# PRESIDENT'S & CEO'S REPORT

We are pleased to submit to members this report on Swimming Queensland's activities during the 2017/18 financial year.

## 2017 FINA World Championships

At the 2017 FINA World Championships in Budapest, Queensland swimmers won a total of four medals in individual events, with the best performance being recorded by Emily Seebohm, who won the Women's 200m Backstroke, a repeat of her accomplishment at the 2015 World Championships. Emma McKeon was the other Queensland medallist, with two second placings. Queensland swimmers also featured strongly in the relays, in which Australia won two silver and two bronze medals.

Erin Collis was appointed as a Starter for the Championships.

## 2018 Commonwealth Games

Queensland swimmers comprised 59% of the Australian swimming team at the 2018 Gold Coast Commonwealth Games (67% of able-bodied swimmers and 38% of para swimmers) and amassed the lion's share of Australia's medal haul in the pool.

In the individual events, our swimmers claimed 68% of Australia's medals. Queensland's able-bodied competitors won 13 of Australia's 15 gold medals, and three-quarters of its relay gold medals, while their para team mates claimed 57% of Australia's para medals.

Our most successful swimmer was Mitch Larkin, who won four individual events. Cate Campbell, Lakeisha Patterson and Ariarne Titmus all won two gold medals in individual events, while Shayna Jack, Bronte Campbell, Emma McKeon, and Cate combined to break the world record in winning the Women's 4 x 100m Freestyle Relay. Lakeisha set a new world record in the Women's S8 100m Freestyle.

Ten of the team coaches were Queenslanders, and Erin Collis had the honour of being appointed a Starter at the Games.

## 2017 FINA World Junior Championships

Both Zac Stubblety-Cook and Elijah Winnington won bronze medals in individual events at the 2017 World Swimming Championships in Indianapolis.

## 2018 Australian Age Championships

Our youth swimmers continued Queensland's proud record of success by winning 64 individual events and a total of 183 medals at the 2018 Australian Age Championships. Queensland's 34 gold medallists were prepared by 24 coaches.

Stand-out performers for Queensland were Michaela Ryan, with six gold medals; Jenna Forrester, the winner of five events; and Thomas Hauck, Lani Pallister, and Elijah Winnington, each of whom won four gold medals. They were strongly supported by triple gold medallists, Samuel Short and Kai Thomas, and by dual event winners, Connor Brackin, Elizabeth Dekkers, Madeline Gough, Flynn McGregor, Thomas Neill, Mollie O'Callaghan, Georgia Powell, and Laura Taylor.

## 2018 Australian Age Multi Class Championships

At the 2018 Australian Age Multi Class Championships, Katja Dedekind, Jack Ireland and Madeleine McTernan excelled by each claiming four gold medals.

## **2018 Australian Open and Age Open Water Championships**

Queensland swimmers won 13 gold medals at the 2018 Australian Open and Age Open Water Championships. Both Hayden Cotter and Chelsea Gubecka won two events.

## **2017 Australian Short Course Championships**

Queensland was the leading State at the 2017 Australian Short Course Championships. Emily Seeborn underlined her longevity in the high performance ranks of our sport by winning four gold medals, which were matched by David Morgan. Cate Campbell and Grant Patterson claimed three events each.

## **2017 State Teams Championship**

The Queensland team prevailed again at the 2017 State Teams Championship. As well as winning Champion Team trophy, Queensland was named Champion Male Team, Champion Female Team, Champion Male Team 14/15 years, and Champion Female Team 13/14 years.

## **2017 Queensland Championships**

Major award winners at the 2017 Queensland Championships were Ariarne Titmus (McDonald's Swimmer of the Meet); Thomas Hauck (McDonald's Age Group Swimmer of the Meet); Lakeisha Patterson (McDonald's SWD Swimmer of the Meet); and Ty Hartwell (McDonald's Country Swimmer of the Meet).

St Peter's Western won the President's Trophy and Hancock Prospecting Trophy for Champion Club.

## **Athlete and Coach Development**

SQ's ability to deliver coach and club development services has been greatly enhanced over the past few years. Its team now comprises a Coach Development Director, a Coach Development Officer, two Coach and Club Development Officers, a Sport Scientist, an Athletic Development Officer, and a Para Development Officer.

Major activities included Paulus Wildeboer Scholarships for emerging coaches to attend the 2017 FINA World Championships and 2018 Commonwealth Games to observe international swimming competition first hand and learn from the experience under the guidance of the SQ team. The scholarships enabled six Queenslanders to make the journey to Budapest, and another 16 coaches to the Gold Coast Games.

Nine of our swimmers and four of our coaches participated in the Japan Open, while two swimmers and a coach attended an Open Water Swimming World Cup. Fifteen coaches attended a workshop delivered by international sport science expert, Jan Olbrecht. Two talent ID camps and a stroke camp were held in Brisbane and on the Gold Coast, while nine inter-regional clinics were held at local level, catering for 324 swimmers, 52 coaches and 237 parents. A camp for SWD members attracted 22 swimmers and seven coaches. One-on-one mentoring, education and support was provided to coaches across the State.

