, and R.Henderson, survived a ballot to be re-elected.

C.M. Thursday 8 November 1951

NEW SWIMMING PROSPECT

Edith Watts will this week ring up 50 miles of training for the season. Edith, 18 years old former nurse, has been training seriously for only the past five weeks.

Edith gave up her nursing career because it did not allow her regular time for training. Edith has always been keen on swimming, but she did not get seriously into the sport until she won a Commercial Club event early this season.

BETTERS TIME

She won that race in 39 seconds, and after 4 ½ miles training before the end of the week reduced her time for 50 metres to 36 seconds. She clocked 33 seconds in a trial not flat out at the weekend. Fay Mountenay swam 32.4 behind the Dutch girl, Irma Schumacher to take the State Title last season.

Edith has been trained by Wynnum coach George Moss who developed John McNamara to State surf belt champion in one season a couple of years ago. Moss is also chief of the Commercial Club teaching session which handles 140 swimmers each Tuesday night at the Valley Pool.

(By Neville Davidson)

C.M. Thursday 15 November 1951

OLYMPIC BID BY NANCY

Queensland Olympic swimmer, Nancy Lyons, will leave for Sydney today to start a "come back" under the guidance of Coach Forbes Carlisle.

She will be prepared for the National Titles which will be held in Melbourne next February. Nancy has not competed in carnival races for more than twelve months, but in the last few weeks has been doing pool work at the Valley Baths.

Coach Carlisle hopes to get Nancy at her top for the Queensland Titles early in February. Good performances in the State and National Titles should force Nancy into the Australian team for the 1952 Olympic Games in Helsinki.

Nancy was beaten by inches by Dutch girl Nel Van Vliet in the 200 metres breaststroke final at the 1948 London Olympic Games. Her time of 2m 57.5s was

2.5 secs better than the Olympic record.

During the training in Sydney with other ranking Australian swimmers, Nancy will write for the "Courier Mail" giving the latest news and views from the centre of the swimming world

C.M. Thursday 22 November 1951

BIG PLANS FOR NANCY

Queenslander, Nancy Lyons, is facing a tremendous task in her come-back for the 1952 Olympic Games, but the experts think she will make the grade.

Nancy is being coached by Professor Cotton, Head of the Sydney University Physiology Bureau, and his assistant Forbes Carlisle. Although he is cautious about Nancy's prospects, Cotton thinks she can do it. "Even though she will have only three months preparation, I am confident she will be selected and improve in Helsinki," he said.

(Then considerable review of Nancy's earlier training and successes.)

C.M. editions 16 November and 23 November describe Des Mason achieving State record times (unofficially) in backstroke at Club swims.

C.M. Thursday 6 December 1951

DAPHNE FOR NEW ZEALAND SWIM

Swimmer, Daphne Franzen, has been included in the Australian team to tour New Zealand from December 12 to 23. She is the only Queenslander selected in the team.

Daphne held the Australian 220 junior freestyle title, but was beaten by the Bundaberg girl, Dorothy Grier, in the last National Championship in Melbourne.

The Queensland Amateur Swimming Association Secretary (Mr Bill Holland) received official advice of her selection yesterday. The 17 year old should improve her times in New Zealand and press her claims to Olympic selection.

C.M. Thursday 13 December 1951

JUNIOR SWIMMER BREAKS THREE RECORDS

Junior swimmer, Cyrus Weld, last night shattered three records in the one race at the Valley Baths - the 400 metres Open freestyle in 5m 11.6s, or 56. secs faster than the State Open record held by Rex Blow. His time was also 17.8 secs better than Ken Harper's State junior record of 5m 29.4s, and 11.5 secs faster than Barry Kellaway who won the Australian Junior Championship in 5m 21.1s.

Weld's slashing trial last night gave him an outstanding chance of getting into the next junior freestyle final in Melbourne next February.

Allan Jones who finished second claimed two records by finishing in 5m 15s. Junior surf champion, Jack Chapman, filled third place.

Queensland champion backstroker, John Barrett, swam the 400 metres in 6m 20s which was also a first class effort.

Weld, Barrett, and Wilf Arnold, in the 150 metres junior medley relay swam 1m 41.5s to clip 3/10 second off the State record of 1m 41.8s.

C.M. Thursday 20 December 1951

JUNIOR'S WIN

Roma Wednesday

Mervyn Partridge, 13 years, clocked 5m 41 4/5s in the Open 400 metres free-style handicap at the Roma Baths. This time would have gained third place in the Open 400 at the last State Titles, and first in the Intermediate 400, and third in the Junior.

Club officials claim that with training guidance Partridge should be a danger to the metropolitan swimmers at next year's Titles.

MASON'S RECORD

State junior backstroke champion, Des Mason, last night clipped 2.6 secs off the Sandgate Baths 100 yards record. He covered the distance in 1m 5.4s.

C.M. Thursday 3 January 1952

SWIM STAR TO MISS TITLES

State backstroke champion, Des Mason, will not take part in any of the NSW State Championships. The suggestion that Mason be allowed to start in the finals on January 12 without competing in the heats was vetoed by the NSW officials as it would be against the policy of the Association.

Mason has become articled to a firm of public accountants, and started in the position yesterday. He was not prepared to request time off for the three days necessary to swim in heats and finals.

FAST SWIMMING BY WELD

Cyrus Weld last night shattered a State record and equalled another in Club competition at the Valley Pool. Weld clocked 5m 5.5s in the 400 metres freestyle event to take 17.7 secs off Ken Harper's State record. He later showed brilliant form to equal George Newton's 100 metres record of 63.8secs.

The Australian junior backstroke champion, Jennifer Yates, cut 1.6 secs off the 100 metres State record of 1m 24s. The time set a new national record of 1m 22.8s.

C.M. Tuesday 15 January 1952

NANCY WILL SWIM IN TITLES HERE

Australian record breaker, Nancy Lyons, will be back in Brisbane to swim at the Queensland Championships at the Valley Baths on February 1, 4, 6, and 8.

This is the first time in two years the Queensland 21 year old breaststroke champion has swum in open competition in her home State.

Recently in a dramatic return to big swimming in the NSW Titles in Sydney on January 5, Nancy set new Australian records with 2m 59.4 for 220 yards breaststroke. This was 6.9 secs better than the previous record.

Nancy has been training in Sydney for the past four months, and trained under coach Forbes Carlisle. She will compete in the Australian Titles in Melbourne in February, and is certain of selection in the Australian team for the Helsinki Olympic Games this year.

Until she gave up swimming after the Empire Games in New Zealand in 1950, Nancy had set many records in her nine year career.

C.M. Friday 18 January 1952

RECORDS GO AT CLUB SWIM

Records toppled at this week's Leander Club swim.

Cyrus Weld clipped a second off the State 400 metres record, swimming 5m 7s. Daphne Franzen was only 4 seconds outside Irma Schumacher's 400 metres time in the state Title last year, swimming 5m 36s. This was 6.4 seconds better than Denise Spencer's best time in the Valley Pool.

Des Mason, on three weeks preparation, clipped 0.6 secs off his own 100 metres backstroke record at 1m 11.9s.

Chris Whitehouse (15) beat the 100 metres junior backstroke record by 0.1 sec, swimming 1m 25.5s, and Glennis Marshall (11) took the Under 12 50 metres breaststroke.

All are members of the Polar bears Club.

C.M. Friday 1 February 1952

DOROTHY GRIER CUTS SIX YEAR SWIM TIME

(Picture of Dorothy swimming)

Dorothy Grier broke Denise Spencer's 100 metres State record at the Queensland swim title heats at the Valley Pool last night.

Grier, from Bundaberg, beat the first heat field in the Women's Open 100 m race in 70.7 secs. This time cut half a second off Spencer's record which has stood for six years. Daphne Franzen, Brisbane, who toured New Zealand last year, was second in 73 seconds, but was never close to the Bundaberg girl.

Swimming should be in the blood, as father Reg Grier was a national champion, and her Mother, formerly Dorothy Thompson, was an Olympic breaststroker. (? Ed).

FOUR NEW TIMES

Four State records were broken. The others fell to Wilf Arnold (junior boys medley), Merv Partridge (junior boys 400 metres, and Glennis Marshall (Under 12 girls 100 metres).

Arnold beat Des Mason's 150 metres medley time by half a second in 1m 59.9s. He became the first swimmer in Queensland to compete after taking a warm bath. Coach Mabel Springfield installed a bath in a heated storage tank at her own expense to prepare her pupils for competition throughout the carnival.

Partridge, 13 year old from Roma, sprang the surprise of the night by clocking 5m 15.7s in his heat. He made all his own pace and came right away at the end. The time was a new record by 7.5 secs, beating the figures set by Barry Kellaway three years ago.

Cyrus Weld won the other heat. He was not pushed and coasted home in 5m 19s.

C.M. Saturday 2 February 1952

NANCY BREAKS OWN RECORD EQUALS BEST TIME OF HER CAREER

Olympic swimmer, Nancy Lyons, broke the Australian record for 200 metres breaststroke with a runaway win at the State Swimming Titles at the Valley Baths last night.

Her time of 2m 57.7s cut 2.7 secs off her own record set in Sydney last month. It equalled the best time of her career when she achieved second place in the 1948 Olympics. This was in London where she was beaten by the Dutch girl Nel Van Vliet. Last night she was never pushed and won by twenty yards. This is the first time in Queensland that Nancy competed after a hot bath which she helped pioneer in Sydney.

Promising junior, Joan Fehr, was second in 3m 12.2s, and Lesley Campbell who

used the butterfly stroke took third in 3m 17.2s.

FIVE RECORDS

Walter Lintvelt broke his own resident record in the men's 200 metres breaststroke by 0.9 secs by swimming 2m 56.7s. Former title holder, John Doran, was second and turned in the best junior time ever clocked in the State of 2mm 58.7s.

Five records were broken. They went to - Des Mason in the intermediate backstroke, Cyrus Weld in the junior 400 metres freestyle, and Max Stollznov in the intermediate 400 metres freestyle. Mason and Weld broke State Open times when they won when swimming in the restricted age events.

Mason's time of 71.1 secs took 1.8 secs off his Open State resident record time. He shattered the intermediate record by 2.3 secs.

Weld, who is still a junior who is the best middle distance swimmer produced in Queensland, swam 5m 7.3s for 400 metres. This beat the prior time by 8.1 secs set last year by Steve Wilkes. Cyrus beat Cliff Thurwood (Roma) in a fighting finish in the intermediate quarter mile. His time 5m 22.5s took 21.1 secs off the State intermediate record.

Dorothy Grier took the Open women's 100 metres freestyle as well as the junior 50. Her 100 time was 70.7secs and equalled her heat time, but she missed the turn and lost about a second.

John Di Betta finished first in the boys sub-junior breaststroke 50 metres, but was disqualified for touching with only one hand, and the title went to Currer (Maryborough)

Ken Harper (Maryborough) sprinted in the second lap to take the men's 100 freestyle in the smart time of 62.4 secs from team mate Des Ramsay. Harper ran out of condition, however, in the men's intermediate 400 and finished third.

C.M. Tuesday 5 February 1952

FIFTEEN YEAR OLD SWIMMING RECORD GOES WILKES BEATS FLEMING'S TIME

Steve Wilkes, bush swimmer from Maroochydore, broke Bill Fleming's State resident record for 200 metres freestyle at the State Swimming Titles in the Valley Pool last night.

In a tearing finish, Wilkes swam 2m 22.4s to cut 1.4 secs off the fifteen year old record. It was his second record in two swims at the carnival, as he broke his own 1500 metre time on Saturday.

With the 200 record now in his keeping, Wilkes has proved himself the best all-round swimmer ever produced in Queensland. He has had practically no coaching, and has had only brother Ray Wilkes to pace him in training in Paynter's Creek on the North Coast. He has risen above difficulties which are not faced by the ordinary city swimmer.

Ray Wilkes and Peter Maxwell kept with him to the 50 last night, and Wilkes carved out the first 100 in 65.7 secs. They dropped astern, however, going up on the third lap.

Four individual records, and three team records were also broken last night.

MASON AGAIN

Des Mason broke his own 100 metres backstroke time set on Friday night by 0.8 sec, dashing over the course in 70.3 seconds.

Cyrus Weld broke George Newton's junior freestyle 100 metres time of 65.4 secs by one second, clocking 63.4 secs.

Ken Harper (Maryborough) got closer to Fleming's 100 metres record of 62 secs in the intermediate event with 62.5 secs to break his own division record by 4 secs.

Chris Whitehouse beat Wilf Arnold by a touch after a great battle in the junior breaststroke 100. He came from behind Arnold at the turn to clock 81.6 secs which beat the record of 81.9 secs.

Daphne Franzen swam a good time to win the women's freestyle 400 easily in

5m42.6s, and 13 year old Janice Munro put up a great performance to beat Gwen Grainger's record. Janice's time was 6m 2.2s.

Gwen Grainger (Toowoomba) nearly caused an upset five minutes earlier by running champion Dorothy Grier to a thick margin in the Country women's 50.

SHOCK WIN

"Unknown" John Brown of Kyogle provided the upset of the night by winning the intermediate breaststroke 100. He went out to being an early leader, and just held out to beat orthodox swimmers Graham Lucas and Ken Walter.

C.M. Wednesday 6 February 1952

(Picture of "Brilliant junior backstroke swimmer Jennifer Yates at the start of 100 metres at the Valley Baths last night.)

AUSTRALIAN RECORD

Jennifer Yates failed by 1/10 second to equal the Australian 100 metres junior backstroke record at the Valley Pool last night. Jennifer swam at a sizzling pace to clock 1m21.9s, but just failed to break Margaret Pascoe's national record of 1m 21.8s.

Bundaberg sensational junior, Dorothy Grier, swam the fastest junior 100 metres clocked in Australia this season. She flashed over the 100 metres in 1m 10.3s, clipping 1.4 secs off her Friday night record time.

Two other records were broken during the State heats, 100 metres junior men's breaststroke and 200 metres junior men's freestyle.

ARNOLD'S DASH

Orthodox breastroker, Wilf Arnold, swam 100 metres in 1m 21.2s to cut 3.5 secs off the best Queenslander's time, and 4.2 secs off the race record. Chris Whitehouse who finished second to Arnold was timed at 1m 24.4s which is a record time.

Cyrus Weld's 2m 28.5s for 200 metres junior men's freestyle win just clipped 0.7 secs off the race record held by Ken Harper of Maryborough.

The crack breaststroke swimmer, Nancy Lyons, will attempt to break the Queensland 100 metres record of 1m 24.6s at the State finals tonight. Nancy recorded 1m 24.7s in the first 100 metres of her 200 metres swim last week.

C.M. Thursday 7 February 1952

NANCY DOES IT AGAIN THIRD RECORD SINCE "COME-BACK"

Queensland Olympic swimmer, Nancy Lyons, broke her third national record in succession with a 1m 23.7s dash over 100 metres breaststroke at the Valley Baths last night. In two swims since her "come-back" this summer she has set new figures for 220 yards, 200 metres and 100 metres. She recorded 2m 59.4s over 220 yards in Sydney, and 2m 57.7s over 200 metres in Brisbane last Saturday, and set new 10 metres figures last night.

Nancy swam alone last night in an exhibition swim at the State Championships to lower Clare Dennis Australian time of 1m 24.6s by 0.9 sec.

JUNIOR'S FEAT

Brilliant junior freestyler, Cyrus Weld, broke his own Queensland record in the intermediate 200, recording 2m 22.4s, which was 2.6 secs better than his record, and equalled Steve Wilkes time in the Open 200. Weld dashed to the lead from the start and won by over 7 seconds from A.Jones (Toowong).

University butterfly exponent, Clarence Hoey, secured a good win in the 100 metres unrestricted breaststroke, beating the title holder, Dutchman Walter

Lintvelt. Hoey led all the way to set a new race record of 1m 19.1s.

(Results given in the Annual Report)

C.M. Saturday 9 February 1952

WILKES STILL UNBEATEN
SETS THREE NEW RECORDS IN SWIMS

Woombye swimmer, Steve Wilkes, beat Cyrus Weld by three yards in the State quarter mile title at the Valley Baths last night.

This was Wilkes fourth straight win in the series, and his fourth State resident record. He won every event in which he competed. His other successes were in the 200, 800 and 1500 metres freestyle titles. Wilkes winning time last night was 5m 3.4s, which was 3.9 secs inside the old record.

Wilkes was moving away at the finish, but the youngster appeared to have him in a ton of trouble up to 375 metres of the race. Weld gained about two feet at each of the seven turns, and both turned for the last lap almost level, but Wilkes never allowed Weld to draw level, and in the last 25 metres he raced away. Wilkes and Weld were clear of the field after the first 100. The first 50 was put away in 32 secs and each turned at the end of the first 100 in 67.5 secs. The half way was passed in 2m 25.5s and 300 in 3m 46s.

WON DOUBLE

Bundaberg girl, Dorothy Grier, again won two titles but broke no records. She was just outside Daphne Franzen's 2m 41.2s in the junior freestyle 200 with 2m 44.6s. She tired badly in the last lap. 13 year old Janice Munro battled home in a Bernborough finish for second in 2m 47.6s.

Maryborough sprinter, Ken Harper, also won another double, the Country 100 and the intermediate 200. He broke the race record in the Country title in 62.1secs and cut a record of Ron Lamberton's 14 year old intermediate record of 2m 26.6s.

Background news at this time was the death of King George VI

C.M. 14 February 1952

QUEENSLAND BID FOR SWIM HONOURS
By Nancy Lyons
Melb Wednesday

Queensland seems to have a stronger representative side than ever, and hopes are high for more places in the national titles which open here on Saturday.

Joan Fehr is expected to regain her junior 110 yards breaststroke title and Helen Theile has a chance of second or third in the same event. The girls will compete in heats tomorrow night and will get an idea of the strength of the opposition. New South Wales girls will be their chief rivals.

Joan will also swim in the 220 open breaststroke and she should gain second place though with top opposition from Joan Uren (Vic).

Lesley Campbell, butterfly, may even press Joan, as Lesley's time compares favourably with overseas butterfly times for women, and she is capable of better than her Queensland performances.

DOROTHY'S TASK

Jennifer Yates is favourite for the junior 110 yards backstroke and may get third in the open event.

Dorothy Grier will probably have a harder race than anyone, and harder than she has had before. There is no doubt, however, with her skill and fighting spirit she will do well, but she will find Marjorie McQuade a tough nut to crack.

Daphne Franzen and Janice Munro are both strong and accomplished freestylers and should do well in their fields.

Amongst the men we have our best prospects.

Des Mason should win the open backstroke, but it will be a gruelling race with Victorians John Gibson and New South Wales champion Bob Barry around the same time. Frank O'Neill will also be a serious danger.

Our orthodox breaststrokers are strong in both senior and junior fields with Lintvelt and Arnold swimming excellent times. Queensland should win the open 220 with two such solid swimmers. In the junior field Arnold and Whitehouse will fight out another exciting butterfly race. Either could win without serious opposition.

TOUGH OPPOSITION

Our freestylers are faced by such swimmers as Darke, Aubrey, and O'Neill, but places should fall to Queenslanders. Cyrus Weld swims remarkably for a boy of his age and will be hot on Darke's tail. Wilkes should gain places in the distance events as he has improved out of sight.

June Springfield, Ivan Mitchell, and George Johnston, are diving better than ever and some success here is also expected.

C.M. Friday 15 February 1952

DARKE BREAKS RECORD Melb Thursday

Barry Darke, 16 year old NSW swimming star, set a new Australian junior 440 yards freestyle record at the Australian Swimming Championship heats at the Olympic pool last night. He smashed his own record of 4m 51.8s by 2.8 secs. Cyrus Weld of Queensland came third.

Des Mason, Queensland backstroke champion was not disgraced by clocking 1m 12.6s in the 110 yards open backstroke.

Dorothy Grier, the young Queensland girl, who clocked 2m 46s in the 220 yards junior women's freestyle event swam comfortably and was content to come second to Lorraine Crapp who recorded 2m 41.4s.

C.M. Wednesday 20 February 1952

NANCY SETS VICTORIAN RECORD TWO QUEENSLANDERS WIN SWIM TITLES Melb, Tuesday

Queenslander Nancy Lyons had a runaway win to set a new Victorian record in the Australian women's 220 yards breaststroke title at the Olympic Pool tonight.

She led all the way and slashed 9.3 secs off the previous Victorian record held by Joan Uren. Nancy's time, 3m 1.4s, was only two seconds slower than her Australian record of 2m 59.4s which she made in Sydney. In second place, 14 seconds away was Joan Uren (Vic), with Queenslander Joan Fehr third. Nancy swam a perfectly timed race. She went to the front early and increased her lead every leg.

Queensland won a second title when Walter Lintvelt won the 220 yards men's breaststroke. He led all the way to win from D.Hawkins (NSW) and J.Doran (Qld),

but Hawkins was gaining on him in the last lap. Doran finished a yard behind Hawkins. Lintvelt's time of 2m58.2s was slower than his effort in the Queensland Championships. He covered the 110 yards in 1m 25.4s.

JUDY'S SEVENTH

Judy Joy Davies again put herself in the running for Olympic selection when she won the women's 110 yards backstroke title in 1m 18s. This is the second time in succession that Judy has held this title. Her time was faster than when she gained Olympic selection in 1948.

Jennifer Yates (Qld) was unplaced but swam a solid race. She easily won the junior event.

Marjorie McQuade (Vic) won the 110 yards freestyle championship by two yards from J. Johnson (NSW) and Dorothy Grier (Qld) in 1m 9.5s. Dorothy swam a well-judged race and finished a close third to Marjorie. Dorothy was fast gaining in last lap, but will have another chance to make her Olympic bid in the 110 yards junior freestyle on Saturday.

Frank O'Neill (NSW) enhanced his probability of Olympic selection by winning the 110 yards backstroke trial in 1m 10.4s. He defeated the Australian title holder, Bob Barry, by one yard. Des Mason (Qld) finished third.

WELD GETS THIRD

Cyrus Weld (Qld) swam a mighty race to be placed third to John Devitt (NSW) and Barry Darke (NSW) in the junior 110 yards freestyle. Devitt and Darke were both given the same time of 63 secs and Cyrus was only two yards behind.

Junior men's 110 yards breaststroke went to B. Seymour (Vic) with C. Whitehouse (Qld) second, and K. Fitzpatrick (NSW) third. Wilf Arnold, swimming butterfly was unplaced.

TEAM MANAGER

Mr Syd Grange (NSW) has been elected Manager of the Olympic Games team. Selectors of the team are W Berge Phillips (NSW), H.R. Bennett (Vic), and D. Granville (WA). The Olympic team will be announced on Sunday.

C.M. Friday 22 February 1952

NORTON'S 880 NEW RECORD By Nancy Lyons

Denise Norton (SA) broke Judy Joy Davies Victorian record by 7.2 secs to win the 880 yards freestyle title in 11m 40.9s at Brunswick Pool this afternoon. L. Crapp (NSW) was second, and Daphne Franzen swam well to run third in the first competitive 880 yards she has contested. She clocked 12m 9.5s.

Brisbane water is too hot for long distance training, but it is obvious Daphne would do well if conditions were better. Miss Norton's time was 11.1 secs slower than her own Australian record.

S. Wilkes (Qld) gave his State another placing by gaining third place in the men's 1650 yards freestyle. Wilkes time was 21m 7.4s. The winner, J. McCormack (Vic) got cramps 200 yards from home but struggled on the clock the slow time of 20m 41.4s. McCormack had to be pulled out of the pool.

George Johnston (Qld) and Ivan Mitchell (Qld) finished last and second last in the men's springboard diving title.

(results given)

C.M. Saturday 22 February 1952

DAPHNE DOWN BY A TOUCH
CLOSE SWIM IN 220 FINISH
Melb Friday

Daphne Franzen was beaten by a touch in her heat of the open women's 220 yards freestyle at the Australian Swimming Championships today. Only 1/10 sec separated her from the winner, Marjorie McQuade (Vic), McQuade's time of 2m37.9s was 7 secs slower than the Australian record of 2m 30s.
(heat results given)

C.M. Tuesday 26 February 1952

NANCY IN GAMES TEAM
RANKED THIRD IN SWIMMERS LIST
Melb Monday

Queensland's Nancy Lyons was ranked third in the Australian Olympic Swimming Team over all other women swimmers. Actually, Nancy is rated No 1 swimmer in Australia.

The two ranked above her, John Marshall and John Davies, are now completing studies at American Universities.

Nancy is a likely winner in the 200 metres breaststroke. She has clocked 2m 57.7s for the distance this season. This equals her time when she was beaten by a touch by the Dutch girl Nel Van Vliet in the 1948 Olympics in London.

The team in rankings is -

- (1) John Marshall (Vic), 400 and 1500 metres freestyle, 4x200 relay.
- (2) John Davies (NSW) 200 metres breaststroke
- (3) Nancy Lyons (Qld) Women's 200 metres breaststroke
- (4) Judy Joy Davies (Vic) Women's 100 metres freestyle, 4x200 relay
- (5) Rex Aubrey (NSW) 100 metres freestyle, 4x200 relay
- (6) Marjorie McQuade (Vic) Women's 100 metres freestyle
- (7) David Hawkins (NSW) 200 metres breaststroke
- (8) Garrick Agnew (WA) 400 and 1500 metres freestyle, 4x200 relay
- (9) Frank O'Neill (NSW) 100 metres freestyle, 100 backstroke, 4x200 relay
- (10) Denise Norton (SA) Women's 400 metres freestyle
- (11) Ron Faulds (Vic) Men's springboard diving
- (12) Frank O Murphy (NSW) Men's tower diving.

SHOCK OMISSIONS

The biggest surprise to Victorian diving officials was the omission of Victorian diver Barbara McAulay. She gained the highest number of points ever by an Australian woman diver at the last Australian Championships. Olympic selectors discussed her case for possible selection for the Olympic team for three of the four hours they were meeting.

The other surprise was the omission of Helen Sharpe (NSW), breaststroke swimmer, who was regarded as third string.

TRAIN IN NORTH

Swimmers will assemble in Townsville on May 1, and will train under Dutch coach Anne Timmermans. They will return by June 7, and will leave for overseas on June 15.

(Photo " Nancy Lyons - the girl who made a "come-back".)

C.M. Friday 29 February 1952

NANCY TO SWIM BUTTERFLY
STATE TITLES FOR WOMEN

Olympic swimmer, Nancy Lyons, will swim butterfly in the women's carnival at the Valley Baths tonight.

She will compete in the open breaststroke 50 metres handicap, but is no certainty to win. This is likely to be her last competition swim in Brisbane leaving for Helsinki. Lesley Campbell will also swim butterfly. She will be off 11 secs and Nancy off 12. Lesley holds the State women's record for 50 metres at 38 secs established early this season. Nancy never broke 39 secs when she swam at school titles. She has not used butterfly in competition since before the London Olympics in 1948.

SISTER WAS ADVOCATE

Young sister, Helen Lyons, will be one of the orthodox breaststrokers in the race.

Metropolitan senior and junior sprint titles, handicaps in all strokes, metropolitan mercantile relays, and relays for jockeys and trainers, will complete the programme which starts at 8pm.

Swimmers from Toowoomba, Ipswich, and Dalby, will compete in the carnival at Warwick on Saturday night. The carnival has been arranged to raise funds for the Olympic Appeal. Australian champions Dorothy Grier, Tony Shaw, and Nancy Lyons, will compete in handicaps and scratch races. A strong representation of State champions, Jennifer Yates, Roma Allen, Janice Munro, Daphne Franzen, Barry Wilkins, Glennis Marshall, and Lesley Campbell, will comprise the strongest group ever at a country carnival for a long time.

State diving champions, June Springfield and Lesley Anderson, will give diving displays.

C.M. Saturday 1 March 1952

NANCY AND LESLEY BEAT RECORD
GOOD RACE BY BOTH

Lesley Campbell and Nancy Lyons were both timed inside Lesley Campbell's State 50 metres breaststroke record at the Valley Pool last night.

They were both timed at 37.2 secs in a handicap in which Lesley finished second and Nancy fourth. Lesley's official time stands at 38 secs. Last night's time cannot be claimed as a record because it was swum under handicap conditions.

The race was won by front marker, Joanne Heath, by a yard from Lesley with Shirley Chalmers another yard back, third, and Nancy missing a place by half a yard. Nancy and Lesley were the back markers and the only competitors in the field to swim butterfly.

WON DOUBLE

Shirley Chalmers took advantage of her handicap to win both the freestyle and breaststroke clashes.

National junior champion, Dorothy Grier, swam a 50 and 100 metres, but her times were outside her recent State title efforts. - 50 in 32 secs, and 100 in 71.9 secs.

Margaret Lucas nearly made a clean sweep in the three junior handicaps, taking the freestyle and backstroke and finishing second to local Roma Allen in the breaststroke.

C.M. Saturday 22 March 1952

STARS TO SWIM IN BRISBANE

The Australian Olympic swimmers will compete in a special carnival at the Valley Pool on April 28. The swimmers were originally expected to race in a carnival in Townsville on May 11 and Bowen on May 25. These dates have been sent by Queensland Amateur Swimming Association Secretary (Mr W.J.Holland) to ASU Secretary (Mr W.Berge Phillips) for approval.

Mr Holland is a member of the ASU Sub-committee formed to arrange Queensland training for the national team. He will be in Townsville at Easter for the North Queensland Titles, and will then make arrangements for carnivals and training. He will fly north.

The Olympic team is due in Brisbane on April 27 and will fly north after the carnival here on April 28. The team is due back in Brisbane after training in the north on June 7.

C.M. Tuesday 7 October 1952

SWIM TITLES DATES FIXED

Queensland Swimming Championships will be held in the Valley Pool on January 31 to February 6. State Title dates were released by Secretary Bill Holland at the QASA Annual Meeting last night.

The Australian Championships will be held in Sydney from February 21 to 28 in the North Sydney and Enfield Pools. The Queensland squad to compete in the Nationals will be selected after the State carnival.

WIDE MARGIN

Mr Joe Emerson, stormy petrel of Queensland Swimming, was easily beaten in his bid to take the QASA Presidency. Mr Dave Carter was again elected by 72 to 16. He was first the President in 1913-14 and has only been out of the position, since, for one season.

Three delegates, Norm Burn, Jim Montgomery, and Jim Mason, attacked the QASA for failing to encourage country talent. Burn, a Life Member, said the majority of Queensland affiliations came from the country, but almost nothing was done to assist the Clubs.

"DRIVING OUT"

During a heated discussion, delegate Joe Emerson claimed that the QASA was "going the right way to drive youngsters out of the game. QASA could not provide enough money to send Daphne Franzen to the Australian Titles in Melbourne, but she was sent to New Zealand to represent Australia later in the season," he said.

C.M. Wednesday 8 October 1952

WORLD'S TOP SWIMMER COMING HERE

By Tom Linneth

World's champion swimmer Gene Boiteaux of France will compete in a special carnival in Brisbane next February. Boiteaux is to tour Australia with diver Joaquim Capilla. Expected cost of the tour is more than 2000.

QASA Secretary, Bill Holland, said last night that both would compete in a carnival to be staged just before or after the Australian Titles which will be held from February 21 to 28. Boiteaux and Capilla plan to compete in national events but they will not appear in the Queensland titles from January 31 to February 6.

BEATEN RECORD

At the Helsinki Games Boiteaux swam 400 metres in 4m 30.7s and took 10.3 secs off the record set in 1948 by Bill Smith. Boiteaux is only 19. He is one of the most powerful freestyle swimmers in the world.

Capilla finished fourth in the Olympic springboard diving event.

C.M. Tuesday 14 October 1952

SWIMMING DELEGATES WALK OUT

Delegates From two swimming clubs last night walked out of the QASA Council meeting when the Polar Bears Club was refused affiliation. They were H.Wakefield (Secretary) and Joe Emerson (President) of Leander Club, and R.Franzen and H.Bere of the Polar Bears Club.

Mr Emerson said last night that QASA claimed that the Leander and the Polar Bears Clubs were identical, but Polar Bears comprised swimmers from several Clubs, including Valley, Maroochy and Dalby.

Delegates from the Maryborough, Dalby, Bundaberg, and Toowoomba Clubs, and the President (Mr Carter), voted in favour of the Polar Bears.

They will carry on just the same. Polar bears had engaged the Davies Park Baths and coach Bill Fleming for two hours every Sunday morning this season.

AGAINST RULES

QASA Secretary (Mr Holland) said last night said it was against Association rules for members of two Clubs to be on the Committee of both. This was the case with Leander and Polar Bears.

It was announced at the meeting that French swimmer Boiteaux would not visit Australia this season. The French Association insisted that a Manager accompany Boiteaux and that all travel be by air. The cost would be prohibitive.

Mexican diver, Joaquim Capilla, will visit Australia.

The people elected last night were - Chairman, S.A.Connell; Secretary, W.J.Holland; Treasurer, R.B.Lyons; Registrar, J.Montgomery; Selectors, W.Holland, G.Nankaville, N.Burn.

C.M. Saturday 18 October 1952

BOAST TO GIVE UP SURFING By Tom Linneth

Jack Boast, the crack Australian surf swimmer, will not be available for the Australian surf carnival this season. Boast has joined the Air Force and he has given up surf swimming because of irregular leave and the possibility of transfer. In 1950, Boast and Steve Wilkes were the only Queenslanders in the Australian squad which toured New Zealand. Boast was regarded as one of the outstanding belt men on the South Coast.

Queensland champion, Steve Wilkes, will again make a bid for representation in the surf and the still water championships. He was expected to retire this season, but is now in serious training and swims three miles a day at Woombye.

George Newton, holder of seven State championships will make a "come-back" to still water this season. He did not compete last year because of National Service call-up.

C.M. Tuesday 25 October 1952

TWO TOP JUNIORS TO SWIM HERE

Champion Australian Junior swimmers, Barry Darke and John Devitt will compete at a special QASA carnival at the Valley Baths on December 12, QASA Secretary, Bill Holland, announced yesterday. This will be the first time these two brilliant young swimmers have been seen in action in Brisbane. Their coach, "Tom" Penny will make the trip with them.

Penny has stopped Darke making a trip overseas, keeping him for the Melbourne Olympics in 1956.

All leading Queensland swimmers, including freestyle champion, Steve Wilkes, will take part in the carnival.

C.M. Monday 10 November 1952

SWIM CLUBS MERGER By Tom Linneth

Polar Bears yesterday merged with the Leander Amateur Swimming Club. Their amalgamation followed QASA Council refusal to re-affiliate Polar Bears this season. The Council claimed Leander and Polar Bears were identical. The Polar Bears Club members who are members of two Clubs could not be on the committee of both. The Council queried Mr J.Mason, Leander Treasurer and Polar Bears Secretary.

The Polar bears was founded three years ago by Mr J.Emerson who was their President and also Leander President. Mr Emerson is still Leander President.

Lesley Campbell, and Chaperone Miss Ruby Robinson, left last night on a tour of three country towns. Lesley, former national swim champion, will demonstrate the butterfly stroke at Rockhampton, Bundaberg, and Maryborough. The tour is being sponsored by the Queensland Ladies Amateur Swimming Association.

C.M. Thursday 12 November 1952

SWIM RECORD TO CYRUS WELD

Cyrus Weld set a new unofficial Queensland record of 2m 21s for 200 metres freestyle in winning the swim title at the Valley Club swim in the Valley Pool last night. This was 1.4 secs better than the previous best time by a Queenslander held by Weld and Steve Wilkes.

Swimming in dashing style, 16 year old Weld went right away from Cliff Arnold to win by 12 seconds.

C.M. Tuesday 18 November 1952

CYRUS WELD WINS DOUBLE

Cyrus Weld won a double at the combined cub swimming carnival at the Valley Pool last night. Weld had no trouble in taking the men's freestyle 100 metres in 63.7 secs and backstroke 100 in 1m 23.4s.

Burleigh surfer, Ray Taylor, won the B Grade men's freestyle 100 in 1m 12.2s.

Jan Munro was impressive in wining the women's freestyle 100 in 1m 18.2s.

Doreen Pratt, State under 12 champion, was second to Roma Allen in the women's freestyle event. Roma's time for the 100 was 1m 20.6s.

C.M. Tuesday 25 November 1952

EIGHT SWIMMERS RULED OUT

By Tom Linneth

Referee Joe Emerson last night disqualified eight swimmers in the Commercial Open Carnival at the Valley Pool. He ruled out Nancy Perry and John O'Brien because he claimed they were not trying. He later disqualified Barnacle, Carby, Thompson, Donges, Muirwood, and O'Brien in breaststroke events for faulty kicking.

Most impressive swim of the night was by sub-junior John Di Betta. From a handicap of 11 seconds Di Betta caught the leader over 50 metres without any trouble, but his time was faster than his limit and he missed out on the placings.

C.M. Wednesday 26 November 1952

NANCY LOST ALL FORM AND STYLE FOR GAMES

By Tom Linneth

Queensland swimmer, Nancy Lyons, lost all form before she reached Helsinki for the Olympic Games. This was stated last night by her trainer, Miss Mabel Springfield, who returned from Helsinki.

"I completely broke down and wept when I saw the way she was swimming," said Miss Springfield. "Nancy had lost all her style. She seemed to be upset."

Miss Springfield claimed that all Nancy's trouble started at training in Townsville. By taking over her coaching in Helsinki, her time for 200 metres breaststroke came down from 3m 30s to 3m 5s in five days. "I did not have a chance to discuss her form overseas. I am waiting for her return to probe into the trouble."

Miss Springfield, a prominent State swum coach, went to Helsinki at her own expense.

C.M. Thursday 27 November 1952

SWIM HOPE DEFEATED

By Tom Linneth

Virtually unknown Dawn Pegg last night beat State prospect Roma Allan in the mercantile swimming contest at the Valley Pool. Pegg beat Allan by a touch in the women's open 50 metres freestyle in 33.8 secs. Allan was favoured to take out the State 50 metres title. She was last season's under 15 champion.

John Barrett swam his fastest time for the season when he clocked 1m 15.8s for the 100 metres backstroke. Barrett, never extended, never appeared to be at top pace.

Cyrus Weld beat his State junior time by 0.4 secs in the 100 meters open freestyle when he clocked 62 secs.

C.M. Friday 12 December 1952

STOLLZNOW'S BIG TEST AGAINST DARKE

By Tom Linneth

State distance prospect, Max Stollznov, will swim against Barry Darke in the Valley Pool tonight. Stollznov will have his first serious test of the season when he meets Darke in the 400 metres invitation race.

On his early form, Stollznov is tipped by Leander Club to take the State title from Steve Wilkes in January. Wilkes will also enter for the 400 metres tonight, and his clash with Stollznov will be watched closely.

Other prominent swimmers in the 400 are Marshall Kropp, Alan Jones, and Pat McCarthy.

MASON'S TASK

State backstroke champion, Des Mason, will make his first appearance of the season in the 50m invitation event. He will swim freestyle in the 50m dash against Barry Darke. Last week he returned from National Service training in the north.

C.M. Saturday 13 December 1952

DARKE BEATEN BY SCHOOLBOY

By Tom Linneth

Brisbane schoolboy, Wilf Arnold, beat world ranking swimmer, Barry Darke, at the Valley Pool.

The shock win came in the 50 metres invitation race in which he was never headed. Arnold is a State breaststroke champion and only entered against Darke for experience. He finished at a terrific pace in 27.9 secs. Darke was time at 28.1 secs in second place. But Darke was not extended in his other event, the 400 metres scratch race. He clocked 5m 9s, beating Max Stollznov (5m 10s) and State champion Steve Wilkes (5m 14s) was third.

Australian junior champion John Devitt smashed two state freestyle records, 50 metres junior and 100 metres junior. He recorded 26.9secs for the 50 to beat Cyrus Weld's time of 27.6 secs. His 100 metres time of 61.7 secs also broke Weld's record of 63.4 secs.

Ladies Results

Open Backstroke 100 metres - Jen Yates 1, G.Grainger 2, J.Boast 3 1m 24s
Junior Freestyle 100m - J.Munro 1, L.Chamberlain 2, R.Allen 3 1m 15.4s
Open Freestyle 100m - D.Frnzen 1, G.Grainger 2, A.MacArthur 3 1m 15s
Junior Backstroke 100m - L.Chamberlain 1, S.Gordon 2, J.Boast 3 1m 27.9s

NANCY IS UNDECIDED
By Tom Linneth

Nancy Lyons, Queensland Olympic Games representative has yet to make a decision on swimming in the State titles.

"At present I am rather nervous about getting into the water again," she said last night. "I don't want my form to slip back to its weakness in Helsinki. I only hope when I start training again that Mabel Springfield can bring me back to top form," she said.

NOT AT TRAINING

Nancy has not been training since the Helsinki Olympic Games in August. She will have a private trial at the Valley Pool before making a decision about entering for the State titles in January. Nancy will not start serious training until after Christmas. Most local swimmers have been working into form since October.

ARNOLD FAST OVER 100 METRES

Wilf Arnold last night swam 1.3 secs outside the State junior 100 metres record of 63.4 secs at the Valley Pool.

Arnold, a recognised breaststroker, has flashed into prominence as a likely State freestyle prospect this season. His title chances zoomed last week when he beat world ranking swimmer Barry Darke over 50 metres.

Janice Munro, 14 year old junior freestyler who has big distance prospects this season, worked well over 400 metres.

C.M. Tuesday 23 December 1952

DOT GRIER MEETS EYES HANDICAP

Dorothy Grier, Queensland's fastest woman swimmer, is receiving medical treatment so that she can keep in training for the State junior titles in January. This season she has been unable to check an outbreak of styes on both eyelids. Now she is receiving special treatment.

Her father coach, Reg Grier, said last night, "Dorothy is moving along splendidly. She will be in top form for the titles. I have not set her against the clock for a fast time, but she is consistently swimming 65's.

Dorothy's best time for 100 metres is 64 secs.

Her younger sister, Jan, will enter for the junior 100 metres breaststroke and sub-junior events this year.

MEXICAN COMING

Mexican diver, John Capilla, is expected to appear in Brisbane next March. He will also give exhibitions in Townsville, Bowen and Dalby. Capilla as fourth in the Olympic springboard event and was second in the big dive.

The cost of Capilla's Australian tour is fifteen hundred pounds.

C.M. Saturday 3 January 1953

NANCY AGAIN IN TITLE SWIM
By Tom Linneth

Nancy Lyons will swim for Queensland in the Australian Universities titles at the Valley Pool on Monday night. It will be her first competition swim since the Helsinki Olympic Games in July. Nancy's first event will be the 50 metres backstroke, and on Tuesday she will start in the 50 metres breaststroke.

The Queensland team in the Australian titles will be one of the weakest for many years. Clarence Hoey, butterfly breaststroke, appears to be the only

member likely to be selected in the Test team.

University officials will decide tomorrow night if butterfly stroke will be held as a separate event in the titles.

AUSTRALIA v NEW ZEALAND TEST

Australia will meet a crack New Zealand team in the first Test at the Valley Pool on Wednesday night. The New Zealand squad includes four champions, Andy Peters, Trevor Eagle, Peter Helm, and Jed Gardner. Peter is New Zealand breaststroke holder, Eagle is an Empire Games representative and senior breaststroke champion, helm holds the New Zealand record for 110 yards backstroke, Gardner is national medley champion.

C.M. Tuesday 6 January 1953

HOEY, HOLLE, WIN UNIVERSITY SWIM TITLES
By Tom Linneth

Queenslanders Clarence Hoey and Jeanette Holle last night won Australian University swim titles at the Valley Pool. Hoey took the 200 metres breaststroke and Holle won the 50 metres backstroke.

Queensland also won the women's 150 metres medley with Jeanette Holle, Heather McBride, and Nancy Lyons.

C.M. Thursday 8 January 1953

BID BY AUSTRALIA TO TAKE SWIM TEST

Australian Universities led New Zealand by 20 to 16 after the first night of the swimming Test at the Valley Pool last night.

On Friday night Australia won the second Test 20 to 18.

C.M. Wednesday 14 January 1953

DARKE, DEVITT COMING
By Tom Linneth

Crack Australian junior swimmers, Barry Darke and John Devitt, will swim at country towns at Easter. They will appear in exhibition swims in Bundaberg, Rockhampton and Gladstone in April.

The tour is part of a plan by the Queensland Amateur Swimming Association to improve country standards.

Darke and Devitt will be managed by their coach, Tom Penny. Two Queenslanders may also make the tour.

WILL LECTURE

Their tour will include coaching and educational lectures as well as competitive swims.

A tour of Brisbane, Ipswich, and Maryborough, recently, by Darke and Devitt has helped to improve local standard. Queensland swimming officials were influenced by the improvement, to ask for further country appearances.

QASA Secretary, Mr Bill Holland, said last night that arrangements are also being made for a tour of the north in May. The squad of swimmers will visit Cairns, Townsville, Bowen, and Ayr, for two weeks.

C.M. Tuesday 20 January 1953

NANCY GIVES UP SWIMMING

Nancy Lyons, Queensland's greatest woman swimmer has announced her retirement. Nancy said yesterday that she would not even swim in the State titles on January 30. She has decided to retire, she said, because her swimming had slipped badly.

In the 1948 London Olympic Games Nancy was beaten by half a second by Dutch girl, Nel Van Vliet in the final of the women's 200 metres breaststroke. Reports said that in another ten yards Nancy would have won. Her time of 2m 27.7s was 2.5 secs better than the old Olympic record.

Nancy switched to butterfly shortly before the London Games. It probably cost her the world title.

LOST ALL FORM

Last August she again represented Australia at the Helsinki Games, but she lost all form and was completely outclassed.

When Nancy was 17 she clipped nearly 7 seconds off the national breaststroke 220 yards time in 1948. Her time 3m 11.8s was only 2.6 secs slower than the then world record.

TEAM MANAGER

Valley Club official, Gordon McKellar, will manage the Queensland team to compete in Sydney at the national titles, February 21-28. Chaperone of the women's team is Miss L.Montgomery.

C.M. Wednesday 21 January 1953

WILKES USES CREEK BARDS TO HELP TURNS

Tuning practice against an anchored board in Woombye Creek may help Steve Wilkes crack his own 400 metres freestyle record in the State swim titles early next month. Wilkes time for the distance is 5m 2s, and on the advice of leading Brisbane coach, Bill Fleming, Wilkes has been improving his turns.

His training in Woombye Creek has been stepped up to nine miles a day.

Wilkes will drive 70 miles to Brisbane tomorrow for coaching from Fleming. With Fleming he will correct any faults that still appear in his turning.

His clash with Cyrus Weld and Max Stollznow will be the greatest battle in the State finals for many years. Wilkes will enter for the 200, 400, 800, and 1500 metres.

Ken Harper, Maryborough, favoured for the 100 metres, is in a National Service training camp. He is not expected to be available for the titles.

C.M. Thursday 29 January 1953

DOROTHY IN FAST 100 METRES

Dorothy Grier last night swam the fastest 100 metres freestyle by a Queensland swimmer. Swimming at the Valley Club at the Valley Pool, she clocked 69.6 secs. The previous best time and standing record was 70.1 secs. Last year Dorothy won the national 110 yards junior title in 72.7 secs. Her swim last night was an outstanding "pipe opener" for a State 100 metres title next week.

WELD PRESSED

Freestyler Cyrus Weld was hard pressed to beat breastroker Wilf Arnold over 100 metres. Weld won by a touch in 63 secs. Arnold's time was 63.2 secs.

Weld, who is expected to take the State 100 metres title appeared to fade in the final sprint.

C.M. Friday 30 January 1953

WELD'S WIN IN 100 METRES
FASTEST BY A QUEENSLANDER
By Tom Linneth

Brisbane schoolboy, Cyrus Weld, swam the fastest 100 meters ever by a Queenslander at the State Titles at the Valley Pool last night.

He clocked 60.4 secs to beat the previous best freestyle time of 62 secs held by his coach, Bill Fleming. Weld won the title beating Des Ramsay (M'boro) by 2.8 secs, and Dave Ferricks (R'hampton) was 4.5 secs away third.

Surprise of the night was Dorothy Grier's time of 70.3 secs in the women's 100 metres. She was expected to be the first Queensland woman to beat 70 secs in the State title. On Wednesday night Dorothy swam 69.6 secs in a "pipe opener" for last night's championship. Dorothy claimed the title winin from Toowoomba girl Gwen Grainger (72.2s), and Brisbane's Joc Yates (72.4s).

THREE RECORDS GO

Two race and one resident records were broken in the first night of the titles.

Distance swimmer, Max Stollznaw, clipped 10.8 secs off his own 400 metres intermediate record. He won by 75 yards in 5m 12.7s.

John Di Betta's sub-junior butterfly time of 35.6 secs the previous record by 1.8 secs.

Judith Brazier clocked 34.7 secs in the under 12 women's freestyle 50 metres. The time beat the race record of 35.3 secs, but she swam 34.2 secs in the heats on Thursday.

Fifteen year old Eric Franzen produced magnificent stamina to win the men's junior freestyle 400 metres. He hit the front in the last 50 metres and went on to win in 5m 21.7s. Merv Partridge (5m 24.4s) was second, and Alan Jones (5m 28.8s) was third.

Ipswich breaststroke swimmer, Joan Fehr's, women's 200 metres in 3m 14s, and Wilf Arnold's 200 metres in 2m 58.8s also were impressive.

Members of the Leander Club won ten of the sixteen events in which they competed.

C.M. Tuesday 3 February 1953

(Picture - "Swimmers got away together" Cyrus Weld, Steve Wilkes, and Max Stollznaw, at the start of the 400 metres)

WELD'S RECORD
TWO NEW TITLES
By Tom Linneth

Sixteen year old Brisbane freestyle swimmer, Cyrus Weld, last night clocked the fastest time for a Queenslander for 800 metres, and then took the men's backstroke title at the Valley Pool.

Weld, in magnificent form, cut 6.3 secs off the best 200 freestyle time by a Queenslander, previously held by Steve Wilkes of Woombye. He beat Wilkes (2m 26.5s) by 6.5 secs with Max Stollznaw (2m 26.6) third.

His friend John Barrett gave Weld the opportunity to win the backstroke 100 metres title. Barrett, who was regarded as a likely backstroke winner, is in hospital with polio. Cyrus told him on Sunday he would try to win the title in his place.

BEAT MASON

Weld beat former Australian champion, Des Mason, by a touch to win in 1m 11.6s. Mason was in front with 25 metres to go but he did not finish as well as Weld. He clocked 1m 11.8s. Jack Purtell was third in 1m 14.3s.

NEAR RECORD

Australian 100 metres freestyle champion, Dorothy Grier, went within 0.5 secs of the country 50 metres freestyle record of 30.7secs. She beat Gwen Grainger (Toowoomba) and Jill Dunstan (Roma).

Hot baths helped Wilf Arnold, freestyle intermediate 100 metres winner, and Jan Munro, 400 metres freestyle champion, take their titles. Under instruction from their coach, Mabel Springfield, each had a hot bath a few seconds before the event.

Jan Munro trailed Daphne Franzen until the last 50 metres in the 400 metres race and finished as if it were only a sprint. Later she finished second to Lynne Chamberlain in the 14 & under 15 freestyle 50 metres championship.

C.M. Wednesday 4 February 1953

TWO RECORDS IN STATE SWIM HEATS

D.Ramsay and N.Tubman set new race records in the State title heats at the Valley Baths last night. Both are Maryborough swimmers.

Ramsay won the first heat of the men's 50 metres freestyle in 27.6secs, cutting 0.2 secs off his own race time. The Queensland record is held by A.Soussari in 26.8 secs. Ramsay thrashed the water in fine style to beat D.Ferricks (R'hamton) who swam 28 secs, and D,Mason (Leander) in 28.2 secs.

Other heats went to W.Arnold (Valley) 28.5 secs, and C.Fulwood (Roma) 28.6.

DOWN BY A TOUCH

Thirteen year old Tubman also dashed over 50 metres freestyle in 29.8 secs to cut 0.1 sec off the 14 years record held by B.Hawkins and D.Trenerry.

Tubman and J Di Betta (Leander) fought out the breaststroke race stroke for stroke, Di Betta just being beaten by a touch. His time 29.9 secs equalled the old record.

Surprise of the night was Valley freestyle swimmer A.James's junior backstroke 100metres in 1m 16.4s. He won easily and recorded the best time in the two heats.

Jan Munro gave another glimpse of her future promise in 100 metres junior freestyle heats. She finished strongly to record 1m 14s and was not challenged during the race.

R.Allen (Valley) swam well to win the other heat in 1m 13.4s , but she found more opposition from L.Chamberlain (Toowong) who kept her at top speed.

C.M. Thursday 5 February 1953

WELD SETS THIRD FREESTYLE RECORD

By Tom Linneth

Brisbane schoolboy Cyrus Weld last night broke his third resident State record at the Valley Pool. He won the 800 metres title in 10m 25.6s, the best time by a Queenslander. It cut 17.9 secs off Steve Wilkes standing resident record of 10m 43.5s. It was 6.8 secs outside the Queensland State record of 10m 18.8s held by Olympian John Marshall.

Max Stollznaw beat Steve Wilkes by a touch for second place. Stollznaw and Wilkes finished about 35 metres behind Weld.

Weld has started in three freestyle events in the championship and has set a resident record in each. In earlier carnivals he beat the resident records for 100 metres and 200 metres.

CUZZU GETS THIRD

Australian junior champion, Dorothy Cuzzu, also won her third freestyle title last night. She missed by 3 secs Denise Spencer's best time by a Queenslander of 2m 34.2s in the freestyle 200 metres. Dorothy's earlier wins were in the women's country 50 metres and the open 100 metres.

C.M. Saturday 7 February 1953

WELD SETS FOURTH SWIMMING RECORD

Freckle-faced Cyrus Weld last night became the first Queensland swimmer to break 5 minutes for 400 metres freestyle. Weld clocked 4m 59.3s and cut the previous best time by 1.4 secs at the State title swims at the Valley Pool. It is Weld's fourth resident record five championship swims. Weld beat previous record holder Steve Wilkes by 9 secs with Max Stollznow third. He only has to win the 1500 metres championship this afternoon to become the first Queenslander to take every major title. Last night he took control from 150 metres and went on to win by 40 metres.

TWO BEAT RECORD

Backstroke swimmer Lesley Campbell broke the State 100 metres backstroke record by 1.4 secs. She finished well to clock 1m 31.7s against the record time of 1m 33.1s. Kay Stewart who finished second with a dynamic burst also beat the standing record. Her time was 1m 32s.

Jan Munro claimed the fourth State championship with the junior freestyle 200 metres. She recorded 2m 41.2s which equalled the best time by a Queenslander held by Daphne Franzen. Jan has been one of the "finds" of the Championship.

STILL UNBEATEN

Crack freestyle swimmer, Dorothy Grier, maintained her unbeaten form by taking the 50 metres title in 31.6 secs. She defeated sisters Joc Yates (32.2) and Jen Yates (32.4) after hitting the front 25 metres from the finish.

Her younger sister, June, won the sub-junior breaststroke 50 metres in 44.1 secs. Wilf Arnold beat John Doran in a tight finish in the junior 100 metres breaststroke. Arnold's time was 1m 22.2s was 1.5 secs outside the State best held by Walter Lintveldt.

C.M. Monday 9 February 1953

SHOCK SWIM SELECTION

Fifteen year old John Hyyppa of the Valley Club was the surprise selection in the Queensland swimming team announced last night. He will swim in the Australian Championships in the North Sydney pool on February 20-28. He won the State junior breaststroke title last week.

There were 23 swimmers in the team released by the Secretary of the Queensland Amateur Swimming Association, Mr Bill Holland.

The QASA will pay expenses for the first eleven and ten pounds each towards expenses for a further three.

The team is - W.Arnold, J.Hyyppa, C.Weld, D.Mason, L.Campbell, K.Stewart, J.Fehr, A.Jones, Jennifer Yates, R.Allan, W.Beck, J.Doran, C.Hoey, D.Theile, G.Johnston, M.Lucas, H.Ryan, E.Courtney, J.Purtell, D.Grier, M.Lucas, L.Chamberlain, H.Lyons, R.Dennison.

The QASA will spend 480 pounds to send the team south. Last year it cost 650 pounds to send the side to Melbourne. The Queensland team will leave by train on February 18.

(Late February had some comments about the Australian Championships but nothing really relating to Queensland)

C.M. Tuesday 3 March 1953

TOP N.S.W. SWIMMERS TO VISIT BRISBANE

"Queensland will see record-breaking NSW swimmers Barry Chapman, Ron McKinnon, Lorraine Crapp, and Astrid Ainsworth, this month in Brisbane." The Queensland Amateur Swimming Association Secretary (Bill Holland) said this yesterday on his return from Sydney where he watched the national championships.

Holland said the swimmers and coach Frank Guthrie were available to appear in Brisbane. "All that was necessary was to find a vacant night at the Valley Pool," he said.

Negotiations were also under way for a visit by American Olympic champion, Clarke Scholes, and Japanese swimmer Hironoshon Furuhashi. "Difficulties were that Furuhashi was only available on the Saturday night, and Scholes visit would cost the QASA about 190 pounds," said Holland.

Dalby Swimming Association would be approached to arrange a visit by the NSW party.

"The Coast saw Darke and Devitt this season, and it was now the Downs turn to see some champions," he added.

WORK HANDICAP

Holland attributed the fine performances by the very young NSW swimmers in the national titles to the fact they were school children. "As school children," he said, "they had plenty of time to train. Some swam eight miles a day. They also had the Christmas holidays in which to train. Someone who had to work could not afford five or six hours a day to complete the training schedule set down for the youngsters." He said, "Barry Darke, who was a sensation last season was now working."

Asked to comment on the Queenslanders performances, Holland said that they had done very well. Joan Fehr, Alan Jones, Lynn Chamberlain, John Lyons, Janice Munro, Wilf Arnold, and Kay Stewart, all figured prominently in the placings, but, he added, the warmth of Brisbane water would prevent our swimmers fulfilling the training programmes of Sydney swimmers in their cooler water.

C.M. Wednesday 11 March 1953

DAVIES WILL SWIM HERE IN APRIL

Australian champion breaststroke swimmer, John Davies, last night accepted a tentative booking to swim in Brisbane on April 7. Davies and his pretty American wife Marnie, a grand-daughter of the late Florenz Siegfeld, arrived here from the United States on the "Coonawarra".

Queensland Amateur Swimming Association Secretary (Bill Holland) said last night that Davies would be asked to swim at Dalby and Toowoomba. "I am now awaiting a reply from the country on a tour by the NSW champions. They are available on April 3, 4, and 5, for the country and April 7 for Brisbane with Devitt and Darke."

PLANS FOR THREE SWIM POOLS HERE
TO COST £100,000
By Tom Linneth

Plans for the erection of three swimming pools in Brisbane at a cost of £100,000 are expected to be finished this month. They include the latest design Olympic swimming pool and an Olympic standard diving pool.

Construction organiser, Mr W.J. Newton, said last night that the pools would be built on his land opposite Mt Gravatt Show Ground. He said the third one would be a shallow one for children. "I expect the plans to be finished before the end of the month and will start work immediately they are approved. Brisbane at present badly needs more swimming pools, and I am certain the scheme will be welcomed by the public," Mr Newton added.

GLASS SIDES

The main Olympic pool will have glass sides so that coaches may watch the movements of swimmers in the water. It will be 50 metres long and at least seven lanes each eight feet wide. The separate diving pool will be 16½ feet deep and will have a ten metre tower. The Brisbane Valley pool is not suitable for Australian championships because the diving facilities are not up to regulations.

Queensland Amateur Swimming Association Acting Secretary, George Johnstone, said last night, "An Olympic swimming and diving pool is urgently needed. Our present pools are overcrowded and most Brisbane top swimmers have difficulty in training."

FORM A COMPANY

Mr Newton said he intended to form a company to help finance the project. He said four tennis courts, a mini golf course, and an ice skating rink would be built near the pools. "I have four acres of land at Mt Gravatt which will eventually be a big sporting area," he added.

Several years ago a city business man planned to build an Olympic pool in Brisbane but could not get a permit. Mr Newton said he was assured of a permit for construction.

C.M. Tuesday 22 September 1953

WELD'S DOUBLE BID FOR GAMES
By Tom Linneth

Top Queensland swimmer, Cyrus Weld, will make a double-barrelled bid for Empire Games representation this season. The Australian team for the Empire Games in Canada next year is expected to be announced soon after the National Titles.

Weld has asked for special permission to compete in the New South Wales titles before the Nationals. He believes a good performance in Sydney before the Australian Championships could decide his selection. The New South Wales Championships start on January 16. The Australian Championships are in Melbourne from February 20.

BEST FREESTYLE

Weld last season established himself as Queensland's best ever freestyle swimmer. He won every major title. However, he has decided to switch to backstroke this year in an effort to clinch Empire Games selection. If Weld wins the national backstroke and his freestyle times are also good, his selection would be automatic.

Top girl swimmer, Jan Munro, is also expected to enter for the new South Wales Titles. Jan will be in Sydney in January and wants to compete in the

southern events for experience. Jan, who is 15, last year won the national 220 yards freestyle title in 2m 39.8s. She was also second in the 100 yards to the brilliant Lorraine Crapp and recorded 1m 11s.

C.M. Wednesday 23 September 1953

QUEENSLAND MAY MISS ON SWIM TITLES

Queensland is in danger of missing the 1954 Australian Swimming Championships unless Brisbane facilities are improved. This is stated by the State Swimming Secretary, Mr Bill Holland, in the Annual report to be presented at the Annual Meeting of The Queensland Amateur Swimming Association on October 5.

Holland said Queensland needed a new diving pool before they could clinch the Nationals. "An international diver had refused to dive at the Valley Pool because the depth is three feet six inches less than the required minimum," Holland said. The 1949 Australian Titles were held at the Valley Pool, and the diving section in the Morningside quarry, but the Amateur Swimming Union of Australia and the Brisbane City Council had now banned the quarry for swimming.

The last pool opened in Brisbane was the Valley Baths 30 years ago. Holland said the valley Baths seating accommodation of 1500 was insufficient for full support of the annual school carnivals. "Many parents and school boys and girls could not gain admission because only a limited quota from each school was admitted," he said.

C.M. Wednesday 30 September 1953

INJURY MAY PUT SWIMMING STAR "OUT" By Tom Linneth

State champion, Peter Maxwell, may be forced out of swimming this season by a football injury. Maxwell represented Ipswich Bulimba Cup side as a second row forward.

This season, but was forced out of the game with bad knees. He injured both legs early in the season and was again hurt when he made a re-appearance in club matches. Maxwell won the 300 metres medley championship in 6m 21.6s to establish a new Queensland record. Ipswich officials said Maxwell would not start training until he got a medical clearance for his injured knees.

NEWTON BACK

George Newton, one of Queensland's best young surf swimmers, will make a come-back this season. Newton, 20, finished second in the 100 yards Australian Championship in Sydney in 1948, but later broke a wrist during the championships and pulled out of pool swimming.

COULD BE TOP

He started training at the Valley Pool yesterday with Brisbane coach, Miss Mabel Springfield. Newton is a powerful man and could again reach the top of Queensland's sprint list.

Joan Fehr, Queensland's successor to Nancy Lyons, also started training at the Valley Baths yesterday. Fehr won the 100 yards junior and the 220 yards open breaststroke titles in Sydney last season. Joan, who lives in Ipswich gets up at five o'clock each morning to train under Miss Springfield in Brisbane.

C.M. Tuesday 6 October 1953

MASON TO TURN SURFER
By Tom Linneth

Des Mason, one of Queensland's best swimmers, will concentrate on surfing this season.

Queensland breaststroke champion, Wilf Arnold, will not start training until late November. Arnold is studying for school examinations and cannot spare time off at night to compete in carnivals. He is keeping fit with athletic training at school during the day, and it should not be hard for him to work up form when he enters the water.

Mr Dave Carter was re-elected President of the Queensland Amateur Swimming Association at the Annual Meeting last night. Mr Carter is a foundation member of the QASA. He has been connected with it for fifty four years.

C.M. Wednesday 7 October 1953

FIRST MOVE FOR AN OLYMPIC DIVING POOL
By Tom Linneth

The Brisbane City Council is investigating the construction of an Olympic diving pool in Brisbane. The new pool is expected to be built on vacant land at the back of the Valley Baths.

The cost of building an Olympic pool in Brisbane is estimated at £12,000. It is understood in swimming circles that the City Council hopes to start work on the diving pool at the end of this season. The pool is expected to be 25 metres by 56 feet with a maximum depth of 16½ feet.

Because Brisbane lacked a regulation diving pool, the National diving titles were held at the Morningside quarry, but the Australian Swimming Union has now banned the use of the quarry and the City Council has condemned it for swimming.

NEW SOUTH WALES STARS COMING

Top New South Wales swimmers, Gary Chapman, Astrid Ainsworth, Lorraine Crapp, and Ron McKeon, will arrive in Brisbane on November 27. Chapman is the Australian record holder for 440 yards in 4m 42.6s, Ainsworth is National Open and Junior butterfly champion, Lorraine Crapp holds every Australian freestyle record, and McKeon is a leading junior freestyle swimmer.

The proposed itinerary for the southerners is - Nov 27, Ipswich; Nov 28, Toowoomba afternoon, Dalby night; Nov 29, exhibition at Warwick; Nov 30, Monday night carnival in Brisbane.

C.M. Saturday 17 October 1953

SWIM CLUB'S NEW PLANS
By Tom Linneth

Brisbane swimming club will operate the biggest organised swimming programme in the Metropolitan area. They will start on Monday night a special fixture based on rugby league competition methods.

Clubs will meet in competition clashes, and points will be awarded for the number of places secured. Points will be totalled at the end of the season, and the club with the most will take the Nissen Shield.

First draw in the competition on Monday night is Toowong v Commercial at the Valley Pool.

TIME LIMITS "OUT"

The fixtures will be held with no time limits and all events are in age groups. Dismissal of time handicaps means that top swimmers can do their best. Last season for combined meetings standard times were made and breaking of the time meant disqualification.

The programme scheme was designed by Queensland Amateur Swimming members Nev ball and Jack Purtell.

C.M. Wednesday 28 October 1953

WELD NOT TO MEET CHAMPION SWIMMER By Tom Linneth

Cyrus Weld, Queensland's best swimmer, will not clash with Australian freestyle champion Garry Chapman in Brisbane.

Chapman will appear in a special carnival at Valley Pool on November 30.

Other top-line New South Wales swimmers to appear with Chapman are Astrid Ainsworth, Lorraine Crapp, and Ron McKinnon.

Weld, who is a pupil of Christian Brothers, Gregory Terrace, said yesterday he will leave for Sydney immediately he finishes his school exams which are before the carnival date.

IN NSW TITLES

Weld will be coached in Sydney by Professor Cotton and Harry Gallagher for backstroke. He will stay in Sydney for the New South Wales titles On January 16.

Weld is not due back in Brisbane until a few days before the Queensland Champion- ships which start on January 20.

His mission this season is to win the National backstroke. If he does well in the sprints he is an Empire Games selection chance.

Chapman holds the Australian 440 yards record at 4m 42.6s. He is one of the best four in Australia. His main opponents in the Brisbane carnival will be Max Stollznow, Steve Wilkes, and Alan Jones.

The Axel Suosaari Memorial Handicap, over 50 metres, will be revived at the carnival.

A surf team relay of six a side will be another feature of the carnival, QASA Secretary (Bill Holland) said yesterday.

Queensland's water polo season will open at the Valley pool on Thursday night for the first time in three years. Seven teams will compete in the opening fixtures. City Pastime Club will enter a team for the second round.

The City Pastime team will be formed around four unknown new Australians who played in Continental fixtures. Swim coach Bill Fleming said yesterday that one of the migrants, a six foot Dutchman called "Lofty", is one of the best players he has seen. The new Australians have been training at Davies Park pool and will join the City Pastime team this week.

City Pastime official, George Morris, said yesterday his Cub wants more senior swimmers. They swim at Davies Park on Thursday nights.

C.M. Friday 30 October 1953

STOLLZNOW TURNS TO SWIM SPRINTS By Tom Linneth

Max Stollznow, promising State distance swimmer last season, will switch to sprinting this year. His programme will now be the 100 and 200 metre dashes, coach Joe Emerson said yesterday.

Stollznow's change of plans means that Queensland's competition against Garry Chapman next month will be weak. Chapman, national champion for 440 yards, will appear in a special carnival at Valley pool on November 30.

Queensland's best swimmer, Cyrus Weld, said this week he would be unavailable for the carnival.

"HOT" TRIAL

With Stollznow now out, Chapman will have little opposition from the local swimmers.

Coach Emerson decided to switch Stollznow to sprinting after he did a "hot" 50 metres freestyle in 26.7s recently.

Stollznow last night scored a goal for Leander in the opening of the water polo season at Valley Pool. Public reaction to the first polo fixture in Brisbane for three years was outstanding. Cheer squads were formed in the big crowd, which seemed to appreciate the game.

GRAND FINISH

In the main match of the night, Leander drew with University four-all. Leander led three one at half time and had a hard battle to hold the University attack in the last few minutes.

Unknown Dutch migrant, ("Lofty") used his height to throw the ball at dazzling speed for goal in the supporting game. His team, City Pastime, lost to Western Districts 5-4. Marr scored three goals for the winners.

SWIM TREBLE BY TWO GIRLS

By Tom Linneth

Promising junior, Wendy Smith, last night won three events in the metropolitan swimming fixtures at Davies Park. She won the Under 14 butterfly, freestyle, and breaststroke races. Her freestyle time was 32sec.

Western Districts scored 438 points to outclass City Pastime Club, who had a total of 160 1/2.

Western Districts, Deidre Maxwell, 11, also won a treble the freestyle, breast stroke, and backstroke events.

Leander will meet Toowong at Toowong in the third metropolitan fixture tonight.

The Mercantile carnival for the Elphinstone Shield will be held at the Valley pool on November 25. It is the only swimming carnival in Australia for business houses. More than 100 teams competed last season. Teams comprise four swimmers. Each entrant must swim 50 metres in the relays.

C.M. Tuesday 10 November 1953

WATER POLO TITLE BID

By Tom Linneth

An application has been made to have water polo introduced as part of the Queensland swimming championships. Queensland Amateur Swimming Association Secretary (Bill Holland) said he received the request yesterday.

It is believed the only drawback against water polo being admitted to the titles is the tight programme of events. However, last season's improved syllabus enabled a much easier Saturday afternoon programme.

POOL SHORTAGE

Water Polo Secretary (Peter Mason) said yesterday his Association hoped to be included in the title events on the two Saturdays.

The Polo Association re-formed this year after a break of three years will be forced to refuse more Club affiliations. Mason said almost every surf club wants to be a member, but they cannot be accepted because of pool shortage. Eight Clubs now form the Association.

At present polo is played only at Valley pool on Thursday nights. Bill Fleming has offered Davies Park for one match, also on Thursdays.

AFTER RECORD

Australian 440 yards champion, Garry Chapman, will attempt the State 440 and 880 record times this month. Chapman will appear at a special carnival on November 27 at Valley pool. The QASA has granted permission for the attempt.

C.M. Tuesday 24 November 1953

HENRICKS, KOH MAY SWIM HERE

Top world swimmers Jon Henricks and Chinese Neo Chwee Koh, will be invited to Brisbane next March. This was stated by the Queensland Swimming Association Secretary (Bill Holland).

It was announced yesterday that Neo Chwee Koh will swim in the national, New South Wales, and Victorian titles.

Sydney boy Henricks is regarded as the most sensational freestyle sprinter in the world at present. Henricks clocked an amazing 56.9secs over 100 metres to beat Neo Chwee Koh by only a touch.

JUNIORS COMING

Holland said last night, "I will ask permission to get Henricks and the Chinese immediately after the national titles. Henricks is keen to visit Brisbane. Together they would be a terrific drawcard," he added.

The Australian youngsters Garry Chapman, Astrid Ainsworth, Pam Coghlan, and Ross McKinnon, will arrive in Brisbane on Friday. They will swim in Ipswich on Friday night, Toowoomba and Dalby on Saturday, and Warwick on Sunday. On Monday night Chapman will attempt the State 400 and 800 metres records in a special carnival at the Valley pool.

HOLDS RECORDS

Chapman already holds the Australian 440 yards record of 4min 42.6secs. His 400 metres time of 4min 40secs is better than the Japanese record of 4min 41.8secs set by K.Yamashita. Japanese 'flying fish' Hirohoshin Furuhashi will arrive in Brisbane on Sunday. He will also appear in the Chapman carnival.

C.M. Tuesday 1 December 1953

CHAPMAN CUT SWIM RECORD

Gary Chapman, Sydney's world-ranking freestyler, last night broke the State 400 metres record by 2.4secs at three-quarter pace. He clocked 4m 48.1s to lower John Marshall's 1949 time of 4m 50.5s. His new record also beat the Queensland resident record of 4m 59.3s held by Cyrus Weld. Chapman was affected by the heat and did not extend himself. McKinnon was second and Steve Wilkes third.

FEHR WINS

Australian butterfly stroke champion, Astrid Ainsworth, gave a magnificent performance to beat Queenslander Kay Stewart over 100 metres. Stewart, who is a senior, led the junior Sydney girl right until the last few inches. Ainsworth literally lifted herself out of the water over the last few yards for a great victory. Ainsworth clocked 1m 33.7s. Stewart was timed at 1m 34s. Ainsworth's time was good for so early in the season. Her national record is 1m 30s.

Australian breaststroke champion Joan Fehr, of Ipswich, took the breaststroke race easily. She had a comfortable win over Kay Stewart and Margaret Lucas. Fehr's time was 1m 31.5s.

BRAZIER IMPRESSES

Lynn Chamberlain took the junior backstroke 50 metres from Shirley Gordon and Dawn Pegg.

Judith Brazier was another impressive winner. She won the sub-junior freestyle 50 metres from J.Evers, and W.Smith.

Bundaberg lass Dorothy Grier defeated long-distance girl Jan Coghlan over a sprint 100 metres course. Grier moved along well for a 1m 12s victory. Young Coghlan sprinted nicely to register 1m 14.4s.

The Axel Suosaari memorial Handicap of 50 metres was won by Earl Smith from Ann Blain and J.Knox.

C.M. Tuesday 8 December 1953

SHOCK SWIM WIN BY CHAMBERLAIN

By Tom Linneth

Lynne Chamberlain, Queensland's crack junior backstroke swimmer, last night surprised in taking 31.7sec over 50 metres freestyle event at the annual women's swim carnival at the Valley pool.

The winning time at the last State Championships was 31.9secs by brilliant junior Jan Munro. Chamberlain is an outstanding backstroker, but is only regarded as a good-class freestyler. The Toowong girl completely outclassed top Maroochydore freestyler Dawn Pegg to take the junior championship. In third place was Jill Boast.

MUNRO'S "CRUISE"

Australian junior champion Jan Munro cruised along well below her top pace to win the Open freestyle 100 metres. Munro has just recovered from an appendix operation, and did not try to extend herself. Munro's time was 1m 18.2s. Dawn Pegg was second. She clocked 1m 19.6s.

Butterfly-stroker Lesley Campbell won the Open 50 metre event in 39s from Margaret Lucas and Lesley Anderson.

Bundaberg girl Daphne McIntyre took out the backstroke U/12 50 metres champion ship. In a close finish she defeated A.Arnold of Brisbane and J.Knight of Bundaberg.

Johannes Van Diest, former Indonesian diving champion, badly bruised his ribs and left arm. Van Diest slipped on the high board, crashed on to the edge of the board, and fell into the water. However he was able to continue with his special display.

C.M. Wednesday 9 December 1953

ASK CHINESE STAR AND HENRICKS TO SWIM IN BRISBANE

EXPECTED TO ACCEPT

By Tom Linneth

Chinese Neo Chwee Koh was asked yesterday to swim in Brisbane on March 3.

The Queensland Amateur Swimming Association cabled to Malaya to ask him to alter his plans and include Brisbane in his Australian tour.

Neo Chwee Koh will swim in Australian, New South Wales and Victorian championships. He intended to return to Malaya to continue his university studies after the national titles on February 28.

AMONG THREE BEST

QASA Secretary (Bill Holland) said yesterday, "We can't miss this golden opportunity of getting Neo Chwee Koh here." Advice from Sydney late yesterday indicated that Neo Chwee Koh will be available for Brisbane. He is one of the world's best sprint freestylers. He was beaten by a touch in Singapore recently by Australian Jon Henricks who is rated world No 1 sprinter. Henricks has

already been invited by the QASA to appear in Brisbane on March 3 with Neo Chwee Koh. Henricks has not replied but has made it known he wants to swim in Brisbane.

If Henricks and Neo Chwee Kh meet in Brisbane in a match race, it will be the greatest sprint draw-card Queensland has ever clinched.

NEW EVENTS

Four new events have been included in the State Championships for country swimmers.

On January 29. The only races for country swimmers during the titles at present are freestyle 100 metres Open, and 50 metres junior for men, and 50 metres for women.

The four new events are backstroke 100 metres for men and women, and 100 metres breaststroke for men and women.

Ipswich freestyler Kingsley Vance will train under Harry Gallagher in Sydney this season.

C.M. Saturday 2 January 1954

Q'LD RISK TITLES

NO DIVING POOL

By Tom Linneth

Unless a new diving pool is built in Brisbane within the next 12 months, Queensland will miss the next national swim titles.

Brisbane City Council has been asked to build a diving pool, but has not yet made any move. The Council has not yet budgeted for a new pool. The next Budget is expected about May. Council financial assistance for this new pool is expected to be at least £5000 pounds. A swim official said last night that at least £15,000 pounds was needed to construct a diving pool. If money can be found, the pool will be built on vacant land at the back of the Valley Baths.

QUARRY BARRED

Queensland Amateur Swimming Association officials have asked the Council to make the new pool 25 metres by 56 feet, with a maximum depth of 16ft 6 ins.

Because Brisbane lacked a regulation diving pool, the 1949 Australian diving titles were held at Morningside quarry. Brisbane City Council has also condemned it for swimming.

QASA Secretary (Bill Holland) said last night, "If we don't a new diving pool we can say goodbye to the championships. Southern States are just waiting to pounce on the opportunity to get the 1955 titles. They know we have no diving facilities, and will quickly move to have the championships taken away from Queensland," he said.

Holland said Queensland would also miss out on a big financial gain if the pool was not constructed.

"If things come to the worst, I will ask for the swimming championships only, and let the diving be held in a southern State," he added.

Town Clerk (Mr J.C.Slaughter) said last night, "We will build a new diving pool if finance is available. At present we have nothing set aside for such a construction. I can't say yet what the prospects will be until the new Budget is released."

C.M. Tuesday 5 January 1954

DALBY BOY COULD BE STAR SWIMMER
By Tom Linneth

A Dalby boy, who gave up diving because of an injured nose, could become a State freestyle star this month. He is Ken Gudenswager, 15, who is now training at Davies Park under top coach, Bill Fleming. Fleming said yesterday Gudenswager should easily take out the junior freestyle 400 metres title.

At a carnival at Roma last weekend, Gudenswager clocked 5m 16.5s for freestyle 400 metres. This is one of the most impressive distance swims recorded by a Queensland boy. Leander President (Joe Emerson) watched Gudenswager swim in Roma and arranged for him to train in Brisbane.

The Queensland swim championships will be held from January 29 to February 6 at the Valley pool.

NORTHERN HOPES

Fleming will this month train one of the biggest country teams to arrive in Brisbane before the titles. In special morning training he already has four top Gladstone youngsters in work. They are Freddy Dicker, Bob Burgess, Michael Thompson, and Johnny Doherty.

Dicker won the State schoolboy Under 14 championship last season and 11 North and Central Queensland titles.

Cairns freestyler, Alan McKenzie, with three Bundaberg swimmers, will also train under Fleming this week.

Former distance freestyler, Daphne Franzen, will switch to sprints this season, she said yesterday. Franzen finished second to Jan Munro in the last Queensland 400 metres event. Her training programme this season has been interrupted by pneumonia and a leg injury.

C.M. Wednesday 6 January 1954

FEHR, MUNRO, IN NSW TITLES

Joan Fehr and Jan Munro will compete in the New South Wales women's swimming championships this week. They are now being trained in Sydney by top coaches for the Australian championships next month.

Fehr (breaststroke) and Munro (freestyle) are Queensland's best women swimmers.

The NSW women's titles start tonight and continue on Friday and Monday nights.

Fehr's mission will be the open breaststroke 220 yards event. Munro will start in the junior freestyle 110, 220, and 440 yards races.

C.M. Thursday 7 January 1954

TOP BOY SWIMMER NOT FOR TITLES
By Tom Linneth

Tommy Barrett, State junior sprint champion, is "not interested" in the Queensland swim titles this month.

Barrett, of Cairns, narrowly missed selection in the Queensland team for the nationals last season. He is regarded as one of the most promising young freestylers in Queensland. He holds the junior 100 and 200 metres championships. Barrett said there is no special reason for not entering.

ENTER NEXT WEEK

Nominations for the championships close with the Queensland Amateur Swimming Association on January 15.

Norm Burn of Brisbane and Arthur Cusack of Maryborough have been nominated as Manager of the State team at the nationals. The Australian Championships will be held this season in Melbourne from February 21 to 28.

OPEN SEA SWIM

George Marshall, who will attempt to swim from the mainland to Magnetic Island during the Royal Tour, will coach the Townsville team with J. Harvey at the State swims. Three swimmers have already entered from Townsville - B. Green (men's freestyle intermediate), P. Payne (women's junior breaststroke), and K. Tait (men's freestyle Under 14).

C.M. Thursday 14 January 195

JANICE MUNRO WINS NSW JUNIOR TITLE

Sydney (by teleprinter) - Australian champion Janice Munro won the NSW junior 220 yards freestyle championship at the North Sydney pool last night. Her time of 2m 36.6s was four seconds slower than Dawn Fraser's time in the senior event last Saturday night. Miss Munro is a Queenslander, so the State title goes to Pam Lucas, the runner-up. Miss Munro will now return to Queensland for the State titles there before travelling to Melbourne for the national championships.

JAN GRIER'S FAST SWIM

By Tom Linneth

Bundaberg youngster, Jan Grier, last night clocked 3m 15s for the 200 metres breaststroke at the Valley pool. This is only four seconds outside the winning time of national champion Joan Fehr in the NSW titles.

Jan is only 14. She is in Brisbane training for the State titles which start on January 19. Last season Jan was regarded as a real prospect when she won the breaststroke sub-junior championship. She is younger sister to State open freestyle sprint champion, Dorothy Grier. Jan will enter for the open breaststroke and junior championships at the State titles.

Roma Allen, swimming unpaced, cut her own Queensland medley record by 1.6s last night. She clocked 3m 8.8s over 200 metres to take the Valley Women's Club medley championship.

C.M. Wednesday 27 January 1954

WELD HOPES TO BREAK FIVE SWIM RECORDS

By Tom Linneth

Cyrus Weld, Queensland's greatest swimmer, will try to beat five records at the State titles which start tomorrow night. Last season Weld became the first Queenslander to win every major freestyle title. He set records over 100, 200, 400, and 800 metres, and narrowly missed record time over 1500 metres.

This time Weld will try to beat his own freestyle records for these events. He hopes to cut Des Mason's 70.3sec - the best time by a Queenslander - for the 100 metres backstroke.

Weld has just returned to Brisbane after competing in the New South Wales titles. In Sydney he clocked 60secs for freestyle, which is his best time ever over the sprint distance. Tomorrow he will compete in an easy 100 metres freestyle heat, but on Friday night he will strike a hot field in the final.

HARPER AT TOP

His main final opposition will come from Maryborough sprinter, Ken Harper, who was the State's best two seasons ago. Harper was unavailable because of army call-up last year, but is now at the top of his form. Harper said last night he expects to swim 60 secs in the freestyle 100 metres championship.

As both lads expect to clock 60secs, they could set such a good pace that this 100 metre dash could be the first time under the minute.

MUNRO'S ATTEMPT

Both will be pushed in the early stage by Dave Ferricks, Paul Duggan, Wilf Arnold, George Newton, and Ken Wiles, and our first 59sec time is not impossible.

Jan Munro, Queensland's best woman freestyler, will attempt to break the State 400 metre time of 5m 1.2s at Valley Club swim tonight. Jan will use this as a warm-up for the women's 50 metres championship heat tomorrow night.

C.M. Saturday 30 January 1954

14-YEAR-OLD GIRL BEATS AUST SWIMMING CHAMPION by Tom Linneth

Pocket-sized 14-year-old Jan Grier, of Bundaberg, clocked one of the best times in the world for a junior breaststroke swimmer at the Valley pool last night. She recorded 3m 7.9s to beat Australian open champion Joan Fehr in the State breaststroke 200 metres final. Inge Sorensen, of Denmark, at the Berlin Olympic Games in 1936 is believed to be the only other girl to better Jan's time.

Grier defeated Fehr by 0.5sec to register the fastest time over 200 metres in Australia this year.

Until last night, Fehr was tipped by swim experts to win an Empire Games title for Australia in Canada next July.

Cyrus Weld became the first Queenslander to break the minute for freestyle 100 metres. Moving like a machine he clocked 58.8secs the best ever in this State. He cut former world record-holder Alex Jany's Queensland record by 0.2sec. This time also beat his own best by a Queenslander of 60.4sec.

Ken Harper, of Maryborough, who finished second to Weld, also broke the minute, his time being 59.8sec.

Dorothy Grier, a sister of Jan, with 69.8sec beat her own best by a Queenslander record of 70.1sec to win the women's freestyle 100 metres. Jan Munro, who finished second ahead of Gwen Grainger, recorded 70sec to establish a new State junior record.

Earlier in the carnival Munro clocked 31.2sec to beat the 50 metre freestyle record of 31.4 she set on Thursday night.

C.M. Tuesday 2 February 1954

WELD SETS 2 MORE SWIMMING RECORDS By Tom Linneth

Freckled-faced Cyrus Weld last night shattered two records within 45 minutes at the State swim titles in the Valley pool. It gave him three record swims from as many final events at the championships.

Last night Weld bet the best by a Queenslander record he set last year to take the freestyle 200 metres. He easily defeated Bobby Burns to clock 2m 14.6s, which bettered the record by 1.7sec.

Five events later Weld won the backstroke 100 metres in a record 69.3sec. This was one second faster than Des Mason's backstroke best by a Queenslander established two years ago. David Theile of Maryborough set a new State and Australian junior record when he finished second to Weld in 70sec.

Bundaberg sprinter Dorothy Grier caused the upset of the championships when she beat Jan Munro in the freestyle 400 metres. Grier went over the 400 metres for the first time, but still fought gamely to beat Munro in 5m 32.6s. Dorothy's time was three seconds faster than the race time established by Dutch Olympian, Irma Schumacher.

Barry Tudman recorded his sixth record in six starts to take the junior freestyle 100 metres in 62.2sec.

Jill Dunstan (Roma), Kingsley Vance (Toowoomba), Judy Brazier (Brisbane), and Ken Wiles were other impressive winners last night.

(Full results given)

C.M. Wednesday 2 February 1954

WELD SLASHES 50 METRE TIME IN FINE SWIM
By Tom Linneth

Record-breaking Cyrus Weld last night clocked one of Australia's 50 metre times at the Valley pool. Weld showed sensational dash to clock 26.1sec in a championship heat. He led all the way. He easily beat the Queensland record of 26.8sec which Weld held with Axel Suosaari. His performance is also up to the standard of world-ranking

Australian Jon Henricks of Sydney for 50 metres.

A Queensland swimming authority said last night the best time in Australia over 5 metres is 26sec by Japanese Sakagami.

(Further heat results also given)

C.M. Thursday 4 February 1954

UNTRAINED SWIMMER SETS AUST RECORD
By Tom Linneth

Untrained Lynne Chamberlain last night shattered the Australian junior backstroke record in the State swim titles in the Valley pool. Chamberlain was forced out of the water a month ago with ear trouble, but still timed 69.6sec last night.

Her performance is 0.9sec better than Diane Knight's Australian junior record. T also cut the best by a Queenslander record of 80.4sec held by Jeanette Holle by 10.8sec. Chamberlain recorded this time to win the State Open women's backstroke 100 metres championship. She competed at the titles last night with her ears plugged.

WELD UNBEATEN

Cyrus Weld remained unbeaten by taking the freestyle 800 metres and 50 metre championships. Weld cruised along as if it was a pleasure swim to take the 800 metres in 10m 42.8s. Exactly 20 minutes he took the 50 metres event in 26.4sec - 0.3sec outside the Queensland record he made on Tuesday night.

Shock of the race was breaststroke swimmer Wilf Arnold who eat promising Maryborough boy, Ken Harper, for second place. Arnold did well to record 26.8sec ahead of Harper's 27.1sec, which was actually below his best.

Ken Gudenswager, of Dalby, cut Cyrus Weld's Queensland record by 1.4sec with a 2m 21s junior freestyle 200 metres success. He comfortably defeated Maryborough sprinter Barry Tudman, who finished in 2m 24.6s.

Jan Munro won the junior freestyle 100 metres from Roma's Jill Dunstan in 70.7sec.

(Full results given)

C.M. Friday 5 February 1954

TUDMAN TIMED AT 27.6 FOR 7TH STATE RECORD

By Tom Linneth

Maryborough youth Barry Tudman last night broke his seventh race record in the State swim titles at the Valley pool. Tudman, at 14, ranks as one of Queensland's best freestyle prospects for many years.

Last night he took his heat of the junior freestyle 50 metres in 27.6secs. Previous best race time of 28secs was held by the brilliant junior, George Newton. It is only just short of Cyrus Weld's best by a Queenslander record of 27secs. Tudman was still a little green last night. He clipped the ropes twice which automatically slowed him down.

BIG PROSPECTS

Brisbane swimming authority, Les Stanton, said after the carnival that Tudman has "terrific prospects" in the next few years.

His close sprint rival, Ken Gudenswager of Dalby, recorded 28.2secs to win his heat.

(Full heat results given)

C.M. Saturday 6 February 1954

BROKE RETIREMENT TO BREAK AUST SWIM RECORD

By Tom Linneth

Brisbane girl, Lesley Campbell, talked out of retirement, set an Australian swim record at the State titles at the Valley pool last night. Campbell clocked 1m 29.6s to win the Queensland butterfly-stroke 100 metres championship.

Her time was better than the Australian record of 1m 30s held by Astrid Ainsworth of Sydney. It also cut the Queensland record of 1m 31.4s established by Kay Stewart who finished second last night. Campbell, 18, said earlier in the season she intended to give up swimming. Friends influenced her to change the decision and prepare for her title race.

HOLDS FIVE TITLES

Freestyler Cyrus Weld last night broke his Queensland record to win the 400 metres title. Last season Weld timed 4m 59.3s. Last night he recorded 4m 757.6s. Weld has now set records over freestyle 50, 100, 200, and 400 metres, and also the backstroke 100 metres. He now only needs to win the freestyle 1500 metres this afternoon to again take every major title at the State championships.

Weld was unofficially clocked at 58secs over 100 metres by three watches in a flying squadron final. Earlier in the week he created a record with a 58.8s win.

FIVE SECONDS FASTER

Junior freestyler, Jan Munro, recorded 2m 36s in the 200 metres event to break a Queensland record. With Daphne Franzen she previously held this record at 2m 41.2s.

Ken Harper again registered 60secs to take the country freestyle 100 metres championship.

Peter Andersen equalled his race record of 67.2secs for his sub-junior freestyle 100 metres success.

Barry Tudman also equalled his race record of 27.6sec to take the junior freestyle 50 metres event.

Maryborough established an Australian flying squadron 400 metres record with 4m 11.6s. Previous time was 4m 12.3s.

(Full results given)

C.M. Monday 8 February 1954

2 YOUNG COUNTRY SWIMMERS IN QUEENSLAND TEAM
By Tom Linneth

Two 14-year-old country swimmers with Olympic prospects have been selected in the Queensland swim team for the Australian titles. They are, backstroke swimmer Jan Grier of Bundaberg, and freestyler Barry Tudman of Maryborough.

The Australian championships will be held in Melbourne from February 20 to 27.

The team of 17 was announced by Queensland Swimming Association Secretary (Bill Holland) yesterday.

The team is - Men; Wilf Arnold, Cyrus Weld (Brisbane), David Theile, Barry Tudman (Maryborough). Women: Lesley Campbell, Jan Munro, Lynne Chamberlain (Brisbane), Joan Fehr (Ipswich), Dorothy Grier, Jan Grier (Bundaberg).

Those picked to go at their own expense are: Ted Courtney (Brisbane), David Bilingham (Ipswich), Ken Gudenswager (Dalby) Fred Dicker (Gladstone), Ken Harper (Maryborough), Roma Allan and Kay Stewart (Brisbane).

STRONG SQUAD

This is the strongest team to represent Queensland at the national titles. It will cost the QASA about 500 pounds to send the team south.

GOOD PROSPECTS

Barry Tudman is an outstanding prospect, and although he is young, the experience of the trip will be invaluable. The Maryborough lad is tipped to be an Australian representative at the 1956 Melbourne Olympic Games.

Cyrus Weld is sprinting well enough to get second place over the dash to world ranking Jon Henricks of Sydney.

Breaststroker, Wilf Arnold, and backstroker David Theile, are possible place-getters.

Among the women, Jan Munro (freestyle), and Lynne Chamberlain (backstroke), also look winners on present form. Lesley Campbell (butterfly), and Dorothy Grier (freestyle), on their State titles form, should be prominent with any luck. Jan Grier and Joan Fehr are certain to fight out the breaststroke title.

Manager of the team is Norm Burn, and Chaperone is Mrs C.Arnold.

C.M. Saturday 20 February 1954

GRIER AND MUNRO GET NEW VIC SWIM TIMES

Melbourne (by teleprinter) - Two Queenslanders set new Victorian record times in their national qualifying swim heats at Olympic pool last night.

Jan Grier won her heat of the 110 yards junior breaststroke in 1m30.5s, and J.Munro established a new record of 2m37.6s in the women's 220 yards freestyle.

C.M. Tuesday 23 February 1954
(Picture of Jan Munro)

QUEENSLAND'S EIGHT IN SWIM FINALS

Melbourne (by teleprinter) - Eight Queenslanders won their qualifying heats for the Australian Swimming Championships at Olympic pool last night.

The qualifiers are - F.Dicker, D.Theile (men's 110 junior backstroke), B.Tudman, K.Gudenswager (men's 110 junior freestyle), L.Campbell, K.Stewart (women's 110 butterfly), L.Chamberlain (women's 110 backstroke), D.Grier (110 freestyle).

Queensland will have at least one competitor in each of the national events.

C.M. Wednesday 24 February 1954

QUEENSLAND SWIMMERS SET TWO NEW AUSTRALIAN TIMES

Two new Australian records were set by Queenslanders at the Australian Swimming Championships last night.

Lesley Campbell of Brisbane set a new record to win the 110 yards butterfly title. She covered the 110 yards at the Melbourne Olympic Pool in 1m 20s. This lowered Astrid Ainsworth's Australian record by one second. Miss Ainsworth was third last night. Kay Stewart of Brisbane, who had paid her own fare to Melbourne for the Championships, was second.

The Queensland team won the 440 yards medley title in record time. The four Brisbane girls comprising the team were Lynne Chamberlain (backstroke), Jan Grier (breaststroke), Lesley Campbell (butterfly), and Dorothy Grier (freestyle). Their time was 5m 20s, 2/10 better than the previous record.

Wilf Arnold of Brisbane was second in the 440 yards individual medley.

Fred Dicker of Gladstone was third in the men's 110 yards junior backstroke to D.Johnson of NSW and M.Murphy of Victoria.

C.M. Monday 7 February 1954

WELD IN AUSTRALIAN TEAM FOR VANCOUVER
GRIER CAN BE FINANCED

Cyrus Weld, of Brisbane, was chosen yesterday for the Australian Empire Games swimming team in Vancouver, and Jan Grier, of Bundaberg, may go also if money can be raised.

The official team, announced yesterday by the Australian Swimming Union selectors (Messrs W.Holland, Queensland, W.B.Phillips, NSW, and H.A.Bennett, Victoria, is:-

J.Henricks (18, NSW), G.Chapman (15, NSW), Miss L.Crapp (15, NSW), D.Hawkins (19, NSW), C.Weld (17, Qld). These five were selected on a basis of two thousand pounds assured finance, and are almost certain to make the journey.

Miss J.Grier (14, Bundaberg), D.Knight (16, Vic), R.McAulay (19, Vic), and Kevin Newell (23, NSW), will go if finance can be raised by their State Associations or by individual efforts.

C.M. 2 March 1954

GAMES SWIMMER DOWN
FEHR BEATS GRIER; RELAY RECORDS GO
By Tom Linneth

Jan Grier, Australia's breaststroke representative for the British Empire Games, was sensationally beaten by Joan Fehr at the Valley pool last night. Grier defeated Fehr in the Australian Championships to gain selection in the national team.

Last night Fehr touched at the 50 metre mark with Grier, but went away from the Bundaberg girl at the finish. Fehr's 100 metre time of 1m 28.6s was only 0.3sec slower than her Australian junior record. Grier was clocked at 1m 28.8s.

Before Grier, a 14-year-old Bundaberg schoolgirl, came to the top this season, Fehr was recognised as the natural Games section.

TWO RECORDS

Queensland women's relay teams broke two Australian records last night.

Jan Munro, Roma Allan, Gwen Grainger, and Dorothy Grier, set a new Australian 400 metres teams relay record of 4m 44.6s. This beat the previous best time established in 1938 by a Canadian team of 4m 48.3s.

Later in the night Lynne Chamberlain, Jan Grier, Lesley Campbell, and Dorothy Grier, beat the 400 metres medley teams relay record. The girls clocked 5m 28.6s. Previous record of 5m 33.4s was held by New South Wales.

HENRICKS FAILS

Jon Henricks failed in his bid to beat the world freestyle 100 metres record of 55.7sec held by American Alan Ford. Henricks clocked 56.7sec which was 0.5sec outside his own Australian record. Later he was timed at 56.4sec in a 100metre dash in a teams relay event.

SET HOT PACE

Queenslander, Cyrus Weld, burnt himself out in an attempt to give Henricks a world record. Weld led the field for the first 50 metres and was in front until he faltered with 20 metres to go. Singapore swimmer, Neo Chwee Koh then finished over Weld to beat him for second place. Weld planned to set a hot pace for the first lap hoping that Henricks would then have enough in reserve for the final burst.

Henricks it the front with 25 metres to go but was unable to come home with his usual burst.

BEAT OWN BEST

Maryborough junior, Barry Tudman, broke his own Queensland junior freestyle 100 metres record last night. Tudman clocked 61.1sec. His previous time was 62.4sec.

Jon Henricks, Neo Chwee Koh, Ken Wiles, and Steve Wilkes, clocked 4m 5.4s in a 400 metres relay race. The Australian record is 4m 11s.

C.M. 10 April 1954

W.HOLLAND HEAD OF GAMES TEAM
By Tom Linneth

Queenslander Bill Holland will be Manager-Coach of the Australian swimming team for the Empire Games in Vancouver. His selection was confirmed by mail vote conducted by the Australian Swimming Union. He will fly to Vancouver (Canada) with the Australian squad about July 12, and will return late August.

Holland is an Australian selector, and has been Queensland Amateur Swimming Association Secretary-coach since 1946.

Holland coached the Australian team at the British Empire Games at Auckland in 1950, and also organised training for the Australian Olympic Games team in 1952.

He is one of the best authorities on swimming in Australia. His appointment will be well received.

Holland defeated three opponents in a ballot for the overseas position. The other nominations were - T.Goudie (WA), Jim Beard (NSW), and Billy Williams (NSW).

Courier Mail Friday 24 September 1954

ASK TOP SWIMMERS TO AUSTRALIA

An unofficial World Sprint Championship has been planned for Sydney in January. Australia's fastest swimmer, Jon Hendricks, American sprint champion, Dick Cleveland, and European champion, Hungarian I Nyeki, may meet over 110 yards.

New South Wales Amateur Swimming Association at its Council meeting last night recommended to the Australian Swimming Union that Cleveland and Nyeki be invited to tour Australia in January and February.

(No further reports on swimming were seen in the C.M. in September and October editions.)

C.M. Thursday 4 November 1954

SET DATE OF SWIM TITLES By Tom Linneth

Queensland swim titles will be held from January 28 to February 5. This was announced last night by the Queensland Amateur Swimming Association Secretary (Bill Holland).

North Queensland titles will now be switched to next Easter, country official, Jack Todd, said last night. North Queensland had planned their titles for early February, but changed them last night when the State title dates were announced. The country titles will go to Townsville. It is four years since they last held them.

Queensland has been offered a tour by Olympic Games diver Joaquin Capilla (Mexico) but is certain to refuse. This is because Queensland has no facilities for top class diving. Queensland lost the 1955 Australian swim titles because we have no Olympic diving pool.

COST £65 EACH

A tour from American synchronised swimmer Mrs Beulah Gundling is also certain to be refused. Her appearances would coincide with the State title dates, and would be of no use to Queensland.

State Secretary, Bill Holland, said last night that Queensland was unlikely to send a big squad to the national championships. If Adelaide accepts the titles, cost of sending each swimmer will be about sixty five pounds.

C.M. Tuesday 9 November 1954

MUNRO'S TREBLE IN SWIMS By Tom Linneth

National freestyle champion, Jan Munro, won three main events at a combined clubs swim carnival at the Valley pool. She took the Open freestyle (100 metres in 1m 12.8s), backstroke (100 metres 1m 28.5s), and butterfly (50 metres in 39.9s).. She also finished third in the breaststroke 100 metres event which was won by the State representative Kay Stewart.

Munro will leave Brisbane tomorrow for Sydney for coaching under Harry Gallagher for 10-11 weeks.

Empire Games representative, Cyrus Weld, won a double, the backstroke 100 metres and the freestyle 100 metres.

Peter Andersen, 14, provided great effort to take the Under 16 butterfly 50metres in 36.4secs. This time was equal to Des Mason's win in the Open butterfly 50 metres.

C.M. Thursday 11 November 1954

WELD WILL MISS AUSTRALIAN SWIM TITLES

By Tom Linneth

Cyrus Weld, Queensland's best swimmer, will miss the Australian swim championships. The titles have been switched from Brisbane to Adelaide On February 19-24.

Queensland lost the championships because we have no suitable diving facilities in Brisbane. Weld will sit for University examinations the month the nationals are held.

He is also expecting a National Service call-up after the University exams.

Jan Munro, Queensland's top girl freestyler, will return from Sydney coaching for the State Women's Championships carnival at the Valley pool on December 6.

The mercantile annual swim has been fixed for November 24 at the Valley pool.

Two are flying to Sydney today for coaching from top Sydney coach, Harry Gallagher - John Mcleod a GPS sub-junior champion, and Eileen Munro a promising breaststroker.

C.M. Wednesday 17 November 1954

EXPECTS HENRICKS TO SWIM IN STATE CHAMPIONSHIPS

Jon Henricks, the world's fastest freestyle sprint swimmer, is expected to compete in the Queensland titles. Henricks told Brisbane friends he is keen to make the appearance next year. The Queensland championships will be held at the Valley pool from January 28 to February 5.

Usually top swimmers from the south do not bother about the Queensland titles.

If Henricks decides to enter, he will give the championships a late boost.

Beulah Gundling, the world's top synchronised swimmer, has been booked to appear at a special carnival on February 14. Earlier the Queensland Amateur Swimming Association declined her trip until a February date was available.

QASA has refused affiliation to the North Queensland Amateur Swimming Association as that body could not be formed to control swimming exclusively in North Queensland.

C.M. Monday 22 November 1954

PENNANT TO TOOWOOMBA

Toowoomba swimmers had little difficulty in regaining the Warren Pennant from Ipswich, holders for the past four years. The local team was always in the lead and clinched the competition by 7 points - 87 to 80.

Outstanding swim of the night was that of J.Purtell of Toowoomba who clipped 2.4secs off the previous time for the men's 100 yards backstroke.

Two other records were broken. Gwen Grainger took a second off her own record of 77 secs for the women's 100 yards freestyle, and A.Sharpe of Ipswich set a new record of 60.8 secs for the junior men's 100 yards freestyle.

(Full results given)

C.M. Tuesday 23 November 1954

SWIM ENTRIES

Record entry of 100 teams has been received for the Mercantile swim carnival at the Valley pool tomorrow night.

Cyrus Weld, Empire Games swim star, and other national contenders will appear at the carnival.

400 swimmers - male and female - comprising 100 teams from Brisbane's commercial houses and government departments will take part

C.M. Monday 29 November 1954

NEW RECORD BY TUDMAN

Speedster, Barry Tudman, bettered the national 100 yards freestyle record at Maryborough at the weekend. In a solo dash he clocked 54.44 which is 1.1 secs faster than John Devitt's record. Devitt's record was set in a 25 yard pool, Tudman went over a 33 1/3 yards course. Tudman missed his second turn which slowed up his time.

Now 14, Tudman is one of Queensland's greatest freestyle swimming prospects.

LYN'S RECORD

Brisbane girl, Lyn Chamberlain, cut four seconds off the Queensland resident record for backstroke. Lyn moved freely to clock 75.6 secs. She was not extended.

Chamberlain beat State freestyle sprint champion, Dorothy Grier, over 100 yards and won by a yard. Chamberlain's time of 674.7 secs was just short of Grier's State record of 64.4 secs.

C.M. Tuesday 30 November 1954

NEW SWIM HOPE WILL LIVE HERE

By Tom Linneth

Ken Gudenswager, one of Queensland's most promising young freestyle swimmers, will move to Brisbane. Gudenswager, of Dalby, was a member of last year's State swim team at the Melbourne championships. He was fourth in the junior freestyle 110 yards title, just behind Barry Tudman of Maryborough. He was also fourth in the 440 yards freestyle title, after a second to Garretty in a heat.

TOP PROSPECT

Gudenswager is one of the State's up and coming freestylers. He should do well in Brisbane. In previous years Gudenswager has come to Brisbane for training under Bill Fleming during the vacation period. With better preparation he should develop into one of our top prospects for the Australian titles.

SHOCK SWITCH

Ramsay of Bundaberg has made a shock switch to surfing this season. Ramsay has not trained for still water and is most unlikely to enter in the state events.

Fred Dicker, of Gladstone, is expected to arrive in Brisbane early this month for coaching. Dicker took a heat of the breaststroke 110 yards at the nationals, but was beaten by a touch in the final.

Valley, Leander, and Western Suburbs Clubs, will compete in the metropolitan carnival at the Ithaca pool tonight.

C.M. Tuesday 7 December 1954

JAN MUNRO SWIMS FAST TIMES IN TITLES

By Tom Linneth

Freestyler Jan Munro last night swam her fastest 100 metres of the season at the Valley pool. She slipped over the distance in 70.2secs to take the senior championship. Jan's previous best for this season was 72.2secs in October. Last night's 70.2secs was only 0.2sec outside her best time ever for 100 metres.

Munro had no trouble in winning her event. She could have clocked better time if forced along. Second placegetter, Roma Allan, was 10.5sec behind Munro. Doreen Pegg was third.

During the carnival Munro competed in ten races, which was too much for one night.

Munro was surprisingly forced along in a later relay event by Rosemary Lassig of Bundaberg. Lassig, 13, was one of the most promising youngsters in the championships.

PENALISED

Lassig was heavily penalised in the freestyle handicap races, and did not get much of a chance to win. In the 50 metres freestyle sub-junior title, she won well when not competing with a handicap. She also showed up in the sub-junior breaststroke 50 metres to win from E.Jay.

Lyn Chamberlain, who was kept out of the competitive events against Munro, did well in a relay leg. Chamberlain was not individually clocked by the timekeepers, but her relay leg was similar to Munro's time.

British Empire Games breaststroke representative, Jann Grier, showed plenty of dash at breaststroke. Young Jann worked hard to win the Under 1,650 metres title in 40.6sec.

Helen Lecky fought on to win the Under 14 freestyle handicap from Rosemary Lassig and E.Southwick.

(Full results given)

Picture of divers taking off from the side of the "New Gatton College Swimming Pool, officially opened by the Governor, Sir John Laverack, yesterday. The pool was excavated by volunteer school labour, and completed a cost of forty thousand pounds and gives the college an Olympic standard pool for swimming sports."

C.M. Friday 10 December 1954

JOAN FEHR MAY MISS QLD TITLES By Tom Linneth

Ipswich breaststroke swimmer, Joan Fehr, is not a definite starter in the Queensland titles next February. Fehr, who was coached by Harry Gallagher last season, is out of training. She said last night her plans were "indefinite".

Fehr's decision to stay out of serious training is one of the year's swim surprises. She holds the Australian junior 100 metres record at 1m 28.3s set at the Valley pool in 1951.

DOWN TO GRIER

Fehr is only 17, and still has tremendous possibilities in Australian swimming as a breaststroker. Last season she was beaten narrowly in the State championships by Bundaberg youngster Jann Grier. Grier went on to win the Australian title and won a trip to the British Empire Games in Vancouver. But only a touch separated both swimmers in almost all of their meetings.

Fehr will probably make a decision on a State title swim after Christmas.

COUNTRY DATES

Queensland Amateur Swimming Association Secretary (Bill Holland) last night announced country championships allocations

The Central Queensland titles will go to Rockhampton on March 11 and 12.

Dates have yet to be fixed for the Central-Western Queensland (at Aramac), and South-Western (at Goondiwindi) championships.

C.M. Saturday 11 December 1954

SWIM CARNIVAL BOYCOTT ON POOL PLAN

By Tom Linneth

Top men swimmers at City Pastime Club have boycotted carnivals because a Club member has been suspended from Davies Park pool. The suspended swimmer is Bill Kitchener, also a member of the Surfers Paradise Surf Club. He will not be allowed in the Davies Park pool area for two weeks. Kitchener's suspension was imposed by Bill Fleming, controller of Davies Park pool.

Fleming said last night Kitchener will be allowed to swim there again when the ban expires. Fleming would not comment on the reason for the suspension, but said it was not serious. He added that he had told Kitchener it was disciplinary action.

The entire A Grade section of City Pastime Club missed one carnival when told of Kitchener's suspension.

ONLY THREE SWAM

About 12 swimmers normally compete in their main events. On Thursday night three swam, but they were not financial members. A City Pastime Club official said the unfinancial members had been allowed to swim "to keep the competition going".

The Club was behind Fleming's decision to suspend Kitchener for the two weeks, he said.

C.M. Tuesday 28 December 1954

THIELE WILL MISS SWIM TITLES

By Tom Linneth

Maryborough backstroker David Theile will tour New Zealand from January 25 to February 11. Theile was named by the Australian selectors to make the New Zealand tour with Murray Rose. Rose, of New South Wales, is one of the top Australian junior freestyle sprinters.

Theile recently set a new Australian backstroke record time of 60.7sec for 100 yards at Maryborough. He is regarded as one of the most promising junior swimmers in Queensland at present.

New Zealand authorities sent their invitation for two of Australia's leading youngsters.

Theile's selection is a feather in his cap, as Australia has many brilliant swimmers at present. His absence from the Queensland championships should not effect his selection in the State side. Theile is expected to be one of our leading entrants at the nationals in Adelaide starting on February 18.

C.M. Monday 3 January 1955

WELD TO GIVE UP BIG SWIMS

By Tom Linneth

(Picture of Weld)

Cyrus Weld, one of the world's leading freestyle swimmers, has announced his temporary retirement. Weld, 18, is at present studying his first year of medicine at Queensland University. He said last night he will swim only for relaxation in the next two years.

"If I can successfully pass my examinations in the next two years I will try to make the Olympic Games team," he said. "But my main concern for 1955 will be studying Medicine."

WON'T DEFEND

Weld said he would not defend his Queensland titles at the championships starting on January 28. If the Valley Club is short of relay swimmers he is prepared to help them out.

Weld has not trained since his return to Brisbane from the British Empire

Games in Vancouver. But his natural brilliance would be sufficient for him to greatly assist Valley in relay competition.

Lanky, freckled-faced, Weld gained world recognition at the British Empire Games last August. He went to the Games as a backstroker and finished third in the final. But his greatest effort was second to team-mate Jon Henricks in the final of the freestyle 110 yards. Weld pushed Henricks to a Games record of 56.6sec. His own time was 58.5sec.

Cyrus is the greatest freestyler produced in Queensland. In 1953 he cleaned up all opposition to take every major freestyle State title and set new records. At the last State titles Cyrus broke five of the records he established a year before over 100 yards, 100 metres, 200 metres, 400 metres and 800 metres freestyle. Weld also holds the 1500 metres Queensland championship. He has backstroke records for 100 metres and 110 yards.

Queensland will badly miss Weld. During the last two years he has been a tremendous asset to the State. Weld's performances helped to encourage youngsters to the sport, as well as being a big turnstyle drawcard.

C.M. Thursday 6 January 1955

QUEENSLAND GIRLS SECOND, THIRD
RECORD FOR SWIM CUT BY JANICE

Sydney - Queensland swimmer, Janice Munro, last night broke the women's Australian 110 yards record of 1m 7.9s by eight-tenths of a second. She finished second to Empire Games champion Lorraine Crapp (NSW) in the 110 yard sprint at the New South Wales women's championships at the North Sydney Olympic pool.

Another Queenslander, Dorothy Grier, daughter of a former Australian sprint champion, Reg Grier, came third. (It is recalled that Reg Grier married Dorothy Thompson Australian breaststroke representative at the 1928 Olympic Games - Ed)

However, the two Queensland girls cannot be officially placed in the State titles.

