## OUR ROLE:

Swimming Queensland is the peak body for the administration of swimming activities in Queensland. It conducts, encourages, promotes, advances, controls and administers swimming activities throughout the State through a number of distinct functions, including:

→ Administering the rules of swimming

*→ Registering members* 

- → Educating and developing athletes, coaches, and Technical Officials
- →Administering the sport's funding
- ↔ Representing Queensland swimming at the national level and with Government
- → Conducting and co-ordinating swimming competition
- → Formulating and implementing policies and programs
- → Acquiring and managing sponsorship

Front Cover – Libby Tricket

Olympic Gold Medallist

2011 Queensland Open Water Championships - Lake Kawana

2012 Australian Age Championships – Taylor Green

## PRESIDENT'S AND CEO'S REPORT

We are pleased to submit to members this report on Swimming Queensland's activities during the 2011/12 financial year.

## 2012 Olympic Selection Trials

Queensland swimmers and coaches defied even the most optimistic expectations at the 2012 Olympic Trials in Adelaide. The selection of 31 Queensland swimmers and 6 Queensland coaches on the Olympic team set a new milestone for swimming in this State, and well exceeded our previous best Olympic representation – 22 swimmers and 6 coaches in 2008. The feat of accomplishing two-thirds of the Australian team is all the more exceptional when weighed against the fact that Queensland swimmers make up around just one-quarter of the total national membership.

Our contingent of 12 male swimmers and 19 female swimmers looks well placed to put in a strong performance in London, and with many of them aged in their teens and early 20s, to lay a rock-solid foundation for Rio in 2016.

Queensland Coaches on the Australian team are Glenn Baker, Michael Bohl, Matt Brown, Denis Cotterell, Simon Cusack, and Stephan Widmer.

## 2011 World Championships

At the 2011 World Championships in Shanghai, China, Alicia Coutts and Kylie Palmer both won individual gold medals, while Stephanie Rice claimed a bronze medal. Relay medals were won by Alicia, Bronte Barratt, Kylie and Brenton Rickard. Melissa Gorman and Ky Hurst, who won a silver medal in the 5km team event, earned selection for the London Olympics by finishing in the top 10 in their respective 10km events.

Queensland coaching members on the Australian team were Glenn Baker, Michael Bohl, Matt Brown, Harley Connolly, Denis Cotterell, Simon Cusack, Michael Palfery, and Stephan Widmer.

## 2011 Para Pan Pacific Championships

Queensland swimmers performed strongly at the 2011 Para Pan Pacific Championships in Edmonton, Canada. In individual events, Kayla Clarke and Blake Cochrane both won four gold medals; Daniel Fox, three gold medals; Brenden Hall, one gold medal, three silver medals, and a bronze medal; and Grant Patterson, two silver medals and two bronze medals.

Steve Hadler, Tony Keogh and Chris Phillips were Queensland coaches on the national team.

## 2011 World Junior Championships

Bronte Campbell, Bonnie MacDonald and Cameron McEvoy continued their rapid ascent towards the top ranks of international swimmers by winning individual gold medals at the 2011 World Junior Championships in Lima, Peru. Both Bronte and Bonnie won one gold medal, while Cameron claimed two.

## 2011 Australian Short Course Championships

Multiple gold medals winners at the 2011 Australian Short Course Championships, at which Queensland was the champion State, were Ellen Fullerton, Yolane Kukla, Kylie Palmer, Brenton Rickard, and Christopher Wright.

## 2011 State Teams Short Course Championships

Queensland maintained its winning streak at the 2011 State Teams Short Course Championships. Queensland swimmers have won the Championships every year since its inception in 2009. As well as claiming the Champion Team trophy, our swimmers won trophies for Champion Female Team, Champion Male Team, Champion Female Team 13/14, Champion Female Team 15/16, and Champion Male Team 16/17. Queensland was once again well led by coach Matt Brown.

## 2012 Australian Open Championships

At the 2012 Australian Open Championships, 24 of our swimmers won a total of 35 individual gold medals, culminating in Queensland repeating its performance from last year in winning both the Corbett Shield for the women's competition, and the Kieran Shield for the men's. Kayla Clarke won three gold medals. Dual individual gold medallists were: Kylie Palmer, Leiston Pickett, Stephanie Rice, Emily Seebohm, Thomas Fraser-Holmes, Christian Sprenger, Chris Wright, Blake Cochrane, and Daniel Fox.

St Peters Western won the S.B. Grange Trophy for Premier Club.

## 2012 Australian Age Championships

**Queensland's up**-and-coming swimmers excelled yet again at the 2012 Australian Age Championships. For the 13<sup>th</sup> year in a row, Queensland took out the W.B. Phillips trophy as the Premier State. Stand-out performers amongst our emerging stars were Alanna Bowles (five individual gold medals), and Brittany Elmslie and Cameron McEvoy (four individual gold medals each). They were closely followed by Chelsea Gubecka, Shayna Jack, Taylor McKeown, Jordan Harrison, and Regan Leong, all of whom won three individual golds.

Twenty-two of our coaches produced one or more gold medallists at the Championships, evidencing the depth of Queensland's coaching ranks.

## 2012 Australian Open Water Championships

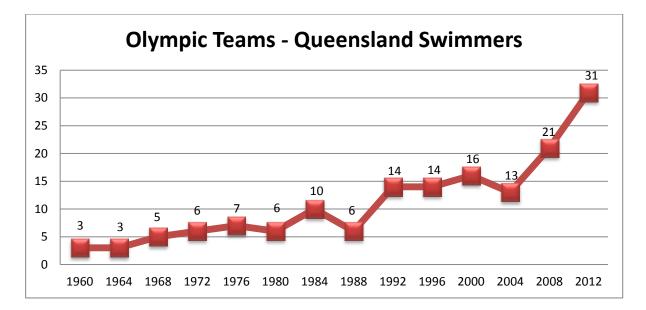

Ten Queensland swimmers won gold medals at the 2012 Australian Age and Open Water Championships, with Queensland swimmers claiming a total of 28 medals.