## **Technical Official Development**

The annual Referees Forum was attended by 34 Technical Officials, and 18 officials participated in an Assessor and Mentor Workshop. Mentoring of Technical Officials was conducted at both the State Teams Championships and the Queensland Championships.

## **Membership Development**

Clinics conducted by SQ for children with special needs, indigenous children, and children from culturally and linguistically diverse communities totalled 85, with 7,926 children participating. Workshops for teachers

# PRESIDENT'S & CEO'S REPORT

and clinics for school and learn to swim teachers attracted 824 attendees. 85 swim schools conducted Macca's Mini Meets.

## Awards

New inductees into the SQ Hall of Fame were Alicia Coutts OAM, Jodie Henry OAM, and Christian Sprenger.

SQ Life Membership was conferred on Erin Collis (NQ), Theresa Manning (NQ), Diane Daw (GC), David Gregory (Bne), and Gail Smail (DD). Recipients of the SQ Award of Excellence were Sarah Emery (CQ), Garry Gibson (DD), Tim Hiller (NQ), Trevor Williams (NQ), and Edelene Koplick (Bne).

Emily Seebohm OAM was named the Susie O'Neill Swimmer of the Year and Olympic Program Swimmer of the Year. Her coach, David Lush, received the Olympic Program Coach of the Year award. The Paralympic Program Swimmer of the Year and Paralympic Program Coach of the Year awards went to Rowan Crothers and his coach, Rob Van Der Zant.

QSport award winners were Kaylee McKeown (Queensland Junior Sport Star of the Year) and Erin Collis (Queensland Sport Officiator of the Year). Jess Schipper OAM was inducted in the Queensland Sport Hall of Fame.

Suellen Hardie received the John Keppie Award for officiating excellence.

## Acknowledgments

Like all sporting organisations, SQ relies heavily on the support of its sponsors in successfully carrying out its functions. So a big thank you goes to McDonald's, Georgina Hope Foundation, Speedo and Medal Shots. Another vital partner is the Queensland Government, which also gives SQ much-needed financial support.

Similarly, without the wholehearted involvement of a multitude of mums, dads and other friends of swimming across the length and breadth of Queensland, our sport could not survive, let alone flourish.

Thank you to one and all.

Michael Cox  
President

Kevin Hasemann  
Chief Executive

### VALE

During the year, SQ lost Life Member Fred Kellett. Fred was a familiar figure in the marshall room at Chandler swim meets for many years and will be long remembered for his dry wit, down-to-earth character and mischievous twinkle in his eye.

# TREASURER'S REPORT

On behalf of the Board of Directors, I submit the Treasurer's Annual Report, together with the audited Annual Financial Report, for the year ended 30 April 2018.

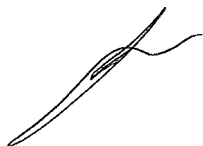

The Association recorded an operating surplus of \$49,435, with Total Revenue of \$3.105m. Total Accumulated Funds grew to \$1.317m.

Notable changes from last year were:

