A reply has been received from the Manager of the Australian Olympic Team, Mr H.Bennett, with reference for three swimmers to visit Australia this summer. The Secretary of the Amateur Swimming Union of Australia has been informed that Kealoha has accepted the invitation, but Duke Kahanamoku cannot say definitely until early this week whether he can make the trip. Vernot has returned to Canada, and it is probable the Union will communicate with him direct.

Q.L.A.S.A. ANNUAL MEETING

The Sixteenth Annual Report of the Queensland Ladies Amateur Swimming Association was presented to the Annual Meeting held last evening in the National Association Rooms. Mrs G.Thompson, presiding, congratulated the members on the success achieved this season which was one of the best yet experienced. 13 Clubs were now affiliated as against 12 the previous season, the Clubs being Commercial, Valley, Coorparoo, Wattle, Gymnasium, Metropolitan, Federal, Otter, Maroochydore, Maryborough, Townsville, Bundaberg, and Wynnum Gordons. The Australian and State Championships decided last season were reviewed, and it was stated that the Australian Championships would be held in Brisbane during the coming season. The Report expressed regret at the non-fulfillment of the promise of the City Council to provide baths for ladies only, and voice a hope that a deputation would be arranged in the near future to place the matter before those concerned. The Balance Sheet showed a Credit of £14/9/7, which was regarded as satisfactory in view of the heavy expense incurred in sending the Association team to Sydney.

The Report and Balance Sheet were adopted.

After a lengthy discussion, a new Rule was inserted providing that a member must attend a Club swim at least once a month, to be eligible to enter the State and Interstate Championships.

Mrs Thompson presented Misses Venning and Grant with the medals they had won at the Australian Championships, and also handed Misses J.Petrie and M.Lynch suitable presents as tokens of appreciation for their services as Honorary Handicappers.

The election of Officers resulted - Patroness, Mrs F.W.De Little; President, Mrs J.F.Fry; Vice Presidents, Mesdames G.Thompson, W.Kuder, H.J.Hale, A.Ryder, F.Springfield, A.Costin; Hon Handicappers, Misses J.Petrie, M.Lynch; Hon Auditors, Messrs W.Kuder, W.H.Duffy Jnr; Hon Secretary Mrs V.King; Hon Treasurer, Miss E.M.White; Advisory Board, Messrs E.J.Stevens, D.S.Carter, W.Kuder, H.J.Hale, W.H.Duffy Jnr, F.W.Springfield, F.W.De Little.

Q.A.S.A ANNUAL MEETING

The Queensland Amateur Swimming Association is continuing to make progress, and there was a large attendance at the Twenty Second Annual Meeting which was held in the National Association's Rooms, Courier Building, last evening. The Chair was occupied by the President, Mr D.S.Carter.

The Report recorded that last year was one of the best yet experienced. Affiliated Clubs numbered 48, including 12 Metropolitan Seniors, 10 Metropolitan Juniors, 17 Country and 9 Secondary Schools. This was an increase of 6 in number.

The Credit Balance had been substantially reduced owing to the heavy cost of sending representatives and delegates to South Australia and Western Australia.

The Executive noted with pleasure the establishment of new baths at Ipswich and Warwick, both of which would be available for the coming season. At Cairns there was a movement to secure up-to-date baths. The Executive placed on record its thanks to the Hon Secretary, to whose untiring efforts the present strength of the Association was due.

The Chairman, in moving the adoption of the Report, said the Education Department had taken up the matter of the instruction of children in Life Saving.

The Report was adopted.

The Chairman presented the Championship Medals won during the past season.

The election of Officers resulted - Patron, Mr E.J.Stevens; President, Mr D,S.Carter; Vice Presidents, Mr T.C.Beirne M.L.C, Alderman J.Hiron, Messrs C.W.R.Just, M.J.Barry, F.Springfield, J.Massai, W.H.Hinch, F.E.Duncalfe, J.H.Grice, F.W De Little; Hon Auditors, Messrs P.J.Donovan M.L.C, R.H.Bunting.

SWIMMING Ipswich Oct 12

Mr W.Pratt presided at the Annual Meeting of the Ipswich Amateur Swimming Centre at which the Mayor, Alderman J.F.Lobb, and Mr W.Kuder, Hon Secretary of the Q.A.S.A, were present.

The Annual Report stated that the five male Clubs had affiliated with the Centre, the registered membership being 267. The 100 yards Senior Championship had been won by R.Mullins (St Paul's) who lowered the Ipswich record, and the Junior Championship by F.Christopherson (GYMS).

Satisfaction was expressed at the fact that the new baths will shortly be due for opening. The Financial Statement indicated that the year had concluded with a Credit Balance of £26.

The following Officers were elected - Patron, The Mayor; President, Mr W.Pratt; Vice Presidents, Aldermen and others; Secretary and Press Correspondent and Delegate to QASA, Mr L.Herschel; Treasurer, Mr W.S.Johnstone; Senior Handicappers and Selectors, Messrs A.J.Schaffer, W.Molloy; Junior Handicapper, Mr W.Porter; Timekeepers, The President, Messrs J.J.McKenna, J.Dwyer, E.Skippington, Dave Gordon, W.Lomas, Simpson; Starter, Mr W,Dowd; Check Starter, Mr W.Gall; Referee, Mr W.Morgan; Auditors, Messrs P.D.Macdonald, J.A.Elliott; Judges, Messrs Madden, Henshall, Lane, J.Doyle, Stirling, Scaroni, S.J.Morgan.

Mr Kuder said the Executive of the Q.A.S.A would strongly advocate the inclusion of Ipswich and other country centres in the itinerary of the American

champion swimmers who are to visit Australia during the coming season.

Mr E.H.Mair, former Secretary of the Ipswich Centre and now President of the Toowoomba Centre, presented the Secretary, Mr Herschel, with a medal in recognition of his work on behalf of the sport.

AMERICAN GIRL SWIMMERS NEW SOUTH WALES PROPOSAL REJECTED BY QUEENSLAND

A meeting of the Executive of the Q.L.A.S.A was held last evening in the Cafe Majestic to consider letters received from the N.S.W.L.A.S.A regarding the proposed visit to New Zealand and Australia by Miss E. Bielbtry and America's next best girl swimmer.

The first letter set out that the estimated expenses of the Australian visit, apart from board and travelling expense, amounted to £400 of which it was proposed that New South Wales should find £100, Queensland £85, Victoria £75, South Australia £50, and New Zealand £76. An urgent reply was requested, and after careful consideration a telegram was dispatched stating that Queensland's share was too high, and offering £65. A letter was also forwarded by the Hon Secretary of the Q.L.A.S.A (Mrs Ring) pointing out that it would be impossible for spectators in Brisbane baths to clear expenses on the basis suggested - that £65 would be paid, providing the visiting swimmers appeared at some of the country centres. This would be the only way of obtaining sufficient revenue to meet the expenses.

To this a reply was received from the N.S.W.L.A.S.A stating that it was impossible to accept. Queensland had the added attraction of the Australian Ladies Championships this season, the letter stated, and the Council of the N.S.W.L.A.S.A could not see its way clear to reduce the required guarantee. If the other States were willing to guarantee their expenses there might be a reduction later, but it would not be so low an amount as £65. The N.S.W.L.A.S.A., the letter added, "would conduct and organize the team throughout the whole of Australia." The suggested itinerary of the visiting American girls was given, and it was stated that three carnivals would be held in Brisbane, on February 19, 23 and 26. The Association further stated that if the Queensland Association did not wish to hold the Australian Championships in Brisbane this year, the New South Wales Association was willing to take them.

The Executive of the Queensland Association carefully considered the correspondence, and in the discussion which took place it was pointed out that the proposal of the N.S.W Association could not possibly be acceded to, that under any circumstances the arrangements for the Queensland visit could not be carried out by an Association in another State, and that the whole proposition was untenable from a financial point of view. It was therefore decided that the Secretary should dispatch a telegram informing the N.S.W body that the Queensland Association did not accept the proposal regarding the American girls visiting this State. It was decided to centre efforts on making the coming Australian carnivals a success.

The Secretary of the Q.A.S.A (Mr Kuder) has been advised that the dates of the Australian Championships have been definitely fixed as follows - Hobart February 9, 12, 14 - Melbourne February 19 23, 26.

The Australian Swimming Union has submitted a proposal to the QASA that the visit of the American team to Queensland should take place say on March 8 after the Australian Championships, when a longer stay in the State can be guaranteed. The Executive has accordingly fixed on the following dates for Queensland carnivals at which the American visitors would appear - Brisbane March 5, Rockhampton March 8, Bundaberg March 10, Ipswich March 12, Toowoomba March 14, Warwick March 16. The Union is being advised that this arrangement would be acceptable to the Queensland Association.

FEDERAL CLUB'S CARNIVAL E.S.COLLIN STATE BACK STROKE CHAMPION

Interesting racing characterised the annual carnival of the Federal Amateur Swimming Club held in the Booroodabin Baths last night. There was only a moderate attendance of spectators. The chief event, the 100 yards Back Stroke Championship of Queensland, was contested for the first time in Queensland. There were four entrants, J.Gillen (SB), F.W.Springfield, E.S.Collin (V), K.McKinney (Tmba). E.S.Collin led all the way and won by 5 yards in 1.16 2/5, J.Gillen was second in 1.21, F.W.Springfield third in 1.21 4/5.

The officials were - Referee, Mr W.Kuder; Judges, Messrs J.Fitzgerald, D.S.Carter, V.Macartney; Judges of Diving, Messrs W.Kuder, J.Fitzgerald; Timekeepers, Messrs F.Springfield (standard), A.W.Halford, R.H.Bunting; QASA Handicapper, Mr W.H.Duffy; Starter, Mr F.E.Duncalfe; Check Starter, Mr G.Budd; Call Steward & Clerk of Course, Mr J.Massai; Costume Steward, Mr W.A.Watson; Result Steward, Mr H.New; Press Steward, Mr W.H.Crease; Post Entry Steward, Mr J.Massai; Hon Secretary, Mr. A.Bennett.

THREE MILE SWIM

"Fair Play", Ipswich, writes complaining about the action of the Q.A.S.A in postponing the Three Mile Swim in the Bremer River, and pointing out that intending competitors, particularly in the country, had been out to inconvenience owing to having undergone at least 6-8 weeks hard training. He understands a letter was sent to the Ipswich Centre stating that the swim would take place on December 4. Notwithstanding the condition of the river and the matter of boats, and that if a conference had been held in Ipswich on, say, three weeks or a month previous to the date of the swim as in past years all arrangements would have been made. He contends that the condition of the river was worse on the occasion of the last three swims than at present. The writer holds that the Q.A.S.A should instantly announce the date of the swim so as to give competitors a chance to resume training, and suggests Saturday 11 December, as the tide (he adds) will be the same as on December 4, and the officials would have two clear weeks to make arrangements regarding motor boats etc.

Sydney Dec 13

Beaurepaire, Herald and Kirkland, the Australian swimmers who took part in the Olympic Games, returned to Sydney today. Their opinions of how the Australians fared compared with those of other countries may be summed up in this - "Australian champion swimmers rank only second among those of the world, but there is no reason why Australia should not regain her position as premier swimming nation, if young swimmers who are equal to, if not better than, those of any other nation, are trained by correct methods."

AUSTRALIAN SWIMMING RECORD - 220 YARDS BREAST STROKE
NOTABLE PERFORMANCE BY E.S.COLLIN

In the Booroodabin Baths last evening, E.S.Collin, of the Valley Amateur Swimming Club, broke the Australian Breast Stroke record for 220 yards by covering the distance in 3.7, and lowering by three seconds the record put up by Edgar Finlay of West Australia in the Dock, South Brisbane in 1914. The first 100 yards was accomplished in 1.19.

It was anticipated Collin would lower the record and he entered the 220 yards Breast Stroke Handicap Race, with F.W.Springfield at "Go" and G.Smith at 25 seconds, Collin being 30 seconds behind Springfield. Springfield started at a smart pace and maintained the lead to within 10 yards of the finishing point, when Collin passed him and won.

MOWBRAY PARK BATHS - GRATEFUL BATHER

Keen disappointment was felt by hundreds of boys and men on Christmas Day when they found the Mowbray Park baths closed. The day was hot and the favourable tide made the prospect of a refreshing swim very attractive. When the crowd had grown to several hundreds, it was decided to interview Alderman Smith, a member of the South Brisbane Council who resides in the vicinity. The deputation was said to number over a hundred. Alderman Smith, in response to repeated appeals, agreed to go to the baths and see if the caretaker could be induced to open the door. According to rumour, the caretaker said he had his instructions from the Council and had to abide by them. It is stated that Alderman Smith, in response to further pressure, decided to take on himself the further responsibility of making the baths available, and so informed the caretaker. The keys were then handed over, and Alderman Smith, to the accompaniment of many expressions of satisfaction and approval from the crowd, opened the baths which were largely patronised throughout the day.

Alderman Smith paid for many small boys who were unable "to raise the wind", and it is understood the adult swimmers arranged to subscribe to the wages to which the caretaker could be entitled.

Letter to the Editor,
Sir,

If the report is to be believed, the action of Alderman Percival Smith in opening the Mowbray Park baths is more appreciated by the perspiring public than by the authorities whose edict was to close the baths without arranging for the thermometer to also have a day off. Possibly the Alderman had to break one or more regulations, but, being Australian, I am not particularly enamoured of regulations that do not, without sufficient reason, suit public convenience or comfort.

The crowd which assembled in ignorance of the baths being closed may have been somewhat surprised to find an Alderman with enough common sense and courage to flout a puny regulation but no protests were audible, and no doubt if Alderman Smith had not taken the sensible action he did, the glorious tide might have tempted the reckless and disappointed hot blood to cool itself by bathing in the open river with results, perhaps, not as satisfactory to the South Brisbane Council whose wisdom in matters of common sense is doubtless rather like its wisdom in finance (they always seem to know a lot about it after the event). Mr Smith's conduct may not be quite regular, but I, for one, appreciate it and hope for more of his kind in public affairs.

I am, Sir, Anti Humbug

SWIMMING

The monthly Council meeting of the Queensland Amateur Swimming Association will be held at the Grand Central Hotel tomorrow evening at 8 o'clock. The itinerary of two of the American amateur swimmers, Kealoha and Ludy Langer, who as already announced arrived in Sydney on Tuesday, includes a visit to Queensland.

Kealoha, who is 17 years old, is short of stature but his speed is marvellous, and he has to his credit the performance of 55 2/5 seconds for the 100 yards Junior American National Record which he accomplished last April. He also swam second to Kahanarnoku in the world's Olympic Games at Antwerp, and was second man home in the American team which won the World Championship.

Ludy Langer, who is described as a real game swimmer, finished second to Norman Ross in the 100 metres. He has the following performances to his credit - 440 yards Honolulu 1917, 5.57 2/5; 880 yards, 12.35 2/5; 1 Mile, 21.10.

NEW BATHS AT IPSWICH

The new swimming baths being erected by the Ipswich City Council were opened for use on Saturday afternoon, but the official opening will not take place until later in the month.

A large number of swimmers availed themselves of the opportunity to test the new baths which, when completed, will become the most up-to-date structure of its kind in the State.

The baths measure 100 feet by 33 feet, and the dressing rooms will give accommodation for 170 bathers. The galleries above the rooms will be capable of seating 700 persons.

THREE MILE HANDICAP - SUCCESS OF W.WATTS

The annual 3 Mile Handicap swim under the auspices of the Q.A.S.A was held on a fresh water section, three quarter mile long, of the Pine River near Petrie on Saturday, instead of over the Ipswich course where the event is usually decided. Although the afternoon was wet, a large crowd was present on the bank when J.Watts and A.Wren, the limit men, were sent away at 3.30. 32 competitors started, 22 finished.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs W.Kuder, F.W.De Little, J.Fitzgerald; Timekeepers, Messrs F.W.Nissen, H.J.Hale, F.Springfield, Les Nissen; Checks, Messrs A.Hardot, R.Lacey, J.Massai, H.New; Starter, Mr F.E,Duncalfe.

The result of the race was never in doubt after the first lap, as W.Watts (South Brisbane Club), 45 minutes on, who swam with a clean and useful overarm stroke, had established a good lead.

The results were - W.Watts (SB) 1 hour 3 minutes 51 seconds 1, J.Collett 2, T.Harrison 3.F.W.Springfield secured fastest time 51 min 23 sec, and the Valley Club's team of F.W.Springfield, I.Springfield, V.Collings, E.S.Collin and C.J.Smith secured the teams championship.

Two Juniors, J and A Wren of the West End Club, who are both under 16 years of age, completed the distance.

WEST END SWIMMING CLUB'S CHAMPIONSHIP CARNIVAL S.H.SPRINGFIELD WINS QUARTER MILE

The West End Amateur Swimming Club held a Championship Carnival in the South Brisbane Baths last evening in aid of ex-Corporal Jones who recently suffered the amputation of both legs as a result of an accident. The use of the baths was given free by the South Brisbane City Council. From the point of view of sporting interest the carnival was a great success, and a large attendance of interested spectators suggested large financial reward.

The chief event of the evening was the 440 yards Championship of Queensland for which S.H.Springfield (Val), F.W.Springfield (Val) and J.Laimer (C.Y.M.S Ipswich) were the starters. After a particularly close contest, especially between the Springfield brothers, the race was won by S.H.Springfield in 5.54 1/5. Laimer finished about half a lap behind.

SWIMMING CHAMPIONSHIPS
TWO RECORDS BROKEN
Hobart Feb 12

The Australian Championship Swimming Carnival was continued this afternoon in the Sandy Bay Baths, Hobart. The weather conditions were fairly favourable and there was a stiff breeze making the water choppy, and the times were not as good as on Wednesday night when the water was perfect. The previous Australian records were broken in two events, the 100 yards Back Stroke Championship and the 75 yards Open Handicap. The carnival will be concluded on Monday night when the 100 yards Breast Stroke Championship will be swum.

Results

75 yards Open Handicap - I.Stedman (Vic) 1, T.W.Sheehan 2, G.Darling (Tas) 3. Won by a touch. Time 30 2/5 - a record for Australia.

1320 yards Freestyle Championship of Australia - F.Beaurepaire (Vic) 1, Ludy Langer (Hawaii) 2, M.Christie (NSW) 3, E.Jones (WA) 4, F.S.Cotton (NSW) 5. The race early resolved itself into a contest between Beaurepaire and Langer. They swam together stroke for stroke for 1200 yards, gradually increasing their lead on the others. Beaurepaire then got ahead and won comfortably with 20 yards to spare, the other competitors being 50 yards behind Langer. E.Jones, of Western Australia who is only 16 years of age, swam a splendid race and proved himself to be a wonderful distance swimmer. He was third for 1100 yards, but then Christie (NSW) displaced him. S.H.Springfield (Qld) withdrew at 800 yards and S.Major (SA) at 900 yards. Beaurepaire's time was 17.43 4/5 and Langer's 17.57.

Diving Handicap - E.Jones (WA) 1, M.Darling (Tas) 2, S.E.Miller (Tas) 3

100 yards Back Stroke Championship of Australia - Pua Kealoha (Hawaii) 1, S.Beck (NSW) 2, E.S.Colin (Qld) 3, L.Uren (Vic) 4. The Hawaiian was the first to turn at the 50 yards and at 75 yards he had a lead of one yard, and won by twice that distance. Time 1.11 4/5 - a record for Australia.

200 yards Interstate Grouped Teams Race - Hawaii & Tasmania (T.W.Simpson & T.W.Sheehan, Tasmania, and Pua Kealoha & Ludy Langer, Hawaii) 1, New South Wales (S.Beck, M.Christie, F.S.Cotton, L.Duff) 2, Victoria & South Australia (L.Uren, S.Major, South Australia, and I.Stedman & F.Beaurepaire, Victoria) 3, Western Australia & Queensland (S.Jones & H.Jones, West Australia, and S.Springfield & E.S.Collin, Queensland) 4. ARRIVAL OF MISS BEILBTRY
Sydney Feb 16

Miss Etheldra Beilbtry, the champion lady swimmer of America, arrived in Sydney this morning on the steamer "Marana". She was accompanied by her Mother and a lady from Vancouver. At the Ladies Championship Swimming Carnival in the Domain Baths tonight, Miss Beilbtry made her first public appearance in Australia. She competed in the 220 yards championship, and though she was obviously not in her best form, she won the event by 6 yards. Miss Fanny Durack, the present holder of the title, did not compete as she states she has retired. In stature the winner was above that of the other competitors and her physique was also more pronounced than theirs. Her time was 2.58 2/5.

MISS BEILBTRY'S ARRIVAL

The world's champion lady swimmer, Miss Etheldra Beilbtry of America, arrived in Brisbane by the Sydney mail train last night. She was accompanied by her mother and Miss M.Dowd, who is also from America.

The team from New South Wales to take part in the Australian Championships and several other southern visitors also arrived, the party including Mesdames W.Chambers, M.Ballantyne, A.Whitchurch, Galton, and Misses Mina Wylie, L.Fevyer, L.Robertson, M.Lovelace and J.Evans.

A welcome on behalf of the Queensland Ladies Amateur Swimming Association was voiced at the station by Mesdames J.F.Fry (President), J.McGregor-Lowndes, V.King (Secretary), Misses M.White and McGregor. Miss Beilbtry was presented with a bouquet of flowers on behalf of the Association.

On the way to Brisbane she was met and welcomed by officials of the Toowoomba Clubs as she passed through that city.

VISITING LADY SWIMMERS A MAYORAL WELCOME

The Mayor of Brisbane, Alderman J.Maxwell M.L.A, in the City Council Chambers yesterday morning extended a welcome to the world's champion lady swimmer, Miss E.Beilbtry, Mrs Beilbtry and Miss M.Dowd and the visiting team of lady swimmers from New South Wales.

In extending a welcome to the visitors, the Mayor said that visits such as these were very beneficial to all the community. They had heard of Miss Beilbtry's prowess as a wonderful swimmer and were more than pleased she had made a visit to Queensland. If Brisbane public gave bumper houses on this occasion, it would be an encouragement to the Brisbane City Council to build better baths. It was a matter of pounds, shillings and pence to do this, and he hoped that by July a big baths scheme would be in hand. He hoped that visits such as these would enthuse life into the City's Aldermen by showing them the possibilities for the future. While Brisbane did not have a harbour like

Sydney, it had a beautiful river, and the City Council had intentions of building baths worthy of such notable swimmers as Miss Beilbtry (applause).

Mr F.W.De Little, who also voiced a welcome, hoped the proposed baths would be in the Brisbane River, and not in the Dock.

Mr D.S.Carter welcomed the visitors on behalf of the Queensland Ladies Amateur Swimming Association. He referred to the good work of the Manager of the team, Mrs W.Chambers, who had been really responsible for the visit of Miss Beilbtry to Australia.

Miss Beilbtry thanked the meeting for the cordiality of its welcome. She considered Australia ought to be proud of Miss Wylie who could not be beaten by any girls at present in America, and she was responsible for her making her record in Sydney recently.

Mrs W.Chambers, Manager of the visiting team, also spoke, and a vote of thanks was accorded to the Mayor on the motion of the President of the Q.L.A.S.A, Mrs J.P.Fry, seconded Mrs McGregor Lowndes.

THE COUNTRY TOUR

Arrangements have been made for Miss Beilbtry to swim at Ipswich next Tuesday night, at Toowoomba on Wednesday night, and at Warwick on Thursday night.

THE 100 YARDS CHAMPIONSHIP

At the insistence of the Secretaries of the Queensland and New South Wales Ladies Swimming Associations, a race was held in the South Brisbane baths to reduce to four the number of competitors in the 100 yards Championship to be swum tonight. As it was recognised that Misses Beilbtry, Wylie, Venning and Robertson were able to swim the distance faster than the other competitors, the latter agreed to swim for the selection of the fourth representative. Misses M.Springfield (Qld) L.Fevyer and J.Robertson (NSW) competed, and Miss Robertson won, her time being 1.15 3/5.

AMATEUR SWIMMING UNION OVERSEAS REPRESENTATIVES AND CHAMPIONSHIPS Melbourne Feb 23

The Annual Conference of the Amateur Swimming Union of Australia was held today, all the States being represented.

Mr H.J.Bennett (Vic) reported on the International Conference held recently at Antwerp, and stated that he had been appointed to be one of the delegates to the next Conference to be held in Switzerland.

Reference was made to the act that in the past few seasons Australian Championships had been won by swimmers from overseas, without any credit to Australians. It was resolved that in future, when visitors competed in such events, they would not be entitled, if successful, to hold the title of Champion of Australia or of the separate States, but would be handed a medallion setting out the separate honour they had gained.

Mr James Taylor (NSW) was elected President of the Union, Mr E.Snape (Victoria) Vice President, and Mr H.R.Kelly Secretary and Treasurer.

220 YARDS CHAMPIONSHIP BEAUREPAIRE DEFEATS LANGER Melb Feb 23

The second of the series of the Australian Swimming Championships was held in the City Baths last night. Interest was centred in the 220 yards Championship of Australia which was won, after a great race, by Frank Beaurepaire of Victoria, who touched the rope about two feet ahead of the American champion, Ludy langer. Beaurepaire's time was 2.27, an Australian residential record.

The heats of the championship were swum on Tuesday, and Ludy Langer, Pua Kealoha, F.Beaurepaire, F.Cotton and I.Stedman qualified to swim in the final. In the last 290 yards of the race, Langer made a wonderful sprint and gained 4 yards on Beaurepaire. Kealoha came a fairly close third, with Stedman fourth and Cotton fifth.

There was a close race between teams consisting of Springfield & Colin

(Qld) and Langer and Kealoha (Hawaii) for the International Invitation Relay Handicap, and the former, who were not so heavily handicapped as the Hawaiians, won.

AUSTRALIAN LADIES SWIMMING CHAMPIONSHIPS
MISS BEILBTRY WINS THE 100 YARDS
TEAM CHAMPIONSHIP TO NEW SOUTH WALES

The first of the Ladies Championship Carnivals was held in the South Brisbane Baths last evening and was a notable success. A record crowd assembled, it being estimated there were over 1500 persons present. Great interest was evinced in all the races, and the contests in most cases were very keen.

The two main events on the programme were the 100 yards, and the 150 yards Team Championships of Australia. The former was won by Miss E. Beilbtry of the U.S.A. in 1.7 $\frac{2}{5}$, being 2 $\frac{3}{5}$ seconds slower than the world's record established over the same distance in Sydney last Saturday by Miss Beilbtry. The 150 yards Team Championship was won easily by the visiting New South Wales team and a new record was established for the race. It was swum in 1.35 $\frac{4}{5}$, the previous record being 1.39.

Miss M. Dowd, of America, swam in the Junior (Under 16) races. She won her heat and semifinal in the 33 yards Junior Handicap and was just beaten by Miss Coleman in the final.

The Press table was monopolised by the Handicappers, and the absence of a Press Steward did not facilitate accurate reporting, but no doubt these disabilities will be remedied at the remaining carnivals.

Results -

Junior Interclub Handicap 33 yards - (Misses) K. Coleman 1, M. Dowd 2

B Grade Senior Interclub Handicap - N. Lanham 1, E. Howman 2

100 yards Championship of Australia (present holder of title Miss Mina Wylie NSW) - E. Beilbtry (U.S.A.) 1, Mina Wylie (N.S.W) 2, Elsie Venning (Qld) 3, L. Robertson (N.S.W) 4. From a great start Miss Beilbtry went to the front. The competitors were practically level at the first turn (33 yards) but Miss Beilbtry made the best turn and at 50 yards was leading by about 2 yards from Misses Venning and Wylie. At the second turn the American girl increased her lead to 3 yards and won by that distance from Miss Wylie. Miss Venning made a fine effort and was about 2 yards away third, Miss Robertson being a similar distance away, last. Time 1.7 $\frac{2}{5}$. The times of Misses Wylie and Venning were 1.10 $\frac{3}{5}$ and 1.13 $\frac{25}{100}$ respectively.

Junior Neat Dive - M. Thurlow

150 yards Team Championship of Australia (holders, New South Wales) New South Wales (M. Wylie, L. Robertson, L. Fevyer) 1, Queensland (E. Venning, M. Springfield, E. Warneke) 2. The visitors had the best of the race throughout and won by several yards. A new Australian record was established, the distance being swum in 1.35 $\frac{4}{5}$.

Neat Dive Senior - L. Fevyer (NSW) and L. Johnson equal. The dive-off was won by Miss Fevyer.

AUSTRALIAN CHAMPIONSHIPS
BEAUREPAIRE WINS 880 YARDS EVENT
Melbourne Feb 27

Scenes of great enthusiasm were witnessed at the City baths last night when the third of the series of contests for the Australian Swimming Championships was held in the presence of a large number of spectators.

In the 880 yards event Frank Beaurepaire won his fourth Australian Championship, defeating each time Ludy Langer, the Hawaiian swimmer.

Although Beaurepaire did not establish a record, his time of 11.20 2/5

was faster than he had previously done for the distance. The late B.B.Kieran held the Australian long course (50 yards and over) record of 11.11 3/5. The Australian short course (under 50 yards) record is held by Norman Ross who did the distance in Sydney last year in 11.15. Langer's time last night was 11.27. He was beaten by about 8 yards. Elimination heats were held on Friday with the result that F.Beaurepaire (Vic), L.Langer (Hawaii), S.Springfield (Qld) and S.Jones (WA) were left to contest the final. Jones beat Springfield for third place his time being 12.10 4/5. Springfield's time was 12.18 2/5.

In the 100 yards International Invitation Handicap Pua Kealoha (Hawaii), who was placed on scratch, gradually overhauled his opponents and passed them in the last lap. His time was 57 seconds. S.Springfield was second.

The 100 yards Back Stroke Handicap, which was the first race held of its kind by the Victorian Swimming Association, was also won by Kealoha after a close race. Kealoha's time was 1.10 2/5.

Hans Robertson easily won the City Corporation Junior Championship of Victoria. He led from the outset and finished about 30 yards ahead of Cormack (Melbourne). His time of 1.1 1/5 was faster by 5 4/5 seconds than the junior record established by Frank Beaurepaire in 1906.

MISS BEILBTRY WINS THE 440 YARDS CHAMPIONSHIP

The presence of Miss Etheldra Beilbtry, the world's champion lady swimmer, and the fact that the proceeds of the gathering were in aid of the Babies Home Appeal, resulted in a large attendance at the Queensland Ladies Swimming Association Championship Carnival in the South Brisbane Baths last night.

The American visitor took part in the 440 yards Championship of Australia in competition with Miss Mina Wylie (NSW) and Miss E.Venning (Qld) and won comfortably by 20-30 yards. At the first turn the American was slightly in the lead, and moving majestically in the water, she gradually increased her advantage. With 7 laps to go she was 9-10 yards ahead of Misses Wylie and Venning who were keeping close together. Moving through the water with graceful glide causing rarely a splash or ripple, the champion finished amid hearty applause in a time of 6.27 against 6.45 by Miss Wylie and 6.51 3/5 by Miss Venning. The Queenslander swam remarkably well but lost each time at the turn. She was not more than 5-6 yards behind the NSW representative at the finish.

In the Brace Relay Handicap Miss Beilbtry put the length of the baths behind her in 17 3/5 seconds, a feat for which she was heartily applauded. She also pleased the spectators with some fancy diving and swimming in company with Miss Wylie.

Between the competition events exhibitions of swimming were given by Mr Jim Thompson and Master Percy Wallace, and a display of fancy diving by the "Swallows" led by Kit Petrie.

MISS BEILBTRY AT TOOWOOMBA
Tmba Mar 2

Miss Etheldra Beilbtry, the lady champion swimmer, accompanied by the interstate swimmers, arrived by mail train from Ipswich today. The visitors were met at the railway station by Mr E.H.Mair, Misses M.McQuade, D.Smith and other Toowoomba officials, and after a formal welcome were taken to their hotel.

This afternoon, the Deputy Mayor, Alderman T.S.Burstow, extended a Civic Welcome at the Town Hall to the visiting swimmers, and subsequently they were entertained at afternoon tea by the lady members of the Toowoomba Ladies Swimming Club.

Miss Beilbtry accepted a private invitation to ride on horseback to the Rangeville State School while the other members of the party motored there. Miss Beilbtry was accompanied by Miss G.Doneley and Mr Hector McPhie. Misses Dowd, Robertson, and Fevyer gave an exhibition of swimming in the school baths. When Miss Beilbtry arrived, although the hour was late, she immediately changed from her riding costume to her swimming costume and joined the others in the baths and gave a delightful exhibition of swimming to the pupils and visitors.

As Misses Beilbtry and Dowd are anxious to meet the male American swimmers tomorrow as the latter pass through by the mail train to Brisbane, the American visitors and others will leave Toowoomba tomorrow by the early morning train so as to meet Ludy Langer at Warwick.

There was a record attendance at the carnival held in the City Baths tonight under the auspices of the Toowoomba Ladies Commercial Club.

NEW AUSTRALIAN RECORD SUCCESS OF THE HAWAIIANS KIMMINS COUNTRY CHAMPION

The International Swimming Carnival held in the South Brisbane Baths on Saturday under the auspices of the Queensland Amateur Swimming Association was one of the most successful ever held in the State. In addition to many visitors from many country centres, the appearance of the Hawaiian champions, Pua Kealoha and Ludy Langer, added much to the attractiveness of the programme. The weather was ideal.

The 100 yards County Championship was won by F.Kimmins (Toowoomba), Kealoha won the First Class International Handicap by 2 yards, and Ludy Langer established a new Queensland Record for 440 yards, covering the distance in 5.20. The record was previously held by B.B.Kieran who in 1905 covered the distance in 5.37 1/5.

Results -

550 yards Flying Squadron Club Championship of Queensland (5 in a team, each to swim 100 yards) - South Brisbane No 1 Team (J.Gillen, J.C.Boyle, W.Morahan, A.Linton, G.Noble) 1, Valley (L.Pierce, W.Burnup, F.Venning, S.H.Springfield, F.W.Springfield) 2, South Brisbane No 2 team (H.Taylor, A.Keary, J.Nunn, W.Watts, H.Lough) 3, Won by 3 yards. Time 5.30 2/5

66 yards Junior Interclub Handicap - L.Stansfield (KG) 1, J.S.Mowbray (SB) 2, Won by 2 feet.

100 yards First Class International Handicap - Pua Kealoha (Hawaii) 1, T.V.Boyle (SB) 2, J.Green (SB) 3. In spite of the advantage which the lead swimmers had, the visitor was on level terms with them before 66 yards of the distance had been covered. Gliding through the water with grace and ease he went to the front and left the local men spurting in the rear. He eventually won by 2 yards and was never at any stage of the race properly extended. Time 55 2/5.

66 yards Cecil Healy Interclub Memorial Handicap - Ludy Langer 1, S.H.Springfield (V) 2, R.Mullins (Ips) 3. Though Ludy langer gave the limit man a start of a length and a half, after 7 laps had been covered he was on equal terms with the leading man. He gradually forged ahead and won by fully three quarters of a length. The time 5.29 is a Queensland record, the previous best being 5.37 1/5 put up by B.B.Kieran on 2 December 1905. S.Springfield's time was 5.53

132 yards Brace Relay Interclub Handicap - J.Bell & L.Bowzer (Bundaberg) 1, F.Amos & E.Christensen (Bundaberg) 2.

A CIVIC RECEPTION

In the Town Hall on Saturday Ludy Langer and Pua Kealoha, the visiting swimmers from Hawaii, were the guests of the Mayor at a Civic Reception. There was a large attendance of representatives of sporting bodies, especially of swimming clubs. Mr D.S.Carter attended on behalf of the Queensland Amateur Swimming Association and Mrs King and Miss White on behalf of the Queensland Ladies Amateur Swimming Association. The Mayor, in extending a hearty welcome to the visitors, said that the City Council fully recognised the need for providing Brisbane with up-to-date swimming baths.

Mr D.S.Carter, in welcoming the visitors, pointed out that they came to Queensland as strict amateurs, receiving only their board and travel expenses, and they came in the interests of clean amateur sport (applause). Messrs M.J.Kirwan M.L.A. and F.W.De Little also joined in extending a welcome.

Mr Ludy Langer, in replying, spoke interestingly of his experiences in Australia. He said he was glad to hear what the Mayor had said about the new baths. Right through Australia the facilities for swimming were very poor. When he first started, the height of his ambition, and the mission of all Americans, was to beat the Australian swimmers who were then in the first rank. He studied the strokes and tried to improve on them. The Australian swimmers should do the same. They should get the promising youngsters into the game and coach them properly. He was most impressed by the local custom of taking the school pupils to the baths for swimming lessons, but there again, the children should have skilled teachers. Australia had all the necessary enthusiasm and all the material for the training of great swimmers, but at present they lacked the proper facilities and the proper coaching.

Mr Pua Kealoha, in a breezy address, said he was delighted with Australia. He himself started as a Breast Stroke swimmer, but he soon gave up that style as he preferred getting to the other end of the baths and also getting back and out as quickly as possible (laughter).

ROYAL LIFE SAVING SOCIETY

At a meeting of the Executive of the Royal Life Saving Society, Mr S.J.Beck in the Chair, it was reported an examination would be held at Coolangatta and Tweed Heads, next Sunday. On the same day, displays of Life Saving and reel work would be given at Sutton's beach, Redcliffe, under the auspices of the Progress Association which had collected sufficient money to purchase a life saving reel. Instruction in Life Saving methods and examination of enthusiasts would be held in the afternoon.

The teams to give the display would comprise F.W.Springfield and S.H.Springfield, E.S.Collins, J.W.Thompson, F.O.Venning, (Jnr) and W.Burnup.

A Lifesaving carnival was fixed for April 9 in the Ithaca Baths when the programme will include the competition of State Schoolboys Teams for the "Courier" Shield. On Easter Sunday and Monday a surf carnival will be held at Tweed Heads.

The Kirra Surf Club at Coolangatta was complimented for its good work.

SWIMMING
Notes by "Neptune"

With the approach of warm weather the members of swimming clubs are busy preparing for the coming season. From the reports of General Meetings which have been held, there is promise of a very successful season.

The Annual Meeting of the Q.A.S.A was held in the Y.M.C.A Rooms on September 28 and a good deal of business was transacted. The Annual Report, which was a comprehensive one, dealt with the past season and the prospects for the present one. Praise was given to those members who had done so much to keep up the name of Queensland in the swimming world. The Balance Sheet showed there was a Credit Balance of £62. The officers responsible for this creditable state of affairs came in for their share of praise, and taken all round, the prospects for the season appear very good. The Hon E.J.Stevens was re-elected Patron and Mr D.S.Carter re-elected President. The following were elected Vice Presidents - Hon T.C.Beirne M.L.C, Messrs F.Springfield Snr, C.W.R.Just, F.W.de Little, W.B.Swain, C.W.R.Just, J.Massai, F.E.Duncalfe, W.H.Hinch, J.Hiron, and Wallace Bishop. Mr W.H.Duffy Jnr was re-elected Handicapper and the Hon T.J.Donovan M.L.C and Mr R.H.Bunting were elected Auditors.

The election of Chairman of Council, Official Starter, Standard Timekeeper, Secretary, Treasurer and an Executive of 5 will take place at a meeting of Council to take place on Friday evening next at 8pm at the Grand Central Hotel.

The Annual Meeting of the Q.L.A.S.A was held on Friday evening last. The Annual Report stated that the number of affiliated clubs increased to 14 against 13 the previous year. Miss E.Venning was congratulated on successfully defending her title of Champion Breast Stroke swimmer of Australia. The Balance Sheet showed a Credit Balance of £64 odd, which will be very useful when the expenses of sending State representatives away have to be met. The following officers were elected - Patroness, Mrs F.W.de Little; President, Mrs J.P.Fry; Vice Presidents, Mesdames G.Thompson, H.J.Hale, F.Springfield, J.McGregor, W.Kuder, F.Venning; Handicappers, Miss M.Lynch and Mrs E.I.Stenhouse; Advisory Board, Hon E.J.Stevens, Messrs D.S., Carter, W.Kuder, H.J.Hale, F.W.de Little, W.H.Duffy, and F.Duncalfe; Hon Treasurer, Miss E.M.White, Hon Secretary, Mrs V.King.

The Annual Meeting of the following Clubs have been held recently and officers appointed an arrangements made for commencing the weekly swims - Federal, Valley, Kelvin Grove A.A.C, Toowong, South Brisbane, Otter Ladies, Brisbane Ladies, Commercial Ladies, Federal Ladies, West End Ladies, T.C.Beirne Ladies, Coorparoo Ladies, and Metropolitan Girls. A meeting of all interested in the formation of a ladies club at Kangaroo Point is to be held in the Kangaroo School of Arts on Thursday 6th instant at 8pm.

A club, known as the Southport Amateur Swimming Club, was formed at Southport on last Thursday evening. Officials have been appointed and arrangements made for holding a general meeting every month.

The Rockhampton Club is in full swing. The first swim has been arranged for Thursday night, and a number of events have been arranged in connection with a regatta to be held in the Fitzroy River on 8th instant. It has been decided to affiliate with the Q.A.S.A and to apply for a Championship.

A meeting has been called for next Friday evening in the Ithaca Baths with the purpose of forming a mixed bathing club. All interested are invited to attend.

Mixed diving competitions for ladies and gents have been arranged in connection with the Fete, in aid of the South Brisbane Anzac Memorial, to be held in Mowbray Park on Saturday next. Displays of swimming and a Life Saving display with F.E.Venning, Chief Instructor of the Society in charge, are also to be given.

A meeting of all interested in the formation of an all-round Athletic Club to introduce swimming, boxing etc will be held in the Town Hall, Sandgate, on Monday evening next, the 10th instant, and it is anticipated that a representative of the Q.A.S.A will be present to offer advice in connection with the swimming.

Club Secretaries are cordially invited to forward reports of their weekly swims etc for insertion in this column. Contributions are to be sent in at the earliest possible moment.

SWIMMING NOTES by "NEPTUNE"

The balloting for the State Championships and their locations this year will be decided at the Council Meeting of the Queensland Amateur Swimming Association on Friday night next. The distances are, 100 yards, 220 yards, 440 yards, 1/2 mile, 3/4 mile and 1 mile, all free style, 100, 220 and 440 yards breast stroke, 100yards back stroke, and 60 yards junior. Last year applications were received from several country districts for the right to decide one of them, and Maroochydore, Maryborough, Bundaberg, Warwick, Toowoomba and Ipswich all decided a State Championship.

Last New Year's Day, the 100 yards free style was decided at Maroochydore, resulting in two South Brisbane members, Jack Gillan and W.Thompson filling first and second places with S.H.Springfield third. Some discussion took place regarding the course at Maroochydore which is open water, and the race was not considered satisfactory, in fact the delegate representing Maroochydore on the Council of the Association gave notice of his intention to move at the initial Council meeting this season that no State championship be decided unless the Council was satisfied that a proper course was available.

The 440 yards was decided at Maryborough where there is an excellent bath, and S.H.Springfield successfully defended his title, Jack Gillan being second. At Bundaberg, notwithstanding inclement weather, the 220 yards breast stroke was decided resulting in a win for E.S.Collin, J.Brett, a club mate, being second. The 100 yards breast stroke took place at Warwick on New Year's Day when E.S.Collin and C.J.Smith filled the places. The carnival at Warwick was well attended and over £80 was taken at the gate. At Rockhampton, before the close of the season, F.W.Springfield headed R.Mullins in the 3/4 mile, and at Ipswich, on the occasion of the opening of the new baths, the 1 mile championship resulted in a win for S.H.Springfield after a strenuously contested race with Joe Laimer being second.

Applications for State Championships this season are expected from Wynnum, Valley, ANA Hospital for Sick Children carnival, Davies Park baths committee, Federals, Toowong, South Brisbane, West End, Ipswich, Toowoomba, Commercial Maryborough, Bundaberg, Warwick, Rockhampton, Cairns and Maroochydore. There is certainly going to be a rush for these events, and some means will have to be devised by the Council of the Q.A.S.A to satisfy the unsuccessful applicants. It was mentioned at the Annual Meeting, that a series of Swimming Championships might be inaugurated to be held at country centres. This would ensure the holding of all State Championships in the metropolis.

The Australian Championships will be held in Brisbane, and it is hoped in the new baths at Davies Park this season, when it is expected that the champions of all the other States, including Frank Beaurepaire, Ivan Stedman, and others, will be present.

SWIMMING WEST BRISBANE A A CLUB

The West Brisbane A A Club (late St Barnabas) held a meeting in the Ithaca Hall, Kennedy Terrace, last Tuesday evening for the purpose of forming a swimming branch of the Club this season. A fair attendance was recorded and enthusiasm prevailed throughout the meeting. As usual, it was again decided to hold the weekly events in the Ithaca Baths, Paddington, the opening swim to be held during next week, with the evening yet to be decided and arranged. The race will be a 50 yards scratch event with two neat diving contests. A trophy valued at one guinea will be donated to the swimming branch once a month to be contested for as a sealed event. In addition to same, the usual points trophies to the value of 25/- and 15/- for first and second places respectively in the

swimming events, and one guinea in the diving events will be allocated to the branch. The Club will again affiliate with the Q.A.S.A to give members the opportunity to have the best in this aquatic sport in interclub contests. It is desired of the old Club members, that as many members as possible be induced to join the Club, thereby making greater competition in the events, which no doubt, added to trophy money, should prove a great incentive to make a very successful season assured. The officials elected for the swimming branch are as follows - Hon Secretary, A.W.Smith; Captain, R.Herricks; Vice captain, E.Farmer; Hon Handicapper, A.R.McLeod; Starter, H.Northover; Judges, E.Conway, W.Sawyers; Delegates to Q.A.S.A, A.Smith, Joe Sawyers; Committee, Officials of the branch.

SWIMMING NOTES
by "Neptune"

Meetings of the Councils of the Queensland Ladies Amateur Swimming Association and the Queensland Amateur Swimming Association were held on Friday evening last.

At the Ladies meeting delegates were present from the following Clubs; Federal. Otter, Commercial, Valley, Wattle, Metropolitan and Coorparoo. Mrs J.P.Fry (elected Chairwoman). Mrs V.King (Hon Secretary) and Miss E.M.White (Hon Treasurer) were also present. The election of an Executive Committee of five resulted in Mesdames Cribb (Federals), Stenhouse (Commercials), Lowndes (Otters), Miss R.Fell (Brisbane), and Miss V.Haggan (Metropolitan), being appointed.

Carnival dates were granted as follows: 23 November, Sick Children's Hospital Appeal at South Brisbane Baths; 1 December, Commercial at Arthur Street Baths; 15 December, Valley at Wickham Street Baths.

Mesdames Hale and Lowndes were appointed Costume Stewards. They will also assist in carrying out the work at carnivals. These appointments were found necessary owing to the ever increasing number of competitors at carnivals.

In reference to a question received from the Queensland Amateur Swimming Association, the ladies allowed an unclaimed prize in the international carnival Art Union to be donated to the Bundaberg Club. This Club was unfortunate in the matter of weather last season when the two Hawaiians visited the town. It was also decided that the value of trophies must be described on all carnival programmes, and before presentation must be inspected by the Hon Secretary, Mrs King. The ballot for the various State Championships will take place on Friday evening next at the Cafe Majestic.

At the meeting of the Queensland Amateur Swimming Association several important matters came up for discussion. The Principle of allowing outside bodies to participate in the drawing for State Championships was warmly debated, and eventually it was decided to offer no objection to their applying for a State Championship, as bodies such as Children's Hospital Appeal Committee, Foundation Day Committee, and West End Progress Association, always donate their funds to worthy purposes. The swimming Council is to be congratulated upon its decision.

The President, Mr D.S.Carter, was re-elected Chairman of the Council Mr W.Kuder was appointed to the dual position of Secretary and Treasurer Mr F.E.Duncliffe was appointed Starter, Mr F.Springfield Snr Standard Timekeeper. Messrs Hall (Toowoomba), Duffy (Maryborough), Bunting (Rockhampton), Macartney (West End), and F.E.Duncliffe (Toowong) were appointed the Executive Committee after a good contest in which nine participated. The following Hon Officers accepted the positions to which they were elected at the Annual Meeting: Hon E.J.Stevens (Patron), Hon T.C.Beirne, Messrs C.W.R.Just, F.W.de Little, W.B.Swain, and Wallace Bishop as Vice Presidents.

A good deal of discussion took place regarding the decision of the State Championships this season, and the matter of deciding if all should be decided within a 30 mile radius of the G.P.O. It is to be decided at the next meeting. If this suggestion is agreed to, a series of Country Championships for members of affiliated Clubs outside the 30 mile radius will be instituted and should considerably improve the standard of swimming in the country districts,

especially in long distance swimming. It should also have a good effect, as their interest in such events will act as a stimulus on the Clubs concerned.

The matter of securing a suitable design for a Standard Certificate was left to the Executive.

Carnival dates were granted as follows - 16 November Valley, Wickham Street Baths; 23 November Children's Hospital Carnival, South Brisbane Baths; 13 December Commercials, Arthur Street Baths; 18 January South Brisbane, Wickham Street Baths.

A new Ladies Club has formed at Kangaroo Point. The principal officers elected were - Miss W.Thompson, Hon Secretary; Miss A.White, Hon Handicapper; Miss L.Borwick, Hon Treasurer. The Club has excellent prospects and will swim in the Metropolitan Baths on Wednesday evenings.

Wattle Ladies held their first swim at the South Brisbane Baths last night. Miss M.Scott is again its Hon Secretary. The Ladies Commercial started the season last Monday. The champion, Miss E.Venning, has joined the Club this season. The Federal Ladies Club will hold its first swim this evening in the Wickham Street Baths. Valley Men's Club members faced the Starter last Wednesday evening. This Club is ever to the fore in long distance events which improve the swimmers generally, Kelvin Grove starts this evening, and the Toowong Club starts next Tuesday

The West End (Men's) Club will swim at the South Brisbane Baths on Tuesday evenings. Mr H.Davis has been re-elected Hon Secretary. Members are particularly pleased with the junior members who won the 250 yards Junior Flying Squadron Championship last season. The Annual Meeting of the Club was a great success, and excellent support for the Club is already forthcoming for this season.

Several of the Clubs associated with the Ipswich Centre are busy holding their Annual Meetings and a good season is predicted. The same may be said for Rockhampton which is eagerly looking forward to a visit from a southern contingent this season.

South Brisbane opened the season on Monday night at the Metropolitan Baths. There was a very large attendance and great enthusiasm was displayed. Hon E.J.Stevens has accepted the position of Patron and donated a trophy. Messrs C.W.R.Just, J.Quinlan, and R.W.H.Long have accepted the positions of Vice Presidents and made donations. An old and respected member of the Club in the person of Mr Chas Olsen was elected Captain. Officials for the evening were Judges, C.Olsen, D.Bryle, L.Quinte; Starter, W.H.Crease; Handicapper, C.R.Denford.

SWIMMING NOTES

Drawing for the Championships of the Queensland Ladies Amateur Swimming Association took place at a meeting of the Executive which took place at the Cafe Majestic last Friday evening at which Mrs Cribb presided. The following is the allotment of the Championships as a result of the drawing - 30 yards Junior, Brisbane Ladies Club; 100 yards, Federal Ladies Club; 100 yards Breast Stroke, Commercial Ladies Club; 220 yards Wattles Ladies Club; 440 yards Otter ladies Club; 150 yards Teams Race, Valley Ladies Club; Flying Squadron, Coorparoo Ladies Club; whilst the 50 yards Race is to be decided at a carnival under the auspices of the Q.L.A.S.A.

At the above meeting application for affiliation as granted to the Kangaroo Point Ladies Club, and permission to hold carnivals was granted to the following Clubs and dates mentioned - Brisbane Ladies Club, 11 January; Federal Ladies Club, 19 January.

The Hon E.J.Stevens has accepted a position on the Advisory Board of the above Association and has promised a donation for the carnival. Mr W.Kuder has accepted the position as a Vice President and has also promised assistance.

Weekly swims of the Valley (Men's), Kelvin Grove, South Brisbane, and T.C Beirne Clubs was reported, also Federal Ladies Club with officers - President, Mrs Massai; Secretary, Mrs Cribb; Starters, Mrs Gooma and Miss Claxton; Judges, Mrs Halford and Misses Harrison and Paterson. After the Federal Ladies Club

swim a presentation was made to Mr J.W.Thompson, lessee of the Booroodabin Baths, of a silver-mounted walking stick suitably inscribed, as a recognition of the valuable assistance rendered to the members last season.

An interesting display of swimming was given by the members of the Valley Club at the Fete of the Ascot State School. The school committee providing a swimming pool is a step in the right direction, and the judicious use of the pool by the children will be to their benefit. In a warm climate such as we have in Queensland it is a pity that all schools are not provided with swimming pools where the children could be taught this very useful art, and at the same time they would be taking part in an exercise second to none.

Death has robbed the Association and the sport of an enthusiast in the person of Mr Vic Macartney. Mr Macartney was an active member of Council and a member of the Executive of the Q.A.S.A. he was much respected on account of his straightforwardness and will be sadly missed.

The portion of the Australian Championships allotted to New South Wales have been set down for decision on the 14th, 18th, and 21st January next. The remainder, which has been allotted to Queensland, will be decided at a later date which has yet to be fixed.

NAVAL RESERVE SPORTS

A special general meeting of the R.A.N.R. Sports & Social Club was held at the Naval Depot, William Street, on Monday night, C.P.O Whatley being in the Chair. A swimming branch was formed and the following officers elected - President and Handicapper, Mr Alexandra; Secretary, Mr R,Pender; Delegates to Q.A.S.A, Messrs Smith and Pender; Committee, Messrs Staines, Smith and Pender. Mr Alexandra kindly donated a medal for the swimmer with the greatest number of points at th end of the season. The Committee also decided to allot trophies during the year. Weekly swims will be held at the Metropolitan Baths commencing on Thursday 27 October.

SWIMMING NOTES by "Neptune"

The latest of the season's carnivals, that of the Valley Club, will take place at the Wickham Street Baths on 11 November. A very effective programme comprising 30 yards Novice Handicap (Club members only), 60 yards Junior Handicap, 60 yards Junior Handicap Interclub, 60 yards Butterfield Memorial Handicap, 220 yards Interclub Handicap, 90 yards Back and Breast Stroke Handicap, Diving events for both Senior and Junior, and a Novelty event. Besides the above, there will be a Championship event, the distance not given until after the Council meeting of November 4. Valuable trophies will be given for the above events and competitors are assured of a good evening's enjoyment.

Word has been received from the Cairns Club that the new baths will be completed by the end of the season. The baths when completed will have cost about £600, and the swimming pool is 75 feet x 50 feet. A platform 80 feet x 11 feet is being built on one side, and at one end dressing boxes with a public gallery above is being provided. The depth of the water ranges from 7 feet to 15 feet. The Club has shown great energy and enterprise in having these baths built and should receive congratulations from all those interested in swimming. It has set an example which could well be followed by other Clubs.

The proposal to hold all the State Championships in the metropolis is sure to have great opposition from outside centres, and it is understood that a very strong protest against such an action is to be made on behalf of the Rockhampton Club. This matter is to be decided at the next Council meeting of the Queensland Amateur Swimming Association. The Rockhampton Club, which is a real live concern, has made an alternative suggestion that the Championship competition should be held in the town in which the holder of such Championship resides.

The programme for the ladies portion of the carnival to be held on 23 November next in the South Brisbane Baths in aid of the Children's Hospital comprises .the following events - 100 yards Handicap for trophies valued at

£2/2/- and £1/1/- 66 yards First Class Handicap for trophies valued at £1/1/- and 10/6, 33 yards Junior Handicap for trophies valued at 15/- and 7/6, Neat Dive for Seniors prize valued at 10/6, Neat Dive for Juniors for a prize valued at 7/6, and Brace Relay race for which £1/10/- is to be given for trophies. In view of the very worthy objects for which this carnival has been arranged, it is expected good entries will be received.

According to advice received, the New South Wales Swimming Association has made arrangements for a visit from Miss Gretha Shand, the New Zealand Champion, and if this lady comes across, it is possible an endeavour will be made to get her to visit Queensland.

The Swimming Associations of Victoria have recently lost the services of their Secretaries. Miss D.Sandford was compelled owing to pressure of time to resign the Secretaryship of the Victorian Ladies Association, and has been succeeded by Miss D.Macpherson. Mr G.Maynard, who has held the position of Secretary of the Victorian Association for 6 years, has also resigned from that position. Mr Maynard has been a prominent worker in the cause of swimming and his friends hope that though relinquishing the position of Secretary, his services will not be altogether lost to the Association.

The Annual Meeting of the Ipswich Amateur Swimming Centre was held last Wednesday in the St Paul's Young Men's Society Hall, Mr W.Pratt presiding. The Annual Report submitted by the Secretary, Mr L.Herschel, showed that a very successful year had been experienced. The number of affiliated Clubs had increased by 100%, and aggregate membership had increased by 196 over the previous year. The Report expressed great pleasure at the progress being made by the Rosewood Club, and thanked Dr Wallace (the Club's President) for kindness shown to members of the Executive of the Centre. The donors of trophies for the various carnivals were thanked for their generosity. and the City Council, the City band, the President, and Miss Ivy Ajax, were especially thanked. The latter lady has donated a ten guinea trophy for competition during the coming season. Mr W.Pratt was re-elected President, and a large number of Vice Presidents were also elected. Mr L.Herschle was re-elected Secretary and Mr W.S.Johnstone Treasurer. Mr Herschle was also voted a Delegate to the Q.A.S.A, and will act as Press Correspondent. The Committee has a Credit Balance of £83/18/3, and has therefore a good start off with this season.

According to the "London Sportsman" of 8 September, the Swedish swimmer, C.Arneborg, broke the 440 yards and 220 yards English records. There is a move on foot to endeavour to arrange for a visit from this swimmer, and if successful, the meeting between Arneborg and the leading Australian swimmers should prove a big attraction.

SWIMMING NOTES
by "Neptune"

A combined swimming carnival has been arranged to take place in the South Brisbane Baths on 23rd instant in aid of the Sick Children's Hospital. The programme of the Queensland Ladies Amateur Swimming Association was published in last week's notes, and the following is the men's portion of the events - 66 yards Senior Interclub Handicap (Prizes £2/2/-, £1/1/-, and 10/6, entry 1/-); 66 yards Junior Interclub Handicap (Prizes £1/1/- and 10/6, entry 6d); 220 yards Interclub Handicap (Prizes 15/- and 7/6, entry 1/-); Neat Dive for Seniors (Prize 10/6, entry 6d); Neat Dive for Juniors (Prize 10/6, entry 6d); Brace Relay Handicap (Prize £2/2/-, entry 2/- per team); and the star item will be a Championship of Queensland, the distance of which has not yet been fixed, for which medals valued at £2/10/- and £1/10/- will be given. Entrance fee has been fixed at 2/6. Entries for the Q.A.S.A events close with Messrs D.S.Carter, Queen Street, and J.Massai, Valley on Wednesday 16th instant, and for Q.L.A.S.A events, with Mrs V.King, Municipal Markets, Roma Street, on the same date. Late entries for all events will be charged double rates. This carnival should receive hearty support from all swimmers, and, given good entries, is sure to attract the public in large numbers.

The Rockhampton Club has been successful in stimulating interest in swimming in a number of business houses. At the last Committee meeting the

Secretary reported that teams from the following places had entered for competition - New Zealand Loan & Mercantile Agency, J.M.Headrick & Co, J.Stewart & Co, Witham's Ltd, R.Davis & Sons, Harris Ltd, and the Railway Goods Yard. These teams will meet in regular competition, and much good should result from such a scheme. The Christian Brothers and the Depot Hills Schools have entered for the schools competition.

The Annual Meeting of the South Australian Swimming Association was held on 16 October. The membership is growing and 24 Clubs are affiliated with an estimated roll of 2000 members. There are several good country Clubs, and endeavours are to be made this season to have others established. The Financial Statement showed Credit Balance of £21 which is considered satisfactory in view of the loss of £39 incurred over the visit of the Hawaiian pair.

The Victorian Association also held an Annual Meeting recently. The Report showed an increase in the affiliated Clubs, also in membership. It referred with pride to the victories of Frank Beaurepaire and Ivan Stedman. Notwithstanding the good attendances of the public at various carnivals, a loss was experienced during the year, and the Balance Sheet showed a deficit of £29 to commence the season.

The New South Wales Association's Annual Meeting was held on 13 October. It also shows an increase in Clubs and membership.

SWIMMING NOTES
by "Neptune"

The Council meeting of the Queensland Amateur Swimming Association was held in the Grand Central Hotel on Friday night last. The President, Mr D.S.Carter, occupied the Chair and was supported by Mr F.Springfield (Vice President), Mr W.Kuder (Secretary & Treasurer), and Mr T.C.Boyle (Assistant Secretary). Delegates from the following Clubs were present - Ipswich, L.Herschel; South Brisbane, W.H.Crease, C.Olsen, J.Gillan; Warwick, K.Stack; West End, C.Graham, G.Budd, T.Atkins, H.Davis; Valley, E.Stedwell, J.Pike, H.New, F.W.Springfield; Toowoomba, H.J.Hale; Maryborough, W.H.Duffy; Rockhampton, R.H.Bunting; Toowong, F.E.Duncalfe; Federal, A.W.Halford, H.P.Warner, A.Burnett; Maroochydore, P.T.Pedersen; Cairns, W.Finnemore; Commercial, J.Dunning, D.Sunderland, A.Carey, J.Nicholson.

The events for the Toowong Club's carnival to be held in the local baths on the 6th proximo were approved. The West End Club was allotted 7th February next as its carnival date. The South Brisbane Club's programme for its carnival to be held on January 18 was approved. The latter wrote advising that any trophies won by its members at the forthcoming carnival in aid of the Sick Children's Hospital Fund would be handed back to the Committee in charge. The Naval Sports Club was granted affiliation.

A notice expressing sympathy with the relatives of the late Victor Macartney was carried - members standing. The vacancy on the Executive caused by the death of this member was filled, his old friend and Club mate, H.Davis, being successful at the ballot.

A good deal of discussion took place on the suggested alteration of Rule 88, and it was decided by a large majority to amend the Rule to provide the deciding of State Championships in baths within a radius of 30 miles from the General Post Office of this city. The matter of instituting a series of Country Championships was held over to the next meeting.

A ballot for the State Championships took place and resulted as follows - 100 yards, Q.A.S.A.; 220 yards, West End Club; 440 yards, A.N.A.; 880 yards, Commercials; 3/4 Mile, Ipswich; 1 Mile South Brisbane Club; 220 yards Breast Stroke, Toowong Club; 440 yards Breast Stroke, Valley Club; 100 yards Back Stroke, Davies Park Committee.

A report of the Executive in connection with the Australian carnival was adopted and the carnivals will be held on the afternoon and evening of 28th January and 30th January at the new baths at Davies Park.

Registration fees were fixed at 1/- for Seniors and 6d for Juniors, and the Affiliation fee for Country Centres fixed at one guinea.

The Queensland Ladies Swimming Association Council met in the Cafe Majestic

last Friday evening, Mrs J.P.Fry in the Chair. The programmes of the Brisbane Commercial Ladies and the Valley ladies Clubs carnivals were approved. Mrs H.J.Hale was elected handicapper in lieu of Mrs Stenhouse who declined the position. In connection with the Australian Ladies Championships which are to be held in Melbourne, a committee was appointed to select girls top go into training with a view to final selection of the Queensland representatives. It is proposed to hold a swim weekly at which at least two of the committee must be present.

The Loloma Club was granted affiliation and affiliation fees were received from the Starlight Ladies and the C.Y.L.C.A Club, Ipswich, also the Maryborough Club which also forwarded deposit on championships.

The South Brisbane Ladies Club was inaugurated at a meeting held on Thursday evening. There was a good attendance and judging from the enthusiasm displayed there is every prospect of a successful season. The following officers were elected - President, Mrs A.Faulkner; Vice Presidents, Mesdames P.Smith, Lough, Noble, King, Hale, Messrs Carter, Berry, C.W.R.Just, and Charles McQuillan; Treasurer, Miss M.Lough; Secretary, Miss M.Borwick, Intending members are invited to be present at the first swim to be held in the Metropolitan Baths tonight.

VALLEY CLUB'S CARNIVAL
TEST RACES

The chief feature of the Valley Amateur Swimming Club's carnival held in the Booroodabin Baths last night was the two test races held as a guide for selection of the Queensland representatives for the coming Australian Championships to be held in Sydney early next month. S.H.Springfield had previously ensured his inclusion in the team by winning the half mile championship on Monday night.

In the 100 yards test race there were three starters, J.Gillen (SB), W.Burnup (V), and W.Warnecke (SB). After a well-judged race Gillen won from Burnup by a couple of yards with Warnecke three yards further behind, in the excellent time of 60 seconds.

The 220 yards Breast Stroke test brought forward only two starters, J.Suosaari (Maroochy) and C.J.Smith (Valley). As in the 440 yards Championship, Suosaari again asserted his superiority, and going ahead early, won by three yards in 3.11. Smith's time was 3.20.

Results -

100 yards Test Race - J.Gillen (SB) 1, W.Burnup (V) 2, W.Warnecke (SB) 3

CHAMPIONSHIP CARNIVALS
Sydney Jan 13

The Interstate representatives who will take part in the Australian Swimming Championships were given a Civic Reception at the Town Hall today. Mr W.Uren, Manager of the Victorians, said that swimming had not received the patronage from the "Almighty Dollar" that it should. There was more encouragement to attend to the breeding of horses.

At a Reception tonight, given by the New South Wales Amateur Swimming Association, Mr Taylor, President, said that he was pleased to note that each year the number of contestants increased. He laid particular stress on amateurism, stating that at present, amateur sport was having a keen struggle.

The carnival which will decide the Australian Championships will commence tomorrow afternoon.

AUSTRALIAN CHAMPIONSHIPS'
SOME KEEN CONTESTS
Sydney Jan 14

The weather was dull on the opening day of the Australian Championship carnival today. Competitors from Queensland, Victoria, Tasmania, and West Australia were in the Championship events, and there were about 2500 spectators. The carnival is to be distributed over three days and only four championship events were contested today, the 10 yards Championship of the Country, 100 yards Championship of Australia, the 500 yards Breast Stroke Teams Championship of New South Wales, and the 1320 yards Championship of Australia, and several Interclub events were also run off during the afternoon.

The 100 yards Championship of the Country was retained by the holder, W.A.McDonald of Newcastle.

The 100 yards Championship of Australia proved an interesting race. Victoria, New South Wales, Queensland and West Australia were represented. At the start the swimmers were well bunched, but after 30 yards had been covered the struggle for supremacy was between the New South Wales competitors, and Hay

barely won from Beck by a touch. There was a good touch between Beck and the third man, Carberry.

The 500 yards Breast Stroke Teams Championship drew only local teams, and the University Club retained the Title.

In the 1320 yards Championship Race, Beaurepaire went to the front from the start and won comfortably. The race for second place was keen. Smith was leading from Christie to about the 1100 yards mark. Christie then went ahead and won by about 20 yards. Springfield (Qld) was fourth. The two others in the race dropped out.

Results

High Springboard Diving - H.Wann (Sydney) 1, Dick Eve (Manly) 2.

100 yards Championship of the Country - W.A.McDonald (Newcastle) 1, W.R.Miller (Newcastle Surf) 2, A.Minahan (Bathurst) 3 Time 60 2/5

100 yards Championship of Australia - H.Hay (NSW) 1, S.Beck (NSW) 2, F.Carberry (NSW) 3. Won by a touch. Time 57 1/5

500 yards Breast Stroke Teams Championship of NSW - University A 1, Sydney 2. Time 6.57

1320 yards Championship of Australia - F.Beaurepaire (NSW) 1, M.Christie (NSW) 2, P.Smith (NSW) 3. Time 17.31 3/5.

LADIES CHAMPIONSHIPS

The test races over 50 and 100 yards to select the third Queensland representative to take part in the forthcoming Australian Championships were swum in the Ithaca baths on Saturday, the competitors being Misses Jean King, May Turner, Ivy Robinson and Gladys Brown.

The 100 yards went to Miss Turner with Miss Brown second, and Miss Turner and Miss Robinson swam a dead heat in the 50 yards race.

Miss Turner has been selected to represent Queensland.

Representatives previously selected were Miss E.Venning and Miss M.Springfield.

AUSTRALIAN CHAMPIONSHIPS COLLIN WINS THE BREAST STROKE Sydney Jan 18

The Australian Championship Carnival was continued tonight in the Domain Baths. The only championship events contested were the 220 yards Championship of New South Wales and the 220 yards Breast Stroke Championship of Australia. Interclub races were again held and several of the Interstate visitors competed.

In the 220 yards Championship of New South Wales only local swimmers were left in the final. They got away together but Beaurepaire gradually drew away and won by about 5 yards. The remaining competitors were all bunched together and a great struggle took place, Kirkland of University winning by a short touch from Christie of Drummoyne, Harold, Saturday's champion, being a touch away fourth.

The 440 yards First Class Grade Scratch Race - open to affiliated swimmers from New South Wales only, unplaced in any freestyle championship race - was won by a boy, A.Charlton, of the Manly Club. He has just turned eleven, and though he swam a most erratic course his time of 5.45 was remarkable.

The 200 yards Breast Stroke Championship of Australia had competitors from five States. From a good start, E.S.Collin (Qld) led. Uren (Vic) went to the front but Collin came again and led at the 75 yards mark. At 85 yards J.Suosaari (Qld) led at the turn, but Collin led to home and won by a yard and a half. A touch separated second and third.

Results 220 yards Breast Stroke Championship of Australia - E.S.Collin (Qld) 1, J.Suosaari (Maroochydore) 2, W.Furness (NSW) 3. Time 3.22 2/5. The Australian record of 3.7 is held by E.S.Collin who swam the distance in the Booroodabin Baths in that time on 22 December 1920.

220 yards Championship of New South Wales - F.Beaurepaire (formerly of Victoria) 1, K./Kirkland 2, M.Christie 3. Won by 5 yards. Time 2.20.

CHAMPIONSHIP CONTESTS BEAUREPAIRE WINS THE 440 YARDS A QUEENSLANDER'S SUCCESS Sydney Jan 21

The final session of the Australian Championship Carnivals was held this afternoon in the Domain Baths. The weather was dull but warm,

In the 440 yards Championship there were five competitors, three representatives from New South Wales, Morris of Victoria and S.Springfield of Queensland. There was a good start, but from the beginning Beaurepaire drew ahead, and Kirkland was running second at the end of the first lap. At 120 yards Christie drew head of Kirkland. This order was kept up to the end of the last lap, Beaurepaire winning comfortably by a good 20 yards. Christie was second by five yards from the third man, Kirkland. Springfield was a yard away, fourth.

The representatives for the carnival in Brisbane have now been definitely chosen. They are, F.Beaurepaire who will swim in the 220 yards, 880 yards, and 1 Mile Championships, and K.Kirkland who will contest the 220 yards and the 100 yards Back Stroke.

BACK STROKE - A NEW RECORD Sydney Jan 22

A new Australian record for the 100 yards back Stroke was established at the Domain Baths by K.Kirkland during the test race which was held over the distance to pick a New South Wales representative for the Australian Swimming Championships competition at Brisbane this week.

The Australian record for the distance put up by Pua Kealoha in Hobart last February was 1.14 1/5. S.Beck and J.Woolf filled second and third places.

A.N.A SPORTS
SWIMMING
THE 440 YARDS QUEENSLAND CHAMPIONSHIP

The usual swimming carnival which concludes the A.N.A Sports was held last night in the South Brisbane Baths and was very successful. There was a very good attendance and the competition was keen and entries numerous in all events.

The most important race was the 440 yards Championship of Queensland, and in this event S.H.Springfield, the previous holder, retained the title. There were six competitors, they being, S.H.Springfield (V), F.W.Springfield (V), R.Mullins (Ips), .Gillan (S.B), S.Morahan (S.B), and J.Suosaari (Maroochydore). The race had not gone more than 50 yards when S.Springfield assumed the lead. 13 laps and 20 feet had to be swum to cover the distance and at the end of the second lap Springfield was leading from Mullins. During the next few laps J.Gillan and S.Morahan retired, leaving four in the contest. Towards the finish, S.Springfield and R.Mullins drew away from F.Springfield and Suosaari, the latter two being nearly a length behind. Springfield finished about 4 yards ahead of Mullins, swimming the distance in 5 mins 52 secs. It was a good race. Next came F.Springfield 12 yards away and Suosaari not far behind, last. Mullins put up a fine performance, he being only a few yards behind the winner during the whole progress of the race.

The officials who supervised the carnival were - Referee, Mr D.Carter; Judges, Messrs J.Fitzgerald, R.Kelly, F.W.de Little, J.Hiron; Judges of Diving, Messrs D.S.Carter, F.W.de Little, J.Fitzgerald; Timekeepers, Messrs F.Springfield (standard), R.H.Bunting, H.J.Hale, J.W.Scanlon; Starter, Mr F.E.Duncliffe; Check, Mr H.New; Call. AUSTRALIAN SWIMMING CHAMPIONSHIPS

Great interest is being displayed in the carnival to be held in the South Brisbane Baths this afternoon. The Queensland Selectors have decided that S.H.Springfield, F.W.Springfield and R.Mullins shall compete with F.Beaurepaire, K.Kirkland (N.S.W), and G.W.Morris (Vic) in the 880 yards Championship. In the 440 yards Breast Stroke Championship, J.Suosaari, C.J.Smith, and T.Boast (Qld) will engage the best of the southern men, and the State's representatives are confident of success. There are also diving and handicap events. The first event is timed to start at 3pm and there is ample accommodation for a very large crowd.

Brisbane Telegraph 28 January had photo of F.Beaurepaire, K.Kirkland and G.W.Morris (in suits) as Interstate Swimming Champions here for the Australian Championships.

SWIMMING CHAMPIONS BEAUREPAIRE HALF MILE CHAMPION SUOSAARI'S BREAST STROKE RECORD

Two Australian Swimming Championships were decided at the first of the three championship carnivals, the first of which was held at the South Brisbane Baths on Saturday afternoon. These two events were the 880 yards Championship of Australia and the 440 yards Breast Stroke Championship. The well-known New South Wales (ex Victorian) swimmer, Frank Beaurepaire, was successful in the Half Mile event and once more demonstrated his undoubted supremacy as a freestyle champion, while Suosaari of Maroochydore took the Breast Stroke Championship and in doing so broke his own Australian record which he established in November last

The competitors for the 880 yards Championship were F.Beaurepaire and K.Kirkland (N.S.W.), S.H.Springfield and R.Mullins (Qld) and G.W.Morris (Vic). To cover the distance the swimmers had to swim the length of the baths 26 times and 40 feet. All got off the mark well, and after 100 yards of steady swimming Frank Beaurepaire began to take the lead from Sid Springfield. At the end of the sixth lap (200 yards), which was reached by the New South Welshman in 2 mins 26 secs, he was 4 yards ahead, of Springfield. Mullins and Kirkland were together 2 yards back, while Morris was labouring in the rear. As the race progressed it was seen that Beaurepaire was slowly but surely increasing his lead, and at the half distance (440 yards) he was half a lap ahead of Springfield. His time for the 440 yards was 5 mins 3 secs. After 15 laps G.W.Morris, the Victorian representative, retired, leaving four in the race. Sid Springfield now began to swim harder but he could not catch his competitor. At 8 laps to go Beaurepaire was three quarters of a lap in front, while Kirkland and Mullins were together half a lap behind. Towards the finish the southern champion began to draw away and he won comfortably by over a lap. Sid Springfield touched the tape 32 seconds back, and Kirkland and Mullins who had kept together throughout, had a great battle for third place, and it resulted in Kirkland beating the Queenslander by a yard. The winner's time was 11.33 1/5, Springfield 12.5, Kirkland 12.28 2/5, Mullins 12.30.

Although entered on the programme for the 440 yards Breast Stroke Championship, K.Kirkland (NSW) and G.W.Morris (Vic) did not compete, thus leaving the three Queensland representatives, J.Suosaari, C.J.Smith and T.Boast to fight for the honour, From a competitive point of view the race was not very

exciting, for after a few laps Suosaari took the lead - a lead which he kept increasing to the finish. The three young men dived together but at the end of the second lap Suosaari assumed the lead. After two more laps he was 8-10 yards ahead of Smith, and Boast a few yards behind, last. With three laps to go, Suosaari was almost a lap in front of Smith, while Boast was another 15 yards behind. Suosaari, amid the encouraging shouts of his friends, continued his pace, and swimming well, won by 30 yards from C.J.Smith, his time being 6.41 1/5, being 15 seconds quicker than the Australian record of 6.56 1/5 which he established on 14 November last. He was heartily cheered and congratulated on his swim. Smith's time was 7.26 and Boast's 7.44.

The attendance at such an important carnival was not all that could be desired, but it was probably the thought that they would have to sit in sweltering heat which kept the many lovers of the sport away, and demonstrated the need for proper sheltered accommodation at baths where big carnivals are to be held in the future.

QUEENSLAND SWIMMER A SOUTHERN EULOGY

E.S.Collin, who won the Life Saving contests in the Challenge Cup at the Life Saving Carnival in Sydney, is a Queenslander, a very versatile swimmer. He won the two competitions convincingly. "There is a theory among Sydney swimmers," says the "Referee", that one of his class ought to be sent to England to compete for the King's Cup competition. Collin also won the 220 yards Breast Stroke Championship of Australia on Wednesday night after a very stirring finish in which he just managed to overhaul his fellow Queenslander, J.Suosaari, and won by a touch. Collin's performances were the more meritorious from the fact of his receiving treatment for an injured shoulder.

AUSTRALIAN CHAMPIONS

The final carnival will be held at the South Brisbane Baths tomorrow evening when southern champions including F.Beaurepaire, K.Kirkland (NSW), G.W.Morris (Vic) and champions of this State will be competing in the 100 yards Back Stroke and 220 yards Free Style Championships. K.Petrie, Queensland diver, the Springfield brothers, Gillan, Suosaari and others will be competing and a first class carnival is assured. In the Back Stroke, K.Kirkland will endeavour to lower the Australian record, and Beaurepaire will do likewise in the 220 yards Free Style event. Extra lighting has been installed and there is accommodation for a large audience.

SWIMMING CHAMPIONSHIPS KIRKLAND WINS BACK STROKE BEAUREPAIRE RETAINS 220 YARDS

The third and concluding Australian Championship Swimming Carnivals was held last evening in the South Brisbane Baths and drew a good crowd. Two Australian Championships were decided in the programme, the 100 yards Back Stroke Championship and the 220 yards Free Style Championship. Both of these races were won by visitors. K.Kirkland won the Back Stroke in 1.14 1/5, thus establishing a new Australian record. He beat Paul Kealoha's time for the distance by 2/5 seconds. There was no one to equal Frank Beaurepaire in the 220 yards Free Style event and he won comfortably.

There were three competitors in the Back Stroke event, they being K.Kirkland (NSW), J.Gillan and T.Boast (Qld). After the first lap of 33 yards Kirkland was leading slightly from Boast while Gillan was half a yard behind. Kirkland increased his lead to 3 yards at the end of the second lap and Gillan moved into second place. The last lap saw Gillan make a determined effort to overtake Kirkland, but the New South Welshman also spurted and won by a yard. Boast was 4 yards behind third.

Six laps and 20 yards was the distance competitors had to swim in the 220 yards free style event. Though there were six entries on the programme, G.W.Morris (Vic), F.W.Springfield and J.Gillan (Qld) did not compete. R.Mullins (621d) made a post entry and this made a field of four. F.Beaurepaire, K.Kirkland (NSW) and S.H.Springfield were the other swimmers. At the end of the first lap Kirkland and Beaurepaire touched the end together, Springfield being a yard away third with Mullins two yards further back. The two visitors kept together until the third lap when Beaurepaire went one and a half yards in front. Swimming well, he increased his lead over the next couple of laps. Springfield was less than a yard behind Kirkland but Mullins was over 12 yards behind and last. Beaurepaire put in a fast last lap and won by 5 yards from Kirkland with Sid Springfield 2 yards further back, third. Beaurepaire's time was 2.30, being 2 1/5 secs slower than his Australian record established on 27 March 1920. Kirkland's time 2.35 1/5, Springfield 2.37 3/5. Beaurepaire's time for the first 100 yards was 1.3 1/5, and at the end of 200 yards 2.16.

Results -

220 yards Junior Flying Squadron Championship of Queensland (Holders West End Club) - Valley (J.Pike, H.Edwards, J.Collett, E.Hodge, J.Collin) 1, Kelvin Grove 2, West End 3. Time 2.50 1/5. This proved a fine race between Kelvin Grove and Valley teams. Valley at once assumed the lead, but after two laps Kelvin Grove drew up level, and at the finish it was a tight go between them. Valley won by a touch.

SWIMMING RECORD KEITH KIRKLAND IN TOOWOOMBA Tmba Feb 3

Keith Kirkland, the champion swimmer, broke his journey in Toowoomba on the way south, and last night took part in the carnival in which a number of local swimmers competed.

The star item was the 100 yards Back Stroke where Kirkland succeeded in breaking his own Australian record by 2/5 seconds, completing the distance in 1.13 4/5. Kirkland had not previously swum in the local baths which are filled with fresh water in which it is harder to swim than in salt water. There are also four turns as the baths are only 23 yards 2 feet in length. This is the first Australian record to be broken in the Toowoomba baths. The winner also gave an interesting exhibition of fancy diving and also various swimming strokes.

The 100 yards Handicap was a splendid race. Frank Kimmins of Toowoomba, and a Country champion of Queensland, completed the distance in 1.3 1/5, which is the best time for a local swimmer yet recorded. Kirkland was third, Thorn of Toowoomba just beating him by a touch for second place. Kirkland's time was 1.2. Kirkland's turns were much admired. He returns to Sydney by today's train.

WEST END AMATEUR SWIMMING CLUB CARNIVAL 220 YARDS CHAMPIONSHIP WON BY S.H.SPRINGFIELD

A very successful carnival under the auspices of the above Club was held in the Davies Park Baths on Tuesday evening. The attendance was good and the swimming very interesting, but the comfort of the spectators was marred by lack of seating accommodation. The 220 yards Championship of Queensland was the start event and was won by S.H.Springfield, with J.Gillan second and F.W.Springfield third. Time 2.42.

The following were the officials for the carnival - Referee, Mr D.S.Carter; Judges, Messrs J.Fitzgerald, H.Davis, W.Kuder; Diving, Messrs D.S.Carter, J.Fitzgerald, W.Kuder; Timekeepers, Messrs F.Springfield Snr, H.J.Hale,

WEST END LADIES CARNIVAL

The carnival in connection with the above Club was held in the South Brisbane Baths on Wednesday evening. Due, no doubt, to the weather conditions, the attendance was poor. The swimming was good and in most cases the finishes were close and exciting. The three selected Interstate competitors took part in the 100 yards A Grade Interclub Handicap which Miss E.Venning won, doing the 100 yards in 1.10 2/5.

The following are the results --

25 yards B Grade Handicap (Club only) - G.Bathe 1, K.Carew 2
33 yards Junior Interclub Handicap - K.Coleman (0) 1, E.Reid (Fed) 2, P.Stephens (0) 3.

SWIMMING NOTES by "Neptune"

The Council of the Q.A.S.A met on Friday evening last when a progress report on the Australian Championships was submitted by the Secretary. This showed that an estimated profit of six pounds would result from the carnivals, to which would be added any money forfeited by those States that did not send representatives to the Championships.

The Association is indeed fortunate to be able to show a profit because the weather experienced on both occasions in Brisbane was the reverse of pleasant. On Saturday the heat was almost unbearable, except for those competing in the events, and on Wednesday it was so like rain that many must have been deterred from attending. It was a great handicap to the Executive to learn that only three interstate competitors were to be present, consequently the drawing power was limited, especially as Beaurepaire notified that he would not compete in any handicap events.

The Council of the Q.L.A.S.A also met on Friday night, when a good deal of business was transacted. Miss Lynch tendered her resignation as Handicapper. This was accepted with regret, and Miss Fell was appointed Acting Handicapper during Mrs Hale's absence in Sydney. Arrangements were finalised in connection with the team and visitors to the Interstate Championships in Melbourne on the

18th, 22nd, and 25 instants. The team will leave on Saturday next with Mrs V.King as Manageress. Besides the selected members, Misses E.Venning, M.Springfield and M.Turner, there will be proceeding to Melbourne Mrs Biddle, Misses J.King, G.Hand and E.Grice. The team will carry the best wishes of all the local swimmers male and female, and it is hoped some of the championships will come to Queensland. Miss E.Venning is in her very best form, and if she can produce this in Melbourne, the other competitors will have to keep going to beat her.

WEST END MEN'S CARNIVAL

The carnival held by this Club was the first held in the new baths at Davies Park. The swimming pool is 50 yards long, the longest in Brisbane barring the Dry Dock. The accommodation for the public at these baths has not yet been arranged, and the success of the carnival on Tuesday evening was in a very great measure due to the efforts of the Club officials led by the Secretary, Mr H.Davis. The seats used on this occasion were borrowed from a nearby Church, and the Club put in good work to arrange for these temporary conveniences. There is plenty of room available, and it is hoped the Town Council will have adequate seating accommodation provided. When this has been done, it is to be hoped those deputed to report at carnivals etc, can do so with some measure of comfort.

SWIMMING NOTES by "Neptune"

Matters in the swimming world have been very quiet during the past week, and principal interest is now centred on the doings of the lady champions in Melbourne. The meeting of Miss Mina Wylie of Sydney with our champion, Miss E.Venning, should be worth going a long way to see. With Miss Venning in great form she will be a hard nut to crack, and Queensland would rejoice if she should win some of the Championships. However, our representatives will be at a disadvantage swimming in fresh water which is much harder to swim in than the salt water they are used to in Brisbane. They will also be handicapped on the first day as the 100 yards Free Style and the 100 yards Breast Stroke have been fixed for that day. Miss Venning will probably swim in both events which would be a very severe strain. The clashing of events could surely have been avoided.

LADIES CHAMPIONSHIPS QUEENSLANDERS PROMINENT Melbourne Feb 18

The 100 yards Ladies Swimming Championship of Australia was contested in the City Baths on Saturday night and resulted in a victory for Miss Mina Wylie (New South Wales) from Miss Elsie Venning (Queensland) who gained second place. Miss L Beaurepaire withdrew at the eleventh hour.

Shortly after the start Miss Wylie gained the leading position and at the first turn (33 1/3 yards) she gained two feet. In the second lap Miss Venning gained a little but was unable to catch the winner who was swimming strongly and won by two feet. Miss L.Robertson (N.S.W) was placed third. The time was 1.9 2/5.

Results

33 1/3 yards Back Stroke - Misses M.Allan 1, K.Toms 2, L.Fevyer (NSW) 3
100 yards Interstate Handicap - M.Springfield (Q) 1, E.Venning (Q) 2,
M.Richardson (V) 3
Diving Handicap - L.Fevyer (NSW) 1, M.Richardson (Albert Park) 2,

LADIES INTERSTATE CARNIVALS

The first of three events took place in Melbourne on Saturday and Monday last, and Queenslanders have every reason to be proud of the success of their representatives. Miss Elsie Venning did not succeed in winning the 100 yards Free Style Championship event, but she put up a splendid performance in coming second to Miss Mina Wylie (NSW), and was beaten by two feet only in 1.9 2/5 seconds. Miss Venning is to be congratulated on her effort.

During the same carnival Miss M.Springfield won the 100 yards Interstate Handicap with Miss Venning second, and Miss Jean King was successful in the 66 yards handicap event.

At the second carnival on Monday evening, Miss Venning turned the tables on Miss Wylie in the 100 yards Breast Stroke Championship. The time, 1.30 was good considering the conditions under which the swim took place. The success of Miss Venning in this race gave the State the unique distinction of holding all the Australian Breast Stroke Championships for Ladies and Gents, and it is hoped they will be retained in Queensland for many years to come.

LADIES CARNIVAL
INTERSTATE VISITORS COMPETE

Under the auspices of the Victorian Ladies Amateur Swimming Club a race for the 440 yards Championship of Australia took place in the Hawthorn Baths on Saturday afternoon in the presence of a large attendance. Miss M.Wylie and Miss L.Robertson (NSW), Miss E.Venning (Qld) and Miss L de Beaurepaire (Vic) contended the event.

Swimming strongly Miss Wylie and Miss Venning were soon a length ahead of the others. At the end of the third lap Miss Venning became indisposed and had to withdraw from the race. At the sixth lap Miss de Beaurepaire set out in pursuit of Miss Wylie, and gradually decreasing the distance between them was only half a length behind on the commencement of the ninth lap. In the last lap they swam almost level, and Miss Wylie, who had apparently been nursing her strength for the final effort spurted, and won by half a length to the accompaniment of loud cheering.

In other events there were some interesting finishes.

Miss de Beaurepaire, from scratch, won the Diving competition.

80 yards Back and Breast Stroke Handicap - T.Aile (Williamstown) 1, K.Toms (Brunswick) 2, R.Perry (Brunswick) 3

80 yards Relay Race - J.King & M.Springfield (Qld) 1, B.Collis & L.Collis (Hawthorn) 2, L.Roberts & M.Allan (Brunswick) 3

Junior Diving - R.Dugan (Albert Park) 1, M.Collier (Albert Pk) 2, I.Roberts (Brunswick) 3

Senior Diving - L. de Beaurepaire (Alb Pk) 1, M.Richardson (Alb Pk) 2, L.Fevyer (NSW) 3

80 yards Open Handicap - L.Roberts (Bruns) 1, M.Allan (Bruns) 2, L.Allan (Bruns) 3

100 yards Interstate Handicap - M.Springfield (Q) 1, M.Allan (Bruns) 2, M.Richardson (Albert Pk) 3. Miss de Beaurepaire who finished first was disqualified for starting before her time,

Visiting lady swimmers and their friends from Queensland and New South Wales were entertained on Saturday evening at the City of Port Melbourne combined Ladies and Gents Swimming Clubs at a social evening held in the Gents Club House, Fisherman's Bend. The guests included the Victorian lady champion, Miss Lily de Beaurepaire.

The proposal to hold a joint carnival under the auspices of the Queensland Ladies A.S.A. and the Queensland A.S.A, did not meet with the approval of the majority of the delegates of the former at a special meeting held on Tuesday evening last. After a good deal of Discussion, the voting resulted in 15

voting against the proposal and 13 for it. The policy of the Ladies Association in turning down the suggestion made by the Executive of the Q.A.S.A., appears to be unwise, and it will necessitate the holding of two carnivals instead of one. The public would have no doubt preferred to see the cream of our lady and girl swimmers at one well-managed carnival instead of a lot of miscellaneous swimmers at two carnivals. There is no doubt also that a multiplicity of carnivals does not conduce to large attendances, and it is hoped that the Q.L.A.S.A will be able to put forth a programme which will attract the public in good numbers.

T.C.BEIRNE LADIES AND GENTS COMBINED SWIMMING CARNIVAL

The accommodation at the Valley Baths was taxed to the utmost capacity on Tuesday evening when the above carnival took place. Included in the audience was a good number of senior members of the staff, and the various events were followed with keen interest amid loud applause and barracking. The officials all worked very well to keep the various events going, and a splendid evening's sport was provided. Included in to programme was a Challenge Race between the South Brisbane and Valley Men's Clubs, and after an exciting race the former team won in 5.48 2/5.

The results were as follows -

60 yards A Grade Ladies Championship - M.White 1, R.Craig 2, 49 4/5
60 yards Gents Senior Championship - J.Jennings 1, W.Martin 2, 35 secs
30 yards ladies b Grade Championship - T.Doian 1, L.Young 2, 25 4/5

OTTER LADIES AMATEUR SWIMMING CLUB

A Championship Carnival under the auspices of the above Club was held in the Ithaca baths on Tuesday night. In the events included in the programme was the 440 yards Championship of Queensland, and Miss E.Venning, the holder of the title, had no difficulty in retaining it. She was opposed by Miss G.Brown and won easily by about 40 yards in 6.46 1/5.

During the evening an apology was made on behalf of Alderman Tait, Mayor of Ithaca, who was unable to be present. He was represented by the Mayoress, Mrs Tait, and it was announced that Alderman Tait had very kindly agreed to defray the cost of the baths for the carnival. The announcement was greeted with loud applause.

The following were the results -

25 yards Novice Handicap (Club only) - L.Gerold 1, E.Austin 2
50 yards Junior Club Championship - L.Long 1, K.Coleman 2 Time 39 4/5
440 yards Championship of Queensland - E.Venning (Com) 1, G.Brown (V) 2

T.C.BEIRNE COMBINED CARNIVAL

The success that attended this carnival as far as attendance is concerned is an example of what can be achieved by advertising. Of course the majority of spectators were employees of the firm, but if so great an interest is taken in a House Carnival, the controlling bodies, Ladies and Gents, should be able at least to secure as good an attendance at their carnivals at which the swimming is of a much higher class than can be provided at a House carnival. The only way to make a success of the affairs is to advertise in as many ways as possible, and it is hoped the Executive of the Q.L.A.S.A and the Q.A.S.A will bear this in mind. They will of course know the greater the attendance at carnivals, will also be to the Clubs benefit by increasing membership.

The relay race between T.C.Beirne and Allen & Stark ladies was very exciting and the Judges decision caused a good deal of unfavourable comment. From the position I occupied - as near to the finish point as it was possible to be - I consider the decision to have been correct, and in any case very bad taste was shown in questioning the Judges decision. There is no doubt the fourth swimmer for Allen & Stark swam very well, but it must be borne in mind it is always harder to overtake a competitor than to keep in front. A return match would be worth going a long way to see.

OTTER LADIES CARNIVAL

The treatment meted out to this Club by the officials (men) appointed for the carnival was disgraceful. Of those appointed, only Messrs F.Springfield Snr and H.J.Hale attended. The services of Messrs N.Wallace and H.Tew (Kelvin Grove) were secured as Judges. Mr McGregor acted as Result Steward, Mr Hale as Starter, and Mr Springfield and a Press representative as Timekeepers. What was the cause of the non-attendance of those appointed? Were they not advised of their appointment by those whose duty it is to do so?

The accommodation for Press representatives and officials at the Ithaca Baths is another matter that requires attention. At the above carnival there was not even a table provided at which the press could write their notes. The Q.L.A.S.A Handicapper was nearly as badly off. She did have a small table to work at, but the light was so bad it was difficult for her to do her work quickly and accurately. These matters should be attended to, either by the lessee of the baths or the Town Council controlling them. These remarks also apply equally to other baths where carnivals are conducted.

Miss May Turner, of the Otter Club, who recently represented the State in the Interstate competitions in Melbourne, was in good form.

Q.A.S.A CARNIVAL

The Council of the Q.A.S.A has decided to hold a carnival at the South Brisbane Baths on Monday 27 March. The principal events will be the 100 yards Free Style Championship of Queensland, the 100 yards Country Championship, the 66 yards B.B.Kieran Memorial Race, 66 yards Junior Interclub Handicap, 220 yards Interclub Handicap, and Diving events for. Seniors and Juniors.

The three Mile Swim will be held in the Bremer River on the 18th instant, and a good entry is expected and will probably include five members of the Maroochydore Club, three of whom will be Jack, Joe, and P.Suosaari.

Q.L.A.S.A.

At a meeting of the Council of the Queensland Ladies Amateur Swimming Association held on Friday 10 March, it was decided to hold the Association's annual carnival in the Booroodabin Baths on Tuesday April 4. It was decided also to invite four ladies from Maryborough to take part in the carnival. This decision is a wise one, as it would be to the great advantage to the sport if ladies could be induced to come from other centres to take part in the

carnival.

At the above referred to meeting Miss Lynch was presented with a handsome clock as a mark of appreciation for her excellent work for the Association as Handicapper for the past five years.

Q.A.S A.

Members are reminded that entries for the Q.A.S.A carnival close with Messrs Carter, Queen Street, and Massai, Valley, on 22nd instant. Late entries will be charged double fees.

The Q.L.A.S.A has decided to join the Q.A.S.A and run an Art Union for the purpose of raising funds to defray the expenses of sending a team of swimmers to visit North Queensland. The expense of such a trip will be heavy, and members should push the sale of tickets as much as possible.

SWIMMING NOTES by "Neptune" 3 MILE Q.A.S.A SWIM

The result of this race furnished some proof of the difficulties in obtaining handicaps for such a race. The winner, J.Campbell, was in receipt of 35 minutes start from the scratch man, yet he only took 20 minutes 4 seconds longer than the fastest time by F.W.Springfield. The same conditions existed as regards the second man, and the race practically resolved itself into a race between the limit men. The actual time taken by the first ten men was as follows - J.Campbell 1hr 44m 44s; J.Watts 1.40.50; O.Anderson 1.36.26; A.Smelt 1.36.48; J.Collett 1.39.52; J.Wren 1.45.58; J.McGregor 1.31.2; J.Grice 1.40.31; M.Child 1.41.27; V.Suosaari 1.49.39,

F.W.Springfield secured the prize for the fastest time, doing the distance in 1.24.42. The Valley Club won the Club Championship prize.

ROYAL LIFE SAVING SOCIETY CARNIVAL

The Royal L.S.S Queensland Head Centre held a Life saving carnival at the Booroodabin Baths on Wednesday. The challenge relay race between the Valley Club Team and representatives of the South Brisbane Club proved very exciting, the Valley team winning by 15 yards. During the evening Mr M.J.Kirwan M.L.A made a presentation to Mr E.S.Collin who secured the Breast Stroke Championship in the southern competition recently. Mr Kirwan expressed the hope that means would be found to enable Collin to go to England to compete in a competition for the King's Cup. Miss Elsie Venning gave a display of fancy swimming, and Messrs E.S.Collin, C.Olsen, and C.J.Smith of acrobatic diving.

The 50 yards Championship of Queensland was the star event of the Queensland Ladies Amateur Swimming Association's carnival held in the Valley Baths last evening. Competitors representing Commercial, Valley and Wattle Clubs competed, and the race resulted in a win for Miss Elsie Venning. After a good start Elsie Venning (Commercial) took the lead from Mabel Springfield (Valley) and at the end of the first lap was leading by about two feet, and Esther Warnecke (Wattle) was third. Miss Venning maintained her lead and won by about a yard, breaking the Queensland record by 2/5 of a second. SWIMMING NOTES - by "Neptune" EASTER CARNIVALS

Swimmers who may visit Southport or Wynnum during the coming Easter holidays should not overlook the carnivals which are to be held at these places. The attendance of some of our city cracks would be appreciated by the promoters of the carnivals and would no doubt be of benefit to the local talent who may pick up some good ideas from the city experts.

Q.A.S.A.

The final Council meeting of the Association for the season will be held on Tuesday evening next at the A.N.A.Rooms. After the meeting, the Art Union to raise funds for the northern tour will be drawn. The tour to northern and central Queensland has been arranged to leave on the 24th instant and will occupy about three weeks. Those desirous of going are asked to advise the Secretary of the Association, Mr W.Kuder, as early as possible.

Q.L.A.S.A CARNIVAL

The attendance at this carnival was not what it should have been, and a little more attention to publicity of these affairs would no doubt result in larger attendances. The evening was very interesting and the race for the 50

yards Championship of Queensland was close enough to be exciting. Miss Elsie Venning again proved her superiority and won by two yards in a record time of 31 seconds, her previous best being 31 2/5 seconds. Miss Venning was in splendid form, and in the 90 yards Handicap after giving away a big start, she succeeded in gaining second place in her heat and also in the final. With Miss I. Robinson, Miss Venning also succeeded in winning the Brace Relay Handicap, and to see the way she overhauled her opponents was a treat.

Miss L. Johnson won the Senior Dive, and she's regaining her form in these events. Miss L. Venning also showed good form in winning the Junior Dive. The diving of Master Wallis, aged five, at this carnival was very good, and given care and careful tuition, the lad should before long be a leading light in the swimming world.

It was noted at the carnival that a number of appointed officials failed to put in an appearance, and the press representatives were generally handicapped by the absence of a Press Steward.

The team of Maryborough girls took part in various events and did not show very brilliant form. They have apparently a lot to learn yet from the Brisbane girls.

QUEENSLAND LADIES HOUSE CLUBS A.S.A.

The fourth annual carnival of the above Association was held at the Wickham Street Baths on Wednesday evening before a very poor attendance. The competing Clubs were T.C. Beirne and Finney's, and the principal events were to decide the Club to hold the Association Shield for the ensuing year. The principle of disqualifying swimmers for breaking their allotted times brought a number of disqualifications. The T.C. Beirne Club won the right to hold the Shield.

VALLEY AMATEUR SWIMMING CLUB

The attendance at the Valley A.S. Club carnival which was held at the Valley Pool on Wednesday evening was one of the largest seen at any carnival this season. The swimming was of the highest class finishes in the most cases close and exciting, and visitors spent a thoroughly enjoyable evening. The 100 yards Senior Club Championship was won by Sid Springfield who excelled himself and swam the best 100 yards of his career, doing the distance in 60 1/5 seconds,

The results of the various races are as follows --

30 yards Novice Scratch Race - J. Costorphan 1, J. Thompson 2, J. Manning

60 yards Club Championship - J. Grimes 1, J. Pike 2, G. Edwards 3. Time 36 seconds. It was announced that J. Grimes, though eligible to swim in this race, being just over Junior age, decided to give the race to J. Pike. The announcement was greeted with applause.

30 yards Novice Handicap - M. Manning 1, C. Dobbie 2, J. Small 3

100 yards Senior Club Championship - S. H. Springfield 1, W. Burnup 2, S. Negus 3. Time 60 1/5 seconds.

Clubs in Brisbane are going into recess and during the past week very little swimming has been done. On Tuesday evening the Valley Ladies presented the prizes won during the season. The Valley Baths will be closed after 29 April and will not open until the commencement of the new season about September next.

Q.A.S.A NORTHERN TRIP

The team to travel to Longreach and Northern Queensland will comprise S.H.Springfield, S.Negus, W.Burnup, J.Pike, J.Gillan and M.Smith, with the Secretary of the Association, Mr W.Kuder, as Manager. The other members selected, including Joe Suosaari of Maroochydore the Breast Stroke champion, have, owing to business reasons, withdrawn from the team.

The team will leave on Monday night and travel to Longreach where a carnival will be held on 20th instant and from Longreach the team will proceed overland to Winton, thence to Townsville where a boat for Cairns will be boarded. Carnivals have been arranged to be held at Cairns, Malanda, Atherton, Babinda and Gordonvale, and probably others will also be arranged. With travelling and swimming the team will be kept busy, and the townspeople in the above places should witness some excellent swimming with so many of our champions competing.

It is understood that a dispute arose in connection with the Shield competed for between T.C.Beirne and Finney's Ladies Clubs at the carnival held on the 6th instant - it will be remembered some of the competitors were disqualified for breaking their times. It has now been reported that the time allowance was incorrectly stated, and an announcement was made that the T.C.Beirne Ladies had won the Shield for the season, and Finney's Club has since refused to hand over the Shield - the state of affairs is very extraordinary, and the officials cannot be complimented for such confusing information to be made public.

SWIMMING NOTES - by "Neptune"

The season, as far as southern Queensland is concerned, will close at the end of this month. The doings of the Q.A.S.A official team which is at present on tour in northern Queensland will be watched with interest. There has been a good deal of fresh energy put into the sport in the north since the news of the visit was first made known. Given decent weather conditions, the Clubs interested will be afforded a grand opportunity for booming swimming, and judicious advertising will enable them to make a profit out of the several carnivals, thereby giving them some cash as a standby for the next season. It is a great pity the Joe Suosaari, the champion breast stroke swimmer, could not make the trip, as his presence at carnivals would have been a great draw. The other departments of the sport will be well represented, as the holder of all the Queensland free style and also the back stroke championships are in the team.

100 YARDS BACK STROKE CHAMPIONSHIP

The above, which is the last of the Championships to be decided, took place at the Valley Baths on Monday evening. The event was won by J.Gillan (South Brisbane) with T.Boast (Valley) second, and J.Brett (Valley) third. The time was 1.15.

Q.A.S.A TEAM

The team of swimmers selected by the Q.A.S.A and under the management of Mr W.Kuder, arrived in Longreach on 26 April and took part in a carnival that evening. The team is accompanied by J.Codd (Rockhampton) and Dick Eve (Sydney). Pike succeeded in winning a heat in the 4 lap race but was not placed in the final which resulted in Setter 1, Codd 2, Eve 3. The Visitor's Handicap (8 laps) was won by W.Burnup with S.Springfield second. The Relay Race was won by J.Gillan and K.Petrie. After swimming at Longreach the party journeyed overland to Winton where they joined a train for Charters Towers, the latter town being reached on 29 April. During the afternoon a largely attended carnival was held, and Gillan was successful in the 120 yards Scratch Race with Burnup 2 and Springfield 3. Gillan also won the 50 yards Handicap with Petrie second.

From Charters Towers the team proceeded via Townsville and Cairns to Babinda where they took part in a carnival on Wednesday. The visitors were well looked after as regards handicaps, with the result that none of the events was won by them excepting the teams race. In the Junior Race (scratch) secured third place, and in the 100 Yards Race J.Gillan (scratch) and W.Burnup dead-heat for second place with H.Mesh, Babinda, first. Gillan swam the 100 yards in 62 seconds.

During the evening Sid Springfield (Valley) gave an exhibition swim 440 yards in 5.54, and K.Petrie (Toowong) gave an acrobatic diving display. Further carnivals are to be held in Gordonvale and Cairns.

The team is also accompanied by Alderman Pike, the father of the promising junior swimmer.

SWIMMING NOTES - by "Neptune"

The tour by members of the team selected by the Queensland Amateur Swimming Association has been a very great success. From Townsville the team proceeded direct to Cairns arriving in that town on 2nd instant. They were met by the local officials and an informal Reception was given in the evening when a pleasant time was spent. The following morning the team left for Babinda where a carnival was held in the evening. The Babinda mural dam is used as a swimming pool and it is 30 yards in length. The team was quartered in the State Hotel and a very enjoyable time was spent.

Unfortunately heavy rain commenced to fall at 7pm, but notwithstanding, a large crowd attended and remained throughout the carnival. Owing to the heavy rainfall of the Babinda district the population is quite used to being out in the wet, and consequently remained interested spectators of the various events.

The 30 yards Junior Handicap was won by A.Rattesepp with R.Williams second and J.Pike, who was giving away good starts, third. The 100 yards Invitation Handicap was won by H.Mesh on 8 seconds, with J.Gillan and W.Burnup dead heat for second. Mesh is reported to be a very fair swimmer and has been training for some six weeks past. The visiting team, (Gillan, Burnup, Petrie, Springfield) easily defeated the Babinda team in a 240 yards match after conceding 10 seconds. Kit Petrie gave an excellent display of diving which was much appreciated, and Sid Springfield, by special request, gave a 440 yards exhibition swim. A display was also given by the team of the various strokes used.

During the afternoon the school children were also given a display, and the various methods of propulsion were followed with interest by the scholars. They should benefit greatly from the knowledge gained.

On Thursday the 4th instant the team proceeded to Gordonvale after an all too short stay in Babinda. Two displays were given in Gordonvale, one was for the benefit of the school children when the various strokes were explained, and Kit Petrie delighted the kiddies with his diving. A number of townspeople gathered just before tea, and the display was repeated for their benefit. The

team was entertained at night time at a. Social and Dance where all enjoyed themselves.

On Friday morning the team returned to Cairns and was accommodated at the Post Office Hotel. During the afternoon another exhibition was given for the school children, and about 400 took advantage of this opportunity.

On Saturday afternoon, 6th instant, the Cairns carnival was held before a very large attendance. In the 220 yards Flying Squadron the Brisbane team consisting of S.Springfield, J.Gillan, K.Petrie, W.Burnup and J.Pike, had a rather easy victory over Tills, Lyons, Sye, Lennon and Barr of Cairns. The time of 2.25 was good. Jim Pike obtained third place in his heat of the 50 yards Junior Handicap. He did not start in the final.

Miss E.Downing of Gordonvale won the Ladies Handicap, Mrs O'Connell was second. The former is only 11 years of age and swims very well.

J.Gillan, W.Burnup and Sid Springfield competed in a special 100 yards Scratch Race and finished in that order. The time was 62 2/5 secs. W.Burnup was successful in his heat of the Interclub 50 yards Handicap and J.Pike was second in his heat, but neither was placed in the final.

Miss M.Osterland dived very well and won the Ladies Dive, while K.Petrie and J.Pike filled the places in the Men's Dive. The latter duo also secured places in the 100 yards Handicap with Petrie the winner. Pike swam the distance in 66 2/5 seconds which is a very creditable performance for a Junior.

The carnival was a great success and the local Club is to be congratulated on its energy in having the baths built so such a carnival could be held. The team was entertained at dinner and subsequently at the pictures.

On Sunday the team left for Malanda where a carnival is to be held, followed by visits to Peeramon, Mareeba and Gordonvale.

SWIMMING NOTES - by "Neptune"
Q.A.S.A TEAM - CONTINUED

On Sunday the 7th instant the team of swimmers together with the Manager, Mr W.Kuder, left Cairns for Malanda on a special excursion train. The latter had been arranged by the local Club in conjunction with the Citizens Band, and a crowded, train resulted. The scenery was greatly admired by the touring swimmers, the wonderful Barron Falls being one of the sights. Malanda was reached early in the afternoon and the team proceeded to the swimming pool at the foot of the Malanda Falls and an attendance of some 500-600 persons attended round the pool and forty pounds was taken at the gate.

In the Team Relay Race the team was giving away 43 seconds, and with this big handicap no success was obtained. Jack Gillan, Burnup and Sid Springfield finished in that order in the 240 yards Handicap, Gillan and Burnup receiving 13 seconds start from Springfield. The Neat Dive was won by J.Pike, who also secured second place in the Junior Handicap. Kit Petrie gave an interesting display of acrobatic and fancy diving and received a good deal of applause. During the evening a Smoke Concert was held and an enjoyable time was spent.

The next day the team proceeded to Peeramon and in the afternoon visited Lake Eacham. To reach the swimming course boats are obtained and rowed across the lake. Whilst this was being done Sid Springfield decided to swim across the lake. The aboriginals in the locality have a superstition that the lake is haunted, and they were greatly surprised at Sid's exploit.

An exhibition for the benefit of school children was arranged and an enjoyable time was spent. In the evening another Smoke Concert was held and the local people were thanked for their generous hospitality.

From Peeramon the team journeyed to Mareeba where a half holiday had been arranged in honour of the team's visit. A carnival was held in the river at a spot known as the Brewery Hole and it was a splendid success. In the 100 yards handicap W.Burnup and Sid Springfield were second and third respectively, whilst Kit Petrie won the Neat and Fancy Diving. Owing to being rather severely handicapped, no success was obtained in the Relay Race and the 50 yards. A Social and Dance followed that evening and a large number attended, dancing being kept up until the early hours of the morning.

The Barron Falls were visited next day, being viewed from several points.

The sight of these wonderful falls will long be remembered by the visitors.

Cairns was the next stop, being reached in time for tea, and a couple of days spell was arranged.

On Saturday to 13th instant the team journeyed to Gordon Vale where they competed in a specially arranged carnival. The greatest success of the whole tour was achieved at this carnival. Jack Gillan won the 100 and 220 yards handicaps, and Sid Springfield was successful in the 50 yards Handicap. J.Pike secured the Junior Handicap and Kit Petrie the Diving Events. Besides these, W.Burnup was third in the 100 yards.

The following morning, Sunday, was spent at the Cairns Baths where a number of friendly contests took place with the members of the local Club. The Relay Race was very exciting, being won by the visitors by a touch after giving away a good start. The party was entertained by the Cairns Rugby League, and also by Mr and Mrs Le Bas who laced their fine residence at the Club's disposal.

A farewell smoko was held prior to the departure of the team, minus Sid Springfield and Kit Petrie, and the Manager of the team thanked the Local Consul, Mr Le Bas, and the Committee of the Club for their generous hospitality. Alderman Pike also expressed appreciation by the members of the team for the treatment extended to them. A great crowd attended at the boat and wished the returning swimmers "Bon Voyage".

A pleasant trip home brought to a close a very successful trip which will long be remembered by those who took part therein. Messrs Springfield and Petrie are remaining in Cairns, having found suitable work in that place, and no doubt the local Club will be greatly assisted by these two competent exponents of the art of swimming, and their presence should give a big impetus to the sport in the district.

Q.L.A.S.A ANNUAL MEETING

"The Executive has pleasure in reporting a successful season and looks forward to another year with pleasure, believing that the doings of the previous seasons will be eclipsed," was the note of confidence sounded in the Report presented last night at the 18th Annual Meeting of the Queensland Ladies Amateur Swimming Association. During the year 16 Clubs had affiliated as against 14 last year. The carnivals held during the year were reviewed in detail, and thanks expressed to all who had assisted to make the season a success. Delegates representing nine Clubs were present as well as a large number of swimmers.

The President, Mrs J.P.Fry, who moved the adoption of the Report and Balance Sheet, complimented the Association on its successful year and thanked the Council for the assistance it had rendered. Mrs Fry remarked on the State records created during the year by Misses Elsie Venning and Gladys Brown, and expressed approval of the new standard time of 1.16 in conjunction with the 100 yards Australian Championships which Mrs Fry considered would stimulate the Queensland lady swimmers to greater efforts. The motion was seconded by Mrs J.McGregor-Lowndes and was carried unanimously.

On the unanimous vote of the meeting, Mrs V.King, who has retired from the position of Hon Secretary after holding office for eight years, was elected the first Life Member of the Association.

A Vote of Thanks was accorded Mrs Fry for presiding, and the date of the first meeting of the new Council was fixed for Friday night next at the Cafe Majestic.

The following Officers were elected - Patroness, Mrs F.W.De Little; President, Mrs J.P.Fry; Vice Presidents, Mesdames V.King, F.Springfield, H.J.Hale, J.McGregor-Lowndes, H.Duffy, Miss J.McGregor; Hon Secretary, Mrs E.I.Stenhouse; Hon Treasurer, Miss M.Springfield; Hon Handicapper, Mrs H.J.Hale; Advisory Board, Messrs D.S.Carter, W.Kuder, H.J.Hale, W.H.Duffy Jnr, F.E.Duncalfe, F.W.De Little, J.P.Fry M.L.A.

Q.A.S.A. COUNCIL MEETING

The Council of the Queensland Amateur Swimming Association last night held its first meeting for the season in the Hotel Carlton, 35 delegates being present. The meeting unanimously re-elected Mr D.S.Carter as Chairman for the season and the following officers were appointed - Hon Secretary and Treasurer, Mr W.Kuder; Official Timekeeper Mr F.Springfield Snr; Starter, Mr F.E.Duncalfe; Deputy Starter, Mr H.New; Executive Committee, Messrs H.Davis, W.H.Duffy, R.H.Bunting, F.E.Duncalfe, H.New.

It was decided to grant affiliation to the Rosalie Social and Athletic

Club, the Toombul Swimming Club, and the Prince Albert Band of Hope Boys Club.

Carnival dates were determined as follows - Nov 29, Valley Club at Booroodabin Baths; Dec 5, Toowong Club at Toowong Baths; Dec 12, Commercial Club at Arthur St Baths.

It was agreed to close applications to hold State Championships on October 27. The question of holding water polo matches was considered, and it was decided to circularise the Clubs with a view to inaugurating a competition during the coming season. The meeting decided to grant to bodies such as the A.N.A and the Children's Hospital Committee similar privileges as to regard to the ballot in connection with the holding of matches as the ordinary Clubs.

SWIMMING
Barcaldine Oct 25

The attendance was large at the Council Baths to witness the second swimming carnival of the season. The lighting was excellent. The aquatic events were keenly contested, and the chief event, the Central Western Queensland Championship, brought nominations from Barcaldine, Longreach and Aramac. Frank Bland (Aramac) won by a yard from three others in 46 seconds for the 50 yards. Although slow compared with the Western Championships swim last February when Johnny Cooper defeated the Rockhampton cracks, the time on that occasion being 41 4/5 seconds, still the effort was considered meritorious. There were numerous Junior events. The next carnival will take place at Aramac.

THORNLANDS SWIMMING CARNIVAL

A swimming and sports carnival was held at Thornlands, West Cleveland, on Saturday under the auspices of the Thornlands Amateur Swimming Club. Mr F.O. Venning of the Royal Life Saving Society with Misses Elsie and Lily Venning gave an interesting exhibition of fancy swimming. Mr Murphy, of the Commercial Swimming Club, with Mr Venning, gave a display of water polo.

SWIMMING

At a meeting of the Council of the Queensland Amateur Swimming Association last night, Mr D.S.Carter presiding, a letter was received from the South Australian Swimming Association enclosing a copy of a letter forwarded to the Hon Secretary of the Australian Amateur Swimming Union, stating that the South Australian Association did not have the finances to send representatives to the Australian Championships held at Sydney and Brisbane, and requesting that the Sydney and Brisbane Associations should not press for the penalty. The South Australian Association also intimated that it would like to hold an Australian Championship in South Australia.

Mr Carter said the letter was the outcome of a claim by the Queensland Association against South Australia for non-appearance at the Australian Championships held in Brisbane last year. The Australian agreement provided that any State that failed to send a representative was under a monetary penalty of £10. South Australia, West Australia and Tasmania had each failed to send representatives to Brisbane last year.

It was decided to write to the Australian Swimming Union intimating that Queensland insisted on the payment of the penalty.

Mr W.Kuder, Hon Secretary, reported that the ballot for the holding of State Championships had resulted - 440 yards, South Brisbane; 100 yards Commercial; 1 mile, Ipswich; 440 yards Breast Stroke, Valley; 60 yards Junior, Toowong; 100 yards Back Stroke, Railway Institute; 880 yards, A.N.A; 220 yards, West End.

J.SUORAARI BREAST STROKE CHAMPION
AUSTRALIAN RECORD BROKEN

The Valley Amateur Swimming Club's carnival last night at the Booroodabin Baths was successful in every way. The attendance was large, the entries excellent, and J.Suosaari (Maroochy-dore), who won the Quarter Mile Breast Stroke Championship, broke his own Australian Record by 14 seconds. T.Boast, in his heat in the Butterfield Memorial Race attempted to lower to 60 yards record of 31 seconds, established by A.Wickham, but failed to do so.

Results -

Novice (Club) Handicap 30 yards - A.Fitzgerald 1, W.Wylie 2

Junior Interclub Handicap 60 yards - R.McEvoy 1, J.Gibson 2

Interclub Handicap 220 yards - W.Burnup 1, W.Hind 2

440 yards Breast Stroke Championship of Queensland - Holder J.Suosaari, Maroochy-dore, time 6.41 2/5, Queensland and Australian record - Competitors were J.Suosaari (M'dore), C.J.Smith (Val), J.Hides (W.E), V.Hides (Val). Suosaari took the lead from the start moving with a beautiful stroke, and increased his lead, eventually winning by 42 yards from C.J.Smith in 6.27 2/5, or 14 seconds faster than his previous Australian record. J.Hides was third and swam remarkably well for a boy.

Butterfield Memorial Handicap 60 yards - 16 heats & 6 semifinals - A.Wren 1, D.Pittendreigh 2, W.Watts 3

Neat Dive - R.Smith (Com)

Challenge Race, Valley v South Brisbane, 10 a side, 2 each to swim 30 yards, 60 yards, 90 yards, 120 yards and 150 yards - the teams were; Valley, S.Negus, T.Boast, S.H.Springfield, W.Burnup, W.Watts, J.Watts, E.Hodge, A.Smelt, J.Grimes, A.Beauman: South Brisbane, J.Gillan, W.Morahan, C.Warneke, A.Hodges, H.Boyle, P.Smith, J.Nunn, A.Newton, B.Brown, K.Stack - This proved a most exciting contest. South at once established a big lead which increased at one stage to nearly 3/4 the length of the baths. Boast was the third last man for Valleys and succeeded in lessening the gap somewhat, but when Burnup entered the water the position seemed hopeless. The latter, however, swam brilliantly and succeeded in finishing on a level with Stack (S.B). Springfield and Morahan started together on the last 150 yards and the former finished a couple of yards to the good. It was a case of wonderful endurance combined with brilliance, and the spectators gave the winners an ovation.

QUEENSLAND JUNIOR CHAMPIONSHIP

A.SUOSAARI 1, A.ZENDLER 2

Principal interest in the Toowong Amateur Swimming Club's carnival in the Toowong Baths last night centered in the 60 yards Junior Championship of Queensland for which there was keen competition. Competitors came from as far afield as Warwick and Maroochydhore, and A.Suosaari from the last named place had a very narrow win from A.Zendler from the Commercial Club. There was a large attendance of spectators.

Results -

Junior Club Handicap 50 yards - L.Scott 1, F.Avery 2, E.Alexander 3

Senior Club Handicap 50 yards - R.Thomas 1, L.Fogarty 2, W.Souter 3

Junior Championship of Queensland - A.Suosaari (M'dore) 1, A.Zendler (Com) 2, R.Galloway (Warwick) 3. Time 37 4/5 secs. This was a splendid finish. Six lads were together nearly all the way. Passing the rope for the last time they were practically all together, but the Maroochydhore representative by a great effort got home just in front of Zendler and the Warwick representative, the others being close up (F.Backhaus (N), H.Lewis (Booval), J.Radford (Val)).

Gordon Parkinson Memorial Handicap 50 yards (16 heats plus semifinals) F.Taylor 1, A.Clarke 2, G.Bonis 3.

Brace Relay Interclub Handicap 100 yards - F.Mahoney & G.Marshall 1, R.Carter & W.Morahan 2.

HEATS OF 100 YARDS CHAMPIONSHIP
BOAST CREATES A QUEENSLAND RECORD

A large crowd was present at the Arthur Street Baths last night when the heats for the 100 yards Championship of Queensland were decided. The winner of the first heat, T.Boast, Valley Club, covered the distance in 59 2/5 seconds, which is 3/5 seconds faster than the previous record made by any Queensland swimmer in Queensland. Boast is only 15 years of age.

Results -

First Heat - T.Boast (V) 1, S.Negus (V) 2, C.Warnecke (SB) 3 - Won by a yard and a half with two yards between second and third. Time 59 2/5. The other competitors were F.Venning (Com) and F.Nielsen (Southport).

Second Heat - J.Gillan (SB) 1, W.Morahan (SB) and W.Burnup (V) dead heat 2. Won by a yard. Time 60 4/5 seconds. The other competitors were P.Ryan (WE) and W.Sibley (Com).

J.GILLAN AGAIN 100 YARDS CHAMPION

If rain had not fallen last night the crowd at the Commercial Club's swimming carnival in the Spring Hill Baths would have been a record for the Club. As it was, the balcony accommodation was well packed. The principal event was the 100 yards Championship of Queensland which was won by J.Gillan in better time than had been recorded by him previously.

Results -

Novice Club Handicap 25 yards - S.Sunderland 1, R.Ledger 2, A.Naylor 3
Junior Club Handicap 50 yards - S.Pendahl 1, W.Bell 2

B Senior Club Handicap 25 yards - J.Anderson 1, R.W.Cook 2

A Senior Club Handicap 50 yards - G.Fry 1, G.Pittendreigh 2

100 yards Championship of Queensland - J.Gillan (SB) 1, S.Negus (V) 2, W.Burnup (V) 3. Time 59 3/5 seconds. At the 25 yards turn the five competitors were together. At 50 yards, Negus, Burnup and Gillan were together and slightly ahead of Boast, with Morahan last. Burnup turned first for the last lap, but Gillan and Negus sprinted, and the former won by about 18 inches. Negus was one foot ahead of Burnup who was a similar distance ahead of Boast. The time of 59 3/5 was 1/5 second slower than Boast's record on Monday night. Of the four official Timekeepers, one timed 59 1/5, one 59 2/5 and two 59 3/5 seconds. It was a great race and the crowd was in a state of excitement for the whole of its progress. . No official time was taken for second or third, but an unofficial watch credited Burnup, who was third, with a time of 59 4/5 seconds.

Senior Interclub Handicap 50 yards - W.Gilder 1, S.Pendahl 2

Interclub Handicap 220 yards - W.Sibley 1, Jas Pike 2, A.Hodges 3

Q.L.A.S.A CARNIVAL

The attendance at the Q.L.A.S.A carnival in the Booroodabin Baths last night was only fair, but the entries were large and the contests keen. The chief event was the 150 yards Championship of Queensland for which the Commercial Club entered A and B Teams. As this Club was the only one to enter a team, the contest was not very interesting. The A Team, who personnel was the same as that which won last season, was successful by about 10 yards.

J.SUOSAARI TO REPRESENT QUEENSLAND

The question of representation of Queensland at the forthcoming Australian Swimming Championships was brought up for discussion at the monthly Council meeting of the Queensland Amateur Swimming Association held in the Hotel Carlton last night. Mr D.S.Carter, who occupied the Chair, speaking on behalf of the Selection Committee, said that the Committee was of the opinion the Q.A.S.A should send one representative to the Championships to be held in Perth and Adelaide. The choice fell on Mr Joe Suosaari the Queensland Breast Stroke champion and Australian record holder. The Committee was of the opinion that though another representative might gain place honours, there was no chance of him winning a championship. The Committee was unanimous on this point. The question as to whether another representative should be sent was up to the Council to decide.

Mr Springfield though it might be wise for someone to travel with Mr Soari as it was an awkward journey and the trip alone might hamper his chances. Mr Kuder said that that phase of the question had been discussed, and though it might be wise for a companion to go, it might be arranged for Mr Suosaari to join the New South Wales party. The expense would be about £57 for one man, and it was question whether it would be better to send two men to West Australia or one man and in addition send a team of four or five for an extensive tour of the north later in the season.

On the motion of Mr F.W.Springfield it was decided to adopt the recommendation of the Selection Committee and send Mr Joe Suosaari as Queensland's representative. It was further decided to enter into negotiations with the idea of sending a team of Brisbane swimmers to the north at the end of the season.

An interesting point was raised in a letter received from Mr Le Bas of the Cairns Amateur Swimming Association saying he had suspended a man from competition and carnival swimming for having swum at a function not authorised by the Club without applying for permission. It was understood the swimmer in question gave an exhibition swim across a channel.

Mr F.W.Springfield asked for a ruling on the question, as the incident had

occurred at a function in aid of some charity. Mr Carter said Mr Le Bas ruling was correct; the offence was not serious but the rule should not be abused. Mr F.E.Duncliffe thought that a caution would meet the case. Mr Springfield moved that a letter be sent to Mr Le Bas stating that his action was right, but they thought it was too severe, and that any suspension be removed. The motion was carried.

It was decided to send letters to certain swimmers and to the Warwick Amateur Swimming Club asking why an exhibition of swimming had been given without permission from the parent body having been sought.

LADIES ASSOCIATION SUSPENSION

To the Editor, Sir,

The Queensland Ladies Amateur Swimming Association at their Council meeting last Friday night suspended for one month two promising young members, Valda and Naida Wetzel, for giving a display at the Commonwealth Bank's carnival without first obtaining permission from the governing body. By infringing the rule that prohibits Members from competing at men's carnivals, they, or at least Valda, in her ignorance, was guilty and has to suffer the drastic suspension imposed which debars her from competing in any events during that time. Her younger sister, Naida, however, is more unfortunate, for at the time of the holding of the carnival she was ill in bed, but she had the same suspension imposed on her. Why? The action is certainly most inconsistent and calls for an explanation from those responsible. No delay should delay in rectifying such an action of imposing suspension on an innocent child.

I am, Sir, Ted Wetzel. Spring Hill Baths Jan 8

SWIMMING VISITOR - HARRIS IN SYDNEY

Syd Jan 10

Since his arrival in Sydney yesterday afternoon, "Bill"Harris, the Hawaiian swimmer, has had a trial swim and has shown that over short distances at least, the local swimming talent will have to surpass itself to lower his colours. The sturdy thick-set man of 13 stone odd with a quiet manner has established records for 100 yards (54 seconds).

He said today that Jimmy Weismuller, the American champion, has bettered these figures; his 52 3/5 seconds for 100 yards is the best swim ever put up for that distance. "Generally speaking," continued Harris, "there is not much difference between American and Hawaiian times, it is just a matter of fifths of seconds. Although Ross has fallen away, better swimmers have come forward, and it is generally accepted in the States that America will be successful at the next Olympic Games."

Asked why Hawaiians and Americans ranked so high in the swimming world, Harris furnished a simple explanation. "Americans make good owing to their thorough and scientific training and the close supervision of coming swimmers. How is my condition?" repeated Harris in answer to a question. "Well it is not as good as I would like it to be. You see I left home on December 2, and since then I have not had more than two days in any one place. I had a great time in New Zealand. There is a coming boy over there, Adamson, of Napier. He is only fifteen years old, but his 62 seconds for 100 yards in dead water stamps him as

a coming champion. I would like about ten days to train for the 880 yards, but that seems out of the question. Anyway, I will do my best."

Judging by his first swim at the Domain Baths yesterday afternoon, his "best" promises to be a good one. Harris swims a conventional 6 beat trudgeon crawl, but he rides higher in the water than most American swimmers seen recently.

LADIES SECOND TEST

The second test race over 100 yards to select representatives for Queensland at the coming Australian Championships was held at the Davies Park Baths last night. Miss Elsie Venning has been previously chosen as Queensland's first representative and the time tests are being held to select the other representatives. Last night's races resulted - Misses Lily Venning (Com) 1.15 1/5, Mabel Springfield (V) 1.1.21 1/5, Gladys Brown (V) 1.22 2/5.

HEATS OF 220 YARDS CHAMPIONSHIPS

The heats of the 220 yards men's championships were held in the Davies Park Baths last night and resulted - First heat - S.H.Springfield (V) 1, W.Morahan (SB) 2, W.Burnup (V) 3 Times 2.41 2/5, 2.47 3/5, 2.48 2/5 respectively.

Second heat - J.Gillan (SB) 1, T.Boast (V) 2, S.Negus (V) 3. Times 2.43 1/5, 2.45 1/5, 2.49 respectively. The first two in each heat and the fastest third, W.Burnup, will swim in the final on Tuesday night. Although Springfield's time was considered to be very fair, it was not as good as expected. It was also thought that the times of the other competitors would be better, but the strangeness of the long bath undoubtedly accounted for the slower times. It is understood last week Springfield covered the distance in 2.36.

AUSTRALIAN CHAMPIONSHIPS 1923
QUEENSLANDER'S WIN
440 YARDS BREAST STROKE

Perth Feb 4

The first day of the Australian Championship Carnival at Crawley Baths on the Swan River passed off successfully on Saturday afternoon in the presence of a big crowd under ideal conditions. The 440 yards Breast Stroke Championship of Australia was won by 25 yards by J.Suosaari (Qld) from Uren (Vic) with Smith (WA) third, a few yards back. The winner got a good start and gradually increased his lead until the end. The other starters were G.Wllson, F.Stephens, and F.Schryber (WA). The time was 6.39.

In the 440 yards Free Style Championship of Australia three Victorian swimmers were scratched. Nine competed and got away evenly. Herald (NSW) was leading by three yards at 220 yards from M.Christie (NSW), W.Harris (Honolulu) and Jones (the West Australian champion), but in the last three laps Harris sprinted away from the rest and won easily from Christie, while Taylor (WA) was three or four yards away third, and Jones fourth, 2 yards further back. Time 5.35.

CHAMPIONSHIPS AT GILBERTON
FINE WIN TO BEAUREPAIRE

An impetus was given to swimming in South Australia on Saturday when the Australian Championships were begun at the Gilberton Pool under the auspices of the Amateur Club. These contests are held annually, and being decided in two sections, are conducted in two States each year, so it is three years since South Australia last had Championships in local waters. On the previous occasion interest was given to the events by the presence of Norman Ross, the wizard of the surf, and on Saturday, in addition to a number of prominent Interstate visitors, W.W.Harris, of Hawaii, was in action. At first it was thought that the local lads would not be able to finance a visit by the Honolulu man, but owing to the generosity of Mr W.A.Snyd, Harris was able to stay and take part in the Championships. The Gilberton Reserve has undergone a wonderful change during the past couple of years, and on Saturday provided an ideal pool for swimming, although the water was a little heavy, which is not conducive to fast times.

There were many at the gathering who were disappointed at the absence of "Boy" Charlton who created a sensation in Sydney recently while lowering the world's record for 880 yards by 19 seconds. However, there was a galaxy of talent, as in addition to Harris there was H.Robertson, F.Beaurepaire, T.H.Morris, and L.Uren of Victoria, K.Kirkland, W.Herald, M.Christie and R.Eve of New South Wales, H.Taylor of West Australia, and J.Turrell of Tasmania among the competitors. With such swimming giants pitted against one another, it was not surprising that a large crowd attended.

The arrangements were carried out without a hitch, and those responsible were - Carnival and Finance Committee, Messrs A.G.Hughes, R.A.Dalton, C.L.Stopford, H.M.Smyrk and L.Ashworth; Judges, Messrs A.G.Hughes, F.C.Cavanagh, T.P.Newson; Referee, Mr C.L.Stopford; Assistant Referee, Mr F.H.Saxton; Starter, Mr H.M.Smyrk; Check Starter Mr A.J.Claughton; Handicapper, Mr H.Eaton; Dressing Room Stewards, Messrs D.Looker, W.Malone, F.C.Went; Clerk of Course, Mr S.Major; Timekeepers, Messrs R.A.Dalton, V.T.Faull, J.Cooney; Lap Taker, Mr D.Linklater; Diving Judges, Messrs H.M.Smyrk, C.L.Stopford, D.Linklater.

A start was made with the 50 yards handicap for Boys Under 16 Years of Age which was divided into four heats. Cohen, who won the first heat which was done in the fastest time, also took the honours in the final and won easily from Liniham and R.Medwell.

There were a number of Interstate competitors in the 50 yards Open Handicap which was swum in six heats. Herald, of Sydney, created an impression in winning the fourth heat in 25 1/5 seconds, but Harris, of Hawaii, eclipsed that performance, and a few minutes later covered that distance in 2/5 second

faster, and was accorded an ovation. Kirkland of New South Wales was cored out of the fifth heat, but stewards decided to grant him permission to compete in the final in which E.H.Gray, a local boy who received 8 seconds handicap, cleared away with the lead, and despite a determined challenge by Kirkland and Herald, was able to reach the touching board with two yards to spare from Kirkland who beat Herald by a touch.

The ladies were given an opportunity to display their prowess in a 50 yards sprint, and owing to a number of scratchings the event was swum in one heat. Miss Whitford, who has won a good deal of notice by her powerful swimming was the last to leave the board. She put up a good performance although she was beaten into third place by Misses P.Coney and N.Hughes. Time occupied in that journey was 39 1/5 seconds.

Dave Goodhart (North Adelaide), the holder of the 100 yards Championship of South Australia, defended his title against W.McDonald (Port Adelaide), G.McGlinchey (N.A) and B.Bywater (N.A). The start was a perfect one, and the three North Adelaide men struck the front and were practically on terms at the first turn, after which McGlinchey forged to the front, only to give way to his Club mates Bywater and Goodhart, but was still in a good position. Just as Bywater appeared to have the race won, McGlinchey came with a final sprint and beat him by six inches. This swimmer, who also annexed the 220 yards South Australian Championship a week ago, was given a rousing reception. His time was 1.4 1/5, and was 1 1/5 better than that recorded by Goodhart last year.

In the principal event of the day, the 80 yards Championship, M.Christie (NSW), R.J.Dilliway (SA), W.W.Harris (Honolulu), H.Taylor (WA), and F.Beaurepaire (Vic) assembled on the starting board. It was stated that Beaurepaire, who had only arrived from Melbourne that morning, was suffering from a chill. Christie was smartest off the mark but the slight advantage was soon picked up by Beaurepaire and Harris and the three swam stroke for stroke for the first 300 yards. Harris was swimming the American crawl and the other two were more content with the machine-like trudgeon. When 350 yards was reached Beaurepaire seemed to throw off the effects of his indisposition, and taking charge gradually increased his lead over Christie who was some yards ahead of Harris. When 600 yards had been traversed the Victorian had increased his lead to 15 yards, and it appeared it was only a question whether his health would hold for him to win. He stuck it out and at the touch had an advantage over Christie of 25 yards with Harris some yards further back, third. Taylor was fourth and Dilliway last.

With the presence of such competent divers as R.Eve (NSW) and T.H.Morris (Vic) in the diving competition, it was only natural to expect some high class exhibitions, and the spectators were not disappointed. The local competitors, A.W.Samson and K.Crockall, were responsible for a number of clever dives, but Eve seemed to be at home even in the most difficult dives. His 1 1/2 sommersault was perfect and evoked rounds of applause. He was awarded the decision with 44 1/2 points. with Morris 32 1/2 and Samson 2S.

New South Wales and Victoria were represented in the 300 yards Teams Race, and Port Adelaide was the only other team to start. With Uren into the Victorian team swimming Breast Stroke they went off first with 30 seconds start and the local team started 10 seconds later. Though at first it appeared to be a runaway affair for the Victorians, it resulted in a close finish with the Welshmen, whose good position was due in a large measure to the wonderful efforts of Herald who covered his 100 yards in very good time.

At the conclusion of the programme a polo match was played between Semaphore and Gilberton and resulted in each side scoring one goal.

CONFERENCE IN ADELAIDE
PARIS OLYMPIC GAMES REPRESENTATION

The Annual Conference of the Australian Swimming Union began at the Y.M.C.A Building on Monday morning and was continued throughout the afternoon and portion of the evening, Mr James Taylor, President of the Union, was in the Chair, and the States were represented as follows - Messrs H.Snape, a Vice President, proxy for West Australia; W.R.York, New South Wales; G.Maynard,

Victoria; W.Ashworth, South Australia; J.Suosaari Queensland, Major Wood, Tasmania. Messrs H.R.Kelly, Secretary, and W.W.Harris of Hawaii were also present.

Although no official statement was made, it was understood it was decided to send seven swimmers to compete in the Olympic Games to be held in Paris in 1924. Searching tests will be held in Victoria after the Australian Championships in fresh water baths with conditions similar to those prevailing in Paris. The matter of the Australian Championships Agreement and the question of records had not been finally deal with when the Conference adjourned.

CHAMPIONSHIP TEST

For the purpose of diminishing the number of competitors for the 220 yards Championship of Australia which will be contested at the City Baths tonight, a test race was held. Two heats were swum, and W.W.Harris (Hawaii) defeated W.Herald (Sydney) and H.Robertson (Melbourne) in the first heat. He accomplished the task in 2.20. Beaurepaire was first home in the second heat from M.Christie and K.Kirkland (Sydney) in 2.33. Beaurepaire said he did not expect to give Harris a close race tonight as he had not swum the distance since January last year. However, with Herald, Christie, Kirkland and himself in the race, it should prove a stirring one.

220 YARDS CHAMPIONSHIP HARRIS DEFEATS BEAUREPAIRE

Successful as the first session of the Australian Championship was, the second, which took place in the City Baths on Wednesday evening, was even more so. Long before the time of starting the seating was fully occupied, and by the time the first event was contested, hundreds more had gained admission. In spite of the fact additional seats were secured quite a large number stood throughout. The atmosphere was oppressive, but the spectators forgot their discomfort in the excitement which prevailed from the first heat of the opening race till the final item was completed. Each event on the programme was closely followed. The general opinion was that it was the best natatorial exhibition seen in Adelaide. The Interstate competitors who took part in the competitions

were L.Uren, F.Beaurepaire, H.Morris, H.Robertson (Victoria), K.Kirkland R.Eve, M.Christie, W,Herald (NSW), and J.Taylor (WA). Mr W.W.Harris, the Hawaiian, also competed. J.Suosaari, the Queensland Breast Stroke marvel, who injured his leg in Perth, had a recurrence of the trouble, and though an interested spectator, could not compete.

Messrs H.M.Smyrk Starter, C.L.Stopford Referee, R.H.Dalton, J.Cooney B.T.Faull, Timekeepers, A.G.Hughes, F.C.Cavanagh, T.R.Newson, Judges, carried out their duties efficiently.

A start was made with the 66 2/3 yards Handicap for Boys Under 16. A.Hughes won the second heat in 47 seconds and carried off the honours in the final in a similar time.

A certain amount of interest was taken out of the 100 yards Breast Stroke event when Suosaari's indisposition became known, but with Uren of Victoria swimming, those present were highly interested in the performance. He won the first heat. Waite, the local champion, was first home in the second, but he was no match for the visitor in the final. The time, 1.15 1/5, was a record for South Australia and only 1/5 second outside the Victorian record also held by Uren.

The 66 2/3 yards Handicap attracted a number of visiting swimmers, and Hans Robertson of Victoria covered the distance in the sixth heat in 38 2/5 seconds. However, McGlinchey and Bywater established good times in their heats by doing the journey in only 1/5 second slower. Never-the-less, Robertson was the first to finish of the three mentioned but he could only manage third placing in the final. A.Young secured the verdict over R.Howe and the journey took 41 3/5 seconds.

In the 100 yards Ladies Championship of South Australia Misses McKee (holder), M.Hughes, P.Roney, A.Whitfield, J.Cobbin lined up on the starting board. When the turn for home was made Miss McKee, who had swum trudgeon from the outset, made a grand spurt, and catching the leader who was tiring, went on to win by two feet from Miss Roney. Miss Whitford was a foot away third. The winner lowered the time she recorded last season, 1.22 1/5, by 3 1/5 seconds.

Then came the principal event of the evening, the 220 yards Championship of Australia. Beaurepaire was looked upon as the only one likely to prevent Harris from winning the event, but he had not practiced the distance for over 12 months. On the other hand, the distance suited the Hawaiian to a nicety. Owing to there being such a large number of contestants, two heats were conducted on Monday, and those who qualified for last night's event were Harris, Beaurepaire, Kirkland, Herald and Christie. The start was a good one. Harris was the last to take the water but his splendid dive atoned for that defect and he was soon with Beaurepaire. The latter gained on his chief opponent at the first turn, but Harris exhibited marked superiority at the subsequent turns. When 150 yards had been covered the Hawaiian took the lead. Beaurepaire was content to hang a couple of yards in the rear. Over the closing 20 yards Beaurepaire made a determined effort to overhaul Harris but could make no impression and the American touched the rope with 3 yards to spare and was greeted with rounds of applause. Herald was some yards behind Beaurepaire, third.

Dick Eve was the centre of attraction among the diving competitors and the result of the competition was never in doubt. There were seven competitors and each was required to do a running, a standing, and three trick dives. It was in the fancy division that the New South Welshman was most brilliant. He accomplished the flip & 1 1/2, the back forward, and the 1 1/2 almost to perfection, and his total was only 6 1/2 points outside the possible. K.Kirkland was second.

Henly Grange defended their title of South Australian Champions for 500 yards against North Adelaide, but the title was wrested from them by a narrow margin of 2 yards.

The programme concluded with an exhibition water polo match between Semaphore and City.

BEAUREPAIRE WINS THE MILE

The Australian Championships were brought to a close at Gilberton on Saturday when the Mile and the 100 yards Back Stroke events were contested. In all, six carnivals were held, three in Perth and three in Adelaide. They were begun in the western State on February 3. Several attempts were made by visiting swimmers to break records, and although a number of striking performances were witnessed and State records lowered, the world's records remained unaltered.

The crowd at Gilberton on Saturday was not large. In the diving contests Eve gave a clever exhibition and easily defended his title as Australian Champion. He was ably assisted by K.Kirkland, A.W.Samson, D.Henry and H.M.Smyrk.

The growing interest in Life Saving was manifested in the demonstration given by local boys.

Harris, of Hawaii, was not a competitor in any events, but was allowed an opportunity to endeavour to beat the world's record for 100 yards and 100 metres. He was successful in beating Norman Ross's South Australian record by covering the distance in 53 3/5 seconds, and continuing, he covered the 100 metres in 62 3/5 seconds, which was only 2/5 second outside the world's record held by Duke Kahanamoku.

The arrangements were carried out in a capable manner and the officials, led by Mr W.Ashworth, Hon Secretary, are deserving of the highest praise. The officials were - Judges, Messrs A.G.Hughes, P.Newsom F.C.Cavanagh; Referee, Mr F.H.Saxton; Starter, Mr H.M.Smyrk; Handicapper, Mr H.Eaton Check Starter, Mr A.J.Claughton; Clerk of Course, Mr S.Major; Timekeeper, Mr R.A.Dalton; Lap Taker, Mr D.Linklater.

The programme opened with a 60 yards Handicap for Boys Under 15 years of age, and the event was divided into two heats. R.Medwell, who has been swimming prominently for some time, carried off the chief honours in the second heat in 34 4/5, but improved upon that time in the final which he won in 34 secs. A.Francis was a good second and V.Vivian third.

Several of the Interstate visitors faced the Starter in the 100 yards Open Handicap which was divided into three heats. W.Herald, the New South Wales sprinter, recorded the best time in the heats by covering the distance in 59 1/5 seconds, but when it came to the final, H.Robertson, who hails from Victoria, had sufficient handicap to be able to reach home in advance of Herald by a narrow margin, having accomplished the distance in 1.1 2/5.

Suosaari, who was still suffering from an injured knee, was a non-starter in the Breast Stroke event which was swum over a distance of 150 yards, but Uren of Victoria, who has been the Queenslander's most serious rival, stripped and carries off the honours with two yards to spare, and G.Kaye managed to hold G.Waite in the fight for second place. The journey was accomplished in 2.4 4/5.

Only three competitors were on the board for the Ladies 100 yards event, and Miss D.Compton who was first off held her two opponents, Miss R.Roney and Miss M.Hughes and was first home.

G.McGlinchey defended his title as 100 yards Champion of South Australia for Boys Under 15 years against A.Young (Semaphore) and W.M.McDonald (Port Adelaide)

There was a great deal of excitement in the Mile Championship Australia in which M.Christie, M.Beaglehole, H.Taylor and S.Medwell sought to wrest the title from Frank Beaurepaire. The start was a good one, and though Christie and Beaurepaire swam on terms for the first half of the journey, the distances between the other competitors were being gradually increased. After the seventeenth lap the Victorian champion took command and touched the rope 50 yards ahead of Christie with Beaglehole 70 yards further back third. Taylor was fourth and Medwell last.

The 100 yards Back Stroke Championship was somewhat of a novelty as far as South Australia was concerned. Calnan, who had only three weeks practice, represented South Australia. K.Kirkland, the title and record holder, W.Herald and L.Uren also competed. It was a one man race from the outset. Kirkland with an even and determined backward swing of the arm, and the kick similar to that in the trudgeon crawl, forged ahead and won by 10 yards from the local swimmer with Uren a yard off, third.

New South Wales found their handicap of half a minute too much to concede to the Semaphore No 1 Team in the 200 yards Teams Race which took 2 minutes 10 seconds to swim.

Another Novelty Event was provided with a 50 yards Tandem Race which is swum in couples, the first man of each pair twining his legs round his partner's waist. Calnan and Smyrk did very well to defeat W.Herald and K.Kirkland (NSW).

AUSTRALIAN LADIES CHAMPIONSHIPS 1923
LADIES CHAMPIONSHIPS - THE SYDNEY CARNIVAL

Sydney Feb 13

Sydney has been invaded by women swimmers from other States who will take part in the Australian Championships at the carnivals to be held in the Domain Baths next Saturday afternoon. The Queenslanders, numbering 19, were the first to arrive. They disembarked from the train today. That State's representatives are the Misses Elsie and Lily Venning, and Mabel Springfield with Mrs Stenhouse as Manageress. Miss Lily Beaurepaire (Victoria, the sister of Frank Beaurepaire the Australian Champion) also arrived, having boated from Melbourne. The Victorian representatives are Misses Lily Beaurepaire, M.White and J.Allen with Mrs Mariden as Manageress. New Zealand star performers, Misses Gwytha Shand and Violet Walrond with Mrs Reid as Manageress arrived today by the "Ulimaroa".

Next Saturday's event will probably be the greatest the Sydney public will see over 100 yards, between the world's three best swimmers, Misses Gwytha Shand, Violet Walrond and Mina Wylie. Miss Gwytha Shand returned recently from

Honolulu where she defeated America's best. Miss Violet Walrond beat Miss Shand on her return, and it is certain they will find it hard to beat Miss Mina Wylie. In the Teams Championship, Queensland is New South Wales most dangerous opponent.

LADIES CHAMPIONSHIP CARNIVAL
NEW ZEALAND'S SUCCESS

On Saturday at the Domain Baths the New South Wales Ladies Amateur Swimming Association commenced the Australian Ladies Championship Carnival. Over 3000 people were present. Apart from an attractive programme which embraced important events, Miss Gwytha Shand, who achieved fame by breaking the recognised 440 yards world's ladies record at Honolulu, and Miss Violet Walrond the Dominion Champion, were the great attraction. Since Fanny Durack's time, no one has looked more like world beaters than the New Zealand representatives. Each of them was accorded a splendid reception. No more appreciative gathering of spectators has attended a swimming carnival. The visitors from the State were especially favoured.

In the principal events the excitement was intense, particularly so in the 100 yards Championship of Australia, the most important feature staged. The New Zealand girls' success, first and second, was splendidly acclaimed. Another exciting event which aroused enthusiasm was the 50 yards Junior Championship. Ettie Robertson, the holder of the title, who lead from the word "go" unintentionally swam right across her opponents, and although she won and would have done more easily on a straight course, she was disqualified. However, a protest was entered and the matter is to be investigated.

Considerable interest was also centered on the 300 yards Teams Championship and the 200 yards Dual relay Race. In the last mentioned event the pairs as originally arranged had to be altered. Miss Walrond (NZ) gave Miss A.W.Barry such a commanding lead that the result was never in doubt. The N.S.W.A.S.A troop of divers under the direction of W.Sweetman (East Sydney) provided a thrilling and spectacular display.

The carnival was conducted with clockwork precision. It will be continued on Wednesday night at the Coogee Aquarium Baths when other championships will be decided.

Results -

50 yards General Handicap (12 heats) - M.Backhaus 1, P.Lauder 2

100 yards Championship of Australia -holder of Australian Record, Miss Fanny Durack (NSW) 1.6, Holder of title Miss Mina Wylie (NSW) - Facing the water the positions were G.Shand (NZ), E.Charlton (NSW), V.Walrond (NZ), M.Wylie (NSW), E.Venning (Qld), L.Robertson (NSW), M.Allen (Vic). Very little advantage was gained from the dive off, and for the greater part of the distance they were locked together excepting that the Victorian representative seemed outclassed. Towards the finish the swimmers put forth their best efforts and amid tremendous excitement Miss Walrond won by about half a yard from Miss Shand who beat Miss Wylie by one and a half yards. The time was 1.9 2/5.

50 yards Junior Championship of New South Wales - holder of record Miss L Fevyer and Miss Wylie 31 3/5 secs. Holder of title Miss E.Robertson (Sydney). Positions were E.Robertson (Sydney), V.Kimberley (Manly), L.Mealing (Rose Bay), V.Pawley (Sydney), T.Scott (Manly), R.Carrott (Sydney), G.Brown (Metropolitan). Immediately after the swimmers had started Ettie Robertson had the race in hand. Unaccountably she swam a most corkscrew course, and while proving superior to her opponents and there was no interference, earned disqualification. Consequently V.Pawley was placed first, R.Carrott second and V.Kimberley third. The time was 32 seconds.

100 yards General Handicap - C.Caldwell 1, C.Kelly 2

300 yards Teams Championship - holder N.S.W - N.S.W. (L.Robertson, E.Charlton, M.Wylie) 1. Victoria (M.Allen, I.Roberts, L.Parry) 2, Qld (M.Springfield, L.Venning, E.Venning) 3. Time 3.44 2/5

50 yards Breast Stroke Handicap - F.Wolstenholme 1, D.Lucas 2

Diving Competition - L.Wigney Manly) 1, G.Smith (Met) 2, I.Roberts (Vic) 3

200 yards Dual Relay Scratch Race - V.Walrond (NZ) & A.W.Barry (Manly) 1, Enid Charlton & F.Carberry 2, Ella Smith & W.Longworth 3.

LADIES CHAMPIONSHIP CARNIVAL

The Australian Ladies Championship Carnival was continued at the Coogee Aquarium Baths last night and in the principal event, the 220 yards Championship, the New Zealand representatives, Misses Gwytha Shand and Violet Walrond again demonstrated their superiority. Miss Shand won easily in 2.54 $\frac{3}{5}$ which is 3 $\frac{3}{5}$ slower than Miss Fanny Durack's record. The result was very popular.

The 100 yards Representatives Handicap created a lot of interest and was keenly contested. Miss Roberts (Vic) just beat Miss Wylie. The New Zealand girls competed in the final.

An interesting diving display was provided by the .N.S.W Amateur Swimming Association's troop. The carnival will be concluded at the Domain Baths on Saturday when in addition to the 440 yards Championship a 100 yards Junior Championship will be swum.

Results -

50 yards General Handicap - J.King (Cad) 1, E.Gottoes 2, M.Dunn 3

220 yards Championship of Australia -Holder of record F.Durack 2.51, holder of title M.Wylie - Positions on the board were M.Allen (Vic), G.Shand (NZ), E.Venning (Qld), V.Walrond (NZ), M.Wylie (NSW), M.Robertson (NSW).

For two and a half laps, except that the Victorian representative appeared to be outclassed, the other contestants kept very close together, Miss Shand gaining the lead in the third lap, and afterwards the result was never in doubt. Miss Shand beat her Dominion companion, Miss Walrond, by five yards, Miss Wylie being one yard behind Miss Walrond, the time being 2.54 $\frac{3}{5}$.

100 yards General Handicap - T.Lawler 1, J.Houston 2, E.May 3

50 yards Back Stroke Handicap - E.Robertson 1, R.Cashman 2

100 yards Representatives Handicap - I.Roberts (Vic) 1, M.Wylie (NSW) 2, G.Shand (NZ) 3

Diving Competition - L.Woolley (Manly) and L.Robertson (Sydney) dead heat 1, M.Lovelace (Sydney) 3

150 yards Teams Relay Handicap - Bondi No 1, 1, Metropolitan No 2, 2, Manly No 1, 3.

440 YARDS RECORD BROKEN

Sydney Feb 25

Misses Gwytha Shand and Violet Walrond, the New Zealand swimmers, again demonstrated their superiority over Australian swimmers at the Domain Baths on Saturday when the Ladies Championship Swimming Carnival was ended.

The principal event was the 440 yards Championship of Australia. The competitors were Misses M.Wylie, E.Charlton, L.Robertson (NSW), G.Shand and V.Walrond (NZ), E.Venning (Qld). Miss Shand, swimming with an easy trudgeon crawl, was leading at the end of the second lap, and though Miss Walrond sprinted with her for the last 30 yards, Miss Shand won by 5 yards. Miss Wylie was 20 yards away third and Miss Venning finished sixth. The time of 6.9 $\frac{1}{5}$ was 5 $\frac{2}{5}$ better than Miss Shand's record at Honolulu last year. The Australian record of 6.3 is held by Miss Fanny Durack.

Owing to the unsatisfactory nature of the race on the previous Saturday for the Junior Championship, the race was re-swum and was won by Miss V.Pawley in the record time of 30 $\frac{1}{5}$ seconds.

In the general Handicap of 50 yards, Misses Springfield (Qld), D.McPherson, J.Robertson, M.Allen (Vic) won their heats. The final was won by Miss Shipton (NSW), Miss Allen (Vic) was second and in the 100 yards General Handicap, the final was won by Miss G.Smith (NSW).

THREE QUARTER MILE CHAMPIONSHIP
RECORD TIME

At the Booroodabin Baths last night the long distance swimming champion, S.H.Springfield, added another Championship to his already long list by winning the State Threequarter Mile title.

The starters were: S.H.Springfield (V), J.Watts (V), R.Mullins (Ips), J.Laimer (Ips). Soon after the start Springfield took the lead from Mullins, Watts and Laimer. This order was maintained until the finish, Springfield winning by about 65 yards. Mullins was about 40 yards ahead of Watts who was 20 yards ahead of Laimer. The winner's time was 17 minutes 58 seconds, which beats the previous record of 18.7 held by F.W.Springfield by 9 seconds. Unfortunately the time cannot be officially recognised as only one Timekeeper was present. The other times were Mullins 18.59, Watts 19.34, Laimer 19.49 1/5.

INTERSCHOOL CONTEST

The large balconies of the Arthur Street Baths were not large enough to
hold the throng who wished to witness the Interschool Secondary Schools
Swimming contest last night. The teams from the various schools were more
evenly matched than usual, and this made the results more exciting. The "star"
swimmer of the night was C.Creedy, of Nudgee College, who annexed the 50 yards
and the 100 yards championships, although in the former he only just managed
to win by a yard from ward of the Brisbane Grammar School. The Back & Breast
Stroke Championship was announced as having been won by T.C.Collins (C.E.G.S)
but there was considerable dissent from the audience who thought J.B.Gibson
(B.G.S) had won, and his name was written on the result board before the
decision was announced.

Points - N.C 19, B.G.S 14, S.S 12, C.E.G.S 11, B.B.C 9, I.G.S 3, B.H.S 2.

Q.A.S.A CARNIVAL

HARRIS WINS A DOUBLE

Seating accommodation at the South Brisbane Baths was overtaxed last night, hundreds of persons having gathered to see the famous "Bill" (Honolulu) Harris on the occasion of his first and only visit to Brisbane. They expected to see him win and they were not disappointed for he annexed both races in which he started in convincing style. The principal handicap event of the programme was the B.B.Kieran Memorial Handicap which was won well by C.Graham.

The programme resulted -

220 yards Flying Squadron Junior Club Championship of Queensland - holders Valley, Time 2.50 1/5 - Commercial (W.Webb, J.Overell, J.Fraser, J.Reece, A.Zendler) 1, South Brisbane 2. Time 2.47. Commercial appeared to have a very poor show of winning, but Zendler, who swam last, carried his team to victory with a brilliant effort.

500 yards Senior Flying Squadron Championship of Queensland - holder Valley, 5.18 - Valley (W.Burnup, T.Boast, S.Negus, J.Watts, S.H.Springfield) 1, South Brisbane (J.Gillan, W.Morahan, A.Linton, P.Smith, J.Nunn) 2. Time 5.7 3/5. Valleys led from start to finish and won by 35 yards. The time constitutes a new record.

220 yards Breast Stroke Championship of Queensland - holder C.J.Smith, Valley - J.Suosaari (Maroochydore) 1, C.J.Smith (Valley) 2, R.Sylow (V) 3. Time 3.5 3/5, an Australian Record. Won by about 4 yards.

500 yards Intercity Country Flying Squadron Championship of Queensland - holder Toowoomba 5.51 3/5 - Ipswich 1, Southport 2, Time 5.40 2/5. Toowoomba did not compete.

66 yards Junior Interclub Handicap - A.Zendler 1, W.Goulding 2, A.Reece 3.

Wallace Bishop Invitation Scratch Race 50 yards - W.Harris (Honolulu) 1, S.Negus (Valley) 2, T.Boast (Valley) 3. Time 25 secs. Harris was quickest in the take-off but Negus swam well and at the turn was on even terms. Harris gained in the turn and led Negus to the finish, winning by about one yard.

B.B.Kieran Memorial Interclub Handicap -10 heats and 4 semifinals - C.Graham 1, T.Jackson 2, H.Lough 3

Neat Dive - Junior, W.Morrell - Senior, J.Carter

Invitation Handicap 150 yards - W.Harris (Hon) 1, S.H.Springfield (V) W.Morahan (SB) 3. Harris swam against Doctor's orders, having a heavy cold. He conceded his nearest opponent, Springfield, 6 seconds. At the start his task looked impossible, but with a strong steady stroke he gradually overhauled his opponents. At 100 yards he was in the lead from Springfield whom he quickly displaced, and he turned for home with a distinct advantage which he increased in the short run to the finish, and won by about 2 yards. After the race he was exhausted and unable to leave the water at once, but when he struggled out he was accorded a rousing ovation.

HARRIS AT ROSEWOOD

W Harris (Honolulu) visited Rosewood today. He was met by the Chairman of the Shire Council, Mr W.Ruhno, and a number of the local residents and was tendered a Civic Reception at the Town Hall. A banquet was subsequently held under the auspices of the Rosewood Swimming Club. Mr R.Sellars presided and proposed a toast to the visitor. He was supported by Councillor Walsh, G.Nolan, J.Evers and J.Sloane. Mr Harris suitably responded. Several other toasts were honoured. Dr Wallace, on behalf of the Rosewood Swimming Centre, presented to Mr Harris a style as a souvenir of his visit, and Mr Pratt made a presentation of a silver cup on behalf of the Ipswich Centre.

At the swimming pool Mr Harris gave a demonstration of the Back and Breast Strokes, the Charlton and Hawaiian crawls, starting, turning and sprinting, a parody on the Hawaiian dynamite fishing, and took in hand several of the local swimmers. A couple of local contests for demonstration were arranged. Harris swam 40 yards in 20 seconds, a record for the pool.

ARRIVAL AT TOOWOOMBA

Tmba Mar 26

Mr W.Harris arrived by car in Toowoomba 40 minutes late to fulfill his engagement at the City Baths. At 8 o'clock the officials decided not to keep the large attendance waiting, and the carnival was commenced. The visitor was greeted with warm applause on his arrival at the baths. During the evening, Championship Sashes were presented to winners of the State Schools Championships, and the Mair Cup for the Teams Championship was presented to the Cadets by Mr F.T.Brennan.

The events resulted -

50 yards Exhibition Handicap - Harris appeared to go leisurely in the first lap. On turning, the Toowoomba swimmers were going great guns several yards ahead. Harris, however, sprinted magnificently and just failed to catch Hooper who won by a touch.

100 yards Invitation Handicap - Mullins (Ips) 1, Thorne 2, Harris 3. Won by two yards with Harris a yard behind Thorne.

Mair Cup Relay - each swimmer to swim 50 yards - Cadet A Team (H.Stumer C.Elborne, T.Elborne, V.Brinkworth, F.Phillips, J.King) 1, Grammar B Team (Thompson, L.Johnson, H.T.Clarke, r.Muller, T.Thynne,

Interclub Handicap - F.Broadfoot 1, J.Featherstone 2.

ROCKHAMPTON COMPLAINT

Rockhampton Mar 26

The Committee of the Rockhampton Amateur Swimming Club in apologising to the Rockhampton public regarding the appearance of William Harris of Honolulu at the annual Championships Carnival, says, "The Secretary and Referee of the Club met Harris on his arrival on Monday and he insisted on renewing his ticket for his return journey to Brisbane, also a lower berth sleeper ticket, before he would leave the platform. As no lower berths were available, he insisted on proceeding to the telegraph office to wire to the Queensland Amateur Swimming Association before he would proceed to his hotel. He stated that unless a lower berth was provided, he would return to Brisbane on the following day and would cancel the balance of his Queensland tour. He also stated that he was suffering from a bad cold. The Committee points out that when Pau Kealoha was in Rockhampton, he had to visit the Doctor at the Club's expense on account of a very bad cold from which he was suffering, but he made no objection to giving various exhibitions and competing in the various events. Harris, when he was met on arrival, complained he was 24 hours in Brisbane before anyone went to see him. The Committee is under the impression that the telegraphic news from Brisbane which appeared in the local press, explains this, but what happened in the metropolis cannot by any means be attributed to the Rockhampton body which tried its utmost to make Harris stay in Rockhampton as enjoyable as possible. On Tuesday night the programme was altered considerably before Harris could be induced to take the water. Harris time for 108 yards was 41.5, which for a champion, could hardly be called brilliant. He was asked to give the local champion, whose time for the distance is 1.9, 10 seconds, but he refused on plea of not being in condition. Harris on Monday night gave a 108 yards (4 lap) exhibition of the Hawaiian crawl, 27 yards Breast Stroke, 27 yards Back Stroke, and finished with a 27 yards sprint which he swam in 12 1/5 seconds. This time, the Committee holds, demonstrates that he was in condition. On Tuesday night Harris only competed in the two 108 yards Handicaps."

AUSTRALIAN LADIES SUCCESS

Auckland Mar 26

The Australian Lady swimmers gave a great exhibition at tonight's carnival. Miss Mina Wylie (NSW) defeated Miss Pauline Hoeft in the 100 yards Australasian Invitation Race by two yards. Miss Piri Page was third. Miss Wylie sprinted over the last 30 yards, winning easily. Miss Walrond did not start. The time was 1.8.

The 66 2/3 yards Breast Stroke Handicap was won by Miss Venning (Qld) from scratch. Miss Wylie, also from scratch, was third. The time was 56 seconds.

The Relay Race 200 yards was won by the Auckland Ladies headed by Miss Hoeft who defeated Misses Wylie, Venning and Edna Walrond (sister of the champion).

MISS ELSIE VENNING'S TOUR

Miss Elsie Venning, who has been appearing in New Zealand together with Miss Mina Wylie (NSW) at the invitation of the New Zealand Swimming Association, writes under date Auckland March 27 -

"I landed here quite safely last Thursday. I enjoyed the sea voyage very much and proved myself a good sailor. We really did not experience rough weather though we ran into some heavy swells now and again. At nine o'clock on Wednesday night we anchored in Auckland harbour. We had to stay on board until early next morning on account of the Doctor being unable to come aboard. I was met in the morning by Miss Mina Wylie, Mrs Chambers, and two or three New Zealand people. The first couple of days I did not like the place at all, but now I have looked round a bit I think it is rather a pretty place. On Sunday they took us on a glorious motor drive to a place called Muriwai Beach about 35 miles from Auckland. The scenery was beautiful. We had a swim in the surf when we arrived there and enjoyed it very much. Today we are being taken to Mount Eden just outside Auckland. The New Zealanders think the world of this mountain. They speak of it as Sydneyites speak of their harbour.

Now we had better get to the swimming.

The big carnival was held before I arrived here. In the 100 yards Mina Wylie and Pauline Hoeft dead heated for first place but somehow or other they gave the decision to Pauline Hoeft. Everyone here says that Mina should have got it. They both swam the distance in 69 seconds. Anyway, last night proved the better swimmer when another carnival was held in the tepid baths. A 100 yards was put on, and Mina beat Pauline by a couple of yards, covering the distance in 68 seconds. It was a very popular win. Piri Page (New Zealand) was third, I was fourth and Edna Stockley was fifth. It was a splendid race, the last three coming in one after the other. Pauline Hoeft is a big girl. We thought that Etheldra Bleibtrey was huge, but this girl beats her, so you have some idea of her build. In the Australasian Teams race New Zealand was successful. Their team consisted of Pauline Hoeft, Piri Page and Edna Stockley. Australia's team consisted of Mina Wylie, Edna Walrond and myself. No doubt if we had Violet Walrond we would have won. It was a very good race. Violet Walrond is at present suffering from a very heavy cold so she is unable to

swim. In the Breast Stroke Handicap I was successful. Mina and I were both on scratch so of course it made it a very good race. We both gave away 12 seconds in the 66 yards and I managed to win just by a touch.

Tonight we are swimming again at Mount Eden. We are only doing 50 yards and giving a display of swimming. On Wednesday we go to Rotorua for a week. This place is the Wonderland of New Zealand and abounds in hot springs. We come back the following Wednesday and swim the next night at another carnival. We leave for home on Friday April 6 by the "Morama", so I expect we should be home in Brisbane about the 11th. All being well, we should have a fine time."

AUCKLAND APRIL 5

The Australian lady swimmers competed in the 66 2/3 yards handicap but failed to win. Miss Pauline Hoeft beat Miss Mina Wylie in her heat by two yards, and Miss Venning failed to gain a place in her heat. The New Zealand champion, Miss Violet Walrond, was also unplaced. Miss Hoeft won the final in 42 2/5 seconds. The champions were all on scratch.

WORLD'S RECORDS FOR WOMEN

CHARLTON'S FINE EFFORT

Sydney Jan 14

There was a record attendance numbering between 5-6000 at the Domain Baths to see W.W.Harris, the American champion of Honolulu in the 100 yards Championship of New South Wales and Charlton, the Manly idol, in the half mile event. Charlton, whose age is only 15 1/2 years, caused a sensation in swimming circles by establishing a new world's record for 880 yards, covering the distance in 11m 5 1/5 sec, which is 19 1/5 seconds better than the previous record. Charlton finished 100 yards ahead of all other competitors and he was loudly cheered. The previous record was made by Norman Ross in Sydney in 1920, his time 11.24 1/5. Harris won the 100 yards from Herald by a touch in 57 1/5.

18 January 1923

CHARLTON'S SUCCESS - HARRIS DEFEATED OVER 400 YARDS

Sydney Jan 17

A "Boy" Charlton, the young champion swimmer of Manly, tonight defeated Harris, the American champion, in a 440 yards championship race at the Domain Baths. Thousands of people crowded the baths in expectation of seeing Charlton defeat the American. Harris, who saw Charlton swim last week, admitted that he had no hope of competing successfully in a 440 yards race with the Manly lad. Charlton won by 15 yards with only a touch between second and third (Harris and W.Christie). Time was 5.23 2/5, his record is 5.14 2/5.

NEW SWIMMING BATHS
CITY COUNCIL MOVING
Q.A.S.A ANNUAL MEETING

"I hope they will get to work as soon as possible," said the President of the Queensland Amateur Swimming Association, Mr D.S.Carter, in forecasting the erection of baths in Fortitude Valley by the City Council, at the Annual meeting of the Association last night. He pointed out that the Association desired that the Council should consult with them concerning the shape and appurtenances before proceeding with the construction.

In moving the adoption of the Report and Balance Sheet, Mr Carter remarked that the activities of the Association justified the title of Queensland Amateur Swimming Association. After reviewing the outstanding performances of Queenslanders during the year he expressed the hope that Queensland would be represented at the Olympic Games. This State's objective in connection with this proposal was £1000, but only £200 had been received up to the present.

The time had arrived he said when suitable baths should be erected in Brisbane. While nothing definite would be stated, he understood that at the next meeting of the Brisbane City Council a decision would be reached in connection with this matter. The money had already been voted and he understood that Fortitude Valley would be chosen as the site. He hope the Council would get to work as soon as possible, and in the construction of the baths consult with the Association. He congratulated the Association on the really good year through which it had passed.

Mr F.E.Duncalfe seconded the Motion and was supported by Messrs W.B.Swain and D.McGregor.

The Hon Secretary, Mr W.Kuder, remarked that Queenslanders were very sensitive about their capabilities as athletes, He had never seen better athletes anywhere than in Queensland, and he believed that with strict

attention to training they would be able to hold their own with all comers.

Two nominations were received for the office of President, Mr D.S.Carter receiving 26 votes and Alderman M.J.Barry 7 votes. The election of officers resulted as follows - Patron, Mr F.W.De Little; President, Mr D.S.Carter; Vice Presidents, Messrs D.C.Cameron M.H.R, T.C.Beirne, J.Hiron, C.W.R.Just, W.B.Swain, J.Massai, F.Springfield Snr, W.H.Hinch, Wallace Bishop, F.E.Duncalfe; Hon Handicappers, Messrs H.New, F.E.Duncalfe, C.Graham; Hon Auditors, Messrs T.J.Donovan, J.A.Kear.

It was decided that the first Council meeting would be held at the Sovereign Hotel, Elizabeth Street, on October 5.

Q.A.S.A COUNCIL

The President, Mr D.S.Carter, presided at the Council of the Queensland Amateur Swimming Association held in the Sovereign Hotel last night.

Several letters were received from Clubs renewing affiliation with the Association. Applications were granted to the following Clubs to hold carnivals on the dates mentioned - Valley, November 28; Toowong December 4; Commercial December 11.

A letter was received from the Headmaster of the Wilston State School in regard to the baths now being constructed in the school grounds, stating that it was intended holding a carnival on the official opening day, November 17, and asking the Association to co-operate. It was finally agreed that the first State Championship would be held at the baths on that date and entries will close in a fortnight's time.

The meeting also decided to communicate with the New South Wales Association to obtain, if possible, the services of "Boy" Charlton at the Association's carnival to be held later in aid of the Olympic appeal.

The following officers were elected for the season - Chairman, Mr D.S.Carter; Hon Secretary, Mr W.Kuder; Hon Treasurer, Mr L.Nissen; Executive Committee, Messrs R.McGregor, D.Sunderland, H.Davies, H.New, F.E.Duncalfe; Official Starter, Mr F.E.Duncalfe, Assistant Starter, Mr H.New; Standard Timekeeper, Mr F.Springfield Snr.

BORG'S VISIT

At the Council meeting of the Q.A.S.A held last evening, Mr F.E.Duncalfe, Vice President, in the Chair, it was decided to be a party to the invitation issued on behalf of the Australian Swimming Union to Mr Arne Borg to visit Australia this season.

In response to a request from the Australian Swimming Union for a mail vote in the matter of changing Melbourne for the place for the Olympic tests, the Council decided to vote against any alteration of venue, also to favour the pistol shot as the method of starting championships.

The programmes for the Toowong and Commercial Clubs were approved.

The Council agreed to allow the Clubs in Cairns and the hinterland to form a Centre with headquarters in Cairns. The Sherwood and Windsor Clubs were granted affiliation.

SWEDISH SWIMMER COMING TO AUSTRALIA

Aust Press Association, London Nov 24

Arne Bard, the Swedish swimmer, will sail today in the "Moldavia" for Australia. In an interview he stated that his suspension for non-compliance with military orders expired next week. He is looking forward with confidence to meeting "Boy" Charlton. During a recent visit to Spain, Borg covered half a mile in 10 minutes 37 seconds, but in a 40 yards bath which cannot be accepted as a record. His 11.9 1/10 for the distance, registered in Gothenburg in August, however, was classed as a world's record.

ROSEWOOD CARNIVAL

The first swim of the Rosewood Amateur Swimming Club for the season was held in Keane's Lagoon. There was a splendid attendance including many swimmers from the Commercial Swimming Club of Brisbane. The events were keenly contested. The visiting swimmers were welcomed to Rosewood by Mr J.P.Walsh, Vice President, and Mr Wetzell suitably replied. A vote of thanks was accorded to the ladies for providing afternoon tea.

The officials were - Dr Wallace, President; Mrs G.Nolan, Secretary; Messrs R.Sellars and J.P.Walsh, Vice Presidents; Mr P.Sloane, Handicapper; Messrs Brennan and O'Brien, Judges.

SHERWOOD BATHS - OFFICIAL OPENING

What should prove a lasting testimony to the public spirited nature of Sherwood residents, coupled with the ready assistance of a progressive Shire Council, was perpetuated on Saturday on the Sherwood reach of the Brisbane River, when a new public baths was officially opened by Mr A.C.Elphinstone M.L.A in the presence of a large gathering of local residents and visitors. In declaring the baths "Officially Open," Mr Elphinstone referred to the inauguration of the movement which was commenced about two years ago when a strong local committee was formed. A generous response was received from the public and a gift of £250 from the Shire Council, and the project was an established fact.

The baths are 100 feet long, and 50 feet in width at high tide - 30 feet at normal - to a depth of 8 feet at the outer edge. The structure is strong and serviceable, Mr P.Rendle, the contractor, having devoted much attention to it in order to make the completed structure well worthy of the Shire. The baths, though not quite complete without dressing sheds, were opened on Saturday to synchronise with the breaking-up of the schools. This consideration was appreciated by parents and children alike.

Sydney Jan 13

Possibly never in the history of swimming in Sydney has so much interest been taken in any match as that between "Boy" Charlton, the youthful Manly swimmer, and Arne Borg, the Swedish champion of Europe and the holder of several world records.

These two youthful champions met on Saturday for the first time. The Swede's wonderful achievements in the water has made him a notable figure in the world's swimming history, while Charlton has been the idol of New South Wales swimming since his wonderful performance last year when he broke the world's record for the half mile by over 19 seconds.

The meeting of these two youths was therefore looked forward to with the keenest interest by every swimmer in the State, and indeed in the whole country.

The crowd, estimated at 8000, saw the Australian representative win the event by 20 yards from Borg, with Moss Christie, the Australian mile champion 15 yards away, third. The winner's time was 5.11 4/5, equaling Borg's world record.

By twelve o'clock great queues were stretched either side of the gates where the cheaper tickets were being sold. The police were kept busy maintaining order. It was estimated that over 5000 people had to be turned away. Interest was gradually worked up in the racing by a series of well-contested scratch races, notably the 100 yards Championship of New South Wales. Herald was believed to have the race in his hands having completed 100 yards in 55 4/5 seconds in his heat, and E. Henry was also thought to have a good chance. The winner, however, turned out to be Coppleson of Bondi, who won from E. Henry by a touch, with Kirkland and Herald a tie for third place. The time was comparatively slow - 58 2/5 seconds.

Arne Borg surprised the onlookers at the Domain Baths when in a trial swim over 220 yards which he covered in 2.21 2/5. This was the fastest swim ever recorded in Australia. The Australian record is held by Norman Ross who swam the distance in 2.25 2/5 in Brisbane in 1920. Ross swam in a 25 yard bath, while the previous champion swam over a 50 yards course. Borg had the advantage of a high take-off and four turns, while the swim was remarkable as the water was choppy.