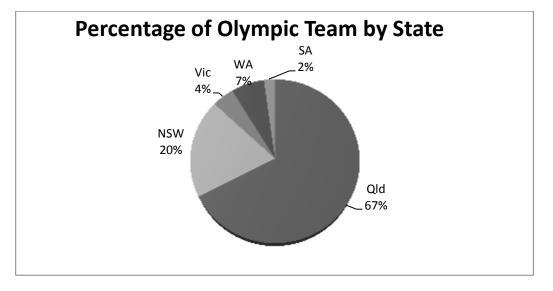

## 2011 Queensland Championships

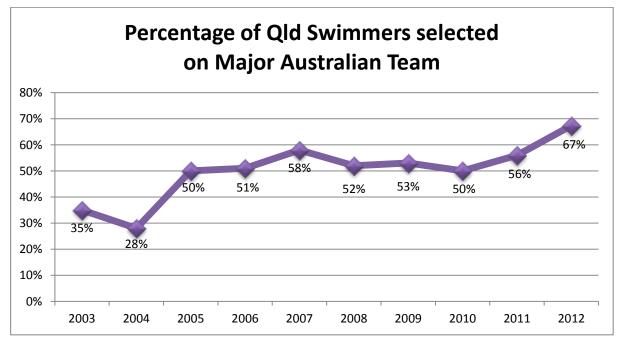

The 2011 Queensland Championships was the largest for many years. Although the qualifying times in all events were tightened, a total of 1,707 swimmers nominated for individual events, while 1,824 swimmers competed in the relays.

Winners of the major Championship awards were: Cameron McEvoy (Swimmer of the Meet); Remy Fairweather and Amy Forrester (joint winners of Age Group Swimmer of the Meet); Alanna Bowles (Country Swimmer of the Meet); and Brenden Hall (SWD Swimmer of the Meet).

## St Peters Western won the President's Trophy as the champion club.

## Athlete and Coach Development

The major development activity conducted was a coach education tour to the 2011 World Championships in Shanghai, China. Seventeen Queensland coaches undertook the 12-day trip under the leadership of SQ Mentor Coach, Scott Volkers. Mr Volkers ran the tour as an educational exercise and as if the coaches were leading and/or being a team coach on an international competitive team.

As well as gaining a valuable, direct insight into how international competition unfolds, the trip strengthened the group's resolve to continue advancing their coaching careers and gave them the experience necessary to lead or, at the very least, be a competent inclusion in a team travelling overseas.

This extremely important strategic investment, the benefits of which should endure for decades, underlined SQ's commitment to ensuring that our swimmers will continue to receive the expert coaching required to enable them to succeed at the highest level of competition. It was generously supported by the Queensland Academy of Sport and ascta (QId).

Further extensive coach mentoring was undertaken by Mr Volkers across Queensland, and in some instances included learn-to-swim teachers. Towards the end of the year he accepted an offer to coach in Brazil as the country prepares to host the 2016 Olympic Games. Mr Volkers' contribution to coach development during the relatively short time he worked for SQ was invaluable and greatly appreciated by the participants concerned. He is indeed a masterful coach.

Other development activities included trips to the 2011 New Zealand Short Course Championships under Head Coach, Dion Walmsley (16 swimmers and 4 coaches); to the Great Barrier Reef meet in Mackay under Head Coach, Chris Nesbit (55 swimmers and 10 coaches); and to the NSW Open Water Championships, under Head Coach, Chris Mooney (6 swimmers and one coach); a camp at Southport (34 swimmers and 5 coaches); a camp at the Sunshine Coast (22 swimmers and 5 coaches); and visits to the QAS for the Junior Platinum Squad (54 swimmers and 15 coaches) and swimmers with disability (12 swimmers and 12 coaches).

Financial assistance to access competition was once again provided to regional swimmers, open water swimmers, and swimmers with disability, and to Queensland members of the Australian team for the 2011 World Uni Games.

Coach education and accreditation courses were delivered across the State, with a total of 367 participants.

## Technical Official Development

A forum for Judges of Stroke and Inspectors of Turns was attended by 29 Technical Officials from around Queensland.

SQ's highly successful mentoring program was continued. It included sending a Technical Official with the Queensland team to the New Zealand Short Course Championships, as well as six officials to the SAL State Teams Short Course Championships in Canberra, and the mentoring of regional officials at the Queensland Championships.

**Members of SQ's** Technical Sub-Committee attended each of the Regional Championships to provide feedback to the regions on the officiating at those meets.

## Brisbane Swimming Association

Following ongoing difficulties in obtaining Brisbane Swimming Association's (BSA) compliance with its obligations under SQ's constitution, BSA's Management Committee was informed that its application for re-affiliation for 2011/12 would only be accepted upon the Committee signing a declaration that it would fulfil its constitutional obligations.

When this requirement was not fulfilled, the Board was left with no alternative but to inform the Committee that its application for re-affiliation for 2011/12 had been refused. BSA was further informed that if or when it agreed to meet its obligations, the Board would reconsider its application.

Brisbane clubs affiliated with SQ were notified that their membership with SQ would not be affected by the Board's decision and that they would continue to enjoy full access to the services and opportunities normally provided.

The Brisbane Sprint Championships, Metropolitan Junior Championships, Metropolitan Senior Championships, and Brisbane Relay Championships were conducted by SQ.

## Membership Development

Participation Fun Day clinics for children with disability were held at Mareeba, Townsville, Rockhampton and Warwick. Financial support from the Queensland Government, Australian Sports Commission and Swimming Australia will enable the delivery of these clinics to be expanded in 2012/13. It will also facilitate the introduction of clinics for indigenous and CALD (Culturally and Linguistically Diverse) children. The inclusion of specific teacher workshops into the clinics will ensure a legacy of swimming education that will provide a profound, enduring benefit to disabled, indigenous and CALD children around Queensland.

Other clinics for disabled children were delivered at Brisbane, Ipswich, Warwick, Toowoomba, Townsville, and Cairns.

Following the success of the Growing Up In Lycra DVD produced by SQ for young female swimmers, their parents and their coaches, work has begun on a DVD about male swimmers. This DVD will feature several elite swimmers, including Kieren Perkins and James Magnussen, and various experts on the development and coaching of the male athlete.

Our suite of popular grass roots programs was continued. They included Macca's Mini Meets (14,000 kits distributed to 80 swim schools); Swim Star (1,000 caps distributed); new member kits (5,500 distributed); Participation and Improvement (15,000 posters and \$5,000 in prizes distributed); fun books (22,000 distributed); participation ribbons (6,500 distributed); and primary school certificates

fun books (22,000 distributed); participation ribbons (6,500 distributed); and primary school certificates (11,000 distributed).

Now that Swimming Australia's new Strategic Plan has been finalised, SQ has begun reviewing its own blueprint for the future. The process will include consultation with stakeholders.

## Awards

New inductees into the SQ Hall of Fame were Josh Santacaterina and Brendan Capell, both of whom were 25km Open Water World Champions, and legendary coaches Denis Cotterell and Ken Wood.