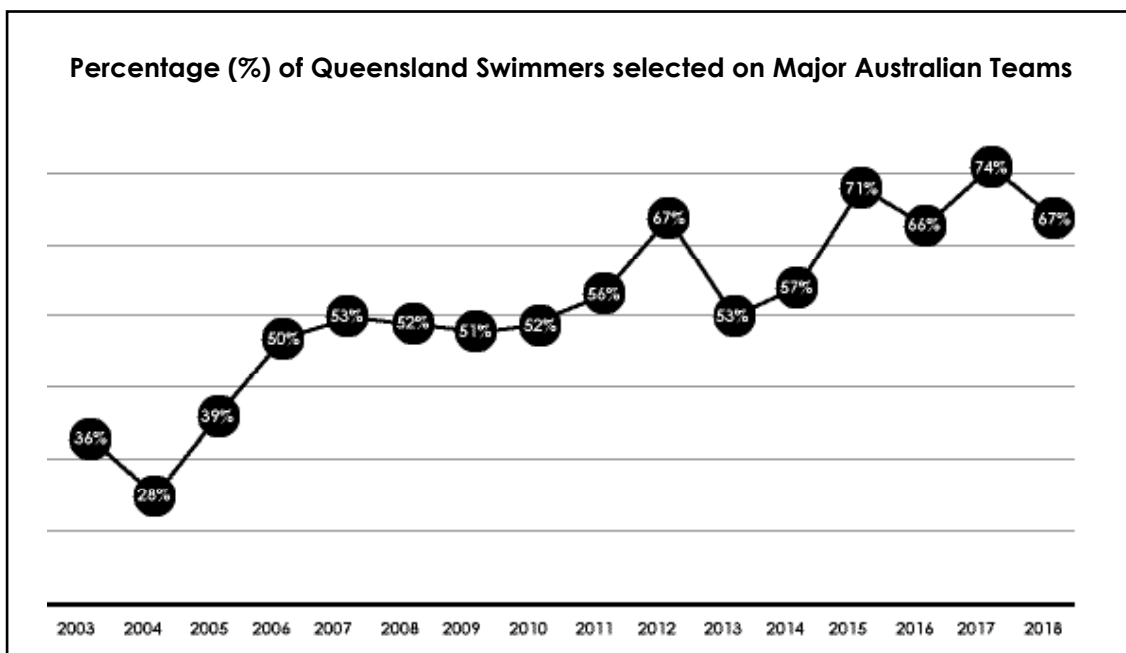

- Shop income dropped by \$113,000 due to heightened competition in the swim suit market.
- Grants income grew by \$136,000 largely as a result of increased funding from Swimming Australia for club and coach development and from government entities for indigenous programs.
- Membership receipts were \$49,000 lower because of Swimming Australia's reimbursement in 2016/17 of foregone membership income relating to earlier periods.
- Athlete and Coach Development expenditure was \$75,000 lower mainly because a Queensland team was not sent to a World Cup pool event this year.
- Employee Benefits outlays rose by \$80,000 principally because of added investment in SQ's staffing capacity.

The Association remains in a solid financial position, with a strong balance sheet and a healthy level of liquidity.

Assisting me on the Finance Sub-Committee over the past year were Michael Cox, Mark Twyford, Kevin Martin, and Erin Collis. I express my sincere appreciation to each of them, and to SQ's finance team.

Marc Nichols  
Treasurer

# ANNUAL FINANCIAL REPORT

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

for the year ended 30th April 2018

### Note 1 - Statement of Significant Accounting Policies

The financial statements are a general purpose financial report and have been prepared in accordance with Australian Accounting Standards, Urgent Issues Group Interpretations, other authoritative pronouncements of the AASB and the requirements of the Associations Incorporations Act. The financial statements have also been prepared on an accrual basis and is based on historical costs modified by the revaluation of selected non current assets (where applicable) and financial assets and liabilities for which the fair value basis of accounting has been applied.

The financial report covers Queensland Swimming Association Inc. which is incorporated under the Associations Incorporations Act 1981 and is domiciled in Brisbane Queensland.

The following is a summary of the material accounting policies adopted in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

#### Income Tax

No provision has been made for income tax as the Association is exempt under Section 50-45 of the Income Tax Assessment Act 1997.

#### Inventories

Inventories are measured at the lower of cost and current replacement cost. Costs are assigned on a first-in first out basis.

#### Property, Plant & Equipment

Property, plant and equipment is carried at cost or fair value less, where applicable any accumulated depreciation and impairment losses. The carrying amount of property, plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amount.

#### Depreciation

The depreciable amounts of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, are depreciated over their useful lives to the entity commencing from the time that the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. Depreciation rates are plant & equipment 7.5% to 75%, leasehold improvements 10% and Historical Gallery 10%.

#### Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Association are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Leased assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the lease interest expense of the period. Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

#### Financial Instruments

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual obligation or right exists. Subsequent to initial recognition these instruments are measured dependent on whether they are classified as Financial Assets at fair value through profit and loss, loans and receivables, held to maturity investments, available for sale financial assets or financial liabilities.

# ANNUAL FINANCIAL REPORT

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS for the year ended 30th April 2018

### Employee Benefits

Provision is made for the liability for employees arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred.

### Government Grants

Government grants are recognised at fair value when the entity obtains control of the grant, it is probable that the economic benefits will flow and the grant can be measured reliably.

### Revenues

Revenue from the sale of goods is recognised upon delivery of the goods to customers. Revenue from rendering a service is recognised upon delivery of the service. Interest income is recognised on an accruals basis.

### Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

### Impairment of Assets

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indicator exists, the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value in use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the income statement.

### Critical Accounting Estimates and Judgments

The committee members evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF QUEENSLAND SWIMMING ASSOCIATION INC.

#### Qualified Opinion

I have audited the accompanying financial report as at 30 April 2018, being a general purpose financial report, of QUEENSLAND SWIMMING ASSOCIATION INC., which comprises the balance sheet, the income statement, statement of changes in equity, cash flow statement, a summary of significant accounting policies, other explanatory notes and the committee member's declarations.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial report as at 30 April 2018 gives a true and fair view of QUEENSLAND SWIMMING ASSOCIATION INC. financial affairs on the basis of accounting set out in the Statement of Significant Accounting Policies.

