Our Role

Swimming Queensland is the peak body for the administration of swimming activities in Queensland. It conducts, encourages, promotes, advances, controls and administers swimming activities throughout the State through a number of distinct functions, including:

- Administering the rules of swimming
- Registering members
- Educating and developing athletes, coaches, and Technical Officials
- Administering the sport's funding
- Representing Queensland swimming at the national level and with Government
- Conducting and co-ordinating swimming competition
- Formulating and implementing policies and programs
- Acquiring and managing sponsorship

Olympic Gold Medallists – Women's 4 x 100m Freestyle Relay

PRESIDENT'S AND CEO'S REPORT

We are pleased to submit to members this report on Swimming Queensland's activities during the 2016/17 financial year.

2016 Rio Olympic Games

The highlight of the 2016 Olympic Games for Queensland was the performance of the Women's 4 x 100m Freestyle Relay team, which won the gold medal and broke the world record in the process. As was the case at the 2012 Olympic Games, all members of the team swim for Queensland. On this occasion, they were Bronte and Cate Campbell, Emma McKeon, and Brittany Elmslie.

In total, 16 Queensland swimmers won 24 medals, which represented 80% of Australia's medal tally in the pool. Individual medallists were Mitch Larkin (silver), Madeline Groves (silver), and Emma McKeon (bronze).

2016 Rio Paralympic Games

Queensland's gold medallists at the 2016 Rio Paralympic Games were Lakeisha Patterson OAM, Rachael Watson OAM and Brenden Hall OAM. Brenden's success in the 400m Freestyle S8 replicated his result at the London Olympics. Brenden also won one silver and one bronze medal, while Lakeisha also claimed two silver medals and a bronze medal in individual events. Queensland's other individual medallists were Katja Dedekind and Daniel Fox, who each won a bronze medal.

2016 World Short Course Championships

Queensland's gold medallists at the 2016 World Short Course Championships in Windsor, Canada, were Mitch Larkin and Brittany Elmslie, both of whom won one event.

2016 Junior Pan Pacific Championships

Jack Cartwright was Queensland's most outstanding competitor at the 2016 Junior Pan Pacific Championships in Maui, Hawaii, winning three individual gold medals, to which he added a relay gold medal along with Louis Townsend, Elijah Winnington and Daniel Jacobson. Other individual gold medallists were Kaylee McKeown and Minna Atherton, with one each.

2017 Australian Open Championships

At the 2017 Australian Open Championships, 42 gold medals were won by 24 Queensland swimmers. Our most successful swimmer was Abigail Lihou, who won four events. Other stand-out performers, each with three gold medals, were Emma McKeon, Lakeisha Patterson, and Emily Seebohm OAM. St Peters Western repeated its success from last year in claiming the title of champion club.

Once again, Queensland will be strongly represented at the next FINA World Championships, to be held in Budapest, with three-quarters of the Australian team, and at the 2017 IPC World Championships in Mexico, with 58% of the team. These are the highest representations Queensland has ever achieved in either discipline for a major international competition.

2017 Australian Age Championships

The result achieved by Queensland swimmers at the 2017 Australian Age Championships was the best of all time, with our young athletes amassing 58% of the total points available. Queensland's gold medal tally of 86 was spread across 45 swimmers, illustrating our depth and auguring well for the future.

Elijah Winnington went one better than last year by winning eight events. His impressive accomplishment was nearly matched by fellow Gold Coast swimmer, Thomas Hauck, who claimed seven gold medals. Kaylee McKeown and Jenna Forrester led the girls' division, with five gold medals each. Other winners of multiple events were Abbey Harkin, with four gold medals; Jack Cartwright, Nathan Robinson, Sarah Beale, Lydia Murray, and Ariarne Titmus, with three gold medals each; and Samuel Short, Minna Atherton, Shikira-Lee Matheson, Mikayla Messer, Lani Pallister, Laura Taylor, and Phoebe Walker, with two gold medals each.

St Peters Western continued its reign as champion club.

2017 Australian Age Multi Class Championships

Jack Ireland matched Elijah Winnington's sterling effort by winning eight gold medals at the 2017 Australian Age Multi Class Championships. Paige Leonhardt also excelled in taking out five events. Other gold medallists were Conor Brown (3), Madeleine McTernan (3), Lily Barras (1), and Katja Dedekind (1).

2017 Australian Open and Age Open Water Championships

Queensland swimmers won 70% of the individual events at the 2017 Australian Open and Age Open Water Championships. Jade Slee led the charge with two gold medals.

2016 Australian Short Course Championships

Queensland once again won the H.B. Ive Trophy as Premiership State, with its swimmers taking out 38 of the 59 events. Emily Seebohm was in scintillating form, winning seven gold medals. Cameron McEvoy and David Morgan each scored a treble.

2016 State Teams Championship

The 40-member Queensland team won the 2016 State Teams Championships despite the absence of more than 20 of the State's top age-group swimmers. SQ for the first time excluded athletes selected on Australian junior teams during the year so that other emerging swimmers could have the opportunity to represent their State at the Championships. Queensland has won the event every year since its inception in 2008.

2016 Queensland Championships

Major award winners at the 2016 Queensland Championships were Thomas Hauck (McDonald's Swimmer of the Meet); Lydia Murray (McDonald's Age Group Swimmer of the Meet); Lakeisha Patterson (McDonald's SWD Swimmer of the Meet); and Ty Hartwell (McDonald's Country Swimmer of the Meet).

St Peter's Western won the President's Trophy for Champion Club for the second year in succession.

Athlete and Coach Development

SQ's athlete and coach development team organised and delivered a wide array of activities during the year.

As happened shortly after the Beijing and London Olympics, a camp was conducted for emerging swimmers and their coaches focussing on the 2020 Olympic Games. The Towards Tokyo Super Camp was attended by 75 swimmers and 40 coaches.

The inaugural Paulus Wildeboer Scholarship – named in honour Queensland's Head Coach during 2013/14 – enabled four coaches to attend the 2016 American Swimming Coaches Association's World Clinic in Florida and to visit USA swimming programs. Another international excursion conducted by SQ saw 10 swimmers and three coaches participate in World Cup meets in Singapore and Japan. Other activities included two testing camps at Chandler, attended by 56 swimmers and 27 coaches; a clinic at the Swimming Australia Grand Prix in Brisbane, attended by 17 swimmers and 3 coaches; a weekend retreat for 14 coaches; intra-regional clinics, for 258 swimmers and 50 coaches; sending a team of 10 swimmers to the New South Wales Open Water Swimming Championships; and a clinic for SWD athletes, attended by 20 swimmers and nine coaches.

This was in addition to regular visits to club programs across the State by SQ's Coach and Club Development Officers.

Technical Official Development

Forums for Referees, Starters, Judges of Stroke and Inspectors of Turns were held during the year for Technical Officials from all regions. A total of 45 officials attended. Mentoring of officials at the Queensland Championships is now a long-established practice and once again included officials from various locations around Queensland, in addition to which four officials participated in the annual State Teams Championships in Canberra, under the guidance of SQ's Technical Sub-Committee Chairman, Alan Smith.

Erin Collis was appointed as a Starter for the 2017 FINA World Championships.