"BOY" CHARLTON
IS HE OVERWORKED?
AN ATTACK OF CRAMPS
VARIED OPINIONS
Sydney Jan 17

It is the opinion of many of Sydney's prominent swimmers, and experts in the sport, that a very serious mistake has been made in allowing "Boy" Charlton to compete in the forthcoming Australian Championships in Hobart and Melbourne, and that continual strenuous swimming may have tragic results.

After his sensational victory in the 220 yards Championship last evening, Charlton was attacked by a cramp in the shoulder. He suffered intense pain and it was some time before he recovered. Ernest Henry, the rising champion, who also established a phenomenal performance in the race, is suffering from heart trouble, which was diagnosed by his father, Dr Henry of Manly. The opinion is held almost generally that the two young champions should have a complete rest until the time to start training for the Olympic Games. They are afraid that the strain on Charlton in the South may affect his chances in Paris. The opinion of Mr Harold Hardwick, at one time the Australian champion distance swimmer and all-round champion athlete of the A.I.F, and now swimming instructor to the New South Wales Education Department is, "It is madness to allow young Charlton to compete in the Australian Championships. If I had anything to do with him, under no circumstances would he make the trip. No boy his age could stand it. If Australia wants him to represent it in the Olympic Games, he must rest from after next Saturday." Mr Tony Adrian, Charlton's coach says, "I have no say in the matter and have not been approached,"

Similar thoughts were also quoted as expressed by Mr Albert Barry, ex Australian 100 yards champion and holder of the 100 yards record, Mr C.D.Bell of Manly, ex champion swimmer and representative of Australia at the Inter-allied Games, and Mr W.Herald, the 100 yards Australian champion and Olympic representative.

Mr H.Hay, a local representative said, "I am in favour of Charlton making the trip on account of the experience it would offer. I think his constitution would stand it and his prospects would not be affected." Mr Keith Kirkland, Olympic representative, made similar comment.

SPRINGFIELD WINS AGAIN
WEST END CARNIVAL

The West End Amateur Swimming Club successfully conducted a Grand Championship Carnival last night at the Davies Park Baths. There was a good attendance. Sid Springfield, the holder of the title, again easily annexed the 880 yards Championship of Queensland. Taking the lead from the start he was never seriously challenged afterwards and eventually touched over 40 yards ahead in the moderate time of 12 minutes 23 2/5 seconds. The tussle for second place was an exciting test of stamina and endurance between J.Pike (Valley) and R.Grier (Windsor), the former winning by about half a length.

The following are the details of the other races -

Novice Club Handicap 50 yards - P.Byrnes 1, T.Robinson 2, W.Wilson 3
Junior Club Handicap 50 yards - W.Evers 1, H.Day 2, C.Massey 3 C.Blieler
Memorial Club Handicap - J.Wren 1, G.Bonis 2, A.Pearson 3 Junior
Interclub Handicap 50 yards - E.Hogan 1, J.Bliss 2,

Victor McCartney Memorial Interclub Handicap 50 yards (13 heats) -
R,Gallagher 1, F.Graham 2, G.Bonis 3

Neat Dive - R.Smith

Interclub Brace Relay Handicap 100 yards - J.Moores & E.Bonis 1, C.Gibson & A.Goforth 2

During the interval, Joe Suosaari, Breast Stroke champion of Australia gave an exhibition swim over 220 yards, his time being 3.12, which is 12 seconds slower than his previous record.

The following were the officials - Starter, Mr G.Johnson; Referee, Mr D.S.Carter; Judges, Messrs H.Felsman, R.McGregor, W.Kuder.

WORLD'S RECORD -
100 YARDS BREAST STROKE
MISS D.THOMPSON'S FEAT

Miss D.Thompson, of the Valley Club, at the Spring Hill Baths last night, established a new ladies world's record for the 100 yards Breast Stroke by covering the distance in the remarkably fast time of 1.24 2/5. The previous world's record was held by Miss Elsie Venning, being 1.27 4/5. Hearty cheers were given for Miss Thompson. The event in which Miss Thompson accomplished this great feat was the 100 yards Championship of Queensland, an item on the championship carnival programme of the Kangaroo Point Ladies Amateur Swimming Club.

There were four competitors in the race, Misses D.Thompson, I.Cribb, V.Wetzel, and L.Collins. Miss Thompson went to the front soon after the start, and before the first lap was finished she was swimming so strongly, it was obvious she would be victorious. She continued to lead throughout the race with a powerful stroke, and won the race by about 6 yards from Miss L.Collins, a Club mate.

Results -

Club Handicap 25 yards - (Misses) C.Levingston 1, R.Carroll 2

Junior Club Championship 25 yards - M.Magill 1, N.Sylvester 2. 25 secs

Senior Club Championship 50 yards - M.Thompson 1, D.French 2, M,McNevin 3,
Time 38 3/5 secs

B Junior Interclub Handicap - E.Frost (Fed) 1, D.Herton (V) 2

100 yards Breast Stroke Championship of Queensland - D.Thompson (V) 1,
L.Collins (V) 2, I.Cribb (Fed) 3. Won by 6 yards. Time 1.24 2/5. A world's record.

SWIMMING CHAMPIONSHIPS
MILE RACE TO ARNE BORG
WORLD'S RECORD BROKEN
DIVING - R.EVE

The seating accommodation at the Sandy Bay Baths was taxed to the utmost last night to hold the enormous crowd that gathered to see the first of the Australian Swimming Championships. The events set down for decision, in addition to a number of races of more or less local character, were the Mile Championship of Australia and the Diving Championship. Particular interest attached to the long distance race for the reason that Arne Borg, the Swedish swimmer who has recently been competing against Charlton the Australian champion, was included amongst the competitors. Unfortunately the official arrangements were anything but perfect, particularly the announcement of results etc, and the hope is expressed that a much needed improvement will be effected for the remainder of the carnivals. Contrary to expectations the water was fairly warm and the visitors did not experience any discomfort while swimming. The surface was like a mirror, a state of affairs conducive to fast times and good diving, both of which were the order throughout the night.

The Diving Championship attracted only three competitors, R.Eve (N.S.W) holder of the title, H.Morris (Victoria) and P.Tracey (Tasmania). The local man did not execute the requisite number of dives and therefore his chances automatically ceased. The standard set by the two visitors was high, and to the lay man it was difficult to forecast the winner. The Judges apparently had less

difficulty as they decided in favour R.Eve for the fourth successive occasion, by a margin of eight points. Competitors were required to execute dives, some of an acrobatic character, from a springboard and a high tower, and the neatness with which they entered the water was truly amazing.

Principal interest centered in the 1 Mile Championship of the Commonwealth, not only for the fact Borg was swimming, but also because the first Australian to finish would win a point for his State in the Kieran Shield Competition. Spoken to before the race, Borg expressed himself as being confident he could win, and his optimism, as the race proved, was justified. Beaurepaire, on the other hand, said he did not expect to have a chance against the Swedish representative, but hoped to be the first Australian to finish. The race itself needs very little description. All the competitors hit the water together and splashed away to the other end at a pace that seemed too fast to last. At the completion of the first 100 yards, Borg was 6 yards ahead of Beaurepaire (Vic) and Christie (NSW) who were swimming together. 12 yards further back came Dilliway (S Aust) and a similar distance behind him, Simpson, the Tasmanian representative. The positions were unchanged throughout the race, with the exception that the gaps between the competitors continued to increase. When 1100 yards had been covered, Borg was 70 yards ahead of Beaurepaire and Christie, and more than 200 yards ahead of Dilliway and Simpson. Dilliway retired at 1200 yards. When he sighted his two principal opponents only 30 yards ahead of him, Borg made a great sprint and caught them at the 1350 yards turn, thus double lapping them. At this stage Borg and Beaurepaire went away from Christie who appeared to be weakening badly. With only 250 yards to go, Borg still had an advantage of 100 yards from Beaurepaire and 112 yards from Christie, and these distances were increased as the winning post was reached. When he had only 60 yards to go, Borg opened out still further, and touched the rope 115 yards ahead of Beaurepaire, the second man. Christie finished nearly a minute after the Victorian. The times taken were, Borg 22m 45 3/5s, Beaurepaire 24m 37 2/5s, Christie 25m 40s. Simpson's time was not taken.

The official world's record for the distance is 23m 24 1/2 s, which was established by G.R.Hodgson at Stockholm on 10 July 1912. From this it will be seen that Borg's time is a world's record, although it will probably not be recognised as such, owing to the fact that it was swum in baths which are subject to tidal influences. Frank Beaurepaire holds the Australian record for the distance in 23m 49s, and the American record established at Honolulu is 23m 40 4/5s. The Tasmanian record stands to the credit of M.Reisz who on 24 February 1922 swam the distance in 27m 3s. Borg's sectional times were - 440 yards 5.25, 880 yards 11.10, 1320 yards 16.45.

The following were the Officials - Referee Alderman R.E.Martin; Stewards, Messrs F.Mills, C.Rodway; Judges of Swimming, Messrs W.A.Read, E.A.Bennison, C.Elliott, C.Faul; Judges of Diving, Messrs C.Rodway, G.Brewster; Timekeepers, Messrs H.Owen, R.S.Darcy, A.Golding, W.Kuder; Standard Timekeeper, Mr J.H.Sharp; Handicapper, Mr T.W.Simpson; Starter, Mr G.Brewster; Assistant Hon Secretary, Mr E.Cowles; Hon Secretary, Mr Max Moore.

Appended are the results -

Diving Championship - R.Eve (NSW) 68 1/2 points 1, H.Morris (Vic) 60 1/2 points 2, P.Tracey (Tas) 3.

1 Mile Championship - A.Borg (Sweden) 1, F.Beaurepaire (Vic) 2, M.Christie (NSW) 3, D.W.Simpson (Tas) 4 Time 22.45 3/5

50 yards Boys Handicap U/16 years - H.Ellis (Sandy Bay) 1, J.Grubb (Sandy Bay) 2, W.Webster (Collegians) 3

50 yards Open Handicap - A.Hodgkinson (Collegians) 1, I.Duff 2, F.Nicholson 3. Faulkinder started before his time and was disqualified. At the conclusion of the race a blanket would have covered the whole of the swimmers. The Judges had difficulty in placing the men but ultimately awarded the first prize to Hodgkinson.

100 yards Breast Stroke Handicap - J.Towell (SB) 1, J.Ray (SB) 2, K.Webb 100 Yards Invitation Race - J.Henry (NSW) 1, L.Chaffey (Tas) 2, M.Reisz (Tas) 3.

TWO SUSPENSIONS
THREE MILE EVENT "FIXED"

The Council of the Q.A.S.A at a meeting last night placed J.Pike and W.Watts, both of the Valley Club, under suspension, pending a satisfactory explanation taken from them regarding participation in carnivals at Maroochydhore and Southport respectively.

The Council resolved to hold the annual 3 Mile Swim in the Bremer River on Saturday March 22. The tide will commence to ebb at Ipswich at 3.30pm on that day, so it will be necessary to swim downstream instead of upstream from Booval, as on former occasions.

AUSTRALASIAN CHAMPIONSHIPS
SATURDAY'S CARNIVAL
BORG WINS 880 YARDS RACE

Contrary to expectations, the number of people who visited Sandy Bay Baths on Saturday evening to witness the second of the three Australian Championship Swimming Carnivals being held in Hobart was only moderate. The probable explanation of this was the coldness of the weather coupled with the fact that the racing at tomorrow night's carnival will probably be more interesting.

Unfortunately, as stated in Saturday's "Mercury" , it was found necessary, owing to the indisposition of Henry, the middle distance champion of New South Wales, and Suosaari, the champion Breast Stroke swimmer of Australia, to postpone the two events for which they were entered, and to bring forward the 880 yards Free Style Championship. The alteration was effected by the courtesy of the other competitors.

A most interesting programme had been arranged in addition to the long distance events, comprising races over various distances for all comers and for boys under specified ages, diving contests, and exhibitions by the best divers in Australia, demonstrations of floating, trick swimming, and Life Saving by holders of the Award of Merit Certificate given by the Royal Life Saving Society. That in no instance did the events get behind the scheduled time of starting is a matter for congratulations to the officials in charge, and the spectators were not slow to show their appreciation.

The sport began with the 50 yards handicap for Boys Under 16 years of age, the winner of which was A.Head of the Sandy Bay Club from the 8 seconds mark.

A feature of the 75 yards Open Handicap which followed was that out of 28 entries, there were only 12 starters. The race was disposed of in three heats, the first and second in each only, being eligible to compete in the final. One of these, A.C.Green, who occupied second place in the second heat, decided not to swim, so there thus only 5 starters in the final. The finish was the best of the evening, only a touch separating the three men in the order of Eve, Duff and Ross.

Much the same occurred in the way of withdrawals in the 150 yards Open Handicap, only 4 competitors starting out from an entry of 22.

Principal interest centered in the 880 yards Championship for which there were five competitors, Arne Borg (Sweden, holder of the world's record), F.Beaurepaire (Victoria, holder of the Australian title), M.Christie (champion of New South Wales), R.J.Dilliway (champion of South Australia), and T.L.Simpson (Tasmania). Prior to the race, Borg announced his intention of trying to reduce the time established in Sydney by "Boy" Charlton in the Championships of New South Wales, 10.51 4/5. His own time on that occasion was 10.59. Beaurepaire said he did not expect to push the Swede, but he expected to be the first Australian to finish. Although he did not lower Charlton's time, Borg swam a great race, and brought his own best time down by 1 1/5 seconds to 10.57 4/5. When it is remembered he swam the whole distance without a pacemaker, the merit of the feat is considerably enhanced. Had he been forced to fight all the way, it is quite within the bounds of possibility a new world's record could have been created. The race itself needs little description, competitors swimming in the same order throughout, namely Borg, Beaurepaire, Christie, Dilliway and Simpson. Although Borg finished first, he is ineligible on account of residential qualifications from holding the title which therefore goes to Beaurepaire, with Christie second and Dilliway third. Points for the Kieran Shield which carry with it the title of Champion State will therefore be credited to Victoria, New South Wales, and South Australia in that order.

At the conclusion of the Diving Handicap contest, R.Eve, who on Wednesday night won the Diving Championship of Australia, and H.Morris the diving champion of Victoria, after the finish gave an exhibition of fancy and acrobatic diving, the feats including forward and back somersaults from the springboard, the high tower (40 feet), all executed with an accuracy a little less than marvellous. The spectators were loath to let them depart, and it was only when they explained they were suffering from the cold that they were allowed to retire.

Captain Webb, who holds the Award of Merit in the Royal Life Saving Society, demonstrated with a patient several different methods of rescuing a swimmer who is in difficulties. Mr T.W.Simpson added greatly to the interest of the onlookers by explaining exactly what movement the swimmers were executing.

During the evening the Citizens Band, under Bandmaster Caddie, rendered musical selections which were thoroughly appreciated.

The following were the officials - Referee, Alderman R.R.Martin; Stewards, Messrs 'Mills, C.Rodway; Judges of Swimming, Messrs W.A.Read, A.Bennison, C.Elliott, C.Faul; Judges of Diving, Messrs C.Rodway, G.Brewster; Timekeepers, Messrs H.Owen, R.S.Darcy, A.Golding; Standard Timekeeper, Mr J.H.Sharp;

Handicapper, Mr T.W.Simpson; Starter, Mr G.Brewster.

Results (as above, also)

Diving Handicap - Judged on standing, running, high and fancy dives - R.Eve (NSW) 1, G.Robertson (Tas) 2, P.Tracey (Tas) 3

100 yards Open Handicap - H.Ross (Sandy Bay) 1, F.Southey (Old Hobartians) 2, W.York (NSW) 3.

BEAUREPAIRE A CHAMPION

When one recalls that Beaurepaire won his first Australian Championship when Borg, the Swede, was only five years of age, one cannot but admire him for the fact that at 34 years of age he is still Champion of Australia. Beaurepaire won his first Australian Championship in the 1907-08 season in West Australia at the age of 17 years. On that occasion he was second to Cecil Healy in the 100 yards and 220 yards events, and was victorious over all other distances, 440 yards, 880 yards, and 1 mile. In 1908-09 and 1909-10 he won every Australian title except the 100 yards which was annexed by Cecil Healy, In English Championships Beaurepaire has an enviable record having won in 1908 the 220 yards, 440 yards, 880 yards and 1 mile titles. In 1910 he swept the board clean over every distance from 100 yards to the mile, and gained victories in the 220 yards English Championships in 1908, 1910, and 1920. So far this year he has annexed the only two Australian Championships contested, and looks the likely winner of some of the remaining events.

AUSTRALIAN LADIES CHAMPIONSHIPS SOUTHERN VISITORS ARRIVE

Representative teams of swimmers from New South Wales and Victoria arrived in Brisbane by the southern mail train last night. The visitors will compete in the Australian Ladies Championship Carnivals which will commence next Saturday. The New South Wales party which is under the management of Mrs W.Chambers (Hon Secretary N.S.W.L.A.S.A) comprised Misses Mina Wylie, L.Robertson, Vera Pawley and Rene Carrett, emergency. Accompanying the swimmers were Mesdames Higgenbotham, Carrett, Gallen, Whitchurch, and Misses Whitchurch and Marjorie Gallen.

The President of the Victorian Ladies Amateur Swimming Association, Mrs Marston, is manageress of the Victorian lady swimmers, and has with her Misses Marjorie Richards, Muriel Allen, and Jean White. The Chairwoman of the Association, Mrs Ridgwell, and the Hon Secretary, Miss D.McPherson, accompanied them. Others in the party were Mesdames Greenbury and Barbour (Vice Presidents) and Miss Johnson. The Press Correspondent, Miss Richards, will be the official representative in the 100 yards event, Miss Allen in the 220 yards, and Miss White in the Breast Stroke.

The New South Wales swimmers were quartered at the Carlton Hotel and the Victorians at the Grand Hotel. The visitors were met at the station by Mrs J.P.Fry (President of the Q.L.A.S.A), Mr J.P.Fry M.L.A, Mrs J.W.Stenhouse (Hon Secretary Q.L.A.S.A), Mr D.C.Boyle (Assistant Hon Secretary Q.A.S.A), Mrs King (ex Hon Secretary Q.L.A.S.A) and a number of members of the ladies swimming clubs in Brisbane.

STANLEY STREET BATHS

At a meeting of the South Brisbane City Council yesterday, the Finance Committee reported regarding the Stanley Street Baths, as they were of the opinion that these baths could be made of better service to the Council in the hands of a lessee, and they recommended that tenders for the leasing be publicly invited. The recommendation was adopted.

AUSTRALIAN CHAMPIONSHIPS - FINAL CARNIVAL
220 YARDS FREE STYLE TO ARNE BORG
AUSTRALIAN RECORD BROKEN
440 YARDS BREAST STROKE TO SUOSAARI

The final carnival in the Tasmania section of the Australian Swimming Championships was held at the Sandy Bay Baths last evening. The weather was sufficiently cool to keep away numbers of people who otherwise would have been present, and caused quite a number of competitors to withdraw from the events for which they were entered. Mainland swimmers were particularly unfortunate in this respect by the reason they suffered more keenly than the local lads who are to a certain extent accustomed to these conditions. Although in most of the races there were only a limited number of starters, the close finishes made up for any disappointment that might have been felt in this connection. Great credit must be accorded to the officials of the Tasmanian Amateur Swimming Association for the way in which they carried out their duties. The arrangements as to starting, announcing competitors names and times etc, were excellent.

Outside the two Australian Championship events, principal interest centered in the race for the 100 yards Junior Championship of Tasmania. For this event there were only four starters and Webster had little difficulty in annexing first place. Had he been pressed, it is possible that his time, 1.12 $\frac{2}{5}$, would have been considerably lower.

No doubt the best race of the three carnivals was provided in the 220 yards Free Style Championship of Australia in which there were six starters. As announced in yesterday's "Mercury", Arne Borg had notified his intention of trying to lower the Australian record for the distance, 2.23 $\frac{2}{5}$, recently established by "Boy" Charlton in the Domain Baths, Sydney. In achieving his desire by lowering the time by $\frac{3}{5}$ seconds, Borg swam perhaps the greatest race of his career. In Beaurepaire and Henry he met two of the finest swimmers in Australia today, while Christie and Dilliway forced him to make the pace a cracker. Particular interest centered in the meeting of Henry and Beaurepaire by reason of the fact that the winner would add another point to his State's total in the Kieran Shield competition. The former was successful in annexing second place by $\frac{2}{5}$ seconds. Christie was fourth and Dilliway fifth. Simpson retired.

In the absence of Captain Webb, owing to illness, Messrs G.Robertson and K.Webb gave an exhibition of Life Saving which was thoroughly enjoyed.

One of the most popular items on the programme once again proved to be the exhibition of fancy and acrobatic diving given by R.Eve (champion diver of Australia) and H.Morris (champion of Victoria). Some of the dives, all of which were executed with consummate skill, embraced forward and backward somersaults, hand springs etc,

Unfortunately, Arne Borg and M.Christie, who had entered in the 440 yards Breast Stroke Championship of Australia, did not compete in the event owing to the coldness of the weather. This left only three competitors, J.Suosaari (Qld)

holder of the title, J.Towell (Tas) and J.Ray (Tas). Both Suosaari and Towell completed the course within standard time, which is an excellent performance. Ray was nine seconds outside the standard.

A programme of musical items was rendered by the Citizens band.

Appended are the results -

100 yards Open Handicap - R.Sharp (Collegians) 1, L.Major (Old Hobartians) 2, H.Morris (Vic) 3. Reisz did not compete in the final, and Hodgkinson retired at 50 yards. Major was first to turn followed by Morris and Southey in that order. The race over the last 25 yards provided a very close finish, only 2 yards separating the 3 placed men.

100 yards Junior State Championship, Under 18 years - W.Webster (Collegians) 1, W.Hood (Sandy Bay) 2, C.Falkinder (Collegians) 3. Falkinder got the worst of an otherwise good start. At the completion of 50 yards, Webster, on the outside, had a lead of two yards from Hood, who was another couple of yards ahead of Falkinder and Miller swimming together. On the run home the order was maintained with the exception Miller retired half way down the course. Two yards separated first and second and twelve yards between second and third. Time 1.13 2/5

440 yards Breast Stroke Championship of Australia - World's record E.Rademacher (Germany) 6.12 4/5, Australian record E.S.Collin (Qld) 7.6 2/5, Standard time 7.30 - J.Suosaari (Qld) 1, J.Towell (Tas) 2, J.Ray (Tas) 3. There were only three starters. At the end of the first 100 yards Suosaari held a one yard lead from Towell who in turn was six yards ahead of Ray. The Queenslander's long easy stroke stood him in good stead and he increased his lead slightly, Ray in the meantime falling back gradually. The same order was maintained until the completion of the sixth lap when Suosaari was four yards ahead of Towell and twenty five yards ahead of Ray. From this stage on, the pace seemed to slacken, the cold water apparently affecting the competitors. The 400 yards mark saw Suosaari with a lead of fifteen yards which, despite Towell's game effort, he maintained until the finish. Ray was another twenty yards back. Times; Suosaari 7.11, Towell 7.20, Ray 7.30.

220 yards Championship of Australia - World's record, Weismuller 2.15 3/5 (on a 25 yards course), Australian record "Boy" Charlton (NSW) 2.23 2/5 (110 yards course), Standard time 2.40 - Arne Borg (Sweden) 1, E.Henry (NSW) 2, F.Beaurepaire (Vic) 3, M.Christie (NSW) 4, R.J.Dilliway (SA). Simpson struck the water a fraction of a second behind the other competitors. The first turn was reached in 24 2/5 seconds, the order being Borg, Beaurepaire, Henry, Christie, Dilliway and Simpson. The 100 yards was completed in 57 4/5 seconds, Borg then having an advantage of 5 yards over Beaurepaire and Henry who were together two yards ahead of Dilliway. At this stage, Simpson retired. Over the next 100 yards Borg continued to increase his lead. The 150 yards took 1.31 1/5 and the 200 yards 2.9 4/5. Borg touched the finishing rope 14 yards ahead of Henry who defeated the Victorian by a touch amidst much cheering. Christie was five yards away, fourth, and Dilliway another fifteen yards further back. The following were the times registered for the full distance - Borg 2.23, Henry 2.30, Beaurepaire 2.30 2/5, Christie 2.35 4/5. All these were within standard time.

DEMONSTRATION BY VISITORS

On Wednesday evening last, Misses Mina Wylie, Vera Fawley, Rene Carrett, and Marjorie Gallan, four of the New South Wales swimmers at present visiting Brisbane, kindly gave a fine display of diving and swimming for the benefit of the Buranda State School Girls Club. The children were highly delighted, following the display with keenest interest, and heartily applauded the visitors as they left the baths.

LADIES CONFER - IMPORTANT DECISIONS
INTERNATIONAL INVITATIONS DISCUSSED

In opening the Annual Conference of the delegates of New South Wales, Victoria and Queensland Ladies Amateur Swimming Associations yesterday, the Chairwoman, Mrs J.P.Fry (President of the Q.L.A.S.A) said she hoped that anything done would be for the benefit of Australian swimming generally and not for the advantage of any one State in particular.

The Conference was held at the Railway Institute, Turbot Street, the following delegates being present - Mrs J.P.Fry (Q.L.A.S.A, Chairwoman), Mrs W.Chambers (N.S.W, Secretary), Miss M.Wylie (N.S.W), Mrs W.Marston (President of V.L.A.S.A), Miss D.McPherson (Vic), Mrs J.W.Stenhouse and Mrs McGregor-Lowndes (Qld).

On a matter arising out of last year's minutes regarding the entertainment of visitors, Mrs Fry said Queensland would fall into line with anything done in the other States. Mrs Stenhouse said that the whole of the visitors had been included in all entertainment and would be cordially welcomed.

TEST TIMES

With reference to test race standards, Miss Wylie pointed out that while extraordinarily fast times were being registered in other parts of the world, they had to do their best to encourage competition here. She moved, "That the test race standard for the 440 yards event be altered from seven minutes to seven minutes ten seconds." This was seconded by Miss McPherson and carried unanimously.

A motion by the New South Wales Association, "That a 100 yards Back Stroke Championship be included in the present list of Australian Championships," was seconded by the Queensland Association and carried, it being stressed that there was now a Back Stroke Championship for Ladies in the Olympic programme.

It was suggested that New Zealand be asked to compete in the Australian Championships, thus making them Australasian Championships. It was pointed out, however, that New Zealand was now recognised as a separate Nation in the sporting world, and not included in Australia athletically. Mrs Chambers also said there was no Ladies Association in the Dominion, all Clubs being of a mixed character.

Queensland moved, and Victoria seconded, "That South Australia, West Australia, and Tasmania be approached regarding affiliation with the present Australian bodies, and to take part in the Australian Championships, these events then to be designated Australasian Championships." This was carried unanimously.

INTERNATIONAL VISITORS

Considerable discussion ensued around the attitude of the Australian Swimming Union regarding international visitors invited by the Ladies Associations. Mrs Chambers said things had been rather tangled up in the past due to difficulties in getting dates approved by the Union. The men's carnivals were always given preference, the ladies days being given only secondary consideration. Not being a recognised body, the Conference had no power to invite international visitors, and she could see no way out but to allow the New South Wales Association to invite them, as had been done in the past, and get dates set down by the Union. Mrs Fry, "Australian Ladies Swimming is now strong enough to receive generous consideration, and if the decisions of this Conference are to have any weight, we should be able to state that the Conference is the body governing Ladies Swimming in Australia, and not have to refer everything through the men's Association.

Mrs Chambers, "I think we are strong enough to strike out for ourselves, but are bound to the Australian Swimming Union. We are affiliated with them and can only act through them, as they are the only body recognised by the International Federation."

It was finally decided, "That the outstanding lady swimmers of the Olympic Games be invited to Australia by the New South Wales Association on behalf of all the States."

Mrs Chambers said she had been promised £400 to defray expenses by Mr Hugh McIntosh, the amount to be repaid at the conclusion of the tour, the quota allotted to each State to be decided by the Australian Swimming Union.

LADIES CHAMPIONSHIPS
MISS L.ROBERTSON WINS THE 100 YARDS

The 100 yards Championship of Australia was won by Miss L.Robertson of New South Wales in 1.10 4/5 with Miss V.Pawley (NSW) a yard behind, second, at the Q.L.A.S.A carnival at the South Brisbane Baths on Saturday. Miss Pawley led at the turn by a hand and was still well ahead at the second turn, but during the return journey Miss Robertson caught up, and for about 15 yards they swam head to head, after which, Miss Robertson, forging ahead, won by a yard.

The 300 yards Teams Championship of Australia was won by the New South Wales Team (Misses Carrett, Fawley, Robertson) in 3.42 2/5, breaking the previous record by 3 seconds. Miss R.Carrett (NSW) took the lead from the start with Miss J.Moffatt (Qld) 4 or 5 yards behind, and Miss Richardson (Vic) third. In the second 100 yards, Miss Pawley increased the N.S.W lead from R.Straiton (Qld) to 10 yards, with Miss J.White (Vic) in third place. Miss L.Robertson (NSW) made the pace in the third 100 yards and won by about 23 yards from Miss L.Venning (Qld) with Miss M.Allen (Vic) only 3 yards behind.

"BOY" CHARLTON
Melbourne Feb 16

Keen discussion has taken place among some members of the Victorian Swimming Association as to whether "Boy" Charlton should be selected by the Australian Olympic Federation to go to Paris, without a swimming trial in fresh water in Melbourne under Olympic conditions, as laid down by the Australian Swimming Union.

B.C. Tuesday 19 February

"ALL THIS NONSENSE"
BOY CHARLTON AND HEALTH

The President of the Victorian Amateur Swimming Association says that ill-advised action by those in charge of "Boy" Charlton deprives Arne Borg of the chance of revenge in Melbourne. He added, "All responses about doctor's orders seem plainly like an excuse, particularly as Charlton is able to give exhibitions at carnivals in Sydney, and has also contested several surf races recently."

CHAMPIONSHIP SWIMMING
BEAUREPAIRE DEFEATS BORG
IMPRESSIVE PERFORMANCE BY L.UREN

There was an attendance of 3000 at the St Kilda Baths on Saturday afternoon when Frank Beaurepaire won the 3/4 Mile Championship of Australia, defeating Arne Borg, champion of Europe and holder of seven world's records, by a yard. Seldom in the history of swimming in this State has so much interest been created as in the meeting of these two champions. Local admirers of Beaurepaire thought that the only chance he had disappeared when the water was like a mill pond, not even a ripple disturbing the water to assist him who excels in rough water in the long journey. The Swedish flag was particularly noticeable on the west side of the baths where the Swedish Consul and a large crowd of the Swedish community assembled to witness their countryman contest this event. The race was won by a master of tactics and experience of turning without a wall to kick off. He led the Swedish champion for thirteen consecutive laps by about half a yard, and increased it to two and a half yards at each kick off, thus giving Borg something to pick up in each succeeding lap. This constant strain seemed to upset the visitor who failed to recover the ground lost in the turn in the last 88 yards. Beaurepaire, by defeating Borg, has added another to his list of notable victories. Norman Ross, Ludy Langer, Jim Harris (all Americans) and now Arne Borg have all suffered defeat by the local swimmer who, though something of a veteran, is entitled to all the kudos showered upon him. He has been contesting and winning world championships during the last eighteen years. A similar race was won about ten years ago for the Championship of England. Daniels, who was the greatest of masters for turning on a rope, defeated the late Cecil Healey of New South Wales by a touch. Daniels gained on every turn by about two yards, and it was admitted that the constant strain on Healey in reducing this contributed materially to his defeat.

Positions were drawn for, and the candidates for the championship were arranged in the following order - Frank Beaurepaire, Arne Borg, Hans Robertson, D.Cormack, M.Christie, F.Springfield, R.Dillaway. Beaurepaire was the first to strike the water, the remainder getting an even start. Moss Christie immediately went to the front and at the first turn was leading by three yards, Borg and Beaurepaire turning together. At the second turn Christie was still leading closely followed by Beaurepaire and Borg with Robertson and Springfield a few yards further back; the remainder of the competitors were right out of the race. At the fourth turn Beaurepaire took the lead one yard in front of Borg with Christie about two yards behind; Springfield and Robertson were swimming together several yards to leeward of the leaders. The remainder of the laps resulted in a battle between the local champion and Borg. Beaurepaire invariably touched first, Christie was losing ground the further they swam. At the end of the eighth lap Cormack withdrew. Great excitement prevailed at the turn for the last lap. Beaurepaire still maintained his two yards lead and it was thought by the majority of the spectators that Borg would come right away and win easily; it was soon apparent the Swedish champion was in trouble. Beaurepaire maintained the same pace until the last thirty yards were entered upon, then he increased his stroke, eventually winning, amid great cheering, by about one yard. Christie was about twenty five yards behind, third. Hans Robertson and Springfield were fighting for fourth place about eighty yards behind, Robertson winning by about two yards. Borg embraced the winner, and calling for three cheers, admitted that the winner deserved the flattering reception which he received.

Interviewed after the race, Borg was loud in his praise of the winner, and remarked that constant turning interfered with him considerably. Beaurepaire, who was indulging in a hot bath, remarked that had the race been swum in regulation baths, Borg would have won easily.

Results -

3/4 Mile Championship of Australia - Holder of Title, M.Christie (NSW) - Frank Beaurepaire (Vic) 1, Arne Borg (Sweden) 2, Moss Christie (NSW) 3, Hans Robertson (Vic) 4, Sid Springfield (Qld) 5. Time 18min 18 3/5s.

50 yards Interclub Junior Handicap - N.Farley 1, I.Nixon 2, J.Brooks 3

220 yards Breaststroke Championship of Victoria - Holder of Title, L.Uren (Melb) - records: Australian, J.Suosaari (Qld) 3min 5s; Victorian, L.Uren 3min 12 4/5. Starters, G.Daley, G.Donnellan, J.Daley, L.Uren (Vic), J.Suosaari (Qld), F.Bayldon (NSW), Crouch (SA). Ivan Stedman arrived late and did not compete. Uren was the first to take the water and was leading the Australian record holder by three yards at the fifty yards, the NSW representative leading Daley by half a yard. The same positions were maintained up to the 100 yards mark. Uren was making the pace a cracker and Suosaari found it hard to reduce the lead. With 50 yards to go Uren was apparently tiring and Suosaari with a desperate finish just failed by a touch. Bayldon was third several lengths behind. The time 3min 12 4/5s equals the record for Victoria. The winner received a great reception on leaving the water.

100 yards Interclub Handicap - F.Byrne 1, C.Peterson 2, T.Morris 3.

100 yards Backstroke Championship of Australia - Holder of Title, Keith Kirkland (NSW). Australian record Keith Kirkland 1min 14 4/5s swum in Brisbane 1 February 1922. Placings - K.Kirkland (NSW) 1, Arne Borg (Sweden) 2, F.Carberry (NSW) 3. Kirkland immediately went to the front and maintained the lead, eventually winning by several yards. Time 1min 15 3/5s.

300 yards Junior Championship of Victoria. - W.Cavanagh (Melb) 1, D.McEwan (Bendigo) 2, J.Crawford (Melb) 3. The race resulted in a duel between the Melbourne and Bendigo representatives, the former winning by several yards. Time 4min 12 4/5s.

Diving exhibitions were given by Dick Eve, Australian champion, and H.Morris, runner-up to Eve.

OLYMPIC TESTS
Melb Feb 18

With the exception of Andrew ("Boy") Charlton of New South Wales, all the Australian swimming champions are in Melbourne to contest the final section of the Australian Swimming Championships which commences on Saturday with the three quarter mile freestyle and the 100 yards Championship of the Commonwealth.

Taking advantage of the presence of the champions, the Australian Swimming Union decided to conduct tests for the Paris Olympic Games, and the first of these tests was held today as follows - 200 metres Olympic Test - First Heat; Beaurepaire (Vic) 1, Christie (NSW) 2, Coppleston (NSW) 3. Time 2min 32 1/10. Second Heat; Henry (NSW) 1, Stedman (Vic) 2, Robertson (Vic) 3. Time 2min 30 2/5s.

LADY SWIMMERS AT MAROOCHYDORE
Nambour Feb 18

The visiting lady swimmers to the Brisbane contests with several lady friends and supporters visited Nambour yesterday travelling by McKeen's car. The party, numbering fifty one, was received by Mr W.H.Harvey, Chairman of the Maroochy Shire Council and Mr W.Whalley President of the Nambour Chamber of Commerce. Mr Harvey extended a welcome to the district to which Mr M.J.Kirwan MLA replied. Luncheon was provided at the Royal Hotel, the party then being taken to Deepwater by special tram provided by the Moreton Central Sugar Company. Here the party was met by Mr G.J.Lowe, President of the Maroochy Chamber of Commerce, and a launch boarded for Maroochydoore. After swimming in the surf an adjournment was made to the Maroochy River where several of the ladies gave exhibitions of the various styles of swimming. Due notice had been given of the trip, which gave a number of people an opportunity of coming to Maroochydoore to witness the performance. Tea was provided at Perrin's.

Mr Kieran expressed thanks to the people of Nambour and Maroochydoore for their assistance in providing such an enjoyable outing for the visitors. A number of the party from New South Wales and Victoria were loud in their praise of the facilities provided at Maroochydoore for the surf and river swimming, and

expressed their appreciation for the privilege of viewing the cane fields and semitropical culture which to them was entirely new.

SWIMMING CHAMPIONSHIPS
BORG WINS TWO EVENTS

The City Baths were crowded last night when the second of the Borg carnivals was held.

The Swedish visitor, by winning the 100 yards Australian Championship and the 300 metres Handicap, showed what a wonderful swimmer Charlton must be.

During the evening Mr H.Bennett, President of the Victorian Amateur Swimming Association, presented Arne Borg with the Cup he had won in the 300 metres Handicap.

The Swedish champion received a tremendous ovation on taking the Cup.

Results -

133 1/3 yards Pairs Relay Handicap - Faitless & J.Stubbs (Melb) 1, Nance & Kendall (A Park) 2, Esler & Tine (Footscray) 3

100 yards City of Melbourne Junior Championship - W.Cavanagh (Melb) 1, D.McEwan (Bendigo) 2, H.Stone (B'wick) 3. Time 1.5. Cavanagh and McEwan touched together at 33 1/3 yards. At the 66 2/3 yards turn Cavanagh was leading by two yards, eventually winning by five yards.

100 yards Championship of Australia - Holder of title W.W.Harris (USA). Records - Australian 56 4/5 secs, Duke Paoa Kahanamoku, Sydney 1920 January 1915 - World's, 52 3/5 secs Weismuller, Honolulu, July 1922. Starters and positions on the board; A.Coppleston (NSW), A.Borg (Sweden), E.Henry (NSW), M.Christie (NSW), F.Beaurepaire (Vic). From a perfect start the Swedish champion was the first to get into action. At the 33 1/3 yards turn he was leading by half a yard, followed by Henry and Coppleston who turned together, the other competitors being a few yards in the rear. At the 66 2/3 yards turn the positions were maintained. After Borg seemed to realise he felt safe he eased up. Coppleston was putting in a desperate finish and picking up some of the leeway which he had lost and appeared as if he would beat Henry, but the latter, increasing the pace, finished half a length behind Arne Borg and a few inches in front of Coppleston. E.Henry (NSW) is now the new Australian champion. Although Arne Borg won the race, it must be won by a native Australian.

100 yards Breast Stroke Championship of Victoria - Holder of title, L.Uren - Starters, L.Uren, H.Crouch, G.Donnellan, G.Daley, A.Greenbury. Les Uren was the first to touch the 33 1/3 yards turn about two yards ahead of Daley, the remainder of the field being well up. The further the swim went Uren increased his lead, eventually winning by 13 yards. Placings - L.Uren (Melb) 1, G.Daley (Elwood Club) 2, H.Crouch (Footscray Club) 3. Time 1.14 3/5.

300 metres International Handicap - Arne Borg (Sweden) 1, M.Christie (NSW) 2, Hans Robertson (Vic) 3. On the handicapping it appeared to impose too hard a task for the visitor to give away 23 seconds in 300 metres, but he was able to catch the limit man at the fifth lap of 33 1/3 yards, and from then on he increased his lead, eventually winning by several lengths.

Candle Race 66 2/3 yards - Competitors had to swim with a lighted candle in their mouth. Only two competitors were able to finish the race with the candle lighted. The first man was disqualified for having a piece of paper tied round the candle. G.Gill (B) was declared the winner.

A polo match was played between Victoria and the visitors to the carnival. The visitors won by three goals to two. E.Duff and A.Borg got the goals for the winners and Cormack was responsible for the two by the losers.

WIN FOR MISS THOMPSON
100 YARDS BREASTSTROKE CHAMPIONSHIP
440 YARDS TO MISS ROBERTSON

The second carnival in connection with the Australian Championships under the auspices of the Queensland Ladies Amateur Swimming Association was held in the Booroodabin Baths last night, there being an overflowing attendance.

Considerable interest was manifest in the 100 yards Breaststroke Championship of Australia for the "Courier" Medal and also the 440 yards Championship. Queensland representative, Miss D.Thompson secured the former event with a margin of six yards. The 440 yards Championship was secured by Miss Robertson of New South Wales with Miss M.Allen of Victoria second. The water, owing to the floods in the Brisbane River, was very muddy and fresh, and the heaviness probably retarded the efforts of the swimmers, no records being established. Miss Wylie of New South Wales was unfortunately unable to compete in accordance with medical instruction. (On return to Sydney she had an appendicectomy. Ed)

The following are the results -

(Abbreviations used - Fed, Federal; KP, Kangaroo Point; WE, West End; BL, Brisbane Ladies; O, Otter; V, Valley; T, Toowong; Rly, Railways;

SB, South Brisbane; PP, Paddington Playground; Com, Commercial; NSW, New South Wales; Vic, Victoria; Q, Queensland.

B Junior Handicap 30 yards - (Misses) J.Thompson (WE) 1, F.Freeney (Com) 2, G.Grier 3.

100 yards Breaststroke Championship of Australia - Present holder Miss Elsie Venning (Q) - Holder of record Miss D.Thompson (Q) - D.Thompson (Q) 1, Jean White (Vic) 22, H.Collings (Q) 3. Time 1min 26 2/5s. Miss Collings lost considerably at the start and had to exert herself in the early stages to regain her position. Miss Thompson, adopting an easy style, assumed an early lead which she increased to five yards in the second lap. In the third lap Miss Thompson's form was too good for her opponents and she proved an easy winner by six yards.

B Senior Handicap 60 yards - D.MacPherson (Vic) 1, N.Horniblow (V) 2, E.Dunsford (WE) 3

A Junior Handicap 60 yards - P.Cruse (Com) 1, J.Lowndes (O) 2, D.Cooper (O) 3

440 yards Championship of Australia - L.Robertson (NSW) 1, M.Allen (Vic) 2, L.Venning (Q) 3. Won by 22 yards. Time 6min 49 2/5s. Miss Venning took the lead followed by Miss Robertson, but the latter soon gained the advantage which she increased each lap. Miss Allen swam well and displaced Miss Venning who was by no means up to her usual form. Miss Robertson further increased her advantage, and in the last lap was a full length of the baths ahead of the Queensland representative, Miss Allen also being well back. The finish was a procession in this order, but Miss Venning pluckily finished and was loudly cheered. The winner's performance was an exceptionally good one.

QASA Challenge Race, Paddington Playground v West End, 480 yards, 8 to a team, each man to swim two laps. West End (C.Graham, H.Day, J.Moores, A.Keary, G.Bonis, R.Noonan, E.Kirk, E.Goforth) 1, Paddington (Jim Gibson, Jack Gibson, R.Gallagher, C.Hurst, G.Neilsen, A.Conncill, J.Banks, F.Venning) 2.

First Class Handicap 90 yards - S.Grant (BL) 1, V.Hamilton (WE) 2, G.Brown

(V) 3.

90 yards Trio Handicap - N.Holmes, G.Brewster, D.Long (0) 1, L.Binger, K.Glover, V.Glover (V) 2

Diving - Standing, Running and Running header - G.Brown (V) 1
Novelty Race - M.Springfield (V).

SWIMMING CONFERENCE
NEW SOUTH WALES DELEGATE MAKES THREAT
STEDMAN SELECTED AS FIFTH MAN

A further meeting of the Australian Swimming Union took place yesterday morning at the Amateur Sports Club. The question of the selection of Charlton for the Olympic Games without having swum in the tests in the carnival was hotly discussed.

Mr Duff, the New South Wales delegate, was asked by the Victorian delegate why Herald and Charlton did not put in an appearance at the test races decided this week. Mr Duff was indignant that their representatives should be asked to swim after having performed so creditably in Sydney. Mr Horton, the Victorian delegate and acting Chairman, ruled the Union had power to exclude any swimmer who did not take part in the tests. Mr Duff threatened to withdraw his Association from the Union, and strongly criticised the Victorian for bringing this matter up. The Chairman was of the opinion that the Union had been flouted by the New South Wales Association.

Later, Mr Duff, because the delegates would not agree to alter the Constitution to fit in with his own views, again threatened to withdraw his Association from the Union.

Other New South Wales representatives later said they strongly objected to Mr Duff's attitude, and maintained he had no authority to make such threats. They deeply regretted his action.

When the meeting had quietened down, the Conference passed the following records recently made in Sydney - World and Australian records, Andrew Charlton (NSW) 880 yards 10 mins 51 4/5 secs, Arne Borg (Sweden) 1500 metres 21 mins 15 secs, Arne Borg (Sweden) 1 Mile 22 mins 34 secs. Records created by an Australian born swimmer, W.Herald (NSW) 100 yards 55 secs. The above records were created in the Domain Baths, Sydney. When the Australian delegates meet at the Olympic Conference they will bring these records under notice of the International Swimming Federation and have them placed on the list of world's records.

The delegates to the Union re-elected the Office Bearers. The following constitutes the Council - Messrs James Taylor (NSW) President, H.Snape (Vic) Vice President, H.R.Keely Hon Secretary/Treasurer.

The Conference will meet again at 9am today.

SWIMMING COUNCIL UNION
UPSETS ORDER OF SELECTORS
HAWAII WANTS CHARLTON TO SWIM

The Australian Amateur Swimming Union resumed its meeting yesterday morning. The team chosen by the Australian Selectors on Thursday afternoon came up for endorsement. The Queensland delegate (Mr W.Kuder) immediately took exception to the order in which the team had been chosen. Apparently he had in mind the possibility of the Olympic Federation, having through lack of funds, to eliminate some of the team. He maintained that "Dick" Eve, the Australian diving champion, should be placed second to Charlton. He argued that Eve had a chance, second to none, of winning the Olympic diving honours, and suggested that the team should be placed as follows - "Boy" Charlton, R.Eve, F.Beaurepaire, E.Henry, W.Herald and Ivan Stedman. This order was decided by the Union.

LADY SWIMMERS IN OLYMPIC GAMES

Nominations have been called for lady swimmers. The following names from different Clubs have been received - Victoria, Miss M.Allen, Miss Jean White, Miss J.Marcolo; Queensland, Miss D.Thompson; New South Wales, Miss M.Wylie, Miss L.Robertson, Miss V.Pawley, Miss E.Smith. The Council decided that Miss D.Thompson (breast stroke) and a lady for free style events be selected. It was decided to instruct Miss Macpherson, Mrs Cambers and Mrs Stenhouse, who are at present attending the Queensland Championships to select a lady for the free style events.

Mr Les Duff, the New South Wales representative, not being satisfied with yesterday's meeting, endeavoured to open up the Charlton case again. Apparently he had been making use of the long distance telephone and got in touch with some of his executive officers who informed him that the Conference should listen to his explanation. The Chairman said he had stopped the discussion because members were getting a little out of control, and possibly thing might have been said in the heat of the argument which would not have been creditable to the Union. The matter then dropped.

CHARLTON AND HAWAII

An invitation for Andrew Charlton to compete in Hawaii on his way to the Paris Olympic Games was received from the Hawaiian Swimming Association. It was pointed out in a letter that Arne Borg would be competing at the carnival and that a meeting of the two champions before the Olympic Games would create great interest. Mr Duff (NSW) was opposed to Charlton racing before the Olympic Games. He was not aged 17 years yet and a strenuous race might spoil his chances of success at the Olympics. The delegates agreed with Mr Duff, and it was decide to inform the Hawaiian Association that Charlton would not compete before the Olympic Games. However, it was left to the discretion of the Manager of the team whether he could race at Honolulu on his return from Paris.

CHAMPIONSHIP SWIMMING
VICTORIA WINS KIERAN SHIELD
ARNE BORG 440 YARDS CHAMPION
STEDMAN'S BRILLIANT FINISH

The final of the Australian Championships was concluded in the City Baths on Saturday night. Considerably more interest was attached to the carnival, than to the previous two that had been decided. In addition to the last appearance of Arne Borg, the fate of the Kieran Shield was held in the balance. New South Wales, holder of the Shield, was one point ahead of Victoria and two events were to be decided. It remained for this State to win the two events to entitle them to hold the coveted prize for the next twelve months. If Queensland had won the 220 yards Breast Stroke Championship with Suosaari, who is the present champion who quite recently won the 440 yards, the Mother State would certainly have retained the Shield. With both States being equal with the number of wins, second places in the championships would have been taken into consideration, and New South Wales with the greater number of placed men in the events would have won.

From the racing standpoint, the class of those participating was on a much higher plane than the previous year, but the management of the carnivals will have to improve considerably if they wish to maintain the patronage of the public in the future,

The heats of the evening commenced with the McGrath Handicap which were keenly contested, followed by the Breast Stroke Handicap, but it was very evident the public was waiting for the 440 yards Championship and the 220 yards Breast Stroke Championship. The latter event eventually proved the race of the evening. The 200 yards City of Melbourne Junior Championship, two Junior Championships having been decided previously, both won by Cavanagh of the Melbourne Club, also proved a good thing for the St Kilda boy.

The 100 yards Edmonds Invitation Handicap included the best sprinters in Australia and Borg. The handicapping proved a fiasco. Arne Borg was asked to

break Norman Ross 440 yards Victorian record, which he did, and later on was asked to concede Harry Hay, who quite recently swam 58 seconds, a start of 5 seconds. It meant that Borg would have to swim 54 seconds or better to have a chance. Possibly he may have done so if he had not already swum a hard quarter mile.

The Levenson troupe gave a clever exhibition of plain and fancy diving which was loudly applauded.

The final event of the night was a polo match. The public was delighted to see Borg strip once more and captain one side in this match, this being his third appearance in the water.

Results -

440 yards Championship of Australia - Holder of title, M.Christie (NSW). Records, World A.Borg (Sweden) 5.11 4/5, Australian A.Charlton (NSW) 5.11 4/5. Positions on the board, E.Henry (NSW), A.Borg (Sweden), F.Beaurepaire (Vic), M.Christie (NSW), Springfield (Qld). Dillaway and Robertson were eliminated in heats swum last Thursday. Placings, A.Borg 1, F.Beaurepaire 2, M.Christie 3, E.Henry 4. Time 5.14 1/5. The start was a good one, though M.Christie appeared to be a shade behind. Borg made the pace a cracker from the time he hit the water and by 100 yards he was leading by three yards. The time was 59 3/5 secs. Beaurepaire was one yard ahead of Henry and Christie who turned together, the remainder being several yards behind. During the second 100 yards Borg increased his lead by another yard with Beaurepaire, Henry and Christie in the same positions. Springfield was dropping further back. The time was 2.18. In the next 100 yards Borg increased his lead to six yards and Beaurepaire gained a couple of yards on Christie. Henry began to drop back. The 300 yards occupied 3.26. For the last 100 yards Borg increased his lead considerably and Beaurepaire was losing ground. It appeared at this stage that M.Christie would beat the Victorian. In the last 40 yards Beaurepaire was able with a new sprint effort to finish about three yards in front of Christie who was 25 yards ahead of Henry. Time 5.14 1/5. Borg's time was 1/5 second faster than Ross Victorian record. Borg received a great ovation.

220 yards Breast Stroke Championship of Australia - Holder of title J.Suosaari (Qld). Record, Australian 3.6 2/5. Placings, I.Stedman (Vic) 1, J.Suosaari (Qld) 2, L.Uren (Vic) 3. Time 3.5. The starters got away evenly. Stedman made a fast pace and at the 100 yards mark was leading by a yard and a half. During the next 100 yards Suosaari began to pick up the leeway and was the first to turn about a yard ahead of Stedman. At this stage the cheering was deafening, the whole of the New South Wales party, including Borg, urging Suosaari on, as a win meant their retaining the Shield. With 25 yards to go it looked as if the race was lost for Victoria, then Stedman with a phenomenal burst of speed drew ahead and with a final glide touched the rope half a yard in front of Suosaari who was several yards ahead of Uren. The whole of the audience, including the visiting swimmers, cheered the winner for some time after the race for his magnificent game finish, justifying his selection in the Olympic team.

66 2/3 yards McGrath Interclub Handicap - G.Donnellan 1, G.Daley 2, A.Benson 3

200 yards City of Melbourne Junior Championship - W.Cavanagh (Melb) 1, J.Crawford (Melb) 2, H.Stone (Randwick) 3. Time 3.34 1/5

100 yards Edmonds Invitation Handicap - Starters, F.Carberry (NSW), A.Borg (Sweden), H.Hay (NSW), R.Dillaway (SA), K.Kirkland (NSW), H.Robertson (Vic). Result, H.Hay and H.Robertson dead heat 1, K.Kirkland 3

Polo Match, Red v White - Reds were captained by Borg and Whites by Uren. This resulted in a draw. Goal throwers for Reds were Collier, Borg and Dennis, and for Whites Uren (2) and Cormack.

THE KIERAN SHIELD

The following is a list of championships won by Victoria and New South Wales - Victoria, 440, 880, 1320, and 1760 yards free style, and 220 yards breast stroke; New South Wales, 100 and 220 yards free style, 100 yards breast stroke, and diving event; Queensland, 440 yards breast stroke. Points, Victoria 5, New South Wales 4, Queensland 1. Victoria thus holds the Shield for the next twelve months. Frank Beaurepaire was the most successful swimmer.

LADY CHAMPIONS - OLYMPIC TESTS
MISS ROBERTSON WINS
Tmba Feb 25

The Toowoomba Swimming Centre was honoured tonight with a visit by the Australian lady champion swimmers. There was a double honour with Toowoomba also being selected for the 100 metres Olympic test race. This was indeed a tribute to the new City Baths which Arne Borg and Keith Kirkland had made such eulogistic references to on their return to the southern States. That the fame of the visiting swimmers who had arrived from Brisbane had proceeded them was evidenced by the large crowd that had assembled in all parts of the baths. Hundreds had paid extra money to reserve their seat, but long before the appointed time for starting there was standing room only. The carnival was a mixed one, with events for males as well as females.

The officials for the carnival were - Referee, Mr R. Pascoe; Starter, Mr S.Schwilk; Check Starter, Mr H.B.Stephens; Judges, Messrs A.Holmes, G.Wallen, H.Stephens; Lady Stewards, Mrs W.Chambers, Mrs Stephens, Miss O.Horn; Timekeepers, Messrs J.Winchester, P.G.Heuer, A.Walker.

Naturally, all the events in which the visitors competed were attractions, but, the 100 metres Olympic Test Race was the big feature of the evening. For this the competitors were - Misses L.Robertson (NSW), V.Pawley (NSW), and M.Allen (Vic). Competitors had to swim three lengths of the baths and then back for a fraction over nine yards. As the three champions lined up Miss Robertson as on the southern side, Miss Allen in the centre and Miss Pawley on the northern side. The large crowd was keen as the swimmers got the word to "go". From an even start Misses Robertson and Pawley drew out ahead of Miss Allen. Miss Robertson gradually went to the front and at the end of the first lap she touched a full length ahead of Miss Pawley with Miss Allen three yards behind the latter. Miss Robertson swam the second lap at a fast pace. Miss Pawley appeared to be holding Miss Robertson who was a full length ahead at the end of the second lap. Miss Allen was still about the same distance behind. In the sprint to the line across the baths Miss Robertson again shot ahead to win by about four yards from Miss Pawley with Miss Allen about the same distance behind. Miss Robertson's win was popular. The time for the 100 metres was 1.21.

The visiting swimmers had a race to themselves in the 66 yards Open Handicap which was won by Miss J.White. The visitors made their third appearance during the night in the 100 yards Handicap for visiting ladies. This was won by Miss Allen (Vic), who had a start of 8 seconds on Miss Robertson. The latter was only beaten by a touch by Miss Pawley who had two seconds start.

Miss Robertson, who had 5 seconds start, won the 33 yards Breast Stroke Handicap with Toowoomba promising young swimmer, Miss Jones, second.

SWIMMING CARNIVALS

CONTROL CRITICISED

Melb Feb 25

That New South Wales and Queensland are the only States in Australia that stand out as having really good baths, was the comment of Arne Borg in a special article in the "Evening Sun". Borg commented unfavourably regarding the control of carnivals in Australia. 'The best and fastest local baths T. have swum in are the Domain Baths in Sydney,' said Arne Borg, and Toowoomba, one of the best tank pools I have ever been in, As the Olympic pool may be along similar lines, I suggest that Charlton should have some swims in them before going away."

PADDINGTON PLAYGROUND CLUB GRAND CARNIVAL

The 50 yards Q.A.S.A Scratch Race contested at the annual carnival of the Paddington Playground Association Swimming Club last night was perhaps one of the best swimming races this season. The time was not remarkable, it was 1 3/5 seconds slower than Gillan's heat time for the distance, but as a contest between four evenly matched swimmers, the race was superb. The competitors were - F.Venning (winner), T.Boast (Queensland 100 yards Champion), Jim Gibson and A.Keary. The swimmers hit the water almost together and there was not much between them at the turn. From here it could be seen, however, that either Venning or Boast would win. They raced the full length of the baths together and Venning won by a touch in 27 seconds.

Most of the other events were evenly contested and provided interesting sport. The "Skuthorpe" Troupe gave a display of diving.

RAILWAY INSTITUTE'S CLUB ANNUAL CARNIVAL

J.Suosaari, holder of the 220 yards Breast. Stroke Championship and an Australian champion, successfully defended his title at the Railway Institute Swimming Club's carnival at the Ithaca Baths last night. He won by about a lap in the good time of 3.6. J.Hides, a youthful competitor from the West End Club was second, and G.Boyle (Maroochydore) third. Though Suosaari's victory was rather easy, the race for second place provided plenty of interest. Hides and Boyle raced stroke for stroke over the whole distance. On the turn for the last lap Hides took the lead from his opponent and won by about three yards amidst tremendous excitement. Suosaari swam with a strong stroke throughout.

In a Grand Challenge Race Paddington Playground defeated West End rather easily, an unexpected result after the closely contested race last week when West End won by a touch. A team from the Paddington Playground Club gave an

excellent display of fancy diving.

"BOY" CHARLTON -
HIS OLYMPIC INTENTIONS
RECONSIDERING HIS ATTITUDES

Andrew "Boy" Charlton of Sydney has not yet replied to the invitation from the Australian Olympic Council to join the Australian team to be sent to the Olympic Games. Last night Charlton decided to decline the invitation owing to the trouble over his request that his trainer, T.Adrian, should accompany him. It is understood that he wrote a letter to the Olympic Council of his decision but he deferred the posting of the letter. Tonight Charlton said he would reconsider his decision. Efforts will be made to raise sufficient money by public subscription to send Adrian with Charlton, and in these circumstances it was felt that Charlton would have no grounds for refusing to accept the invitation to join the team.

CHARLTON RECANTS
NOW WANTS TO GO
Sydney Mar 16

After reconsidering the situation during the weekend, Andrew Charlton, the young swimming champion, has now decided to join the Australian Olympic team. In a letter to the Manager of the team, Mr O.G.A.Merrett, he expressed regret about his decision to join the team only under certain conditions, and states that his inexperience must be his excuse. He still hopes that Adrian may be able to accompany the team, as he feels that under Adrian's direction he would be inspired with confidence. He concludes this letter, "I intend to play the game and show by my actions my sincere appreciation of the many kindnesses received from my friends during my career."

Mr Merrett said tonight that he had received a letter also from W.Herald stating that for private reasons he is unable to accept the Committee's invitation to make the trip to Paris. This will leave a vacancy in the team that will have to be filled.

Mr O.M.Charlton, father of "Boy" Charlton, interviewed last night said, "The boy is through with swimming and will never compete again. That is definite. I am sick and tired of the whole business. "Boy" is too young to undertake such a journey, and if fifty thousand pounds was raised tomorrow to send Adrian, I would still say No."

"Boy" Charlton said at a later time he had not declined the Olympic invitation and hoped to go, and that Adrian would accompany him. The position was not hopeless.

Mr Merrett, the Manager of the team, received this brief letter from "Boy" Charlton this morning; "I regret to say that owing to several reasons I will not be able to accept your kind invitation to go the Olympic Games." Mr Merrett stated that he intended to make every effort to induce Charlton to change his opinion.

THREE MILE EVENT
WEST END CLUB'S SUCCESS

Swimming on the Ipswich/Booval course on Saturday afternoon, E.Bonis (West End) won the QASA 3 Mile Event from A.Crane (WE). J.Robinson of the same Club was third. There were 47 starters and 39 finished. Old enthusiasts who witnessed the event said they had seldom seen such an exciting finish for a three mile race as that on the Bremer River on Saturday afternoon. Bonis gave a fine display particularly over the last 100 yards, and at the finish had only ten yards to spare. A.Pedley (Booval) had the fastest time of 1 hour 6 minutes 15 seconds which was 62 seconds outside Springfield's record for the distance,

MISS STRAITON 440 YARDS CHAMPION

The 440 yards Ladies Championship of Queensland was held at the Ithaca Baths last evening. There were two starters, Miss Lily Venning (Commercial) and Miss Ruby Straiton (Otter).

After the third lap had been completed Miss Straiton had a small lead which she increased to 20 yards by two laps from home when Miss Venning made an effort to make up the leeway. She did not succeed however, and Miss Straiton won by 12 yards in 7min 17 secs. Miss Elsie Venning won last year's event in 6min 52 $\frac{4}{5}$ secs, but she has retired from the amateur ranks. The first 100 yards was covered in 1min 22 secs, and the 220 yards in 3min 25secs.

CHAMPIONSHIP CARNIVAL
SOME FINE CONTESTS

A representative gathering of country and metropolitan swimmers was present at the South Brisbane Baths last evening to compete in the Championship Carnival under the auspices of the Queensland Amateur Swimming Association. Some exciting contests were witnessed. Considering the importance of the fixture, the attendance was small. The race for the 100 yards Country Championship was responsible for a hard fought contest between E.Colquhoun (Warwick) and A.E.Gilder (Cairns), a great finish by the former winning him the event. The Valley Team won the Junior Flying Squadron Championship, but were closely pressed by Booval. The present holder, the Valley Team, had little trouble in retaining the Flying Squadron Championship, while the Cairns Team

early established a big lead in the Intercity Flying Squadron Championship and retained it to the end. In winning the 1 mile Championship of Queensland, S.Springfield (holder) put up a good performance in covering the distance in 26.9 3/5, as he was not pushed and finished 11 laps ahead of second man.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs H.Davis, R.McGregor, H.Felsman; Judges of Diving, Messrs D.S.Carter, F.W.Springfield, H.Davis; Timekeepers, Messrs F.W.Springfield, Vic Lowndes, Les Nissen; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Clerks of Course, Messrs D.C.Boyle, N.Wallace; Press Steward, Mr H.Kiely; Result Steward, Mr G.Johnson; Call & Costume Stewards, Messrs T.Atkins, J.A.Keir; Hon Treasurer Mr L.Nissen; Hon Secretary, Mr W.Kuder; Hon Handicappers, Messrs C.Graham, F.E.Duncalfe.

Results -

OLYMPIC TEST
WIN FOR M.CHRISTIE
Sydney Mar 31

The 200 m test race to decide who would take the place of W.Herald who retired from the Olympic swimming team was held at the Domain Baths today. The baths were crowded and the enthusiasm reminiscent of the championship carnivals. The competitors were, C.Huntley (Rose Bay), D.O.Griffiths, F.Doyle, F.Carberry (Sydney), M.Christie (Drummoyne), C.Stewart, (Spit). It was a great race and Christie won by 7 yards in the excellent time of 2.27 2/5. Immediately after the test, the Executive of the N.S.W.A.S.A selected M.Christie to fill the vacancy in the Olympic Team. The nomination will be sent to the Australian Olympic Federation for endorsement. It is considered the inclusion of Christie in the team will give Australia an excellent chance of regaining the 800m title. It will be the fastest team that has ever left Australia.

WEST END SWIMMING CLUB

Mr W.Kuder, Vice President, presided at the Fifth Annual Meeting of the West End Amateur Swimming Club which was held in the West End School of Arts last night. "The Club's outstanding performance," read the Annual Report," was when E.Bonis, A.Crane, and E.Robinson secured first, second and third places respectively in the Three Mile Swim held at Ipswich. In addition, E.Kirk and J.Walker, together with the above mentioned swimmers, won the Teams Championship, this being a record for the event.

The Balance Sheet showed a Credit Balance of £13/14/7.

The election of officers for the ensuing year resulted: Patron Mr R.M.Alton; President, Mr M.K.Ryan; Vice Presidents, Messrs C.W.R.Just, B.V.Cothell, H.Thornton, D.S.Carter, W.Kuder, W,McCuley, J.Bottger, F.Hacking, G.Budd, F.Lamont, N,Rodgers, E,Ramsay, M.Galland, J.Devene, R.Shields, J.Condon, A.Krog, G.Abel, H.Perry, N.Jeffrey, A.H.Robinson, G.R.Harrington, I.Kirk, H,Day, J.Irvine, W.Brown, R.Sexton, T.Atkins, H.Kennedy, V.Saunders; Hon Secretary and Hon Treasurer, Mr H.Davis; Hon Starter, Mr G.Budd; Hon Handicappers, Messrs E.Ramsay Snr, B.Graham Jnr; Judges, Messrs Ryan, Rodgers, Atkins, Saunders, Condon, Robinson; Press Correspondent, Mr A.Jack; Hon Auditors, Messrs T.Atkins, A.Jack; Delegates, T.Atkins, H.Davis, F.Lamont, J.Condon; Committee, Messrs F.Lamont, G.Budd, J.Condon, T.Atkins, K.Stack, A.Jack, J.Moores, R.Rodgers.

COSTLY BATHS IN WICKHAM STREET
CITY COUNCIL OPPOSITION

In a Report submitted to yesterday's meeting of the City Council, the Ferries, Baths, Markets and Wharves Committee recommended that the City Architect be instructed to proceed with the erection of new salt water baths in the Pound Yard site, Wickham Street, at a cost of £18,300. It was recommended that the work be done by day labour. Alderman Grice remarked that the work could be done almost immediately, possibly this week. Ald B.McLaughlin and Aid R.Long drew attention to the fact that the £20,000 as loan for the erection of baths would be practically absorbed. They did not think that that had been intended when the loan was first allocated. The Deputy Mayor, Ald T.Wilson, also did not favour the Council putting all its eggs in one basket. Could not portion of the money be spent in providing baths in some other part of the City, possibly at New Farm. Ald W.R.Crampton moved that the matter be referred back to the Committee. Previously it had been estimated that 12,000 would be sufficient to provide new baths at Booroodabin to accommodate carnival crowds. He would like to know why nearly £10,000 was required and if that increase was found to be necessary he would support the proposal. The Deputy Mayor commented, "There are salt water mains and electricity pumping plant to be provided as well as a spectator gallery. They would consider other sites such as New Farm Park." Alderman Sharp thought the Wickham Street site was the best. It would be a mistake to refer the matter back. The present baths were hardly fit to bathe in. The proposed baths would accommodate Australian Championships. Mr Foster, the City Architect, said he had told the former Mayor, Ald Diddams, that a 50 metres bath would cost £14,000. The provision of concrete instead of white tiles on the sides and ends of the pool would save £2,000. Ald Long, a member of the Committee, was opposed to spending £18,500 on the Booroodabin site. The motion to refer the proposal back for reconsideration was carried by seven votes to six,

SWIMMING
GROWTH OF THE SPORT
Q.A.S.A ANNUAL MEETING

"It is gratifying to know that the interest in swimming in Queensland is spreading to country districts, and that the sport is making more progress than it has done for many years," was the statement made last night by the President, Mr D.S.Carter, during the course of some comments on the Report of the Queensland Amateur Swimming Association presented at the Annual Meeting of that body. Referring to the City Council's proposal to provide improved bathing facilities, the President said that for years the Association had been trying to get these baths, but they had to recognise that there had been financial difficulties in the way. Now, however, £20,000 had been placed in the Estimates. The Association was anxious that something worthy of Brisbane should be built as, so far as he knew, the city was far behind the cities of the other States. He hoped therefore, the Civic Authorities would build something of which they could be proud, and which would serve their purposes for many years to come.

THE REPORT

The Annual report stated that in spite of the heavy expense of sending representatives to Tasmania and Victoria, as well as providing the major portion of the expenses of the Cairns and Townsville teams which visited the carnival, the Balance Sheet showed a Credit of £29/7/1. The activity of the Country Clubs was commented upon. New bathing facilities had been promised by the City Council which it was hoped would be provided in the near future. The Australian Championships were to be held in Brisbane this season and it was hoped special efforts would be made to accommodate the public.

In moving the adoption of the Report and Balance Sheet, the President congratulated the Association and the Officials. The motion was seconded by Mr Swain and carried.

THE PROPOSED BATHS

Mr V.L.White referred to the site chosen by the City Council for the new baths and suggested that as another site could be selected that could be more suitable and better from a revenue point of view, the Council should be asked whether it would reconsider its decision in regard to the site. Another speaker expressed the opinion that a more central site could be chosen, and that the Council would be willing to reconsider its proposal in this respect.

The Secretary and Treasurer were congratulated on the manner in which they had carried out their duties.

VALLEY LADIES CLUB

"The Report and Balance Sheet for the 1923-24 season shows the Club to have experienced a successful season. The finance of the Club is very satisfactory." These statements were made in a Report last night at the Annual Meeting of the Valley Ladies Amateur Swimming Club. Mrs Springfield presided. The Report also stated the Club had 96 members and all committee meetings had been well attended. Miss D.Thompson had won the 100 yards Breast Stroke Championship of Queensland and also the 100 yards Breast Stroke Australasian Championship, while Miss H.Collings had second and third places respectively in the same events.

The Report and Balance Sheet, the latter showing a Credit Balance of £17/9/2, were adopted.

THE IPSWICH CENTRE

Ipswich Nov 14

The Annual Meeting of the Ipswich Swimming Centre was held in St Paul's Hall last night, Mr W.Pratt presiding. On submitting the Annual report on behalf of the Executive, the Secretary, Mr W.Lemass, referred to the winning of the Threequarter Mile Championship of Queensland by R.Mullins, and the gaining of second place in the 500 yards Intercity Flying Squadrons Championship by the Ipswich Team captained by Mullins. In the Three Mile Swim conducted in the Bremer River, A.Pedley (Booval) won the honour of fastest time. West End had secured the Mair Cup for the season for relay competition.

The Treasurer, Mr W.S.Johnstone, reported that the Receipts for the year had totalled £204/3/5 and the Expenditure £126/2/3. The Credit Balance on the year's operations totalled £22.

In his Report the Senior Handicapper, Mr A.J.Schafer, stated that the swimming had not improved to any remarkable extent during the season. Ipswich had some good short distance swimmers, but he thought swimmers should go in for more long distance swims.

Trophies won during the season were presented.

Mr Pratt declined to accept re-election as President and Mr W.S.Johnstone was elected to the position. Other positions filled were as follows: Secretary, Mr W.Lemass; Treasurer, Mr J.Menzies; Senior Handicapper, Mr W.Morgan (Mr A.J.Schafer declined to accept nomination); Junior Handicapper, Mr G.Bates; Starter, Mr J.Simpson; Referee, Mr P.D.Macdonald; Clerk of Course, Mr C.Boyd; Check Starter, Mr E.W.Stokan; Selectors, the Handicappers; Timekeepers, Messrs Pratt (official), Schafer, J.J.McKenna, M.McDermott, F.Lewis, E.M.Scott; Delegate to Q.A.S.A, Messrs A.G.Bennett; Judges, Messrs Bewsey, Watkins,

LADIES CARNIVAL BREAST STROKE CHAMPIONSHIP

The Ladies Commercial Amateur Swimming Club held its first carnival for the season at the Arthur Street Baths last night. A large crowd attended, filling the spectator's gallery and shouting encouragement to the fair competitors in the swimming races. The chief event, which attracted considerable interest, was the 100 yards Breast Stroke Championship of Queensland. The result was anticipated as one of the entrants was Miss D.Thompson, holder of the title and world's record of 1.24 2/5. Miss Thompson, of the Valley Club, won in fine style by five lengths, but the fight for second place was splendidly contested by Miss K.Browne of West End and Miss V.Wetzel of Commercial, the former gaining it by a touch. The race was, however, done in slow time, only 1.30 2/5

being recorded. It was a long programme of club and interclub events, keen rivalry being displayed in the latter.

The officials for the carnival were as follows - Referee, Mr D.S.Carter; Judges, Messrs H.Felsman, H.Davis, D.Sunderland; Judges of Diving, Messrs D.S.Carter, F.W.Springfield, H.Davis; Timekeepers, Messrs J.Moylan, F.W.Springfield, R.H.Bunting, L.Nissen; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Press Steward, Mr J.Durston; Clerks of Course, Messrs J.Murphy, T.Atkins; Result Steward, Mr W.Kuder; Hon Association Handicapper, Mrs S.H.newman; Hon Treasurer, Miss Bessie Murphy; Hon Assistant Secretary, Miss Grace Shelley; Hon Secretary, Miss M.White; Costume Stewards, Mesdames McGregor-Lowndes, I.Cribb.

The Committee and members desire to thank the following who donated trophies: Mesdames G.Thone, E.Murphy, Messrs H.F.Smith, W Bishop & Son, R.C.Graham, C.W.R.Just, F.McDonnell, F.W.Nissen, W.Kuder.

TOOWONG CLUB

RECORD LOWERED FOR 60 YARDS JUNIOR CHAMPIONSHIP

The 60 yards Junior Championship of Queensland created considerable interest at the annual Interclub Carnival under the auspices of the Toowong Amateur Swimming Club held at the Toowong Swimming Pool last night, when J.Bliss (Towong) lowered the record for that race by 1 2/5 seconds, doing it in 33 1/5 seconds. The race was an exciting one, Bliss having his small lead of one and a half yards from H.Day of the West End Club who was second, and J.F.O'Connor (Commercial) was five yards away third. The previous record was 34 3/5 seconds and was held by A.Zendler (City Pastime), while the last holder was A.Sprecker (Cairns). There was a large number of interested spectators.

J.SUOSAARI'S FEAT

AUSTRALIAN RECORD SMASHED

Swimming in a heat of the 220 yards Queensland Breast Stroke Championship at the Spring Hill Baths last night, J.Suosaari, the holder, clipped 2 3/5 seconds off his previous Australian record for the distance. Taking the lead at the start, he was never challenged, and won by about 20 yards. His time was 32 4/5 seconds, as against his previous record time of 35 2/5 seconds. Suosaari easily retained his title in the final winning by about 27 yards from J.Koskels (also from Maroochydore), with W.T.Bennett (Federal) 2 yards away third. Although the time of 34 4/5 seconds was not as good as that recorded by him in the heat, Suosaari again broke his previous record by 4/5 second. The race was held in conjunction with the Commercial Swimming Club's annual carnival. Owing

to a misunderstanding, the competitors in the final of the 220 yards Interclub Handicap swam two lengths short, and are obliged to re-swim the final at the West End Baths next Monday night, when the West End Ladies Swimming Carnival will be held.

The officials were - Referee, D.S.Carter; Judges, H.Davis, H.Felsman, D.Sunderland; Judges of Diving, D.S.Carter, F.W.Springfield, F.Ivett; Timekeepers, J.Moylan, F.W.Springfield, Les Nissen; Check Starter, R.Hodge; Starter, F.E.Duncalfe; Handicappers and Heat Stewards, C.Graham, S.Cairns, E.J.Goodwin; Clerks of Course, R.Day, A.Bragg; Result Steward, A.Byrne; Press Steward, W.M.Cook; Hon Secretary and Post Entry Steward, A.G.Casey.

Q.A.S.A COUNCIL MEETS
AUSTRALIAN CHAMPIONSHIPS

A special meeting of the Council of the Queensland Amateur Swimming Association was held in the Y.M.C.A Building last night. It was well attended. In the absence of Mr D.S.Carter (president), Mr W.B.Swain (Vice President) was voted to the Chair.

The Council dealt with two Notices of Motion. The first, moved by Mr A.Haslet, "All principal and interclub handicaps be not less than 100 yards or three lengths of the baths and not more than 100 yards," was carried. The second Motion by Mr F.E.Duncalfe, "That the 60 yards Junior Championship of Queensland should be held as near as practical to a specified date each season, and instead of being balloted for is to be controlled by the Q.A.S.A at a special swim if necessary," was lost. In its place an amendment to Rule 65B "that Junior members of a Club may compete in all events during the season

provided they are under the age of sixteen years at the commencement of the season on October 1 at each year," was carried, and will come into effect next year. Rule 65B stated "that a Junior Club is one the members of which are boys under the age of sixteen."

A letter was received from the Tourist Amateur Swimming Club, Townsville, inviting Mr D.A.Lowndes and a party of six swimmers, four gentlemen and two ladies, to visit Townsville on a date just prior to the Easter holidays. The matter was held over until the Local Centre at Townsville had been communicated with.

FORTHCOMING CARNIVALS

The Council granted the application of the Paddington Club to hold its annual carnival on Monday March 2, and the South Brisbane Club to hold its annual carnival at the Booroodabin Baths on February 18.

The Council received a letter from Mr Beal (Under-Secretary to the Treasurer) stating that the Council's application to use the Government Dry Dock on January 24 for a Championship Carnival was granted, provided that the Dock would not be occupied by a vessel.

A letter from the South Australian Amateur Swimming Association stated that South Australia was sending three representatives to the Australian Championship Carnival in Brisbane. They were; Mr R.J.Dillaway in the 220, 440, 880 yards and the mile, Mr V.H.Bywater in the 100, 220, and 440 yards, and Mr C.O.White, the State's Breast Stroke champion, in the Breast and Back Stroke events.

A letter from the Rockhampton Club stated that Mr A.B.Plum, champion of Central and Northern Queensland, would be one of the entrants in the 100 yards Australian Championships.

A Motion was passed that the Secretary of the Brisbane Sailing Club be asked to withhold sailing races on the two Saturdays, January 24 and 31, on which the Australian Championships will be held.

The monthly Credit Balance was £21/15/9.

SWIMMING CHAMPIONSHIP EVENTS 100 YARDS WON BY SAM KAHANAMOKU

Sydney Jan 11

Sam Kahanamoku, the Hawaiian sprint champion, made his first appearance in Australia on Saturday when he won the 100 yards Championship of New South Wales at the Championship Carnival at the Domain Baths. There were more than 10,000 people present and the visitor was given a flattering reception. Of the seven entrants in the Sprint Championship, M.Christie (Drummoyne) withdrew, leaving Athol Coppleston (Bondi - the holder of the title), F.Carberry (Sydney), H.Robertson (Victoria), C.Stuart (Balmoral), S.Kahanamoku (Hawaii) and F.Doyle (Sydney) on the board in the order named from the eastern side of the baths. Kahanamoku was the last to take off, but at 25 yards the competitors were practically level. There was little difference between Kahanamoku, Doyle, Carberry, Coppleston and Robertson at 75 yards, then the Hawaiian spurted and took the lead, and swimming comparatively easily, won by three yards from Doyle. The latter, who equalled Kahanamoku's time, 56 $\frac{3}{5}$ seconds, in the test during the week, made a great effort and finished four feet ahead of the other four starters. Carberry was third, followed by Coppleston, Robertson and Stuart. Kahanamoku's time was 55 $\frac{2}{5}$ seconds. In accordance with the rules of the Swimming Association, F.Doyle is now the resident swimming Champion of New South Wales, Kahanamoku not being eligible to hold the title.

The 880 yards Championship of Australia was an easy race for Moss Christie (NSW) who covered the distance in 11 minutes $\frac{3}{5}$ seconds, or $\frac{2}{5}$ seconds faster than Frank Beaurepaire, the previous title holder. The records for the world and Australia are held by Charlton whose time at the Domain Baths a year ago was 10.51 $\frac{4}{5}$. Arne Borg (Sweden) won the 1923-1924 race in 10.57 $\frac{4}{5}$. Competitors in the race on Saturday and their positions on the board were, H.Taylor (WA), R.J.Dillaway (SA), M.Christie (NSW), W.Longworth (NSW),

O.Griffith NSW) and E.Cormack (Vic). Christie was swimming a good race and at the half distance he was fifteen yards ahead of Griffith. At the next lap the position was unaltered, and Taylor and Longworth turned together behind Christie and Griffith. At the next lap Taylor got in front of Longworth, while Christie had increased his lead to twenty five yards. At the seventh lap the positions of the leaders were unaltered, and Christie won by about thirty five yards from Griffith with Taylor third, followed by Cormack, Longworth and Dillaway.

Two other individual championships were swum during the afternoon, the 220 yards Junior Championship of the State, and the 100 yards Country Championship. Results --

100 yards Championship of New South Wales - S.Kahanamoku (Hawaii) 1, F.Doyle (Sydney) 2, F.Carberry (Sydney) 3. Time 55 2/5

880 yards Championship of Australia - M.Christie (NSW) 1, O.Griffith (NSW) 2, H.Taylor (WA) 3, Time 11.0 2/5

220 yards Junior Championship of New South Wales - D.Wilson (Bondi) 1, R.Stevens (Bondi) 2, J.Doyle (Sydney) 3. Time 2.44 2/5

100 yards Country Championship of New South Wales - Macdonald (Newcastle) 1, J.Lieb (Newcastle) 2, L.Small (Albury) 3. Time 60 1/5

BREAST STROKE CHAMPION
QUEENSLANDER'S RECORD TIME

Sydney Jan 15

At the Swimming Championships at the Sydney Domain Baths, Sam Kahanamoku (Hawaii) won the 220 yards Championship of Australia and Moss Christie, the young Olympic representative, was second. Kahanamoku swam in the number 1 lane on the harbour side of the baths, with C.Stuart, W.Longworth, H.Robertson (Vic), M.Christie, and H.Taylor (WA) on his left. The start was good and the visitor went to the front early. Christie was the first to turn for home and for a time it appeared that he would beat the visitor. Christie's great effort in the first lap told on him and Kahanamoku won comfortably by a yard and a half in 2 minutes 27 $\frac{3}{5}$ seconds. Christie's time was 2.29.

J.Suosaari, the Queensland swimmer, secured an easy win in record time in the Breast Stroke Championship. K.Kirkland again annexed the Back Stroke Championship of Australia. The Sydney Club won the 500 yards Teams Race from Rose Bay, with last year's title and record holders, Manly, in third position. Manly was not at full strength, E.Henry, W.Herald and S.Beck being absentees.

Details -

220 yards Championship of Australia - Holder of title, E.Henry (NSW) 2.30; Winner of 1923-24 race, Arne Borg (Sweden) 2.23; Records - world's 2.15 $\frac{3}{5}$, J.Weismuller at Honolulu 26 May 1922 - Australian, 2.23 $\frac{4}{5}$, A.Charlton, Domain Baths 10 January 1924 -

Placings, Sam Kahanamoku (Hawaii) 1, M.Christie (NSW) 2, H.Taylor (WA) 3, C.Stuart (NSW) 4, W.Longworth (NSW) 5, H.Robertson (Vic) 6.

220 yards Breast Stroke Championship of New South Wales - Holder, F.W.Bayldon (University) 3.13 $\frac{3}{5}$; Records - world's 2.54 S.E.Rademacher, Amsterdam 1922 - Australian, T.Stedman, Sandy Bay, Hobart 1921 - N.S.W 3.13 $\frac{3}{5}$, F.W.Bayldon at the Domain Baths 14 January.

Placings, J.Suosaari (Qld) 1, F.W.Bayldon (NSW) 2, W.Furness (NSW) 3. The Queenslander led throughout and won easily by 12 yards in 3.9 $\frac{2}{5}$, a State record. J.O'Connor finished third but was disqualified.

100 yards Back Stroke Championship of Australia - Holder of title, K.Kirkland (NSW) - Record, Australia 1.12 $\frac{4}{5}$, K.Kirkland, Melbourne 1923 -

Placings, K.Kirkland (NSW) 1, F.Carberry (NSW) 2, J.Gillan (Qld) 3. Kirkland won comfortably. Time 1.14 $\frac{3}{5}$.

SWIMMING STAR
"SAM" KAHANAMOKU FOR BRISBANE

Sam Kahanamoku, prince of swimming sprinters in the Pacific, whose fame in Honolulu almost equals his wonderful brother "Duke" who created a furore in Australia about ten years ago by his phenomenal propeller stroke, will figure in Brisbane at the Australian Swimming Carnivals to be held in the Dry Dock, South Brisbane, on Saturday afternoon January 24 and at the South Brisbane Baths the following Saturday. Also featured in these carnivals will be Dick Eve (NSW) champion diver of the world. All the Australian States will be represented. A test to select Queensland representatives for the diving competition and for the 100 yards sprint will be held next week.

AMATEUR STATUS

Sydney Jan 15

The Manager of the Olympic Team, Mr O.G.H.Merrett, holds the view that the four Sydney swimmers, F.Lough, H.Hay, A.H.Thorn and G.Gunther, who accompanied the team as masseurs and were paid for their services, have forfeited their amateur status. Mr Merrett said that the professional masseur was a professional in sport. This aspect of the matter, it is said, was overlooked by the masseurs who are also members of the Sydney football team.

GRIER'S MERITORIOUS SWIM

To the Editor, Sir,

Being interested in swimming, I attended the swim of the Valley Club on Wednesday night last at the Booroodabin Baths and was pleased to see a very meritorious performance on the part of Reg Grier, the most improved swimmer in Brisbane today, who defeated S.H.Springfield in that Club's 440 yards Championship by 5 yards in the good time of 5.42 2/5. His victory, following on his win in the 220 yards Queensland Championship on Monday night in a time of 2.32 1/5, which has never been beaten by a Queenslander in a Championship, stamps him as a swimmer of class, and as he is young, only 19 years, still further improvement can be looked for.

It is pleasing to know that Queensland appears to have unearthed a good class boy, and as the Australian Championships eventuate at the South Brisbane Dock on January 24, and at the South Brisbane Baths on January 31, it will enable him to show how good he really is by competing against the southern representatives.

The Kieran Shield has been away from Queensland for a long while, and with Joe Suosaari winning the Breast Stroke Championship and Reg standing a good chance in the 440 and 880 of collecting a place, it may not be too much to hope that it will once again return to the land where F.W.Springfield, who made a name in swimming, and who won the Shield on the first occasion it was swum for, resides.

I am, "Aqua Pura"

SAM KAHANAMOKU'S VISIT

Mr "Dave" Carter, President of the Queensland Amateur Swimming Association, who is at present in Sydney finalising details of the reception of Sam Kahanamoku, the sprint swimmer from Honolulu, is highly impressed with the visitor's style. In a message to Mr Kuder, Secretary of the Association, Mr Carter said the Brisbane public is in for a treat in the way of powerful water work, Kahanamoku's style being a close pattern of that of his brother "Duke". A record crowd is anticipated, and so that few will be disappointed, the South Brisbane Dry Dock has been specially secured for the carnival next Saturday, when Kahanamoku and all the Australian cracks will compete. Mr Carter has wired that 5 New South Wales representatives, 3 Victorians, and representatives from South Australia, West Australia and Tasmania have forwarded entries.

SUOSAARI AGAIN - BREAST STROKE HONOURS SUCCESS OF M.CHRISTIE

Sydney Jan 18

Notwithstanding almost continuous rain, there was a fair attendance at the Domain Baths on Saturday when the Australian and New South Wales Swimming Championships were continued. The principal event was the 440 yards Championship of Australia which attracted five competitors. The race resulted in a popular win for Christie who had twelve yards to spare from the Hawaiian. The Diving Championship of the State resulted in a win for the Olympic champion, R.Eve, who narrowly beat R.Riche of Balmoral.

The principal events resulted -

100 yards Ladies First Class Handicap - Misses J.Sheldon (Manly) 1, T.L.Peters (R & G) 2.

440 yards Championship of Australia - M.Christie (NSW) 1, S.Kahanamoku (Hawaii) 2, O.Griffiths (NSW) 3, O.Stuart (NSW) 4, R.J.Dillaway (SA) 5. Griffiths immediately went to the front. At 220 yards Griffiths was leading by two yards from Christie who was a similar distance in front of Kahanamoku, with Stuart and Dill away a long way in the rear. Griffiths and Christie

turned together at 330 yards, the Hawaiian being seven yards away. Christie assumed the lead in the final lap and he won by twelve yards. Interest had been centered in the race between Griffiths and Kahanamoku for the second position, but the visitor, with something in reserve, beat the Sydney swimmer by two yards. Time 5.3 2/5.

100 yards Interclub Scratch Race - R.McKenzie (East Sydney) 1, Wince (Mossman) 2, A.Bywater (SA) 3. Time 61 2/5

Diving Championship of New South Wales - R.Eve (Manly) 1, D.Tighe (Balmoral) 2, H.Morris (Vic) 3

100 yards Junior Championship of New South Wales - B.Walpole 1, R.Stevens 2, Time 60 1/10.

440 yards Breast Stroke Championship of Australia - J.Suosaari (Qld) 1, F.W.Bayldon (NSW) 2, Won easily. Time 6.46 1/5

880 yards Teams Championship of New South Wales - Sydney 1, Rose Bay 2, Manly 3

Water Polo - New South Wales beat Victoria, 6 goals to 3.

WEST END CARNIVAL
SUOSAARI RETAINS CHAMPIONSHIP

Despite somewhat threatening weather conditions there was a fairly large attendance of spectators at the Championship Carnival held last evening at the Davies Park Baths, A striking feature of the carnival was the excellent handicapping which resulted in many close finishes. As was anticipated, J.Suosaari easily retained the 440 yards Breast Stroke Championship of Queensland, the three other competitors in the event never having a "look in." Suosaari never had fully to exert himself, consequently the time, 6.46 1/10 was not up to his previous performances. There was keen competition for second place. The events were kept well on time and interest never lagged.

Results -

Novice Handicap 30 yards - A.Cadell 1, W.Shannon 2, R.Onley 3

Junior Handicap 50 yards - H.Budd 1, J.Taylor 2

C.Blieler Memorial Handicap 5 yards - G.Hookway 1, H.Taylor 2, J.Robinson 3

Junior Interclub Handicap 50 yards - W.Daley (WE) 1, I.Doan (City Pastimes) 2, A.Coyle (CP) 3

440 yards Breast Stroke Championship of Queensland - J.Suosaari (holder) 1, W.Bennett 2, J.Koskela 3 Won easily by 50 yards. 6.46 1/10.

Q.A.S.A Test Race 100 yards - S.Negus 1, R.Grier 2, T.Boast 3 Time 61.

Neat Dive - J.Gibson (Paddington)

Victor McCartney Memorial Handicap 50 yards (14 heats, 5 semifinals) - J.Robinson (WE) 1, H.Wrench (V) 2, P.Findley (T) 3.

Interclub Brace Relay Handicap 100 yards - J.McCollin & J.Brett (V) 1, K.Stack & J.Minnis (SB) 2

KAHANAMOKU WINS
KEEN CONTESTS IN TOOWOOMBA CARNIVAL
Tmba Jan 21

Sam Kahanamoku, the Hawaiian champion, accompanied by several Interstate representatives arrived in Toowoomba this afternoon. Tonight at the City Baths the Toowoomba Amateur Swimming Centre carnival took place, and in spite of the wet weather there was a large attendance.

Although there is no roof over the swimming pool proper, there is plenty of shelter for the spectators.

The officials were - Starter, Mr S.Schwilk; Judges, Messrs A.Holmes, H.Stephens; Judge of Diving Mr E.H.Mair.

Other than Sam Kahanamoku, the visiting swimmers included two from South Australia, ten from Warwick, and two from Brisbane. Several Darling Downs Championships were contested. E.Colquhoun (Warwick, holder) scored a popular win in the 100 yards Breast Stroke Championship with H.O.Waite (S Aust) second. Colquhoun's time was 1.21 1/5, which was 7 4/5 faster than his previous record. Miss P.Galloway (Warwick) won the 66 yards Ladies Back Stroke Championship with Miss M.Beirne second.

Sam Kahanamoku made his first appearance in the 100 yards International Handicap in which he gave Bywater (SA) 5 seconds start and three Toowoomba swimmers 5 seconds. Kahanamoku won a pretty race by 1 1/2 yards in the fast time of 57 seconds, with Bywater second. Kahanamoku's time is a record for the baths.

Kahanamoku was billed to appear in the 220 yards International Handicap, but much to the disappointment of the spectators, he did not appear in this event. The announcement was made that he had quite a long programme in Warwick yesterday and he had to swim in the Australian Championships in Brisbane on Saturday. He, however, gave an exhibition display later, which was applauded. In the 220 yards Handicap, Dillaway (SA), who conceded Mair (Tmba) 9 seconds start, won only by a touch in an exciting finish.

Results -

Tiny Tots (Under 11 years) 12 yards - H.Summers 1, C.Cook 2
100 yards Breast Stroke Championship of the Darling Downs District - Holder E.Colquhoun (Warwick) - Starters, E.Colquhoun (War), R.Galloway (War), C.O.Waite (SA), G.Young, S.Featherstone, ' .Hopkins (Tmba) - The six starters struck the water together and Colquhoun immediately took the lead. He led at the first turn by two yards from Waite, Young and Galloway who were close together. Colquhoun maintained his advantage and in the second lap he led at the turn by a couple of yards with waite second and Young and Galloway close up. In the last lap, Colquhoun, swimming well, went ahead. Waite chased him but Colquhoun held him safely and won by three yards. Galloway was close up and defeated Young by a touch for third. Time 1.21 1/5. Previous time 1.29.

33 yards Schoolboys Handicap - T.McMahon 1, N.Goodrick 2

66 yards Ladies Breast Stroke Championship of the Darling Downs District - Misses P.Galloway (War) 1, M.Beirne (Tmba) 2, Time 1.8

100 yards 'International Handicap - S.Kahanamoku (Hawaii, scratch) 1, Bywater (SA) 2, F.Kimmins (Tmba) 3. Other starters, J.Bliss, V.Ball. At the end of the first lap the Toowoomba swimmers turned together ahead of Bywater with Sam Kahanamoku a good two yards behind. In the second lap Bywater and Kahanamoku

gained on the other three with Kimmins first to turn closely followed by Ball. Bywater and Kahanamoku turned almost together almost a yard behind. Bliss drew out. In the last lap Kahanamoku drew level and he and Bywater then forged ahead, Kahanamoku swimming beautifully, then went ahead and won a good race by 1 1/2 yards from Bywater, with Kimmins three yards behind, third. Time 57 seconds.

33 yards Schoolgirls Handicap - Misses M.Page (T) 1, G.Lewis (W) 2

66 yards Junior Handicap - R.Smith 1, W.Searle 2, F.Broadfoot 3

220 yards Interclub Handicap - R.J.Dillaway (SA) 1, E.H.Mair (T) 2. Other starters, Muller and Murray. When they turned for the last lap Mair was about one yard ahead of Dillaway. In the final sprint Dillaway caught Mair just before the rope and won by a touch. Time 3.2

Mixed Brace Relay 66 yards - Miss Jefferson & Riddle 1, Miss Jones & Bliss 2

A GREAT HAWAIIAN SAM KAHANAMOKU HERE

Lovers of swimming in particular, and sportsmen in general, will have the opportunity of seeing Sam Kahanamoku, the great sprint swimmer from Hawaii, in action in the 100 yards Championship which is one of the principal events set down for decision at the Australian Swimming Championship Carnival to be held next Saturday in the South Brisbane Dry Dock. In his two sprint tests in Sydney recently, Kahanamoku was successful against the New South Wales cracks.

Another interesting feature of the programme will be the first appearance of "Dick" Eve, the spectacular high diver and champion of the world in this branch of the sport.

The following will be the representatives in the two principal events of the day; Dive - R.Eve, H.Wann, C.E.Barrass (NSW), F.Lewis., J.Gibson, K.Petrie (Qld), H.Morris (Vic); 100 yards Championship of Australia - S.Kahanamoku (Hawaii), F.Doyle, F.Carberry (NSW), S.Negus, R.Grier, T.Boast. (Qld), H.Robertson (Vic), R.J.Dillaway (SA), H.Taylor (WA).

For the distance events, New South Wales will be represented by Owen Griffith, Victoria by E.Cormack, and South Australia by H.Bywater.

AUSTRALIAN CRACKS ARRIVE

The crack swimmers from the other States who will compete in the Australian Championship Swimming Carnivals which will commence in the Dry Dock, South Brisbane, tomorrow afternoon at 3 o'clock arrived by the Sydney mail train last evening. They were met at the Central Station by officials of the Queensland Amateur Swimming Association and taken to the Carlton Club Hotel where they will be quartered during their stay in Brisbane. Tomorrow morning they will be tendered a Mayoral reception. Public enthusiasm is quickening as the carnival draws near, and it is anticipated that given fine weather a record crowd will be seen at the Dock which will test out the best sprint and distance swimmers because of the length of the laps. Sam Kahanamoku, the Hawaiian crack, and Dick Eve, the champion diver of the world, will be the principal personalities at the meeting. Trams pass the nearest point to the Dock, the South Brisbane Technical College.

FEELING HIGH
ROCKHAMPTON CLUB'S GRIEVANCES
Rockhampton Jan 22

Members of the Rockhampton Swimming Club are perturbed at the treatment meted out by the Queensland Amateur Swimming Association, and feeling is running so high that it would not be surprising if Rockhampton declines in future to affiliate with the Brisbane body. Last year Rockhampton was not included in the Arne Borg itinerary, nor in Sam Kahanamoku's coming here, though he is travelling to Bundaberg. A request that he be sent here was not entertained. Officials of the local swimming Club aver that cavalier treatment has been meted out to them regarding the 100 yards Championship. Early in december W.Kuder was written to relative to the test swim. In reply, Mr Kuder stated that the test swim would be held on January 24 and asked for the Club's nomination. On December 22 the Club nominated A.V.Plumb, the champion of Central and Northern Queensland. No reply to this letter or subsequent telegram was received. The Secretary of the Rockhampton Club wired to Mr D.S.Carter, President of the Q.A.S.A, asking him to look into the matter. Yesterday Mr Carter replied that he was doing so. At present it certainly looks that Plumb would be debarred from taking part in the test.

SWIMMERS HONOURED -
CIVIC RECEPTION
VALUE OF OUR CLIMATE

A Civic reception was given yesterday at the Town Hall to the visiting swimmers from the various Australian States. The Deputy Mayor, Alderman T.Wilson M.L.A, presided. In welcoming the visitors, Ald Wilson said that we were not without pride in the achievements of our own champions, both men and women. He said we would be surprised and somewhat shamed if we had not produced some good swimmers because we were blessed with so many good influences favourable to the sport. There were splendid stretches of safe bathing beaches in the bay, and he believed that the surfing beaches of southern Queensland were as good as any in the world. There was also the Brisbane River, and the climate was not altogether unfavourable.

AMBITIOUS UNDERTAKING

He was rather sorry the Municipal Baths had only just been commenced. It was an ambitious undertaking, and on completion, would provide a source of justifiable pride in the City. This bath which was being erected adjoining the existing Wickham Street bath, would consist of an open roofed pool of a length of exactly 50 metres so that it would be acceptable for the decision of championship events under conditions recognised by swimming circles throughout the world. He was glad to have Mr Sam Kahanamoku with them that morning. They had had the pleasure of a visit from his brother, the illustrious "Duke", a few years ago, and that visit was not without its effect in deciding the City Council to undertake the erection of a championship swimming pool. He hoped that the visitors would have an agreeable stay in the city, and that they would find among the local swimmers some worthy contestants for aquatic supremacy.

Mr F De Little said that this was the first time they had representatives from all the States of the Commonwealth except Tasmania. Brisbane people would have a treat. There was not only Mr Kahanamoku, one of the world's best sprinters, but also Mr Dick Eve, the world champion diver.

Mr D.S.Carter said that Mr Kahanamoku was not out to try to lower records and in Mr Eve there was one of the finest divers in the world. He was, in fact, a most unassuming champion. If the people of Brisbane only knew of the good sport which would be provided for them, they would turn up in thousands.

Responding to the toast of "The Visitors", Mr Sam Kahanamoku said he hoped his stay in Brisbane would be most enjoyable.

Mr J.Dexter said Queensland had produced many fine swimmers, the most notable of those being F.Springfield, his brother Sid, and Miss Springfield,

The new baths would be of inestimable value to the City and to the swimming public.

Mr H.Morris, of Victoria, said that they had been looking forward for a long time to some sunny weather. If Brisbane had no beaches, the climate was wonderful, and the warm weather was a necessity for swimmers. There was a difference of thirty degrees in the average temperature of Brisbane and Hobart. Mr Dillaway of South Australia and Mr H.Taylor of West Australia also responded.

The names of the guests were - from Victoria, Messrs Hans Robertson, E.B.Cormack, H.Morris; from New South Wales, Messrs D.Eve, F.Carberry, J.Dexter, C.Barrass, O.Griffith, F.Doyle; from West Australia, Mr H.Taylor; from South Australia, Messrs R.J.Dillaway, B.Bywater, C.Waite; and Mr Sam Kahanamoku.

TODAY'S CARNIVAL

Enthusiasts will have the opportunity of seeing the visitors in action on the first day of the Australian Swimming Championships this afternoon at the South Brisbane Dry Dock. The Hawaiian style of swimming adopted by Sam Kahanamoku who was born, so to speak, in the surf of the Pacific, will be seen in contrast to the Australian free style. Queensland will be represented in the 100 yards Free Style by three young men in S.Negus, R.Grier and T.Boast, and in the Diving Championship by F.Lewis, J.Gibson and K.Petrie. An opportunity to witness some spectacular high diving will be provided by Dick Eve, champion of the world, in the competition. The carnival will continue next Saturday, January 31.

ENTERTAINED AT CREMORNE

It was a happy thought that prompted the Q.A.S.A to entertain the visiting swimmers at the Cremorne last evening. With graceful stagecraft an announcement was made before the overture that the visitors from the south would be present. Suddenly the theatre lights were dimmed and the floodlights picked up the swimmers as they filed into the theatre, the orchestra playing "they are jolly good fellows", and the audience loudly applauding. "Brisbane people know how to arrange a welcome" was the comment made later by one of the visitors. (The Cremorne Theatre, on the south bank of the River, adjacent to the Victoria Bridge, was the home of vaudeville in Brisbane for many years. Ed.)

CHAMPIONSHIP CARNIVALS - KAHANAMOKU WINS EVE DIVING CHAMPION

A crowd of more than 2000, including the Premier and the Minister for Railways, Mr Larcombe, watched the Australian Swimming Championship Carnival on Saturday afternoon. The carnival was held by the Queensland Amateur Swimming Association. Many people watched the carnival from vantage points in the neighbourhood which overlooked the pool.

The officials were - Referee, Mr D.S.Carter; Referee Stewards, Messrs R.McGregor, J.Dexter; Judges of Swimming, Messrs D.Sunderland, H.Davis, H.Felsman; Judges of Diving, Messrs D.S.Carter, J.Dexter, F.W.Springfield; Starter, Mr F.E.Duncliffe; Check Starter, Mr R.Hodge; Result Stewards, M.Byrne,

F.Ivett; Costume Steward, Mr A.G.Casey; Clerks of Course, Messrs H.Paul, J.Montgomery; Timekeepers, Messrs J.Moylan (standard), F.W.Springfield, J.G.Frew, L.Nissen; Call Stewards, Messrs J.Burke, A.G.Casey; Official Measurer, Mr W.Kuder; Boat Steward, Mr A.G.Haslet; Handicappers, Messrs C.Graham, S.Cairns, E.J.Goodwin; Hon Assistant Secretary, Mr J.Dursdon; Heat Stewards, Messrs L.Paetzholdt, T.Atkins.

The 100 yards Free Style Championship of Australia was one of the big items of the carnival. It created tremendous interest. There were nine competitors. A humorous incident marked the start of the race. The contestants made a false start, and the Starter, Mr F.E.Duncalfe, tumbled backwards from the pontoon into the water. The contestants were - Sam Kahanamoku (Hawaii), F.Doyle, F.Carberry (NSW), H.Robertson (Vic), B.Bywater (SA), H.Taylor (WA), T.Boast, S.Negus, R.Grier (Qld). They made a fairly even start. Doyle was first out from the dive closely followed by Carberry. Kahanamoku was with the bunch. S.Negus was handicapped by a bad take-off. About half way, Doyle was half a yard in the lead, Carberry was still second. Shortly after, the Hawaiian forged ahead and won by 1 1/5 seconds from Doyle, Carberry was slightly behind. Robinson came home fourth and Bywater fifth. The three Queensland competitors finished close together, in order, Grier, Negus, and Boast. Kahanamoku, although he won the Championship, is not entitled to hold the title owing to the residential qualifications. The title goes to F.Doyle, the seventeen year old New South Wales swimmer, and the points scored go to the credit of that State for the Kieran Memorial Shield. The first 50 yards was covered in twenty five seconds.

DIVING CONTEST

The crowd was keenly interested in the Diving Contest for the Championship of Australia. The competitors were required to perform two dives from the low springboard and two from the high tower (30 feet), two voluntary dives, one from the low springboard and one from the high tower, and two post dives, one from the low springboard and one from the high tower. The compulsory dives from the low board were - forward standing, and 1 1/2 somersault forward running; High tower - head dive swallow, and 1 1/2 somersault. The voluntaries selected were - Dick Eve, isander pike from the low board, and an arm stand somersault from the tower; C.Barrass, isander pike from the tower, and a back full screw from the low board; T.H.Morris, a back full screw from the low board, and arm stand somersault from the tower; F. Lewis and J.Gibson (Qld) who appeared to be nervous on the tower, isander pike from the board. And arm stand somersault from the tower. Eve, the world champion, dived in flawless fashion on all occasions. He was greeted with great rounds of applause for his efforts on the low and high boards. The latter, though seemingly more difficult, were made with equal grace. He certainly stood out from the other contestants and deserved his victory. Barrass, the second placed diver, seemed happier on the low board. Morris dives were almost perfect from the tower. J.Gibson was placed fourth. Messrs C.Olsen and W.Noble executed trick dives, much to the amusement of the crowd. The meeting will be concluded next Saturday afternoon.

The events resulted -

66 yards Junior Interclub Handicap - H.Budd (WE) 1, H.Kruck (V) 2, W.Evers (WE) 3

100 yards Interclub Handicap - E.Kirk 1, J.Bliss 2, W.Morrell 3

100 yards free Style Championship of Australia (holder, E.Henry NSW) - Sam Kahanamoku (Hawaii) 56 4/5 1, F.Doyle (NSW) 58 1/5 2, F.Carberry (NSW) 58/3/5 3, H.Robertson (Vic) 60 4. Won by two yards with a touch between second and third.

Diving Championship of Australia (holder, R.C.Eve NSW) - R.C.Eve (NSW) 1, C.Barrass (NSW) 2, T.H.Morris (Vic) 3, J.Gibson (Qld) 4. The judges were unanimous in their placings in each dive, the final placings corresponding exactly with the placings of the three judges in the respective dives attempted. The points were adjusted according to Olympic conditions.

Neat Dive - R.C.Eve 1, T.H.Morris 2, J.Gibson 3.

200 yards Brace Relay Interclub Handicap - F.Carberry & F.Doyle 1 (NSW) had a "swim over".

300 yards Interclub Handicap -F.W.Nicklin 1, S.H.Springfield 2, E.Bonis 3. Won by a foot.

A.N.A. CARNIVAL
SOUTHERN SWIMMERS COMPETE
T.BOAST RETAINS HIS TITLE

The A.N.A Australia Day Swimming Carnivals were held at the South Brisbane Baths yesterday. In the afternoon ladies events were contested by the Q.L.A.S.A, and at night the Q.A.S.A members swam. At the afternoon carnival an exhibition swim of 200 yards free style was given by H.Taylor, the West Australian champion, and Jacky Venning (4 years of age) gave a creditable display of fancy swimming and diving. At night, F.Doyle (NSW) and other southern swimmers were present, and the 100 yards Back Stroke Championship of Queensland was decided. T.Boast, the present holder, was content with second place in his heat, but in the final he took the lead in the first lap, and in the third and last lap he increased his lead and won by about eight yards from E.Colquhoun with R.Grier a yard away third. Boast clipped 2 3/5 seconds off his previous time, finishing in 1.16 4/5, only 2 2/5 seconds outside the Queensland record held by K.Kirkland.

The officials for the afternoon were - Referee, Mr D.S.Carter; Judges, Messrs R.McGregor, H.Felsman, D.Sunderland, H.Davis; Judges of Diving, Messrs D.S.Carter, F.W.Springfield, J.Dexter; Timekeepers, Messrs J.Moylan (standard), F.W.Springfield, R.H.Bunting, Les Nissen; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Call and Costume Stewards, QASA Messrs A.G.Casey, M.Burke, QLASA Misses A.White, M.White; Press Stewards, Messrs A.Haslet, J.Dunsdon; Result Stewards, Miss M.Burns, F.Ivett; Heat Stewards, QASA, T.Atkins, L.Paetzholdt, QLASA Mesdames Newman, Hall; Hon Treasurer, Mr J.Moor; Hon Secretary, Mr W.Kuder.

SPRINGFIELD WINS
SWIMMING AT IPSWICH
3/4 MILE TO QUEENSLAND
Ipswich Jan 28

After a disappointing race, Springfield won the 3/4 Mile Championship of Australia at the City baths tonight. R (Dick) Eve and H.Morris gave displays of diving and Kahanamoku demonstrated various swimming strokes. The Mayor, Alderman A.T.Stephenson, tendered a Civic Reception to the visiting swimmers this afternoon. Responding, Mr Sam Kahanamoku said he was having a wonderful time in Queensland. Mr Dexter (NSW) said he was surprised that the class of swimming away from the capital was much more advanced in Queensland than in New South Wales. There, they were encouraging the game in the outside centres, but so far very little progress had been made. Ipswich, he

concluded, was better known for its footballers. Messrs Morris (Vic), Bywater (SA), Taylor (WA), R.Eve (NSW) and E.H.Mair also spoke, and finally a welcome was extended to the visitors by Mr D.S.Carter, President of the Queensland Amateur Swimming Association. Aldermen Bacon, Bearkley, Green and Ferrett, and Messrs W.Pratt and W.Lemass (Secretary I.A.S.C) supplemented the Mayor's welcome.

The events tonight resulted -

QASA 66 yards Interstate Handicap - J.Price 1, C.Nunn 2, H.Lewis 3

QASA 132 yards Senior Brace Relay handicap - J.Hoffman & A.Coppick 1, G.Wyatt & H.Lewis 2, E.McNamara & P.O'Connell 3. The visiting swimmers were unable to compete in the final as they had to catch a train for Brisbane.

180 YARDS TEAMS CHAMPIONSHIP

The Federal Ladies Amateur Swimming Club's carnival which was held at the Booroodabin Baths last night attracted a large number of entries and spectators. The principal event of the evening was the 180 yards Teams Championship of Queensland, competed for by the Valley and other Clubs against Commercials, the present holders of the title. The race was warmly contested, but the Commercials retained their title by a matter of about two yards from the Valley team. The entries for the diving were small, and Miss G.Brown (Valley) easily carried away the honours by her fine display.

The results were -

Beginners Handicap 10 yards - (Misses) R.Dahlin 1, Brigante 2, C.Fry 3

Beginners Handicap 20 yards - J.Fry 1, E.Haberman 2, B.Frost 3

VISITORS AT LOURDES HILL

Messrs Sam Kahanamoku (Hawaii), F.Doyle (NSW) and H.Morris (Vic) visited the Lourdes Hill Convent baths yesterday afternoon and gave an exhibition of swimming and diving in the presence of the pupils. Mr Kahanamoku said the baths were the best he had ever swum in. Mr Morris also stated that the baths were the best he had seen, and suggested that when the City Council was building baths, it should model its efforts on this structure. Mr Doyle said the baths were certainly the best in Brisbane, and were free of the mud he had found so prevalent in baths here.

GRIER WINS QUARTER MILE SUOSAARI BREAST STROKE CHAMPION NEW SOUTH WALES RETAINS THE KIERAN SHIELD

Showery weather was again experienced by the Queensland Amateur Swimming Association for the second of the Australian Championship Meetings held at the South Brisbane Baths on Saturday afternoon. Despite the weather, there was a large attendance of the public, reflecting in no uncertain degree Brisbane's interest in the sport. The presence of the International visitor Kahanamoku, and the Interstate cracks, lent interest to the carnival which was productive of some fine swimming. Especially pleasing was the success of R.Grier, the young Queenslander, in the quarter mile Championship. New South Wales, with six points, won the Kieran Memorial Shield, Queensland with four points being second.

The officials were Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Referee, Mr.S.Carter; Referee Stewards, Messrs R.McGregor, J.Dexter; Costume Steward, Mr A.G.Casey; Judges of Swimming, Messrs D.Sunderland, H.Felsman, H.Davis; Judges of Diving, Messrs D.S.Carter, J.Dexter, F.W.Springfield; Clerks of Course, Messrs H.Paul, J.Montgomery; Result Stewards, Messrs M.Burn, F.Ivett; Timekeepers, Messrs J.Moylan (standard), J.G.Tow, F.W.Springfield, L.Nissen; Call Stewards, Messrs M.J.Burke, A.G.Casey; Official Measurer, Mr W.Kuder; Boat Steward, Mr A.Haslet; Handicappers, Messrs G.Graham, S.Cairns, E.J.Goodwin; Hon Assistant Secretary, Mr J.Dunston; Hon Treasurer, Mr Les Nissen; Hon Secretary, Mr W.Kuder; Press Stewards, Messrs A.Haslet, J.Dunston; Heat Stewards, Messrs T.Atkins, L.Paetzholdt.

E.Eastaughffe (WE) 3

440 yards Championship of Australia - R.Grier (Q) 1, H.Taylor (WA) 2, S.H.Springfield (Q) 3, O.Griffith (NSW) 4. The starters were: R.Grier, S.H.Springfield (Qld), W.Longworth, O.Griffith (NSW), H.Taylor (WA). Grier, the young Queenslander, led for the first 220 yards, Griffith, swimming with a nice easy action, was second all the way. Longworth, Taylor and Springfield were grouped together third. Grier was turning very well and with 100 yards to go, he and Taylor led the field with Griffith and Longworth falling back. Longworth then retired and the finish was fought out between Grier and Taylor, the Queenslander winning comfortably. Springfield was third. The time was 5.37 4/5.

220 yards Breast Stroke Championship of Australia - J.Suosaari (Q) 1, C.O.Waite (SA) 2, E.Colquhoun (Q) 3. The starters were: J.Suosaari, W.T.Bennett, E.Colquhoun (Q), C.O.Waite (SA). From the start Suosaari took the lead and after four laps was ten yards ahead. He increased his lead and eventually won by half the length of the baths in 3.4 1/5.

100 yards Interclub Handicap - A.Keary 1, C.Walker 2, A.Jack 3 (all WE)

132 yards Brace Relay - S.Kahanamoku & F.Doyle 1, H.Robertson & E.Cormack 2

OTTER LADIES CARNIVAL
L.VENNING STILL 50 YARDS CHAMPION

The Otter Ladies Amateur Swimming Club held a Championship Carnival in the Ithaca baths before a large attendance last night. The event of the evening was the 50 yards Junior Championship of Queensland. The race was divided into two heats. D.Cooper of the Otter won the first heat by a touch from D.Thompson of the Valley, while L.Venning and D.Freeney, both Commercial ladies, were placed in the second heat. The final was a great race, and at the thirty yards L.Venning of the Commercials drew away from the others and managed to win by a yard from D.Thompson of the Valley, who was closely followed by D.Cooper (Otter). Time was 32 1/5.

SWIMMING

An International Swimming Carnival under the auspices of the Queensland Ladies Amateur Swimming Association will take place at the South Brisbane Baths next Thursday night at 8 o'clock. Miss Marieschen Wehselau, of Honolulu, will make her first appearance in Queensland and her only appearance in Brisbane. In the recent Olympic Games Miss Wehselau created two new world's records, doing the 100 yards in the wonderful time of 1 minute 3 seconds, and the 100 metres in 1 m 12 s. Miss Wehselau will swim in the back stroke events as well as the

free style, and will have as her opponents the well-known local performers Miss Lily Venning, the 50 yards Junior, the 100, 220 and 440 yards Champion of Queensland, Miss Doris Thompson, the holder of the world's breast stroke record and 100 yards Australian champion, also Misses Ruby Straiton, Gladys Brown, May Turner and Ivy Robinson, all good handicap swimmers. In addition there will be a display of swimming by little Jack Venning, aged four years, also novelty and diving events.

WONDERFUL SWIM
MISS MARIESCHEN WEHSELAU
QUEENSLAND RECORD BROKEN

No better lady swimmer has been seen in Queensland than Miss Marieschen Wehselau, the resident Hawaiian and world record holder, who appeared at the South Brisbane Baths last evening. Clean limbed, though generously built, Miss Wehselau has demonstrated what a tremendous difference there is between the artist and the mere exponent of a stroke, and her first Queensland performance was a notable one. There was keen anticipation before her initial appearance, and the realisation was very satisfying to the hundreds present. Swimming superbly with a powerful beautifully timed crawl, Miss Wehselau defeated the cream of the local talent in a 100 yards Handicap, and in doing so created new figures for the State. She covered the 100 yards in 65 1/5 seconds, beating the existing record of 67 2/5 seconds. It was in a heat of the event that the time was done, and the spectators looked forward to keener fight in the final and consequently a better time, but they were disappointed. For some reason or other - it was no fault of the local officials - the visitor did not start in the final nor in the Back Stroke Scratch Race. She swam a two lap exhibition swim, but did not enter the water again.

Again, Commercial, holders of the Squadrons Championship, annexed the honour, winning comfortably.

A very entertaining display of diving was given by Mr Harry Wann of Sydney, and the Paddington troupe, F.Venning, and J.Gibson. An exhibition of diving and swimming was given by little Jack Venning, aged four years. The youngster showed surprising facility and gave an amazing display which was loudly applauded.

Miss Doris Thompson (Valley), holder of the world's record for 100 yards breast stroke, also swam an exhibition 50 yards.

Results -

100 yards Mrs Kuder Memorial Handicap - (Misses) O.Wilson 1, M.Grant 2, The final lost all its interest by the absence of the international visitor who, in the heats, swam a beautifully even crawl stroke and soon overtook her competitors to whom she conceded big starts. Lily Venning swam very well, but the visitor was too strong and won by five yards in 1.5 1/5.
Flying Squadron Championship of Queensland - Commercial (L.Venning, P.Freney,

P.Woodforth, P.Cruse, I.Robinson, M.Turner) 1, Valley 2, Otter 3. Time 2.14 2/5. Commercial, who held the title, took the lead from the start and were never seriously troubled after that. Doris Thompson, the last swimmer for the Valleys, raised the hearts of their supporters for a moment, but Lily Venning drew away and won handsomely.

50 yards B Senior Handicap - P.Lyons 1, E.Long 2, J.Thompson 3

33 yards B Senior Handicap - E.Middleton 1, J.Barnes 2, K.Chatfield 3

66 yards A Junior Handicap - D.Cooper 1, P.Cruse 2, M.Hodgton 3

TOOWOOMBA CARNIVAL
MISS WEHSELAU'S SUCCESS
Tmba Feb 18

An International Swimming Carnival in honour of Miss M.Wehselau was held in the City baths tonight under the auspices of the Toowoomba Ladies Swimming Club.

The officials for the night were - Judges, Messrs G.W.Allen, A.Holmes H.Stephens; Timekeepers, Messrs P.M.Steggall, A.Walker, P.Heuer; Diving Judge, Mr E.H.Mair.

Miss Wehselau, on arrival at the baths, was applauded by the large crowd present. It was a mixed carnival for male and female swimmers. As there were no lady swimmers in Toowoomba with speed enough to make a race with Miss Wehselau, her opponent in the 100 yards race was Tom Henry, the railway champion swimmer, and Miss Wehselau was too good for him, winning by about three yards. In the 200 yards Open Handicap, E.Colquhoun, who had to give a sixty two second start, gave a fine exhibition, securing a meritorious third, defeating a Toowoomba champion, F.Kimmins, to whom he conceded twelve seconds start by a yard. Colquhoun was loudly applauded as was also the winner, R.Muller, who started on the seventeen seconds.

Miss Wehselau's second appearance was in the invitation race against a Toowoomba male champion, E.H.Mair, over a distance of 200 yards. Mair kept with the lady well, and they turned together in the last lap. In the last twenty yards Mair held Miss Wehselau well, but the latter won by a touch. Her time was 3 mins 5 secs. Mair holds the baths record which is 2.57 2/5.

Miss Wehselau made her third appearance for the evening when she gave a very fine exhibition of various swimming strokes and also a diving display, for which she was loudly applauded.

During the evening the Mayor, Alderman J.D.Annand, presented the sashes and medals won at the recent Darling Downs carnival to E.Colquhoun (Warwick) for the Breast Stroke Championship, and to Miss P,Galloway (Warwick) for the Ladies Breast Stroke Championship. The Mayor also presented several other trophies won by Warwick swimmers at that carnival.

Results -

Tiny Tots Race 12 yards - H.Morrison (War) 1, E.Rosbrook 2

International Invitation Exhibition Race 100 yards - Miss Wehselau had for her opponent, Tom Henry, the well-known Toowoomba swimmer. For the first two laps they were together, but in the third lap Miss Wehselau went ahead and won by about three yards, her time being 69 seconds.

SPRINGFIELD AGAIN THREE QUARTER MILE CHAMPION

If any proof was needed of the dearth of distance swimmers in the State, the Three Quarter Mile Championship of Queensland, decided at the Davies Park swimming baths last evening, provided it. Sid Springfield, of the Valley Club, who was competing long before most of the present crop of swimmers learnt the art, again demonstrated he is the only distance performer in Queensland. Veteran as he is, he showed his five competitors last evening that they were comparative neophytes, and he won as he liked in 18 minutes 17 4/5 seconds. Beaurepaire's Australian record is 17.34 3/5, and Springfield himself is credited with 17.58. Grier, who finished a long way behind the winner, covered the distance in 19.36 1/5, and the third man, Collin, who was still further back, took 21 14 1/5 to complete the course. The times clearly indicate Springfield's superiority over the younger generation of swimmers.

The carnival, a very successful one, was the first annual one of the City Pastime Club, and the prolific entries showed the members realised the importance of the occasion to them. In the Senior Handicap, fourteen heats were contested, and in the Junior, nine, a very healthy sign.

Competing Clubs were - West End, South Brisbane, Valley, City Pastime, Toowong, Commercial, Federal, Paddington, Railway, Kelvin Grove, West Brisbane and Sandgate.

Results -

3/4 Mile Free Style Championship of Queensland - S.H.Springfield (V) 1, R..Grier (V) 2, J.M.Collin (V) 3, E.Bonis (WE) 4. Time 18.17 4/5. Grier and Springfield immediately went to the front and at the end of four laps were five yards ahead of the other competitors who were all bunched together. After 440 yards, Springfield, who was swimming very strongly, assumed the lead definitely, and at 600 yards he had a commanding lead. This was never challenged and each succeeding lap saw him draw further and further away. He eventually won by almost 10 yards. A similar distance separated second and third, and for the latter place there was a great struggle between Bonis and Collin, the latter only prevailing in the last ten yards. Springfield's sectional times were; 100 yards, 1.9; 200 yards 2.32 3/5; 440 yards 5.36 1/5; 880 yards 12.6 3/5.

MISS WEHSELAU IN TOOWOOMBA
Tmba Feb 19

Miss Wehselau, the champion swimmer, who remained in Toowoomba today, will go up to Warwick tomorrow morning. Tonight at the City Baths it was ladies practice night. The baths were open to the public. Miss Wehselau attended and gave an interesting demonstration of swimming and diving and coaching members of the ladies Club in different styles. Miss Wehselau also swam an exhibition 66 yards with Tom Henry of Toowoomba, Miss Wehselau made herself very popular with the swimmers in Toowoomba.

880 YARDS CHAMPIONSHIP
SOUTH BRISBANE BENEFIT CARNIVAL

An excellent programme of events was presented by the South Brisbane Amateur Swimming Club at the Booroodabin Baths last night. The carnival was in aid of the widow and children of the late Mr Schrey, the late Secretary of the South Brisbane Club, and the proceeds amounted to £12/8/3.

The events consisted chiefly of championships or finals of the events held at the previous Club's carnival. The 880 yards Championship was the principal race of the evening. S.H.Springfield, R.Grier and J.M.Collin, all Valley Club members, were the only competitors. At the start Grier led the way from Springfield by one and a half yards, when by the sixth lap Springfield commenced to creep up on Grier whom he beat on the turn at the beginning of the twentieth lap. At the fifth lap from the end Grier was half a length away and Springfield finished. in fine style a little over a length of the baths in front. His time was 11.46 1/5. Collin finished up third with a distance of about 83 yards behind the second man.

An exciting race was provided in the shape of a Grand Challenge Handicap Race which keenly contested, especially towards the end. Valley won the race from the Commercial by about eight yards. A fine diving display was given by Harry Warn, Lloyd Noble, Charlie Olsen, Kit Petrie, Jack Gibson, Frank Venning and assisted by the Paddington troupe. The bill was completed by a game of water polo between South Brisbane and the Valley Club.

SWIMMING CHAMPIONSHIPS
MISS WEHSELAU BREAKS AUSTRALIAN RECORD
NEW SOUTH WALES WINS TEAMS CHAMPIONSHIP

The Australian Ladies Swimming Championships were commenced on Saturday night at the City Baths. Never before in the history of the women's carnival have so many champions appeared. The baths were well filled, considering the number of counter attractions. The chief item was the 100 yards Australian Championship. Besides the Honolulu swimmer, the best swimmers of Queensland, New South Wales and Victoria were competing. The race resulted in a duel for second and third places, the visitor proving herself too speedy and gained a fair lead at forty yards which she maintained throughout, eventually winning by several lengths. Excitement was intense in the minor places. Miss V.Pawley, the New South Wales representative, had a fair lead at sixty yards, when a challenge was thrown out by Miss B.Walpole, who recently swam 68 seconds in Sydney. Gradually she increased her speed, and with an exceptional burst over the last ten yards, won by yard. Her time was 70 $\frac{3}{5}$ seconds. The crowd became excited and rushed the Judges stand and considerably interfered with their duties. The visiting delegates complained bitterly of the methods adopted in judging and insisted that in future the Judges will have to be roped off, so that their duties will not be interfered with. During the evening, Baby Donnett, aged three years, towed her father across the baths, Miss Wehselau gave an exhibition of six methods of swimming, which proved she is as versatile as she is speedy.

Results -

100 yards Championship of Australia. - World's record 63 sees, Miss Wehselau, Honolulu - Australian Record Miss E.Bleibtry 64 $\frac{2}{5}$ secs - Best by an Australian Miss Fanny Durack 66 secs - Starters, Miss B.Walpole (NSW), V.Pawley (NSW), C.Cauldwe.11 (NSW), M.Allen (Vic), L.Venning (Qld), Marie Wehselau (Honolulu). The start was fairly even. The world's record holder was the last to leave but the first to get into action. At the first turn (33 $\frac{1}{3}$ yards) she was leading by two yards and increased her lead to five yards by the second turn. The final placings were Misses M.Wehselau 1, B.Walpole 2 V.Pawley 3, M.Allen 4, C.Cauldwell 5. There is no doubt that Miss Cauldwell finished in front of Miss Allen, and should have been placed third. As the winner is not a resident she cannot hold the title, so Miss B.Walpole becomes the Australian champion, She is only fourteen years old, and swam with wonderful judgement. The time, 64 $\frac{1}{5}$, is the best yet swum in Australia beating Miss Bleibtry's record by $\frac{1}{5}$ second.

33 $\frac{1}{3}$ yards Tiny Tots Handicap - M.Evans 1, A.Bennett 2, V.Edmond 3

66 $\frac{2}{3}$ yards Breast Stroke Handicap - E.Bostock (Albert Pk) 1, O.Wells 2, M.Grant 3.

33 $\frac{1}{3}$ yards Handicap - V.Ballingall 1, B.Cousland 2

300 yards Teams Championship of Australia - Holders of title, New South Wales - Starters: Victoria (Misses M.Allen, E.Bostock, M.Loader), Queensland (Misses L.Venning, R.Straiton, D.Thompson), New South Wales (Mises B.Walpole, V.Pawley, C.Cauldwell). The Victorian was not able unfortunately to put their best team in the race. The Sydney team gained the lead at 70 yards in the first 100 yards, and the second and third members of the team increased it further, eventually winning by fifteen yards. The Queensland team was second, and the Victorian team, five yards further back was third. The time, 3 mins 48 secs, is 6 seconds slower than the Australian record which is held by New South Wales, The winners formed the youngest team that has ever competed in a Teams Championship for Australian honours,

Senior Diving Handicap - J.Marcolla (Melb) and M.Lovelace (NSW) dead heat. In the dive-off Miss Marcolla did not dive up to her previous efforts, and Miss Lovelace was declared the winner.

Junior Diving Handicap - D.Donnett (Brunswick) 1, E.Anglezark 2. The winner is only about 6 years old and she dived splendidly. Her hand balance off the high board was perfect-

100 yards Invitation Handicap - M.Lovelace (NSW) 1, M.Loader (Vic) 2, R.Straiton (Qid) 3. M.Loader maintained the lead up to the last three yards, but with a great burst of speed by M.Lovelace she won by a touch.

TONIGHT'S PROGRAMME

The carnival will continue tonight in the City Baths. The programme includes the 100 yards Breast Stroke Championship of Australia. Miss D.Thompson, the young Queenslander, will attempt to break her Australian record. Miss Wehselau will appear in the 220 yards Australian Championship and also in an invitation Handicap of 66 2/3 yards. The 400 yards Championship arranged for tonight, will be held on Wednesday night at the City Baths. A water polo match will also be held.

SWIMMING CARNIVAL CHAMPIONSHIP CONTEST MISS WEHSELAU WINS 220 YARDS EVENT MISS THOMPSON WINS BREAST STROKE

The Ladies Swimming Carnival was advanced a further stage last night in the City Baths. The attendance was not as large as the first day, but the racing was excellent. The visiting swimmer was again successful, winning the 220 yards Championship easily, Miss Cauldwell (NSW) and Miss Allen (Vic) filling the minor places. The Sydney girl holds the title for the next twelve months. In the 100 yards Breast Stroke Championship, Miss D.Thompson, who holds the world's record, gave a wonderful exhibition over 100 yards. This is the first time this young record holder has appeared in Melbourne, and she received a flattering reception.

Results -

220 yards Championship of Australia - Holder of Title Lily Robertson (NSW) - Starters and positions, M.Wehselau (Hawaii), M.Mealing (NSW), R.Straiton (Qld), C.Cauldwell (NSW), M.Allen (Vic). The five competitors struck the water together. Miss Wehselau made the pace so fast that she was leading by twelve yards at the 100 yards. The other swimmers were bunched together. At 133 yards Miss Straiton dropped back and Miss Healing began to tire. C.Cauldwell and the Victorian representative were together. Miss Wehselau was so far in front that all attention was riveted on the place getters. C.Cauldwell and M.Allen turned together and with twenty yards to go the excitement was very high. The Victorian was unable to stand the strain and C.Cauldwell finished half a yard to the good. Placings: M.Wehselau 1, C.Cauldwell 2, M.Allen 3. Time 2.46 2/5. Sectional time: 100 yards 1.9; 200 yards 2.34, Won by 16 yards.

LADIES SWIMMING CONFERENCE

The Council of the Australian Swimming Union met in Conference yesterday at the City Baths. The business transacted was of no importance. The Council will meet on Friday morning. The question of changing the 100 yards Breast Stroke Championship to 220 yards was carried. The reason for changing the distance was on account of the Olympic Games being swum over 220 yards.

R.GRIER'S FINE SWIM
100 YARDS CHAMPIONSHIP

The 100 yards Championship which was swum in the Ithaca Baths last night attracted eleven entries, and the prize fell to R.Grier (Valley). He lowered the time of the previous holder, T.Boast another Valley swimmer, from 61 seconds to 58 2/5. Boast's best time is 60 2/5. The race was swum in two heats and a final. In the first heat Boast beat Plumb (Rock-hampton) by about a yard, and in the second heat R.Grier first and J.Bliss second finished almost simultaneously. In the first heat F.Venning was unfortunate in being disqualified for crossing over into another man's water. R.Grier, T.Boast, A.H.Plumb, and J.Bliss were the starters in the final. At the finish of the first lap they were all even and at the end of the second lap the order was Grier, Boast, Bliss, Plumb, each about a foot ahead of each other. At the end of the third lap the positions were unchanged but the distances were slightly increased, and in the last lap Grier struck out in fine form and won from Boast by about one and a half yards, with Bliss about the same distance, third.

SWIMMING CHAMPIONSHIPS
MISS WEHSFLAU WINS AGAIN
GREAT CONTEST FOR SECOND HONOURS

The Ladies Swimming Championships entered the third stage last night at the City Baths. The baths were fairly crowded to witness an interesting programme. In the main item of the events, the 440 yards Free Style, the visiting swimmer won her third championship in very easy style. The battle for second place, which carried residential honours, was stubbornly fought out between C.Cauldwell (NSW) and M.Allen, the local champion. After remaining together for 400 yards, the Sydney girl repeated her 220 yards performance and won over the last 40 yards. The time, 6 mins 10 2/5 secs, is several seconds slower than Miss Fanny Durack's time, and much slower than Miss E.Bleibtry's Australian record. During the evening, Sir W.McPherson presented Mrs Marston, President of the Ladies Swimming Association, with an Illuminated Address and a Gold Medal for "Live" Membership of the Association. He remarked that Mrs Marston had held every position on the Association. Miss Wehselan gave another fine exhibition of swimmin

The start was very even. The visitor, in her usual manner, was the first to get into action, and after swimming 100 yards had a lead of 20 yards. The Victorian girl and Miss Cauldwell were together, and M.Mealing was about 4 yards in the rear. At the 200 yards Miss Wehselau increased her lead to a good 25 yards, the other two swimmers keeping together. After the turn at 400 yards mark, Miss Wehselau had lapped the other competitors, but Miss Allen and Miss Cauldwell still stuck together. Miss Mealing was dropping further back. At the last turn both girls touched together, but the New South Wales girl finished

exceptionally fast and eventually won by 4 yards. The visitor had completed 440 yards and was well over a lap and a half to the good.

Respective times were; 6.10 2/5, 6.57, 7.0 2/5, 7.8.

CHAMPIONSHIP SWIMMING

The Victorian Ladies Amateur Swimming Association concluded its championship carnival at the Collingwood Baths on Saturday afternoon. The Mayor, the Councilors, and a large number of citizens were present to witness the various events. The Mayor, in extending a welcome to the visitors, said the citizens of Collingwood greatly appreciated the visit of so many champions, and he hoped future carnivals would also be held in the same baths. Mrs Fullard-Leo, in her remarks, said that the people of Hawaii loved Australians. Miss M.Wehselau also thanked the people for the wonderful time she had had. Mr H.A.Bennett, President of the Swimming Association, regretted that the public had not taken advantage of witnessing the two finest swimmers in the world in Miss D.Thompson and Miss M.Wehselau. Both these young girls held world records. Beryl Walpole, who last week won the 100 yards Championship of Australia and recently swam 68 seconds for the same distance, is only fourteen years old, and with tuition he prophesied a wonderful future for this young girl.

The main event on the programme was the 100 yards Back Stroke Championship of Australia. Miss Mealing (NSW) had no trouble in winning this event. New South Wales was successful during the carnivals in four Australian Championships, and Queensland was second, having won the Breast Stroke event. Miss M.Allen (Vic) proved herself the best Victorian girl swimmer in the Free Style events.

During the afternoon the visitor gave an exhibition of diving and swimming which received great applause. A diving exhibition by the Morris troupe of divers was greatly appreciated.

100 yards Back Stroke Championship of Australia - Starters, R.Straiton, D.Thompson (Qld), M.Mealing (NSW), M.Allen (Vic) - This was the first Back Stroke Championship held in Australia. The Council decided last year at its Conference to hold this event. The starters got away very evenly. Miss Mealing gained a fair lead up to the 50 yards turn and increased it after the turn, eventually winning by five yards. Miss D.Thompson was second, and Miss R.Straiton was third, Miss M.Allen was fourth. Respective times were - 1.26 4/5, 1.31 4/5, 1.35 3/5, 1.40.

100 yards Invitation Handicap - V.Pawley (NSW) 1, R.Straiton (Qld) 2, M.Mealing (NSW) 3. Won by two feet.

100 yards Championship of Victoria - Miss M.Allen holder - The visiting swimmer was the first to turn with a lead of ten yards. Miss M.Allen was second, two yards ahead of Miss E.Bostock, with Miss E.Collier about a yard behind. Miss Wehselau increased her lead eventually winning by twenty three

yards. The chief interest was centered on the local girls as the visitor is not entitled to honours. Miss Allen increased her lead gained up to the 50 yards mark and won by seven yards. E.Bostock was third and E.Collier fourth. Respective times - 1.6 3/5, 1.20, 1.26 4/5, 1.43.

VISITING SWIMMERS ENTERTAINED

The Committee and members of the Melbourne Swimming Club entertained the visiting swimmers to a picnic and swimming races yesterday at Half Moon Bay. The Half Moon Bay Swimming Club made the club house available for dinner and tea. A very large crowd of locals and visitors took the last opportunity of seeing Miss Wehselau give her last exhibition before leaving Melbourne.

SAM KAHANAMOKU SUCCESSFUL

Sydney March 5

At Wellington, in New South Wales, a carnival was held, to inaugurate the new swimming baths. "Sam" Kahanamoku (Hawaii), Frank Doyle, Joan Watts, Arthur "Baby" O'Connor, Les Duff, H.West, Miss B.Lovelace and Mrs Duff, well-known Sydney swimmers and divers, were present.

Kahanamoku defeated Doyle in the 100 yards Race in 58 3/5 seconds. Doyle's time was 60 seconds. Joan Watts swam 100 yards in 1 min 18 secs, "Baby" O'Connor gave an exhibition and created a furore.

The 100 yards Race, second class, was won by Wright in 1.27, the 100 yards, first class, by I.G.Rose, in 1.13 2/5, the 200 yards by Kahanamoku in 2.26, the 50 yards Breast Stroke by J.Thompson in 43 seconds, and the diving competition by Kahanamoku,

"COURIER" SHIELD ROYAL LIFE SAVING SOCIETY

There was a splendid attendance at the Ithaca Baths last night to witness the 14th Annual Carnival held by the Royal Life Saving Society. The "Courier" Shield attracted a large number of entries, and generally, taking into consideration the fact that most of the contestants were beginners, the displays were satisfactory. The 25 yards Breast & Back Stroke was well contested and resulted in a narrow win of about half a yard by J.Suosaari. Master Jack Venning gave rather a remarkable display of swimming, diving, and life saving for a boy of four. The acrobatic diving display by Harry Wann (NSW) and assisted by members of the Paddington L.S.C Team also attracted considerable interest.

Officials: Referee, J.Beck; Judges, J.J.Potts, Miss E.Venning, Lieut W,Hanlon (Physical Training Instructional Staff), H.Jones, J.C.Deeney, P.Jakeman (Mooloolabah), T.Prentis (Maroochydore), and F.Cafferty; Supplementary Judges, R.Graham, N.Potter; Timekeepers, J.Moylan, F.W.Springfield; Starter, J.C.Deeney; Call Steward, J.S.Halliday; Clerk of Course, J.Martin; Press Steward, E.Gillspie; Receiving Stewards, Major J.Murray, J.Daly; Hon Secretary, F.O.Venning.

RETURN OF LADIES TEAM

The team of Queensland lady swimmers which took part in the Australian Championships in Melbourne returned to Brisbane last night.

It had been intended that they should swim in Warwick, but owing to the rain the venture was abandoned. A large number of the members of the Q.L.A.S.A Council and affiliated Clubs assembled at the Central Station last night to welcome them home, and bouquets were presented by the Otter and Commercial Ladies Clubs to the Manageress, Mrs J.W.Stenhouse the Secretary of the Q.L.A.S.A, and to Misses D.Thompson, L.Venning and R.Straiton. The members of the Council present included Mesdames J.McGregor-Lowndes, F.W.Springfield, R.McGregor (and Miss McGregor) who is also Patroness of the Otter Ladies.

CLEAN BATHS - PROPOSAL TO FILTER
CITY COUNCIL APPROACHED

Recently, a report from the City Architect was received by the Ferries, Baths, Markets and Wharves Committee of the Brisbane City Council inviting consideration of a process which, it was said, during recent years had been largely adopted in England, and to a lesser extent in the overseas Dominions for the aeration, filtration and treatment of water used in public swimming baths. Stating that they were favourably impressed with the process, the Committee reported to yesterday's meeting of the Council that also it had received a quotation from the Electric Construction Company of Australia Limited for the installation of plant capable of regenerating the water in the new swimming pool now undergoing pre-erection at Wickham Street, Valley, once in every 7 3/4 hours.

The Committee stated that the claim by the inventor of the process was that

it would render the water at all times free from impurities and harmful germs or ingredients, and would produce bath water of sparkling transparency. "From a public health standpoint the process offers exceptional advantages, and the startling clearness of the water would not only be attractive to bathers, but would lead to minimise the risk of drowning accidents," the report stated.

The Committee recommended that the process be adopted and that the quotation submitted by the Electric Construction Company be accepted. The cost amounted to £3,750 in all, plus a sum estimated at £800 for housing. This amount exceeded the cost of the electric pumping station near Commercial Road and the connecting mains by £2,450, but as against the initial cost, it was estimated that the saving in maintenance accruing from the new process would amount to upwards of £450 each season, so the initial increased cost would be recouped by annual savings in a very few years. The extra amount involved in the project would be practically covered by the sum allocated for baths purposes under Loan "M N".

Alderman R.Long - "Had any report been made by our officer?"

The Deputy Mayor, Ald W.R.Crampton, said the London County Council that controlled two or three public baths had installed the process, and the present Council had cabled London seeking information on the point raised by Ald Long.

Ald P.McLachlan thought that before the Council adopted the report, it would be better to await a reply from London.

Ald H.R.Galston's point of view was that as Council had decided on a baths at Wickham Street, it should be as up-to-date as possible.

The adoption of the report was agreed to, subject to receipt of a favourable reply from the London County Council.

VALLEY CLUB'S CARNIVAL GRIER 100 YARDS CLUB CHAMPION

The Valley Swimming Club held its annual breaking-up carnival in the Booroodabin Baths last night. The principal event of the evening, the 100 yards Club Championship, was won in fine style by R.Grier who led all the way from Springfield, being about a yard ahead at the end of the first lap, and finishing three yards in the lead. Grier equalled the time of 58 3/5 seconds of the present holder, T.Boast, which is 3/5 seconds more than the Club record held by S.Negus. S.H.Springfield's time was 1.1 4/5. H.Milner won the 60 yards Junior Club Championship by about two yards from H.Kruck in 36 seconds. An exhibition of diving by Harry Wann and Lloyd Noble was greatly appreciated.

Q.A.S.A CARNIVAL
J.SUOSAARI PERFORMS WELL

The 100 yards Country Free Style Championship of Queensland was annexed by Joe Suosaari (Maroochydore) during the Queensland Amateur Swimming Association's annual Championship Carnival at the South Brisbane Baths last night. E.Colquhoun (Warwick), the previous holder, was second. The time, 63 2/5 seconds, was 1 1/5 better than Colquhoun's previous time.

The 500 yards Flying Squadron Club Teams Championship of Queensland resulted in a "swim over" for the holders, the Valley team.

H.Day (W.E) won the B.B.Kieran Memorial Interclub Handicap in 40 4/5 seconds. Last year's winner, H.King (Bundaberg), did not compete.

It was expected that S.H.Springfield (V) and J.Suosaari would provide an exciting race in the final of the 220 yards Interclub Handicap, but unfortunately Suosaari got off the mark before his time and was disqualified. A good finish between Springfield and Middleton was witnessed, however, Springfield just beating the latter to the board.

Results

100 yards Country Free Style Championship of Queensland - J.Suosaari (M'dore) 1, E.Colquhoun (War) 2, F.Devitt (War) 3. Time 63 3/5. All swimmers raced the first length in a line, Suosaari gaining slightly at the turn and led by about a yard from then to the finish. Devitt was another yard away, third.

250 yards Flying Squadron Junior Club Teams Championship of Queensland - 5 in a team, each to swim 50 yards - Valley (H.Milner, K.V.Sykes, H.Kruck, G.Corstorphan, A.Brelsford) 1, West End (Bris) 2, West End (Ips) 3. Time 2.47 4/5. Valley, the previous holders, established a big lead early and maintained their advantage throughout.

500 yards Flying Squadron Club Teams Championship of Queensland - 5 in a team, each to swim 100 yards - Valley (R.Grier, T.Boast, S.H.Springfield, S.Negus, W.Burnup) - the only entrant.

66 yards Junior Interclub Handicap - C Kettlewell (WE) 1, A Doyle (City) 2.

500 yards Flying Squadron Intercity Country Championship of Queensland - 5 in a team, each to swim 100 yards - Ipswich (R.Mullins, E.Elliott, C.Nunn, J.Hoffman, H.Lewis) 1, Warwick 2. Warwick led by about half a length at 300 yards, but their lead was greatly diminished and the last Ipswich man passed the Warwick swimmer in the final lap and won by about five yards.

Junior Neat Dive - Gibson (Com)

Senior Neat Dive - K.Petrie (Toowong)

66 yards B.B.Kieran Memorial Interclub Handicap - H.Day (WE) 1, J.Moores (WE) 2, E.Bonis (City) 3

220 yards Interclub Handicap - S.H.Springfield (V) 1, T.Middleton (S) 2, Coulson (SB) 3. Time 3.18.

THE VALLEY CLUB

The season just ended has been most successful from a swimming point of view as any in the history of the Valley Swimming Club. Besides winning the majority of Queensland Championships, two Australian Championships were also annexed by Club members R.Grier and S.H.Springfield. In members R.Grier, S.Negus, T.Boast and S.H.Springfield, the Club possesses a quartet capable of holding their own with any swimmers of their own particular class in Australia.

The following is the list of Championships won by members, and the names of members who secured places:

Queensland Championships - 100 yards, R.Grier 1, T.Boast 2, 58 2/5s; 220 yards, R.Grier 1, S.H.Springfield 2, T.Boast 3, 2.32; 440 yards, S.H.Springfield 1, R.Grier 2; 880 yards, S.H.Springfield 1, R.Grier 2, J.M.Collin 3; 1320 yards, S.H.Springfield 1, R.Grier 2, J.M.Collin 3; 1 Mile, S.H.Springfield 1; Senior Squadron, Valley Team (T.Boast, R.Grier, W.Burnup, S.Negus, S.H.Springfield) 1; Junior Squadron, Valley Team (H.Milner, H.Kruck, A.Brelsford, K.V.Sylow, G.Corstorphan) 1; 100 yards Back Stroke, T.Boast 1, R.Grier 3;

Australian Championships - Half Mile, R.Grier 1, S.H.Springfield 3; Three quarter Mile, S.H.Springfield 1.

The Club was also successful in several handicap events during the season, the most notable being the win by S.Negus, virtually from scratch, against the best 100 yards swimmers visiting for the Australian Championships in the Eric Pearce Memorial Race over 100 yards in 50 seconds, and S.H.Springfield who also annexed two handicap races of 220 yards after conceding big starts to his opponents.

SEASIDE BATHS
SWIMMING POOLS ON BEACHES
GREATER BRISBANE COUNCIL PROPOSAL

Reporting to yesterday's meeting of the Greater Brisbane Council, the Baths Committee stated that consideration had been given to the construction of swimming pools on the sands below high water mark on those beaches where the tide receded a considerable distance. Such pools would be bounded by concrete walls, filled and cleaned at each high tide, and would remain full when the tide receded. In the opinion of the Committee, the multiple cubicle bath house at Manly is the best type for use at the sea-side resorts, with substitution of fibrocement sheets for the roofing and the making of better partitions. The Committee recommended that this type of bath be adopted for future use at all sea-side resorts under the control of the Council, and that until such bath houses were erected, tentative permits only be granted for the erection of private bathing boxes on the beaches. The Committee said it had visited Wynnum, Manly, Lota, Cribb Island, Nudgee Beach and Sandgate, and had inspected the several bath houses, piers, jetties and foreshores. It recommended that it be instructed to prepare plans and estimates of the cost of making a swimming pool around the cubicles at Manly, and that until these are finished, the question of the wading pool be deferred. Both recommendations were agreed to.

OTTER LADIES CLUB

The following officers were elected at a meeting of the Otter Ladies Swimming Club last night, Mrs McGregor in the Chair: Patroness Miss J. McGregor; President, Mrs E.E. Biddle; Vice Presidents, Messrs Wallace Bishop, F.W. Nissen, C. Swensen, J.N. Devoy, E. Kee, Mrs Tait and Mrs Philips; Secretary, Mrs McGregor-Lowndes; Treasurer, Mrs C. Biddle;

Senior Handicapper, Miss L. Nichols; Junior Handicapper, Miss E. Long; Senior Captain, Miss R. Straiton; Vice Captain, Miss P. Stephens; Junior Captain, Miss J. McGregor-Lowndes; Vice Captain, Miss P. Jennings; Executive Committee, Mesdames E. Biddle, C. Biddle, McGregor-Lowndes, Roebuck, R. McGregor, Misses R. Straiton, L. Nichols, J. McGregor-Lowndes; Mesdames R. McGregor and Roebuck were appointed delegates to the Association.

The Club expressed the hope of Mrs McGregor-Lowndes speedy recovery.

Q.L.A.S.A. ANNUAL MEETING

At the 21st Annual Meeting of the Queensland Ladies Amateur Swimming Association held last night in the Royal National Agricultural Association's Rooms, it was decided a 100 yards Back Stroke Championship and a 220 yards Breast Stroke Championship be added to the list of Queensland Championships.

The Annual Report stated that the season under review had been the most strenuous since the formation of the Association, an International Carnival having been held (which unfortunately was not a financial success), and a team having been sent to Melbourne immediately afterwards. A Credit Balance of £19/10/- still remained, however. In view of the fact that the Australian Championships would be decided in Sydney in the coming season, an appeal was made to the swimmers to take up training in earnest, and to make an endeavour to place Queensland at the top of the free style as it was in the breast stroke.

On moving the adoption of the Annual Report, the President (Mrs J.P. Fry), also exhorted the members to make the forthcoming year a record one for Queensland. She was sure they had the talent here, and by continually striving to greater efforts they would eventually win through.

The following new Rule was confirmed:- "That every Club pay to the Q.L.A.S.A, in aid of the Australian Championships each year, a sum of £1/1/-, to be known as an Honour Debt. In the matter of the Club or Clubs from which the representatives are chosen, the Honour Debt will be increased to .£2/2/-."

Regret was expressed at the resignation of the Honorary Secretary, Mrs J.W.Stenhouse, after having held the position for three years. Miss Annie White was elected to the position for the ensuing year, and other officers were elected as follows:- Patroness, Mrs F.W.De Little; President, Mrs J.P.Fry; Vice Presidents, Mesdames C.Rees, J.McGregor-Lowndes, K.McKay, J.Gordon, Misses I.McGregor and M.Grant; Hon Treasurer Miss V.Murphy; Hon Handicapper, Mrs S.H.Newman; Advisory Board, Messrs D.S.Carter, F.W.Springfield, W.Kuder, H.Davis, L.Nissen; Auditors, Messrs W.Kuder and W.H.Duffy.

Mrs J.Gordon and Mrs J.W.Stenhouse were appointed Life Members of the Association.

Q.L.A.S.A. COUNCIL

At a meeting of the Council of the Q.L.A.S.A last evening, Mrs J.P.Fry (President) in the Chair, it was decided that, in future, representatives chosen to visit other States to take part in Australian Championships should be presented by their Clubs with Honour Blazers, and a pocket (with Association badge) to be presented by the Association.

The election of the Executive resulted - Mesdames McGregor-Lowndes, I.Cribb, Misses M.Turner, R.Brunnich, and G.Brown.

It was resolved that applications to hold State Championships must be in the hands of the Hon Secretary (Miss A.White), "Wilmalil", Milton Road, Milton, not later than noon on November 6.

The Mayor of Brisbane (Aid A.Jolly), who with members of the Baths Committee made an inspection of the work yesterday morning, hopes to have the new Municipal Baths, now in course of construction in Wickham Street, ready for opening at the end of January.

Q.A.S.A MEETING

The usual monthly meeting of the Q.A.S.A was held in the Y.M.C.A last night, Mr D.S.Carter Presiding. Delegates from South Brisbane, West End, Valley, City Pastime, Railway, Commercial and Federal Clubs and representatives of Toowoomba, Rockhampton, and Townsville, attended.

On the motion of Mr J.McKenzie, Townsville Delegate, it was decided that, in future, voting on notices of motion would be decided by a 2/3 majority,

instead of by a 3/4 majority, as in the past. A motion that an existing minute preventing Clubs from holding inter-club races of less than 100 yards distance, should be deleted, was proposed by Mr H.Davis, West End Club, and carried.

A letter received from the Commercial Club, Toowoomba, regarding the appointment of Mr Duncan Thompson, the professional footballer, as President of the Club, was given to the District delegate to deal with.

A letter was received from the Town Clerk of the Brisbane City Council announcing that the new baths in Wickham Street would be completed by the end of January. It was announced that a carnival would be held at the new baths, probably in the first week in February, the date depended on when the baths would be opened.

SURF LIFE SAVING
FRANCIS SHIELD COMPETITION BURLEIGH

The coveted trophy was won by the Tweed Heads/Coolangatta team with Kirra an exceedingly close second. The events of the competition comprised the march past, rescue and resuscitation, and an alarm reel event, and provided a severe test in all branches of life saving work. The personnel of the Tweed Heads/Coolangatta team was restricted to members who had not competed in Cup carnivals prior to 1925, the choice of other teams being unrestricted. Thirty five men participated in a spectacular march past and presented a very attractive appearance in their neat uniforms and splendidly equipped gear. The goose-step march peculiar to the life savers attracted considerable attention.

ASSOCIATION MEETING FINANCIAL POSITION

Representatives of the following Clubs attended a meeting of the Queensland Amateur Swimming Association held last night - Commercial, Valley, West End, South Brisbane, Railway Institute, Townsville, City Pastime, Toowong, Toowoomba Centre, Rockhampton, Gordon Brook and Bundaberg. The President, Mr D.S.Carter, was in the Chair.

Mr Lowndes, the recently appointed Treasurer, asked for an explanation of the financial position. The ex-treasurer, Mr L.Nissen, dealt with the various points raised and added that the position today, as far as he could see, was very little different than it had been when he was appointed Honorary Treasurer three years ago. Mr Lowndes said there was no imputation of improper conduct against anybody, he only wanted the position explained. The Chairman, Mr Carter, said it was very regrettable that the incident had occurred. After all, the only fault was the permission to include all the liabilities the Association had to meet in connection with the trophies.

TEAM TO THE WEST

The President announced that it would cost £70 per head to send less than six men to represent Queensland at the forthcoming Championship in Perth. The Association would not think of asking the men to travel second class on such a long journey. They must have every comfort on the trip. So far £53/11/7 had been collected for the purpose. Sporting bodies and others were being canvassed for subscriptions. Donations for the special appeal had been received from the following: Commercial Club £5, West End Club £3/3/-, Toowoomba Centre £2/2/-, F.W.Springfield £2, D.S.Carter £2/2/-, W.Courtney-Luck 10/-.

Correspondence had been received from the Australian Swimming Union notifying that Queensland's extra share for Sam Kahanamoku's trip was £2/6/4.

The South Australian and West Australian Associations had forwarded draft copies of the programmes for the Australian carnivals.

It was decided to hold a Junior Country Championship 50 metres race at the Association's carnival next February.

Q.L.A.S.A.

The monthly Council meeting of the Q.L.A.S.A was held last night, Mrs J.P.Fry presiding. The Commercial Swimming Club was given permission to stage a 50 yards Junior Championship at their weekly Club swim. Arrangements were made for the annual Q.L.A.S.A carnival to be held next Tuesday night, Jan 12, at the Ithaca Baths, when Miss Dorrie Thompson will be competing in the 220 yards Breast Stroke Championship. There are so many entries in this event that elimination heats are to be conducted, and these will be decided in the Ithaca Baths on Monday night. The first four competitors securing the fastest times will be placed in the final on the following night. Starters and Timekeepers are reminded to be in attendance on Monday night.

Another interesting event at the carnival will be the Flying Squadron Team Championship, the entrants including Valley, Commercial and Otter. Check Stewards will be appointed for this event to supervise the performance of each competitor. Miss G.Shelley was appointed Assistant Handicapper for the night. It was announced at the meeting that little Jack Venning, aged four years, would give an exhibition of swimming.

Q.L.A.S.A CARNIVAL
VALLEY'S TAKE FLYING SQUADRON
EASY WIN FOR MISS THOMPSON

The first championship carnival of this year arranged by the Queensland Ladies Amateur Swimming Association was held last night in the Ithaca Baths. There was a good attendance, and the competitors were only rivaled in their keenness by the "barrackers", particularly in the principal interclub event, the 220 yards Breast Stroke Championship of Queensland, contested for the first time, It resulted in an easy win for Miss Thompson, the holder of the 100 yards Queensland and Australian championships.

The Commercial Club, previous holders of the Flying Squadron Championship of Queensland, was unable to hold its title against a strong Valley team which finished first, with Commercial second and Otter third.

A creditable exhibition of swimming was given by little Jack Venning, five years of age, who displayed remarkable agility in the water for one so young.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs R.McGregor, J.Durston, V.Lowndes; Judges of Diving, Messrs D.S.Carter, F.W.Springfield; Timekeepers, Messrs E.J.Goodwin, J.Moylan; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Press Steward, Mr D.Skyring; Result Steward, Mr R.Burn; Clerks of Course, Messrs J.Whittington, R.Grier; QLASA Handicapper, Mrs S.H.Newman; QLASA Hon Secretary, Miss A.White; QLASA Hon Treasurer, Miss D.Murphy.

Details of results are as follows -

25 yards B Grade Junior Handicap - (Misses) D.Kulich 1, S.Johnson (V) 2, H.Day (WE) 3

220 yards Breast Stroke Championship of Queensland - D.Thompson (V) 1 V.Wetzel (Com) 2, D.Freney (Com) 3. Time 2.42 3/5. The race was never in doubt. Miss Thompson forged ahead from the start and was never extended. Swimming well within her means she finished comfortably, and had a length of the baths in the lead. A good tussle for second position took place between Miss Wetzel and Miss Freney, and the latter was pulling up well when Miss Wetzel reached the line half a yard ahead of her.

50 yards B Senior Handicap - P.Woodforth (Com) 1, M.McFarlane (O) 2, M.McDonald (V) 3

Flying Squadron Championship of Queensland - 6 in a team, each to swim 25 yards - Valley 1, Commercial 2, Otter 3. Time 1.33

50 yards A Grade Junior Handicap - E.George (Fed) 1, J.Smith (O) 2, E.Kelly (V) 3

WEST END CLUB'S CARNIVAL GRIER RETAINS TITLE

A good attendance marked the West End Amateur Swimming Club's annual championship carnival in the Davies Park Baths last night. The principal event was the 220 yards Championship of Queensland. The holder, R.Grier, successfully defended his title against T.Boast and J.Moores. In this event the race was uninteresting, only the three competitors starting, and only Grier and Boast finishing, in that order. Grier was hard pressed by Boast during to first two laps, but Grier was quicker on the turn and he gradually drew away from his opponent and won with about seven yards to spare. Moores dropped out at the third lap.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs D.Sunderland, R.McGregor, C.Saunders; Judges of Diving, Messrs F.W.Springfield, D.S.Carter, F.Ivett; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Timekeepers, Messrs J.Moylan (standard), F.W.Springfield, Les Nissen, V.Lowndes; Press Steward, Mr J.Durston; Result Steward, Mr N.Burn; Call and Costume Stewards, Messrs G.Budd, A.Robinson; Clerks of Course, Messrs T.Atkins, J.Montgomery; Handicap and Heat Stewards, Messrs C.Graham, E.J.Goodwin, S.A.Cairns; Hon Secretary and Post Entry Steward. Mr H.Davis.

TOOWOOMBA CARNIVAL

Tmba Jan 23

The Toowoomba Amateur Swimming Centre's Carnival at the City Baths on Saturday night was a successful function. The presence of the State's 100 yards champion, J.Bliss, and ex-champion, T.Boast, in addition to a number of other visiting swimmers, lent additional interest. The attendance was good. It is to be regretted that no swimmers from Warwick Centre were present. The winner of the Bracelet Handicap was G.Seip, and the successful nominator was Mr G.Barden. In the 100 yards Challenge Championship, Bliss's only opponent was T.Boast, the ex-champion. Bliss was leading at 66 yards when he ricked his foot, and Boast won by a narrow margin, The time was 60 1/5 seconds compared with the State record of 57 2/5. A feature of the evening was the diving of K.Petrie, the Queensland champion.

Results -

Beginners Race 12 yards - Boys - K.Helwin 1, Kingston 2
Beginners Race 12 yards - Girls - Rita Jefferson 1, G.Winter 2

LADIES 50 YARDS CHAMPIONSHIP

WON BY MISS P.CRUSE

The Ladies 50 yards Championship of Queensland was decided at the Arthur Street Baths, Spring Hill, last night, when Miss P.Cruse of the Commercial Ladies Club won the coveted title in a closely fought finish. Only 2/5 seconds separated her from Miss G.Brown. All swimmers got off the mark well, and there was no noticeable difference when they turned at the other end. Miss Cruse and Miss Brown were slightly in front a few yards from the finishing board and kept

closely together, touching almost simultaneously. For some seconds the spectators were under the impression that honours had been divided, but the officials and those nearer the finishing post did not fail to notice that Miss Cruse touched just ahead of Miss Brown in a time of 35 1/5.

Result - Misses P.Cruse (Com) 1, G.Brown (WE) 2, P.Freney (Com) 3.

CIVIC RECEPTION IN PERTH

Perth Jan 29

M.Christie and F.Carberry (NSW), E.Cormack (Vic), J.Suosaari and R.Grier (Qld), and R.J.Dillaway and Waite (SA), eastern swimming who have come to participate in the Swimming Championships to be held in West Australia, were given a Civic Reception by the Mayor of Perth, Alderman J.T.Franklin, today. Moss Christie, in responding, described the Crawley Baths in the Swan River as about the finest in the world.

AUSTRALIAN CHAMPIONSHIPS
220 YARDS HEATS

Keen interest was shown in the elimination heats of the 220 yards Free Style Championship of Australia which were conducted at the Clermont Baths yesterday morning in preparation for the final at tonight's carnival.

The starters in the first heat were - M.Christie (NSW), J.Suosaari (Qld), J.Hughes (WA), A.D.Howson (WA). At 100 yards Christie and Hughes were together with Suosaari slightly ahead of Howson. Hughes was showing a tendency to swing in on Christie, and going to the 150 yards post Howson came up with Suosaari. Nearing 200 yards Howson had improved his position considerably and Christie was clear of Hughes. Suosaari retired at 180 yards. Christie won by two yards from Hughes who just touched before Howson who had come up very fast over the last few yards. Times - M.Christie 2.30 $\frac{2}{5}$, J.Hughes 2.32 $\frac{2}{5}$, A.Howson 2.33 $\frac{2}{5}$. The difference between second and third times would appear to indicate more than a touch victory for Hughes, but the race finished on a rope which was considerably agitated when Christie passed over it and made it extremely difficult for the Timekeepers to accurately time the two placed men.

In the second heat E.W.Jones (WA), R.J.Dillaway (SA), R.Grier (Qld) and E.Cormack (Vic) formed the field. Grier was last away but he soon took the lead with Jones in close attendance. It was evident that Jones was nursing his injured knee as much as possible and was keeping a close eye on Cormack and Dillaway who were swimming together over the first part of the journey. Times for 100 yards were, Grier 63s, Jones 65 $\frac{1}{5}$, Cormack and Dillaway 68 $\frac{1}{5}$. Grier was not taking any risks and had a three yard lead at 200 yards from Jones who was well clear of Cormack. Dillaway was obviously well out of it. Coming off the turning board at this point Grier collided head on with Cormack, an unfortunate incident that seriously interfered with Cormack's time though it did not affect his place in the race. Grier finally won from Jones with Cormack third. The times were - Grier 2.31 $\frac{4}{5}$, Jones 2.33 $\frac{2}{5}$, Cormack 2.44 $\frac{1}{5}$.

As a result of the last heat, Christie, Hughes, Howson, Grier and Jones will fight out the final tonight, Howson gaining admission as the fastest third place.

TONIGHT'S CARNIVAL

The first of the three Championship Carnivals to be conducted at the Clermont Baths this week will take place tonight commencing at eight o'clock. Elaborate arrangements have been made to accommodate the large crowd which it is anticipated will be present. The two big title events are the 220 yards Free Style and the 100 yards Back Stroke Championships. Heats of the 220 yards Championship have already been conducted. A fine supporting programme will be staged. In the 100 yards Back Stroke Championship contest the competitors are R.Grier (Qld), E.W.Jones (WA), H.B.Steed (WA), J.Poole (WA), F.Carberry (NSW) and Moss Christie (NSW).

AUSTRALIAN CHAMPIONSHIPS
EASTERN COMPETITORS SUCCESSFUL

The first carnival of the local section of the Australian Championships was conducted by the Western Australia Amateur Swimming Association at the Clermont Baths last night, and despite a good sea breeze, drew a good crowd. The wind blew across the course making the water rather choppy.

The first event on the programme was the 220 yards Free Style Championship of Australia in which the following competed - J.Hughes (WA), R.Grier (Qld), M.Christie (NSW), E.W.Jones (WA), and A.D.Howson (WA). From an excellent start, at 50 yards Grier showed the way to Jones and Christie who were together. At 100 yards Grier had increased his lead and Christie was just ahead of Jones. Turning at 100 yards were Grier (60s), Christie (62 3/5), Jones (63), Hughes (64 4/5), and Howson (66). Grier was holding his lead and at 200 yards times were Grier 2.15 1/5, Jones 2.18 3/5, Christie 2.21, Howson 2.22, and Hughes 2.23 1/5. The Queenslander finally won convincingly from Jones whose final desperate effort made little impression on the leader. Christie was third, two yards behind Jones.

The 100 yards Back Stroke Championship of Australia was contested by J.Poole (WA), R.Grier (Qld), E.W.Jones (WA), F.Carberry (NSW), H.B.Steed (WA), and E.Cormack (Vic). At 50 yards Carberry was already leading and finally won easily. There was a great struggle for second place, Poole just getting home from Jones and Grier.

WEST AUSTRALIAN REPRESENTATIVES

Perth Feb 3

The Council of the West Australian Swimming Association has selected E.W.Jones as the all-round swimmer to represent the State at the Adelaide section of the Australian Championships. A request from the Clermont Club that

two of the Club's members, A.D.Howson and F.Stevens, be permitted to proceed to Adelaide at the Club's expense was agreed to, but they will not be officially recognised by the Association in South Australia. Stevens won the 220 yards Breast Stroke Championship of West Australia in the State record time of 3.14 4/5 without being extended.

AUSTRALIAN CHAMPIONSHIPS
MOSS CHRISTIE RETAINS 880 YARDS TITLE

Since it became known that Moss Christie, the well known New South Wales swimmer and holder of the 880 yards Free Style Title of Australia, was coming west to defend it in the present series of big events, local enthusiasts have been asking, "Can Jones beat him?" Jones has been our all-round undisputed champion for some years, and although he has lost two State Titles this season, he is still acknowledged our best long distance man. Last night at the carnival conducted by the Western Australia Amateur Swimming Association at the Clermont Baths all doubts were put at rest. In a stirring struggle Christie won by two lengths from Jones who gained many admirers by the magnificent struggle he put up against his vanquisher.

Although it was unpleasantly warm in the City, a cool breeze blew across the baths. There was a good attendance. His Excellency the Governor was an interested spectator, and he was accompanied by Major K.T.Nichol, and was welcomed by the Mayor of Clermont, Mr J.Hobbs, Sir Richard Waldie-Griffith M.L.A, Mr J.McCallum-Smith M.L.A (Patron of the Association), and Mr C.Bader (President).

The "Wingies and Stumpies" were lined up for their race as the Vice Regal party arrived, and His Excellency acted as Starter for the event.

The following fought the 880 yards Free Style Championship of Australia - M.Christie (NSW), E.Cormack (Vic), R.J.Dillaway (SA), R.Grier (Qld), E.W.Jones (WA), D.A.Howson (WA) and H.Taylor (WA). From a good start Christie went to the front and at 100 yards was just clear of Jones and Grier who were swimming together. Further back Cormack, Taylor and Howson were abreast of one another and Dillaway was beginning to fall back. Christie was evidently swimming according to plan and held his lead two yards ahead of Jones and Grier. At 400 yards Christie was three yards ahead of Jones who just got round ahead of Grier. Fifteen yards away Taylor was showing the way to Cormack with Dillaway well in the rear. Howson retired at 410 yards. The leader swam relentlessly on keeping a wary eye on Jones who was opening up nicely from Grier. Coming up to the 600 yards mark Jones began definitely to challenge Christie, and at 800 yards the holder turned only just in front of our representative. Grier was twenty yards away with Taylor and Cormack sixty yards behind the leader. Dillaway was a poor last. The spectators now rose to a man, and amid intense excitement the last grim struggle commenced. Could Jones get up? Many thought so. They were soon disillusioned. Turning at 850 yards Christie sprinted brilliantly, the climax of a very "heady" effort. Going into the last turn Jones responded immediately, but the New South Welshman won by three yards, a richly deserved victory. Grier was third, and after a ding dong tussle, Cormack took fourth place from Taylor. Dillaway finished a log way back. Times - Christie 11.44 3/5, Jones 11.47 3/5, Grier 12.33 2/5. The Australian record held by A.Charlton is 10.51 4/5. Christie's time during the race was - 100 yards, 66s; 200, 2.24 1/5; 400 5.7; 600, 7.54; 880, 11.44 3/5.

During the evening, F.Carberry, (NSW) who recently won the Back Stroke Championship of Australia. gave an impressive exhibition.

RECORD BROKEN
LADIES BACK STROKE CHAMPIONSHIP
MISS L.VENNING'S FINE PERFORMANCE

In winning the 100 yards Back Stroke Championship of Queensland last night, Miss Lily Venning of the Commercial Ladies Swimming Club broke the Australian record. She swam the distance in 1.22 $\frac{3}{5}$. The previous record was 1.26 held by Miss D.Thomson of the Valley Club who won the event last year. Last night's race was part of the Federal Ladies Club Amateur carnival held at the Booroodabin Baths before a large attendance.

There were four starters. Excitement was at a high pitch as three ladies neared the finishing board. Miss Venning reached there just ahead of Miss Straiton, with last year's winner, third. The times of the three were respectively - 1.22 $\frac{3}{5}$, 1.23 $\frac{2}{5}$, 1.26.

During the evening a 100 yards Challenge Relay Race between the Federal and West End Men's Clubs was held. The West End won. The swimmers were; West End, E.Kirk, J.Robinson, H.Taylor, R.Onley, and Federal, J.Grimes, R.Treleaven, G.Beransen, P.Georgeson.

IPSWICH CENTRE

A meeting of the Ipswich Amateur Swimming Centre was held on Wednesday, the President, Mr W.J.Johnston, presiding. The Secretary, Mr W.Lemass, detailed a conversation he had had over the telephone with Mr E.H.Mair, President of the Toowoomba Amateur Swimming Centre. The Centre was asked to discuss the question of inviting two New Zealand lady swimmers to Ipswich.

Though Toowoomba's proposal to do so had been turned down by the Q.L.A.S.A, Mr Mair was confident the combined invitation of Toowoomba, Ipswich and Warwick would warrant them coming to this State. He guaranteed carnivals run in connection with their visit against loss. Negotiations relevant to such a visit were left in the hands of the Secretary and President.

A motion of a previous meeting to hold a "Novelty Carnival" on February 27 was rescinded, as the event would clash with the opening of the baths in Brisbane. The matter was left in abeyance until matters in connection with the New Zealand swimmers was finalised.

Mr F.W.Lewis expressed the opinion that swimming on the previous relay night was deliberately "dead" by one of the Club's competing. Mr W.McNamara agreed with him and contended that that class of thing would give swimming

supporters a bad opinion of the sport in Ipswich. The Secretary said it was the Executive's own fault for not seeing to the election of permanent officials.

NEW ZEALAND VISITORS

The attitude of the Ladies Association at last night's meeting of the Council of the Queensland Ladies Amateur Swimming Association which was held at St Luke's Hall was to take exception to the action of Mr E.H.Mair, President of the Toowoomba Swimming Centre, in regard to the suggested visit by two girls from New Zealand. Mrs J.P.Fry, President, explained that the New South Wales Union offered the New Zealand girl swimmers to the Q.L.A.S.A conditionally on the Q.L.A.S.A paying the New South Wales Union £45, and paying all expenses in connection with the visit to Queensland. When the offer was made, the Q.L.A.S.A was considering ways and means of sending Queensland girls to Sydney for the Australian Championships, and the finances were in a low condition. In view of that, the Association was reluctantly compelled to decline the offer. At a subsequent date the Secretary received a private communication from Mr E.H.Mair asking for permission for Miss Stockley, one of the New Zealand girls, to tour Toowoomba Ipswich and Warwick. Mrs Fry instructed the Secretary to reply that the Council of the Association would consider the matter at its next meeting and request Mr Mair to forward all correspondence which had passed between him and the Sydney Union in respect of the proposed visit. Mr Mair had not done so. Mrs Fry said she took exception to Mr Mair's reported statement in the press that though Toowoomba's proposal had been turned down by the Q.L.A.S.A, he was confident that the combined invitation of Toowoomba Ipswich and Warwick would warrant a visit from the New Zealand girl swimmers, and that he guaranteed the carnivals against loss. The Council was the governing body and could not allow any individual to usurp its authority.

Mrs McGregor-Lowndes said she was against Mr Mair being allowed to handle the tour. It was a piece of impertinence on his part.

After further discussion Mrs Fry moved "That no individual can be recognised; that if application is made by the Toowoomba Centre or any affiliated Club it will receive consideration, and that in the event of permission being granted to any Centre or Club, a cheque must be forwarded in advance to cover any swimmers expenses; that any correspondence between an individual or Club and an Association in another State regarding interstate visits be informal, and that the recognised and proper channel is the controlling body of the State, in this case the Q.L.A.S.A, and that Mr Mair be informed to this respect.

The motion was carried unanimously.

QUEENSLAND REPRESENTATIVES

Miss Doris Thompson, Miss Lily Venning, and Miss Ruby Straiton together with Miss A.White as Chaperone and Miss M.Grant as Manageress were chosen to represent the State in the Australian Championships. It was also decided to open a "half crown fund" to assist in defraying expenses.

Miss A.White and Miss M.Grant were chosen to represent the Q.L.A.S.A at the Australian Conference. It was moved that the following Notice of Motion be sent to the Australian Conference, "That the distance in all championships be altered from yards to metres."

The Otter Club was granted permission to hold its annual carnival in the Ithaca Baths on March 7.

In view of the fact that the three best swimmers would be absent from Brisbane during the official opening of the new baths, it was decided to ask the Q.A.S.A to hold over the 220 yards championship to a later date.

Mrs Springfield tabled a scheme by which to raise funds for the Association. The scheme was to hold a carnival on the second Thursday of March each year, each Club to compete, and the Premier Club to hold a Cup to be known as the Springfield Cup. Owing to the late hour at which the scheme was tabled, it was decided to discuss it at the next meeting.

DIVING JUDGMENT
Q.A.S.A DISCUSSION

Notice of Motion was given by Mr A. Casey at the meeting of the Queensland Amateur Swimming Association held in the Anzac Club Rooms, Elizabeth Street, last night, "that the standard of judging adopted in regard to diving by the Australian Swimming Union should be put into operation in Brisbane." "Diving," he said, "was in a primitive condition in the State, mainly owing to a lack of a basis of judgment."

Mr Carter said the facilities for diving in the city were strictly limited. He did not favour the suggestion that new rules should apply at the opening of the new baths. These points were on a basis of highest points for difficulty of dives, and competitors would not have many opportunities of practising at the new baths before the carnival.

Permission was granted to the Railway Institute to hold a carnival in the Ithaca Baths on March 1. Some difficulty was experienced in arranging for the heats of the 80 yards Championship of Queensland as a round of entertainments had been arranged for the visitors and the Association did not like to interfere with these. Subsequently the meeting decided to hold the heats at 5.30pm on February 26 and the Secretary was instructed to inform the visitors of this fact.