C.M. Saturday 9 January 1955

DOROTHY NEAR HER TOP
BEST SWIM EVER BY A QUEENSLAND GIRL

Sydney - Seventeen-year-old Dorothy Grier, of Bundaberg, last night swam the women's 440 yards in the fastest time ever by a Queenslander. In the heats of the New South Wales swimming championships at the North Sydney Olympic pool she clocked 5m 26.8s in the Open 440 yards freestyle.

Dorothy, who is daughter of the former Australian sprint champion, Reg Grier, swam smoothly and was not extended to win her heat easily. She is expected to extend Empire Games champion, Lorraine Crapp, in the final tonight.

Queenslander, F.McKillop, was among the seven swimmers who qualified for the 110 yards junior freestyle final.

C.M. Wednesday 12 January 1955

COULD BE 1956 OLYMPIC HOPE
NORTHERN GIRL SETS BEST AUST. SWIM TIME

Sydney - Thirteen-year-old Townsville girl, Fay McKillop, last night set the best Australian time ever for her age in the junior 220 yards freestyle swim. Her time of 2m 36.8s in the heats of the NSW women's amateur swimming titles was also the third best ever set by a junior. Previous best junior times were those of Marjory McQuade (2m 35.5s) and Lorraine Crapp (2m 29.6s).

Coach Frank Guthrie found Fay McKillop when he was in Townsville supervising the training of Empire Games champion, Lorraine Crapp for the 1954 Empire Games.

Fay used to go to the baths to swim in between Miss Crapp's training and was sighted by Guthrie who advised her parents to send her to Sydney.

Queensland girl, Dorothy Grier, 17, last night set the best qualifying time of 2m 32.2s in the heats of the 220 yards women's championship. Miss Grier last Saturday won the 440 yards State championship after Lorraine Crapp was unable to compete.

C.M. Friday 14 January 1955

JANN GRIER TO REST FOR A YEAR

Empire Games swimmer, Jann Grier, has a cracked left kneecap, and will be out for the rest of the year. This means she will miss the Queensland and Australian championships.

Jann will receive treatment for several weeks, but if it is not successful she will have to undergo an operation. Her father, Reg Grier, said last night that she complained frequently last year about knee trouble. It was not until the injury became worse this week in Brisbane that she was taken to a Specialist yesterday. Mr Grier said that now her future is in doubt until the treatment is finished.

Jann will fly back to Bundaberg today. Grier, 14, represented Australia at the British Empire Games in Vancouver last August. She won her breaststroke title heat, but failed to get a place in the final. Jann's best other performance was a third in the three x 110 yards medley relay. Her form all round was not up to her previous Australian standard and it is possible the knee injury could have affected Jann and helped to cause loss of form.

Grier was expected to take out her breaststroke title at the Queensland championships at the end of the month. She was also regarded as a certain member of the Queensland team for the nationals in Adelaide starting on February 18.

C.M. Tuesday 18 January 1955

NEW STAR WOULD REPLACE WELD
QUEENSLAND WANTS ROSE TO SWIM IN TITLES

Murray Rose, Australia's new amazing freestyle discovery, will be invited to compete in the Queensland Championships next month. Queensland Amateur Swimming Association executive last night decided to telegraph Rose an invitation. It was decided to ask Rose because Queensland now lacks a "star" with Weld out.

Rose was to have toured New Zealand with backstroker David Theile from January 25 to February 12, but the New Zealand Association yesterday cancelled the tour because of lack of funds.

Rose, who holds the national freestyle 440 yards record at 4m 37.5s, will automatically contest the event if he accepts. He will also be requested to enter the freestyle 100 metres and 200 metres.

The executive decision to invite Rose to the titles is sound, although opposition is likely from some quarters. Without a big name, the men's events on this year's championships would be only average. Rose will get plenty of opposition in the 100 metres sprint from Maryborough youngsters Barry Tudman and Ken Harper. In the 200 metres field he should find Bobby Burns and Steve Wilkes strong contenders. Burns and Wilkes do not have much chance of beating Rose in the 400 metres, but could push him to a fast time.

THEILE A LATE ENTRY

The executive also decided last night to accept the late entry for the State titles from David Theile. From Maryborough Theile telegraphed nomination for nine events. They include freestyle, backstroke, and butterfly events, as well as medley.

The executive also decided to again nominate secretary, Bill Holland, for Australian selector. Holland has only missed once since being first elected a selector in 1946.

Jan Munro was given permission to fly to Adelaide on February 15 to prepare

for the national titles on February 18. Munro suffers from air sickness, and wants time to recover. The State squad leaves on February 16.

The National Water Polo Championships will be held in Perth from February 6 to 13. South Australia, Western Australia, and Victoria have entered.

QASA wants billets for three Mt Isa girl swimmers (12 to 13 years) from January 20 to February 6.

C.M. Saturday 22 January 1955

DONOHUE TO SWIM IN Q'LD TITLES

Australian 1650 yards swim champion, John Donohue, will compete at the Queensland titles to be held at the Valley pool from January 28 to February 5.

Donohue is the third Sydney swim champion to be booked for the titles. The others are Murray Rose and David Johnson. All three are juniors, but will contest open events here. Donohue will start in the 400, 800 and 1500 metres freestyle, Johnson in the junior and open breaststroke events, and Rose in the 100, 200 and 400 metres freestyle.

Queensland should have one of the best swim meetings on record with these three southern stars in action. A big team of country swimmers is in Brisbane training for the titles with leading metropolitan competitors.

C.M. Tuesday 25 January 1955

ROSE AFTER SWIM RECORD AT TITLES

By Tom Linneth

Sydney freestyler, Murray Rose, will attempt to break the Australian 800 metres swim record in Brisbane. Rose will make his bid during the Queensland swim championships on February 2. His other Queensland title event will be in the freestyle 400 metres on February 3.

The record is now held by Empire Games representative Gary Chapman who clocked 9m 52.4s for the distance. Coach Sam Herford is confident Rose will lower that mark.

Barry Tudman, of Maryborough, has been out of training since last Friday with a ruptured right shoulder muscle.

Last night Jan Munro clocked two impressive times in the metropolitan clubs carnival at the Valley pool. She covered 100metres freestyle in 70.4sec, and 50 metres butterfly in 40sec.

WELD'S THREE

Her freestyle time was only 0.4sec outside her best effort in Queensland. Her butterfly time was 2sec short of her best performance.

Empire Games representative, Cyrus Weld, although out of training, won three major events. Weld had no trouble in taking the open freestyle, backstroke, and butterfly.

Young John Fingleton clipped 1.1sec off the State Under 12 freestyle time for 50 metres. Fingleton easily recorded 32.2sec. He also comfortably won the backstroke event.

(Photos of Munro and Weld swimming)

C.M. Friday 28 January 1955

SYDNEY BOY SHATTERS WELD SWIM RECORD

By Tom Linneth

Fifteen-year-old Sydney freestyler, Jon Donohue, shattered Cyrus Weld's junior 400 metres swim record at the Valley pool last night. Donohue cruised over the distance in 4m 53.1s. He could have made much better time. His win also beat Weld's resident record by 4.5sec.

Early yesterday morning Donohue trained over four miles in Sydney before flying to Brisbane for the titles. Last night Donohue was told to take the race easily, and he did. At every turn the Sydney boy stopped to look back at the rest of the field.

Donohue holds the Australian open 1650 yards freestyle title, and New South Wales junior 440 yards championship. His lap times last night were - 100 metres 1m 7.2s, 200 metres 2m 22.2s, 300 metres 3m 38.4s.

Jan Munro last night clocked her fastest time for freestyle 100 metres. She registered 67.9sec which would have enabled her to compete in the final of the Helsinki Olympic Games swim. This is the best time recorded by a Queenslander. Best time recorded previously was Dorothy Grier's 69.8sec.

In a heat just before Munro swam, Grier again equalled this time.

Munro said she hopes to cut her time down to 67sec tonight.

Grier was pushed out in her heat last night by Toowoomba girl Gwen Grainger who led for the first 50 metres. Munro, on the other hand, had no opposition at all.

The final line-up tonight of Munro, Grier, and Grainger, should be one of the carnival's most exciting events.

DICKER'S SURPRISE DEFEAT

Kyogle farmer, John Brown, caused one of the night's shocks by defeating Queensland's top breaststroke swimmer, Fred Dicker, of Gladstone. Brown comfortably took the first heat of the breaststroke open 200 metres in 3m 2.8s. He led Dickey all the way and won by 0.7sec. Last season Dickey represented Queensland at the national titles and gained a third placing.

Estelle Jay was most impressive in defeating seasoned breaststroke swimmer Kay Stewart in the open breaststroke 200 metres heat. Former English girl, Phoebe Payne of Townsville, won the other heat.

RACE RECORDS

Three race records were broken during last night's heats.

In the freestyle Under 12 50 metres dash, Graham Tait of Maryborough, clocked 33s to cut Tommy Brandon's race time of 33.1s. Two heats later, Valley boy John Fingleton reduced the time to 32.6sec.

Tommy Brandon, of Mt Isa, took his country junior freestyle 50 metres heat in 29.1s.

Brilliant youngster, Barry Tudman of Maryborough, registered 27.7sec in his heat. Tudman withdrew from the open freestyle 100 metres. He is still having trouble with his shoulder.

Ken Harper who recovered from polio to compete in the titles, recorded the fastest heat time for the open freestyle 100 metres. He clocked 61.4s. Ken Wiles won his heat in 63.3sec.

(Complete results given)

C.M. Saturday 29 January 1955

THEILE SETS SWIM RECORD

By Tom Linneth

Maryborough backstroke swimmer, David Theile, last night clocked the world's fourth fastest time to smash the national 100 metres record in the State titles at the Valley pool. Theile, 16, clocked 66.2sec to beat Percy Oliver's 18 year old Australian record by 1.7sec. He was competing in the final of the intermediate division. His time also cut Oliver's Queensland record by 2.4sec and Cyrus Weld's intermediate time by 3.1sec.

Theile, who is trained in Maryborough by Arthur Cusack, is an Olympic Games prospect. Last night he flashed away from the blocks in a perfect start and swam in easy style. Theile's 66.2sec is only 1.1sec slower than Frenchman Bozon's top time which made him the world's fastest.

Brilliant Sydney freestyler Jon Donohoe bettered the junior freestyle 400 metres record he set on Thursday night in a heat. Last night Donohue recorded

4m 49.4s to improve on his previous performance of 4m 53.1s. His new time was 17.9sec faster than Cyrus Weld's junior record, and 6.2 sec faster than Weld's resident record.

Australian junior breaststroke champion David Johnston, also from Sydney, won the open 200 metres championship. Johnston finished brilliantly to defeat John Brown of Kyogle in 3m 1.8s. Fred Dicker of Gladstone was third.

JAN DOES IT AGAIN

Jan Munro on Thursday night recorded her fastest freestyle 100 metres time with 67.9sec in a heat. Last night she bettered it with 67.6sec in the open 100 metres sprint. Munro pulled away from Dorothy Grier, of Bundaberg, with Lyn Chamberlain, of Brisbane, finishing well for third place. Munro's time makes her the tenth fastest woman in the world.

Other records at last night's finals were:-

Barry Tudman (Maryborough) swam 27.1sec for the country freestyle junior 50 metres to cut his race record by 0.4sec.

John Fingleton (Brisbane) recorded 32.2sec in the freestyle Under 12 50 metres - 0.4sec faster than his race record.

Bobby Burns (Brisbane) with 5m 3.5s improved on his freestyle intermediate 400 metres race record by 1sec.

Brian Brymer (Rockhampton), with 36.9sec in the backstroke sub-junior 50 metres, beat the race record by 0.4sec.

(Full details given)

C.M. Tuesday 1 February 1955

THEILE EQUALS GAMES TIME

By Tom Linneth

Maryborough backstroker David Theile last night equalled the Olympic Games 100 metres record with a 65.4sec swim in the State titles in the Valley pool. It also clipped his Australian record of 66.2sec set on Friday night by 0.8sec.

The performance places Theile No 3 in the world times of last year. It was only 0.3sec outside the fastest last year held by the Frenchman Bozon at 65.1sec.

Theile, just turned 17, could develop into one of the most amazing backstrokers in the world. Last night he won by 8.6sec. He was not on top pace, and with pressure his time would have been improved. Theile went down the first lap in 31.1sec, against his 35sec lap last Friday.

Freestyler, Jan Munro, last night clearly established herself as our best woman freestyler in taking the open 400 metres. Munro went away from the brilliant Dorothy Grier, of Bundaberg, to win in 5m 23s. This time was 8.2sec better than Olympian Denise Spencer's resident Queensland record.

TUDMAN'S FINE SWIM

Maryborough freestyler, Barry Tudman, equalled his 100 metres junior record with a 61.1sec swim. Tudman has thrown off his shoulder trouble and should further reduce his sprint time during the titles.

Peter Andersen, 14, showed remarkable courage to cut 24sec off the open butterfly stroke race record. He clocked 2m 58.3s. Earlier in the evening Andersen won the junior championship to also beat the race record.

So far in the four title meetings two Australian, seven Queensland, eight resident, and 28 race records have been toppled.

ROSE AFTER RECORD TIMES IN BRISBANE
By Tom Linneth

Top Australian freestylers Murray Rose and Jon Donohoe will attempt to crack the Australian freestyle 800 metres record at Valley pool tonight. State record time is held by Empire Games representative Gary Chapman. Steve Wilkes, Queensland's outstanding surfer, is also in the final.

SWAM UNDER WATER

Breaststroker, Peter Andersen, caused a stir by swimming 50 metres of his 100 metres heat under water. Andersen dived off the blocks and did not come up until he reached the other end. Normally, most breaststrokers in Brisbane only do up to 15 yards under water. He led under water for the first 50 metres but fell back to finish third to national contender, Fred Dicker of Gladstone.

TWO AUSTRALIAN SWIM RECORDS BROKEN
MURRAY ROSE BEATS CHAPMAN'S TIME IN STATE 800 TITLE
By Tom Linneth

Sydney schoolboy, Murray Rose, last night shattered the Australian freestyle 800 metres record in his State title swim at the Valley pool. He swam effortlessly o'clock 9m 47.8s and better Gary Chapman's record of 9m 54.5s. Rose, 16, moved through the water with machine-like action to beat Sydney rival Jon Donohoe for his record.

Rose beat Donohoe, a recognised miler, by 6 sec. Queenslander Bobby Burns was third.

David Johnson, another Sydney schoolboy, later in the night broke the Australian junior breaststroke 100 metres record. Johnson registered 1m 24.3s to beat his own time by 0.1sec.

Johnson was pushed right out by Maryborough lad, John O'Donaghue, to set his junior record. The Sydney lad touched the "50" with Fred Dickey of Gladstone, who finished third. O'Donaghue was only 1sec behind Johnson, which was first class, as Johnson is a brilliant performer.

Queensland freestyle sprinter, Barry Tudman, of Maryborough, also figured in the record breaking list. He knocked 0.2sec off the State junior 200 metres time with a 2m 20.8s swim. Barry Tudman was pushed out by Ross Murray of Brisbane for his record. Murray came home with an amazing finish and just failed to catch Tudman.

Jan Munro clearly established herself as our best woman freestyler by taking the open 200 metres. Her time of 2m 31.7s beat Olympian Denise Spencer's State resident record of 2m 34.2s. But Munro only just won. Dorothy Grier of Bundaberg finished strongly and just failed to peg Munro back. Had Grier gone a little faster in the first lap she would have won.

HAS FOUR RECORDS

Munro has now set records to take every open freestyle title. They were over 100, 200 400, and 800 metres.

Rosemary Lassig (Bundaberg) set a new race record in winning the junior freestyle 100 metres championship.

Peter Andersen (open butterfly stroke open 100 metres) and Cyrus Weld (open freestyle 50 metres) were the other impressive winners

Toowoomba girl, Gwen Grainger, beat Australian record holder Lyn Chamberlain to win the open backstroke 100 metres.

JAN MUNRO SHATTERS AUSTRALIAN RECORD
ROSE'S EFFORT FAILS
By Tom Linneth

Brisbane schoolgirl, Jan Munro, 16, last night broke the Australian butterfly stoke record in the State titles at the Valley pool. But Sydney freestyle wonder, Murray Rose, missed in his record attempt by only 0.2sec.

Munro lowered the national 100 metres time with a sensational 1m 26.3s swim. It was 2.7sec faster than Lesley Campbell's standing time of 1m 29s. Campbell, a Brisbane girl, decided to retire from competitive swimming this season. When Munro heard that Campbell was retiring she decided to enter for the Queensland champion- ship.

USED NEW KICK

Last night was the first time Munro had contested a big butterfly stroke event. Her performance was really "something out of the box". She used the dolphin kick which has recently been introduced into Australia.

Munro led all the way to defeat Kay Stewart and Lyn Potter. She looks certain to win the Australian title at Adelaide this month. She now looms as a big prospect for the 1956 Olympic Games in Melbourne.

Earlier in the night, Munro won the freestyle open 50 metres in 30.3sec. This establishes a new Queensland resident record. It was 0.1sec faster than her previous best time.

Munro has now won every major women's freestyle event. She has set new Queensland resident records in each race. Her freestyle victories have been over 800, 400, 200, 100, and 50 metres.

GRIER SHOCK

Shock of last night's 50 metres was Dorothy Grier of Bundaberg. She failed to gain a place. Lyn Chamberlain of Brisbane came in second, and third was Gwen Grainger of Toowoomba.

Murray Rose missed his Australian record because he went too fast in the first of his eight laps, and could not maintain the pace. Rose recorded 4m 39.5s which was 0.2 sec outside Gary Chapman's top performance. However, it was a new Queensland record, bettering Chapman's best swim here of 4m 44s by 4.5sec.

IN TOP CLASS

Cyrus Weld showed last night he is really in world class. Weld swam 60sec in a heat of a relay. As he has not been training, this is a performance of great merit. Weld was the first Queenslander to record 60sec for a freestyle 100 metres.

Rosemary Lassig, 13, of Bundaberg, registered 40.7sec to equal the breaststroke sub-junior 50 metre raced record.

Dave Billingham, 34, caused a big upset by winning the men's open breaststroke 100 metres. He defeated juniors John O'Donaghue (Maryborough) and Fred Dicker (Gladstone). Australian record holder, David Johnson of Sydney, did not look well, and missed a place.

Ann Stewart won the sub-junior 50 metres title and the junior backstroke championships within ten minutes.

7 COUNTRY GIRLS CHOSEN
YOUNGEST SWIM TITLE SIDE YET
By Tom Linneth

Two 13-year-old country girls, Rosemary Lassig and Fay McKillop, have been selected in the youngest Queensland team for the national titles. Seven of the nine fully-paid team are country swimmers. Four of the eight to go at their expense are also from the country.

The Australian championships will start in Adelaide on February 19.

The paid team is:-

Men - P.Andersen (14, Brisbane), J.O'Donaghue (16, Maryborough), D.Theile (17, Maryborough), B.Tudman (15, Maryborough).

Women - G.Grainger (18, Toowoomba), D.Grier (18, Maryborough), R.Lassig (13, Bundaberg), F.McKillop (13, Townsville), J.Munro (16, Brisbane).

Team to go at own expense:-

Men - R.Burns (17, Brisbane), F.Dicker (16, Gladstone), I.Mitchell (23, Brisbane diver), R.Murray (14, Brisbane).

Women - L.Kingston (13, Brisbane), P.Payne (14, Townsville), L.Potter (14, Gladstone), A.Stewart (12, Bundaberg).

EYE TO FUTURE

This is a good team. It has been selected with an eye to the future. We can get at least eight victories. On Australian championship performances all of our 17 are capable of places.

Wins should come from Andersen (junior butterfly), Theile (backstroke), Munro (medley and butterfly), Tudman (junior freestyle), McKillop (junior freestyle), O'Donaghue (junior breaststroke), women's medley relay team.

Gwen Grainger's inclusion was the only surprise, but she is needed for backstroke to clinch the medley relay.

Queensland is Australia's top State in women's swimming. All-round we are second to New South Wales.

The clash between Crapp and Munro will be one of the championship highlights.

Dorothy Grier could win the freestyle 440 yards with any luck.

The team will leave Brisbane by air on February 16. Team Manager is Sid Connell and Chaperone Mrs A.Andersen. Bren Lyons is delegate to the Conference.

DAVID THEILE AND JAN MUNRO LOOK CERTAINTIES
Q'LD SWIMMERS NOW TOUR HOPES FOR HAWAII
By Tom Linneth

Queensland swimmers David Theile (Maryborough) and Jan Munro (Brisbane) appear to be certain to be sent to the Hawaiian championships in June. Australia has been asked to send a team of four men and one woman to the Honolulu carnivals.

Theile, 17, is the fastest backstroke 100metres long course swimmer in the world at present. He is rated by Australian swim officials as our top performer with brilliant freestyler Jon Henricks.

Sydney coach, Frank Guthrie, said in a telephone talk last night that Lorraine Crapp, Australia's No 1 woman, was not available for Hawaii. Jan Munro, 16, is the second woman to Crapp, and is the automatic choice to take her place.

C.M. Wednesday 16 February 1955

LANGLANDS PARK SCHEME
DISAGREEMENT ON SWIM POOL

Aldermen disagreed at yesterday's City Council meeting on the stage reached in planning the Langlands Park (Stone's Corner) swimming pool. The Establishment and Co-ordination Committee had reported that the pool design was at a stage where consulting architects should be engaged.

The Council approved the committee's recommendation to engage Conrad and Garget to complete the design on a fee of a percent of the cost of the work they designed.

However, the Lord Mayor (Ald Roberts) told the meeting that the architects were being engaged on the relatively minor job of laying out the pool buildings.

"LAYOUT FIXED"

The pool layout has been decided, and Council design engineers would complete working plans within a fortnight. It would then be possible to start building the pool. Meanwhile a discussion would be made on whether the pool would be built by day-labour or by contract.

The Citizens Municipal Organisation Leader (Ald Groom) said that Ald Roberts statement was untrue, because if working drawings were nearly ready, it would not be necessary to engage architects to prepare the pool design as was proposed by the Establishment and Co-ordination Committee.

The C.M.O. Acting Deputy Leader (Ald Rudd) said the pool project was election propaganda. The Council had allocated twenty five thousand pounds for the pool, but a pool of its type could not be built under one hundred and fifty thousand pounds to two hundred thousand pounds.

"INDICATE PRICE"

The decision was giving the architects a free hand and the Council should indicate what it was prepared to spend. Water was likely to be struck 2½ feet below ground level, Ald Rudd added.

The Vice Mayor (Ald Bennett) said the twenty five thousand quoted by Ald Rudd was only the budget allocation for this financial year.

Outside the Chamber yesterday, the Works Committee Chairman (Ald Glover) said excavation working plans would be ready about March 15, and a start would be made on excavating before the end of March.

C.M. Saturday 19 February 1955

Q'LD SWIMMERS START WELL
JAN MUNRO SET FAST TIME IN HEAT IN MEDLEY

Adelaide - Queensland schoolgirl Jan Munro registered the fastest heat time in the women's medley at the national swimming championships last night. Jan, winner of the second heat, clocked 3m 7.5s against Pattie Moran (NSW), who swam 3m 8.4s in the first heat.

Munro was lucky to win her heat in the open freestyle 440 yards. She defeated Pam Barton of New South Wales by a touch. Munro's time was 5m 40s. Barton clocked 0.2sec slower.

In the junior freestyle 220 yards, Faith Leech (Vic) won the heat in which the Queenslander Lynette Kingston finished third.

Maryborough youngster Rosemary Lassig was fourth in the other heat, and just managed to qualify.

In the junior breaststroke, two Queenslanders, Rosemary Lassig and Phoebe Payne, qualified after gaining placings in the heats. Lassig was drawn in the same heat as the NSW champion, Betty Sykes, who clocked 1m 20.5s against Rosemary's 1m 33.3s.

In the junior men's freestyle 440 yards Peter Andersen of Queensland was third in his heat. Queensland's Ross Murray won the second heat in the slow

time of 5m 18.8s. Both Andersen and Murray qualified for the final.

Only Queenslander to qualify in the freestyle 220 yards was Bobbie Burns who clocked 2m 25.8s against the fastest of the night by Murray Rose of 2m 14.5s.

GAMES SWIM TRIALS DELAY TEAMS

By Tom Linneth

Australia's 1956 Olympic Games swim team will not be announced until a month before the Games. It will be named after a week of special trials, most likely held in Melbourne.

Squads will be selected after the Australian championships in Sydney next season, and will undergo intensive training during the winter months. Because of the southern winter, the squads are expected to train in Queensland, most likely in Townsville or Bundaberg.

Almost every member of the State team will compete in heats tonight. Most important events are the junior men's freestyle 110 yards and the women's open freestyle 110 yards. Barry Tudman (Maryborough) and Ross Murray (Brisbane) are in the men's event. Jan Munro (Brisbane) and Rosemary Lassig (Maryborough) will contest the women's event. Finals will be held tomorrow night.

(Picture - Jan Munro after she had won the Australian women's 220 yards medley swim titles at Adelaide on Saturday night. B.Bainbridge and D.Fraser, both of New South Wales, filled the placings.)

C.M. Tuesday 22 February 1955

QUEENSLAND SWIMMERS IN FINAL

TUDMAN CLOCKS FASTER 110 TIME THAN ROSE

Adelaide - Barry Tudman of Maryborough swam the fastest time in the heats of the Australian 110 yards junior freestyle here last night. He recorded 1m 1.2s. Murray Rose of NSW recorded 1m 1.8s in his heat in which Queenslander Ross Murray swam third.

Another Queenslander, Bobby Burns, swimming in the same heat as Murray Rose finished third in a time of 5m 5.3s to qualify for the men's freestyle 440 yards.

In the second heat of the junior men's breaststroke 110 yards, John O'Donaghue swimming 1m 27.2s narrowly defeated J.Ford of NSW and Victorian F.Maloney. O'Donaghue's time was well behind the first heat winners.

JAN'S DOUBLE

The young Queensland star Jan Munro won the heats of both her events last night. In the women's 110 yards butterfly stroke she registered 1m 31.4s, and in the women's 110 yards freestyle she swam 1m 13.2s. Another Queenslander, Lynette Potter, also qualified for the final.

C.M. Wednesday 23 February 1955

RECORD BY JAN IN BUTTERFLY 110 TITLE

Adelaide - Brisbane schoolgirl Jan Munro last night broke an Australian record to win the national women's open butterfly stroke 110 yards title. Munro used a double dolphin kick in setting her time of 1m 25.3s, which is 2.1sec faster than the standing record. She later finished second to Victorian Faith Leech in the open freestyle 110 yards event.

Munro convincingly defeated New South Wales youngster Dawn Fraser and Patty Moran in the butterfly stroke. It gives Jan her second Australian title.

Earlier she won the open medley.

Munro said she felt very tired in the freestyle sprint, which was four events after the butterfly. "I put everything I had into the butterfly race and my arms felt like lead in the next event," she said. Munro now intends to concentrate on butterfly stroke. She looks a certain Olympic Games representative in this stroke.

ROSE BEATS TUDMAN

Maryborough sprinter, Barry Tudman, finished second to Murray Rose (NSW) in the junior freestyle 110 yards. Rose led all the way but only defeated the Queenslander by little more than a touch. Rose's time was 59.9 sec, Tudman 60.6sec, which is one of his best efforts.

David Johnson defeated John O'Donaghue to win his third Australian open breast-stroke 110 yards title. Johnson's time was 1m 23.5s and O'Donaghue 1m 25.1s. It was the Queenslander's first national championship meeting.

Queensland's women's medley team (Grainger, Lassig, Munro and Dorothy Grier) finished third to New South Wales.

C.M. Friday 25 February 1955

JAN'S 880 MAKES IT THREE AUST TITLES

Adelaide - Queensland's Jan Munro won her third Australian title yesterday when she beat teammate Dorothy Grier in the women's national 880 yards freestyle championship at Olympic Pool. With the absence of world record holder, Lorraine Crapp, the race lost a lot of interest. Jan's time of 11.28.8 was 2secs inside Denise Norton's 1949 record.

(Full results given)

C.M. Monday 28 February 1955

JAN BEATEN - BUT TAKES TREE SWIM TITLES

By Tom Linneth

Brisbane schoolgirl Jan Munro was unexpectedly defeated on Saturday in the Australian women's freestyle 220 yards title by Dawn Fraser of New South Wales. But despite Munro's freestyle failures - she won only the 880 yards - she emerged as Australia's top all-round woman.

Munro went away with big prospects of becoming Australia's top freestyler. She is now a definite Olympic Games butterfly stroke possibility. Jan took out the medley, butterfly stroke, and 880 yards championships. It was a particularly good effort, as she is now only 16. If Munro concentrates on Butterfly stroke her potential is practically unlimited, whereas her freestyle seems futile.

PROMISING

Queensland's women's team all round showed good promise for the future. It was a young squad sent away with the idea of developing talent.

Bundaberg youngster, Ann Stewart, finished third in the backstroke 110 yards event on Saturday.

C.M. Tuesday 1 March 1955

JAN TO PUT BUTTERFLY SWIM FIRST
By Tom Linneth

Queenslander Jan Munro will attempt the world's hardest swim style in preparation for the Olympics. Munro will now make butterfly stroke her main event under Sydney coach, Harry Gallagher.

Jan won the Australian 110 yards title in record time at Adelaide with only three weeks preparation. She used the double dolphin kick with this stroke and is the only Australian to master it.

NEW KICK

She will attempt the triple kick which overseas stars are finding difficult to master. Munro should be in world standard when she starts training again after the winter break.

Her Australian 110 yards time was 1m 25.3s. The world's best 100 metres time in a 25 metre pool is 1m 16.9s. Munro's time, converted to metres brings her down to 1m 1.7s. This is only 2.8sec outside the world's leading butterfly stroker, which is outstanding considering Munro was not ready for that race.

David Theile, who is now competing at Alice Springs, was Queensland's only other title winner. He won the backstroke 110 yards.

C.M. Tuesday 27 September 1955

PREPARING FOR OLYMPIC GAMES
PLAN TO TRAIN JAP. SWIMMERS HERE
By Tom Linneth

The Japanese Olympic Games swimming team is likely to do its pre-games training in Brisbane, following negotiations with Casino to train there falling through. Japanese officials had hoped to have their swim camp at Casino for some time before moving south.

AUSTRALIA'S PLANS

The Australian team will most likely be training at the Valley pool in July and August, and miss Townsville. As Australia has first choice of training camps, it will mean that Townsville will also get the Japanese for a period.

The Japanese would be able to train in the north until Australia finishes in Brisbane in August. The provisional estimated cost to train the Australian squad was £4000, but the latest estimate is £6000. The New South Wales Swimming Association Secretary, Syd Grange, said this in Sydney yesterday.

FAVOUR BRISBANE

The Queensland Amateur Swimming Association was in favour of Brisbane being Australia's headquarters. Ipswich and Toowoomba should also see carnivals in which the Australian swimmers compete.

South Australia wants Melbourne to be the Olympic training camp, but is almost certain to be outvoted. Victoria has only a few Games swimmers and is prepared to let Queensland look after the squad.

C.M. Tuesday 4 October 1955

JUNIOR STUDENTS COACH SCHOOL MATES
By Tom Linneth

Brisbane has two of the youngest and keenest swim coaches in Australia. They are Brisbane Grammar boys Trevor Cichero and Mossy Dowling. Cichero and Dowling are now the trainers of the Brisbane Grammar swim squad of 40 students.

On Friday afternoons they hold races for age groups over GPS championship distances. Times of every swimmer are logged each week.

Cichero is the son of Queensland Amateur Swimming Association Executive member, Eric Cichero, and Dowling is the son of Dr Dowling who will be elected unopposed as President of the QASA next Monday night.

C.M. Friday 7 October 1955

HENDRICKS WILL USE QUEENSLAND SWIM AS WARM-UP
By Tom Linneth

Jon Hendricks, world's fastest freestyle sprinter, will compete in the Queensland Champion- ships this season.

In Sydney last night, Hendricks said he would use he State titles as a warm-up for the Nationals in February. Hendricks said he wanted to make this his

"best season ever". "My object is to win a gold medal for Australia at the Melbourne Olympic Games. I hope to get an invitation from the Queensland Amateur Swimming Association soon to go to Brisbane," he said.

Hendricks has just been refused permission by the New South Wales Association to tour South Africa.

The Queensland championships will most likely start at the end of January. They are followed by the Australian Championships which have been allocated to Sydney some time in February.

Hendricks said he wanted to swim mainly in the Queensland freestyle 100 metres and 200 metres events. He was also prepared to appear in the butterfly stroke and some other events which would suit Queensland officials.

ROSE WOULD COME AGAIN

Owing to New South Wales cancelling his South African tour, Hendricks would now be available for Queensland. Queensland officials now have a big chance of making the Queensland titles the biggest ever. If it includes Hendricks and other top performers, it could start another boom in State swimming.

Murray Rose is prepared to come to Queensland again and, with John Devitt, Gary Chapman and Lorraine Crapp, Rose could form a sensational team round Hendricks.

It was proved last season to southerners that the State championships could be used as a good preparation for the Australian titles.

THE STANDARD HIGH

Sydney boys, David Johnson, (breaststroke) and John Donohoe, (freestyle), went on to take national events after the Queensland titles. Queensland's swimming standard is at present high. We were second State in men's and women's events at the last Nationals.

Hendricks will have a busy season starting with a tour of Western Australia and South Australia in November. He will have his training schedules checked by coach Harry Gallagher when in Adelaide. Hendricks was to have been trained by Professor Frank Cotton when Gallagher switched from Sydney to Adelaide, but Professor Cotton's death left him without a coach in Sydney.

C.M Thursday 13 October 1955

Q.A.S.A PROBES ON ALLEGED PROFESSIONALS.

By Tom Linneth

The Queensland Amateur Swimming Association officials are investigating the allegation that a Gladstone Club is linked with professionals. The claim has been made against the Western Suburbs Club, Gladstone. If it is proved the Club has members who are professionals, it could mean life suspension for the Club. The Western Suburbs area breakaway formed from the Gladstone Club members. The QASA investigations have been handed over to State Secretary, Bill Holland.

The Queensland Championships have been allocated to the Valley Pool from January 27 to February 4 next year. A move to have the titles brought forward a week was ruled out because they would have clashed with the New South Wales titles and prevented Jon Hendricks and other southern stars from coming to Brisbane.

Joe Emerson has been defeated in his nomination as a Queensland selector. Last season's selectors, Bill Holland, Norm Burn, and Garney Nankaville were re-elected.

Three new men have been elected to the QASA Executive, Norm Burn, George Morris and George Marr. They will go into office with Nankaville and Eric Cichero.

Queensland officials have been notified that Mexican diver, John Capilla, will not tour Australia this season.

C.M. Wednesday 19 October 1955

DIVERS FOR BUNDABERG
By Tom Linneth

Negotiations are under way for the Australian Olympic Diving Team to train at Bundaberg. This was announced last night by the Queensland Amateur Swimming Association Secretary (Bill Holland). He said a new 55 yards pool with diving depth of seven feet six inches deep was being constructed at Bundaberg. This would be sufficiently deep for Australia's three metre competitors to train in safety. If Bundaberg install up-to-date diving facilities, they would have a good chance of getting the Olympic divers. Brisbane does not have a diving pool up to Olympic standard, but Olympic swimmers will train in Brisbane before going south to complete their preparations.

C.M. Friday 4 November 1955

]

RECORD TIME FOR 100 YDS BACKSTROKE

Maryborough - Seventeen-year-old Maryborough schoolboy, David Theile, in a solo swim last night, clipped three-fifths of a second off his Australian backstroke record for 100 yards. Theile covered the distance in 58.6secs, which is 2.9secs slower than the world record time of 55.7secs by Yoshi Ovakawa (United States) in 1954. He holds the Australian records for 100 yards, 100 metres, and 110 yards.

Theile, who is one of Australia's best Olympic swimming prospects, glided over the first lap of the course in 18.1secs. At the end of the second lap he covered the distance in 37.2secs. He finished with a great burst to break his own record.

The swim puts Theile among the first three fastest backstrokers in the world. Last year he was rated fourth.

Ken Harper, at last night's carnival, broke the Queensland 220 yards record of 2m 24.8s established in 1928 by Reg Grier. Harper's time was 2m 22.9s. He also lowered his own record of 2m 25.5s for the baths.

C.M. Thursday 24 November 1955

TWO MORE STARS IN QLD. SWIMS
By Tom Linneth

Two more Australian champions plan to compete in the Queensland Swimming Championships to be held at the Valley pool from January 27 to February 4. They are John Donohoe (freestyle) and David Johnson (breaststroke) from Sydney.

National champions Jon Henricks and Murray Rose have already agreed to compete.

Donohoe won the Australian junior men's freestyle 440 yards at Adelaide and Johnson the junior men's breaststroke 110 yards. They used the last State championships as a warm-up for the nationals and did exceptionally well here.

FINGLETON'S FAST SWIM

Promising youngster, John Fingleton, last night unofficially broke his State Under 12 freestyle record at the Valley pool. Fingleton clocked 30.8secs over 50 metres in the mercantile carnival swim.

Ross Muray impressively took the junior freestyle 100 metres, and Wilf Arnold won the open breaststroke 100 metres.

The Elphinstone Shield was won by Thomas Playfair No 1 team from Exton's and Olympic Rubber No 2.

C.M. Thursday 8 December 1955

GIRLS COME BY AIR FOR SWIM TITLES

Three Bundaberg girls will fly to Brisbane tomorrow afternoon for the Queensland women's swim championships at Valley pool tomorrow night. The country girls are Rosemary Lassig, Ann Stewart, and Sandra Holmes.

They will finish scholarship examination papers today, and could not leave by train with the rest of the team yesterday.

Queensland representatives Lassig and Stewart will be having their first serious tryouts for the season.

Lassig will most likely compete against Brisbane girl, Lyn Kingston, who also made the State team last season.

VARSIITY TESTS

Cyrus Weld (Q) and John Hayres (NSW) will have their first clash for Olympic games selection in Brisbane. They to oppose each other at the Australian Universities championships starting December 19.

(Photo of Toowoong Manager-coach, Ronnie Hancock, timing his daughter junior free-styler Sue.)

BUTTERFLY STROKE RECORD BY ANDERSON

By Tom Linneth

Gregory Terrace schoolboy, Peter Andersen, last night broke the Australian junior men's butterfly stroke 100 metres record at the Valley pool. Anderson recorded 1m 13.5s to better the existing time by 0.4secs. His performance puts him inline for Olympic Games selection next year.

Anderson swam on his own for the record attempt, at the women's championship meeting. The Australian record of 1m 13.9s was held by Ron Sharpe of New South Wales.

Anderson's 1m 13.5s also broke the Queensland open, junior and best by a Queenslander records.

"NOT AT TOP"

Coach Bill Fleming said after the record, "Peter is not yet at his top. He will get down to 1m 10s later."

Ipswich youngster, Judy Whybird, caused a major upset in the women's open breaststroke 50 metres. She beat Bundaberg girl Rosemary Lassig who finished third in the last Australian championships. Whybird had a comfortable win. Her time was 40.3sec which was 1.3sec faster than Lassig. Lassig later won the junior freestyle 50 metres title from Patty Gail of Brisbane.

Lyn Kingston, of Brisbane, again showed she is one of the State's best swimmers by taking the sub-junior freestyle 50 metres. She pressed State representative Ann Stewart (Bundaberg) in the backstroke events, and was only 0.5sec away in the final.

Empire Games breaststroker, Jann Grier, of Bundaberg, won the open breaststroke 50 metres. Grier had been forced to give up breaststroke because of a knee injury, and is now concentrating on backstroke. She was beaten by Ann Stewart in a heat, but went on to beat Lassig and Pegg (Maroochy) in the final.

FOR UNIVERSITY NATIONAL TITLES
ARNOLD, WELD IN TEAM
By Tom Linneth

Australian champions Cyrus Weld and Wilf Arnold were named in the State University swim team. Weld and Arnold won their University championships at the last Melbourne titles.

The squad is - C.Weld, W.Arnold, M.Trenerry, R.Treffene, R.Rogers, J.Kingston, and R.Wiles.

Bob Treffene, who has shown promise in recent seasons will be another god stringer for Queensland after Weld and Arnold.

Nartin Trenerry (from Toowoomba) and Rodney Rogers will help to form a good relay team with freestyle sprinters Weld and Arnold.

C.M. Tuesday 10 January 1956

MUNRO NOT TO DEFEND TITLE
By Tom Linneth

Jan Munro, Australian butterfly stroke record holder, will not defend her title at the national championships in Sydney in February. Jan's decision is one of the biggest swim shocks of the season.

Arrangement of the Australian championship programme has forced Munro to withdraw. The butterfly stroke will be held about 40 minutes before the freestyle 110 yards final. As many top freestylers are also good butterflyers, the programme was poorly planned. Munro cannot afford to knock herself up in the butterfly with such hot competition in the freestyle sprint. She looks certain to be our No 2 sprinter to Lorraine Crapp and she wants to hold this place.

Even if Munro misses the national butterfly stroke title, she is certain to be No 1 butterfly swimmer for the Games.

At Adelaide on Sunday she broke her Australian 220 yards medley record of 3m 0.2s with a 2m 57s swim.

IN STATE TITLES

Munro will contest the seven events for which she holds records at the State championships. They are freestyle 50, 100, 200, 400, and 800 metres, the butterfly stroke 100 metres, and medley.

The Queensland titles will start on January 30, and will be our biggest yet. They will be followed by the Australian titles at Sydney on February 17.

The Australian Olympic Games squad for winter training in Brisbane will be announced after the nationals.

MANAGER CHOSEN

Country Vice-president, Dr Theile, of Maryborough, has been appointed manager of the State team for the national titles. Dr Theile who is also a State timekeeper is father of Australian backstroke champion, David.

Mrs J.Ross, State women's President, was appointed chaperone.

The Central Queensland championships have been allocated to Rockhampton. Tentative dates are March 9 and 10.

C.M. Wednesday 11 January 1956

THEILE IN ALL OUT BID FOR OLYMPICS

By Tom Linneth

David Theile, Australia's crack backstroke swimmer, will miss the University this year to prepare for the Olympic Games. He plans to follow his father's footsteps and study to become a doctor after the Games.

Theile, 17, can be ranked as one of Australia's greatest swimmers. His Australian record for 100 metres, 65.4sec equals the Olympic Games record held by Japanese-American Yoshio Oyakawa.

Theile has improved out of sight this season under Maryborough coach, Arthur Cusack, and looks certain to better his time.

Theile, Cyrus Weld, and Jan Munro, are expected to go to Sydney immediately after the State titles. They are our top representatives and want to get early training for the nationals which start on February 17.

AFTER RECORD

Nominations for the Queensland championships close on Friday. The titles start on January 30.

Bruce Mocatta has been given permission to attempt the Australian junior breast-stroke 100 metres at Dalby on Saturday. The record stands at 1m 22.8s. It is held by David Johnson of Sydney. Mocatta, 14, clocked 1m 21.8s in a Dalby Club swim last week.

FLEMING SEEKS COACHING POST

Bill Fleming, Queensland's best known swim trainer, has nominated for an Olympic Games coaching post. Several professional coaches are expected to be selected to handle Australia's big squad. Fleming at present trains Queensland's biggest team at Davies Park pool.

Now 42, Fleming was a crack freestyler. He represented Australia at the British Empire Games in 1938. He was the first Australian to break 2m 20s (he did 2m 19s) for the freestyle 220 yards, which was really something in his day.

Fleming won the Australian 100 and 220 yards besides a number of Queensland titles. He has produced several national champions in the past few years, and is now Leander Club coach.

Fleming's swimming ability made him something of a hero with A.I.F diggers at the last war. Bill went overseas with the army in the Queen Mary with the first Australian group. A mile off Scotland he dived overboard and swam to land - to become the first Australian into Scotland.

C.M. Friday 13 January 1956

NEW BREATHING HELPED RECORD

By Tom Linneth

Olympic hope Peter Andersen last night smashed 10.5sec off the best Queensland time for butterfly stroke 200 metres. Andersen clocked 2m 47.8s to better the open record of 2m 58.3s at the Valley pool.

Twenty minutes earlier he had swum his fastest ever freestyle 100 metres at 62.5s.

He was competing in the Leander Club competition.

Andersen used the latest Japanese style of breathing from the side in the butterfly stroke swim. He had been coached this way only for three days, but it made an amazing difference to his performance. This was the first time this new style has been tried in Australia. Normally butterfly stroke swimmers breathe from the front similar to breaststroke. Last night Andersen took air on each side (as if he were in a freestyle swim).

Bobby Burns clocked 5m1s for the freestyle 400 metres last night. This is his best to date. He looks like cracking the 5 minutes at the State titles.

THEILE'S FAST BUTTERFLY SWIM

MARYBOROUGH - David Theile, Australia's 100 metres backstroke champion, last night covered 100 yards butterfly in 68.8sec.

Another fine swim was that recorded by Ken Harper who clocked 55sec for the 100 yards freestyle.

C.M. Friday 27 January 1956

WELD BEATS HIS OWN BEST TIME FOR 100m By Tom Linneth

Freestyler, Cyrus Weld, last night cracked his best 100 metres time by 0.7sec in the State title heats at the Valley pool. Weld clocked an amazing 58.1sec under shocking conditions in which he could hardly see for 50 metres of the race because of the poor auxiliary lighting. He also swam with an injured finger.

It was Weld's first race swim since the British Empire Games in Vancouver in 1954. But he proved last night that he had not slipped and looks certain to make the Olympic Games team.

BOY'S FAST DASH

Youngster John Fingleton beat his own race record of 32.2sec in the Under 12 50 metres heat. Fingleton recorded 31.5sec.

Jan Munro won her heat of the women's freestyle 100 metres in 69.4sec from Fay McKillop (69.8sec).

Dorothy Grier was not pleased with her time of 72.8sec in winning the other heat.

Pat Stanton was only 0.1sec outside Jann Grier's State junior breaststroke 200 metres time of 3m 8.1s in a heat.

Finals will be held tonight.

C.M. Saturday 28 January 1956

THEILE CLIPS .4s OFF WORLD RECORD By Tom Linneth

Maryborough meteor David Theile last night smashed the world long course backstroke 100 metres record in the State swim titles at the Valley pool. Theile put up a magnificent performance to clock 64.7sec - 0.4sec faster than the world record.

It also beat the Olympic Games record of 65.4sec. Both the Olympic and world long course records were held by Japanese-American Yoshio Oykawa.

Theile is the first Australian to crack a world backstroke record. He will attempt to better this time again in the State titles at Valley pool on Monday night.

MACHINE-LIKE

Schoolboy Theile, 18, last week swam with the movement of a machine to clock 29.7sec for his first lap. Theile said after the race he thought he had missed the world time because he stroked too fast for the lap.

After Theile's time was announced a near capacity crowd stood and cheered him.

Coach Arthur Cusack, who drove from Maryborough yesterday to give Theile last minute instruction, said, "David will be swimming below 64sec by the Australian championships next month."

JAN IMPROVES

Freestyler Jan Munro last night beat her best 100 metres Queensland resident record. She flashed through the water to clock 66.9sec which bettered the record by 0.9sec. It was also 0.1sec better than the time registered by Lorraine Crapp in winning the New South Wales dash.

Munro finished with plenty of power to beat promising Townsville girl Fay McKillop. McKillop swam a well-judged race to beat Dorothy Grier of Bundaberg.

Cyrus Weld was unofficially clocked at 57.9sec for a freestyle leg of a relay. It was 0.2sec faster than his State resident record which he failed to better in the final of the open event. Weld's final time was 58.6sec which was still a great performance.

STATE BEST

Ipswich lass Jill Ruhle cut the State junior breaststroke 200 metre time by 2sec with a 3m 6.1s performance.

Ken Gudenswager set a race record of 5m 0.9s for the intermediate freestyle 400 metres.

Ross Murray also did well to set a Queensland resident record of 5m 1.7s for the junior freestyle 400 metres.

(Results given - Photo of Theile)

C.M. Tuesday 31 January 1956

AUSTRALIAN RECORDS IN STATE SWIM TITLES

By Tom Linneth

Butterfly stroke swimmers Peter Andersen and Lyn Kingston last night set Australian records in the State titles at Valley pool.

Andersen beat his own junior 100 metres record by 0.7sec with a 1m 12.3s swim. Lyn Kingston recorded 1m 23.7s to better her national junior 100 metres record by 2.4sec.

Andersen later in the night equalled his best for a Queensland time for 200 metres. He recorded 2m 50.8s which was 7.5sec inside his previous best.

Freestyler Cyrus Weld was again in top form and equalled his 200 metres Queensland record.

NOT EXTENDED

Weld was not extended to win from Ken Gudenswager in 2m 11.9s - 2.7sec faster than his record.

Freestyler Jan Munro also clocked her best 400 metres to clip her State resident record by 6.6sec. Munro was stopped at 5m 18.4s which was better than her southern rival Dawn Fraser recorded in winning the South Australian title.

David Theile again proved his brilliance at backstroke 100 metres with a 65sec swim.

"FELT TIRED"

In four successive performances Theile has clocked 64.7sec, 64sec, 65sec, and 65sec - all of which cut the previous world long course time.

Theile said he felt tired in last night's race although his time was still outstanding

Young Ross Murray fought on gamely to take the junior freestyle 100 metres from Peter Eriksen and John Tomlins.

(Full results given)

C.M. Wednesday 1 February 1956

RECORD SWIM BY MOCATTA

Dalby boy Bruce Mocatta last night cracked an Australian breaststroke record at Valley pool. Mocatta clocked 1m 22.2s in his heat of the junior breaststroke 100 metres. His time was 0.6sec inside the time recorded by David Johnson of NSW who won the State title last year.

Mocatta, who has been doing phenomenal times in the country this season, looks like developing into one of Queensland's best prospects in many years. Last night in the State titles Mocatta was not pushed to win from K.Sainclair (Maryborough) and J.Priebe (Toowoomba). He is expected to lower his time in the final tonight.

Mocatta's time last night was 7.5sec faster than the first heat winner, G.Fitz-simmons of Brisbane and 14.8sec faster than M.Benjamin of Maroochydore, winner of the second heat.

FAY IN PICTURE

Townsville girl, Fay McKillop, flashed back into the Olympic Games picture with 69.8sec in a heat of the junior freestyle 100 metres.

(Results given)

C.M. Thur 2 February 1956

SCHOOLGIRL MUNRO OVERCOMES ILLNESS TO BEAT LORRAINE CRAPP'S OFFICIAL 100 METRES TIME

11 RECORDS CRASH IN 17 TITLE SWIMS

By Tom Linneth

Swimmers in the Queensland championships finals at the Valley pool last night set 11 new records in 17 events. Two new Australian times were set, four new Queensland times, and one resident and four race records were established.

Jan Munro overcame food poisoning to smash Lorraine Crapp's Australian freestyle 200 metres record by 1.4sec. College girl Munro, 16, has been under medical treatment, but she clocked 2m 28s in a brilliant performance. She did not have any trouble in taking the event from Dorothy Grier and Fay McKillop. Munro's 2m 28s was 3.7sec better than her previous Queensland record. Lorraine Crapp has recorded 2m 25.8s but this has not yet been officially recognised.

Butterfly stroker Peter Andersen again lowered his Australian junior 100 metres record by 2.1sec. He hit the front with 5 yards to go to win in a dazzling 1m 11.4s.

Crack freestyler, Cyrus Weld, who does not compete at butterfly stroke, led Andersen and almost pulled off the event.

THREE TITLES

Lyn Kingston, who won three titles, set a new State time for the junior freestyle 100 metres. She recorded 68.8sec which was 1.2sec faster than Munro and Fay McKillop's time. Kingston also took the 13 and under 14 50 metres dash and the sub-junior butterfly stroke 50 metres.

SHOWS CLASS

Brilliant Ross Murray again showed his class by clipping 2.6sec off the junior freestyle 200 metres with a 2m 18.2s performance.

Distance man, Bobby Burns, set the other Queensland record in the freestyle 800 metres final. Burns came in at 10m 12.9s - a dazzling 12.7sec better than Cyrus Weld's standing record.

Perhaps the most outstanding swim of the night, despite the records, was Dorothy Grier's win in the backstroke 100 metres. Dorothy, who has failed this season as a freestyler entered the backstroke "for the heck of it". She was second last in the turn but came home with an electrifying finish to beat Lyn

Chamberlain and Gwen Grainger by inches. Her time of 1m 23.2s was slow, but a good pointer to her future which now seems to be in backstroke.

Ric Huxley (freestyler), Tony Fingleton (backstroke), and Barry Tudman (freestyle) were other good performers.

Cyrus Weld swam a hot 26sec for freestyle 50 metres.

C.M. Friday 3 February 1956

FIVE MORE RECORDS SMASHED IN SWIM TITLE HEATS

Queensland swimmers smashed another 5 records during heats of the State swim titles at the Valley pool last night. They broke three Queensland resident records and set two new race records.

Valley Club swimmer, Wilf Arnold, set new race time for the 100 metres men's breaststroke championship with a fine 1m 18.8s swim. This was also best time by a Queenslander over the distance.

Fourteen-year-old Rick Huxley clipped four seconds off the men's 100 metres sub-junior freestyle time with 63.2sec resident and State record. Huxley won by a touch from Bundaberg entrant Denis Mahoney whose time of 63.4sec also broke the record.

JAN'S DASH

Valley teenage swimmer, Jan Munro, swam 30,1sec for a new resident record in the women's 50 metres freestyle.

In the men's 400 metres freestyle, long distance swimmer Bob Burns clocked 4m 54.7s for a new resident figure.

Titleholder Ken Gudenswager swam 2m 21s in a heat of the men's intermediate 200 metres freestyle. His time was 2sec better than his old record.

(Full results given)

C.M. Saturday 4 February 1956

WELD BREAKS BEST 100 m

By Tom Linneth

Cyrus Weld last night swam his fastest freestyle 100 metres with a sizzling 57.3sec in the State titles in the Valley pool. It smashed his previous best of 57.9sec set at Los Angeles in 1954. Three watches clocked Weld during a brilliant flying squadron win by the Valley Club. Weld overhauled Maryborough lad Ken Harper for his team to record a 4m 15s. This was 0.5sec faster than the Australian record held by the Drummoyne (Sydney) Club.

The Valley team was Weld, Graham Byrnes, Ross Murray, and Wilf Arnold.

11 MORE RECORDS

Eleven records were broken last night in a programme of 16 events.

Breaststroker Wilf Arnold returned to form to cut his Queensland breaststroke 100 metres record by 0.3sec. Arnold registered 1m 18s to beat promising country lads Bruce Mocatta and Kent Sinclair.

Jan Munro last night became the first Queensland woman to cut 30sec for the freestyle 50 metres dash. Munro clocked 29.9sec to establish a new Queensland resident record.

Freestyler, Bobby Burns, set another State resident record. He timed 4m 53.4s for the 400 metres. This was a 1 second improvement on the previous best.

LYN IS "FIND"

Lyn Kingston clearly established herself as a "find" with a State resident record for junior freestyle 200 metres. Kingston's 2m 32.4s was 3.6sec inside Jan Munro's record.

Race records went to Barry Tudman (59.1 sec for freestyle 100 metres), Pat Stanton (breaststroke 50 metres in 40.5sec), and Rick Huxley (freestyle 100

metres in 63.1sec). Jan Munro (butterfly stroke 100 metres in 1m 23.9s), and Ken Gudenswager (freestyle 200 metres in 2m 18.4s) were other race record breakers.

(Full results given)

C.M. Monday 6 February 1956

NO FINANCE FOR TWO OLYMPIC SWIM FANCIES

By Tom Linneth

Olympic Games hopes Dorothy Grier (Bundaberg) and Fay McKillop (Townsville) were last night left out of the paid section of the Queensland swim team. Both freestylers surprised with poor displays in the recent State championships. But they have plenty of ability to improve before the Australian titles open at Sydney on February 17.

Queensland's strongest swim team of 11 fully paid and 14 to go at their own expense was announced last night.

THE TEAMS

The paid 11 are -

Men: P.Andersen (Brisbane), A.Fingleton (Brisbane), B.Mocatta (Dalby), K.Sinclair (Maryborough), D.Theile (Maryborough), C.Weld (Brisbane).

Women: J.Ruhle (Ipswich), L.Kingston (Brisbane), R.Lassig (Bundaberg), J.Munro (Brisbane), P.Stanton (Brisbane).

The 14 selected to go at their own expense are -

Men: W.Arnold (Brisbane), R.Burns (Brisbane), P.Eriksen (Brisbane), K.Gudenswager (Brisbane), K.Harper (Maryborough), H.Kenny (Maryborough), V.Huxley (Brisbane), R.Murray (Brisbane), L.Rayner (Townsville), B.Tudman (Maryborough).

Women: D.Grier (Bundaberg), B.Kernke (Brisbane), F.McKillop (Townsville), L.Potter (Gladstone).

The team will leave Brisbane on February 15 by air. Manager is Dr E.Theile (Maryborough) and chaperone Mrs J.Ross (Brisbane).

"CERTAINTIES"

Queensland could completely dominate the backstroke events for men and breaststroke races for women. On present national times, David Theile (open) and Tony Fingleton (junior) look certain winners. At women's breaststroke 14-year-olds Jill Ruhle, Rosemary Lassig, and Pat Stanton are on Australia's top line.

Queensland will also have Australia's best junior men breaststroke swimmers. Kent Sinclair last Saturday set a new Australian junior 100 metres time of 1m 21.8s to beat Bruce Mocatta by only 0.1sec. Mocatta, until Saturday, held the record, and both lads are well ahead of southern opposition.

A RECORD?

Queensland's medley team of Theile, Arnold, Andersen, and Weld, is capable of a new Australian record time.

In the unpaid team section youngsters who should do well with the experience are Peter Eriksen, Rick Huxley, Ross Murray, and Ken Gudenswager.

This is a well-composed team which will certainly establish Queensland as Australia's No 2 State.

C.M. Friday 10 February 1956

GRIER FOR BACKSTROKE

Bundaberg girl, Dorothy Grier, will be set for the national backstroke championships. Her coach, Frank Guthrie, said in Sydney last night he would prepare her next week for the new stroke.

Grier surprised by winning the Queensland backstroke title at her first attempt after failing in the freestyle events.

ONE WITHDRAWAL

Distance freestyler, Bobby Burns, will be the only member of the Queensland selected team not to go to Sydney next week.

Maryborough representative, Ken Harper, was last night named as captain of the State squad, which is the biggest and strongest to compete in an Australian championship.

C.M. Tuesday 14 February 1956

QUEENSLAND COULD WIN NINE TITLES AT SWIMS

By Tom Linneth

Queensland should win at least nine titles and become No 2 State at the Australian swim championships which start in Sydney on Friday night. Our team of 23, which leaves tomorrow morning, is the youngest and best yet sent to the nationals.

Queensland should dominate the championships in three divisions - men's backstroke and breaststroke, and women's breaststroke.

Backstrokers David Theile (open) and Tony Fingleton (junior) on times are well ahead of their southern rivals. Theile set the world long course record of 64sec for the 100 metres at the recent State championships. With strong competition from John Hayres of Sydney he has the ability to cut the time even further.

Our junior breaststrokers Jill Ruhle and Pat Stanton are also ahead of their southern opponents over 110 yards. With Rosemary Lassig they measure up to top standard for the open 220 yards which will be one of the most open events of the meet.

Junior breaststrokers Kent Sinclair, and Bruce Mocatta head our third strong division. Sinclair and Mocatta are so even that either of them is certain to take the Australian title.

WELD'S MAIN MISSION

Medley team, Cyrus Weld (freestyle), David Theile (backstroke), Wilf Arnold (breaststroke), and Peter Andersen (butterfly) could set a new Australian record. It is the fastest four yet selected for an State medley squad, and only bad luck could rob them of success.

Although Cyrus Weld's mission is to gain a place in the Olympic Games relay squad, he could take the men's individual medley. He won the Queensland title at his first attempt in the record time of 5m 46.5s. With champion Jon Henricks certain to miss this event, Weld should be able to clinch his only medal.

Queensland has outstanding material in butterfly stroker Peter Andersen who holds the Australian junior record for 100 metres at 1m 12.8s. Andersen shows so much promise that it would not be surprising if he also pulled off the open event.

C.M. Friday 17 February 1956

FLEMING NOT NOMINATED AS GAMES COACH

By Tom Linneth

Sydney - Nomination for Queensland professional Bill Fleming as coach of the Olympic Games squad is a "mystery". Fleming was to be nominated by Queensland, but it has not been received by the national body.

Australian officials said last night that the only nominations for the position were Queensland Secretary, Bill Holland, and Sydney professional, Frank Guthrie. Officials expect Holland to get the job. Guthrie is tipped to be named as a paid coach to assist Holland. Fleming told me in Brisbane that officials of the Leander Club, which he coaches, were to nominate him for the coaching position, but Australian officials said last night that they had not received any advice that he was available.

A top southern official said last night, "It would look as if Fleming has been dumped by his own supporters."

Although Fleming is the best known coach in Queensland, it is most unlikely that he would have been given the job even if his nomination had been received.

Australian officials are not at present in favour of a professional coach being in charge of the Games squad. For that reason, Frank Guthrie, regarded as Australia's No 1 coach, is unlikely to be given the job.

C.M. Wednesday 22 February 1956

DAWN BEATS LORRAINE AND BREAKS WORLD SWIM RECORD

From Tom Linneth

Sydney - Attractive Dawn Fraser, of South Australia, last night cracked the world's oldest swim record by clocking a sizzling 64.5sec to beat Lorraine Crapp in the national 110 yards title at the North Sydney pool. Her figure was 0.1sec better than Dutch woman, Willie Den Ouden, who established her world record over 100 metres 20 years ago.

WELD'S NEW AUSTRALIAN TIME

Cyrus Weld returned to form to knock 0.2sec off the Australian individual medley 440 yards and reversed his heat defeat. Weld came in at 5m 40.9s to beat Brian Wilkinson and another good performer in Graham Middleton.

Graham Middleton knocked 5.3sec off Dave Hawkins Australian record to take the butterfly stroke 220 yards at 2m 36.5s. Queenslander, Peter Andersen who led for most of the race, was also under the previous record with 2m 41.6s.

(Results given)

GAMES SQUAD TO TRAIN HERE

Sydney - Olympic Games swimming squad will assemble in Brisbane on August 24, and will appear at carnivals in Brisbane and country centres while training. This was decided at the Australian Swimming Union Conference yesterday.

The squad will compete at country carnivals at Murwillumbah, Kyogle, Casino, Lismore, Toowoomba, Dalby, Warwick, and Kingaroy. They also will appear at a special night carnival at Brisbane on October 15.

HOLLAND'S JOB

Mr Bill Holland, Queensland Secretary, was appointed assistant manager of the squad and was also elected an Australian selector again. He will supervise the Games swim squad's training and will co-opt professional coaches Frank Guthrie, Harry Gallagher, and Sam Herford.

The three professionals were accredited to prepare the team, but were not appointed official coaches. The Union's President (Mr Horrie Bennett) ruled that applications from professionals for the position would not be accepted.

He made this decision after South Australian delegate, Mr Tom Herraman, refused to vote for the coaching position when professional, Frank Guthrie, was listed with Bill Holland. Herraman said he held an application from professional Harry Gallagher, but did not think it right that professionals should hold a vital position for the Olympic Games.

Queensland delegate, Bill Holland, told the Conference he also had a nomination from Queensland professional Bill Fleming
(Picture of Bill Holland)

C.M. Friday 24 February 1956

JAN LEFT COACH ON EVE OF WINNING 880
From Tom Linneth

Sydney - Queenslander Jan Munro sensationally switched coaches seconds before she won the national freestyle 880 yards title at Enfield pool yesterday afternoon.

Munro had one of her hardest races to narrowly beat Christine O'Farrell (NSW) and Pam Barton (NSW) in 11m 7.4s - 212.4 sec faster than she recorded last year.

Munro recently returned from South Australia where she was coached by Harry Gallagher. He has controlled her for three years. Jan told Gallagher before she walked to the blocks that she would start training with crack Sydney coach, Frank Guthrie this morning. Pam Barton, who was third, also left Gallagher at the same time and will move to Guthrie.

Munro led O'Farrell by about a foot for 14 of the 16 laps before she went away to win with a 1.3 sec advantage. Gallagher stood on the side of the pool and urged O'Farrell to win. He did not cheer for Munro or Barton. Munro's victory makes her certain for selection in the Olympic Games squad.

C.M. Monday 27 February 1956

48 MEN AND WOMEN IN GAMES PICK
INCLUDES NEW AUSTRALIAN
BOY OF 13 OLYMPIC SWIM SQUAD SHOCK
From Tom Linneth

Sydney - Latvian Jon Konrads, 13, was a shock inclusion in the Olympic Games swim squad of 48 announced yesterday.

Four Queenslanders - David Theile (backstroke), Peer Andersen (butterfly), Jan Munro and Cyrus Weld (freestyle).

Konrads is the first new Australian to be named in an Australian Olympic squad. He gained selection in the freestyle 400 metres section by winning the recent national junior championship. Konrads won in 4m 47.3s to greatly reduce his previous times. But he is still 14.8sec short of Murray Rose's national record. Konrads, who is only 5ft 5ins, migrated to Sydney six years ago.

TRAIN HERE

Australian Swimming Union decided yesterday to send the squad to Brisbane on August 7 instead of August 24. They will return to Sydney on October 1 before leaving for Melbourne on October 24. The final trials for selection will be held on October 25, 27, and 30. The team will be picked on October 31.

The Olympic Games start in Melbourne on November 22. The first swim event is on November 28.

AND HERE IS THE SQUAD

MEN ; Freestyle 100 metres - J.Henricks (NSW), G.Chapman (NSW), J.Devitt (NSW), C.Weld (Qld), K.O'Halloran (West Aust).

Freestyle 4x200 metres relay - Henricks, Chapman, Devitt, Weld, O'Halloran, M.Rose (NSW), M.Garretty (NSW), G.Hamilton (NSW).

Freestyle 400 metres - Rose, Garretty, O'Halloran, J.Konrads (NSW), G.Hamilton, G.Winram (NSW).

Freestyle 1500 metres - Rose, Garretty, Winram, J.Donohoe (NSW).

Breaststroke 200 metres - T.Gathercole (NSW), G.Weaver (NSW).

Butterfly stroke - D.Hawkins, G.Middleton (NSW), P.Andersen (Qld), B.Wilkinson (NSW).

Backstroke - D.Theile (Qld), J.Monckton (NSW), J.Hayres (NSW).

Diving - R.Faulds (Vic), P.Murphy (NSW), J.McCann (NSW), A.Winter (Vic), K.Crotty (Vic), B.Warren (Vic), W.Tully (NSW), W.Brown (Vic).

WOMEN - Freestyle 100 metres - D.Fraser (S Aust), L.Crapp (NSW), F.Leech (Vic), M.Gibson (S Aust), J.Munro (Qld), E.Fraser (NSW), J.Fogg (NSW).

Freestyle 400 metres - Crapp, Fraser, C.O'Farrell (NSW), Munro, P.Barton (NSW).

Backstroke - G.Beckett (NSW), A.Beardsmore (NSW), P.Singleton (NSW), D.Knight (NSW).

Butterfly stroke - B.Bainbridge (NSW), Barton (NSW).

Breaststroke - B.Evans (NSW), B.Sykes (NSW).

Diving - B.McAulay (Vic), Barton, I.Hutchins (Vic), A Price (Vic).

(Pictures of Qld squad members)

C.M. Tuesday 28 February 1956

15 QUEENSLANDERS ARE OFFICIALS AT GAMES SWIMS
From Tom Linneth

Sydney - Fifteen Queenslanders were named yesterday as swimming officials for the Olympic Games. Only one applicant failed to gain selection. The Queensland list is headed by State selector Norm Burn, who has been appointed a judge. Dr E.Theile, father of backstroke champion David, is one of four timekeepers. The others are Bill Morrall, Doug Munro, and J.Stewart. George Marr has been listed as a call steward, with Miss Kay Stewart in the women's section.

Arthur Cusack, coach of David Theile, is a general steward with George Marshall of Townsville. George Johnston is a diving secretary, and Jack Davis as one of the three official recorders.

Queenslander Bill Holland has a marathon job in front of him as assistant manager and training supervisor. His job is to see that the Games squad training gest along smoothly. Holland will have to see the relay teams will have a perfect understanding between each other although they will be formed from representatives from each coach.

(Apparently coaches were going to train swimmers from their own squads)

A problem is likely to arise on training schedules. Naturally all 36 swimmers cannot use Valley pool for training at the same time.

Training supervisor, Bill Holland, said in Brisbane yesterday that Peter Andersen and David Theile could be trained by their Queensland coaches when the Olympic squad started work in Brisbane in August. There would not be any trouble with the southern coaches.

Holland said he had asked Bill Fleming to continue to coach Andersen, and Arthur Cusack of Maryborough to keep on with backstroke star, David Theile.

C.M. Tuesday 20 March 1956

MEDLEY TITLE TO ARNOLD

Australian champion Cyrus Weld was beaten in the Queensland University individual medley at the Davies park pool last night. Wilf Arnold beat Weld. He clocked 2m 21.7s to clip 6.3sec off the record. The University championship was over 200 yards, Weld won the national event over 440 yards.

1956

From mid 1956 there were numerous articles, many by Forbes Carlisle, regarding the Australian swimming squad training in Townsville for selection to compete in the Melbourne Olympic Games that year, but very few articles which related specifically to affairs of the Queensland Association.

C.M. Monday 14 August 1956

THIELE BOOSTS GAMES STOCKS
Townsville

David Thiele, 18 year old Queensland medical student, sent his stocks high at the weekend.

as a likely winner of an Olympic backstroke gold medal. His 66.8 seconds for 110 yards in a casual unpaced time trial was an impressive performance. Covering the first 55 yards in 32.4 seconds, David swam with perfect judgement.

Although surprised by his effort, his mentor, Arthur Cusack, should be well pleased with David's progress during the month he has trained in Townsville. Thiele's adjusted time for 100 metres would be 66.3 seconds, less than one second outside the winning time of Yoshi Oyakawa in the American Olympic trials last Friday.

COULD DO 65 SECONDS

There is a great deal of difference between making a cold blooded trial and competing as was Oyakawa in a race for an Olympic berth.

I believe that even at this early stage of his training David could do 65 seconds, which would be 4/10 second inside Oyakawa Olympic record.

Some critics are saying I am bringing my swimmers up too fast, but I think they are wrong. It is a fact that most of my charges are up to their "best ever" performances. However, in the main, this would not be good enough to win Olympic gold medals.

C.M. Saturday 18 August 1956

DR THIELE TO SEEK GAMES JOB
Sydney

Dr E.G.Thiele, Vice President of the Queensland Amateur Swimming Association, is one of the three nominations for the position of General Manager of the Australian Olympic team for the Games in Melbourne in November. The other two are W.T.Uren, President of the Victorian Swimming Association and Harry Osmond Blake, Treasurer of the Victorian Association.. Dr Thiele is the father of Australian backstroke champion, David Thiele.

C.M. September 1956

There was much discussion as to whether the water was too cold in the Valley Pool for swimming at 64 degrees for training the Olympic team.

Coach Harry Gallagher said he would keep his stars in Brisbane until kicked out. He said this at the Valley Baths yesterday afternoon as he watched the Olympic swim hopes work out. He said the weather in Sydney was cold and dreary. Today the Valley Pool had warmed up to 66 degrees and the Davies Park pool registered 68. "If we find the Valley Pool too cold, we will switch to the Davies Park pool," he said.

The squad did not train yesterday morning, but in the afternoon Jon Hendricks and breaststroker Georgina Beckett swam two miles, and Murray Garretty three miles.

C.M. Tuesday 14 October 1956

FIVE FROM QUEENSLAND IN SWIM TRIALS
Melbourne

Five Queensland swimmers were named yesterday in the Australian squad to compete in the Olympic trials at the new Olympic pool on October 25, 27, and 30.

They are David Thiele, Peter Anderson, Jan Munro, Fay McKillop, and Jill Buhle.

Thiele is in the 100 metres backstroke, Anderson the 200 metres butterfly, Jan Munro the 100 metres freestyle (section 1), 400 metres freestyle and 100 metres butterfly, Fay McKillop in the 100 metres freestyle (section 2), and Jill Buhle in the 200 metres breaststroke.

C.M. Friday 26 October 1956

YOUNG AUSTRALIANS BOOST HOPES IN SWIM TRIALS
LORRAINE AND DAVID SMASH WORLD SWIM TIMES
From Tom Linneth
who has gone to Melbourne to cover the Olympic Games

Melbourne - Lorraine Crapp broke the world freestyle 100 metres record - for the second time in five days - with a sizzling 62.3sec in the first Olympic swim trials here last night.

THEILE HITS BEST FORM AGAIN

Lorraine's fantastic performance last night was overshadowed only by the effort by Maryborough medical student David Theile. Theile, beaten easily in Sydney on Saturday by John Monckton, won the trial in a brilliant 62.9sec. This is the best backstroke time recorded in the world for the Olympic 50 metres course. Monckton clocked 63.9 which was only 0.6sec outside his previous best.

C.M. Friday 7 December 1956

THEILE TOP SCORES FOR QUEENSLAND
GIRL SWIMMERS, TOO, IN GREAT GOLD MEDAL SWIM

Melbourne - David Theile, a lanky 18-year-old from Maryborough, last night won Queensland's first individual Olympic Games Gold Medal. His win in the 100 metres backstroke swimming was the first of three glorious Australian victories - our best night at the Olympic Games.

The other two Gold Medals went to the girls' 4x100 metres relay swim team, and to tandem cyclists Ian Browne and Tony Marchant.

Theile beat his Australian team-mate, John Monckton, for the 100 metres title. He stripped 3½ sec off the Olympic record for the event.

Queensland's first Gold Medal of the games was won in the athletics by Norma Croker, of Brisbane, in the 4x100 metres women's relay. But Theile's is the first for an individual.

David Theile, a crewcut 6ft 2in, medical student - son of two doctors Dr and Mrs E.G.Theile of Maryborough - had his race won almost from the start. His first 50 metres went by in only 29.5sec, and his time of 62.3sec was the fastest ever swum in a 50 metre pool.

His coach, Arthur Cusack, also of Maryborough, delivered a very simple instruction before the race. "Go out there and win - and don't make any mistakes," he ordered.

Theile who later confessed he had no pre-race doubts about the result, did just that.

This was the way he felt, even though overseas judges had queried his style of turning at the end of a lap during the heats. Theile made the same turn last night and not questioned.

C.M. Wednesday 9 January 1957

JAN MUNRO PLANS TO RETIRE
WILL BE A NURSE

Jan Munro, Queensland's greatest woman swimmer, plans to retire. Munro is to become a nurse on January 28 - three days after the State titles start. She hopes to compete in the freestyle 100 metres on January 25 and if possible in the 800 metres on February 1. Munro, 18, was selected in the Olympic Games team, but she was unable to compete because she sprained her right ankle two days before her swim.

Jan has won every Queensland title - the 50, 100, 200, 400 and 800 metres - for the last four years. She also has won the medley event four times and the butterfly stroke three times in succession.

Queensland is unlikely to produce another girl swimmer in her class for along time, if at all.

"NURSING FIRST"

She said last night she hopes to win her fifth 100 metres before retiring.

"I don't like leaving swimming so early but my nursing future is to come first," she said. "At any rate, I would not be able to get enough time to train in future," she added.

Munro was a member of Valley Club and comes from a swimming family. Her father was an official timekeeper at the Olympic Games.

(Picture of Peter Andersen doing butterfly)

C.M. Thursday 17 January 1957

THEILE IN SEVEN EVENTS

Queensland's Olympic backstroke champion, David Theile, will compete in seven events at the State swim titles next week.

Apart from the 100 metres backstroke, 200 metres backstroke, 50 and 100 metres freestyle, 100 metres butterfly, the 100 metres breaststroke, and the 400 metres medley. The 200 metres backstroke is a new event in the State titles programme and Theile is expected to have an easy win.

He is also favourite for the 400 metres medley which he won in 1955 and was placed second last year.

DEVITT INVITED

Australian Olympic swim team captain, John Devitt, has been invited to the titles which start on Thursday.

Brian Bryner, 15, of Rockhampton, will swim in fourteen events during the titles, and a twelve-year-old Bundaberg boy has nominated in the freestyle 800 metres as one of his title swims.

Wilf Arnold, captain of the Australian Universities swimming team, will not contest the championships. He will leave Brisbane next Friday for a 12 months post-graduate course at the California University. Arnold holds the State breaststroke records over 100 and 200 metres.

New South Wales junior diving champion, Pam Thickness, will appear in the titles.

Nominations are 158 up on last year's entries. There will be 386 competitors, including 187 country, and 10 interstate swimmers at the carnival.

C.M. Tuesday 22 January 1957

SCHOOLBOY FOR 800m SWIM

Bundaberg schoolboy, John Wainwright, is a shock for the freestyle 800 metres in the State swim titles. It is his only senior event at the championships which start with heats at Valley pool on Thursday night. Wainwright is also in the Under 13 freestyle 50 metres race and four other junior races.

Hayden Kenny who represented Australia in the international surf titles at Melbourne during the Olympic Games is favourite to win the 800 metres title. Young Brisbane swimmers Ken Gudenswager and Brian Buggy are other top entrants.

The 800 metres will be held on January 30.

Peter Eriksen will have plaster taken off his broken left wrist to compete in the championships. He is expected to compete in heats of the freestyle 100 metres on Thursday.

C.M. Friday 25 January 1957

THEILE'S TURN QUERIED BY JUDGES

Two touch judges questioned turns by Olympic Games backstroke gold medallist David Theile at the State titles at Valley pool last night. Judges Frank Lohning and Garry Nankavill claimed he did not touch the wall during the backstroke 200 metres event.

Theile went at about three-quarter pace to win his heat. He will compete in the final tonight. Lohning claimed Theile had missed by about six inches in his second turn at the shallow end. After the race Lohning and Nankavill reported their claim to referee Norm Burn.

PASS AT GAMES

Theile's turns were questioned during heats of the Olympic Games at Melbourne, but he was passed by overseas judges.

In backstroke, a swimmer must touch the wall with his hand. Theile has been coached by Arthur Cusack to get down to a phenomenal four-tenths of a second turn. To do this he touches low in the water, which is impossible for the public to see.

John Devitt, who finished second in the Olympic Games 100 metres, will attempt to break the world record of 55.2sec in the final tonight.

Barry Tudman (60.2) and Ken Gudenswager (61.2) were the heat winners.

State breaststroke champion Wilf Arnold will have his last race in the medley relay tonight before he leaves for America.

(Full heat results given)

C.M. Saturday 26 January 1957

DEVITT MISSES WORLD TIME BUT CUT STATE RECORD

John Devitt, Australia's new "king" of swimming, last night shattered the Queensland freestyle 100 metres record with 55.8sec in the State titles at Valley pool. It was 9/10sec better than the standing figure set by Olympic gold medallist Henricks.

Devitt was out last night to clip his world record of 55.2sec which he established in the New South Wales championships.

Queensland's heat beat him. The water was too hot and did not allow him to get to his top. Last night the water was 80deg. Best conditions are 72.75deg for racing. By the way the strapping Sydney schoolboy swam, it looks like being the only thing that will stop him from cutting that world time down to 54sec.

IN 200 FINAL

A long way behind Devitt was Barry Tudman (60sec) in second place, with Ross Elkington of Murwillumbah third in 61.4sec.

Devitt is to compete in the freestyle 200 metres final on Monday night.

Jan Munro lost her freestyle 100 metres to Lyn Chamberlain who has been one of her main rivals over the years. Chamberlain came in with 68sec with Munro (trained only for 1 1/2 weeks) at 70.2sec ahead of Townsville girl Fay McKillop.

David Theile, purposely turning slowly so that judges could see his correct action won the backstroke 200 metres title. Theile won his race without any effort from young Tony Fingleton.

One of the best efforts of the carnival was Bruce Mocatta's swim in the breast-stroke 200 metres. Mocatta clocked a particularly good time of 2m 55.2s which lowered his own best by a Queenslander record.

Rockhampton boy, Brian Brymer, equalled Cyrus Weld's best by a Queenslander time in registering 27sec to take the country junior freestyle 50 metres. Brian looks a good type of swimmer and should develop well over the next few seasons.

Ann Stewart made a fine come-back by taking the women's backstroke 200 metres in 2m 56.4sec. This is a record as this is a new State event.

C.M. Tuesday 29 January 1957

JOHN DEVITT SHATTERS THREE WORLD SWIM RECORDS

Husky Sydney sprinter, John Devitt, last night shattered three world freestyle swim records during the State championships at Valley pool. Devitt crashed the 100 metres record with a magnificent 54.6sec effort, and the 100 yards long course time with a 49.1sec.

In a sole dash, 54.6sec was particularly great to lower American Dick Cleveland's world time of 54.8sec. Cleveland's time had been set in a 25 metre pool, half the length of the Valley pool. Devitt's 54.6sec also clipped Jon Henricks time of 55.4sec which was the worlds best over the long course.

Devitt, one of the most modest boys in Australian swimming, embraced coach Sam Herford after his swim. He said, "Gee, thanks coach. You've been great to me."

Later in the carnival Devitt won the Queensland freestyle 200 metres event in 2m 11s.

Olympic Games backstroke Gold Medallist, David Theile, lowered the Queensland record over 100 metres. Theile clocked 63.3 which was 7/10 of a second better than the time last season.

Jan Munro surprisingly hung on to her freestyle 400 metres championship. The Olympic Team member just lasted the distance out to beat Lyn Kingston and Fay McKillop.

(Full results given)

C.M. Wednesday 30 January 1957

THEILE IN FORM AS A FREESTYLER

David Theile, Olympic Games backstroke gold medallist, last night figured in the role of a top freestyler at the State swim titles. Theile clocked a most impressive 26.5sec to win a heat of the 50 metres at Valley pool. It was 0.7sec outside Cyrus Weld's Queensland record.

Theile's performance was also 0.7sec better than that of crack Maryborough sprinter, Barry Tudman who took his heat in 27.2sec. Theile, a tall lad, is unknown in Queensland swimming for his freestyle sprinting. But on last night's performance he looks like taking the title from Tudman, at present No 1 man.

ANDERSEN FAST

Peter Andersen did well to clock 10:49.6sec to win his heat of the freestyle 800 metres. Andersen was well within the time recorded by Hayden Kenny (11 min) who won the first heat.

Maryborough boy, Dan Mahoney, clocked 2:20.2 for his heat of the junior freestyle 200 metres.

(Full results given)

C.M. Thursday 31 January 1957

GAMES REJECT IN TITLE RECORD ANDERSEN CUTS BUTTERFLY 100 TIME

Peter Andersen, and Olympic team reject, smashed the Australian record for butterfly 100 metres in the Queensland swimming titles at Valley pool last night. Andersen clocked 67.6sec to beat the standing national record of 70.2sec by ex-world record machine John Marshall, who is now seriously ill in Melbourne.

There is, however, a 65.1sec by Brian Wilkinson in Sydney, waiting ratification.

Andersen had no opposition in the two lap dash, and he led all the way from Noel Craig (Townsville) who clocked 69.1sec. Blond Andersen, who takes off his spectacles before racing, turned in a great double when he outstayed the field in the freestyle 800 metres.

LED AT 600

Andersen was only fourth in the early stages behind Peter Eriksen, Ken Gudenswager, and Hayden Kenny, but went to the lead at the 600 mark. Kenny had a short-lived spell in the lead, but Andersen tackled him and held him off nicely.

Swims by Gudenswager and Kenny in the freestyle 800 helped present the freestyle 50 dash on a silver platter to David Theile. Theile now swims for University but came from Maryborough. Tudman and Kenny are also from Maryborough.

Lyn Chamberlain, of Toowong, won the women's freestyle 200 by an inch, but failed by an inch in the backstroke 100.

WELL JUDGED

Chamberlain had a lead of five metres over junior Lyn Kingston with only 50 to go in the freestyle race, but Kingston nearly pegged her back in the fighting finish.

Kingston was earlier unplaced behind Beryl Mason (Mt Isa), Fay McKillop (Townsville), Rosemary Lassig (Bundaberg), in the junior freestyle 100, and this took the edge off her.

Lyn Hancock had a nicely judged win in the women's sub-junior backstroke 50 over Ann Nelson and Jan Polzin.

Queensland records for the night were broken by Rosemary Lassig in the women's junior breaststroke 100 at 86.8sec, and by Bruce Mocatta, of Dalby, in the men's junior breaststroke 100 at 79.8sec.

(Picture of Peter Andersen and Hayden Kenny in the water after the 800 swim)

C.M. Friday 1 February 1957

THEILE SCORES BREASTSTROKE HEAT WIN

Olympic backstroke gold medallist, David Theile, is fast gaining the reputation of an outstanding swimming all-rounder. Theile who was unknown as a breaststroker before the present State titles, last night swam well within himself to record second fastest time winning a heat of the breaststroke 100 metres.

In last night's swim, the ex-Maryborough schoolboy introduced a breaststroke style similar to the controversial stroke used by Japanese swimmers in the Olympic Games.

He clocked 1m 21.6s for the heat. Theile swam 2/3 of the first length before he broke the surface. In the final 50 metres he broke the surface only four times, taking an average of four strokes under water each time. Only in the last 10 yards did Theile seem to exert himself to best D.Brandon (Maroochy) narrowly. The ease of the swim last night suggests that he will extend young Bruce Mocatta in the final tonight.

Mocatta clocked the fastest time in last night's heats with 1m 20.1s.

(Full results given)

C.M. Saturday 2 February 1957

THEILE WINS STATE SWIM TITLES IN 3 SWIM STYLES

Olympic backstroke champion David Theile gave a remarkable display to win the State 100 metres breaststroke swim title in the record time of 1m 16.2s at the Valley pool last night. His time was the best ever recorded by a Queenslander over the distance. The Queensland open record is 1m 13.6s by Terry Gathercole (NSW).

Theile's win last night proved his outstanding versatility. At the championships which conclude today he has won the 100 and 200 metres backstroke, 50 metres freestyle, and breaststroke titles.

Theile from Maryborough, swimming for University Club, swam most of the way under water until surfacing five times during the race. From the dive-in he swam at least 30 metres before coming up for a breath. He broke clear about two yards ahead of Dalby swimmer, Bruce Mocatta, and just led him at the 50 metre mark.

Mocatta kept after Theile, or what he could see of him, and the Olympic champion was only slightly in front with about 15 metres to go. He submerged again and "frogged" his way to a clear win.

Swimming under water in breaststroke events will be banned after May 1 this year.

Mocatta's time of 1m 18s was the best ever by a Queensland junior.

BEAT ANDERSEN

Maryborough freestyler, Hayden Kenny, put up another fine swim to down Peter Andersen, of Brisbane, in the 400 metres open title in State resident record time of 4m 52s. Kenny and Andersen had a stroke-by-stroke battle all the way, with Kenny inches in front at each turn. Kenny also won the 200 metres and was second in the 800 metres at the carnival. Andersen's time of 4m 52.6s also bettered the resident record of 4m 53s standing to R.Burns.

Lyn Chamberlain, of Toowong, swam a powerful race to just beat Fay McKillop (Townsville) in 30.6sec in the women's 50 metres open freestyle. Rosemary Lassig, of Bundaberg, held the leaders for most of the lap, but just faded at the finish to be third in 31.4sec.

Ann Stewart, 15-year-old Bundaberg lass and sister of Queensland junior golf champion, Meg Stewart, put in a strong finish to win the junior 100 metres backstroke. She was well behind title holder H.Lucky (Valley) at the 50 metre turn, but caught her in the last few yards to just touch first.

(Full results given)

C.M. Monday 4 February 1957

BRISBANE SWIMMERS TAKE BACK SEAT
IN SELECTIONS FOR NATIONAL TITLES
COUNTRY GET SIX IN STATE SQUAD

Country swimmers outnumbered Brisbane representatives three to one in the official State swimming squad announced by the Queensland Amateur Swimming Association yesterday. Of the eight selections, the country gained six berths to the National Championships at Canberra from February 16-23. This is the greatest country representation ever.

Three Bundaberg swimmers - Dan Mahoney, Rosemary Lassig, and Ann Stewart - won selection. Other country members are: Bruce Mocatta (Dalby), Noel Craig (Townsville), and ex-Maryborough student David Theile, who moved to Brisbane a short time before the State titles.

BRISBANE'S TWO

Gregory Terrace student Peter Andersen, and John McLeod are Brisbane's only representatives.

Craig and Mahoney are the only two of the official squad to receive limited financial assistance. Each will receive thirty five pounds towards expenses. The other six will be fully financed by the Q.A.S.A.

Thirteen other swimmers, including six from the country, have been named to compete at their own expense in the national titles. They are - E.Courtney, A.Fingleton, Beth Kernke, L.Kingston, H.Lecky, P.Stanton, W.Thomas (all of Brisbane), H.Kenny and B.Tudman (Maryborough), B.Mason (Mt Isa) F.McKillop L.Miller (Townsville), and Glenys Whybird (Ipswich).

Mr E.Cichero, of Brisbane, will manage the squad; Mrs E.J.Fairlie has been appointed chaperone.

The squad will leave by air for Canberra on February 14. The captain has not yet been announced.

IMPROVED POOLS

Q.A.S.A Secretary (Mr Bill Holland) attributes the success of country swimmers to the great improvement of country pools in recent years and the Olympic swimming squad's three months training period in Queensland pools.

"The Olympic squad's training period here increased interest in swimming greatly, particularly in the north," he said. "Country swimmers have also been aided by the tremendous improvement in pool standards and training facilities."

(Head pictures of Theile, Lassig, Caig and Andersen.)

C.M. Thursday 7 February 1957

Q'LD TOPS IN BANKS SWIM

Some of Queensland's top swimmers will compete at the Combined Banks annual carnival at the Valley Baths tomorrow.

Stater women's 50 metres and 200 metres freestyle champion, Lyn Chamberlain, and Central Queensland freestyle and backstroke title holder, Pat Neal, will swim for the Australia and New Zealand Bank.

The Bank of New South Wales will have three former State representatives - Kirra surfer Ken Wiles (freestyle), ex-Maryborough star John O'Donoghue (breaststroke), and breaststroker Kay Stewart.

The E.S. & A. Bank has another former State freestyle representative, Bob Burns, and third placegetter in the 1957 100 metres State backstroke title and current country champion, Jack Purtell, will swim for the Commonwealth Bank.

STUDIES FIRST - THEILE

Queensland Olympic gold medallist, David Theile, will not make any swim tours this year that will interfere with his medical studies.

"I had to give up my first year studies last year to concentrate on the Olympics, and I will not sacrifice them this year," said Theile from Maryborough last night.

Theile was commenting on an invitation to swim at the Japanese championships in July and August. He has not yet received the invitation, but Queensland Amateur Swimming Association Secretary (Mr Bill Holland) said last night that an invitation was on the way. Theile will wait until he hears details of the tour before he decides.

The Japanese will also invite Games freestyle gold medallists Jon Henricks and Murray Rose, and breastroker, Terry Gathercole, all of New South Wales.

VISIT MANILLA

Theile, world 100 metres freestyle record holder John Devitt, Rose, and butterfly swimmer Brian Wilkinson, have been invited to the Philippines championships at Manilla. The Philippines titles start on February 27 and the swimmers will be home on March 3.

Theile will start his University studies on March 4, and he and Devitt accepted the invitation. Rose and Wilkinson have not yet accepted.

C.M. Friday 8 February 1957

THEILE'S NEW WORLD SWIM

Maryborough - Olympic gold medallist, David Theile, last night broke the world record for 100 yards backstroke in the Maryborough City baths. He swam the distance in 55.6sec to clip 1/10 sec off the record set in 1954 by Yoshi Oyakawa (United States).

Theile flashed over the first lap in 17sec, took one second longer to cover the second lap, and came home on the last in 20.6sec. David's record swim was clocked with standard three watches. He swam unpaced.

"I used my own turn, but it was not the fastest one I can do," he said after his triumphant swim.

STATE RECORD

Hayden Kenny, selected in the State squad to swim at the National Championships, swam 220 yards in 2m 14.4s to break Frank O'Neill's five-year-old state record.

Kenny covered the first 100 yards in 58sec.

C.M. Saturday 9 February 1957

LYN IN STATE TEAM AFTER BANKS' SWIM

Toowong swimmer, Lyn Chamberlain, was added to the Queensland team after winning three events at the Combined Banks carnival at the Valley pool last night. Eighteen-year-old Lyn set a new carnival record of 37.4sec for 50 metres backstroke, and equalled her own record of 30.2sec for the 50 metres freestyle. She also won the 50 metres breaststroke and figured in two relay successes for the A.N.Z. Bank team.

Lyn, previously unavailable, will go with the State team to the National Titles in Canberra from February 18 to 23.

Lyn's freestyle time of 30.2sec last night was better than the 30.6 sec she took to win the State title at the Valley pool a week ago.

WILES' RECORD

Ken Wiles thrashed his way to a new carnival record of 62.1sec in the men's 100 metres freestyle. He also led the Bank of N.S.W. team to retain the Chubb Cup.

C.M. Friday 15 February 1957

THEILE MAY BE PRESSED

Canberra - It could be a flash-back to the Olympic men's backstroke event when the world's fastest swimmer, David Theile, of Queensland, meets John Monckton (NSW) tomorrow. The pair will fight out the final of the National 110 yards title.

Theile won at the Olympic Games in record time and 16 year old Monckton was second. But lately Monckton has been training harder than his rival and the Olympic champion could be defeated.

BREASTSTROKE TOO

Theile caused a surprise yesterday when breaststroke swimmers found he had unexpectedly entered for the 110 yards event. The tall Queenslander is such a gifted swimmer he could closely press Olympic breaststroke finalist Terry Gathercole (NSW).

However the serious fact is Theile's breaststroke is so unorthodox that he could be disqualified in tomorrow's heats, which will be swum only 20 minutes after his more important backstroke heat.

Although she is considered Queensland's best bet for a national swimming title, Lyn Chamberlain has a great chance in the new 220 yards backstroke event.

This the first time the long, four lap backstroke event has been held.

C.M. Monday 18 February 1957

ABSENCE OF OLYMPIC SWIM STARS CAUSES OFFICIAL STIR
From Judy Joy Davies

Canberra - The non-appearance of Olympic swimming stars at the Australian swimming championships has caused such disappointment in Canberra that the full conference of the Australian Swimming Union will fully discuss the problem on Tuesday.

Olympic Gold Medal winners Jon Henricks, Lorraine Crapp, Murray Rose, Dawn Fraser, Gary Chapman, Kevin O'Halloran, and Faith Leech, all declined to swim and defend titles at these championships. In fact, our only Gold Medal winners to show up were David Theile and Sandra Morgan.

The result on Saturday was that only 700 of the 1500 seats were sold, and only one Australian record was broken, when usually records topple in very second event.

(Then considerable speculation as to reason)

C.M. Wednesday 20 February 1957

MONCKTON DEFEATS THEILE AGAIN FOR 220 TITLE
From Judy Joy Davies
Former Olympic swimmer

Canberra - New South Wales swimmer, John Monckton, again defeated Queenslander David Theile in the national swimming championships last night. Monckton won the 220 yards backstroke title by 12 yards, with Theile second. Another Queenslander, Tony Fingleton, was third.

Monckton's time, 2m 23.5s was 3 1/2 seconds outside the world record. It was also 2.1sec slower than his own personal best.

A freezing wind was whipping across the pool and the water was only 68deg, just 5 deg colder than the correct championship temperature.

WATER CHOPPY

The wind blew the water from the swimmers' arms into their faces and eyes and made the pool very choppy.

Monckton, 18 and 6ft 4in tall, almost collapsed after his win. "I never gave up hope, but I was taking in water like a sinking ship," he said.

Theile lost the 110 yards backstroke title to Monckton last Saturday, but the time, 63.9sec, was 1.7sec outside the time Theile set in the Olympics.

Queensland swimmers to gain places in finals were - Lyn Chamberlain (third in 110 yards freestyle), Lyn Kingston (third in women's 110 yards butterfly), Peter Andersen (second in 220 yards butterfly), and Maurice Junk (third in 440 yards medley).

(Full results given)

C.M. Friday 22 February 1957

(Excerpts from Judy Joy Davies report)

Hayden Kenny, of Queensland was fifth in the 880 freestyle - won by Murray Garretty.

Lyn Kingston was second to Olympic butterfly swimmer, Maureen Giles of NSW in the women's 880 yards. So short-sighted without her glasses that she can hardly see, strongly built Lyn was lying in third place behind Maureen Giles and Jan Hayward for most of the distance. But strong barracking by Queensland team mates was heard by Lyn, and with a grand burst of speed over the final two laps, she passed Hayward and swam into second place.

Queensland diver, Les Miller, shocked everyone by beating Olympic representative Bill Tully into fifth place in springboard diving. Miller was fourth.

C.M. Saturday 23 February 1957

ANN FOUGHT TO MAKE SWIM FINAL

From Judy Joy Davies

Canberra - Little Ann Stewart, 14, from Bundaberg, swam with lots of fire yesterday to win her heat of the junior Australian 110 yards backstroke championship.

She had to fight every inch of the way to beat off challenges from Marilyn Wilson, of Victoria, and another Queenslander, Wendy Thomas. Fastest time was recorded by NSW junior Ann Beardmore, but Ann Stewart is assured of at least a place in the final.

THREE IN FINAL

Queensland's three representatives in the junior girls backstroke, A.Stewart, W.Thomas, and H.Lucky, have qualified for the final.

Other Queenslanders to qualify for today's final day of swimming are - Pat Stanton in the women's 220 yards breaststroke and Bruce Mocatta in the men's 220 yards breaststroke.

Queensland men sprinters, H.Kenny, D.Theile, B.Tudman, and D.Mahoney, all failed to qualify for the final of the 110 ads freestyle.

(Full results given)

C.M. Monday 25 February 1957

LYN KINGSTON SEEN AS GAMES STAR
From Judy Joy Davies

Queensland has a future Olympic star in 15-year-old, Lyn Kingston, of Brisbane, either as a freestyle swimmer or a butterfly exponent.

Solidly built, Lyn won the junior women's butterfly at the National swimming championships on Saturday, was second in the 880 yards freestyle on Thursday, and gained a third in the open butterfly and a second in the open medley.

So short-sighted that she can hardly see her rivals during a race, Lyn nevertheless swims with style, speed, and determination - the essentials of a class champion.

A quietly-spoken girl who obviously loves the excitement of racing, Lyn has the strength to stand up to hard training and hard racing.

Her only failing is that as yet she has not had the experience to know how to exert herself in competition. Instead of being tired at the end of races, young Lyn is always full of fight and as fresh as when she started.

New South Wales won the Kieran Shield awarded to the State gaining the most wins in the championship with 11½ points to S.A. 5, and Victoria 2½.

The New South Wales women's team won the equivalent Corbett Shield.

C.M. Tuesday 9 March 1957

THEILE TAKES FOUR TITLES

Olympic backstroke gold medallist, David Theile, won four of his seven events at the University swimming championships at the Davies Park baths last night.

He went down narrowly to former Empire Games backstroker Cyrus Weld in the 50 yards butterfly, but easily beat Weld for the championship trophy, the McTaggart Memorial Cup. Weld came out of retirement to defend the Cup.

Courier Mail, Thursday 12 September 1957

2972 GIRL SWIMMERS
By Ruby Robinson

The mounting interest by women and girls in swimming in Queensland is shown by last season's registrations - 428 seniors and 2544 juniors. Of the 2972 total registrations, nine metropolitan Clubs supplied 1441. Valley Ladies Club topped the list with 298 registered swimmers followed by Commercial with 271. 20 Country Clubs had 997 registered swimmers with Bundaberg top with 202, with Bundaberg Ladies Club second with 99. 4 District Associations had a total of 534 members registered.

The Annual Meeting of the Q.L.A.S.A. will be held on September 20 at the National Council of Women's Rooms, George Street.

Miss Flo Granville of Sandgate, who has been Association President, Treasurer, or Secretary since 1927, will be presented with a Life Member's Badge.

C.M. Thursday 19 September 1957

MUST KEEP SWIM ALERT

Sydney

Swimming coach Frank Guthrie yesterday warned against complacency about Australia's prospects for the 1960 Olympic Games. He said that various overseas nations had learned all Australia's methods at the Melbourne Olympic Games last year and were now putting them into practice with their own swimmers, so it would be difficult for Australia to keep her lead.

THREE POINT PLAN

Guthrie outlined a three point plan which he believed would help solve the problem.

The plan is that the Australian Swimming Union send away large representative teams at every opportunity to help encourage the young swimmers - tours for second string swimmers should be organised - coaches be on the alert for any new technique.

C.M. Saturday 21 September 1957

LIFE BADGE FOR SWIM OFFICIAL

The Queensland Ladies Amateur Swimming Association at its Annual Meeting last night presented Miss Flo Granville with a Life Membership Badge. She has been with the Association and Sandgate Club for 30 years.

The Association membership of 3000 is expected to be increased this year.

Mrs V McGregor-Lowndes (Patroness), and Mrs J.Ross (President) were elected unopposed. The Registrar is Mrs V.Anderson, and Mrs Rose and Mrs E.J. Fairlie are delegates to the Queensland Amateur Swimming Association.

C.M. Wednesday 25 September 1957

STARS LIKELY TO SWIM HERE

Olympic swimmers John Devitt, Terry Gathercole, Lorraine Crapp and Dawn Fraser, are sure to be asked to compete in a carnival at the Valley Baths on December 9. The Queensland Amateur Swimming Association Executive will recommend to the QASA Council that they be invited. Council approval at its next meeting on October 14 seems assured.

Devitt, Crapp, and Fraser are freestylers, and Gathercole a breaststroke specialist.

LYN RETIRES

Lyn Chamberlain, a Queensland freestyle champion in all age groups and open status has retired.

Lyn, 18 years, of Eagle Junction, who hopes to start a nursing career in November, feels that she has had enough of competitive swimming. A backstroke stylist in addition to a freestyler, Lyn swam with Toowong Club. At the National Titles in Canberra last February she finished third in the 110 yards freestyle, and was a member of the Queensland relay teams, medley and freestyle, which were placed second.

C.M. Friday 27 September 1957

FEARS "BAN" MAY FORCE SWIMMERS OUT OF OLYMPICS

"The International Olympic Congress may force swimming out of the Olympic Games" Queensland Amateur Swimming Association Secretary (Bill Holland) said last night. "This would be a bitter blow to Australia which is the premier swimming nation of the world today." Mr Holland is also an Australian Selector and was the supervising coach at the Melbourne Olympics last year.

The I.O.C. now meeting at Sofia (Bulgaria) has decided to ban either breaststroke or butterfly events after the Rome Olympics in 1960. Congress decided to instruct the International Swimming Federation (F.I.N.A.) to make a decision on which style it would maintain.

"BREAKAWAY"

"The decision is ridiculous" Mr Holland said. "Butterfly and breaststroke are as distinct from one another as freestyle and backstroke. This move could lead to FINA withdrawing from the Games and holding its own World Games similar to the Cycling World Amateur Championships."

"If swimming eliminated one of the events, the I.O.C. should allow three competitors to each as in the other swimming styles and introduce more relay events," he said.

The Congress also decided that after the Rome Olympics there would be no team awards in equestrianism, gymnastics, modern pentathlon, and cycling. Canoeing events would be reduced from nine to seven.

(Picture - Three 13 year olds - Could be some of our future Olympic stars. Lyn Kingston of Bowen Hills, State 110 yards Junior freestyle champion, Helen Lecky of Newmarket, State backstroke representative, and Estelle Jay of South Brisbane, prominent breastroker.)

C.M. Tuesday 1 October 1957

Q.A.S.A BACKS NEW POOL PLAN

The Queensland Amateur Swimming Association last night backed the Lord Mayor's (Ald Groom) plan to build a modern swimming pool at Gregory Terrace.

At its Annual Meeting last night it passed the following motion - "That the Q.A.S.A, noting the announcement of the Lord Mayor's proposal to establish a modern swimming pool on Gregory Terrace to commemorate Queensland's Centenary in 1959, expresses its full and unqualified support for the proposal and offers the Lord Mayor its co-operation and assistance in bringing this proposal to a successful conclusion."

The Association also conferred Life Membership on the Secretary, Mr W.Holland. Mr Holland has been actively associated with swimming in Queensland since 1931. He coached the Australian swim team at the Empire Games in Auckland in 1950, and was Manager/Coach to the 1954 Games team to Vancouver. Mr Holland was also supervising coach to the Australian team at the Melbourne Olympics.

The following five Vice Presidents were elected from eight nominations - Dr E.G.Theile, Messrs W.S.Johnston, H.Weld, W.McLeod, and E.Barnacle.

OLYMPIC THREAT TO AUSTRALIA IN SWIMMING

Australia could lose its position as the world's premier swimming nation following the International Olympics Congress held recently in Sofia (Bulgaria).

The title would go to the country with the best training facilities. Of the six clauses approved by the Congress, the one relating to the International Committee's definition of an amateur will affect seriously the training of Olympic Games teams. This clause states - "A person is not an amateur if he gives up work or employment for a continuous period of over thirty days in order to train or take part in competition."

This would prevent Australia from sending its best team to Townsville for training. Last year Australia's Olympic Games swimming squad trained in Townsville for eight weeks.

"WARM POOL NEEDED"

Queensland Amateur Swimming Association Secretary and Australian selector (Bill Holland) said last night that the clause would not apply to all Australian champions who were at school, or the like of the backstroke gold medallist, David Thiele, studying at a University. "This will help however, to bring better training facilities," Mr Holland said. "It would force several Associations to increase their efforts to obtain heated pools for winter training to eliminate the necessity to send a team to Townsville."

"NOT TRUE SPIRIT"

"The Australian team for the Empire Games in July will have less than thirty days training in Townsville," Queensland Amateur Athletics Association Secretary and Australian selector (Mr J.Barlow) said last night. "We consider it is not in the true spirit of sport."

C.M. Wednesday 2 October 1957

NEW EVENT FOR STATE TITLES

A new State Title, the Women's 100 metres Breaststroke, is to be contested for the first time this season.

The Queensland Amateur Swimming Association Secretary (Mr W.Holland) said last night that this event was sure to be approved by the Q.A.S.A Council meeting on October 14. Introduction of the event would bring the State programme into line with National Championships. No dates have been fixed for the State Championships, but usually they are held at the end of January or early February.

Australian Swimming Union's Secretary, Mr W.Berge-Phillips, has announced that the Australian Empire Games team would tour Japan after the Games in Cardiff next July. The team will compete at the Japan National Titles in Tokyo from August 14 to 17, and an International carnival and other fixtures are to be arranged.

C.M. Friday 4 October 1957

COACH EXPECTS SENSATIONAL YEAR DEVITT TO ATTEMPT HIS WORLD TIME HERE

Sam Herford, coach of triple Olympic gold medallist, Murray Rose, predicts sensational times this season for his sprint charge, John Devitt.

Speaking from Sydney yesterday, Herford said, "John sprinted 56.7 seconds for 110 yards in the old North Sydney pool last Saturday, suggesting great things from him. He has filled out a lot since last season, and I will be bringing him to Brisbane for a carnival on December 9, to let him attack his world 100 metres record of 54.6 secs."

POOL PERFECT

"The Valley pool where John set his world time last January is perfect for breaking records," Herford said. "The water is fresh, not like some Sydney pools, its temperature of around 75 degrees is ideal, and its length of 50 metres conforms with the new International Swimming Union's recommendation for world records."

Devitt, 21 years, beat Gary Chapman at North Sydney pool last Saturday in water temperature of 61 degrees.

INVITE DAWN

Devitt, Dawn Fraser, and Lorraine Crapp, will be invited here on December 9 to help raise funds for the Empire Games Fund for Cardiff (Wales) next July.

Herford also expects great things for his middle and distance freestyler, Murray Garrety.

(Picture of Devitt in the water)

C.M. Saturday 12 October 1957

Picture "Escaping yesterday's heatwave was Violet Mercer of Warwick who took a timely dip in Warwick's £62,000 Olympic swimming pool which was opened last Saturday."

C.M. Tuesday 15 October 1957

STATE SWIM TITLE DATES

The 1957-58 Queensland Swimming Championships will be held from January 24 to February 1. This was decided at the Queensland Amateur Swimming Association's Council meeting last night. Nominations for the championship will close on January 10.

The meeting also approved the QASA delegates committee's decision to invite Olympians John Devitt, Terry Gathercole, Lorraine Crapp and Dawn Fraser, to a carnival in Brisbane on December 9.

It decided to introduce a new event, the 100 metres Women's Breaststroke, into the State title programme.

The December 9 carnival will be an "all ticket" one.

An attempt to reimburse Australian Junior Butterfly Champion, Lyn Kingston, for her share of expenses (17) to the Australian Championships in Canberra last February was defeated.

The Council re-elected Dr D Dowling as Chairman, Mr W.Holland as Secretary, Mr R.Lyons as Treasurer. Messrs N.Burn, W.Holland, and G.Nankerville, were named State Selectors. Messrs G.Marr, G.Nankerville, M.Munro, E.Cichero, and E.Morris, were appointed the Country Committee.

C.M. Saturday 19 October 1957

DEVITT MAY DEFER SWIM

John Devitt's Brisbane attempt on his world 100 metres record of 54.6 seconds may be postponed from December 9 to 16.

Devitt is one of the four Olympians the Queensland Amateur Swimming Association hopes to attract to the carnival at the Valley Baths. Devitt's studies will prevent him coming sooner.

The New South Wales Association has advised that Dawn Fraser and Terry Gathercole seem certain to appear, but Lorraine Crapp is still in doubt. Her father, Mr K.Crapp, said that because of her recent American and present European tour, Lorraine may be unable to obtain leave from work.

The Olympians will also swim at a Warwick carnival on the Saturday prior to the Brisbane appearance.

C.M. Wednesday 6 November 1957

SWIM RELAYS
392 SWIMMERS IN TEAM EVENT

392 swimmers will compete in one event at the Valley pool tonight. The race - the mercantile relay - has attracted a record 98 teams each of four swimmers. This is four better than previous greatest.

The teams, which will represent Brisbane business houses and firms, will consist of men women and children.

The race, which will be run in heats, will be over 4, 50 metre laps, with each competitor swimming one lap.

C.M. Thursday 11 November 1957

ANN CLOCKS FAST SWIM

Ann Nelson, 13-year-old backstroker, last night swam the fastest 50 metres recorded in Queensland by a junior. Ann, of Wavell Heights, clocked 34.8sec, which is 1.8sec faster than Lyn Chamberlain's junior record. Junior age limit is 16 years.

She was swimming in an associate event with the Valley Club mercantile relay at the Valley baths.

The C.O.R No 3 team swam consistently to win the event and the Elphinstone Shield. Northgate Railway came second and English Electric No 1 came third.

C.M. Saturday 9 November 1957

SWIM CLASSES AT VALLEY POOL

A varied programme will open the Valley Junior Chamber of Commerce Adult Learn to Swim classes at the Valley pool tonight. Competition races will bring together top Brisbane swimmers, and diving and Life Saving displays, a mercantile relay, and a mannequin parade, are included in the programme.

Wednesday 13 November 1957

GOOD SWIM PROGRESS

150 prospective swimmers are splashing around in the Valley Baths this week in the Valley Junior Chamber of Commerce Learn to Swim week. Quick progress is being made by many of the swimmers, according to the chief instructor and organiser of the week, Mr Frank Fleming.

C.M. Friday 15 November 1957

DEVITT TO SWIM HERE

World 100 metres freestyle record holder, John Devitt, will make three appearances here on December 16.

With co-Olympians Murray Garretty, Terry Gatherole, and Dawn Fraser, he will appear in a Queensland Amateur Swimming Association carnival at the Valley Baths.

Devitt's main mission is to crack his 100 metres record (54.6sec) which he set here last February. Devitt will also contest the 100 metres freestyle and the 2 x 50 metres brace relay.

IN RELAYS

Gathercole will start in the 200 metres breaststroke, Garretty in the 400 metres freestyle, and Miss Fraser in the women's 100 metres freestyle.

All will swim in the brace (man and woman) relay.

The carnival will be the first all-ticket meet staged by the Q.A.S.A.

C.M. Monday 18 November 1957

TOP COUNTRY SWIMMERS AT CARNIVAL

Leading country swimmers are nominating for the December 16 carnival at the Valley Baths. Entries have been received from outstanding Bundaberg youngsters Dan Mahoney and John Wainwright.

Queensland Amateur Swimming Association Secretary, Mr Bill Holland, is anticipating a flood of country nominations.

Mahoney holds all the State junior freestyle titles (100, 200, and 400 metres) and is the Under 15 100 metres freestyle holder.

Wainwright is one of Queensland's most promising sub-junior freestylers.

The carnival has attracted southern Olympians, Terry Gathercole, Murray Garretty, John Devitt, and Dawn Fraser.

C.M. Thursday 21 November 1957

AFTER SWIM RECORD

Ann Nelson, 13, will attack the State junior 100 metres backstroke swim record on December 16. She will make her attempt at the Q.A.S.A carnival at the Valley pool. Ann, a strong Empire Games hope, has already clocked 34.8sec for 50 metres, which is the fastest by a Queensland woman, and 1.1sec inside Lyn Chamberlain's 1953 junior record.

