ATHLETE ELIGIBILITY CRITERIA

Selection Process

The team selection for this particular point score event is a very strategic process with a panel of four experienced coaches and the Swimming Qld Selectors selecting the team:

- Drew McGregor, Swimming Qld
- David Thomas, Head Coach Team Henry
- Bobby Jovanovich, Head Coach Team Mills
- Luke Stafford, Head Coach Team Trickett

The team selection consideration:

- The restriction of 6 swimmers per double age group per team
- The swimmers' performances in individual strokes
- The best needs of the team in specific strokes/events
- Consideration of the Performance Development requirements of the athlete
- Overall requirements of a the team's success at a team based, double age band, points scoring meet

Winning a medal at the 2024 QLD Short Course Championships will not automatically guarantee selection. It's the combination of several things mentioned above that would select an athlete - or not.

Previous year's team selection does not automatically guarantee a selection in a double age group

Amendments if required

If the 2024 Queensland Short Course Championships is unable to be run due to unforeseen circumstances;