Life Membership was conferred on Brian Stehr, Suellen Hardie, Dr Simon Hooton, and Alan Johnston in recognition of their long and meritorious service to swimming in Queensland.

Swimming Queensland Awards of Excellence were presented to David Towner (WB), Diane Daw (GC), Louise Baker (NQ), Ric Whiting (DD), Helen Holmes (Bne), and Sandra Wilks (Bne), while Alan Johnston from North Queensland received the John Keppie Award, for excellence in technical officiating.

Queensland recipients of SAL awards were Blake Cochrane (Multi Class Swimmer of the Year), Melissa Gorman (Open Water Swimmer of the Year), Steve Hadler (Multi Class Coach of the Year), Ken Wood (Open Water Coach of the Year), and Caribeae Swimming Club (Club of the Year).

## Susie O'Neill OAM and Kieren Perkins OAM were both inducted into the QSport Hall of Fame.

## Acknowledgements

On behalf of the SQ Board, we once again express our deepest gratitude to everyone who leant us a helping hand over the past year. It was yet another remarkable milestone for swimming in Queensland – a year in which a new benchmark was set for Olympic representation by our swimmers and coaches, and one that will perhaps never be surpassed.

Included amongst our helpers were various invaluable sponsors – McDonald's, Speedo, Hancock Prospecting, Swimmeroo, and the Commonwealth Bank. As budgetary pressure on the Queensland Government escalates, signalling likely reductions in the amount of funding it makes available to sport, the support we receive from sponsors is becoming even more important to us.

We also thank SQ's staff, who undertake their multitude of roles energetically and professionally and often go beyond what reasonably could be asked of them in playing their part in ensuring the success of our sport.

Steppie

John Keppie OAM President

Kevin Hasemann Chief Executive Officer

## VALE

In 2011/12, Swimming Queensland lost Mr Arch Steinbeck OBE, former President and a Life Member of Swimming Queensland. Mr Steinbeck made significant contributions to our sport.

Participation Fun Day Clinic for children with special needs

Phil Reeves *(Minister for Sport)* and John Keppie OAM *(SQ President)* with Ken Wood, Brendan Capell, Josh Santacaterina and Denis Cotterell – Hall of Fame inductees

## TREASURER'S REPORT

On behalf of the Board of Directors, I submit the Treasurer's Annual Report, together with the audited Annual Financial Report for the year ended 30 April 2012.

An operating surplus of \$35,716 was recorded by the Association in the 2011/12 financial year, taking Total Accumulated Funds to \$552,944.

Total revenue for the year was slightly less than for 2010/11 at \$2.008m. The most noteworthy changes from last year were:

- a reduction in Grants income of \$136,000, largely due to a drop in funding from the Queensland Government and from Swimming Australia
- lower Sponsorship revenue and Membership Development expenditure being recorded in the Income and Expenditure Statement due to sponsorship payments from McDonald's for Regional Associations being shown in the Balance Sheet instead
- ٠
- Other Revenue and Other Expenditure reflecting business activity carried out for the Brisbane region as a result of Brisbane Swimming Association not being re-affiliated with SQ.

Approximately one-third of the total amount spent on salaries and wages was recouped from the four organisations for which SQ performs professional and administrative services.

I take this opportunity to thank my fellow Finance Sub-Committee members: John Keppie OAM, Erica Clydsdale, John Dove, and Greg Kukla.

-Kla

Michael Cox Treasurer

#### Notes to and forming part of the Financial Statements for the year ended 30th April 2012

#### Note 1 - Statement of Significant Accounting Policles

The financial statements are a general purpose financial report and have been prepared in accordance with Austratian Accounting Standards, Urgent Issues Group Interpretations, other authoritative pronouncements of the AASB and the requirements of the Associations Incorporations Act. The financial statements have also been prepared on an accrual basis and is based on historical costs modified by the revaluation of selected non current assets (where applicable) and financial assets and liabilities for which the fair value basis of accounting has been applied.

The financial report covers Queensland Swimming Association inc.which is incorporated under the Associations Incorporations Act 1981 and is domiciled in Brisbane Queensland.

The following is a summary of the material accounting policies adopted in the preparation of the financial statements. The acounting policies have been consistently applied, unless otherwise stated.

#### Income Tax

No provision has been made for income tax as the Association is exempt under Section 50-45 of the Income Tax Assessment Act 1997.

#### Inventories

Inventories are measured at the lower of cost and current replacement cost. Costs are assigned on a first-in first out basis.

#### Property, Plant & Equipment

Property, plant and equipment is carried at cost or fair value less, where applicable any accumulated depreciation and impairment losses. The carrying amount of

property, plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amount.

#### Depreciation

The depreciable amounts of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, are depreciated over their useful lives to the entity commencing from the time that the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. Depreciation rates are Plant & equipment 7.5% to 75%, leasehold improvements 10% and Historical Gallery 10%.

#### Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the association are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Leased assets are amortised over their estimated useful lives. Leases payments are allocated between the reduction of the lease liability and the lease interest expense of the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

#### **Financial Instruments**

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual obligation or right exists. Subsequent to initial recognition these instruments are measured dependent on whether they are classified as Financial Assets at fair value through profit and loss, loans and receivables, held to maturity investments, available for sale financial assets or financial liabilities.

#### **Employee Benefits**

Provision is made for the liability for employees arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the association to an employee superannuation fund and are charged as expenses when incurred.

#### **Government Grants**

Government grants are recognised at fair value when the entity obtains control of the grant, it is probable that the economic benefits will flow and the grant can be measured reliably.

#### Notes to and forming part of the Financial Statements for the year ended 30th April 2012

#### Revenues

Revenue from the sale of goods is recognised upon delivery of the goods to customers. Revenue from rendering a service is recognised upon delivery of the service. Interest income is recognised on an accruals basis.

#### Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

#### Impairment of Assets

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indicator exists, the recoverable amout of the asset, being the higher of the assets fair value less costs to self and value in use is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the income statement.

#### **Critical Accounting Estimates and Judgments**

The committee members evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

## Notes to and forming part of the Financial Statements for the year ended 30th April 2012

Note 16 - Change in Accounting Policy

The following Australian Accounting Standards have been issued or amended and are applicable to the entity but are not yet effective. They have not been adopted in preparation of the financial statements at reporting date.