The age limit for a junior is 15.

Olympic stars Terry Gathercole, Murray Garretty, John Devitt, and Dawn Fraser will appear at the carnival.

Another State record attempt will be made at Bundaberg on December 3 by local Dan Mahoney. Mahoney, State junior 100 and 400 metres freestyle champion, will chase Ross Murray's 400 metres, and Peter Andersen's 440 yards junior freestyle times. Murray's best is 5m 1.7s and Andersen's time 5m 21.6s.

C.M. Wednesday 27 November 1957

TO DISCUSS SWIM PAIR

Sydney - Australian Swimming Union next February in Melbourne will consider the eligibility of Jon Henricks and Murray Rose to compete for Australia at the Empire Games.

Australian Swimming Union Secretary (Mr W Berge-Phillips) said no decision would be made before the meeting.

Henricks and Rose are both studying at American Universities.

The Australian Swimming Union's rule is that any Empire Games competitor must first compete in Australia at time trials.

R.U. REF NOW SWIM COACH

Queensland Rugby Union Test Referee, Noel Haydon, has turned professional swim coach. Haydon has resigned the position of Secretary and honorary coach of Sandgate swimming Club. His wife has taken over as temporary Secretary.

Haydon has been coaching for three seasons under leading Australian amateur coach, Len Stanton.

C.M. Tuesday 3 December 1957

INVITE TOP SWIMMERS

The Queensland Amateur Swimming Association will ask eight of the world's best swimmers to Warwick and Brisbane next March. t.

The swimmers are, world 100 metres record holder John Devitt, and co-Olympians, Bruce Wilkinson (butterfly), John Konrads; women's champions Lorraine Crapp, Dawn Fraser, and their close rivals, Ilsa Konrads, Sandra Morgan, and Faith Leech.

If they accept the swimmers will compete at Warwick on March 1 and at the Valley pool on March 3.

C.M. Saturday 23 November 1957

THEILE TO MISS TITLES AND GAMES

World backstroke swim champion, David Theile, will not be available for the Empire Games or the Australian Championships.

Speaking from his Maryborough home last night, Theile said his medical studies would prevent him from competing at the Cardiff Games next July, and National Service would keep him away from the national championships to be held in Melbourne next February.

Theile expects to enter camp with the January intake.

He hopes, however, to defend his State 50 metres freestyle, 100 and 200 metres backstroke, and 100 metres breaststroke titles between January 24 and February 1.

C.M. Friday 6 December 1957

SWIM TITLES GO TO MT. MORGAN

Mt Morgan, for the first time, will stage the Central Queensland swim championships this season.

The modern 33 1/3 yard Mt. Morgan pool has been named as the venue for the titles to be held next March or April.

Townsville will again hold the North Queensland championships at Easter.

C.M. Wednesday 11 December 1957

3 GAMES SWIM HOPES IN BIG SWIM TEST

Queensland's three serious Empire Games prospects face their toughest test this season at the Valley pool next Monday night. They are Peter Andersen, Lyn Kingston, and Ann Nelson.

Andersen and Kingston will swim against Murray Garretty and Dawn Fraser, and Ann Nelson will attack Lyn Chamberlain's Queensland 50 metres Queensland backstroke record of 35.9sec.

Olympians Garretty, Miss Fraser, Terry Gathercole, and John Devitt are guest swimmers at the Queensland Amateur Swimming Association carnival.

BUTTERFLY HOPES

Andersen, a strong butterfly candidate for the Cardiff Games next July, is also an outstanding freestyler. He will oppose Garretty, holder of the Australian championship records from 22 to 1650 yards, in a 440 yards event.

Lyn Kingston is national junior butterfly champion and a smart freestyler. She could well make one of the women's three butterfly berths for Cardiff. On Saturday she will tackle the world 100 metres record (62sec), pet distance of the holder, Dawn Fraser.

Ann Nelson, a 13 year-old prodigy, seems Cardiff-bound. She has already bettered the State 50 metres junior record by 1.1sec, which is the fastest 50 metres backstroke recorded by a Queensland woman.

WORLD ATTEMPT

Devitt's main aim is to crack his world 100 metres freestyle time of 54.6sec. He set the time at the Valley pool last February. Devitt set a new 110 yards record - 58sec - for the slow Coogee Aquarium pool, Sydney, last Sunday.

C.M. Monday 16 December 1957

DAWN AFTER 3rd RECORD

Olympian Dawn Fraser will aim for her third State swim record in four days at the Valley pool tonight. Miss Fraser, 20, world 100metres freestyle record holder, will attack her Queensland 100 metres freestyle time - 63.3sec.

In Perth last week, Dawn swam 110 yards freestyle in 64.1sec. On Friday night at Adelaide, she lowered her South Australian 220 yards medley time to 2m 53.3s and on Saturday, bettered Margaret Gibson's South Australian 110 yards butterfly time with a 1m 21.5sec swim.

Dawn, who arrived in Brisbane from Adelaide last night, said she would concentrate on freestyle sprinting for the Cardiff Empire Games next July, and would then set herself for the Rome Olympics.

WORLD ATTEMPT

Dawn and breaststroker Terry Gathercole will join co-Olympians John Devitt and Murray Garretty for tonight's carnival.

Devitt will attack his 100 metres freestyle time of 54.6sec. Gathercole has clocked 2m 37.4s for 200 metres. Tonight Gathercole will give an interpretation of the new breaststroke rules.

C.M. Tuesday 17 December 1957

ANN IS NOW GAMES HOPE

Brisbane 13-year-old, Ann Nelson took on the glamour from four Olympic swimmers at the Valley pool last night. Ann broke the junior and open State resident backstroke records and swam right into next July's Cardiff Empire Games calculations.

Ann clipped 1.7sec off Lyn Chamberlain's junior 50 metres time of 35.9sec, then, one hour later, lowered Lyn's open 100 metres time in 1m 18.7s - an improvement of 0.9sec.

EQUALS AUSTRALIA'S BEST

Ann swam on the same programme as world 100 metres freestyle record holders, John Devitt, and Dawn Fraser, and their Olympic team-mates Terry Gathercole (breaststroke), and Murray Garretty (distance freestyler).

Ann's 100 metres time equals the best by an Australian woman swimmer this year, and shades the current time of Olympian Pat Huntingford.

Devitt failed by 2.7sec to crack his world 100 metres time. A great start was offset by exceptionally warm water and a bad turn. Although Herford was slightly disappointed, Devitt said he was satisfied and hopes to break his New South Wales 110 yards record of 55.2sec, this season.

Second to Devitt was Ken Gudenswager in 60.2sec, his fastest time for the season.

Later Devitt covered 50 metres in 24.9sec, which was 0.1sec slower than the first leg of world record swim in January.

The hot water had most effect on the distance swimmers. Garretty sauntered home half a lap ahead of Dan Mahoney in the 400 metres freestyle to clock 4m 46.8s. Mahoney, of Bundaberg, reached within 2sec of Barry Tudman's junior 100 metres freestyle record.

C.M. Friday 24 January 1958

TWO SWIM RECORDS SET BY RIGBY

Unknown 15-year-old, John Rigby broke the State open and junior resident 400 metres freestyle records at the Valley pool last night.

Swimming in the State championships heats, Rigby clocked 4m 46.4s, 15½ sec better than the previous resident junior record. His time is also 8sec outside John Konrads junior record.

Rigby's time also compares favourably with that of New South Wales champion Warren Hatt who swam 440 yards in 4m 45s. Rigby is coached by former national sprint champion, Bill Fleming.

CUT 26SECS OFF

Rigby, a 15-year-old St Laurence schoolboy, has chopped 26sec off his time in the past six weeks.

In 80 deg water he sprinted over the last 25 metres last night and finished half a length and 26 sec ahead of his nearest rival.

Empire Games hope, Ann Nelson, 13, sliced 7.2sec off Anne Stewart's open 200 metres backstroke time. Miss Nelson's first 100 metres was 0.7sec faster than her recent 100 metres open record.

BROKE MINUTE

The only swimmer to break the minute for 100 metres freestyle was Peter Eriksen, 59.5sec. Eriksen will clash with Ken Gudenswager, Dan Mahoney, and Peter Andersen in tonight's final.

Beryl Mason, 15-year-old Mt Isa prodigy, won two freestyle heats, one out of her division. She took the junior 50 metres in the fastest heat time, 31.4sec, then sauntered in the open 100 metres event in 72.3sec.

Ipswich breaststroker Jill Ruhle returned to form with a smart 200 metres heat win. She beat Beth Kernke in 3m 8.2s.

C.M. Wednesday 29 January 1958

SWIM RECORDS TO SCHOOLGIRL

Thirteen-year-old schoolgirl, Ann Nelson, set two more records during heats of the State swim titles at the Valley pool last night. She knocked 3.8sec off the women's 50 metres sub-junior backstroke record with an effortless 33.4sec, and her 1m 18sec for the women's 100 metres backstroke was a Queensland junior record. She has now set four records at three carnivals.

On Thursday night, Ann, an Empire Games prospect, set new State junior and senior 200 metres backstroke figures in the heats, and she beat her own records in the final on Friday night.

Leander swimmer, Priscilla McLennan, equalled the race record with 32sec for the women's 13 and Under 14 50 metres.

Bundaberg schoolboy, Danny Mahoney, took the first heat of the men's 200 metres junior freestyle with a State record time of 2m 18.2s.

Another Bundaberg junior, John Wainwright, 13, put up a brilliant performance to win the first heat of the men's 800 metres freestyle. His time of 10m 31.8s gave him a 10sec margin over Western Districts competitor, R.Venning.

C.M. Thursday 31 January 1958

SURF STARS IN SWIM THRILLER

Maryborough railway shunter, Hayden Kenny, last night won the most thrilling State 800 metres freestyle swimming title seen at the Valley pool. Kenny, 21, State senior surf champion, beat 17-year old State junior surf champion, Peter Andersen, by a touch. Blond 13-year-old Bundaberg schoolboy, John Wainwright,

finished only 10ards back, third.

Kenny and Andersen "played cat and mouse" for the full distance. Each waited for the other to break, but neither gained more than half a yard advantage. They turned together at the last three turns and sprinted the last 50 metres stroke for stroke.

Andersen, a real Empire games butterfly hope, crept closer to Cardiff with a 100 metres title win in 65.6sec. This improved on his previous best by two seconds.

ANOTHER RECORD

Ann Nelson, Wavell Heights backstroker, won two gold medals during the night, one for the sub-junior 50 metres and one for the open 100 metres. Her 100metres time (1m 16.7s) cracked Dutch girl, Greta Galliard's race time and set a new best by a Queenslander record. It also brought her to within half a second of the State record held by No 1 Empire Games tip, Gergaynia Beckett.

(Full results given)

C.M. Friday 31 January 1958

BEAT DEVITT'S STATE TIME WEBSTER'S FINE SWIM

Mt Isa schoolboy, Warwick Webster, last night bettered a record of world record holder, John Devitt, for the second time in a week.

In the State championships at the Valley pool last night Webster, 16, won his 50 metres junior freestyle heat in 26.7sec. This is 0.2sec inside Devitt's former State record. Last Thursday night Webster set a new State record of 26.1sec. Last night he also set the fastest time by a Queensland junior for 100 metres freestyle, 59.5sec.

The unprecedented performance of juniors, Webster, Dan Mahoney, and John Rigby, must force the State selectors to send the trio to the national titles in Melbourne next month.

Schoolgirl national title tip, Ann Nelson, set a race record of 79.3sec for 100 metres junior backstroke. Tonight Ann may beat her best by a Queenslander time of 1m 18.7s.

(Full details given)

C.M. Saturday 1 February 1958

LASSIG BEATS NANCY LYONS BEST BUNDABERG GIRL SETS AUSTRALIAN RECORD AT SWIM

Bundaberg blond, Rosemary Lassig, set an Australian 100 metres breaststroke record to win the State open title at the Valley pool last night. Rosemary, 16, led home Jill Ruhle and Pat Stanton, in 1m 23.6s, which is 0.4sec under the time demanded for a national record under the new breaststroke rules. Her time beat Queensland Olympian Nancy Lyons national record under the easier old rules by 0.1sec.

The new rule allows only one kick and arm stroke under the water at the start and at each turn.

The win gave Rosemary her fifth State title. She has also won the open freestyle 100 and 200 metres, country freestyle 100 metres, and the 100 metres country breaststroke titles.

"She's fantastic," said Sydney Olympic coach Frank Guthrie who was at the pool to see his Casino protégé, John Kissane, win the 400 metres freestyle. "That swim puts her in world class," he added.

"Rosemary and young Ann Nelson could put Australian women in world class in the two strokes at which our swimmers have been weakened, breaststroke and backstroke."

ANN AGAIN

Ann, 13, who makes a habit of breaking her own records, lowered her 100 metres backstroke time to 1m 15.2s last night. She was only 0.2sec outside Gergaynia Beckett's national record, and this after a tough week of competition.

Guthrie said after the race, "This girl is the best prospect I have seen. She is fully equipped, has a wonderful technique, and is a better prospect than Beckett." Beckett is hot southern tip for the Cardiff Empire Games in July.

Kissane won the 400 metres freestyle, but as a non-Queenslander, the title goes to Hayden Kenny who was second. (Full results)

C.M. Monday 3 February 1958

Q'LAND SWIM TEAM HAS 3 GAMES CHANCES

Queensland swimmers could win eight titles and three Empire Games berths at the national titles in Melbourne this month. Title hopes are; Ann Nelson (3), Rosemary Lassig (2), Lyn Kingston, Alan Humphreys, and John Rigby. Backstroker Ann, Rosemary (breaststroke), and butterflyer Peter Andersen are Cardiff Games prospects.

State selectors (Bill Holland, Garney Nankaville, and Norm Burn) yesterday named a strong team of 18 for the championships in the Olympic pool from February 15 to 22. Eight will have their expenses fully paid, and four have each been allocated twenty pounds towards their expenses. The rest will travel at their own expense.

The team of 11 city and 7 country representatives is -

All expenses paid - P.Andersen (Leander, men's open 110 and 220 yards butterfly, 440 yards medley, relays); A.Humphreys (Valley, men's junior 110 yards breaststroke, open 110 yards breast-stroke, medley relay); L.Kingston (Valley, women's junior 110 yards butterfly, 110 yards freestyle, relays); R.Lassig (Bundaberg, women's open 110 and 220 yards breaststroke, relay); I.Miller (Townsville, men's 3 metre springboard dive); A.Nelson (Valley, women's junior 110 yards backstroke, open 110 and 220 yards backstroke, relays); J.Rigby (City Pastime, men's junior 110 and 440 yards freestyle, relay); W.Webster (Mt Isa, men's junior and open 110 yards butterfly).

20 pounds allocation - J.Ruhle (Ipswich, women's junior 110 yards breaststroke, open 110 and 220 yards breaststroke); H.Kenny (Maryborough, men's open 20, 440, 880, 1650 yards freestyle, relay); D.Mahoney (Bundaberg, men's junior 100, 440 yards freestyle, open 110 yards freestyle, relay); V.Payne (Ayr, women's junior 110, 220 yards freestyle, open 440, 880 yards freestyle, relay).

At own expense - A.Fingleton (Valley, men's open 110 and 220 yards backstroke, relay); B.Kenrke (Valley, women's open 110 and 220yards breaststroke); P.McLellan (Leander, women's junior and open 110 yards freestyle, relay); T.McMahon (Valley, men's junior and open 110 yards backstroke); P.Stanton (Leander, women's junior 110 yards breaststroke, open 110 and 220 yards breaststroke); W.Thomas (Valley, women's open 110 and 220 yards backstroke).

There are eleven juniors, the youngest, 13-year-old dual backstroke champion, Trevor McMahon.

WILL IMPROVE

Miss Nelson, 13, second youngest team member, could take the junior 110 yards and senior 110 and 220 yards titles. Although a raw tactician, she improves with every swim, and should be suited to the cooler southern water.

Rosemary Lassig has swum the fastest 100 metres breaststroke in Australia this season, and has the essentials for the 220 yards title.

Humphreys has clocked the fastest junior 100 metres breaststroke in Australia this season, 1m 21s.

C.M. Thursday 6 February 1958

AYR GIRL OUT OF SWIM TEAM

Fourteen-year-old Ayr swimmer, Yvonne Paine, has withdrawn from the Queensland team for the national titles. Miss Paine was one of the four swimmers allowed £20 financial assistance.

Holder of five State open and junior freestyle titles, Miss Paine was to have contested the junior 110 and 220 yards freestyle, and the senior 440 and 880 yards freestyle and the relay at the titles which start in Melbourne tomorrow week.

Queensland Amateur Swimming Association Secretary (Mr Bill Holland) said that no replacement would be made.

C.M. Monday 10 February 1958

SELECTORS WANT SWIMMERS' MONEY SWITCH

Queensland swim selectors will move for financial assistance to two other members of the State team for the national titles. Tonight they will ask the Executive to share Yvonne Paine's expense allocation between two of the financially assisted members of the team.

Miss Paine, of Ayr, has withdrawn from the team which leaves Brisbane for Melbourne on Thursday. The titles start with heats on Friday.

TWO LIKELY

Likely beneficiaries are backstroker Tony Fingleton and one of the two breaststrokers, Patricia Stanton or Beth Ruhle. The younger Miss Stanton may be preferred because she can compete in the junior events as well as the open.

Empire Games prospect, Peter Andersen, has never worked better, according to his coach, Bill Fleming. Fleming predicts Andersen will better Bruce Wilkinson's national 220 yards butterfly record of 2m 24.9s.

C.M. Thursday 13 February 1958

(Picture of John Rigby in starting dive, and predictions of Queenslanders hopes for national titles)

C.M. Saturday 15 February 1958

NINE QUEENSLANDERS QUALIFY IN SWIMS

Nine Queenslanders from eleven competitors will swim in tonight's finals.

Wendy Thomas is a reserve for the women's 110 yards backstroke, and Peter Andersen failed to qualify for the men's 220 yards freestyle. Andersen caught a heavy cold yesterday after training in the cool Olympic pool and it could hinder his 220 yards butterfly and Empire Games chances.

Ann Nelson and Rosemary Lassig were the most impressive Queenslanders.

Miss Nelson finished second to Gergaynia Beckett in the open 220 yards backstroke clocking 2m 51.5s, and finishing two yards behind the Olympian.

Miss Lassig pushed Olympian Beverley Bainbridge to a Victorian open individual medley record.

Other god Queensland swims were by John Rigby (4m 53.9s) and Dan Mahoney (4m 56.2s in the junior 440 yards freestyle. Rigby looked good enough to win tonight's final.

Queensland junior Alan Humphreys entered the open 220 yards breaststroke final with fourth placing in 1m 20.8s, his fastest time yet.

Pat Stanton and Jill Ruhle each clocked 1m 30s to make the final of the women's junior 110 yards breaststroke.

Seven Victorian records were broken at the meet. (Full results given)

C.M. Tuesday 18 February 1958

ANN AND ROSEMARY HIT TOP SWIM FORM
2 QUEENSLAND GIRLS BREAK RECORDS

Melbourne - Two Queensland girls, Ann Nelson and Rosemary Lassig, broke Victorian records at the Australian swimming championships last night. Ann's 1m16.8s for 110 yards open backstroke bettered former Olympian Judy Joy Davies time by 1.1sec.

Rosemary's 110 yards open breaststroke time - 1m 26s - clipped 2.7sec off the Victorian record and was two seconds outside the time demanded for a national record.

The girls and four other Queenslanders will swim in tonight's finals. The others are Dan Mahoney and Warwick Webster (junior 110 yards freestyle), Patricia Stanton (open 110 yards breaststroke), and John Rigby (open 440 yards freestyle).

COACH'S PLEA

Rigby's coach, Bill Fleming, argued with Queensland officials Jack Davis and Bill Holland to have Rigby withdrawn from the junior 110 yards final to allow him to swim in the open 440 yards final. "Rigby is a 440 swimmer," said Fleming, "and I want him in the open for experience."

(Details of other States swimmers given in full results)

C.M. Wednesday 19 February 1958

ANN FINISHES SECOND

Queensland's Ann Nelson led for 85 yards of the open 110 yards backstroke, but she lacked the strength to hold off Olympian Gergaynia Beckett. Ann, 13, set a new Australian junior record of 1m 15.6s. Sixteen-year-old Miss Beckett claimed a new Australian time of 1m 14s. Ann was dejected after the race. She has not yet perfected a turn and again it lost her valuable ground.

BEATEN BY COLD

A heavy cold beat Peter Andersen in the open 220 yards butterfly. Andersen finished second to Bruce Wilkinson in 2m 33.3s. Wilkinson won in the Victorian record time of 2m 27s. "I could not breathe in the last lap," said Andersen. He stayed with Wilkinson to the last 55 yards.

Warwick Webster's glide to touch cost him the junior 110 yards freestyle title. Webster, of Mt Isa, went under by a whisker to David Goodman (NSW). Both were clocked at 59.2sec. Maryborough's Dan Mahoney touched in 59.4sec. Webster misjudged the end and Goodman sneaked a touch.

LASSIG AGAIN

Rosemary Lassig, 16-year-old Bundaberg girl, took her second national title - the open 110 yards breaststroke. Rosemary led all the way and finished in 1m 25.9s, a new Victorian record. Rosemary is now Queensland's only Empire Games chance, but she must record a good 220 yards national title winning time.

(Full results given)

STATE'S TITLE BID FAILS

Queensland failed in its bid to host the 1959 Australian Swimming Championships.

The Australian Swimming Union Conference yesterday rejected Queensland's proposal to hold the diving titles in a separate State from the swimming, thus making Queensland an ineligible venue.

New South Wales and Western Australia supported Queensland's motion. The voting was split three all, but a 4-3 majority was needed.

The national titles were last held in Queensland in 1949.

HOLLAND SELECTOR

Queensland Amateur Swimming Association Secretary, Mr Bill Holland, retained his position on the Australian and Empire games team selection panel. The selectors are the same as last year, Holland, Mr W Berge Phillips (NSW), and Mr A Blue (Vic).

They will name the Games team next Sunday. The team will train at Townsville from May 25 to June 28 under a professional coach to be appointed.

On June 27 a test carnival will be held, and swimmers who have not the form for Games competition, will be dropped from the team. No replacements will be made.

TEAM MANAGER

Mr A.Blue (Vic) will manage the Australian swim team for the Cardiff Games, and Mrs M.Williams was appointed chaperone. Queensland had one nominee, that of Mrs C.Ross as chaperone.

Mr Joe Emmerson's application for the position as manager, which was tendered by Leander (Brisbane) Club, was not considered because it was not a nomination from the Queensland Amateur Swimming Association.

C.M. Saturday 22 February 1958

LASSIG BEATS GAMES RIVAL, BUT NEW THREAT LOOMS From Frank O'Callaghan

Melbourne - Bundaberg Empire Games hope, Rosemary Lassig, downed her main Games rival last night to enter tonight's final of the open 220 yards breaststroke national swim title. At the Olympic pool Rosemary, 16, touched off 12-year-old Jan Hagan (NSW) in Victorian record time of 3m 6.9s. The record, however lasted barely five minutes. Olympian Barbara Evans won the next heat in 3m 5.7s.

Tonight's final will probably decide Australia's breaststroke representative for the Games.

Rosemary held a little back last night but Miss Hagan looked even more relaxed.

Evans time surprised. Studies have been interrupting her training, and she, too, is a big threat.

Rosemary said after the race she could lower her heat time if she was pushed in the final. There is no doubt she will have to be at her top to win tonight. Rosemary changed her tactics last night. Her coach, Tom McIntyre, told her to make her run late, instead of following her usual practice of burning off her rivals. She came from behind to beat Miss Hagan, and will use the same plan tonight.

Queensland's Patricia Stanton finished fourth in Rosemary's heat. She clocked 2m 10.6s, but missed the final by 0.3sec.

ANN'S GAMES CHANCE

Ann Nelson, 13, drubbed her rivals to win her junior 110 yards backstroke heat in 1m 16.5s.

If, as is likely, no diver is chosen in the Games team, Ann is an outside chance. She again turned badly last night, mainly because she has had little turning practice since coming to Melbourne.

Queenslander, Peter Andersen, still suffering from a chest cold, faces the 110 yards butterfly final tonight. Andersen's cold has improved, but he would need an outstanding time tonight to win a Games place.

C.M. Monday 24 February 1958

GAMES TEAM TO TOUR HERE

Melbourne - A team comprising nearly every member of the Australian Empire Games swim team will tour southern Queensland from February 28 to March 1.

The team includes John Devitt, John Konrads, Dawn Fraser, Lorraine Crapp, and Ilsa Konrads, who all share world freestyle records for international competition. John Monckton, holder of all backstroke records, and butterfly 110 yards record holder, Bruce Wilkinson.

They will swim at Dalby next Friday night, and with the exception of Gary Winram and Gary Chapman, at Warwick on Saturday night.

Winram and Chapman, Olympians and Cardiff Games selections, will swim at Nambour on Saturday night. All will compete at the Valley pool on Monday night, March 3.

The Empire Games swimming team is: Men - J.Devitt (Capt), G.Chapman, J.Konrads, G.Shipton, G.Winram, J.Monckton, J.Hayres, B.Wilkinson, T.Gathercole (all NSW). Women - B.Evans (Capt, NSW), L.Crapp, A.Colquhoun, (Vic), D.Fraser (SA), I.Konrads, S.Morgan, G.Beckett, R.Bainbridge, (NSW), A.Nelson (Q).

C.M. Thursday 27 February 1958

GAMES REP. IN VALLEY SWIM

Queensland's only swimming representative in the Empire Games team, 13-year-old Ann Nelson, will compete in the Q.L.A.S.A. carnival at the Valley pool on Saturday night. Entries, well over 200, are from the State's best swimmers.

Highlight of the meeting will be the 100 metres invitation backstroke in which Pat Huntingford (NSW) will be Anne's most serious rival. Anne narrowly defeated Pat three times in the national championships in Melbourne a fortnight ago. Other entrants in this event are Wendy Thomas, Helen Lecky, Lorraine Hancock, Jan Evers (Ipswich), and Helen Lindholt (Bundaberg).

TOPS APPEARING

Lyn Kingston, national 110 yards junior butterfly champion, Rosemary Lassig, national breaststroke title holder, and other members of the State team will also compete.

Priscilla McLellan (freestyle), Pat Stanton and Jill Ruhle (breaststroke), and Jennifer Corish (butterfly), all leading swimmers, have nominated for their grade events.

The four relay events look like going to Valley Club which holds all State relay titles.

The Margaret Sharpe Memorial Cup goes to the sub-junior who gains the most points in events in that grade.

C.M. Friday 28 February 1958

SPECIAL CARNIVALS

The Empire Games swim team will compete in special carnivals to be staged by the Australian Amateur Swimming Union with a dual purpose. First, the national swim body has to raise £16,000 pounds to send our swimmers to Cardiff, and secondly, they want Queenslanders to see our stars before they go overseas.

Of the £16,000 pounds allocation, Queensland has to find £2,000 pounds. The three carnivals are expected to bring in about £1,500 pounds.

The swimmers will be motored to Dalby where they will have lunch, and rest in the afternoon. Tonight the swimmers will be billeted privately in Dalby. Dalby's carnival, to start at 7.45, has been completely booked out. More than 1000 seats have been sold besides standing room.

SEATS SOLD OUT

The squad is expected in Warwick for lunch tomorrow. Again they will have private billets for the night. Warwick's capacity seating of about 1800 is sold out, the tickets being sold in three hours.

Brisbane's Monday night's carnival is also a sell out. More than 2000 tickets have been released and temporary seating will be need to hold the crowd.

Queensland Secretary, Bill Holland, said last night members of the team would have "reasonably hard" swims at Dalby and Warwick.

NAMBOUR TOO

While the main body will visit Dalby and Warwick, Gary Chapman and Gary Winram will go to Nambour where they will appear in a special carnival tomorrow night before joining up with the other members in Brisbane on Sunday.

C.M. Saturday 1 March 1958

GAMES SWIMMERS STRIKE TOP FORM From Frank O'Callaghan

Dalby - Empire games swimmers Terry Gathercole, Sandra Morgan, and Dawn Fraser, hit top form at an Empire Games fund-raising carnival at the Dalby pool last night.

After his 2m 45s for 200 metres breaststroke, Gathercole said he would attack the world's standard of 2m 40s at the Brisbane Valley pool on Monday night.

Sandra Morgan broke 5min for 400 metres freestyle for the first time, and Dawn Fraser's 63.5sec was 2sec outside her world 100 metres record set in Melbourne last week. Miss Morgan, 15, finished second to 13-year-old Ilsa Konrads in 4m 59.6s. Ilsa won in 4m 59.5s after swimming stroke for stroke with Sandra. It was the fourth time Ilsa had broken the 5min barrier.

Dawn, suffering slightly from sinus and sore throat, beat Olympian Elizabeth Fraser by 5 yards. She went through her first 50 metres in 29sec.

£700 "GATE"

Fifteen hundred spectators from a 120 mile radius paid more than £700 to watch the championships.

Other highlights of the meet were Bruce Wilkinson's 100 metres butterfly in 64.5sec - 1sec outside his 110 yards world record - and Beverley Bainbridge's 10 metres butterfly in 76.6sec. This time bettered her Queensland record by 1.3sec. Although John Konrads merely cruised through his 400 metres freestyle, his winning time of 4m 42s was only 6sec outside this year's United States national 440 yards title-winning time.

POOL RECORD

World 100 metres backstroke record holder, John Monckton, lopped 6.2sec off David Theile's 100 metres pool record with an easy 64.5sec.

(Picture of team members at Brisbane airport arrival)

C.M. Tuesday 4 March 1958

JOHN DEVITT AT TOP OF FORM WORLD'S RECORD BEATEN IN RELAY SWIM

Australian Empire Games swimmers broke the world's 4 x 100 metres freestyle relay record at the Valley pool last night. John Devitt, Geoff Shipton, John Konrads, and Gary Chapman, clocked 2m 46.3s which is half a second inside the time set by Japan.

Konrads (57sec), and Shipton (57.2sec) swam their fastest times yet, but it was team captain John devitt who made the record possible. Devitt, the last leg, took off after Shipton and thrashed through in 55.1sec, or 0.7sec outside his world record.

Later n the night he clocked the fastest 50 metres yet recorded. Devitt clocked 24.2sec in a brace relay.

An attempt on the women's world 4 x 100 metres freestyle relay record by Dawn Fraser, Ilsa Konrads, Sandra Morgan, and Elizabeth Fraser, failed by 6.6sec. They took 4m 23.7s.

JUNIOR'S FEAT

Queensland's best woman backstroker, Anne Nelson, smashed the Australian junior 100 metres record in 1m 14s. Anne set the time of 1m 14.5s last Saturday night. Anne, 13, also equalled the best time by an Australian junior or senior set by Empire Games representative, Gergaynia Beckett, in Melbourne last night.

Dawn Fraser, still suffering from the effects of a tough Darling Downs tour, chopped 1.5sec off her State 100 metres freestyle record during the relay swim. Dawn went through in 61.8sec, 0.3sec outside her world record.

LASSIG AT TOP

Bundaberg's Rosemary Lassig swam 20 metres breaststroke in a time which if done at the national championships would have won her Empire Games selection. Rosemary beat Jan Hogan (NSW) in her fastest time, 3m 2.4s. Barbara Evans won Games selection with a similar time at the nationals.

John Konrads powerful relaxed style pulled him through 400 metres freestyle in the Queensland junior record time of 4m 37.8s. This was 16sec slower than his world record.

(Full results given)

All reports of swimming during March and April were confined to school and inter-school swims, in which a few names that were to become familiar in later years appeared. As not directly related to Queensland Swimming activities currently, they were not recorded by me.

Courier Mail Friday 5 September 1958

JUDGE HITS AT SWIM COACHES
Sydney

"Some Australian swimmers are spending far too much time away from their schooling," Mr Justice Heron said last night.

Mr Justice Heron is President of the N.S.W. Swimming Association.

He also criticised some aspects of British Empire Games swimmers Townsville training programme. He declared, "I say to some of you professional coaches you might search your conduct and see if you find everything satisfactory. While our professionals are some of the most valuable men in the game, and we acknowledge a debt to them, I think we must operate in the framework of amateurism."

Mr Justice Heron commented on the International Olympic Committee's decision that training periods should not be more than two weeks. Mr Justice Heron added, "The Amateur Swimming Union settled the period of training in Townsville to commence on May 25. However, some of the swimmers arrived in Townsville on May 1."

C.M. Tuesday 9 September 1958

AMONG THE AMATEURS
By Frank O'Callaghan
SWIM COMEBACK

"Rosemary Lassig will swim again," says her coach Tom McIntyre.

Rosemary, national backstroke and medley champion from the Empire Games Team, suffered a serious road accident at her Bundaberg home two weeks ago. She is still in hospital with several broken fingers and recovering from severe concussion. Rosemary will miss her early season training, but will be around to defend her State and National title.

Here's something local swim coaches can be resigned to - "Guineas to Gooseberries," there will be no lease of the Langlands Park Pool. City Hall "drum" is that the pool will have a manager.

C.M. Friday 12 September 1958

"FOR SWIM CHIEF"

Queensland Amateur Swimming Association Chairman, Dr D.Dowling, is a likely President of the Association. The post became vacant with the death of Mr Norm Burn.

The Valley Club last night nominated Dr Dowling, 63 year old Commonwealth Director of Health for Queensland. He is the only candidate for the position for which nominations close tomorrow.

C.M. Wednesday 24 September 1958

QUEENSLAND'S BID FOR SWIM TOPS

The Queensland Amateur Swimming Association will attempt to organise another barn-storming tour for Australia's world champions.

Association Secretary, Bill Holland, said last night that an attempt to stage a tour of Warwick, Dalby, and Brisbane, will be made after the National Titles next February. "The tour by the Empire Games team last March was a great success," said Mr Holland. "They enjoyed it and we made a lot of money for the Empire Games Fund."

C.M. Thursday 29 September 1958

AMONG THE SPORTS GIRLS
By Ruby Robinson

The Queensland Ladies Amateur Swimming Association is to have a new Secretary and Treasurer this season.

Mrs T.Fairlie, Association Secretary for six years, and Miss Flo Glanville, Treasurer for nine years, have retired.

The Association meets on October 10 to elect new office bearers.

C.M. Thursday 2 October 1958

ANNE TO "TOP OFF" IN DOWNS POOL

Maryborough's Empire Games backstroke swimmer, Anne Nelson, will complete her State and National preparation in Warwick.

Anne's coach, Arthur Cusack, has been appointed Assistant Manager of the Warwick Olympic Pool, and she will move to Warwick after Christmas. She started training on Tuesday in the Maryborough Pool and, under her father's supervision, will follow schedules prepared by Cusack.

MORE CONFIDENT

Anne, fourteen years, returned from the Cardiff Empire Games as Australia's No 1 backstroker. She has greatly improved her previously faulty turn and is now taller and broader and much more confident of her ability. She temporarily held the Empire Games 110 yards record when she won her heat in 73.6 seconds. She finished fifth in the final in 75.5 seconds.

TOP THREE BACK IN SWIM

Three key Queensland Amateur Association officials will retain their positions for the 58-59 Season. Association Secretary, Mr W Holland, Treasurer, Mr B.Lyons, and Council Chairman, Dr D Dowling, will be re-elected unopposed at the first Council meeting on October 13. Mr Holland will begin his twelfth successive year as Secretary, Mr Lyons his eighth as Treasurer. Dr Dowling, Association President, has been Chairman for the past two years.

Association's Vice Presidents are - Dr E.Theile, Messrs T.Eriksen, W.McLeod, H.Weld, and E.Barnacle. Sixth nominee for one of the five positions was Mr E.Grosman M.L.A.

Maryborough Swimming Association President, Mr R.Kerr, has been made a Life Member of the Queensland Association.

C.M. Friday 3 October 1958

LEN STANTON WILL JOIN NATIONAL COACHING SQUAD

Brisbane swim coach and leading authority, Len Stanton, has accepted an invitation to become a foundation member of a National Council of swim coaches.

The Council, the brain child of one of the world's leading coaches, Frank Guthrie, is designed to keep Australia one of the world's top swim nations. Stanton, who coaches at Sandgate, has long been recognised as one of Australia's best swim brains. He is co-author with Davies Park coach, Bill Fleming, of the highly ranked coaching book "Swimming is Easy" which Olympic coach Forbes Carlisle considers one of the best of its kind.

LECTURE SERIES

Guthrie recently returned from a tour of Japan convinced that Japan is a big threat to Australia's swimming supremacy. He, and other similar swim coaches Carlisle, Don Talbot, and Sam Herford, have joined forces with a view o developing swimmers and coaches on a national scale. They plan to start a series of monthly lectures in Sydney on October 24, and they intend to invite leading Australian Swimming Union officials to join the Council. The Council intends to circulate the latest knowledge on techniques and conditioning, and even ideas for better administration.

JAP MISTAKE

In a letter to Stanton, Guthrie says the Japanese coaches and officials have impressed him with their "profound all-round knowledge of the sport". He said Japan lost its place as world champion because it became complacent and forgot the lessons it once taught the world.

Australia is now in danger of making the same mistake.

C.M. Tuesday 7 October 1958

FOUR NAMES IN FOR SWIM PANEL

Four names have been received for the three State Selectors positions and further names are expected before closing time next Monday night.

Two of last year's Selectors, Bill Holland and Garney Nankaville, are seeking re-election. The third Selector was the President, the late Norm Burn. Other nominees are George Marr of Wests Club and Association Registrar Jack Davis. Toowoomba President and former State backstroke representative, Jack Purtell, may also nominate. Purtell is a leading Bulimba Cup referee.

The Selectors and an Executive Committee of five will be chosen at Monday night's Association delegates meeting.

C.M. Tuesday 14 October 1958

HOLLAND QUILTS SWIMMING JOB

Bill Holland, a State swim selector for the past thirteen years, resigned immediately he was elected last night. Holland said he resigned for personal reasons

The other two selectors elected from six nominations were Messrs J.Emerson and G.Marr. Holland, Queensland Amateur Swimming Association Secretary, will be replaced at a QASA Council meeting on December 8.

The Executive chosen last night was Dr E.Theile, Messrs A.Corish, G.Marr, M.Munro, and C.Arnold. Association Starter is Mr W.Morrall.

C.M. Wednesday 12 November 1958

AMATEURS FACE BAN FOR SURFING

Australia's still water swimmers risk suspension if they compete against professional sportsmen in certain surf events. Queensland Amateur Swimming Association Secretary (Bill Holland) said this last night.

This follows a Surf Lifesaving Association ruling which permits professionals such as Rugby League players and boxers to compete in all surf carnival events. Previously they were restricted to those in which surf equipment was used.

SEEK RULING

Mr Holland said, "My Association is awaiting a directive from the Australian Swimming Union, based on the amateur regulations of the world governing body, F.I.N.A."

He said that the directive would apply only to those events previously denied the professional, surf and surf teams races, beach relay, beach sprints, and musical flags.

C.M. Thursday 13 November 1958

ASKS 13 WEEKS FOR SWIM TEAM

Sydney - Australian swimming selector Bill Holland has recommended that the 1960 Olympic Games swimming team have a minimum of 13 weeks training in Townsville.

Mr Holland, who was in charge of the six weeks preparation for the Australian team in Townsville before the Empire Games, made this recommendation in his report to the Australian Swimming Union.

Other points that Holland made in his report were - Final selection trials for the 1960 Olympic Games team be held shortly before the team is due to leave; a minimum team to be selected for the Games; a manager and two amateur coaches be appointed to accompany the team.

MEET CRITICISM.

Mr Holland's suggestion regarding the amount of training prior to the Games will meet with a lot of criticism.

Several months ago the International Olympic Committee stated it believed an athlete or swimmer should have a time of two weeks training before the Olympic or Empire Games.

C.M. Friday 21 November 1958

Queensland swimmers Rosemary Lassig, Anne Nelson, and Lyn Kingston, have been invited to compete at the New South Wales championships on January 3, 6 and 8.

Rosemary, 17, of Bundaberg, is national 110 yards breaststroke and 220 yards individual champion.

Anne, 14, of Maryborough, was Queensland's only Empire Games swim representative. She is national junior backstroke champion and recognised as Australia's best backstroker, ahead of senior champion Gergaynia Beckett.

Lyn, 16, of Brisbane, is national junior butterfly champion.

C.M. Tuesday 2 December 1958

(Photo of John Rigby swimming - Headed "Rigby swam the fastest time without a shark in sight," Lifesaver, John Rigby, swam his fastest 400 metres time, 4m 46s, at the Valley pool last night. At Kirra on Sunday, Rigby won the junior surf race. Near the finish a shark cruised 15 yards ahead of him.)

JUNIOR CHAMPION'S TREBLE AT CLUB SWIM

State junior and senior breaststroke champion, Alan Humphreys, 16, won three events for Valleys at the combined amateur swimming clubs meet at the Valley pool last night.

His open 100 metres freestyle winning time of 70.6sec was only 0.1sec outside his best. Later he clinched the junior 100 metres breaststroke (1m 21.8s) and the junior 50 metres butterfly (33.8sec).

(With full results)

C.M. Friday 5 December 1958

AMATEURS WARNED ON SURF CARNIVALS

Queensland Amateur Swimming Association Secretary (Mr Bill Holland) last night issued a warning to amateur swimmers. He said, "Any Q.A.S.A swimmer who competes in surf carnivals in which professionals take part, will cease to compete as an amateur."

His ultimatum followed an order from the Australian Swimming Association.

The Surf Life-saving Association of Australia recently ruled that any member of the defence forces would be eligible to compete in surf carnivals. Surf officials said that they would not check to see if any of them were amateurs or professionals.

Holland said that this surf body decision would mean that amateur swimmers would have to make their own investigations to make sure they did not compete against professionals.

"This would become a very hard task for our members," he said. "For that reason we want to put all amateurs in the picture early. Our direction not to compete against professionals goes to all Q.A.S.A bodies and members," he added. Holland said there was no chance of this ruling being changed, as it was a law of the international governing body.

C.M. Saturday 3 January 1959

TWO SWIM GIRLS QUALIFY

Sydney - Queenslanders Yvonne Payne and Helen Agnew last night qualified for their events at the opening of the New South Wales women's swimming carnival at North Sydney pool.

Miss Payne won her heat of the 220 yards open freestyle in 2m 35.4s.

Miss Agnew won her heat of the 110 yards Under 14 freestyle in 1m 10.2s.

C.M. Wednesday 7 January 1959

ANNE NELSON SETS 110 SWIM RECORD

Sydney - Queensland's Anne Nelson last night set a New South Wales open 110 yards backstroke record. She was swimming at the N.S.W. women's swimming championships at North Sydney pool.

Fourteen-year-old Anne, and Empire Games representative, swam the 100 yards in 1m 14.7s. This was 0.6sec inside Pat Huntingford's State record.

Miss Nelson gave an effortless display to beat Victorian, Marilyn Wilson, by 2 yards with Ann Beardsmore, Sydney, third. Title holder, Gergaynia Beckett, who also represented Australia at the Empire Games, shocked by finishing fourth.

In the report of Friday 9 January 1959, Anne Nelson is recorded as having broken the State 220 yards open backstroke record by three seconds in 2m 43.5s, a record previously held by Miss Huntingford and Miss Beckett. She took the lead practically from the start and swam easily to finish well in front of Victorian Marion Wilson, with Miss Huntingford third.

C.M. Thursday 22 January 1959

FAST 220 SWIM BY BUNDABERG GIRL

Bundaberg's dual national swim champion Rosemary Lassig recently swam the fastest 220 yards breaststroke by an Australian girl. In a time trial in the Bundaberg 55 yard pool, Rosemary, national 110 yd breaststroke and 4 x 55yd medley champion, clocked 2m 58s. This is 4.4sec faster than Sydney Olympic hope, Jan Hogan's New South Wales title-winning time this season.

World record held by Holland's A. den Haan is 2m 52s.

TITLE AIM

Rosemary, 17, aims to win both national breaststroke titles this season, and has done little training for the defence of her medley title.

She is now in Brisbane for the State swimming championships which start with heats at the Valley pool tonight. She will compete in the 100 metres breaststroke tonight. Her best time for this season is 84sec which is 1.9sec faster than Barbara Evans Queensland record.

(Picture of Jon and Bob Rigby in the water at Davies Park Baths)

.C.M. Friday 23 January 1959

CLIPS 1.5 SEC OFF OWN 100 MET. SWIM TIME
ROSEMARY LASSIG SETS AUSTRALIAN RECORD

National 110 yards breaststroke champion, Rosemary Lassig clipped 1.5sec off her State and Australian 100 metres record at the Valley pool last night. She easily won her State championship heat, and her time of 1m 22.1s suggests that in tonight's final she will shake German girl, K.Beyer's world time of 1m 20.3s.

Rosemary, 13-year-old Bundaberg redhead, is also national 4 x 55 yards medley champion.

Her time last night was 4.1sec faster than the time her national title rival, Jan Hogan, clocked to win the New South Wales title.

Three other records toppled last night - Peter Eriksen lowered Cyrus Weld's State resident 100 metres freestyle time to 57.7sec, 0.4 sec faster than the standard Weld set two years ago - Maryborough's Graham tait set a new 200 metres junior freestyle time of 2m 12s, and Priscilla McLennan lowered the women's 50 metres junior freestyle time to 30.9sec.

Danny Mahoney, Maryborough freestyler, robbed himself of the State 100 metres freestyle record when he failed to touch at the 50 metre mark. Mahoney clocked an amazing 57.4sec. He said he misjudged the distance to the wall, knew he would be out, and slowed up on the homeward run.

Mahoney will get his chance to crack Eriksen's new time in the country 100 metres title next Friday night.

Eriksen, 18, a remarkable athlete, has done virtually no training this season, but bettered the time of one of the best freestylers the State has produced.

Maryborough's Empire Games backstroker, Anne Nelson, swimming for the women's junior freestyle title, clocked 31.3sec, only 0.2sec outside Beryl Mason's race record.

C.M. Saturday 24 January 1959

ROSEMARY AGAIN BREAKS AUST. RECORD IN TITLE WIN

Bundaberg's 17-year-old Rosemary Lassig at the Valley pool last night slashed the Australian 100 metres breaststroke swim record for the second time in 24 hours as she won the Queensland title.

Rosemary touched in 1m 22s, 0.1sec outside East Germany's K.Beyer's world time.

Rosemary said later she would attack the German's time at the National titles in Hobart next month. "I didn't feel happy tonight," she said, "too tensed."

This may have been so because Ipswich youngster Jill Ruhle shadowed her. Jill, 16 and self-trained, was having only her second swim in a 50 metre pool this season. She trains over the Ipswich 33 1/3 yards course, yet clocked 1m 23 1/2s, or 0.1sec inside Miss Lassig's record set last season.

Mt Isa's Warwick Webster threshed over 100 metres freestyle to take the title and break Peter Eriksen's 24-hour-old record by 1.1sec. Webster downed a hot field and held off the fast finishing Eriksen ni 56.6sec. Eriksen came in 0.6sec later and 0.5sec inside his time of last night. Webster and Eriksen

forced third place-getter, Ken Gudenswager, in his fastest 1100 metres yet, 58.9sec.

Webster, 17 years and 13½ stone, swam only 0.6 sec outside world record holder, John Devitt's, New South Wales 110 yards title-winning time.

"that gives us three world class sprinters," commented Queensland Amateur Swimming Association Secretary (Mr Bill Holland), "Webster, Eriksen, and Danny Mahoney, who though disqualified swam 57.4 sec in Thursday night's heat.

ANNE TAKES DOUBLE.

Empire Games backstroker, Anne Nelson, one and a half stone heavier than last year, sauntered to the 100metres backstroke title in a new race record of 1m 15.8s. This was 1.8sec outside Anne's Australian record time of 1m 15.8s. This was 1.8sec outside her Australian record but it was explained by her 50 metres junior freestyle title win half an hour earlier, in the race record time 30.7s.

Wilston junior, Alan Humphreys, 15, retained his 100 metres breaststroke crown after a tight finish with Nambour's David Brandon. Humphreys, runner-up for the national junior title last year, equalled his race record of 1m 19.5s.

Mt Isa girl, Beryl Mason, fought off exhaustion to take the open 100 metres freestyle title. Beryl reached half way in 31sec but took 38sec for the final leg. She held off Lyn Kingston, but had to be helped to the victory block to receive her gold medal.

Maryborough 15-year-old, Graham Tait, beat 100metres open backstroke champion, Tony Fingleton, in the lead-off section of the 4 x 100 metres medley relay, and in a time 0.6sec faster than it took Fingleton to win the open title. Fingleton took David Theile's title in 1m 10.6s.

C.M. Tuesday 27 January 1959

MT ISA SWIM STAR NOW LOOMS AS NEW WORLD SPRINTER

By Frank O'Callaghan

Warwick Webster, sensational young swim sprinter from Mt Isa, last night posted the fourth new State record in four races to win the 200 metres freestyle title at the Valley pool. Webster, 16, whittled 0.6sec off John Rigby's time of last Saturday and clocked an amazing 2m 8.4s.

This effort, plus his 100 metre title winning time of 56.6sec last Friday, might stamp him as a coming world sprint champion.

Webster's win last night was one of the most thrilling of the championships. He nosed off Maryborough's Danny Mahoney and Brisbane's Johnny Rigby who clung like limpets for the distance. In cooler water Webster would probably have come in under 2m 6s.

LIKE SOUP

"It was so hot I found it hard to breathe," he said.

"It was like soup," said Mahoney.

Webster was the first to leave the blocks and Mahoney last. They turned together at the 50 metres and at the "100" Webster was timed at 61sec, Mahoney at 61.7sec, and Rigby 0.1sec behind him.

HELD LEAD

Webster pulled away over the third lap and held his lead down the straight. Mahoney touched in 2m 8.5s, and Rigby in 2m 9.8s.

Webster has been training under Sydney coach Frank Guthrie for four months, and Guthrie flew up yesterday to see his wonder boy. "This fellow is the find of the season," he said. "He is the one to watch in Olympic year 1960." Webster will return to Sydney to continue to prepare for the national titles at Hobart next month.

JUNIOR'S FIFTH TITLE

Maryborough's ace junior, Graham Tait, snatched his fifth title last night when he flashed off with the junior 100 metres freestyle in 60sec. Independent watches put Tait at 58 and 59sec.

Earlier he took the 100 metres junior butterfly in 70.1sec and he finished the night by clinching for Maryborough the 200 metres junior squadron event in record time.

A protest by Warwick's David McMonagle for not touching at the 50 metre mark in the 100 metres junior freestyle event was dismissed. McMonagle claimed he had hurt his hand as he hit the concrete.

Five time Victorian medley champion, Chris Bell, took the 200 metres butterfly title at his first attempt. Bell, of Townsville, won the North Coast Branch surf title on Sunday.

Fifteen-year-old Ayr girl, Yvonne Paine, took a freestyle double by outstaying Lyn Kingston and Eileen Lindholdt for the 400 metres freestyle title. Yvonne, who spent five weeks preparation in Melbourne, won the 800 metres event on Saturday.

HIS JOB

The 200 metres backstroke title went to Ipswich junior Glenn Whybird who starts his first job today. Whybird downed title holder John McLeod and Tony Fingleton in 2m 35.4s. he starts work today in the Ipswich Railway Workshop.

(Results given)

C.M. Wednesday 28 January 1959

WEBSTER BEAT WELD RECORD

New swim sensation, Warwick Webster, last night clipped 0.1sec off Cyrus Weld's Queensland record for 50 metres freestyle. Webster, 17, of Mt Isa, won his heat of the 50 metres freestyle in 25.7sec at the State titles at the Valley pool. Webster on Monday night swam an amazing 2m 8.4s to win the 200 metres freestyle title in record time.

Title-holder, Peter Eriksen, won his 50 metre heat in 26.6sec.

The final tonight should be close as Webster, Eriksen, and Danny Mahoney all held something in reserve.

Crack junior surfer, John Rigby, swam the fastest ever by a Queenslander in winning his heat of the 800 metres. His 10m 4.4s beat by 8.5sec the record set by Bob Burns (Leander Club) two years ago. Earlier State senior surf champion Hayden Kenny had swum 10m 5.2s in winning his heat. Rigby seemed far the superior.

GIRL, 13, EQUALS TIME

Thirteen-year-old junior girl, Helen Agnew, swam brilliantly to equal the race record in the women's 50 metres (13 and under 14) 50 metres. Helen won her heat in 31.4sec. Earlier she won her heat in the 100 metres junior freestyle in 1m 10.8s to lead the qualifiers.

Former Victorian medley champion, Chris Bell, now swimming for Townsville, easily won his heat of the men's 100 metres butterfly in 1m 13.4s. Bell won the State 200 metres title on Monday night. Bell's main opponent tonight should be John Bennett (Toowong) who swam a 1m 11.6 heat.

(results given)

C.M. Thursday 29 January 1959

RIGBY CUTS ROSE'S RECORD; WINS TITLE

West End 16-year-old John Rigby last night chopped 1.8sec off Olympian Murray Rose's State 800 metres freestyle record. Rigby's rhythmic stroking through the hot Valley pool won him the State title and lowered the record to 9m 46s. After the first 100 metres in 64.6sec Rigby reeled off his laps with a maximum variance of only 2.2sec. He suffered a stitch in his side after the first 400 metres, but stuck to his schedule and covered the last 100 metres in 1m 14.4s.

Rigby, and second place-getter, Hayden Kenny (9m 58.6s), became the first Queenslanders to break 10 minutes for the distance.

FIRST SEASON

John Bennett, 16-year-old junior, won the open butterfly in his first competitive season. Sickness forced Bennett to lay off training, and he has had only two weeks hard preparation for the title. His coach, Len Hancock of Toowong, hails him as the best butterfly prospect since Peter Andersen.

Maryborough junior Graham Tait collected two more gold medals and brought his tally for the titles to eight - seven individual events and a squadron. Individual performances equal Cyrus Weld's record of 1953. Last night Tait, a pupil of backstroke mentor, Arthur Cusack, took the 100 metres junior backstroke title in a new race record time of 70sec, and 20 minutes later burnt off the 400 metres junior freestyle field in 4m 51.8s.

Empire Games backstroker, Anne Nelson, also Cusack-trained, coasted to the open 200 metres title and a new race record - 2m 44.8s.

Frances Bliss, who at 12 is three years under the junior limit, took the junior 100 metres breaststroke in a tight finish. Frances clocked a fast 1m 32s.

(Results given)

C.M. Friday 30 January 1959

"FOR NOT TOUCHING"; DISQUALIFY SWIM STAR

Freestyle sprint champion, Warwick Webster (Mt Isa), was last night disqualified for not touching at the shallow end of the pool in the 100 metres men's country freestyle championships at the Valley pool. Webster swam easily throughout the race to finish second to Dennis Mahoney (Bundaberg) who won the heat in 58.7sec. Immediately after his disqualification Webster scratched from the 400 metres freestyle championship. Webster is an automatic choice for the State team.

Junior, Graham Tait (Maryborough), was the only other swimmer in the heats to break 60sec. He swam brilliantly in the first heat to equal the record of 59.9sec which was held by Webster before Mahoney broke it. Tonight's final should prove an interesting tussle, but Mahoney seems to be the more experienced swimmer.

TOOK DOUBLE

Mahoney completed the double when he coasted home to win the first heat of the 400 metres freestyle in 4m 50.2s. His time was 5.8sec faster than Johnny Rigby's 4m 56s second heat win.

Rigby, Hayden Kenny (Maryborough 4m 55.8s), and Ken Fredericks (Valley 4m 57.3s), provided the most thrilling race of the night.

A THRILLER

All four broke the five minutes, and tonight's final should be a thriller.

State 200 metres breaststroke champion, Alan Humphreys (Valley), broke his own record of 2m 55.2s when he just touched off Dennis Brandon (Maroochydhore) to win in 2m 54.8s.

(Results given) (Picture of Mahoney)

C.M. Saturday 31 January 1959

BUNDABERG GIRL ADDS 200 M. BREASTSTROKE ROSEMARY CLOCKS 4th NATIONAL RECORD IN QUEENSLAND TITLES

Bundaberg breaststroker, Rosemary Lassig, last night smashed her fourth Australian swim record in the current State championships at the Valley pool. In taking the 200 metre title in 2m 57.1s she broke the maximum time for a national record (2m 58s), which has been standing for 18 months.

The time was set with the rule restricting breaststrokers to one stroke under water.

Last week Rosemary three times lowered the national 100 metres breaststroke record, finishing on Saturday in 1m 21.4s.

Next to her all night was her shadow throughout all her record-breaking performances, 16-year-old Ipswich girl Jill Ruhle. Jill touched in 2m 58.4s and made Australian swim history. She and Rosemary are the only two Australian girls to swim under 3 minutes for 200metres in the same event. She has now proved conclusively that she is true Olympic material.

The 200 metres - the women's breaststroke event - was won in 1956 by Germany's Ursula Happe in 2m 53.1s.

IS DOUBLE FOR DAWN

Miss Ruhle looks like Dawn Fraser, and has the natural ability to make an impression on the swim world.

Johnny Rigby took his second freestyle title by downing Dan Maloney and Ken Fredericks over 400 metres in the new State resident record of 4m 38.9s. Rigby's time indicates he will finish second to John Konrads at the national titles in Hobart next month.

Mahoney, weakened by a gruelling 100 metres country freestyle title win 20 minutes earlier, could not pace it with the West End champion. A bad turn nearly cost Mahoney the country 100 metres title. He lost at least a second and surfaced to find Maryborough swim machine, Graham Tait, two yards ahead.

C.M. Monday 2 February 1959

SWIM SHOCK ANDERSEN MUST PAY HIS OWN WAY TO AUST. TITLES

Shock of the Queensland swim team of twenty six for the Australian titles at Hobart starting on February 14 was the naming of Peter Andersen as a pay-your-own-way selection. Andersen, the States top butterfly stroke swimmer, is in New Zealand with the Australian Universities team. He did not compete in the State championships which finished on Saturday.

However, Andersen has been swimming exceptionally well as his wins in New Zealand show.

With the Queensland Amateur Swimming Association's decision to pay the expenses of only nine of the 26 competitors, already one - Yvonne Paine of Ayr - has withdrawn. Others are doubtful of making the trip unless they can get financial support from their respective swim clubs.

The team comprises 14 men and 12 women.

The nine whose fares will be paid are - John Rigby (Brisbane), Dan Mahoney (Bundaberg), Graham Tait (Maryborough), David Theile (Brisbane), Warwick

Webster (Mt Isa), Alan Humphreys (Brisbane), Rosemary Lassif (Bundaberg), Anne Nelson (Maryborough), and Jill Ruhle (Ipswich).

The others are - Peter Andersen (Brisbane), David Brandon Nambour), John Bennett (Brisbane), Hayden Kenny (Maryborough), Peter Eriksen (Brisbane), John Wainwright (Bundaberg), Ken Gudenswager (Brisbane), Glenn Whybird (Ipswich), Helen Agnew (Atherton), Frances Ross (Brisbane), Lorraine Jay (Brisbane), Patricia Stanton (Brisbane), Beryl Mason (Mt Isa), Robin Johnson (Brisbane), Yvonne Paine (Ayr), Lynette Kingston (Brisbane), and Aileen Landholdt (Bundaberg).

WANTS ASSISTANCE

State 1500 metres champion, Hayden Kenny, will not be available unless he receives some financial assistance from his Maryborough swimming Club.

Warwick swim coach, Arthur Cusack, has guaranteed State 200 metres breaststroke champion, David Brandon, his expenses. Cusack has five charges - Theile, Brandon, Tait, Nelson, and Kenny, in the team.

£700 FOR NINE

Bill Holland, Q.A.S.A Secretary, said last night that the total cost of sending the nine swimmers would be about £700. Air fares to Hobart are £72/10/- for seniors and £42/10/- for juniors, Holland added. Holland said this year's team of 26 is the largest to represent the State. Some years ago 21 were selected he said.

David Theile who is away in New Zealand will get to Sydney with Andersen on the morning of February 14 and fly straight to Hobart.

Manager of the team is Mr R.B.Lyons, and the Chaperone Mrs A.Freeman.

C.M. Tuesday 3 February 1959

ONLY TWO NOW OUT OF TITLES

Only two have withdrawn from the 26-strong Queensland swim team for the national titles at Hobart from February 14-21. They are Brisbane butterfly stylist Peter Andersen and Ayr freestyler Yvonne Paine. Six others, who must pay their own expenses - Hayden Kenny, Peter Eriksen, Glenn Whybird, Ken Gudenswager, Aileen Lindholdt, and Beryl Mason - are uncertain.

FUND FOR KENNY

Maryborough Swim Club has started a fund for freestyler Kenny and he seems sure to make the trip.

Queensland seems assured of at least 20 swimmers and seven Gold Medals. It is the largest Queensland representation for years and the standard is the highest. Strong prospects for next year's Rome Olympic Games are freestylers Johnny Rigby Dan Mahoney Warwick Webster, backstrokers David Theile and Anne Nelson, and breaststrokers Rosemary Lassig and Jill Ruhle.

AMONG THE AMATEURS

With Frank O'Callaghan

Peter Andersen, last year's Empire Games swim hope, is now considered not worthy of subsidy for the national titles.

Andersen, Queensland's best and Australia's second best butterfly exponent, has been told he can go to the national titles if he pays his own way. Tough on a lad who might yet rate Olympic selection.

A fairer selection method would have been to split Jill Ruhle's expenses with Andersen.

Neither is likely to win a title but seem sure of second placings. Andersen would be a key man in our medley relay team. Rosemary Lassig is the breaststroke choice ahead of Jill for the women's medley relay.

ATTEMPT AT RECORD BY SWIM STAR

Australia's 14-year-old swim marvel, Ilsa Konrads, will attack the world's 400 metres freestyle standard at the Valley pool on Thursday night. Ilsa will be chasing a time of 4m 48.6s when she clashes with United States Olympian Sylvia Ruuska.

Ilsa clocked 4m 54.8s to win the New South Wales title last month, and she set a new world's 880 yards figure less than two weeks later.

Sylvia, 16, holds the world's 400 metres medley record of 5m 46.9s. When 14, she finished third to Lorraine Crapp and Dawn Fraser in the 1956 Olympic 400 metres title.

TO MEET ANNE

Miss Ruuska's compatriot, Chris von Saltza, who holds the world's 200 metres backstroke records (2m 37.4s) will swim against Maryborough's Empire Games backstroke representative Anne Nelson over this distance. The winner could easily set a new world's standard.

C.M. Thursday 5 February 1959

23 WILL GO TO HOBART

Twenty three of the chosen 26 will represent Queensland at the national swim titles at Hobart this month. The titles start with heats tomorrow week.

Queensland Amateur Swimming Association, Bill Holland, said last night that Mt Isa freestyler, Beryl Mason was the only selection who had not indicated her intentions. Butterfly stylist, Peter Andersen, and freestyler, Yvonne Paine, withdrew from the team early in the week.

The team, with three officials - manager Mr Bren Lyons, chaperone Mrs A. Freeman and Mr Holland as Australian Swimming Union Conference delegate - will leave Brisbane by plane at 3.20pm next Wednesday.

GUEST SWIMMERS

State junior all-round champion, Graham Tait, and women's sub-junior freestyle champion, Helen Agnew, will leave on Tuesday to be guest swimmers at the international meet at the Melbourne Olympic pool that night.

C.M. Friday 6 February 1959

CHRIS BEAT ANNE IN NEAR WORLD SWIM TIME

Chris von Saltza, 15-year-old Californian backstroker, clocked within 2.3sec of her world 200 metres record at the Valley pool last night. Chris slipped away early from ex-Empire Games record holder, Anne Nelson, and flailed through the distance in 2m 39.7s, a new State and Australian record. The old Australian 200 metres record was 2m 42.1s. She "legged" Anne to a new state and national resident time of 2m 42.1s.

Chris bungled her first tumble turn and then lacked the confidence to try it again. This, plus the journey from America, could have cost her a new world time. She was having her first 200 metres competitive outing since last August.

HAD SPELL

Anne had the capacity (1600) house yelling encouragement as she cut Chris' lead down over the last 50 metres. Chris tired and came in about two yards clear. "I'm mighty tired," she said, "my legs just wouldn't go."

Anne said she feels she could top her time by two seconds.

Maryborough's Graham Tait skipped over 200 metres of butterfly, backstroke, breaststroke and freestyle, to clip 10.3sec off Peter Andersen's State junior medley record. Tait clocked 2m 31.5s. Later he tied with State backstroke champion Glenn Whybird over 100 metres and took a 100 metres freestyle event.

Rosemary Lassig, without her "shadow", Jill Ruhle, breaststroked 100 metres in 1m 21.6s, or 0.2 sec outside her national record.

(Full details given)

C.M. Tuesday 17 February 1959

FOUR QUEENSLAND GIRLS IN SWIM FINAL
LASSIG FASTEST IN BREASTSTROKE

Hobart - Bundaberg's Rosemary Lassig swam the fastest time in the heats of the women's 110 yards breaststroke at the Australian swimming championships yesterday. Rosemary won her heat in 1m 24.2s, with 13-year-old Jan Hogan (NSW) second in 1m 28s.

Jill Ruhle and Pat Stanton, both of Queensland, won the other two heats, and with Robin Johnson and Rosemary Lassig there will be four Queenslanders in the final.

Lassig, the Australian and Queensland champion, should win the final, although Sylvia Ruuska (USA) has decoded to swim against her.

Anne Nelson, 15-year-old Maryborough girl, swam the fastest time in the 110 yards open backstroke heats - 1m 16.8s.

(Copious details of other heats given)

C.M. Wednesday 18 February 1959

ROSEMARY'S TITLE CLOSE TO RECORD

Hobart - Red-headed Rosemary Lassig, 17, of Queensland, had a good victory in the 110 yards breaststroke title last night, finishing ahead of Jill Ruhle, Queensland, and Sylvia Ruuska (USA)

Rosemary's time of 1m 23.3s was only 7/10 sec outside the Australian record.

"I was going for the record, but found the weather a bit cold," she said.

Queensland won three titles last night, the girls taking the medley and Alan Humphreys the junior 110 yards breaststroke.

John Konrads, 16, (N.S.W), had a cruising victory in the 440 yards freestyle to beat John Rigby (Queensland), and John Kissane (NSW).

Graham Tait was a close third to Warren Barr (NSW) and Kim Aunger (NSW) in the junior 110 yards freestyle.

ALAN MADE IT TWO

Queensland junior champion Alan Humphreys almost lifted himself out of the water with strong stroking to win the junior 110 yards breaststroke title narrowly in 1m 21s from Peter Christie (NSW) With Ian Ingram (NSW) third.

World backstroke record holder Chris von Saltza had to struggle to beat off a fast finish by Maryborough's Anne Nelson (15) in the 100 yards backstroke title. Anne swam 1m 15.8s.

MEDLEY HERE

Queensland girls won the medley team title from title-holders N.S.W. with South Australia third. The Queensland team was Anne Nelson, Rosemary Lassig, Lynn Kingston, and Helen Agnew.

(Full results given)

C.M. Monday 23 February 1959

SWIM SIDE GLAD TO LEAVE COLD

Happy to be home to a warmer climate, Queensland's triumphant swimming team returned to Brisbane yesterday after competing in the Australian titles in Hobart.

However, the actual stars of the team, Rosemary Lassig and Anne Nelson, will not reach Brisbane until Wednesday afternoon. Both girls and sprinter Warwick Webster will compete in an international swim carnival in Melbourne's Olympic pool tomorrow night.

Queensland Amateur swimming Association Secretary (Mr Bill Holland), who returned with the team said, "Our team was worried by Tasmania's cold weather. However we won every event we expected to with the exception of the women's medley. I don't think anyone expected Dawn Fraser to swim in that event, and naturally Rosemary Lassig was favourite without Dawn in the field. Miss Lassig was runner-up to Miss Fraser."

RIGBY GREAT

"I think, personally, that John Rigby's performance in the 1650yards freestyle was the best effort by a Queenslander. His second to John Konrads was world class.. Johnny's swim must now stamp him as the third string to Konrads and Murray Rose for the Rome Olympics," he said.

On Friday top swimmers will arrive in Brisbane to compete in night carnivals at Dalby (Friday), Warwick (Saturday), and Brisbane Valley pool (Saturday).

It will be the best collection of swimmers ever to compete in a carnival, outside Australian championships.

Among the group will be world record-beaters John and Ilsa Konrads, Lorraine Crapp, and Alva Colquhoun, and Geoff Shipton.

The Konrads will swim only at the Queensland Ladies Amateur Swimming Association's carnival at the Valley pool on Monday night. All other swimmers, including the State team, will compete at the three carnivals.

(Good picture of Dan Mahoney and Hayden Kenny with Tasmanian school caps)

C.M. Tuesday 24 February 1959

TWO MORE SWIM STARS COMING

Two more Sydney swim stars will make the Darling Downs tour this week-end and swim in Brisbane next Monday night. They are 14-year-old Olympic butterfly prospect Neville Hayes, and freestyle sprinter Charlie Staples.

They have been added to the band of 11 other southerners and a so-far-unnamed Queensland squad who will swim in night carnivals at Dalby on Friday and Warwick on Saturday. The team will be joined by John and Ilsa Konrads for the Monday night's carnival at the Valley pool

Queensland Amateur Swimming Association President, Dr A.Dowling, is Queensland's nominee as Manager of the Australian swim tour to South Africa.

C.M. Wednesday 25 February 1959

INTERNATIONAL CARNIVAL IN MELBOURNE

Queensland swimmers won three events at the carnival. Warwick Webster, formerly of Mt Isa, surprised by defeating Geoff Shipton (NSW) who is regarded as the third best sprinter in Australia. Webster won the 110 yards freestyle in 57.4sec from Shipton and Bill Hunter (Vic) who both recorded 58.4sec.

Anne Nelson, of Maryborough, won the 110 yards backstroke in 1m 16.3s from Yvonne Capper and Christine Noble (Vic).

Rosemary Lassig, of Bundaberg, won the 220 yards breaststroke in 3m 1s. Rosemary swam within 1.2sec of her Australian record and won by 14 yards from Gloria Hardy and Alwyn Mitchell of Victoria.

C.M. Tuesday 3 March 1959

KINGSTON NOW OLYMPIC HOPE
TOPPLES TWO STARS

Lyn Kingston, 17, of Bowen Hills, swam into butterfly calculations at the Valley pool last night.

Lyn toppled national champion Jan Andrew and Olympic and Empire Games representative Beverley Bainbridge over 100 metres.

She clocked her personal best and a State resident record time of 1m 15.4s and got "the shock of her life." "I just hit the water and went like mad," she said. "I touched twice, more under the water, and thought it might have cost me the race."

Jan and Beverley were obviously effected by an arduous weekend of swimming. Jan had clocked 1m 14s, and Beverley 1m 13.5s for 110 yards and must still be Olympic prospects. But Lyn should be favoured for the third butterfly berth.

Bundaberg breaststroke swimmer, Rosemary Lassig, and Brisbane freestyler John Rigby, rivalled Lyn's effort.

Rosemary, the first Australian since Nancy Lyons to break 3 minutes for 200 metres breaststroke, did it for the third time last night. She beat her main Olympic rival, Jan Hogan, by three yards in 2m 59.5s.

Nancy, Rosemary, and Jill Ruhle are the only Australians to break three minutes.

RIGBY'S SURPRISE BID

The packed house roared Rigby home as he strained to catch 40 metres winner John Konrads. Konrads carried a bow wave as he pulled away in the last 25 yards to touch in 4m 32.3s.

Rigby sliced 4.6sec off his State resident record by clocking 4m 34.6s. "He surprised me," panted Konrads after the race. "He certainly is Olympic material."

Konrads also took the 100 metres sprint in his best time of 56.9sec. He touched at the 50 metre mark behind Warwick Webster, Geoff Shipton, and Charlie Staples, but cut them down with a withering finish.

Staples, 17, loomed as another Olympic sprint prospect in the 50 metre leg of the brace relay. He thrashed home in the fastest 50 metres yet recorded at the Valley pool, 24.4sec.

Courier Mail Tuesday 15 September 1959

LIFESAVING COURSE FOR ONLY ONE SHILLING

For one shilling each, the Ithaca Lifesaving Club will teach children how to save people from drowning. Adults can learn for five shillings a year.

The Club started its series last night at the Ithaca Baths where thirty children, from nine year old Barry Newcombe of Torwood to fifteen year old Denise Venning daughter of the pool lessee Joe Venning, attended. Some like Denise will go on the Bronze Award which means, among other things, performing three different types of rescue when fully clothed, 110 yards swim (in swim suits) in freestyle, sidestroke, and breaststroke, plus 110 yards backstroke kicking.

NOT OPTIMISTIC ON SWIM HOPES

Olympic swim coach Frank Guthrie thinks Australian men's world swim dominance is in jeopardy.

Guthrie said in Brisbane last night that even with world record holders Jon Konrads and John Devitt we could not count on winning any men's events at next year's Olympic Games. He cites freestylers Yamanaka (Japan), Jeff Farrell and Joe Alkire (United States), and the U.S backstroker Frank McKinney as the major threat, but our women will be more dominant than at the Melbourne Olympics, Guthrie said. He said that Lorraine Crapp had benefited by her spell last season and would do better than ever.

POOL OPENING

Guthrie is in Brisbane for the opening of bookmaker, Bill Mcleod's Olympic swim pool and squash courts at Aspley on Friday. He said there no new threats in Sydney to Queensland's national champions Rosemary Lassig (breaststroke) and Anne Nelson (backstroke). He tips Brisbane freestyler, Johnny Rigby, to win Olympic selection, and former Queenslander Warwick Webster, to be a strong challenger for the 100 metres freestyle title. Webster has done one of the toughest winter preparations of any swimmer, Guthrie said. He is now fourteen stone seven pounds and will swim at about fourteen stone.

C.M. Friday 18 September 1959

DEVITT MAY SEEK NEW SWIM TIME

World sprint champion, John Devitt, is anxious to lower the world 100 metres record at the Valley Pool in January. Devitt's coach, Sam Herford, said this when visiting the south coast this week. John loves the Valley Pool said Herford. This will be his last competitive season and he would like to get down to 54 seconds in the pool where he set his present world record of 54.6 seconds. I think he would do it immediately after the New South Wales titles next mid January, Herford added.

Queensland Amateur Swimming Association has tentative plans for featuring Australia's future world swim champions at the Valley Pool on December 14 and March 7 next year. The Association expects to have the Rome Olympic team here for the March carnival. The QASA is negotiating their appearance in Rockhampton on December 11.

C.M. Tuesday 29 September 1959

(Picture of John Rigby swimming - "Rigby is a City Pastime Club member and uses a large mirror which he suspends at the end of the pool to watch and correct his arm action. Here he is swimming strongly to the end of a lap and at the same time keeping "an eye" on himself. Rigby, who holds the State 400 metres freestyle record, is considered one of Queensland's top chances for Olympic and Australian honours next year.") The Australian Olympic Games team

will be announced on April 30. All sports must nominate their teams with the Australian Olympic Federation by March 31. The Games will be held in Rome in August and September next year.

C.M. Thursday 5 October 1959

MONCKTON TO SWIM AGAIN

Empire Games backstroke champion and 100 metres world record holder, John Monckton, will make a come-back having retired after the Empire Games in Cardiff last year. He married and settled in Armidale.

Speaking from Armidale by telephone last night, he said he aimed to represent Australia at next year's Rome Olympics. He will take a job in Sydney immediately he sells his Armidale home.

STONE OVERWEIGHT

Alterations to the Armidale pool have prevented him from training. He now weighs 13½ stone, one stone overweight. His preparations will continue for another 6 weeks.

Monckton set his world 100 metres mark of 61.5 seconds at the national titles in February 1958. His world 200 metres record of 2:18.4 was lowered to 2:17.8 by American Frank McKinney last July.

Queensland record backstroke champion D.Theile is also back in training, but is uncertain of any Olympic aspirations.

C.M. Thursday 15 October 1959

DON TALBOT TO COACH TOP SWIMMER

Queensland Olympic butterfly swim hope, Lyn Kingston, will go to Sydney to coach Don Talbot for her State and National title preparations. The seventeen year old Clayfield College girl will leave Brisbane in November at the end of her school year. She will stay with Talbot until the Queensland titles next January.

Talbot is coach of Jon and Ilsa Konrads, and coaches Australia's most promising butterfly swimmer, Neville Hayes.

Lyn's main threat to selection is fifteen year old Sydney blonde, Jan Andrew. Jan took the national title off the Empire Games Beverley Bainbridge last season, and has clocked 74 seconds for the distance. Lyn beat Beverley and Jan in Brisbane last March in her best time yet of 75.4 seconds.

The Olympic team will be chosen after the national titles in Sydney at the end of February.

C.M. Thursday 22 October 1959

RIGBY'S FAST SWIM

State freestyle champion, John Rigby, swam 100 yards in 58.5 seconds at the re-opening carnival at the Toowong Baths last night Rigby beat Ross Venning and Peter Eriksen to win a special trophy presented by local businessman, Mr J.Patterson.

C.M. Wednesday 28 October 1959

TRUNKS DON'T SUIT THE POOL CAFE

The Centenary swimming pool restaurant should not be used by people dressed like blacks, stripped practically naked and exuding perspiration, and dripping water on the carpets, the Vice-Mayor (Alderman Crawford) said yesterday.

He told the City Council meeting, "If we are to go to the bodgie and widgie level, the Centenary pool will never become the attraction we want it to be."

Alderman Crawford and the Australian Municipal Labor Party leader (Alderman Bennett) spoke under privilege on a Sunday Mail report last Sunday that the pool restaurant would be outside the swimming enclosure, and that wearing of coats and ties would be required in the restaurant.

Alderman Bennett said he did not favour swimmers being allowed in the restaurant in swimming costumes.

"NOT LENNONS"

"But surely casual sports clothes instead of a coat and tie would be enough." Alderman Bennett said that the restaurant had been constructed as a facility for swimmers who used the pool, not for members of high society who wanted to wine and dine. The standard that was to be set for the restaurant should not exclude the average person.

"Not for one moment should swimmers be treated as if they were going top dinner at Lennon's."

He said swimmers should not, after leaving the pool to eat in the restaurant, have to pay to re-enter the pool.

1st CLASS DRESS

Alderman Crawford said he objected to the headline on the Sunday Mail article and the caption on the accompanying photograph which said, "Shocks are in store, togs are out."

He said, "In the press and in certain sections of this community, there is an atmosphere that has never progressed beyond the gunyah attitude." He said the pool would be the finest in Australia, and the suggestion that people should use the restaurant looking like almost naked blacks, was not his idea of what was right for a Centenary restaurant. The Council wanted to make the pool a first-class pool with first-class standards of dress and conduct.

"You don't have to patronise the restaurant - you can use the kiosk," he said. "It was only reasonable that people who had used the pool and then went for a meal should pay to re-enter the pool."

C.M. Saturday 31 October 1959

OLYMPIC JOB TO HOLLAND

Mr Bill Holland was appointed Secretary of the Queensland Olympic Council last night.

The Council's constitution was amended to allow Mr Holland, the Queensland Amateur Swimming Association Secretary to take up the position.

Mr T.Moessenger (Secretary of the Queensland Hockey Association) was appointed Honorary Treasurer, replacing Mr B.Lyons who had resigned due to ill health.

C.M. Friday 6 November 1959

NO EARLY QLD VISIT BY TOP SWIMMERS

Queensland will see none of Australia's world swim champions until after the national titles in Sydney next February. All the champions, excepting Dawn Fraser, have rejected an invitation to swim in Brisbane on December 14.

Invitations issued through the New South Wales Amateur Swimming Association included offers to world record-holders John Devitt, John and Ilsa Konrads, John Monckton, Terry Gathercole, and State champions Jan Andrew and Jan Hogan.

Miss Fraser is training with Coach Harry Gallagher in Adelaide.

CANCELLED

The carnival which was to have been held at the Valley pool in conjunction with the Australian Universities title has now been cancelled.

The Brisbane offer was rejected because of the intense rivalry for positions on the Australian Olympic team. They fear the break would seriously interrupt their training schedules.

Q.A.S.A. Secretary (Mr Bill Holland) said last night, "We must now wait until March for a world standard carnival when we hope to have the Olympians training here."

RIGBY'S WIN

Brisbane's sole freestyle Olympic swim prospect, John Rigby, last night clocked 4m 48.9s for his first 400 metres swim for the season. Rigby, of City Pastime Club, was a guest competitor at the Leander Club's weekly meet at the Valley pool.

First Leander swimmer home was surfer, Ken Gudenswager, in 5m 6s.

Rigby's best time for 400 metres is 4m 34.3s.

C.M. Tuesday 15 December 1959

SHATTERED HIS RECORD FOR "100"
THEILE AIM FOR ROME

Queensland backstroke champion, David Theile, shattered his Australian Universities 100 metres record last night in a time which he said will influence him to strive for the Rome Olympics. Theile retained his title at the Valley pool in 65.4sec - 0.8sec inside his old record. His eligibility for Rome depends on his form and progress in his medical studies.

Theile admitted he was "flat out" but he lacked the competition to make him stretch.

C.M. Tuesday 29 December 1959

SWIMMERS ALL READY

Queensland swimmers will attack 10 State open and resident records at the Warwick Olympic pool on Saturday night. Leading contenders are Olympic backstroke champion, David Theile, and Empire Games backstroker, Anne Nelson. Theile aims to lower John Hayres 110 yards open standard of 64.1sec. Miss Nelson will chase her open records of 1m 14.5s for 110 yds and 2m 43s for 220 yds.

Other records (bracketed), all of them resident, will be attempted by the following - John Bennett, men's 110 yds butterfly (70.9sec held by Noel Craig; Ben Burton and Alan Neill, men's 110 yds breaststroke (1m 23.5s maximum time); Howard Mullins, men's 110 yds junior breaststroke (1m 25.6s maximum time); Priscilla McLellan, women's 110 yds open and junior freestyle (70sec); Frances Banks and Fay Hodgkinson, women's 110 yds open and junior women's breaststroke (1m 3.4s maximum time).

C.M. Friday 8 January 1960

CUT 0.3 OFF 110 YARD TIME
ROSEMARY SET BREASTSTROKE RECORD

Bundaberg's Rosemary Lassig set a world 110 yards breaststroke record of 1m 21.3s at the Bundaberg 55 yard pool last night. This was 0.3sec inside the standard set by Federation Internationale Natation Amateur, the world governing swim body.

Rosemary, 18, made the time when making an official solo attempt on the State standard of 1m 26.3s. She also lopped 2sec off her national 110 yards time set at the national titles at Hobart last February. She now holds every Australian and State senior breaststroke record.

FAST FIRST LAP

Rosemary, to whom a record is invariably a surprise, said after the race, "I didn't feel I clocked that well, and yet I feel I could have done better if I had not gone so fast in the first lap." She covered the first 55 yards in 37.4sec.

Queensland's most promising 13-year-old freestyle swimmer, David Milburn, will be unable to compete in the State titles. Milburn has severe sinus trouble.

The State titles start on Thursday at the Valley pool.

WANT SWIMMERS AT ROCKHAMPTON

Mayor of Rockhampton (Ald R.J.Pilbeam) has requested a visit to Rockhampton by the Australian Olympic swim team. He wants the visit to coincide with the opening of Rockhampton's Olympic pool in March.

Ald Pilbeam has requested one of the three carnivals to be held by the Queensland Amateur Swimming Association and featuring the Olympic team and leading Queensland swimmers.

One of the carnivals will be held in Brisbane and the others probably in country centres.

C.M. Tuesday 12 January 1960

NO FREESTYLE BID BY ANNE

A pinched shoulder tendon has forced Empire Games backstroker, Anne Nelson, out of all freestyle events at the State titles.

Anne aimed to defend her 50 metres junior freestyle title and contest the open 50 metres and the junior 100 metres at the championships, which start at the Valley pool on Thursday night.

DOCTOR'S WARNING

She will now restrict her State title commitments to the defence of the junior 100 metres and the open 100 metres and 200 metres backstroke titles.

Anne's Warwick coach (Arthur Cusack) said last night that a local doctor had warned her that early freestyle swimming would end her career.

SEEK GAMES SWIM POSTS

Queensland Amateur Swimming Association Secretary (Mr Bill Holland) is Queensland's nominee for the position of manager of the Australian Olympic swim team. Mrs J.Ross is the nominee for chaperone. These selections were made at the Q.A.S.A. council meeting last night.

The Games will be held in Rome from August 25 to September 11 this year.

Warwick Swimming Association President (Mr John McNamara) will manage the Queensland team to the Australian swim titles in Sydney from February 20 to 27. Mrs Earl Lever will be team chaperone.

C.M. Saturday 16 January 1960

THEILE'S TURN COST HIM RACE

Olympic gold medallist, David Theile, was disqualified after winning the Queensland 100 metres backstroke title at the Valley pool last night. Officials disqualified Theile for failing to touch in his fantastic tumble turn at the 50 metre mark.

Arthur Cusack, who coached Theile in his Olympic win and is guiding him in his comeback, said last night that he did not dispute the call. "I could not tell - you have to be on the spot. But I can say the David has been near perfect in his practice turns and well up to the standard which was passed by all Olympic officials."

Theile, whose medical studies have kept him out of State titles in recent seasons, was first home by 13 feet in 64.1sec.

WON BY TOUCH

Former Empire Games representative, Cyrus Weld, made good his comeback bid with a split second win in the Stater open 100 metres final. Weld, who was out of the sport for three years, fought out a stroke for stroke battle with Dan Mahoney (Bundaberg) over the last 20 yards to touch in 58 seconds.

Mt Isa 18-year-old Bill Burton cruised in for an easy win in the open 100 metres breaststroke. He was untroubled to win by 8 feet and equal the race record, 1m 15.2s he set on Thursday night.

EQUALLED THE RECORD

Atherton 14-year-old schoolgirl, Helen Agnew, equalled the State open 100 metres freestyle record covering the distance in 68.9sec. Earlier Helen had finished second to Brisbane girl, Priscilla McLellan, who broke the State women's junior 50 metres freestyle with a time of 29.9sec. The time also equalled the Queensland open State and race record.

Empire games representative, Anne Nelson, set a race record in the women's 100 metres backstroke her time of 1m 15.7s was well ahead of the field.

Bundaberg's Rosemary Lassig had little trouble in winning the women's open 100 metres breaststroke final in 1m 22.2s.

C.M. Tuesday 19 January 1960

TEENAGERS IN SWIM DUEL RECORDS TO 2 IN 400 met.

Teenage girls, Townsville's Jan Paine and Wilston's Marion Long thrilled a near-capacity Valley pool crowd in a double record 400 metre State freestyle title duel last night.

Jan, 16, touched off Marion, 14, in 5m 10.9s and sliced 3.9sec off Jan Munro's State resident record. Marion's time of 5m 11s set a new Queensland junior record. The wispy seven stone Marion dogged Jan throughout the entire course to restage their classic 800 metres clash of last Saturday.

They touched together at the 50 metres and within half a second of one another at the remaining seven turns. Marion, flailing down the last lap on Jan's blind side, crept closer but not close enough

"I couldn't have done better even if I had known Marion was so close," Jan said.

THEILE, TOO

Olympic backstroke champion David Theile surprised himself and coach Arthur Cusack with a record-shattering 200meteres title win in 2m 24.5s. He lopped 3.5sec off his State resident record and 1.5sec off his previous best.

Olympic freestyle hope, Johnny Rigby, was not happy with his 200 metres title-winning time of 2m 8.9s. "I think I will take a spell," Rigby said after the race.

WELD'S PLANS

Real race hero was Townsville schoolteacher Cyrus Weld, who, on a skimpy three week preparation recorded a personal best of 2m 10.5s. Weld will now seek leave to train for the national titles and Olympic trials scheduled for Sydney next month.

Former State butterfly champion, Peter Andersen, lacked the condition to match 17-year-old schoolboy John Bennett. Andersen floundered as Bennett swept home 12 yards ahead in a slick 2m 33s - 2.9sec outside Andersen's record.

A hot Leander sub-junior quartet, Lyn West, Frances Bliss, Sue Faine, and Ruby McIntyre, set a new sub-junior and junior standard for the 200 metres medley relay. Their time of 2m 25.9s bettered the old race record by 4.7sec, and the junior record by 2.7sec.

(Results given in full)

C.M. Wednesday 20 January 1960

FINGLETON SWAM 2 NEW TIMES

John Fingleton, 16 (Valley), turned on a sizzling performance to set two new records in the men's 100 metres junior backstroke at the Queensland swimming championships last night. He won his heat at the Valley pool in 1m 7.8s - a Queensland resident, a race record, and 1.8sec outside Julian Carroll's Australian record. He finished well ahead of his competitors, and was 2.2sec better than David Theile's best junior time.

(Full heats results given - picture of John Bennett swimming)

C.M. Thursday 21 January 1960

RIGBY BREAKS HIS OWN STATE SWIM RECORD IN 800 METRES.

Seventeen-year-old John Rigby edged back into Olympic team calculations by slashing 10.7sec off his 800 metres freestyle swim record at the Valley pool last night. Rigby, swimming virtually solo, retained his State 800 metres title in a time of 9m 35.3s.

"I felt great," said Rigby after the swim. "If I had been pushed I would probably have done better."

After two slick laps Rigby ploughed through the remaining fourteen at a near 37sec average, and not more than 1 second variation. Maryborough's Hayden Kenny plugged manfully into second place in 9m 50s, 13 sec ahead of State surf champion John Gibson.

Priscilla McLellan, carrying a sinus complaint and with a temperature of 100 degrees, clinched the women's junior 100 metres freestyle in dual record time. Priscilla, 15, clocked 66.9sec to equal the State resident junior and senior standards. She later finished second to Townsville's Jan Paine in the 200 metres freestyle title, then helped Leander take the women's junior 200 metres squadron title in a record 2m 8.1s.

Junior backstroker John Fingleton swam into national title class by lopping 1.2sec off his day-old 100 metres record and edging to within 0.6sec of Julian Carroll's national junior record. Fingleton, 16, brother of State open 100 metres champion, Tony, clocked 66.6sec, only 0.4sec behind Tony's best.

NEW BUTTERFLY TIME

John Bennett, 16, improved his Olympic team prospects with a record-breaking 65.2sec for the 100 metres butterfly title. Bennett, a strong Olympic medley relay hope, cut 0.4 sec off Peter Andersen's record but was not satisfied. "I wanted to come in under 65sec," he said.

Andersen, much overweight, was delighted with his 68.6sec swim which has encouraged him to try for Olympic selection. Third was Maryborough's Graham Tait in 72.2sec.

Frances Bliss, 13, swimming two years above her age group, took out the junior 100 metres breaststroke, but was disappointed with her time of 1m 30.1s. She had hoped to approach Rosemary Lassig's record of 1m 28.9s.

National champion Anne Nelson's 200 metres backstroke winning time of 2m 44.4s did not improve her Olympic team prospects. "I guess I tried too hard," said Anne.

JAN'S THIRD

Jan Paine proved herself undisputed State freestyle champion by taking her third gold medal with the 200 metres event.

(Full results given)

C.M. Friday 22 January 1960

MT. ISA MECHANIC CRACKS SWIM TIME

Mt Isa motor mechanic, Bill Burton, cut 7.3sec off the 200 metres breaststroke race record in State title heats at the Valley pool last night. Burton swam with an ease that prompted much praise from swim officials.

Australian swim selector (Mr Bill Holland) said after the swim, "This boy is in world class. I think he will beat Terry Gathercole next month in the national titles." (Gathercole is world record holder)

Burton, an 18-year-old who did not qualify for finals last year, also set the best time by a Queenslanders with his swim of 2m 45.8s.

Brisbane girls Frances Bliss set a new race record for the 50 metres sub-junior breaststroke. Her time of 40.7sec lowered the existing record by 0.2sec

Another Brisbane girl, Marion Lang, clipped the junior 200 metres freestyle race record with a time of 2m 31.8s.

Ipswich junior boy, Harry Orth, equalled the 50 metres junior freestyle race time of 26.7sec.

C.M. Saturday 23 January 1960

LASSIG BEATS OWN BREASTSTROKE TIME

Bundaberg's Rosemary Lassig cruised to a new national 200 metres breaststroke swim record at the Valley pool last night. The 18-year-old redhead Olympic team certainty retained her State title in 2m 58.6s, lopping 0.7sec off her own record.

World record is held by England's Angela Longsborough at 2m 50.3s.

Rosemary smashed the three minute barrier for the third time. Only two other Australians, Jill Ruhle and Olympian Nancy Lyons, both Queenslanders, have broken three minutes.

NEVER TESTED

She said after the race, "I felt great and I would have done better if pushed." Rosemary glided to the 100 metre mark in 1m 25.2s, and was completely unruffled over the last leg.

Beth Kernke followed her in in 3m 5.3s, only 1.8sed ahead of Frances Bliss whose 3m 7.4s was a sensational reading for a 13-year-old.

John Rigby bolted from the open 400 metres freestyle field to set a new State record of 4m 31.7s - 2.7sec better than the old standard. Rigby's coach Bill Fleming predicted a sub 4m 26s by national title time next month. This would make Rigby a hot Olympic team prospect.

Mt Isa Find, Bill Burton, gulped water at his first turn then battled to hold off Alan Humphreys to take the men's 200 metres breaststroke title in 2m 46.8s, one second slower than his record on Thursday night.

Priscilla McLellan, 15, and still with a temperature reading of 100 degrees, collected her fourth gold medal in the open 50 metres freestyle. Priscilla, who has been ill with sinus trouble since Thursday night, added another gold medal

by swimming last leg for Leander in the 200 metres relay title, won in the State record time of 2m 5.1s.

(Full details given)

C.M. Tuesday 26 January 1960

QUEENSAND TEAM BIGGEST EVER
32 NAMED FOR AUST. SWIM TITLES

Queensland will send its biggest and best team yet to the national titles and Olympic selection trials to be held in the North Sydney pool from February 20 to 27. The selectors last night chose 32 - 13 to have all expenses paid, 7 to be subsidised, and 12 to compete at their own expense.

Those selected are -

Men - W.Burton (Mt Isa), J.Bennett (V), J.Fingleton (V), A.Humphreys (V), J.Rigby (C.P), D.Theile (Uni), C.Weld (T'ville).

Women - H.Agnew (Ath), L.Kingston (V), R.Lassig (B'berg), P.McLellan (Lea), A.Nelson (M'boro), .Paine (T'ville).

Men - T.McMahon (Lea), H.Orth (Ips), N.Reynolds (C.P.).

Women - M.Lang (C.P.), P.March (V), L.Stanton (Lea), R.Thorne (K'roy).

Men - P.Andersen (Uni), A.Fingleton (V), H.Kenny (M'boro), P.McMahon (Ips), D.McMonagle (War), H.Mullins (War), A.Williams (Lea).

Women - F.Bliss (Lea), J.Corish (V), L.Jay (V), B.Kernke (V).

The team includes nine Olympic team prospects and five potential gold medallists at the Australian championships.

The Olympic team prospects are breaststrokes Rosemary Lassig and Bill Burton, backstrokes David Theile and Anne Nelson, Freestylers John Rigby and Cyrus Weld, and butterflyers John Bennett, Lyn Kingston, and Peter Andersen.

Andersen got the selectors' snub by being included in the non-subsidised category. His State title performances warranted little else, yet his failures were attributed to his lack of condition which could be greatly improved by February. A fit Andersen would threaten Bennett's Olympic medley relay team prospects.

COULD LAND TREBLE

Possible title winners are Miss Lassig and triple backstroke national backstroke champion, Miss Nelson. Miss Lassig is certain to retain her 110 yards and 220 yards breaststroke titles, and could retain her medley, 4 x 55 yards crown. Miss Nelson must improve on her State championship form if she is to hold her junior 110 yards and senior 110 yards and 220 yards titles, but she is quite capable of doing this.

Olympic backstroke champion, Theile, who has not decided to aim for Olympic selection, is a strong 110 yards and 220 yards title hope.

Miss Kingston's Olympic prospects rest largely on Dawn Fraser's decision on butterfly participation. Miss Fraser must choose between Olympic 100 metres butterfly and 400 metres freestyle events.

The team contains three 13-year-olds - breaststroker Frances Bliss, backstroker Penny March, and freestyler Robyn Thorne.

Manager of the team to leave on February 17 and return on February 28, is Mr John McNamara. Chaperone is Mrs E.Lever.

C.M. Saturday 20 February 1960

Q'LD HAS THREE IN BACKSTROKE FINAL
From Frank O'Callaghan

Sydney - Three Queenslanders, David Theile and the Fingleton boys, Tony and John, last night qualified for tonight's men's backstroke 110 yards final at North Sydney pool.

Queensland freestyler, Cyrus Weld, swam right out of the Olympic team calculations by failing to qualify for tonight's 220 yards title. His team-

mate, John Rigby, squeezed into the final as the slowest qualified with 2m 8.4s. Weld swam a slick 61sec for the first 110 yards then "blew up." He struggled through the second leg in 70sec.

Olympic champion, Theile, cruised home in 66.2sec, three yards behind John Hayres, the fastest qualifier in 64.3sec.

Mt Isa breaststroker Bill Burton, delighted with his 110 yards heat win in 1m 17.3s, aims to get down to 1m 14s tonight and enhance his Olympic team chances.

Another Queenslander, Anne Nelson, leapt back into the Olympic team picture by leading the 220 yards backstroke qualifiers. Her time of 2m 41.6s suggests she has the form to retain her 110 yards title next Thursday night. The "110" is the only Olympic backstroke distance.

Kingaroy's Robin Thorne and Townsville's Jan Paine posted sterling performances. Robin, 145, and in her first national titles, swept into the women's 220 yards freestyle title in 2m 3.5s. Jan moved into her 440 yards women's freestyle title by clocking 5m 6.5s, four seconds faster than her previous best.

(Full details given. Picture of Rigby (OK) and John Konrads (heads) in the water together.)

C.M. Tuesday 23 February 1960

LASSIG'S FAST SWIM
TIPPED TO SET WORLD'S RECORD
From Frank O'Callaghan

Sydney - Bundaberg breaststroke swimmer, Rosemary Lassig, is tipped to establish a new world time for 110 yards at the national championships at the North Sydney pool tonight. In her heat last night Rosemary, 18, who swam merely to qualify for the final, recorded 1m 24s, to lop 1.2sec off the New South Wales record. Her present world record is 1m 21.2s.

Jan Hogan, whose record Rosemary smashed last night, will be her chief rival tonight.

Rosemary, who shies off predictions, said, "I don't know about a world record, but I will be flat out tomorrow night. I felt really good in the heat."

ANNE'S THROAT SORE

Maryborough's Anne Nelson, 15, whose Olympic team hopes hinge on the 110 yards backstroke tonight, went to bed with a sore throat last night. "I only hope it will not develop," she said. "I had the hiccoughs before my heat, but they stopped just in time."

Anne's heat time of 1m 15.5s was 0.4sec slower than two of her chief rivals, Yvonne Capper and Gergaynia Beckett.

Backstroker David Theile, following the pattern of his 110 yards heat, lazed through 220 yards in 2m 32.9s - more than 8 seconds outside his best this season. Theile goes into tonight's final alongside team mate Tony Fingleton (2m 30.7s).

Three Queenslanders are in the women's 110 yards butterfly final - Lorraine Jay, Jennifer Corish, and Lyn Kingston. Jennifer's time, 1m 16.4s, was her best yet.

RETURNS HOME

Mrs E.Lever, chaperone for the Queensland women swimmers, has returned home to Brisbane. Her son Paul was injured in a motor accident in Brisbane on Sunday night.

Mrs J.Ross, President of the Queensland Ladies Amateur Swimming Association who is in Sydney for the titles has taken over the duties of chaperone. Mrs Ross is a candidate for the position of manageress for the Olympic swim team.

(Full results given)

C.M. Wednesday 24 February 1960

Details of Fraser, Konrads and Hayes records.

Bundaberg 18-year-old, Rosemary Lassig, got to within a second of her world 110 breaststroke time. She retained her title in 1m 22.2s, which is 1.8sec better than the New South Wales record she set in her heat on Monday night. She said later that she expected to lower her world time later this year.

Queenslander, Anne Nelson, faded out of the Olympic team picture by losing her 110 yards backstroke title. Anne led by a yard at the turn, but folded on the way home and touched fourth in 1m 14s. Victorian Marion Wilson clinched the backstroke double.

Seventeen-year-old Julian Carroll downed Olympic Games representatives John Monckton and David Theile to take the 220 yards backstroke title.

Queensland's medal score at the end of the second session of the championships was 3 gold medals, 4 silver, and 5 bronze.

(Full results given)

OLYMPIC POST GOES TO QUEENSLAND

Sydney - Queensland Women's Amateur Swimming Association President, Mrs J. Ross, was chosen yesterday as Manageress of the Australian Olympic Swim Team. She was elected by four votes to two at the Australian Swimming Union Conference.

Queensland Amateur Swimming Association Secretary (Mr Bill Holland) was beaten for the position of team manager on the casting vote of the Chairman, Mr J. Morrison.

Mrs Ross, 39, of Yerongpilly is the mother of five children. She said of her selection, "I was terribly surprised; in fact I was devoid of feeling for about three hours."

Mrs Ross has been in swimming for 27 years. She has been Queensland president for five years, and is a Vice President of the Commercial Swimming Club.

VOTING TIED

Voting was three-all between Holland and the New South Wales candidate, Mr Roger Pilgrim. Mr Morrison voted for Pilgrim.

C.M. Friday 26 February 1960

SENIOR DIVING WIN MAKES WARWICK SCHOOLBOY REAL GAMES HOPE From Frank O'Callaghan

Sydney Warwick High School boy, Graham Deuble, reached world and Olympic team class by taking the national senior springboard diving title at the North Sydney pool yesterday. Deuble, 16, the first junior to win a senior national title, now looks certain to become the first Queensland diver to win Olympic selection.

Deuble, specialising in high, difficult, dives, scored 153.8 points to dethrone champion Ken Crotty of Victoria.

Deuble is the first Queenslander since George Johnston (1937) to win a national senior title. Today he will contest the junior springboard title and seems sure to take the double.

HAS BEEN DIVING FOR THREE YEARS

Deuble clinched the title with a glorious one-and-a-half somersault with a one-and-a-half twist in the pike position. This gained him 17.76 points.

Deuble has been diving only three years. He was originally coached in Warwick by Roy Peachey, but now is under the tutelage of Peachey and ex-champion George Johnston.

Deuble gambled on difficult dives and the crowd knew it. They hushed when he strode to the board, and gasps and spontaneous applause was sufficient evidence of his superiority.

Thirteen-year-old Burleigh Heads girl, Lorraine McArthur, finished out of a place in the junior women's springboard title, which went to Victorian Dianna Robinson with a tally of 100.14 points.

ILSA MISSED

Ilsa Konrads failed in her bid to better her world 880 yards and 800 metres record of 10m 11.4s.

Ilsa easily retained her title, but took 10m 17.9s. Townsville's Jan Paine was second and Brisbane's 15-year-old Marion Lang third. Jan's 10m 46.9s was four seconds faster than her best time for 800 metres. Marion clocked 10m 57.2s.

John Konrads, swimming purely to win, won the 880 yards men's freestyle by half the length of the pool in 9m 21.2s. Queensland's John Rigby gained his second silver medal by touching in 9m 36.9s.

QUEENSLAND POLO WIN IN NEW ZEALAND

Wellington N.Z. - The touring Queensland polo team beat Waimai 5-0 at Hamilton yesterday.

For the winners, R.Bell and D.Moolan scored two goals each, and M.Muller one.

C.M. Monday 29 February 1960

QUEENSLAND HAS FIVE NAMED IN SWIM SQUAD FOR ROME GAMES

From Frank O'Callaghan

Sydney - five Queenslanders are among the 32 swimmers and divers chosen to represent Australia at the Olympic Games in Rome next August. They are - Freestyler John Rigby, breaststokers Bill Burton and Rosemary Lassig, Olympic backstroke champion David Theile, and diver Graham Deuble.

The team is the biggest of its kind to represent Australia overseas. Eleven competed at the last Olympic Games in Melbourne.

Only Queensland hope to miss selection was Empire Games representative and national junior backstroke champion, Anne Nelson.

Full team members recorded.

Australian Olympic swimming team members can be trained by their individual coaches. The swim team will train in Townsville for 8 weeks starting in June. There will be no additions to the side, but all must retain form to hold their places.

WERE CERTAIN

Theile 22, and Miss Lassig, 18, as national title-holders were assured of a place. Theile is a Brisbane medical student and Miss Lassig a Bundaberg cashier.

Burton, an 18-year-old motor mechanic from Mt Isa won selection by winning two silver medals at the national titles and extending world record holder, Gathercole.

Rigby, 18, a bank officer, has versatility. He can swim all distances from 220 yards to 1650 and gained second placing in the national 440 and 880 yards titles. His 440 time of 4m 30.4 when corrected for 400 metres (less approx 2sec) ranks him best in the world behind Konrads, Rose, and the Japanese pair Yamanaka and Fujimoto.

3 WERE LUCKY

Warwick schoolboy, Deuble, 16, was assured of selection after winning the junior and senior diving titles.

Miss Nelson's team prospects failed when she lost her senior 110 and 220 yards titles. They revived after she retained her junior 110 yards title, but her time of 1m 14.1s was not sufficiently impressive.

QUEENSLAND LOST SWIM SHIELD

Sydney - Queensland lost the Corbett Shield (for women's supremacy) to New South Wales at the national swimming titles but our team collected an impressive array of medals. Queenslanders gathered eight gold medals, eight silver medals, and eleven bronze from the championships which ended at the North Sydney pool on Saturday night.

Best scorers were breaststroker Rosemary Lassig and diver Graham Deuble who each took home two individual gold medals. Rosemary won the senior breaststroke double, and Graham the senior and junior springboard dives.

Other national title winners were backstroker David Theile (senior 110 yards), John Fingleton (junior 110 yards), and the men's medley relay team of Theile, Bill Burton, John Bennett, and Cyrus Weld.

C.M. Tuesday 1 March 1960

MUST HOLD FORM FOR GAMES TRIP

Australia's 28 swimmers chosen for the Rome Olympics must retain their present form to make the trip, Olympic selector, Mr Bill Holland, said last night, but he denied a report that the swimmers must survive four special trials in Townsville during the training period which starts in June.

"We have picked a team and not a squad," he said. Mr Holland added that there would be three major carnivals, not trials, at Townsville followed by a fourth one on August 6, which would be the sole guide in nominating competitors for their individual events in Rome.

TO REACH TOP

"The series of Townsville carnivals during the eight weeks coaching period are necessary to provide tough competition for the swimmers, and to bring them to their top," said Mr Holland, who added that nominations had to be in Rome by August 11.

It is hoped to send the four divers to the United States for six weeks coaching. If this is not possible they will train at Rockhampton with the water polo team.

The four divers chosen for Rome will swell the swim team to 32.

C.M. Tuesday 29 March 1960

KONRADS DEFEATS WORLD SPRINT CHAMPION OVER 100m

John Konrads, world middle distance swim champion beat world sprint champion John Devitt over 100 metres at the Valley pool last night. Konrads sprang the upset of the carnival which featured most of the Australian Olympic team.

Later Konrads slipped through the 400 metres freestyle in 4m 32.2s and spurred Queensland junior, Noel Reynolds, to a State junior record. Reynolds, who finished third behind Olympic team member John Rigby, but ahead of other Olympians Alan Wood and Robert Windle, clocked 4m 41.5s.

Talbot was amazed. He said, "At 14 years he is the best middle-distance prospect to come out of Queensland."

ANNE BEATS MARILYN

Maryborough backstroker and Olympic team reject, Anne Nelson, beat team member Marilyn Wilson, for the third successive time since the national titles, but Anne's time of 1m 15.1s was 1.6sec outside Marilyn's national title-winning effort.

17-year-old backstroker, Julian Carroll, "went for a burn" and beat Olympic champion, David Theile, over 100 metres. "I thought I'd give it a go," said Carroll, but he was disappointed in his time of 65.1sec.

Theile who is preoccupied with medical studies rather than swim training registered 66.4sec.

(Full results given)

Courier Mail September 1960

The early days of this month recorded the successes of Australian swimmers at the Rome Olympic Games, including the Gold Medal performance of Queensland backstroker, David Theile.

C.M. Tuesday 27 September 1960

SWIM SELECTORS RETAINED

The Queensland Amateur Swimming Association retained its three selectors at last night's Council meeting. Bill Holland, Garney Nankaville, and George Marr, held their positions against challenges from Joe Emerson, and John McNamara.

Mr E.Cichero is the only new Executive member. He replaced Dr E.Theile who replaces Dr D.Dowling as Chairman. The Executive is - Dr E.Theile, Dr D.Dowling, Messrs W.Holland, A.Corish, J.Davis, E.Cichero, A.Mecklem, G.Nankaville, G.Marr, and M.Munro.

C.M. Thursday 29 September 1960

FREE COURSE IN LIFESAVING

Housewives are among those expected to be given instruction in mouth to mouth resuscitation at a free four day course at the Valley Baths next month. The course of lectures and practical training is being arranged as a community service by the Valley Lions Club.

C.M. Wednesday 5 October 1960

LASSIG LIKELY TO LIVE HERE

Bundaberg Olympic breaststroke swimmer, Rosemary Lassig, is likely to settle in Brisbane. The dual national champion and world 110 yards record holder is seeking work and accommodation here. She has hinted she may retire from swimming, but those closely connected to her career feel she will resume after a spell.

Rosemary found the 200 metres field too hot at Rome, but her 100 metres leg of the medley relay virtually cinched a silver medal for Australia.

N.Z TEAM

The Queensland swimming team may tour New Zealand early next year. The New Zealand Association is interested in a reciprocal tour. The Queensland Amateur Swimming Association is awaiting further advice, but could send a team only in late January or early February.

Meanwhile, a Singapore water polo team is negotiating for a tour of Australia. The team would play matches in Brisbane and compete at our national titles in February.

C.M. Wednesday 7 December 1960

RECORD 231 ENTRIES IN SWIM

Record entries are in for the 20 event programme of the Queensland Ladies Amateur Swimming Association carnival at the Valley Baths on Friday night at 7. The 231 individual entries from 14 clubs, metropolitan and country, as far north as Townsville, will call for 57 races during the three hour programme. Practically all of the best women swimmers in the State will clash in the first big carnival of the season, - and a pipe-opener to the State titles in Jan.

FIVE FOR FINAL

In the absence of Olympian Rosemary Lassig, the 100 metre breaststroke championship will be keenly contested. Claire Cooke, Rosemary Geach, both of Valley Club, Frances Bliss and Pat Stanton, of Leander, and Jill Ruhle of Ipswich should be finalists.

The 100 metres senior freestyle has the lowest entry - four. Jennifer Corish of Valley, and Yvonne Paine of Townsville Tourists, should provide a keen finish.

Pam Sergeant of Townsville Gardens finished second to Anne Nelson in the 100 metres open backstroke last year, and is a strong contender for the title. Penny March, Lorraine Jay, and Frances Bliss, will be her strongest challengers.

Lyn Kingston, Jennifer Corish, Lorraine Jay, and Yvonne Paine, should produce good times for the 50 metres butterfly.

The 50 metres sub-junior freestyle has attracted 21 entries, and Valley's Cheryl Kensett should win. There is a lot of unknown talent in the race.

C.M. Friday 9 December 1960

THEILE'S RECORD BEATEN

Maryborough - Thirteen years old James Irvine bettered David Theile's sub-junior 66 2/3 yards backstroke record by 3.4sec last night. Irvine swam the distance in 43.4sec net off a handicap of 39.

The Club record of 46.8sec was set by David Theile several years ago.

Irvine, who recorded an outstanding backstroke time in Gympie last Saturday, seems a certainty for the sub-junior backstroke title in Brisbane during January.

Later, in a grade above his present classification, he won the junior men's 220 yards freestyle championship in the excellent time of 2m 33s.

C.M. Saturday 10 December 1960

N.Q. GIRL PIPS STATE SWIMMER

Townsville girl, Pam Sergeant, pipped State representative Penny March for the Queensland ladies' 100 metres backstroke title at the Valley pool last night. She touched in 1m 18.5s - 1 second outside her best, but a creditable effort for her first competitive swim of the season.

Pam and Penny are the chief contenders for Empire Games representative Anne Nelson's junior and senior titles.

TRAILED AT TURN

Pam, 14, is Queensland's most improved backstroker. She trailed at the turn but ploughed home to a hair-line decision.

Jill Ruhle, of Ipswich, back after a season's lay-off, trounced the 100 metres breaststroke field. Her 1m 27.8s indicates that she will regain the form that made her a threat to Olympian Rosemary Lassig, two seasons ago. Second placegetter, Railes Davis, is battling for a place in the Australian team for the Jewish Games to be held in Tel Aviv next September.

(Full results given)

C.M. Friday 16 December 1960

THREE OLYMPIAN DIVERS COMPETING.

Three Olympians will contest the State diving titles at the Centenary pool on January 28. Two, Barry Holmes and Graham Deuble, contested the Rome Olympics. The third, Arthur Winther, and ex-national champion, represented Australia in 1956 in Melbourne.