AUSTRALIAN CHAMPIONSHIPS
CHRISTIE AGAIN SUCCESSFUL
SUOSAARI WINS 220 YARDS BREAST STROKE

The local section of the Australian Championships was brought to a close on Saturday afternoon when the Western Australia Amateur Swimming Association conducted the third carnival in the series at the Clermont Baths. The attendance was an improvement on the previous meetings and the spectators witnessed interesting and at times very exciting racing.

The following competed in the 1 Mile Free Style Championship of Australia - M. Christie (NSW, holder of the title), E.W. Jones (WA), A. Thompson (WA), R.J. Dillaway (SA), E. Cormack (Vic), H. Taylor (WA). The spectators, remembering the great tussle between Christie and Jones in the Half Mile Championship last Wednesday night, were not surprised to see them at once take the lead swimming stroke for stroke. At 100 yards they were already ten yards ahead of the other competitors who were bunched. At the 200 yards post the two leaders were about twenty yards ahead of Taylor who was just clear of Cormack, Dillaway and Thompson. Christie and Jones continued to draw away and at 500 yards it became evident they had the race to themselves. Thompson was falling back. At 600 yards Christie was a yard in front of Jones, with Taylor, Cormack, Dillaway and Thompson strung out. At 700 yards the title holder was clear of Jones with Taylor fifty yards away, ten yards ahead of Cormack and Dillaway who were vigorously disputing fourth place. Thompson was out of it but still struggled gamely on. Leaving the 900 yards the leader was five yards ahead of Jones and began to quicken his stroke. At 1,000 yards he was fifteen yards ahead of the local man and about seventy five yards ahead of Taylor who was lying third. At this point the two leaders lapped Thompson. The 1,300 yards mark found the New South Wales man fifteen yards ahead of his opponent. Soon after, the two leaders collided head on but got going again immediately. Taylor, who seemed inclined to ease at this stage, was spurred on by the spectators and kept his position well ahead of Cormack and Dillaway who were still having a keen tussle among themselves. At 1,700 yards Christie was sixty yards ahead of Jones and immediately began to increase his speed for the final burst. The leader spurted brilliantly over the last ten yards and finished about sixty yards ahead of Jones who was the same distance ahead of Taylor. Cormack finally proved too strong for Dillaway whom he beat for fourth place by twenty yards. Thompson finished a long way back.

The times were - Christie 24.24 4/5, Jones 25.19, Taylor 26.21 2/5, Cormack 26.37, Dillaway 26.50, Thompson 27.49 1/5. Christie's time last year was 25.14 3/5. Beurepaire's Australian record is 23.49 2/5, and Arne Borg's World record is 22.34.

The other title event in the programme was the 220 yards Breast Stroke Championship in which the spectators were eagerly anticipating a great struggle between Joe Suosaari, the title holder and Australian record holder, and our own champion F.W.Stevens of the Clermont Club. C.O.Waite, the South Australian, was competing for the first time, the competitors being - J.Suosaari (Qld), F.W.Stevens (WA), C.O.Waite (SA), G.Smith (WA). Before the start Suosaari expressed his intention of endeavouring to lower Stevens State record of 3.14 4/5. At 50 yards Suosaari and Stevens were together just clear of Smith and Waite. At 100 yards the Queenslander was a yard ahead of the Clermont man who was two yards ahead of Smith with Waite two yards further back. The 150 yards mark found the two leaders still struggling desperately with Suosaari being hard put to maintain his slight advantage. Stevens was now putting in his last biggest effort, but the leader proved too strong and won by a short two yards. Smith was five yards away, third, and Waite a poor fourth. Times were, Suosaari 3.11, Stevens 3.12 2/5, Smith 3.21.

Easily the most exciting event of the afternoon was the 500 yards Teams Handicap Relay Race for the Adelaide Tailoring Co Challenge Shield valued at thirty guineas and recently presented to the Association by Mr J.Glick. The Postal Institute Club had a start of fifty yards, but the race was eventually a triumph for the Handicapper. At 400 yards the Postal Institute representatives were five yards ahead of City No 2 with A.N.A and Clermont in apparently hopeless positions. W.Peacock was the last man for Postal Institute, C.Sullivan for City, and A.D.Howson and Yaentsch for Clermont and A.N.A respectively. Over the last fifty yards Howson and Yaentsch again proved their wonderful sprinting ability, closing on the City and Postal representatives. Yaentsch was the State record holder for 100 yards, but he found Howson just too good for him, the Clermont man again pulling his team out of the fire by a very narrow margin. A few yards covered the first four men. Result - Clermont (A.D.Howson, H.McKenzie, W.Oliver, L.Howson, H.Whittle) 1, A.N.A 2, City 3, Postal Institute 4.

Junior Handicap 100 yards - L.Bodis 1, R.Matson 2, R.Duncan 3

Ladies Handicap 100 yards - Misses M.Williams 1, M.Fenn 2, F.Beissel 3

Diving Handicap - H.Whittle 1, K.Highet 2, B.G.Challis 3

Open Handicap 100 yards - H.Boys 1, J.Cook 2, H.D.Palmer 3

Interstate Handicap 100 yards - F.Carberry (NSW) - the only competitor.

He swam over the course in 59 4/5 seconds.

HALF CROWN FUND LADY SWIMMERS AND AUSTRALIAN CHAMPIONSHIPS

Queensland has a good opportunity to capture a majority of the Australian Ladies Championships this month, provided a specially strong team is sent to Sydney. The representatives, three, have been selected, Misses L.Venning, D.Thompson and R.Straiton, each of whom is a champion over short distances. All have broken Australian records in time (recently 100 yards Back Stroke), and Miss Venning is also the holder of the State long distance championship. The funds of the Queensland Ladies Amateur Swimming Association, however, are low, and funds are needed at once to cover the cost of the trip as the representatives are due to leave next Saturday. The "Courier" in response to a request from the Association is opening a "Half Crown Fund". Donations should be forwarded to Miss A.White, Secretary Q.L.A.S.A, c/- Mrs J.P.Fry, J.P.Fry & Co Optometrists, Edward Street, and will be acknowledged in these columns.

BATHING COSTUMES

Letter to the Editor,

Sir,

I read in your papers the Brisbane City Council have come to a decision compelling double piece costumes to be worn by all bathers. Can you imagine the average young Australian, fond of the water, swimming enjoying himself hampered by a skirt? For that is what it amounts to whilst in the water. I wonder how many of the Council are in the habit of going to the seaside at the weekends for a day in the sun and the water and actually see these "immoral costumes", as they term them. Anybody who makes it his or her business to look for these things can always find them. Personally I fail to see anything immoral or ugly

in a girl with a one piece costume on, provided, of course, it is within the bonds of decency. I think the public would be much more grateful to the Council if they paid more attention to roads than to the unnecessary restrictions on people's dressing.

I am, Sir, "Mixed Bather"

Kangaroo Point.

BATHS AT NUNDAH
PETITION TO THE COUNCIL

At yesterday's meeting of the Brisbane City Council, Alderman F.W. Bradbury presented a Petition from 600 residents of Nundah for the formation of swimming baths in that town. The Mayor, "Where is the money coming from?" Ald Bradbury, "We look to you to provide it. We have plenty of water."

It was decided to submit the Petition to the Baths & Parks Committee for report.

WICKHAM STREET BATHS
OPENING CARNIVAL

The question of conditions for leasing the new baths in Wickham Street came up for discussion yesterday at the meeting of the Brisbane City Council when the Bridges & Ferries report was read. These baths are nearing completion, and an official opening has been arranged for Saturday February 27 when a carnival will be staged by the Queensland Swimming Association. The Committee has given consideration to the conditions under which the baths shall be leased in connection with carnival events, and following on a discussion with the President of the Swimming Association, recommended that a tentative arrangement should be entered into with the Association to provide for payment on a proportional basis of gross receipts, 33 1/3% to the Council, 66 2/3% to the Association, the later to bear all expenses incidental to the carnival.

The report was adopted.

RECORD PASSED
SWIMMERS IN CONFERENCE

Adelaide Feb 10

Delegates from all the States except Tasmania attended the Conference of the Amateur Swimming Union of Australia today. Mr J. Taylor (NSW) presided. The delegates were - Mr L.E. Duff (NSW), E.W. Jones (WA), H.R. Kelly (NSW) Secretary, H.A. Bennett (Vic), J.W. Carver (Qld), H.N. Smyrk (SA).

A letter was tabled from H.E. Fern, Secretary of the Amateur Swimming Association of Great Britain, and it was decided to advise him that the Australian Union was extremely in accord with the policy of having an English speaking representative on the Federation, but as the Secretary was an English speaking person, no action was deemed necessary, and the Australian Union was not in favour of cutting adrift from the Federation.

F. Doyle's Australian record of 51 1/5 seconds in the Domain Baths, Sydney, on January 16 was passed as a record by an Australian performer. It was resolved the 3/4 Mile Championship be deleted from the Australian Championships. A motion to delete the 440 yards Breast Stroke Championship was negatived. Standard times were altered to - 100 yards, 58 secs; furlong, 2.35; 440 yards, 5.40; 880 yards, 12.00; 1 mile, 28.30; 100 Breast Stroke, 1.16; furlong Breast Stroke, 3.15; 440 yards Breast Stroke, 7.10.

Mr Bennett was elected a Vice President.

SWIMMING TEST

The swimming test for the finalists in the 100 yards Australian Championship tonight, resulted -

First Heat - A.Grier (Qld) 57 4/5, Doyle (NSW) 58

Second Heat - F.Carberry (NSW) 60 1/5

Third Heat - M.Christie (NSW) 60.

Being the fastest second, Doyle was eligible to start in the final. The Australian champion drew a bad position, and the lights of the large window shining on his face disadvantaged him, and he was beaten by a touch.

The Australian Championship contest begins tonight at the City Baths.

GRIER BEATEN
PROTEST LODGED
J.SUOSAARI A WINNER
Adelaide February 11

The Australian Championship swimming carnivals were decided in the Adelaide City Baths tonight in the presence of 1200 people, amidst great enthusiasm. Interstate swimmers and divers competed. In the 100 yards Championship of Australia the heats on Wednesday night left F.Doyle, F.Carberry, M.Christie (NSW), and R.Grier (Qld) to contest the final. From a splendid start Christie had Doyle, Grier and Carberry on his right. In the first lap Doyle led by a yard, but when he led by a yard and a half he bore to the right and hampered Grier. There was a wonderful finish where got the verdict by a touch from Grier who was a touch ahead of Carberry. The time, 57 2/5, equalled Norman Ross record in February 1920. Grier protested on account of alleged interference, and the hearing was adjourned until Friday.

In the 1/4 Mile Breast Stroke Championship of Australia J.Suosaari (Qld) led early in the race, and he increased his advantage to eighteen yards at the finish. His time was 7.4. Stevens (WA) was second 7.23, and Waite (SA) third 7.24 2/5.

The Ladies State Championship resulted in a win for Miss Merle Ridgway in 1.19 1/5 - a State record.

The South Australian Amateur Club won the Teams 300 yards Championship. Time 3.19.

RE-SWIM 100 YARDS CHAMPIONSHIP
GRIER'S PROTEST SUCCESSFUL

The Referee of the South Australian Amateur Swimming Association, Mr T.H.Bowright, decided that a re-swim of the 100 yards Championship be held. No date or time has been fixed in view of the 440 yards Australian Championship requiring elimination heats. Doyle, of New South Wales, won the contest on Wednesday night, but Grier (Qld) protested against the decision. The Referee's action was endorsed by the governing body in South Australia.

SWIMMING - THE CHAMPIONSHIPS
SOUSAARI WINS 50 YARDS FLYING
GRIER IN FINAL OF 440 YARDS
Adelaide Feb 13

The second series of swimming and diving contests were held in the Gilberton Bathing Reserve on Saturday afternoon, there being a large attendance. The two features were the Australian Diving Championships and the Australian 3/4 Mile Free Style Championship which was swum for

the last time, the contest having been deleted from the list of Australian Championships at the Conference held in Adelaide last week.

Clive Barrass (NSW) gave a pleasing and spectacular display of diving and won from J.Fowler (WA), T.H.Morris (Vic) and the local champion, Samson. The diving all round evoked applause and the winner was considered the future representative to the Olympic Games.

Moss Christie easily led the 3/4 Mile, his time being 18 minutes 5 seconds, his best for the straight out swim, though he did better time in the intermediate when previously swimming the mile. Jones (WA) was second and Cormack (Vic) third. Howson (WA) also started.

Joe Suosaari swam cleverly in the heat, semifinal and final of the 50 yards Flying Handicap. He began by winning his heat in 29 4/5, then he won the semifinal in 27 2/5, and finally defeated the Starter's (Harry Bridgland) son (Walter), a most promising Junior, in 27 seconds, making his third handicap victory of the tour. Frank Doyle won his heat in 25s, being 2/5s slower than Bill Harris record in the same pool in 1923.

Miss Merle Ridgway, who won the State 100 yards Free Style Championship at the first gala, won the Breast Stroke Championship yesterday in 1.37, and R.J.Dillaway took the furlong State honours, beating McClinchy in 2.50 1/5.

ARRANGEMENTS ALTERED

The trouble over the 100 yards Australian Championship has upset the arrangements, and the governing State body has decided to re-swim the contest on Monday night, the final gala. This necessitated the heats of the 440 yards Championship being swum in the City Baths on Sunday morning at 11 o'clock, prior to the trip to Port Noarlunga in honour of the visitors. There were seven entrants and three heats were swum, Grier (Qld) swam at his leisure and defeated Cormack (Vic) in 6.2 2/5. Christie (NSW) beat Howson (WA) and Sousaari (retired) in 5.57 2/5, and Jones (WA) led Dillaway throughout in 5.52 4/5, The final swims will take place at 12.30 on Tuesday. Howson, who was second fastest in his heat, will contest the final.

Considerable discussion took place during the weekend concerning the 100 yards re-swim. L.Duff (NSW) and J.W.Carver (Qld) wired their grievances to the daily papers, but it is generally considered the protest by the Queensland Manager is quite in order. Admittedly Doyle swam final few yards in Grier's area on Thursday night, but the Referee, Mr T.H.Bowright, erred in not ordering a re-swim without conferring next day. The Referee is the sole arbiter on foul swimming, and his dilatoriness has landed the Association in all sorts of trouble, and has given rise to harsh comments by swimming enthusiasts. The Association endorsed the Referee's decision for a re-swim after going further into the matter and made this known on Saturday night to the Press.

NEW ZEALAND GIRLS Q.L.A.S.A AND MR MAIR

As announced in the "Courier" a few days ago, the Q.A.S.A decided to inform Mr E.H.Mair of Toowoomba, who it had been reported was endeavouring to arrange a visit by two New Zealand lady swimmers now in Sydney, and had approached Ipswich and Warwick, that it would not recognise an individual. The Association, in accordance with its resolution, telegraphed to Mr Mair that no individual could be recognised, and that only applications from a Centre or affiliated Club could be considered, and if approved, a cheque to cover the necessary expenses must be lodged in advance with the Association through whom all negotiations for Interstate visits must be conducted. As Mr Mair had not given his Sydney address to the Association, the telegram was dispatched c/- Mrs Chambers, Hon Secretary of the New South Wales L.A.S.A, but the telegraph authorities advised yesterday that Mrs Chambers had declined to take charge of the wire. It is understood that the Queensland Amateur Swimming Association is supporting the Q.L.A.S.A in its attitude.

NEW ZEALAND LADIES TOUR
DISCUSSIONS AT IPSWICH

Ips Feb 14

The action of the Q.L.A.S.A in disallowing two New Zealand lady swimmers to visit Ipswich Warwick and Toowoomba was the cause of a long discussion at a meeting of the Ipswich Amateur Swimming Centre delegates on Thursday, Mr W.J. Johnston presiding. The Secretary, Mr W. Lemass, pointed out that Mr E. Mair had informed him that his power of representation in the matter in Sydney was restricted to Toowoomba, the other two Centres having to act independently. Mr Lemass also reported on an interview with the President of the Q.L.A.S.A. Mrs J.P. Fry. He was impressed that she thought that because the Brisbane Centre had no desire to entertain the visitors, the same thing should apply to other Centres. The Q.L.A.S.A had decided not to allow them to visit any of the Centres. Should any of the three Centres invite them, visits to these cities by Brisbane Ladies would be called off if they would meet with the visitors there. Each of the three Centres would have to find from £20 to £25 to finance such a visit. He considered that the matter of the investigations should have been put before the controlling body, the Q.A.S.A, not the Q.L.A.S.A that was only affiliated with it.

Mr D. Evans thought that if the Centre defied the instructions of the Q.L.A.S.A in this matter, they might have to put up with trouble in the future. Mr Lemass pointed out that he had assured Mrs Fry that his Centre would not act without the sanction of the Association.

The Chairman assured delegates that Mr Mair's guarantee against losses on all carnivals held in connection with the New Zealanders visit did away with all fear of loss. He considered the Q.L.A.S.A lacked courtesy in not asking the other Centres if they desired a visit from the ladies. Because Brisbane did not want them, others would have to put up with it. The action regarding Brisbane swimmers was "cattish".

It was decided to wire Mr Mair in Sydney that Ipswich would co-operate with the other two Centres if permission was gained from the Q.L.A.S.A to entertain a visit.

DOYLE WINS A HARD SWIM
GRIER BEATEN BY A FOOT

Adelaide Feb 15

Another record crowd attended the City Baths tonight. There was a great enthusiasm over the 100 yards Championship owing to the protest by Grier (Qld) against Doyle (NSW) who won by four inches on Thursday night. The reason was alleged interference a few yards from the finish. Christie did not swim. He is in good form and keen on winning the 1/4 Mile Free Style Championship tomorrow at 12.30pm. Grier and Jones will probably provide strong opposition.

Three competitors entered the 100 yards Championship, Doyle, Grier and Carberry. A splendid start was affected. Doyle was in wonderful form and turned a yard and a half ahead of Grier who was fast around but did not possess the same dash as the leader. Doyle turned nearly two yards ahead at 66 yards. Grier set out after him with powerful strokes and almost succeeded in winning the title. The touch bar was a yard or so too close for him and he just failed, the margin being one foot. Carberry was a bare half a yard away, third. After comparing watches, Doyle had taken 2/5 secs longer than his original swim, his time being 58 secs. Grier took 58 1/5, and Carberry 58 2/5. Both the first and second were accorded splendid ovations.

Gordon McClinchy, who swam in Victoria last year, improved wonderfully, breaking his time each week. Tonight he won the 100 yards State Championship in 61 secs, beating a record for a South Australian swimmer. Miss M. Ridgway won the furlong Free Style Race in 3.37, and C. Waite retained the 100 yards Breast Stroke in 1.21. E. Cormack (Vic) won the 66 2/3 yards Open Handicap.

GRIER BEATEN IN QUARTER MILE RACE MILE
Adelaide Feb 16

The Quarter Mile Free Style Australian Swimming Championship was contested at the City Baths at midday today. The contestants were - E.W.Jones (WA), M.Christie (NSW), and R.Grier (Qld).

Christie led at 100 yards (covered in 1.5 2/5) and at 200 yards the time was 2.21 2/5. Jones then passed him and took command at 300 yards (3.41), at 400 yards (5.1 3/5), and at 440 yards 5.32 3/5. Christie was beaten by a yard and a half, his time being 5.34 3/5. Grier was fifteen yards away, third, in 5.40.

Doyle attempted to beat Norman Ross unofficial time. Doyle exhibited great dash, covering one lap in 15 2/5 secs and finished the short course in 36 secs. (? 66 2/3 yards. Ed) The large crowd present cheered the Australian champion.

Joe Suosaari (Qld) then attempted Sid Pearce's local 100 yards Breast Stroke record of 1.19, established in 1920. The Queenslander swam splendidly and beat the record by three seconds.

Frank Carberry went out to beat Keith Kirkland's 100 yards Australian Back Stroke record of 1.12 4/5. Slow at the turns, he finished in 1.13 3/5.

The New South Wales team, excepting Christie, left today for the Broken Hill carnival in charge of the Manager, Mr L.Duff.

Q.L.A.S.A AND NEW ZEALAND SWIMMERS

To the Editor,

Sir,

I was very much interested in the report of the discussion that took place at the meeting of the Ipswich Amateur Swimming Centre last Thursday night concerning the New Zealand ladies swimming tour. According to the report, Mr Lemass, the Hon Secretary, seemed firmly convinced the Q.L.A.S.A was actually against these ladies visiting Queensland. Nothing could be further from the facts, and you have my assurance that Mr Lemass's impression is quite incorrect. The Q.L.A.S.A, which is by no means a dilatory body, was striving hard to get funds to send a team of lady swimmers to compete at the Australian Championships now being held in Sydney. From their previous record in championship races, the three ladies who have been sent to Sydney by the Q.L.A.S.A to represent the State were well worthy of the efforts put forward to send them. It is always nice to remember that charity begins at home, and that the welfare of Queensland lady swimmers is the first consideration.

Each of the Centres, it now seems, was prepared to donate f20-25 for the honour of bringing the New Zealand girl swimmers to Queensland. Where they have erred is in not making it known officially to the Q.L.A.S.A at an earlier date. Belated though it may be, I feel quite sure the Q.L.A.S.A would be pleased to receive the assurance that the cost of bringing these girls to Queensland will be guaranteed. I, for one, am pleased to know that Ipswich is in such a good financial position, as one usually hears the question asked with repeated monotony at the various swimming carnivals, "Did you get your trophy from Ipswich yet?" and with corresponding monotony the reply, "No". These trophies are overdue for nearly two years, so I really wonder who lacks the most courtesy, and is it not "cattish" on the part of the Ipswich Amateur Swimming Centre not to forward the Open Orders or Trophies to the swimmers who have won them at carnivals, after swimmers have been put to the expense of travelling to Ipswich to compete in them? Is Ipswich really trying to raise the dust off its own doorstep to make a dust screen to hide the state of affairs there at the expense of the Q.L.A.S.A?

I am, Sir,

Jean McGregor-Lowndes.

QUEENSLANDER'S BAD LUCK
MISS THOMPSON ILL

Mr Venning has received a telegram from Mrs Venning, who is accompanying the Queensland lady swimmers on their southern tour, to the effect that Miss Dorrie Thompson, the champion swimmer, is confined to bed in Sydney suffering from dengue fever and is being attended by a doctor. The Queensland ladies team has therefore been scratched from the Relay Championship of Australia. Mrs Venning also is ill.

LADIES CHAMPIONSHIPS
Sydney Feb 17

Great interest is being taken in the Australian Ladies Swimming Championships which will commence on Saturday. Competitors have arrived from Victoria, Queensland, and New Zealand, and today they were accorded a Civic Reception by the Deputy Lord Mayor, Alderman McGuinness. Special references were made to Miss Ena Stockley, the New Zealand sprint champion, who is regarded as one of the finest woman sprint swimmer to visit Australia.

QUEENSLAND CHAMPIONSHIPS
IPSWICH REPRESENTATIVES
Ips Feb 19

At a meeting of the Executive of the Ipswich Amateur Swimming Centre held in the Rugby League Rooms last night, it was announced that the swimmers to represent Ipswich in the Queensland State Country Championships to be held at the official opening of the new baths at Booroodabin on February 27 will be as follows - 100 metres Country Championship of Queensland, R.Mullins, L.Elliott; 50m Junior Country Championship of Queensland, J.Corbett, D.Greddan, J.Owens; 100m Ladies Handicap, Misses A.CAMPbell, N.Wallace, G.Speed (Miss A.Williams was selected but was not available); 50m Junior Ladies Handicap - Misses M.Harding, B.Choppin, J.McNamara. The C.Y.M.S.Club has entered the following team to compete in the 250m Junior Flying Squadron Country Championship of Queensland - J.Corbett, C.Coskett, D.Greddan, J.Owens, W.Campbell, with S.Hoffman as emergency.

The Secretary, Mr Lemass, said he has had a conversation over the phone with the Secretary of the Warwick Association, Mr Fitzgerald, regarding the proposed visit of the two New Zealand ladies to Queensland. He was advised the Warwick Centre was quite willing to co-operate with Ipswich and Toowoomba and share in the expenses, subject to the approval of the Queensland Ladies Amateur Swimming Association. Toowoomba had been written to on this matter, but no reply had been received.

It was decided to hold the Ipswich and West Moreton Teams Championships on Thursday next and individual Championships on March 5.

Letter to the Editor,

CRUCIFIXION OF AMATEUR SWIMMERS
THE BANE OF BETTER SWIMMING

Sir,

Perusing the columns of your paper I noticed in the report of the Baths Committee of the City Council that the cost of hiring the new baths for the carnival to be held on to 27th inst would be 33 1/3% of the gross takings. This appears to be an extortionate charge, and as the Q.A.S.A is not exactly flush with funds (it started the present season £119 in debt), it is, to say the least of it, a bit of an imposition. The usual fee for hiring any of the metropolitan baths was £2/2/-, and as the new baths are certainly considerably larger, the charge could have

been made £5/5/-, with which few would cavil at. Several caustic comments have been passed about the cost of the hire of the Royal National exhibition ground, but the City Council has certainly put up a record. The main extra of the carnival was to raise sufficient funds to be put in trust for next season to enable Queensland to be suitably represented at the next Australian Championships to be held in Melbourne and Hobart. The performances of Reg Grier and Joe Suosaari have caused the Executive to do its utmost in an endeavour to attain this result, and the announcement of the Council that this charge is to be made, comes as a bombshell. It is to be hoped the Executive makes a strong protest against such an exorbitant charge and is successful in raising sufficient funds to meet its requirements.

LADIES CHAMPIONSHIPS
NEW ZEALANDERS SCORE

Sydney Feb 20

The outstanding event of the Women's Championship Swimming Carnival held at the Domain Baths today before a good attendance was the success of the fleet New Zealanders Miss Ena Stockley and Miss Piri Page. Miss Stockley's time in winning the 100 yards Australian Championship (1.9) was three seconds outside the Australasian record set by Miss M.Wehselau. Her compatriot, Miss Page, finished a close second and her time was only 2/5 sec behind the new title holder's. Miss Pawley flattered New South Wales and her supporters over the first 50 yards with a great burst of speed, which unfortunately for her she was unable to sustain. Her time was 1.11 1/5. Interference from another competitor spoilt any chance Miss Venning (Qld) might have had.

A record was broken in the 300 yards Teams Championship when the three New South Wales ladies outdistanced the Victorian ladies by at least twenty yards and beat the record time by 12 2/5 seconds. Miss Pawley (NSW) established a ten yards lead over the first length from Miss Allen (Vic), and over the final stretch Miss Robertson (NSW) had eleven seconds start and won handsomely. The time was 3.36. Queensland did not compete in the 300 yards Championship.

G.Stone (Qld) won a heat in the 50 yards General Handicap but was unplaced in the final.

The Diving Championship provided an interesting event in which the grace and skill of the holder, Miss E.Robertson, was unrivalled. By a good margin of points she again secured the Championship. Diverting displays were provided by a group of male divers, and the men's section of the Association also staged an exhibition of water polo.

There were heavy entries in the minor events. In the 50 yards General Handicap no fewer than 16 heats and 3 semifinals were required. In the Tiny Tots Handicap 6 heats were required. Entries in the 100 yards General Handicap necessitated 15 heats.

Results -

50 yards General Handicap - R.Driscoll 1, R.Corcoran 2, M.Corcoran 3

33 yards Tiny Tots Handicap - E.Reynolds 1, G.McIntosh 2, B.O'Connor 3

100 yards Championship of Australia - Holder B.Walpole (NSW) - Event won by Miss Marischen Wehselau 1925 in 1.6 1/5 - Australian Record 1.11 1/2 by Miss Fanny Durack - Misses E.Stockley (NZ) 1, P.Page (NZ) 2, V.Pawley (NSW) 3, E.Robertson (NSW) 4, F.Mealing (NSW) 5. Won by a foot with a yard between second and third. Time 1.9. The order of starters on the board from the right were - M.Allen (Vic), P.Page (NZ), V.Pawley (NSW) E.Robertson (NSW), E.Stockley (NZ), L.Venning (Qld), F.Mealing (NSW). An excellent start was affected with Miss Pawley immediately taking the lead. She was acclaimed a winner at 50 yards, but soon it was apparent serious opposition would come from Miss Page and Miss Stockley. Only a foot separated the two New Zealanders at the finish. Miss Pawley was a good yard away, third. Miss Venning, the Queensland competitor, and Miss Healing (NSW) struck trouble at the start having had to swim without dividing ropes, and their chances, whatever they may have been, were nullified. Miss Venning finished last.

50 yards Junior Championship of N.S.W (16 years and Under) - J.Abbott (Manly) 1, J.Watts (Sydney) 2, C.Mclver 3 Time 32 secs, won by a touch.
300 yards Teams Championship of Australia - N.S.W (E.Robertson, F.Mealing, V.Pawley) 1, Victoria (Kay, Allen, White) 2
Diving Championship of N.S.W. - E.Robertson 1, I.Cooper 2, S.Keats 3
100 yards General Handicap - E.Oliver (N Bondi) 1, M.Abbott (Syd) 2, I.Cummins (NSW) 3 Won by a touch.
100 yards Dual Scratch Relay Race - C.Cauldwell & J.Barrett (NSW) 1, P.Page (NZ) & A.Barry (NSW) 2, E.Stockley (NZ) & W.Cook (NSW) 3.

"FINEST IN THE STATE"
WINDSOR SWIMMING POOL

What is regarded by the Mayor of Brisbane (Alderman W.A.Jolly) as the finest and largest State School swimming pool in Queensland was officially declared open before several hundred persons at the Windsor State School on Saturday afternoon. The baths are the second largest in Queensland, the new Municipal Baths, alone, eclipsing them. They are 100 feet long and 30 feet wide and are constructed of concrete. On one side are spacious dressing rooms, but these are temporary structures, and it is hoped at a later date to build separate dressing rooms and showers for boys and girls. Water to fill the baths is obtained from street mains. Depths range from 3 feet to 7 feet 6 inches, the deepest part being immediately beneath the end of the diving board. The opening ceremony was performed by the Mayor who was introduced by the Chairman of the School Committee, Mr G.H.Barker.

STATE SCHOOL BATHS
EXTENSIONS AT WOOLLOOWIN

The opening of the additions to the Woolloowin State School baths was performed by Mr Chas Taylor M.L.A on Saturday afternoon. The Mayor and Mayoress of Brisbane (Ald & Mrs W.A.Jolly) and Ald and Mrs T.Prentice were also present. The visitors were welcomed by Mr J.A.Atherton, a member of the School Committee. The original pool was erected some years ago, and later it was found to be inadequate owing to the enormous increase in the number of pupils attending the school, there now being over 1,100 on the roll. The additions to the pool cost £45, and this debt was wiped off prior to the opening.

IPSWICH SWIMMING CENTRE

Sir,

Kindly allow me space in your valuable paper to reply to a letter under the signature, Jean McGregor-Lowndes, which appeared in last Wednesday's edition of the "Courier".

Your correspondent states she repeatedly hears the question among the Brisbane swimmers, "Have you received your trophy from Ipswich yet?" always hearing to same answer, "No." May I be permitted to use a vulgar phrase in saying that Jean McGregor-Lowndes has only opened her mouth to put her foot in it. As a prominent official of the Q.L.A.S.A, why has she not brought this matter before the proper authorities (in this case the Q.L.A.S.A) who surely have made an endeavour to have these overdue trophies forwarded.

Up to date, I, as Secretary of the Ipswich Amateur Swimming Centre, have received no official intimation that this Centre owes any trophies to Brisbane swimmers. Furthermore, I can vouch for the fact that during my four years as Secretary of the I.A.S.C, we have discharged all our obligations in regard to trophies or open orders won at any carnival controlled by the I.A.S.C. Perhaps a little advice to Jean McGregor-Lowndes would not go astray. Make sure of your facts before rushing into print. With regard to my reported statement i.e. that the Q.L.A.S.A was against the New Zealand ladies visiting Queensland, I can assure your correspondent that I was wrongly reported. What I stated at the meeting was that I did not think we could expect any assistance from Brisbane swimmers, owing to Mrs Fry, the President of the Q.L.A.S.A, informing me that in the event of Mr Ern Mair bringing New Zealand ladies to

Queensland, the Q.L.A.S.A would possibly debar any Brisbane girls from competing at carnivals arranged for them.

In my opinion, the Q.L.A.S.A blundered when they turned down the visit of the New Zealanders without consulting the country centres. If it had not been for the enthusiasm displayed by Mr Mair, we would have remained in blissful ignorance of the fact that the overseas visitors had been offered to Queensland.

This Centre has gone to a lot of trouble to popularise the sport here, and we felt that a visit from such a noted swimmer as Miss Stockley would have given a big boost to swimming amongst the fair sex.

In conclusion, I think Jean McGregor-Lowndes owes the Centre an apology for the mis-statements in her letter, and if she is the sport she claims to be, she will send it along.

I am, Sir, W.Lemass

Hon Sec I.A.S.C.

P.S. We are still anticipating a visit from the New Zealand ladies.

NEW ZEALAND LADY SWIMMERS
Q.L.A.S.A AND TOOWOOMBA

At a meeting of the Executive of the Q.L.A.S.A to consider the application of the Toowoomba Amateur Swimming Centre requesting permission to arrange a visit of the New Zealand lady swimmers Misses Stockley and Page, the following motion was carried unanimously -"That the application of the Toowoomba Swimming Centre to obtain a visit to Toowoomba from the New Zealand lady swimmers Misses Stockley and Page be granted subject to the immediate payment of a cheque for £45 to cover payment to the Swimming Union, and a further cheque to cover the cost of hotel accommodation and all other expenses in Toowoomba for the two swimmers and a chaperone. Immediately on receipt of these cheques the Association will communicate with the Swimming Union to arrange the trip. It is understood, of course, that if the Ipswich and Warwick Centres also apply for a visit to these cities by the visitors during the tenure of the trip, that a pro-rata refund be made to the Toowoomba Centre."

Mrs J.P.Fry, President of the Association, stated that this was the first application that had been made to this Association by an affiliated Centre or Club in connection with the New Zealand lady swimmers coming to Queensland. It was received on Saturday morning. No application had been received from Ipswich or Warwick, but the Association was considering the applications that might arrive. The Q.L.A.S.A had arranged all visits of Interstate and International lady swimmers for many years past, but the financial position of the Association was not strong enough to meet the expense of a visit by the New Zealand lady swimmers to Queensland, and at the same time finance the visit of the Queensland lady swimmers to Sydney where they are now taking part in the Australian Championships. The Association was very reluctantly compelled to refuse the offer of the New South Wales Union in connection with these girls.

"Notwithstanding anything that may have been said to the contrary," Mrs Fry added, "the Association was very anxious to assist other Centres or Clubs to arrange visits from swimmers from other States in the Commonwealth, or from overseas. The Association appreciates the generosity of Mr Mair in offering to guarantee the tour of the ladies, but sincerely regrets he did not take the advantage which offered itself to him to work through the Toowoomba Centre, the City in which he resides. Had he done so, there would have been no cause for delay or recriminations of any kind. The Association cannot recognise individuals. It must insist on local Centres being recognised, not persons desiring official visits of swimmers to the State, even though such persons might be prepared to finance the tour by guaranteeing the Association against loss."

STARLIGHT LADIES CLUB TROPHIES FORWARDED

The President of the Q.L.A.S.A yesterday received from the Ipswich Centre the sum of £10/3/6, representing trophies won by Brisbane girls at the Starlight Ladies carnival in 1924. The covering letter from Mr Pratt mentioned that the Centre had nothing to do with this particular carnival which was solely conducted by the Starlight supporters. The following list of trophy winners was supplied - Misses L.Venning, J.Moffatt, B.Hamilton, L.Venning, E.Venning, R.Straiton, M.Venning, and V.Pawley and E.Robertson of New South Wales.

To the Editor, Sir, THOSE OVERDUE TROPHIES

Mr Wm Lemass, Hon Secretary of the I.A.S.C, Ipswich, may enjoy to the full any satisfaction which he may derive from the epistle appearing over his signature in last Monday's "Courier". It is not my intention to waste time or paper by indulging in personalities with Mr Lemass, the issues under consideration are far too important. I will however, endeavour to attempt to lead him, as Secretary of the I.A.S.C to see the error of his ways. In replying to my letter of the 17th instant, Mr Lemass said, "Up to date, I, as Secretary of the Ipswich Amateur Swimming Centre, have received no official intimation that this Centre owes any trophies to Brisbane swimmers, furthermore, I can vouch for the fact that during my four years as Secretary of the I.A.S.C, we have discharged all obligations in regard to any trophies or open orders won at any carnival controlled by the I.A.S.C."

If Mr Lemass is really sincere in his statement and has not been "misreported", he is not as conversant with the affairs of his Swimming Centre as a Secretary should be. I repeat again the statement I made in my letter on the 17th instant. "One usually hears the question asked with repeated monotony, "Did you get your trophies from Ipswich yet," and the corresponding monotonous answer, "No"." Notwithstanding anything Mr Lemass may say to the contrary, it is a fact there a number of Brisbane swimmers who are still waiting to receive trophies from the Ipswich Centre which are now long overdue, and for the information of Mr Lemass and the Ipswich Centre I will now give details in support of my assertion:- The International Swimming Carnival which was held in the Ipswich City Baths on Saturday afternoon February 14, 1925, will serve to support my case. This carnival was advertised under the signature of Mr Lemass, Hon Sec I.A.S.C. The circulars in connection with it also have his signature and the official programme carried the imprint, "Ipswich Amateur Swimming Centre, President Mr W.S.Johnstone Esq, Secretary W.Lemass Esq." This carnival was controlled by the I.A.S.C, Ipswich, of which Mr Lemass is the Secretary, and the Brisbane ladies who won trophies at the carnival have not yet received them, notwithstanding that the carnival was held more than twelve months ago. Going through the programme we find that the 33 yards Junior Ladies Handicap was won by Miss D.Cooper of the Otter Club, Brisbane, trophy valued at £1/1/-, not yet received: 100 yards Free Style Championship of Queensland - results, first Miss L.Venning (Commercial Club), second Miss R.Straiton (Otter Club), third Miss M.Turner (Commercial Club), trophies valued at £2/2/-, £1/1/- and 10/6, not yet received: Ladies Neat Dive - won by Miss I.Robinson (Commercial Club), trophy valued at 10/6, not yet received: 66 yards ladies International Breast Stroke Handicap - Miss J.McGregor-Lowndes (Otter Club) secured second place and Miss K.Brown (West End Club) received third place, trophies valued at £1/1/- and 10/6, not yet received: 66 yards Ladies Brace Relay Handicap - won by Misses R.Straiton & L.Nichols, trophy valued at £2/2/-, not yet received. I submit herewith the signatures and declarations of the winners (we have seen the signatures of the ladies concerned, with the exception of those of Misses Venning and Straiton who are in Sydney - Ed B.C.). Surely Mr Lemass and the Ipswich Amateur Swimming Centre require no more definite statement or evidence to prove the correctness of my assertion, and the incorrectness of Mr Lemass assertion. It is futile of Mr Lemass to say he

had no official intimation that the Ipswich Centre owes any trophies to Brisbane swimmers in view of the fact the Secretary of the carnival and the Secretary of the I.A.S.O are one and the same person. Such a contention is a mere quibble.

It is not my intention to ask Mr Lemass to apologise, that is the duty of the Ipswich Swimming Centre. All I ask is that he uses his influence towards securing for these girls the trophies which they have won, and to which they are, in all fairness, entitled. If the trophies were not presented because the Centre was in a bad financial position, why not say so? If that was not the case, what was the reason?

I am, Sir, Jean McGregor-Lowndes.

TONIGHT'S CARNIVAL AT COOGEE

The second carnival in the Australian Ladies Swimming Championships will be held at the Coogee Aquarium this evening, when competitors from Queensland, New South Wales, Victoria, and New Zealand will take part. The principal events will be the 440 yards, and the 100 yards Back Stroke Championships.

It is likely that the New Zealand girls, Misses Ena Stockley and Piri Page, will again show the way to their Australian rivals. Miss Page will compete in the distance event and Miss Stockley in the Back Stroke.

Sydney Morning Herald Thursday 25 February 1926

WOMEN'S CHAMPIONSHIPS BACK STROKE RECORD DOUBLY BROKEN

Miss Ena Stockley, the New Zealand sprint champion, was again well to the fore last night, when the second series of the Australian Women's Championship carnivals was held at the Coogee Aquarium. Although the bath, by reason of the shallow water - three feet at one end - was not adapted to record-breaking times, the New Zealand girl clipped 7 2/5 seconds off the Australian record time for the 100 yards Back Stroke. The holder, Miss M.Mealing, also reduced her own record to reach second place.

The great event of the evening was, however, the 440 yards Championship of Australia, which the holder, Miss C.Couldwell, retained for New South Wales, though strongly challenged by Miss Piri Page (N.Z) at the 300 yards. The New South Wales girl sprinted brilliantly over the latter part of the journey, winning by a margin of 12 yards. It was a great performance which the crowd, which packed the accommodation of the baths building, cheered and cheered again.

Nine events were again well filled, this necessitating a great number of heats. The 50 yards General Handicap required no fewer than 16, with additional semifinals, and the 100 yards General Handicap necessitated 11 heats with semifinals,

Results -

50 yards Handicap - M.Farrel 1, N.Clayton 2, F.Rolfe 3. A very close finish, the first three being separated only by a touch.

33 yards Tiny Tots Handicap - G.Storey 1, B.O'Connor 2

440 yards Championship of Australia - holder C.Couldwell (NSW), record F.Durack 6 min 3 secs: event won by Miss Marieschen Weheslau 1925 in 6 min 10 2/5 secs - Misses Claire Couldwell (NSW) 1, Piri Page (NZ) 2, M.Allen (Vic) 3, M.Boughton (NSW) 4. Time 6.21 9/10. Other times were 6.30 1/5, 6.32 2/5, and 6.41 3/5 respectively. The holder and Miss Boughton set out in the lead from a good start and at the end of the first 50 yards stretch were swimming abreast. They emerged from the turn 6 yards ahead of Miss Page who was slightly ahead of the Victorian. The New Zealand girl was taking every advantage of the turns on each occasion. At 300 yards, with a good sprint, she turned up alongside the leader and they swam to the 350 yards turn where the holder was slightly ahead. From there Miss Couldwell turned to display a fine burst of speed

for the rest of the journey. Miss Page was unable to respond, and the New South Wales swimmer finished 12 yards ahead of her. The Victorian representative, Miss Allen, fought out a great duel with Miss Boughton for third place. She was 10 yards behind Miss Page with Miss Boughton close up.

100 yards Breast Stroke Handicap - H. Corbett 1, D. Rosenfeld 2, E. Christian 3

100 yards Back Stroke Championship of Australia - holder M. Mealing (NSW), record M. Mealing 1.28 4/5 - Ena Stockley (NZ) 1.21 2/5 1, M. Mealing (NSW) 1.24 2/5 2, L. Venning (Qld) 3. The time clipped 7 2/5 seconds off the Australasian record. Also started, Miss D. Barr (NSW). Miss Stockley took the lead early from Miss Venning and was leading by 8 feet at the turn. On the return lap she set up an impossible pace and won by 4 yards from Miss Mealing who broke her own record time, narrowly to beat Miss Venning for second place.

Junior Diving Championship of New South Wales (girls 12 years and under) - T. Dennis 1, L. Books 2, C. Dennis 3

Diving Handicap - R. Cashman (Met) 1, D. Eade (R & C) 2, E. Robertson (Met) 3

100 yards General Handicap - Ada May 1, M. Abbott 2, D. Raine 3. Won by a touch.

NEW ZEALAND LADIES APPLICATIONS FROM THREE CENTRES

Yesterday, the President of the Q.L.A.S.A., Mrs J.P. Fry, received applications from the Ipswich, Warwick, and Toowoomba Centres for a visit from the New Zealand lady swimmers Misses Stockley and Page. Mrs Fry at once convened a meeting of the Executive for last night. After discussion the applications were granted. It was decided to write to the Centres stating it was understood the railway fares were deducted from the £45 payable to the Australian Swimming Union, and that if this was so, each of the Centres be asked to forward immediately a cheque for £20 which would cover the guarantee and the local expenses, with the proviso that if the expenses should exceed the £20 from each Centre, that the Centres make up the balance. The President stated after the meeting that the Association had no desire to make one penny out of the visit, indeed, if funds had permitted, it would have been only too glad to have subsidised the three Centres in order to help them in obtaining a visit from the new Zealand girls, She announced that what the Centres had to contribute was confined solely to the actual expenses of the visit.

SYDNEY CARNIVAL - MISS PAGE CHAMPION OF 220 QUEENSLAND REPRESENTATIVE COLLAPSES

The Australian Ladies Swimming Championships under the control of the New South Wales Ladies Amateur Swimming Association was concluded at the Drummoyne Baths on Saturday afternoon. The attendance was not as large as was expected, especially in view of the great struggle in the two remaining Australian Championships.

The first of these Championships was the 220 yards Free Style which was won in convincing style by Miss Piri Page of New Zealand. The excitement was intense when the competitors faced the starter. Notwithstanding the New Zealand champions Miss Stockley and Miss Page broke the start and were called back, the latter again got away first. Miss C. Cauldwell (NSW - the title holder) immediately went to the front closely followed by Miss Stockley, both turning together at the end of the first 50 yards lap in 37 seconds. In the second lap Miss Stockley went to the front and Miss Page drew level with Miss Cauldwell. Miss Stockley turned first in 1.12 3/5. The third lap saw Miss Page take the lead two yards ahead of Miss Cauldwell and Miss Stockley in 1.54 2/5. Miss Page gained further in the fourth lap, turning in 2.37 4/5, but was then challenged by Miss Cauldwell but the former, however, had too much lead and won by five yards in 2.54 4/5. Miss Cauldwell's time was 2.57 4/5. Over the last 50 yards, Miss Stockley was overtaken by Miss M. Boughton (NSW), who was third in 3.2 3/5.

Of equal importance was the 220 yards Breast Stroke Championship of Australia which was held for the first time. Interest was centered on Miss

Dorothy Thompson, the 100 yards Australian champion and record holder, who unfortunately since her arrival has been suffering from dengue fever. All competitors got away to a good start, Miss E. Robertson (NSW) immediately going to the front. The local swimmer maintained her lead throughout and won by seven yards from Miss J. Sheldow (NSW) with Miss M. Mealing (NSW) third. The winner's time was 3.14 2/5.

Miss Dorothy Thompson, at the end of the third lap, after swimming 150 yards, retired, and was taken from the water in an exhausted condition and stimulants were administered. She was swimming in third place when she retired, Miss Robertson was leading with Miss Sheldow in second place.

Results -

50 yards Handicap - J. Crowhurst (GHS) 1, T. Wilson (Met) 2

33 yards Tiny Tots Handicap - G. Costin (8) 1, E. Donohoe (B) 2, G. McIntosh (B) 3

220 yards Free Style Championship of Australia - holder of title C. Couldwell (NSW), holder of Australian record, Marieschen Weheslau (Hawaii) 2.46 2/5 - P. Page (NZ) 1, C. Couldwell (NSW) 2, M. Boughton (NSW) 3. Time 2.54 4/5

220 yards Breast Stroke Championship of Australia (Event held for the first time) - E. Robertson (NSW) 1, J. Sheldow (NSW) 2, M. Mealing (NSW) 3. Time 3.14 2/5. Won by 7 yards.

100 yards General Handicap - D. McDonald (TC) 1, M. Abbott (S) 2, J. Cocks Diving Handicap - T. Raine (B) 1, S. Collings (Rhyde) 2, E. Robertson (Met) and F. Rolfe (B) tied 3.

50 yards Back Stroke Handicap - E. Brown (Drumoyne) 1, H. Taylor (Met) 2, M. Gollen (TC) 3.

MUNICIPAL BATHS OFFICIALLY OPENED CHAMPIONSHIP CARNIVAL

The new Municipal Baths in Wickham Street, stated to be the best of their kind in Australia, were officially opened on Saturday afternoon by the Mayor of Brisbane, Alderman W.A. Jolly, and the event was made more memorable by a Championship Carnival arranged by the Queensland Amateur Swimming Association. All the crack swimmers of Queensland, including more than fifty swimmers from the country, competed in a programme of sixteen events. The swimming reached a very high standard indeed. Some fast times were recorded and there were some thrilling finishes. There was an attendance of over 2000, and the gate amounted to £105.

THE MAYOR'S SPEECH

The Mayor of Brisbane, Ald W.A. Jolly, delivered his opening speech from the diving tower. He said, "It is my privilege this afternoon to open what can be fairly claimed to be the most up-to-date and modern swimming bath in the Commonwealth. The pool of the new baths, although of the same length, is slightly larger in area than that of the Olympic Pool in France in which was held a swimming carnival in connection with the recent Olympic Sports. Brisbane has now a swimming bath capable of catering not only for Interstate, but also International, carnivals. The dimensions of the pool are as follows - Length 164 feet, width 60 feet, depth of water at the deep end 8 feet 6 inches, gradually diminishing to 3 feet six inches at the shallow end. The contents of the bath when full are approximately 400,000 gallons. The whole of this water is filtered, purified, and aerated by a special filtration plant. At the same time the natural salt of the river is retained. The filtration plant is of British manufacture, installed at a cost of £4000, the total cost of the bath, including the filtration plant being in the vicinity of £25,000. The spectators gallery and the diving tower are special features, the former being capable of seating 2-3000 persons.

READILY ADAPTABLE

The bath is so arranged that each side is self-contained as far as dressing box, showers, and sanitary conveniences, thus making it readily adaptable for mixed bathing for which it has been specifically designed. The idea of building a swimming pool of this kind was first initiated during ex-Alderman Diddams time as Mayor, and the work was commenced during Alderman Barry's time. The bath was designed and constructed under the supervision of Mr A.H.Foster, City Architect, and Mr M.Lyons, as foreman of the work. I am sure all will agree the finished article reflects great credit, not only on the City Architect and Foreman, but on all workmen associated with it. I have already stated that the cost of the pool completed is £25,000, and in this connection I mention the annual interest bill on the capital is £1,625. The Council looks therefore to the Swimming Association for their full co-operation to help and make the baths a paying proposition. In a climate like ours, public baths are not a luxury but a necessity, and while in Brisbane we cannot afford any more baths of this style, it is the intention of the Council in the next two years to construct further swimming baths in some of the more thickly populated areas that are today without these facilities. Arrangements have been made with Mr Lane, Manager of the Tivoli picture theatre, to make a motion picture of the afternoon's carnival, and this will be shown over the whole of the Commonwealth.

Mr D.S.Carter, President of the Association, said they were celebrating a red letter day in the history of Queensland swimming. They were very grateful to the Civic Authorities for building such a magnificent bath which was without parallel in the Commonwealth. Great credit was due, too, to Mr A.H.Foster, the Architect, and all those who were associated with him. He was sure the baths would be the source of many important swimming events.

THE CARNIVAL

A particularly programme of Championship and Handicap events was provided and the vast crowd was roused. The country swimmers, of whom there were more than fifty, acquitted themselves admirably. J.Suosaari, Maroochydoore, won the 200m Breast Stroke Championship with the greatest of ease, his brother, Axel, being second, and B.Chard (Cairns) third. Axel Suosaari won the 100m Free Style Country Championship and D.Greddan (Ipswich) was successful in carrying away the 50m Junior Country Championship. The Bundaberg Team won the 500m Intercity Country Flying Squadron Championship. The Valley Club won the 250m Junior Flying Squadron Championship of Queensland. The West End team finished first in this event, but they were disqualified for an infringement of the Rules. R.Grier (Valley) won the 400m Free Style Championship after a great tussle with S.H.Springfield who finished second, eight metres behind him. This was the most interesting race of the day. Grier led all the way with Springfield closely following him all the while.

Miss P.Lyons won the Ladies Diving competition, C.Jocumsen (Nudgee) the Junior Dive, and J,Gibson (BGS) won the Senior Dive.

A record number of entries for a handicap event in Queensland were received for the B.B.Kieran Memorial Handicap, 117 competitors having entered. The previous record was 101 at the Commercial carnival in December last. This event was won by G.Brereton, Railway Institute.

INTERCITY VISITORS ENTERTAINED

The Railway Institute Swimming Club in conjunction with the Q.A.S.A entertained the visiting swimmers at an enjoyable picnic at Scarborough yesterday. The morning was devoted to aquatic sports, and after lunch a programme of land sports caused much merriment. After partaking of an early tea, the visitors were conveyed back to town. The visitors included teams from Townsville, Bundaberg, Rockhampton, Maryborough, Cairns, Warwick, Toowoomba and Maroochydore. The Committee responsible for the arrangements were, Mesdames McGregor, Freney, Williams, Carden, McGregor-Lowndes, Misses McGregor, Kuder, Murphy, McGregor-Lowndes and Cooper, Messrs R.McGregor, V.A.Lowndes, W.Whittington, E.J.Goodwin, R.Hodge, and F.Springfield. Today the visitors will be entertained at Mt Cootha, and in the evening they will compete for the Silver railway Cup at the Interclub carnival which is being held in the Ithaca Baths at 8 o'clock.

CARNIVAL AT TOOWOOMBA

Tmba Mar 7

The Toowoomba Valley Swimming Club's carnival at the City Baths on Saturday night, notwithstanding strong counter attractions, saw a large crowd of spectators. The night was cool. Principal interest centered on the appearance of the champion swimmers, R.Grier and J.Suosaari (Brisbane) and the Townsville champion, K.Sterne. During the evening they made several appearances and also took part in the competitions. The three visiting champions were successful in the Teams Relay Handicap. In the 220 yards Championship of Toowoomba, F.Broadfoot, who won, established a new Toowoomba record, his time being 2.54. The previous Toowoomba record was 2.57 by E.H.Mair. R (Bob) Cole, who has been very consistent this season, won the Club's 100 yards Championship.

A FINE CARNIVAL
ROYAL LIFE SAVING SOCIETY

At the annual carnival held by the Royal Life Saving Society at the Ithaca Baths last night, a demonstration of Life Saving methods on land and water was presented to a large and enthusiastic audience. That the whole exhibition was full of merit is without a doubt, and the keenness exhibited by the various competitors, both individually and collectively, was responsible for a programme that elicited numerous outbursts of applause. As well as a generous representation from the Clubs, the country Centres were also well to the fore. The Royal Life Saving Society has good cause to feel gratified at the excellence of their presentation and the high degree of efficiency achieved by those associated with them.

SWIMMING BATHS FOR ROCKHAMPTON

Rockhampton. Mar 10

A few years ago a movement was started to establish a swimming pool at the Boys Grammar School. Towards the project a substantial sum was subscribed, but the Trust is not yet in a position to commence the work, and more recent movement was for a swimming pool in the Central Girls State School grounds, a prime mover being the Headmistress, Miss Ludgate. The first, however, to actually commence a swimming pool for a scholastic establishment in Rockhampton were the Sisters of Mercy in the grounds of the Range Convent and School. This pool will be 66 feet by 25 feet with a wide platform, the whole being of reinforced concrete. The cost is approximately -£9,000. Preparation is well under way for a swimming pool 75 feet by 55 feet in the Central Girls School grounds.

THREE MILE SWIM RACE ON THE BREMER RIVER Ipswich Mar 21

Local and outside interest was centered on the race for the Three Mile Handicap which was held on the Bremer River yesterday afternoon. A fair number of people took up positions on the banks of the river between the starting and finishing points. The swimmers took off from the bank of the river at Booval, and the finishing line was at Collin's Wharf just below the town bridge, which place was much crowded by spectators who loudly cheered the leading competitors. Official motor boats followed the race.

The limit men had 22 minutes start on the scratch man, As each batch was sent off the swimmers mostly started their long swim at the usual easy pace, but there were those who put more energy into their efforts at the start, making it appear they would be exhausted before the course was completed.

Mullins, the Ipswich West End Captain, was the scratch man. On starting he was swimming strongly and had every chance of overtaking some of the later starters, but he seemed to have little hope of coming near the limit men who had started in a promising manner. At about half way, Mullins was together with E.Bonis, steadily approaching the swimmers who were by then bunched together, with several of the limit men well in the lead.

At the basin pocket ferry, Baker was away in front of Kitt, who was separated by a good distance from Church. Baker appeared to be very tired, but having only half a mile to go and a long lead to his credit, it was only a matter of keeping going for him to come in a winner. This he did, and arrived at the wharf about 250 yards ahead of Kitt who in his turn was about 33 yards in front of Church, 44 yards separating him from the fourth man, Marshall. "Sandy" Mullins finished ninth in 1 hour 41 minutes 55 seconds, making his actual time the fastest, 1.16 55. There were 53 swimmers entered for the event, and of these, 43 started, 37 finishing.

GRIER WINS INVITATION SCRATCH RACE

Auckland Mar 21

Reg Grier, Queensland, led all the way against four New Zealanders in the 220 yards Invitation Scratch Race, and won by 10 yards in 2.32 1/5. In the 100 yards, conceding 3 seconds to Enwright, the ex-champion of New Zealand, he was beaten into third place.

QUEENSLANDER WINS
R.GRIER DEFEATS NEW ZEALAND CHAMPION
Auckland March 23

The Queensland swimmer, R.Grier, established a great performance in the 100 yards Scratch Race in 57 seconds, the fastest time in his career. Dowsett was a foot away and Adamson, third. Grier won on the post after a magnificent spurt. Grier easily won the Quarter Mile in 5.37 1/5, leading throughout. The contest excited great interest, as Dowsett is the New Zealand champion. There was a large attendance.

MUNICIPAL BATHS

To the Editor,
Sir,

The large crowd of bathers who patronised the new Municipal Baths at Booroodabin last Sunday morning was surprised and disappointed when they were ordered out of the water at 11 am, after which hour the baths were closed. Sunday morning is the only opportunity many people have of using the baths, and the morning from 10 to 12 is the most pleasant time for a swim. There seems to be no good reason why the baths should not be open until at least 12 o'clock. At the official opening, the Mayor stressed the new baths were for the convenience and pleasure of the public, but apparently the Council thinks otherwise, if the baths are to be closed just when to public wants to use them.

I am, Sir,
W.Thurlow.

VALLEY CLUB BREAKING-UP CARNIVAL

The Valley Club's Breaking-up Carnival was held in the new Booroodabin Baths last night. Both from a point of view of attendance and entries, the carnival was most successful. The many closely contested finishes spoke well for the keen judgement of the Handicappers. The appearance of R.Grier, who returned last night from his tour of the Southern States and New Zealand, evoked loud applause from the spectators. Shortly after the carnival commenced, Grier annexed the 100 yards Club Championship comfortably.

AMATEUR SPORT
FEDERATION TO BE FORMED

At a meeting held last night, the desirability of forming an Amateur Federation, constituted on a basis of uniformity and calculated to protect and safeguard amateur sport against the incursion of professionalism, was warmly approved by the delegates from the various amateur sporting organisations of Brisbane.

The meeting was presided over by Mr D.S.Carter of the Queensland Amateur Athletic Association, other delegates being present were Messrs J.Durston (Queensland Swimming Association), T.P.Hinch and W.McClusky (Queensland Amateur Boxing and Wrestling Union), G.Luxton and J.C.James (Queensland Amateur Cyclists Union), T.A.Littledike (Queensland Lacrosse Association), J.Moyes and T.Badham (Queensland Hockey Association), and L.Nissen (Queensland Amateur Athletics Association).

Mr Carter, in outlining the objects of the meeting, said that Queensland was the one State recognised as doing the proper thing in the way of supervising sporting matters in regard to Olympic contests, and because of this, Queensland representatives were always eligible to take part, but it was in regard to professionalism in sport that their attention must be directed. The definition of an amateur had always given a certain amount of trouble, and because of this, it was desirable that a body be constituted that would be in a position to determine what was amateur and what was professional. There had been many instances where professionals had taken part in amateur sport, but where a properly constituted Amateur Federation existed, this was not possible. Unfortunately there was at present no uniformity and no method, and a Federation such as outlined above would clear the atmosphere. The basis of the proposed Federation would be the coming together of the representatives of the different games and constituting a common body for the protection of the respective games. If such a combined effort was made, it would be of great value in many ways. In America they had but one body governing amateur sport - the Amateur Athletic Association of the United States - while here they had amateur bodies for every different sport. Each body could do with assistance in this matter, and the proposed Amateur Federation would be of incalculable advantage to all.

Most of the delegates present expressed their approval of the formation of such a body, and then it was resolved that, "In the opinion of the delegates of the Associations present, it was desirable that such an Association should be formed," and this resolution would now be conveyed to the various Associations in Brisbane, asking them to send two delegates to a meeting at which the proposed Federation will come into being.

NEW QUEENSLAND RECORD
LADIES FREE STYLE CHAMPIONSHIP

There was a good attendance at the new City Baths, Valley, last night to witness the Ladies 50 m Free Style Championship of Queensland. Six competitors faced the Starter (Mr Hodge). They were - Misses R. Straiton (Otter, holder of the title), G. Brown (V), P. Cruse (Com), D. Cooper (O), L. Venning (Com), and K. Brown (WE). A good start was affected and when at the half way mark all aspirants were practically level. Miss Venning, who was then swimming with ease, put on speed and won by about a yard and a half from Miss Cooper with Miss Straiton two feet away, third. The time was 29 $\frac{3}{5}$ seconds, which was a record for Queensland. The officials were - Referee, Mr K. Mackay; Timekeepers, Mrs Springfield and Messrs J. Whittington and A. Casey; Judges, Mrs Newman and Misses M. Grant and A. White (Hon Secretary Q.L.A.S.A); Starter, Mr R. Hodge.

SWIMMING POOLS
COUNCIL DISCUSSION
"DEFINITE POLICY NEEDED"

Discussion took place at the meeting of the Brisbane City Council on a recommendation of the Bridges and Ferries Committee that tenders should be called for the lease of the new swimming pool at Manly for a period of five years on conditions to be determined by the Committee. The matter was eventually referred back to the Committee for further consideration.

Alderman Lanham hoped that the recommendation would be adopted. Ald Bradbury said that if baths were going to be built, Nundah should have preference. Ald Dart said that a maximum charge should be set to prevent profiteering. Nundah should also have a swimming bath. Ald Elliott said that areas such as Nundah should have swimming baths. Persons living in the metropolitan area could go to Stanley Street by the payment of two pence fare, but such was not possible for the Nundah residents.

NO NEED FOR SECRECY

Ald Fahelly asked what chares would be made if the tender were let. There was no need for secrecy. Ald Prentice, "The same as the city."

Ald Fahelly, "Give me something definite. The Council should have a definite policy for baths, both river and sea."

The Mayor, "I think a schedule prepared on this subject should be submitted."

Ald Long said that every district should be treated on its merits. He moved that the recommendation should be referred back to the Committee for consideration. Ald Prentice said that the charges were to be, adults three pence, children U/14 one penny, use of a towel two pence, lease of a costume three pence, private hot bath one shilling. The whole thing was an experiment as far as the hot water was concerned, and would be handed over to people who understood the business.

Ald Elli0tt said that the object aimed at was to avoid paying award rates. Ald Teefy hoped the amendment would be carried. It was time the Council adopted a policy on the question of baths. The problem would have to be faced sooner or later.

The voting on the amendment was equal, and the Mayor gave his casting vote in favour of the Report gong back to the Committee.

PUBLIC BATHS - CHEMICAL TREATMENT

The Ferries and Bridges Committee of the Brisbane City Council recently directed the Medical Officer of Health to submit a report on a report on a proposal for the chemical treatment of water used in public swimming baths for the prevention of disease, infection, and the growth of vegetation on the walls of the baths.

The Medical Officer submitted a report which came before yesterday's meeting of the Council and stated that the chlorination method was by far the most suitable means of treatment, and pointed out that there is now a plant on the market, the pulser type Chloronome, which had given the utmost satisfaction, and which had a maximum chlorine capacity of 6.4 per hour, and was capable of treating up to 84,000 gallons of water an hour. The price of the plant complete with pulser measuring device<absorption tower and two cylinder connections, and also 20 feet of acid-proof hose, was £230 nett, including duty of 25% ad valorem. The cost of installation would be negligible, and the cost of the chlorine would be about three pence per 10,000 gallons of water treated.

The Committee recommended that approval be given for the procuring of the plant from Messrs Syvie & Stewart of Melbourne, and that it be installed permanently at the pumping station at North Quay, thus dealing with the water

supply to the public baths in the City.

The report was adopted.

(PRIVATE)
VALLEY CLUB'S ANNUAL MEETING

The success of the Valley Amateur Swimming Club during the past season was reflected at the 28th Annual Meeting of that body which was held in the Buffalo Hall last night, when it was stated that members of the Club had annexed nine of the twelve State Championships decided, and also one Australian Championship, in addition to figuring prominently in various Interclub carnivals.

In moving the adoption of the Annual report, which was subsequently adopted unanimously, the Chairman, Mr Carter, congratulated the Secretary, Mr Norman Burns, on the splendid manner in which he had handled the affairs of the Club since he had held that position, and he also spoke highly of the activities of the Social Committee. He deplored the apparent lack of interest in the game of water polo and hoped that more enthusiasm would be shown in the sport in the future.

The Balance Sheet, which was adopted in conjunction with the Annual Report, showed an appreciable credit balance.

The election of the chief office bearers resulted as follows - Patron, Captain W.J.Collin; Vice Patrons, Messrs F.Springfield, J.M.Pike, J.J.Fitzgerald; President, Mr F.W.Springfield; Vice Presidents, Messrs E.Thurlow, J.J.Grier, W.Beynon, D.S.Carter, F.Fullerton, E.T.Leseberg, E.Lawton, H.Wrench, L.Nissen, J.Black, T.C.Beirne, T.Boast; Secretary, Mr Norman Burns; Treasurer, Mr E.Shields; Delegates to Q.A.S.A, Messrs F.W.Springfield, K.McKay, H.Wrench, E.L.Collin, H.New; Committee, Messrs H.Wrench, R.Franzen, F.Loder, E.L.Collin, E.Rasey, C.Flynn, V.Tynan, H.New; Starter, Mr R.Hodge; Auditors, Messrs J.J.Fitzgerald, H.J.Campbell.

At the conclusion of the General Business, trophies were awarded to the various competition winners during the past year, including Messrs F.W.Springfield, H.Wrench, R.Cairns, S.H.Springfield, R.Grier, R.Magill, A.Brelsford, A.Campbell, E.Nalder, N.Franzen, L.Binkin, J.McConkey, C.Campbell, S.Costa, R.Hodge.

SANDGATE SWIMMING CLUB
Sandgate Sept 22

The Sandgate Amateur Swimming Club held a Social and Dance last night at the Town Hall, when the trophies gained at the various contests during the past year were distributed. About 300 were present.

During the evening a gold cigarette case was presented to Mr F.B.Goodwin, the Club President, as an expression of good will on behalf of the Club.

The Mayor (Alderman W.A.Jolly), before presenting the prizes, tendered his felicitations to the Club on the year's work. He recognised it as a policy of the Council to encourage swimming where ever possible. On Saturday next a swimming pool would be opened at Manly, and it was the intention of the Council to carry out a similar plan in Sandgate. All these pleasure resorts were not only for those who lived in the respective localities, but for the people of Brisbane as a whole, and to this fact the City Council was fully alive.

Q.L.A.S.A ANNUAL MEETING
FOUR NEW LIFE MEMBERS

The Annual Meeting of the Queensland Ladies Amateur Swimming Association was held last night with Mrs J.P.Fry in the Chair. There was a large attendance.

The 22nd Annual Report recorded the events of the past season and other incidental matters connected with the work of the Association. The Clubs affiliated, it stated, totalled eleven, which comprised six town and five country Clubs.

In moving the adoption of the Report, Mrs Fry told the meeting that it would be the last time she would have the privilege of moving the Annual Report for adoption, for after six years of service in the Chair she had decided to retire from the office of President. The West End Ladies had nominated her again for Presidential honours, but she had to decline with thanks.

The Report, together with the Financial Statement which showed a credit balance of 111, was seconded for adoption by Mrs McGregor-Lowndes and carried.

The election of officers for the ensuing season resulted in the re-election of the Patroness, Mrs F.W.De Little, and as Mrs J.Stenhouse was the only other lady nominated for the office of President, she was accordingly elected to the position. Vice Presidents were elected as follows - Mrs Day, Mrs McKay, Miss McGregor, Mrs Lees, Mrs Gordon, Mrs Brown. Miss B.Murphy was re-elected Treasurer and Miss Amy White as Secretary. Mrs S.H.Newman was re-appointed Handicapper.

In recognition of their services, Mrs J.W.Stenhouse, Mrs Gordon, Mrs J.P.Fry and Mr C.R.J.Dahl, were elected Life Members of the Association.

A RECORD YEAR
Q.A.S.A ANNUAL MEETING

"A year of unequalled prosperity and advancement which, together with the unprecedented achievement of our swimmers, made the season, without any doubt, one of the greatest in the history of the Association," stated the Annual report of the Queensland Amateur Swimming Association which was read at the 27th Annual Meeting of the Association held at the Y.M.C.A. last night. The President, Mr Carter, was in the Chair, and the attendance was good.

The Report stated that the next Australian Championships would be held in the early part of 1927 at Hobart and at Melbourne, and in view of the heavy expense the Association would be put to, the Executive would need all the assistance possible. The Report gave at length the records of the Clubs and their chief representatives. The Financial Statement showed a credit balance of £83/6/3.

River Baths Almost Useless

In moving the adoption of the Report, Mr Carter said the year had been a gratifying one. "The history of swimming in so far as Queensland was concerned, was entirely satisfactory in every way." He understood the Brisbane City Council was proposing to build other baths in Brisbane which he believed they intended to construct in the river. He expressed the hope the Council would refrain from doing so as baths built in the river, as far as the Association's experience went, were absolutely useless. If the baths could not be used at all times and at all tides they were useless. He illustrated the Mowbray Park Baths which could only be put to use when the tide was in. Mr Carter said that if all went well, Brisbane would have the first visit of the Japanese University student swimmers by the end of the year. They were also making every effort to have the country centres visited. The visitors would participate in the

Australian Championships but their actual itinerary had not been mapped out. Mr Carter paid tribute to the performance of R.Grier, J.Suosaari, and J.Bliss at the Australian Championships at Perth and Adelaide. He extended a welcome to Mr Spencer Major of South Australia.

The election of officers resulted - Patron, Mr F.W. De Little; President, Mr D.S.Carter; Vice Presidents, Alderman W.A.Jolly, Messrs T.C.Beirne, J.Hiron, F.Springfield Snr, W.B.Swain, Colonel D.C.Cameron M.H.R, Messrs F.E.Duncalfe, Les Nissen, Wallace Bishop, E.Lawton, and A.Haslet; Hon Handicappers, Messrs C.Graham, S.A.Cairns, E.J.Goodwin; Hon Auditors, J.D.Kier, D.J.Merritt.

BOOROODABIN BATHS

"In view of the finances generally, the City Council cannot see its way clear to open the old Booroodabin Swimming Baths this season." This announcement was made by the Mayor (Ald W.A.Jolly) in a reply to a deputation from the Queensland Ladies Amateur Swimming Association yesterday. The deputation was introduced by the President of the Queensland Amateur Swimming Association, Mr D.S.Carter, and made a request that the old baths be open for use by women and girls only.

Alderman Jolly said he appreciated the wish of the ladies to have those baths set aside for certain time for the use of women and girls, but the Council had established the new Wickham Street Baths which were among the best of the kind in Australia, and interest alone on the capitalised value was 36 in addition to the incidental costs such as the cost of their upkeep. The Council did not expect to make money out of swimming baths, but there was a limit to the amount of money it could afford to lose on them. The Council could not afford to maintain two baths. If the new baths were showing a fair return after a period, the Council would consider the opening of the old baths. In the new enclosure special provisions for ladies had been made in the way of dressing sheds and other accommodation.

Mrs J.Stenhouse (President of the Q.L.A.S.A) said certain ladies objected to swimming at mixed swimming baths. Parents objected to their young girls going where mixed swimming was allowed, and she thought it was the duty of the Association to act in the matter. She solicited a trial, and if the old baths warranted the expense they could be kept open. She mentioned the hire fee for Clubs in the previous years had been £2/2/-, and raising the fee to 5 this year meant the Clubs that were not strong financially would not bear the extra expense, as carnivals invariably entailed losses.

Mrs Cribb (Federal Club), Mrs C.Mckay (Valley Club), and Mrs McGregor-Lowndes (Otter Ladies Club) supported Mrs Stenhouse.

Ald Jolly said the question of the hire fee and the extension of time allotted to ladies in the new baths would be considered by the Committee after consultation with representatives of the various Ladies Clubs.

TOOWOOMBA CENTRE

Tmba Oct 7

The Annual Meeting of the Toowoomba Amateur Swimming Centre was held tonight in the Memorial Hall. The election of officers resulted - Patron, the Mayor (Ald J.D. Annand); President, Mr C.Hennessey; Vice Presidents, Messrs V.Kimmins, A.Moreton, J.H.Jones, W.J.Murdoch, R.Cole; Secretary, Mr R.E.Pascoe; Treasurer, Mr H.T.Clarke; Handicapper, Mr R.Cole; Starter, Mr S.Schwilk; Check Starter, Mr V.Kimmins; Referee, Mr W.J.Murdoch; Judges, Messrs E.Steele, A.Holmes, J.H.Jones, J.W.Allen, P.O'Neill.

Mr E.H.Mair's Cup for highest aggregate in the Toowoomba Championships was presented to F.Broadfoot of the Commercial Club.

TOOWONG AMATEUR SWIMMING CLUB

At the Annual Meeting held at the Masonic Hall, Toowong, last Friday evening, the President (Mr J.Hiron), who occupied the Chair, moved the adoption of the Report and Balance Sheet and complimented the Club on its activities in the past season. He also spoke in glowing terms of the success of the Club's champion, Jack Bliss, in winning the 100 yards Senior Championship of the State in the record time of 57 3/5 seconds. The Credit balance of 7/19/7, he added, was very good considering an amount in the vicinity of £50 had been expended on trophies, in addition to other expenses. Messrs W.B.Swain and F.E.Duncalfe also commented favourably on the Report, and the motion was carried.

The following officers were elected - Patron, Mr J.F.Maxwell M.L.A; President, Mr J.Hiron; Vice Presidents, Messrs W.B.Swain, R.Cocks, T.Knight, R.Cairns Snr, C.W.R.Just, F.E.Duncalfe, W.Bishop, M.J.Fogarty, C.L.Sadgrove, W.Vann, F.E.Duncalfe, O.Davis, R.H.Bunting, Les Nissen, E.Colbert, T.Bishop; Hon Secretary and Treasurer, Mr A.Symons; Auditor, Mr W.B.Swain; Senior Captain, J.Bliss; Vice Captain, A.Dewar; Delegates to Q.A.S.A, Messrs G.Edwards, F.Marshall, A.Symons, F.E.Duncalfe; Hon Handicapper, Mr S.A.Cairns; Press Correspondent, Mr J.Bliss; Hon Coach, Mr "Kit" Petrie; Committee, Messrs J.Bliss, W.Vieron, A.Dewar, R.Grimes, W.Candle.

Various Cups, Sashes, Meals and Open Orders won by members during the past season were presented to the respective winners.

The Club's opening swim was fixed for October 12 at Toowong Baths

VALLEY SWIMMING CLUB

Report given of the opening swim of the season at the new Wickham Street Baths, 51 members being present. 20 new members appeared and got acquainted with Club officials and old members. Members from past years, E.S.Collin, J.N.Collin, A.Rainey and H.Lough, rejoined the Club.

With such accommodation as the new baths offered, it allowed as many as 12 to start in a race, the Novice, Junior, and B Senior events being contested in straight finals. The A Senior required heats.

The officials were - Judges, Messrs T.Hay, H.G.Campbell, F.Ledder; Starter, Mr R.Hodge; Check Starter, Mr T.Rasey; Handicappers: H.New Senior A; T.Foskett Senior B; H.Wrench, Junior; F.W.Springfield, Novice.

Q.A.S.A COUNCIL MEETING

The Council of the Queensland Amateur Swimming Association at a special meeting last night decided that Club Championships would be swum under conditions that had prevailed in former seasons. The Council, which was presided over by the President (Mr D.S.Carter), also decided that Club fees lodged with applications for championship events should be £3/3/- instead of £1/1/-, and that championships in the coming season should be raced over yard distances and not metre distances, and all junior championships should be over 60 yards instead of 100 yards, and that the 3/4 mile championship should be deleted from the programme.

The Council resolved that the capitation fee should be charged only in respect of members who enter for Interclub events during the season.

SWIMMING SCHOOLS
SUMMER VACATION SCHEME AT POPULAR OCEAN BEACHES

Summer vacation swimming schools have been in vogue in New South Wales for many a year, now they are to be established in Queensland. In New South Wales, however, the vacation swimming schools are held by the Instruction Department. In Queensland they will be held by the Royal Life Saving Society with official recognition.

"It is now generally recognised that swimming, apart from a health point of view, is essential for the saving of life," says the Education Office Gazette for November in announcing the innovation. "In addition to this point," it goes on to say, "swimming, especially the breast stroke, is a corrective for many deformities such as drooping shoulders, crumpled chest, curvature of the spine."

With a view to spreading the knowledge of swimming, and life saving surf work, and diving, the Royal Life Saving Society Head Centre is instituting summer vacation swimming classes at such popular seaside resorts as Maroochydore, Alexandra Headland, Mooloolaba, and Redcliffe. The classes will be held during the Christmas vacation, and special classes will be held for school teachers, scholars, and adults. Special attention will be given to those who are unable to swim, and a final opportunity will be afforded them to become swimmers.

A Queenslander interested in these schools said yesterday that on one Sydney beach alone, the swimming pupils were tutored in batches of three to four hundred, and it was said that way back children who had little or no previous opportunity of learning to swim, acquired the art in three or four lessons, and only required a little more practice to become good swimmers.

VALLEY SWIMMING CARNIVAL

The Valley Club's carnival at the new baths promises to be one of the most attractive yet submitted to the Brisbane public. Swimming circles are all brimfull of interest over the 220 yards State Championship which is expected to provide a thrilling race. A strong field is to oppose the Australian and State champion, Reg Grier, and all kinds of possibilities are being discussed. Jack Bliss, 100 yards State champion, Sid Spring- field, State and ex-Australian champion, Axel Suosaari, the sensational country champion, and Jim Pike, are all worthy opponents who will extend the holder to the utmost. The appearance of the Gibson brothers, the Collin brothers, Fred Lewis and Bill Morrall in a specially arranged diving display from the high tower, and a half hour's comedy from the Dark Town Life Saving Squad, are added attractions. Senior and Junior 50 metre Scratch Races are included in the spectacular list of competition events. The box plan is now open at Palings and at the new baths.

The appointed officials are - Referee, Mr D.S.Carter; Judges, Messrs H.Davis, V.McGregor, A.Casey; Assistant Judges, Messrs E.J.Goodwin, J.Whittington; Timekeepers, J.Moylan (standard), L.Nissen, F.W.Spring-field, R.H.Bunting; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Call Stewards, Messrs K.McKay, J.O'Shea; Clerks of Course, Messrs T.Atkins, J.Montgomery, G.Neilsen; Costume Stewards, Messrs A.Symons, J.Whittington; Press Steward, Mr J.Durston; Result Steward, Mr N.Wallace; Handicappers, Messrs E.J.Goodwin, S.A.Cairns, C.Graham.

The Bundaberg Swimming Club has drawn up the programme for the International carnival to be held in the Soldiers Memorial Baths on Wednesday December 15, when the Japanese champions K.Takaisba and T.Saitch will appear.

THE FIRST SWIM JAPANESE IN TOWNSVILLE NORTHERN RECORDS ECLIPSED

T'ville Dec 9

Takaishi and Saito, the Japanese swimmers, took part in the carnival at the City Baths tonight when there was present one of the greatest crowds ever seen. The visitors greatly impressed. Takaishi in an exhibition swim over 100 yards registered 56 1/5 seconds, lowering the existing record for the baths by 5 3/5 seconds. He was paced by local swimmers and appeared as though he could have done even better. Takaishi also swam in the 220 yards Championship. He was the last to leave the board but was soon with the others. He swam with them for a couple of laps then shot out. He had a break of 30 yards but then eased again winning by 20 yards from Sprecher (Cairns) in 2.25.

Saito gave an exhibition of back stroke over 100 yards, covering the distance in 1.11 1/5 and beating Seawright of Townsville by half a lap.

In a challenge race over 120 yards, teams comprising two Japanese swimmers and two Cairns swimmers against Townsville and Cairns teams, the Japanese team won by a length from Townsville. Takaishi and Reg King (T'ville) jumped off together for the final length, and in a great race Takaishi won by a length, swimming the 30 yards in 12 4/5 seconds, while the 120 yards occupied 62 4/5 seconds.

LADIES TEAMS CHAMPIONSHIP
QUEENSLAND TITLE TO VALLEY

The weather was unkind to the Valley Ladies Amateur Swimming Club last night, and their carnival held in the Wickham Street Baths was rather small. Never-the-less the carnival was a success from a sporting point of view. Most of the swimmers were in good form though the night was chilly, and finishes in most of the events were close. The Ladies Teams Championship of Queensland was annexed by Valley, with Otter Ladies Club second, and Commercials third.

Results -

JAPANESE VISITORS - CIVIC RECEPTION

In the Brisbane City Council Chambers yesterday morning a Mayoral Reception was tendered to Katsuo Takaishi and Takahiro Saitoh, two of Japan's foremost swimmers who are at present in Brisbane on a visit to Australia to compete in the Australian Swimming Championships. The large gathering included many Japanese.

The Mayor (Ald W.A.Jolly) in welcoming the visitors, said he was extremely pleased to see the visitors in as much as they were sports and the people of Brisbane were sports. "If the visitors win," he said, "they will find their rivals in the water, and the public generally, will be the first to congratulate them." Swimming, he maintained, was a very fine sport, especially in such a hot climate as that in Queensland, and commented on the excellence of the new Municipal Baths, and hoped the visitors would greatly enjoy their swimming there.

Mr M.J.Kirwan M.L.A spoke highly of Japan as a sporting Nation, The last time the Davis Cup tennis championship was being contested in America, he said, the Japanese put up a splendid fight, and Japan was now coming to the fore in other sports. "I have followed the two swimmers performances since they arrived in Townsville last Tuesday week," he added, "and it is very evident they are two very worthy representatives of the nation from which they come, and they were going to make the Australian swimmers extend themselves to obtain victory." He hoped they would carry home to their country and friends a favourable impression of Australia and of those they had met here.

Colonel D.C.Cameron M.H.R said he thought that everything should be done to encourage sport between our friends over the Pacific Ocean and our own citizens. He went to Japan as a boy and found it a most fascinating country. He extended a most hearty welcome to the visitors and hoped that in the coming

swimming contests the best men would win. Mr D.S.Carter, of the Queensland Amateur Swimming Association, expressed gratification that the two swimmers had come so many miles to compete in contests under purely amateur rules. He also expressed pleasure at the visit of the Japanese.

Swimmers Reply

Takahiro Saitoh, in reply on behalf of the two swimmers, said, "It is a great pleasure that we have had the opportunity, by the invitation of the All Australian Swimming Union, to come to Australia and contest the swimmers of Australia and other countries. Although we have visited Paris and Hawaii to contest, it is the first time we have been here. We know that Australia has a lot of world famous swimming champions who have already established a swimming "kingdom" here. To our great happiness we have at last been given the chance to visit this swimming "kingdom". It is the water of the Pacific Ocean lying between your Australia and our Japan that has built up the trade of our countries hitherto, and now it gives us the chance to shake the hands of swimming circles in both countries. We are deeply convinced that the existence of the Pacific Ocean serves to deepen the peace of the world. By this chance, we two, who are peaceful ambassadors, in some sense, hope to be able to perform the mission of securing the peace by swimming."

The Hon Consul for Japan, Mr J.Forsyth, also responded and proposed the Health of the Mayor.

INTERNATIONAL CARNIVAL JAPANESE CHAMPIONS EXCEL

Under the auspices of the Queensland Amateur Swimming Association an International Carnival was held in the new Municipal Baths, Wickham Street, on Saturday. Special interest attached to the event by reason of the visit of the two distinguished swimmers from Japan, Katsuo Takaishi of Washeta University, the champions all round swimmer of Japan, and Takahiro Saitoh of St Paul's University, a brilliant exponent of the back stroke. Both the visitors have fine records to their credit both in Japan and Europe.

Mr D.S.Carter was Referee. The Judges of Swimming were Messrs H.Davis, J.Hiron, A.Casey. The Diving was judged by Messrs D.S.Carter, J.Hiron, F.W.Springfield. Mr R.Hodge was the Starter and Mr F.E.Duncalfe the Check Starter. The Handicappers and Stewards were Messrs C Graham, E.J.Goodwin, S.Cairns. The Timekeepers were Messrs J.Moylan (standard), F.Springfield Snr, R.H.Bunting.

Results -

Junior Interclub Handicap 50 metres - C.Jocumsen (Nudgee Coll) 1, K.Foster (T) 2, B.Davidson (Normanby) 3

Junior Ladies Handicap 50 metres - Misses G.Browne (WE) 1, E.Middleton (Com) 2

Interclub Ladies Handicap 50 metres - Misses P.Lyons (Com) 1, P.Cruse (Com) 2, P.Woodforth (Com) 3

Invitation Scratch Race 400 metres - This was the principal event of the day. The starters were, K.Takaishi (Japan), T.Saitoh (Japan), R.Grier (V), S.H.Springfield (V), J.Bliss (T), A.Suosaari (M'dore), J.Suosaari (M'dore), E.Bonis (CP), J.Grimes (Fed), A.Hodges (SB). Takaishi was late off the mark but soon established a lead with Grier as his nearest opponent. The pair kept in the lead for the first four laps, the visitor always drawing away and increasing his advantage. Springfield then forged ahead and displaced Grier for second place, with the remainder half the length of the baths behind. In the final lap Takaishi finished strongly, winning easily by 20 yards from Springfield who was 15 yards in front of Grier. The visitor was accorded a rousing reception by the audience. His time was 5.21 4/5.

B.B.Kieran Memorial Interclub Handicap 100 metres - D.Marshall (Nor-manby) 1,

H.C.Lough (V) 2, J.Bliss (T) 3

An excellent display of diving was given by members of the Commercial Ladies Club.

Invitation Back Stroke Scratch Race 100 metres - The starters were Takahiro Saitoh (Japan), Tom Boast (Valley), E.L.Collin (Valley), S.Costa (V), R.Franzen (V), J.Edwards (T). From a good start Boast assumed control with Saitoh next. The visitor rapidly forged ahead and was first to touch at the end of the lap. With an amazingly rapid turning movement the Japanese secured an advantage and, drawing away rapidly, won with the greatest of ease from Boast and E.L.Collin. Time 1.21 2/5.

An interesting exhibition of fancy swimming strokes was given by the Japanese visitors, some of these strokes being quite new to Brisbane swimmers. With arms extended at the back, they both showed the possession of extraordinarily nimble fingers which propelled them through the water without any other perceptible movement. Kataishi also had beautiful control of his feet and toes. When in full motion they resembled a propeller action.

Junior Interclub Dive - J.Beeing (Normanby)

Ladies Dive - In this event a surprisingly fine performance was put up by the competitors, and at high diving, fancy diving, and running dives, the performance of each was highly meritorious, and the duties of the Judges in awarding honours were arduous. Miss G.Brown (V) was the winner.

Brace Relay Interclub Handicap 100 metres - I.Ward & J.A.Gibson (Bris Gram) 1, A.Jack & J.Robinson (WE) 2

Novelty Race - Men, C.Coppery (S'gate) -Ladies, Miss P.Woodforth (Com) In these races the competitors started from scratch. Each was given a number. After the start a Steward threw into the water pieces of wood with numbers on them, and competitors were required to retrieve the pieces of wood with their own numbers.

Gate receipts amounted to £71/9/2. The carnival will be continued today (More photos of swimmers in this edition).

TWO RECORDS - TAKAISHI'S FEAT
CHARLTON'S AND KEALOHA'S TIMES BEATEN

Two Australian swimming records were established at the Municipal Baths early last night, set by the Japanese swimmer Katsuo Takaishi in the 100 metres Invitation Scratch Race. Takaishi covered the distance in 60 1/5 seconds, which is 2 seconds better than Pua Kealoha's previous Australian record created on 1 January 1921. Andrew Charlton's record for the 200 metres of 2.23 4/5 also went by the board, Takaishi clipping 1/5 second off that time.

There was again a large attendance of swimming enthusiasts at the new Municipal Baths last night for the International Carnival held by the Q.A.S.A to mark the visit of the Japanese swimmers, Katsuo Takaishi and Takahiro Saitoh. The Invitation Race was robbed of a great deal of interest because of the absence of the Queensland champion, Reg Grier, who, it was announced, was confined to his bed with influenza.

In the results appearing below, abbreviations are - Com, Commercial; WE, West End; T, Toowong; S'gate, Sandgate; NC, Nudgee College; WB, West Brisbane; BG, Brisbane Grammar School Old Boys; M, Manly; Nby, Normanby; Ips, Ipswich; Tmba, Toowoomba; Met, Metropolitan; Cab, Caboolture; CP, City Pastime; V, Valley; SB, South Brisbane; Fed, Federal; W, Wynnum; KG, Kelvin Grove; M'dore, Maroochydore; War, Warwick; Spt, Southport.

100 metres Invitation Scratch Race - Katsuo Takaishi (Japan) 1, T.Boast (V) 2, A.Suosaari (M'dore) 3. Bliss was the first to touch the water and immediately

went to the front. Half way along the first lap Takaishi was on even terms with him, Saitoh, Boast and Suosaari being a length further back. Takaishi gained several feet in the turn, and swimming with powerful swing, won easily. Boast was second, and Suosaari third. Takahiro Saitoh (Japan) was fourth, and Jack Bliss (T) fifth. R.Grier (V), J.Cooper (WE), W.T.Morahan (SB), and J.Grimes (Fed), scratched. Katsuo Takaishi set a new Australian record, cutting 2 1/5 seconds off the record time of 1 min 2 2/5 secs established in January 1921 by Pua Kealoha (Hawaii). The times of the other placed swimmers were; Boast 67 1/5, Suosaari 67 3/5.

200 metres Invitation Scratch Race - Katsuo Takaishi (Japan) 1, A.Suosaari (M'dore) 2, S.H.Springfield (V) 3. J.Bliss also started. Takaishi went to the front at the outset and was never challenged. At the 100 metres he lead by four lengths, and this lead he doubled in the last two laps. His time, 2.23 2/5 was an Australian record, clipping 1/5 second off Andrew Charlton's best for the distance. The times for the others were; A.Suosaari 2.39 3/5, S.H.Springfield 2.42 1/5.

SWIMMING CARNIVAL
JAPANESE GIVE EXHIBITIONS IN TOOWOOMBA
Tmba Dec 26

The Toowoomba Amateur Swimming Centre's Christmas night Carnival at the City Baths gave the public of Toowoomba the opportunity to see the visiting champions from Japan in action. An exceptionally large number was present, and on entering the building the Japanese visitors were accorded an ovation. Subsequently, on behalf of the citizens, the Mayor (Ald J.D. Annand) welcomed the visitors, and Manager of the Japanese Team expressed his acknowledgment. The programme was a mixed one, and the visitors swam several special events in addition to giving exhibitions.

Takahiro Saito was the first to appear, and this was an exhibition back stroke race of 100 yards. His opponents were M. Muller and W. Clappison, both of Toowoomba, who were each given 14 seconds start. Takahiro Saito's style was greatly admired, and he caught his opponents in the third lap, and swimming easily won by several yards from Clappison. The visitor's time was 1.10 4/5.

Katsuo Takaishi, the sprint champion, had one opponent, P. McIntyre of Toowoomba, to whom he conceded 12 seconds start in the 100 yards free style exhibition. It was stated the Japanese would endeavour to beat his previous best time in Australia, 55 1/5 seconds. As the Toowoomba Baths are standard size 33 1/3 yards laps, the swim created interest as McIntyre set up a good pace. Katsuo Takaishi was in good form and passed McIntyre in the last lap to win by some yards. His time was announced as 54 4/5, therefore beating his previous best in Australia.

In the 440 yards Championship of Toowoomba there were four competitors. Katsuo Takaishi also swam, but his was only as an exhibition. He started 40 seconds after the Toowoomba swimmers had left the mark. Although they had swum nearly a lap and three quarters when he dived in, he eventually beat them by nearly two laps. It was unfortunate that Takaishi's time for this swim was not clocked. The 440 yards Championship of Toowoomba was won by P. Murray.

AUSTRALIAN TITLES
SUOSAARI AND GRIER SELECTED

The Executive of the Queensland Amateur Swimming Association held its first monthly meeting for the year at the Brisbane Rugby League Rooms last evening, Mr D.S. Carter presiding. There were 33 delegates present from the various Clubs in Queensland.

Letters applying for affiliation were received from the Mary River Club and the Woodford Branch of the Returned Sailors and Soldiers Imperial League of Australia which is forming a Club in conjunction with the Diggers Memorial Club.

A letter was received from the Queensland Ladies Amateur Swimming Association protesting against the action of the Australian Swimming Union in granting permission to Miss C.Cauldwell and Miss E.Robertson to tour New Zealand during the holding of the Australian Championships in Queensland in February. However, as New Zealand had already been advised of the visit, the Association was unable to do anything in connection with the matter.

An application received from the Manly Club requesting that its carnival be postponed to February 15 was deferred. The City Pastime Club applied for permission to hold its carnival on February 27, but as the Ladies Association was holding a carnival at that time, the Pastime Club was requested to select another date. The Association definitely fixed the date for its own carnival for March 7.

The profits from the two carnivals held in connection with the Japanese visit totalled £89. The Committee appointed to raise funds for the Australian Championships Appeal reported that to date 33 had been raised. A donation of £5 to the Appeal had been received from the Valley Club.

The Selection Committee appointed J.Suosaari and R.Grier to represent the State at the Australian carnival in Melbourne, subject to tests which are to be conducted on Sunday. The Secretary (Mr R.J.Goodwin) was appointed delegate for the Association at Melbourne, and also Manager of the team.

WORLD'S RECORD
CHARLTON'S GREAT EFFORT
JAPANESE SWIMMER EASILY DEFEATED
Sydney Jan 9

In a sensational effort at the New South Wales Amateur Swimming Association's Championship Carnival yesterday afternoon, A.M. ("Boy") Charlton lowered the world's record for 880 yards by 5 2/5 seconds, completing the distance in 10mins 32secs. He won the championship by over 60 yards from the Japanese swimmer Katsuo Takaishi. The Domain Baths were taxed to the limit of their accommodation half an hour before the carnival was due to start. The previous record was set by the Swedish swimmer, Arne Borg, in August 1925.

In the 100 yards race, E.Henry, the Olympic swimmer, won by a very small margin, Dr Kirkland (The Spit) being second, and F.Doyle (the holder) third. The Japanese swimmer, Takahiro Saitoh, at no stage of the race looked a winner. The time was 56 3/5.

SHARK IN BATHS AT MOWBRAY PARK
FUTILE EFFORTS AT CAPTURE
IMMUNE TO REVOLVER SHOTS

Bathers at the Mowbray Park Baths yesterday had a startling experience which they probably will not forget for some time to come. About noon, an uninvited visitor in the shape of a shark of the grey nurse variety about four

feet or five feet long joined the small party of bathers. It was noticed cruising in the comparatively still water of the baths and there was an undignified scramble for terra firma.

Apparently the unwelcome visitor was small enough to get into the baths but found it was easier to get in than to get out, being caught in the enclosure like a rat in a trap. The baths were immediately closed to the public and an endeavour was made to land the shark with a line. With the wiliness of its kind, however, the half-grown man-eater refused to take the bait, and many hours were patiently but vainly spent by the would-be shark hunters. The firing of several revolver shots at close range apparently had little or no effect, and at a late hour last night the shark was still in the baths. The shark is sufficiently large to be dangerous to public safety, and would be capable of inflicting a nasty gash on an unsuspecting bather. It is hoped that before the morning is many hours old the unwelcome visitor will have been caught and given its quietus.

GILBERTIAN COMEDY

The shark fishing efforts which continued throughout the afternoon and early evening provided a fund of comedy of the Gilbertian variety for a knot of interested spectators. When the shark was sighted conversation took place about the possibility of catching the intruder, the size increasing to leviathan proportions as the situation was explained to newcomers.

Odds and ends of rope, decrepit fishing tackle of all kinds made its appearance, and the laboriously ferocious intentions of the fishermen were equally balanced by their lack of success. One of the hunters, after tremulously holding a line of doubtful strength in the water, felt a tug, and excitedly shouted "I got him." There was a concerted rush and a general cry of "Where?" "Here" was the reply, and a dozen willing hands pulled with a long pull and a strong pull. One man dancing about excitedly with a revolver in his hand was shouting, "Hang on to him while I get a shot at him." "Him" however turned out to be a ferocious looking harmless catfish, which like its more savage brother had strayed into the forbidden waters.

There was more comedy on the waterfront.

A listless-looking young man who had been plying his line on the jetty near the baths for some time became suddenly galvanised with excitement. "I've got something heavy here," he shouted hoarsely. Others took up the cry, "It's a shark," and there was a general stampede in the direction of the voice. "Hold him while I shoot him," shouted one possessor of a heavy revolver. "All hands and the cook" caught hold of the line, and after much gesticulation and waving of arms part of a bedstead was drawn clear of the water. There was a chorus of disgusted exclamations, and then the anticlimactic humour of the situation struck everyone at once.

The dredge "Remora" had passed down the river a few moments before the incident so it is surmised that the wash of the vessel disturbed the bedstead from its long repose in the mud of the Brisbane

TEAM OF THREE SELECTED A FOURTH IF FUNDS SUFFICIENT

Following a test race on Monday night when Tom Boast, holder of the Back Stroke Championship of Queensland, swam 100 metres back stroke in 1.14 4/5 which is only 3/5 second outside the Queensland record put up by Dr K.Kirkland in 1922, the Selectors (Messrs D.S.Carter, E.J.Goodwin, and F.W.Springfield) met and chose the following to represent Queensland in the Australian Championships - Reg Grier, Joe Suosaari, and Tom Boast. If sufficient funds are

received by Friday in response to the appeal, S.H.Springfield also will probably be selected. The team, with Mr E.J.Goodwin as Manager and delegate to the Australian Conference, will leave Brisbane on Saturday January 15 by the mail train. Roy Franzen, 220 yards Breast Stroke Champion, who also has entered for the Championships, C.Olsen, C.Carter, R.Davies, and F.C.Ivett will accompany the team. J.Pike (Junior Champion of Queensland) who is at present in Victoria with the Y.A.L boys, will join the team in Melbourne and travel with it to Hobart to take part in the 100 yards Junior Australian Championship.

Swimmers are hopeful that the team will bring back the Kieran Shield. The last time Queensland held it was in 1907 through the fine performance of F.W.Springfield. The hope is expressed that sufficient donations will come to hand before Friday to enable S.H.Springfield also to be selected.

SWIMMING CHAMPIONSHIPS
JAPANESE DOUBLE VICTORY
SAITOH BREAKS AUSTRALIAN RECORD

Hundreds were unable to gain admission to last night's Australian Championship Carnival held in the City Baths. Long before the hour of starting the baths were packed to the ceiling and a crowd of over a thousand gathered outside the doors where they remained to hear the results of the championships. Prior to the carnival, the protest of E.W.Jones (WA) against his disqualification in the elimination heats of the previous evening was considered, but no action was taken. As elimination heats for all events except

the Ladies Handicap had been swum previously, finals only, were contested last night. A novel feature of the gala was the singing in Japanese of University songs by the large number of Japanese residents prior to their countrymen swimming in the championships.

In the 100 yards Back Stroke Championship, T.Saitoh, the Japanese wizard, succeeded in breaking the Australian record by 2 seconds, the previous record being held by K.Kirkland (NSW) in 1.12 4/5.

Water Polo Match, Victoria v the Rest of Australia, resulted in an easy win for Victoria, 7 goals to 1.

Results -

100 yards Back Stroke Championship of Australia - Holder of title, F.Carberry (NSW): Records - Australian & Victorian, K.Kirkland 1.12 4/5; World, Kealoha 1.8 3/5. The starters and positions on the board - K.Kirkland (NSW), T.Boast (Qld), T.Saitoh (Japan), A.Johanssen (Vic), C.Purchase (Vic). Result - T.Saitoh 1, T.Boast 2, A.Johanssen 3, K.Kirkland 4. At the start Saitoh shot away in the lead and at the first turn (33 1/3 yards) had a foot advantage over Johanssen with Purchase a touch in front of Boast. At 66 2/3 yards Saitoh had increased his lead to 2 yards with Johanssen still second and Kirkland a foot away, third.

Purchase was well back, last. Swimming a strong stroke, Saitoh came right away to win by 4 yards from Boast who finished fast to beat Johanssen by a touch. Kirkland was fourth, 2 yards away. Times were - Saitoh 1.10 4/5 (Australian record), Boast 1.14 3/5, Johanssen 1.14 4/5, Kirkland 1.15 2/5. As Saitoh is not a resident, the title therefore goes to Boast.

Ladies Open Handicap 66 2/3 yards - Misses N.Cornell (AP) 1, B.Foreham (AP) 2, A.Schuler (RMB) 3

Walsh First Class Handicap 20 yards - S.Springfield (Qld) 1, E.Lynott (Park) 2, F.Bennett (Melb) 3. Won by a touch.

100 yards Australian Free Style Championship - Holder of the title, F.Doyle (NSW) - Records - World, J.Weismuller 52 secs; Australian, Duke Kahanamoku 53 4/5. Starters and positions on the board - I.Stedman (Vic), K.Kirkland (NSW), K.Takaishi (Japan), R.Grier (Qld), E.Henry (NSW). The air was electrical when the five starters faced the water. At the word "Go" Henry got a slight advantage and at the first turn (33 1/3 yards) turned with a two feet lead from Takaishi with Grier a few inches further back, third, and Stedman and Kirkland together, last. At 66 2/3 yards Takaishi was making up his leeway and turned a few inches behind Henry with Grier third and Stedman fourth, right up. Amid great excitement, Takaishi drew way to win by three yards from Henry with Grier a touch away, third, and Stedman fourth, two yards further back. Times - Takaishi 53 4/5, Henry 56 4/5, Grier 57, Stedman 59 2/5. As only an Australian can hold the title, E.Henry is the Australian champion.

CLOSE FINISHES
BOAST DISQUALIFIED
1 MILE FREE STYLE TO JONES

The 1 Mile Free Style Swimming Championship of Australia contested in Melbourne on Saturday was won by E.W.Jones of West Australia, J.Kelly (NSW) and S.Springfield (Qld) filling the other places. There was a thrilling duel for second place.

In the 50 yards Back Stroke event T.Boast (Qld) was leading T.Saitoh (Japan) and looked a certain winner of his heat when he was disqualified for cutting across the Japanese's path.

Melbourne Jan 23

The attractions at the second meeting of the Australian National Swimming Championships held by the Victorian Amateur Swimming Club at the Dive, Boxhill, on Saturday were the two long distance championships, 1 Mile Free Style and 440 yards Breast Stroke, and the appearance of the Japanese swimmers, Katsuo Takaishi and Takahiro Saitoh. In one of the heats of the 50 yards Handicap, F.Doyle (NSW) beat the Victorian record for the distance by registering 25 seconds.

The 1 Mile National Championship was won by E.W.Jones (WA) who registered a splendid performance throughout the race and finished strongly. His time was 24 mins 11 secs, the Australian record for the distance being 22.34 established by Arne Borg. From an even start Jones took the lead and gradually increased it, winning by 66 yards. Result - E.W.Jones (WA) 1, J.Kelly (NSW) 2, S.Springfield (Qld) 3, J.Wilson 4. C.Purchase (Vic) also started but retired at 880 yards.

Ivan Stedman (Vic) won the 440 yards Breast Stroke Championship of Australia in 6.57 2/5, showing his superiority throughout. From a good start the

Victorian competitor soon assumed the lead and at the first turn Stedman was slightly in the lead. Ivan Hopkins, another Victorian, competing in his first Australian Championships, performed very creditably and extended Stedman to within a few yards of the finishing post. Result - Ivan Stedman (Vic) 1, Ivan Hopkins (Vic) 2, F.W.Stevens (WA) 3, C.Waite (SA) 4. R.Franzen (Qld) and G.Daley (Vic) also competed. Takaishi was a competitor the F.Walsh Invitation Handicap of 200 yards and although conceding a large handicap caught the field at the 180 yards mark and won amidst enthusiasm by 5 yards in a time of 2.20 which is a Victorian record.

C.Olsen (Qld) won the Sam Carey 50 yards Open Handicap, the other places being filled by Penrose (Vic) and Chambers (Vic).

T.Saitoh (Japan), swimming from scratch, was placed third in the Back Stroke Handicap of 50 yards which was won by E.Cormack of Melbourne.

The Japanese visitors were again seen at the Brunswick Club's annual competition on Saturday night, when Takaishi won the 440 yards Championship of Victoria in 5.33.

Much dissatisfaction was expressed by members of the Queensland team at the action of the Referee in disqualifying T.Boast, the Queensland swimmer, for cutting across in the 50 yards Back Stroke Handicap. He was leading Saitoh at the time and looked like beating him.

The Mile Championship of Australia Free Style

E.W.Jones (WA) 24.11 1, J.Kelly (NSW) 24.54 2/5 2, S.Springfield (Qld) 24.57 3. Jones forged ahead from the start and soon made a good gap in the field, Springfield, Kelly and Wilson going together. Jones covered the 440 yards in 5.35 and was then leading by about 10 yards from Kelly, Wilson and Springfield. At 600 yards Springfield crept up to third place and was only 4 yards behind Kelly. Jones covered the 880 yards in 11.46 and by then had increased his lead to 50 yards. Turning for the last lap Jones was 45 yards ahead of Springfield and Kelly who were having a great battle for second place. Jones finished strongly and won by 60 yards. Springfield drew level with Kelly 60 yards from home and a thrilling duel followed. Each put in a grand finishing effort and the excitement was great. About 40 yards from the finish Kelly drew slightly ahead and finished 3 seconds before Springfield.

440 yards Breast Stroke

I.Stedman (Vic) 6.57 3/5 1, I.Hopkins (Vic) 2 F.W.Stevens (WA) 7.7 1/5 3. Others were C.Waite (SA), R.Franzen (Qld) and G.Daley (Vic).

Stedman drew away at the first, and at the turn was three yards ahead of Franzen and Stevens, Hopkins being a yard behind. At the 220 yards mark Stedman was still a few yards in the lead a little distance off Hopkins and Franzen who had dropped back. Stedman was clocked to do the first 220 yards in 3.18. Daley and Waite fell behind in the third lap in which Hopkins drew well up to Stedman, while Stevens led Franzen by 3 yards. They finished in that order, Stedman winning by a length. Stevens was 5 lengths behind Hopkins and got home 4 seconds before Franzen.

Boast, 100 yards champion, and Saitoh, attracted great interest when they met in the 50 yards Back Stroke event. Saitoh conceded the limit man 11 seconds and Boast 2 seconds. In the first heat Boast led Saitoh and at 30 yards, swimming well, looked a certain winner, but he suddenly cut across the Japanese's path and a collision occurred. For this he was disqualified. Saitoh finished second. In the final, Saitoh conceding 6 seconds finished third to E.Cormack (Melbourne) and A.Campbell (NSW), but his time of 33 seconds was a second faster than the winner's time.

In the final of the 220 yards Invitation event, the starters were P.Bennett (Melb) 17 scs, F.D.Walters (Melb) 9 secs, Grier (Qld) 5 secs and Takaishi scratch. The Japanese caught Grier 50 yards from home. Grier was then 5 yards behind Walters who was level with Bennett. Takaishi forged ahead and won by 3 lengths, Walters defeating Grier for second place by a touch. The time of 2.18 was a Victorian record.

The 50 yards Handicap event resulted - C.Olsen (Qld) 1, R.Penrose (Vic) 2, C.Chambers (Vic) 3. Olsen won by 2 seconds.

AUSTRALIAN CHAMPIONSHIPS
HALF MILE RACE
TAKAISHI BEATS VICTORIAN RECORD
BREAST STROKE TO STEDMAN

Last night's carnival in the City Baths was a fitting finale to one of the most successful series of Championships that has ever been held in Melbourne. The numerous spectators, who once again taxed the accommodation of the baths to the utmost, were once again rewarded with swimming that reached the highest pinnacle of excellence. Takaishi once again demonstrated his superiority by winning the Half Mile Championship of Australia by 33 yards in a Victorian record time of 11.6, breaking Frank Beaurepaire's record of 11.10.

During the interval Mr Bennett (President of the V.A.S.A) presented Mr Takaishi and Mr Saitoh with handsome Cups to commemorate their wonderful victories in Melbourne. In responding, Mr Takaishi who was supported in his remarks by Mr Saitoh, expressed his sincere thanks for the wonderful way they had been received by the Australians throughout their tour. They hoped they would be able to return their thanks in a practical manner when the Australian team visited Japan in August.

After the carnival the V.A.S.A officials together with Mr Takaishi and Mr Saitoh and Interstate swimmers gathered at the invitation of Mr Cowan at his residence when the trophies won by the Japanese were presented to them, the trophies being the P.Walsh Cup to Takaishi for his victory in the 220 yards Handicap, and the Cowan Trophy to F.Doyle (NSW) the winner of the 100 yards Invitation Handicap. Mrs Fawcett, wife of the V.A.S.A Secretary, was also presented with a handsome memento on behalf of the V.A.S.A for her services at the carnival.

Result - I.Stedman 1, F.W.Stevens 2, I.Hopkins 3, R.Franzen 4. From a good start Stedman immediately took the lead and at the first turn (33 1/3 yards) led Daley by one foot with Stevens third. At the 100 yards mark (done in 1.17 2/5) Stedman had increased his lead to four yards with Daley second, Stevens third, Hopkins fourth and Waite last. Stedman increased his lead at every turn and eventually won by ten yards from Stevens who just beat Hopkins for second place. Franzen was fourth and Waite last. The times were - Stedman 3.8 2/5, Stevens 3.17 4/5, Hopkins 3.18 3/5, Franzen 3.26 2/5.

Barnett Ladies Breast Stroke Handicap - Misses E.Bostock (AP) 1, B.Perry (B'wick) 2, O.Walls (B'wick) 3

100 yards Medley Handicap - D.M.Griffiths (G) 1, C.Purchase (F'cray) 2, E.Cormack (Melb) 3

Public School 100 yards Championship - P.Bennett (Wesley) 1, J.Foreham (NGS) 2, W.Cartwright (CGS) 3

880 yards Free Style Championship of Australia - Holder of title, M.Christie (NSW) - Records - World, A.Charlton (NSW) 10.32; Australian, A.Charlton 10.32; Victorian, F.Beaurepaire 11.16. Starters and positions on the board - S.Springfield (Qld), R.Grier (Qld), K.Takaishi (Japan), J.Kelly (NSW), E.W.Jones (WA). Result - K.Takaishi 1, E.W.Jones 2, R.Grier 3, J.Kelly 4. From an even start Jones took the lead and at the first turn led Takaishi by a foot, with the field right up. At 100 yards (left behind in 65 seconds) Takaishi had taken the lead with Jones now second, Grier third, Springfield fourth, and Kelly last. At 300 yards Takaishi was five yards clear of the field and Jones was a similar distance ahead of the remainder who turned together. At the quarter mile (covered in 5.22) Takaishi was twenty yards in the lead from

Jones who was ten yards ahead of Grier and Kelly, with Springfield two yards away, last. At each turn Takaishi was increasing his advantage and in the last lap led by thirty yards from Jones who was twenty yards ahead of Grier and Kelly who were fighting desperately for third place which Grier secured by one foot. The times were - Takaishi 11.6 (Victorian record), Jones 11.25, Grier 11.52 2/5, Kelly 11.53 3/5.

Cowan 100 yards Invitation Handicap - F.Doyle (NSW) 1, T.Boast (Qld) 2, J.Pike (Qld) 3. A wonderfully close finish, a foot covering the lot.

SWIM IN A CAGE
MAGNETIC ISLAND TO TOWNSVILLE
T'ville Jan 26

A very large crowd assembled on the beach to see Bert Gard swim from Magnetic Island to Townsville, about six miles. In consequence of sharks, Gard swam in a cage constructed of wood and wire netting, which was towed by a launch. He swam strongly all the way and covered the distance in 3 hours 23 minutes. A number of launches followed the swimmer.

Douglas Pitt did the feat some years ago in slower time.

AUSTRALIAN CHAMPIONSHIPS
BARRASS WINS HIGH DIVE
STEDMAN'S PERFORMANCE

The first of a series of Australian Swimming Championships to be decided in Hobart this season was held at the Sandy Bay Baths on Saturday afternoon. The weather conditions early in the day were unpromising, but in the afternoon periods of sunshine mellowed a cold southerly wind. The water was choppy. In spite of the shortcomings of the weather, there was a fair attendance.

The only Championship decided on Saturday was the High Dive in which there were four competitors, and with an excellent display of diving the previous champion, Clive Barrass (NSW), retained the title, defeating H.Morris (Vic) by a margin of three points. The previous title included all types of diving, but with the consent of the States, the Swimming Union has inaugurated two classes of diving, the Low Springboard, and the High Diving Championships.

Eleven championships are to be decided this season of which five are to be held in Tasmania. On Wednesday the 440 yards, 100 yards Junior, and Low Springboard Championships will be decided, and next Saturday the 220 yards Championship will be held.

Every State is represented, and most of the swimmers arrived in Hobart by the boat express on Saturday afternoon. The representatives of the various States are - Victoria, H.A.Bennett (Vice President, Australian Swimming Union), E.M.Cowan (Vice President V.A.S.A), A.W.B Fawcett (Manager, and Secretary V.A.S.A), Ivan Stedman, H.Morris, H.Farrow, N.Farley, N.Balfe (Handicapper of V.A.S.A); New South Wales, G.Brewster (Manager), C.Barrass, J.Kelly, V.Moore, J.Cross; Queensland, D.Carter (Manager), R.Grier, J.Pike, T.Boast, C.Olsen, R.Davies; South Australia, A.W.Sampson, G.McClinchy; West Australia, E.W.Jones.

Owing to their late arrival the visitors were able to compete in only one race, the 200 yards Open Handicap. Their heat was won by Stedman in 2.16 2/5 which was 20 2/5 seconds faster than the best heat of the local competitors. Stedman was the only visitor to compete in the final which he won from T.W.Rees. The supporting events were well contested, and in almost every instance the handicaps produced close and interesting finishes.

The officials were - Referee, Mr Geo Brewster; Judges, Messrs R.Freeman, W.Dummock (Launceston), T.W.Miller; Judges of Diving, Messrs G.Brewster, H.Ross, T.W.Miller, N.Balfe (Vic), E.W.Jones (WA); Time-keepers, Messrs E.Hargreaves, S.Green, H.Townley; Standard Timekeeper, Mr J.Sharp; Handicapper, Mr T.W.Simpson; Starter, Mr H.Owen; Check Starters, Messrs C.Dobbie, L.Reid,

T.Miller; Treasurer, Mr F.Southey; Secretary, Mr M.L.Moore.

Details of Events -

50 yards Boys Under 16 - R.Bousefield 1, H.Gates 2, E.Green 3

50 yards Open Handicap - J.Barrett 1, C.Webb 2, T.W.Rees 3

100 yards Breast Stroke Handicap - R.Simpson 1, R.Cunningham 2, C.Longmore 3

50 yards Ladies Open Handicap - Misses Lorna Webb (SB) 1, J.Webb (SB) 2, Edna Taylor 3

200 yards Open Handicap - I.Stedman 1, T.W.Rees 2, H.Hodges 3.

AUSTRALIAN CHAMPIONSHIPS JONES (W.A) RETAINS 440 YARDS TITLE BARRASS (N.S.W) WINS DIVE

Three Australian and one Tasmanian swimming championships were decided at the Sandy Bay Baths last night. The water was ideal for racing and there was a good attendance.

The race of the evening was the 440 yards Championship of Australia in which E.W.Jones (WA), the holder of the title, was successful, winning by a touch from R.Grier of Queensland. His time for the distance was 5.24 $\frac{2}{5}$ which is 13 seconds faster than his time for the race last year. Since that time the record for the race has been established at 5.11 $\frac{4}{5}$ by Andrew ("Boy") Charlton at the Sydney Domain Baths. All of the competitors, with the exception of Refez of Tasmania, who swam a disappointing race, were within the standard time of 5.50.

During the evening T.Boast (Qld) made a successful attempt to lower the Tasmanian record of 1.30 for 100 yards back Stroke. He completed the distance in 1.14 $\frac{1}{5}$, cutting 15 $\frac{4}{5}$ seconds off the record. The Australian record was established by the Japanese swimmer, Saitoh, in Sydney recently, his time being 1.9 $\frac{4}{5}$.

The Low Springboard Diving Championship was won by C.Barrass (NSW) by a margin of 1.5 points from H.Morris (Vic). Barrass was the holder of the Diving Championship which included all diving. Since last year, however, the Swimming Union has divided the competition into two classes, high, and low springboard. Barrass also won the High Diving Championship on Saturday.

For the first time a 100 yards Junior Championship (Under 16 years) was held, and the race was won by F.Cross (NSW) from N.Farley (Vic) by three yards. The time of 1.1 $\frac{1}{5}$ will be a record for the race as it is the first time it has been included in the Australian Championships.

One Tasmanian Championship race was held - the Ladies Championship for 100 yards. There was a mainland competitor, Mrs Tupper of South Australia who won the race easily by ten yards from Miss J.Webb. As she is not a resident of the State, however, she cannot hold the title which therefore goes to Miss Webb. Mrs Tupper's time was 1.25 $\frac{1}{5}$.

The officials were - Referee, Mr G.Brewster; Judges, Messrs C.Rodway, W.A.Read, R.Freeman, W.T.Miller; Judges of Diving, Messrs G.Brewster, W.T.Miller, H.Ross, E.W.Jones (WA), N.Balfe (Vic); Timekeepers, Messrs E.Hargreaves, S.Green, R.Darcey; Standard Timekeeper, Mr J.Sharp; Handicapper, Mr T.W.Simpson; Starter, Mr H.Owen; Check Starters, Messrs C.Dobbie, L.Burt.

The Australian Championships to be decided in Tasmania will conclude on Saturday when the 220 yards race will be held.

Results -

100 yards Boys Race U/16 - I.Gluskie 1, H.Gates 2, E.Green 3. Won easily by 10 yards with 5 yards separating second and third in 1.15 4/5

75 yards Open Handicap - A.Gilchrist 1, B.Simpson 2, T.W.Simpson 3. A close race, practically nothing separating the 8 finalists in the first 50 yards. Gilchrist had the better of the last 25 yards and finished a foot to the good with the third man a similar distance behind.

100 yards Ladies Championship of Tasmania - Mrs Tupper 1, Miss J.Webb (SB) 2, Miss T.Richardson (SB) 3. There were two other starters, Miss E.Taylor and Miss V.Hallett. Mrs Tupper went to the front immediately and won easily by 10 yards from Miss Webb. Miss Richardson was 5 yards away, third, and Miss Taylor, fourth. Time 1.25 1/5. Miss Webb, 1.33 4/5

100 yards Naval Race - R.Hamilton (HMAS Adelaide) 1, Rambrose (HMAS Sydney) 2, Burgoyne (HMAS Sydney) 3. Other starters were Taylor and Donaldson (HMAS Sydney). The race was even in the first 50 yards with Hamilton first to turn. Swimming strongly he won by 3 yards with 4 yards separating second and third.

100 yards Junior Championship of Australia - F.Cross (NSW) 1, N.Farley (Vic) 2, J.Pike (Qld) 3. The other starters were E.Green, C.Reid and R.Bousefield (Tas). After 50 yards the mainlanders had separated from the Tasmanians, with Cross slightly ahead of Farley. He was challenged, but won by 3 yards, 2 yards separating second and third. Time 1.1 1/5.

440 yards Free Style Championship of Australia - E.W.Jones (WA) 1, R.Grier (Qld) 2, V.Moore (NSW) 3. Other competitors were J.Kelly (NSW), J.Wilson and I.Stedman (Vic), M.Refez and T.W.Rees (Tas). At the end of the first 50 yards Grier was leading, closely followed by Wilson and Jones. Grier and Jones were together at 150 yards, and at 200 yards the order was Grier, Jones, Wilson, Moore, Kelly, Stedman, Rees and Refez. At the end of another 50 yards Jones had crept up on Grier, and Wilson and Moore were swimming level with Rees keeping up well. Jones, swimming easily, took the lead at 300 yards from Grier, with Moore and Wilson next, then Stedman. Refez was 50 yards away, last. In the last 50 yards Grier made an effort and challenged Jones seriously. Jones, however, got to the line a touch in front with Moore 2 yards away, Wilson 4 yards further back, then Stedman. Rees was about 10 yards behind Kelly who had been headed by Stedman by a few yards.

Low Springboard Diving Championship of Australia - C.Barrass (NSW) 94.2 points 1, H.Morris (Vic) 93.4 points 2, H.Farrow (Vic) 77.5 points 3. Other competitors were, A.W.Sampson (SA), Southey (Tas). The contest consisted of five compulsory and three voluntary dives, the compulsory being plain running header, 1 1/2 somersault forward, forward header with a half screw, Backward header, isander dive. Although the Judges separated Barrass and Morris by only one point, the margin appeared to be much larger. Barrass performed a perfect flight through the air except in one dive when he opened his arms before entering the water. The diving of Morris was excellent, though he did not perform as well in the fancy dives on the whole, as he did on Saturday in the High Dive. Farrow dived well but lacked the neatness displayed by Barrass and Morris. Sampson dropped a number of points on a couple of his dives, and Southey was not successful in the fancy dives. Most of the voluntary dives were performed off the first tower of the high dive, but the outstanding item was a forward somersault by Barrass. The diving generally was of a high standard, although the lighting appeared to handicap the competitors slightly.

AUSTRALIAN CHAMPIONSHIPS
GRIER WINS 220 YARDS
FIGHTING FINISH

A thrilling finish was made in the 220 yards Swimming Championship of Australia at the Sandy Bay Baths on Saturday night when R.Grier (Qld) retained his title for the distance, defeating V.Moore (NSW) by 1/5 sec. The time for the

race was 2.26 2/5. The time for the Australian record, 2.23 2/5, is held by Andrew Charlton.

The carnival on Saturday was the third and last in connection with the Australian Championships in Hobart. Conditions did not favour the swimmers, and the chill of the water, which had fallen twelve degrees since the carnival on Wednesday night, was accentuated by the bitterly cold wind. The attendance was only fair.

Next to the Australian Championship, the next most interesting event was the 220 yards Naval Championship which was won by R.Hamilton (HMAS Adelaide). The 50 yards Open Handicap was won by G.McClinchy (SA), and the 50 yards Boys Under 16 years by J.Pike (Qld).

The competitors were not as numerous as in the preceding carnivals, probably owing to the chilly conditions, and the 50 yards Open Handicap attracted only 6 starters out of 30 entrants. In the 100 yards Invitation Race, 2 started out of 19, although in that case many of the entrants had taken part in previous races.

During the evening a demonstration was given under the supervision of Captain G.Webb (Royal Life Saving Society) of methods of rescue and release of the drowning.

The officials were - Referee, Mr G.Brewster; Judges, Messrs R.Freeman, C.Rodway, W.A.Read, W.T.Miller, N.Balfe (Vic), E.W.Jones (WA); Standard Timekeeper Mr J.Sharp; Timekeepers, Messrs D.Darcey, E.L.Hargreaves, J.D.Green; Starter, Mr H.Owen; Check Starters, Messrs C.Dobbie, L.Burt; Handicapper, Mr T.W.Simpson.

The following are the details -

50 yards Boys U/16 years - J.Pike (Qld) 1, D.Plaister 2, W.Forsythe 3 Time 29 1/5. Pike was in a handy position after half the distance and won by a yard. There was a foot between second and third.

50 yards Open Handicap - G.McClinchy 1, D.W.Simpson 2, C.Nicholson 3

220 yards Breast Stroke Handicap - C.Webb (SB) 1, G.Simpson 2, G.Webb

220 yards Naval Championship - R.Hamilton (HMAS Adelaide) 1, Burgoyne (HMAS Sydney) 2, Bambrose (HMAS Sydney) 3

Diving Handicap - C.Webb (SB) 1, E.Green (SB) 2, K.Harris (OH) 3

100 yards Invitation Race - T.W.Simpson (OH) 1, F.Southey 2

220 yards Championship of Australia - Title holder, R.Grier (Qld) - Australian Record 2.23 2/5 by Andrew ("Boy") Charlton - Australian standard time 2.35. Result - R.Grier (Qld) 1, V.Moore (NSW) 2, E.W.Jones (WA) 3. The other starters were J.Wilson (Vic) and J.Kelly (NSW). Jones had slightly the better of a good start, but Grier, after the first 50 yards drew level. In the next 50 yards Grier had got slightly to the front from Jones, then Kelly, Moore and Wilson close up. At the 100 yards turn the order was Grier, Jones, Wilson, with the other three close up. Moore made the best use of the next 50 yards, and at the next turn was just behind Grier and Jones who had turned almost simultaneously. Stedman was a touch behind him. The space between the first four and Kelly and Wilson was widening slowly. Grier and Jones took the last turn at 200 yards together, with Moore a second slower. Stedman was close up to Moore, but Kelly and Wilson were about 4 yards further back. In the last 20 yards the Queenslander, Moore, and Jones, were racing practically level. Grier was faster than Moore to the finishing line by 1/5 second, and Jones was a yard or two away. Stedman was about 4 yards away, fourth, Wilson fifth, and Kelly sixth. Times were - Grier 2.26 2/5, Moore 2.26 3/5, Jones 2.28 4/5, Stedman 2.31 4/5, Wilson 2.39, Kelly 2.41. The last two did not finish within the standard time.

A.N.A. CARNIVAL
RUBY STRAITON RETAINS 220 YARDS TITLE

The Australian Natives Association's carnival which had been postponed from January 26 was held in the Municipal Baths, Wickham Street, last night. The attendance was not good but the racing was of an interesting and exciting nature.

The principal event of the evening was the Ladies 220 yards Championship of Queensland in which Miss Ruby Straiton defended her title against four

others. From the start the race resolved itself into a procession, and in the second lap Miss Campbell retired. Miss Straiton turned almost half the length of the baths ahead of Miss P.Freeney who was a long way ahead of Miss Cruse. The holder of the title finished about 26 seconds ahead of the second swimmer.

The races resulted -

50 metres Men's Junior Interclub Handicap - P.Scanlon 1, W.Barr 2, R.Cairns 3
25 metres B Junior Ladies Interclub Handicap - Misses G.Pavey (Fed) 1, J.Kerr (Com) 2, T.Jennings (O) 3

220 yards Ladies Championship of Queensland - Misses R.Straiton (O) holder 1, P.Freeney (Com) 2, P.Cruse (Com) 3. Time 3.15 1/5

LADIES 50 YARDS CHAMPIONSHIP
MISS L.VENNING RETAINS TITLE

There was a fair attendance at the Ithaca Baths last night when the Ladies 50 yards Championship of Queensland was decided. The race went to Miss L.Venning, the holder of the title, after a strenuous tussle over the last 25 yards with Miss D.Cooper. Miss Venning's easy and graceful action gave her an early advantage and she turned after the first 25 yards more than a yard ahead of her rival. Her condition did not last quite so well as Miss Cooper's however, and she only just managed to stave off defeat by a touch.

The carnival was controlled by the Otter Ladies Swimming Club and all the events were run off without a hitch. In all the races the greatest keenness was displayed, and in many of the events competitors showed an improvement on their previous times.

The officials in charge were - Referee, Mr D.S.Carter; Judges, Messrs R.McGregor, A.Casey, J.Whittington; Timekeepers, Messrs J.Moylan, L.Nissen, F.Springfield; Starter, Mr R.Hodge; Call Steward, Mr H.Wrench; Press Steward, Mr J.Durston; Secretary, Mrs O.McGregor.

Results -

10 yards Beginners Handicap - W.Kerr 1, E.Frost 2, L.McCormack 3

25 yards Junior Handicap - T.Jennings 1, D.Drought 2, E.Gilbert 3

50 yards Championship of Queensland - L.Venning (O) 1, D.Cooper (O) 2, P.Cruse (Com) 3. R.Straiton also started. Time 31 2/5

50 yards Junior Club Championship - J.Lind 1, M.Williams 2, J.Kerr 3

50 yards Breast Stroke Club Championship - T.Raby (holder) 1, J.Lind 2, J.Groom 3. The winner went right away from the start and won comfortably. Time 43 seconds.

50 yards B Senior Interclub Handicap - A.Fraser (V) 1, N.Holmes (O) 2, L.Smith (Fed) 3

100 yards Club Championship - R.Straiton (holder) 1, D.Cooper 2, N.Holmes 3. Won by a touch. Time 1.16 1/5

50 yards A Grade Junior Interclub Handicap - J.Lind (O) 1, L.Campbell (Com) 2, J.Kerr (O) 3

50 yards W.M.McGregor Memorial Breast Stroke Handicap - A.Miles 1, M.Williams 2, D.Raby 3

100 yards A Grade Interclub Handicap - P.Cruse (Com) 1, V.Hart (Com) 2, L.Venning (O) 3

25 yards B Grade Junior Interclub Handicap - K.Chatfield (Fed) 1, T.Jennings (O) 2, T.Drake (Fed) 3

Diving Event - L.Venning

50 yards B Senior Handicap - N.Holmes 1, S.Bell 2, N.West 3

50 yards Interclub Back Stroke Handicap - R.Straiton (O) 1, I.Cribb (Fed) 2.

Q.L.A.S.A. CHAMPIONSHIPS

The Ladies Australian Swimming Championships will take place at the new baths, Wickham Street, on Saturday February 19, Wednesday February 23, and Saturday afternoon February 26, under the auspices of the Queensland Ladies Amateur Swimming Association. The New South Wales team is expected to arrive in Brisbane next Monday, February 14, but there had been no official advice as to when the Victorian representatives will arrive.

The 100 yards Free Style and the 300 yards Teams Championships will be decided at the first carnival. As this is to be the last season in which the Teams Championship is to be held, each State is doing its utmost to win.

The Q.L.A.S.A will hold a test race on Thursday night to choose the Queensland representatives for the Teams Championship and the 100 yards Free Style. Miss Dorrie Thompson will be Queensland's representative in the Breast Stroke and Miss Lily Venning and Ruby Straiton in the Back Stroke.

B.C. Friday 11 February 1927

Q.L.A.S.A TEST RACE 100 YARDS

The 100 yards test race in connection with the selection of representatives to take part in the Australian Ladies Championships was held last night in the Wickham Street Baths. Miss Ruby Straiton (Otter), Miss Dorrie Cooper (Otter), and Miss Pauline Cruse (Commercial), took part and finished in that order. Regret was expressed that Miss Lily Venning (Otter) was unable to compete. Acting under medical advice she will not take part in any racing for the remainder of the season. Misses Straiton, Cooper, and Cruse, will represent in the Teams Championship and Miss Dorrie Thompson in the Breast Stroke Championship.

ROCKHAMPTON COMPLAINT

Rockhampton Feb 13

At the welcome to the Toowoomba and Warwick swimmers on Saturday night by the Railway Swimming Club, the absence of the Brisbane swimmers and the neglect to reply to the local Club's invitation caused adverse comment. Last year Rockhampton sent a team of Railway swimmers to Brisbane, and the country competitors materially assisted to make the Brisbane swimming carnival successful.

NEW SOUTH WALES LADIES ARRIVAL IN BRISBANE

The New South Wales lady swimmers arrived in Brisbane by the Sydney mail train last night to participate in the championship carnival to be held in the new Wickham Street Baths on February 19, 23, and 26. The train was met at the Central Station by officials of the Queensland Amateur Swimming Association and many swimming enthusiasts. The team includes Miss Jean Watts (50 yards champion of New South Wales), Edna Davey (880 yards and 220 yards champion of New South Wales), M.Mealing (100 yards back stroke champion of Australia and New South Wales), and Ettie Robertson (220 yards breast stroke champion of Australia, 100 yards and 50 yards free style champion of New South Wales). Mrs W.Chambers is Manageress of the team. The visitors will compete in a carnival in Warwick on their way home

B.C. Wednesday 16 February 1927

VICTORIAN LADIES TEAM ARRIVES

Two Victorian swimmers, representing the Victorian Ladies Amateur Swimming Association arrived by the Sydney mail train last evening for the purpose of competing in the championship meeting which opens on February 19. The ladies, who are accompanied by Miss D. Macpherson as Manageress, are Miss M. Allen and Miss D. Bostock. To those in this State who take an active interest in swimming, both these ladies are not unknown. Their performances, in fact, have earned them reputations outside, as well as all over, Australia. It was not surprising therefore that the welcome they received on alighting from the train last evening was marked by genuine cordiality. "Women sports" are, generally speaking, less demonstrative than men, especially on occasions such as this, but it was perfectly obvious the Brisbane ladies were genuinely glad to welcome the competitors.

Both the visiting swimmers are Victorian champions, and their Manageress, though singularly modest when alluding to her team, quietly expressed the opinion that they should give a good account of themselves. The past performances of both swimmers at least justified such a modest estimate of the "possibilities" at the forthcoming carnival. Miss Allen is the Victorian champion for 100, 220, and 440 yards free style, and has been for two years runner-up for the Australian championships. Although not holding as many honours, Miss Bostock is the 100 yards breast stroke champion of Victoria, and is in any State regarded as an opponent not to be lightly regarded.

WEST END CLUB'S CARNIVAL 100 YARDS JUNIOR CHAMPIONSHIP TO F.R. VINCENT

The 100 yards Junior Championship of Queensland was won at the West End Club's carnival in the Davies Park Baths last night by F.R. Vincent (Brisbane Grammar School) in 65 seconds. J. Corbett (Ips) who came second covered the distance in 67 1/5 secs. The Victor McCartney Men's handicap, with sufficient entries for 13 heats, was won by E. Kirk (WE).

Results -

100 yards Junior Championship of Queensland - F.R. Vincent (BGS) 1, J. Corbett (Ips) 2, K. Foster (T) 3 Time 65 secs

50 yards Victor McCartney Men's Interclub Handicap - E. Kirk (WE) 1, J. Hoffman (Ips) 2, W. Coonan (S'gate) 3

50 yards Junior Club Handicap - N. Lamont 1, R. Allison & R. Beer tie 2

50 yards C. Bleiler Men's Handicap - R. Moore 1, T. Baty 2

50 yards Open Scratch Race - T. Boast (V) 1, J. Bliss (T) 2, H. Day (WE) 3 Time 25 4/5 secs

50 yards Junior Interclub Handicap - N. Lamont (WE) 1, R. Allison (WE) 2

100 yards Interclub Brace Relay Handicap - C. Kettlewell & H. Day (WE) 1, G & E. Bonis (CP) 2.

Dive - E. Bonis (CP).

ROCKHAMPTON CARNIVAL

Rockhampton Feb 15

At the Railway Swimming Club's Championship Carnival last night, Rockhampton, who won the Railway Teams Championship in Brisbane last year, won the Cup again. Townsville was second, Warwick third, and Mackay fourth. The race was an easy victory for Rockhampton with 9 points, Townsville scoring 5, Warwick 3, and Mackay 2.

A. Cant, who won the 100 yards Country Championship of Queensland in Brisbane last year, had an easy win against A. Porter (T'ville) and A. Sullivan (Mackay). Cant's time was 1.6 1/5. He was never extended at any part of the journey. When he was in Brisbane last year he swam the distance in 63 seconds.

In the Junior Championship of 81 yards, C. Cave of Rockhampton, who is the present holder of the Junior Central Queensland title, had an easy win, S. Jones (Warwick) being second and W. Burns (T'ville) third. Cave's time was 50 seconds.

100 YARDS BACK STROKE CHAMPIONSHIP
WON BY MISS STRAITON

Ipswich Feb 16

St Paul's Ladies Swimming Club carnival was conducted under favourable conditions last night. The chief event was the Queensland 100 yards Back Stroke Championship for Ladies, which attracted three entries. The holder of the title, Miss L.Venning, did not compete. Miss D.Cooper withdrew from the race at the end of the first lap. Miss Straiton won from Miss Freeney by about eight yards. The race was uninteresting and lacked dash.

Results -

33 yards Ladies Free Style Handicap - E.Schulte (StP) 1, B.Crain (Brassall) 2, E.Hollett (StP) 3

100 yards Back Stroke Championship of Queensland - R.Straiton (O) 1, P.Freeney (Com) 2

100 YARDS LADIES CHAMPIONSHIP
MISS E.ROBERTSON (NSW) WINS

The first two events in the Australian Ladies Championship Carnival (the 100 yards Free Style and the 300 yards Team Championship) under the auspices of the Queensland Ladies Amateur Swimming Association attracted a fair crowd at the Booroodabin Baths on Saturday afternoon. Interest in the contests was heightened by the appearance of champion lady swimmers from New South Wales and Victoria.

The present holder of the 100 yards Championship of Australia, Miss Vera Pawley, did not defend it. The State champions, Miss E.Robertson (NSW), Miss M.Allen (Vic) and Miss R.Straiton (Qld) competed, the other contestants being Misses M.Mealing (NSW), E.Davey (NSW), and D.Bostock (Vic).

Results -

25 yards B Senior Handicap - E.Holland (WE) 1, E.Carey (V) 2, J.Hooper (WE) 3

50 metres B Senior Handicap - B.McKinley (V) 1, I.Cribb (Fed) 2, E.Foley (GR Ryders) 3

100 yards Championship of Australia - Misses E.Robertson (NSW) 1, E.Davey (NSW) 2, M.Mealing (NSW) 3. The competitors struck the water simultaneously. Miss Robertson took the lead after the first few yards and kept in front to the finish. Miss Mealing was a yard behind at the turn, swimming very strongly. Miss Davey, also swimming very strongly, was two yards behind Miss Mealing. The race at 50 yards was thinning with the three New South Wales competitors well in front. At the turn, all swimmers, with the exception of the leading three, dropped back perceptibly, and it was seen they were out of the race. At 75 yards Miss Davey made a great spurt, overtook Miss Mealing for second place and finished just a touch behind the winner, Miss Ettie Robertson. Time 1.10 3/5. Miss Mealing's time was 1.12 1/5. The pace was too hot for the Queensland champion, Miss R.Straiton, who fell back with the others in a bunch some seconds behind.

300 yards Teams Championship of Australia - N.S.W (Misses E.Robertson, M.Mealing, E.Davey) 1, Qld (Misses R.Straiton, D.Cooper, P.Cruse) 2. In the first relay Miss Cooper finished with an disadvantage of some yards to NSW. The

second relay saw Miss Mealing increase the lead to nearly a quarter of a lap over Miss Cruse. Miss Robertson, moving very easily, finished ahead of Miss Straiton with nearly the width of the baths to spare. The time, 3.32 $\frac{4}{5}$, was 15 $\frac{3}{5}$ seconds better than the existing record which is held by NSW. The Qld time was 3.47 $\frac{2}{5}$.

50 metres Scratch Race QASA - T.Boast (V) 1, E.Kirk 2, R.Franzen 3. Time 28 $\frac{1}{5}$. Boast forged to the front from the beginning and increased his lead at every stroke, winning by several yards. Kirk and Franzen finished almost together.

100 metres First Class Interstate Invitation Handicap - V.Hart (Com) 1, P.Cruse (Com) 2, P.Freney (Com) 3. The NSW competitors, Misses E.Davey and J.Watts, were hopelessly over-handicapped. Miss Davey finished fourth, 10 yards behind Miss Freney. Miss Hart, who was on the limit mark, led all the way.

50 metres A Junior Handicap - M.Williams (O) 1, G.Browne (WE) 2, J.Lind (O) 3. J.Hansen (Bundaberg) touched first but was disqualified for starting too soon.

Dive - Junior, R.Middleton - Senior, G.Brown (V) 1, Lily Drew (Com) 2

100 metres Brace Relay Handicap - G.Browne & K.Browne (WE) 1, I.Cribb & L.Smith (Fed) 2, P.Freney & P.Cruse (Com) 3. This event, owing to several withdrawals, was restricted to one contest. The limit girls led all the way until half a dozen yards from the finishing point when Miss K.Browne spurred and won by a touch. The New South Wales competitors, Misses E.Davey & J.Watts, gave a splendid performance but their handicap was too heavy.

Novelty race - E.Kelso (Met).

LADIES CHAMPIONSHIPS NEW SOUTH WALES REPRESENTATIVES PROMINENT

The second series of the Ladies Championship Carnivals was held under the auspices of the Queensland Ladies Amateur Swimming Association in the Municipal Baths, Valley, last night. The chief items, the 100 yards back Stroke Championship of Australia and the 220 yards Championship of Australia, were won by New South Wales representatives, Queensland representatives failing to gain prominence in either event.

Miss M.Mealing successfully defended her title in the 100 Championship, while Miss E.Davey secured the honour in the 220 yards event, the previous holder, Miss C.Cauldwell (NSW) failing to contest the race. The attendance was again disappointing in view of the nature of the programme submitted.

Results -

40 yards B Junior Handicap - (Misses) C.Heaten (Fed) 1, E.Carey (V) 2, A.Miles (O) 3

50 metres B Senior Handicap - L.Smith (Fed) 1, I.Cribb (Fed) 2, E.Kelso (Met) 3. Won by 1 $\frac{1}{2}$ yards, with $\frac{1}{2}$ a yard between second and third.

100 yards Back Stroke Championship of Australia - Holder of title, Miss M.Mealing (NSW) - M.Mealing (NSW) 1, R.Straiton (Qld) 2, P.Freney (Qld) 3. (the only starters). Miss Straiton secured the best of the start and led over the first lap by about a second over Miss Mealing, with Miss Freney falling back. Miss Mealing showed her prowess over the last lap, and swimming strongly won by about five feet. Time 1.25 $\frac{1}{5}$

50 metres A Junior Handicap - A.Hampson (B'berg) 1, P.Campbell (Com) 2, M.Benkins (Com) 3

Flying Squadron Championship of Queensland - previous holders, Valley Ladies Club - Valley Ladies Club (T.Thompson, G.Brown, C.Middleton, R.Middleton, D.Drouyn, J.Smith) 1, Otter 2, Commercial 3. Valley's first representative obtained a big lead in the first lap which subsequent members of the team increased, the line finally being crossed with a margin of 20 yards from Otter, with the Commercial representatives a further 9 yards behind. Time 3.56 $\frac{3}{5}$.

220 yards Championship of Australia - previous holder Miss C.Cauldwell (NSW) - E.Davey (NSW) 1, M.Mealing (NSW) 2, J.Watts (NSW) 3. Other starters, M.Allen (Vic) P.Freney (Qld). Miss Davey got an advantage at the start but was closely followed by Miss Allen. The only Queensland representative, Miss Freney, was never prominent from the start. Miss Davey touched first at the end of the

second lap and had increased her lead to four yards with Misses Watts and Mealing together. Miss Davey continued to swim strongly and widened the gap, eventually coming home an easy winner. A splendid race ensued for second place, the honour going to Miss Mealing who finished with a spurt in a time of 2.57 3/5.

880 yards (QASA) Championship of Queensland - Holder S.H.Springfield - S.H.Springfield (V) 1, E.Bonis (CP) 2, R.Franzen (V) 3. R.Mullins (Ips) also started. The race was over 16 lengths of the baths. After the first two lengths had been covered the title holder had obtained an unassailable lead. At the end of the sixth lap Mullins withdrew, and although Bonis and Franzen kept on pluckily, Springfield continued to increase his lead. At the end of the tenth lap Springfield was a lap ahead of Franzen with Bonis three quarters of a lap away. At the finish the previous champion was never extended, and won by a margin of one and a half laps, with Franzen a further lap and a quarter away. Time 12.12 3/5 Bonis 13.29, Franzen 14.46 4/5. The popular winner receiving an ovation. 100 metres Patroness' Handicap - P.Cruse (Com) 1, V.Hart (Com) 2, E.Bostock (Vic) 3. Miss D.Cooper also started. Won by 3 yards with 1 1/2 yards between second and third.

100 metres QASA First Class Handicap - T.Boast (V) 1, W.Morahan (SB) 2, W.A.Burnup (V) 3. E.Kirk and E.Hogan (WE) also started. Won by a touch.

50 metres Mrs Kuder Memorial Handicap - I.Cribb (Fed) 1, E.Kelso (Met) 2, A.Hobson (Com) 3

Dive - Junior, R.Middleton (V) - Senior, G.Brown (V).

Novelty Event P.Cruse (Com).

AUSTRALIAN LADIES CHAMPIONSHIPS MISS D.THOMPSON BREAKS BREAST STROKE RECORD

There was great jubilation at the Booroodabin Baths on Saturday afternoon when Miss Dorrie Thompson, the Queensland champion, won the 220 yards Breast Stroke Championship of Australia from the present holder, Miss Ettie Robertson (NSW), in 3.27 2/5, breaking the Australian record by 3 3/5 seconds. The attendance was poor.

It was the most exciting race in the third and final session of the Australian Ladies Championships under the auspices of the Queensland Ladies Amateur Swimming Association. It was really a contest from start to finish between Miss Robertson and Miss Thompson, and the result was in doubt almost to the end. Both girls gave a splendid exhibition of breast stroke swimming. Miss Robertson's time was 3.33 1/5. Miss Bostock was third. The other competitors were Misses S.Lind, and M.Gould (Qld) and Miss M.Mealing (NSW).

Details -

40 yards B Junior Handicap - S.Wilmington 1, L.Chatham 2, S.Johnston 3

50 metres B Senior Handicap - E.Kelso (Met) 1, V.O'Mara (V) 2, M.Hodgton (Fed) 3

220 yards Breast Stroke Championship of Australia - Holder of title, Miss E.Robertson (NSW) - Result - (Misses) D.Thompson (Qld) 1, Robertson (NSW) 2, E.Bostock (Vic) 3. Time 3.27 2/5. The competitors struck the water together. Miss Robertson quickly took the lead and at the first turn she was ahead of Miss Thompson. At 75 yards Miss Thompson started to overhaul the leader and from then it was apparent the race would be decided between the present holder of the title (Miss Robertson, and the holder of the record, Miss Thompson. At 100 yards the two champions touched together. At the third turn Miss Thompson touched about two yards ahead of Miss Robertson. The New South Wales champion made a desperate effort to make up the leeway but Miss Thompson kept to the front and touched about six yards ahead of her rival from the south. 50 yards Junior Championship of Queensland - E.Middleton (V) 1, G.Browne (WE) 2, E.Smith (V) 3. Time 32 3/5. Miss Smith was first to take the lead but she was quickly overtaken by Miss Middleton with Miss Browne closely following. They finished in a bunch.

440 yards Championship of Australia - Miss G.Davey (NSW) 1, M.Allen (Vic) 2, M.Mealing (NSW) 3. Time 6.28 3/5. Won by 20 yards with a similar distance

between second and third. The competitors struck the water simultaneously. Miss Davey led from the start and was never seriously challenged. She was followed first by Miss R.Straiton (Qld) then by Miss Mealing and Miss Robertson (NSW). Miss Robertson dropped behind at the 100 turn and dropped out of the race at 150. Her hard struggle in the 220 yards breast stroke had told on her. At 100 yards Miss Davey had increased her lead considerably and was moving with great power and ease many yards in front. After 200 yards Miss Straiton swam an erratic course. Miss Allen overhauled Miss Mealing and definitely assumed second place. Miss Davey finished very strongly twenty yards ahead of Miss Allen (6.41), and Miss Mealing's (6.50 1/5).

50 metres Mrs McGregor Memorial Breast Stroke Handicap - J.Radford (Fed) 1, P.Freeney (Com) 2, J.Smith (V) 3. Won by a yard, with a touch between second and third.

50 yards A Junior Handicap - A.Hampson (B'berg) 1, D.Sheffield (Com) 2, M.Williams (O) 3.

100 yards First Class Interstate Invitation Handicap - P.Cruse (Com) 1, M.Mealing (NSW) 2, V.Hart (Com) 3. Won by a touch. Miss G.Davey (NSW) was disqualified for going before her time, and Miss Allen for crossing. In the final, Miss Hart led at the first turn followed by Misses Cruse, Allen, Bostock, and Mealing. Miss Mealing, swimming with tremendous power, got into second position. A splendid race between Misses Mealing, Cruse and Hart. The other competitors finished in a bunch.

Dive - Junior, E.Middleton (V) - Senior, E.Robertson (NSW)

Novelty Event - Ettie Robertson (NSW).

Members of the QASA gave an interesting display of diving.

TOOWOOMBA CONTESTS INTERSTATE CHAMPIONS PARTICIPATE

The Toowoomba Amateur Swimming Centre's carnival at the City Baths tonight gave Toowoomba enthusiasts the opportunity of seeing the visiting interstate lady champions. Unfortunately, the weather was unfavourable and rain fell before the carnival commenced and mist subsequently enveloped the city, and as the baths are only partly covered, the attendance was affected. The programme was a miscellaneous one.

In the Men's Senior 100 yards Championship of Toowoomba there were six competitors, the winner being Broadfoot of the Commercial Club, a younger brother of C.Broadfoot the well-known international footballer. The Mayor (Alderman J.D. Annand) cordially welcomed the visitors on behalf of the citizens.

Miss Mealing (NSW), back stroke champion of Australia, swam an exhibition 100 yards against W.Clappison, male back stroke champion of Toowoomba. For two laps they swam together, but in the last lap Miss Mealing went ahead, eventually to win by two yards, her time for the 100 yards being 1.26, and Clappison's time, 1.29. The visiting ladies, although they gave away big handicaps, were first and second in each heat, having the final to themselves, which was won by Miss E.Robertson (NSW) from scratch. The visitors gave interesting exhibitions.

Results -

66 yards Junior Championship - J.Ferry (Valley) 1, G.Biggs (Tech College) 2, M.Muller (Grammar) 3. Won by 1 1/2 yards. Time 45 1/5

100 yards Back Stroke Exhibition - Miss Mealing (NSW) defeated W.Clappison (Tmba).

66 yards Ladies Handicap Open - Misses E.Robertson (NSW) 1, E.Davey (NSW) 2, M.Allen (Vic) 3. Won by a yard.

Ladies Dive - Miss E.Robertson (NSW) 1, Miss F.Winter (Tmba) 2

100 yards Senior Championship of Toowoomba - F.Broadfoot (Com) 1, P.Murray (Val) 2, A.McIntyre (Grammar Sch) 3. Time 1.10 1/5

33 yards Primary Schoolboys Race - D.Dumigan (North SS) 1, R.Davis (East SS) 2
Time 33 1/5

66 yards Schoolboys Brace Relay - Taylor & Davies 1, McAlpine & Tomkinson 2
66 yards Mixed Brace Relay - Young & Miss Binns 1, Rogers & Miss Steel
Exhibitions of various styles of swimming were given by Miss E. Robertson,
and a 200 yards exhibition swim by Miss E. Davey. An exhibition back stroke swim
was also given by Miss Mealing.
Trophies were presented by the Mayoress, Mrs J.D. Annand. -

CARNIVAL AT MANLY
REG GRIER RETAINS THE 400 YARDS CHAMPIONSHIP
Manly Mar 1

Speaking at a complimentary dinner tendered the visiting Q.A.S.A
members at Canberra House tonight, Major J.W. Watkins, who presided and proposed
the toast of "The Visitors", expressed his thanks to the Association for its
assistance and support. He said that the Manly Club was young, but had made
great progress. The swimming pool had proved a great boon to both visitors and
local residents. In replying on behalf of the Q.A.S.A, Mr R. McGregor expressed
the appreciation of the visitors for the very cordial reception they had
received.

Mr F.W. Springfield proposed the toast of "The Manly Club" to which Mr
O. Rowbotham replied. Other toasts included "The Lady Members of the Club"
proposed by Mr K. Horsley, to which Mrs Harrison replied.

The splendid arrangements for the dinner were carried out by the lady
members of the Club.

The President took the opportunity of thanking the carnival officials for
the excellent arrangements that had been made, especially thanking the Hon
Secretary, Mr Keith T. Horsley.

The carnival officials were - Referee, Mr D.S. Carter; Judges, Messrs
R. McGregor, A. Casey, Major J.W. Watkins; Diving Judges, Messrs F.W. Springfield,
Major J.W. Watkins; Starter, Mr F.E. Duncalfe; Check Starter, Mr R. Hodge;
Timekeepers, Messrs F.W. Springfield, Les Nissen, G. Paton, J. Pike; Clerks of
Course, Messrs C. Rowbotham, J. Montgomery; Result Steward, Mr N. Burns; Cal &
Costume Stewards, Messrs L. Kimlin, J. Durston; QASA Handicappers, Messrs
C. Graham, E.J. Goodwin, S. Cairns; Press Steward, Mr J. Whittington.

A start was made with the programme punctually at 8 o'clock, and throughout
the evening event after event was carried through in an admirable fashion.

The events resulted -

440 yards Championship of Queensland - There were four starters in the event. The title holder, Reg Grier (Valley), occupied the north side of the course. Next came E. Bonis (CP). On his right was Sid Springfield (Valley), and F. Kruck (Manly) occupied the south side. The present champion pulled into a leading position almost from the word "Go" making a nice easy stroke with his usual telling force. The Manly boy made a very creditable effort but flagged in the ninth lap and retired upon its conclusion. Meanwhile Bonis and Springfield steadily fought out a race for second place, Springfield making a better effort than his opponent, finishing an easy second. At the conclusion of the thirteenth lap Grier had gained half a lap and finished in easy style. Time 5.35 1/5.

66 yards Senior Interclub Handicap - D. Kimlin (M) 1, H. Wrench (V) 2, E. Kirk (WE) 3

NEW RECORDS

A. SUOSAARI'S GREAT PERFORMANCE GRIER AND BOAST ALSO WIN

Two new records were created and two others equalled at the State and Country Swimming Championships held in the Municipal Baths, Valley, last night. The first record broken was in the second event of the night, Alex Suosaari, of Maroochydore, answering a challenge to defend his 100 yards Country Championship, swimming the distance in 60 3/5 seconds. Suosaari's swimming was remarkable, for in addition to this event, he came second in the 100 yards Free Style Championship and was a member of the Maroochydore team which won the Country Teams Championship.

The second record was established in the 250 metres Junior Flying Squadron Championship of Queensland, the Brisbane Grammar School team clipping 10 2/5 seconds of the previous best time of 2.55 1/5.

Reg Grier won the 100 yards Free Style title from the previous holder, J. Bliss, who finished last in a field of four. Grier's time equalled the record of 57 3/5 seconds. It was a great race and the issue was in doubt until about a dozen yards from the rope, when Grier, with a magnificent finishing effort, stalled off a challenge from Alex Suosaari and won by about a yard. Suosaari and the Champion swam the first lap stroke for stroke and turned for home on even terms.

The 100 yards Back Stroke Championship went to T. Boast who won easily, his time of 1.12 4/5 being equal to the best recorded by an Australian swimmer, Dr Keith Kirkland, of Victoria, sharing the honours with the Queenslander.

Miss D. Thompson successfully defended her 100 yards Breast Stroke title, winning from Miss Gould by four yards.

Detailed results are -

100 yards Back Stroke Championship of Queensland - Holder Tom Boast (V) - T. Boast 1.12 4/5 (V) 1, E. Colquhoun 1.20 2/5 (W'ick) 2, H. Lewis (Ips)

Boast always had the race in safe keeping. Colquhoun threw out a challenge to him in the early stages, but by the time the turn was reached, Boast had effectively disposed of this and led the Warwick representative by two yards. From then on the title holder increased his lead at every stroke, and with a magnificent finishing effort, won by half a dozen yards. Kirkland's record was established at the City Baths, Melbourne, exactly four years ago. Other

starters J.Dunning (Com), S.Costa (V).

10 yards Free Style Championship of Queensland - Holder J.Bliss (T) - record 57 3/5 - R.Grier (V) 57 3/5 1, A.Suosaari (M'dore) 58 2/5 2, T.Boast (V) 60 2/5 3. J.Bliss, the title holder, touched the water first, but was never afterwards in a winning position. Suosaari and Grier swam stroke for stroke over the first 50 metres and touched on even terms, then following, Boast and Bliss. Grier clapped on the pace after turning, but Suosaari hung on tenaciously and a thrilling finish was witnessed, Grier having the better of the duel and winning by a yard. Boast was two yards further back.

100 yards Ladies Breast Stroke Championship of Queensland - Holder Miss D.Thompson (V) - Misses D.Thompson (V) 1.28 1/5 1, M.Gould (V) 1.30 4/5 2, J.Lind (O) 3. Miss K.Browne (WE) also started. Miss Thompson went to the lead early in the race and turned a yard clear of Miss Gould who was a similar distance ahead of Miss Lind. The title holder finished strongly, winning by three yards, a further six yards separating second and third. Miss Browne was a yard further back.

100 yards Country Championship - holder A.Suosaari (M'dore) - Alex Suosaari (M'dore) 60 3/5 1, J.Suosaari (M'dore) 64 4/5 2, H.Howard (B'berg) 65 3. A.Suosaari won easily by five yards in record time for the event. A great race resulted for second place, only a yard separating the five competitors. Other starters were, V.Suosaari (M'dore), R.Thompson (Ips), F.Devitt (War).

50 metres Junior Country Championship - Holder D.Gredden (Ips) - J.Corbett (Ips) 30 2/5 1, J.Tucker (B'berg) 33 2, F.Groth (War) 34 1/5
Won by five yards. Other starters were, J.Peterson (M'dore), W.Campbell (Ips), F.Law (War), J.Ferry (Tmba).

Diving Championship of Queensland - J.A.Collin (V) 1, K.Petrie (T) 2, T.Briggs (Com) 3

QASA Junior Neat Dive - G.P.Finemore

Junior Interclub Handicap - J.Tucker (B'berg) 1, M.Sardie (CP) 2, W.Barr (Fed) 3

"Bill" Hetherington Memorial Interclub Handicap 50 metres - D.Harrower (CP) 1, H.Nilsson (B'berg) 2, J.Hind (Com) 3. A.Goforth finished first but was disqualified for going before time.

250 metres Junior Flying Squadron Championship of Queensland - Holder Valley - Brisbane Grammar School (G.P.Finemore, A.W.Gilmour, R.E.Buchanan, L.Richards, F.R.Vincent) 1, Valley (J.Pike, F.Trenfield, A.Brelsford, L.Binkin, B.Stafford, R.Cairns) 2, St Paul's (Ipswich) 3. Time 2.44 2/5, cut 10 2/5 seconds off the existing record.

500 metres Flying Squadron Teams Championship of Queensland - Holder Valley - Valley (T.Boast, R.Grier, S.H.Springfield, J.M.Collin, W.Burnup, R.Franzen, E.Hogan) 1, Toowong (J.Bliss, K.Petrie, G.Edwards, E.Grossett) 2, Manly (H.Kruck, D.Kimlin, R.Horsley, G.Horsley, W.Ricketts) 3 Time 6.6

500 metres Flying Squadron Intercity Country Teams Championship of Queensland - Holder Bundaberg - M'dore (A.Suosaari, J.Suosaari, V.Suosaari, A.Peterson, Spencer Brown) 1, Warwick 2, Ipswich 3. Time 6.19 1/5.

Points for the "Daily Mail" Shield - Maroochydore 12, Ipswich 5, Warwick 4, Bundaberg 3.

TOOWOOMBA CARNIVAL

Tmba Mar 20

On Saturday night in the Toowoomba City Baths an interesting carnival controlled by the Toowoomba Amateur Swimming Centre took place. The carnival was hurriedly arranged but gave Toowoomba the opportunity to see in action some of Brisbane's, and also Queensland's, very best swimmers. A feature of the evening was a very fine 220 yards exhibition swim by R.Grier. He had three top notch Toowoomba swimmers, F.Broadfoot, J.Steggall, and J.Ferry, to pace him, each doing a lap. Grier swam the distance in 2.33 4/5. His own record time for the distance is 2.26 2/5.

Another champion, T.Boast, in a 100 yards back stroke exhibition swim, conceded Toowoomba back stroke champion, W.Clappison, 14 seconds, but the latter won. Boast swam the distance in 1.14 1/5.

In the relay race (teams of six, each to swim 66 yards) the Brisbane team conceded the Toowoomba team 36 seconds, and although the Brisbane team swam finely, the last Toowoomba swimmer, J.Ferry, touched four seconds ahead of Grier, the last swimmer for Brisbane.

SUCCESSFUL SEASON
QUEENSLAND AMATEUR ASSOCIATION

"Your Executive records with great satisfaction a year of unequalled prosperity and advancement, which, together with the unprecedented achievements of our swimmers, ranks the season, beyond any doubt, the greatest in the history of the Association." These are the opening remarks of the 28th Annual Report of the Queensland Amateur Swimming Association which was presented and adopted at the Annual Meeting held in the Y.M.C.A. Rooms last night. The President, Mr D.S.Carter, presided over a large attendance of members.

EXCESSIVE BATHS CHARGES

The Report detailed at length the results achieved by members of the Association at the various carnivals and State Championships held during the year, including the Association's International carnivals at which the Japanese "cracks" competed. Reference was also made to the recent Australian Championships, and Reg Grier was praised for his win in the 220 yards Australian Championship and Tom Boast for his win in the 100 yards Back Stroke Championship. Their efforts were full of merit and promised great things for the future. The next Australian Championship would be held in the early part of 1928 at Brisbane and Sydney. The Report drew attention to what was described as the excessive charges made for rental of the City Baths for carnivals, amounting to 33 1/3% of the takings. The "Civic Fathers" could not even be induced to receive a deputation from the Association on the matter.

The latter subject was also touched on by the President when moving the adoption of the Report. He said that after pressing for the building of the baths for years and seeing their wishes realised, he little thought that they would be penalised by such excessive charges which were out of all proportion when compared with similar charges in other capital cities. The Chairman also referred in his remarks to the forth-coming Olympic Games, and urged on the Clubs the necessity to make provision to meet the financial requirements. The cost of sending a swimmer to France was £400, and in past years Queensland had never contributed its full quota of the expense of sending an Australian team overseas. He suggested, as a matter the Council might consider, the holding of a swimming carnival on November 16 when funds could be raised towards the expense of the Olympic trip, and at which Messrs Boast and Grier, who were now successfully touring Japan, could be given a "Welcome Home".

The Report was seconded by Mr Les Nissen and adopted after brief discussion.

The Balance Sheet showed a Credit Balance of £108/16/4.

The election of officers resulted - Patron, Mr F.W.De Little ; Pres-ident, Mr D.S.Carter; Vice Presidents, Alderman W.M.Jolly CMG, Colonel D.C.Cameron MHR, Messrs T.C.Beirne, J.Hiron, Les Nissen, F.E.Duncalfe, F.Springfield Snr, W.B.Swain, Ern Lawton, A.Haslet, E.H.Mair; Chairman of Council, Mr D.S.Carter; Hon Treasurer, Mr R.McGregor; Hon Secretary, Mr E.J.Goodwin; Assistant Hon Secretary, Mr J.Durston; Hon Handicappers, Mr C.Graham (Seniors), Mr E.J.Goodwin (Juniors).

TOUR OF JAPAN

In late September and early October a team of Australian swimmers went to Japan to compete in what was termed Pan Pacific carnivals, the first at Osaka on September 25 when the American team were reported as being successful, though no specific results were given in the Brisbane Courier.

Two carnivals were held at the Tamagawa pool, outside Tokyo, Prince Kayo presiding at the first, and the British Ambassador, Sir John Tilley, also being present. The first meeting on October 1 was held in glorious weather, with an

attendance of 7000 spectators who were most enthusiastic. Kelly, the Australian swimmer, paid a tribute to the excellent arrangements. Although the results were unfavourable to the Australian team, he considered that the visit was of the highest value from an educational point of view. He expressed pleasure at the cordial reception tendered his team which would sail by the Aki Maru on October 7.

The closing day (October 2) was held in wet weather. In spite of the unfavourable conditions there was an enthusiastic attendance estimated at 10,000. Several Japanese Princes were present, also the British Ambassador and Lady Tilley. The events were evenly contested.

Results Day 1 -

400 metres Free Style - Takaishi 1, E.Crabbe 2, Clancy 3, Takarayaishi 4, R.Grier (Aust) 5 Time 5.5

200 metres Back Stroke - Eric 1, Kimura 2, Komenaka 3, Oki 4, Boast (Aust) 5 Time 2.50 1/5

100 metres Free Style - Takaishi 1, Laufu 2, E.Crabbe 3, Henry (Aust) 4 Time 59 3/5

Second Day

100 metres Back Stroke - Laufu 1, Eric 2, Komenaka 3, Kimura 4, Sarahashi 5, Boast 6 Time 1.12 4/5

200 metres Free Style - Takaishi 1, Clancy 2, Grier 3 Time 2.17 1/5

800 metres Relay - America 1, Japan 2, Australia 3 Time 9.38. This is a new world's record.

MANLY CLUB

The Annual Report of the Manly Amateur Swimming Club presented by the retiring Secretary, Mr K.Horsley, at the first Annual Meeting held at Manly last night bore evidence of a very successful season. Special mention was made of the untiring of the President, Major J.W.Watkins, the Club's Captain, Mr D.Kimlin, and Mesdames Wall and Harrison for organising social functions. The Club membership, it was stated, had reached a total of 91 active swimmers. During the year weekly Club swims, interclub events and the annual carnival - which included the 440 yards Championship of Queensland - had been well supported. The Treasurer's Report revealed that in spite of heavy financial obligations that had been undertaken, the Club had finished the season with a small credit balance. The ordinary income for the year had amounted to 39/9/3, and in a special carnival account 53/14/3 had been put through the books.

The retiring President, Major J.W.Watkins, eulogised the work of all connected with management of the Club, especially the Secretary, Mr Keith Horsley. Major Watkins urged the younger members of the Club to take a more active part in the Club's management, and display the same amount of enthusiasm that they had shown as swimmers. He also expressed the wish to stand down from the Presidency in the coming season.

The election of office bearers for the coming year resulted - Patron, Mr W.H.Barnes MLA; Vice Patrons, Alderman W.L.Dart, Major J.W.Watkins, Dr G.Middleton; President, Mr W.M.Broadfoot; Secretary, Mr R.Horsley; Treasurer, Mr L.Kimlin; Captain, Mr D.Kimlin; Vice Captain, Mr R.Dawes; Handicappers, Messrs N.Broadfoot, R.Horsley, D.Kimlin; Timekeeper, Mr R.Stack; Starter, Mr L.Kimlin; Check Starter, Mr P.Taylor; Committee, Mesdames Wall, Harrison, Misses A.Clarkson, M.McDonald, D.Taylor, Messrs J.Reid, A.Harrison, W.Ricketts, G.Keith, C.Hears, C.Rowbotham, G.Paton. Mesdames Wall and Harrison, Major J.W.Watkins, and Mr V.Steele, were elected Life Members.

SOUTHPORT CLUB DISBANDED

Owing to a lack of interest in swimming at Southport last season, it was resolved at the Annual Meeting of the Southport Ladies and Men's Swimming Clubs last night to wind up both Clubs and divide the money in hand among active members of the Clubs on a proportional basis. Mr W.Cran presided over the

meeting. The Secretary, Mr C.Betts, reported that the Men's Club had a Credit Balance of £13/2/9, and the Ladies Club had £4/3/5 in hand.

It was decided not to issue blazers but to allot the money in hand proportionally to active members of the Clubs by means of open orders which had been issued to the Men's Club to the amount of £9/10/-, and the amount of £2/2/- to members of the Ladies Club.

The report of the organiser, Mr C.F.Bell, stated that owing to bad weather, want of interest by some members, and lack of support from the general public, the last season had been a very short one, only four swims having been held, and no championships were held. Jack Cran was, as in previous years, the outstanding swimmer of the Club.

IPSWICH CENTRE

Ips Oct 7

An Executive meeting of the Ipswich Amateur Swimming Centre was held last night. The President, M W.S.Johnstone, was in the Chair. Mr F.W.Lewis reported on a meeting of the joint baths committee, and stated that Mr D.Newell had been appointed caretaker of the baths for this season. At the meeting a discussion had arisen on the matter of the bad seating accommodation and the Centre's representative had suggested that the left gallery should be altered in order to meet requirements more suitably. The Aldermen at the meeting seemed sympathetic to the idea.

Th Secretary, Mr Lemass, reported he had attended the annual meeting of the Q.A.S.A and received trophies won by Ipswich swimmers in the course of last season. At the meeting it as stated that the Australian Championships were to be held in Brisbane early in 1928, and he added that an endeavour was being made by the Ipswich Centre to secure one of these championships for competition at Ipswich. Happy references were made to the fine relationships that existed between the Ipswich Centre and the parent body. The harmony, the speaker said, was doing much for the benefit of the sport as a whole. It was mentioned in the course of the meeting that an endeavour was being made to have an appearance of Reg Grier and Tommy Boast in Ipswich before Christmas, after their return from Japan.

B.C. Saturday 15 October 1927

REPORT OF SUCCESSFUL SEASON

"The Ipswich Swimming Centre 1926-27 season was without doubt the most successful in the history of the Centre," said Mr Lemass in a Report submitted to the Annual Meeting of the Centre held last night. Mr W.S Johnstone presided over some 70 swimmers and followers of the sport, the attendance being a record. Mr Lemass reviewed the season at length and commented that the most pleasing feature of the year's activities was the number of records shattered, J.Corbett and Misses N.Wallace, V.Coppin and E.Schulte having new records to their credit. The Executive said these records spoke well for the improvement of the standard of swimming in Ipswich. The Treasurer, Mr J.H.Menzies, reported the year commenced with a Credit Balance of £9/12/7, and concluded with a Credit Balance of £30/13/6.

PRESENTATION OF TROPHIES

Mr W.M.Pratt, and ex-President of the Centre, presented trophies to successful swimmers of last season. (list given).

NATIONAL CHAMPIONSHIPS
QUEENSLAND DATES FIXED

At a meeting of the Council of the Queensland Amateur Swimming Association, over which the Chairman, Mr D.S.Carter, presided at the Y.M.C.A last night, it was decided to hold the Queensland section of the Australian National Championships on January 13, 23 and 25, 1928, provided the City Council is agreeable to let the Association have the Municipal Baths on those dates.

On the motion of Mr E.J.Goodwin it was decided to conduct the opening carnival of the season on November 16, and that the 100 yards Junior Championship of Queensland should be included in the programme.

Correspondence in relation to the visit to Australia of the German swimmers, Froelich and Radmacher, was read, and the Council affirmed a suggestion to accept the offer of the Victorian Amateur Swimming Association - which is bringing the Germans to this country - to let the swimmers come to Queensland. The acceptance was made with the provision that the expenses borne by the Q.A.S.A should not exceed £50.

The date for the drawing for the State Championships was set down for October 24.

The following officials were elected for the coming season - Chairman of Council, Mr D.S.Carter; Secretary, Mr E.J.Goodwin; Assistant Secretary, Mr J.Durston; Treasurer, Mr R.McGregor; Starter, Mr F.E.Duncalfe; Standard Timekeeper, Mr J.Moylan; Registration and Entry Steward, Mr R.Franzen; Executive, Messrs H.Davis, J.Montgomery, N.Burn, A.G.Casey, F.E.Duncalfe.

STATE CHAMPIONSHIPS

The ballot for the allocation of the various State Championship events was taken at a meeting of the Council of the Swimming Association last evening. The draw resulted in the Toowoomba Swimming Club being allotted the 100 yards Free Style Championship to be conducted at its carnival, and the West End Club the 220 yards Free Style event. The 440 yards event will be contested at the Valley Club's carnival on November 30, while the Diving Championship is to be conducted at the Commercial Club's carnival on December 7. The 100 yards Back

Stroke race is to be swum at Ipswich, while the QASA is controlling the 100 yards Junior Championship event at the Olympiad carnival at the Municipal Baths on November 16, and will also conduct the 880 yards, 1 mile Free Style as well as the 220 yards and 440 yards Breast Stroke events at a carnival to be held later in the season.

For the forthcoming events a Junior was defined as one being under the age of 16 years on October 1.

IPSWICH AMATEUR SWIMMING CENTRE

Mr Johnson presided at a meeting of the Executive of the Ipswich Amateur Swimming Centre held in the YMCA Rooms last night.

It was decided at the request of the Q.A.S.A to send J. Corbett to swim in the Q.A.S.A 100 metres scratch race to be held at the Olympiad Carnival in Brisbane on November 16.

It was mentioned that the quota for bringing T. Radmacher and A. Frolich to Ipswich would not exceed the £15 the Centre was prepared to pay. This made it definite that a visit from the two German swimmers would be accepted by the Centre.

Mr D.A. Gledson (Minister for Labour and Industry) accepted a position as a Vice President.

It was decided to invite Reg Grier to a carnival to be held on November 30 in the City Baths.

SWIMMERS RETURN FROM JAPAN

Messrs Reg Grier and Tom Boast who visited Japan by invitation to take part in the championships there, return to Brisbane by the steamer Akai Maru which is due at Dalgety's wharf, Bulimba, at 5 o'clock this afternoon.

SWIMMING DATES QUEENSLAND PROTESTS

At a meeting of the Queensland Amateur Swimming Association held last night, over which Mr D.S. Carter presided, it was decided on the motion of Mr E.J. Goodwin to enter an emphatic protest to the Australian Swimming Union against the swimming portion of the National Olympic Championships being held in Sydney in the first week of January, which is prior to the holding of the Australian National Championships. It was claimed that the holding of the National Olympic Championships prior to the holding of the Australian National Championships in Brisbane might possibly interfere with the financial success of the latter fixture.

REGISTRATION FEES

Mr E.J. Goodwin also moved that the present rule or minute regarding registration should be rescinded and the following inserted, "That the registration fee be 1/- each Senior and 6d for each Junior member of Clubs within a 20 mile radius of the Brisbane G.P.O. A member must be registered who competes in a Club or Interclub event. The minimum number to be 20 Seniors and 10 Juniors." Previously only those who swam in interclub events were registered. The mover said he was moving the motion so as to assist the Association which was badly in need of funds. Mr F.W. Springfield urged that every member of Clubs be compelled to pay 1/- or 6d respectively, and not members who competed in Club or Interclub events only. The President, Mr Carter, said that for years past the Association had been living from hand to mouth. Twenty years ago the fees were the same as they were now.

The motion was agreed to by 17 votes to 5.

Among the correspondence was a letter from the Warwick Amateur Swimming Club proposing that no opportunity be lost in obtaining a visit from the German swimmers, and agreeing to make arrangements for a carnival in Warwick.

The application from the West End Club for permission to hold a carnival on the first available Tuesday after the Australian Championships was approved.

It was resolved that Mr F.W.Springfield be asked to submit a series of dives for the Australian Championship Carnival, and the following Committees were appointed in connection with that carnival - Entertainment, Messrs A.Casey, H.Davis, J.Whittington, E.S.Collin, J.Durston; Selection, Messrs F.W.Springfield, E.J.Goodwin, A.Casey.

NEW RECORD - REG GRIER'S PERFORMANCE
Q.A.S.A.CARNIVAL

The Municipal Baths in Wickham Street presented an animated scene last night when the Olympiad Carnival was held under the auspices of the Queensland Amateur Swimming Association. The object of the carnival was the raising of funds to send representatives from Queensland to the Olympic Games in Amsterdam next year.

The officials were - Referee, Mr D.S.Carter; Swimming Judges, Messrs H.Davis, A.Haslet, A.Casey; Diving Judges, Messrs D.S.Carter, J.Hiron, F.W.Springfield; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Timekeepers, Messrs J.Moylan, Les Nissen, S.H.Springfield, R.H.Bunting; Call Steward, Mr F.C.Ivett; Result Steward, Mr N.Burn; Clerks of Course, Messrs T.Atkins, J.Montgomery; Handicappers, Messrs C.Graham (Seniors), E.J.Goodwin (Juniors); Heat Steward, Mr J.Whittington; Press Steward, Mr H.J.Kiely; Assistant Hon Secretary and Post Entry Steward, Mr J.Durston, Hon Treasurer, Mr R.Murphy; Hon Secretary, Mr E.J.Goodwin.

A feature of the evening was the performance of Reg Grier (Valley) who signalled his return from Japan by breaking the Australian record of 64 4/5 seconds for 100 metres, established by A.W.Barry (N.S.W.) in 1913. Grier's time was 63 seconds. Results -

50m Junior Interclub Handicap - C.Brown (KG) 1, P.McGovern (GT) 2, A.Schy (Brassall) 3. Won by half a length after a good race.

100m B.B.Kieran Memorial Handicap - H.Lewis (Brassall) 1, M.Jackman (V) 2, J.Ryan (GT) 3. A good race won by half a length.

100 yards Junior Championship of Queensland - B.Stafford (V) 1, J.Pike (V) 2, B.Bick (T) 3. A splendid race, a split second only separating first and second. The third man was 3 yards behind. Time 1.8 1/5.