Membership Development

The Junior Dolphins Program remains the centrepiece of the national strategy for growing swimmer membership. During the year, Swimming Australia secured Optus as the program's sponsor. The number of Optus Junior Dolphins in Queensland clubs grew to 6,669, which translates into 40% of our total swimmer membership.

Clinics conducted by SQ for children with special needs, indigenous children, and children from culturally and linguistically diverse communities totalled 92, with 6,727 children participating. Workshops for teachers, and clinics for school and learn to swim teachers, attracted 442 attendees. SQ was an active participant with Swimming Australia in the formulation of the new Safe Sport Framework, including consultation with the Australian Childhood Foundation and the Australian Sports Commission. The Framework is a critical piece of work to underpin the positive influence that swimming – and our swimming community – can have on the lives of all participants. It replaced our previous child and member welfare policies and procedures, as well as our Codes of Conduct.

Awards

SQ Life Membership was conferred on David Towner, and the SQ Award of Excellence was presented to Ray Henderson (DD/WB) and Paul Simms (WB).

Emma McKeon was named the Susie O'Neill Swimmer of the Year.

Michael Bohl OAM received both the Swimming Australia and QSport Coach of the Year awards. Other QSport award winners were Lakeisha Patterson (Athlete with a Disability of the Year); Cate Campbell (Sport Star of the Year); and Bronte Campbell, Cate Campbell, Brittany Elmslie, and Emma McKeon (Sport Team of the Year).

Karen Macleod received the John Keppie Award for officiating excellence, and Teresa Goddard was named Swimming Australia's Technical Official of the Year.

Swimming Australia's Club of the Year Award went to Warwick Swimming Club.

Acknowledgments

As always, across our extensive network of clubs and Regional Associations, a very large number of people generously gave their time and passion to our wonderful sport. We trust they feel proud of the exceptional way our swimmers conduct themselves as they take the journey towards adulthood and of the lion-hearted effort they put into becoming the best swimmer they can be.

Also, once again helping us behind the scenes were our major sponsor, Speedo, the Queensland Government, McDonald's, Georgina Hope Foundation, and Medal Shots. Their ongoing financial support is vital to our development programs, which reach out to members across the vast State of Queensland.

Swimming Queensland has a long, proud history dating back to 1898, and we feel privileged and honoured to be afforded the opportunity to guide the organisation through what is, relatively speaking, a few moments in its exceptional life.

Michael Cox
President

Kevin Hasemann
Chief Executive

VALE

During the year, SQ lost Life Member Jeanette Kellett. Jeanette was an announcer at SQ meets for over two decades. She will be fondly remembered for her smooth, precise diction and her warm personality.

McDonald's – proud sponsor of Swimming Queensland and associated Regions

Optus Junior Dolphins – a fantastic initiative for our young swimming members

TREASURER'S REPORT

On behalf of the Board of Directors, I submit the Treasurer's Annual Report, together with the audited Annual Financial Report, for the year ended 30 April 2017.

The Association recorded an operating surplus of \$107,618, with Total Revenue of \$3.226m. Total Accumulated Funds grew to \$1.27m.

Notable changes from last year were:

- Sponsorship revenue was \$62,000 higher due to the changed timing of the receipt of payments from a sponsor.
- Membership revenue increased by \$123,000 mainly due to Swimming Australia's reimbursement of foregone membership income from the previous two years associated with the Junior Dolphins Program.
- Athlete and Coach Development revenue rose by \$115,000 principally because of increased Queensland Academy of Sport financial support.
- Athlete and Coach Development expenditure increased by \$243,000 as a result of the delivery of more programs.

The financial status of the Association continues to strengthen.

Assisting me on the Finance Sub-Committee over the past year were Michael Cox, Mark Twyford, Kevin Martin and Erin Collis. I express my sincere appreciation to each of them, and to SQ's finance team.

Marc Nichols
Treasurer

Notes to and forming part of the Financial Statements

for the year ended 30th April 2017

Note 1 - Statement of Significant Accounting Policies

The financial statements are a general purpose financial report and have been prepared in accordance with Australian Accounting Standards, Urgent Issues Group Interpretations, other authoritative pronouncements of the AASB and the requirements of the Associations Incorporations Act. The financial statements have also been prepared on an accrual basis and is based on historical costs modified by the revaluation of selected non current assets (where applicable) and financial assets and liabilities for which the fair value basis of accounting has been applied.

The financial report covers Queensland Swimming Association Inc. which is incorporated under the Associations Incorporations Act 1981 and is domiciled in Brisbane Queensland.

The following is a summary of the material accounting policies adopted in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

Income Tax

No provision has been made for income tax as the Association is exempt under Section 50-45 of the Income Tax Assessment Act 1997.

Inventories

Inventories are measured at the lower of cost and current replacement cost. Costs are assigned on a first-in first out basis.

Property, Plant & Equipment

Property, plant and equipment is carried at cost or fair value less, where applicable any accumulated depreciation and impairment losses. The carrying amount of property, plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amount.

Depreciation

The depreciable amounts of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, are depreciated over their useful lives to the entity commencing from the time that the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. Depreciation rates are plant & equipment 7.5% to 75%, leasehold improvements 10% and Historical Gallery 10%.

Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Association are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Leased assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the lease interest expense of the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Financial Instruments

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual obligation or right exists. Subsequent to initial recognition these instruments are measured dependent on whether they are classified as Financial Assets at fair value through profit and loss, loans and receivables, held to maturity investments, available for sale financial assets or financial liabilities.

Employee Benefits

Provision is made for the liability for employees arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred.

Government Grants

Government grants are recognised at fair value when the entity obtains control of the grant, it is probable that the economic benefits will flow and the grant can be measured reliably.

Notes to and forming part of the Financial Statements

for the year ended 30th April 2017

Revenues

Revenue from the sale of goods is recognised upon delivery of the goods to customers. Revenue from rendering a service is recognised upon delivery of the service. Interest income is recognised on an accruals basis.

Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Impairment of Assets

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indicator exists, the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value in use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the income statement.

Critical Accounting Estimates and Judgments

The committee members evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

Note 12 - Financial Instruments

Financial Risk Management

The groups financial instruments comprise mainly of deposits with banks, accounts receivable and payable. A finance sub committee oversees financial risks. Interest rate risk is covered by use of term deposits and online saver accounts which pay a higher rate of interest than a cheque account.

Interest Rate Risk

The associations exposure to interest rate risk, which is the risk that a financial instruments value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on classes of financial assets and liabilities is as follows:

	Effective interest rate	Effective interest rate
Financial Assets		
Cash and cash equivalents (within 1 year)	324,102 2.10%	1,148,429 3.95%
Receivables (non interest bearing)	305,292 0.00%	270,407 0.00%
Investments (within 1 year)	929,672 2.40%	27,920 3.35%
Total Financial Assets	<u>1,559,065</u>	<u>1,446,756</u>
Financial Liabilities		
Trade and other payables (non interest bearing)	204,642 0.00%	237,088 0.00%
Total Financial Liabilities	<u>204,642</u>	<u>237,088</u>

Net Fair Values

Aggregate net fair values and carrying amounts of financial assets and financial liabilities at balance date.