Deuble, of Warwick, is national junior and senior three-metre board champion. Winther, formerly of Victoria, is now living at Surfers Paradise. Winther, because of his preference for Queensland, was omitted from the Victorian team for the 1960 nationals and Olympic trials. Holmes, of New South Wales, is national tower champion.

Deuble, now a senior, will meet strong opposition from Ipswich prospect John Everding.

A record number of 34, or 11 more than last year's record, will contest the titles. Entries have come from as far west as Roma and as far north as Townsville.

Deuble, Everding and University diver Clem Pratt will compete in the New South Wales titles on January 14.

C.M. Friday 6 January 1961

OLYMPIC SWIMMER'S STAND THREATENS TO BOYCOTT QLD. TITLES By Frank O'Callaghan

Olympic breaststroke swimmer, Bill Burton, has threatened to boycott the Queensland titles. Burton, holder of the State 100 and 200 metres breaststroke and 4 x 100 metres medley titles, is feuding with the Queensland Amateur Swimming Association about his affiliation.

The titles start in Brisbane with heats next Thursday, and Burton wants to swim for his native town, Mt Isa. The Q.A.S.A. says he must swim for the Valley (Brisbane) Club.

The Q.A.S.A. made a recent resolution that a swimmer who belonged to two clubs must compete with the club in the district in which he resided.

Burton, 19, is a member of Mt Isa Club, and has swum in Brisbane with Valleys. Both clubs have nominated him for the titles.

GAMES HELP

Burton had his motor mechanic apprentice indentures transferred to a Brisbane firm late last year. He said last night, "I swim for Mt Isa or not at all. Mt Isa raised twelve hundred pounds to send me to the Olympic Games. I feel obliged to represent the club. What's more, when I started to swim with Valley, I was assured I would be allowed to represent Mt Isa at the titles. It is ridiculous for the Q.A.S.A. to say I must swim for Valley because of my residential status, when Warwick Webster, who lived in Sydney, swam for Mt Isa in the State titles a couple of years ago. He even represented Mt Isa at the North Queensland titles while a Sydney resident."

NOT PAID UP

"Anyhow," said Burton, "I am a financial member of the Mt Isa Club and have not paid any subscription fees to Valley. Obviously I am not a recognised member of that club."

Q.A.S.A. Secretary (Bill Holland) said last night, "Burton has signed papers to join Valley, and as far as the Association is concerned he is a member of that club. We are not sniping at him. The rule is clear. It applies also to divers John Everding and Olympian Graham Deuble. Everding lives in Ipswich and is a member of the Ipswich Swimming Association. He must dive for Ipswich. Similarly Deuble must dive for the Brisbane Diving Club although he belongs to

the Warwick Swimming Club. He works and lives in Brisbane and has joined the local club."

Burton is swimming back into form after mishaps. He trained lightly early in the season, then suffered an infected ear and badly bruised his knee at work. He will compete at a club carnival at Warwick tonight.

C.M. Friday 13 January 1961

RIGBY CLOCKS FASTEST 100 TIME
TO ENTER STATE FINALS

By Frank O'Callaghan

Olympic middle-distance freestyler, John Rigby, swam the fastest sprint of his career at the State swimming titles at the Valley pool last night. Rigby, 18, qualified for tonight's 100 metres final with a sizzling 58.6sec, or 1.2sec faster than his previous best.

Although Rigby holds all State freestyle titles from 200 to 1500 metres he has not yet been placed in the 100 metres. His time last night indicates that he could lop at least 2sec off his 200 metres record (2m 8.4s) on Monday night.

Only three records fell last night - the men's under 12 50 metres freestyle and 50 metres backstroke and the women's 100 metres freestyle.

Ron Birch, 11, of Virginia, lopped 3/10sec off John Fingleton's five year old freestyle record, clocking 31.2sec. Nambour's Bevan Taylor, 13, (32.6sec) lowered Terry McMahon's backstroke standard by 1.2sec, and Helen Agnew (66.7sec) improved by 2/10sec the freestyle record she shared with Priscilla McLellan and Jan Munro.

TIMES BETTERED

Olympic breaststroker Bill Burton set out to beat Alan Humphreys' previous heat-winning time of 1m 16.9s - 3/10 sec outside his State resident record. Burton also "needled" New Zealander to better his previous best time by 1.5sec. Webb, 16, clocked 1m 19.9s and is hopeful of doing better tonight.

N.Z. QUALIFY

All New Zealand contenders made tonight's finals. Most impressive was 16-year-old Auckland, Rod Taylor, who bolted through his 200 metres junior freestyle in 2m 17s, 4/10 sec inside his previous best. After seeing Taylor's effortless swim, New Zealand manager Jack Hogan tipped him to break Graham Tait's State record of 2m 12.2s tonight. Taylor will have to hustle.

Rockhampton's Laurie Higson won his heat in 2m 13.6s, and Brisbane's Noel Reynolds scored in 2m 14.2s.

Most of the Kiwis posted their best or near-best times. They were delighted with the water temperature of 78 degrees and the smooth surface relatively free of backwash.

(Full details given)

C.M. Saturday 14 January 1961

OLYMPIC SWIMMER HOME BY A TOUCH

Olympic representative and State title holder, Bill Burton, had a close call in the final of the 100 metres Queensland breaststroke championship at the Valley pool last night. Tipped to win easily, Burton was forced to swim a neck-and-neck race with relatively unknown Alan Humphreys, of the Valley Club. Both Burton and Humphreys clocked 1m 15.4s, but the judges gave the decision to Burton by a touch.

Olympic gold medallist, David Theile, withdrew from the 100 metres men's backstroke championship. The event was won by Tony Fingleton of the Valley Club, with his brother John second. Tony's time was 66.9sec - 3.6sec outside Theile's Queensland record for the distance.

Olympic representative John Rigby won the 100 metres men's freestyle in clocking 58.6sec.

Maroochy swimmer, Barry Taylor, won a double, the 50 metres sub-junior butterfly and the 50 metres backstroke.

Thirteen-year-old Cheryl Kensett of the Valley Club took the women's 100 metres freestyle championship. In a close finish, Cheryl defeated Miss J Paine (Tourists) in 67.1sec, 1.8sec outside the State record. (Results given)

C.M. Tuesday 17 January 1961

N.Z. JUNIOR SETS TWO NEW SWIM RECORDS
By Frank O'Callaghan

New Zealand junior, David Gerrard, smashed two Queensland butterfly records inside 50 minutes at the State titles at the Valley pool last night. Gerrard, 15-year-old Auckland, cleared off with the State junior 100 metres title in 65.8sec, then trounced our best seniors over 200 metres.

Gerrard, blonde and stocky, sliced 4.3sec off Graham Tait's 100 metres race record, and bettered his previous best by two seconds. His 200 metres time of 2m 27.4s bettered Peter Andersen's race record by 3.5sec. If residentially qualified he would also have set new State resident records.

BEST YET HERE

Gerrard downed the reigning senior champion John Bennett over 200 metres, and tugged Bennett (2m 29.3s) to a new State resident record. He let Bennett set the pace, picked up a yard of his two yard lead at the 100 metres mark, touched with him at the "150", and was two yards clear at the finish.

Gerrard's two gold medals brought the New Zealand team's haul to date to two gold, five silver, and two bronze. Team manager Jack Hogan described this as "an extremely heartening performance, well worth the trip."

LOST AT TURN

Young Noel Reynolds surprised by cutting half a second off Warwick Webster's State junior 100 metres freestyle record. Reynolds threshed home in 58.6sec despite a sloppy hand turn at the 50 metres wall.

Queensland Amateur Swimming Association Secretary, Bill Holland, estimated that a properly executed tumble turn would have been worth a second to Reynolds.

A bad turn also slowed women's 400 metres champion Jan Paine who took her second title in 5m 4.3s. She searched for the wall at the second last turn, floundered, and lost at least 2 seconds. She estimated that in a tighter finish she would have been the first Queenslander to crack 5 minutes.

As in Saturday's 800 metres event, Jan had as her shadow New Zealander Shirley Nicholson, whose time of 5m 9.7s was 2.7sec better than her national record.

Australian junior backstroke champion, John Fingleton, beat brother Tony for the first time and took the 200 metres title. John, now a 17-year-old senior, was having his first 200 metres swim, yet his time m 26.7s was only 2.1sec outside Olympian David Theile's resident record. It was more creditable because it was done in a skimpy preparation.

Olympic freestyler, John Rigby, was not satisfied with his new 200 metres record of 2m 7.7s. "I should have broken 2m 7s," said John.

(Results given)

C.M. Wednesday 18 January 1961

14-YEAR-OLD SET 2 SWIM RECORDS

Fourteen-year-old Townsville girl, Pam Sergeant, broke two swim records in the heat of the 200 metres women's backstroke State championship at the Valley pool last night. Pam defeated New Zealand girl Lynette Norman in 2m

41.9s. Her time beat the race record established by Anne Nelson by 1.7sec, and Nelson's best by a Queenslander by 0.2sec.

Pam gained a lot of her swimming knowhow from training with Australia's Cardiff Empire Games team and the Rome Olympic Games team in her home town.

BEAT OUR BEST

Atherton 15-year-old, Helen Agnew, swam the fastest time by a Queensland junior and senior woman swimmer when she won the first heat of the junior 100 metres freestyle in 66.5sec. This cut 0.4sec off the best time by a Queensland junior record which she and Miss P.McLellan held. It also clipped the same time off the Queensland senior "best" time held by herself, Miss McLellan and Jan Munro.

Townsville girl, Jan Paine, smashed another State "best" when she won her heat of the women's 200 metres freestyle championships. She won n 2m 26.7s to wipe 1.3sec off the "best" and also broke the race time she set last year by 2.7sec.

BEST FOR RACE

City Pastime junior, Noel Reynolds, in his heat of the 400 metres junior freestyle, clipped 6.5sec off the race record held by John Rigby. Noel's time of 4m 30.5s also took 2sec off the best time by a Queenslander he had previously set.

Reynolds must now be considered a solid opponent for one of Australia's best junior 400 metres freestylers, Peter Phelps. Phelps, who recently won the New South Wales titles, will be in Brisbane for the Australian swim titles next month.

(Results given)

C.M. Thursday 19 January 1961

REYNOLDS LOOMS AS GAMES HOPE

By Frank O'Callaghan

Brisbane's Noel Reynolds swam into Empire Games calculations by covering 400 metres freestyle in 4m 34s at the Valley pool last night. Reynolds thus took the State junior title, his third of the championships, and set his fifth record of the series.

He clipped 5 ½ sec off the standard he had set in his heat on Tuesday night; he claimed the 200 metres junior title in record time last Friday night; and set a new standard for the 100 metres on Monday after having broken the race record in his heat.

Reynolds gives the credit for last night's swim to Rockhampton panel beater, Laurie Higson, who swam with him stroke for stroke until the last 25 metres.

Half an hour later Higson swam his fastest 800 metres (9m 56.8s) and touched second to Olympian John Rigby, who set a new State resident mark of 9m 32.3s. Rigby, Higson, and Reynolds, clash in their open 400 metres tonight.

Junior backstroker Pam Sergeant bettered her record-breaking time of Tuesday night y winning the open 200 metres title in 2m 40.4s.

State 100 metres butterfly champion, John Bennett, who bowed to New Zealand junior David Gerrard over 200 metres on Tuesday night, made sure of retaining his title. He sprinted clear in the second lap and swept to a new State resident record of 64.4sec.

(Results given - Picture of Reynolds - head)

C.M. Friday 20 January 1961

RIGBY BEATS REYNOLDS IN CLOSE RACE

Olympic representative and 400 metres title holder, John Rigby, won the second heat of the men's State 400 metres freestyle in a close finish from

fellow team mate, Noel Reynolds, at the Valley pool last night. Setting the fastest time for the two heats, Rigby clocked 4m 37.6s, almost 7 sec slower than his race record for the same distance.

Swimming in lane 5, Rigby was well up with the field and level pegging with Reynolds in lane 8 for most of the trip. In the last lap Rigby and Reynolds sped away from the rest of the field and fought a close battle for line honours. Rigby touch 3/10sec in front of 15-year-old Reynolds, who was clocked at 4m 37.9s. Third placegetter, B.Crowder of New Zealand, was timed at 4m 52.6s.

RACE RECORD

Jennifer Corish, swimming for Valley Club, set a new Race record, and the best time by a Queenslander, when she won the third heat of the 50 metres women's freestyle. Jennifer's time was 29.5sec, 4/10 sec faster than the previous record of 29.9sec by Miss J.Munro.

Atherton swimmer, Helen Agnew, was a close second to Jennifer when she clocked at 30.3sec.

Thirteen-year-old Cheryl Kensett, Valley Club, had a comfortable win in the women's sub-junior 100 metres freestyle. She defeated D.Wilson and M.Shepherd in the third heat.

C.Shapland, 13-year-old swimmer from Toowoomba, set a new race record when he clocked 4m 48.8s for the men's sub-junior 400 metres freestyle event.

(Results given)

C.M. Saturday 21 January 1961

JUNIORS STAR IN SWIM TITLE

Thirteen-year-old Chris Shapland and Ron Dunne provided the State swimming title classic at the Valley pool last night. Shapland nosed Dunne (4m 53.2s) out of the sub-junior 400 metres title with a staggering 4m 51.9s.

Although Shapland was 3.1sec outside his heat-winning time of Thursday night, he and Dunne looked future Olympians. Shapland's 4m 48.8 in his heat, was only 0.6sec slower than John Konrads at the same age.

Noel Reynolds, Cheryl Kensett, and Pam Sergeant, also move closer to Olympic class last night. Reynolds, 15, nudged Olympian John Rigby to a new State resident 400 metres record. Rigby established his winning lead over the first 200 metres, but could not widen the gap, although he touched in 4m 36.5s. Reynolds swept home in 4m 36.5s. A quarter of an hour later Reynolds took the junior 5 metres title and his fourth individual gold medal.

SET TWO RECORDS

Miss Kensett, 13, went even better. After downing Helen Agnew in the junior 200 metres freestyle title in State resident record time (2m 27.2s), she came back ten minutes later to win the sub-junior 100 metres freestyle crown in race record time of 67.1sec.

Cheryl wound up her title commitments as lead-off swimmer for Valley's record-breaking 4 x 50 metres relay team. She took home from the titles, six gold, two silver and a bronze medal, from nine starts.

Townsville's Pam Sergeant clipped 1/10 sec off the 100 metres junior backstroke record she set in her heat the previous night. She won as she liked in 1m 14.6s, only 0.6sec outside Empire Games swimmer Anne Nelson's State record. (Results given)

C.M. Wednesday 25 January 1961

Picture of Graham Deuble in full flight.

C.M. Thursday 26 January 1961

47 IN QLD. SWIM TEAM

Queensland Amateur Swimming Association has selected a record 47 swimmers for the Australian titles here from February 18-25. Association Secretary (Bill Holland) said last night that the previous biggest team to represent the State was 32. "The size of the team has been increased because of the tremendous improvement in the general standard of swimming," he said. The cut in financing a team in the home State must also have influenced the selection of such a team.

The national titles were last held in Brisbane in 1949.

THREE BROTHERS

Another first in the team is the inclusion of the three Fingleton brothers, John, Ron, and Tony. They will all swim backstroke in different age groups.

The team is -

Men - John Bennett (B'ne), R.Brymer (R'ton), R.Bonke (Ayr), W.Burton (Mt Isa), R.Dunne (B'ne), E.Fredericks (B'ne), A.Fingleton, J.Fingleton, R.Fingleton (B'ne), D.Finselbach (Ips), R.Freney (B'ne), D.Glenn (B'ne), L.Higson (R'ton), A.Humphreys (B'ne), R.Knight (R'ton), D.Munro (B'ne), T.Maher (B'ne), P.McMahon (Ips), D.McMonagle (W'wick), A.Neill (W'wick), H.Orth (Ips), J.Potts (B'ne), N.Reynolds (B'ne), J.Rigby (B'ne), C.Shapland (Tmba), I.Steindel (B'ne), E.Whybird (Ips), A.Williams (B'ne).

Women - H.Agnew (Ath), J.Ruhle (Ips), K.Cullen (G'ston), J.Corish (B'ne), F.Cooke (B'ne), D.Cawte (B'berg), R.Davis (B'ne), A.Drought (B'ne), M.Gerber (Ayr), L.Jay (B'ne), C.Kensett (B'ne), L.Kingston (B'ne), G.Lyons (Ayr), Y.Paine (T'ville), F.march (B'ne), R.Thorne (K'roy), P.Sergeant (T'ville).

Mr Holland said that some country swimmers had been selected to compete at their own expense.

Country swimmers to compete at their own expense are - Boys: B.Brymer, R.Bonke, A.Neill, C.Shapland. Women: K.Cullen, D.Cawte, M.Gerber, G.Lyons, and R.Thorne.

JAN BREAKS OWN RECORD

Warwick - Ayr swimmer, Jan Paine, last night broke her own Queensland record for 110 yards freestyle by nearly six seconds in a carnival at the Olympic pool.

Competing against a New Zealand University team, Jan covered the distance in 63.3sec, 5.7sec better than her record established at this year's State championships in Brisbane. Jan also went within a tenth of a second of the Queensland record for 220 yards with 2m 27.4s.

C.M. Saturday 18 February 1961

DISQUALIFIED ON 2 COUNTS GAMES SWIMMER SENT OUT IN HEAT OF TITLE.

By Frank O'Callaghan

Olympic backstroker, Julian Carroll, hottest of favourites for the Australian 100 metres backstroke swim title, was disqualified in his heat last night. Carroll was disqualified on two counts - for not touching, and for turning off his back at the 50 metres turn.

Carroll, clearly upset after the race, was adamant that he had touched at his second attempt. He did not know of the other breach until later. He said, "I missed my touch at the first attempt, but went back. I wouldn't have gone back for nothing."

Carroll flipped into his turn ahead off Queensland's Tony Fingleton, but fell back when he bungled.

A protest by New South Wales team manager, Stuart Aldritt, was dismissed. Aldritt said "Wait until tomorrow night when Carroll leads off the 4 x 100 metres medley relay team, he'll trounce the field."

Carroll's disqualification boosts the final prospects of Fingleton brothers, Tony and John. They posted the fastest times of the qualifier, Tony with 68sec and John with 69.1sec.

John, a first year senior, won the national junior title last year Tony beat John for the State title this year by 1/5sec. His time was 66.9sec.

KONRADS FAST 200 METRES

John Konrads impressive 200 metres heat win suggests he will crack Yamanaka's world record tonight. He touched in 2m 5.5s, four seconds outside Yamanaka's standard and was highly delighted.

Queensland Olympian, John Rigby, goes into tonight's final after a time of 2m 8.4sec.

Ayr girl, Jan Paine, led the 400 metres qualifiers by clocking 5m 6.4s.

Queensland's Barry Munro cracked the State 100 metres junior butterfly record by clocking 68.6sec. This was 2.4sec outside his previous best and he had a little in reserve. Munro cannot hope to beat Olympian Kevin Berry tonight, but he is a strong place chance.

BURTON BEST

Olympian breaststroker, Bill Burton, of Queensland, headed the 100 metres qualifiers, and showed the form to make him the tip for tonight's final.

Anne Nelson, erstwhile Queensland backstroke star, now representing New South Wales, swam easily into second place behind her State title successor, Pam Sergeant. Pam's 2m 43.7s was a second behind that of the fastest 200 metres qualifier, Sue Costin, of New South Wales, but was enough to win her a place in tonight's final alongside Miss Nelson.

Results given. Picture of Rigby and Konrads)

FRASER EQUALS GAMES RECORD

IN HEAT OF 100 METRES

By Frank O'Callaghan

Dawn Fraser served notice of her world potential by equalling her Olympic Games 100 metres freestyle swim record at the Valley pool last night. In her heat she clocked 61.2sec.

QUEENSLAND FIND

The 100 metres heats unearthed a new Queensland discovery, 15-year-old schoolboy, John Potts, of Bardon. Potts, who has been swimming competitively for barely two months, broke the minute to qualify for tonight's final, clocking 59.8sec. Few Queensland juniors have done this. Potts started serious swimming with West End coach Bill Fleming last December.

Queensland's Tony Fingleton who lifted the 100 metres backstroke title on Saturday night swam an encouraging 200 metres heat of 2m 28.2s, 0.1sec behind Olympian Julian Carroll. A 2m 32s from Tony's brother John, also put him into the final.

Queensland women's 100 metres backstroke hope, Pam Sergeant, qualified in 1m 14.5s which was only 0.3sec outside her best.

(Results given)

C.M. Wednesday 22 February 1961

FRASER TAKES FIFTH TITLE
BUT RECORD BID FAILS

Dawn Fraser failed by a mere 0.9sec to smash her world 100 metres freestyle record at the Valley pool last night. Her time was 61sec.

ILSA SENT OUT IN RELAY

Ilsa Konrads who led home the New South Wales medley relay winning team was disqualified for not touching at the 50 metres turn. Ilsa was emphatic that she touched. Team manager, Stuart Aldritt, protested unsuccessfully and Queensland got the decision.

Q.A.S.A Secretary (Bill Holland) said that numerous "no touch" disqualifications were detected because of the Valley's excellent lighting.

Most swimmers have consistently complained throughout the titles that the lighting and the insufficient marking on the floor of the pool made it difficult to judge the wall. Holland said that the marking would be rectified today. Pool manager, Gordon Petersen, planned to put a coloured brick in each lane at the foot of the wall.

C.M. Friday 24 February 1961

Yesterday at Centenary pool 17-year-old girl Jan Paine took the 880 yards title in State resident record-breaking time. She stayed within striking distance of Miss Bartier and then took over 110 yards from home. She won going away in 10m 29.8s, 37 seconds inside her previous record and only 0.1sec outside her State metric standard.

RIGBY THIRD

Queensland's John Rigby touched third in the 880 yards in 9m 35.1s, 14.2sec inside his resident record. Olympian Alan Wood won the event in 9m 16.8s, with Robert Windle, second.

DIVING

Diving authorities severely criticised the standard of judging in the national title events. Prominent Sydney coach, Jack Barnett, described the judging as "erratic" well below national title standard.

"The sooner we follow the Americans the better," Barnett said. "Over there the best men judge, whether amateurs or professionals. Here all judges are amateurs. There were plenty of professionals at the pool today who would have done a better job."

The poorest judging was in the junior women's springboard event, when divers who did not perform the dives they nominated, received points.

DEUBLE AGAIN

Warwick's Graham Deuble became the first Queenslander to win successive crowns by defending his springboard title with a near-record score of 162.71 points. Victorian Ron Faulds holds the record for an Australian title (164 points). Deuble, however, has posted the highest scoring in all competition, 170.17 points, in the State titles last month.

Deuble has proved he is in a class of his own with expert displays of the two most difficult dives in the book - a backward two and a half somersault and a reverse two and a half.

His best dive, an inward two and a half earned him 21.84 points.

(Good picture of Deuble in full flight)

C.M. Saturday 25 February 1961

SWIM HEATS

By Frank O'Callaghan

Noel Reynolds set a new State junior resident standard by qualifying for tonight's final of the 100 metres freestyle in 58.3sec.

Queensland Olympian, Bill Burton, looks set for his third gold medal tonight. He glided smoothly through the 200 metres breaststroke heat in 2m 46.3s, one second faster than State team mate, Alan Humphreys.

DEUBLE DOWN IN DIVE

Former Victorian, Arthur Winther, sprang the upset of the diving titles by downing Olympian Graham Deuble in the high board event.

Winther, 22, won on a skimpy preparation and executed five dives he had mastered only a few hours previously. One of them, a double twisting one and a half somersault, earned him 21.06 points.

"I didn't think I had a chance of winning. It was the first high board title I have contested," he said.

Winther carded 145.22 points, and Deuble, the State champion 143.33 points.

Deuble, 17, had to repeat his balance when attempting a handstand one and a half forward somersault, and the lost points cost him the title.

C.M. Friday 14 April 1961

SWIM BODY OPPOSED TO GAMES LEVY

The powerful Queensland Amateur Swimming Association is rigidly opposed to the Queensland Olympic Council's plan to levy amateur sportsmen.

The levy of one shilling a head each year is designed to provide the nucleus of future Olympic Games funds.

Q.A.S.A. was the sole dissenter when the resolution to levy all members of the Q.O.C.'s affiliated associations went through the Council.

"WAS UNFAIR"

Q.A.S.A secretary, Bill Holland, last night criticised the plan as unfair to swimming. "We have about 10,000 members," he said.

"It would cost us about five hundred pounds a year, and we would also be expected to raise other money for our Olympic representatives, as we have done in past years. We welcome the scheme in principle, but not in this form. We recently lifted our registration fees 100 per cent from one shilling to two shillings. We cannot lace another shilling on top of that."

CHALLENGE RIGHT

Holland, who is also Q.O.C. Secretary, has challenged the right of the Council to enforce the levy.

He said the present Q.O.C. Constitution did not permit the levy to be enforced on its affiliated associations. "At the moment it is a matter for the associations, but the Constitution is under review and certain changes will be made."

Holland suggests that each affiliated association contribute yearly to a fund on a basis comparable to its wealth.

Courier Mail Tuesday 15 September 1961

FIFTH TERM FOR SWIM CHIEF

The Queensland Amateur Swimming Association last night re-elected Dr Don Dowling for a fifth successive term as President.

Mr Dave Munro of Brisbane and Mr J. Harvey of Townsville are new names on the Vice Presidents panel. They replace Mr T. Steindl and Mr J. Rivett who did not seek re-election. The five Vice Presidents include also, Dr E. Theile, Mr J. Emerson, and Mr E. Barnacle.

C.M. Saturday 16 September 1961

JAP STARS TO SWIM HERE

by Frank O'Callaghan

Japanese world champion freestyle swimmer, Tsuyoshi Yamanaka, is likely to swim at the Valley Pool on January 6. Japan has accepted an invitation for five swimmers to tour next season. Australia has requested two freestylers, a backstroker, a breast-stroker, and a butterfly. Among the freestylers will be a sprinter and a distance swimmer. Yamanaka, as world 200 metres record holder (2:00.2 secs), should be certain of selection if available.

The carnival in Brisbane, like those planned for Sydney and Melbourne, would be a n international one against a selected Australian team.

NEW PRESIDENT

Mrs C. Arnold is the new President of the Queensland Ladies Amateur Swimming Association. Mrs Arnold, who has been Valley Ladies Club President for the last seven years, was elected unopposed at last night's Annual Meeting. She succeeds Mrs J. Ross who has retired after six years.

The Association now has 4102 members, 600 more than last year.

Other officials elected last night are - Patroness, Mrs J. McGregor-Lowndes MBE; Registrar, Mrs V. Anderson.

C.M. Monday 25 September 1961

TOP SWIMMING COACHES MEET

Queensland will send Australian selector, Bill Holland, and Brisbane coach, Bill Fleming, a former sprint champion, to a coaching school to be conducted by the NSW Amateur Swimming Association at the National Fitness camp at Narrabeen, starting on October 27.

The school, extending from Friday night to Sunday afternoon, is regarded as Australia's first practical step in its fight back to world swimming prominence.

Two top Japanese swim coaches are expected to make a special trip to get a close-up of the famed Australian coaching methods during the weekend.

C.M. Thursday 26 September 1961

SWIM SELECTOR OFF STATE PANEL

Garney Nankaville of Ipswich, a State swim selector for the last ten years, was displaced from the panel last night.

The new selectors chosen by the Queensland Amateur Swimming Association Council are - Bill Holland, Dr E. Theile, and Jack Davis. Holland is the only surviving member of last year's panel. The third member, George Marr, did not seek re-election. Other unsuccessful candidates were - John McNamara of Warwick, Joe Emerson, and Ed Barnacle.

Dr E.Theile (Chairman), W.Holland (Secretary), J.Davis (Assistant Secretary), and A.Corish (Treasurer), were re-elected unopposed.

Four new men were chosen for the Association's Executive Committee. They are - G.Borek (West), A.Anderson (University), A.Sharpe (Ipswich), and L.Krigstein (Diving). They join C.Arnold (Valley), and M.Munro (Davies Park), the only members of last year's Executive Committee seeking re-election.

A swim carnival at the Valley Pool on December 11 will be a guide to the selection of an Australian team to meet the Japanese at the Valley on January 6. Only Queenslanders will compete in the trial.

C.M. Monday 9 October 1961

OLYMPIANS IN JAPAN SWIM TEAM

By Frank O'Callaghan

Four Japanese 1960 Olympians, including world record holder Tsuyoshi Yamanaka will swim in the Valley Pool next January 6. Yamanaka's Olympic team mates, the ten man team to tour Australia are freestyler Katsuki Ishihari, butterflyer Haruo Yoshimoto, and backstroker Kazuo Tomita. Tomita and Yamanaka also swam in the 1956 Melbourne Games.

The Japanese will contest a series of international meets against Australia in Brisbane, Sydney, and Melbourne.

Yamanaka, world 200 metres freestyle record holder (2:00.4), finished second to Murray Rose in the 1960 Olympic 400 metres title (4:21.4) and fourth in the 1500 metres (17:34.7).

CHIEF RIVALS

His chief rivals in Australia should be Olympian Bob Windle and Alan Wood. In the national titles in Brisbane last February Wood clocked 4:25.1 for 40 metres and Windle 4:28.4, and posted 17:27.7 for 1500 metres.

Ishihari reached the 100 metres final in Rome (57.5 secs) and probably would be chasing Australian champion David (56.2 secs).

Tomita, a semifinalist in Rome (64.2 secs) would meet Queensland and national champion Tony Fingleton, or his brother John.

Yoshimoto finished fifth in the Olympic 200 metres (2:18.3) touching off Australian Kevin Berry (2:18.5), but well behind our silver medallist Neville Hayes (2:14.6).

C.M. Thursday 19 October 1961

FINALISE POOL LEASES

The lessees of the Valley, Centenary, and Langlands Park swimming pools will be allowed complete professional coaching rights. This authority is contained in the conditions of the lease issued by the City Council. The Council has decided to lease the pools which were previously under management. The lease is dated from 18 December 1961 and will run to 30 December 1965.

The Queensland Amateur Swimming Association will tender for the Valley Pool lease. Leading southern coaches, including Don Talbot and Harry Gallagher, are known to be interested in tendering for any one of these. November 3 is the closing date for tenders.

QUALIFICATIONS

The lessees will be required to pay all salaries but only 25% of all light and power costs. He must possess a Bronze Medallion of the Royal Lifesaving Society and have some knowledge of filtration. Any deputy he may leave in charge of the pool must possess similar qualifications. The lease demands that each amateur Club be allowed at least its present rental conditions for the conduct of Club swims, and each Club is to be allowed up to two of its coaches acceptable to the Council for the period of the Club swim.

VALLEY KIOSK

The Council will provide for the erection of a kiosk at the Valley Pool at the expense of the lessee. Langlands Park and Centenary kiosks are already under lease.

The lessee will be required to make reasonable access to the pool for the public and the conduct of carnivals.

Chief City Health Officer, Mr Greg Mabbett, said last night that the Council wanted the pools run with the present efficiency and the service to the public to be maintained.

C.M. Saturday 27 October 1961

SWIMMERS WARNED ON KENNY

By Frank O'Callaghan

Queensland Amateur Swimming Association is warning its members not to compete against international surfer Hayden Kenny at the Mooloolaba surf carnival tomorrow. Kenny's amateur status is suspect. He recently became lessee and coach of the Maryborough pool.

Q.A.S.A. Secretary (Bill Holland) said last night, "My Association advises its members not to participate against Kenny. We are in the process of investigating his status. Amateur swimmers who ignore the Association warning will be jeopardising their own status," Mr Holland said.

Kenny, 24, and State belt champion, has nominated for the senior surf and teams race, senior belt, four-man R & R, and ockanut board race.

Kenny said from Maryborough last night, "I will be swimming, provided of course, that I am eligible under Surf Lifesaving Rules."

"I feel I owe it to my Club, Alexandra Headland, which has not many members. I think this is pretty tough, considering what happened two years ago. Now I am copping it at both ends.

PULLINGER BAN

Kenny was referring to the controversy over Ralph Pullinger, a Greenmount lifesaver and beach inspector, who was considered a professional by the Q.A.S.A. in 1959. A number of amateur swimmers who competed against Pullinger were scrubbed by the Q.A.S.A. but later reinstated.

Kenny, rather than risk his amateur status, chose not to defend his State surf title that year.

Pullinger was later recognised by the Q.A.S.A. and at Bundaberg last year, Kenny won the State surf and belt titles. Last season, with Kirra's Ken Wiles, he toured New Zealand with an Australian team and last February retained his State surf title.

CENTRE'S VIEW

State Surf Centre President (Mr Jack Winders), while not making a ruling on Kenny, said last night that professional swimming coaches should be debarred from competing in surf carnivals. He said that National Council Executive took a similar view.

(Picture of Hayden Kenny)

C.M. Saturday 4 November 1961

KENNY RULED NOT AMATEUR

By Frank O'Callaghan

International surfer and former State pool champion, Hayden Kenny, has been declared ineligible to compete as an amateur. This means that swimmers affiliated with the Queensland Amateur Swimming Association who swim against him in the surf will be similarly branded.

Q.A.S.A. Secretary (Bill Holland) announced the ruling on Kenny last night after reference to the Australian Swimming Union.

Kenny, State belt champion, is one of the great names in Queensland surfing. His status became suspect when he acquired the lease of the Maryborough swimming Pool.

Kenny (Alexandra Headland), who voluntarily withdrew from the swimming events at Mooloolaba two weeks ago, has appealed to the State Centre of the Surf Association for their definition of his status. He said last night that he would contest the ockanut and long board evens at the Noosa carnival tomorrow.

C.M. Friday 10 November 1961

TIME TRIALS FOR 4 TO MEET JAPAN

By Frank O'Callaghan

Four Queenslanders are strong contenders for selection in the Australian 10 man swim team to meet Japan in a four-meet series in Australia next January.

They are breaststrokes Bill Burton and Alan Humphreys, and the backstroking Fingleton brothers Tony and John. They will make their bid at the selection trials at the Valley pool on December 11.

Olympian Burton is the only international in the quartet and seems certain of selection.

STATE TRIALS

Humphreys has shadowed him for the last two seasons and is already well advanced in his preparation.

Tony Fingleton holds the national 100 metres backstroke title, and John was his runner-up.

Each State will hold separate trials in December. The team will then be chosen to meet Japan in Sydney on January 4, Brisbane January 6, Hobart January 8, and Melbourne January 10.

LOCALS TOO

Japan and Australia will enter two competitors in each event, the remaining lanes to be filled by local swimmers of worthy standard.

Profits from the Queensland trials will be donated to the Red Cross Blood Bank Appeal Fund.

The trials programme is - 200 metres freestyle, 800 metres freestyle, 200 metres breaststroke, 100 metres butterfly, 100 metres backstroke.

A 1500 metres freestyle trial will be held on a date between December 11 and 16.

C.M. Tuesday 14 November 1961

KENNY ISSUE REFERRED TO SWIM UNION

By Frank O'Callaghan

The Queensland Amateur Swimming Association has now referred the Hayden Kenny controversy to the Australian Swimming Union. Kenny, because of his pool commitments has been declared by the Q.A.S.A. as ineligible to compete as an amateur.

Q.A.S.A. has warned its swimmers to swim against Kenny, the Maryborough swim pool leasee, is to incur virtual banishment from the Association.

OLD AGREEMENT

Kenny, State surf belt champion, appealed to the National Surf Council which dropped a bombshell in Brisbane at the weekend by declaring him eligible to contest events in which surf equipment is used. This means he will be able to compete in belt and R & R events.

National Council officials quote a gentlemen's agreement dating years back between Council and the A.R.U. which permits professionals to swim against amateurs in surf lifesaving gear.

Q.A.S.A. Secretary (Bill Holland) who claimed no knowledge of this, and last night said, "The matter is out of my hands. It has now been referred to the Australian Swimming Union. If there is an agreement, it should be in black and white." Holland promised clarification of the issue before Kenny swims in his first carnival of the season at his home beach, Alexandra Headland, on December 3.

C.M. Wednesday 15 November 1961

WOMEN'S SPORT
CHERYL, 14, IS BIG SWIM HOPE

Most interest in the Queensland Ladies Amateur Swimming Association carnival on December 1, will centre on State 100 metres freestyle champion, Cheryl Kensett. Cheryl, tall and 14, has the potential for taking out an Australian title.

She will be one of three State champions to clash in the 100 metres freestyle event at the carnival at the Valley pool. Cheryl, from Valley's Club, will be opposed by Jan Pain from Townsville, and Jennifer Corish (Valley). Her time for the 100 metres is only 0.5sec outside Helen Agnew's resident open record.

Jan, Australian 880 open, Queensland 200, 400, and 800 metres open freestyle title-holder was defeated for the 100 metres title last season by a touch. She is at present in Brisbane training under Arthur Cusack.

Jennifer, 17, is Queensland 50 metres open freestyle champion, and was placed third in the Australian 100 metres butterfly.

C.M.. Friday 17 November 1961

THREE IN "SWIM"

Leases for the next three and a half years for the City Council's three main swimming pools were let yesterday. Council Establishment and Co-ordination Committee agreed to leases until June 30 1965 of - Centenary Pool to coach Mr A.Cusack for £4,000 a year; Valley Pool to present manager Mr L.G.Petersen for £1,750 a year; Langlands Park Pool to coach Mr J.A.Carew for £3,500 a year.

Twenty one tenders were received for the leases.

C.M. Saturday 2 December 1961

14-YEAR-OLD IN SWIM UPSET

Fourteen-year-old Valley swimmer Penny March convincingly outstroked Australian junior back-stroke champion Pam Sergeant to win the open 100 metres backstroke title at the Q.L.A.S.A. carnival at the Valley Pool last night. Penny touched a good three strokes ahead of the champion to clock 1m 16.4s, 1.1sec better than Pam. Penny started strongly, touched first at 50 metres, and was never headed.

In another upset, promising freestyler Cheryl Kensett, 14, was edged out of the 100 metres open title in a tight finish. Leander swimmer, Lynn West, maintained a terrific last lap finishing burst to hold off Cheryl, and touched a fraction ahead. Both swimmers were credited with 1m 7.9s.

One of the best efforts came from Bundaberg under 12 competitor, Denise Edmonds. Denise clocked 32.3sec for the 50 metres freestyle, 1.4sec better than the national time recorded last year by J.Simmonds of Fairymead (Bundaberg).

(Full results given - picture of Penny March)

C.M. Friday 8 December 1961

HE'S FLAT OUT TO MAKE SWIM TEAM AGAINST JAPAN

Red-haired University freestyler Ken Fredericks is splashing daily through a rigorous training schedule at the Centenary pool. He plans to make his biggest splash at the Valley pool on Monday night when he bids for a place in the Australian team.

He will contests the 200 metres freestyle event at the trials carnival designed to give Queenslanders a chance for the international meet at the Valley pool on January 6.

Profits from Monday night's carnival will go to the Red Cross Blood Bank building appeal fund.

Each State will hold independent trials. Other meets with Japan will be held in Sydney on January 4, Hobart Jan 8, and Melbourne Jan 10.

Fredericks, 20, finished third to John Rigby and David McMonagle in the State 200 metres title last season.

Queensland Olympic breaststroker, Billy Burton, is almost certain to miss a place in the Australian team. Burton's work as a motor mechanic has taken him to Cloncurry and seriously interrupted his training schedule. He is expected back in Brisbane at the week-end.

Valley Club member Alan Humphreys could well displace him. Humphreys has posted 2m 46s for 200 metres, the fastest in Australian this season.

C.M. Thursday 14 December 1961

PERTH IS JAN'S TARGET FOR '62
BIG PLUNGE FOR SWIMMING GOAL

Every day a pretty sun-tanned Queensland girl plunges into the Centenary and swims towards her goal - to win a medal at the Empire Games in Perth next year. She is Jan Paine, 18, of Ayr, Queensland, big hope for women's swimming honours at the 1962 Empire Games.

Jan, Queensland 200 metres, 400 metres, and 800 metres freestyle champion, and Australian 880 yards champion, could put Queensland on the world freestyle swimming map along with names like Fraser and Konrads. She will concentrate on the 400 metres for the Empire Games, and she also hopes to gain a place in the 4 x 100 metres relay team.

Last February at the Australian championships at the Valley Baths Jan swam within 0.9sec of breaking the magic five minute barrier for 400 metres, and with seven months of intensive training for the Australian championships and the Empire Games trials in Melbourne in February next year, she hopes to be down to 4m 50s.

Dawn Fraser beat Jan in the Australian championships in Brisbane last February when Dawn swam the 400 in 4m 49.7s.

IN TRAINING

To gain a place in the Australian relay team, Jan will have to improve by at least three seconds for the 100 metres.

Jan has spent the last six weeks in Brisbane training with her coach, Arthur Cusack, and will stay in training her until the trials next February.

(Good picture of Jan beside the pool)

C.M. Friday 22 December 1961

JAPANESE SWIM STAR FOR VALLEY

Japan's world freestyle swim record holder, Tsuyoshi Yamanaka, will race over his world record distance at the Valley pool on January 6. As world 200 metres record holder (2m 0.4s) he will clash with Australian pair David Dickson and Peter Phelps.

Yamanaka is the star of the Japanese touring team which will contest four international meets against Australia.

Dickson finished second to John Konrads in the national 200 metres title at the Valley pool last March in 2m 4.7s.

STATE TRIO

Queensland swimmers competing against Yamanaka are Ray Bonke, Noel Reynolds, and Ken Fredericks.

Olympian Bill Burton who was not chosen in the national team will contest the 200 metres breaststroke event as a fill-in swimmer. His chances of making the Australian team for the remaining two meets against Japan at Hobart and Melbourne, will depend on his showing that night/

(Pictures of divers Charlie Bradford and John Everding in flight. They are leading contenders for berths in the Australian team for the Empire Games)

C.M. Monday 1 January 1962

FINGLETON BIG THREAT IN JAPAN "TESTS"

Queensland's star backstroker, Tony Fingleton, looms as a bigger threat to the visiting Japanese, and team mate Julian Carroll, following a brilliant 220 yards trial at Davies Park yesterday.

Fingleton churned out his best time yet in a splendid 2m 28s, three seconds faster than Julian Carroll's best known time this year.

Carroll was a member of the 1960 Australian swimming team for the Rome Olympics in the 4 x 100 metres medley relay. The team came second to the world record-breaking team from the United States. Carroll (NSW) and Fingleton will clash with Shigbo Fukushima and Kazao Tomita in the first "Test" in Sydney on Thursday night.

SYDNEY "200"

Sydney backstroke event will be over 200 metres, while competitors will swim over 100 metres in Brisbane on Saturday night. Coach Bill Fleming said after the trial yesterday that it was Fingleton's first 220 swim of the year. "And it was a beauty," he added.

Freestyler John Potts, another Fleming's protégé, joins the Australian team for the second "Test" in Brisbane. Fleming has had both Potts and Fingleton swimming five miles a day in preparation for the international meets. Fingleton and other Queensland swimmer, breaststroker Alan Humphreys, leave for Sydney on Thursday morning.

WELL TIMED

Co-trainer of breaststroke swimmer Alan Humphreys, Earl Smith, forecasts an Australian record for Humphreys this season. Humphreys clashes with Hiroshi Nakagawi and Morito Shigematsu in the 200 metres breaststroke in what could be one of the closest finishes. He clocked 2m 40.5s for the 200 metres before Christmas and is capable of an "under 40".

Smith said yesterday Humphreys had swum three 200 metre sprints with times of 2m 45s, 2m 48s, and 2m 50s, with only a three minute break between each. "He swims up to six 20's in a session and anything up to twenty 100's," said Smith. "He will be as fit as anyone swimming on Thursday night."

Humphreys team mate, Ian O'Brien (NSW), has a 2m 44s to his credit and top company could lop seconds off this.

TO HOBART

The final two "Tests" will be held in Hobart on January 6, and in Melbourne on January 8.

Selection of the Australian squad will be announced after the Queensland carnival.

This early competition for Australian swimmers is vital if the Australian selectors are to have an insight into early season form for the Empire Games in Perth in November.

C.M. Friday 5 January 1962

This edition records that Japan won the opening "Test" in Sydney 33 to 23. Full results were given - A.Fingleton, 110 metres backstroke, third, was the only Queenslander credited with a place.

C.M. Friday 12 January 1962

BURTON SMART IN EASY SWIM

Olympic breaststroker Bill Burton displayed a well-advance training programme for the Commonwealth Games in November with an effortless win in the 100 metres in the State titles at the Valley pool last night. Burton coasted in clocking the splendid time of 1m 15.8s, six yards ahead of his nearest rival. Burton was never in danger throughout the two laps. He turned first and drew away from the field over the last 50 metres.

In the preceding heat, "Test" swimmer, Alan Humphreys finished easily in 1m 16.9s, four seconds ahead of the second place-getter.

The stage is now set for a close tussle in the final tonight. Burton is the title holder and has the best by a Queenslander time of 1m 12.8s. Humphreys, an acknowledged 200 metres swimmer, is capable of a final burst which he might need to hold the fast-finishing Burton.

IN COMEBACK

Former schoolboy champion Noel Reynolds, another on the "comeback trail" notched the fastest 100 metres freestyle time with a challenging 59.4sec. He had little competition in his heat, but was content to maintain his hot pace for threequarters of the distance.

"Test" relay swimmer, John Potts, churned out the most impressive heat in 58.5sec, and looked to have plenty in reserve at the finish. Potts, in only his second year of competition, looks to have the State 100metres final tonight at his mercy.

Ken Fredericks and Ron Fingleton turned in the only other comparable times with 58.6sec and 60sec respectively.

Two 11-year-olds slashed the under 12 women's 50 metres freestyle twice within 10 minutes. Valley's Jan Steinbeck touched in 32.9sec, clipping 0.1 sec off the original time, and Denise Edmunds (Bundaberg) then clocked 32.7sec to rob Jan of her new time.

Toowoomba's Chris Shapland posted 60.9sec for his 14 and 15 years 100 metres men's freestyle heat, lopping 0.9 sc of Danny Mahoney's (Bundaberg) old time.

Kingaroy's Robyn Thorn also swam a race record with a 29.8sec effort for the 50 metres junior women's freestyle. This is 0.sec better than the existing time.

(Full results of qualifiers given)

C.M. Saturday 13 January 1962

SWIM UPSET; HUMPHREYS BEATS BURTON

Swim Test breaststroker, Alan Humphreys, lifted Olympian Bill Burton's breaststroke crown with a brilliantly sustained last half lap finishing burst at the Valley pool last night.

Burton set up a handy first lap lead. He turned two strokes ahead of Humphreys who had stepped up his stroking just before the 50 metre mark. But he could not contain the sprinting Humphreys, who finished first by a good stroke and created a new race record of 1m 13.8s.

Burton, who had his first serious swim last Saturday against the Japanese, now looks certain to be at his peak in time for the nationals next month. His time of 1:14.3 last night was 2 sec outside his best.

Humphreys said later that the Japanese had advised him to quicken his rating. "I did, and it certainly paid off," said Humphreys. Valley's Allan Neill touched 3.3sec behind Humphreys

EASY FOR KEN

Former Nudgee G.P.S. champion, Ken Fredericks, had a surprisingly easy win in the open 100 metres freestyle. He conceded three yards to his youthful opponents, John Potts (16) and Noel Reynolds (17) at the turn, then flashed past them to touch comfortably in 57.9sec.

Potts and Reynolds waged an exciting battle for second, Reynolds gaining the decision by a stroke. Potts clocked 59sc, half a second slower than his heat time on Thursday night.

Valley's Claire Cooke set a Queensland junior resident record in the 100 metres women's breast-stroke. Miss Coke had to withstand a determined finishing lap by Leander's Pat Stanton before she touched in 1:25.5.

Kingaroy's Robyn Thorn won two titles in superb style. She posted a new race record for the junior women's 50 metres freestyle with 29.3sec, slashing 1.6sec off the existing time, and then stepped into open class to win in the 100 metres event. Her 65.1sec last night was 0.5sec outside her time last Saturday night in the international carnival, which placed her in national class.

Pam Sergeant (Townsville) won the open women's 100 metres backstroke from P.Marsh and J.Corish in 1:14.9.
(Results given)

C.M. Tuesday 16 January 1962

CHERYL, 14, BEST SWIM PROSPECT

Valley's Cheryl Kensett emerged as the State's middle-distance prospect following a great second to Jan Paine (Townsville) in the 400 metres final at the Valley pool last night. Cheryl led to field to the 200 metre mark before she gave way to Miss Paine. She then dogged the champion's heels till the final stages of the event when she pulled up to within two strokes.

Cheryl clipped five and a half seconds off her Queensland junior resident record with her 5m 4.6s, 1.4sec behind Miss Paine's winning time, which created a race record. Jan's coach, Arthur Cusack, said Cheryl could mature into a top middle-distance swimmer. Jan is four years her senior.

'FLU VICTIM

Withdrawal of the 100 metres titleholder, Ken Fredericks (University), with influenza, allowed Noel Reynolds a runaway win in the 200 metres. He flashed over the first two laps in 62.7sec, and romped in by six strokes from Valley's Laurie Higson to clock 2m 8.5s. Surf specialist Cam Leagh-Murray, nosed into third, 8.2sec behind Reynolds.

Test backstroker, Tony Fingleton, dethroned brother John for the 200 metres crown. He notched a comfortable 2:22.7, to lop 1.8sec off Olympian David Theile's old time set in 1960. Kingaroy's David Knight was a distant third in 2:30.2.

The 100 metres junior men's freestyle provided the closest finish of the night. The Valley duo, Grant Rayner and David Milburn, both posted 60.3sec, with Rayner being awarded the decision. Leander's Ray Bonke came home 1.2sec behind for third.

State butterfly champion, John Bennett, after a promising two laps in the 200 metres, faded to an ordinary 2:29.4, 0.1sec outside last year's effort.

(Results given)

C.M. Wednesday 17 January 1962

BARRIER CAN GO IN SWIM

Toowoomba's crack freestyler, Chris Shapland, 14, has a chance of shattering the "John Konrads Barrier" for 400 metres at the Valley pool tonight. At 14, Olympian John Konrads swam the distance in 4m 43.4s which has become a standard for middle-distance swimmers

Shapland clocked 4m 44.2s to defeat Ron Dunne (Leander) in a heat of the junior "400" last night.

After the race Queensland Amateur Swimming Association Secretary (Bill Holland) said, "Shapland will break 4m 40s in the final tomorrow night, and he could swim 4m 38s. He is better than Konrads at that age."

Petite Claire Cooke, 15, should beat Rosemary Lassig's 100 metres junior breaststroke race record of 1m 26.8s in tonight's final. Claire defeated her All Hallows schoolmate Frances Bliss in 1m 27.8s

(List of qualifiers given)

C.M. Thursday 18 January 1962

SHAPLAND LOOMS UP AS COMING CHAMP.

Toowoomba's 14-year-old freestyler, Chris Shapland, entered into future champion calculations with his magnificent junior 400 metres freestyle win at the Valley pool last night. Shapland crashed through Konrads barrier of 4m 43.4s as a junior with a splendid 4:40.4. Konrads set the standard when he was fourteen.

Second place-getter, Leander's Ray Bonke, led Shapland till the last lap when the champion clapped on a blistering finish worthy of a world champion. Bonke's teammate, Ron Dunne (14) failed by 2.3sec to swim inside Konrads' standard.

BEAT RECORD

Kingaroy's "gun" freestyler, Robyn Thorn, swam into national class for the second time in three weeks with a record-shattering effort in the junior women's 100 metres. Robyn drew away from the rest of the field at the 50 metre mark, turned a full length ahead of Valley's Cheryl Kensett, and rocketed home to clock 64.1sec, cutting 0.7sec off the State resident record time she posted in Brisbane's international carnival on January 8.

Surprise of the race was the shock defeat of Cheryl Kensett into third place. West's Kayleen Cullen nosed into second with 65.7sec, 3sec ahead of Miss Kensett.

Townsville's Commonwealth Games prospect, Jan Paine, claimed her third State scalp for the carnival with a State resident record in the women's 200 metres. She had previously won the 800 and 400 metres. Miss Paine last night posted 2:23.4 to clip 1.6sec off her old time.

Cheryl Kensett again pressed claims as a middle-distance prospect with a creditable second in 2:25.6

CHAMPION DOWN

Noel Reynolds defeated State butterfly champion John Bennett in the 100 metres. He overtook Bennett over the closing stages and clipped 0.7sec off Bennett's State resident record.

University's Ken Fredericks overcame a bout of influenza to touch first in the men's 50 metres championship.

(Results given)

C.M. Friday 19 January 1962

RECORDS TUMBLE AS ROBYN SWIMS

Robyn Thorn, Kingaroy's wonder girl swimmer, could add three more titles to her already imposing list at the Valley pool tonight. Queensland swimming officials already rate Robyn as one of the best swimmers Queensland has produced for many years.

Last night she scored heat wins in 50 metres women's freestyle (29.7sec - a race record), 200 metres women's freestyle (2:26.4 - a race record), and 100 metres women's backstroke (1:15.0)

She had already taken the junior 50 metres freestyle, the 100 metres freestyle, and the junior 100 metres freestyle, all race records

BEAT JAN

Her effortless win in the 200 metres freestyle indicates another new time tonight. Robyn and second place-getter, Cheryl Kensett, 14, both touched inside the old time 2:27.2, clipping .8sec and 0.3sec off respectively.

Her surprise effort was the 100 metres junior backstroke win in which she edged out Australian junior champion, Jan Paine. She led from the start, turned a stroke ahead of the champion at 50 metres, and surged home in the splendid time of 1:15.4, 0.4sec outside of Jan's record.

Test breaststroker, Alan Humphreys, looks set for his first 200 metres under 2m 40s tonight. His heat win sliced 3.9sec off Olympian Bill Burton's race record, to give him 2:40.7. He finished two yards ahead of Burton, who was finishing well in 2:45.8. The Olympian is still not in form because of a late start in his preparation.

Valley's Alan Neill posted the only other creditable time with 2:47.4.

(Qualifiers given)

C.M. Saturday 20 January 1962

MORE RECORDS SET BY GIRL SWIMMER

Sixteen-year-old Kingaroy girl, Robyn Thorn, set a new State open record for the 50 metres freestyle at the Valley pool last night. Her time of 29.2sec cut 1sec off Dutch girl, Irma Schumcher's record made 11 years ago.

Five events later, Robyn set more records in the junior women's 200 metres freestyle. Her time of 2m 23s which lopped 3.4sec off that swim by her in Thursday night's race, set a new Queensland resident senior and junior record.

The 200 metres medal gave the Kingaroy girl her fifth individual title. She had already won the junior 50 metres freestyle, the 100 metres freestyle, and the junior 100 metres freestyle. Robyn also competed in the junior 100 metres backstroke last night. In this she finished a stroke behind Australian junior backstroke champion, Pam Sergeant (Townsville).

PERFECT START

Robyn's superb 50 metres win followed her usual pattern. She left the blocks to a perfect start, had a one stroke advantage at the half-way mark, and skimmed away from the field to win by a touch.

Her 200 metres win indicates the tremendous potential she has over the "middle" sprints. At the 100 metres she led by two strokes from Cheryl Kensett, but a lap later she had drawn away to a five stroke advantage. He finished seen strokes ahead of Cheryl, with Wests' Gay Cullen, third.

Absence of a tumble turn cost her valuable strokes in the 100 metres backstroke. A perfect turn gave Pam Sergeant the race in record time of 1:14.1 - 0.9sec ahead of Robyn, who lost a good two strokes at the half-way mark.

Olympic breaststroker, Bill Burton (Leander), swam his best ever time of 2:40.6 in the 200 metres final. This set a race record. Burton clapped on a hot early pace with his short swift strokes, and led the longer-swimming test representative, Alan Humphreys, at the 100 metres. Humphreys quickened his

rating at the 150 metres, but Burton hung on tenaciously to lunge home by a touch. Humphreys time was 2:41.1.

Diminutive Claire Cooke set a new State junior resident record with a comfortable win in the women's 200 metres breaststroke. She touched in 3:2.3 - 4.1sec ahead of Frances Bliss (second), with Stella McCallum third in 3:7.3

Promising Noel Reynolds, 16, took the men's 400 metres freestyle.

(Results given)

C.M. Wednesday 24 January 1962

38 FOR SWIM BIGGEST YET FOR QLD.

Queensland swimming selectors last night announced the biggest team yet to compete in the National swimming titles from February 16 to 24. The selectors chose 38, six of whom will have all expenses paid. Six will be subsidised at £35 each, and 26 will have to compete at their own expense.

THOSE NAMED

The selected are -

FULLY PAID

Men - A.Fingleton (Valley), A.Humphreys (Valley), W.Burton (Leander).

Women - J.Paine (T'ville), R.Thorne (K'roy), and C.Cooke (Valley)

SUBSIDISED

Men - C.Shapland (T'mba), K.Fredericks (Uni), .Reynolds (City Past.)

Women - P.Sergeant (T'ville), J.Corish (Valley), C.Kensett (Valley).

NON-SUBSIDISED

Men - G.Rayner (Valley), L.Higson (Valley), A.Neill (Valley), J.Etchells (Valley), D.Milburn (Valley), R.Bonke (Leander), R.Dunne (Leander), R.Wall (West), P.Vidler (T'ville), D.Knight (K'roy), L.Draper (Warwick), B.Taylor (Nambour), J.Fingleton (Valley), J.Potts (City Past), J.Bennett (Uni), J.Oravainen (Mt Isa).

Women - K.Cullen (G'stone), J.Girle (Warwick), D.Cawte (B'berg), L.West (Leander), F.Bliss (Leander), S.McCallum (Valley), P.March (Valley), P.Stanton (Leander), J.Groeger (City Past), and L.Abbott (Leander).

COST £700

The team is six more than that named for the Nationals in Sydney in 1960, an Olympic year.

Last year the titles were held in Brisbane and no travelling expenses were involved.

Q.A.S.A. secretary and national selector (Bill Holland) said last night that profit from the nine-day Queensland titles was £400. He said it would cost £700 to send the fully paid and subsidised members, but that the cost would be defrayed from the profit made from the Nationals here last year.

For those members of the team who are students able to obtain travelling concessions, the cost will be £45. Working members would have to pay about £65.

C.M. Friday 26 January 1962

GIRL FROM KINGAROY ROBYN LOOKS OUR NEW SWIM "HOPE"

Who is Robyn Thorn, the young girl from Kingaroy who sprang from nowhere for last week's State swimming championships to win titles in amazing times?

Robyn, 16, won five events, all in record time (details repeated). She was beaten by a stroke in the 100 metres junior backstroke by Australian junior champion, Pam Sergeant.

A BACKSTROKER

But Robyn didn't just "spring from nowhere" - she trained for nine years in the Kingaroy Olympic pool as a BACKSTROKER.

In the 1959-60 season, Robyn was training to swim backstroke in the State championships. But because of the limited time to eliminate faults in her turn and take-off, Brisbane coach Arthur Cusack advised her to concentrate on freestyle events. Cusack said last night that Robyn should be a backstroke swimmer because she is built for it, and strokes like a backstroker. Cusack said that he and other critics believe Robyn to be the best female swimmer they have seen - including Dawn Fraser.

"She has one of the best chances in Australia of competing at the Empire Games," he said

Manager of the Olympic pool in Kingaroy (Mr C.French) has trained Robyn there since she started swimming.

Robyn said last night that she did not like backstroke as much as freestyle.

Robyn is the daughter of Mr and Mrs R.W.Thorn, who have lived in Kingaroy for 15 years.

She did Junior at Kingaroy High School last year.

C.M. Monday 5 February 1962

DEUBLE SET DIVE POINTS

Olympian Graham Deuble, 18, returned the highest men's highboard points total in Australia this season in retaining his crown at the State titles at the Centenary pool yesterday. Deuble carded 157.33 points, 12 more than his winning effort last year, to take first place from Ipswich' John Everding and Noel McDougall.

Everding, a slipped disc, and McDougall, infected ear and broken toe, were handicapped but carded creditable scores of 142.38 and 124.38 respectively.

LED FROM START

The former Warwick diver eclipsed his opponents from the first dive. The highlight was the third dive in his voluntary set - a one and a half with a double twist which earned him 20.28 points. This was the best individual score for a single dive.

Everding, although handicapped by his back, still lacked the finesse of the Olympian. His 142.38 was his personal best ever.

Deuble is now a virtual certainty for competition in the Commonwealth Games in Perth from November 22 to December 1. His coach, Steve Waring, said after the event yesterday that he would probably not be at his top until the Nationals in mid March.

GIRL'S SURPRISE

Jennifer Crisp surprisingly defeated promising junior diver, Lorraine McArthur, in the women's highboard. This cost Lorraine the possible four wins in four titles. She took the junior and senior three-metre titles yesterday afternoon and the one-metre crown in the morning.

Miss Crisp posted 60.48 points to take out Lorraine by only 1.1 points.

Earlier in the one-metre event, Raylee Carlin was forced into third place because of a mistake in the dive listing. The entry read - a back dive with a half twist, a movement which Raylee has not yet mastered. She had previously included the back somersault with half twist.

Kathleen Wilson moved into second with 86.64 points, 0.8 points ahead of Miss Carlin.

TEAM FOR SOUTH

The Queensland diving team for the Australian titles in Melbourne on March 22 and 23 was selected yesterday.

The team is - Fully paid: G.Deuble. Subsidised: J.Everding, N.McDougall, C.Bradford, D.Cusack and Lorraine McArthur.

It is expected the Ipswich Association will assist in sending Everding to Melbourne.

(Picture of Deuble in mid dive)

C.M. Saturday 10 February 1962

REYNOLDS' WITHERING FINISHES AT SWIM

State 200 metres champion, Noel Reynolds, ended the see-saw decisions he has shared with Test sprinter, John Potts, with a decisive 100 metres freestyle win in the metropolitan titles at the Valley pool last night. Reynolds comfortably touched off Potts in 57.9sec, the same time in which University's Ken Fredericks won the State title last month.

Potts seemed to flag over the last lap as the sprinting Reynolds burnt him off in a withering finish.

Reynolds trailed by a good stroke at the turn, but had an easy three stroke margin at the finish. Potts touched in 59sec, a second outside his best effort.

Fredericks and Reynolds now seem Queensland's best hopes for the Australian sprints next month.

Reynolds later staged a "blinding" finish with Leander's Barry Munro in the 50 metres butterfly final. The two thrashed the lap stroke for stroke, lunged together at the finish, and were credited with the same time - 30.7sec. Reynolds however gained the judges decision.

(Results given)

C.M. Tuesday 20 February 1962

16 QUEENSLANDERS QUALIFY FOR SWIM FINALS

Melbourne - Sixteen Queenslanders qualified for finals in eight of the eleven events at the individual National Swimming Championships in the Melbourne Olympic pool last night.

Events in which Queenslanders failed to qualify were the men's 220 yards butterfly, the women's 110 yards breaststroke, and the junior men's 110 yards freestyle.

Queensland women's sprint champion, Robyn Thorn, swam the fastest time to Dawn Fraser in the women's 110 yards freestyle with a 66.5sec. Cheryl Kensett and Kay Cullen were the other qualifiers in this event.

Other Queensland qualifiers were - John Fingleton, Tony Fingleton, and David Knight (220 backstroke), Noel Reynolds and Laurie Higson (440 yards freestyle), Pam Sergeant and Penny March (women's 110 backstroke), Jennifer Corish (110 butterfly), Bill Burton, John Oravainen, and Chris Shapland (440 yards medley), and Les Draper and Peter Vidler (junior men's 110 breaststroke).

C.M. Wednesday 21 February 1962

Highlight of finals was Kevin Berry's world records in breaststroke for 220 yards and 200 metres.

Queenslanders who were placed were- A.Fingleton second 110 yards backstroke, L.Draper second junior 110 yards breaststroke, J.Oravainen third 440 yards individual medley, R.Thorn second women's 110 yards freestyle, and ex-Queenslander Anne Nelson who won the women's 110 yards backstroke for NSW.

C.M. Friday 23 February 1962

DEUBLE'S DIVE "HAT TRICK"

Melbourne - Queensland's Graham Deuble yesterday won the men's springboard title at the Australian swimming championships for the third successive year. Graham is also favoured to win the tower title this afternoon.

Lorraine McArthur was third in the junior springboard title.

QUEENSLAND 12 FOR SWIM

Qualifying time of the 12 Queenslanders in the 16 individual finals of the Australian swim titles tomorrow night, included a Victorian open record last night. Alan Humphreys clocked 2:42.9 for his best in the men's 220 yards breaststroke to return the best time.

Other qualifiers are - Lyn Abbott (110 junior butterfly), Brian Taylor, Bob Wall (junior 110 backstroke), Kay Cullen, Robyn Thorn, and Cheryl Kensett (junior 110 freestyle), Claire Cooke (220 breaststroke), Pam Sergeant, Robyn Thorn, and Penny March (junior 110 backstroke), Dawn Cawte, Cheryl Kensett, and Jan Paine (220 freestyle), Laurie Higson (1650 freestyle).

C.M. Saturday 24 February 1962

JAN, GRAHAM WIN FOR QLD.

Melbourne - Two Queenslanders won in Australian swimming and diving championships yesterday

They are Jan Paine (880 freestyle) and Graham Deuble (men's tower dive).

Jan retained her 880 title in 10m 37s, but this time would not have gained her a place in last year's final. Olympian Allan Wood (NSW) won the men's 880 freestyle.

Deuble, 18, Olympic representative, won the men's tower diving title from 18-year-old Victorian Gordon Creed.

Noel McDougall, 18, competed in the tower title with a broken toe. On his last dive, a difficult inward two and a half somersault, he hit his feet on the top platform as he completed his first somersault, and completely out of control, plunged 30 feet to the water and disappeared. Divers Frank Murphy (NSW) and John Everding jumped into the pool from the middle tower platform and helped McDougall to the surface.

N.Reynolds came third in the men's 880 freestyle, and D.Cawte gained a third in the women's event.

C.M. Monday 26 February 1962

Q'LAND HAS 11 IN SWIM SQUAD TO TRAIN

Melbourne - Eleven Queenslanders have been included in the squad of 50 to train for selection in Australia's swim team to the Commonwealth Games in Perth. Six youths and five girls make up the eleven.

It is the biggest training squad ever named for Olympic or British Empire Games by Amateur Swimming Union of Australia by the selectors. The squad of 50 includes 28 boys and 22 girls.

COME TO QUEENSLAND

Members of the squad will start weight-lifting and calisthenics in June and will train at Queensland pools for almost two months, starting in September.

Three final selection carnivals will be held in Melbourne on October 23, 25, and 27. Swimmers and divers who are not named in this training squad, but who, in the eyes of the Australian selectors are up to national standard, can enter for these final trials.

Queenslanders named are -

Men - N.Reynolds, A.Fingleton, W.Burton, A.Humphreys, G.Deuble, and J.Everding.

Women - C.Kensett, R.Thorn, C.Cooke, P.Sergeant and L.McArthur..

C.M. Thursday 1 March 1962

SWIM STARS COMING HERE

Warwick - A team comprising most of Australia's champion swimmers and divers will make a tour of Warwick, Toowoomba, and Brisbane next month. The tour was arranged by Warwick Swimming Club President (Mr John McNamara) during his recent visit to Melbourne for the Australian championships.

Members of the team, who are mostly from NSW and Vic, will fly to Brisbane on March 23, travel to Warwick by cars the same evening and swim there on Saturday night. On Sunday afternoon the team will go on to Toowoomba and compete there that night, and the following day they will swim in a carnival at the Valley pool.

Male members of the team will include world butterfly record holder, Kevin Berry, and Neville Hayes, Julian Carroll (backstroke), Robert Windle and Allan Wood (freestyle), and Ian O'Brien (breaststroke).

Outstanding among the female swimmers will be freestyler Dawn Fraser.

Other members of the team will include - Anne Nelson, Sue Costin, and Jill Bolton (backstroke), Ilsa Konrads and Ruth Everuss (freestyle), Jan Hogan (breaststroke), and Linda McGill (butterfly).

Among the divers who will compete at the carnivals will be Graham Deuble, Charles Bradford, and Lorraine McArthur.

C.M. Tuesday 27 March 1962

ELEVEN Q'LAND GAMES OFFICIALS

Queensland will have 11 officials in the swimming and diving competitions at the Commonwealth Games in Perth from November 2 to December 1. Advice to this effect was received from the Australian Swimming Union at the Q.A.S.A. meeting last night.

The officials are - A.Kerlin, G.Bennett, L.Gray, G.Johnston, Lea Krigston, A.Barnacle, J.Taylor, W.Morrall, J.McNamara, and A.Burgess.

THOSE CHOSEN

These were the only swimming and diving officials nominated by Queensland. The balance of the 103 diving and swimming officials will come mainly from N.S.W., Victoria, and Western Australia.

Nominations for the positions of manager and manageress for the two Games training squads will close on April 15.

Decision on the two training venues in Queensland will be made probably at the July Conference.

DAWN WAS WITHIN A STROKE OF NEW WORLD RECORD

World women's sprint champion, Dawn Fraser, failed by less than a stroke - 0.7sec - to crack her own world 100 metres freestyle time of 60.2sec at the interstate carnival at the Valley pool last night. A fatigued Dawn surged over the two laps in 60.9sec to keep herself in the No 1 lane as the world's fastest swimmer.

Latest find in the men's sprint field, Charlie Staples, 21, of Sydney, swamped his competitors in the 100 metres freestyle to bolt home in 55.7sec, two seconds ahead of team mate Bob Windle. State champion, Ken Fredericks, touched third in 59.9sec.

Staples crashed through the first lap in 25sec dead to establish a winning margin with 50 metres to go. His time was 1.1sec outside John Devitt's Queensland and Australian time of 54.6sec.

SCHOOLBOY IN BY 15 SECONDS

Earlier, schoolboy Windle made his own pace for a comfortable win by 15sec in the 400 metres freestyle. He took charge of the field from the first lap and held his rating to coast home in 4m 27.6s. Promising New South Wales junior, Dick Ling, was second. Langlands Park entrant Robert Brumley swam a good race to touch third in 4m 46.8s.

THREE IN FINISH

The backstroke Fingletons, Tony and John, forced national champion Julian Carroll to the best finish of the programme in the 100 metres backstroke. The three lunged stroke for stroke over the last lap, but 15 metres from the line Carroll leapt into a "win or bust" effort for first honours in 65.8sec.

VALLEY SHOCK

Valley girl, Penny March, gave the southern backstroke tsars an early shock in the 100 metres event. She cut through the first 50 metres to turn a stroke ahead of Sue Costin and Anne Nelson (both NSW) and held the thrashing pair for another 20 metres. However, the southern pair gave an amazing exhibition of sustained ratings to pass the Queenslander. Miss Costin led her team mate home in 1m 14.1s, with Penny a further second back.

GAMES LIFT

Junior Claire Cooke lifted her Commonwealth games prospects with a stirring finish in the 200 metres breaststroke. Claire bowed to the New South Wales champion, Jan Hogan, in 3m 4s, touching 1.6sec behind for second place. Leander's Frances Bliss edged in third.

Charlie Staples produced the most amazing effort of the night in the last event, the brace relay. Swimming anchor leg, he covered 50 metres freestyle in 24.3sec.

(Results given)

Courier Mail Monday 3 September 1962

ROBYN'S 29.9 IN FIRST SWIM TRIAL

Queensland champion women's freestyler, Robyn Thorn, returned a great 55 yards time of 29.9 seconds in Commonwealth Games swim training at Townsville at the weekend. Thorn has been in the water only for a week this season as her winter training has been confined to weights. In January she shattered an eleven year State 50 metre record when she touched in 29.1 seconds in the State Titles.

The women's squad under coach Arthur Cusack will go to Ayr for the first competition and be "at home" for the second carnival a week later in Townsville at the Tobruk Memorial Baths.

Both carnivals will be open to other swimmers provided they can swim within a certain time for a specified distance and stroke.

Queensland breaststroke champion, Bill Burton, raced through the 200 metres in 2 min 51.7 secs.

(There were regular articles in the paper at this time regarding the squad generally. I have recorded those mainly applying to Queenslanders.)

C.M. Saturday 8 September 1962

OFFER FOR POOL - £30 A WEEK

People are willing to pay up to nearly £30 a week to lease City Council swimming pools. The Council received a total of twenty tenders to lease five pools. They are the Spring Hill, Ithaca, Toowong, Davies Park, and Langlands Park baths.

The highest of the tenders was £1,500 a year from A.Shield for a lease of the Manly pool. The period of the lease of the pools is from 1 October next to 30 June 1965.

C.M. Tuesday 11 September 1962

TWO SWIM OFFICIALS GIVE UP POSTS

The Queensland Amateur Swimming Association Secretary (Mr Bill Holland) will not stand for re-election at the Association's next Council meeting on 24 September.

Holland, who has been Secretary for sixteen years, made the announcement at the QASA Annual Meeting last night.

The Treasurer (Mr Alan Corish) also will not stand for re-election.

Holland said he had declined nomination because of ill-health, pressure of work, and "frustration".

PLAN REJECTED

Holland's aim to streamline swimming administration received a severe setback when the plan to dispense with Birth Certificate method of registration was rejected by the QASA Council. He had blue-printed this plan in conjunction with others in an attempt to bring administration in Queensland into line with other Australian States. Since then he has received his second warning from his Doctor to "take it easy". "Although I do not intend to carry on as Secretary, I intend to remain actively associated with swimming," said Holland.

Holland is a State and Australian selector and Secretary of the Coaching and Education Committee.

Dr Don Dowling said, "Bill Holland is as close to being irreplaceable as any man could be."

Council Chairman, Dr E.Theile, described Holland as a man who lived two days every twenty four hours. "His capacity for work is more than I, as a medical man, could understand" he said.

Nominations for Secretary will now be called from the floor at the September 24 Council meeting.

Mr Corish, who has been Treasurer for three years, said pressure of work had caused him to stand down. The only nomination for Treasurer is Mr Marshall Cooke of the Valley Club.

SWIMMING SQUADS TO "SPEED UP"

Commonwealth Games swimming squads move into "maximum effort" this week in preparation for the first carnival at Ayr on Sunday night.

Queensland backstroke title holder, Tony Fingleton, is on a "kicking programme" until he recovers from an ear infection. Talbot hopes to have him on normal work tomorrow.

C.M. Friday 21 September 1962

DEUBLE PERFECTS THE 3½ A GOLD MEDAL DIVE

Olympic diver, Graham Deuble, will be only the second man in history to attempt a 3½ somersault off a three metre board in international competition at the Commonwealth Games in Perth in November.

Deuble, 18, has almost perfected the dive in training with the Games squad at the Centenary Pool. He is ironing out irregularities in his entry following the tremendous momentum his body attains after 3½ spins.
(Six consecutive photos show Deuble completing the dive)

C.M. Tuesday 25 September 1962

CHERYL'S FOUR SWIMS BEAT OLD TIME

The State's middle distance champion, Cheryl Kensett, posted times within the previous standard of 5min 21.8secs in four quarter mile swims at Townsville yesterday. Her four times were, 5min 17secs, 5min 18secs, 5min 22 secs, and 5min 20secs.

On Saturday night Cheryl slashed the State 440 yards freestyle record by 34 seconds when she was second to Ilsa Konrads at a Commonwealth Games carnival in 5min 7.8secs.

Australia's No 2 sprinter, Robyn Thorn, yesterday swam eight impressive 55 yards sprints at the end of a 3 ½ mile session. Her times varied from 29.5 secs to 30.5 secs.

HOLLAND TO STAY ON JOB

Retiring Queensland Amateur Swimming Association Secretary (Mr Bill Holland) will continue in the position until the end of the year. Mr Holland last night accepted nomination as Secretary by the Valley Club when no nominations were made from the floor at the season's first Council meeting.

He said he would continue on the conditions that efforts were made to employ a part-time clerk at the QASA office to handle correspondence, and that a suitable person be found for the position.

At the Annual Meeting on September 10 Holland refused nomination by the Valley Club on advice from his Doctor.

Mr Marshall Cooke is the new Treasurer, and Dr E.Theile remains as Council Chairman.

Mr Holland announced that the Commonwealth Games women's squad at Townsville would be training in Brisbane from 7 October until the first official trial at the Valley Baths on October 17.

C.M. Friday 28 September 1962

MURRAY ROSE TO SWIM IN GAMES TRIAL

World champion middle distance swimmer, Murray Rose, arrived in Sydney today in a bid for Commonwealth Games team selection in Melbourne on October 23, 25, and 27. Rose has been studying in America since 1957, except for a brief period when he returned to train for the 1960 Rome Olympics.

"FOOT BILL"

Queensland Amateur Swimming Association Secretary (Mr Bill Holland) said last night that his Association would "foot the bill" for Rose's appearance in the October 17 carnival in Brisbane. Rose is virtually unsighted to the Brisbane public who have not seen the champion in action since he rocketed into the spotlight in 1960. Queensland swimming would receive an invaluable "shot in the arm" if Rose were to swim in Brisbane.

C.M. Tuesday 9 October 1962

WOMEN SWIMMERS RETURN

The present water temperatures forced the women's squad team to return to Brisbane from Townsville yesterday. Women's team coach, Arthur Cusack, said last night that the squad had lost three training days because of water temperatures of up to eighty six degrees. He said training conditions in Brisbane would be ideal with the temperature at the Centenary Baths between seventy one and seventy five degrees.

The men's squad will remain in Ayr until October 14, when they also will return to Brisbane.

TRIALS HERE

Both squads will compete in a Commonwealth Games trial at the Valley Baths on Wednesday night October 17. They will then move to Sydney for further trials on October 20.

C.M. Friday 12 October 1962

SUE'S FINE 100 AFTER TRAINING

Sue Costin, Australia's backstroke champion went within half a second of the Australian 100 metres backstroke record at the Valley Baths last night. Costin, who had done 4¾ miles of sprint training at the Centenary Pool during the day, turned out last night to cover 100 metres in 1min 13secs. Coach Arthur Cusack described this as an outstanding swim at the end of a long training day.

Queensland's Robyn Thorn swam one of her best 100 metres at the carnival after completing 5 miles of sprint training during the day. She covered the distance in 65 seconds, within 1.5 seconds of her best ever.

C.M. Friday 26 October 1962

DEUBLE HAD EASY DIVE
Melbourne

Queensland's Graham Deuble, 18 year old national champion, won the men's springboard trial in the easiest fashion at the Commonwealth Games diving trials yesterday. Another Queenslander, Jim Everding, was second.

C.M. Monday 29 October 1962

FINGLETON LEFT OUT OF SWIM

Backstroker, John Fingleton of Queensland was one of the surprise omissions from the Australian swimming and diving team for the Commonwealth Games in Perth.

A team of 48 swimmers and divers was announced yesterday.

Fingleton, who has defeated Wayne Vincent of Victoria in both the 110 yards back-stroke trials, probably has been left out of the team so that Vincent (18) can gain experience.

Mitchell, who gained last minute swims in the 110 and 220 yards breaststroke trials after being told by selectors to try for the medley, gained a second and a third in both swims, yet Claire Cooke of Queensland whom Alwyn defeated both times has been included in the team.

Anne Nelson (18), Australian backstroke champion who was last Friday admitted to the Royal Melbourne Hospital suffering from suspected meningitis, was not included. Official explanation is that she could not recover from the virus infection and regain her form in time for the Games.

] COACH IS CRITICAL

A disappointed Ryan says, "It seems as though some of the team has been picked on past reputations instead of present performances." Harry Gallagher who coaches Alwyn Mitchell and Ryan said, "The Swimming Union called the three Melbourne carnivals the official trials. If the selectors did not intend to take notice of these trials, and in some cases they haven't, then they have duped the public and the swimmers.

C.M. Tuesday 30 October 1962

ANNE NELSON HAS RETIRED Melbourne

Australian backstroker, Anne Nelson (18), has retired from championship swimming. She made this decision after being omitted from the team which flew to Perth yesterday. Anne, after fighting a severe virus infection for the past two weeks, became seriously ill last Thursday and was admitted to hospital on Friday.

C.M. Monday 19 November 1962

AUSTRALIAN FOUR IN NEW WORLD SWIM

Perth - Australia's brilliant Commonwealth Games swimmers, anchored by freestyle champion Dawn Fraser, slashed 1.3sec off the world record for the women's 4 x 110 yards medley relay in a trial at the Beatty Park pool yesterday.

Miss Fraser swam in incredible freestyle leg, 3/10 sec better than the world record for 110 yards that she established during the games selection trials in Melbourne last month.

The Australian squad of Pam Sergeant (backstroke), Marguerite Ruygrok (breaststroke), Linda McGill (butterfly), and Dawn Fraser (freestyle), swam the distance in 4m 48.8s. Previous record of 4m 50.1s was held by an East German team.

PAM'S TWO

Miss Sergeant, a 16-year-old Queensland student, spurred her colleagues into making a supreme effort when she swam the backstroke leg in 1m 11.8s, clipping 3/10 sec off the Australian record she had established an hour earlier in a time trial.

She gave 15-year-old Miss Ruygrok - the youngest member of the squad - an advantage of three yards over the No 2 team at the start of the breaststroke leg, and this was increased to eight yards.

At the half-way mark when Miss McGill took over for the butterfly section, Miss McGill increased the margin to 15 yards.

Dawn for the last leg needed to swim her two laps in 61sec or better to beat the East German time. She ploughed through the water like a torpedo and at the finish was an incredible 35 yards ahead of her nearest rival.

In the 110 yards men's breaststroke, 15-year-old Ian O'Brien (NSW) beat Queenslander Bill Burton by a yard in the Australian junior record time of 1m 12.1s - only 1.1sec outside the senior mark.

C.M. Tuesday 27 November 1962

SWIMMERS GAIN 2 RECORDS, 4 MEDALS

From Judy Joy Davies, former Olympic swimmer

Perth - Australian swimmers smashed two world records, three Commonwealth Games records, and won four Gold Medals at the Commonwealth Games yesterday.

Our two world records came in the women's 4 x 110 yards medley relay. The Australian team of Pam Sergeant, Marguerite Ruygrok, Linda McGill, and Dawn Fraser covered the distance in 4m 45.9s to shatter their own world record by 2.9sec, and the Commonwealth Games record by 8.1sec. And 16-year-old Queenslander, Pam Sergeant, covered the first leg, the 110 yards backstroke, in the new world record time of 1m 10.8s, to clip 1/10 sec off the world record held by Linda Ludgrove of England, whom Pam beat in the relay.

The first three teams in the relay, Australia, England, and Canada all broke the Commonwealth Games record

PAM WAS KEY GIRL

The Australian girls in the medley relay had a pow-wow at breakfast and decided to build their team around backstroke girl from Townsville, Pam Sergeant.

"We reckoned that Pam would beat world record holder, Linda Ludgrove of England, to gain us a lead," said Dawn Fraser later.

Pam did just that and broke a world record. But then the Australian team dropped to last as world champion Anita Lonsborough, of England, took the lead in the breaststroke section, followed by Canada and New Zealand, with Marguerite Ruygrok of Australia fourth.

The position for Australia did not alter in the butterfly leg. Mary Stewart, of Canada, the world record holder, gained the lead from England, New Zealand, and Linda McGill of Australia.

Dawn Fraser was four seconds behind Canada, and three seconds behind England when she splashed into the pool. She caught the field in the first 45 yards, led into the turn, and Australia was the victor by four yards.

Later Dawn said, "I thought I could give the other teams a three-second start on the final freestyle leg. I don't like being a back-runner so I tried to get to the front fast so I could swim in clear water."

The Australian girls individual times were - Sergeant 1m 10.8s (new world record), Ruygrok 1m 24.2s, McGill 1m 11.7s, Fraser 59.2sec.

C.M. Wednesday 28 November 1962

ROSE AND CARROLL WIN GOLD MEDALS

PAM DOWN

Disappointment came when Queenslander, Pam Sergeant, 16, was beaten by 15-year-old English girl Linda Ludgrove. "Dad told me to go out in front the first lap, but something went wrong, and I was only fifth on the turn," she said. But Linda came good on the last lap, and the frail-looking girl outstayed Pam Sergeant, of Queensland.

Pam said she was very tense before the race, and it was obvious the nervous strain of breaking a world record on Monday in the medley, had taken toll as Pam swam 7/10sec slower.

TONY SECOND

Julian Carroll, of Sydney, won the 220 yards backstroke final after a tremendous struggle over the last 20 yards with Tony Fingleton, of Queensland. Later Tony said dejectedly, "I was trying to win a gold medal for Queensland. We have only had second places at these Games."

Neither Julian nor Tony knew who had won the event until they were called to the victory dais.

In the men's tower diving preliminary, Graham Deuble, of Queensland, was fourth

C.M. Wednesday 5 December 1962

6 COUNTRY, 8 CITY CLUBS IN RECORD SWIM

Among the Sportsgirls with Ruby Robinson

A record 380 entries have been received for the Queensland Ladies Amateur Swimming Association championship carnival at the Valley pool on Friday, December 14, at 7 p.m. The entries are from eight metropolitan clubs and affiliated country clubs - Beaudesert, Bundaberg, Fairymead, Innisfail, Nambour, and Ipswich.

Two of Queensland's representatives at the Perth Commonwealth Games, Robyn Thorn, a gold and silver medallist, and Cheryl Kensett, will be competing.

Queensland's Claire Coke who was a finalist in the 110 yards and 220 yards breaststroke events in Perth, will not be competing as she is now a member of the team going to New Zealand. Claire finished fifth in her events in Perth but was still the first Australian to the finishing line.

Registered women swimmers in Queensland total 1208 metropolitan and 938 country.

Nominations for chaperone of the Queensland girls for the Australian championships in Perth in February will close tomorrow with the Association Secretary, Mrs L.Pratt, at 65 Richmond Street, Kedron.

C.M. Thursday 15 December 1962

"BUTTONS" - AND BOUQUETS SHE'S THE PIN-UP OF "ISA" MINERS

Mt Isa miners know her affectionately as "Buttons"; she is 12, and destined to be a world swimming champion. This is no idle claim by the miners about the dainty, blonde-haired daughter of fellow miner Vic Oravainen.

"Buttons", or Rita Oravainen, although she only recently turned 12, has already established herself as one of the State's top swimmers. Last month "Buttons" turned on a display which made her miner-admirers stand a little taller - she won the Lake Moondarra 100 yards race against all-comers

At the State swimming championships in Brisbane in January, at the age of 11 she finished fourth in the State open 440 and 440 yards freestyle championships.

MEDLEY TYPE

Like her brother John who finished second in the 440 yards individual medley at the Commonwealth Games in Perth, "Buttons" is an all-stroke swimmer. When 11 she finished third in the State Under-16 440 yards medley but was disqualified for incorrect butterfly action.

At the North Queensland championships last year, Rita finished second in the pen 440 and 880 yards freestyles behind State champion Jan Paine. The year before, at the age of 10, she finished third in both events.

When she was 7, "Buttons" was winning under-10 events at North Queensland carnivals, and also finished second in the North Queensland under-16 diving championship last year.

ROBYN WON CLOSE RACE OFF KAYLEEN

Commonwealth Games gold medallist Robyn Thorn narrowly won the 100 metres open freestyle in the Queensland Women's championships at the Valley pool last night. Robyn held a slight lead throughout and then swam on strongly to hold off a strong challenge from Kayleen Cullen, of Valley.

Her time of 65.8sec was 0.7sec slower than the race record she set in her heat. Kayleen's official time was 66.3sec.

Two new records were set in the under-12 events. Valley swimmer Janet Steinbeck swam 31.7sec for 50 metres freestyle to better the previous race record by 0.6sec. Her team mate, Vivian Sammon, won her backstroke heat in 39.1sec - 0.4sec faster than the previous best.

(Results given)

C.M. Friday 11 January 1963

FINGLETON'S FAST SWIM OVER 100 M.

Tony Fingleton, Perth Games silver medallist, came within a second of his winning final time last year in taking out his heat of the State 100 metres backstroke at the Valley pool last night. Fingleton remained in control throughout, turning a fraction ahead of Barry Munro at the 50 metres, and increasing the margin in the home stretch. Fingleton clocked 66.4sec, 4.5sec ahead of Munro.

Second fastest qualifier for the event was Richie Wall, who swam an impressive 67.4sec.

"I felt very good," the title holder said after the heat. "I'm hoping for a 64 plus tomorrow night, although I intend to concentrate on the 200 metres title this year."

Leander's David Knight, third placegetter last year, could miss a place in the final tonight, although he looked to have a little in reserve after finishing third in Wall's heat in 73.3sec.

Munro eased up over the closing stages and may be a surprise packet tonight.

Olympian David Theile's Queensland resident standard of 63.3sec looks beyond Fingleton at the moment. Tony's brother Ron just made the qualifiers with 74.5sec, and fourth place in Wall's heat.

CHERYL NEAR HER BEST

Games freestyler Cheryl Kensett will have the junior 400 metres freestyle field at her mercy tonight, following her easy heat win. Cheryl set a new race record of 5m 13.8sec, which, though well outside her personal best, was far too good for her opponents.

Jennifer Thorn, younger sister of star Commonwealth Games freestyler, Robyn Thorn, returned the only other comparable effort with 5:18.4.

An outstanding effort, taking ages into consideration, came from Mt Isa "midget", Rita ("Buttons") Oravainen in the third heat. Rita, only 12, led all the way to touch from Club mate Ann Garraway in 5m 22.4s, the third fastest qualifying time. She is younger sister of Commonwealth Games individual medley silver medallist, John Oravainen.

Valley's Ron Birch set a new race record in the second heat of the men's under-14 50 metres butterfly with a smart 31.2sec. His time clipped one second off David Milburn's old time. Birch won the title last year in 33.9sec.

Three withdrawals, including Cheryl Kensett who will concentrate on the junior 400, pushed the main event, the women's 200 metres freestyle, into a straight-out final tonight.

One scratching from the men's 800 metres freestyle left the required number of qualifiers for the final, which also will be conducted tonight.

Oravainen could claim a new national time for the 40 metres individual medley tonight. He holds the Queensland record at 5m 18.6s, only 2.9 sec outside Bill Ebsary's (NSW) standard.

Other feature event for tonight is the women's 100 metres backstroke final. World record holder Pam Sergeant could be pushed to new heights by Penny March, Jenny Corish, and Lyn Abbott.

(Qualifiers listed)

C.M. Saturday 12 January 1963

BAD TURN, BUT SET RECORD

Pam Sergeant, Perth Games relay gold medallist, recovered from a bad turn to smash the Queensland women's 100 metres backstroke record in the State titles at the Valley pool last night.

She clipped 1.1sec off Sue Costin's (NSW) old standard, touching in 1m12.1s, 5.8sec ahead of Penny March, with Lorraine Abbott three seconds further back in third place.

Robert Brumley (Langlands Park) caused the upset of the programme by beating favourite Noel Reynolds in the men's 800 metres freestyle. Brumley stroked to an early lead which he held throughout the race, and won by three strokes, despite a great last lap sprint by Reynolds. Ayr's Rod McLeod finished third. Brumley's time was 9m 28.2s.

STRONG FINISH

Tony Fingleton retained his 100 metres backstroke crown in a brilliant finish which brought second-placer, Richie Wall (West), a new Queensland junior record. The Perth Games silver medallist clapped on a blistering finish, touching in 64.8sec.

Wall's swim broke John Fingleton's old mark of 66.6sec by 0.4sec.

Leander's Barry Munro was well back third.

(Results given)

C.M. Tuesday 15 January 1963

THREE SWIM FANCIES DOWN AT QLD. TITLES

Three title favourites were upset in the Queensland swimming championships at the Valley pool last night.

First upset was Valley's Claire Cooke's defeat in the 200 metres breaststroke. Claire, Commonwealth games breaststroke representative, was soundly trounced into third place. Gail Ashauer (Leander) shot past Claire in a surprise burst over the last 50 metres to touch in a disappointing 3m 3.3s, 1.1 sec slower than the champion's heat time on Saturday. Gail was followed by Valley junior, Stella McCallum, who touched off Claire for second place by 1.5sec.

David McMonagle (Valley) brilliantly touched off the favoured Noel Reynolds in a blistering 100 metres open freestyle finish. McMonagle gained a slight edge over the former G.P.S. champion at the start and turned ahead at the 50 metre mark. Reynolds put everything into his final sprint but made no impression on McMonagle, who posted 57.1sec, 0.2sec ahead of Reynolds.

DOWNNS CROWN

Burly Toowoomba freestyler Chris Shapland dethroned State junior 100 metres title holder, Grant Rayner (Valley), in a great 58.7sec, only 0.1 sec off Noel Reynolds race record.

Shapland later completed a splendid double when he retained his 400 metres individual medley crown in 5m 31.6s, from Richard Walk (Commercial) and Leander's Angus McLeod.

Bill Burton, Commonwealth Games silver medallist, completely outclassed his seven rivals to smash the Queensland resident record in the 200 metres

breaststroke by 1.4sec. His time of 2:38.7 also broke his own race record by 1.9sec.

Perth Games freestyler, Cheryl Kensett, took her title tally to three with wins in the junior women's 100 metres freestyle and the open 800 metres. She won the junior 400 metres freestyle last Friday.

(Results given)

C.M. Wednesday 16 January 1963

ROBYN WAS 4 YARDS IN FRONT IN SWIM

State 100 metres freestyle champion, Robyn Thorn, bettered her own race record at the Valley pool last night by 0.5sec. A Commonwealth Games silver medallist, she clocked 1m 4.6sec in her heat.

Robyn was in front as she hit the water and led Kayleen Cullen, of Leander, to the turn. She drew away to a decisive four yard win during the second lap as Kayleen held Warwick girl, Jan Girle, for second. Coach Arthur Cusack said "I am quite happy with Robyn's swim. She was instructed to swim a 65, and clocked her time effortlessly."

Robyn's valley club mate, Cheryl Kensett, won the other heat, but her time was only 1m 7.7s.

Valley's Ross Gynther shaved 0.1sec off the previous best time to set a new record for the junior 100 metres breaststroke. Never headed, Gynther clocked 1m 10.7s to beat Michael Smith of Toowoomba easily.

13 WITHDREW

Heavy scratchings caused officials to abandon the three scheduled heats of the men's 200 metres freestyle. Thirteen swimmers withdrew and the eight left in were named as finalists for the event.

State title holder, Noel Reynolds, will clash with David McMonagle who downed him on Monday night. Commonwealth Games swimmer, John Oravainen, is also a finalist.

(Finalists given)

C.M. Thursday 17 January 1963

REYNOLDS CLOCKS NEW YIME FOR "200" FREESTYLE

Former G.P.S. champion Noel Reynolds lowered Olympian John Rigby's resident record for 200 metres freestyle in a brilliant swim at the State swim titles at the Valley pool last night.

Reynolds clipped 0.9sec off Rigby's time, touching in 2m 6.8s, 1.7sec inside his winning time last year. His win avenged his defeat by Valley's David McMonagle over 100 metres on Monday.

McMonagle was no match for his youthful opponent, clocking 2m 10.9s, with Mt Isa's John Oravainen third, a second further back.

Reynolds swam a beautifully judged race, covering the first 100 metres in 60.2sec and was never in doubt when McMonagle slowed slightly over the third lap.

4 TIMES BEATEN

Reynolds new standard was one of the four State resident records bettered in last night's carnival.

Robyn Thorn, Commonwealth Games dual medallist, shaved 0.1sec off her own Queensland resident time to retain her 100 metres freestyle crown. Robyn led from the start, overcoming a determined first lap challenge from Kay Cullen, to post 64sec, 1.6sec ahead of Kay, with another Games freestyler, Cheryl Kensett, third on 67.2sec. Cheryl, attempting to take her fourth State title, was surprisingly relegated to third place.

PAM'S RECORD

Pam Sergeant, world record backstroke holder, knocked 1.7aec off her old time in easily winning the Queensland 200 metres backstroke title. With no real opposition, Pam was we'll outside her own Australian record of 2m 35.5s. Individual medley champion Jennifer Corish made no impression on her at any stage, finishing with 2m 45.4s, with club mate Penny March third 4.4sec away.

Outstanding young breaststroker Ross Gynther (Valley) bettered former Australian representative, Alan Humphreys' junior time by 0.6sec in the junior 100 metres event. Gynther was in charge throughout, clocking 1m 17.8s.

Perth Games silver medallist, Tony Fingleton, completely overwhelmed his seven opponents in the 200 metres backstroke final. He dashed over the first 100 metres in 68.8sec, and reached the line 9.3sec ahead of his nearest rival, Leander's Barry Munro, with Richard Walk (Commercial) a distant third in 2m 34.6s. Fingleton registered 2m 23.6s, only 0.9sec outside his own Queensland resident record.

Promising junior breaststroker, Stella McCallum (Valley), lowered former champion Rosemary Lassig's race record for the junior 100 metres event. She cut 0.8sec off the old mark clocking 1m 26s, and downing Heather Preston (Leander), and Mt Isa's Lyn Jones.

(Results given)

C.M. Friday 18 January 1963

BURTON SET FOR DOUBLE IN QLD. TITLES

Bill Burton, Commonwealth Games silver medallist, looks set to collect his first breaststroke double with the 100 metres event at the State title at the Valley pool tonight. He overshadowed all the other qualifiers last night, knocking 0.4sec off Alan Humphreys' race record to clock 1m 13.4s.

Humphreys had the next best with 1m 16.9, but in his present form is no danger to the Queensland champion.

Burton had the 200 metres final all to himself on Monday night.

Chris Shapland, outstanding Toowoomba freestyler, shattered Noel Reynolds old "barrier" in the 200 metres junior freestyle with a slashing 2m 9.4s. This cut 0.2sc off Reynolds Queensland resident record set two seasons ago. Shapland is odds on to take his fourth title with this event tonight. He already has wins in the junior 400 metres individual medley, 400 metres freestyle, and 100 metres freestyle.

Claire Cooke is in danger of losing her only remaining breaststroke crown - the 100 metres. The Commonwealth Games representative won her heat last night - but only by the bare margin of 0.2sec from Valley's Stella McCallum. She posted 1m 26s, half a second outside her winning time last year.

Her opposition will come from Stella and Leander's Gayle Ashauer who touched Claire into third place in the 200 metres event on Monday night. Gayle was untroubled in her heat to win in 1m 27.6s. She should improve on this tonight with tighter competition.

CHERYL HEADS

Cheryl Kensett, with her fourth title in sight, headed the qualifiers in the junior 200 metres freestyle. She came within 2.7sec of Robyn Thorn's record clocking 2:26.7. Robyn's younger sister Jennifer was second fastest with 2:32.

Valley's Ron Birch is the only swimmer to reach four titles so far this carnival.

(Qualifiers given)

C.M. Saturday 19 January 1963

KENSETT'S TWO GAVE HER FIFTH QLD TITLE

Cheryl Kensett lifted her individual title tally to five in the current State swimming championships with a double in the open 400 metres and the junior 200 metres freestyle at the Valley pool last night.

The Commonwealth Games freestyler waged a stroke for stroke battle with games team mate Robyn Thorn in the open 400 metres before pulling away over the last lap. She stroked away to post 5m 7.5s, a comfortable 3.1sec ahead of Robyn, who swam a personal best of 5:10.6.

She had previously taken the junior 100 metres and 400 metres, and open 800 metres. Earlier she almost lost her junior 200 metres crown to Robyn's sister, Jennifer, while saving herself for the later event.

UPSET CLAIRE

Valley junior, Stella McCallum, upset Games breaststroker Claire Cooke's attempt to retain her 100 metres title with a well-judged last lap sprint. Claire, who had previously lost her 200 metres crown to Gayle Ashauer (Leander), failed to peg back Stella's burst, and finally had to be content with third when Gayle slipped in second to record the same time as Stella - 1:25.6.

Toowoomba's crack middle-distance freestyler, Chris Shapland, lowered the Queensland resident 200 metres junior mark for the second time in 24 hours in winning last night's final. He smashed his day-old record by 0.4sec, clocking 2m 9s flat in outdistancing his nearest rival, Grant Rayner (Valley). Terry Kearney was third.

Noel Reynolds splendid 400 metre freestyle showing cost him the 200 metres butterfly, the last event on the programme.

REYNOLDS OUT

Reynolds romped away over the "quarter" in 4m 33.2s, 11.3 sec ahead of Langlands Park's Robert Brumley, with Ayr's Rod McLeod 3.4sec further back third. Only four events later he had to line up for possibly one of the toughest events on the sheet - the 200 butterfly.

Games silver medallist, John Oravainen (Mt Isa), measured Reynolds over the first 100 metres in 69.8sec and dashed away to win in 2:30.8. Reynolds tried vainly to equal the challenge but missed by 0.4sec. Leander's junior, John Dunne, set a new Queensland resident standard with his third placing in 2:39.3.

BURTON FAST

Bill Burton spreadeagled his opponents in taking Alan Humphreys 100 metres breaststroke title.

He clipped 0.3sec off the race record he established in Thursday's heats, downing Humphreys in 1:13.2. This is only 0.8sec off Terry Gathercole's open Queensland record. He cleared away after only 25 metres of the race, leaving Humphreys and Alan Neill to fight out the minor placings. Neill finished third in 1:17.2.

(Results given. Head photo of Robyn Thorn)

C.M. Thursday 31 January 1963

NO HELP FOR SWIM TRIO

Three Queensland Empire Games swimmers will not receive financial assistance to attend the Australian swimming championships in Perth next month. Although the Queensland Amateur Swimming Association will spend twice as much as normal (£1,350), only nine swimmers will be sent at the Association's expense.

The three are - Cheryl Kensett, John Oravainen, and Claire Cooke.

Oravainen (Mt Isa) finished second in the men's medley at the Games, and Claire Cooke was third in the women's breaststroke.

NOT AT GAMES

Four of the nine selected did not swim at the Games, but these have been included to maintain a balanced team.

Games placegetters, Pam Sergeant (Townsville - backstroke), Bill Burton (breaststroke), Tony Fingleton (backstroke), Jennifer Corish (individual medley), and Robyn Thorn (freestyle), are included in the nine.

The other four are - Richard Wall (senior and junior backstroke), Stella McCallum (senior and junior breaststroke), Noel Reynolds (butterfly and freestyle), and David McMonagle (sprints).

THIRTEEN TO PAY

Thirteen others have been selected to swim, but they will have to pay their own way to the titles to be held from February 18 to 23. Oravainen, Kensett, and Cooke have been included in this group, with Robyn Thorn's younger sister, Jennifer.

All members of this second group must notify the QASA of their intentions by Monday, February 4

QASA Secretary (Mr Bill Holland) said last night that it was hoped a diver would be included in the team if money allowed. If a diver is selected it is likely to be Lorraine McArthur, 15, who finished third in the springboard event at the Empire Games.

This would mean that Empire Games diver, John Everding, would miss the trip. Australian champion, Graham Deuble, is not available.

The teams - the team is in order of selection -

P.Sergeant (T'ville), W.Burton, A.Fingleton, R.Wall, R.Thorn (K'roy), J.Corish, S.McCallum, N.Reynolds, D.McMonagle.

Selected to swim but without financial assistance -

C.Kensall, G.Ashauer, C.Shapland (T'ba), J.Oraveainen (Mt Isa), R.Gynther, R.Dunne, L.Jones (Mt Isa), J.Thorn (K'roy), L.West, C.Cooke, R.Brumley, A.Humphreys, L.Abbott (Mt Isa).

C.M. Saturday 2 February 1963

McMONAGLE IN FAST TITLE SWIM

Rising State swim sprinter, David McMonagle, 19, formerly of Warwick, showed last night he is a potential Australian champion. McMonagle, Queensland 100 metres champion, cruised home in his heat at the metropolitan regional championships at the Valley pool in 57.5sec - 0.4sec outside his best ever.

He was unlucky not to have posted a personal best as he caught the ropes just before the turn. He said after the race that this had cost him at least half a second. McMonagle said he hoped to be down to 56.5sec for the carnival against the Japanese on February 8. "I am sure I can do 56.5sec against tough competition, and I hope to do 56sec flat at the Australian titles in Perth on Feb 16," he said.

A 56sec at the Australian titles would win him the title

Although he said he was not flat out in the first lap last night, he was unofficially timed at 55.2sec.

Empire Games silver medallist, Robyn Thorn, easily won her heat of the women's open 100 metres freestyle in 65.2sec. Closest to Robyn's time in other heats were, Kayleen Cullen (66.1), and Empire Games representative, Cheryl Kensett (67.1).

ASSIST YOUNG

Last night's competition was the inaugural metropolitan regional swimming championship.

The championship which fosters under 8, 9, 10, 11, and 12 swimming age groups, is run along American lines. The idea is to start the swimmers very young, thus giving them a greater chance of developing into champions.

Officials claim that the Under-8 age group is probably the youngest group in the world.

The championships have brought to light an outstanding 7-year-old swimmer - Diane Charlton.

Diane, of Bulimba, covered 50 metres freestyle in 38.2sec. This was 3.5sec faster than the 9-year-old boys' event.

SMART BOYS

Under-8 boys' swimmer, Robert Butcher, covered 50 metres in the fast time of 41.6sec, to just edge out 6-year-old Paul Fleming, son of ex-Australian champion, Bill Fleming. Fleming's daughter, Sue, won the girls' Under-9 freestyle in the outstanding time of 41.9sec.

Robert's elder brother, Peter Butcher, showed outstanding ability to win the Under-10 50 metres in 34.2sec. One hundred and sixteen heats were held last night.

The other half of the heats will be held on Friday night, with finals the following Monday.

C.M. Monday 4 February 1963

DEUBLE IS STILL DIVE CHAMPION

Champion diver, Graham Deuble, retained his highboard title by more than 12 points in the State championships at the centenary pool yesterday. He comfortably downed Saturday's conqueror, John Everding, with a much more convincing display. Noel McDougall finished third on 116.91 points.

Deuble's performance was reflected in his final dive - a forward one and a half somersault with a double twist - which earned him top points of the competition with 18.46.

Everding was inclined to leave himself short in some of his entries, and lost ground on his back pike, arm stand double somersault with tuck, and forward three and a half somersault with tuck.

His best return came from his forward one and a half somersault with double twist - 16.2 points.

Deuble carded 143.78 points to Everding's 131.34.

SIXTH MEDAL

Lorraine McArthur collected her sixth gold medal and title with the women's highboard championship. Lorraine, who is still a junior, was the only entrant, but gave a polished exhibition to finish with 63.85 points.

C.M. Tuesday 5 February 1963

TWO DIVERS GOING TO PERTH

Lorraine McArthur and John Everding were named last night as Queensland's entrants in the Australian Diving Championships in Perth on February 16. Australian men's champion, Graham Deuble, was not available.

Lorraine won a bronze medal in the Commonwealth Games, and Everding is State 3-metre springboard champion.

Q.A.S.A. has allocated 67 pounds to each diver, leaving a balance of 40 pounds for each to raise for the trip. Both are requested to notify diving association secretary (Mr L.Krigstein) of their availability.

SWIMMER OUT

Breaststroker Claire Cooke last night withdrew from the swimming team to contest the Australian titles in Perth on the same date.

Mr Mal Munro has been appointed manager of the Queensland team. Mr Munro has been a member of Q.A.S.A. Council for nine years, and on the Executive Committee for six years. He has been Chief Judge for six years, and was a foundation member of the Langlands Park Trust.

Mr Joe King is the official coach.

C.M. Friday 8 February 1963

ROBYN OUT FOR RECORD

Robyn Thorn will be out to break her own State freestyle swimming record when Queensland meets Japan at the Valley pool tonight. She established the 100 metres record of 64sec at the recent State titles. Yesterday her coach, Arthur Cusack, said, "Robyn is near the peak of her form, and she wants to break 64sec to top off her preparation for the National titles in Perth later this month."

Cusack said another Queensland champion, Bill Burton, has clocked the fastest 55 metre lap of his career in his training for the meeting.

BURTON FIT

"Bill covered the last quarter of a 220 metre breaststroke swim in 33.9sec - the fastest he has ever done," Cusack added.

The stiffest opposition to Queensland tonight should come from the Japanese girls national team.

World backstroke champion Satoko Tanaka has impressed Brisbane coaches by her fluent stroke-making. Cusack saw Tanaka swim at the Rome Olympics in 1960, and yesterday he ranked her second to Commonwealth Games gold medallist, Linda Ludgrove of England, for smoothness in her swimming.

C.M. Saturday 9 February 1963

PAM ECLIPSED BY JAP BACKSTROKER

Chunky Japanese backstroker Satoko Tanaka cracked Pam Sergeant's Australian 100 metres record by 1.3sec in the international swim meeting at the Valley pool last night. Miss Tanaka breezed through two laps with clockwork precision in 69.7sec, well within the National standard, and 2.6sec inside Miss Sergeant's Queensland record. This time is only half a second outside Lyn Burke's (U.S.A) world record of 69sec, set in a relay in the Rome Olympics in 1960.

The 20-year-old glided away from the field after 40 metres, and maintained an easy but relentless rating, touching off Miss Sergeant (1:11.9), with Penny March third in 1:14.8.

WON 9 OF 13

Japan dominated the meeting, winning nine of the thirteen events.

Queensland's four wins came in the 100 metres men's freestyle (David Mconagle), 100 metres men's backstroke (Tony Fingleton), 100 metres women's freestyle (Robyn Thorn), and the men's medley relay.

Diminutive Kicki Yamanami equalled former Australian breaststroke champion, Terry Gathercole's State 200 metres time with a superb 2m 33.5s, downing Olympian Bill Burton by 3.3sec, with team mate Mitsuo Takashima third on 2m 39.8s.

Robyn lowered her State resident 100 metres time by 0.1sec in a splendid win over Yoslluko Sato (66sec), and Kimiko Esaka (66.2sec). Her time was 63.9sec.

SET RECORD

Eiko Takahashi set the tempo for Japan's convincing display with a new Queensland record in the first event - the women's 100 metres butterfly. She lopped a second off Jan Andrews' old mark of 1m 10.7s, beating team member Hiroko Saito, and Queensland champion Jennifer Corish.

McMonagle, in the best finish of the night, burned off the 100 metres freestyle field in 56.9sec. He dashed home only 0.1sec ahead of Kunihiro Twasaki and Takeshi Yamakage.

FINGLETON AGAIN

Fingleton notched another win when he comfortably stroked away in the men's 100 metres backstroke in 65sec. He forged away convincingly over the last lap winning by 2.2sec from Takeshi Yakamage and M.Oski in 68.1sec.

(Results given)

C.M. Tuesday 12 February 1963

McMONAGLE IN HIS FASTEST 100 FREESTYLE

State freestyle champion David McMonagle swam the fastest 100 metres of his career when he clocked 56.6sec at the Valley pool last night. Swimming in the metropolitan finals, McMonagle equalled the State resident record.

McMonagle, 19, was never headed and had a 5 yard lead over Terry Kearney at the finish. It was a big boost to McMonagle's prospects at the National titles starting in Perth this Friday.

WILL BE CLOSE

McMonagle said, "The time was my fastest official one so far, and I feel I could have done a little better. The freestylers will be hard to separate at Perth, but tonight's swim makes me confident that I will not be far away at the finish."

Last night's time was 0.3sec faster than McMonagle's clocking for the 100 metres freestyle in the Japan-Queensland clash last Friday.

(Results given)

C.M. Tuesday 19 February 1963

(Initial report of success of Japanese in Perth)

QUEENSLAND TEN

Queensland will have ten swimmers in the national titles finals following last night's heats.

The Queensland qualifiers are -

R.Wall and C.Shapland (220 yards men's junior backstroke), C.Kensett and R.Thorn (women's 440 yards freestyle), P.Sergeant (women's 220 yards backstroke), W.Burton, A.Humpheys and R.Gynther (220 yards men's breaststroke), J.Thorn and C.Kensett (110 yards junior freestyle).

C.M. Wednesday 20 February 1963

PAM "2" IN BLACKOUT SWIM

Perth - In one of the most fantastic races in Australia's swimming history, a complete blackout of lights turned the final of the women's 220 yards Australian backstroke championship last night into being declared "no race".

Pam Sergeant, of Queensland, thought she finished second, and Jill Bolton, of Victoria, thought she came third to Japanese world record-holder Satoko

Tanaka. As the shocked swimmers left the pool, the officials told them the race would be re-run later during the programme.

Swimming at the Beatty Park pool during heavy rain Tanaka, 20, was leading the field when every light fused as the swimmers were halfway down the third lap of the race. Lightning is believed to have caused the blackout.

In stunned silence the spectators could see nothing; they could only hear the slapping of the arms on the water as the confused girls continued their race. On the turn some of the girls stopped, trying to see what was happening, and then continued.

Officials and judges tried to see their stopwatches by match light, but the driving rain prevented this and the timekeepers didn't even try to time the swimmers as they touched.

Tanaka won the race easily. She collapsed after the race from nervous exhaustion, and after receiving first-aid treatment, had to withdraw from the re-swim.

An incomplete record of results show J.Oravainen third, 440 yards individual medley, and S.McCallum second, 220 yards junior breaststroke.

C.M. Friday 22 February 1963

Perth report includes -

Tony Fingleton, 22 -year-old Queensland champion, fouled the ropes over the last 20 yards, but won the 100 yards backstroke title in a great finish from Julian Carroll.

Detailed (incomplete) results also show R.Gynther third 220 yards junior breaststroke, C.Kensett second women's 440 yards freestyle.

C.M. Monday 25 February 1963

TWO QLD. SWIM STARS TO TOUR

Perth - Two Queenslanders, Bill Burton and Tony Fingleton, are in the 14-man Australian swim team to leave for a 5-week world tour on April 15.