Standard	AASB Ref		Starting
AASB 2009-11 Amendments to Australian Accounting Standards arising from AASB 9	AASB 2009-11	(111)	1-Jan-13
AASB 2010-6 Amendments to Australian Accounting Standards Disclosures on transfres of financial assets	AASB 2010-6	(iii)	1-Jul-11
AASB 2010-7 Amendments to Australian Accounting Standards arising from AASB9	Various	(11)	1-Jun-13
AASB 9 Financial Instruments	AASB 9	(iii)	1-Jan-13
AASB 2010-8 Amendments to Australian Accounting Standards Deferred tax recovery of underlying assets	AASB 112	(m)	1-Jan-12
AASB 2010-9 Amendments to Australian Accounting Standards Severe Hyperinflation and removal of fixed dates for First Time Adopters		(iii)	1-Jul-11
AASB 2010-10 Further amendments to Australian Accounting Standards Removal of fixed dates for first time adopters	AASB 2009-7 & 2010 7	(iii)	1-Jan-13
AASB 2010-2 Amendments to Australian Accounting Standards arising from Reduced Disclosure requirements	Various	(iii)	I-Jan-13

(i) The standards, and therefore the amendments are not relevant to the entity.

(ii) Amendments primarily provide changes to disclosure requirements.

(iii) No significant impacts anticipated.

#### PRESIDENTS REPORT

In my opinion, the accompanying income & Expenditure Statement, Balance Sheet, Statement of Changes in Equity Cash Flow Statement and Notes to the Financial Statements are drawn up so as to give a true and fair view of the state of atfairs of the Association as at 30 April 2012 and of the results of the activities of Association for the year ended 30 April 2012.

At the date of this statement there are reasonable grounds to believe that Queensland Swimming Association inc. will be able to pay its debts as and when they fail due.

#### INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF QUEENSLAND SWIMMING ASSOCIATION INC.

#### Report on the Financial Report

I have audited the accompanying financial report, being a general purpose financial report, of Queensland Swimming Association Inc., which comprises the balance sheet as at 30 April 2012, comprehensive income & expenditure statement, a statement of changes in equity, cash flow statement, summary of significant accounting policies, other explanatory notes and the statement by committee.

#### Committees' Responsibility for the Financial Report

The committee of Queensland Swimming Association Inc. are responsible for the preparation and fair presentation of the financial report.

The committees' responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to traud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report. The financial report has been prepared for distribution to members. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other that that for which it was prepared. I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### Independence

In conducting my audit, I have complied with the independence requirements of the Institute of Chartered Accountants.

#### Basis for Qualified Auditor's Opinion

As is common for organisations of this type, it is not practical for Queensland Swimming Association Inc. to maintain an effective system of control over cash from swim meets and other sources of income until their initial entry into the accounting records. Accordingly our audit in relation to income was limited to amounts recorded.

#### **Qualified Auditor's Opinion**

In my opinion, except for the effects on the financial report of the limitation on the scope of my work as described above, and the effect of adjustments if any, the financial report of Queensiand Swimming Association Inc. gives: I) a true and fair view of the entity's financial position as at 30 April 2012 and of its performance for the year ended on that date;

il) complying with Accounting Standards, other mandatory professional reporting requirements and the Queensland Associations Incorporations Act 1961.

## **REGIONAL REPORTS**

## **CENTRAL QUEENSLAND SWIMMING ASSOCIATION INC.**

## President: Gary Knight

Secretary: Rhonda Hite

As the 2011/2012 season draws to a close, I have great pleasure in presenting my first annual report for the Central Queensland Swimming Association.

I am extremely grateful for the support and tireless work of the rest of the committee and thank them from the bottom of my heart. Collectively the Management committee has focused on the needs of our swimming community in a positive way, and in doing so has made many important decisions in a relatively short period of time.

It is always difficult to hit the ground running when the majority of the committee were new to the role of running an organization as large and diverse as the CQ Swimming Association and I am eternally grateful for the support and input of our continuing members or the committee.

The primary purpose of the CQ Swimming Association must be to promote and develop the sport of swimming in our region, and with this in mind, we worked closely with our coaches subcommittee in finding what was required. As part of this, it was evident that more money was required to deliver the development package needed. The committee made the decision to introduce a \$0.50 levy on nominations to supplement the \$5,000.00 sponsorship from McDonald's Restaurants. This had to be introduced fairly quickly so that enough money was available for the 2012/2013 season. I am pleased to advise that we now have a minimum of \$10,000.00 to support development activities in the coming season.

Due to limited finances, this season's development program was limited to a Starts and Turns clinic in Gladstone for those swimmers attending QLD State Championships and a Combined YPS and JX clinic in Yeppoon in January. Both programs were well received by swimmers and coaches alike. It was a great opportunity for swimmers to hone their skills and develop new friendships. I would like to thank those coaches who freely gave their time for the benefit of our swimmers. Our swimmers will look forward to a full development program this upcoming season which would not be possible without the sponsorship of McDonald's and we thank them for their continued support.

This season I was fortunate enough to be able to visit the Emerald and Blackall meets to talk to clubs about the issues that affect our Central and Far West Clubs. This was a big eye opener for me as to how much our western clubs are hurting and was surprised that I was the first CQSA President to attend the Blackall meet. This was reflected in the fact that even though our numbers were up at CQ Championships, we only had two swimmers attend from these regions. To support our western clubs, the committee has introduced a position of Far West Spokesperson. This position will provide valuable input in the running of the association for all our members.

The first stage of the redevelopment of the World War II Memorial Pool, South Rockhampton has been finished with the opening of the new FINA compliant pool and the second stage is about to begin and the third and final stage due for completion in 2014. This facility will be a great asset to the swimming community and thanks should go to all those that have pushed so hard to make this happen and the various levels of Government for providing the financial support to bring it to reality.

Work has started on the redevelopment of the Emerald Aquatic centre which is due for completion in 2014 also. With these great facilities coming online over the next few years, it is a great opportunity to advance our sport in the community.

I would also like to congratulate the Caribeae swimming club on winning the Swimming Australia's GOCLUB club of the year. After a number of years as runner up it was good to see all their hard work pay off. This sort of effort does not come from any one person; it is a total club commitment that brings these results. Well done to all the members of the Caribeae Swimming Club.

Congratulations to Dean Rogers who was recognized with an Australia Day Award at the Gracemere Awards Ceremony. Dean received the Senior Sports Administrator Award for his services to the Sport of Swimming. Dean is a Life Member of the Gracemere Swimming Club and has had a long association with CQ Swimming. Well done Dean for your tireless efforts and dedication.

In other achievements around the region, Henry Taylor who is the stalwart of the Alpha swim Team, was recognized with the Great Northerner Award for his tireless work during the floods last year. Henry was awarded the title after a state wide search for true-blue locals that have gone the extra mile for their community. Well done Henry.... a well deserved recipient.