	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
Held to maturity financial assets	929,672	929,672	27,920	27,920
Trade and other receivables	305,292	305,292	270,407	270,407
	<u>1,234,963</u>	<u>1,234,963</u>	<u>298,327</u>	<u>298,327</u>
Financial Liabilities				
Trade and other payables	<u>204,642</u>	<u>204,642</u>	<u>237,088</u>	<u>237,088</u>

Note 13 - Remuneration & Retirement Benefits

Committee members of the Association received up to a maximum of \$60 depending on how far travelled, per meeting during the 2016/17 financial year to cover travel costs.

Note 14 - Related Parties

There were no transactions with related parties during the financial year.

Note 15 - Reconciliation of Net Cash from Operating Activities to Operating Surplus

Operating Surplus/(Deficit) for the Year	107,618	109,690
Depreciation	15,354	15,989
Provision for Leave	47,251	25,891
Loss on Disposal of Assets	44	-
Decrease/Increase in Sundry Debtors	(34,885)	258,926
Decrease/Increase in Other Assets	(8,479)	-
Decrease/Increase in Inventory	(6,874)	(5,821)
Increase/Decrease in Sundry Creditors	(32,446)	(291,457)

Note 16 - Change in Accounting Policy

The following Australian Accounting Standards have been issued or amended and are applicable to the entity but are not yet effective. They have not been adopted in preparation of the financial statements at reporting date.

Standard	AASB Ref		Starting
AASB 9: Financial Instruments and associated Amending Standards	Various	(iii)	1-Jan-18
AASB 15 : Revenue from Contracts with Customers	AASB 15	(iii)	1-Jan-18
AASB 13: Fair Value Measurement	AASB 13	(iii)	1-Jan-18
AASB 101: Presentation of Financial Statements	AASB 101	(iii)	1-Jan-18
AASB 16: Leases	AASB 16	(iii)	1-Jan-19
AASB 133: Earnings per Share	AASB 133	(iii)	1-Jan-18
AASB 136: Impairment of Assets	AASB 136	(iii)	1-Jan-18
AASB 138: Intangible Assets	AASB 138	(iii)	1-Jan-17
AASB 139 Financial Instruments Recognition & Measurement	AASB 139	(iii)	1-Jan-18

- (i) The standards, and therefore the amendments are not relevant to the entity
- (ii) Amendments primarily provide changes to disclosure requirements
- (iii) No significant impacts anticipated

PRESIDENT'S REPORT

In my opinion, the accompanying Income & Expenditure Statement, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Financial Statements are drawn up so as to give a true and fair view of the state of affairs of the Association as at 30 April 2017 and of the results of the activities of Association for the year ended 30 April 2017.

At the date of this statement there are reasonable grounds to believe that Queensland Swimming Association Inc. will be able to pay its debts as and when they fall due.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF QUEENSLAND SWIMMING ASSOCIATION INC.

Qualified Opinion

I have audited the accompanying financial report as at 30 April 2017, being a general purpose financial report, of QUEENSLAND SWIMMING ASSOCIATION INC., which comprises the balance sheet, the income statement, statement of changes in equity, cash flow statement, a summary of significant accounting policies, other explanatory notes and the committee member's declarations.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial report as at 30 April 2017 gives a true and fair view of QUEENSLAND SWIMMING ASSOCIATION INC. financial affairs on the basis of accounting set out in the Statement of Significant Accounting Policies.

Basis for Qualified Opinion

As is common for organisations of this type, it is not practicable for QUEENSLAND SWIMMING ASSOCIATION INC. to maintain an effective system of internal control over cash from swim meets and other sources of income until their initial entry into the accounting records. Accordingly our audit in relation to fundraising activities was limited to amounts recorded.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. I am independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my opinion.

Committees' Responsibility for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibility

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITOR'S REPORT cont...

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

2017 SQ Japan Open Team at their Welcome Celebration in Nagaoka, Japan

REGIONAL REPORTS

BRISBANE SWIMMING ASSOCIATION INC

President: Suellen Hardie

Secretary: Ray Clarson

This has been another successful season for the Brisbane Region. On the international scene, the regional highlights would have to be from the 2016 Rio Olympics and Paralympics. First, the Women's 100m Freestyle Relay team, consisting entirely of Brisbane region swimmers - Emma McKeon, Brittany Elmslie, Bronte Campbell and Cate Campbell - won gold and set a new World Record. Then Lakeisha Patterson collected gold, breaking the World Record in the Women's 400m Freestyle S8. Back home, Lakeisha broke the World Short Course Record for her classification in the 100m freestyle at our regional Short Course Championships.

Brisbane swimmers contested the World Short Course Championships in Canada, the Junior Pan Pacific Championships in Hawaii and the Oceania Championships in Fiji. Closer to home, Brisbane won the annual Patrons' Shield meet, this season hosted by Darling Downs Region in Toowoomba; entered teams in the Regional Relays at Queensland State Championships; and had representatives in the Queensland team that once again won the State Teams Age Short Course Championships in Canberra.

The region's total membership currently stands at 86 clubs with 9,955 members, an increase on the previous season's numbers. Our regional championships (Short Course, Open Water, Sprints, Junior and Senior Metropolitans) attracted more than 16,000 nominations. The A-Grade meets, conducted by 22 clubs, saw over 27,500 nominations, while the Development meets, conducted by 13 clubs, saw over 11,000 nominations. There are now 1740 Optus Junior Dolphin members in Brisbane, enjoying free membership and an introduction to the sport of swimming.

On the development front, this season saw a significant increase in the activities offered to Brisbane region swimmers. 32 swimmers, with 10 coaches and a manager, participated in the annual Big Brisbane Camp in July. In October, the Brisbane Open Water Development Squad was provided with 2 Open Water training clinics under the guidance of Trent Grimsey, World-Record holding Open Water swimmer. In addition, they received entry to the Noosa Summer Swim to hone their skills. 2 Macca's Clinics reached around 120 young swimmers, featuring guest athlete Jess Schipper. In March, a new offering, 3 sessions of the Aquatic Body Alignment clinic were delivered by Jade Edmiston to around 65 selected young swimmers. For parents, the now annual Parent Forum was conducted during the Junior Metropolitan Championships. Drew McGregor, SQ Coach & Club Development Director, gave an inspiring presentation focused on "Understanding Athlete Maturation and Stages of Development in Swimming" to around 30 appreciative parents.

Brisbane Swimming currently has 4 members on the current FINA lists of Technical Officials for appointment to Olympic Games and World Championships; Teresa Goddard and David Gregory for pool events and Gary Shepherdson and Lori Chaplin for Open Water events. We are extremely fortunate to have 4 so highly valued officials in our region who also regularly officiate at club and regional meets. Becoming an official is an excellent way to show support for your athletes and may open up a whole new interest.

Some developments this season have included running our championship heats fastest to slowest, which encourages swimmers to extend themselves; scheduling Junior Metropolitans as a short course meet, one way of making our sport more appealing and accessible to young competitors; and a simple online nomination system for Technical Officials.

The 2015/16 Annual Awards Function recognised last season's top performers. Steve Carsley was named Technical Official of the Year. Sandra Wilks received the Hazel Ferguson Award for Volunteer of the Year. Clyde Lewis from St Peters Western was awarded the Brisbane Rising Star Award and Sarah Beale from Acacia Bayside received the Glen Bigg President's Trophy. Brisbane Swimming acknowledges the continuing sponsorship from McDonald's, which is much appreciated and provides significant financial support to the association. The ongoing support of our supporting sponsor Vorgee is also highly valued.