The team will swim at two meting in Japan, one in Moscow, one in Germany, and four in Scandinavian countries before its return to Australia on May 20.

Australian selectors Bill Berge Phillips, Alan Blue, and Bill Holland, picked young swimmers who should form the nucleus of the Australian men's team for the Olympic Games next year.

C.M. Tuesday 9 April 1963

Picture of Bill Burton swimming)

C.M. Thursday 11 April 1963

TOUR LIFT TO SWIMS

National swim selector, Bill Holland, last night hailed the coming Australian swim tour as a major step towards further development of Australian swimming.

Holland, Q.A.S.A. Secretary, will manage the 14-man team to leave Sydney on Monday for a tour of the Far East, Asia and Europe. Holland said, "This tour is long overdue. We badly need international competition, more so than, say, the United States. Because of our small population we have no depth of talent. We have six freestylers who could break 57sec for 100 metres, the Americans would have 36".

RUSSIAN BID

Holland said this touring team, with the addition of John Konrads and Murray Rose, would provide the nucleus of the men's side Australia would send to the Tokyo Olympics next year.

This will be the first Australian team to swim in Russia.

Two Queenslanders are in the Australian team. Olympic and Empire Games breaststroker, Bill Burton, and Empire Games backstroker Tony Fingleton.

Courier Mail Tuesday 24 September 1963

NEW SWIM COACH

When Bill Fleming, Australian swim champion and now one of the nation's leading coaches, moved from Davies Park to Cabarita Pool in Sydney last month, Keating took over the job as lessee in charge of management and coaching.

Englishman John Keating, 39, was a former physical training instructor for the Royal Navy for 9 years and coached swimming for 2 years. Later he taught physical education in London and Portsmouth for 5 years. Since arriving in Australia he has been "going to school" each summer with Fleming.

C.M. Friday 4 October 1963

DAWN TO TURN ON SPEED TONIGHT

World swim queen, Dawn Fraser, will have her first "flat out" swim of the season at the Valley Pool tonight. "I'll have to be flat," said Dawn, "as Robyn Thorn will be against me." Kingaroy's Robyn Thorn was first home behind Dawn when she set world 100 metre and 110 yards records of 59.5 seconds at the Commonwealth Games in Perth last year.

Dawn arrived in Brisbane from Melbourne yesterday for the Warana relays and an 100 metre invitation event at the Valley Baths tonight.

Other Queensland and Commonwealth Games swimmers in the 100 metre event are Cheryl Kensett and medley bronze medallist Jennifer Corish.

AFTER TREBLE

Dawn, 25, 1956 and 1960 Olympic 100 metre champion, has her eyes on a treble at Tokyo next year, a feat not yet attained by any man or woman swimmer. The only girl in the world to have broken the minute for 100 metres said yesterday, "I don't think I have yet reached my best time because I have not yet been extended to the limit. When I leave the pool exhausted, I will know I have swum my fastest."

A total of 72 teams have nominated for tonight's relays which start at 7.30.

C.M. Saturday 5 October 1963

DAWN CLOCKS SPEEDY 100

Dawn Fraser, the world's best woman swimmer, clocked the best early season time of her career at the Valley Pool last night. Dawn, the 100 metre Olympic champion since 1956, covered 100 metres in 62.6 seconds, a time few women swimmers have achieved after intensive training. "I have never gone so fast before in my first competitive swim of the season," Dawn said. "It gets harder each year to knuckle down to training. This swim has me enthusiastic already. I would have been happy with a 65 seconds tonight."

Dawn was swimming in a special invitation event in conjunction with the Warana relays.

ROBYN SECOND

She swam against leading Queensland girl swimmers including Robyn Thorn who finished second to Dawn in a 110 yards freestyle in Perth last year, and medley bronze medallist in Perth, Jennifer Corish. Robyn again finished second last night in 65.7 seconds, with Kay Cullen third in 69.1 seconds.

Leading authorities at the pool last night said that no more than six women swimmers have clocked better than Dawn's time of 62.5 seconds.

Her time suggests she could become the first swimmer in the world, man or woman, to win the 100 metres title in three successive Olympics.

Later in the night Dawn swam two separate legs of relays in 28.2 and 28.1 seconds respectively.

City Pastime No1 team won the final of the relays from 71 other teams. Guinea Pigs were second and F.Tritton No 1 was third.

C.M. Tuesday 8 October 1963

BILL BURTON TO RETURN

The swimming future of Olympian breaststroker Bill Burton hinges on his performances in the State championships next January. Burton, State 100 and 200 metres champion and an Olympian at Rome and a Commonwealth Games silver medallist at Perth, now has limited opportunities to train. His work as a diesel mechanic frequently takes him to the country.

Burton's coach, Arthur Cusack, said last night, "He is training as solidly as possible and his technique has never looked so good, but he is behind in his training schedule. His Tokyo prospects depend entirely on how he comes up in the State titles."

Cusack reported that his Commonwealth Games gold medallist and former holder of the world 110 yards backstroke record, Pam Sergeant, is in splendid shape. Pam, a member of Australia's winning medley relay team at Perth, and a silver medallist to England's Linda Ludgrove in the 10 and 220 yards titles, looks certain of selection in Tokyo.

C.M. Wednesday 9 October 1963

FINGLETON TO SWIM AGAIN By Frank O'Callaghan

Brisbane's John Fingleton, former State backstroke champion, is back in training with an eye on next year's Tokyo Olympic Games.

The road is now wide open now that two of his chief rivals, brother Tony Fingleton the national champion and Julian Carroll the Commonwealth Games gold medallist, appear to be out of the Olympic race. Both will spend the coming Australian season at American universities. They will be required, if bidding for Tokyo, to return to Australia for the national championships and Olympic trials next February.

SELECTOR PLEASED

Queensland Olympic selector, Bill Holland, was delighted last night at the news of Fingleton's come-back. He said, "This is splendid news. Australia is desperately short of a class backstroker, and John is an even better natural swimmer than his brother Tony."

John, 21, has never fully developed his swimming talents, mainly because of a dislike for the long training grind. This season he has a different approach.

"It is now or never," he said last night. "I'll stick it out this time." His training form suggests he will. Already he is clocking his best times for this state of his season's preparations, and at the Valley Club swim tonight will face his first competitive challenge.

MISSED GAMES

John went into semi retirement after failing to make the Commonwealth Games team last October. He was left out of the side in favour of Victorian, Wayne Vincent, whom he had beaten five times in seven meetings. Carroll, Tony Fingleton, and Vincent, went to the Games where Carroll won the 220 yards title, and Fingleton was disqualified for not touching at the turn when he had the 110 yards title in his grasp.

Carroll's 220 yards time of 2min 20.9secs is 2.7 secs inside John's best. His 65.4 secs for his 110 yards silver medal bettered John's fastest by 0.4secs.

TWO CHANCES

The Olympic backstroke title will be decided over 200 metres for the first time next year. This gives John two chances of making the Olympic team, as a 200 metres candidate or as a member of the 4x100 medley relay team. He has everything in his favour. Since coach Bill Fleming went to Sydney, he has been training with Arthur Cusack, a man who steered David Theile to his two successive 100 metres Olympic titles.

KONRADS ASKS FOR A.S.U. HELP

World record holder Jon Konrads has sought the Australian Swimming Union's intervention to enable him to return from the United States in time for the national championships in Sydney.

Konrads, who is at present studying at the University of Southern California, has been asked to stay in America until next April. This would prevent him from swimming in the Australian championships at North Sydney, and would automatically disqualify him from selection for the team for Tokyo.

The A.S.U. at their half-yearly Conference in July re-affirmed their previous decision that the Australian titles would be used as the selection trials for the Tokyo Olympics.

C.M. Friday 23 October 1963

TONY NOT TO TRY FOR TOKYO By Frank O'Callaghan

Australian backstroke champion and Commonwealth Games representative, Tony Fingleton, will not be available for the Olympic Games at Tokyo next year.

Fingleton made the decision after reviewing his study programme at the United States Harvard University. He does, however, expect to make the Harvard swim team for the inter-varsity competition. Fingleton, a school teacher from Holland Park, left Australia with butterflyer Neville Hayes last July to take up a scholarship at Harvard.

COULD SET BACK

He then had hopes of returning to contest the Australian championships and Olympic trials in Sydney in February. He has since learned that to miss a week of lectures in his four year Business Administration course could set him back.

Harvard, American President John Kennedy's old university, is one which places study on a much higher plane than sport. Fingleton, 22, holds the Australian 110 and 220 yards backstroke titles and would have won the Commonwealth Games 110 yards title at Perth last year but for muffing his turn.

Tony's brother John will swim for Valley Club against Leander in the Brisbane Amateur Swimming Association's first inter-club meet at the Valley Pool tonight.

Valley will also have Commonwealth Games pair Cheryl Kensett (freestyle) and Jennifer Corish (medley). Olympic breaststroker, Bill Burton, and State all-round star Noel Reynolds will swim for Leander. The first event will start at 7.30.

C.M. Thursday 7 November 1963

SWIM BODY DOUBLES FEES FOR 12,000 By Frank O'Callaghan

Queensland Swimming Association has succeeded in doubling members' affiliation fees at its third attempt. The Association's 12,000 affiliated members will now pay four shillings instead of two shillings, from the start of the 1964-65 season next September.

The fees question, a contentious one, was one of the factors which prompted the resignation of long term Secretary, Bill Holland. Association Secretary (Brian McCoy) said last night that the additional revenue was essential to cover increased administration costs and finance for teams for national championships.

BACK ON PANEL

Holland has been reappointed as Queensland representative on the Australian selection panel after a ballot contest with prominent amateur coach, Joe King. It is the first time Holland has been opposed in the 15 years as a national selector.

C.M. Friday 22 November 1963

KENNY TO APPLY TO SWIM AS AN AMATEUR

By Frank O'Callaghan

Hayden Kenny, former Australian surf belt champion, will apply to the Queensland Amateur Swimming Association for reinstatement as an amateur. Kenny, 27, was the centre of controversy in the 1961-62 season when Q.A.S.A ruled him as a professional because of his earnings as the lessee and coach at the Maryborough swimming pool.

This meant that if he swam in surf events in which no equipment was used, those who competed against him would have been ruled by the Q.A.S.A as ineligible to compete as amateurs.

Because of this he contested only board, belt, and R and R events. But in that season he won the national belt title and was a member of his Club, Alexandra Headland's team of Australian R and R champions.

Kenny first applied through the North Coast Branch of the State Surf Centre for reinstatement. But State centre has never questioned his status.

Kenny said from Maryborough last night that he wanted a clearance so that he could swim with his club team in surf races. He won the State belt and surf race titles in the 1959-60 season.

On Sunday, at Noosa, he will oppose last summer's national belt title runner-up, John Rigby, of Maroochydore.

C.M. Saturday 30 November 1963

RELAY TEAM SETS RECORD

Langland's Park men's relay team broke its own 300 metres relay record at the Valley pool last night. The team was competing in the first heat of the Brisbane Swimming Association's championships. The team moved right away towards the end of the heat to finish in 3m 24.5s - five seconds faster than the previous record time.

State 100 metres freestyle champion, Dave McMonagle (Valley), swam 1/9sec outside his record time of 55.6sec in heat two of the 100 metres event. He came within 0.8sec of his record in the 50 metres open butterfly.

A number of junior swimmers also turned in good race times last night.

More than 1400 swimmers have nominated for the championships.

C.M. Tuesday 11 December 1963

"TOO MUCH STRAIN ON SWIMMERS"

By Frank O'Callaghan

Queensland Amateur swimming Association Council Chairman, Dr E.F.Theile, last night attacked parents and swim coaches for pushing swimmers beyond their physical capabilities.

He said he could not understand how parents particularly could watch their children battle through a heavy swim programme. He gave as an instance the case

of an overworked country girl swimmer who needed medical advice at a recent carnival because of nervous exhaustion.

LIMIT TO FOUR

"These children are being driven to the bottom of the baths." he said.

Dr Theile said that four events should be the absolute maximum for any swimmer in the one night. "In the case of 100 metre events I would like to see a limit of three," he said. "One must remember that a child who takes 75 seconds to cover 100 metres of freestyle is using as much energy as the more mature one who clocks 65 seconds."

Dr Theile's comments came almost on the eve of the closing date for the State championships. Nominations for next month's titles close on Friday.

Q.A.S.A Secretary (Mr Brian McCoy) supported Dr Theile when he said last night, "This deplorable practice is not only having a bad physical and demoralising effect on the swimmers, it is burning out prospective Olympians. I know of at least four swimmers who might have become champions but for the impossible demands put on them."

C.M. Thursday 7 January 1964

ROBYN EQUALLED SWIM TIME FOR 110

Olympic Games prospect, Robyn Thorn, equalled her State record of 64.8sec for 110 yards freestyle at the Centenary pool last night. Her swim was unpaced, but coach Arthur Cusack, described it as only a fair effort.

A bad cold had interrupted Robyn's training for the last two weeks. But Cusack put her failure down to "amateurish" turning and touching. He said that if Thorn had touched with her left hand instead of her right, she would have broken the record.

SIX FAILED

Six other top Queensland swimmers also failed on attempts on State records.

State High swimmer, Ron Birch, 15, lopped nine seconds off the junior 110 yards record of 1:18.5, but missed out by 0.6sec in breaking the open record. Cusack said that under the circumstances the swim was not too bad, but should have been better. Water temperature was 86 degrees, far above the ideal temperature of 74 degrees.

Marilyn Power, 13, of Toowoomba, broke the junior 220 yards individual medley record of 3:03.7 by 5.1sec, and narrowly missed out on the open record of 2:57.6 by one second. Cusack said an indifferent turn cost her the record. She had to learn to turn correctly before she could become first class he said. At thirteen she had another two years in which to capture the junior 200 metres record held by Jennifer Corish, and the open record held by Rosemary Lassig, he said. But both were beyond her at the moment.

10.6 SEC. BETTER

John Fingleton bettered David Theile's record of 2:37.5 set in Warwick in January 1960 by 10.6sec in the 220 yards backstroke. Cusack said that for Fingleton to be considered for Olympic selection he would have to swim at least 2:18 or better. The Queensland open record stands at 2:21.4, and only solid hard training on Fingleton's part could reduce it, he said.

Robert Cusack, 13, turned in a promising 67.9sec for 110 yards freestyle to set a new mark in the State 12 and Under 13 age group.

TRAINING UPSETS

Pam Sergeant missed by 2 seconds to break the open 220 yards women's backstroke record of 2:43.6, and Penny March was 1.3sec outside the open 110 yards backstroke time of 1:14.5

Cusack said that if March learnt to reach back and stroke more freely in the second lap, her times would tumble. But her training had been upset by ear trouble.

Sergeant had also been troubled by colds in her training sessions in the last two weeks, he said.

C.M. Saturday 11 January 1964

RITA CLOCKED GRAND TIME FOR 100 METRES

Rita Oravainen, 13-year-old Mt Isa girl, clocked the fastest time of 67.3sec for 100 metres freestyle at the state championships at Valley pool last night.

Three 12-year-old girls Joeline Matthews of Julia Creek, Alison Joyner of Bundaberg, and Brisbane's Jan Steinbeck, posted a 100 metre times that would have put them in last year's senior final. Joeline won the event in 68.9sec from Alison (69.2sec) and Jan (70.6sec).

SPEEDY BOYS

Rita thus turned the tables on Bundaberg's Denise Edmonds (68.5sec) who beat her in Thursday night's heats.

Robert Cusack, 12 years, and 9-year-old Toowoomba boy Fred Morrow, also turned in outstanding times, Morrow setting a record (34.7sec) for 50 metres Under 10 freestyle.

Records were established by N.Horne (Toowoomba - 63sec) in 100 metres 13 and Under freestyle, K.McGregor (Toowoomba - 36.9sec) in 11 and Under 12 50 metres backstroke, and B.McGregor (Toowoomba - 39.9sec) in 10 and Under 11 50 metres backstroke.

(Results given)

C.M. Monday 13 January 1964

KEPT HER DIVE TITLE

Commonwealth Games diving bronze medallist, Lorraine McArthur, retained her title in the State one-metre springboard championships at the Centenary pool yesterday.

Displaying occasional flashes of brilliance she easily won from Centenary club mate Cathy Wilson. McArthur scored 117.47 points, 1.07 better than her winning total in last year's titles.

McArthur's chances of Olympic selection will depend on her three-metre springboard performances at the Australian titles in Sydney on February 28, 29, and March 1.

EVERDING AGAIN

Ipswich diver, John Everding, regained his State one-metre springboard title which he won in 1962, but lost last year to Graham Deuble, now turned professional. Everding scored 133.5 points. Chinchilla diver, Noel McDougall, was runner-up with 104.74 points. Everding gave sound performance in every dive.

In a satisfactory, but not brilliant, display, Dennis Cusack retained his junior men's title finishing with 101.34 points.

A newcomer from Roma, Sandra Edwards, won the junior women's title with 80.36 points.

The State high diving championships will be held at the Centenary pool next Sunday, followed by the State 3-metre springboard titles at Chinchilla on January 25.

C.M. Tuesday 14 January 1964

COUNTRY TOOK 13 OF THE 19 SWIM TITLES

Country swimmers took 13 of the 19 finals at last night's State Age titles at the Valley pool. New times were set in ten events, and three other race records equalled.

Rita Oravainen, 13, of Mt Isa, clocked the amazing time of 5:8.9 in the girls Under 14 400 metres freestyle after two tough swims in the 100 metres backstroke and breaststroke. It was only 5.2sec outside the State junior resident record held by Commonwealth Games representative Cheryl Kensett, set in October 1962. Her time also compared favourably with Japanese swimmer, K.Hayakawa's 5:5.3 in winning the junior 400 yards freestyle at the last Australian championships. Kensett, who was second to the Jap girl, recorded 5:8.8. Oravainen, not extended, was 30 lengths clear of R.McLeod, North Queensland. (Results given)

C.M. Wednesday 15 January 1964

7.3 SEC. FASTER

Mt Isa swimmer, Rita Oravainen, has improved her time for the 200 metres freestyle by 7.3sec in a year. At the State Age swimming titles at the Valley pool last night she clocked 2m 27s in her heat of the Under 14 200 metres. Last year Rita set a record for the event with a time of 2m 34.3s. Her clocking last night was only 0.6sec slower than the time recorded by Cheryl Kensett when she won the junior 200 metres freestyle title last year.

(Qualifiers given)

C.M. Thursday 16 January 1964

COUNTRY TAKE 15 MORE SWIM TITLES

Country swimmers, who won 13 titles at the State Age championships at the Valley pool on Monday night, took another 15 out of 24 last night.

Two country youngsters, Rita Oravainen, 13, of Mt Isa, and Noel Horne, 13, of Toowoomba, were the championships most outstanding swimmers.

Horne won five finals and was second in two others. Oravainen had four wins and one second.

Horne continued his winning streak last night with an effortless win in the boys' 200 metres Under 14 freestyle. He surged away from the field to finish in race record time of 2:20.8. But despite a late finishing burst, Central Queensland swimmer, Bill Sweetenham, pipped him by a touch in a thrilling 50 metres 13 and Under 14 butterfly final. Sweetenham's time was a fast 3.1 sec.

Versatile Rita Oravainen time in the girls' 200 metres Under 14 freestyle, 2:27.7, was only 4.7 sec outside the Queensland junior record, set by Robyn Thorn in January 1962.

SCHOLLBOY'S SWIM AIM IS FIRST DOWNS OLYMPIAN

By Frank O'Callaghan

Chris Shapland, a chunky 16-year-old schoolboy, is training to a world champion's schedule to become the first Toowoomba Olympian. Chris, 5ft 8in and 11 stone, is working to the schedule that American coach, Dr Jim Counsilman, used to bring his charge, Tom Stickles, to a former world medley record.

The medley is the toughest test in competitive swimming. It calls for 100 metres of each stroke - backstroke, breaststroke, butterfly and freestyle.

Shapland's strongest stroke is freestyle - he holds the State 200, 200, 400 metres titles - but he has already cut his 110 yards butterfly time from 74 to 68sec, and lopped 4sec off his breaststroke time.

Chris has everything in his favour. His coach is his father, Bernie, lessee of the Toowoomba pool, who had the youngster swimming at about the same time as he had him walking.

Bernie, who attended Counsilman's forum in Sydney last September, has been corresponding for some years with the famous American coach. Counsilman is one of the pioneers of isometric training, the latest method of "dry" conditioning which has made weight training obsolete. Isometrics is largely the application of pressure against immovable objects. It builds strength without bulk. And bulk is something Chris can well do without.

At the State titles last year, Chris sandwiched the junior 4 x 100 metres junior medley crown between his freestyle successes. He holds the State junior 400 metres medley record of 5m 29.4s, a time he can almost sniff at today. Chris and his Dad reckon I will tumble to 5m 10s before this season is over. This is 5.3sec faster than Alex. Alexandra's Commonwealth Games winning time in Perth in October 1962, is 2.9sec inside Bill Ebsary's national senior record, and 8.8sec inside ex-Queenslander John Oravainen's State senior standard

Oravainen, who is now living in Sydney, and training with Don Talbot, and Ebsary, are Shapland's chief rivals for the national title
(Picture of Chris in water)

SWIM ACE LATE FOR TITLE RACE

By Frank O'Callaghan

Robert Brumley, misinformed about the starting time for last night's championship swim carnival arrived at the Valley pool in time to see Laurie Higson lift his 800 metres title. Brumley phoned the pool earlier and was told that his event, the first on the programme, started at 7.45pm, the time listed on the official programme. This was 15 minutes later than the correct time, promulgated at the State Age titles last week and on championship posters.

Higson swam all over his nearest rivals, second placegetter Ron Dunne, and Rod McLeod of Ayr, to win in an easy 9m 41s, two seconds outside his best. The exceptionally warm (81 deg) water made the times of Higson, Chris Shapland, Rita Oravainen, Geoff Brewster, and Stella McCallum, the more creditable.

Shapland, a strong Olympic medley candidate, ploughed through the 100 metres freestyle in 57.8sec, and looked good enough to crack Warwick Webster's State record of 56.6sec in tonight's final.

BEST RECORD

Rita, the slender 13-year-old Mt Isa schoolgirl, who won five State Under-age titles, lopped 1 sec off Jen Corish's 200 metres junior medley record by clocking 2m 51.3s

Brewster, one of Maroochy's star junior surfers, clocked the fastest 400 metres junior freestyle time of 4m 52s.

Stella's 3m 0.2s, a new junior record for 200 metres freestyle suggests she will be the third Queensland girl tonight to break three minutes. She should have a great struggle with Claire Coowe, who with Olympian Rosemary Lassig are Queensland's only sub-three-minute swimmers. (? Ed)

C.M. Wednesday 22 January 1964

TITLE TAKEN FROM WINNER OF SWIM

By Frank O'Callaghan

Olympic swim team candidate Stella McCallum was disqualified after winning the State women's 200 metres breaststroke title at the Valley pool last night. Stella was disqualified by judge Jack Ross for an incorrect kick at the turn,

something she has not previously been accused of in her four years of competitive swimming.

She wept freely when told she had been outed, and that her time, 2m 58.5s, would not be recognised as a State junior record. An immediate protest against the disqualification was dismissed following a lengthy Q.A.S.A Executive meeting held after the carnival.

The title went to Commonwealth Games representative Claire Cooke, who picked up a yard on Stella in the last 50 metres and went down by little more than a touch. But Claire was not elated. "I wish Stella had got the decision," she said.

SIX RECORDS GO

Four new State and two new race records were set at a lively meet.

Most impressive was Toowoomba lad Chris Shapland's new 4 x 50 metres medley time of 2m 26.9s, which lopped 2.9sec off Bill Ebsary's listed Australian record.

Shapland, another potential Olympian, is being set for the Olympic medley distance of 4 x 100 metres, which he will contest on Thursday night

Immediately after Shapland's swim, North Queenslander John Covacevich clipped 1.2sec off Graham Tait's junior 4 x 50 metres medley record by touching in 2m 30.3s. This was only half a second outside Ebsary's national junior record. But Ebsary's time was shattered twice at the New South Wales championships last week, and the record finally went to Terry Buck who clocked 2m 21.4s.

Shapland's mark was particularly creditable as it was done in hot (82deg) water and followed his 100 metres freestyle win.

Other record-breakers were - 15-year-old Jill Groeger, who sliced half a second off Lyn West's State resident 100 metres junior butterfly standard - Mt Isa's Rita Oravainen, Commonwealth Games freestyler Robyn Thorn, and Claire Cooke.

Rita, giving up to two years to her rivals, claimed the 4 x 50 metres junior women's medley title in 2m 50.6s, 0.7sec faster than her record-breaking heat on Monday night.

Forty minutes later Claire touched off Rita to win the open 4 x 50 metres medley in 2m 51s, which, though slower than Rita's junior winning time, constituted a new race record.

Robyn's open 400 metres title win in 5m 1.4s set a new race record.

(Results given)

C.M. Thursday 23 January 1964

STATE TITLE AT SECOND TRY

Kingaroy junior, Jenny Thorn, 15, in only her second swim over 800 metres freestyle, won the State's women's title at the Valley pool last night. Jenny is younger sister of State 100 metres champion, Robyn Thorn. Her time, 10m37.5s was 48.7se faster than Cheryl Kensett's winning time in the same race last year.

Kensett yesterday withdrew from the race stating that sickness had interrupted her training preparations.

Second placegetter was Mt Isa's outstanding 13-year-old junior, Rita Oravainen, who finished in 10m 42.3s. Oravainen swam gamely, but Thorn's deep powerful stroking brought her home an easy winner. Robyn McLeod, of Ayr, finished third in 11m 1s. The race record of 10m 11.8s is held by Ilsa Konrads.

Last year's winner, Robert Brumley, failed to fill a place in the men's 1500 metres final. Top Maroochydore surfer, Laurie Higson, was untroubled to win in 18m 35.9s, finishing a clear 25 metres ahead of second placegetter, Rodney McLeod, of Ayr. Higson lopped 8.9sec off Brumley's winning time last year, but was well outside the best time for a Queenslander. 18m 18.7s set by John Rigby in 1960.

(Finalists given)

C.M. Friday 24 January 1964

13-YEAR-OLD GIRL IS SWIM CHAMPION

By Frank O'Callaghan

Thirteen-year-old Toowoomba girl, Marilynne Power became the youngest open 400 metres medley champion in Queensland's swim history at the Valley pool last night. Marilynne gave 5 years to Commonwealth Games backstroker, Pam Sergeant, and took the title in 6m 20.8s.

But she swam a killing programme which brought a storm of criticism from swim officials and coaches. In 60 minutes she crammed two 4 x 100 metres medley events - the toughest in swimming - and a 100metre backstroke.

"A sure way to murder talent," was how one coach described her programme. Q.A.S.A. Chairman, (Dr E.Theile) called it about the limit of human endurance, the mental effect of which could not be assessed. Five events after her open medley win Marilynne went down to 13-year-old Mt Isa junior, Rita Oravainen, in the junior medley. Rita set a new State record of 6m 7.9s, and touched 13 sec ahead of Marilynne.

Four other records fell last night. Junior butterflyer, Jill Groeger, who set a new 100 metres junior standard on Tuesday night, lowered both junior and senior records to 1m 13.9s.

Stella McCallum, disqualified after winning the senior 200 metres breaststroke on Tuesday, won the junior 100 in new State resident time of 1m 23.3s.

Commonwealth Games freestyler, Robyn Thorn, cut the 200 metres mark to 2m 21.3s, and 16-year-old Chris Shapland threshed through 400 metres of medley in a new time of 5m 18.3s - 10 sec better than his previous best.

Butterflyer Noel Reynolds produced one of the best swims. On a limited preparation he retained his 100 metres butterfly title in 63.8sec, only 0.3sec outside his resident record.

(Results given)

C.M. Monday 27 January 1964

ROBYN, PAM, SWIM HOPES

Robyn Thorn and Pam Sergeant are the only swimmers likely to excel for Queensland in the Australian titles in Sydney on February 28, 29, and March 1.

The official State team of 12 seniors and 9 juniors was announced by the Queensland Amateur Swimming Association Secretary (Mr Brian McCoy) last night. For the first time the junior championships have been separated from the open, and will be held in Adelaide on February 7 and 8.

Thorn's fine 100 metres swims on the state championships closing night at the Valley pool on Saturday, show she will not be discredited. She won the 100 metres women's freestyle final in 63sec, clipping 0.9sec off her previous "best by a Queenslander". She reduced this time another 0.3sec in swimming the first leg of the Centenary team's 400 metres women's relay.

Sergeant, if she finds her winning touch of previous years, could surprise in 100 and 200 metres backstroke events.

Mr McCoy said that the Q.A.S.A. would pay the team's expenses, but members would have to provide their own uniforms, including blazers, pockets being paid for by the Association.

The Sydney team is -

Men - J.Fingleton (backstroke), A.Humphreys (breaststroke), C.Shapland (medley), N.Reynolds (freestyle), L.Higson (freestyle).

Women - R.Thorn (freestyle), P.Sergeant (backstroke), S.McCallum (breaststroke), J.Groeger (butterfly), R.Oravainen (freestyle), L.West (butterfly), J.Thorn (freestyle).

The Adelaide team is -

Boys - J.Covacevich (medley), R.Walk (backstroke), R.Birch (butterfly), L.Smith (breaststroke), R.Chambers (freestyle).

Girls - S.McCallum (breaststroke), R.Oravainen (freestyle), J.Groeger (butterfly), H.Parkinson (backstroke).

PAY OWN WAY

Mr McCoy said that the following swimmers by their times in the State Age Titles, were eligible to nominate for the nationals, but would have to pay their own way -

Junior - R.Meares, M.Palmer, D.Edmonds, J.Thorn, R.McLeod, A.Mabb, L.Coulter, H.Preston, M.Manfield, J.Griffin, J.Robinson, R.Rayner, J.McLay, J.Simmonds, M.Power, J.Steinbeck, A.Dokker, N.Horne, W.Sweetenham, P.March.

Open - R.Dunne, B.McLeod, R.Walk, A.Neill, R.Gynther, J.Covacovich, R.Cullen, B.Meares, C.Cooke, G.Ashauer, L.Coulter, M.Upton, J.McLay.

C.M. Wednesday 29 January 1964

ELEVEN MORE FOR SWIM TTLES

Eleven additional Queensland swimmers have nominated for the national junior swim champion- ships in Adelaide on February 7 and 8.

The nominees, though not chosen in the original State team, reached national title standard at the State championships which ended last Saturday night. Q.A.S.A Secretary (Mr Brian McCoy) said last night that more nominations were expected before today's deadline of noon.

The 11 additional team members who will pay their own way to the titles are - Boys - G.Brewster and P.G.Murphy. Girls - J.McLay, A.Mabb, B.Meares, J.Thorn, J.Simmonds, M.Palmer, H.Preston, M.Manfield and J.Steinbeck.

C.M. Saturday 8 February 1964

BIRCH IS DISQUALIFIED OVER BUTTERFLY KICK

From Judy Joy Davies

Adelaide - Queensland's Ron Birch was one of three swimmers disqualified in butterfly events at the Australian junior swimming championships yesterday. They were disqualified for "raising one foot higher than the other" in the dolphin kick.

Don Talbot, one of Sydney's leading coaches, said later that world record holder, Kevin Berry, would have trouble passing the referee in the open National titles in Sydney later this month if the referees persisted in their interpretation of the dolphin kick rule.

Results given - only H.Walk, and J.McLay securing places)

C.M. Thursday 13 February 1964

HIGSON WILL MISS SWIMS

State 800 and 1500 metres freestyle swim champion, Laurie Higson, has withdrawn from the National championships and Olympic team trials in Sydney on February 28, 29, and March 1.

Higson's work and studies as an apprentice panel beater have curtailed his training. Q.A.S.A. Secretary (Mr Brian McCoy) said last night that Higson felt his trip would not warrant the expense to the Association. He will not be replaced.

AT OWN EXPENSE

Ross Gynther, Rodney Walk, Kay Cullen, and Claire Cooke, who reached national championship standard at the State titles last month, have nominated for the nationals at their own expense.

Gynther will contest the 100 and 200 metres breaststroke, Walk the 100 and 200 metres backstroke, Miss Cooke the women's 100 and 200 metres breaststroke, and Miss Cullen the 100 and 200 metres freestyle. They will boost the Queensland contingent to the championships to 15.

C.M. Friday 14 February 1964

CUSACK FOR GAMES JOB

Queensland swim coach, Arthur Cusack, has nominated as an official coach of the Australian Olympic swim team.

Australia will establish a precedent by sending two coaches to Tokyo. Previously coaches were allowed to accompany their charges to Games, but, except at Melbourne in 1956, they invariably had difficulty in gaining access to the pools for training and competitive sessions.

For the first time the two coaches will become members of the Australian Olympic swim team, with fares paid and accommodation found in the Olympic village.

Cusack and Talbot were the official coaches to the Commonwealth Games team in Perth in 1962. Talbot has also nominated for a Tokyo appointment.

Cusack, 44, coached Queensland backstroker David Theile to two successive Olympic Gold Medals, and has in his present string three Olympic team candidates, freestyler Robyn Thorn, and backstrokers John Fingleton and Pam Sergeant.

C.M. Saturday 29 February 1964

PAM SERGEANT DOWN

Tall, young West Australian Belinda Woosley established a best by an Australian record in retaining her 200 metres backstroke title. She scored a narrow win over 14-year-old Victorian Marlene Daymah, with Tasmanian girl Virginia Cooper third.

Surprise of the race was the convincing defeat of former record holder, Pam Sergeant, who finished sixth.

Miss Woosley's time was 2m 34.5s, and bettered Miss Sergeant's previous record by a second.

J.Oravainen was the only Queenslander to be placed when he came third in the 200 metres individual medley.

C.M. Tuesday 3 March 1964

SWIM TEAM 51 FOR TOKYO BIGGEST FROM HERE

Sydney - Australia's biggest ever overseas swimming team was yesterday chosen to compete in the Tokyo Olympic Games from October 10 to 26. The selectors named a class swim team of 33, together with divers, water polo players, coaches, and officials.

Two Queenslanders in this team are Robyn Thorn of Brisbane, in the freestyle, and former Mt Isa swimmer, John Oravainen, who is a member of the individual medley team.

The swimming team will train in North Queensland, the men at Ayr under coach Don Talbot, and the women at Townsville with Terry Gathercole. Training will start on August 1, and they will leave for Tokyo on September 24.

(Team named in full)

Courier Mail Thursday 1 September 1964

61 SECONDS BY DAWN
HER FASTEST TRIAL
(From Judy Joy Davies - Townsville)

Dawn Fraser recorded the fastest time trial of her life, only 1.5 seconds off her world record for 110 yards freestyle, yesterday. Dawn clocked 61 for the 110 yards.

Her world record was recorded during the Commonwealth Games in 1962.

(There were numerous articles subsequently in early September about the performances in training of the Tokyo Olympic squad including one on 10 September that reported that Queensland freestyle sprinter, Robyn Thorn, was clocking the best training times of her career under coach Terry Gathercole.)

C.M. Thursday 8 September 1964

DR THEILE SWIM CHIEF

Dr E.Theile was last night elected unopposed as the new Queensland Amateur Swimming Association President. He succeeds Dr D.Dowling whose appointment as Australian Swimming Union's president precluded him from continuing as Queensland's head.

Dr Theile, father of 1956 and 1960 Olympic backstroke champion David Theile, has for the last four years been QASA Chairman, a position he will now relinquish. Since 1958 he has been on the Association Executive and a Vice President since 1953.

The Association's Annual Meeting also conferred Life Membership on Dr D.Dowling and official Starter, Bill Morell.

Other positions filled last night were Patron, The Governor, Sir Henry Abel Smith; Vice Presidents, Messrs D.Munro, E.Barnacle, G.Bennett, R.Murphy, and R.Dunne; Registrar, Mr M.Munro.

C.M. Tuesday 29 September 1964

BARRISTER NEW SWIM CHIEF

Mr Marshall Cooke, a Brisbane barrister, was last night elected as the new Chairman of the Queensland Amateur Swimming Association. Mr Cooke, who relinquished the post of Treasurer at last night's Association's Council meeting, will succeed Dr E.Theile the new President.

A woman will sit on the Association Executive for the first time in ten years. She is Mrs Joyce Ross, one time Queensland Ladies Amateur Swimming Association President, and chaperone to the Australian women's swim team to the Rome Olympics.

Other members chosen for the Executive last night are Messrs C.Arnold, M.Ashauer, A.Burgess, J.Craig, and M.Linton.

QASA Secretary, Mr Brian McCoy, replaces retiring member, Mr Bill Holland, on the QASA selector's panel.

C.M. Tuesday 6 October 1964

SHAMBLES AT POOL

The Australian swimmers had their first tests of the Japanese style racing starts at the Olympic Pool late this afternoon. In no time the training session developed into a shambles.

After some preliminary "highly-polite" bowing between the two Japanese starters, the Australian Manager, Mr Bill Slade, and the Australian coaches and

the women swimmers stood behind the starting blocks waiting the command to begin practice,.

They expected to hear a whistle fairly similar to the postman type used by the Australian officials. The girls were clearly surprised by something resembling the lower notes of an oboe.

After a few sideways glances at each other they guessed right and mounted the thin blocks. Suddenly from the side of the pool the gentleman holding the gun let go a blood-curdling yell which would have done credit to the leader of any banzai charge.

It could probably be spelt "Yoi". The swimmers Dawn Fraser and Lyn Bell appeared to rise several inches off their blocks vertically and then fall face forward into the water. The Victorian sprinter, Jan Turner, froze, then she followed Dawn and Lyn into the water in what was probably the most ungainly entry to the pool she has ever made.

The women's Olympic starter, Mr Toshihiro Hayhashi, stood still with his gun pointing towards the sky still fully loaded.

After a little delay, the girls, six at this stage, lined up again. Oboe..."Yoi"...and then a pistol blast that was Waterloo, the Somme, and Gallipoli all rolled in one.

It was just too much. Some of the Australians dived in, some fell in and more just stepped off their blocks all in fits of laughter.

After a rugby style huddle, everyone decide to try again. Oboe..."Yoi"...gun blast, and eventually the swimmers got off somehow.

(October editions gave Olympic results)

C.M. Thursday 29 October 1964

SWIM STAR FOR COUNTRY

By Frank O'Callaghan

Australia's Olympic swim team captain, David Dickson, is expected to swim in carnivals at Maryborough, Toowoomba, and Chinchilla next month. Dickson gave a verbal assurance of his availability before leaving for Tokyo. Permission from his home State, Western Australia, has been received by the Queensland Amateur Swimming Association.

Another Olympic swimmer, Queensland freestyler Robyn Thorn, may accompany Dickson to Maryborough for the Poinciana Festival celebrations on November 21.

At Toowoomba on November 28 Dickson could be pushed along by local all-rounder, Chris Shapland, whose recent 2m 9s for 220 yards, indicates he will be a strong national title contender next February.

Dickson's third appearance is scheduled for Chinchilla on the afternoon of November 29.

TIME TRIALS

Q.A.S.A. will introduce official time trials at three pools on Sunday. The trials are designed to provide regular competition throughout the season. They will be held between 4pm and 5pm at Langlands Park, and Centenary pools, and between 6pm and 7pm at the Valley pool

C.M. Thursday 5 November 1964

COACHING BOOST FOR SWIMMERS

(Women's Sport - with Ruby Robinson)

The Queensland Ladies Amateur Swimming Association is making an early start to improve coaching standards for women swimmers.

Arrangements are well in hand for professional and amateur coaches to give lectures and demonstrations on Sunday November 29, from 9am, at the home of State president (Mrs Curt Arnold) of Coorparoo.

Professor Budtz-Olsen will speak on diet, nutrition, and the value of vitamins in relation to swimming.

It is an open invitation to all coaches, learn-to-swim teachers, school swimming teachers, to attend. There is a private swimming pool and excellent indoor facilities for a large number to hear the discussions on the latest swimming styles and methods of coaching.

In order to make catering arrangements, all wishing to attend are asked to ring the State Secretary (Mrs J.Ross) 48 4732.

The National Fitness Council of Queensland which has already given grants of money for women's hockey, athletics, basketball, and softball, coaching classes this year, has also extended the same courtesy to women swimmers.

It is the right move by the Q.L.A.S.A. at the right time, with so much stress being put on the need to smarten up the coaching of swimmers in Australia.

The Q.L.A.S.A. annual championship carnival will be held at the Valley pool on Saturday night, November 28.

C.M. Wednesday 18 November 1964

FOUR WILL RESIGN OVER SWIM DISPUTE

By Frank O'Callaghan

The Queensland and Brisbane Amateur Swimming Associations are engaged in a controversy which threatens to extinguish the Brisbane body.

Four B.A.S.A. officials will resign at the Council meeting of the Association on Friday night. They are president (Mr G.Bennett) Chairman (Dr G.McCafferty), Secretary (Mr G.Thompson), and Treasurer (Mr J.Carfrae).

Mr Thompson said last night that a Q.A.S.A. decision overruling one made by his Association has prompted the resignations.

The Q.A.S.A Executive has virtually revoked a ruling of the B.A.S.A., and given permission to a number of metropolitan swimmers to compete in a carnival at Maryborough on Saturday night when the B.A.S.A championships are being held.

Mr Thompson said that his Association by 13 votes to 2 had refused clearance to the swimmers, primarily because the carnival clashes with the Association championships. A secondary reason was that the nominations were not made by the swimmers clubs secretaries, and that the applications for clearances were made after the nomination deadline.

Mr Bennett said the Constitution of the Q.A.S.A says in effect that Brisbane swimmers may not support another carnival in preference to their own championships. "Yet we have to suffer a ruling like this," he said.

He said the B.A.S.A which consists of 14 clubs and nearly 5000 members was formed in 1961 at the request of the Q.A.S.A. to assist in the conduct of metropolitan championship events.

ROBYN TO SWIM

Robyn Thorn, who has been given permission by the B.A.S.A., and Australian Olympic swim team captain, David Dickson, will swim in Maryborough on Saturday night.

C.M Saturday 21 November 1964

DEFER SWIM RESIGNATIONS

By Frank O'Callaghan

A personal plea from the Queensland Amateur Swimming Association President (Dr E.Theile) has, at least, delayed the resignations of four top Brisbane Amateur Swimming Association officials.

The officials, President (Mr G.Bennett), Chairman (Dr G.McCafferty), Secretary (Mr G.Thompson), and Treasurer (Mr J.Carfrae), were to have resigned at last night's Council meeting. But following Dr Theile's approach, they agreed to defer their actions.

If the conference with the Q.A.S.A. does not guarantee the satisfactory conduct of the affairs of their Association, the resignations will still become automatic.

The officials' move was prompted by a Q.A.S.A decision to give permission for B.A.S.A. swimmers to compete in Maryborough tonight, after the Brisbane body had refused clearances.

The B.A.S.A. held that as its Association championships clashed with the Maryborough carnival, its swimmers were bound to contest these championships.

Council members spoke last night of disturbing influences within the Q.A.S.A. which, they claimed, could only damage swimming in this State.

Closing date for Nominations for the B.A.S.A. championships which will run to December 12 has been extended to next Tuesday.

(Wed 25/11 picture Jennifer Thorn)

C.M. Tuesday 1 December 1964

JOHN RIGBY IN POOL COMEBACK

Former Olympic swimmer and present surf star, John Rigby, 22, has broken his retirement to enter the Queensland still water swimming titles this January.

Rigby, who retired from still water swimming in 1961 after competing in the Rome games in 1960, will be accompanied by his younger brother, Peter, 20, national surf belt champion, in his comeback.

The pair have entered all freestyle events - 100, 200, 400, 800, and 1500 metres - in the State titles to be swum on January 14-17.

In 1961 John Rigby completed a clean sweep of these events in the State titles.

John, a country sales representative for a Brisbane firm, is preparing for the State titles in one of Queensland's most unusual training programmes.

TRAINS DAILY

His sales district extends from Brisbane to Rockhampton, and his training is done in pools at Nambour, Gympie, Maryborough, Bundaberg, Gladstone, and Rockhampton - where ever his job takes him. He is a strict trainer and can usually get in up to three miles training a day.

Peter Rigby switched to surf competition after only moderate success in still water in schooldays, but has since developed remarkably.

The Rigbys, one of Australia's best surfing combinations also will continue with their surfing.

JILL BEAT OWN SWIM TIME

Leander swimmer, Jill Groeger, clipped 0.7sec off her best by a Queensland open 100 metres butterfly record at the Valley pool last night. Swimming in heats of the Brisbane Amateur Swimming Association championships, Miss Groeger recorded 1m 13.2s. She will now contest the finals on December 11 and 12 at the Valley pool.

(Head photo of John Rigby)

C.M. Friday 18 December 1964

ROBYN THORN WILL MISS STATE SWIMS

Queensland's Olympic freestyle swimmer, Robyn Thorn, will not defend her State 100, 200, and 400 metres titles next month. Her coach, Arthur Cusack, announced this last night.

Her only likely commitment at the championships, which start on January 14, will be as a member of the Centenary Club's relay team.

Cusack said that Robyn, one of Australia's silver medal winning 4 x 100metres Olympic freestyle relay team, is in temporary retirement, and may return to bid for selection in the 1968 Commonwealth Games in Jamaica.

STATE BOOST

The State Age carnival at the Valley pool tomorrow morning and night represents a first step in the resurgence in Queensland swimming. The carnival is designed to bring swimmers to early maturity and fit them for the testing National championship programmes.

For the first time in Australia, 13-year-old boys and girls will contest 800 metres freestyle events.

The boys' Under 14 800 metres event has attracted 32 nominations, and the girls 16, far more than was anticipated.

TIMES DECIDE

The swimmers will not, as in 400 metres contests, be required to contest heats in the morning and a final at night. The 800 metres placings will be decided on times.

A total of 253 entries from 24 Clubs, west to Clermont, and north to Innisfail, have flooded in for this meet.

Three divisions will be catered for - Under 14, Under 12, and Under 16 - in all strokes.

The ready response is sure to lead to an increase in State Age championships distances in breaststroke, butterfly, and backstroke events.

A 90,000 pounds pool will be opened at Chermside by the Lord Mayor (Alderman Clem Jones) at 11am tomorrow, and Brisbane swimmers plan to christen it with a sheaf of State records.

Two butterfly marks could fall in the one race when senior Jill Groeger and junior Jan McLay attack their own standards of 1m 12s for Jill, and 1m18.9s for Jan

C.M. Tuesday 1 January 1965

KING IS NATIONAL SWIM NOMINEE

Queensland Amateur Swimming Association last night departed from tradition and chose a non-member of the Queensland selection panel as its nominee for the Australian panel.

Brisbane amateur swim coach Mr Joe King was elected a last night's Council meeting as the State's nominee for the national three-man committee to be chosen at the Australian Swimming Union conference in Hobart next month.

Queensland has had a representative on the Australian panel since 1947, when Mr Bill Holland held the post continuously, except for a short-term representation by Mr Joe Emerson.

Mr Stan Edmonds was last night chosen as manager of the Queensland team to the national junior swim championships in Melbourne on February 6 and 7, and Mr Jack Taylor as manager of the senior side to Hobart on February 27, 28, and March 1.

Chris Shapland of Toowoomba, Queensland's most versatile swim champion, will concentrate on winning three State freestyle titles in record times this month. Shapland, 17, has set his sights on the 100, 200, and 400 metres titles in times better than the existing records of 56.6sec, 2m 6.8s, and 4m 30.5s respectively. He holds the 100 and 400 metres freestyle and the 200 and 400 metres medley crowns which he will also defend at the championships starting on January 14.

C.M. Wednesday 6 January 1965

FOUR SWIM STARS OUT OF ACTION

By Frank O'Callaghan

Sickness and injury have struck down four star members of swim coach John Carew's State championship squad less than ten days before the titles. Three are State title-holders, and the fourth, Jan McLay, holds the State 110 and 220 yards junior butterfly records.

The champions, all of whom hope to defend their titles at the Valley pool from January 14 to 18, are 200metres and 200 metres breaststroke champion Claire Cooke, junior 200 and 400 metres freestyle champion Barbara Meares, and men's junior butterfly champion Ron Birch.

Miss Cooke has damaged her knee tendons and can do only arm work. Miss Meares has had seven days out of the water with torn shoulder ligaments, and a recurring ankle injury prevents butterflyer Birch from fully exploiting the powerful dolphin kick.

Carew has four other promising youngsters preparing for the State Age titles from January 21 to 24, also on the sick list. They are freestyler Michael Cassidy (poisoned leg), breaststroker Ken Glancy (infected ears), freestyler Ken Anderson (virus illness), and breaststroker Vivienne Sammon (heat exhaustion from the constant 82 degrees water temperature).

C.M. Thursday 7 January 1965

TOP SWIMMER OUT OF TITLES

A shoulder injury has forced former Olympic swimmer and present surf champion, John Rigby, out of the State swimming titles starting on January 14. Rigby was side-swiped by a surfboard at Maroochydhore last Sunday. Yesterday he had his left arm in a sling. He has been told to stay out of the water for at least two weeks. This means he will miss the State still water championships, Sunday's North Kirra surf carnival, and also the Maroochydhore carnival on Sunday week.

TOUR HOPE

He is Queensland's best prospect for the Australian surf team to tour America in August.

Rigby is captain of Maroochydhore, and captained the Queensland team which clashed with the New Zealand team at Surfers Paradise last month. He represented Australia at the Rome Olympics in 1960.

Rigby retired from still water competition in 1961 to concentrate on surfing, but announced his comeback in November. He planned to swim in all freestyle events in the State titles - 100, 200, 400, 800, and 1500 metres.

Two other Maroochydhore surf stars are in doubt for the North Kirra carnival. They are Barrie Munro and unbeaten junior beltman John Etchells.

C.M. Tuesday 12 January 1965

OLYMPIAN BACK FOR QLD. SWIM

By Frank O'Callaghan

Olympic medley and breaststroke swimmer John Oravainen will swim at the Queensland championships which start at the Valley pool on Thursday night. Oravainen, 21, won a place in the Australian team for the Tokyo. He is back in his home town, Mt Isa.

He will bid for the 200 metres medley and the 200 metres breaststroke titles. Challenge in them will come to Oravainen from current champion, Chris Shapland in the medley events, and to 1960 Olympian Bill Burton in the breaststroke.

His medley time of 5m 7s failed to put him in the Tokyo final, yet he reached the semi-final of the breaststroke

Oravainen's sister, Rita, State junior 100 metres freestyle, and 200 and 400 metres medley champion has been sloggng through three daily training sessions. Her strenuous State title commitments include the senior 100 and 400 metres freestyle and 200 metres medley, and junior 100 and 200 metres freestyle and the 400 metres medley.

JENNY'S SURPRISE

Jenny Thorn last night sprung a surprise 220 yards freestyle swim on her coach Arthur Cusack at the Centenary pool by thrashing through 220 yards of 82 deg water in 2m 27.3s thus equalling Jan Paine's four year old record.

C.M. Friday 15 January 1965

]

SIZZLING SWIM BY REYNOLDS

A sizzling 100 metres swim by Noel Reynolds at the Valley pool last night suggests that the 5 year old State record will be shattered in tonight's State championship final. Reynolds was untroubled to win his heat in 57sec, only 4/10sec outside the record which is shared by Warwick Webster and David McMonagle. He beat the champion, Chris Shapland, home by 1.8sec. The clash of these tonight could be the titbit of the titles.

Shapland has his sights on the 100, 200, and 400 metres freestyle titles, all in record times.

THREE RECORDS

Three records fell, all to youngsters swimming out of their divisions.

Robert Cusack gave up to two years to his rivals and won his heat of the junior 200 metres medley in 2m 36.5s, which was 7sec inside the old mark.

Greg Reid, in swimming 2m 48.1s for the junior 200 metres backstroke, lopped 2.7sec off the old Under 14 record, and Jan Pringle set a new women's Under 14 butterfly standard. Jan's 1m 17.8s bettered the previous record by four seconds.

The arrival of only two of the seven expected finalists turned the State 1500 metres final into a farce. Noel McLeod, of Ayr, beat Tom Kielberg of Western Districts in 19m 38.6s.

(Finalists list given)

C.M. Saturday 16 January 1965

MEDLEY RECORD TO MT. ISA SWIMMER

Olympian John Oravainen, of Mt Isa, slashed 1.2sec off the State 200 metres medley record at the State swimming championships at the Valley pool last night. Chris Shapland, of Toowoomba, who held the old record, was second.

Oravainen, who won in 2:25.1, seemed to tire in the last lap (freestyle), but Shapland came home strongly in 2:27.1, 0.2sec outside the old record. Oravainen also won the open 200 metres breaststroke final from record-holder and 1960 Olympian, Bill Burton of Leander, in 1:14.7, 3.4sec outside the State record.

CLASS JUNIORS

State age champion, Robert Cusack, 14, now a sub-junior, swam magnificently to win the 200 metres junior medley final in 2:33.6, only 3.6sec outside the Australian junior record held by R.Cooper (NSW). Last year's Nudgee College G.P.S. Under 15 star, Bruce Chambers, of Dalby, was second in 2:36.4. Cusack also set a State Under 14 record for the event. His 1:6.3 swim in the junior 100 metres butterfly final was the best by a Queensland junior, and another State Under 14 record.

BEAT PAM'S TIME

Allyson Mabb, of City Pastime Club, proved herself great championship material in winning the 200 metres junior backstroke. This time was a race record and the best by a Queensland junior, being 0.3sec outside the State record held by Victoria's Jill Bolton.

Later she easily won the 200 metres open backstroke in 2:40.6, 0.5sec better than Pam Sergeant's winning time last year. In the last year Allyson has cut her times down for the distance by 10 seconds.

Judy Pringle, 13, of Leander, swam a State Under 14 record to win the junior 100 metres butterfly in 1:17.3.

Noel Reynolds swam only 0.1sec better than his heat time on Thursday night in winning the open 100 metres freestyle final in 56.9sec. This time was 0.4sec faster than Chris Shapland's winning time last year. Shapland finished second last night in 58.3sec.

Promising junior Margaret Palmer, 15, of Centenary, sliced 0.3sec off the State record in winning the 200 metres junior medley in 2:50.3. Rita Oravainen, of Mt Isa, who held the record, did not contest the title.

Rita won the open 200 metres medley in the night's most exciting finish in 2:51, equalling the race record held by second placegetter Claire Cooke, of Valley Club.

Only Rita Oravainen and Jenny Thorn contested the open 400 metres final which Jenny won in 5:2.1, 0.7sec outside sister Robyn's race record. Rita's time was 5:6.3.

Last year's winner, Claire Cooke, surprisingly finished out of a place in the open 200 metres breaststroke final. Winner was Lyn Coulter of Valley Club in a slow 3:1.9.

(Results given)

C.M. Monday 18 January 1965

COUNTRY GIRL SET RECORD IN SWIM

Rockhampton's 13-year-old Marilyn Stock last night clipped 11.4sec off the previous best Queens-land time of 3m 8.4s for the 200 metres junior women's butterfly. Her win was one of the three records set in the State swimming championships at the Valley pool. Previous record was held by Jan McLay, of Valley Club.

Last night Marilyn won by a touch from McLay, with W.Oliphant (West Districts) third.

Jill Groeger (Leander Club) swam the 200 metres in women's butterfly in 2:45.3, clipping 7sec off the race record. Lyn West, of the same Club held the old record of 2:52.3. She finished second in the race with Gladstone entrant, Helen Henderson, third.

Ron Birch, of Valley Club, set a Queensland record for the men's junior 200 metres butterfly. Ron touched about a length ahead of Bill Sweetenham, of Mt Isa, to complete the race in 2:34.8 - 4.5sec faster than the old time held by D.Dunne, of Leander Club. Robert Cusack, of centenary Club, was third.

Olympian, John Oravainen of Mt Isa, easily won the men's 200 metres breaststroke, but failed to break the best Queensland time for the event. Oravainen won by tow lengths from Bill Burton (Leander Club) in 2:42.6 - 3.9sec outside the best Queensland time held by Burton. Ross Gynther was third.

CITY WON EIGHT EVENTS

Metropolitan swimmers dominated the individual events, winning eight out of eleven.

Besides wins by Oravainen and Stock, only one other country swimmer, D.Chambers, of Dalby, was successful. Chambers won the junior 200 metres freestyle, but broke no record.

Noel Reynolds (Leander) proved a disappointment last night. Reynolds won the men's 400 metres freestyle event, but failed to break the record held by John Rigby. Reynolds finished just ahead of Chris Shapland, of Toowoomba, in the time of 4:32.1. Reynolds early pace was so fast it seemed certain the record would go, but his time was 1.6sec outside Rigby's. Rod McLeod, of Ayr, was third.

(Results given)

C.M. Tuesday 19 January 1965

ALLYSON MUST RATE HIGH IN BACKSTROKE

Allyson Mabb, 15, swam so well at the recent State titles she rates as one of the best women backstrokers in Australia this season.

Valley pool swimming coach, Gordon Petersen, said of his star pupil yesterday, "Allyson is the best backstroke prospect Queensland has had. In training she is prepared to listen, never argues, and really tries."

She won four titles at the State championships just completed.

200 metres junior backstroke in 2:39.1 (race record and best by a State junior)

200 metres open backstroke in 2:40.6 (0.5sec better than Olympian Pam Sergeant's winning time last year).

100 metres junior backstroke in 1:13.5 (race record).

100 metres open backstroke in 1:13.4 (race and State junior record).

FASTEST THIS YEAR

Her times are fastest for a junior in Australia this season. Her time in the open 100 metres final equalled the winning time at the New South Wales championships by Nan Duncan, and 0.8sec outside Nan's 200 metres time.

Coach Petersen said Allyson had improved tremendously in the past year. He said, "She started training under me in October 1963, after her original coach, Bill Fleming, went to Sydney. She swam in the State titles last year with limited success. In this year's titles her times over 200 metres were more than 10 seconds faster than they were at last year's titles, and six seconds faster over 100 metres. At the Girls' G.P.S. last year she broke 34 seconds for the 50metres backstroke several times in one afternoon. Allyson's greatest asset is her Technique. Her style through the water is very fluent. Her body remains perfectly still. As each week of training slips by, her times are consistently improving. I have never known her times in one week to be slower than the previous week."

TUMBLE TURN

Petersen said Allyson was at present developing the tumble turn. She was afraid to use it during the State titles because she might have muffed it.

He said that by the time of the Australian titles in Hobart next month, Allyson would have her times for 200 metres down a further 2 seconds, and for the 100 metres a further second.

Allyson yesterday attributed her successes to her coach and her willingness to train. "I like training," she said.

At present she is doing four miles in two daily sessions.

C.M. Thursday 21 January 1965

ROBERT, 14, "THE BEST SINCE DAVID THEILE"

Robert Cusack, 14, has been described as Queensland's greatest swimming prospect since Olympic dual gold medallist, David Theile. The blond-haired youngster plays no other sport - he is dedicated to swimming.

For the last three years he has trained under his uncle, Arthur Cusack, at the Centenary pool. Originally Robert trained under his father in Maryborough, but switched over to Arthur Cusack when the family moved to Brisbane.

SIX RECORDS

At the State titles just completed he set six age records, including a Queensland junior record in the 100 metres butterfly, from seven starts. His time for the butterfly event was 1:6.3, 0.4sec better than the 4 year old record set by Barry Munro. Robert will be a junior for the next two years, and

it seems certain, at his present rate of improvement, he will set other records.

Robert's specialty stroke is butterfly, but he is competent in all strokes. He is favourite to win the finals of the butterfly and medley events in the Age titles which start tonight.

TIME CUTS

Arthur Cusack said yesterday that Robert had consistently lowered his time for the 100 metres butterfly since training began in October. His time trials over this period were - 71, 69, 68.5, 67.9, and finally his 66.3 at State titles.

He said Robert's training was intensive. It was based on a high percentage of maximum effort workouts based on a long swimming-in preparation (basic workouts).

C.M. Friday 22 January 1965

WON, DISQUALIFIED THEN WON AGAIN

Ayr swimmer, David Bonato, after being disqualified at the Valley pool last night in his heat of the State Under 14 200 metres breaststroke title, protested successfully and will now contest tonight's final. His time of 3m 1.5s which was 3.1sec inside the record will be submitted for recognition.

Judge Jack Taylor rules that Bonato's head did not remain above the water during the race.

The boy's coach, Phil McLeod, claimed he used the style which won him the Queensland Under 13 title last year, and lodged a protest on his behalf. It was upheld only after lengthy discussion.

Queensland Age swimming reached new heights last night when qualifiers for tonight's finals broke nine records, and equalled one.

Bulimba nine-year-old Dianne Charlton, by clocking 32.9sec for 50 metres of freestyle set the best time recorded for this age group in Australia. Dianne chopped 1.4sec off her State record, and 8/10sec off fastest Australian time established last year by Sydney prodigy Christine Deakes, who in the New South Wales championships this month posted 5m 6s for 400metres.

Jo-Anne Brough, 11-year-old daughter of former surf and rugby league star, Nev Brough of Mermaid Beach, smashed one freestyle record and equalled another. Her time of 70.2sec for 100 metres sliced three seconds off the record and was 8/10sec faster than the records also set for the same distance last night by 11-year-old boys Dan McAuliffe and Peter Stehbens.

Soon after, Jo-Anne thrashed over 50 metres for 11 and Under 12-year-olds in 32.7sec to equal Denise Edmonds' standard.

TWO TO GREG

Greg Cusack, a brother of another rising young champion, Robert, and a nephew of Commonwealth Games coach, Arthur Cusack, set two records in qualifying for three finals. Greg clocked 43.5sec for 50 metres breaststroke for 10 and Under 11-year-olds, 8/10sec inside his own record, and later 32.5sec for 50 metres freestyle. This lopped 9/10 sec off the old record.

C.M. Saturday 25 January 1965

SWIM RECORD TO BROTHER, SISTER

A brother and sister both won races at the Age swim titles at the Valley Baths last night. They are Mermaid Beach freestyle swimmer Greg Bough, and his sister Jo-Anne. Their father, Nev Brough, was a former surf and rugby league star.

Greg swam a sensational 400 metres. He clocked 4:48.5 to win the State Under 14 title. This shaved 3/10sec off the standard set by Toowoomba's Chris Shapland four years ago.

Chris' brother Brian pushed Brough to the record. He stayed with the champion until the last 10 yards and went down by only three feet.

Brough's sister Jo-Anne who set new 50 and 100 metres freestyle standards in her heats in the 11 and Under 12 division on Thursday night, took both titles last night, the 50 metres in new record time of 32.5sec, 1/10sec inside her record.

TWO RECORDS

Little Fred Lizzio, 10, of Silkwood near Innisfail, won the hearts of spectators with two record swims in Under 10 finals. He won the night's first event, the 50 metres freestyle in 34.6sec, 1/10sec inside the old record, and the 50 metres breaststroke in 5.3sec, 2/10 inside the old record.

Strapping David Bonato, of Ayr, outclassed the field in winning the Under 14 200 metres breaststroke final. The time of 2:59.4 was 2.1sec inside his record heat time on Thursday night. Bonato had been disqualified in his heat on Thursday night, but after protest was reinstated.

Other records set were - John Cottee, 13, of Eastwood, Sydney (200 metres Under 14 backstroke in 2:44.9), Vivian Sammon, 14, of Brisbane (20 metres Under 14 backstroke in 2:46.8), Greg Cusack of Brisbane (50 metres 10 and Under 11 breaststroke in 43.2sec), Michael George, 11, of Brisbane (50 metres 11 and Under 12 breaststroke in 41.6sec), Jan Smith, 11, of Gladstone (50 metres 11 and Under 12 breaststroke in 42.2sec), Deborah Handley, 9, of Brisbane (50 metres Under 10 breaststroke in 47.3sec).

(Results given)

C.M. Monday 25 January 1965

FIVE RECORDS GO IN AGE SWIMMING

Five records crashed in individual events at the State Age group swimming championships at the Valley pool last night. Two records were also created in new events.

Swimming in the 13 and Under 14 boys' 100 metres freestyle event, Robert Cusack of the Centenary Club, clipped 1.5sec off the previous record of 1:03.0, held by Noel Horne of Toowoomba.

Greg Brough, of Mermaid Beach Club, was a length behind in second place, and Brian Shapland of Toowoomba was third.

Dianne Charlton took the girls' 50 metres Under 10 butterfly in 40.8sec, clipping 0.7sec off her own previous time. Second was Anne Powell (North Queensland), and Vicki McDowall (Leander) was third. Dianne also trains with Leander.

The boys' 50 metres Under 10 butterfly was won by Neil Martin in 40.2sec, lowering the previous record held by Robert Butcher by 1.1sec. Butcher came second in the event.

J.Cottee, of Eastwood-Epping N.S.W., won the boys' 12 and Under 13 50 metres butterfly in 32.8sec, taking 1.6sec off the previous record held by Robert Cusack.

Pamela Beasley, of Central Queensland, took the girls' 11 and Under 12 50 metres butterfly. Her time of 36.6sec was 0.9sec below the previous record held by Marilyn Stock, also of Central Queensland.

The boys' Under 12 200 metres individual medley was a new event last night. It was won by Neil Gynther of the Valley Club in 3:0.6

(Results given)

C.M. Thursday 26 January 1965

NINETEEN WILL PAY WAY TO SWIM

Nineteen Queensland swimmers left out of the State side for the national junior and senior championships have nominated at their own expense.

The nominations, 16 for the junior championships in Melbourne on February 6 and 7, and three for the senior titles in Hobart from February 27 to March were received within two hours of the team release. All nominations swam the qualifying times demanded by the Australian Swimming Union selectors.

Q.A.S.A. Secretary (Mr Brian McCoy) last night described the rush of applicants as indicative of the revival of swimming in Queensland

Peter Murphy, Rod McLeod, and Margaret Palmer, have nominated for the senior championships.

Those who have nominated for the junior are -

Boys - R.Birch, G.Handley, N.Sweetenham, G.Brough, J.Carothers, A.Elliott.

Girls - D.Edmonds, G.Petersen, M.Power, J.Osborne, K.Rayner, L.McLay, B.Meares, V.Sammon, H.Preston, J.Matthews.

Mr McCoy said last night the Q.A.S.A. needed 500 pounds by February 24 to send away these team members whose expenses are to be fully paid "The fact we now have to finance teams to two separate championships, the junior and the senior, throws a much greater strain on our resources," he said.

C.M. Monday 8 February 1965

ALLYSON BEATEN BY A TOUCH, BUT RECORD

Melbourne - Brisbane schoolgirl, Allyson Mabb, was beaten by a touch by Marlene Dayman when both shattered the existing Australian record for 110 yards backstroke at the Australian junior swim titles yesterday. It is the second time Allyson has been beaten by Marlene. On Saturday night she came second in the 220 yards backstroke.

Both girls were only inches apart during the race. Only the long arm of 5ft 10 ins Marlene enabled her to touch first. Marlene's time was 1m 12.5s, and Allyson who misjudged her finishing stroke, finished in 1m 12.8s, which bettered the previous Australian record by 1sec.

Allyson said after the event she could not get used to the finishing end of the Olympic pool, but her time was her best ever for the distance.

Marlene astounded swimming officials by winning four individual Australian championships and breaking three Australian records during the weekend. She was also a member of two Victorian relay teams which scored clear-cut victories and smashed two national records. Marlene swam in 10 races during the two days, often with only 15 minutes between each swim.

Seasoned officials shook their heads as Marlene competed, seemingly non-stop, in heats and finals which started at 1pm on Saturday, and ended late yesterday afternoon.

C.M. Monday 15 February 1965

SHAPLAND CLIPPED SWIM BY 55.1 sec

Warwick - Toowoomba swimmer, Chris Shapland, clipped 55.1sec off the record of 5m 40.44s for the open 440 yards freestyle at the Darling Downs championship swimming carnival here at the weekend.

Shapland set seen of the 25 new records established during the three sessions of the carnival.

In the men's open 220 yards medley, he reduced the previous record by 29.6sec to 2m 21.3s.

In the men's open 110 yards freestyle, his time of 1:1.3 reduced the previous record by 10.9sec.

All his wins wee achieved in a very comfortable manner.

(Results given)

C.M. Thursday 25 February 1965

COLD IS MAIN SWIM HURDLE

Tasmania's cold weather will be the main hurdle for Queensland swimmers to overcome at the national titles in Hobart at the weekend. Members of the State team which left by air yesterday will strike temperatures up to 16 degrees below those here.

Hobart's maximum temperature of 71 degrees yesterday compared with Brisbane's 85 degrees, while the minimum fell to 55 degrees as against 70 degrees in Brisbane.

Olympic swimming coach (Mr Arthur Cusack) said the colder temperatures could adversely affect many squad members.

Queensland Amateur Swimming Association Treasurer (Mr L.Sanderson) said yesterday that he understood the Hobart pool, where the titles would be held, was heated. He said he had been given to understand that it would be heated to about 76 degrees, which would be of some assistance to Queensland swimmers.

Late withdrawals have narrowed the team to 13.

Our main hope seems to be in the women's freestyle and breaststroke events. Jennifer Thorn is a strong contender in the 220, 440, and 880 yards freestyle.

Good prospects are also held for Allyson Mabb in the 110 and 220 yards backstroke.

C.M. Saturday 27 February 1965

MAJOR RULING ON SWIMMERS ABROAD

Hobart - Australian swimmers living overseas will not have to return home to gain selection in future Australian Olympic and Commonwealth Games teams. This was decided at the Annual Conference of the Australian Swimming Union in Hobart yesterday.

On the motion of New South Wales it was agreed that Australian swimmers living overseas temporarily could submit their times to the selection committee. The times must have been established before the final selection date at a meeting conducted by a responsible controlling association.

New South Wales delegate, Mr R.Pegram, said that several of Australia's top swimmers were living in the United States at present. It was stupid to expect them to return home especially for selection trials. This would involve extra expense, and the long journey would disrupt their training.

C.M. Monday 1 March 1965

JILL ONLY QUEENSLAND WIN IN SWIMS

Hobart - Jill Groeger, 16-year-old Brisbane typist, yesterday became the first Queenslander to win a title at the Australian swimming championships, when she won the 110 yards butterfly. Jill started swimming 7 years ago but decided two years ago to concentrate on butterfly. Her winning time yesterday was 1m 12.3s.

Jill took the lead after turning into the last lap and held off a determined challenge from New South Wales champion, Lesley George.

Rodney Walk, also of Queensland, gained third place behind Peter Reynolds and Neil Parker of NSW in the 220 yards backstroke.

CLOSE RELAY

The Queensland women's medley relay team was narrowly beaten by NSW. Queensland held the lead until the last lap when the Australian freestyle sprint champion, Jan Murphy, gained the lead for NSW. (Results given)

C.M. Tuesday 2 March 1965

MABB BEATS GAMES GIRL IN BACKSTROKE

By Judy Joy Davies

Hobart - Allyson Mabb, 15, won Queensland's third national swim title when she defeated Olympic representative Nan Duncan in the 110 yards backstroke yesterday. Allyson led down the first lap in 33.2sec, and had a break on the field entering the last lap. A determined finish by Duncan drew her level with Mabb, but the Queensland girl held on to get the judges' decision in a blanket finish in 1:13.7.

John Everding, of Queensland, won back the springboard diving title he lost last year with an easy win yesterday morning. Showing great control in difficult dives, Everding won with 141.31 points from Victorian junior, Don Wagstaff.

Noel Reynolds, of Queensland, surprised by gaining third place in the 110 yards freestyle, and beating Olympic swimmer Peter Doakes of Victoria. Reynolds time was 56.8sec, 0.2sec slower than the winner, David Dickson (W.A.)

The Kieran Shield for competition among the male swimmers was won by N/.S.W. with 18 points from Victoria 4, West Australia 2, and Queensland 1.

The Corbett Shield for competition among women swimmers was also won by N.S.W. with 11½ points, from Victoria 6, Queensland 2, Western Australia 2, and Tasmania 1.

Diver John Everding of Queensland has been included in a team of four to tour New Zealand for three weeks.

(Results given)

SWIM EXPULSIONS FIRST BY A.S.U

For the first time in the history of Australian swimming, four swimmers were expelled by the Australian Swimming Union yesterday.

The swimmers were - Dawn Fraser, Linda McGill, Marlene Dayman, and Nan Duncan.

C.M. Thursday 6 March 1965

Queensland Amateur Swimming Association Secretary (Mr Brian McCoy) said yesterday that Australia's four suspended girl swim champions knew the charges against them. They were informed of the charges by letter.

Mr McCoy, one of the six delegates in the Amateur Swimming Union of Australia to vote unanimously for the girls' suspensions in Hobart on Monday, returned to Brisbane yesterday.

He said the charges were not confined to participation in the Olympic march in Tokyo.

Mr McCoy would not disclose the charges.

Mr McCoy said that each of the girls should have appeared at the A.S.U. meeting in person, but none had elected to do so.

Some members of the Queensland swimming team, which returned yesterday from the national titles in Hobart, questioned the severity of the suspensions, but most said the A.S.U. must have had reason for them.

Women's team chaperone (Mrs W.Nolan) said she would like to read the report of the Olympic team manageress (Miss Ann Hatton).

Pictures - Lyn Coulter, Kay Cullen and Allyson Mabb with mascot.

- Mr Brian McCoy

Courier Mail Wednesday 1 September 1965

Women's Sport - with Ruby Robinson

COUNTRY HAS THE MOST SWIMMERS

There were far more female country swimmers in Queensland than in the metropolitan area last swimming season.

Of the 4890 registered women swimmers in the State, there are 2207 juniors and 328 seniors in the country. In Brisbane there were 1457 juniors and 261 seniors. District Associations make up the total.

These figures are contained in the 61st Annual report of the Queensland Ladies Amateur Swimming Association to be presented at the Annual Meeting at 7.45 on Friday night at 697 Ann Street, Valley.

Senior swimmers were far outnumbered by juniors in every Association with the Valley Club in Brisbane leading with 54 seniors, Warwick Amateur Swimming Association next with 42. Highest Club membership went to Langlands Park, Brisbane, with 280 members, followed by Valley with 216. Townsville Gardens Club was the top Club numerically in the country with 228 members with Mackay A.S.C second with 160.

C.M. Monday 6 September 1965

SWIM TESTS IN MEXICO "HOT AIR"

An American doctor has found that the effects of altitude on swimmers performances were "largely psychological" a Mexican Swimming Federation official said yesterday.

This was decided after intensive medical studies of Australian and Mexican swimmers, an official said. He said the tests were conducted by Dr James Counsilman who is the swimming coach for Indiana University. Australian swimmers Kevin Berry and Robert Windle have been competing in Mexico City recently. The official said, "The doctor found the physical effects of altitude appear to be negligible. However, the times put up by swimmers in Mexico City were lower than when they swam at sea level at Acapulco.

C.M. Tuesday 21 September 1965

WILL OPPOSE SWIM PANEL

Mr Jack Taylor of the Valley Club will seek to depose one of the three members of the State swim selection panel next Monday night. Mr Taylor's nomination will force a ballot when the QASA holds its first Council meeting of the new swimming year.

Present selectors, Mr E.Theile, M Brian McCoy, and Mr Joe Emerson, have again nominated and others may be received before nominations close on Friday night.

Queensland's nomination for the Australian selection panel to be chosen in February will be named later in the year.

Monday's meeting will also re-elect Mr McCoy as Secretary and Mr Marshall Cooke as Chairman, both unopposed. Treasurer, Mr Lindsay Sanderson will be opposed by Mr Jack Carfrae.

C.M. Tuesday 28 September 1965

NO FINANCE FOR POOL

A lack of finance will prevent the Queensland Amateur Swimming Association from immediately taking over the Valley Pool.

The Association had planned improvements to the pool totalling £130,000 as part of terms of a lease from the City Council, but it was revealed last night at a Council meeting that money could not be obtained for the purpose. The bank

has refused the Association's application for a loan of £300,000, and plans to raise the money by an Art Union have had to be shelved because of a failure to obtain a permit from the Justice Department. One reason for the Department's refusal is that the money gained from the Art Union will not be used entirely for educational purposes such as the teaching of swimming. The QASA is still hopeful, however, that other negotiations with the City Council may result in the Association gaining the pool.

SELECTORS BACK

Last night's meeting re-elected last season's selectors, Dr E.Theile, Mr Joe Emerson, and Mr Brian McCoy, who defeated the only other candidate, Mr Jack Taylor.

Chairman Mr Marshall Cooke, Secretary Mr Brian McCoy, and Treasurer Mr L.Sanderson, were returned unopposed. Mr Bill Morell was elected as Stater though opposed by Mr Ralph Carter. The three Vice Presidents chosen last night are Mr G.Bennett of Brisbane, Mr R.J.Dunne of Toowoomba, and Mr J.McNamara of Warwick.

C.M. Friday 8 October 1965

MEDLEY HIS AIM IN SWIM

Toowoomba's Chris Shapland who was edged out of the 1964 Australian Olympic team will concentrate on medley swimming this summer. He will swim for a berth in next year's Commonwealth Games team for Jamaica.

Shapland finished fourth in the 200 and 400 metres medleys at the 1964 Olympic trials. The first three in the 200, Terry Buck, Alex Alexander, and John Oravainen, were sent to Tokyo.

WON 200 TITLE

Shapland swam freestyle as well as medley last year and was runner-up to Oravainen who took the 200 freestyle crown in the State titles. Now he is more matured he may turn his best 400 metres medley time of 5min 11 secs into a sub 5 minutes. The best Australian 400 metres performance is 5min 0.4secs by Olympic backstroker Peter Reynolds.

The Commonwealth Games title was won by Alexander in 5min 15.3secs and he got down to 5min 5.3secs for last year's Olympic trials.

TWO HOPES

Chris is coached by his father, Bernie Shapland, who has what he believes are two other potential national champions. 13 year old Sheila Rose, a 5 foot 11 inches freestyler and backstroker, and Noel Horne a second year junior backstroker who was a finalist in the 100 and 200 metres Australian titles.

C.M. Monday 11 October 1965

Picture of Jill Groeger doing Butterfly

"Jill didn't mind the weather." Yesterday's miserable weather conditions did not deter Australia's 100 metres butterfly swim champion, Jill Groeger, who worked out at Dunlop Park pool, Corinda. Jill's coach, Joe King, predicted yesterday that she would break the 70 seconds barrier at the State titles next January. Olympian, Jan Andrews, is the only Australian girl to have done this.

C.M. Tuesday 12 October 1965

Picture - "Pool by the Surf"

Southport's new Olympic swimming pool was opened yesterday. The pool, which will cost £250,000 when completed, is near the pier theatre on the Nerang River.

C.M. Wednesday 13 October 1965

KENMORE SWIM CLUB TRIALS

Newly formed Kenmore Swimming Club which is now enrolling members will hold time trials at the Kenmore Parish Pool at 7 o'clock tonight. These times will be used as a basis for handicapping when the Club begins its Wednesday night competition swimming next week.

Top coach Arthur Cusack, former lessee of the Centenary Baths, is now managing the pool at the corner of Moggill and Kenmore Roads.

C.M. Tuesday 26 October 1965

ST GEORGE POOL WILL STAY OPEN

St George Shire Chairman, Councillor Bowhay, last night scotched rumours that the town's new £62,000 swimming pool will be closed for health reasons.

The Governor, Sir Henry Abel Smith, opened the pool last night.

Councillor Bowhay denied at the opening that the Council would close the baths. Before the opening he announced his intention to "scotch" the rumours. "The rumours have upset me," he said.

The rumour raced through St George yesterday that the Council was closing the baths in fear that round worm infection could be passed on from aboriginals in the district to white people. Round worm has been detected in aboriginal people in the past.

MEDICAL VIEW

Councillor Bowhay said that medical opinion was that there was no threat that the baths would spread the infection. The Queensland Medical School parasitologist, Dr Dorothea Sandars, said in Brisbane that the risk of infection from round worm in a properly filtered and chlorinated pool was minimal. Round worm was soil transmitted.

TO SWIM IN JAMAICA?

Picture - Queensland 110 yards backstroke champion Allison Mabb, 16, of Hamilton, took off at the Valley pool yesterday on one of the thousands of pool lengths she will swim in a bid to reach Jamaica for next year's Commonwealth Games.

WEST GERMAN SWIM TEAM COMING

The West German swim team which will compete in the Australian Championships in Brisbane next February will also be invited to swim in Toowoomba.

The Queensland Amateur Swimming Association Secretary, Mr Brian McCoy, said last night that the A.S.U. had issued the invitation.

The Germans, who in Europe last summer established a number of yardage records, may be in Queensland for eight days. They are committed to the National Champion- ships at the Valley Pool on February 26 and 28. The A.S.U. has suggested that the Germans visit Toowoomba on Sunday February 27.

C.M. Wednesday 27 October 1965

STATE MINISTRY OF SPORT SUGGESTED

The State Parliament decided yesterday that a State Ministry of Sport should be established to end the exodus of athletes and other sportsmen from Queensland.

The proposal came from Mr Bromley (ALP Norman) during the budget debate. He said the new Department could be financed by the £60,000 T.A.B. unclaimed dividends that went into consolidated revenue. Something should be done to induce top-line athletes and sportsmen to stay in the State, and provide better tuition.

C.M. Wednesday 17 November 1965

TOP SWIMMERS IN ACTION AT VALLEY
(Women's Sport - with Ruby Robinson)

The cream of the State's swimmers will be in action at the Valley pool on Friday night November 26. It is the Queensland Ladies Amateur Swimming Association championships, with 237 entries from 12 metropolitan and 7 country Clubs.

While nothing has been heard from any potential champions, nominations have come from Toowoomba, Beaudesert, Southport, Bundaberg, and Fairymead, Julia Creek (one entry), and Mermaid beach.

100 YARD BATTLE

The battle for first place in the open 100 yards freestyle between Kayleen Cullen of the Valley Club, and Jennifer Thorn of Centenary Club, could possibly result in the race record of 64.5secc, held by Robyn Thorn, being bettered

Robyn also holds the best by a Queenslander record of 62.7sec, but neither her sister nor Kayleen seems capable of that time. .

State backstroke champion, Allyson Mabb, could better the 100 metres race record of 74.5sec set by former champion Anne Nelson. The best by a Queenslander record for the 100 metres is 71.9, held by Pam Sergeant.

Australian gold medallist, Jill Groeger of Leander Club, is a certainty for the 100 metres butterfly, with Margo Manfield of Leander, and Lyn Coulter challengers for the 100 metres breaststroke.

The best race of the night could be the 4 x 50 metres De Little Cup relay. Centenary Club holds the Cup, and will meet a strong challenge from Leander, Valley, and Toowoomba.

C.M. Friday 19 November 1965

ATTEMPT ON 200 METRE BUTTERFLY
By Frank O'Callaghan

Queensland's 100 metres butterfly champion, Jill Groeger, will attack her State 200 metres record at the Brisbane distance championship on Sunday night.

Although she is being set for the Australian championships and Commonwealth Games trials in Brisbane next march, Jill's preparation is sufficiently advanced to suggest she will lower her State standard of 2m 45s.

RECORD ENTRY

The championships, to be held at the Valley pool on Sunday morning and evening, have attracted a record 250 entries, among them other Commonwealth Games team contenders in backstroker Allyson Mabb, and freestyle and butterfly swimmer Noel Reynolds.

The Commonwealth Games will be held at Kingston, Jamaica.

Reynolds, or Ron Birch, could set up a new 200 metres State resident butterfly record on Sunday.

Olympic breaststroker Bill Burton has been forced out of the Championships because of an operation on a hand which necessitated 16 stitches, the result of an accident at work. He has resumed training with his hand protected by a surgical glove, and expects to contest the State titles next January.

NEW BACKSTROKE RECORD

Last night at the Valley pool, Leander Club's Beth Grissell sliced 4.8sec off the girls' State Under 12 100 metres backstroke record. Swimming solo at a Club meet, Beth clocked 1m 25.8s.

The Brisbane Amateur Swimming Association will hold its Age titles tomorrow week (morning and evening), Sunday (morning and evening), Monday evening, and on the evening of December 3.

C.M. Saturday 27 November 1965

TWO SWIM RECORDS IN BREASTSTROKE

A Queensland Age record and a race record were lowered in one final, at the Queensland Ladies Amateur Swimming Association championships at the Valley pool last night.

Denise Bauer, 11, of Bundaberg, clipped 1.6sec off the Under 13 50 metres breaststroke record on clocking 42.7sec. Second place-getter, J.Barnes, 10, of Leander, touched in 42.9sec, smashing the Queensland Under 11 race record for the distance by 1.2sec.

Seven records were broken during the carnival, and times for two new events were taken as records. National 100 metres butterfly champion, Jill Groeger, who is being groomed for a place in the Australian Commonwealth Games team to Jamaica, shattered the 50 metres open butterfly record in her heat, and lopped another 0.5sec off the time in the final.

Toowoomba sub-junior competitor, Sheila Rose, won the Margaret Sharpe Memorial Cup for the swimmers with the highest aggregate points in freestyle, backstroke, breaststroke, and butterfly events. Sheila got a second in freestyle and a first in backstroke.

(Results given)

C.M. Monday 29 November 1965

SWIFT SWIM BY REYNOLDS

Noel Reynolds swam within 0.5sec of David McMonagle's three year resident Queensland record for 100 metres freestyle at the Valley pool last night. He was competing in the Brisbane Age championships.

State champion Reynolds, 19, turned on a blistering pace over the last 25 metres to clock 57.1sec. Reynolds tailed G.P.S. star, John Lloyd, 16, into the end of the first lap by three feet. But a lightning tumble turn saw Reynolds emerge level with Lloyd, and he ploughed away to win by four feet. Lloyd touched in 58.3sec, and fast improving junior, Ricky Edwards in 60.6sec.

Jenny Thorn clapped on the pace over the last 15 metres of the open women's 100 metres freestyle final to down Kay Cullen (Valley) by a foot in 65.2. Kay was timed at 65.5sec.

Dynamic 10-year-old Bulimba State school pupil, Dianne Charlton, scored easy wins in the freestyle and butterfly finals in the 10 and Under 11 class. Dianne's runaway freestyle time of 33.7sec was 1.4sec better than K.Lascelles in the corresponding boys' final.

Officials will search the files today to see if Mike Cassidy broke the 14 and Under 16 butterfly record with his brilliant 29.9sec. Cassidy, 15, beat reigning State junior champion, Robbie Cusack by a foot in the final.

(Results given)

C.M. Tuesday 7 December 1965

JENNY TO ATTEMPT RECORD ON HER "400"

By Frank O'Callaghan

Jenny Thorn, State freestyle swim champion, will make a solo attack on her 400 metres record at the Valley pool on Saturday night. Jenny, 17, a sister of Olympian Robyn Thorn, aims to better her best by a Queenslander standard of 4m 59s.

The attempt will be a feature of the State Age distance championships on Saturday morning and night. Jenny set her mark when swimming into third place at the national championships at Hobart last February. She clocked 5m 6.4s at the Brisbane championships two weeks ago, 12sec better than her best effort at this time last year. The open state record of 4m 59.7s is held by Dawn Fraser.

The Age distance championships are restricted to swimmers under 14 years, and are held in all strokes and over distances from 100 to 800 metres.

KEEN CLASH

One of the keenest clashes at the championships should be between 13-year-old breaststroker, Greg Wardle, and David Blackett, coached by John Carew and Arthur Cusack respectively.

Wardle holds the State 100 metres (1m 23s) and 200 metres (2m 58.2s) records, but in the recent Brisbane championships heat was beaten by Blackett.

Talented all-rounder, Greg Cusack, 11, has been troubled by a damaged shoulder but expects to compete.

C.M. Thursday 16 December 1965

PUZZLE OVER SWIM PROS.

By Frank O'Callaghan

A curious anomaly exists concerning the status of professional swim coaches in Queensland and New South Wales. The Queensland Amateur Swimming Association has warned its members that to compete against professional coach John Rigby, of Maroochydore Club, would endanger their amateur status.

Yet in Sydney amateur swimmers are allowed to compete against former Olympian, Alan Wood, now a professional coach, and apparently without penalty.

Yet another ex-Olympian turned coach, John Konrads, has ambitions as a surf swimmer. Konrads has joined North Bondi, and was prevented from swimming in a surf race last weekend because of a cold.

The Q.A.S.A is based on the laws of F.I.N.A., the world swimming authority, whose word is as much law in New South Wales as in Queensland.

People concerned with the future of swimming, and the value to the community of the surf life-saving movement, deplores the law which allows an amateur swimmer to compete against a professional in surf competition only when the professional is using surf lifesaving equipment.

This means that amateurs may swim against Rigby only in belt races and R & R.

C.M. Tuesday 11 January 1966

RECORD 2126 FOR STATE SWIMMING

A record 2126 entries have been received for the Queensland age and junior and open swim Championships over the next two weekends. This betters by 150 the total entries for last year's championships

The age championships for swimmers up to 14 years, will be held from Thursday to Sunday at the Valley pool

The junior and open titles, also at the Valley pool, are from Thursday January 20 to Sunday January 23.

A total of 1432 nominations are in hand for the 68 Age title events and 694 for the junior and open.

Likely stars of the Age championships are Jo-Ann Brough, of Southport, Vince Breslin, of Gladstone, and Brisbane youngsters Jo-Anne Barnes and Dianne Charlton.

LIKELY STARS

Miss Brough, though only 12, last Thursday swam within 1 1/2sec of Cheryl Kensett's State Under 14 record of 5m 7.8s. As this was Jo-Ann's first hard "400" swim of the season, Miss Kensett's State junior record of 5m 3.7s also looks in jeopardy, when Miss Brough also tackles the junior title next week.

Breslin is a strong favourite for the Under 14 400 metres freestyle championship, and Misses Barnes and Charlton could pick up a swag of titles between them.

Miss Barnes is the fastest 10-year-old breaststroke swimmer in Australia, and Miss Charlton a gifted all-rounder, most proficient in freestyle.

C.M. Wednesday 12 January 1966

SWIM CHIEF IS SEEKING THIRD TERM

Australian Swimming Union President (Dr D.Dowling) has been nominated for a third and final term by the Queensland Amateur Swimming Association.

A.S.U. Presidents are limited to a three-year period, but must face an election every year. Dr Dowling will bid for a final term at the A.S.U. Conference in Brisbane next month.

Other Queenslanders seeking high positions are amateur coach Mr Joe King, and former Queensland Diving Association Secretary, Mr Les Krigstein.

GAMES POSTS

Q.A.S.A. will also nominate Mr John McNamara of Warwick, and Mrs C.Arnold of Brisbane, for the positions of manager and manageress to the Australian swim team to the Commonwealth Games in Jamaica next August.

Mr A.Gynther will manage the Queensland men's team for the Australian titles in Brisbane next month and Mrs A.Handley the women's team.

Mr and Mrs George Bennett will be manager and manageress of the Queensland swim team to the National junior swim titles in Perth on February 5 and 6.

C.M. Friday 14 January 1966

TWELVE RECORDS SET IN AGE SWIMMING

Twelve records were broken at the Queensland age and junior open swim championships last night at the Valley pool.

Young swimming star, Jo-Anne Barnes cut 2.7sec off the Australian Under 12 100 metres breaststroke record, though she was a year out of her age group.

In the Under 11 50 metres backstroke G.Sanders (Toowoomba) bettered the Australian record by one second when he swam the distance in 37.5sec.

Another good swim was that of 12-year-old K.Deasy, who set an Australian record of 3:15.8 in the Under 14 200 metres breaststroke.

A notable feature of the titles was the record-breaking swims by juniors competing in higher age groups. Times were generally faster than last year's titles, and swimmers were urged on by a capacity crowd of over 1200 at the meeting. The championships will be held again tonight, Saturday and Sunday, and next weekend. (Qualifiers given)

C.M. Saturday 15 January 1966

SEVEN RECORDS GO IN AGE SWIMMING

By Frank O'Callaghan

Seven records were smashed and eight equalled in 22 State Age championships swim events at the Valley pool last night. Six of the records tumbled in the first eight events.

Versatile 10-year-old Dianne Charlton was outstanding lowering the 50 metres backstroke record by 2/10sec. Barely an hour later she won the 50metres freestyle in her division in a smart 32.5secc.

FASTEST GIRL

Dianne, of Bulimba, though a year younger than the previous backstroke record holder, Gai Lillyman, set a new mark of 38.2sec.

Her Leander club mate, Jo-Anne Barnes shared much of the spotlight. Jo-Anne, the fastest 10-year-old breaststroker in Australia, repeated her performance in Thursday night's heat of the Under 12 breaststroke by clocking 1m 30.6s. Tiny 10-year-old Jo-Anne went over the first 50 metres in a time one second faster than coach, Joe King, had intended for her.

Valley backstroker, Ken Nyberg, a record-breaker in his heat, clipped a further 1½ sec off that time in claiming the 200 metres Under 14 title in 2m 39.8s.

Two of the best swims were not recorded - Ken Sanderson's Under 14 400 metres freestyle win in 4m 59.1s, and Jo-Ann Brough's Under 14 400 metres freestyle in 5m 7.8s.

Sanderson staged an absorbing struggle with David Forster before taking control of the race at the 300 metre mark. Miss Brough had no such competition. An exceptionally powerful stroker, she led from the start, and finished with 20 yards between her and Toowoomba's Jenny Patterson. Jo-Ann's time is 2/10sec better than her previous best, and only one second outside the record.

LIKE MOTHER . . .

Roma freestyler, John Henderson, like Jo-Anne Barnes, had a distinguished cheer leader urging him to the Under 12 100 metres title - his mother, former Olympic freestyler, Denise Spencer. Jo-Anne's mother, the former Connie McLaughlin, is a one time team mate of Denise.

Both represented Queensland at the 1946 National titles.

(Results given)

C.M. Monday 17 January 1966

CONGO REFUGEE AMONG RECORDS IN AGE SWIMS

A refugee from Stanleyville in the Belgian Congo was among the winners at the Queensland Age swimming titles at the Valley pool last night. He is 13-year-old Lue Van Openbosch who recorded 1m 19s in the 12 and Under 13 boys' butterfly. His time set the standard for the new event.

With his parents, Dr and Mrs Jose Van Openbosch, and two brothers, Luc was expelled from Stanleyville during the Belgian Congo riots in 1964, and migrated to Cairns. However, the Openbosch family moved to the grange in Brisbane last week, and will settle here. Luc entered the titles as a North Queensland competitor.

Townsville's outstanding all-round stroker, Max Pauasci, added the gruelling 200 metres individual medley in record time to his impressive championship list. Max carved 6.4sec off Nigel Cleur's old standard, when he surged ahead of Greg Cusack (Centenary) and another Townsville member, Gary Ohlson, in the Under 12 boys' class.

FOUR TITLES EACH

Leander's 10-year-old, Dianne Charlton, and Commercial's Debbie Handley, 9, each scored another championship giving them four each for the four-day titles.

Dianne cleared away with the Under 12 200 metres individual medley in 3m 1.8s. Debbie touched about six feet in front of Pauline Bartaska and Sandra Murphy, in the Under 10 50metres butterfly.

SEVEN BROKEN

Seven records were broken and times set in two new events.

Greg Cusack (Centenary) kept the 11 and Under 12 boys' butterfly title and record in the family album, when he lowered brother Robbie's 36.8sec time by one second.

The powerful Valley Club 12 and Under 14 years boys' freestyle relay team lost the chance of taking the crown and a record when their number 2 swimmer was disqualified for hitting the water too soon. Central Queensland, second across the line, now holds the honour and the record at 1:57.8.

Lismore swimmer, Michael Creswick won the Under 10 50 metres butterfly in 41.2sec, but because of his residential qualifications, is not eligible to hold the title. David Unwin (Leander) who swam 41.7sec, was credited with the Queensland championship.

(Results given)

C.M. Thursday 20 January 1966

QUEENSLAND SWIM RECORD LIKELY

A new Queensland swim record could be set in the men's 100metres freestyle event in the Queensland championship heats at the Valley pool tonight. The heats will be held tonight, and Saturday and Sunday mornings, with finals tomorrow, Saturday, and Sunday nights.

Favourite to win the 100 metres event tonight is Noel Reynolds, who is expected to be pressed by John Lloyd. Reynolds will be striving for selection in the Commonwealth Games team.

The Queensland open and junior teams to compete in the Australian championships will be announced after the finals on Sunday night. The open championships will be held in Brisbane on February 26 and 27, and the junior championships in Perth on February 5 and 6.

The 100 metres breaststroke heat tonight will see the return to championship competition of Allan Humphreys, and former Olympian Bill Burton.

The 200 metres women's breaststroke heats tonight should see a close struggle between Lyn Coulter and Margo Manfield, both of whom have been swimming good times.

C.M. Friday 21 January 1966

JENNY SET JUNIOR RECORD FOR 200m

Fourteen-year-old Jenny Steinbeck, of Valley, last night set a new 200 metres junior women's

medley swim record at the Valley Baths. Competing in a heat of the Queensland championships, Jenny covered the journey in 2m 50s, clipping 0.1sec off the old record.

Greg Cusack, of Centenary, created a Queensland Under 12 record when competing in the 200 metres junior men's breaststroke event. Cusack covered the distance in 3m 15.7s, bettering the old time by 0.3sec.

A good performance was turned in by Chris Shapland, of Toowoomba, in the 200 metres men's medley championship. Shapland had an easy win in 2m 25.9s which was only 0.8sec outside the Queensland record. He beat the nearest rival, Marcus Ringuet, of Charleville, by 9.9sec, and should easily break the record in the final tonight if pressed.

The most disappointing heats of last night's programme were the 100 metres men's freestyle events. The best two qualifiers, John Lloyd of Valley, and Noel Reynolds of Leander, won their heats but their times were disappointing. Lloyd clocked 57.6sec, and Reynolds 57.9sec

The Queensland record for the distance is 54.6sec.
(Qualifiers given)

C.M. Saturday 22 January 1966

ALLYSON BROKE RECORD OF MEDALLIST
By Frank O'Callaghan

Sixteen-year-old Brisbane backstroker, Allyson Mabb, swam strongly towards Commonwealth Games team calculations with a record-shattering performance at the Valley pool last night.

Allyson, the national 110 yards champion, retained her State 200 metres title in 2m 37.2s, lopping 1.5sec off the resident record of the 1962 Commonwealth Games bronze medallist, Pam Sergeant.

SEASON'S BEST

Local statisticians believe this is the fastest time recorded in Australia this season.

Allyson's record-breaking plans were obvious when she went through the first 100 metres in 73 secs, two seconds inside the time set her by coach Gordon Petersen. She burnt off all competition in the first lap, and surged home with 20 yards to spare. The sterner struggle Allyson is sure to find in the national championships next month could make a reduction of her time by three or four seconds.

Another of coach Petersen's charges, 14-year-old St Rita's Convent schoolgirl, Jenny Steinbeck, claimed two titles and the 200 metres medley record. Jenny lowered the medley record to 2m 50.2s in her heat on Thursday night, and last night ripped another 6/10sec off that mark. Less than an hour earlier Jenny took the junior 200 metres crown. She will defend her 100 metres freestyle title tomorrow night.

The Broughs, Greg and Jo-Ann of Mermaid Beach, scored well. Greg grasped his second gold medal of the championships by downing the 400 metres freestyle field in 4m 38.2s, his fastest time yet. On Thursday night he beat all comers over 1500 metres of freestyle.

Jo-Ann, 12, had little in lifting the women's junior 400 metres freestyle title, and at her third attempt in a little more than a month, cracked the State Under 14 record. Her time of 5m 4.4s was a mere 7/10 sec outside the junior (under 16) mark of Commonwealth Games representative Cheryl Kensett.

REYNOLDS AGAIN

Noel Reynolds retained the blue riband open 100 metres freestyle championship in 56.7sec, after trailing the fastest qualifier for the final, John Lloyd, through the tumble turn. He finished all over Lloyd, who finished in his qualifying and personal best time of 57.6sec.

Six records, four State, one race, and one under-age, were posted on the 17 event programme.

Rodney Walk's 2m 21.7s for the 200 metres backstroke, though it bettered Tony Fingleton's State resident record standard by one second, could not, because of his winning margin of 20 yards, be deemed his best.

Jenny Thorn, another Queensland hope for the Games team to Jamaica, failed to please coach, Arthur Cusack, with her record-breaking 4m 55.3s for 400 metres in freestyle. Jenny shed 4.8sec off the record her sister, Olympian Robyn, but Cusack would not be drawn the comment he was not satisfied.
(Results given)

C.M. Monday 24 January 1966

JILL GROEGER'S RECORDS "FASTEST IN BUTTERFLY"
By Frank O'Callaghan

Queensland's dual national butterfly swim title hope, Jill Groeger, claimed her second State title in record-breaking time at the Valley pool last night. In adding the 200 metres title to her 100 metres crown she took on Saturday night, Jill, 17, set a new State resident standard time of 2m 43s, thus bettering her own record by 2.3sec. Her new 100 metres record of 70.8sec on Saturday night and last night's performances are believed to be the fastest recorded in Australia this season, evidence that Jill is a front-line contender for the Australian Commonwealth Games team for Jamaica next August

Her coach, Joe King, believes she will crack the State all-comers 200 metres record (2m 40.5s) of Olympian Jan Andrews, at the national championships in Brisbane next month.

CLEAN SWEEPS

Freestyler Jenny Thorn, another Commonwealth Games team aspirant, equalled a 20 year old record when she lifted the 100 metres freestyle championship, thus making a clean sweep of all the open freestyle events. By winning the 100, 200, 400, and 800 metres, Jenny matched the 1946 performance of 1948 Olympian Denise Spencer.

Brisbane's Noel Reynolds clinched the open 400 metres freestyle and his fourth gold medal of the championships, with a split decision over Toowoomba's Chris Shapland. They churned side by side through each of the eight laps and slammed the wall together through a flurry of foam.

Three of the five judges went for Reynolds, and an average taken among the clockers gave him a time of 4m 33.3s, 1/10 sec faster than Shapland.

SIX SECONDS FASTER

Kevin Daly, a junior who could not beat Jill Groeger in a club swim three weeks ago, would not bow to Robert Cusack and pipped the Centenary Club all-rounder in 2m 37.4s. This was nearly six seconds faster than Miss Groeger's swimming effort.

Ross Gynther, of Wavell Heights, who has been trying to win a State open breaststroke title for the last three years, stole last night's 200 metres event from such class company as seasoned State representative Alan Humphreys, and ex-Olympian Bill Burton.

It looked like another Humphreys - Burton struggle when Humphreys turned a foot ahead of Burton for the tough beat home. Few saw Gynther - it is certain that Humphreys and Burton didn't - make his driving finish.

CLARKE FIT

Another supremely fit champion, Steve Clarke, cut down more talented opposition in the open 200 metres butterfly. Ron Birch, a former junior champion, led by 5 yards at the 50 metres and by 2 yards at the 100, but Clarke, and then Rockhampton's Bob Beasley, pegged him back, Clarke retaining his title in 2m 33.5s, 10 sec faster than he clocked last year.

Jenny Steinbeck, another to take home four gold medals, also gained two silvers, from six starts, and her time of 65.8sec in finishing second to Jenny Thorn in the open 100 metres freestyle, represented half a second improvement on her previous best.

Only individual record-breaker apart from Miss Groeger was Wendy Oliphant, who lopped sec off Marilyn Stock's junior resident record for 200 metres butterfly Miss Oliphant finished stylishly in 2m 53s.

The David Theile Trophy for the swimmer closest to world standard was won by backstroker Allyson Mabb, and the E.J.Davis Memorial Trophy for the best performance in under-age swimming, was won by Dianne Charlton.

THESE ARE FOR TITLES

These swimmers were selected to represent Queensland in the Australian swimming championships next month. Junior championships will be held in Perth, and the senior events in Brisbane.

SENIOR

Men - N.Reynolds (B'ne), G.Brough (Mermaid Bch), R.Walk (B'ne), A.Clarke (B'ne), A.Humphreys (B'ne), R.Gynther (B'ne), C.Shapland (T'mba).

Women - J.Thorn (B'ne), A.Mabb (B'ne), J.Groeger (B'ne), M.Manfield (B'ne), H.Henderson (Gladstone).

JUNIOR

Men - D.Blackett (B'ne), G.Brough (Mermaid Bch), R.Cusack (B'ne), N.Horne (T'mba), B.Shapland (T'mba), W.Sweetenham (Mt Isa).

Women - J.Brough (Mermaid Bch), L.Doherty (B'ne), D.Edmonds (B'ne), W.Oliphant (B'ne), J.Steinbeck (B'ne).

C.M. Wednesday 26 January 1966

THEILE FOR SWIM POST

President of the Queensland Amateur Swimming Association, Dr E.Theile, has been nominated as a Vice President of the Australian Swimming Union. He will oppose Mr Syd Grange at the Union's Conference to be held in Brisbane on Thursday February 24.

Dr Theile is the father of David Theile 1956 Melbourne and 1960 Rome Olympic Games dual backstroke gold medallist. He has been nominated by the Queensland Amateur Swimming Association for the national Vice Presidency. This is the first time Dr Theile has sought an Executive position with the Australian Swimming Union.

Last week the New South Wales Swimming Association decided to nominate Mr Tom Middleton against Australian Swimming Union Secretary, Mr Bill Berge-Phillips.

Mr Berge-Phillips is also President of F.I.N.A.

C.M. Wednesday 2 February 1966

BELGIAN REFEREE FOR WATER POLO

By Frank O'Callaghan

One of the world's leading water polo referees, Belgian Charles Augerhausen, will officiate at the National water polo championships in Brisbane from February 18 to 28. The Australian Swimming Union which will fly Augerhausen here from Europe, will receive financial assistance from a cigarette company.

The Belgian officiated at the 1964 Tokyo Olympics, and when in Brisbane will conduct seminars for Australian water polo coaches.

National championship water polo matches played at the Valley pool in conjunction with the Australian swimming championships late this month, will provide an innovation in Australia.

Two polo matches will be played during breaks in the 11-event Australian championship swimming programmes on the nights of February 25, 26, and 27.

GAMES VOTE

A mail vote has been taken among the Australian States to decide if the Australian swimming championships will also be the Commonwealth Games trials.

The Australian Swimming Union has already decided that special Games trials be held in early May. But the New South Wales Swimming Association is behind a move to revert to the normal practice of using the national championships as the sole Games trials.

C.M. Monday 7 February 1966

BRISBANE GIRL'S TWO BACKSTROKE TITLES

Perth - Jenny Steinbeck, 14-year old St Rita's Convent (Brisbane) schoolgirl, claimed two Australian junior championships here at the week-end Jenny, of Clayfield, won the 200 metres junior championship on Saturday, and yesterday took the 100 metres. She clocked 2m 42.1s, and 1m 16.6s respectively.

The 200 metres time is 2sec faster than it took her to win the State title, but the 100 metres mark is 0.8sec slower than the Queensland championship winning time.

Jenny also won a bronze medal by finishing third in the 100 metres freestyle in 67.1sec.

The Broughs, of Mermaid Beach, Greg and his sister Jo-Anne, will each bring home a bronze medal, Greg, 14, for a third placing in the 400 metres freestyle, and Jo-Anne, 12, for a similar performance in the 200 metres individual medley. (Results given)

C.M. Monday 21 February 1966

QUEENSLAND DOWN IN WATER POLO

Western Australia piled on six goals in the last quarter to beat Queensland 12-4 in the National Water Polo Titles at the Valley pool yesterday. Queensland played with real fire until the last quarter, but then "fell apart".

It was Queensland's third defeat in the titles which started on Friday.

In another contest, New South Wales completely outclassed Tasmania 11-0.

The titles continue this week.

C.M. Tuesday 22 February 1966

N.S.W. SHOULD TAKE MOST OF THE SWIM TITLES

New South Wales swimmers are expected to win most of the titles in the Australian swimming championships at the Valley pool starting on Friday.

Brisbane coach, Mr Joe King, said, "A lot of the events will be a re-run of the N.S.W. championships."

However, Queensland resident record-holders, Allyson Mabb and Jill Groeger, should offer the southerners tough opposition. The 100 metres butterfly and the 200 metres backstroke will be strongly contested by Jill and Allyson respectively.

Jenny Thorn, 17, is a Queensland place prospect in the distance events.

Q'LD DOWN 10-2 IN WATER POLO

Victoria, in a devastating attack, beat Queensland in the fourth round of the Australian Water Polo championships at the Valley pool last night. Queensland went down 10-2 under a barrage of goals from Victorians Ian Mills and Gary Anderson, who scored three goals each.

Bill Tilley, Queensland goalkeeper, helped prevent Victoria from widening the lead by stopping some furious shots when play was hectic around the goal.

C.M. Saturday 26 February 1966

MABB, GROEGER, SET SWIM RECCORDS
By Frank O'Callaghan

Two Queensland girls, Allyson Mabb, 16, and Jill Groeger, 17, took giant strides towards Commonwealth Games selection with national title wins at the Valley pool last night. Miss Groeger, a butterfly swimmer, and Miss Mabb, a backstroker, each set Queensland records.

Miss Groeger's courageous finish snatched the 200 metres title in the last 10 yards. She set a new State standard of 2m 48.4s, 3.7sec inside Olympian Jan Andrews record, and 6.9sec faster than her time at last year's national titles.

Miss Mabb, of Hamilton, laid her claim on the 200 metres backstroke crown in the first 100 metres. She flattened all opposition and streaked home eight yards clear of West Australian girl, Lyn Watson. Her time of 2m 35s lowered Commonwealth Games representative, Sue Costin's Queensland record by 1.2sec.

Miss Groeger, who will defend her 100 metres title tonight said, after receiving her gold medal, "I haven't got an ounce left, I gave it the lot over the last fifteen yards." Jill swam strictly to the instructions of her coach Joe King. She stayed behind the shoulder of her chief rival, Lesley George of New South Wales, and pulled out a paralysing finish. Miss Mabb, also the National 100 metres champion in her specialty stroke, would, in the words of her coach Gordon Petersen, have broken Belinda Woosley's Australian record of 2m 36.3s had she been extended.

FOUR OTHERS SHINE

Other outstanding Queenslanders last night were backstroker Rodney Walk, medley swimmer Chris Shapland, and freestylers Jo-Anne Brough, and Jenny Thorn.

Rodney clocked his personal best for 100 metres of 64.4sec to win a silver medal, and Chris, though outside his best time, claimed a bronze medal in the 200 metres event.

Jo-Anne became the first 12-year-old Queensland to break 5 minutes for 400 metres when she clocked 4m 57.7s, and Jenny's 4m 49.2s for the same event is the fastest by a Queensland., to gain her a third place.

C.M. Monday 28 February 1966

REYNOLDS, SWIM OUTSIDER, SETS A RECORD
By Frank O'Callaghan

Queensland's Noel Reynolds, a rank outsider for the Australian 100 metres butterfly championship, snatched the title in Queensland record time at the Valley pool last night.

Reynolds, now a casual club swimmer, surged past Olympian John Stark and highly-rated Graham Dunn in the second lap, and touched the wall in 60.1sec to equal Olympic champion Kevin Berry's Queensland record. Stark, the 200 metres champion, clocked 61.1sec, and Dunn, the Queensland junior, recorded breaking time of 61sec.

Reynolds nominated for this year's State and National titles as a matter of habit.

SHORT TRAINING

"I didn't really want to swim in either," he said last night. "But when the time came, I decided to give it a go." It is only in the last eight weeks that he has done any serious training, and that has been a mere mile a day, one third of his programmes of other years.

By producing form on such a skimpy preparation, Reynolds must join Jill Groeger, a girl he has trained with for the past ten years, Allyson Mabb, and Jenny Steinbeck as a Queensland contender for the Commonwealth Games team for Jamaica in August.

Miss Mabb took her second national title, the 100 metres backstroke, as she pleased. Her time of 1m 11.8s equalled her State record, and is a splendid follow-on to her 200 metres championship win on Friday night.

Miss Groeger, the dual butterfly champion, and freestyler Miss Steinbeck who turned 15 yesterday, already have laid their Games selection claims.

There was no Australian or world record in the men's 100 metres freestyle championship, but there were plenty of thrills. Sydney schoolboy, Michael Wenden, carved way clear of John Ryan and David Dickson after the turn, and slapped the wall in 54.6sec, a time which was once a world record.

Queensland's Jenny Thorn, a disappointment in Saturday night's 100 metres, swam her best yet 200 metres, a bronze medal-winning 2m 19.3s. Jenny turned up for the 800 metres where her 10m 17s earned her second place.

(Results given)

C.M. Tuesday 1 March 1966

NO WINTER POOLS FOR SWIM TEAM'S TRAINING

By Frank O'Callaghan

Most members of the Australian swim team for the Commonwealth Games next August, and their coaches, are concerned about the lack of winter training facilities. For the first time since 1952, the Australian Swimming Union will not be sending its team to Townsville for pre-Games training.

On that occasion the Queensland Amateur Swimming Association undertook to finance the Australian team's training.

The Union has ruled that swimmers for this year's Games use whatever facilities are available to them, and in Brisbane, Sydney, and Melbourne, there are few.

Of the 25-strong team, 14 are from New South Wales, four each from Queensland and Victoria, and three from Western Australia. The Games team will leave Australia in July, and the Games start in Jamaica on August 4.

Western Australians are well catered for with heated long course pools.

Games team aspirants and their coaches expressed their concern about the lack of winter training facilities when in Brisbane for the national championships. Don Talbot, who has been appointed official team coach, a position he assumes on the departure date, hopes to spend some time in Townsville with at least some of the swimmers who have been chosen in the side.