Michelle Maraz was recently nominated for a Local Legend with Swimming Australia for the month of February. Michelle is a dedicated volunteer to the Barcaldine club and even though her children have grown up and are not swimming for the club anymore. Her efforts in organizing their Annual Carnival is often taken for granted as she has always been around to assist. Michelle was nominated by her club in appreciation for her assistance for club over the years. Well done Michelle!

It is great to see our hard work volunteers being recognized for their efforts.

I would also like to thank our team of Technical officials for giving of their time to support our region's swimmers. Without them there would be no swim meets. Special thanks go to Dean Rogers for his work in recruiting and developing our regions' official stocks. I would also like to make a special thanks to Wendy Ryan for all the work she has done over the years. Wendy, life member of the CQ Swimming Association, has moved to the NQ Region and will be sorely missed.

In conclusion I would like to thank all our members for the support given to myself and the rest of the committee throughout the season. It is the effort put in by all our members that makes our region what it is and I look forward to working with you all in the upcoming season.

Gary Knight, President

## DARLING DOWNS SWIMMING ASSOCIATION INC.

## President: Ric Whiting

## <u>Secretary:</u> Judy Dickinson

Again the region had the full range of weather conditions with some of the region suffering from another burden of flooding. The old saying we have all read about, that the true Aussie Spirit of getting in and helping each other, never to be beaten and the desire to return things back to normal as quickly as possible and to get on with life is definitely true. Members of the management committee, members of sub committees and a wide range of technical, professional and voluntary providers have assisted to continue to make this region strong. A shining example of the good work that results from a team effort is the fact that the DDRSA with support from Swimming Queensland held a clinic for the Charleville Club. Troy Chandler along with Tori gave up their time for this special event. Troy reported the coaches and swimmers who attended this clinic were appreciative that they had not been forgotten.

## Sponsorship

The association would like to thank our Major sponsor McDonald's along with our other sponsor Kate's Place for their ongoing support. For without this support we would not be able to continue to strive to develop the sport of swimming across the Region.

## Development

The weekend of 17- 18<sup>th</sup> September was set aside for the Region's Club Development program. This weekend ensured the provision of suitable education and support programs for the administrators and officials on the Darling Downs. Saturday saw a successful Registrars forum thanks to Gloria Williams and Dinah from Swimming Queensland and after lunch an Officials forum was held. Then on Sunday a Team Manager/Meet Manager Workshop was held. The Management committee considers the development of club Administrators, Coaches and Technical officials an important part in developing swimming.

The regional head coach Gail Smail held a successful development program on the 29<sup>th</sup> October, 2011 at the Fairholme Aquatic Centre for our JX swimmers from all over the Downs. Brisbane coach Kris Hatch **was assigned by Queensland swimming to offer an outsider's input, with the help of QAS swimmer Madison** Wilson, the two put the swimmers through some dry land activities and after lunch into the pool for some technical work. The swimmers were also treated to a very informative talk on swimming with David Brown. David represented Australia in Open water swimming and talked of the highs and lows in his sporting career. We are fortunate on the Downs to call on local swimmers who have achieved National Open Age qualifying times and attended many state and international meets. This year was no exception and we were lucky to have Scott Newman and Samantha Holland join the clinic. Both Scott and Samantha gave an informative talk on swimming on the Downs, juggling school work and a heavy training schedule and the benefits of swimming as a sport.

A clinic was also held for all country swimmers Sunday morning after a very hectic country Championships and a wet one at Stanthorpe. It was well attended by 54 swimmers who took advantage of having Garry Shorter on deck with Gail Smail. Garry Shorter brought the club's underwater camera and put the swimmers through basic techniques and then recorded some swimmers using the underwater camera which is a great feedback tool for young swimmers. The swimmers spent 2 hours of water work and then treated to lunch before the long drive home for some.

The Darling Downs is a very broad region, it is difficult and costly for everyone to attend these clinics but it was great to see swimmers and parents travel these huge distances to support these events. It would also not be possible to hold these activities without the generosity of the Coaches, Officials and administrators as many do not charge the Association for their expenses.

## **Regional Events**

The Country Championships were held at Stanthorpe and the Darling Downs Regional was held at Toowoomba as usual. The weather was not kind as it rained again at both meets but the results reflected a high standard of swimmers and the number of competitors continues to grow.

This season the Association held an Inter Cluster Handicap at the Glennie pool. This meet gives the swimmers a chance to swim as part of a Cluster Team and every swimmer earns points for the cluster.

The teams selected from this Region this season were the State Relay and Patrons Shield teams. The Selectors Subcommittee thanks the swimmers, coaches and parents for their support. We thank Jenny Veivers and fellow members of the subcommittee for their work and dedication to make these selections work.

## Presentation Night

A successful presentation night was held at the Highfields Cultural Centre on the 17<sup>th</sup> March, 2012. The night was well represented with about 165 members attending from throughout the Region. The guest speaker was Steve Smith. His speech was warmly received. However the night belongs to the swimmers and congratulations go out to all the award winning swimmers who attended the night.

Alan Gibson was our region's winner of the Swimmer of the Year award.

## Congratulations

The Association is proud to congratulate Ric Whiting on being awarded Swimming Queensland Award of Excellence for his dedication to swimming. Mr. Greg Kukla (Director of Swimming Queensland) presented the award while attending the Regional Championships

## Conclusion

DDRSA recognises the great effort of Officials, Volunteers, Coaches, Parents and Swimmers. It takes a great team to make our association so successful. Well done. The Association would also like to thank the Swimming Queensland staff for their support and lastly the Association would like to thank the general swimming community for support to the regions clubs and members.

Ric Whiting, President

## FAR NORTH QUEENSLAND SWIMMING ASSOCIATION INC.

## <u>President:</u> Ron Tong

## <u>Secretary:</u> Kim Siegmann

Another season has flown by and we have been able to successfully build on the momentum from the previous season.

The visits by Swimming Queensland Mentor Coach Scott Volkers that continued on from the previous season on a monthly basis has laid some strong foundations for the coaches that have made the most of the experience and we are seeing some huge improvements from the swimmers under those coaches.

The coaches have been given a taste of the success that this increased knowledge and skills can result in and are looking for more opportunities.

This season's Queensland Short Course Championships saw a record 15 medals won by a small group of swimmers, three of whom made the State Short Course team along with one of our coaches. This gave confirmation to the benefits of the Mentor Coaching program.