Life Membership is recognition of having proactively served Brisbane Swimming for many years, contributing outstandingly to the development of the sport, in ways that go above and beyond usual expectations. For the 2015/16 season, Life Membership was awarded to Steve Carsley, David Gregory and Brendan Keogh. They joined a group of nearly 40 existing Life Members, almost half of whom are still regularly active in our association. Congratulations and our sincere appreciation to all our Life Members.

Many thanks to all the technical officials, volunteers, club administrators, coaches, parents and of course the swimmers who, in combination, are responsible for the success of Brisbane Swimming. We are also indebted to Swimming Queensland for its role in our administration, particularly Kellie Richter. Sincere thanks to my fellow members of the current Management Committee for the time they put into the running of this association. We are saying farewell to Warren Grainger, with huge thanks for his many years of dedicated service to the region as an official and committee member, at both club and regional levels. We wish him all the best.

Suellen Hardie

CENTRAL QUEENSLAND SWIMMING ASSOCIATION INC

President: Michael Borg

Secretary: Amanda Noone

The 2016/17 swimming season was another successful year for the Central Queensland region with another year of growth in membership, both competitive and recreational swimmers.

The Association hosted, with the assistance of the region's clubs, two carnivals this year which provided valuable platforms for State and National competitions. CQ Sprints was hosted by Caribeae, Biloela, Emerald, and Western Suburbs Clubs; 250 swimmers competed this year which saw the event return to the 2WWMAC in Rockhampton under very hot and humid conditions, but the competition was fantastic. The event also celebrated the inaugural presentation of the Graham Simpson "Simmo's Best Overall Performance Award"; congratulations to Ty Hartwell and Emilee Burness. CQ Championships celebrated all the fantastic efforts of coaches, parents and competitors for the season. Congratulations to all 290 competitors. Whether it was PB's or Awards, the standard of competition was outstanding. Special thanks are warranted to all the volunteers for their time, especially Meet Director, Mrs Susan Brown. It was particularly pleasing to see many clubs take on roles over the weekend and undertake those jobs professionally and to a high standard.

Thanks and gratitude need to be extended to the Chair of the Technical Committee, Mrs Sarah Emery, the Referees and the many officials who ensure our meets throughout the region are conducted "within the rules" and in the spirit of competition. Without their support through the long hot summer the competition would just not happen. Thank you to those who are working on their technical qualifications. As with all sport, many more are needed so keep up the good work!

This year the Management Committee continued with a program of Development Grants so that clubs may undertake development programs that may ordinarily be beyond their reach. Thank you to those clubs that have participated. Next year's focus will again be on joint club activities for Level 1 and 2 swimmers.

Our State and National swimmers this year again showed CQ can match it with the best medalling in a range of events; these young men and women should be proud of their achievements. Coaches and parents also deserve praise, as their support is integral to the swimmers' success.

Next year CQ will again focus on development activities and the region's peak Championship events as well as assisting clubs work through the changes to competition structures recently announced by SQ. With the Commonwealth Games next year on the Gold Coast many will attend or volunteer, celebrate all that is good with sport and participation.

Finally, I would like to thank the Management Committee for their contributions of time, energy and enthusiasm throughout the year; your efforts are appreciated by all!

Michael Borg

DARLING DOWNS REGIONAL SWIMMING ASSOCIATION INC

President: Garry Gibson

Secretary: Judy Dickinson

It is with great pleasure that I present the annual report on the activities held in the region for the 2016-17 season. It has been a busy season with the continuation of implementing initiatives of past years. The members of the Management Committee have been working with members of various Sub-committees and a whole range of technical, professional and voluntary providers to implement the programs for the 2016-17 season. We are now planning for the upcoming season to continue to take the region forward.

Development

This season, DDRSA continued to join with Swimming Queensland to assist with funding to access Barry Prime, the SQ Coach & Club Development Officer. This continues to be a major investment by the DDRSA for the development of clubs and coaches throughout the region at grass roots level. The progress of this investment in development has evolved as Barry Prime continues to develop his role.

The last weekend of October is traditionally set aside for the DDRSA development weekend each year. The weekend commenced with a JX clinic at Fairholme on the 29th October and a clinic for older swimmers on the 30th at Toowoomba Grammar. The Sunday following the Country Championships is traditionally set aside for a development clinic. This year, Dalby was the venue for the clinic on Sunday 22nd January.

2016 JX Junior Clinic Toowoomba

The DDRSA Junior JX Clinic for 9 – 12 year olds was held at the Fairholme Aquatic Centre on the 29th October 2016. The theme of the clinic was based on Individual Medley, Swimming Technique Skills and the importance of Dolphin Kicking. The clinic was directed by Barry Prime in conjunction with Michael Wise, DDRSA Head Coach of Development. DDRSA Coach of the Year, Chelsea Orbell acted as the Lead Coach for the clinic. Chelsea was chosen as she was the Coach of the Year in addition to receiving a SAL/ASCTA Coaching Scholarship to attend the annual ASCTA Convention to do the Silver Licence Coaching Accreditation Course. This year, our own Jacob Whale (Australian Junior Pan Pacific Championships representative) was the invited guest swimmer. Jacob talked to the swimmers in the morning and then hopped in the pool to demonstrate the skills he uses in training to be the best swimmer he can be.

The clinic itself also complemented the Time for Technique Meet which was held during the afternoon. This meet is designed to put in place what the swimmers were educated on at the clinic in the morning. From the

feedback, it actually worked very well as this meet is about points based on Racing Skills & Technical. The afternoon competition was organised by Fairholme SC.

The Youth JX Clinic Toowoomba

The Youth JX Clinic, 13 – 16 year olds, was held on Sunday 30 October. This was based on Individual Medley and Form Strokes, Swimming Technique and Skills. Barry Prime and Michael Wise led the session with assistance from other Regional coaches.

The swimmers from both clinics did a very good job and the feedback from the parents was very positive and appreciative.

2016 Coaches Workshop

On Friday 28 October, both Barry and Sarah Armstrong, SAL Club Development Manager, visited the Toowoomba Grammar Swimming Club and met with the Director of Swimming/Head Coach, the President and the LTS Coordinator to obtain feedback and to enquire how the club actually functions.

They also visited Concordia Olympic (Turbo Jets) to meet with the Head Coach/President, Troy Chandler, to discuss the same issues as with the TGS. Sarah was particularly interested in the management structures and organisation of the clubs and how the Optus Junior Dolphins was progressing. Sarah also explained briefly about the different resources that SAL was developing to assist swimming clubs throughout the nation.

The coaches' workshop was held Saturday afternoon after the JX clinic at which Director of Swimming/Head Coach Richard McLean of TGS gave an overview of his SQ Paulus Wildeboer Coaching Scholarship, which enabled him to visit programs in the USA in addition to attending the American Swimming Coaches Association Annual Conference. The coaches' workshop was once again hosted by Barry Prime to provide support and networking opportunities for our DDRSA coaches.

2016 Club Visits & Clinics in the Outer Western Regions of the Darling Downs

This activity is an important initiative for the DDRSA Development program. Barry visited 13 programs during his outer western Downs visits, which also included 2 clinics from Saturday 12 – Wednesday 23 November. The first was the Roma Clinic, which was directed by Barry and Michael Wise. Once again, the theme of the clinic was to cover all strokes with various Drills, Skills & Technique based on the varying ability levels of the swimmers. The 2nd clinic was held at Augathella. It was pleasing to see the volunteer teachers and a few parents get involved to support Barry and the swimmers on the day.