FOUR QLD GIRLS CHOSEN

Queensland has four swimmers, all women, in the team - butterflyer Jill Groeger, backstroker Allyson Mabb, and freestylers Jenny Thorn and Jenny Steinbeck.

Miss Groeger and Mabb each won the 100 and 200 metres Australian championships in their respective strokes. On each occasion they set, or equalled, State or National records.

Few swimmers have worked under greater difficulties than Miss Thorn to make the national team. Jenny, 17, whose sister Robyn swam for Australia at the 1964 Olympics, battled through the championships with a virus complaint.

TWO RECORDS

Yet she finished second in the 800 metres and third in the 200 and 400 metres and set two State records. Her training venues extended from a 16 2/3 metres pool at Kenmore, to a 50 metre one at Scarborough.

Jenny Steinbeck turned 15 on Sunday, the day she was chosen for the side. She went to Perth last month and picked up the national junior 100 and 200 metres backstroke titles, and finished third in the freestyle. Less than a month later she finished fourth in the senior freestyle title in the new State record time of 63.6sec, lopping a hefty 2.2sec off her previous best.

Miss Groeger is coached by Brisbane amateur coach, Joe King, Miss Thorn by professional Arthur Cusack, and Misses Mabb and Steinbeck by Valley pool leese, Gordon Petersen.

NOEL UNLUCKY

Queensland butterflyer, Noel Reynolds, who stole the Australian 100 metres title from the talented Olympian John Stark, and Sydney's vaunted junior Graham Dunn, is an unfortunate omission. The 20-year-old Reynolds clocked 60.1sec in what must be the skimpiest preparation of any swimmer at the national titles. His accountancy studies restricted him to one mile a day in training. Given a full training schedule, surely he would have come down well below the minute.

Reynolds, however, missed his big chance by contesting the 400 metres freestyle, and not the 200 metres butterfly.

The butterfly sprint spot was reserved for Olympic champion Kevin Berry, now studying at the University of Indiana with another Games team member, Olympic 1500 metre freestyle champion, Bob Windle. Their selection was based on times submitted to the A.S.U. on Saturday by University of Indiana coach, Dr Jim Counsilman.

(Full team named)

Courier Mail Thursday 1 September 1966

DR THEILE GOES BACK

Queensland Amateur Swimming Association President, Dr E.Theile, will be returned for his third consecutive term next Monday night.

The Association's Annual Meeting at the Builders Exchange, Wharf Street, will also discuss a recommendation for Life Membership for the Association's Registrar, Mr Malcolm Munro.

A ballot will be required to choose five Vice Presidents from seven applicants. Retiring Vice Presidents Messrs R.Dunn, E.Barnacle, G.Murphy, G.Bennett, and J.Mcnamara will be opposed by C.Arnold and A.Steinbeck.

C.M. Friday 9 September 1966

LEANDER VOTE ON SELECTORS

Brisbane's Leander Swimming Club will move a vote of "No confidence" in the Australian selectors at the QASA Council meeting on September 26.

Leander's action has been prompted by the selector's failure to select Queensland's national butterfly champion, Noel Reynolds, in the Commonwealth team which competed in Jamaica last month. Reynolds was the only Australian champion not named in the Games team. He won the 100 metres butterfly title in 60.1 seconds from John Stark (who was unavailable for Games selection) and Graham Dunn.

BELOW QUOTA

The Games team comprised 25 swimmers when 28 were permitted, and two butterfly swimmers when three could have been chosen. The butterfly swimmers were Dunn and Olympic champion Kevin Berry, who did not contest the nationals. Berry later withdrew and was replaced by Brett Hill of Sydney. The performance in Jamaica of Dunn and Hill spotlighted the short sightedness of the selectors. The 110 yards was won by R.Jacks of Canada in 60.3 seconds. Dunn finished second in 60.9 seconds, and Hill fifth in 61.9 seconds.

It is obvious that Reynolds, with six weeks of intensive training under Games coach, Don Talbot, a butterfly specialist, was genuine gold medal material. The Leander charge showed the selectors lax in not recognising this.

Leander will also query the authority of the selectors, who when asked by a Queensland delegate to the A.S.U. why only 25 were chosen for Jamaica, replied that there were no others good enough.

C.M. Wednesday 28 September 1966

STEINBECK IS SWIM CHIEF

Mr Arch Steinbeck is the new Chairman of the Queensland Amateur Swimming Association. Mr Steinbeck is the father of Commonwealth Games swimmer, Jenny. He succeeds Mr Marshall Cook who did not seek re-election.

The QASA Council has rejected a motion by the Leander Club seeking a vote of "No confidence" in the Australian selectors. The motion was promoted by the omission of the Queensland and Australian butterfly champion, Noel Reynolds, from the Commonwealth Games team, and the selector's failure to fill the 28 places in the Games team. It was felt that the three positions unfilled would have been occupied by potential 1968 Olympic Games representatives who would have benefited by Commonwealth Games experience. The Council which defeated the motion was obviously swayed by a speech made by Australian Swimming Union President and Queensland Life Member, Dr D.Dowling.

C.M. Thursday 29 September 1966

Picture : Jenny Steinbeck on the starting blocks

JENNY IS OUR BIG HOPE FOR THE GAMES

Jenny Steinbeck, though only a junior, is Queensland's hope for this season's national women's 100 metres freestyle swim title and the 1968 Olympics

At the 1964 Jamaica Commonwealth Games Jenny was the second fastest Australian behind Australian champion Lyn Bell, and her coach, Gordon Petersen, is hoping she can down Lyn and break 62 seconds for this season. Last night Jenny swam easily in the Valley Pool.

C.M. Friday 7 October 1966

MAJOR SWIM DATES CLASH

Dates of next year's Australian pool and Queensland's surf championships will clash, but there is just a chance because of South Australia's religious influence Queenslanders who are champions in both swimming fields may contest both sets of titles.

The Queensland surf titles will be held at Bundaberg on February 25 and 26. The Australian pool titles are held traditionally on the last week-end in February, but because Adelaide will not permit the championships to be held on a Sunday, they will now run from Thursday February 23 to Saturday February 25.

If the airlines co-operate and Queensland Clubs can finance their stars, it is possible they can be flown from Adelaide to Bundaberg to start in the surf championships. In similar circumstances in 1964, Surfers Paradise junior, Grant Rayner, flew from Brisbane to Ingham and after a sleepless night won the State junior surf title.

C.M. Wednesday 9 November 1966

NEW SWIM SELECTOR

Mr John McNamara, a Warwick dentist, has been named the third Queensland selector. He joins Dr E.Theile and Mr Joe Emerson on the selection panel.

Mr McNamara, who is prominent in Rugby Union and swimming on the Darling Downs, managed the Australian swim team to the Commonwealth Games at Jamaica last August. It is possible he will be Queensland's nominee for a seat on the Australian selection panel next July.

CHANGE PRACTICE

The Australian Swimming Union's practice of choosing officials at the Conference held in conjunction with the national swimming titles has ceased. They will now be chosen at the July (off season) Conference. This means that those whose terms would normally have ended next February when the national titles will be held, will continue in office until the following July.

The officials include Queensland's Australian Swimming Union President, Dr D.Dowling, as well as the current Australian selection panel, Mr W.Berge-Phillips (NSW), Mr A.Blue (Vic), and Mr J.Harrison (Tas).

TITLE DATES

Time trials designed to give added competition to Queensland swimmers will be held at the Valley pool next Sunday, starting at 5pm.

Queensland Age Distance championships will be held on December 16, and the rest of the Age Titles from January 11 to 15. The State open titles will be held from January 19 to 22. The national junior championships are scheduled for Sydney (Feb 4-5), and the senior ones for Adelaide (Feb 23-25).

C.M. Wednesday 16 November 1966

NEW CLUBS ENTER FOR SWIM TITLES

Women's Sport by Ruby Robinson

More than 200 entries have been received for the Q.L.A.S.A. championships at the Valley pool on Friday night beginning at 7pm. Entries include many from newly formed clubs. These include Chermside, Aspley Marlins, Acacia, Dunlop Park, and the revived Moreton Bay Club which has been out of existence for many years.

Bundaberg has two swimmers, H.Brook and D.Sauer, the latter entered in every stroke event in the sub-junior championships. Toowoomba's entries are S.Rose and F.Rillie.

Greatest interest in the 20 events is centred in the junior and sub-junior grades. In the sub-junior freestyle 50 metres, at least five starters can be regarded as potential winners from the 25 nominations.

BUSY GIRL

One of the busiest swimmers will be Leander's Dianne Charlton who surprisingly has entered for the open freestyle 100 metres. She is also in the Under 12 freestyle and backstroke events.

C.M. Thursday 17 November 1966

GAMES FOUR

Queensland's four Commonwealth Games swimmers will compete at the Valley pool on Sunday. The quartet is among the record 200 number of competitors who will line up in the metropolitan championships.

Freestylers Jenny Steinbeck and Jenny Thorn, butterflyer Jill Groeger, and backstroker Allyson Mabb are all keen to claim metropolitan titles.

For various reasons all but Miss Mabb have had restricted training to date, but Allyson's times indicate she is heading for her most successful season. She has already clocked 2m 39.7s for 200 metres and 1m 13.9s for the sprint. These times are only 2.5sec and 1.7sec outside her record-breaking State championship wins of last year.

National butterfly champion, Noel Reynolds, and Queensland's best-yet breaststroke prospect, Jo-Anne Barnes, will also contest the titles.

SHE'S ELEVEN

Reynolds' omission from the Commonwealth Games team was shabby treatment. He will contest 20 metres of butterfly and 400 metres of freestyle on Sunday.

Jo-Anne is only 11, and last Sunday week clocked 1m 27.5s for 100 metres, lopping 3.2sec off her State Age record. This was only 0.6sec slower than the time Margo Manfield swam to win the State senior title last January. Jo-Anne and Margo seem likely to be opposed in the breaststroke 200 metres on Sunday.

Heats will begin at 9.30am. The finals are scheduled for 6.30pm.

C.M. Monday 21 November 1966

JO-ANNE BEAT SENIOR CHAMPION

By Frank O'Callaghan

Jo-Anne Barnes, a pert 11-year-old Oxley schoolgirl, beat State senior breaststroke champion Margo Manfield in the metropolitan distance swimming championships at the Valley pool last night. Jo Anne's time of 3m 8s lopped 7.8sec off the State Under 12 record, and stamped her as the best breaststroke prospect Australia has had. If she continues at her current rate of

improvement, she could well represent Australia at the 1968 Olympic Games in Mexico City.

Last night's performance was 2.7sec faster than the best and 11-year-old Australian last season. Earlier she had won the 100 metres title in 1m 27.6s , a mere 1/10sec outside her pending State record.

In the 200 metres event she led Miss Manfield by a touch at the 100 metres mark (1:31.6), nosed a little further ahead down the third lap, and when it seemed the stronger girl might wear her down, Jo-Anne produced a withering finish which would sweep her to a four yard advantage.

(Results given)

C.M. Friday 25 November 1966

SWIM TWO TO MEET

By Frank O'Callaghan

Queensland Swimming's best drawcards, Jo-Anne Barnes, 11, and Margo Manfield, 18, will meet again at the Valley pool tonight.

Jo-Anne beat Margo over 200 metres last Sunday. Tonight in the Queensland Ladies Association carnival they will go over 100 metres. Margo is the Queensland champion over both distances.

Jo-Anne's sensational times stamp her as a future Olympian. She clocked 3m 8s last Sunday, only 1/2sec outside Margo's State championship winning time.

OTHER EVENTS

Tonight Jo-Anne will swim in the Under 15 50 meters event. Both girls also will swim in the Brisbane Amateur Swimming Association's championship breaststroke heats on Sunday. The finals will be held on December 2. The Brisbane titles will be conducted with heats tomorrow afternoon and night, and on Sunday morning. Finals for the freestyle, butterfly, and relay events will be held on Sunday night. Backstroke and breaststroke finals are scheduled for the night of December 2.

Commonwealth Games representatives, Jenny Thorn, Jenny Steinbeck, and Allyson Mabb, will compete tonight, but Miss Thorn is unavailable for the Brisbane titles.

C.M. Saturday 26 November 1966

JO-ANNE IS SWIM STAR

Eleven-year-old Jo-Anne Barnes starred again in the State women's swim titles in the Valley pool last night. The Corinda schoolgirl gave away six or seven years to her opponents, and brilliantly captured the breaststroke 100 metres title. Jo-Anne put in a scorching finish to cut back two body lengths on the leaders in the last 30 yards. She went past Margo Manfield in the last few strokes to win by a touch. Jo-Anne, a daughter of former swimmer Connie McLoughlin, went on to take the Under 12 breaststroke title.

Jenny Steinbeck, only half-fit following Junior exams, took the overall points title. She coasted to the open freestyle title, was well beaten by Allyson Mabb in backstroke, and gave Jill Groeger a great battle in butterfly.

Susan Stewart was the top sub-junior, scoring classy wins in the freestyle and butterfly titles.

(Results given)

C.M. Wednesday 30 November 1966

"PARENTS A DRAG" ON SWIMMING

Queensland Olympic swimmer, Denise Spencer, now a mother of six, accuses doting parents of being a drag on the sport. Now Mrs George Henderson, a Taringa housewife, Denise has put her children under the exclusive authority of coach, Mr John Carew.

WATCH HAPPY

"There must be only one coach for a child swimmer, and a parent is too close to do the job effectively," she said. "Those stopwatch-happy parents you see charging around a pool concourse are damaging not only swimming but the swim potential of their children."

"Recently I saw a coach give good advice to a very promising young Brisbane swimmer. Her father came along and immediately afterwards and told her the opposite. Imagine her confusion."

Denise claimed that parents with lofty swim ambitions for their children are the cause of the G.P.S. carnival being discontinued.

"Their little Johnny must swim this time and that time, he must train morning and evening. He is too tired to study, his marks at school drop, and his education is being sacrificed for the sake of swimming," she said.

GAMES FINALIST

"The sooner parents and coaches realise that it is a summer sport, not a 10-month-a-year grind, with callisthenics and weight-lifting in the off-season, the better for the child and the sport. A happy child in swimming, as in everything, is an efficient one,"

Denise was Australian freestyle champion over all distances from 100 to 800metres from 1946 to 1950. She was a finalist in the 1948 Olympic 100 metres title in London, and finished fourth in the Empire Games title in Auckland in 1950.

She is an enthusiastic adviser-coach to the Brigidine Convent at Indooroopilly and the Commercial Swimming Club, and hopes when family commitments allow, to teach swimming to under-privileged children, particularly crippled ones.

C.M. Wednesday 14 December 1966

JO-ANNE SETS TWO RECORDS

Queensland's breaststroke swim find, Jo-Anne Barnes, in 15 minutes at the Valley pool last night shattered two State Under 12 records. Jo-Anne downed the State senior champion, Margo Manfield, over 100 metres to trim one second off her previous record and 15 minutes later knocked 1.3sec off her 50 metres time by clocking 39.4sec.

She and Margo, friendly club mates and arch rivals, should have some thrilling clashes when Margo gets into full training. Margo, 18, has just completed Senior school examinations, and is about to begin her training schedule.

TOOK ALL FOUR

Two other young girls, Debbie Handley, 10, and Susan Stewart, 13, gave remarkable performances in winning titles in their age group in all four strokes.

Debbie, of Herston, took out the backstroke championship in 39.9sec, and the breaststroke in 42.2sec. She claimed the freestyle and butterfly titles last Saturday night.

Susan, 13, of Wavell Heights, claimed the 50 metres breaststroke title in 40.8sec, and though she posted only the third fastest time in her backstroke

heat, she downed the finalists in 37.2sec. She too, bagged her other titles last Sunday night.

(Good picture of Jenny Steinbeck)

C.M. Tuesday 12 January 1967

JOANNE SWIMS TWO NEW RECORDS AT AGE TITLES

Joanne Barnes established herself as Australia's fastest Under 12 breaststroker at the State Age titles at the Valley pool last night. Joanne, 11, of Leander Club, set two records.

In her heat of the Under 12 100 metres breaststroke, she set the new mark of 1m 23.9s, which was 1.2sec under her own record. Later she coasted to an effortless win in the Under 14 200 metres breaststroke in 3m 2.5s, whipping 4.8sec off Stella McCallum's record. This time also was well under her own Under 12 record of 2m 8s.

Coach Joe King said Joanne's time for the 100 metres was 4.4sec under the best time for her age group last season. With this time she could be worrying much older swimmers this season. It is only 2.9sec outside Rosemary Lassig's State open and one-time world record of 1m 21s.

(Finalists given)

C.M. Friday 13 January 1967

N.Q. BOY SET SWIM RECORD

One record was bettered and one equalled in heats of the State Age swimming titles at the Valley pool last night. Three boys swam under the existing record of 1m 6.3s in the 12 and Under 13 100 metres freestyle. Townsville swimmer Michael Tavaski set the new mark at 1m 5.7s.

In the same event Michael Glancy (Langlands Park) clocked 1m 5.9s, and Greg Cusack was only 0.2sec further away in 1m 6.1s.

These three are the top qualifiers for tonight's final, and any one of them could take out the title.

Bega (NSW) visitor Michael Creswick equalled N.Martin's record of 42.1sec for the 10 and Under 11 50 metres breaststroke.

(Qualifiers named)

C.M. Saturday 14 January 1967

JOANNE HAS WORLD TIME

Eleven-year-old Joanne Barnes put in a world class swim at the State Age titles at the Valley pool last night. In winning the final of the Under 14 200 metres breaststroke, she lowered her own record of 3m 2.7s set on Wednesday night, to the remarkable time of 2m 58.9s.

Followers of the sport say they cannot recall a better time being swum by a girl of Joanne's age in the world.

Joanne also lowered her other record set on Wednesday night. In the Under 12 100 metres breaststroke she set the new standard at 1m 223.7s, taking 0.2sec off her old mark.

EIGHT RECORDS

Eight records were broken or equalled on a night when country swimmers performed very well.

In the Under 14 400 metres, all eight finalists came from outside the metropolitan area, and they turned on one of the most exciting finishes of the night. The race went to Jo-Anne Brough of Mermaid Beach, who held off a determined challenge from Toowoomba girl, Barbara Barrett, over the final 200 metres. Another Toowoomba swimmer, Jenny Patterson, was third. (Results given)

C.M. Monday 16 January 1967

COUNTRY SET 10 OF SWIM RECORDS

Country swimmers triumphed in the final day of the State Age titles at the Valley Pool. They established 10 of the 19 records created during yesterday's heats and finals.

But throughout the titles metropolitan entrants won 31 gold medals for individual events against the country's 26. They broke evening the relay events, each winning six.

Townsville swimmer, Robert Carey, turned in the best individual final performance. With a flashing burst he clocked 1m 15s in the Under 12 and 13 100 metres butterfly. He lowered his previous record set in an earlier heat by 1.6sec, and clipped 4sec off last year's time.

Overall times tumbled during the titles. 47 records were broken in the 69 event programme.

(Results given)

C.M. Friday 20 January 1967

RECORDS TOPPLED IN STATE SWIM TITLES

Five resident records were broken and one Queensland record was equalled at the State swimming titles at the Valley Pool last night.

Greg Brough (Mermaid Beach) claimed the first record in the final of the men's 1500 metres freestyle. He clocked 18m 19.6s to knock 9.1sec off John Rigby's previous record.

In a boil-over in the junior 200 metres medley, Janelle Taylor (St Bernadette's) beat Commonwealth Games representative Jenny Steinbeck to equal Deidre Pearson's Queensland record of 2m 45.3s.

STATE RECORD

Janelle took the race by two yards in an exciting finish. The time bettered by 2.2sec the State resident record which was held by Jo-Anne Brough.

Robert Cusack in the 100 metres junior butterfly, shattered W.Sweetenham's resident record of 65.1sec. Cusack clocked the remarkable time of 62.8sec, and coach Arthur Cusack said that Robert could have lowered his time by another 1.5sec.

Twelve-year olds, Jo-Anne Barnes and Jane Spiro, looked set to topple much older swimmers in the open 200 metres breaststroke final tonight. In their heats last night Jane was the fastest qualifier with a time of 3m 0.4sec, and Jo-Anne finished in 3m 1.7s, for the second fastest time of the night. The nearest open swimmer was Margo Manfield, 17, who clocked 3m 5.2s.

Arthur Cusack, who coaches Margo and Jane, predicted that Jo-Anne would beat his two swimmers in the final tonight.

Dianne Charlton, 11, swimming in the junior 200 metres backstroke, established a new Under 12 record of 2m 50.9s.

The only other record set in last night's heats was by Greg Wardle (Langlands Park). This was a Queensland resident record of 2m 52s - 0.1sec faster than Alan Humphrey's old mark for the junior 200 metres breaststroke.

(Qualifiers given)

C.M. Saturday 21 January 1967

NEW WORLD CLASS SWIM BY JOANNE

Brisbane's Joanne Barnes, 11, swam further into world class by smashing the State senior 200 metres breaststroke record at the State championships at the Valley Pool last night. Joanne's classic stroking swept her to the title in 2m 56s, 1/10sec inside the record set six years ago by Olympian Lassig. There is little doubt this is a world record for an 11-year-old.

The best time for an 11-year-old in Australia last year was 3m 11.2s, and the best Under 16 time was 2m 56.9s. Joanne now seems certain to become the youngest swimmer to represent Queensland in a senior championship.

TWO GREAT

So great was Joanne's swim that two other grand performances in the race went unnoticed.

Jane Spiro, 12, clocked 3m 0.2s, and the champion, Margo Manfield, 3m 2.2s. Margo sought compensation for surrendering her crown by posting her best time yet. Jane, like Joanne, has a wonderful future. She has had only four weeks of serious training and so lost considerable ground at the turns.

Joanne followed coach Joe King's instructions to the letter. She stayed with Jane for 100 metres and then cut loose. She opened up a five yard lead at the 150 metres mark, and had increased it by another 2 yards at the finish.

OTHER STARS

Commonwealth Games swimmer Jenny Steinbeck, and the Cusack brothers Robert and Greg, were other stars in a night when six records fell.

Jenny, a Commonwealth Games representative at Jamaica last year, won the 200 metres junior backstroke as she liked, and then in the junior medley peeled 1.9sec off Rosemary Lassig's senior 200 metres medley record. Jenny swam 2m 42.9s to beat Jan Taylor, her conqueror in the previous night's heat.

FIRST GOLD

About 40 minutes later Jan went out and claimed the open 200 metres medley title in 2m 48.2s.

Greg Cusack, 13, brought the first gold medal into the family with a record-breaking 2m 50.4s for the 200 metres breaststroke.

Three events later, Robert, 16, lowered the junior 100 metres butterfly time to 62.3sec, and later in the night bagged another gold medal for his junior 200 metres medley swim. His time of 2m 30.5s was only 1/5sec outside the record.

(Results given)

C.M. Friday 27 January 1967

LORRAINE COULD BE OUR FIRST OLYMPIC DIVER

Queensland looks like having its first woman representative in an Olympic Games diving team, in Mexico City, next year. She is Lorraine McArthur, 20, of Toowong, Queensland's open women's champion for six successive seasons.

Her coach, Olympic representative Graham Deuble, yesterday predicted Lorraine's selection after she beat the Australian champion, Sue Knight, last week-end.

N.S.W. TITLE

Lorraine won the New South Wales 3 metre championship with 148.83 points, 1.33 ahead of Sue, who was third.

But first, Deuble said, Lorraine must "polish up" some of her dives. One was the reverse 1½ somersault with 1½ twist, which gained her only 5½ points out of a possible ten, in Sydney.

Lorraine will defend her Queensland title at the championships in Warwick this week-end.

Her main rival will probably be former New Zealand champion, Gay Morely, who was fourth in the New South Wales titles.

The men's championship could be between Gavin Pascoe, of Brisbane, and Bill Robinson, runner-up in last year's New Zealand championships. Absence of the current champion, John Everding, through a foot injury, has limited this field.

The three metre championships will be staged tomorrow afternoon and the one metre title on Sunday.

C.M. Saturday 28 January 1967

WIND MAY HIT DIVERS

Wind may lower the standard of diving in the State titles at Warwick this afternoon and tomorrow. Queensland Amateur Diving Association President (Mr Jack McArthur) said last night that any wind could upset competition.

Many of the 25 competitors - one and three metre - were visibly upset by wind yesterday during a torrid 12-hour workout.

Mr McArthur said the unusually long training period was necessary because of the new board in use. Of American design, it was the only one in Queensland and strange to all contestants.

C.M. Monday 30 January 1967

SIX DIVERS NAMED TO GO TO TITLES

Warwick - Three men and two women will represent Queensland at the National diving championships at Adelaide next month. They are Bill Robertson, Gavin Pascoe, John Kellett, Lorraine McArthur, and Gaye Morely.

Jeff Abrahams will represent the juniors in Sydney.

At the State titles here yesterday, Brisbane diver, Aye Morely, injured herself in a dive, but had scored enough points to be runner-up in the one metre springboard titles to Brisbane's Lorraine McArthur. Gaye struck the board and sustained a suspected wrist fracture and was unable to complete her two remaining dives.

(Results given)

C.M. Friday 3 February 1967

MARGO FOR SWIM TITLES

Queensland breaststroke swim champion, Margo Manfield, a discard from the State side, will contest the national titles as an individual. Margo's Club, Leander, will pay half her fare to the championships in Adelaide on February 23, 24, and 25.

Although she is State 100 metres champion, Margo missed selection in the State side for the nationals. Her times for 100 and 200 metres are well within national championship standards.

She retained her 100 metres title in 1m 23.9s, a time she has since bettered by 1/10 sec. In surrendering her 200 metres crown to 11-year-old sensation Joanne Barnes, Margo clocked her personal best time of 3m 2.2s.

BEST CHANCE

Her best national place prospects are in the 100 metres championship. The Victorian title was won in 1m 21.6s when Margaret Kaghin beat the Australian champion Heather Saville. Judy Playfair, a junior, won the New South Wales title.

The Queensland junior team left yesterday for the national junior titles in Sydney on Saturday and Sunday.

TEAM STRONG

The team is one of the strongest in years. Commonwealth Games representative Jenny Steinbeck, breastroker Joanne Barnes, Freestyler Fay Rillie, and all-rounder Jo-Anne Brough are leading girl contenders for national championships.

Of the boys, the Cusack brothers, Robert, a butterflyer, and Greg, a breastroker, carry Queensland's strongest hopes.

Joanne Barnes and Miss Playfair should dispute the 100 metres championship. Joanne's best 100 metres time is 1m 23.7s, or 0.7sec slower than Miss Playfair's.

Jenny Steinbeck's 62.6sec for 100 metres of freestyle at the State championships equalled Ilsa Konrads Australian junior record. There is not a junior in the country likely to touch her.

Neither is there a junior or a senior likely to match Joanne's best 200 metres time of 2m 56s.

C.M. Monday 6 March 1967

RECORD RELAY BY QUEENSLAND GIRLS

Sydney - Queensland girls, Jenny Steinbeck, Barbara Barrett, Jo-Anne Brough, and Fay Rillie, smashed the Australian junior freestyle 4 x 100 metres relay record yesterday. Their 4:22.8 took 1.4sec off the Australian record and 9.9sec off the N.S.W. record.

The Queensland girls beat Victoria by only a narrow margin, with New South Wales third, in the national junior titles at Drummoyne. Victoria appeared to have the title in its grasp going into the final leg. Jenny Steinbeck was giving nearly two yards start. Jenny put in her best swim of the series to record a fantastic 61.5sec and snatch the spoils.

This was faster than the new national record of 62sec set up by Julie McDonald (Vic) in Saturday night's final. It was some compensation for Jenny, who had to be content with minor placings in her individual events.

Queensland's other win at the titles had been on Saturday, when Robert Cusack won the butterfly 100 metres. Cusack finished a creditable second in yesterday's 200 in 2:20.5, just six seconds faster than his previous best.

A badly overweight Graham White was much too good for the cream of Australia's junior talent in the freestyle 400 metres. White, with a big-hearted finish, over the final lap spreadeagled the field to retain his junior 400 metres title. White beat a determined challenge from Queenslander Greg Brough.

Brough, Wilkinson, and White, tumbled almost together for the final lap. White sprinted, and half way down the pool had a commanding lead, which he maintained to the finish.

(Results given)

C.M. Saturday 25 February 1967

JENNY WON IN WORST SWIM MIX-UP IN YEARS

Adelaide - In one of the worst mix-ups seen at an Australian championship for years, judges and timekeepers altered their decision before finally settling on the winner of the women's 110 yards freestyle last night.

The final judges' result was Jenny Steinbeck of Queensland being declared the winner from Lyn Bell of N.S.W., with Victorian junior, Julie McDonald third, ahead of French and European champion, Claude Mondonnaud, fourth. Janet and Lyn turned first, with Claude and Julie close behind.

FOUR CHANGES

Coming into the finish the powerful stroking of Lyn seemed to gain her the advantage over Jenny.

The judges altered their minds four times before finally settling on the winner - Jenny.

But the first results from the timekeepers showed that Lyn Bell was first with a time of 63.3sec, ahead of Jenny who clocked 63.4sec. To coincide with the judges' result, the timekeepers had to add 0.1sec to Lyn Bell's official time to give her 63.4sec, the same as Jenny Steinbeck.

The times of all the girls were well outside their best, indicating the slowness of the badly constructed pool.

(Results given)

C.M. Friday 3 March 1967

JENNY WON, NO DOUBTS

Doubts on Jenny Steinbeck's rights to the Australian 100 metres freestyle swim title were banished last night.

Queensland team manager to the title in Adelaide last week, Joe King, refuted a report that the judges changed their minds four times before giving Jenny the decision over defending champion, Lyn Bell. "That report was bunkum," King said. "I spoke to Bill Slade the referee of the tournament after the race, and he told me the judges were at all times unanimous that Jenny had won."

King said that Jenny's time of 62.4sec was excellent under the conditions. "Apart from a cold wind and rain, the pool facilities were well below championship standard," King said.

Queenslanders won seven gold medals, six silver, and five bronze.

Jenny, a junior, took her second gold medal when she, and backstroker Allyson Mabb, butterflyer Jill Groeger, and breaststroker Joanne Barnes, combined to win the medley relay title.

C.M. Tuesday 11 April 1967

FOUR RECORDS AT LEANDER

Leander Club swimmers wound up the season by getting four State records in under age groups.

At the Valley pool, Helen Willis, 12, set a new Under 14 backstroke 200 metres standard of 2m 48.2s, which is 0.6sec inside Vivienne Sammon's record.

Dianne Charlton lopped 2.1sec off Jo-Anne Brough's Under 12 freestyle 200 time when she clocked 2m 31s.

Eleven-year-old Sue Funch sensationally lowered the Under 12 butterfly 100 record. Her 1m 24.5s chopped 5.1sec off her own record.

David Unwin, 10, posted a particularly creditable Under 12 record, by covering the butterfly 100 in 1m 20s. The previous record holder, Rob Carey of Ingham, set his time of 1m 20.8s when a 12-year-old. Rob's birthday is just outside the recognised limit date, which gives him an advantage over most under-age rivals.

C.M. Saturday 2 September 1967

Picture; Jill Groeger doing butterfly

EYE ON MEXICO

Last night was hardly the night for swimming, but Commonwealth Games representative, Jill Groeger, was training hard at Holland Park aiming for selection in the Australian Games team for Mexico.

While Jill was training Queensland swimming officials were up in arms about the projected increase in admission charges to certain Brisbane pools.

Queensland Amateur Swimming Association president, Dr E.G.Theile, last night criticised the decision of some pool lessees to raise their prices. Some lessees are expected to raise their prices 100%, and charge adults 20c and children 10c. Dr Theile deplored the fact the City Council took little notice of the QASA views which he said were made available to Council officers. "There is no justification for such a large increase," Dr Theile said. He also indicated that because of increased charges the Association would be forced to move some carnivals away from the Valley Pool, one pool expected to increase its charges. "We may have to go to Scarborough or Ipswich to stage carnivals outside the State championships," he said.

The Valley Pool is considered one of the best competition pools in Australia. It is a favourite pool for world record-breaking aspirants.

C.M. Friday 8 September 1967

HONOUR TO DR THEILE

Queensland Amateur Swimming Association President, Dr E.G.Theile, has been made a Life Member of the Association. Dr Theile has been returned as President for the fourth successive year. He was a Vice President from 1953 to 1965, the last five years of which he was Association Chairman. He has managed Queensland swimming teams, was a 1956 Olympic Games official, and in 1961 took an Australian team to Japan. His son, Dr David Theile, won the 1956 and 1960 Olympic backstroke titles.

The QASA will move to promote winter swimming competition next year. The first step in this direction is in future to convene Annual Meetings in April instead of September.

C.M. Thursday 21 September 1967

LESSON BY THE CHAMP

Olympic swimming champion, Donna de Verona, claims intense competition for the United States swimming world domination. Donna, 20, United States medley champion and holder over the years of a number of world records, said this yesterday.

She was here as part of an Australia wide coaching tour. Yesterday at the Valle Pool she demonstrated all four strokes and answered a running fire of questions from coaches on the techniques of each. She will perform similarly at Broadbeach on the Gold Coast today.

TWO REASONS

She said the United States resurgence after Australia's near clean sweep of the 1956 Olympics could be traced chiefly to two things - apart from the competition there were splendid occupational opportunities for swimmers. Universities with high academic records were anxious to attract champion swimmers - hence the incentive to swim. Once a youngster was swimming competitively the fierceness and regularity of competition thrust him to a high standard.

Donna is a student at the University of Southern California.

C.M. Thursday 28 September 1967

Picture ; Jenny Steinbeck leaving the blocks.

MEXICO ON HER MIND

International swimming all-rounder and national freestyle champion, Jenny Steinbeck, hurtled onto the Valley Pool blocks at the start of a Club swim last night.

Jenny is Queensland's strongest hope for 1968 Olympic swim selection.

To increase her prospects of getting to Mexico, Jenny, now 16, will concentrate on freestyle. She holds State backstroke, medley and freestyle titles and records, but last year in Adelaide though still a junior swept to the Open national freestyle championship. In doing so she downed 1964 Olympic representative Lyn Bell. Consequently Jenny's backstroke and medley swimming this season will be strictly for relaxation. Her best freestyle time of 62.2 seconds suggests she will go close to breaking the minute this year, and her coach Gordon Petersen claims she is stroking better than ever.

Jenny's Club, Valley, has introduced a new system for Club swims which brings girls into competition with boys. Handicapping has been scrapped and swimmers are now graded on their times. Girls and boys now compete against each other. This ensures hard racing for the outstanding girl swimmers. It is a system successfully adopted by the United States and is now used almost universally in the south.

C.M. Tuesday 10 October 1967

SWIM POOL DEFICIT Goondiwindi

In the 1966-67 financial year the Goondiwindi District Memorial Swimming Pool showed a deficit of \$6,800. The Mayor, Ald H.T.Piddington, stated this in his Report.

Ald Piddington said that if depreciation was included, the total cost to Goondiwindi ratepayers in the last financial year was \$9,275.

The City's Council had decided to lease the pool but no tenders were received though the matter was extensively advertised. Council had now invited applications for the position of pool manager and a number of applications had been received. "If a suitable applicant can be found, steps would be taken immediately to re-open the pool," he said.

C.M. Saturday 21 October 1967

ROOM FOR THAT SWIM By Frank O'Callaghan

Brisbane swimming public could find ample opportunities for a dip any night of the week. A Mt Gravatt reader "Swimming Fan" complained in a letter to the Courier Mail that he could not have a swim on a Thursday night because the pools he visited were only open for Club swimming.

Thursday is a night heavily favoured by Clubs, but a check of Brisbane pools revealed that Yeronga, Spring Hill, Centenary, and Chermside pools are open to the public on Thursday nights. The only pools heavily booked by Clubs are Toowong (Monday to Thursday), and Valley (Tuesday to Thursday). Spring Hill, though booked from Monday to Thursday, is open to the public on each of these nights from 9pm to 10pm. Most pools close from 6pm to 8pm at this time of the year, but in warmer weather they are open in many cases to 10pm.

C.M. 30 October 1967

SEVEN RECORDS TO JOANNE

Joanne Barnes broke seven records in two swims at the Valley Pool at the week-end. Joanne, 12, is a Corinda schoolgirl. She was swimming for her Leander Club.

Swimming in a 4-way meet between Toowoomba , Commercial, Ipswich, and Leander, Miss Barnes shattered the State's U/13, U/14, and Junior breaststroke 100 metres records with a swim of 1min 22.3 secs - 30 minutes later she lined up for the Open breaststroke 100 metres and churned through the two laps in 1min 21.9secs. This set a new time for the Open and broke the time for the U/13, U/14 and Junior she had set earlier in the night.

FOUR OTHERS

Four other records were broken at the meeting. Brisbane's Dianne Charlton, 12, set new records for the U/13 and U/14 freestyle 100 metres. Toowoomba's Graham Sanders broke the U/13 backstroke 100 metres record with a time of 1min 16.8secs. Helen Willis of Brisbane swam a new record of 1min 15.4secs for the U/14 backstroke 100 metres.

C.M. Saturday 4 November 1967

JOANNE GETS AUSTRALIAN RECORD

Queensland's Joanne Barnes, 12, last night took a step nearer to Olympic team selection by shattering the Australian junior (under 16) swim record at the Valley Pool.

By streaking over 100 metres of breaststroke in 1m 19.4s, Joanne lopped a full 2sec off the old mark of Victorian Heather Saville set when 15. Joanne was swimming for Leander Club in a four-way meet. She covered the first 50metres in 37.2sec, a shade faster than her coach, Joe King, had wished.

This was because Jane Spiro, another outstanding breaststroke prospect, pushed her over the first lap. Jane, however, folded in the second lap and Joanne continued to a comfortable win.

Joanne's time is 1.8sec inside her previous best. An improvement of about 3sec in the next three months would well win her Olympic selection.

Her Leander club mate, Dianne Charlton, was another outstanding competitor in last night's inter-club meet. Dianne, also 12, swam 100 metres of freestyle in 65.8sec, new Queensland Under 14 and Under 13 records. She trailed Jenny Steinbeck (64.3sec), but beat Commonwealth Games freestyle representative Jenny Thorn.

C.M. Wednesday 8 November 1967

JOANNE AFTER 200 RECORD

By Frank O'Callaghan

Queensland's newest swim sensation, Joanne Barnes, will attack the State 200 metres breaststroke record.

In recent weeks she has set staggering breaststroke sprint times for a 12-year-old. She climaxed these performances at the Valley Pool last Friday night with an Australian junior (Under 16) 100 metres record of 1m 19.4s.

On Saturday night at the Brisbane Amateur Swimming Association's distance championships at the Valley, Joanne will chase her own State senior 200 metres record of 2m 56s. In setting this time last year, she snipped 1/10sec off the time of 1956 Olympian Rosemary Lassig.

Joanne already has clocked 2m 56.5s in club swims this season.

C.M. Friday 10 November 1967

QUEENSLAND FOUR BID FOR OLYMPICS

By Frank O'Callaghan

Queensland's four international swimmers will contest the Brisbane distance championships at the Valley Pool tomorrow night. Freestylers Jenny Thorn and Jenny Steinbeck, backstroker Allyson Mabb, and butterflyer Jill Groeger, Commonwealth Games representatives at Jamaica last year, are bidding for 1968 Olympic selection.

All are posting their best times for this period of the season.

In addition, Allyson is blossoming as a butterfly threat to Jill Groeger. There was little between them in a recent 100 metres clash. Tomorrow night they will meet over 200 metres.

PERT PAIR

Other attractions will be a pert pair of 12-year-olds - breaststroker Joanne Barnes and freestyler Dianne Charlton. They also are aiming at Olympic selection. Joanne, probably the fastest in the world for her age, will attack the State open 200 metres record of 2m 56s.

The Cusack brothers, Greg and Robert, of St Bernadette's Club, also are expected to perform well.

Breaststroker Greg is training better than ever after treatment for a spinal complaint. Robert, an all-rounder, is in his first senior year.

Steven Smith, 11, of Leander Club, last night set a new State Under 12 400 metres freestyle record of 5m 15.9s.

Championship heats will be held tomorrow morning and finals tomorrow night.

C.M. Tuesday 14 November 1967

MABB, BUTTERFLIER, AGAINST GROEGER

By Frank O'Callaghan

Commonwealth Games backstroke swimmer, Allyson Mabb, will challenge Games team-mate Jill Groeger at her own stroke on Saturday night. The girls will meet in Jill's specialty, butterfly, in the Brisbane sprint championships at the Valley Pool.

Jill did not contest the last national championships, where Allyson, after winning the 220 yards backstroke title, claimed a third in the 110 yards butterfly. Both girls are swimming around 72sec for the 100 metres.

A heavy cold forced Allyson out of last Saturday night's Brisbane 200 metres championship which Jill won comfortably.

BEST HOPE

Queensland's best hope of Olympic selection, freestyler Jenny Steinbeck, will bid for the open 100 metres freestyle championship. As a junior last February, Jenny won the Australian Open 110 yards championship in 63.4sec. She has, however, clocked 62.2sec for the 100 metres, and her coach, Gordon Petersen, is setting her to break 61sec this season.

C.M. Saturday 2 December 1967

TWO STATE TIMES GO

Two State swim records fell at the Brisbane sprint championships at the Valley Pool last night. Back-stroker Helen Willis again sliced her 100 metres Under 14 record, and Jim Seymour set a new Under 14 backstroke standard. Helen's time of 1m 14.7s clipped 7/10sec off her own mark. Seymour, by clocking 72sec for 100 metres, came 3/10sec inside the old mark. Helen was pressed to the

record by Commonwealth Games representative and national 220 yards champion, Allyson Mabb.

TOT'S DOUBLE

Of the tots, seven-year-old Stephen Harris, of Banyo, was outstanding. Stephen took two titles last night, the 50 metres backstroke and breaststroke. He added these to his 50 metres freestyle title and second placing in the butterfly, performances he established last week.

Joanne Barnes' 100 metres breaststroke time of 1m 19.7s was another fine effort. It was only 3/10sec away from her own record.

C.M. Saturday 9 December 1967

BARBARA FOR AGE TITLES

An attack of measles earlier this week will not keep Toowoomba's Barbara Barrett out of the State Age swim championships. Barbara, 13, one of the State's outstanding distance freestyle prospects, will go over 800 metres at the Valley Pool tonight. She contracted measles last Monday and has not been in the water since. (Barbara did swim and retained the 800 metres title she won by a touch from Jo-Anne Brough the previous year. Ed)

Gold Coast coach, Nev Brough, will bring up three hopefuls. They are Peter Ramsay, 13, Rhett Graham, 12, and Ian Want, 11.

Ramsay and Graham will contest the Under 14 200 metres freestyle championship, and Want, the Under 12 200 metres breaststroke and Under 14 400 metres freestyle. Ramsay and Graham are capable of clocking 10m 25s, only 8sec outside the record.

Want is son of Gold Coast golf professional, Reg Want.

LEAGUE FATHER

Another interesting country visitor is Des McGovern, whose 11-year-old son, Des, will contest the 400 metres freestyle.

Queensland's most exciting 12-year-old swimmers, Dianne Charlton and Joanne Barnes, are not expected to crack records. Coach Joe King felt they were jaded and has exempted them from training this week.

C.M. Thursday 19 December 1967

THREE RECORDS BY BROUGH

By Frank O'Callaghan

Queensland's middle distance and distance freestyle champion, Greg Brough, bettered three Queensland records in Sydney last week. Brough, 16, of Mermaid Beach, is training in Sydney under Don Talbot.

In time trials last Friday night, he covered 800 metres in 9m 7s, six seconds inside Olympic 1500 metre champion Bob Windle's Queensland record. His respective 400 meter times were - 4m 33s for the first 400, and then 4m 34s.

GAMES TWO

He won the event downing Commonwealth Games representatives John Bennett and Ronald Jackson. Bennett won a silver medal at the Jamaican Games in the 440 yards event, and Jackson is the Commonwealth 1650 yards champion.

In the 400 metres swim, Brough's time of 4m 24s, bettered his Queensland record by one second.

On Sunday night over 1500 metres Brough was a huge 22 sec inside his State standard when clocking 17m 27s.

Brough will return to Brisbane on Saturday, and will contest the State championships at the Valley Pool in mid January. Continued improvement will bring him into calculations for the Mexico Olympic Games.

C.M. Monday 8 January 1968

TWO STATE TIMES IN ONE SWIM

De La Salle schoolboy Paul Stapleton yesterday cracked two State swim records in the one performance. He set out in the Scarborough pool to lower Greg Brough's 400 metres freestyle mark of 4m 48.5s. At the end of the swim he had not only set a new 400 metres standard, but had lopped 1sec off Brough's 200 metres record.

He covered the 400 metres in 4m 43.5s, five seconds inside Brough's time, and passed through the 200 metres mark in 2m 17.8s.

In a St Bernadette's Club championship 200metre swim 25 minutes later, Stapleton and Greg Cusack swam stroke for stroke until Stapleton got up in the last yards to win in 2m 17.2s. Cusack was clocked at 2m 17.7.

Neither time is likely to be recognised as a record, because notification of an attempt had not been given.

Later Cusack swam 2/10sec inside the State Under 14 breaststroke record of 1m 20.7s, another time for which no record could be claimed.

C.M. Thursday 11 January 1968

JOANNE SETS AUST. RECORD

Brilliant young Brisbane breaststroker, Joann Barnes, 13, enhanced her Olympic prospects with an Australian junior record swim at the Valley Pool last night.

In her heat of the Under 14 200 metres breaststroke at the State Age titles, she swept through the distance in a fantastic 2m 50.6s, in seemingly easy fashion. This shaved 2.2sec off Heather Saville's national junior standard set in Hobart in 1965. The time was also a State Open record, and was 3.8sec better than her own State Under 14 record.

PLAN ASTRAY

A pace plan set by coach Joe King went astray in Joanne's remarkable performance. King had planned fractions of 40sec for the first 50 metres, and 44's for the remaining three lengths. But Joanne, according to King, showed poor pace sense in splitting her time at 38.8sec, 44.5sec, 45sec, and 42.6sec

Joanne must now be favourite for the breaststroke berth in the Olympic team for Mexico.

National 100 metres and 200 metres champion is Heather Saville, whose record Joanne toppled, and Joanne's time last night was the best recorded in Australia this season.

GAME EFFORT

In the other heat of the event, Jane Spiro recorded a game personal best of 2m 58.8s.

Greg Cusack in the boys' Under 14 200 metres breaststroke toppled his own record with an unextended 2m 45.1s. This beat his old mark by 5.2sec, and was the best time recorded by a Queensland junior. The record was imminent when Greg scorched through the first 50 metres in close to 37sec.

SET RECORD

Helen Willis achieved her expected record for the 200 metres Under 14 backstroke with a time of 2m 41.3s - 0.7sec better than her own previous record.

In Greg Cusack's heat of the Under 14 breaststroke, C.Riley, of St Bernadette's Club, bettered the Under 12 record for 200 metres in swimming 3m 13s.

Toowoomba's third member of the champion swimming Shapland family, Rondah, 9, was fastest qualifier in the Under 10 freestyle and breaststroke, both over

50 metres. She was close to Debbie Handley's record with a time of 45sec and should be untroubled to win the final.

Townsville's M.Tavasci won his heat of the 200 metres Under 14 backstroke in effortless fashion, and coach Laurie Laurence expects him to really extend favourite, Graham Sanders, of Toowoomba, in the final. Tavasci's time of 2m 38s was only 0.5sec slower than Sanders. (Finalists given)
C.M. Friday 12 January 1968

ADD FIVE RECORDS TO AGE SWIMS

Five more records fell in heats of the State Age championships at the Valley Pool last night. The most remarkable performance was that of Brisbane girl, Debbie Handley. On a limited preparation Debbie sliced 8/10sec off Joanne Barnes Under 12 200 metres medley time.

Debbie swims for pleasure and training is incidental. So she took a month off recently for a motoring holiday with her parents. The fact that she can still break a State record indicates her considerable potential. She did, however, lose her Under 10 backstroke record to Townsville sprite, Lisa Cooper. Lisa clipped 6/10sec off Debbie's 50 metres standard.

Glen Patching, 9, of Scarborough, could not swim a year ago. Last night he cut 4/10sec off S.Mewing's 50 metres Under 10 backstroke record.

Other records fell to Jos Van Opdenbosch, formerly of the Belgian Congo, and Ipswich girl Sue Fraser.

LOWERS TIME

Jos, one of a talented swimming family, lowered the Under 12 200 metres medley record to 2m 50.1s, or 3.3sec inside Gladstone boy L.Dooner's old mark.

Susan skipped over the 50 metres of butterfly in 36.1sec, half a second faster than potential Olympic freestyler Dianne Charlton did when she set the record two years ago.

Dianne was fastest qualifier in the girls' Under 13 freestyle, clocking 64.8sec, only 4/10sec outside her State record.

There could be true championship class swimming tonight when Miss Barnes, Miss Charlton, and last night's record-breakers chase titles.

Toowoomba coach Bernie Shapland believes his Under 14 freestyler, Barbara Barrett, will lower Jo-Anne Brough's record of 4m 58.9s.

A keen clash is expected in the boys' division of the event between Paul Stapleton of St Bernadette's Club, and Ayr's Mike Tavasci.

(Qualifiers given)

C.M. Saturday 13 January 1968

JOANNE GETS INTO WORLD OPEN CLASS

Brisbane's 13-year-old breaststroke swim prodigy, Joanne Barnes, swam into open world class at the Valley Pool last night. In one breath-taking performance at the State Age championships, Joanne claimed five Queensland and Australian records. Her time of 2m 47.4s lopped 0.6sec off the Australian open record of Marguerite Rygrok, Australia's 1964 Olympic representative.

STAGGERING

It also bettered Joanne's Australian junior and Queensland Open, junior, and Under 14 records of 2m 50.6s which she set in last Wednesday night's heat. Her improvement of 3.2sec in 48 hours is staggering.

Joanne's coach (Joe King) was happy with her heat time. "I merely wanted her to win," he said after Joanne's triumph. Joanne, normally obedient, had other ideas. "I wanted to break 2m 50s," she said, "I wasn't really chasing the record."

Her performance puts her in the front rank of Olympic team contenders.

Only one girl in the world has broken 2m 40s, Cathie Ball of the United States, who holds the world record of 2m 39s.

Joanne's performance overshadowed that of another outstanding breaststroker, Jane Spiro, whose 2m 56.6s would have won her an Australian title a few years ago.

Nine swimmers, other than Joanne, broke State records in one of the most successful age championship nights staged.

Caroline Dalby was taught to swim last year by Townsville coach Laurie Lawrence. Last night her 37.5sec for 50 metres backstroke, clipped 0.1sec off Dianne Charlton's record.

Another of Lawrence's charges, Rodney Buchanan, cut 1sec off the Under 10 50 metres freestyle mark by clocking 32.6sec.

CUSACK BEST

Helen Willis set a new junior 200 metres backstroke record of 2m 38.4s, and automatically reduced her Under 14 standard for the ninth time this season.

Greg Cusack, of St Bernadette's Club, set out to break his 100 metres Under 14 breaststroke record of 2m 45.1s. Instead he bettered his 100 metres mark by clocking 1m 19.8s. His 200 metres time equalled his standing record.

OTHER RECORDS

Other record-smashers were Toowoomba's Graham Sanders in the 200metres Under 14 backstroke (2m 35.1s), Steven Smith, 100 metres Under 12 freestyle (67.2sec), Paul Stapleton, 400 metres Under 14 freestyle (4m 42.4s), Clinton Riley, 200 metres Under 12 breaststroke (3m 16s), and Jos Van Opdenbosch, 200 metres Under 12 medley (2m 47.7s).

(Results given)

NSW RECORD BY BROUGH

Sydney - Queensland youth Greg Brough last night won the 1500 metres final at the New South Wales swim championships. Brough intruded on an event that has been labelled the property of New South Wales since 1938. He won the 1500 metres final in 17m 3.9s to move into the top half-dozen in the world.

Brough, a strapping 16-year-old, has been coming to Sydney for his Christmas holidays for the last few years for coaching by Don Talbot. Brough, from Mermaid Beach in Queensland, won from Len Hizson of Ryde, with R.Wilkinson of Auburn, third.

C.M. Monday 15 January 1968

NINE MORE SWIMMING RECORDS AT AGE TITLES

By Frank O'Callaghan

The State Age swimming titles ended at the Valley Pool last night with another nine records, a climax to the most successful Age titles yet held. Some of the individual performances were sensational.

Brisbane all-rounder, Debbie Handley, 11, Commercial Club had six starts and took home five gold medals and a silver. Ashgrove stylist Steven Smith bagged his third freestyle title last night and his third record, and Greg Cusack, of St Bernadette's Club, a swag of five gold medals, five records, and another equalled.

TREBLES

Trebles wee relatively common. The most impressive treble winners, barring Smith, were nine-year-old Rondah Shapland, Toowoomba, and Rodney Buchanan, Townsville.

Miss Handley, in suffering a defeat, created something of a record. She was touched off in the 100 metres butterfly championship by Dianne Trecco, of Townsville. It was her first beating in a final for at least two seasons. Both girls bettered Sue Funch's record of 1m 24.5s, Miss Trecco reducing it to 1m 22.9s.

Steven Smith won the Under 12 200 metres freestyle championship last night in a record-breaking 2m 25s. His best effort, however, was his 400 metres win on Saturday night in 5m 2.2s. This is believed to be the best time yet for an Australian 11-year-old. His third title was the 100 metres sprint, proof of his versatility.

Cusack, 13, won the 100 metres freestyle in his age group, the 100 and 200metres breaststroke, and the 200 metres medley, and he shared in a freestyle relay championship. He could probably have had the 100 metres butterfly crown, too, had he wished. He was the fastest qualifier for the final but with-drew to concentrate on breaststroke. Records were apparently his for the taking. He shattered them in heats and finals.

STAGGERING

Buchanan's 73sec for 100 metres of freestyle, was another staggering performance for a 9-year-old. It was 2.5sec inside David Unwin's record. In five starts Buchanan, a protégé of Laurie Lawrence, won three gold medals and a bronze, and set four records.

The pert Miss Shapland, the last of the outstanding swim family, took out the Under 10 50 and 100 metres freestyle, and the 50 metres breaststroke, her pet event. Her breaststroke time of 4.4sec was 1/10sec faster than that of the Under 10 boys' champion.

Another of last night's record-breakers, Gympie butterflyer John Leyden, has concentrated for only six weeks on the stroke. Yet Leyden, one of Arthur Cusack's string, clipped 6/10sec off Robert Carey's record of 75sec.

(Results given)

GAYE DEFEATED STAR DIVERS

Sydney - Queenslander Gaye Morley defeated a strong line-up to take the N.S.W. women's three metre springboard title yesterday.

Miss Morley beat Madeline Bollinger, with Ann Roby third, and Sue Knight, fourth.

Miss Knight, dual Commonwealth Games gold medallist, was in leading position until she executed a poor somersault dive to put her back into fourth place.

C.M. Tuesday 16 January 1968

YOUNG SWIM STAR AFTER NEW TIMES

Brisbane's sensational 13-year-old breaststroke swimmer, Joanne Barnes, will seek to further cut her State and Australian records this week.

Joanne, Jen Steinbeck, and Greg Brough are expected to shine in the State senior and junior swim championships which will start at the Valley Pool on Thursday. All three are strong contenders for the Mexico Olympic Games.

CONCERNED

In the Age championships last week, Joanne, in two swims, sliced 7sec off her State senior record to set a new national senior standard of 2m 47.4s. Her Queensland junior record is 1m 19.4s

Her coach, Joe King, said she would be aiming to reduce both times in the senior title swims.

King expressed slight concern with the form of his classic freestyler Dianne Charlton, also 13. Dianne is expected to extend Commonwealth Games representative Miss Steinbeck over 100 metres.

In the Age titles last week, however, she could not better her State Under 14 record of 64.4sec which she set last November.

Big drawcard of the championships will be 16-year-old Greg Brough, who leaped into Olympic team calculations by winning the New South Wales 1500 metres championship in 17m 3.9s - one of the world's six fastest times. Brough was dissatisfied and is determined to break 17min at the Valley Pool on Sunday morning. He will also bid for the other freestyle titles, 100, 200, 400, and

800 metres championships. At 6ft 2in and 12½ stone, Brough is in the pink of condition.

SENSATION

His 1500 swim is the more sensational because his times at the 100 metres (58.9sec), 200 (2m 5.1s), 400 (4:18.9), and 800 (8.54.5) are all personal bests.

He will taper only slightly for the State titles, reducing his training to five miles a day at his father's Mermaid Beach pool. As he is only 16, his potential is impossible to guess.

C.M. Friday 19 January 1968

TWO GIRLS RAISE SWIM HOPES

Commonwealth Games swimmers, Jill Groeger and Allyson Mabb, at the Valley Pool last night, raised Queensland's possible Olympic contingent to five. Each swam Australian resident records in heats of the State championships. They now join, Jenny Steinbeck, Joanne Barnes, and Greg Brough, as front-line Olympic team contenders.

Allyson pushed Jill to a new national resident 100 metres butterfly standard of 69.5sec, or 9/10sec inside her previous best. This time also clipped 2/10sec off Japanese girl Takashi's Queensland record.

Inside an hour Allyson lined up for the 100 metres backstroke, and in clocking 1m 10.4s, posted the best known time by an Australian, and bettered her own State resident record (1m 11.2s).

Jill's record, however, lived briefly. Minutes later in Melbourne Pauline Gray reduced it to 69.1sec.

There should be spirited competition between these two in the national championships in Melbourne next month.

Jill and Allyson will clash again in tonight's butterfly final, after which Allyson will again bid for a new backstroke mark.

Other record-breakers last night were Gympie's John Leydon, Townsville's Wendy Way, and Brisbane juniors Arthur Sheahan and Greg Cusack.

Leydon's 1m 13.8s was a new high for Under 13 100 metres butterflyers, and Sheahan's 2m 28.3s, a new 200 metres junior backstroke mark.

Cusack's 100 metres breaststroke in 1m 16.6s set fresh standards for State juniors and 13-year-olds.

(Results given)

C.M. Saturday 25 January 1968

GREG BROUGH BROKE ROSE RECORD

Queensland's main Olympic hope, Greg Brough of Mermaid Beach, shattered world champion Murray Rose's Queensland 400 metres freestyle record at the Valley Pool last night.

In the State championship final, the brilliant 16-year-old streaked away to beat Toowoomba's Chris Shapland in 4m 18.4s, chopping 2.9sec off Rose's 1960 record. He won by about 25 metres. Brian Shapland, 16, from a long way back finished strongly to just fail to catch older brother Chris for second.

Brough's time was well outside Michael Wenden's national record. But Brough's Mexico Games target is the 1500 metres, for which he holds the national record.

BOILOVER

Fay Rillie, of Toowoomba, caused a slight boilover when she toppled the big names Jenny Thorn and Jenny Steinbeck, both Commonwealth Games swimmers, in the 200 metres final. In the best time recorded by a Queenslanders of 2:17.8, Rillie came from behind to beat Thorn in a great finish.

Australian 100 metres champion, Jenny Steinbeck led clearly at the half way mark, but Rillie and Thorn were too fast over the final 100.

Thorn's Olympic prospects are best at 800 metres, and Steinbeck's main hope is the 100 metres.

Swimmers had a splurge on the records setting 11 new standards.

Jo-Anne Brough, younger sister to Greg, went powerfully through the junior 400 metres in 4m 56.2s, the best time by a Queenslander.

Robert Cusack, after faulting his stroke counts in laps three and four, swam the fastest 200 metres butterfly in Australia this season, with a best by Queenslander time of 2m 17.3s. Coach Arthur Cusack said his nephew had lost about six seconds through dropping five strokes in the middle laps.

Jill Groeger, in winning the open 100 metres butterfly in 1m 10s, was 0.9sec outside the Australian record set in Melbourne on Thursday night.

Allyson Mabb won the 100 metres backstroke in 1m 11.3s, 0.9sec outside her national best recorded on Thursday night.

Joanne Barnes put in another classy performance in winning the Open 200 metres breaststroke in 2m 48.9s, just 1.5 sec outside her own national record. She was not pushed to win by about ten yards from Jane Spiro.

Other record-breakers were Dianne Charlton, of Brisbane, Wendy Way, of Townsville, Ken McGregor, of Toowoomba, Helen Willis, of Brisbane, and R.Carey of Townsville.

(Results given)

C.M. Monday 22 January 1968

BROUGH CUTS TIME FOR 100m FREESTYLE

Sixteen-year-old swimmer, Greg Brough, established a Queensland resident record of 56.5sec for the men's Open 100metres freestyle at the Valley Pool last night. The 12½ stone, 6ft 2in youth slashed 0.7sec off Noel Reynolds previous record of 57.2sec. Earlier in the day Brough clocked 17m 20.5s for the 1500 metres breaking the standing Queensland record of 17m 37.3s held by R.Jackson.

This amazing tally of successes brought to his credit either a Queensland or Queensland resident record in each of the 100, 200, 400, 800, and 1500 metres freestyle events that he has contested during the four-day titles.

Brough has been named in the Queensland senior team to compete in Melbourne for the coming national titles. With this string of records he is strongly favoured to represent Australia in the Mexico Olympics.

Allyson Mabb established an early lead in the women's 200 metres backstroke to easily beat Leander youngster, Helen Willis, in a Queensland record time of 2m 32.5s. This time is also the best by an Australian swimmer, and is only 4sec slower than the Australian record of 2m 28.5s held by S.Tanaka, of Japan.

Jenny Steinbeck, 13-year-old Valley swimmer, established a Queensland resident record for the women's individual medley with a 2m 40.6s for 200 metres.

Sixteen-year-old Greg Cusack swam the junior men's 200 metres breaststroke in 2m 44s to set a new resident record.

Both Steinbeck and Cusack are in the Queensland team for the national titles.

(Results given)

FOR TITLES

Queensland's team for the Australian swimming titles in Melbourne late in February is -

G.Brough, J.Barnes, A.Mabb, J.Groeger, R.Cusack, F.Rillie, J.Thorn, D.Charlton, J.Steinbeck.

The State team for the junior titles in Hobart in early February is -

J.Barnes, W.Way, K.McGregor, D.Charlton, G.Cusack, S.Rose, J Van Opdenbosch, J.Brough, G.Short, R.Risson, J.Taylor, L Van Opdenbosch.

3-METRE DIVE TO MORLEY

Local diving champion, Gaye Morley, won the 3-metre springboard at the Centenary pool yesterday to take the Queensland title, topping national holder Lorraine McArthur. Gaye's 429.50 points for the title was even better than the men's champion, Gavin Pascoe's 409.45 points.

John Kellett gained second place in the men's 3-metre springboard championship with 384.90 points.

Officials said no junior representative would be sent to the National diving titles in Hobart.

Queensland high board championships will be held at the Centenary Pool on February 3, and representatives will then be chosen for the Nationals.

C.M. Thursday 25 January 1968

GAMES SWIMMERS TO TRAIN HERE - TOGETHER

The Australian swimming team for this year's Mexico Olympics will train again in Queensland - and will not be segregated. Queensland Swimming Association President (Dr E.Theile) said this yesterday.

Dr Theile said the decision whether the team would train in Brisbane or in Townsville would be made after the Conference of the A.S.U. in Melbourne next month. The 1964 team was segregated. The men trained at Ayr, and the women at Townsville.

Secretary of the A.S.U. (Mr Syd Grange) said in a report from Melbourne the A.S.U. had decided to let the men and women train together. According to the report, Mr Grange said, "The A.S.U. is satisfied that the advantages of the men and women training together clearly outweigh the disadvantages."

Dr Theile said yesterday that the reason why the men were separated from the women in 1964 was that it divided the work of the coaches to separate pools. He said he hoped the team would train in Brisbane.

*The atmospheric temperature in Brisbane during the training months would be similar to that in Mexico City.

*Sending a team to Townsville would mean unnecessary additional expense.

The Valley Pool is expected to be heated by mid-winter (the training period), and the De La Salle College at Scarborough has a heated 55 yard pool also available for Olympic team training.

Dr Theile said the Q.A.S.A. would recommend at the A.S.U. Conference that the training be done in Brisbane for the above reasons.

C.M. Monday 5 February 1968

PASCOE IN DIVE TREBLE

Gavin Pascoe, already one-metre and three-metre open diving champion, on the high board championship at the Centenary Pool yesterday. Pascoe is the first diver to make a clean sweep of the men's open titles since Graham Deuble achieved this in 1963.

Deuble, who was national champion at 18, represented Australia at the Rome Olympics and in Perth and still holds the highest number of points for a national champion.

BOY OF FUTURE

Second was John Kellett, Pascoe's consistent rival. Kellett is considered by State officials to be the boy of the future. He came second to Pascoe in each of the three events.

Lorraine McArthur won the women's high board. She won the State one-metre event, but was second to Gaye Morley in the three-metre.

Lorraine, who is national champion, increased her chances of Olympic representation.

(Results given)

C.M. Thursday 8 February 1968

GAMES SWIM MANAGER JOB
QUEENSLAND BACKING FOR HOLLAND
By Frank O'Callaghan

Former Australian Olympic swim coach, Bill Holland, is Queensland's nominee as the 1968 Olympic swim team manager. Holland beat prominent Brisbane amateur coach, Joe King, for the official State blessing.

The manager will be named at the A.S.U. Conference in Melbourne on February 21 and 22. There will be six votes, one from each State. Holland's chief rivals are Stuart Aldritt of New South Wales, and Noel King of Victoria.

IMPRESSIVE

Holland's credentials are by far the most impressive. He was manager and official coach of the 1956 Olympic swim team, coach of the 1950 Commonwealth Games team to Auckland, and manager-coach of the 1954 Commonwealth Games team to Vancouver. He was manager-coach of the 1961 Australian swim team to South Africa and Rhodesia, and of the 1963 side to Japan, Russia, and Europe.

He was also Queensland Amateur Swimming Association Secretary and an Australian selector for 17 years. Holland is Secretary of the Queensland Olympic Council.

Seven more Queenslanders have nominated for the Australian championships in Melbourne from February 23 to 25. This brings the Queensland contingent for the championship to 16.

The nine who will not be part of the official team are breaststroker Greg Cusack, Marcus Ringuet, Ross Gynther and Jane Spiro, freestyler Margaret Palmer, and all-rounders Joanne Brough (freestyle and medley), and Sheila Rose (freestyle and backstroke).

C.M. Thursday 15 February 1968

COACH HITS AT SWIM PANEL
By Frank O'Callaghan

Leading Queensland swim coach Arthur Cusack had sharp criticism of the Queensland selectors when he returned from the national junior championships.

Queensland performed reasonably well in Hobart last week-end but Cusack claimed that three swimmers in Hobart were not fairly treated by the selectors. They are breaststrokers Greg Cusack and Jane Spiro, and freestyler Sheila Rose.

WON MEDAL

Cusack deplored Jane's omission from the team. She competed as an individual and gained a bronze medal in the 110 yards and fourth in the 220 yards in personal best times.

Cusack stated that Greg Cusack, his nephew, should have been allowed to contest the individual medley events. "He has the fastest medley team of the season," Cusack said, "and though committed to both breaststroke events, the programme was so well arranged that he could have swum in the medley." Cusack won the 110 yards and finished third in the 220. He is considered by some to be an even better prospect at his age, than Olympic champion, Ian O'Brien.

Coach Cusack was particularly critical of Sheila Rose's omission from the 110 yards title field. "She is the second fastest sprinter in the State," he said. "She took a mouthful in the State 100 metres championship which kept her out of a place." Sheila, of Toowoomba, helped Queensland to second place in the 4 x 110 yards relay.

JOANNE'S TIME

Coach Joe King explained what some might have thought was a disappointing swim by his Olympic breaststroke prospect, Joanne Barnes. Her 220 yards time of 2m 53.2s was some five seconds outside her best. King explained this by saying that Joanne had not tapered off for the championships.

"I sent her over a mile training swim on Friday," he said. "She went to Hobart merely to win. She is being set for the Olympic swim team trials in Melbourne from February 23 to 25."

C.M. Thursday 20 February 1968

MEASLES PUTS JOANNE OUT

By Frank O'Callaghan

Queensland and Australian breaststroke swim star, Joanne Barnes, has German measles on the eve of the Olympic team trials. She has been ordered out of the water for ten days. Joanne will miss the trials in Melbourne at the week-end and has only the slimmest prospect of being chosen for Mexico.

When her form fell away last week her coach, Joe King, attributed it to a cold she had caught. He put her on light work and she appeared to be recovering until yesterday when the measles spots appeared. A doctor confirmed King's fears last night.

Joanne, 13, was probably Queensland's strongest candidate for the Olympic swim team. At the State championships in January she set a national open record for 200 metres of 2m 47.4s. Only Sue McKenzie's 2m 49.6 can compare with this.

If her record is not broken at the trials and the Australian Swimming Union waives the rule demanding that Olympic team candidates swim in them, Joanne might just be chosen.

King, shocked by Joanne's illness, confessed to another worry last night. He is concerned that his other Olympic team hopes, butterflyer Jill Groeger, and freestyler Dianne Charlton, are not infected. They have been training daily with Joanne.

The Queensland team, minus Joanne, will leave for Melbourne tomorrow.

C.M. Friday 25 February 1968

CHOICE OF POOL IDEAL

If the Australian swimming team fails at the Mexico Olympics, it won't be the fault of the training venue - St Bernadette's Pool, Scarborough. The St Bernadette's Parish pool selected by the Australian Swimming Union on Wednesday as the winter training location, has every luxurious facility possible at a swimming pool.

It is the only 50 metre heated pool in Queensland, and during the South Queensland winter a heated pool will be vital to successful training. The pool is a full eight lanes wide, which means there will be stacks of room for the team to train. There is a unique movie projection set-up. Built into the impressive spectator stand, which accommodates 1000 people, is a 16mm projection box, and the screen is the white wall of the dressing shed across the pool.

These facilities, plus the quiet relaxing atmosphere of the Redcliffe peninsula, will make an ideal training location.

Australian Olympic Council Queensland branch Secretary, Mr Bill Holland, said yesterday that it was possible that the swimming squad would consist of 34 swimmers.

"That includes the diving team. The average size of the last two Olympic squads was 34," he said.

"The squad would be billeted by family members of St Bernadette's Club," Mr Holland said.

The film facilities might be used to show movies of modern techniques to the squad.

C.M. Saturday 24 February 1968

BROUGH THIRD

In the fastest 200 metres freestyle ever seen at the Melbourne Olympic Pool, Australian and Commonwealth champion, Michael Wenden, stormed away from his rivals to win in 1m 57.9s. This equalled his own Australian record, and shattered the Victorian record he set last year by 2.2sec.

Second to Wenden was Olympic 1500 metres freestyle champion, Robert Windle, of New South Wales. Young Queensland champion, Greg Brough was third, a touch behind Windle.

In the women's 200 metres backstroke, Allyson Mabb finished third behind L.Watson (W.A) and J.Menere (N.S.W). the winner's time of 2m 28.9s was an Australian open and junior record.

The Queensland women's team won the 4 x 100 metres freestyle relay from New South Wales and Victoria in 4m 14.3s. Jane Spiro, Joanne Barnes shadow during the Australian record-breaking swims this summer, has replaced Joanne in the Queensland team at the championships.

C.M. Monday 26 February 1968

GAMES BOOST TO BROUGH, CUSACK

Melbourne - Queensland swimmers Greg Brough and Robert Cusack virtually clinched Olympic places with sizzling wins at the Australian swimming championships here yesterday. Brough won the Australian 1500 metres freestyle in record time, and Cusack took the 100 metres butterfly in 59.1sec - the first Australian swimmer to break the minute since Olympian Kevin Berry.

Brough, 16, and 17-year-old Graham White, of Victoria, staged a tremendous 30-lap battle in the 1500 metres freestyle. Brough led narrowly all the way, with White one or two yards behind for the thirty laps. White turned on a great finishing burst down the last lap, but failed by a length to catch the Queensland boy.

Both shattered the Australian 1500 metres record. Brough's time of 16m 51.9s slashed 6sec off the Australian record, and White bettered the old time by 4.2sec. Both boys now seem certain for the Olympic team for Mexico in October. Brough's time was the third fastest recorded in the world in the last 12 months, and White's time the fourth fastest.

MABB SECOND

Lyn Watson, brilliant 15-year-old West Australian champion, smashed the Australian open and junior records in easily winning the 100 metres backstroke. Her time of 69.1sec took 0.7sec off her own national records.

Allyson Mabb, of Queensland, was second, with Jane Menere (N.S.W.) third.
(Results given)

C.M. Thursday 2 May 1968

BAN ON DAWN LIFTED

Sydney

Dawn Fraser said last night she, "would coach any team that wanted me" at the Mexico Olympic Games in October. Miss Fraser revealed she had been freed from her disqualification by the Australian Swimming Union.

Miss Fraser was expelled by the ASU in 1965. It was resolved by the ASU at that time that Miss Fraser could apply for readmission to the Union after ten years. The decision was unanimous.

The triple Olympic 100 metres freestyle champion had her disqualification removed yesterday by the unanimous vote of all State Associations. Because the disqualification imposed in 1965 was not lifted in time, Miss Fraser did not apply for a coaching appointment with the Australian Olympic team for Mexico.

Yesterday, thrilled with the news her ban had been lifted, she declared herself available to coach any foreign team for whom a coach may be required.

The lifting of the ten year ban on Miss Fraser closes the stormiest chapter in Australian swimming history.

Her suspension, with three other Olympians after the Games in Tokyo in 1964 caused world-wide controversy. The other swimmers barred at the same time were Linda McGill (4 years), Marlene Dayman and Nan Duncan (2 years).

The suspensions were imposed by the ASU Conference in Hobart in 1965. Miss Duncan's ban was lifted the following year.

C.M. Saturday 11 May 1968

QUEENSLAND GETS FOURTEEN
IN AUSTRALIAN CONTINGENT FOR GAMES

By Frank O'Callaghan

Twelve Queenslanders won selection in the Australian team for the Olympic Games in Mexico in August. Two others, Miss Ruby Robinson and Mr T.Moessenger, were chosen as officials. Robert Cusack, Greg Brough, Joanne Barnes, and Jenny Steinbeck are the swimmers.

The youngest, Miss Barnes, Australia's outstanding breaststroke swimmer, won selection without contesting the national championships. An attack of German measles kept her out of the titles and she won selection on previous performances. At 13 she is the youngest member of the Games team, possibly the youngest Australian chosen to compete at an Olympiad.

C.M. Friday 24 May 1968

FOUR SWIMS IN WINTER MEETS

Three Brisbane swimming Clubs have combined to form the first winter swimming competition in Queensland. The swim meets are made possible by the recent completion of heating at the Valley Pool. The Clubs, Valley, Commercial, Leander, and Centenary, will start Sunday meets starting on Sunday week.

This brings the number of heated public pools in Brisbane to four - two 50 metre and two 25 metre pools.

The QASA will hold a swimming carnival at which other States and country centres will be competing on August 24 and 25.

On the first day of that month the Australian Olympic swimming squad will arrive in Brisbane to wind up their training for Mexico Olympics. The team will be accommodated at Scarborough and will train at St Bernadette's pool. All members of the team will have to cover 300 miles in training swims before August 1.

C.M. Monday 19 August 1968

OLYMPIANS BREAK FOUR NATIONAL RECORDS
by Frank O'Callaghan

Four national records, two by West Australian butterflyer Lyn McClements, highlighted the Australian Olympic swim team's first trials at Redcliffe last night.

Miss McClements, 17, clipped 0.7 seconds off team mate Pauline Gray's 100 metre mark, and 0.3 seconds off Japanese girl, E.Takahishi's, 200 metre standard.

Five events later the teenage schoolgirl became the fastest Australian woman over a quarter mile.

C.M. Monday 26 August 1968

A RECORD "SPLASH" AT THE VALLEY

Five national swimming records went to the Australian Olympic swimming team at the Valley Pool yesterday. At the last day of the Queensland Amateur Swimming Association's winter carnival the girls again took the honours.

However the most exciting attempt was by the men's freestyle relay team comprising New South Welshmen Michael Wenden, Mark Anderson, Greg Rogers, and Bob Windle.

SLICED TIME

In an effort to break their own Australian record of 8min 7.7secs for the 4x200 metres, Windle entered the water in the final leg behind the clock. Windle, the 1500 metre Olympic champion, sliced 2.3 seconds off the existing record to set a new time of 8mins 5.5secs.

The outstanding performance came from the women's 4x100 metres medley relay team of Lyn Watson, Judy Playfair, Lyn McClements, and Lyn Bell. They clocked an outstanding 8.1 seconds off the Australian record to register 4mins 36.7 secs.

DIANE TOPS

A great individual swim by Diane Rickards (NSW) gave her the women's individual medley record of 5mins 21.7secs, or 10.4 seconds faster than J.Meneres 5mins 32.1secs.

Other record-breaking performances came from 14 year old Karen Moras (NSW) who clocked 9mins 31.2secs, or 2.4 seconds faster, for the 800 metres freestyle, and Lyn Watson who clocked 0.2 seconds off the 100 metres backstroke in 1min 8.9secs.

Graham White of Victoria set a new Queensland record of 8mins 48.3secs for the men's 80 metres freestyle, 15.7 seconds faster than the old time of 9mins 4secs.

C.M. Tuesday 29 October 1968

"LACK OF DISCIPLINE" SWIM CLAIM
by Judy Joy Davies Mexico City

"Lack of discipline could have cost Australia some Olympic medal chances," Mr Stuart Aldritt said yesterday. Mr Aldritt is Manager of the Australian swim team at the Games.

The Secretary of the Australian Swimming Union, Mr Syd Grange, also complained of a lack of discipline in the fenced-off women's quarters at the Olympic village. "Swimmers were up and about late at night disturbing others who were still competing," Mr Grange said. He said that in future Olympic Games there should be a separate Manageress for girl swimmers.

NO PHONE

Mr Aldritt answered a complaint that there had been a breakdown in communications between him and the Manageress in the women's quarters. He said that although requested for some months, there was no telephone in the Australian women's quarters. "When it became obvious that the Mexican authorities would not give us a phone, I requested a walkie-talkie set," Mr Aldritt said. "In that way I could have communicated with either Manageress, but the walkie-talkie was never delivered. Because of lack of complete discipline I believe we may have lost some medal chances at the Games."

C.M. Tuesday 5 November 1968

SIX YEARS OUT : KENNY BACK IN

International surf lifesaver, Hayden Kenny, will return to unrestricted competition at Coolum on Sunday. For the last six years Kenny has been barred from certain events.

He was ruled ineligible for amateur competition by the Australian Swimming Union when he became lessee of a swimming pool in Maryborough. This restricted his surf competition to events in which rescue equipment was used. He could not contest surf or surf teams races.

The .A.S.U. has lifted the ban, and Kenny will compete for his Club. Alexandra Headland, in the surf and surf teams races on Sunday.

C.M. Friday 22 November 1968

CHARLTON FOR RECORD

Promising young freestyle swimmer Dianne Charlton is ready to break her Under 14 100 metres freestyle record. It could fall tonight at the Valley Pool at the Queensland Ladies Association carnival, or next week-end at the Brisbane championships.

Dianne, 13, is nearly ready to challenge Olympian Jenny Steinbeck's authority as State senior champion. She has already bettered her own State Under 14 record of 63.6sec by ½ sec, but not under record-breaking conditions.

She clocked 63.1sec at a four-way club meet at the Valley Pool two weeks ago with only one clock on her lane. Three clocks are necessary before a record will be recognised.

TOUGH RIVALS

Diane's best chance of breaking the record will be in Open company where she will meet Jenny and outstanding Toowoomba swimmer, Sheila Rose. Sheila's current times are comparable to Dianne's, though neither is likely to beat Jenny.

All three will meet tonight and again in the Queensland titles.

Queensland's other woman Olympian breaststroker, Joanne Barnes, and Commonwealth Games backstroker Allyson Mabb, will compete.

C.M. Monday 25 November 1968

FORTY RECORDS GO AT N.Q. SWIMS

Cairns - Two Queensland, four North Queensland, and 34 Far North Queensland swim records toppled at the Far North Queensland District swim championships carnival which finished here yesterday.

Swimmers from Cairns, Tully, Innisfail, Gordonvale, Mulgrave, Mareeba, Atherton and Malanda Clubs competed. A total of 217 swimmers contested the 90 individual events and 18-relay events programme.

C.M. Saturday 30 November 1968

DIANNE; A SWIM BID

Dianne Charlton, 13, and Olympian Jenny Steinbeck will clash again at Brisbane swimming championships at the Valley Pool tomorrow. At the Queensland Ladies Association carnival last Friday night, Dianne touched a split second behind Jenny in 64.2sec, a mere 0.6sec outside the State Under 14 mark.

C.M. Monday 2 December 1968

EIGHT MEDALS TO SWIM BABIES

Two water babies made clean sweeps in the Brisbane Amateur Swimming Association annual championships at the Valley Pool yesterday. The pair were Stephen Harris, 8-year-old Aspley Marlins Club swimmer, and Toni Close, 7, of St Bernadette's Club.

Swimming in the Under 9 boys' division, Stephen won all four medals - 50 metres freestyle, backstroke, breaststroke and butterfly. Toni took out the four events in the girls' Under 8 section.

This is only the second occasion on which a swimmer has completed a clean sweep of an age group in the championships.

TWO RECORDS

Only two records were broken in yesterday's events. Valley swimmer Neil Gynther clipped 0.1sec off the 14 and Under 16 100 metres breaststroke to set a State junior time of 1m 16.3s.

Lynda Young, Leander, set a new Under 12 girls' 200 metres backstroke time of 2m 49.4s.

(Results given)

C.M. Tuesday 24 December 1968

TASMANIA SENDS SWIM TEAM

Warwick - One of Tasmania's leading swimming clubs will take part in a carnival at the E.J.Portley Olympic Pool, Warwick, on Saturday night. The Clarence Swimming Club is sending the team, made up of its top swimmers.

Warwick and District Amateur Swimming and Lifesaving Club President (Mr Reid) said the team would arrive in Warwick on Boxing Day from Tasmania, and would stay in Warwick until January 1.

The 37 members - including three professional coaches - will take part in the carnival on Saturday night against teams from Warwick, Toowoomba, Pittsworth, and Chinchilla.

After leaving Warwick they will compete at Toowoomba, Tenterfield, Scarborough and Brisbane.

Their tour will end on January 7.

C.M. Wednesday 8 January 1969

CUSACK IN TITLE REST

By Frank O'Callaghan

Olympic butterfly swimmer, Robert Cusack, will not contest the State and Australian championships this summer. He feels he has earned a break after nine years of continuous swimming.

He will continue with his Club, St Bernadette's, and is expected to return to the top bracket next summer to bid for selection in the Australian team for the 1970 Commonwealth Games in Edinburgh.

GAMES FINALIST

At Mexico Cusack was Australia's best butterflyer. He was the only one to make the 100 metres final and finished eight in the creditable time of 59.8sec.

Cusack will join fellow Olympians Jenny Steinbeck and Joanne Barnes to give exhibition swims in Rockhampton on Saturday night, the third night of the State Age championships.

The Age titles have moved out of Brisbane for the first time.

METRIC POOL

The Rockhampton City Council has had its pool converted from yardage to metric distance for the titles. The switch out of Brisbane is expected to boost interest in the sport, and with the Olympians as drawcards, could result in bigger gate-takings than if they were held in Brisbane.

The State junior and senior championships are scheduled for Brisbane from January 16 to 19.

C.M. Saturday 11 January 1969

TOWNSVILLE GIRL AGE SWIM STAR.

Rockhampton - A Townsville girl, Helen Gray, starred in last night's Queensland State Age Championships finals. Helen shattered the Under 12 100 metres freestyle record, won the 400 metres Under 14 freestyle by more than seven seconds, and led two relay teams to victory.

Second place-getter in the 100 metres, Shane Gould, of Centenary Club, Brisbane, also beat the previous record by half a second.

Judith Hudson, Leander Club, Brisbane, who equalled Olympian Joanne Barnes 50 metres Under 11 breaststroke record in the heat on Thursday night, broke it by 0.4sec in the final.

Rondah Shapland, of Toowoomba, was second with 41.6sec, 0.6sec outside Barnes previous record.

(Results given)

GIRLS HEAD DIVE TITLES

Women will dominate the state diving championships which start at the Centenary Pool today.

Gaye Morley and Lorraine McArthur, who finished second and third respectively in the Australian championships last summer, guarantee a high standard in three-metre and high board events.

New Zealand's men's champion, Cyril Buske, on a six weeks tour of Australia, is expected to dominate the men's division

The three-metre titles will be held today, starting at 2pm, and the high board tomorrow.

C.M. Tuesday 14 January 1969

BROUGH IN ALL EVENTS

Olympic swim bronze medallist, Greg Brough, will contest and should win all freestyle events at the State championships at the Valley Pool this week. He also may swim in the 100 and 200 metres butterfly events, depending on their proximity to his freestyle programme.

The championships for juniors and seniors start with heats on Thursday night, and will continue with finals on Friday, Saturday, and Sunday nights, and heats on Saturday and Sunday mornings.

Brough may well set new standards for all freestyle events (from 100 to 1500 metres).

OLYMPIANS

Two of his Olympic teammates, Joanne Barnes and Jenny Steinbeck, and Commonwealth Games backstroker Allyson Mabb, will compete in the championships.

Joanne could be extended over 200 metres of breaststroke by Sandra Smith, and Jenny over 100 metres of freestyle by Robyn Risson of Toowoomba, and Dianne Charlton.

Allyson, though beaten by Beth Grissell over 100 metres in the Brisbane championships is favoured to win the 100 and 200 metres backstroke, and 100 and 200 metres butterfly titles.

C.M. Friday 17 January 1969

SWIM JUNIOR NEAR QUALITY OF THEILE

Ashgrove's Arthur Shean, 15, revived memories of Australia's backstroke swimmer, David Theile, at the Valley Pool last night. In the qualifying heats of the State titles, Shean clocked 65.4sec for the Open 100 metres backstroke and set a new State resident record for the junior 200 metres of 2m 22.8sec.

He was 2.1sec outside Theile's State 100 metres resident record, and clipped 3.7sec off Kent McGregor's junior standard. He believes he will do better in tonight's finals.

"GOOD'UN"

It was Arthur Cusack, Theile's old coach, who compared Shean to the dual Olympic champion. "David was swimming no faster at Arthur's age," said Cusack. He's a good'un."

Shean might have the 200 metres title to himself tonight, but he is expecting trouble over 100 metres from Toowoomba Grammar schoolboy, McGregor, 16, whom he has yet to beat.

Four other resident records fell last night.

Olympian Jenny Steinbeck's 2m 17s lopped 0.1sec off Fay Rillie's 200 metres freestyle mark, and Greg Cusack 1m 16s bettered Neil Gynther's 100 metres junior breaststroke standard by 0.3sec.

Barbara Barrett, 14, held the junior 400 metres freestyle record for barely five minutes. The relaxed Barbara appeared to glide through her heat in the new time of 4m 54.6s. In the next heat Toowoomba club mate Robyn Risson erased this record by clocking 4m 52.4s.

The quality of competition last night indicates some thrilling racing tonight.

"FLAT OUT"

Miss Steinbeck made it clear she aims to win the 200 metres freestyle title and in an even better time. "I have never been able to beat Fay Rillie over 200 metres, but I will be flat out to do it tonight," Jenny said. Fay's 2m 18.3s last night, suggests she will have to be.

Miss Barrett and Miss Risson obviously are set for a great duel, and even Olympic breaststroker Joanne Barnes could find a challenger in Jane Spiro or Sandra Smith.

Joanne delighted coach Joe King with her 200 metres time of 2m 52s, her best performance since her return from Mexico.

Olympic teammate Greg Brough coasted through his 400 metres freestyle heat in 4m 26s, well below his best, but doubtless good enough to win tonight.

C.M. Saturday 18 January 1969

WENDY BREAKS TOP AUST. TIME

By Frank O'Callaghan

Ingham's Wendy Way, while still under medical treatment, smashed the Australian junior butterfly swim record at the Valley Pool last night. Wendy downed Commonwealth Games representative, Allyson Mabb, to win the State senior title in 69.5sec. She thus sliced 0.3sec off the national record of Olympian Lyn Watson.

Wendy has been consulting a Brisbane doctor for two weeks because of strained back ligaments, and has been restricted to light training. Last night's effort was the best in a night of incomparable State performances.

The 12 new records set lifted to 21 the total number for the first two nights of the championships.

Brisbane backstroker Arthur Shean, Toowoomba freestylers Robyn Risson and Fay Rillie, and Olympic bronze medallist, Greg Brough, shone brightest.

Shean set a State junior record of 63.9sec in winning the Open 100 metres title, and then claimed the junior 200 metres championship in a record-breaking 2m 21.2s.

Miss Risson's splendid junior freestyle win in 63.1sec was merely a prelude to her State record-breaking 400 metres freestyle time of 4m 47.6s.

Miss Rillie lowered famous young Olympian Karen Moras's State 200 metres freestyle to 2m 15s, and improvement of 0.3sec, and Brough, a crack freestyler, bettered the standard of Olympic butterflyer Robert Cusack.

Butterfly swimming to Brough is merely a break in the training routine, yet his 2m 16.2s for 200 metres clipped 0.1sec off Cusack's resident record.

(Results given)

C.M. Monday 20 January 1969

ONLY GAYE FOR DIVE

State three-metre and high board diving champion, Gaye Morley, will be the only Queensland representative at the Australian diving championships at Perth next week.

Lorraine McArthur, a bronze medallist at the 1962 Perth Commonwealth Games, and State one-metre champion, withdrew when selected because of an injured back.

The titles will be held from February 13 to 15.

BROUGH JOINS SWIM "GREATS"

By Frank O'Callaghan

Olympic freestyler Greg Bough last night became one of the "greats" of Australian swimming. After retaining his State 1500 metres title at the Valley Pool yesterday morning, he reeled off a record-breaking 55.6sec for 100 metres last night.

The switch from his pet distance of 1500 metres to a world class sprint is evidence of his greatness. His sprint time was 0.9sec inside his old resident record, and only 1.4sec outside the Open State record held jointly by West Australian Olympic sprinter David Dickson, and John Ryan.

SECOND TIME

Brough has now won all State freestyle titles for the second successive year. His complete haul was seven individual gold medals from seven starts, and an eighth as a member of the Mermaid Beach champion 400 metres relay team. And as the Queenslander nearest to world standard, he collected the David Theile Trophy

Brough clearly wanted that 100 metres title, in fact, he sacrificed a chance to equal the 1954 performance of Cyrus Weld who took home eight individual championships. He withdrew from the 400 metres medley, a title he surely would have won, because it was two events before his sprint.

SHEAN'S SIX

One who should soon qualify for the Theile Trophy is backstroker in the Theile mould, Arthur Shean. The 15-year-old Ashgrove stylist made a clean sweep of the backstroke titles, senior and junior, by winning the senior 200 metres event in a record-breaking 2m 20.7s. It was Shean's sixth record of the carnival. The only one that eluded him is Theile's 100 metres mark of 63.3sec.

(Results given)

C.M. Friday 24 January 1969

CUSACK OUT OF SWIMS

Olympian Robert Cusack has withdrawn from the Queensland swim team to compete in the Australian titles in Perth on February 21, 22 and 23. Cusack withdrew for "personal reasons".

His place will be taken by Graham Short, of Leander Club, Brisbane.

The Queensland Amateur Swimming Association Executive decided last night to pay fully the expenses of 12 Queenslanders competing in the titles.

(This decision no doubt followed the dead silence at the Pool when it was announced that Fay Rillie and Sheila Rose were in the team, but would have to pay their own expenses. I think this was the last time a team was announced which was not fully funded, though not uncommon in the past. Ed)

C.M. Monday 3 February 1969

SHEAN'S RECORD SWIM FOR 200 TITLE

By Frank O'Callaghan

Queensland's Arthur Shean became Australia's best backstroke swimmer with a record-breaking 200 metres title win at the Valley Pool yesterday. His time of 2m 18.8s clipped 1.9sec off his State resident record, and gave him the national 100 and 200 metres double.

On Saturday night Shean won the 100 metres title in the State resident record time of 63.8sec. Yesterday he wanted a 67sec first 100 metres, and New South Wales rival, Robert Orren, helped him.

Orren may have been trying to burn Shean off so that his brother Charles, the title holder, could make the kill. But Shean, stroking furiously, streaked away in the third lap and opened up a gap that grew wider by the second.

Queenslanders won three gold, six silver, and eight bronze medals, in the 26 event series.

Queensland Olympic breaststroker Joanne Barnes lost her 200 metres title to Sydney's Beverley Whitfield, but it was her best performance since before going to the Mexico Games. Bev won a magnificent struggle by a touch, but if Joanne had not been forced to a second short stroke inches from the wall, she would still be champion.

Coach Joe King blamed himself. "I told Joanne to tackle Bev 25 metres from home, I should have said 15 metres," King said.

The girls' times of 2m 48.5s and 2m 48.7s compare with Judy Playfair's national record of 2m 46.1s.

Sandra Smith of Brisbane nosed into third place with a splendid 2m 51.7s.

(Results given)

C.M. Saturday 22 February 1969

GREG CENTRE OF PERTH BLOW-UP
NOT IN 800M TOP EIGHT

From Judy Joy Davies

Perth - Olympic bronze medallist, Greg Brough, threatened to withdraw from the Australian 800 metres freestyle swimming championship yesterday. The 18-year-old Queensland and Australian champion swimmer was not seeded in the top eight to compete in the 800 metres last night.

Queensland, Victorian, and N.S.W. officials were kept busy yesterday morning trying to untangle a series of ridiculous mistakes which threatened to keep some of Australia's top swimmers out of last night's finals.

The three day Australian open swimming championship meeting started at the Beatty Park pool with heats in the morning and finals at night.

Brough, from Mermaid Beach, Queensland, is the Australian 400 and 1500 metres freestyle champion and won a third place - a bronze medal - in the 1500 metres at last year's Mexico City's Olympics. One of the top 800 metres freestyle swimmers in Australia, Brough rightly expected to be swimming in the "champions" heat last night.

In the 800 and 1500 metres freestyle the competitors do not have to swim in heats and finals. The fastest eight swimmers are always placed in the "champions" heat, which is swum at night during the finals. The slower swimmers compete in heats in the morning. The race is decided on the three fastest times swum in the heats, and the place-getters are always from the main heat, which is swum at night.

Brough was stunned when it was announced he would be required to swim in the slow heats in the morning. "It is ridiculous, they have laced a swimmer in tonight's main heat who isn't even here in Perth," said Brough, while officials argued. John O'Donnell, from N.S.W., was given a lane in the main heat. He did not even make the trip to Perth.

Brough, who also qualified for last night's final of the 200 metres freestyle, walked out of the pool and left the officials still wrangling. It was more than one hour later that officials admitted their mistake and placed Brough in the outside lane - usually kept for the worst swimmers - in last night's final.

MORE BLUNDERS

Graham White, 15-year-old Y.M.C.A. breaststroke swimmer from Melbourne, had to wait almost two hours before officials to acknowledge that he had won a berth in the final of the 100 metres breaststroke. White qualified after the morning heats with the fourth fastest time. But with eight in the final he was overlooked and not listed to swim. Two official announcements were made before officials finally saw their message and put White in the final.

FASTEST OUT

It was even worse for N.S.W. swimmer, Paul Jarvie. He clocked the fastest time in the breaststroke heats and was left out of the final. Before things were finally straightened out and Jarvie was put into the final, there were some frenzied pool-side scenes.

It took some doing, but by the time the morning heats had ended the tangle was untangled and all rightful swimmers were listed for the finals.

An inaugural Australian winter swimming carnival will be held in Brisbane in 1970. The proposal was submitted by Queensland to the Conference of the Australian Swimming Union and accepted.

C.M. Monday 24 February 1969

QUEENSLAND THREE IN SWIM TITLES

Perth - Queenslanders won three titles at the Australian swimming championships last night - the first three on the programme. Joanne Barnes won the 200 metres breaststroke, and Greg Brough the 1500 metres freestyle.

Brough gave final proof that he is Australia's outstanding distance swimmer when he won the 1500 metres freestyle in 16m 43.6s. Brough's win followed successes in the 400 and 800 metres freestyle, and was the most convincing of his three wins.

FOUR SECONDS

His time was 2.6sec outside Victorian Graham White's Australian record. White finished second to Brough, and it was the fourth time he has mounted the second place position on the victory dais. Earlier he finished as runner-up in the 200, 400, and 800 metres freestyle events.

Brough trailed White for 250 metres and then gradually increased his lead during the next 23 laps to win by nearly 20 metres. His time was 1m 16s faster than the West Australian open record held by Bob Windle, and 1.27 faster than Simon Martin's resident record.

JOANNE'S TWO

Martin swam the fastest time recorded by a West Australian when he finished fourth in 18:00.7 - 9.3sec faster than his best effort.

Joanne Barnes completed a double when she won the 200 metres breaststroke, beating N.S.W. girl, Beverley Whitfield by a touch in 2:29.4.

Brough won the next event, and then Fay Rillie won her first senior title when she finished strongly to win the 200 metres freestyle in 2:15.4. Her time was 3sec faster than Lyn Watson's State record, but 3.8sec outside Dawn Fraser's long-standing record. (This was the only Australian Open gold medal won by a Toowoomba swimmer in this recorded century. Ed)

(Results given)

C.M. Wednesday 3 September 1969

Picture - Three swimmers in the water, one doing Backstroke, one Breaststroke, and one butterfly.

MINI SPEED

Three Brisbane water sprites who train 3,000 metres each day are, not surprisingly, the fastest swimmers in their respective styles and age groups. They are, butterflyer, Robert Logan, backstroker Stephen Harris, and breaststroker Craig Phair, who train together at Foster's heated pool at Aspley.

The smallest (4 feet 3 inches) and youngest (8 years & Under) and most versatile is Robert, of Stafford. He is fastest for his age in Australia over 50 metres in three strokes - freestyle (37.5s), butterfly (43.2s), and backstroke (42.1s).

Stephen, of Banyo, is in the 9 years class, and covering 50 metres of backstroke in 40 seconds is in a class of its own. He is a former triple "uncrowned national champion" because of his under age performances last year in 50 metres backstroke, and 100 and 200 metres freestyle. Training for Stephen comes as naturally as breathing. He has been at it six days a week at the "all seasons" pool for two and a half years with one month "vacation" period each year.

Craig, 11 years, of Aspley, has a 5 feet 4 inches frame - a splendid build for a swimmer. Although he has been swimming for only nine months, he is at the top of the national chart for 50 metres of breaststroke.

For all this time in the water there no waterlogged brains among them. All do well at school, and Stephen at Nudgee is top of his class.

C.M. Tuesday 28 October 1969

Picture - Eight swimmers in the water and coach at side of pool.

PACING DONE BY MACHINE

Automation is combating the loneliness of the long-distance swimmer for an inventive Yeronga coach.

Former New Zealander, Dave Henderson, professional coach at Yeronga, has set up a "pacing" machine to help his swimmers in the grind of long distance training. It may not look much to the casual observer - two strips of coloured cloth hanging from what looks like a very long clothes line - but it is the "pacer" for all of Henderson's swimmers.

The automat consists of an electric motor driving a rope the length of the pool. A piece of cloth attached to the rope indicates the pace a swimmer should move on each lap. "It gives the swimmer an uninterrupted view of what pace he is swimming," Henderson said yesterday. "It can be a good companion for long distance swimmers who are forced to swim alone," he said.

C.M. Wednesday 29 October 1969

NO SURFING FOR BROUGH

Queensland's outstanding young surfer and Olympic swimmer, Greg Brough, will be lost to surfing this summer. Brough, 18, will concentrate entirely on winning selection in the 1970 Australian Commonwealth Games team for Edinburgh. A student at the Southport School, Brough will complete senior studies this year and move to Sydney to train under Olympic coach, Don Talbot. Surfing, which Talbot dislikes for his charges is "out." Brough is the holder of the senior and junior surf, and the junior belt title, and shares the junior team championship with his Surfers Paradise Club mates.

C.M. Saturday 15 November 1969

ALLYSON OUT AFTER GAMES

Queensland's unluckiest swimmer Allyson Mabb will make her initial bid for the 1970 Commonwealth Games team at the Valley Pool tonight. The State backstroke champion over 100 and 200 metres butterfly title-holder will contest both strokes tonight.

She is one of the Games team hopes who will supplement the Brisbane Association's relay carnival with competition in individual events.

AT JAMAICA

Illness in the national titles last year prevented Allyson from making a strong bid for the 1968 Olympic Games team. She was a member of the 1966 Commonwealth Games team at Jamaica, and last summer swam the fastest 100 metres butterfly in Australia (68.1sec). And she very nearly pipped West Australia's Olympic gold medallist, Lyn McClements, in the national championships at Perth last February.

Other interesting swimmers tonight, all of whom are early bidders for the Games side, are backstroker Arthur Shean, breaststrokers Greg Cusack, Neil Gynther, and Nick Proctor, freestyler Paul Stapleton, and all-rounder Brad Cooper.

MEET AGAIN

Cooper who beat the national junior backstroke champion Shean over 200 metres in State record time last August, will meet him over 100 metres tonight. He is contesting the 400 metres freestyle against Stapleton and should win it.

Stapleton's training times have tumbled by as much as 18 seconds for 400 metres this season.

Gynther is national junior and senior 200 metres breaststroke champion, and Proctor and Cusack are little behind him.

The disappointing aspect of the meet will be the absence of Olympic breaststroker Joanne Barnes, and one of Australia's fastest freestylers, Dianne Charlton.

C.M. Tuesday 18 November 1969

SWIM CHANCES OPEN CAMPAIGN

Queensland's best Commonwealth Games prospects Joanne Barnes and Dianne Charlton will have their first serious competition of the summer in the Brisbane championships at the Valley Pool on Saturday night. Miss Barnes, the Olympic breaststroker, and Miss Charlton, a sprint freestyler have just finished junior examinations.

While Joanne will strike little serious competition, Dianne has Robyn Risson, Fay Rillie, and Sheila Rose to extend her. Dianne swam the fastest 100 metres in Australia last summer (62.3sec), but she is not ready to repeat this time.

Miss Risson, who swam within 2.8sec of Jenny Thorn's State resident 400 metres freestyle record (4:42.4), last Saturday night, might be pushed to a new time by Miss Rillie on Saturday. She could, however, be somewhat flattened by her eight-mile-a-day training programme.

All serious Games team contenders will be setting themselves for the State titles in January and the national and Games trials in Sydney in February.

The men's 100 metres backstroke records could tumble to two of Australia's fastest young stylists - Arthur Shean and Brad Cooper. Shean's 63.8sec last Saturday night equalled his State junior mark and was 0.1sec outside the national record of Olympian Karl Byrom.

Cooper also is ready to bring the State junior 400 metres freestyle mark to below 4m 20s.

Nominations for the annual Queensland Ladies Association championships on Friday week have been extended until tomorrow. Most of Queensland's top swimmers, including Miss Barnes, Miss Charlton, Sue Funch, and Sandra Smith, will compete. There will also be handicap events. Nominations close with Mrs Harris at 67 2740. The championships will be preceded by an exhibition of synchronised swimming.

C.M. Wednesday 19 November 1969

U.S. STAR TO SWIM IN QUEENSLAND
By Frank O'Callaghan

Triple Olympic swim champion Debbie Meyer, of the United States, will swim in the Queensland championships at the Valley Pool in January. She will compete in the Queensland and New South Wales championships during a short tour of Australia. The Victorian Association, which was offered a visit, turned it down, probably for financial reasons.

MEXICO WINS

Miss Meyer won the 200, 400, and 800 metres Olympic freestyle titles at Mexico City last year. She is the world record holder for all freestyle events from 20 to 1500 metres.

A programme of the Queensland championships (January 15- 18) has been sent to her coach, Sherman Chavoor, who will decide what events she will contest.

Robyn Risson, who seems certain this summer to set a new 400 metres standard, should relish the spur provided by Miss Meyer.

Though Miss Meyer's visit will throw a great strain on the Queensland Amateur Swimming Association finances, the Association executive is determined she shall come here. They plan to offset the expense by raising the registration fee of all swimmers affiliated with the Association by 20 cents. This would bring in additional revenue of about £22,000.

OPPOSITION

It is anticipated the move will meet with some opposition. Australian swimming will be faced with more and more financial problems.

The first world championships will be held in Europe in 1971, and every second year thereafter.

The prospect of raising finance for these titles already is causing headaches within the Australian Swimming Union.

C.M. Saturday 22 November 1969

SWIM UPSET

Commonwealth Games swimmer Allyson Mabb was beaten in an upset by Sue Lewis in the 200 metre backstroke at the Valley Pool yesterday. Mabb was favoured to win the event at the first night of the B.A.S.A. championships. Lewis clocked 2m 40.6s to beat Mabb, who seemed to be well below her best.

Olympian Joanne Barnes had an easy win in the women's open 100 metres breaststroke final in 1m 21.4s.

Promising young Fortitude swimmer Shane Gould was the most successful competitor of the championships. She won the girls' 100 metres 12 and Under 13 backstroke final in 1m 15s, and later took the girls' 12 and Under 13 Breaststroke final in 1m 27s.

C.M. Wednesday 26 November 1969

SWIM CHAMPION HAS HIP COMPLAINT

Australian junior national backstroke champion, Arthur Shean, has a hip complaint which may force him out of the Brisbane swim championships at the week-end. He consulted a specialist yesterday, and expects an opinion tonight.

Shean is a strong Commonwealth Games team candidate and already this season has equalled his best 100 metres time.

The titles will be held on Saturday, starting at 6.30pm, and on Sunday at 5.30pm.

Diane Charlton, Australia's fastest sprinter last year, could be hustled along by Queensland's latest sensation, Shane Gould.

Shane, a superb all-rounder, appears to have as much ability as a sprinter as a middle-distance freestyler.

The two girls are front-line Games team contenders.

C.M. Monday 1 December 1969

SHANE'S FIVE IN SWIM

Shane Gould, of Fortitude Club, equalled the Queensland resident, open, and junior records for the 100 metres girls' freestyle in the metropolitan swimming title finals at the Valley Pool last night. Shane clocked 62.2sec for the swim, and broke the Under 13 and 14 records for the event.

The standard of swimming in the semi-finals and finals by Shane Gould, Brad Cooper, John Van Opdenbosch, Robyn Risson, and Joanne Barnes, will hold Brisbane in good stead for the State and national titles.

C.M. Tuesday 16 December 1969

QUEENSLAND SWIM VOTE FOR AFRICAN TOUR

By Frank O'Callaghan

Queensland Amateur Swimming Association last night voted that Australia should pursue its plan to send a swim team to South Africa next March. This represents a rejection of the tactics of the Commonwealth Game Association.

The Australian Swimming Union has called for a postal vote from all States on the tour issue following to what amounted to a threat from the Secretary of the Commonwealth Games Association (Mr K.S.Duncan).

Mr Duncan said that if Australia continued with its plan to send an eight-strong swimming team to South Africa, Melbourne would forfeit its chances of hosting the 1974 Commonwealth Games.

Some Australian Games officials fear there could also be repercussions when Australia visits Edinburgh for next year's Games.

Queensland, by coming out in favour of the tour, is showing it will not countenance the type of political blackmail which forced South Africa out of the 1968 Olympic Games.

LOSE PRESTIGE

If the A.S.U. takes Queensland's lead, it will bring to a head the whole question of sport with South Africa. The deadline for the postal vote is next Saturday.

Australia must not allow itself to be dominated by other countries, and it would lose enormous prestige if it surrendered meekly to the demands of any other nation or sporting association.

The argument that South Africa should be punished for its apartheid policies by banishment from international participation in sport does not hold water.

IDEALS HARMED

Sport is the only medium which has made so much as a dent in the iron policy of apartheid. Proof of this is that South Africa agreed to send a multi-racial team to the Mexico Olympics, and had even chosen a provisional side, when the International Olympic Committee under pressure from the black communist nations withdrew its invitation. The Olympic Committee and all it had claimed to stand for suffered irreparable harm.

Here was a classic example of sport creating a chink in the apartheid wall when all other attempts had failed.

How sincere then were the countries which continued to conspire against South Africa, supposedly on the cause of justice?

Sport again proved its power to break down prejudices, when South Africa allowed a New Zealand Rugby Union team including Maoris to tour the country next year. This is unprecedented since the adoption of the apartheid policy.

The Q.A.S.A by its vote last night struck a genuine blow for human rights.

C.M. Saturday 20 December 1969

SWIM EIGHT WILL GO

Sydney - State swimming Associations have voted 5-1 to send an eight-man team to South Africa next March. The Australian Swimming Union had asked the States to vote by mail on the issue.

Earlier, Mr Sandy Duncan, the Commonwealth Games Association Secretary, said if Australia did send a team away, it could result in some countries withdrawing from the Commonwealth Games in Edinburgh next year.

ONE "NO"

Secretary of the A.S.U. Mr Syd Grange, said yesterday New South Wales Victoria, Western Australia, Queensland, and Tasmania had voted "yes" to the team going away. South Australia provided the only "no" vote.

Mr Grange said the vote was an "overwhelming" vindication of the A.S.U. not to become involved in racial or political issues. "As far as I am concerned, we will send a swimming team to any country in the world. We don't favour anyone."

AFTER TITLES

Mr Grange said the Australian team would comprise four men and four women, plus a manager and coach. The swimmers will be selected after the Australian titles in Sydney on February 27.

The team will leave Sydney on March 8, and will spend almost three weeks in South Africa, returning on March 2.

C.M. Thursday 6 January 1970

TOP FREESTYLERS TO CLASH AGAIN

Two of the State's best freestyle swimmers, Shane Gould and Helen Gray, both 13, will clash again at the Valley Pool this week. They will meet over 100, 200, and 400 metres, during the State Age championships which start tomorrow night.

Last December 13 they provided a classic 800 metres race, at the Valley Pool, which Shane won by a touch. Her time of 9m 32 s knocked 26.3sec off the State senior record.

Shane, of Brisbane, is the most exciting all-round discovery of the season. Helen, from Townsville, has followed a more predictable path.

GAMES HOPES

Both are strong candidates for the Edinburgh Commonwealth Games later this year, though Helen is not setting herself for Edinburgh. She is more interested in the 1972 Olympic Games in Munich.

The championships will be held each night, until Sunday, starting at 6.30pm. Other sessions will be on Saturday and Sunday mornings starting at 8.30am.

Another Toowoomba girl, Christine Schwarz, also 13, is tipped to do well. Her meetings with Shane, and Sue Fraser, of Ipswich, over 100 and 200 metres butterfly have sparked considerable interest. Christine beat Shane over 200 metres last December.

Judy Hudson, 12, an outstanding Brisbane breaststroker, is capable of setting new breaststroke standards and of further reducing her State 400 metres medley record of 6m 8s.

A total of 396 competitors, including 218 boys, will contest 1316 individual and relay events.

C.M. Thursday 8 January 1970

AGE SWIM RECORD TO IPSWICH GIRL

Young Ipswich swimmer Susan Fraser last night broke a Queensland junior record at the first session of the State Age swimming championships. Susan, 14, clocked the record time of 2:26.5 in the 14 Years and Under 200 metres butterfly. It is the first major record she has broken after ranking as the fastest Australian butterfly swimmer in her age group over 100 metres last year.

Another highlight of the session was a win by Larry Forsyth, of Townsville, in the 12 Years 400 metres freestyle when he finished 1/10sec ahead of Stephen Holland of Commercial. Larry clocked 4:50.6 which is an age group record

(Results given)

C.M. Friday 9 January 1970

HELEN GRAY SET 200 SWIM RECORD

Another State junior record was smashed at the second session of the State Age swimming championships last night. Helen Gray, 13, of Townsville, one of the State's foremost freestyle swimmers, won the 200 metres 14 Years and Under freestyle event in the record time of 2m 16.4s.

Helen Gray's meeting with Shane Gould and Susan Fraser (who on Wednesday night broke a State junior record in the 200 metres butterfly) again battled it out. Susan faded away rather quickly, leaving the field clear for Helen and Shane.

CLOSE BATTLE

Swimming stroke for stroke for almost the entire distance, the two battled it out, with Helen touching 0.5sec ahead of Shane.

Miss Gray's coach, Laurie Lawrence, said that Helen had worked very hard over the past week, far more so than in previous weeks. He hinted that her best was yet to come.

(Results given)

C.M. Saturday 10 January 1970

TWO MEDALS, RECORD, TO SHANE GOULD

Prize swim discovery, Shane Gould, swept back into favour by winning two gold medals and a senior record at the State Age titles last night.

In setting a senior, junior, and age, 200 metres medley record of 2m 37.8s, Shane inspired Olympic coach Arthur Cusack to hail her as the greatest woman

medley swimmer he had seen. "Better that Donna de Verona," said Cusack, referring to the 1964 Olympic and world champion.

Earlier, Shane, barely 13, had won the 100 metres butterfly in 1m 11.5s, three seconds faster than her previous best. Her performances completely erased memories of 200 metres butterfly and 200 metres freestyle swims on Wednesday and Thursday nights.