400m Under 18 & Secondary Schools - G.Thomasson (Rockh) 1, A.Payne (St Pauls) 2, J.Hills (Brassall) 3. There were seven starters. Thomasson early gained a big lead which he maintained throughout, finishing 30 yards in the lead. Half a length separated second and third.

100m Open Scratch Race - R.Grier (V) 1, T.Boast (V) 2, J.Corbett (Brassall) 3. Won by 3 lengths with 6 lengths between second and third. Time 63 seconds. Boast's time was 65 2/5.

100m Brace Relay Handicap (Lady & Gentleman) - Miss E.Schulte & A.Thompson (St Pauls) 1, Miss D.Thompson & T.Boast (V) 2. Miss E.Beavis & J.Lee (Brassall) finished second but were disqualified for starting before their time.

High & Fancy Diving Competition - J.S.Collin (V) 1, G.Collings (V) 2, W.Morall 3. Junior - E.Nalder (V).

200m Interclub Handicap - W.Daley (WE) 1, A.Thompson (St Pauls) 2, R.Grier (V) 3. Won by 5 lengths with half a length between second and third.

An excellent display of fancy and high diving was given by a ladies troupe comprising Misses V.Hart and P.Lyons of the Commercial Club, and Miss G.Brown of the Valley Club.

VALLEY CARNIVAL
GRIER RETAINS THE 400 YARDS TITLE

The Valley Amateur Swimming Club held its annual Championship and Interclub carnival at the new Municipal Baths, Wickham Street, last night. There was a fair attendance. The big event of the night was the 440 yards Championship of Queensland. R.Grier retained the title. He swam an easy race and at no time was he bothered by T.Boast and E.Bonis, his opponents. In the Open 100 metres Scratch race, which was also won by Grier, his time was 63 seconds, and that of the second man, T.Boast 64 seconds, which were both better than the best recognised by an Australian, A.W.Barry, 64 4/5 seconds.

The officials were - Referee Mr D.S.Carter; Swimming Judges, Messrs H.Davis, R.McGregor, A.Casey; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Timekeepers, Messrs J.Moylan, Les Nissen, F.W.Springfield, R.H.Bunting; Call Stewards, Messrs K.Mackay, F.C.Ivett; Result Steward, Mr N.Burn; Clerks of Course, Messrs T.Atkins, J.Montgomery; Handicappers, Messrs C.Graham, E.J.Goodwin; Heat Steward, Mr J.Whittington; Press Steward, Mr J.Durston; Treasurer, Mr J.J.Fennell; Secretary, Mr H.Kiely. Details -

440 yards Championship of Queensland - R.Grier (V) 1, T.Boast (V) 2, E.Bonis (CP) 3. Grier's time 5.35, Boast 6.0 3/5, Bonis 6.4 1/5. Grier made a great getaway and at the end of the first 100 metres had established a good lead, and he gradually drew further away from his two opponents and eventually won by 25 yards. Bonis had a short lead on Boast for a good part of the race, but in the last 100 metres Boast asserted himself and drew level. After a hard struggle Boast swam into second place 2 yards ahead of Bonis.

Novice Handicap 30 yards (Club only) - W.Mark 1, H.Jones 2, M.McConnell

Junior Interclub Scratch Race 50 metres - J.Pike (V) 1, J.Stafford (V) 2, P.Smith (Fed) 3. Pike won comfortably.

Open Scratch Race 100 metres - R.Grier (V) 1, T/Boast (V) 2, J.M.Collin (V) 3. Time 63 seconds. The Australian record is held by K.Takaishi in 60 1/5 secs. Grier looked a winner from the jump off, but Boast gave him a good go for it. Collin was handicapped by a poor start.

Butterfield Memorial Interclub Handicap 100 metres - K.Foster (T) 1, J.Bliss (T) 2, J.Ryan (Com) 3.

Junior Interclub Handicap 50 metres - Whyte (V) 1, Nalder (V) 2, Lewis (WE) 3

Interhouse Relay 200 metres - Taxation Dept (W.Burnup (Capt), T.Baty, W.Smith, J.Scanlan) 1, Overell's (W.Gillmester (Capt), R.Wilson, M.Goode, A.Brown) 2, McWhirter's (C.Mellor (Capt), H.Lacey, V.Balon, H.Collings) 3. Electric Light finished second, but were disqualified owing to the leader starting before his time.

Breast & Back Stroke Handicap 100 metres - W.Daley (WE) 1, T.Boast (V) 2, R.Franzen (V) 3

Interclub Handicap 300 metres - S.H.Springfield (V) 1, D.Hopkins (V) 2, W.Sykes (Com) 3.

A diving display was given by a troupe consisting of Jim Collin (leader), Gladys Brown, Bill Morall, Kit Petrie, "Lad" Collins, Geoff Collings. A water novelty "The Flying Angel" was provided by the Australian Breast Stroke Champion, Dorrie Thompson. Jim Vincent, Physical Culture expert, also gave an exhibition. The "Dark Town Life Saving Squad" provided a burlesque entertainment.

AUSTRALIAN CHAMPIONSHIPS

The usual monthly meeting of the Q.A.S.A was held in the YMCA Rooms last evening. It was decided to inform the New South Wales Association that the Q.A.S.A was not in favour of altering dates to allow the first section of the Australian Championships to be staged in New South Wales. The first section will now be held in Brisbane on January 19, 23, and 25, next year.

Information that Miss D.Thompson's 220 yards record of 3.27 2/5 was also forwarded to the Australian Swimming Union.

The programme submitted by the Hon Secretary for the National Championship Carnival was approved.

COMMERCIAL CLUB'S CARNIVAL
MISS VENNING'S SUCCESS

Swimming of a high standard was witnessed at the Commercial Amateur Swimming Club's combined annual Interclub and Championship Carnival at the Municipal Baths last evening.

Miss Lily Venning, and Australian lady champion, added more laurels to her already large list in winning the 50 yards Free Style Championship of Queensland, and Back Stroke event even after conceding big handicap. The Free Style Championship was a fine race and Miss Venning was all out to win from Miss D.Cooper who put up a splendid fight for the title. T.Bliss swam up to form and neatly won the 50 metres race with room to spare. The diving exhibition was of high standard, and the Championship of Queensland was retained by the holder, J.Collin, though he found a hard opponent in G.Collings.

REG GRIER IN FORM
TOOWONG CLUB'S CARNIVAL

A large number of swimming enthusiasts witnessed Reg Grier, an Australian champion who has just recently returned from a tour of the East, comfortably annexe the 100 yards Free Style Championship of Queensland at the Toowong Baths last night. The event was a feature of the Interclub and Championship Carnival conducted by the Toowong Amateur Swimming Club.

Grier competed against strong opposition in Tom Boast, A.Suosaari and Jack Bliss. Suosaari and Bliss were quickly off the mark and held a slight lead from Grier and Boast in the first lap. Suosaari maintained the lead until approaching the turn for the fourth lap. On the turn Grier forged to the lead closely followed by Boast who put up a fine effort. Grier, however, continued

to gain, and drawing away from his opponents, won comfortably.

In the Gordon Parkinson Memorial Handicap, C.Kettlewell took every advantage of his big handicap and registered an easy win in the final. Diving displays given by members of various clubs were much admired.

TIDAL BATHS - NEW STRUCTURE AT SANDGATE
OFFICIAL OPENING ON SATURDAY

The new tidal swimming baths in Sandgate situated near the kiosk on Flinders Parade was opened on Saturday afternoon. People in large numbers gathered to witness the events that had been arranged by the Sandgate Swimming Club for the official opening.

"The baths costing £7,500 are 100 feet in length, 54 feet in breadth, and have a capacity of 205,500 gallons. At the deep end there is a depth of 8 feet 6 inches, and 3 feet at the shallow end. The bottom is 9 inches of reinforced concrete with walls of 2 feet at the base. There are 8 showers, pumping plant, 26 family or double dressing boxes, and 32 single boxes. A red tile roof covers the boxes. A handsome frontage is brick with ornamental plastering showing brick covings. The whole is well illuminated with three lamps of high power to give light to the pool. For three quarters of the capacity the baths are filled by the tide, the remainder is pumped."

The opening ceremony was performed by His Worship the Mayor, Alderman W.A.Jolly CMG, who was accompanied by Mrs Jolly. (The report of others present and speeches). The baths were designed by the City Architect, Mr A.H.Foster, with R.Hornibrook as contractor.

R.Grier, T.Boast and Miss D.Thompson gave exhibitions during the afternoon.

SUCCESSFUL CARNIVAL AT MANLY
RECORD ATTENDANCE

There was a record attendance at the Manly swimming pool last night for the Gala Swimming Carnival organised by the Manly Swimming Club under the auspices of the Q.A.S.A. Though the youngest of the metro-politan Clubs, this is the second successful carnival held by the Club this season at Manly.

In the 66 yards Handicap there were 22 entries, the Brisbane Grammar Old Boys and the Manly Clubs well represented. T Boast won his heat in the 10 yards Handicap and also the final, his time being 56 1/5 seconds. As this swimmer, who has just returned from Japan, took up his position for the race, he was accorded an ovation.

The officials were - Secretary, Mr R.G.Horsley; Judges, Messrs D.Davis, J.Reid, A.Casey, J.Paton, Major J.W.Watkins; Timekeepers, Messrs G.Paton, J.Moylan; Call Steward, Mr Keith Horsley; Starter, Mr L.Kimlin; Clerk of Course, Mr H.Snowden; Costume Steward, Mr D.Watkins. At the conclusion of the programme, the Club Vice Patron, Major J.W.Watkins, presented the various trophies.

LADY SWIMMERS
APPEAL FOR FUNDS

To The Editor,
Sir,

The Queensland Ladies Amateur Swimming Association desires to send representatives to Melbourne in February next to compete in the forth-coming Australian Championship Swimming Carnivals. The Queensland champion lady swimmer, Miss Dorrie Thompson, who holds the world record for 220 yards Breast Stroke, has a chance of being chosen to represent Australia in the Olympic Games to be held in Amsterdam. To send our best lady swimmers south, however, funds are urgently needed. The last Interstate carnivals held in Brisbane in February 1927 should have yielded a sound profit, but a heavy deficit resulted mainly owing to the high rates charged by the City Council for the use of the new Municipal Baths. Our Association is hopeful, as a result of this appeal, to be able to send a team to Melbourne to uphold Queensland's honour, and we ask all supporters of swimming and other clean sports, and people generally, to make contributions no matter how small. The donations will be duly acknowledged in the "Courier", and should be sent to the Hon Secretary, Miss P.Brunnich, Hillston Road, Taringa.

We are, Sir,
C.M.De Little (Patroness)
Mrs Jean McGregor Lowndes (President)
P.Brunnich (Secretary)

AUSTRALIAN CHAMPIONSHIPS

The monthly Council Meeting of the delegates from the various Clubs forming the Queensland Amateur Swimming Association was held in the Y.M.C.A.Rooms last night. The President, Mr D.S.Carter, presided over a fair attendance of representative members.

The rules and regulations governing items on the carnival programme were received from the National Games Association, and the Queensland Association was also informed that the record time set up by Miss Dorrie Thompson had been classified and recognised throughout Australia.

The main business related to the forthcoming carnival for the first section

of the Australian Championships to be held in Brisbane on Saturday January 21 and Wednesday January 25 at the new Baths in Wickham Street, Valley.

On Saturday, the Diving Championships in particular will be held, and regulations from the National Games Association state that in the low and high springboard events, five compulsory and three voluntary must be taken. In the low board event these will consist of - a running plain header inward, backward header standing, running header, backward header and forward spring, and running header forward with half screw. In the higher springboard event, the dives will be judged from - a running dive from a height of 11 feet 3 inches, backward somersault from the same height, standard plain dive from 20 feet 3 inches, and running plain dive from the same height.

It is understood that "Boy" Charlton, the international swimmer, will not compete, but notable entries from other States are expected to counteract this. Alterations will be made to the baths to enable the carnival to fit in with championship requirements, mainly in the seating accommodation, and details regarding the turning and finishing boards. The entertainment committee has made arrangements to give the visiting swimmers sample of Queensland hospitality. On the Thursday preceding the carnival a motor trip has been arranged to Redland Bay, and on Sunday a motor trip to Scarborough will be enjoyed.

KIERAN SHIELD
KEEN CONTESTS PROMISED

All Queensland is looking forward to Saturday afternoon January 21 and Wednesday night January 25, the dates on which the Australian National Swimming Championships will be held in Brisbane at the Municipal Baths. Every effort has been made by the Q.A.S.A to see that Queensland is represented by her best swimmers to see, if possible, the State may annexe the coveted Kieran Shield which is emblematic of the champion swimming State of Australia. It is exactly twenty one years since Frank Springfield last won the Shield for Queensland, but with such champions as Reg Grier, Tom Boast, the Suosaari brothers, Jas Collin, B.Stafford, Jack A Plumb (Rockhampton), A.Robertson (Cairns) and other "near" champions at present swimming in good form, Queensland's chances are second to none.

INTERSTATE ENTRIES

Already entries have been received from E.W.Jones (Free style), N.H. Unbehaun (Junior), "Scotty" Fowler (diver) of West Australia, T.H.Morris and J.Warner (divers) from Victoria (and the swimmer from that State will be selected after trials to be held tonight), and Ron Greacen of South Australia. Jones is the West Australian swimmer who could judge his claim as very close to "Boy" Charlton over the distances, and those who witnessed the great race between he and Reg Grier for supremacy in the 440 yards Championship last year at Hobart will long remember it.

100 METRE TEST

The Q.A.S.A has decided to hold a test race over 100 metres at the Valley Baths on Wednesday night at 8 o'clock so as to allow the Selectors to pick a fifth swimmer for the Queensland team to meet the "Rest of Australia" in the Teams Challenge Race on Saturday afternoon, January 21. The following swimmer are especially requested to be in attendance - W.D.Henderson, F.R.Vincent, R.M.Ward (BGSOB), W.Burnup (V), J.Corbett (Ips), K.Foster (T). Anu other swimmer who wishes to compete may do so by being in attendance. The following have already been selected - R.Grier, T.Boast, A.Suosaari, Jack Bliss.

INTERSTATE CHAMPIONS ARRIVE IN BRISBANE

Four West Australian representatives to take part in the Australian Swimming Championships , E.W.Jones (440, 880, and 1 mile champion of Australia), W.Boylan (Coach), J.Fowler (champion diver of Western Australia) and N.H.Unbehaun (Junior champion of West Australia) arrived in Brisbane on Monday. The Victorians arrived last night - B.Jeffrey (Junior champion of Victoria), I.Stedman (breast stroke champion of Australia), Len Warner (diver), F.H.Morris (champion diver of Victoria) and H.Farrow (diver).

MORE VISITORS ARRIVE THE AUSTRALIAN CHAMPIONSHIPS

The New South Wales team of four swimmers under the management of Mr V.MacDonald (Assistant Secretary of the Amateur Swimming Association of that State) arrived by the Sydney mail train last night to compete in the Australian Championships commencing at the Municipal Baths, Valley, on Saturday afternoon. The team comprised N.Ryan (Manly - a phenomenally successful Under 16 performer), F.Jacobs (who will compete in the 100 yards Junior Championship), D.Tighe (diver), and G.Chidgey, who with R.Greacen of South Australia who also arrived, will compete in the 220 and 440 yards championships.

Reg Grier's swim in the Municipal Baths when he lowered the standing record for an Australian swimmer for 400 metres by 1 4/5 seconds, coming on top of his splendid performances in winning the 220 yards Australian title, and getting second in both the 100 and 440 yards Australian Championships last year, held in Melbourne and Hobart, together with his recent great swimming in getting second to world champions at the Pan Pacific Games in Japan, stamps him as one of the finest swimmers Australia has ever produced. Tom Boast, the Australian Back Stroke champion, who was also a member of the team at the Pan Pacific Games in Japan, has also shown considerable improvement since his return to Queensland, both as a back stroke swimmer and as a free style artist. A few weeks ago, at Ipswich, he lowered Dr Keith Kirkland's Australian born record of 1 12 4/5 by 3/5 seconds, and followed this up by winning the 100 yards back stroke in 1 10 4/5, equalling the Japanese marvel, T.Saitoh's, Australian record. All Australia knows how good Dorrie Thompson, the world's fastest lady breast stroke swimmer, is. She holds the Australian record for 100 and 220 yards, also the world's best for the distances in 50 metre baths. Dorrie will be competing at both carnivals, and on Wednesday night, January 25, at the concluding carnival she will make an attempt to lower the existing world record of 1 24 2/5 for the 100 yards breast stroke. Miss Thompson looks to be a certainty to be one of Australia's team for the Olympic Games.

TEST AT VALLEY BATHS R.MIDDLETON AND J.CORBETT SELECTED

Two test were carried out at the Valley Baths last night, one to decide the ladies who will be Queensland representatives at the Australian Ladies Championships in Melbourne on February 18, the other to pick the fifth man in the Queensland team for the Queensland versus the "Rest of Australia" at the Australian Championship Carnival at the Valley Baths on Saturday afternoon.

Miss R.Middleton (Valley) won the ladies junior test after a great swim against her sister who came second, Miss L.Campbell (Commercial) was third. The 100 yards test race for men was a race worth seeing. The distinguishing factors were the remarkably fine swimming of the lads who were competing with junior schoolboys last year. Corbett (Ipswich) won by a touch from Foster (Toowong), H.Day (West End) came third, a touch behind. Corbett therefore is the chosen man and should be a very creditable representative.

Results -

100 yards Ladies Junior Test Race - Misses R.Middleton (V) 1, E.Middle-ton (V) 2, L.Campbell (Com) 3. Won by a yard with two yards between second and third. Time 1.14 2/5. There were four competitors, the above and Miss J.Smith (V). The girls struck the water together. Miss E.Middleton quickly got to the front closely followed by her sister and Miss Campbell and Miss Smith. The Middleton sisters touched together at the turn and swam together until 25 yards from the finishing point when Miss R.Middleton spurted and won by a yard from her sister.

100 yards Senior Test Race for Men - J.Corbett (Ips) 1, K.Foster (T) 2, H.Day (WE) 3. Won by a touch, with a touch between second and third. Time 64 seconds. This was a very closely contested race between K.Foster (T), J.M.Collins (V), E.Bonis (CP), H.Day (WE), K.Petrie (T), W.Burnup (V), J.Corbett (Ips), and W.D.Henderson (Grammar). The eight men struck the water like a shot out of a gun and swam almost together as far as the turn when Burnup was a touch ahead of the others who turned almost simultaneously. Burnup and Day were slightly in front almost to the finish with Corbett and Foster at their heels. At this point Corbett put on a good spurt and won by a touch from Foster who was a touch ahead of Day. Burnup was a touch behind Day, fourth. The others finished in a bunch a yard or two behind Burnup.

NEW RECORDS - AUSTRALIAN CHAMPIONSHIPS
AUSTRALIAN CARNIVAL OPENS
ACHIEVEMENTS BY JONES AND BOAST

The setting of two records was a feature of the first section of the Australian Swimming Championships at the Municipal Baths on Saturday afternoon. In winning the 440 yards Championship in 5.23, E.W.Jones, the West Australian representative, created a new Queensland record, the previous best standing to the credit of the Swedish swimmer, Arne Borg, whose time was 5.31. Reg Grier, the Queensland representative, also eclipsed the Swedish record by three seconds. In the 100 metres Back Stroke Handicap, T.Boast (Valley) established Queensland and Australian records, his time being 1.10 1/5. Representatives of the various States took part in the carnival.

The officials were Judges - Swimming, Messrs H.Davis, A.Haslet, A.Casey; Diving Messrs F.W.Springfield, J.Hiron, D.S.Carter (Qld), N.Balfe (Vic), E.MacDonald (NSW); Referee, Mr D.S.Carter; Timekeepers, Messrs J.Moylan (standard), Les Nissen, R.H.Bunting, F.W.Springfield; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Clerks of Course, Messrs J.Montgomery, F.C.Ivett; Result Stewards, Mr N.Burns, J.Kavanagh; Dressing Room & Call Stewards, Messrs K.Mackay, J.Kavanagh; Handicapper, Messrs C.Graham (Seniors), E.Goodwin (Juniors); Heat Steward, Mr J.Whit- tington; Ladies Events, Q.L.A.S.A Officials; Treasurer, Mr R.McGregor; Assistant Secretary, Mr J.Durston;

Secretary Mr "Ted" Goodwin who had the big arrangements well in hand, and long before the starting time the baths were crowded.

The abbreviations used are - WA, West Australia; SA, South Australia; Vic, Victoria; NSW, New South Wales; Q, Queensland; V, Valley; WE, West End; Com, Commercial; CP, City Pastime; T, Toowong; O, Otter; NC, Nudgee College; BGS, Grammar Old Boys; My, Manly; Tmba, Toowoomba; Gor, Nundah Gordons; I, Ipswich; M, Metropolitan; SB, South Brisbane; Fed, Federal; Rk, Rockhampton; KG, Kelvin Grove; M'dore, Maroochydore; W, Warwick; B'berg, Bundaberg; GT, Gregory Terrace.

The baths were divided into lanes with the aid of ropes which prevented a swimmer from leaving his course and accidentally interfering with another competitor. The gate takings amounted to £114, while the Greater Brisbane Council reduced the charge for the baths down to ten guineas and withdrew the 33 1/3% extra charge. This should give the Amateur Swimming Association a creditable balance.

The Country Championship was retained by the Maroochydore youth, Axel Suosaari, who went to the front from the start and won easily in the smart time of 58 3/5 seconds. The Bundaberg representative unwound a very fast second lap and passed three swimmers to fill third place. The Ipswich swimmer, Corbett, who won the test on Wednesday night, was fourth. E.S. ("Lad") Collin made a brilliant attempt to retain the State Breast Stroke title after being in retirement for the past seven years. Collin wrested the lead from the holder, Franzen, at 150 yards and turned with 20 yards to go two yards ahead of Joe Suosaari. The latter drew level amid great excitement and received the verdict "a touch".

The 440 yards Australian Championship attracted much interest through the meeting of Grier and Jones. The New South Wales youth, Noel Ryan, was reputed to be a world beater by the southerners. Jones took the lead but Jones was with him at the 100 metres in 65 seconds. Jones went ahead again and clocked the 200 metres in 2.17. He was still in front at the 300 mark in 3.55, but when nearing the 400 yards Grier made a spurt which failed to reduce the gap for Jones had a lot in hand. The Western-er reached home in 5.23, which time established a new Queensland record, the previous best standing to the credit of Arne Borg of Sweden who swam the distance in 5.31. Grier also bettered the Swedish representative's time, recording 5.28. Ryan dropped back early, but at 200 yards went after the leaders and reduced the lead by ten yards. He stopped nearly as quickly as he started and was home 3/5 secs outside the old record. It was a good swim for a Junior.

The diving was disappointing with the exception of the wonderful improvement shown by the Queenslander, Jim Collin, the consistent diving of "Kit" Petrie, and the surprisingly great display of Fowler on the high board.

The Teams Race proved a great attraction, Queensland winning rather easily in the end, the Captain of the team swimming his slowest time this season as the last man away. Individual times were - Boast 57 3/5, Suosaari 58 1/5, Bliss 59 3/5, Colquhoun 61 1/5, Grier 61 1/5. Howard, the Bundaberg man in "The Rest" swam the 100 in 62 2/5, G.Chidgey 60, F.Walters 63. F.Jacobs 61, H.Robertson 61 1/5.

In winning the Breast Stroke Handicap Miss Thompson recorded her best in handicap events to date by winning the 100 in 1.25 1/5.

GRIER'S 220 - AUSTRALIAN CHAMPIONSHIPS
JACOBS DEFEATS RYAN
WEST AUSTRALIA LEADING FOR THE SHIELD

The outstanding features of the Australian Championships was the fine performance of the Queenslander, Reg Grier, in retaining his title in the 220 yards Free Style, the sensational victory of the New South Wales youth, Jacobs, in the Youths Championship, and Axel Suosaari's splendid performance in bringing victory to his team, Maroochydhore, in the Country Teams Championships. There was a record attendance.

The second section of the Australian Championships was held in the Municipal Baths, Valley, last night. Long before starting time the baths were packed and many spectators were forced to stand around the doorway. His Excellency the Governor, Sir John Goodwin, and Lady Goodwin attended as guests of the Association and were met by Mr and Mrs De Little, Patron of the Queensland Amateur Swimming Association and Patroness of the Queensland Ladies Amateur Swimming Association respectively, and Mr D.S.Carter, President of the Association.

The chief attractions were the 220 yards Free Style Championship of Australia and the Junior 100 yards Championship of Australia. The holder of the 220 yards title, Reg Grier, turned just ahead of the field, but in the second lap he sprinted away and touched at the 100 yards three yards ahead of Chidgey in 58 seconds, seven seconds faster than in Saturday's quarter mile race. From then on it was Grier's race. He eventually won by 12 yards from Jones who had sprinted from the last 150 yards mark. Grier's time was only 1 4/5 seconds outside Charlton's best. The Junior Championship was robbed of much interest by Ryan running into the wall twice in the first lap. He turned for home a fraction before Jacobs, but the latter forged ahead in the last 20 yards and touched a yard ahead. Jacobs and Ryan have made much better times. Jacobs swam his 100 in 61 seconds on Saturday while Ryan has 60 2/5 seconds to his credit.

Miss D.Thompson is again the Ladies Breast Stroke Champion of Queensland in the same time as her Saturday's effort and she had it very easy over the second 50 yards. Her time, 1.25, though not a record, is the fastest recorded outside her own world's record.

An exhibition of fancy diving was given by the competitors who contested the Australian Championships and their efforts were much in advance of Saturday's

display and was appreciated by the large audience. The gate takings were £158, which makes £272 for the two carnivals.

KIERAN SHIELD

The results of the first section of the Kieran Shield are -

INTERSTATE SWIMMING

To The Editor,
Sir,

On the eve of our departure, would you allow us, per medium of your columns, to say how much we have enjoyed our short stay in your city. The local Swimming Association, together with the ladies and various friends have combine to ensure we saw most of your near beauty spots, and with the wonderful sporting spirit prevailing here, we could not fail to realise that we were amongst friends.

We are, Sir,

On behalf of the boys,

B.MacDonald (NSW)

Norm Balfe (Vic)

A.E.Blakers (WA).

NOEL RYAN RECORDS THE FASTEST SWIM
ONE MILE CHAMPIONSHIP

The fastest mile ever swum by an Australian was accomplished at the Domain Baths last night when the New South Wales Amateur Swimming Association held a carnival to decide part of the Sydney section of the 1928 Australian National Championships, the first section of which had been conducted in Brisbane on January 21 and 25. Noel Ryan, the young Manly swimmer, covered the distance in 23m 18 1/5s. This was 31 1/5 secs faster than F.Beaurepaire's Australian record, but 4 1/5 sec slower than the world record set by Arne Borg of Sweden in the same baths in January 1924.

AUSTRALIAN CHAMPIONSHIPS
WONDERFUL EFFORT

At the Domain Baths last night the New South Wales Amateur Swimming Association held a swimming carnival at which two Australian Championships, the 1 Mile and the 440 yards Breast Stroke, were decided. Unfortunately there was only a moderate attendance.

Noel Ryan, the 16 year old Manly swimmer, won the Mile after a desperate struggle with M.Christie in the fastest time for the distance recorded by an Australian. F.McCure swam excellently to capture the Breast Stroke title.

Heats of the 100 yards Free Style Championship, the finals of which will be conducted on Saturday, were also decided and were responsible for close finishes. In the first heat A.Suosaari won narrowly from Hans Robertson and R.Grier who were both timed at 57 1/5 seconds. Suosaari was timed at 57 secs. The finish of the second heat was almost equally close but the times were nearly two seconds slower.

First Heat - A.Suosaari (Q) 1, H.Robertson (NSW) 2, R.Grier (Q) 3, R.Greacen (SA) 4. Won by a foot.

Second Heat - G.St Heaps (NSW) 1, A.Laidlaw (NSW) 2, T.Boast (Q) 3, F.Walters (Vic) 4. Time 58 4/5 secs. Won by a touch, with the other competitors almost in a line.

The first three in each heat will compete in the final on Saturday.

440 yards Breast Stroke Championship of Australia - F.McCure (NSW) 6.45 2/5 1, J.Suosaari (Q) 6.53 3/5 2, F.W.Bayldon (NSW) 3, I.Stedman (Vic) 4 R.Franzen (Q) 5, F.Stevens (WA) 6. McCure and Suosaari had established a lead at 220 yards and contested the third lap keenly. McCure established a lead entering the last lap and drew a way from Suosaari over the last stages of the race. Bayldon made a great effort to get on even terms with Suosaari, but failed by a couple of yards.

1 Mile Free Style Championship of Australia - N.Ryan (NSW) 23.15 1/5 1, M.Christie (NSW) 23.21 1/5 2, E.W.Jones (WA) 3, J.Kelly (NSW) 4, R.Oliver (SA) 5. Won by 4 yards with 45 yards between second and third.

AMATEUR STATUS
POSITION OF BATHS ATTENDANTS
MOVE FOR REINSTATEMENT
Sydney Feb 3

The status of attendants of baths was discussed at the Conference of the Australian Amateur Swimming Union last night when Mr Les Duff (NSW) moved that the rules dealing with baths lessees, managers, and attendants, be amended to permit these men to be reinstated as amateurs. Mr Duff said that although, if his motion was carried, it would be responsible for the reinstatement of the Olympic diving champion, Dick Eve, the matter was not brought forward on his behalf. The Minutes of the New South Wales Association showed that before Eve had become a professional, the State had sought to have the existing rules amended to bring Australia into line with other countries. Men beyond the age of active competition were debarred from taking an active interest in amateur swimming, owing to the obsolete rules.

Mr Bennett (Victoria) moved an amendment that as some of the delegates had not received definite instruction in the matter, and in view of the last mail vote not being carried by the requisite majority, another mail vote be taken amongst all the State Associations, with the request that the matter be treated as urgent. Mr Bennett's amendment was agreed to.

AUSTRALIAN RECORD
12 YEAR OLD GIRL'S PERFORMANCE

Jean Cocks, a 12 year old Bondi swimmer who has some splendid times to her credit, crowned her previous achievements on Thursday afternoon by establishing an Australian women's record for 220 yards. Previous figures were 2.49 2/5 created by Miss M.Wehlau, and Miss Cocks reduced this time to 2.48 3/5. Formal application has been made to the New South Wales Ladies Amateur Swimming Association for recognition of the record. World's record for a woman is 2.40 3/5.

SOUTHERN CHAMPIONSHIPS
Q.L.A.S.A APPEAL

Miss Dorrie Thompson, who holds the world's record for 220 yards Breast Stroke, and Miss R.Middleton, a promising young Junior 12 years of age, are going south on February 11 to uphold Queensland's honour in the Australian Swimming Championships to be held in Melbourne, February 18-25. From these carnivals it is hoped Miss Thompson may be selected to represent Australia in the Olympic Games. For these purposes funds are urgently needed, and the Association is earnestly appealing to the sporting fraternity of Brisbane to give a donation, no matter how small. All shall be gratefully accepted. Donations may be sent to Miss P.Brunnich, Hon Secretary, Hillsdon Road, Taringa, or may be left at F.W.Nissen's, Queen Street.

Q.L.A.S.A COUNCIL
FIXTURES FINALISED

A meeting of the Council of the Queensland Ladies Amateur Swimming Association was held in the Rooms of the MUIOOF last night. The Chair was occupied by Mrs McGregor-Lowndes. The Treasurer's Report showed a Credit Balance of £131/1/1.

A lengthy discussion then ensued in connection with a communication received from the New South Wales Association requesting Queensland to consent to the formation of an all Australian, Ladies Australian Swimming Union. The Council, however, decided to instruct the Association's delegate to the Australian Conference, to be held during the Australian Championships in Melbourne this month, not to support the scheme.

The Otter Ladies Swimming Club was granted permission to hold the 100 yards Free Style Championship of Queensland at their Club swim to be held in the Ithaca Baths on February 13. The QLASA Championships, it was decided, will be conducted on March 8, also in the Ithaca Baths. The "Springfield Cup" competition is to be held on March 22, the baths to be used not having been selected.

Arrangements were finalise for the departure of Miss Dorrie Thompson (Back Stroke Champion of Australia) and Enid Middleton (Junior Champion of Australia) to take part in the Australian Championships which will be commenced in Melbourne on Saturday February 18. The two swimmers will leave Brisbane on Saturday next. Miss P.Brunnich was selected to accompany the champions as Manageress, while Mrs S.H.Newman was appointed to act as Hon Secretary during Miss Brunnich's absence.

KIERAN SHIELD RETAINED BY NEW SOUTH WALES
BOAST EQUALS RECORD
GRIER AND A.SUOSAARI SUCCEED

New South Wales on Saturday retained the title of Premier State in swimming by securing five of the Australian Championship events. Queensland and West Australia won three each. Grier won the 100 yards title in 56 2/5 seconds, A.Suosaari being second. Tom Boast recorded the wonderful time of 1.10 3/5 for 100 yards Back Stroke which is a record for the race. J.Suosaari finished second in the 220 yards Breast Stroke event, and in the 50 yards race A.Suosaari beat the sprinters home in 24 1/5 seconds.
Sydney Feb 5

At the Domain Baths yesterday afternoon the Australian National Swimming Championships Carnival was concluded. Keen interest was manifested in the four Australian Championship events - 100 yards Free Style, 100 yards Back Stroke, 220 yards Breast Stroke, and 880 yards Free Style - because of the important bearing of these races on the destination of the Kieran Shield, which carries with it the title of Premier State.

The holders, New South Wales, were again successful in retaining the Shield with 5 points against 3 each for Queensland and West Australia.

The first championship decided was the 100 yards Free Style in which R.Grier (Q), H.Robertson (NSW), A.Laidlaw (NSW), G.St Heaps (NSW), and A.Suosaari (Q) started. After a thrilling race Grier prevailed by a mere touch from Suosaari in 56 4/5 seconds, with laidlaw half an arm's length away, third.

It was generally anticipated that T.Boast of Queensland would win the Back Stroke event, and chief interest centred on the time the Queens-lander would register. The spectators were not disappointed, for his time of 1.10 3/5 is a race record. M.Campbell (NSW) was four yards away, second, and D.Shearer was half a yard behind, third. The other competitors were, F.Carberry (NSW), R.Cunningham (Tas), R.Johansen (Vic).

As a result of this event Queensland had three points, and New South Wales had four points in the Shield contest, and as the swimmers lined up to start in the 220 yards Breast Stroke Championship the excitement was intense. They were

J.Suosaari (Q), I.Stedman (Vic), R.Franzen (Q), F.Bayldon (NSW), F.McCure (NSW), D.Boucher (SA). Franzen had the lead until 50 yards from the finish when Suosaari and McCure went to the lead, and swimming stroke for stroke they fought out an exciting finish. McCure touched with both hands and won by the narrowest of margins in 2.39 2/5 which equals the State record established by Suosaari in the same event in 1925. D.Bayldon who was coming on well at the finish, was third.

The prospect of a fine tussle between E.W.Jones (WA) and N.Ryan, the 16 year old Manly swimmer, invested the 880 yards Free Style Championship with particular interest. The competitors were J.Kelly (NSW), N.Ryan (NSW), M.Christie (NSW), F.Oliver (SA), E.W.Jones (WA). At the start Jones went to the front with Christie closely following. He passed 6/2/1928 Continued 220 yards in 2.38, 440 in 5.31 1/5, and 660 in 8.25. Christie held the second position until the fifth lap when Ryan overhauled him and set out after Jones. In the seventh lap Ryan tried desperately to reach Jones but failed, the latter winning by 18 yards from Ryan with Christie a similar distance away, third. Jones time was 11.14 2/5, which is the fastest time recorded in an Australian Championship, and has only been eclipsed by two Australians, Andrew Charlton and the late "Barney" Kieran. The world's record is 10.32 established by Charlton.

In the 50 yards Interclub Race, A.Suosaari defeated the State's best sprinters.

AUSTRALIAN UNION - CONFERENCE IN SYDNEY

The Australian Swimming Union decided in its Conference on Friday that affiliation should not be granted to Women's Swimming Organisations. It was recommended, however, that the Women's Associations should join the respective bodies controlling the sport in each State. It was decided to allow the Women's Associations to draw up an agreement for the conduct of events.

Australian records established in tidal waters will not be recognised in future unless over a course of even laps, to conform with the regulations governing world records. This does not apply to figures registered in tank baths.

Q.A.S.A MONTHLY MEETING

The monthly meeting of the Queensland Amateur Swimming Association was held in the Y.M.C.A Rooms, Edward Street, last evening, Mr D.S.Carter presiding.

The holding of the Rockhampton Railway Club's carnival on February 13 was approved of, together with the Brisbane Grammar Old Boys Association's carnival to be held on March 14. The 440 yards Breast Stroke event was included in the programme for the Association's International Carnival to be held on February 23 in which visiting European swimmers will take part.

The Chairman, who attended the Conference in Sydney last week, reported that a decision was arrived at not to recognise records established in tidal waters such as the Manly and Domain Baths unless at least two laps were complete.

TITLE RETAINED - BEAUREPAIRE'S SUCCESS GRIER WINS INVITATION RACE

Melbourne Feb 12

The second section of the Victorian Championships was held at Surrey Park on Saturday. The quarter mile Championship of Victoria was again won by F.Beaurepaire. It was the Victorian's 36th Victorian and 203rd European, Australian and Victorian Championship.

The Invitation Scratch Race was over 75 yards and was won by Reg Grier (Qld) from Tom Boast (Qld). Grier's time was 42 seconds.

OFF TO MELBOURNE
LADY CHAMPIONS FAREWELLED

A large number of swimming enthusiasts gathered at Central Station on Saturday morning to bid "bon voyage" to the representative swimmers who took their departure for Melbourne where they will be competitors in the Interstate Championships. Miss D.Thompson, holder of the world's record for Breast Stroke, Miss R.Middleton, Junior Free Style champion, and Miss Pauline Brunnich, as Manageress, comprised the team. Mrs Mackay, Hon Secretary Valley Ladies Club, and Miss M.Grant (West End Club) accompanied them. Misses Brunnich and Grant will represent Queensland at the Interstate Conference before which an important agenda paper has been placed. Prior to the departure of the train, Mrs McGregor-Lowndes, President of the QLASA, presented Misses Brunnich, Thompson and Middleton with appropriate gifts tied with the Association's colours, red and white streamers.

AUSTRALIAN CHAMPIONSHIPS
FIRST WOMEN'S CARNIVAL TONIGHT

The carnival in the City Baths opening tonight probably will be the most interesting series of National Championships yet held by women swimmers. While in preceding years there have been several champions numbered in their ranks, it is highly doubtful if a more even lot of brilliant girls has been brought together for the same carnival. The appearance here of two new Zealand Olympic representatives, Miss Edna Stockley and Miss Kathleen Millar, will be an added attraction, as they will prove a very capable opposition, though should they secure any titles, they will not be eligible to hold them, not being residents of Australia.

The principal races this evening are the 220 yards Breast Stroke Championship of Australia and the 100 yards Free Style Championship of Australia.

The Breast Stroke event appears to be at the mercy of Miss Dorrie Thompson of Queensland who is credited with the world's record of 3.27 1/5 for that distance, recorded last season in Brisbane, while in the 100 yards Free Style race Miss Edna Stockley of New Zealand should repeat her victory when she decisively defeated the new South Wales swimmers in the State Championships in Sydney last Saturday, her time then being 1.6 1/5, or 1/5 second outside the Australian record held by Miss F.Durack, who holds all women's Free Style records from 100 yards to 1 mile.

At tonight's carnival an innovation will be the appointing of all racing officials from the Victorian Amateur Swimming Association who are well versed in conducting championships. Lord and Lady Stonehaven will be present to witness the racing, the events being broadcast by 3LO.

For next Thursday's carnival in the City Baths a handicap race over 66 yards for men will be included, entries for which will close with first post on Monday.

100 YARDS ELIMINATION HEATS
BOTH VICTORIANS DEFEATED

A special elimination heat over 100 yards was held yesterday morning at the City Baths to reduce the number of competitors to four who in addition to Misses E.Stockley and K.Millar (NZ) will compete in tonight's final for the Championship title. Unfortunately Victoria will not be represented as both of its competitors were defeated yesterday.

Results - Misses E.Robertson (NSW) 1, E.Armstrong (NSW) 2, K.Williams (WA) 3, E.Davey (NSW) 4. Misses J.White (Vic) and D.Foreham (Vic) also started. Time 1.18. Won by 4 feet with others well bunched.

AUSTRALIAN WOMEN'S CHAMPIONSHIPS
MISS THOMPSON (QLD) WINS BREAST STROKE
100 YARDS RACE TO NEW ZEALAND

Over 1000 spectators filled the City Baths on Saturday night to witness the first of a series of three Australian Women's Championship Carnivals which will be continued at the same baths on Thursday night, and on Saturday afternoon at "The Dive", Box Hill. Amongst those present were Lord and Lady Stonehaven, Lord and Lady Somers, and the Lord Mayor and Lady Mayoress (Sir S and Lady Morell), Mrs W.Marston (President of the Victorian Ladies Association), and the President of the Victorian Amateur Swimming Association, Mr H.A.Bennett and Mrs Bennett. In addition to the appearance of representatives from Queensland, New South Wales, Victoria and West Australia, added interest was caused by the appearance of Miss E.Stockley and K.Millar, New Zealand Olympic representatives who are here at the invitation of the Ladies Association.

While the events produced some highly interesting racing, the times recorded did not realise the expectations. The different conditions may have had something to do with this, however, as several of the competing girls were accustomed to sea water, while the City Baths is a fresh water pool. However, what must be borne in mind when discussing Olympic possibilities is that the races there will be decided in fresh water.

Miss Edna Stockley (NZ) again proved her superiority by decisively defeating the field in the 100 yards Championship, while Miss Dorrie Thompson (Qld) clinched her claim as the best breast stroke swimmer in Australia by winning the 220 yards title by four yards from Miss Ettie Robertson (NSW), who was rather unfortunate in breathing some water in the last 50 yards, though the issue did not seem to be effected thereby, the winner giving a finished display of breast stroke swimming.

For Victoria both Miss J.White and Miss H.Foreham (the Junior Champion) registered improved times swimming their 100 yards heats in the Invitation Race, 1.16 4/5, bettering their previous best times by 8secs. Exhibitions of fancy and scientific swimming by Misses Lola Scott and B.Malcolm and Mr J.Batchelor (all of the baths staff), and a diving display by the V.A.S.A troupe received much applause. R.Grier (Qld) and J.Wilson (Vic) also gave an exhibition swim over 220 yards free style.

Owing to the postponement of the Barwon Ballarat carnival, a large number of swimmers who had entered for these events attended the City Baths, and extra heats were included in the Men's 66 yards Handicap to cater for them.

The racing officials for the whole carnival were supplied by the V.A.S.A, and they and the lady officials were greatly pleased by the success of the carnival.

220 yards Breast Stroke Championship of Australia - Holder of title, Miss D.Thompson (Q) - Record, Australian Miss D.Thompson 3.27 2/5 - Result, Misses D.Thompson (Q) 1, E.Robertson (NSW) 2, I.Roberts (Vic) 3 Time 3.36 2/5. From a good start Miss Thompson turned at 33 yards a touch ahead of Miss Robertson with Miss Roberts one yard back. Swimming a perfect stroke, Miss Thompson increased her lead at 100 yards to one yard from Miss Robertson, while Miss Roberts was a yard further back, third. This order was maintained to the finish, with four yards between first and second, and ten yards between second and third.
66 yards V.A.S.A Handicap - W.White (YMCA) 1, W.Thompson (Middle Park) 2, W.H.Farley (YMCA) 3
100 yards Championship of Australia - Holder of title, Miss E.Robertson (NSW) - Records, World Miss E.Leckie (USA) 60 9/10 secs, Australian Miss E.Bleibtrey (USA) 1.4 3/5, Australian born, Miss F.Durack (NSW) 1.6 -
Result - Misses E.Stockley (NZ) 1.7 4/5 1, K.Millar (NZ) 1.9 2/5 2, E.Robertson (NSW) 1.10 1/5 3, E.Davey (NSW) 1.10 2/5 4. From the word "go" Miss Stockley immediately took the lead and at the first turn (33 yards) was two feet ahead

of Miss Williams and Miss Robertson with the rest right up. To the 66 yards Miss Stockley had increased her lead to one yard from Miss Robertson, Miss Millar and Miss Armstrong being just in front of Miss Williams and Miss Davey. In the swim home, Miss Stockley came on to win by two yards from her countrywoman, Miss Millar, who finished fast. Miss Robertson who was a yard behind Miss Millar secured third position and the Championship by a touch from Miss Davey. As the two first girls to finish are not residents of Australia, they, of course, cannot hold the title.

"Snows" 66 yards Handicap - Misses J.Reeves (Hampton) 1, N.Joy (W StK) 2, F.Waters (Fairfield) 3

100 yards Invitation Handicap - Misses E.Davey (NSW) 1, J.White (Vic) 2, V.Foreham (Vic) 3. An exciting race, Miss Davey finishing strongly and getting the verdict by a touch.

OLYMPIC TEAM THREE QUEENSLANDERS RECOMMENDED

Melbourne Feb 21

The Executive of the Australian Amateur Swimming Union has decided to nominate seven swimmers for selection by the Australian Olympic Council as representatives of the Commonwealth at the Olympic Games to be held in Amsterdam this year. The size of the team to be sent, it was stated, depended on the amount of money which was made available for the purpose. The swimmers who have been nominated in the following order of priority are - Andrew Charlton (NSW), Free Style events; T.Boast (Qld), Back Stroke and Free Style events; Edna Davey (NSW), Women's Free Style events; Bonnie Mealing (NSW), Women's Back Stroke events; Doris Thompson (Qld) Women's Breast Stroke events; Reg Grier (Qld) Sprint Free Style events; E.W.Jones (WA), distance Free Style events.

It is considered by the Executive that Boast is improving rapidly as a Back Stroke swimmer and at present is little slower to the German champion, Gustav Froelich who is recognised as one of the fastest Back Stroke swimmers in the world. It is expected that Boast will improve considerably in Brisbane where he will be coached by Froelich.

AUSTRALIAN CHAMPIONSHIPS MISS MILLER WINS QUARTER MILE JUNIOR TITLE TO MISS TAW

The second of the series of Australian Women's Championship Carnivals was held last night in the City Baths before another large attendance of the public. The chief items on the varied programme were the 440 yards Free Style Championship which was won by Miss K.Miller (NZ), who repeated her Sydney

performance by again defeating Miss E.Davey (NSW), and the 100 yards Junior Championship, which was won by Miss B.Taw (NSW) who recorded a meritorious performance. The final carnival will be held tomorrow afternoon in "The Dive", Box Hill.

Appended are the results of the races -

Dunkling Handicap 66 yards for Juniors - Misses M.Barr (Melb) 1, G.Haas (Richmond) 2, E.Donnott (Richmond) 3

Breast Stroke Handicap 66 yards - Misses S.O'Mara (Melb) 1, M.Barr (Melb) 2, P.E.Barr (Melb) 3

100 yards Junior Championship of Australia - B.Taw (NSW) 1.9 3/5 1, B.Mealing (NSW) 1.10 4/5 2, V.Foreham (Vic) 3, R.Middleton (Q) 4. From an even start Miss Mealing secured a touch advantage at the first turn (33 yards) from Miss Foreham and Miss Taw. At the swim to the 66 yards turn Miss Taw had made up her leeway and turned with Miss Mealing two feet ahead of Miss Foreham who was one foot ahead of Miss Middleton. Miss Taw finished strongly to win by two yards from Miss Mealing, Miss Foreham being three yards further back, third, a foot ahead of Miss Middleton.

66 yards Men's Handicap - D.Johnston (Brighton Beach) 1, J.Harvey (Fairfield) 2, E.Linnett (Park) 3

Bryant & Mayes 66 yards Handicap - Misses N.Hayes (A Park) 1, M.Geary 2, A.White (Melb) 3

440 yards Free Style Championship of Australia - Holder of title, Miss E.Davey (NSW) - Records, World Miss M.Norelius (USA) 5.53 2/5, Australian, Miss F.Durack 6.3 2/5 - Misses K.Miller (NZ) 1, E.Davey (NSW) 2, B.Taw (NSW) 3, N.King (Vic) 4. Miss Williams (WA) also started. Time 6.3 2/5. From the start, Miss Miller, swimming with an easy stroke touched at 33 yards just ahead of Miss Davey with Miss Taw third. At 100 yards, covered in 1.15 4/5, Miss Davey had taken the lead from Miss Miller who was two yards ahead of Miss Taw. The half way mark, reached in 2.56 3/5, saw Miss Davey with a foot lead from Miss Miller who was eight yards ahead of Miss Taw, Miss King being a few yards away, fourth. Swimming well within herself, Miss Miller had made up her leeway at 300 yards and turned with Miss Davey, with Miss Taw now fifteen yards away, third, while at 400 yards, covered in 5.43, positions were the same. Miss Miller then made an extra effort and swimming a well judged race came on to win by a little more than a touch from Miss Davey, while Miss Taw was twenty yards away, third, and Miss King thirty yards further back, fourth. As Miss Miller is nit a resident of Australia, the title goes to Miss Davey, the first Australian to finish.

100 yards Open Handicap - Misses G.Connole (A Park) 1, J.White (Melb) 2, E.Robertson (NSW) 3

Junior Diving Handicap - F.O'Mara (Melb) 1, M.Agnew (A Park) 2, L.Mott (Wright St) 3

BOAST WINS BACK STROKE HANDICAP
GERMAN SWIMMER OUTCLASSSED
GRIER WINS HALF MILE CHAMPIONSHIP

Tom Boast, the brilliant Australian Back Stroke champion, broke another Australian record, his fifth this season, in the 100 metres Back Stroke Handicap at the Queensland Amateur Swimming Association's Inter-national Carnival at the Valley Baths last night. In the same race he met the young German champion, Gustav Froelich, and the first 60 metres was a thrilling spectacle. Up to this point the two champions were together, then the Queenslander made one of his famous sprints and won by 2 1/2 yards from the visitor in 1.15 3/5. He swam the first 100 yards in 1.8. Froelich's time was 1.18 3/5.

After the race it was announced that Froelich had strained his back very badly and the Doctor who examined him at the baths would not allow him to compete in any more events at the baths that night. The style of the young German greatly pleased the large crowd and he was heartily cheered when his

name was called after Tom Boast. Both swimmers struck the water together and gave a fine exhibition of Back Stroke swimming.

Other notable events were the 880 yards Championship of Queensland which was won easily by Reg Grier after a dull and uninteresting race, and the 440 yards Breast Stroke Championship which was won by Axel Suosaari, the promising young swimmer from Maroochydore after a hard tussle with R.Franzen of the Valley Club. C.Carter of Maroochydore was third and J.Thompson (Valley) fourth.

The 200 metres Secondary Schools Handicap was won by K.Foster (Toowong) from H.Vierow (SB) after a very hard race. S.Jocumsen (NC) was third.

Axel Suosaari was in splendid form and gave excellent exhibitions of sprinting in all events in which he competed.

Helmut Kofler, the Austrian diver and water comedian, did not appear. A first class carnival was marred by the inordinate length of the programme, 17 events having been listed, most of them minor events. There is no doubt the great crowd went to see the visiting German swimmers in action in the big events and measure up the prowess of the local men. The carnival finished at 11 o'clock, and by 10 o'clock fully half the people had gone home satisfied they had seen a good carnival.

The officials were - H.Davis, A.Haslet, A.Casey, Judges of Swimming; A.Haslet, J.Hiron, A.Casey, Judges of Diving; F.E.Duncalfe, Starter; R.Hodge, Check Starter; J.Moylan, F.W.Springfield, R.H.Bunting, Time-keepers; J.Montgomery, F.C.Ivett, Clerks of Course; N.Burn, J.Kavanagh, Result Stewards; K.Mackay, J.Kavanagh, Dressing Room & Call Stewards; C.Graham, E.Goodwin, Handicappers; J.Whittington, Head Steward.

Results -

50 metres Junior & Secondary Schools Handicap - G.Steindl (BGS) 1, P.McGovern (GT) 2, R.Meteyard (Fed) 3

500 metres Flying Squadron Club Championship of Queensland - Valley (E.Hagan, J.M.Collin, R.Franzen, S.H.Springfield, J.Etchell) 1, Bris Grammar Old Boys (W.D.Henderson, N.Ball, A.Cox, G.Stanton, R.Jones) 2. Time 6.15. Though its best swimmers, Grier and Boast, did not compete, Valley won by 50 metres after leading from the start.

100 metres Mixed Brace Relay Handicap - N.Gould & J.J.Fennell (V) 1, E.Middleton & H.Cropps (V) 2, J.Smith & J.Dutton (V) 3

200 metres Secondary Schools & Under 18 years handicap - K.Foster (T) 1, H.Vierow (SB) 2, S.Jocumsen (NC) 3. Won by two yards after a gruelling race. Vierow was always hard on the heels of Foster who made the pace very fast.

880 yards Free Style Championship of Queensland - R.Grier (V) 12.9 1/5 1, D.Coulson (KG) 12.57 2, E.Bonis (CP) 13 2.1/5. Grier won by 60 yards after leading all the way. Swimming very comfortably he increased his lead from the start, and his superiority over the others made the race uninteresting. Bonis, for most of the time, was in second place, but in the last two laps Coulson made the pace very lively and managed to get into second place, three yards ahead of Bonis. R.McGill (V), F.Phillips (Tmba), and R.Mullins (Ips) also started.

50 meters QLASA Interclub Handicap - M.Gould (V) 1, E.Middleton (V) 2, K.Chatfield (Fed) 3

Handicap Dive - W.Barr (Fed) 1, J.Thompson (V) 2

30 yards Schoolboys Handicap Under 15 years - E.Murphy (GT) 1, K.Hardie (Nundah) 2, M.Windsor (GT) 3

100 metres First Class Handicap - Axel Suosaari (M'dore) 1, Tom Boast (V) 2, J.Etchells (V) 3. Suosaari's actual time for the distance was 65 2/5 secs. It was a great struggle between Boast and Suosaari, Suosaari leading slightly all the way. The speedy swimmer from Maroochydore gave a splendid exhibition of sprinting over the final 50 metres and won by two yards.

50 metres Bill Hetherington Memorial Handicap - C.Hurst (KG) 1, A.Suosaari (M'dore) 2, C.Kettlewell (WE) 3. Won by a yard after a hard race.

440 yards Breast Stroke Championship of Queensland - J.Suosaari (M'dore) 7.0 2/5 1, R.Franzen (V) 7.4 3/5 2, C.Carter (M'dore) 7.28 3, J.Thompson (V) 7.44 4. Other starters, A.McShane (NC), M.Mcgregor-Lowndes (SB). From a good start Joe Suosaari and R.Franzen went to the front from J.Thompson. Franzen turned at 50 yards a second ahead of Suosaari with Thompson very close up. At 100 yards Franzen and Suosaari were together, and Thompson and Carter were making heavy work of it behind. At half the distance Franzen and Suosaari were still

swimming stroke for stroke and with great style, while the others were falling further and further behind. With 100 yards to go Suosaari was a yard ahead of Franzen who was still swimming with great power, and showing no sign of distress. He was not fast enough for Suosaari, however, who went on to win by three yards. Carter was 20 yards further back, third, and Thompson 30 yards behind him, fourth. (Editor's note - this account names Joe Suosaari, an established breast stroke swimmer, but in earlier summary it said Axel, the free style sprinter. Joe seems more likely).

100 metres Back Stroke Handicap - Tom Boast (V) 1.15 3/5 1, Gustav Froelich (Germany) 1.18 2/5 2, C.Jocumsen (NC) 3. Although this race was a handicap event, all the interest was centred on the meeting of Tom Boast, the Australian champion, and Gustav Froelich, the young German and European champion. From an even start both kept together for 25 metres, and at 50 metres Boast turned half a metre in front of Froelich, and at 75 metres both were swimming with great power and pace and caught the field, and amid intense excitement, Boast, to the accompaniment of cheers from the crowd, forged ahead at terrific pace. Froelich made a desperate effort to catch him, but Boast kept his lead and won by 2 1/2 yards after a splendid race. Boast's time for the first 100 yards was 1.8, another Australian record, and the fifth the young Queenslander has broken this season.

OLYMPIC GAMES
AUSTRALIAN TEAM SELECTED
BOAST THE ONLY QUEENSLANDER

In selecting representatives for the Olympic Games, T.Boast the Back Stroke champion, Andrew Charlton (NSW), and Edna Davey (NSW) were chosen as the Australian representative swimmers. Should additional members of the team become possible, two other Queenslanders will be included, Miss D.Thompson and R.Grier.

It was stipulated at the Conference that as Andrew Charlton had not been engaged in active competition for some time, his selection is subject to a test showing that he is in form equal to the standard of the time.

After selection of the team was decided upon, a vote was taken to choose further representatives who will be included in the team in the following order, should additional funds be obtained to strengthen the team - Miss V.Mealing (NSW) back Stroke swimmer; T.H.Morris (Vic) welter weight wrestler; Miss D.Thompson (Q) Breast Stroke swimmer; a cyclist, high jumper; Miss E.Robertson (NSW), R.Grier(Q),; E.W.Jones (WA) swimmers.

"BEST IN THE WORLD"
GERMAN SWIMMER LIKES AUSTRALIANS

Greetings and good wishes were extended to Mr Gustav Froelich, the world champion German swimmer, at a Reception arranged by the Brisbane Deutscher Turn-verein held at the German Club, South Brisbane, last night. A large number of guests were present. Gustav Froelich was welcomed by the Chairman, Mr W.Potzeba, in a short speech in German. "Australia has the best fellows in the world," said Gustav Froelich responding. "Germany is suffering from the war, and it is great for me to see such a sunny and happy country. I find Australians great sports, and the Australian ladies very fine. I sure am very pleased to be here."

 AUSTRALIAN CHAMPIONSHIPS
 DOUBLE VICTORY TO NEW ZEALAND
 ETTIE ROBERTSON'S SURPRISE TITLE

The final Women's Australian Championship Carnival was held on Saturday afternoon at "The Dive", Box Hill, before an attendance of several hundred spectators. Included in the programme were two Australian Championships, both of which were won by New Zealand.

In the 220 yards event Miss K.Miller (NZ) came home a easy winner by five yards from Miss E.Davey (NSW) in only 2/5 seconds outside Miss Durack's Australian record. A feature of the 220 yards event was the brilliant form shown by Miss Betty Taw, who, though only 14 years of age, swam a wonderful race finishing only one yard behind Miss Davey.

Unfortunately the 100 yards Back Stroke proved a fiasco. Instead of the wonderful race that had been looked forward to between Miss Ena Stockley of New Zealand and the New South Wales brilliant 15 year old champion, Miss Bonnie Mealing, as the latter was nearly level with her rival at 50 yards she swam a most erratic course and eventually got right over the lane ropes and took no further part in the race. However, 27/2/1928 Continued she will have another opportunity of settling the question of supremacy as they will meet again next Wednesday night in the Coogee Aquarium Baths when the New South Wales 100 yards Back Stroke Championship will be decided in addition to the 220 yards title. Miss E.Robertson, the only other competitor in the event, though 15 yards behind the winner, secures the Australian title.

Results -

50 yards Junior Handicap -(Misses) J.Richards (S Park) 1, R.Middleton (Q) 2, N.Barr (Melb) 3

Breast Stroke Handicap 100 yards - E.Bostock (A Park) 1, D.Thompson (Q) 2, G.Mott (Wright St) 3

220 yards Championship of Australia - Holder of title, Miss E.Davey (NSW) - Records, World Miss M.Morelius (USA) 2.40 3/5; Australian M.Wehselau (USA) 22.49 2/5; Australian born, Miss F.Durack 2.52 - Result - K.Miller (NZ) 2.52 3/5 1, E.Davey (NSW) 2.57 4/5 2, B.Taw (NSW) 2.58 3/5 3, M.King (Vic) 4, M.Williams (WA) 5. From the word "go" Miss Taw took the lead and at 50 yards was just in front of Miss Miller with Miss Davey right up. The first 110 yards was reached by Miss Miller in 1.20 1/5 with Miss Davey one yard away, second, and Miss Taw a touch behind, third, Miss King being fourth. Miss Miller again demonstrated her superiority by coming away from the field and winning by four yards from Miss Davey who defeated Miss Taw by one yard for second place. Miss King was ten yards further back, fourth. As Miss Miller is not an Australian, the Australian title goes to Miss Davey, the first Australian to finish.

100 yards V.A.S.A Handicap - C.Nillson (S Park) 1, W.Mark (YMCA) 2, W.Thompson (Vic Park) 3

Invitation Handicap 100 yards -(Misses) E.Davey (NSW) 1, J.White (Vic) 2, V.Armstrong (NSW) 3

100 yards Back Stroke Championship of Australia - Holder of title Miss M.Mealing (NSW) -Records, Australian Miss E.Stockley (NZ) 1.20; Australian born, Miss M.Mealing (NSW) 1.22 2/5 - Result - E.Stockley (NZ) 1.22 1/5 1, E.Robertson (NSW) 1.26 1/5 2. B.Mealing (NSW) also started. From a good start Miss Stockley and Miss Mealing forged to the front. At 50 yards Miss Stockley had secured a lead of one foot. Here, Miss Mealing swam erratically and bored into Miss Stockley nearly forcing her over the lane ropes. On realising er error, Miss Mealing then swam towards the opposite side rope and despite warning cries continued on and over it finishing against the wall right outside the course, and thus could not be placed by the Judges.

Senior Diving Handicap - L.Parkes (S Park) 1, E.Davey (NSW) 2, J.Bent (S Park) 3

50 yards Special Handicap - J.White (Vic) 1, V.Armstrong (NSW) 2, V.Wilson (Hamilton) 3.

NEW BACK STROKE RECORD
BOAST'S SUCCESS AT IPSWICH

Ips Feb 26

The Ipswich Amateur Swimming Centre's carnival at the City Baths on Saturday afternoon was full of magnificent sport. The Queensland Back Stroke record for 100 yards and the baths record for this race and the 100 yards Free Style were broken by visiting swimmers. Gustav Froelich, European champion, champion of Germany, holder of 28 European Championship titles, gave a wonderful exhibition of various styles of swimming. A. Payne won the 440 yards Ipswich & West Moreton Championship from R. Mullins after a magnificent race.

The first senior event was one of the best of the day, the 100 yards Back Stroke Handicap with three starters, T. Boast and R. Grier of Brisbane and H. Lewis of Ipswich. Boast gradually overhauled the others and in the second lap came up with Grier who was slightly ahead of Lewis. All three kept fairly close together and near the end Boast got ahead, winning by a yard from Grier. Lewis was not far behind. Boast, who is the only Queenslander who has been selected to represent Australia in the Olympic Games, by his time of 1.9, created a new Queensland record, breaking his previous record set at Ipswich last November, then an Australian record, by 3 1/5 seconds.

In the 100 yards Invitation Free Style, R. Grier, who won, broke his own record of 58 seconds for the baths by 1/5 second. It was a great swim with Grier, J. Corbett, and A. Suosaari practically level through most of the last lap, and all finishing within a foot.

Froelich, who had been forbidden to swim in races for a fortnight owing to a recurrence of trouble in his back caused by a motor accident in Germany before he came out, gave an exhibition of swimming. Froelich, besides his other European and German titles, holds the world's record for 100 yards Back Stroke in a time of 1.6, and in Melbourne recently he broke the Australian record with 1.7. He demonstrated the old trudgeon stroke in contrast with the faster and easier crawl, and showed the correct crawl style and the evolution of the crawl from the dog paddle as the most natural way of developing good swimming. Through learning to swim in this way, rather than by learning other strokes such as the breast stroke, first, he said, the Pacific Islanders became such magnificent swimmers with little effort.

Axel Suosaari, of Maroochydore, attempting to lower W. Harris' Queensland record of 25 seconds for 50 yards, standing since March 1923, mainly through too long a dive at the start, failed by 4/5 second.

A fine comedy display was given by Grier and Boast.

The officials were - Secretary, Mr W. Lemass; Referee, Mr E. M. Patrick; Starter, Mr Simpson; Check Starter, Mr C. Boyd; Timekeepers, Messrs W. Pratt (official), R. J. Simpson, E. Stokan; Judges, Messrs H. Hughes, F. Elson, J. Mills; Handicappers - Senior, Mr W. Simpson; Junior, Mr W. Dowd; Ladies, Mr E. Stokan; Chief Usher, Mr W. McNamara, Treasurer, Mr A. R. Riley.

Results -

33 yards Junior Interclub Handicap - L. Duncan 1, G. Edbrooke 2
33 yards Junior Ladies Interclub Handicap - Misses L. King 1, M. Patrick 2, G. Buckley 3
100 yards Breast Stroke Handicap - T. Boast (V) 12, R. Franzen (V) 2, H. Lewis (Ips) 3
66 yards Ladies Interclub Handicap - L. Crane (Bris) 1, B. Crane (Bris) 2, E. Schulte (St Pauls) 3
Neat Dive - Men, W. Campbell (Bris); Ladies, Misses A. Watson (StP), M. Watkins (Wood End) tied. Miss Watson won the dive off.
100 yards Invitation Free Style Handicap - R. Grier (Bris) 1, J. Corbett (Ips) 2, Axel Suosaari (M'dore) 3.
66 yards Senior Interclub Handicap - A. Payne (StP) 1, B. Lumsden (Brass) 2, N. Stewart (StP) 3
66 yards Mixed Brace Relay Handicap - Miss L. King & G. Edbrooke 1, Miss C. Buckley & L. Duncan 2, Miss L. Parkinson & W. Parkinson 3.

TOOWOOMBA CARNIVAL
FROELICH GIVES DISPLAY
Tmba March 1

The International Carnival at the City Baths tonight attracted a large attendance notwithstanding the inclement weather. The attraction, no doubt, was the visiting international swimmer, Froelich. Mr V.Kimmins, on behalf of the Amateur Swimming Centre, introduced the visitor.

Froelich made his first appearance in the 100 yards Invitation Scratch race in which he conceded substantial handicaps to five others from Rockhampton and Toowoomba. It proved an interesting race with Froelich catching Cave (Rockh) who was leading, in the last few yards, and won by a good yard from Cave, with Thomasson, also of Rockhampton, a close third. Froelich's time was 1.1 3/5. Subsequently Froelich gave an exhibition of different styles of swimming, which was most instructive.

In the 66 yards Interclub Bracelet Handicap seventh heat, Cave and E.Colquhoun (Warwick) from scratch swam the distance in the excellent time of 36 seconds. Froelich paired with T.Henry in the first heat of the Men's Brace Relay conceding up to 13 seconds, but they were beaten by a touch by Rattenbury and Thomasson (Rockhampton) to whom they conceded 6 seconds. Froelich's finishing effort was exceptionally brilliant. Adverse comment was made that the handicaps were not clearly given in the programme, only "go" times being shown, not handicaps.

Results -

33 yards Schoolboys Handicap - W.Hamilton 1, S.Kingsford 2
220 yards Championship of Toowoomba - E.Nicholaus (Valley) 1, M.Thorne (Valley) 2, J.Keates (Valley) 3. Won by 2 yards. Time 3.8
33 yards Schoolgirls Handicap - Stephens 1, F.Burness 2
100 yards Invitation Handicap - G.Froelich (Germany) 1, C.Cave (Rockh) 2, G.Thomasson (Rockh) 3. Other starters, T.Henry (Tmba), P.Murray (Tmba), J.Kenny (Rockh).
Dive - Men, F.Devitt (War) 1, K.Rosbrook - Ladies, Miss F.Winter.
66 yards Interclub Bracelet Handicap - W.Riddle (Tmba) 1, P.Cleary (War) 2. The bracelet for selecting the winner was won by Mrs H.Jones.
33 yards Ladies Handicap - A.Stephens 1, L.Schwilk 2
Men's Brace Relay - N.Rattenbury & G.Thomasson (Rockh) 1, W.Holmes & Moylan 2
Schoolboys Brace Relay - Stephens & Munro 1, Paget & Allen 2
Intercity Relay Race 166 yards - Warwick (E.Colquhoun, F.Devitt, F.Law, J.Purtell, P.Cleary) 1, Toowoomba (T.Henry, F.Broadfoot, M.Thorne, T.Lamb, P.Murray), Rockhampton (I.M.Kenny, H.Rattenbury, G.Thomasson, C.Cave, P.Wooth) dead heat 2. Time 1.32.

RAILWAY CHAMPIONSHIPS
INTERDISTRICTS CONTESTS AT WARWICK
Warwick Mar 2

Despite strong opposition from teams representing Warwick, Townsville and Toowoomba Railway Centres, the Rockhampton team won for the third time the Railway Interdistrict Swimming Championships for the trophy presented by Mr Crowther, General Manager of the Northern Railway Division. Rockhampton won all three events scoring nine points, Toowoomba scoring five pints and Warwick three points.

66 yards Junior Railway Championship - G.Thomasson (R) 1, F.Law (W) 2, J.Featherstone (Tba) 3.

100 yards Senior Championship of Queensland Railway - C.Cave (R) 1, T.Henry (Tba) 2, F.Law (W) 3. Time 1.8

233 yards Team Championship - Rockhampton (C.Cave, J.Kenny, W.Nevis, P.Watterson, G.Thomasson) 1, Toowoomba (T.Henry, G.Young, E.Elborne, E.Searle, L.Stephenson) 2, Warwick (F.Law, L.Smith, S.Jones, S.May) 3

Claude Fitzgerald Memorial Cup - J.Purcell 1, M.Creed 2, M.J.Johnson 3.

150 YARDS AUSTRALIAN RECORD
GRIER LOWERS ROSS'S TIME

Reg Grier, the Valley swimmer, added two more records to his list of triumphs last night. Swimming at the Ithaca Baths he lowered Norman Ross' Australian record for 150 yards Free Style and also his own Australian born record for the distance. The record established by Norman Ross was 1.32 1/5, and Grier clipped it to 1.32, while in Melbourne recently he challenged Cecil Healy's Australian born record time of 1.34 and brought it down to 1.33 2/5. His time last night therefore broke his own record.

Tom Boast, the Australian Back Stroke champion and one of Australia's Olympic chosen representatives, who gave an exhibition of his famous stroking during the evening, was one of Grier's pacemakers.

Q.L.A.S.A CARNIVAL
SOME EXCITING FINISHES

Close finishes were frequent at the Q.L.A.S.A carnival which was held at the Ithaca Baths last night. The chief event was the Ladies 50 yards Junior Championship of Queensland in which E.Middleton (V) successfully defended her title. Valley had an easy win in the Flying Squadron Championship of Queensland. Seven Clubs were represented - Metropolitan, Commercial, West End, Otter, Valley, Kelvin Grove, and Federal.

Results -

50 yards Junior Handicap - L.Campbell (Com) 1, M.Webb (Com) 2, M.Binkin (Com) 3

50 yards B Senior Handicap - M.Hodgton (Fed) 1, W.Murray (KG) 2, P.Lyons (Com) 3

50 yards Ladies Junior Championship of Queensland - E.Middleton (V) 1, R.Middleton (V) 2, G.Browne 3. Times 32 secs, 32 2/5 secs, 34 1/5 secs.

100 yards Handicap, Mrs Kuder Memorial Race - L.Venning (O) 1, V.Hart (Com) 2, P.Cruse (Com) 3

Flying Squadron Championship of Queensland - Valley (D.Drouyn, D.Thompson, R.Middleton, T.Fowler) 1, Otter 2, Commercial 3.

RECORD LOWERED FOR 100 YARDS BREAST STROKE
MISS DORRIE THOMPSON'S FEAT

At the Ascot State School swimming pool last night Miss Dorrie Thompson, the breast stroke swimming champion, covered 100 yards in 1.22 3/5, which is almost 2 seconds less than her previous world's record for the distance, 1.24 2/5. Probably the short length of the pool, 20 yards, increased her speed, but never the less her effort was a particularly fine one and tends to imply that even greater things can be expected of the famous exponent of the breast stroke than in her past performances.

(The occasion was the Ascot State School swimming carnival)

VISITORS SUCCESS
LONGREACH CHAMPIONSHIPS
Longreach Mar 12

The Longreach Amateur Swimming Club conducted a successful District Championship swimming carnival in the Longreach Baths on Saturday night before a large gathering. On Saturday seven swimmers arrived from Rockhampton, while Barcaldine and Aramac were also represented. The Club gave a Reception to the Rockhampton swimmers at the Masonic Hall on Saturday afternoon at which a number of representatives of kindred Clubs were present, Mr J.H.Boldeman, Patron, presided.

The principal events of the night resulted -

220 yards Central Western Queensland Championship - A.Handsley (R) 1, T.Duffy (Bar - holder) 2 Time 3.4

100 yards Central Western Queensland Championship - W.Plumb (R) 1, A.Handsley (R) 2, W.Hitzman (holder) 3 Time 63 2/5 secs

DORRIE THOMSON'S GREAT SWIM
MORE RECORDS BROKEN

Dorrie Thompson, the Breast Stroke Champion of Australia, swam a magnificent race in the 220 yards Breast Stroke Championship of Queensland at the Springfield Cup carnival at the Ithaca Baths last night. Her time was 3.25 2/5, 2 2/5 seconds faster than her own record for the distance, and 2 3/5 seconds faster than the Olympic record for 200 metres. She swam the first 100 yards in 1.25 seconds, which is only 3/5 seconds outside the world's record for that distance. Her brilliant performance roused the crowd to a high pitch of enthusiasm, and she was cheered for several minutes when she came out of the water. M.Gould was second and J.Groom, third.

The other events were ver interesting and there were some very close finishes. The Valley Club won the Springfield Cup with 60 points, Otter Club was second with 42 points and Commercial Club third with 26 points. The officials were - Referee Mr D.S.Carter; Judges of Swimming, Messrs H.Davis, A.Haslet, A.Casey; Judges of Diving, Messrs D.S.Carter, A.Haslet, F.W.Springfield; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Timekeepers, Messrs J.Moylan, Les Nissen, F.W.Springfield, R.H.Bunting; Clerks of Course, Messrs J.Montgomery, F.Ivett; Result Steward, Mr N.Burn; Dressing Room and Call Stewards, Mr K.McKay, Mrs Newman; Heat and Press Steward, Mr J.Whittington; Hon Handicappers, Mrs Newman, Mr C.Graham; Assistant Handicapper, Mrs Howard; Competitors Check, Mrs McKay; Costume Stewards, Mrs Gordon, Miss Brown, Hon Secretary, Miss P.Brunnich, Hon Treasurer, Miss

B.Murphy.

Details -

25 yards Tiny Tots Scratch Race - R.Middleton (V) 1, W.Kerr (O) 2. Time 17 2/5
220 yards Breast Stroke Championship of Queensland - Dorrie Thompson (V) 3.25
1, M.Gould (V) 3.49 1/5 2, J.Groom (O) 4.1 3. T.Lind (O) also started but had
to retire after swimming pluckily for 150 yards. The four girls struck the
water together. Dorrie Thompson quickly shot to the front and at 25 yards
touched two yards ahead of T.Lind with M.Gould two yards away, third, and
J.Groom following closely. At 100 yards the Australian champion was almost a
lap ahead of the other competitors, and from then on, swimming with tremendous
power and pace, she was quite alone in the race making a valiant effort to
break the world's record for the distance. She finished in the remarkably fast
time of 3.25 with- out fatigue. This was faster than her own Australian record
by 2 2/5 seconds and 2 3/5 seconds faster than the record of Miss A.Geraghty
(USA) for 200 metres at the Olympic Games, the American girl's time being 3.27.
M.Gould swam a very plucky race from start to finish. J.Groom also swam well,
finishing several yards behind Miss Gould.

75 yards Free Style Scratch Race - R.Middleton (V) 1, E.Middleton (V) 2,
J.Smith (V) 3. Time 53 4/5

300 yards Free Style - L.Venning (O) 1, 4.46 4/5 1, L.Campbell (Com) 5.10 2,
M.Holmes (O) 5.23 4/5 3. Miss Venning secured an extra point for her Club by
swimming the distance in less than 5 minutes.

LADIES DIVING
CHAMPIONSHIP WON BY MISS G.BROWN

A fine display of diving was given at the Municipal Baths, Valley,
last night when the Ladies Diving Championship of Queensland was won by Miss
G.Brown of the Valley Club.

There were only three competitors and the points awarded by the Judges were
- G.Brown (V) 67.5, P.Lyons (Com) 38.1, K.Crane (O) 36.6.

The diving of Miss Brown was superior throughout, and she secured the
highest points for the standing 1 1/2 somersault dive. Her diving off the high
board was splendid. She was the only competitor who did all the compulsory
dives of the high board.

OLYMPIC FUND CARNIVAL
FRANZEN'S NEW RECORD

Prevailing weather conditions probably interfered with the attendance at the Queensland Amateur Swimming Association's "Olympic Fund" Carnival held in the Wickham Street Baths last night. This was regrettable in view of the splendid programme which was carried out. The presence of many of Queensland's leading swimmers lent interest to the function, and all events were keenly contested.

In the 100 metres Breast Stroke Handicap, R.Franzen, the Queensland representative, created a Queensland and Australian record, covering the distance in 1.25 $\frac{4}{5}$. This distance had not previously been recorded, and as a result of his effort Franzen will hold the official title.

T.Boast, the Olympic representative of Queensland, made an attempt on his Australian record in the 100 metres Back Stroke Handicap, but his time of 1.18 was three seconds slower than his performance of February 23 although he came second in the event after conceding 26 seconds to the limit man.

STRAITS OF GIBRALTAR
MISS GLEITZE CHALLENGED
London Nov 30

The English Channel swimmer, Miss Mercedes Gleitze, has declined the challenge of the champion swimmer, Miss Millie Hudson, to a swimming race across the Straits of Gibraltar. Miss Hudson said she will race her any hours and will depart on December 2 for Tangier for which Miss Gleitze is en route. She will enter the water with Miss Gleitze and thus will see who is the better woman. She says they are good friends but she considers Miss Gleitze might consent to a race.

Miss Gleitze, in replying to Miss Hudson, said she has no intention of swimming against time. She has been promised remuneration if she succeeds, and

she will devote the money to an Institute which she hopes to establish for "down and outs". The question of winning a race is irrelevant.

London Dec 2

Misses Gleitze and Hudson sailed today from Southampton and will stay at rival hotels in Tangier where Miss Hudson's party will closely watch Miss Gleitze. She and Miss Hudson will enter the water simultaneously. Miss Gleitze continues to resent Miss Hudson's presence on the scene. Miss Hudson, who is a livelier little girl carrying a toy mascot, before sailing said, "My idea at Waterloo was for us to be photographed together. When I tried to kiss her she pushed me away and I just kissed her on the other cheek."

Miss Gleitze, who was rather despondent, keeping to her own cabin, said, "I will adhere to my plans. Miss Hudson must do as she likes." Asked if she would be friendly on the voyage, she replied she would be too busy studying plans of her own for an Institute for Destitutes.

ANOTHER ATTEMPT BY MISS GLEITZE FAILS

Gibraltar 11 March 1928

Miss Mercedes Gleitze, the conqueror of the English Channel, started from Tarifa at noon today in an attempt to swim across the Strait of Gibraltar. In the evening the accompanying tug reported that Miss Gleitze was within two miles of Ceuta and she was still swimming well. Miss Gleitze gave up in an exhausted condition when she was 1 1/2 miles off the African coast after swimming 7 hours 35 minutes. The water was choppy in stages.

OTTER LADIES SWIMMING CLUB

The annual meeting of the Otter Ladies Amateur Swimming Club was held in the Cafe Majestic on Wednesday evening, a large number of members being present. Mrs McGregor-Lowndes occupied the Chair.

The Annual Report showed that the season was not such a success as in previous years. The Treasurer's Report showed a creditable balance.

The officers elected for the coming season were as follows: Patroness Miss K.C.McGregor; Vice Patroness, Mrs E.S.Biddle; President, Mrs Churchward; Secretary, Mrs R.Mcgregor; Treasurer, Mrs C.Biddle; Handicapper, Miss Jean McGregor-Lowndes; Captain, Miss R.Straiton, Vice Captain, Miss D.Cooper; Junior Captain, Miss L.Holmes.

The first Club swim will be held in the Ithaca baths on Tuesday evening October 2, when it is hoped all members and intending members will be present.

Q.L.A.S.A ANNUAL MEETING

The annual meeting of the Queensland Ladies Amateur Swimming Association was held in the Royal National Rooms last evening. There was a good attendance of delegates and the Chair was occupied by the President, Mrs McGregor-Lowndes.

According to the Report, the past season had terminated very successfully. In all, 14 Clubs had affiliated, including 7 town and 7 country associations. The Financial Statement disclosed a bank balance of £87/10/10. The funds were greatly augmented by various competitions held during the season, and subscriptions to the value of £13/1/6 were also received to defray the expenses of the State team to the Australian Championships in Melbourne. The Report also referred to the annual Conference held in Melbourne early in the year, and compliments were extended to Miss Dorrie Thompson who, during the season, established a new 220 yards breast stroke record which ensured her selection for the Olympic Games. Considerable progress was reported with junior swimmers, who also enjoyed additional coaching facilities during the past season.

The following Notices of Motion were submitted and passed: "That all Clubs within a radius of 30 miles, affiliated with the Q.L.A.S.A, have to take one of the State Championships to the value of £3/3/-, irrespective of Clubs holding carnivals." "That the Honour Debit be deleted." "That the State Championship 440 yards be deleted." "That the 50 yards Senior State Championship be retained and that a 100 yards Junior Championship be added to the list of State Championships."

ELECTION OF OFFICERS

The following office bearers were elected for the ensuing season: Patroness, Mrs F.W.De Little (re-elected); President, Mrs McGregor-Lowndes (re-elected); Vice presidents, Mesdames H.Day Cooma, E.Goodwin, C.Biddle, A.Winton, J.George; Hon Treasurer, Miss Grace Shelley; Hon Secretary, Miss B.Murphy; Hon Handicapper, Mrs S.H.Newman (re-elected); Advisory Board, Messrs F.W.De Little, Wm Kuder, Les Nissen, D.S.Carter, H.Davis, F.Springfield Jnr; Hon Auditors, Messrs Wm Kuder, W.H.Duffy.

A Life Membership was conferred on Mrs F.W.De Little, and presentations were made to Mrs McGregor-Lowndes, Mrs Newman, and Miss B.Murphy, in appreciation for their services during the past year. Trophies won during the past season were also presented.

Q.A.S.A.
CLUB RESPONSIBILITIES

The Queensland Amateur Swimming Association held last night in the Y.M.C.A. Rooms its Twenty ninth Annual Meeting with the President, Mr D.S.Carter, in the Chair.

The Report, which was read by the President, congratulated the members on having passed through a successful season. 25 Clubs and Centres had renewed affiliation, 3 new Clubs had been admitted and one country Centre. "It was a Queensland body." said the President, "not a Queen Street body. From year to year the Association had managed to interest the country and arranged competitions. Only by competitions'," he said, "could Swimming Clubs exist. For a good many years the Association had endeavoured to win the Kieran Shield. Great interest was maintained in the competition, and New South Wales with five meritorious wins retained possession for the season. The final scores were - N.S.W 5, 4, 7; Queensland, 3, 3, 1; West Australia 3, 2, 1; Victoria, 0, 0, 2. The thanks of the Association were tendered to Reg Grier, T.Boast, Axel Suosaari, Joe Suosaari, Jas M.Collins, B.Stafford, J.Pike, G.Collings, B.Bick, E.Bonis, R.Franzen and K.Petrie, who made great efforts on behalf of Queensland."

The Financial Statement showed an excess of Assets over Liabilities of £135/13/3. Commenting on the Balance Sheet, the Report stated it could be seen that the Association was in a very sound position. One item, however, which called for comment was the dues unpaid by sundry Clubs, amounting to a large amount. In order that the Association might promptly fulfill its obligations, it was essential that the Clubs realise their responsibilities.

ELECTION OF OFFICERS

The following officers were elected - Patron, Mr F.W.De Little; President, Mr Ern H.Mair; Vice Presidents, Mr T.C.Beirne, Colonel D.C.Cameron M.H.R, Messrs J.Hiron, F.Springfield Snr, F.E.Duncalfe, C.Saunders, W.B.Swain, Les Nissen, Ern Lawton, A.Haslet; Handicappers, Messrs E.J.Goodwin, J.Whittington (Seniors), H.Wrench (Juniors); Hon Auditors, Messrs J.A.Kerr, D.Merritt.

Nominations will close with the Hon Secretary next Friday, and the election will take place at the Council meeting the following Friday, for the Hon Secretary, Hon Assistant Secretary, Hon Treasurer, Official Starter, Official Timekeeper.

IPSWICH CENTRE

Ipswich Oct 18

Mr W.S.Johnston presided at the Annual meeting of the Ipswich Amateur Swimming Centre which was held in St Paul's Young Men's Hall last night. The attendance was disappointing.

In the Annual Report the Secretary, Mr W.Lemass, said five Clubs had renewed affiliation (St Paul's, C.Y.M.S, Brassall, Booval, Rosewood) and Wood End Pastimes had entered the competitions. At a carnival Tam Boast had broken the 10 yards Back Stroke record for Australia by 3 1/5 seconds. The 100 yards Back Stroke Championship of the State was drawn by this Centre and that was won by Boast from Reg Grier and H.Lewis. The Annual Championships had been keenly contested. Swimming in Brisbane, the Centre as a team had improved its position running second to Maroochydhore in the Country Flying Squadron.

After several speakers had congratulated the Secretary on his Report, the Secretary said it was with keen regret that he had to decline nomination for the position again, but his present state of health made it necessary that he should do so. The Report was adopted.

The Financial Statement of the Treasurer, Mr A.R.Reilly, showed a Credit Balance of .£16/4/10. Answering Mr E.A.Watkins, the President said the

loss on the New Year proceedings was £14/9/6. The Secretary said the main reason for the loss was that the last two relays had been conducted on wet nights, and whereas they had received about £36 from carnivals, they had to pay out about £70 in this connection. The President said they could not expect to get satisfactory attendance at the baths while the seating accommodation was so extremely unsatisfactory. It was this that had caused the year's loss. Mr Watkins agreed with the Secretary that too much money was being paid out in trophies.

Election of officers resulted - Patron, The Mayor (Ald A.T. Stephenson); President, Mr W.S. Johnston; Vice Presidents, Messrs D.A. Gledson (Minister for Labour & Industry), W. Pratt, W. Ferguson, A.J. Schaffer, C. Rich, A.L. Ivett; Secretary, Mr L. Herschel; Treasurer, Mr A.H. Reilly; Handicappers - Senior, Mr W. Morgan, Junior, Mr W. McNamara, Ladies, Mr E.W. Stokan; Starter, Mr J. Simpson; Check Starter, Mr C. Boyd; Referee, Mr E.M. Patrick; Clerk of Course, Mr R.J. Bennett; Timekeepers, Messrs W. Pratt (official), F.W. Lewis, R.J. Simpson, A.J. Schaffer; Judges, Messrs W. Lemass, F. Eson, J. McCosh, W.A. Ferguson, V. Hartley; Delegate to QASA Mr V. Hartley. The Mayor is to be asked to act as Auditor.

The President presented Mr J. Laimer with a Life Member's Medallion. Mr Watkins gave Notice of Motion "That no new Life Members be appointed for a period of three years."

It is to be a recommendation to the delegates that they should cater for the new Life Saving sections of the Clubs at future interclub meetings and at carnivals.

Mr F. Olsen moved that it should be a recommendation to the incoming Executive that steps should be taken to recognise suitably the services of Mr Lemass who had been Secretary for six years. This was agreed to.

Q.A.S.A CARNIVAL
IMPORTANT MATTERS DISCUSSED

Important matters were discussed at the first meeting held this season of the Council of the Queensland Amateur Swimming Association in the Y.M.C.A Rooms last night.

There was a good roll-up of delegates of affiliated Clubs, representatives including BGOBSA, Kelvin Grove, West End, City Pastime, Valley, Commercial, Toowong, Federal, Secondary Schools, Manly, Rockhampton, Rockhampton Railway, Bundaberg, Warwick. Mr J. Hiron, who was elected Chairman for the ensuing year, presided. Prior to the commencement of the meeting, Mr Les Nissen (Vice President) raised a point of order, that the meeting, according to Rule 37, could not be conducted on this night. However, an emergency Executive meeting was held to overcome the difficulty, and the Council meeting was then proceeded with.

Permission was granted to the Valley Club to conduct their carnival on Wednesday November 28, Toowong on Tuesday December 11, and Manly on December 18. In future, it was decided, that the Association would conduct all its own Championships, and to attempt to revive the sport of Water Polo a motion was passed that the Association should conduct a Water Polo competition during the season. A Committee comprising Messrs E.H. Mair, E.S. Collin, G. Edwards, S.H. Springfield and E.J. Goodwin, was elected to carry out the arrangements.

In appreciation of the work they had carried out on behalf of the Association it was unanimously decided to present to the Hon Secretary (Mr E.J. Goodwin) and Hon Treasurer (Mr R. McGregor) the sums of £15/15/- and £5/5/- respectively.

A proposal was mooted by the President (Mr E.H. Mair) that the Association should launch a Testimonial to Mr D.S. Carter in recognition of the splendid work he had performed on behalf of the Association, having occupied the position of President for 28 years. The proposal was heartily agreed to, the finalising of the scheme being left in the hands of the Executive.

The following office bearers were elected for the ensuing 12 months Hon Secretary, Mr E.J.Goodwin; Hon Treasurer, Mr R.McGregor; Official Starter, Mr F.E.Duncalfe; Standard Timekeeper, Mr J.Moylan; Registration Entry Steward, Mr J.Whittington; Executive, Messrs H.Davis, A.Casey, J.Montgomery, F.E.Duncalfe, N.Burn.

It was decided that in future Council meetings would be held on the first Friday in each month and also that it should be an instruction to the Executive to obtain permanent rooms for the use of the Association.

OLYMPIC SWIMMERS
HAPPY HOMECOMING

"It was a wonderful trip, we were beaten by better athletes." These were the keynote of the opinions expressed by the Queensland swimmers who returned on Saturday night after participation in the Olympic Games. The party, Misses Dorrie Thompson and Mabel Springfield and Mr Tom Boast, were welcomed enthusiastically by relatives, friends, and representatives of the various swimming bodies.

"Considering the highly specialised opposition the Australian team had to meet, they did reasonably well," said Mr Boast. He was pleased with what success he had experienced and considered that the defeats were more than compensated by the experience that had been gained.

It was a very happy homecoming for the ladies of the team. "It has been glorious," said Miss Thompson, "but we are tremendously glad to be back, We had a splendid reception and arrangements everywhere were excellent."

CARNIVAL AT MANLY

The Manly Amateur Swimming Club held a successful carnival in the Manly Baths last night for the purpose of raising money to reduce the remaining debt on the Wynnum Ambulance Centre. Over 66 entries were received from members of the Club and all events were keenly contested.

The officials responsible for the well organised programme were - President, Mr J.R.Woosley; Judges, Messrs H.Kimlin, O.Muller, A.McShane; Starter, Mr F.Holbeck; Steward Mr W.Ricketts; Mr J.Reid carried out the Secretarial duties; Messrs W.Ricketts, G.Pearce, A.McShane were the Handicappers.

An amusing display was given by the Queensland Diving champion J.Collin, and at the conclusion of the programme Mr J.R.Woosley presented the winners with their trophies. Messrs R.Graham and W.Ricketts tied in points for the Pearce Cup donated for the competition over the 66 and 220 yards distances. In the subsequent re-swim, R.Graham was declared the winner of the Cup.

OLYMPIC SWIMMERS
WELCOME BY VALLEY CLUB

There was a large attendance on Saturday night at the Social held by the combined Valley Swimming Clubs to welcome home Miss D.Thompson and Mr T.Boast who represented Australia as swimmers at the Olympic Games, and Miss Springfield who acted as Chaperone to Miss Thompson.

Both representatives acquitted themselves very well indeed. Boast qualified for the Back Stroke semi-final and Miss Thompson performed well in the Breast Stroke heats.

In voicing the pleasure the members experienced in welcoming back these Club-mates, the Patron of the Club, Captain Collin, said it was a very great honour for Queensland that they should have been selected to

compete against the best swimmers in the world, and it was particularly gratifying that they should belong to the Valley Club. During the evening the Patron presented Mr Boast with a coffee service suitably inscribed.

Q.A.S.A COUNCIL MEETING

A Council meeting of the Q.A.S.A. was held in the Y.M.C.A. Rooms last night, delegates from West End, Valley, Warwick, Toowong and other Clubs being present. Mr J.Hiron occupied the Chair.

The main feature of the evening was the news the Hawaiian swimmer, Crabbe, would not be able to appear in Australia, the reason being advanced was that he was studying and could not spare the time. Consequently it was decided the Association should take up the matter with the Australian Swimming Union in order to approach another Hawaiian, Kojack, to take his place.

Dates for the following carnivals were fixed at - Valley November 28, Commercial December 6, Manly December 8, and Toowong December 11.

A matter arose out of the correspondence in regard to the -1929 Conference which should be held in Adelaide. The West Australian Swimming Association applied for the holding of the Conference in Perth. On putting the matter to the vote it was decided the West Australian claim should not be supported.

The revival of the game of water polo was advocated by the President, Mr E.H.Mair, who stated that so far the sport was going well and to a certain extent was regaining its lost popularity. Permission was granted by the Council for the formation of a Water Polo Association.

It was also shown that swimming was being strongly supported in country districts as the application for affiliation by the Charleville Club clearly demonstrated. The application was granted.

INTERCLUB CARNIVAL GRIER'S FINE PERFORMANCE

The annual Interclub carnival under the auspices of the Valley Amateur Swimming Club was held at the Municipal Baths, Valley, last night and attracted a large attendance. An excellent programme was submitted, and with large entries in each event the function was a decided success.

In the 400 metres Interclub Handicap, Reg Grier (Valley) put up a splendid performance in finishing from scratch against ten competitors after conceding the limit man 44 seconds. The same fellow was also warmly applauded in the 100 metres Special Limit Senior Interclub Handicap in which he finished second from scratch. The race was swum in 1.9 1/5, but Grier's actual time was 1.3 which equalled his own Australian record.

An attractive item was the display by the Q.A.S.A diving troupe comprising J.Collin (leader), E.S.Collin, W.Morrall, G.Collings, J.Barr, and Gladys Brown. This was the first public performance by the troupe since its formation, and its display proved of great interest.

The Butterfield Memorial Handicap was won by G.Costorphan (Com).

It was noticed at the carnival Mr Collin took off his little stunt with great success. Dressed as a "Minties" boy with his two friends dressed as "Happy Couple" he caused quite a stir when the young ladies threatened to call the officials if he did not move away and let them have a full view of the race. Mr Collin took off his Minties coat and tray and started a battle royal with the young lady during which he pulled her into the water, much to the amusement of the onlookers who enjoyed the farce immensely. It was noticed how the public made reference to the well known "It is moments like these when one really needed Minties".

Q.A.S.A MEETING

At a meeting of the Queensland Amateur Swimming Association held in the Y.M.C.A Rooms last evening considerable discussion centered on the present procedure of handicapping for carnivals, it being contended that in fairness to both the officials, and the swimmers themselves, that previous individual times should accompany the entries, and they should be in the hands of the handicappers in reasonable time before the date of the carnival. It was ultimately decided that in future all Clubs desiring permission to hold carnivals must state the hour and the day of the closing of entries which must be in the hands of the handicappers within the following twenty four hours.

Dates were fixed for the holding of the State Championship Carnivals for January 18, 21, and 23, the first of which to be held at Ipswich, the third in the Valley Municipal Baths. It was decided that the Executive appoint the place for the second day's carnival.

The Maryborough and Toowoomba bodies were granted permission to hold carnivals on December 13 and Christmas Day, respectively, and the programme for the Bundaberg carnival on December 31 and January 1 was also accepted. Permission was also given for the holding of the 100 metres Championship of South West Queensland at Charleville.

In reply for an application for affiliation from the Royal Life Saving Society, it was resolved to confer with that body concerning suitable arrangements.

The Secretary was advised to notify all Club Secretaries to furnish the Association with a list of times made at their weekly swims.

VALLEY LADIES CLUB MISS VENNING RETAINS 100 YARDS CHAMPIONSHIP

The Valley Ladies Amateur Swimming Club held a Grand Championship Swimming Carnival at the Wickham Street Municipal Baths last night when a varied programme was contested. Unfortunately the attendance was not up to expectations, although the various contests provoked the keenest interest. Miss L.Venning of the Otter Club was successful in retaining the title to the 100 yards Free Style Championship of Queensland, and although her winning margin was small, her time of 1.13 1/5 indicates that this clever swimmer was not fully extended.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs J.Hiron, A.Casey, R.McGregor; Judges of Diving, Messrs F.W.Springfield, J.Hiron; Timekeepers, Messrs J.Moylan, F.W.Springfield, R.H.Bunting, Les Nissen; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Call Stewards, Mr F.E.Ivett, Miss S.Fogarty; Result Steward, Mr D.S.Hunter; Press Steward, Mr J.Durston; Clerks of Course, Messrs J.Montgomery, L.Landsbury; Hon QLASA

TEST SWIMS
LADIES 100 METRES

Enid Middleton, a junior swimmer, did 100 metres in 1.21 3/5 at the Municipal Baths last night in her test swim against Lily Venning to decide whether she should be sent to compete in the Australian Championships in Sydney at the end of the month. Miss Venning, a senior swimmer, was not timed. The selection of the team to represent Queensland in the Championships will be made tonight at the meeting of the Queensland Ladies Amateur Swimming Association. It is most likely that Miss Lily Venning will be the Back Stroke representative.

ARNE BORG
HONEYMOON VISIT TO AUSTRALIA

Arne Borg, the Swedish swimming champion, and his bride were passengers on the steamer "Nieuw Zeeland" which arrived in Brisbane from the East yesterday, and left later for Sydney. Married in Japan, to which country Mrs Borg travelled from Sweden for her wedding, the couple are on their honeymoon. After touring the East they have come to Australia, and though Borg has no definite plans, he will probably swim at Sydney, Melbourne, Adelaide and Brisbane before they begin their return journey. Then he will visit Sweden to settle his affairs there and probably then go to the United States and become an American citizen.

Mr J.Hiron, Chairman of QASA Council, and Mr E.J.Goodwin, Secretary, met the boat, but Borg and his wife declined an invitation to see the City. They preferred to visit a Swedish boat at a neighbouring wharf to sample food of a kind they declare they had not tasted outside their native country.

INTERTOWN CARNIVAL

Cairns Jan 8

Swimming at the Intertown carnival in Malanda, Tom Beck, a local boy, won the 100 yards and the 75 yards Open Handicaps from scratch, registering the wonderful times for heavy fresh water of 69 seconds for 100 yards and 47 seconds for 75 yards. His 100 yards time is recorded as between 58 and 59 seconds for salt water. Beck will be sent to Brisbane to compete in the State and Country Championships commencing on January 18. Two State School boys, Frank White and Jas Wallace, put up god performances in the 50 yards race.

AMATEUR SWIMMERS COUNCIL BUSINESS

A well attended meeting of the Council of the Queensland Amateur Swimming Association was held last night, Mr J.Hiron in the Chair.

Applications for visiting dates for Arne Borg, the international swimming champion, received from Rockhampton, Bundaberg and Maryborough Associations were left in the hands of the Executive to deal with. The New South Wales Swimming Union advised that the dates of Arne Borg's visit to Queensland would extend from January 18 to January 23, and that Queensland's quota of the expenses of the visit would be £50. A suggestion that an attempt be made to secure a visit from "Boy" Charlton during Borg's visit was agreed to.

It was decided that the conditions of the diving events at the forthcoming Brisbane carnival be the same as those for the Australian Championships. In a matter of judging diving events, it was agreed a more simplified method be adopted along the lines observed at the Olympic contests.

The Treasurer's Statement disclosed the Association had a bank balance of £135. Mr A.Griffiths contended that better use should be made of the Association's funds, and in this respect that coaches should be procured to teach children how to swim correctly. On his suggestion, it was decided to inquire into the Beaurepaire scheme for schooling children now being carried out in Melbourne. It was only by paying greater attention to their school children, he said, that they could hope to bring about a greater interest in swimming, and at the same time raising the standard.

HALF MILE STATE CHAMPIONSHIP

Owing to the number of intending competitors being more than the Ipswich Baths could accommodate in one race, it has been decided to swim elimination heats in the 880 yards Queensland Championship in the City Baths, Valley, tomorrow night at 7.30. The following competitors are requested to take part - R.Grier, T.Boast, A.Gilbert (Valley), D.Coulston (Kelvin Grove), E.Bonis (City Pastime), and T.Beck (Malanda), It is intended to reduce the number to three, who, with the two Ipswich competitors, will take part in the event at Ipswich on Friday night.

HALF MILE CHAMPIONSHIP
ELIMINATION HEATS

The elimination half mile heats to decide the three contestants to meet R.Mullins and A.Pedley (Ipswich) in the final of the half Mile State Championship to take place in the Ipswich Baths tonight brought out five swimmers at the City Baths last night. They were R.Grier, T.Boast, A.Gilbert (Valley), T.Beck (Malanda) and E.Bonis (City Pastime). D.Coulston (Kelvin Grove) did not take part owing to an injured thumb. Beck is a lad of about 18 years and comes from Malanda, a town about 50 miles north of Cairns. For an inexperienced youth he made a great showing and gives promise of something considerably better in the future.

The five men left the mark together. Grier and Boast were on equal terms as they turned for the first lap. The first 100 metres was covered in 1.14, Grier just in front of Boast, and Beck close up, ahead of Bonis and Gilbert. Grier was swimming with ease and at the half way was still leading. Beck was ahead of Boast and Bonis was getting into a hopeless position. Beck's inexperience was evidenced in the turning but he was swimming a great race. The position was unaltered at 600 metres when Bonis withdrew. Shortly after the turn at this stage Boast forged ahead, but soon after was again superseded by Grier. As the two turned for the last lap Gilbert was hopelessly in the rear. A great sprint ensued between Boast and Beck, but Grier apparently was content with a place and did not appear to be exerting himself. The official placings were - T.Boast 12.15 1/5 1, T.Beck 12.16 2/5 2, R.Grier 12.27 3.

FINE SWIMMING
IPSWICH CARNIVAL
SUCCESS OF BRISBANE CHAMPIONS

Ips Jan 18

The Queensland Amateur Swimming Association's State Championships Carnival was held at the City Baths tonight. The racing was magnificent and there were big entries for nearly all the events. Several State champions competed. One Interclub Handicap ran into seven heats. Financially the carnival was highly successful, the gate takings amounting to about £60, and the crowd was estimated at more than 800. J.Venning (Commercial), in winning the 100 yards Free Style Junior Championship of Queensland, took 3/5 seconds off the record for the event, 65 seconds, established by J.Corbett (Ipswich) and F.R.Vincent (Brisbane) in 1927. No other records were broken, but all the times were good. There were several very close finishes.

GRIER'S GOOD WIN

In the 220 yards Free Style Championship of Queensland A.Suosaari (M'dore), J.Corbett (Booval), Reg Grier (Val), and G.Costorphan (Com) started. Suosaari and Grier were practically together in the early laps. On the second last turn Grier had pulled two yards ahead and was swimming strongly. Then he dropped back a little but recovered and in the last twenty yards glided ahead and won by six yards. Corbett and Costorphan put up a great race for third place. They were well behind the other two swimmers and battled with each other throughout the last two laps. Corbett won a place by a yard.

In the 100 yards Junior Free Style event in which the previous record was shortened by 3/5 second, two preliminary heats were swum. In the final, the race was won by a yard and a half by J.Venning (Com). It was a great race between Venning and M.Witt (Wide Bay), and it was only in the last fifteen yards that Venning got the lead.

BOAST WINS BACK STROKE CHAMPIONSHIP

Only two competitors entered for the 100 yards Back Stroke Championship of Queensland, the holder, Tom Boast, and W.Daley, both of the Valley Club. They were together throughout the whole race and Boast won by only a yard. He was 5 2/5 seconds behind his own record for the event.

The event with the biggest number of competitors was the Bill Hetherington Memorial 66 yards Interclub Handicap which had seven well filled heats. The final was won by K.Foster (Toowong) from J.Biggan (Booval) with E.Kirk (KG) third. The three made a very close race of it.

The most exciting event of the night was the Half Mile Championship of Queensland. Tom Beck of Malanda (N.Q), a promising youthful swimmer, gave an even more popular performance than the winner, Grier, Beck, Grier, Pedley (Booval), R.Mullins (Booval), and T.Boast started. Mullins pulled out after the eighth lap and Pedley after the eleventh. The other three fought hard all the way. Grier was about 12 yards ahead with 20 laps to go and this was reduced almost imperceptibly through the rest of the race until at the end of the race he was only a few yards ahead of the other two. Beck was second, but Boast pulled up level with him and they swam together through the last half dozen laps, Beck, if anything, ahead a little most of the time. They put on a great sprint in the last 20 yards and cut down Grier's lead to five yards at the finish. Beck made a wonderful finish and beat Boast for second place by about two feet.

STATE CHAMPIONSHIPS

SUCCESS OF GRIER, COLLIN, AND SUOSAARI

The second series of events comprising the Queensland Amateur Swimming Association's State Championship Carnivals held in the Sandgate Baths last night was responsible for some splendid achievements. In the 440 yards Breast Stroke Championship E.S.Collin, of Valley, defeated Joe Suosaari (holder) of Maroochydore, and in the 440 yards Free Style Championship Reg Grier consolidated his claim to Championship honours, covering the distance in time equal to the best. A.Suosaari retained the title in the 100 yards Country 100 yards Free Style Championship.

The carnival attracted a crowd that fully taxed the seating accommodation of the baths. Early in the proceedings a heavy shower fell, followed by drizzling rain for some time, rendering the task of the officials compelled to carry on in the rain, most uncomfortable. The change in temperature made the job ahead for the swimmers, cold, and some competitors, no doubt, were hampered from this cause.

COLLIN'S FINE EFFORT

Racing throughout was of a interesting order, and at times the enthusiasm of the spectators reached a high pitch. The surprise of the evening was, to many, the defeat of Joe Suosaari (the holder, Maroochydore) in the 440 yards Breast Stroke Championship of Queensland by E.S.Collin of the Valley Club. It was thrilling race from the outset, the three placed men performing brilliantly over the major portion of the journey. Collin swam a magnificent race, and from a field of six he and Suosaari and R.Franzen (V) quickly established a lead. Franzen made a great fight of it for most of the trip but Collin and Suosaari swimming on even terms throughout made an even pace that ultimately wore him down and when touch was reached he was well beaten. The other two battled through to the final lap amid excited cheering and Collin collected by the merest fraction.

GRIER SUPREME

There was a good entry in the 400 yards Free Style Championship of Queensland in which R.Grier was the holder. He defended his title like a champion is expected to do, and in doing so proved his undoubted right to retain it. He swam in a most effective manner setting a pace from "go" that soon placed him well in the lead from T.Boast and A.Suosaari. With three to go, Boast indicated he was too tough an opposition for the Maroochydore visitor, and though Grier beat him rather easily, he swam into second place with a comfortable margin. Grier's time was equal to his best for the distance.

COUNTRY CHAMPIONSHIPS

Considerable interest centered on the 100 yards Country Free Style Championship. T.Beck, the youthful Malanda swimmer who made such a favourable impression at Ipswich, was expected by many to wrest the honour from the holder, Suosaari. It was a formidable task for the youngster and he tackled it in very game fashion, but Suosaari, in brilliant style, retained the honours rather easily. This is all the more to the credit of the Maroochydore man when it is stated that the time for the race was equal to the best yet established over the distance by a Queenslander, when R.Grier was successful in 1927.

The Bob Joyce Secondary Schools & Junior Handicap 50 yards was decided in four heats and a final, and the success of two local boys in first and second places was heartily acclaimed. Fifty nine entries were received for the 50 yards QASA Handicap and in the eight heats and final which followed, some keen sprint swimming with close finishes was witnessed. The honours were secured for the Maroochydore Club by J.Petersen.

The following are the results -

50 yards Q.L.A.S.A Handicap - Misses A.Muller (M) 1, R.Smith (S'gate) 2, J.Wilson (S'gate) 3

50 yards Under 14 Schoolboys Handicap - D.Ashworth (B'berg) 1, P.Kenny (V) 2, K.Kimlin (M) 3

CHAMPIONSHIP CARNIVAL
A.SUOSAARI'S 100 YARDS RECORD

Splendid swimming was witnessed at the final carnival of the Q.A.S.A State and Country Championships held in the Booroodabin Baths last evening. Several important Queensland Championships were decided, and in the 100 yards event Axel Suosaari (Maroochydore) created a Queensland record, covering the distance in 55 1/5 seconds. T.Boast (Valley) annexed the One Mile Free Style Championship, while in the 100 yards- Back Stroke Boast equalled the Australian record of 1.8. J.M.Colin (Valley) retained the title of Diving Champion of Queensland.

Although a late start was affected and the programme was fairly long, the events were run off very smoothly and interest never lapsed. The large crowd of spectators was raised to the highest pitch of excitement in the 100 yards Championship, a thrilling finish being provided by A.Suosaari, R.Grier and T.Boast, the first mentioned eventually winning by a touch from the holder of the title. Graceful diving displays also caused very favourable comment. Te takings at the gate amounted to .65.

Results -

50 yards Junior Interclub Handicap - D.Toft (B'berg) 1, F.Jay (Carlton) 2, D.Ashworth (B'berg) 3

300 yards Pat McMenamin Secondary Schools & Under 1.8 Handicap - C.Hartley (Woodend) 1, J.Venning (Com) 2, W.Hayden (CP) 3

100 yards Free Style Championship of Queensland - A.Suosaari (M'dore) 1, R.Grier (V) 2, T.Boast (V) 3. Time 55 1/5. The event proved a thrilling duel from the start, Grier and Suosaari reaching the 50 yards mark almost simultaneously. Boast was only a touch later with the other two competitors, K.Foster (T) and Gordon Costorphan (Com) right on his heels. The last lap was a magnificent struggle for supremacy between three great swimmers and excitement was intense. With a brilliant effort, however, Suosaari won from Reg Grier, the holder of the title, by 1/5 second, with Tom Boast a similar distance away, third. Foster and Costorphan were a couple of seconds in the rear. All of the first three competitors broke the existing Queensland record for the event, 56 4/5.

50 yards B.B.Kieran Memorial Interclub Handicap - J.Rodger (Carl) 1, J.Ashworth (B'berg) 2, H.King (B'berg) 3.

220 yards Breast Stroke Championship of Queensland - J.Suosaari (M'dore) 1, R.Franzen (V) 2, E.S.Collin (V) 3. Time 3.7 4/5. Suosaari, Franzen and Collin quickly drew to the front and reached the 100 yards mark in that order. Suosaari continued to keep control and finished in front of Franzen with a good margin to spare. Collin was only a second or so behind, third. The time was 5 seconds short of the Queensland record of 3.2 4/5.

250 yards Junior Flying Squadron Championship of Queensland - B'berg (W.Howard, N.Croft, M.Staier, W.Tucker, D.Ashworth) 1, Warwick (M.Creed J.Frawley, J.Newcombe, J.Purtell, Karl Day) 2, Ipswich (T.Johnstone, R.Austin, T.Dixon, E.Wilson, C.Musgrave) 3. Time 2.37. Good swimming was seen in this event and the result was always in doubt. The Bundaberg swimmers, however, were very consistent and their last man finished 1 2/5 seconds ahead of the Warwick swimmer, Ipswich being a similar distance away, third.

100 yards QASA Back Stroke Handicap - T.Boast (V) 1, W.Daley (V) 2. Actual time 1.8. These were the only competitors, and Boast gradually overtook his opponent to win by a fair margin. His time of 1.8 was equal to the Australian record for the distance.

Diving Championship of Queensland - J.M.Collin, holder (V), 98 points, W.Morrall (V) 93.51. points, G.Coilings (V) 86.19 points.

500 yards Flying Squadron Intercity Country Championship - Maroochydore (A.Suosaari, J.Suosaari V.Suosaari, A.Petersen, J.Petersen) 1, Bundaberg (W.Howard, J.Ashworth, F.Ashworth, C.Kettlewell, H.Nilsson) 2, Ipswich (R.Mullins, J.Corbett, J.Hoffman, J.Biggan, A.Payne) 3. Bundaberg and Maroochydore quickly took the lead and were in front at the 100 yards mark. The two teams maintained their lead with Maroochydore slightly in front and Ipswich holding third position. A.Suosaari was Maroochydore's last swimmer and finished

three seconds ahead of Bundaberg with Ipswich 8 3/5 seconds away.

1 Mile Championship of Queensland - T.Boast (V) 1, T.Beck (Malanda) 2, A.Pedley (Booval) 3. Time 25.10 1/5. Boast, Beck and Pedley drew ahead at the outset and maintained their positions throughout, E.Bonis (CP) being next. A.Gilbert was fifth and R.Mullins (Booval) sixth.

LADY SWIMMERS
WELCOME IN SYDNEY

The visiting lady swimmers from Victoria and Queensland were officially welcomed at a happy gathering at the Hotel Carlton tonight. Mrs Mackay (Qld) and Mrs Ridgeworth (Vic) who are in charge of the teams briefly thanked those present for the warmth of the welcome.

Mr Bruce McDonald, Hon Secretary of the New South Wales Association, said that the time was not far distant when the ladies would be controlling their own carnivals. They had all worked hard to achieve this, and he was of the opinion the matter would be settled at the Adelaide Conference. He admired the spirit of the girls for coming such long distances to compete in the Championships.

WOMEN'S CHAMPIONSHIPS
FINE DISPLAY BY MISS JEAN COCKS

The Australian Women's Championship carnival drew a large crowd at the Aquarium Baths, Coogee, on Saturday night, a crowd whose enthusiasm knew no bounds when it was announced that Miss Jean Cocks (NSW), who has not yet reached fourteen years of age, had won the 200 metres Free Style Championship of Australia in a remarkably fast time of 2.45 4/5, making the first Australian figures for the distance. Miss E.Davey (NSW) finished second, her time being 2.46 4/5. The Olympic representative, Miss Bonnie Mealing, won the 100 metres Back Stroke Championship in 1.23 1/5, creating an Australian record.

WOMEN'S SWIMMING
RECORD TO MISS JEAN COCKS
MISS EDIE ROBERTSON BREAST STROKE CHAMPION

Miss Edie Robertson won the 100 metres Breast Stroke Championship at the second carnival controlled by the New South Wales Ladies Amateur Swimming Association at the Coogee Aquarium Baths last night in 3.34 4/5. New South Wales swimmers filled the three leading places.

Miss Jean Cocks (NSW), who performed so well on Saturday last, added

further laurels to her extensive list. Five competitors participated in the 100 metres Junior Free Style Championship of Australia. Misses J.Cocks, T.Dennis, P.Wells, represented this State, Miss D.Foreham competed for Victoria, and the Queensland swimmer was Miss E.Middleton. The start was a bad one with Miss Cocks and Dennis the fastest away, the other girls hesitating on the mark. The New South Wales swimmers 'were together on the turn and then ensued a great struggle between Miss Cocks and Miss Dennis. Miss Cocks swam rather an erratic course but held her opponent safely over the concluding stages, winning by two yards in 1.13. Miss Cocks time for 50 yards was 30 2/5 and she completed the 10 yards in 1.6 1/5, 1/5 second slower than Miss Fanny Durack's Australian record. Her figures for 100 metres are 3 seconds outside the world's record, and they lowered the existing figures established by Miss Phyllis Wells at the Olympic carnival at the Domain Baths last March, by 2 25/seconds.

The competitors in the Breast Stroke Championship were Miss E.Robertson (NSW - 220 yards champion), M.Gould (Qld), D.Bennett (Vic), M.Williams (WA), M.Welch (NSW), J.Shiedow (NSW). After a false start Misses Robertson and Welch were quickest to begin, and at 50 yards the former had established a lead from Misses Williams and Gould. At the second turn Miss Robertson had increased her advantage to five yards from Misses Williams and Shiedow. The New South Wales swimmer was never troubled and won by six yards from Miss Shiedow who made a fast finish.

Miss Williams finished third but was disqualified, the remaining place being awarded to Miss Welch. Miss Robertson's time was 3.34 4/5, 7 2/5 seconds outside Miss D.Thompson's Australian figures.

Diving exhibitions and Handicaps completed the programme.

VISIT OF ARNE BORG
QUEENSLAND ITINERARY FIXED

Local swimming enthusiasts are looking forward with keen interest to the visit of the Swedish champion, Arne Borg, to Queensland. The Queensland Amateur Swimming Association's Arne Borg Carnival will be held at the Municipal Baths, Valley, on February 21. The Association advises that Borg's itinerary in the State has now been arranged and is as follows - February 15, swim at Warwick; February 16, at Toowoomba; February 18, at Bundaberg; February 19, at Maryborough; February 21, at Brisbane; February 22, at Ipswich; February 24, leave for Lismore.

BORG AFTER NEW RECORDS

In a private letter to Mr Ted Goodwin (Secretary Q.A.S.A), Borg stated he was saving a couple of records for Queensland, and asked that a special event be put on the programme so that he could make an attempt to make new world's records for 1000 metres and 1000 yards, after his great swim over the mile in Sydney in which he lowered the 880 yards and the 1 mile world's records, the latter by 34 1/5 seconds.

A special 100 yards First Class Handicap for Juniors has been placed on the programme so as to give the brilliant young champion, Joe Venning, a

chance to lower Fred Jacobs time of 63 seconds for the 100 yards Queensland record.

WOMEN'S CHAMPIONSHIPS
TWO TITLES TO JEAN COCKS
ANOTHER RECORD BROKEN

Australia has undoubtedly found a rising star in the aquatic firmament through the wonderful achievements of the thirteen year old swimmer, Miss Jean Cocks who has annexed the Australian titles for the distances of 100, 200, and 400 metres respectively during the recent carnival promoted by the Australian Ladies Amateur Swimming Association. She reached the pinnacle of her present success when she decisively defeated the Olympic representative, Miss Edna Davey, by six yards in the 400 metres title in the record time of 5.55 $\frac{3}{5}$ at the Men's Baths Domain, on Saturday. The time lowered the previous time of 6.3 $\frac{2}{5}$ established by Fanny Durack in 1927 by 7 $\frac{4}{5}$ seconds, and was outstanding in this respect that she had shortly before won the 100 metres event in convincing style, Miss Davey also improved on the old record by 1 $\frac{2}{5}$ seconds, and it was only after a herculean struggle that she was vanquished. The factual times established by the winner were - 100m 1.18 $\frac{2}{5}$, 200m 2.15, 300m 4.25 $\frac{2}{5}$, 400m 5.55 $\frac{3}{5}$.

The 100 metres Championship was marred by an indifferent start following a false take-off. However, the Junior title holder was untroubled by the other competitors and finished strongly to win in 1.13 $\frac{3}{5}$, $\frac{3}{5}$ seconds worse than in the Coogee Aquarium Baths on Wednesday night. She was followed by Thora Denis and Phyllis Wells in the minor places, with the West Australian and Victorian girls unplaced.

The programme was also supported by other events, and the State Diving Championship was keenly contested. Miss E. Smith (Metropolitan) won from Club mate, Miss E. Robertson, after a dive-off between the two had been ordered, and Miss Kennedy of Bondi occupied the third placing. The winner displayed grace and poise in executing her dives.

Keen finishes were predominant in other races, and this was specially noticeable in the 27 heats of the 50 yards Handicap. The Handicapper had undoubtedly summed up the ability of the girls to a nicety. Miss Ettie Robertson was timed to swim 29 $\frac{1}{5}$ in the final of this fixture when she finished second, and her time was therefore only $\frac{1}{5}$ second slower than the Australian record established by Miss Fanny Durack and Vera Fawley.

The representatives from the other States did not fare in any success at the carnivals, Miss M. Williams (WA) scoring the lone victory by winning the 100 yards Invitation Handicap for Australian Representatives at Coogee Aquarium Baths at the initial meeting on January 26.

SWIMMING CHAMPIONSHIPS
ARNE BORG WINS 220 YARDS
GRIER BREAKS STATE RECORD

A record attendance at the Unley Crystal Pool last night saw the best swimming programme arranged in this State for many years. The star attraction was Arne Borg, the world swimming champion, who was supported by swimmers from New South Wales, Victoria, Queensland, and South Australia. The fixture was under the direction of the South Australian Amateur Swimming Association. The Championships were declared "Open" by the Mayor of Unley, Mr R.J.Sellick.

The first event, the 100 yards First Class Handicap was decided in five heats, the winners being H.Williams, W.H.Farley (Vic), W.Hanson, S.Depledge and E.W.Dilliway. Farley recorded the best time, 1.2. In the final E.W.Dilliway gained the honours for South Australia, with Williams and Farley in the places.

The Second Class Handicap drew a fine field, the heat winners being R.Johansen (Vic), J.Likeman, R.Drew, S.Garrick and S.Bath. There was a great finish in the final, Johannsen, who is the Victorian Back Stroke champion, gaining the victory by a foot from R.Drew (SA).

Arne Borg made his first appearance in the 220 yards National Free Style Championship, heats of which were swum during the week. The five left in were F.D.Walter (Vic), C.Light (NSW), Reg Grier (Qld), W.Hanson (SA), and Arne Borg. The Swede took the lead in the first lap and reached the turn five yards ahead of Grier, the holder of the title.

Borg made the pace in the succeeding laps, drawing far ahead of everybody except Grier who hung on tenaciously. Walter improved in the fourth lap and made a spirited contest for second place. Borg's time was 2.19, the world's record holder being Johnny Weismuller's 2.15.

The 440 yards National Breast Stroke Championship drew a field of five. It was over 13 laps, the holder of the title being Frank McClure (NSW) in 6.46. He was opposed by I.Hopkins and A.Higginson (Vic) and C.Waite and R.Cunningham (SA). Hopkins, swimming strongly, led McClure by several yards over the first 9 laps. McClure then sputtered and the pair made the eleventh turn on even terms. Hopkins gradually lost ground and was beaten by 5 yards. The time was 6.39 $\frac{4}{5}$, the record for the race being 6.27 $\frac{2}{5}$.

There was great excitement in the 100 yards Interstate Invitation Handicap which Grier (Qld) on the 2 second mark won by a yard from Walter (Vic). The time, 55 $\frac{4}{5}$ seconds, was 1 $\frac{3}{5}$ seconds better than the existing State record established by Sam Kahanamoku several years ago.

The Interclub Handicap for Women went to Miss J.Lambert with Miss Shiels second.

Gilberton won the Interclub Teams Race from South Australian Amateurs and Port Adelaide.

The Interclub Handicap for Boys Under 14 went to H.Smith who did the 100 yards in 1.25. E.Coombs was second a yard away.

The Neat Diving contest was an attractive item, the five competitors having to do the standing and two running dives. J.Coombe won from R.W.Medwell. Clive Barrass (Sydney) gave a splendid display of diving, and a somersault and a half from the low board won applause.

Arne Borg, keeping up a running fire of humorous patter delighted the crowd with an exhibition of fancy strokes and water stunts, and a display of Life Saving was given by members of the Royal Life Saving Society.

The evening concluded with a brisk game of water polo, and Borg was responsible for another amazing exhibition of trick swimming.

The officials for the carnival were - Referee, Mr F.J.Broomfield; Judges, Messrs F.C.Cavanagh, D.T.Dunn, H.Depledge; Starter, Mr H.Bridgland; Check Starter, Mr W.Malone; Timekeepers, Messrs C.O.Waite (standard), R.A.Dalton, G.J.Cooney; Handicapper, Mr H.Eaton; Assistants, Messrs A.N.Bakers, E.J.Hopkins; Diving Judges, Messrs F.J.Broomfield, R.A.Dalton, H.Eaton' Costume Steward, Mr H.Blizard; Dressing Room Stewards, Messrs C.Jones, F.C.Ferguson, D.Hutton; Women's Dressing Room Stewardesses, Mesdames G.Hutton, H.Depledge; Competitors Steward, Mr R.Ewers; Announcer and Press Steward, Mr

R.J.Hosking; Registrar of Premiership points, Mr D.W.Hutton; Clerks of Course, Messrs J.McDonald, J.G.Cobbin.

SANDGATE CARNIVAL
CHAMPIONSHIPS TO WILSON AND HUXHAM

S'gate Feb 6

The local baths were packed to capacity tonight when the Sandgate Swimming Club held a Championship Carnival. The various events were keenly contested, and much amusement was created by the novelty event which necessitated a 66 2/3 yards swim fully dressed. The Old Buffers race provided an exciting race, F.B.Whitman winning by inches only.

F.Huxham and R.Wilson had no difficulty in winning the Club 100 yards and Diving Championships respectively.

BORG WINS MILE SWIM - VICTORY BY 150 YARDS
THREE STATE RECORDS BROKEN

Arne Borg again provided swimming enthusiasts with a finished display tonight in the Australian 1 Mile Championship. The popular Swede led from start to finish and was accorded an ovation.

The second carnival conducted by the South Australian Swimming Association attracted a large crowd to the Unley Crystal Pool last night when Arne Borg and leading Australian swimmers were again seen in action. The water was in splendid order and appeared to be much faster than on the first night of the championships. Three State records were broken.

There was a spirited contest in the 100 yards National Back Stroke Championship, the holder of which, Tom Boast, did not compete. Reg Grier, however, upheld the honour for Queensland, his most formidable opponent being R.Johannsen (Vic). Grier and Johannsen were on terms at the end of the first lap but Grier held a slight advantage at the next turn and increased it on the home run to three yards. His time was 1.12. Johannsen was 2 3/5 seconds longer, Stan Medwell taking 1.16 1/5.

CHAMPIONS IN ACTION

The big event, the 1 Mile National Championship of Australia over 52 laps, started at 9 o'clock, the field being Arne Borg (Sweden), Reg Grier (Qld), Noel Ryan (NSW - holder of the title), Dudley Walter (Vic), and Jack Lawrence (SA). The five plunged in to a perfect start, Borg being encouraged by a rousing Scandinavian war cry. Borg established a lead of two yards in the first lap, Grier being second. At two laps Borg was six yards ahead. Borg continued to draw ahead with Ryan starting to make up leeway. At the eleventh lap Ryan took up second position. Five laps later Borg had a lead of thirty yards, and at the nineteenth turn the Swede was exactly a lap (33 1/3 yards) in front. Grier pulled out at the end of the eighteenth lap. Borg used a crawl

stroke employing his right arm for driving, and half way through the journey he was two laps ahead. Walter was then third with Lawrence bringing up the rear. At forty laps Borg had an advantage of three laps, and at fifty laps he was four lengths of the baths in advance of Ryan. The Swedish champion churned up the water on the way home, and with a brilliant finish he touched the rope 4 1/4 laps ahead of Ryan. Borg did not appear to be fatigued with his effort and was pleased with the first class condition of the water at the Unley Pool. Walter was third, ten yards behind Ryan, and Lawrence, who saw it out gamely, was given a rousing reception when he battled in several laps afterwards. Borg's time was 21.55, a record for South Australia, but 50 seconds slower than his previous best. Ryan, the first Australian to finish, retained the title of Australian Mile Champion, his time was 23.47 3/5, Walter 23.52

Other events

100 yards First Class Handicap - G.Whitford (SA Amat) 1, E.W.Dilliway 2

100 yards Second Class Handicap - The final was won in good style by Max Robinson (SA Amateur) who scored by a yard from F.Galvin

Miss L.Shiels, the 100 yards State champion, was unopposed in the 100 yards Women's Handicap, and in an exhibition swim she reduced her record time for this distance from 1.15 to 1.13.

There were not many starters in the Interclub Breast Stroke Handicap, but a further State record was broken by A.Higginson (Vic) in winning the first heat. In the final Higginson covered the distance in 1.15, Wisdom came second. Read came in second but was disqualified for incorrect swimming, similar action being taken against Page.

E.Johannsen (Vic), W.Farley (Vic), and W.McDonald (SA), contested the 100 yards Invitation Handicap. A great finish took place between Farley and McDonald, the Judges awarding the race to the former. A few at the far end of the baths resented the decision. C.Light (NSW) was superior in the 100 yards Race for Boys Under 16, He won his heat in the fast time of 1.1 1/5 and clipped 1/5 second off it in the final which he won from B.Richardson.

Neat Diving Contest - R.W.Medwell 1, J.Coombe 2.

Arne Borg gave a further exhibition of natatorial tricks, and Mrs E.Taylor of the Gilbertian Club also provided an interesting turn. Life Saving was demonstrated by Misses B.Ewers, N.Maschmedt, B.Smith, L.Faulkiner and B.Waterhouse and Mrs E.Taylor. Clive Barrass of Sydney and E.W.Sampson (South Australian champion) gave an excellent exhibition of diving.

AUSTRALIAN UNION ADELAIDE CONFERENCE

Adelaide Feb 8

The Annual Conference of the Amateur Swimming Union of Australia was held today. Mr James Taylor, President of the Union, presided, and others present were Messrs H.A.Bennett (Victoria - Vice President), R.H.Kelly (Hon Secretary & Treasurer), S.McDonald (NSW), A.W.B.Fawcett (Vic), A.E.Blakers (WA), J.C.Cavanagh (SA & Proxy for Qld), and S.Harris (Proxy for Tas). Arne Borg was present.

Officers elected were - President, Mr James Taylor; Vice President, Mr H.A.Bennett; Secretary & Treasurer, Mr R.H.Kelly; additional members of the Executive, Messrs J.C.Cavanagh and A.E.Blakers.

It was decided that an English representative should be appointed to act for the Union at the International Swimming Federation Conference in Berlin in 1930.

The next Union Conference is to be held in Perth in 1932.

Mrs W.Chambers, President of the Australian Ladies Amateur Swimming Association, applied for the affiliation of the Association with the Union, and was refused.

The Queensland request for the substitution of metres distances instead of yards, was refused.

Q.L.A.S.A.'s PROTRACTED MEETING

As stated in yesterday's Courier, a special meeting of the Council of the Queensland Ladies Amateur Swimming Association was held last night to discuss the position arising from the discovery that the Association has no funds to its credit, despite the fact that in September last the books disclosed a substantial credit balance.

At the conclusion of the meeting, which lasted to 11.30pm, it was announced that at the present stage no information would be given to the Press. Further investigations are being made, and another special meeting of the Council will be called at a later date.

SWIM CARNIVAL BORG BREAKS WORLD RECORD McCURE DISQUALIFIED IN BREAST STROKE RACE

Leading from start to finish, Arne Borg, the Olympic champion, established a world's record in the 880 yards in the Unley Crystal Pool last night, his time for the distance being 10.23 1/5.

The water in the pool was in good order last night when the final meeting of the carnival conducted by the South Australian Amateur Swimming Association was held. Maintaining the form displayed in the two previous carnivals, Arne Borg and Interstate and local champions provided spectators with fine exhibitions of swimming.

The 220 yards Breast Stroke Championship of Australia provided an exciting contest. Frank McCure (NSW - holder of the title), received strong opposition from Ivan Hopkins (Vic) and Alan Higginson (Vic). The three swimmers kept together for 100 yards, the time for this distance being 1.20 2/5. With the three still practically on terms at the end of the next lap, McCure was disqualified for touching with only one hand. Hopkins then assumed the lead, and holding his advantage to the finish won by six yards from Higginson. Waite (SA) filled third place. Hopkins time was 3.11 2/5. Higginson was 5 seconds longer and Waite took 3.25.

880 YARDS CHAMPIONSHIP

The main event, the 880 yards Free Style Championship of Australia, over 26 laps, attracted five contestants, Arne Borg (Sweden), Noel Ryan (NSW), Dud Walter (Vic), Reg Grier (Qld) and Jack Lawrence (SA). The competitors got away to a perfect start, Borg leading at the first turn followed by Grier. The first 100 yards was completed in 61 seconds with Borg continuing to draw ahead. At the eighth lap Borg had increased his lead to a lap with Ryan in second position. The South Australian, 12/2/1929 Continued

Lawrence, was already well in the rear. The quarter mile was left behind in 5.6 with Borg increasing his lead. Grier was then third followed by Walter. With two laps to go, Borg, using a powerful crawl stroke, spurted and touched eighty yards in front of Ryan. Walter was third, Grier fourth, and Lawrence last. Borg's wonderful spurt over the last two laps enabled him to record the wonderful time of 10.23 1/5. This breaks his own world record of 10.27 established in Sydney three weeks ago. Ryan's time was 11.19. Being the first Australian to finish, he retains the title of Australian 880 yards Champion.

H.Hahn, E.M.Dilliway, H.Gadkear, W.McDonald, and E.Medwell were the heat winners in the 100 yards Interclub First Class Handicap. The final was won by E.M.Dilliway, with H.Gadkear second.

The final of the 100 yards Second Class Interclub Handicap went to F.Clark (Port Adelaide) with E.Forrestal second.

There were only three starters in the 100 yards Women's Interclub Handicap, Miss D.Hanson being hard pressed to win from Mrs E.Taylor. Miss Shiels was a close third and covered the distance in 1.14 4/5, being 1 2/5 seconds slower than her own record established last week.

The 100 yards Interclub Handicap for Boys Under 14 was won by H.Smith with E.Coombs second.

The 300 yards Interclub Teams Race went to South Australian Amateur No 1, with the No 2 team second

An interesting demonstration of "break holds" of Life Saving, and resuscitation, was given by Messrs A.W.Sampson, H.Lambert, F.L.Allister and L.Coward. R.Grier (Qld), W.Farley (Junior champion of Victoria), and 12/2/1929 Continued

C.Light (NSW Junior champion), gave exhibition swims, Grier demonstrating a powerful turn. Mrs E.Taylor, lady Breast Stroke champion of South Australia entertained the crowd with a display of fancy strokes and water stunts, and Clive Barrass (Sydney) and A.W.Sampson (SA) gave a diving exhibition. The screw dive by Barrass from the high tower was a good effort.

The Neat and Fancy Diving contest was won by W.M.Medwell (Gilberton).

The evening's entertainment concluded with a water polo match between a team captained by Borg and one composed of visiting and local swimmers. The antics of the contestants kept the crowd highly amused, the Swede being the main attraction

ADELAIDE BATHS CRITICISED

"As long as you have unfiltered baths swimming in Adelaide will remain in a state of stagnation," said Mr A.W.B.Fawcett, Manager of the Victorian swimming team, prior to his return to Melbourne yesterday. He pointed out that Adelaide was far behind Melbourne in this respect. In that city there had been a campaign against unfiltered baths, and soon every bath in the metropolitan area would have filtering installed. In Brunswick £38,000 had been spent on chlorine baths. Brighton had spent £20,000 and Footscray £25,000 in providing the best swimming pools possible for the district. Last year, new baths at Camberwell had cost £20,000, and so well had the venture been, that another of a similar type was to be built. The day of unfiltered baths in Melbourne was over.

IMPROVEMENTS TO CITY BATHS

Mr C.Bastard, lessee of the Adelaide City Baths, stated yesterday that the Adelaide City Council would spend £15,000 in improvements and extensions as soon as sufficient money was available for the work. Plans had already been prepared and they provided for the installation of the latest system of filtration. At present the cleanliness of the water was supervised by health officers whose duty it was to place enough chloride in the water to kill bacteria.

SWIMMERS LEAVE ADELAIDE

Those who left Adelaide yesterday morning by the East-West express for the National Swimming Championships which are to be continued in Perth, were, Messrs Stuart McDonald (Manager), Cecil Light (NSW Junior champion), Clive Barrass (National diving champion), Noel Ryan (champion distance swimmer of NSW), W.H.Farley (Junior champion of Victoria), Cyril Carter (Manager), Reg Grier (220 Free Style champion of Qld), J.W.Lawrence (State record holder), J.Dixon (Junior champion of S Australia), and A.E.Blakers (delegate from Western Australia).

Messrs A.W.B.Fawcett (Manager), A.Higginson, D.Walter, E and Hopkins, and S.Haines, of the Victorian team, returned by the express to Melbourne yesterday afternoon on the same train as Frank McCure the 440 yards Breast Stroke champion who is returning to Sydney.

ARNE BORG AGAIN RECORDS BROKEN IN WARWICK

Arne Borg, the Swedish wonder swimmer, at the Warwick Baths last night broke the local records for the 220 yards and the 440 yards held respectively by Frank Beaurepaire and Ludy Langer.

Warwick Feb 15

A swimming carnival in honour of Arne Borg was held at the Warwick Baths tonight and was largely attended. The feature of the night was the attempt by Borg to lower the records for the 220 yards and the 440 yards held respectively by Frank Beaurepaire and Ludy langer, the times being 2.31 and 5.26. Not only did Borg succeed in breaking these records, but he greatly reduced them, covering 220 yards in 2.24 and 440 yards in 5.10 3/5.

In the 66 yards Junior Championship of the Darling Downs four Warwick boys competed. After a great struggle, the event was won by J.Purtel, 1 by a touch from D.Newcombe and M.Qued who tied for second place.

The Claude Fitzgerald Men's Cup of 66 yards was won by J.Brooks from J.Carpenter and J.Sweet.

NEW LOCAL RECORDS
ARNE BORG IN TOOWOOMBA

Tmba Feb 16

Seating accommodation was taxed to the utmost while all other points of vantage were occupied at the City Baths tonight when the Toowoomba Amateur Swimming Centre staged an Honour Carnival to Arne Borg, who arrived here from Warwick this afternoon. Just as the carnival started, a heavy storm broke over the city, but fortunately there was no wind, and everyone was able to shelter under the awnings. As Borg entered the baths he was accorded an ovation and was introduced to the Mayor and Mayoress, Alderman J.D. and Mrs Annand.

The only race in which Borg competed was the 100 yards Championship of Toowoomba. In this race there were three starters. At the jump off Borg dashed to the front and when about three yards in the lead appeared to steady up. Without appearing to be extended in the least, he maintained a similar position throughout the race which he finished in 59 4/5 seconds, with R.Beatty 2 1/5 seconds behind. Borg's time was 5 4/5 seconds outside the record for the baths established by Takaishi in February 1927.

In an exhibition swim, Borg established a new record for 220 yards for the baths, covering the distance in 2.25. This was eight seconds slower than Takaishi's record for the distance in the Manly Baths, Sydney, and one second slower than his own time at Warwick the previous day. During the evening Borg gave an exhibition of fancy swimming and diving, some of his tricks in the water causing much amusement.

The following are the results of the various races -

Tiny Tots Race (across the pool) - Scanlan
33 yards Schoolboys Handicap - H.Marshall 1, P.Allom 2
66 yards Junior Championship of Toowoomba - P.Hassler 1, C.Parsons 2
33 yards Schoolgirls Handicap - A.Deighton 1, G.Winter 2
100 yards Championship of Toowoomba A.Borg 1, R.Beatty 2 Time 59 4/5
Schoolboys Brace Relay Handicap (each man to swim 33 yards) - J.Gibbs & B.Ingram 1, L & S.Kingford 2
66 yards Bracelet Handicap - B.Stephens 1, M.Wright 2
33 yards ladies Handicap - G.Winter 1, B.Peardon 2
Trio Relay Handicap (each man to swim 33 yards) - R.Hazard, G.Draper, A.Draper 1, P.Hassler, F.Baird, C.Barrett 2
Mixed Brace Relay Handicap (each competitor to swim 33 yards) - F.Winter & O.Hodgen 1, N.Jones & J.Steggall 2
Shaw Cup Teams Handicap (each man to swim 66 yards) - P.Hassler, E.Baird, R.Evans, C.Barrett 1, L.Ingram, B.Ingram, D.Scanlan, L.Magarry 2.

ARNE BORG PASSES THROUGH BRISBANE

Although he is accustomed to long journeys and short stops, the present tour being conducted by Arne Borg, the Swedish swimmer, must be taxing his energy to the utmost. He arrived in Brisbane from Toowoomba at 8.40 last night and left by the 9.15 train for Bundaberg. He will swim there tonight and at Maryborough tomorrow night, and return to brisbane on Wednesday to take part in the contests at the Valley Baths the following evening.

SWIMMING CARNIVAL
NATIONAL CHAMPIONSHIPS
RYAN WINS 440 YARDS

Despite inclement weather, there was a large crowd at the Claremont Baths last night to witness the first of the two National Championship Carnivals conducted by the West Australian Amateur Swimming Association. During the early part of the programme rain threatened and a strong wind from the south blew right across the lanes. Fortunately the clouds cleared away, but at no time was the water favourable for fast times.

The first National Title event was the 100 yards Junior Free Style, in which the starters were C.Light (NSW), W.H.Farley (Vic), J.Dixon (SA), N.W.Hampshire, B.Burnell and N.Hack (WA). Light drew the deepest lane and had to swim in the choppy water close to the outside staging of the baths, Farley being in the adjacent lane and Dixon, Hampshire, Burnell, and Hack, in that order. From a good start the field kept well together over the first 50 yards, but once headed for home the real struggle began and Burnell immediately dropped back. Light and Farley came away and had the finish to themselves, the New South Wales representative beating the Victorian by two yards, with Hack third. Light, who is credited with 57 $\frac{2}{5}$ seconds for the distance in Sydney, could not do better than 60 $\frac{3}{5}$ seconds last night, his time being $\frac{1}{5}$ second slower than the Australian record held by Unbehaun, a Claremont Junior.

West Australia fared better in the National Springboard Diving Championship in which C.Barrass (NSW) lost his title to K.Highet (WA). R.Whittle (WA), the only other competitor, was third. The board used faced straight into the swell beating across the baths, but some exceptionally fine diving was witnessed. The new champion is a member of the Claremont Club, and holds both the high and low board State titles. During the contest the electric light failed, and the contestants waited miserably in the cold until the circuit was restored.

One title having been annexed by the State, the spectators were naturally anxious to see E.W.Jones retain his 440 yards Free Style national title. In this, however, they were sadly disappointed, for at no time did he appear a likely winner, and ultimately finished a poor third. The competitors were, N.Ryan (NSW), E.W.Jones (WA), N.H.Unbehaun (WA), R.Grier (Qld), J.Lawrence (SA). Grier took the lead from the start and at the 100 yards was five yards ahead of Ryan who was a yard clear of Jones with Unbehaun and Lawrence following in that order. At 200 yards Grier was still in front of Ryan who spaced out to five yards from Jones who was swimming stroke for stroke with Unbehaun. Lawrence had dropped back and was definitely last. Leaving the 250 yards mark Ryan clapped on the pace and the spectators soon realised that the young New South Wales representative was fully deserving of the reputation he has earned as a second Charlton. As each yard slipped by his pace increased and at 300 yards he was only a yard behind Grier. The merit of his performance was fully recognised by the crowd. At this point Jones and Unbehaun were together fifteen yards behind Ryan with Lawrence fighting it out gamely in the rear. Ryan is not in the same class as Grier in the turn as the Manly youth carries his chest well out of the water as he drives with his legs and completely lacks the eel-like efficiency of the Queenslander. At 400 yards Ryan just touched before Grier, and in the last desperate struggle he beat the Brisbane swimmer by two yards. Grier swam himself right out, and he appeared to falter slightly over the last few yards. Jones was third, thirty yards behind Grier, and Unbehaun five yards away, fourth, and Lawrence twenty yards further back, fifth. Ryan's time was 5.21 $\frac{4}{5}$, Grier 5.23 $\frac{4}{5}$. Jones State record is 5.28. The official Australian record is held by Charlton in 4.59 $\frac{4}{5}$, and the world's best figures are Arne Borg's 4.52 $\frac{3}{5}$ put up in a 25 yard pool in Stockholm on 11 November 1925. Ryan's performance last night was most impressive one, while Grier, present holder of the 100 yards and 220 yards Free Style National Titles, proved his versatility by being a very good second in an event which is more of an endurance class.

The only State Championship event on the programme was the Women's 220 yards Breast Stroke in which Miss J.Williams proved herself a most finished exponent of this style. Miss I.Woodhouse gave her a hard race, however, and was only beaten over the last few yards. This is the first occasion when this

event has been contested in this State.

An attempt on A.D.Howson's State 100 yards Free Style record of 57 4/5 was made by H.Yaentsch, but in rough water he took 1,0 2/5 to cover the distance.

The next carnival will be conducted on Saturday afternoon when the 100 yards Open Free Style and the High Tower Diving National Championships will be the chief attractions.

RECORD BROKEN BORG'S SPLENDID DISPLAY

Scenes of intense excitement prevailed at the Valley Baths last night when Arne Borg, world swimming champion lowered the world's record for the 1000 yards. The baths were crowded with swimming enthusiasts long before the opening time, and half an hour after the programme commenced spectators flocked in until it was found necessary, in the interests of those already seated, to close the doors. It was estimated that several hundred were turned away.

A rousing welcome, typical of the enthusiasm that his visit has provoked, greeted the famous swimmer as, accompanied by his wife and friends, he entered the baths.

The carnival and diving display was billed as the official programme, but it was obvious Borg was the main attraction, and when the time drew near for his attempt on the world record, the people were very visibly affected.

BORG TAKES OFF

Starting off with a preliminary dip to test the temperature of the water, Borg took off with a clear cut dive and began the 1000 yards swim with a powerful clean overhead stroke. His leg action was particularly powerful, and despite the obvious strength behind his strokes, the display was remarkable for the lack of commotion. In good time he reached the Wickham Street end of the baths and turned in the second 50 yards with a graceful underwater movement which propelled him for at least 10 yards before re-stroking. Certain inconvenience was apparently given to him by the right hand ropes, as on two occasions on the return trip he seemed to get too near them and he finished the 10 yards with a second and a half behind his scheduled time of 65 seconds. This time was further increased as the swim progressed, but although his strokes gave the impression he was tiring, the movement was deceptive, for he finished the remaining laps with a burst of speed, At the end of the last lap but one, the crowd was on its feet shouting encouragement to the swimmer, and his arms seemed to respond, for, as the finishing rope was brought into position, he sprinted and dived into it with the record broken by 21 2/5 seconds. The action of the crowd seemed justified when the name was voiced aloft by hundreds of throats, and the record breaker was congratulated on all sides.

REMARKABLE PROWESS

The previous record for the distance was 12.16 $\frac{4}{5}$, and Borg's time of 11.55 $\frac{2}{5}$ showed his remarkable swimming prowess. The first 100 yards was completed in 66 seconds, the 400 yards in 5.3 $\frac{3}{5}$, the 800 yards in 10.26 $\frac{2}{5}$, and the 1000 in 11.55 $\frac{2}{5}$.

Interviewed after the successful attempt, Borg stated he suffered no ill effects from his effort. The water, he said, was a little too warm for his liking, accustomed as he is to the cooler waters of the northern hemisphere, and he felt "a little dizzy in the head". Later in the programme he gave an exhibition of his fantastic strokes and American-Swedish humour, causing considerable merriment.

It is understood that although Borg's time beat the record, the time will not be officially recognised, as the distance was not swum under the necessary conditions.

The results of other races are as follows -

50 metres Q.L.A.S.A Interclub Handicap - Misses M.Eden (Manly) 1, E.Middleton (V) 2, S.Warner (Com) 3. The race was hotly contested, each swimmer having an apparent chance at the half way mark. This passed, M.Eden went slightly ahead and established a lead over E.Middleton. The end of the race was well fought out, M.Eden winning by a touch from E.Middleton, with S.Warner a yard away, third.

100 yards Junior & Secondary Schools Handicap - F.R.Vincent (BOS) 1, J.Venning (Com) 2, B.Stafford (V) 3. In this race Venning made an attempt on the Queensland record of 63 seconds. The race started well with Hartley and McMEnamin surging to the front. Vincent swam up strongly, however, and equalled at the turn, afterwards gaining a yard on the previous leaders. Venning, who was swimming strongly, could not make up the leeway and was beaten by three yards, Vincent keeping the lead in good fashion.

50 metres Q.A.S.A Interclub Handicap - J.Rodger (Carlton) 1, A.Gilbert (V) 2, D.Kimlin (Manly) 3. The final provided a keen race up to the last yard, but Rodger went ahead to win.

50 metres Junior & Secondary Schools Handicap - S.Flannery (WE) 1, G.Steindl (BGS) 2, C.Day (Warwick) 3. Won by two yards with a yard between second and third. Flannery pushed well to the front in the early stages and established a lead which won him the race.

100 metres Breast Stroke Handicap - A.McShane (BGS) 1, R.Franzen (V) 2, W.Daley (V) 3,

Invitation 100 metres Handicap - T.Boast (V) 1, Axel Suosaari (M'dor'e) 2, J.Bliss (V) 3. In the contest, Suosaari attempted to lower the Queensland record of 63 seconds. The race was well fought out. At first it seemed that Suosaari would not make up for his handicap, but he surged along in the first lap and kept on to the heels of the early leaders, Boast and Bliss. From the turn he made a few yards gain, but he could not keep up with Boast who kept on with a steady stroke and won by a touch. Suosaari's actual time was 65 seconds.

A diving display was given by the Q.A.S.A troupe led by the Queensland champion, J.Collin, and the programme concluded with a water polo match.

VALLEY BATHS ARNE BORG'S APPROVAL

"I would have no hesitation in taking part in any carnival at the Valley Baths," wrote Mr Arne Borg, world champion swimmer, after a visit to the Booroodabin Bath on Wednesday.

A statement was recently published in a southern journal that the water in the Valley pool was not fit to swim in, so that after Mr Borg swam in the pool on Wednesday, he was asked his opinion of the water. In reply he gave the following testimonial, "This is to certify I have attended the Valley Baths, Brisbane, on 20/2/1929, and I have nothing to complain about the state of the water of the baths. I have thoroughly enjoyed my game of water polo at the baths, and would have no hesitation in taking part in any carnival at the Valley Baths, Brisbane. Signed Arne Borg"

IPSWICH CARNIVAL
ANOTHER RECORD BY ARNE BORG

Ips Feb 22

Over 2000 persons witnessed the swimming carnival tonight. Arne Borg, who declined his engagements in the 100 yards and 66 yards events, reduced the local record for the 440 yards by 51 seconds, his time being 5.14 $\frac{4}{5}$. Borg arrived in the company of Messrs E.J.Goodwin, E.H.Mair, J.Hiron, and Axel Suosaari. Mr Goodwin stated that Borg's record made last night in Brisbane would not be recognised officially. T.Boast was not present tonight.

FURTHER RECORDS
ARNE BORG AT CANUNGRA

The Canungra Hospital swimming carnival was held yesterday. Arne Borg and party comprising Mr E.J.Goodwin (Secretary QASA), Misses Lily Venning, M. Springfield and a party of swimmers were met at Tambourine by Messrs K.P.Dowden (Hospital Committee), and E.Stevens (swimming club) and accorded a welcome to the district. Owing to the wet weather the tour of Tambourine mountain was abandoned and the party proceeded straight to Canungra. On arrival the guests were entertained to luncheon on the lawn fronting the lagoon. A large marquee had been erected as a retreat from the inclement conditions. Mr Borg was the recipient of a silver ink stand, suitably inscribed, Mr Dowden making the presentation on behalf of the swimming club. Mr Borg responded in happy vein.

The guest of honour, prior to entering the water, was initiated into the rites of bullock driving and timber loading, and he evinced great interest in the proceedings.

The attendance was fair, climatic conditions keeping visitors away, yet teams were present from Brisbane, Ipswich and Beaudesert.

During a break in the programme Arne Borg gave a demonstration of stunt swimming, and was loudly applauded. A diving troupe comprising Messrs Morrall, and Collins and Miss Beardmore (Brisbane) gave an interesting display of high stunt diving.

An attempt was made by Borg on the 300 metres straight swim record, the distance having been covered in 3.46 $\frac{4}{5}$, 4 seconds behind Charlton's record swim in salt water with turns. This time constitutes a record for a straight swim.

SWIMMING CARNIVAL
NATIONAL CHAMPIONSHIPS
GRIER WINS 100 YARDS

An expectant hush from the crowd, the sharp command from the starter unleashing six of the fastest swimmers in Australia, 4 $\frac{2}{5}$ seconds of thrilling struggling with strong hearts strained to bursting point, and R.Grier (Qld) had decisively retained his National Sprint title. Such was the race for the 100 yards Free Style Championship of Australia at the Claremont

Baths on Saturday afternoon when the W.A.S.A conducted the concluding carnival of this season's national title events in the presence of a large crowd. The water was calm and the conditions favourable.

The starters in the 100 yards National Free Style were R.Grier (Qld), C.Light (NSW), J.Lawrence (SA), and A.D.Howson, H.McKenzie, and A.Reay (WA). Lawrence could not hold the others and had dropped back at 50 yards where there was little between the remainder of the field. Heading for home, Howson appeared to be holding Grier, but the Queenslander soon began to come away and took command at the 75 yards mark. McKenzie was putting in one of his usual strong finishes, steadily reducing Howson's lead for second place. Grier won by about two yards from McKenzie who just touched ahead of the fast finishing Junior National champion, Light. Howson did not maintain his early burst and was inches behind Light, fourth, with Reay and Lawrence in that order. Grier's time for the race was 54 $\frac{2}{5}$ seconds, extremely fast. According to the Handbook of the Amateur Swimming Union of Australia, the best performance on record by an Australian for this distance is Frank Doyle's 54 $\frac{1}{5}$ seconds put up over a 100 yards course at the Domain, Sydney, on 16 January 1926. Grier States, however, that Doyle's time is no longer recognised, but official advice to that effect has not yet reached this State.

Grier first competed in National Championships in the 1924-1925 season, and has held the 220 yards Free Style National title for four seasons. He was second in the 100 yards two seasons in succession before finally winning it for the first time last season. He is 22 years of age, and as he is also the holder of the 100 yards Back Stroke National title, he may be considered the most versatile competitor in Australian swimming today.

After being deprived of his Australian low board title on Tuesday night by K.Highet (WA), C.Barrass (NSW) easily won the high tower Championship on Saturday afternoon. He was opposed by three West Australians in K.Highet, H.Whittle and H.Miller. The new thirty foot steel tower carried three platforms, 10, 20 and 30 feet above the water level. Highet did not go higher than 20 feet, and on the day he was off form. This State's hopes rested on Whittle, but he faltered badly on one of his dives and Miller nearly deprived him of second place. Miller, who hails from South Fremantle where facilities for high diving are lacking, put up a great exhibition in the circumstances, but at no time did it appear that Barrass would be beaten.

The two State Championships contested were the 440 yards Women's, and Junior Free Style. The starters in the women's event were D.B.Oliver (Claremont), M.Scook (City), M.E.Williams and E.Kean (Postal), R.Williams (Melville), and D.Howson (Fremantle). Miss Olive took the lead from the start and went further away as the race progressed. The possessor of a most attractive style, she finally won by about 20 yards after a brilliant sprint from Miss Scook who was 5 yards ahead of Miss R.Williams. Miss Howson retired at 150 yards.

The following contested the Junior 440 yards title race - W.H.Farley (Vic), .J.Dixon (SA), N.Hack (Cottesloe), F.W.Kennedy (Melville), R.Philip (Belmont). At 200 yards Farley and Dixon were well clear of the local representatives, but while Farley continued to draw away, the others were creeping up on Dixon. Farley won comfortably. A great struggle ensued over the last 40 yards between Dixon, Hack and Philip. Each was separated by inches at the rope, the Judges placing Hack second, Philip third, and Dixon fourth. Kennedy was a poor fifth. Philip's performance was a most praiseworthy one and came as a big surprise to most followers of the sport.

Though the heats and finals of the Adelaide Tailoring Company's Shield Relay race were contested, a protest was subsequently lodged and will be considered at a meeting of the Board of Control tomorrow night. In the meantime no official result will be given.

National Championship results -

100 yards Free Style - R.Grier (Qld) 54 $\frac{2}{5}$ 1, H.McKenzie (WA) 57 $\frac{4}{5}$ 2, C.Light (NSW) 58.3 3, A.D.Howson (WA) 58 $\frac{2}{5}$ 4
High Tower Diving - C.Barrass (NSW) 91.81 points 1, H.Whittle 79.05 2, H.Miller 74.53 3.

VISITORS DEPART

The visitors were given an enthusiastic send-off on Saturday night when they left by the Great Western Express for home. Mr S.McDonald, Manager of the New South Wales team, expressed his appreciation for the manner in which they had been entertained locally. The carnival had been conducted in a most efficient manner, and he was sure each of the visitors would retain happy recollections of his sojourn in Western Australia. Mr H.Yaentsch, the well-known swimmer, was also a passenger on the train.

B.C. Saturday 2 March 1929

REG GRIER BACK HIGH OPINION OF RYAN

Noel Ryan (NSW) is a useful swimmer and the swimming star is a future world leader according to Reg Grier, the Queensland champion, who returned to Brisbane last night after competing in the Australian Championships in Perth (WA). The Manly boy was a natural swimmer, he said, and he did not think regular training would impair his ability as has been suggested. He did believe, however, that Ryan would be well advised to limit his racing distances to about a quarter mile until he was better developed. There was no doubt about his standing at present, but it might suffer if he continued to swim in grueling half mile and mile races with his boyish physique.

Grier, who won the 100 yards Free Style Championship in 54, 2/5 seconds and the Back Stroke event in 1.12 (4 seconds better than his previous best), is of the opinion that the standard of Australian swimming is higher now than it has been since he became an active participant in championship events. The races in West Australia were swum in sea baths at Claremont, and in the quarter mile event the waves were breaking two feet high across the track of the swimmers. He thought the conditions made the time seven seconds slower than would have been registered in a still pool.

METRES OR YARDS

Grier expressed disappointment at the decision of the Australian Swimming body to continue the practice of conducting Australian Championship events on a yard basis. The fact that nearly all the pools in the south were measured in yards had much to do with it, he believed, but practically all of the southern swimmers he had met were in favour of the metre basis. It was all right swimming in yards if Australia did not intend competing in international events, but if the country was to be represented at future Olympic Games and other National Games, swimmers would have to race over distances measured in metres. The extra ten yards in a sprint event would make all the difference to a man accustomed to swimming the bare 100.

Q.A.S.A COUNCIL MEETING

The monthly Council meeting of the Q.A.S.A was held in the Y.M.C.A building last night, the Chairman, Mr J.Hiron, presiding over a fair attendance. The Clubs represented were Warwick, Rockhampton, Commercial and Valley.

General business was dealt with by Council and officials appointed for the following carnivals to be held in the next few weeks - Y.M.C.A, Boys Secondary Schools, Girls Secondary Schools, Girl Guides, Metropolitan Ladies Club, and Federal Ladies Club.

During the meeting the Hon Secretary (Mr E.J.Goodwin) said he considered it a definite slight on their sport that the Mayor would not spare the time for an official Civic Reception to the world champion swimmer, Arne Borg, at the Association's invitation on the occasion of his visit. The speaker added, the Mayor could spare the time for such a welcome for visiting cyclists who were by no means champions.

LADIES 220 YARDS QUEENSLAND CHAMPIONSHIP

Under perfect conditions the Ladies 220 yards Breast Stroke Championship of Queensland was held in the Davies Park Baths yesterday afternoon. The competitors were Misses Jennie Lind, Joyce Groom, Phyllis Thompson and June Smith.

From a perfect start Misses Thompson and Lind gained rapidly on the other competitors and the race eventually developed into a race for first place between these contestants. Miss Groom was losing a lot of ground in the third lap and was easily defeated. Times for the second lap were Lind 43, Groom 47 2/5, Thompson 41, Smith 47. From the second lap the two leaders gained rapidly and left the other girls well behind, and during the third lap it was a neck and neck race for first place. Miss Thompson, who is a sister of the Olympic representative, Miss Dorrie Thompson who is holder of the present record of 3.24, managed over the last three yards to gain a foot advantage over Miss Lind, and won by a small margin. Her time was 3.55 1/5.

Officials were - Starter, Mr D.S.Carter; Judges, Mr D.S.Carter, Mesdames McGregor-Lowndes, A.Gordon; Timekeepers, Mr D.S.Carter, Mrs A.Gordon.

50 YARDS LADIES JUNIOR CHAMPIONSHIP

At the Federal Ladies Club swim at the Valley Baths last night, Miss Enid Middleton again won the 50 yards Junior Ladies Championship of Queensland. There were five entrants, Misses E.Middleton, G.Meredith, R.Broadrick (Valley), L.Campbell (Com), L.Smith (Fed). From a good start Miss Middleton went to the front and won by about four yards. Miss Broadrick finished second and Miss Campbell third. Time 31 4/5 secs.

Q.L.A.S.A POSITION FINANCIAL STABILITY RESTORED

A special meeting of the delegates of the Queensland Ladies Amateur Swimming Association was held at the Valley Baths last night, the President, Mrs McGregor-Lowndes in the Chair.

The business before the meeting was the question of restitution of the missing funds, and this was finalised. The good work done by Miss Pauline Brunnich during the past few weeks was eulogised by the President and several members, and when Miss Brunnich consented to accept the Secretary duties in conjunction with her Treasurer's work, she was heartily applauded.

SANDGATE CARNIVAL MARY CLAYTON RETAINS TITLE

A large crowd attended the local baths last night when the Sandgate Amateur Swimming Club held their second Championship Carnival. Miss Mary Clayton just managed to hold the 50 yards Ladies Championship from Miss Rita Smith in the good time of 32 3/5 seconds. Miss Doris Storey was a good third. Bernie McMenamin had no trouble in winning the 100 yards Junior Championship. His time of 68 1/5 seconds lowered the Junior Club record by 11 4/5 seconds. W.Fogg and N.Hinton put up a great fight for second place.

LADIES DIVING CHAMPIONSHIP

Though the number of entries in the Queensland Ladies Diving Championships was poor, the standard of the competition was well above the average. There were only three competitors, and the winner, Miss Hilda Beardmore (Valley), although only 16 years of age, showed great promise as a diver. There was only one dive in which she failed in the competition which was held in the Valley Baths last night and that was her voluntary back dive from the high board. All her other dives were excellent, and there was no doubt from the beginning of the contest who was going to win.

The compulsory dives were - Middle Board, running and standing swallow dive, front somersault, and back somersault (In both the somersaults the winner scored heavily) - High Board, a standing or running swallow dive, one and a half somersault, and an arm stand dive.

Miss Beardmore won the compulsory dives easily, but failed one of her voluntary dives.

Points for the competition were - Miss Hilda beardmore (V) 62.2 1, Miss Peg Lyons (Com) 43 2, Miss Esta Fraser (Met) 35.1 3.

The Judges were Messrs Frank Springfield, M.Wrench, J.G.Collins, and the Announcer was Mr W.Morrall.

LADIES TEAMS CHAMPIONSHIP
VALLEY'S NARROW WIN

The Valleys were successful in retaining the 150 yards Teams Championship conducted under the auspices of the Queensland Ladies Amateur Swimming Association in the Ithaca Pool last night.

Five teams of three competed, two from the Otter Club and one each from Commercial, Valley and Ipswich. Otter No 1 established a very slight lead with their first competitor, but Valley reversed the position in the second two laps, and Otter's last swimmer, Miss Lily Venning, had more than a yard to pull up on the leader, Miss E.Middleton. The distance between them had been more than halved at the turn and for the last ten yards they swam neck and neck, the Valley's representative winning by a touch. The time was 1.38 4/5. Otter's No 2 Team was about a yard behind, third, and Commercial and Ipswich dead heated for fourth place.

The officials were - Starter, Mr R.Hodge; Judges, Messrs R.McGregor, W.Whittington, J.Martin, J.Herschel; Timekeeper, Mr J.Moylan.

Results -

Valley (Misses R & E Middleton, P.Brodrick) 1. Otter No 1 (Misses D.Cooper, R.Straiton, L,Venning) 2, Otter No 2 (Misses J.Corn.ish, J.Smith, J.Lind) 3, Commercial (Misses P.Woodforth, M.Campbell, M.Comrie) and Ipswich (Herman, Beavis, Campbell) tied 4.

RAIN CAUSES POSTPONEMENT
COUNTRY CHAMPIONSHIP DECIDED

The heavy rain which fell last evening caused the postponement of the swimming carnival which was to have been held at the Ithaca Baths under the auspices of the Queensland Ladies Amateur Swimming Association. It was decided to run the carnival on Monday April 8.

As the entrants in the Country Championship were present at the baths and had travelled from Bundaberg and Ipswich to take part in the event, the officials decided to run this item off.

Result

Queensland Ladies 60 yards Country Championship - Miss A.Hampson (B'berg) 1, Miss A.Campbell (Ips) 2, Miss E.Schulte (Ips) 3. Time 43 sees. Miss Hampson quickly took the lead and held it throughout, never being seriously pressed for first place. Miss Campbell finished three seconds later closely followed by Miss Schulte, with Miss Beavis (Ips) a short distance away, last. The event was contested in the presence of a small bunch of officials and carnival entrants, while heavy rain fell throughout the race.

50 yards Interclub Handicap Race (The Victor McCartney Memorial) - B.Stafford (V) 1, H.Gashler (WE) 2, A.Gilbert (V) 3. The final provided an exciting finish with all contestants striving neck and neck. Flannery was rather impeded by a kick at the start but drew level at the half way mark, and the finish saw Stafford win by a touch with Gashler and Gilbert following a fraction of a second later.

50 yards Junior Handicap - C.Skinner 1, D.Cavendish 2, J.Lewis 3

C.Blieler Memorial Handicap - R.Moores 1, G.Hookway 2, M.Lamont 3

Interclub Dive - W.Souter

Novice Consolation - Tennant 1, C.Saunders 2, F.Cox 3

Before the distribution of prizes it was announced that the Kaye Cup had been won by K.Frizzell, the Junior Cup by S.Flannery, and the Novice Cup by S.Davis.

Q.L.A.S.A CHAMPIONSHIP CARNIVAL

At the Queensland Ladies Amateur Swimming Association's Grand Carnival, which was held in the Ithaca Baths last night, the outstanding performance was the swimming of Miss Lily Venning. She set a high standard in her first race and maintained it throughout. All events were closely competed and there were some fine finishes. During the evening a display of fancy diving was given by Messrs W.Morrall and G.Collins, and later an exhibition of water polo was given by members of the Queensland Amateur Swimming Association.

The officials were - Referee, Mr D.S.Carter; Judges, Swimming, Messrs J.Hiron, A.Casey. E.J.Goodwin, N.Burn - Diving, Messrs J.Hiron, F.W.Springfield, D.S.Carter; Timekeepers, Messrs J.Moylan, Les Nissen, J.Whittington, F.W.Springfield; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Hon Handicapper, Mrs Newman; Hon Secretary & Treasurer, Miss P.Brunnich.

Results -

40 yards B Junior Handicap - L.Muller (M) 1, J.Fraser (V) 2, G.Meredith (V) 3

50 yards Free Style Championship of Queensland - 5 starters - Misses L.Venning (0) 1, D.Cooper (0) 2, A.Muller (M) 3 Time 29 2/5. Miss Lily Venning, holder of the title, gained slowly from the dive and at the turn had half a yard lead from Miss Cooper. On the last, lap Miss Venning forged ahead to win comfortably by three yards. The time was a record, clipping 2/5 seconds off the last record which was created by Miss Venning in 1927. Miss Venning's time was 1/5 second behind the present Australian record held by Miss Jean

Cocks of New South Wales. Miss Venning promises to be a potential Interstate champion, as last night's time equalled the old Australian record which was broken recently by Miss Cocks.

Flying Squadron Championship of Queensland - Otter Club (Misses Lily Venning, D.Cooper, J.Lind, R.Straiton, J.Smith, J.Churchward) 1, Valley Club (Misses E.Middleton, R.Middleton, M.Beaumont, G.Meredith, T.Roderick, H.Beardmore) 2, Federal; Club 3.

100 yards Junior Championship of Queensland - 6 starters - Misses R.Middleton (V) 1, L.Campbell (Com) 2, L.Comrie (Com) 3. Time 1.17.

From the start Miss R.Middleton forged rapidly ahead and at the second lap had a quarter of a length lead which she maintained to win easily in good time. Miss Campbell filled second place with a lead of a couple of yards from Miss Comrie. This is the first 100 yards Junior Championship swum in Queensland, and the time. 1.17, stands as a present record.

In the first heat of the Mrs McGregor Memorial Breast Stroke, only one of the four competitors swam breast stroke, the others using overarm. The girls probably were not informed of the conditions of the race. The final was won by Miss J.Lind (O) from Miss M.Macdonald (M), and Miss M.Beaumont (V) was third.

220 yards Free Style Championship of Queensland - 4 starters - Misses Venning (O) 1, R.Middleton (V) 2, H.Beardmore (V) 3. Time 3.15. Miss Venning, who held the title, took the lead from the dive, followed closely by Miss Middleton. Miss Venning won by a length.

100 yards Mrs Kuder Memorial Handicap - Misses A.Muller (M) 1, D.Cooper (O) 2, L.Venning (O) 3. Miss Muller won by four yards.

Novice Dive - Misses J.Churchward (O) 1, J.Muller (M) 2. Diving in this section was of a very high standard, considering the competitors were novices.

50 yards Open Handicap - Misses P.Lyons (Com) 1, E.Fraser (Met) 2, M.Comrie (Com) 3.

CARNIVAL AT DIRRANBANDI

Dirranbandi Apr 15

The first swimming carnival of the local State School was held in the Balonne River on Saturday before a fair attendance of parents. The racing was of high order, there being no less than four dead heats, while the skill shown by the pupils in the variety of races agreeably surprised the onlookers.

TOWNSVILLE'S INVITATION TO CHAMPIONS

By "Breast Stroke"

Last Monday the Q.A.S.A Hon Secretary (Mr E.J.Goodwin) set the wire in motion Sydneywards in extending on behalf of the Townsville Ladies an invitation for Jean Cocks, Edna Davey, and Bonnie Mealing to tour Queensland. Despite the fact the Townsville Ladies have been wanting these champions for some time now, it was only on Saturday last that the Q.A.S.A received notification from the Q.L.A.S.A. This is not the way to treat the country Centres. Had the Q.A.S.A been notified in the first place, a definite reply would have been received by now, and Centres would have been preparing for their reception. The northern ladies will be extremely lucky if they can land these three champions.

TO TOUR QUEENSLAND

BONNIE AND ETTIE ROBERTSON

By "Breaststroke"

Last week an invitation was forwarded by the Secretary, Q.A.S.A on behalf of the Townsville Ladies for Jean Cocks, Edna Davey, and Bonnie Mealing, and Mrs Chambers, to tour Queensland. On Saturday afternoon a reply was received from the south and was forwarded top Townsville that Jean Cocks and Edna Davey were unavailable, but that Bonnie Mealing and Ettie Robertson and Mrs Chambers were willing to leave Sydney on December 4 by steamer and arrive in Townsville on December 8. The Townsville Ladies are to be complimented on their venture as Bonnie Mealing was the young Australian Olympic representative last year, while Ettie Robertson is the current Australian Breast Stroke champion and Diver. Mrs Chambers will act as chaperone during the tour. If present arrangements are adhered to, these ladies will be seen in action in Brisbane about December 19.

It has been said the Q.A.S.A was approached last season, about inviting these ladies to Queensland, by the Q.L.A.S.A, and the ladies were advised to let the matter stand over. Also that the Q.L.A.S.A decided at its last meeting to forward Townsville's letter to the Q.A.S.A to pass on to the Union. Mr Goodwin (Secretary Q.A.S.A) states the first intimation he received was over the phone from the Hon Secretary Q.L.A.S.A on November 16, 1929. A wire was immediately sent to the A.S.U., and a message notifying him of the personnel of the team available was received by him on Saturday last and was forwarded on to Townsville on Saturday afternoon under instructions from the Q.L.A.S.A. The majority of the Ladies Association and the Q.A.S.A are working amicably for the good of the sport; there may be some who believe in a destructive policy for their own ends; it will be bad for both Associations if ever they get control.

On Monday next at the Ithaca Baths at 7.30pm the first of a interesting series of lectures under the Q.A.S.A coaching scheme will be delivered by Mr F.O.Venning, Secretary of the Royal Life Saving Society. Mr Venning has had both English and Australian experience and is recognised as one of Australia's most proficient.

LEARN-TO-SWIM WEEK

Commencing on December 16 next, a "Learn-to-Swim" week will be in operation at the Ithaca Baths. The venture is being controlled by the Royal Life Saving Society and the Queensland Amateur Swimming Association. Classes for ones who cannot swim, improvers' classes, and diving, will be taken. Life Saving, of which every swimmer should have some knowledge, will be taught by teachers from the Life Saving Society.

PERSONAL

Mr and Mrs Reg Grier have returned to Brisbane, and Reg will be seen in action tonight at the Valley Baths. He has been training assiduously in Cairns and expects to lower some

STRUGGLE FOR TITLES
 PLENTY OF COMPETITION FOR SCHOOLBOYS FROM THE NORTH
 By "Breaststroke"

Swimmers in this State are at a very critical stage of their preparations. Next week there will be a mighty struggle for titles. We have no Arne Borg to attract the thousands, but we have Australia's best swimmers, and next week's championships should be as attractive as any previous carnivals held in this State.

These won't be merely Brisbane championships, for the Country, where the game is growing big, is sending along its representatives to take the fall out of the Metropolitan swimmers. Walter Baker (of the Malanda State School), Tom Beck, and Frank White, are down from the far-away Malanda, the former to take another crack at the State titles, and the latter to prove he is just as good a junior swimmer as the metropolitan boys. Tom Beck swam into places in last year's championships and is expected to keep them all moving over

JUNIOR COUNTRY CHAMPIONSHIPS
By "Breast Stroke"

The 50 yards Junior Country Championship brought into the limelight another champion of more than average ability in G.Petersen (Maroochy-dore). He was opposed by F.White (Malanda), R.Ashworth and C.Fischer (Bundaberg), Carl Day (Warwick), R.Austin and

80 yards Free Style Championship of Queensland - Queensland record 10.49 4/5 registered by Arne Borg, while the best put up by a Queenslander is 11.46 by S.H.Springfield - T.Beck (Malanda) 1, E.Bonis (CP) 2, A.Gilbert 3. Time 12.0 3/5. R.Mullins also swam. T.Beck, after starting well, led all the way closely followed by E.Bonis for the first six laps after which the latter fell back. Beck won by over a lap from Bonis.

AUSTRALIAN CHAMPIONSHIPS
QUEENSLAND TEAM FAREWELLED

An enthusiastic send-off at the Central Station yesterday by officials of the QASA and ardent supporters and admirers was accorded the Queenslanders who will represent this State at the Australian Swimming Championships to be held in Melbourne and Hobart. The team comprised Reg Grier (Valley), Tom Beck (Malanda N.Q), and Axel Suosaari (Maroochy-dore). Mr E.J.Goodwin accompanied them as Manager, and will represent the State at the Annual Conference of the Australian Swimming Union. Mr Goodwin was very enthusiastic about the team's prospects, particularly as they had Reg Grier, Australia's all-round champion, in the team. He confidently expects that besides winning most of the individual events, Queensland will regain the Kieran Shield for the Champion State of the Commonwealth.

THE KIERAN SHIELD
CHAMPIONSHIPS A SUCCESS
THE RACE OF A LIFETIME
By "Breast Stroke"

(This article initially enumerates the individual performances and prospects of the Queensland team to the National Titles and their departure for the south)

DIVING CHAMPIONSHIPS

The Australian Diving Championships are to be held in Victoria this season. The low board diving will be held on January 25, when the competitors will be required to perform four compulsory and two voluntary dives in the low Springboard Championships. The voluntary dives are to be chosen by the competitors from three different groups in the low springboard rules. The dives selected are to be chosen at least 24 hours before the competition takes place, and notification is to be made to the Hon Secretary controlling the events, by the competitors. Compulsory dives must not be repeated as voluntary dives. A dive executed as a running or standing dive shall be counted as the same dive. The heights of the platform are 1 metre and 3 metres from the water level. The compulsory dives are as follows - (1) Number 1, standing plain header from 1 metre springboard: (2) Number 4, pike dive, running, from 3 metre springboard: (3) Number 12, Backward header, standing from 1 metre springboard: (4) Number 33, header forward, one screw, running from 3 metre springboard.

The conditions of the High Diving Championships to be held on February 1 provide that competitors will be required to perform four compulsory dives and

three voluntary dives. Conditions for the latter apply as for the low springboard rules and must be selected from diving table 13 (page 35 of the Union's Handbook), and must be from three different groups contained therein. The heights of the platforms are 20 feet and 30 feet from the water level. The compulsory dives selected are - (1) Number 2, 1 1/2 forward somersault 30' tower: (2) Number 8, back-ward spring and forward dive 20' tower: (3) Number 16, arm stand and somersault 30' tower: (4) Number 23, (Mollberg's Dive) reverse somer-sault 20' tower.

CHAMPIONSHIPS A SUCCESS

The Queensland Amateur Swimming Association's Championship Carnivals were an unqualified success, both as regards the swimming and the finance. The carnivals attracted visitors from everywhere.