As in previous years we bought a team of JX Gold 11 and 12 year old swimmers to Brisbane to compete in the 3<sup>rd</sup> qualifier carnival in November and once again exposed these swimmers to the Chandler facility, an opportunity to listen to Dean Boxall, Kylie Palmer and others from the QAS squad to gain an insight into what it takes to train and perform at that level and to hopefully light a fire inside some of these young swimmers. One of these swimmers went on to place 4<sup>th</sup> in the 12/13 year 100m backstroke at the Australian Age Championships this year. Prior to the qualifier carnival she was not even ranked in the top 25.

One of the new programs established this year has been the FNQ High Performance Squad. Swimmers in this region join this squad when they achieve a YPS Bronze standard time or above. The concept is to provide these swimmers the opportunity to train and socialize together to create a more intense training environment along with exposure to peers who have the same issues of time management and schooling to manage with their swimming. These swimmers where exposed to the James Cook University Sports and exercise physiology department for base line testing and the use and benefits of a training diary for both themselves and their coaches. This squad was set certain criteria to meet to be eligible for an end of season trip to the Malaysian Open Swimming Championships held in Kuala Lumpur Malaysia. We took a group of 6 swimmers to the event and returned with 2 gold, 1 Silver and 2 Bronze medals and a swag full of **P.B's. There was a total of 12 countries competing and** provided the swimmers with a great experience, particularly to those who had never travelled overseas before. This was made possible by several generous sponsors, in particular Trinity Auto Group, Marlin Coast Swimming and Fitness and Mr Oscar Cesscotto.

In addition to these sponsors we have also been supported by, McDonald's, Shangri-Ia Hotels, Knight Frank, Primo Smallgoods and several other silent contributors throughout the year to assist the sport in continuing to develop in this area.

The State long course Championships saw the region win a record number of relay medals and several individual medals along with some very large P.B.'s and finals swims. This improvement by the swimmers in the region continued throughout the season and culminated in 22 swimmers qualifying for the Australian Age Championships. This is the highest number of swimmers from this region to have ever qualified in a season.

Thanks to Scott Volkers and Swimming Queensland, we have seen not only our coaches evolve but also the swimmers.

Once again I would like to take this opportunity to publically thank my Executive committee for their tireless work and dedication to the sport in this region. Their commitment allows the sport to continue to grow and prosper for the benefit of the swimmers and this community.

Ron Tong, President

## NORTH QUEENSLAND SWIMMING ASSOCIATION INC.

## President: Alan Johnston

Secretary: Theresa Manning

Swimmer development, club member training, coach mentoring, re-assurgency of North West Queensland swimming competition and technical training are the main highlights of the quickly passed season.

Prior to the commencement of the swimming season, various workshops and training seminars were held within the region. This included well presented and well attended weekends for training in Team Manager Software. While these activities were going on, the technical sub-committee were conducting similar types of workshops in the principles of officiating. As an added bonus, Swimming Queensland assisted our region with travel costs so we could hold two "Online Registration Training" days at which Gloria Williams explained the requirements to clubs and registrars. Thank you Swimming Queensland, Gloria, and thank you also to all presenters, Judy, Theresa, Louise and Karen who willingly and unselfishly give their time to assist those within our sport.

Swimming Queensland's Mentor Coach Workshop with Scott Volkers, SQ Mentor Coach, running this programme, was enthusiastically accepted and implemented by the region. All Coaches within NQ were invited to attend and by all accounts the participation numbers and experiences gained goes well in raising the level of coaching.

The JX Programme is going from strength to strength with a highly successful weekend camp for the JX Gold and YPS Bronze Squad being held in Mackay. The Junior JX Squads members were bussed to Ayr to participate at their Meet. Thank you to all the support staff and Coaches who participated and assisted with these activities. Without these people the development programmes would not be as successful.

Our NQSA Relay swimmers put in a spirited effort at State Championships. Although not as successful as form indicated, they certainly did our Region proud.

McDonald's North Queensland Championships were one of the best attended and highly successful Championships held for many years. We were fortunate to have in attendance John Keppie, President SQ. John was well received by all those with whom he spoke, and by all indications he was impressed by the standard of the Meet and its presentation. Thank you John for your attendance. A mention of gratitude to the McDonald's Family Restaurants for their continuance of sponsorship to swimming - thank you McDonald's.

Congratulations to Joshua Parrish (Gardens) and Regan Leong (Marlins) who have been selected to represent Australia in the Trans-Tasman and Junior Pan Pacific Teams respectively. Mention must also be

made to all those swimmers, coaches and parents who attended the Australian Open Championships-Adelaide and Australian Age Championships-Brisbane. Our Technical Officials have also been represented at these major Meets with Erin Collis, Karen Donnell and myself in attendance. Congratulations to you all.

Planning for the development programmes for the various squads, training workshops for clubs and technical training seminars are well under way for the 2012/13 season. These will extend to all areas within our large Region.

To Swimming Queensland Board, John Keppie - President, Kevin Hasemann - CEO and all SQ Staff - our grateful acknowledgement is extended to you all for your valuable assistance and guidance which is given to us throughout the season.

As this season draws to a close, I would like to take this opportunity to thank the hard working Management Committee - Lee Day, Theresa Manning, Louise Baker and Karen Donnell for all the time and effort which they have put into this season. Also mention of sincere appreciation is also extended to all those other hard working personnel, too numerous to list, who put so much time and effort into North Queensland Swimming.

Thank you Alan Johnston, President

Strength Through Teamwork.

## **SWIMMING GOLD COAST INC.**

## <u>President:</u> Gerry Epstein

<u>Secretary:</u> Kim Cook

It gives me great pleasure to present the Report on the activities of Swimming Gold Coast for the 2011-2012 season.

## Membership

During the season our Region had some 1,563 registered swimmers (competitors and recreational), some 25 registered clubs, 37 coaches, 19 officials, 409 parents, 7 non-swimmers and 11 life members. It is pleasing to note that all categories show an increase in numbers from last season.

## Representation

Our Gold Coast swimmers have excelled at local, state, national and international level. Congratulations to Jade Neilsen (Miami); Leiston Picket (Southport); Melanie Schlanger (Southport); Thomas Fraser-Holmes (Miami); Ky Hurst (Bond); Cameron McEvoy (Southport); Brenton Rickard (Southport); James Roberts (Somerset); and Christopher Wright (Southport) on their selection in the Australian team for the forthcoming London Olympics. Congratulations also to the many Gold Coast swimmers selected to represent Australia at World Championships, Pan Pacs, Junior Pan Pacs, Oceania, and World Open Water events.