2017 Development Clinic held at Dalby

After a successful Country Championships held on the 21st January, Dalby was the venue for the development clinic held on Sunday 22nd January. This clinic was open to all swimmers in the region. From all reports, the swimmers who attended the clinic enjoyed the morning session provided by Barry Prime, Gail Smail, Garry Shorter and Michael Wise.

The DDRSA acknowledges the ongoing support received over many years from Gail Smail, Garry Shorter and Michael Wise. For without their time and expertise freely given, the DDRSA could not hold our annual Development Clinic activities. The DDRSA cannot thank enough Fairholme College, Toowoomba Grammar, Dalby Aquatic Centre and the host clubs for their support of these clinics.

DDRSA is appreciative of Barry Prime's attendance and as he said "as with any program in any town throughout the world regardless of its size, it is the enthusiasm of the teachers, coach or coaches, swimmers and parents in conjunction with the club committee that drives any given program. Now this coach could be the lessee/teacher/coach of a swimming pool, a paid employee or indeed a volunteer, however, it is the passion and knowledge of the teacher/coach or volunteer that inspires the program or indeed the town as a whole".

Regional Events

2016 McDonalds Winter Short Course

The first DDRSA meet for the season was the Winter Short Course. The Association would like to thank Toowoomba Grammar School and Toowoomba Grammar Swimming for their support in enabling the DDRSA to host the Winter Short Course on the 14th August 2016. The DDRSA Short Course Champions are selected from this meet.

2016 Toowoomba Open

The Toowoomba Open has again been used for the selection of Toowoomba Champions. Along with the Regional Championships, it was held in Toowoomba. With the support of all the Toowoomba clubs and Milne Bay Aquatic Centre, these meets ran efficiently.

2017 Country Championships

The Country Championships, which was hosted by the Dalby Swimming Club, was facilitated at an excellent standard and well supported. This meet was again the biggest on the Downs this season number-wise. The Country Awards are selected from this meet. It was very pleasing to see the number of coaches and country Technical Officials who supported this meet.

2017 McDonalds Regional Long Course

The Regional Championships was held in Toowoomba with the support of all of the Toowoomba Clubs and Milne Bay Aquatic Centre. The DDRSA would like to express our sincere thanks to Alan Smith (Chairman of Technical Sub-Committee, SQ) and Kevin Martin (SQ Board Director).

Presentation Night

The Presentation Night was held at the Highfields Cultural Centre on the 11th March 2017. This year was a great success with the largest number ever of 220 members attending with swimmers, parents, coaches, officials and volunteers coming together to celebrate the successes of the season. Our guest speaker, Jade Edmistone spoke about her personal struggles within and after swimming and promoted her book, "Fish out of Water". Her speech provided something for everyone who attended, not only the swimmers.

Regional Teams

Patron's Shield

The Patron's Shield was hosted by DDRSA at Fairholme College on 18th September 2016 with teams from Brisbane and Gold Coast attending. The region was represented by 38 swimmers on the day. Thank you to all teams for an enjoyable day and congratulations to Brisbane as winners for this year.

State Relay

A team of 44 swimmers was selected to swim for Darling Downs at this season's State Relay. They gained 3 firsts, 3 seconds, and 1 third. Congratulations to all the swimmers for their great results in all age groups. DDRSA would like to thank the Team Managers, Jenny Veivers, Lisa Ford and Garry Gibson and Development coach Michael Wise for the selection and organisation of the relay teams.

Congratulations

This season, Ray Henderson was awarded the Swimming Queensland Award of Excellence for his lifelong involvement in swimming on the weekend of the 2017 Regional Championships.

Dylan Stevens was awarded the McDonald's Swimmer of the Year, McDonald's Volunteer was awarded to Sarah Hemmings and Quinn Burling was awarded the President's Trophy. Rising Star award went to both Charlie Schoorl and Jordan Webster. Chelsea Orbell was awarded Coach of the Year. Judy Dickinson was

awarded DDRSA Life Membership at the DDRSA AGM. Jacob Whale was selected to go to the 2017 World Junior Championships.

Vale

It was with deep sadness the Darling Downs Regional Swimming Association and swimming in general lost a dedicated and hard-working member. **Ray Henderson**, DDRSA Life member since 2006, passed away in 2017 in Toowoomba. Like most dedicated people associated with our sport, Ray would often travel to referee at meets throughout this Region, and also outside this region. Ray as most would recall him - that is dressed in the white attire of a Technical Official and spending countless hours volunteering his time and travelling to officiate at meets and run courses for officials, meeting expenses from his own pocket. Ray's contribution to our sport could never be overstated. For Ray as he put it "swimming is the love of my life".

The Future

Our Association must be proactive in providing opportunities for all swimmers and their coaches throughout this vast region. However, what happens at club level is the most important thing for the swimmers. The future is full of opportunities with the continued development of technology on how clubs are run. The interaction between the club and the coaches is continuing to evolve, so the association must embrace these changes and work with the stakeholders. This is the goal of the DDRSA Management Committee when planning for the 2017-18 season.

Major Sponsor McDonald's Family Restaurants

The DDRSA takes this opportunity to thank McDonald's Family Restaurants for their generous support in this region. The activities run by the DDRSA would come at a higher cost to the region without their generous ongoing support.

Thank You

A thank you must go to Swimming Queensland CEO Kevin Hasemann and the Swimming Queensland staff, along with the DDRSA members who are working continuously to help in the development of swimming across the region.

I would also like to thank the Management Committee of David White, Bob Wharton, and Judy Dickinson who worked hard for another successful season.

Thank you to Michael Wise the DDRSA Development Coach, who worked with Barry Prime to ensure that our region had an ongoing swimmer development program. Thank you to Bob Wharton, Chairman of Technical Sub-Committee, and all the Technical Officials who have volunteered their time to the swimming community. For without the volunteers, whether it is timekeeping, marshalling, check-starting or as a Technical Official, any swim meet would not start.

Garry Gibson

FAR NORTH QUEENSLAND SWIMMING ASSOCIATION INC

President: Kerry Kresevic

Secretary: Alan Faggottor

I am pleased to present the 2016-2017 annual report for the Far North Queensland Regional Swimming Association.

The region would like to thank our sponsor McDonald's Family Restaurants for their continued support of our sport. We would also like to thank Swim FNQ for providing funding for our FNQ development programs and equipment.

This year our regional meets were well attended. Swimmer numbers were up by approximately 25% on last year. Once again many of our senior swimmers moved on to greener pastures at the beginning of the year but the region was buoyed by the high number of our junior swimmers making state and national times.

This year we welcomed FINA referee Matthew Bromley onto our management committee. Matt has been working alongside many new volunteers helping them gain valuable experience on pool deck. We thank Matt and all of our dedicated Technical Officials who keep our meets running smoothly. We also congratulate Keith Leyton who recently became a SWD medical classifier.