The star event of the series, the State 100 yards Championship, will live long in the memory of those who were privileged to see the finish. It was one which will keep the enthusiasts arguing for years as to who won the event. From a great start in the final, Bliss and Vincent set the pace and reached 50 yards together, but Grier with his masterly turn got in front on the return journey, but not for long as Suosaari flew through the water, and at 75 yards was in front. Both swimmers at this period got caught in the lanes, the country representative getting the worst of the deal. Boast put in a bulldog effort to the bars, and it is doubtful if ever a finish has caused so much excitement. Suosaari was in front of Grier at the finish, but the Judges ruled he had missed the touch, though over 50% of those at the finish were satisfied he had won. The Judges decided as follows - Grier 1, Suosaari 2, Vincent 3.

A REAL DIAMOND

Queensland has looked for a distance swimmer of class, and at last it looks as if they have found one in Tom Beck, the 18 year old boy from Malanda. Beck won both the Mile and the Half Mile Championships, defeating Reg Grier in the former event by 25 yards. Beck's time for the Half, with a sprained wrist, was 12.0 2/5. When Noel Ryan won his half mile championship for the first time, his time was 12.18 1/5.

IPSWICH CENTRE INTERCITY COMPETITION PROPOSED Ips Jan 23

At a meeting of the Executive of the Ipswich Amateur Swimming Centre last night, the President, Mr W.S. Johnstone, reported that at the State Championship Carnival in Brisbane, the Manager of the Toowoomba team suggested to him that Intercity competition should be conducted by the two Centres, a Toowoomba team to visit Ipswich one week and an Ipswich team to travel to the Downs the following week. After a discussion it was decided that the Secretary, Mr L. Herschel, should inquire from the Toowoomba Centre what dates would be suitable for the Intercity competitions. The programme suggested included, In addition to Senior and Junior Relays, 440, 220, 100, and 66 yards Senior Championships, Junior 33 yards Championship, and Championship Dive.

The Secretary was also to forward the following conditions which the Executive considered should govern the contests - Two competitors from each Centre to compete in each event - no competitor to win more than one event.

GRIER WINS 440 CHAMPIONSHIP TOM BECK FINISHES FIFTH

Reg Grier, Queensland swimming representative, gained signal honour in the Australian National Championships by winning the 440 yards Free Style Championship. Tom Beck (Malanda) finished fifth.

Melbourne Jan 26

The first of the Victorian section of the Australian National Swimming Championships was held under ideal conditions at the Footscray Bathson Saturday.

For the first time in Australia the Olympic Games system of judging (diving) was tried and proved an unqualified success. Under the system five Judges officiated, and at a given signal from the Referee must hoist the number of points awarded for the dive. If a discrepancy of more than four points exists between the highest number of points awarded and the lowest, the Referee has power to cancel any award made. The diving was well above the standard for such competition, one dive by K.Higgett, the West Australian, gaining the possible points. This was said to be the first occasion when this had happened in an Australian Championship.

In the 440 yards Free Style Championship for men, Reg Grier (Qld) led throughout and lasted long enough to hold out a strong challenge over the last lap by Moss Christie, a former Olympic representative and present New South Wales champion.

The Women's 220 yards Championship proved conclusively that the New South Wales women swimmers are a long way ahead of their Interstate rivals by filling the first two places.

Results -

Open Handicap 220 yards - A.Couttle (Sandringham) 1, R.Winning (Melb) 2, N.Barlow (Albert Pk) 3

Back Stroke Handicap 110 yards - A.King (Melb) 1, H.Gates (Tas) 2, H.Orrell (YMCA) 3

Breast Stroke Handicap 110 yards - C.Kirkland (Brunswick) 1, D.Wilson (Camberwell) 2, W.Ray (Tas) 3

Women's Handicap 55 yards - B.King (West St Kilda) 1, E.Mayers (Middle Park) 2, B.Leach (Sandringham) 3

Teams Handicap 220 yards - Middle Pk 1, Tasmania 2, Melbourne 3

Diving Championship - A.McHaffie (Vic) 1, K.Higgett (WA) 2, T.H.Morris (Vic) 3. W.Kent (NSW) and J.Robertson followed.

440 yards Free Style Championship - R.Grier (Qld) 1, M.Christie (NSW) 2, F.D.Walter (Vic) 3, J.Bennett (NSW), M.Hack(WA), E.Hutcheon (Tas), T.Beck (Qld), H.Ayres (Tas), E.Lynott and K.Tanner (Vic) also started. Grier immediately took the lead and led at the first turn, 55 yards, by a yard from Walter, Hack, and Christie. At the end of the second lap Grier had increased his advantage to two yards, and with 220 yards passed in 2.32, Grier had a lead of five yards from Walter with Christie making up his leeway in third place. Beck had now taken fourth place just ahead of Bennett. Hack retired at this point. At 330 yards Christie caught Walter. At the last turn Grier was five yards ahead of Christie, and although tiring he withstood a strong challenge from Christie and won by nearly three yards, Walter being ten yards away, third. Bennett, the New South Wales Junior representative, just defeated Beck for fourth place, while Tanner and Lynott were close up. Times were; Grier 5.30, Christie 5.32, Walter 5.47, Bennett 5.48, Beck 5.49, Tanner 5.52, Lynott 5.54.

Women's Championship 220 yards - Jean Cocks (NSW) 1, D.Armstrong (NSW) 2, B.Forehan (Vic) 3. Other starters, V.Hallett, T.L.Shields (SA), N.Mairs (Vic). Miss Cocks went to the front immediately and reached the turn three yards ahead of Forehan who was a yard ahead of Armstrong. At the second turn Miss Cocks had increased her lead to five yards, and finishing apparently as fresh as she had started, came home an easy winner by ten yards. Armstrong defeated Forehan by two yards for second place. Time 2.51 3/5.

Junior Championship 300 yards - P.Lamb (Middle Pk) 1, W.Miller (YMCA) 2, W.Weier (Middle Pk) 3.

EXHIBITION SWIM
SUOSAARI MAKES RECORD

To assist the Distressed Soldiers Appeal Fund, the Victorian Amateur Swimming Association held a series of competitions on Saturday night at the Melbourne City Baths. The visiting Interstate swimmers gave exhibitions over the various distances. Axel Suosaari, holder of the Australian record for 50 yards, competed over the 66 2/3 yards course and established a new Victorian record by covering the distance in 35 seconds, which is 1/5 second better than that which stood to the credit of Reg Grier, Australian champion, also of Queensland.

QUEENSLANDERS ON TOUR
SECOND CHAMPIONSHIP CARNIVAL
SUOSAARI FOR BREAST STROKE HONOURS
By "Breaststroke"

Queenslanders Messrs Reg Grier, Tom Beck, and Axel Suosaari, Ted Goodwin (Manager), with Charlie Olsen and Tom McGovern as visitors, travelled by mail train in company with the State athletic team, of which Don Merritt was Manager. All the party had a pleasant journey to Sydney where the swimmers were met on arrival by Jack Walker of Speedo costume fame. The ports were deposited in the luggage room at the Sydney Central. We were then packed into Jack's big Chrysler and driven to the McRae Knitting Mills and initiated into the work of the big enterprise. After light refreshments and a souvenir for each, the party was driven to the Domain Baths where they were attended to by Percy Russell who saw the boys wanted for nothing. After the boys had a dip they went to the State Theatre in company with Arne Robinson of the athletic team to see the screening of "When Sherlock Holmes Came Back". Our friend Jack Walker and partner saw us off at night on our journey to Melbourne where we arrived safe at 11.30am on Wednesday.

We were met on arrival by old friends in Messrs Horrie Bennett (President VASA), Bill Fawcett (the jovial Hon Secretary), Norm Balfe, Harry Morris and his wife (nee Lois Hunt), and I. Boardman (a New South Wales man well known to Queenslanders. After the press photographers had got a couple of pictures, we were motored to our quarters, the Prince of Wales Hotel, St Kilda, right on the beach.

Wednesday afternoon we motored out to Footscray Baths where the first carnival was held, and the boys loosened up with Frank Beaurepaire who is a great friend to every Queensland swimmer when in Melbourne.

On Thursday the boys trained with the Tasmanians (ten in number) at the City Baths in the morning and the Brunswick Baths in the evening.

On Friday they went to the City Baths in the morning and then to bed for the rest of the day in preparation for the Quarter Mile at the Footscray Baths the next afternoon.

By the time these notes are in print, readers will know the result of the Quarter Mile. If Reg Grier wins that event, Queensland may look to the visitors returning with the Kieran Shield.

AT WARWICK

Before I finish these notes I must say that I almost forgot to tell te readers that on arrival in Warwick we were met, as usual, by Ned Portley, President of the Warwick Swimming Club and a Vice President of QASA, and our old Brisbane friend, Roy Franzen, and were treated in the usual Warwick way with refreshments and the usual bag of fruit. No Queensland team ever passes through Warwick without Mr Portley being on hand to meet them.

("Breaststroke" then reviewed the forthcoming championships, the Queensland competitors, their rivals, and their prospects, at some length. He noted that a Queensland team (Grier, Suosaari, Beck and Hubie Day) had been nominated for

the "Sun Pictorial" Shield in which each member would swim 66 yards for the Shield valued at £26 and four Gold Medals, but at the time of writing, Victoria had not decided whether it would allow an outside State team to compete, although the programme supplied did not contain any restrictions as to teams.)

GRIER WINS FREE STYLE CHAMPIONSHIP
JEAN COCKS GAINS WOMEN'S TITLE
Melb Jan 30

The second section of the Australian Swimming Championships took place at the Melbourne City Baths tonight.

In the 100 yards Ladies National Championship of Australia Jean Cocks won by two and a half yards from Violet Armstrong (NSW), who defeated B.Forehan (Vic) by four yards for second position. The time was 68 4/5 seconds.

In the 220 yards Championship, Reg Grier defeated Moss Christie (NSW) and Dud Walter (Vic), who dead heated. Suosaari led for the first lap which was covered in 38 4/5 seconds. At 100 yards Grier touched first in 59 1/5 seconds. Grier led over 200 yards from Christie in 2.10, and won with ease by nine yards in the fast time of 2.25. Suosaari finished close up behind the dead-heaters with Tanner (Vic) and Gilchrist (Tas) tailed off.

In 100 yards ladies Back Stroke Championship Bonnie Mealing defeated V.Armstrong (NSW) and E.Bostock (Vic) by five yards, in 1.14.

The Junior Championship resulted in a dead heat between M.Hack (WA) and J.Bennett (NSW), in 65 1/5 seconds, with W.Weier (Vic) third. A swim-off will be swum next Saturday afternoon.

Tom Beck (Qld), from 28 seconds, swam second in the 200 yards Pat Walsh Handicap.

INTERCITY SWIMS
IPSWICH v TOOWOOMBA
Ips Jan 30

At a meeting of the Ipswich Amateur Swimming Centre held at the City Baths this evening, the Secretary, Mr L.Herschel, advised having received word from the Secretary of the Toowoomba Centre with regard to the Intercity swims discussed at their last meeting.

The letter stated that the Toowoomba officials were greatly in favour of the suggestion and asked the Ipswich Centre to fix the dates of the carnivals, and to include three ladies events in the programme. The latter proposal was agreed to. The date fixed for the Ipswich carnival was February 15, and the return meeting in Toowoomba for February 22. It was decided to delete the 33 yards Junior Championship and run a race over 100 yards. Mr Johnstone, the President, stated that the latter distance would provide better racing.

There are to be fourteen events, and all competitors are to take part in the Championship Relay. In other Championship events, not more than two swimmers are to compete from each Centre.

AUSTRALIAN CHAMPIONSHIPS
BONNIE MEALING'S RECORD 220 YARDS
HIGH DIVE TO MORRIS
DOT BENNETT BREAST STROKE CHAMPION

The third and final Australian Championship carnival took place on Saturday afternoon at the excellent new Brunswick Municipal Baths. The principal event on the too lengthy programme was the High Tower Diving Championship of Australia which resulted in a highly popular win for T.H.Morris from the Melbourne Club. Morris managed to get the decision from three of the five

Judges, McHaffie, who last week on the springboard title, finishing only half a point behind. The tower just completed by the Brunswick City Council was used for the first time. The admirable steel structure, easily the best in Australia, coming in for much praise from all Interstate visitors.

Miss Bonnie Mealing (NSW), when competing in the 220 yards Free Style Championship of Victoria, swam back stroke all the way, and in finishing second to Miss Jean Cocks (NSW), recorded 3.13, which is the fastest ever recorded in Australia, but it cannot be recognised as she dived in at the start instead of pushing off. Her apparently effortless propulsion was a pleasure to watch.

The 220 yards Women's Breast Stroke Championship of Australia lost a lot of interest by the competitors being composed of Victorians only. Miss Dot Bennett (W St K) had no trouble in acquiring the title and gave an exhibition of perfect breast stroke swimming.

The final event over 200 yards for the Junior Championship of Victoria was won by Jack Bennett (NSW). As he is not eligible to take Victoria's title, W.Weir (Middle Pk) secures it, and by recording the highest aggregate over the series, becomes Victoria's Junior Champion.

Axel Suosaari (Qld) proved his claim as the fastest sprinter in Australia went on an attack on the 50 yards Australian record, standing to the credit of Alec Wickham, he failed by 1/5 second to equal it, his time being 23 3/5 seconds. This time, however, is 1 1/5 seconds faster than the Victorian record.

The competitors will now move to Tasmania where the testing place for that section of the Australian Championships will be the Sandy Bay Baths, Hobart, and will resume on Saturday.

Results -

Women's 220 yards Breast Stroke Championship of Australia - holder of title Miss R.Robertson (NSW); Australian record Miss D.Thomson (Qld) 3.23 - Misses D.Bennett (Vic) 1, G.Mott (Vic) 2, L.Quinlan (Vic) 3. Time 3.43 4/5. They were the only starters. Miss Bennett, swimming a perfect stroke, soon went to the front and won by five yards from Miss Mott with Miss Quinlan ten yards further back, third.

HIGH DIVING CHAMPIONSHIP OF AUSTRALIA

Holder of title, Clive Barrass (NSW) - Result - T.H.Morris (Vic) 102.2 points 1, A.McHaffie (Vic) 102.7 points 2, W.Pont (NSW) 98.9 points 3, A.Streckfuss (Vic) 96.5 points 4, K.Highett (WA) and H.Southey (Tas) also competed. T.H.Morris, in winning the contest by a very small margin, put up a splendid performance, handicapped as he was by an injury to his knee which occurred when practising the previous day, and which necessitated the knee being heavily bandaged. He, however, gave a great display, his best dives being a standing header from the 10 metre board, an arm stand dive, and running mellberg. His worst attempt was a flying somersault. McHaffie was not as sure as usual. His arm stand somersault from the high tower was, however, a very fine effort. He lost points in his backward spring and forward dive. Pont's diving was rather patchy and not up to his usual standard. Streckfuss, after starting off brilliantly, injured his back sufficiently to prevent him giving his best, otherwise he would certainly have finished much higher up.

220 yards Women's Championship of Victoria - holder of title Miss N.King (Wright St) - records, World's Miss M.Norelius (USA) 2.40 3/5, Australian, Miss Jean Cocks (NSW) 2.47 1/10 - Result - Misses J.Cocks (NSW) 1, B.Mealing (NSW) 2, N.King (Wright St) 3, B.Browne (Middle Pk) 4, M.Maire (Melb) 5. Misses B.Forehan (Albert Pk), M.Wright (W St K), N.Long (W St K) also started. Times 2.53 1/5, 3.13, 3.19 2/5. At the first turn (25 yards) Miss Cocks was two feet ahead of Miss Forehan with Miss Maire third with Miss Mealing who was swimming back stroke. At 110 yards, covered in 1.20 2/5, Miss Cocks had a lead of six yards from Miss Forehan who was tiring, then Miss Mealing, Miss Maire, Miss Browne, with Miss Long last. Miss Cocks won the race by fifteen yards from Miss Mealing with Miss King six yards further back, third, and Miss Browne fourth, Miss Maire fifth. As both Miss Cocks and Miss Mealing are not residents of Victoria, the title goes to Miss King, the first Victorian to finish.

200 yards Junior Championship of Victoria (the final event of the series over 100, 200, and 300 yards) - J.Bennett (NSW) 1, W.Weir (Middle Pk) 2, J.Lamb (Middle Pk) 3, W.Miller (YMCA) 4, C.Wills (Port Melb) 5. Times, 2.26 1/5, 2.30,

2.31 3/5. Won by three yards with two yards between second and third. With final aggregate over the series of 12 points, W.Weir takes the title of Junior Champion.

55 yards Junior Handicap - R.Black (Melb) 1, F.Godfrey (Alphington) 2, I.Phillips (Melb) 3

220 yards "Sam Carey" Handicap - T.Beck (Qld) 1, A.Stevens (Footscray) 2, R.Grier (Qld) 3. A thrilling race, Beck just getting up in the last couple of strokes to win by a touch in splendid time. Grier, in winning his heat, recorded the exceptional time of 2.26 4/5.

110 yards Back Stroke Handicap - C.Purchase (Footscray) 1, S.Gilbertson (Middle Pk) 2, A.King (Melb) 3

55 yards Brunswick Junior Championship - Parker 1, Booth 2, Gicey 3

110 yards Women's Handicap - Misses Laurel Shiels (SA) 1, M.Leash (Sandringham) 2, B.Griffiths (Middle Pk) 3

220 yards Team Race for "Kewery" Trophy (four men in a team) - Qld (R.Grier, T.Beck, A.Suosaari, M.Christie) 1, West St Kilda (J.Miller, T.Purvis, J.Paramor, J.Darien) 2, Middle Park (W.Crean, C.Quint, H.Watson, H.Praetorius) 3. A splendid race, Queensland's last swimmer, Suosaari, just getting the decision by a touch.

100 yards Junior Championship of Australia - holder of title C.Wright (NSW), Australian record C.Wright 56 seconds - Owing to a dead heat occurring in this race at last Thursday night's carnival between Neville Hack, the 6 feet 1 inch West Australian, and Jack Bennett (NSW), the deciding race was held on Saturday at the City Baths and resulted, N.Hack 1, J.Bennett 2 - won by six inches. Away together, then Hack quickly took the lead and at the first turn (33 1/3 yards) was out a yard from Bennett. A slow turn by Hack and a good one from Bennett reduced Hack's lead to a foot, however, in the run to 66 2/3 yards turn Hack was two feet in front. A bad turn again cost him some of his advantage, but he hung on long enough to win by six inches. Bennett finished very fast.

GRIER A WONDER
SUOSAARI AUSTRALIA'S GREATEST SWIMMER
By "Breaststroke"
Melb Feb 2

Reg Grier's victory in the 440 yards Championship was the outstanding feature of the Australian Championships at the Footscray baths last Saturday afternoon. Great public interest was taken in the event, and the form shown will help the Selectors in choosing the Australian Olympic Team for 1932. Most people expected Moss Christie of New South Wales to win, but with the Queensland motto of "Actions speak louder than words", the bananalanders idol, Reg Grier, put paid to his account.

Then followed a race description as recorded earlier, and it concludes with Grier leaving the water as fresh as he entered it, and was chaired to the dressing room by the Manager and the rest of the Queensland team. Great credit must also be given to the far northern swimmer, Tom Beck, for his great swim against Australia's best. He is a worthy representative for Queensland, and with more experience looks like landing an Australian title in distance events.

In the 220 yards Handicap, Suosaari was handicapped to give away 37 seconds to the winner of his heat. After swimming in brilliant fashion he caught all but the winner.

SUOSAARI'S GREAT EFFORT

In the seventh heat of the 66 yards Handicap, Axel Suosaari, of Queensland, made an attack on the Victorian record of 35 seconds registered by him on Saturday night. Obtaining the advantage of a splendid dive, he gave the finest exhibition of sprint swimming ever witnessed in Victoria. The official time was 34 seconds, thus he broke his own record by one second.

The roof of the Prince of Wales Hotel, St Kilda, suffered a shock at 11pm on Friday, when the Queensland Manager, Ted Goodwin, received an urgent telegram from the QASA Executive stating that Tom Boast would be sent, if he wished. An

urgent reply was sent to send "Boasto" on Monday night's mail so as to meet the team in Melbourne on Wednesday morning. The team will leave by the "Nirana" for Hobart on Wednesday afternoon. Queensland's chances will be strengthened by the inclusion of Boast in the 100 Free Style and the 100 Back Stroke Championships in Hobart.

THE "SUN PICTORIAL" SHIELD HANDICAP

In the first heat of the "Sun Pictorial" Shield Handicap, the Queensland team were beaten by inches, having given away 31 seconds to the winning team, the Melbourne Club. In this event all Queenslanders swam brilliantly.

SANDGATE CARNIVAL
RECORDS BROKEN

A feature of the Sandgate Swimming Club's carnival in the local baths last night was the lowering of two records in the QLASA 100 yards Back Stroke Championship. The holder, Miss Lily Venning, won by a yard from Miss Enid Middleton in the good time of 1.21 $\frac{4}{5}$, which clipped $\frac{4}{5}$ sec off the previous Queensland record. Miss Doris Story defeated the holder of the 50 yards Ladies Club Championship by the barest margin, her time reducing the record by $\frac{3}{5}$ sec. Bev Wilson had little trouble in retaining his Diving Championship from P.Jackman.

WOMEN'S AMATEUR STATUS
MEETING OF QASA COUNCIL

The question of the amateur status occupied in the swimming world by the wives of caretakers and lessees of public baths was brought up at the monthly meeting of the Queensland Amateur Swimming Association last night in consequence of the receipt of a letter from the Queensland Ladies Amateur Swimming Association. The Chairman, Mr J.Hiron, ruled the question was outside the province of the QASA, and the meeting decided to forward it to the Australian Swimming Union for adjudication.

The action of the Executive in sending Tom Boast to represent Queensland at the Australian Championships was endorsed.

The Chairman stated that most encouraging reports had been received from Tasmania regarding the prospects of the Queensland representative team, and he would not be too surprised if Queensland won everything except the two breast stroke events. In view of the fact the championships would be held in Queensland next year, it was most desirable that this State should be well up, on this occasion. In point of numbers, Queensland would be the outstanding State at the championships. In Tasmania, New South Wales would be represented by only two men.

Approval was given for a draft programme for a carnival submitted by the Manly Swimming Club.

GRIER BEATEN IN HALF MILE TITLE
EDNA DAVEY WINS LADIES EVENT

In the Half Mile Free Style Championship of Australia held at the Sandy Bay Baths, Hobart, on Saturday night, Reg Grier, the Queensland star, was defeated by Moss Christie (NSW) by 20 yards. Miss Edna Davey (NSW) won the 440 yards Ladies Championship from Miss Jean Cocks (NSW) by 10 yards.

Hobart Feb 9

Moss Christie (NSW) registered a fine performance in defeating Reg Grier (Qld) in the 880 yards Free Style Championship of Australia at the Sandy Bay Baths on Saturday evening, when the Tasmanian section of the Australian Swimming Championships was commenced.

Suosaari had to concede the winner, B.Hales, 31 seconds in the third heat of the 100 yards Handicap for men, but he made up nearly half the deficiency and finished fifth.

KIERAN SHIELD

It seems likely that the Kieran Shield will be won by either New South Wales or Queensland. At present, with six more championships to be decided, Victoria is leading with 2 firsts, 3 seconds, and 5 thirds, New South Wales being second with 2 firsts, 3 seconds, and 11 third, and Queensland third with 2 firsts, and 1 second, West Australia last with 1 first and 1 second.

The following were the results -

220 yards Breast Stroke Championship of Australia - F.McCure (NSW) 1, A.Higginson (Vic) 2, I.Hopkins (previous holder, Vic) 3. Other starters, A.Suosaari (Qld), J.Ray (Tas), C.Webb (Tas), C.Bennell (Tas). Suosaari was the early leader, but dropped out at 110 yards and McCure took the lead from Higginson. Swimming strongly, Higginson stuck to McCure who won by a length with Hopkins two lengths away, third. Webb was fourth, with Ray and Bennell next to finish. Times, McCure 3.3 3/5, Higginson 3.5 4/5, Hopkins 3.12 2/5.

880 yards Free Style of Australia - Moss Christie (NSW) 1, Reg Grier (Qld) 2, K.Tanner (Vic) 3. Other starters, T.Beck (Qld), E.Hutcheon and H.Ayres (Tas). Grier led for nearly a quarter of the journey then Christie went to the front, Beck and Tanner being together in third position, with the two Tasmanians half a lap behind. With 220 yards to go, Christie was 10 yards ahead of Grier, Beck and Tanner being practically level, third. Christie led by about 20 yards at the beginning of the final lap, and Tanner was a yard ahead of Beck.

Christie finished well to win by 20 yards from Grier. 40 yards away Tanner and Beck fought out third place, Tanner beating the Queenslander by 3 yards. Ayres was fifth and Hutcheon last. Times, Christie, 11.32 1/5, Grier 11.47 1/5, Tanner 12.21 4/5.

440 yards Ladies Championship of Australia - Miss Edna Davey (NSW) 1, Miss Jean Cocks (NSW) 2, Miss N.King (Vic) 3 - the only starters. Miss Davey went to the front from Miss Cocks after 110 yards and a lap later was six yards in front, Miss King being 18 yards further back. When the last lap was commenced Miss Davey led by 9 yards and Miss King had dropped back about another 20 yards. The two leaders sprinted over the last 50 yards, Miss Davey winning with about ten yards to spare from Miss Cocks with Miss King 30 yards away, third. Times, Misses Davey 6.10 4/5, Cocks 6.14 1/5, King 7.00.

The Open Diving Handicap was won by Miss Greta Mott (Vic), who gave a brilliant exhibition of diving. Her swallow dive from the 30 foot tower was almost perfect. The winner was giving points to her six male opponents.

TASMANIAN CONFERENCE SOME IMPORTANT DECISIONS

The Australian Swimming Union's Conference commenced at the Auto Car Club rooms yesterday morning. All six States were represented, together with Messrs Jas Taylor (President), H.A.Bennett (Vice President), and H.Kelly (Hon Secretary). Mr George Brewster (Tasmania) extended a hearty welcome to the first delegation held in Hobart.

The Conference decided to levy in all States, sixpence per annum on all registered swimmers, to be set aside for the dispatch of the Australian representative swimming team to the Olympic Games in Los Angeles.

Messrs J.Taylor and Bruce McDonald were selected representatives to the Empire Games Committee. Messrs Jas Taylor (NSW), H.Bennett (Vic), and Ted Goodwin (Qld), were selected as Australian Selectors for the swimming section of the team to compete at the Empire Games to be held in Ottawa in 1931.

A levy of £2/2/- was made on each State towards the Union's funds.

According to the International Federation, any person who receives five shillings per day allowance, will be ineligible to compete at the Olympic Games.

The Conference decided to invite a team of Japanese swimmers consisting of one lady, two men, and a Manager, to tour Australia in 1931.

SUOSAARI WINS 100 YARDS CHAMPIONSHIP
SUCCESS OF MISS COCKS
Hobart Feb 12

Axel Suosaari (pictured) won the 100 yards National Free Style Championship of Australia at the swimming carnival tonight, Reg Grier securing third position, and Tom Boast was fourth. Miss Jean Cocks won the 100 yards Ladies Junior National Championship of Australia.

Details -

100 yards National Championship of Australia Free Style - Axel Suosaari (Qld) 1, Cameron (New Zealand) 2, R.Grier (Qld) 3, T.Boast (Qld) 4. Times, 55 1/5, 55 2/5, 55 3/5, 56 2/5 respectively.

100 yards Ladies Junior National Championship of Australia - Misses Jean Cocks (NSW) 1, V.Hallett (Tas) 2, J.Weidenhoffer (Tas) 3. 1.7 2/5.

1 Mile Championship of Australia - The following were the competitors; T.Beck (Qld), K.Tanner (Vic), H.Ayres (Tas), Moss Christie (NSW), Reg Grier (Qld). From an even take-off Grier took the lead from Beck and Christie. Over the first quarter mile the order was Grier, Christie, Beck, Tanner, Ayres. At the half mile Grier was still leading Christie, while Beck and Tanner were together in third position. Christie got the lead at 1100 yards which he maintained to the finish, winning by fifteen yards from Grier who was sixty yards ahead of Tanner with Beck five yards further back. Christie and Beck were carried from the water in an unconscious condition and had to receive medical attention, owing to the excessively cold water. Both, however, soon recovered.

100 yards Back Stroke Handicap - Tom Boast (Qld) from 36 seconds behind, swam into second position and established an Australian record in 1.8 1/5.

A.Higginson (Vic) established an Australian record for 100 yards Breast Stroke of 1.23 2/5.

GIRL CHAMPIONS
PROBABLE VISIT TO QUEENSLAND

The probability that Misses Edna Davey and Jean Cocks, the champions New South Wales swimmers, will visit Queensland this season was discussed at the monthly meeting of the Queensland Ladies Amateur Swimming Association held in Albert House last night. The President, Mrs J.McGregor-Lowndes read a telegram from Mr E.J.Goodwin, Secretary of QASA who is at the moment in the south, stating that the two girl champions probably would be willing to tour Queensland if it was desired. The Townsville Centre was immediately communicated with, as it was that Centre that originally sought the visit, and it replied that it was still anxious to have the swimmers visit Townsville. Consequently, other country Centres will now be communicated with, and arrangements probably be made for Miss Davey and Miss Cocks to make the tour shortly. It was explained the two girls intended to visit New Zealand, but that tour had been abandoned, making it possible for the girls to accept the Queensland offer.

Another letter that was read signified the intention of His Excellency the Governor, Sir John Goodwin, to be present at the Brockway Cup carnival to be held on March 8, His Excellency expressing a desire to witness a diving exhibition. Subsequently the following swimmers were selected to give a diving display - Mrs G.Springfield, Misses A.Muller, P.Lyons, E.Warneke, H.Beardmore, Broaderick, E.Middleton, V.Barr, L.Drew, L.Venning, M.Churchwood, J.Culshaw.

KIERAN SHIELD
QUEENSLAND WINS
BOAST TAKE BACK STROKE CHAMPIONSHIP

Through the success of Tom Boast, Reg Grier and Axel Suosaari, in the Back Stroke Championship in the National Swimming Championships which were concluded in the Sandy Bay Baths, Hobart, on Saturday afternoon, Queensland annexed the coveted Kieran Shield for the first time since the inauguration of the competition in 1906-7.

Hobart Feb 16

In fine weather, but with a cool southerly breeze blowing, the Australian National Swimming Championships Carnival was concluded at the Sandy Bay Baths on Saturday. Keen speculation prevailed whether Queensland, with the 440 yards Breast Stroke and the 100 yards Back Stroke events to decide the issue, would succeed in winning the Kieran Challenge Shield from the holders, New South Wales.

The position prior to the concluding day's events was that New South Wales led with 3 first places, 3 1/2 seconds, and 1 third, from Queensland with 3 firsts, 3 seconds, and 1 third. Victoria followed with 1 first, 2 1/2 seconds and 6 thirds.

The Queenslanders brilliantly succeeded in reaching their objective by securing all three places in the back stroke event, this success being popularly acclaimed.

The Ladies National Springboard Diving Championship was won by Miss G.Mott (Vic) with Miss E.Hurd second and Miss J.Lester (Tas), third.

Seven swimmers faced the water for the 440 yards Breast Stroke Championship, the contestants being F.McClure (NSW), A.Higginson and Ivan Hopkins (Vic), Axel Suosaari (Qld), J.Ray, C.Webb and J.Bennell (Tas). The swimmers entered the water evenly and McClure went to the front closely attended by Hopkins. At 55 yards Hopkins had closed up with the leader with Higginson also in line. At 100 yards McCure maintained a slight lead from Hopkins with Higginson challenging the latter. At the half distance McCure was still ahead, while the other two men had reversed their positions. When the next length had been covered Ray was vigorously overhauling Hopkins for third place. Ray passed Hopkins at the turn for the final length and went hard after Higginson who was ten yards behind the leader. Victory finally went to McCure by eight yards from Higginson, Ray finishing fast eight yards behind Higginson. The time was 6.37 1/5, 1 4/5 second off the record to the credit of Queenslander Joe Suosaari since 1922-23.

The 100 yards Back Stroke Championship was even more sensational. Swimmers entering for the race were T.Boast, A.Suosaari, and R.Grier (Qld), Orrell (Vic), Yates and A.Gilchrist (Tas), W.Cameron (New Zealand). On the completion of the first lap Boast was in the lead followed by Cameron, with Suosaari the third man to make the turn, closely hung to by Grier, the title holder. Shortly after the turn Cameron took the lead from Boast, Suosaari continuing to lie third. The finish was a thrilling one, Boast, with a spectacular spurt overhauling Cameron to win by a touch, with Grier and Suosaari closely in chase. The swimmers finished in that order, the time being 1.8. Cameron being a New Zealander without the necessary Australian residential qualifications, his performance was barred from official recognition, the result being the places went to the three Queenslanders. The Queensland victory was popularly acclaimed.

Other results -

220 yards Free Style Handicap - E.Hutcheon (Tas) 1, J.Hutchinson (Tas) 2, A.Gilchrist (Tas) 3

Ladies 110 yards Breast Stroke Handicap - V.Stevens (Tas) 1, E.Hurd (Vic) 2, N.King (Vic) 3

Diving Handicap - G.Mott (Vic) 1, H.Gates (Tas) 2, E.Hurd (Vic) 3

LADIES CARNIVAL
SUCCESS OF VALLEY SWIMMERS

Members of the Valley Ladies Club met with outstanding success at the Championship Carnival under the auspices of the Queensland Ladies Amateur Swimming Association in the Booroodabin Baths last night. Keen racing was provided and great interest reigned in the programme which was carried out smoothly.

In the Flying Squadron Championship of Queensland and the "De Little" Flying Squadron Relay Race, the Valley teams gained first places, Otter and Commercial filling the next two positions respectively in both events. The 100 yards Junior Championship of Queensland was retained by the holder, Miss R (Enid) Middleton, a Valley swimmer who gave a fine exhibition, and also winning the Handicap Dive, while Miss E.Middleton, a member of the same Club, secured the 50 metres Open Back Stroke Handicap. Miss F.Winter, a Toowoomba swimmer, displayed marked ability securing the 60 yards Ladies Country Championship of Queensland and winning the 50 metres Senior Handicap.

The officials responsible for the efficient running of the events were - Referee, Mr D.S.Carter; Judges, Messrs J.Hiron, A.Casey, J.Haslet Judges of Diving, Messrs F.W.Springfield, D.S.Carter, J.Hiron, A.Casey; Timekeepers, Messrs J.Moylan, L.Nissen, F.W.Springfield, R.Bunting; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Call Steward, Mr L.Landsbury; Result Steward, Mr N.Burn; Clerks of Course, Messrs J.Montgomery, V.Hartley; Hon Handicapper, Miss L.Nicholls; Assistant Hon Handicapper Mrs J.McGregor-Lowndes; Competitors Check, Mrs K.McKay; Costume Stewards, Mesdames Middleton, Newman; Hon Treasurer, Miss I.C.McGregor; Hon Secretary, Miss P.Brunnich.

In the race details the following abbreviations have been used - Otter (O), Commercial (C), Valley (V), Federal (F), Toowoomba (Tmba), Sandgate (S'gate), City Pastime (CP), Manly (M), Rockhampton (R'ton).

Results -

40 yards B Junior Handicap - E.Story (S'gate) 1, J.Meredith (C) 2, G.Booth (O) 32

Flying Squadron Championship of Queensland - Valley (E.Middleton, V.Middleton, G.Brown, K.Brown, H.Beardmore, M.Springfield) 1, Otter (L.Venning, D.Cooper, J.Smith, L.Campbell, J.Cornish, M.Churchwood) 2, Commercial (E.Cain, M.Podmore, P.Woodforth, M.Comrie, E.Drew, G.Springfield) 3. From a good take-off the Sandgate swimmer established a slight lead which was held until the first lap was covered, Valley being in close attendance at the turn. The Valley swimmer had secured the lead at the end of the next lap, the Otter girls being next. In the remaining four laps the Valley swimmers retained the lead from the Otter ladies, while the Commercial team had crept into third position. The winner's time was 3.54 $\frac{2}{5}$ for the 300 metres, Otters finishing 2 $\frac{4}{5}$ seconds later, being 16 $\frac{4}{5}$ seconds ahead of Commercial. Sandgate and Federal brought up the rear.

60 yards Ladies Country Championship of Queensland - F.Winter (Tmba) 1, J.Lind (Ips) 2, L.Phillips (R'ton) 3. Time 43 $\frac{2}{5}$ secs. This race proved very exciting with Miss Winter touching the rope only $\frac{1}{5}$ second before the Ipswich swimmer, while Miss Phillips was only a touch behind her.

"De Little" Flying Squadron Relay Race - Valley (G.Brown, V.Middleton, M.Springfield, Enid Middleton) 1, Otter (L.Venning, D.Cooper, J.Smith, L.Campbell) 2, Commercial (E.Cain, G.Springfield, M.Comrie, P.Woodforth) 3. Valley took the lead from Sandgate at the end of the second lap and was never overtaken. Otters swam well to get into second position, Commercial filling third place. Sandgate was next followed by Rockhampton and Toowoomba. At the conclusion of the race Mrs De Little, Patroness of the QLASA, presented the "De Little" Cup to Miss Enid Middleton who received it on behalf of the Valley Ladies Club. The President of the Association, Mrs J.McGregor-Lowndes, handed to Mrs De Little a beautiful bouquet of dahlias.

50 metres Mrs McGregor Memorial Breast Stroke Handicap - F.Furness (Tmba) 1, M.McDonald (M) 2, P.Thompson (V) 3. Won easily by 3 yards. 100 yards Junior Championship of Queensland - R.Middleton (V) 1, M.Eden (M) 2, M.Comrie

(C) 3, Time 1.14 4/5. Miss Middleton secured the lead early and was first to turn, followed closely by Miss M.Smith (F) and Misses Eden and Comrie. In the sprint home the title holder increased her lead to win by 6 2/5 seconds from Miss Eden, while Miss Comrie was a further 4 1/5 seconds away, third.

50 metres B Senior Handicap - F.Winter (Tmba) 1, A.Muller (M) 2, H.Beardmore (V) 3. The winner finished two yards ahead of the next two swimmers who touched almost together.

50 metres Open Back Stroke Handicap - E.Middleton (V) 1, A.Mullin (M) 2, A.Jones (Tmba) 3

Handicap Dive - standing, running, fancy - R.Middleton (V) 1, H.Beardmore (V) 2, G.Springfield (C) 3

100 metres "Mrs Kuder Memorial" First Class Handicap - R.Smith (S'gate) 1, D.Story (S'gate) 2, E.Warneke (CP) 3. They were the only competitors. Miss Smith took the lead early, and her clubmate was unable to overtake her, finishing about two yards behind, with Miss Warneke a further yard away.

Novelty Event - H.Beardmore (V) 1, H.Wreckclyffe (C) 2

An interesting display of plain and fancy diving was given by the QASA diving troupe comprising J.Collin, G.Collings, H.Fussell, W.Morrall, and R.Reed.

SOUTHERN LADIES VISIT UNEXPECTED DEVELOPMENT

For a considerable time, ladies swimming organisations, particularly in northern Queensland, have been interested in an early visit from Misses Jean Cocks and Edna Davey, of Sydney, whose performances, particularly those of Miss Cocks, have been remarkable. The difficulty that arose owing to the southern proposal to take away practically all autonomy from the Ladies Association throughout Australia, and force them to hold Ladies National Championships at the men's carnival, has prevented anything being done. This matter, however, being more or less satisfactorily settled at the recent Australian Swimming Union Conference, the way appeared clear to obtain such a visit, and when the Secretary of the QASA (Mr Goodwin) telegraphed some days ago that Misses Cocks and Davey could make the trip to Queensland, the Ladies Association immediately communicated with Toowoomba, Warwick, Bundaberg, Maryborough, Rockhampton, and Townsville Centres, asking if they were willing to share the expenses of the visit, £15 being maintained as the probable share of each. Favourable replies were received, except that in some instances the Centres desired a reduction in the amount of guarantee.

A special meeting of the Ladies Association was accordingly called for tonight to draw up an itinerary. In the meantime, however, another wire was received, stating that the team proposed to travel via Byron Bay, arriving in Brisbane about the middle of March. The QLASA who had counted on the visitors appearing at Warwick and Toowoomba before coming on Brisbane, thereupon wired to the Secretary of the NSWLASA (Mrs Chambers) saying that if Misses Cocks and Davey appeared at carnivals in the northern rivers district while they were en route to Brisbane, it was assumed that Queensland would only be required to pay expenses from the last centre at which a carnival was held.

MISS COCKS NOT AVAILABLE

Last evening the Secretary of the QLASA received the following surprising telegram - "Miss Cocks unavailable. Miss Davey willing. Probably Misses Robertson, Mitchell and Mealing would go. Fares to be paid last carnival centre and return to Sydney." As this is entirely in the nature of a new proposal, and as Miss Jean Cocks would have been the star member of the original pair, the QLASA is communicating with the various Centres asking if they desire a visit from Misses Robertson, Davey, Mealing and Mitchell, and would guarantee their share of the considerable increase in expenditure. What action is taken by the QLASA will depend, of course, on the answers received.

KIERAN SHIELD
GRIER OUTSTANDING
SWIMMERS RETURN WITH TROPHY

Should a team of swimmers be included in the Australian representatives for the Empire Games in Canada, Reg Grier, for his all-round performances, certainly would be the first selected. That is the opinion of Mr E.J. Goodwin, Manager of the victorious Queensland swimming team which returned to Brisbane on Saturday night. The team, which comprised R. Grier, A. Suosaari, T. Boast and T. Beck, brought back the coveted Kieran Shield which has not been held by Queensland since 1906-7.

During the southern tour Mr Goodwin had excellent opportunity of seeing all the recognised and coming champions, and he rates Grier as the outstanding swimmer in Australia today. He said that a great deal of publicity had been given to the performance of the youthful New South Wales swimmer, Jean Cocks, and her certain selection for the Empire Games, though it was recognised there would possibly be only one or two swimmers in the team. The fact she was only fifteen years of age and was likely to figure in the Olympic Games of 1932, stood in her favour, but it had to be remembered, said Mr Goodwin, that Grier had only just turned 24. He had seen Jean Cocks in action and was not greatly impressed with her style. He considered her action open to a lot of improvement.

In his opinion, the most promising swimmers at the carnival were two Victorians, Tanner and Higginson. Tanner was a distance swimmer, and Higginson a breast stroke exponent, and both of them were mere boys. Tasmania also had a likely man in Ayres.

Mr Goodwin paid high tribute to the stirring efforts of his team in winning the Shield for Queensland. The most noteworthy feat, of course, had been the final deciding event, the Back Stroke sprint. Queensland had to gain first second and third places to win the Shield, and had only two recognised back stroke swimmers in the team, and they were Grier and Boast. Suosaari, who had never raced back stroke, was selected as the third man, and for two days before the big event he practised under the expert tuition of Tom Boast. The coaching proved a huge success, and Suosaari surprised by beating Grier for second place. The conditions had been against the northern swimmer, Beck, who failed to reveal his best form.

The four swimmers will be welcomed home officially at a carnival to be held in the Valley Baths tomorrow evening.

KIERAN SHIELD
SWIMMERS RETURN HOME
BOAST FAILS TO LOWER RECORD

Swimming at the Booroodabin Baths last night, Tom Boast, the Queensland and Australian back stroke champion, failed in an attempt to lower the Australian back stroke record or 100 yards by 1 1/5 seconds, the record being 1 min 8 secs.

The carnival organised by the Queensland Amateur Swimming Association was held in the baths last evening to welcome home the Queenslanders who won the Kieran Shield at the recent Australian Championships. Considering that such prominent swimmers as T. Boast, R. Grier, A. Suosaari participated, a very poor crowd attended. Apart from the appearance of the three champions the swimming was uninteresting.

The 100 yards Invitation Race was won by Axel Suosaari who was on a handicap of ten seconds. The 400 metres Interclub Relay was won by the Valley team which included T. Boast and R. Grier. According to the programme an attempt was to be made on the world's team record for 500 metres, the team comprising three

Kieran Shield winners, Boast, Grier, and Suosaari, and also G. Corstorphan and K. Forster. The time taken by the team was 5.55 4/5, but it was subsequently announced that the attempt should have been made on the world's 550 yards record of 4.50 4/5, there being no such record for 500 metres.

The following officials were responsible for the arrangements - Referee, Mr D.S. Carter; Judges, Messrs J. Hiron, A. Casey, J. Haslet; Starter, Mr F.E. Duncalfe; Check Starter, Mr R. Hodge; Timekeepers, Messrs J. Moylan (standard), F.W. Springfield, L. Nissen, R. Bunting; Call Steward, Mr L. Landsbury; Result Steward, Mr N. Burn; Clerks of Course, Messrs J. Montgomery, V. Hartley; Handicappers, Messrs E.J. Goodwin, H. Wrench, J.L. Whittington; Hon Secretary, Mr E.J. Goodwin; Hon Treasurer, Mr N. Burn. Details -

50 metres Junior Interclub Handicap - T. Wright (BBC Clayfield) 1, V. Murphy (CB) 2, B. Gardner (T) 3

100 yards Invitation Handicap - A. Suosaari (M'dore) 1, T. Boast (V) 2, G. Corstorphan (V) 3. In this event, Boast swam back stroke in an effort to break the Australian record for the distance. His time 1.9 1/5 was 1 1/5 outside the record.

50 metres Interclub Handicap - J. Lewis (WE) 1, J. Rickards (V) 2, G. Corstorphan (V) 3.

100 metres Interclub Back Stroke Handicap - W. Daley (V) 1, T. Boast (V) 2. At the end of the first lap D. McGovern (CB) was the first to finish, ahead of Daley, and B. Stafford (V), S. Casta (T), and T. Boast in the rear. In the sprint over the last 50 metres Daley drew ahead followed closely by Boast. The former maintained his lead, however, to win narrowly from the champion.

400 metres Interclub Relay - Valley (T. Boast, R. Grier, G. Corstorphan, W. Daley, A. Gilbert, G. Collings, A. Jackman, J. Etchells) 1, City Pastime (E. Bonis, E. Gilbert, W. Shanahan, E. Kirk, J. Robinson, C. Pickup, G. Bonis, J. Robinson) 2, Christian Brothers (J. Venning, D. Campbell, D. McGovern, C. Hartley, A. Hubbard, C. Love, T. Murphy, T. Purtell) 3. Valley and City Pastime took the lead early, Christian Brothers swimmers dropping further behind as the race progressed. The two leading teams kept together until the last two or three laps, when Valley gradually assumed control. T. Boast, who swam last for Valley, decided the winner and finished some seconds ahead of the City Pastime swimmer. Christian Brothers were almost a length further back.

An entertaining display of plain and fancy diving was given by the QASA troupe comprising J. Collin (leader), R. Reed, W. Morrall, H. Fussell, and G. Collings.

INTERCLUB CONTEST
CITY PASTIME WINS SHIELD

The final of the series of three contests between Manly, Sandgate and City Pastime Amateur Swimming Clubs for a Shield was decided at the Sandgate Baths last night before a large attendance. The amount of interest that has been taken in the triangular contest is manifest by the challenge issued by the President of the Lismore (NSW) ASC to meet the winner. Racing was very keen.

Points allotted for the contests are as follows -

At Manly: M 35, CP 21 1/2, S 15 1/2

At West End: CP 28, M 26, S 18

At Sandgate: CP 32 1/2, S 19, M 18 1/2

Aggregate: CP 82, M 79 1/2, S 52 1/2.

As the competition covers a period of five years, the winning Club holds the Shield for the ensuing twelve months.

MANLY CARNIVAL
LADIES 220 YARDS CHAMPIONSHIP

At the Manly Baths last night the Ladies 220 yards Championship of Queensland was won by Miss Enid Middleton. Due allowance must be made for the ex-title holder, Miss L.Venning, who, though recovering from influenza, made an attempt last night to retain her title. The programme included a number of Club and Interclub events.

Officials: Referee and Starter, Mr F.E.Duncalfe; Judges, Messrs E.J.Goodwin, J.H.Saville, J.Meredith; Timekeepers, Messrs J.Whittington, G.Paten; Diving Judges, Messrs F.E.Duncalfe, N.Burn.

A display of plain and fancy diving was carried out by G.Collings, R.Reed, W.Morrall, H.Fussell and J.Collins.

Details -

220 yards Ladies Championship of Queensland - Starters, Misses Edith and Enid Middleton and the title holder, Miss L.Venning. Miss Enid Middleton won comfortably. From the start she gained a slight lead, and at each turn her lead was improved. At the beginning of the final lap Miss Middleton was six yards ahead and she increased that to nine yards. The time was 3.12 4/5.

AUSTRALIAN SWIMMING TEAM
REG GRIER'S FINE RECORD
BEAUREPAIRE A MARVEL
By "Breaststroke"

If it be decided to send a swimming team to Los Angeles to compete in the 800 metres team championship, Australia could furnish one that could hold its own against all comers. No doubt we have in Australia a few pessimists who cannot see any good in our own swimmers, but we also have a lot of boosters for Australia. A likely team for the 80 metres team championship might be selected from the following swimmers, all of whom

are in great form at present - "Boy" Charlton (if he can produce his late form), Reg Grier (Australian 220 and 440 yards champion), Noel Ryan, Moss Christie, and either Owen Griffiths or Axel Suosaari (if the latter were to concentrate on the furlong distance).

A southern authority says he hopes the 220 yards Australian Championship will be held in Sydney next year because in his opinion the race over the distance between Grier, Charlton, Griffiths, and Ryan, would be worth travelling twenty mile bare foot over broken bottles to see. No doubt it would be worth witnessing, but this writer has never wavered in his opinion that we have no swimmer in Australia who can beat Grier over the furlong. Queenslanders, to a man, can never see Charlton, as good as he is over the longer distances, beating Reg over a furlong. If Andrew is to secure his place in the team for Los Angeles, then we will have the pleasure of seeing him in Brisbane next January, as the half mile and mile championships will be competed

for here in 1931. It may be interesting for readers to know that Andrew Charlton has never yet won an Australian Championship, and that Grier's time for the 220 yards free style is the fastest by an Australian in this event.

FRANK BEAUREPAIRE A WONDER

The Australian swimming world has a lot for which to thank the Victorian, Frank Beaurepaire, the world champion. In 1910 Frank put up his world's record of 2.30 for 220 yards free style in Exeter, also 3.30 for 300 yards, 3.50 1/5 for 300 metres, 5.23 for 440 yards, 7.2 1/5 for 500 metres, and in 1921 he made new world's records of 14.28 for 1000 metres, and 22.30 4/5 for one mile free style. At the present time he holds the "best on record" by an Australian swimmer of 13.26 3/5 for 1000 yards, 14.31 for 1000 metres, 17.34 3/5 for 1320 yards, 22.25 3/5 for 1500 metres, and 23.49 2/5 for one mile free style.

Touring Europe in 1910, Beaurepaire competed in 41 events in several countries and won every event and established five world's records. At different times he has held eight world's records. He has won seven Australasian, 19 Australian, 11 English, 60 Victorian, and several New South Wales championships, and despite the fact he is 39 years old - having seen the light of day in Melbourne on 13 May 1891, the writer witnessed him scamper over 100 yards in the City Baths, Melbourne, a fortnight ago, in 60 1/5 seconds. Frank is the most widely travelled Australian swimmer, having represented this country in three Olympiads, establishing records for various distances in England, Scotland, Sweden, Finland, Belgium, France, Hungary, Germany, South Africa, New Zealand, Canada, and Hawaii.

At the present time Frank is in a big way in the motoring business in Melbourne. He is President of the Victorian "Learn-to-Swim" campaign in which thousands of young and old have been taught to swim this season. One of the best friends for all Queensland swimmers - those who visit Melbourne - and of great assistance to the Queenslanders who returned with the Kieran Shield last week. May Frank live many a long year, is the wish of all Queenslanders.

INTERNATIONAL VISIT

The Australian Swimming Union is to be congratulated in getting in early to invite a team of swimmers from Japan to tour the whole of the Australian States next season. With such a variety of world champions as Katsuo Takaishi (who defeated Charlton), Y.Tsuruta (winner of the last Olympic Breast Stroke in record time), and T.Iriye (holder of the world's record for 200 and 400 metres Back Stroke) in the team, Australia could see some great swimming. Large amounts have been spent on calls to Zorilla and Weismuller in the past by the ASU, but as the former has no records to produce and the latter has turned over to the cash ranks, the ASU are on the right track for Australian swimming. With swimmers such as Charlton, Grier, Cameron, Christie, Ryan, McCure, Axel Suosaari, Boast, Higginson, and J.Suosaari, in their best form, some great racing should be witnessed.

CARNIVAL OFFICIALS

The following QASA officials are requested to be at the Arthur Street Baths, Spring Hill, on Friday night, March 7, to officiate at the YMCA annual championships - Referee, Mr F.W.Springfield; Judges, Messrs J.Moylan, R.Bunting, H.Wrench; Timekeepers, Messrs J.Moylan, R.Bunting, F.W.Springfield; Starter, Mr R.Hodge; Check Starter, Mr W.Burnup.

Q.A.S.A COUNCIL MEETING

At a meeting of the Council of the Queensland Amateur Swimming Association held last night, at which nine affiliated bodies were represented, delegates referred to the impetus to sport that would be given in the State due to the success of the Queensland team in winning the coveted Kieran Shield. The Manager and State delegate to the A.S.U Conference, Mr E.J.Goodwin, submitted his report on the tour and also the minutes of the Conference as well as a report on the Executive meeting of the Union.

The A series of the next Australian Championships would be held in Sydney, while it was decided to stage the B series in Brisbane.

On a motion by Mr D.S.Carter supported by the Chairman, Mr J.Hiron, it was resolved to place on record the appreciation of the success of the Kieran Shield winners, and to convey to each member of the team, its congratulations. The expenses of the trip amounted to about £208.

A letter was read from the Ladies Association asking what procedures should be taken on the matter of the Townsville Association inviting the southern lady swimmers north, on its own invitation: it should be in the hands of the Ladies Association. The Chairman ruled that the Club's quote should be in the hands of the Ladies Association before the southern swimmers set out on their tour.

SPRINGFIELD CUP RETAINED BY VALLEY LADIES CLUB

Lady swimmers centred their interest last night in the competition for the Springfield Cup at the Sandgate Baths. The Valley Ladies Amateur Swimming Club retained the trophy which was donated by Miss Mabel Springfield, easily defeating Otter and Sandgate Clubs.

The Q.L.A.S.A conducted the carnival in which all events were scratch races, and place points were awarded in the ratio of 5,3, 2, in all events except for the teams race which counted 10, 6, 3.

Total points gained were; Valley 74, Otter 24, Sandgate 19. For Valley, Miss Enid Middleton made 23, and Misses H.Beardmore and L.Streeter 10 each; they were the highest points scored during the night. Miss Springfield presented the Cup to the captain of the Valley team, Miss Evelyn Middleton.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs J.Hiron, A.Casey, J.Haslet; Judges of Diving, Messrs J.Hiron, A.Casey, D.S.Carter F.W.Springfield; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Call Steward, Mr L.Landsbury; Result Steward, Mr N.Burn; Clerks of Course, Messrs J.Montgomery, V.Hartley; Handicapper, Miss L.Nicholls; Assistant Handicapper, Miss J.McGregor-Lowndes; Competitors Check, Mrs K.McKay; Costume Stewards, Mesdames Middleton, Newman; Hon Treasurer, Miss J.C.McGregor; Hon Secretary, Miss P.Brunnich.

ENID MIDDLETON'S SUCCESS
 DIVING CHAMPIONSHIPS
 EMPIRE GAMES IN CANADA
 By "Breaststroke"

At the Manly Club's annual carnival last week, Enid Middleton, Queensland's junior champion, was successful in winning the 220 yards Free Style Championship of Queensland from L.Venning who had held the title for six years. The time for the event was 3.12 4/5. Without meaning in any way to distract from the merit of Miss Middleton's performance, it is only fair to state Miss Venning competed against Doctor's instructions, having had an attack of influenza. Miss Venning's best time for the furlong is 3.8 3/5, while the best time by an Australian is that by 15 year old Jean Cocks (NSW) of 2.46 9/10.

EMPIRE GAMES

On present form holding by Australian swimmers, Reg Grier, Tom Boast, Misses Jean Cocks and Bonnie Mealing would be capable of winning all events in which they started at the Empire Games in Canada. Other Australians who already have been sent are R.Pearce (rower), Jim Carlton (runner), and Clarice Kennedy, and "Tickle" White. To send this team of eight representatives to the Games would need to raise another 500, which added to the 1000 donated by the Canadian authorities would be sufficient. Is Australia to send half a team on Canada's charity, or will sports rise to the occasion?

NO NEED FOR PESSIMISM

"Omens for a good future for amateur swimming in Queensland are excellent. There is no need for pessimism, but an urgent need for courage, determination, and combined assistance from all." These words were included in Ted Goodwin's report on the Queensland team submitted to the delegate meeting of the QASA on Friday night. Messrs D.S.Carter, F.W.Springfield, J.Hiron, and F.C.Ivett, supported the Manager's remarks, after which it was decided to recognise in some tangible manner the good work of the swimmers and Manager in bringing home to Queensland the Kieran Shield. It is up to the Association to see that the swimmers and Manager are at least supplied with a Queensland blazer suitably inscribed. It was noticeable that at the last Championships every other State representative was presented with a State blazer with inscriptions on the pocket.

CHARGE FOR CHARITIES

Much has been said about the charges for the respective baths in and around Brisbane. The amounts paid for the respective bodies for the use of the Valley Baths have been, up to this month, 33 1/3% of the gate takings. A few days prior to the holding of this year's State and Country Championships, a verbal offer was made by the Care/taker of the Valley Baths to allow the QASA the use of the baths for £10/10/- for carnivals, provided the Association held its three carnivals there. It has been the Association's policy for the past two years (that policy I hope will be continued) to hold a carnival in Ipswich, one in Brisbane, and one in Sandgate, as the body is representative of all Queensland. As regard to the rentals paid at Sandgate and Ipswich it has been said that these were increased 100% this season, and as one who knows the facts and is not ashamed to let the public know them, I may say that the rental for the Sandgate Baths was 6 (seating and lane ropes supplied), Ipswich £3/3/- (seating supplied). At Ipswich and at Sandgate the entries both as to class and number were of first class order and the baths were packed, which goes to show the support of amateur sport in those areas. It is also said that full information is not supplied to the ASU Conference in regard to this matter. All facts were given to the delegates present, also the official receipt of the Brisbane City Council for £88 which was paid in rental for the use of the Valley Baths for two and a half hours on the occasion of Arne Borg's appearance last season. After seeing the new baths at Footscray (Victoria) 5, and Brunswick (Victoria) 7, Queensland may well be excused for raising a complaint against the charge of 33 1/3% made for the Valley Baths. In passing I may compare that the three Australian National Championship Carnivals recently held in Victoria were held in three different baths - Footscray, City, and Brunswick - and no squeal has been made by the Caretakers of other baths in Melbourne.

STATE DIVING CHAMPIONSHIPS

Owing to the courtesy of the Secondary Boys Schools Swimming Association, it was possible for the QASA to hold their Diving Championships in the day time this season, and it will take place at 3.30 on Saturday afternoon next, in conjunction with the schools carnival. Some brilliant exhibitions of high, plain, and fancy, diving should be witnessed in this event, and together with the grand display of swimming by the respective swimmers of the different secondary schools, a great after-noon's sport is promised for those who attend the Valley Baths. The Judges for the diving event have been selected by the QASA and are as follows - Messrs D.S.Carter, F.W.Springfield, J.Deeney, E.J.Goodwin, N.Burn. The following have entered for the diving championship of Queensland - Roy Reed, Geof Collings, Ray Fussell, Les Marshall.

LADIES ASSOCIATION VISIT OF SYDNEY TEAM

Arrangements have been made for a visit to Townsville or three days from April 13 to April 16 of the two prominent New South Wales lady swimmers, Misses Jean Cocks and Edna Davey. They will be accompanied by Mrs Chambers (Secretary of the New South Wales Ladies Association) as chaperone. This arrangement was made at the meeting of the Council of the Queensland Ladies Amateur Swimming Association held at Albert House last night. Mrs McGregor-Lowndes was in the Chair.

The programme arranged is that the two swimmers will leave Sydney on April 8 and arrive in Townsville on April 13, and leave on April 16 and return to Sydney on April 21. It is expected that the expenses of the trip will be £89/5/-. The swimmers will not be visiting other Queensland towns, although it

was suggested they might make a trip to the tablelands. The Queensland Ladies Association will extend a cordial welcome to the visitors on their arrival by boat on April 10.

Dr A.B.Brockway wrote to the Ladies Association thanking the ladies troupe for the fine display of diving given at the Brockway Cup carnival last week. His letter of thanks was accompanied by a cheque for £5/10/-. It was decided to reply, thanking him for his donation.

The City Pastime Club, the winner of the Interclub Shield, will hold a swim on March 29, and applied for permission for the Lismore Club to send a team to the carnival to which Sandgate and Manly have also been invited. Permission was granted. However, it was decided that the 150 yards Team Championship of Queensland will be held on April 8 in association with the Otter Club swim at the Ithaca Baths.

Mrs McGregor-Lowndes announced that she had written to the QASA for permission to hold the 1931 Australian Championships in Brisbane. The reply received was to the effect that the championships had been divided into two parts, and the 100 yards Free Style, 220 yards Free Style, 100 yards Breast Stroke, and 220 yards Breast Stroke will be held in New South Wales. The 440 yards Free Style, Diving, and 100 yards Junior Championship events had been allotted to Brisbane.

The Treasurer announced that the Springfield Cup carnival had netted a profit of £11/3 only.

QUEENSLAND DIVING CHAMPIONSHIPS

The QASA held the annual Diving Championships of Queensland in conjunction with the Secondary Schools Carnival. There were only five competitors and the diving could have been much better. H.Fussell (CB) gave a most promising display for a mere schoolboy. Mr Geof Collings (Valley), however, gave the most consistent performance and placings resulted - G.Collings (V) 1, H.Fussell (CB) 2, R.Reed (Com) 3.

The Secondary Schools Cup resulted - C.E.G.S 33 points, T.G.S & B.G.S tied 15, T.S.S. 11, N.C. 6, G.T. 5, others nil.

STATE CHAMPIONSHIP LADIES 50 YARDS JUNIOR TITLE

At the Spring Hill Baths last night Miss Enid Middleton won the Ladies 50 yards Junior Championship of Queensland. The start of the race was even, but the winner was leading by two yards from P.Broderick at the turn. She continued to widen the distance between herself and the other competitors, and finished up three and a half yards ahead of P.Broderick who came second. Ellie Story and M.Comrie fought for third place, Comrie being successful. The time for the race was 32 1/5 seconds, 1 1/5 seconds above the record of 30 4/5 held by Miss Lily Venning for the event. There were only four competitors.

INTERSTATE CHALLENGE CARNIVAL

All roads travelled by swimming enthusiasts next Saturday night will lead to the Davies Park Baths, West End, where the Grand Interstate Challenge Carnival between Lismore (NSW), City Pastime (Qld) will be held, and the Hon Secretary, John Montgomery, and his band of hard working officials are to be congratulated on their big enterprise, and a record crowd should be present to witness the carnival which starts at 7.45 pm. Foremost among the competitors will be Lily Joubert, the speedy lady swimmer who defeated the Australian champions at

Sydney last month. A great night's entertainment should be witnessed.

TOWNSVILLE'S ENTHUSIASM

Enthusiasm among the swimming folk in Townsville this season is on a very high plane. When the offer to tour Queensland by Mrs Chambers and Misses Edna Davey and Jean Cocks in April was turned down by the Q.L.A.S.A, the northern Centre asked to be allowed to bring the team of southern swimmers to Townsville at their own expense. Permission was granted to them, and the team will leave Sydney by boat on April 8 and arrive in Brisbane on Thursday April 10, and proceed direct to Townsville. An application has been received from a Rockhampton Club for the visitors to be allowed to appear in Rockhampton. In all probability permission will be granted for Misses Davey and Cocks to swim in Rockhampton after they have appeared in Townsville. With such enthusiasm in Townsville as at present, swimming should go ahead in the northern city. With the coming of the team of Japanese swimmers next season, the Q.A.S.A are endeavouring to be allowed to have the visitors to commence their Australian tour in Townsville as Takaishi and Saitoh did. If they are successful, a big bonus should set in, in northern swimming world.

CHAMPIONS TO BE RECOGNISED

The Valley Club has decided to recognise the brilliant performances during the swimming championships of two of the Club's members, Reg Grier and Tom Boast, by tendering to them a complimentary social in the Mowbray Park L S Club Rooms, 39 Adelaide Street, on Friday night at 8 o'clock. A cordial invitation is extended to all swimming enthusiasts to be present and show their appreciation of the splendid performances of these two great sports who assisted in bringing the Kieran Shield to Queensland this season, and as the price of admission is reasonable, there should be a large attendance.

AMBULANCE CARNIVAL AT BEAUDESERT

Arrangements have been made to hold an aquatic carnival and motor sports in the Logan River and Ilbopan Reserve next Saturday afternoon, proceeds to go to the Beaudesert Branch of the Queensland Ambulance Transport Brigade. The Q.A.S.A is to assist in this carnival and Reg Grier and Tom Boast, Australian champions, will compete. Any other Brisbane swimmers or divers who are available should be present and assist in such a worthy project.

EMPIRE GAMES TEAM

In the course of a few days the selections for the swimming section of the Games team should be made known by the Selectors, Messrs J.Taylor (NSW), H.A.Bennett (Vic) and E.J.Goodwin (Qld). The swimmers whose names have been recommended by the respective State Associations are - Messrs Reg Grier and Axel Suosaari (nominated by both Victoria and Queensland), Tom Boast (by Queensland), N.Ryan, O.Griffiths, M.Christie, W.Cameron, F.McCure, Bonnie Mealing, Jean Cocks, and Edna Davey (by New South Wales).

ENCOURAGEMENT OF SWIMMING

With the object of encouraging future swimmers for representative honours, the following Notice of Motion will be discussed at the April meeting of the Q.A.S.A. " That at least one open handicap of at least 100 yards distance be included in the programme in future at all Interclub carnivals under the auspices of the Queensland Amateur Swimming Association." It is hoped that all Clubs and Centres will instruct their delegates to vote in favour of the motion as it will be for the betterment of swimming in general in Queensland, and would be of incalculable benefit to the Association in their task of developing to the utmost the latent talent which exists in the ranks of our Queensland swimmers. In this State the main event in Clubs carnivals is 50 yards, and in my opinion the distance is the most favourable on account of the large number of entries received. The action of the mover and seconder, Messrs J.Griffiths

and E.J.Goodwin, in putting the interests of the sport before pecuniary benefits, is worthy of commendation. It is pleasant to note that such a brilliant all-round swimmer such as Reg Grier has never competed in a 50 yards event, as he contends it interferes with his training for 100 and 220 yards events.

CHALLENGE CARNIVAL
L.JOUBERT EQUALS QUEENSLAND RECORD

Miss L.Vening's Queensland record of 29 $\frac{3}{5}$ seconds for the 50 yards dash was equalled by Miss Leslie Joubert of Lismore at the special Challenge Carnival between the Lismore and City Pastime Swimming Clubs held on Saturday evening in the Davies Park Baths, West End.

Miss Joubert, who is well known in southern swimming circles, was not extended to beat two of her club mates, and could quite possibly have broken the record by at least a second.

Another stirring performance was the winning of the Ladies Invitation Handicap by Miss D.Storey of the Sandgate Club from the 19 seconds mark. The swimming was of a high standard and there was noticeable excitement, as it was not until the eleventh event when the 15 year old boy from Lismore, Len Carroll, defeated J.Joubert (Lismore) and Ed Bonis (CP) by 15 yards, that the visitors secured the lead on points. The final points resulted - Lismore 52, City Pastime 41. The City Pastime Club is to be congratulated on the venture, as it is events like this that bring Club swimmers before the public gaze. The Challenge Cup will be competed for in 1931 and 1932 between these Clubs.

The officials responsible for the smooth running of the long programme were - Referee Mr J.Hiron; Judges, Messrs J.Hiron, E.J.Goodwin, J.Robinson; Starter, Mr D.Harrower; Check Starter, Mr H.Budd; Time-keepers, Messrs E.Copley, H.Day, A.C.Joubert (L); Diving Judges, Messrs J.Hiron, N.Burn, E.J.Goodwin; Result & Recording Steward, Mr N.Burn; Clerks of Course, Messrs J.Dunn, W.Richards.

The prizes won by various members of the City Pastime Club during the season were presented at a dinner held at the conclusion of the swimming programme.

Results -

Senior Challenge Cup Scratch Race 100 yards - W.Shanahan (CP) 1, K.Gilbert (CP) 2, E.Bonis (CP) 3. Time 63 secs

Ladies Challenge Scratch Race 100 yards - Misses L.Joubert (L) 1, L.Hook (L) 2, E.Warneke (CP) 3. Time 73 $\frac{3}{5}$ secs

Junior Challenge Scratch Race 100 yards - T.Robinson (CP) 1, R.Stafford (L) 2, A.Crane (L) 3 Time 65 $\frac{4}{5}$ secs

Men's Challenge Relay Race (teams of four, each to swim 50 yards) - C.P (J.Robinson, E.Bonis, J.Smith, E.Kirk) 1, Lis (R.Stafford, A.Crane, G.Ellis, L.Amos) 2 Time 1.52. The Lismore team led at the start, but the C.P.team overhauled them and won by about two yards.

Ladies Challenge Relay Race 200 yards - Lis (Misses W.Windsor, C.Lambert, B.Balzer, L.Hook) 1, CP (Misses D.Mann, F.Lorey, J.Hodda, A.McDonald) 2. Lismore opened up a lead and increased it each length, winning by nearly 30 yards.

Junior Challenge Scratch Race 50 yards - T.Robinson (CP) 1, L.McCallum (CP) 2, R.Stafford (L) 3. Time 29 secs

Senior Challenge Scratch Race 50 yards - L.Carroll (L) 1, E.Gilbert (CP) 2, W.Shanahan (CP) 3 Time 27 $\frac{2}{5}$ secs

Ladies Challenge Scratch Race 50 yards - Misses L.Joubert (L) 1, L.Hook (L) 2, B.Balzer (L) 3, Time 29 $\frac{3}{5}$ secs (Equal Qld record)

Men's Neat Dive - J.Conlon (CP) 1, W.McLeish (L) 2, J.Robinson (CP) 3.

Ladies Invitation Handicap 100 yards - D.Storey (S'gate) 1, N.Windsor (L) 2, L.Hook (L) 3

Men's Invitation Scratch Race 440 yards - L.Carroll (L) 1, J.Joubert (L) 2, E.Bonis (CP) 3. Time 5.39. Bonis led for the first five lengths with Carroll second. From the sixth lap Carroll gradually pulled away and won by about 15 yards. J.Joubert, who is only 15 years of age and who had been swimming just behind the leaders, put on a spurt of speed and managed to beat Bonis to the touch.

Ladies Challenge Neat Dive - L.Hook (L) 1, C.Lambert (L) 2, E.Warneke (CP) 3
Mixed Brace Relay Race - Lis (Miss L.Joubert & E.Amos) 1, C.P (Miss E.Warneke & E.Bonis) 2
C.P Novice Handicap 50 yards - J.Foggitt 1, W.Friis 2, K.Kenny 3
Grand Challenge Relay Race - C.P 1, L 2.

A water polo match between the City Pastime Club and the Lismore Club at the conclusion of the programme was won by C.P Club by 2 goals to 1.

(On 2/4/1930 "Breaststroke" commented "In W.Shanahan, Tom Robertson and "Snowy" Conlon, the metropolitan Club has three swimmers who are capable of holding their own in the best of company. Conlon, in the writer's opinion, is equal to any Queensland diver, and it is a pity he has not been seen in competition before now. L.Carroll, the 14 year old schoolboy, showed great promise in defeating his club mate J.Joubert, and Ed Bonis, and his time of 5.59 compares favourably with Andrew ("Boy") Charlton's 5.45 at 14 years, and Noel Ryan's 5.49 2/5 at 16 years.)

LORRAINE STREETER WINS

Three competitors took the boards for the for the 100 yards Ladies Breast Stroke Championship of Queensland at the Municipal Baths on Monday night. The finish saw Lorraine Streeter (V) defeat M.W.Smith (S'gate) by two yards, with Dorrie Cooper (O) a yard further back. Time 1.32 1/5.

In an attempt to lower Miss Josie Sheidow's Australian record for the 100 metres Breast Stroke of 1.40 2/5, Miss Streeter failed by 2 2/5 secs.

BATHS AWANTED AT KELVIN GROVE

During my recent visit to Melbourne I had the pleasure of visiting the various centres in their "learn to swim" campaign, and after being supplied with the necessary information by the campaign Director, and Frank Beaurepaire President of the campaign, I decided to try to arrange a drive on the same principle in Queensland later in the year. Already I have received promise of support from prominent swimmers in this city and others to assist.

It is to be hoped the interest in swimming created by the campaign, together with hard work put in by the Hon Committee in the district, will hasten the day when baths will be built at Kelvin Grove and other outlying districts so as to benefit the children from the schools and others who wish to indulge in the healthiest and best of sports. I would like to see every school have its swimming club and the elder scholars acting as instructors.

LADIES STATE DIVING CHAMPIONSHIPS

The above event was held in conjunction with the State Primary Schools carnival at the Municipal Baths on Saturday afternoon. Of the four entrants, Misses H.Beardmore, P.Lyons, V.Barr, and E.Warneke, only the first three took the board.

All went well until the third compulsory dive (standing forward somersault) when Miss Beardmore and Miss Barr refused to attempt the dive. Miss P.Lyons, with the event at her mercy, carried on until the sixth compulsory dive (standing and half forward somersault) when she also refused to dive. Without hesitation the Referee, Mr D.S.Carter, rightly declared "No contest".

In the Men's State Diving Championships recently, a competitor forfeited his chance of being placed for the same reason - refusing to do a compulsory dive.

One of the competitors on Saturday said her action was due to a misunderstanding, but such should not be the case as the six compulsory dives on the programme must be completed. In the writer's opinion, the dives (compulsory) set down by the Queensland Ladies Amateur Swimming Association were too severe for the lady divers who entered, but despite the fact this had been pointed out, it was decided to go ahead with the contest. It is to be hoped for the good of the girls diving in this State, an easier set will be placed on the programme until the ladies become more proficient.

A letter was received from Bruce MacDonald, Hon Secretary of the N.S.W.A.S.A, congratulating Queensland on their fine achievement in winning the Kieran Shield, and saying the team was possibly one of the finest swimming teams that exists in any part of the world. This coming from a State which held supremacy in the swimming world for over 30 years is gratifying to Queensland.

EMPIRE GAMES - AUSTRALIAN TEAM
SELECTIONS ANNOUNCED

Sydney Apr 4

The Australian Olympic Federation met tonight to select a team to represent Australia at the British Empire Games at Hamilton, Ontario, Canada, in August next.

The team is as follows - H.R.Pearce (sculling), J.A.Carlton (100m and 200m flat running), H.A.Bascombe (400m flat running), Noel Ryan (400m and 1500m free style swimming), W.Cameron (100m free style and 100m back stroke), D.C.Gallagher (middle and light heavyweight boxing).

Pearce, Ryan, and Carlton are New South Wales athletes. Cameron was formerly from New Zealand, but is now living in New South Wales. Bascombe and Gallagher are Victorians. Ryan is 18 years of age and is considered the best swimmer since Andrew ("Boy") Charlton was in his prime. Mr H.R.Weir was appointed Manager of the team, and Mr Harvey Faragher was appointed coach and trainer.

SOME SURPRISES

The selection of Pearce, Carlton, and Ryan, had been expected, but the choice of the others caused some surprise. The President of the Australian Swimming Union, Mr J.Taylor, protested against the selection of Cameron as he was a New Zealander, but the objection was over-ruled by the Chairman, Mr E.S.Marks, who said the selectors had the power to over-rule the order of preference by any Union in the names submitted. There were forty names submitted by the various bodies in the different States. The list was reduced to six. The selection was unanimously endorsed. As was expected, no women were included in the team. The selectors were, Messrs R.Coombes (athletics), B.Macdonald (swimming), Scott and Alderson, all of New South Wales. The Manager, Mr Weir, is the Secretary of the Victorian Amateur Athletic Association, and the coach-trainer is also of Melbourne.

Q.A.S.A COUNCIL MEETING

Nine Clubs were represented at the last Council meeting of the Queensland Amateur Swimming Association held at the Y.M.C.A Rooms last evening, when it was announced that the Kieran Shield recently won by Queensland for the first time for a number of years would, with the consent of the municipal authorities, be placed in the new City Hall.

On an invitation from the Ladies Association to members of the Q.A.S.A to attend an informal function of welcome to the southern lady swimmers next week, it was decided that the President, Secretary, and Chairman represent the Association at the function.

The Treasurer's statement disclosed a balance of £12/17/6, and it was decided that the Clubs concerned be circulated to meet their affiliation fees. It was further resolved that in future, fees be also paid on the appearance of diving troupes at carnivals.

To increase the standard of sport here, it was suggested that Clubs should put on more distance events in their programmes, and it was resolved that it should be compulsory to have at least one open handicap of not less than 100 yards in all future interclub carnivals.

A personal application was received from Austin McShane to attempt the Australian 100 metres Breast Stroke record at the Ithaca Baths on Thursday next at 9 o'clock.

100 METRES BREAST STROKE
SCHOOLGIRL LOWERS AUSTRALIAN RECORD

The fifteen year old schoolgirl, Lorraine Streeter, lowered the 100 metres breast stroke Australian record when she made an attempt at the Ithaca Baths last night. Her time was 1.39 $\frac{3}{5}$, which was $\frac{4}{5}$ better than the record of 1.40 $\frac{2}{5}$ created by Miss Josie Sheidow (NSW) at the Manly Baths, Sydney, on 14 January last. She was accorded a great ovation by the crowd of Club swimmers and enthusiasts of the Otter Ladies Swimming Club who held their "breaking-up" swim at the baths.

The 150 yards Teams Relay Championship of Queensland was won by the Valley team (holders) by about eight yards from Sandgate, with Otter three yards away, third. The Otter team was unfortunate in that two of their best swimmers in Lily Campbell and Jessie Smith were unable to swim owing to serious illness, and Miss D.Culshaw, one of the Juniors, filled the third vacancy. Miss Lily Venning (Otter) swam a remarkable race. She was credited (unofficially) in having swum the 50 yards in 28 seconds which is the best time recorded in Queensland.

The 50 yards Junior Club Championship went to Miss O.Miles, the 100 yards Breast Stroke Club Championship to Miss D.Cooper, and the 100 yards Senior Club Championship to Miss L.Venning.

The officials for the Championship events were - Judges, Messrs E.Goodwin, N.Burn, V.Hartley; Referee, Mr J.Hiron; Starter, Mr R.Hodge; Timekeepers, Miss M.Springfield, Messrs J.L.Whittington, F.Springfield, J.Hiron. The officials for the Club events were - Judges, Messrs G.Bryant, V.Hartley; Handicapper Miss L.Nicholls; Starter, Mrs C.Biddle; Secretary, Miss L.Venning.

Details -

150 yards Teams Relay Championship of Queensland - Valley (Misses Enid Middleton, Grace Browne, Evelyn Middleton) 1, Sandgate (Misses D.Storey, M.Clayton, P.Smith) 2, Otter (Misses D.Culshaw, D.Cooper, L.Venning) 3. Time 1.36 $\frac{4}{5}$

EMPIRE GAMES - SELECTION OF SWIMMERS
QUEENSLAND'S CLAIMS IGNORED

No greater insult could have been given to Australian swimmers and the Australian Swimming Union than when Bill Cameron of New Zealand, a new arrival in New South Wales, was selected to represent Australia in preference to those swimmers sent in by the selectors of the A.S.U.

At the annual Conference held in Hobart in February last, the following were elected selectors for the swimming section of the Australian team for the Empire Games, Messrs Jas Taylor (President of the A.S.U and N.S.W.A.S.A.), H.A.Bennett (President V.A.S.A), and E.J.Goodwin (Secretary Q.A.S.A). It was a unanimous choice.

After a great deal of time comparing times etc, they forwarded to the Empire Games Committee the following names to represent Australia, in the order given, Messrs Reg Grier (Qld), Noel Ryan (NSW), A.Suosaari (Qld), and Miss Bonnie Mealing (NSW). When these were placed before the E.G.C. comprising Messrs Coombes, MacDonald, W.Scott and Alderson, all of New South Wales, the order of swimmers was changed. The two swimmers selected are Noel Ryan (400m and 1500m free Style) and Bill Cameron (100m free style and 100m back stroke).

The swimming representative on the Games Committee, Bruce MacDonald, (Hon Secretary of the N.S.W.A.S.A) was instructed by the A.S.U. selectors that Grier and Ryan were the two first in order named, yet I am given to understand he defied the Union and selected Cameron who is not eligible to represent Australia owing to not having the six months residential qualifications.

Already telegrams of protest have been forwarded by the A.S.U to the Empire Games Committee emphatically protesting against such an insult to our Australian swimmers.

COMPARISON OF TIMES

"Crawl Stroke" writing in the Sydney "Referee" classes Grier as the speediest freestyle swimmer that Australia has known up to 220 yards - I am sure all unbiased critics will re-echo that opinion. I am giving the fastest times (official) of the five men swimmers who were considered for the team so readers may appreciate the injustice done to our Australian champion - Here they are - Reg Grier, 100 yards Back Stroke 71 $\frac{2}{5}$, 100 yards free style 54 $\frac{2}{5}$, 220 yards free style 2.24, 440 yards free style 5.27 $\frac{1}{5}$, 1500 metres no performance. Noel Ryan (NSW) no performance, no official times (but he can do about 66 secs), 2.38 $\frac{3}{5}$, 5.21 $\frac{4}{5}$, 21.44 $\frac{4}{5}$. Axel Suosaari, 71 $\frac{1}{5}$, 55, 2.32, no performance, no performance. Tom Boast, 67 $\frac{2}{5}$, 56, 2.30, no performance, no performance. Bill Cameron (NZ) 68, 65 $\frac{3}{5}$, no performance, no performance, no performance. Reg Grier holds the Australian record for 150 yards free style, and his 220 yards time is only 1 $\frac{1}{5}$ seconds slower than "Boy" Charlton's best for the distance.

Cameron only arrived in Sydney on the Morana on 6 January 1930, and had not resided in Australia the required six months which he was required to do to have residential qualifications. At the Australian Olympic Federation meeting in Sydney last night, when the names of the selected members were announced, Mr J.Taylor (President of the A.S.U), strongly protested against the selection of Cameron as he was a New Zealander, but his objection was over-ruled by the Chairman, Mr E.S.Marks.

A PARALLEL CASE

A case such as Cameron's happened recently at the Australian Athletic Championships held in Melbourne last January, when A.Bronder, an American javelin champion, entered for the Australian Javelin Championships, but owing to not having the Australian residential qualifications of six months in Tasmania, he was debarred from representing that State, and was only allowed to compete as a representative of the U.S.A, and was not allowed to hold the Australian Championship. The ruling was given by the A.A.A Union of which Mr E.S.Marks is the Hon Secretary.

The last has not been heard of this case yet, because if justice is not done to Grier by the Empire Games Committee, the Canadian authorities will be cabled notifying them that Cameron does not hold the required qualification.

The ruthless ignoring of Geo Golding and "Tickle" Whyte's most brilliant achievements, and the absolute exclusion of our girl champions Bonnie Mealing, Jean Cocks, Clarice Kennedy, and Chrissie Dahn, also points to the unfitness of those concerned to select Australia's best.

LESLIE JOUBERT'S TIME

At the Challenge Carnival held at Davies Park, Leslie Joubert the Lismore swimmer swam the 50 yards in 29 $\frac{2}{5}$ seconds, which it was announced equalled Lily Venning's Queensland record for the distance. During the week a contemporary newspaper took me to task for publishing this, and announced that Lily Venning's time was 25 $\frac{1}{5}$ seconds. On looking up my list of records I find the official records are as follows World's, Miss Eleanor Garatti (USA) 27 secs; Australian, Miss Dulcie Raine (NSW) 28 $\frac{4}{5}$ on 18 March 1929; Queensland, Miss Lily Venning 29 $\frac{4}{5}$ seconds, Ithaca Baths, 19 March 1929. The fastest time to a Queensland swimmer to January last was 25 $\frac{3}{5}$ seconds By Axel Suosaari and Tom Boast. Despite the high opinion I have of Miss Venning as a swimmer, I do not think she is able to do $\frac{2}{5}$ second faster than either of these two

champions.

Tomorrow morning Australian champions Viola Jean Cocks and Edna Davey, accompanied by Mrs W.Chambers as chaperone, will arrive in Brisbane by the Canberra. During their short sojourn in Brisbane they will be entertained by the Council of the Q.L.A.S.A at a dinner to be held at the Hotel Canberra tomorrow night. Miss Cocks and Miss Davey are Australia's outstanding lady swimmers. The former, who celebrated her fifteenth birthday during the Australian Championship Carnival in Hobart recently, established a world's record when only thirteen years of age. She is the present holder of Australian records for 100 yards, 100 metres, 150 yards, 200 metres, 300 metres and 400 metres. Miss Davey is the 440 yards Australian champion and holder of Australian records over 220 yards, 300 yards, 500 metres, 880 yards, 1000 metres, 1320 yards and 1 mile.

The chaperone, Mrs W.Chambers, is Hon Secretary of the N.S.W Ladies A.S.A and holds the Australian record for length of service as Secretary of an amateur organisation. She was elected Assistant Hon Secretary in 1907, Hon Secretary in 1910, and has filled the position continuously up to the present. Tomorrow night Austin McShane (Christian Brothers) will make an attempt to lower the Australian Breast Stroke record for 100 metres of 1.26 2/5, at present held by Frank McCure, New South Wales and Australian champion.

RECORD BROKEN
100 METRES BREAST STROKE
MC SHANE MAKES NEW AUSTRALIAN FIGURES

Swimming at the Ithaca Baths last night, Austin McShane of the Christian Brothers Old Boys Club broke the Australian 100 metres Breast Stroke record, his time being 1.26. The old record of 1.26 2/5 was established by Frank McCure on 18 February 1929 at the Manly Baths, Sydney. Last night at the breaking-up swim of the Christian Brothers Club McShane made an attempt on the figures.

The Q.A.S.A officials who supervised the swim included - Starter, Mr J.L.Whittington; Referee, Mr J.Hiron; Judges, Messrs M.O'Connell, N.Burn, E.J.Goodwin; Timekeepers, Mrs W.Chambers, Messrs A.Casey, E.J.Goodwin; Clerks of Course, Messrs B.Campbell, T.McGovern.

McShane started at a fast rate and kept an even speed throughout the 100 metres, and the announcement that he had clipped 2/5 second off the record was greeted enthusiastically by the small crowd present. McShane was formerly the Nudgee College champion.

("Breaststroke" comments -" From 1919 to 1926 Queensland was supreme in the breast stroke style of swimming, but with the retirement of Joe Suosaari and E.S (Lad) Collin, Queensland was left without one capable of measuring strokes with the champions of other States. McShane's entry into the record breaking class was what this State was looking for so as to retain possession of the Kieran Shield. McShane looks like winning the title which will be decided in Brisbane next January.

Lauraine Streeter's success in breaking the record for ladies 100 metres breast stroke was outstanding, especially as she had been confined to bed the previous week, and started the race with a bad "take-off". She is a worthy successor to Australian champion and Olympic representative, Mrs Reg Grier (Miss Dorrie Thompson).")

Interested spectators were Mrs W.Chambers (Secretary of the New South Wales Swimming Club), and Misses Edna Davey and Jean Cocks, New South Wales swimming champions. Later the two girls entered the water and indulged in practice swimming. They will leave Brisbane today in continuance of their northern tour.

CHRISTIAN BROTHERS GALA

At the Christian Brothers Gala night last Thursday, Hubie Day won the final of the 100 yards Free Style Championship from Joe Venning and Clive Hartley, the 75 yards Junior Championship going to N.Pateman from D.Campbell and

V.O'Brien. In the 50 yards A Grade Schoolboys Champion-ship, W.Conden, C.Plint, and W.Prentice, filled the places, whilst N.Goodwin won the 25 yards B Schoolboys Championship from W.Beasley.

The Diving Championships were won by C.Plint (Junior) and Joe Venning (Senior).

EMPIRE GAMES SELECTION

Mr A.W.B.Fawcett, Hon Secretary of the Australian Swimming Union, commenting on the selection in the Empire Games team of a New Zealander, Bill Cameron, in preference to Australian champions Reg Grier, Axel Suosaari, Frank McCure, and Tom Boast for the Empire Games says, "The names submitted by the selectors of the Australian Swimming Union and handed over to Messrs MacDonald and Eve to lay before the Selection Committee were those of Reg Grier, Noel Ryan, Axel Suosaari, and Bonnie Mealing, to be selected in the order named. Despite this fact, Mr MacDonald, who was swimming representative on the committee, disobeyed his instructions. No swimmer can compete without the sanction of the A.S.U, and if any one other than Grier and Ryan is sent, we will immediately instruct the Canadian officials not to accept the entry."

OTTER LADIES CLUB

The Annual Meeting of the Otter Ladies Amateur Swimming Club was held in the Ithaca Baths last evening. There was a large attendance of members present.

The Annual Report, submitted by the Hon Secretary, Miss L.Venning, stated that the last season had been very successful. The Club was represented in all the Queensland Championships, Miss Venning retaining the 50 yards, 100 yards Free Style, and the 100 yards Back Stroke Championships of Queensland. Thanks were extended to Miss L.Venning and to Miss D.Cooper for splendid assistance given to junior members of the Club, to Miss L.Nichols who carried out the duties of Handicapper during the season, and to Mrs C.Biddle who acted at every Club night as Starter.

The Treasurer's Report showed a substantial Credit Balance.

The resignation of the Hon Secretary, Miss L.Venning, was accepted with regret.

ELECTION OF OFFICIALS

The election of officers resulted - Patroness, Miss L.C.McGregor; President, Mrs R.McGregor; Hon Secretary, Miss L.Nichols; Hon Treasurer, Mrs C.Biddle; Committee, Mesdames McGregor, Biddle, Cobb, Myles, and Mr Bryant, Misses L.Venning, L.Nichols, M.Hartley, E.Fraser, D.Cooper, G.Bryan, T.Myles, D.Culshaw; Handicapper, Mrs C.Biddle; Assistant Handi-capper, Mrs J.McGregor-Lowndes; Starter, Mrs C.Biddle; Press Correspond-ent, Mrs J.McGregor-Lowndes; Delegates to Queensland Ladies Amateur Swimming Association, Mrs R.McGregor, Misses L.Venning and S.Bryant.

The first swim of the season was fixed for September 30 at the Ithaca Baths.

B.C. Thursday 18 September 1930

SANDGATE CLUB

A record year was indicated in the Report of the Sandgate Amateur Swimming Club presented to the Sixth Annual Meeting on Tuesday night. Mr J.A.Moss, President, occupied the Chair.

The Statement of the Treasurer, Mr N.Sheridan, showed a Credit Balance of £24/13/1 after handling a total amount of £219/16/4. The assets exceeded the liabilities by £102/10/9.

A membership of 124 was recorded owing to an increase of 31 from the previous season. The total number of trophies distributed was 171.

As a result of long and merited service, Messrs J.A.Moss (President) and T.Middleton (Captain) were elected Life Members. The Hon Secretary, Mr J.R.Hutchison, was also made the recipient of a present as a mark of appreciation or his services.

The election of officers resulted - Patron, Alderman W.F.Schulz; President, Mr J.A.Moss; Life Members, Messrs J.A.Moss, T.Middleton; Hon Secretary, Mr J.R.Hutchison; Hon Treasurer, Mr W.J.Sheridan; Hon Assistant Secretary, Mr H.W.J.Humble; Ladies Secretary, Miss M.Jennings; Judges, Messrs T.Saunders, M.Miles, N.Best; Executive Committee, Mesdames M.Clayton, R.Smith, C.Hinton, Messrs J.B.Stanton, T.Middleton, M.Leahy, R.Bowser, N.Best; Trustees, Messrs J.A.Moss, T.Middleton; Hon Auditors, Messrs E.Bowser, T.Middleton.

LADIES COMMERCIAL CLUB

A very successful season was reported at the Annual Meeting of the Ladies Commercial Amateur Swimming Club last evening. The Report stated that the

membership was now 41 compared with 50 last year. 24 weekly swims were held and an average of 10 girls attended each swim. The various carnivals had not proved very successful financially owing to poor attendances.

In moving the adoption of the Report, the President, Mrs A.Podmore, congratulated the winners of the various trophies, and hoped that every member would endeavour to enroll a new member.

The election of officers resulted - President, Mrs A.Podmore; Secretary, Mrs D.C.Howard; Treasurer, Miss D.McKinney; Handicapper, Mrs S.H.Newman; Seniors Captain, Miss P.Woodful; Seniors Vice Captain, Mrs S.H.Springfield; Juniors Captain, Miss A.Ryan, Juniors Vice Captain, Miss L.Carrington; Committee, Mrs T.H.Thone, Misses W.White, G.Shelley, L.Thone, M.Ogg, F.Fleming; Assistant Secretary, Mrs Springfield; Delegates to Q.L.A.S.A, Mesdames Howard, Newman, and Miss D.McKinney.

It was decided to hold the first swim on October 6.

B.C. Wednesday 24 September 1930

VALLEY LADIES

The Annual Meeting of the Valley Ladies Amateur Swimming Club was held at the Municipal Baths last evening, there being a good attendance.

The 26th Annual Report was submitted by Mrs E.Middleton which stated that the Club had a most successful season. The membership totalled 44, which comprised 25 seniors and 19 juniors. Votes of thanks were tendered to Mrs E.Middleton, the retiring Hon Secretary, Mrs K.McKay, Misses E.Thurlow, and Enid Middleton for their splendid services during the past season. The Treasurer's Report showed a Credit Balance of £11/6/6.

CITY PASTIME CLUB

The Annual Meeting of the City Pastime Amateur Swimming Club was held last night at St Luke's Hall. A very satisfactory membership and financial balance were reported by the Hon Secretary. No less than 34 boys had joined up with the Club in addition to 26 lady members, and the attendance at the weekly swims was excellent. The outlay for the season was very heavy, but a Credit Balance of 16/121/5 was reported, the total expenditure being 208/2/1. Special mention in the Report was made of the work of the Social Committee which had been formed at the end of the last season. It was responsible for a large amount of revenue for the Club.

ELECTION OF OFFICIALS

The following officers were elected for the coming season - Patron, W.F.B.Miles; Vice Patrons, Messrs McCallum and C.Kahler; President, Mr P.K.Copley; Hon Secretary and Treasurer, Mr J.Montgomery; Assistant Secretary, Mr W.Gadsby; Delegates to Q.A.S.A, Messrs E.Bonis, C.Kahler, A.Robinson; Delegates to Q.L.A.S.A, Mesdames McCosker, Day, Hodgson, and Miss Campbell; Starter, Mr D.Harrower: Ladies Section - President, Mrs H.McCosker; Hon Secretary, Miss C.Campbell.

VALLEY SWIMMERS ANNUAL MEETING HELD

Dissatisfaction with the omission of Reg Grier from the Empiad team which visited Canada this year was expressed by Mr D.S.Carter at the Valley Swimming Club's Annual Meeting last night. "The preference given to a man who was not residentially qualified to represent Australia reflected no credit on the Selectors," he said.

Mr F.W.Springfield, who occupied the Chair, complimented members on their performances and anticipated further successes for this season.

Australian Championship medals were presented to R.Grier, and he and T.Boast received a pair of gold rings each in recognition of their record performances.

It was announced that the first Club swim would be held next Wednesday.

The Committee elected for the ensuing year is Messrs A.Gilbert, W.Daley, C.H.Cripps, J.Fennelly, V.Stafford, R.Etchells, R.Gibson and R.Canham. Mr F.W.Springfield was re-elected President, and Mr H.J.Kiely Hon Secretary. Mr E.S.Collin was made a new Vice Patron, and the names of Dr N.M.Gutteridge, Messrs E.C.Forrest, and H.McMaster created the list of Vice Presidents. Messrs R.Grier, H.J.Kiely, H.New, W.Burnup, were elected delegates to the Q.A.S.A.

OUTSTANDING YEAR QUEENSLAND AMATEUR SWIMMING ASSOCIATION

The Annual Meeting of the Queensland Amateur Swimming Association which was held last night was largely attended, the President, Mr D.S.Carter, occupying the Chair.

In presenting the Annual Report the President stated that at no time in the history of swimming in Queensland had they been so rich in first class swimmers as they were at present. He made special reference to Reg Grier whom he said was undoubtedly the finest in Australia at the present time. Mention was made of the unfair treatment meted out to Grier by the Empire Games Committee in passing him over as a member of the Australian team to visit Canada in favour of one who was not qualified residentially to represent Australia.

The Annual Report, which was adopted, stated the year was one of unprecedented activity and advancement, which made the season the greatest in the annals of the Association. 36 Clubs and Centres had renewed affiliation, and 2 new Clubs and 3 new Centres were admitted. The Financial Statement showed a deficit on the season's work, due primarily to the financing of the largest team that has ever represented the State at the Australian National Championships, exceeding an expenditure of £223/7/10. With a sum of £178/13/11 brought forward from the previous year, the season concluded with a Credit Balance of £9/14/2, while liabilities exceeded assets by £59/13/1.

ELECTION OF OFFICERS

The election of officers for the ensuing year resulted - Patron, Mr F.W.De Little, President, Mr D.S.Carter; Handicappers, Messrs E.J.Goodwin, J.L.Whittington (Seniors), Mr H.Wrench (Juniors; Auditors, Messrs J.A.Kier, P.F.Merritt; Messrs L.McMenamin and A.McRae were added to the list of Vice Presidents.

In recognition of his many years of service to the Association, Mr J.Hiron was made a Life Member.

In general business, a motion by Mr P.Steggall (from Toowoomba) that it be a recommendation to the incoming Council that the final event of the Australian Championships be held in Toowoomba, was carried.

At the conclusion of the business the medals won during the past year were presented by the President.

AUSTRALIAN CARNIVAL

In respect of the Australian Championships to be held in Queensland next year on three dates, the allocation was referred to a Committee which was instructed to consider the application from Toowoomba that one day's fixtures be held in that Centre. A motion was carried to that effect last night at a meeting of the Council of the Queensland Amateur Swimming Association held in the Y.M.C.A.

The finances of the Association was discussed and a motion was carried that all Clubs must be financial on November 7 of each year, otherwise they would be disqualified. The Chairman of the Council, Mr J.Hiron, who presided, intimated that this decision would be enforced.

December 3 and 5 were allotted to the State and Country Championships to be held in Brisbane. With respect to the interclub events to be held between the Sandgate, Pastime, and Manly Clubs, the following dates were approved - Manly November 18, West End December 11, Sandgate February 25.

The following officers were elected - Hon Secretary, Mr E.J.Goodwin; Hon Treasurer, Mr N.Burn; Official Starter, Mr F.E.Duncliffe; Standard Timekeeper, Mr J.Moylan; Hon Solicitor, Mr E.Simmons; Executive, Messrs F.E.Duncliffe, A.Casey, H.Davis, L.Nissen, J.Stanton.

CHAMPIONS VISIT

Mr Gus Froelich who came to Australia two years ago to compete in Australian Championships, and who has been coaching the schools and clubs in Melbourne, arrived in Brisbane from the north yesterday. Mr Froelich spent three weeks there and intends to stay in Brisbane for about four weeks during which time he will coach Clubs and schools before proceeding to Melbourne to resume his duties there. Mr Froelich came to Australia with Arne Borg, and during his stay here gave swimming demonstrations, imparting the experience he had gained in all parts of the world. He was urged to return to Australia as a coach by the Victorian Swimming Association and Melbourne Colleges. He was European 100 yards back stroke champion from 1923 to 1928 and also record holder for the distance until recently when his time was beaten by the American, Kojak. From 1922 to 1925 Mr Froelich was European champion for 100 yards free style. This year he intended touring Australia with Johnny Weismuller, but owing to Weismuller having to go to Florida, the trip has had to be postponed until next year. During his stay in Brisbane, Mr Froelich will give swimming demonstrations at the Valley Baths.

RELAY COMPETITION

A new fixture for swimmers was arranged last night when delegates from the metropolitan Clubs held a special meeting and decided to hold a handicap teams relay competition during the season, for a Shield to be presented by the Q.A.S.A.

Clubs represented at the meeting were Toowong, Christian Brothers, Sandgate, Commercial, City Pastime, Manly, Valley, and Federal, and others present were the Treasurer of the Q.A.S.A, Mr N.Burn, and the Secretary, Mr E.J.Goodwin. Nominations for the competition close on November 7 and the series will start almost immediately after. Teams will be limited to eight swimmers, and each competitor will be required to swim the length of the baths in which the race is being held. The winning team will receive 4 points, second 3 points, third 2 points and every other team competing, 1 point. In the programme drawn up the first race is set down for November 12 in the Valley Baths. Commercial Club will conduct the event on November 25, Manly on December 9, Sandgate on December 17, Federal on January 5, City Pastime on January 15, Toowong February 3, and Christian Brothers on February 13.

CHAMPIONSHIP EVENTS

The Tasmanian Association has already sent word that the island State will be represented at the National carnival in Brisbane by a team of two men and two women, and it is expected that all of the prominent swimmers in Victoria and New South Wales will compete.

Owing to the amount of registration fees unpaid by various Clubs, the Executive has authority to go to the Secretary and compare all membership books for the 1929-30 Season. It was stated that some of the outstanding dues were over £10.

Permission was given to the Valley Ladies Swimming Club to hold a 100 metres Q.A.S.A Handicap race at their carnival on December 10.

THE NATIONAL AND STATE CHAMPIONSHIPS

Use of the Wickham Street Baths for the State and Country Championships on December 1,3, and 5, and for the Australian National Champion-ships on January 21,24, and 27, was approved by the Health Committee of the Brisbane City Council. Application for the dates was made by the Queensland Amateur Swimming Association.

B.C. Saturday 8 November 1930

Q.A.S.A COUNCIL MEETING

The request that one of the Australian Championship events be decided in Toowoomba was considered by delegates at the meeting of the Council of the Q.A.S.A last night. A Toowoomba representative attended, and he was informed the question would be deferred until further details were made available.

In connection with the State Championships, arrangements were made for the Ladies Association to conduct its own events next year. They will be held on the night of January 27.

It was decided to place a levy of sixpence on every member of an affiliated Club for the Olympic Representatives Fund.

There was unanimous support for the motion by Mr R.Grier that the Secretary be asked to communicate with other sporting bodies and arrange for the sale of tickets for forthcoming championship meetings. The Q.A.S.A would reciprocate by supporting any of their functions. A Valley representative moved that each swimming Club be compelled to guarantee a sale for a percentage of the tickets printed.

STATE TITLES
SWIMMERS PREPARING
BARRASS TO REAPPEAR

Swimming enthusiasts will see a feast at the Valley Baths on December 1 and 3 when the State and Country Championships will be decided. At present, swimmers all over the State are in a critical period of preparation, and by the time the Championships commence, should have worked up to their best form. Toowoomba has already intimated that it will be sending a team to compete in the Country Flying Squadron and Junior Flying Squadron Championships, also representatives for the individual championships. Entries close on Wednesday next, November 26.

Another metropolitan Club, the Shell Amateur Swimming Club, has decided to enter a team in the Q.A.S.A interclub competition.

In an endeavour to assist New South Wales to wrest the Kieran Shield from Queensland next January, ex-Australian diving champion, Clive Barrass, is to make a reappearance in competitive diving this season. An injury to his ears some seasons ago forced Clive into retirement. Barrass was one of Australia's best exponents of diving, and if he is up to his best form, he may win one of this season's titles.

On Saturday last at the Domain Baths, Sydney, Cecil Light, Frank Doyle, A.Childs, H.Boag, H.Baret took part in different events to record 56, 56 1/10, 57 3/5, 58, and 59 seconds respectively, the time for the five being 4.56 7/10. This time was claimed by "Trudgeon", a southern contemporary to be the best by any five in Australia, but in the 100 yards free style championships in Queensland in January 1929, the times recorded were Axel Suosaari 55 1/5, Reg Grier 55 2/5, Tom Boast 55 3/5, K.Forster 58 1/5, Gordon Costorphan 58 1/5, a performance of 4.53 2/5, exactly 3 2/5 seconds faster than the southern swimmers.

SHIELD COMPETITIONS AT MANLY

A record crowd witnessed the first of the triangular 1930-31 interclub Shield competitions held in the Manly Baths last night under the auspices of the Q.A.S.A and the Q.L.A.S.A, the Manly Club conducting a curtain-raiser by staging two school grade 30 yards races. The Interclub programme resulted in some exciting finishes. Reg Kimlin, the Manly champion schoolboy, won the 66 yards Junior event by three yards, and with the assistance of C.Germain he won the Junior Relay Race for Manly by four yards. City Pastime Senior won the relay race by a margin of 24 yards. Points for the aggregate were as follows - City Pastime 29, Manly 24, Sandgate 19.

B.C. Saturday 22 November 1930

CHAMPIONSHIPS FOR TOOWOOMBA

At an Executive meeting of the Queensland Amateur Swimming Association last night it was definitely arranged to hold a session of the forthcoming Australian Championship carnivals at Toowoomba on January 28. This means that the championship events allotted to Queensland will be split up into four meetings, the other three being held in Brisbane on January 21, 24, and 27. Publication of a statement by the Secretary of the New South Wales Swimming Association disputing Queensland's right to hold four meetings was discussed, and reference was made to a new provision within the Rules decided last year's Conference in Hobart. This showed that the State Association conducting the championships was entitled to four meetings. Previous to that the limit had been three.

Permission was granted to the Sandgate Club to hold a 100 yards Interclub Handicap in conjunction with the Interclub Teams Relay Handicap race on the night of December 17.

STATE TITLES - SWIMMERS GET READY

By "Breaststroke"

Queensland will witness a feast of big swimming when the annual Championships of the Queensland Amateur Swimming Association are held in the Municipal Baths on Monday and Wednesday nights, December 1 and 3.

Usually the championships are decided in January, but owing to the Australian National Championships being held in Brisbane and Toowoomba towards the end of January, it was necessary this season to bring forward the State carnival dates.

The programme for the first carnival includes three State Championships - the 220 yards free Style, 440 yards breast stroke, and 250 yards Junior Flying Squadron: three Country Championships - 50 yards Junior, 100 yards, and 500 yards Squadron. There is also the "Barney Kieran" Interclub Handicap and the Open Handicap Dive in which both men and women will participate.

At the second carnival six State Championships will be decided - 100, 440, and 100 yards Junior, free style, 100 yards back stroke, 220 yards breast stroke, and 500 yards Club Flying Squadron, and the handicap will be the 100 yards "Speedo" Interclub Handicap which drew a record entry last season.

NATIONAL TITLES

Advice has been received from the N.S.W.A.S Association that the dates for the first section of the National Championships which will be in Sydney are as follows - January 10 (afternoon), Domain Baths, 440 yards Championship of Australia (men), High and Low Diving Championships of Australia: January 14 (night) Drummoyne Baths, 100 yards Junior Championship of Australia, 220 yards Championship of Australia (men) and the 220 yards Championship of Australia (women): January 17 (night) Coogee Aquarium Baths, 100 yards free style Championship of Australia (women), 100 yards back stroke Championship of Australia (women), 220 yards breast stroke Championship of Australia (women).

B.C. Wednesday 26 November 1930

CHAMPIONSHIP CARNIVALS

Over £75 will be distributed in trophy money at the forthcoming State Championship carnivals in December. The principal event, the 100 yards Free Style Championship of the State will see place getters of the last Australian Championships in action, these being Suosaari, Grier and Boast. Other brilliant sprinters who will try to win this title are Jack Bliss (who won the event a few seasons ago), A.Plumb (Rockhampton), K.Forster, F.R.Vincent, and Gordon Costorphan. In all there are twelve championships to be contested at the two carnivals together with the coveted "Speedo" Cup and the "Kieran Memorial" Interclub Handicap. Tickets may be purchased beforehand from the Hon Secretaries of Clubs or at the Valley Baths.

Q.A.S.A SHIELD

CHRISTIAN BROTHERS WIN SECOND EVENT

The second of the Interclub Teams Relay Points races for the Q.A.S.A Shield was held in the Valley Baths last evening during the Commercial Club's usual swim before a fairly large gallery. Points to date are - Sandgate 7, Commercial 5, Christian Brothers 5, Manly 4.

Results - Christian Brothers 1, Sandgate 2, Commercial 3. Manly lost about ten yards at the beginning through a bad start and never made up the deficiency. Federals took the lead early but could not hold it, Sandgate and Brothers gradually overhauling them. After the fourth lap Sandgate took the lead for a couple of laps but Christian Brothers slowly pulled up and won with about ten yards to spare. Valley A team put on a wonderful spurt but the

distance was too great and they could only finish sixth.

STATE CHAMPIONSHIPS
FIRST CLASS PROGRAMME

The Queensland Amateur Swimming Association's Championships were commenced in the Municipal Baths, Valley, last night when a full strength programme of events was contested. The star performers of the programme were the Suosaari brothers (Maroochydoore). Axel Suosaari won the 220 yards Championship of Queensland in convincing style in the time of 2.34 3/5, and also brilliantly annexed the 100 yards Country Free Style Championship, while his brother, Joe, retained the 440 yards Breast Stroke Championship of Queensland. The 50 yards Junior Country Championship of Queensland was won by P.Ingram who created a record for the event of 28 seconds, defeating the time of 28 1/5 secs established by G.Petersen of Maroochydoore. In the 500 yards Flying Squadron Intercity Championship, the Ipswich team wrested the title from Maroochydoore in an exciting finish between Suosaari and Biggam.

The officials were - Referee, Mr D.S.Carter; Judges, Messrs J.Hiron. A.Casey, Wm Lemass; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Timekeepers, Messrs J.Moylan (standard), F.W.Springfield, Les Nissen, R.H.Bunting; Call Steward, Mr L.Landsbury; Result Steward, Mr J.Kavanagh; Clerks of Course, Messrs J.Montgomery, V.Hartley; Handicappers, Messrs E.J.Goodwin, J.L.Whittington (seniors), H.Wrench (juniors); Assistant Hon Secretary, Mr J.L.Whittington; Hon Treasurer, Mr N.Burn; Hon Secretary, Mr E.J.Goodwin. Results -

30 yards Schoolboys Handicap - J.Foggitt (CP) 1, S.Moore (Nudgee Coll) 2, C.Williams (NC) 3

50 yards Q.L.A.S.A Interclub Handicap - C.N.Middleton (V) 1, S.Rich (V) 2, R.Smith (S'gate) 3

220 yards Free Style Championship of Queensland - A.Suosaari (M'dore) 1, M.Witt (Wide Bay) 2, E.Bonis (CP) 3. A splendid race. Suosaari led practically from start to finish. At the end of the first lap he was five yards ahead of Witt, but the latter made up some of the leeway in the second lap. Suosaari, however, swimming with a swift and clean stroke, drew away from the rest of the field, and apparently with effortless ease, finished nine yards ahead of Witt who was three yards ahead of Bonis. Time 2.34 3/5.

100 yards Country Free Style Championship - Axel Suosaari (M'dore) 1, V.Tremble (Rockhampton) 2, J.Barrett (Rockh) 3. Suosaari and Tremble got away together, but the Maroochydoore champion with a more powerful stroke quickly drew ahead, and at the bottom was about a yard in front. He increased his lead at the turn, and in a brilliant finishing effort won by about four yards in 59 4/5 secs.

100 yards B.B.Kieran Memorial Interclub Handicap - J.Heaton (V) 1, T.Robinson (CP) 2, J.Venning (V) 3. A good race, Heaton winning by a touch only.

50 yards Junior Country Free Style Championship - P.Ingram (Tmba) 1, H.English (M'dore) 2, A.Bissett (Wide Bay) 3. Won easily by about six yards. Winner's time of 28 secs a record for the event.

440 yards Breast Stroke Championship of Queensland - Joe Suosaari (M'dore - holder) 1, A.Parkyn (M'dore) 2, A.M.Smith (V) 3. After 200 yards had been covered Suosaari was about six yards ahead of Smith and Parkyn who were pegging away on even terms three yards ahead of the others. At 300 yards Suosaari was swimming strongly but he lost ground slightly, and in the final lap led by about four yards, and in a strong finish won by about three yards. Winner's time 7.7.

500 yards Flying Squadron (Intercity) Championship - Teams from Maroochydoore

(holders), Toowoomba, and Ipswich entered. In an exciting finish Ipswich beat Maroochydore. The winning team comprised Dickson, Malcolmson, Biggam, Wilson, Muller. Axel Suosaari put up a wonderful effort for Maroochydore, gaining twenty yards on his Ipswich vis-s-vis, Biggam, in the last lap, but Biggam had too big a start and won by about five yards. Time 5.33 2/5.

150 yards Medley Handicap (Back, Breast, Free style) - W.Daley (V) 1, S.Costa (T) 2

250 yards Junior Flying Squadron Championship of Queensland - Teams from Valley (holders), Brisbane Grammar School, and Toowoomba entered - An exciting finish resulted in Toowoomba being placed first and Brisbane Grammar School second. Time 2.31 4/5

Handicap (Open) Dive - back dive off low board, plain dive off middle board, fancy dive own choice - A.Deakin (Nudgee) 1, Miss A.Beardmore (V) 2, T.Long (V) 3.

The Championships will be concluded on Wednesday.

B.C.Wednesday 4 December 1930

STATE AND COUNTRY TITLES FAST TIMES RECORDED

Six title events were decided at the Q.A.S.A championship carnival held in the Valley Baths last evening. The largest attendance at a State carnival in the past two seasons witnessed the cream of Queensland's swimming talent in action, and although no records were made, fast times were recorded.

The 440 yards Free Style Championship unearthed a promising swimmer in M.Witt of Wide Bay, who defeated Axel Suosaari who was expected to win in the absence of Reg Grier, owing to sickness. Tom Boast retained the Back Stroke Championship, winning in characteristic style, and finished ten yards ahead of his opponents, one second behind his own Australian record of 1.7 3/5. J.Kelly (Sandgate) in his first appearance in interclub swimming, gained second place in the 300 yards Interclub Handicap.

4/12/1930 Continued

50 yards Q.L.A.S.A Handicap - B.Smith (S'gate) 1, M.Leach (CP) 2, E.V.Middleton (V) 3

50 yards Junior Interclub Handicap - L.Worfold (V) 1, C.Dascombe (T) 2, A.Bissett (Wide Bay) 3

440 yards Free Style Championship - M.Witt (Wide Bay) 5.42 4/5 1, A.Suosaari (M'dore) 5.49 3/5 2, E.Bonis (CP) 5.51 2/5 3. Suosaari and Witt led the rest to the end of the fourth lap when Witt turned with a slight lead. Swimming strongly, Witt increased his lead with every lap winning by ten yards.

100 yards "Speedo" Interclub Handicap - W.Shanahan (CP) 1, C.Hartley (CB) 2, J.Venning (CB) 3

100 yards Junior Free Style Championship of Queensland - R.Kimlin (M) 1.7 4/5 1, G.Turpin (V) 1.9 2, J.Russell (Bris Grammar Sch) 1.10 1/5 3

Worfold led from half way to the first turn when G.Turpin took the lead, and in an exciting finish Kimlin won by a yard.

100 yards Championship of Queensland - A.Suosaari (M'dore) 59 3/5 1, K.Forster (V) 62 3, G.Costorphan (V) 62 2/5 3. Suosaari and Tremble (Rockh) went to the front with Tremble slightly leading Suosaari over the first thirty yards. Suosaari turned in the lead closely followed by Forster. Suosaari, swimming with powerful strokes, won by two yards from Forster who was closely followed by Costorphan.

220 yards Breast Stroke Championship of Queensland - J.Suosaari (M'dore) 2.15 1, A.McShane (CB) 2.18 4/5 2, A.M.Smith 2.21 2/5 3. Suosaari took the lead over the first 100 yards, winning with ease.

500 yards Flying Squadron Championship of Queensland - Valley 5.18 3/5 1, City Pastime 5.26 1/5 2, Ipswich 5.44 1/5 3.

DELEGATE MEETING
AMATEUR SWIMMING ASSOCIATION

At a delegate meeting of the Queensland Amateur Swimming Association last night, at which Mr J.Hiron presided, a notification was received from the New South Wales Association stating that the dates fixed for the Australian Championships in Sydney would be January 10, 14, and 17.

In view of the fact the Queensland Ladies Amateur Swimming Association were staging its championships on January 14, it was decided to write to that body suggesting the date be altered in order to allow competitors to attend the National Championships if desired.

Matters in reference to the forthcoming Conference of the Australian Swimming Union, to be held in Brisbane on January 21 and 22, were discussed, and Mr E.J.Goodwin was appointed official representative of the Queensland Association.

Messrs D.S.Carter, E.J.Goodwin, and A.G.Casey, were appointed as the Queensland Selection Committee in connection with the Australian Championships. It was also decided to nominate Messrs D.S.Carter, J.Hiron, F.Springfield (Qld), R.H.Bennett (Vic), and D.Helmish (NSW) as Judges for the Diving Championships.

Details in connection with the James Taylor Trophy to be held in February on a date to be arranged by the Executive were discussed.

The Treasurer's Statement disclosed a balance of £60/9/11, while ticket money in connection with the recent carnivals is still to come in.

RECORDS BROKEN
DOWNS SWIMMERS OPENING CARNIVAL
Tmba Dec 8

Three records for Toowoomba were established by T.Boast and Axel Suosaari, the well-known Australian champions, at the opening carnival, of the season conducted by the Toowoomba Swimming Centre at the City Baths last night, when the former covered the 100 yards back stroke in 1.9 1/5, beating the time set up by Saito (Japan) by 1 2/5 seconds, and Suosaari broke Keith Kirkland's free style record of 35 4/5 for 66 yards by a second. An attractive programme was presented and keen competition prevailed in practically all races. Close finishes were the rule.

The only championship decided was the diving contest which was annexed by G.Lewington. Exciting racing was seen in the 100 yards Invitation Handicap when the champions and visitors participated. Boast (Back Stroke) started on 7 seconds and just won from G.Turpin (6 seconds) in the first heat, his time being 1.9 1/5, but in the final Turpin was victorious with about a yard to spare. On this occasion Boast's time was 1.10 4/5. Suosaari (18) was defeated by Stafford (13) in the heat but he did not start in the final owing to illness. Numerous entries were received in the 66 yards bracelet, and nine heats had to be conducted. Boast scored a very close win, his time being 36 3/5.

VALLEY LADIES ANNUAL INTERCLUB CARNIVAL

Although the attendance scarcely reached the expectations, this did not affect the enthusiasm of the spectators or competitors at the annual interclub carnival of the Valley Ladies Amateur Swimming Club held in the Municipal Baths Wickham Street, last night. Temperatures not suited to swimming apparently effected the number of spectators and also the entries in the events, nevertheless a fine evening's swimming was witnessed.

In the 100 metres A Grade Club Championship Miss E.Middleton early assumed the lead from her only opponent, Miss G.Browne, and won by about two yards in 1.24. Although she conceded the scratch swimmer 17 seconds in the 100 metres first class handicap, Miss R.Middleton was beaten by less than a yard by Miss R.Smith (Federal). Miss R.Middleton successfully competed in the 50 metres Back Stroke, covering the distance in 50 2/5sec to beat Miss Bowman and Miss E.Middleton. The 50 metres Open Breast Stroke was annexed by Miss V.Barr.

The officials for the carnival were as follows - Referee, Mr D.S.Carter; Judges, Messrs J.Hiron J.Haslet, E.J.Goodwin; Timekeepers, Messrs J.Moylan (Standard), F.W.Springfield, R.Bunting, L.Nissen; Starter, Mr F.E.Duncalf; Q,A,S,A. Handicappers, Messrs E.J.Goodwin, J.L.Whittington,; Result Steward, Mr N.Burn; Q.L.A.S.A. Handicapper, Mrs Newman; Q.L.A.S.A Costume Steward, Mrs Grey; Hon Secretary and Post Entry Steward, Miss M.Bowman; Hon Treasurer, Miss A.Shaw.

FREE BATHS
THIEVES DAMAGE BARRIER
Townsville Dec 15

For three weeks a bee of voluntary workers laboured towards the erection of fences, barriers etc, necessary for the construction of free swimming baths adjacent to the Queen's Road causeway across Ross Creek. The baths were completed during the week and the opening was scheduled for Saturday. During Friday night much of the good work was ruined by thieves who cut out and removed part of the protective barrier round the baths. Early bathers on Saturday morning discovered the loss and swiftly organized a working bee which set about repairing the damage. Working at top speed throughout the day the voluntary toilers had the barriers repaired and the baths restored in time for the opening ceremony which was performed by the Mayor, Ald W.J.Heatley, on Saturday afternoon in the presence of a large crowd.

CARNIVAL AT GYMPIE

The Queensland Amateur Swimming Association co-operated with the recreation Committee in Gympie by arranging a programme for a carnival in the Mary River adjacent to Albert Park, River Road, in order to raise funds to construct and equip the Park.

Visiting male members included Tom Boast, Axel Suosaari, Gordon Costorphan, Jack Heaton, B.Stafford, Joe Venning, Jack Venning, and Merv Witt. The ladies were Enid Middleton, Rita Smith, Dorrie Cooper, Mary Clayton, Evelyn Middleton, Phil Fraser, and Mrs T.Boast.

COMING EVENTS
DIVING AND SWIMMING
By "Breaststroke"

The Ladies State Diving Championships have been set down for decision at the Municipal Baths, Valley, on January 11. Three compulsory dives have been included - a running header, a somersault backwards, and a backward spring forward dive. All will take place on the three metre Board. Two voluntary dives are to be chosen from Table A in accordance with the rules laid down for men in the low springboard diving championships. The dives selected as voluntary dives by competitors must be in the hands of the secretary controlling the event at least 24 hours before the competition takes place.

The dives set out for this year's championship seems more in keeping with ladies' diving. If the same procedure had been followed last season we would not have had the spectacle of every contestant being disqualified for not being able to do the dives classified as compulsory.

During the holiday period a lot of "open" carnivals are being held at different centres. As amateur swimmers who are members of clubs affiliated with the Queensland Amateur Swimming Association are liable for disqualification for competing at any carnival not sanctioned by the controlling body, they should first take the precaution to see the written sanction by the Q.A.S.A. for the carnival in which they are to compete.

SANDGATE CARNIVAL
MISS RITA SMITH BREAKS RECORD

At the Sandgate Amateur Swimming Club's carnival on Wednesday night, Miss Rita Smith (Sandgate) made a successful attempt on the Queensland ladies 100 yards record which was established by Miss Elsie Venning (Mrs Cain) in 1922. Her time of 1.9 4/5 lowered the record by 2/5sec.

The fourth contest in the Q.A.S.A. Relay Handicap was held in conjunction with the carnival, and the event was won by Christian Brothers.

Results

5x33 1/3 yrs QASA Interclub Teams Relay Handicap - Christian Brothers 1, Valley 2, Sandgate 3. Christian Brothers led all the way to win by four yards. Valley beat Sandgate by a touch for second place.

100 yrs Invitation Handicap - Tom Boast 1, E.Bonis 2, Lewis 3.

Q.A.S.A.

At a meeting of the Queensland Amateur Swimming Association Executive last night, a protest was received from the Sandgate Club concerning the alleged alteration of handicaps in the final of the fourth series of teams racing. The case will be referred to the next Council meeting.

A new body, the Warwick Life Saving and Swimming Club, sought affiliation with the Association. The application was held over until the names of the officials had been made available. Affiliation was granted to the Southport Life Saving and Swimming Club and it was given permission to hold a carnival during the holidays. It was stated that the Maroochydore Club would hold a carnival on Saturday December 27, and that arrangements had been made to provide tents, free of charge, for visiting swimmers over the holidays.

NATIONAL CHAMPIONSHIPS
By "Breaststroke"

Lorraine Streeter is to represent Queensland in the 220 yards Australian Championship Ladies' Breast Stroke to be held in Sydney on January 17, and it would occasion no surprise if the Title came again the Queensland. Another Queensland lady swimmer who has been recording sensational times over the 100 yards free style is Rita Smith of Sandgate. On Wednesday last, with a bad take-off six inches high, and two bad turns, also swimming on the ropes for fully thirty yards, she covered the distance in 1.9 2/5. This compares favourably with Jean Cocks 1.5 3/5 at Bondi, with a higher take-off. With tuition, Miss Smith should develop into one of Australia's specialist sprinters. At present her arm action and turning need improvement.

It is a fact that Queensland is richer in lady sprinters at the present than it has been for a long time. In Misses Rita Smith, Enid Middleton, the Leitch sisters, the Storey sisters, and Dorrie Cooper, we have a talented combination.

SWIMMING CHAMPIONSHIPS
SHIELD PROSPECTS
By "Breaststroke"

Next week will see the first of the Australian Championships competed for when the first session to be held in Sydney Domain Baths on Saturday afternoon. Owing to unfortunate circumstances, Australian champion, Reg Grier, will not be a competitor in Sydney, therefore will not be defending his 220 yards and 440 yards Australian titles. However Queensland will be represented by another Australian champion, Axel Suosaari, who is swimming better this season than ever before. In the 220 yards he will meet god swimmers in Noel Ryan, Cecil Light, Moss Christie (all of New South Wales), Ken Tanner (the brilliant young Victorian) and Ayres (Tasmania), but on present form, Suosaari should win.

In the absence of Grier, Noel Ryan looks like annexing the 440 yards free style, but he may be hard pressed by Ken Tanner, who showed good form against the champion, Moss Christie, last year.

In the High Diving Championship of Australia, the veteran, Harry Morris (Victoria), should have no difficulty in retaining his title. The springboard diving championship should see a close competition between Kortney Hight (West Australia), the holder of the title, Clive Barrass (New South Wales), and ex-champion Harry Morris, and Wally Pont (New South Wales). The final should show K.Hight slightly in front.

Queensland's chances of retaining the Kieran Shield look rosy, despite the absence of Reg Grier at the Sydney section of the championships.

STATE CHAMPIONSHIPS

If negotiations between the Q.A.S.A and the Commercial and City pastime Clubs are successful, the remaining State Championships, the 880 yards and the 1 mile free style, will be held on January 13 and 15. Nominations for both events will close with the Hon Secretary of the Q.A.S.A. on Saturday January 10 at 12.30pm.

The fifth series of interclub swims in the Teams Handicap competition will be held at the Federal Club's swim at the Valley Baths on Monday night, January 5. The following officials are requested to be at the baths at 8pm - Referee, Mr D.S.Carter; Judges, Messrs J.Hiron, W.Lemass, A.G.Casey; Timekeepers, Messrs J.Moylan (standard), F.W.Springfield, Les Nissen, Reg Bunting; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Hon Handicappers, Messrs E.J.Goodwin, J.L.Whittington.

A special Executive meeting will be held at the baths after the relay races.

A test will be held at the Valley Baths on Jan 4 1931, of all divers who wish to be selected as members of the Q.A.S.A. diving troupe.

MAROOCHY CLUB CONTESTS

For the third year in succession A.B.Parkyn won honours as Champion Life Saver in the Mooloolaba Surf Club. The 50 yards freestyle was won by S.Petersen. The 200 yards senior breast stroke was won by G.Petersen, with A.Parkyn second, and Joe Suosaari third. The 100 yards free style resulted - K.Lanham 1, J.Suosaari 2, B.Anderson 3.

FEDERAL SWIMMERS INTERCLUB RELAY RACE

Seven teams competed in the interclub relay race at the Municipal baths last night. Federal's team won with a fair margin, though both Christian Brothers and City Pastime were overhauling them fast at the finish. As a result of last night's race, which is one of a series for an Interclub Shield, Christian Brothers holds the best aggregate with 15 points. Sandgate with 11 points is second.

SUOSAARI SELECTED FOR AUSTRALIAN CHAMPIONSHIP

A special meeting of the Executive of the Queensland Amateur Swimming Association was held after the relay handicaps, and A.Suosaari was selected to represent Queensland at the Australian National Championships to be held in Sydney on January 10 and 14. He will leave tomorrow morning.

Prices of admission to the Australian National Championships to be held in Brisbane on January 21 and 24 have been fixed at three shillings and threepence (Reserve), and two shillings.

SWIMMING TITLES QUEENSLAND'S CHANCES GRIER TO COMPETE By "Breaststroke"

The Ladies Diving Championship of Queensland is to be decided next Sunday morning, and the first three will represent the State in the Australian Women's Diving Championships to be held in Brisbane on January 24. With such worthy exponents as Miss R.Beardmore, M.Leach, E.Middleton, G.Springfield, M.Barr, L.Drew, and E.Warneke, competing for State honours, Queensland should have a strong representation in the more important event.

Although Queensland possesses two lady swimmers of merit in Miss Loraine Streeter, breast stroke, holder of the Australian record, and Miss Rita Smith who recently lowered the Queensland free style record, the Queensland Ladies Amateur Swimming Association has not yet decided to defray the expenses of these two swimmers to Sydney to represent the State in the National Titles. It has, however, notified one of the Clubs, that if the Club will stand all the expenses of the competitor, it will undertake to pay the expenses of a chaperone.

Already it is known that Dr Streeter is sending his daughter to the Australian Championships at his own expense, and she will stay with relatives in the south. That being so, for what purpose is a chaperone being sent? Would it not be better for the Q.L.A.S.A. to send Miss Smith in place of a chaperone? I am firmly of the opinion that if any funds are available, they should be spent on sending swimmers away, and not on a chaperone.

GRIER TO COMPETE

It is announced that Grier will compete in the National Championships to be held in Brisbane at the end of the month. Illness in the family has been responsible for keeping Grier out of the water for the past four weeks, and it was felt he would not be able to compete in the Australian Championships. However, now it is possible for him to train, he should have little difficulty in regaining his top form. If he is well, Queenslanders are confident Grier will defeat any swimmer in Australia over any distance up to and including 440 yards.

STATE DIVING CHAMPIONSHIP

The following are the compulsory dives the competitors will have to do at the Queensland Men's Diving Championships which will be held on Saturday afternoon January 24 at the Australian National Championship carnival - middle board - running plain header, backward spring and forward dive; top board - Mallberg dive, 1 ½ somersault running. Competitors will also be required to do four voluntary dives, two from each board, middle and top.

SWIMMING TITLES - DETAILS FINALISED

Several details regarding the championship contests were finalised by the Council of the Queensland Amateur Swimming Association at the monthly meeting held in the Y.M.C.A. last night. Mr J.Hiron was in the Chair.

In deference to a request by the Australian Swimming Union, a referee was appointed for the Australian Ladies Diving Championships on January 24. Mr D.S.Carter, who had been both referee and judge, will be the referee, and Miss M.Springfield was appointed a judge in his stead.

Next Sunday morning the Queensland Ladies Diving Championships will be held at the Municipal Baths. The following judges have been appointed for Sunday morning - Messrs D.S.Carter, E.J.Goodwin, N.Burn, M.Miles, Miss M.Springfield.

A letter was received from the Sandgate Swimming Club withdrawing a protest that had been made concerning the starts in an interclub relay handicap on December 17. The Chairman said he thought all clubs should make full inquiries before making charges against Q.A.S.A officials who sacrificed much time to go considerable distances at their own expense in order to assist at club carnivals. The Sandgate delegates, Messrs L.Stanton, T.Middleton, J.Hutchison, explained had they had been able to get the explanation they needed on the night of the carnival, the protest would not have been lodged. They had no desire to criticise the Q.A.S.A. officials.

Mr Carter secured the passage of a motion that the Gympie Club be written to expressing appreciation for the hospitality extended to the team of eighteen swimmers that recently visited there. "It shows Gympie is on the right track," he said, "and the formation of these clubs in the country is going to do a lot of good."

It was decided to hold a Reception for the visiting Interstate swimmers at the Carlton Cabaret.

The Treasurer, Mr N.Burn, reported a Credit Balance of £39/10/3.

CHAMPIONSHIP TITLES SYDNEY CARNIVAL

Sydney Jan 11

The Australian Championship Swimming Carnivals under the auspices of the New South Wales Amateur Swimming Association was commenced at the Domain Baths on Saturday afternoon before 3000 spectators. There were some thrilling finishes, especially in the 100 yards Championship of New South Wales. Noel Ryan won the

440 yards Championship of Australia, C.Barrass (NSW) the Springboard Diving Championship of Australia, Cecil Light the 100 yards State Championship, Frank McCure the State 220 yards Breast Stroke Title.

In a splendid race, Noel Ryan (NSW), gained an easy victory in the 440 yards Championship. The showing of E.Besomo (NSW), who is only 15 years of age, was excellent. Ryan went to the front from the start. The 220 yards took 2.26 4/5. Ryan was about ten yards ahead of O.Griffiths (NSW) and Besomo, and maintained this lead until the end.

McCure's time for the 220 yards State Breast Stroke Title was a record for the race, 2.59 2/5.

Results - Australian Championships -

Springboard Diving - C.Barrass (NSW) 137 points 1, W.Pont 120.58 points 2, A.O'Connor (NSW) 114.6 points 3. B.Masters and H.Morris (Vic) also competed.

440 yards Free Style - N.Ryan (NSW) 1, E.Besomo (NSW) 2, O.Griffiths (NSW) 3. Time 5.12 1/5. K.Tanner (Vic) and A.Suosaari (Qld) also competed.

High Board Diving - H.Morris (Vic) 85.65 points 1, R.Masters (Vic) 80.23 points 2, A.O'Connor (NSW) 79.1 points 3.

LADIES DIVING CHAMPIONSHIPS

The Queensland Diving Championship for Ladies was won yesterday by Miss E.Warneke (CP) with 76.8 points to her credit. Here only rival was Miss V.Barr (Fed) who scored 69.6 points. The event was decided yesterday morning in the Booroodabin Baths in the presence of a fairly large crowd. The Judges were - Miss M.Springfield, Messrs D.S.Carter, F.W.Springfield, M.Miles, E.J.Goodwin.

Q.A.S.A TESTS 880 YARDS CHAMPIONSHIP

Tonight at the Municipal Baths, Valley, the Queensland Amateur Swimming Association will hold test over 100 yards free style, and 220 yards breast stroke to assist the selectors to pick the best swimmers to represent the State in the Australian Swimming Championships to be held in Brisbane next week.

In the 100 yards test, which will be held at 7.15, the competitors will be Reg Grier, Tom Boast, K.Forster, G.Costorphan, Jack Bliss, and Jack Heaton. Competitors in the breast stroke event will be Gordon Peersen, (Maroochydore) who was unable to compete in the State Championships owing to illness, and P.R.Hart a secondary schools representative whom Dr Streeter, a good judge, speaks highly, will meet.

At 9 o'clock on the same baths the 880 yards Free Style Championship of Queensland will be contested. The entrants are R.Grier (V), J.Cran (V), K.Forster (V), J.Lewis (CP), J.Kelly (S'gate), M.Witt (M'borough), E.Bonis (CP), S.Mullins (Ips), R.Petersen (M'dore), A.Petersen (M'dore), and A Wright (Tmba). The entry is a record for the event.

BOAST AGAIN RECORD SMASHED TESTS AT VALLEY BATHS

At the Municipal Baths last night, Tom Boast, the Valley swimming champion, added another success to his already long list by smashing the 200 metres back stroke record held by M.Campbell of New South Wales. Campbell's time was 3.4 1/10, and Boast was warmly cheered by the crowded galleries when he succeeded in covering the distance in 2.53 1/5. Remarkably Boast also won the 100 yards test race from two of his Club mates.

In the 220 yards breast stroke test race Gordon Petersen of Maroochydore won in handsome style.

The 880 yards free style Championship of Queensland was annexed by M.Witt (Wide Bay) who won a splendid race by eight yards in a time of 12.1 4/5.

The 100 yards free style test - Tom Boast (V) 1, G.Costorphan (V) 2, J.Heaton (V) 3 (the only three starters). Boast immediately went to the front, Heaton briefly holding a slight lead over Costorphan. Swimming steadily with a fast even stroke, Boast was about three yards in advance at the turn and considerably increased his lead over the last 50 yards, winning by about nine yards. Costorphan turned before Heaton and finished two or three yards ahead of his Club mate. Time 58 4/5.

220 yards breast stroke test - Gordon Petersen (M'dore) 1, P.R.Hart (secondary schools) 2, A.Burgoyne (V) 3. Petersen won by about fifteen yards.

880 yards Free Style Championship of Queensland - M.Witt (Wide Bay) 112.1 4/5 1, A.Petersen (M'dore) 12.8 1/5 2, E.Bonis (CP) 12.30 3. A splendid race, Witt winning by about eight yards, with about thirty yards between second and third.

MILE SWIM
STATE TITLE TO M.WITT

M.Witt (Mary River) won the 1 Mile Swimming Championship at the Davies Park Baths last night. He took the lead after 1200 yards had been swum, and increased it gradually to win by about nine yards. A.Petersen (M'dore) was second and E.Bonis (CP) third. Time 25.18 2/5.

Seven men faced the Starter, J.Lewis, E.Bonis (CP), M.Witt (Mary River), A.Petresen (M'dore), M.Mullins (Ips), J.Kelly (S'gate), A.Burgoyne (V).

Other times - Petersen 25.25 1/5, Bonis 26.4 2/5, Kelly 27.57 2/5, Lewis 28.47 2/5. Mullins dropped out before the finish.

INTERCLUB RELAYS

Another in the series of Interclub Teams Relay Handicaps was held at the Davies Park Baths last night. It was won by the Toowong team by about five yards.

AUSTRALIAN CHAMPIONSHIPS
Sydney Jan 15

The second carnival under the auspices of the New South Wales Amateur Swimming Association was held in the Drummoyne Baths last night.

In the 220 yards Australian Women's Championship event, M.Mitchell established an Australian and a New South Wales record, beating Jean Cocks record of 2.46 9/10 by 2 3/5 seconds.

100 yards Junior Championship of Australia - R.Clark (NSW) 1, E.Besomo (NSW) 2, G.Phillips (NSW) 3. Time 58 1/5.

220 yards Championship of Australia - N.Ryan (NSW) 1, M.Christie (NSW) 2, F.D.Walter (Vic) 3. Time 2.34 4/5

220 yards Women's Championships of Australia - M.Mitchell (NSW) 1, J.Cocks (NSW) 2, B.Tredeale (NSW) 3. Time 2.40 3/5

100 yards Invitation Handicap (for visiting swimmers) - R.Master (Vic) 1, F.Walter (Vic) 2, K.Tanner (Vic) 3.

LONGREACH CARNIVAL

There was a large attendance at the swimming carnival last night. The Women's Championship attracted much interest, Miss Blake (Muttaborra) defeating Miss Mulcahy (Barcaldine). The 220 yards Championship resulted in a dead heat between M.Goodwin (Barcaldine) and E.Booker (Longreach).

Almost thirty visiting swimmers participated, representing Winton, Barcaldine, Muttaborra, and district stations.

RECORDS GO
MISS MITCHELL'S WIN
Sydney Jan 18

The third and concluding carnival of the New South Wales section of the Australian Swimming Championships was conducted in the Coogee Aquarium Baths on Saturday night by the New South Wales Amateur Swimming Association.

Molly Mitchell maintained her form of the previous Wednesday night when at the Drummoyne Baths she broke an Australian record in winning the 220 yards national Title from Jean Cocks. From an even start she drew away at 30 yards in the 100 yards Australian Championship, and increased her margin over Miss Cocks who, finishing desperately, was unable to beat Vera Pawley for second place. Miss Mitchell's time of 64 $\frac{4}{5}$ seconds was only $\frac{1}{5}$ second worse than Miss Cocks Australian record made at Bondi in March 1929. Miss Mitchell won by over two yards.

In the 100 yards Back Stroke and the 220 yards Breast Stroke Championships new Australian records were created by Bonnie Mealing and Clara Dennis respectively. In accomplishing the back stroke distance in 1.11 $\frac{2}{5}$, Miss Mealing reduced her time of last year by 1 $\frac{1}{5}$ seconds. Miss Mealing won by five yards from her sister, Carrie, having the race in hand almost from the start. In beating Miss D.Thompson's time of 3.25 made three years ago in the 220 yards Breast Stroke by a second, Clara Dennis had an easy victory. She had a margin of twenty yards at the finish. Though her early efforts were exciting enough to reduce her speed towards the end, she swam in splendid style throughout. A feature of the race was the form of Carrie Mealing who recovered from third place as L.Streeter of Queensland fell away after completing three quarters of the distance.

NATIONAL CHAMPIONSHIPS
TEAMS FROM THE SOUTH

Twenty nine swimmers representing the cream of the State teams arrived by mail train from the south yesterday afternoon to take part in the forthcoming Australian Championships.

The swimmers, who were accompanied by their managers and a number of friends, were welcomed at the South Brisbane railway station by the Queensland Amateur Swimming Association represented by Messrs D.S.Carter (President), E.J.Goodwin (Secretary), J.L. Whittington (Assistant Secretary), N.Burn (Treasurer), Axel Suosaari and Mrs McGregor-Lowndes (QLASA)

There were fourteen competitors from New South Wales, seven from Victoria, six from Tasmania, and one each from South Australia and Western Australia. They will represent their respective States at the Australian National Championship Carnivals which will commence at the Municipal Baths, Valley, tomorrow night.

("The strongest combination of swimmers that has ever visited this State," was the comment by Mr Carter at the Reception at the Carlton Cabaret.)

CHOICE RESENTED
DROPPING OF GRIER
SWIMMING UNION CONFERS

Delegates attending the Annual Conference of the Australian Swimming Union held in Brisbane yesterday were emphatic in their protests about the Empire Games selection committee in their action of selecting Cameron instead of Grier. "It was an insult to Australia," declared one speaker.

Mr James Taylor (New South Wales) presided, and other delegates present were Messrs W.Fawcett (Secretary & Treasurer), H.Bennett (Vice President Victoria),

D.S.Carter (representing South Australia), D.Helmrich (New South Wales), S.Carey (Victoria), E.J.Goodwin (Queensland), F.W.Springfield (representing Western Australia), and F.Molloy (Tasmania).

The Executive Report showed that during the year expenditure had been cut down to bedrock. There was a slight debit balance. The Report further stated that the Executive had decided that Grier was to be the first swimmer to go from Australia to the Empire Games. This decision was over-ruled by the British Empire Games Committee, which substituted Cameron for Grier. Although legal advice was obtained, Cameron got the trip instead of Grier in opposition to the wishes of the Swimming Union. A letter had been sent to Japan asking for a tour of Japanese swimmers. A wire had been received from Miss Helen Madison stating that she would be unable to come to Australia.

VISITING PERFORMERS

The question of inviting performers from other countries to visit Australia was the subject of a long discussion. Mr D.Helmrich (NSW) was informed that invitations from the States would have to be approved by the parent Federal body.

In dealing with the report of the Manager of the team to the Empire Games, Mr Bennett objected to the Games Committee extending the time of Pearce's (the sculler) ticket to June 30 1931. A resolution was carried directing the Secretary to inform the Empire Games Committee the Union was opposed to the granting of this extension of the time of the ticket.

ELECTION OF OFFICERS

The election of Officers resulted - President, Mr James Taylor; Vice President, Mr H.Bennett; Hon Secretary & Treasurer, Mr W.Fawcett. Three nominations were received for two positions on the Executive, but in an animated debate it was pointed out that only one delegate for his own State could be elected to the Executive. As Md D.S.Carter was acting as a proxy for South Australia, and Mr Kavanagh (South Australia), one of the nominees, was not present as a delegate, it was therefore argued that the nominations received should lapse. Another nominee, Mr Blakers (Western Australia) though not present was represented by a proxy, and it was decided that Mr Blakers was a recognized delegate. It was decided that the nominations received were irregular, and on the motion of Mr Helmrich the motion was carried.

Any State looking for representation on the Executive should be asked to submit a Nomination, after which a mail vote from the States could be obtained.

PROTEST AGAINST SELECTION

The question of Cameron being sent to the Empire Games was provocative of a long and animated discussion. The president said the ASU did everything possible to prevent the selection of Cameron. Five weeks elapsed after the selection of Cameron before access could be gained to the Empire Games Selection Committee records. The selection committee of the ASU decided that if only one swimmer was to go, the order of selection should be Grier, Suosaari, and Cameron; if two were to go, they should be Grier and Ryan; if a third, Bonnie Mealing or Jean Cocks should be selected. The Union made every effort to see Grier would go abroad, and they sought legal opinion in two States. It was not a case against Cameron personally.

Mr Bennett said that Mr McDonald, of New South Wales, had got on to the Empire Games Selection Committee, and had urged the claims of Cameron. He said that though Cameron's selection was an insult to Australia, the Union could do nothing.

RESOLUTIONS OF CONFERENCE

A resolution was passed that all selection of swimmers for Empire or Olympic Games be endorsed by the ASU, and that all selections be made in the order made by the Selection Committee of the ASU.

On the motion of the Chairman, it was resolved to write to the Secretary of

the Empiad and the Secretary of the Olympic Council voicing their protest against the action of the Empiad in reference to the selection of Cameron.

The Constitution was amended to provide that all swimmers must reside in Australia for six months immediately prior to selection as a representative of Australia.

A resolution from Queensland favouring the creation of a distinct organization for women swimmers, was defeated, the President pointing out that seven years ago a similar proposition had come before F.I.N.A., which had laid it down that only one central body would be recognized in each country. He would, however, look into the position.

RECORDS CONFIRMED

The following records were confirmed at the meeting - 100 metres Breast Stroke F.McCure 1.23 1/5; 200 metres Breast Stroke F.McCure 2.58 3/10; 200 metres Breast Stroke (women) Miss D.Welch 3.25 4/5; 440 yards Breast Stroke Miss Welch 8.25 1/5.

(This edition carried a photo of the starters in the 100 yards Free Style Championship of Australia at the Valley Baths last night - G.Hack (WA), C.Light (NSW), T.Boast (Q), A.Suosaari (Q - the winner), L.Chaffey (Tas), D.Hooper (NSW), G.Costorphan (Q).)

SUOSAARI WINS 880 YARDS TO RYAN

All seating accommodation at the Valley Baths was taxed to the fullest capacity last night on the occasion of the Australian Swimming Championships. The only Australian record broken was that of the 100 yards Back Stroke, T.Boast covering the distance in 66 4/5 seconds, thus beating G.Froelich, the German's time by 3/5second. F.McCure, the New South Wales swimmer, defeated J.Suosaari (Qld) in the 220 yards Breast Stroke Championship of Australia, while the National 880 yards Free Style Championship was won by Noel Ryan (NSW) in 11.6 4/5. Axel Suosaari won the 100 yards Championship in 56 1/5 seconds.

Results -

100 yards National Championship of Australia - Axel Suosaari (Qld) 56 1/5 1, T.Boast (Qld) 56 2/5 2, P.Hooper (NSW) 56 3/5 3. Other starters were C.Light (NSW), N.Hack (WA), G.Costorphan (Qld), L.Chaffey (Tas). This was a thrilling race. All swimmers got away to a good start. Suosaari early took the lead challenged by Boast and Hooper. Suosaari led all the way over the first lap with Boast in hot pursuit. A thrilling finish resulted, the crowd rising to its feet and cheering the two Queenslanders who were so close many thought Boast had won.

220 yards National Breast Stroke Championship of Australia - F.McCure (NSW) 1, J Suosaari (Qld) 2, A.McShane (Qld) 3. G.Petersen (Qld) was the only other starter. The first attempt was declared "no race" as the swimmers experienced some confusion, pausing at the lower end of the baths on the last lap thinking it was the finish whereas it was 20 yards from this on. On that attempt Petersen beat McShane for third place. In the race proper McCure got the best of the take-off and led Suosaari at the end of the first lap, and at the second touch was a little over a yard ahead of Suosaari with McShane and Petersen following several yards away. From this stage McCure drew away and won comfortably.

880 yards National Free Style Championships of Australia - Noel Ryan (NSW) 11.6 4/5 1, E.Besomo (NSW) 11.13 1/5 2, K.Tanner (Vic) 11.47 1/5 3, M.Witt (Qld) 11.50 4/5 4. Other starters G.Petersen (Qld), F.D.Walter (Vic), E.Bonis (Qld), N.Hack (WA), J.Lawrence (SA), H.Ayres (Tas), L.Chaffey (Tas). They all hit the water together but Ryan soon showed to the front and at the first touch was leading by three yards from Besomo, and in the sixth lap was leading by about ten yards with Tanner and Petersen together, third. Witt, the Queensland, was well behind. With five laps to cover Besomo had shortened the gap between him and the leader and he was swimming strongly, and two laps from the finish Besomo sprinted, but Ryan finished strongly and won by about ten yards. Tanner was a long way back, third.

Special Back Stroke Invitation Handicap 100 yards - T.McGovern (CB) 1, T.Boast (Val) 2, W.Daley (Val) 3. In this race Boast lowered the Australian record of 67 2/5seconds, previously held by G.Froelich (the German) by 3/5 seconds. Boast's time was 66 4/5 seconds.

Junior Open Handicap 50 yards - N.Smith 1, T.Long 2, G.Oliver 3

Women's Open Handicap 100 yards - B.Leach 1, D.storey 2, M.Leach 3

Bill Hetherington Memorial Handicap 100 yards - F.Ashworth 1, A.Nillson 2, M.Humphries 3

Arthur griffiths Memorial (Under 15 years) Handicap 300 yards - R.Ashworth 1, J.Kelly 2, J.Lewis 3

Breast Stroke Handicap 100 yards - W.Daley (Val) 1, R.Treleaven (Fed) 2, W.Evans (CB) 3.

RECORDS SMASHED
RYAN, BOAST, AND McCURE, WIN

Swimming strongly all the way, Frank McCure, at the Australian National Swimming Championships at the Valley Baths on Saturday afternoon, retained his title of 440 yards Breast Stroke champion. He defeated Joe Suosaari, the Queenslander, by about twenty yards in brilliant style. McCure, in covering the distance in 6.30, took seven seconds from his previous championship performance. The Australian record of 6.37 1/5 was established some seasons ago by Joe Suosaari.

Tom Boast reproduced his best form of Wednesday night last by clocking 1.6 3/5 in winning the 100 yards National Back Stroke Championship of Australia. Boast swam in Brilliant style and won from E.Besomo (NSW), thus retaining his title. Boast's time bettered the existing Australian record of G.Froelich by 3/5seconds.

Noel Ryan, the New South Wales swimmer, distinguished himself in the Open Handicap by covering 220 yards in 2.9 1/5, thus beating the Queensland record established by N.Ross, the American, by 1 1/5 seconds.

A further outstanding performance was that of P.Hooper (NSW) in the semifinal of the Martin Memorial Handicap 50 yards when he covered the distance in 23 2/5 seconds, the fastest time registered by an Australian swimmer. As he did not intimate his intention of making a record, it would not be recognized. His attempt to lower the time in the final was unsuccessful.

The diving display was a feature of the programme. In the Queensland Championships the honours went to W.Morrall (Valley) who gained 62 1/2 points against H.Fussell's 58 points. Keen interest was displayed in the Australian Women's Championship which was won by Miss Lurline Hook of Lismore who gained 68.6 points, wresting the title from Miss Greta Nutt (Victoria) who gained 63.1 points. Miss Nutt was seriously handicapped by an injury which she sustained while she was practising during the week. Despite medical advice she left her bed in the afternoon to take part in the competition, and considering her disability her performances were meritorious.

Results -

440 yards National Breast Stroke championship of Australia - F.McCure (NSW) 6.30 1, Joe Suosaari (Qld) 6.48 4/5 2, G.Petersen (Qld) 7.5 2/5 3. Other starter A.Parkyn. All swimmers got away to a good start. McCure soon got in front and touched for the first time a yard ahead of Suosaari who was closely followed by Petersen. In the next lap Suosaari made slight headway and at 220 yards McCure led by five yards. Parkyn was a good fifteen yards further back and touched with Petersen. At 600 yards McCure was six yards ahead of Suosaari with Parkyn and Petersen further back on equal terms. The leader went on to win by twenty yards. It was a splendid performance and the winner and runner-up were warmly and suitably applauded. Petersen and Parkyn put on a good finish for third honours, Petersen touching the bar by the nearest margin ahead of his rival.

100 yards National Back Stroke Championship of Australia - T.Boast (Qld) 1.6 2/5 1, E.Besomo (NSW) 1.8 1/5 2, W.Daley (Qld) 1.12 2/5 3. Otherstarters G.Withers (Vic), Axel Suosaari (Qld). All competitors got away to a good start.

Boast was the first one to show up but all the way was challenged by Besomo. Boast touched first at the turn with Besomo less than a yard away. Withers and Daley were handy. Axel Suosaari dropped out of the race after more than half the distance had been covered. Boast won by about two yards after a splendid race. Boast's time equaled that put up by him on Wednesday night, beating the Australian record of 1.7 1/5 established by the German, G.Froelich.

Women's Open Handicap 50 yards - G.Meredith 1, L.Joubert 2, E.Storey 3.

Junior Open Handicap 50 yards - E.Papp (B'berg) 1, T.Long (Val) 2

W.E.T.Martin Memorial Handicap - N.Hack (WA) 1, C.Hartley (CB) 2, R.Hook (Lismore) 3

Open Handicap 200 yards - N.Ryan (NSW) 1, j.Lewis (CB) 2, A.Petersen (M'dore) 3

Back Stroke Handicap 100 yards - W.Daley (V) 1, T.McGovern (CB) 2, B.Stafford (V) 3 Ladies National Springboard Championship of Australia - Lurline Hook (NSW) 68.6 points 1, Greta Nutt (Vic) 63.1 points 2, H.Beardmore (Qld) 48.5 points 3, Lea Humphries (Tas) 445.4 points 4

100 yards Teams Relay Handicap - Valley B 1, Federal 2, Christian Brothers 3.

ATTEMPTS ON RECORDS

At the Ithaca Baths on Tuesday afternoon, Frank McCure, the Australian breast stroke champion, will make an attempt to lower Joe Suosaari's nine year old record on 6.27 for 440 yards breast stroke.

At 4.30 in the afternoon, at the Sandgate Baths, Noel Ryan will attempt to lower Norman Ross' record for 330 yards, of 3.25

KIERAN SHIELD WILL GO TO NEW SOUTH WALES

At present the Kieran Shield is held by Queensland, but as a result of this year's Australian Championships it will be won by New South Wales which is in an unassailable position. The points to date with only one championship to be decided are - New South Wales 7, Queensland 2, Victoria 1.

There was an article in this edition quoting a letter from Andrew (Boy) Charlton in which he was contemplating a return to competition and perhaps a move to America "Where the Pickings are richer."

TITLES RETAINED JEAN COCKS TRIUMPHS LADIES SWIMMING CHAMPIONSHIPS

Swimming superbly with a fast powerful stroke that lifted her shoulders well out of the water, Jean Cocks retained her title of 100 yards Ladies Champion of Australia at the Australian National Swimming Championships carnival at the Booroodabin Baths last night.

The 440 yards Championship of Australia was also annexed by the brilliant Sydneysider, Miss Cocks leading from the take-off to win by about half a length.

The evening featured the 100 yards Championship of Queensland which was annexed by Mary Leach of the City Pastime Club. She won by a touch from R.Smith of Sandgate, both girls being fully extended, and over the last lap swam stroke for stroke.

NEW QUEENSLAND RECORD

E.Besomo (NSW) pushed by C.Light created a new record for 100 yards Queensland Junior by covering the distance in 60 $\frac{4}{5}$ seconds, which is one second less than the time established by F.Jacobs in 1928. He tried to break the Australian for the distance of 58 seconds which was established by C.Light in February last year. P.Hooper attempted to lower the Australian 50 yards free style record of 23 $\frac{3}{5}$ held jointly by Axel Suosaari and A.Wickham, but he unable to better than 24 $\frac{4}{5}$. Fast times were the order of the evening, and the programme evoked keen enthusiasm from the large gathering.

Results -

50 yards Junior Handicap - E.Storey (S'gate) 1, V.Barr (Fed) 2, G.Miles (Otter) 3. Won easily by several yards.

100 yards Junior Championship of Australia - J.Cocks (NSW - present holder) 1, E.Middleton (Qld) 2, E.George (Vic) 3. V.Hallett (Tas) also started. All competitors hit the water together racing neck and neck for the first 25 yards, the Cocks, swimming superbly, went ahead. The Victorian, E.George, was not very far behind her, being just a stroke ahead of Middleton. Cocks was the first to turn, but George was only a stroke behind her, and Middleton turned at about the same moment. In the last 25 yards Cocks increased her lead and finally won, pulling up, by about five yards. Middleton displaced George for second place over the last 25 yards, swimming strongly. Time 1.8 $\frac{1}{5}$.

60 yards Country Championship of Queensland - A.Jones (Toowoomba) 1, F.Winter (Toowoomba) 2, J.Stokes (Toowoomba) 3. Jones and inter made a splendid race with very little to choose between them. They turned almost together, Jones being a split second ahead of Winter. Over the last few yards there was a thrilling race, Jones winning by a touch only in the time of 43 $\frac{1}{5}$ seconds.

100 yards Championship of Queensland - M.Leach (CP) 1, R.Smith (S'gate) 2, Barb Leach (CP) 3. A magnificent race, Mary Leach won by a touch only. Although she was the last to take off, Smith led all the way until she was challenged brilliantly in the last lap by Mary Leach. Barbara Leach was a yard away, third. In a thrilling finish both girls strained every nerve to the utmost, swimming stroke for stroke, but Mary Leach touched a fraction of a second before Smith. The respective times for the competitors were 1.9 $\frac{1}{5}$, 1.9 $\frac{2}{5}$, 1.12 $\frac{1}{5}$.

50 yards Nissen Handicap - S.Rich (Val) 1, K.Chatfield (Fed) 2, J.Moore (Fed) 3. A close finish, Rich winning by half a yard.

440 yards Championship of Australia - J.Cocks (NSW) 6.16 $\frac{2}{5}$ 1, L.Joubert (NSW) 6.16 $\frac{2}{5}$ 2, R.Smith (Qld) 7.18 $\frac{3}{5}$ 3. All competitors took off together but Cocks early assumed the lead which she increased throughout. At the end of the first lap Cocks was leading Joubert by two yards, Smith being only a yard away, third, then came V.Hart (Vic) and M.Musgrove (NSW). With apparently effortless ease Cocks forged further ahead with each stroke, and at 200 yards was five yards ahead of Joubert, Smith being a corresponding distance away, third. The race resolved itself into a procession, Cocks putting an ever increasing distance between herself and Joubert, while the latter was half a lap ahead of Smith. Cocks finished half a lap ahead of Joubert, Smith being a lap away, third.

150 yards Teams Championship of Queensland - City Pastime 1, Valley 2, Sandgate 3. Teams comprised three girls each. Federal, Otter, Toowoomba, and Commercial, also competed. City Pastime led from the start and won by a touch in an exciting finish. Time 1.36.

100 yards Invitation Handicap - E.George (Vic) 1, L.Joubert (NSW) 2, E.Storey (S'gate) 3. A very close race, George winning by about two yards, and a stroke separating second and third.

Dive - Hook (NSW) 1, V.Barr (Qld) 2

100 yards Visitors Mixed Brace Relay - Noe Ryan & L.Joubert 1, J/Lawrence & J.Cocks 2, P.Hooper & M.Musgrove 3.

100 yards Breast Stroke Championship of Queensland - P.Thompson (Val) 1.30 $\frac{1}{5}$ 1, L.Streeter (Val) 1.32 $\frac{2}{5}$ 2, M.Gibbs (Toowoomba) 1.42 $\frac{1}{5}$ 3. Streeter led for the first 50 yards and was first to turn, but in a good finish Thompson overhauled her and finished two yards ahead of the title holder.

De Little Cup Tams Relay Race - Teams comprising four members each, from Sandgate, Valley, Toowoomba, Commercial, City Pastime, and Federal Clubs

entered. The present holders, Valley, won by about two yards from Sandgate, City Pastime filling third place. Time 2.11 4/5. The Trophy was presented to the winning team by Mr F.W.de Little on behalf of Mrs de Little, the Patroness of the Queensland Ladies Amateur Swimming Association who was unable, because of illness, to attend.

RECORD BROKEN
FRANK McCURE'S GREAT EFFORT

At the Ithaca Baths yesterday afternoon, Frank McCure, the Australian Breast Stroke Champion, was successful in breaking Joe Suosaari's nine year old record of 6.37 2/5 for 440 yards breast stroke. McCure covered the distance in 6.23 1/5.

At the Sandgate Baths later in the afternoon, Noel Ryan, the New South Wales swimmer, failed by 1/5 second to lower Norman Ross's Australian record of 3.35 for 330 yards. He also attempted to make a time for 300 metres, covering the distance in 3.45. This, however, is not a record, Arne Borg having established a better time in Brisbane during his recent visit.

NEW RECORD
MILE CHAMPIONSHIP
NOEL RYAN IN FORM
Toowoomba January 28

A new record for the Australian Mile Championship was established at the City Baths tonight by Noel Ryan (NSW) who covered the distance in 22.45, winning by about 140 yards from E.Besomo (NSW). The Title, previously held by Moss Christie (NSW) who did not compete this year as he was defeated in trials by Noel Ryan. On February 1 1928 Ryan covered the distance in the Domain Baths, Sydney, in 23.18 1/5, and the Queensland record for the distance was 23.46 1/5 made by F.Beaurepaire (Vic) at Ipswich on January 30 1922, while the Queensland record established by a Queenslander was 24.23 made by Frank Springfield.

In addition to breaking a record in Queensland for the Championship, Ryan also established a Queensland record for 1000 yards, his time being 12.44. His time for 400 yards was 6.10 1/5 which is a record for the Toowoomba Baths. This was the first time this classic event has been decided in baths outside an Australian capital. The race occupied 52 laps of the baths.

Results -

1 Mile Championship - N.Ryan (NSW) 22.45 3/5 1, E.Besomo (NSW) 24.38 3/5 2, K.Tanner (Vic) 26.43 3, A.Petersen (Qld) 26.45 4, J.Lawrence (SA) 27.14 3/5 5. Ryan led from the start followed by Besomo and Tanner. At the 200 yards mark he had increased the lead to twenty yards, while at the quarter mile he was a lap ahead of Besomo, and by the half mile the distance had increased to 2 1/2 laps. Ryan continued to gain ground as the race progressed and won by four laps. Besomo was two laps ahead of Tanner who had the advantage of a few yards over Petersen, with Lawrence another two laps further back.

Toowoomba Championship 100 yards - M.Wright 1, D.Lewington 2, L.Ingram 3. Won by two yards. Time 1.5 3/5. All the contestants were close together in the first lap with Wright in the lead followed by L.Ingram. In the second lap Wright still held the lead but Lewington moved into second position and this order was maintained to the finish.

66 yards Ladies Handicap - B.George 1, J.Stokes 2

Ladies Diving - F.Winter 1, G.Nutt 2. Miss Nutt was handicapped as a result of not being accustomed to a low diving board.

Schoolboys Handicap - Stewart 1, Bruce-Smith 2

Men's Dive - J.Steggall 1, E.Kerney 2, D.Lewington 3

Schoolboys Brace Relay Handicap - Rivett & Rivett 1, Seeley & Stewart 2

JAPANESE SWIMMERS
QUEENSLAND TOUR SUGGESTED
By "Breaststroke"

To develop first class swimmers it is essential that opportunity be given of developing talent to meet the world's best, therefore I would suggest the Q.A.S.A. should issue an invitation through the Australian Amateur Swimming Union to one or two of the leading internationals to visit Queensland, probably in January 1932.

Two swimmers I would suggest are T.Iriye, holder of the world's records for 200 and 400 metres back stroke, and Syozo Makino, whose times over 200 yards and 1500 metres are better than those of Arne Borg. Japan at present possesses some of the fastest swimmers in the world, and a meeting between our own Boast and Makino and Noel Ryan should be worth going a long way to see. If Andrew Charlton could also be enticed to come back, greater interest would be given to the meeting of these great swimmers. Ryan would be quite willing to come to Queensland to compete against internationals, and if carnivals were held in Townsville, Cairns, Rockhampton, Bundaberg, Maryborough, Brisbane, Ipswich, Toowoomba, and Warwick, the tour would result in financial success.

CLOSE FINISHES
Q.L.A.S.A. CARNIVAL

No special times were registered at the Q.L.A.S.A State Championship carnival held last evening at the Ithaca Baths when finishes in most events were close.

Rita Smith had an easy victory in the Senior Championship, but could not repeat the performance in the 200 yards breast stroke event though she staged a great fight until the last lap.

The officials for the carnival were - Judges (swimming), Messrs J.Hiron, A.G.Casey, W.Lemass; Judges (diving), Messrs F.W.Springfield, N.Burn, J.Hiron; Starter, Mr F.E.Duncliffe; Check Starter, Mr R.Hodge; Timekeepers, Messrs J.Moylan (standard), F.W.Springfield, Les Nissen, R.H.Bunting; Clerks of Course, Messrs J.Montgomery, V.Hartley; Result Steward, Mr N.Burn; Handicapper, Mrs Newman; Assistant Handicapper, Mrs Howard; Costume Stewards, Mesdames Day, Hodgson; Post Entry Steward, Miss L.Nicholls; Hon Treasurer, Miss I.C.McGregor; Hon Secretary Miss P.Brunnich.

A diving troupe consisting of W.Morrall (Captain), H.Fussell, W.Cain, J.Smith, J.Venning, J.Dow, and D.Coulson, gave a display of fancy diving from the high board during the course of the evening.

CHAPERONE QUESTION
Q.L.A.S.A. MEETING

At the Council meeting of the Queensland Ladies Amateur Swimming Association last evening, the rescission of the motion "All swimmers must be accompanied by a Manageress when they are invited to give any displays of swimming or diving at any country town, and also at any carnival or exhibition held in the metropolitan area" was moved on behalf of the originator. This motion had been passed at a previous meeting, and some members of the Association felt there were certain cases where it was not necessary for a Manageress to accompany the team. The motion for the rescission was defeated after a short debate.

The date for the holding of the Springfield Cup carnival was fixed for March 23 in the Municipal Baths, Valley, and a programme drawn up.

A report by Miss R.McGregor on her trip to Sydney with Miss L.Streeter who represented Queensland recently, was carried after discussion

TOOWOOMBA CARNIVAL
BRISBANE SWIMMERS COMPETE
Toowoomba Feb 22

The presence of swimmers from Brisbane added interest to the annual Downs Ladies Swimming Club carnival at the City Baths tonight. Sixteen events were decided and on the whole entries were good and the competition keen.

Visiting swimmers were Miss L.Streeter (who won the 100 metres Australian Championship in 1.9 1/5, and came third in the 100 yards Breast Stroke Championship), M.Leach (free style and back stroke champion), and V.Barr (third in the Queensland Championship Dive).

The first named annexed the City Breast Stroke Championship and her time of 1.30 1/5 was a record for the Toowoomba Baths. Miss M.Leach came first in the Intercity Championship. In the Ladies Dive, Miss F.Winter, promising young Toowoomba diver, won from Miss V.Barr by 4 1/2 points. Mr Frank Venning of Brisbane was the Judge. Miss Winter has achieved much success in diving, having secured first place against Miss Greta Nutt, the "human swallow", when she visited Toowoomba recently.

Results -

Schoolboys Handicap 33 yards - E.Webb 1, D.McCleary 2, Others V.Burt and D.Stephenson.

Championship of Toowoomba 220 yards - M.Wright 1, M.Muller 2, D.Lewington 3. R.Evans also started. Time 2.49 1/5. Won by nearly two yards. Wright took first place from the start followed by Lewington, Muller, and Evans, but Muller gained ground quickly and secured second position.

Ladies Intercity Breast Stroke Championship 100 yards - L.Streeter (Bris) 1, H.Gibbs (Tmba) 2, L.Schwilk (Tmba) 3. Time 1.30 1/5. Won by about five yards. Miss Streeter easily secured first place at the commencement, followed by

Misses Gibbs and Schwilk, and these positions were maintained.

Primary Schoolboys Handicap 33 yards - A.Jones 1, K.Horn 2

Mixed Brace Relay Handicap - each competitor to swim 33 yards - E.M.Elliott & P.Murray 1, M.Leach & M.Wright 2

Ladies Intercity Championship 66 yards - M.Leach (Bris) 1, A.Jones (Tmba) 2, F.Winter (Tmba) 3. A.Stokes (Tmba) also started. Won by about six yards with a touch between second and third. Miss Leach took the lead from the start and had no difficulty in maintaining her position.

Breast Stroke Championship of Toowoomba 100 yards - M.Muller 1, J.Gibbs 2, Time 1.21 1/5.

RECORD BROKEN AT IPSWICH CHAMPIONSHIP

All the three places in the final of the 880 yards Championship of Ipswich and West Moreton which was competed for in the City Baths on Saturday night were successful in breaking the record for the distance. The winner of the title, W.Pitcairn, who was also the holder, clipped 29 secs off his previous time. The race almost throughout was between Pitcairn and Mullins though the four finalists kept well together right to the finish.

LADIES CARNIVAL R.SMITH WINS FREE STYLE CHAMPIONSHIP

The Championship Carnival of the Queensland Ladies Amateur Swimming Association was held at the Booroodabin Baths last night.

The principal event of the evening was the 200 yards Championship of Queensland. As the holder, E.Middleton, did not defend her title, and as E.Warneke (CP) only completed one lap, the race resolved itself into a contest between R.Smith (S'gate) and B.Leach (CP). R.Smith led throughout the race and won in excellent time of 3.1 1/5.

E.Middleton unsuccessfully defended the 50 yards Junior Championship of Queensland, M.Croft (S'gate) winning in 31 2/5 seconds, while L.Streeter won the 50 yards Mrs McGregor Memorial Handicap.

During the evening an exhibition of high and fancy diving was given by Messrs W.Morrall, T.Coulsen, R.Hopkins,, and W.Cain.

The Officials who conducted the carnival were - Referee, Mr F.C.Ivett; Judges of swimming, Messrs E.J.Goodwin, J.L.Whittington, W.Lemass; Judges of diving, Messrs F.W.Springfield, E.J.Goodwin; Starter, Mr F.E.Dubncalf; Check Starter, Mr R.Hodge; Timekeepers, J.Moylan (standard), F.W.Springfield, Les Nissen, R.H.Bunting; Clerks of Course, Messrs J.Montgomery, V.Hartley; Result Steward, Mr W.J.Sheridan; Handicapper, Mrs Newman; Assistant Handicapper, Mrs Howard; Costume Stewards, Mesdames Day, Hodgson; Post Entry Steward and Competitors check, Miss L.Nicholls; Hon Treasurer, Miss I.C.McGregor; Hon Secretary, Miss P.Brunnich.

TRIANGULAR CONTESTS

The final triangular contest for decision between Sandgate, Manly, and City Pastime Clubs was decided at the formers headquarters last night before a large number of spectators.

At the commencement, the points for the two previous contests were - City Pastime 63 $\frac{1}{2}$, Manly 41 $\frac{1}{2}$, Sandgate 38. City's maintained the lead which enabled them to hold the Shield.

Points gained at last night's contest were - City Pastime 24, Sandgate 27, Manly 11.

The contest is over a period of three seasons, and the aggregate points are as follows - City Pastime 97, Sandgate 64, Manly 53 $\frac{1}{2}$.

INTERCITY CHAMPIONSHIPS TOOWOOMBA DEFEATS IPSWICH Tmba Feb 28

With a total of 8 $\frac{1}{2}$ points, Toowoomba won from Ipswich with 5 points, in the annual Intercity Championships which were decided at the City Baths last night. Twelve championships were keenly contested in most cases. Two contestants from each Centre competed in the events, and return matches will be arranged at Ipswich. Last year Ipswich won. The relay race was the outstanding item. There were twenty competitors from each City. The Pennant was received by Mr J.Hennessey, President of the Toowoomba Centre, on behalf of the Toowoomba District.

Men's Senior Events -

440 yards - W.Pitcairn (I) 1, R.Mullins (I) 2. Won easily. Time 6.20

220 yards - E.Wilson (I) 1, M.Wright (T) 2. A very close finish. Time 2.47

100 yards - T.Dickson (I), K.Dapkwitch (I) 2 Won by three yards Time 65 $\frac{1}{5}$ s

Dive - F.Winter (T) 1, J.Lind (I) 2

Mixed Relay Race - Won by Toowoomba by about seven yards. Time 1452 $\frac{3}{5}$.

The ladies started and Toowoomba had a lead of six yards when they handed over to the juniors. They increased the lead to fifteen yards. When the seniors took control Ipswich gained considerably, Malcomsen eing the first Ipswich swimmer to take the lead for his team when he passed M.Thorne. The Toowoomba team, however, got in front again, and in the final lap between M.Wright (T) and W.Campbell (I) the former retained the position.

Open Events -

Schoolboys Handicap 33 yards - R.Bardon 1, K.Thorne 2

Handicap 66 yards - K.Horn 1, R.Steggall 2.

BRISBANE VERSUS LISMORE

Thirty three swimmers representing the City Pastime Club of Brisbane competed against swimmers of the Lismore Club at the Lismore Municipal Baths last night. The competition excited keen interest and there was a large crowd of spectators.

Lismore was successful by 72 points to 28½, and has now won the Cup for competition between the two Clubs, and which was already held by Lismore.

KEEN FINISHES
TRIANGULAR CARNIVAL

The triangular carnival between Ipswich, Christian Brothers, and Toowong, was held in the Toowong Baths last night, and was won by Ipswich with 7½ points. Christian Brothers Club was second with 2½ points, and Toowong scored 2 points. Several of the contests were closely contested, especially the handicap races. The first and third in men's events dead-heated.

ROCKHAMPTON

The Y.M.C.A. held a carnival at the City Baths tonight. The feature was the ladies race for the first time in Rockhampton.

SPRINGFIELD CUP
VALLEY LADIES SUPREME

The cream of Queensland's lady swimmers were seen in action at the Valley Baths last evening when five Clubs competed for the Springfield Cup conducted under the auspices of the Queensland Ladies Amateur Swimming Association.

Valley, last year's winners, were again victorious with 68½ points, the nearest opponent being Sandgate with 43 points. Federal Club came third scoring 13½ points. Valley representatives gave consistent performances throughout and established a good lead mid way through the programme.

Chief interest centered on the teams race when Sandgate and Valley raced together over every lap, Valley eventually winning by a touch.

The Cup was presented to the winners by the donor, Miss Mabel Springfield.

ENDURANCE SWIMMING

Brisbane is being offered the opportunity of seeing an endurance swim in the near future. Katherina Mehua and "Digger" Frank Roberts have already signified their intention of competing in the event which is set down for decision in the Booroodabin Baths commencing Friday April 24.

Roberts won the men's section of the endurance swim at Manly (Sydney) Baths early this year, when he was 38 hours 35 minutes in the water.

This time was eclipsed in the ladies section five days later when Miss Mercedes Gleitze established a new record for tidal baths of 48 hours 50 minutes. On that occasion Katherina Mehua filled second place with 47 hours 50 minutes. Subsequently Miss Mehua established a record of 72 hours 9 minutes at Rushcutters Bay (Sydney) Baths.

JAMES TAYLOR TROPHY

Four events in the competition for the James Taylor Trophy were decided at the Booroodabin Baths last night.

W.Daley, by winning the two races for men, carried his tally of points to 19, and appears to be the winner of the coveted prize.

There are only four Olympic distances for women, however, and Miss Rita Smith who is leading this section with 15 points was faced with an almost impossible task from the outset. Another race is likely to be arranged for ladies so that the number of events for both sexes will be the same. If Miss Smith would win it, the four points would place her level with W.Daley.

The points won by various competitors after last night's races were - W.Daley 19, Miss R.Smith 15, J.Lewis 13, Miss B.Leach 9, K.Forster 8, Miss M.Croft 6, Joe Venning 3, R.Treleaven 2, J.Kelly 2.

The four events resulted as follows:

100 metres Back Stroke for men - W.Daley 1, K.Forster 2, J.Lewis 3. Won by three yards with four yards between second and third. Time 1.13

400 metres Free Style for Men W.Daley 1, J.Lewis 2, K.Forster 3. Won easily. Time 6.8

100 metres Free Style for Ladies - R.Smith 1, B.Leach 2. Won comfortably. As this was the first official race for women over this distance, the winner's time of 1.16 1/5 will probably be recognized as a State record.

100 metres Back Stroke for Ladies - B.Leach 1, R.Smith 2, Time 1.49 1/5.

NEPTUNE LADIES CLUB

Following a fourth successful season, the Annual Meeting of the Neptune Ladies Amateur Swimming and Life Saving Club was held last night in Albert House, the President, Mrs I.C.McGregor, occupying the Chair. The Annual Report disclosed the Club had annexed the Roe Cup for the ladies surf competition at Mooloolaba last Easter. The Financial Statement showed a Credit Balance of £8/7/5.

Prior to the annual meeting, a special meeting decided to retain the name and incorporate the name "Swimming" in the title of the Club, and subsequently it was decided to affiliate with the Q.L.A.S.A and also the Royal Life Saving Society.

Trophies won during the season were presented to members, and members of the surf team received miniature silver cups.

The first weekly swim of the Club will be held in the Ithaca Baths on the first Wednesday in October.