#### Basis for Qualified Opinion

As is common for organisations of this type, it is not practicable for QUEENSLAND SWIMMING ASSOCIATION INC. to maintain an effective system of internal control over cash from swim meets and other sources of income until their initial entry into the accounting records. Accordingly our audit in relation to fundraising activities was limited to amounts recorded.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. I am independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Committees' Responsibility for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

#### Auditor's Responsibility

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

# ANNUAL FINANCIAL REPORT

## INDEPENDENT AUDITOR'S REPORT CONTINUED...

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit.

I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

## BRISBANE SWIMMING ASSOCIATION INC.

**President: Suellen Hardie**

**Secretary: Susan Weldon**

On behalf of the Management Committee of Brisbane Swimming, I present the 2017-18 Annual Report to Swimming Queensland. This has been another successful season for the region, its swimmers, coaches, officials and clubs.

Brisbane swimmers represented Australia at International events, including the World Championships in Budapest, the World Junior Championships in Indianapolis, the Summer Universiade in Taipei and the Youth Commonwealth Games in Nassau. The only female Australian medallists in Budapest were Emily Seebohm (Brisbane Grammar) with back-to-back Gold in 200m Backstroke and Bronze in the 100m Back and Emma McKeon (then of St Peters Western) with Silver in both the 100m Fly and 200m Free.

At the XXI Commonwealth Games on the Gold Coast, Brisbane swimmers collected 15 individual Gold medals: Mitch Larkin (SPW) 4; Ariarne Titmus (SPW) 2; Cate Campbell (Chandler) 2; Lakeisha Patterson (Lawnton) 2; Emily Seebohm (Brisbane Grammar), Clyde Lewis (SPW), Brenden Hall (Lawnton), Jack McLoughlin (Chandler) and Bronte Campbell (Chandler) 1 each. Games Records were set by Cate Campbell, Ariarne Titmus, Emily Seebohm, Bronte Campbell and Mitch Larkin, with Cate and Ariarne each breaking an Oceania record. And who can forget the World Record in the Women's 4x100m Freestyle Relay with Cate and Bronte Campbell and Shayna Jack (Chandler) in the team. Topped off by their medals being presented by Susie O'Neill.

Brisbane swimmers also competed as Queensland team members. Liam Hunter and Mikayla Messer (Chandler) and Abbey Harkin (St Peters Western) competed at the 2017 Japan Open. The 2017 State Teams Championships in Canberra included 22 from Brisbane clubs out of the 40 team members, along with 4 coaches.

Brisbane played host to the 2017 Patron's Shield, winning for the 5th consecutive year. Our team consisted of 26 boys, 22 girls, 5 coaches and 2 managers. At Queensland State Championships, Brisbane continued to field 2 teams in the Regional Relays.

The region's total membership currently stands at 83 clubs with 10,303 members. Exciting to break through the 10,000 barrier. It is pleasing to see the regular applications for affiliation from new or re-establishing clubs in our region. Our regional championships (Short Course, Open Water, Sprints, Junior and Senior Metropolitans) this season attracted almost 17,000 nominations. The Preparation meets had over 36,500 nominations, an increase of around 10,000, with Development and Transition level meets seeing a decrease to just over 7,000 nominations. It is important for clubs to recognise the value of holding these more introductory levels of meets, bringing the experience of competitive regional swimming to our newest members in a less intimidating atmosphere.

Brisbane region has again increased its investment in Development Activities, this season committing

over \$66,000 to this vital area. 38 swimmers participated in an Athlete Potential Workshop, an interactive workshop run in conjunction with leading sport psychologist, Georgia Ridler from SportPsych Qld. Exploring topics such as confidence, focus, perseverance and mental toughness, both in sport and in life, the participants were mentored by World Champions Emily Seebohm and Mitch Larkin. 63 swimmers attended a series of 3 Stroke Training Sessions, conducted by Olympic Coaches Barry Prime, Brant Best and Rick Van Der Zant. 32 swimmers, 9 coaches and 2 managers attended this season's Big Brisbane Camp, a annual feature on our development calendar. 21 swimmers benefitted from the 2 Open Water clinics, conducted by Trent Grimsey's Grimsey Adult Swim Fit, participation in which included eligibility to compete in the Noosa Summer Swim. Around 160 youngsters enjoyed the 2 Macca's Clinics hosted by the Sunnybank and East Brisbane Swim Clubs. Around 120 swimmers took part in 5 Aquatic Body Alignment Clinics with former Breaststroke World Record Holder, Jade Edmiston.

Our development activities are not only for athletes but for their parents as well. At our annual Parents' Forum during the Metropolitan Junior Championships, interested parents were addressed by SQ Athletic Development Coordinator, Grant Jenkins. He spoke on the topic "Beyond Resilience", dealing with matters such as helping young athletes deal with success and cope with failure.

Becoming an official is an excellent way to show support for your athletes and may open up a whole new area of interest that can endure long after you are no longer required to drive them to training and competition. Swimming Australia has a complete pathway of training modules for technical officials, from Timekeeper through to National Referee. It has been my pleasure to deliver this initial accreditation training to interested members of several clubs over the season.