CUT TIMES

There were rumblings that Shane had "gone bad" and might never reach the Olympic career predicted for her. Her medley swim clipped 1sec off Dianne Charlton's State junior record, and 6/10sec off the senior standard of Olympian Jenny Steinbeck. It was 2.6sec better than her previous best.

Shane's coach, Gordon Petersen, said, "She has had a tough preparation which could explain her previous form, but she looks great now."

Townsville's Suzanne Anderson clung to Shane throughout the butterfly and backstroke legs of the medley, but neither Sue (third) or Debbie Handley (second) could match her in breaststroke and freestyle.

Townsville's Larry Forsyth, 11, won his second gold medal of the championships by taking the 100 metres in 65.4sec, a performance comparable to his 400 metres in 4m 50.4s on Wednesday night.

Less lucky was Forsyth's club-mate, butterflyer Christine Schwartz, who for the second time was nosed away from the gold medal. On Wednesday night Christine bowed to Sue Fraser over 200 metres by 0.4sec.

Last night it was Miss Gould who beat her by a similar margin.

(Results given)

C.M. Monday 12 January 1970

TOWNSVILLE BOY WON FOUR IN SWIM

Talented young Townsville swimmer, Larry Forsyth, collected his fourth gold medal of the Q.A.S.A Age championships during the final session at the Valley Pool last night. Forsyth clocked 1m 16s, an automatic record, in winning the 100 metres 12 Years and Under backstroke final.

It should have been his fifth gold medal as he won the 100 metres butterfly in yesterday's morning session, only to be disqualified for touching incorrectly at the finish.

REWARDED

Coach Laurie Lawrence said last night, "It was an outstanding effort and he has been rewarded for the extra effort he has put into his training of late."

Forsyth also won a special award given to the best overall swimmer of the carnival.

Earlier, the girls' 100 metres 13 Years freestyle provided a blanket finish, when the three place-getters all touched within a fraction of a second. But Townsville's Suzanne Anderson's 1m 4.1s won her the gold medal from Susan Fraser and Coral O'Connell.

Debbie Handley, from Ladies Commercial, and Far North Queensland's Denise Lee-Long staged a great battle in the final of the 200 metres 14 and Under breaststroke. Both girls swam stroke for stroke in the first 100 metres, but Handley's smoother turns enabled her to pull away slightly and win by two feet.

Another exciting finish was provided in the final of the boys' 100 metres 12 Years freestyle. Mark Tonelli (Western Districts) and Mark Martin (Townsville) raced neck and neck for most of the race, until Tonelli gained the upper hand in the last 20 metres.

Townsville swimmers completed their dominance of the carnival when its boys' and girls' teams returned wins in the respective 200 metres 14 Years and Under freestyle relays. The boys' team won its relay in 2m 1s from City Pastime and Leander, and the girls' team clocked 2m 4.5s in defeating South-East Queensland and Central Queensland. (Results given)

C.M. Tuesday 13 January 1970

CUSACK BACK IN BID FOR THREE TITLES

Olympic butterfly swimmer Robert Cusack will bid for the return of his State butterfly, medley, and freestyle titles at the Valley Pool this week. The State championships will start on Thursday night and finish on Sunday night.

The world's greatest woman swimmer, Debbie Meyer of U.S.A. will be a guest competitor.

Cusack went into virtual retirement last year after the 1968 Mexico Olympics. He now will be chasing the 100 metres butterfly and freestyle, and 200 metres medley titles he won that year.

RISSON THREAT

Cusack is trained by his uncle, Arthur Cusack, who also will offer Robyn Risson as a threat to all women's freestyle titles from 100 to 1500 metres.

Robyn has been kept under wraps, and is extremely fit - the fittest she has been for State title competition. She will tackle Dianne Charlton and Shane Gould in what should be the closest 100 metres struggle in years.

Shane shares the State record of 62.2sec with Jenny Steinbeck, now retired, but Cusack is hoping for a 62sec swim from Risson. This would mean automatic selection for the State side for the Commonwealth Games trials in Sydney next month.

Cusack is expecting a sub 4m 40s 400 metres swim from Robyn - another passport to the Games trials.

STYLIST

Miss Charlton, a stylist, and one considered certain for Edinburgh, now has the job ahead of her.

The clash of Fortitude club-mates Arthur Shean and Brad Cooper will be a feature of the titles. Shean, State junior and senior 100 and 200 metres backstroke champion, faces a strong challenge from Cooper over 100 metres. Both are strong Commonwealth Games team prospects.

C.M. Friday 16 January 1970

EIGHT SWIM TITLES GO - THREE TO GOULD

Eight records were broken - three of them by Shane Gould - at the opening of the State swimming championships at the Valley Pool last night. This outstanding Queensland discovery swam 2m 36.2s in the 100 metres junior women's medley to break the Under 14, Queensland junior, and Queensland Open, records.

Greg Brough, who has just returned to Brisbane from Sydney, was beaten by Bradley Cooper in the 400 metres men's freestyle. The time of 4:18.8 is well below Brough's Queensland record of 4:13.3.

In the first heat of the men's junior 100 metres freestyle, Paul Stapleton of St Bernadette's Parish Club, Scarborough, clocked 58.1sec to claim a Queensland junior record. In the fourth heat of the same event, Greg Cusack, swimming for the same Club, swam 57.9sec to take the record from Stapleton.

Debbie Meyer, the 15-year-old swimmer from the United States made an appearance as a spectator. But tonight, Debbie, who is regarded as the fastest girl swimmer of all time, will compete against Queensland's best.

Shane Gould will compete against Miss Meyer, the first girl to win three Olympic gold medals in an individual effort.

The other records broken were; Clinton Riley (St Bernadette's) 200 metres junior men's breaststroke, 14 Years age record; Linda Young (Leander) 100 metres junior women's backstroke, 14 Years age record; Brad Cooper (Fortitude) 400 metres men's freestyle, Queensland junior record.

C.M. Saturday 17 January 1970

SANDRA BEATS JOANNE TWICE

By Frank O'Callaghan

Sandra Smith, a slender 14-year-old Hendra High school girl, stole the glamour from world champion Debbie Meyer at the State swimming titles at the Valley Pool last night. The underdog in three starts, she twice beat Olympic breaststroke representative Joanne Barnes and then took the 200 metres medley title in a record-breaking 2m 35.8s.

In beating Miss Barnes over 200 metres in 2m 46.6s, Sandra leapt to the front of this year's Commonwealth Games team candidates. Her time is the fastest clocked in the country this summer, and was only half a second away from Judy Playfair's Australian record. Her coach, Alan Gynther, whose charges won four gold medals from four starts, said, "That's what a big heart and complete dedication will do. I wasn't altogether surprised."

BAD TURNS

Miss Meyer's classic style over 400 metres of freestyle compensated for her disappointing 4m 37s, a time 1.3sec outside Karen Moras' State record. She muffed each turn, and explained later that she could not find the blank wall. "I am used to a mark on the wall, and I guess I lost about five seconds," she said. "I also went down too slow. Quite frankly, I was scared. I did not know the quality of the field."

The quality was the best yet as Redcliffe girl, Robyn Risson, demonstrated by clocking 4m 39.7s, or 3.8sec inside her State resident record.

DEBBIE SPRINTS

Robyn stayed within two body lengths of Debbie, world record holder for the distance (4m24.5s) until the American spurted down the last lap.

Debbie later tackled the 100 metres butterfly, only her second swim in the event, and finished third to Allyson Mabb and Sue Funch in 1m 10s. This was only two seconds outside her best time for the distance performed in an individual medley event.

This morning Debbie will chase Karen Moras's Australian 1,500 metres record of 18min, a time she should slash if she can improve her turns.

Other major records fell to backstrokers Brad Cooper and Susan Lewis, and Olympic butterflyer Robert Cusack.

Cooper downed club-mate and Australian junior champion Arthur Shean over 200 metres in 2m 16.6s lopping 1.2sec off his own State record. Susan sliced 1.9sec off Sheila Rose's State junior mark in covering 100 metres in 1m 10.6s. Cusack, on ten days of hard training, reduced the Queensland 100 metres record to 59.5sec.

(Results given)

C.M. Monday 19 January 1970

ANOTHER THREE SWIM TIMES TO MOODY

Sixteen-year-old Townsville swimmer, Mark Moody, claimed three of the four records broken at the final session of the Queensland Swimming championships at the Valley Pool last night. His most impressive effort was the 5m 0.6s he recorded in winning the junior men's individual medley to set an Open and Junior state record. Previous best was the 5m2s Moody set himself on Saturday.

Earlier he won the 200 metres junior freestyle in 2m 4.1s to set a best by a Queensland junior.

St Bernadette's swimmer, Clinton Riley, although unplaced in the 100 metres junior, men's breaststroke, broke the 14 Years State Age record with a time of 1m 20s. Teammate Greg Cusack won the event in 1m 15.3s from Gary Ohlson (Mackay) and Greg Short (Leander).

Promising 14-year-old Sandra Smith almost caused a sensation in the women's 200 metres individual medley, when it looked like she would beat world record

holder Debbie Meyer. Miss Smith was a good three yards ahead of miss Meyer at the 150 metres ark, having drawn clear of the champion with her pet stroke, the breaststroke. But in the final 50 metres of freestyle, Miss Meyer drew level with 10 yards to go and won by 0.5sec.

Commonwealth Games prospect Shane Gould underlined her class with a narrow but impressive win in the 100 metres junior women's freestyle over Dianne Charlton.

In the morning session Miss Meyer easily won the 800 metres freestyle in the slow time, by her standing, of 9m 40.8s from St Bernadette's Robyn Risson.

In the other morning final, Max Tavasci again prove too strong for Olympian Greg Brough in winning the 500 metres freestyle in 17m 13.9s.

(Results given)

C.M. Tuesday 20 January 1970

JOANNE HAS LEFT TO JOIN TALBOT

By Frank O'Callaghan

Olympic breaststroke swimmer, Joanne Barnes, has gone to Sydney to join Olympic coach, Don Talbot. She has broken with her Brisbane amateur coach, Joe King, after being beaten four times in the State championships last week. King steered hEr into the 1968 Olympic team.

Joanne lost all her State titles to the fit little fighter Sandra Smith - half Sandra's bag of eight gold medals. She then withdrew from the State side for the national junior championships in Adelaide next month, and left for Sydney last night.

TASKMASTER

Joanne, 15, and growing fast, has said she now needs more work, and has chosen Talbot, a noted taskmaster, to get her fit for the national titles and Commonwealth Games trials in Sydney late next month.

The 1970 Commonwealth Games will be held in Edinburgh in mid July, and should Joanne make the side, she would presumably stay with Talbot until the team leaves. Talbot also trains Beverley Whitfield, Joanne and Sandra's chief obstacle to the Games side.

Joanne and Beverley would doubtless benefit from a training association, but Sandra, trained in Brisbane by amateur coach Alan Gynther, has clocked the best 200 metres time this season - 2m 46.6s.

Triple Olympic gold medallist, Debbie Meyer, in Brisbane for the State titles last week, described Sandra as a potential world record-breaker.

A replacement for Miss Barnes in the State junior team has yet to be announced. The State senior side, for which Miss Barnes is eligible, should be one of the strongest for many years. It will be named on January 28.

C.M. Friday 23 January 1970

DIVING

Gaye Morley and Gavin Pascoe comprise the Queensland team for the national titles which will be held from February 24 to March 1 in Sydney. It is the smallest team sent to a national championship from Queensland for many years, but one which is class all the way.

The pair are in strict daily training under separate coaches - former Queensland diving champion Graham Deuble is in charge of Pascoe, and Gerry Fitzgerald coaches Miss Morley.

The size of the team might be of concern to Queensland sports lovers, but officials have high hopes for the future.

A diving spokesman said yesterday, "There has been a lull in diving in Queensland recently, but we have a great crop of juniors coming along. There is no fear for the future of diving here with these youngsters around."

(Picture of Morley and Pascoe in full flight.)

C.M. Saturday 24 January 1970

TWO MORE OUT OF QUEENSLAND SWIM TEAM

By Frank O'Callaghan

Freestyle swimmer Helen Gray and all-rounder Shane Gould are the latest withdrawals from the Queensland team for the national junior championships in Adelaide next month. With Greg Brough and Joanne Barnes they bring the total number of withdrawals from the original 14-strong team to four.

All four fear that competition in Adelaide would hinder their preparations for the national senior titles to be held in Sydney from February 27 to March 1. The senior championships are also the Commonwealth Games trials, and the South African tour trials.

AFRICA TOUR

A team of eight swimmers will tour South Africa in March, four months before the Games in Edinburgh.

The four Queenslanders have varying chances of Games selection with Olympic breaststroker Miss Barnes the brightest prospect for the South African tour. Currently ahead of her in both teams calculations is Brisbane's Sandra Smith, who will not withdraw from the junior titles. Sandra's 200 metres in 2m 46.6s is believed to be the fastest in the Commonwealth so far.

The withdrawals considerably reduce the chances of winning the Corbett Shield which carries the title of champion State in women's junior and senior titles.

HIGH LEVEL

Women's swimming in Queensland, particularly at the junior standard, is at an unprecedented high level.

Miss Smith, who beat Miss Barnes four times at the State championships last week, will not taper for the national junior titles. Her coach, Alan Gynther, said last night that Sandra would continue her full training programme and would be brought to her peak only for the senior championships.

C.M. Thursday 29 January 1970

COOPER IS LATEST SWIM DROP-OUT

Outstanding young backstroke swimmer Brad Cooper is the fifth withdrawal from the Queensland team for the Australian junior titles in Adelaide on February 7-8. Cooper, the State 200 metres champion, was last night named in the senior side for the national titles and Commonwealth Games trials in Sydney from February 27 to March 1.

The State selectors have chosen all-rounder Jocelyn Glen and freestyler Suzanne Anderson of Townsville, breaststroker Gary Ohlson of Mackay, and Toowoomba backstroker Graham Sanders of Toowoomba, as junior team replacements.

BIGGEST TEAM

The senior team, the biggest and strongest Queensland has fielded for many years, is missing a notable name. Olympic butterflyer Robert Cusack, who would have been a strong candidate for the South African tour in March, and a near certainty for the Edinburgh Commonwealth Games in July, is unavailable. Cusack's 59.5sec for 100 metres at the recent State titles made him the first Queensland to break the minute in Brisbane, and easily the fastest butterfly swimmer in the country.

Townsville's junior freestyler Helen Gray has made the State senior side on her State junior title performances. She did not contest the senior championships.

The team is -
Men - G.Brough, B.Cooper, G.Cusack, N.Gynther, M.Moody, A.Shean, M.Tavasci.
Women - J.Barnes, D.Charlton, S.Funch, S.Gould, H.Gray, S.Lewis, A.Mabb,
R.Risson, S.Rose, S.Smith.

C.M. Saturday 31 January 1970

SWIMMING CHIEF HITS AT JUNIORS

Queensland Amateur Swimming Association Chairman (Mr Arch Steinbeck) last night criticised Queenslanders wholesale withdrawal from the national junior championships at Adelaide next week-end. Five of the State's best swimmers have withdrawn so that they can concentrate on the national senior titles at the end of February.

Breaststrokes Joanne Barnes and Greg Cusack, freestyler Helen Gray, and all-rounders Brad Cooper and Shane Gould, have turned down the Adelaide trip.

FUTURE DANGER

Mr Steinbeck said last night that the withdrawals, apart from seriously weakening the team, could endanger the future of national junior championships. "We had our strongest team in years," he said.

"Some New South Wales coaches had let it be known their swimmers would not be contesting the junior titles when, in fact, only one of the New South Wales side had withdrawn," Mr Steinbeck said.

"As for the championships as an event, Queensland, which has been a strong supporter of junior titles, now can be criticised for not supporting them."

"ABANDON"

At least one Brisbane coach thinks it is a mistake for Commonwealth Games aspirants to bypass the junior championships. "It is not the thing for freshening a swimmer's attitude," he said. "It takes him away from the drudgery of training in the same pool, and offers tough competition which Australian swimmers lack. At the same time there is nothing to stop a swimmer from continuing his training for the senior titles while he is contesting the junior," he said.

"Whatever the results Queensland gains from the junior championships, it is now likely the boycott could lead to the abandonment of the junior titles as a separate event.

C.M. Tuesday 3 February 1970

JOANNE TOO LATE FOR JUNIOR SWIM

By Frank O'Callaghan

Queensland's Olympic breaststroke swimmer Joanne Barnes has failed in a last-minute bid to nominate for the national junior titles at Adelaide at the week-end. Joanne withdrew from the original State side, left her Brisbane coach Joe King, and joined Don Talbot's Sydney squad.

After four defeats in the State titles last month, Joanne had asked Talbot to prepare her for the national titles and Commonwealth Games trials in Sydney from February 27 to March 1. And it was at Talbot's suggestion that she try to rejoin the Queensland side for the junior championships.

The request, however, came too late. Nominations for the championships closed last Friday.

Speaking from Sydney last night, Talbot said that he would have liked Joanne to have some competitive swimming before the senior titles.

TAVASCI HOPE

While a number of Queenslanders have withdrawn from the junior championships, Talbot is sending his full squad, but keeping them in full training. The only swimmer he will taper is Queensland's Max Tavasci who has been in his string all summer.

He is hoping Tavasci who swam 4m 18.8s to win the Queensland junior 400 metres freestyle title, can clock a sub 4m15s, and so rate consideration for the Commonwealth Games in Edinburgh.

Tavasci faces strong opposition from Victorian Graham White, Sydney's Graham Windeatt, and Queensland Greg Brough.

Talbot, who also took in Queensland backstroker Arthur Shean, has lost Shean's strongest rival, Neil Rogers to another Sydney coach. Rogers is the man, Shean and another Queensland backstroker the 200 metres champion Brad Cooper, have to beat to get to Edinburgh for the Games.

Two of the four replacements in the Queensland junior team, Townsville's Suzanne Anderson and Jocelyn Glen, have withdrawn, and the State side, originally 14-strong, now number 11.

C.M. Wednesday 4 February 1970

QUEENSLAND SWIM STAR HAS ANKLE INJURY

Queensland freestyle swim champion Robyn Risson has a badly torn tendon above the left ankle, barely a month before the national championships. She has been restricted to arm work in her training sessions at the Scarborough pool for the last five days.

Robyn has a fighting chance of winning selection in the Commonwealth Games team for Edinburgh in July. She is training with her legs tied, and coach Arthur Cusack is viewing it philosophically. "Good for strengthening the arms and shoulders," commented Cusack last night.

Greg Cusack, another of his charges, has had two days out of the water. Breaststroker Cusack appears to have belatedly recognised his good prospects for selection for the tour for South Africa in March. This prompted him to have a vaccination, and the after-effects forced him to halt his training.

He is recovering quickly and should soon make his mileage. Cusack's 1m 14s for 100 metres at the State titles last month is the fastest in the country this summer. Coach Cusack, his uncle, is expecting him to come well under this time at the national titles in Sydney.

Greg is a brother of Olympic butterflyer Robert who announced his retirement last week.

C.M. Monday 9 February 1970

QUEENSLAND GIRLS STAR IN SWIMS

From Judy Joy Davies

Adelaide - Sue Funch, a slender 14-year-old Brisbane State High schoolgirl, yesterday won her first national title - the junior 100 metres butterfly. Her winning time of 68.6sec broke the Australian junior record by 0.4sec, and made her one of the leading contenders for Commonwealth Games selection.

"I'm so thrilled," said Sue, "I thought all my chances of Commonwealth Games selection were gone when I had an appendix operation just before Christmas. I've only been back in training for five weeks."

Sue broke away from her opponents 10 metres from the end to finish strongly and break the Australian junior record of 69sec, set only three weeks ago in Sydney by medley champion Dina Rickard. She beat Maree Robinson (NSW), with Susan Fraser of Queensland in third place.

TAVASCI STARS

A shock win yesterday to North Queenslander Max Tavasci in the 400 metres freestyle stamps him a future international swimmer. Max, 16, comes from Ayr, and beat Sydney star Graham Windeatt in the good time of 4m 17.5s.

Two other Queensland youngsters yesterday claimed records, and both are breaststroke swimmers.

Gary Ohlson, 15, won the 100 metres breaststroke in 1m 16.2s, and Sandra Smith, 15, won the 200 metres breaststroke.

SANDRA'S TWO

It was Sandra's second win in two days. On Saturday night the Brisbane State High School student had won the junior 100 metres title. In both races Sandra beat the N.S.W. champion Beverley Whitfield who had swum third in the American national titles last year.

Sandra must now be regarded as Australia's leading junior breaststroke girl, and more good performances in the national open titles in Sydney later this month will give her Commonwealth Games selection.

Susan Lewis, 13, from Queensland, finished third in the junior 100 metres backstroke yesterday in the fast time of 1m 10.9s.

Mark Moody, also from North Queensland, finished second in the 200 metres medley in 2m 25.2s, and the Queensland relay teams finished second in the women's freestyle relay, and third in the men's medley relay.

C.M. Tuesday 16 February 1970

TWO OFICIALS SEEK SWIM TOUR JOBS

Queensland Amateur Swimming Association Chairman (Mr Arch Steinbeck), and selector (Mr Joe King), have nominated for managerships of two Australian touring sides this year. Mr Steinbeck hopes to manage the Commonwealth Games team to Edinburgh in July, and Mr King is aiming for the South African tour next month.

The teams will be named following the Australian championships in Sydney February 27 to March 1. The managers will be chosen on February 28.

TOP STATE?

Queensland, though generally successful at the national junior titles in Adelaide at the week-end, would have been champion State had the original team stayed together.

This is the opinion of Mr King amateur coach of Sue Funch who set an Australian junior 100 metres butterfly record, at the championships. "Our best swimmers would have beaten the crack New South Wales team hands down," Mr King said.

There were five withdrawals from the original State side, chiefly because it was feared that competition in the junior titles would have affected performances in the senior titles and Games trials.

C.M. Tuesday 24 February 1970

SWIM THREE OFF EARLIER

Three Queenslanders for the national swim titles, Robyn Risson, Greg Cusack, and Sue Lewis, will leave a day early for Sydney. They fly south with coach Arthur Cusack today so that they can have two additional training sessions at the Drummoyne Pool, the championships venue.

Freestyler Risson and breaststroker Cusack are strong Commonwealth Games prospects.

Miss Lewis, a talented young swimmer not yet ready for national representation, should make the championship final.

The rest of the State side will leave Brisbane tomorrow for the championships scheduled for Friday, Saturday, and Sunday.

The teams for the Commonwealth Games in Edinburgh in July, and a South African tour next month, will be named on Sunday night.

Queensland swimming has never been stronger, and though the Games team will certainly be limited to 25, it could include at least seven Queenslanders.

C.M. Saturday 28 February 1970

QUEENSLAND "UNKNOWN" NOW GAMES HOPE
From Frank O'Callaghan

Sydney - Max Tavasci, of Ayr, virtually unknown before last night, swam strongly into Commonwealth Games team calculations by winning the Australian 800 metres freestyle swim title at the Drummoyne Pool. He set a Commonwealth record of 8m 40.1s. This is 3.6sec inside Graham Windeatt's old mark. Tavasci beat Olympians Graham White and Greg Brough.

Tavasci, who has been training under coach Don Talbot for the last ten months, surprised himself. "I did not believe I was as fast as that," he said.

His next mission is the 1500 metres event, his favourite, tomorrow. Success in this would almost certainly bring him Games team selection. The team will be announced tomorrow night.

Anti-apartheid demonstrators could have denied young Queensland backstroker Brad Cooper a place in the Games side.

SWAM BLIND

Cooper was disqualified after finishing second in the 100 metres title because he did not touch at the 50 metres mark. He was swimming blind.

Bags of ink thrown over the wall at one end of the pool so discoloured the water that most swimmers could not see the wall. They felt for it and consequently their performances suffered.

Officials of the Australian Swimming Union said this would be taken into account when the team was chosen.

Cooper's time of 63.6sec was only 0.2s outside that of the winner, Greg Rogers. It gave him confidence for tonight's 200 metres event.

The ink did not upset great little champion, Karen Moras. After setting a Commonwealth 400 metres freestyle record of 4m 29.4s in her heat yesterday morning, Karen cleared away with the final in 4m 26.3s, a mere 1.8sec outside Debbie Meyer's world record.

Karen's comment on the water: "It wasn't so bad when you were in it, but it tasted awful."

(Results given - Sheila Rose third 100 metres backstroke)

C.M. Monday 2 March 1970

KAREN MORAS LOWERS WORLD 800 METRES RECORD
From Frank O'Callaghan

Sydney - Sydney schoolgirl, Karen Moras, clipped 1.3sec off the world 800 metres freestyle swim record of Debbie Meyer at Drummoyne swimming pool last night. Karen won the national title in 9m 9.1s, her first world record and the fulfilment of a nine year ambition.

Queenslanders took second and third places. Robyn Risson who led Karen for the first 95 metres touched second in 9m 30.3s, and 13-year-old Townsville girl Helen Gray was third in 9m 33.3s.

These Queensland performances allied with Robyn's 1500 metres win on Saturday night, and Helen's fine 200 metres performance earlier last night, might be enough to get them into the Commonwealth Games team.

Helen clocked a splendid 2m 13.6s to be second to Moras in the women's 200 metres freestyle, and established a New South Wales Under 14 record.

Queenslanders won six gold, nine silver and nine bronze medals at the championships, and three have splendid prospects of making the Commonwealth Games team.

The names Allyson Mabb, Max Tavasci, and Greg Brough should be among those named today for the Edinburgh Games. Robyn Risson, Joanne Barnes, Neil Gynther, and Helen Gray, are rough chances.

TAVASCI'S BID

Tavasci put in strong claims for selection with a sterling second placing to Graham Windeatt in the 1500 metres freestyle championship. Windeatt won a great race in Australian record time of 16m 23.1s, or 18.4sec inside the national record of Graham White. Tavasci clocked 16m30.4s, and Greg Brough touched third in 16m 33.5s

Windeatt's time is the third fastest in the world, and Tavasci's the fourth.

JOANNE SECOND

Brisbane's 16-year-old Neil Gynther retained his 200 metres freestyle championship. He "jumped" Paul Jarvie in the third lap to establish his winning lead, the same tactics used by club-mate Sandra Smith in taking Joanne Barnes' State title last January. Gynther's 2m 37s was 4.7sec better than his previous best.

Joanne Barnes might sneak into the team because of her second placing in the 200 metres breaststroke to Beverley Whitfield. Beverley (2m 48s) finished 1.9sec ahead of Joanne, but the Olympian showed strong signs of returning to her best.

BAD SLUMP

Miss Smith was the mystery of the championships after her dismal 100 metres. The Games selectors are not likely to recall 2m 46.6s in Brisbane in January is still the fastest time in Australia this summer.

(Results given)

ALLYSON IN TEAM

Sydney - Bank clerk Allyson Mabb, 20, of Hamilton, Brisbane, staged a remarkable come-back to international swimming by winning a place in the Australian team to tour South Africa. Last night Allyson was named in the eight-strong team which leaves for South Africa next Sunday.

In 1966 Allyson won a place in the Commonwealth Games team in Jamaica as a backstroker. She forsook backstroke the following year for butterfly, and on Sunday night claimed the 100 metres butterfly title in New South Wales record-breaking time.

Her selection almost guarantees her a spot in the Commonwealth Games side for Edinburgh.

(Allyson was the only Queenslander in this team).

ROBYN IN "FIRSTS"

Sydney - Robyn Risson's magnificent 150 metres freestyle title win on Saturday night represents another "first" for international coach Arthur Cusack. Robyn, from Toowoomba, won Sydney hearts with a time of 17m 58.5s.

But it was really nothing unique for coach Cusack. He has been producing Queensland "Pioneers" since 1956.

He coached -

David Theile, dual Olympic backstroke champion and the first Queenslander to win a post-war Olympic gold medal. (In fact, the first Queenslander to win an individual Olympic gold medal in any sport)

Bill Burton, the first Queenslander to break 2m 50s for 200 metres breaststroke.

Robert Cusack, The only Queenslander to break one minute for 100 metres butterfly.

Pam Sergeant, the only Queensland woman to hold a world backstroke record set at the 1962 Commonwealth Games.

Jenny Thorn, the first Queensland woman to break 5 minutes for 400 metres freestyle.

Queenslanders selected for the Games - Mr Arch Steinbeck as Manager, Allyson Mabb (Captain), Robyn Risson, Sandra Smith, Helen Gray, Greg Brough, Max Tavasci, and Gaye Morley (diving).

Courier Mail Tuesday 26 May 1970

SWIM CAMP FOR EDINBURGH TEAM

Most of the Australian swim team for the Edinburgh Commonwealth Games will start unofficial training camp at Scarborough next Monday.

Games coach, Don Talbot, will bring a southern squad here nineteen days early.

On June 30, the start of the official training period, Talbot will be joined by co-coach Arthur Cusack and the rest of the team. Until then, Queenslanders in the side will remain with their own coaches.

The official training period for the team runs from June 20 to July 5.

Dr E.G.Theile and Mr Arch Steinbeck were last night re-elected unopposed as president and Chairman respectively of the Queensland Amateur Swimming Association. Dr Theile will be starting his sixth term and Mr Steinbeck his fourth. Mr Steinbeck will manage the Australian swim team to the Commonwealth Games.

The six man Executive Committee of the QASA elected from twelve candidates is - Messrs A.T.Ball, G.G.Bennett, A.Gynther, R.Manfield, A.Russell, and A.Sharpe.

C.M. Tuesday 13 October 1970

KAREN TO SWIM FOR AN HOUR

Karen Moras, world record holder for 800 metres freestyle, will give an hour's exhibition swim at the Nundah State School pool on October 24.

Karen's swim will be the highlight of the school club's swimathon to raise money for improvements to the pool. Karen will start swimming at 5pm and hopes to swim 100 laps of the 25 metre pool in the hour.

At the Commonwealth Games in Edinburgh, Karen swam the 800 metres in 9 mins 2.45 secs, beating American Debbie Meyer's old record by almost 8 seconds. In winning three gold medals at the Games she set three new Commonwealth records.

She is timed to swim at 5pm so people can watch her exhibition on their way home from other sporting events.

C.M. Wednesday 18 November 1970

274 FOR SWIM

The annual Q.L.A.S.A. carnival to be held in the Valley Pool at 1.30pm on Saturday week has attracted 274 entries from 13 metropolitan and three country clubs.

An innovation this year is the introduction of graded scratch events, thus catering for the rank and file swimmer as well as the champions in all grades. Swimmers will be permitted to swim in division and championship events providing they are in a different stroke.

There seems to be a dearth of really class swimmers in the metropolitan clubs, and the championship events are wide open.

C.M. Tuesday 24 November 1970

WEST GERMANY WILL SEND SWIMMING TEAM

A 20-strong West German team almost certainly will swim at the Valley Pool on or about February 20 next year. A second appearance at a provincial venue is also intended.

The West Germans will tour Australia, and negotiations for a Queensland visit are almost completed.

The composition of the team is not yet known, but former 400 metres freestyle world record holder (4m 4s), Hans Fassnacht, would be a likely tourist.

It is hoped four American swimmers, including world record holder, Mike Burton, will compete in the Queensland championships in January.

Vicki King, close rival of Olympic freestyle champion, Debbie Meyer, is also expected to make the visit.

Burton holds the listed 800 metres (8m 28.8s) and 1500 metres (16m 4.5s) world freestyle records.

The first big carnival of the Brisbane season will be the Age Distance championships at the Valley Pool on December 12 and 13.

The State Age-group championships will be held from January 8 to 12, and the junior and open championships from January 14 to 17, all at the Valley Pool.

The Australian championships are scheduled for Hobart in early February.

C.M. Saturday 5 December 1970

COUNTRY IN THE SWIMS

Swimmers from as far afield as Mt Isa and Townsville will compete in the Age distance and Open championships at the Valley Pool tomorrow week. Brisbane entries already include Olympian Joanne Barnes, and the two top swimmers, freestyler Dianne Charlton, and butterflyer Sue Funch.

Edinburgh Games bronze winner, Helen Gray of Townsville, heads the list of outstanding country entries.

The championships are the first event on the Queensland Amateur Swimming Association's 1970-71 calendar. Two sessions will be held on Saturday December 12, and one morning session on December 13.

C.M. Wednesday 9 December 1970

JOANNE AND JUDY AGAIN

Another Judy Hudson - Joanne Barnes breaststroke swim classic is looming with the all-age distance carnival at the Valley Pool at the week-end. Judy, who downed the Olympian over 100 metres two weeks ago, will tackle her over Joanne's favourite 200 metres distance.

Judy's time of 1m 19.7s at the previous meet was world class for a 12-year-old, and more than five seconds inside her previous State record. Her coach, Joe King, who steered Joanne to Olympic selection, considers that continued improvement by Judy would make her a 1972 Olympic prospect.

The girls meet on Sunday morning.

Butterfly swimmers Sue Funch and Sue Fraser also should provide a thrilling race over 200 metres on Saturday night.

C.M. Saturday 12 December 1970

ALL-AGE SWIM A TEST FOR HELEN

Townsville's Commonwealth Games silver medallist Helen Gray will use the All-Age distance swim carnival this week-end as a testing ground for her clashes with Shane Gould. Helen, a plucky distance freestyler, is a fierce competitor. She never has been beaten by Miss Gould who is being hailed in Sydney as another Dawn Fraser.

Se comes down to Brisbane after a series of misfortunes, including a tonsils operation, which have upset her preparations. And she fully expects keen competition by another Townsville girl, Suzanne Anderson.

The carnival will be held in a series of sessions at the Valley Pool - 8.30am today and tomorrow, and 5.30pm today.

The performance of sprint freestyler Dianne Charlton and Olympic breaststroker Joanne Barnes will be interesting. Miss Charlton should she swim to her ability, must yet make the 1972 Olympic team.

Miss Barnes, a 1968 Olympian, is being challenged as the State's top breaststroker by 12-year old Judy Hudson.

C.M. Tuesday 15 December 1970

SWIM CONTEST WILL BE STATE WARM-UP

The biggest yet Brisbane amateur swimming championships will be contested at the Valley Pool over the week-end. There will be five carnivals - Friday night, Sunday morning and Sunday night, Saturday morning and night exclusively for 11 Years and Under. They will provide the last tough competition swims before the State titles in mid January.

A surprise nomination has come from Commonwealth games all-rounder Sandra Smith, who it was thought had retired. Sandra, 15, holder of the State junior and senior 200 and 400 metres individual medley titles, will restrict herself to medleys. She is also a tentative nominee for the State titles.

RECORD HOPES

Promising young breastroker Clinton Riley is expected to give Greg Cusack's State junior 100 metres record of 1m 14s a shake. His 200 metres effort against national champion Neil Gynther (2:44.3) last week-end was in Australian class, and Gynther confessed after the race that he would have liked to have won in a slower time. He is not yet fully fit.

In this event Riley went through the 100 metres mark in 1m 19.8s - proof that he is in a class of his own in the 14-yearold age group.

Backstroker Sue Lewis plans to lower her State 100 metres (1:10.6) and 200 metres (2:33.7) records, and her 2m 34.5s last week-end suggests that the longer distance is well within her capabilities.

The performances of Neil Martin, Steven Holland, Debra Curr-Parkes, Mark Tonelli, and Joanne Barnes, who gave such splendid performances in last week-end's all age carnival, will be particularly interesting.

C.M. Saturday 19 December 1970

LINDA LEFT NO DOUBT

Backstroke prospect, Linda Young, 13, twice lowered her 100 metres age record in the Brisbane swimming championships at the Valley Pool last night. After a winning best time of 1m 14.5s - half a second inside her old record - Linda bolted home in the final in 1m 13.4s. She was one of a number of outstanding performers.

Rhonda Shapland, 12, swam beautifully over 400 metres of freestyle in a slick 4m 53.4s, and lugged her closest rivals, Karen Enright (4:54.6) and Judy Hudson (4:58.0) under the formidable five minutes barrier.

(Results given)

C.M. Monday 21 December 1970

MEDAL TIMES BY JOANNE, JUDITH

Joanne Barnes and Judy Hudson re-staged their Saturday night breaststroke swim with another stirring performance at yesterday's Brisbane championships at the Valley Pool. Joanne, 15, again clocked a spectacular time - 1m 19.5s for 100 metres - and drew Judith, 12, out to a new State age record of 1m 19.6s. On those times either girl would have won a bronze medal at the Edinburgh Commonwealth Games. As both are in full training, their respective national title prospects (next February) must be extremely bright.

A total of 28 age records were broken over the three day (seven sessions) meet, and ten of them fell to Arthur Cusack's St Bernadette's Club swimmers. The only sour note was the disqualification of promising backstroker Linda Young last night after she led in the 200 metres medley field. Linda uses the controversial "Theile turn" and though she passed all scrutiny to set a 200 metres backstroke record of 2m 39.1s yesterday morning, she was disqualified for an incorrect backstroke turn in the medley.

A tearful Linda and an angry coach (Joe King) disputed the ruling.

"What are they trying to do," demanded King. "Drive good youngsters out of the game? The attention they are giving that girl is beyond all reasonable limits."

EIGHT MEDALS

Neil Martin, 15, of St Lucia, wound up a satisfactory series by taking the 100 metres butterfly yesterday (65.2sec), and Open 200 metres backstroke last night (65.4sec) in personal best times. This gave him six gold medals, one silver, and one bronze from eight starts.

Clinton Riley, 14, was another with happy memories of 1970. When yesterday morning he covered 100 metres of breaststroke in 1m 16.7s, nearly two seconds inside his own State standard, he smashed his thirteenth record for the year.

Last night he claimed the 200 metres medley for his age in the smart time of 2m 29.3s, a mere 0.3sec outside the record.

(Results given)

C.M. Wednesday 23 December 1970

SANDRA WILL BE BACK IN SWIMS

By Frank O'Callaghan

Commonwealth Games swimmer Sandra Smith has made a late decision to contest the State titles and seek selection for the nationals. Sandra, 15, returned from Edinburgh bitterly disappointed with her form and about to drift into retirement. A tentative test swim at the Brisbane championships last week-end influenced her to start a crash training programme for the State titles starting January 14.

Sandra was a sensation at the last State titles. She won all breaststroke and medley events (junior and senior) downing Olympic breaststroker Joanne Barnes in the process. And her 200 metres breaststroke time of 2m 46.6s was the fastest in the Commonwealth at the time of the Games selection.

BIG CHANGE

But she failed to respond to the Commonwealth Games training system in which the entire team was placed under two coaches. For Sandra, a new coach meant a drastic change in her breaststroke technique.

Her form rapidly declined until at the Games she swam a pitiful 3m 6.5s, a large 20.5sec slower than the time she was selected on. Sandra was shattered. She returned home completely disenchanted with swimming. She trained little, and it was only last week-end's experiment in a medley event that convinced her to try again. Her coach, Alan Gynther, has her stroking much like her old style and the improvement is apparent.

Now it is all work, and the job of winning State selection looks enormous. She has stiff opposition.

Miss Barnes, now a senior, is swimming better than ever, as her 2m 49.3s last Saturday night indicates, and there is a new threat, 13-year-old Judith Hudson.

Judith has already clocked 2m 53.9s for the 200 metres. She will improve and stand squarely between Sandra and her State junior breaststroke titles.

(Photo of Sandra doing butterfly)

C.M. Wednesday 6 January 1971

TOP GERMANS TO SWIM HERE

West Germany's best available swim team will compete in Toowoomba on Saturday February 20, and in Brisbane the following night. Confirmation of this was received by the Queensland Amateur Swimming Association yesterday.

The 15-strong team whose names have not yet been released, will arrive in Brisbane on February 19, motor to Toowoomba for an afternoon carnival, and return for a night carnival in Brisbane. The Germans' Queensland opponents probably include internationals from the south.

STRONG TEAM

A strong Townsville team, including Commonwealth Games freestyler Helen Gray, will contest the State Age titles which start at the Valley Pool on Friday at 6pm.

Miss Gray, 16, will contest freestyle events over 100, 200, and 400 metres, 200 metres of backstroke, 200 metres of butterfly, and 200 metres medley. Her coach, Laurie Lawrence, said he hoped to use the next two weeks in Brisbane (the junior and senior titles start tomorrow week) for training sessions. He said the 96 deg Townsville water made it impossible for concentrated training.

FORSYTH OUT

Notable absentee from the Townsville squad is Larry Forsyth, 13, who has been ill. Forsyth all but cleaned up his age group last year.

Brisbane standard is unusually high, and records are almost certain to fall to Mark Tonelli, Stephen Holland, Neil Martin, Clinton Riley, Rondah Shapland, Judy Hudson, Susan Fraser, and Karen Enright

C.M. Friday 8 January 1971

SWIM "AGE" REGROUPED

The State Age swimming titles at the Valley Pool tonight will be operating under new age grouping. The swimmers from 10 to 15, will use the new definition of their age as at January 1.

The definition is used by all Australian States except New South Wales which still uses the old October 1 arbiter.

The January 1 concept conforms with the new Australian practice of all year-round swimming. October 1 previously was the beginning of the swimming season.

Clinton Riley, who is swimming in the titles as a 15-year-old, is probably one of the best 14-year-old breaststrokers in Australia.

Karen Enright, who is the 12 years old 400 metres freestyle and 200 metres butterfly champion, will also swim tonight.

C.M. Saturday 9 January 1971

IPSWICH GIRL IS STATE'S FASTEST

By Frank O'Callaghan

Susan Fraser, 13, of Ipswich, last night became the fastest woman 200 metres butterfly swimmer the state has produced. Susan, unbeaten in her age group, cleared off with the State's 14 Years title at the Valley Pool in 2m 29.5s, or 1.6sec inside Allyson Mabb's Open record, a time which earned Alyson a bronze medal at last year's Edinburgh Commonwealth Games.

It was a triumph for doggedness and dedication. For the last four years Susan has travelled daily, in the school holidays, from Ipswich to train with Brisbane coach Joe King. In school periods she comes down at week-ends.

Susan's performance overshadowed such splendid efforts as Linda Young's State 14 Years 100 metres backstroke record of 1m 13.1s, and Judith Hudson's two record-breaking swims for 100 metres of breaststroke. Judith's heat time of 1m 22.8s clipped 7sec off the previous record. In the final, though out on her own after 30 metres, she reduced this standard to 1m 20.4s.

Talented all-rounder Mark Tonelli had the bitter experience of losing a title and a record on a technicality. Mark, 13, was disqualified for an incorrect touch after 200 metres of butterfly in 2m 29.8s. This was 2sec inside the record. He erred through pushing through the water to touch instead of taking an extra stroke.

Commonwealth Games distance freestyler Helen Gray's winning 100 metres freestyle winning time of 63.7sec was a reverse of accepted procedure. Helen went down the first 50 metres in 32sec and came home faster - 31.7s

(Results given)

SWIM 31 FOR N.Z.

Commercial Amateur Swimming Club officials have named 31 swimmers to leave on Monday for a tour of New Zealand.

Under the management of Mr and Mrs A.E.Handley, the party will visit the North Island and take part in seven swimming carnivals over two weeks.

C.M. Monday 11 January 1971

LAD FAST IN SWIM TITLES

Stephen Alanson, 14, last night swam the 100 metres freestyle event in the outstanding time of 59.9sec at the State Age titles at the Valley Pool. Stephen, of St Bernadette's, set a new age record at the titles with his swim which was 0.8sec faster than the Queensland record.

He finished the race well ahead of Colin Everingham of Townsville (1m 0.9s) and John Sanders of Far North Queensland (1m 2.7s).

An 11 Years age record was set by Steven Miller of St Bernadette's, when he competed in the 12 Years and Under 200 metres backstroke. Steven clocked 2m 47.6s when he came second in the race to 12-year-old Robert Thams, of Carina Welfare. Robert's time was 2m 44.8s.

Another of the night's best performances was Bernadine McCawley's in the 12 Years and Under 200 metres backstroke. She shot out to an early lead and was never severely challenged during the event. Her time was 2m 47.6s, well in front of second place-getter, Jennifer Lappin (2m 58.2s), and Kathleen Carey (2m 58.5s).

C.M. Tuesday 12 January 1971

THE PACE OF RILEY (Caption over picture of swimmer)

St Bernadette's swimmer Clinton Riley caught by camera as he recorded the fastest time by a Queensland junior for the 20 metres breaststroke at last night's State Age titles at the Valley Pool. Riley's time of 2m 41.3s ripped 0.1sec off the previous record held by Greg Cusack, and would have been good enough to win last year's Australian junior title (won in 2m 44.8s).

Riley's effort was made even more meritorious by the fact he was not extended at any stage to win.

Freestyler mark Tonelli had the dubious distinction of beating his own State record for the 14 Years 400 metres, only to be pushed into second place by Commercial's Stephen Holland. Holland won in 4m 34.3s, and Tonelli recorded 4m 37.7s, against the previous record of 4m 38.4s.

Judy Hudson of Leander recorded a Queensland junior record in the 14 Years 200 metres breaststroke with a time of 2m 53.5s, bettering the old record by 4.4sec.

Outstanding 11-year-old prospect Paul Spiro added another gold medal to his already formidable tally of four, with a clear-cut win in the 12 Years 100 metres butterfly. Spiro's time of 1m 14.6s set yet another Queensland junior record, beating Stephen Holland's former best of 1m 15.2s.

The closest finish last night was in the 14 Years 200 metres breaststroke, when Rodney Buchanan of Townsville just held off the finishing burst of Fortitude's Brian Doyle.

(Results given)

C.M. Wednesday 13 January 1971

TOWNSVILLE TOP IN SWIM RELAYS

Townsville District teams last night dominated the relay section of the State Age swimming titles at the Valley Pool. Townsville won six of the 12 events, and took 5 seconds and 3 thirds. They also broke two Queensland records, in the 10 Years and Under boys' 200 metres freestyle, and in the 10 Years and Under 200 metres boys' medley.

In the first event they bettered the record by 1.6sec with a time of 2m 21.1s. In the second they recorded 2m 44.2s, 2.3 sec better than the previous record.

It was the final session of the titles.

C.M. Saturday 16 January 1971

SCHOOLBOY TOOK THREE STATE SWIM TITLES

By Frank O'Callaghan

St Lucia schoolboy Neil Martin won three State swimming titles, two in succession, and set one record in 65 minutes at the Valley Pool last night. Martin, 15, began with the junior 200 metres butterfly title in a State junior resident record of 2m 20.3s - 3/10 sec inside the mark of the then future Olympian, Robert Cusack.

After 50 minutes respite he claimed the 100 metres junior freestyle championship in a personal best of 57.3sec, took time out to collect his medal, and returned to take the next event, the 200 metres medley (2m 23.8s). Martin finished the night with a fourth gold medal as the backstroke leg of Leander's winning medley relay team.

American Olympians Mike Burton and Vicki King delighted the public and turned in satisfactory performances considering they are swimming out of season. Burton, the world 800 metres freestyle record holder took the 400 metres event in 4m 19.6s, and the 100 metres butterfly in 60.2sec.

HELEN'S BEST

Miss King, 18 today, admitted to some concern when Townsville's Helen Gray led her through the first 200 metres of the 400 metres freestyle. She cut Helen back and touched a clear winner (4m 37s), and helped Helen to a State junior record of 4m 38.6s. This is a 10 second improvement on Helen's time last summer.

However, Helen could not match her Townsville rival Suzanne Anderson, in the junior 200 metres freestyle as Suzanne set a State record of 2m 15.4s.

Slender Sue Funch, a classic butterflyer, clipped 2/10sec off her Australian junior 100 metres record by clocking 68sec.

AGE RECORD

She was pushed every inch by 13-year-old Leander club-mate Susan Fraser whose 68.5sec was a State age record and the fastest by a 13-year-old in the country.

Breaststroke prodigy Judy Hudson, 13, after bowing to Olympian Joanne Barnes through 200 metres in a State age record of 2m 51.7s, swam the 100 metres merely to win and set another State record of 1m 20.7s.

(Results given)

C.M. Monday 18 January 1971

GAMES GIRL NOT IN SWIM TEAM

By Frank O'Callaghan

Commonwealth Games swimmer Sandra Smith last night was omitted from the Queensland team for the national titles in Hobart next month. One week ago no one would have been surprised. But Sandra improved so dramatically in the State titles which ended last night that clearly she is returning to her best form.

COAXED BACK

She failed dismally at the Edinburgh Commonwealth Games last year and had to be coaxed back to swimming. She picked up so quickly she retained her 400 metres junior medley title last night in a time (5m 34.5s) 9/10sec faster than last year's win. And this less than half an hour after having retained her 200 metres junior medley title.

But the 400 metres medley was the last event of the championships and for some inexplicable reason the side had already been picked.

The Team -

Men - R.Cusack, R.Dooner, P.Glasziou, N.Gynther, N.Martin, S.McNamee, Jon Van Opdenbosch, and C.Riley.

Women - S.Anderson, J.Barnes, S.Funch, S.Fraser, H.Gray, J.Hudson, S.Lewis and L.Young.

MARTIN'S EIGHT

Last night at the Valley Pool Neil Martin, 15, picked up two more gold medals to give him eight individual titles from eight starts. He made bigger news when he missed out in the medley relay. He put the team ahead in the backstroke leg, but it gradually slipped back to fourth place. It was the only occasion he swam without taking a gold medal. He claimed 11 in all by sharing in three other relay titles.

Breastroker, Judy Hudson, 12, sprang a shock by downing Olympian Joanne Barnes and taking the Open 100 metres title in the age record time of 1m 15.3s. Miss Barnes gulped water after the turn when Miss Hudson nosed ahead. She swallowed more ten metres out, and stopped swimming. But by then she was clearly beaten.

Judy now looms as a strong 100 metres junior national titles hope.

YANKS COAST

The Americans, Mike Burton and Vicki King, again swam well outside their best times.

Burton showed his splendid butterfly technique in winning the 200 metres event in 2m 13.7s

But Miss King, though she took the 800 metres freestyle yesterday morning, bowed to Helen Gray over 200 metres of freestyle as Helen ploughed to an age record of 2m 35.2s.

Later Miss King could not find a place in the first three of the 200 metres medley field.

Sue Funch gathered all butterfly titles (100 and 200 metres junior and senior).

(Results given)

C.M. Tuesday 2 February 1971

QUEENSLAND'S FOUR RECORDS IN TASMANIA SWIM

Hobart - Queensland's Sue Funch won her heats of the 200 metres butterfly and 200 metres individual medley in Tasmanian record times yesterday at the first session of the national junior swimming championships. However, both times were eclipsed in later heats.

Jon Van Opdenbosch (Qld) won his heat of the 200 metres men's freestyle in the fastest qualifying time of 2:05.3, and Neil Martin (Qld) set a new Tasmanian record for 100 metres junior backstroke of 1:06.2. Another Tasmanian record went to Martin in the heats of the 400 metres individual medley, in which he took 5:09.9.

C.M. Wednesday 3 February 1971

QUEENSLAND GIRL DIVER IN WORLD CLASS

Hobart - Queensland girl Gaye Morley, 22, dived herself closer to the 1972 Munich Olympics with a world class exhibition in the women's three-metre event at the Hobart Olympic Pool yesterday. Miss Morley, who won a bronze medal at the Edinburgh Commonwealth Games, won from Madeline Bollinger (NSW), who also dived in world class. Both girls, if they retain form, should be selected for Munich.

Shane Gould, 14, of Sydney, last night equalled Karen Moras's Australian record of 2:09.8 for the 200 metres freestyle. She finished almost 6sec in front of Sharon Booth (NSW) and Helen Gray (Qld).

Queensland girl Susan Funch was only 0.1sec outside her own Australian record set last month in Brisbane in the 200 metres butterfly.

Judith Hudson, of Queensland, won the 200 metres breaststroke in 2:52.9, to set a new Tasmanian open, junior, and Under 14 record, and was only 6.8sec outside Judy Playfair's Australian time.

(Results given - L.Young, S.Fraser, C.Riley and N.Martin were also place-getters)

C.M. Saturday 6 February 1971

SUE SLIPPED IN BUTTERFLY TITLE

Hobart - Queensland's Sue Funch was beaten into second place by Maree Robinson (NSW) in the 200 metres women's butterfly at the Australian Open swimming championships last night. Third was Jane Comerford of N.S.W. Miss Robinson's time was 2:27.5.

In the 200 metres women's backstroke, Deborah Cain (Vic) won from Lyn Watson (WA) and Sue Lewis (Qld) in 2:28.0.

Former Queenslander, Shane Gould, won the 400 metres freestyle in 4:26.2, beating Olympian Karen Moras and Karen's younger sister, Narelle Moras.

DIVING

New South Wales title-holder, Madeline Bollinger, took the women's highboard championship. Queensland's Gaye Morley was second, only two points ahead of Beverley Donnett of Victoria.

Sue Funch, of Queensland, won the 100 metres junior butterfly title earlier this week in 1:08.1, only 0.1sec outside her own junior and open national record, and should keep N.S.W. girls Jane Comerford and Maree Robinson at bay.

(Results given)

C.M. Monday 8 February 1971

SHANE STAR AS 23 RECORDS SET

Hobart - State swimmers smashed Australian records yesterday in all but two events on the programme - the last session of the Open titles.

During the three-day meet, 23 Australian records were shattered, 11 of them yesterday afternoon.

Top record-breaker and the bright star of the championships was 14-year-old Sydney schoolgirl Shane Gould.

(The write-up does not include mention of any Queenslanders. Overall results were given)

C.M. Tuesday 16 February 1971

WENDEN MAY SWIM AGAINST GERMANS

Queensland Amateur Swimming Association hopes to bring Olympic 100 and 200 metres freestyle champion Michael Wenden to Queensland to swim against the West German tourists.

The Germans will swim against a Queensland side in Toowoomba on Saturday afternoon, and again at the Valley Pool on Sunday night.

Wenden the greatest freestyler Australia has produced would provide thrilling competition for Gerhard Schiller, a 53.7sec swimmer who clocked 54.2 in competition in Melbourne last Saturday night.

OVERSEAS TEAM

Queensland butterfly swimmer Sue Funch, the national senior and junior champion, is a strong contender for the side which is expected to compete in England, Sweden, Germany, and possibly Russia, late this month. Her prospects would improve if she could beat West Germany's Heike Nagel, who last Saturday night set and Australian 100 metres record of 66.7sec. Miss Nagel clipped 0.1se off the record of Olympic champion Lyn McClements.

Miss Nagel, like Miss Funch, is a butterfly stylist. Capable of extending both girls is 13-year-old Sue Fraser of Ipswich.

The Toowoomba carnival will start at 4pm, and the Brisbane one at 7.30pm.

ENGLISH HOPE

Included in the Queensland side is breaststroker Nigel Johnson, a recently migrated Englishman living in Townsville, who gained a bronze medal for England in the Edinburgh Commonwealth Games last year. At the recent national titles in Hobart Johnson finished second over 200 metres to the new champion, Paul Jarvie.

The Queensland team is -

Men - N.Martin, A.Sheahan, R.Cusack, John Van Opdenbosch, Josse Van Opdenbosch, P.Glasziou, N.Johnson, N.Gynther, and L.Dooner.

Women - S.Funch, S.Fraser, S.Lewis, S.Anderson, L.Young, J.Barnes, and D.Charlton.

C.M. Thursday 18 February 1971

(Picture of Christine Schwarz, 14, celebrating her selection in the Queensland side yesterday with a full-scale butterfly workout at the Valley Pool yesterday. Christine, a champion age medley swimmer and butterfly specialist, has come into the side to swim against the West German team following the withdrawal of Queensland medley champion, Sandra Smith)

WENDEN TO RACE WEST GERMANS

Olympic dual gold medallist Michael Wenden will swim against the West German team at the Valley Pool on Sunday night. Wenden, invited for two meets - there is one in Toowoomba on Saturday afternoon - is available only for Brisbane. He will contest the 100 metres freestyle.

Wenden's chief opponent, German 100 metres champion Gerhard Schiller, has clocked 53.7sec for the distance. That figure was Wenden's Australian record until he reduced it by 0.1sec in Hobart last Sunday week.

THREE OUT

Townsville all-rounder Christine Schwarz and Brisbane backstroke specialist Margaret McCawley have been brought into the Queensland team for the Toowoomba and Valley meets after three withdrawals.

Freestyler Helen Gray, all-rounder Sandra Smith, and breaststroker Joanne Barnes are out of the side. They set themselves for the national titles and stopped training immediately after.

Queensland backstroke champion Sue Lewis will attack the Queensland resident and open 100 metres records on Sunday night. The resident record of 69.3sec is held by Sheila Rose, and the open record of 68.9sec by Olympian Lyn Watson. She clocked 69.7sec to take the bronze medal at the national titles, and her coach, Arthur Cusack, says she is ready to collect both State records.

"LOOKED GREAT"

"She looked great in Bundaberg last week-end," Cusack said last night. "Her 33.1sec for the 50 metres was one of the fastest she has put in."

She will have three German girls nudging her along - the national champion Angelika Kraus, Karen Bormann, and Slike Pielen. Queensland junior champion Linda Young should figure strongly in the finish.

-----.

C.M. Saturday 20 February 1971

GERMAN SWIMMERS HERE FOR TWO MEETS

Write-up of the performances of the visiting West German swimmers.

Mrs Nagel reduced the Australian 100 metres butterfly mark to 66.8sec in Melbourne last Sunday, and today faces Australian junior and senior champion, Sue Funch. Good performances by Sue will put her into the Australian team to tour Europe, starting in April.

Freestyler Dianne Charlton has withdrawn from the Queensland team and has been replaced by Rondah Shapland. (This Christian name was written Rhonda in the newspaper reports, but my spelling is from the Shapland family. It was hoped she would be "Ron". Ed)

Another new Queensland team member is Sue Raeburn of Southport, who won a bronze medal in the Australian junior championships.

C.M. Monday 22 February 1971

IT TOOK A RECORD TO BEAT OUR SUE

By Frank O'Callaghan

Queensland butterfly star, Sue Funch, virtually swam her way into the Australian team by pushing West Germany's Heike Nagel to an Australian record last night. Sue, 15, gave the German champion, 25, the race of her life over 100 metres at the Valley Pool. Mrs Nagel clocked an Australian record of 66.4sec.

Sue's 66.6sec - 1.1sec inside her previous best - also bettered the previous record - the 66.7sec Mrs Nagel set in Melbourne last Saturday night. It was an automatic junior record.

The 12-strong Australian team to tour Europe next April-May will be chosen next Friday night. Sue's selection should now be a formality.

A genuine stylist she went down the first 50 metres leg in 31.4sec, turned a fraction behind Mrs Nagel, and in characteristic driving finish very nearly snatched victory.

Later, after a gruelling 200 metres medley swim, Sue took off in the butterfly leg of the medley relay, a body's length clear of Mrs Nagel and did not lose an inch.

WENDEN UP

Olympic 100 metres freestyle champion Michael Wenden pulled out all stops to down the German Record-holder (53.7ssec) Gerhard Schiller with a blistering burst down the last leg. Schiller changed lanes for the race so that he would have the "look" on Wenden in the last lap.

What he saw must have demoralised him. Wenden muffed his turn and Schiller led him out of the wall by three-quarters of a body length. Another 20 metres and Wenden was clear. He surged on to touch in the State record time of 54sec, or 1.1sec ahead of the German. The poor turn almost certainly prevented Wenden from breaking the national record.

Wenden's daily training routine is a mere mile and a quarter. As a former world record-holder (52.2sec) he said that given a solid winter preparation, the world record of 51.9sec should not be beyond him.

TIRED

The West Germans, feeling the effects of their demanding tour, set only three more records - two Queensland and one Australian.

Breastroker Walter Kusch reduced the State 100 metres mark to 69.3sec, and relaxed freestyler Werner Lampe the State 400 metres record to 4m 11.9s.

The 400 metres medley relay team chopped 3.7sec off the Australian standard by swimming 4m 4.6s.

An outstanding Queensland performance was 13-year-old Linda Young's 100 metres of backstroke in 69.9sec - 2.6sec inside her previous best. (Results given)

C.M. Monday 22 March 1971

TALBOT IS TOUR COACH

Sydney - The Australian Swimming Union last night elected Sydney's Olympic coach, Don Talbot, to coach the 12-member Australian swim team to tour Europe next month.

Mr Roger Smith, Secretary of the Tasmanian Swimming Association, is the manager, and South Australian official, Mrs B.Rhonda, will be the chaperone.

The team is Graham Windeatt, Paul Jarvie, Greg Rogers, Neil Rogers, Brad Cooper, Karen Moras, Shane Gould, Debbie Cain, Sue Funch, Bev Whitfield, Maree Robinson, and Jane Comerford.

Courier Mail September 1971

MAY NOT SEND TEAM
SWIM ASSOCIATION "GOING BROKE"

Commonwealth champion Graham White may not be able to swim in the Australian championships and Olympic Games selection trials in Brisbane next February. Australian champion and Olympic medal hope Debbie Cain also will be struggling to get to Brisbane. So will Don Wagstaff, Commonwealth and Australian diving champion.

The reason - The Victorian Amateur Swimming Association says it is going broke.

C.M. Thursday 7 October 1971

CHERMSIDE SWIM PLAN

The Chermside Olympic Amateur Swimming Club has undertaken one of the most ambitious competition programmes attempted in Brisbane. The Club will sponsor swimming competitions on November 5, 6, and 7, among twenty five schools in the area in primary and secondary divisions.

The schools in the primary division which will be divided into two sections include Aspley, Geebung, Wavell Heights, Virginia, Zillmere, St Dymphna (Aspley), Our lady of Angels, Padua Juniors, St Anthony's, and Kedron. Events in the B division will be run on November 5, and the A division on the following day. Both competitions will start at 7pm.

The schools competing in the secondary division on November 7 at 7pm include Aspley, Banyo, Everton Park, Hendra, Wavell Heights, Kedron, Pine Rivers, Woolloowin, Padua, and St Alverina.

C.M. Thursday 7 October 1971

CHERMSIDE SWIM PLAN

Chermside Olympic Amateur Swimming Club has undertaken one of the most ambitious competition programmes attempted in Brisbane.

FIVE OLYMPIC SWIM HOPES

Five genuine Olympic swim team prospects will compete tonight at a three-way meet at the Valley Pool. Leander, Fortitude, and Redcliffe Clubs clash in a packed programme starting at 6.30pm.

Leander has four possible Olympians in butterfly and medley swimmer Sue Funch, breaststroker Judy Hudson, backstroker Linda Young, and Neil Martin (backstroke and medley).

Redcliffe has high hopes for 15-year-old Clinton Riley. Riley, 4 inches taller and a stone heavier than last year, has gained strength accordingly.

Miss Funch, the national butterfly champion and holder of the Commonwealth 200 metres record (2m 23.6s) is training strongly. Her best 100 metres time (65.9sec) is the fastest for 1971.

C.M. Monday 20 December 1971

THAT RECORD NOW A HABIT

Carina swimmer Stephen Holland last night broke the Queensland 14 Years 400 metres freestyle record for the third time in three days.

Competing in the metropolitan championships at the Valley Pool, Holland followed Jon Van Opdenbosch and Paul Glasziou to the line in the men's open 400 metres with a time of 4m 27.6s. Holland had reduced the record in his heat and final of the 14 Years event.

Other Queensland records were set by Paul Spiro who led Fortitude Club teammate Michael Crouch and Ashley Ven De Velde to take the 12 Years 100 metres butterfly title in 1m 11.8s, and Mark Tonelli who recorded 1m 07.8s in the 14 Years 100 metres butterfly.

FOURTEEN RECORDS

Fourteen State age records were broken during the two-day championships.

Clinton Riley, of Redcliffe, equalled the Australian 200 metres breaststroke record established by Ian O'Brien of New South Wales in 1962. He also won the Tindall Trophy for the highest number of aggregate points gained during the championships.

(Results given)

C.M. Friday 31 December 1971

SWIM TITLES CHANGE

By Frank O'Callaghan

The State junior swimming division has been abolished, and next week's State titles will be a mixture of age group and open events. The championships start at the Valley Pool tomorrow week, and continue until Saturday January 16.

All competitors up to 16 years who were previously juniors will now be age group performers. For the last seven years age group championships have been held independent of the senior and junior titles.

The combined senior and junior championships were of three days duration, and the age group covered five days. The new system, spread over nine days, has the backing of most coaches, who see a junior division of little importance internationally.

It is believed Queensland's move will lead to the abolition of the Australian Junior Championships.

The Australian junior and senior championships will be held in Brisbane in February - the junior on February 7 and 8, and the senior from February 11 to 14.

Promising breaststroker Clinton Riley last night clipped 7/10 sec off the State junior resident 100 metres record of Greg Cusack in a special record-breaking attempt at the Redcliffe Olympic Pool.

C.M. Tuesday 4 January 1972

THIRTY FIVE TRAIN IN MOTEL POOL

By Frank O'Callaghan

Townsville's star swimming squad preparing for the State titles are unsung victims of cyclone Althea. The squad which includes at least three Olympic aspirants, has, since Althea struck on Christmas Eve, been forced to train in a motel pool 20 yards long by 10 feet

Coach Laurie Lawrence reports that the knuckles of his swimmers are red raw from bashing the sides of the pool. "It was the only pool available, said Lawrence, "We were thankful for it, but to fit in my 35, each swimmer had to be actually touching the heels in front of him when training."

The squad returned to its regular training venue, the Kokoda Memorial Pool, yesterday.

STRONG HOPES

On Thursday they leave for the titles which start at the Valley Pool on Saturday.

Lawrence believes that freestylers Helen Gray and Suzanne Anderson, and breaststroker Nigel Johnson, are strong Olympic team hopes. He sees Suzanne as a State sprint champion with the potential to break the minute at the national titles in mid February.

The State championships will run from Saturday, to Sunday January 16.

In a departure from normal procedures, finals mid-week will be swum in the first hour of each session which starts at 6.30pm. The rest of the programme will be devoted to heats for the following night's finals. At week-ends heats will be swum in the mornings starting at 9am, and the finals that evening except on January 16 when finals will begin at 2pm.

C.M. Wednesday 5 January 1972

CENTRAL QUEENSLAND THIRTY FIVE IN SWIM

Central Queensland will be entering a record 35 swimmers in the State swimming championships on Saturday. Mr Neil Douglas, coach for 23 of the swimmers, said that it was largest team entered in 10 years. He hopes it will bring Central Queensland out of the swimming doldrums of the last seven years.

Most of the team arrived here last Sunday, and started training on Monday. The remainder will be here tomorrow. Mr Douglas said the team had been training for about five months, and was tapering off now. The contingent is training at the Valley Pool.

BEST CHANCES

Mr Douglas said best chances were Margaret Born, 16, of Rockhampton, in breaststroke, Marilyn Keefer, 12, Emerald (backstroke), Grant Morris, 11 (butterfly), Susan McLeod, 12, Rockhampton (freestyle), and Kathy Pearson, 11, (breaststroke).

C.M. Saturday 8 January 1972

ASTHMA BLOW TO SWIMMER

By Frank O'Callaghan

Townsville breaststroke swimmer and Welsh Commonwealth Games representative Nigel Johnson may have to withdraw from the State championships which start at the Valley Pool today.

Johnson, the national winter 200 metres champion, has asthma and needs a quick recovery if he is to contest the 200 metres heats on Monday night. He stayed at home rather than come down with the Townsville contingent on Thursday.

Unlike the other Townsville teammates - Helen Gray and Suzanne Anderson - Johnson is not aiming to make the Australian Olympic Games team, but the Welsh one. As a Welshman he is ineligible for the Australian side.

RECORD HERE

Johnson, at 16, was a breaststroke finalist at the 1970 Commonwealth Games where he collected a bronze medal in the medley relay. He has improved considerably since coming to Australia where he has set a 200 metres record of 2m 33.7s, and finished second to Paul Jarvie in the 1970-71 200 metres summer national title at Hobart. He won the winter title which Jarvie did not contest in Brisbane last August.

Though Johnson has already swum the qualifying times for the national titles, he needs the competition at the State championships to prepare him for the nationals and Olympic trials in Brisbane next month. Should he win a place in the Welsh Olympic team, Johnson will have to find only half his fare home to Wales. His old schoolmaster has raised the other half.

With Johnson a doubtful starter, Townsville's big State gold medal hopes rest on freestylers Helen Gray and Suzanne Anderson. Suzanne is essentially a sprinter, but Helen will tackle all events from the 100 metres to the 1500 metres. Since last August they have logged 800 miles in training.

Their coach Laurie Lawrence will keep them training 10 miles a day throughout the week long State titles.

C.M. Tuesday 11 January 1972

KEPT TITLE IN FASTER TIME

By Frank O'Callaghan

Queensland's international butterfly swim star, Sue Funch, swam 3.2sec outside her best time at the Valley Pool last night, yet reduced her Queensland record by 1.5sec. Sue, 16, retained the State title in 2m 26.8s. Last May in Germany she clocked 2m 23.6s. This is 1.2sec inside American Ellie Daniels national record, but Australia's crazy swim laws, while recognising Sue's overseas time as a Queensland resident record, do not see it as a Queensland and Australian record.

The 200 metres of butterfly is a lung-tearing swim at any time. Last night's swim was done after a three-mile training swim that morning.

GAMES POINTER

Posting a time believed to be the fastest in Australia this summer is an encouraging pointer to Sue's Olympic team prospects. She fairly flew through the first 100 metres in 69.8sec, slid back to 39sec for the third lap, and came home in 38sec. The butterfly title following her 200 and 400 metres medley wins means for Sue, three gold medals from three starts.

In four starts Margaret Born has collected two bronze and one silver medal. She struck gold for herself and Rockhampton in the 15 and 16 Years medley, holding out such redoubtable performers as Townsville's Suzanne Anderson and Scarborough's Leanne Francis in 2m 35.4s.

Mark Tonelli, a 14-year-old of unlimited potential, collected his fourth medal - his first gold - with a record-breaking 100 metres of backstroke.

C.M. Wednesday 12 January 1972

TWO MORE QUEENSLAND OLYMPIC HOPES

BY Frank O'Callaghan

Breaststroke swimmers Judy Hudson and Neil Gynther joined Queensland's growing band of Olympic team hopefuls. Each claimed State titles in most impressive style. Judy, 13, downed 1968 Olympian Joanne Barnes over 100 metres, and Gynther, considered a fading former national champion, turned in his best 200 metres time.

Judy gave Joanne four years of experience and it was she who looked the poised performer. It was not the true Miss Barnes she tackled. Joanne's 1m 20.9s was a deep disappointment, 0.6sec slower than her heat-winning time on

Monday night. She tried to steal the race, jumped to an early lead, and turned 2 feet ahead of Judy. When Judy came at her, knifing beautifully through the water, Joanne had none of her customary kick. Judy obeyed orders. Coach Joe King ordered an easy first lap and a storming finish.

Neil Gynther the 1969 and 1970 200 metres national champion, and shameful omission from the 1970 Commonwealth Games team, has trained only spasmodically since, yet his 2m 35.2s knocked 1.2sec off his previous best.

National butterfly champion, Sue Funch, apparently dissatisfied with her crop of 'fly and medley gold medals, cleared of with the 200 metres freestyle title, her first-ever freestyle championship. She nudged out Townsville's Suzy Anderson and Helen Gray, both of whom showed signs of their heavy training. (Results given - picture of timekeepers at the finish)

C.M. Thursday 13 January 1972

CHANGE IN SWIM TEAM SELECTION

The Queensland swimming team for the Australian titles will be chosen by the selectors - not by swimmers reaching a pre-determined standard. At a meeting on January 6, the Queensland Amateur Swimming Association Council decided that anyone swimming an Australian qualifying time would be included in the team for next month's titles.

The Council since had received legal advice on the decision, Chairman of Council and chief referee (Mr George Bennett said yesterday. "The Council's decision was only a recommendation. It is not binding on selectors. Correct legal opinions were obtained, and this was the outcome," he said.

"The way it was performing did not seem practical and was becoming too complicated," he said.

It was the first time this method of selection had been suggested by the Council.

The Queensland team will be announced when the Queensland titles at the Valley Pool end on Sunday night.

The Australian titles are the basis of selection for the Olympic team.

C.M. Friday 14 January 1972

GRAY SMASHES GOULD'S RECORD

Townsville and Commonwealth Games swimmer Helen Gray smashed Shane Gould's Queensland open 200 metres freestyle record in the Queensland championships at the Valley Pool last night. She timed 2m 10.7s, cutting half a second off Gould's time. This is the second fastest time for the event recorded in Australia.

(Shane Gould holds the Australian and world record in this event)

The race was close to the 150 metres mark when the three place-getters, Helen Gray, Leanne Francis, and Suzy Anderson, turned together. Gray, the slightly stronger swimmer, pulled away in the last 50 metres to win by 0.7sec from Francis.

Fortitude Valley swimmer, Mark Tonelli, broke an age record in the boys' 15 and 16 Years 200 metres backstroke. He timed 2m 22.5s and won by more than 5sec from Mark Dixon.

In the heats of tonight's finals, Stephen Holland broke the 14 Years age record.

(Results given)

C.M. Saturday 15 January 1972

FUNCH CUTS STATE BUTTERFLY RECORD

By Frank O'Callaghan

International butterfly swimmer Sue Funch sliced 2/5sec off the State 100 metres butterfly record s she retained her State title at the Valley Pool last night. Her time of 66sec erased the old mark by German Heike Nagel, and was only 1.9sec outside American Alice Jones world record.

Yet Sue, 16, was not happy. "I wanted to go a second faster and better Shane Gould's new national time of 65.1sec," Sue said.

She may well have done that had her coach, Joe King, had given her the break from training she sought yesterday. But King, who is determined to put Sue into the Olympic team, ordered three and three quarter miles of training.

BIG RACE

Should Shane Gould decide to tackle the national 100 metres butterfly championship in Brisbane next month, it could be the race of the series. It is the only event in which Miss Gould might expect tough competition, and Sue, properly tapered, would certainly better Shane's national standard.

Neil Gynther, although he expresses dissatisfaction with his 100 metres breaststroke time of 1m 12.7s, enhanced his Olympic prospects and tugged 16-year-old Clinton Riley to a State record of 1m 12.9s.

Riley also is not out of Olympic calculations. In seven starts this series he has collected five gold medals and two silver.

(Results given)

C.M. Monday 17 January 1972

TEN MEDALS TO RILEY IN SWIMS

By Frank O'Callaghan

Redcliffe all-rounder Clinton Riley took eight individual gold medals and two silvers out of the State swim titles which ended at the Valley Pool yesterday.

In his tenth individual event yesterday, the 16 Years 100 metres freestyle, Riley, 15, claimed the title in 58.4sec.

He won every event he contested in his age group, and when he moved into open company for his specialty stroke, breaststroke, he collected two silver medals. Two more gold and two silver medals in yesterday's relays meant a total haul of ten gold and four silver.

Clearly he was the outstanding performer of the championships, and as such won the E.J.Davis Memorial trophy.

International butterfly Sue Funch won the prized David Theile Trophy for the swimmer closest to world standard with her State record-breaking 66sec for 100 metres on Friday night. This was only 1.9sec outside American Alice Jones world record.

The Malcolm Munro Memorial Trophy for the best 11-year-old all-rounder went to Townsville's Peter Cussens.

SECOND BEST

Yesterday's outstanding performer, Leanne Francis, edged closer to Olympic team consideration with another slashing 100 metres of freestyle. She claimed the 16 Years title in 61.9sec, 0.01sec faster than her Open winning time on Saturday night. Leanne thus became the fastest woman freestyler in the country, excluding world champion Shane Gould.

It was the potential 1976 Olympian who set the records yesterday. Carina dynamo, Stephen Holland, in finishing in fourth place in the Open 800 metres freestyle, set a new standard for 14-year-olds of 9m 3.2s.

Mark Tonelli, 14, of Kalinga, who has specialised this last month in cracking backstroke records, flounced into second place behind David Unwin in

the 200 metres butterfly for 15 and 16 Years in a dazzling age record of 2m 23.9s.

Then there was Paul Spiro, at 13, already a classic breaststroker who knifed through 200 metres in 2m 53.8s, and Kerry Grogan reducing the 14 Years 200 metres butterfly standard to 2m 23.9s.

TEAM TONIGHT

The Queensland team to contest the Australian championships will be announced tonight.

Originally it was thought that any swimmer who qualified for the nationals would be chosen. But such was the standard of the championships that this estimate will have to be trimmed.

GAYE STILL BEST DIVER

Gaye Morley, Queensland's leading contender for a national title, retained her tower and three-metre State titles at the Queensland diving titles at the Centenary Pool yesterday. She is already Australian three-metre champion. Morley also won the women's Open one-metre with 397.6 points from Lorraine Bauman.

Bauman is attempting a comeback to diving after competing in the Tokyo Olympic Games.

Jane Stuart, 14 of Ascot, successfully defended her women's junior three-metre title from Denise Baker and Jane Dawson. She also won the Under 14 one-metre from Clair O'Connor (Goondiwindi), and the Under 16 titles.

Qualifiers for selection in the Queensland team are - Gavin Pascoe, Gaye Morley, Jane Stuart, Glen Binny, Denise Baker, Jane Dawson, and Judith Sherry.

TWO BOYS, 14, IN SENIOR SWIMS

By Frank O'Callaghan

Two 14-year-old boys, Mark Tonelli and Stephen Holland, have been included in the Queensland senior team for the Australian swimming championships at the Valley Pool next month.

Holland is a tireless distance freestyler who finished third in the State 1500 metres championship in 17m 12.4s, nearly 1m 6s inside the qualifying time for the nationals.

Tonelli, the backstroke and butterfly champion in his age group, collected a sheaf of records during the titles.

Both boys have also been chosen in the State side for the junior national titles at the Valley. The junior nationals will be on February 7 and 8, and the senior titles and Olympic team trials on February 11, 12, and 13.

FROM CENTRAL QUEENSLAND

All-rounder Margaret Born, winner of the three gold medals last week, is the first senior State representative from Rockhampton in many years.

Townsville's Suzy Anderson, 14, and Helen Gray 15, Olympic team hopefuls, are available for the junior titles only, as relay swimmers. Suzy is aiming for a place in the Olympic team as a sprinter, and Helen as a sprinter or distance freestyler. Helen also will tackle the 200 metres butterfly, an event she did not contest at the Queensland championships.

BEST HOPES

Queensland's best Olympic hopes are freestylers Leanne Francis and Helen Gray, breaststrokes Joanne Barnes and Judy Hudson, butterfly Sue Funch, and backstroker Sue Lewis.

All-rounder Neil Martin and breaststrokes Neil Gynther and Clinton Riley, are somewhat lesser prospects.

The Teams -

The team for the junior titles is -

Men - S.Allanson, R.Buchanan, J.Dixon, M.Dixon, G.Dixon, R.Frederickson, S.Holland, L.Melisano, D.Unwin, G.Patching, C.Riley, M.Tonelli, D.Oswin, C.Wooldridge.

Women - M.Born, D.Curr-Parkes, L.Francis, S.Fraser, D.Handley, C.Hudson, J.Hudson, D.Harvey, D.Lee Long, B.McCawley, S.Raeburn, C.Schwarz, J.Wanklyn, L.Young, S.Yost.

Senior team -

Men - G.Cussack, J.Gardiner, P.Glasziou, N.Gynther, R.Gynther, S.Holland, N.Martin, C.Riley, M.Tonelli, J Van Opdenbosch

Women - S.Anderson, S.Barnes, M.Born, D.Curr-Parkes, S.Funch, L.Francis, S.Fraser, H.Gray, J.Hudson, D Lee Long, S.Lewis, M.McCawley, C.Schwarz, J.Wanklyn, L.Young, S.Yost.

C.M. Wednesday 26 January 1972

COACH IS CONFIDENT FOR OLYMPIC TRIALS

Townsville's swim coach Laurie Lawrence is tipping his two national title freestyle contenders to nudge the minute at the championships next month. The championships, which are also the Olympic swim team trials, will be held at the Valley Pool from February 11 to 13.

Only two Australian girls have broken the minute - Dawn Fraser and Shane Gould.

Lawrence coaches Suzy Anderson and Helen Gray, both of whom have been swimming up to 11 miles a day in training, even through the State championships. Lawrence has been easing both girls recently and their training times have improved remarkably.

Lawrence yesterday revealed Miss Gray's times over 16 successive 100 metres swims with a 60 second respite between each. Eight of the swims were timed at 64.5sec, and all the others were under 66sec. Miss Anderson performed a similar routine, and all but three of her times were a shade over 65secs.

C.M. Saturday 29 January 1972

WATER POLO AMBITION

The strong Tugun Club will attempt to win its sixth successive A Grade water polo grand final when it meets Fortitude at the Valley Pool tomorrow afternoon.

Six of the seen Tugun players are State representatives, including State captain Jim Curran, and Valley's A Grade cricketer, Ron Fingleton. Also in the team are prominent swimmer Neil Gynther, and State team goalkeeper Tony West.

The younger Fortitude side have three State men. They are leading swimmer Josse Van Opdenbosch, Peter Beeston, and former Victorian representative Brian Mellon.

Players on both sides will be attempting to gain a place in the State team to contest the national titles at Musgrave Park Pool from February 5 to 13.

Tomorrow's A Grade final will start at 4 o'clock will be preceded by the second grade final between Army and University.

C.M. Tuesday 1 February 1972

OLYMPIC HOPE HIT BY EAR INFECTION

By Frank O'Callaghan

Olympic swim team hope Helen Gray of Townsville will consult a doctor today about infected ears which are hindering her training. Helen, who is completing her training in Brisbane, had to cut her schedule by half, to five miles, yesterday.

Her coach, Laurie Lawrence, is not yet perturbed about the loss. "Helen and her teammate Suzy Anderson have started to taper for the titles," Lawrence said last night. "Today's break from training will do her no harm. It is just that we do not want to take any chances about her ears with the titles so close."

Helen and Suzy have reduced their weekly training log from 77 miles to a maximum of 30 miles this week. Both girls are expected to perform spectacular sprint times, and Lawrence is anticipating a thrilling 200 metres freestyle clash between his girls and Shane Gould.

At the State championships two weeks ago, Helen, in the middle of a demanding training programme clocked 2m 10.8s - only 5sec outside Shane's world record. Helen is such a fierce competitor, that when fully tapered and with Shane to chase, she may well make up that 5 sec.

The retirement of Olympic butterfly champion Lyn McClements greatly enhances the team prospects of Queenslander Sue Funch. Sue is another Queenslander expected to shake a world mark - the 64.1sec for 100 metres of American Ella Daniel.

The first interstate visitor for the titles, West Australian John Kalasulu, has reached Brisbane. The 6ft 3in 15-year old Kalasulu, holds his State's senior freestyle titles and records from 200 to 1500 metres. His times of 2m 2.7s (200m), and 4m 17.4 (400m), underline his great potential.

C.M. Thursday 3 February 1972

HE AIMS TO SWIM FOR BRITAIN

OLYMPIC BID IN VALLEY TITLES

By Frank O'Callaghan

All of Australia's best swimmers, but one, next week at the Australian titles at the Valley Pool will be striving for places in the Australian Olympic team. Odd man out is Nigel Johnson of Townsville. His Olympic team rivals are 8000 miles away, immersed in winter training.

Johnson will be aiming for a place in the British Olympic team. He is 18, Welsh born, and is the Australian winter 200 metres breaststroke champion. Because he was a Welsh representative at the 1970 Commonwealth Games, he is not eligible for the Australian team.

(Further hopes and predictions were recorded)

C.M. Tuesday 8 February 1972

SHANE SETS NEW AUST. RECORD

By Frank O'Callaghan

World swim champion Shane Gould smashed her Australian 400 metres freestyle record at the Valley Pool last night, and promptly promised a world record attempt on Friday night. Shane, 15, retained her junior title in 4m 23.5s, which is 0.3sec inside her national record, and only 2.3sec outside her world mark.

Unlucky girl of the 100 metres was Scarborough's Leanne Francis who clung to Shane throughout until the last ten metres when she twice fouled the ropes with successive strokes. She touched in 62sec, the same time as Debbie Cain, but had to settle for third spot.

Had she steered a better course, Leanne would have won a silver medal, a personal best time was a friendly recognition from the Olympic team selectors.

Other outstanding Queenslanders last night were breaststroker Clinton Riley, breaststroker Judy Hudson, both champions, and backstrokers Mark Tonelli and Linda Young, and the gold medal winning freestyle relay team.

Riley's 200 metres title win in 2m 36.3s clipped half a second off the national junior record he shared with former Olympic champion Ian O'Brien. His great breaststroke leg later earned him a silver medal in the 400 metres medley, and he finished the night as anchor man for the State's champion freestyle relay team.

Miss Hudson, 13, eased tired legs through 75 metres of her 100 metres swim, and won the title as she liked. Her time of 1m 19.9s, in these circumstances, says much for her senior championships winning prospects.

Miss Young claimed a bronze medal for the 200 metres of backstroke, and Tonelli a silver for the 100 metres. But Linda's 2m 26.1s behind Miss Cain (2m 25.4s) and South Australia surprise packet Debbie Palmer (2m 25.5s) was a State senior resident record.

Tonelli hauled his 7stone 7 pounds over 100 metres in 65sec to break the State Under 15 record for the eighth time since mid December. He bowed only to the champion, Bob Williams (63.5sec).

C.M. Wednesday 9 February 1972

SHANE, ALL ALONE, STILL NEAR RECORD

By Frank O'Callaghan

Another lonely swim at the Valley Pool last night cost Shane Gould another world freestyle record by half a second. Shane effortlessly retained her national junior 200 metres freestyle title in 2m 6.3s, the second best time ever recorded by a woman, but half a second away from her world record. She smashed Helen Gray's State record by 4.4sec.

There was a repeat performance in last night's freestyle relay, when Shane ploughed past Leanne Francis in a 100 metres in an unofficial time of 58.9sec.

Later when she had designs on the world 100 metres butterfly record she was thwarted by a series of frustrations. At first West Australian Ann-Maree Tomerinie broke, but so finely the starter Ray Bolland fired his recall too late to prevent the girls covering about 10 metres until halted by a dropped rope. Then, when all were poised for a second start, a voice called "go" and Shane with arms swinging in an abortive attempt to hold back, toppled into the water. Came a mass warning against the next one who might break, and all incentive for a world record had drained from Shane.

Clinton Riley, Mark Tonelli, and Linda Young set new State standards.

GAMES BOOST

Miss Young enhanced her Olympic team prospects by pushing the national backstroke champion and record-holder, Debbie Cain, to a hairline decision over 100 metres. Her time of 69.4sec, which was 1/5sec behind Miss Cain, meant a State junior record.

Judy Hudson, in winning the 200 metres title bagged the breaststroke double but she was not happy with her 2m 51s. Innisfail second place-getter, Denise Lee Long was delighted with her 2m 53.1s, her personal best by two seconds. Judy was her own pacemaker last night, a role she is not yet equipped for. She is at her best with someone to chase, such as Beverley Whitfield or Joanne Barnes.

(Results given)

UNIQUE LAST DIVE BY QUEENSLAND GIRL TOOK TITLE

A unique dive - a triple twisting one and a half somersault - won the Australian three-metre springboard title for Queensland's Gaye Morley at the Centenary Pool yesterday. It was the last dive of the 10-dive Women's Open three-metre final.

Miss Morley knew she had to produce her most spectacular dive to pull back a slight points lead held after the ninth dive by Sydney's Madeline Barnett. She

chose the triple twisting one because of its high degree of difficulty which carries maximum points.

Her execution of the final dive was almost perfect, earning her near maximum points and giving her the title for the second successive year.

ONLY WOMAN

Miss Morley is the only woman in Australia who can perform the triple-twist one and a half on the three-metre board.

Yesterday's win gives her Olympic Games selection chances a big boost, and if she can repeat the victory in the high board final on Friday, she is almost certain of selection.

Miss Barnett gave a courageous performance considering the accident at the week-end in which she hit a board during training and broke her nose. Yesterday she dived with her nose taped and with both eyes blackened. She will have the nose set when she returns to Sydney after the titles.

Victorian Donald Wagstaff retained his Open men's three-metre title with a runaway win. Wagstaff scored 558.98 points from Ken Grove (NSW) with 507.9 points.

There was a terrific battle between Ian Nichols (Victoria) and Queensland's Gavin Pascoe before Nichols took third place with 463.89 points. Pascoe scored 463.17.

C.M. Saturday 12 February 1972

FIRST AUSTRALIAN TO BREAK 16 MIN.

By Frank O'Callaghan

Former Brisbane schoolboy Brad Cooper swam within 6/10sec of the world 1500 metres freestyle record at the Australian swim championships at the Valley Pool last night. His time of 15m 57.7 is the third fastest in the world for the distance and made him the first Australian to break 16 minutes.

(Considerable comment about Cooper's efforts and Shane Gould's)

Queenslanders Sue Funch and Helen Gray enhanced their Olympic team selection chances.

Sue's second place to Miss Neall in the 200 metres butterfly should impress the selectors.

Helen turned in a grand 400 metres of freestyle (4m 33.5s) and a slick 100 metres relay swim.

ANN'S TWIST BEAT CHAMP

New South Wales diver Ann Jones won the national highboard championship at the Centenary Pool yesterday with her last dive of the series. She performed a one and a half somersault with double twist to snatch the title from former champion Madeline Barnett.

Queensland's three-metre champion Gaye Morley finished third, but this should have guaranteed her a place in the Australian Olympic team.

Gaye was well up with the leaders until she made errors on her last two dives, the extremely difficult one and a half somersault and the one and a half triple twist.

C.M. Monday 14 February 1972

QUEENSLAND FIVE COULD GO TO MUNICH

Five Queenslanders emerged as strong Olympic team candidates and four enhanced their prospects at the Australian swimming championships which ended at the Valley Pool last night.

Last night's title winners - Helen Gray (200 metres freestyle), Sue Lewis (100 metres backstroke), surely joined Sue Funch, Leanne Francis, and Suzy Anderson on the selectors' short list.

The four whose chances are somewhat slimmer are all-rounder Neil Martin, backstroker Linda Young, and breaststrokers Joanne Barnes and Judy Hudson.

Severe sinus has hindered Miss Lewis' preparation, and though she is below Debbie Cain's best time, her potential should be recognised.

Potential is also what could put 13-year-old Judy Hudson into the side although she could manage only fourth in last night's 200 metres. Miss Barnes, third in this event, could claim a virtual second, because the winner, Dorothy Harrison, here on a Churchill scholarship, will be bidding for the British team. Joanne's best time of the summer, 2m 45.7s is well up in current world standards.

Martin's chances are not particularly bright, but his medley swimming on Saturday night was impressive. Given the training schedules of his rivals, he also would give them the race of their lives.

The Australian team will be announced in Brisbane today.

COOPER THE BEST AGAIN

By Frank O'Callaghan

Sydney swim ace Brad Cooper followed world freestyle record on Saturday night with an Australian backstroke record last night. The 17-year-old former Brisbane boy retained his 200 metres title, reducing the record to 2m 10.6s.

Shane Gould retired from last night's events. If she had been there, perhaps Townsville's Helen Gray would have improved on her title-winning 200 metres freestyle time of 2m 8.8s. Helen, who was only three seconds away from Shane's world record thought so. In any case she surely swam into the Australian Olympic swimming team

Sue Lewis overcame Debbie Cain in the 100 metres backstroke. Her time of 68.5sec was a Queensland record.

C.M. Tuesday 15 February 1972

PACKING THEIR BAGS FOR MUNICH

(Pictures of Queenslanders chosen)

Morley, Anderson, out, but...

QUEENSLAND HAS SIX FOR GAMES

By Frank O'Callaghan

Queensland, although it has a record six in the Australian Olympic swim tea, has been treated shabbily. The Queenslanders chosen are butterfly Sue Funch, backstroker Sue Lewis, breaststroker Judy Hudson, (at 13, the team "baby"), freestylers Leanne Francis and Helen Gray, and medley swimmer Neil Martin.

This number betters by two Queensland's highest previous representation at an Olympics.

The omission of sprint freestyler Suzy Anderson and national three-metre board diving champion Gaye Morley is shameful.

After all the strong words from the Australian Swimming Union officials about refusing to accept a limit of numbers, the selectors - Alan Blue (Vic), Roger Pegram (NSW), and John McNamara (Qld) - have come up with a skinny team of 27, of whom only 24 are swimmers. This is the same number of swimmers sent to Mexico in 1968, at which Australia won three gold medals.

"Strongest"

Yet Australian Swimming Union Secretary (Mr Syd Grange) declared the 1972 team as the strongest since Australia dominated world swimming in 1956.

Breaststroker Joanne Barnes, backstroker Linda Young, and butterfly Sandra Yost, were unlucky omissions. Anderson and Morley have been positively snubbed. So has New South Wales national butterfly record holder, Jane Comerford.

Olympic coach Don Talbot, while full of praise for the side which he described as "exciting", said he would have liked a team of about 30 to work with. "There are always sad omissions," said Talbot, "but I was genuinely surprised that Joanne Barnes, Suzy Anderson, and Jane Comerford were not chosen."

It was generally thought that when Miss Anderson flashed into third place behind Shane Gould and Leanne Francis in the national 100 metres title on Saturday night, that she would be in the team. Four sprinters are needed for the freestyle relay, and Suzy's 61.7sec has been bettered only by world record-holder, Shane Gould.

N.S.W. GIRL

The girl preferred to Suzy is Sydney's Sharon Booth. Why? They are the same age, 14, and Sharon could not find a place in the national junior or senior 100 metres championships. Sharon's best performance this summer is fifth place in Saturday night's title race in 61.9sec. Victorian Jenny Pengelly was between Suzy and Sharon.

Miss Morley has won the three-metre (an Olympic event) national diving title for the past two years, and took a bronze medal at the 1970 Commonwealth Games. She performs two dives no other girl in the country can do, and with one of them - a one and a half somersault with a triple twist - she retained her three-metre title. Gaye finished third in the highboard title, but Ann Jones, of New South Wales, winner of the highboard and third in the three-metre, has been preferred.

BLAST FROM 2 COACHES

Two Queensland swim coaches, Joe King and Laurie Lawrence, last night blasted the selection of the Australian swim team.

King claimed that his backstroke swimmer Linda Young, who finished a creditable third in the 200 metres title, and second in the 100 metres title. Yet Linda was ruled out of a place. King said that officials on one side of the pool unanimously judged Linda as second. Unfortunately the official judging was done on the other side of the pool. "This decision possibly cost Linda a place in the team."

King said that electronic timing should be installed at the Valley Pool. "Championships are becoming too important to rely on human judgement. All the big centres in the world have, or are installing, electronic timing. It is overdue here," King said.

Lawrence, of Townsville, was bitter about the exclusion of his 14-year-old girl, Suzy Anderson, the third fastest freestyler in the country, who could not find a place in the four-strong relay team.

"NOT FASTEST"

"Don't the selectors want the fastest team in Munich?" Lawrence said. "They certainly have not got it. What does a kid have to do? She trains her heart out; you tell her if she comes a place she goes to Munich; she does this and they leave her out of the side."

"What sort of incentive is that for a coach, yet alone a swimmer? If Suzy failed I would not be complaining, but she did not fail."

A tearful Miss Anderson said last night she had no idea whether she would continue swimming. "I don't feel much like it now," she said.

Suzy, apart from her 100 metres success, finished fourth in the 200 metres, and clocked a smart 5m 24s in the 400 metres individual medley, proof of her versatility.

King has three swimmers in the Olympic team - Sue Funch, Judy Hudson, and Neil Martin - and Lawrence has one - Helen Gray. Helen, from Townsville, is the only member of the Queensland contingent from outside Brisbane.

(Full team given)

C.M. Tuesday 22 February 1972

TOWNSVILLE BID FOR SUZY BERTH

Townsville - Sports followers, incensed at the omission of Townsville swimmer Suzy Anderson from the Olympic Games team, have been urged to attend a special public meeting in Townsville tonight. The meeting is not solely to protest the unfairness of the omission, but more to discuss alternate means of "getting Suzy to Munich."

The question of raising enough money to pay her fare to the Games will be one of the matters discussed at the meeting. Convenors feel that if enough money could be raised, an approach might be made to the Australian Swimming Union asking officials if they would include her in the team.

There is still a possibility the Australian swimming team might be increased by three.

Supporters of the public meeting believe that a public outcry about the omission of Suzy from the team could influence the national selectors in any future decision.

The fact that Australia's third fastest woman freestyler over 100 metres could not gain selection for one of the four relay berths is seen as an injustice.

C.M. Thursday 24 February 1972

DELEGATES TO AIR GRIEVANCES ON GAMES TEAM

By Frank O'Callaghan

The shameful omission of Townsville's Suzy Anderson from the Australian team will come under fire at the Q.A.S.A. meeting on Monday week. The injustice, not only to Miss Anderson, but to breaststroker Joanne Barnes, and diver Gaye Morley, will be aired. A number of Council delegates have promised to raise the issue.

The selection of only 27 swimmers and divers in the Olympic team has raised a storm, particularly in New South Wales and Queensland.

Miss Anderson, the third fastest freestyler in the country, has been omitted, and the fifth fastest girl, Sharon Booth, has been included.

Miss Barnes times for 200 metres are in world class, and Miss Morley, winner of the national three-metre board, and third in the highboard titles, can perform two high degree of difficulty dives no other girl in Australia will attempt.

The selections can only bring discredit to the Australian Swimming Union.

North Queensland is so incensed at Miss Anderson's omission that a public meeting on Tuesday pledged £10,000 towards Miss Anderson's fare to Munich. But Suzy's place in the side cannot be bought. It must be won constitutionally, hence the initial Council meeting moves.

With Q.A.S.A. President (Mr Arch Steinbeck) and Chairman (Mr George Bennett) out of town on holidays, the Council meeting will give delegates the first chance to protest.

Australian Swimming Union Secretary (Mr Syd Grange) said yesterday that the team could be increased only by re-convening the Australian Swimming Conference which ratified it. It would take a 4-2 vote of the six States to re-convene the Conference.

The best Queensland can do is to force a vote on the issue. But it must move quickly. The deadline for the swimming team with the Australian Olympic Federation is April 8.

New South Wales is complaining about the omission, among others, of butterfly Jane Comerford. Few have noticed that Jane was beaten three times at the national titles by Queenslander Sandra Yost whose times this summer have tumbled down from 3m 0.5s to 2m 27.8s for the 200 metres, and from 1m 31s to 1m 8.1s for the 100 metres.

If Jane should be in the side, why not Sandra?

(Photo of Suzy Anderson)

C.M. Tuesday 29 February 1972

QUEENSLAND TALK ON SWIM TEAM

The New South Wales move to have the Australian Olympic swimming team increased by six swimmers, will almost certainly be discussed at tonight's meeting of the Queensland Swimming Association Executive. Q.A.S.A. Chairman (Mr George Bennett) said this yesterday.

The New South Wales Association decided by an overwhelming majority in Sydney at the week-end, to call an urgent mail vote between the States to have the size of the team increased by six.

A team of 27, including three divers, has been named to represent Australia at Munich.

Two Queensland swimmers - Joanne Barnes of Brisbane, and Suzy Anderson of Townsville - and Brisbane diver Gaye Morley were shock omissions from the team. Because of this the New South Wales move will gain wide sympathy in Queensland.

Two of Queensland's top swimming administrators, Mr Bennett and the Q.A.S.A. President Mr Arch Steinbeck, returned from holidays only yesterday.

C.M. Thursday 2 March 1972

OLYMPIC SWIM TEAM RESTS WITH VICTORIA

The chances of additions to the Australian Olympic swim team appear to rest on the vote of the Victorian Swimming Association. Three States - Queensland, New South Wales, and South Australia - are almost certain to vote for the increase. They need one more backer.

A team of 27 swimmers and divers was chosen after the national championships in Brisbane last month. This was up to eight fewer than was predicted.

The New South Wales Association last Sunday unanimously agreed to seek an increase in the team, and nominated a figure of six swimmers, no divers. The New South Wales request will be put to a postal vote of all six States, and a 4-2 majority is needed to carry it through.

The South Australian Swimming Association has declared it would favour an increase in the side, and last Tuesday the Queensland Association Executive recommended that its Council take a similar view.

CLUB PROTEST

Western Australia and Tasmania are believed not to favour an increase. This leaves Victoria as the swinging vote. The Victorians' thoughts are unknown, but they have cause to deplore the omission of their sprint freestyler Jenny Pengelly.

Brisbane's Leander Club will write to the Australian Swimming Union protesting against the exclusion from the team of backstroker Linda Young. Leander will tell the Union that Linda's times of 69sc for 100 metres and 2m 26.1s for 200 metres are closer to world standard than those of any other swimmer excluded.

C.M. Friday 10 March 1972

CONFUSING MOTIONS ON SIZE OF SWIM TEAM

By Frank O'Callaghan

Moves by Queensland and New South Wales to increase the size of the Olympic swim team could prove self-destructive. Both States have called for a mail vote on the issue. New South Wales wants the side to be increased by six, and Queensland merely wants an increase.

The six States will be asked to vote on both motions. There is bound to be confusion.

A 4-2 majority is needed to carry either motion, and four States - Queensland, New South Wales, South Australia, and Tasmania - have indicated

they want to have the team increased, but there is a genuine fear of a split vote. It is thought some States might support New South Wales' motion, and some Queensland's.

Should four States vote for both motions, the direction is still not clear. Is the team to be increased by six, as New South Wales wants, or is it simply to be increased (Queensland's motion), which could mean an increase of one.

The voting papers were issued yesterday by Australian Swimming Union Secretary (Mr Syd Grange).

At least two Queenslanders are front-line candidates for inclusion in the side, should the New South Wales motion be adopted. They are Townsville freestyler Suzy Anderson, and Brisbane breaststroker Joanne Barnes.

Brisbane diver Gaye Morley would have the chance of selection if the New South Wales motion is carried. It states specifically, six swimmers, with no mention of divers.

(The records show that no further Queenslanders were included in the team)

Courier Mail, Saturday 1 September 1972

AGE SWIMMERS SHATTER RECORDS

Stephen Holland of Carina last night at the Valley Pool produced a State Age 1500 metres freestyle record (Junior) with an outstanding 16mins 39.5secs.

Swimming in the national winter titles, Holland, only 14, beat the more experienced Peter Tetlow by about three seconds and indicated definite Olympic potential.

Butterfliier Sandra Yost and backstroker Mark Tonelli, both of Brisbane, also set good times for their ages.

Sandra, 15, took the 200 metres title in 2mins 24.3secs - an age record and only 1.1 second slower than it took Olympian Gail Neall to win the Australian title last February. Sandra is obviously another junior Olympic prospect.

Tonelli, 15, has been regularly been lowering his State backstroke record. Last night he pulled it down to 63.7 seconds. This bettered his old time by 0.3 seconds.

Titles continue today and tomorrow morning and afternoon.

(No further results seen in the C.M.)

WELCOME HOME FOR OUR OLYMPIANS

Queensland members of the 1972 Australian Olympic team were given a "Welcome Home" last night by the Premier, Mr Bjelke Petersen, parliamentarians, and sporting officials. Sports Minister, Mr Herbert, spent time hearing first hand from the Olympians Judy Hudson, Sue Lewis, Sue Funch, John Cuneo, and Neil Martin.

(This was the year of Shane Gould's success, Brad Cooper's win and medal controversy in the 400 metres freestyle, and of the Arab attack on the Israeli team.)

C.M. Wednesday 27 September 1972

BRAD IS BACK TO SWIM IN QUEENSLAND

By Frank O'Callaghan

Australian Olympic 400 metres freestyle swim champion, Brad Cooper, 18, is back home in Brisbane and plans to swim for Queensland in the national titles next year.

Cooper was strictly "on loan" to New South Wales while being coached in Sydney for the Olympic Games by Don Talbot.

He won't stay here long. Next February, after the nationals, he plans to take up a sporting scholarship at an American University.

He was relieved to learn that Queensland, unlike New South Wales, does not demand a six months residential period for eligibility to represent the State.

C.M. Tuesday 3 October 1972

NORTH QUEENSLAND COACH TO JOIN TALBOT

By Frank O'Callaghan

Townsville swim coach Lawrie Lawrence will join forces with Don Talbot's (Sydney) coaching organization. He will live in Sydney and virtually replace Talbot, the Olympic coach, who is understood to have accepted a coaching job in Canada.

Lawrence recently built a 25 metre pool in Townsville. This will now become part of the organization along with two Sydney pools - an indoor 25 metre pool and one of Olympic standard, outdoors.

UNIFORM

Speaking from Townsville last night, Lawrence said the objective of the new group was to have uniform coaching of all pupils from learners to Olympic class. "We will employ coaches and stick strictly to a syllabus so that our swimmers in Sydney and Townsville will be coached in exactly the same way," he said. "The Townsville interest will be managed by qualified coach, Ken Wood of Gordonvale.

Lawrence will make occasional visits to Townsville and will travel overseas each year to keep abreast of the latest coaching methods.

FAMOUS PUPILS

Lawrence, 30, a former international rugby union half-back, has had over six years of swim coaching - a notable record.

Twenty five of his Townsville squad have made the top ten in Australia in various divisions. His most famous pupils, the freestyler Helen Gray, breaststroker Nigel Johnson, (both of whom have made 1972 Olympic teams) and sprint freestyler Suzy Anderson, the unluckiest omission from the Australian team.

Johnson, after two years with Lawrence, returned home to Wales this year and was chosen in the British Olympic team.

Lawrence is not sure how many, if any, of Talbot's famous squad he would take over. A number, including Olympian Jim Findlay and Graham Windeatt, are taking out scholarships at United States universities, next year.

C.M. Friday 13 October 1972

GALLAGHER TO COACH JOANNE

By Frank O'Callaghan

Queensland Olympic swim representative, Joanne Barnes, has come out of retirement and will be coached in Brisbane by former Olympic coach, Harry Gallagher.

Gallagher will move to Brisbane from Adelaide next month. He has acquired coaching rights to the Centenary Pool.

Joanne, 17, last night denied she had prime ambition to again represent Australia. "If I make the 1974 Commonwealth Games team or the 1976 Olympic team, it will be great," she said, "but I am really returning to prove to myself that I can do better than I have done in recent years."

A classical breaststroker, she was the surprise omission from the Olympic team for Munich after a 200 metres swim of 2mins 45.7secs at the national championships in Brisbane. This was about the seventh fastest time in the world. Ahead of her in that performance by a fraction of a second was the future 1972 Olympic champion, Bev Whitfield. Gallagher will also coach bright young breaststroke prospect Paul Spiro and freestyler Sandra Bright. He made overtures to Olympian Neil Martin and all-rounder Mark Tonelli and was believed to be interested in acquiring distance freestyler Stephen Holland.

C.M. Monday 20 November 1972

FOUR SWIM RECORDS BROKEN

Four State swimming records were broken at the Brisbane Amateur Swimming Association's carnival at the Valley Pool last night.

Highly promising freestyler Stephen Holland set two of the records, and young breaststrokes Michael Bohl and Susan Pendlebury one each.

Holland, 14, of Carina Club, lowered his own State record in the 400 metres freestyle, recording 4m 18.6s, or 1.1sec better. His new figures also slashed the State 15 Years age record of 4m 19.8s set by West Australian John Kulasalu at the national titles in February this year.

Ten-year-olds Michael Bohl and Susan Pendlebury both recorded new times in their divisions of the 200 metres breaststroke.

Bohl, of Commercial clocked 3m 10.7s, knocking 5.3sec off the previous best time. Susan Pendlebury, Leander, clipped 3.4sec off Belinda Russell's former record when she clocked 3m 21.9s.

C.M. Monday 27 November 1972

BOY SWIMMER BEAT WEEK-OLD RECORD

By Frank O'Callaghan

Star swim prospect Stephen Holland, 14, last night clipped half a second off his week-old State 400 metres age record in a Brisbane Association freestyle carnival at the Valley Pool. Holland, a Churchie schoolboy, clocked 4m 18.3s in great style. His was the only individual record of the carnival.

Holland's potential is highlighted by the fact that at 14, he holds the State Open 800 and 1500 metres records. A natural distance swimmer, he also posted his best 100 metres by clocking 60.7sec, an improvement on his previous best of 1.3sec.

Other splendid performances not so evident were the 100 metres times of 10-year-old Michael Bohl, 9-year-old Lionel Hogg, and the 200 metres performance of 15-year-old Sandra Yost.

IN TRAINING

Michael posted a mark of 1m 10.6s, which, on current readings, is the second best time in the country for his age group.

Lionel's 1m 10.5s was the third best for a 10-year-olds and possibly the best in Australia for 9-year-olds.

Sandra sped over 200 metres in 2m 15.6s, or 8.4sec better than her previous best. This is the more remarkable as it followed solid training sessions yesterday afternoon of two miles of butterfly and 1500 metres of freestyle.

(Results given)

C.M. Wednesday 6 December 1972

COOPER STAYS UNTIL TITLES

By Frank O'Callaghan

Olympic 400 metres freestyle swim champion Brad Cooper has changed his plans about an early move to America because of an Australian Swimming Union directive. Cooper, who had intended going to an American high school after the State titles next month, now will wait until after the nationals in February.

A mail vote between the states has decreed that times of Australian swimmers in the United States would not be recognised by the A.S.U. as a guide to choosing national teams. Australia will send a team to England next April and in the world championships in Belgrade next August.

Cooper, who plans a year at high school to qualify for an American University, said yesterday that he would contest the nationals from which both

teams would be chosen. "I understand I may have to go into a training camp, but maybe I could be excused from that," he said.

Cooper is desperate to tackle the world 400 metres title at Belgrade to prove his Olympic title was earned. He won the Olympic championship when Rick Demont, the American who touched 1/100sec before him was disqualified on a drug charge.

Australians in the United States who will be affected by the A.S.U. ruling are Olympic silver medallist Graham Windeatt, breaststroker Paul Jarvie, and butterflyer Jim Findlay. Another Olympian Graham White who went to Harvard has returned to Australia.

Cooper will contest the distance swimming carnival at the Valley Pool on Saturday and Sunday. He is training in Brisbane under Olympic coach Harry Gallagher.

At the Brisbane meet he will contest the 1500 metres freestyle, the 200 metres backstroke, and the 200 metres butterfly.

C.M. Saturday 9 December 1972

TWO OLYMPIANS IN SWIM CARNIVAL

Olympians of different Olympics, Joanne Barnes and Judy Hudson, will feature in the Queensland Amateur Swimming Association carnival at the Valley Pool tonight and tomorrow morning.

Joanne was in the 1968 Olympic team to Mexico, and Judy eliminated her from selection in the 1972 Munich team. Joanne, after a short retirement, has come back into the sport, and is certain to give Judy strong opposition.

The girls, both breaststrokers, have been arch rivals for the last few seasons.

Judy is the State 100 and 200 metres junior and the 100 metres senior champion, and Joanne holds the senior 200 metres title.

Olympic 400 metres gold medallist Brad Cooper will have his first swim since the Games, contesting the 1500 metres freestyle, the 200 metres backstroke, and the 400 metres individual medley. Cooper is not expected to crack national times, but he is in solid training and good marks are expected. He will be an ideal pacemaker for Stephen Holland in the 1500 metres.

Holland is the fastest 14-year-old over 1500 metres in Australia, and he looks likely to further raise this standard.

Today's carnival will start at 5.30pm, and tomorrow's will be at 9am.

C.M. Monday 11 December 1972

OLYMPIAN IS BEATEN

By Gary Keep

An Olympic gold medallist was sensationally beaten out of a place in his first distance swim, since the Munich Olympic Games. Under instructions not to push himself, Cooper finished fourth in the Open 1500 metres freestyle during the State all-age championships at the Valley Pool.

He found the younger opposition of highly promising Stephen Holland, John Van Opdenbosch, and Paul Dixon, much too strong at this stage of his preparation. Cooper, holder of one world, four British Commonwealth, and six Australian, records, clocked 17m 47s - 1m 49.3s outside his national and Commonwealth record.

Holland, on his incredible winning time of 16m 35.4s could possibly become the youngest male swimmer to represent Australia at the World Titles in Belgrade next year. Only 14, his time not only slashed the State 15 and 16 Years age record, but also would have qualified him for Munich.

HIS SECOND

Cooper, 18, winner of the 400 metres freestyle at Munich was having only his second competitive swim yesterday, following his win in the 200 metres backstroke on Saturday. Cooper also swam in the Open butterfly yesterday, finishing third behind Mark Tonelli and Denis Oswin in record time.

His coach, Harry Gallagher, was unconcerned about Brad's performance yesterday in the 1500. "He is weeks off being in top condition, so for that reason alone, Brad was told to have a training swim. He's got a lot of hard work ahead with the Australian titles coming along, so a big improvement is expected."

Holland, who is coached by Gallagher, will concentrate solely on the 1500.

Six records were bettered and one equalled yesterday.

Paul Spiro established himself as Australia's fastest 13-year-old breaststroker when he clocked 2:46.6 in finishing second in the men's Open 200 metres.

Mexican Olympian breaststroker Joanne Barnes had a timely return to form when she downed Munich-elect Judy Hudson in the Open women's event (200m). Her time of 2m 51s was 5.3sec outside her best, but she is improving. Miss Barnes is aiming for selection for the world titles.

C.M. Tuesday 12 December 1972

DEBBIE CLEARED FOR SWIM TITLES

By Frank O'Callaghan

South Australian Olympian, Debbie Palmer, will join her Queensland teammates in the Brisbane Amateur Swimming Association championships at the Valley Pool this week. The championships will start tomorrow night and will run through to Sunday.

Debbie, a backstroker training in Brisbane with her coach Harry Gallagher, was cleared last week to contest these titles.