Election of office bearers for the ensuing twelve months resulted - Patroness, Mrs V.A.McGregor-Lowndes; President, Miss I.C.McGregor; Hon Secretary, Miss J.McGregor-Lowndes; Hon Treasurer, Miss L.Gammie; Hon Auditor, Miss T.Cooney; Committee, Misses Holmes, McWhinney, Soden, Shinnie, Holdstock; Captain, Miss J.McGregor-Lowndes; Vice Captain, Miss D.Cooper; Surf Instructor, Mr W.Smith; Still Water Instructor, Mr J.Martin; Selection Committee, Misses D.Cooper, J.McGregor-Lowndes, Messrs W.Smith, J.Martin; Attendance Steward, Miss C.Shinnie; Delegate to R.L.S.S, Miss F.Gibbeth; Delegates to Q.L.A.S.A, Misses N.Holmes, L.Soden; Press Correspondent, Miss N.Holmes; Advisory Board, Messrs F.G.Venning, W.Soden (Snr), J.J.Betts, W.Lenehan.

Presentations were made to the Hon Secretary and the Hon Treasurer for the work they had performed during the year.

PASTIME CLUB

The desirableness of fostering an Interstate visit in swimming was stressed by the President, Mr P.J.Copley, at the Annual Meeting of the City Pastime Amateur Swimming Club at the Annual Meeting last night. The Club, he said, had given a lead to the rest of the State in arranging Interstate visits with Lismore swimmers.

The Annual Report stated that the Balance at the bank at the end of the year was £11/13/4.

Congratulations on the progress of the Club were offered by Messrs D.S.Carter and E.J.Goodwin, President and Secretary respectively of the Q.A.S.A.

On behalf of the Social Committee, Mr J.Robinson presented the President with 36 raised through entertainment during the winter.

The election of officers resulted - Patron Rev W.P.B.Miles; Vice Patrons, Messrs R.McCallam, C.Kahler; President, Mr P.J.Copley; Hon Secretary & Treasurer, Mr J.Montgomery; Assistant Hon Secretary Mr N.Rodgers; Delegates to Q.A.S.A Messrs E.Bonis, J.Montgomery, C.Kahler, P.J.Copley, D.Harrower; Committee, Messrs R.McCallam, H.Budd, D.Harrower, C.Kahler, J.Robinson, Mesdames J.Montgomery, R.McCallam, and the Ladies Captain.

SANDGATE CLUB

"Previous figures in almost every section of the Club had been eclipsed in the past year" said the President, Mr J.Moss, in presenting the Annual Report at the Annual Meeting of the Sandgate Amateur Swimming Club held on Tuesday night last. With a membership of 139 the Club was the largest affiliated with the Q.A.S.A. Expenditure during the year amounted to £214/18/7, but the Club was able to show a Credit Balance of £17/6/6.

The election of officers resulted - Patron Alderman E.P.Decker; President,

Mr J.A.Moss; Vice Presidents, Messrs B.H.White, P.McMenamin, H.Harden, W.Gower, L.McCosker, L.Sellick; Secretary, Mr J.R.Hutchison; Assistant Secretary, Mr R.McKauge; Ladies Secretary, Miss M.Jennings; Treasurer, Mr W.J.Sheridan; Committee, Messrs J.D.Stanton, T.Middleton, M.Leahy, R.Bowser, T.Saunders, Mrs M.C.Hinton, Misses N.Clayton, R.Smith Trustees, Messrs J.A.Moss, T.Middleton; Auditors, Messrs T.Middleton, R.Bowser; Press Correspondent, Mr J.R.Hutchison; Q.A.S.A Delegates, Messrs J.D.Stanton, J.R.Hutchison, W.J.Sheridan, T.Middleton; Q.L.A.S.A Delegates, Mesdames J.A.Moss, M.C.Hinton, Misses M.Jennings, M.Clayton; Ladies Captain, Miss M.Clayton; Men's Captain, Mr F.Huxham; Handicappers Mrs T.Middleton (ladies A & B), Miss M.Clayton (junior ladies), Messrs R.McKauge (A senior), G.Catterns (B senior), L.De Vene (junior), R.Bowser (novices); Standard Timekeeper, Mr S.Best; Ladies Starter, Mrs M.C.Hinton; Men's Starter, Mr J.A.Moss; Check Starter, Mr A.Wood; Judges, Messrs M.Miles, E.Saunders, N.Best; Official Coach, Mr J.D.Stanton.

It was decided to open the season on October 14.

TOOWOOMBA CENTRE

Tmba Sept 24

The Annual Report of the Toowoomba Amateur Swimming Centre which was presented at a meeting held at the City Baths tonight showed that the Centre had completed a most successful year. Four Clubs were affiliated with the Centre, Grammar School, Past Christian Brothers, Past Grammars, and Valley, and each of these Clubs reported a satisfactory season. Four carnivals were held during the year, all of which were successful. The Financial Report showed the Centre had commenced the season with a credit of £40/5/7, and closed with a credit balance of £12/11/5. The expenditure for the season amounted to £154/13/11, and the receipts to £137/2/6.

The election of office bearers resulted as follows - Patron, The Mayor, Ald F.T.Paterson; President, Mr C.W.Hennessy; Vice Presidents, Messrs A.Moreton, E.A.Baker, D.Buchanan, R.Cole, K.McKinney; Treasurer, Mr C.McRae; Auditor, Mr A.Moreton; Secretary, Mr P.M.Stegall.

Q.L.A.S.A.
SUCCESSFUL ACTIVITIES

The successful activities of the Queensland Ladies Amateur Swimming Association during the past season were outlined in a Report presented at the 27th Annual Meeting of that body last evening. Confidence in the coming season was expressed. The membership, the Report stated, comprised eleven affiliated Clubs, there being seven town Clubs and four country Clubs - Commercial, Otter, Valley, Federal, Manly, Sandgate, City Pastime, Warwick, Toowoomba, Rockhampton, and Townsville.

Mention was made of Miss Rita Smith's success in winning the James Taylor Trophy which is awarded every two years to the man or woman who is the "Best All Round" swimmer.

The balance Sheet showed a deficit of £9/14/-.

The following motions were passed at a Special General Meeting and confirmed at the Annual Meeting -

"That the capitation fees be rescinded and members pay Olympic fees."

"That junior diving be encouraged by Clubs having their own Diving Championships."

"That a Selection Committee of three be formed to select swimmers to represent Queensland at the Australian Championships, the Committee to be formed at the first Council meeting."

It was decided to approach the Brisbane City Council with a view to

obtaining a reduction of admission fees to the Valley Baths to three- pence for seniors and one penny for juniors.

Officers for the ensuing twelve months were elected as follows - Patroness, Mrs F.W.De Little; President, Mrs V.McGregor-Lowndes; Vice Presidents, Mesdames A.V.Meehan, D.H.Rhoades, A.Rees, E.J.Goodwin, A.Cannon, G.H.Thone, J.E.Streeter, J.Montgomery, P.Crowe, E.Middleton; Hon Secretary, Miss P.Brunnich; Hon Treasurer, Miss I.C.McGregor; Advisory Board, Messrs F.W.De Little, J.Hiron, W.Kuder, D.S.Carter, F.W.Springfield (Jnr), L.Nissen; Handicapper, Mrs S.H.Newman; Hon Auditors, Messrs W.Kuder, W.H.Duffy.

Championship medals were distributed to the respective winners by Mrs McGregor-Lowndes.

MANLY CLUB

Support of State School swimming formed an important activity of the Manly Swimming Club in the 1930-31 season, and the usual Report at the Fourth Annual Meeting last night indicated that the Club had also achieved its objectives.

The retiring President, Mr J.H.Saville, presided.

The roll showed 45 active swimmers and three carnivals had been held during the season. The wining of the 100 yards State Schools Boys Championship by R.Kimlin, a member of the Club, created an incentive for junior members.

The income for the year amounted to £94/8/3. The value of trophies amounted to £42, and a credit balance of £7/6/6/ remained.

It was decided to alter the name of the Club to that of the Moreton Bay Swimming Club, and open the season on October 13.

The election of office bearers for the ensuing season resulted - Patron, Mr W.H.Barnes M.L.A; President, Mr J.H.Saville; Hon Secretary, Mr O.Meredith; Hon Treasurer, Mr J.Ericksen; Captain, Mr J.R.Etchells; Vice Captain, Mr K.Kimlin; Ladies Captain, Miss M.Eden.

R H.Kimlin was elected a Life Member.

CHRISTIAN BROTHERS ANNUAL MEETING

A successful season was projected for the Christian Brothers Swimming Club at the annual meeting last night. The Chairman, Mr G.J.O'Connell, was hoping that all the swimmers who had helped to annexe the QASA Shield last year would be available for the forthcoming series and club events. There was promise of good enrolment of new members.

The membership shown by the Annual Report was 63.

It was decided to hold the opening swim of the season at the Ithaca Baths next Wednesday night.

Office bearers appointed for the ensuing year were - Patron, Archbishop Duhig; President, Mr P.Scanlan; Secretary, Mr V.Hartley; Treasurer, Mr D.McGovern.

VALLEY SWIMMING CLUB

The speakers at the 34th Annual meeting of the Valley Amateur Swimming Club, held in the Buffalos Hall, Valley, last night all referred to the fact that this year for the first time in some years the honoured title of "Champion Club" was lost by the Valley Club. It was hoped, however, that this year would show a return to the title.

The Annual Report and Balance Sheet which indicated that the Club had finished the season slightly in arrears was presented by the president, Mr F.W.Springfield, who appealed for more interest among members. His remarks were

supported by Mr D.S.Carter and other speakers.

Officers for the ensuing year were elected - Patron Mr J.J.Fitzgerald; President, Mr F.W. Springfield; Secretary, Mr H.J.Kiely; Treasurer, Mr A.Long.

B.C. Saturday 10 October 1931

The first meeting of the season of the Council of the Queensland Amateur Swimming Association was held in the Y.M.C.A last night. Mr Carter presided. The following officers were elected - Chairman of Council, Mr D.S.Carter; Secretary, Mr E.J.Goodwin; Treasurer, Mr L.Stanton; Starter, Mr F.E.Duncliffe; Timekeeper, Mr J.Moylan; Hon Solicitor, Mr E.J.Simmonds; Executive Committee, Messrs L.Nissen, N.Burn, R.Grier, F.E.Duncliffe, and W.Lemass.

It was decided to delete Rule 96 which provided that swimmers must have resided for three months in the State before being eligible to compete in the State championships. It was stated that inter-state swimmers competing under the new conditions would not annex the title but receive a replica of the trophy, and it was contended that by this means, the local standard of swimming would be benefited.

The dates of the state & Country Championships for the 1931-1932 season were fixed for January 15, 18, and 20.

An application from the Moreton Bay, City Pastime, and Sandgate Clubs to hold a series of triangular contests for a Shield on November 17, December 10, and February 24, was granted.

Considerable discussion took place on the formation of an Amateur Sports Club in Brisbane, and the matter was left in the hands of the Executive to report to the next meeting of Council.

GERMAN SWIMMER
VISIT TO BRISBANE

Gus Froelich, the German swimmers holding the world backstroke record from 1922 to 1928, is at present on a three weeks visit to Brisbane with several European championships to his credit. He first visited Australia in 1928 and competed in the Australian Championships in Melbourne.

At the request of the southern sporting bodies he returned to Australia in 1929 as a swimming coach. He has subsequently visited all States, and while on a visit to Brisbane last year he assisted in the training of young swimmers at the metropolitan schools and colleges. Several of the Brisbane swimming clubs also received the benefit of his tuition.

Froelich has made arrangements for coaching at the various schools during his stay, and he will return to Melbourne for the opening of the season in December.

IPSWICH CENTRE

Ips Oct 23

The following office bearers were elected at the Annual Meeting of the Ipswich Amateur Swimming Centre at which Mr W.S.Johnston presided - Patron, the Mayor, Ald G.Cleary; President, Mr W.S.Johnston; Vice Presidents, Messrs W.Ferguson, W.Pratt, A.J.Schaffer, W.Lemass, A.G.Stephenson, and Alderman A.T.Stephenson; Secretary, Mr J.D.Bain; Treasurer, Mr A.R.Reilly; Senior Handicapper, Mr W.M.McNamara; Junior Handicapper, Mr J.Simpson; Ladies Handicapper, Mr A.Tall; Starter, Mr J.Simpson; Check Starter, Mr J.Boyd; Referee, Mr A.J.Schaffer; Timekeepers, Messrs W.Pratt, R.Simpson, and R.Bennett; Judges, Messrs F.Elson, V.Betts, and E.Watkins.

In answer to a question whether any overseas visitors would be coming to Queensland this season, Mr E.J.Goodwin (Secretary QASA) said that he had endeavoured to have two Japanese swimmers, but they were unable to make the trip. He had, however, endeavoured to get "Boy" Charlton to Queensland this summer.

It was decided to re-affiliate with the QASA.

SPLENDID WORK
STATE SCHOOLS GIRLS ASSOCIATION

The good work of the Queensland State Schools Girls Association called forth high commendation from His Excellency the Governor (Lt General Sir John Goodwin) who attended the 21st Annual Meeting of the Association yesterday.

"One had only to read the Annual Report," said His Excellency, "to realise the excellency of the Association. Not only was this work very advisable and to be commended and supported, but in a country such as Queensland, it was an absolute necessity."

His Excellency was impressed by the amount of voluntary work performed in the Association, and he felt sure it would never look back. He was sorry it was his last Annual Meeting he would be able to attend, but he wished the Association every success.

TRIANGULAR CONTEST
WIN FOR CITY PASTIME

Some good times were recorded at the second of the triangular swimming contests between City Pastime, Sandgate, and Moreton Bay Clubs at the Davies Park Baths last night.

Points - City Pastime 44, Sandgate 32, Moreton Bay 26.

RELAY RACE

Several contests for the QASA inter-club teams relay race for juniors and seniors was staged in front of a large crowd at the Sandgate baths last night.

Valley registered their second win and are leading with 8 points from City B, Sandgate, and City A, who have 4 points each.

Manly, Christian Brothers, and Moreton Bay, failed to start.

MAROOCHY CARNIVAL

Maroochy Amateur Swimming Club conducted a successful carnival on the Maroochy River on New Year's Day. Some great finishes were witnessed, particularly in the 220 yards Breaststroke and the 220 yards Freestyle events.

Joe Suosaari, who conceded 8 seconds to Gordon Petersen in the breaststroke event, just beat Petersen by a touch after running neck and neck for the last 50 yards.

The 220 yards freestyle was also a good race, Alan Petersen defeating his brother Reg and V. Anderson by a narrow margin.

The display of diving was excellent, Vic Suosaari winning the men's event and Miss Myrtle Betts the ladies event.

Some 1500 people witnessed the events.

SATE AND COUNTRY CHAMPIONSHIPS

Keen interest is being shown in the State & Country Championships to begin at the Valley Municipal Baths on Friday night. Over 400 entries have been received.

The reappearance of Reg Grier will be a big attraction, and also the appearance of a strong team from Lismore (NSW). Included in the Lismore team will be Lurline Hook the Australian diving champion. She will appear in exhibitions and will take part in the Queensland Diving Championships.

Events to be contested on Friday night are - 440 yards Freestyle Championship of Queensland, 220 yards Breaststroke Championship of Queensland, 250 yards Junior Flying Squadron Championship of Queensland, 100 yards Country Championship, 50 yards Junior Championship.

SWIMMING TESTS
RITA SMITH'S FINE EFFORT

The series of tests to find Queensland representatives for the Australian Championships to be held in the south in the near future was concluded at the Valley Baths last evening when the 220 yards freestyle and the 100 yards backstroke were contested.

In the first event a strong wind was blowing across the baths and the swimmers were further handicapped by rain. Rita Smith, under these conditions, had a good time of 2m 31 2/5s. She led all the way and won by several yards.

Results

220 yards Freestyle - R.Smith 1, Barbara Leach 2.

100 yards Backstroke - Mary Leach 1, Barbara Leach 2. Mary led all the way and won easily in 1m 29 4/5s.

QASA RELAY CONTEST

The round of the QASA Relay Shield which was contested at the Ithaca Baths last night saw some very fine swimming.

In the final, Christian Brothers on "Go" had a great battle to win and in a last desperate sprint won by a touch.

In the first heat Christian Brothers (6) won from City Pastime A (30), and Commercial Gold (Go), followed by Sandgate (10). The time was 4m 30 1/5s. In the second heat Valley were set an almost impossible task as they were on 41 against Federal (go), City Pastime B (13), and Moreton Bay (15). Moreton Bay, Federal, and City Pastime B swam the last lap together, and in a good finish Moreton Bay won from City B with federal third. Moreton Bay's time was 4m 17 4/5s.

The Valley team, which consisted of Cripps, Cannon, Daley, Gilbert, Trentfield, Foster, Costorphan, and Boast, attempted the record for 400 yards, but owing to two mishaps could only do 3m 45s, 16 seconds short. Boast did his 50 yards in 25 3/5 seconds.

With little between the first three teams in the final, it was a thrilling race. Christian Brothers (Go) who held the lead almost throughout the race won by the narrowest margin in 4m 5 2/5s from Moreton Bay (4) and City B (3). City A (24) were a little further back. Christian Brothers team consisted of J.Venning, A.Mathis, A.Culshaw, G.Waldon, C.Hartley, R.Ashworth, T.McGovern, and W.Reilly.

The junior relay resulted - Valley (17) 1, Christian Brothers (Go) 2, City (8) 3.

"BOY" CHARLTON
QUEENSLAND VISIT
ARRIVING FEBRUARY 11

The forthcoming tour of Queensland by Andrew "Boy" Charlton will bring to fruition efforts extending over several years to bring the Australian champion swimmer to this State.

The QASA last week submitted the suggested itinerary to Charlton and his manager, Harry Hay, but Charlton has not yet communicated his decision on the matter. The swimmer laid down as a condition for this visit that his manager comes too, his expenses being paid by the Association.

Charlton probably will make a flying tour through the various country towns such as Warwick, Toowoomba, Rockhampton, Maryborough, and Ipswich, giving exhibition swims in each town.

There does not seem to be any swimmer in Queensland capable of extending Charlton, even over the shorter distances, but the champion will probably make attempts on the local records for the various distances. Charlton's great swim in Sydney on Saturday last has brought him to the forefront of the swimming world once again, and his appearance would attract big crowds to the Centres visited.

Up to the present it is only known that he will arrive on February 11.

No decision has yet been made regarding sending swimmers to the National Games to be held in Melbourne at the end of this month. The only likely contestant from Queensland so far as QASA is concerned seems to be Tom Boast. We have no one in this State quite in the class of Charlton, Ryan, Bosomo, and the other southern stars, and as there are no championships involved, it is considered it would be wasted expenditure to send swimmers who have no possible chance of victory.

WITT WINS 880
BOAST OUT-GENERALED

Merv Witt (Mary River) secured his second championship yesterday afternoon when he defeated Tom Boast in the final of the 880 yards, but in order to do so he had to break Sid Springfield's Queensland record which has stood since 1925.

The race was a tactical victory for Witt, allowing Boast to lead for most of the distance forcing him gradually to increase his pace, and then in the last 50 yards when a final sprint was needed for victory, Boast could not respond with sufficient pace. Stafford and Petersen hung on to the heels of the two leaders for three quarters of the journey, but they could not keep up in the final stages, and were 30 yards back when the finishing line was crossed.

Boast set out to break the record for Queensland of 11m 46s set out by Sid Springfield in March 1925, but he failed by 1 1/2 seconds. Witt, however, shattered it by 3 1/2 seconds. His time of 11m 42 3/5 for the distance, however, cannot compare with the Australian record of 10m 52s by Charlton in Sydney last Saturday.

Details -

880 yards Freestyle Championship of Queensland - M.Witt (Mary River) 11m42 3/5 1, T.Boast (Valley) 11m 47 2/5s 2, A.Petersen (M'dore) 12m 8 1/5s 3.

TITLES RETAINED
SWIMMING CHAMPIONSHIPS
FLYING SQUADRON TO VALLEY

There were no new records put up at the championship carnival at the Valley Baths last night, but in each where there was a challenger the title was retained by the holder.

Valley won the 500 yards Flying Squadron Club championship, equalling their own record for the event, 5m 7s. Joe Suosaari retained his title in the 440 yards Breaststroke Championship of Queensland, covering the distance in 7m 02/5s which, however, was 59 seconds behind the Australian and Queensland record of which he is the holder. R.Grier retained the record made by a Queenslander in the 220yards Freestyle Championship of Queensland, his time being 4 2/5 seconds behind his best (2m 24 4/5s). T.Boast held his title for the 100 yards Backstroke Championship of Queensland by 2 4/5s over W.Daley.

During the evening an exhibition of diving was given by Miss L.Hook (Lismore) Australian lady champion, Miss H.Beardmore (Valley) lady champion of Queensland, Miss C/Lambert (Lismore), W.Cain, R.Hopkins, and A.Harrower.

Results -

220 yards Freestyle Championship of Queensland - R.Grier (V) 2m 29 1/5 1, T.Boast (V) 2m 31 3/5 2, M.Witt (Mary River) 2m 31 4/5 3.

440 yards Breaststroke Championship of Queensland - J.Suosaari (M'dore) 7:0 2/5 1, M.Muller (Tmba) 7m 1 3/5 2, G.Petersen (M'dore) 7m 17 3. F.Huxham (S'gate) ked for a while at the beginning but was soon overtaken by Suosaari.

100 yards Backstroke Championship of Queensland - T.Boast (V) 1m 11 1, W.Daley (V) 1m 13 4/5 2, J.Etchells (M Bay) 1m 16 3/5 3. Boast won easily by about 5 yards.

100 yards "Bill" Hetherington Memorial Handicap - V.Trimble 1, O.McDougall 2, R.Campbell

500 yards Flying Squadron (Club) Championship of Queensland - Valley (R.Grier, T.Boast, G.Newton, G.Costorphan, A.Foster, B.Stafford, R.Trentfield) 5m 7 1, Lismore 2, Mary River 3

WILL NOT ACCEPT

Tom Boast, the Association backstroke champion and good all-round freestyle swimmer, said yesterday he could not accept the invitation of the Secretary of the Queensland Amateur Swimming Association to compete in the National Games commencing on February 5.

Giving his decision to a "Courier" representative Boast said that though he was eager to compete in the National Games, he could not see his way possibly to do so. He expressed appreciation of the Associations invitation, but stated he would like some other swimmer to get the chance.

His decision will be regretted by followers of the sport, as Tom Boast is considered to stand head and shoulders over any other Queensland swimmer and his chances of success at the National Games were exceedingly bright particularly in the backstroke events. He would have represented Queensland in the backstroke event in which he is at present the Australian champion and also the 100 yards freestyle. Boast has also registered some outstanding successes as a surf swimmer.

SUBSTITUTE UNLIKELY

One of the officials of the QASA, when notified of Boast's decision yesterday, stated the matter would be considered by the Executive, but it was unlikely another swimmer would be selected.

M.Witt, the Mary River swimmer who has given some good displays during the Queensland Championships when he defeated Boast in the 880 yards freestyle on Tuesday evening, was mentioned as a possibility for selection, but as that swimmer excelled in the half mile and mile races in which he would meet Charlton, he was not considered for the event.

NOT FINALISED
LADY REPRESENTATIVES

The selection of swimmers to represent the Queensland Ladies Amateur Swimming Association at the National Games in Melbourne has not yet been finalised, but it is considered likely that more than one Queensland lady will compete.

As already announced in the "Courier", Miss Rita Smith (S'gate) has already been chosen

Miss Smith has made remarkable progress during the past two seasons and at the present time is undoubtedly the State's best. She holds every Queensland freestyle title except the 100 yards, but in swimming that distance at the Ithaca Baths in 57 1/5 seconds earlier last year, Miss Smith recorded the fastest time ever recorded by a lady swimmer, visiting or otherwise, in Queensland.

The question of sending another swimmer - perhaps two - is being considered. Miss P.Thompson, the present champion for the 220 yards breaststroke, is favoured, and it is possible she will be accompanied by Miss M.Streeter, another breaststroke swimmer. Mary Leach (C.P) may make some good claim to selection for her good results in the backstroke.

B.C. Saturday 23 January 1932

ONLY ONE
RITA SMITH
QUEENSLAND LADY SWIMMRES

Rita Smith, it was announced yesterday, will be the only Queensland representative at the National Games which will commence in Melbourne next Saturday.

The QLASA came to this decision yesterday as Rita Smith had been .swimming very well of late, and as her times compared favourably with the swimmers in the south, she should be the only one sent. The Association had intended to send Phyllis Thompson and Lorraine Streeter, but though they had been showing good form, their time did not compare with those of the Sydney star Claire Dennis. The Queensland Ladies Amateur Swimming Association felt that Miss Thompson's figure would no be able to gain a place at the National Games, and that funds would not allow them to send the two young swimmers in order that they might merely gain experience.

Rita Smith also will have a hard task ahead of her in Melbourne as she will have to face such swimmers as Mollie Mitchell, June Cocks, and Vi Armstrong, some of whom hold Australian and world records.

Miss Smith will leave by the "Canberra" today, and will be accompanied by Mrs K.Mackay who will act as Manager during the trip.

STATE DIVING CHAMPIONSHIPS

To the Editor,
Sir,

Permit me to have some space to ask a few questions about the management of the State Diving Championships.

As a spectator recently at the Valley Baths, I should like to ask why the disagreement over a certain dive? In entering for the State Diving Championship the competitors, I understand would acquaint themselves of the compulsory dives and practise them. Granted they do this. When the day arrives they are asked to perform a compulsory dive that they have not practised, namely, a running Mollberg (off a rigid board) instead of a standing one. One competitor refused to do it and was disqualified. Another tried it and hurt her back. Was this fair?

I would very much like to know why the officials made the alteration, and also whether they have set rules, or a handbook, which tells the names and particulars of the compulsory dives? Can any officials alter them at his, or her, own sweet will? Can you enlighten me?

It is the second occasion when I have been present that trouble has arisen

over compulsory dives.

It is about time those responsible for the management of the Diving Championships come to some definite arrangement about the rules, and adhere to them.

Just a few more words.

It seems a foolish arrangement to allow anyone from new South Wales to compete in the Queensland Championships when they are not residents here and therefore could not retain the title. Surely that is absurd?

I am, Sir,
"Fair Play" Yeronga.

BOAST GOING TO NATIONAL GAMES

Despite previous reports to the contrary, Tom Boast is to represent Queensland in swimming events in the National Games next week.

This statement was made by the Secretary of the QASA (Mr E.J.Goodwin) last night. He said that owing to undue publicity the previous arrangement base had fallen through. The swimmer had now decided that instead of going south for the surf events in March, he would represent Queensland at the National Games. He had received the necessary permission from his employers and would leave on Friday morning on the mail train. He will compete in the 100 yards and 200 yards freestyle, and the 100 yards backstroke races.

CHARLTON'S VISIT

All arrangements for Andrew Charlton's visit to Queensland were finalised at a meeting of the Executive of the QASA presided over by Mr D.S.Carter last night.

The swimmer will arrive by the Kyogle mil train on the afternoon of Thursday 11 February, and that night will broadcast an address over Station 4BC. An official reception has been arranged for February 12, and the swimmer will make his first public appearance at the Valley Baths on Monday 15 February, when he will make an attempt on the world 800 metres record, Tom Boast being one of his opponents.

All swimming Centres at which Charlton will appear during his tour have accepted the dates allotted to them, though a protest has been received from Bundaberg that they were not included.

At the meeting last night Mr N.Burn was appointed as Acting Treasurer in the place of Mr J.D.Stanton (the Hon Treasurer) who is now in Melbourne at the National Games and meeting of the Olympic Council.

RECORDS MADE
CHARLTON'S FINE SWIM
BIG CROWDS THRILLED

More than 3500 persons crowded into the Booroodabin Baths last night to see Andrew Charlton in action, and he gave complete satisfaction by winning the 800 metres invitation handicap, creating an Australian record for the distance.

The baths were filled long before 8 o'clock and many people had to be turned away.

The event in which Charlton made his appearance was staged at 9 o'clock. The champion received a tumultuous welcome. There were ten competitors, and though he conceded starts of up to 63 seconds, he won easily. After the first couple of laps the result was never in doubt, and when Charlton wrested the lead with 200 metres to go, a couple of swimmers had to dive in to pace hi over the remainder of the journey.

From an official point of view the carnival was a complete success with an rough estimate of the gross takings of £230. This meant a profit of over £200.

The supporting events were conducted in a business-like manner.

Q.A.S.A EDICT
CHARLTON'S TOUR
Rockhampton Feb 12

A surprise was created among local swimmers today when it was announced that Andrew Charlton, the Australian champion, would arrive by the Townsville mail train today and appear on only one night of the carnival. Local cracks had arranged a programme for Charlton for tonight and tomorrow night, and Charlton and manager, Mr Eric Fox, were agreeing to appear on both nights.

When the visitors were met by the local Committee this morning, Mr Fox stated that they had been given definite instructions by the Queensland Amateur Swimming Association before leaving Brisbane, that they could give only one exhibition swim in Rockhampton.

While Charlton would have no objection to appear here on both nights, the visitors realised they must abide by the decision of the QASA.

Charlton was, however, present at the carnival tonight and will appear in an exhibition swim tomorrow night.

Charlton and his Manager were extended a Civic Reception this afternoon.

RECORD BROKEN
ISWICH CHAMPIONSHIPS

Patrons who attended the races held under the auspices of the Ipswich Amateur Swimming Centre were not disappointed in their expectations of a keen contest on Saturday night for the 440 yards Championship of Ipswich and West Moreton.

It was thought that the two finalists in the second heat would be J. Dickson, a young swimmer who has come to the front very quickly this year, and W. Pitcairn, the holder of the title. The surmise was correct.

The ace brought about was one of the best seen in the baths. Dickson won by a touch, and in doing so broke the previous record for the distance.

The first half of the tour having been completed, Andrew Charlton and Mr Fox will arrive back in Brisbane from the north at midday today.

The swimmer will leave again almost immediately for Ipswich where they will swim tonight. Tomorrow morning Charlton will go on to Toowoomba and swim there tomorrow night, and in Warwick the following evening.

On Friday Charlton will make an appearance at Goondiwindi and from there go on to Moree NSW). The pair will return to Sydney by way of the Northern Rivers, visiting Murwillumbah, Lismore, Grafton, and Coffs Harbour en route.

TO TOUR NORTH
LADIES SWIMMING TEAM
ITINERARY ARRANGED

Arrangements were completed last night for a tour of North Queensland by a team of Sandgate lady swimmers, including the State champion Rita Smith.

Miss Smith had been invited to compete in the Bridge Opening Games in Sydney this month, but she has decided to accompany her club mates on the northern tour.

The team will consist of four swimmers, Misses Rita Smith, Frances Hinton, and Nancy and Sybil Croft. The Assistant Secretary of the Sandgate Club, Mr R. McKauge, will act as Manager, and Mrs Hinton as Chaperone. The inclusion of Sybil Croft was in doubt until last night until the father of this twelve year old was prevailed upon to let her accompany her sister.

The party will leave Brisbane on Monday 20 March, and the girls will make their first appearance in Townsville on March 23.

The Herberton Club, which has a new pool, has invited them to appear there

on Easter Saturday morning and it is intended to accept the invitation if the Club becomes affiliated with the QASA before then.

The next swim will be in Townsville on Easter Sunday, the carnival having been arranged in honour of the visitors, and it is possible the girls will go on the Malanda on the following day. They will visit Rockhampton on the return journey, appearance there having been arranged for March 31.

Guarantees have been given by all Clubs which will receive the touring swimmers, so it is expected their expenses will be covered.

In view of Miss Smith's performances at the National Games in Melbourne, the team should create plenty of enthusiasm in the north.

BOAST NOT GOING

It was learned yesterday that Tom Boast, the Mowbray Park swimmer, would not accept the Bridge Opening Games invitation to swim in Sydney this month.

Probably one of the reasons for this decision was that the Mowbray Park surf team has been disqualified for one month, and will not be able to take part in the surf championships in Sydney during the Bridge Opening activities.

Boast is a prominent member of the surf team which is expected to represent Queensland in the championships, but it is understood that he does not propose to go on the trip at Club expense his Club mates cannot share.

CHARLTON'S VISIT NEARLY DISQUALIFIED OFFICIAL'S STORY

In a statement by the President of the Queensland Amateur Swimming Association (Mr D.S.Carter) at a Council meeting of the Association last night, it was declared that Andrew Charlton was threatened with disqualification by the Association in order to hold him to the terms of his contract during his recent visit to Queensland.

The matter was raised by the delegates of the Sandgate Club who declared they had had very shabby treatment at the hands of the QASA. According to their story they had been told by the QASA that Charlton would appear at the Sandgate Baths on Saturday evening at 7.30 o'clock, and arrangements were made for a Reception by Alderman Decker, the Sandgate people and supporters of the Club.

However, there was advertisement in the Saturday morning newspaper in which it was announced that Charlton would appear on stage at a city theatre at 8 o'clock on that evening and again on Monday. This, they contended, caused a great number of people to stay away from the baths, and they lost a large proportion of the money (ten guineas) which they had paid to the QASA for Charlton to appear, despite the guarantee by the QASA that the swimmer would appear at 7.30.

Mr Carter then said that the first inkling he had had that anything was wrong was when he saw an advertisement in the Saturday morning press to the effect that Charlton would appear at a city theatre that night and on Monday. He cut the advertisement out and came into town shortly after 7 o'clock on Saturday evening to see the two visitors. He met Mr Fox, (Charlton's Manager) in the vestibule of the hotel in which they were staying, and asked him for an explanation.

Mr Fox stated that he had arranged that matter with the Secretary of the QASA (Mr E.J.Goodwin), but he (Mr Carter) told him that Mr Goodwin denied all knowledge. He then saw Charlton who was having dinner and told him the Association strongly objected to him appearing on the stage of the theatre when he was down to make an appearance at Sandgate at 7.30pm. To this Charlton replied that this as the first intimation that he had accepted the carnival. Charlton then said, Mr Carter stated, "The best thing we can do is to go back to Sydney. Ever since we arrived in Queensland there has been nothing but disputes and disagreements." I then told him that if they went back to Sydney and broke the contract they had signed, they would be disqualified by the QASA and his chance of going to the Olympic Games would be considerably less.

"Charlton then cooled down and asked what were they to do," Mr Carter said. Fox and Charlton had been to the theatre in question earlier in the week and had seen a certain musical. The Manager of the theatre suggested that Charlton should make an appearance on the stage, and to this Mr Fox agreed. It was finally arranged that Charlton would make a brief appearance not to exceed three minutes.

The damage, as far as Sandgate was concerned, was done then.

After the appearance on the stage Charlton was taken to a waiting car and driven to Sandgate where he made the appearance just on 9 o'clock.

Since then a letter had been received from the Manager of the theatre in question, sincerely apologising for his part in the misunderstanding.

ORDINARY BUSINESS

It was revealed by Mr Carter that before the recent tour the QAASA was practically insolvent. They had no money in hand at all and owed a number of debts. On the Brisbane carnival alone a credit balance of approximately £233/1/4 was shown. Other amounts made a profit for the QAASA on the tour of about £300.

After a discussion, motions that certain proportions of the sums paid by Country Associations should be refunded, were defeated.

Among other business dealt with was the year's competition for the James Taylor Trophy to be presented to a swimmer who over a period of two years showed the nearest approach to Olympic standard. The meeting decided to hold the competition next Monday and Tuesday (March 7 and 8) in the Valley Baths. The races will be over Olympic distances, the men competing in the 100 and 200 metres freestyle, 200 breaststroke, and 100 metres backstroke, and the women in 100 and 400 metres freestyle, 100 metres backstroke, and 200 metres breaststroke.

TAYLOR TROPHY RITA SMITH LEADING

The first of this year's competitions for the James Taylor Trophy which will decide the Queensland swimmer nearly approaching Olympic standard over a period of two years was decided last night at the Valley Baths.

The main competitors were J.Lewis (CP), and Rita Smith (S'gate) with the latter finishing the night in much the better position. Only in the 400 metres freestyle did Miss Smith get within striking distance of the Olympic record, and was unfortunate in this event in being unable to complete the 440 yards for she was running well ahead of the present Queensland record for that distance.

Results -

Men's 100m Freestyle - Olympic record J.Weissmuller (USA) 58 3/5s - Australian, K.Takaishi (Japan) - Best by an Australian R.Grier 63 secs - J.Lewis (go) 72 secs 1, K.Foster 2.

Women's 400m Freestyle - Olympic record Martha Norelius 5m 42 4/5 - Australian Jean Cocks 5m 55 3/5 - R.Smith 6m 26 2/5

Men's 200m Breaststroke - Olympic record T.Taurita (Japan) 2m 46 1/5 - No Australian record - J.Lewis 3m 15 2/5.

Women's 100m Backstroke - Olympic record N.Brown (Holl) 1m 21 2/5 - Australian record Bonnie Mealing 1m 23 3/5 - Rita Smith 1m 43

A further series of tests will be held tonight at the Valley Baths.

TAYLOR TROPHY

The James Taylor Trophy competitions were advanced another stage tonight at the Valley Baths.

Results -

Women's 100m Breaststroke - Olympic record A.O.Sipowich (USA) 71 secs - Miss Rita Smith 77 secs

Men's 400m Freestyle - Olympic record A.Gozilla 5m 1 1/5 - J.Lewis 6m 13 J.Foster 6m 16.

Women's 200m Breaststroke - Olympic record A.Schrader (Germ) 3m 11 1/5 - Miss Rita Smith 3m 47 secs.

Men's 100m Backstroke - Olympic record 68 1/5secs - K.Foster 1m 41, J.Lewis 1m 50.

The junior teams relay race for the Hall Cup was postponed and will be decided at the Springfield Cup competition at the Valley Baths next Tuesday night.

TREMBLE'S SUCCESS

TWO CHAMPIONSHIPS

Rockhampton Mar 8

The annual carnival of the Rockhampton Swimming Club was held in the City Baths last night.

The chief events were the 100 and 220 yards Championships of Central Queensland, both of which were won by Tremble. His time for each was a record for the baths.

Q.L.A.S.A.

"NO CONFIDENCE" MOTION DEFEATED

A vote of "No Confidence" in the President, Secretary, and members of the Executive of the Queensland Ladies Amateur Swimming Association was defeated at a meeting of the Association held last evening by 20 votes to 6.

That case arose out of a motion by the Valley Club that the Executive had lost the confidence of the Association owing to its inability to raise money to send swimmers to the Australian National Games and Championships.

Mrs Streeter who introduced the motion said there was nothing personal about it, the intention being to arouse enthusiasm in the Association to raise the necessary three hundred pounds for the next championships to be held in Western Australia.

Several of the speakers considered that Clubs should take a hand in raising the necessary money, and several suggestions were put forward for the purpose, including a proposal for a special committee with a separate Secretary and Treasurer.

An effort was made to have the motion withdrawn as constant recriminations were not for the good of the sport. The motion, on being put, was lost.

A committee consisting of Mrs Mackay, Misses E.Warnecke, L.Cribb, K.Streeter, J.McGregor-Lowndes, and L.Nicholls, were selected for the purpose of going through the Rules and making necessary alterations and amendments.

It was decided to nominate Mrs Chambers of New South Wales as Chaperone for the Olympic team.

CHARLTON'S VISIT
FURTHER DISCUSSION
Q.A.S.A ADJOURNED MEETING

Considerable discussion took place at an adjourned Council meeting of the Queensland Amateur Swimming Association which was held last night regarding the recent visit of Andrew Charlton to Rockhampton.

Mr D.S.Carter (President of the Association) explained that the three Clubs in that city were all affiliated with the QASA but they had never worked in harmony. The Rockhampton had made application to the QASA for permission to hold a carnival at which Charlton would appear, but the other two Rockhampton Clubs had also applied for such permission.

It was thought by the QASA that it was not in the best interests of amateur swimming that the three Clubs should be at variance, and the Secretary (Mr E.J.Goodwin) as well as some private individuals had spent much time and money in an endeavour to bring the Clubs together in the matter.

As the Rockhampton Club had lodged the required guarantee of twelve pounds ten shillings it was decided by the QASA Executive, that if the three Clubs could not come to some agreement, that the former Club should be given permission to control the carnival and the visit of Charlton.

He (Mr Carter) and Mr Goodwin thought, however, that if permission were given to the one Club it would force the three Clubs further apart than ever. With this in view Mr Goodwin was finally able to resolve the difficulty by means of conversations, and the three Clubs had formed a joint committee to govern the visit of the champion swimmer.

Since then, of course, the QASA had passed a motion compelling the Rockhampton Clubs to form an Association which would affiliate with the QASA in turn.

Mr Carter also stated that £4/3/4 had been deducted from the twelve guineas forfeited by the Rockhampton Club and the remainder refunded. The other two Clubs were held responsible for the remainder of the guarantee, but though they had forwarded their cheque for the balance, the cheque had subsequently been dishonoured.

On the motion of Mr Lemass (Ipswich) it was decided to write to the two Rockhampton Clubs warning them that if the money was not received by the QASA within ten days after the receipt of the letter, they would be suspended.

Reference was also made by Mr Lemass about Charlton's visit to Ipswich and certain statements alleged to have been made by Mr Fox, Charlton's Manager, regarding the arrangements for the tour. It was decided to write to New South Wales Swimming Association regarding this.

MULLER'S HALF MILE TITLE

Tmba Mar 18

The last of the season's championship swimming events was decided tonight when the half mile freestyle contest was held.

There were six starters including M.Muller (Valley), K.McAlpine, R.O'Neill, R.Evans, and E.Freshney (Grammar), and M.Wright (Past Grammar).

Muller gained at every turn and eventually won by about 40 feet from McAlpine who was about 100 feet ahead of Evans. The time was 13m 22s.

In winning the championship Muller retains the title of "Champion of Champions" which he won last year from M.Wright.

PALINGS CUP
LISMORE BEATS CITY PASTIME

The first annual competition between City Pastime Amateur Swimming Club and the Lismore Club for the new Palings Cup was held in the Davies Park Baths on Saturday evening. The Cup has to be won twice in succession or three times over all.

The Lismore Club won by 47 points to 34.

Most of the finishes were very close and some good times were recorded.

At the conclusion of the carnival the members of the City Pastime Club entertained their visitors at dinner.

RECORDS BROKEN
IPSWICH v TOOWOOMBA
Ips Feb 14

Four records were broken at the inter-city swimming competition in the Ipswich Baths on Saturday night between Ipswich and Toowoomba, when Ipswich was successful in defeating Toowoomba by 7 points to 5, thereby becoming the holders of the Warren Pennant.

H.Munt, the junior champion, swam splendidly in the 100 yards junior championship, breaking the record for the distance by 3 3/5 seconds.

Other records broken were - 440 yards senior and 66 yards ladies.

W.Pitcairn also swam well in the long distance event in which Toowoomba was outclassed.

Results -

440 yards Freestyle Championship - W.Pitcairn (I) 1, A.Mullins (I) 2. Won by 3/4 lap.

220 yards Gents - M.Wright (T) 1, T.Dickson (T) 2 Won by 2 yards.

66 yards Junior - W.Taylor (T) 1, S.Dappewitch (I) 2 Won by a touch

100 yards Junior - H.Munt (I) 1, Scanlon (T) 2 Won by 5 yards

33 yards Ladies - E.Chalke (I) 1, J.Stokes (T) 2 Won by a touch

Q.A.S.A CRITICISED
"DEAD AS JULIUS CAESAR"

Tmba Sept 22

Dissatisfaction with the quota charged by the Queensland Amateur Swimming Association to country centres compared with the metropolitan rates in connection with visiting swimmers was expressed in a Report presented at the Twelfth Annual Meeting of the Toowoomba Amateur Swimming Centre tonight.

The Secretary, Mr P.M.Steggall, explained the Q.A.S.A made about £200 profit from the "Boy" Charlton's visit and were bought at the expense of country centres to which they gave little attention. Referring to Charlton's visit to Queensland he pointed out that Gympie was given a fixture after the first allotment of dates, paid the same quota, £10, as Sandgate which had the opening night. He contended that the prevailing system was grossly unfair. He said that efforts would be made at the next annual meeting of the Association to effect changes in the management of the governing body.

Mr R.Cole, Vice President, remarked that the Q.A.S.A, the parent body, was "as dead as Julius Caesar", and it was about time a change was made in the administration

The Annual Report showed four Clubs were affiliated.

MUCH HEADWAY
COUNTRY CENTRES
BIG EVENTS AT HEADQUARTERS

"The sport in the country districts has made great headway since the Association had decided to hold the State and Country Championships at headquarters," declares the Annual Report of the Q.A.S.A.

In spite of the depression, the past year was one of the most successful, and certainly one of the busiest, in the history of the Association, declares the Annual Report of the Queensland Amateur Swimming Association to be presented at the Annual Meeting on October 3. During the season 31 Clubs and Centres obtained affiliation with the Association. The Association's finances, it is stated, are in a very sound position as it is disclosed in the Balance Sheet which shows a Credit Balance of £227 with the Brisbane Permanent Building and Banking Company Limited. The excess of assets over liabilities is £262 pounds.

PROGRESS IN COUNTRY

The sport in the country districts has made great progress since the Association decided to hold the State and Country Championships at headquarters in a series of carnivals extending over a week, the Report states. "During the season the standard of swimming in the country districts has been higher than ever before. Merv Witt (Maryborough) won three State titles, Joe Suosaari (Maroochydore) won two State titles, H.J.Munt (Ipswich) won one State title. These members, together with V.Tremble (Rockhampton), A.Plumb (Rockhampton), the Petersen brothers (Maroochydore), Rod Campbell (Warwick), Max Muller (Toowoomba), H.English (Maroochydore), Bill Pitcairn and the Dixon brothers (Ipswich), and C.Waldock (Gympie), are all capable of holding their own against the best in Australia. All the affiliated centres held successful carnivals, and those who control the sport in the country are deserving of the best thanks of your Executive for their unselfish labours."

The Report expresses regret at the recent illness of Alex Suosaari who will probably be lost to competitive swimming for a long time.

INTERNATIONAL REPRESENTATIVES

The Council of the Association, it is stated, is desirous of inducing an international swimmer to compete locally in the coming season, and it is hoped to include the far northern towns in the itinerary.

LADIES AMATEUR ASSOCIATION

The Annual Meeting of the Queensland Ladies Amateur Swimming Association attracted a large attendance last night, the President, Mrs V.McGregor-Lowndes, presiding.

The Financial Statement, which was adopted, disclosed a Credit Balance of £12/19/-. A motion was carried, on the casting vote of the Chair, to the effect that in future, all Clubs sending a member or members to the National Games or Interstate Championships, be held responsible for the expenses of such members.

The election of officers resulted - Patroness, Mrs F.W. De Little; President, Mrs V.McGregor-Lowndes JP; Vice Presidents, Mesdames A.Rees, A.V.Meehan, E.J.Goodwin, A.Cannon, J.E.Streeter, J.Montgomery, E.H.Rich, E.Middleton, B.Wilmott, A.J.Sibley; Advisory Board, Messrs F.W.Springfield Jnr, F.W. De Little, J.Hiron, W.Kuder, L.Nissen; Auditors, Messrs W.Kuder, W.H.Duffy.

At the invitation of the Q.A.S.A, a number of names were agreed upon for submission to the annual meeting of that body as nominations for office bearers.

Q.A.S.A ANNUAL MEETING

The voting was even, 20 for and 20 against, at the Annual Meeting of the Queensland Amateur Swimming Association last night on a motion by Mr P.M.Steggall (Toowoomba) that it be a recommendation to the Council to make a refund pro rata to all country centres (including Sandgate) which contributed the £100/10/- to A.Charlton's tour of Queensland, of the sum of £50. Mr Steggall said that this meant the country centres were prepared to make a straight out donation of £25 to the Q.A.S.A towards the expense of sending swimmers to compete in other States. The country centres were prepared to pay their quota, but he thought they had done more than a fair thing in this case. They were prepared to pay their share of the actual expense.

Mr W.Lemass (Ipswich) said the country centres were notified they had to pay £12/12/-. His centre was not "squealing", and he was confident there would have been no appeal for a refund if Charlton had taken part in competitive events. Charlton's visit set most country centres in a good financial footing.

On the motion being put to the meeting, the voting was 15/15. The Chairman, Mr D.S.Carter, then called for a division. The result was 20/20. Mr Carter then gave his casting vote against the motion stating that the matter had already been discussed in open Council when it was decided there should be no refund.

The Annual Report and Balance Sheet, a summary of which has already appeared in the Courier, was adopted.

The election of officers resulted - Patron, Mr F.W.De Little; President, Mr D.S.Carter; Vice Presidents, The Lord Mayor of Brisbane (Ald J.W.Green), Messrs F.Springfield Snr, E.J.Portley, R.Bunting, L.Nissen, F.E.Duncalfe; Hon Auditors, Messrs N.Kropp, J.A.Keir; Hon Handicappers, Messrs R.McKauge, J.Paul, J.Whittington.

The Chairman presented the medals won at the Queensland Championships also the J.Paul Cup for relay racing for Juniors (won outright) to Commercial Amateur Club, and the Speedo Shield (relay racing - Seniors - to be held for twelve months) to the Christian Brothers Amateur Club.

STATE CHAMPIONSHIPS
NO REPLY FROM JAPANESE

As it has been decided to hold the Australian Swimming Championship on January 23 next, it was agreed at a Council meeting of the Queensland Amateur Swimming Association last night, to conduct the State and Country Championships on January 13, 16, and 18.

In order to encourage junior relay races, the Association intends to plan a trophy for this type of competition.

In regard to levies paid by Country Clubs and Centres for the visit of Andrew Charlton earlier this year, it was agreed that the amount of two pounds should be refunded in each case.

The following officials were elected - Chairman of Council, Mr D.S.Carter; Hon Secretary, Mr E.J.Goodwin; Hon Treasurer, Mr J.D.Stanton; Official Starter, Mr F.E.Duncalfe; Timekeeper, Mr J.Moylan; Hon Solicitor, Mr E.Simmonds; Executive, Messrs N.Burn, W.Lemass, K.Hutchinson, F.E.Duncalfe.

PROPOSED JAPANESE VISIT

It as stated that no reply had been received from the Amateur Swimming Union of Australia to the invitation to the Japanese Olympic swimming champions Miyaz (100 metres), and Kiyokama (breast stroke), to visit the Commonwealth. It was estimated that the cost of the tour would be £410, the Queensland quota being £100.

The itinerary provided for the Japanese to arrive in Brisbane on December 13 and stay in Queensland till January 1. The swimmers would then visit all other States and leave Fremantle for Singapore on February 16. The Union advised that unless a definite reply was received from the Japanese Swimming Association by October 15, it would communicate with America and invite a visit from Crabbe and a diving team from that country.

OFFICERS ELECTED
Q.L.A.S.A. MEETING

At the Council meeting of the Queensland Ladies Amateur Swimming Association held last evening, it was decided to write to the Australian Swimming Union to ascertain the rules about ladies costumes in diving events.

Miss P.Brunnich, who had been Secretary of the Association for five years, tendered her resignation. The motion was subsequently carried. The Association should give thanks to her for the splendid manner in the way she has performed her duties, and will have a motion of thanks in the minutes for the next Council meeting.

Permission was given to the Valley Club to hold an Aquatic Pageant in the Valley Baths on November 30, and the programme which had been drawn up was approved.

The following Clubs were affiliated with the QLASA - Rockhampton, City Pastime, Valley and Warwick.

The election of officers for the ensuing year resulted - Chairwoman, Mrs McGregor-Lowndes; Secretary, Miss Phyllis Kuder; Treasurer, Mrs I.C.McGregor; Selection Committee, Mesdames S.H.Newman, Hinton; Miss L Cribb; Executive, Mesdames C.Mackay (Valley), S.H.Newman (Commercial), Miss I.Cribb (Federal), Miss E.Warnecke (City Pastime), M.Jennings (Sandgate), and L.Nicholls (Otter); Costume Stewards, Misses C.Campbell, E.Warnecke;; Delegates to QASA, Miss P.Kuder and Mrs C.mackay

For the position of Secretary, Mrs C.Mackay and Miss P.Kuder received equal number of votes and the office was decided on the vote of the chief delegate.

SEASONAL DEVELOPMENTS

The Australian Swimming Union is having bad luck in regard to the international visit proposal. First of all, after some expense had been incurred in cabling, the Japanese were unable to come. Negotiations were then entered into with a view to obtaining a visit from "Buster" Crabbe and "Mickey" Reilly Galitzen. Crab put up a new Olympic record of 4m 48s over 400 metres, and Galitzen won the diving championship. Now it is stated Crabbe cannot make the trip, and that Kalili, the Hawaiian champion who defeated Crabbe on several occasions, should accompany Galitzen. Whether or not the proposal will be acceptable to the various States remains to be seen.

The suggestion has been made that the ladies Association should send an invitation to a couple of notable lady swimmers to visit Queensland, such invitations of course to be made through the QASA and the ASU. It is unlikely, however, that anything will be done this season owing to the parlous condition of the finances.

QLASA RULES

The QLASA sub-committee which is revising the rules has been carrying out its work painstakingly. Some of the rues have already been confirmed, the remainder will come before the Council shortly. One of the rules provides that all invitations to lady swimmers who are members of the Association must be made through the Honorary Secretary of the Association, and lady swimmers who take part in any tour outside the metropolis must be accompanied by and approved Chaperone. Another rule, not yet confirmed, sets out that persons voting at the Annual Meeting must be over 15 years of age. This is really an addition to the present rule which makes it possible for a child of tender age to have a vote on a subject in which intelligent interest could not be expected.

AQUATIC CHAMPIONS COMING TO QUEENSLAND

The Hawaiian swimmer Kalili, and the American diver "Mickey" Reilly Galitzen will arrive from the United States for their Australian tour on November 18. Kalili was invited after Crabbe notified that he was unable to make the tour, and the QASA Executive has decided to accept the Hawaiian as a substitute.

The Australian Swimming Union has increased the Queensland quota by 25 pounds, making an expenditure of 125 pounds, but these terms are considered reasonable, particularly as the visitors will be able to stay in Queensland for a fortnight longer than the original itinerary for Crabbe and Galitzen provided for. The allocation of sates for the Queensland programme will be announced shortly.

SPEEDO SHIELD COMPETITION

The first of the club relays competition for the Speedo Shield, held in the Davies Park baths last night, resulted in a win for the Moreton Bay Cub. Result - Moreton Bay (Go) 1, City Pastime (26 Secs) 2, Valley (26secs) 3.

Moreton bay kept the lead for the whole distance, but it was a closer race between Pastime and Valley for second place.

FIVE MILES ENDURANCE SWIM

With the object of encouraging young swimmers to take a greater interest in swimming of a type that may be of great value in time of need, and also showing what can be done by a swimmer over 50 years of age, Mt T.King of Graceville yesterday swam 5 miles in the Ithaca Baths.

Mr King, a member of the City of Brisbane Life Saving Club was in the water for five and a half hours. He received one of the plaques which are presented by a supporter of the Club to members who had completed the test swim of five miles.

SYSTEM UNFAIR
SWIMMING CONTESTS
NEED FOR CHANGE

By H2O

Before the next Olympic Games takes place there may be a change in the way of controlling the swimming contests.

The present system is unfair, and though there is no definite proof that Australian representatives would have done better than they did, there is a chance that something different would have been recorded if a proper system of elimination had been adopted.

The present system is that the names are drawn by lots for heats and semi-finals, the first two to finish, or the first two of the fastest then qualifying for the final, and it is common for a first class swimmer drawn to meet two other first class swimmers to be eliminated although his time than his time was much better than another swimmer who had as his opponents two second-raters and was not much better than them himself.

One example of the unfairness of the system is quoted in the New York "Herald Tribune". In the women's 100 metres freestyle sprint, Joyce Cooper (Great Britain), touched fourth in the first semi-final in 1m 9 3/10s and was not able to start in the final, while girls who qualified from the second semi-final could not do better than 1m 9 3/5s and 1m 10 6/10.

The New York Tribune goes on to say, "It would not be practical to undertake the seeding of contestants for preliminary heats in as much as performance achieved under different conditions cannot accurately be compared, and there is no telling which of the candidates is in top form, and which is not, on the eve

of the contests, but after the heats there are official marks on which to base ratings, and it would be a simple matter to select qualifiers for the various semi-finals in accordance with speed displayed, with the first being the fastest, then the next best, and so on. That would virtually make certain the presence of the leaders in the final".

VISIT OF GALITZEN

So far as the visit of "Mickey" Reilly Galitzen is concerned, it is probable a special diving board stand will have to be erected or suitable conditions made to the existing facilities. Galitzen is said to be a spectacular diver and it would be a pity if the best advantage is not taken of his visit.

While it is comparatively easy to arrange facilities in Brisbane, the country centres may not be so well off, and any information he QASA can give them will be welcomed.

As far as Kalili, the Hawaiian champion, is concerned, it is not yet clear if he will take part in competitive events or not. If he is going to give only exhibition swims the visit will have lost a lot of its interest. However, the Council will probably have further information given to it at the next meeting.

B.C. Friday 18 November

TO TOUR STATE AQUATIC CHAMPION ITINERARY PRREPARED

Complete arrangements for the Queensland tour of the Hawaiian swimmer Manuella Kalili and the American high diving champion Frankie Kurtz were made known at the meeting of the QASA last night.

The tourists will leave the United States today and will arrive in Sydney on December 8. As the NSW Association is not participating in the tour, however, they will come direct to Brisbane, arriving on December 9 and making their first appearance at the Valley Baths on December 12.

The latest information regarding Kalili proves he is a far better swimmer than Crabbe over the shorter distances, the last time recorded for him being 53 1/10 s for 100 yards, 60s for the 100 metres, and 2m 16s for 200 metres. He is therefore a faster swimmer than the Japanese, Takahishi who made such a splendid impression when he toured Queensland in 1927.

Kalili is a backstroke exponent also, and will provide greater entertainment than Crabbe. The Executive has been advised he will definitely appear in competition swims,

Kurtz takes the place of "Mikey" Reilly Galitzen who is unable to make the trip. He is the high diving champion of the United States and was strongly recommended by Frank Beaurepaire, the former Australian champion, who visited Los Angeles for the Olympic Games. Galitzen is a springboard diver only.

TOWNS TO BE VISITED

The proposed itinerary drawn up by the Executive last night is as follows - Valley Baths Dec 12, Ipswich Dec 13, Rockhampton Dec 16, Cairns Dec 20, Townsville Dec 24, Bundaberg Dec 29, Maryborough Dec 30, Gympie Jan 1, Nambour Jan 2, Toowoomba Jan 5, and Warwick Jan 8 or 9.

The programme of events drawn up for the carnival in the Valley pool on Dec 12 will be - 50 metres junior interclub handicap, 50 metres QLASA interclub handicap, 100 metres invitation handicap, 50 metres interclub QASA handicap, 100 metres backstroke handicap, 100 metres mixed brace handicap, exhibition of diving by Kurtz with local support, an attempt on the Australian 200 metres Australian record of 2m 17s (established by Takahishi), and 50 metres State and Primary Schools handicap.

Apart from an attempt on the record, Kalili will appear in two events, the 100 metres invitation handicap and the 100 metres backstroke handicap.

Entry for all events closes on Dec 3, and they will have to be lodged through the Secretaries of clubs.

GREAT CONTESTS
SWIM TITLES

The QASA announced a few weeks ago that dates January 13, 16, and 18 will be the State and Country Championships and the best swimmers of the various clubs are training assiduously.

It is probable some very close contests will be seen, particularly over the shorter distances. The dates for the Ladies State Championships have not yet been fixed, but probably the Council at its next meeting on December 9 will select dates in January. Opinion is divided about the suitability of dates. One section is in favour of holding the championships as close as possible to the men, in order to take advantage of the interest which the men's championships will arouse. The other section holds the view that it would be advisable to fix a date as late as possible in order to give the public breathing space before asking them to further patronise swimming.

Probably the attendance would not be affected either way, for there is a section of the public that always wants to see the lady swimmers and appreciate their programmes as much as, if not more, than those of the men.

Q.L.A.S.A. RULES

.. The new rules of the QLASA have been finally received and will be printed when the Association has the funds.

The principal alterations or additions are - "A provision that officers, delegates, Life Members, and embers of clubs who are 15 years of age or older and are registered with the Honorary Secretary of the Association by Secretaries of Clubs up to an including April 30 in the current year, ending on September 30, shall be entitles to vote at Annual General Meetings. 14 days notice instead a week as previously must be given for the date of the Annual General Meeting. Affiliation fees have been fixed at one guinea for a senior and ten shillings and sixpence for each Country Centre or Country Club, ten shillings and sixpence for each junior Club and for each School Association or Club, in addition to a capitation fee of sixpence for each senior, and three pence for each junior member. When three or more Clubs are formed in the same Country District, they must form a Local Centre and affiliate with the QLASA. The Council shall fix the boundaries of Local Centres. Entrance fees for championships are to be paid by the Clubs and not by the members selected to compete. Any invitation to a member of the Association to visit any place outside the metropolis must be made through the QLASA, and such a member, or members, if permission s granted for the visit, will be accompanied by a lady chaperone.

At all interclub or Association carnivals competitors will wear suitable cloaks or blazers over their costumes when not actually engaged in a race or competition. The race or competition shall be regarded as begun when the

starter has uttered the words "get ready", and having finished when the competitor leaves the water. Cloaks or blazers should be discarded immediately the check starter official calls the competitors. An interclub prize must be suitably inscribed with the name of the winner and the date of the contest. No article of wearing apparel of a perishable nature shall be given as a prize in any event, and all prizes will be subject to inspection if so desired by the Association.

TONIGHT'S AQUATIC PAGEANT

The programme submitted by the Valley Ladies Amateur Swimming Club for their second Aquatic Pageant tonight, promises to provide most attractive entertainment.

Many novelties will be featured, outstand items being "Hawaiian Scene" and "Mannequin Parade" with supporting burlesque. Considerable expense has been incurred in arranging the Hawaiian effects, and the parade will present mannequins in all the latest costumes and beach attire. In addition to humorous items, first class swimming will be provided by a varied list of events arranged to show the lading champions at their best.

The Lady Mayoress, Mrs Green, will present the trophies during the events.

AQUATIC PAGEANT
JANTZEN CUP TO VALLEY

A feature of the Valley Ladies Amateur Swimming Club's Aquatic Pageant at the Valley Baths last night was the enchanting Hawaiian scene arranged and produced by Miss Edith Barry. In a colourful setting and an Hawaiian band and dancers, and canoes weaving to and fro in the pool provided an attractive picture.

A Mannequin Parade also arranged by Miss Barry was another attractive feature of the entertainment.

Splendid swimming was shown in the competitive events. The Jantzen Cup for 300 yards mixed teams race (3 men and 3 ladies) was won by the Valley No2 team at "Go" with Sandgate No1 team second. The previous holder of the Cup was City Pastime No1 team.

Results -

30 yards Tiny Tots Race (12 & Under) - C.Maties (V) 1, E.Fox (S'gate) 2, Hope (V) 3

A Grade Junior Women's freestyle Handicap - Shaw (V) 1, V.Bird (Com) 2, E.Storey (S'gate) 3

SWIMMING TOPICS

By H2O

The QASA has drawn up a good programme for the Kalili/Kurtz carnival on December 12 and is to be commended for encouraging schoolboys. A 50 metres for State and Primary schoolboys is included. Prizes are open orders to the value of 15 shillings and 5 shillings, for first and second respectively. Entries are free. It is hoped the boys will nominate well for events of this kind. The QASA recognises that the boys of today will be the men of tomorrow, and the future of the sport is in their hands.

LADIES CLUBS - ANIMOSITIES

All is not well in the ladies' ranks. It has been apparent in the last two seasons, if not longer, that a certain amount of ill-feeling has existed between the representatives of several of the clubs, and scarcely a Council meeting passes at which there is not a little (or a lot of) cross-firing.

A recent Aquatic Carnival organised by the Valley Ladies Club did not receive any support from one or two of the clubs, and generally the entries for the ladies events were very disappointing. Probably the sum total of the entry fees for the ladies events was only around about 30/-, and the repetition of such a miserable number of entries would probably lead to the programme for any interclub carnivals being greatly reduced.

It is reported that one of the clubs held a dance on the night of the Aquatic Pageant, and if this is correct, the Council should take steps to issue a warning, that any club holding a function of any kind on the night of an interclub carnival will be severely dealt with.

When the QASA Rules were revised, one was added providing for the girl who broke her time by 3 seconds over 40 metres or 50 yards, or by 5 seconds over 100 yards, should be disqualified. As a result of this rule several swimmers, including the winner of the 50 yards handicap for A Grade juniors was disqualified at the recent aquatic carnival, the timekeepers being officially requested by the handicappers to take this step. The disqualification led to considerable heart-burning, but as long as the rule is there it must be enforced.

The QASA has a similar rule which reads, "If the time submitted by the Club Secretary for one of the members is broken on the following schedule, the swimmer will be disqualified from the event - 50 yards 2sec, 100 yards 3sec., 220 yards 30 sec, 880yards 1min, 1 mile 1 ½ min."

These rules have been made no doubt with the object of preventing a time being submitted with the purpose of securing a favourable handicap, but generally H2O has always held they are dangerous as they sometimes result in swimmers who have forwarded honest times subsequently breaking these outside the allowable limit when in good company, and thus being disqualified for doing their best, which is absurd.

At club swims, though they are not supposed to do so, men swim in races of a couple of hundred yards before their events come on, and they then meet contestants of their own calibre, And generally based on such performances, these times are forwarded in all good faith to the Association handicappers.

At an interclub carnival however, such swimmers are absolutely fresh, not having had any preliminary swims, and perhaps they meet top-notchers, and in the excitement of the event swim faster and automatically disqualify themselves. A swimmer caught this way once, would naturally next time in similar circumstances endeavour to win by the merest of margins. On the other hand, assuming the rules of time-breaking were not in existence, and the Secretary was dishonest enough to send in a "faked" time, the swimmer concerned if he or she won in a time outside their allowable limit, could be handicapped or the rest of the season on the basis of such a time, if actually not on it. The handicapper would be reluctant to give such a swimmer the full advantages of a much slower time put up subsequently. However, as long as the rules are there they must be obeyed.

Q.L.A.S.A.

At the QLASA meeting last night a report disclosed a credit balance of £11/19/9.

It was decided to hold two carnivals somewhere at the end of February, and the following events were decided on -

First carnival - 50 yards A Junior handicap, 100 yards Breaststroke Championship of Queensland, 50 yards Senior Championship, Flying Squadron Championship, 50 yards B Senior handicap, 100 yards Junior Championship, 220 yards Freestyle Championship, 100 yards Mrs Kuder Memorial handicap, Diving (plain, running, fancy), Novice handicap (12 years and Under).

Second Carnival - 40 yards B Junior handicap, 100 yards Backstroke Championship, 50 yards Junior Championship, 220 yards Breaststroke Championship, 100 yards Freestyle Championship, 150 yards Teams Championship, 50 yards Open freestyle handicap, novelty Event, Diving (plain, running, fancy), De Little Cup Relay Race, Novice handicap (12 & Under).

Prices for admission were decided at 1/6, 1/- and 6d for children under 14.

For the benefit of the handicappers it was decided to enforce the rule in relation to the swimmer's time to accompany every entry for any event.

SWIMMING CONFERENCE
OLYMPIC GAMES DECISIONS

Decisions having an important bearing on Australian swimming were reached at the Conference held during the progress of the last Olympic Games, and they will be considered at the forthcoming Conference of the Australian Swimming Union in Perth in January.

Following consideration by the State Associations, a special meeting of the Executive of the Queensland Amateur Swimming Association was held last evening to draw up proposals for the Conference, and discuss items on the Conference agenda.

The President, of the Association, (Mr D.S.Carter) declined to state the subjects of the discussion, saying it was a matter solely for the Australian Swimming Union. Any Queensland proposals or views would not be made public until the Conference opened.

SWIMMING TITLES
PROBLEMS FOR OFFICIALS
A KURTZ-KALILI ECHO

By H20

Representatives from north and central Queensland are either already in Brisbane or will be here in a day or two to take part in Country Championships, and in one or two instances, also competing in the State Championships.

The carnivals have been arranged for January 13, 16, and 18, and some good swimming is expected. Whether there will really be anything "out of the box" remains to be seen, but record times in these Championships in which the finishing point has to be provided will not be recognised unless the difficulty of obtaining an acceptable finishing apparatus can be overcome.

Ropes cannot be lowered in time to make rigid. Light piping has been tried but proved a failure, and heavy piping cannot be handled quickly enough and with safety to the competitors. It is not merely a matter of raising or lowering a rigid bar or other device, as it has to be raised or lowered in perhaps two or three seconds, possibly even less, because one competitor may be turning to reach the finish 20 yards away while another, or perhaps two, might be just passing the finishing mark on their way to the end of the baths, and until they had passed the bar or rod, the bar or rod could not be lowered.

(The problem was one of swimming yardage distances in a metric pool where the yardage distance was a little longer, and required a return down the pool after the last turn to finish on a rope or such. Ed)

The matter was raised at the last meeting of the Council of the QASA on Friday night, but no one could suggest a solution to the problem. One of the delegates remarked however, "The difficulties must be overcome, and the sooner the better".

At the meeting of the Council on Friday night representatives of the Sandgate Club protested against their appearance of Kurtz and Kalili at the Moreton Bay Club's carnival in the Manly baths on January 3. It was pointed out that the appearance at Manly was not on the itinerary of the visitors, and the clubs desirous of receiving a visit from the champions had had to pay their share of the expenses, and the Moreton Bay Club had an opportunity to arrange for a visit but had decided not, on the grounds it could not afford to pay. A member of the Executive said they were in complete ignorance of Kurtz/Kalili's intentions to take part in the Manly carnival. One member indeed said he had been with Kalili up to 6pm on January 3, and was astonished when he was asked later why he had not gone to Manly to see the visitors compete there. A suggestion was made that the Manly Club knew beforehand that Kurtz and Kalili were going to take part in the carnival, but the Secretary of the QASA (Mr E.J.Goodwin) said he did not know they were going to swim until they arrived at the baths, when they wanted to swim.

Mr Kingston of the Moreton Bay Club said the night was an impromptu night, and up to the last moment nobody knew whether they wanted to swim.

An interjection was made by a delegate, "That if that was the case, how did it come about that posters had been put up during the day announcing that the visitors would appear, and that various residents of Manly were reported to have been invited along so see the champions in action".

Eventually, Mr J.Hutchison (Sandgate Club) who first drew attention to the matter, said the Americans had competed against an unregistered swimmer. He moved that Messrs J.Gallery, J.Etchells, and M.Meredith (Secretary of the Moreton Bay Club), be asked to appear before a special meeting of the Executive to explain matters. The Secretary of the QASA (Mr E.J.Goodwin) would be there in his official capacity.

In response to an interjection, the President (Mr D.S.Carter) said the Secretary call a meeting of the Executive. Mr Lemass seconded the motion which was carried with five dissentients. It was pointed out that no charge was being made against anybody, but explanations how the incident had occurred were necessary.

Probably the enquiry at the Executive meeting will be in the direction of ascertaining who gave permission to Kurtz and Kalili to appear and compete. It

was known they would appear, and did not swim against an unregistered swimmer. All the Executive members present at the Council meeting disclaimed any knowledge of the matter, and it was ascertained that the President was not consulted or his permission granted for the visitors to take part in the Carnival, permission which it was very unlikely he would have given under the circumstances.

In that the matter is important in that it is likely to cause discontent among the clubs that paid for the champions to appear, unless it was cleared up, it is advisable for a communication to be sent to Kurtz and Kalili asking when they were first asked to appear at the carnival, and by whom, or whether they made any suggestion themselves, and if so, why did they do so in view of the fact that an appearance and competing at the Manly carnival was not in their scheduled list of engagements?

COMMENCING TONIGHT
CHAMPIONSHIP CARNIVAL

Much enthusiasm has been aroused in the State and Country Swimming Championships which commence at the Valley Baths tonight, continuing on Monday night, and concluding on Wednesday night.

The feature will be the strong opposition provided by the country contenders headed by proved champions in Merv Witt, Tom Beck, and Vic Tremble. It will take a big effort on the part of Reg Grier and the other metropolitan stars to keep the visitors from lifting several State titles.

Tonight's programme includes the 440 yards freestyle Championship of Queensland, 220 yards Junior Flying Squadron Championship, 100 yards Country Championship, and the 50 yards Junior Country Championship.

The 100 yards Freestyle Championship of Queensland is listed for Monday night.

SWIMMING CHAMPIONSHIPS
RECORD FALLS
RAIN INTERFERES

Swimming in fine style at the Municipal Baths last evening when the State and Country Swimming Championships was held, N.Wedlock of Cairns lowered the record of 50 yards Country Freestyle Championship by 1/10 second. Conditions were against fast times as it was raining heavily most of the evening, and the swimmers efforts were all the more meritorious for the fact there was only one other entrance in the race and he was totally outclassed.

The two main events were the 220 yards Breaststroke Championship of Queensland and the 440 yards Freestyle Championship of Queensland, which races were won by W.Daly (City Pastime) and Tom Beck (Malanda) respectively. Beck's time was 5m 33 3/5, being only 1/5sec outside the record for that event. In the breaststroke event, R.Roslyn (Ipswich) touched just ahead of Max Muller (Toowoomba) and J.Mallory (Valley) who were together when 50 yards had been swum. Muller and Roslyn were together after 150 yards, a yard ahead of Mallory who was third. In the next 50 yards W.Daly forged ahead, and at 220 yards he led from Muller and Roslyn, Mallory having dropped behind. Daly kept his lead a won by q yard from Muller with Roslyn in third place.

In the 440 yards freestyle championship Reg Grier was just ahead of the rest of the swimmers after 50 yards. Merv Witt (Maryborough) equalled him in the next length and the two of them were just ahead of Tom Beck (Malanda). After 150 yards the swimmers were still bunched together, but R.Stafford (Lismore) had moved forward and at the end of 200 yards was leading Grier and Petersen

(Maroochy) who touched together. The swimmers by that time had become strung out. Stafford led from Grier and Petersen from then on, but at 350 yards Grier moved back and Tom Beck moved forward to second place. Stafford was then leading by 7 yards. The same order was then held to the end of the race, Stafford being the easy winner by 16 yards. Although Stafford won the event, he will not be officially recognised as the Queensland champion as he has come from Lismore. Beck will hold the title.

The officials for the series of carnivals are - Referee, Mr D.S.Carter; Judges, Messrs W.Lemass, W.Burnup, and J.Hiron; Starter, Mr F.E.Duncalfe; Check Starter, Mr R.Hodge; Timekeepers, Messrs J.Moylan. F.O.W.Springfield, L.Nisson, and J.Bunting; Call Stewards, Messrs N.Burn and J.Tanner; Result Steward, Mr T.Middleton; Clerks of Course, Messrs J.Quant, G.Bonis; Handicappers, Messrs R.McKauge, J.Whittington and N.Paul; Treasurer, Mr J.D.Stanton' Secretary, Mr E.J.Goodwin.

LADY SWIMMERS
CONTROL BY Q.L.A.S.A.
By H20

The relations between the Queensland Amateur Swimming Association and the Queensland Ladies Amateur Swimming Association are cordial, and although the Constitution of the men's Association provides that one of the objects of the Association will be "To exclusively control the sport of amateur swimming in the State of Queensland", it is tacitly acknowledged that the Ladies Association, as always has been the case, should control the lady swimmers, other wise it would be a farce to have a Ladies Association. The QLASA affiliates with the QASA, and any matter relating to women's events at mixed carnivals etc is of course submitted to the QASA for approval. Actual recognition of the QLASA appears only once in the ASA Handbook of Rules where it is specifically set out that "Rules relating to swimmers not being allowed to compete in a club or interclub event until first being a registered member of the QASA does not refer to the QLASA".

As already stated, however, control of women's swimming is left to the QLASA, but the QASA is always asked to appoint the principal officials for interclub or championship carnivals.

The QASA has a rule which reads, "All country clubs must affiliate directly with the QASA, but it is compulsory where three or more clubs in the same district are formed, they must form a local Centre affiliated with the QASA'. Another states, "The local Centre shall, subject to the rules of the Association, have full control over all events within its jurisdiction".

The QLASA rule relating to this matter, as far as clubs are concerned, reads 'If three or more clubs are formed in the same country district, they must form a local Centre affiliated with the QLASA. The Council of the Association shall fix the boundaries of local Centres".

In Rockhampton there are three men's clubs and they have formed a local Centre. One of the clubs, the Rockhampton Club, has a ladies branch which is affiliated with the QLASA. The Rockhampton Ladies Amateur Swimming Club which has been in existence for a considerable time, renewed its affiliation with the QLASA at the beginning of the season, thus there are two ladies clubs only.

CENTRAL QUEENSLAND LADIES CHAMPIONSHIP

The Secretary of the QLASA (Miss Kuder) has received the following letter from Miss V.Harrington, Secretary of the Rockhampton Ladies Amateur Swimming Club, "I am writing to you on behalf of the Rockhampton Ladies Club. At our annual carnival the principal events are the A and B Grade Championships of Central Queensland. Since the three men's clubs here formed an Association, it has been advertised through the papers that they intend holding a combined carnival at which all championships will be decided. Now we have been given to understand that we are unable to join the Centre being the only Ladies Club in

Rockhampton, and as our girls swim in these events, if the Association holds them, we in no way benefit from the carnival. Our club would like to know if our club is justified in claiming these events, as we have always held them before, as our right. I might add that the men have quite a number of championships such as the 220 yards, 440 yards, and 100 yards etc, so surely it is possible we can have the ladies championships. We would like your advice on the matter as early as possible. We would also like you to send us some of your carnival programmes, as some of our girls may enter the Country Championships."

The matter will come before the QLASA Council at its next meeting. What that body will do remains to be seen, and while the Rockhampton Club cannot claim the holding of the championships as a "right", it is probable that the QLASA will grant that club permission to hold them if no objection is raised by the ladies branch of the Rockhampton men's club. If the latter does not raise an objection, a combined carnival may be suggested as a way out of the difficulty. A men's Centre in Rockhampton does not come into the picture at all because ladies' swimming is not under its jurisdiction.

TITLE RETAINED
GRIER WINS 100 YARDS

Reg Grier, holder of the State Title for 100 and 220 yards freestyle championships of Queensland, again answered his critics and again annexed the 100 yards freestyle title at the State and Country Swimming Championships at the Valley Municipal Baths last evening. Grier led all the way from V.Tremble (Rockhampton) with the rest of the swimmers together, but his time was only 2/5sec better than that of Trimble's.

R.Stafford, the Lismore swimmer, followed up his success in the mile championship and the 440 yards freestyle championship by winning the 880 yards freestyle Championship of Queensland. In that event, J.Petersen (Maroochy) touched a yard ahead of Stafford after 200 yards had been swum. A.Gilbert (V) and M.Witt (M'boro) were the only other competitors, and were together just behind Stafford. Stafford and Witt were still together after 300 yards had been covered, having increased their lead on Petersen, while Gilbert had dropped far back. Stafford passed Witt in the next 100 yards, and steadily increasing his lead, won by 12 lengths from Witt with Petersen and Gilbert well behind. His time was 11m 42 1/10s. Because Stafford is not a Queenslander, he will not be considered the Queensland champion, the title going to Witt.

Owing to medical advice, Tom Beck (Malanda) will not compete in any more events in the present series of carnivals.

During the evening an exhibition of diving was given by A.Harrower, N.Wake (NSW) and G.Johnston.

B.C. Thursday 19 January 1933

CLOSE FINISHES
STAFFORD WINS AGAIN

Though no records were broken at the State and Country Swimming Championships at the Valley Municipal Baths last night, some good racing was seen with some close finishes.

R.Stafford (Lismore) won another race, this time the 220 yards Freestyle Championship of Queensland, with Merv Witt (M'Boro) who was second being the recognised Queensland champion. Stafford has now won the mile, 880 yards, 440 yards, and the 220 yards championships.

The swimmers were together for the first 75 yards with A.Petersen (Maroochy) and R.Stafford in front, and touched just ahead of other swimmers at 100 yards. At 200 yards Stafford led by two yards from Witt with Petersen inches behind. The same order was held until the finish.

The 440 yards Breaststroke Championship of Queensland was won by Max Muller (Toowoomba), his time being 7m 11s. G.Petersen (Maroochy) led for the first 200 yards, R.Roslyn (Ipswich), M.Muller, and W.Gallery (Val), all together close behind him. After 400 yards Muller was just ahead of Petersen and Gallery. He

was then swimming in fine style, and increasing his lead, won by three yards from Petersen.

The 100 yards Backstroke Championship of Queensland was annexed by W.Daly (City Pastime) from B.Stafford (Valley) and J.Etchells (Valley). The winner's time was 74 2/5sec.

TO REPRESENT QUEENSLAND

It was announced last night that V.Tremble (R'hampton), and T.Long (Bris) will represent Queensland in the Australian Championships at Perth and Adelaide.

Trimble will leave this morning by the Kyogle mail train and will compete in the Victorian Championships in Melbourne on Saturday night. He will then proceed to Perth where he will represent Queensland in the senior championship events in the Australian Championship Carnival commencing on January 26. He will then travel to Adelaide again to swim in the Australian Championships there, commencing on February 8.

Long will leave Brisbane on February 4 and go direct to Adelaide where he will be the Queensland representative in the junior events. He will not compete in the Championships in Perth.

B.C. Friday 20 January 1933

STAFFORD BRILLIANT GREIER'S 100 YARDS TITLE

(This was a reiteration about the Queensland Championships)

LONG'S CLAIMS

Tor Long followed up his run of successes in club swimming by winning the 100 yards Junior Freestyle Championship of Queensland from Norman Wedlock of Cairns. Long won so convincingly that once it was decided to send a representative, his selection was certain.

Wedlock, and his club mate from Cairns, M.Collard, claimed most of the events in which they competed. Wedlock capped a series of wins in handicap events by breaking the record by 3/5sec in the Junior 50 yards Freestyle Country Championship. Wedlock should be heard of again, as he swims effortlessly and gives the impression that if he really wanted to he could go much faster.

In the ladies events the Valley and Sandgate Clubs shared most of the placings. In the 100 yards QLASA Interclub Handicap the Valley swimmer, A.Thompson, was first with M.McLean and G.Phillips filling the places, but in the 50 yards Interclub Handicap Miss N.Hodgson of Federal had too much of a start on Francis Hinton and she won narrowly. Miss Rita Smith (S'gate) could only fill second place in one of the heats and nowhere in the final. She apparently is not at her best, for if she were, she would have little difficulty in beating those girls.

CONTROL OF SWIMMING FIRST STEPS BY ASSOCIATIONS

By H20

The Executive of the QASA will meet tonight to consider several matters, the most important of which is the complaint about the American visitors. This matter was discussed at the last meeting of Council on January 6, when it was decided that Messrs M..Meredith, J.Gallery, and J.Etchells, should be asked to appear before a special meeting of the Executive to explain matters, the mover of the motion adding, "The Secretary of the QASA will be there in his official capacity."

Te "Courier" wired an interrogatory through the Melbourne representative to Kurtz and Kalili and received a reply stated that the Americans attended the Manly carnival with the Secretary of the QASA, and after watching the events for some time, said they would like a swim. When Mr Goodwin offered no objection they entered the water. It was entirely their own idea, the reply added, and was not pre-arranged.

What the Executive will do, of course, remains to be seen, but it seems likely in any case they will take steps to ensure the control of swimming being vested in the Executive or Council in future, and possibly will submit a resolution to the Council that will prevent misunderstandings.

IPSWICH LADY SWIMMERS

The control of lady swimmers is vested in the QLASA and that body is tightening up on the administration of its Rules and Regulations in order to prevent unregistered swimmers from competing in interclub, inter-town, or championship events.

A few years ago a few Ipswich Ladies Clubs were affiliated with the QLASA, but since then no application for affiliation has been received from Ipswich and the lady swimmers had not been registered, it is stated, with either the QASA or the QLASA.

An application had been made by the Downs Ladies Club (Toowoomba) for permission to take part in an intercity carnival in Ipswich on February 4, but the QLASA has notified Toowoomba that permission cannot be given unless the Ipswich lady swimmers affiliate and pay their affiliation fees, and the Secretary of the Ipswich Amateur Swimming Centre has been written to on these lines.

The QLASA is determined to put an end to the irregularities that have crept into the sport as far as lady swimmers are concerned, and if Ipswich does not comply with the QLASA rules, registered swimmers taking part in competition with unregistered swimmers will automatically disqualify themselves.

Several Country clubs, apart from Ipswich, also have not registered their lady members with QLASA, and they are being acquainted with the necessity of compliance with the rules of swimming governing the ladies section of the sport. The QLASA has notified the Secretary of the QASA of the steps that are being taken in tis direction, and is seeking the official backing of the QASA in this mater in which, of course, men's clubs with lady members are vitally concerned.

B.C. Saturday 11 February 1933

NEW ZEALAND LADIES MAY VISIT QUEENSLAND

There is a possibility that a team of lady swimmers from New Zealand may visit Queensland next season.

The question of a New Zealand team coming to Queensland was raised at a Council meeting of the Queensland Ladies Amateur Swimming Association last evening. The Secretary was instructed to write to the New Zealand body suggesting such a visit. The visit, offcourse, would be subject to certain conditions, and these would be set out in the letter despatched from the Queensland Association. If a favourable reply is received, the QLASA will require the permission of the Australian Swimming Union before proceeding further in the matter.

The Moreton Bay Club was granted permission for the Valley and City Pastime members to visit Manly on February 28.

Affiliation was granted to the Ipswich Centre.

Matters connected with the forthcoming championships on February 25 were also discussed. It was announced that the Johnston diving troupe would give a display at the carnival.

The novelty event and diving will be open to both men and women. The main diving will take place on the low board, the fancy diving being optional.

Arrangements were made for the entertainment of the Interstate and other visitors, the programme to include a basket picnic at Lone Pine.

It was decided that the Executive would meet on the Monday before the first Friday in each month.

SWIMMING GOSSIP

Some remarkable times were recorded at the Annual Championship Carnival of the Sandgate Swimming Club on Wednesday night when more than one record went by the board.

Rita Smith, who is now swimming at her best, broke two records and finished up recording the fastest time on record by a lady swimmer in Australia ever over 33 1/3yards. This was in the ladies teams relay race when she covered the distance in 17 4/5sec. She had a very comfortable swim in the 50 yards senior championship, swimming 29 1/10sec, and also broke another club record in the 100 yards breaststroke, beating Sybil Croft by 6secc in 1m 30 3/5s.

GOOD TIMES
RITA SMITH'S TWO TITLES

As was generally expected, Miss Rita Smith easily won the two events for which she was nominated at the QLASA carnival at the Valley Baths last Saturday evening.

Although she broke no records, her times were very good especially in the 50 yards Senior Championship, her time in that event being 29 4/5sec. In the 220 yards Championship she absolutely outclassed Mary Crittenden and Barbara Leach to win by nearly 15 seconds.

One of the notable features of the evening was the number of girls who were disqualified for breaking their starting time. In every case there was only one second difference between the times, but as all of them won, it meant serious loss to them, and the cause in every case was overeagerness, and the other competitors had to be considered.

Mary Cuzzu, the Cairns girl, almost made a procession of the Country Championships so easily did she win, but the real interest in that race was provided in the battle for second place between Mary Crittenden, the other Cairns girl, and R.Caplice from Rockhampton. They swam neck and neck all the way and only a touch separated them at the finish. Miss Cuzzu unfortunately broke her starting time in the Mrs Kuder Memorial Handicap and immediately withdrew from the race.

Apart from the Flying Squadron where Sandgate finished half a lap in front, all other finishes were pretty close, especially in the handicaps.

The titbit of the evening was the meeting of Long and Tremble in a special invitation handicap over 100 yards. Tremble was giving Long three seconds start and had all but overhauled him at the turn, but Long's greater stamina told in the next lap and he went away again to win by at least a yard, Tremble's time however was better than that of Long, as he took 57 4/5 seconds in comparison with 59 3/5 seconds by the Valley junior. Both times were excellent and give promise of even better times in the future.

Results (minor handicaps not recorded but titles given in the programme) -
30 yards Novice Handicap
60 yards Country Championship of Queensland - M.Cuzzu (Cairns) 1, M.Crittenden (Cairns) 2, E.Caplice Rockhampton) 3. Time 38 2/5s
100 yards Breaststroke Championship of Queensland - P.Thompson (Valley) 1, L.Streeter (Valley) 2. The two competitors kept together nearly all the way, but P.Thompson finished better and won by a yard. Time 1m 27 2/5s
50 yards Nissen Interclub Handicap - C.Canham (Val) 1, J.Fogitt (CP) 2, F.Huxham (Ips) 3
50 yards B Senior Handicap
100 yards QASA Invitation Handicap - T.Long (3) (Val) 1, M.Trimble (Scr) (R'hampton) 2, B Stafford (4) (Val) 3.
50 yards Senior Championship of Queensland - R.Smith (S'gate) 1, D.Story (S'gate) 2, M.Cuzzu (Cairns) 3. R.Smith led all the way and won by about half a yard. There was a close finish for second place.
100 yards Senior Championship of Queensland - Ev Story (S'gate) 1, M.Croft (S'gate) 2, O.Meredith (MB) 3. The two Sandgate swimmers went right away at the finish, and while Ev Story won by a yard, O.Meredith was 5 yards away third. Time 1m 17s
50 yards A Junior HAndicap -
220 yards Championships of Queensland - R.Smith (S'gate) 1, M.Crittenden (Cairns) 2, B.Leach (CP) 3. Rita Smith led all the way and won by 25 yards. Time 3m 1 4/5s
50 yards Mrs Kuder Memorial Handicap - Ev Story (Scr) (S'gate) 1, V.Story (8) (S'gate) 2, G.Phillips (3) (Val) 3
Open Handicap Dive - B.Leach (CP) 1, R.Middleton (MB) 2, Mr T.Johnson (S'gate) 3
Flying Squadron Championship of Queensland - 6 in a team - Sandgate (Rita Smith, N.Croft, Frances Hinton, Doris Story, Hope Story, Ella Story) 1, Time 2m 17 1/5s. Sandgate led every lap and increased their lead each lap. They won by about 15 yards. City Pastime staged a great race for second with Valley.

WOMEN ARE OUR STATE CHAMPIONS
Q.L.A.S.A. CARNIVAL
SANDGATE'S SUCCESS

Sandgate competitors did well last night at the Valley Baths when the State and Country Carnival of the Queensland Ladies Amateur Swimming Association drew to a close.

The feature event was the 100 yards Freestyle Championship of Queensland, which was won by the previous holder of the title, Miss Rita Smith (S'gate) in 1m 8 4/5s. She was only 1/5sec ahead of Miss T.Story (S'gate), and another 1/5 sec separating her from Miss Cuzzu (Cairns). Other competitors in the last lap were definitely out of the race.

The 50 yards Junior Championship of Queensland provided a thrilling display, with the nine starters finishing with a very close margin. In this event, the previous holder of the title, Miss M.Croft (S'gate) was defeated by the narrowest of margins by Miss Ev Story (S'gate).

Sandgate again came out on top in the spectacular 150 yards Teams Championship, closely defeating the City Pastime Club, and another Sandgate team annexed the De Little Cup Relay race.

Results

100 yards Freestyle Championship of Queensland - R.Smith (S'gate) 1, D.Story (S'gate) 2, M.Cuzzu Cairns) 3, Time 1m 8 4/5s

50 yards Junior Championship of Queensland - Ev Story (S'gate) 1, M.Croft (S'gate) 2, S.Croft (S'gate) 3 Time 32 4/5s
100 yards Backstroke Championship of Queensland - R.Middleton (MB) 1, E.Ross (R'hampton) 2, M.Crittendden (Cairns) 3 1m 45 3/5
150 yards Team Championship of Queensland - Sandgate (F.Hinton, V.Story, R.Smith) 1, City Pastime 2 Valley 3 Time 1m 33 4/5s
220 yards Breaststroke Championship of Queensland - P.Thompson (previous holder and only competitor) 1 Time 3m 37s
De Little Cup relay Race - Sandgate (R.Smith, F.Hinton, V.Story, Ev Story) 1, City Pastime 2, Valley 3 Time 2m 9 2/5s
50 yards Open Freestyle handicap -
40 yards Junior handicap -
20 yards Novice handicap -
Open Handicap Dive - R.Middleton (MB) 1, B.Leach (CP) 2
Novelty Race -

A old troupe of Queensland diving champions, including Messrs L.Clancy, J.Collin, G.Johnston, A.Harrower, R.Reid, and V.Smith, gave an interesting exhibition display.

Q.A.S.A. REGISTRATIONS

At a meeting of the QASA last evening, the Hon registrar (Mr J.Hutchinson) stated that 304 juniors and 700 seniors had been registered up to February 28, making a total of 1013.

Six Metropolitan clubs had registered detailed figures, being Commercial 20 seniors, City Pastime 39 juniors 75 seniors, Federal 8/20, Moreton Bay 24/25, Sandgate 41/47, Valley 19/43.

For the Country clubs figures were, Atherton 21 seniors, Bundaberg 18/24, Cairns 31/43, Gympie 28/32, Ipswich Centre 6/29, Maryborough 11/47, Maroochy 21 seniors, Malanda 18 seniors, Rockhampton Centre 8/90, Tourists Townsville 8/24, Toowoomba Centre 46 seniors, Warwick Harriers 40 seniors, Warwick District 30/40.

No returns had been received from Canungra, Home Hill Rural, Longreach, and Southport Life Saving Club.

Total fees amounted to £21/16/-.

SANDGATE WINS SPRINGFIELD CUP KEEN TEAM COMPETITION

The Sandgate ladies Swimming Club with 60 points won the Springfield Cup at a carnival at the Valley Baths last night. Moreton Bay (46 points) was runner-up followed by Valley (19) and City Pastime (12).

The swimming through the carnival was of high standard, and several races resulted in hard-fought finishes.

At the completion of the carnival, the donor, Miss Mabel Springfield, presented the Springfield Cup to Miss Rita Smith, the captain of the Sandgate team.

LADIES ASSOCIATION

At the monthly meeting of the Queensland Ladies Amateur Swimming Association held last night in the Hall of Muses, George Street, City, the Treasurer reported that the two annual championships and the Springfield Cup carnival resulted in a credit balance of seventeen pounds eighteen shillings and seven pence. As sufficient money was in hand, it was decided to purchase the trophies and allot the open orders immediately.

A style of standard Cups for championship events was adopted.

It was reported that the affiliation fee of one guinea was paid to the Olympic Council.

Donations for the recent carnivals were received, including four guineas from Mrs F.W.De Little, and one guinea from Mr F.W.De Little, and Nissen Limited.

It was decided that in case of novice handicaps held under the auspices of the QLASA, swimmers who break their time should be re-handicapped instead of being disqualified.

The Cairns Club notified that Miss H.Neller was appointed delegate for that club, and at her instance, permission was granted to the club to stage certain events at the North Queensland Championships held in Cairns on March 26.

QUESTION OF CONTROL BACKLESS COSTUMES

At the recent Conference of the Amateur Swimming Union of Australia, a resolution from the Queensland Amateur Swimming Association to create a separate Union to control women's events was ruled out of order.

The Chairman, according to reports in the "West Australian", stated that the Federated International Natatorial Associations would recognise only one governing body in each country, and even in America with its 120 million of people, there was only one governing body for the control of swimming.

This action is not altogether justified. The QASA did not intend to suggest that the women should have an independent Union, but that they should have a Union affiliated with the Australian Swimming Union, which is the controlling body in the Commonwealth.

Some years ago the Ladies Association in Queensland, New South Wales, and Victoria, were affiliated with each other and managed the women's side of the sport very well. Then a split occurred in Victoria and the Women's Association were forced to join the Men's Associations in the various States which largely took away their autonomy. The decision was brought about by allowing States that had no women's Association to vote, although they were not interested.

The QASA and the NSWASA have worked harmoniously with the women's Associations, but there is no doubt that if the occasion arose the women's

Associations could not be put in the position of ordinary clubs, and the control of ladies swimming virtually taken out of the hands of the QLASA.

The QLASA is only allowed the same representation on the QASA Council as a men's club, but as already stated, harmonious relations prevail, and except for occasional efforts by two or three delegates, probably done unthinkingly, no attempt is made to interfere with the QLASA's control of matters affecting women's swimming.

Some day the women may gain their desire and have a separate Union affiliated with the Australian Swimming Union.

At the last meeting of the Council of the QLASA, considerable discussion took place about what constituted a costume that could be barred. Mention was made of the fact that some girls who wore backless costumes were told that unless they changed them, they would not be allowed to start, and others had been allowed to wear them. One of the Costume Stewards stated that she had prohibited any backless costumes she saw, but she was unable to inspect every costume. The President (Mrs McGregor-Lowndes) and several of the delegates maintained that while a costume did not conform with the QLASA requirements, yet there was nothing to cavil at, and backless costumes were not objectionable.

One delegate contended that the men did not enforce their own rules in the matter, and if that was so, some effort should be made by the QLASA to put an end to the present farcical position, and define what costumes could or could not be worn.

SWIMMING SPLASHES

Season closing ...Attempts on Records...Joyce Wright's Trial...
North Queensland Championships...Cairns Improving...
Casino Coming

By Keith Horsley

The swimming season in the metropolis is drawing to a close and the first of the clubs to close down is the City Pastime which concluded a most successful season at the Davies Park Baths last night. Most of the other clubs will follow suit within the next few weeks. It is wise to close the season while the interest and enthusiasm is still at high pitch, for when the closing is delayed and interest wanes, there is generally a feeling of lethargy at the commencement of the following season. The sport has made undoubted strides forward during the past six months, progress that not only should be maintained, but increased in the 1933-1934 season. The junior talent in both the men's and the women's sections has proved very satisfactory and augurs well for the future. Public support, too, has shown an increase, and with another international visit next year as planned, the sport should receive another fillip.

At the Sandgate Baths next Wednesday evening an interesting programme of interclub events between the Moreton Bay and Sandgate Clubs will take place. The programme will be supplemented by two attempts at Queensland records. Rita Smith will make an effort to reduce the time established by herself over 100 yards, while Thor Long, the brilliant Junior, will sprint over the 100 yards in an attempt to break his own time established at the State Championships. Both contenders are swimming well, and there is every possibility of both records being broken.

Apart from the record attempts, there will be more than ordinary interest in the meeting of Joyce Wright and Ev Story with Nancy Croft. All three are brilliant juniors, and though on the Springfield Cup results, Joyce Wright looks the winner, it will be a very keen tussle. Joyce was unfortunately unable to compete in the State Championships owing to an illness, and on her subsequent performances it would seem that she should today be the holder of the two titles. Nancy Croft competed in the titular events, but she was far below the form of which she is capable, and has since beaten Ev Story over 50

metres. But the title holder was not seen at her best that night, and she will no doubt be at her top next Wednesday evening to atone for the defeat she suffered by these two rivals. The junior men's race should also be keen, for Barber, of Moreton Bay, is a much improved exponent and can be expected to push Thompson-Jones if he can repeat his fine swim at the Springfield Cup carnival in the QASA Handicap.

Swimming in the north is receiving publicity as a result of the North Queensland Championships to be decided shortly in Cairns, that Centre having put quite a lot of organization into the carnivals. Jerry Newton will leave Brisbane today to contest the breaststroke title, and it would seem that he will be the winner. The freestyle events, however, are creating much speculation, several contenders for the honours having improved considerably since visiting Brisbane for the State Titles. Bill Fleming, for instance, has broken the minute for the 100 yards since his return, and is now regarded as the winner of this sprint. Norm Wedlock and Marie Cuzzu have both recently established new records for the Cairns baths over the sprint distances, thus giving definite evidence that their trip to the metropolis has been responsible for an improved standard of swimming. If all Country Centres were as keen as Cairns, the sport would surely boom.

The annual interclub events between Lismore and City Pastime have set other clubs thinking along the same lines. There is very possibility that Casino will visit Brisbane next season as the guest of the Moreton Bay Club. Interclub swimming does much to hold the interest of competitors and improve the standard, and it is most pleasing to find it becoming more general and popular.

PROMISING RESULTS
SWIMMING SEASON
AUSTRALIAN TITLES

With titles to hold and others to win, Queensland swimmers will enter the season with enthusiasm that promises to be rich in results. In the men's championships the allotments for Brisbane are 220, 440, and 100 yards junior, freestyle titles and the springboard and high diving titles. The Australian Championships for women which will be decided in Brisbane are 100 and 220 yards free style, 220 yards breast stroke, and 100 yards back stroke.

The programmes drawn up may be regarded as rather "lean" from the men's standpoint, but there is a balancing effect, from the sporting point of view from the women's allotments. The Australian Championships are a great magnet, and as the State Championships precede them, it will not be until the local events are actually decided that talent can be measured on big championship ratings.

THE YOUNG BRIGADE

Still it can be said, Thor Long, the young Valley swimmer, has a great future. He won the Junior Title last year from N.Wedlock who is another swimmer who is coming along well and has established a record here. At the Adelaide Championships he was second o A.Crawford who is one of the "finds" for years in Australian swimming circles. Thor covered the distance in his State championship in 60 1/5s; in Adelaide the swimming time was 58 4/5s. We can look forward to V.Tremble (Rockhampton) to continue his good deeds as a s sprinter. He was Reg Grier's most dangerous opponent last season. The champion had only a slight lead on him after 50 yards had been covered in the State championship race, but experience and tenacity told in the end.Tremble swam well, too, in other events. Then there is Merv Witt, Maryborough lad, who with limited training and coaching opportunities did so well against the Lismore representative, R.Stafford, swimming second to him in 220, 400, and 800 yards and 1 mile. It is reported that Stafford may live in Brisbane, and in a way it is a pity he should have won these championships racing so well without actually gaining the laurels through non-residential qualifications. Merv Witt (free style), Alan Petersen Maroochydore0, and W.Daly (back and breast stroke), M.Muller (Toowoomba - breast stroke), and A.Harrower (diving), are other fine candidates in their classes.

AMONG THE LADIES

The best lady representative the State is likely to have in the Australian Championships is Rita Smith who has the free style championships of her sex up to 220 yards to her credit. E.Storey was her strongest opponent in last season's championships. Ev Storey, the fine junior swimmer, will be after additional titles this season. F.Thompson, R.Middleton, P.Storey, and the country champion, Marie Cuzzu, should again make the State Championships interesting, with perhaps some of the higher Australian honours in their keeping.

The Valley Club will be strengthened this season as Enid and Evelyn Middleton will be returning to that club from Moreton Bay, and the report is that Ev, Ellie, and Dorrie Storey are leaving Sandgate to join Valley.

JAPANESE SWIMMERS
NO VISIT THIS SEASON

Invitations were extended by the Australian Swimming Union to prominent Japanese swimmers to visit Australian States this season. Mr E.J.Goodwin, Secretary of the Queensland Amateur Swimming Association, has received from Mr

A.W.B.Fawcett, Secretary of the Union, informing from Japan that owing to the Manila Games this season, the swimmers would not be accepting the invitation this season. There was, however, a prospect of a visit from them next season.

GRIER SOUGHT AS COACH
STARTER'S GUN COCKED FOR BUSY SEASON.

Queensland Swimming Association is trying to get Reg Grier a honorary coach, a new position to be created. With Tom Boast and Frank Springfield he has acted in that capacity for a number of years. The various baths caretakers and lessees, although dubbed professionals, have always been willing to interest themselves in this direction.

Sandgate Club are all out with a will to shake up the sport. In typical election style, dodgers advocating the support of Presidential candidate Len Stanton, in opposition to Dave Carter, received such solid support that the President-elect of many years won by the narrowest of margins.

Mr J.R.Hutchinson, the Association registrar, presented a concise Report.

The showing of the Toowoomba Club as defaulters for non-registration fees from some members, brought forth a heated protest from the delegate, R.Steggall, who had come down especially for the meeting.

The Valley Club were also classified in the same category, but took the report as sports in accordance with the rules.

Great interest is centred in the election of Secretary at the Council meeting tomorrow night. The present Secretary, Ted Goodwin, is to be opposed by Keith Horsley.

Several other official positions have so to be filled. J.Tanner has been appointed Handicapper, and Ern Patmore has been elected Secretary of the Commercial Club, and both should be capable officials

TO BE OPPOSED
Q.A.S.A SECRETARY

At the Council Meeting of the Queensland Amateur Swimming Association next Monday, a Secretary will be appointed for the new season. Mr Keith Horsley, a Brisbane journalist, is opposing Mr E.J.Goodwin who has held the office for five years.

The present Treasurer, Mr J.D.Stanton, at the Annual Meeting on Monday definitely announced that he wouldn't be a candidate for the office, but since then the Ladies Association and also one of the affiliated clubs nominated him.

A.Long, brother of Thor Long, has also nominated for the Treasury-ship, but he has stated he will not seek election.

LADIES ASSOCIATION

The Council of the Queensland Ladies Amateur Swimming Association will meet on Friday to discuss the holding of the ladies Championships in conjunction with the men's State Championship carnival.

The election of the Hon Treasurer, Selection Committee, Delegate to the QASA, and Chairwoman of Council, will take place at this meeting.

SWIMMING ASSOCIATION
TROUBLE OVER ELECTION OF OFFICIALS
SPORTING ACTION AVERTS SERIOUS DEADLOCK

With the Chairman having one of his rulings disagreed with, and the meeting futilely waiting for another ruling from the Chair, which was not forthcoming, the first Council meeting of the Queensland Amateur Swimming Association last night threatened the blackest page in the administrative history of the Association,

This, fortunately, was prevented when the majority of the delegates sportingly avoided a deadlock which would have done the Association irreparable harm, by agreeing to an adjournment of the meeting to next Monday night.

Under the Presidency of Mr D.S.Carter, over 30 delegates from affiliated clubs were in attendance, and before the proceedings were long under way everyone was as touchy as a sunburnt back.

The dissention arose when the delegates prepared themselves for the election of a Chairman for the ensuing year. The only nomination for the position reported by the Secretary to have been received in accordance with the rules was that of Mr J.D.Stanton of the Sandgate Club and ex-treasurer of the Association, who did not seek re-election for that position last night. After his nomination was approved, the meeting came to a full stop. Delegates, apparently unanimous in their expectations that the present Chairman, Mr D.S.Carter would be nominated again for the position, awaited developments.

The meeting was next informed that Mr Carter had not been nominated in accordance with the rules which provide that "Nominations, to be made in writing, must be in the hands of the Hon Secretary at least seven days before the date of the first Council meeting." The Secretary reported that he had not received Mr Carter's nomination prior to last night. Delegates then expected that the only course apparently left open at that juncture, namely that Mr Stanton would be declared elected unopposed, would be followed.

This the Chairman declined to do on the ground that as an interested party he did not think he should give a ruling on the matter. There and then the delegates plunged into a welter of argument but never looked like untangling the affair.

Eventually when they had talked themselves hoarse, they adopted a suggestion that the meeting be adjourned for seven days to next Monday night. Supporters of Mr Stanton generously agreed to the proposal in order to avoid a nasty deadlock.

The sensations, however, did not end there. When the adjournment proposal was agreed to, Mr Stanton enquired whether on next Monday night he would retain his right to vote in the position in which he attended last night's meeting. Namely, as the Association's Honorary Treasurer, but for which he had not stood for re-election last night.

Inquiry was also made on behalf of the Honorary Registrar of the Association who also had vacated the position last night.

On this occasion Mr Carter ruled that Mr Stanton and his colleagues would not retain their right to vote next Monday. A Vice President of the Association, Mr L.Nissen, then moved that the Chairman's ruling on this matter be disagreed with, and this motion was carried.

The Barcaldine Club was granted affiliation, and the Association decided that this club, with the Longreach Club, should come to some amicable agreement about the holding of the Central Championships.

As there is little time before the holding of the Australian Championships in Brisbane, it was agreed that the men's and women's Associations should consider the question of holding their championships together.

The following officers were elected - Hon Secretary, Mr E.J.Goodwin; Hon Treasurer, Mr V.Hartley; Executive Committee, Messrs T.Moores, N.Burn, J.D.Stanton, L.Nissen, J.Tanner; Official Starter, Mr R.Hodge; Hon Registrar, Mr J.Montgomery; Timekeeper, Mr J.Moylan.

NOT AN OFFICIAL
Q.A.S.A. CHAIRMAN
LEGAL INTERPRETATION

Legal opinion, which has been obtained on certain rules in the Queensland Amateur Swimming Association as to the position of Chairman of Council, advises that it is not an "official", as interpreted by some members of the Association at the meeting last Monday.

According to that opinion, therefore, it is not necessary for the nomination for the position of Chairman be lodged seven days before the date of the first Council meeting.

Around this point much discussion evolved at the last Council meeting. Amended advice the Council has received also classed as the Executive Committee, the on Starter, and the Official Timekeeper as "non officials" within the rules. At the Council meeting last Monday the position of Chairman was not decided, but Mr D.S.Carter had nominated for that office. The effect of the legal decision means that the nomination can be made and the election for the position decided at the one night. On Monday the Council will elect a Chairman.

SET HANDICAPS
MOVE BY LADIES ASSOCIATION

The limit of 10 seconds for 50 metres and 16 seconds for 100 metres in handicap races at carnivals for A Grade junior and senior swimmers was decided on at a Council meeting of the Queensland Ladies Amateur Swimming Association held last night.

It was also decide that any swimmer who could swim 50 metres in 42 seconds or less should not be allowed to compete in B Grade events.

Affiliation was granted to three clubs, Valley, Cairns, and Toowoomba.

A motion moved by Mr C.Dahl that the Executive empowered to meet the Executive of the men's Association regarding the holding of joint championship carnivals and to make the best arrangements possible was carried.

The baths for the races for the holding of the Speedo Cup are - 50 yards breaststroke Manly, 50 yards backstroke, Sandgate; 50 yards freestyle, Davies Park; 100 yards freestyle, Ithaca; 75 yards breaststroke, Valley. The date of the first swim was fixed for November 9 in the Davies Park baths.

The election of officers resulted - Chairwoman Mrs McGregor-Lowndes; Secretary, Miss P.Kuder; Treasurer, Mrs J.C.McGregor; Interstate Select ion Committee, Mrs C.Mackay, Misses I.Cribb, and P.Kuder; Costume Stewards, Misses E.Warnecke and C.Campbell; Delegates to QASA, Mrs J.McGregor-Lowndes and Miss P.Kuder; Executive Committee, Mesdames C.Mackay, H.Newman, Misses E.Warnecke, L.Nicholls, M..Jennings, and I.Cribb.

AFTER TWENTY NINE YEARS
CHAIRMAN RESIGNS
Q.A.S.A. COUNCIL

Having filled the office of Chairman of the Council of the Queensland Amateur Swimming Association for twenty nine years, Mr D.S.Carter was defeated in a ballot for the position by Mr J.D.Stanton at a Council meeting last night. Mr Carter, however, retains his position as President of the Association which he has held for 25 years.

Mr Stanton was Treasurer of the Association for two years, and only relinquished the position this season.

In congratulating Mr Stanton on his election, Mr Carter said it was gratifying that the Association had such an enthusiastic member offering his

services for the position. He hoped Mr Stanton's term would be as happy and contented as his had been.

Mr Stanton said he was accepting the position in no light-hearted manner. His wish was that delegates would bring something forward every Council night for the benefit of swimming.

REPRESENTATION ON COUNCIL

An amendment to Rule 8 submitted as a Notice of Motion by Mr Stanton was that the rule be amended to provide that no Club or Centre would be represented in Council by an unregistered member of the Association - this not to apply to Life Members, President, or Vice Presidents. Also that no City Club be entitled to have more than two members on the Council as representatives for Country Clubs or Centres.

SPEEDO SHIELD

The venues for the Speedo Shield and the distances to be swum are - Valley Club 50 metres each man; City Pastime 50 yards; Federal 50 metres; Sandgate, 66 2/3 yards; Commercial 50 metres; Moreton Bay, 66 2/3 yards.

Eleven names are to be submitted for the seniors and six for the three junior relays which are swum on the same evening. Nominations close three days before the event. Final acceptances are at 8pm on the night of the swims. The juniors commence at 6.30pm and the seniors at 8.45pm.

MISS COOPER'S VISIT DATES NOT SUITABLE FEBRUARY SUGGESTED

Negotiations for the visit of Miss Joyce Cooper, English champion swimmer, in Brisbane are not likely to be completed for some days.

Accepting an invitation from the Queensland ladies Amateur Swimming Association on her behalf, the New South Wales Ladies Amateur Swimming Association suggested that she should visit Queensland on the occasion of the Australian Championships in January, but the dates are not regarded as suitable, apart from the fact that the Australian Championships in themselves are a sufficient drawback.

It is the decision of the Queensland Ladies Amateur Swimming Association to have Miss Cooper the central figure in a special carnival in her honour. The New South Wales Association will be advised accordingly, and February will be suggested as a time for her visit to Brisbane.

HELP QUEENSLAND TO WIN THE KIERAN SHIELD
KALILI TO REMAIN HERE IF PASSPORT EXTENDED

"I'm here to help Queensland win the Kieran Shield," said Manuello Kalili, the Hawaiian swimmer, before leaving last night for Maryborough where he is to continue coaching.

Asked about his swimming times he replied that at present they were faster than those he made at his last visit to Brisbane, and he expected he would be even better with intensive training, although he smilingly added, "I am always fit." As to his favourite distances he mentioned that anything from 50 yards to 1 mile would suit him.

He had no plans after the Australian Championships had been decided he said, he hoped he would be able to remain in Queensland, and he certainly would if the time of his passport was extended.

EXTENSION OF PASSPORT SOUGHT

It was learnt yesterday that the twelve months covered by Kalili's passport expire at an early date. Application, however, has been lodged for an extension of that time by six months. This will be submitted to the Federal Minister for the Interior, Mr A.J.Perkins, for consideration.

Questioned yesterday, the Secretary of the Queensland Amateur Swimming Association (Mr E.J.Goodwin) said that as Kalili had lived in Queensland since July, he had already fulfilled the residential qualifications of three months required by the Australian Swimming Union.

EXTENDED STAY
KALILI'S POSITION
FEDERAL CONCESSION
Canberra Nov 22

Manuello Kalili, the Hawaiian swimmer, will be permitted to stay in Australia six months longer, the Cabinet decided today. Kalili's stay in Australia is limited by immigration restrictions on coloured races, and his normal time has expired.

The extension was granted to enable Kalili to take up a temporary position as coach to a Queensland swimming club.

BRISBANE TO TELL
KALILI'S POSITION
TOOWOOMBA OPPOSED TO HIM SWIMMING

"Is there anything to tell the members of Council regarding the inclusion of Kalili in the Kieran Shield contests?" asked Mr P.M.Steggall, representative of the Toowoomba Club, to the meeting of the Council of the Queensland Amateur Swimming Association last night.

The Chairman, Mr J.D.Stanton as Executive, said, "No. As far as the Association is concerned it has not occupied its attention in any way." Mr D,Harrison said that according to the newspapers the Press got information from the Executive, and the Council could not.

The Chairman, "That is right." The Secretary, Mr E.J.Goodwin, "The correct report of what the Executive did at the last meeting appeared in the Courier Mail."

Mr Dteggall, "The Toowoomba Club objects to Mr Kalili appearing in the Kieran Shield contests. That event is to foster Queensland swimmers and the swimmers of other States. Personally I do not think his appearance will meet with the approbation of the public."

Mr Hartley (Treasurer), "Mr Kalili is not a registered member of any club."

The Chairman, "The matter of Kalili not being a registered member dos not enter into the matter at this stage. There is not any reason to think that Kalili can not be a registered member by the time the Championships come round."

DIVING CHAMPIONSHIPS

Messrs D.S.Carter (Referee), N.Burn and L.Kropp (recording officers), F.W.Springfield, E.J.Goodwin, and J.Hiron (Judges), were appointed controllers of the State and Country Dives, and also the section of the Australian Diving Championships in Brisbane.

The question of forming a diving troupe to give exhibitions at carnivals and to assist towards efficiency in that department was discussed.

Arising out of the dispute at the commencement of the season concerning the election of Chairman and alteration of rules to provide that, "Officer of the Council" shall include the Chairman of the Council and the Honorary Registrar, was agreed to on the motion of Mr C.R.Dahl. Another alternative provided for the election of Costume Stewards.

On the motion of Mr G.Johnston it was agreed to alter the rules to provide for two diving championships, springboard and high dive events, instead of having the two combined. This decision will bring Queensland into line with other States, and also the conditions of the Australian Championships.

COUNTRY REPRESENTATION

The Council agreed to Mr J.D.Stanton's motion that the Country Clubs be entitled to two delegates from each club, provided the representatives are registered members of the Association. At present a Country Club was entitled to only one delegate,

It was announced that the arrangements for the visit of Miss Joyce Cooper had not yet been completed.

Messrs J.D.Stanton, E.J.Goodwin, and J.Whittington, were appointed Selectors for the season

WOMEN'S SPORT SWIMMERS WOULD LIKE OWN UNION MOVE TO CONVENE MEETING

During the Queensland section of the National Championships to be held in Brisbane on January 23 and 30, Mrs Norman Wright, President of the Q.L.A.S.A., plans to convene an informal meeting of visiting women swimmers and delegates to discuss the possibility of forming an Australian Women's Swimming Union. The project is not new, but is becoming more urgent.

There is no woman representative on the committee appointed to control and organize the Empire Games of 1938, in Sydney, although the women's sports organizations will undoubtedly be called on to care for women visitors.

Swimming Associations in States which have no separate women's Association admit the women are drawcards at carnivals and do most of the social work. Now the women are making strenuous efforts to gain recognition in the administrative sphere.

F.I.N.A. RULING

The Australian Swimming Union in opposing the formation of a Women's Union, states that the International Federation de Natation Amateur, to which the A.S.U. is affiliated, will not allow of such. Actually the International Federation ruling says that only one Association in each country will be recognised.

The women do not seek direct affiliation to the International Federation. Their aim is to influence the A.S.U. to do as the Q.A.S.A and the N.S.W.A.S.A. have done; give the control and organization of women's swimming to a Women's Union which will be affiliated to the A.S.U, either direct or through the State Association, as at present.

Each year, while Mr Goodwin was Secretary of the Queensland Amateur Swimming Association, he suggested that the control of women's swimming should be handed to a women's committee representative of all the States. South Australia, West Australia, and Victoria turned down the suggestion.

In the opinion of Ms Wright, it is absurd that South Australia, West Australia, and Tasmania who have no women's Associations, should be allowed to vote on the matter. The number of women swimmers in these States is not high - an excellent argument that women's swimming will not flourish unless controlled and organised by women.

STATE TITLES
BEST TALENT FOR MANY SEASONS

On Sunday afternoon at a time to be arranged the springboard and High diving board State Championships will take place at the Valley Baths. There are four entries for these events.

The Rockhampton team of swimmers will arrive this morning and the Cairns team tomorrow night.

Interesting points about the entries for the ladies events are that in the Club Championships the class of swimmer engaged is the best for several seasons. Five teams, compared with three last year, have entered for the teams championship (including a Cairns team which was absent last year).

For heats will be necessary in the Queensland Ladies Open Handicap, and entries for the junior events are the best in number and quality in a championship carnival in Queensland.

COUNTRY SWIMMERS IMPRESS
TRY-OUTS FOR CHAMPIONSHIPS

A better array of champion talent out for practice than seen at the Valley baths yesterday afternoon has not been witnessed for many years.

The Cairns contingent of nine swimmers arrived, and the State record holder, Marie Cuzzu, was seen in a number of fine trials. Mary Crittenden and Ellen Barr, who hold northern titles, were in the water for hours exercising.

One of the most interesting swimmers was Merv Witt, the Maryborough champion and holder of the 220 yards, 880 yards, and 1 mile freestyle State titles. He has a remarkably easy style. His Manager, M.Kalili, was not present during the swims, but later in the afternoon the Hawaiian swimmer himself was seen in splendid sprints.

The Country junior freestyle champion for 50 yards, N.Wedlock, went better on his tests than on any previous occasion. E.Hopkins, another swimmer from the north, has a splendid style and swam right up to form in a middle distance test. Hopkins, the Atherton boy, is right at his top, gauging by his trial yesterday.

The Country never before has had such strong representation.

Reg Grier and Tom Boast were also seen out.

DIVING TITLES
LITTLE COMPETITION

The Diving Championships of Queensland contested in the Municipal Baths yesterday afternoon attracted few entries. Three competitors presented themselves in the senior title, while the junior brought only one entry.

G.D.Johnston (Valley Club) won the senior title by a comfortable margin, while the women's title went to the only competitor Miss W.Blunt.

For the men's events each competitor was required to do five compulsory and three optional dives, the obligatory events being a running 1½ somersault, a back dive, a pike islander, a back spring forward dive, and a full screw dive.

Results - G.D.Johnston (Valley) 118.209 points, J.Barr (Federal) 90.010 points, W.Cain (Commercial) 67.9 points.

For the Ladies Title, Miss W.Blunt was required to do a running 1½ somersault, a backward header, and a running full screw. In her junior title, her obligatory dives were a standing header, running header, and a back dive.

RECORDS GO BY BOARD
FAST TIMES IN SWIMMING TITLES
MARIE CUZZU'S FINE EFFORT

Marie Cuzzu, brilliant lady sprinter from Cairns, broke her own and State record of 38 $\frac{2}{5}$ secs by 1 $\frac{1}{5}$ secs for the women's freestyle over 66 yards at the Sate Championships which opened at the Valley Baths last night. She could even have clipped a fraction of a second off her new time had she been extended, as she was fully 12 yards ahead at the finish and going easily.

In the 300 yards Women's Flying Squadron, the Valley team clipped 4 seconds off the record of 3m 16s which Sandgate had held.

New figures were also set by the Rockhampton junior flying squadron team, covering the 250 yards in 2m 31s - 1 $\frac{3}{5}$ secs better than Valley's previous best.

The final of the 440 yards Freestyle Championship was deferred until a night to be arranged.

In the opening event, the 300 yards squadron race for women, Valley had obtained such a good lead that Rita Smith, the last off for Sandgate, could not exert herself seeing the task was hopeless. Miss Smith was also far from well.

In the first heat of the Country 100 yards Freestyle Championship, all swimmers covered the first 50 yards almost together, but N.Wedlock when pressed came away at the finish and had $\frac{3}{5}$ sec the better of Plumb on the tape. W.Fleming won the second heat in $\frac{3}{5}$ sec faster than Wedlock. They were both fine races. In the final Fleming swam the distance $\frac{1}{5}$ sec better than in the heat.

NEW JUNIOR RECORD

Ev Story, the popular choice for the junior freestyle, won, but only by a touch, and the competition was hot right throughout the race and in winning cut over 2 seconds off her record. All place-getters in fact improved on the previous record by the title holder of 1m 17s.

The Valley representative, R.Spencer, led for some time in the 220 yards Breaststroke Championship, but Max Muller finished best to win in a time of 1 $\frac{2}{5}$ sec outside the record for the race.

COUNTRY SCORES AGAIN

Victory also went to the Country in the Women's 220 yards Freestyle Championship which resolved into a race between E.Caplice (Rockhampton) and V.Story (Valley). The Valley candidate, however, faded away towards the finish. Ev Story, the junior champion^s was only a yard behind her sister. It was won by a touch with a similar distance between second and third. The whole of the competitors were in a line until the last ten yards.

For the first time a Medley handicap was swum, the entrants being required to swim 100 yards breaststroke, backstroke, and sidestroke. M.Kalili was 32 seconds behind, and he created some amusement by diving half the length of the baths in the breaststroke and making up much leeway. He was ahead before the backstroke was over with his specialty freestyle to come. He "paddled" home in the lead.

Kalili also gave an exhibition of diving.

FOR NATIONAL TITLES
Q.L.A.S.A. SELECTIONS

Ev Middleton and Phyllis Ross have been chosen by the Selectors of the Queensland Ladies Amateur Swimming Association to represent Queensland in the 100 yards Backstroke Championship at the National Championships which will open in Brisbane on January 24.

E.Caplice and E.Story will be the State's representatives for the 200 yards freestyle title, but the others are yet to be chosen.

The Selectors will probably meet tonight to choose the men's representatives.

The programme for the three nights of the Australian Championship Carnivals has been issued. On January 24 the women's 220 yards freestyle and the 100 yards backstroke will be contested and also the junior freestyle and the men's 220 yards freestyle.

On Friday January 26 the women's 220 yards breaststroke and 300 yards men's medley and the low springboard championships will be held, and on January 30 the programme provides for the 100 yards freestyle for women, the 440 yards and 300yards invitation scratch race for men.

100 YARDS CHAMPIONSHIP TO TREMBLE
KALILI WINS BUT INELIGIBLE
M.CUZZU'S FINE EFFORT

With a brilliant effort over the last 25 yards, the Hawaiian swimmer, M.Kalili, won the race for the 100 yards Freestyle Championship of Queensland at the Valley Baths last night, defeating V.Tremble of Rockhampton who was responsible for a particularly attractive effort. As Kalili is ineligible for the title, it goes to Tremble who was only beaten by a yard.

Anoter splendid finish was witnessed in the 100 yards Women's Freestyle Champinship, victory going to the brilliant Cairns swimmer, Marie Cuzzu, who defeated E.Caplicee of Rockhampton by a touch in 69 3/5secs, 2 2/5secs outside the State record.

The Cairns women's team clipped 1/5sec off the State record for 150 yards, covering the distance in 1m 32 1/5s and beating Valley by three yards.

The Country Flying Squadrons Championship of 500 yards was won well by the Cairns team in 4m 57 1/5s, which is 2.9secs better than the previous record for the race, but 3/5sec worse for the record for the distance set up by the same team in Cairns recently. The northerners won by 25 yards from Rockhampton.

In winning his heat of the 100 yards Freestyle Championship, Kalili took 54 4/5secs, taking 2½ secs off the previous record. In the final, Tremble who won his heat in 60 2/5sec led by over a yard at 50 yards and still held the advantage at 75 yards. He finished second ¾ yards behind Kalili, the Hawaiian representative, who took 56 2/5secs over the distance, which was one second better than the time taken by R.Grier in winning the event last year.

P.Thompson (Valley) always had the better of N.Croft (Sandgate) the only other competitor in the 220 yards Women's Breaststroke Championship, and won by 15 yards.

SLOW TIMES

Slow times were recorded in the 100 yards Junior Freestyle Championship. H.Lilley, Rockhampton swimmer, won the event in 65secs after being placed third in his heat which was won by T.Muller (Toowoomba) in 64 3/5secs. Muller, however, failed to reproduce that form in the final and was beaten into second place.

WITT IMPROVES TIMES

In the 880 yards title, Merv Witt (Maryborough) won in 11m 34 3/5s and cut 22secs off the time in which he won the event last year, the State record for the distance standing to the credit of Arne Borg in 10m 50 4/5s.

There was a large attendance, takings amounting to £20/14/- which is a long way ahead of the takings for the second night of the carnival last year.

SQUADRON TITLE TO VALLEY

TEAM DISQUALIFIED

BACKSTROKE TO BOAST

M.Kalili lowered the Queensland record for 5 yards to 22 2/5secs from 23 secs at the combined State and Country Swimming Carnival held at the Municipal Baths last night.

Although Kalili made a splendid attempt on the 220 yards freestyle championship, he failed by just 1/5sec to equal the record. His time was 2m 22s. His first heat was accomplished in 2m 24s, winning by 15 yards from

R.Stafford (Lismore). In the final he again performed creditably winning by 18 yards from V.Tremble (Rockhampton), with M.Witt (Maryborough) a yard away. As Kalili could not qualify for the championship, the title went to Tremble, with Witt and Tadman taking the other placings.

The 500 yards Flying Squadron (Club) Championship provided the sensation of the evening. The first placed, Cairns, had to do without the valuable help of Fleming, but the race developed into a duel between Cairns and Valley. Cairns finished by 1/5 sec in first place. The announcement that Valley had won caused a demonstration until it was explained that Barrett (Cairns) had left his mark too soon, thereby disqualifying his team.

R.Spencer (Valley) had a comparatively easy win in the 440 yards Breaststroke Championship. Roslyn (Ipswich) led by 25 yards until 350 yards had been reached and finished up last. Muller (Toowoomba) failed to retain his title by 7 seconds.

Tom Boast (Valley) swam a powerful race to win his 100 yards Backstroke Championship, but his time was 1/5sec worse than his record.

The final of the 440 yards Freestyle Championship gave M.Witt (Maryborough) an easy win from R.Stafford (Lismore). He won by 12 yards.

The women's events, as far as finishes were concerned, proved most exciting.

P.Thompson (Valley) remains the 100 yards Breaststroke champion, defeating N.Croft (Sandgate). She won by 8 yards and her time was 2/5sec worse than her previous record.

The two heats and final of the 50 yards Junior Freestyle provided some thrilling finishes and only the judges could declare the place-getters. The former holder, Ev Story (Sandgate), went under to E.Barr (Cairns) who won by 1/5 sec.

Although M.Cuzzu (Cairns) failed to equal her record in the 220 yards Freestyle Championship, she was hard pressed by J.Wright (Moreton Bay), and between each of the four finalists there was only a touch.

CHAMPIONSHIP OVER ONE MILE

Covering the distance in 24m 4s, M.Witt of Maryborough won the 1 mile State Freestyle Swimming Championship at the Valley Baths on Saturday afternoon.

The contestants were E.Hopkins (Atherton), R.Stafford (Lismore), M.Witt (Maryborough), J.Tadman (Cairns).

The Queensland record for the mile established by F.Beaurepaire is 23m 46 1/5s.

This event concluded the State and Country Championships

The placings were - M.Witt 1, E.Hopkins 2, R.Stafford 3.

Hopkins was about 40 yards aheads of Stafford and Tadman 30yards behind Stafford, however, as Stafford was a guest swimmer from another State, he is not entitled to hold a place, therefore the third position will be allotted to Tadman.

NEW RECORDS CREATED
NATIONAL CHAMPIONSHIPS
MISS COOPER BRILLIANT

Miss Joyce Cooper, England's finest swimmer, and Manueoli Kalili, the Hawaiian champion, created new records at the Australian Swimming Championships held at the Valley Baths last night.

It was sensational swimming by Miss Cooper, She competed in the 200 yards women's national Championship after being wearied by travelling, yet headed the field after the third lap and won easily in 2m 42s which time is 2/5s faster than that put up by Frances Bult of Victoria which was previously the Australian record. Miss Cooper's time was 11 4/5s better than that which constituted the Queensland record. She was very tired after her brilliant swim.

Kalili's time in the 200 yards Australian Freestyle Championship was 2m 21 3/5 which beat the Queensland record by 1/5s, previously held by Takaishi (Japan). Last year at the Manly Baths (Sydney) Kalili covered the distance in 1m 16 1/5s. It was also a brilliant swim as Kalili won easily.

TWO RECORDS BROKEN 220 BREASTSTROKE AND 100 BACKSTROKE LAST NIGHT'S CARNIVAL

Two new records were created at the Australian Swimming Championships at the Valley Baths last night. Claire Denis, the Australian champion, retained her 220 yards breaststroke title. She clipped 12½ secs off the Queensland record. Her figures were outside her Australian record by 3 3/5secs.

Joyce Cooper, the English champion, beat Queensland's best figures for 100 yards backstroke by 6 seconds in the championship over that distance.

MISS COOPER SUPREME

Had Miss Cooper been absent, the 100 yards Women's Backstroke Championship would have been a very good race. The English champion took the lead in the first 25 yards and was not deprived of it. Kitty Mackay, the New South Wales representative, was immediately behind her nearly all the way. Miss Cooper finally won by 8 yards from Miss Mackay who, however retain her title, her second for the championship. Frances Bult, the Victorian swimmer, finished four yards behind Miss Mackay, and Miss Middleton of Queensland was a similar distance away fourth. The winner's time of 1m 13 3/5 is 6 secs faster than the Queensland record held by L.Venning. The Australian record for the distance is 1m 11 2/5s and is held by Bonnie Mealing.

KALILI WINS AGAIN

The 300 yards men's medley championship was contested by eight swimmers, the breaststroke, backstroke and freestyle, each over 100 yards were the distances. This is a new race in the championship class. Kalili won in 3m 56 4/5s. He did most of his breaststroke under water and was three yards ahead of Boast and Jocusen at the end of the first 50 yards, and six yards ahead of King and Boast at 100 yards. Kalili really sputtered in the backstroke and finished seven yards ahead of King with Boast three yards further back. They were the only three seriously in the race at that stage. Boast was expected to make up ground in the freestyle holding his own early, but fell back to be beaten by Crawford over the last twenty yards for third place. Kalili beat King at the finish by about four yards. It was the most interesting race on the programme.

Kieran Shield points to date ñ Victoria 2, Western Australia 1.

PROFIT OF £149
CHAMPIONSHIP CARNIVALS

According to the last financial statement submitted b Mr V.Hartley (Treasurer) to the Council of the Queensland Amateur Swimming Association last night, the State and Country carnival and the National Championships resulted in a net profit of £149/14/11. The total receipts were £517/-/9 and the expenditure £367/5/10, leaving a net profit of £149/14/1. He explained that the visit of Miss Joyce Cooper had cost £42/2/- and that of Kalili (including board) amounted to £15/12/-.

The biggest item of expenditure for both carnivals was the cost of trophies, and the expense of the team's trip to Sydney championships was £57 .

There were 2945 paying patrons at the combined State and Country carnivals, and 3400 at the National Championships.

Permission was granted to the Moreton Bay Club to visit the Sandgate Club for interclub contests on February 15, and to Federal and Commercial Clubs to compete at Davies Park on March 1.

The Council rejected a recommendation from the Executive Committee that £5 should be donated to the Maryborough Club as part recompense for M.Kalili's absence from Maryborough during the recent championships in Brisbane. The Executive Committee had learned that the Maryborough Club had lost money due to Kalili not being present at the weekly swims of that Club, hence its recommendation.

A Special Meeting of the Association will be held on Monday February 19 to consider matters dealing with the selection of junior lady swimmers for the Sydney series of the National Championships.

CHAMPIONS AT WARWICK

The Queensland swimmers will return from Sydney via Warwick and will give exhibitions on Tuesday February 18.

MUST HAVE SIX LANES
BATHS FOR NATIONAL CHAMPIONSHIPS
CONFERENCE DECISIONS

Sydney Feb 8

At the Annual Conference of the Australian Amateur Swimming Union which concluded today, the method of conducting the National Championships in Sydney was criticised by Mr J.Sheedy the Western Australia delegate. He considered the Coogee Aquarium Baths too narrow for the purpose as it only admitted of five

lanes being laid down for competition. This, together with the fact there was this year an international visitor restricted the number of Australians in the final of the championship to four.

It was quite possible in the event of there being more than one international visitor for the Australians being reduced to three or less. This was not, he contended, what it should be. The Australian Swimming Union should lay down definitely that there must be six lanes at least in Australian National Championships in the future.

The Conference expressed agreement with Mr Sheedy's views as regards the dimensions of the baths.

It was decided that a State which missed representation at two successive National Championships should thereby forfeit the right to conduct its share of those Championships.

FOUR MORE RECORDS IN AUSTRALIAN CHAMPIONSHIPS
CLOSE FINISH IN 100 YARDS

The 100 yards championship was a remarkably fine test of fitness between Ryan, R.Clark, OíBrien, and V.Tremble, Godfrey Vockler, the Victorian champion, made his first appearance in Sydney for several years in this race but was obviously out of form. Other starters were Hans Robertson (NSW) H.Smitham (SA). Tremble forced the pace early and he and Vockler turned first. Ryan and Clark moved up as they reached the 75 yards mark but Tremble responded, and Clark then endangered his prospects by fouling the rope boundary of his lane. As Ryan made his telling last run for the finish, Clark took up his characteristic sweeping sprint and he and Tremble raced side by side. At 90 yards it seemed as if Tremble would win but Ryan made another effort and won by half a yard. Clark and Tremble touched so close together that opinion was evenly divided as to who was second. The Judges gave the decision to Clark.

The mile race was another battle between Ryan and clubmate S.Herford from start to finish.

SPEEDO SWIMMING
CITY PASTIME WINS SHIELD

The final swim of the Speedo Shield relay series for the handsome Shield awarded by the McRae Knitting Mills in Sydney, took place in the Davies Park Baths last evening.

During the season seven teams competed in the eight events, the winners being the City Pastime A, followed by Federal and Sandgate.

In last night's race the Sandgate team was disqualified for the fourth man started before time.

The members of the winning team were Messrs E.Bonis, G.Holz, W.Shanahan, J.Rodgers, C.Sutcliffe, B.Webster, and M.Humphries.

The Shield was presented to the winning Club by Mr E.J.Goodwin, Secretary of the Queensland Amateur Swimming Association and will be held by the Club for twelve months. A replica was presented to each member of the team.

TIE FOR JUNIORS CLUBS

In the Junior Clubs competition for a Cup presented by the Queensland Amateur Swimming Association, the teams competing, Sandgate and Moreton Bay, tied with 20 points each. The swim to decide the issue will be held on a date to be arranged. In the 1932-33 season these teams also tied and in the swim-off the Moreton Bay Club team won.

NO CONFIDENCE VOTE BY QASA WAS MEETING RIGHTLY CONSTITUTED?

Whether the Special Meeting of the Queensland Amateur Swimming Association at which a vote of "No Confidence" was carried in the President (Mr D.S.Carter) and the Secretary (Mr E.J.Goodwin) was constitutionally correct will probably be discussed at the adjourned Council meeting of the QASA on Monday night.

Some delegates claim that although the Council ordered a Special Meeting to be called, the requisite seven days notice in writing was not given therefore they contend that the meeting was not rightly constituted and anything that transpired would not be binding on the parties concerned.

THE QASA CUP TO SANDGATE

The swim-off between the junior teams from Moreton Bay and Sandgate Clubs which tied in the Cup presented by the QASA, resulted in a win for Sandgate.

Last year the Moreton Bay and Sandgate Clubs also tied, but in the swim-off Moreton Bay won.

KALILIL'S EXPENSES TOO HIGH? COUNCIL REFUSES TO PAY SOME

The Council of the Queensland Amateur Swimming Association at an adjourned meeting last night decided not to recognise an amount of £3/15/10 for expenses for sundry items charged to the Association by M.Kalili during his visit to Brisbane for the State and National Championships.

Kalili's expenses amounted to £8/19/11 of which the Council decided to pay £5/4/1 for board and laundry charges.

The Treasurer (Mr V.Hartley) said Kalili was a great drawcard and that the amount in full should be paid. In future, he said, it would have to be understood exactly, that the sundry items would not be paid for by the Association

The Chairman (Mr J.D.Stanton) said that the Manager of the hotel at which Kalili was staying had been told that only the board and laundry charges were to be booked to the Association. It was possible, however, that Kalili had ordered the items from an employee of the hotel who might not be acquainted with these events.

It was not a fair thing, said Mr Dahl, to expect the Association to pay the expenses in the circumstances.

Discussion also arose over the expenses of V.Tremble which was £3/6/- for board at the rate of two guineas per week, and one for incidentals. It was considered that the amount for board was high. As Tremble was not told where he was to stay, the award was passed for payment.

"NO CONFIDENCE" VOTE

The minutes of a Special Meeting at which a vote of "No Confidence" was carried in the President (Mr D.S.Carter) and the Secretary (Mr E.J.Goodwin) were confirmed.

Mr Goodwin, "Does that mean that the vote of "No Confidence" in me still holds?"

Mr Stanton, "That is so."

The meeting agreed to call tenders for plaques for the State and Country Championships for the 1933-334 season.

The arranging of a conference with the Primary and the Secondary Schools with a view to improving the standard of swimming and keeping the competitors in the sport was referred to the Executive.

SPRINGFIELD CUP TO VALLEYS
W.BLUNT'S DIVING TREBLE

The Valley Ladies Swimming Club has had an easy win in the Springfield Cup competition at the Valley Baths last night. They secured 59 points, Sandgate being runners-up with 31 points. City Pastime gained 21 points and Federal 4.

W.Blunt (Valley) was outstanding in the diving events in the junior, open, and fancy dives. She also finished second in the 50 metres backstroke race, thus gaining 16 points for her Club. P.Thompson, also of Valley, was placed in four events, gaining 15 points

Although the Club had entered a full complement of swimmers few started, only two or three in some races in which seven or more entries had been received.

After the carnival Miss Mabel Springfield, the donor of the Cup, presented it to the winning team.

Mrs F.W. De Little presented the De Little Cup to the City Pastime team which won the special relay for it at the State and Country Championships, and the President of the Queensland Ladies Amateur Swimming Association, Mrs V.A.McGregor-Lowndes, presented the trophies to the metropolitan winners of State titles at the recent carnival.

Q.L.A.S.A. DISCUSSES OLYMPIC LEVY
SYDNEY TRIP COSTS £25

The total cost of sending Misses Hazel Gillman, Evelyn Story, and P.Kuder (Manageress) to the recent National Championships was £25/3/1.

This was stated by the Treasurer of the Queensland Amateur Swimming Association (Mr V.Hartley) at a meeting of the Association last night. Mr Hartley also intimated that as a result of the State and Country Championships in Brisbane, the Ladies Association would receive approximately £90.

The meeting, which was presided over by Mrs E.Cribb in the absence of Mrs V.McGregor-Lowndes, decided all affiliated Clubs to forward lists of their senior competitive swimmers, so that the Olympic levy of sixpence a head might be finalised. Mr Hartley, on behalf of the Queensland Association, explained that the levy which was to assist the Australian team, must be paid by the end of April.

It was decided to ask the QASA to refund the entrance fees of juniors who participated in the State and Country carnival and the National Championships.

The Federal Ladies Club gave Notice of Motion "That sub-section 1 of Rule 29 be amended to read Members of the Executive must be members of the Council, and each affiliated metropolitan Club shall be entitled to only one vote."

SWIMMING STARS VISIT
WILL THEY APPEAR IN BRISBANE?
Q.A.S.A MOVING

Queenslanders may see the greatest number of national champions in action this season as being the lot of the State to get together. The Victorian Centenary celebrations with the National and State Championships is the magnet, but the interstate bodies in alliance with the Australian Union and the Victorian Executive will have the opportunity of inviting the visitors to their respective States. There is an assurance that Queensland will not be behind in that direction.

Already negotiations have proceeded satisfactorily for the Japanese champions Sakegami, Kiyokawa, and Kitamaru and Makino to visit Brisbane. In the inter-varsity sports held recently in Japan, Makino broke his own world record for 800 metres, and no doubt he will be selected for the tour. These swimmers should arrive in the north about December 11 and will come on Brisbane. The State championships do not take place until January, but there may be change from the set month.

The Chinese Swimming Association has been asked by the southern enthusiasts to sanction a visit from Kwok Chun Hang, the Chinese breaststroke champion. The Chinese residents in Melbourne intend to lend financial aid. The Queensland Association has this matter in hand also, and it is possible Chun Hang will be brought to Queensland. If the negotiations are successful, it would be the first time that a Chinese swimmer has appeared here.

The Victorian Association accepted full financial responsibility respecting a visit from Jean Taris and Emil Poussard, the French champions, and an invitation to them from Queensland would probably be accepted. There is also the possibility of J. Medica, the American champion and world record holder, coming to Australia, and Queensland also will have the opportunity of inviting him here.

The local Association has passed through one of its most successful seasons, and the financial aspect therefore is not as acute as it was some time ago. They will no doubt endeavour to assemble all the world's champions if returns are reasonable.

Q.A.S.A ANNUAL MEETING
SOUTHERN BODIES CRITICISED
NO VISITS TO QUEENSLAND

Southern bodies were criticised on various subjects in the Annual Report of the Queensland Amateur Swimming Association at the Annual Meeting last night. The President (Mr D.S. Carter) made pointed reference to the failure of some of the southern States to send their best swimmers to compete in the National Championships last season. He said their States did not do justice to Queensland in this respect. It was expected Queensland would have seen Noel Ryan and other great swimmers in action. Queensland had invariably endeavoured to send their best swimmers away, but Victoria and New South Wales did not live up to that principle. Nevertheless, the two carnivals were a great success.

COUNTRY SWIMMERS IMPROVING

Mr Carter said that outstanding improvement had been shown by country swimmers, and that was proved at the championships. The fact in itself was remarkable, particularly as city swimmers claimed that their facilities were better than those in the country. Too much praise, therefore, could not be bestowed on country performers.

Referring to diving, the President said that the southern swimmers took a great interest in that phase of the sport, but only one or two persons showed

an interest in diving here, a fact that was regrettable. He hoped that Clubs would do their best to collect the Olympic levy, and moved the adoption of the Report.

Mr L.Nissen, in seconding the motion, said the Association was actually £32 better off than at this time last season. He hoped it would send metropolitan swimmers to country districts when convenient, as country enthusiasts would be very pleased to see them perform. His remarks were endorsed by the majority of delegates of the country Clubs.

The Treasurer stated that last season the sum of £350/5/3 was spent on swimmers, including trophies, and the amount the Ladies received was £120/18/2, including £34/13/6 for trophies.

The Report and Balance Sheet were adopted.

Two Handicappers, instead of three, for the season were appointed, Messrs J.Whittington and J.Montgomery being selected. The President was re-elected unopposed.

AMATEUR SPORTS CLUB

The President referred to the proposed formation of an Amateur Sports Club, and stated that the meeting to finalise matters would be held on October 18. Tentative arrangements had been made to take over a building in Elizabeth Street, two doors from Creek Street, at a rental of £5 a week. The suggested membership fees were - Associations Five guineas per annum, ordinary membership fee one guinea a year, with a nomination fee of one guinea; membership of the Club to be limited to 500 members, Life Members to be limited to 100 at ten guineas each. The Association agreed to the scheme.

CHAMPION SWIMMERS ARE BUSY PREPARING PROMISE OF KEEN CLUB CONTESTS MANY FIRST SWIMS NEXT WEEK

By Carlie Hensen

Women's swimming clubs are busy preparing for the opening of the 1934-35 season, and the majority of them will hold their first swims next week. Brisbane will not have the National Championships this year, but it is considered the sport will benefit from the impetus which it received from the deciding of the Australian Titles here last year, and it is anticipated that the rivalry between Clubs will be just as keen, and that if most of the season's stars again take the water, individual achievements will match those of 1933-34.

Rita Smith will again be swimming under the banner of the Sandgate Club, and with Frances Hinton (Captain) and Nancy Croft will form the nucleus of a formidable team, while Valley will have the Storey sisters, Ev, Ellie, and Dorrie, as well as Phyllis Thompson and the Middleton sisters to assure the Club will give a good account of itself in the season's competitions. In V.Dowling, winner of the Speedo Cup, the Federal Club has a promising junior, and the Smith sisters, Lorna and Mavis, can be relied on in the senior section.

The visit of the English international, Joyce Cooper, and the holding of the National Championships in Brisbane, made the 1933-34 season a bumper one for Queensland. The success of these swimming attractions both financially and socially was largely due to the untiring efforts of the Secretary of the Queensland Ladies Amateur Swimming Association, Miss Phyllis Kuder, who, should she decide to stand for re-election this season, is not likely to meet with much opposition at the Annual General Meeting on October 19.

VENUE OF STATE CHAMPIONSHIPS

An effort has been made this season to have one of the State Championships contested in one of the country towns. Every year the country competitors have been put to the expense of coming to Brisbane, and it is possible consideration will be given to holding the Championships in a more central town such as

Rockhampton this year. Last year the country swimmers definitely demonstrated their superiority through Marie Cuzzu, Helen Barr, Mary Crittenden, Ellen Caplice and Hazel Gillman, and practically all the State titles went out of Brisbane.

CHAMPIONSHIPS IN JANUARY

The swimming season will open next week when the first of the Club swims will be held. Dates fixed for the various Clubs for their weekly competitions are - Mondays, Federal, City Baths; Tuesday, Commercial, Valley Baths - Sandgate, Sandgate Baths - Moreton Bay, Manly Baths; Thursday, City Pastime, Davies Park Baths.

The Queensland Amateur Swimming Association is arranging a special programme for the visit of the Japanese swimmers to Brisbane in December. The State and Country Championships will probably be held early in January to enable the State's representatives to compete in the National Championships in Melbourne which open on January 19 (4 days), and will continue in Hobart on February 2.

The championship events have been arranged as follows - Melbourne, Men's events, Freestyle 100 yards, 800 yards and 1 mile; Backstroke 100 yards; Breaststroke 220 yards; Medley 300 yards: Women's events, Freestyle 400 yards, 800 yards, Junior 100 yards; Diving, springboard and tower. Hobart, Men's events, Freestyle 220 yards, 440 yards, Junior 100 yards; Diving, springboard and tower: Women's events, Freestyle 100 yards, 200 yards; Breaststroke 220 yards; Backstroke 100 yards.

DELEGATES ASKED TO LEAVE
COUNCIL CHAIRMAN EXPLAINS
"HAD NO OPTION"

At a meeting of the Council of the Queensland Amateur Swimming Association on Monday, delegates of two city and four country Clubs were asked by the Chairman, Mr J.D.Stanton, to leave, as their Clubs had not paid their affiliation fees. Asked to comment on the incident, Mr Stanton declared last night he was left with no option, sympathetic as he was towards the delegates concerned. He said that at the Annual Meeting held earlier he had taken the precaution of warning members through the Treasurer that their affiliation fees were then due and payable. Actually only one Club had complied with the rule and paid its fees when due. His interpretation of the rules admitted of no arguments.

The Council had the power to permit the delegates to remain without voting rights. That permission, however, was not given. No Club Secretary or country delegate could be excused for the lack of foresight. His decision was given before the election for the position of Chairman was held, and if delegates were not in accord with his viewpoint they need not have elected him to the Chair. He took it therefore, that his re-election was tantamount to support for his views.

MRS MCGREGOR-LOWNDES AGAIN PRESIDENT

A record attendance was present at the Annual General Meeting of the Queensland Ladies Amateur Swimming Association last night when Mrs McGregor-Lowndes was re-elected President for the eighth time.

Other officials elected were - Patroness, Mrs F.W.De Little; Vice Presidents, Mesdames V.Hartley, V.Gooma, R.Miles, E.Rich, E.Middleton, F.W.Springfield, A.Rees, S.Hope, Misses E.Thurlow, P.Brunnich; Handicapper, Mrs S.H.Newman. Miss Clayton was elected to the new position of Registrar. Life Membership was conferred on Mrs S.H.Newman.

It was decided to delete the 50 yards Senior and the 100 yards Breast Stroke from the list of State Championships and to add a 440 yards championship and a Junior Flying Squadron for teams of four.

The Annual Report showed nine new records had been established during the season in addition to the Australian record for 220 yards free style by Miss Joyce Cooper, the English champion. A profit of £65/10/7 was obtained from the National and State carnivals, and the bank balance was £87/17/7.

VISIT BY JAPANESE SWIMMERS
CLUBS PREPARING FOR BRISBANE CARNIVALS

Metropolitan Clubs which are controlling the carnivals associated with the visit of the Japanese swimmers in Brisbane are drawing up an agreement concerning the financial responsibilities. This will be submitted to the Queensland Amateur Swimming Association at an early date for ratification. The representatives of the Clubs met yesterday when Messrs K.Morrison, V.Hartley, and J.D.Stanton, were appointed a sub-committee to consider City Council charges in relation to baths rentals and other matters. A programme committee was also formed and Mr N.Burn was elected as publicity officer. Mr H.Kiely was elected Secretary pro tem of the carnivals.

WILL THEY APPEAR IN THE NORTH?

At an Executive meeting of the QASA last night it was stated that every effort was being made to induce the Japanese swimmers to disembark in the North to compete in carnivals in Cairns and Townsville.

It is proposed to send a team of swimmers from metropolitan Clubs to Lismore and QASA to provide transport and Lismore Club accommodation, the Club to have the profits.

A recommendation will be made to the head body of the State Schools Swimming that the State schools swimmers be granted free a honorary affiliation with the QASA. A conference with the State Schools Association will be held and matters of mutual interest discussed.

COST OF JAPANESE TRIP QUEENSLAND'S QUOTA £94

The Queensland in the cost of bringing the Japanese swimmers to Australia is £90 it was stated at the Council meeting of the Queensland Amateur Swimming Association last night. The actual expenditure incurred through this visit to the State will be about £149 pounds, including travelling and accommodation.

The quota for the Bundaberg, Gympie, Rockhampton, Toowoomba and Warwick bodies was fixed at £15 maximum each Club, and £25 for each for the two Brisbane carnivals. The allotment to local Clubs where the Japanese swimmers will appear will be arranged later.

At a meeting of the associated clubs controlling the Japanese carnivals in Brisbane, it was agreed that the programme should include a secondary schools scratch race, handicap for State schools boys, and a relay race for secondary schools girls.

The Council adopted the programme which also included record tests for the Japanese.

The Executive Committee is to consider a request from the newly formed Kyogle Swimming Club for a visit by Queensland on their return from the National Championships.

Owing to a change of dates for the National Championships in Melbourne, it was decided to bring forward the dates of the Queensland State and Country Championships to January 7, 9, and 11.

HIRE OF BATHS
REDUCED RATE WANTED FOR CARNIVALS

The associated metropolitan swimming clubs have been trying to persuade the finance committee of the City Council to fix a flat rate for the hire of the Wickham Street Baths during the visit of the Japanese champions. The associated clubs will control two carnivals while the foreign swimmers are in Brisbane, and the clubs suggest that a flat rate for each be allowed at five pounds a night in lieu of the usual percentage charge..

The report sets out that the hire of the Wickham Street Baths for carnival purposes as far as they relate to associations, are 33 1/3 % of the gross takings with a minimum of five guineas. The committee had recommended to the Council that a consideration of the request be deferred until after the carnivals are held, in order that the gross takings may be ascertained. In the meantime the associated clubs should be advised that the usual terms and conditions would apply.

When the motion was carried, Mrs K.Mackay said definitely that the Ladies Association would not agree to the basis as defined by the motion.

JAPANESE VISIT

The President said that nothing definite had been received from the Australian Swimming Union as to whether the Japanese would be permitted to swim at country carnivals.

The delegates ruled out by vote a legal agreement concerning the conditions between the Men's and the Women's Associations regarding the State and Country

The decision of the Queensland Amateur Swimming Association to conduct the combined State and Country Championships on a basis of 65 % of the profits to the Men's Association and 35 % to the Women's Association has not met with the approval of the officials of the latter body.

The Council meeting of the QLASA will be held on Friday night and the position will be reviewed and probably the holding of a separate carnival will be discussed.

"The fact that the Men's Association has gone ahead with the arrangements for the combined carnivals when nothing has been accepted by the QLASA is in my opinion a high-handed attitude," said Miss F.Granville, the Secretary of the QLASA, yesterday.

Mrs McGregor-Lowndes, the President, said she was absolutely astounded at the decision. Last year's arrangements were such a success, and she expected the same terms would be acceptable this time.

"I certainly will be most outspoken at the Council meeting," said Mrs J.P.Fry, the Chairwoman. "I think the Men's Association could at least have been just."

The dates of the State and Country Championships are January 7, 9, and 11, which leaves little time for the women to hold trials before the first section of the Australian Championships commencing in Melbourne on January 19. This section includes the 100 yards junior event in which Queensland has likely competitors in Ev Story, E.Barr, and V.Lloyd-Jones. It is possible the QLASA may decide to send representatives only for the Hobart series which commence about two weeks after the Melbourne carnival and include the 100 yards and 220yards freestyle and the 100 yards backstroke and 220 yards breaststroke.

INNOVATIONS FOR JAPANESE VISIT

As an innovation to Brisbane swimming during the visit by the Japanese there will be scratch races instead of handicap events, and under this system the swimmers will be graded, but will all start off scratch in various sections of the one race and handicapped

As a result of the large entries the grading committee which met last night took four hours to complete the programme for the first night on December 13.

The two main events will be the 100 metres freestyle and the 200 metres backstroke. In the first Sakagami will attempt to break the existing Australian record of 60 1/5 secs established in Brisbane in 1926 by K.Takaishi (Japan). Against him will swim W.Fleming (Sandgate), F.Vincent and M.Smith (Moreton Bay), B.Haig and H.Sandison (City Pastime), R.Grier T.Boast and F.Transfield (Valley).

In the 200 backstroke swimmers will make an attempt on the Australian record of 2m 16 1/5s held by M.Kalili.

SWIMMING CARNIVAL
FIRST APPEARANCE OF JAPANESE
CIVIC WELCOME TO JAPANESE SWIMMERS AND MR LOCK

'The exhibitions of the Japanese swimmers in Brisbane probably will solve the mystery of their wonderful performances, their times not only beat our times but make them look silly,' declared Mr J.D.Stanton, Chairman of the Queensland Amateur Swimming Association, yesterday at a Civic reception accorded to two Japanese swimmers, Messrs J.Sakagami and M.Kiyokawa and Mr H.H.Lock, Chairman of the Central Executive of the London Branch of the Royal Life Saving Society, by the Lord Mayor, Alderman H.J.Jones.

Welcoming the Japanese swimmers, the Lord Mayor said they were pre-eminent amongst the swimmers of the world. Australians were sufficiently broad-minded to recognise the prowess in sport of another Nation and they certainly welcomed the Japanese. It was appropriate on such an occasion Brisbane should also do honour to a representative of the Royal Life Saving Society.

Supporting the welcome, Mr D.S.Carter President of the Queensland Amateur Swimming Association, paid high tribute to the performances of the two visiting swimmers who were University students maintaining honourable status for the University and bringing honour to their country. One was an Olympic champion and the other had succeeded in defeating an Olympic champion. He was sure Australians would learn something of definite value from visits of international champions.

Returning thanks for the welcome accorded to him, Mr Lock said that recently the headquarters of the Royal Life Saving Society had received a request from Japan for per-mission to reproduce in the Japanese language a handbook on life saving. The British people, as inventors of modern life saving methods, had gladly given permission for it, as it was desirable that all nations should benefit.

BACKSTROKE RECORD FOR 200 METRES BROKEN
OVER FOUR SECONDS CUT OFF BOSOMO'S FIGURE
KIYOKAWA AT THE VALLEY BATHS

M.Kiyokawa, backstroke champion of the world, cut 4 3/5 secs off the Australian 200 metres backstroke record at the opening of the combined clubs carnival at the Valley Baths last night.

J.Sakagami, the Japanese freestyle champion, won the invitation scratch race, covering the 100 metres in 63 2/5 secs after getting away badly.

It was the first appearance of the Japanese in Australia and there was warm applause for them as each appeared. The clubs provided a splendid programme of varied swimming, and the form revealed indicates that some local records are likely to go by the board this season.

SAKAGAMI WINS EASILY

The best of the metropolitan sprinters were in opposition to Sakagami in the 100 metres invitation scratch race and he made light of the opposition even though he lost fully five yards through a bad start. He nevertheless led the field when only half way down the baths. Fleming, the Sandgate champion, was only a few inches behind at the first turn and Gilbert was about a yard further off, third. About 20 yards from the finish Sakagami drew away with ease and won easily. The times of the placed men were - Sakagami(Japan) 63 2/5, W.Fleming (Sigate) 64 3/5, G.Haig (C.P) 66 2/5. The remainder of the field were fairly well drawn out.

KIYOKAWA A STYLIST

The Olympic backstroke champion, M.Kiyokawa, showed himself the greatest stylist in the stroke that probably has appeared in Brisbane, and he cut 4 2/5 secs off the Australian record of 2m 47 4/5s for 200 metres which is held by V.Bosomo of New South Wales. The performance is not likely to be recognised, however, as in the early laps he was paced by T.Long and D.Stafford. Kiyokawa's style impressed all. It is only in the arm movement that it varies appreciably from the accepted standard of Australian backstrokers. He was warmly applauded for his effort. His times were ñ 50 yards 24s, 100 yards 1.12 4/5s, 150 yards 1.55s.

JAPANESE SWIMMERS AT ROCKHAMPTON SAKAGAMI BEATEN BY TREMBLE IN 220 YARDS ANOTHER RECORD TO KIYOKAWA

The Japanese swimmers have vindicated themselves of the charge that they expressed ill-feeling against Rockhampton, first by personal explanation to the contrary, and by their conduct since their arrival here.

They were most generous in their appearances at the carnivals tonight and estimated they would help to put Rockhampton on the swimming map by endeavouring to lower the previous local record and also the Australian record. They were as good as their word.

Sakagami beat Tremble in a lightning scratch race over 81 yards in 41 secs, lowering the local championship record of 42 2/5 secs. Tremble's time was 43 secs. Tremble lived up to his reputation as one of the fastest beginners in the world and led for a lap, but from then on the Japanese had him beaten, and though he fouled the rope in the last lap he had little difficulty in winning.

THE TABLES TURNED

Tremble made amends in the 220 yards race in which he allowed the visitor to make the pace. When in the last leg Sakagami tried to shake him off he could not do so, and in the sprint for the finish Tremble won. Tremble's time was 2m 23s.

Kiyokawa proved to be very popular with the crowd and his performance in the 100 yards backstroke invitation scratch race was a revelation. There were four starters including Phyl Ross, the Queensland lady champion, to whom he conceded 18 seconds. His was little trouble to him and he won comfortably from J.Barrett and Ross in 1m 2s, lowering Bosomo's record by 2 3/5 secs.

DELUGE OF HOSPITALITY

Any misunderstanding there might have been has vanished, and the huge difficulty for the visitors is having to decline the threatened deluge of hospitality. Their appearance at the pool for training was eagerly awaited by

crowds, hence their generous gesture to spend the afternoon in the pool tomorrow.

WOMEN SWIMMERS PREPARE FOR NEW CARNIVAL EVENTS

Alterations have been made this season for women's events in the State and Country swimming carnivals. It promises to make them more interesting than ever.

The 50 yards freestyle and the 100 yards breaststroke have been deleted, and a 440 yards freestyle and a 200 yards junior squadron race have been included. Most of the Clubs will enter a junior squadron team, but it will be hard to find a better team than Ev Story, I.Tubman, I.Hope, and J.Hacking of the Valley Club.

Country champions have again entered and it looks as though they will meet with the same success as last season. The North Queensland champion, Marie Cuzzu, is swimming well. She registered 70 3/5 secs over the 100 yards in the recent North Queensland Championships and only a second outside her time in the State championships last year. She will defend the 100 yards State and 60 yards Country titles.

Another Cairns representative is Ellen Barr, a promising junior, who is expected to extend Ev Story in the 100 yards event. She is the holder of the 100 yards North Queensland junior title having covered the distance in 79 1/5 secs.

Mary Crittenden, who has been training for the backstroke championships will be the third member of the Cairns team.

Phyl Ross, of Rockhampton, the State backstroke champion, will defend her title, while a new entrant among the juniors will be Elsie Jones, the State Schools champion.

Vera Lloyd-Jones, the Longreach junior who did well last season, is said to be swimming better than ever.

Hazel Gillman, the Atherton star, will be amongst the seniors this season. She is concentrating on the 220 and 440 distances.

ATTEMPTED COME-BACK

Another entrant for the 220 and 440 yards championships will be Mrs Mason (nee Rita Smith). She made her first appearance at the Sandgate Baths this week and showed that with a return of good she is capable of achieving her previous best times, and should once again find a place in the Queensland team for the Australian Championships. In the 1932-33 season she was holder of the 50, 100, and 220 yards titles, but ill-health prevented her from defending them last season. She has decided to concentrate on the longer distances this season and is settling down to regular training under the coaching of Len Stanton.

Two Sandgate juniors showing marked improvement are Evelyn Fox and Noreen Quirk, both of whom are entering for the 50 yards junior championship. The former is clocking 34 over the distance and is expecting to reduce that time considerably before the championships. For the first time for many years Sandgate will not enter a flying squadron.

Zoe Wright of Moreton Bay is another swimmer who has been showing improved form and her progress will be watched with interest.

QUEENSLAND REVISITED

Visiting Queensland is Miss Mary Grant who was a representative swimmer in 1907. Miss Grant resides in Perth where her interest in swimming is still a lively one. Recently she organized the A.N.A. Ladies Swimming Club in Perth.

STATE RECORD FOR SAKAGAMI
FLEMING'S STRONG CHALLENGE

Slipping away from his opposition after 50 metres had been covered, champion backstroke swimmer M.Kiyokawa won the 100 metres backstroke handicap at the Valley Baths last night with ridiculous ease in 71 4/5 secs, beating the Australian record by 2 2/5 secs. He had a margin of 14 yards at the finish.

K.Sakagami, the Japanese sprint champion, was not successful in making record figures in the 100 metres invitation handicap, his actual time being 62 secs, but in giving an exhibition swim he established a Queensland record of 27 1/5 secs for 50 metres.

STATE CHAMPIONSHIPS
CAN FLEMING BEAT TREMBLE?
LOSS ON JAPANESE CARNIVALS

Strong sporting rivalry exists among the swimmers of Queensland, and the State and Country Championships to be competed for in Brisbane should be of considerable interest.

The consensus of opinion is that the 100 yards State championship, the blue riband event of the carnivals, will rest between V.Tremble, the State titleholder, and W.Fleming, the Sandgate champion, formerly of Cairns. Both are swimming exceptionally well. Other contenders for the title include G.Haig, F.Vincent, and T.Long. The same swimmers will contest the 220 yards championship when Long may get third place behind Tremble and Fleming.

M.Witt, who is now with the Gympie Club and who is the middle distance and longer distance champion, will not have any serious opposition. His best opponent may be the northern junior E.Hopkins, who has developed into a splendid distance swimmer.

JAPANESE CARNIVALS

Accounts are adjusted for the Japanese carnivals and the amount of loss to the metropolitan clubs which controlled the swimming will be about £30. On the whole of the Queensland tour, the deficiency to the Queensland Amateur Swimming Association may be £50. They had very bad luck, for on the second night a storm looked likely at the time persons were about to assemble, and the dates of the carnivals came too closely to a time when businesses were preparing for Christmas.

In the circumstances it is not now likely the City Council will press for 33 1/3% of the gross takings. This being so, the Clubs may now be able to foot their bills. The Association itself need not be restless over its finances for the profit on the State Championships should more than square the account, and

there is no doubt the presence in February of Jean Taris and E.Poussard, the French swimmers, and perhaps the fine young Chinese Kwok Chun Hang will leave them at the end of the season with a good credit balance.

The impressive style of Kwok Chun Hang, the young Chinese breaststroke champion who is on a visit to the Melbourne swimming carnivals, before leaving for the south yesterday was a visitor at the Valley Baths where he did a 100 metre sprint and gave some practical demonstrations. He speaks English well.

MAY JEOPARDISE CHANCES IN CHAMPIONSHIPS

During training at the Valley Baths on Thursday night W.Fleming of the Sandgate Club received an injury which may jeopardise his chances in the forthcoming State Championships. When he was approaching the deep end of the pool another swimmer jumped from the diving tower striking him on the back with such force that he was temporarily paralysed and had to be assisted from the water. He will not be able to undergo any serious training for a few days and he will not start in the 1 mile championship at the Sandgate Baths on Tuesday night.

NEW RECORD BY TREMBLE
QUEENSLAND FIGURES LOWERED IN THE 440
M.CUZZUIS TWO TITLES

V.Tremble (Rockhampton) added another State title to his list last night in the State and Country Championships when he won the 440 yards freestyle in record time from W.Fleming (Sandgate) and M.Witt (Gympie). His figures, 5m 21 4/5s, beat the Queensland record established by the West Australian swimmer E.W.Jones by 1 3/5 secs. He travelled the distance in 6 1/5 secs better than Witt when he won the Queensland title last year.

A GREAT RACE

It was a splendid race considering that by mutual arrangement the eligible swimmers were ready to swim the final not long after the heats had been decided. Tremble and Fleming won their heats and were only 2/5 secs in Tremble's favour in the times, but the swimmers cut seconds off these times in the final. Tremble and Fleming were the leaders at various stages with Witt usually within striking distance. At 100yards Tremble had a lead of two feet from Fleming and was still ahead at 200 yards with Witt yards away third. At 250 yards, however, the two leaders were together while young Blow had taken third place.

FINAL HIT

At 300 yards Witt had made up some ground and at 350 yards he took the lead with Tremble second a few inches ahead of Fleming. With a great burst Tremble went to the front at 400 yards and cleared out to win by 6 yards. The official finishing times of the three placed men were ñ Tremble 5.21 4/5, Fleming 5.25 3/5, Witt 5.25 4/5.

MISS CUZZU'S TITLES

Outstanding among the women's performers was Cairns champion Miss Marie Cuzzu. After winning the State 220 yards freestyle championship for women, she came out two events later and annexed the 60 yards countrywomen's championship easily. Miss E.Caplice (Rockhampton) won the former event last year, but Miss Cuzzu clipped about 3 seconds off last year's time and got the title.

The 60 yards title was previously held by Miss Cuzzu, and she retains it. Her time last night was 1 1/5 secs outside her own record of 36 4/5 established last year. It was very good considering her earlier swim over 220 yards.

E.Barr, also of Cairns, won the 100 yards junior freestyle for women from Ev Story (Brisbane) in 1m 12s which beat Miss Story's previous time by 2 seconds.

Results for men are recorded in the QASA Annual Report for 1934-35.

Results of Women's events State and Country Championships 1935

300 yards Flying Squadron Championship ñ Valley ñ Won on a walk-over. Moreton Bay absent.

100 yards Junior Championship - E.Barr (Ca) 1, I.Tubman (Val) 2, E.Jones (Rockh) 3. Won by 2 yards with 2 yards between second and third. The time of 1m12s was 2 secs better than the Queensland record.

220 yards Freestyle Championship - M.Cuzzu (Ca) 1, E.Story (Val) 2, H.Gillman (Ath) 3. Won by 10 yards with 15 yards between second and third. Time 2m 59 4/5s

WITT RETAINS THE MILE TITLE BEATS OWN TIME BY 54 SECONDS

The mile championship of Queensland which was held in conjunction with the weekly swim of the Sandgate Swimming Club, provided perhaps the most spectacular distance race witnessed in Queensland, M.Witt, the holder, winning by inches.

Witt and E.Hopkins (the Atherton representative) opened up a lead early in the race. From 440 yards to the half mile they swam stroke for stroke. At the threequarters mile Witt had forged ahead by 12 yards and increased this by 6 yards. With 220 yards to go Hopkins drew up gradually over the next three laps and during the last lap but one when he was on Witt's blind side he put in a sprint which brought him within a yard.

The last lap proved a thrill when both sprinted for the line only inches separating them at the finish. Witt lowered his time for this event by 54 seconds in 23m 49 1/5s. Hopkins time was 23m 49 2/5s, and R.Long (Valley) was third.

CUZZU WINS DOUBLE
100 YARDS AND 880 YARDS
MISS CUZZU COMPLETED A HAT TRICK

Although no records were broken at the second night of the Queensland Swimming Championships held at the Valley Baths last night, competition was keen in the majority of events.

The 100 yards Men's Freestyle Championship of Queensland was won by W.Fleming (Sandgate) in 55 3/5 secs, which is 4/5 sec outside the Queensland record established by M.Kalili (USA) and 4/5 sec better than the time set by the present title holder V.Tremble of Rockhampton who filled third place. Fleming won by a yard from N.Wedlock (Cairns).

(Picture of Wedlock and Fleming shaking hands)

Miss M.Cuzzu added the 100 yards freestyle championship of Queensland to her successes in the 220 yards and 60 yards country women's championships on Monday night. She improved on her previous time of 69 3/5 secs by 1 4/5 secs, but was still 3/5 sec outside the record set by Rita Smith of 67 1/5 secs. She won easily by about 2 yards from El Story with R.Middleton (Moreton Bay) third, 2 yards further back.

T.Muller (Toowoomba), an ex 100 yards junior freestyle champion of Queensland again won, covering the distance in 62 3/5 secs. He won his heat in 65 1/5 secs from J.Venning the secondary schools representative by 1/5 sec. J.Matthews (Mossman) was in second place and Shaw (City Pastime) third.

WITT'S TIME BEATEN

The 880 yards State freestyle championship resulted in a win for W.Fleming who covered the distance in 11m 33s taking 1 2/5 secs off the previous time of the title-holder in which he finished second 8 secs behind the winner. The winner's time is, however, a long way behind the Queensland record established by Arne Borg (Sweden) of 10m 50 4/5s.

Only eight swimmers started and three failed to finish. Fleming and Tremble kept the lead from Witt and the positions were unchanged until the seventh lap. Tremble then dropped out and Blow (Valley) began to move up. Witt finished almost 7 yards behind the winner, Blow being 3 yards further back third.

In the handicaps many contestants withdrew.

SUPERIORITY OF COUNTRY SWIMMERS
TAKE MANY TITLES DESPITE MANY DISADVANTAGES
IS TRAINING RESPONSIBLE ?

By "Metre"

The view of the State and Country Championships so far decided is that the country is fast outpacing the city in the race for supremacy in competitive swimming.

The position is almost unique in sport, for in most branches the metropolis, by reason of greater opportunities and close contact with the best in coaching and training facilities, has the advantage. However, the success of country swimmers suggests that city youths and girls do not take their training so seriously as do their country rivals.

As to swimming tactics and styles there does not appear to be much difference, although the way Tremble spilled away from his opponents in the 440 yards freestyle championship was a triumph for brain and stamina. He watched, waited, and then with a dash had a six yard margin at the finish. It was a youth from the country who swam second, while another from the country was third.

It is hard to determine the cause of the country supremacy. It may be accepted as one of those things that run in cycles, but the country is collecting so many titles and the winners are so young that it looks like being some time before the metropolis will be in the ascendancy.

CARNIVALS IN THE COUNTRY

With such successes to support their case, country representatives come to advocate strongly for championship carnivals to be held at country centres.

The paradoxical position, therefore, arises that while city swimmers have often advocated visits to the country to foster the sport, the results so far suggest that the pupils are in the city and the teachers in the country.

However, the question of making the championships a moveable fixture goes further than competitive form. Championships are held in metropolitan centres because revenue is needed to run them and the Association during the year. The officials are a trained band. Public support elsewhere would be comparatively limited, and the Valley Baths are the only ones ñ it is claimed ñ suitable for complete championship lists.

There are other considerations. The case for the country centres is mainly for travel and upkeep, but one would think that if country people were not ready to support a fund for sending swimmers away, then there would be little hope of financial success for any local carnival. There is the aspect, too, that almost all metropolitan clubs have a chronic complaint of financial weakness.

The Queensland Amateur Swimming Association, while retaining Brisbane as the centre for carnivals, could and should assist the country clubs more financially, especially as there is likely to be a stronger invasion of country representatives at the carnivals in the future. Perhaps, too, it could see its way to grant the leading country clubs one or more of the championships. The country programmes could even be remodelled to enhance the essentially country championships which are now contested in Brisbane.

STATE TEAM - COUNTRY GIRLS HAVE STRONGEST CLAIMS

By Carlie Hansen

Although the State and Country Swimming Championships have not produced many new records in the women's events, good times have been registered and the country competitors demonstrated their superiority over the city girls.

It has been officially stated that the selection for the Australian Championships will be announced after the carnival tonight, and on performances it looks as though only country swimmers will be considered in the freestyle and backstroke events. Miss Ev Story, who was sent to the championships in Sydney last year, is well out of the picture, while M.Cuzzu, Ellen Barr and Phyl Ross, and probably Phyl Thompson who will defend her breaststroke title tonight, are likely choices.

The Australian Championships will open in Melbourne on January 17 and will include 100 yards junior, 440 yards freestyle, 880 yards freestyle, and championship dive. The second section of the Championships will be held in Hobart and will include 220 yards, 100 yards freestyle, 100 yards backstroke, and 220 yards breaststroke.

ONLY ONE CARNIVAL

As two weeks will separate the two carnivals, it has been suggested that the Queensland Ladies Association send competitors only to Hobart. Such a decision would rob Ellen Barr, holder of the junior 100 yards title of her winning a national in that event. , for next year she will have to swim in the senior class, but it is in the Hobart series that Queensland has the biggest chance of success, and finance will control the decision of the Executive.

M.Cuzzu, the Cairns champion, by annexing the 100 yards and 220 yards freestyle titles has made her place in the team assured. Her time of 67 4/5 secs for the shorter distance is only two seconds outside that of the New South Wales title-holder, Pat Norton. The Australian record of 62 2/5 secs is held by Frances Bult.

Tonight Miss Cuzzu will compete in the 440 yards event for which she is favourite. El Story and Hazel Gillman will provide serious competition as they did in the 220. The Cuzzu girl has come out on top and should have little difficulty in annexing the title. The 220 yards Cuzzu's time of 2m 59s does not compare so favourably with the Australian record held by Frances Bult of 2m 42 3/5 secs.

Phyl Ross of Rockhampton is the backstroke champion. Her time of 1m 22 2/5s is an improvement of 1 4/5 secs on last year's time. The Australian record for the event is held by Bonnie Mealing (NSW) in 1m 11 2/5s.

A young swimmer who while not yet in championship class is making a strong bid for recognition is Iris Tubman (Valley). Only 13 years of age, she was but a second behind Ellen Barr in the 100 yards junior championship.