The region offered development activities throughout the season for both our State Development Squad and our High Performance Squad. Drew McGregor joined our local coaches for a two-day State Development Squad camp in Mareeba, last September. This camp was attended by 40 swimmers and comprised of racing, land training activities and stroke correction. Over the past two seasons the Management Committee has worked closely with Drew McGregor on our event calendars to provide appropriate racing opportunities and development activities for our swimmers. The committee looks forward to working with Brant Best to build on current programs and to continue to advance our sport in Far North Queensland.

In finishing, I would like to thank the Management Committee members for their tireless efforts, all our volunteers and Swimming Queensland staff for their help and support throughout the season.

Kerry Kresevic

SWIMMING GOLD COAST

President: Kim Cook

Secretary: Diane Daw

The 2016/2017 season was another fast paced and productive swimming season with our regions 24 clubs attending some 18 club meets during this time. Together with our regional Winter Championships, our Relay Day and Regional Championships hosted in March led for a busy season for our swimmers, Technical Officials, committees and parents.

"Little Fish ... Big Dreams". It is great to see some 200 Optus Junior Dolphin members included in our member ratio with over 3,700 members in our region. Our future is in good hands and we look forward to seeing the growth of our juniors and members. The support of Optus will continue to see this grow and it was great to see so many young swimmers enjoying the National event held in Brisbane. Such fun and enjoyment of swimming combined with hard work and dedication. Our learn to swim programs across the country will continue to grow with swimmers moving to our squads and joining our swimming clubs; our future champions in the making. I can report that many young people were inspired and loved the inclusion in this event. Let's keep inspiring.

Development in the region in the season has continued and we would like to thank the support of Coach and Club Development Officer, Barry Prime, together with the Athlete Development Team of Stephan Widmer and Drew McGregor. We would like to thank them for their encouragement and support which has assisted in growing our development program. Our coaching panel that have supported our various development programs held over the season includes Ken Sabotic, Jon Cook, Kyle Samuelson, Liam de Feu, Ashley Callus, Sean Eels and David Taylor. Our development sub-committee of Paul Younan, Cathryn Rayward and Jodie

Vincent – thank you. Our program consisted of various development clinics, Regional Relay event at State Championships and Patron's Shield. Thank you to Darling Downs for hosting the Patron's Shield and we look forward to its future.

With the various events being held over the season between club carnivals, development activities and coaching, I would like to take the opportunity to thank the various stakeholders of the various venues across the Gold Coast. In particular, the Gold Coast City Council and City Venue Management in providing assistance and support at Miami Aquatic Centre and Gold Coast Aquatic Centre. Emmanuel College for hosting our winter championships and Bond University for holding many development activities. With the support of these facilities and other facilities across the Gold Coast, our swimmers have a great opportunity to swim and participate in great aquatic venues.

"There is no "I" in Team, but we sure are glad there is "u" in our volunteers. To the committees and parents of the 24 swimming clubs on the Gold Coast, thank you for your continued support of the region and the meet calendar and development activities held. Your work and contribution to swimming is invaluable.

We have an amazing team of merry officials, from the many swimmers thank you for your tireless work on pool deck. Some 365 days of officials were recorded working across our season. Our assistant Chief Technical Official, Sharon Wicking did some 26 days of officiating for our region. Like many officials, this did not include the various days spent assisting at SQ events and SAL events. Thank you to our officials that give up their time for our swimmers. It was with pride that we had some 31 officials work on pool deck for our own Regional Championships. What a great show of camaraderie and support of the swimming community. This team work happens as a result of some great leadership. I would like to acknowledge and thank our Technical Committee made up of Sharon Wicking, Michael Cox, Maree Oberg and Karen McLeod. Our officials have been led by our Alan Smith who this year steps down as our Chief and moves onwards and upwards. Thank you, Alan, for all your hard work and support of the region and growing our Technical Official band of helpers. The region has acknowledged the work and commitment Alan has made by naming him Official of the Year – congratulations and thank you also for your many years of work for the region as Chief.

Congratulations to Norm Fyffe, Di Daw and Terry Gulliver, who have been inducted as Life Members of the region. The region acknowledges the support and work of these lovers of swimming.

Norm started volunteering in our clubs in 1993 and has continued throughout the many years in many roles across our region. Norm excelled as a Starter and has mentored many new officials in the art of starting. He has made himself available at swim meets at all levels over many years and has been a wonderful team member of the group of Technical Officials on the Gold Coast for many years.

Terry has been involved in swimming on the Gold Coast since 1975 and has been a regular contributor at Swimming Gold Coast management meetings. In the field of coaching, Terry has excelled in producing young champions including many State champions as well as National Age and National Schools champions. Terry's aquatic facilities around the Gold Coast over the years in learn to swim and coaching has been a great contributor to swimming over the many years.

Di has been involved in swimming since 1989 when her children joined Jimboomba Swimming Club. In 2005, Di joined the peak body of Swimming Gold Coast and has played many roles until 2017 as Secretary, Race Secretary, Registrar Chief Recorder and Vice President. Di has also worked tirelessly at club and regional meets assisting with recording. Di has been a patient and tireless servant of the region in all her positions.

Congratulations also to our Guy Bagot who received his 25 years service pin for his contribution to swimming across the region and his own club Miami Swimming Club.

This season has seen the retirement of our coach Denis Cotterell. Denis has made a huge personal contribution to swimming and our regional swimmers. Thank you, Denis, for your hard work and support and we wish you all the best for the future.

“Swim Hard ... Dream Big”. Our swimmers and clubs have continued to excel in the competitive arena regionally, state, nationally and internationally. Our swimmers came under the spotlight with our very own Cameron McEvoy, David Morgan, Thomas Fraser-Holmes, Daniel Smith and James Roberts under the coaching support in Rio of our own Denis Cotterell and Richard Scarce. Congratulations to you all for your commitment to swimming and your hard work at Rio. This season has seen the Olympics come and go and National Championships in Brisbane with many of our clubs finishing well in the club point score. Congratulations to the many clubs and coaches for the hours of work in getting to Nationals. Our region now prepares for the Commonwealth Games in our own backyard. This provides a great opportunity for many to become involved in our great sport of swimming in our home town and I know we will all watch with great interest our swimmers working hard to reach their goals and officials all wanting to contribute to this great event.

Congratulations to all the swimmers across the region from our 7 year olds attending their first meet to our elite swimmers. All of you have worked tirelessly to reach your goals and your coaches have worked with you through this journey. Congratulations on your personal achievements and we look forward to watching your progression and enjoyment of swimming. Thank you to the hardworking parents who support our swimmers and their dreams and goals.

Thank you to the support and assistance of the crew at Swimming Queensland and the sponsorship and support of McDonald's for our swimmers.

“Alone we can do so little, together with can do so much”. What a team to get this last season done and dusted. Thank you to our team Di Daw - Secretary , Michelle Sabotic - Treasurer, Sally Skea - Registrar, Tony Hurd - Race Secretary and Gerry Epstein - VP. It is with a sad face that I report that a big part of our executive committee of Gerry Epstein, Michelle Sabotic and Di Daw will change as a result of these giving and extraordinary people standing down to take a well-earned break from their roles on the executive for Swimming Gold Coast. Their wealth of information and their support of swimming over more than 30 years combined has grown our region from strength to strength. I would like to take this opportunity to thank them for their huge contribution to swimming and know that their wealth of information will continue to be shared across the region.