The 2016/17 Annual Awards Function recognised last season's top performers. Warren Grainger was named Technical Official of the Year. Margaret Pugh and Pat McGinley shared the Hazel Ferguson Award for Volunteer of the Year. Ariarne Titmus from St Peters Western was awarded the Brisbane Rising Star Award and Jack Cartwright, also from St Peters Western, received the Glen Bigg President's Trophy. Brisbane Swimming acknowledges the continuing support of our sponsors, McDonald's and Vorgee. Their representatives are always kept busy at the Awards Function, presenting trophies and awards. Two new Life Members were announced at the 2017 AGM, Teresa Goddard and Robert Van Der Zant.

Above: (L-R) Mitch Larkin and Acacia Bayside Swimmer, Lily Price, at the Athlete Potential Workshop, and the Brisbane Open Water Squad after a training session at Redcliffe.

A new award this season is the Club of the Year Award. This encourages clubs to examine their efforts in the areas of recruitment of members and technical officials; creation of a positive club environment; effective management practices; and inclusion of their local community. The inaugural trophy was presented at the 2018 Awards Function to the Acacia Bayside club.

Many thanks to all the technical officials, volunteers, club administrators, coaches, parents and of

course the swimmers who, in combination, are responsible for the success of Brisbane Swimming. I also acknowledge all our Life Members, many of whom continue to actively support the association. In addition, we thank Swimming Queensland for its role in our administration, with special acknowledgement of Kellie Richter. Sincere thanks to my fellow members of the Management Committee for the time they put into the running of this association. This is my final President's Report, as I have now completed the maximum 6 years as President, as laid down by our constitution. I have enjoyed this time and wish the incoming President and committee all the best into the future.

## CENTRAL QUEENSLAND

**President: Michael Borg**

**Secretary: Amanda Noone**

The 2017-18 swimming season was another successful year for the Central Queensland region with another year of strong membership, both competitive and recreational swimmers.

The Association conducted, with the generous assistance of the region's clubs, two carnivals which provided valuable platforms for State & National competitions. CQ Sprints was hosted by Biloela Bluefins with over 220 swimmers competing this year in Biloela. The Graham Simpson "Simmo's Best Overall Performance Award" went to Matthew Richardson & Randy Chopping. CQ Championships celebrated all the fantastic efforts of coaches, parents & competitors for the season. Congratulations to all competitors, whether it was PB's, CQ Records or Awards, the standard of competition was outstanding. Special thanks to all the volunteers for their time, especially Meet Director Mrs Susan Brown, Chief Referee Mrs Sarah Emery, and the many clubs that took on roles over the weekend and undertook those jobs professionally and to a high standard.

Thanks & appreciation needs to be extended to the Chair of the Technical Committee, Mrs Sarah Emery, the Referees and the many officials who ensure our meets throughout the region are conducted "within the rules" and in the spirit of competition. Without their support through the long hot summer the competition would just not happen. Thank you to those who are working on their technical qualifications, as with all sport, many more are needed so keep up the good work!

The Development Grants Program continued to support clubs undertake activities that may ordinarily be beyond their reach. Thank you to those clubs that have participated.

Our State & National swimmers showed CQ can match it with the best medalling in a range of events; these young men & women and their families should be proud of their achievements. Coaches also deserve praise as their support is integral to the swimmer's success.

The GC2018 Commonwealth Games provided opportunities for many to volunteer and share the experience

Next year will see another series of development activities in partnership with Swimming Queensland, CQ Sprints at an exciting venue, and CQ Championships as the season's culmination of all the work swimmers and coaches put in.

Finally, I would like to thank the Management Committee (and their families) for their contributions of time, energy and enthusiasm throughout the year; your efforts are appreciated by all.

## DARLING DOWNS REGIONAL SWIMMING ASSOCIATION (DDRSA)

**President: Garry Gibson**

**Secretary: Shannon Armbruster**

It's with great pleasure that I present the annual report on the activities held in the region for the 2017-18 season. It has been a busy season with the continuation of implementing initiatives of past years. The members of the Management Committee have been working with members of various Subcommittees and a whole range of technical, professional and voluntary providers to implement the programs for the 2017-18 season. We are now planning for the upcoming season to continue to take the region forward.

### **Development**

This season, the DDRSA continued to join with Swimming Queensland to take part in the funding to access Barry Prime, the SQ Development Coach. This continues to be a major investment by the DDRSA for the development of club coaches throughout the region, at grass roots level. For many this is the future in the development of strong clubs. The progress of this investment in development has evolved as Barry Prime continues to travel to various clubs. He ran small clinics to help develop the swimmers and coaches in this region.