Linda was an unlucky omission from the Olympic team many claim. She was placed in the Australian 100 metres championship from which the side was named. The official place-getters, Sue Lewis, Debbie Palmer, and Debbie Cain all were chosen for the Games.

She is back in full training and will not be at racing form for the titles. But then, neither is Debbie. A keen race is certain.

Olympic 400 metres freestyle champion Brad Cooper will be a likely starter. He is not at all disturbed by his defeats last week. He is far from peak fitness because of his long lay-off after the Olympics.

All other Olympians will compete over the series except all-rounder Neil Martin who is in full training following his school examinations.

Butterflyer Sue Funch will strike strong opposition over tomorrow night's 200 metres from Sandra Yost. Sue has not done the training for the strenuous 200 metres distance, and Sandra is one of the most promising butterflyers in the country.

Other visitors cleared for the championships are another South Australian, Debbie Pearson, New South Wales girl Mandy Ellis, and American Billy Newport.

Miss Pearson was runner-up at the nationals last February in the 400 metres medley and the 1500 metres freestyle.

Miss Ellis, 12, is No 3 in Australia in her age group for 100 metres freestyle (67sec plus).

Newport is a 15-year-old freestyle sprinter from Los Angeles.

C.M. Thursday 14 December 1972

13-YEAR-OLD BOY BREAKS RECORD

Paul Spiro, 13, of Fortitude-Newmarket Swimming Club, broke the 13 Years boys' butterfly stroke record in the Brisbane Amateur Swimming Association championships at the Valley Pool last night. He broke the 1m 8.3s record by 0.3sec in the final. The old record was held by D.Dickman.

Mark Tonelli, of Northern Districts, was 0.1sec outside the State record time of 1:03.7 in the 100 metres 15 Years backstroke final. He won the race from Gerald Comadira by about seven lengths.

In the 200 metres men's Open butterfly final, Tonelli failed to come anywhere near his State butterfly record. He swam 2:21.3 compared with the 2:16.2 record. Second was Joe Dixon of Leander, who swam 2:29.1.

Judy Hudson failed to get a place in a close finish in the 100 metres 14 Years girls' freestyle final. She was fifth in 1:06.5. Winner was Karen Enright who swam the race in 1:04.3.

Linda Young scraped in for a half length win over Carol Hudson in the final of the 100 metres 15 Years girls' backstroke. Her time was 1:11.3, compared with her record of 1:08.6.

In the 200 metres Open women's butterfly final, Sandra Yost was 0.4sec outside her State 200 metres butterfly record for 16-year-olds.

(Results given)

C.M. Friday 15 December 1972

CRAIG 2nd - BUT BROKE RECORD.

Fourteen-year-old breaststroker Craig Phair set the only record of last night's Brisbane Amateur Swimming Association Championships at the Valley Pool. But young Phair, of Marlins Club, had to be content with only a second placing in his record-breaking event last night.

He was swimming out of his age group in the men's Open and was forced to a new record for a 14-year-old in the tough open company. Phair pressed open champion Clinton Riley in last night's open final. Riley is from Redcliffe.

Two of the best individual performances of the night were the wins by Riley in the Open 100 metres breaststroke, and the 16 Years 100 metres freestyle final

Riley's time for his open breaststroke was 1m 16s. His 58.4sec for the 16 Years 100 metres freestyle was a creditable performance.

Results given)

C.M. Saturday 16 December 1972

TONELLI TIES SWIM TIME

Mark Tonelli equalled the State 200 metres 15 Years freestyle record, and was 0.1sec outside the State 400 metres, 15 Years freestyle record at the Valley Pool last night. He was swimming in the Brisbane Amateur Swimming Association titles. The 200 metres record was equalled during the 400 metres open freestyle final. Tonelli won the race by four lengths from Paul Dixon who is now joint holder with Tonelli of the State 200 metres freestyle record.

John Perkins, of the Marlins Swimming Club, was 0.3sec outside the State record for the 100 metres boys' 12 Years backstroke. The title is held by P.Lewis in 1:13.9.

In what was the most exciting race of the night, William Clarkson defeated Mark Mailey in the 100 metres boys' breaststroke final by 0.1sec, with third placegetter Lindsay Spencer trailing the winner by 0.5sec. Clarkson's time was 1:30.0.

(Results given)

C.M. Saturday 6 January 1973

SUZY ANDERSON IN N.S.W. 100 METRES
By Frank O'Callaghan

Townsville's State 100 metres women's freestyle swim hope Suzy Anderson will warm-up in the New South Wales 100 metres swim tonight.

Suzy, with 11 other Townsville swimmers, is in Sydney training with their coach Laurie Lawrence, formerly of Townsville, who recently took over the Don Talbot complex. Talbot, the Olympic coach, is now coaching at a Canadian University.

Among the Townsville contingent in Sydney with Lawrence are medley swimmer, Larry Forsyth, freestyler Claire Beck, butterflyer Kerry Grogan, the Harvey sisters, Dianne and Lesley, and Munich Olympian Helen Gray.

All will contest the Queensland championships which start at the Valley Pool next Saturday.

Miss Anderson, the central figure in an Olympic Games team selection blunder, is in exceptional form. Her fastest time this summer, 62.5sec has been bettered in Sydney only by Shane Gould. And Lawrence is hopeful that with Shane in tonight's sprint championship, Suzy will go close to the minute.

In the Olympic selection trials in Brisbane last February, it was thought that Suzy's 100 metres third placing would win her Olympic selection. But the unplaced Sharon Booth was preferred.

C.M. Monday 8 January 1973

SUZANNE DEFEATED OLYMPIAN IN 400m

Sydney - Queensland's new swimming sensation, Suzanne Anderson, defeated Narelle Moras to win the State (NSW) women's junior 400 metres freestyle at North Sydney Pool last night. Suzanne, of Townsville, swam her best time of 4m 32s to beat Narelle by three metres.

There was not much between the two, but Suzanne showed great tenacity over the final lap. Narelle won the title last year in a time one second faster than Suzanne's time last night.

World record holder Shane Gould showed she's still the best lady in Australian swimming with a clear 200 metres freestyle win.

Shaking off the slowing effects of a shocking turn at the half way mark, Shane went on to retain her State title in 2m 8s.

HAUNTED

But, as in the 100 metres on Saturday night, she was haunted by the shadow of Queenslander Suzanne Anderson. Miss Anderson, who already has emerged as one of the stars of the championships, finished second in 2m 9.7s. Olympian Sharon Booth was several metres behind, third.

Shane and Suzanne turned together at the 50 metres mark in last night's final, and were still together approaching the 100 metres turn. But Miss Gould lost valuable seconds when she swam too far into the turn to be fractionally behind Miss Anderson. The two girls were still locked together at the 150 metres mark, but an earlier 400 metres swim by Miss Anderson took its toll.

C.M. Tuesday 9 January 1973

GIRLS COULD BREAK BARRIER IN SWIM
By Frank O'Callaghan

The minute barrier for 100 metres freestyle, still unbroken in Queensland women's swimming, will be in danger when Suzy Anderson and Leanne Francis clash in the Queensland championships at the Valley Pool. The titles will run from next Saturday to Sunday week.

Suzy, rejected last February by the Olympic team selectors, now is being hailed in Sydney as the new Australian swim sensation. This follows her second placings - to Shane Gould - in the New South Wales 100 and 200 metres freestyle titles, and the defeat of the Olympian Narelle Moras to win the 400 metres junior crown.

Suzy, 15, clocked 60.7sec in last Saturday night's final. But Olympian, Leanne, training quietly at St Bernadette's (Scarborough) Parish pool, is still the third fastest Australian. Her 60.2sec last March has been bettered only by Shane and former world record-holder, Dawn Fraser.

Leanne's coach, Bernie Shapland and Suzy's coach Laurie Lawrence, say their swimmers will not taper for the Queensland championships, but will train through and "peak" only for the Australian titles in Adelaide next month.

But the intense competition the girls will provide over the 100 metres may produce sub-minute performance.

Suzy's improvement has been spectacular. Her performance in the New South Wales championships reflects considerable improvement over her previous best times. She improved her 100 metres by a full second. Her 200 metres time was 2m 9.8s was 3.2sec faster than her previous best, and her 400 metres time of 4m 32s represented an improvement of two seconds.

Leanne has had little competition this summer, and nothing as demanding as the New South Wales championships.

The titles promise to set an unprecedented standard because of the presence of such swimmers as 40 metres Olympic freestyle champion Brad Cooper, other Olympians Helen Gray, Judy Hudson, Neil Martin, Sue Lewis, Miss Francis, and Debbie Palmer, plus outstanding prospects Miss Anderson, Linda Young, Mark Tonelli, Sandra Yost, and Stephen Holland.

C.M. Thursday 11 January 1973

COOPER AND HOLLAND IN CLASH

Age and experience will compete against youth and potential when Olympian Brad Cooper, 18, meets Stephen Holland, 14, at the State titles next week. They will meet at the Valley Pool on Sunday week in the 800 metres freestyle. Both are coached by Harry Gallagher.

Gallagher said last night that he could not split them. "Holland comes out fast, but Cooper, always cagey, sticks behind and cuts back the lead but comes good at the end."

Cooper holds the 800 metres world freestyle record at 8:23.4, while Holland last year recorded 8:39.8.

Cooper aims to equal or better any time recorded in Australia in the events he has entered.

THREE RECORDS

Gallagher predicted that Cooper would equal or better three Australian times.

In the 200 metres backstroke Cooper should swim 2:09.0. The Australian record is held by D.Williams of New South Wales at 2:11.3.

In the 400 metres freestyle Cooper hopes to go almost three seconds faster than Stephen Badger's Sunday night record swim of 4:09.7 in the junior men's 400 metres.

C.M. Monday 15 January 1973

COOPER SLICED OWN RECORD

By Gary Keep

Olympic freestyle gold medallist Brad Cooper lowered his own British Commonwealth 200 metres backstroke record at the Valley Pool yesterday. Cooper, displaying a glimpse of form which established him last year as Australia's best male swimmer, won in 2m 9.6s.

The time is one second faster than the former record set at the National titles in Brisbane last February.

Cooper's personal best time for this event is 2m 6.6s established at the Munich Olympic Games in the final. A world record was swum on that occasion when East German Roland Matthes raced away from the field in 2m 2.82s.

HAIR LUCKY

Cooper, 18, of St Bernadette's downed fellow Olympian Neil Martin by 5.5sec, with Mark Toneil (Western Districts) third, another 5.9sec away.

"I'm very pleased with that time at this stage of my preparation," the new-look Cooper said. He added jokingly, "I wonder if my haircut made the difference?"

Last week Cooper had shorn off his long hair which swim critics said cost him outright first place in the 400 metres freestyle at Munich, when he was beaten by one hundredth of a second. He was subsequently awarded the gold medal when race winner Rick Demont was disqualified for taking a drug.

Cooper also boasts one world record (800 metres freestyle) and four Commonwealth (400, 800, 1500 freestyle, and 200 backstroke records).

TWO AIMS

Cooper last night also swam in the 400 metres freestyle and inevitably won. His time, 4m 4.8s was 3.1sec outside his Queensland and British Commonwealth record.

From her on he will concentrate on the 200 metres backstroke and 400 metres freestyle for the Australian championships at Adelaide beginning February 9.

Coach Harry Gallagher said, "By then Brad will have improved out of sight. I expect him to be clocking about 2m 6s flat for his backstroke. What he has swum today has been done entirely on basic training. Brad will gradually be eased out of long-distance swimming to concentrate on these two main races," Gallagher said.

BEAT OLYMPIAN

Cooper's next appearance in the State titles will be on Thursday when he will contest the 200 metres freestyle.

Two other outstanding times were recorded yesterday on the second day of the State titles by -backstroker Linda Young, and rising freestyle star Stephen Holland.

Miss Young, an unlucky omission from Munich, downed Olympian Sue Lewis in the Open women's 200 metres event. Her time, 2m 23.4s, clipped 1.6sec off the State record held by South Australian Debbie Palmer. It was only 0.5sec outside the Australian record held by Debbie Cain.

Holland, 14, of Carina, set an Australian junior record for 400 metres freestyle when he clocked 4m 11.3s. He won in effortless fashion by more than 11 seconds.

(Results given)

C.M. Tuesday 16 January 1973

"BLACK" FOR HIS RECORD

By Frank O'Callaghan

Sunday night's blackout may have denied outstanding swim prospect Mark Tonelli an Australian backstroke record

The blackout terminated much of Sunday night's State championship schedule at the Valley Pool, forcing a rearranged programme for seven events, among them the 15 Years 100 metres backstroke.

Tonelli, the strongest of favourites, the defending champion, and the State record-holder, was being set for the national record set last week at 62.9sec by Sydney's Robert Williams. Tonelli has clocked 63.6sec, but because of the

new programme he must now tackle the new record on Thursday after two demanding swims - a 200 metres backstroke final, and a 200 metres butterfly final.

PROTESTED

His coach John Rigby protested and requested that the 100 metres event be held last night. His request to the Q.A.S.A Executive was turned down.

"Mark was mentally tuned for this race tonight," Rigby said. "I feel it could have been added to the programme. However, I know someone has to be upset when these things happen. I merely want to do the best for my swimmers."

Tonelli will get another chance at the record when he contests the Open final on Saturday night, and this was a factor which governed the official decision

Another Rigby swimmer, Sandra Yost, and Townsville's Helen Gray, also have been adversely affected by the loaded programme. They are committed to a heat and final of 200 metres butterfly in the morning, and a 200 metres butterfly final that night.

SEVENTH MEDAL

Tonelli last night pocketed his seventh medal of the titles, when he claimed the 400 metres freestyle in his age group in 4m 17.5s.

Other outstanding performers were St Bernadette's William Clarkson and Mackay's Ted Lloyd.

Clarkson, 11, gave a year to his rivals and won the 400 metres freestyle in 4m 40.7s, which is 1.8sec inside the record Stephen Holland set as a 12-year-old. Holland now is being hailed as a 1974 Commonwealth Games hope.

Lloyd, 15, won his 100 metres freestyle heat in 57.6sec which was 0.4sec inside the current record.

Age records are not being recognised until after the championships because of a new system of age grouping.

(Results given for finalists and finals.)

C.M. Wednesday 17 January 1973

SUZY'S DEFEAT SURPRISE OF SWIM TITLES

By Gary Keep

Suzy Anderson, Queensland's outstanding freestyle sprinter who almost defeated superstar Shane Gould 10 days ago over 200 metres, failed last night to win the State's women's title for the same distance. Miss Anderson, 15, of Townsville, found Munich Olympians Leanne Francis and Helen Gray too strong for her, and finished third, three seconds behind them.

Beaten but not disgraced, Miss Anderson's defeat was the biggest surprise of the titles at the Valley Pool since they began last Saturday. Miss Francis, of St Bernadette's, won in her personal best time of 2m 9.5s. Miss Gray, of Townsville, clocked 2m 9.9s in finishing second - 1.1sec outside her best.

Miss Anderson's time was 2m 12.8s. Only ten days ago at the New South Wales titles, she clocked 3.1sec faster in finishing second to Miss Gould. To be defeated by the distinguished pair of Miss Francis and Miss Gray was no shame for Suzy.

Miss Francis, as well as Olympic representative, is Australia's third fastest sprinter behind Shane Gould and Dawn Fraser. Last night she showed her customary early dash to lead Miss Anderson into the first turn. At 100 metres Helen Gray moved into second place and Suzy dropped back into third. Over the final 50 metres Miss Francis never looked like losing.

Four events after her freestyle swim Miss Anderson defeated her own age group in the 100 metres butterfly.

SOLE RECORD

Sole record-breaker of the night was 16-year-old Sandra Yost of Chermside. Miss Yost, an outstanding prospect for the Australian team later this year, won the 15 and 16 Years individual medley (200m) in record Queensland time of 2m 29.3s. She smashed 0.2sec off the State time set by Victorian Olympian Debbie Cain at the national titles last February. Miss Yost's previous best medley time was 2m 31.6s.

When runner-up Linda Young drew level with Miss Yost just after the 100metres mark, Miss Yost streaked away to an unbeatable lead.

(Results given)

C.M. Friday 19 January 1973

MARTIN'S RECORD IN BUTTERFLY

By Frank O'Callaghan

Brisbane Olympian Neil Martin last night swam the fastest 200 metres of butterfly in the country this summer to set a Queensland resident record at the State Championships at the Valley Pool. Martin's 2m 12s lopped 4.2sec off Olympian Greg Brough's record, and made him an early favourite for the national title in Adelaide next month.

It was Martin's second resident record of the championships - he lowered the 200 metres medley mark last Saturday - and it brought him his fifth medal of the series. It all has been done on a mere week's training.

In the previous event his Leander clubmate and State 200 metres backstroke champion, Linda Young, also posted a resident record by ploughing over 400 metres of individual medley in 5m 20.2s. This improved by two seconds the standard set only last Saturday night by Suzy Anderson.

Last night's events again amply demonstrated the unparalleled standard of State swimming.

Age performers like Brisbane's Michael Bohl, Steven Miller, and Mark Tonelli, and Townsville's Peter Cussen, Barry Kubig, and Jayne Jocheim, turned in amazing times.

The wispy 16-year-old Tonelli missed the national backstroke record of 62.9sec by 1/5sec, and with nobody to drag the last ounce out of him. Tony Dunne, his nearest rival, was 5.4sec away. It was Tonelli's second championship of the night, and his fifth of the series.

Olympic freestyle sprinter Leanne Francis again demonstrated her 200 metres ability by winning the event for the second time in two nights, and in the same time of 2m 9.5s. Last night she claimed the title for 15 and 16-year-olds. On Thursday it was the Open crown.

Helen ray was again second, but Tuesday's third place-getter Suzy Anderson, was beaten into third place by Coral O'Connell and Sandra Yost. Suzy may need an easing of her heavy training programme if she is to threaten Leanne over 100 metres on Saturday night.

(Results given)

C.M. Saturday 20 January 1973

RILEY GOT SECOND AUST. RECORD

By Frank O'Callaghan

Clinton Riley, 16-year-old Scarborough schoolboy, last night at the Valley Pool claimed his second Australian junior breaststroke record. His 1m 11.3s to win the State Open 10 metres title equalled the national junior record of 1964 200metres Olympic champion, Ian O'Brien, and clipped 1/10sec off 1960 Olympian Bill Burton's Queensland resident record.

On Tuesday night Riley reduced the national junior 200 metres mark to 2m 34.4s. Last Riley went down the first 50 metres in 33.8sec, easily his fastest.

On the way home he slapped water, shortened his stroke and clearly missed his chance of taking the record. His coach Arthur Cusack would not accept it as bad luck. "It was bad swimming," said Cusack.

Scarcely an hour later Cusack was applauding Riley's 200 metres freestyle heat. "Not bad for a breaststroker," he chortled. "That was well inside his previous best

HAULED

Olympic 400 metres freestyle champion Brad Cooper hauled fellow Olympian Neil Martin, Jon Van Opdenbosch, and mark Tonelli through the fastest 200 metres ever recorded in a State title. Cooper's 1m 58.7s, though not his best, beat Van Opdenbosch resident record by 1.8sec. He spurred Martin to a 2m 0.1s, his best time.

Tonelli, the 15-year-old all-rounder finished in 2m 3.5s, a further improvement for him. Tonight Tonelli and Cooper will go after the national 100 metres senior and junior backstroke records together.

Sandra Yost, another amazing all-rounder, evened the score with Olympian Helen Gray by downing Helen in the Open 400 metres freestyle. But Sandra's 4m 32.6s failed to match the 4m 31.9s State resident record Helen needed to nose out Sandra in their age title swim on Sunday night.

Yesterday Helen made a shock switch of coaches, moving from Laurie Lawrence who steered her to the 1970 Commonwealth Games and 1972 Olympic teams, to Harry Gallagher.

Stephen Holland, the stringy 14-year-old Churchie schoolboy, turned in another incredible time, streaking over 200 metres of freestyle in 2m 1.5s, easily the best for his age in Australia. While official recognition of State age records is being withheld until after the championships, the listed record is Denis Oswin's 2m 7.5s.

Tonight offers, apart from the 100 metres backstroke clash, of Cooper and Tonelli, a 100 metres women's freestyle in which the minute barrier should be decidedly shaky. It is only a matter of time before Suzy Anderson and Leanne Francis break through. With both in heavy training, this may not be the time. Yet the competition between them could create local history.

(Results given)

C.M. Monday 22 January 1973

TWO DIVERS IN 21 FOR SWIMS

By Frank O'Callaghan

The Queensland swim selectors last night named 21, including two divers, for the national championships in Adelaide next month. From the championships will come teams for an invitation meet in London in April, and the world titles in Belgrade in August.

Thirteen of the side will have fare and accommodation paid, and the remaining eight will have to find accommodation expenses.

The divers are national champion Gaye Morley and Jane Stewart.

The swimming team is -

Men - B.Cooper, N.Martin, C.Riley, J.Dixon, J Van Opdenbosch, S.Holland, M.Tonelli, D.Wilson.

Women - S.Lewis, L.Young, S.Yost, J.Hudson, H.Gray, R.Milgate, L.Francis, S.Anderson, C.O'Connell, D Lee Long, A.Smith.

COOPER AGAIN

Olympic 400 metres champion Brad Cooper wound up his State championship programme at the Valley Pool yesterday by setting yet another State resident record. Cooper clocked 8m 31.5s to knock 4.6sec off the previous record of Mark Tavasci.

He won by the merest of margins from 14-year-old Stephen Holland whose 8m 31.6s is certain to be recognised as a State junior record.

Cooper said later that he considers Holland a potential world champion distance swimmer, particularly over 1,500 metres. It was Cooper's fifth individual title of the series.

Talented all-rounder Sandra Yost, 16, took a silver medal in the age 200 metres backstroke title to take her medal haul for the championships to 13 - 10 of them gold. (Results given)

C.M. Saturday 27 January 1973

FLYING HIGH, CANADIAN STYLE

This is the caption over picture of two Canadian divers, Cindy Shatto, 15, of Toronto, and Janet Nutter, 15, of Winnipeg.

The girls are members of a five-strong Canadian diving team which will oppose Queensland at the Centenary Pool from 9m today. The Canadians are on a national tour which will culminate at the national championships in Adelaide next month.

Such is the standard of the Canadian diving, that the 1970 Commonwealth Games representative, Beverley Boyce, could not find a place in the touring team.

The Canadian team is Miss Shatto, Miss Nutter, Pat Hoskins-McGregor, Linda Cuthbert, and Tammy McLeod, plus Olympic coach Don Webb.

Mrs McGregor is the national three-metre and highboard champion.

The Canadians will face a team stiffened by the inclusion of New Zealand national men's champion, Mark Gazley, who is in Brisbane training for the national championships.

Other members of the Australian team are Gaye Morley, the Australian three-metre board champion, Jane Stuart, the State junior champion, Denise Baker, and Anne Harlin

Gaye, formerly of New Zealand, is the national three-metre board champion who last week-end won the New South Wales title from Madeline Barnett. She is the only Queensland girl who will be diving off the tower today.

IN 18 MONTHS, SANDRA BECOMES A WORLD BIDDER

By Frank O'Callaghan

Sandra Yost, an unknown this time last year, now is a front rank contender for the world championships in Belgrade next August.

Sandra, 16, of Chermiside, has two singular characteristics. She comes from Tasmania, a State not given to producing swim champions, and she has been swimming with competitive seriousness for only 18 months.

Yet at the recent Queensland championships, she won ten titles in freestyle, medley, and butterfly, set Queensland record in the 200 metres medley, 200 and 1500 metres freestyle, and an Australian junior record for 200 metres butterfly.

Next week at the national titles in Adelaide she will be bidding for the Australian team for the world championships, and for a much more elect side for the international meet at London's Crystal Palace. The London team may be as small as 10 or 12. The team for Belgrade, based on 1972 Olympic selection, should be in the high twenties.

BEST HOPE

Sandra's best selection prospects are as a butterfly. It seems disheartening that between her and the national 100 metres butterfly title is the incredible Shane Gould. But two events before the 'fly is the 800 metres freestyle, and it is possible that not even Miss Gould can come from the water after a killing 800 metres, and almost immediately swim a hot 100 metres of butterfly.

Sandra almost certainly will come home with the national 200 metres butterfly title, but the 100 metres event is the one to win, or at least touch second to Shane.

Australia has the basis for a medal-winning medley relay team at Crystal Palace and Belgrade with Shane (freestyle), Olympic champion Beverley Whitfield (breaststroke), world class backstrokers Sue Lewis or Linda Young, and a butterflyer.

HIGH LEVEL

Why shouldn't she be Miss Yost, is what Sandra and her coach John Rigby want to know?

Sandra is not the only Queenslander with London or Belgrade aspirations. Queensland swimming standard is at an unprecedented level. Backstrokers Miss Young and Miss Lewis, breaststroker and medley swimmer Miss Hudson, and freestylers Suzy Anderson and Leanne Francis, and possibly Helen Gray, will give the star-studded New South Wales team a fright.

And the Queensland men, Brad Cooper, Stephen Holland, Neil Martin, Clinton Riley, and Mark Tonelli, in the team sense, appear in a class of their own.

It is not inconceivable that Misses Yost, Young, and Lewis, Hudson, Anderson, and Francis, will join Holland Cooper, Martin, and just possibly Tonelli and Riley on the team for Belgrade.

There could well be another Queenslander on their plane - pert, former New Zealand diver, Gaye Morley.

MISSED OUT

Gaye is the national three-metre board champion, and can perform dives no other Australian woman has so much as tried. She should have been in the 1972 Olympic team. The girl who beat her into the team, Anne Jones, now has retired, and it will be between Gaye and Madeline Barnett for the world championships. Gaye recently beat Madeline in the New South Wales springboard title, and went down to her in the tower diving.

A good performance off the tower in Adelaide is what Gaye needs more than anything.

BRAD COOPER TO QUIT QUEENSLAND

By Frank O'Callaghan

Olympic 400 metres freestyle swim champion Brad Cooper will not return to Queensland after the national championships in Adelaide at the week-end. Cooper leaves for Adelaide this morning bent on winning the 200, 400, and 800 metres freestyle, and 100 and 200 metres backstroke titles.

He has delayed his entry to an American University for twelve months, and will continue his schooling in Sydney. His new Sydney coach will be Tony Fraser, coach of the outstanding Sydney junior Stephen Badger, one of Cooper's chief rivals for the 200 metres freestyle championship.

DISORGANISE

Cooper, 18, has rejected the idea of qualifying academically for an American University in America.

He had intended leaving for the United States after the championships. He said yesterday, "I have a feeling there would be a lot of disorganisation getting into a High School in the States, so I have decided to do my Leaving Certificate in Sydney. I have done a lot of basic work there. To get the equivalent in Brisbane would mean having to take two strange subjects."

Cooper is not a noted trainer. He has had frequent tiffs with his coaches, which leave the placid Queenslander unaffected. "I am not physically suited to consistent hard work," said Cooper. "Some days I feel quite weak. They say it's

a case of mind over matter, but it's not. If it was, I wouldn't be able to swim world class times."

Talented Queensland junior Mark Tonelli, also threw a scare into coach John Rigby yesterday, was rushed to a doctor and given an injection for tonsillitis.

Tonelli, who is bidding for a place in the team for the world championships in Belgrade, woke yesterday with classic tonsillitis symptoms. With the titles starting on Friday morning, antibiotics were out of the question. Tonelli took a needle and last night there were no further symptoms.

"I think we have nipped it in the bud'" Rigby said.

Tonelli, though only 15, has every chance of getting to the world titles. He has the second fastest backstroke and the second fastest butterfly times in Australia this summer. If second-string swimmers are chosen and this is likely, at least in backstroke, Tonelli should merely have to touch behind Cooper to win the trip.

Much depends on the Australian Swimming Union's attitude to swimmers in American Universities. The present ruling is that contenders for the world championship must contest the national titles. This may be changed at the A.S.U. meeting tomorrow.

Queensland will send its strongest team yet to the nationals, with the chance of winning the Interstate Trophies - the Kieran Shield for men, and the Corbett Shield for women.

Strong gold medal prospects other than Cooper are - Sue Lewis (100 metres backstroke), Linda Young (100 and 200 metres backstroke), Sandra Yost (200 metres butterfly), Stephen Holland (1500 metres freestyle), Mark Tonelli (100 metres butterfly), Joe Dixon (100 metres butterfly), Clinton Riley (100 and 200 metres breaststroke), and the men's and the women's medley relay teams.

C.M. Saturday 10 February 1973

WENDEN OUT OF A PLACE

Adelaide - Mike Wenden, former Olympic champion and world record-holder, was beaten out of a place in the Australian 200 metres freestyle championship last night. Leader for three of the four laps, Wenden, 23, was passed on the last lap by fellow Olympian Brad Cooper, 18, John Kulasulu, 16 (WA), and Robert Nay, 18, (NSW). Wenden finished fourth, a touch ahead of Victorian champion, Graham White.

Cooper's swimming time was 1m 57.9s.

Two races later, Cooper was the winner of another gold medal. He won the 100 metres backstroke in the fast time of 1m 0.5s. If he had not fouled the ropes so badly in the last few metres, Cooper would certainly have broken the Australian record as he was only 2/10 outside it.

(Results given. Noted also S.Yost won the 200metres butterfly, L.Young won the 200 metres backstroke, with S.Lewis second, Helen Gray second in 400 metres freestyle)

C.M. Tuesday 13 February 1973

QUEENSLAND NINE FOR WORLD SWIMMING TITLES TWO MORE THAN AT MUNICH OLYMPICS AND ONE IN WATER POLO TEAM

By Frank O'Callaghan

Queensland has won a record 9 places in the 22-strong Australian swim squad to train for the world championships in Belgrade, Yugoslavia, in September. A tenth Queenslander, Tony West, has been named in the water polo team. This too is historic. No Queenslander has previously made an Australian water polo side.

The Queensland swimmers are - Brad Cooper, 18 (freestyle and backstroke), Neil Martin, 17 (back-stroke and medley), Stephen Holland, 14 (freestyle), Judy Hudson, 14 (breaststroke), Leanne Francis, 16 (freestyle), Linda Young, 15 (backstroke), Sue Lewis, 18, (backstroke), Suzy Anderson, 16 (freestyle), and Sandra Yost, 16 (butterfly).

Queensland had seven swimmers at the Munich Olympics, excluding Cooper, who at the time of selection was a temporary Sydney resident. Cooper, who collected five individual gold medals at the national titles in Adelaide last week, has gone back to Sydney and to school at Waverley Christian Brothers College.

KING'S THREE

Coach with the greatest number of swimmers in the team is Queensland's Joe King. He has three - Neil Martin, Judy Hudson, and Linda Young.

Miss Lewis, who lost her 100 metres backstroke title to Miss Young, will captain the women's team. Men's captain is Michael Wenden.

Miss Young, Stephen Holland, Miss Yost, and Miss Anderson, have not previously been chosen in Australian teams. Miss Anderson, it will be remembered, was a surprise omission from last year's Olympic team.

A team of five, which will include Cooper, has been named for the international meet in London on April 21. The team is - Cooper, Shane Gould, Beverley Whitfield, Stephen Badger, and Gail Neal.

The Australian Swimming Union has decided that swimmers can be dropped from the squad, and on August 4 they will in fact be fighting for their places against selected opposition.

Swimmers outside the squad will be required to qualify for the trials on performances. Among those should be Olympians Graham Windeatt, Neil Rogers, Paul Jarvie and Jim Findlay, who are studying at American Universities.

A move to have these swimmers chosen on times submitted from America was rejected, but they must leave the States before August 17 to have any chances of making the side.

(Photos of the nine squad members)

C.M. Tuesday 17 February 1973

MEDAL WIN A MISTAKE

Sandra Yost, Queensland butterfly swimmer had a bronze medal taken from her at the national championships in Adelaide on Sunday. It was all a mistake. Sandra was called third in the 100 metres event in error.

She was placed third by the chief judge, but not by any of the others. In fact, when it was thought she was third her time was changed from 66.6sec to 66.4sec, the same time as Debbie Cain.

Sandra went to bed happy, but by next morning the Victorian had protested. Miss Cain was placed third and a distraught Sandra was forced to hand back her medal.

IN SQUAD

Compensation came when Sandra was named in the Australian squad to train for the world championships in Belgrade in September. Sandra clinched her selection on the first night of the titles by winning the 200 metres butterfly title.

The Queenslanders, in conditions totally foreign to them, went to within a point of winning the Kieran Shield for the champion men's swimming State.

They competed in water 15 degrees colder than they had been accustomed to, and this affected their performance.

Queensland was beaten for the Shield by New South Wales when Mike Wenden cleared off in the last leg of the 200 metres freestyle relay. Queensland last won the Shield in 1929.

INFORMATION ABOUT VARIOUS PERSONS
INVOLVED IN SWIMMING FROM 1898 TO 1921.

R.H.Roe - Headmaster Brisbane Grammar School, founding President QASA 1898 - 1901 . Vice President 1901. Life Member 1907.

Dr A.B.Brockway - Chairman QASA 1898 - 1900. President 1901 - 1907. Life Member 1907.

Hon E.J.Stevens M.L.C. - Vice President QAS All1898-1908. Patron 1908-1922. Patron also of a number of individual Clubs or a Vice President. Patron of Royal Life Saving Society, and its President in 1914. Member of Advisory Board QLASA following its inception. Generous donor of trophies, in particular those named "Courier" trophies.

D.S.Carter - A founding member of QASA, elected Chairman 1905 and continued as Chairman even after his election as President in 1913 which office he held for most of the next 50 years. Nominated Vice President of many Clubs and was a member of the Advisory Board of the QLASA. Attended most carnivals (men's and ladies), often as Referee, and was Referee for Australian Championships held in Brisbane. An Australian Selector in1920 and President of the Queensland Olympic Council that year, Life Member 1916.

Mr W.Kuder - QASA Secretary 1909-1927. Swimmer at Australian Titles 1909. Teams Manager for Queensland, interstate and on northern tours. QLASA Advisory Board member and QLASA Auditor. A Queensland Selector and carnival official. Life Member 1916.

Mr E.Wetzel - QASA Secretary 1903-1909 having been on City Club Committee prior to this. 1900 attended Commonwealth Celebrations in Sydney. 1901 QASA Handicapper, Check Starter at carnivals. 1902 Trainer, Manager Qld team to New Zealand, Water Polo Referee. 1903 Elected Committee QASA. Manager Queensland Teams 1903/1904/1909. 1904 QASA Selector. Starter 1905 (Australian Champion- ships), 1907-1913. 1914 Manager of newly renovated Spring Hill Baths.

J.Hiron - Founding member Toowong Club 1903 and its President from 1905. 1912 Diving Judge for Aust Ladies Championships. Mayor Toowong 1913. Vice President QASA 1914-1923. 1914 Rules Committee member. 1917 Alderman. 1916 and later regular carnival official as Judge, Diving Judge, Referee. Life Member 1930.

Mr F.Springfield (Stu-) - 1913-23 Vice President QASA. 1909 Timekeeper and QASA Standard Timekeeper 1916-1920. President Valley Club 1912-1919

Mrs F.Springfield - Vice President QLASA 1915-1920.

F.W.Springfeld - 1904 Second in Qld 440 and 880 yards Championships. Youngest swimmer and first Junior to represent the State in Sydney where he won the 100 yards Handicap and was second to B.B.Kieran in 1 Mile. 1905 Junior Captain Valley Club, Qld team to Mt Morgan and to Australasian Titles where he was second to B.B.Kieran in 440 and 880 yards and won the 1 mile. 1906 Senior Captain Valley Club, won the Samson Cup in New South Wales in 880 yards, winner State Championships. 1907 Qld team to New Zealand for Australasian Titles winning 440, 880, 1 mile, and thereby securing the Kieran Memorial Shield presented for the first time for State Premiership. 2/3/1907 Brisbane Courier interview. Played water polo for Valley.1908 at Aust Championships in Perth and went on to Olympic Games. Successful visit to Hamburg (Germany) whining 100, 200 and 660 metres then toured with F.Beaurepaire in Britain with success. (Report Brisbane Courier 28/1/09). Queensland teams 1911 Sydney, 1912 Adelaide and Perth (places only), to

Olympic Games with Beaurepaire) in 1912. March 1912 second to brother Sid in Qld 440 Championship (won the mile), 1913 Australian record in 3 mile Bremer River handicap swim - several times gained Fastest Time award but not across the line first. 1915 Assistant Hon Sec Valley Club and Treasurer_ Won Qld 220 yards Breaststroke Championship. Clerk of Course for Australian Ladies Championships. 1916 Judge of Diving for Valley Ladies, won 1340 yards but second to J.Saunders in 880 Championship. 1917 won Qld 100, 220, 440 but second to Saunders in 1 mile. Press Steward for Aust Ladies Titles. Member Advisory Board QLASA. 1918 won 220, 440, 880, 1340 and 1 mile, Qld team to Central Qld. 1919 won 880, 1340, Qld touring team, Assistant Sec QASA, Valley Committee. 1920 second to Sid 22, third 440 breaststroke. 1921 second (to Sid) 440 Qld and third in 1 mile (Sid won), fastest time in 3 mile swim.

Mabel Springfield - 1908 successful attempt on State 440 Junior record. Selected for State. Won 50 yards Junior State Championship and 100 yards invitation scratch race in Australian Championships in Brisbane, defeating Miss Fanny Durack. Captain Valley ladies. 1909 second in State 100, fourth in Aust 100. 1910 Qld team to Melbourne, third in 220, won 80 yards handicap, 50 yards nomination event and Novelty event. 1911 Qld team for Aust in Brisbane, won Novelty event. Treasurer Valley ladies. 1913 third Aust 220 and Senior dive. "World record for 1 mile in Booroodabin Baths. Won State 60 yards Championship and 3 mile Bremer Rivet swim. 1914 Qld 60 yards Champion, won Novelty event Aust Titles. Won 3 mile swim, and 220 championship Qld. 1915 Member Ladies team to tour in Qld, Treasurer Valley Ladies. Third Aust 220 yards. 1917 Won Qld 220, Captain Valley Ladies Flying Squadron team which won. 1918 Treasurer QLASA, in composite Qld team. 1919 Treasurer QLASA, won Qld 50 yards and Senior Dive. 1921, 1922, member Qld team, at home second to Elsie Venning in 50, 100, 220 yards. 1922 Treasurer QLASA.

Elsie Venning - 1914 at 14 years won 3 mile Bremer River swim. 1916 third in Aust Championships 100 yards. 1916 Member team to Central QM. 30 yards Qld Junior Champ. 1917 third in Aust 100 and 220 yards. 1918 Qld record for 100 yards (1.16 4/5), second Aust 100 and 100 breaststroke. Won Qld 100, 220 and 100 Breaststroke. 1919 Secretary Valley ladies. 1920 third Aust 100 and 220 yards, first in 100 and 220 breaststroke (first gold to Qld Ladies in Aust championships). 1920-21 won all Qld Championships. Invited to swim in New Zealand in April 1923.

SWIMMING IN QUEENSLAND

Acknowledgement is made of the help given by the staff of the Oxley Library in unearthing what documents they have in relation to the early days of Club swimming in Queensland, and the permission given to photocopy this for our records.

Similarly, the staff of the State Library assisted in looking up items on film, mostly from newspapers of the time, which was then tape recorded and subsequently typed.

Victorian Sportsman

QUEENSLAND SWIMMING
IN THE BEGINNING

The first Swimming Club to be formed in Brisbane was in 1885, and was called "The Old Brisbane Amateurs". The Club colours were to be red and white, and its headquarters to be the Metropolitan (floating) Baths at the bottom of Edward Street. This was only one of the floating baths which were used for many years, and periodically were swept away in floods, though some were recovered intact having eventually grounded in Doughboy Creek.

Early in February 1898 at a meeting of the City Club the idea was mooted to call a meeting with the other Principal" clubs to consider the formation of a Swimming Association; and this was called for the 23rd of February, when representatives of the City Club, Valley Club, St Mary's Gordon of Brisbane, and the Toowoomba Gordon decided to form the Queensland Amateur Swimming Association.

Apparently this group continued to meet working out rules and organisation, as it was not until 2nd November, 1898 that a public meeting was held and election of Office Bearers for the new Association formally made.

These were:-

Patron; His Excellency, the Governor.

President; Mr R.H .Roe (At that time Headmaster of the Brisbane Grammar School).

Vice Presidents; Messrs F.J Stevens, C Finney, Macdonald -Paterson, MMLA, Drs E.Jackson and A. Brockway , Messrs T Welsby, E.R Gross, T.Frankel, A.E. Stacey and the Mayors of North and South Brisbane.

Secretary; Mr A E.Morris.

Treasurer; Mr G Butterfield.

Chairman of Council (elected at a later meeting(; Dr A.B.Brockway.

The first Meet conducted by the Association was the Grand Inaugural Swimming Carnival which was held at the Booroodabin Baths (situated beside the site of the present Valley Pool) on 20th December 1898. This programme was comprised of handicap events, as were then commonly swum, with diving and novelty events such as the "Cigar and Candle Race". The first Championship event, the 100 yards Championship of Queensland, was held a year later.

References: -

"The Brisbane River - Source of Recreation 1890-1900 by Patricia Joynes.

"The Brisbane River Story" by Helen Gregory.

The Oxley Library

Files of the "Brisbane Courier" and the "Evening Observer" held in the State Library of Queensland.

A short history written by Ted Wetzel for inclusion in the programme for the "First Annual Aquatic Gala" of the Commercial) Amateur Swimming Club on 17th February, 1914.

EARLY DAYS
(From a Report of 1914 - E Wetzel.)

The first meeting ever held in Queensland to form a Swimming Club was held on the site now occupied by John Hunter's Boot Shop, Queen Street, in a small Wine Shop presided over by Mr J.Dent, in February 1885.

On this historical occasion the following gentlemen were present: Messrs E.Beattie and Leo Regally (both of the Telegraph newspaper), Mr Watty Smith and several others whose names the writer cannot at present recall. Resolutions were eventually passed, and it was decided to form the First Swimming Club and the name to be "The Old Brisbane Amateurs", the colours of the Club to be Red and White, and the headquarters the Metropolitan Baths, Edward Street. (These were baths floating in the Brisbane River, and were swept away by a flood in 1893 but were restored the following year, only to be swept away again in 1.928.)

A Carnival was conducted shortly afterwards and proved a distinct success, hundreds of people being turned away. Several other Carnivals followed with equal success.

Mr Watty Smith was in these days the greatest worker for swimming, in addition to being an expert swimmer, with hardly an equal in Queensland.

In 1886 the Toowong people next formed a Club, their' headquarters being the Spring Hill Baths (Now managed by the writer - E.Wetzel). Several very successful Carnivals were held, Mayor Hipwood greatly assisting the Club, which was the most successful sporting body for years afterwards, the Isles Brothers, Tom Bond and Watty Smith being the principal prize winners.

A few years afterwards Baths were built in Stanley Street, South Brisbane (opposite premises now occupied by the South Brisbane Gas Company and where a number of shops now stand), and were known as "The Old Imperial Baths". The Alliance Company was the tenants but somehow they did not flourish under their management. Mr Watty Smith then took over the Baths, and for years afterwards they were in good demand, and became exceedingly popular.

Several Carnivals took place, at which L.G.Dixon and W.McFarlane won Championships, and Mr F.W.DeLittle performed exceptionally well, in addition to Messrs Fred C.Hickling, Harry Puzie, and Jimmy Burgess the celebrated diver.

A Ladies Race was first introduced into Queensland at one of these Carnivals (twelve competitors took part and it proved a great success).

Later in September 1897 the Valley Club was formed, then the City Club in December of the same year, and in 1898 the St Mary's Gordon Club, Brisbane. A Toowoomba Gordon Club had been formed in October 1896. These Clubs eventually formed the Queensland Amateur Swimming Association in February 1898.

THE KIERAN SHIELD

Queensland has again won the oldest trophy for supremacy in Inter-state swimming, the Kieran Shield, now awarded to the State whose male swimmers gain the most points at the Australian Open Championships.

B.B. ("Barney") Kieran hailed from New South Wales and came into prominence in March 1904 in the Australasian Championships (they then included New Zealand) when as practically an unknown he beat the Australian Champion and a world record holder, Dick Cavill, in the Half Mile event, and in doing so established a new world record of 11 minutes 29 ⁴/₅ seconds. Kieran also won the Mile at that meeting (Cavill did not contest that race), but Cavill was able to turn the tables on him in the 220 yards and the 440 yards Championships, but only after a "keen struggle".

In 1904-05 season, Kieran won ten Championships and lowered all the world records from 200 yards to one mile, except the 220 yards which he equalled.

He competed successfully in England in 1905, but on return to Sydney he did not contest the "test races" for selection in the New South Wales team, so he came to the Australasian Championships in Brisbane in December as a

representative of his Club, the North Sydney.

He won the 440 yards, and the 200 yards Breaststroke on the first day of the Meet held in the South Brisbane Dry Dock, and four days later won the 220 yards in the Booroodabin Baths in world record time of 2 minutes 28 2/5 seconds.

That evening he became ill with appendicitis, and just when all appeared to be going well post operatively, he took a sudden turn for the worse and died nine days later.

There was an immediate move in Brisbane towards establishing a Memorial for a man who had been described as "Quiet and unassuming in manner and very popular". A similar fund was set up in Sydney and the two combined, and it was decided to create a Shield "To be competed for annually by the accredited representatives of the various States at the Australasian Championship Carnival., the State winning most Championships to be the holder for twelve months. In the event of an equal number of wins, then seconds, and if necessary, thirds, to be taken into account".

Although a single Championship was held for Ladies, the initial Inter-State competitions were for males.

The first competition for the Shield was at the ensuing Championships held in Christchurch, New Zealand, and Queensland and was the winner, mainly through the swimming of Frank Springfield who won the 440 yards, 880 yards and the Mile.

EARLY DAYS - "VOLUPTUS, SALAS, VIRTUS"

From its firm Establishment as an Association in November 1898, the progress or the Association was being actively promoted by its members , with the prime objectives of increasing membership through the formation of new Clubs, of trying to persuade Local Councils, (particularly South Brisbane Municipal Council) to build new baths (the Booroodabin Baths beside the site of the present Valley Pool, the Spring Hill Baths, and the Metropolitan Baths floating in the river at the end of Edward Street. being the only ones available), and to urge the Education Department to introduce swimming classes as part of the regular curriculum to replace some dry land drills during the summer.

The New South Wales Association had sent a letter of congratulations on the formation of an Association in Queensland, Maryborough State School wrote to tell of its Club of over 150 members, Sandgate Gordon Club formed a Swimming Club and affiliated, and an approach to the Amateur Athletic Association paid off with the North Brisbane Harriers (later usually simply called "Norths") forming a Swimming Club at the start of the 1899-90 season.

The first Grand Swimming Carnival held by the Q.A.S.A. was' on the 20th December 1898, and attracted some 500 spectators to the Booroodabin Baths. A Water Polo Match planned was abandoned as the teams did not have distinctive colours and also "due to the fact that the rules of the game were improperly understood." A Life Saving exhibition was also deleted because of the length of the programme. Races were handicaps held over 30, 60, 90, 180, and 240 yards (the pool was 30 yards), a 240 yards relay, a Long Dive, and diving from platform and board. The Officials - appointed by the QASA - were named individually, as became the custom in meet reports, and congratulated for their competence.

February 1899 saw the first "endurance tests" for which Certificates were given. These were run over 1/4, 1/2, and 1 mile. Dr A.B Brockway, then the Chairman of QASA, was a keen advocate or these, remarking at later time "It is no use being able to swim 100 yards in 58 seconds if your boat tips up 3miles from shore. The half mile was won in 18 minutes 37 seconds and the sole mile competitor got home in 39 minutes 13 seconds.

In March, 1899 the Sports Writer of the "Evening Observer" noted that a movement is being set on foot in Sydney by the Amateur Swimming Association there to

endeavour to form a Australian Swimming Association, and also noted that the idea had been floated in QASA Council to approach other sporting bodies to consider the setting up of a Sports Club in Brisbane. Enthusiasm for this Club waxed and waned over the next few years, but at length was established.

As a background to these local events was the debate and referendum for the establishment of a Federation of the Australian Colonies, and the war in South Africa.

In the title of this article is the Motto suggested by the President of the Association, Mr R.H. Roe, Headmaster of the Brisbane Grammar School, for the Association - "Pleasure, Safety and Manhood."

EARLY DAYS

(By Mr E.Wetzel, in 1914)

The Queensland Amateur Swimming Association was formed on 23rd February 1898, the following Clubs constituting the Association - City, Valley, St Mary's Gordon, Toowoomba Gordon. The number of swimmers then amounted to about 400. At the present time there are 24 Clubs in the Association - 12 Metropolitan and 12 Country, and one Centre comprising three Clubs. The estimated number of affiliated swimmers is 1,000.

Mr R.H. Roe was elected first President of the Association, a position he held to the Annual Meeting of 1901 when he resigned and Dr A.B. Brockway was elected to the position, and has been followed by the Hon J.W. Blair M.L.A., and D.S. Carter Esc}, who holds the position at present. Dr Brockway was the first Chairman of the Council, a position he held until 1900 when he resigned and Mr Sep Davis was elected. Mr Davis retired from the position at the Annual Meeting of 1901 and Mr Maurice Baldwin was elected and held the position until 1903, and was followed by Mr D.S. Carter who still holds the position. Mr A.E. Morris was the first Hon Secretary of the Association, and on his retirement in 1900, Mr B. Burton was elected. In 1901 Mr George F. Stack was elected to the position, and retired at the Annual Meeting in 1902 when the writer, Mr F. Wetzel, was elected and held office till 1909 and retired, Mr William Kuder then being elected, and still holds office.

Queensland was first represented in Australasian Championships in Victoria in the season 1900-01, by J. Hogan, Frank Galley being the second representative to the following Championship Meeting, decided in New Zealand in 1902, and in the 220 yards Australasian Championships secured several thirds, and annexed several Handicaps. He was accompanied on this tour by the writer. Since then, Messrs D. Gailey, F.W. Springfield (who won the Kieran Memorial Shield for this State at the Australasian Championships decided in Sydney in 1907 - and competed for the first time) and C. Graham, have represented the State at the various Championship Meetings decided to date. Frank Springfield is the only swimmer who has represented this State at the Olympic Games, and this he did with credit at Shepherd's Bush, London, in 1907.

EARLY DAYS - CHAMPIONSHIP SWIMMING

The first Queensland Championships were contested on Wednesday 13 December 1899, and were the 100 yards and the Plunge, the former being won by Frank Galley "in the fast time of 1 minute 5 3/5 seconds" and the latter by W.H. Lennon with a distance of 47 feet 11 1/2 inches. Sir Samuel Griffith, the State Governor and Patron of the Association, was invited to act as Starter for the 100 yards race. Frank had to survive a protest, from the second placed swimmer on the grounds of a costume breach, but it was subsequently found that all was in order.

There were strict rules regarding costumes as the appearance of morality had to

be upheld even at the Brisbane Grammar Swimming Sports of March 1899 where it was reported, "Though there were a number of ladies present, the competitors did not wear university costumes, except in the Old Boys Race, being clad simply in trunks, many of which were hardly suitable for the occasion." In February 1900 the QASA was criticised because Council decided that it was not mandatory for club trunks to be worn over the university costume at a forthcoming carnival. . The comment - "If carnivals are to be kept within decent bounds, it is absolutely essential that trunks be worn. Many swimmers are not presentable in university costumes only."

The first Championship was conducted by the Association, with handicap and novelty events to round out the programme, but subsequently it became the practice for clubs to apply to hold a State Championship event in a sanctioned club carnival. Thus the 220 yards Championship was to be decided at the Valley Club carnival in January 1900, but with Frank Gailey as the only nominee, the event was called off. W. Hetherington, "the boy champion of the City Club", was the first Association swimmer to have success inter-State when he achieved third place in the 100 yards Championships open to all schools in the federating colonies at the Sydney Commonwealth celebrations Carnival in January 1901.

At this time trials were held to select swimmers to represent Queensland at the Australasian Championships to be held in Victoria. Jack Hogan was the only man selected, and he won the Grand Commonwealth Handicap over 100 yards at that meet, and though he was only placed fourth in the 100 yards Championship event (won by Dick Cavill), on his return to Brisbane he was presented with a Gold Medal to commemorate the fact he was the first official Queensland representative at an Australasian Championship. The 100 yards Championship of Queensland was decided that year at a carnival at the Booroodabin Baths conducted by the City Club in March. Much debate ensued when City invited Dick Cavill (NSW) to compete, as to whether this event should be for Queensland based swimmers only. It was ruled that any Australian registered swimmer was eligible, so Dick swam and won the event in 1 minute 2 1/5 seconds, creating a new Australasian record. Local swimmers Frank Gailey and Jack Hogan filled second and third places respectively.

Not to be outdone, the North Brisbane Club invited F.C.V.Lane, an Australasian Record Holder of Sydney to their carnival in March, when the 220 yards Championship of Queensland was swum and won by Lane in 2 minutes 34 4/5 seconds. Gailey and Hogan were again second and third.

EARLY DAYS - GROWTH OF CLUBS

Club swimming began in Brisbane in 1885 with the formation of the "Old Brisbane Amateurs", and a year later a club was formed in Toowong. The Queensland Association was formed at a meeting of the "principal" clubs, Valley (formed September 1897), City (formed December 1897), St Mary's Gordon (Formed January 1898) and the Toowoomba Gordon (formed 1896) in February 1898.

These were joined by the North Brisbane Harriers, an athletic club which decided to have a summer activity for their members, in October 1899, and in December 1899 a second club was formed in Toowoomba, the Darling Downs Club. In the next two years clubs set up in Balmoral, Sandgate, Toowong, and by the St Mary's Cordons and the YMCA.

While club activities were initially undertaken by adult males, in February 1900 the City Club included a boys race, and later that year the Indooroopilly Juniors S.C. became an affiliate of the QASA. Its members travelled by train to Brunswick Street station, were met by their instructor, and then walked to the Booroodabin Baths for their swim, with a similar journey homeward.

October, 1900 also saw the formation of a Central Queensland Club in Rockhampton, and it was noted that club swimming was active in Charters Towers, and a visitor to the north wondered why there was no club in Townsville as the two towns were active rivals in several other sports.

The Ipswich Railways Club was formed in November 1902 and held its first

carnival in the Bremer River in February 1903. (These were the days before Dinny Mullins and the Warren Pennant - Ed)

The first ladies club was established at the Spring Hill Baths in January 1903, possibly as a result of the incentive given by Miss Cavill in her "dainty blue costume, graceful to a curve, and lending itself to diving as well as to swimming" (there was a picture of her in full flight in the "Evening Observer" of 3 January 1903 at the City Club's carnival at the South Brisbane Dry Dock on 27 December 1902). It was titled "The Brisbane Ladies Swimming Club". The first race for ladies in open carnival was held at the Booroodabin Baths at the North Brisbane Harriers carnival on February 25 in 1903. This was over 30 yards and was won by Miss Irene Freudenberg, one of six competitors.

A second ladies club was formed in December 1903, "The Ladies Commercial Swimming Club", and this also had the Spring Hill Baths for its headquarters.

The "Observer" correspondent reported "The costumes are blue and white and look very pretty".

EARLY PRESIDENTS

REGINALD HEBER ROE 1898 - 1901

Reginald Roe was born in Dorset, England, in 1850, and educated at Christ's Hospital, London, and Balliol College, Oxford, with academic distinction at both.

He was appointed Headmaster of the Brisbane Grammar School in 1876 after gaining a Master of Arts Degree, and this office he held until he was appointed Inspector-General of Schools for the Queensland Department of Education in 1909, the Department considering that no departmental officer matched his qualification and experience. His visit to England to study secondary school inspection in 1900 took him away from the swimming scene for a while.

His philosophy of education was that it should be free and compulsory for all up to primary level, and higher education for the intellectually gifted through a scholarship system. He favoured modern languages and literature, mathematics and science above Latin and Greek, he introduced cadet training and encouraged sports introducing tennis and gymnastics, and reports of the school's annual swimming carnival tell of his taking an active part on the pool deck.

Mr Roe was an advocate for the establishment of a University in Queensland, and when this opened in 1911, he was made the Vice Chancellor.

He was a member of many educational, sporting and welfare organisations, often as President, rowing and lawn tennis being well to the fore, as well as swimming.

After stepping down as President, Mr Roe continued in the office of Vice President, for some years, and his attendance at swimming carnivals was continued to be recorded where he acted as referee, judge, diving judge, timekeeper or water polo referee from time to time.

He died in 1926.

DR ARCHIBALD GIRT BROCKWAY 1901 -1907

Born in South Africa in 1862, he went to St Thomas' Hospital in London for medical training, and in 1887 had the degree of M.H.C.S conferred. After practicing in South Africa and the West Indies he came to Australia in 1889. On 24 November 1898 at the first Council Meeting of the newly formed Queensland Amateur Swimming Association he was elected first Chairman of the Association, an office he held for two years.

He was much in demand as a referee by Clubs which conducted most. of the swimming carnivals under sanction from the Association, and was referee for the Australasian Swimming Championships when Brisbane was host for the first time in March 1903. He was a strong advocate for the introduction of regular swimming lessons in schools, as he saw no benefit from students drilling in the hot sun of Queensland summer when a better form of exercise was available in the water, and this demonstrated the need for the building of more swimming pools. He was active ⁱⁿ promoting the first ladies swimming club in January 1903 (The Brisbane Ladies Swimming Club), and later the Queensland Ladies Amateur Swimming Association, and he is linked to girls secondary schools as donor of the Brockway Cup for inter-school competition.

The Queensland Rugby Union elected him as a Vice President as did the Amateur Athletic Association and the Kennel Club. His wide interests involved him in the Medical Association, the Trinity College of Music, the Apollo Club and as first secretary of the Queensland Automobile Club. He served with the R.N.V.R. for many years, retiring with the rank of Surgeon Commander.

"THE GENESIS OF SPORT IN QUEENSLAND"
By Professor Howell

SWIMMING AND BATHING

Page 56.

The abundance of water activities as well as the general hot climate, at least in comparison with that of the Home Country, understandably made swimming very popular particularly in the summer months.

Unfortunately the majority of the colonists possessed limited swimming skills, hence drownings were frequent. By 1847 the number of drownings had reached such a level that community concerns were raised. Another reported death by drowning in the Condamine River provoked an all out attempt in Brisbane to get bathing houses for the safety and health of the citizenry.

The bathing campaign continued in 1849 with a definite plan proposed for a floating bath, the plans courtesy of Andrew Petrie. As Andrew's son Walter was drowned in 1848 when he was 22 years of age, and John Petrie's son, also named Walter, was drowned in Creek Street, a mere 22 months of age, Andrew had a deep personal interest in the campaign.

The response to contributions from the Brisbane public for building of baths from Mr Petrie's plan was disappointing. Pledged subscriptions did not allow for the construction of a floating bath which had been the original intent. A fixed bath was then settled on and work began immediately. The site selected was the old wharf at Government Gardens. The completion of the bath was announced on March 19 1849 with some criticism being directed at the public for its lack of support. Sharks were then more prevalent than at present in the Brisbane River, and their presence limited the enthusiastic bather who ventured outside the baths. A warning was issued to bathers on November 27 1847. However, it was not heeded, and within a month tragedy again struck with a nine foot six inch monster attacking Mr James Stewart.

Page 158

BATHING AND SWIMMING

Though the art of swimming was known to the ancient Greeks and Egyptians, swimming did not develop into a "sport" until the latter half of the nineteenth century.

In Queensland, competitive races did not appear to have been held on an organised Club basis until the 1880's. However, informal challenge races probably occurred much earlier.

Swimming, or "bathing" as it was generally referred to, was indulged in by the first settlers, the tropical climate and the extent of the water encouraging such pleasures. However, the natural dangers such as sharks and crocodiles discouraged swimmers in many areas. Far greater deterrents were the Victorian attitudes surrounding bathing and the moral issues associated with such activities. Laws were passed regarding "public" swimming, and some, such as the banning of swimming on beaches in daylight hours, were in effect as late as 1900. In the late 1840's a "mixed" bath had been constructed in the Brisbane River, however, due to vandalism, the settlers were without a bath in 1853. They had to wait three years before another was established. However, Ipswich had one in operation from 1852. When the authorities finally granted permission for the construction of a floating bath in Brisbane in 1856, in order to encourage the bathers, Mr Winship, the builder of the baths, offered hot coffee to morning bathers. These baths, similar to the later river baths, would periodically submerge or be damaged by storms. In 1861 the baths experienced the misfortune of a total, rather than a partial, submersion....several attempts have since been made to bring the baths back to their proper position but, as yet without avail....as a natural consequence, the patrons, both male and female, have been deprived of the usual bathing luxury.

Another public bath was opened on January 1 1963. Swimming hours were for gentlemen from 6am to 9am and noon to 8pm daily, except on Sunday, and for ladies the hours were 9am to noon daily except Sunday. The announcement also indicated that instruction would be offered and evening races would be conducted. A month after the opening, the baths sank, but fortunately they were raised a few days later. Obviously there were problems with such river baths, as the "military baths" also deserted its moorings, "floating away bravely and was last seen below Breakfast Creek".

In country areas creeks, rivers and waterholes served as swimming areas and were readily utilised during the hot humid summer. Regulations did not extend to such country areas. In Brisbane however, swimmers could not indulge at will in the Brisbane River. There were sharks to contend with. There were also moral standards. Mr W.E.Hillier of Creek Cottage, Breakfast Creek, made his complaint public, objecting to the dressing and undressing on a public road by men women and children. Such objections were frequently made in newspapers, but at the same time they reinforced the basic need of people wanting to swim. The baths properly controlled swimmers as well as offering a relatively safe area where they could indulge in this exercise.

Page 160

The first Swimming Club to be formed in Queensland was the Old Brisbane Amateurs in 1885. The decision to form the Club was made in a small wine shop in Queen Street by Messrs K. Dent, E. Beattie and Leo. Shortly thereafter the Club conducted a carnival at, its headquarters in the Metropolitan Baths in Edward Street, and it was such a success that "hundreds of people were turned away". The following year another Club was formed in Toowong, and its headquarters became the Spring Hill Municipal Baths which were opened in December 1886 after intense public pressure.

With the formation of these Clubs, and following the construction of the Spring Hill Baths, the popularity of swimming increased. This led to the building of a facility in South Brisbane, which became known as the Old Imperial Baths. Some floating tidal baths were still in existence in the Brisbane River in the early 1890's, however, most of these disappeared as a result of the 1893 flood.

In the late 1890's a number of Clubs formed - Valley Club 1897, City Club 1.897, St Mary's Gordon 1898. These Clubs, who totalled some 100 swimmers, planned together to form a Queensland Amateur Swimming Association on February 23 1898. (Note: The Toowoomba Club was also involved in this meeting - T.C.B.) Mr R.H.Roe was elected first President of the Association, a position he held to 1901. Under Roe's direction swimming sports had been introduced to Brisbane Grammar School in 1889. (Roe was Head Master of B.G.S - T.C.B.)

By the turn of the century the sport of swimming was just beginning to be organised properly. In this sport Queensland lagged behind the Southern States, and this was, on the surface surprising, considering the more favourable climate in Queensland. The population difference and urban densities were factors which mitigated against the growth of the sport in the north. Queensland as first represented in the Australasian Championships by J. Hogan in 1901.

Page 269

SWIMMING - CHARTERS TOWERS

In the summer months the weather in Charters Towers is extremely hot, and it is understandable that its citizens were desirous of indulging in bathing. The closest place for sea bathing was at the Townsville beaches 135 Km away, and these were not readily accessible to the majority.

As early as 1877 a small swimming bath was constructed in a local creek. However, the more popular places in the 1880's were at the nearby Planter's Dam, and further a field the Burdekin River.

After the exceptionally hot months of November and December 1890, there arose a popular clamour for a proper swimming bath in the town. However, the Municipal Council appeared lax, and Alderman Den in particular, was openly criticised in the local newspaper for not making "one practical stride towards ensuring the erection of baths in the City".

At the end of 1890 the demand for city baths was raised again. The Municipal Council continued to drag its feet and initiative was undertaken by a private firm. Enterprising proprietors of the skating rink offered to convert the successful rink into a public bathing place. In order to accomplish this expensive undertaking, they appealed to the Council for special water rates which were later granted. A Public Swimming Bath Company was formed, and 1500 shares at three shillings a share were made available to the Charters Towers residents. It was maintained that buying a share was a contribution to a most worthy cause, as well as being a profitable investment. The Company presented its case in the "Charters Towers Times" where it was agreed that the pool could be used nine months of the year and be profitable, and to be profitable would require a daily average attendance of two hundred.

The greater majority of the people participated and mainly for the purpose of recreation and enjoyment, but there were competitive opportunities for those interested. Initially those were in the form of challenge matches and usually involved money stakes e.g. T.H.Smith, a local, competed against F.Saunders, a touring professional, who had swum against English champions. This race took place at Planter's Dam at 5 o'clock in the morning for twenty pounds a side over a distance of 1,000 yards which was twelve times the length of the course. In February 1890, Mr MacDonald was matched against Mr W.Thompson for a swimming contest of 150 yards on the Burdekin.

The Swimming Club's first public competition was not held until 1891, and this was organised at Planter's Dam on December 16, and over 600 spectators including women, were attracted to the event. This main competition consisted of nine events, five handicap events (two for boys and one for novices, two open), walking the greasy pole, a tub race, a long diving competition, and a 100 yards championship race.

After the turn of the century the Elizabeth Street Swimming Baths were constructed and this helped to increase interest with the number participating in the sport. Swimming lessons, and separate sessions for ladies and gentlemen were initiated and regular competitions were scheduled.

New Farm Swimming Baths, 1889.

On 26 April, 1889, the Booroodabin Divisional Board recommended that permission be granted to Mr. B. Campbell to erect floating baths at the south end of Merthyr Rd., New Farm. (15)

An architect, Mr. J.J. Cohen, in June 1889, advertised for 'tenders for floating baths at New Farm. (16)

The **Brisbane Courier**, Saturday, 5 October, 1889, p.4 reported the following:

Mr. Burns Campbell lessee of the New Farm ferry, has been engaged for three months in the erection of a floating bath moored close to the New Farm side of his ferry crossing at the end of old Racecourse Road and overlapping Sir Samuel Griffiths ground. The structure is to be opened at noon today by Sir Samuel's son, Llewellyn. Externally the bath house measures 81 ft by 41 ft. The well or swimming basin is 70 ft by 29 ft beginning at the entrance side with a depth of 3 ft 3 ins and deepening to 7 ft 3 ins on the further side. It is surrounded by a platform of 22 ft and between this and the exterior wall are thirty-eight dressing rooms, 5 ft x 4 ft with other conveniences. The structure rests on ten strongly built pontoons, sheathed with Muntz metal, six of which are 27 ft long and four 16 ft. The entire cost will be about £1,200. Mr. Campbell hopes to make arrangements for ladies on two days a week, and to be able before long to add a fresh water shower. (17)

An entry is recorded in the P.O.D., 1891, for The New Farm Swimming Baths, W. Rowe, caretaker, Merthyr St., New Farm. The Baths are not listed after 1891.

The P.O.D. 1892 lists Victoria Baths (E.W. Rowe proprietor) Stanley St., South Brisbane. (19) Did Mr. Rowe purchase the New Farm Baths, re-locate and re-name them? Further research may provide the answer.

Metropolitan Baths, 1894.

The Metropolitan Baths that some of our present day senior citizens either remember or swam in, were, according to Council records built in 1894. (20) (Figure 6).

These baths were well used. They were a most popular swimming bath. In the 1920s they were used by artist and sculptor, Wilson Cooper, whose painting was the first illustration on the screen today. He verified in a statement, 'Bathing in the Brisbane River':

....it was quite fun to try and catch the Johnny Dorys which swam through the slattered timber sides and flooring of the pool, the water was so clear one had no trouble following the darting fish. (21)

No doubt swimmers in the 1890s could have told the same story.

The Metropolitan Baths were destroyed by flood in the early hours.

Public Swimming Baths.

Early swimming baths on land or in the river were introduced not for pleasure but more for health reasons due to the lack of bathrooms. Swimming in the Brisbane River was made safer by some form of swimming enclosure, e.g., floating baths.

The first floating bath for public use in Brisbane was ready for patrons by the 18 April, 1857. ⁽²⁾

In the early 1890s, Brisbane had two baths on land which were supplied with water from the Brisbane River, namely, The Corporation Salt-Water Baths, Arthur Street, Spring Hill, and The Imperial Swimming, Bathing and Skating Rink Co., Cnr Stanley and Ernest Streets, South Brisbane. ⁽³⁾

Floating Baths were, The Metropolitan Bathing Co. Ltd Alice Street ⁽⁴⁾, (*Figure 3*) The Victoria Swimming Baths, Stanley St., South Brisbane ⁽⁵⁾, The New Farm Swimming Baths, Merthyr St. New Farm. ⁽⁶⁾

New Baths 1890 - 1900.

During the decade two new public baths were built in Brisbane.

The Metropolitan Baths were swept down the river in the 1893 flood.⁽⁷⁾ The new Metropolitan Baths were moored at the same location, at the end of Alice Street.⁽⁸⁾

The Booroodabin Baths, Wickham Street, Fortitude Valley, were open for public use on Saturday, 19 September, 1896. ⁽⁹⁾

History of Some of the Baths.

On the night of 30 January, 1889, The Imperial Swimming Baths and Skating Rink were officially opened.

The *Evening Observer*, 31 January, 1889, reported that the baths were declared open by:

.... Mr. W. Stephens, Mayor of South Brisbane in the presence of a large number of spectators...The opening dive was taken by Mr. W. Morris, followed by Madame Saigemann, who has been engaged as the ladies' instructress, after which swimming became general, a large proportion of those present having evidently come prepared to put the new baths to a practical test. The building was tastefully decorated with small flags and Chinese lanterns...During the evening proceedings were enlivened with music. Swimming was indulged in until 10 p.m. when the baths were closed' (11)

The Baths were specially reserved for ladies from 10 a.m. to 1 p.m. (*Figure 4*). Admission on opening night was 1/-⁽¹²⁾ and after that 6d, including Towel and Bathing Dress. ⁽¹³⁾

The architect under whose supervision the work was carried out was Mr. H.G.O. Thomas, and the cost of the baths was £3,000. (*Figure 5*). All the necessary machinery was supplied by Messrs Smellie & Co. ⁽¹⁴⁾

Booroodabin Baths, 1896.

The Booroodabin Divisional Board adhered to strict swimming regulations. Complaints about unacceptable bathing behaviour in the vicinity of Breakfast Creek and the drowning of nine children one holiday season (in and around) Breakfast Creek, directed attention to the need for a safe swimming enclosure in the Booroodabin Division. **23**

The Baths Committee decided on a reserve in Wickham Street, Fortitude Valley. (24) Tenders were called by the architect, Mr. J.J. Clarke. (25) Quotes ranged from £2,120 to £1,555. The latter tender was from Mr. W. Taylor, Norman Park, and it was accepted. (26)

A report on the Booroodabin Baths was published in the **Brisbane Courier**, Saturday 19 September, 1896:

..... Everything is now completed and the baths will be open to the public today... The baths were thrown open for inspection yesterday, and were visited by a large number of people who expressed pleasure at the general appearance of the building and the excellence of the accommodation.... Special attention has been given to its ventilation.... The large bath is 90 ft long by 30 ft wide, and the depth of the water varies from 3 ft to 6 ft 8 ins. The water is pumped from Breakfast Creek and while the bath is being used a continual flowing in and flowing out is arranged for.... Mr. Albert Butterfield and Mrs. Butterfield have been appointed caretakers. Today there will be no opening ceremony, but arrangements are being made for holding aquatic sports at no distant date, and several of the local clubs have promised their co-operation. (27)

Planning for these baths commenced in 1894, and one of the Committee members was sure that if the baths were erected they would prove to be a white elephant. (28) Time has proved otherwise. Swimming traditions which began in 1896 continued when a new pool was built alongside.

This new pool at Wickham Street was opened on 27 February, 1926. (29)

Queensport Aquarium and Zoological Gardens.

If swimming was not the chosen outing for a family, they could enjoy the river from one of the paddle-steamers which transported them to the new and popular attraction at Queensport. Paddle steamers left Campbell's Wharf at the end of Creek Street. Fare and admission was 2/- for an adult, and 1/- for a child. (30)

Another means of arriving at Queensport Aquarium was by train and a five minute walk from Hemmant Railway Station. (31)

The formal opening of Queensport Aquarium took place on Wednesday, 7 August, 1889. An account of the opening was published by the **Evening Observer**, 8 August, 1889.

An article written in 1934, held in the Oxley Library, authorship unknown.

QUEENSLAND AMATEUR SWIMMING ASSOCIATION

It would be a matter of impossibility for the writer or any other living being to say when swimming was first practised in Brisbane.

The first occasion when it was organised as a sport in Queensland was in February 1885, over 47 years ago, when the inaugural meeting, presided over by Mr Dent, was held in a small wine shop in premises now occupied by John Hunter Boot Shop in Queen Street.

Amongst those present at this historical meeting were Messrs E.Beattie, L.Regalb (one time of the Telegraph newspaper), W.Smith, and several other supporters of the natatorial art. After a long discussion it was decided to form a swimming club to be known as the "Old Brisbane Amateurs" with headquarters at the Metropolitan Baths, Edward Street. The headquarters of this club have long since passed away. The enthusiasm of the members of that club has been handed down right to the present generation of swimmers.

In 1886, the Toowong people next formed a club, their headquarters being the present Arthur Street Baths (Spring Hill). Several very successful carnivals were held. The then Mayor Hipwood greatly assisted this club, which was the most successful sporting body for years afterwards, in fact this club only went out of existence in 1933 despite the herculean efforts of Frank Duncalfe (now of Ipswich) to keep it going. In the early days of the Toowong club, the Isles brothers, Tom Bond, and Watty Smith, were the outstanding swimmers.

A few years afterwards baths were built in Stanley Street, South Brisbane (opposite premises now occupied by the South Brisbane Gas Company) and were known as the "Old Imperial Baths". The Alliance Company were the tenants, but somehow they did not flourish under their management. Mr Watty Smith then took the baths over, and for years afterwards they were in good demand and became exceedingly popular. Several carnivals took place, at which L.G.Dixon and W.McFarlane won Championships, and Mr F.W.De Little (the present Patron of the Q.A.S.A who leaves on an extended sea voyage this week), Fred C Hickling, Harry Puzie, and Jimmy Burgess (the celebrated diver) performed well at the carnival.

The first ladies race was held at one of these carnivals (twelve competitors took part) and proved a great success.

In September 1897 the Valley Club was formed, then followed by the City Club in December of the same year, and in 1896 the St Mary's Gordon Club, Brisbane, and the Toowoomba Gordon Club were formed. These Clubs eventually formed the Queensland Amateur Swimming Association. The first officials of the Q.A.S.A were, President, Mr H.Roe, Chairman, Dr A.B.Brockway, Hon Treasurer, Mr C.Butterfield, Hon Secretary, Mr A.E.Morris.

During the 37 years regime of the Q.A.S.A. there has only been five Presidents, viz; R.H.Roe (3 years), Dr A.B.Brockway (6 years), Hon J.W.Blair (6 years), E.H.Mair (1 year), and the present holder D.S.Carter (20 years). The later was also Chairman for 29 years. There has been six Hon Secretaries of the Association, viz; A.E.Morris (2 years), H.Burton (1 year), G.F.Stack (1 year), E.Wetzel (7 years), W.Kuder (16 years), and the present Hon Secretary Ted Goodwin (10 years).

At the present time the Association has Clubs affiliated with it all over Queensland, from Townsville and Cairns in the north to Warwick in the south and Charleville in the west.

Queensland was first represented in Australian Championships in the season 1900-1901 by J.Hogan, in Victoria. The next year Frank Gaily represented the State in New Zealand. Since then Messrs D.Gaily, Frank Springfield, C.Graham, Syd Springfield, Joe and Axel Suosaari, S.Negus, Reg Grier, and Tom Boast (two

of Australia's outstanding swimmers), J.Pike, Jim Collin, E.S.Collin, T.Beck, V.Tremble, M.Witt, and T.Long, have represented Queensland in other States with varying successes. The only successful years for Queensland in the Kieran Shield competitions were 1907 when Frank Springfield won it, and again when the best team this State has ever sent away, comprising Reg Grier, Tom Boast, Axel Suosaari, Tom Beck, and Ted Goodwin (Manager), won it against strong opposition at Melbourne and Hobart in the 1929-30 season.

Frank Springfield (London 1907), Tom Boast, and Dorrie Thompson (now Mrs Reg Grier) Amsterdam 1928 are the only swimmers from this State that have represented Australia in the Olympic Games. Tom Boast and Reg Grier represented Australia in Japan in 1927, and Reg Grier represented Australia in New Zealand in 1927.

Various international swimmers have been brought to Queensland to compete by the Q.A.S.A. Notably amongst others were Duke Kahanamoku and Sam Kahanamoku (Honolulu), Bill Harris (U.S.A), Arne Borg (Sweden - twice), K.Takaishi, T.Saitoh (Japan), G.Froelich (Germany), F.Kurtz (U.S.A), Maiolo Kalili (U.S.A), Etheldra Bleibtry (U.S.A), Paul Kealoah (Honolulu), Marie Wheslau (U.S.A), Joyce Cooper (England), and Andrew Charlton (N.S.W and ex-world's champion).

(Note. The name "Soussari" has been altered to "Suosaari," which is the correct spelling. (Confirmed by his family.) "Soussari" was used in newspaper articles etc about this swimmer.) Barry Short.

MAROOCHYDORE SURF LIFE SAVING CLUB
ARCHIVE MATERIAL.

These archival notes were compiled with the grateful assistance of-
Jim Thompson's grand-daughter (and Dorothy Thompson and Reg Grier's daughter) Jann Grier;
Joe Suosaari's daughter Anne Margoc, and the Bli Bli on Maroochy Historical Society Inc.;
Maroochy District historian Dr Berenis Alcorn;
Barry Short and his publication "A Century of the Natatorial Art";
Dr Tim Barrett and his publication "The Queensland Swimming Association 1898-1998"; and
Anne Brett, editorial chair for the Queensland Royal Life Saving Society's 100 Year History Book Project.

Members of the "2016 100 Years of Maroochy SLSC" Project team include
Club historian Ralph Devlin;
Researchers Bard Claffey and myself; and
CEO Kerry Taylor.

Maroochydores Surf Life Saving Archive Material

October 1916 Formation of Maroochy River Swimming and Life Saving Club
the first swim of the newly formed club took place near Cotton Tree Wharves on 19.11.1916

Maroochydores provided a Queensland Championship venue for one Championship event in the following seasons...

1917 440 Yards Freestyle
1919 1320 Yards Freestyle
1921 100 Yards Freestyle

Queensland Swimming Championship achievements by Maroochydores Members

- 1917** Jan 22 competing for Valley Club, Elsie Venning wins A grade Junior Interclub 50 yard handicap race
- 1918** Jan 9 .."District Girl" (Maroochydores Ladies A.S .C.)...Elsie Venning selected to represent Qld in Melbourne
Mar 13 Maroochydores unplaced in 500 yards Flying Squadron Championship in South Brisbane Baths
- 1920** Nov 18 Joe Suosaari's first appearance at State Championships 880 yards F/S @ Booroodabin Baths (unplaced)
Dec 20 440 yards Breaststroke Championship held at Wynnum Collins, Mullins, and Springfield fill placings
- 1921** Mar 5 ...Joe Suosaari 2nd in Country 100 Yard Freestyle
Nov 18...Joe Suosaari sets an Australian Record in the 440 yards Breaststroke at Booroodabin Baths...6m 56 1/5s
Dec 21...Joe Suosaari test swim for Aust C'ship selection over 220 yards Breaststroke at Booroodabin Baths...3m 11s
Joe Suosaari (only) selection in Queensland Team for the Australian Titles at Domain Baths in Sydney
- 1922** Nov 29 Joe Suosaari breaks own Australian Record in 440 yards Breaststroke at Booroodabin Baths 6m 27 2/5s
Dec 5.....Axel Suosaari's first appearance @ State Championship...wins 60 yards Junior Freestyle at Toowong Pool
- 1923** Jan 16....Joe Suosaari 3rd in 220 yards Freestyle Championship
Mar 23 Joe Suosaari breaks own Australian Record in 220 yards Breaststroke at South Brisbane Baths 3m 5 3/5s
Apr 7 Life Saving Carnival at Ithaca Duncalfe Shield etc QLASA would not allow its members to compete in a mixed carnival
Nov 26 Joe Suosaari 3rd in 440 yards Freestyle Championship behind Syd Springfield and Tom Boast at Booroodabin Baths
Dec 4 .Joe Suosaari 2nd in 220 yards Freestyle behind Syd Springfield
- 1924** Jan 24 Joe Suosaari wins 440 yards Breaststroke Championship held at South Brisbane Baths 6m 52s

Mar 10 Joe Suosaari retains 220 yards Breaststroke Championship held at Ithaca Baths 3m 6s
Nov 28 Joe Suosaari 3rd in 440 yards Freestyle Championship behind Syd Springfield and Reg Grier
Dec 9 ...Joe Suosaari breaks own Australian Record in 220 yards Breaststroke at Spring Hill Baths in 3m 2 3/5 (J Koshela M'dore 2nd place)
Dec 12...Joe Suosaari (only) selection in Queensland Team for the Australian Titles at Domain Baths in Sydney

1925 Jan 20 Joe Suosaari retains 440 yards Breaststroke Championship at Davies Park Baths 6m 46 1/10s
Mar 25 Joe Suosaari selected in team to tour the north
Mar 27 Joe Suosaari wins 100 yards Country Freestyle Championship at South Brisbane Baths 63 2/5s
Dec 19 Joe Suosaari, J Bliss and Reg Grier selected to represent Qld at Australian Titles in Perth and Adelaide

1926 Feb 27 Opening of the new Valley Pool
Joe Suosaari breaks his Aust Record in the 220 yards Breaststroke at the Qld State Championships
Axel Suosaari wins 100 yards Country Freestyle Championship 1m 7 4/5s and is 2nd to Joe in the 200yards Breaststroke Championship

Apr 10 Joe Suosaari retains 440 yards Breaststroke Championship at Spring Hill Baths 7m 11 2/5s (C Canter M'dore 3rd)

1927 Jan 10...Joe Suosaari selected to compete in Melbourne and Hobart Aust.C'ship subsequently does not compete however
Mar 7...Maroochydhore wins 500 yds (Intercity) Country Flying Squadron C'ship A Suosaari, J Suosaari, V Suosaari, A Petersen and S Brown
Axel Suosaari retains 100 yards Country Freestyle Championship; Joe 2nd and Vic unplaced Axel 2nd in Open event behind Grier

1928 Jan 21 Joe Suosaari retains 220 yards Breaststroke at Valley Baths 3m 13s
Jan 25...Maroochydhore retains 500 yards Country Flying Squadron C'ship A Petersen, A McAloon, V Suosaari, A Suosaari and J Suosaari
...Axel Suosaari retains 100 yards Country Freestyle C'ship 2nd in Open event behind Reg Grier
Feb 23 Joe Suosaari wins 440 yards Breaststroke Championship 7m 0 2/5s

1929 Jan 18 Axel Suosaari 2nd in 220 yards Freestyle Championship behind Reg Grier
Jan 21...Axel Suosaari retains 100 yards Country Freestyle Championship and wins Open event by a touch from Reg Grier
Joe Suosaari 2nd in 440 yards Breaststroke Championship behind E.S. Collin
Jan 23...Maroochydhore retains 500 yards Country Flying Squadron C'ship A Suosaari, J Suosaari, V Suosaari, A Petersen and J Petersen
Joe Suosaari wins 220 yards Breaststroke Championship 3m 7 4/5s

1930 Club transfers operations from Petrie Ck Wharf to upper reaches near Nambour Railway underpass - Walsh's Pond
Maroochydhore wins 500 yards Open Flying Squadron Championship A Suosaari, J Suosaari, A Petersen, J Petersen and G Petersen
Jan Axel Suosaari 2nd in Open 100 yards and selection in Qld team for Nationals at Melbourne and Hobart in February
Gordon Petersen wins 50 yards Junior Country Championship

1930-31 Dec 1 Axel Suosaari wins 220; 100 Open; and Country Freestyle Championships; and is 2nd in 440 Yards Freestyle events
Joe Suosaari retains the 440 yards Breaststroke Championship
...Maroochydhore 2nd in (Intercity) Flying Squadron Championship
Jan 5 Axel Suosaari sole selection to contest Australian Championships at Domain Baths in Sydney on Jan 10 and 14
Jan 13 Alan Petersen 2nd in 880 yards Freestyle Championship
Jan 15 Alan Petersen 2nd in 1 Mile Championship at Davies Park Baths

Pg 29 of Qld Swimming History: "1930-31 saw Maroochydhore as the State Premier Club" QASA historian Tim Barrett

1932 Joe Suosaari wins 440 Yards Breaststroke Championship
Harold English 2nd in 50 Yards Freestyle Championship, after starting favourite
Gordon Petersen 3rd in 440 Yards Breaststroke Championship
Alan Petersen 3rd in 800 Yards Freestyle Championship

Jack Petersen started in the 100 Yards Country Championship, "but did not have sufficient speed for this event " Maroochydore 5th in (Intercity) Flying Squadron Championship

Sept "Headway in the Country" Annual Report article mentions "the Petersen brothers and H English (Maroochydore)" also, "expresses regret at the recent illness of Axel Suosaari, who will probably be lost to competitive swimming for a long time."

1933 Mar QASA Registrations Maroochy 21 Seniors

This is the last reference to "Maroochydore" swimmers in the 1932-40 notes of the QASA/Barrett collection

1934 Jan Bill Fleming wins 100 Yards Country Freestyle Championship in a time of 59 1/5 seconds)

Dec 16...Axel Suosaari died

1937 ...although G Petersen does appear in Dec 1937, but without a club beside his name

1939 Dec Swimming Club activity resumes at Cotton Tree

1950 Nambour's Blue Pacific Pool was built on Aspland land and "Nambour" Amateur Swimming Club reforms

Australian Championships...venues, and achievements by Maroochydore Members in pre-State Centre times

1918 Melbourne (City Baths) Feb 13 Elsie Venning wins 100 yards Championship of Australia 1m 12 2/5s

1922 Sydney (Domain Baths)...Jan 18 Joe Suosaari 2nd to ES Collin in 220 Yds Breaststroke and wins 100 yard Interclub H'cap
Brisbane (South Brisbane Baths)...Jan 28 Joe Suosaari wins 440 yards Breaststroke and sets new record 6m 41 1/5s

1923 Perth (Crawley Baths) Feb 3...Joe Suosaari retains 440 Breaststroke 6m 39s

Adelaide (Gilberton Pool) Feb 21 Joe Suosaari unable to compete due to leg injury sustained in Perth

1924 Hobart (Sandy Bay Baths) Feb 12...Joe Suosaari retains 440 Breaststroke in very cold conditions 7m 11s

Melbourne (St Kilda Baths) Feb 24 Joe Suosaari 2nd in 220 Breaststroke to I Stedman (Vic)

1925 Sydney (Domain Baths) Jan 19 Joe Suosaari retains 440 Breaststroke 6m 46 1/5s

Brisbane (South Brisbane Baths) Jan 31 Joe Suosaari wins 220 Breaststroke 3m 4 1/5s

1926 Perth (Claremont Baths)...Feb 6...Joe Suosaari wins 220 Breaststroke 3m 11s

Adelaide (City Baths) Feb 12 Joe Suosaari retains 440 Breaststroke 7m 4s and wins 50 yards Flying Handicap

1927 Melbourne and Hobart Joe Suosaari selected in Qld Team, but does not appear in competition records

Reg Grier and Tom Boast subsequently selected to tour to Japan for Pan Pacific Games

1928 Brisbane (Valley Baths) Jan 21 Qld Country Flying Squadron win by Maroochydore Team

Sydney (Domain Baths) Feb 1 Joe Suosaari 2nd to McCure in 440 Breaststroke

Axel Suosaari 2nd to Grier by a touch in 100 Yards Freestyle

...Joe Suosaari retained 220 Yards Breaststroke

Tom Boast selected in Australian Team for Amsterdam Olympics

Axel Suosaari offered a Finnish representation to go to Amsterdam Olympics

1929 Adelaide (Unley Crystal Pool) Feb 4, 7 and 11 no representation

Perth (Claremont Baths) Feb 19 and 23 no representation

1930 Melbourne (Footscray Baths) Jan 25 Axel swims a record attempt and breaks Victorian record...35s for 66 2/3 yards

Melbourne (Brunswick Municipal Baths) Jan 31 Axel swims another record attempt fails to break Australian record over 50 yards

Melbourne swimming in the 7th heat of the 66 yards handicap, Axel Suosaari lowered the record "set on Saturday night" to 34s

This must be the Derwent River World Record referred to by Ashton Wood page 16 in 75th Year History as no other references can be found elsewhere

Hobart (Sandy Bay Baths) Feb 12...Axel Suosaari wins 100 Yards Freestyle

and helps Qld win Kieran Shield (last won by Qld in 1909)

Axel Suosaari competed in the 440 yards Breaststroke (unplaced) and the 100 yards Backstroke (4th)

Empire Games selections raise a great deal of controversy as Qld's Grier, Axel Suosaari and Boast all miss selection while the (former) NZ swimmer Cameron's selection is queried on residential qualification grounds less than of 6 months in Australia

1931 Sydney (Domain Baths) Jan 10 and 14 Axel Suosaari unplaced in the 440 yards Freestyle no other results given

Brisbane (Valley Pool) Jan 21...Axel Suosaari won 100 Yards Freestyle in his last appearance at the National Championships

...Joe Suosaari 2nd in 220 yards Breaststroke Championship

...Gordon Petersen 3rd in 220 yards Breaststroke Championship

1932 Melbourne (Brunswick Pool) Feb 6 swimming events in connection with the new National Games no representation

The apparent decline in interest in QASA activities from this National level over these many seasons, to almost no QASA activity

...suggests a significant change occurred around this time

Joe Suosaari's 'final' retirement; Axel Suosaari's illness were these 'events' the impetus ???

or was it the effect of the formation of Queensland Surf Life Saving State Centre in 1931 ???

or was it simply the change resulting with the National Games incorporating Australian Swimming Championships ???

Whatever is reasoned, we do need to appreciate that this group/club rose to become

the Premier Swimming Club of Queensland in Season 1930-31.

A NOTE BY BARRY SHORT
AND A TEAM PHOTO.

Mr Peter Rigby contacted me in the early months of 2008 for assistance with swimming records etc, which would help him and his co-researchers delving into the history of the Maroochydhore Surf Lifesaving Club, with a view to compiling its one hundred history up to 2016.

As well as giving him as much assistance and advice as I could, particularly in regard to the John Oxley Library and the Newspaper Records at the Queensland Library, I referred him to Dr Tim Barrett, OAM and Swimming Queensland.

Subsequently, Peter sent me a draft of the attached document, which lists details of the development of the Maroochydhore Surf Life Saving Club and the successes of many of the members of that club (in a QASA context). As the document details the successes of the club's members' from 1917 until 1931, including those of the Suosaari brothers, I came to the view that it would be a worthwhile exercise to include this document with Tim Barrett's News Clipping Records and the other history material on this CD. (Note -The correct name 'Suosaari' was spelt 'Soussari' by the newspaper reporters of the period.)

Peter, of course, is part of a famous swimming family, with John being an Olympian and a top swimming coach with his background well recorded in Tim Barrett's history. John was the Maroochydhore SLSC captain from 1962 to 1966 and President from 1988 to 1991. He was the surf club's first individual National Gold winner as a Surf Race champion (1962); was selected in the State team from 1959 until 1966, being captain for 4 consecutive seasons (1964-67), and was Vice-Captain of the 1965 Australian Team to USA.

Peter has stated that he could not include himself in the category of a "good quality QASA swimmer," as he was simply following elder brother John into the surf club, but with a good school swimming base, he did achieve surf competition successes at National level, winning Junior (1963) and Senior (1964) Belt Championships, a unique double that stood for over thirty years. Whilst he was selected in the 1963, 64 and 65 State teams, his great disappointment was in missing selection to tour the USA in 1965.

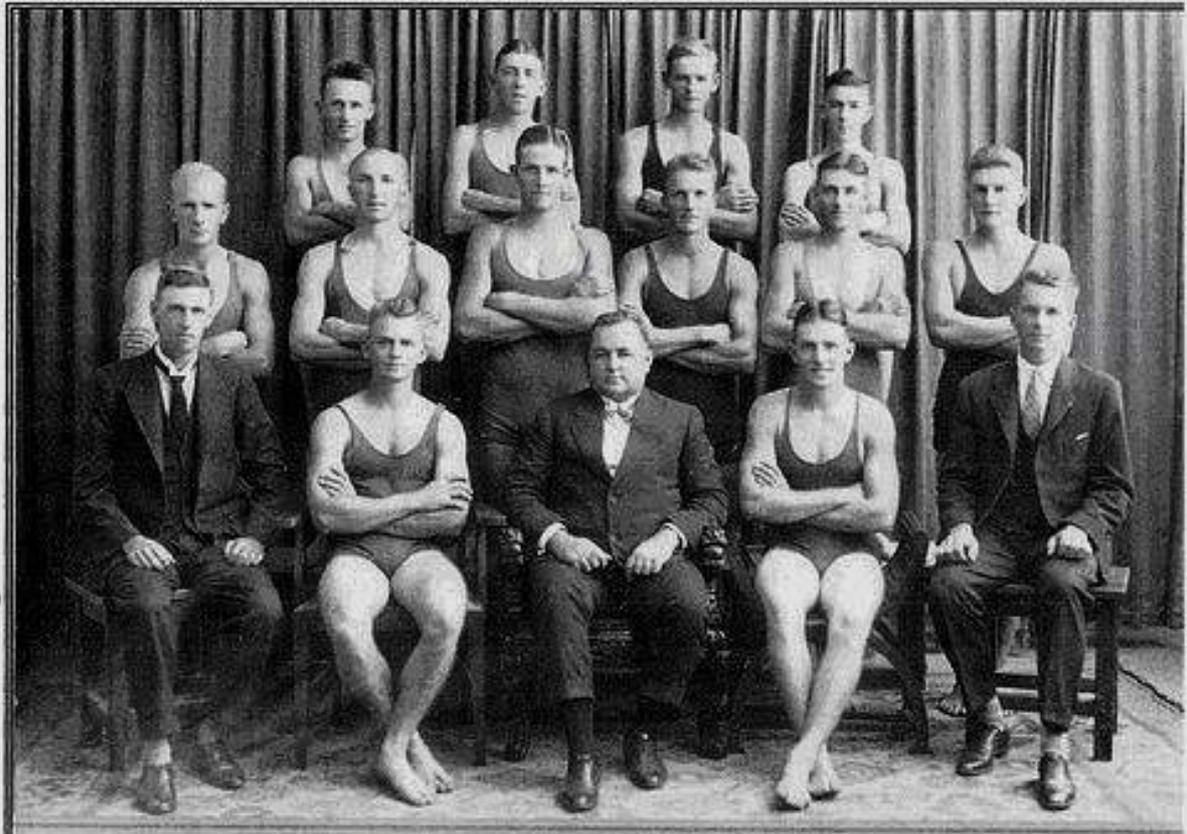

He is quite proud though, that he, John and other top quality QASA swimmers who joined this particular surf club (John Bennett, John Fingleton, Barrie Munro, Laurie Higson and John Etchells,) brought the first surf teams' titles to Queensland representing Maroochydhore SLSC. The club's teams won five of the ten National titles on offer from 1961 to 1965, came second in two others and third in another, with Doug Webster orchestrating and being responsible for the club's progress beyond Gordon Petersen's time as President.

It is notable that Gordon Petersen is also mentioned in the document. Peter mentions that Gordon was the lessee of the Valley Pool from the late '50s until the early '70s when John took over. Gordon was Maroochydhore club captain 1937-1938 until 1939-40, and President from 1940-41 until 1951-52 (and 1953-54), while his brothers Jack, Alan and Reg have wonderful competitive achievements in the pre-War years of Maroochydhore SLSC.

The photo of the 1930-1931 Maroochydhore Amateur Swimming Club hung proudly in the bunkhouse until the mid-1970s. It shows most of the swimmers mentioned in the Maroochydhore SLSC Archival Material for this pre-Qld Surf State Centre (1931) period

It is hoped Maroochydhore SLSC ultimately achieves completing this endeavour with great success.

BOWLING.

SHORT END.

The usual monthly meeting of the delegates to the Queensland Bowling Association was held on Wednesday evening in the M.S. Builders' Room, Courier Building.

ship competition of the Warwick Bowling Club was commenced on Saturday last. Two teams of four entered, were available, and the results were: T. Dinevall, W. Phieroff, A. G. Scott, and G. Driscoll.

Mr. A. Scowen has received a letter from Mr. W. C. Harvey, hon. secretary, Marlborough Bowling Club, and manager of the touring team.

The following two links have entered for the Q.B.A. Championship: Messrs. Hollis, Hale, Jackson, and Rankin (skip); and Messrs. Morrison, Pack, Condie, and Stewart (skip).

By Martins White.

Black. White to move and win.

GAMES.

"Brisban Cross."—Played in the match for £20 between Messrs. T. W. Meany and John Walsh, at Lewisham, which was won by the former.

Table with columns for Black and White scores in various matches, including Meany vs Walsh and others.

(a) 16-20 is regarded as the best move here, although either 8-11 or 13-19 draws.

SPORTS SAY

Just the Park Handicap last season was the softest of soft things for Waab-stain, who, starting at even, won as he liked despite his big weight.

That the Message upset calculations in the Flying Handicap, when he easily downed a warm favourite in the consistent Sabellite.

That the ex-Queenslander Flaxen appropriated the big race at Moorefield last Saturday in fine style.

That Postle is not a back number in the pedestrian world just yet, and his defeat of Donalson over distance of 50 and 100 yards in Melbourne shows him to be still at the top of the tree.

That it is said that in his battle with American Jimmy Barry, at Sydney, Langford did not show so well as against M. V. on Boxing Day.

That a consideration of all the circumstances inclines one to the opinion that Jack Johnson will be seen in the ring again, and ere long, even if the stories that he is spending all his money are not true, he will be simply worried into a battle by his critics, and the cunning of promoters who see in him "the goods" for a big gate.

That this is not a world of liberty after all, and prominent athletes are no more able to do as they like than they can fly, as evidenced by the fate of Jim Jeffries.

That the news that the game of bit and stop is to get another star in Brisbane next Saturday night will be welcomed by many.

That the management, however, needs to make a special point of keeping faith with the public, and not announcing matches until they are perfectly certain that they will be able to decide them on the dates they indicate.

That the Queensland Cyclists' Union welcomes the reappearance of Victoria in the Australasian Championships, but as Queensland has been the one consistent partner in the Interstate agreement for many years past, they think they should have been a party to the re-entry of Victoria into the agreement.

That somewhat of a coincidence in cricket took place last Saturday, when one club scored 29 in each innings, and the opposing side notched 29 and 30. Talk about even scoring!

That with only five matches to go before the conclusion of the cricket season, supporters are already picking out the teams which are considered "dead certa." for the premiership.

That it is nearly time something was done to improve the wickets in the Queen's Park, for on any wet Saturday just now they become a very near approach to mud.

That the Englishmen have secured the "ashes" and in a very euphatic manner.

That the first wicket partnership of Hobbs and Rhodes was not only the greatest in test cricket, but establishes a record for first-class matches in Australia.

That Barnes and Foster are being compared with Turner and Parris, Australia's former great wonder-working pair.

SWIMMING.

By "H2O."

[Press correspondents are requested to forward reports as early in the week as possible.]

RAILWAY ENGINEERS' CLUB.

The weekly swim was held in the Metropolitan baths on Monday afternoon. W. Casey acted as starter and judge. The attendance was fair, and the results were as follows:—

Lap Dash.—First heat: W. C. Nichol (10) 1, N. Jameson (7) 2. Second heat: Gen. Hall (6) 1, E. Christensen (12) 2. Final: N. Jameson 1, W. C. Nichol 2, G. Hall 3.

28Yds. Back Swim.—T. Weeks 1, G. Hall 2, N. B. Kent 3. Events for next week: 50 yards handicap, long dive, and handicap for novices.

LIFE SAVING.

To the Ladies' Commercial Swimming Club Life Saving Squad is due the honour of being the first in this State, if not the Commonwealth, of possessing six members who passed the examination for the Proficiency Certificate, and they should be doubly proud after the complimentary remarks passed by the Examiners, Messrs. S. Dennis and F. O. Venning.

Praises is due to the Instructor, Mr. W. Martin, who has been untiring in his efforts. One of the squad, Miss M. Roughhead, is undertaking the task of securing both the bronze and silver medallions in the near future, when the examinations take place. The bronze medallion requires a thorough knowledge of the theory in addition to the swimming portion of the examination, whilst the silver medallion requires the competitors to swim 200 yards each breast, back, and Trudgion strokes, fully clothed, in addition to floating, diving, and fancy swimming.

The successful competitors for the Proficiency Certificate included the sisters King (3), Misses M. Roughhead, B. Wollstein, and O. Spottiswood. Two of the members are juniors, making the performance more creditable. This team is undergoing its preparation at the Spring Hill baths, Arthur-street, the weekly drills being well attended by a number of enthusiastic spectators.

The team is training assiduously for the Barry Cup, donated by Mrs. J. Barry, who is an ardent supporter of life saving. The squad will also give an exhibition at the Commercial Ladies' Club Carnival, to be held on March 2 at the Spring Hill baths, and to which the sterner sex will be admitted.

Things are progressing very favourably with the Life Saving Society, and reports from all centres are very encouraging. Applications for admission have been received from the Fitzroy Ladies Club, also the Rockhampton Club. Also the City Ladies have formed a class, and require an instructor. Several members are training very hard for the silver medallion.

Some of the Commercial Ladies' Swimming Club have notified their intention of going in for the bronze medallion. All certificates in connection with the recent Southport exams will be given to the teachers for distribution.

The City Ladies' Club, affiliated with the society this week, Mr. Venning will give instructions to the members next week.

NORTH BRISBANE REFORM CLUB.

Notwithstanding the wet weather there was a good attendance of members at the weekly swim of the above club, in the Spring Hill Baths, Arthur-street, on Tuesday evening, when the following events were decided:—

225 Yards Handicap, Seniors.—J. M. McDonald 1, T. Casey 2, L. P. Dash 3. 20 Yards—J. M. McDonald 1, T. Casey 2, L. P. Dash 3.

Note our city address. We are the pioneer Opticians of Australia. Our experience cannot fail to benefit you.

ROWING.

By "BOW." There is very little doing on the river.

necessity of calling delegates together to vote on questions that may arise a system of voting by post be introduced on the lines of the A.A.A.

The selection of Messrs. Greenfield and Evans to act for Queensland at the important meeting of this council on the 20th inst. is a good one. The first named attended the recent meeting when the championships were allotted to Queensland and did good work.

Last Saturday the local greens that were open for play were largely attended, and the games were of a strenuous nature. The social spirit to be found on a bowling green act as a magnet in time of trouble, and many players largely affected by the industrial dispute found much relaxation in their quiet game.

South Brisbane Club Reports.—There was a full attendance at the green last Saturday, every rink being occupied. Among the visitors to the Green who were warmly welcomed were Messrs. Johnston (Dundberg), Mitchellson (Boscombe), Saperoff and Mackay (Toowong), and two bowlers from Roma. It was quite a pleasure to see so many visitors and bowlers from other clubs.

CLAYFIELD BOWLING CLUB. Members were pleased to dispense the subject of studies for a game of bowls on Saturday last, and were very satisfied with the result of the rain which fell on Friday. Only two matches were played in the competitions current, Mr. Noble beating Mr. Stephens in the Watson Consistency Handicap and Messrs Pamfret and La Trobe defeating Messrs Bevington and Bryce for the Becker-Spottiswood Pairs.

WYNNAM PRESBYTERIAN LADIES' CLUB. The weekly swim of the Wynnam Presbyterian Ladies' Club on Wednesday last owing to the tide being unsuitable. Members are requested to attend for practice, as the carnival will take place shortly. Members leading for attendance prize are Misses P. Jones, M. Ross, L. Collins, M. Singleton. Members leading for club points are Misses L. Blatchford and R. Campbell.

Table with 10 columns and 10 rows of numbers, likely a score sheet or statistical data.

That it is nearly time something was done to improve the wickets in the Queen's Park, for on any wet Saturday just now they become a very near approach to mud.

That the Englishmen have secured the "ashes" and in a very emphatic manner. That the first wicket partnership of Hobbs and Rhodes was not only the greatest in test cricket, but establishes a record for first-class matches in Australia.

That Barnes and Foster are being compared with Turner and Ferris, Australia's former great wonder-working pair.

ROWING.

By "BOY". There is very little doing on the river at present, the unsettled state of affairs generally having engaged the attention of rowing men from their clubs.

The following pretty game was played in the Forster v. Liverpool correspondence match between Mr. E. Jackson, Liverpool, and Mr. D. Cowleson, Brechin. These gentlemen proved to be very evenly matched, the four games resulting in one each and two draws.

(a) 10.20 is regarded as the best move here, although either 8.11 or 18.19 draws. (b) Unexpected, and shatters Black's game. (c) An oversight, but Black's position seems hopeless.

(d) This move is probably the commencement of White's difficulty, as it allows Black to secure a grip that he maintains throughout the game. (e) A pretty, concealed attempt to force the draw, and deserved a better fate.

(f) An interesting game. The following interesting game was played between A. Jordan and O. T. Harrigan, Pittsburg.—"Bristol."—Black: Jordan; White, Harrigan.

(g) 22.17 is best. (h) A powerful move. (i) A pretty trap. (j) Some authorities give 31.27 to draw here.

SOLUTIONS. By James Wylie. Black men on: 0, 8, 13, 14. White men on: 15, 20, 21, 22.

Black men on: 5, 17, 31. White men on: 20, 26, 29; King: 22. White to move and win.

CYCLING & MOTORING.

By "CYCLO."
March 17.—St. Patrick's Sports.
March 27.—Q.O.U. Annual Meeting.

The attention of members of the Queensland Cyclists' Union is drawn to the following rules:—

The first race in connection with the competition for Cup presented by the Queensland Cycle Club, was held on the Carrington Road course.

The Deputy Postmaster-General of Victoria is calling for tenders in the Government "Gazette" for the supply of motor cycles.

Francis Birtles completed his great cycle ride across Australia, from Fremantle to Sydney (8,077 miles), and on his arrival at the Sydney G.P.O. received a great reception.

Great efforts are being made both in the United States and Canada to send teams of first class road riders to represent each of those countries in the great Olympic 200 Miles' Road Race to take place around Lake Malaren (Sweden) next July.

The Queensland Cyclists' Union Council meeting takes place at the Grand Central Hotel on Wednesday evening next.

St. Patrick's Day Celebration. Committee have allotted £20 for members of the Queensland Cyclists' Union.

BOXING.
Bimana's Budget.

By "H.C."
February 17.—Hollingsworth v. Bagley.
February 24.—Joe Russell v. Tom King.

The strike knocked things awfully in connection with boxing dates. The amateur tournament had to be postponed and other affairs have also been put off.

A correspondent writes from Perth pointing out that an error crept into our report of the M'Gor-Morby encounter.

The popularity of Hook Keys was well evidenced on Monday night by the enormous crowd that filled the Melbourne Athletic Pavilion to witness his contest with Frank O'Grady.

Al. Thompson, the winner of the last Australian amateur heavyweight championship, fought his first professional fight at the Stadium on Saturday night.

AMATEUR ATHLETICS.

By "MERCURY."
February 18.—Q.A.A.A. annual meeting.
The Junction Park Athletic Club weekly meeting was held last Thursday night.

SWIMMING.

By "H.C."
[Press correspondents are requested to forward reports as early in the week as possible.]

Q.L.A.S.A. CARNIVAL.
Miss May Clarke, acting secretary of the Q.L.A.S.A., states that owing to the strike it has been decided to abandon the Q.L.A.S.A. Carnival for the present.

There was a fair attendance at the weekly swim of the Toowong Ladies' Swimming Club on Monday night.

The weekly swim of the Ladies' Commercial Swimming Club was held at the Arthur-street Baths last Monday evening.

The attendance was fair, but was to some extent affected by the strike. Those present included Madames King, Ryder, and Spittswood.

On account of the difficulty of transit through the strike, and from other causes, all junior cricket fixtures were off last Saturday.

On the first grade junior cricket Ashley secured an easy three-point win against Roma-street Railway, owing to the latter team not putting in an appearance last Saturday week.

The City Club held its weekly swim in the Metropolitan Baths last Tuesday evening. The attendance was fair.

The weekly swim of the South Brisbane Ladies' Swimming Club was held at the Municipal Baths on Wednesday evening.

CRICKET CHATTER.

By "COVER POINT."
Owing to the big strike all cricket in Brisbane was off last Saturday. Still there have been plenty of happenings outside and of direct interest to Queensland.

G. S. Crouch, who received the Board's endorsement as manager of the Australian team, is a keen cricketer and good sport.

The Q.O.A. fixtures were to be resumed to-day, but the fact that many cricketers are enrolled as special constables is likely to lead to some of the teams being very poorly represented in the field.

Information regarding the various clubs connected with junior cricket is invited for inclusion in this column.

On account of the difficulty of transit through the strike, and from other causes, all junior cricket fixtures were off last Saturday.

The Wynnum add. Manly Club is keeping the fire well kindled. At the monthly meeting last Tuesday a proposition to hold a basket picnic to Wellington Point on St. Patrick's Day was heartily agreed to.

The Royal Queensland Yacht Club has a big programme set down for next Saturday. The racing will include a scratch race for the one-design class, and handicap keel-power boats.

Mr. Farquhar Mack, hon. secretary of the Queensland Flying Squadron, returned from Sydney on Friday of last week after a fortnight's holiday with the Queensland sailing representatives.

SAILING.

By "TILLER."
While sailing men were ready and willing to carry out their engagements last Saturday, crews of the various steamers could not assist them with the flag-ship, owing to the work of the Trades Hall.

Baiting in Sydney Harbour was carried on peacefully and was favoured by a nice north-west to east-north-east breeze.

Our representative, Pastime, sailed by her owner, F. W. Coleman, put up a very creditable performance to get fourth against such a strong fleet and Sydney champion open boat skippers.

The Lipton Cup, a handsome trophy donated by Sir Thomas Lipton, of America Cup fame, to the Royal Sydney Yacht Squadron, some few seasons ago, to be won twice by the same owner in the 8-metre class and under.

One of the most successful skippers in Sydney this season is W. J. Duncaun. He won with Rhea in the 14-footer championship, and one of the anti-rarely regatta 14-footer handicaps.

The South Brisbane Club had its annual sailing race from Victoria Bridge to Oxley Creek down for to-day, and a strong entry was received for it.

The Wynnum add. Manly Club is keeping the fire well kindled. At the monthly meeting last Tuesday a proposition to hold a basket picnic to Wellington Point on St. Patrick's Day was heartily agreed to.

The Royal Queensland Yacht Club has a big programme set down for next Saturday. The racing will include a scratch race for the one-design class, and handicap keel-power boats.

games were played; but to-day it is hoped they will be resumed. The hon. secretary (Mr. Arnold) is away on a visit to the north, and during his absence the work of the club is being carried on by Messrs. Stirling and Gordon.

FREE TO CYCLISTS

IMPORTANT NOTE

The images of the document are in 'jpeg' format and must be viewed with a suitable programme.

The Commercial Amateur Swimming Club 1st Annual Aquatic Gala. 17 February, 1914.

This Programme for the above mentioned Carnival, conducted at the City Baths, Arthur St, Spring Hill, was given to the Queensland Swimming Association in September, 2000, by Mr Brian Emery of Noosa Waters, Queensland. It is possible that it is the only existing original of the programme in existence.

Unfortunately Barry Short who was, at the time, writing the 100 year history of the Commercial Club was not aware that this document was in the possession of the QSA. He did have a very poor photocopy of the document which he utilised for the purpose of the history, and this document was handed to the John Oxley Library in 2008, with all of the other documents etc relating to the club, so that they would not be lost, as was so many of the early documents, especially those of the Ladies Club.

Barry was advised by Kevin Hasemann, the CEO of Swimming Queensland, in December, 2008, that the document had been located and that, if desired, would be given into the possession of the Commercial Club. In January, 2009, Barry picked up the document from the QSA, together with a copy of the letter written by Mr Emery when he forwarded the programme to the QSA.

Barry contacted Mr Emery by phone and thanked him for giving the document to the Association. Unfortunately he could not remember how he had come into possession of it, although, after discussing the matter with his wife, he thought it may have come from his wife's mother some time in the past.

The complete document has been scanned and is recorded together with the material included on this DVD, to make it available to persons researching the history of swimming in Queensland.

It is a very interesting document esp. in regard to how the swimming fraternity dealt with such matters a hundred years ago, with events such as a 'Fancy costume Parade and Race, 25 yards,' 'Brace Novelty event' and 'Grand Finale – Fun on the Shute.' Additionally it discloses other details, for example that D.S. Carter, a well known supporter of swimming over the years was a tailor for men, with a shop at 99 Queen Street.
