Hayes Knight Audit (Qld) Pty Ltd

# PRESIDENT'S REPORT

---

It is with great pleasure that I present this report to members of asctaQLD activities during the 2013/14 financial year.

During 2013/14, the ability of asctaQLD coaches was again recognised in their selection to lead and assist with Swimming Queensland and Swimming Australia teams. It is due to the success of such coaches, that both Queensland and Australia were well represented on both a National and International platform.

Following Queensland's success at the 2013 Australian Open Championships, 6 Queensland coaches were selected on the 2013 World Championship Team, these were Matt Brown, Denis Cotterell, Simon Cusack, Barry Kime and Richard Scarce, with Michael Bohl as the Female Head Coach for the team. Queensland coaches were also represented at the IPC World Championship team by Harley Connolly and Rick Vanderzant. An additional 7 coaches represented QLD on other National Teams throughout the year. These coaches include Chris Nesbit, Dean Pugh, Glenn Beringen, Rob Hindmarsh, Shane Kingston, Colin Braund, Peter Carswell.

These coaches have proven that Queensland continues to produce world class coaches and athletes. It is the efforts of these coaches that saw Queensland swimmers bring home 75% of medals achieved at the 2013 Fina World Championships. Queenslanders also achieved 3 Individual Gold medals and one relay Gold medal at the 2013 IPC World Championships.

Once again, Queensland maintained their track record of excellence at the 2014 Australian Age Championships, with 24 Queensland coaches producing gold medal winners, our best result on record, earning Queensland the Premier State Award. AsctaQLD recognised the outstanding achievement of these coaches by awarding them an asctaQLD Age Champion shirt. Queensland once again took out the Male and Female Team awards at the 2014 Australian Open Championships along with 42 gold medals for individual events.

Queensland maintained its perfect record at the 2014 State Teams Short Course Championships, taking out the championships for the fifth consecutive year under the following coaches: Shaun Crow (Head Coach), Mark Lorrimer (Male Head Coach), David Proud (Female Head Coach), Col Robson, David Lush, Josh Smith, Michelle Morris, Richard Sleight, Sean Eels, Tsuyoshi Kimura.

The 2013 asctaQLD state conference was held at the Colmslie Hotel, Brisbane, attendees were captivated by the late keynote speaker late Paulus Wildeboer, he was followed by guest speaker Australian coach Dean Pugh. The 2013 conference delivered mentoring and professional development to just over 80 Queensland coaches and learn-to-swim teachers. The conference also provided an opportunity for asctaQLD to support the professional development of 2 coaches and 1 teacher, through our asctaQLD scholarship program. The recipients of these scholarships were Robert Shinn, Val Kalmikovs and Nicole Zeller.

This year, the annual asctaQLD Coaches Christmas Lunch was again held on the last day of the Queensland Championships at the Sleeman Sports Complex. During the lunch the 2013/14 Coaching Awards were presented, recognising the success of Queensland coaches and celebrating their outstanding achievements. I'd also like to take this opportunity to thank Swimming Queensland and asctaQLD sponsor Vorgee for once again generously supporting this function.

In order to attract more swimmers and keep them in the sport, asctaQLD provided support to Swimming Queensland in the way of financial contribution to the employment of Michael Sage, SQ's Development Coach. Michael worked alongside Paulus Wildeboer, who had a great vision for revamping Queensland's athlete and coach development strategies.

Sadly, Paulus passed away from prostate cancer in early May 2014. He was a visionary, and a splendid, inspirational leader. The sport of swimming was the elixir of life for Paulus. In his short time as Swimming Queensland's Mentor Coach, he bravely challenged the contemporary approach to swim coaching in Australia. Time will show that Paulus was

the catalyst for much-needed change in Australia in the identification and development of talented swimmers.

At the conclusion of the 2013/14 financial year the Association retained a surplus of \$38,353.

I would like to take this opportunity to thank all who have contributed to the success of asctaQLD in offering their support throughout the year. I would also like to make note of the continuation of sponsorship from Vorgee along with the support provided from the Queensland Academy of Sport and Swimming Queensland, whose commitment and support vitally contribute to the success and development of our Queensland coaches.

Shaun Crow