### **2017 JX Clinic Toowoomba**

The DDRSA Junior JX Clinic for 9 – 12 year olds was held at the Fairholme Aquatic Centre on the 28th October which saw a lot of new faces attending and also allowed some coaches to experience the coaching techniques offered by other coaches in this region. The coaches from different country clubs and Toowoomba clubs assisted Barry Prime from Swimming Queensland to facilitate an extremely beneficial swimming clinic and a skills session. This year, Jack Cartwright and our own Jacob Whale were the invited guest swimmers. It was followed up by the Time and Technique meet run by Fairholme which allowed a lot of the swimmers who attended the clinic to practice what they had just been introduced to. From the feedback it actually worked very well. This meet is about points based on Racing Skills & Technical skills. The afternoon competition was organised by Fairholme SC.

### 2017-18 Club Visits & Clinics in the Outer Western Regions of the Darling Downs

This is an important initiative for the DDRSA Development program. Barry Prime visited Coaches in our region, in total 26. He observed club programs at St George, Charleville, Texas, Quilpie, and Augathella. He also held a clinic at St George and along with Jade Edmiston held clinics at Inglewood, Chinchilla. Michael Wise DDRSA Development Coach also spent time out at some centres helping coaches and their swimmers. He ran a competitive strokes course out at Wandoan and put 4 new parents through the course over 2 days. He then went back and did another 2 development days with them during the season to help develop the swimmers in this area.

### 2018 Development Clinic held at Stanthorpe

After a successful Country Championships held on the 20th January at Stanthorpe, the development clinic was held on Sunday 21st January at the same venue. This clinic was open to all swimmers in our region and saw over 60 swimmers take part. The morning started with Charlotte Bush (Dietitian) talking to parents and swimmers on what to eat before and after training and during competition. Then the swimmers enjoyed a session provided by Gail Smail, Garry Shorter, Michael Wise and Karen Gillcris.

The DDRSA acknowledges the ongoing support received over many years from Gail Smail, Garry Shorter and Michael Wise. For without their time and expertise freely given, the DDRSA could not hold our annual Development Clinic activities. The DDRSA cannot thank enough Fairholme College and Stanthorpe Pool and the host clubs for their support of these clinics. DDRSA is appreciative of Barry Prime's attendance at the year's development activities, as his expertise is clearly apparent to the swimmers and coaches who participated with clinics and workshops.

### Regional Events

#### 2017 McDonald's Winter Short Course

The first DDRSA meet for the season was the Winter Short Course. The Association would like to thank Fairholme College and Fairholme Swim Club for their support in enabling the DDRSA to host the Winter Short Course on the 6th August 2017. This season the DDRSA has introduced the full program in line with the other DDRSA Championships meets, which brings this meet in line with the selection criteria for all Championships meets for this region.

#### 2017 Toowoomba Open

The Toowoomba Open has again been used for the selection of Toowoomba Champions. Along with the Regional Championships, it was held in Toowoomba. With the support of all the Toowoomba clubs and Milne Bay Aquatic Centre, these meets ran efficiently.

#### 2018 Country Championships

The Country Championships, which was hosted by the Stanthorpe Swimming Club, was facilitated at an excellent standard and well supported. This meet was again the biggest on the Downs this season number-

wise. The Country Awards are selected from this meet. It was very pleasing to see the number of coaches and country technical officials who supported this meet.

### **2018 McDonald's Regional Long Course**

The Regional Championships was held in Toowoomba with the support of all of the Toowoomba Clubs and Milne Bay Aquatic Centre. The DDRSA would like to express our sincere thanks to Kevin Martin (SQ Board Director) for his time spent talking to officials and coaches on the day.

### **2018 Presentation Night**

The Presentation Night was held at the Highfields Cultural Centre on the 10th March, 2018. This year was a great success with the largest number ever of 260 members attending with swimmers, parents, coaches, officials and volunteers coming together to celebrate the successes of the season. This season we acknowledge the team swimmers that represented this region over the season. Our guest speaker, Shayna Jack (2018 Commonwealth Games Australian Swim Team member), spoke about her life as a swimmer, answered many questions from our own swimmers and interacted with both swimmers and parents afterwards.

### **Regional Teams**

#### **Patron's Shield**

The Patron's Shield was hosted by BSA at The Valley Pool on 17th September 2017 with teams from Darling Downs, Wide Bay, Brisbane and Gold Coast attending. The region was represented by 42 swimmers on the day. For the DDRSA this meet is all about a team event and is a good introduction for the younger swimmers. Thank you to all teams for an enjoyable day and congratulations to Brisbane as winners for this year.

#### **State Relay**

A team of 32 swimmers was selected to swim for Darling Downs at this season's State Relay. They gained medals in five events. Congratulations to all the swimmers for their great results in all age groups. DDRSA would like to thank the Team Managers, Shannon Armbruster, Lisa Ford and Michael Crook, Development coach Michael Wise and other coaches Cody Grimsley, Troy Chandler and Gail Smail for the selection and organisation of the relay teams. For without this support the DDRSA could not field these teams.