## **Region Championships**

Our Winter Short Course Championships held in July 2011 was once again very successfully hosted by the Nerang Swim Club with some 394 competitors. Our Gold Coast Championships held in March 2012 was hosted by the Miami Swim Club and attracted some 376 swimmers. Whilst our numbers for our Championships were down on last year's event ( due to a clash with State Nipper Championships) the event was very successful with a number of records being broken. Thank you to Nerang and Miami Swim Clubs for hosting those meets.

## 10,000 Metre World Relay Record

In October 2011 Gold Coast swimmers, clubs and officials got behind one of our own Jordan Hart who was battling cancer, to attempt to break the world 10,000 metre relay record and raise money for the Leukaemia Foundation, Make a Wish and Red Kite. One hundred swimmers rallied to the cause each swimming 100 metres. The record of 1 hour 53 minutes was held by Germany and I am pleased to report

that our Gold Coast swimmers assisted in that record being smashed by some 15 minutes and 30 seconds, thus establishing a new world record.

## Workshop

Swimming Gold Coast again conducted a very successful workshop for all clubs hosting meets throughout the season. Attendance at this workshop helps ensure all clubs running a meet during the season have up to date information and qualified people to organise the meet thus ensuring a successful meet. Thank you to our hard working Vice President and Registrar Di Daw for her hard work and dedication for organising and presenting this seminar.

## Coaches

Throughout the year our coaches continued with their regular meetings and provided much useful feedback from those meetings back to the Regional Committee. I am pleased to say that many suggestions put forward by our Coaches have been implemented by the Region throughout the season. It is hoped that these meetings between the Coaches and the liaison between them and the Region will continue as it greatly assists the Region in their planning and it ultimately serves its purpose in providing the best opportunities to our swimmers.

## Presentation day

After a very successful inaugural presentation day in 2011, we held our second presentation day in May 2012. Throughout the season points were awarded to swimmers based on number of criteria (including participation in Regional Relay teams at State and participation in our Regional Championships (winter and summer)). Some 2 Swimmers received awards of cash payments, trophies and goods from our sponsor **McDonald's in recognition** of their achievements throughout the season.

The President's Award was this year given to Tayla Brunt (Southport) and the Rising Star Award was given to Dom Richardson (TSS). Both swimmers excelled in their performances throughout the year and we congratulate both Tayla and Dom and congratulate all swimmers and Clubs who received awards on the day.

On behalf of the Region, I would like to take this opportunity to thank Di Daw, Michelle Sabotic and Kim Cook for all of their hard work for organising this event.

## Development

Sixty swimmers represented the Region at the Regional Relay Events held at State Titles and we thank those swimmers for their participation. We would also like to acknowledge the huge effort put in by Kim Cook in organising the swimmers for the relay teams.

The Region sent 42 swimmers, officials, coaches, managers and technical officials to represent the Region at the Patron's Shield meet held in Toowoomba in March 2012. These swimmers were 9 to 12 13 year old JX Group and the trip proved to be a great team building exercise. The Gold Coast swimmers came away with a resounding win and we thank Darling Downs Region for hosting a very successful event.

We also sent a team of 15 swimmers, together with coaches and managers to represent the Region at the Great Barrier Reef meet held in September 2011.

## Sponsors and Supporters

We would also take this opportunity to sincerely thank our major sponsors in the Region, McDonald's. We would also like to thank Reece Rackley and his crew from the Blue Fit Leisure and the Gold Coast City Council for their support throughout the season.

## Officials

We are very fortunate on the Gold Coast to have a very large and extremely dedicated team of technical officials who freely give up many hours of their time to ensure our club meets are run smoothly, efficiently and in accordance with the rules of swimming. The total number of days spent at meets on the Gold Coast

this season was 29. Topping the list of attendances were Michael Cox (24) and Maree Oberg and Greg Schulte (21).

In addition to officiating at local club meets many of our technical officials officiated at school, state and national meets. The Region thanks all of our hardworking technical officials.

The Region would particularly like to take this opportunity to thank our chief referee Karen Macleod who despite tragic personal circumstances was always there to lend a helping hand and provide advice to the Region based on her years of experience. To Karen we say a special thank you.

## Swimming Queensland Board

The Region congratulates our former committee member Michael Cox on his recent election to the Board of Swimming Qld and we thank both Michael and John Dove (from our Region) for their ongoing support and advice. We also thank Swimming Qld and their staff for their help and support throughout the year.

## Swimming Gold Coast Committee

Swimming on the Gold Coast would not be the "well oiled machine" that it is without a dedicated committee who help all of our clubs and swimmers in our Region. The "girls" on our committee generously volunteer many many hours of their time during the week, at night (often into the wee hours of the morning) and on weekends to ensure that everything that needs to be done to ensure our swimmers get the best possible attention, is done.

On behalf of the Clubs and the swimmers of our Region I would like to conclude this report with a special thank you to the team - Dianne Daw – Vice President, Registrar, and Chief Recorder; Kim Cook – Secretary; and Michelle Sabotic – Treasurer for their ongoing support and assistance throughout the season.

### The Future

With the awarding of the Commonwealth Games to the Gold Coast in 2018 and the Pan Pacs in 2014, swimming on the Gold Coast has a lot to look forward to. The government is planning substantial upgrades to our facilities to cater for these events and the legacy for us here on the Gold Coast will be the use of these world class facilities for our swimmers for many years after these events have come and gone. The years ahead are going to be an exciting period of time for our Region and our swimmers as we ready ourselves for these important events in the swimming calendar.

Gerry Epstein, President

## WIDE BAY REGIONAL SWIMMING ASSOCIATION INC.

## <u>President:</u> Michele Watson

<u>Secretary:</u> Linda Hodkinson

## Congratulations

Congratulations **Tessa Wallace** and **Samantha Hamill** the two Wide Bay swimmers who are off to London for the Olympics. Well done to their very proud coaches John Wallace and Peter Gartrell.

### New Venues

Maryborough Aqatic facility has closed for redevelopment. A new 50m pool is almost finished with the complex due to reopen hopefully in time for our summer season. The complex will include the current 25m pool, hydro pool, new kiosk and amenties. Rainbow Beach Sports Club has just opened a new 10 lane 25m heated pool. They are keen for the pool to be used for training and competition.