MANAGERESS "SWIMS" TOO

The Manageress of the Cairns team, Mrs C.S.Speed, is a foundation member of the Cairns Club. She takes a lively interest in all phases of the sport. She brought the first Cairns ladies team to Brisbane in 1933, and it was chiefly at her agitation that the combined carnivals were tried out. This year Mrs Speed is managing the men's team as well as the ladies. She is very proud they are taking home their share of titles and laughingly says, "I really swim much further than any of them, concentrating on every race."

At Cairns, Mrs Speed explained that they have no coaches so the girls gain from an coaching they receive while in Brisbane for the championships and pass it on when they get home. None of the schools, with the exception of the Convent where Miss M.Crittenden gives a lot of time to coaching, have coaching at the baths and swimming instruction.

Mrs Speed has two daughters, Joan and Jean, both keen swimmers.

TREMBLE TAKES 220 TITLE M.CUZZU'S THIRD CHAMPIONSHIP NEW JUNIOR RECORD

V.Tremble of Rockhampton last night won the 220 yards freestyle swimming championship of Queensland by a touch from the Sandgate representative W.Fleming. N.Wedlock was yards behind, third, and the others were out of the race early.

It was soon apparent that the race would be between Tremble and Fleming. From the start Tremble forced the pace and at the first turn he was two yards ahead of Fleming with Wedlock three yards further off. Tremble drew out to a lead of five yards by 100 yards and Fleming was swimming well within himself. He made up ground and he was just behind Tremble at the final turn for the 50 yards sprint home. It was the most thrilling finish of the carnival. When the tape was reached no one but the Judges could tell who had won, but Tremble got the decision and cut 1 4/5 secs off his time in last year's championship of 2m 26 4/5s. The Queensland record for the distance is 2m 21 2/5s and held by M.Kalili.

WINNER OF THREE TITLES

M.Cuzzu of Cairns won the women's 440 yards freestyle championship of Queensland very easily. At no time was she extended. It was the third championship she had annexed in this series of championships as she had previously won the 100 and 220 yards titles.

There was splendid swimming in the final of the women's 50 yards junior championship which was won by E.Barr (Cairns) in record time, 4/5 sec inside the previous time of 31 secs. I.Tubman (Valley) was second, and E.Jones (Rockhampton) who was third both equalled the old record, and J.Speed (Cairns) who was fourth was only just outside it.

In the 300 yards medley championship there was little between Muller and Jocusen in the breaststroke, but the latter gained a fair lead in the backstroke and came in eight yards ahead in the freestyle. H.O'Neill was third.

P.Thompson retained her 220 yards breaststroke title and beat the previous best time by 4 secs.

STATE TEAM CHOSEN FOR NATIONAL CHAMPIONSHIPS

The Selectors of the Queensland Amateur Swimming Association last night chose W.Fleming (freestyle), G.Johnston (diving), and M.Muller (Toowoomba) (breaststroke and medley to represent the State in the National Championships in Melbourne, and Fleming and Johnston for the Hobart section of the Championships. Misses Marie Cuzzu (100, 220, and 440 yards title holder), Ellen Barr (junior champion), and Phyllis Thompson (220 yards breaststroke. The three swimmers were chosen by the Selectors of the Queensland Ladies Amateur Swimming Association to represent Queensland.

The girls will leave by the Kyogle mail train on Monday in the charge of Mrs V.Mackay.

Iris Tubman, thirteen year old Valley girl who has made a particularly good showing in the junior events, will also travel with the team although not as a member of it.

SWIMMING CHAMPIONSHIPS OPEN
SAKAGAMI BEATS KENDALL IN SPRINT
GRIER'S FIGURES STAND

Although Y.Sakagami, the Japanese swimmer, defeated the Australian sprint swimming champion in the first of the Australian carnivals at the new Olympic Pool today, his time for 100yards ñ 50 1/5 secs ñ was four seconds outside Reg Grier's (Qld) figures for the distance set many years ago. Sakagami swam a sound race, his arm and leg work synchronising perfectly. As he is not an Australian, however, the title goes to W.Kendall (NSW) who finished second. W.Fleming (Qld) was third.

Kendall quickly took the lead, but Sakagami gradually wore down the leaders and at 55 yards he was just in front of Kendall, with Clark, Fleming, and Vockler close up. Sakagami then exerted himself and drew away in dashing style to win by a length with Kendall second a touch ahead of Fleming.

WEIR TAKES 220

Victorians gained some satisfaction when W.Weir took the 220 yards breaststroke championship. In the 440 yards women's national championship E de Lacey went to a ten yards lead. She had the race at her mercy at 300 yards mark being 20 yards ahead of Cuzzu. She went further ahead and in winning covered

the quarter mile in 6m 15 1/5s. Cuzzu was 7 yards ahead of George who was displaced by Hyde. Result - E.de Lacey (WA) 1, M.Cuzzu (Qld) 2, B.Hyde (Vic) 3.

(Cuzzu and Fleming were the only placed Queenslanders.)

STATUS OF JAPANESE SWIMMERS
QUEENSLAND NOT SEEKING AN INQUIRY

Mr E.J.Goodwin, Hon Secretary of the Queensland Amateur Swimming Association who is the manager of the Queensland team competing in the National Championships, today denied a report that Queensland proposed asking for an inquiry into the status of the Japanese swimmers, Kiyokawa and Sakagami. It is believed, however, some States have challenged the payment of a stated amount to the swimmers, and a heated debate is possible at the Conference of the Australian Swimming Union which will be held on Monday.

TARIS WINS 880 - FLEMING FOURTH
JOHNSTON'S EXCELLENT DIVING
By E.J.Goodwin

At the second series of the Australian national Championships, Queenslanders Bill Fleming and Ellen Barr contested championship events.

Fleming was fourth behind Taris (France), Beresford, and Geof Vockler. As Taris has not the residential qualifications Fleming takes the third trophy. He swam a good race against the best in Australia.

Ellen Barr swam a good race in the Australian junior championship and held her own for 55 yards, but the finish was between Pat Norton (NSW) (who won in 67 secs) and the little West Australian Dot Green who was 2 Ω secs behind the winner.

Geo Johnston, Queensland diver, gave an exceptionally good display in the First Class Springboard Diving Handicap after giving points start to Alan Nott (Vic).

One mile Freestyle - Max Muller (Qld) 3.

SWIMMERS TO PAY OLYMPIC LEVY
VOTING SYSTEM CHANGED
Melb Jan 23

The Australian Swimming Union at the Annual Meeting today determined that the Olympic levy of sixpence per registered swimmer levied on each State Association should be paid for the 1934-35 season by June 1935. It was stated by the Secretary that Queensland was the only Association that had forwarded the money due in the present season.

The proposal of the new South Wales Association that each State should have one vote in the administration of the Union was supported by Western Australia and carried unanimously. The President, Vice President and Treasurer would not be entitled to a deliberate vote at future Conferences or on mail votes arising, unless acting as a delegate for an Association. It was also decided to allow the President or the person acting in his stead at the Conference a casting vote both at Conference or on a mail vote.

The Conference agreed to the Victorian proposal that the Secretary/Treasurer of the Union should not in future hold the position of Secretary of a State Association.

It was decided that the 100 yards championship of Australia should be altered to 110 yards, and the 300 yards medley to 330 yards. The provision

setting out that when a State had no baths in which races over these distances could be held, they would carry on under the present conditions for the 100 yards races. Queensland could hold its section of future Australian championships over the metric distances nearest to those at present held in yards.

Queensland also successfully moved that a mail vote be taken on the advisability of including a high tower dive for women in the list of Australian titles, and eliminating the mile and the 330 yards medley.

The breaststroke swimming adopted by M.Kalili (USA) when he was competing in Australia two years ago caused Queensland to ask for a ruling on this form of propulsion. It was decided that no more than three strokes under the water can be made when starting or when turning.

COMING SWIMMING CHAMPION
PROMISE OF FLEMING
GRIER'S SUCCESSOR?

By "Metre"

Feeling, in the light of standards at the State and Country Championships and the National Carnivals in Melbourne, is that W.Fleming who came from the country to the Sandgate Swimming Club should reach international standard in the swimming world. He promises to be Australia's best sprinter in another year, even allowing for improvement in young Kendall who won a title. Fleming's turning was faulty in Melbourne, a defect that was noticeable in some of the races here, but he has grace and stamina and the deficiency can easily be remedied. Fleming was a swimmer of promise before he reached Brisbane and it is apparent that good coaching has improved his style and times. He may be a worthy successor to Reg Grier whose best swims still stand in the record book and which were all registered away from home.

FROM SPRINTER TO DISTANCE SWIMMER

One of the surprises of the National Championships in Melbourne as the performance of Miss Marie Cuzzu who finished second in the 880 yards championship to Miss Evelyn de Lacey. Up to this season Miss Cuzzu was purely a sprinter and holder of the 50 yards, the 100 yards and the 60 yards country freestyle championships of Queensland. In the recent State Championships carnival she blossomed forth into a middle distance swimmer, annexing the 220 and 440 yards freestyle titles as well as the 100 yards.

The Valley Club retains the title of Premier Club through the success of its swimmers at the recent State Championships. Its representatives won two teams races, the backstroke, the dive, and the junior breaststroke events and was second in the senior, and a number of other minor places.

OLYMPIC LEVY
REFUND TO QUEENSLAND

"The Swimming Conference in Melbourne recently, decided to refund to Queensland the amount of the Queensland Olympic levy paid by the Queensland Amateur Swimming Association last year," said the Secretary of the Association, Mr E.J.Goodwin, on his return to Brisbane yesterday. Queensland was the only State that had paid their share of the levy.

The Conference also decided to enforce the rule relating to the levy this year.

It was agreed that the metre distances should be used for races in the Australian Championships to be held in Brisbane.

KURTZ SUSPENDED

Advice received from the Conference was that Kurtz, the American diver who came to Brisbane with M.Kalili two years ago, had been suspended by FINA which governs all amateur swimming. Two other divers who had been touring on the Continent were alleged to have committed a breach of the amateur rule relating to the receipt of money for expenses.

CONTROL OF SWIMMING MORE REPRESENTATION WANTED COUNTRY DEMANDS Rockhampton 8 Feb

Commenting on the statement made by the President of the Queensland Amateur Swimming Association, Mr D.S.Carter, the Secretary of the Rockhampton Amateur Swimming Centre, Joe Kenny, said that it was a fact that at the last State and Country Championships all the swimmers from the country had expressed strong dissatisfaction with the treatment meted out to them by the QASA. Despite what the president of the QASA said, the time was not far distant when the country would have a proper say in swimming affairs.

Most of the country centres were represented in the QASA by Brisbane residents who at all times voted in the interests of Brisbane swimming. Real control of the QASA was in the hands of the Executive officers, amounting to five, and ex-officio members, and at the present time no country delegate was a member of the Executive, with the possible exception of Mr N.Burn representing Warwick, who was also a Life Member of the Brisbane Valley Club. Furthermore the delegates representing the majority of country centres were all residents of Brisbane and interested in the city centre only.

THE ZONE SYSTEM

Referring to the statement that the zone system had never gone beyond newspaper talk, Mr Kenny sad that as far as Rockhampton was concerned a motion asking for the zone system was to have been brought up at the meeting of Council on Monday night, and the Rockhampton delegate had been instructed to vote for it. It was evident that the country delegates found that they had no chance of carrying the motion, so they were putting it off until some opportune time.

"In the opinion of the Centre," concluded Mr Kenny, "the only way to bring about the zone system would be for the country to send direct representatives from each Centre to the Council meeting to present its case."

BRISBANE CENTRE NEEDED
NOTICE OF MOTION LIKELY

"Until a Metropolitan Centre is formed, Queensland swimming will never have its fullest opportunities," said the Secretary of the Toowoomba Swimming Centre, Mr P.M.Steggall.

In reply to the criticism of the President of the Queensland Amateur Swimming Association, Mr D.S.Carter, Mr Steggall said that since he had been associated with swimming he had been endeavouring to bring about the formation of a Brisbane Centre which should control swimming affairs in the metropolitan area, so the QASA would be able to attend to the affairs of the State, particularly in connection with the State and Country Championships.

AUSTRALIAN CHAMPIONSHIPS AND VISITS OF INTERNATIONALS

It is more than likely that a Notice of Motion would be tabled to alter the Constitution of the QASA with this end in view.

Regarding Mr Carter's statement that the country had 14 or 15 members of the Council against 7 city representatives, Mr Steggall pointed out that the six metropolitan clubs had two votes each, while some had an additional vote on account of a junior club being attached. Toowoomba, which had six affiliated clubs was allowed only one vote.

"BOY" CHARLTON'S VISIT

Dealing with the quotes charged for visiting swimmers, Mr Steggall said this constituted a very serious matter for country Centres. He instanced the visit of "Boy" Charlton when the country centre paid to the QASA £105, but the expenses by the former amounted to £28, thus showing that the QASA had made a direct profit on the amount charged to the country centres of approximately £73. He had moved at meeting of the QASA for a return of £50 to be divided among the country centres, and it had been defeated on the vote of the Chairman. The Balance Sheet showed the QASA had made a profit of £128/14/8 on the visit of Charlton for the Brisbane appearances.

Mr Steggall remarked that the statement had been made that the QASA was only interested in the country centres to the amount of fees it could collect. One country centre had been threatened with disqualification for being in arrears with fees. Some metropolitan clubs have the amount of their indebtedness remitted.

"Country centres are put to considerable expense in sending teams and representatives to compete in Brisbane carnivals for which they get no recompense except the honour of defeating metropolitan swimmers," said Mr Steggall. "When a metropolitan club is invited to visit a country centre to participate in a carnival the first request made is, How much can be allowed towards the expenses?"

QUEENSLAND LADIES ASSOCIATION

At a meeting of the Queensland Ladies Amateur Swimming Association held last night, the motion moved by the Valley Club that a bone fide Club should consist of no fewer than 15 competitive swimmers was lost, an amendment being carried to provide for 20 senior or junior swimmers.

The Secretary was instructed to make arrangements for the Springfield Cup carnival on March 7, also to approach the men's Association to appoint officials.

Entries will close on February 23 and no late entries will be accepted.

The Treasurer's Statement showed a balance of £5/1/4.

Q.A.S.A. CHAIRMAN TO RESIGN

"Conditions are not congenial," said Mr J.D.Stanton, Chairman of the Queensland Amateur Swimming Association and a member of both the coaching and selection committees, who tendered his resignation from the three positions at a meeting of the Association on Monday night.

"I find," he said, "that the Chairmanship of the QASA has become a job instead of a hobby I intended it to be when I took over the position two years ago. For business reasons and from a health point of view, I now find that I will not be able to carry on. If the conditions of work in the Association were congenial to me, the job would not be so hard, but under the conditions that exist at present I do not think it is worth while my carrying on."

Mr Stanton added that if he felt enthusiastic and refreshed enough by the time of the Annual Meeting of the QASA in November, he might seek re-election. In the meantime he wants to devote his spare time in the interests of the Sandgate Club, chiefly in a coaching capacity.

Mr Stanton also intends to resign from the Executive of the Toombul/Sandgate Cricket Club.

Under the present itinerary Jean Taxis and Emile Poussard will swim in Warwick on March 20, and at the Municipal Baths in Brisbane on March 21, and leave Brisbane on March 25.

It was decided at a meeting of the QASA last night that if the extension was agreed to it was proposed the Frenchmen should visit northern towns. A move is also being made to hold events for State and secondary school children on March 21 and 22.

A request by the local Clubs for an alteration of the scale of points for the diving events in the Springfield Cup carnival was rejected by the Executive of the Queensland Ladies Amateur Swimming Association last night on the grounds that there was not sufficient time to confer with Miss Mabel Springfield on the matter and advise the Clubs for the carnival to be held on March 7.

Appreciation was expressed for the management of the State team by Mrs Mackay and of the splendid report presented by her on the activities on the tour.

Permission was given to the Valley Club to swim at Beaudesert on March 3, at the Wilston State School on March 8, at Manly on March 12, and also to visit Cairns.

ZONING SCHEME OPPOSED "IMPRACTICAL FOR THE Q.L.A.S.A"

"A zoning scheme for the Queensland Ladies Amateur Swimming Association would be altogether impractical, whereas the State and Country Swimming Championships were organised in conjunction with the Queensland Amateur Swimming Association on a basis which would be equitable to the ladies," declared the President of the QLASA, Mrs McGregor-Lowndes, in discussing the proposal which is to be considered by the QASA. She believed that the present system of holding all championships in Brisbane was the most satisfactory, but suggested some scheme might be devised to reimburse country members to some extent for their travelling expenses.

The Secretary, Miss Granville, thinks that if conducted on a combined basis the zone system would be beneficial to the country centres, but impractical for the QLASAS to attempt on its own.

"I think the sport should not be the monopoly of the metropolitan area," remarked Mrs J.P.Fry, Chairwoman of the Council. "Properly conducted, the zoning system would benefit the sport."

The matter will probably be discussed at the meeting of the committee of the QASA on Friday.

TARIS TO ATTACK RECORDS PLANS FOR BRISBANE VISIT BREMER RIVER SWIM

By "Metre"

63 swimmers have entered for the 3 mile swim in the Bremer River on Saturday March 23. The event has the approval of the QASA and is being sponsored by the Ipswich and Sandgate Clubs. No doubt the winner will be regarded as the champion distance swimmer in Queensland

Probably an interstate championship will be swum on these lines in a season or two as no one in Adelaide had taken distance swimming more to heart, and the annual events are among the finest swimming attractions of the year.

As officials of the QASA will mostly be engaged in duties at the secondary schools contest in Brisbane, the Sandgate and Ipswich Clubs have arranged for officials to control the swim.

The Sandgate Club has sent the largest number of entries, 22, including W.Fleming the State champion. City Pastime, Valley, Grammar, and Ipswich Clubs, have good representation.

ZONING SCHEME

The suggestion made in these columns that the State should be zoned so as to create greater interest in swimming in country areas, and to admit of the zones having their own championships, is regarded as sound in principle, but there are divergent views as to how it should operate. Some country delegates desire the Zone Championships as the start and end of the tests where swimmers have the right to representation in Australian Championships. Other delegates hold that zone championship winners should be the sole competitors in the State and Country Championships in the annual State carnival in Brisbane.

It is a matter that can be left to the rival factions to decide, but one cannot see how the winners of the zone tests can be included in the lists for the Australian Championships without the sanction of the QASA. That body is not likely to give away one of the rights that the creation of the Australian Swimming Union prescribes. The subject will be discussed at the next meeting of the Council on April 1.

TARIS GREAT SWIM STATE RECORD BEATEN BY 35 SECONDS NEW FIGURES BY FLEMING

Competing in the 400 metres invitation handicap at the Valley Baths last night, Jean Taris, the visiting French swimmer, and W.Fleming each broke the Queensland record for the distance of 5m 36 $\frac{2}{5}$ s held by Reg Grier. Taris clipped 35 secs off the existing time, and Fleming who finished second cut 12 $\frac{3}{5}$ secs off the former record.

A clever diving and physical culture exhibition by E.Poussard were splendidly received. He was assisted by the Queensland champions G.Johnston and W.Cain, the last named providing some comedy stunts.

TARIS ON AUSTRALIAN SWIMMERS

Questioned on his arrival in Brisbane with Emile Poussard yesterday, Jean Taris, the French swimmer, said there were many good swimmers in Australia but Ryan and Charlton were quite outstanding. It was almost certain he would be chosen for the Olympic Games, and he hoed he would make a name again for his country and himself. He could not find any eulogy good enough to describe his admiration of the sporting spirit of the Australian people.

SWIMMING ACTIVITIES

The Executive officers are already busy planning the swimming season. The Annual General Meeting of the Queensland Ladies Amateur Swimming Association will be held on Friday October 27 in the ANA Rooms. A suggestion has been made that the State and Country Championships should be held before Christmas. This, of course, will raise the question of combined carnivals as the usual time for the championships, which for the past two years have been on a combined basis with the men, is in February.

STATE SWIMMING HOPES
FLEMING, TREMBLE AND WITT
VERY PROMISING COLTS

By "Metre"

Although no known international swimmers will be visiting Australia this season, there should be keen competition in the various Club events in Brisbane and in the State Championships. The standard of country swimmers has improved considerably, and it is now admitted that the country men are at least the equal of the metropolitan swimmers.

The State has three swimmers in W.Fleming, V.Tremble, and M.Witt, with careers full of possibilities, although the splendid debut made by Witt at the 1933-34 championships, when he won three free style titles and was third in another, was not sustained last season, the long distance title, only, going to him. Witt, however, is still a youth and may yet live up to his early promise. Fleming, the national 220 yards free style champion, is perhaps the swimmer who will be the great man for Queensland again. From a country "derby" faculty winner two seasons ago, since his residence in Brisbane he has burned up Club records, got some of the State's best figures, and came back from Tasmania a national champion. His development may extend to distance swimming, and his Bremer swim suggests he could go for a week.

THE COUNTRY CHAMPION

Vic Tremble, of Rockhampton, the 220 yards and 440 yards free style State title holder, has shown much improvement, and he will be a serious rival for Fleming in the State championships. Admirers of this fine swimmer expect him to show further improvement as the season develops, and in fact there is very little between Fleming and Tremble, and if the Rockhampton swimmer had gone to Hobart, he also might have done well.

Among others of promise the names of V.Hopkins, M.Muller, H.O'Neill, Rod Campbell, E.Hamilton, C.Osborne, H.Winsall, D.MacMillan, B.Stafford, and R.Blow, may be mentioned.

PROMISING COLTS

The country invasion for the State Championships is likely to be strong as some of the promising performers of last season are likely to be improved and be strong contenders for titles. Hubert Lilley did his 100 yards in 1.6 early last season and was covering the distance in 60 seconds at the close of it. He won the 80 and 220 yards at the Central Queensland Championships and also the secondary schools championship in 61 2/5 seconds. It was his first year of competitive swimming.

J.Barrett has improved his backstroke technique, and was the winner of the 100 yards in 1.8 and will have the State title in view this season.

NEW BATHS NEEDED
ASSOCIATION SHOWS LOSS OF £152 FOR THE YEAR

The need for more baths and better appointments in Brisbane was stressed at the Annual Meeting of the Queensland Amateur Swimming Association last night by Mr D.S.Carter (President). He said that the south side should have standard baths and there was a good site for them behind the Brisbane Cricket Ground. He understood baths were to be erected by a private company at Redcliffe at a cost of £11,000 pounds and most likely championships would be held there. With more baths there would be more swimmers and consequently more champions. It was essential that improved diving facilities should be provided. He stressed that the Olympic levy had to be paid, and the Executive Committee had decided that unless it was paid before the next Council meeting, the defaulting Clubs would not be able to vote.

RENTAL VALUES

Mr P.M.Steggall (Toowoomba) said the Association should seek a reduction in the rental charges on the city baths. The city rental on the baths, he said, was higher than the rent for the City Hall, and that should not be. He complained that country centres had to pay too much for visits from swimmers.

The Treasurer, Mr V.Hartley, said there had been a loss of £28 on the tour of the French swimmers, and a deficit of £20 on the visit of the Japanese. There were a thousand fewer persons than the previous year at the State and Country Championships. The total loss for the year was £152.

All retiring officers were re-elected, and the Secretary will be appointed at the Council meeting on Monday night.

Mr Les Nissen was elected a Life Member.

SWIMMING NEEDS STIMULATION
HIGH STANDARD WILL INCREASE INTEREST

The affiliated bodies of the Queensland Amateur Swimming Association will have the opportunity this season of helping the parent body out of financial difficulties, and the best method of achieving this purpose will be to concentrate on competitive swimming, as the more efficient the swimmers are, the better the swimmer will be. All the carnivals last season showed a loss, and the Association is in debt to the extent of £152. The public desires to see local competition sufficiently strong to make both Club and State Championships outstanding events in the season's calendar. The position is simplified this season as no visitors will be here, but concentration is also necessary on the Australian Championships with Olympic interests following next year.

The opening swims so far suggest Clubs will not lack for numbers, but the question of quality remains to be solved. It would be well for the Association to foster every effort made by business houses to establish Clubs, and in time a body could be formed to affiliate with the Q.A.S.A to control that phase of the sport. Posts and Telegraphs is a new Club. Mr G.Kilpatrick who had much experience in swimming control in Western Australia is President, and Mr K.McKeering is Secretary. The Club already has about 80 members, the majority of whom have the competitive spirit but no expertise. Their shows how far the city can be exploited amongst the business houses in the interests of swimming. The Club's night at the Valley Baths is Thursday of each week.

Clubs have arranged their weekly swims at the Valley Baths as follows - Monday, Federal; Tuesday, Commercial; Wednesday, Valley; Thursday, Post Office. City Pastime will swim at the West End Baths on Thursdays and Sandgate at Sandgate on Tuesdays. Moreton Bay's night has not been yet fixed.

COUNTRY ACTIVITIES

By "Metre"

With several changes in the principal positions in the Queensland Amateur Swimming Association, naturally the sport will watch with interest the developments that may occur through fresh minds being applied to the duties of office. The old committee has gone with the exception of R.Grier and the new body will consist of the following representatives - Messrs F.C.Ivett (Bundaberg), R.Hutchison (Cairns), G.Sanders (Moreton Bay), R.Grier (Valley), J.Cantwell (City Pastime).

The question of representation, however, does not enter largely into administration, and they are expected to govern affairs for the good of the whole. With the new Secretary they come into office at a time when the finances of the Association are low, and it will be a compliment to their initiative and ability if they can square the budget during the coming season. The sport in itself, however, is very popular, so they have a good basis on which to work.

The policy matter that has entered largely into administrative affairs is whether the State and Country Championships which take place in January should be controlled again by the Ladies and Men's Associations jointly, or whether each should have its championship carnivals separately. It is known that several officials in the Ladies Association are averse to working on the basis of last year, which was 65/35% of the profits with the lesser percent to the ladies, while some ladies prefer to hold their carnival altogether apart.

The suggestion this season is that the basis of the profit distribution should be 50/50, and on those terms negotiations will be opened. Through some unaccountable cause the State and Country Championship carnival last season was not the success anticipated. Apparently the failure was not through any flaw in the control. With the division on the basis of half to each Association, the ladies should be prepared to accept the compromise as there does not seem to be sufficient strength in both competitors and finance in the respective Associations to make two carnivals strong attractions to the public.

COUNTRY CLUBS ACTIVE

Townsville has already promise to send a strong team of swimmers to this year's championships, and with the formation of the Railways Club there will be three Clubs in action. Already about 140 swimmers have been registered in that area.

The Cairns Club has appointed a new Secretary and Treasurer, and on information available, a big team of swimmers will visit Brisbane in January. N.Wedlock is already in good form over sprint distances.

Whether V.Tremble (Rockhampton) will be swimming in Brisbane this season is not known. His well-wishers hope, however, he will not retire as he has big possibilities of retaining championships.

W.Fleming, the Australian champion, swam very well at the Sandgate Club's opening swim, and Merv Witt, the distance swimmer who has done well in State championships is training in the river at Maryborough.

An attempt is to be made to revive the Maryborough Club this season and it should command success considering the enthusiasm that existed in swimming in that city.

Queensland representative swimmers who go to Western Australia for the Australian Championships will have to do a lot of quick travelling, as the carnival in Adelaide only concludes a few days before the Championships open in Western Australia. Under the best conditions, it is thought the Queenslanders can only be in the west a day or two before the carnival opens there. Fleming is almost sure to be one of the representatives for Queensland.

(At a meeting of the Ladies and Men's Associations on 21 October, it was decided to hold State Championships conjointly on January 13, 15, and 17. A committee comprising Mrs McKay, Miss K.Granville, Messrs R.McKauge, J.Montgomery and J.R.Hutchison was to draw up the programme.)

BIG PROGRAMME AHEAD
STATE AND COUNTRY SWIMMING TITLES
NEW CLUBS FORMED

By "Metre"

Recognising the importance of having the programme for the State and Country Swimming

Championships circulated early, the programme committee of the QASA has already commenced its work. Relay races for secondary schools - boys and girls - also the Axel Sousaari Memorial Handicap, are to be included in the programme. The latter event was competed for at the carnival for the Frenchmen last season for the first time. The entries for the Memorial or other handicaps run in conjunction with the championship events are to be reduced.

The championships are to be under the joint control of the men's and the women's Associations, and the profits are to be divided on a 50/50 basis.

Mowbray Park, the new Club on the southside, made a good start some twenty persons having become members. The only handicap is that the Club swims will take place in baths which are under tidal influence, consequently no definite dates can be arranged.

Sandgate Club which started off under somewhat similar conditions, however, has grown into a big organization. Mowbray Park baths have a length of 100 metres so competitive swimming should become popular.

Those interested in swimming should attend the Valley Baths between 5pm and 6.63pm. L.Stanton who is a skilled tutor, and coach Dorrie Withers are present during these hours.

Tom Boast has the State champion, Marie Cuzzu, in hand, while R.Grier is working young Smith. Though only thirteen years of age, he is showing promise of lads years older.

Postal Institute, another new Club, may have Speedo Shield dates allotted to it. They have a strong sound programme.

POSTAL INSTITUTE CLUB

The new Postal Institute Club had its opening swim at the Valley Baths last night. Miss P.Thompson, Messrs W.Fleming, G.D.Johnston, all State champions, assisted.

Mr J.G. Kilpatrick, the Club's President, announced that Life Saving would be taught to the children of members as well as swimming.

NEW RELAY EVENT
MERCANTILE TEAMS CONTEST

With a view to increasing the popularity of the sport, the Valley Swimming Club is holding a mercantile teams handicap relay on November 27.

A Shield has been presented by Elphinstone's Ltd for competition, and entries which are open to all business houses except Banks, and the Public Service, already approximate 106.

The event will be held under the auspices of the Queensland Amateur Swimming Association which has granted permission for all affiliated swimmers to take part.

Each team will comprise four members and the event will be swum over 200 metres in heats, semi-finals, and a final.

The Speedo Shield competition will be held in conjunction with the relay.

Most of the leading Brisbane swimmers will be competing, including Tom Boast, E.Gilbert, T.Long, R.Canham, and Misses A.Frederich and W.Blunt.

A charge of one shilling for adults and sixpence for children will be made, and the business houses are endeavouring to make it a social occasion as well as a sporting event.

The Secretary and organizer of the carnival is Mr C.M.Holmes, a member of the Valley Swimming Club. It was stated yesterday that similar carnivals had been swum in Victoria and Western Australia with success. Entries close November 13.

REVIVAL LIKELY IN SWIMMING
MANY HOUSE TEAMS IN SPECIAL RELAY

By "Metre"

A splendid revival in swimming activities is noticed this season, and with the reappearance of what are known as "House Clubs" there should be a large increase in the number of competitive swimmers. The Valley Club expects to have no fewer than 60-80 House teams competing in a special relay race which it is organizing, and the enthusiasm should result in the formation of many "House Clubs" affiliated with the Queensland Amateur Swimming Association.

Already a Postal Club and a Telegraph newspaper Club have been formed and with the Clubs already in existence a good foundation has been laid.

A fine tribute to the work of the Queensland Ladies Amateur Swimming Association was the unanimous approval of the men's Association for a lady representative in the chief Executive body. It was a neat gesture of good-will and the ladies really deserve it. Swimming affairs of the ladies do not come before the public as prominently and as often as the work warrants, but the fact remains they have the control of some of the finest swimmers in the Commonwealth, and the number is growing. The heyday of the success is yet to come and it will be hastened by the allotment of the place referred to.

FROM YARDS TO METRES

Country Clubs especially should note that the distances for all events in the championship class in the State and Country carnival in January have been altered from yards to metres. Trials should therefore take place over metric lengths.

As the newer distances conform to Olympic standards it is probable that in time yards will not be recognised in official records. The yard programme shows no great changes. There has been a shuffling of events in order to fit them in better.

EARLIER START

It is hoped swimming officials will reconsider the conditions of the Shield contests as to enable all Clubs to compete with as little inconvenience as possible. The Sandgate Club, which is one of the strongest in the metropolis, finds it almost impossible to take part owing to the distance from the city and the late hour at which the contests finish. It would be advisable to commence the contests earlier.

The QASA is to help in adding a swimming pool in the Montrose Home for Crippled Children. The earlier idea was the beach at Redcliffe should be the place for the carnival but Sandgate has been selected by the Association. It will be rather a large affair with swimming races in the baths and probably novelty events on the beach. New Year's Day is the date fixed.

It is not likely the QASA will negotiate for the appearance of the Hawaiian swimmers who are visiting Australia at the invitation of the Victorian Swimming Association. The Queensland Association has not discussed the matter, but the opinion of several delegates is that as the swimmers are not amongst the world's best, they would not draw the public.

SWIMMERS IN GOOD FORM AUSTRALIAN TITLE PROSPECTS PROSPECTS FOR MORE HOUSE TEAMS

By "Metre"

The form already shown by some of Queensland's best swimmers was satisfactory. W.Fleming, 220 yards Australian champion, did that distance at his Club swim last December in 2m 23 4/5s, but this season he has had a time of 2m 28s. It appears all Sandgate's freestyle records are at his mercy again. When he won the Australian title in Hobart he was clocked at 2m 26s, and a swimmer of his calibre should have no difficulty in getting his time down to that again, but his time will have to improve by seconds if he is to stand a chance against the world's best, and the opposition against him at the next Australian championships is likely to be stronger than last year.

BEST LADY PERFORMERS

Marie Cuzzu is the pretty rhythmic swimmer she was last season and she still has a good finishing effort. She swam over the quarter mile distance in 6m 33s with plenty in hand after losing seconds at the later turns at a Club swim this week.

Ellen Ross, in the north, is making good times in Club tests but much is not known just yet of the form of N.Wedlock who is one of the most promising sprinters in the State.

Merv Witt is working up to his distance form, but the country's best strength will not be revealed until after the tests at home have taken place.

The success of the "House" teams event at the Valley Club's carnival has stimulated an interest in a proposal that teams should be formed in the various Government Departments on similar lines to compete for a Public Service premiership. Various inquiries have been made, and while no direct step towards formation has been made, probably a meeting will be held to further the idea.

CIVIL SERVICE PREMIERSHIP
SCHEME APPROVED

A scheme suggested by "Metre" for the holding of swimming contests for a Civil Service Championship was approved by the Executive of the Queensland Amateur Swimming Association.

It was decided the carnivals should be held at the Valley Baths on December 17 and should be open to teams from the Federal and State Government Services, the Commonwealth Bank, the Post Office, City Council, and Tramways which will comprise four members each of whom will swim 50 metres. Any team beating the time submitted for handicapping by a greater margin than twelve seconds will be liable for disqualification. The Committee decided to recommend to the Council at the meeting on Monday that Mr R.McKauge, the Association Secretary, should be Manager of the team and delegate for the Association at the carnival and the Conference at Adelaide in January.

The visit of the Hawaiian swimmers to Australia was considered and it was decided that unless the Australian Swimming Union notified Queensland of the projected visit, no action would be taken.

CUZZU WINS 100 METRES
IRIS TUBMAN JUNIOR CHAMPION

State champion, Marie Cuzzu, led all the way in the 100 metres championship at the Valley Ladies Club carnival last night to defeat Miss Dorothy Withers by a yard.

Swimming with free and classic action Dorothy Withers gave Winnie Blunt 11 seconds start in the 100 metres backstroke handicap and won by 4 yards.

The most exciting race was the Jantzen Cup relay, only a touch separating City Pastime, and Valley (the holders).

Iris Tubman retained the 50 metres junior Club championship by winning by 4 yards with a similar distance between second and third.

PUBLIC SERVICE RELAY
BRISBANE PERMANENT BANK'S SUCCESS
TELEGRAPH SCORE IN SPEEDO SHIELD

The relay races for the Civil Service championship held at the Municipal Baths last night was splendidly patronised by both the competitors and the public.

Included in the programme were the Senior Speedo Shield interclub contests and the junior Cup races.

The relay race was won by the Brisbane Permanent Bank team, the Telegraph team won the Speedo Shield and Moreton Bay the junior Cup.

ALLEGED BREACH IN RELAY SERIES
WILL SWIMMERS BE DISQUALIFIED?

Although the fact has not yet been officially reported to the Referee, Mr D.S.Carter, or to the QASA Executive, it is understood that the latter body is to be called upon to adjudicate on the question of disqualifying the Permanent Bank No 2 team which won the Civil Service relay series at the Valley Baths on Tuesday night.

It is alleged that the Brisbane permanent No 2 team was short of a swimmer and a member of the Bank's No 1 team was put in to fill the vacancy. Without the officials being notified, also that the member concerned swam in both teams of the Bank throughout the programme without a breach of the rules being noticed.

If such is the case, the QASA will have no option but to disqualify the winning team and award the event to the Bureau of Industries team, the runners-up in the final.

ZONE CONTROL IN SWIMMING
GREATER INTEREST WOULD RESULT
"HOUSE" RACES POPULAR

By "Metre"

Swimming organization throughout the State has shown such development that the time is opportune for reviewing the question of zones for Queensland, or for those parts where swimming is one of the strongest attractions in the season's sporting calendar.

The QASA is the head of swimming interest in the State, but its interest outside Brisbane concerns mainly Clubs only. A zoning system would allow several districts to speak as affiliated bodies, tend to create more general interest in competitive swimming, and give every District and Zone a greater status. A Zone could have its own local championships with the best of swimmers competing in the State title races.

Country delegates discussed the matter with officials of the QASA last season and the principle was agreed to. There are no apparent Executive difficulties in the way.

When the country contingents arrive for this season's championships the subject will probably be further discussed.

From the Association's viewpoint it is far better to deal with Zones than with Clubs or individuals, and any such step would have the approval of the QASA.

INTRODUCE NEW SWIMMERS

The most enthusiastic patron could not have expected that the suggestion by the Courier Mail for the holding of "House" relays would have had such a liberal response.

Following on the mercantile events by the Valley Club when about 100 swimmers competed, over 200 participated in the Public Service Premierships at the Valley Baths on Tuesday.

There will be some controversy over the merits of the successful teams in the two contests, and the QASA may consider allowing the respective swimmers to contest the House Championship of the season at the carnival for the Montrose Home for Crippled Children.

The Secretary of the Royal National Association, Mr H.W. Watson who is also secretary of the Home, intimated that he would support such a race.

The Executive Committee of the Queensland Swimming Association met on Monday to consider the position of the Brisbane permanent Bank No 2 team which won the Civil Service relay contest. Two suggestions have been made - (1) The team should swim the distance again to see if it can record the same time as in the actual race, and (2) That the Bureau of Industry team which gained second place, swim against the Bank's second team for the Cup.

NORTHERN CHAMPIONSHIPS

The North Queensland Championships were conducted at Cairns last weekend and the list of records made confirms the belief that the standard of swimming there is improving splendidly.

Chief interest probably surrounded the success of N. Wedlock who at the last State Championship was second in the country 100 yards title race. He was defeated in the 440 yards championship in Cairns by A. Fitzgerald in 5m 32 2/5s, but won the 220 yards freestyle in which he created a record.

The distance crack, E. Hopkins, secured the half mile title.

It is a healthy omen for country swimmers, and W.Fleming will have worthy rivals in the tests.

OLYMPIC LEVY NOT PAID
TOOWOOMBA CLUB'S POSITION

Having received the official report that the Toowoomba Club had not paid the Olympic levy, the Council of the Queensland Amateur Swimming Association last night decided not to allow that Club's representatives to compete in the State Swimming Championships unless the levy is paid by Friday evening next.

Mr A.McKeering was appointed to the vacancy on the Executive Committee caused through the retirement of Mr J.Hutchison.

C.M. Tuesday 8 January 1936

THREAT TO BATHS SWIMMERS
TOOWOOMBA AND OLYMPIC LEVY

Tmba, Tuesday

Mr P.M.Steggall said that he had been advised by the Queensland Amateur Swimming Association that unless the Toowoomba Swimming Centre paid the Olympic levy, its representatives would not be allowed to start in the State championships.

Mr Steggall pointed out that the amount involved was only twenty nine shillings and sixpence, but Toowoomba claimed that as nineteen shillings and sixpence was owed to the Toowoomba Centre, only ten shillings should be paid. It appeared to him that the non-payment of last year's Olympic levy was being used as an excuse to do something that might possibly satisfy the Toowoomba Centre.

Toowoomba was one of the few Centres that had paid the Olympic levy for the 1933-34 season and the Olympic Council returned the Queensland cheque regarding it as an insult on account of the amount offered. No compulsion was brought to bear on any other Clubs to entice the other Centres that had not paid during the season. The amount claimed by the Olympic Council was not money owing to the QASA as it had merely to collect and transmit the money.

At the last Annual Meeting of the QASA the President, Mr D.S.Carter, ruled that all Clubs or Centres owing money to the QASA should be deemed to be unfinancial and would not be allowed to vote or take part in the proceedings. In spite of the fact that a northern Centre had not paid the QASA an amount for two years, and that the metropolitan Clubs were £3/7/1 in arrears, and that the Queensland Ladies Swimming Association also were in arrears, the Toowoomba Centre was the only one picked out.

PAY UNDER PROTEST

A meeting of the Toowoomba Centre would be held next Friday night, and no doubt the necessary amount would be passed for payment because fortunately the Centre was in a good financial position, but it would be paid "under emphatic protest".

For the championship events of next week Toowoomba was sending down a team of twelve swimmers, which was thought a greater number than any other Centre or Club in Queensland was sending. All members of the team were registered members of the Toowoomba Centre which had paid its affiliation and registrations. It was questionable whether the QASA could prevent any Toowoomba nominee from competing in the events.

WOMEN SWIMMERS FOR ADELAIDE

A special match race over 50 metres for country junior swimmers will be included in the first night's programme of the State and Country Championships. The winner will receive a silver Cup donated by Mr George Rossiter.

The Queensland Ladies Amateur Swimming Association also decided last night to approach the new South Wales Swimming Association to allow Queensland swimmers chosen to compete in events in Adelaide and Perth to travel under the control of the Manager of the New South Wales team. The swimmers will travel first class to Adelaide and second class to Perth.

As the nominations for the National Games close today, an extension of time was required from the national Games Council.

The State selectors announced that a girl would not be eligible for selection unless she was prepared to pay £20 towards the expenses.

Miss Winnie Blunt, champion diver and backstroke swimmer, has withdrawn from the championship because of ill health.

The Social Programme for next week's carnival is January 12, visit museum; Jan 13, visit City Hall tower; Jan 14, visit automatic telephone exchange, and in evening attend a welcome at the Cafe Majestic; Jan 15, visit 4QG; Jan 16, all day outing; Jan 18, view second heat of the eighteen foot sailing championships; Jan 19, Queensland Teams leave for National Games on Kyogle mail train.

SWIMMING CHAMPIONS M.CUZZU AND V.TREMBLE HAVE GOOD WINS

Splendid swimming was witnessed in the majority of open events at the State and Country Championships at the Valley Baths last night.

The 400 metres championships were won easily in both the ladies and the men's sections by M.Cuzzu and V.Tremble respectively. It was the first time in Queensland that the championships were contested over metric distances and the times established will stand for a year as the basis for Queensland records over the increased distances.

M.Cuzzu, a former Cairns swimmer and now a member of the Valley Club, covered the 400 metres in 6m 37s and was not "all out" at any stage of the race. She has maintained her very easy style and she looks to be a certain representative in the ladies section of the National carnival in Perth. Miss Cuzzu was two yards ahead of Miss Shaw at the first 100 yards, but in the next 100 Miss Frederich swam into second position four yards behind Miss Cuzzu and two yards ahead of Miss Shaw. The others were out of the race at this stage. Miss Cuzzu, however, increased her lead to three yards at the 300 yards turn and won by that distance from L.Inwood who swam very gamely.

TREMBLE'S EASY WIN

In the 400 metres freestyle championship for men, V.Tremble of Rockhampton established a good lead early, and was never deprived of it and finished as strongly as he started. At 100 yards he led by five yards from Fitzgerald with Witt and Fleming yards behind. At the next 100 yards, however, he increased his advantage to twelve yards. Witt, who was next, was three yards ahead of Fitzgerald with Fleming who was not making up much ground, next. Witt decreased Tremble's lead to ten yards at the 300 mark and Fitzgerald was lying third three yards away. Fleming was a further six yards off. Witt, who finished very strongly, was only two yards off at the finish, but Fleming was fifteen lengths behind him.

A splendid effort was furnished by H.Winsall in the 50 metres junior country championship which he won easily in the good time of 29 secs. He promises to be one of the best swimmers the country has turned out.

Members of the Tewanin Club which recently became affiliated with the QASA were represented by a team whose performances were very satisfactory.

Details given in QASA Annual Report.

FLEMING'S NEW RECORD FOR 100 METRES
TREMBLE BEATEN BY INCHES ONLY
MISS CUZZU'S VICTORY

W.Fleming and M.Cuzzu won last night's 100 metres freestyle swimming championships for men and women respectively. Fleming beat V.Tremble by inches only, and his time of 62 secs lowered Reg Grier's best time for A Queenslander by 1 second. Miss Cuzzu, however, had an easy victory, Dorothy Grier being fifteen yards away.

W.Fleming, State title-holder for 100 yards, and V.Tremble (Rockhampton) quite outclassed the rest of the field in the 100 metres championship, and the spectators were thrilled as the two swam stroke for stroke and turned together at 50 metres which they covered in 29 secs. The pace was a cracker again as they turned for home with Fleming in slightly the worse position at the start of the final lap. Neither could draw away until within a few feet from the post when Fleming with a great effort beat his rival by inches only. Fleming's time of 62 seconds was the best recorded by a Queenslander, but the best Australian time recorded over the distance is 60 1/5 secs made by K.Takaishi in the Valley Baths in 1926.

(Picture of Fleming)

The ladies championship afforded a contrast in respect of competition as M.Cuzzu had the race to herself in the second lap. D.Withers showed fine pace for the 50 metres and at that stage was only a foot behind Miss Cuzzu. However, in the second lap she fell right away but was able to maintain her position in second place fifteen yards behind the winner. There was a keen contest for the second position, however, as I.Tubman came home with a fine late dash and was only 1/5 sec behind Miss Withers.

PROCESSION IN 800

After the first lap or so, M.Witt, who was second to W.Fleming in the same event last season, had the 800 metres practically all to himself and the procession became so pronounced it was difficult to follow the swimmers other than the leaders as some were laps behind. Witt finished fully twenty yards ahead of E.Fitzgerald who had kept with the winner for a lap or two. The Townsville swimmer, D.Martinez, who was well up early, was a yard off, third.

An excellent race for the 100 metres junior championship resulted between H.Winsall and J.Venning. Winsall lost a lead of a foot at the first turn and in the second lap the youths fought out a hard finish over the last ten yards, Winsall gaining the decision by a touch only. A very promising swimmer in F.G.Taylor was third.

Details given in the QASA Annual report.

STATE SWIMMING STANDARDS
REVIEW OF TITLES CARNIVAL
FINE JUNIOR CHALLENGE

By "Metre"

Although Queensland's swimming strength has not been developed up to expectations, the standards have been well maintained. Observation based on the results of the first two championship carnivals suggest this, and whether the final tests tonight will cause an alteration in that view is open to question.

It seems certain that candidates for national honours should annex a title or two, but Olympic prizes are beyond their range at present. However,

connection of the State with big swimming tests, and the continued association of the sport with F.Springfield as an administrator and adviser must help progress. At the Athens Olympiad of 1908 he was second in a heat of the 400 metres freestyle in 5m 57 2/5s, and second in a heat of the 1500 metres freestyle in 24m 52 2/5s, besides being in an Australian team which was fourth in the finals of the 800 metres relay.

Tom Boast, whose allegiance to the sport is also still strong, was in Amsterdam in 1928 and won his heat and was fourth in the second round of the 100 metres backstroke in 1m 17.

WITT WINS BY OVER A LAP
1500 METRES STATE TITLE

M.Witt won the 1500 metres championship of Queensland at the Valley Baths last night beating his nearest opponent, A.Fitzgerald, by over a lap. Although not pressed he covered the distance in 22m 43 1/5s, a time which would have won an Olympic event twenty five years ago by 5 seconds.

The best Olympic time at the present is 19m 12 4/5s. It is the first time the distance has been swum in Queensland in competitive contests, and the time recorded is the basis for future local records for that distance.

(Picture of M.Witt)

Compared with Witt's best mile effort, last night's figures are a minute better than on comparative distances. A surprising thing was that after Witt had been helped out of the water he hurried off to receive the congratulations of his friends without showing the least sign of distress. He lapped Fitzgerald with four laps to be swum.

The result was - M.Witt 1, A.Fitzgerald 2, R.Petersen 3, M.Muller 4, R.Nielsen last.

TREMBLE TURNS TABLES ON FLEMING
200 METRES SWIMMING TITLE WON BY A TOUCH ONLY
MISS CUZZU'S THIRD SUCCESS

V.Tremble last night won the 200 metres swimming championship of Queensland at the Valley Baths, defeating W.Fleming by a touch in 2m 24 1/5s.

The ladies title went to Miss Cuzzu who defeated Miss D.Withers by 15 lengths. It was Miss Cuzzu's third success in the championship events.

T.Boast took the backstroke title, his time being only a second outside his best figures.

Fleming and Tremble drew out from their rivals in the 200 metres title early, and swam stroke for stroke. At the last turn Fleming led slightly but they were almost together at the final dash which favoured Tremble by a touch. With the exception of the 400 metres event these swimmers have been separated only by inches in the championship races. M.Witt, the distance champion was third

(Picture of V.Tremble)

Marie Cuzzu, in winning the 200 metres ladies championship covered the distance in 2m 54 4/5s and won by 12 lengths from D.Withers who displaced D.Frederich in the last lap and had two yards to spare at the finish. Miss Cuzzu now holds the State titles for 100, 200 and 400 metres.

P.Thompson had 20 lengths to spare in the 200 metres ladies breaststroke championship, and the interest was in the contest for second place which J.Lloyd of Toowoomba secured by a touch.

The Valley Club secured 5 firsts in the carnival, Rockhampton 3, Sandgate and Toowoomba 2 each, and Warwick 1.

Details of results given in the QASA Annual Report.

DIVING CHAMPION OUT
OF TEAM FOR NATIONAL TITLES
JOHNSTON SUSPENDED FOR A MONTH
ARGUMENT WITH OFFICIALS OVER ABBREVIATED COSTUME.

For some years now the modern trend has been evident in matters of bathing dress, and the advent of each successive summer results in fresh discussions round civic tables as well as in domestic circles of swimming organizations as to what is permissible in the form of abbreviated costumes and what is not.

At the Valley Baths last night a sharp exchange of words took place between Mr D.S.Carter, the President of the Queensland Amateur Swimming Association, and G.D.Johnston, the well-known swimmer and diver. The difference arose from Mr Carter voicing disapproval of the costume worn by Johnston.

Subsequently the Executive Committee of the Association suspended Johnston for a month. It is known that just prior to this occurrence Johnston had been chosen as a member of the team to represent Queensland at the Perth carnival, but the penalty imposed will automatically debar him from inclusion in the party.

It appears that this self-same costume has been a point of contention on previous occasions, for not many days previously, Johnston had been twice prevented from diving whilst wearing this particular suit. Last Sunday he endeavoured to compete in the championships but was ordered to don a different suit which he pulled over the top of the one to which objection had been taken.

Again on Wednesday he was informed that he would not be allowed to appear in exhibition diving unless he complied with the costume requirements of the Association, and on that occasion he did not appear at all.

SUIT REVEALED

Last night Johnston took his place in competitive events wearing a costume of approved pattern but afterwards divested himself of this, revealing the fact that the suit to which objection had previously been made had been worn underneath the other. Johnston then climbed on to the board, and his actions indicating that he intended to stage a series of exhibition dives, Mr D.S.Carter called out to the check-steward to prevent Johnston from taking the plunge. Johnston, however, went ahead.

Later there was an exchange of opinions between the swimmer and Mr Carter, and Johnston is stated to have spoken also to other officials. An immediate meeting of the Executive took place, and it was then decided to suspend Johnston for one month.

C.M. Wednesday 29 January 1936

(Letter to the Editor)

FAULTY RACING ALLEGED
OFFICIALS CRITICISED

It is a great pity that the energy displayed by the Swimming Association in a quarrel over a perfectly suitable bathing costume used in a demonstration dive at a recent swimming carnival could not be put to more practical use.

Why not give attention to the costumes of the officials themselves? Even that is a small matter certainly, but it would give a more dignified and business-like air to the proceedings. It would leave a much better impression on the minds of the public if all officials were clad in creams with blazers, or even white shirts, instead of inconspicuous everyday dress.

Better still, however, would be if more attention was given to accuracy in placings and recorded times.

The only feasible explanation of one incident would appear to be that the attention of the place judges was directed to a splendid effort by two lads who were eventually placed dead-heat third, during which time another swimmer actually touched the wall ahead of them, but to everyone's amazement was

unplaced. Several instances of bad mistakes could be quoted. Fortunately all the glaring errors that occurred were in the minor placings, never-the-less they were inexcusable and the cause should be eliminated.

I suggest that the energies of the Association should be directed into channels which will prove profitable to the Association and help to install confidence in the public as well as among the contestants.

Mr D.S.Carter, President of the Queensland Amateur Swimming Association in reply to Mr F.Knott's remarks said that the Association had no control over the dress officials wore at the carnivals under its control. It was impossible to please every person in the matter of judging, and if judges made mistakes there was no redress. It was. However, it is quite common for a person who was watching one swimmer to miss the position of other competitors, particularly in close contests.

TREMBLE HAS RECORD
NATIONAL GAMES SWIMMING
M.CUZZU'S TIME BEST

Adelaide, Tuesday

Queenslanders V.Tremble and M.Cuzzu each registered the fastest times in the elimination heats of the men's and women's 100 yards freestyle championships respectively in the swimming section of the National games today. Tremble's time was 55 1/10 secs which took 9/10 sec off Lyons 1932 Games record. Miss Cuzzu's time was 1m 6 1/10s.

The first session of the National Games swimming titles was commenced at the Unley Baths this morning.

The first heat of the 440 yards championship was won by Noel Ryan (NSW) with M.Witt (Qld) second, and Tremble third.

NATIONAL GAMES SWIMMING
NOEL RYAN DEFEATED
FLEMING'S RECORD IN HANDICAP

Adelaide, Thursday

A crowd of more than 1000 saw F.Oliver (WA) lower by 1 second for the distance by winning the 100 yards men's backstroke championship at the National Games swimming at Unley Park tonight. He also lowered the National Games record held by T.Hubers by 2 2/5 secs. Oliver's time was 1m 4 2/5s.

The upset of the programme was the sensational defeat of Noel Ryan, Olympic and England long distance champion, in the 440 yards men's freestyle championship, and Ryan did not gain a place. The event was won by A.Crawford (Vic) who registered 5m 14 4/5s, M.Witt (Qld) was second, and S.Herford (NSW) third. Ryan finished fourth.

Witt also claimed second place to Ryan in the 1500 metres freestyle.

In the 100 yards women's freestyle, Miss P.Norton (NSW) had a narrow win over Miss E de Lacey (WA). Miss Cuzzu made the pace a cracker from the start but at 50 yards she was caught by the rest of the field. Miss Norton took the

lead at the last turn and although vigorously challenged by Miss de Lacey, managed to get home by a touch. Miss Norton's time was 1m 4s, which is 1 2/5 secs under Bonnie Mealing's Games record. Miss Cuzzu was unplaced.

BIG RELAY RACE PLANNED
£56 PROFIT ON CARNIVAL

Permission was given by the Executive of the Queensland Amateur Swimming Association tonight to the City Pastime Club to hold a commercial race at the Davies Park Baths on February 26. It is expected that 30-40 teams will enter.

The event will be for the Tristram's trophy with four replicas, and will be run under relay conditions.

It was reported that the recent State carnival resulted in a profit of £56 which will be divided between the men's and the ladies Associations. The Art Union in the Association Fund returned a net amount of £20.

SUSPENSION OF JOHNSTON
UPHELD ON CASTING VOTE
COUNCIL'S DECISION

The Council of the Queensland Amateur Swimming Association last night, with the casting vote of the president, Mr D.S.Carter, endorsed the action of the Executive Committee in suspending the State diving champion, G.D.Johnston, for a month for infringing the costume regulations of the Association during the State and Country Championships in January.

A formal show of hands favoured the motion for adoption by one vote, but when a division, which had been asked for, was taken, the voting was even. The President gave his casting vote in favour of the suspension.

Mr F.Springfield, a Life Member of the Association, said that the proper course to have been taken was to call Johnston before a committee. He felt the penalty was too severe as it practically meant a fine of £40 which was the estimated cost of the trip to the championships in Perth, irrespective of the honour he might have won there.

Johnston explained to the meeting it was customary to give an exhibition while points were being added up. He asked that the President who was so vitally interested should take the Chair. The request was over-ruled.

JOHNSTON'S STATEMENT

Johnston stated in his written appeal to Council that the costume rules on which the appeal was based had not been applied for many years to exhibition diving in any Australian State. On his arrival in Brisbane he was amazed when the costume steward objected to his club costume in which he had taken part in over 200 competitions and exhibitions in southern States and while wearing which he had won the Victoria State title.

Johnston further said that F.Kurtz while in Brisbane was allowed to wear a blue and white costume which was not standard. As to his own costume, he wore it earlier at the mercantile and Public Service carnivals and no comment was made, and also in over twenty exhibitions he had given at the Valley Baths he had not worn any other costume than the blue and maroon which had been banned for competitive purposes.

Mr P.Steggall (Toowoomba) asked whether Johnston had been notified that the case was coming before the Executive Committee, and the President replied that under the Rules such a step was not necessary.

The Acting Secretary, Mr J.Hutchison, "Johnston received official notice that he had been suspended and he had the right of appeal to the Council."

Mr N.Burn, "What was he suspended for?"

The President, "Among other things, for not obeying the officials."

The Acting Secretary moved that the action of the Executive Committee be endorsed, and Mr D.Harrower seconded the motion.

LAXITY IN COSTUMES

Mr Springfield moved an amendment that the portion of the Executive Committee's report dealing with Johnston be excised from the report. Mr Steggall seconded the amendment. Mr Steggall said the position should be looked at from a sporting point of view. Certainly no one, in his opinion, should deal with a competitor until the competitor has a chance to defend himself. He felt that the Chairman of the Executive Committee had been too harsh in the matter as very few of the costumes worn at carnivals were up to standards as defined by the regulations.

After further discussion the motion was put to the meeting.

FLEMING WINS AT PERTH
STATE RECORD IN 110 YARDS FREESTYLE
TREMBLE SECOND

Perth, Sunday

In the 110 yards freestyle title at the first of five National Championships held yesterday afternoon, W.Fleming, the Queensland representative, created a new State record when he covered the distance in 62 secs. V.Tremble of Queensland was second. Besides Fleming and Tremble the field included Crawford (Vic), Nankiville (WA), Hampshire (WA), and Lamb (WA).

Fleming led Hampshire and Tremble at the first turn and increased his lead on the return, and although Tremble provided a great finishing effort he was defeated by half a yard. Crawford was third.

SWIMMING IN SCHOOLS
Q.A.S.A. TO CONSIDER TEACHING SCHEME
SEEK OFFICIAL AID

Since his return from Perth, Mr R.McKauge, Manager of the Queensland swimming team which competed in the Australian Swimming Championships, has been drafting a plan for the introduction in Queensland of a swimming educational scheme similar to that in Western Australia. He will present an outline of his

proposal to the Council of the Queensland Amateur Swimming Association tonight with a view to having it placed before the educational authorities which has a supporter in Mr R.W.Hislop MLA who will urge the Department of Public Instruction to adopt it.

Officials of the QASA yesterday suggested that so far they had heard of the scheme only through the press. It seemed to be very desirable in Queensland, however, and a consensus of opinion was that the Association would be in favour of placing it before the Department of Public Instruction.

The fees paid by the children for their training would cover the greater part of the cost of the scheme, but the Government would have to stand behind it to a certain extent. Mr Hislop said he had discussed it with Mr McKauge and that the scheme seemed very sound indeed. It was his intention to urge it in the Department. At present some schools were teaching swimming to children, but a more general scheme was necessary.

THE DEPARTMENT NOT AVERSE

When the proposal was referred to Mr F.J.McKenna, the Director of Education, he said that in working such a scheme there were a number of aspects to be considered, and one of the most important of these was the expense of the venture. However, if the Association could put before the Department a suitable scheme, it would certainly be given the fullest consideration. Such a scheme would be a good thing for Queensland.

SWIMMING IN THE SCHOOLS COMMITTEE TO CONSIDER PROPOSAL

An Executive meeting of the Queensland Amateur Swimming Association decided last night to elect a committee at the Council meeting on Monday night to thoroughly go into the advisability of introducing in Queensland a swimming educational scheme similar to that in Western Australia.

In Western Australia swimming is part of the school curriculum and the teaching is carried out in school hours. If such a scheme were adopted in Queensland the QASA would have to work in close co-operation with the educational authorities.

SCHEME TO TEACH SWIMMING DETAILS OF PLAN

When the suggestion was made at the last meeting of the Queensland Amateur Swimming Association for a scheme to teach school children how to swim should be introduced into Queensland along the lines of a method used in Western Australia, it was decided that a detailed plan of the scheme should be given to the Boys and Girls State Schools Amateur Swimming Associations. These Associations should try to have the scheme adopted next year. Since the decision was made, Mr McKauge, Secretary of the QASA and Manager of the Queensland team that went to Western Australia recently, has drawn up a comprehensive report and will pass it on to the State Schools Associations.

TWO SECTIONS

Mr McKauge's report sets out in detail the scheme adopted by Western Australia.

It state swimming classes are divided into two sections, the first group comprising the ordinary classes conducted during the State School year, and the second group of vacation classes for children from country centres and private schools.

The ordinary classes commenced at the beginning of December each year and continued through each school week, Christmas holidays excepted, until the end of March. The classes are held at approved centres in the metropolitan area, and for their instruction, a special staff of teachers were selected from the ordinary teaching staff of the Education Department. These teachers devoted their time solely to the scheme during the summer months, and in the winter returned to their ordinary teaching activities. They were all highly qualified swimming instructors and kept themselves au fait with the latest swimming and life saving methods and developments.

The Education Department at the beginning of the season drew up a timetable, and the children from each school were allotted a certain time each week at the nearest swimming centre. Where necessary, tram transport was arranged so that no time would be lost in travelling. The children themselves paid the fares at a special concession rate.

GRADING OF CHILDREN

When the children arrive at the baths they are placed under the care of the instructor for a fifty minute lesson each week. The instructors graded them according to their swimming ability.

There were seven grades, the beginners, the non-swimmers, the upper non-swimmers, the lower fair swimmers, the upper fair swimmers, the life saving class, and the advanced swimmers. As the child progressed he was automatically advanced through the various grades, and if he commenced early he received a very full education. The five first groups were devoted to elementary lessons, and the higher grades were taught more advanced strokes.

The advanced swimmers grade, or highest class, was conducted as a miniature club where competitive swimming races and diving displays were held.

The report sets out in detail the instruction given to each class.

The second group, the special vacation classes, were arranged by the Department for country pupils and for students from private schools, and were held in whatever centres provided enough demand. The classes in this group were held in January.

The course was an intensified one of ten lessons. In some centres where the demand was considered sufficient, the course might be extended for a further five lessons for which the pupils would pay a further one shilling. The teaching methods in the second group were the same as in the first group.

The expense of the scheme, the report states, was met by a fee of two shillings a season paid by each child. The extra one shilling mentioned above would be paid in addition to the two shillings. The child also paid his own travelling expenses and admission to baths. In this way the scheme became self-supporting.

Last season eight thousand attended the classes from fifty three schools. There were twenty two teachers handling these children and instruction was given at nine different centres.

JUNIOR CHAMPION WINS SENIOR TITLE CENTRAL QUEENSLAND'S WOMEN'S TITLE

In the first section of the Rockhampton Women's Swimming Carnival tonight, Judith Caswell, last year's junior champion, won the senior 100 yards championship of Central Queensland from Elsie Jones (Rockhampton) and Vera Lloyd-Jones (Longreach after a thrilling race. The time was 1m 10 1/5s.

The championship over 80 yards was a neck and neck tussle between June McKenzie and Joan Stickley. McKenzie had a slight advantage five yards from home but Stickley drew level with a final burst and beat McKenzie by a touch.

BOAST NOT GOING

It was learnt yesterday day that Tom Boast, the Mowbray Park swimmer, would not accept the Australian Games Committee's invitation to swim in Sydney this month.

Probably one of the reasons for this decision was that the Mowbray Park surf team had been disqualified for a month, and will not be able to take part in the surf carnival in Sydney during the Bridge Opening activities.

Boast is a prominent member of the surf team which was expected to represent Queensland in the championships, but it is understood that Boast does not propose to go on a trip which his club mates cannot share.

STATE TITLES IN JANUARY
DATES REVISED
Q.A.S.A REPORT

The dates for the Queensland Amateur Swimming Association's Championships have been changed from December 7, 9, 11, to January 18, 20, and 23.

In revising the original dates, the Q.A.S.A sub-committee acknowledged the difficulty country centres would have to be suitably represented at that time. The championships will now be held over a week before the second section of the Australian Championships in Brisbane.

From a competitive standpoint, with Association carnival successes, the last season of the Q.A.S.A was very successful. In the Annual Report to be presented to members at the meeting on October 5, a large deficit, due in a great extent to bad weather on carnival nights and the expense of sending representatives to Western Australia is shown. The Financial Statement has not been finalised in time to be included in the Report.

COUNTRY DEEDS

Townsville Tourist Club takes first place for the number of Club members, 105, and this is the first occasion a country Club has headed the list in an aggregate over all Clubs. There are 758 senior and 281 junior members registered, an increase of 48 over last season.

Members are notified that the costume rule will be rigidly enforced this season.

The Secretary, Mr R.McKauge, in his comments, states that with Learn to Swim campaigns on, State and Country Championships to be contested, also the Australian Championships (one section in Brisbane), and a probable visit of overseas champions, the season will be strenuous, but he is in no doubt of its great success if Clubs co-operate.

The Report provides a fund of statistical data on performances and records.

Q.A.S.A SHOWS LOSS OF £50 FOR YEAR
W.A. TRIP FINANCES, AND RAIN, THE CAUSE

The Queensland Amateur Swimming Association closed last season with a deficit of £140 pounds. As a loss was carried over from the previous year, the deficiency will probably work out at about £50 for the season. The heavy expense entailed in sending swimmers to Western Australia, together with rain on the last night of the State and Country Championships, was mainly the cause of the loss. There is the sporting compensation, however, that Fleming won National Championships in Western Australia and therefore brought honours to the State.

The premier Club, Valley, had a membership in all grades of 157 and finished the season with a surplus of £3/10/-. In Australian Championship, the Report states, the Club was not represented by G.D.Johnston, the champion diver, "owing to a slight technicality", but the Club had fine successes in the Queensland Championships.

Regarding the controversy 'surfers v swimmers', there is a comment that there are arguments for and against the surf, and it would be said that if used in conjunction and with well-considered coaching, it would become advantageous to the distance swimmer. The only fault, it is added, is the lack of suitable coaching systems.

C.M. Friday 25 September 1936

IMPROVEMENT OVER DISTANCES MAY WIN KIERAN SHIELD
By "Metre"

Early predictions are that Queensland will have its best swimming season for some years in the higher competitive sphere. It has, in W.Fleming, a national champion whose range of success can easily be extended to longer distances, and also V.Tremble, the northern swimmer, who did so well in the National Games in Adelaide. There are numerous budding champions, and if distance swimming be developed, the Shield may come to the State. It is certainly time that the National Premiership emblem came Queensland's way again.

Club premierships through the range of grades is likely to be the largest on record, and officials are very pleased with the strong junior roll in most Clubs. The Courier Mail's classes would in time add considerably to that list, and the Clubs should be prepared to take over the lads and girls who are developing from the nursery. There may be many champions among them and nothing is better than to have them in contact with the best Club swimmers, and under the guiding hands of the skilled coaches of the Clubs.

Financially the parent body is not as sound as its officials would like, but there is no cause for concern. The Q.A.S.A had to meet many expenses last season that are not recurring for some time at least. The only comparatively big outlay will be the cost of sending the State's representatives to the series of championships in Sydney.

On the other hand, a nest egg should come as a result of the State and Country Championships and the revenue from the section of the National Championships to be held in Brisbane. In addition, enterprise in bringing some of the world's best swimmers as part of the Australian Union's education programme should result in a substantial profit.

Queensland's chance for the Kieran Shield appears stronger than for some seasons. Fleming and Tremble can be expected to uphold their reputations over the sprint distances up to the 400 metres, though quality is lacking in longer events. The season, however, may bring on some of the colts. Merv Witt, the accredited distance swimmer, may strike top form, and E.Hopkins, who has shown considerable promise, should develop. G.Johnston, the State diving champion who did not go to the last national championships may wrest the title from R.Masters.

LIKELY WINS

In the long view it is likely Queensland could win the 100 and 200 metres and the diving, but the distance events may prove to be troublesome. The shield is decided on first in the greatest number of events, and in the event of a tie second positions count, and if a tie again, third places are brought into the reckoning. The Shield is for men's events only. The Corbett Shield fills a similar purpose in the ladies premier competition.

STATE CHAMPION MAY NOT SWIM THIS YEAR

It is very doubtful if Miss Dorothy Withers, State back stroke champion, will do any competitive swimming this year. Miss Withers feels she will enjoy a rest from the training and the many sacrifices that championship swimming entails. The fact that she will leave on Saturday 6 October for a holiday in the country has no bearing on her decision.

Miss Withers had resigned from the Valley Club but will retain her membership of the Sandgate Club. Last season she belonged to both Clubs but swam in the Valley colours.

BETTER DIVING BOARDS WANTED IN BRISBANE

The retiring President of the Queensland Amateur Swimming Association, Mr D.S.Carter, was re-elected at the Annual Meeting last night for the fifth time. Only once in 28 years has he been out of the Chair. The omission of W.Fleming from the Olympic team was adversely commented on by members who complained that the swimmer's chances would have been better than those of W.Kendall (NSW) who was the selectors choice.

Recommendations that the Speedo Shield swim this year should be controlled by the Q.A.S.A instead of by a special committee from the metropolitan Clubs, and that the number in each team be reduced from eight to six, was deferred to the Council meeting next Monday night.

It is possible that the Australian Diving Championships will be held in Brisbane this year, and the Association will approach the City Council in an endeavour to get better diving boards. Mr McKauge who has examined several of the southern pools stated that Queensland boards were well below the southern standard.

Officials elected were - Patron, Mr F.W.De Little; President, Mr D.S.Carter; Vice Presidents, Messrs G.L.Stedman, Les Nissen, R.Moylan, J.D.Stanton, E.G.Ward, and the Lord Mayor (Ald A.J.Jones); Handicapper, Messrs J.Whittington, J.Montgomery, E.J.Goodwin; Auditors, Messrs T.F.McGovern, J.A.Keir; Solicitor, Mr E.J.Simmonds. THREE PENNANTS NOW
ARRANGEMENTS FOR SPEEDO SHIELD

Premiership Pennants will be awarded by the Q.A.S.A for the best senior, junior and country clubs for the first time this season. The basis of points will be 5, 2 and 1, on championship results for each senior and junior division, but both senior and junior events will count in the country Pennant premiership. This was decided at a meeting of the Q.A.S.A. last night.

The report from the club's committee for Speedo Shield arrangements was that the contests be held on five nights instead of probably thirteen, that Speedo Shield nights take the form of carnivals, with possibly metropolitan championships competed for, and that the profits be divided equally between the Speedo Shield Clubs.

The report was adopted and teams reduced from 8 to 6 swimmers each team. Entries will close next Monday for the Shield contests.

WARWICK PROTEST

Warwick Harriers Swimming Club objected to the proposal of the Association to give the medley championships to Sydney in exchange for the springboard diving championships. The Club pointed out that Rod Campbell was regarded as one of the best medley swimmers in Australia, and the Association should, in the circumstances, pay his expenses to Sydney.

The President (Mr D.S.Carter) said that the dive would provide a big attraction in Brisbane, as Olympic representatives would be present.

Mr L.Burn, representing Warwick, said that, Campbell's performance last season was splendid, and he had built up hope of winning the Australian title in Brisbane.

As diving facilities at the Valley Baths are regarded as not being up to championship standards, it was decided to await the City Council's reply in the matter before definitely deciding on any change in the programme.

The Council decided to consider the request from the Royal Life Saving Society for a conference with the State swimming authorities regarding the amateur status after the report from the Olympic conference was to hand.

Permission was granted to the Valley Club to hold a mercantile carnival at the Valley Baths on December 9, and for the Civil Service carnival and Telegraph Cup on December 3.

SHIELD DATES
METROPOLITAN TITLES TO BE DECIDED

It is expected that 13 teams will compete in the Speedo Shield contests this season, and at a meeting of the committee last night, the following programme was drawn up - Tuesday November 24, City Pastime; Wednesday December 16, valley; Tuesday February 9, Sandgate; Tuesday February 16, Moreton Bay; Wednesday March 3, Toowong.

These dates are conditional on the Clubs mentioned nominating teams.

The committee also decided that the metropolitan championships should also be held on the nights of the Shield contests, the events being divided up on the various evenings mentioned, and contested over the same distances as the Queensland championships.

The contests will be managed by a special committee consisting of Mr V.Hartley as President, and Mr J.Montgomery, Secretary and Treasurer.

Tom Boast, of the Valley Club, who celebrates his 31st birthday next Friday, at the Sandgate Baths last night clipped 1/5sec off his Australian record time of 1m 6 4/5s for 100 yards backstroke.

A long-standing Best by Queenslander record of 1m 16s to the credit of Lad Collins was also lowered when Jack Meredith, of Sandgate Club, swam 100 yards breaststroke in 1m 14 3/5s.

FLEMING'S FIGURES

W.Fleming, who leaves for New Zealand next Thursday, in lowering the Club record for 100 yards by 4/5sec, was only 3/5sec outside Axel Suosaari's Best by Queenslander State record. His time of 55 4/5sec was, however, 1 2/5sec outside Reg Grier's Best by and Australian record. In the 220 yards event, Fleming also clipped 2 1/5sec off the Club record of 2m 30s.

The project is not new, but is becoming more urgent.

There is no woman representative on the committee appointed to control and organise the Empire Games of 1938, in Sydney, although the women's sports associations will undoubtedly be called on to care for women visitors.

Swimming associations in those States that do not have a separate women's association admit that the women are drawcards at carnivals, and do most of the social work. Now the women are making strenuous efforts to win recognition in the administrative sphere.

F.I.N.A. RULING

The Australian Swimming Union in opposing the formation of a separate Women's Union, states that the international Federation de Natation Amateur, to which the A.S.U. is affiliated, will not allow of such. Actually the International Federation ruling says that only one Association in each country will be recognised.

The women do not seek direct affiliation to the International Federation. Their aim is to influence the A.S.U. to do as the Q.A.S.A and the N.S.W.A.S.A. have done, give the control and organization of women's swimming to a women's union, which will be affiliated to the A.S.U. either direct or through the State Association as at present.

Each year, while Mr Goodwin was Secretary of the Queensland Swimming Association, he suggested that the control of women's swimming should be handed to a women's committee, representative of all the States. South Australia, Tasmania, Victoria, and West Australia, turned down the suggestion.

In the opinion of Mrs Wright it is absurd that South Australia, West Australia, and Tasmania who have no women's associations, should be allowed to vote on the matter. The number of women swimmers in these States is not high. It is an excellent argument that women's swimming will not flourish unless controlled and organised by women.

RECORD ENTRY SPEEDO SHIELD CONTESTS TONIGHT

The record entry of 16 teams for the Speedo Shield contest at the West End baths tonight, is double that received on any previous occasion. There will be three heats.

All the best freestyle swimmers in the metropolis, excepting W.Fleming who is in New Zealand, will compete.

The 220 yards metropolitan championship and the junior breaststroke championship over 100 yards will be decided.

For swimmers, ladies or gents, comprising a team for the 200 metres for the Civil Service relay, which will be contested at the Valley Baths on Thursday December 3, the individual times must be submitted. Nomination fee is two shillings a team. Entries will close at noon next Saturday.

WIN FOR CITY PASTIMES SPEEDO SHIELD CONTEST

City Pastime B team won the first of the series of Speedo Shield contests at the Davies Park Baths last night, the swimming throughout the evening being splendid. A fine performance was put up by the Postal Institute teams which won two heats and filled second and third places in the final.

A.Gilbert (Valley) won the 220 yards metropolitan championship. This, too, was a fine contest, and in the last 45 yards 5 swimmers were almost together, but Gilbert finished well to win by 2 yards in much faster time than in his heat.

Junior breaststroke championship - J.Geddes 1m 25 1/5s
220 yards junior association relay - Valley 1

SHOULD GRADE SWIMMERS ONLY THREE CLUBS AFTER CUP

Only three clubs, Valley, Telegraph, and Sandgate, will contest the Springfield Cup at the Valley Baths tomorrow night, and with the swimmers at their command, it seems Valley will again carry off the trophy. This seeming certainty about the result is the reason why more clubs have not entered, and it is evident the Association must make some move to stimulate interest.

It is rather a lot to expect girls to swim against champions without any hope of success.

A solution would be to grade the swimmers, and the carnival, which is the only inter-club competition, should be an excellent guide to form for the State and Country Championships. With the exception of the diving events, full entries have been received for all the 12 events.

MARIE CUZZU OUT

Miss Iris Tuban will have little or no competition in the junior freestyle events, but E.Fox and E.Cottee (Sandgate) should put up a good fight for a place.

Without Miss Marie Cuzzu, who is under Doctor's orders, the times of the senior events will suffer, but there may be a keener finish. Misses Dorrie Story and E.Fisher are Sandgate's best, and A.Frederick, M.McLean, and L.Inwood, are expected to collect some honours for Valley. Miss Joyce Wright, who swam with Moreton Bay last year, will take her place on the board for Telegraph.

BUSINESS GIRLS RELAY

Two of the best teams to enter for the business girls relay are mixed teams from various firms. The first will have A.Frederick, M.McLean, O.Miles, and D.Draper, Joyce Wright, of Norman Wright, will captain the other, with Joyce Braidwood (Valley), and P.Homan (Valley).

Hockey players are well represented. Mrs D.Hansford will lead Players & Co who also will have Mary Leach with them. Eileen Connolly, U.Godwin, and E.Brugman, will swim for Norman Bell, with M.Cocks as the fourth.

Pat Shanahan and M.Yorston are well-known life-savers, who, with D.Burns (Valley) and L.Bamford, will make up Finney's team.

Hessie Shaw will swim for Taylor and Wilson, who have entered two teams. Others are from Brisbane City Council, Telegraph, and Day Dawn, making ten teams in all.

VALLEY WOMEN'S SWIMMING VALLEY TAKES CUP FINNEY'S WIN GIRLS RELAY

Valley Club easily won the Springfield Cup from Sandgate and the Telegraph Clubs at the Valley Baths last night. The points were - Valley 90, Sandgate 17, Telegraph 8.

Miss Iris Tubman, the state junior champion, annexed the 50 metres junior breaststroke and backstroke events, but in each event she was extended by her Club-mate, Miss M.Inwood.

Phyllis Thompson beat her all the way in the 100 metres senior breaststroke race and was not pressed to win by two yards.

Finney Isles & Co won the business girls relay by a touch from Players & Co with Brisbane City Council 31 seconds behind, third.

STATE TITLE EVENTS BIG PROGRAMME RELEASED

(By "Metre")

The State and Country Championships are to be held on January 18, 20, and 22, and the programme for the first night comprises for women, the 100 metres junior, 100 metres backstroke, 400 metres freestyle, and the 50 metres country freestyle championships; also the 100 metres country freestyle, the 200metres breaststroke, the 400 metres freestyle, and the 50 metres junior freestyle championships for men.

On the second day the championships are the 100 metres freestyle, 200 metres junior squadron, and the 150 metres for teams. The men's championships are ñ

100 metres junior freestyle, 100 metres freestyle, 800 metres freestyle, 300 metres medley, and the 100 metres junior breaststroke.

HANDICAPS IN ADDITION

On the third day the women will contest the 200 metres freestyle, 200 metres breaststroke, and the 50 metres junior championships. The championships for men that evening are - 500 metres flying squadron (clubs), 200 metres freestyle, 300 metres medley, and the 100 metres backstroke. Between the championships various handicaps will be swum off.

The women have included junior and senior handicaps for each night in addition to the ordinary trophy events. Points will be awarded for each contest, and the swimmer gaining the highest number of points will be awarded a trophy donated by Mrs J.P.Fry, Patroness of the Women's Association.

The following have entered teams for the Civil Service relay 200 metres handicap which is to be contested at the Valley Baths on December 3 ñ Railways 3, City Council 10, Post and Telegraphs 8, Artillery 2, State Insurance 4, Curator's Office 2, Main Roads Board 3, Commonwealth Bank 2, Taxation Department 8, Lands Office 2. About 20 more teams are likely.

For the mercantile teams relay which is to be swum off on December 9, the entries already number over 50 teams. Entries may be handed in at the Valley Baths.

M.CUZZU OUT OF TITLES ILL-HEALTH GIVEN AS REASON

Miss Marie Cuzzu, Queensland champion swimmer and holder of all freestyle titles, announced last evening that ill-health could keep her out of the State and Country Championships this season. STATE TRIALS TO BE HELD ON JANUARY 5 MRS WRIGHT'S TROPHY

Since the State and Country Championships will not be held until January 18 and the Sydney section of the Australian Championships - backstroke, breaststroke, 220 yards and 100 yards freestyle ñ are scheduled for January 9, the Queensland Ladies Swimming Council decided to hold selection trials on January 5.

The Council approved of the following events to be added to the Australian championship programme - 50 metres handicap to all four carnivals, 50 metres senior handicap to the first and third carnivals, 100 metres senior and 50 metres breaststroke and backstroke handicaps to the second carnival, 100 metres brace relay in the third, 50 metres schoolgirls handicap to the fourth, 25 yards Tiny Tots to the first carnival.

Mrs N.Wright, President of the Association, has donated a Cup for the handicap events with the exception of the brace relay and the schoolgirl's race, for the swimmer, junior or senior, with the highest aggregate points.

Mrs N.Young was elected as costume steward in place of Mrs McFillia who has resigned.

EXPENSE CLAIM GRANTED BY WORLD BODY

For a considerable time, the Australian Swimming Union has urged the world's governing amateur body, the Federation Internationale de Natation Amateur, to include in its amateur rule incidental or daily expenses as legitimate expenditure.

Correspondence from the Union read at a meeting of the Q.A.S.A last night said that the Federation had accepted the claim, but the actual allowance for "incidentals" should not exceed the actual expenses incurred.

No reply has been received by the Australian Swimming Union from the American Swimming Union regarding the visit of J. Medica, the American champion, to Australia. The President (Mr D.S. Carter) said the visit was so much in the air, and as Medica was to have left America yesterday, it appears that should he come he would not be in time for the national championships.

7 TEAMS DISQUALIFIED IN MERCANTILE RELAY HANDICAP

The disqualification of seven teams, five of which finished first, marred the second annual mercantile relay handicap carnival for the Elphinstone Shield at the Valley Baths last night. In all cases the teams were disqualified for exceeding their stated training times by more than 10 seconds.

McDonald & East No 3 team easily won the Shield in 2m 30s from Edwards & Lamb's, who were a yard ahead of Austral Motors Pty Ltd No 1 team.

Cups donated by Mr A.C. Elphinstone for winners of semi-finals were won by Brisbane Milling Company Pty Ltd, Austral Motors Pty Ltd No 1, and the Courier Mail.

Tom Boast, Valley, failed by 2/5sec to better his own 'Best by Queenslander' record of 1m 15 3/5s for 100 metres backstroke, established in 1928.

The Trophies were presented by Alderman W.D. Hefferan acting on behalf of the Lord Mayor (Ald A.J. Jones).

EXPENSE THE PROBLEM
MEDICA CAN STAY A WEEK IN BRISBANE

That the visit to Australia of Jack Medica, the American world's champion swimmer over all distances, is now certain, was confirmed by telegram from the New South Wales Swimming Association to Mr R. McKauge, Secretary of the Queensland A.S.A yesterday.

The telegram contained the information that passages for Medica and his manager-coach had been arranged, and they would reach Sydney on January 23.

It was further stated that if the Queensland Association decided on a visit by Medica, he could leave Sydney on January 24 and reach Brisbane on January 25 for the second stage of the Australian championships then being held there.

INQUIRY ABOUT EXPENSE

Medica, it was added, would be available for one week in Queensland after which he would proceed direct to Melbourne.

The Executive of the Q.A.S.A have asked New South Wales what the expenses of the visit of Medica and his manager would be, and when that information is received, it will consider the proposal and ascertain what country centres are desirous of sharing in the appearances of the American Star. SWIMMING OFFICIALS, WAKE UP!
WHY Q.A.S.A HAS FAILED DUTY
-
NEW YEAR RESOLUTION OFFERED

If ever there was an opportune time for the controlling body of amateur swimming to awaken to its many responsibilities, it is the present. Officials, when making their New Year resolutions, should place first amongst them the determination to get swimming out of the doldrums. Anyone who says the game is not in a languishing condition doesn't know what he is talking about.

For fear that there might be a misunderstanding, let it be explained that there is no objection to one or two officials as individuals. For instance, the Secretary is as efficient a man as the Association has ever had, but his time is taken up with his many duties. In fact, he has too much to do.

Collectively the officers are not doing the job that should be their first attention. There are too many "limelighters", too many persons who are only there because they were 15 years ago, and so on.

"Truth's" complaint, and the complaint of others, is that nobody seems to realise that the most important factor in the sport of swimming is the actual swimming itself. This sport has it a bit over most of the others. It doesn't matter a great deal if a youngster can't hit a cricket ball accurately, but it is a calamity if that young child can't swim, and swim well.

The first object of the Q.A.S.A should be a determination that everybody should be able to swim, and further, that they should be able to do it efficiently. But the same Q.A.S.A does nothing in this matter and has never done anything. Only for one or two enthusiasts who give their time to a few promising youngsters who are keen to be coached, there would not be the opportunity here for anybody to learn to swim correctly.

On the occasion - only one - a half-hearted effort was made to introduce a coaching scheme. It failed before it ever commenced to operate. Lack of interest and petty inter-club jealousies combined to make certain its failure.

What is the good of a club report saying that they had a good season as they had 20 new members and showed a credit balance? No good at all. The good report is the one that says that the club's efficient swimmers devoted a lot of their time in making youngsters into good performers.

It is doubtful if any club in Brisbane has its own coaches, and by that we mean those who are not only down in the officials list as such, but who actually devote their time to helping the sport along.

How long is it since the Q.A.S.A sent some local swimmers into the country centres? The oldest inhabitants might remember it. Where are its best coaches?

In other States a lot more is being done to foster the sport than here. The result is they have dozens of efficient boys. We haven't anyone at the moment who looks as if he will step into the shoes of Fleming and Tremble, both of whom are the products of coaching.

Oliver, Crawford, and other leading competitors from other States, are products of coaching schemes.

"Truth's" New Year message to the Queensland Amateur Swimming Association is to remember at all times that the prime object of the swimming game is the actual swimming itself with a capital S.

All honour to those couple of individuals who have the game so much at heart that they are doing their bit, irrespective of official apathy. When the controlling body has a dozen or 20 coaches scattered round the various baths and in the many clubs, willing and anxious to help the youngsters who are keen to learn, "Truth" will be the first to congratulate that Association.

CENTRE OF SWIMMING PROTEST
MEDICA FOR NATIONAL OR NOT AT ALL
"STATE JEALOUSY CAUSE OF ITINERARY CHANGE"
STRAIGHT TALK BY Q.A.S.A PRESIDENT

"We will have Medica for the Australian Championship carnivals, or not at all," stated Mr D.S.Carter, President of the Queensland Amateur Swimming Association, this morning. "The suggested tour change is brought about by inter-State jealousy and we have no intention of accepting a visit from Medica later than January 25."

The New South Wales Amateur Swimming Association some time ago offered the Queensland body the appearance of the American champion at this State's section of the Australian Championships, and Queensland accepted, but a change in the date of arrival of Medica has caused the New South Wales body to postpone Medica's proposed visit to Queensland until later.

The Q.A.S.A has now appealed to the Australian Swimming Union in the hope of securing Medica on the date originally planned. The new itinerary plans to send the champion to Victoria first, New South Wales second, then Queensland. Queensland is determined, however, not to accept these altered dates.

(Medica, with Coach Cady, did come to Queensland for the National swim as originally planned in January, and subsequently returned in March for a northern tour which included Bundaberg, Gladstone, Rockhampton, Cairns, Mareeba, Atherton, Townsville and Ayr.)

CLARKE WINS SPRINT BY A TOUCH

In a sensational finish at the Valley Baths last night, H.Clarke (NSW) won the 100 metres Freestyle Championship of Australia by a touch from W.Fleming (Qld) and P.Oliver (WA). Sensational swimming was seen in the 100 metres freestyle event and officials who had witnessed championships over many years could not recollect when such a close finish in a field of nine had taken place., in fact it was unique in the history of Australian title races.

In the first 25 metres Fleming appeared to have a few inches lead over the Western Australian P.Oliver who was in the outside lane, but no sooner had they touched when four others had breasted the line with a further three turning together a second later. Then there was a mighty dash home. Fleming was with Oliver slightly leading the others at 75 metres, and Clarke who had the lane next to the Queenslander, from that point put in his run. Fleming kept with Clarke almost to the finishing line, but out shot Clarke's arm and almost immediately Fleming's hand touched also. Verdict by a touch. Excitement was intense as the judges considered the position and they gave the championship to Clarke by a touch.

Oliver, who had been swimming very strongly throughout, in a fraction of a second had also touched reached the line, but so close also was the finish of the others that no fourth man was placed, that task being almost impossible. In fact two feet would have covered the distance between first and last man. Honours could have been shared by several, if not all, of the competitors for their great swimming. Notwithstanding the pace that was on in the time of 63 secs, it was outside the Australian record for the distance established by Fleming.

In a record attempt over 400 metres, Jack Medica (USA) bettered the Queensland record by 5 1/5 secs.

In the 200 metres Breaststroke Championship for men, the title-holder W.Weir of Victoria drew out from the others early in the race and at 100 metres was so far ahead as to make victory certain. He swam away from the field to win practically as he liked by 15 yards. Interest was, however, created in the race for second place as the Queensland champion J.Meredith, R.Cornforth (NSW), and G.Petersen of Queensland, were fairly well together with three parts of the distance covered. It resolved in a great finish for second between the first

two mentioned and the NSW representative got the place by a touch. Petersen was close up behind Meredith, fourth.

MEDICA'S SWIM

In appearing top attempt records over 400 metres, Medica was cheered and a popular demonstration followed his success. He got off to a splendid start and was paced in the race alternatively by K.Forster, R.Campbell, and Miss E de Lacy. The lady swimmer created some amusement and surprised by swimming right away from Medica in the first lap, but she got the whisper at the other end to ease down and Medica soon made up the leeway. He swam splendidly and easily, and his time for 100 metres was 66 secs, his time for 200 metres 2m 21 1/5s, which was better than the Queensland record time for the distance. The watch showed 3m 39s for the 300 metres and the full distance was covered in 4m 58 1/5s. This time is 5 1/5 secs better than the Queensland record established by the Frenchman, J.Taris, in 1935. The world record for 400 metres is 4m 38 7/10s held by Medica and made in America. A.Charlton holds the Australian record with his 4m 55 2/5s swim at Sydney. The best time by a Queenslander is 5m 21 4/5s made by V.Tremble at the Valley Baths in 1935.

Miss I.Tubman, the young Queensland champion, was too good for Miss P.Bryce of New South Wales in the 100 metres junior title race and won by little over a yard in 1m 16 2/5s.

NEED WARM POOLS MEDICA'S MANAGER ADVISES

The construction of indoor swimming pools to train swimmers during the colder months was advocated by Mr F.Cady, the American swimming coach accompanying the American swimming champion Jack Medica in a talk over national stations last night. From the wealth of material in Australia and the enthusiasm the younger swimmers showed, there was no reason why they should not shortly be the outstanding swimming nation of the world, said Mr Cady.

At present there was greater promise in Australia than in America. "The great value of a champion was the incentive he gave to younger swimmers," he said. "This was why America did so well in the swimming world after Weismuller became champion."

OLIVER SETS AUSTRALIAN RECORD

Jack Medica the world champion freestyle swimmer, and Percy Oliver Australian back-stroke specialist, again were among the records at the Valley Baths last night, while Miss de Lacy, the West Australian swimmer, won the 800 metres women's championship easily.

Percy Oliver put up a great performance in the 100 metres backstroke championship by covering the distance in 1m 8 3/5s. He beat Kiyokawai's Australian record of 1m 10s, and the Queensland record of 1m 11 4/5s, and also his Berlin figures of 1m 9 2/5s. The world record for the distance is 1m 4 4/5s. Oliver was three yards ahead of R.Clarke (NSW) at 50 metres, but he came right away from the field in the last lap and won by nearly five yards, Clarke being about a yard ahead of D.Shelley, with the others close up.

Medica, in an exhibition test, broke the Queensland record of J.Taris of 2m 17s for 200 metres by 1/5sec, but was outside Kalili's Australian record by 2/5secs.

Four swimmers competed in the 800 metres title event for women, but the superiority of the title holder, Miss E de Lacy of Western Australia was soon demonstrated. She was only out a foot from Miss Scales the New South Wales swimmer at the first turn but she came away to lead by 15 yards at 100 metres. The two Queenslanders were then 2 yards further back. The race was over long

before the 500 metres was covered and at 600 metres the title holder had almost lapped Miss Scales, while the Queenslander Miss McKenzie was 5 yards ahead of Miss Inwood, in third place. June McKenzie put in a wonderful last lap sprint to receive second position by a quarter of a lap. It was a marvellous sprint home for the Queensland swimmer.

SHIELD TO N.S.W.
OLIVER SETS RECORD

New South Wales won the Kieran Shield as the premier State in the men's swimming events at the National Championships which concluded at the Valley Baths on Saturday afternoon. A similar distinction went to the Western Australia ladies to hold the Corbett Shield. Queensland finished fourth in each competition, and while the State's record is not any indication, the figures are among the best for years.

In the Kieran Shield aggregate New South Wales scored 6 wins, 4 seconds, and 4 thirds in championship events, Victoria 2-2-0, Western Australia 2-2-3, Queensland 1-2-4.

Western Australia had 4 wins and three seconds in the Corbett Shield, New South Wales 2-4-7, Victoria 2-1-0, and Queensland 1-1-2.

CANCEL MEDICA'S TOUR
DRASTIC PROPOSAL BY A.S.U.

Unless satisfactory arrangements can be made with authorities in New South Wales, the proposed tour of Queensland country centres by American Olympic swimmer Jack Medica may fall through.

In an endeavour to clarify the position Mr R.McKauge, QASA Secretary, yesterday sent the following wire to Mr H.Kelly, New South Wales member of the Swimming Union Executive, "Please definitely inform when Medica will leave New South Wales, Queensland anxious to arrange itinerary."

UNION'S ATTITUDE

Responding to Queensland's request that it should intervene in an endeavour to secure Medica's visits to Queensland country centres according to the original agreement, the Swimming Union yesterday communicated to Executive members in Queensland, New South Wales, and Victoria. The message stated that New South Wales had no authority to control the tour and suggested that unless some satisfactory arrangement could be made, the tour should be cancelled after Medica has been in New South Wales for the 14 days originally agreed upon.

The QASA is now making every effort to ensure that the American swimmer will fulfil his country engagements, but arrangement will be held up until New South Wales notifies of the date on which the American will leave Sydney.

MEDICA WILL NOT FLY
ITINERARY TO BE REVISED

"If Jack Medica is not prepared to fly from Cairns to Thursday Island, his northern itinerary will have to be revised. The Swimming Association had arranged an itinerary to keep the American in North Queensland until April 9," said Mr McKauge, Secretary of the Queensland Swimming Association.

Medica would have then flown with his Manager, Mr F.Cady, to Thursday Island where they would have linked up with the Kamo Maru on April 10.

Yesterday Mr McKauge received a letter from Mr Cady stating that they had received a severe buffeting while flying from Sydney to Melbourne a few days ago and they did not wish to fly to Thursday Island. Mr McKauge explained that Mr Cady had signed a coaching contract with an American university and it was necessary for him to travel by the Kamo Maru. The Association had to meet their wishes. While there might be a small chance of seeing Medica and Cady on a launch to link up with the Kamo Maru outside Cairns, it seemed definite that they would have to return to Brisbane by April 5.

The proposed trip to Dalby would not be possible, but none of the northern centres on the original itinerary would be omitted, though the dates would have to be revised.

The proposed trip by Medica and Cady to the Barrier Reef would be abandoned or curtailed.

REVISED ITINERARY FOR MEDICA
STAY AT BARRIER REEF CURTAILED

As a result of Medica's decision not to fly to Thursday Island to catch up with the Kamo Maru on his return journey to America, a revision of his itinerary for the North Queensland tour was necessary. The decision has shortened his visit to the Barrier Reef by four days and he will return to Brisbane on April 4 to board the Kamo Maru the following day.

His revised itinerary is March 18 Brisbane, March 19 Bundaberg, March 20 Gladstone, March 23 Rockhampton, March 25 Cairns (arrive), March 26 Mareeba, March 27 Atherton, March 28-29 Barrier Reef, March 30 Cairns, April 1 Townsville, April 2 Ayr, April 4 Brisbane.

An effort was made yesterday by the Secretary of the QASA, Mr R.McKauge who is also the Manager of the tour, to obtain permission from the Agents for the Kamo Maru, Burns Philp & Co, for Medica to board the ship in the Cairns fairway, but the Sydney office of the Company refused to agree to the proposal. If that had been arranged medica could have followed his previous itinerary and would have boarded the ship outside Cairns on April 8, spending from March 28 to April 3 at the Barrier Reef.

MEDICA SETS RECORD IN 220
Gladstone, Sunday

Swimming 220 yards in 2m 21 1/5s Jack Medica broke Little's record of 2m 44 1/5 at the Central Queensland Championships last night. Fleming and Tremble who tied for second place also broke Little's figures, their times being 2m 36 4/5s.

The 100 yards Freestyle Championship went to Fleming with Tremble second. As neither Medica and Fleming are entitled to hold the championships, both the titles went to Tremble.

DISPUTE OVER EXPENSES OF MEDICA'S VISIT TO ROCKHAMPTON
Rockhampton, Wednesday

A difference of opinion has arisen between the touring Manager of the visiting swimmers who competed at Rockhampton on Monday and Tuesday, Mr McKauge who is also Secretary of the Queensland Amateur Swimming Association, and the Rockhampton Committee regarding the Rockhampton method of paying the quota towards the expenses of the visit, and the refusal to pay Mr McKauge's accommodation expenses in the city.

Before leaving for the north today, Mr McKauge stated that he had been informed by an official of the Rockhampton Committee on Tuesday that his board bill would be paid by the Committee, but he was subsequently told by the Licencee of the hotel that the Queensland Amateur Swimming Association was to pay the bill. He objected to this for the reason that Rockhampton saw Medica in action for two nights for £20, whereas the quota for other country centres was £15 for one night. The amount of his board bill was £1/12/7. In Bundaberg and Gladstone his accommodation expenses had been paid by the Committee in those centres.

PRESIDENT'S STATEMENT

Mr J.Kenny, president of the local Committee, said the Committee's arrangement with the QASA was that it would pay the quota of £15 and the board for Messrs Medica, Cady, and Fleming. Mr McKauge told him the Association was paying his board at the different centres, but when the swimmers had visited Gladstone and Bundaberg the Committees there had paid his board.

When there was a good "house" at the opening night of the carnival at Rockhampton, Mr McKauge had suggested that Rockhampton would extend a similar privilege, and he (Mr Kenny) had replied that he did not think there would be any trouble in that direction.

At the start of the carnival on Tuesday night, he (Mr Kenny) was informed by a member of the Committee that Mr McKauge had told him that if the quota was not paid in full, the visiting swimmers would not enter the water. To avoid the public being disappointed, the money was paid to Mr McKauge. "Later," said Mr Kenny, "the Committee held a meeting to discuss the question of paying Mr McKauge's board, and the price given by me, but owing to the high-handed attitude of Mr McKauge in practically standing over the officials, the meeting decided that it was entitled to withdraw the friendly gesture made to Mr McKauge in connection with the paying of his expenses."

GETTING DOWN TO REAL BUSINESS OF BIG SEASON

By "Metre"

At an Executive meeting of the Queensland Amateur Swimming Association on Monday, as a preliminary to the annual meeting on October 4, the real business of the swimming season will commence. The Executive Committee will define the plan of campaign with probable formal endorsement at the Annual Meeting.

There are subjects on the agenda paper which require full discussion and much thought. Actually the biggest season for a decade is on hand, with the Empire Games as a magnet.

It is apparent that the duties of the Secretary have become too onerous and varied for one man. The sport is continually developing in influence and competitive importance, and does not give much of an "ease off" to a Secretary in the winter. Probably a record has been established in the number of meetings he has had to attend during the past six months.

ASSISTANT NEEDED

The creation of a coaching committee is in itself a job for one man alone, and the Executive Committee might decide to appoint an assistant for Mr McKauge who has proved himself one of the best honorary officials the Association has had. It should be the object of the Council to see that at the Annual Meeting only the officials are appointed who can "pull their weight" throughout the season and not confine their attention simply to gala times.

The coaching committee has so far advanced with its plans that appreciative words should come from the delegates. It is a State-wide scheme that should bring splendid results although not showing the full benefits for a season or two. One ventures the opinion, however, that in a time of keen race rivalry the proved swimmers are not off the mark early enough at practice to enable the full efforts of the work of the coaching committee to be felt in time. Club practice swims should start earlier than October.

At the Valley Baths during the week one person was in the water on a beautiful evening for a practice swim, and strangely that swimmer was from Gympie, who did twelve lengths of the baths leisurely. He did not find the water cold, though perhaps he overdid the distance for his first swim of the season.

The apology that the water is too cold, hackneyed as it is, should not be a factor in a climate like this in keeping swimmers away. Many countries are colder than Queensland and no such excuse is offered.

IMPORTANT WORK AHEAD

The Executive has a wide range of subjects to deal with on Monday, ranging from the routine of the purely Club programmes to the conditions at the Empire Games swims, and with State and National championships to be considered. Metropolitan championships were introduced last year and were very successful and most likely to be arranged again, and the various relay championships which have infused a lot of life into swimming, are likely to be on a larger scale than before.

Among the great triumphs in organised swimming are the success of the business relays and in the formation of new Clubs, and the puzzle will be to fit them into a season that is full of big business.

Relay schedules should be adopted by provincial centres, Cairns, Maryborough, Gympie, Rockhampton, Toowoomba, and Warwick, for instance, as there are good fields to exploit with considerable benefit to Clubs and Centres.

FUNDS FOR THE BATHS
PROVISION LIKELY NEXT YEAR

The President of the Queensland Amateur Swimming Association, Mr D.S.Carter, stated at the Annual Meeting of the City Pastime Club last night that the Clubs experienced handicaps through the use of the baths (Davies Park). He did not blame the Club or the City Council, but he thought that something should be done, not only to improve the baths, but to give South Brisbane residents better bathing facilities. As the National Championships would probably not take place this season, Queenslanders would have to show their talent at the Empire Games in Sydney. State Championships would be held as usual.

SWIMMERS PREPARING
MRS MCKAY RESIGNS THIS SEASON

By Carlie Hansen

The Secretary of the Valley Ladies Club for nine years, Mrs K.McKay, has resigned for this season, and Miss Molly McLean will carry on. Mrs McKay will still take an active interest in the Club as a delegate to the Queensland Ladies Amateur Swimming Council. First connected with the Valley Club and the Queensland Amateur Association in 1921, Mrs McKay has helped to foster the visits of overseas swimmers, including the visit of Miss Joyce Cooper (the British champion) in 1934.

Since 1928 she has attended every Australian Championship carnival and has on seven occasions managed the Queensland team. In 1931 she took Miss Rita Smith (now Mrs Mason) to the National Games held in Melbourne prior to the Los Angeles Olympic Games.

The Senior Club Captain of the Valley Club is Miss A.Frederick, who is also the Treasurer, with Miss Inwood Vice Captain. Miss Iris Tubman, State Junior champion, is the Junior Captain and Miss Coral Springfield Vice Captain.

Rockhampton will have a new member this season in Miss Phyl Storey of the Valley Club, who has gone to live there.

Sandgate will once again have three Storey sisters. Dorrie swam with them last season and Ellie and Ev who were with Valley last year have gone back to Sandgate. If keenness can get Miss Marie Cuzzu to the Empire Games she is certain of selection. Already she has gone into steady training under Mr Len Stanton and swims every afternoon at the Valley Baths. Miss Cuzzu's first concern, however, is to get back her State titles which, on account of illness, she was unable to defend at the last State and Country Championships. She will swim with Sandgate this season, and the Club should prove strong opponents for Valley who have been indisputably the strongest Club for many seasons.

To qualify as a coach is another of Miss Cuzzu's ambitions, and she is taking a keen interest in the coaching scheme inaugurated by the Q.A.S.A. She is the only woman representative on the committee, and will devote as much time as possible to coaching swimmers.

CONFIDENCE INDICATED
Q.A.S.A COUNCIL MEETS

Confidence in the Executive officials of the immediate past season was indicated by the delegates at the first meeting of the Council of the Queensland Amateur Swimming Association when most of the officials of last season were re-elected.

Mr R.McKauge, the honorary secretary, was again asked to play his important part in his usual thorough way, and Mr V.Hartley was again placed in charge of the Association's finances.

Delegates expressed disapproval of the way business had been carried on in the distant past, and Mr D.S.Carter (President) said that negotiations with the New South Wales body had been carried on since 1924 in an attempt to obtain money which, it was alleged, belonged to the Queensland Association.

Much discussion was heard regarding a trophy won at an Australian carnival by V.Tremble, the North Queensland champion, and not yet received by the swimmer. The Q.A.S.A Council decided to provide a trophy in place of the missing one. Tremble's trophy was won in Western Australia in 1932.

The election of officers resulted :- Secretary, Mr R.McKauge; Treasurer, Mr V.Hartley; Registrar, Mr J.Montgomery; Starter, Mr R.Hodge; Timekeepers, Mr J.Moylan, L.Nissen, F.Springfield; Judges, Alderman O'Brien, Messrs K.McKeering, W.Burnup, H.Horsley, F.Ivett; Call Stewards, Messrs G.Bonis, A.Jackman; Check Starter, Mr I.E.Moss; Clerks of Course, Messrs T.Dodd, A.Hemming; Swimming Referee, Mr D.S.Carter; Executive, Messrs R.Grier, J.H.Hutchison, N.Burn, K.McKeering, F.Ivett; Diving Referee, Mr D.S.Carter; Diving Judges, Messrs F.Springfield, J.Hiron, E.J.Goodwin, E.S.Collin, G.Sander; State Selectors, Messrs R.Grier, T.Boast, J.D.Stanton; Records, Messrs N.Burn, J.Whittington; Costume Steward, Mr R.Hodge.

Representatives of clubs will meet on Friday to discuss Speedo Shield events for the season, and the Springfield Cup carnival will be held at the Valley Baths on November 26 in aid of the Q.L.A.S.A.

Separate articles queried whether Mr McKauge had been approached by southern officials to stand for the position of Secretary of the Australian Swimming Union. Mr McKauge said he had no desire to seek A.S.U office. He had also been appointed manager of the Sandgate team of lady swimmers who were to tour North Queensland during Easter. He had been one of the early members of the Sandgate Club. He accompanied American swimmer Jack Medica with coach Fred Cady in a northern tour.

WOMEN'S SPORT
HANDICAPPER RETIRES
COUNTRY SWIMMING TOUR LIKELY

After serving fourteen years as honorary handicapper of the Queensland Ladies Amateur Swimming Association, Mrs S.H.Newman declined again to accept nomination at the annual meeting last night. As no other nominations were received, the position was left vacant until the first Council meeting on October 8

All last year's office bearers were returned unopposed. They are - Patroness Mrs J.P.Fry; President, Mrs N.Wright; Hon Secretary, Miss F.Granville; Hon Treasurer, Miss N.Neller; Hon Registrar, Miss N.Clayton; Vice Presidents, Misses P.Brunnich, E.Thurlow, Mesdames F.W.Springfield, H.Miles, E.Cribb, S.H.Tait, H.McMaster, F.K.Brodribb, C.Clark, D.Harrower; Advisory Board, Messrs D.S.Carter, R.McKauge, Nissen, Simmonds, Springfield, De Little; Hon Auditors, Misses E.Thurlow, A.Frederich.

Seconding the adoption of the Report, the President of the Q.A.S.A (Mr D.S.Carter) said that the Empire Games would be the most important event in the coming season, and it was for Queensland to see that they had at least three representatives. With no expense likely to be incurred on the National Championships, which probably would be cancelled, the State Association would be able to devote more time to local events, and it might be possible to send a combined team to tour the country centres.

That the standard of swimming in the country centres is high was revealed by the Secretary's Report which showed that Rockhampton, Longreach, Cairns, Toowoomba and Townsville had secured successes in the October 1937. State and Country Championships, and that Miss J.McKenzie (Rockhampton), and Miss J.Speed (Cairns), had represented the State in the National Championships. Both Senior and Junior 100 metres freestyle championships had been won by Miss Iris Tubman of the Valley Club, who also annexed the 200 metres freestyle title.

Third placegetters in the State Championships last season were awarded certificates, but a motion was carried last night providing that in future trophies be given for third place, as well as for first and second.

Last season three Cups were donated by Mrs J.P.Fry to encourage swimmers not yet up to championship standard. Points were awarded for handicap events on the State championship programme, the trophy winners being: Miss D.Burns (Valley) 1, Miss J.Speed (Cairns) 2, Mrs R.McKauge (Sandgate) and Miss P.Story (Valley) 3.

MAY NOT BE A GUIDE
THE NATIONAL TESTS

By "Metre"

If the Australian Swimming Union had taken the long view at its Conference in Brisbane and foreseeing the troubles that were likely to arise regarding the National Championships in relation to the Empire Games, many of the difficulties associated with the selection for the Games would not have arisen. There may be trouble ahead.

Tests in each State have been decided on instead of the results of the Championships as a basis for selection for the Games. Tests against time or even made in a race in an impromptu programme are not acceptable usually as the best guide. In the case of swimming they may prove worthless. Baths everywhere are of varying lengths, and in some the water is faster than in others. Climate effects and local environment have their advantages and arrangements may differ at each test.

IMPORTANT PHASE

One paramount consideration concerns timekeeping. This is a science in itself. When races are often decided on one fifth of a second, it will be seen how exacting the task is, and how efficient the timekeeper must be. This fact is proved by the desire at all times by Clubs and organisations to retain their watch-holders season after season.

It is unfortunate, therefore, that the National Championships had to go, for they provided convincing proof of a swimmer's superiority over others under conditions that are the best in regard to control. It is even out of the question to consider State Championships as entries for the Empire Games will close before they take place. The Union has to fall back on the tests, and it will be left to the States to make the best of a prospectively bad job.

MAY HAVE BEEN AVOIDED

If the difficulties had been foreseen, the Championships could have been made the basis for selection by having them earlier than usual. With the tests probably early in December, swimmers with their eyes on the big championships cannot be expected to be right up to form.

There is some consolation regarding Queensland swimmers that the State's proved men are well advanced in their training, but what about the swimmers who on past performances were likely to be in the running although last season just below class? They had no chance to reach their peak. This comment applies to swimmers in all States.

It is therefore obvious that associated with test merit will be the consideration surrounding championship achievements last season, and on those grounds, when they consider the probabilities.

FLEMING'S CLAIM

Fleming's training is so far advanced that he is sure to do well, and the news from the country regarding Tremble and Wedlock is similarly assuring, but there are Clarke (Australia's sprint champion), Crawford (Victoria's best), and probably P.Oliver, to consider. Three men are allowed to represent Australia in each section.

Both Tremble and Wedlock are sure to make good times in their tests in their home baths, and it becomes a question whether the selectors will give consideration to the reported slowness of the water of the Valley Baths in regard to Fleming's time.

At this early stage it appears that Clarke, Fleming and Crawford will be national representatives in the 110 yards division. In the 440 yards championship there are several rivals, the outstanding being N.Ryan and R.Biddulph, both of New South Wales. Ryan beat Biddulph by a touch in the Australian Championships and P.Oliver was third, but 15 seconds behind the winner. M.Witt was even slower in winning the Queensland Championship, and Witt on that occasion beat Fleming by only 1/5 second. Selectors may not consider a third in this event.

WHAT OF WITT?

Again in the distance event Queensland has no representative who on past times can come to the reckoning, but the tests in themselves may disclose a "dark horse". Ryan, Biddulph, Nankeville and possibly Witt may be selected.

There is a good chance that J.Meredith, Queensland's best breaststroker, may come into the Australian team. He won the State Championship over 200 metres in practically the same time as Cornforth took to swim second to the national champion, A.Weir, who was, however, 12 seconds ahead of Cornforth. Meredith, however, is likely to show the best improvement of the three, and the way he is swimming now suggests he will beat his own time by from four to six seconds when the real test comes. He is young and enthusiastic and is all style in the water.

Oliver, Weir, and Clarke, appear to be the best Australia has for the medley.

MOST ACTIVE AND SUCCESSFUL IN Q.A.S.A HISTORY '36-'37 SWIMMING SEASON OUTLINED IN ANNUAL REPORT

While it is a privilege in annual reports to strike an over-optimistic note, it is rare to find such statements so lacking in exaggeration as the opening paragraph of the Queensland Amateur Swimming Association's Annual Report where it states "the past season was the most active and the most successful in the history of the Association, and that definite progress was made in all swimming centres throughout the State."

The unusual activities outlined are the two "Learn to Swim" campaigns, the Australian Championships, a visit by an international swimmer and an Olympic coach, Jack Medica and Fred Cady, and an extended tour of the State by the overseas visitors.

Swimmers who so willingly and ably instructed in the "Learn to Swim" campaigns, officials who scarcely slept during that wild orgy of carnivals in January, country officials who had to find seating accommodation that did not exist for the crowds that flocked to see Jack Medica swim, will not doubt the truth of the statement referring to the activity.

NEW INTEREST IN SWIMMING

Neither will they doubt the statement that the season was the most successful in the history of the State. The two "Learn to Swim" campaigns gave the State 3500 new swimmers besides creating new interest in swimming. The National Championships were an unqualified success. Medica's tour of the country districts gave the natatorial art a new impetus in the far-flung centres, and incidentally was the cause of the Q.A.S.A coaching scheme.

Financially the year was active and profitable. The Treasurer's Statement makes mention of an outstanding debt of £127 which has not only been paid off, but has also been replaced by a credit balance sufficient to give a good start to the new season.

The Registrar's Report strikes an equally optimistic vein, the State having over 400 more registered swimmers than it had the previous season.

COUNTRY CENTRES BATHING

Under the heading "Country Swimming," a note of regret is allowed to creep into the Q.A.S.A Report that such large centres as Toowoomba, Rockhampton, and Townsville, are not better equipped with "decent bathing facilities."

However, despite this, four new country Clubs registered during the season, and so spontaneous was the growth of swimming in Dalby and Gladstone, that Centres were formed in the same year as the first Club registered. It is significant that both these Centres opened new pools during the season.

The Mercantile and Civil Service relays - both excellent means of encouraging swimming in the commercial and professional worlds - were again very well patronised, and the South Brisbane Mercantile relay was an added interest this year.

STATE RECORDS COMPILED

During the year a full list of State records that had been lacking during the last few seasons were brought up to date and contained in the Report, together with a full list of winners in the Australian and State and Country Championships.

Altogether the Report, which will be presented at the Annual Meeting of the Queensland Amateur Swimming Association on October 4 at the Railway Institute Building, is a credit to the Hon Secretary, Mr R.McKauge.

SWIMMERS AND TESTS FOR EMPIAD QUEENSLAND MAY DO WELL

By "Metre"

With the races known for the Empire Games contests and the Australian standards set for the varying distances, competitors can prepare for the qualifying tests which are to take place during the week ending December 11.

It is almost certain that the try-outs will be held at the Valley Baths on Friday, December 10. The object of the Queensland Amateur Swimming Association in choosing a week day being to enable for country clubs to fit in the tests with their weekly club swims.

Some keen patrons of the sport would have preferred a revision of the times in light of the records that have been established from time to time in the last few seasons swimming, but there is nothing to cavil at although there are times which do not compare well. There may be that touch of sporting sentiment that suggests that the Union desires to give every swimmer with aspirations a chance.

IN DIFFERENT WATER

Those swimmers who are already in the limelight in Queensland should have no difficulty in qualifying, but it must be considered that tests in different waters will not be as conclusive as times with swimmers engaged in national championships beforehand. The strategy in competitive swimming, the environment, and enthusiasm, all provide a stimulus that cannot be expected in test swims, even though they may be associated with a local carnival.

A difficulty exists in getting down to comparative times owing to the differences in distance and measurement being made in metres and yards at national and international carnivals. For example, the distance for the sprint at the last Empire Games was 100 yards, this time it is 110 yards.

However, the following recorded times are interesting for comparative purposes.

ENTHUSIASM FOR WATER POLO

Should the enthusiasm among metropolitan clubs regarding the merit of water polo as a sport, and a spectacular fill-up to swimming programmes being recognised, there is the possibility of the game coming into inter-club, university, and inter-state class as water polo is very popular in many baths in the South.

Some surprise was caused when the Secretary of the Q.A.S.A. (Mr R. McKauge) attended a recent meeting with polo balls as an exhibit, and with his enthusiasm behind the cause, it should develop well.

Country and City Clubs will find the full rules of the game in the official handbook of the Q.A.S.A.

WATER POLO - A GOOD START FOR THE NEW SEASON EIGHT CLUBS LINK WITH ASSOCIATION

Eight clubs have already joined the Queensland Amateur Polo Association which was formed on Monday night when the following officials were elected. Patron, Mr O.J. Lansdowne; President Mr J. Donovan; Vice Presidents Messrs W.B. Cummins, D.S. Carter S.J. Brassington M.L.A., H.M. Bailey; Secretary Mr Ron Hammett; Assistant Secretary Mr G. Johnson; Treasurer Mr J. Howard.

These officers were empowered to carry out the business of the Association until the General Meeting on Friday November 19, when the Executive will be elected. Affiliation fees were fixed at 10/6 per club, and it was decided to request the Q.A.S.A. to register clubs affiliated with the Q.A.W.P.A. A list of officials elected will be forwarded to the Q.A.S.A. for endorsement.

The Association is proceeding with arrangements for the coming season and entries from intending competitors will close on January 19. They must be accompanied by the necessary fees. Entries must be sent to the Secretary (Mr Ron Hammett) who is a recent arrival from Melbourne where he was actively associated with the V.A.S.A. His address is "Idar", Gregory Terrace.

NOT AFFILIATED DALBY CARNIVAL MAY BE AFFECTED

Dalby swimmers and life-savers have arranged a carnival at the Dalby Baths for Saturday December 6, but trouble has arisen over the affiliation question with the Queensland Amateur Swimming Association.

While the programme sets out that the competitors must be registered with the Association, affiliation requires something more by bringing in the centre as well as the swimmers. The position is somewhat disturbing, but a meeting will be held at Dalby which may clear up the matter.

The programme comprises fifteen events, mostly of an inter-club nature, but it has been well selected. Entries will close on November 30 with the Secretary, Mr J.B. Henderson, Dalby.

STATE SHOULD DO WELL IN BATH TESTS

By "Metre"

Queensland should play a good part in the Empire swimming championships over the sprint distances, and perhaps up to a quarter mile. Reports from country centres suggest that candidates for selection are working up to their best times, and in Brisbane, Fleming, Meredith, and others, are doing very well. In fact, Fleming, the State champion, has never swum better at this period of the season. G. Johnston should be right in the diving classic.

N. Wedlock, who is a much better swimmer than his record shows, maybe regarded as unfortunate that he is a contemporary of such first-class men as Fleming and Tremble, and it is a question whether he will shake both these swimmers this season. He is exceptionally keen at practice, has shown a tick better time almost at each succeeding swim the last week or two, and has the following to give him every encouragement.

WILL BE AT TOP

His (Wedlock) appearances at the State and Country championships have invariably created great interest, and it is a testimonial to his status to hear Fleming rating him. The northern youth will be right at the top at the time of the trial tests in his home town.

On this point country timekeepers should be very careful to see that their watches are working correctly, as no excuse can be accepted afterwards.

Viv Tremble, Mt Morgan's representative, should know the sciences of competitive swimming off by heart, as he has met the best and has beaten several of them. Probably his greatest triumph was in Adelaide sprints, but he has put up wonderfully good performances at the Queensland championships.

EQUALLED RECORD
MISS CUZZU IN FORM

Miss Marie Cuzzu, after a season's respite from competitive swimming, put up a splendid performance at the Speedo Shield carnival at Sandgate last night. She won the 100 yards senior ladies event, and swimming an additional 10 yards, covered the full distance in 1m 15s, which equals the Queensland record.

Another splendid swim over the same distance was credited to W. Fleming, the State champion. Starting in a similar event for men, he did the 100 yards in 56sec, and covered the 100 yards in 63sec. This time is a second slower than the State record, but showed Fleming to be in fine form.

BY TOUCH ONLY

In the 880 yards metropolitan championship the title-holder, A. Imrie of the Valley Club, beat P. McMillan of Sandgate by a touch only.

The title-holder, J. Venning, retained retained the backstroke championship beating F. Schooth by three yards.

J. Meredith, who is the State breaststroke champion, did the 100 yards in 1m 16s, and the 100 yards in 1m 25s.

ATTEMPTS ON RECORDS
THREE TO BE MADE TOMORROW NIGHT

Attempts on the State 100 metres freestyle record will be made by W.Fleming and M.Cuzzu, and on the 100 metres breaststroke record by J.Meredith, at the mercantile carnival at the Valley Baths tomorrow night. More than 100 teams will compete in the relays.

FIRST TEST TRIALS

The first official test trials for the British Empire Games will be held at the Courier-Mail Speedo Shield carnival at the Valley Baths on Tuesday December 7. On the same night the 200 metres freestyle and the 200 metres breaststroke metropolitan championships and the third series of the Speedo Shield races will be decided.

Entries for the test trials include; W.Fleming (100 metres freestyle), J.Meredith and G.Petersen (100 metres breaststroke), Miss M.Cuzzu (100 metres freestyle), and D.Story (100 metres backstroke).

Sixteen teams will compete for the Speedo Shield.

EMPIAD TEST DATES
QUEENSLANDERS ON TRIAL

All Queensland candidates for inclusion in the Australian team for the Empire Games to be held in Sydney in February will be seen in action next week, when the tests arranged by the Australian Swimming Union will take place in various parts of Queensland and in other States.

Queensland entrants have done well in club and open events, but not many are up to the standard required for Empire honours.

The first of the tests will take place at the Courier-Mail's gala night at the Valley Baths next Tuesday, and the events and swimmers are ñ
100 metres - Women; A.Frederich, L.M.Inwood, I.Tubman, M.Cuzzu: Men;
W.Fleming.

200 metres breaststroke ñ J.Meredith, G.Petersen:

100 metres backstroke - J.Venning.

TESTS ON THURSDAY

On the following Thursday the following tests will be held at the Civil Service relay carnival ñ

400 metres women; M.Cuzzu, I.Tubman:

200 metres men; W.Fleming:

100 metres backstroke women; M.Inwood:

100 metres breaststroke men; J.Meredith, G.Petersen:

Springboard diving; G.Johnston.

K.Horn and M.Muller will have their trials in backstroke and breaststroke respectively at Toowoomba. V.Tremble will essay his times at freestyle over the 110 yards, 220 yards, and 440 yards, at Mt Morgan, and N.Wedlock will similar distances at Cairns, where D.Shelly will also undergo his backstroke test. Miss J.McKenzie will be tried out over 119 yards and 440 yards distances at Rockhampton.

MEREDITH AND MISS TUBMAN SET NEW RECORDS
TWO ATTEMPTS FAIL

Miss Iris Tubman and Jack Meredith created new records at the Mercantile teams relay carnival at the Valley Baths last night.

Paced by Tom Boast, Miss Tubman clipped 8 1/5sec off her own previous best time by a Queenslander for 400 metres, clocking 6m 8.1s. This was 8 1/5sec outside the standard time set for the Empire Games selection.

A record held for seven years by Mr A.McShane of Tewantin, was shattered by Jack Meredith the Queensland breaststroke champion. He swam 100 metres in 1m 25 4/5s, which is 1/5sec better than the State record.

ATTEMPTS FAIL

Miss Marie Cuzzu, holder of the Queensland record for 100 metres, failed by 2/5sec to break her own record of 1m 15s. Miss M.Inwood and Miss A.Frederich paced Miss Cuzzu.

Bill Fleming failed in his attempt to establish new Queensland record for 100 metres freestyle. He clocked 62 3/5sec ñ 3/5sec outside his own State record.

MANY DISQUALIFIED

In a field of 104 teams, Edwards and Lamb's No 1 team won the Elphinstone Shield for mercantile teams. Jackson and Springs were placed second, and Finney Isles A team of four girls, third.

As at last year's carnival, there were numerous disqualifications for breaking handicap times. Nineteen teams were disqualified, seven being in semi-finals.

WATER POLO
A GOOD START
FIRST MATCHES TONIGHT AT VALLEY BATHS

A Water Polo Association has been launched with every prospect of success provided that the Valley Baths are made available at times to suit the players. As the game requires space that is equivalent of only one third of the measurement of these baths, it would appear the baths could be available at an evening to the public as well as the polo players.

However, should the big municipal baths be not available at the Association's convenience, what is wrong with having matches at suburban baths, thus bringing the "local" or suburban touch, which is always a stimulant to sport?

The first round of games have been arranged for tonight at the Valley Baths.

As all the clubs members are new to the sport, no team has any advantage over the other. The two big swimming clubs, Valley and Sandgate, have been drawn for one game, but swimming standards are only a secondary consideration. Water polo may yet add another to the inter-State list of competitions in which Queensland is engaged from time to time. It has had a good kick-off.

FLEMING BEST SPRINTER
GAMES SELECTOR'S RANKING

In an unofficial ranking of swimmers for the Empire Games, Mr J.F.Sheedy, Honorary Secretary-Treasurer of the Amateur Swimming Union, places W.Fleming (Queensland) at the head of the sprinters. Mr Sheedy is a selector for the Games, but the ranking is his own personal opinion.

His ranking is -

Freestyle - Sprinters (men) W.Fleming (Qld), R.Clarke (NSW), P.Oliver (WA), R.Newbiggen (NSW).

Middle and full distances - N.Ryan (NSW), R.Biddulph (NSW), P.Oliver, A.Crawford (Vic).
Breaststroke - W.Weir (Vic), R.Cornforth (NSW), J.Meredith (Qld).
Backstroke - P.Oliver, R.Clarke, R.Thistlethwaite.

Freestyle - Sprinters (women) - E de Lacy (WA), D.Green (WA), P.Norton (NSW).
440 yards - D.Green, E de Lacy, K.Mackay (NSW).
Backstroke - P.Norton (NSW), B.Mealing (NSW), K.Mackay, I.Tubman (Qld).

QUEENSLANDERS DO WELL IN OLYMPIAD TESTS
MISS CUZZU A STAR

Tests for Empire Games selection, metropolitan championships, Speedo relays for seniors and juniors, and club events, comprised the programme at the Courier-Mail's carnival held at the Valley Baths last night.

The State's representative test swimmers were set against five watches. It is a condition, however that the times could not be officially announced but forwarded directly to the Australian Swimming Union's selectors for consideration.

It is probable that Miss M.Cuzzu either broke or equalled her Queensland record, that W.Fleming swam just a shade worse than championship time in his test, and that J.Venning did the backstroke up to his best time. J.Meredith was probably a yard below his record.

FINE PERFORMANCE

In the Empire Games backstroke test over 100 metres, J.Venning, paced by P.Schooth and C.Watson, performed splendidly. He had Watson (off 4sec) pacing for the half distance, with P.Schooth taking up the last lap. Venning swimming very easily, and right up to his form, was only a foot behind at the finish.

M.Cuzzu, paced by L.Inwood and A.Frederich, provided her trial over 100 metres. It was another splendid swim with the pacemakers at their top right through. Miss Cuzzu showed that she is right back to form.

W.Fleming swam a very good trial in the 100 metres freestyle test. He was kept at top pace by G.Turpin, K.Forster, and T.Long, but was not at his best over the last couple of yards.

Miss M.Inwood (backstroke) went over her 100 metres test in fine style, paced by T.Boast, and J.Meredith did satisfactorily over his 200 metres breaststroke trial.

SWIMMERS FOR EMPIRE GAMES
ONLY TWO OF STATE NOMINEES BETTERED SET STANDARD TIME

Of the six Queensland swimmers nominated last night for Australia's Empire Games team, only Fleming and Wedlock bettered the Australian times in recent trials. Fleming clocked 63 2/5sec and 62 2/5sec for the 100 metres in the Valley Baths, while Wedlock covered the 110 yards course at Cairns in 62 3/5 and 63sec.

Miss Cuzzu's time trial was 74 3/5sec compared with the standard time of 74sec. Miss Tubman, in her first trial, lowered the "Best by a Queenslander" record for 400 metres to 6m 8 1/5s, and on Thursday night reduced this time to 6.5, which is 5sec outside the standard time.

Of the three contenders for breaststroke honours, Meredith was successful. Although his time in the Valley Baths was far below standard, his performance at Sandgate last night was more encouraging. K.Horn, of Toowoomba, recorded 1m 16 4/5s for his 110 yards backstroke trial.

G.Johnston performed his Empire Games dives to the satisfaction of the Queensland judges.

It is expected the Australian team will be announced at the weekend.

SPEEDY TRIALS
MISS CUZZU'S RECORD SPRINT

In the final trial for Empire Games nomination a Sandgate last night, excellent times were recorded. J.Meredith completed his 220 yards breaststroke trial in 3m 7s ñ 2sec faster than his previous time.

Miss Cuzzu established a new Queensland record for 110 yards freestyle, her time being 74 1/5sec. Miss Tubman clocked 6.8 for 440 yards, 3sec slower than her previous recent Queensland recording enhanced his claims for selection by recording 2.24 for 220 yards.

440 SWIM THE McMILLAN
TWO-MAN SWIM AT VALLEY

A repetition of the exciting swim in the 880 yards metropolitan championships at Sandgate was provided last night by A.Imrie and P.McMillan in the metropolitan 400 metres championship at the Valley Baths.

There were five starters in the event, but J.Murray and W.Shanahan retired at 150 metres and G.Twist at 200 metres. It resolved into a race between McMillan and Imrie as at Sandgate. At 100 metres Imrie was a yard ahead of McMillan, but McMillan was a touch to the good at 200 metres. Only a foot separated the pair at 300 metres, but McMillan, finishing particularly well, gained the decision by two feet in 5m 43 2/5s.

The diving championships of the metropolis was won by A.Harrower, with L.Clancy second, and A.Campbell third. G.Johnston and W.Morrall were the judges.

BROKE STANDARD TIME
MISS TUBMAN'S FAST 100 METRES

In the 100 metres trial for Empire Games selection at the Valley Baths last night, Miss Tubman, the 15 years old champion, broke the standard Australian time of 1.14. Unofficially she clocked 1m 13 1/5s.

Miss Tubman swam an admirable race in difficult conditions, with a low take-off, no lanes, and slow water. She got away to a perfect start and was paced by Mr Tom Boast.

Miss Mabel Springfield, who has coached Miss Tubman for four years, believes she is capable of even better times, and will break the standard time of 6mins for 400 metres. She will apply for another trial over 400 metres next week.

TREMBLE TO VISIT LONGREACH

The Longreach Amateur Swimming Club has received a message from V.Tremble stating that he would require £3 towards his expenses and free accommodation if he visited Longreach.

The Club agreed that the terms were agreeable, and decided to invite him to swim in Longreach at a carnival on January 1.

FLEMING CHOSEN FOR GAMES
JOHNSTON ALSO IN TEAM

W.Fleming and G.Johnston, both of Queensland, have been chosen by the Australian selectors in the swimming team for the Empire Games.

The Hon Secretary of the Australian Swimming Union (Mr J.P.Sheedy) announced the team tonight, and the names have been forwarded to the British Empire Games Council.

The team contains 16 New South Wales representatives, 6 Victorians, 4 West Australians, 2 Queenslanders, and one representative each from Victoria and South Australia.

TREMBLE OUT OF TITLES
BIG SWIMMING ENTRIES

All swimming centres of the State are represented in entries for the State and Country swimming championships which will open at the Valley Baths on January 17.

The most notable absentee is V.Tremble, of Mt Morgan and formerly of Rockhampton, who has for several years been a prominent swimmer over all sprint distances.

This event has filled well, the entries including those of W.Fleming and N.Wedlock. The handicap events have provided the greatest number of entries for years.

FLEMING'S 440 YARDS
CONVINCING SWIM BY EMPIAD HOPE
MISS TUBMAN TAKES TWO BIG EVENTS

W.Fleming, the State's Empiad swimming representative, won the quarter mile at the State and Country swimming championships at the Valley Baths last night in convincing style from a field of eight. He thus won his first big title over this distance in his fine career.

Miss I.Tubman won both the junior 50 metres and the 400 metres championships, securing victory in the longer distance event by 20 yards.

In the quarter mile men's event, Fleming turned fast ahead of the title-holder, M.Witt, at 100 metres, Imrie being close up at that point. At the 200 metres, however, Fleming had a break of three yards on Witt who was a similar distance ahead of Imrie with McMillan next. Fleming had improved his lead from Witt to 6 yards at 300 metres, and from this point on he increased his lead to 12 yards at the finish, with Witt second 10 yards ahead of Imrie. Fleming's time was 5m 24s, 1 2/5sec faster than Witt's former title time, but 3 4/5sec outside V.Tremble's "Best by Queensland" figures.

MISS TUBMAN'S WIN

Miss I.Tubman had as opponents in the 400 metres championship, Miss M.Cuzzu, and the title-holder Miss J.McKenzie of Rockhampton. At the first turn Miss Tubman had a lead of a foot from Miss Cuzzu, and 4 feet advantage at the 100 metres, with Miss McKenzie dropping back. At 200 metres Miss Tubman was 6 yards clear, Miss McKenzie being 8 yards behind Miss Cuzzu. From this point to the finish Miss Tubman had the race to herself, eventually winning by 20 yards. Miss McKenzie in the last lap made up much leeway, and finished only 3 yards away third.

Miss Tubman cut 32 3/5sec off the time recorded by Miss McKenzie last season, but the time is well outside the Queensland record of 5m 45 3/5s made by the West Australian swimmer, Miss D.J.Green, in Brisbane.

Miss Tubman also won the 50 metres junior championship easily, and her time of 33sec was 4/5sec better than her own Queensland record registered last season.

SURPRISE VICTORY

A surprise win was that of M.Muller of Toowoomba, who beat the title-holder, M.Meredith, by 4 yards in the 200 metres breaststroke championship. The time, however, was 1/5sec slower than that recorded in Meredith's victory last season.

Wedlock again won the country 100 metres title.

MISS TUBMAN'S RECORD SWIM TAKES 100 METRES TITLE FLEMING AND WITT WIN

Miss Iris Tubman, the Australian junior champion, created a new Queensland record of 1m 13 1/5s in the 100 metres freestyle event in the State and Country swimming championships at the Valley Baths last night. She bettered the previous record held by Miss Marie Cuzzu by 1 4/5sec. Miss Cuzzu, who filled second place, also bettered her previous figures by 4/5sec.

W.Fleming retained his 100 metres freestyle championship, but his time was 1sec outside that of last year. In the 800 metres freestyle he failed to wrest the laurels from the Bundaberg champion, M.Witt, who won in 11m 33 1/5s.

Swimming steadily in the 10 metres event, Miss Iris Tubman allowed Miss Marie Cuzzu to make the pace over the first 50 metres, turning just behind the record holder. Miss Cuzzu kept a slight lead until the last 20 yards, when the excellent condition of the junior told. She touched a foot ahead.

WITT AGAIN

In the men's 800 metres event Fleming held the lead over Witt for the first 400 metres, with R.Blow of Valley close up. From the 500 metres turn Witt went ahead and Blow dropped back from Fleming. They finished in that order.

The junior freestyle championship was won by the Warwick boy, E.Blau, in 68sec - 2/5s outside the record.

FLEMING ADDS TO HIS LAURELS MISS TUBMAN'S FIVE TITLES

Miss Iris Tubman capped her earlier performance at the State and Country swimming championships last night by winning the 200 metre open women's freestyle championship and also the junior 100 metres event, making her aggregate five titles for the championship. She won every event in which she started.

W.Fleming added to his 100 metres laurels by securing the 200 metres freestyle championship, thus winning the sprint double. The Warwick boy swimmer, E.Blau, who has been in Australia only two years, won all the big junior events at the carnival.

EASY VICTORY

All the entrants in the women's 200 metres championship started, and the five competitors took off well. In the first 50 metres Miss Tubman and Miss Cuzzu touched together, with Miss McKenzie, of Rockhampton, only inches behind, but at 100 metres Miss Tubman had a lead of a yard from Miss Cuzzu, who was a yard and a half ahead of Miss McKenzie. From this point on it was seen that Miss Tubman had the race in her keeping and she increased her lead of 3 yards at 150 metres to 4 yards at the finish, Miss McKenzie being 5 yards away third.

Miss Tubman's time was 2m 46 3/5s, which is 8sec better than the time she recorded at last year's championship.

WEDLOCK'S STRONG FINISH

W.Fleming won the 200 metres championship with a yard to spare. N.Wedlock surprised by his strong finish over the last 75 metres, but on several occasions at the critical part of the race he fouled the lines and finished third, two yards behind Wedlock, and it is apparent he is not swimming as well as formerly (details of the race given).

The junior freestyle championship over 200 metres created considerable interest.

It was run in heats, and the respective heat winners. E.Blau, and R.Hamilton of Longreach, filled the first two places in the final. They are splendid young swimmers and each won his heat well. In the final three of the swimmers were close together with three parts of the distance gone, but Blau came with a sensational finish to win comfortably, much the same as he had done in his heat.

The Under 14 freestyle championship was won, after a close finish, by R.Ross of Tewantin, from the Ascot State School representative, B.Dowling.

NEW BACKSTROKE CHAMPION

The title-holder, T.Boast, who has held the backstroke championship for several seasons, did not start in last night's event, and K.Horn, of Toowoomba, who has been a consistent performer for seasons in a similar class of race, won the honours by inches from Valley representative, J.Venning.

FINE EFFORT BY MISS TUBMAN SUCCESS IN N.S.W. 220 YARDS FREE STYLE

Sydney. Sunday

Miss Iris Tubman, the Queensland junior, who won the national junior 100 yards freestyle championship last year, caused a surprise in the New South Wales 220 yards junior championship at Bondi on Saturday, when she beat Miss Nancy Coulson and Miss Myee Steele in 2m 44s, which equalled the record set by Miss Steele last year. As Miss Steele is one of Australia's selected Empire Games swimmers, the performances of Miss Tubman and Miss Coulson were meritorious.

Miss Tubman swam by invitation, and cannot hold the title which automatically passes to Miss Coulson whose time was 2m 45s. Miss Steele's time was 2m 46s.

THE EMPIAD - AUSTRALIA AT SPORT GREAT PAGEANT STARTS IN SYDNEY TOMORROW FLEMING'S PART IN BIG SWIMS

Good at most things, Australia is a master nation in the science of swimming. It has maintained a reputation through the years encompassed by more than a generation. Through the expanding agencies of competition - Olympics, Empiads, and the like - rivals have come, developed, and succeeded, but time has not marred the national prestige.

These giant missionaries, among them Dick Cavill, Barney Kieran, Frank Beaurepaire (and could one bring in Cecil Healy and Bill Longworth?), blazed the trail. They taught the world a lot every time they went after the laurels.

Not as winners of a specialised event with one plaque as the reward besides the honour, but a necklace of them emblematic of all-distance superiority. Noel Ryan is omitted because he is a man of today.

Queensland should have a share of the reflected glory that comes from past achievements, and joins up with the present in the positive form. Single-handed

for the State, Frank Springfield won the Kieran Shield just a season or two before Reg Grier and Tom Boast were emissaries to Japan on a learn-to-swim campaign there. Is it flattering to both these Queenslanders to say they taught them too well?

Now into the network of figures and units and split seconds comes Bill Fleming, and in another sphere, George Johnston, Queensland and national springboard diving champion.

SPENCE TO TOUR QUEENSLAND
WILL SWIM AT SCHOOLS

Walter Spence, the British Guiana swimmer, who holds world records for breaststroke and medley events, will tour Queensland.

He will arrive in Brisbane on Sunday, and will appear at the Manly Baths on Monday night. He may spend a week in Brisbane visiting primary and secondary schools. If possible he will give an exhibition at the Y.M.C.A. carnival at the Valley Baths on Wednesday.

Spence will commence his tour of Queensland with the New Zealanders Noel Crump and Peter Hannan at Warwick tomorrow. On Friday he will visit Toowoomba, and on Saturday he will appear at Dalby. He will leave Brisbane on February 25 to give exhibitions in North Queensland; Gladstone on February 26, Rockhampton February 28 and March 1, Townsville March 4, Cairns and Atherton March 5 and 6. On the return journey he will swim at Bundaberg.

TWO £20,000 SWIMMING POOLS FOR BRISBANE
READY NEXT SUMMER
£50,000 "FUN PARK" PLAN

Plans are being made for the construction before next summer of two swimming pools, to cost in the vicinity of £20,000 pounds each, for the north and south sides of Brisbane.

Negotiations concerning one of the pools are in progress between the Lord Mayor (Alderman Jones) and a syndicate which has built amusement parks in Sydney and Melbourne.

The syndicate intends to spend £50,000 on such an amusement park for Brisbane. Of the amount, between £15,000 and £20,000 pounds, is to meet the cost of modern swimming baths.

Several sites have been examined. The most likely to be approved is beside Abbotsford Road, near the Mayne Bridge over Breakfast Creek.

The City Council yesterday referred to its finance committee a proposal by Ald W.P.Conelan for the construction next year of an Olympic swimming pool on Council land with frontages to Stanley, Glenelg, and Grey Streets, South Brisbane.

WILL TEST SPENCE
FLEMING IN FINE FORM

Walter Spence, the British Guiana swimmer, will fly to Brisbane from North Queensland on Monday, and will meet W.Fleming, the Queensland champion, over 100 metres freestyle at the Valley Pool on Wednesday. It promises to be one of the most interesting races seen in Brisbane.

Fleming swam 54 2/5sec for the 100 yards at the Sandgate Baths during the week, and should he reproduce that form he will break the minute for 100 metres on Wednesday. If he breaks the minute he will be the second Australian swimmer and the first Australian in Australia to do it. W.Kendall swam the same distance in 59.9sec at the Berlin Olympiad.

Spence has been swimming well in Australia, and it is possible on present form that he will be narrowly defeated by Fleming. In the British Empire Games Fleming beat Spence by a touch in the 100 metres final to claim second place.

On Wednesday night Spence will also swim against M.Muller over 100 metres breaststroke. Spence's "butterfly" stroke is expected to gain the decision for him.

At the carnival at Sandgate on Thursday night, Spence will meet Fleming over 220 yards freestyle, and J.Meredith over 100 yards breaststroke.

Spence has been credited with 2m 16s for the 220 yards, while Fleming has swum the distance in 2m 19 1/5s. Spence expects to swim the 220 in 2m 20s, and Fleming may equal this time. However, the odds are in favour of Spence over this distance.

FLEMING'S TREBLE
USED "BUTTERFLY" STROKE IN BREASTSTROKE

The Sandgate Swimming Club won nearly every event at the inter-club carnival at the Valley Baths on Thursday night. W.Fleming, the Queensland champion, won the 100 metres freestyle, the 100 metres backstroke, and 50 metres breaststroke.

Fleming has not impressed previously as a breaststroke swimmer, but using the "butterfly" stroke, he and K.Dagg, who also swam "butterfly", led the field by lengths.

The E.Tooth Shield for the greatest number of points for men's competitions won by Sandgate from City Pastime, and the "Lucky" Goode Trophy for women's events was won by Sandgate.

D.Robinson won the H.Cottrell Cup, and Miss Wright the M.Baldwin Cup.

BIDDULPH COMING
FLEMING HAS INFLUENZA

W.Fleming, the Queensland swimming champion, contracted influenza yesterday, and has been advised not to swim against Walter Spence, of British Guiana, at the Valley Baths tonight, and at Sandgate tomorrow night.

As a result of hurried negotiations by telephone last night, the Secretary of the Queensland Amateur Swimming Association (Mr R.McKauge) arranged for Robin Bidulph, one of the outstanding swimmers in Australia, to take Fleming's place. Biddulph will fly to Brisbane by the morning plane today, and will meet Spence over 100 metres at the Valley Baths tonight, and over 220 yards at the Sandgate Pool tomorrow night.

SPENCE SETS QUEENSLAND RECORD
TWICE BEATS BIDDULPH
MEREDITH'S TIME ECLIPSED

Swimming 100 metres breaststroke in 1m 18s at the Valley Baths last night, Walter Spence, the British Guiana swimmer, clipped 8sec off the Queensland record held by J.Meredith. Spence defeated Robin Biddulph, the New South Wales freestyle champion, by two and a half yards in this event, and also beat him by a touch in the 100 metres freestyle match race.

Spence, Biddulph, and Max Muller (Toowoomba) got away to an even start in the breaststroke event. Spence and Biddulph used the "butterfly" stroke, and raced stroke for stroke over the first 50 metres. Spence turned at the half way mark a touch ahead of Biddulph with Muller a similar distance away. Spence gradually drew away and led Biddulph by a yard at 75 metres. Muller finished 4 yards behind Biddulph.

Biddulph was badly left in a false start in the 100 metres freestyle match race, and at a second attempt had a lead of a yard when both swimmers broke the surface. Spence was making up the leeway at 25 metres, and at 50 metres was only a touch behind Biddulph. Spence turned better than Biddulph and was level at 75 metres, and went away to win by 1/5sec. The time, 64 1/5sec was four seconds slower than the record for the baths, held by Takaishi, the Japanese swimmer, and two seconds slower than the time established by W.Fleming in the State championships in January.

C.M. Friday 11 March 1938

NEW STATE RECORD
BIDDULPH AND SPENCE TIE

Providing the spectators with one of the most thrilling races ever witnessed in the baths, Robin Biddulph and Walter Spence dead-heated in the special 220 yards match race at Sandgate last night. The time - 2m19 4/5s - created a new Queensland record, being 1 4/5sec better than the previous figure held by M.Kalili (U.S.A.)

Biddulph ws first away and lead by two yards at 100 yards which was covered in 58sec. At 200 yards Biddulph led by a yard, but Spence, with a remarkable turn, made up the leeway, and both swimmers raced to the finish in a line. The judges failed to separate them, and declared a dead-heat.

Spence defeated Meredith in the 100 yards breaststroke match race, and again set a Queensland record by clipping 5 3/5sec off the existing record of 1m 15s.

Biddulph gave an exhibition of the butterfly breaststroke, and returned the fast time of 19 4/5sec for 33 1/3 yards. Spence sprinted 33 1/3 yards free in 15 4/5sec.

Spence was to have concluded his Queensland tour on Saturday, but so impressed were the northern officials with his displays, that negotiations have been opened for a return visit.

Miss M Cuzzu and G.D.Johnston are to compete at Moree at the week-end.

WATER POLO FINAL
CITY PASTIMES - VALLEY OPPOSED

A close game is expected when City Pastimes and Valley White meet in the final of the water polo premiership for the Worfold Shield on Friday night at the Valley Baths. The City Pastimes combination defeated Valley by two goals when they met in the second round, but Valley are confident of success this time.

City Pastimes have scored 36 points, and Valley requires a win to equal their opponents on points. A win by Valley would give City Pastimes the right of challenge.

The points scored in the Worfold Shield competition are ñ City Pastimes 36, Valley White 32, Sandgate 28, Taxation 26, Valley Blue 26, Commercial 16, Railways 16, Tramways 12, Telegraph 8.

An exhibition match will be played by Sandgate and Taxation on Friday night, and demonstration will be given of the throws used in water polo. The two matches will be refereed by Mr W.H.Crease.

The Valley, last year's premiers, will be represented by at least three teams. Other Clubs which may field teams are; City Pastime (2), Taxation (2), Tugun, Railway, Bribie Island, Mowbray Park, Tramways, Telegraph, Commercial, Sandgate, Moreton Bay, and Kirra.

Both championship and handicap competitions will be played this season.

FACILITIES FOR SWIMMING ASSOCIATION CRITICAL

"There were great hopes last season would have been treated by the provision of better facilities for swimming in Brisbane," said the President, Mr D.S.Carter, in discussing the Report at the Annual Meeting of the Queensland Amateur Swimming Association last night.

Mr Carter said the Council had fixed a sum of £30,000 pounds for that purpose, but the money was not available, and might not be in the coming season.

The pool site chosen in Musgrave Park had been vetoed by the Government because of its proximity to a High School. It was likely that another site in the Park would be acceptable to the authorities.

Turning to other phases in the Report, Mr Carter said that special attention had been given last season to coaching, a most important thing in all sports, and good had resulted. That would be continued.

It was regrettable that the membership had shown a decline and that the Association was not as financially sound as they would like. The infantile paralysis epidemic had affected attendances, and the membership would have been better in the records if some affiliated bodies had not been lax in their registrations.

Mr Carter spoke highly of the sound support given by country centres, especially in the far north.

After several speakers had commended the officials, the Report was adopted.

The following officials were elected - Patron, Mr F.W.De Little; President, Mr D.S.Carter; Vice Presidents, Messrs E.S.Collin, H.Maylon, R.W.Hislop M.L.A, The Lord Mayor (Ald A.J.Jones), Dr E.S.Meyers, Dr Bendeich (Maryborough); Handicappers, Messrs J.Whittington. J.Montgomery.

RESULT OF MAIL VOTE

At a meeting of the Executive held afterwards, the results of two mail votes taken at the request of the A.S.A were announced.

There was a "Yes" vote that the One Mile Free Style Championship be deleted in favour of a 1650 yards, and a negative vote on the substitution of a Women's 330 yards Medley Teams Race instead of the 880 yards Free Style Championship for women. Only Victoria and New South Wales voted for the change.

SWIMMERS FROM OVERSEAS
VISITS UNLIKELY THIS SEASON

Officials of the Queensland Amateur Swimming Association reported an unsatisfactory season 1937-38 at the Annual Meeting on Monday night, and are preparing for one which they may desire, but they are facing difficulties, mostly financial, earnestly and hopefully.

It was not their fault that money was lost last season. The long ban on swimming pools as a result of the influenza epidemic had an effect on revenue and made it impossible to get full benefit from the visit of Walter Spence of British Guiana who was willing to give demonstrations for the benefit of school children and swimmers generally.

The financial loss of last season could be recouped by tours of overseas swimmers, and it was hoped that at least one would be arranged. The international outlook of recent weeks made visits uncertain, and it is most unlikely the Danish girls, the last hope, will be seen in Australia.

With an Olympiad in 1940, the prospects are no better for the following season. It is bad luck for Australia that the Japanese could not conduct the one allotted to Tokyo. The original arrangements would have brought the world's best athletes closer to this country than many of them had been, and some may have paid us a visit.

"TOO MANY HANDICAPS"

"Lad" Collin's assertion that big carnivals were made unattractive by too much handicap racing, has much to support it. Among the spectators are many who would go only to see the champions, and are not interested in the minor events.

The encouragements given to water polo should be reflected in swimming generally and may solve the carnival problem.

Mr N.Burn, representative for Warwick, forecast a proposal for special championships for swimmers under eighteen years.

The New South Wales Association is not satisfied that the diving tower in Hobart meets all the requirements for a National Championship to be held there in January. At a meeting in Sydney last night the question of objecting was discussed.

HAWAIIAN CHAMPION'S QUEENSLAND - NOT TOO STRENUOUS
COMFORTABLE TOURIST'S TRIP - TWO HOURS "WORK" A DAY

By R.G.H.

The "misdeeds" accredited to the Australian Swimming Union by a southern journal, in mentioning an "overfull" tour of the continent by the Hawaiian swimming champion, Nyoshi Nakama, would be "grave" indeed if the tour was as strenuous as the southern journal would have its readers believe.

If Nakama was a woman croquet champion of three score years and ten there would be some solid ground for both the length and breadth of the southern journal's tirade, but when it is remembered the champion is in the flower of youth and as strong and healthy as any of the fine specimens of manhood that swimming produces, neither the public or the Australian Swimming Union need have any fear that "the friendly little fellow" will be "killed by an amount of work that would kill an elephant."

THE REAL POSITION

Strictly speaking, the Hawaiian, while in Queensland - and it is evidently the Queensland section of the tour that has raised the southern journal's ire - will not be called on to do more than two hours work out of every 24, and this in the cool of the evening. For the rest of the time he will live in first class hotels, travel in the best the State can provide, and generally enjoy what thousands of tourists per year call pleasure.

In his two hours work each day, he may be called upon to swim three races against opposition that in most cases will scarcely extend a champion of Nakama's calibre. Even if the events called for a half mile swim, the Hawaiian, while in Queensland, would be capable of loafing his way over the distance with no more loss of energy than in a serious training swim.

SAMPLE OF ITINERARY

Since the Queensland itinerary is in question, glance at the first few days plans. Nakama will arrive in Warwick about noon on January 16. Until 8pm he will be entertained or allowed to rest. At 8pm his day's "work" commence with perhaps races over three distances. By 10.30 at the latest his "work" will be over, and until a nine o'clock breakfast the following morning he will be again free. At 10.30am he will leave for Dalby by car for a 100 miles journey over first class roads. Dinner will be taken in Toowoomba perhaps, and Dalby could be reached by 2pm. By 5pm the champion will be expected at the Dalby pool for his second two hours "work". Next day he will journey by train to Brisbane where his third two hours work will be called for.

After his Brisbane appearance Nakama will journey to Melbourne for the Australian Championships and other southern engagements, and will return to Queensland on March 21 for a tour of the north.

Commencing with Maryborough on March 22, Nakama will touch at Gladstone, Rockhampton, Cairns, and Townsville in five days - a matter of 870 miles, travelling by train and air.

This may appear to blasé tourists rather a rush, but through the eyes of a 19 years old healthy youth, it will be seeing the country in comfort, being entertained by people who have the champion's interests at heart, and enjoying it only as a youngster can.

SWIMMING RELAY TO VALLEY LEADING TEAM DISQUALIFIED

At the first Speedo swimming carnival of the season, conducted by the Courier-Mail Club at the Valley Baths last night, Valley A won the principal event, the Speedo Relay of 300 metres.

The Courier-Mail team finished first after being third in the second heat, with Sandgate second, but both were disqualified for breaking their times. In the Junior Association Cup Relay the three placed teams were disqualified for the same reason.

Sandgate swimmers were prominent. R.Blow swam well to win the senior championship of 400 metres with A.Imrie (V) second and P.McMillan (S'gate) third. The Sandgate women's team won the relay from one minute behind.

R.Rowley won the Cup presented by "The Harvester", of the Courier Mail for a jockey's championship.

The Metropolitan Junior Championship (200 metres) was won by J.Murray (Tele).

CHALLENGE RACE FOR SWIMMERS

With the dates allotted for the State and Country Championship, aspiring champions will commence a solid preparation in the hope of dethroning the present titleholders and gaining representation in the team to compete in the Australian National Championships at Melbourne and Hobart.

Although the season has barely commenced, Fleming is displaying his best form. He appears certain to retain his sprint titles, and be the State's first representative in the national titles.

In recent years Queensland has lacked a distance swimmer of sufficient calibre to extend Southern champions, and it is pleasing to note the improvement displayed by Rex Blow and Alan Imrie in the Metropolitan championships last Monday. The time was an improvement of 13 seconds on that of last season, and it would appear these youthful champions will prove worthy opponents for the titleholder, Bill Fleming, and Merv Witt in the 400 metres title event.

TEST FOR WITT

The Maryborough Club has provided opportunity to gauge the form of Witt by arranging a challenge race over 440 yards between Fleming, Blow, and Witt in the Maryborough Baths on November 14. A metropolitan team comprising Miss M.Cuzzu, Messrs W.Fleming, G.Johnston, and R.Blow, will visit Maryborough that weekend. Miss Iris Tubman was unavailable and Kev Horn, State backstroke champion, had accepted an invitation to visit Toowoomba with the Valley Club.

NAKAMA MAY SWIM IN STATE TITLES

If the Australian Union sanctioned the tour of the Hawaiian swimming champion, Nyoshi Nakama, a visit to Queensland would be acceptable, said Mr R.McKauge, Secretary of the Queensland Amateur Swimming Association, yesterday. The Queensland championships would commence on January 18, and arrangements could be made for Nakama to compete in the title races.

Nakama has accepted an invitation from the New South Wales Association to visit Australia, and to compete in the N.S.W. titles from January 7 to 14.

TWO CITY TITLE RACES AT SPEEDO CARNIVAL
BLOW NOT FOR MARYBOROUGH

The second Speedo Shield carnival of the Brisbane swimming season will be conducted by the Railway Institute Club next Wednesday night.

The first carnival, controlled by the Courier-Mail Club, was well attended, and the swimming was good. Rex Blow was the outstanding performer, his time for the 400 metres being 13 seconds faster than that registered by P.McMillan of Sandgate who won in 1937. McMillan was third to Blow a fortnight ago.

The worst feature of the opening carnival was the numerous disqualifications for breaking time. In the Speedo Relay, the three teams placed by the judges were deprived of their positions after the handicappers had done their arithmetic. It was a disappointment to the disqualified competitors and also to the spectators, most of whom had gone before the revised placings were announced.

It might make carnivals more attractive if they commenced at the advertised time.

There are two local championships on the next programme, 100 yards freestyle for seniors, and 100 yards freestyle for juniors. K.Foster (V) won the senior title in 59sec last season, and the junior title went to a club-mate, J.McLean, whose time was 1.2 2/5.

IMRIE REPLACED BLOW

In view of the improvement shown by Blow, the announcement that he, Bill Fleming, and Merv Witt, were to meet at Maryborough tomorrow, caused much speculation as to the result of the race.

Blow is unable to make the trip with the Brisbane team, and his place has been taken by Alan Imrie, who should prove a good substitute.

Nyoshi Nakama, a Hawaiian swimmer, will visit this country next January. Nyoshi is expected to win some events for the United States at the 1940 Olympiad. In the all-American championships recently he was second to Ralph Flanagan in every freestyle event from the quarter to the mile. He has swum 440 yards in 4.50, and 880 yards in 10.10.

PREPARING FOR BIG CARNIVALS SWIMMING COUNCIL TO DISCUSS NAKAMA VISIT By "Breaststroke"

Much important business will be discussed at meetings of the Council and the Executive of the Queensland Amateur Swimming Association on Monday night.

A Report will be presented on the negotiations made for a tour of Queensland by the Hawaiian swimmer, Nakama, who will appear at the State Championship next month. Nakama is a class swimmer, with prospects of successes at the Finland Olympiad in 1940, and delegates should sanction what has been done to bring him here.

Visitors of this type are a tonic to swimming. At one period it was thought that the season would have to depend on the efforts of local swimmers.

Preparations must be made for the big carnivals at which State and Country titles are decided, and which will determine this State's representation at the Australian championships to be decided at Melbourne and Hobart.

KEEN FINISHES

There was some keen racing at the second Speedo carnival of the season, conducted by the Railway Institute Club at Ithaca Baths on Wednesday night. The final of that event was won by the Railway team. Placings were entirely different from those at the Courier-Mail carnival a few weeks ago.

The next of these carnivals will be conducted by the Sandgate Club on December 20. The metropolitan title events to be decided are the 100 yards junior backstroke and the 220 yards junior backstroke.

J.McLean, holder of the metropolitan 100 yards freestyle title, had another success on Wednesday night. His time was 1.3 4/5, against 1.3 2/5 last year.

The Under 18 metropolitan championship, a new event, was not well patronised, but the final was so close that the timekeepers declared for only 1/5sec each way.

J.Murray had an easy win in the junior event in which there was an unusual variance in the times. Murray won his heat in 1.6 3/5 but took only 1.3 4/5 in the final. The time for the first heat was 1.10 1/5.

Alan Imrie, the 19-year-old Valley swimmer, was expected to be a good substitute for Rex Blow in the challenge match over 400 metres with Bill Fleming and Merv Witt at Maryborough last Saturday night, but few thought he would win.

He and Fleming provided an exciting finish in which Imrie showed speed and courage to win by a touch after Fleming had overtaken him as they turned for home.

After that severe effort, Fleming attempted to improve on the 100 yards record for the baths, 54 2/5sec, made last year by Walter Spence. He was 1 2/5 sec slower.

The visit of the Brisbane swimmers will assist the Maryborough Association which is planning improvement to its pool. It is the only one without a tiled bottom in the State.

EAGERS WIN SHIELD
MERCANTILE RELAY SWIMMING

E.G.Eager and Sonis No 6 team won the Elphinstone Shield for the mercantile teams' relay handicap, decided by the Valley Amateur Swimming Club at the Valley Baths last night. No fewer than 14 teams represented that firm.

Brisbane Fruit Vendors team, comprised of the Collings family, two girls and two boys, won a trophy for scoring in a semi-final.

The competition went to twelve heats, three semi-finals, and a final.

James Hardie and Co No 1 team were second and Bruce Small Pty Ltd (Ipswich) team was third.

The third Speedo Shield carnival of the season will be conducted by the Telegraph Club at the Valley Baths tonight.

KEEN SWIMMING
CHAMPIONS LIKED BY PUBLIC

Public patronage of swimming carnivals has increased with each one, and officials of the Queensland Amateur Swimming Association expect larger crowds to see the Hawaiian swimmer, Nakama, at the championships next month.

The mercantile teams relay handicap conducted by the Valley Club at the City Baths on Wednesday night, attracted a crowd that occupied more than three-quarters of the available accommodation.

W.Fleming (Australian and Queensland champion), K.Horn (Queensland backstroke champion), Iris Tubman (State senior and junior champion), Pat Shanahan (Queensland breaststroke champion), and M.Inwood, gave exhibitions which showed they are ready to defend their titles against the best in the State.

INTEREST IN CHAMPIONS

They and other champions and near champions should guarantee keen racing on January 18, 20, 23, and 25 when the State and Country championships are decided. Interest will be increased by the appearance of Nakama, the versatile Hawaiian.

For the swimmers there is the added incentive of overseas tours which the Australian Swimming Union hopes to arrange annually, beginning with a visit to South Africa in the early part of next year.

TOUR OF SOUTH AFRICA

South Africa has suggested a team of three should leave Melbourne on February 6. The Australian championships will not be completed in time to permit that. February 22 is suitable, and if the team goes, it will be on that date.

The South African officials expressed a desire that Robin Biddulph, Empire breaststroke champion should be in the team, and he, Percy Oliver (Empire

backstroke champion), and Ron Masters (Empire diving champion), have been invited to comprise the team.

Should one or more decline, Bill Fleming and George Johnston, both of Queensland, will be in the running. Both are available.

NAKAMA WANTED

Clubs are seeking an appearance by Nakama, who will have a busy itinerary in this State. Warwick probably will see him first, on January 16.

FREESTYLE TO IMRIE

Registering the good time of 2m 30 3/5s, Alan Imrie yesterday retained his metropolitan 220 yards freestyle championship at the Speedo carnival at the Sandgate Baths last night. R.Blow finished two yards away second, with D.O'Connor third.

Sandgate Ladies did well to win the ladies teams race off a 50 seconds mark.

The final of the men's Speedo Shield relay went to the Moreton Bay B1 team, with the Courier-Mail team second.

WORLD TITLE SWIMMING
OLYMPIAD FOR AUSTRALIA

A suggestion for a swimming Olympiad has been submitted to the Australian Swimming Union by the New South Wales Swimming Association. Subject to sanction it will be held in 1941, Australia's swimming Jubilee. It was the idea of the Manager of the Australian Olympic team to Amsterdam, Mr Les Duff, who said that it had been discussed there in an informal way. It would be conducted along Olympic lines under power delegated by the International Federation, and with recognised world championship events all nations will be invited to send representatives.

The Commonwealth and State Governments will be asked to assist financially. To support that claim the Olympiad will be made part of the National Fitness campaign. The co-operation of the Surf Life Saving Association and the Royal Life Saving Society will be sought.

NAKAMA HERE WEDNESDAY
GREAT RACE LIKELY OVER 400 METRES
MANY CHALLENGERS FOR FLEMING'S TITLE

Kyoshi Nakama, the Hawaiian swimmer, will make his first appearance in Brisbane on Wednesday night when he will swim in the State 400 metres freestyle championship at the Valley Baths.

He should win the event, but he is not eligible to hold the title which should go to Bill Fleming, the present champion, or Alan Imrie, or Merv Witt, or Rex Blow, as other possibilities. It should be a great struggle between these four.

On his form in his first two appearances in the New South Wales Championships, Nakama's times entitle him to be the top-liner at the carnival.

MANY CHALLENGERS

Eleven Queenslanders have entered for the State's 400 metres freestyle championship held by Bill Fleming of Sandgate. His time last year was 5m 24s. In that swim he defeated Merv Witt and Alan Imrie. Imrie's form has improved since. He defeated Fleming at Maryborough early in the season by a small margin and may be the first Queensland to finish on Wednesday night.

Witt cannot be discarded because of his defeat at Maryborough. He will be in better condition for the State Titles.

Another man's form to recommend him is Rex Blow who won the 400 metres metropolitan championship at Sandgate in December. His time was 5m 30 3/5s, but he will have to be better if Fleming can swim to last season's time. In preparation for the championships Blow has given special attention to distance events and he may be capable of out-speeding the field.

At the Empire Games swum a year ago, Fleming left no doubt that he is Australia's best sprinter, and only a good man will deprive him of the 100 and 200 metres titles at later carnivals.

An interesting entry for the distance events is Keith Anderson of Townsville. Without a rival he clocked 5m 32s for 440 yards recently.

BACKSTROKE PROSPECTS

Next in importance is the 100 metres backstroke title that was won by Kev Horn last season in 1m 19s. He will compete again and he will have nine competitors to beat if all those nominated start. Amongst them is Jack Venning who was second last season in 1 1/5ses slower time. Venning is the medley champion of the metropolis and his improvement since last year has been sufficient to give him a good chance.

Freestyler Keith Anderson will also be in the event. Recently he defeated his brother Stewart who was third in the State title last year.

Three other men's championships will be decided on Saturday night, 50 metres Under 12 State, 100 metres freestyle country, and 50 metres junior freestyle country. Country events were won last year by N.Wedlock (Cairns) 100 metres, and E.Leau (Warwick) 50 metres.

NAKAMA'S NEW FIGURES AUSTRALIAN RECORD OVER 400 METRES FLEMING, TITLE HOLDER, IN SECOND PLACE

Kyoshi Nakama, the Hawaiian 18 year old swimmer, made an Australian record fall in 4m 51 1/5s for the distance when he won the 400 metres freestyle title of Queensland at the State and Country Championships at the Valley Baths last night. It was Nakama's best swim over what is claimed to be his best distance.

With half the distance covered he had a Queensland record of 2m 16s for 200metres, and that bettered by 1 1/5secs the time made by Jean Taris, the Frenchman, when he visited Queensland. Nakama was first into the water, turned first, and increased his advantage with each lap to finish with his nearest opponent, W.Fleming the title holder, nearly 40 yards away. The sectional times of Nakama's great swim were ñ 50 metres 31 2/5, 200 metres 2m 16, 300 metres 3m 32 4/5, 400 metres 4m 51 1/5. The visitor gave a display of easy rhythm and great speed in keeping with the reputation which preceded him.

In the absence of the Hawaiian, Fleming would have been the hero of the race. His time was 5m 21 3/5s, faster by 1/5sec than V.Tremble's best time by a

Queenslander. Fleming was not expected to retain the title. That made his effort a meritorious one.

Rex Blow, whose chances were not favoured, finished third and was so close to Fleming that he equalled Tremble's figures. Witt was fourth and Imrie fifth.

ANDERSON'S SUCCESS

The only surprise of the night was the defeat of Kev Horn by Keith Anderson of Townsville for the 100 metres backstroke title which was held by Horn. It was a close finish with Anderson succeeding by little more than a touch.

In winning the 200 metres Junior Squadron Championship, Rockhampton beat the record by a Rockhampton team by nearly four seconds.

NAKAMA WINS AFTER CRAMP 1500 RECORD SHATTERED BEATS FLEMING ALSO IN 100 METRES TITLE

Kyoshi Nakama, the Hawaiian swimming champion, scored a winning double at the Queensland Swimming Championships carnival at the Valley Baths last night in the 1500 metres and the 100 metres. Although attacked by severe cramp at 1100 metres he won the 1500 metres event by 30 yards in 21m 31 4/5s, a time which was 30 2/5 secs better than the Queensland record established by M.Witt of Maryborough last year.

Although it was announced that K.Anderson (Townsville) was second 1/5 sec ahead of R.Blow (Sandgate), the Executive decided at a meeting after the carnival that they were a dead-heat for second place, and a dead-heat for the Queensland title.

Nakama won the 100 metres event by 2 yards from W.Fleming (Sandgate) the Australian champion, in 61 1/5 secs. His time was only 1 sec outside the Queensland record held by Takaishi, the former Japanese champion.

In the 1500 metres A.Imrie led at 100 metres and was followed by R.Blow, M.Witt, and K.Anderson. Nakama was fifth. At 200 metres which was covered in 2m 45 1/5s Blow led by a touch from Nakama, then the Hawaiian went to the front and led by 7 yards at 300 metres. The race between Anderson and Blow for second place was the closest seen in the Valley Baths for years. Anderson in second place was no more than 2 yards ahead of Blow at any stage. Blow caught Anderson at the start of the last 50 metres and they raced together until the finish.

FLEMING TAKES EARLY LEAD

Nakama and Fleming both started well in the 100 metres title, but Fleming touched ahead at 50 metres. Although Nakama turned more quickly, Fleming still had the lead until 75 metres had been covered. Then Nakama forged ahead and won by 2 yards. Fleming had difficulty in defeating R.Campbell of Warwick who did well over the last 25 yards.

Iris Tubman who learnt of her pass in the Junior Public Examination yesterday created two records last night. She won the 100 metres Freestyle Championship of Queensland in 1m 12s, beating her own record time of last year by 1 1/5 secs. She defeated D.Story by 4 yards. Winning by 5 yards, Miss Tubman clipped 4 1/5 secs off the 100 metres backstroke record with a time of 1m 28 4/5s. M.Inwood, was second.

J.Meredith, the Sandgate champion, defeated M.Muller, the title-holder, by 2 yards in the 200 metres breaststroke Championship of Queensland. Meredith led all the way.

Joan Speed, the Cairns champion, won the 100 metres Junior Freestyle in 1m 18 3/5s. D.Cordary (Lismore) was second, but could not claim any titles placing.

At this time the ASU of A was considering a tour of South Africa by Australian swimmers.

Report from Capetown 20/1/39 - The South African Amateur Swimming Union at an Executive meeting today decided unofficially, despite the disapproval of Transvaal, that it was justified in making every endeavour to get Australian swimmers to tour South Africa. A further meeting of the Executive will be held and a decision in the affirmative is hoped to be made.

ANOTHER RECORD BROKEN
NAKAMA'S FOURTH IN FIVE STARTS
MEMORABLE SWIMMING AT STATE CARNIVAL

Kyoshi Nakama, the Hawaiian swimmer, made his final appearance at the Valley Baths last night memorable by giving the greatest display of speed over 200 metres that has been seen in Brisbane. His figures for the distance, 2m 16 4/5s excelled the previous best in the State of 2m 17 3/5s by Taxis of France five years ago. Nakama finished nearly 10 yards ahead of W.Fleming, second to him for the fourth time in the carnival. As in other events, Fleming will hold the title.

In five events Nakama has broken an Australian and three Queensland records.

It was his intention to leave today for the south for the Australian Championships, but has delayed his departure until tomorrow night to swim at Sandgate tonight.

WON MEDLEY

At his own request so he could lose a race in Brisbane, Nakama competed in the 300 metres medley. He won that too, his freestyle pace over the last 100 metres giving him several yards to spare over Keith Anderson (Townsville) who was ahead of the Hawaiian at the end of the second section, the backstroke.

At the conclusion of the medley, the President of the Queensland Amateur Swimming Association, Mr D.S.Carter, presented Nakamara with a large silver Cup.

IRIS TUBMAN'S TITLE

Iris Tubman made another remarkable swim when she registered 5m 54 4/5s for the 400 metres and beat the previous Queensland best time by 10 seconds. The second competitor, Jean McKenzie of Rockhampton, was 7 1/5 secs behind her at the finish. M.Inwood was third.

In the first event of the night, the Junior Women's 50 metres Backstroke, a title was lost when N.Bennett of Tewantin just defeated the holder, B.Hinchelwood. The winner is only thirteen.

K.Anderson won another title and defeated A.Holder when he was second to the ineligible Nakamara in the 300 metres medley. R.Campbell of Warwick (last year's winner) was third.

Pat Shanahan had an easy swim in the Women's 200 metres Breaststroke. That accounted for her time being 1 4/5 secs slower than when she won last season.

In the absence of Blow, the Junior 200 metres Freestyle Championship was won by J.Murray.

SIX CHOSEN TO VISIT SOUTH
QLD SWIMMERS FOR NATIONAL TITLES

The Q.A.S.A selectors, Messrs T.Boast, L.Stanton, R.McKauge, unanimously selected the following team for the Australian Championships to be conducted in Melbourne and Hobart, commencing on February 4 -

1. W.Fleming; 2. G.Johnston; 3. R.Anderson; 4 (equal). R.Blow and J.Meredith. The latter pair will be separated in the grading after the 800 metres on Wednesday.

Blow and Meredith will pay their own expenses to the championship.

The Q.L.A.S.A have decided that Miss Iris Tubman will represent Queensland at the championships.

The Manager is Mr D.S.Carter and the Chaperone Miss F.Granville.

BLOW WINS 800 IN BEST TIME BY A QUEENSLANDER

Rex Blow, the Sandgate swimmer, won the 800 metres Championship of Queensland at the Valley Baths last night in 11m 18 1/5s, the best time ever established by a Queenslander. M.Witt (Maryborough) the title-holder was 15 yards away, second. A.Imrie (Valley) was third 10 yards behind Witt.

Blow's time was 15 2/5secs better than Witt's winning time last year, and 14 4/5 secs better than W.Fleming's time in 1935.

Jack Medica, the world champion, holds the record at 10m 35 4/5s.

K.Anderson who has been selected to represent Queensland in the National Titleless, and who dead-heated with Blow in the 1500 State championship, could do no better than fourth, 40 yards behind Blow. I.Waddell (Gladstone) led at the 100 metres but Blow went to the front at 150 metres and was never headed after.

MANY RECORDS

Miss J.Carruthers (Rockhampton) broke the record for the 50 metres 13 & Under 14 by 3 2/5secs. Miss C.Springfield, last year's winner and record holder was third.

J Stuart Parkinson, the Toowoomba junior, and J.MacTaggart (Church of England Grammar School), raced neck and neck over the 200 metres Under 18 Championship. Parkinson won by a touch in 2m 31 2/5s.

7 2/5 secs were clipped off the 100 metres Under 14 Championship title by Howard Cook who came from Mosman to compete and swam the distance in 1m 12s and won by 2 yards from N.Thomas (Valley).

Joan Speed (Cairns) defeated R.Gill (Rockhampton), the title-holder, by 3 yards in the 50 metres Country Championship. Miss Speed's time was 34 1/5secs.

The Rockhampton Club established a record of 23m 52s for the 250 metres Junior Squadron Championship. They won by 3 yards from Valley, the holders.

BLOW TO GO WITH TEAM
QASA TO PAY HIS EXPENSES

A proposal to send the remainder of the State swimming team to Melbourne first class was considered by the Queensland Amateur wimming Association last night but was rejected. Instead it was decided to pay the expenses of R.Blow with the team.

Blow's remarkable swim in the 800 metres last night when he lowered the State record, influenced the decision. Previously Blow had intimated that he did not intend to make the trip if he had to pay his own expenses.

Blow, G.Johnston, K.Anderson, J.Meredith, and Miss Iris Tubman, will leave by the Kyogle train today

WHO CONTROLS NAKAMA'S VISIT TO AUSTRALIA?
N.S.W or A.S.U"?
QLD SWIMMING SECRETARY'S PERTINENT QUERY

"So many remarks have been made by southern swimming officials in a section of the southern press regarding Kiyoshi Nakama's tour of Queensland that I am beginning to wonder if the New South Wales Association has usurped the power of the Australian Swimming Union and has become the controlling body of Nakama's tour."

Mr Ron McKauge, honorary secretary of the Queensland Amateur Swimming Association, made this statement this morning when asked could he clear up any of the misunderstandings that exist regarding the Hawaiian's visit.