#### **Congratulations**

This season, Gail Smail was awarded the Swimming Queensland Life Membership for her lifelong involvement in swimming and was presented to Gail at the 2018 Country Championships by Michael Cox SQ President. Garry Gibson was awarded the Swimming Queensland Award of Excellence for his lifelong involvement in swimming on the weekend of the 2018 Regional Championships by Kevin Martin SQ Director. William Salmond was awarded the McDonald's Swimmer of the Year. Volunteer of the Year was awarded to Bianca Deleforce. Abigail Schoorl was awarded the Presidents Trophy. Rising Star award went to both William Salmond and Naia Anderson. Gail Smail was awarded Coach of the Year. Jamie Johnman was awarded DDRSA Life Membership at the DDRSA AGM.

### **The Future**

Our Association must be proactive in providing opportunities for all swimmers and their coaches throughout this vast region. However, what happens at club level is the most important thing for the swimmers. The future is full of opportunities with the continued development of technology on how clubs are run. The interaction between the club and the coaches is continuing to evolve, so the association must embrace these changes and work with the stakeholders. This is the goal of the DDRSA Management Committee when planning for the 2018-19 season.

### **Major Sponsor McDonald's Family Restaurants**

The DDRSA takes this opportunity to thank McDonald's Family Restaurants for their generous support in this region. The activities run by the DDRSA would come at a higher cost to the region without their generous ongoing support.

### **Thank You**

A thank you must go to Swimming Queensland CEO Kevin Hasemann and the Swimming Queensland staff, along with the DDRSA members who are working continuously to help in the development of swimming across the region.

I would also like to thank the Management Committee of David White, Cody Grimsley (Half the season), Shannon Armbruster and Troy Chandler who worked hard for another successful season.

Thank you to Michael Wise the DDRSA Development Coach, who worked with Barry Prime to ensure that our region had an ongoing swimmer development program. Thank you to Garry Gibson and Shannon Armbruster, Chairpersons of the Technical Sub-Committee, and all the technical officials who have volunteered their time to the swimming community. For without the volunteers, whether it is timekeeping, marshalling, check-starting or as a Technical Official, any swim meet would not start without them.

I am pleased to present the 2017-18 annual report for the Far North Queensland Regional Swimming Association.

The region would like to thank our sponsor McDonald's Family Restaurants for their continued support of Swimming in our region.

## FAR NORTH QUEENSLAND SWIMMING ASSOCIATION

### **Continued.**

Our regional swim meets were well attended with many swimmers making their first state and national times. Our regional Development calendar was full of activities for all levels of swimming. 6 Clinics were held over the season which included visits by Jade Edmiston for our Junior Development, and Brant Best and SQ Biomechanics for our State Development and High performance. Our swimmers always look forward to these clinics and they are well attended.

This year the FNQRSA committee along with the assistance of Brant Best and SQ, introduced the FNQRSA Coaches Scholarship and Coaches Forum. In January of this year four coaches from our region were flown to Brisbane for a week to spend time with coach mentors in Brisbane and the Gold Coast. In January 2019 the FNQRSA with help from SQ, will be hosting a three-day coaches forum in Cairns. FNQRSA are sure the investment in our Coach Development will have positive long-term results for our region.

This season our region was successful in securing a grant to help upgrade software for the region and to purchase equipment for our swimmers and Technical Officials.

As this will be my last season on the FNQRSA management committee I would like to take this opportunity to thank Swimming Queensland for their continued support over the past 5 years. I would also like to thank the management committee and volunteers for their hard work and support.

## SWIMMING GOLD COAST

### **President: Kim Cook**

### **Secretary: John Whale**

2017-18 was a huge season for the Gold Coast. With our usual business of club nights, club meets, regional championships, awards day and AGM in the year we had the honour of having the Commonwealth Games Trials and the Commonwealth Games in our home town. Swimmers, coaches, technical officials, parents and supporters were busy with excitement over having all this happening in our backyard. We had the opportunity to showcase our great home of the Gold Coast.

Congratulations to the many swimmers that have aspired to grow as swimmers and improve. From the JX swimmers to our regional development squads to our swimmers that have been selected on SQ teams and Swimming Australia teams. We had much to be proud of this year and seeing many smiling faces. The Gold Coast Aquatic Centre got a great facelift with the games and we watched on while our swimmers trialled for the Commonwealth Games in February and then 6 weeks later those swimmers fortunate enough to make the team showcased their talents and we were very proud of their personal achievements. As a region we are aware of how much work and personal sacrifice is made by our swimmers to achieve their goals and we applaud you. To the coaches of the region that have supported all our swimmers your hard

work and many hours on pool deck are greatly appreciated. You may not be in the water swimming but you are certainly there for every 10th of a second that your swimmers race. Congratulations to you all.

Within our region we are fortunate to have 26 clubs that all work strongly to support swimming and their swimmers. From the bbq people to the club presidents, secretaries and race secretaries – your work and commitment is commended. Thank you.