## **Development Programs**

A full development program kept many people busy this season as over 350 swimmers were offered places in a development program within the region. Many more also participated in SQ and SAL programs. The much appreciated sponsorship the region received from McDonald's has certainly been a help in the facilitation of the development program. The in kind goods were of exceptional value and very well received. The JX swimmers all received their swimmer packs via their clubs from Swimming Queensland. Junior skills clinics were held in Burnett Fraser and the Sunshine Coast and later in the South Burnett. Early Achievers and Achievers attended the Sunshine Coast qualifying meet held at Flinders in July. What an awesome weekend that was. To have so many swimmers enjoying the day camp followed by the meet the following day created a team spirit that shone throughout the swim meet. The Development squad competed at the NZ SC Championships held in Wellington with very good results. Wide Bay relay teams put in an awesome performance at the state relays in December. Our younger swimmers particularly enjoyed being part of the relay teams. Once again the format of having the relays on one day worked well from a regional perspective. Swimmers regional received shirts and caps.

## Coaches

Thanks to the following coaches who have assisted with our squad programs. New Zealand 2011: Paul Jones, Hervey Bay; Achievers & Early Achievers: Brent Milne, Nanango; Paul Jones, Hervey Bay. Junior Skills: Ian Robinson, Kawana; Chris Ford; Flinders; Julie Robinson, Noosa; Scott Hamlet, Fairymead; Jane Stehbens, Kolan; Adam Stevenson, Wondai; Joe & Donna Dangerfield, Kingaroy. State Relays, Marcs Elder.

## Wide Bay Championship Meets

Both our championship meets were held this year in Hervey Bay. Our Winter SC Championships were held in conjunction with the Wide Bay presentation dinner. Many thanks go to the Hervey Bay SC for their help in hosting the meets. Special thanks goes to Paul Jones who made sure the facilities were suitable for the meets. McDonald's support for the championships is a huge help to the region with the age championship towels being provided along with the food and drinks for the volunteers.

## **Regional Swim Meets**

The Wide Bay Calendar was very full this year with many meets held. Two meets did not go ahead and this was due to a lack of parent volunteers. Across the region most meets were successful with good attendance. Some small meets struggled to gain nominations. Thanks go to Kingaroy, Gympie and Kawana for their assistance in hosting the area championships this season. Thanks also go to Flinders for their help in hosting the Snshine Coast qualifying meet and to Fairymead for their help with the Burnett Fraser meet.

## Technical Officials

Congratulations to all the people across the region who are making gains in helping to increase technical official numbers. It is really positive to see people at each forum taking the opportunity to further their progress in achieving an accreditation.

Thanks to David, Dale, Paddy, Bill and Simon for their guidance and to Bobbi who has helped a lot on the coast. Debbie Cox sat her referees exam recently. Well done Debbie on all your hard work.

## Forums

Four forums have been held in Gympie which is central to our region. The forums create an atmosphere in the region and covered such topics as club development, funding, online banking, the online system, MM and TM workshops and management training. Opportunities for networking are provided with the around the clubs segment and over morning tea and lunch. This year Wide Bay hosted a Seals course where 10 people successfully gained their level one managers accreditation. This is now a requirement for the facilitation of squad activities to have qualified managers.

## Special Thanks

Sincere thanks to Kevin Hasemann and the Board of Swimming Queensland for their ongoing support of the Wide Bay region.

Special thanks also go to Swimmeroo for their ongoing support of Wide Bay Swimming. The shirts for squads were great and our championship tees were well received again.

Hervey Bay SC assisted with the hosting of seven meets this season from their own LC meet to WB SC & LC Championships, Masters meets and then the Maryborough LC meet to assist Maryborough SC while they are without a pool. We take our hats off to Hervey Bay, such an organized club!

## Management Committee

My heartfelt thanks go to each committee member. It is a time consuming job taking on a role on the WB committee. The Management Committee has worked hard and had lots of fun as we meet, plan and implement things across the region throughout the season. I would like to make special mention of Debra Sutherland who gave of her time to help Wide Bay for the past two years. Each of our committee has put on their "regional hat" and come together as a team to facilitate the many happenings we undertake each year.

## Grants

Wide Bay was successful in gaining another grant from FACS for equipment. We purchased a garden shed and storage containers, a laptop and data projector and have provided funding to assist clubs in fuel costs when attending forums.

Our timing system has once again been sent back as the starting problems continue. The start time III system really does not work as well as start time 11. It is sincerely hoped that the ongoing problems will be sorted.

This is my last year as President of Wide Bay Swimming. I have enjoyed my role as President. I think that what makes Wide Bay stand out from other regions is the procedures that we have discussed at forums and adopted that provide consistency for decision making in the region. Our squad eligibility, our application for a swim meet process, the email system and the website help provide consistency. Our winter meet circuit has developed into a successful platform for swimmers competing through winter. Our SC championships and presentation dinner are well supported. It is important that swimmer, coach and club achievement is recognized each season.

As our season draws to a close the planning for the next 12 months of swimming is almost complete and with the support of each club in the region there is no reason why the next season will not be better than the past. The one thing that has really improved a lot over the past few seasons is the friendship and willingness to assist the neighbouring clubs in and around our region. I really believe that forums help this process as delegates discuss the achievements and problems facing club committees. We have some amazing volunteers in the Wide Bay region. Congratulations everyone on another successful season.

## **Sub-Committee Members:**

### Finance:

Mr. M. Cox (Chair), Mrs. E. Clydsdale, Mr. J. Dove, Mr. J. Keppie OAM, Mr. G. Kukla

## **Competition:**

Mr. J. Keppie OAM (Chair), Mr. P. Crane, Mr. S. Crow, Mrs. J. McGinley OAM, Mr. T. Taylor

#### **Development:**

Mr. J. Keppie OAM (Chair), Mr. J. Dove, Mr. G. Kukla, Mr. M. Lorrimer, Mr. B. Stehr, Mr. T. Taylor,

## **Planning:**

Ms. S. Hardie (Chair), Mr. J. Keppie OAM, Mr. J. Dove, Mrs. C. Hayes

## Technical:

Mr. J. Keppie OAM (Chair), Mr. P. Crane, Mrs. D. Greene, Mr. D. Gregory, Dr. S. Hooton, Mrs. K. Macleod, Mrs. Julie McGinley OAM, Mr. E. Randle

## Awards:

Mr. J. Keppie OAM (Chair), Mrs E. Clydsdale, Ms. S. Hardie, Dr. S. Hooton, Mr. R. Kretchmann, Mr. G. Kukla, Mrs. M Pugh OAM,

## **Appointed Positions:**

Selector: Mr. P. Crane

## *Chief Referee:* Mrs. K. Macleod

Control Room Supervisor: Ms. S. Hardie

*Meet Manager:* Mrs. J. McGinley OAM

## Technical Manager: Dr. S. Hooton

NOTES

# Swimming Queensland would like to thank its Sponsors for their continued support