When your team contributes so hard and brings the success we can all be congratulated. The secret to success is in a team of co-operation, co-ordination and hard work. Bring on the Commonwealth Games and another jam-packed season!

Kim Cook

NORTH QUEENSLAND SWIMMING ASSOCIATION INC

President: Theresa Manning

Secretary: Darren Alsemgeest

This past season has proven to be another eventful and challenging one filled with success for our region.

Membership

During the season, our region had 1,215 registered swimmers, 22 registered clubs, 17 coaches and 18 Technical Officials, 793 Parents, 10 Non-Swimmers and 18 Life Members. Of the 1,215 registered swimmers, 25% are Optus Junior Dolphins (7&u) and 9% are 8yr Optus Junior Dolphins, a strong indication that our nursery of swimmers coming through is growing in the region.

Regional Championships

Our Regional Championships were held in March with just under 300 competitors taking part over the two days. With the weather being kind to us this year we enjoyed a successful weekend. The weekend began with our March Past on the Saturday morning, which was won by the popular Pioneer Team. A very strong performance from the Mackay Team saw them take out the Jenny Logan Memorial award, the Pat Wright Relay Award was awarded to the Gardens Team with Gardens also taking home the SNQ Champion Club Award. And congratulations to our Volunteer of the Year, Melissa Wilson from Charters Towers Swimming Club, and our Technical Official of the Year, Lynn Beauchamp.

A big thankyou to everyone that made the championship a success that it was.

Representation

Our swimmers excelled once again at State and National level with 12 swimmers swimming at Age Nationals.

Our Regional Relay Teams were again well represented with 72 swimmers representing the Region. Congratulations to all swimmers who represented the Region with pride.

Officials

We continue to have a large number of accredited Technical Officials in the region and we are continuing to grow our numbers every year. With 23 meets held in the last season throughout the Region our officials have done an excellent job to get out to all the meets and to also make sure that all meets have been officiated at the highest standard.

The Region was again this season well represented at Age and or Open Nationals. Congratulations to Helen Cushing achieving Level 1 Referee accreditation, Karen Donnell achieving Level 3 National Referee and Trevor Williams achieving Level 3 Starter status, while Erin Collis was appointed by FINA to be a Starter at World Championships in Budapest in July.

To all our officials we appreciate your time and effort that you all put in so our kids can swim.

Development

This year the Region's Development Committee – Lynn Beauchamp, (July Hicks – Mentor), Lee Day, Matt Harrison and Mick and Kim McConnachie - worked closely in conjunction with the SQ Coach and Club Development Officer, Drew McGregor, which proved to be an eventful season.

The team have worked hard the whole season to make sure we continue to run development programs to allow our swimmers to excel. The coaches have dedicated their time and resources sometimes at the detriment to their own squads and for this we truly appreciate their effort.

Sponsorship

I would like to thank the Region's Major Sponsor McDonald's, without their support of swimming our swimmers would not be able to continue to receive the development that they need.

Swimming Qld

As SNQ President I would like to thank SQ's CEO, Kevin Hasemann, and President, Michael Cox and their staff for all the help and guidance over the year; you all make our jobs so much easier.

Swimming North Qld Management Committee

During the season, the committee was saddened by the fact that Robert Lee resigned from his role as President due to family reasons. At that time with the support of the Management Committee I felt

fulfilled to step up and continue the path that Robert had started 12 months ago. That path included such things as:

- The Regional Strategy Plan wherein this plan has expectations of the Executive and respective sub-committees to have time to commit to it.
- Instigate a proactive succession plan with the Management Committee and bring with that an observer practice instead of a jumping in feet first practice.
- New Constitution where the succession plan then progressed to see 2 consecutive terms to encourage succession on the Management Committee

A President is one person working with a group of people that are striving for the same outcome and SNQ is lucky to have 4 very dedicated members who give up hours upon hours of their time to plan and organise the events and activities here in NQ. So a big thankyou to Darren Alsemgeest, Louise Baker and Alan Johnston for your support over the last year.

Theresa Manning

WIDE BAY SWIMMING ASSOCIATION INC

President: Sean Cawley

Secretary: Deborah Newnham

General

On behalf of the WB Management Committee, it is with great pleasure I provide you with the 2016-17 season report for Wide Bay Region. It has been a very successful and enjoyable season of swimming, with an increased number of swimmers attending our Short Course and Long Course Championship meets and the continued success of club meets within the region. We also welcomed 2 new clubs into the region this past season – Caboolture Central and Sunshine Coast Sea Devils.

Wide Bay Championships

Short Course – Rainbow Beach Swimming Pool, August 2016

This year our SC Champs were again successfully held at the Rainbow Beach pool for the 2nd year in a row, in August 2016, over Saturday afternoon & Sunday morning. With wonderfully clear and warm weather, all swimmers seemed to perform very well with nothing but positive support and cheering for all competitors.

Thank you to all of the volunteers from all clubs on the weekend who undertook an official task and to the parents and supporters, as well as the Rainbow Beach Swim Club committee and the Rainbow Beach Sports Club for their exceptional hospitality for the weekend.

Long Course – Caloundra Aquatic Centre, March 2017

The LC Champs were this year hosted by Pelican Waters Caloundra Swim Club at the Caloundra Aquatic Centre and were held in magnificently warm weather. All swimmers competed at their very best and performed outstandingly in all races. There were more records broken over the weekend than ever before, with a huge increase in nominations being received compared to previous years – a total of 434 swimmers were nominated for this year's champs, an increase of more than 100 to 2016.

Once again, all 11 & U swimmers nominated received a WB LC Qualifying medal, and all swimmers in these age groups who swam every individual stroke event in their age group received the Melanie Wright medal, as opposed to placing medals being awarded in the 9-11 age groups.

This policy was again well received by all with a lot of younger kids receiving a LC champs medal for the first time in their swimming careers. The smiles on their faces gives us a great deal of satisfaction and hopefully assists us in retaining the kids into their older ages. A big thank you is conveyed to the volunteering parents and club officials from Pelican Waters Caloundra Swim Club and John Wallace, Chris Bray and the staff at Caloundra Aquatic Centre for their efforts and time given over the 3 days. Without your support and assistance, we could not have run such a successful and enjoyable championship meet.

Development Activities

This year we held 6 Squad Activities across all ages, with the squads split into 3 separate levels with their own nicknames provided. Each squad then had 2 activities for them to attend.

Sharks – Maryborough, July 2016

Our winter camp for the 12-13 yr old swimmers (known as the Sharks squad) this year was held in July in Hervey Bay, with the kids competing at the Maryborough SC meet. The kids swam first this year, on the Saturday, at the Maryborough meet, before being bussed out to the overnight camp location in Hervey Bay. All kids seemed to swim reasonably well and were ably looked after by Coach Kim Rigby from Kawana and Managers Sean & Colin. Dinner and supper with a few minor land activities followed in the evening, with many kids tired from their swimming, before retiring to their cabins and (hopefully) getting some sleep. How wrong we were! Sunday morning saw breakfast had before venturing out to a local park for some ball and running games, before heading home just before lunch.

Piranhas Trip, September 2016 – Vic Age SC Champs & AIS, Canberra

In Sept 2016, myself and Deb Newnham (WB Secretary) along with Coach Josh Harris from PWC, took a group of 10 kids down to the Victorian Age SC Champs to compete as a WB team, for the 2nd year in a row. These kids did an outstanding job of swimming, acting as young adults and looking out for and after one another as a group.