Special mention to our swimmers within our region at the Commonwealth Games and the trials, National Age and National Open Water. Congratulations to the following swimmers within our region for their successes in the pool David Morgan, Laura Taylor, Kiah Melverton, Emma McKeon, David McKeon, Grant Irvine, Georgia Bohl, Madi Groves, Cameron McEvoy, Leiston Pickett, James Roberts, Elijah Winnington, Alexander Graham, Ben Treffers, Chelsea Hodges, Emma Siddle, Madeleine McTernan, Flynn McGregor, Brooke Napper, Tom Hauck, Max Kennedy, Lucinda Macleod, Ruben Rees, Daniel Craig, and Kalani Skipp and Madisyn Armstrong in Open Water. So many more swimmers that also made finals at National Age a great showcase of our junior talent. Congratulations to all our swimmers.

Within our committee we welcomed new executives as we said goodbye to Gerry Epstein, Michelle Sabotic and Di Daw after many years on our regional committee. We welcomed John Whale, Lynette Koina and Cathryn Rayward as part of our new executive and they have flourished in their new roles. Thank you to the executive for their hard work and their commitment to swimming. Within our region we cannot get the things done without many other helping hands and with this in mind I would like to thank Karen Bradburn, Sally Skea and Michelle Schafer for their work.

It is a pleasure to work with such experience within our technical committee and thank our Chief Referee, Sharon Wicking and our technical committee including Karen Macleod, Michael Cox, Alan Smith, John Dove and Maree Oberg. Not only do these officials help within the region but also assist at State Level Meets and National Meets. Thank you for your guidance, knowledge and support of our region in swimming and our meet calendar.

Our development program has continued and with the support of our Coach and Development Office, Barry Prime we continue to improve and work with our Gold Coast coaches and clubs to work to improve our swimmers. Thank you also to Drew McGregor for his support and guidance for our coaches too. There are many other volunteers that help our region run and far too many to list in this report but suffice to say without our band of many volunteers and officials our region would not be able to do what it does. Volunteer Week reminds us of the work that these many people do within the region and outside the region at club level, state level and national level and I thank them greatly for their support and time. Never underestimate the importance of your contribution – THANK YOU!

### **TEAM – Together, Everyone, Achieves, More**

Without our team made up of our committee, volunteers, officials, coaches, swimmers and parents our team would not achieve what we do each season. Congratulations to all and thank you for the successes we achieved in the 2017/2018 season. Now we all take a breath and look forward to the upcoming achievements of the next season. See you at a pool somewhere on our beautiful Gold Coast!

## SWIMMING NORTH QUEENSLAND

**President: Theresa Manning**

**Secretary: Lindy Hiller**

This past season has proven to be yet again an eventful and challenging one filled with success for our region.

### **Membership**

During the season our region had 1,064 registered swimmers, 23 registered clubs, 26 coaches and 15 technical officials, 681 Parents, and 22 Life Members. Of the 1,064 registered swimmers 27% are Junior Dolphins (7&u) and 12% are 8yr Junior Dolphins, a strong indication that our nursery of swimmers coming through continues to show growth in the region.

### **Regional Championships**

Our Regional Championships were held in March with just under 300 competitors taking part over the two days. The weather shone for us this year as we enjoyed a successful weekend. The weekend began with our March Pass on the Saturday morning, which was won by the very colourful Collinsville Team. A very strong performance from the Mackay Cyclones Team saw them awarded the Jenny Logan Memorial award, the Pat Wright relay award was awarded to the Gardens Team with Gardens also taking home the SNQ Champion Club Award.

We welcomed our special guest from SQ, Michele Watson and kept her busy chatting to the clubs during the course of the weekend.

#### **Sharks – Sunshine Coast, July 2017**

Our winter camp for the 12-13 yr old swimmers (known as the Sharks squad) this year was held in July in Coolum, with 42 kids attending and then competing at the Mountain Creek Makos SC meet. The kids attended the Luther Heights Camp at Coolum, arriving by bus Saturday, having activities in the afternoon and evening and then swimming at the Makos meet on the Sunday. All kids seemed to enjoy themselves and were wonderfully looked after by Coaches Brendan Roser & Kaitlyn Walker.

In Sept 2017, myself and Everlyn Druce (WB Registrar) along with Coach Adrian Williams from Eumundi, took a group of 12 kids down to the Victorian Age SC Champs to compete as a WB team, for the 3rd year in a row. These kids did an outstanding job of swimming, acting as young adults and looking out for and after one another as a group.

My sincere thanks goes to Everlyn Druce, who assisted me on the trip and took care of the kids exceptionally well, and ensured all of them were fed, watered and clothed with clean towels, togs and clothes where necessary. Thankyou also to Deb Newnham for all of the bookings made for the trip. Our thanks also goes to Adrian, who did an outstanding job as Coach and who had the respect of every swimmer who travelled.