"The New South Wales Association," Mr McKauge explained, "has requested in most polite terms that the Queensland body send a manager to Sydney to conduct Nakama to Queensland. A wire from the Australian Swimming Union instructs us to take over Nakama's management from Wallangarra."

"This is only one of the many conflicting requests that are being received daily through the New South Wales Association's attempt to manage the Hawaiian's tour over the head of the A.S.U. Statements made by some southern officials regarding the strenuous programme Queensland had arranged for the Hawaiian swimmer were unfair," Mr McKauge pointed out.

The Victorian itinerary was pointed to with pride by an official. But this State, that had contracted to take Nakama for two weeks, had made strenuous efforts to have their time and their quota of the expense cut by half.

"The Victorian itinerary is small," stated Mr McKauge, "simply because there are not sufficient keen swimming supporters to make it larger."

NAKAMA NOT CONSIDERED

Discussing N.S.W, the Queensland secretary made it clear that that body had suggested that Murwillumbah take Nakama during his New South Wales tour. This would have meant a long journey from Sydney almost to the Queensland border and back to Sydney.

Murwillumbah would not agree, but this fact is pointed to by Mr McKauge as an indication that New South Wales were not considering Nakama when this move was suggested.

Mr McKauge concluded his explanation of the situation by stating that he had received instructions from the A.S.U secretary, Mr J.P.Sheedy, stating clearly that the swimmer's tour was in Queensland's hands from the moment Nakama reached Wallangarra until he left the State.

"Nakama's tour of Queensland concerns only Nakama and the Queensland swimming body," said Mr McKauge.

ANOTHER SPORTSMAN VICTIMISED ?
Fleming out of Swimming Team for South Africa

After being considered in all the preliminary discussions of the Australian swimming team to tour South Africa, W.Fleming (Queensland) was displaced today by R.Wilshire, the New South Wales man, when the team was finally announced by the Secretary of the Australian Swimming Union, Mr J.P.Sheedy.

When the matter of the tour was first mooted, the A.S.U secretary announced the names of several swimmers who would be suitable. W.Fleming was included, R.Wilshire was not. Later, the names of several alternative tourists was announced by the A.S.U secretary, and again Fleming's name, and not Wilshire's, was in the

list. Today the team was finally announced with Wilshire filling the place of Fleming.

FLEMING FASTER THAN WILSHIRE

Wilshire was chosen as a sprinter in the Australian Empire Games team, January 1939 and was out of the first four places in the final. In the same race Fleming was the first Australian to finish, recording 61 seconds for the 110 yards.

It seems that a sprinter is necessary for the South African tour, but it is very difficult to understand why Fleming should be overlooked at the last moment in favour of a slower man, especially when the two other members of the team are New South Wales men. The selection appears to be yet another example of victimisation of sportsmen who wear the maroon Q, in favour of southern performers.

The choice of both Ryan and Biddulph seems rather absurd when it is remembered both are distance men, with Biddulph the better in all races. If South Africa is looking for keen distance competition with their own swimmers, Biddulph would be the draw card alone.

RAY OF HOPE

There is a ray of hope in the matter of Fleming's non-selection, however, for the team will not leave Sydney until February 18, before which the annual Conference of the Australian Swimming Union will be held. The Queensland delegate to the Conference, Mr D.S.Carter, will probably ask some very pertinent questions on the team's selection.

SWIMMING STAR WITHDRAWS FROM STATE TEAM OBJECTS TO TRAVEL ARRANGEMENTS FOR MELBOURNE TRIP

W.Fleming, State swimming champion over three distances and first choice of the State selectors for the Australian Championships in Melbourne, has informed the Queensland Amateur Swimming Association's President, Mr D.S.Carter, that he is unavailable.

Fleming's reasons are that he would not be able to do himself or the State justice because of the travelling conditions for the team, and the brief time allowed in Melbourne for preparation.

The team will travel second class without sleepers, leaving Brisbane on Thursday and reaching Melbourne on Saturday. This will allow just four days for the swimmers to recover from the ravages of two night's travel without sleep, and this, the swimmer states, is not sufficient.

Fleming has a high reputation as a sprinter to keep up, and he considers it unfair to expect him to throw off the detrimental effects of the arduous journey to Melbourne and reproduce his best form in three days.

"PROBABLY MEAN MY SWAN SONG" SAYS FLEMING

"I realise that my decision will probably mean my swan-song in Australian swimming, but I feel the principle offers me no alternative," said Fleming in a statement following his withdrawal.

"I have been officially informed by the Secretary of the Association that the Queensland team, including myself, could not leave for the south before Thursday morning. I have been also informed that we would travel second-class," he remarked.

"I know what a second-class railway journey, even to Melbourne, really means to an athlete, and I cannot conscientiously accept the trip on these conditions, more especially when there is no good reason why I should not leave at least two days earlier."

"This is not a selfish attitude, for really by my withdrawal another swimmer will be entitled to the southern trip at the Association's expense. However few realise what sacrifices are entailed in travelling on sporting trips for long periods, and I could only make the trip if I were given a fair and square opportunity to compete against the southern sprinters on equal terms.

"The unfair treatment meted out to me in the selection of the South African team, when Wilshire was preferred, makes it more necessary that Queensland should afford me an opportunity to arrive in Melbourne in sufficient time to be in my best form for the sprint title race. My win in that event would be a Queensland success rather than a personal one."

FLEMING LEAVES FOR THE SOUTH

W.Fleming, holder of three Queensland swimming titles, and K.Nakama, champion of Hawaii, left for the south yesterday to compete in the Australian Championships in Melbourne and Hobart.

They will reach Melbourne on Friday, where Nakama will swim on Saturday. Fleming's first swim will be on Tuesday.

The Queenslander travelled second class, but Nakama, who is the guest of the Australian Swimming Association, travelled first class. He was accompanied by Mr C.Ewing, a local sportsman.

Nakama said he had a very pleasant time in Queensland.

SWIMMERS METHOD OF TRAVEL CRITICISM BY THE SOUTH

Melbourne, Friday

Mr H.A.Bennett, a selector of the Australian swimming team to attend the Olympic Games, at a Reception for the interstate swimmers today criticised the Queensland Amateur Swimming Association for sending its representatives to the Australian Swimming Championships with only second class travelling facilities.

Mr Bennett said the journey was very hard on the swimmers who were travelling all night. He had no doubt that the Association Executive when it travelled, went first class, and he hoped the time was not far off when the Queensland Association would see to it that its swimming champions were provided with the best travelling facilities.

The National Championships open at Surrey Park tomorrow. Interstate swimmers from New South Wales, Queensland, and Western Australia, as well as the Hawaiian champion K.Nakama, were welcomed by Councillor F.Beaurepaire on behalf of the Lord Mayor, Councillor Coles, at a Reception this afternoon.

It was explained in the Courier-Mail yesterday that most of those representing Queensland in sport travel second class by train. Cricket, rugby league, and tennis are the only sports which provide first class transport.

NAKAMA WINS 880
CLEVER WIN BY 25 YARDS
POOL RECORDS GO IN NATIONAL TITLES

Melbourne, Tuesday

Swimming with unhurried grace K.Nakama, the Hawaiian champion, defeated Robin Biddulph (NSW) by 25 yards in the 880 yards Freestyle Championship of Australia at the Olympic Pool last night. Nakama swam shrewdly, allowing Biddulph to make the pace at the start. He overtook the Sydneysider after 330 yards and won with ease.

Two Victorian records were broken during the night and a third new time was established in the 220 yards intermediate championship.

The night's biggest sensation was the defeat of Miss Dorothy Green of Western Australia by Miss M.Steele of New South Wales in the 440 yards freestyle championship. Miss I.Tubman (Qld) swam well to get second place.

TWO MORE FALSE STARTS

Two false starts set the crowd roaring before the women got away in the quarter mile. Miss M.Steele went away from the start with Miss Tubman and Miss Green close behind. At 110 yards Miss Tubman set up a lead of 1 yard, but at the 220 yards mark Miss Steele and Miss Green overhauled her. Miss Steele went right away in the last two laps and by the last turn led by an unbeatable margin. Miss Green was tiring fast and Miss Tubman passed her 20 yards from home.

Results - Australian Championships

110 yards Backstroke - R.Bassingthwaite (NSW) 1, J.Thistlethwaite (Vic) 2, F.French 3

880 yards Freestyle - K.Nakama (Hawaii) 1, R.Biddulph (NSW) 2, R.Blow (Qld) 3, G.Valentine (NSW) 4 Time 10ms 27s

Women's 440 yards Freestyle - M.Steele (NSW) 1, I.Tubman (Qld) 2, D.J.Green (WA) 3, Time 5m 53 2/5s.

OLYMPIC SWIMMING PLANS

The Annual Conference of the Amateur Swimming Union of Australia decided that State and Australian Championships will be part of the National Jubilee to be held in Sydney in 1942. On the grounds that it was opposed to the principles of the International Federation, permission to hold World Championships at the Jubilee was not granted.

A motion by the Queensland delegate that standard times for various events in Australian tests for Olympic representation be sent to the States six months before the date of the tests was lost after discussion. It was held by Conference that under this system smaller States where swimming was only a summer sport would not be represented at all, and a resulting lack of interstate interest might damage the support to run the tests.

The Conference decided that for the next Olympic Games swimmers would select their own representatives, manager, and coaches, and subject to approval by the Australian Olympic Federation on matters of moral conduct and health, they should not afterwards be interfered with.

It was agreed that tests should be held in central cities under conditions conforming to Olympic standards, and that particularly that such events be held where there would be of the greatest interest.

HIGH DIVING RECORD BY MASTERS

Melbourne, Wednesday

R.Masters (Vic) won the Australian High Diving Championship at the Brunswick Baths this afternoon. Masters scored 108.11 points, the highest ever recorded in Australia for an event of this kind.

Miss Irene Donnet (Vic) won the Women's Championship.

Results ñ

Men - R.Masters (Vic) 108.11 1, A.O'Connor (NSW) 89.92 2, A.Coombes (SA) 77.75 3

Women - Irene Donnet (Vic) 34.96 1, L.Hawe (NSW) 62.16 2.

NAKAMA'S EASY WIN - QUEENSLANDER THIRD

At the annual military swimming carnival at the Richmond Baths tonight, the 1650 yards Australian Championship was decided and resulted in an easy win for K.Nakama (Hawaii) from Robin Biddulph (NSW) and R.Blow (Qld).

Neither Biddulph or Blow had any chance of beating the visiting champion. Nakama's time was 20m 26s. K.Anderson (Qld) also started.

NAKAMA'S FOURTH TITLE
DEFEATS OUR BEST SPRINTERS
VICTORIAN TOO GOOD FOR FLEMING

Melbourne, Thursday

Heading the Australian sprint champions home in the 110 yards National Championship at the Olympic Pool tonight, Stewart, a young Melbourne swimmer, was greeted with cheers. He was second to Hawaiian champion Nakama, and was the first Victorian to win the title since just after the war. Winning the 110 yards made Nakama's fourth in Australian Championships since he came to Melbourne. He is not eligible to hold the Australian title which goes to the man finishing second to him in each case.

Miss Irene Donnet retained her Australian Springboard title after an upset due to the late arrival of an official and the postponement of the event.

In the Women's National Half Mile event, Miss Steele (NSW) who took the 440 title on Tuesday, led from the start to the finish and won by 55 yards.

R.Cornforth (NSW) finished strongly in the last lap of the 220 yards breaststroke to win from J.Johnston (Vic).

QUEENSLANDER SECOND

Miss Steele went to the front from the beginning of the Women's Half Mile and continued to increase her lead throughout the race. Only three girls started. I.Holman (Qld) was second, well ahead of B.Hyde who was a substitute starter for Victoria.

W.Fleming (Qld) broke at the start of the 110 yards but the swimmers were not brought back. Stewart quickly went to the front but was caught by Nakama and Fleming. Stewart was in second place at the turn when Nakama who had been content to hold the field, shot away. He won by 2 yards. Stewart, finishing strongly, held off Fleming and Wiltshire who were separated by a touch.

Stewart was the first Victorian to win since Ivan Stedman won in 1922.

It was impossible to say how the bad start affected the chances of the other swimmers.

The other surprise was the inclusion of R.Wiltshire, the New South Wales sprint champion who flew over without telling the Manager of the team that he was coming.

CAMERON'S BEST

Cameron, the Victorian champion, was first to show in the breaststroke event and turned ahead of Cornforth (NSW). Johnston, the former South Australian champion and Victorian second string, swam into third place at the turn displacing Meredith. Cameron had a 3 yard advantage at the half way with Johnston drawing up. The pair turned together for the last lap but Cornforth finished with a tremendous burst to catch and pass him. Cornforth was 5 yards ahead of Johnston who beat Cameron for second place by a touch. Cook (Tas) was fourth with L Holle (Vic) fifth.

Results -

Men - 110 yards Championship of Australia - K.Nakama (Hawaii) 1, Stewart (Vic) 2, W.Fleming (Qld) 3, Wiltshire (NSW) 4. Time 63 2/5secs.

220 yards Breaststroke Championship of Australia - R.Cornforth (NSW) 1, J.Johnston (Vic) 2, R.Cameron (Vic) 3. Time 3m 6s

Women - 880 yards Championship of Australia - M.Steele (NSW) 1, A.Holman (Qld) 2, B.Hyde (Vic) 3. Time 12m 35 2/5s

Springboard Diving Championship of Australia - I.Donnet (Vic) 1, L.Hawe (NSW) 2

BLOW'S LAST MINUTE TRIP WAS JUSTIFIED

Rex Blow and Iris Tubman did Queensland Swimming credit being runners-up in three National Titles in this week. Blow is fortunate to be there. The decision to pay his expenses was made by the Queensland Amateur Swimming Association after his success in the 800 metres State championship, a little more than twelve hours before he had to catch his train. No one expected him to beat Nakama over 880 yards or even be a challenger. He would make him do his best.

SWIMMERS FOR SOUTH AFRICA HITCH IN TRANSPORT PLANS

Hobart, Sunday

Although all arrangements had been made for an Australian team consisting of N.Ryan, R.Wilshire (NSW), and R.Masters (Vic), to tour South Africa, no accommodation was available on the Anchises which is due to leave Sydney on February 18.

The Secretary of the Amateur Swimming Union of Australia, Mr J.P.Sheedy, said today that to avoid the abandonment of the tour steps had been taken to secure berths on the Necktar which was listed to leave Fremantle on February 18. If the Union was successful in securing berths on this vessel the three swimmers would travel to Western Australia by train, leaving Sydney on February 11 and arriving in Perth on February 15.

GIRL'S FAST TIME - SWIMMING TITLES ANOTHER WIN FOR NAKAMA

Hobart, Monday

The outstanding feature of the Australian National Swimming Championships at Hobart tonight was the magnificent performance of Miss G.Millard (NSW) in creating an Australian women's backstroke record for 110 yards and defeating the title holder, Miss P.Norton (NSW).

The most exciting contest was provided by K.Nakama the Hawaiian and R.Biddulph (NSW) in the 220 yards men's freestyle after a neck and neck fight. Nakama won by a yard. W.Fleming was third.

The National Title for 110 yards junior women's freestyle was gained by Miss N.Coulson who narrowly defeated the Western Australian, Miss J.Williams.

LED ALL THE WAY

Miss Millard jumped away with a large start in the 110 yards Backstroke Championship and turned at 55 yards in 36 secs, 2 yards ahead of Miss Norton, with Miss Tubman (Qld) close up. Miss Millard lost some time on the ropes of her lane in the middle of the last lap and it looked as though Miss Norton could pass her, but she drew slowly away to win by a length with 2 yards between second and third. Miss Norton's previous record was eclipsed by more than a second.

GREAT FIGHT

Biddulph got a slight lead early in the men's 220 yards freestyle, but he and Nakama turned together at 55 yards in 30 4/5 secs. Fleming, too, was close up. Biddulph then drew away only to be passed again by Nakama who touched just in front of him at 110 yards in 1m 6s. Both turned together for the last 55 yards but Nakama came away slowly, and though Biddulph made a great effort, the Hawaiian won by a yard with Fleming 10 yards away.

Coulson gained a slight lead soon after the start of the 110 yards Junior Women's Freestyle with the others close together. At 55 yards she touched just in front of Miss J.Williams (WA) and a great tussle ensued between them for the remainder of the race.. Williams lost some ground on the ropes. It was Coulson's second success at the carnival having won the 110 yards Junior Championship of Tasmania on Saturday.

Results -

110 yards Junior Women's Freestyle - N.Coulson (NSW) 1, J.Williams (WA) 2, P.bales (Vic) 3 Time 1m 15 2/5s

SWIMMERS FOR SOUTH AFRICA LEAVING HOBART ON SATURDAY

Hon Secretary of the ASU of A, Mr J.P.Sheedy, said today that arrangements had been completed for the Australian swimmers Ryan, Wilshire, and Masters, to proceed to South Africa by the steamer Necktar which is timed to leave Hobart on Saturday afternoon next.

Masters will fly to Hobart on Friday, and Ryan and Wilshire are being advised to leave Sydney by aeroplane on Saturday for Hobart to join the ship.

Mr Sheedy said that in view of the arrangements now made, time would be available for Ryan to contest the 440 yards Championship, of Australia at the Sandy Bay Baths with Nakama and Biddulph. Wilshire would contest one of the other events.

THREE SWIMMING TITLES CHANGE HANDS

Hobart, Sunday

Three Australian swimming titles changed hands on the concluding day at the Swimming Championships at the Sandy Bay Baths on Saturday. Miss P.Norton (NSW) took the 220 yards Women's Freestyle Championship from Miss D.J.Green (WA), R.Masters (Vic) won the Springboard Diving Championships defeating A.O'Connor (NSW) and G.Johnston (Qld), and Kyoshi Nakama, the Hawaii visitor, won the 440 yards Freestyle Championship in brilliant style. N.Ryan, the title-holder, was not a starter.

NAKAMA NOT HEADED

The 440 yards championship resolved itself into a race between Nakama and Biddulph. Nakama was never headed, but Biddulph hung on tenaciously and was never more than 5 yards behind. Fleming (Qld) was 30 yards away in third place.

Miss P.Norton (NSW) swam brilliantly in the Women's 220 yards Freestyle. She had a great tussle with Miss D.J.Green (WA) the title-holder over the first 110 yards, and after throwing her off had to withstand successive challenges from N.Coulson (NSW) and I.Tubman (Qld). However she was not headed and won by 6 yards.

Results -

220 yards Women's Freestyle - Miss P.Norton (NSW) 2m 41s 1, Miss I.Tubman (Qld) 2m 43 2/5s 2, Miss J.Holman (WA) 2m 45 3/5 3

Although they failed to obtain a place in the finals of the Speedo Shield competition last night, the Valley Club's A team with 15 points won the Metropolitan Swimming Association's Trophy by 2 points from the City Pastime A team. Postal Institute was third (12 points) and Moreton Bay and the Courier Mail fourth with 11 points each.

Valley had established such a good grip on the Shield that only a win by the Courier Mail team, which up to last night was runners-up, would have affected their position. The Courier Mail, however, was unable to field a team, so Valley's lead was unassailable.

Placings in the final race were ñ Postal Institute 1, City Pastime A 2, City Pastime B 3.

The women's relay series was won by the Sandgate Club which also was not placed in last night's final race. The team secured 15 points compared with 14 points by the Moreton Bay Club and the Pastime A team.

Moreton Bay with 18 points won the Association's Cup relay, Telegraph and Valley teams (each 17 points) were second.

SWIMMING STARS IN PUBLIC SERVICE SWIM

The State champion, W.Fleming, led the Lands Department team to victory over fourteen teams representing Government Departments at the Fourth Annual Civil Service Swimming Carnival at the Valley Baths last night.

Fleming won the 50 metres freestyle championship from J.Howard (Taxation) and R.Blow (Commonwealth Bank) in 28 seconds, and the 50 metres backstroke championship from K.Moreton (Teachers Training College) in 35 4/5 seconds. He was also the main-stay in the Lands Department relay team which won the 4x50 metres championship in 2m 5 2/5 s.

Although the Forestry No 2 team broke their submitted time by 11 4/5 secs, they won the Telegraph Cup for the handicap relay. The team breaking by 12 seconds or more, it would have been disqualified.

Lands Department No 3 team which was second broke their time by 10 seconds, and Labour and Industry (Relief Branch) which was third, broke their time by 9 seconds.

R.Stewart (Taxation) narrowly won the Valley Championship of the Service from R.Clancy (labour and Industry) and L.Corvi (Post Office).

The 50 metres breaststroke championship was won by H.Saunders (Commonwealth Bank) in 42 seconds

Miss M Cuzzu (City Council) won the 50 metres women's championship from Midd E.brenter (Taxation), the only other competitor.

Championship points were Lands Department 20, Taxation 16, Commonwealth Bank 6.

CRATE SWIMMER TO CROSS BRAMBLE BAY

With his legs protected from blubber and lice and swimming inside a crate, Peter McMillan, Captain of the Sandgate Amateur Swimming Club and well known in the Bremer river 3 mile events, will attempt to cross Bramble Bay from Woody Point to Sandgate on Monday.

Since the Sandgate Amateur Swimming Club was formed in 1924, it has been the ambition of some of its members to accomplish the feat. Peter McMillan, 20 years of age, 5 feet 4 inches in height, has been selected for the distinction. As protection from sharks he will swim inside a crate about 12 feet long, 8 feet wide, and 4 feet deep. It is made of wood covered with 2 inch wire netting and buoyed at each corner by an empty oil drum. It will be towed behind an old sailing boat which has been fitted with an engine. It may be possible to delay the start to 9am for the benefit of intending spectators at Sandgate jetty. The distance of about 4 miles should be crossed in a little over 2 hours.

(Was this the precursor of the Magnetic Island-Townsville swim initiated in 1954 and also held in cages, and a swim by Steven Holland across part of Moreton Bay in the 60's? The publication "Cage" produced to celebrate the fiftieth year since the first Magnetic Island -Townsville crossing, produced in 2004, lists swimmers of each year of competition among whom are many notable names of later years who were winners - John Rigby 1963, Craig Crozier 1970 & 1971, Justin Lemberg 1983, Michael McKenzie 1985 and 1988, Steven Holland 1986, and Duncan Armstrong 1989. SWAM FIVE MILES IN CRATE
WORRIED BY BLUBBERS

Peter McMillan, of Sandgate, swam from Woody Point Pier to Sandgate Pier yesterday, covering five miles in 2 hours 52 minutes.

Enclosed in a crate 12 feet by 8 feet and 4 feet deep and towed by a motor boat, he left Woody Point at two minutes past nine and reached Sandgate at 11.56. He swam overarm all the way and was always close to the front of the crate. After the first half mile water and other conditions were perfect.

He was comparatively fresh after his strenuous swim but commented, "I don't want to do any more of that."

TROUBLE WITH EYES

Thousands of blubbers caused trouble opposite the mouth of the Pine River. It was necessary to stop for a few minutes while the President of the Sandgate Swimming Club (Mr R.McKauge) which sponsored the swim, removed as many as he could from the wire netting of the crate.

As far as those in the launch knew, sharks were not interested in the swimmer.

SWIMMING PLANS

In spite of the fact several important positions have not been filled at the first Council Meeting for next Monday night, the Queensland Amateur Swimming Association will be ready to make its plans for the 1939-40 season.

Last season was memorable and profitable by the visit of Nakama, the skilful Hawaiian swimmer. Carnivals at which he appeared were such a success that the Association has a Credit Balance of £25 for the first time in many years.

At this stage it appears the State and Country Championships will be the season's main attraction as there will be many factors operating against the chance of arranging for an overseas swimmer to make a tour.

At the Annual Meeting of the Queensland Amateur Swimming Association on Monday night, W.Fleming, State triple title-holder, urged that the championships be held earlier, but the main difficulty would be the extra leave of absence for country swimmers who may be selected for national championships.

CLASH OF DATES

Speedo Shield contests now are to have a good following again. At the Q.A.S.A Annual Meeting Mr H.Wier complained that Club swims had clashed with Shield swims twice last season.

The Secretary, Mr R.McKauge, and the Treasurer, Mr V.Hartley, have been re-elected without opposition. Mr Hartley had been in office for six years and Mr McKauge was starting his fifth year.

Nominations for Executive closed at the meeting. Mr J.Whittington has gone to Mareeba and will not be a candidate. He was also a joint Handicapper with Mr J.Montgomery who will act alone in accordance with a decision at the Annual Meeting.

The dates for the Queensland Swimming Championships will be decided at the next Council meeting of the Q.A.S.A, following discussions at the Council meeting last night. The President, Mr D.S.Carter, said that it was not known when the National Title would be decided.

Because of the probable cancellation of the Olympiad next year, Western Australia has applied for restoration of the carnivals to Adelaide and Perth.

Messrs R.Horsley, E.O'Brien, H.Collings, K.Rankine, and R.Hodge, were elected to the Executive.

It was decided that the suspension of the Warwick Club be lifted.

The Courier Mail was granted registration as a House Club.

An all day carnival will be held at the Clontarf shark-proof enclosure on November 12.

SWIMMER FACES QUESTIONS

Perth Wednesday

The 440 yards Empire freestyle champion is an attendant at the Kalgoorlie Pool and the Kalgoorlie Club has asked the West Australian Amateur Swimming Association whether she has forfeited her amateur status.

The question has been referred to the Amateur Swimming Union of Australia for a ruling.

The rules and regulations of the Federation Internationale Natation Amateur provide that a swimmer becomes ineligible to compete as an amateur by engaging for remuneration directly or indirectly in duties of baths attendant, but can be reinstated ninety days after retiring from the position.

"Miss Green would not forfeit her status if the duties did not go beyond taking money at the turnstiles," was expressed by the President (Mr G.J.Kilpatrick) at an Australian Association meeting last night.

SWIMMING TITLES
TALENT SEARCH

Queensland swimming this year will be faced with a problem of replacing two out-standing champions, W.Fleming and R.Blow who have joined the Second A.I.F.

R.Campbell, country freestyle champion, is now living in Brisbane and has only to reproduce his last season's form to make him favourite for the 100 metres title.

Ian Wedlock, R.Hamilton (Longreach), will compete. Queensland's greatest prospect however is J.Stuart Parkinson, secondary schools Under 18 freestyle champion.

There is now a dearth of good distance swimmers, and on the early season form Anderson, Witt, and Imrie appear the outstanding contenders.

(The followed reports of some club swims - Sandgate, Moreton Bay, Valley Men, and Valley Women.)

Some ladies results -

A Senior 40 yards: P.Shanahan 1, I.Tubman 2, A.Frederich 3

THREE RACES TO IRIS TUBMAN
A.I.F.MEN SWIM AT SOUTHPORT

Miss Iris Tubman, Queensland's freestyle champion, was the most prominent of the Brisbane swimmers at the Southport Amateur Swimming Club's carnival tonight. She won three events.

Other State and metropolitan champions who took part were W.Fleming, Rex Blow, and Alan Imrie. Fleming, Blow, and another competitor P.Thompson, members of the Second A.I.F. obtained leave to take part. Rain insurance of £25 was collected.

TITLE IN FIRST SWIM FOR HORN

Though he had been sick for a month and it was his first swim for more than that time, Kevin Horn was victor in the 100 yards backstroke at the Eagers Speedo Shield carnival at the Spring Hill Baths last night.

Miss M.McKim was successful in the 100 yards metropolitan ladies backstroke championship. An exhibition swim was given by Miss Tubman.

Results -

Ladies Intermediate Metropolitan Backstroke Championship - Miss M.McKim, (Sandgate) 1, M.Inwood 2, M.Collings 3. Time 1.25 1/5

Ladies 200 yards Relay - Valley Junior 1, Valley B 2, Commercial 3

200 yards Speedo Relay - Sandgate 1, Postal Institute 2.

State and Country Championships will be held on January 12, 15, and 17. Change will be made because of the difficulty country swimmers in obtaining leave from their employment immediately after the Christmas holidays.

C.M. Thursday 30 November 1939

The absence of star lady competitors is regrettable for the improved form of Iris Tubman suggests that the Queensland girl would defeat all comers in the present circumstances. These would seem hollow victories. The success of Miss Tubman in freestyle events would give Queensland the Corbett Shield in the matter of Australian women's swimming supremacy.

A report from Cairns suggests that the Club has unearthed another prospective junior lady champion in 14 year old Flora May. Miss May travels 25 miles each week to compete in inter-club events, and last week was credited with covering the 50 yards in 30 3/5 seconds.

J Stuart Parkinson, Under 18 years champion who has completed his scholastic duties for the year, has returned to Toowoomba to undergo solid preparation for the Open events in January.

NORTON OR STEELE
STAR SWIMMER SOUGHT

The appearance of Pat Norton and Myee Steele, both of Sydney, have been secured for the Queensland Swimming Championships in Brisbane in January. Miss Iris Tubman (Q) is a swimmer of high calibre, but her value as a competitor would be lost in the Championships as there is no swimmer in the State who could extend her.

Miss Tubman was runner-up to the Olympic representative Pat Norton in last season's national sprint titles, and she also finished second to Myee Steele in the distance events. Miss Tubman has improved considerably since then and competition from either of the two Sydney swimmers would add considerably to the State Titles.

The financial success of last season's championships when Nakama Kayoshi was a competitor has prompted the QASA to invite outstanding opponents to compete in these events.

The North Queensland Championships will be contested in Cairns on Saturday December 16 and Sunday December 17. North Queensland has produced many State champions and the results of this season's events will be keenly awaited as Flora May, Howard Cook, and Norm Wedlock, are expected to record outstanding performances in their respective events.

PAT NORTON TO SWIM FOR TITLES

Pat Norton, Australian 100 metres women's swimming champion and Empire Games backstroke champion will compete in the State and Country Championships on January 12, 15, and 17.

The 440 and 88 yards champion, Myee Steele has also stated that she is willing to compete.

The Queensland Amateur Swimming Association has tried to secure the services of either of these ladies, and now might decide to invite both.

IMRIE STATE CHAMPION
CITY SWIMMING TITLE

Alan Imrie, Valley Club swimmer, retained his 800 metres title at the Metropolitan Championships and Speedo carnival at the Valley Baths last night after leading all the way from the Sandgate contender, B.McMillan who was also runner-up last year.

The 100 metres Championship was won by the former country champion Rod Campbell who defeated F.Trenfield by a yard. Campbell's time was 67 2/5 seconds.

Great surprise was occasioned when Commercial A was announced the winner of the Speedo Relay. The first four teams to finish were disqualified for breaking their times by more than the six seconds margin which was allowed. They were Postal Institute, Moreton Bay, telegraph, and Sandgate.

WOMEN'S TITLES IN SWIMMING
MAY HOLD THEIR OWN CARNIVALS

The Queensland Amateur Swimming Association favours the running of women's Australian championships by women, as suggested by the Australian Swimming Union.

The women's championships have been run by the ASU for a number of years. This year Victoria formed a Women's Amateur Swimming Association, making with Queensland, New South Wales, and South Australia the fourth State in the women's body. Women swimmers now seem strong enough to hold their own carnivals.

There will be no entertainment for country swimmers this year during the State and Country Championships, the exception being a Reception at Parliament House.

Pat Norton, visiting New South Wales swimmer and Empire champion, with a Manageress will be met on arrival next Tuesday by a Ladies Committee. To enable her to compete each night in the Queensland Championships, the medley, an event in which she will swim, will be transferred to January 17, and will be replaced by the breaststroke on January 12.

CUP DONATED TO WOMEN

As an encouragement to women who did not win a place in the Amateur Swimming Association's Championships, Mrs V McGregor-Lowndes has donated a Cup which will be awarded to the most consistent performer, other than a place-getter.

The Southport Ladies Swimming Club, the latest Club to affiliate with the Ladies Association, has sent in a pleasing number of entries for the championship

WOMEN BRING STARS TO MEET

The Queensland Swimming Championships commence at the Valley Baths on Friday night, probably with a duel between Pat Norton, the Olympic representative at the Berlin Games and holder of several Australian titles, and Iris Tubman, Queensland champion. These swimmers have met several times with Miss Norton taking the honours.

In the 200 yards in the Australian Championships in Hobart last February Miss Tubman was second, six yards behind Miss Norton who won in 2 min 41 secs. They were competitors in the 110 yards backstroke, won by Miss G.Millard (NSW) by ten yards. Miss Norton was second and Miss Tubman third.

The Queenslander was second to Miss Myee Steele (NSW) in the 440 yards race, Miss D.Green (WA) being third.

Miss Tubman has been swimming so well recently that Queenslanders have proved no match for her.

Swimmers from as far north as Mareeba and as far west as Longreach will compete for State titles.

C.M. Friday 12 January 1940

STATE RECORD MAY GO
SWIMMING STARS MEET TONIGHT
MISSES NORTON, TUBMAN, IN 100 METRES TITLE

Although the absence of Bill Fleming and Rex Blow from the State and Country Champion-ships - two high class performers ñ their absence should not detract from the attractive- ness of the carnivals as competition for the vacated titles will be keen.

Highlight of the opening carnival tonight will be the meeting of Iris Tubman and Pat Norton in the 100 metres freestyle championship. No matter who wins, the State record of 1 min 12 secs standing to the credit of Miss Tubman, is certain to be broken. Miss Norton will compete in the 400 metres championship on Monday.

P.Shanahan should have no difficulty in retaining her 200 metres breaststroke title with I.Tubman and N.Bennett the likely place-getters.

Six competitors will start in the 100metres Junior Womenís title, and the final should be fought out by J.Carruthers (Rockhampton) and I.Brown (Townsville) and C.Springfield (Valley).

PAT NORTON JUST BEATS IRIS TUBMAN
RECORD TIME IN 100 METRES FREESTYLE

Iris Tubman, Queensland triple champion, swam valiantly against Pat Norton (Sydney) in the women's 100 metres freestyle event at the State and Country Swimming Championships at the Valley Baths last night. She was defeated by only 1/5 second.

Alan Imrie secured his first State title in the 400 metres freestyle.

In the women's 100 metres title eight competitors struck the water almost simultaneously and the champions soon had the race to themselves. They turned almost on terms and the Queensland girl stuck to her speedy opponent and nearly made a dead heat of it. Miss Norton registered 1.11 3/5 and Miss Tubman 1.11 4/5, both better times than Miss Tubman's State record of 1.12.

P.Shanahan, defender of the 200 metres women's breaststroke title, was outclassed by Jo Lloyd, a Toowoomba competitor, who touched 7 3/5 seconds before her. Miss Shanahan's time was slower than when she won a year ago.

PAT NORTON'S DOUBLE
MISS TUBMAN BEATEN TWICE
PARKINSON AND IMRIE CLAIM TITLES

Miss Pat Norton, holder of the Australian 200 metres freestyle championship and a member of the Australian Olympic Team to Berlin in 1936, defeated Miss Iris Tubman, Queensland triple champion, twice at the Queensland Amateur Swimming Championships at the Valley baths last night, in the 100 metres backstroke and the 100 metres freestyle.

Men's 100 metres freestyle championship, which was vacated by W.Fleming who is in the Second A.I.F., was won by J Stuart Parkinson.

NEW RECORD

In the 200 metres Miss Norton and Miss Tubman soon left the others behind. At 150 metres the Sydney girl led by a narrow margin. She emphasised her superiority in the final lap and touched with an advantage of 3 1/5 seconds. Miss L.Gill of Rockhampton was third, a long way back.

It was a fine swim by Miss Norton whose swim was only 1/5 second slower than the record held by Miss Joyce Cooper of England.

Miss Norton registered 1.23 for the 100 metres backstroke, 5 4/5 seconds faster than Miss Tubman's record time for Queensland, and 4 seconds faster than her time last night.

The first title-holder to lose was Miss N.Bennett of Tewantin who finished second to Miss Nancy Lyons (Valley) in the 50 metres junior championship. The time was much slower than that of last year.

A country girl, Miss G.Butcher of Mareeba, took the 100 metres State title for juniors.

IRIS TUBMAN IN NATIONAL TITLES

Iris Tubman, Queensland champion freestyle and backstroke swimmer, will leave Brisbane on Friday for the Australian Championships in Perth and Adelaide, commencing in Perth on January 26. Her sister, Miss Doris Tubman, will act as Manageress. Miss Tubman will enter for the 100 and 200 metres freestyle and the 100 metres backstroke championships in Perth, and the 400 metres freestyle in Adelaide.

On return from Perth to Adelaide she may swim in the women's 120 yards freestyle event at the Kalgoorlie swimming carnival.

IRIS TUBMAN'S TRIUMPH
DEFEATS PAT NORTON OVER 400 METRES
J.PARKINSON SCORES IN SPRINT SWIM

Queensland triple swimming champion, Miss Iris Tubman, was greeted with loud cheers when she defeated Miss Pat Norton (Sydney) in the 400 metres freestyle championship of Queensland at the Valley Baths last night.

This was the first time in four events that the Queensland girl had triumphed over the visitor who is an Empire Games swimmer.

Of the four competitors in the 400 metres, Jean McKenzie was last away. Miss Tubman dominated the early stages of the race. She and Miss Norton touched together at 250 metres, but at the 300 metres Miss Norton had what seemed a winning lead of about four yards. It was in the last lap the Queensland girl predominated and finished with an advantage of only 1/5 second.

CHANCE FOR A TITLE
IRIS TUBMAN IN PERTH

Miss Iris Tubman, Queensland junior representative at the National Swimming Championships beginning tomorrow in Perth is expected to win the 220 yards freestyle next Wednesday night. If Miss Tubman succeeds it will be her first senior national title.

On Monday night Miss Tubman will oppose Misses Dorothy Green and Evelyn de Lacy in the 110 yards championship. Miss Norton, holder of the title who defeated Miss Tubman in Brisbane, will be an absentee, but the holder of the Empire title, Miss de Lacy, will prove a very difficult opponent for the Queenslander, while Dorothy Green will only have to reproduce the form she displayed at the Empire Games to make her a strong contender.

UNION TO CONTROL WOMEN'S SWIMMING

The annual Conference of the Australian Swimming Union today rejected the proposal that the Australian Women's Association be allowed to hold their own championships. It was decided that the Union would have the sole authority over any suggested tours of swimmers from outside Australia.

Fear that New South Wales and Victoria would gain control led to considerable opposition to the proposal by Mr S.B.Granger (NSW) for alteration to the Constitution. This proposal provided for a Board of Control which would meet twice a year with representatives in proportion to population.

The Conference agreed that the Constitution should be reviewed by each State and that the replies together with the New South Wales proposal be sent to the Executive for review and submission to the next Conference.

The Conference rejected the proposal that the annual Conference be held only be held in Adelaide, Melbourne, and Sydney.

FLEMING'S LAST EFFORTS IN QUEENSLAND

W (Bill) Fleming, former State and national champion, last night made his last appearance at a swimming carnival in Queensland before his departure overseas with the Second A.I.F. His time was 56 seconds for the 100 yards.

In winning the 880 yards freestyle, B.Wilkes (Maroochy) set a new Race and Best by Queensland record of 10.52.

Some ladies results -

City Pastime won the 1939-1940 Speedo Shield, finishing first in the final series from the back mark.

The 200 yards Breaststroke title went to P.Shanahan (Val), and M.Collings (CP) added another title to her list by winning the Junior 50 yards Backstroke.

200 metres Men's Country Squadrons Championship - Cairns (A.Weatherburn, M.Quickenden, N.Jones, A.Boundy) 1, Ipswich (P.Maxwell, C.Bannerman, J.McNamara, V.Parslow) 2, Toowoomba (J.Rivett, D.Trenergy, R.Wise, K.Childs) 3. Time 1.37 2/5.

RELAY SWIMS TO LABOUR OFFICE

The Civil Service relay handicap for the Telegraph Cup was won last night at the Valley Baths by the Head Office of Labour and Industry.

This was the final carnival of the season for the Queensland Amateur Swimming Association. The first finishing team touched with a large margin in the final but broke their submitted time by 15 2/5 seconds and were disqualified. The member of the team to swim the last lap showed a lack of judgement or she would have slowed down, and saved the 5 2/5 seconds excess over the 10 minutes allowed, without risk of being beaten.

The Tooth Shield was finalised with City Pastime with 41 points winning by 2 points from Commercial. City Pastime will hold the Shield for twelve months.

Results of ladies events -

100 metres Breaststroke Scratch Race - R.Keenan (Com) 1, M.McKim (S/gate) 2, J.Collings (CP) 3. Won by four yards. Time 1.52 3/5.

100 metres Senior Ladies Scratch Race - S.Rodwell (S/gate) 1, H.Shaw (CP) 2, J.Muir (Lea)

Ladies Dive - J.Clarke (CP) 1, S.Sturdy (Moreton Bay) 2, J.Rodwell (S/gate) 3.

SWIMMERS ANSWER THE CALL

The call of King and Country has been answered readily by swimmers Fleming, Blow, Campbell, and a host of top-liners have joined the colours and big match competition is in the doldrums. Officials also have put their shoulders to the wheel, and many new faces will be seen at Q.A.S.A. headquarters. Departure of Sub Lieutenant Ron McKauge (hon sec) leaves the biggest gap, but Executive vacancies also prevail through the absence of A.I.F. men, Sergeant Rex Horsley, and Private Dave Rankins.

STATE SWIMMING TITLES
MOVE BY DELEGATES FOR CARNIVAL

The delegates to the Queensland Amateur Swimming Association may decide at tonight's meeting to rescind the Executive's decision of last season to abandon the State and Country Championships.

The President (Mr D.S.Carter) said yesterday that he expected a move to be made by delegates, but the question of the cost of conducting a three night carnival under war conditions would have to be considered. The carnival would become the financial responsibility of the Association for some one hundred and forty pounds.

Mr Alan Hemming, the retiring Secretary, has notified the President that he does not desire re-election. Mr Hemming recently suffered a family bereavement. It is the desire of the delegates, however, to retain the services of Mr Hemming, and there will be a move made tonight to induce him to reconsider his decision.

Only one nomination has been received for Treasurer, Mr Vic Hartley.

DRAW FOR MERCANTILE SWIM RELAY

66 teams, representing mercantile traders in Brisbane, will compete in the teams relay handicap for the Elphingston Shield at the mercantile carnival at the Valley Amateur Swimming Club's meet at the Valley Baths tonight. The race is over 200 metres, and the team winning the final will retain the Shield for the next twelve months. The present holder is E.G.Eager & Sons team.

Teams which win semi-finals will also receive a Cup. First second and third in the heats will start in the semi-finals.

During the evening there will be a diving display by G.D.Johnston, L.Clancy, A.Campbell, W.Kane, A.Harrower, and W.Morrall.

The Shield and other trophies will be presented by Alderman G.Downey.

NEW ZEALAND INVITES WOMEN SWIMMERS

Misses Gwen Millard (NSW), Dorothy Green (formerly of West Australian, now of South Australia), and Iris Tubman (Qld), have been mentioned as representatives if the Australian Swimming Union accepts an invitation to send a team of women to New Zealand to swim in aid of Patriotic Funds.

Miss Green holds the 220, 440, and 880 yards Australian titles, Miss Millard is back-stroke champion, and Miss Tubman is a triple title holder in Queensland and was runner-up to Miss Green in the 220 and 440 Australian championships.

If the tour is made, it will be early in 1941.

MOVES TO HOLD STATE SWIM TITLES

Following the protest made by Rockhampton and Tewantin against the decision of the Council of the Queensland Amateur Swimming Association to abandon the 1940-41 State and Country Championships, Mr E.J.Goodwin gave notice of motion at last night's Council meeting "that the record of the Council's decision be erased from the minutes of the Association."

Before the acting Chairman, Mr E.F.O'Brien, accepted Mr Goodwin's motion a heated discussion took place between the Chairman and Mr D.G.Johnston, representative of Bowen. This resulted in Mr Johnston leaving the meeting which was then terminated for want of a quorum.

The next Council meeting will be held on January 6.

FEES REDUCED

Affiliation fees were reduced from two guineas to one guinea for metropolitan Clubs and from one guinea to ten shillings and sixpence for country Clubs.

Permission was given to the Association's troupe of divers to appear at the military carnival to be held on Friday night.

Southport was given permission to conduct a carnival at Christmas. Certificates, in place of plaques, will be awarded to swimmers finishing first, second, and third in men's championships on 1 February 1941.

Flora May, the Cairns junior, will make her debut in Brisbane at the State and Country Swimming Championships which are being held on January 12, 15, and 17.

Last season in Club championships she defeated the Cairns champion and former Queensland junior champion, Joan Speed, in Open events. Miss May will compete in the 200 metres Open Freestyle on January 12, and the Junior 100 metres Freestyle, 200 and 50 metres Open

And 100 metres Country championship on January 15, and 400 metres Open Freestyle and 50 metres Junior Freestyle on January 17.

Entries for women's events are a record, and those for the Junior men's events are about the same as last year.

D.Smith, a schoolboy member of the Rockhampton Railways Club, may prove the outstanding boy in the Under 14 group. His best time for 50 metres is 37 seconds.

SWIM OFFICIAL TO EXPLAIN

The Queensland Amateur Swimming Association decided last night to call on the Bowen representative, Mr G.D.Johnston, to explain his defiance of the ruling of the acting Chairman, Mr E.F.O'Brien, at the previous Council meeting. The motion concerning Mr Johnston was defeated.

The notice of motion of Mr E.J.Goodwin questioning the right of the Executive to abandon this season's State and Country Senior Men's Championships was deferred for consideration at the next Council meeting.

The Australian Junior Women's 110 yards Freestyle Championship has been allocated to the QLASA for decision at a carnival at the Valley Baths on February 5.

The State swimming selectors are to be consulted regarding the possibility of Queensland nominating a representative to swim in the Junior Men's 110 yards Freestyle title which will be raced in Sydney early next month.

The Treasurer, Mr V.Hartley, was made a Life Member of the Association.

IRIS TUBMAN TO DEFEND FIVE TITLES

Iris Tubman will defend her Queensland titles for the 100, 200, 400 metres freestyle, and the 150 metres medley at the State and Country Swimming Championships at the Valley Baths next Monday, Wednesday and Friday. Her form is as good as last year. Yesterday she swam 50 metres in 31 seconds, and at the Valley Club swim on Wednesday she gave away 20 seconds over 100 metres and came in second.

Ruth Gill (Rockhampton) the country 50 metres champion has bettered her record time of 33 2/5 seconds by 3 1/5 seconds. She will also enter for the 200 and 100 metres freestyle events.

SIX RECORDS GO IN STATE SWIMS
TUBMAN STARS AGAIN

Six records were broken at the mixed State and Country Swimming Championships carnival at the Valley Baths last night.

Miss Iris Tubman (Valley) was again the star and retained two of her titles, the 100metres freestyle and the 150 metres medley championships. She clipped 2/5 seconds off her previous record time in the medley race.

14 year old Flora May of Cairns won the 100 yards Junior Freestyle Championship but was defeated in the 50 metres Country Freestyle Championship by Ruth Gillof Rockhampton who won by a touch in a thrilling finish.

Winning his second championship since 1935, Howard Cook of Cairns broke a record when he won the 50 metres Country Freestyle Championship. His time was two seconds better than the previous record held by R.Ross of Tewantin.

Miss D.Ross (Tewantin) must be the unluckiest competitor in the carnival. She had the 40 metres 12 & Under 13 years Championship won, but slowed up three yards

from the finishing line when she thought she had passed the mark. Miss M.Davison (Valley) holder, finishing well, won in record time.

Records broken - 30 metres Under 12 Freestyle Championship, D.Peterson (Maryborough) in 21 seconds - previous record 21 3/5: Miss Davison (Valley) 40metres junior Freestyle in 23 3/5 secs - previous 28 4/5 secs: H.R.Cook (Cairns) 50 metres Country Championship in 29 secs - previous 31 secs: A.Davison (Valley) 50 metres Junior Backstroke Championship in 36secs - previous 39 4/5: 250 metres Junior Squadron Championship Valley in 2.40 4/5 - previous 2.48 3/5: I.Tubman (Valley) 150 metres Women's Medley Championship in 2.17 4/5 - previous 2.18 1/5.

JUNIORS TO CLASH IN TITLE SWIMS

The clash between Howard Cook (Cairns) and Neville Brough (City Pastime) in the 200 metres Junior Championship of Queensland will be a highlight of the State and Country Swimming Championships at the Valley Baths tonight.

Brough defeated the Cairns champion in the 100 metres Junior Title on Monday night. On Wednesday night Cook took the 50 metres Junior Championship, covering the distance in 29 seconds, 2 seconds faster than the previous record.

(Then a list of Cook's past performances was given)

BROTHERS AND SISTERS SHARE IN SWIMMING TITLES

Brothers and sisters, all juniors, won titles on the final night of the State and Country Swimming Championships carnival at the Valley Baths last night. They were Margaret and Alan Davison, and Nancy and Pat Lyons, all from the Valley Club.

Surprises were the defeat of Flora May (Cairns) in the 50 metres Junior Freestyle Championship by Joan Carruthers of Rockhampton, and the defeat of H.R.Cook (Cairns) by Alan Davison (Valley) in the 200 metres Junior Freestyle Championship.

Three records were broken during the night. The 10 year old Nancy Lyons received a great ovation when she defeated Joan Lloyd (Toowoomba), holder, in the 200 metres Breaststroke Championship of Queensland. Miss Lloyd was at least ten yards ahead of Nancy at the 100 mark, but Miss Lloyd tired over the last 30 yards and was defeated by two yards.

Howard Cook was favourite for the 200 metres Junior Freestyle. Neville Brough (City Pastime) led early from Cook, but over the concluding stages Alan Davison made up a lot of ground to win by two yards from Cook and G.Thomas (Valley who dead-heated for second. Brough was fourth.

FLORA MAY DEFEATED

Joan Carruthers (Rockhampton) finished too strongly for Flora May to win the 50 metres Junior Women's 50 metres Freestyle Title. Flora started again in the 400 metres Freestyle Championship and was beaten into third place by Iris Tubman (holder) and Marie Collings (City Pastime). A feature of the race was the finishing burst of Miss Collings who made up five yards on Miss Tubman in the last fifty metres.

Records were broken by Joan Hamilton (Longreach) in 50 metres Women's Freestyle Championship 13 and Under 14 years in 35 seconds - previous 38 4/5. Ron Lamberton (Rockhampton Railways) 200 metres Under 18 Freestyle in 2.27 4/5 - previous 2.31 3/5. Margaret Davison (Valley) 50 metres Junior Women's Backstroke in 41 1/5 - previously 42 4/5.

Trophies were presented by the President of the Queensland Ladies Amateur Swimming Association, Mrs N.Wright.

WOMEN'S TITLES SWIMMING PROGRAMME

Thirteen events were drawn up last night for the carnival associated with the Australian Women's 100 metres Swimming Championship at the Valley Baths on February 5.

The title race will be contested by Queensland, New South Wales, and Victoria. Twelve handicap events have been included in the programme as well as a diving display.

The 1940 State 100 metres Junior champion, Joan Carruthers of Rockhampton asked permission to swim in the Australian Championship at her own expense. The Executive of the Women's Association granted permission but no decision was made about helping to meet her expenses.

Business houses will be catered for at the carnival with 200 metres teams race. The teams may consist of two men and two women.

Trophies will be presented for the first and second in all but the teams race and the brace relay.

RECORD BREAKING GIRL SWIMMER ARRIVES

A 14 year old girl swimmer who has won five Victorian Open Championships, one Australian, and three Victorian Junior Titles, arrived in Brisbane by plane last night.

She is Judy Joy Davies, breaker of more than ten records who will defend her National Junior 100 metres Freestyle title at the Valley Baths next Wednesday night.

Judy's main rivals in the 100 metres championship will be Flora May, Joan Carruthers, and Margaret Davison.

C.M. Friday 31 January 1941

IMRIE WINS TWO MORE BRISBANE TITLES

Swimming in great style, Alan Imrie (Valley) took the 200 metres Metropolitan Freestyle and the Metropolitan Medley Championships at the Davies Park Baths last night.

In the freestyle event Imrie swam the first 100 yards in 61 2/5 seconds. Imrie holds the 440 and 880 yards metropolitan titles, the 440 and 880 yards State championships, and Point Danger and State surf belt championships.

Neville Brough (City Pastime) Queensland Junior champion who will compete in the Australian 100 yards Junior Championship in Sydney next week won the 200 yards Junior metropolitan freestyle championship.

The first of the series of Speedo relays was won by last year's holders, City Pastime.

JUDY DAVIES BETTERS POOL RECORD IN TRAINING

Judy Joy Davies, Australian Women's 100 yards Junior freestyle champion was timed by an onlooker to cover the distance in 1 min 12 secs at a training swim at the Valley Baths at the weekend. The present junior record for the pool is 1min 13 3/5 secs established by Iris Tubman when she was fifteen.

Margaret Davison turned thirteen, six days ago, and will be the youngest competitor. She is coached by Margaret (? Mabel Ed) Springfield who was twice selected for the Olympic Games. Margaret, when she was twelve, won the Under 16 Backstroke Championship of Queensland and four 13 years State titles. She has been holidaying at Tugun but travelled to Brisbane on Friday for final training.

COACHED ONLY ONCE

Only an hour after she arrived in Brisbane yesterday, Winnie Rostron, the sole representative from New South Wales, was training at the Valley pool.

STATE TITLES SWIM TO BE HELD

The decision to abandon the State and Country Swimming Championships for the duration of the war made by last year's Executive of the Queensland Amateur Swimming Association was ordered to be erased from the records by a motion agreed to by the Council last night after lengthy and often heated discussion.

Mr E.J. Goodwin asked the Chairman (Mr D.S. Carter) to allocate several of the championships to the Ipswich body. This was prepared to finance such events this season. Mr Carter replied that the question of holding the championships would be reviewed at the next Council meeting on March 3.

Mr J.D. Johnston's explanation regarding his leaving the previous meeting without consent of the Chairman, was accepted.

Permission was granted to State champions Alan Imrie and Kevin Horn to swim at a carnival at Maryborough on February 21.

Nancy Lyons, the Queensland 50 metres Junior breaststroke champion, was granted permission to make an attempt on her Queensland record of 45 1/5 seconds at a carnival to be held in the Valley Baths tomorrow night. The attempt will be made in the 50 metres junior handicap. Official timekeepers will check Lyons time.

The New South Wales Association has been notified that Neville Brough has been selected as Queensland's junior representative. The date of the national event has yet to be arranged.

SHIELD SWIM FOR SANDGATE

The next series of Speedo Shield senior and junior inter-club relay events will be decided at the Sandgate Baths on February 11. Three metropolitan championships will also be contested at the carnival.

TWO SHOULD SET A POOL RECORD IN TITLE SWIM

14 year old Judy Joy Davies of Melbourne, the Australian 100 metres junior title holder will defend the title at the Valley Baths tonight at 8.30 o'clock. Judy is expected to break at least the junior record for the pool of 1.13 3/5 held by Iris Tubman. The national record of 1.10 3/5 is held by Pat Norton, and was made six years ago.

MERCANTILE RELAY

City pastime Club will conduct a 200 yards mercantile teams relay at Davies Park Baths on February 13 to cater for the rivalry between Brisbane's business

houses. The winning team will be awarded the Tristram's Trophy to be held for twelve months. The competition will be open to amateurs only.

JUDY JOY DAVIES SETS RECORD IN TITLE SWIM
NANCY LYONS BEATS HER OWN FIGURES

Leading from 10 metres to the finish, Judy Joy Davies of Victoria easily retained her 100 metres National Junior Women's Freestyle Title at the Valley Baths last night. She won by 5 4/5 seconds to break the two year race record of 1.15 3/5 by 1 second. Her time was 1 2/5 outside Iris Tubman's Queensland junior record.

Finishing times were - Judy Joy Davies (Vic) 1.14 3/5; Joan Carruthers (Qld) 1.20 2/5; Winnie Rostron (NSW) 1.20 3/5; Flora May (Qld) 1.21' Margaret Davison (Qld) 1.24 3/5.

"She is the best prospect for her age," said Tom Boast, Olympic representative. "She gets amazing power from her arms and legs."

"I should have kept my sprint till the last," said Miss Davies after the race. "I was all out. I will defend my Victorian titles on March 1, and then I will have to go back to school. That is no good. I would rather swim than be cooped up in a classroom," she added.

IRIS TUBMAN BEATEN

In a neck and neck tussle over the whole of the 100 metres, Miss Davies defeated Miss Tubman by 1/5 second in an invitation handicap. Miss May, who had six seconds start on Miss Davies and Miss Tubman, won by 4/5 second. Miss Davies unofficial time was 1.12 4/5, 4/5 second better than her national race record time.

Miss Tubman defeated Miss Davies by 3/5 second in a 50 metres backstroke handicap. Both started from 11 seconds. The times were - Miss Tubman 38 2/5 and Miss Davies 39.

BROKE OWN RECORD

Ten years old Nancy Lyons broke her own 50 metres Queensland Junior women's breaststroke record by 1 1/5 seconds, swimming the distance in 44 seconds. Miss Lyons won the title first when she was nine years old, last year, in 48 1/5, and this year's title last month when she cut three seconds off this time.

MOVE TO HOLD STATE SWIMMING TITLES

The holding of the State Swimming Titles this season was advocated by a number of delegates at the Annual Meeting of the Queensland Amateur Swimming Association last night.

Mr N.Burn, a Life Member, said the titles should be held to encourage younger swimmers. The question of holding the championships which were temporarily abandoned last season will be discussed at the first Council meeting next Monday night.

At the request of the Toowoomba Centre Mr J.Montgomery gave notice to amend the Constitution to permit affiliated Clubs to consist of ten members instead of twenty as formerly, for the duration of the war.

Office Bearers elected were - Patron, Mr L.Nissen; President, Mr D.S.Carter; Vice Presidents, The Lord Mayor (Ald J.B.Chandler), Messrs H.Malyon, R.B.Lyons, E.S.Collin, A.Haslet, and E.O'Brien; Hon Handicapper, Mr J.Montgomery.

MERCANTILE SWIM
TEAMS NUMBER SIXTY EIGHT

Sixty eight teams last night entered for the mercantile carnival to be conducted by the Valley Amateur Swimming Club at the Valley Baths on December 10. Further entries are expected by post today.

STATE TITLES SWIM THIS SEASON

By eleven votes to eight, the Council of the Queensland Amateur Swimming Association last night decided to hold State & Country Swimming Championships this season. Because of the war, these were cancelled last year.

The Valley Club was granted permission to hold a Mercantile Carnival on December 10.

The City Council is to be asked to alter the starting piers recently erected at the Valley Baths so as to conform with the Olympic standard. They are nine inches too high, being one metre instead of two feet six inches as required by Olympic conditions.

The following office bearers were elected - Chairman of Executive, Mr D.S.Carter; Secretary, Mr V.Donovan; Treasurer, Mr V.Hartley; Registrar, Mr J.Montgomery; Starter, Mr R.Hodge; Executive Committee, Messrs E.O'Brien, F.C.Ivett, K.Horn, H.Polls, L.Smelt, Mrs Mackay.

SWIM RELAYS

Remarkable finishing put up by Neville Brough, State junior swimming champion, snatched victory for the Queensland Can Co in the 200 metres mercantile relay for the Elphinstone Shield at the Valley Baths last night.

Before taking off, Brough's chances of catching the leaders looked hopeless, but in a final burst of sustained speed he won by a yard.

Final result - Qld Can Co (N.Lipps, T.Hurly, H.Sandersson, N.Brough) 1, Northern Command No 3 2, Nestles No 1 3.

STATE IS CALLING OFF SWIM TITLES

"There could be cancellation of the State and Country Swimming Championships which were listed for Brisbane on January 19, 21, and 22," said Mr J.V.Donovan, Secretary of the Queensland Amateur Swimming Association yesterday. "The matter of what action should be taken was one for the Council," Mr Donovan said.

Probably a special Council meeting would be called before the holding of the regular meeting on January 5.

HUNDREDS IN SANDGATE POOL DESPITE SHARK

Hundreds of people bathed in the Sandgate "shark proof" swimming enclosure yesterday although a six foot man-eating grey nurse shark was caught in the pool on Saturday. Residents warned bathers that other large sharks were probably inside the net.

In the accompanying picture, Mr Harry Jacques, who caught the shark on Saturday, is shown holding the jaws.

Mr Jacques suggested that large sharks would have been able to get through the gap in the net, but they would not be able to get out again easily. They may be only the shovel-nose variety, but they might just as easily be man-eaters.

Residents urge, as proof of the danger, the fact that the shark which Mr Jacques caught was not the same as that which swallowed the hook, line, and sinker of another fisherman in the pool an hour before. When Mr Jacques catch was opened, no fishing line or tackle was found.

Several amateur anglers fished in the pool for sharks yesterday, but without success. Mr Jaques, who as more than 50 shark catches to his credit, will fish there again tonight.

TEST SWIM FOR JUNIORS

The Queensland Amateur Swimming Association decided last night to hold a test race at the Valley Baths at 10am on February 1 to ascertain if the State possesses a Junior champion of sufficient standard fit to represent it at the National Junior Free Style Championship on February 14. Country affiliated Clubs and Centres are being asked to hold similar tests and to furnish the results to the Association before January 31. The tests will be over 110 yards, and must be timed by three timekeepers.

Selectors to watch the test are -J.Montgomery, Len Stanton, and T.Boast. Mr N.Burn will act as deputy if any selector be not available.

It was decided to refund registration fees for the 1941-42 season.

The Executive was asked to prepare a schedule of events for a Brisbane Championship series to be decided on March 28.

Mr V.Donovan, the Secretary, strongly opposed the holding of any title events because the Association had already cancelled the State & Country Championships, and announced he would tender his resignation at the next Council meeting.

Mr Hodge was made a Life Member.

NEW BRISBANE POOLS URGED

Pleas for additional swimming pools for Brisbane were made by Aldermen at yesterday's City Council Meeting.

At the time the Council was discussing a Report of the Health Committee which recommended that an additional £800 (making £1800 in all) be spent on two brick dressing rooms and lavatories for males and females at the Ithaca Baths.

Alderman Holmes (Labor) urged that improvements to existing baths had been completed, and consideration should be given to provision of new baths on the south side.

The Lord Mayor (Ald J.B.Chandler) said that twice money had been placed on the loan estimates for more baths in South Brisbane, but each time it had been disallowed by the Co-ordinator-General.

The Report was adopted.

45 TEAMS FOR SWIM SHIELD

Nearly 200 swimmers will contest the Elphinstone Shield at the Mercantile Carnival at the Valley Baths tomorrow afternoon, beginning at 2 o'clock. 45 teams have entered, while members of the various fighting services will compete for special trophies. Among the star swimmers are Iris Tubman, Nancy Lyons, Alan Davison, Neville Brough, Nancy Beer, George Darcy, Gay Spiro, Peter Lyons, June Shanahan, W.Heron, Ivor Wright, Craig Springfield, Ivan Springfield, and George Jones.

Billy Morrall and his troupe will give an exhibition of high and fancy diving, and the metropolitan and country jockeys will stage a championship over 50 metres.

SHARK NET TO BE REPAIRED

The "shark proof" swimming enclosure at Sandgate which has not been shark proof for many months will soon be safe to bathe in again.

Alderman J.S.Kerr, who is acting as Chairman of the City Council Works Committee during the illness of Alderman Downey, said that material to mend the protective steel net had been obtained and was now being woven. Repair work would start early next week and would be completed in time for the crowds at Christmas to enjoy a swim in safety.

LARGE ENTRIES FOR SWIM CARNIVAL

Large entries have been received for the Services Swim Carnival at the Municipal Baths, Valley, on Sunday afternoon. Keen competition is likely.

Thirty one U.S.A and Australian servicemen have entered for the first event, a 50 metres scratch race, at 2 o'clock. The 50 metres scratch race for women has attracted 44 entries, all from the W.A.A.F and the A.W.A.S.

7 teams will contest the men's 300 metres Flying Squadron race, and 5 teams the women's Flying Squadron event. 21 have entered for the 100 metres men's scratch race, and the 400 metres men's scratch race has three entries, Sergeant McLintock, and Privates Fisher and Pearce.

A U.S.A. army band will supply music from 1.30 to 2.30. Admission is free to members of the services in uniform, and members of the merchant navy on presentation of their ship's passes. Each may bring a friend, but if the friend is a male civilian, he will be charged one shilling.

SERGEANT IN FORM AT SERVICE SWIM

By L.H.Kerney

Sergeant L.A.Strang of Victoria, recorded an outstanding performance in the 50 metres men's scratch race, winning in 29 seconds from Sgt Pilot Penfold of Coogee (Sydney) at the Services Swimming Carnival conducted by the Allied Forces Sunday Entertainment Committee at the Booroodabin Baths yesterday.

Strang won the Victorian Open Junior Championship in 1939. On one occasion at Albury (NSW) he dead-heated with Australian champion, Bill Fleming. He also represented for Victorian High Schools for national football, and won an all-schools high jump championship. Later in the programme Penfold made amends for his defeat by winning the 100 metres.

ACW Caswell (WAAF) proved the outstanding women's services competitor. She won the 50 metres in convincing style.

Rivalry in the Flying Squadron events created tremendous enthusiasm among the spectators.

There was a diving display by the Q.A.S.A diving troupe headed by Sgt W.Morrall and Pilot R.Campbell. The water clowns were Sgt Lew Pilacheweski (USA) and W.Cain (Aust).

BLACK SWIM STAR

S.Black of the Ramsgate (Sydney Club, NSW record holder) registered an outstanding performance in winning the final of the 50 metres men's scratch race at the Services Swimming Carnival at the Booroodabin Baths yesterday. His time, 28 1/5 seconds, was fast for Queensland, but in 1940 he created a NSW record of 27 2/5 seconds which still stands to his credit.

Former Bondi Surf Club swimmer, Flight Sergeant Penfold (RAAF) won the 100 metres event by four yards from Staff Sergeant S.Cohen and LAC Walker.

Private First Class Jack Morris (USA) won the 50 metres scratch breast stroke event.

Sergeant Bill Morrall, Bill Nolan and Bill Kane (merchant marine) gave a display of diving. Kane is a water clown, and had the big crowd delighted with his tricks.

The Premier (Mr F.A.Cooper), with the whole of the Allied Forces Sunday Entertainment Committee, presented honour ribbons to the winners and runners-up.

The 23 year old Private First Class Jack Morris arrived at the Services swimming carnival in time to make a post entry in the 50 metre breast stroke event. "I swim the butterfly stroke, can I enter?" asked Morris.

On being informed by a QASA official that the stroke is barred in Australia, Morris replied, "Well, I will swim your way."

He did, and won the event from two Australians.

Morris had not swum for three months. He had, however, a fair amount of competition swimming at the Pittsburgh University before enlisting.

600 ENTRIES FOR SWIM TITLES By L.H.Kerney

More than 600 competitors, including many service men and women, will contest the State Amateur Swimming Championships at the Valley Baths tonight, Saturday next, and Monday night. R.A.A.F representatives Arthur Beard, Alan Penfold, and recent winners at the Services Carnival, promise to provide high class swimming in the freestyle events. U.S.A breast stroke champion, Jack Morris, will test breast stroke rivals.

Among the youthful Brisbane competitors are Neville Brough (State Junior Champion) who will contest the Open 100 metres, and Under 18, Alan Davison (University and GPS champion), Nancy Lyons, the State's outstanding breaststroke champion, will prove too strong for her rivals, but in the medley title she will meet strong opposition from Iris Tubman, State title holder.

STATE TITLE RESWIM
 WON BY IRIS TUBMAN

A re-swim of the 200 metres Freestyle Championship (Wartime) at the Valley Baths last night resulted in an easy win for Iris Tubman, her opponent, M.Collings, being forced to retire 25 yards from the finishing post. Collings led at the 100 metre mark. Tubman took charge at the 150 metres and then forged ahead. The time, 2.55, was 2 seconds faster than that recorded when they dead-heated on March 29.

NANCY LYONS NEW RECORD

Thirteen year old Nancy Lyons, Junior and Open champion, broke the Queensland 200 metres breaststroke swimming record by 2 7/10 seconds at the Valley Baths last night.

She was never really tested by the opposition in the Valley Ladies Club Championships, winning by half the length of the baths in 3 min 14 3/5 secs. Her previous State record was 3 min 18 1/5 secs when she eclipsed Dorothy Thompson's record of 3 min 24 secs.

Lyons finished 22 2/5 seconds ahead of her nearest rival Edna Mears (3.37 1/5) with Diana Stanfield (3.48 1/5) in third place.

WOMEN FAVOUR SWIMMING TITLES

Early restoration of the Australian Championship Carnivals is advocated by the ladies of the Queensland Ladies Amateur Swimming Association which will hold its Annual Meeting at the Wool Exchange Building on September 29.

The Report stated that the Association's share of the profits of last season's Wartime Championships was £80. Q.A.S.A (men) received £120 as their share. The Ladies Association has a Credit Balance of £132, in addition to £100 in the War Loan.

STATE RICH IN SWIM TALENT

The importance of the "Learn to Swim" campaign which was launched by 50 metropolitan schools last season is stressed in the Annual Report of the Queensland Amateur Swimming Association. 17 pools were used, the attendance of learners being 5079.

Queensland swimming was rich in youthful talent, as, it was stated, 12 records being broken last season.

Wartime State and Country Championships were again a feature of the competitive season.

The Annual Meeting of the Q.A.S.A will be held on October 9 at the Wool Exchange at 7.30pm.

£87 TAX ON SWIMMING FUNDS

Call of Entertainment Tax of £87 on last season's carnival receipts of £362 was criticised by the Chairman, Mr D.S.Carter, at last night's Annual Meeting of the Queensland Amateur Swimming Association.

The national government spent a large sum in each State to further the National Fitness campaign, yet an amateur body was penalised by heavy taxation carrying out a project which was identical with the fitness campaign. No amateur sporting body in the State did more for youth and fitness than the Q.A.S.A.

AMATEUR SWIMMING

Delegates of Metropolitan and Country Centres at last night's Annual Meeting of the Queensland Amateur Swimming Association praised the organising work of Mr J.S.Emerson which resulted in 666 competitors taking part in the Wartime State and Country Championships.

The officials elected were - Patron, Sir Leslie Orme Wilson (Governor of Queensland); Vice Patron, Mr J.B.Chandler (Lord Mayor of Brisbane); President, Mr D.S.Carter; Vice Presidents, Messrs A.Woods, E.A.Bale, F.W.Springfield, H.Malyon, J.E.Ross; Handicapper, Mr J.Montgomery; Trustees, Messrs D.S.Carter, E.A.Bale.

Mr Norman Burn, last year's Chairman of Council, announced his inability to accept office again.

LADIES SWIM TITLES STAND

The Queensland Ladies Amateur Swimming Association at a special meeting last night reaffirmed its decision regarding the profits distribution for the State and War-time Championships carnival. The Association wants the basis of profits distribution to be fixed before the carnival is held, and that the distribution be on the same basis as last year - 60% of the QASA, 40% to the QLASA.

Mr E.A.Bale, a delegate from the QASA, said that the QLASA was an affiliated body and it had been treated fairly in the matter of the distribution of the profits. The QLASA was not in a position to demand a basis of distribution, any more than any other affiliated Association or Club.

Miss E.Strachan, Vice President, said that at present with the majority of the best Queensland swimmers away, the ladies made the "gate".

Mrs H.W.Miles, President, "We must have something definite before the carnival is swum."

In reply to a question, Mr Bale said that the QLASA could not hold a carnival on its own.

Mrs Miles said she wished to make it quite clear that the Ladies were quite satisfied with last year's basis of distribution.

The following motion was carried with two dissentients - "That subject to the approval of the Advisory Board of the QLASA, notice of motion be sent to the QASA as an amendment to the motion passed at the last meeting of the QASA Council ("That the distribution of profits be made after the carnival is held"), that the distribution of profits be fixed prior to the carnival, and be on a similar basis to that of last year, 60% to QASA, 40% to QLASA."

SWIM STARS TO MEET

Several national title holders from other States will compete at the Red Cross swimming carnival to be held at the Valley Baths on December 9.

Among the entrants are Geoff Ballentin (NSW sprint champion), Tom Boast (Qld Olympian and State backstroke champion), Ross Dunn (a Sydney champion who was one of Noel Ryan's rivals), Alan Imrie (Qld distance champion), and a strong team from the Netherlands East Indies.

The State Open champion, Neville Brough, Harry Sandiman, and Alan Davison, head a strong contingent of the metropolitan contestants. Secondary schools champions C.Hoey (BBC), R.Rodgers (C.E.G.S.), and P.McCarrol (Nudgee), will also swim in scratch events.

In the women's events 14 year old record holder Nancy Lyons, Iris Tubman (sprint and backstroke), and Marie Collings (distance freestyle), will compete.

C.M. Tuesday 5 December 1944

SWIM STROKE BAN TO STAND

Ban on the "butterfly" breaststroke is to be continued by the Queensland Amateur Swimming Association. This decision was made at a Council meeting last night.

The stroke was banned in all States in 1939, but recently the New South Wales Association proposed the stroke be re-introduced into Australian competitive swimming.

The Secretary (Mr J.S.Emerson) and Mr D.S.Carter, a recently appointed Vice President of the Australian Swimming Union, condemned the butterfly stroke as it subordinated all the finer techniques of orthodox breaststroke swimming for speed.

Mr Emerson's motion to oppose the re-introduction was carried by an overwhelming majority.

More than 100 individual entries have been received for the Red Cross carnival to be conducted jointly by the QASA and the QLASA at the Valley Baths on Saturday night.

The QASA has agreed to the date fixed for the State and War-time championships in February, and suggested a conference be held between the representatives of the QASA and the QLASA to formulate a basis in which the profits of the championship carnivals be allocated.

TRAINING ROOM AT VALLEY BATHS

The City Council proposes to erect a Club Room to accommodate leading swimmers and their trainers at the Valley Baths.

It will be 20 feet x 10 feet and will be situated in the south east corner. Fittings will include seating accommodation and rubbing-down tables.

It is expected the club room will be made available for swimming carnivals this summer.

C.M. Friday 8 December 1944

SWIMMING STARS AID RED CROSS

Swimmers in Olympic Games class will appear at the Red Cross carnival to be held at the Valley Baths tomorrow night.

Pte Button A.I.F. (NSW freestyle champion), and Nancy Lyons (Qld breaststroke champion), promise to provide the highlights of the carnival.

There are more than 200 individual entries for the 24 scratch events, the outstanding events being the 200 metres freestyle and the 100 metres breaststroke.

The junior events, however, will draw most attention for the best in the Primary and the G.P.S. schools and the cream of the talent from the metropolitan clubs will compete.

BUTTON HAS BEATEN RYAN

Button, who is only 20 years of age, has beaten Geoff Valentin and Noel Ryan in the 110, 220, and 440 yards championships of NSW in 1941. In the 200 metres scratch race tomorrow he will be opposed by his earlier rival Valentin and Ross Dunn. Queensland opponents will be Nev Brough, and Alan Davison, both State champions.

Nancy Lyons form at the Dalby carnival held last Saturday and her meritorious second to Edna Meares in the 150 metres medley handicap at the Brisbane distance carnival show she is fast approaching her best form. Last January, in clocking 3 min 14 7/10 secs she broke her own Queensland record for the 200 metres breaststroke. A better time being only recorded once before by Clare Dennis at the last Olympic Games held in Los Angeles.

TWO SWIMMING RECORDS TO FAMILY

Peter Lyons and Nancy Lyons of Coorparoo, brother and sister, are holders of State swimming records - Peter is nearly 18 and Nancy 14.

Nancy swam 100 metres breaststroke at the Red Cross carnival at the Valley Baths on December 9 in 1 min 229 4/5 secs. Peter covered the same distance in 1 min 25 secs. Both records were recognised at the Council meeting of the Queensland Amateur Swimming Association last night.

It was announced that the proceeds from the Red Cross carnival amounted to one hundred and thirty pounds.

The Chairman, Mr E.A.Bale, said that all sub-junior, junior, and Intermediate races held by the QASA will be aged from October 1. Mr F.Springfield (Valley) urged that the Queensland Ladies Amateur Swimming Association have the right to fix the age for their own events. He moved that the Chairman's ruling be disagreed with. This was seconded by Mrs C.Mackay, but was defeated by a big majority.

Permission was granted to the Roma Association to hold a carnival on Foundation Day.

The Country Championships will be held in Ipswich on February 23.

C.M. Tuesday 16 January 1945

WEALTH OF SWIM TALENT

Highlights of the War-time Swimming Championships to be held on February 17-24 are likely to be the races for the junior titles. Never has Queensland had such a wealth of junior talent - Nancy Lyons, outstanding in girls events and in many junior events, for men the best are Chris Harris of Rockhampton who won the 100 metres junior freestyle and the 100 metres freestyle country championships last year, and another Rockhampton lad R.A.Langford who won the 100 metres Under 14 championship last year.

Maryborough will be represented by T.Benstead, formerly of Bowen, and Bowen by R.Robinson whose trainer Graham Shadlow considers has a great future.

Two Doctors' sons, R.Green of the Church of England Grammar School, and P.Dodson from the Downlands College Toowoomba have been showing good form. Green is considered to have bright prospects in the 200 metres, and Dodson was third to Rogers and Springfield in the 100 metres in the recent Dalby carnival. That was his first swim for the season. He has improved since.

P.Boyce of Toowoomba will also throw out a challenge in the 100 metres. He was second to Benstead in the Under 15 event last year.

I. Springfield (Valley) who won the 200 metres last year, R. Rogers second in the sub-junior event, and Joe Pretorious, junior champion of the Sandgate Club, also have improved.

STATES FAVOUR SWIM REVIVAL
Sydney, Monday

Enquiries made from swimming authorities in Australia indicate that all States are in favour of holding the Australian Junior Swimming Championships this season. Earl steps for the project are now being taken and a decision as to the venue is also to be made. Feeling in Sydney tonight was that they should either be in Sydney or Melbourne, although it is also known that Queensland is eager to stage them owing to the great revival of junior swimming activity in that State.

The general view is that no matter where they are held, the carnival will be on either February 3 or 10, providing transport arrangements for the competitors who will be limited in numbers can be arranged.

BROTHER AND SISTER IN SWIM TITLES

Peter and Nancy Lyons of Coorparoo, brother and sister, both hold records for 100 metres breaststroke.

"I get a great kick from swimming," said Nancy after a training swim at the Valley Baths yesterday. "I find it calls for little more effort for me than running."

A well-developed girl with powerful shoulders and shapely legs, Nancy has the physique of a girl older than 14 years. Bright and intelligent, she is easy to converse with and has a ready reply for any question asked about her career. She weighs ten stone and is five feet seven inches tall.

Nancy was taught to swim by her father in Townsville when she was only four. In recent years she has been receiving instruction from Miss M. Springfield who was Queensland champion for twenty years, and who is also was Australian 200 metres champion. Under Miss Springfield's guidance her times have improved considerably.

She won her first swimming title, the Queensland junior women's breaststroke when 9, and the following year took the women's open 200 metres championship.

ALL STROKES EXPERT

Although breaststroke is her favourite stroke, Nancy is a formidable exponent of all strokes. She holds the Open and Junior breaststroke championships of Queensland, the Open medley championship, the freestyle in her age group, and was second in the Open backstroke.

"My immediate ambition," she said, "is to win the Australian Junior breaststroke and backstroke championships. Of course I have yet to swim the test races. Later if I continue to improve I hope to go to the Olympic Games. Of course every swimmer's ambition is to win a world title."

Nancy does not confine her interests to swimming. She also can dance and play the piano. At present she is a pupil at Somerville House and intends to sit for the Junior Exam this year.

Peter, in addition to holding the breaststroke record for 100 metres, also holds the 100 metres junior and the 200 metres Open breaststroke titles and the 150 metres Open medley title. Last year at the Great Public Schools championships he won both the 50 metres breaststroke and the 50 metres backstroke. He also captained the Brisbane Grammar School team. He has won inter-school gymnastic competitions.

Last year he passed his Senior Exam and he is hopeful of going to the University to continue his studies.

D.STANFIELD'S YOUTHFUL CHALLENGE

Time trials for the coming State Swimming Championships were recorded at the Valley Club's swim last night.

Diana Stanfield covered the 50 metres freestyle in a senior women's event in 32 seconds, equalling her own State junior record, and R.Green who finished second in the men's freestyle handicap was timed to swim the 100 metres in 1 min 10 4/5 secs, only 1 second outside the winning time of the 15 years championship last year.

In his first swim for four years, C.Michel won the 100 metres championship.

The women's 200 metres breaststroke championship was won by Nancy Lyons in 3 min 18 1/5 secs, well outside her best time.

LYONS BEAT OWN STATE RECORD

13 year old Nancy Lyons took a second off her own sub-junior record in a test swim in the Valley Baths yesterday. She covered the distance in 1 min 18 4/5 secs.

The 100 metres junior women's freestyle test race was won by Judy Young. Her time of 1 min 18 1/5 secs was about two seconds better than he has swum previously.

Results of test races for junior boys were - 100 metres junior freestyle, R.Rogers (C.E.G.S) 69 2/5; 100 metres breaststroke, K.White (V) 1.42 1/10; 100 metres backstroke, R.Young (V) 1.35.

Metropolitan test races were held to select six Queensland representatives (3 girls and 3 boys) who will compete in the Australian Junior Championships in Sydney on February 10.

15 year old Roma girl Denise Spencer did 100 metres freestyle test in Roma yesterday in 1 min 11 secs. Denise has improved by 6 1/5 seconds since she won the 100 metres State junior title last year.

Peter Dodson took 69 1/5 seconds for 100 metres, the same time as R.Rogers in Brisbane.

JUNIOR SWIM TEAM CHOSEN

Five junior swimmers were chosen by the Executive of the Queensland Amateur Swimming Association last night to represent Queensland at the National Titles in Sydney on February 10. They are - Girls - Denise Spencer (Roma) freestyle; Nancy Lyons (Valley) back-stroke and breaststroke; Judy Young (Valley) freestyle. Boys - Rodney Rogers (C.E.G.S) and Peter Dodson (Roma) both freestyle;.

Mr J.S.Emerson, Secretary of the QASA will be Manager of the team and Mrs Mackay Secretary of the Queensland Ladies Amateur Swimming Association will be Chaperone.

Mr T.Boast, Olympic representative, who has been discharged from the R.A.A.F. will coach the team until it leaves for Sydney on February 6.

A strong Brisbane team of twelve men and four women was chosen to compete in the Roma carnival next Sunday.

The men's team which will leave Brisbane on Friday is - Alan Davison (Varsity), K.White (C.E.G.S), R.Green (C.E.G.S), I.Springfield (Valley), A.Wright (C.E.G.S), F.Gardiner (Valley), J.Purtell (Western Districts), R.Hogan (Sandgate), C.Hoey (B.B.C), N.Parker (C.E.G.S), J.Boast (Valley), N.Silver (Sandgate), with Mr A.Clausen as Manager.

D.SPENCER'S RECORD IN 100 METRES SWIM Roma, Monday

15 year old Roma girl swimmer, Denise Spencer, broke the State record for 100 metres in the women's Open freestyle at the Roma inter-town carnival in Roma last night. Her time was 1 min 11 1/5 secs. The carnival attracted many swimmers from Brisbane and Dalby.

QUEENSLANDERS READY FOR SWIM TITLES

"It is expected Queenslanders will win two titles at the Australian Junior Champion- ships to be held in Sydney on February 10," said the team Manager, Mr J.S.Emerson, yesterday.

Miss Nancy Lyons should take the 100 metres breaststroke and Miss Denise Spencer the freestyle. I also give great hope for Miss Lyons in the backstroke.

The championships comprise six events - 100 metres freestyle, 100 metres breaststroke and 100 metres backstroke each for boys and girls. You must be under sixteen on the date of the championships.

Queensland will be represented in only four events as Peter Dodson and Rodney Rogers will not swim in the breaststroke or backstroke for boys. Denise Spencer will compete in the freestyle only. Nancy Lyons will swim in the breaststroke and backstroke, and Judy Young in the freestyle and breaststroke.

The backstroke and breaststroke events are being contested for the first time, their inclusion being largely the result of representations made by the Queensland Amateur Swimming Association.

JUNIORS IN NEW SWIM RECORDS

Rodney Rogers, 14, last night lopped 2 1/5 seconds off the men's 200 metres junior record. In the A Grade junior handicap he finished in the actual time of 2 min 39 4/5 secs, four seconds faster than the senior championship time last night.

Nancy Lyons broke her previous breaststroke record by 1/10 sec established last year.

WILL FLY TO SWIM IN STATE TITLES

So keen is Vic Trimble to regain the 100 metres Queensland swimming championship that he will fly from Rockhampton to Brisbane to compete in Saturday's races. Trimble, who has not competed in races since 1939, has been training privately in the Fitzroy River six miles out of Rockhampton, and has been reported to have swum fast time in event trials. Last Monday he covered 108 yards (close to 100 metres) in 64 1/5 seconds without being extended. There is no doubt he will have a serious challenger for the title in Mr J.Codd, a member of the Rockhampton team. He is swimming so well, whoever beats him will win. Trimble will find Rod Button of the R.A.A.F also hard to beat.

Other swimmers who will keep Trimble and Button at their top are C.Michel (Valley), W.J.Ellis (NSW - now in the A.I.F), W.Clarke (Navy), and N.Brough (City Pastime).

D.Smith should be hard to beat in the 200 metres intermediate (Under 18) championship. Y.Wright last year's senior G.P.S. Champion and T.Holmes (son of the Toowoomba Bulimba Cup footballer) are possibilities. Smith has covered the 108 yards in Rockhampton in 65 2/5 seconds.

A record of 1180 entries has been received for the carnival. This was previously 939, last year.

FINE SWIM BY DENISE SPENCER

Feature of the Valley Club swim last night was the fine swimming of Denise Spencer of Roma in the 150 metres A junior event in 2 mins 0 4/5 secs.

200 METRES TITLE TO R BUTTON

Leading all the way, R.Button, A.I.F trooper who served for ten months in New Guinea, won the 200 metres freestyle championship at the State Swimming Championships last night, beating W.Clark (R.A.N) by three yards. The former New South Wales champion covered the distance in 2 mins 25 2/5 secs, 5 2/5 seconds outside W.Fleming's race record, and 10 seconds outside his own best time for the distance.

Former State champion, V.Trimble, did not swim the 200 metres but clocked a win for Rockhampton in the 250 metres Country Squadrons Championship.

Diana Stanfield, a New Guinea evacuee, took the 50 metres women's freestyle title beating Iris Tubman the winner of the 100 metres by a touch with Denise Spencer a few yards further back.

Nancy Lyons won the 50 metres junior backstroke, the 200 metres senior breaststroke, and Under 15 50 metres freestyle titles. Her backstroke time of 39 4/5 seconds was 1 second outside the race record held by M.Davison.

Her brother, Peter Lyons, clipped 2 9/10 seconds off the record in winning the 150 metres medley championship. I.Brown who finished second also improved 2 1/5 seconds on his best time for the race.

R.Rogers broke the race record by 3 2/5 seconds in winning the 14 & Under 15 100 metres freestyle in 68 3/5 seconds.

SEAMAN IN LINE FOR SWIMMING TREBLE

Seaman W.B.Clark of the R.A.N. should complete a treble at the final carnival of the State Championships at the Valley Baths tonight.

Clark has already won the 1500 and 800 metres titles, and will compete in the 400 metres in which F.Thee (Brisbane) should be his closest rival. Thee won the City Pastime 440 yards title recently in 5 mins 42 secs and swam stroke for stroke with Clark for the first 300 metres of the 800 metres title.

Others in the field include N.BROUGH, I.Springfield, C.Michel, C.Plunkett and C.Hoey (winner of last year's All Schools 400 metres).

Jim Johnson of the A.I.F. who won the Australian championship in 1940, will compete against Peter Lyons (holder of the title) in the 200 metres breaststroke. J.Meredith, former Queensland champion, will also swim.

Denise Spencer and Diana Stanfield will clash in the 100 metres junior women's free-style for which Judy Young has also entered.

In the 150 metres women's medley championship Nancy Lyons (holder of the title) will be opposed by Iris Tubman and Marie Collings.

The junior 100 metres freestyle should be a great race with R.Rogers winner of the 200 metres junior, A.T.Quant, R.Green, G.Bendeich, R.Langford, R.harris, R.Waddington, P.Dodson, and T.Benstead in the field.

The City Pastime, holders of the 250 metres flying squadrons championship, will meet strong opposition from Valley, Rockhampton, Maryborough, C.E.G.S, and University.

COUNTRY TITLE TO DENISE SPENCER
Ipswich, Friday

Denise Spencer (Roma) was successful in the 50metres Open Championship for women at the City Baths tonight when three country swim titles were decided.

C.Osborne (Maryborough) won the 100 metres Open Championship, and T.Benstead (Maryborough) the 50 metres Junior Men's Championship.

FULL RESULTS from the several sessions of State Championships were given in the Annual Report for the year.

SWIM CARNIVAL TO HELP APPEAL

A swimming carnival in aid of the Limbless Soldiers Patriotic Appeal will be held on Saturday April 14. This was decided at a special Executive meeting of the QASA last night.

A team of swimmers will leave on Thursday night for Bowen to take part in the North Queensland Championships on March 31.

The team comprises R.Waddington (Dalby), R.Colbert (Toowoomba), C.King, R.Benstead, C.Petersen and R.Petersen (Maryborough), D.Smith, R.Harris (Rockhampton), G.D.Johnston, P.Lyons, P.Parker, R.Young, and D.Studeman (Brisbane).

They will be accompanied by QASA officials.

STATE SEEKS SWIM TITLES

Moves to have the Australian Junior Swimming Championships held here next season have been made known by the Queensland Amateur Swimming Association at a meeting of Council on Monday. Delegates endorsed a recommendation of the Executive that the Australian Swimming Union be asked to take a vote on the following -

"That the Australian Junior Championships be held in the 1945-46 season. That the Championships be held in Brisbane. That a Conference of the ASU be held."

It was decided to vote "No" on a motion submitted by Western Australia, "That for the duration of the war the Australian Junior Swimming Championships be held in Melbourne."

A net profit of more than five hundred pounds is likely from the State Championships held in February. Total income amounted to seven hundred and thirty seven pounds, gross takings for the four carnivals being five hundred and ninety pounds.

Delegates endorsed a recommendation that £8, part of the cost of issuing 10,000 copies of a booklet "Introduction to Swimming" be paid by the Association. The booklet which is being compiled in collaboration with the Department of Public Instruction (Physical Education) is expected to be circulated soon.

300 YARDS MEDLEY RELAY FOR WOMEN

A 300 yards Open Medley teams relay for women will be added to the State's swimming programme this season. This was decided at the Queensland Ladies Amateur Swimming Association Annual Meeting last night. It was also decided to lengthen the distance of the 40 metres Under 12 years to 50 metres.

The meeting observed a minute's silence in memory of the late QLASA resident, Mrs H.W.Miles, who died last week.

Office bearers elected were - Patroness, Mrs McGregor-Lowndes; President, Mrs O.Anderson; Vice Presidents, Lady Cilento, Mesdames W.L.Gall, R.B.Lyons, H.McMaster, J.Montgomery, H.Spiro, C.S.Tait, A.Woods, B.Bowman, Miss Granvill; Hon Registrar, Miss J.Miles; Hon Handicapper, Miss L.Montgomery; Hon Auditors, Misses E.Thurlock, A.Frederick; Delegates to QASA, Mrs K.D.Mackay, Miss L.Muller.

SWIMMING TITLES LIKELY SOON

A request for the resumption of the National Swimming Titles for both men and women this season was viewed favourably by a special meeting of the Queensland Amateur Association last night.

A mail vote is being conducted by the Australian Swimming Union on a proposal by the N.S.W.A.S.A. "That National "Victory" Championships for seniors and juniors be held in Melbourne in late January or early February next year."

Queensland's "Yes" vote to the NSW proposal is not likely to want for Victorian backing, and with South Australia and Tasmania also likely to agree, a majority for "Yes" is likely.

SWIMMING OPENING

Swimming season's opening activities will begin tonight when Western Districts Club will stage events in the Ithaca Baths.

Other metropolitan competition clubs opening nights will be - Valley, tomorrow night at the Valley Baths; Commercial, next Tuesday in the Valley Baths; Sandgate, Tuesday October 16 at the Sandgate Baths.

City Pastime has fixed no date yet, but will hold its Annual Meeting next Monday in St Luke's Hall.

NO POOL FOR BIG SWIM TITLES

"Lack of a suitable pool is the main bar for holding national swimming championships in Brisbane," said the Hon Treasurer Mrs R.S.Beer at the Annual Meeting of the Queensland Amateur Swimming Association last night. He was informed the number of swimming baths in Brisbane had decreased by two, to five, in the last twenty years, he said. In New South Wales a grant of one thousand pounds was made annually by the government to encourage swimming.

Advancement of swimming in Queensland last season was helped by £250 from the QASA for tours to country centres, representation at the National Junior Championships, and for defraying part of the cost of a publication of an educational booklet for swimming teaching.

Leather wallets were presented last night to G.Newton, B.Loch, W.Webb, G.Farley, E.O'Donnell, J.Stanfield, and L.Abrahams, for their work as programme sellers at the last State Championship. They raised more than fifty pounds.

Office Bearers elected for this season were - Patron, The Governor, Sir Leslie Wilson; Vice Patron, The Lord Mayor, Mr J.B.Chandler; President, Mr

D.S.Carter; Vice Presidents, Messrs H.Malyon, E.A.Bale, A.Woods, J.E.Ross, H.A.Whitehouse; Handicapper, J.Montgomery; Hon Solicitors, A.W.Bale & Son; Hon Auditors, Messrs N.Lyons, F.C.Russell.

The first Council meeting will be October 22.

STATE SWIMS IN FEBRUARY

The State Swimming Championship carnivals are to be held on February 16, 18, 20, and 23, with diving events on February 17 in conjunction with the Allied Services Sunday swim.

This schedule was decided on at the first Council meeting of the QASA last night, and will follow the National Championships in Melbourne at the end of January or the beginning of February.

Junior backstroke distances will be increased from 50 metres to 100 metres, and 300 metres Club medley relays in senior and junior will be added to the programme.

Other carnival dates decided for the season were - Ipswich Mercantile, November 5; Maryborough, November 26; Valley Mercantile November 26; Dalby, December 1; Red Cross Carnival December 8.

QASA Officials elected last night were - Chairman of Council, E.A.Bale; Hon Secretary, J.S.Emerson; Hon Treasurer, R.S.Beer; Hon Registrar, J.Montgomery; Hon Assistant Secretary, H.R.D.Fitzpatrick; Executive Committee, R.Franzen, A.Clausen, W.Holland, G.Nankavill, S.Connell; Starter, R.Hodge; Costume Stewards, W.Milton, H.Norris; Timekeeper, W.Pols; Diving Sub-committee, N.Burn, G.Johnston, W.Nolan, W.Morrall, Mrs W.Henry; Baths Sub-committee, H.Malyon, R.Franzen, S.Connell, H.A.Whitehouse, J.Martin; Clothing Sub-committee, R.Franzen, S.Connell, J.Montgomery, R.S.Beer, G.Nankavill, A.Clausen, E.Bonis.

BILL FLEMING TURNS "PRO"

The former Empire Games swimmer has turned professional and will begin coaching classes at the Valley Baths next week. At the last Empire Games in Sydney in 1938 Fleming was the only Australian to gain a place in the freestyle events, and he was third in the 100 metres, finishing ahead of R.Biddulph.

He held Australian 200 metres titles and for a time held the record for 200 metres in 2 min 19 2/5 secs. In 1936 he toured New Zealand on an educational coaching campaign.

Fleming was discharged from the army recently, joining up in 1939. He served in England, Greece, Crete, Syria, Ceylon, and New Guinea.

SWIMMING SIDELIGHTS

Bill Fleming, who was to have started coaching classes at the Valley Baths on Monday, collapsed with an attack of malaria before he was there half an hour. He had to be taken to hospital.

Marjorie Clausen won both women's freestyle events and was narrowly beaten in the backstroke and breaststroke races at Sandgate Club last week. Her actual time for the 66 yards was 50 3/5 seconds which is only 1/5 second slower than interstate swimmer Rita Smith's record. Marjorie who is 17 is being specially coached in backstroke this season.

Coaching in diving is to be obtained for Mavis O'Brien, the 15 year ld Western Districts girl diver who created a great impression in her first public appearance at the Limbless Soldiers carnival in April. Even without coaching she is diving better than last season.

Nominations for Valley Club's eleventh mercantile teams handicap for the Elphinston Shield next Wednesday night close on Saturday. The thirteen event to be held in conjunction will be comprised entirely of popular scratch races.

The first Annual Dinner of the Queensland Amateur Swimming Association is scheduled for December 15. Last year's officials of the QASA and members of the Executive will attend.

No official QLASA team will be sent to Dalby for the Red Cross carnival on December 1 as Valley Ladies will be holding their mixed night on that date. It is understood that permission will be granted to individual swimmers who wish to make the trip. The QASA team will be selected on Tuesday night.

C.M. Wednesday 28 November 1945

SWIMMING SIDELIGHTS

Entries for the mercantile relay for the Elphinston Shield tonight have attracted 39 teams. In addition, 32 events of interclub scratch races will be contested.

Nominations for the junior races will be heavy and some will require three heats before the final. "Blue Ribbon" events, the Open 100 and 200, will require two heats each before the final.

Women's 100 metres breaststroke is expected to provide the thrill of the night, Nancy Lyons and Edna Meares clashing with Marie Collings. The distance should suit Marie Collings best.

The QASA team to go to Dalby carnival on Saturday will be - N.Brough, F.Thee, C.Michel, K.Graham, W.Holland, J.Ellis, R.Coates, A.Davison, I.Young, B.Davies, R.Grierson, C.Hoey, J.Baldwin, J.Meredith, E.Hogan, J.Allanson, L.Edge, M.Davison,

D.Davison, M.Beer, M.Clauscen, V.Shepherd, V.Bowman, I.Conlon, M.O'Brien. Mrs Bowman will go as Chaperone, Mr E.A.Bale and Mr J.S.Emerson will be joint Managers.

The Valley Ladies interclub carnival also scheduled for Saturday night has received 155 entries for the 12 events.

N.Parker swam well in the intermediate breaststroke events last season and he has gone to Melbourne for special breaststroke coaching from Tom Donnett who tutored the champion girl, Judy Joy Davies. Parker will return for the test races in January with an eye for inclusion in the State team.

GIRL BEATS SEVEN MEN TO WIN SWIM RELAY

Iris Tubman, State 100 metres freestyle champion, outpaced seven men over the last lap to win the mercantile handicap relay for the Caltex 2 team at the Valley Baths last night. The first team home finished half the length of the pool ahead of the other teams but broke their submitted time by 12 seconds and were disqualified. The remaining eight finalists finished within a few seconds of each other after starting almost together. Miss Tubman drew away from the other competitors in the last 10 metres.

In the heat, Miss Tubman raced her team into the semi-finals with a paralysing burst after Caltex seemed hopelessly out of it.

Official placings in the final were - Caltex 2 (J.Sinclair, M.Cassidy, E.Hambleton, Miss I.Tubman) 1, Maxim 1 2, Peters Ice Cream 3.

NANCY LYONS DOUBLE

National junior backstroke and breaststroke champion, Nancy Lyons, left in no doubt the result of the Open back and breaststroke events in the interclub mixed carnival. She led all the way in both and swam within 2/5 second off her National junior breaststroke swim.

Judy Young recorded a smart time of 1 min 17 4/5 secs in her 100 metres junior women's freestyle swim, but later she was comfortably beaten in the women's Open 100 metres by the metropolitan open freestyle champion Marie Collings who won in 1 min 18 4/5 secs.

Fred Thee (City Pastime) drew attention to his claims for representation over longer distances in drawing away from Bob Coates over the last 15 metres in the men's Open 200 metres freestyle after the pair had swum stroke for stroke over most of the way. His time was the best clocked over 200 metres this season - 2 min 36 2/5 secs.

One of the most outstanding times of the night was 66 seconds by Nev Brough over 100 metres to complete a double for City Pastime in the Open freestyle races. He led by more than 2 metres at the turn from the junior champion, Rod Rogers, and drew away at the end.

WANTS TITLES IN SYDNEY

"The Queensland Amateur Swimming Association has voted for Sydney as the venue for this season's National Championships," the Hon Secretary, Mr J.S.Emerson, said last night. It has also stipulated that the championship carnival be conducted by the New South Wales Association, the NSW Association receiving 75% of the net proceeds and the balance going to the Australian Swimming Union.

Mr Emerson said that in the past the National Titles carnival had been conducted by a State for the Union. The ASU now sought to have this reversed and conduct its own carnival. The Australian championships are scheduled to begin on February 2, but the venue is still in doubt.

If South Australia, the only State which has not yet registered its vote, supports Victoria, the States will be evenly divided between Sydney and Melbourne. In that case the championships will be held in Melbourne whose turn it was before the championships were suspended because of the war.

STATE SWIMMERS TO FLY TO TITLES

The Queensland team to compete in the National Swimming Championships in Melbourne on February 2-9 will make the trip by air.

This as decided by the QASA Council last night. The swimmers will fly to Melbourne on January 30 and return by air on February 11.

Members of the team will be required to sign an agreement to ensure discipline which will place them under the control of the team Manager. Nominations for the State team close on January 16. Test races will be conducted all over Queensland in the previous ten days. Most of the metropolitan tests and the diving tests will be held in conjunction with the Allied Services swim at the Valley Baths on January 13.

By three to two, the States by mail vote rejected the proposal to change the venue of the titles from Melbourne to Sydney.

BUTTERFLY STROKE BAN

The QASA decided to vote for the retention of the Australian ban on the use of the butterfly stroke. A recommendation will be submitted to the Conference that the stroke be put in a separate class from breaststroke.

All men's races at the State Championships will be scratch events. Handicaps for women will be held only on the Monday and Wednesday of the carnival week. Memorial handicaps are to be deleted from the championship carnivals programme, and will be allocated to Clubs which desire to hold them.

The State Country Championships will be held at Ipswich on February 22.

QASA and QLASA teams will be sent to the Roma inter-town carnival on December 31.

Bowen was granted permission to hold the North Queensland Championships in December.

SWIM STARS AT VALLEY

Brisbane's best swimmers in all strokes will compete in novelty relay races at the Red Cross swimming carnival at the Valley Baths tomorrow night. A programme of individual interclub scratch and relay events will be expanded by heats and finals to 25 races.

Main races will be the 300 metres men's medley and 400 metres freestyle in which one man will swim 200 metres, one will swim 100 metres, and the other two members 50 metres each

Women have interclub 150 metres medley relay.

The Leander Club has a smooth team for the 400 metres relay with Bob Coates for the 200, Alan Davison for the 100, and two All Schools champions, C.Hoey and W.Chandler, for the two lap dashers.

City Pastime has the best 200 metres man in Fred Thee, and the State 100 metres champion N.Brough.

Peter Lyons should get far enough ahead in the breaststroke section of the 300 metres medley relay for Valley No 1 team, and with Bill Holland (backstroke) and Col Michel (freestyle) should win.

Half the programme will be women's junior events, and Valley Ladies expect three wins at least with Judy Young (junior freestyle), Nancy Lyons (Open breaststroke), and Iris Tubman (Open freestyle).

COATES GOOD TIME

Bob Coates clocked the best time recorded for a 200 metres swim this season, 2 mins 34 secs at a Leander Club weekly meeting at the Valley Baths last night.

Peter Maxwell, of Ipswich, who beat Bob Young at Dalby on Saturday, was relegated to third place by Young and Ray Colbert (Toowoomba) in the 200 metres junior freestyle.

SWIM FIND OUT OF SWIM TITLES

Peter Maxwell of Ipswich, named the "find of the swimming season", broke his collar bone in a fall from a bicycle on Wednesday afternoon.

Peter's trainer, Bill Fleming, expected to bring Maxwell's time for 100 metres freestyle down near 66 seconds. This would have put him in line for a national title trip to Melbourne, as the best times yet recorded by State junior champion Rodney Rogers are more than 67 seconds.

Another possible Queensland representative who will not be available for the State team is Alan Davison. He is recovering after a spell in hospital with an infection of the leg. His swim of 24 $\frac{3}{5}$ seconds in November is the best backstroke time recorded this season. He is also a former State medley champion.

State junior backstroke champion, Robert Young, already has been announced as a casualty with a broken finger.

SELECT ALL THREE

On the administrative side, State selector John Montgomery is out with an attack of pneumonia.

The Queensland team will be picked after the conclusion of the State-wide tests next Tuesday.

The initial carnival of the metropolitan tests will be held tonight at the Valley Baths. Main interest lies in the fact whether Clarence Hoey can keep going long enough in the faster butterfly stroke to defeat Peter Lyons who swims the orthodox breaststroke. Hoey swam 53 $\frac{4}{5}$ for 66 metres at Roma. If he can keep up this rate he should swim 1 min 21secs for the 100.

The women's 100 metres trial will bring together Iris Tubman, State champion and Nancy Lyons, junior champion. The older girl beat Nancy in 1 min 26

secs in December, but Nancy swan 1 min 25 2/5 secs on Wednesday night. Marie Collings, who will also start, beat both over 50 metres in April.

WIN BY IMRIE AT THIRD TRY

After recording two seconds in the two preceding nights, State pre-war middle distance champion, Alan Imrie, took the 400 metres freestyle Satate swimming trial at the Valley Baths last night. He gave the event all-the-way swimming and stood off a determined challenge by surf champion Fred Thee over the last lap to win in 5 mins 36 1/5 secs.

IMPROVED TO TAKE DIVE

Close second and third in the past two years in the State women's dive, Ngaire Langdon won the State junior women's diving test at the Valley Baths yesterday. Coral Springfield, who beat her last season, did not compete.

Ngaire beat Mavis O'Brien. She is revealing better form than last year and will be a strong contender for the state title. Mavis O'Brien who is 16 years old will still be eligible as a junior in the State championships but over the age limit for the national titles. Junior test winner, Jill Shanahan was third with 63.1 points and was unopposed in the junior trial

JOHNSTON ON TOP

State champion George Johnston admitted that his diving in the men's open test which he won was one of the best he had done in recent years. He recorded 144.7 points from ten dives to beat Mick Cannon, 72.2 points.

Junior title holder Ivan Mitchell was the only starter in the junior test.

Times in the swimming trials were not impressive in the tepid water. State intermediate backstroke champion Ian Brown took the backstroke test in the best time recorded this season, 1 min 22 2/5 secs which is well below national senior standard.

Nancy Lyons, junior backstroke, Iris Tubman, open freestyle, and John Baldwin, junior breaststroke, were not extended in their swims but their inclusion in the State team is assured.

NANCY LYONS IN LINE FOR SWIM AWARD

Queenslander Nancy Lyons should be in line for the award of the best performed woman swimmer at the National Swimming Championships in Melbourne next month. (The recipient for women proved to be Denise Spencer. Ed)

Trophies for the man and woman swimmer who most nearly approaches world standard have been donated by the ASU President, Mr H.A.Benett. Nancy won the junior 110 yards breaststroke at the junior titles in Sydney last year in Australian record time. She also took the junior backstroke championship in Australian junior record time. At the Queensland titles a month later she broke the Queensland record of 3 min 12 2/5 secs for 200 metres Open women's breaststroke established by Olympic representative Claire Dennis.

Interstate teams freestyle and medley relays for men and women have been included in the championship carnival. The relays will not be championship events but will provide an additional interstate competitive interest.

TEST SWIM WIN BY SPRINGFIELD

Seventeen year old Irving Springfield took the State Open 1500 metres test swim by half the length of the pool at the Valley Baths last night. His time of 23 min 17 1/5 secs was only 17 1/2 seconds slower than the clocking of the New South Wales star Bill Clark in winning the Queensland title last season.

Irving is the nephew of three swimming personalities Frank, Sid, and Mabel Springfield. Frank was an Olympic representative, Sid a national champion, and Mabel a State champion and very nearly an Australian title holder.

The new Springfield star has been swimming since he was five years old and has always been coached by his aunt Mabel. He swam a very heady race to win the junior 200 metres two years ago, and last night showed an old head on young shoulders. He led all the way.

Junior Val Sheppard also recorded a clear cut win over Marie Collings in the women's 400 trial. She led all the way and amazingly kept up a fast first lap rate to clock 6 min 7 1/5 secs. This was better than Uvon Crittenden's time in the NSW women's 440 yards at the weekend.

Tactics again played a large part in Peter Lyons 300 metres medley win from Bill Gillies and Ian Brown in 4 mins 41 4/5.

14 YEAR OLD MAY MAKE SWIM SIDE

Fourteen year old Connie McLoughlin, although beaten in the State junior women's swim test last week, may yet get her chance for the State swimming team to compete at the national titles in Melbourne. She will swim in the women's 100 metres freestyle event at the combined University trials and Leander Club swim at the Valley Baths tonight.

HAS IMPRESSED COACH

Former national champion, Bill Fleming, who is coaching Connie, believes she will go close to winning a national title if given opportunity.

Another who will make a bid for the State team at tonight's University trials will be Alan Davison former State backstroke champion. He was kept out of the tests last week with a leg injury.

With team manager, chaperone and coach the State team may total eighteen. Denise Spencer, Nancy Lyons, Edna Meares, Iris Tubman, and Val Sheppard have already been nominated by the QLASA to the QASA selection committee who will select the team tomorrow night. For men's events, diver George Johnston, Nev Brough, Alan Davison, Peter Lyons, Irving Springfield, Rodney Rogers, John Baldwin, and Alan Imrie are likely candidates.

STATE SWIM TEAM CHOSEN

Fifteen swimmers were chosen by the QASA committee last night to represent Queensland at the National Swimming Championships in Melbourne beginning on February 2.

Members of the team and the events in which they will swim are -

Men - N.Brough, Open freestyle 110 and 220 yards; Alan Imrie, Open freestyle 220, 440, 880; Irving Springfield, Open freestyle 880, 1650; Alan Davison, Open freestyle 110, 220, backstroke 220, medley 330; Peter Lyons, Open breaststroke 220, medley 330; Bill Gillies, Open breaststroke 220, medley 330; George Johnston, Open dive; Rodney Rogers, Open freestyle 220, junior 110; John Baldwin, junior breaststroke 110.

Women - Denise Spencer, Open freestyle 110, 220, 440, 880; Nancy Lyons, Open backstroke 110, breaststroke 220, Junior breaststroke 110, backstroke 110; Iris Tubman, Open freestyle 110, 220; Val Sheppard, open freestyle 440, junior 110; Edna Meares, Open breaststroke 220, ; Connie McLoughlin junior freestyle 110.

Officials will be Mr J.S.Emerson, Manager, Mrs C.Mackay, Chaperone, Mr W.Holland official coach.

The team will leave Brisbane by train on January 27, and leave Melbourne for return on February 10.

The State Championships begin in Brisbane on February 16.

ROGERS DROPPED FROM SWIM TEAM

Swimming star, Rodney Rogers, was dropped last night from the State team to visit Melbourne for the Australian championships. The decision was announced by the team Manager, Mr J.S.Emerson, who is Secretary of the QASA.

"It was approved unanimously by the Association's Executive committee," Mr Emerson said.

Rogers is one of the most brilliant juniors the State has produced, and Emerson conceded that he had excellent prospects of winning the national 110 yards national title.

Mr Emerson said that Rogers alone of the fifteen team members had not signed the agreement placing himself under the Manager's jurisdiction.

Mrs Rogers informed him yesterday that she proposed to book seats for herself and her son on a plane to reach Melbourne prior to the event in which he was due to compete next Tuesday. Mr Emerson told Mrs Rogers he would have to leave with himself, the official coach Mr Holland, and others members of the team tomorrow. She said she would consult her husband.

TO FILL PLACE

Later when he rang Mrs Rogers, she told him the QASA arrangements were unsuitable. I said, "If the arrangements did not suit Rodney, he would not go to Melbourne and I would try to get someone to fill his place. My decision was subsequently approved by the Executive committee," said Mr Emerson.

Mr Carl Rogers, Rodney's father, said that the flight to Melbourne would have been at his expense to enable his son to attend the re-opening of his school. "I want my boy to be under his mother's care," he said. "I understand the accommodation in Melbourne leaves much to be desired. Last year at the championships in Manly, Rodney and another lad were put out of their boarding house, the landlady saying the room had been booked. Other members of the team found themselves sitting on their suitcases at Manly Baths."

"Already the team has been split into four sections. Some have already gone, the women leave tomorrow, four men on Sunday, and the surfers on Monday. The fact that Rodney did not sign the agreement has no significance, it could be signed at any time."

Peter Robinson of Roma has been selected to replace Rogers. He will leave Roma this morning to reach Brisbane tonight.

DENISE SWAM TO SET PLAN
Melbourne, Saturday

The Queenslander Denise Spencer swam to a set plan to win the Australian 440 yards title on Saturday. The plan was devised by Mr Joe Emerson, Secretary of the QASA and Manager of the team.

Denise was instructed to make the pace a "cracker" for the first 220 yards and hold the lead to the end of the race. It was through that by carrying out these tactics, Judy Joy Davies, unaccustomed to close competition in Victoria, might be put out of her usual method of swimming the race. The plan was a success and Denise defeated Judy by twelve feet and equalled the Victorian record for the distance set by Judy last year.

Denise will meet Judy again in the 110 yards title at Richmond on Tuesday night.

Nancy Lyons, Queensland's Olympic hope, had no difficulty in winning the 110 yards junior backstroke title and reduced her Australian record of 1 min 27 6/10 secs by 1 3/10 seconds.

ARMY SWIM TROPHIES UNDER BAN

The two Queensland champions, and a New South Wales champion, Keith Anderson and Peter Morrison, and Bill Smith who won their open titles at the Army Swimming Titles yesterday, will not accept the prizes they won.

They want to compete at the State Championships next month and were not willing to risk their amateur status. The prizes were postal notes issued by the army post office and available for local canteen orders only.

QASA Council Chairman, Mr Eric Bale, deemed that the notes came under the heading "money or in kind" which is unacceptable for amateurs. He warned the swimmers who took them they would be unable to compete in the State Championships under ASU Rules.

Melbourne, Tuesday

Possible Olympic and Empire Games swimming hopes will be coached to world standard. This was decided at the Interstate Conference of the Amateur Swimming Union of Australia today. The motion was put forward by Mr W Berge Phillips, Hon Secretary and Treasurer of the Association.

The Conference decided the swimmers should be selected immediately. Under the scheme the selectors and two other persons would lay down a plan of coaching, callisthenics, and diet.

It was decided to approach the Federal Government for a Grant to finance the scheme.

SECOND TITLE TO NANCY

Queenslander, Nancy Lyons, retained her 110 yards breaststroke title at the Richmond Baths tonight. Her time, 1 min 31 1/5 secs, was two seconds outside her national junior record established in Sydney last year. This was her second win in this year's championship. Nancy also set up a commanding lead for the successful Queensland team in the interstate medley relay event.

Plucky Denise Spencer was beaten by a yard by Dawn West (NSW) in the women's open 110 yards freestyle championship. She suffered from an acute bilious attack and had to be assisted from the baths. Barbara Lee (NSW) was third. The Victorian champion, Judy Joy Davies, was unplaced.

Denise was subsequently replaced in the freestyle 110 yards in the Queensland medley relay team with Sandgate junior Val Sheppard.

EARLY MEDLEY LEAD

State champion Iris Tubman swimming backstroke, began well for the Queensland girls, and Nancy Lyons swimming breaststroke took them into a commanding lead. Val finished the six lap course in 4 min 16 3/10 secs. Victoria was second and New South Wales third.

New South Wales scooped the pool with five wins in the six title events and appear to have a firm grip on the Kieran Shield.

DENISE HOLDS KEY TO STATE SHIELD WIN

Destination of the Corbett Shield at the National Swimming Championships depends on whether Queenslander, Denise Spencer, is fit to swim in the Open 880 yards at the Brunswick Baths in Melbourne this afternoon.

The Shield is awarded to the State with the most number of wins in title events. Queensland and New South Wales have each won three titles so far.

Nancy Lyons in the 220 yards breaststroke and Denise Spencer in the 220 yards freestyle seem certain to take two more championships for Queensland on Saturday. The four other women's title events left are the 110 yards breaststroke, the high dive, springboard dive, and the 880 yards freestyle.

The only other race today will be the men's 1650 yards freestyle. Queensland representative will be 17 year old Irving Springfield.

NEXT TITLE FOR BRISBANE

Melbourne, Wednesday

The next Australian Swimming Championships will be held in Brisbane. This was decided at a meeting of the Amateur Swimming Union of Australia today.

In future the championships will be conducted by the State Association for the Union, under its control. Of the takings 25% will go to the Union, 25% to the State Association where the championships are held, and 50% will be divided among the visiting States according to the expense incurred.

Age limits for competing in national championships will in future be reckoned from October 1. This means that anyone under the age of sixteen on October 1 may swim in junior events throughout the rest of the season (the end of March the next year).

The 880 yards women's event will be dropped from future championships, and instead a 220 yards junior freestyle will be added to the usual women's championships.

No butterfly breaststroke will be permitted in the men's 220 yards breaststroke in future.

SWIM RECORDS BY QUEENSLAND GIRLS

Denise Spencer established three, and Nancy Lyons one, of the fourteen new Australian or Victorian record times set at the National Swimming titles in Melbourne last week. Of the four national records established, Nancy and Denise made two. The only swimmer in the carnival to lower more than one record was Denise who beat two and equalled another.

Denise proved her stamina with a runaway win in the 880 yards freestyle in a new Australian time of 12 mins 11 1/5 secs. She had previously beaten Judy Davies Victorian 440 yards record in 5 min 48 1/5 secs, and she came out on the last day to win the 20 yards in Victorian record time of 2 min 39 2/5 secs.

Nancy bettered her own Australian junior figures for 110 yards breaststroke by clocking 1 min 26 2/5 secs. She failed to break her own junior women's backstroke time set in Sydney last year.

From an Olympic and Empire Games point of view swim critics are pleased with Australia's prospects especially in diving sections. Most of last week's winners are new swimmers emerged since the war. Exception was men's open breaststroke win by Geoff Johnson who is in his forties. Southern writers are naming Peter Lyons as a probable Olympic representative.

Queensland girls were successful in winning the Corbett Shield with 6 points, to New South Wales 3, Victoria 2, and South Australia 1.

Denise Spencer received the H.A.Bennett award for performance nearest to world standard

SWIM COACH SLATES TRAINING

"Miss Spencer was the only senior to do sufficient training while in Melbourne," said Bill Holland, coach of the Queensland swimming team, when the men's section of the team reached Brisbane yesterday.

Denise won three of her four races in the carnival in either Australian or Victorian record time. Nancy Lyons, with three wins was the only other member of the Queensland side to win an event.

The coach excepted junior women's freestylers, Val Sheppard and Connie McLoughlin. They had only to swim in the junior women's 110 yards freestyle, though Val swam in the open 220 and 440 yards events.

Most of the Queensland swimmers in the events were conditioned well enough for ordinary amount of work, but lacked the final polish demanded by concentrated training. Lack of experience, resulting in nervous attacks, beat a number of Queenslanders before entering the water. Peter Robinson was overstrung before the start of the men's 110 yards junior freestyle and disqualified himself by breaking twice. Junior breaststroker John Baldwin was disqualified in his event by dipping one shoulder while looking across to Kevin Jones (NSW) who was swimming butterfly.

Val Sheppard could swim only fifth in the junior freestyle title won by K.Heyman (NSW) in 1 min 18 1/5 secs. In relay events on subsequent nights of the carnival, Val was twice clocked at 1 min 18 secs for 110 yards.

JUNIOR'S SHOWING

14 year old Connie McLoughlin, who had never previously swum in anything better than club races, was the most impressive of the unplaced members of the team. She was narrowly beaten for third place just ahead of Val in the junior women's freestyle.

Peter Lyons was beaten into third place by a touch by Vic Powell (Vic) in the men's open breaststroke. He had previously beaten Powell in the breaststroke event at the combined University - Victoria competition two days earlier.

SWIM TITLES NEED HEATS

Because of the exceptionally heavy entries, elimination heats will be held in a number of men's State Swimming Championships events, the QASA decided last night Heats of the open 100 metres freestyle and 200 metres intermediate freestyle will be held tomorrow afternoon, -finals will be swum on Saturday night:

Heats of the 200 metres open freestyle and the 1500 metres open freestyle will be swum on Sunday afternoon - finals for the 200 will be held on Monday night; no decision has yet been made about the final of the longer race: heats of the 800 metres will be held on Tuesday night at the Commercial Club's carnival and the final on Wednesday: heats of the 400 metres will be held on Thursday night at the Leander Club's swim and the final the following Saturday.

Fields for all finals will be reduced to eight competitors.

SWIMMERS MOVE TO DEFEAT BAN

QASA proposes to hold the State Diving Championships and 1500 metres freestyle title next Sunday in conjunction with an army swim carnival. The events were postponed yesterday when the City Council refused to let the Valley Baths be taken over on a Sunday night except for a services carnival.

The dives will have to be contested in daylight, and the baths are booked until next Sunday for either a title night or heats of long races to be swum off in conjunction with weekly Club swims.

Army Services would have been willing to put on a programme yesterday if they had been given sufficient time to make arrangements.

State junior freestyle representative, Connie McLoughlin, may swim butterfly stroke in the women's sub-junior breaststroke 50metres title tonight. If she does she will be the first woman in Queensland to do so after the lifting of the butterfly ban last year.

Diana Stanfield beat Denise Spencer in both the Open and the junior freestyle lap dashes last year. Denise's speed may be diminished by serious long races recently, and she may experience her only freestyle defeat of the State carnival when she meets Diana in the women's 50 metres freestyle tonight.

State representative Peter Robinson who broke the junior 50 metres men's freestyle record in his heat, but was beaten in the final by Rodney Rogers on Saturday, will meet Rogers in the Open 200 metres freestyle. Rogers won the State test against open company in January. For experience, Robinson swam in the national Open 220 and clocked 2 min 36 secs.

Peter Lyons won the State medley test last month narrowly from Bill Gillies. Tonight he will be tested also by Ian Brown whom he beat in the 150 metres medley last year.

GIRL SWIMMERS SET NEW RECORDS

National Title representative, Nancy Lyons, was the only winner of a women's title who failed to break a record at the State Championships at the Valley Baths last night.

Denise Spencer took the Open 50 metres freestyle and the intermediate 200 metres title, Lorraine McMurray the 50 metres breaststroke, and Norma Liddle the Under 13 50 metres freestyle championship, all inside the best time for the events.

Nancy won the junior backstroke 50 metres easily by 3 seconds from Betty Ward and Dorothy Davison, but she failed by 4/5 sec to beat the record held by Margaret Davison, sister of Dorothy.

State junior freestyle winner, Connie McLoughlin, caused the surprise of the night by her second to Lorraine McMurray in the sub-junior women's breaststroke 50 metres. Connie used butterfly stroke for the first 30 metres at the end of which Lorraine appeared to have an unbeatable lead. Despairing of getting anywhere near the leader, Connie changed to normal breaststroke which is usually slower than the butterfly. Connie swept past Dini van Messel and Pat Rigden and failed by inches to reach Lorraine. The time set a new record by 2 seconds.

In his first competitive swim, John Bird won the 100 metres Under 15 freestyle title. He has done recent training with the Sandgate Club, but comes from Warwick. Toowoomba boys Ray Colbert and Martin Trenerry dead-heated for second.

JUNIOR'S SHOCK WIN

Junior, Rodney Rogers, again proved too good for the Open swimmers in the 200 metres freestyle classic. Nev Brough and Rogers made a great sprint together over the last lap and the judges declared for Rogers by the shortest of touches.

Another upset was the defeat of the State champion, Peter Lyons, in the 300 metres medley by Bill Gillies. Ian Brown who was only fourth last night is the only other swimmer who has beaten Lyons in the medley in Queensland since Lyons turned senior.

Rowley Gale, beaten by Bobby Young in record time in the sub-junior backstroke 50 metres last year, turned the tables in the junior 100 metres backstroke last night. Young, who broke a finger a month ago, was kept out of training for some weeks and was unable to finish strongly.

SWIM CHAMPION IS SELF TRAINED

Self trained in a waterhole outside Gladstone, Ian Waddell last night won the Queensland metres freestyle championship at the State Swimming carnival at the Valley Baths. Waddell, who is a former 1500 metres champion, works on a station near Gladstone. He does his training in the station waterhole and goes into Gladstone periodically for a try-out against good opposition. In the station pool there are no turning boards. Last night Waddell swam under difficulties. He was in No 1 lane and through lack of swimming in straight tracks frequently scraped the tiled side when pulling his arm over.

State representative Alan Irving disputed the lead until 600 metres had been covered. After that the country swimmer drew away a foot or two from Imrie. Fred Thee put in a great burst 100 metres from home but he was then too far behind Waddell who also finished strongly.

Waddell put in a great finish to be beaten by a touch by Alan Davison in the State 100 metres backstroke title later in the day.

CLOSE MEDLEY FINISH

Another country swimmer, Keith Anderson of Townsville, won the Open 150 metres medley in State record time. Anderson who was the pre-war medley champion beat Peter Lyons by a yard in a terrific last lap struggle. Swimming butterfly, Anderson was able to keep close to Lyons in the first lap. He held Lyons in the backstroke lap and secured an early freestyle lead which he managed to hold. The time was 4 1/2 seconds better than the State record set by Lyons last year.

DENISE'S TWO RECORDS

National champion, Denise Spencer, set two more records. She beat the race record of 1 min 29½ secs for the women's 100 metres freestyle by 17 ½ seconds, and also broke her Best by Queenslander record for 200 metres freestyle, clocking 2 min 44 4/5 secs. In the latter race she was pushed along by the junior lap champion Judy Young. State representative, Val Sheppard, finished well ahead of another junior, Pat Vickers of Ipswich. Connie McLoughlin (jnr) and Judy Young (jnr) were fourth and fifth. Young earlier in the night swam 32 2/5secs in the junior women's 50 metres championship - the best time of her career.

State junior champion, Rodney Rogers, took his third title in three nights with a strong finish in the junior 200 metres freestyle. State representative, Peter Robinson, was with him until the last 25 yards, but was then overwhelmed by Rogers. Rogers time of 2 min 31½ secs broke the previous State record by 4 9/10 seconds.

Nancy backstroke champion Nancy Lyons again failed to beat State Open champion Iris Tubman in the 100 metres backstroke title. Iris quickly opened up a lead and Nancy's strong finish came too late.

Bill Dowd got to the front in the last yard in the intermediate 100 metres breaststroke by a touch from Nev Parker.

QUEENSLAND DIVERS CAN'T GO OFF IN THE DEEP END By Jim Vines (Sports Editor)

Unless something is done, and done quickly, Queensland will have to admit its inability fully to conduct the Australian Swimming Titles here next season. It will not be a nice admission for the third State in the Commonwealth.

Actual swimming events can be held at the Valley Baths, but there is not a pool in Queensland in which a high dive could be conducted.

If provision for holding the dive is not made during the "off" season, then the Queensland Amateur Swimming Association will have to ask that it be conducted in Sydney when the teams return south.

City Council has plans for a modern Olympic Pool at Victoria Park, but with the accent on housing, and time fleeting, I can't see it being ready for next season or even the season after that.

In any case, my City Hall spies tell me the first pool to be built as part of the post-war programme will go to the south-side. But from the same sources comes a rumour that there will be a large-scale improvement at the Valley Pool during the winter months.

But the absence of high diving facilities is only a ripple on the surface of swimming administration compared with the tidal wave of criticism (mostly anonymous) over the recent dropping of Rodney Rogers from the State team.

Team Manager, Joe Emerson, says he gets at least one anonymous abusive letter or postcard a day.

In Melbourne Mrs Mackay, chaperone of the women's section of the team, received this wire, "Kindly convey to Emerson our congratulations for presenting the Australian Junior Title to New South Wales. All at the Valley pool."

The telegram was unsigned, but bore a Woolloongabba postmark.

PUBLIC SWIMMING PLAN WANTED HERE

Queensland has been left out of the calculations for the training of a national swimming team to go to the next Olympic Games. Queenslanders Peter Lyons, Nancy Lyons, and Denise Spencer, were selected by the Australian Swimming Union last December as members of an Olympic training squad of 34 members. Nothing has been done about setting them on their training schedules.

First official notification came to them in a circular letter from A.S.U. Secretary, Mr W Berge Phillips. It said, "You should now be in the midst of your callisthenics exercises which form the pre-water conditioning period conducted by your State Associations, covering the period from October 1 to February 1. The Olympic Games Preparation Committee will be receiving from time to time from your State Association reports of your progress."

He enclosed letters for a season's preparation as employed by the Spit Club in Sydney, and lists of time standards set out by the preparation Committee as goals for swimmers.

INSTRUCTONS WANTED

Queensland Association Secretary (Mr J.Emerson) said that no instructions had been sent to the QASA by the ASU to be passed on to the three swimmers. "QASA training committee considered it would not be justified to bring in a training plan for Queensland swimmers on its own accord," he said.

"I've seen the outlines of the best southern long range planning schemes, and I do not think they will succeed. Swimmers do not have time to develop the sport on their own," added Mr Emerson. "In America, University students provide the main body of record breakers in all sports. They have opportunities to specialise in their own line and are rigidly supervised throughout their training periods."

"In Australian Universities and Schools, students are expected to play a good hand at other sports also, according to the season," he said.

The two Lyons and Denise Spencer are trying to follow, on their own initiative, to work with the Spit chart, but they have along way to make up. Peter Lyons is a member of the Valley Club training squad which began last month with a schedule of pre-water training exercises similar to that which is being used for the 99 members of the New South Wales training squad.

The exercises are naturally passed on to sister, Nancy. Denise, as a boarder at school, will have fewer opportunities for unauthorised pre-water training.

AGAINST VISIT BY SWIM STARS

The special Executive meeting of the QASA decided last night not to agree to the proposed visit by the American, French, and Hawaiian, swimming stars this season. The cost of the visit was claimed to be too prohibitive.

The move had been sponsored by the Australian Swimming Union. New South Wales and South Australia had favoured bringing the internationals to Australia, and Victoria previously rejected the proposal.

Len Stanton was appointed sole adviser/director of a colour film on speed swimming to be made by the Association in collaboration with Harry Giese, Director of Physical Education. The "stars" will be Bill Fleming (freestyle), Nancy Lyons (breaststroke), and Iris Tubman (backstroke). Shooting will begin next month.

NO CHANGE IN SWIM VENUE

Rumours that the National Swimming Championships next year would be taken away from Queensland were denied yesterday by the QASA Secretary, Mr J.S.Emerson.

"The Australian swimming, and three metre diving, championships will be held at the Valley Baths in the first week of February," he said.

"Mail vote amongst the States will not be taken on the venue for the high tower dive which cannot be held at the Valley Baths because of the shallowness of the water," he said.

He thought they probably would be held in Sydney immediately after the National carnival in Brisbane.

Q.A.S.A'S NEW CHAIRMAN

Mr J.S.Emerson, Secretary of the Queensland Amateur Swimming Association for four years has been elected Chairman of Council. He succeeds Mr E.A.Bale, a Brisbane solicitor. Mr Bale took on the job as Chairman during the war, but pressure of business has forced his resignation.

Mr Emerson said yesterday that the State Championships would be held in Brisbane January 11 to 18 to enable country swimmers to be here for the National Titles which are expected to begin at the valley Baths on February 1.

Other Officers elected at the Council meeting were - Hon Secretary, Mr N.Robinson; Hon Treasurer, Mr R.S.Beer; Members of Executive Committee, Messrs Lester (City Pastime), R.Franzen (Leander), Stewart (Maryborough), Nankavill (Ipswich), Connell (Western Districts); Timekeeper, N.Walch; Starter, W.Morrall (Mr R.Hodge who has acted as Starter for nearly thirty years, resigned because of ill health); Sub-committees appointed were - Diving, Mrs E.Gough, Messrs E.S.Collin, G.D.Johnston, W.Nolan, W.Morrall; Baths, Messrs G.D.Johnston, H.Malyon, S.CConnell, L.Johnston, J.Spiro.

C.M. Saturday 9 November 1946

Queensland is in danger of losing the Australian swimming titles which were to be held in Brisbane next year. A mail vote is now being taken of five of the States and the President (Mr Horrie Bennett) and Secretary (Mr W.Berge Phillips) of the Australian Swimming Union to determine if they are in favour of the swims being held here as originally arranged.

The President, Secretary, and the five States (Qld, NSW, Vic, SA, and WA) are entitled to one vote each.

POOL TOO SHORT

Mr Berge Phillips said in a telephone call from Sydney tonight that the mail vote was being taken because the Valley Pool was eleven inches short of the required distance, and there were no high diving facilities. The pool was 50 metres long whereas it should be 55 yards to meet the requirements. The mail vote will close on November 14.

Mr Phillips said that though New South Wales was in favour of holding the national titles in Brisbane, he thought the mail vote would not favour the proposal. He added, "Some time ago the ASU wrote to the Brisbane City Council urging that it lengthen the Valley Baths so that national championships could be held there. A reply was received from the Council stating that because of a shortage of building materials this could not be done."

Chairman of the Queensland Amateur Swimming Association (Mr J.S.Emerson) said yesterday that the decision of the City Council not to lengthen the Valley Baths was regretted. It looked as if Queensland could lose the national titles.

QUEENSLAND LOSE SWIM TITLES
Sydney, Wednesday

The Australian Amateur Swimming Championships are to be held in Adelaide this year, not in Brisbane as formerly arranged. The championships were set down for Brisbane on February 1, but the Australian Amateur Swimming Union has decided that the facilities available in Brisbane do not come up to the required standard, as a 55 yards pool was required, not a 50 metre pool, also there was no standard high diving tower.

STATE SWIMMERS TRAINING HARD

Leading Queensland swimmers are in solid training for the State Swimming Championships to be held at the Valley Baths on January 11, 14, 16, and 18.

National champions, Nancy Lyons and Denise Spencer are in great form at present. On Wednesday night Nancy swam the 200 metres breaststroke in 3 mins 14 secs, only slightly worse than her best. She trains at the baths twice daily. Denise has been home in Roma since last month, and is practising in the pool there.

Nev Brough, City Pastime Club, is swimming regularly and will be favourite for the Open events.

IN SYDNEY

State junior champion, Rodney Rogers, ventured to Sydney last Saturday to try to gain special training under coach Harry Hay at the Manly Pool.

Mr J.S.Emerson, Chairman of the QASA, is taking a team of swimmers to Roma for a carnival on December 31. The team will be a powerful one, chosen from QASA and QLASA members.

SELECTORS FOR SWIM TEAM

W.Holland, W.Lester, and N.G.Robinson, have been appointed selectors of the swimming team to compete in the Australian Championships in Adelaide starting on February 1.

The appointments were made by the Council of the Queensland Amateur Swimming Association last night. The Queensland team will be chosen at the conclusion of the State Championships on January 18.

New Zealand backstroke champion, Ngaire Lane, will compete in the State Championships. Her best time for the 100 metres backstroke is 1 min 20 secs. This is nearly three seconds faster than the best time of Iris Tubman, Queensland's outstanding backstroke swimmer.

At the opening carnival at the Valley Baths on Saturday afternoon, both dives will be decided, also the 1500 metres freestyle. Heats of the following events will be held - 50 metres men's junior freestyle, 100 metres men's freestyle, 100 metres men's backstroke, and 100 metres men's breaststroke.

STRONG SWIM TITLE BID MAXWELL WILL TEST BROUGH

The battle between "veteran" Nev Brough and 16 year old newcomer Peter Maxwell should be the highlight of the "blue riband" of Queensland swimming, the Open 100 metres freestyle title at the State Swimming Championships at the Valley Baths tomorrow night.

WOMEN ARE SWIM STARS

Highlight of the swimming championships at the Valley Baths tomorrow night will be the women's Open 50 metres freestyle. National champion Denise Spencer and New Zealand title-holder, Ngaire Lane, Diana Stanfield, Judy Young, Val Sheppard, and Thelma Wehl, are all in the picture for this event.

SPARKLING SWIM

Nancy Lyons, national women's breaststroke champion swam the fastest 200 metres in women's breaststroke by an Australian in Australia on Saturday night when she recorded 3 mins 8 secs. The previous best time was 3 mins 8 2/5 secs set by Australian champion Claire Dennis at the Domain Baths in 1932. Nancy has thus proved herself one of the greatest women swimmers in Australian swimming history. When she won on Saturday she swam unpaced for the last two laps winning by half the length of the pool.

GIRL SWIMMER BREAKS TWO RECORDS AND EQUALS ONE

Denise Spencer, national women's freestyle champion, broke one State women's record and equalled another two at the Valley Baths tonight.

Six records were bettered or equalled in the first eight title events.

Denise cut 3.4 seconds off her own record in winning the women's intermediate 200 metres freestyle. Her time was 2 mins 41.4 secs. Her 31.4 seconds in the Open lap equalled the State time, and also lowered the intermediate record by 5 seconds. The time however was 2 seconds outside her best made at the national title in Melbourne last year.

Diana Stanfield holder of the State 50 metres freestyle record paced Denise for the first half of the Open lap title. She got on the ropes and finished weakly letting pair Judy Young and New Zealander Ngaire Lane fill the places.

MAXWELL'S TRIUMPH

Peter Maxwell, 16 year old freestyle hope, took his first Open title when he outstayed the older contenders in the Open 200 metres freestyle. By later winning the Under 17 100 metres freestyle in record time, Maxwell brought his record in State championships to three wins and a second in four starts. He travels 250 miles a week from Ipswich to the Valley Baths to train under former national champion Bill Fleming, whose late distance mantle he seems certain to assume.

Maxwell led practically all the way. He swam the first 100 in 67 seconds. With 50 metres to go the field was closing in on him but he went away in the run home. With the exception of the 17 year old Irving Springfield, Maxwell was four years younger than any other swimmer in the field.

Best time for the night was Don Michael's clipping of 8 seconds off the men's junior backstroke time. He won by ten yards in 76.8 seconds. This is 1.2 seconds faster than the Open title time on Saturday night and eclipses the Victorian Open time. Best backstroke swum by a Queenslander was 75 seconds swum by Tom Boast.

TWO TITLES, TWO RECORDS

George Newton who was uncertain to compete at the championships because of an infected ear last week, won his second title and set his second record by taking the men's sub-junior 100 freestyle in 71.4 seconds.

Bill Gillies, unable to get the "feel" of the fresh water after a fortnight in the surf, trained himself into superb condition last week. To show his fitness he ran away with the men's 300 metres medley, beating former champion Keith Anderson and Peter Lyons who had tired each other in the first 100 metres breaststroke. Jack Bell finished on to run second ahead of them.

TWO SWIM RECORDS SHATTERED
SPENCER - LANE SET NEW STATE FIGURES

Two state records were shattered at the Valley Baths last night by the New Zealand backstroke champion, Ngaire Lane and Queensland freestyler Denise Spencer.

Ngaire took 2.1 seconds off the Queensland women's 100 metres backstroke by swimming 80.9 seconds. Denise broke the State 200 metres freestyle record by 2.6 seconds in the women's Open.

Ngaire was cheered on by a squad of New Zealand Air Force men as Queensland girl Nancy Lyons closed on her in the last lap. Nancy was beaten by more than two yards when she swam the best 100 metres by a Queensland girl in 83.5 seconds. Nancy's time was 8.1 seconds better than her time in winning the national junior women's 110 yards title last year. She dropped two yards behind the New Zealand girl in the first twenty five yards, but over the last fifteen she seemed to be making little impression though she appeared to be stroking more strongly.

BEAT BEST 200m TIME

Denise clocked 2 min 28.8 secs, her best 200 metres time. Juniors Judy Young and Connie McLoughlin helped to make a solid pace over the first 75, but Denise led all the way. Connie collapsed at 130 metres but worked her way to the side of the baths where she "blacked out". She was assisted from the water by friends and officials.

Val Sheppard after her second to Diana, third in the backstroke race, took the Under 17 women's 100 metres freestyle.

Sheila Wehl, beaten by Norma Liddle in the Under 13 last year, reversed the placings in the women's Under 14 50 metres freestyle. She later beat Judy Young in the women's junior 50 metres freestyle.

SWAM BUTTERFLY

Keith Anderson retained his 150 metres medley title cutting 1.4 seconds off last year's record. Anderson and Ian Waddell, who was second, both swam butterfly on the breaststroke leg, but Lyons, swimming orthodox breaststroke touched ahead of them in the first lap.

Don Hogan outstayed his rivals the junior men's freestyle in the 200 metres. Cairns boy, Norm James was the only other competitor to finish with dash.

Peter Maxwell, 100 metres champion, ran away with the intermediate 400 metres freestyle and cut 6 seconds off the previous best time.

New junior backstroke champion, Don Michael, timed at 79.9 seconds, touched off former Olympian Tom Boast (80 seconds) in the first round of the Open medley relay.

Peter Lyons swam better than his State record of 81.5 seconds.

STATE COUNTRY SWIMMING TITLES

TOP SWIM BY TOM McNAMARA

STATE CHAMPION DOWN

From our special representative, Ipswich, Friday

State champion Peter Maxwell was beaten by club mate Tom McNamara in the men's 100 metres freestyle Country Championships at Ipswich last night. 20 year old McNamara led all the way and won in 65 seconds, a country record. McNamara is a navy man.

McNamara's bona fides were checked by the QASA officials as he had swum several times with the Valley Club while in Brisbane. McNamara has been Club champion for several years managing to get leave to swim in titles. He had entered for the State Championships but withdrew thinking he was not good enough. He was entered

for tonight's title by his Club and he decided to swim. McNamara took State junior titles some years ago. He arrived on leave in Ipswich on Monday and his only training has been in the past four days.

Denise Spencer swam away with the Country women's Open 50 metres freestyle title in a time 1.6 seconds faster than her swim last year.

The junior men's 50 metres freestyle went to John Bird with Mat Trenerry and Norm James in the places, touches separating the three of them.

STATE SELECTS NINE SWIMMERS FOR ADELAIDE

Nine Queensland swimmers, five men and four women, have been chosen to represent Queensland at the Australian Swimming Championships in Adelaide from February 1 to 8.

State selectors (N.Robinson, W.Holland, W.Lester) yesterday chose the following:-

Men P.Maxwell (Ipswich), D.Michael and R.Hogan (Sandgate), J.Boast (Valley) J.Kirkman (Leander).

Women - Denise Spencer (Roma), Nancy Lyons and Judy Young (Valley), Val Sheppard (Sandgate).

Current Chairman of the QASA, Mr Joe Emerson, will manage the team, coach will be Neil Horn of the Leander Club, and Mrs Bowman (Sandgate) will travel as Chaperone.

It is one of the strongest teams to represent the State. All the chosen swimmers have shown outstanding form at the State Championships which concluded last Saturday.

STATE TEAM FOR WATER POLO

Queensland will send a water polo team to the Australian Water Polo Championships to be held next month. The carnival will start on February 22 and the Queensland side will leave on February 19.

The Queensland team will meet the Combined Australian Universities at the University swimming carnival at the Valley Baths tonight.

The Queensland team is - W.McCane (Valley), W.Smith (Taxation), G.Colbourne (Valley), E.Bonis (Captain, City Pastime), T.Long (Valley), R.Miller (Leander), and J.Smith (City Pastime). Reserves are W.Holland (Leander) and W.Shanahan (City Pastime).

In the swimming section of tonight's carnival Denise Spencer, Nancy Lyons, Val Sheppard, Judy Young, Peter Maxwell, and D.Michael, members of the State team, will compete against the University champions.

SWIMMERS CONFIDENT OF VICTORY

By Jim Vines, Adelaide, Thursday

"Queensland girl swimmers did not bring the Corbett Shield won at last year's National Title carnival to Adelaide with them. They are confident it will stay in the State," team Manager, Mr Joe Emerson, said today. "It is locked in my safe in Brisbane. I don't think we will have to pack it up. Denise Spencer and Nancy Lyons should win four titles, and Queensland girls should win the relay.

RECORDS IN TITLE SWIMS

Adelaide, Friday

New South Wales won all but one event in the first elimination heats of the 1947 National Swimming Championships in Adelaide this afternoon.

16 year old Victorian, John Marshall, had a great battle with F.O'Neill (NSW) in the first heat of the men's 220 yards freestyle clocking 2:26 2/5, breaking the South Australian State record by 13 1/5 seconds.

N.S.W. LEADS FOR SWIM SHIELD

Adelaide, Sunday

New South Wales with five first placings out of seven events established a firm grip on the Kieran Shield for men and the Corbett Shield for women. There were some brilliant individual performances and Australian and South Australian records went by the board.

Denise Spencer (Qld) and Judy Joy Davies (Vic) were well ahead of the field and fought out the finish in the 440 yards freestyle - a repetition of the 1946 meeting. They were together at 55 yards, but after 110 yards Denise took the lead and held it throughout. The race was swum in 5 mins 47 secs. This is a record for the event though 3/5 second slower than the best time for the distance established by Dorothy Green in 1939.

DENISE BEATEN IN SWIM TITLE

Adelaide, Tuesday

Denise Spencer was drawn in the worst lane and was beaten by a touch by Judy Joy Davies in the 110 yards freestyle at the City Baths at the Australian Swimming Championships carnival tonight.

The girls swam stroke for stroke from the dive, but Denise in the outside lane was confused by the blinding underwater lights on the edge of the pool, over the final 55 yards. Denise was beaten by Davies by a touch in this event last season. Judy's time was 1 min 11 9/10 secs and Denise was 1/10 sec slower.

Earlier in the night Davies had beaten Nancy Lyons into second place in the 110 yards backstroke by a yard and a half with Gwen Millard (NSW) a touch away third. Judy's time was 1 min 21 ½ secs, nearly three seconds better than the time for last year, but was well outside Miller's national record of 1min 16 4/5 secs.

Despite the record by Nancy Lyons swimming breaststroke, Queensland was beaten into third place in the 300 yards medley teams championship. Queensland lost too much ground in the backstroke section.

SWIM SHIELD MAY BE LOST

Queensland girls will have to perform a super effort in all the remaining events at the National Swimming Championships tonight if they are to retain the interstate Corbett Shield. WATER [POLO FINALS NEXT MONDAY

Brisbane interclub water polo championship final will be played at the Valley Baths next Monday night. Semi-finals will also be played on the same night. A swimming programme of eighteen events will be run in between.

Semi-finalists are City Pastime (who are unbeaten), Leander, University, and Valley No 1 team, who have each been beaten once.

Swimming events will feature all strokes in all grades for men and women.

The Queensland Amateur Swimming Association has allowed a metropolitan interclub championship to be competed for.

A State water polo team will not go to Melbourne for the National Titles on February 22 because of lack of finance. The Queensland Water Polo Association which is affiliated with the QASA applied for monetary assistance, but the QASA said it could not offer any assistance.

State Secretary, "Chipsey", would maybe sent as Queensland delegate to the carnival to watch southern methods.

TOO MUCH LEISURE IN SWIM TRIP

"Too much sightseeing was included in the training itinerary," members of the State swimming team said when they arrived back in Brisbane yesterday from the National Championships in Adelaide.

The girls said they were billeted six miles out of town. After morning training the team usually went for a walk to see Adelaide in the afternoon. Sometimes the team trained in the afternoon also, the heat one day reaching 105 degrees.

Judy Young, who swam on the two Saturdays of the carnival, said she was ill from the heat on the intervening Wednesday and Thursday.

Nancy Lyons said her daily programme seemed heavy, and she did not eat anything like her usual breakfast.

QUEENSLAND UNLUCKY

Manager of the team, Mr Joe Emerson, said the Queenslanders were again not really trained when compared with southern States at their peak. He said Queensland was unlucky not to win two more titles. Denise Spencer told him she had been temporarily blinded by the dazzling underwater lights along the edge of the pool in the women's 110 yards freestyle as she swam in the outside lane. She was beaten by a touch.

Men's junior backstroker, Don Michael, swam his best time in his backstroke heat. He missed the turn in the final to run second. The winner Frank Stevens (NSW) just beat Michael's heat time.

SEEKS TALKS ON SWIM DIFFERENCES

The Council meeting of the Queensland Ladies Amateur Swimming Association decided last night to seek a conference with the Queensland Amateur Swimming Association to settle differences.

The matters they want to discuss are - Action of the QASA in disregarding the QLASA in the nomination of Mrs Bowman as chaperone of the women's team which visited Adelaide for the National Titles in February, and the sending of a bill to the QLASA for £164/17/6 for the expenses before sharing the profits of the 1946 National Championships in Sydney and the State and Country carnivals in January.

Mrs Bowman of the Sandgate Club was selected by the QASA as chaperone.

A motion was carried that the QASA furnish a statement of these accounts which they shared equally with the QLASA before the account was paid.

The Secretary of the QLASA, Mrs Mackay, said after the meeting that the QASA had received £84 as its share of the 1946 National Championships in Melbourne. As the women members of that team paid their own expenses, the QLASA was entitled to a share of the profits. They considered they were also entitled to a share of the profits from the State carnival held in January.

LYONS FIRST WIN WITH "BUTTERFLY"

Queensland breaststroke champion Peer Lyons, swimming the butterfly stroke for the first time, won the 50 metres breaststroke event in 33 1/5 seconds at the GPS Old Boys swimming carnival at the Valley Baths last night.

WATER POLO TO PASTIMES

Exploiting a trick shot that he had learnt during his surf tour to Western Australia last month, Nev Brough scored the winning goal for City Pastime to take the interclub water polo championship at the Valley Baths last night.

In a flurry near the opposition goal, Brough pushed the ball down with his left hand and as it popped up he knocked it past the goalkeeper.

City Pastime beat Valley 3-2 in the final, but were nearly put out of the competition when the young University team played them to a 2-2 draw in a semi-final earlier in the night. In the additional time needed it looked like the

stamina of the University side would pull them through, but the more experienced City Pastime men scored two snap goals to take their score to 4.

City Pastime goalie, Bill Hookway, stood a terrific gruelling in the latter half of the final also.

Valley attacked with long passes and were more in City Pastime half than on the defence.

State junior backstroke representative, Don Michael, cleared away with the 50 metres junior backstroke race in the swimming section of the programme. His time was 35 seconds, 1 second better than the State record, but he was not timed by official watches.

SWIM CONVERTS TO "BUTTERFLY" LIKELY

By J.D. (Len) Stanton

The appearance of American champion Ralph Wright at Saturday night's swimming carnival at the Valley Baths is likely to develop a "crop of butterfly" swimmers in Queensland.

Swimming butterfly in Club events, State champions Jack Boast and Peter Lyons have recorded faster times. Boast should be much improved after Wright's visit to Brisbane.

Latest convert to the butterfly is State freestyle champion Frank O'Neill who at Dubbo recently registered 1 min 18 1/5 secs for 110 yards at the new breaststroke style. O'Neill intended to start in the breaststroke championships next season.

Most startling result, however, came from the juniors. The first two places in the National Title events went to lads whose acquaintance with butterfly had been made only a few weeks.

John Davies, Open national champion O'Neill and Olympic prospect also had advice from the American with a view to changing over for next year's big events.

NANCY HOLDS OUT

The outstanding exception to the general conversion is Nancy Lyons who appears quite definite in her intention to remain an orthodox swimmer.

The Queenslander may gain selection at either style, but to me her strength and style appear most suitable for speedy and successful adaptation to "butterfly".

Australians learnt nothing from the success of the butterfly swimmers at the Sydney Empire Games in 1938, nor from the subsequent tour of the States by the brilliant Walter Spence.

Officialdom has accepted butterfly as being within the definition of breaststroke providing it is swum for the full course. They may find our best swimmers registering times near Olympic standards.

Butterfly breaststroke was first used by the famous world champion Erich Radamacher in 1933 and was seriously introduced into competition by American George Kaplan. American swimmers quickly adopted the style and approached the Berlin Olympic Games confident of victory over the orthodox stylists.

TECHNIQUE AT FAULT

The plans failed, however, and the first three places in the championship went to two Japanese and a German who shunned the new method. The only competitor at the Games to employ butterfly for the full course was Maril Lenk of Brazil who finished in seventh place in a semi-final.

In 1939, however, the Brazilian girl set a new world's time of 2 mins 56 3/5 secs. Her persistent butterfly stroking was successful.

Many reasons have been given for the 1936 failure, but generally it is regarded as one of faulty technique.

WRIGHT, TAOILI SWIM TONIGHT

Ralph Wright and Fred Taoili, American swimming stars, arrived in Brisbane last night and later attended the Catholic girls swimming carnival at the Valley Baths. The Americans were amused at the wild excitement prevailing at the baths and they said they felt like joining in the chant of the war-cries.

Wright and Taoili made a quick visit to Brisbane to appear at the Valley Baths tonight. They will return to Sydney by air tomorrow morning and will be leaving shortly for the U.S.A.

Wright is a polished exponent of the butterfly style of breaststroke while Taoili specialises in long distance freestyle events. They will both race against Queensland champions.

As the seating space is all under cover, the carnival will be held tonight whatever weather conditions prevail.

NANCY LYONS OUR ONLY OLYMPIC HOPE

Queenslander Nancy Lyons is the only Australian swimmer who has a chance of winning at the Olympic Games next year in the opinion of the U.S swim star Frank Taoili. Miss Lyons holds the Australian women's breaststroke title.

Taoili doesn't think any of the Australian men swimmers are capable of winning an Olympic event, although John Marshall, the 16 year old Victorian who won the Australian 220,440, 880, and 1650 yards freestyle titles last month, "might get a place". "That is of course provided he improves between now and next year," Taoili said.

NOT ENOUGH TRAINING

Taoili believes Australian swimmers do not train hard enough or long enough. He himself swims nearly two miles every day improving his style and developing stroking and kicking power. He gives up swimming altogether and "rests" for two months every year. The American does not agree with some swimming authorities who think that Australian swimmers should be sent on an overseas tour for experience for Olympic swimming.

SWIMMING STAR FOR SYDNEY

National swimming champion, Denise Spencer, finished her schooling at St Margaret's College last week, and will leave for Sydney in early October to undergo special training under Sydney University coaches, Professor Cotton and Forbes Carlisle.

Eighteen year old Denise has decided to give up everything for swim training this season in order to make the 1948 Olympic swimming team.

Denise's freestyle successes in the National Championships in 1946 and 1947 put her among the top rank of Australian women swimmers. She is a member of the Australian Swimming Union's panel of swimmers chosen to undergo special training for the Games.

Other Queensland members of the special squad are national breaststroke champion, Nancy Lyons, and junior champions Thelma Wehl and Don Michael.

JUNIOR PROSPECT

Sixteen year old Don Michael, who showed tremendous improvement in backstroke swimming last season, will train under Bill Fleming this season.

Breaststroke idol, Nancy Lyons, has already started training at the Valley Baths.

Chairman of the Q.A.S.A, Mr J.S.Emerson, said yesterday that he was still waiting on a reply to a suggestion forwarded to England swimming authorities that butterfly and breaststroke be made separate events.

Nancy has kept to orthodox breaststroke in all her wins, and is waiting the decision sought by the Q.A.S.A before she considers changing to butterfly.

The Annual Meeting of the Queensland Amateur Swimming Association will be held at the Builders Exchange on October 6.

HOPES FOR SWIM STAR Sydney, Monday

Australian Swimming Union Officials expect big improvement by young Queenslander, Denise Spencer, who is expected to be in Sydney next week to begin specialised training. According to recent information, Denise is in the world's first ten freestyle champions.

The Secretary of the Australian Swimming Union, Mr W.B.Phillips, thinks Miss Spencer may reduce her time by more than 20 seconds, and a time of 5.20 for 440 yards would bring her within the best five in the world.

The Union's Olympic team will be chosen after the Australian Championships next year.

Another Queenslander, Nancy Lyons, Australian women's breaststroke champion, is expected in Sydney in November. She is the only woman breaststroke swimmer in Australia invited to join the Olympic panel to undertake special off-season training. She will change from the orthodox style to the "butterfly" method.

SWIMMERS TRAIN IN WATERHOLE

"Because of poor Brisbane facilities, some swimmers last season trained in a Cannon Hill waterhole," Mr J.S.Emerson, Chairman, said at the Q.A.S.A Annual Meeting last night. He said the Association must stimulate public opinion in favour of providing proper accommodation and facilities.

Between 1942 and 1947, 92 junior records had been established, but the senior men swimmers, with one exception, had failed to gain a place in the last two Australian carnivals.

School boys and girls, in some cases used school baths for training, and the public baths after school hours. Senior swimmers had to use the baths after working hours when satisfactory training was impossible.

In recognition of meritorious service, Mr Emerson was presented with a gold wrist watch and Mrs Emerson with a tea set.

Treasurer, Mr Reg Beer, was presented with a pair of binoculars.

Officials elected were - Patron, Sir John Lavarack; Vice Patron, Alderman J.B.Chandler; President, Mr .S.Carter; Vice Presidents, Messrs H.Malyon, J.R.Merrill, H.A.Whitehouse, R.H.Henderson, W.S.Johnston; Handicapper, Mr J.Montgomery; Auditors, M.Lyons and T.P.Doig; Solicitors, A.W.Bale and Sons.

SWIMMING POOLS - BUT WHERE?

Aldermen yesterday agreed on the need for more swimming pools but disagreed about the size and locations.

In a long City Council debate, Alderman Bottomley (C.M.O) proposed a modern full size Olympic pool for South Brisbane. He suggested that the Brisbane Cricket Ground would make an excellent site.

Ald Rasey (Lab) urged the Council to go ahead with plans and specifications.

The Transport Committee Chairman (Ald Roberts) said that he preferred a number of smaller pools in more areas. "An Olympic pool would be of national interest in training swimmers, and I think the State and Federal governments should assist with finance for such a project," he added.

PLAN FOR SCHOOLS

Ald Gray (Lab) said that the State government had built pools in many State Schools, and had not asked for Council subsidy.

The Works Committee Chairman (Ald Lanham) said that the government expected the schools committees to raise money for school baths and then subsidise them. He suggested that the government should be requested to put baths in every school of decent size, and that the public should have them at weekends and at night.

Ald Scott-Mallon (C.M.O) said that ten small baths at £10,000 each could be built for the cost of a modern Olympic pool.

Ald Griffiths (C.M.O) said the 1,700 children at the Kelvin Grove school had no baths.

Council passed a vote of £1,700 for swimming baths and enclosures.

The Council has already approved the replacement of shark proof netting at the Shorncliffe bathing enclosure.

DENISE USES U.S SYSTEM

Sydney, Sunday

Denise Spencer, holder of the Bennett Trophy for swimmer nearest to world standard, is following the established American method of training at the North Sydney Olympic Pool.

Holder of the Australian 220 yards and 440 yards freestyle championships which she won in Adelaide last season, Spencer has greatly enthused the Australian Swimming Union's coaches, Forbes Carlisle and Professor Cotton, by her willingness to adopt their suggestions.

Each day she swims twice at the pool between 8 and 11am and 3.30 and 5.30pm. Long swims are interspersed with an hour's kicking each day with "fins" attached to aid development of her kick.

Miss Spencer has not been asked to race seriously against time since her recent arrival, but already her speed has increased. In one long trial she reduced her 440 yards time by several seconds.

Miss Spencer, who comes from Roma in Queensland where she trained alone, will remain in Sydney until after the Australian Championships in February.

STOP BETTING ON SWIMS

"Betting is known to have taken place at recent swimming carnivals held in Brisbane," said the QASA Chairman, Mr J.S.Emerson last night.

"It was reported that a sub-junior swimmer had been backed to win £75 pounds in a 30 metre race," said Mr Emerson.

"Drastic action would be taken to prevent betting occurring again," he added.

Future carnivals would be policed. Notices prohibiting betting would be posted, and the QASA would refuse the right of entry to any person without explanation. Mr Emerson said, "The QASA took a serious view of the incident". "Betting would have a deleterious effect on swimming which is an amateur sport," he said. "Any swimmer who took part in betting would be automatically disqualified."

95 TEAMS IN RELAY

Ninetyfive teams, each of four men, will compete in relays at the Valley Club's swimming carnival at the Valley Baths tonight.

The carnival is in celebration of the Valley Club's Golden Jubilee.

Five former Australian champions will appear in exhibition swims. They are T.Boast, S.Springfield, F.Springfield, Lad Collins, and R.Grier.

MERCANTILE SWIM SHIELD TO HOPE'S B TEAM

Charles Hope's B team won the Elphinstone Shield in a close finish at the Valley Club's interclub carnival at the Valley Baths last night.

Some 2000 people watched the carnival. Nearly 10 teams were entered by city firms.

One of the best races of the night was the men's interclub 200 metres freestyle which was won by A.Imrie in 2 min36 4/10 secs. At the end of the second lap there was not much more than four yards between the eight competitors, and four held out for a very close finish. A.J.Millar who defeated P.Maxwell over a similar distance at the QASA carnival missed a place.

MANY DISQUALIFIED

A large number of teams were disqualified in the mercantile relay handicap for breaking their submitted time by more than five seconds. Some bettered their own times by up to fourteen seconds.

Valley No 1 had a convincing win in the 400 metres interclub relay.

Exhibition swims were given by veterans and past and present champions, including Reg Grier, Tom Boast, and Sid Springfield.

Making her last appearance in Brisbane for some time, Diana Stanfield won the ladies Open 50 metres freestyle in 32 2/5 seconds. Miss Stanfield will shortly rejoin her family in New Guinea.

NANCY LYONS SYDNEY PLANS

Nancy Lyons, Australian breaststroke champion, is likely to stay in Sydney until after the national championships there February 6-13. She is to fly to Sydney this morning and train under Olympic coach, Professor Cotton. Nancy recently had a week's training in Sydney and returned to Brisbane last week.

Mr W Berge Phillips (ASU Secretary and swimming selector) wrote this week on behalf of the Olympic Preparation Committee asking that Nancy be allowed to train further with the Olympic squad which would provide her with instruction and opposition not available in Brisbane.

Her father, Mr R.B.Lyons, said last night, however, that Nancy wants to finish her national title training under local coach Miss Mabel Springfield who introduced her to the Butterfly stroke.

Nancy last night swam 100 metres backstroke in 89 second at the Valley Club

Best time for the night was 6mins 28 secs by 14 year old J.Nash for the boys 400 metres freestyle.

SWIMMING TEAM TO VISIT ROMA

A combined swimming team from Brisbane and Ipswich to visit Roma on New Year's Day was announced yesterday.

Brisbane swimmers will be - Clarence Hoey (Uni), George Newton (Val), Merle Duffy (Postal Institute), Norma Liddle (Val), and E.Eacott (Sandgate).

Ipswich Members will be - Peter Maxwell, Col Bannerman, and Joyce Speed.

The Manager will be QASA Chairman, Mr J.S.Emerson. he said he hoped the trip would be extended to cover Charleville on January 3. The team will leave Brisbane on December 30.

SWIMMING TEAM TO VISIT ROMA

Valley swimmer Des Mason has been added to the QASA team to leave for Roma tomorrow to compete on Thursday night.

The Roma body specially asked that a sub-junior freestyle swimmer be included in the team. Mason looks the best Under 14 swimmer about this season.

Leander girl Lyn Chave will replace Eve Eacott as sub-junior freestyler and backstroker.

Thelma Wehl, national girl champion showed her first glimpse of returning form this season by swimming 100 metres freestyle in 75 seconds at Roma last week.

Des Ferricks, Open freestyle "find" from Rockhampton, is to be financed by Rockhampton to come to Brisbane for the State test swims on January 23.

TWO NSW SWIM TITLES TAKEN BY QUEENSLAND GIRLS
Sydney, Wednesday

Queenslanders Nancy Lyons and Denise Spencer were not troubled to win two State Championships in the North Sydney pool tonight. Nancy won the 220 yards Open Breaststroke and Denise took the 220 yards Freestyle title.

Officials had been worried by the fact that Nancy's time of 3 min 18.8 secs was much below the times she recorded last year when swimming the orthodox breaststroke style. Recently she has changed over to the "butterfly" breaststroke style and has been undergoing special coaching by Professor Cotton of the Sydney University and Mr Forbes Carlisle of the NSW Amateur Swimming Association.

COACH SATISFIED

Immediately after this swim tonight, however, Professor Cotton and Mr Carlisle announced that Nancy would be kept to the butterfly breaststroke style for the Australian titles. It had been rumoured earlier in the night that if her time was not satisfactory she would be switched, with only a month to go, to the orthodox style.

Last year she won the Australian championship in 3 mins 17 secs in Adelaide. Several months before that, she had broken Claire Dennis Australian record of 3 mins 9 1/5 secs in 3 mins 8 secs. She is regarded as Australia's greatest girl breaststroke exponent and a certainty for Olympic selection.

MAY IMPROVE

Professor Cotton said tonight he was very pleased with her performance despite the fact her time was not up to expectations. "She has only been at the new style a little while, and we are hopeful she will improve on tonight's time considerably in the next few weeks," he said.

"With 25 yards to go she had any amount in reserve and the manner in which she came away to win showed that she would considerably improve on that time," he added.

In the 220 yards Open Freestyle Championship, Australian champion Denise Spencer won easily from the New Zealand champion Betty Casey with P.McHugh (Bondi) third. Denise did the distance in 2 mins 34 secs but failed to break the Sate record of 2 mins 32 secs established by the West Australian girl, Dot Green.

DENISE WALKED MILE BEFORE 440 TITLE SWIM
Sydney, Friday

The Australian Olympic swimming hope, Queenslander Denise Spencer, was walked briskly up and down the Coogee promenade for more than a mile before winning the State 440 yards Open Freestyle Championship. She was accompanied in her brisk limbering-up exercise by her mentor, Professor Cotton of Sydney University.

His was Denise fourth swim at the Championships. She won the Open Freestyle titles 110, 220, 440 and 880 yards. Denise easily beat the New Zealand champion Betty Casey who touched just before Bondi girl P.McHugh.

Her time of 5 mins 38.8 secs was 3.8 secs slower than the Australian record set by West Australian girl Dot Green in 1939, but was 8.1secs better than the time she took to win the Australian title last year.

Her coaches Forbes Carlisle and Professor Cotton decided she needed a good exercise tonight because the usual warm bath which the Carlisle-Cotton combine use as a preliminary for their swimmers before entering the pool was not available.

TRAINED IN CREEKS FOR SWIM TESTS

Judy Young and Bill Gillies, winners of last night's metropolitan test swims for State selection at the Valley Baths last night both trained in South Coast creeks.

Gillies won a double, the 330 metres medley and ten minutes later the 1500 metres freestyle.

Judy took the women's 400 metres freestyle. Judy has done all her training this season, except for a few days, in a backwater of the Tweed River.

Gillies had not seen the baths for five weeks before last night. He had worked in the Nerang River behind Surfers Paradise. He swam the medley distance in 3 mins 5.8 secs which was 11.2 secs outside Ron Boyd's time in the Australian championships last year, and was 1.4 secs outside Gillies own State title time last year.

Gillies swam 23 mins 41 secs for the 1500 metres. His time was more than 3 mins outside John Marshall's Australian title time last year.

Judy Young's 40 was the fastest long distance swim of her career.

MAXWELL'S WIN IN SWIM TEST
By Neville Davidson

Four swimmers finished within two feet at the end of the freestyle 800 metres at the metropolitan tests at the Valley Baths last night.

Peter Maxwell beat Bill Gillies by a touch with Stan Jacobs third and Greg Halpin fourth. Maxwell finished fast in the centre after being two yards behind Gillies at the last turn. The time was 11 mins 51.2 secs. It was 9.5 secs outside Ian Waddell's State title time last year.

Maxwell was tired before and after the race due to lack of sleep after spending the whole of Monday night nursing a sick cow at his Brassall home outside Ipswich.

Jacobs made a great bid to steal the race. He was ten yards in front at the half way. Gillies caught him with 50 metres to go, but Jacobs kicked on again and was only a foot behind Gillies at the line. Halpin fell back all the way but he finished faster than anyone in the last lap and was a foot behind Jacobs.

13 YEAR OLD'S FAST SWIM

Joyce Speed, 13 year old Ipswich girl, covered 200 metres freestyle in 2 mins 46.3 secs in the women's junior test at the Valley Baths last night. The time was 4.3 secs faster than the Australian junior (Under 16) record for 220 yards.

Judy Young won the women's open 200 metres trial in 2 mins 46.6 secs.

Jack Bell took the men's 20 in 2 mins 34 secs. Jack was 7.5 secs outside 18 year old Denise Spencer's best time for the distance. It will be a new State time as there was no previous record.

DENISE SECOND IN 110 YARDS HEAT

Queenslander Denise Spencer was beaten in her heat of the Australian 110 yards freestyle last night. She went down by a yard to the title holder Judy Davies who also beat her into second place in the final last year.

Queensland will have three swimmers in the field, Denise, Judy Young, and Thelma Wehl. Thelma won the seventh qualifying position after a swim-off.

Fastest time in the heats was recorded by the Victorian stylist Margaret (Marjorie) McQuade.

DENISE DOWNS JUDY DAVIES IN 110 YARDS SWIM
Sydney Tuesday

Queenslander Denise Spencer realised a four year ambition tonight when she won the 110 yards freestyle title from Victorian Judy Davies in 1m 10 1/5 secs. Denise had been runner-up in three previous years, Judy Davies beating her in Adelaide last year.

The race was most closely contested until the last ten yards when Denise shot away to touch the boards two yards ahead of Judy, who was only six inches ahead of the thirteen year old Victorian, Margaret McQuade. Margaret early tested the speed of both Denise and Judy and was a touch ahead of them at the 55 yards which was covered in 33.6 seconds.

Denise has now won the 110 yards and 440 yards Freestyle Championships, and is also expected to win the 220 yards. Before the race Denise was again in a hot bath of temperature 113 degrees. She has implicitly obeyed the instruction of Professor Sutton and Forbes Carlisle in taking a hot bath before her races, and her recent wins have demonstrated the value of this method of warming up before a championship swim.

FAST MEDLEY

Three Queensland girls clipped 12.7 seconds off the Australian record for the 330 yards Women's Medley Teams Championship. They were, Denise Spencer, Jeanette Holle, and Nancy Lyons. The time for the race was 4m 0.5 secs, compared with the previous Australian record of 4 13.2 secs.

The sensation of the night was the unofficial clocking of seventeen year old Nancy Lyons who swam butterfly breaststroke in her section of 110 yards in 1m 22.6

secs. This is 6.4 seconds below the Australian record for the distance. Nancy holds the 220 yards Australian Breaststroke Championship, and changed from the orthodox to the butterfly style only seven weeks ago. She has been in Sydney for seven weeks training with Professor Cotton and Forbes Carlisle who described her efforts to master a difficult technique as "prodigious".

One of the most thrilling races of the night was the final of the Junior Championship with Brian Walker just touching ahead of George Newton (Q) in the 110 yards event, with James Carey (NSW) in third place. The time was 64.5 seconds.

SWIM TITLES IN BRISBANE NEXT YEAR
Sydney Wednesday

The 1949 Australian Swimming Championships will be held in Brisbane in the last week of February. This was decided at the annual Conference of the Australian Swimming Union today.

The decision was made after an amendment to the rules to allow National Title events to be conducted over metric distances. Brisbane is the only capital where the baths were built on metric measurements. Many delegates strongly criticised the decision. They claimed the Brisbane pool had the worst appointments in Australia and could not accommodate anyway near the numbers of spectators who would want to see the swimming. The decision was made only after strong representation by the Queensland delegate, Mr J.Emerson.

A motion by New South Wales that at least twelve Olympic swimmers be chosen by the selectors, was carried.

DENISE DOWN IN 880 YARDS SWIM
JUDY DAVIES TAKES TITLE
Sydney Thursday

The Queenslander, Denise Spencer, suffered her first set-back in the Australian Swimming Championships this afternoon when she lost her 880 yards title to versatile Victorian swimmer, Judy Joy Davies, international backstroke champion. Denise refused to make any excuses for her defeat. "I was really flat-out to the boards this afternoon," she said. "Judy was too good. We were both as hungry as horses as we had eaten at 11 o'clock expecting the race to start at 3.30pm, but when it didn't start until 5.10pm, it left us feeling a bit famished."

Earlier in the week Denise turned the tables on Judy by taking the 110 yards sprint championship title. Today both girls were neck and neck until the last 50 yards when Judy finished stronger to touch 2 yards in front of Denise.

There is no significance in Denise' defeat, as her specialist distance is 440 yards in which she set a new Australian record of 5m 21½ secs last week.

The half mile this afternoon was swum in the very slow time of 12m 8.5 secs. Judy's time was actually 22 seconds slower than Denise' time in the 880 yards in the New South Wales Championships last month, while Denise was 24 seconds behind her own time.

Denise has had almost a surfeit of hard swimming recently. She has been training for nearly 17 weeks. She scooped the pool in the New South Wales State Championships, and in the last week cleared away with the Australian 110 and 440 yards titles, while she also took part in the record-breaking Queensland medley 330 yards event.

Denise and Nancy Lyons will swim tomorrow in the 220 yards freestyle and breaststroke respectively. The finals will be swum on Saturday night. Both are

expected to win. Nancy recently changed to the butterfly technique and has been making tremendous efforts to conquer the difficult style.

SELECTORS TO CHOOSE OLYMPIC TEAM
Sydney Friday

The panel of Selectors will announce whom they nominate for selection on Thursday. The annual Conference suggested that they choose twelve swimmers, but the Selectors are not bound to do so. Those who so far have shown the strongest claims for selection by the Union but not necessarily by the Australian Olympic Selectors are, Denise Spencer (freestyle Qld), Judy Joy Davies (backstroke Vic), John Davies (breaststroke NSW), Bruce Bourke (backstroke NSW), John Marshall (1500 metres freestyle Vic), G.Agnew (100 metres freestyle WA), and Nancy Lyons (breaststroke Qld).

Three events in which the Selectors will be keenly interested will be contested at the North Sydney Pool in the final carnival tomorrow night. They are the 110 yards freestyle and the men's and women's breaststroke. High hopes are held for Nancy Lyons who has been concentrating on the 220 yards breaststroke event. She will swim the much debated "butterfly" stroke by which she is expected to lower the winning time of last year, down considerably. A time in the vicinity of 3m 10 secs should ensure selection.

QUEENSLANDERS TO THE FORE

Other title events to be decided include the men's 880 yards and the women's 220 yards freestyle. In these events, strong candidates for the Games, John Marshall, Denise Spencer, and Judy Joy Davies, will be making their last appearance before the Selectors. In the men's 110 yards freestyle Frank O'Neill will be defending his title. Qualifiers for the race are Frank O'Neill, Bruce Bourke, Warren Boyd (NSW), Jack Bell, David Ferricks, George Newton (Qld), and James Beard (Vic).

Queenslanders figured prominently in the heats at the Granville pool this afternoon. Denise Spencer was never extended to win her 220 yards freestyle heat, and Judy Young was third in her heat.

In the two heats of the 110 yards women's junior championship, Joyce Speed (Ips) and Thelma Wehl (Roma) finished second to Victorian Margaret McQuade who broke the race record 1m 13 7/10secs.

OLYMPIC GAMES SWIMMING SQUAD
DENISE AND NANCY AMONG ELEVEN SELECTED
Sydney Sunday

Two Queenslanders, Denise Spencer and Nancy Lyons, have been chosen. Denise has been ranked fifth, and Nancy sixth.

The section followed the greatest carnival in the history of Australian Championships. Five Australian records and three native-born records were broken and one native-born record equalled.

The selected representatives are - John Marshall (freestyle) 1, John Davies NSW (breaststroke) 2, Judy Joy Davies Vic (backstroke) 3, G.Agnew WA (freestyle) 4, Denise Spencer Qld (freestyle) 5, Nancy Lyons Qld (breaststroke) 6, Bruce Bourke NSW (backstroke and freestyle) 7, Marjorie McQuade Vic (freestyle) 8, Warren Boyd NSW (freestyle) 9, Dana Morris Vic (diving) 10, Kevin Hallett NSW (breaststroke) 11.

At the National championships Denise won the 110, 220, and 440 yards freestyle, and was second to Judy Joy Davies in the 880 yards. Her time of 5m 31.5secs in the 440 yards broke the Australian record by 3.9 seconds.

Nancy won the 220 yards breaststroke title and was second to Judy Joy Davies in the 165 yards medley race.

Records were also broken by John Marshall, Marjorie McQuade, Warren Bourke.

These performances eased the task of the Selectors who based the times on those of the European Games and the 1947 American Championships. Twenty five Nations competed in the European Games.

NEAR WORLD TIMES

The Selectors found that all of the swimmers were near the best world times. Their performances would have gained them high places in both the European and the American Championships.

Thirteen year old Victorian schoolgirl, Marjorie McQuade, who has been ranked eighth, is the youngest Australian to be nominated for the Games. Bonnie Mealing was fourteen when she swam.

NANCY LYONS OUR MAIN GAMES SWIM HOPE

Queenslander, Nancy Lyons, is the best Australian prospect of winning an Olympic Title.

She would have won the European breaststroke title with her time of 3m 9.9secs at North Sydney at the weekend. As Nancy has only recently begun concentrating on her butterfly stroke, she was expected to reduce this time considerably now, but she has still to face the Dutch girl Nel Van Vielt who swam 2m 49.2secs.