We won a small number of medals, including Gold, and almost every swimmer in the travelling party achieved PB's in their swims. Overall it was again a great success in a swimming sense. After the swimming had ended, we stayed in Melbourne for one more day to take a trip down to the Penguin Parade at Phillip Island. We had a wee bit of shopping time first thing Monday morning, before hopping on our bus down to the penguins for a late afternoon/evening trip.

My sincere thanks again goes to Deb Newnham, who looked after the kids exceptionally well, and ensured all of them were fed, watered and clothed with clean towels, togs and clothes where necessary. She is the epitome of the perfect Team Manager. Our thanks also go to Josh Harris, from PWC, who did an outstanding job as Coach and who had the respect of every swimmer who travelled. It was a week to remember for all.

Stingers, Nov 2016 – Good Shepherd pool

In November 2016, 52 9-11 yo's attended a day camp at the GSA pool, with coaches Krysty Connelly (WBMC), Peter Diamond (GSA) and Michael Gibson (Mtn Creek) all volunteering their time to look after them and upskill them.

The day started with a 2hr skills session in the pool before lunch (sausage sizzle and fruit) and then heading onto the grassed oval for some ball games, team building exercises and touch footy and soccer. All kids had a great time, with the weather being perfect (perhaps slightly hot?) for the day. Thank you to Peter, Michael and Krysty for their time and efforts on the day.

Piranhas, Jan 2017 – TSS Sprint Meet

January 2017 saw us take 15 Piranhas swimmers down to the Gold Coast for a weekend camp and competing at the TSS Sprint meet. Friday travel on the bus from WB region, with accommodation needs being looked after at TSS boarding facilities.

Josh Harris once again joined us as Coach, with Colin, Deb and myself travelling as TM's. Once again, swimming efforts were great, all kids appeared to compete well and enjoy the different surrounds and then also the time together on camp.

Saturday night saw a team BBQ on the school grounds before early to bed. Thank you to Josh for his time given again, and to Colin for driving the bus

Sharks, Feb 2017 – Brisbane Sprint Champs, Chandler

The Sharks squad (12-13yo's) also travelled for their second activity, to the Brisbane Sprint Champs in early February this year, with Craig Harkiss (Kawana) and Tegan Butler (Mtn Creek) as our 2 coaches.

We had 38 swimmers travel for this squad activity, via bus. This squad was predominantly made up of Gold & Silver level swimmers, due to numbers and QT's required for the meet. Friday was our travel day, with a late afternoon arrival and dinner at a local sports club. Saturday & Sunday was competition, with Saturday night a BBQ on the Chandler grounds.

Craig & Tegan did a wonderful job in providing the kids with an insight to how a travelling party out of your home area handles itself, with regards to meetings, expectations, WU / WD efforts and general conduct of yourself. All kids gelled really well and new friendships were made, which is great to see.

Thank you to Craig & Tegan for their time and to Deb, Colin & Emma Street from Fairymead for acting as TM's with myself. It was a very successful and enjoyable weekend.

Stingers Squad, March 2017 – Eumundi

The final squad activity was then held at the inaugural Eumundi meet, in March this year, where we had 34 kids attend. They swam as a part of the WB team, with Deb Newnham and Jacqui Krueger (WB Treasurer) acting as Managers. Unfortunately, our coach was unable to make it at the last minute, thus we were unable to provide a replacement. Thank you to the parents and kids for their understanding and patience with us however.

Junior Skills Clinics, October 2016

This year there were 3 Junior Skills Clinics held on the same day within WB Region, which was a raging success to our knowledge at all 3 locations. The Sunshine Coast was held at Cooroy pool, where the kids were so very well coached and taken care of by the Cooroy coach Andrew Cowan. Burnett Fraser area's clinic was wonderfully run by coach of Fairymead club, Scott Hamlet, who looked after swimmers on the day so very well with them all enjoying themselves. South Burnett's clinic was then taken on by Kilkivan Coach Rob West held at the Kilkivan pool, with a great number of kids attending with him as well. Again, a successful and enjoyable day was had by all. Thank you to all coaches who gave up their time to undertake these clinics.

State Relay Day

December 2016 saw Wide Bay compete at the annual State Relay Day, with some exceptional swimming performances arising from the pool. Overall, we had the huge number of 78 kids involved in the WB Relay teams on the day with some fantastic results. WB had an outstanding meet, achieving exceptional results in the regional relay events. These results prove to us how many wonderful and talented swimmers WB has within the clubs around the region. A big thank you to Brendan Roser from Beerwah Splash Swim Club, who generously gave his time to coach and mentor the kids for the relay squads.

Forums

Throughout the course of the year we hold Quarterly Forums, previously in Gympie, considered to be the central part of the region. This year we held a couple of forums separate in the region, in each area, to assist clubs and parents attend in a more convenient location and timeframe for them. All forums were well attended. Thank you to all clubs who have attended throughout the season.

Clubs & Meets

All clubs appeared to have a successful and productive season, with slightly less meets held than the previous year. We look forward to similarly successful meets occurring in the upcoming 2017-18 season, with some new style meets appearing this year (Mini Meets and 11 & U meets).

Presentation Day / Annual Awards

This year we held the annual awards presentation on the Saturday of WBLC, designed to provide the region overall with an insight to what they are, who the nominees were, and to ultimately have the kids acknowledged and awarded in front of as many people as possible. The presentations went very well, with a great deal of people staying for the awards, which is a huge improvement on past seasons. Congratulations to all nominees and winners.

Technical Officials

This year we were saddened by the passing of our much-loved referee for many years, Ray Henderson. Ray was a member of Cotton Tree Swim Club and a WB and Qld referee for many years. He could not be of enough assistance at any meet he attended and was renowned for his impeccable dress sense and easy-going nature. Ray will be missed.

We were fortunate to have all other Technical Officials from past years with us in the region again, for which we say thank you sincerely. Stan, David, Terry & Bill were ably assisted at various times throughout the year by Malcolm, David, Elwyn, Shannen, Matthew, Rob & Louise.

Swimming Queensland

Thank you to Kevin Haseman, Drew McGregor and the staff from SQ for their support, guidance and assistance over the past 12 months. It has been invaluable and of extreme benefit on a large number occasions throughout the year. Thankyou also to Mr Michael Cox, President of Swimming Qld, for his guidance throughout the season. We look forward to working with you and your board again over the coming 12 months.

Sponsorship

McDonalds has been a wonderful and generous sponsor and supporter of Wide Bay Swimming over the years and 2016-17 was no different. Thank you to McDonalds for the merchandise and associated products afforded us to be able to then hand onto our swimmers, who much appreciate the items provided.

Wide Bay Management Committee

The WB Management Committee this year worked to ensure all meets, swimmers and clubs had a very successful, smooth and enjoyable year of swimming, which I would hope was the case across the region. I am very proud of what we achieved as a group of people, volunteering their time during the season for the benefit of our region's swimmers.

A sincere thank you from myself is extended to Colin Anderson, Deb Newnham, Krysty Connelly, Jacqui Krueger and Sharon McKeown for their efforts throughout the year on all things WB. It was a pleasure being able to act as President of Wide Bay Swimming in season 2016-17.

Sean Cawley
